PREFACE

Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan, 1973 read with Section 115 of the Punjab Local Government Ordinance, 2001 require the Auditor General of Pakistan to audit the accounts of the Provincial Governments and the accounts of any authority or body established by, or under the control of the Provincial Government shall be conducted by the Auditor General of Pakistan. Accordingly, the audit of all receipts and expenditures of the District Government Fund and Public Account of City District Government is the responsibility against the Auditor General of Pakistan.

The report is based on audit of the accounts of various offices of the District Government, Chakwal for the financial years 2013-14 2nd phase and 2014-15. The Directorate General of Audit District Governments Punjab (North), Lahore conducted audit during 2015-16 on test check basis with a view to reporting significant findings to the relevant stakeholders. The main body of the Audit Report includes only the systemic issues and audit findings carrying value of Rs1.00 million or more. Relatively less significant issues are listed in the Annexure-A of the Audit Report. The audit observations listed in the Annexure-A shall be pursued with the Principal Accounting Officer at the DAC level. In all cases where the Principal accounting Officer (PAO) does not initiate appropriate action, the audit observations will be brought to the notice of PAC through next year audit report.

The audit results indicate the need for adherence to the regularity frame work besides instituting and strengthening internal controls to prevent recurrence of such violations and irregularities.

The observations included in this Report have been finalized in the light of written responses and discussion in DAC meetings.

The Audit Report is submitted to the Governor of the Punjab in pursuance of Article 171 of the Constitution of the Islamic Republic of Pakistan, 1973 to cause it to be laid before the Provincial Assembly of Punjab.

Islamabad Dated: (Rana Assad Amin) Auditor General of Pakistan

EXECUTIVE SUMMARY

The Directorate General Audit (DGA), District Governments, Punjab (North), Lahore is responsible to carry out the audit of District Governments, Tehsil / Town Municipal Administrations and Union Administrations of three City District Governments and sixteen District Governments. Its Regional Directorate of Audit, Rawalpindi has audit jurisdiction of District Governments, Tehsil / Town Municipal Administration and Union Administrations of one City District Government i.e. Rawalpindi and three District Governments i.e. Jhelum, Chakwal and Attock.

The Regional Directorate has a human resource of 15 officers and staff, total 1292 man-days and the annual budget of Rs16.025 million for the financial year 2015-16. It has mandate to conduct Financial Attest, Regularity Audit and Compliance with Authority & Performance Audit of entire expenditure including programmes / projects & receipts. Accordingly, Regional Directorate of Audit Rawalpindi carried out audit of the accounts of various offices of the District Government, Chakwal for the financial years 2013-14 2nd phase and 2014-15.

District Government, Chakwal conducts its operations under Punjab Local Government Ordinance, 2001. It comprises one Principal Accounting Officer (PAO) i.e. the District Coordination Officer (DCO) covering six groups of offices i.e. Finance & Planning, Works & Services, Education, Health, Community Development, and Agriculture. The financial provisions of the Punjab Local Government Ordinance, 2001 require the establishment of District Government fund comprising Local Government Fund and Public Account for which Annual Budget Statement is authorized by the Nazim / Council / Administrator in the form of budgetary grants.

Audit of District Government Chakwal was carried out with the view to ascertaining that the expenditure was incurred with proper authorization, in conformity with laws / rules / regulations, economical procurement of assets and hiring of services etc.

Audit of receipts / revenues was also conducted to verify whether the assessment, collection, reconciliation and allocation of revenues were made in

accordance with laws and rules without any leakage of revenue in the Government Account / Local Fund.

a. Scope of Audit.

Total expenditure of the District Government Chakwal covering 272 formations for the financial year 2014-15 was Rs5,178.963 million. Out of this, DG District Audit (North) Punjab audited expenditure of Rs2,038.562 million which in terms of percentage was 39.362 % of total expenditure. DG District Audit (North) Punjab planned and executed audit of 25 formations i.e. 100% achievement against the planned audit activities.

Total receipts of the District Government Chakwal for the financial year 2014-15 was Rs29.100 million. DG District Audit (N) Punjab audited receipt of Rs17.670 million which was 60.72% of total receipt.

b. Recoveries at the instance of audit

Recovery of Rs13.747 million was pointed out, which were not in the notice of the executive before audit. An amount of Rs.4.301 million was recovered and verified during the year 2015-16, till the time of compilation of report.

c. Audit Methodology

The audit year 2015-16 witnessed intensive application of Desk Audit techniques in this directorate. This was facilitated by access to live SAP/R3 data, internet facility, and availability of permanent files. Desk review helped auditors in understanding the systems, procedures, and environment, and the audited entity before starting field activity. This greatly facilitated in the identification of high risk areas for substantive testing in the field.

