Subject:

VIDEO CONFERENCING NETWORK OF DAGP

The Auditor-General of Pakistan has been pleased to direct that the recently established video-conferencing network should be utilized for meetings and training sessions to the maximum extent, specifically for the following purposes:

- a) Selected sessions of Pakistan Audit & Accounts Academy training programs emanating from Lahore Headquarters.
- b) Review of AGP decisions requiring input from regions where video-conferencing is available.
- c) Pre-PAC meetings involving briefing sessions with AGP.
- d) All meetings between DAGs and DGs to be conducted preferably through video-conferencing.
- e) Any other inter-city meeting/ session.

2. It has also been directed that all efforts may be made to reduce traveling expenditure by half. The aim of this directive is to ensure utilization of the subject facility for economic, efficient and effective interaction between DAGP Headquarters and field offices.
