Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan, 1973 and Section 115 of the Punjab Local Government Ordinance, 2001 require the Auditor General of Pakistan to conduct audit of Receipts and Expenditures of the Local Fund and Public Accounts of District Governments.

The report is based on audit of the accounts of Tehsil Municipal Administrations of District Lodhran for the Financial Year 2014-15. The Directorate General of Audit, District Governments Punjab (South), Multan conducted audit during Audit Year 2015-16 on test check basis with a view to reporting significant findings to the relevant stakeholders. The main body of Audit Report includes only the systemic issues and audit findings carrying value of Rs 1 million or more. Relatively less significant issues are listed in the Annex-A of the Audit Report. The audit observations listed in the Annex-A shall be pursued with the Principal Accounting Officer at the DAC level and in all cases where the PAO does not initiate appropriate action, the audit observations will be brought to the notice of the Public Accounts Committee through the next year's Audit Report.

Audit findings indicate the need for adherence to the regularity framework besides instituting and strengthening internal controls to avoid recurrence of similar violations and irregularities.

The observations included in this report have been finalized in the light of written responses of the management concerned and DAC directives.

The Audit Report is submitted to the Governor of Punjab in pursuance of Article 171 of the Constitution of the Islamic Republic of Pakistan, 1973 read with Section 115 of the Punjab Local Government Ordinance 2001, for causing it to be laid before the Provincial Assembly.

Auditor General of Pakistan

EXECUTIVE SUMMARY

The Directorate General Audit, District Governments, Punjab (South), Multan, a Field Audit Office of the Auditor General of Pakistan is responsible to carry out the audit of all District Governments in Punjab (South) including Tehsil and Town Municipal Administration. Regional Directorate of Audit Multan has audit jurisdiction of District Governments, TMAs and UAs of six Districts i.e. Multan, Lodhran, Vehari, Sahiwal, Pakpattan and Khanewal.

The Regional Directorate Audit has a human resource of 27 officers and staff, constituting 6,094 mandays and the budget amounting to Rs 24.922 million was allocated in Audit Year 2015-16. The office is mandated to conduct financial attest audit, audit of sanctions, audit of compliance with authority and audit of receipts as well as the performance audit of entities, projects and programs. Accordingly, RDA Multan carried out audit of the accounts of three TMAs of District Lodhran for the Financial Year 2014-15 and the findings are included in the Audit Report.

Each Tehsil Municipal Administration in District Lodhran is headed by a Tehsil Nazim / Administrator who carries out operations as per Punjab Local Government Ordinance, 2001. Tehsil Municipal Officer is the Principal Accounting Officer (PAO) and acts as coordinating and administrative officer, responsible to control land use, its division and development and to enforce all laws including Municipal Laws, Rules and By-laws. The PLGO, 2001, requires the establishment of Tehsil/Town Local Fund and Public Account for which Annual Budget Statement is authorized by the Tehsil Nazim /Tehsil Council / Administrator in the form of Budgetary Grants.

The total Development Budget of three TMAs in the District Lodhran for the Financial Year 2014-15, was Rs 247.050 million and expenditure incurred of Rs 164.791 million, showing savings of Rs 82.259 million. The total Non-development Budget for Financial Year 2014-15 was Rs 393.116 million and expenditure of Rs 283.520 million, showing savings of Rs 109.596 million in the

year. The reasons for savings in Development and Non-development Budgets are required to be explained by TMO and PAO concerned.

Audit of TMAs of District Lodhran was carried out with the view to ascertain that the expenditure was incurred with proper authorization, in conformity with laws / rules / regulations and whether the procurement of assets and hiring of services were economical or not.

Audit of receipts / revenues was also conducted to verify whether the assessment, collection, reconciliation and allocation of revenues was made in accordance with laws and rules and that there was no leakage of revenue.

a. Scope of Audit

Out of the total expenditure of the TMAs of District Lodhran for the Financial Year 2014-15 auditable expenditure under the jurisdiction of RDA, Multan was Rs 448.311 million, covering three PAOs / formations. Out of this, Regional Director Audit (District Governments), Multan audited an expenditure of Rs 125.527 million which, in terms of percentage, is 28% of total auditable expenditure and irregularities amounting to Rs 361.867 million were pointed out. RDA planned and executed audit of three formations i.e. 100% achievement against the planned audit activities.

