CONSOLIDATED AUDIT REORT
OF
(GOVERNMENT OF PUNJAB)

FOR THE
AUDIT YEAR 2023-24

AUDITOR-GENERAL OF PAKISTAN

TABLE OF CONTENTS

PREFACE

Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan, 1973 read with Sections 8 and 12 of the Auditor-General's (Functions, Powers and Terms and Conditions of Service) Ordinance, 2001 require the Auditor-General of Pakistan to conduct audit of the accounts of Federal Government, Provincial Governments and the accounts of any authority or body, established by these Governments. Auditor-General of Pakistan, being Auditor-General of Azad Jammu & Kashmir (AJ&K) and Gilgit-Baltistan (GB) also conducts audit in both these Regions under their respective legal provisions.

This consolidated Audit Report (Punjab) is based on audits of the accounts of 19,599 entities of Government of the Punjab for the financial year 2022-23, conducted by 12 Field Audit Offices, and also contains some audit observations for the previous years. The audit was conducted during 2023-24 on a test check basis in accordance with applicable laws / rules and according to the INTOSAI auditing standards to report significant audit findings to the stakeholders. The report includes only the systemic issues and audit findings carrying high monetary value. Relatively less significant issues shall be pursued with the respective Principal Accounting Officers (PAO) in meetings of Departmental Accounts Committee (DAC) and in cases where the PAOs do not initiate appropriate action, the audit observations will be brought to the notice of the Public Accounts Committee in the next year's Audit Report. Sectoral analysis has been added in this report covering strategic review and overall perspective of audit results.

Impact Audit – A new concept of Impact Audit has been introduced, which is an attempt to determine the impact of a new programme or recent changes to an existing programme, with its specific focus on service delivery.

Audit findings indicate the need for adherence to the regularity framework besides instituting and strengthening the internal controls to avoid violation of rules and regulations.

Most of the audit observations included in this report have been finalized in the light of written responses of the management and discussions in the DAC meetings.

(Muhammad Ajmal Gondal)
Auditor-General of Pakistan

Islamabad
Dated: . .2024

EXECUTIVE SUMMARY

a. Scope of Audit

Department of Auditor-General of Pakistan (DAGP) is mandated to conduct audit of 19,599 formations working under different PAOs/Departments in Province of Punjab. Audit coverage relating to expenditure for the current audit year, under compliance audit category, comprises 1,018 formations having a total expenditure of Rs. 1,169.726 billion and receipts of Rs. 217.074 billion for the financial year 2022-23.

In addition to this compliance audit report, DAGP conducted Financial Attest Audits, Special Audits, Performance Audits, Forensic Audits, etc. Reports of these audits are published separately.

b. Recoveries at the instance of audit

As a result of audit, a recovery of Rs. 354.824 billion was pointed out in this report. Recovery effected from January to December 2023 was Rs. 6.467 billion that has been verified by audit.

c. Audit Methodology

Desk audit was carried out to understand systems, procedures and control environment of audited entities. Permanent files of the audited entities were updated and utilized for understanding the institutional framework. Audit methodology included:

i. Understanding the business processes and related control mechanisms.

ii. Identifying key controls based on control system review and prior years' audit experience.

iii. Prioritizing risk areas by determining the significance and probability of occurrence of risks associated with the identified key controls.

iv. Updating audit programmes for testing the selected risk conditions during the fieldwork.

v. Selecting auditable formations for the current year audit plan based on materiality and risk assessment considerations.

vi. Selecting samples to be tested during the fieldwork on predetermined sampling criteria which included selection of high-value items and other potentially important key items.

vii. Executing audit programmes on the selected samples during the fieldwork.

viii. Identifying instances of non-compliance with applicable rules and regulations.

ix. Performing cause and effect analysis for the identified instances of non-compliance and developing audit observations and recommendations.

x. Evaluating results of the audit and identifying systemic issues regarding internal controls weaknesses.

xi. Reporting the audit findings.

xii. Following up the decisions made by the competent forums on the audit findings.

d. Audit Impact

Audit through its findings and recommendations helped the management in different ways like:

i) Improvement in their existing working, specially related to their revenue generation and expenditure utilization.

ii) Improvement in their working by following the rules and regulations.

iii) Effecting recoveries at the instance of Audit in different cases.

iv) Identifying weaknesses in the systems and processes through holding of inquiries in cases involving violation of the rules and financial mismanagement by the management on the basis of audit recommendations.

v) Improvement in transparency and accountability of operations within the commercial entities.

Major issues pointed out during audit were admitted by the management and the entities agreed to review the pointed out issues and take necessary corrective actions. The strengthening of internal control in the audited entities were well taken by the management for review and corrective measures. Despite non-convening of DAC meetings, following impact was made due to audit paras.

i) PDMA Punjab revised the compensation rates for payment to the affectees of natural calamities in the province of the Punjab in October, 2022.

ii) Punjab Emergency Service Department (Rescue 1122) framed and notified Punjab Emergency Service (Appointment and Condition of Service) Regulations 2022 along with schedule of posts vide notification No.1065/2022(PEDS) dated 03.09.2022.

iii) Environment Protection Department, Punjab prepared and notified "Punjab Environmental Protection (Smog Prevention and Control) Rules, 2023".

iv) Internal controls regarding procurements, pay & allowances, assets management, and IT operations were proposed to be strengthened. Through thematic audit review, broad policy level recommendations were made to the management for improving their service delivery and ensuring that maximum value was derived from the public funds.

v) Provincial Disaster Management Authority (PDMA), Sindh constituted a committee for carrying out physical verification of assets /stock and relief items held by the Authority.

vi) PDMA, Sindh initiated the process for re-constitution of Provincial Disaster Management Commission (PDMC) in Sindh province.

vii) PDMA, Sindh chalked out necessary details towards establishment of Disaster Risk Reduction (DRR) Wing.

viii) The Directorate of Mobile Diagnostic & Emergency Healthcare Services under Rehabilitation Department Sindh improved monitoring mechanism of mobile hospitals working in different districts of the Sindh province by constituting monitoring teams. Besides strengthening of contract agreement with the inclusion of performance guarantee and handing/taking over clauses in the agreement.

Audit findings and recommendations would have multiplier impact if the DAC and PAC meetings were held regularly. DAC meeting is one of the major tools to improve internal controls and overall governance but the PAO did not convene DAC meetings despite repeated requests. If the DAC meetings are conducted regularly, recurrence of irregularities would decrease and pointed out government dues can be recovered timely and also be helpful in strengthening financial management and improving internal controls.

e. Comments on Internal Controls and Internal Audit Department

The present report has identified a range of irregularities, which have been recurring over the years. The recurrence of these irregularities indicates that systemic issues were cropping up either due to inadequate oversight mechanism or inappropriate design of internal controls.

Although many Audit Entities have internal audit setups, but the financial irregularities observed during the current audit reflect that this function failed to deliver effectively. The efficient functioning of internal audit would have helped the management in effective implementation of internal controls and strengthening the internal control environment in audited entities. It is high time that positions of Chief Finance & Accounts Officers (CF&AO) and Chief Internal Auditors (CIA), as enacted through PMF Act coupled with Financial Management and Powers of Principal Accounting Offices Regulations 2021, are put in place in all Ministries/Divisions and their services are effectively utilized to strengthen Public Financial Management (PFM) System.

d. Key Audit Findings of the Report

Major audit findings included in this Audit Report are:

i. Human Resource / Employment related irregularities – Rs. 914.357 Billion.

ii. Procurement and hiring of services related irregularities – Rs. 22.045 Billion.

iii. Internal Control and Performance related irregularities – Rs. 8.185 Billion.

iv. Management of Accounts with commercial banks – Rs. 5.797 Billion.

v. Financial management, Misappropriation and procedural irregularities – Rs. 46.365 Billion.

vi. Value of money, Public Service Delivery & Performance related issues – Rs. 3.286 Billion.

vii. Duties, taxes, assessment and claims related issues – Rs. 150.249 Billion.

AUDIT REPORT
ON
THE ACCOUNTS OF
PUBLIC SECTOR ENTERPRISES
GOVERNMENT OF THE PUNJAB
AUDIT YEAR 2023-24

AUDITOR-GENERAL OF PAKISTAN

PUBLIC SECTOR ENTERPRISES GOVERNMENT OF THE PUNJAB

Chapter 1

ENERGY DEPARTMENT

Introduction

Pakistan was currently facing an energy crisis and province of the Punjab, with over a 90 million population, was at worst hit. Punjab's power consumption was 68%, with a demand growth of 6-8% per annum. There was a demand-supply gap of 4000 MW. Punjab was facing both electricity and gas load shedding. The Energy Department was established on July 05, 2011. In response to the energy crisis, the Energy Department had a vision of fully tapping Punjab's indigenous energy potential, which was Hydropower, Solar, Biomass and Coal. The Department and its attached bodies were fully engaged with the Federal and international entities, and also encouraging the private sector to invest in the power sector.

Aim & Objective

- Legislation, policy formulation and sector planning,
- Development of a power policy for Punjab
- Standardization of Specifications in respect of electric appliances, machinery and installations
- Acquisition, revocation of amendment of Licenses of Electric Supply Undertaking and approval of loads
- Development of power generation by exploiting hydel, thermal and renewable energy resources
- Energy innovations
- Public private partnerships for energy production, conservation, efficiency and audit
- Award of power projects in Punjab to Pakistani and Foreign Private sector companies

Governing Laws

- The Electricity Act (Punjab Amendment) Ordinance, 1971
- The Regulation of Generation, Transmission and Distribution of Electric Power Act, 1997
- Punjab Power Generation Policy, 2006 (Revised 2009)
- Punjab Power Development Board (PPDB) Act, 2011
- Punjab Electricity Duty Rules, 2012

Formations:-

Punjab Thermal Power (Pvt.) Limited

Punjab Power Development Company
Quaid-e-Azam Hydal Power (Pvt.) Limited
Quaid-e-Azam Solar Power (Pvt.) Limited
Quaid-e-Azam Thermal Power (Pvt.) Limited

1.1 PUNJAB POWER DEVELOPMENT COMPANY LIMITED

1.1.1 Introduction

Punjab Power Development Company Limited is a public unlisted company, limited by shares, registered on January 15, 2008 under Section 2(1)(30) of the Companies Ordinance, 1984 under Irrigation & Power Department having 94 shares out of total 100 shares. The principal activities for which the Company has been set up include development of power generation projects on fast track basis in public sector by exploiting hydel, thermal and other renewable energy resources and making arrangements for operations and maintenance of all power projects.

The Company is governed by professionals from Public/Private Sector to ensure better co-ordination with stakeholders. It exclusively deals/interacts with the prospective investors both national and international to acquire funds for tapping energy potential of the Province.

1.1.2 Comments on Audited Accounts

The management failed to provide annual audited accounts for the year 2022-23 till December 31, 2023.

1.1.3 Compliance of PAC Directives

No PAC meetings for the years 2014-15 to 2022-23 has been convened so far.

1.1.4 Audit Paras

1.1.4.1 Irregular appointments of officers – Rs 71.393 million

According to judgment of Honorable Supreme Court of Pakistan dated January 19, 1993 in Human Right Case No 104 of 1992, any recruitment, whether adhoc or regular, without proper advertisement, shall be in violation of fundamental rules. Further, according to S&GAD SOR 1-10-1/2003 dated June 16, 2003, re-employment on contract beyond the age of superannuation in all cases requires approval of the Prime Minister and Chief Minister as the case may be.

During audit of Punjab Power Development Company Limited (PPDCL) for the years 2020-22, certain irregularities were observed in the appointment of three higher management officers. Detail is as under:

(Rs in million)

Name	Designation	Irregularity	Financial impact (Rs)
Mr. Muhammad Yaqoob	Advisor/GM (Hydel)	Without advertisement and approval of the Chief Minister (CM)	26.960

Mr. Ehsan-ul-Majeed Khan	GM (Procurement & Contracts)	Without approval of CM	29.726
Syed Farukh Ali Shah	CEO	Without Advertisement	14.707
Total			**71.393**

Due to weak internal controls, management failed to appointment the employees as per rules.

Audit is of the view that the management was required to recruit most suitable persons for the posts but overage persons were hired in a non-transparent manner, which was held irregular.

The matter was reported to the management and Principal Accounting Officer (PAO) on June 23, 2023. The management replied that the appointments was made with approval of Board of Directors to get benefits from multiple expertise.

DAC in its meeting held on September 11, 2023 directed the management to get the matter regularized from Finance Department.

Audit recommends compliance of DAC's directives.
(DP Nos: 19,20,32)

1.1.4.2 Irregular procurement of diving services on quotation basis - Rs 8.101 million

According to clause-12(2) of Punjab Procurement Rules 2014, any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

During audit of PPDCL for the years 2020-22, it was observed that a sum of Rs 8.101 million was incurred on diving services on quotation basis/without following PPRA Rules, which was held irregular.

Lack of financial control by the management and violation of Punjab Procurement Rules 2014 was the cause of irregularity.

Audit is of the view that management was required to obtain competitive rates through tender whereas quotations were accepted.

The matter was reported to the management and PAO on June 23, 2023. The management did not give any specific reply with respect to hiring of diving services.

DAC in its meeting held on September 11, 2023 directed the management to provide evidence of tendering process. The management did not provide any proof till finalization of the report.

Audit recommends compliance of DAC’s directives.

1.1.4.3 Irregular award of contract for trash diversion mechanism – Rs 5.957 million

According to clause-13.4(a)(i)(ii) of Request for Proposal (RFP) of tender for diversion mechanism of Trash, required general experience was completion of at least one project during last five years and completion of one Engineering, Procurement and Construction (EPC) project during last ten years.

During audit of PPDCL for the years 2020-22, it was observed that a tender for trash diversion mechanism was advertised on June 21, 2021. In response of this, three firms submitted bids and only M/s Mian Hydro Construction Engineers was technically qualified, and the contract was awarded for Rs 5.957 million accordingly. The management made irregular technical evaluation and awarded contract to the said company without fulfilling the minimum requirement of completion of one project during last five years. Further, contractor could not provide evidence of experience of one EPC project executed after its registration with Registrar of Firms in 2015. Thus, contractor did not fulfill technical requirements of bidding documents. This resulted in irregular award of work valuing Rs 5.957 million.

Due to week internal controls and poor procurement management, the contract was awarded to a firm against the requisite experience.

Audit is of the view that management was required to observe the criteria of bidding documents but the same was not done.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the work was awarded to the qualified bidder as per terms and reference of qualifications.

DAC in its meeting held on September 11, 2023 directed to provide record for verification but the same was not provided till finalization of this report.

Audit recommends compliance of DAC’s directives.

1.1.4.4 Loss due to inefficiency of EPC and O&M contractors – Rs 471.031 million

According to National Electric Power Regulatory Authority (NEPRA) approved reference tariff 2015, the annual benchmark generation of Marala Hydro Power Plant (MHPP) is 49.995 million KWh and Pakpattan Hydro Power Plant (PHPP) is 21.671 million KWh.

During audit of PPDCL for the years 2020-22, it was observed that the annual installed capacity of MHPP and PHPP was 66.009 million KWh and 24.364 million KWh respectively. NEPRA approved benchmark in reference tarrif less than the installed capacity keeping in view the uncertain events. However, the actual generation of both projects remained much lower than the installed as well as benchmark capacity. The main reason of the inefficiency was defect in design by EPC contractor of PHP project, which was pointed out by consultant for trash clean mechanism. Further, the Operation and Maintenance (O&M) contractor was required to utilize the plants at maximum capacity. The project was failed to achieve the benchmark of generation due to inefficiency. Resultantly, the management sustained loss of Rs 471.031 million. Detail is as under:

(Rs in million)

Plant	Period	Bench Mark Generation (KWh)	Generation in %age	Actual Generation KWh	Difference of KWh	Rate per KWh approved by NEPRA (Rs)	Loss due to less achievement of benchmark (Rs)
MHPP	July 2020 to June 2022	99,990,000	62.50%	62,493,741	37,496,259	7.6541	287.00
PHPP	July 2020 to June 2022	43,342,000	53.43%	23,156,541	20,185,459	9.117	184.031
	Total						**471.031**

Lack of over sight and poor management was the cause of irregularity.

Audit is of the view that the management was required to take up the matter with EPC and O&M contractors regarding inefficiency of plants, but did not to do so.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the certain factors affecting efficiency of plant were beyond the control of management. The reply was not convincing as management failed to perform its duties efficiently.

DAC in its meeting held on September 11, 2023 directed to probe the matter through administrative department.

Audit recommends compliance of DAC's directives.
(DP Nos: 13,37)

1.1.4.5 Non-claiming/recovery of difference of tariff from GEPCO and MEPCO – Rs 237.376 million

According to Central Power Purchase Agency CPPA(G) decision dated November 15, 2019, full tariff should be allowed as per National Electric Power Regulatory Authority (NEPRA) approved tariffs, Rs 7.3855/KWh for Pakpattan Hydro Power (PHP) and Rs 8.7977/KWh for Marala Hydro Power (MHP) instead of the current partial tariff. PPDCL can claim the arrears for power generation under sale and purchase of electricity agreement for pre-COD sale from MHP and PHP for the differential between full tariff and pre-COD tariff.

During audit of PPDCL for the years 2020-22, it was observed that the management booked the difference of full and Pre-COD tariffs valuing Rs 237.376 million in its accounts. The management was raising invoices of MHP @ Rs 5.83/kwh and PHP @ Rs 4.77/kwh instead of @ Rs 8.7977/kwh and @ Rs 7.3855/kwh respectively. The management was unable to execute Energy Purchase Agreement (EPA) with Gujranwala Electric Power Company (GEPCO) & Multan Electric Power Company (MEPCO) as per decision of CPPA (G) due to which management could not claim full tariff.

