Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan, 1973 and Section 115 of the Punjab Local Government Ordinance, 2001 require the Auditor General of Pakistan to conduct audit of Receipts and Expenditures of the Local Fund and Public Accounts of District Governments.

The report is based on audit of the accounts of Tehsil Municipal Administrations of District Lodhran for the financial year 2013-14. The Directorate General of Audit District Governments Punjab (South), Multan conducted audit during 2014-15 on test check basis with a view to reporting significant findings to the relevant stakeholders. The main body of Audit Report includes only the systemic issues and audit findings carrying value of Rs 1 million or more. Relatively less significant issues are listed in the Annex-A of the Audit Report. The audit observations listed in the Annex-A shall be pursued with the Principal Accounting Officer at the DAC level and in all cases where the PAO does not initiate appropriate action, the audit observations will be brought to the notice of the Public Accounts Committee through the next year's Audit Report.

Audit findings indicate the need for adherence to the regularity framework besides instituting and strengthening internal controls to avoid recurrence of similar violations and irregularities.

The observations included in this report have been finalized in the light of written responses of the management concerned and DAC directives.

The Audit Report is submitted to the Governor of Punjab in pursuance of Article 171 of the Constitution of the Islamic Republic of Pakistan, 1973 read with Section 115 of the Punjab Local Government Ordinance 2001, for causing it to be laid before the Provincial Assembly.

EXECUTIVE SUMMARY

The Directorate General Audit, District Governments, Punjab (South), Multan, a Field Audit Office of the Auditor General of Pakistan is responsible to carry out the audit of all District Governments in Punjab (South) including Tehsil and Town Municipal Administration. Its Regional Directorate of Audit Multan has audit jurisdiction of District Governments, TMAs and UAs of six Districts i.e. Multan, Lodhran, Vehari, Sahiwal, Pakpattan and Khanewal.

The Regional Directorate has a human resource of 32 officers and other staff. Total mandays available were 6,589 and the budget amounted to Rs 14.007 million in audit year 2014-15. It has the mandate to conduct financial attest audit, audit of sanctions, audit of compliance with authority and audit of receipts as well as the Performance Audit of entities, projects and programs. Accordingly, R.D.A Multan carried out audit of the accounts of three TMAs of District Lodhran for the financial year 2013-14 and the findings are included in this Audit Report.

Each Tehsil Municipal Administration in District Lodhran is headed by a Tehsil Nazim / Administrator. He/she carries out operations as per Punjab Local Government Ordinance, 2001. Tehsil Municipal Officer is the Principal Accounting Officer (PAO) and acts as coordinating and administrative officer, responsible to control land use, its division and development and to enforce all laws including Municipal Laws, Rules and By-laws. The PLGO, 2001, requires the establishment of Tehsil/Town Local Fund and Public Account for which Annual Budget Statement is authorized by the Tehsil Nazim /Tehsil Council / Administrator in the form of Budgetary Grants.

The total Development Budget of three TMAs in the District Lodhran for the financial year 2013-14, was Rs 344.254 million and expenditure incurred of Rs 277.551 million, showing savings of Rs 66.703 million. The total Nondevelopment Budget for financial year 2013-14 was Rs 301.541 million and expenditure of Rs 263.438 million, showing savings of Rs 38.101 million in the

iii

year. The reasons for savings in Development and Non-development Budgets are required to be explained by TMO and PAO concerned.

Audit of TMAs of District Lodhran was carried out with the view to ascertain that the expenditure was incurred with proper authorization, in conformity with laws/rules/regulations and whether the procurement of assets and hiring of services were economical or not.

Audit of receipts/ revenues was also conducted to verify whether the assessment, collection, reconciliation and allocation of revenues was made in accordance with laws and rules and that there was no leakage of revenue.

a. Scope of Audit

Out of the total expenditure of the TMAs of District Lodhran for the financial year 2013-14 auditable expenditure under the jurisdiction of RDA, Multan was Rs 540.989 million, covering three PAOs/formations. Out of this, Regional Director Audit (District Governments), Multan audited an expenditure of Rs 108.198 million which, in terms of percentage, is 20% of total auditable expenditure and irregularities amounting to Rs 2,050.930 million were pointed out. RDA planned and executed audit of three formations i.e. 100% achievement against the planned audit activities.

