The budget and expenditure position of TMAs in District Abbottabad for the year 2015-16 is as under;

				(Rs	s in million)
Period	Particulars	Budget	Expenditure	Excess/(Saving)	%age
	Salary	200.051	171.306	(28.745)	(14.369%)
	Non Salary	176.033	139.165	(36.868)	(20.944%)
2015-	Developmental	427.948	263.716	(164.232)	(38.377%)
16	Total	804.032	574.187	(229.845)	(73.69%)

Receipt	Budgeted Receipts	Actual Receipts	Variations	%age
	384.824	538.339	153.515	39.892

The savings of Rs 229.845 million indicates weakness in the capacity of these local institutions to utilize the allocated budget.

Expenditure 2015-16

1.1.3 Comments on the status of Compliance with PAC Directives

The Audit Reports pertaining to Financial Years 2009-10 to 2014-15 on accounts of Tehsil Municipal Administration/Municipal Committees have not been discussed in PAC/ZAC. The Provincial Assembly Khyber Pakhtunkhwa has returned the Audit Reports during February, 2017 with the remarks that the same may be examined by respective Accounts Committees as provided under Khyber Pakhtunkhwa Local Government Act, 2013.

1. Tehsil Municipal Administration, Abbottabad

1.2 Tehsil Municipal Administration, Abbottabad

1.2.1 Irregularity and Non-Compliance

1.2.1.1 Unauthorized execution of work -Rs 3.121 million

According to Para 2.58 of Khyber Pakhtunkhwa B&R Code, payment should be made for quantities and rates mentioned in the BOQ / Technical Sanction.

Tehsil Municipal Officer, Abbottabad allowed payment for execution of various developmental works during 2015-16 as per detail given at annexure-2.

Scrutiny of final bills revealed that the contractors executed various non-BOQ items of work in the schemes. These non-BOQ items contained higher profit, where as more than 60% of contracted items having lesser profit margin were left unexecuted keeping overall expenditure within the contracted value. This indicates that the original estimation was doubtful and based on assumptions and not actual requirements. Involvement of personal interests of concerned persons cannot be ruled out.

Audit observed that unauthorized expenditure occurred due to noncompliance of rules.

The irregularity was pointed out to the management in February 2017, management stated that the work was executed as per site requirements, and proper Technical Sanction has been obtained. Reply was not satisfactory as the basic spirit of tendering was not fulfilled. Request for DAC meeting was made in February 2017 but was not convened till finalization of this report.

Audit recommends inquiry and action against the person (s) at fault.

AIR Para No.63 (2015-16)

1.2.1.2 Non-utilization of government money –Rs 136.332 million

According to chapter–V(22) of LGA 2013, Functions and powers of Tehsil Municipal Administration (c) execute and manage development plans for improvement of municipal services and infrastructure; (q) develop and manage schemes, including site development in collaboration with district government

Tehsil Municipal Officer Abbottabad received Rs.325,525,195 from provincial government on account of various developmental grants for execution of developmental works during the year 2015-16 as briefed below:-

S.No	Head of Account	Budget Allocated in Rs.
1.	Opening Balance as on 01-07-2015	62,961,240
2.	Developmental Grants received during 2015-16	262,563,955
	Total:	325,525,195
3.	Funds Utilized	189,193,560
	Balance Unutilized:	136,331,635

The local office utilized an amount of Rs. 189,193,560 in execution of various works. However, an amount of Rs.136,331,635 was still lying unutilized with the local office on close of financial year. This state of affairs shows financial indiscipline of the organization which resulted in unnecessary blockage of money.

Audit observed that non-utilization of fund of money occurred due to weak financial control.

The irregularity was pointed out to the management in February 2017, management stated that most of the funds have been released in June, 2015-16. All the schemes are ongoing or in tender process. Reply was not cogent as most of the funds relate to 2014-15 and 2015-16. Request for DAC meeting was made in February 2017 but was not convened till finalization of this report.

Audit recommends inquiry and action against the person (s) at fault.

AIR Para No.61 (2015-16)

1.2.2 Weak Internal Control

1.2.2.1 Non-recovery of penalty on late completion of schemes –Rs 2.578 million

Clause-2 of the conditions of the Contract Agreement clearly provides that the contractor has to pay compensation @ 1% per day or maximum 10% of the estimated cost for delay in completion of work.

Tehsil Municipal Officer Abbottabad executed various developmental schemes with an estimated cost of Rs.25,778,015 during the year 2015-16. These schemes could not be completed within stipulated period of time. Neither time extension was granted nor penalty @10% amounting Rs.2,577,800 was imposed and recovered from the contractors as required by the contract agreements.

Audit observed that non-imposition of penalty occurred due to lack of financial management which resulted in loss to public exchequer.