Total receipt of the TMAs of District Lodhran for the Financial Year 2014-15, were Rs 419.824 million. RDA, Multan audited receipts of Rs 167.930 million which, in terms of percentage, is 40% of total receipts and irregularities amounting to Rs 114.940 million were pointed out.

b. Recoveries at the Instance of Audit

Recoveries of Rs 137.520 million were pointed out by Audit which was not in the notice of the management before audit. An amount of Rs 20,000 was recovered by the management and verified by Audit during the year 2015-16, till the time of compilation of Report.

However, against the total recovery amount of Rs 155.130 million pertaining to paras (over one million) drafted in this report, no amount of recovery has been made by the management till the time of compilation of this report.

c. Audit Methodology

Audit was conducted after understanding the business processes of TMAs with respect to its functions, control structure, prioritization of risk areas by determining their significance and identification of key controls. This helped auditors in understanding the systems, procedures, environment, and the audited entity before starting field audit activity.

d. Audit Impact

A number of improvements in record maintenance and procedures have been initiated by departments concerned, however audit impact in shape of change in rules could not be materialized as the Provincial Accounts Committee has not discussed Audit Reports pertaining to Tehsil Municipal Administrations.

e. Comments on Internal Control and Internal Audit department

Internal control mechanism of TMAs of District Lodhran was not found satisfactory during audit. Many instances of Weak Internal Controls have been highlighted during the course of audit which includes some serious lapses like withdrawal of public funds against ghost schemes. Negligence on the part of TMA authorities may be captioned as one of important reasons for Weak Internal Controls.

Section 115-A (1) of PLGO, 2001, Nazim of each District Government and Tehsil / Town Municipal Administration shall appoint an Internal Auditor but the same was not appointed in all TMAs of District Lodhran.

AUDIT PARAS

1.2 Tehsil Municipal Administration, Lodhran

1.2.1 Irregularities and non compliance

1.2.1.1 Irregular award of tender – Rs 5.450 million

As per Para 2.61 of B&R Code, in giving out works on contracts, tenders should always be sealed, should invariably be invited in the most open and public manner possible, whether by advertisement in the Government Gazette or local newspapers after the estimate has been technically sanctioned and the contract documents have been approved by an authority not lower than that empowered to accept the tender.

TMA Lodhran awarded the contract amounting to Rs 5.450 million during F Y 2014-15 to those persons whom neither bid was issued nor cost of bid was deposited by them into the Government account. **Annex-C**

Audit is of the view that due to weak internal controls, tenders were awarded to the contractors whom bids were not issued.

Issuance of tenders of Rs 5.450 million to irrelevant persons resulted in violation of Government rules / instructions.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends Inquiry besides fixing of responsibility on the person(s) at fault, under intimation to Audit.

[AIR Para: 10]

1.2.1.2 Irregular payment of development / contingent expenditures out of revenue – Rs 2.648 million

As per Government of Punjab Transport Department Notification bearing No.SO(TR-1)2-3/2000(ADCD) dated 11th December 2012, “income of Bus Stand can only be spent on the betterment of bus stands”.

Tehsil Account Officer TMA Lodhran made payment of development and contingent expenditures amounting to Rs 2.648 million out of Bus Stand Fee account number 3439-1 during the Financial Year 2014-15 instead of making the payment out of Tehsil Local Fund Account. The Bus Stand Fee can only be utilized for the betterment of Bus Stand as per Government of Punjab notification mentioned above. The detail is as under:

(Rupees in million)

Bank Account	Name of Account	Opening Balance	Receipt during FY 2014-15	Total	Closing Balance	Payment
3439-1	Bus Stand Fee	2.558	1.582	4.140	1.491	2.648

Audit is of the view that due to weak internal controls, irregular payment was allowed out of Bus Stand account instead of Tehsil Local Fund Account.

Irregular payment of Rs 2.648 million out of irrelevant head of account by means of misclassification of the expenditure resulted in violation of Government rules.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditures, besides fixing of responsibility on the person(s) at fault, under intimation to Audit.

[AIR Para: 35]

1.2.1.3 Non-deposit of Sales Tax deducted at source and non-obtaining of proof of deposit of GST – Rs 2.549 million

According to Para 2(1),(4) of the SRO 660(I) /2007 dated 30th June 2007 the withholding agent The sales tax so deducted shall be deposited by the withholding agent in the designated branch of National Bank of Pakistan under Head of Account “B02341-Sales Tax” on sales tax return-cum-payment challan in the form set out at Annexure to these rules, by 15th of the month following the month during which payment has been made to the supplier, Provided that a single return-cum-challan can be filed in respect of all purchases for which the payment has been made in a month, Provided further that in case the withholding agent, is also registered under the Sales Tax Act, 1990, with respect to the taxable supplies.