Lack of pursuance on the part of management and Energy Department, Government of the Punjab was the cause of irregularity.

Audit is of the view that management was required to take up the matter with Ministry of Energy (Power Division) to direct GEPCO and MEPCO for signing of Energy Purchase Agreement (EPA) and claim arrears accordingly.

The matter was reported to the management and PAO on June 23, 2023. The management replied that EPA agreement with GEPCO has been signed whereas with MEPCO is in process. It was further added that PPDCL shall recover full tariff as soon as the EPA comes into force.

DAC in its meeting held on September 11, 2023 pended the para for recovery.

Audit recommends compliance of DAC's directives.

1.1.4.6 Non-recovery of insurance payment claims – Rs 72.708 million

According to Section 118 of the Insurance Ordinance, 2000, it shall be implied term of every contract of insurance that where payment on a policy issued by an insurer becomes due and the person entitled thereto has complied with all the requirements, including filing of complete papers, for claiming the payment, the Insurer shall, if he fails to make the payment within a period of ninety days from the date on which the payment becomes due or the date on which the claimant complies with the requirements, whichever is later, pay as liquidated damages.

During audit of PPDCL for the years 2020-22, it was observed that management lodged insurance claim of Rs 72.708 million of Turbine Gears No.2 of PHPP on August 24, 2021 to M/s National Insurance Company Limited (NICL) against insurance policy, which were pending for payment till close of audit.

Slackness and negligence on the part of management was the cause of irregularity.

Audit is of the view that the management was required to pursue the insurance claims with M/s NICL but same was not done despite lapse of considerable time.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the matter for settlement of insurance claims were being pursued actively.

DAC in its meeting held on September 11, 2023 directed for an early realization of insurance claim.

Audit recommends compliance of DAC's directives.

1.1.4.7 Loss on account of insurance premium due to production less than benchmark - Rs 40.261 million

According to National Electric Power Regulatory Authority (NEPRA) approved reference tariff 2015, the benchmark generation of MHPP is 49.995 million KWh and PHPP is 21.671 million KWh.

During audit of PPDCL for the years 2020-22, it was observed that the management incurred insurance expenses of Rs 118.004 million for MHPP and PHPP. NEPRA allowed insurance component Rs 0.9630/ KWh for MHPP and Rs 0.7584/ KWh for PHPP. If both plants were operated on benchmark capacity, the whole insurance expenses could have been recovered. Due to less generation company could recover Rs 77.743 million insurance expenses and suffered loss of Rs 40.261 million (Rs 118.004 million – Rs 77.443 million). Detail is under:

(Rs in million)

Plant	Insurance period	insurance charges allowed per KWh	Bench Mark Generation (KWh)	Actual Generation (KWh)	Insurance to be recovered at bench mark generation (Rs)	Insurance recovered on actual generation (Rs)
1	**2**	**3**	**4**	**5**	**6 (4*3)**	**7 (5*3)**
MHPP	July 2020 to June 2022	0.9630	99,990,000	62.494,741	96.290	60.181
PHPP	July 2020 to June 2022	0.7584	43,342,000	23,156,541	32.870	17.562
	Total				**129.16**	**77.743**

Lack of project and financial management was the cause of irregularity.

Audit is of the view that management was required to affect recovery of extra payment of insurance premium from respective Distribution Companies (DISCOs) but same was not done.

The matter was reported to the management and PAO on June 23, 2023. The management replied that matter has been taken up with NEPRA for tariff true up and reimbursement of actual insurance premium paid.

DAC in its meeting held on September 11, 2023 directed to take up the matter with NEPRA for its realization at the earliest.

Audit recommends compliance of DAC's directives.

1.1.4.8 Loss due to payment of excess insurance premium than approved limit by NEPRA in tariff determination – Rs 13.551 million

According to Tariff Determination by NEPRA dated February 04, 2015 of Pakpattan Hydro Power Plant, the Authority had decided to allow to the petitioner, insurance during operations upto 1.35% of the allowed EPC cost, in accordance with the established benchmark.

During audit of PPDCL for the years 2020-22, it was observed that insurance coverage for Pakpattan Hydro Power Plant was paid excess than approved limited by NEPRA during tariff determination in 2015. This resulted in loss of Rs 13.551 million due to payment of excess insurance premium. Detail is as under:

(Rs in million)

Year	Approved EPC Cost (US$ in million)	Insurance component @1.35% of the EPC Cost (US$ in million/@ Rs 102.93)	Annual premium paid (Rs)	Excess %age	Excess insurance premium (Rs)
2019-20	11.827	16.434	18.079	0.14	1.645
2020-21	11.827	16.434	19.722	0.27	3.288
2021-22	11.827	16.434	19.886	0.28	3.452
2022-23	11.827	16.434	21.600	0.42	5.166
	70.962	**98.604**	**111.75**		**13.551**

Lack of pursuance on the part of management was the cause of irregularity.

Audit is of the view that the management was required to pursue with M/s NICL to keep the insurance component within limits approved by NEPRA and recover the difference from DISCOs.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the difference of insurance premium would be realized as and when true up tariff is finalized.

DAC in its meeting held on September 11, 2023 directed the management to expedite the finalization of true up tariff.

Audit recommends compliance of DAC's directives.

1.1.4.9 Non-repayment of government loan – Rs 283.480 million

According to Article-I (1.1) (b) of the agreement signed between Punjab Power Development Company Limited and Secretary, Government of the Punjab Finance Department, if the payment is not made on the due dates in accordance to amortization schedules, penalty on the defaulted amount @ 4% per annum shall be paid by the company.

During audit of PPDCL for the years 2020-22, it was observed that a sum of Rs 283.480 million was received as seed money and operational expenses from Government of the Punjab with interest of 0.25% per annum from 2013 to 2017. First two loans were required to be repaid till 2020-21 and third till June 2022 but no repayment was made.

Poor financial management resulted in non-repayment of loan installments and expected imposition of penalty due to non-repayment of loan.

Audit is of the view that management was required to make repayment of loan in order to avoid default and imposition of 4% penalty.

The matter was reported to the management and PAO on June 23, 2023. The management replied that Finance Department has been requested for rescheduling of loan.

DAC in its meeting held on September 11, 2023 directed the management to get the loan re-scheduled from Finance Department at the earliest.

Audit recommends compliance of DAC's directives.

1.1.4.10 Payment of HR cost to O&M contractors without obtaining documentary evidence of hiring – Rs 123.447 million

According to RFP for O&M services for Power Project, eighty seven staff members having specific portfolios were to be hired for operation and maintenance of project.

During audit of PPDCL for the years 2020-22, it was observed that management paid salaries of operational staff to M/s Hydro Tech Pak (Private) Ltd and Al Fajar International, the O&M Contractors, without obtaining documentary evidence regarding hiring of staff according to portfolios given in RFP. This resulted in doubtful payment of HR cost worth Rs 123.447 million (Rs 21.507 million of M/s Hydro and Rs 101.940 million of M/s Al-Fajar).

Lack of financial management is the cause of irregularity.

Audit is of the view that the management was required to ensure that contractor hired same number of staff with relevant portfolio for which salary of staff was claimed.

The matter was reported to the management and PAO on June 23, 2023. The management replied that all payments were made as per agreements. The reply was not tenable as payment was being made without obtaining documentary evidence.

DAC in its meeting held on September 11, 2023 directed the management to provide detailed record pertaining to Human Resource hired by O&M contractors for verification. The same was not provided till finalization of this report.

Audit recommends compliance of DAC's directives.
(DP Nos: 31,54,58)

1.1.4.11 Non-payment of Workers Profit Participation Fund and Workers Welfare Fund – Rs 37.405 million

According to Section-3(1)(a) &(b) of Companies Profit (Workers Participation) Act 1968, every company shall establish a Workers Participation Fund @ 5% of its profits as soon as the accounts for the year are finalized but not later than nine months after close of that year. According to clause-4(1) of the Punjab Workers Welfare Fund Act, 2019, every establishment or part thereof, the total income of which in any year of account commencing on or after the date of closing of accounts is not less than rupees five hundred thousand, shall be liable to pay to the Fund in respect of 333that year a sum equal to two percent of its total income.

During audit of PPDCL for the years 2020-22, it was observed that provision of Workers Profit Participation Fund (WPPF) and Workers Welfare Fund (WWF) was being made in every year, which accumulated to Rs 37.405 million on June 2022. But the management neither established separate fund for WPPF nor made payment to WWF in violation of the above rules.

Lack of compliance of the Workers Profit Participation Fund and Workers Welfare Fund provisions was the cause of irregularity.

Audit is of the view that management was required to open fund account in respect of WPPF and make payment to WWF, which was not done.

The matter was reported to the management and PAO on June 23, 2023. The management replied that Human Resource (HR) Committee has recommended for establishment of fund, which will be placed before the Board of Directors (BoD) for approval in forthcoming meeting.

DAC in its meeting held on September 11, 2023 directed the management to place the matter before the BoD on priority basis.

Audit recommends compliance of DAC's directives.

1.1.4.12 Non-payment of social security contribution by the EPC contractors – Rs 16.195 million

According to clause 22.2.3(a) of the General Conditions of the Contract with the EPC Contractors of Marala, Pakpattan, Chianwali & Deg Outfall Hydro Power Plants, the contractor shall comply with all the relevant Labor Laws applicable to the Contractor's Personnel, including Laws relating to their employment, health, safety, welfare, immigration and emigration, and shall allow them all their legal rights. Further, according to PESSI Ordinance 1965, at the end of each month, the employer is required to pay social security contribution to PESSI @ 6% of wages of employees in case of numbers of employees.

During audit of PPDCL for the years 2020-22, it was observed that M/s SINOTEC-SHPE-SKAFS JV was awarded EPC contract of four power plants. The contractor was responsible to pay social security contribution of its employees deployed on these projects as per contract. But the management neither bothered to confirm contribution payment by the contractor nor deducted the same. This resulted into non-payment of social security contribution to PESSI valuing Rs 16.195 million.

Due to weak contract management, management failed to implement the contract in letter and spirit.

Audit is of the view that management was required to ask the contractors to provide documentary evidence regarding registration of labour employed in these projects and payment of social security contribution but no such documentary evidence was obtained by PPMU.

The matter was reported to the management and PAO on June 23, 2023. The management replied that this para does not relate to PPDCL and should be transferred to PPMU.

DAC in its meeting held on September 11, 2023 directed the management to submit revised reply after getting response from PPMU. The same was not provided till finalization of this report.

Audit recommends compliance of DAC's directives.

1.1.4.13 Loss to company due to auxiliary consumption in power generation beyond permissible limit – Rs 10.714 million

According to NEPRA Tariff determination dated February 04, 2015, February 12, 2015 for Pakpattan and Marala Hydro Power Plants respectively, the Auxiliary consumption of 1% was allowed by NEPRA. Further, according to Technical Specifications of O&M Contract of PHP with M/s Hydro Tech Pak (Pvt.) Ltd dated March 21, 2019, auxiliary consumption was to be 1% of total generation.

During audit of PPDCL for the years 2020-22, auxiliary consumption was observed 1.71% in MHPP and 4.4% in PHPP in power generation against the admissible limit of 1% for both Projects. Resultantly, the company had to sustain loss of Rs 10.714 million due to excess consumption. Detail is as under:

(Rs in million)

Plant	Period	Power Generated KWh	Auxiliary Consumption (KWh)	Auxiliary Permissible @ 1% (KWh)	Excess (KWh)	NEPRA Rate in Rs / KWh	Total (Rs)
MHPP	July 2020 to June 2022	62,493,741	1,068,803	624,937	443,866	7.6541	3.397
PHPP	July 2020 to June 2021	23,156,541	1,034,050	231,565	802,485	9.1177	7.317
	Total						**10.714**

Lack of oversight by the PPDCL management was the cause of irregularity.

Audit is of the view that management should have proper control over the activities of O&M Contractor but auxiliary consumption was being reported beyond limit.

The matter was reported to the management and PAO on June 23, 2023. The management replied that electricity requirement for maintenance activities during canal closure are met from the connecting grid station, which resulted this increase. The reply was not tenable as management was required to remain within the permissible limit of auxiliary consumption.

DAC in its meeting held on September 11, 2023 directed the management to take up the matter with NEPRA for revision of the limit.

Audit recommends compliance of DAC's directives.

1.1.4.14 Wasteful expenditure due to non-processing/ obtaining carbon credits under CDM – Rs 6.357 million

According to the Reference Tariff of Pakpattan Hydro Power Plant approved by NEPRA on February 04, 2015, the petitioner (PPDCL) shall process and obtain emissions / carbon credits expeditiously and credit the proceeds to the power purchaser as per the applicable Government policy and the terms and conditions agreed between the petitioner and the power purchaser.

During audit of PPDCL for the years 2020-22, it was observed that Punjab Power Management Units (PPMU) hired consultancy firm for capacity building and Clean Development Mechanism (CDM) of its five Hydro Power Projects costing Rs 6.357 million. The purpose of this consultancy agreement was to work out carbon credits in order to sell in market. However, management did not sell even single carbon credit under CDM since start of operations.

Lack of vigilance on the part of management was the cause of irregularity.

Audit is of the view that management was required to obtain carbon credits but no case was processed for obtaining carbon credits.

The matter was reported to the management and PAO on June 23, 2023. The management replied that this para does not relate to PPDCL and should be transferred to PPMU.

DAC in its meeting held on September 11, 2023 directed the management to submit revised reply after getting response from PPMU but the same was not provided till finalization of this report.

Audit recommends compliance of DAC's directives.

1.1.4.15 Non-rectification of leakage/ seepage through upstream breast walls of Pakpattan Power Plant by EPC Contractor and non- deduction of damages

According to 27.2 of the EPC Contract dated September 24, 2011 with M/s SINOTEC-SHPE-SKAFS JV of Pakpattan Hydropower Project (PHP), the defect liability period shall be five hundred and forty days (540-days) from the completion of facilities (or any part thereof) or one year from the date of operational acceptance of the Facilities (or any part thereof), whichever first occurs.

During audit of PPDCL for the years 2020-22, it was observed that the issue of concrete in the breast wall of PHP was found in August 2015, and it was decided to pour concrete in that area but issue was not resolved. During routine inspection of the Pakpattan Power Plant at different occasions, massive water seepage through upstream breast wall in machine hall and cable trench between both units was observed. The project was completed February 2017, but the issue was not resolved during EPC phase as well as defect liability period. This needed to be rectified on priority basis but same was not rectified by the EPC contractor till May, 2023.

Lack of professionalism on the part of consultant and lack of pursuance on the part of management was the cause of irregularity.

Audit is of the view that consultant was required to address the seepage issue at the breast wall of Trash Rack Area/ upstream breast wall of the power house but due to lack of professionalism the issue was not resolved.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the management was fully aware of the issue and allocated budget in 2023-24 to conduct a study to identify the remedial measures. The reply was not tenable as issue pertained to EPC phase and it should have been rectified at the cost of EPC contractor.

DAC in its meeting held on September 11, 2023 directed the management to conclude the study and implement its recommendations under intimation to audit.

Audit recommends compliance of DAC's directives.

1.2 Punjab Thermal Power (Pvt.) Limited (PTPL)

1.2.1 Introduction

Punjab Thermal Power (Pvt.) Limited is a private limited company by shares incorporated under the aegis of Companies Ordinance, 1984 (now Companies Act 2017). The PTPL is owned by the Government of the Punjab through Energy Department. The objective of the company is to establish and maintain 1200 MW Re-Gasified Liquefied Natural Gas (RLNG) based Thermal Power Plants in Punjab within the stipulated timeline in view of intense power shortage. The land measuring 578-Kanals has been purchased for the project, whereas, Government of the Punjab already injected US$ 180 million as equity and expected to inject the remaining sum shortly.

1.2.2 Comments on Audited Accounts

1.2.2.1 The working results of the company for the year 2022-23 as compared to previous years are as under:

(Rs in million)

Particulars	**2022-23**	**% Inc/ (Dec)**	**2021-22**	**% Inc/ (Dec)**	**2020-21**
Revenue from contract with customer	21,346.763	-	-	-	-
Cost of Sales	22,773.635	-	-	-	-
Gross Profit/ (Loss)	(1,426.872)	-	-	-	-
Other Income	1,509.715	128.03	662.079	5.63	701.568
Administrative Expenses	469.064	67.11	280.692	4.82	267.78
(Loss)/ Profit from Operations	(386.221)	201.27	381.387	12.08	433.788
Finance Cost	1,283.000	2,3712.18	5.388	255.64	1.515
(Loss)/ Profit before Taxation	(1,669.221)	543.94	375.999	13.02	432.273
Taxation	220.940	3.48	228.895	0.44	227.898
(Loss)/ Profit for the year	(1,890.161)	1,384.91	147.104	28.02	204.375

(Source: Annual Audited Accounts for 2022-23)

Cost of sales of the company for the year 2022-23 was Rs 22,773.635 million against the revenue from contract Rs 21,346.763 million showing gross loss of Rs 1,426.872 million. The excess cost of sales needs justification.

1.2.2.2 Profit of the company was Rs 147.104 million in the year 2021-22 but decreased/ converted into loss valuing Rs 1,890.161 million in the year 2022-23 showing a decrease of 1,384.91% in profit which needs justification.

1.2.2.3 Finance cost increased to Rs 1,283.00 million in the year 2022-23 from Rs 5.388 million in the year 2021-22 showing an increase of 2,3712.18%. The reasons for huge increase in finance cost needs justification.

1.2.2.4 Long term deposits increased from Rs 11.092 million in the year 2021-22 to Rs 31.170 million in the year 2022-23 registering an increase of 181.01%. Abnormal increase in these deposits needs clarification including the detail of nature, purpose and markup if earned, approval of competent authority for categorizing these as non-current assets as no detail was provided in notes to the accounts.

