Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan, 1973 read with Section 115 of the Punjab Local Government Ordinance, 2001 require the Auditor General of Pakistan to audit the accounts of the Provincial Governments and the accounts of any authority or body established by, or under the control of, the Provincial Government. Accordingly, the Audit of all Receipts and Expenditures of the District Government Fund and Public Account of District Government is the responsibility of the Auditor General of Pakistan.

The report is based on audit of the accounts of various offices of the District Government, Sheikhpura for the financial year 2013-14. The Directorate General of Audit District Governments, Punjab (North), Lahore, conducted audit during 2014-15 on test check basis with a view to reporting significant findings to the relevant stakeholders. The main body of the Audit Report includes only the systemic issues and audit findings carrying value of Rs1.00 million or more. Relatively less significant issues are listed in the Annex-A of the Audit Report. The Audit observations listed in the Annex-A shall be pursued with the Principal Accounting Officer at the DAC level and in all cases where the PAO does not initiate appropriate action, the Audit observation will be brought to the notice of the Public Accounts Committee through the next year's Audit Report.

The Audit results indicate the need for adherence to the regularity framework besides instituting and strengthening internal controls to prevent recurrence of such violations and irregularities.

The observations included in this Report have been finalized in the light of written responses and discussion in DAC meetings.

The Audit Report is submitted to the Governor of the Punjab in pursuance of Article 171 of the Constitution of the Islamic Republic of Pakistan, 1973 to cause it to be laid before the Provincial Assembly of Punjab.

EXECUTIVE SUMMARY

The Directorate General Audit (DGA), District Governments, Punjab (North), Lahore is responsible to carry out the audit of District Governments, Tehsil / Town Municipal Administrations and Union Administrations of three City District Governments and sixteen District Governments. Its Regional Directorate of Audit, Lahore has audit jurisdiction of District Governments, TMAs and UAs of one City District Government i.e. Lahore and four District Governments i.e. Kasur, Sheikhupura, Okara and Nankana Sahib.

The Regional Directorate has a human resource of 20 officers and staff, total 5706 man-days and the annual budget of Rs27.061 million for the Financial Year 2014-15. It has mandate to conduct Financial Attest Audit, Regularity Audit and Compliance with Authority & Performance Audit of entire expenditure including programmes / projects & receipts. Accordingly, RDA Lahore carried out Audit of accounts of District Government, Sheikhupura for the Financial Year 2013-2014.

The District Government, Sheikhupura conducts its operations under Punjab Local Government Ordinance, 2001. It comprises one Principal Accounting Officer (PAO) i.e. the District Coordination Officer (DCO) covering six groups of offices i.e. Agriculture, Community Development, Education, Finance & Planning, Health, and Works & Services. The financial provisions of the Punjab Local Government Ordinance, 2001 require the establishment of District Government fund comprising Local Government Fund and Public Account for which Annual Budget Statement is authorized by the Nazim / Council / Administrator in the form of budgetary grants.

Audit of District Government, Sheikhupura was carried out with the view to ascertaining that the expenditure was incurred with proper authorization, in conformity with laws / rules / regulations, economical procurement of assets and hiring of services etc.

Audit of receipts / revenues was also conducted to verify whether the assessment, collection, reconciliation and allocation of revenues were made in accordance with laws and rules, resulting in no leakage of revenue.

a) Scope of Audit

Out of total auditable expenditure of Rs 6,731.958 million of the District Government, Sheikhupura for the financial year 2013-14 covering one PAO and 330 formations, the Directorate General

Audit, audited an expenditure of Rs 3,217.814 million which, in terms of percentage, was 47.80% of auditable expenditure. The Directorate General Audit planned and executed audit of 40 formations i.e. 100% achievement against the planned audit activities.

Total receipts of the District Government Sheikhpura for the financial year 2013-14, were Rs 16.772 million, whereas, Directorate General Audit, audited receipts of Rs 11.74 million which was 70% of total receipts.

b. Recoveries at the instance of audit

Recovery of Rs 54.945 million was pointed out, out of which recovery of Rs 0.332 million was effected during the year 2014-15 at the time of compilation of report. Out of total recoveries Rs 54.945 million was not in the notice of the executive before audit.

c. Audit Methodology

The audit year 2014-15 witnessed intensive application of desk audit techniques in this directorate. This was facilitated by access to live SAP/R3 data, internet facility, and availability of permanent files. Desk review helped auditors in understanding the systems, procedures, and environment, and the audited entity before starting field activity. This greatly facilitated in the identification of high risk areas for substantive testing in the field.

d. Audit Impact

A number of improvements, as suggested by audit, in maintenance of record and procedures have been initiated by the concerned departments, however, audit impact in shape of change in rules has been less materialized due to non-convening of regular PAC meetings. Had PAC meetings been regularly convened, audit impact would have been manifold.

e. Comments on Internal Control and Internal Audit Department

Internal control mechanism of District Government Sheikhpura was not found satisfactory during audit. Many instances of weak Internal Controls have been highlighted during the course of audit which includes some serious lapses like withdrawal of public funds against the entitlement of employees. Negligence on the part of District Government authorities may be captioned as one of important reasons for weak Internal Controls.