Tehsil Account Officer TMA Lodhran deducted 1/5th of GST on contingent bills and instead of depositing the GST into the Government account, passed the bills of full amount in favour of DDO. Further DDOs did not take the proof of deposit of GST amounting to Rs 2.549 million from the suppliers.

Audit is of the view that due to weak internal controls, proof of deposit of GST was not obtained.

Non-obtaining of proof of deposit of GST of Rs 2.549 million created doubt regarding non-realization of the Government revenue.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends recovery of Rs 2.549 million, under intimation to Audit.

[AIR Para: 40]

1.2.1.4 Irregular expenditures on account of repair of water disposal - Rs 1.082 million

According to Rule 12 (1) of Punjab Procurement Rules, 2014, procurements over one hundred thousand rupees and up to the limit of two million rupees shall be advertised on the PPRA's website in the manner and format specified by regulation by the PPRA from time to time. These procurement opportunities may also be advertised in print media, if deemed necessary by the procuring agency. TMA Lodhran, drew Rs 1.082 million on account of repair of disposals during the Financial Year 2014-15. Repair was carried out by calling simple quotations instead of advertisement of the estimates on PPRA's website and print media for economic expenditure. Scrutiny of repair bills revealed following discrepancies:

- i. Rs 0.258 million drawn on account of repair of Masood Abad water disposal on quotation basis.
- ii. Rs 0.173 million drawn for repair of water disposals which were handed over to Water Disposal Associations.
- iii. Rs 0.320 million incurred on Khameesa Bhatta water disposal which was newly constructed and handed over to the TMA by Public Health Department.
- iv. Rs 0.331 million drawn for repair of disposal Jut Wala by showing repeated repairs in each month by changing the name of machinery being used in water disposals. **Annex-D.**

Audit is of the view that due to weak internal controls, extraordinary repairs on water disposals were carried out without proper documentation.

Irregular expenditure amounting to Rs 1.082 million resulted in violation of the Government rules.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends Inquiry of the matter besides fixing of responsibility on the person(s) at fault, under intimation to Audit.

[AIR Para: 42]

1.2.2 Performance

1.2.2.1 Non-recovery of rent of shops – Rs 49.881 million

According to Rule 76(1) of PDG and TMA (Budget) Rules, 2003, the Collecting Officers shall ensure that all revenue due is claimed, realized and credited immediately into the Local Government Fund.

TMO Lodhran failed to recover Rs 8.940 million on account of rent of shops against the demand of rent of Rs 12.170 million for the Financial Year 2014-15. The arrears on account of rent of shops for the previous years amounting to Rs 39.190 million was still recoverable. The additional rent of Rs 1.751 million (@ 50% of original rent of shops for double stories constructed by the lessee of the shops without approval of TMA was also recoverable during 2014-15. **Annex-E**

(Rupees in million)

Sr. No.	Description	Amount
1	Less recovery of rent	8.940
2	Arrears of Rent for previous years	39.190
3	Additional rent of double story	1.751
Total recovery		49.881

Audit is of the view that due to weak internal controls, recovery of rent of shops was not made.

Non-recovery of TMA dues resulted in loss amounting to Rs 49.881 million.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends recovery of Rs 49.881 million, under intimation to Audit.

[AIR Para: 11]

1.2.2.2 Less obtaining of conversion fee – Rs 25.593 million

According to Rule 76 of PDG and TMA (Budget) Rules, 2003, “The Collecting Officers shall ensure that all revenue due is claimed, realized and credited immediately into the Local Government Fund.” Further, according to Rule 60 (1) (a) of Punjab Land Use (Classification, Reclassification and Redevelopment) Rules, 2009 as amended in 2012 a City District Government or a Tehsil Municipal Administration shall levy fee for conversion of land use from agricultural, residential, industrial, peri-urban area or intercity service area to commercial use conversion fee at the rate of 5% of the value of the land up to 1 million, 10% of the value of the land up to 10 million and 20% of the value of the land if value of the land value exceeds 10 million.

