## **PREFACE**

Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan, 1973 read with Section 115 of the Punjab Local Government Ordinance, 2001 require the Auditor General of Pakistan to audit the accounts of the Provincial Governments and the accounts of any authority or body established by, or under the control of, the Provincial Government. Accordingly, the Audit of all Receipts and Expenditures of the District Government Fund and Public Account of District Government is the responsibility of the Auditor General of Pakistan.

The report is based on audit of the accounts of various offices of the City District Government, Lahore for the financial year 2013-14. The Directorate General of Audit District Governments, Punjab (North), Lahore, conducted audit during 2014-15 on test check basis with a view to reporting significant findings to the relevant stakeholders. The main body of the Audit Report includes only the systemic issues and audit findings carrying value of Rs 1.00 million or more. Relatively less significant issues are listed in the Annex-A of the Audit Report. The Audit observations listed in the Annex-A shall be pursued with the Principal Accounting Officer at the DAC level and in all cases where the PAO does not initiate appropriate action, the Audit observation will be brought to the notice of the Public Accounts Committee through the next year's Audit Report.

The Audit results indicate the need for adherence to the regularity framework besides instituting and strengthening internal controls to prevent recurrence of such violations and irregularities.

The observations included in this Report have been finalized in the light of written responses and discussion in DAC meetings.

The Audit Report is submitted to the Governor of the Punjab in pursuance of Article 171 of the Constitution of the Islamic Republic of Pakistan, 1973 to cause it to be laid before the Provincial Assembly of Punjab.

## **EXECUTIVE SUMMARY**

The Directorate General Audit (DGA), District Governments, Punjab (North), Lahore is responsible to carry out the Audit of District Governments, Tehsil / Town Municipal Administrations and Union Administrations of three City District Governments and sixteen District Governments. Its Regional Directorate of Audit, Lahore has Audit jurisdiction of District Governments, TMAs and UAs of one City District Government i.e. Lahore and four District Governments i.e. Kasur, Sheikhpura, Okara and Nankana Sahib.

The Regional Directorate has a human resource of 20 officers and staff, total 5706 man-days and the annual budget of Rs 27.061 million for the Financial Year 2014-15. It has been mandated to conduct Financial Attest, Regularity Audit and Compliance with Authority & Performance Audit of entire expenditure including programmes / projects & receipts. Accordingly, RDA Lahore carried out Audit of accounts of City District Government, Lahore for the Financial Year 2013-14.

The City District Government, Lahore conducts its operations under Punjab Local Government Ordinance, 2001. It comprises one Principal Accounting Officer (PAO) i.e. the District Coordination Officer (DCO) covering seven groups of offices i.e. Agriculture, Community Development, Education, Finance & Planning, Health, Municipal Services and Works & Services. The financial provisions of the Punjab Local Government Ordinance, 2001 require the establishment of District Government fund comprising Local Government Fund and Public Account for which Annual Budget Statement is authorized by the Nazim / Council / Administrator in the form of budgetary grants.

Audit of City District Government, Lahore was carried out with a view to ascertaining whether the expenditure was incurred with proper authorization and in conformity with laws / rules / regulations for economical procurement of assets and hiring of services etc.

Audit of receipts / revenues was also conducted to verify whether the assessment, collection, reconciliation and allocation of revenues were made in accordance with laws / rules, resulting in no leakage of revenue.

### **a. Scope of Audit**

Out of total auditable expenditure of Rs 17,631.696 million of the City District Government, Lahore for the financial year 2013-14 covering one PAO and 538 formations, the Directorate General

Audit, audited an expenditure of Rs 6,805.635 million which, in terms of percentage, was 38.60% of auditable expenditure. The Directorate General Audit planned and executed audit of 121 formations i.e. 100% achievement against the planned audit activities.

Total receipts of the City District Government Lahore for the financial year 2013-14, were Rs 584.445 million, whereas, Directorate General Audit, audited receipts of Rs 409.11 million which was 70% of total receipts.

**b. Recoveries at the instance of audit**

Recovery of Rs 202.667 million was pointed out, out of which recovery of Rs 3.627 million was effected during the year 2014-15 at the time of compilation of report. Out of total recoveries Rs 202.667 million was not in the notice of the executive before audit.

