Total	8,641.161	6,820.698	-1,820.463	-21%

Detail is given in Annexure-B

As per the Appropriation Account for financial year 2011-12 of the City District Government, Multan, total original budget (Development and Non-Development) was Rs 8,371.546 million, supplementary grant of Rs 269.615 million was provided and the final budget was Rs 8,641.161 million. Against the final budget, total expenditure of Rs 6,820.698 million was incurred by the City District Government during financial year 2011-12. Annexure-C

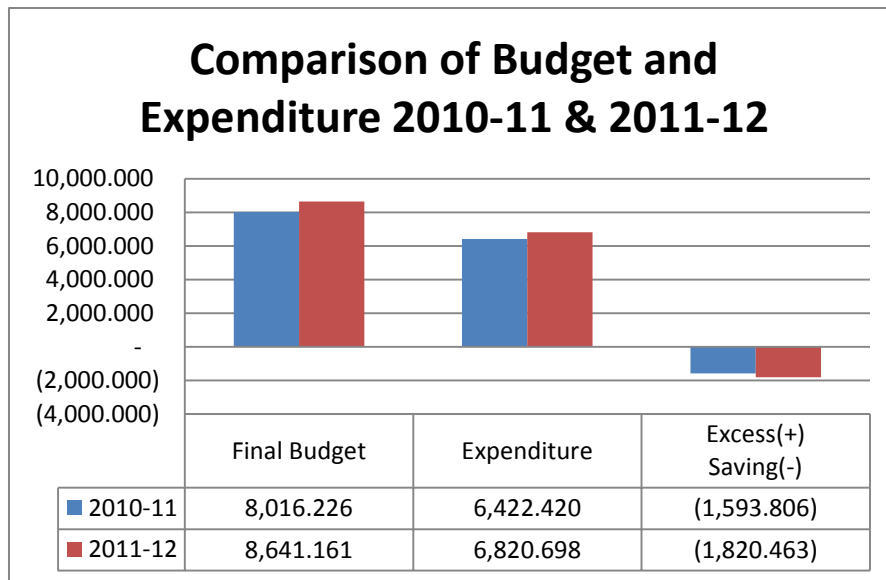

Due to inefficient financial management of the Principal Accounting Officer / DCO there was saving of Rs 213.622 million. Major portion of savings occurred in the offices of EDO (Education), EDO (Health) and EDO (Works & Services) as detailed below:

- (i) In various offices under EDO (Education) savings of Rs 124.589 million (03% of allocation) occurred by over estimating/releasing the budget against vacant posts despite the fact that no recruitment against these vacant posts was made during the financial year 2011-12. Further funds of School Management Council (SMC) were not utilized despite availability. The same resulted into depriving the students / populace from necessary facilities such as provision of furniture & fixture as well as provision of laboratory equipment.
- (ii) In various offices under EDO (Health) savings of Rs 73.803 million (09% of allocation) occurred due to non-utilization of budget allocations made under SP-I and SP-II of PMDGP. Health Department delayed in finalization of rate contract, which resulted in non-utilization of budget for purchase of

medicines. This resulted into depriving the populace from better health facilities.

- (iii) In Works & Services, saving of Rs 15.230 million (07% of allocation) occurred due to non-execution/completion of development schemes.

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

There were 8% and 6% increases in budget allocation and expenditure incurred respectively, while there were overall savings of Rs 1,820.463 million during financial year 2011-12.

1.2 Audit Paras

1.2.1 Non-Production of Record

1.2.1.1 Non-Production of Record

According to Section 14(b)(2) of the Auditor General's (Functions, Powers and Terms and Conditions of Service) Ordinance, 2001, read with Section 115(5)(d) of the PLGO, 2011, the officials shall afford all facilities and provide record for audit inspection and comply with request for information in as complete a form as possible and with all reasonable expeditions.

EDO (Health) did not produce following record /information/ statements despite repeated verbal and written requests. Audit man days were wasted by the concerned officials intentionally. The detail is enclosed as **Annexure-D**

Audit is of the view that due to inefficient internal controls, and probable financial mismanagement, record was not produced.

Non-production of record is a violation of government instructions, and may result in fraud /misappropriation on the part of the employees.