Section 115-A (1) of PLGO, 2001 empowers Nazim of each District Government to appoint an Internal Auditor but the same was not appointed in District Government Sheikhpura.

f. The key Audit findings of the report

- i. Non Production of record of Rs 10.925 million was noted in one case.¹
- ii. Irregularity and non-compliance of Rs 75.748 million was noted in 08 cases.²
- iii. Internal Control Weakness of Rs 78.357 million was noted in 10 cases.³

Audit paras for the audit year 2013-14 involving procedural violations including internal control weaknesses, unsound asset management and irregularities not considered worth reporting are included in MFDAC (Annex-A).

g. Recommendations

Head of the District Government needs:

- i. To comply with the Public Procurement Rules for economical and rational purchases of goods and services.
- ii. To held Inquiries to fix responsibility for fraud, misappropriation, losses, theft and wasteful expenditure.
- iii. To make efforts for expediting the realization of various Government receipts.
- iv. To take appropriate action for non production of record.

1.2 AUDIT PARAS

1.2.1 Non Production of Record

1.2.1.1 Non Production of Record – Rs 10.925 million

Section 115(5) & (6) of PLGO, 2001 stipulates, inter alia, that auditee organization shall provide record for audit inspection and comply with requests for information in as complete a form as possible and with all reasonable expedition.

Management of DO Health and Dy. DO Agriculture Extension Safdarabad did not provide the auditable record valuing Rs 10.925 million relating to vouched accounts of expenditure for audit scrutiny.

Audit is of the view that the relevant record of the expenditure was not maintained and, hence, not produced to Audit for verification which may lead to likely misappropriation and misuse of public resources.

In the absence of vouched account, authenticity, validity and accuracy of expenditure could not be verified.

The matter was reported to the DCO in November, 2014. DAC in its meeting held in 08th January 2015 directed the departments to produce the relevant record but no further compliance was reported till finalization of this report.

Audit recommends fixing responsibility against the officers / officials at fault under intimation to Audit.

EDO Health Sheikhpura drew from government treasury a sum of Rs 28.781 million during financial year 2013-14 for purchase of Instruments for THQ Hospital Sharaqpur, THQ Hospital Safdarabad and THQ Hospital Ferozwala. Payment was held unauthorized and misuse of government funds because the buildings of the hospitals were incomplete, even at the stage where even instruments cannot be placed under the roof. Scenario clearly shows that the unnecessary purchase was executed just to utilize the budget. Further probe into matter revealed that there was no inspection of instruments by the technical committee and no item was even available in the store of concerned hospital or EDO health office.

Audit is of the view that due to weak internal control, the non transparent procurement was made. This resulted in unauthorized purchase and value of money was not achieved.

Management replied that the instruments were supplied to DHQ Hospital with the approval of DCO.

The matter was reported to the DCO / PAO in November, 2014. DAC in its meeting held on 08.01.2015, directed the department for fixing responsibility within 15 days. No compliance was made till the finalization of this report.

Audit recommends fixing responsibility against the officers / officials at fault under intimation to Audit.

According to Finance Department letter No. FD.SO(GOODS)44-4/2011 dated 6th August, 2013, no contingent paid staff shall be appointed without obtaining prior approval of Finance Department to keep the expenditure strictly within the budgetary allocation.

DO Civil Defense Sheikhpura made payment amounting to Rs 23.355 million to contingent paid staff without obtaining approval of Finance Department during financial year 2013-14. Payment was held unauthorized because the prior approval of Finance Department was not obtained.

Audit is of the view that contingent paid staff was appointed without fulfilling the codal formalities due to mismanagement and poor administration. This resulted in unjustified recruitment of contingent staff.

The matter was reported to the DCO / PAO in November, 2014. DAC meeting was held on 08.01.2015, DAC directed the department for investigation of matter and fixing responsibility besides regularization of matter. No compliance was made till the finalization of this report.

According to Health Department's policy letter SO (P-1) H/RC/2001-02/01, dated 29-09-2001, no drug/ medicine shall be accepted and used without the report of Drugs Testing Laboratory (DTL).

Medical Superintendent THQ Hospital Muridke incurred an expenditure of Rs 6.855 million on the purchase of medicines during 2013-14 without having report from Drugs Testing Laboratory. This resulted in irregular expenditure as detailed at Annex-C.

Management replied that the DTL reports will be collected and submitted.

The matter was reported to the DCO / PAO in November, 2014. DAC in its meeting held on 08.01.2015, directed the department for holding of enquiry but no compliance was made till the finalization of this report.

Audit recommends that the matter may be enquired at appropriate level besides fixing responsibility against the officers / officials at fault under intimation to Audit.

for construction of 1 cubic meter brick masonry. Further according to approved PWD specifications (Page 45 of Composite Schedule Rates), 25 cft Cement Sand mortar is required for construction of 100 cft. Bricks masonry.

DO (OFWM) Sheikhpura paid for using 500 bricks instead of 375 standard numbers for construction of 1 cubic meter of water course without deduction of 0.25 cubic meter of wet material (cement, sand).

Audit is of the view that overpayment was made due to non-compliance of instructions of the Finance Department. This resulted in overpayment on account of bricks. This resulted in excess payment of Rs 5.778 million during 2013-14 Annex-D.

The matter was reported to the DCO / PAO in November, 2014. DAC in its meeting held on 08.01.2015 directed the department to recover the amount, no compliance was shown till finalization of this report.

The matter was reported to the DCO / PAO in November, 2014. DAC in its meeting held on 08.01.2015, departments replied that the purchase was made through EDO CD. DAC directed the department for investigation of matter and fixing responsibility. No compliance was made till the finalization of this report.

The expenditure was held unauthorized and doubtful because expenditure was split into small orders to avoid open competition and sanction of higher authority. Besides this irregularity there was no stock entry, issue and receiving of the material Annex-E

Audit is of the view that due to financial mismanagement the expenditure was incurred without fulfilling codal formalities. This resulted in unauthorized purchases.
