## **PREFACE**

Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan, 1973 and Section 115 of the Punjab Local Government Ordinance, 2001 require the Auditor General of Pakistan to conduct audit of Receipts and Expenditures of the Local Fund and Public Accounts of District Governments.

The report is based on audit of Tehsil Municipal Administrations of District Khanewal for the Financial Year 2013-14. The Directorate General of Audit, District Governments, Punjab (South), Multan conducted audit during 2014-15 on test check basis with a view to reporting significant findings to the relevant stakeholders. The main body of Audit Report includes only the systemic issues and audit findings carrying value of Rs 1 million or more. Relatively less significant issues are listed in the Annex-A of the Audit Report. The audit observations listed in the Annex-A shall be pursued with the Principal Accounting Officer at the DAC level and in case the PAO does not initiate appropriate action, the audit observations will be brought to the notice of the Public Accounts Committee through the next year's Audit Report.

Audit findings indicate the need for adherence to the regularity framework besides instituting and strengthening internal controls to avoid recurrence of similar violations and irregularities.

The observations included in this Report have been finalized in the light of written responses of the management concerned and DAC directives.

The Audit Report is submitted to the Governor of the Punjab in pursuance of Article 171 of the Constitution of the Islamic Republic of Pakistan, 1973 and with Section 115 of the Punjab Local Government Ordinance 2001, for causing it to be laid before the Provincial Assembly.

## **EXECUTIVE SUMMARY**

The Directorate General Audit, District Governments, Punjab (South), Multan, a Field Audit Office of the Auditor General of Pakistan is mandated to carry out the audit of all District Governments in Punjab (South) including Tehsil and Town Municipal Administration. Regional Directorate of Audit Multan has audit jurisdiction of District Governments, TMAs and UAs of six Districts i.e. Multan, Lodhran, Vehari, Sahiwal, Pakpattan and Khanewal.

The Regional Directorate has a human resource of 32 officers and other staff. Total mandays available were 6,589 and the budget amounting to Rs14.007 million was allocated in audit Year 2014-15. The office is mandated to conduct financial attest audit, audit of sanctions, audit of compliance with authority and audit of receipts as well as the Performance Audit of entities, projects and programmes. Accordingly R.D.A Multan carried out audit of the accounts of four TMAs of District Khanewal for the Financial Year 2013-14 and the findings included in the Audit Report.

Each Tehsil Municipal Administration in District Khanewal is headed by a Tehsil Nazim / Administrator. He/she carries out operations as per Punjab Local Government Ordinance, 2001. Tehsil Municipal Officer is the Principal Accounting Officer (PAO) and acts as coordinating and administrative officer, responsible to control land use, its division and development and to enforce all laws including Municipal Laws, Rules and By-laws. The PLGO, 2001, requires the establishment of Tehsil / Town Local Fund and Public Account for which Annual Budget Statement is authorized by the Tehsil Nazim / Tehsil Council / Administrator in the form of Budgetary Grants.

The total Development Budget of four TMAs in District Khanewal for the Financial Year 2013-14, was Rs 455.315 million and expenditure incurred was of Rs 263.801 million, showing savings of Rs 191.514 million in the year. The total Non Development Budget for Financial Year 2013-14 was Rs 670.589 million and expenditure was of Rs 527.072 million, showing savings of Rs 143.517

million. The reasons for savings in Development and Non development Budgets are required to be provided by TMO and PAO concerned.

Audit of TMAs of District Khanewal was carried out with a view to ascertaining that the expenditure was incurred with proper authorization, in conformity with laws/rules/regulations and whether the procurement of assets and hiring of services were economical or not.

Audit of receipts/revenues was also conducted to verify whether the assessment, collection, reconciliation and allocation of revenues was made in accordance with laws and rules and that there was no leakage of revenue.

**a. Scope of Audit**

Out of total expenditure of the TMAs of District Khanewal for the financial year 2013-14, auditable expenditure under the jurisdiction of Regional Director Audit (District Governments), Multan was Rs 790.873 million covering four PAOs/formations. Of this, RDA Multan audited an expenditure of Rs 316.350 million which, in terms of percentage, is 40% of total auditable expenditure and irregularities amounting to Rs 666.648 million were pointed out. Regional Director Audit planned and executed audit of 4 formations i.e. 100% achievement against the planned audit activities.

Total receipts of the TMAs District Khanewal for the financial year 2013-14, were Rs 654.641 million. RDA Multan audited receipts of Rs 174.852 million which, in terms of percentage, is 27% of total receipts and irregularities amounting to Rs 333.139 million were pointed out.