Total receipt of the TMAs of District Lodhran for the financial year 2013-14, were Rs 340.582 million. RDA, Multan audited receipts of Rs 135.902 million which, in terms of percentage, is 40% of total receipts and irregularities.

b. Recoveries at the Instance of Audit

Recoveries of Rs 63.292 million were pointed out by Audit which was not in the notice of the management before audit. No amount was recovered by the management and verified by Audit during year 2014-15, till the time of compilation of Report.

iv

However, against the total recovery amount of Rs 62.814 million pertaining to paras (over one million) drafted in this report, no amount of recovery has been made by the management till the time of compilation of this report.

c. Audit Methodology

Audit was conducted after understanding the business processes of TMAs with respect to its functions, control structure, prioritization of risk areas by determining their significance and identification of key controls. This helped auditors in understanding the systems, procedures, environment, and the audited entity before starting field audit activity.

d. Audit Impact

A number of improvements in record maintenance and procedures have been initiated by departments concerned, however audit impact in shape of change in rules could not be materialized as the Provincial Accounts Committee has not discussed audit reports pertaining to Tehsil Municipal Administrations for the year 2014-15.

e. Comments on Internal Control and Internal Audit department

Internal control mechanism of TMAs of District Lodhran was not found satisfactory during audit. Many instances of Weak Internal Controls have been highlighted during the course of audit which includes some serious lapses like withdrawal of public funds against ghost schemes. Negligence on the part of TMA authorities may be captioned as one of important reasons for Weak Internal Controls.

Section 115-A (1) of PLGO, 2001, Nazim of each District Government and Tehsil / Town Municipal Administration shall appoint an Internal Auditor but the same was not appointed in all TMAs of District Lodhran.

f. The Key Audit Findings

۷

- ii. Irregularities and Non-compliance of Rs 63.810 million was noted in five cases²

AUDIT PARAS

1.2 Tehsil Municipal Administration, Lodhran

1.2.2 Irregularities and Non-Compliance

1.2.2.1Irregular award of work through quotations instead of tenders -Rs 14.700 million

As per Para 2.70 of B&R Code and instructions issued by the Finance Department, Government of the Punjab in June 1991, splitting of work into various work orders require the approval of Chief Engineer. According to Rule 12 & 13 of Punjab Procurement Regularity Authority Rules, 2014 the works over rupees one Lac to 20 Lac are required to be advertised on PPRA's website, with response time at least 15 days in between the date of advertisement and date of opening of tenders. Further, according to Rule 2 (1) (q) of PPRA Rule, 2014 emergency means natural calamity, disaster, accident, war and operational emergency which may give rise to abnormal situation requiring prompt and immediate action to limit or avoid damage to person, property or the environment.

Tehsil Municipal Administration Lodhran executed various development schemes valuing Rs 14.700 million during 2013-14 by calling short tender notice by splitting works in order to keep the amount under Rs one lac to avoid the advertisement on PPRA website. The budget was allocated under head of account emergency and development schemes were executed accordingly. Civil works of TMA do not come under emergency as defined in above mentioned rule. The execution of schemes through splitting and without tendering process was irregular and in violation of rules. Detail is given in "Annex-C"

Audit is of the view that due to weak financial controls, schemes were split to avoid tendering process.

Splitting of schemes resulted in loss to the Government amounting to Rs 14.700 million.

The matter was reported to TMO in February, 2015. The TMO replied that separate budget was kept for emergency. TMO's reply was not tenable as

development works did not come under the definition of emergency as mentioned in PPRA Rules. DAC, in its meeting held in April, 2015, directed the TMO to provide relevant record for further verification. No further progress was intimated till the finalization of Report.

Audit recommends regularization, besides fixing of responsibility against the person at fault, under intimation to Audit.