TMO Lodhran did not recover conversion fee amounting to Rs 25.593 million of extended area of the hotels situated at Lodhran Bahawalpur Road and Kehror Pacca Chowk during Financial Year 2014-15. Audit physically inspected the sites along with the Building Inspector and found that the hotels had extended their areas without payment of conversion fee of extended area. No action was taken by the TO (P&C). The detail is as under:

(Rupees in million)

Name of Hotel	Extended Area	Unit	Rate	Amount	Conversion Fee
Mushtarka Hotel	7.5 Acres	Per Acre	6.329	47.466	9.493
Taj Hotel	2.5 Acre	Per Acre	6.329	15.822	3.164
Lataska Hotel	14 Kanal	Per Marla	0.231	64.680	12.936
Total					25.593

Audit is of the view that due weak internal controls, TMA authorities allowed the illegal extension in the area, without recovery of conversion fee and approval thereof.

Illegal extension by the owners of hotels without payment of conversion fee resulted in loss amounting to Rs 25.593 million.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends recovery of conversion fee of Rs 25.593 million, under intimation to Audit.

[AIR Para: 12]

1.2.2.3 Loss due to less deposit of disposal water income - Rs 18.785 million

According to Rule 2.33 of PFR Vol-I, every government servant should realise fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part. Further, according to Rule 76(1) of PDG and TMA (Budget) Rules, 2003, “the Collecting Officers shall ensure that all revenue due is claimed, realized and credited immediately into the Local Government Fund.”

TMO Lodhran, deposited Rs 1.415 million into the TMA fund on account of sale of water of six disposals. At least minimum income from sale of water keeping in view the electricity used and POL shown consumed in the log books for running of generators was Rs 5.172 million. This state of affairs depicted less income of Rs 3.757 million than the expected income of TMA during 2014-15. Thus the expected amount of loss sustained during last five years was Rs 18.785 million (5 x 3.757). The above situation revealed that the amount of fee deposited was far less than the actual fee collected from the sale of water. **Annex-F**

Audit is of the view that due to weak internal controls, income of water disposal was short deposited.

Less deposit of water disposal income of Rs 18.785 million resulted in loss.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends Inquiry by Administrator to probe the matter and fixing of responsibility on the person(s) at fault, besides recovery of Rs 18.785 million , under intimation to Audit.

1.2.2.4 Splitting of housing colony into land sub-divisions to avoid extra fee – Rs 12.612 million

As per Government of Punjab Local Government and Community Development letter No. SOR(LG)38-2/2004 dated 13th March 2010, Housing Colony shall comprise an area of 100 Kanals or more and area less than 100 kanal shall be considered as Land Sub-division. Further, as per Government of Punjab Local Government and Community Development letter No. SOR (LG) 38-2/2004 dated 15th August 2012, “Open space or park should not be less than 7%”

TMA Lodhran, passed the land sub-division Phase-I “Al-Noor Housing Colony” having total area of 98 Kanal vide sanction letter No. TMA/LD/P&C/966 dated 16.4.2014 and Phase-II of area of 58 Kanal vide letter No. TMA/LD/P&C/1140 dated 19.3.2014.

- i. The owner of the area split-up the case with the help of the TMA officials in order to avoid the extra mortgage of 2% lands (62 Marla) for grave yard costing Rs 4.112 million by phasing the housing colony into two land sub-divisions. Whereas, the seller of the property of Phase II is the brother of the owner of Housing Colony.
- ii. The TMA authorities included the land of open space of berms of roads in order to give the benefit to the land owners. This resulted into the less space for park or open space {(67.3 Marlas + 71.155), (6 Kanal and 9

Marlas)} costing Rs 8.500 million mandatory for passing a housing colony.

- iii. Land left for commercial places was also less than the mandatory space given in above notifications.

Audit is of the view that due to weak internal controls, the owner of the housing colony split the case into two land sub-divisions keeping the area of land less than 100 Kanals, and left the less space for open ground or park to save the amount.

Splitting of the housing colony into two land sub-divisions resulted in loss amounting to Rs 12.612 million.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends recovery of Rs 12.612 million, besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

[AIR Para: 2]

1.2.2.5 Unauthorized alteration in TMA owned property and short recovery of conversion fee – Rs 9.100 million

As per Rule 60 of Punjab Land Use Rule 2009, “the conversion fee for the conversion of residential, industrial, peri-urban area or intercity services area to commercial use shall be levied at the rate of 5% up to the value of land of 01 million, 10% up to the value of 10 million and 20% for more than 10 million of value of land”.