1.2.2.5 Trade debts increased to Rs 19,308.357 million in the year 2022-23 against Nil in the year 2021-22. According to note 8.2 any late payments made by CPPA-G shall bear interest at a rate of three months KIBOR plus two percent per annum, calculated for the actual number of days for which the relevant amounts remain unpaid. Latest position of recovery along with detail of mark up on late payments may be provided.

1.2.2.6 Inventories increased to Rs 3,840.570 million in the year 2022-23 against Nil in the year 2021-22. This showed that huge amount was blocked at year end due to non-utilization of inventories and may cause loss due to obsolescence, damage or theft. Complete detail of these inventories including requirements, economic order quantity levels, approvals, method of procurement, suppliers, utilization and reasons for non-utilization till date may be provided in order to ensure that stock was procured as per genuine needs of the company.

1.2.2.7 Prepayments under the head advances, prepayments, deposits and other receivables increased from Rs 3.776 million in the year 2021-22 to Rs 7.241 million in the year 2022-23 registering an increase of 91.76%. Huge increase in these expenses along with detail of nature, to which these were given, approvals from competent authority, provision of relevant rules and latest position of recovery may be provided.

1.2.2.8 Advances to executives/ employees under the head advances, prepayments, deposits and other receivables increased from Rs 4.402 million in the year 2021-22 to Rs 14.411 million in the year 2022-23 registering an increase of 227%. Abnormal increase in these expenses along with detail of nature, to which these were given, approvals from competent authority, provision of relevant rules and latest position of recovery may be provided.

1.2.2.9 Sales tax receivable under the head advances, prepayments, deposits and other receivables increased from Rs 1,971.306 million in the year 2021-22 to Rs 2,712.727 million in the year 2022-23 registering an increase of 37.61%. Constant increase and non-recovery needs clarification. Efforts may be made for early recovery.

1.2.2.10 Receivable from Engineering, Procurement and Construction (EPC) contractor under the head advances, prepayments, deposits and other receivables increased to Rs 3,410.430 million in the year 2022-23 against a Nil in the year 2021-22. Latest position of recovery may be provided.

1.2.2.11 Receivable from CPPA-G against corporate taxes under the head advances, prepayments, deposits and other receivables increased to Rs 45.894 million in the year 2022-23 against a Nil in the year 2021-22. Latest position of recovery may be provided.

1.2.2.12 Other receivables under the head advances, prepayments, deposits and other receivables increased from Rs 0.257 million in the year 2021-22 to Rs 4.401 million registering an increase of 1,612.45%. Abnormal increase along with nature, detail to which these were given, approvals from competent authority, provision of rules and latest position of recovery may be provided.

1.2.2.13 Long term financing- secured increased from Rs 36,541.045 million in the year 2021-22 to Rs 74,588.042 million in the year 2022-23 registering an increase of 104.12%. Abnormal increase in long term liabilities needs justification along with detail of nature, requirement, approvals from competent authority, repayment schedule and actual details of repayments may be provided in order to ensure the genuineness of long term loan.

1.2.2.14 Staff retirement benefits increased from Rs 58.280 million in the year 2021-22 to Rs 94.530 million in the year 2022-23 registering an increase of 62.19%. Huge increase in liabilities despite the fact that average number of employees were same i.e. 81 in both years. This needs justification along with detail of specific funds/ plan assets available for payment of these liabilities.

1.2.2.15 Payable to contractors under the head trade and other payables increased to Rs 905.244 million in the year 2022-23 against a Nil value in the year 2021-22. Detail of these payable along with current position of payments may be provided.

1.2.2.16 Payable to consultants increased from Rs 42.101 million in the year 2021-22 to Rs 280.467 million in the year 2022-23 registering an increase of 566.18%. Reasons for such huge increase along with complete detail of the nature of services, method of hiring, approvals from competent authority, names of consultants and final disposal of cases may be provided.

1.2.2.17 Retention money payable increased from Rs 4,836.158 million in the year 2021-22 to Rs 6,524.051 million in the year 2022-23 registering an increase of 34.90%. Constant increase and non-refund of retention money needs clarification along with detailed breakup of contracts for which these funds were deposited with the company, parties to whom these were to be refunded, original date of refund, date on which these were actually refunded to the concerned parties and reasons for non-refund till date.

1.2.2.18 Provision for EPC related works/ equipment increased from Rs 14,661.193 million in the year 2021-22 to Rs 15,149.092 million in the year 2022-23 registering an increase of 3.33%. Constant increase in provision and non-payment of such huge amounts needs clarification along with complete detail of provisions made and actual payments made against these provisions and final treatment of outstanding amounts.

1.2.2.19 Accrued and other liabilities under the head trade and other payables increased from Rs 394.025 million in the year 2021-22 to Rs 1,220.670 million in the year 2022-23 registering an increase of 209.79%. Reasons for such huge increase in these liabilities along with complete detail of these liabilities booked and actual payments made against these and final fate of outstanding liabilities may be provided.

1.2.2.20 Short term borrowing increased to Rs 9,296.286 million in the year 2022-23 against Nil value in the year 2021-22. This was obtained to maintain working capital of the company and carries markup/ musharaka profit at the rate of three month KIBOR plus 2% per annum. Management is stressed to maintain working capital requirements through its own funds in order to avoid payments of markup and to make the company more sustainable.

1.2.2.21 Provision for taxation less payments increased from Rs 0.925 million in the year 2021-22 to Rs 4.828 million in the year 2022-23 registering an increase of 421.95%. Moreover, as per power policy 2015, the company has requested Private Power and Infrastructure Board (PPIB) and Ministry of Finance, GoP to make appropriate amendment in income tax laws. Reasons for such huge increase in provision for taxation including complete detail of nature, actual payment against these provisions and final fate of this provision may be provided along with current status of exemption matter and efforts made by the management for tax exemption.

1.2.2.22 Land under the head operating fixed assets increased to Rs 450.618 million in the year 2022-23 against a Nil value in the year 2021-22. Reasons for acquisition of land along with complete detail of land including need for land, its approval from competent authority, purpose, its subsequent utilization, land transfer title documents may be provided.

1.2.2.23 Vehicles amounting to Rs 12.340 million were acquired during the year 2022-23. Complete detail of vehicles including need for vehicles, purpose, approvals from competent forum, funds utilized, source of funds, allocation of vehicles may be provided.

1.2.2.24 Exchange loss under the head capital work in progress increased from Rs 1,736.642 million in the year 2021-22 to Rs 3,712.885 million in the year 2022-23 registering an increase of 113.79%. Reasons for constant increase in exchange loss along with detail of items against which this was booked, measures taken over the years to avoid the company from such losses may be provided.

1.2.2.25 O&M mobilization cost under the head capital work in progress increased from Rs 144.432 million in the year 2021-22 to Rs 1,648.460 million in the year 2022-23 registering an increase of 1,041.34%. Reasons for such huge increase along with complete detail including nature, purpose, approvals from competent authority, source of funds utilized may be provided.

1.2.2.26 Others under the head capital work in progress increased from Rs 9.080 million in the year 2021-22 to Rs 25.136 million in the year 2022-23 registering an increase of 176.83%. Reasons for such huge increase along with complete detail including nature, purpose, approvals from competent authority, source of funds utilized may be provided.

1.2.2.27 Rent, rate and taxes under the head administrative expenses increased to Rs 10.540 million in the year 2022-23 against a Nil value in the year 2021-22. Reasons for such huge increase along with complete detail including nature, purpose, approvals from competent authority, sources of funds and actual funds paid may be provided.

1.2.2.28 Office supplies and entertainment expenses under the head administrative expenses increased from Rs 8.721 million in the year 2021-22 to Rs 14.580 million in the year 2022-23 registering an increase of 67.18%. Huge increase needs justification along with complete detail of expenses including nature of expenses, requirement, approvals from competent authority, funds utilized and sources from which payments were made.

1.2.2.29 Travelling and lodging cost increased from Rs 7.920 million in the year 2021-22 to Rs 34.155 million in the year 2022-23 registering an increase of 331.25%. Abnormal increase in expenses needs clarification along with complete detail including nature, purpose, approvals, meetings attended, minutes and implementation of decisions.

1.2.2.30 Director's fee increased from Rs 5.550 million in the year 2021-22 to Rs 9.150 million in the year 2022-23 registering an increase of 64.86%. Abnormal increase in the fee along with complete detail including approved rates of fee, meetings attended, member wise schedule of meetings attended and fee paid, minutes of meetings and implementation status of decisions taken needs to be clarified.

1.2.2.31 Legal and professional charges under the head administrative expenses increased from Rs 14.019 million in the year 2021-22 to Rs 59.892 million in the year 2022-23 registering an increase of 327.22%. Reasons for such huge increase along with complete detail including list of cases, method adopted for hiring, list of experts hired, approvals from competent authority, funds incurred, sources of funds from which these payments were made, case wise disposal status may be provided.

1.2.2.32 Others under the head administrative expenses increased from Rs 0.964 million in the year 2021-22 to Rs 4.834 million in the year 2022-23 registering an increase of 401.45%. Reasons for abnormal increase in the expenses along with complete detail including nature, requirements, approvals from competent authority, funds utilized, sources of funds, purpose of these expenses and final outcome may be provided.

1.2.2.33 Reimbursement of expenses and others including retirement benefits increased from Rs 0.455 million and Rs 1.630 million in the year 2021-22 to Rs 1.592 million and Rs 3.773 million in the year 2022-23 respectively. Huge increase in these expenses needs clarification along with complete detail including nature, list of expenses, approvals from competent authority, purpose of expenses.

1.2.3 Compliance of PAC Directives

No PAC meeting for the years 2014-15 to 2022-23 has been convened so far.

1.3 Quaid-e-Azam Solar Power (Pvt.) Limited (QASPL)

1.3.1 Introduction

Quaid-e-Azam Solar Power (Private) Limited (QASPL) was incorporated as a private limited company under the Companies Ordinance 1984 (now Companies Act 2017) on September 16, 2013. The principal activity of the company is to build, own, operate and maintain a solar power plant having a total capacity of 100 MW in Lal Sohanra, Cholistan, Bahawalpur. The registered office of the company is situated at 3rd Floor, 83A-E1 Gulberg III, Main Boulevard, Lahore, Pakistan. The company achieved Commercial Operation Date (COD) on July 15, 2015. National Electric Power Regularity Authority (NEPRA) has granted generation license to the company, which is valid till December 30, 2039.

1.3.2 Comments on Audited Accounts

1.3.2.1 The working results of the company for the year 2022-23 as compared to the previous years are as under:-

(Rs in million)

	2022-23	**%Inc /(Dec)**	**2021-22**	**%Inc /(Dec)**	**2020-21**
Sales	4,796.364	20.14	3,992.264	11.80	3,570.84
Cost of sales	1,037.918	10.55	938.838	5.07	893.556
Gross profit	3,758.446	23.09	3,053.426	14.05	2,677.29
Administrative Expenses	159.982	21.35	131.83	49.34	88.273
Corporate Social Responsibility	4.116	5.12	4.338	-	-
Other Charges	117.317	132.38	50.486	42.95	88.492
Other income	643.856	263.92	176.923	50.07	354.313
Operating Profit	4,120.887	35.39	3,043.695	6.62	2,854.83
Finance cost	843.166	20.70	698.548	2.03	713.049
Profit before Taxation	3,277.721	39.77	2,345.147	9.50	2,141.78
Taxation	289.126	102.46	142.81	203.49	(137.989)

Profit for the year	2,988.59 5	35.70	2,202.33 7	9.91	2,003.80
Earning Per Share	7.844	35.71	5.78	9.89	5.26

(Source: Audited Annual Accounts)

As a result of meeting of dispute resolution committee held on Feb 08, 2021, 6.653 million Kwh units amounting to Rs 54.524 million (excluding sales tax) was booked and invoice raised during financial year 2020-21 but the same was not accepted by CPPA till close of financial year 2022-23. Reasons for non-acceptance of invoices by CPPA and current status thereof need to be shared with audit.

1.3.2.2 Long term finance decreased from Rs 3,701.800 million to Rs 2,180.088 million from 2021-22 to 2022-23 registering a decrease of 58.89%, whereas mark up on long term loan increased from Rs 678.146 million to Rs 827.516 million registering an increase of 22.03% . Disproportionate increase in finance cost despite reduction in long term finance needs justification.

1.3.2.3 Mark-up of energy invoices of Rs 82.903 million during the year 2022-23 represents amount against interest on late payments but the same was not invoiced till the close of financial year 2022-23. Reason for non-invoicing the agreed markup need to be shared with audit.

1.3.2.4 Corporate Social Responsibility reserves increased from Rs 195.462 million in 2021-22 to Rs 213.346 million in 2022-23 registering an increase of 9%. While spending under the head is just Rs 7.202 million which showed inefficiency on the part of management. Management needs to make comprehensive plan for effective utilization of funds and discharge its CSR responsibility.

1.3.2.5 Other charges of the company increased from 50.486 million in 2021-22 to Rs 117.317 million in financial year 2022-23 by registering the increase of 132.80%, which mainly due to loss in foreign exchange which increased from Rs 15.955 to Rs 54.516 million registering an increase of 242%. Management need to be vigilant and use hedging or other financial tactics as payment to foreign contractors and consultants is a routine matter in the company.

1.3.2.6 Legal and professional charges increased from Rs 1.800 million during the year 2021-22 to Rs 8.622 million during the year 2022-23 registering an increase of 377.78%. Abnormal increase in these expenses needs justification along with detail of method adopted for hiring of these legal consultants/ advisors.

1.3.2.7 In financial statements huge liabilities under contingencies and commitment was shown. These liabilities were due to dispute between company and PRA, Local Government Department and FBR. All these cases are subjudice and pending from 2017-18. Management is stressed upon to made efforts for early adjustments of these liabilities.

1.3.2.8 Consultancy charges under cost of sales increased from Rs 2.811 million in 2021-22 to Rs 4.356 million in 2022-23 registering an increase of 55%. No breakup of consultant was provided in the financial statement. List of consultant hired along with the type of consultancy and payment made to them need to be provided.

1.3.2.9 Chief executive of the company received bonus of Rs 4.099 million in 2022-23 as against of Rs 1.674 million in 2021-22 registering an increase of 145% while profit of company increased by just 36%. Not linking the bonus with profit and disproportionate increase in bonus needs justification along with approval from BoD.

1.3.2.10 While reviewing the compliance of Corporate Governance Rules 2013, it was found that company failed to comply with the rule 8(1), 8(2) and 22 during 2022-23. Justification for non-compliance of the mentioned rule and current status thereof need to be provided to audit.

1.3.3 Compliance of PAC Directives

No PAC meetings for the years 2014-15 to 2022-23 has been convened so far.

1.3.4 Audit Paras

1.3.4.1 Irregular award of contract in violation of PC-1 – Rs 229.273 million

According to clause11 of PC-1 of Provision of Electricity to Communities using Indigenous Resources that Solar System shall be procured installed commissioned and operated as a single package on International Competitive Bidding(ICB) process under PPRA Rules 2014. International firms having local partners may participate in bidding subject to their registration in SECP, BOI & PEC (which ever applicable as per Rules/ Policy)

During audit of Quaid-e-Azam Solar Power Private Limited (QASPL) for the year 2022-23, it was observed that PC-I for "Provision of Electricity to Communities using Indigenous Resources" was approved valuing Rs 250 million for energy solution of 05 districts (Rajanpur, Rahim Yar Khan, Muzaffargarh, Bahawalnagar & Multan) using indigenous resources to off grid villages of far-flung area. As per PC-I, the solar system was to be procured, installed, commissioned and operated as a single package on International Competitive Bidding (ICB) process under PPRA Rules 2014. But the management split the work into 6 packages and adopted National Bidding Process and ignored ICB/criteria as mentioned in PC-1 and awarded the contracts for Rs 229.273 million.

Due to weak internal controls, provisions of PC-I were violated.

Audit is of the view that the management was required to follow provisions of PC-1 regarding procurement/installation of solar system but same was not done.

The matter was reported to the management and PAO on October 30, 2023. The management replied that all the awards were made in a timely manner with wide competition. The reply of management was not convincing as management violated provision of PC-1

DAC in its meeting held on December 13, 2023 directed the management to refer the matter to Finance Department for condonation of the violation of PC-1.

Audit recommends compliance of DAC's directives.

1.3.4.2 Irregular hiring and excess payment to the consultants in violation of PC-I – Rs 22.442 million

According to management structure and manpower requirements of PC-Is of three projects, the consulting firm will be selected by the Consultant Selection Committee (CSC) as per PPRA Rules 2014 and Quality & Cost based selection method will be adapted for selection of consulting firm. The services of consulting firm shall be hired to assist QASPL in the project development activities like site visits, preparation of bidding documents, evaluation of bids, assistance in award of contract, post shipment inspection of the material and installation supervision of Contractor.

During audit of QASPL for the year 2022-23, it was observed that the consultancy assignment of various projects namely "Provision of Electricity to Communities using Indigenous Resources", "Solarization of Tube Wells in Punjab" and "Off-grid/Poor Grid Village Electrification in Punjab: through Solar Power" were falling within the purview of long term consultancy. However, the management hired consultants by splitting the work and through three (03) quotations. Therefore, expenditure incurred of Rs 22.442 million on consultancy was held irregular. Detail is in **Annex-4**

Due to weak internal controls provisions of PC-I were violated which resulted into irregular selection of consultants.

Audit is of the view that the management was required to hire one consultant for project through Consultant Selection Committee (as per PPRA Rules) by adopting quality & cost selection method, instead of breaking the project into different packages and selecting the consultant through quotation, but the same was not complied and avoided codal formalities as required under large term consultancy.

The matter was reported to the management and PAO on October 30, 2023. The management replied that the consultants were hired under PPRA Rule 46 –A by obtaining three quotations. Reply was not convincing as management split consultancy to avoid issuance of EOI and consultant firms should have been selected through Consultant Selection Committee by following quality and cost based method.