[AIR Para No. 04]

1.2.3 Performance

1.2.3.1 Non-recovery of rent of shops – Rs 53.997 million

According to Rule 76 of PDG & TMA (Budget) Rules, 2003 the Collecting Officers shall ensure that all revenue due is claimed, realized and credited immediately into the Local Government Fund.

TO (Finance) did not recover outstanding dues on account of rent of shops amounting to Rs 53.997 million up to June, 2014 from various shopkeepers / vendors running their business under the jurisdiction of TMA, Lodhran. Necessary detail is as under:

| | | | | (Ru | pees in million) |
|-------|---------|----------------------------|--------|-----------|------------------|
| Total | Opening | Current Year Demand | Total | Amount | Balance |
| Shops | Balance | 2013-14 | Demand | Recovered | Recoverable |
| 513 | 45.969 | 12.711 | 58.680 | 4.683 | 53.997 |

Audit is of the view that due to weak internal control, less realization of revenue resulted in non-recovery of rent of shops.

Non-recovery of rent of shops resulted in loss of Rs 53.997 million to TMA fund.

The matter was reported to TMO in February, 2015. TMO replied that efforts would be made for recovery as matter is still in court. The reply was not acceptable as recovery was made but not as per demand. DAC, in its meeting held in April, 2015, kept the para pending till decision by court. No further progress was intimated till the finalization of Report.

Audit recommends recovery of Rs. 53.997 million, besides action against responsible, under intimation to Audit.

[AIR Para No. 03]

1.3 Tehsil Municipal Administrations, Dunyapur

1.3.2 Non-Production of Record

1.3.2.1Non-production of record – Rs 15.690 million

According to Clause 14 (1) (b) of the Auditor General's (Functions, Powers and Terms and Conditions of Service) Ordinance 2001, "The Auditor General shall, in connection with the performance of his duties under this Ordinance, have authority to inspect any office of accounts, under the control of Federation or of the Province or of District including Treasuries and such offices responsible for the keeping of initial and subsidiary accounts". Furthermore, according to Section 115(6) of the Punjab Local Government Ordinance 2001, "All officials shall afford all facilities and provide record for audit inspection and comply with requests for information in as complete a form as possible and with all reasonable expedition".

TMO Dunyapur did not produce record of development schemes executed through CCBs. CCBs were responsible to open separate bank account for each scheme. The TMO failed to produce bank statements of CCBs project. Audit could not authenticate the CCBs' shares and releases issued by TMA without bank statements. The detail is in **Annex-D**.

Audit is of the view that due to weak internal controls, record was not produced to Audit.

Non-production of record of Rs 15.690 million created doubt about the legitimacy of the expenditure as well as violation of Government instructions.

The matter was reported to TMO in February, 2015. TMO replied that record had been obtained from the concerned CCBs and was available for audit scrutiny. The TMO reply was not acceptable as record was not produced during audit. Despite various efforts of Audit, no DAC meeting was convened till the finalization of this Report.

Audit recommends that responsibility be fixed and strict disciplinary action taken against the officials concerned for non-production of record, under intimation to Audit, and to ensure that the record is produced to Audit for scrutiny.

[AIR Para No. 21]

1.3.3 Irregularities and Non-Compliance

1.3.3.1Non-obtaining of additional performance securities – Rs 27.944 million

According to Government of the Punjab, Finance Department letter No. RC9(Tech) FD-1-2/83 (v) (p) dated 06-04-2005, if contractor quotes rate 5 % below the approved D.N.I.T., lowest bidder will have to deposit additional performance security from the schedule bank within 15 days or expiry of laid impeach whichever is earlier.

The TMO Dunyapur awarded works without obtaining additional performance securities of Rs 27.944 million during the period 2013-14 from the contractors who offered rates below than 5% from TS. The detail is given in **Annex-E**.

Audit is of the view that due to financial indiscipline/negligence of the department, additional performance securities were not obtained from the contractor.

Non-obtaining of additional performance securities amounting to Rs 27.944 million resulted in irregular award of contract.

