PREFACE

Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan, 1973 read with Section 115 of the Punjab Local Government Ordinance, 2001 require the Auditor General of Pakistan to audit the accounts of the provincial governments and the accounts of any authority or body established by, or under the control of the provincial government. Accordingly, the audit of all receipts and expenditures of the District Government Fund and Public Account of District Government is the responsibility of the Auditor General of Pakistan.

The report is based on audit of the accounts of various offices of the District Government, Sialkot for the financial year 2014-15. The Directorate General of Audit, District Governments, Punjab (North), Lahore conducted audit during 2015-16 on test check basis with a view to reporting significant findings to the relevant stakeholders. The main body of the Audit Report includes only the systemic issues and audit findings carrying value of Rs1.00 million or more. Relatively less significant issues are listed in the Annex-A of the Audit Report. The audit observations listed in the Annex-A shall be pursued with the Principal Accounting Officer at the DAC level and in all cases where the PAO does not initiate appropriate action, the audit observation will be brought to the notice of the Public Accounts Committee through the next year's Audit Report.

The audit results indicate the need for adherence to the regularity framework besides instituting and strengthening internal controls to prevent recurrence of such violations and irregularities.

The observations included in this Report have been finalized in the light of written responses and discussion in DAC meetings.

The Audit Report is submitted to the Governor of the Punjab in pursuance of Article 171 of the Constitution of the Islamic Republic of Pakistan, 1973 to cause it to be laid before the Provincial Assembly of Punjab.

EXECUTIVE SUMMARY

The Directorate General of Audit District Governments, Punjab (North), Lahore is responsible to carry out the Audit of District Governments, Tehsil / Town Municipal Administrations and Union Administrations of three City District Governments and sixteen District Governments. Its Regional Directorate of Audit, Gujranwala has Audit jurisdiction of District Governments, TMAs and UAs of one City District Government i.e. Gujranwala and five (05) District Governments i.e. Gujrat, Hafizabad, Narowal, Sialkot and Mandi Baha-ud-Din.

The Regional Directorate has a human resource of seventeen (17) officers and staff, total 4,760 man-days and the annual budget of Rs25.199 million for the financial year 2015-16. It has mandate to conduct Financial Attest Audit, Regularity Audit and Compliance with Authority & Performance Audit of entire expenditure including programmes / projects & receipts. Accordingly, RDA Gujranwala carried out audit of accounts of District Government, Sialkot for the financial year 2014-15.

The District Government, Sialkot conducts its operations under Punjab Local Government Ordinance, 2001. It comprises one Principal Accounting Officer (PAO) i.e. the District Coordination Officer (DCO) covering six groups of offices i.e. Agriculture, Community Development, Education, Finance & Planning, Health and Works & Services. The financial provisions of the Punjab Local Government Ordinance, 2001 require the establishment of District Government fund comprising Local Government Fund and Public Account for which Annual Budget Statement is authorized by the Nazim / Council / Administrator in the form of budgetary grants.

Audit of District Government, Sialkot was carried out with the view to ascertaining whether the expenditure was incurred with proper authorization and in conformity with laws / rules / regulations for economical procurement of assets and hiring of services etc.

Audit of receipts / revenues was also conducted to verify whether the assessment, collection, reconciliation and allocation of revenues were made in accordance with laws / rules, resulting in no leakage of revenue.

a. Scope of Audit

Out of total auditable expenditure of Rs9,780.802 million of the District Government Sialkot for the financial year 2014-15 covering one PAO and 316 formations, the Directorate General Audit, audited an expenditure of Rs4,068.315 million which in terms of percentage, was 41.59% of the auditable expenditure. The Directorate General Audit planned and executed audit of thirty (30) formations i.e. 100% achievement against the planned audit activities.