DAC in its meeting held on December 13, 2023 directed the management to refer the matter to Finance Department for condonation of the violation of PC-1.

Audit recommends compliance of DAC’s directives.

1.3.4.3 Irregular payment to the consultants in violation of PC-I – Rs 7.885 million and execution of projects without the approval of the BoD - Rs 259.797 million

According to PC-I clauses 13 (II) (iii) (vii) of the project “Converting three Cities of Punjab into Solar Smart Cities” services of reputed international consulting firm having relevant experience will be hired for project development activities, and the consulting firm should be selected through Consultant Selection Committee as per PPRA Rules 2014. Moreover, the individual project in each city will be finalized after detailed survey /feasibility and will be executed with the approval of Board of Directors.

During audit of QASPL for the year 2022-23, it was observed that PC-I, valuing Rs 300.00 million for project namely Converting Three Cities of Punjab into Solar Smart Cities (Multan, Mianwali and Gujranwala) was approved by the competent forum and executed by the QASPL. The management selected three consultants through quotations by splitting the project into two packages to avoid tender and award consultancy work for Rs 7.885 million. Moreover, the individual project in each city was required to be finalized after detailed survey and feasibility with the approval of BoD but the two projects valuing Rs 259.797 million were executed without the approval of Board of Directors.

Weak internal controls resulted into selection of consultants and execution of projects in violation of PC-I.

Audit is of the view that the management was required to hire the International consultant through Consultant Selection Committee as per PPRA Rules 2014 by adopting Quality & Cost based method. Similarly, approval of Board of Directors was required to finalize project location/premises in each city.

The matter was reported to the management and PAO on October 30, 2023. The management replied that short term local consultants were hired according to PPRA Rules. The reply of the management was not convincing as consultants were hired in violation of PC-1 as selection was to be made through Consultant Selection Committee by following quality and cost based method and each project in a city was not finalized by BoD.

DAC in its meeting held on December 13, 2023 directed the management to refer the matter to Finance Department for condonation .

Audit recommends compliance of DAC’s directives.

1.3.4.4 Loss due to unjustified rejection of lowest evaluated bid – Rs 10.847 million

According to Rule 55 of PPRA Rules, 2014, the bidder with the lowest evaluated bid, if not in conflict with any other law, shall be awarded the procurement contract within the original or extended bid validity period and as per rule 55 (A)if one complying bid is received, the procuring agency may award the contract to the bidder.

During audit of QASPL for the year 2022-23, it was observed that the management carried out pre- qualification for the procurement of solar system for development projects. The management issued bidding documents to pre-qualified firms on September 09, 2021 for project- Indigenous Resources. Letters of Interest (LoI) were issued for submission of bids for packages 1 to 6. M/s Zonergy submitted bids of Rs 36.334 million for each package and remained lowest bidder. Management awarded the contracts of package 2 and package 3 to M/s Zonergy due to participation of two bidders and scraped the bidding process of remaining four packages due to receipt of single bid. Management called the bids again from same pre-qualified bidders and due to this, project cost was increased to Rs 10.847 million (from Rs 145.339 million to Rs 156.186 million) as calculated below:

(Rs in million)

Indigenous Resources Project	Contractor Name	Contract price (Rs)	Zonergy offer in previous bid (Rs)	Difference/ Loss (Rs)
Package 1	M/s Zonergy	39.100	36.335	2.765
Package 4	M/s Sky Blue	38.973	36.335	2.639
Package 5	M/s Sky Blue	39.124	36.335	2.789
Package 6	M/s Zonergy	38.989	36.335	2.654
Total		**156.186**	**145.34**	**10.847**

Due to imprudent decision, cost of procurement increased to Rs 10.847 million.

Audit is of the view that the management should have accepted lowest evaluated bid as management earlier carried out pre-qualification and chance of more competition was rare.

The matter was reported to management and PAO on November 14, 2023. The management replied that decision to go for re-bidding was taken in compliance with the directions received from the Board of Directors. Reply was not tenable as BoD directed to re-advertise. Contrary to that the management sought financial bids again from already pre-qualified bidders rather than re-advertising.

DAC in its meeting held on December 13, 2023 directed the management to refer the matter to PPRA for clarification whether the management was required to call retender from open market or to call financial proposals from same pre-qualified bidders.

Audit recommends compliance of DAC's directives.

1.4 Quaid-e-Azam Thermal Power Company Limited (QATPL)

1.4.1 Introduction

Quaid-e-Azam Thermal Power (Private) Limited (QATPL) is a Private Company Limited by shares incorporated under the aegis of Companies Ordinance, 1984. The QATPL is owned by the Government of the Punjab. The objective of the company is to establish and maintain 1180 MW Re-Gasified Liquefied Natural Gas (RLNG) based Thermal Power Plants in Punjab within the stipulated timeline keeping in view the sever power shortage. The first Thermal Power Plant in this regard has been planned to be installed at Bhikki, District Sheikhupura.

1.4.2 Comments on Audited Accounts

1.4.2.1 The working results of the company for the year 2022-23 as compared with the previous years are as under:

(Rs in million)

Particulars	**2022-23**	**% Inc/ (Dec)**	**2021-22**	**% Inc/ (Dec)**	**2020-21**
Sales	139,329.99	(3.43)	144,280.41	82.78	78,935.02
Cost of Sales	115,611.87	(2.82)	118,964.29	82.49	65,187.83
Gross Profit	23,718.12	(6.31)	25,316.12	84.15	13,747.19
Administrative expenses	729.75	124.93	324.44	(1.92)	330.78
Other expenses	5,000.86	(49.96)	9,992.98	1,373.82	678.034
Other operating income	11,544.39	109.16	5,519.48	57.21	3,510.96
Finance cost	11,623.18	50.13	7,742.09	14.91	6,737.71
Profit/ (Loss) before taxation	17,908.72	40.17	12,776.09	34.32	9,511.62
Taxation	259.77	3.70	250.49	(26.73)	341.882
Profit/ (Loss) after taxation	17,648.95	40.90	12,525.60	36.60	9,169.74

(Source: Audited Accounts)

Administrative expenses increased from Rs 324.44 million for the year 2021-22 as compared to Rs 729.75 million in the year 2022-23 showing an increase of 124.93% which was mainly due to increase in legal and professional expense which increased from Rs 4.502 million in the year 2021-22 to Rs 308.52 million in the year 2022-23 registering an increase of 6,753%. Expenditure was incurred to defend the case in London Court filed by the SNGPL. Reasons for inclusion of such absurd clause in the agreement between two Public Sector Companies needs to be justified.

1.4.2.2 Other expenses increased from Rs 678.03 million for the year 2020-21 to Rs 9,992.98 million in the year 2021-22 showing an increase of 1,373.82%. The Abnormal increase in other expenses needs to be justified.

1.4.2.3 Stock in trade (High Speed Diesel) increased from Rs 2,469.174 million for the year 2021-22) to Rs 5,254.393 million for the year 2022-23 registering an increase of 112.80% despite the reduction in the sales of the company. The huge increase in stock in trade resulted into unnecessary blockage of funds and hence needs justification along with complete record of its proper utilization.

1.4.2.4 Trade receivables (Note-11.6) with aging of due above 60 days increased from Rs 19.833 million (F.Y 2021-22) to Rs 26.979 million (F.Y 2022-23) which shows inefficiency and weak financial and working capital management. Vigorous efforts may be made for early recovery of trade debtors as these piled up to Rs 79.554 million (F.Y 2022-23) from Rs 68.535 million (F.Y 2021-22).

1.4.2.5 Provision for taxation under Current liabilities increased from nil to Rs 646.638 million in the year 2022-23. This huge increase in provision for taxation needs justification along with latest position of the provision whether it is paid or otherwise.

1.4.2.6 Receivables amounting to Rs 895.694 million for the year 2021-22 were written off as bad debts, which relate to the disallowed portion of invoices by CPPA-G on account of non-acceptance of part load factor. Instead of taking up the matter to arbitrator, management written off the amount which needs justification.

1.4.2.7 Loss on disposal of fixed assets amounting to Rs 247.690 million for the year 2021-22 was booked. Complete detail of these assets and their disposal record may be provided for clarification and justification.

1.4.2.8 Prepayments increased from Rs 171.250 million (F.Y 2021-22) to Rs 1,608.264 million registering an increase of 839.13%. Complete breakup of these prepayment and abnormal increase in prepayments needs to be provided.

1.4.2.9 Sales tax receivable amounting to Rs 1,079.298 million as on June 30, 2023 was refundable from FBR. The case for refund of the said amount was decided in favor of the company as on Sep 15, 2020 but claim could not be realized till date. Management should take up the matter on competent forum for early settlement.

1.4.2.10 Receivables from SNGPL amounting to Rs 3,265.223 million and CPPA-G Rs 4,687.674 million is recoverable as on June 30, 2023. The amounts remained stagnant in the Financial Statements of June 30, 2022 and June 30, 2023. Strenuous efforts may be made for early recovery of this huge amount.

1.4.2.11 Company created a huge provision against Corporate Social Responsibility of Rs 15.985 million for the year 2022-23 as compared to Rs 0 in the year 2021-22. Reasons for creation of huge provision and services performed therein needs to be explained.

1.4.2.12 An amount of Rs 16.75 million on account of claim of input tax for the year 2022-23 was subjudice before the Honorable Lahore High Court. Efforts may be made for early adjustment.

1.4.2.13 Mark-up on delayed payments increased from Rs 1,355.08 million in the year 2021-22 to Rs 3,199.417 million in the year 2022-23 registering an increase of 136%. Increase in markup payment despite adequate balances in cash and bank needs justification.

1.4.3 Compliance of PAC Directives

No PAC meeting for the years 2014-15 to 2022-23 has been convened so far.

1.4.4 Audit Paras

1.4.4.1 Loss due to deduction of capacity payments by CPPA - Rs 127.157 million

According to clause 9.1 (c)(ii) of the Power Purchase Agreement, the power purchaser shall pay to the company, the capacity price for each KW of the prevailing tested capacity then unavailable during any period during which the complex is undergoing: a forced outage or partial forced outage notified by the company not later than one (l) hour prior to the relevant hour or a maintenance outage notified by the company.

During audit of Quaid-e-Azam Thermal Power Limited (QATPL) for the year 2022-23, it was observed that the company was entitled to receive capacity payments for the whole year even for scheduled and forced outages if these remain within the allowance provided by CPPA. However, outages of the plant went beyond the permissible limits which resulted in deductions of capacity payments of several months by CPPA amounting to Rs 127.157 million on the grounds of partial/forced outages. Detail is in **Annex-5**.

Due to weak operational management of plant, deductions of capacity payments are being made by power purchaser.

Audit is of the view that due to weak internal controls and frequent outages the company sustained loss.

The matter was reported to the management and PAO on December 04, 2023. The management replied that CPPA has been approving our capacity payments while adjusting it against available forced outage allowance since COD but suddenly since December 2022, CPPA has changed this practice and started capacity deductions against Failure to Achieve Dispatch Level (FADL) events. The company has already taken up this point with CPPA-G in Operating Committee & Sub-Committee meetings and is currently under discussion as per PPA provision. The reply was not convincing as the matter regarding adjustments of deduction of capacity payments is pended at CPPA.

DAC in its meeting held on December 29, 2023 directed the management to pursue the recovery of capacity payments.

Audit recommends compliance of DAC's directives.

1.4.4.2 Non-recovery of delayed payment interest from CPPA - Rs 10,392.379 million

According to clause 9.6 of the Power Purchase Agreement, the Power Purchaser shall pay the Company the amount shown on an invoice on or before the thirtieth (30th) day following the day the invoice is received by the Power Purchaser. Late payments by either party of amounts due or payable under this Agreement shall bear interest at a rate per annum equal to the Delayed Payment Rate i.e. Kibor + 2%.

During audit of QATPL for the year 2022-23, it was observed that the management issued various invoices of energy, capacity and pass through items. As per agreement, CPPA was required to pay the invoices within 30 days but it failed to make payment within the prescribed time. The amount of delayed payment of interest on receivable from CPPA accumulated to Rs 10,392.379 million for the year 2022-23. Detail is in **Annex-6**.

Weak financial management and non-expediting the recovery resulted into delayed payment of interest from CPPA.

Audit is of the view that the management was required to make efforts for the recovery of interest income charged as other income, from CPPA-G but no efforts were made for the recovery of the interest income.

The matter was reported to the management and PAO on December 04, 2023. The management replied that it is practice of CPPA-G that they release funds to IPPs primarily from overdue invoices relating to Energy Purchase Price (EPP) and Capacity Purchase Price (CPP) and delayed payment interest is at their low priority due to lean collection of funds. The reply was not convincing as the management failed the recover the outstanding amount under delayed payment interest.

DAC in its meeting held on December 29, 2023 directed the management to make strenuous efforts to recover the delayed payment interest amount.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.3.4.7 having financial impact of Rs 10,161.212 million. Recurrence of same irregularity is a matter of serious concern.

1.4.4.3 Loss due to award of arbitration against the company - Rs 9,554.423 million

As per clause 3.6 of the Gas Supply Agreement (GSA) dated July 22, 2016 between Sui Northern Gas Pipelines Limited and QATPL for supply of Re-liquefied Natural Gas (RLNG) and subject to other provisions of the Gas Supply Agreement (GSA), during a month the company shall take and if not taken, pay for the unutilized portion of Firm Gas Allocation (FGA), Take or Pay (ToP) arrangements.

During audit of QATPL for the year 2022-23, it was observed that SNGPL raised a claim of Rs 5,506.746 million regarding take or pay invoices for supply of RLNG to the Bhikki Power Plant in June 2018. The reason behind these Take or Pay (ToP) claims was delay in the Commercial Operation Date (COD) from December 24, 2017 to May 20, 2018 due to excessive vibration at GT 1 & 2. SNGPL continued to raise invoices under ToP clause after COD which accumulated to Rs 4,739.286 million. QATPL decided to take the matter to London Court of International Arbitration (LCIA) under Section-18.3 of the GSA. London Court of International Arbitration decided the case against the QATPL on August 02, 2022, which resulted substantial financial impact of Rs 9,554.423 million. Detail is in **Annex-7.**

It is also necessary to mention here that management also incurred Rs 100.281 million on account of expert, legal and court fees due to retention of arbitrator in London. The said fee could be saved by retention of local arbitrator, which was pointed out by audit in the previous ARPSE 2022-23 vide Para No. 2.3.4.3.

Due to weak contract management, commercial operations were not started. Further, after take or pay claims continued to accumulate after COD due to weak operational management.

Audit is of the view that the management was required to charge pre-COD claim from EPC contractor and avoid any further claim by rationalizing gas demand and utilization.

The matter was reported to the management and PAO on December 04, 2023. The management replied that the minimum take or pay liability has been waived off in all GPP's GSA and PPA by the ECC in its decision dated April 14, 2021. However, SNGPL has not been agreeing so far to execute addendums. The reply was not convincing as the management did not take up the matter with EPC contractor regarding recovery imposed by SNGPL on account of take or pay which was attributed to delay in commercial operation date.

DAC in its meeting held on December 29, 2023 directed the management to pursue case vigorously.

Audit recommends compliance of DAC’s directives.

1.4.4.4 Loss due to non-payment against insurance component since COD - Rs 1,324.816 million

According to para 24.2 of reference tariff approved by NEPRA on April 14 2016, QATPL is allowed to claim insurance component at Rs 0.0574 per kilowatt hour.

During audit of QATPL for the year 2022-23, it was observed that CPPA-G disallowed insurance component from capacity invoices since COD i.e. May 20, 2018. As per reference tariff, QATPL is eligible to receive insurance component being part of capacity portion but CPPA-G is refusing on plea that it will allow this portion after true up of tariff. However, Power Purchase Agreement enabled the company to invoice/ receive these payments on monthly basis but due to non-acceptance of invoices, company was sustaining a huge loss in shape of actual amount as well as delayed payment charges of Rs 1,324.816 million. Detail is in **Annex-8**.

Due to non-taking up matter with NEPRA, company was deprived off from legitimate revenue since COD.

Audit is of the view that the management should have taken up this matter with NEPRA and CPPA on immediate basis as it is facing serious liquidity issue. However, issue has not been resolved till date due to reasons best known to the management.

The matter was reported to the management and PAO on December 04, 2023. The management replied that the tariff true up decision has been announced by NEPRA and indexation decision of insurance component is awaited from NEPRA after which the adjustment / differential will be made by CPPA-G accordingly. The reply was not convincing as it failed to recover insurance claims since COD due to which it sustained interest loss.

DAC in its meeting held on December 29, 2023 directed the management to pursue the matter of recovery of insurance component alongwith interest thereon and kept the para pended till decision of NEPRA.

Audit recommends compliance of DAC’s directives.

1.4.4.5 Excess payment of insurance premium in violation of NEPRA approved tariff - Rs 923.06 million

According to para 2.4 of NEPRA true up decision dated January 03, 2023, the authority decided to allow 1% of EPC cost as Insurance during operations which worked out to be Rs 520.29 million.

During audit of QATPL for the year 2022-23, it was observed that the management got the plant & equipment insured from M/s NICL. The total insurance premium for the year paid was Rs 1,444.036 million against approved in tariff of Rs 520.29 million. Hence, an amount of Rs 923.06 million
(Rs 1,444.036 million – Rs 520.29 million) was paid beyond NEPRA approved limit. The management did not initiate concrete measures to resolve the issue. Due to excess payment of insurance premium, QATPL was sustaining recurring loss.

Due to weak financial management, the company sustained heavy loss.

Audit is of the view that insurance premium was paid to M/s NICL over and above the NEPRA approved tariff which was held irregular and unjustified.