**c. Audit Methodology**

The audit year 2014-15 witnessed intensive application of desk audit techniques in this directorate. This was facilitated by access to live SAP/R3 data, internet facility, and availability of permanent files. Desk review helped auditors in understanding the systems, procedures, and environment, and the audited entity before starting field activity. This greatly facilitated in the identification of high risk areas for substantive testing in the field.

**d. Audit Impact**

A number of improvements, as suggested by audit, in maintenance of record and procedures have been initiated by the concerned departments, however, audit impact in shape of change in rules has been less materialized due to non-convening of regular PAC meetings. Had PAC meetings been regularly convened, audit impact would have been manifold.

**e. Comments on Internal Control and Internal Audit Department**

Internal control mechanism of CDG Lahore was not found satisfactory during audit. Many instances of weak Internal Controls have been highlighted during the course of audit which includes some serious lapses like withdrawal of public funds against the entitlement

of employees. Negligence on the part of CDG authorities may be captioned as one of important reasons for weak Internal Controls.

Section 115-A (1) of PLGO, 2001 empowers Nazim of each District Government to appoint an Internal Auditor but the same was not appointed in City District Government, Lahore.

**f. The key Audit findings of the report**

- i. Non-production of record of Rs 10.737 million was noted in one case.<sup>1</sup>
- ii. Irregularity and non-compliance of Rs 633.94 million was noted in 15 cases.<sup>2</sup>
- iii. Recovery of Rs 202.667 million was pointed in 08 cases.<sup>3</sup>

Audit paras for the audit year 2014-15 involving procedural violations including internal control weaknesses, unsound asset management and irregularities not considered worth reporting are included in MFDAC (Annex-A).

**g. Recommendations**

Head of the City District Government needs:

- i. To comply with the Procurement Rules for economical and rational purchases of goods and services.
- ii. To held inquiries to fix responsibility for losses, theft and wasteful expenditure.
- iii. To make efforts for expediting the realization of various Government receipts.
- iv. To take appropriate measures to strengthen internal controls / monitoring system.
- v. To take appropriate action against the officers / officials responsible for non-production of record.

## **1.2 AUDIT PARAS**

## **1.2.1 Non Production of Record**

### 1.2.1.1 Non Production of Record – Rs 10.737 million

Section 115(5) & (6) of PLGO, 2001 stipulates, inter alia, that auditee organization shall provide record for audit inspection and comply with requests for information in as complete a form as possible and with all reasonable expedition.

Management of the following formations did not provide the auditable record relating to expenditure and receipts for audit scrutiny.

Formations	Financial Year	Description	Amount (Rs in million)
DO Roads – II	2013-14	Record of professional tax, fines imposed and collected, tender fees realized, etc	-
Dy. DO Health Ravi Town	2011-14	Salaries and contingent record	-
Principal National Special Education Center	2012-14	R&M register of machinery and equipment, R&M register of furniture, store and stock register	-
Regional Transport Authority	2001-13	All expenditure	10.737
Social Welfare Officer, Central Jail	2003-10	Expenditure statement, cash book, vouchers, etc	-
Govt. Special Education Center, Wahga Town	2013-14	Bank statement, Expenditure statement, stock register, detail of stipend and scholarships etc	-
<b>Total</b>			<b>10.737</b>

Audit is of the view that the relevant record of the expenditure and receipt was not maintained and, hence, not produced to Audit for verification which may lead to likely misappropriation and misuse of public resources.

In the absence of vouched account, authenticity, validity and accuracy of expenditure and receipts could not be verified.

The matter was reported to the DCO in November 2014. DAC in its meeting held in January 2015 directed the departments to produce the relevant record but no further compliance was reported till finalization of this report.

Audit recommends fixing responsibility against the officers / officials at fault under intimation to Audit.

## **1.2.2 Irregularities / Non-compliance**

### **1.2.2.1 Unauthorized Expenditure on Pay and Allowances due to Shifting of Headquarter – Rs 179.551 million**

According to instruction issued by Government vide FD/SR-IV-8-76 (Pro) dated 16-3-1988, shifting of a government servant from the place of his originally sanctioned post for a period exceeding 3 months is not permissible without prior approval of Finance Department.