The matter was reported to the EDO (Health) and DCO during September, 2012. The department neither submitted any reply nor attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends that responsibility be fixed and strict disciplinary action taken against the concerned officials for non-production of record under intimation to Audit, and it may be ensured that the record is produced to Audit for scrutiny within a fortnight.

[AIR Para No. 20]

1.2.2 Irregularities and Non-Compliance

1.2.2.1 Unauthorized Purchase of Medical Equipment from PMDGP Funds – Rs 43.762 million

According to the Govt. of the Punjab, Health Department's letter No. PS(SH)2-07/2010 dated 2nd July, 2010, no expenditure from the funds under Sub Program 2 of the PMDGP and unutilized funds of Sub Program 1 of PMDGP shall be made unless such an approval has been communicated to the District Governments by the Conditional Grants Secretariat established under PHSRP.

EDO (Health) purchased medical equipment worth Rs 43.762 million out of PMDGP funds without the prior approval of the purchases by the Conditional Grants Secretariat established under PHSRP as required in the above directive of Secretary Health. All the purchases without such approval were banned but EDO (Health) did not comply with the administrative instructions and purchased these items which were also unjustified on the following grounds:

1. Rates of the equipment were apparently on higher side as objection raised by Additional Program Director (Tech) PHSRP vide his letter No. PMU/PHSRP/G-1(1) 12/15484 dated May 23rd, 2012.
2. The procurement process was initiated against the instructions of Secretary Health in above referred letter.
3. Specifications were not observed in some cases. Following items are mentioned in particular:
 - i. Fetal Doppler (Pocket size) was required in SP-2 but Fetal heart Detector @ Rs. 102,000 each was purchased.
 - ii. Bulb Suck rubber made was required but Bulb Sucker Electric valuing Rs. 43000 each was purchased.
 - iii. Auto clave costing Rs. 1.090 million was purchased whereas the cost of an infant trolley was only 0.700 million.
 - iv. Laparoscope was of Rs. 500,000 approximately but a diagnostic laparoscope @ Rs. 4,400,000 each was purchased.
 - v. List of items purchased from PMDGP funds is given in **Annexure-E.**

Audit is of the view that due to weak financial management, the purchases were made without prior approval of the concerned secretariat.

Purchase of electro-medical equipment and payment without prior approval resulted in unauthorized purchase as well as violation of the instructions of the Health Department regarding the expenditure from the grants.

The matter was reported to the EDO (Health) and DCO during September, 2012. The department neither submitted any reply nor attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends detailed Inquiry of the matter and strict action against the responsible for not obtaining the approval for the purchases from the concerned secretariat, under intimation to Audit.

[AIR Para No. 14]

1.2.2.2 Unauthorized Purchase due to Defective Tender Process – Rs 8.378 million

According to Letter of Secretary Local Government dated 23-12-2010, District Tender Opening Board will consist of the following persons:

EDO of Concerned Department	(Convener)
Representative of Divisional Commissioner	(Member)
Representative of DCO	(Member)
EDO (F & P)	(Member)
EDO (Works & Services)	(Member)
District Officer of Executing Agency	(Secretary)

EDO (Education) incurred expenditure of Rs 8.378 million during 2011-2012 on account of purchase of furniture, science equipment and books for various schools. The tender process was completed by local tender committee constituted by EDO (Education) himself instead of District Tender Board in violation of the above mentioned rule. **Annexure-F**

Audit is of the view that due to weak financial management, the purchases were made without involvement of District Tender Board.

These purchases were a violation of Secretary Local Government instructions regarding fair purchase and tendering process, and resulted in unauthorized purchase.

The matter was reported to the EDO (Education) and DCO in September, 2012. The EDO (Education) replied that the purchases were made through observing the PPRA rules and stated that the above mentioned letter was not properly conveyed to the office. The reply was not satisfactory as the date of this letter was before the purchase was made. DAC in its meeting held in December, 2012, directed the DDO to provide the record for verification within fortnight. No further progress was intimated till the finalization of this Report.

Audit recommends responsibility to be fixed against the responsible for irregular purchase, besides condonation of the expenditure from the Finance Department, under intimation to Audit.

[AIR Para: 03]

1.2.2.3 Unauthorized Purchase of Medicines – Rs 6.633 million

According to Rule 12(2) of the Punjab Procurement Rule 2009, all procurement opportunities over two million rupees should be advertised on the PPRA's website as well as in other print media or newspapers having wide circulation. The advertisement in the newspapers shall principally appear in at least two national dailies, one in English and the other in Urdu.

