### Public Financial Management

#### 1.1 Sectoral Analysis

In compliance to the Notification of Local Government, Election and Rural Development Department issued on 04<sup>th</sup> September, 2019, Councils of all tiers of District Government were stood dissolved on the culmination of their respective tenures on 29th August, 2019. The same Notification authorized Deputy Commissioners, Tehsil/Town Municipal Officers and Assistant Directors LGE&RDD to perform functions of respective Nazimeen as envisaged under Local Government Act, 2013, till the instillation of newly elected Local Government. In the light of LGA 2013, District Battagram is headed by Deputy Commissioner who is Principal Accounting Officer of the budget grant allocated to the 11 offices devolved at District level. Similarly, Tehsil Municipal Administration is headed by Tehsil Municipal Officer who is its Principal Accounting Officer. Furthermore, Assistant Director LGE&RDD is the Principal Accounting Officer of the Village/neighborhood Councils.

In District Battagram, funds amounting to Rs.3,878.782 million were allocated to 60 formations working under 04 PAOs. Expenditure of Rs.3,278.619 million was made resulted into saving of Rs 600.163 million. Receipts of Rs.25.008 million were collected through these formations during the financial year 2020-21. Audit coverage relating to expenditure for the current audit year comprises 07 formations of 04 PAOs having a total expenditure of Rs.831.573 million for the financial year 2020-21. According to Section 36(3) of the Local Government Act, 2013 the District Accounts Officer was required to consolidate accounts of Local Government on a quarterly and annual basis. However, District Accounts Officer, Battagram did not reflect Rs. 161.014 million into the consolidated financial statement of Local Government, Battagram.

District Government, Battagram was found lagging behind in many areas envisioned as integral component of the Local Government in the Khyber Pakhtunkhwa Local Government Act 2013. The District Government could not establish & maintain Public Fund account as required under section 30 of LGA 2013. Similarly, it also failed to prepare, present and approve the budget estimates of receipts from district council for District Government, Battagram as required under section 34 of LGA 2013. The receipts collected as taxes/fees/rents under section 18 of LGA-2013. Most importantly, Finance Department, Khyber Pakhtunkhwa could not provide District Account Office, Battagram with prescribed format and necessary trainings to compile the accounts of TMAs and Village/Neighborhood councils and then reflect the same in the consolidated financial statement of the district, which resulted in disclaimer of its accounts by the Auditor General of Pakistan. Moreover, Internal Audit function could not be established as provided in sub section 4 of section 37 of LGA 2013, as internal auditors were not posted in the District and Tehsil Councils. In addition, Asset management by District Government was yet another area it could not address as required under section 38 of the LGA 2013.

The Local government provided services in the following sectors.

### **Education**

The education sector is one of the major sectors devolved at district level. Funds to the tune of Rs 2,154.230 million were provided to elementary & secondary education headed by District Officer. Expenditure of Rs 2,114.040 million was incurred, out of which expenditure of Rs 172.082 million was audited, thus 8.14% of expenditure was audited.

Statistics show that Battagram is considered one of the less developed districts in the province with regard to education. The district has 780 primary, middle and secondary (44) & higher secondary (06) schools including 534 for

boys and 246 for girls. The total enrollment is 66,690 including 43,369 boys and 23,321 girls. The estimated Teacher Student Ratio is 1:45 at primary, 1:70 at middle, 1:32 at secondary and 1:27 at the level of higher secondary schools. District Battagram literacy rate is 33% the Gross Enrollment Rate (GER) is 66%, and the Net Enrollment Rate (NER) is 57% at the primary level. On budgetary front, District Education office, Battagram succeeded in spending the District ADP and non-salary budgets.

District Education Offices in Battagram were given target of enrolment of 5,000 children for current year, against which 4,875 kids were enrolled; wherein, DEO (Male) and DEO (Female) enrolled 3,367 and 1,508 children respectively. Similarly, annual average of teacher's attendance rate and student attendance rate as per independent Monitoring Unit (IMU) data were approximately 88% & 72% respectively. Furthermore, 83% schools in district Battagram were provided with all basic facilities like classrooms, water supply, group latrine, boundary walls and electrification. However, administrative visits of DEO, DDEO and SDEO were 42%

## **Health**

Health is another important sector of District Battagram with a total of 41 Health facilities spread across the district, among which 3 are urban (1 MCH Center, 1 TBC and 1 RHC Thakot) while the rest are rural based. Their further break-up is 28 BHUs, 10 CDs and 2 RHCs 1 Type D Hospital with the total catchment area population of approximately Rs. 0.4 million as per survey carried out by Pakistan Bureau of Statistics in 2017.