Total receipts of the District Government Sialkot for the financial year 2014-15, were Rs18.566 million, whereas, Directorate General Audit, audited receipts of Rs10.768 million which was 58% of total receipts.

b. Recoveries at the Instance of Audit

Recovery of Rs106.390 million was pointed out during audit, out of which an amount of Rs1.272 million was recovered and verified during the year 2015-16, till the time of compilation of report. Recoveries pointed out Rs106.390 million was not in the notice of the executives before audit.

c. Audit Methodology

The audit year 2015-16 witnessed intensive application of desk audit techniques in this directorate. This was facilitated by access to live SAP/R3 data, internet facility, and availability of permanent files. Desk review helped auditors in understanding the systems, procedures, and environment, and the audited entity before starting field activity. This greatly facilitated in the identification of high risk areas for substantive testing in the field.

d. Audit Impact

A number of improvements, as suggested by audit, in maintenance of record and procedures, have been initiated by the concerned departments, however, audit impact in shape of change in rules has been less materialized due to non-convening of regular PAC meetings. Had PAC meetings been regularly convened, audit impact would have been manifold.

e. Comments on Internal Controls and Internal Audit Department

Internal control mechanism of District Government Sialkot was not found satisfactory during audit. Many instances of weak Internal Controls have been highlighted during the course of audit which includes some serious lapses like withdrawal of public funds against the entitlement of employees. Negligence on the part of District Government Sialkot authorities may be captioned as one of important reasons for weak Internal Controls.

Section 115-A (1) of PLGO, 2001 empowers Nazim of each District Government to appoint an Internal Auditor but the same was not appointed in District Government Sialkot.

f. The key Audit findings of the report

- i. Non-production of record of Rs43.415 million by six formations was noted in one case.¹
- ii. Irregularity / Non-compliance of Rs 29.80 million was noted in seven cases.²
- iii. Internal control weaknesses of Rs115.17 million was noted in fifteen (15) cases³.

¹ Para 1.2.1.1

² Para 1.2.2.1 to 1.2.2.7

³ Para 1.2.3.1 to 1.2.3.15

- i. To comply with the Procurement Rules for economical and rational purchases of goods and services
- ii. To hold inquiries to fix responsibility for losses, theft and wasteful expenditure

1.2 AUDIT PARAS

1.2.1 Non-production of Record

1.2.1.1 Non-Production of Record – Rs43.415 million

According to Section 14(1)(b) of Auditor General's (Functions, Powers and Terms and Conditions of Service) Ordinance, 2001, the Auditor-General shall have authority to require that any accounts, books, papers and other documents which deal with, or form, the basis of or otherwise relevant to the transactions to which his duties in respect of audit extend, shall be sent to such place as he may direct for his inspection. DDOs of the following formations incurred an expenditure of Rs43.415 million during the financial year 2014-15 but vouched accounts of the expenditure were not produced to Audit for scrutiny. In the absence of vouched accounts, the authenticity, validity, accuracy and genuineness could not be verified:-

2	RHC, Chawinda	Service books and personal files.	3.000

7	Dy DEO (EE-M) Sambrial	All record of GPS Allay wali basti	1.200
Total (Annex - C)			43.415

Audit is of the view that due to defective financial discipline and weak internal controls, relevant record was not produced to Audit in clear violation of constitutional provisions.

Managements replied that due to Local Government Elections, 2015 the record could not be produced for audit verification, now the record is available.

The matter was reported to the DCO / PAO in November, 2015. DAC in its meeting held on 31.12.2015 and 01.01.2016 directed to fix the responsibility upon the person(s) for non production of records and to produce the relevant record during next audit.

Audit recommends disciplinary action for non-production of record besides ensuring submission of record under intimation to Audit.

[AIR Para No.01,18,06,09,02&09]

1.2.2 Irregularity / Non-compliance

1.2.2.1 Loss to Government due to Non-auction of Collection Rights – Rs13.625 million

According to Rule 3 of the PLG (Auction of Collection Rights) Rules, 2003, a local government may prefer to collect any of its income as specified in Second Schedule of the Ordinance through contractor by awarding collection rights to him for a period not exceeding one financial year.

EDO (F&P), Sialkot did not lease out one hundred and nine (109) acres of cultivable land and other properties since 2001 in violation of above said rules resulting in estimated loss of Rs13.625 million @ Rs25,000 per acre annually as detailed in Annex-D.

Audit is of the view that due to mismanagement and non-compliance of rules, the government assets were not utilized in the public interest.

Management replied that the agriculture land was offered for auction every year but no bidder was interested / participated in auction.

The matter was reported to the DCO / PAO in November, 2015. DAC in its meeting held on 31.12.2015 and 01.01.2016 directed the department for immediate auction of agriculture land and to fix the responsibility upon the person(s) at fault after recovering the loss to government.