District Officer (Health-I) purchased medicines worth Rs 6.633 million in bulk on rate-contract basis during the period 2011-12. The purchase process was completed without advertising on PPRA site and also no print media was used for economical purchase on competitive rates. **Annexure -G**

Audit is of the view that due to weak financial management, the purchases were made on rate contract basis without advertising on PPRA site.

Irregular purchases in violation of PPRA rules regarding economical purchases through PPRA site and print media resulted in irregular expenditure.

The matter was reported to the DO (Health-1) and DCO during September, 2012. The department neither submitted any reply nor attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends detailed Inquiry of the matter and strict action against the responsible for such violation of the clear rules, besides condonation of the expenditure, under intimation to Audit.

[AIR Para No. 01]

1.2.2.4 Unauthorized Second Revision of Technically Sanctioned Estimate – Rs 6.352 Million

According to Para 5.19 of B&R Code, no excess over a revised estimate can be sanctioned without concurrence of the Finance Department.

District Officer (Roads) made 2nd revision without the concurrence of Finance Department in violation of the above rule as detailed below:-

(Amount in Rupees)

Name of work	Work Order No. & Date	Original T.S. Estimate	1st Revision	2nd Revision
Construction of metalled road from Hashmi Chowk Khan Pur road via Basti Vernala Length = 1.10 K.M.	32/23.11.09	5,910,000	5,991,000	6,352,000

Audit is of the view that due to weak internal controls, unauthorized expenditure was incurred by the department.

Unauthorized expenditure resulted in violation of government instructions contained in the B & R Code.

The matter was reported to the DO (Roads) and DCO during September, 2012. DO (Roads) replied that the second revised technical sanction had been accorded by the competent authority, incorporating only the cost of price variation without change of scope of work and was within the 10% permissible limit; hence, no violation had been made. The department neither submitted any reply nor attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends action against the concerned for unauthorized sanction of excess over revised estimate and expenditure without competency, besides regularization of expenditure from Finance Department, under intimation to Audit.

[AIR Para No. 5]

1.2.2.5 Unauthorized Cash Payment without Cheques – Rs 5.420 Million

According to Rule 4.49 of Punjab Subsidiary Treasury Rules, vide reference of letter No. FD(FR) V-6/75 (P) dated 17th September, 2008 of Finance Department, payment of Rs100,000 and above to contractors and suppliers shall not be made in cash by the Drawing and Disbursing Officer.

Medical Superintendent Civil Hospital made cash payments of Rs5.420 million instead of paying through cheques during 2011-12 to various suppliers in violation of above instructions / guidelines. **Annexure-H**

Audit is of the view that due to weak financial management the cash payments were made to suppliers instead of payments through cheques.

This cash payment instead of payment through cheques resulted into clear violation regarding the payments as well as doubtful disbursement and chances of misappropriation.

The matter was reported to the the MS DHQ Hospital and DCO during September, 2012. In DAC meeting held in December, 2012, the department neither submitted any reply nor attended the meeting. No further progress was intimated till the finalization of this Report.

Audit recommends fixing the responsibility for such negligence in making payment besides strict disciplinary action against responsible under intimation to Audit.

[AIR Para No. 07]

1.2.2.6 Unauthorized Sanction of Expenditure by DO (Health) From Budget Grant of EDO (Health) – Rs 4.628 million

According to Para 12 (1) (5) of the Local Government Accounts Manual, 2003, the expenditure shall be classified into account heads relating to nature of item.

EDO (Health) did not take any action against DO (Health) who drew Rs. 4.624 million from the cost center MO-6002 of EDO (Health). DO (Health) had no sanction power/DDO powers of this cost centre. DO (Health) irregularly drew funds with the help of finance and treasury officers and funds of EDO (Health) were misused. **Annexure-I**

Audit is of the view that due to weak internal controls, other DDOs were drawing funds from cost centre of EDO (Health).

This withdrawal of the funds by using irrelevant cost center of the other DDO resulted in doubtful disbursement and probable misappropriation of the government funds.

The matter was reported to the EDO (Health) and DCO during September, 2012. The department neither submitted any reply nor attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends action against the responsible for withdrawal of such huge amount of funds from the irrelevant cost center and an Inquiry to probe into the unauthorized usage of the funds drawn during the period, besides strict action against the concerned, under intimation to Audit.