The irregularity was pointed out to the management in February 2017, management stated that the penalty has already been deducted from the contractors at the time of final payment. However, penalty from the ongoing schemes would be deducted. Reply was not cogent as most of the schemes are in progress and no penalty was deducted. Request for DAC meeting was made in February 2017 but was not convened till finalization of this report.

Audit recommends inquiry upon providing undue favor to the contractors for taking action against the persons at fault besides recovery of penalty.

AIR Para No. 62 (2015-16) 1.2.2.2 Loss to government due to less recovery of auction money –Rs 2.617 million

According to model terms and conditions of auction, issued by the Government of Khyber Pakhtunkhwa Peshawar letter No.AO-II/LCB/6-11/2015 dated 01-06-2015, no amount should be left outstanding before completion of contract.

Tehsil Municipal Officer, Abbottabad failed to collect the full amount of auction money from various contracts amounting to Rs.925,309 during 2015-16. Similarly an amount of Rs 1,692,444 was also outstanding against the contractors since long. Detail is given in annexure-4.

Less recovery of auction money was due to weak managerial control which resulted in loss to Government.

The irregularity was pointed out to the management in February 2017, management stated that the concerned contractor has been blacklisted and District collector has been informed for recovery under Land and Revenue Act. Reply was not convincing as no progress was shown to audit till finalization of this report. Request for DAC meeting was made in February 2017 but was not convened till finalization of this report.

Audit recommends full recovery of the balance amount of auction money from the contractors besides conducting inquiry into the matter for delay in recovery and action against the persons at fault.

AIR Para No. 68 (2015-16)

1.2.2.3 Non-recovery of rent of shops and cabins and water user charges-Rs 4.803 million

According to Rule 51 of TMA Budget Rules 2016, the primary obligation TO(R) shall be to ensured that all revenue due is claimed, realized and credited immediately into the Tehsil Fund under proper head of account.

Tehsil Municipal Officer, Abbottabad failed to collect revenue pertaining to the rents of shops and cabins amounting Rs 1,886,722 during the year 2015-16. Detail is given at annexure-5. No serious efforts regarding recovery of outstanding income found on record.

Similarly TMA also failed to collect Rs 2,916,050 on account of outstanding water user charges from various consumers during the year 2015-16. Efforts for recovery of outstanding dues were not made.

Non-recovery of rent of govt. dues of Rs. 4.803 million (1.887 million + 2.916 million) occurred due to lack of interest in government work by the management, which resulted in loss to Government.

The irregularity was pointed out to the management in February 2017, management stated that the arrears will be recovered in the financial year 2016-17. Reply was not convincing as no progress was shown till finalization of this report. Request for DAC meeting was made in February 2017 but was not convened till finalization of this report.

Audit recommends immediate recovery of outstanding rent of shops/cabins and strict disciplinary action against the persons at fault under intimation to audit

AIR Para No. 69 & 70 (2015-16)

1.2.2.4 Non-recovery of annual fee from Mobile towers –Rs 21.84 million

According to Government of Khyber Pakhtunkhwa LGE&RDD notification No SO(B)LG&RDD/Misc/2008 dated 15/11/2008 maximum flat rate of not more that Rs 20,000 to Rs 30,000 annually may be levied by the civic bodies for installation of BTS Towers.

According to the instructions of Senior Minister Local Government Election and Rural Development Khyber Pakhtunkhwa issued vide Local Council Board letter No. AOII/LCB/6-11/2010 dated 21-04-2011, tax @ Rs10,000 per month should be recovered from Shadi Halls.

Tehsil Municipal Officer Abbottabad failed to collect Rs 21,240,000 from cellular companies of mobile towers at the rate of Rs 30,000 per annum per tower during 2015-16. Detail is given at annexure-6.

Similarly Tehsil Municipal Officer Abbottabad did not recover Rs 600,000 on account of monthly tax on Shadi Halls during 2015-16 as per detail given below:-

S.No.	Name of Shadi Hall	Outstanding Period	Amount

4.	City shadi hall link road	12 months	120000
5.	Pain shadi hall Havellian road	12 months	120000
		Total:	600,000

Non-recovery of receipts occurred due to weak managerial control, which resulted in loss to Government.

The irregularity was pointed out to the management in February 2017, management stated that there is no provision of monthly license fee in taxation schedule of TMA Abbottabad. Only annual fee is applicable and the said amount is received in license fee contract. Reply was not cogent as the monthly tax is required as per above instructions. Reply was not satisfactory as no progress was shown till finalization of this report. Request for DAC meeting was made in February 2017, which was not convened till finalization of this report.

Audit recommends recovery action against the persons at fault.

Later on the amount was recouped from PLA - 30% PFC 2014-15 vide cheque Number A237861 dated 22.09.2015 in violation of PFC Guidelines as 30% PFC ADP fund was meant for development activities and not for payment of salaries.