Management of the different formations incurred an expenditure of Rs 179.551 million on account of Pay and Allowances of the officers / officials who were transferred against non-existing vacancies and stayed there for more than 3 months. The detail is given at Annex-C.

Audit is of the view that payment of salaries to the above mentioned officers/officials is unauthorized, which is due to financial mismanagement.

The matter was reported to DCO in November 2014. MS Mian Munshi Hospital replied that temporary transfers were made in compliance with Health Department orders. Management of the other formations did not submit any reply. DAC in its meeting held in January 2015 directed the departments to get the matter regularized.

Audit recommends regularization besides fixing responsibility against the officers / officials at fault under intimation to Audit.

### **1.2.2.2 Non-recovery of Government Dues – Rs 84.708 million**

According to Rule 76 of PDG & TMA (Budget) Rules 2003, the primary obligation of the Collecting Officers shall be to ensure that all revenue due is recovered and credited immediately to the local government fund under the proper receipt head.

Management of following formations did not recover government receipts of Rs84.708 million during 2013-14 as detailed below:

<b>Sr. No.</b>	<b>Formation Name</b>	<b>Description of Receipt</b>	<b>Amount (Rs in million)</b>
1	DDO (R) Tax	Rent of shops	6.437
2	DDO (R) Tax	License charges	0.345
3	DO (SP&C)	Commercialization fee from Country Club Burkey road Lahore	13.511
4	DO (SP&C)	Commercialization fee	6.559
5	DO (Public Facility)	Parking fee from Lahore Parking Company	57.856
<b>Total</b>			<b>84.708</b>

Audit is of the view that non recovery of Government receipts was due to weak administrative and financial discipline.

Non-recovery of government receipts resulted in loss of Rs84.708 million to the public exchequer.

Management of DDO (R) Tax and DO (PF) admitted the recovery and committed to recover the amount. DO (SP&C) did not offer any comment.

Matter was reported to the DCO in November 2014. In DAC meeting held in January 2015, DAC directed the DDO (R) Tax and DO (PF) for recovery of arrears. DO (SP&C) did not attend DAC meeting. DCO even did not bother to take action against the DDO who remained absent from DAC meeting.

Audit recommends early recovery of government dues besides fixing responsibility against the delinquent officers / officials under intimation to Audit.

### **1.2.2.3 Non-imposition of Penalty – Rs 72.644 million**

As per clause 39 of contract agreement, the contractor shall pay, as compensation, an amount equal to 1% of the amount of the contract subject to the maximum of 10% or such smaller amount as the Engineer in-charge may decide, for delay in completion of work.

Management of the following formations awarded different works to various contractors during the financial year 2013-14. The contractors neither completed the works within stipulated time nor applied for any time extension. Non observance of the contract clauses required imposition of penalty @10% amounting to Rs 72.644 million which was not done. The detail is given at Annex-D.

<b>Sr. No.</b>	<b>Name of Formation</b>	<b>No. of Schemes</b>	<b>Amount of Penalty (Rs in million)</b>
1	DO Roads-I	1	35.984
2	DO Buildings-II	9	23.048
3	DO Roads – III	5	13.612
<b>Total</b>			<b>72.644</b>

Audit is of the view that this inaction / non imposition of penalty was because of weak monitoring system.

Non-completion of schemes within the stipulated time deprived the community of the desired benefits. Similarly non-imposition of penalty

resulted in loss of revenue amounting to Rs 72.644 million to the Government.

Matter was reported to DCO in November 2014. In DAC meeting held in January 2015, directed the departments to recover the amount of penalty.

Audit recommends recovery of the penalty besides fixing responsibility against the delinquent officers / officials under intimation to Audit.

#### **1.2.2.4 Expenditure without Advertisement on PPRA Website – Rs 59.495 million**

According to Rule 12(1) of Punjab Procurement Rules 2009, procurements over one hundred thousand rupees and up to the limit of two million rupees shall be advertised on the PPRA’s website in the manner and format specified by PPRA regulation from time to time.

Management of the following formations expended Rs 59.495 million on procurement of different items during the financial year 2013-14. Each job order cost was over one hundred thousand but the purchases were made without advertisement on the PPRA website. Further in some cases the indents were split to avoid advertisement on PPRA website. The detail is given below.