The matter was reported to the management and PAO on December 04, 2023. The management replied that QATPL raised the matter of excess insurance premium on various fora i.e. NICL, NEPRA, CPPA-G, PPIB & Ministry of Commerce but no response received. The reply was not convincing as management failed to resolve the issue to date.

DAC in its meeting held on December 29, 2023 directed the management to seek guidance from PPRA for hiring the services of other Insurance companies in the presence of NICL Ordinance 2000. DAC also directed the management to take up the matter proactively with NEPRA for reimbursement of insurance expenses as per actual payment through parent department.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.3.4.5 having financial impact of Rs 2,684.00 million. Recurrence of same irregularity is a matter of serious concern.

1.4.4.6 Imposition of fine due to delayed synchronization of plant with National Grid - Rs 20.00 million

According to section 14B(4) of the NEPRA Act, in the case of a generation facility connecting directly or indirectly to the transmission facilities of the national grid company, the licensee shall make the generation facility available to the national grid company for the safe, reliable, non-discriminatory, economic dispatch and operation of the national transmission grid and connected facilities.

During audit of QATPL for the year 2022-23, it was observed that the power system breakdown occurred on January 09, 2021 at 11:40 PM due to which whole country went into darkness and the system was completely restored on January 10, 2021 after 20 hours (approximately). As per

National Power Construction (NPCC) record, the supply at QATPL bus bar was restored at 09:13 AM on January 10, 2021 and it was instructed by NPCC through notice to synchronized its first unit at 10:43 AM on January 10, 2021. However, the licensee had synchronized its first unit at 12:14 AM on January 11, 2021 after lapse of almost 13 hours, thereby, prima facie, the licensee failed to comply with the NPCC's instructions as per terms & conditions in timely manner which severely hampered the restoration process of power system. NEPRA issued show cause notice to QATPL dated May 20, 2022 under relevant Rules and Regulations. After giving the opportunity of hearing to licensee, NEPRA did not satisfy and impose a penalty of Rs 20.00 million on QATPL.

Due to weak operational management, the plant was not synchronized with national grid within the given time.

Audit is of the view that the plant could not be synchronized with national grid in time which resulted into imposition of time and loss to the company.

The matter was reported to the management and PAO on December 04, 2023. The management replied that QATPL filed an appeal against this order in the Appellate Tribunal of NEPRA. The reply of the management is not convincing as it failed to satisfy the Regulatory Authority on late synchronization of plant.

DAC in its meeting held on December 29, 2023 directed the management to pursue the case vigorously and kept the para pended till decision.

Audit recommends compliance of DAC’s directives.

1.4.4.7 Revenue loss due to excess auxiliary consumption of electricity at complex – Rs 50.747 million

According to section 2.9 (a)(iii) of the Power Purchase Agreement, for the period commencing on the Commercial Operations Date (COD) and ending on expiry of the term, the contract capacity shall be 1,156,675 KW, as may be revised at the time of COD, a maximum three percent (3%) auxiliary consumption is allowed.

During audit of QATPL for the year 2022-23, it was observed that auxiliary consumption of the complex was beyond the maximum allowed limit 3% during the month of July 2022 and July 2023. Operations and Maintenance of the plant is being carried out by M/s HEI-HRL since inception and responsibility to run the complex in efficient and economical way rests with it. However, O&M contractor and management dealt it leniently that resulted into revenue loss of Rs 50.747 million. The detail of excess consumption is as under.

(Rs in million)

Sr. No	Month	Gross Production KWh	Allowed Aux. Consumption @ 3% KWh	Actual Aux. Consumption KWh	Excess Consumption KWh	Tariff Rs per KWh	Revenue loss on excess consumption (Rs)
1	July-22	289,181,240	8,675,437	9,754,440	1,079,003	25.23	27.227
2	July-23	427,310,000	12,819,300	13,889,500	1,070,200	21.98	23.520
Total							**50.747**

Due to weak operational management, auxiliary consumption of electricity increased beyond allowed consumption limit.

Audit is of the view that management should have remained vigilant and overseen the work of O&M Contractor to keep auxiliary consumption within limits. Further, O&M contractor should be held responsible but no action was taken by the management in this regard.

The matter was reported to the management and PAO on December 04, 2023. The management replied that as per the referred section of PPA, allowed Aux. Consumption @3% KWh is subject to complex operations at base load capacity i.e. 1163.123 MW and whenever Plant will operate at part load its auxiliary consumption of generation increases. The reply was not convincing as the said clause of agreement did not provide segregation of base load and full load.

DAC in its meeting held on December 29, 2023 directed the management to provide record for verification. Management provided month wise net electric output in KWh and stated that auxiliary consumption increased due to operation of plant at lower load. Audit observed that auxiliary consumption remained within the prescribed limit except the months pointed out by audit. This showed that auxiliary consumption was not linked with part load as replied by the management.

Audit recommends compliance of DAC's directives.

1.4.4.8 Loss due to disallowing various components in true up tariff - Rs 7,857.61 million

According to NEPRA True Up Tariff decision dated January 03, 2023, certain component i.e. EPC-off shore, interest during construction, O&M mobilization and training were disallowed.

During audit of QATPL for the year 2022-23, it was observed that NEPRA approved reference tariff on April 14, 2016. As per reference tariff, different cost components were allowed with certain conditions and limits. Plant started commercial operations on May 20, 2018. Later on, management filed petition for adjustment of relevant components of tariff on June 10, 2020. After detailed scrutiny of record, NEPRA decided the COD tariff on January 03, 2023 by reducing/ disallowing certain cost components. As a result, company suffered a loss of Rs 7,857.6 million. Detail is as under:

(Rs in million)

Sr. No.	Particulars	Amount Claimed (Rs)	Amount Allowed (Rs)	Amount (Rs)
1	EPC-Offshore	49,409.52	45,073.77	4,335.75
2	Land cost	101.85	80.85	21.00
3	Admin Expenses	714.57	711.06	3.51
4	O&M mobilization and Training	607.95	326.75	281.19
5	Insurance during Construction	626.81	444.43	182.38
6	Testing & Commissioning	157.11	-	157.11
7	Financing Fee and Charges	2,188.99	1,895.08	293.91
8	Interest During Construction	4,492.49	1,909.08	2,583.42
Total				**7,858.61**

Due to weak financial management, cost of various components exceeded the approved limit.

Audit is of the view that management was required to keep the costs within allowable limits so that they can be claimed at the time of true up. However, management failed to adjust the actual expenditures which is held irregular.

The matter was reported to the management and PAO on December 04, 2023. The management replied that company has filed a review petition with NEPRA and an appeal in the NEPRA appellate tribunal against these deductions. The reply was not convincing as the management either failed to prove its stance before NEPRA or claimed excess cost.

DAC in its meeting held on December 29, 2023 directed the management to pursue the matter vigorously with NEPRA for early decision of appeal.

Audit recommends compliance of DAC's directives.

Chapter-2

Higher Education Department

Introduction

Higher Education Department, (HED) is responsible for education, learning and related services for students, as well as Faculty/teaching & non-teaching staff, serving in Public and Private Institutions in the province of Punjab. Its aim is to achieve a highly educated society; where educational opportunities are equally available for all young people in Pakistan, no matter what their social, ethnic, and cultural background or family circumstances are. To promote development of an enlightened and prospering Punjab by reinforcing knowledge economy along with a focus on equitable and quality learning. The realization of the higher education department's vision of "enlightened and prospering Punjab by reinforcing knowledge economy" rests on the shift from access to quality which is evident from the key initiatives it has taken in recent past. Improving quality of teaching, research and innovation, enhancing creativity and entrepreneurship and promoting equity, access, social cohesion and responsible citizenship.

Objectives

The basic aim of HED is not only to cater the educational needs of the target population i.e. the students, but also broaden their vision and mental horizon in order to equip them to deal better with the academic and economic challenges of the modern world. The realization of the higher education department's vision of "enlightened and prospering Punjab by reinforcing knowledge economy" rests on the shift from access to quality, and for realization of this vision the department has outlined following objectives:

Functions

The department of Higher Education Punjab has administrative and financial control of the multi-tier Higher Education sector in the Punjab. It manages more than 750 colleges with general as well as specific programs in 37 districts of the province. It also supervises 09 Boards of Intermediate and Secondary Education, 25 Public Sector Universities and 26 Autonomous Educational Professional Institutions of Higher Education, Commerce Colleges.

Governing Laws

- Ali Institute of Education Lahore Act, 2010
- Forman Christian College Act, 2004
- Global Institute Lahore Act, 2011
- Imperial College of Business Studies Lahore Ordinance, 2002

- Institute of Management Sciences Lahore Ordinance, 2002
- Institute of Southern Punjab Multan Act, 2010
- Lahore School of Economics Act, 1997
- National College of Business Administration & Economics Lahore Ordinance, 2002
- Punjab Kinnaird College for Women Lahore Ordinance, 2002

Formations:-

2.1 Punjab Education Endowment Fund (PEEF)

2.1.1 Introduction

The Punjab Educational Endowment Fund (PEEF) is a non-profit organization incorporated in Pakistan on December 31, 2008 as a Guarantee Limited Company under Section 42 of the Companies Ordinance, 1984. The company was established with initial seed money of Rs 2,000.00 million by Government of the Punjab which has been enhanced to Rs 13,500 million in financial year 2015-16. According to Board of Directors decision dated February 10, 2009, the amount lying in Endowment Fund was invested for one year and after expiry of period of year, the amount was reinvested.

The main objective of the company is to provide equitable opportunities of education to under privileged but talented boys and girls especially from the southern districts of the province to bring them at par with more fortunate ones and to create a critical mass of talented youth for the development of society.

2.1.2 Comments on Audited Accounts

2.1.2.1 The working results of the PEEF for the year 2022-23 as compared to previous years are as under:

(Rs in million)

	2022-23	**%Inc /(Dec)**	**2021-22**	**%Inc /(Dec)**	**2020-21**
Income					
Interest income	2,307.65	75.07	1,318.131	4.70	1,259.00
Grant related to income recognized	619.58	(54.86)	1,372.615	45	946.114
Grant related to assets recognized	-		0.110	(75)	0.448
Other income	3.57	18.60	3.01	(62.87)	8.107
Grant/Donations	-		-	-	0.010
Total	**2,930.79**	8.79	**2,693.866**	**21.69**	**2,213.682**
Expenditure					
Program cost	1,676.69	(16.82)	2,015.706	(7.188)	2,171.820
Salaries & benefits	121.98	9.38	111.515	(0.93)	112.561
Admn & general expenses	44.41	39.21	31.899	(11.31)	35.968

Finance cost	2.78	(33.01)	4.15	(20.19)	5.199
Total	**1,845.86**	(14.67)	**2,163.27**	**(6.978)**	**2,325.55**
Excess of (expenditure over income)/ income over expenditure	1,084.93	104.47	530.596	(375)	(111.668)
Pre measurement loss on defined benefits obligations	(4.17)	(19.19)	(5.160)	108.23	2.478
Total comprehensive income for the year	**1,080.76**	**106.48**	**525.43**	**(360.32)**	**(114.146)**

(Source: Audited Annual Accounts)

Total inflow increased by 8.8% to Rs 2,930.783 million in the year from Rs 2,693.866 million in the year 2021-22. However amount of scholarship disbursed (program cost) decreased by 16.55% from Rs 1,991.23 million in 2021-22 to Rs 1,661.59 million in 2022-23. Decrease in Scholarships needs justification. Similarly PHD level foreign Scholarship also decreased to 09 no scholarship in 2023 from 18 Nos. scholarships in 2022 which also need justification.

2.1.2.2 Land valuing Rs 24.511 million was allocated/ transferred by Government of the Punjab. Management incurred Rs 3.320 million for design during the year 2021-22. However, no change in capital work in progress was observed during 2022-2023. Non-utilization of land needs justification.

2.1.2.3 Tax refund increased to Rs 23.178 million in the year 2022-23 from Rs 0.704 million in 2021-22 registering an increase of 3192.33%. As the company is registered under section-42, exemption of income tax should have been obtained to avoid taxation. Reason for non-obtaining tax exemption needs explanation and refund should be recovered at earliest.

2.1.2.4 Other liability shown as amount of Rs 7.470 million in 2022-23 as compared to Nil in 2021-22. The break up/ detail was not shown in accounts. Justification & schedule of this head may be provided.

2.1.2.5 Foundation paid meeting fee amounting to Rs 3.10 million to members of BoD during 2022-23 as compared to Nil 2021-22, out of which Rs 0.320 million paid to Chief Executive. Approval and legal grounds for the payment of meeting fee paid to the Directors and Chief Executive may be provided.

2.1.2.6 As per rule 4(4) of Corporate Governance Rule, 2013 it was required that chairman will be elected by the BoD except where post is filled by the government. The company failed to comply with the said rule. The reasons for non-appointment of chairman need clarification.

2.1.2.7 Scholarship payable increased from Rs 439.56 million in the year 2021-22 to Rs 581.39 million in the year 2022-23 registering an increase of 32.27%. Early and timely disbursement of scholarship is stressed upon management so that the needy students could be able to attain the benefit of scholarship.

2.1.2.8 Company cash and bank balance increased from Rs 2,322.15 million in the year 2021-22 to Rs 3,030.74 million in the year 2022-23 registering an increase of 30.52%. Company needs to compute its working capital requirement and invest additional funds in short term investment to get a better rate of return. The reasons for non-investing funds in short term investment need justification.

2.1.3 Compliance of PAC Directives

No PAC meeting for the years 2014-15 to 2022-23 has been convened so far.

2.2 Lahore Knowledge Park Company (LKPC)

2.2.1 Introduction

The Lahore Knowledge Park Company (LKPC) was established by the Government of the Punjab to strategize, plan, undertake and oversee the development of knowledge & growth parks. The Lahore Knowledge Park is the company's inaugural and flagship project. LKPC operates under independent Board of Directors, which is comprised of members from Government, Academia and the Industry. It was incorporated in October, 2014 as a not-for-profit, large scale public sector company, registered under Section 42 of the Companies Ordinance, 1984. LKPC is owned by the Higher Education Department, Government of the Punjab. The Company was given possession of a piece of land measuring 802 acres situated at Rakh Dera Chal by Higher Education Department, Government of the Punjab on Bedian Road, Lahore which is the site of the Lahore Knowledge Park.

2.2.2 Comments on Audited Accounts

2.2.3 The management failed to provide annual audited accounts for the years 2018-19 to 2022-23 by December 31, 2023.

2.2.4 Compliance of PAC Directives

PAC meetings for the years 2014-15 to 2022-23 were not convened.

2.2.5 Audit Paras

2.2.4.1 Irregular engagement of individual consultants under short consultancy - Rs 11.160 million

According to the rule-2(1)(ab) of Punjab Procurement Rules 2014, 'short consultancy' means consultancy where the cost of consultancy does not exceed two million rupees for individual consultant and five million rupees for consulting firms and duration of the short consultancies for an individual consultant shall not exceed six months.

During audit of Lahore Knowledge Park Company (LKPC) for the years 2018-2023, it was observed that management appointed four consultants under short term consultancy for six months by collecting three quotations in January 2023. On completion of their contract period i.e. six months, the management again hired them for another six months to accommodate them in violation of PPRA Rules. As the cost of consultancy exceeded two million rupees and period of consultancy was beyond six months hence engagement of individual consultants was held irregular and payment of Rs 11.160 million.

Due to weak internal controls the consultants were hired for another period of six months.

Audit is of the view that management was required to hire consultants by strictly following the PPRA Rules but the same was not done to extend undue favor.

The matter was reported to the management and PAO on October 04, 2023. The management replied that upon joining of regular CEO LKPC, the Board assigned various tasks and assignments with the expectation to be completed at a fast pace, hence the CEO made the appointments. The reply was not convincing as management appointed individual consultants under short term consultancy for six months by collecting three quotations.

The DAC in its meeting held on January 12, 2024 directed the management to produce the work scope/ job descriptions and evidence of re-hiring process of the same consultants for verification to audit. The management did not provide the record till finalization of report.

Audit recommends compliance of DAC's directives.

2.2.4.2 Irregular hiring of Chartered Accountant firms without concurrence of Auditor-General of Pakistan – Rs 4.829 million

In accordance with the provisions of Sub section (2) of Section 15 of the Auditor-General's (Functions, Powers and Terms and Conditions of service) Ordinance, 2001 Auditor-General of Pakistan issued guidelines for appointment of Chartered Accountants firms vide letter No 05/61-AR-111/c/2001 (PF) dated January 02, 2002, in case of appointment of Chartered Accountant Firms by autonomous bodies, the concurrence from office of AGP for the same was required to be obtained by the autonomous bodies.

During audit of LKPC for the years 2017-2023, it was observed that the management appointed chartered Accountant firms for audit of the company during the period 2015-2023 without consultation with Auditor-General of Pakistan and paid an amount of Rs 4.829 million as audit fee. Detail of payment of Chartered Accountant firms. Detail is as under:

(Rs in million)

Audit Year	Payment Date	Name of Audit Firm	Amount (Rs)
2015-16	25.08.2017	Grant Thornton	0.100
2016-17	09.03.2018	EY Ford Rhodes	0.700
2017-18	14.01.2020	EY Ford Rhodes	0.770
2018-19	05.11.2020	EY Ford Rhodes	0.780
2019-20	11.06.2021	EY Ford Rhodes	0.780
2020-21	24.11.2021	EY Ford Rhodes	0.900
2021-22	-	Rehman Sarfraz Rahim	0.399

2022-23	-	Rehman Sarfraz Rahim	0.400
Total			**4.829**

Due to weak internal controls the instructions of the AGP could not be complied.

Audit is of the view that negligence on the part of the management resulted into irregular hiring of Chartered Accountant Firm.