**b. Recoveries at the Instance of Audit**

Recoveries of Rs 89.920 million were pointed out by Audit which was not in the notice of the management before audit. An amount of Rs 824,000 was recovered by the management and verified by Audit during year 2014-15, till the time of compilation of the Report.

However against the total recovery amount of Rs 53.515 million pertaining to paras (over one million) drafted in this report, no amount of recovery has been made by the management till the time of compilation of this report.

**c. Audit Methodology**

Audit was conducted after understanding the business processes of TMAs with respect to its functions, control structure, prioritization of risk areas by determining their significance and identification of key controls. This helped auditors in understanding the systems, procedures, environment and the audited entity before starting field audit activity.

**d. Audit Impact**

A number of improvements in record maintenance and procedures have been initiated by the departments concerned, however audit impact in shape of change in rules could not be materialized as the Provincial Accounts Committee has not discussed audit reports pertaining to Tehsil Municipal Administrations for the year 2014-15.

**e. Comments on Internal Control and Internal Audit department**

Internal control mechanism of TMAs of District Khanewal was not found satisfactory during audit. Many instances of Weak Internal Controls have been highlighted during the course of audit which includes some serious lapses like withdrawal of public funds against ghost schemes. Negligence on the part of TMA authorities may be captioned as one of important reasons for Weak Internal Controls.

Section 115-A (1) of PLGO, 2001, Nazim of each District Government and Tehsil / Town Municipal Administration shall appoint an Internal Auditor but the same was not appointed in all TMAs of District Khanewal.

**f. The Key Audit Findings of the Report**

**g. Recommendations**

Audit recommends that the PAO/management of TMAs should ensure to resolve the following issues seriously:

## **1.2 Tehsil Municipal Administration, Khanewal**

## **1.2.1 Irregularities and Non-Compliance**

### **1.2.1.1 Unjustified appointment of contingent paid staff – Rs 11.042 million**

According to Government of the Punjab Finance Department letter No. FD-SO (GOODS)44-4/2011 dated 07.07.2012, no contingent paid staff shall be appointed without obtaining the prior approval of Finance Department.

TMO Khanewal made payment of Rs 11.042 million on account of salaries of contingent paid staff during F.Y 2013-14 from non-development budget. The TMO appointed contingent paid staff without obtaining permission from Finance Department. No advertisement was made for such appointments. Appointments were also not made by the Recruitment Committee. Audit called for appointment orders, original attendance register and payment acknowledgements for staff but the same were not produced to audit. (**Annex-C**)

Audit is of the view that due to weak internal controls, irregular appointments were made without observing codal formalities.

Irregular appointment of contingent paid staff and payment of salaries amounting to Rs 11.042 million resulted in violation of rules.

The matter was reported to the TMO in February, 2015. The DDO replied that the matter is in court. The reply was not tenable as payment of salary was made without approval from Finance Department. DAC, in its meeting, held in March, 2015 directed the TMO to pursue the case in court of law. No further progress was intimated till the finalization of Report.

Audit recommends regularization of expenditure from Finance Department, stoppage of any such future appointments and disciplinary action against the responsible, under intimation to Audit.

[AIR Para No. 16]

## **1.2.2 Performance**

### **1.2.2.1 Non-recovery of kacchi abadies charges – Rs 7.510 million**

According to Rule 76(1) of PDG and TMA (Budget) Rules, 2003 the Collecting Officers shall ensure that all revenue due is claimed, realized and credited immediately into the Local Government Fund.

Tehsil Municipal Administration Khanewal did not recover cost of land and development charges amounting to Rs 7.510 million from the 2,333 occupants of dwelling units out of 9,422 occupants of dwelling units of twenty one Kacchi Abadies during F.Y 2013-14. Detail of recovery is at **Annex-D**.

Audit is of the view that due to poor financial management cost of land and development charges were not recovered.

Non recovery of cost of land and development charges resulted in loss to the Government amounting to Rs 7.510 million.

The matter was reported to the TMO in February 2015. The TMO noted the observation, but did not submit reply and record for verification. DAC, in its meeting, held in March, 2015, directed the DDO to get the record verified within three days. No progress was reported till the finalization of this Report.

Audit recommends recoevery of Rs 7.510 million, besides fixing of responsibility against the concerned, under intimation to Audit.