d. Audit Impact

A number of improvements as suggested by audit, in maintenance of record and procedures have been initiated by the concerned departments, however audit impact in shape of change in rules, has been less materialized due to non-convening of regular PAC meetings. Had PAC meetings been regularly convened, audit impact would have been manifold.

e. Comments on Internal Controls and Internal Audit Department

Internal control mechanism of District Government Chakwal was not found satisfactory during audit. Many instances of weak Internal Controls have been highlighted during the course of audit which includes some serious lapses like withdrawal of public funds against the entitlement of employees. Negligence on the part of District authorities may be captioned as one of important reasons for weak Internal Controls. Section 115-A (1) of PLGO, 2001, empowers District Administration to appoint an Internal Auditor but the same was not appointed in District Administration Chakwal.

f. The Key Audit Findings

- i. Non-production of Record of Rs335.822 million in different formations was noted¹.
- ii. Non-compliance of Rules of Rs265.772 million noted in twelve cases².
- iii. Performance related issues of Rs1.461 million noted in one case³
- iv. Internal Control Weaknesses of Rs12.286 million noted in three cases⁴

g. Recommendations

- **i.** Head of the District Government needs to conduct physical stock taking of fixed and current assets.
- **ii.** Departments need to comply with the Public Procurement Rules for rational purchases of goods and services.
- **iii.** Inquiries need to be held to fix responsibility for misappropriation, wasteful expenditure and unauthorized payment.
- **iv.** The PAO needs to make efforts for expediting the realization of various Government receipts.
- **v.** The PAO and his team need to ensure proper execution and implementation of the monitoring system.
- vi. The PAO needs to take appropriate action for non-production of record.
- **vii.** The PAO needs to rationalize its budget with respect to utilization.

1.2 AUDIT PARAS

Further, section 115(5) & (6) of PLGO, 2001 stipulates, inter alia, that auditee organization shall provide record for audit inspection and comply with requests for information in as complete form as possible and with all reasonable expedition.

Following formations of District Government Chakwal did not produce auditable record of Rs335.822 million for Financial Year 2014-15. In the absence of record, authenticity, validity, accuracy and genuineness could not be verified as detailed below:-

Rs in million

| Sr. No. | Name of Department | Description | AIR Para No. | Amount |
|------------|-----------------------|------------------------------------|-----------------|---------|
| 1 | DCO | Transport & POL Charges | 6 | 1.384 |
| 2 | Dy. DEO(EE-M) Chakwal | Pay & Allowances | 2 | 259.019 |
| 3 | RHC (Munday) | Schedule of Authorized Expenditure | 1 | 0.629 |
| 4 | DO (Health) | Annual account of PRSP | 3 | 74.790 |
| | | Total | | 335.822 |

Audit holds that due to defective financial discipline and weak internal controls, relevant record was not produced to audit by the auditee in violation of constitutional provisions.

The matter was reported to the DCO / PAO in September 2015. DAC in its meeting held on 15.12.2015 directed to produce the record. No compliance was reported till finalization of this report.

Audit recommends fixing responsibility for non-production besides ensuring submission of record under intimation to audit.

According to Rule 66(5) of (Budget) Rules 2003, Drawing and Disbursing Officer shall not authorize any payment in excess of the funds placed at his disposal.

The contractor shall have to apply within one month for extension in time limit before the expiry of scheduled shall have to apply within one month for extension in time limit before the expiry of scheduled time of completion.

District Government Chakwal executed fourteen (14) development schemes for Rs58.415 million. It was noticed that said schemes were not

completed inspite of incurring expenditure amounting to Rs49.598 million. Furthermore, 10 % penalty amounting to Rs5.841 million was not imposed on the contractors of Roads and Buildings. This resulted in wasteful expenditure as detailed in Annex-D.

Audit is of the view that due to weak managerial controls, engineering staff were unable to get the work done from contractor /WUAs in time.

The matter was reported to the management in September 2015. Management replied that Engineer incharge would impose the penalty. DAC in its meeting convened on 15.12.2015 directed to get the work done and ensure imposition of penalty but no progress was reported till finalization of this report.

Rs in million

| Para No | Vendor | Item required | Provided | Amount |
|------------|----------------------------------|--|--|--------|
| 7 | M/S Ch. General orders suppliers | 297 Computers HP Copmac 3340/Core | 297 Computers HP Compac HP202 GI M/PC | 23.166 |

| | | | Total | 24.404 |

Audit is of the view that due to weak financial discipline, procurement was made in violation of approved specifications.

The matter was reported to the management in September 2015. EDO (Education) replied that procurement of computers was made at specifications higher than approved specifications and minor shortcomings were observed in supply of computer chairs. Audit contended that specifications should be generic and in case of reference of brand name or catalogue number essential to complete otherwise incomplete specifications, such reference should be qualified with

word "equivalent" instead of "higher" according to above mentioned provision of PPPR Rules, 2014. DAC in its meeting held on 15.12.2015 directed to regularize the expenditure. No compliance was reported till finalization of this report.