TMA Lodhran approved illegal map of a business unit situated at the TMA property on Multan Bahawalpur Road. The lessee submitted the plan by showing godown at the back side area of three TMA shops leased by the TMA in 1994. He constructed fast food chain by including the area of TMA having

value of Rs 20.400 million. TMA approved the map by allowing illegal construction of 8 marlas back hall. Fee was charged by applying off road rates @ Rs 250,000 per Marla instead of applying on road rates @ Rs 3.500 million per marla. This resulted in short collection of conversion fee from the owner of building of Rs 5.200 million. Similarly another lessee running a hotel on TMA owned three shops submitted map for approval of commercial hall having area of 6 marlas behind the hotel. The map was approved without 10 feet set back as required vide Clause 80 (c) of Punjab Land Use Rules 2009. This resulted into short collection of conversion fee from the owner of building of Rs 3.900 million by applying back road rates instead of on road rates.

Audit is of the view that due to weak internal controls, lessee illegally constructed on the Government owned property and map was approved by charging less rate per marla.

Charging back road rates resulted in loss amounting to Rs 9.100 million.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends recovery of Rs 9.100 million and sealing of building, besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

1.2.2.6 Less recovery of conversion fee due to short assessment of land - Rs 7.918 million

As per valuation table for Rural Areas of Tehsil & District Lodhran 2014-15, “the rate of land situated on main road of Mouza Chak No.100/M is Rs 6.329 million per Acre”.

TMA Lodhran short assessed the value of land of Shahida Islam Medical College amounting to Rs 79.184 million resulting in less recovery of Conversion

Fee amounting to Rs 7.918 million during 2014-15. Fee was charged by applying off road land @ Rs 1.600 million per acre instead of applying on road rate @ Rs 6.329 million per acre. In addition, TMA allowed the construction at an area 15.5 acres instead of 11.82 acre which is 3.68 acres in excess of that approved in the map by the TMA. The detail of short assessed fee is as under:

(Rupees in million)

Name of Project	Project Area as per map	Area as per site	Rate Charged	Applicable Rate	Difference	Total value of land of 15.5 acre	Fee due for 15.5 Acre @ 10%	Fee received for 11.82 Acre	Short Fee
Shahida Islam Medical College	11.82 Acre	15.5 Acre	1.600	6.329	4.729	98.096	9.810	1.892	7.918

Audit is of the view that due to weak internal controls, area was short measured by Building Inspectors and off road valuation rates were applied to assessed value of land instead of on road rates.

Short recovery resulted in loss amounting to Rs 7.918 million.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends recovery of Rs 7.918 million, besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

TMA Lodhran, allowed the owners to use land for commercial purpose without the approval of maps and payment of conversion fee by violating the Government rules. This resulted in short collection of conversion fee amounting to Rs 7.907 million during Financial Year 2014-15. The detail as below:

Total							7.907

Audit is of the view that due to weak internal controls, illegal usage of land was allowed by TMA authorities without receipt of conversion and map fee.

Illegal usage of land without receipt of conversion and map fee resulted in loss amounting to Rs 7.907 million.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends recovery of Rs 7.907 million, besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

1.2.2.8 Non-collection of advertisement fee- Rs 2.065 million

As per notification No.32/TMA/GB dated 16.01.2015 schedule was enhanced for charging advertisement fee from billboards / hoardings affixed on the roads within the jurisdiction of TMA Lodhran.

TMO Lodhran did not collect the advertisement fee of 2.065 million as annual demand of Rs 2.100 million was fixed for the year 2014-15 but only Rs 0.035 million were deposited into the TMA account. Audit physically inspected the area and found huge numbers of advertising boards / hoardings but advertisement fee was not collected. In the year 2010-11 publicity fee was auctioned for Rs 1.400 million but despite increase in publicity only Rs 0.035 million were deposited into the Government account. Audit collected a receipt of contractor for the year 2010-11, which revealed that fee of only 16 boards were Rs 3.299 million which were charged to one company M/s Lives Ghee & Oil on account of Publicity Fee. There were hundreds of similar nature of boards of different companies on shops and on huge boards. But revenue deposited into the Government account was only Rs 0.035 million.

Audit is of the view that due to weak financial management, advertisement fee was not deposited in TMA fund.

