Subject: **COUNTRY PAPER FORMAT**

Department of the Auditor General of Pakistan is often required to contribute country papers for different international forums. It has been observed that the attempted country papers normally do not fulfill the requirement of the forum.

2. A format of country papers has been devised as under:

**Country Paper Format**

- Title
- Summary
- Introduction: Scope, Concepts, Significance
- Brief review of relevant literature
- International standards/ practices
- Existing legislative framework/ Current Status within the country
- Case study/ Country experience, lesson learnt, recommendations
- Major challenges
- Scope/ key areas for international collaboration
- Suggestions for further initiatives/ measures
- References

3. It is requested that above format may be followed in future for attempting country paper of the department. However, changes in the format can be made according to the requirements of the topic.

4. This issues with the approval of Additional Auditor General-I.