Audit recommends regularization of expenditure for violations of PPR Rules, 2014 besides fixing the responsibility against person(s) at fault.

| Sr. No | Name of Scheme | Vr. No | Date | Qty TST | Rate (Rs) | Qty DST | Rate (Rs) | Total (Rs) |
|-----------|--|-----------|----------|---------------|---------------|--------------|-----------------|---------------|
| 1 | Special repair from dhudial to parhal | 16 | 24-06-15 | 29,192 sft | 4,091 %sft | - | - | 1,194,244 |
| 2 | Special repair of bye pass road from chakwal khusab road | 4 | 09-06-15 | - | 1 | 2,389 sft | 117,696 %sft | 2,811,757 |
| | | | | | | | Total | 4,006,001 |

Audit holds that due to weak internal controls and mismanagement, expenditure was incurred without observing codal formalities, resulting in an irregular expenditure.

The matter was reported to the management in September 2015. It was replied by the department that expenditure was incurred according to codal formalities but sufficient documentary evidences were not produced in support. DAC in its meeting held on 15.12.2015 directed to conduct detailed verification of record. No compliance was reported till finalization of this report.

Audit recommends inquiry to fix the responsibility against the person(s) at fault besides detailed record verification.

{AIR Para #3}

| Formation | Name | BS | Designation | Period | Total Salary Paid (Rs) |
|-----------------------|------------------|----|-----------------|---------|---------------------------|
| THQ Hospital Talagang | Dr. Malik Zubair | 18 | SMO | 2014-15 | 1,201,276 |
| | Dr Tabbasum Zia | 18 | SMO | 2014-15 | 1,096,635 |
| THO Hagnital CC Chah | Muhammad Shahzad | 5 | Sanitary Petrol | 2014-15 | 178,105 |

DAC in its meeting held on 15.12.2015 directed to regularize the expenditure. No compliance was reported till finalization of this report.

1.2.2.10 Irregular Award of Work in Violation of PPRA Rules-Rs1.050 million

As per provisions of Punjab Procurement Rules 2014 Rule 12(1) & (2) Procurements over one hundred thousand rupees and up to the limit of two million rupees shall be advertised on the PPRA's website in the manner and format specified by regulation by the PPRA from time to time. Rule 13 ibid states that under no circumstances the response time shall be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.

DO (Roads) Chakwal awarded the work "Rehabilitation of causeway on Pira Saghr Road UC Saghar Talagang" in February, 2015 from Flood/Rain Damages (2014-15) valuing Rs1.050 million. Scrutiny of the record revealed that tenders were invited in February 2015 and work was awarded ignoring the PPRA Rules which provided for publishing in two national dailies to keep the spirit of open competition alive and achieve most economical rates. Moreover, the response time in calling and opening of tender was less than fifteen days which led to unhealthy competition resulting in irregular award of work amounting to Rs1.050 million.

Audit holds that due to weak internal controls and mismanagement, response time of 15 days was not observed.

The matter was reported to the management in September 2015. It was replied by the department that response time was misprinted. DAC in its meeting held on 15.12.2015 directed to regularize the violation. No compliance was reported till finalization of this report.

{AIR Para #3}

1.2.2.12 Unjustified Payment Due to Applying Rich Specification – Rs. 0.912 million

According to Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part. Para 1.58 of B&R Code states that Divisional officer is responsible to organize and supervise the execution of works and to see that they are suitably and economically carried out with materials of good quality. Further, as per book of specification stone has been defined in detail for execution of stone masonry.

DO (Buildings) Chakwal over paid an amount of Rs. 0.912 million. It was observed that while estimating and executing the works item "Coursed rubble masonry hammer dressed, in foundation and plinth in cement, sand mortar ratio 1:6" was paid whereas the item was hidden and would remain under the earth. Therefore, the same could be "Random rubble masonry (un-coursed), in foundation and plinth in cement, sand mortar ration 1:6". Rate difference in both similar nature items was very high/ significant. In this regard, rich specification was applied which resulted in over payment of Rs0.912 million as detailed in Annex-E.

Audit is of the view that due to weak managerial discipline, high cost item was applied instead of similar nature low cost item, resulting in overpayment of Rs0.912 million.

The matter was reported to the management in September 2015. Management replied that for proper load distribution of 4.5" wide design dressed stones were required. Reply was not acceptable as Audit did not object the design or drawing of work but the nature of treatment. DAC in its meeting convened on 15.12.2015 directed to produce a notification in support of reply which was not produced till finalization of this report.

Audit recommends regularization besides fixing responsibility against the person(s) at fault and recovery of overpayments of Rs0.912 million.