[AIR Para No. 11]

1.2.2.7 Unauthorized Expenditure on Punjab Sports Festival – Rs 3.236 million

According to Rule 12(2) of the Punjab Procurement Rule 2009, all procurement opportunities over two million rupees should be advertised on the PPRA's website as well as in other print media or newspapers having wide circulation. The advertisement in the newspapers shall principally appear in at least two national dailies, one in English and the other in Urdu.

District Officer (Sports) incurred expenditure of Rs 3.236 million on Punjab Sports Festival during the year 2011-12. Following observations were made:

- i. All the expenditure was incurred through splitting up the indents in small bills to avoid the sanction of higher authority.
- ii. No list of players & officials was provided for the authenticity of expenditure.
- iii. The expenditure was incurred on the purchase of various sports articles i.e sports kits through calling simple quotations instead of floating the advertisements on PPRA website and open tendering process for the economic purchases. **Annexure-J**

Audit is of the view that due to financial mismanagement of the department, doubtful & uneconomical purchases were made.

Doubtful & uneconomical purchases may result in misappropriation and loss to government.

The matter was reported to DO (Sports) and DCO in September 2012. The department neither submitted any reply nor attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends strict action against the responsible and Inquiry to probe into matter, under intimation to Audit.

1.2.2.8 Unauthorized Withdrawal of POL – Rs 2.431 Million

According to Rule 9 (1) and (20) of the West Pakistan Government Staff Vehicles (Use and Maintenance) Rules, 1969, there shall be maintained, in respect of every Government vehicle, a log book in Form 'A' wherein shall be entered the journeys performed by a Government vehicle. The log book maintained under sub-rule (1) shall remain in the custody of the driver in-charge of the vehicle and shall be examined and signed by the Officer in-charge everyday at the time the driver is relieved from duty.

EDO (Health) drew POL of Rs2.431 million for vehicles as mentioned in **Annexure-K**. As per list provided by transport officer, only 11 vehicles (including off-road vehicles) were on the strength of EDO (Health) office. POL of numerous vehicles without mentioning their registration numbers on slips was drawn from EDO office. Neither the log books of these vehicles were produced nor were the whereabouts of the mentioned vehicles provided. Further, POL was also being drawn for off-road vehicles as mentioned in the annexure referred to above. Moreover, vouched account of POL for Rs1.668 million was not produced.

Audit is of the view that due to weak financial management, POL was provided to unauthorized vehicles.

This unauthorized withdrawal of POL to numerous vehicles without their registrations and claiming of POL for off-road vehicles resulted in misappropriation of funds.

The matter was reported to the EDO (Health) and DCO during September, 2012. The department neither submitted any reply nor attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends investigation of the matter by a competent Inquiry Committee, besides fixation of responsibility and action / recovery from the concerned, under intimation to Audit.

[AIR Para No. 15]

1.2.2.9 Irregular Expenditure by Splitting-up in Violation of PPRAs Rules – Rs 1.369 million

According to Rule 9 of Punjab Procurement Rules, 2009, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The annual requirements thus determined would be advertised in advance on the PPRA's website as well as on the website of the procuring agency in case the procuring agency has its own website.

District Officer Sports sanctioned expenditure amounting to Rs 1.369 million on account of various sports activities during 2010-11 & 2011-12. The different sanctions were accorded by splitting up the expenditure to avoid obtaining the sanction of competent authority. Furthermore, all the purchases were made through simple quotations to avoid the tender policy and no efforts were made for advertisement on PPRA site for economical purchases. **Annexure-L.**

Audit is of the view that due to weak internal controls over the sanctions, such splitting-ups were made in the sanctioning of the expenditures and no advertisement was made on PPRA site for economical purchases.

These splitting-ups of the sanctions and non-advertisement on PPRA site resulted in misuse of the delegated powers as well as violation of the specified government rules for economical purchases.

The matter was reported to the DO (Sports) and DCO in September 2012. The department neither submitted any reply nor attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends strict action against the concerned for misuse of the financial powers and purchasing through quotations rather than through PPRA website, besides condonation of the expenditure, under intimation to Audit.

