Australia Awards scholarships are prestigious international awards offered by the Australian Government to the next generation of global leaders in developing countries. Through study and research, recipients gain the skills and knowledge to drive change and help build enduring people-to-people links with Australia.

Applicants are assessed on their professional and personal qualities, academic competence and, most importantly, their potential to make an impact on development challenges in Pakistan.

Applications are strongly encouraged from women, people with disability and other marginalised groups.

Priority fields of study

Australia Awards scholarships will be offered to professionals working in sectors that support Pakistan to achieve sustainable development with particular focus on climate change, the empowerment of women and girls, water security, agriculture, infrastructure and inclusive economic development.