[AIR Para No.12]

## **1.2.3 Internal Control Weaknesses**

### **1.2.3.1 Overpayment due to rejection of lower bid for leasing of tentage – Rs 2.103 million**

According to Rule 10 of Punjab Procurement Rules, 2009, specifications shall allow the widest possible competition and shall not favor any single contractor or supplier nor put others at a disadvantage.

Tehsil Municipal Officer Khanewal rejected lower bid for leasing of tentage for Ramzan Bazar due to which Government suffered a loss of Rs 2.103 million. The rates of the first lowest bidder were rejected because he had failed to quote the rates of few items of tentage. The rejection was unjustified as non quoted items could have been leased from the second lowest bidder. These were not allied items (table, plastic cover, panaflex, oil) which can be considered essential parts of tentage or must be leased from only one tent service provider (**Annex-E**).

Audit is of the view that due to weak internal controls, lowest bid was rejected.

Rejection of lower bid resulted in loss to the Government amounting to Rs 2.103 million.

The matter was reported to the TMO in February 2014. The TMO noted the observation but did not submit reply or produce record for verification. DAC, in its meeting, held in March 2015, directed the DDO to get the record verified within three days. No progress was reported till the finalization of this Report.

Audit recommends Inquiry at appropriate level for fixing of responsibility, besides recovery of Rs 2.103 million, under intimation to Audit.

[AIR ParaNo. 25]

## **1.3 Tehsil Municipal Administration, Kabirwala**

## **1.3.1 Non production of Record**

### **1.3.1.1 Non-production of record – Rs 20.033 million**

According to Clause 14 (1) (b) of the Auditor General’s (Functions, Powers and Terms and Conditions of Service) Ordinance 2001, “The Auditor General shall, in connection with the performance of his duties under this Ordinance, have authority to inspect any office of accounts, under the control of Federation or of the Province or of District including Treasuries and such offices responsible for the keeping of initial and subsidiary accounts”. Furthermore, according to Section 115(6) of the Punjab Local Government Ordinance 2001, “All officials shall afford all facilities and provide record for audit inspection and comply with requests for information in as complete a form as possible and with all reasonable expedition”.

Tehsil Municipal Administration Kabirwala did not produce record of various development schemes amounting to Rs 20.033 million which were executed during 2013-14. Neither the T.S estimates of schemes nor MBs of the schemes were produced for audit verification. The detail of schemes is given in **Annex-F**.

Audit is of the view that due to weak administrative controls, record of development schemes was not produced.

Non-production of record of development schemes of Rs 20.033 million created doubt about the legitimacy of the expenditure as well as violation of Government instructions.

The matter was reported to the TMO in March-2015. The TMO noted the observation but did not submit any reply. Despite repeated efforts of Audit, no DAC meeting was convened till the finalization of this Report.

Audit recommends that responsibility be fixed and strict disciplinary action taken against the officials concerned for non-production of record, under intimation to Audit, and to ensure that the record is produced to Audit for scrutiny.

[AIR Para No. 24]

## **1.3.2 Irregularities and Non-Compliance**

### **1.3.2.1 Unjustified appointment of contingent paid staff – Rs 8.949 million**

According to Government of the Punjab Finance Department letter No. FD-SO (GOODS) 44-4/2011 dated 07.07.2012, no contingent paid staff shall be appointed without obtaining the prior approval of Finance Department.

TMO Kabirwala made payment of Rs 8.949 million on account of salaries of contingent paid staff during F.Y 2013-14 from non-development budget. The TMO appointed contingent paid staff without obtaining permission from Finance Department. No advertisement was made for such appointments. Appointments were also not made by the Recruitment Committee. Audit called for appointment orders, original attendance register and payment acknowledgements for staff but the same were not produced to audit. (**Annex-G**)

Audit is of the view that due to weak internal controls, irregular payment was made on account of salaries of contingent paid staff.

Irregular payment on account of salaries of contingent paid staff amounting to Rs 8.949 million resulted in violation of rules.

The matter was reported to the TMO in March-2015. The TMO noted the observation but did not submit any reply. Despite repeated efforts of Audit, no DAC meeting was convened till the finalization of this Report.

Audit recommends regularization of expenditure from Finance Department, stoppage of any such future appointments and disciplinary action against the responsible, under intimation to Audit.