Non deposit of Advertisement Fee resulted in loss of Rs 2.065 million.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Map was approved in the High Level Design Committee by the DCO with the set back of 20 feet of 30 feet road. But site was physically inspected along with the Building Inspector who measured the setback area 12.5 feet. This resulted in short area of land of 3 marlas costing Rs 0.300 million which was also required to be recovered from the concerned owner. The detail is as under:

(Rupees in million)

Name of Enterprise	Area	Rate Applicable	Rate Charged	Difference	Area	Conversion Fee Short Calculated 10% value of land

(Rupees in million)

Name of Item	Cost of Pipes	Cost of lying Old Pipes Labour Rate	Excess Cost Paid
P/L RCC pipes as per specification	1.290	0.123	1.167

Audit is of the view that due to weak internal controls, TMA management charged cost of new PVC pipes despite of the fact the old sewerage line was relayed against the provision of TS Estimates.

TMA Lodhran, incurred Rs 12.737 million during the Financial Year 2014-2015 under the object code POL. The expenditure was compared with the expenditure for the Financial Year 2013-14 and it was observed that excess expenditure of Rs 4.254 million was made despite the reduction in prices of POL from Rs 110 to Rs 70 per liter during the Financial Year 2014-15. Increase in quantity of POL during 2014-15 was not justified despite reduction of 36% in price from the previous years.

(Rupees in million)

These stands were in operation since last many years and loss of TMA was much higher than the above amount.

Audit is of the view that due to weak internal controls, TMA authorities were unable to collect the full amount of revenue and allowed illegal running of stand.

Running of stand without approval and charging of appropriate fee resulted in loss to the TMA fund of Rs 2.555 million.

Matter was reported to TMO / PAO in February 2016. Despite written requests, management neither submitted reply nor convened the DAC meeting. No further progress was intimated till the finalization of this Report.

1.3.3.1 Non-reconciliation of Tax on Transfer of Immoveable Property with Revenue Department – Rs 28.040 million

According to Government of the Punjab, Finance Department Letter No. SO (TT) 3-1/98 dated 19th November 2001, “reconciliation of receipt and expenditures is to be done promptly as prescribed under the rule. Further, according to Rule 78(1) of the Punjab District Government and Tehsil Municipal Administration (Budget) Rules, 2003, the Collecting Officers shall reconcile his figures with the record maintained by the Accounts Officer by the 10th day of the month following the month to which the statement relate.

TMA Dunyapur collected tax on transfer of immoveable property (TTIP) amounting to Rs 28.040 million during the Financial Year 2014-15. Scrutiny of record revealed that the Government receipts on account of TTIP were not reconciled with the Revenue Department.

Audit is of the view that due to weak internal controls, collection of TTIP was not reconciled with the Revenue Department.

Non-reconciliation of TTIP revenue amounting to Rs 28.040 million with the Revenue Department created doubt regarding the legitimacy of revenue.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends reconciliation of TTIP revenue of TMA with the Revenue Department on monthly basis regularly besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

1.3.3.2 Non-obtaining of additional performance securities – Rs 5.641 million

According to Government of the Punjab, Finance Department letter No. RC9Tech) FD-1-2/83 (v) (p) dated 06-04-2005, if contractor quotes rate 5 % below the approved DNIT lowest bidder will have to deposit additional performance security from the schedule bank within 15 days. Further, according to Government of the Punjab Notification No.RO (Tech) FD 1-2/2010 dated 04.09.2012, the performance security deposit/additional performance security deposit lodged by a contractor (in cash or /other form) shall be refunded to him after the expiry of three months after the issuance of the certificate of completion of work under Clause 40 hereof by the Engineer-in-charge, or along with the final bill if it is prospered after that period on account of some unavoidable circumstances.

Tehsil Municipal Administration Dunyapur awarded works without obtaining additional performance securities of Rs 5.641 million from the contractors who offered more than 5% below rates from TS. Furthermore, receipt and refund of performance securities was not available in record in violation of above rules. **Annex-H**

Audit is of the view that due to weak internal controls, additional performance securities were not obtained from the contractors.

Non-obtaining of additional performance securities of Rs 5.641 million resulted in irregular award of contract and unauthorized payment to contractor.

The matter was reported to TMO in February, 2016. But TMO did not submit any reply. Despite various efforts, DAC meeting was not convened. No progress was intimated till the finalization of this Report.