The matter was reported to the management and PAO on October 04, 2023. The management replied that Chartered Accountant Firms for the audit of LKPC were hired after completing all codal formalities of the Punjab Procurement Rules, 2014. The reply was not convincing as the management was required to get the concurrence of the AGP before appointment of Chartered Accountant firms.

DAC in its meeting held on January 12, 2024 directed the management to pursue the case for ex-post facto approval from Auditor-General of Pakistan.

Audit recommends compliance of DAC's directives.

2.2.4.3 Wasteful expenditure due to non-achievement of objectives of the company - Rs 938.980 million

According to Memorandum of Association of LKPC "the primary objective of the Company is to develop, maintain and operate Knowledge Park at the place as required by the Government".

During audit of LKPC for the year 2017-23, it was observed that Company owns 852 acres of land on Bedian Road, Lahore intended for the development of a Knowledge Park to attract foreign investors and universities to establish campuses in Pakistan. The statement of conditions required foreign investors to reinvest their profits within the same institution, preventing them from taking profits back to their home country. The restriction discouraged foreign investors from investing in Pakistan. Additionally, investors were obliged to complete the campus within three years, but due to inadequate infrastructure such as roads and sewerage system, the conditions were not favorable for potential invest to Rs The offered lease period of a maximum of 33 years also failed to attract top universities and reputed institutions due to unfavorable terms and conditions. The LKPC incurred an expenditure of Rs 938.980 million during the years 2014-2023, without any productive work except the award of contract to M/s Infrastructure Development Authority of the Punjab (IDAP) for the construction of boundary wall on September 14, 2017, which was still to be completed.

Due to defective planning, the organization failed to achieve its objectives.

Audit is of the view that the discriminatory terms and conditions outlined in the statement prevented any investor from expressing interest in coming to Pakistan and investing. Consequently, this situation led to the management's failure in accomplishing the company's objectives.

The matter was reported to the management and PAO on October 04, 2023. The management replied that there were certain clauses that need to be revised for attracting international / private sector investments, the Government of the Punjab notified a committee vide notification dated November 22, 2017 to review the issues and way forward of the LKPC. The reply is not convincing as due to defective statement of conditions, LKPC failed to attack foreign investor and did not achieved the objectives.

DAC in its meeting held on January 12, 2024 directed the management to probe the matter at Administrative Department level within 30 days and to request the HED for early constitution of the Board.

Audit recommends compliance of DAC's directives.

2.2.4.4 Non-adherence to standard bidding documents resulting into increase in cost – Rs 53.14 million

According to clause 43.1 of Standard Bidding Documents (SBD) issued by Pakistan Engineering Council, the whole of the Works and, if applicable, any Section required to be completed within a particular time as stated in the Appendix to Tender, shall be completed, in accordance with the provisions of Clause 48, within the time stated in the Appendix to Tender for the whole of the Works or the Section (as the case may be), calculated from the Commencement Date, or such extended time as may be allowed under Clause 44.

During audit of LKPC for the years 2017-2023, it was observed that the management entered into an agreement with M/s IDAP for the purpose of execution of the Civil Works of the project (Package-I) on September 14, 2017. The total project cost was determined, approved and fixed as Rs 751 million. There was no clause regarding timelines of the project included in the agreement and the same was left open ended. The absence of timeframes and LD clauses in the agreement favored the executing agency, leading to an increase in estimated project costs to Rs 804 million by December 31, 2020, with an additional claim of Rs 53.140 million.

The delay and increased costs were a result of not adopting the Standard Form of Bidding Documents and omitting the completion time from the agreement.

Audit is of the view that had the management followed SBD, incorporated timelines of the project and LD clauses in the agreement, the project could have been completed in a short period within approved cost.

The matter was reported to the management and PAO on October 04, 2023. The management replied that court cases caused a delay in the completion of civil works, therefore, the delay in completion of civil works is not the failure of the contractor, thus, LD charges / penalty to contractor may not be imposed. The reply is not convincing as no time limit was defined in the contract and no provision for imposition of LD was included in the contract.

DAC in its meeting held on January 12, 2024 directed the management to probe the matter at Administrative Department level within 30 days and fix responsibility for defective agreement with IDAP.

Audit recommends compliance of DAC’s directives.

Industries, Commerce, Investment and Skills Development Department

Introduction

The Industries, Commerce and Investment Department is one of the major Government Institutions striving to promote industrial development, trade and investment in the province. The main focus of activity is promotion of trade and investment in the province. The Government of the Punjab is keen on creating a business-friendly investment climate in line with the federal government policies and present the Province of Punjab as an attractive investment destination for the entrepreneurs/investors.

(Source: Annual Audited Accounts for 2020-21 & 2021-22

The company's overall income dropped from Rs 1,734.788 million in 2020-21 to Rs 1,652.747 million in 2021-22. Specifically, the income from sales of plots went negative by Rs 81.022 million. This indicates that during 2021-22, the management made payments for returned plots that were initially sold in previous years. This situation requires further explanation and justification as company failed to perform its core function.

3.1.2.3 The return on bank deposits & investments surged from Rs 466.012 million in 2020-21 to Rs 807.049 million in 2021-22, marking a notable 73% increase. This increase suggests a management shift towards relying more on income from bank deposits rather than income from plot sales, which had declined from Rs 183.871 million to a negative of Rs 81.021. It indicated that loans received from the Government for various development projects at a 0.25% markup were invested in bank deposits at higher rates, contributing significantly to operational inefficiency.

3.1.2.4 The amount for bad debts written off increased from 0.114 million in 2020-21 to Rs 11.508 million in 2021-22, marking a staggering increase of 2000%. This significant rise indicates a weak recovery mechanism. Reason for such huge increase and needs improvement by conversion of receivables into receipts within a short period.

3.1.2.5 The accumulated default surcharge due to delays in repayment on Government loans rose from Rs 366.962 million in 2020-21 to Rs 520.620 million in 2021-22, marking a 42% increase. Urgent efforts are required from the management to pursue the waiver of this surcharge/penalty at the earliest possible opportunity.

3.1.2.6 Estate maintenance expense increased from Rs 26.591 million in 2020-21 to Rs 59.043 million in 2021-22 registering an increase of 122%. On the other hand sales receipts were negative in 2021-22. This situation demands immediately curtailment of expenses and increase in income from sale of plots

3.1.2.7 Marketing and promotion expenses increased from Rs 7.850 million in 2022-21 to Rs 13.442 million in 2021-22 registering the increase of 71% while income from the sale of plots was stood negative at Rs (81.022) million in 2021-22. The justification of increase in marketing expenses despite negativity in income from sale of plot needs to be explained.

3.1.2.8 Trade and other payables, inclusive of creditors, escalated from Rs 964.003 million in 2020-21 to Rs 1,829.182 million, marking a substantial 90% increase. Underlying reasons for this significant increase need to be explained despite availability of sufficient funds.

3.1.2.9 Trade receivables includes electricity bills receivables increased from Rs 1,066.476 million in 2020-21 to Rs 1,789.729 million in 2021-22 registering an increase of 68%. Similarly provision for doubtful debts stood as 701.400 million as on June 30, 2023. Strenuous efforts needs to be made for the recovery the amount from the receivable to avoid bad debts.

3.1.2.10 Title of land measuring area 667 acres in Multan Industrial Estate Phase II, 483 acres in Bahawalpur Industrial Estate, 200 acres in Vehari Industrial Estate, 130.11 acres in Chunian

Industrial Estate and 390.75 acres in Bhalwal Industrial Estate had not been transferred in the name of the company. Efforts need to be made by the management to transfer the ownership in the name of the company.

3.1.2.11 Accounts/financial statements for the year 2019-20 have been restated at finalization of next year accounts 2020-21 after January 2023. During restatement under retrospective effect land held for development and resale was decreased by Rs 83.868 million, income due to sale of plot increased by 177.444 and accumulated reserves decreased by Rs 72.882. Reasons for restatement of accounts along with justification thereof need to be shared with audit.

3.1.3 Compliance of PAC Directives

No PAC meeting for the years 2014-15 to 2022-23 has been convened so far.

3.2 Punjab Government Printing Press, Bahawalpur

3.2.1 Introduction

Punjab Government Printing Press, Bahawalpur is rendering printing services to government departments in the province of Punjab.

3.2.2 Comments on Audited Accounts

3.2.2.1 The management failed to submit the annual audited accounts for the years 2008-09 to 2022-23 by December 31, 2023.

3.2.3 Compliance of PAC Directives

No PAC meeting for the years 2014-15 to 2022-23 has been convened so far.

3.2.4 Audit Paras

3.2.4.1 Loss due to non-charging of revised rates - Rs 2.038 million

According to notification No. SO (B&A) 1-14/2021-22(NTR) dated September 15, 2022, the rates of printing labour and binding labour were revised by the Industries Department.

During audit of Punjab Government Printing Press, Bahawalpur for the years 2019-23, it was observed that management charged old rates instead of new rates during the year 2022-23. Further, the cost of plates used for printing of various jobs was also not included in the total cost. Financial impact of these omissions is given as under:-

(Rs in million)

Sr No.	Description	Hours consumed	New rate per hour (Rs)	Old rate per hour (Rs)	Difference of rate less charged (Rs)	Amount (Rs)
	A	**B**	**C**	**D**	**E (C-D)**	**F (B*E)**
1	Printing hours	2,435	120	90	30	0.073
2	Binding hours	35,255	70	40	30	1.057
3	Cost of printing plates					
	Description	Per unit cost		No. of printing plates used		
	Printing plates	Rs 883		1,028		0.908
Total						**2.038**

Due to weak internal controls and lack of effective communication between head office and printing press Bahawalpur, the actual rates were not charged and hence resulted into loss of Rs 2.038 million.

Audit is of the view that calculation of cost of a job/ work order was one of the core components and should have been calculated including actual expenditures incurred but the same was not observed.

The matter was reported to the management and PAO on October 30, 2023. The management replied that rate were revised in July, 2022 and July, 2023 and there was no loss to the Government. The reply was not tenable as new rates were not charged by the management, which caused loss.

DAC in its meeting held on January 12, 2024 directed the management to recover the rate differential.

Audit recommends compliance of DAC's directives.

3.3 Punjab Government Printing Press, Lahore

3.3.1 Introduction

Punjab Government Printing Press, Lahore is rendering printing services to government departments in the province of Punjab since 1914.

3.3.2 Comments on Audited Accounts

1.3.2.1 The management was failed to submit the annual audited accounts for the years 2007-08 to 2022-23 by December 31, 2023.

3.3.3 Compliance of PAC Directives

No PAC meeting for the years 2014-15 to 2022-23 has been convened so far.

3.3.4 Audit Paras

3.3.4.1 Irregular receipt of security deposit from pre-qualified printers in shape of defense saving certificates – Rs 4.611 million

According to sr. no. 8 of the terms and conditions of application form for pre-qualification, after inspection of the press, that applicant should furnish a pay order for Rs 50,000 as security (refundable) in the name of the Superintendent, Government Printing Press, Lahore "A" Class approved printers and security of Rs 25,000 pay order refundable in the name of the Superintendent, Government Printing Press, Lahore for "B" Class approved Printers.

During audit of Printing Press, Lahore for the years 2019-23, it was observed that management retained security from the contractors and pre-qualified printers in the shape of defense saving certificates contrary to the terms and conditions of pre-qualification. Audit scrutinized these defense saving certificates and it was revealed that these certificates were issued in the name of contractors/ suppliers instead of Government Printing Press which means that no security deposit valuing Rs 4.611 million was available.

Due to weak internal controls, terms and conditions of pre-qualification were violated.

Audit is of the view that due care and diligence was not exercised resulting into violation of terms and conditions of pre-qualification. Non-obtaining of security in requisite shape, is a serious lapse at the part of management.

The matter was reported to the management and PAO on October 30, 2023. The management replied that retention of security in the shape of saving certificate was a safest way to safeguard the government interest. The reply was not convincing as it was against the terms and conditions of pre-qualification. Moreover, in case of any default management cannot encash Defense Saving Certificates as they are in the name of contractor.

DAC in its meeting held on January 12, 2023 directed the management to get the matter regularized from Finance Department besides obtaining security in shape of pay order/CDR.

Audit recommends compliance of DAC's directives.

3.3.4.2 Irregular issuance of NOCs resulted into loss due to non-execution of jobs - Rs 114.845 million

According to clause 3.1, Chapter-III of Government printing and stationary manual 1960 the other Government departments are restricted for printing & binding work done except through the superintendent / works manager in whose jurisdiction his office fall or under his advice.

During audit of Printing Press, Lahore for the years 2019-23, it was observed that management issued NOC to different Government departments on the plea that four color printing facility was not available. During scrutiny of record it was revealed that in a number of cases NOC was issued for two color printing, although this facility was available in-house. Audit has noted that printing jobs having value of Rs 114.845 million were not executed in-house and NOCs were issued.

Weak internal controls and insincere efforts of the management, the Department was deprived off revenue generation opportunity amounting to Rs 114.845 million.

Audit is of the view that printing of different jobs is the primary function of the management but above mentioned jobs were not executed in-house and NOCs were issued to the respective departments for getting their printing work from private presses.

The matter was reported to the management and PAO on October 30, 2023. The management replied that four colour printing was not possible for which upgradation of press was requested. The reply was not convincing as NOCs were issued despite having in-house capacity.

DAC in its meeting held on January 12, 2023 directed the management to form a policy for issuance of NOC with the approval of administrative department.

Audit recommends compliance of DAC's directives.

3.3.4.3 Loss due to non-recovery of printing charges – Rs 10.692 million

According to office order dated July 07, 1996 issued by the Controller, Printing & Stationary Department Punjab, rates were fixed for printing of notifications in official gazette of Punjab which were Rs 3,477 per page of the official Gazette.

During audit of Printing Press, Lahore for the years 2019-23, it was noted that Rs 3,477 per page was fixed for printing of official notifications. Scrutiny of record revealed that two departments i.e. Law Department and Provincial Assembly Secretariat were not paying the charges. An amount of Rs 10.692 million (approx.) was recoverable from these departments.

Due to weak internal controls and management practices printing charges could not be billed and recovered from Law Department and Provincial Assembly Secretariat.

Audit is of the view that due diligence was not exercised while running the affairs of Printing Press Lahore resulting into loss to the department.

The matter was reported to the management and PAO on October 30, 2023. The management replied that bills regarding printing of Gazette Notification sent to both the departments for payment amounting to Rs 38.331 million. The reply was not tenable as huge amount of Rs 38.331 million could not be realized due to non-billing since long.

DAC in its meeting held on January 12, 2024 kept the para pending with the directions to effect recovery.

Audit recommends compliance of DAC’s directives.

Chapter-4

Irrigation Department

Introduction

Irrigated agriculture is the major determinant of economic growth potential as it accounts for 26 % of the GDP and caters for over 40 % of the province's work force. Over 9% of agricultural output in Punjab comes from farmlands irrigated by one of the largest contiguous irrigation systems in the world. The colossal irrigation conveyance network is serving 21 million acres (8.4 million hectare) cultivable command area with cropping intensities generally exceeding 120%. Water is a critical resource for sustainable economic development of Pakistan and in this respective irrigated agriculture is of great importance in the socio-economic life of the country. Punjab Irrigation Department has a long term vision for Irrigation Sector to provide adequate, equitable and reliable irrigation supplies to the cultivable lands of Punjab aiming at enhanced agricultural productivity with focus on broad based institutional reforms.

Mughalpura Irrigation Workshop (MIW)

4.1.1 Introduction

Irrigation Workshops Division, Mughalpura, Lahore was established in 1942 for the purpose of manufacturing and installation of gates, hoists machinery at river head works and canal regulators.

4.1.2 Comments on Audited Accounts

The management failed to provide annual audited accounts of the Workshop for the year 2011-12 to 2022-23 by December 31, 2023

4.1.3 Compliance of PAC Directives

Audit Report	Total Paras	Compliance received	Compliance not received	Percentage of compliance
1985-86	24	21	3	88%
1986-87	19	12	7	63%
1988-89	18	15	3	83%
2001-02	1	0	1	0%
2006-07	3	1	2	33%
2009-10	3	0	3	0 %
Total	**92**	**73**	**19**	**79%**

Although overall percentage of compliance of PAC directives was 79% but the compliance for the 2001-02 and 2009-10 was 0%, which needs improvement.

4.1.4 Audit Paras

4.1.4.1 Irregular payment to employees for purchase of material from local shopkeepers through cash memos – Rs 17.407 million

According to rule-12(1) of Punjab Procurement Rules 2014 "a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority". Further Rule 8," a procuring agency shall, within one month from the commencement of a financial year, devise annual planning for all proposed procurements with the object of realistically determining the requirements of the procuring agency, within its available resources".

During audit of Mughalpura Irrigation Workshop (MIW) for the years 2018-23, it was observed that management purchased similar nature of material into piece meal from local market and payment valuing Rs 17.407 million paid was to the employees through advance payment/hand receipt. Hence, this procurement considered irregular by audit. Further, it was also noted that a consolidated amount was withdrawn from Treasurer Office through self cheque in favour of XEN MIW and an advance was paid to the employees who produced Cash memo bill (a hand written bill having consecutive serial numbers in most of the cases) from a local shopkeeper on consecutive dates for adjustment. Hence, an amount of Rs 17.407 million paid to employees on the basis of cash memo bill was considered irregular by audit.

Due to weak internal controls and non-observance of PPRA Rules, the said exercise was made by the management.

Audit is of the view that payment of Rs 17.407 million in violation of PPRA Rules was irregular.

The matter was reported to the management and PAO on October 11, 2023. The management replied that payment was made to different sub engineers against passed vouchers in observation of the PPRA Rules. The reply was not tenable as PPRA Rules were not observed.

DAC in its meeting held on December 07, 2023 did not accept the contention of the management and showed serious concern on this practice and directed that matter be probed through Administrative Department within 60 days for fixing responsibility.

