Press Release

Daycare Centre Facility at AGP Office

Office of the Auditor General of Pakistan. (OAGP) believes in gender parity, women empowerment and providing dignified work environment to its employees. The office had set up a daycare centre which has now been refurbished and remodelled on the special directives of Auditor General of Pakistan Mr. Muhammad Ajmal Gondal to promote gender equality and provide healthier milieu to the female officials working in the headquarters by providing safe and suitable daycare facilities for their children.

The daycare comprises all requisite facilities including study area and material, play area for children, LED TV and internet. The Auditor General of Pakistan inaugurated the newly-refurbished daycare centre. The Additional Auditor General-I alongwith other senior officers accompanied the Auditor General. After inauguration, the Auditor General inspected different facilities in the daycare centre and interacted with the kids and officers of the Department.

The female employees of the office thanked the Auditor General of Pakistan for establishment of a well-equipped daycare centre with all the requisite facilities.