<b>Sr. No.</b>	<b>Formation Name</b>	<b>Amount (Rs in million)</b>
1	Orphanage House, Lahore	1.300
2	MS Eye Hospital Swami Nagar	0.807
3	DO Roads – III	39.958
4	DO Sports Lahore	1.463
5	Dy. DO Health DGBT	0.296
6	ETO Region (A, B & C)	2.974
7	Manager Sanatzar	0.164
8	DDO Dar-ul-Aman	6.000
9	DO (P&FTT)	5.808
10	Govt. Central High School for Deaf, Gulberg – II	0.624
11	National Special Education Center, Lahore	0.101
<b>Total</b>		<b>59.495</b>

Audit holds the above purchases as irregular. This state of affair reflects poor financial discipline.

Such irregularities may result in loss to the public exchequer due to uneconomical rates.

MS Eye Hospital Swami Nagar, DO sports and Excise and taxation officer replied that purchases were made on different dates as per requirement. The reply was not accepted as the indents were split and the amounts were sanctioned on the same dates. Management of the other formations did not submit any reply.

The matter was reported to the DCO in November 2014. DAC in its meeting held in January 2015, directed the departments for regularization of the above expenditure. No compliance was made till finalization of this report.

Audit recommends regularization besides fixing responsibility for non-transparent purchases against the officers / officials under intimation to Audit.

### **1.2.2.5 Unauthorized Expenditure – Rs 41.722 million**

According to Rule 109(3) of PLGO 2001, no local government shall transfer monies to the federal/provincial government except by way of repayment of debts or on account of deposit works lying within the purview of the CDGL.

EDO (F&P) Lahore transferred Rs 41.722 million to WASA, the department of Government of the Punjab on account of the functions out of the purview of CDGL. This transfer of money was unauthorized as detailed below:

<b>S. No.</b>	<b>Description</b>	<b>(Rs in million)</b>
1	Rehabilitation of General Bus Stand drain in drainage sub-division North-I, WASA/LDA, Lahore	0.916
2	Installation / construction of 1-No. 4-CFS capacity Tube well at DII Gulshan-e-Ravi, Captain Jamal Road, Sanda UC-08, Lahore	12.480
3	Installation / Construction of 1-No. 4-CFS Capacity Tube well along with complete machinery at H-2-Block Sabzazar Sub Division WASA, LDA, Lahore	11.521
4	Installation / Construction of 1-No. 2-CFS Capacity Tube well along with complete machinery at Chah Pichwara Nagar Sub Division, WASA, LDA, Lahore	10.220
5	Installation / Construction of 1-No. 2-CFS Capacity Tube well along with complete machinery at Jahangeer Park Krishan Nagar, Sub Division, WASA, LDA, Lahore	6.585
<b>Total</b>		<b>41.722</b>

Audit is of the view that due to poor financial management, district government funds were transferred for the execution of schemes lying beyond the purview of CDGL.

This resulted in unauthorized expenditure and undue burden on funds of the CDGL.

The matter was reported to DCO in November 2014. In DAC meeting held in January 2015, department replied that funds were transferred for deposit work. The reply was not accepted because the said schemes did not come under the purview of CDGL. DAC directed the department for regularization and to initiate the case for reimbursement of the amount to the CDGL.

Audit recommends regularization and early reimbursement of the amount to the CDGL under intimation to Audit.

[AIR Para No.3]

### 1.2.2.6 Unlawful Retention of Receipts and Unauthorized Expenditure – Rs 39.757 million

Section 107(2)(d)&(e) of PLGO, 2001 read with Finance Department's letter No.IT(FD)3-4/2002 dated 15-07-2002, inter alia, provides that revenue received by a local government shall form part of the respective Local Government Fund. Moreover, all such revenues / receipts shall be deposited immediately into District Account-IV. Further, According to the Rule 7(1) of the Treasury Rules, money received shall not be appropriated to meet departmental expenditure.

Manager Sanatzar Industrial Home collected Rs 39.757 million on account of fee from students w.e.f. 01.07.11 to 30.06.14 and deposited the same into Account No. 1125-4 (PLS), maintained in National Bank of Pakistan, Moon Market Branch, Lahore instead of depositing into Account-IV of the District Government.