Audit recommends compliance of DAC's directives.

4.1.4.2 Irregular procurement of material into piece meal through quotations in violation of PPRA Rules – Rs 39.419 million

According to rule-12(1) of Punjab Procurement Rules 2014 "a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority". According to rule 8,"a procuring agency shall, within one month from the commencement of a financial year, devise annual planning for all proposed procurements with the object of realistically determining the requirements of the procuring agency, within its available resources". According to rule 15, " a procuring agency may procure goods, services or works through framework contract in order to ensure uniformity in the procurement".

During audit of MIW for the years 2018-23, it was observed that management purchased similar nature of material (electrodes, grinders, grinders disks, manila ropes and plates) into piece meal from local market through quotation and paid Rs 39.419 million in violation of PPRA Rules which was held irregular.

Due to weak internal controls and non exercising of due diligence practice the said procurement valuing Rs 39.419 million was made in violation of PPRA Rules.

Audit is of the view that purchase of similar nature of material into piece meal valuing Rs 39.419 million through quotation showed violation of PPRA Rules.

The matter was reported to the management and PAO on October 11, 2023. The management replied that the procurement was carried out in view of the need and requirement of job from time to time. The reply was not tenable as piece meal purchase of material was made in violation of PPRA Rules.

DAC in its meeting held on December 07, 2023 did not accept the contention of the management and directed the management to get the said procurement regularized from Finance Department.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2019-20 vide para number 6.1.4.2 having financial impact of Rs 16.021 million. Recurrence of same irregularity is a matter of serious concern.

4.1.4.3 Irregular procurement of electrodes and oxygen gas cylinder without press advertisement – Rs 9.129 million

According to rule-12(2) of Punjab Procurement Rules 2014 "any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu".

During audit of MIW for the years 2018-23, it was observed that the management procured M.S electrodes and oxygen gas cylinder valuing Rs 9.129 million during 2020-21 through quotations without giving press advertisement in violation of PPRA Rules. Hence, these procurements considered irregular by audit. Detail is as under:

(Rs in million)

Sr. No.	Detail of Material	Date	Amount (Rs)
1	M.S Electrodes	2020-21	4.807
2	Oxygen Cylinder	2020-21	4.322
Total			**9.129**

Due to weak internal controls, procurement of Rs 9.129 million was made in violation of PPRA Rules.

Audit is of the view that the said procurement was made by splitting only to avoid tender procedure.

The matter was reported to the management and PAO on October 11, 2023. The management replied that the said material was procured on day to day basis from Government contractors. The reply was not tenable because at the time of approval of engineering estimates total quantity of required material was worked out. In case the estimated cost of material crossed the PPRA Rules limit then rule 12(1) or rule 12(2) of PPRA Rules were to be followed.

DAC in its meeting held on December 07, 2023 did not accept the viewpoint of the management and directed to investigate the matter through Administrative Department within 60 days and fix responsibility.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2019-20 vide para number 6.1.4.3 having financial impact of Rs 9.812 million. Recurrence of same irregularity is a matter of serious concern.

4.1.4.4 Irregular procurement of POL from different suppliers without press advertisement – Rs 36.191 million

According to rule-12(2) of Punjab Procurement Rules 2014 "any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu".

During audit of MIW for the years 2018-23, it was revealed that the management procured POL valuing Rs 36.191 million from different suppliers during 2018-19, 2019-20 & 2020-21 without giving press advertisement in violation of PPRA Rules. Hence, this procurement considered irregular by audit.

Due to weak internal controls and non-following of due diligence exercise the said procurement of Rs 36.191 million was made by in violation of PPRA Rules.

Audit is of the view that non-observance of PPRA Rules indicated a serious lapse on the part of the management.

The matter was reported to the management and PAO on October 11, 2023. The management replied that the procurement of POL was made from approved dealers according to estimates for completion of different jobs. The reply was not convincing because during verification, audit demanded the authorization letter for bulk supply of POL issued by distribution company in favour of dealers from whom POL was procured. No such record was provided by the management.

DAC in its meeting held on December 07, 2023 showed its concern and directed the management to probe the matter under Administrative Department and fix responsibility.

Audit recommends compliance of DAC's directives.

4.1.4.5 Huge expenditure incurred on repair & maintenance of vehicles & generators – Rs 6.538 million

As per Rule-2.10 of the Punjab Financial Rules Vol-I, every public officer is expected to exercise the same vigilance in respect of expenditure incurred from public money, as a person of ordinary prudence would exercise in respect of expenditure of his own money.

During audit of MIW for the years 2018-23, it was observed that management paid a huge expenditure of Rs 6.538 million on repair & maintenance of vehicles and generators during the years 2018-19, 2019-20 & 2020-21. It was also noted that most of the expenditures were of recurrence in nature and met through hand receipt/advance issued to the employees. Hence, considered unjustified.

Due to weak internal controls and weak administrative management an huge expenditure of Rs 6.538 million incurred on repair & maintenance.

Audit is of the view that recurrence of huge expenditures incurred on repair and maintenance of vehicle needed inquired.

The matter was reported to the management and PAO on October 11, 2023. The management replied that to keep the vehicles functional and ready for inspection of sites all over the Punjab, above repair & maintenance cost on vehicles was incurred. The reply was not tenable because during 2018-19 to 2020-21 management could not acquire a single job.

DAC in its meeting held on December 07, 2023 showed its concern and directed that the matter be probed under the Administrative Department for fixing responsibility.

Audit recommends compliance of DAC's directives.

Labour and Human Resource Department

Introduction

Labour & Human Resource Department Punjab is established under the Punjab Government Rules of Business, 1974.

The mission is to "Promote the Welfare and Protecting the Rights of Labour Force and Workmen".

Purpose/ Objectives

5.1 Punjab Employees Social Security Institution (PESSI)

5.1.1 Introduction

Punjab Employees Social Security Institution (PESSI) was established in 1965 under the Provincial Social Security Ordinance, 1965. It has 10 major hospitals, 5 mini hospitals, 37 injury treatment centers, 128 dispensaries and 84 medical posts in the province for the provision of health facilities to the employees of notified units. Objective of the institution is introduction of a scheme of social security for providing benefit to secured workers and their dependents in the event of sickness, maternity, employment injury or death.

5.1.2 Comments on Audited Accounts

The management failed to provide annual audited accounts for the years 2012-13 to 2022-23 by December 31, 2023.

5.1.3 Compliance of PAC Directives

Audit Report	Total Paras	Compliance received	Compliance not received	Percentage of compliance
1985-86 to 1998-99	4	4	0	100%
1999-00	1	0	1	0%
2000-01	9	5	4	56%
2001-02	1	0	1	0%
2006-07	13	13	0	100%
2009-10	7	1	6	14%
2010-11	10	0	10	0%
2011-12	20	0	20	0%
Total	**65**	**23**	**42**	**35%**

Overall compliance is 35% which is not satisfactory and need special attention of PAO.

5.1.4 Audit Paras

5.1.4.1 Irregular award of contract of construction work of Social Security Medical Directorate at Sargodha – Rs 22.124 million

According to rules-25(3&4) of PPRA, any information that becomes necessary for bidding or for bid evaluation, after the invitation to bid or issue of the bidding documents to the prospective bidders, shall be provided in a timely manner and on equal opportunity basis. Where any change becomes essential in the procurement process, such change shall be made in a manner similar to that of the original advertisement. Further, according to rule 59(c)(iv) of Punjab Public Procurement Rules 2014, repeat orders not exceeding fifteen percent of the original procurement.

During audit of Punjab Social Security Institution for the year 2022-23, it was observed that the management floated a tender on June 21, 2021 for construction of Social Security Medial Directorate at Sargodha. The management issued work order for Rs 22.124 million. During the excavation of work of the project, it was observed that the water table of the proposed site is just four feet below the surface level. Due to bearing capacity of the soil was found very weak and structure of the building was rejected on this type of surface and scope was structure changed from Bricks to RCC structure. The amount of work was enhanced to Rs 39.30 million which was 77% excess of the original work. Due to the change in scope of work, a revised tender should be advertised for obtaining competitive rates as per rules.

Due to weak internal controls, management awarded work of enhanced scope without tender and granted undue benefits to the contractor.

Audit is of the view that management should have floated the revised tender due to change in scope and amount.

The matter was reported to the management and PAO on December 11, 2023. The management replied that the contractor was immediately deputed to commence the construction work at site due to ongoing litigation in the High Court vide WP No.65143/2019. The reply of the management is not convincing as the writ petition was filed in 2019 by Mr. Waqar a Sheikh. Work was awarded in September 15, 2021 and work started in Feb 2022 which negate the instance of the emergency.

DAC in its meeting held on January 22, 2024 directed the management to provide decision of the BoG regarding award of contract to the contractor without advertisement. The management provided the record which did not support its stance.

Audit recommends compliance of DAC's directives.

5.1.4.2 Un-justified procurement of Air Fluidized therapy bed without demand and need – Rs 29.988 million

According to para-71 of the Staff Instructions (Volume-I) of PESSI, it is the duty of every member of the staff of institution to safeguard the money or other property of the Institution by cooperating in the strict observance of the instructions which follow, particularly those which are designed to act as safeguard against error and fraud.

During audit of PESSI, Lahore for the year 2022-23, it was observed that the management procured two Air Fluidized Therapy Beds vide supply order dated March 03, 2022 for Rs 29.988 million (Euro 149,691) from M/s Clinical Life Inc, Lahore for SS Hospital Shahdara. At the time of delivery to the Hospital for utilization of beds, the management of the he concerned hospital informed the Head Office that they were not demanded said beds. The matter was placed before the Governing Body of PESSI in its 158th meeting held on Nov 11, 2022 and decided to conduct a fact finding report regarding procurement of Air Fluidized Beds without need/demand. As per fact finding report that there was no arrangement of proper unit/utilized burn care before the purchase of said beds and no demand of beds from SSH Shahdara was found. The beds are still at store of PESSI and unutilized, but no responsibility was fixed against the person (s) at fault. Thus, management procured beds of Rs 29.988 million without demand/need.

Due to weak internal management procured beds without any need.

Audit is of the view that management should fix the responsibility on the person (s) at fault.

The matter was reported to the management and PAO on December 11, 2023. The management replied that before establishment of 8-10 bedded Burn Unit the beds will be placed in the Surgical-ICU. The reply was not convincing as the beds were purchased without any demand and need.

DAC in its meeting held on January 22, 2024 directed the management to make road map for construction of burn unit and utilization of beds.

Audit recommends compliance of DAC’s directives.

5.1.4.3 Non implementation of HMIS at PESSI Hospitals after completion of the contract - Rs 650.00 million

According to Project Document signed between PESSI and PITB regarding implementation of HMIS at sixteen Hospitals of PESSI, HMIS will be implemented in the hospitals in a period of two years in two phases. The gestation of this project will be from November 2021 to October 2023.

During audit of PESSI, Lahore for the year 2022-23, it was observed that Governing Body of the PESSI in its 152nd meeting held on August 31, 2021 accorded administrative approval for implementation of Health Management Information System (HMIS) at 16-Hospitals within two years from Nov 2021 to October 2023 with tentative cost of Rs 650 million. PESSI management contacted PITB and signed agreement on Dec 27, 2021 with PITB for implementation of HMIS at hospitals for Rs 650 million. The gestation period of the project was completed but only four (4) modules are functional out of thirty (30) modules.

Audit is of the view that management must have taken up the issue with PITB higher authorities as the project period is completed but implementation is remained unsatisfactory and incomplete.

The matter was reported to the management and PAO on December 11, 2023. The management replied that gestation period of the project has been extended upto April 30, 2024. The reply was not convincing as the HMIS was not implemented.

DAC in its meeting held on January 22, 2024 directed the management to implement the HMIS at PESSI hospitals.

Audit recommends compliance of DAC's directives.

5.1.4.4 Loss due to non-recovery from employers despite deciding the case under Section-57 in favor of PESSI – Rs 162.586 million

Any person aggrieved by a decision of the Institution under section 57 or on a review under section 58 may appeal to the appropriate Social Security Court.

During audit of PESSI, Lahore for the year 2022-23, it was observed that some employers made appeal to Commissioner U/S 57 of PESSI Ordinance, 1965 against the social security contribution claimed by the PESSI management. The cases were decided during 2022-23 in favor of PESSI. These employers neither filed review appeal U/S 58 nor made appeal U/S 59 to Social Security Court. Thus, the PESSI management was required to recover the amount of social security contribution in light of decision U/S 57 of PESSI Ordinance but the same was not recovered so far resulted loss of Rs 162.586 million to the Institution. Detail is in A**nnex-9**.

Audit is of the view that the management should recovered the amount on priority basis from the employers after decision U/S 57 but no efforts was made by management resulted non-recovery of social security contribution.

The matter was reported to the management and PAO on December 11, 2023. The management replied that an amount of Rs 6.430 million has been recovered out of Rs 169.017 million. the reply was not convincing as the whole amount must be recovered.

DAC in its meeting held on January 22, 2024 directed the management to recover the remaining amount.

Audit recommends compliance of DAC's directives.

5.1.4.5 Loss due to non-recovery of contribution under the Land Revenue Act – Rs 138.538 million

According to clause-23 of PESSI Ordinance, 1965, the amount of the contributions due, together with the increase provided for under sub-section (1), may be recovered as arrears of land-revenue.

During audit of PESSI Directorates of Social Security Lahore (City & South), Faisalabad (North) and Gujranwala for the years 2022-23, it was observed that the number of units were proceeded as per Land Revenue Act valuing Rs 141.854 million and only Rs 3.315 million recovered as detailed below:

(Rs in million)

Sr. No.	Name of directorate	No of cases proceeded under LRA current year	Amount Involved (Rs)	Amount recovered (Rs)	Amount Pending (Rs)
1.	Faisalabad (North)	29	14.912	0.279	14.632
2.	Gujranwala	27	27.763	0.471	27.292
3.	Lahore (City)	19	19.734	2.565	17.169
4.	Lahore (South)	18	79.445	0	79.445
	Total	**93**	**141.854**	**3.315**	**138.538**

This resulted in increase in arrears and in number of cases proceeded against under Land Revenue Act.

Audit is of the view that non-pursuance of the provisions of Land Revenue Act is the cause of loss and this irregularity.

The matter was reported to the management and PAO on December 11, 2023. The management replied that that Directorates are continuously making efforts to recover the amount of current as well as previous arrears. The reply was not convincing as under the Land Revenue Act management was required to make efforts for recovery.

DAC in its meeting held on January 22, 2024 directed the management to recover the amount.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2020-21 vide para number 5.1.4.4 having financial impact of Rs 13.543 million. Recurrence of same irregularity is a matter of serious concern.

5.1.4.6 Loss due to less receipt of dues from the University of Lahore - Rs 78.94 million

According to agreements executed between the University of Lahore with SSH Multan Road Lahore and with SSH Gujranwala on Feb 09, 2022 and May 16, 2022 respectively, the University shall pay 5% of tuition fee, honorarium to consultant of the Hospitals, contribution to SS Hospitals in the form of medical equipment. Nonpayment in this behalf shall be considered a valid ground for the termination of the agreement.

During audit of PESSI Social Security Hospital, Multan Road, Lahore and Gujranwala for the period 2022-23, it was observed that University of Lahore was bound to pay certain payment to hospitals as per agreements mentioned above. The university of Lahore did not pay of Rs 78.94 million to the PESSI hospitals. Detail is as under:

(Rs in million)

Sr. No.	**Clause of agreement**	**Amount to be paid as per agreements (Rs)**		**Amount actually received (Rs)**		**Difference of Receipt (Rs)**		**Total Non/Less Receipt (Rs)**
		Lahore Hospital	**Gujranwala Hospital**	**Lahore Hospital**	**Gujranwala Hospital**	**Lahore Hospital**	**Gujranwala Hospital**	
0	**1**	**2**	**3**	**4**	**5**	**6 (2-4)**	**7 (3-5)**	**8 (6+7)**
1	University shall pay 5% tuition fee (annual/ semester fee) of the Hospitals	19.817	1.950	5.543	0.243	14.274	1.701	15.975
2	University shall pay honorarium of the consultants of the Hospitals	Paid as per agreement	2.700	Paid as per agreement	1.035	0	3.735	3.735

	on in the form of medical equipment							
Total								**78.94**

Due to weak internal controls, management failed to recover the certain amounts from the university.

Audit is of the view that management should have received the amount as per agreement from the university.

The matter was reported to the management and PAO on December 11, 2023. The management replied that the an amount of Rs 33.77 million received against medical equipment and recovery of the remaining dues are being pursue. The reply was not convincing as the management was required to recover all dues as per agreements.

DAC in its meeting held on January 22, 2024 directed the management to recover the remaining amount from University of Lahore.

Audit recommends compliance of DAC's directives.
(DP Nos: 461,462,464,470)

5.1.4.7 Non-payment of Punjab Sales Tax to Punjab Revenue Authority - Rs 46.041 million

According to section 14 (3) of Punjab Sales Tax Act 2012,where a person or class of persons is required to collect full or part of the tax on the provision of any taxable service or class of taxable services and either fails to collect the tax or having collected the tax, fails to deposit the tax in the Government treasury, such person or class of persons shall be personally liable to pay the amount of tax to the Government in the prescribed manner.

During audit of PESSI, Lahore for the year 2022-23, it was observed that the Punjab Revenue Authority issued show cause notice dated August 24, 2023 to PESSI on account of management received taxable services for the financial year/periods from July 01, 2020 to June 30, 2021. Whereas it has been explicitly specified that PESSI was required to withhold/deduct and deposit the Punjab Sales tax but failed to make payment of Punjab Sales tax due on taxable services received for the said tax periods. As per the record available from PRA, PESSI have received taxable services of Rs 630.346 million during the tax period mentioned above but failed to deposit the amount of sales tax of Rs 46.041 million.