Audit recommends regularization of matter, besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

1.4 Tehsil Municipal Administration, Kehror Pacca

1.4.1 Irregularities and non compliance

1.4.1.1 Unauthorized execution of works through quotations instead of tenders - Rs 4.851 million

According to Rule 46 of the Punjab Tehsil/Town Municipal Administration (Works) Rules, 2003, where a quotation of a contractor has been accepted for piece work, the Engineer- incharge shall issue a work order for the execution of the work in the form and in the manner prescribed under the West Pakistan Building and Road Works Code. Further according to Rule 2.72 (2) of the West Pakistan Buildings & Roads Department Code up-to-date amendments 1994, in the Buildings and Roads Department work orders are used for all works and repairs estimated to cost, not more than Rs 10,000 up to which limit the Divisional Officers are competent to issue work order. The Sub-Divisional Officer may issue work orders for works and repairs estimated to cost, not more than Rs 4,000. Moreover according to Sr.No.12 (i) (ii) of Special Powers delegated to officers of Communication and Works Department under the Delegation of Financial Power Rules 2006, Sub-Divisional Officers were competent to issue work orders for works & repair up to Rs 20,000 in each case.

Tehsil Municipal Administration Kehror Pacca issued work orders of Rs 4.851 million for execution of works through calling the short tenders/quotations during Financial Year 2014-15. The officers of TMA were competent to issue work orders for the works up to Rs 0.020 million in each case but works above the prescribed limits were awarded through quotations. **Annex-I**

Audit is of the view that due to weak internal controls, work orders were issued in excess of prescribed limits and against the procedure.

Unauthorized issuance of work order of Rs 4.851 million for the works executed through quotations instead of open tenders resulted in violation of Government rules.

The matter was reported to TMO in February, 2016. The TMO replied that the TO (I&S) was competent to issue the work order. The DDO reply was not acceptable as quotations were called continuously without having any authority and beyond the delegated financial powers.

DAC, in its meeting, held in March, 2016, directed the DDO to get the record verified from Audit. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure from the competent authority, besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

[AIR Para: 3]

1.4.1.2 Unauthorized purchases on quotations - Rs 2.350 million

According to Rule 59 (b) of the Punjab Procurement Rules 2014, a procuring agency may provide for petty purchases through at least three quotations where the cost of the procurement is more than fifty thousand rupees but less than one hundred thousand rupees and such procurement shall be exempted from the requirements of bidding procedures. Further according to definition “competitive bidding” means a procedure leading to the award of a contract whereby all the interested persons, firms, companies or organizations may bid for the contract. Furthermore, according to Rule 12 (1) of Punjab Procurement Rules, 2014 Procurements over one hundred thousand rupees and up to the limit of two million rupees shall be advertised on the PPRA’s website in the manner and format specified by regulation by the PPRA from time to time. These procurement opportunities may also be advertised in print media, if deemed necessary by the procuring agency.

TMA Kehror Pacca made purchases of different items of Rs 2.350 million during 2014-15 on quotations instead of competitive bidding in violation of above rules. In all the cases cost of procurement was more than one hundred

thousand rupees and procurement was not exempted from the requirement of bidding procedure. Hence, purchases made through quotations were unauthorized. The detail is given below:

(Rupees in million)

Vr. No.	Month	Detail of purchase	Supplier name	Gross amount
71	7/14	Purchase of tent Items	Fahad Enterprises	0.756

63	4/15	Purchase of sullage pump KSB Type dia 6X6 complete	Friends Star Traders	0.222
67	5/15	Purchase of sullage pump and 30 horse power motor (Siemens)	Friends Star Traders	0.467

124	6/15	Purchase of water dispenser (Orient) with stabilizer	Fahad Enterprises	0.150
125	6/15	Purchase of LED outdoor light 30 W with holder 2 pin (Orient)	Fahad Enterprises	0.260
Total expenditure				2.350

Audit is of the view that due to weak internal controls, procurements were made on quotations instead of opening competitive bidding.

Unauthorized purchases of Rs 2.350 million resulted in violation of Punjab Procurement Rules 2014.

The matter was reported TMO / PAO in February 2016. The TMO replied that the expenditure was incurred according to demand and requirement. The DDO reply was not acceptable as purchases exceeding one lac were made by calling quotations.

DAC in its meeting held in 31.03.2016 directed that irregularity be got regularized from the competent authority. No compliance of DAC directive was shown till the finalization of this Report.

Audit recommends regularization of expenditure from the competent authority, besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

[AIR Para:5]

1.4.1.3 Fictitious tendering due to participation of contractors without purchase of tender forms - Rs 1.535 million

According to Rule(7) of Punjab Procurement Rules 2014 the procuring agency shall, on payment of such fee as the procuring agency may determine keeping in view the cost of printing and provision of the documents, provide a set of bidding documents to the prospective bidders.