The Department of Health has established an "Independent Monitoring Unit" for continuous monitoring of the performance of health facilities through its field-based Data Collection Assistants and District Monitoring Officers. Department twice examines data collected through various sources to improve efficiency and effectiveness in the business processes of service delivery.

On mother and child health care front, 5541 babies were born with in primary and secondary health facilities. Out of them, 9 infants and 1 maternal death were recorded. Lab investigations and diagnostic facilities were also fully

utilized as 27048 lab tests, 1513 X-rays, 2620 Ultrasounds were done in both primary and secondary health centers in district Battagram. Figures of immunization from EPI register were also very impressive as 10,669 pregnant women received TT-2 vaccines, 10,254 kids under 12 months received full immunization. 5,983 Families were provided family planning services as evident from FP register. Human resource data from facility records revealed that these health centers were amply provided with medical officers and paramedics as only very few positions were found vacant. As these facilities were frequently visited by patients so they also generated good revenue from OPD services, indoor patients' treatment and other lab investigations etc.

### **Social Welfare**

In social Welfare and Women Empowerment sector, budgetary allocations were focused on providing social cushion to the deprived and marginalized segments of society especially, women and children. In the proposed development plan, the department had continued to proceed with its ongoing projects which included schemes for the wellbeing and safeguarding of destitute women, orphans, beggars, drug addicts and special persons.

Panagah(s) were established under Ehsaas Program of the Federal Government, in order to provide valued but temporary/overnight stay with two-time meals to the needy individuals seeking bed and breakfast in pursuit of employment. Panagah(s) were established in major cities/Divisional Districts based on need assessment in 1st phase. However, panagah services were not existed in District Battagram.

There is one Welfare home for beggar/ orphans with the objective to rehabilitate male and females beggars mostly orphan by provision of various services in order to control beggary and to impart vocational training in tailoring. In Battagram bagger were benefited from this facility. Rehabilitation center for drug addicts has 13 beds and it had treated 12 patients during the year. Furthermore, various vocational and industrial trainings are provided by the Social Welfare Department. However, keeping in view the spread of drug use and incidence of poverty the efforts made by Social Welfare office are not likely

to bring about any visible improvement in the short or long run unless more resources are diverted to this sector.

### **Municipal Services**

Tehsil Municipal Administrations, District Battagram did not fulfill some primary requirements envisioned as integral component of the Local Government in the Khyber Pakhtunkhwa Local Government Act 2013(amended in 2019). The Local Government could not establish & maintain Tehsil Public Fund Account as required under the section 30 of LGA. Similarly, the Tehsil Account Officers were not appointed in TMAs and the accounts of receipts and expenditure were not maintained in such form and in accordance with such principles and methods as the Auditor General of Pakistan prescribed as required under section 36 of LGA. Financial Statements, Finance Account and Appropriation Accounts of the TMAs were not prepared accordingly. Most importantly, Finance Department, Khyber Pakhtunkhwa could not provide District Account Office, Battagram with prescribed format and necessary trainings to compile the accounts of TMAs and then reflect the same in the consolidated financial statement of the district, which resulted in disclaimer of its accounts by the Auditor General of Pakistan. Moreover, Internal Audit function could not be established as provided in sub section 4 of section 37 of LGA 2013, as internal auditors were not posted in the TMAs to support the Council. In addition, Asset management by tehsil councils was yet another area it could not address as required under section 38 of the LGA 2013.

## **1.2 AUDIT PARAS**

### **1.2.1 Non-compilation/Consolidation of Accounts of Local Governments–Rs.161.014 million**

According to section 36(3) of Local Government Act 2013, the District Accounts Officer shall, quarterly and annually consolidate the accounts of Local Governments in the district separately for receipts from the government and local resources and send a copy to the Government, Accountant General and Nazim District Council.