1.2.3 Performance

1.2.3.1 Non Recovery of dues from MDA – Rs 62.791 Million

According to Chapter –IV Rule 4.7(1) of Punjab Financial Rules, Vol-I, it is primarily the responsibility of the departmental authorities to see all revenue or other debts due to Government, which have to be brought to account, are correctly and properly assessed, realized and credited to Government account.

Further, according to item No. 15 of Schedule dated 16-05-2006 of City District Government Multan, site rent for publicity board & hoarding board was Rs. 29 per square feet per Annum.

DO (Excise & Taxation) did not make any serious efforts for the collection of site rent for the publicity and hoarding boards and advertisement fee amounting to Rs 40.000 million and Rs 22.791 million, respectively, from MDA. MDA collected site rent on behalf of City District Government, Multan during 2006-09 as the collection rights were transferred to Multan Development Authority (MDA) vide letter no. EDO (F&P) 221/06 dated 15-05-2006. Detail is given below:

(Rupees in million)			
Sr. No.	Particulars	Period	Amount
1	Rent of Publicity & Hoarding boards	2006-09	40.000
2	Advertisement fee	2006-09	22.791
Total			62.791

Audit is of the view that due to financial mismanagement of the department, advertisement fee remained with the MDA and could not be credited into City District Account.

This non-collection of the advertisement fee from MDA resulted in loss to government as well as blockage of the government receipts.

The matter was reported to DO (Excise & Taxation) and DCO in September 2012. The department neither submitted any reply nor attended the DAC meeting

held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends recovery of the advertisement fee from MDA besides appropriate action against the concerned, under intimation to Audit.

1.2.3.2 Unauthorized Running of Medical Stores without Recovery of Drug Sale License Renewal Fee – Rs 4.654 Million

According to Rule 15 (2) (a) (b) of the Punjab Drug Act, 2007, the applicant shall deposit the fee for a license in the Head of Account No. 1252-Health-Other Receipt at the rate of three thousand rupees for a license of a pharmacy and two thousand rupees for a license of a medical store and two thousand rupees for renewal of a license of a pharmacy and one thousand rupees for renewal of a license of a medical store. Furthermore, according to Rule 18 of the Punjab Drug Act 2007 a license issued or renewed under these rules shall, unless suspended or cancelled earlier, expire on 31st December of calendar year.

EDO (Health) did not ensure renewal of drug sale license of pharmacies and medical stores, due to which government revenue of more than Rs 4,654,000 on account of License renewal fee and registration was not realized. EDO neither cancelled the DSLs nor sealed the premises of the defaulters. Only certain DSL registers upto the period of 2009 were provided. As per the record entries in registers, recovery pointed out by Audit is given in **Annexure-M**.

Audit is of the view that due to weak controls in drug market of Multan, renewal fee and registration fee were not realized.

Non-realization of revenue on account of drug sale license renewal fee resulted in loss to government as well as unauthorized running of the unregistered medical stores that could result in ultimate loss to the public by selling of bogus medicines from these medical stores.

The matter was reported to EDO (Health) and DCO during September, 2012. The department neither submitted any reply nor attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends strict disciplinary action against the responsible drug inspectors for such negligence, besides recovery as pointed out, under intimation to Audit.

[AIR Para No. 07]

1.2.3.3 Unauthorized Payment of Inadmissible Allowances and Recovery Thereof – Rs 1.279 million

According to the Rule 2.31 of the PFR VOL-I a drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges frauds and misappropriation.

Medical Superintendent THQ Hospital Jalalpur Pirwala allowed withdrawing House Rent Allowance and Conveyance Allowance of Rs. 205,728 and Rs. 1,073,736 to officers and staff who were residing in designated/ allotted hospital residences. These employees were not eligible for the house rent and conveyance allowance.

Annexure-N

Audit is of the view that due to poor financial management, unauthorized payment on account of house rent allowance and conveyance allowance was made to the employees residing in the government residences.

Unauthorized payment on account of house rent allowance and conveyance allowance to the employees residing in the government residences resulted in loss to Government as well as violation of clear rules of the government.

The matter was reported to the MS THQ Hospital Jalalpur Pirwala and DCO during September, 2012. The department neither submitted any reply nor

attended the DAC meeting held in December, 2012. No further progress was intimated till the finalization of this Report.

Audit recommends fixing of responsibility for non-deduction of recovery, and effecting recovery of, the inadmissible allowances from the pay of the employees residing in the government residences, under intimation to Audit.