TO (I&S) TMA Kehror Pacca allowed the contractors to participate in the competition without purchase of tender form for the concerned development works of Rs 1.535 million. This state of affairs was observed during the scrutiny of the tender register for the year 2014-15 of the office of TO (I&S). It revealed that organized pooling as well as misappropriation of tender form fee by the concerned and it was proved that the excess tenders were being sold than the tenders entered in the tender sale register after the opening of tenders to allot the work to self-favored contractors. **Annex-J**

Audit is of the view that due to weak internal controls, tender form fee was not collected and tendering process was defective due to participation of contractors without purchase of tender forms.

Non collection / deposited of tendering fee resulted in fake tendering process.

The matter was reported to TMO in February, 2016. The TMO replied that all the tenders were opened in the presence of tender opening committee and less deposited fee had been deposited. The DDO reply was not acceptable as the TMA charged fee @ Rs 100 for every tender issued and less deposited fee strengthened the audit point of view that contractors participated the tendering process without purchase of tender forms and tendering process was fictitious.

DAC, in its meeting, held in March, 2016, directed the DDO to take action against responsible under existing rules. No progress was intimated till the finalization of this Report.

Audit recommends recovery of Rs 1.535 and regularization from the competent authority, besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

[AIR Para: 7]

1.4.2 Performance

1.4.2.1 Non recovery of water charges - Rs 5.439 million

According to Rule 76(1) of PDG and TMA (Budget) Rules, 2003, the Collecting Officers shall ensure that all revenue due is claimed, realized and credited immediately into the Local Government Fund.

Tehsil Municipal Administration Kehror Pacca did not recover the water charges of Rs 5.439 million during Financial Year 2014-15 from the connection holders. The maintenance of record by the concerned collection staff was very poor. The demand registers were neither maintained properly nor any responsible officer checked and signed the demand registers. The status of connections was not updated in the demand registers. The recovery position was also poor. The detail is as under:

(Rupees in million)

Area of water supply	No. of connections	Opening balance	Demand for the year	Total demand	Recovery for the year	Balance recoverable
Dhanote	370	0.899	0.352	1.251	0.176	1.075
Kehror Pacca	421	0.513	4.079	4.592	0.227	4.365
Total	791	1.413	4.431	5.843	0.404	5.439

Audit is of the view that due to weak internal controls, water charges were not recovered from the connection holders.

Non-recovery of water charges of Rs 5.439 million resulted in blockage of revenue of TMA.

The matter was reported to TMO in February, 2016. The TMO replied that actual recoverable amount was Rs 1.626 million out of which Rs 0.303 had been recovered. The DDO accepted the recovery.

DAC, in its meeting, held in March, 2016, directed the DDO to expedite the recovery and reduce the amount of para for Rs 1.322 million. No progress was intimated till finalization of this report.

Audit recommends recovery of Rs 1.322 million and maintenance of proper record, besides fixing of responsibility on the person (s) at fault, under intimation to Audit.

[AIR Para: 2]

1.4.3 Internal Control Weaknesses

1.4.3.1 Non-obtaining of additional performance securities - Rs 1.381 million

As per Government of the Punjab, Finance Department letter No. RC9Tech) FD-1-2/83 (v) (p) dated 06-04-2005, if contractor quote rate 5 % below the approved DNIT lowest bidder will have to deposit additional performance security from the schedule bank within 15 days.

TMO Kehror Pacca awarded works without obtaining of additional performance securities of Rs 1.381 million during Financial Year 2014-15 from the contractors offered more than 5% below rate in violation of above rules.

Annex-K

Audit is of the view that due to weak internal controls, performance securities were not obtained despite contracts were awarded at the rate of more than 5% below the technical estimate.

Non obtaining of performance securities of Rs 1.381 million resulted in violation of Government rules.

The matter was reported to TMO in February, 2016. The TMO replied that security was deducted while making the payment. The reply of the DDO was not tenable as no record for deduction of additional performance was provided.

DAC, in its meeting held in 31.03.2016 directed that irregularity be got regularized from the competent authority. No compliance of DAC directive was shown till the finalization of this Report.

Audit recommends regularization of expenditure of works besides fixing of responsibility on the person (s) at fault, under intimation to Audit.