During the certification audit of the accounts of the DAO Battagram for the financial year 2020-21, audit observed incompleteness and incorrect presentation of the financial statements as the DAO failed to consolidate them into the quarterly and annual accounts of the district, both government, and local resources, as required under section-36(3) of the Local Government Act, 2013. Receipts and expenditure of Rs. 123.156 million and Rs 37.858 million respectively, of the TMAs are not reflected in accounts.

Due to non-consolidation of accounts of TMAs, the financial statements of local government remained incomplete which led to disclaimer of audit opinion.

As per decision of DAC meeting held in September 2021, Para stands till correction of these omissions.

Audit recommends that necessary action needs to be taken for the consolidation of Local Government Accounts into District Accounts.

### **1.2.2 Unauthorized payments to DDOs instead of crossed cheques to vendors –Rs.130.537 million**

According to Para 2.3.2.8 of APPM, the accounting system shall improve controls to minimize the risk of fraud and corruption. This objective shall be addressed by issue of payment through direct bank transfer and cheques (to employees/ vender concerned) instead of payment through DDOs.

Finance Department Letter No: BO (W&M) /6-5/2019-20 dated 19/02/2020 provides that in order to streamline the management in public account and observe fiscal discipline, it has been decided to stop forthwith all payments through open cheques or cash payments.

DAO Battagram paid Rs 130,536,542 on account of pay and allowances, contingency and developmental fund through DDO instead of direct transfer to bank account of the employees/suppliers/contractors in violation of above criteria.

Unauthorized issuance of cheques to DDOs occurred due to weak internal control which leads to disclaimer of audit opinion.

The matter should be investigated and regularized by ensuring payments to the supplier/vendor instead of DDOs as per APPM.

### **1.2.3 Unverified payment on account of arrears of pay and allowances–Rs.91.022 million**

Para 296 of CTR read with Para 75(2) of KP City & District Govt. Budget Rules 2016, the controlling officer shall be responsible for seeing that the expenditure included in the bills, are of obvious necessity and are at fair and reasonable rates. Sanction and the requisite vouchers are all received and in order. The calculation is correct and the grants have not been exceeded over allotment.

During certification audit of DAO Battagram for the financial year 2020-21, while analyzing HR data it was noticed that arrears of pay and allowances of Rs 91.022.084 million was paid; however, local office could not produce supporting documents for verification to audit.

The lapse occurred due to weak internal controls, which resulted in unauthorized payment to DDO.

As per decision of DAC meeting held in September 2021, Para stands for investigation of the matter and appropriate action.

The matter should be investigated and regularized by ensuring payments to the supplier/vendor instead of DDOs as per APPM.

## **2.5 AUDIT PARAS**

### **2.5.1 Non-production of record**

#### **2.5.1.1 Non-production of Record**

Section 14 (3) of the Auditor-General's (Functions, Powers and Terms, and Conditions of Service) Ordinance, 2001 provides that any person or authority hindering the Auditorial functions of the Auditor-General of Pakistan regarding the inspection of accounts shall be subject to disciplinary action under relevant Efficiency and Discipline Rules, applicable to such person.

Office of the District Education Officer Female Battagram did not produce any record of income and expenditure for the financial year 2020-21 to audit for detailed scrutiny despite verbal and written requests.

The lapse occurred due to weak internal controls, which resulted in unverified expenditure.

When pointed out in August 2021, Management stated that office staff including accounts staff of the local office was in protest since July 2021 against which disciplinary action had been taken through posting transfers, and DC/DPO was also requested for taking the official record from the official staff. Due to this reason the local office was not prepared for an audit of FY 2020-21 and until the strike's end. No further progress was intimated in this regard.

Request for convening DAC meeting was made in September 2021. However, meeting of DAC was not convened till finalization of this report.

Audit recommends the provision of auditable records besides fixing responsibility against the person(s) at fault.

**AIR Para No.01 (2020-21)**

#### **2.5.1.2 Non-production of record -Rs 1.719 million**

Para 10 (i) of General Financial Rules Volume I provides that every public officer is expected to exercise the same vigilance in respect of expenditure

incurred from public money, as a person of ordinary prudence would exercise in respect of expenditure of his own money.

Office of the District Education Officer Male, Battagram paid Rs 2,300,000 on account of TA/DA during the financial year 2020-21.