[AIR Para No. 16]

### 1.3.3 Performance

#### 1.3.3.1 Less recovery of conversion fee - Rs 4.308 million

According to the Rule 60(1)(a)(b)(c) of the Notification No. SOR (LG)38-18/2009 dated 27<sup>th</sup> June, 2009, Punjab Land use (Classification, Reclassification and Redevelopment) Rules, 2009, and Notification No. SOR(LG) 38-18 /2009-P dated 6<sup>th</sup> June, 2012, the conversion fee for the conversion of a residential, industrial, peri-urban area or intercity service area to commercial use shall be 5% for land value less than one million according to scheduled rate, 10% for value from one million to ten million, and 20% for value exceeding ten million.

Tehsil Municipal Administration Kabirwala recovered less amount of conversion fee amounting to Rs 4.308 million during 2013-14 from the owner of commercial market. It was observed that sale price of land, converted to commercial market was less applied than valuation table for urban area (Sarai Sidhu-G Category, Choparhatta Road). Afs Shajra clearly revealed that the area was already developed and there were houses constructed on both sides of the markets. Therefore, the urban residential rate as per valuation table of that area was to be applied. The owner of the commercial market was favored and conversion fee was less recovered by applying agriculture rate. The detail is as under:

**(Amount in Rupees)**

Sr. #	Area Marllas	Location	Nature of Business	Conversion Fee Recovered	Rate to be applied Per Marla	Amount of conversion to be recovered	Less/Short Recovery
1	621	Choparhatta Road	Commercial Market	659,812	40,000	4,968,000	4,308,188

Audit is of the view that due to weak financial management, less value was applied for computation of conversion fee.

Application of less rates for computation of conversion fee resulted in loss to TMA amounting to Rs 4.308 million.

The matter was reported to the TMO in March-2015. The TMO noted the observation but did not submit any reply. Despite repeated efforts of Audit, no DAC meeting was convened till the finalization of this Report.

Audit recommends recovery of Rs 4.308 million, besides disciplinary action against the responsible, under intimation to Audit.

[AIR Para No. 1]

### **1.3.4 Internal control weaknesses**

#### **1.3.4.1 Overpayment on account of Social Security Benefit – Rs 4.194 million**

According to Clause 6 of the Regularization Notification No. SO(SE-111)2-2007, dated 19.10.2009, these appointees (on regularization) shall not be entitled to the payment of 30% SSB in lieu of pension or any pay package being drawn during the contract period.

Tehsil Municipal Officer Kabirwala did not recover Rs 4.194 million on account of Social Security Benefit (SSB) from employees working on contract, who were later on regularized w.e.f. 19.10.2009 to 01.12.2012. During the course of audit, it was observed that social security benefit was not recovered from the officials whose services had been regularized. The detail is given in **Annex-H**.

Audit is of the view that due to weak internal controls, overpayment was made on account of Social Security Benefit.

Overpayment on account of Social Security Benefit resulted in loss to the Government amounting to Rs 4.194 million.

The matter was reported to the TMO in March-2015. The TMO noted the observation but did not submit any reply. Despite repeated efforts of Audit, no DAC meeting was convened till the finalization of this Report.

Audit recommends recovery of Rs 4.194 million, besides fixing of responsibility under intimation to Audit.

[AIR Para No.15]

#### **1.3.4.2 Unjustified purchases of dewatering sets and sullage pumps – Rs 3.010 million**

According to Rule 36 (a), of Punjab Procurement Rule, 2009, each bid shall comprise one single envelope containing, separately, financial proposal and

technical proposal. Further, according to Notification No. D.O No.5 (21) L&P/97-4910(S)-FS, dated 31.10.97, Sales Tax return cum payment challan along with supporting documents required (S.R) under the provision of sales Tax Act, 1990 in proof of payment/deposit of Sales Tax into Government treasury be received from the supplier.

Tehsil Municipal Administration Kabirwala incurred expenditure on account of purchase of dewatering sets and sullage pumps amounting to Rs 3.010 million during 2013-14. Following shortcomings were noticed:-

- i) Technical and Financial Bids were not offered separately in one envelop. The rates were written on the technical bid by hand instead of financial bid.
- ii) Work order was issued to M/S Khanzada Traders & Contractors vide No.1283-84 dated 23.12.2013 without technical assessment of manufacturing company of dewatering sets and the contractor was directed in the work order to ensure the certificate of manufacturer regarding machinery.
- iii) Dewatering Sets were purchased from contractor instead of dealers.
- iv) 80% of GST amount was paid to contractor, against which no proof of deposit of GST amounting to Rs 349,845 was produced. Detail is given below:

(Amount in Rupees)						
Voucher No. & Date	Invoice No. & Date	Particulars	Amount (Rs)	Amount of GST	GST 1/5 already deducted	Amount of GST not deposited