The matter was reported to TMO in February, 2015. The TMO replied that compliance will be made in future. The reply was not acceptable as same observation was raised during audit 2012-13 and TMO promised to obtain additional performance securities in future but he failed to obtain the additional performance securities. Despite various efforts of Audit, no DAC meeting was convened till the finalization of this Report.

Audit recommends action against concerned for non-obtaining of additional performance securities amounting to Rs 27.944 million, besides regularization thereof from the competent authority, under intimation to Audit.

[AIR Para No. 12]

1.3.3.2Irregular award of work through quotations instead of tenders -Rs 18.304 million

As per Para 2.70 of B&R Code and instructions issued by the Finance Department Government of the Punjab in June 1991, splitting up of work into various work orders require the approval of Chief Engineer. Further, according to Rule 12 & 13 of Punjab Procurement Regularity Authority Rules, 2014 the works over rupees one Lac to 20 Lac are required to be advertised on PPRA's website, with response time of at least 15 days in between the date of advertisement and date of opening of tenders. Further, the tenders more than Rs 20 Lac were required to be advertised on PPRA website as well as at least two national daily newspapers, one in English and other in Urdu.

Tehsil Municipal Administration Dunyapur executed various development schemes valuing Rs 18.304 million by calling short tender notice and splitting works in order to keep the amount below Rs one lac to avoid the advertisement on PPRA web site. The execution of schemes through splitting was irregular. Detailed is given in "**Annex-F**"

Audit is of the view that due to weak financial controls, schemes were split to avoid tendering process.

Splitting of schemes resulted in violation of Government rules worth Rs 18.304 million.

The matter was reported to TMO in February, 2015. The TMO replied that works were executed as per public demand and were less than Rs One lac. The reply of TMO was not acceptable as works were executed by calling quotations instead of tenders. Despite various efforts of Audit, no DAC meeting was convened till the finalization of this Report.

Audit recommends regularization, besides fixing of responsibility against the person at fault under intimation to Audit.

[AIR Para No. 10,15]

1.3.3.3Irregular collection of income of leases by contractors – Rs 1.791 million

As per Rule 23 (5) of Punjab Local Government (Auction of Collection Rights) Rules, 2003, "The contractor shall not be authorized to appoint his personal staff for collection of income. All collections shall be carried out by him through the staff of local Government concerned assigned to him for this purpose". Further, according to Rule 18(2) of the Punjab Auction of Collection Rights, 2003, the contractor shall be responsible for deposit of salaries, pension contribution, premium of group insurance, leave salary, all allowances and other fringe benefits permissible to the employees of a local Government handed over to him for administration and collection of respective income.

Tehsil Municipal Administration Dunyapur auctioned cattle mandi fee for Rs 1.350 million during the period 2013-14. Contractor collected the cattle mandi fee through his own staff instead of TMA staff in violation of above mentioned rules. The contractor was bound to take staff of TMA for recovery and pay salaries, pension and other fringe benefits of the concerned staff. The TMA did not produce record of receipt of salary, pension and other fringe benefits.

Audit is of the view that due to weak internal controls, contractor collected cattle mandi fee through his own staff instead of TMA staff. The TMA authorities failed to hand over staff to contractor and to collect salary, pension and other fringe benefits.

Non collection of salary, pension and other benefits resulted in loss to Government exchequer amounting to Rs 1.791 million.

The matter was reported to TMO in February, 2015. TMO replied that salary of staff was collected from contractor of baker mandi. The reply was not acceptable as no recovery of salary was shown to Audit. Despite various efforts of Audit, no DAC meeting was convened till the finalization of this Report.

Audit recommends regularization, besides recovery of salary, pension and

others fringe benefits of Rs 1.791 million, under intimation to Audit.

[AIR Para No. 03]

Repair of machinery, tools, plants and motor vehicles without assessing book value was irregular. The detail is given in **Annex-G**.

Audit is of the view that due to weak financial management, Government vehicles were got repaired without observing Government instructions.

Repair of vehicle without observing Government rules resulted in violation amounting to Rs 1.071 million.

The matter was reported to TMO in February, 2015. The TMO replied that instruction had been noted for future compliance.