Audit requires investigation and fixation of responsibility alongwith immediate auction of the cultivatable land after going through the auction process, under intimation to audit.

[AIR Para No.02]

1.2.2.2 Unjustified Payment of TST – Rs3.692 million

According to Para-127 (6) & 129(i) of PWD Code, payment on all work done should be made on the basis of measurement recorded in MB in accordance with the work actually done at site, measured in person by the SDO and he will be responsible for the general correctness of the bill as a whole.

District Officer (Roads), Sialkot awarded scheme “Restoration of Flood Damages to road from Wazirabad Sialkot Kashmir Road (Dallowali Phatic to Sajeetgarh)” to M/s Irfan & Co. Base course was provided and laid at site by the contractor and the same was recorded in measurement book on 14-3-2015, but after 4 days on 18.03.2015 TST was provided / laid at site as per record entry on MB, which is quite unjustified. Test for temperature control for heating the bitumen and rate of spreading for bitumen can not be followed in short span of time. This resulted in unjustified payment of Rs3.692 million as under:-

Description	Qty. paid	Rate (Rs)	Amount (Rs)
TST	1x 4068 x 18 = 73224sft	5,042	3,691,954

Audit is of the view that due to non-compliance of rules, the conditions were not followed by the engineer in charge and unjustified payment was made.

Management replied that the TST has been completed by the contractor at site of work and the payment is entered in the M.B after measurement of the work and verification of the quality and quantity of the work. The reply is not acceptable being irrelevant.

The matter was reported to the DCO / PAO in November, 2015. DAC in its meeting held on 31.12.2015 and 01.01.2016 directed to call for explanation of the department for non production of relevant records and fixation of responsibility upon the person(s) at fault.

Audit recommends justification of the matter after detailed inquiry of the matter.

[AIR Para No.19]

1.2.2.3 Irregular Expenditure on Leave Encashment - Rs3.179 million

According to Rule 18 (V) of Punjab Delegation of Financial Powers Rules, 2006, officer in category-IV is competent to sanction claims of Government servants to arrears of pay and allowances etc. to whom they are competent to appoint and not more than 03 years old.

Deputy DEO (W-EE), Pasrur being Category-IV officer sanctioned time barred claims of leave encashment of Rs3.179 million beyond her competency during the financial year 2014-15 in violation of Govt. rule ibid. Further retirement orders, actual payee receipt, bank advice and leave account was not produced for audit verification as detailed in Annex-E.

Audit holds that due to weak financial management and non-compliance of rules, irregular expenditure of Rs3.179 million incurred.

No reply was furnished by the management to justify their position.

The matter was reported to the DCO / PAO in November, 2015. DAC in its meeting held on 01.01.2016 directed to call for explanation of the department for non submission of reply and other relevant record.

Audit recommends justification besides ex-post facto sanction from the competent authority.

[AIR Para No 04]

1.2.2.4 Unauthorized Appointment and Subsequent Drawl of Pay and Allowances during Ban on Appointment of Contingent Paid Staff – Rs2.780 million

According to section (2) clause (V) of Finance Department letter no. FD.SO(Goods) 44-4/2011 (A), dated 23-07-2011 regarding austerity measures, no contingent paid staff shall be appointed without obtaining the prior approval of Finance Department to keep the expenditure strictly within the budgetary allocation. The ban, however, shall not affect contingent paid staff to be appointed for execution of development schemes. The Departments may ensure that the budget is met out of the relevant budget meant for the purpose.

DCO, Sialkot appointed daily wages/contingent paid staff and DO (Sports) made payment to them during 2014-15 without sanctioned posts and prior approval of Finance Department in violation of rule ibid. This resulted in irregular payment of Rs2.780 million as detailed in Annex-F.

Audit holds that due to non-compliance of rules, unauthorized appointment of contingent paid staff was made besides payment of pay and allowance was made to the contingent employees.

Management replied that in pursuance of the Notification No.RO(Tech)FD-2-2/2011, dated 10.02.2015 issued by the Finance Department the appointment has been made on work charge basis. The worthy DCO Sialkot is competent authority for making payment to the work charge, the reply is not tenable being irrelevant.

The matter was reported to the DCO / PAO in November, 2015. DAC in its meeting held on 01.01.2016 kept the para pending for record verification.

Audit recommends justification of the matter under intimation to Audit.

[AIR Para No.02]

1.2.2.5 Unjustified Payment - Rs2.700 million

According to para 4(iii & iv) of CSR, the rates for various components of the non-scheduled items of work shall be based on Composite Schedule of Rates (CSR) 1998 Vol-III, Part-II, (now MRS) and where such components of item of work are not contained in the CSR 1998 Vol-III, Part-II (MRS) average prevailing market rates shall be made basis for arriving at the Non-Schedule Rate. Copies of the analysis and of composite rates sanctioned by the Superintending Engineer for non-Schedule items shall be sent to the Secretary, Standing Rates Committee, Further in order to arrive at the rate analysis of non schedule items the standard format on website has been prescribed which is to be filled from MRS and the market rates.

Certain schemes were executed by the various contractors under the jurisdiction of EDO (W&S) and District Officer (Buildings), but the items were carried out at site without approval of rate analysis by the competent authority. Invoices of approved manufacturers were also not available in record. Under these circumstances it could easily be concluded that items were purchased from local market, therefore expenditure on the purchase

of non-scheduled item was unjustified. This resulted in unjustified payment of Rs2.700 million as under:-

Name of office	Name of Schemes	Description	Amount paid (Rs)
EDO (W&S) TMA, Sialkot	Providing and Laying of Tuff Tile bandh road Hajipura	P/L Tuff Tile 60mm	1,626,243
DO (Buildings), Sialkot	Improvement officer colony-A type near Jinnah Stadium Sialkot	Street Lights	1,074,000
Total			2,700,243

Audit holds that due to weak internal controls, rate was not approved and payment was made without invoices of approved manufacturers.

Management replied that non schedule item rates were approved according to the rate analysis by the competent authority and the certificate of government approved manufacturers were attached.

The matter was reported to the DCO / PAO in November, 2015. DAC in its meeting held on 31.12.2015 and 01.01.2016 directed the department to provide rate analysis on prescribed standard format duly approved from the competent authority along with duly documented market survey/analysis reports besides the invoices of Texila Manufacturer for scrutiny and verification by Audit.

Audit recommends provision of invoices of the approved manufacturer or recovery of the reduced rate from the contractors.

[AIR Para No 15 &11]

1.2.2.6 Likely Misappropriation of Govt. Money – Rs2.145 million

According to Rule 2.33 of the PFR Vol-I, every government servant should realize fully and clearly that he will be held personally responsible for any loss sustained through fraud, negligence on the part of the government servant up to the extent to which he has contributed towards the fraud.

Management of the schools under the jurisdiction of Deputy DEO (W-EE), Pasrur have drawn funds of Rs2.145 million during the month of

June, 2015 from school accounts as evident from cashbook and bank statements of the NSB funds without any vouched account or any concrete evidence as detailed in Annex-G.

Audit is of the view that due to weak internal control and weak financial management, the amount was drawn from the Non-Salary Budget accounts without vouchers.

No reply was furnished by the management to justify their position.

The matter was reported to the DCO / PAO in November, 2015. DAC in its meeting held on 01.01.2016 directed to call for explanation of the department for non submission of reply and other relevant record.

Audit recommends investigation in detail and fixing of responsibility besides recovery of the amount under report to Audit.

[AIR Para No.8]

1.2.2.7 Irregular Payment of Pay and Allowances - Rs1.677 million

According to 5.6 (ii) Chapter-V General Financial Rules of DDO Code, all Heads of Departments are responsible for enforcing financial order and strict economy at every step. They should ensure that all financial rules are strictly adhered to internal check against irregularities, waste and fraud.

Scrutiny of personal file of the staff under the jurisdiction of Dy. DEO (M-EE), Sialkot revealed that teachers were appointed on contract basis and latter on regularized their services without verification of educational documents. The payment of pay and allowances of Rs1.677 million without verification was unauthorized and needs to be justified as detailed in Annex-H.

Audit holds that due weak internal controls, payment of pay and allowances was made without verification of educational documents.

No reply was furnished by the management to justify their position.

TST can only be provided and laid after laying Base Course.