Due to weak financial controls, management failed to hold/deduct the sales tax as per rules.

Audit is of the view that management should recover the amount of Sales tax being withholding agent of PRA.

The matter was reported to the management and PAO on December 11, 2023. The management replied that that PESSI is going to be file an appeal against said recovery order which is under process. The reply was not convincing as the management was required to recover the tax as per rules.

DAC in its meeting held on January 22, 2024 directed the management to resolve the issue with tax authorities.

Audit recommends compliance of DAC's directives.

5.1.4.8 Loss due to non-pursuance for recovery of social security contribution from the units since long - Rs 6.732 million

According to rule-71 of the Staff Instruction Volume-I of PESSI, it is the duty of every member of the staff of institution to safeguard the money or other property of the Institution by cooperating in the strict observance of the instructions which follow, particularly those which are designed to act as safeguard against error and fraud.

During audit of PESSI Social Security Directorate City, Lahore for the period 2022-23, it was observed that the files of the certain units maintained at Directorate office showed that management did not pursue the recovery of Rs 6.732 million outstanding against the unit on account of social security contribution since long. Detail is in **Annex-10**

Due to weak internal controls a huge amount of the contribution is still recoverable, but management did not pursue nor taken any effort to recover the said amount.

Audit is of the view that management must have made efforts to recover the long outstanding dues from the units.

The matter was reported to the management and PAO on December 11, 2023. The management replied that recovery of the contribution is pursuing regularly under the rules. The reply was not convincing as the dues are old but still recoverable.

DAC in its meeting held on January 22, 2024 directed the management to recover the long outstanding dues.

Audit recommends compliance of DAC's directives.

5.1.4.9 Loss due to non-recovery of contribution from newly registered units – Rs 4.162 million

According to clause 66 (1b&f) of PESSI Ordinance, 1965, if any person fails to pay any contribution which under this Ordinance he is liable to pay or he is guilty of any contravention of, or non-compliance with, any of the requirements of this Ordinance or the rules or the regulations, he shall, be punished with imprisonment which may extend to three months, or with fine or with both.

During audit of PESSI, Lahore for the period 2022-23, it was observed that the management of different Directorates registered new units under the Ordinance and issued notices for recovery on account of Social Security Contribution of Rs 7.560 million. The amount of Rs 3.398 million recovered leaving a balance of Rs 4.162 million. The management failed to recover this amount due to which PESSI suffered loss. The detail is as under:-

(Rs in million)

Name of Directorate	**Amount Not recovered (Rs)**
Lahore South	0.093
Lahore City	1.626
Faisalabad North	0.664
Faisalabad West	1.779
Total	**4.162**

Due to weak operational controls, management suffered loss on account of non recovery of contribution from newly registered units.

Audit is of the view that the management should have contacted with the employers for recovery receipt of said amount and in case of non-recovery, legal action should have been taken for recovery of said amount but nothing was made.

The matter was reported to the management and PAO on December 11, 2023. The management replied that recovery of the contribution is pursuing regularly under the rules. The reply was not convincing as the dues are old but still recoverable.

DAC in its meeting held on January 22, 2024 directed the management to recover the dues.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2021-22 vide para number 5.1.4.8 having financial impact of Rs 6.768 million. Recurrence of same irregularity is a matter of serious concern.

5.1.4.10 Loss due to non-recovery of medical expenses from State Life Insurance Company under Sehat Sahulat Card - Rs 1.734 million

According to clause-3.1 of agreement executed between SSH Multan Road Lahore (Provider) and State Life Insurance Company executed on April 28, 2022, the provider will be reimbursed for services rendered as per the agreement against a package rate treatment fee schedule.

During audit of PESSI Social Security Hospital, Multan Road, Lahore, Gujranwala and Faisalabad for the period 2022-23, it was observed that management of hospitals claimed medical expenses for Rs 6.11 million, Rs 1.977 million and Rs 0.678 million respectively from the State Life Insurance Company (SLIC) from time to time as per policy. The amount of Rs 1.252 million, 0.368 million and Rs 0.114 million is still outstanding of the medical claims of hospitals against SLIC.

Due to weak internal controls management failed to recover the dues Rs 1.734 million from the insurance company.

Audit is of the view that management failed to claim the medical expenses from the SLIC as per agreement.

The matter was reported to the management and PAO on December 11, 2023. The management replied that recovery of the dues was being pursued. The reply was not convincing as the dues were still recoverable.

DAC in its meeting held on January 22, 2024 directed the management to recover the long outstanding dues.

Audit recommends compliance of DAC's directives.

5.1.4.11 Loss due to less recovery of electricity cost from the residents of the hospital colony - Rs 2.014 million

According to rule-71 of the Staff Instructions(Volume-I) of PESSI, it is the duty of every member of the staff of institution to safeguard the money or other property of the Institution by cooperating in the strict observance of the instructions which follow, particularly those which are designed to act as safeguard against error and fraud.

During audit of PESSI Social Security Hospital, Multan Road, Lahore for the period 2022-23, it was observed that Hospital has 29-residences for the officers and officials. All residents used electricity from the hospital and paid bills through sub electricity meters installed at each residence by the hospital authorities. The calculation of the units for charging of electricity cost revealed that management added KWh and KVARh units for obtaining average unit cost which is incorrect due to which less unit cost charged to the residence. As per LESCO billing only KWh units considered for billing purpose instead of KVARh units. Thus, management suffered a loss of Rs 2.014 million due to less charging of unit cost from the residents of the colony. Detail as **Annex-11.**

Due to weak financial management, hospital suffered loss due to less charging of electricity cost to the residents of the hospital.

Audit is of the view that management should have charged as per unit cost of the LESCO billing.

The matter was reported to the management and PAO on December 11, 2023. The management replied that a Committee consisting of DMS (General) and concerned Clerk for billing has been constituted to probe the matter, which has recommended that it has been done due to wrong calculation of electricity bills, however, the recovery from the concerned quarters is in process.

DAC in its meeting held on January 22, 2024 directed the management to recover the amount at the earliest and install separate electricity meters for the residences.

Audit recommends compliance of DAC's directives.

5.1.4.12 Loss due to non-recovery of contribution from employers – Rs 2.22 million

According to clause 66 (1b&f) of PESSI Ordinance, 1965, if any person fails to pay any contribution which under this Ordinance he is liable to pay or is guilty of any contravention of, or non-compliance with, any of the requirements of this Ordinance or the rules or the regulations, he shall, be punished with imprisonment which may extend to three months, or with fine or with both.

During audit of PESSI, Lahore for the year 2022-23, it was observed that the management of different Directorates of Social Security received cheques from employers on account of Social Security Contribution. When these cheques were presented in banks, 83-cheques valuing Rs 2.22 million were declared as dishonoured due to non-availability of funds. Thus, management suffered loss due to non-encashment of cheques provided by employers.

Due to weak financial controls, management suffered a loss on account of dishonoured cheques.

Audit is of the view that the management should have contacted with the employers for recovery of said amount and in case of non-recovery, legal action should have been taken for recovery of said amount but nothing was made.

The matter was reported to the management and PAO on December 11, 2023. The management replied that recovery from the concerned units is in process.

DAC in its meeting held on January 22, 2024 directed the management to recover the amount of dishonoured cheques.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2021-22 vide para number 5.1.4.5 having financial impact of Rs 76.062 million. Recurrence of same irregularity is a matter of serious concern.

5.1.4.13 Loss due to non-recovery of upper wage ceiling from employer despite dismissal of appeal by High Court – Rs 123.652 million

According to rule-71 of the Staff Instructions(Volume-I) of PESSI, it is the duty of every member of the staff of institution to safeguard the money or other property of the Institution by cooperating in the strict observance of the instructions which follow, particularly those which are designed to act as safeguard against error and fraud.

During audit of PESSI, Lahore for the year 2022-23, it was observed that some employers were not observing the minimum wage rate announced by the Government of the Punjab for calculation and payment of social security contribution. These units filed intra court appeals against the levy of minimum wage rate ceiling for calculation of social security contribution and the honorable court granted stay orders against the notifications. The Lahore High Court dismissed the appeal against the demand of social security contribution on the basis of minimum wage rate on Jan 19, 2022. Despite dismissal of appeal by Lahore High Court social security contribution valuing Rs 123.652 million was not recovered by the management till to date as detailed below:

(Rs in million)

Sr. No.	**No of employers**	**Amount (Rs)**
1	M/s Abdul Rehman Corporation	9.459
2	M/s Cresent Textile Mills	111.060
3	M/s RafhanMaiz Products	3.133
	Total	**123.652**

Due to weak internal controls management failed to recover the amount from the employers after decision of the court.

Audit is of the view that due to non-compliance of provisions of the social security ordinance, minimum wage rate announced by Government of the Punjab by employers was the cause of irregularity.

The matter was reported to the management and PAO on December 11, 2023. The management replied that M/s Rafhan Maiz Product, M/s. Abdul Rehman Corporation and M/s. Crescent Textile Mills have filed complaint under section 57 of PESS Ordinance 1965, therefore, the matter regarding recovery of contribution shall be taken up after the decision of learned Adjudicating Officer. The reply was not convincing as the court has been decided in the favor of PESSI then the PESSI Adjudicating officer must be decided at the earliest and recovered the dues from the employers

DAC in its meeting held on January 22, 2024 directed the management to pursue the matter vigorously for early recovery of outstanding dues from the employers.

Audit recommends compliance of DAC's directives.

Chapter-5

Livestock & Dairy Development Department

Introduction

Livestock is a rising sector as its contribution to the national economy is growing continuously. Apart from this, livestock is an active employer of thousands of landless poor, subsistence and semi-subsistence small farmer families. In short, livestock and its products are directly linked to the economy of small and medium-sized farmers. It is a major source of active food and adds significantly to the health, nutrition, and wellbeing of rural as well as urban consumers. Despite the critical importance of the subjected sector, its achievements, problems, and future prospects are not emphasized in the overall developmental plans. In a country like Pakistan, data regarding livestock is not readily available and is mostly scattered. Livestock and Dairy Development Department, Punjab is rendering different services to the livestock sector of the province through its infrastructure network in the field. In addition to the efforts being done at the government level, more focus is required to promote the livestock sector on market-oriented and demand-driven basis both in the public and private sectors for socio-economic uplift of the rural masses for achieving the ultimate goal of poverty alleviation.

Vision

Sustainable development in the livestock sector to ensure food security, enhanced competitiveness, quality life of stakeholders with exportable surpluses

Mission

To support livestock development in a policy environment that enables farmers to realize the dividends of livestock farming by smartly deploying public investments in core public goods, and inducing private capital/initiative in the sector for poverty alleviation, food security and generation of exportable surpluses

New Initiatives

The department is working on the following new initiatives:

- Kissan Livestock Baithak
- Genetic Improvement of Non-Descript Cattle in Punjab
- Establishment of Double Shift Veterinary Hospitals
- Provision of Ultra sonography facilities at Divisional Veterinary Hospitals
- Approval of Dog Population Control Policy
- TNVR Project
- Animal Nutrition Enhancement through Provision of Silage making machines to the farmers
- Establishment of New CVDs and MVDs
- Up-gradation of Civil Veterinary Hospitals and Diagnostic Labs at Divisional level
- Formulation of Livestock Policy, 2021
- Establishment of disease free zones/compartments for FMD
- Initiation of Punjab Animal Health Rules
- Development of gene pool for robust breed improvement

(Source: Annual Audited Accounts for the years 2016-17 to 2021-22)

As at the reporting date June 30, 2022 Company's general fund is negative by Rs 623.17 million and its current liabilities exceed its current assets by Rs 1,583.74 million. These conditions along-with other matters may cast significant doubt about the company's ability to continue as a going concern. Management may devise a comprehensive business plan to make the company viable in future.

6.1.2.2 Financial Statements for the year 2021-22 states that provision for markup on long term loans amounting to Rs 18.13 million has not been recorded in the books of account in view of the company's request to the Government of the Punjab to convert these loans into equity or grant with waiver of mark up. Management is stressed to make efforts for early conversion of loans into equity/ grant or to recognize the amount of mark up in the books of account.

6.1.2.3 Financial Statements for the year 2021-22 indicates that no provision in respect of claim of return on amount due to Mashad Meat Industrial Complex (MMIC) has been made in the books of account. MMIC is claiming markup at the rate of 5% per annum from the year 2015. Non-settlement of matter with the party and non-recognition of amount of markup in the books of accounts needs immediate attention of the management.

6.1.2.4 Store, spares and loose tools increased from Rs 3.343 million in the year 2020-21 to Rs 4.899 million in the year 2021-22 registering an increase of 46.55%. Increase in stores, spares and loose tools along with detail of requirement for procurement and its subsequent utilization needs clarification as no note was given in the financial statements.

6.1.2.5 Advances to staff for expenses valuing Rs 0.709 million and Rs 1.010 million were given during the years 2020-21 and 2021-22 respectively. Complete detail of advances including relevant provisions allowing the management to give advances to staff for expenses, detail of expenses incurred and latest position may be provided.

6.1.2.6 Other receivables include an amount of Rs 29.474 million receivable on account of income tax refunds/ advance income tax as on June 30, 2022. The company is established as not for profit organization and is exempted from tax. Management should make serious efforts for early recovery of tax refunds.

6.1.2.7 Trade and other payables decreased from Rs 276.941 million in the year 2020-21 to Rs 274.107 million in the year 2021-22 registering a decrease of 1.02% only. This shows that management could not pay off its liabilities timely which needs justification.

6.1.2.8 Other income for the year 2020-21 includes an amount of Rs 3.910 million as balance written back on termination of lease. Complete detail of this balance including the nature, history and approval from competent authority may be provided for ensuring the authenticity.

6.1.2.9 Stores, spares and loose tools consumed under the head operating expenses increased from Rs 8.506 million in the year 2020-21 to Rs 15.466 million in the year 2021-22 registering an increase of 81.82%. Huge increase in these expenses needs clarification along with complete detail including nature, approval, requirement and consumption of these tools.

6.1.2.10 An amount of Rs 1.026 million was incurred in respect of legal and professional expenses in the year 2020-21. Huge amount was incurred which needs justification including detail of method adopted for hiring of experts, requirement for hiring and disposal of cases.

6.1.2.11 An amount of Rs 4.793 was shown as additions under the head machinery and equipment in the year 2018-19. Complete detail of procurement including requisition raised by the concerned department, its approval, mechanism adopted for procurement and its utilization may be provided.

6.1.2.12 Other receivables include an amount of Rs 4.964 million as receivable from subsidiary company in the year 2017-18. Latest position of recovery may be provided.

6.1.3 Compliance of PAC Directives:

PAC meetings for the years 2015-16 to 2022-23 were not convened.

6.1.4 Audit Paras

6.1.4.1 Irregular appointment after attaining the age of superannuation - Rs 10.432 million

According to Para 2(I)(ii) of Services and General Administration Department (S&GAD), Government of the Punjab letter No. SOR-I-10-1/2003 dated June 06, 2003, no department or authority shall re-employ or move a summary to the Chief Minister for re-employment of a retired Government servant (superannuation) without placing the case before the Provincial Re-employment Board/ Committee.

During audit of Punjab Agriculture and Meat Company (PAMCO) for the years 2018-23, it was observed that Mr. Tajamal Hussain, a retired Livestock officer having age of 61 years was appointed as Manager Admin initially for a period of three years in 2015 and subsequently promoted for the post of Manager Operations and then as Senior Manager Operations. The case of hiring the said employee after the age of superannuation was not sent to the Provincial Re-employment Board/ Committee for onward submission to the Chief Minister for final approval. Hence, appointment, promotion and payment of pay and allowances of Rs 10.432 million were considered irregular.

Weak internal controls, and non-observance of rules caused the irregularity.

Audit is of the view that management violated the Government policy/orders while re-employment of Government retired persons who attained the age of superannuation.

The matter was reported to the management and PAO on September 13, 2023. The management replied that there was no restriction to hire any public or private sector retired person as per Articles of Association/ HR manual of the company. The reply was not convincing as necessary approval from Provincial Re-employment Board/ committee and Chief Minister was required.

DAC in its meeting held on January 10, 2024 directed the management to refer the matter to Punjab Finance Department for its regularization.

Audit recommends compliance of DAC's directives.

6.1.4.2 Irregular appointment of external auditors without concurrence of Auditor-General of Pakistan - Rs 1.605 million

According to Auditor-General of Pakistan's office letter No 05/61-AR-111/c/2001 (PF) dated 2nd January 2002, dated October 21, 2021 and dated October 17, 2022, in case of appointment of Chartered Accountant Firms by Government owned/ controlled bodies or companies, a reference is required to be forwarded through controlling ministry/ department to Auditor-General's office for concurrence.

During audit of PAMCO for the years 2018-2023, it was observed that company appointed Chartered Accountant firms for audit of the accounts of the company. It was noted that the said Chartered Accountant firms were hired without concurrence from office of the Auditor-General of Pakistan. Thus, the payment of Rs 1.605 million to the firm is held irregular.

Due to weak internal controls, the instructions of AGP were not followed.

Audit is of the view that services of external auditors should have been hired after obtaining concurrence from Auditor-General of Pakistan office but the same was not obtained.

The matter was reported to the management and PAO on September 13, 2023. The management replied that case shall be submitted for ex-post facto approval of the Auditor-General of Pakistan through administrative department. In future the case will also be submitted to AGP for obtaining prior concurrence regarding the appointment of the external auditor. The reply was not convincing as prior concurrence of worthy AGP should have been obtained for appointment of external auditors.

DAC in its meeting held on January 10, 2024 directed the management to get ex-post facto approval from AGP.

Audit recommends compliance of DAC's directives.

6.1.4.3 Non-development of mechanism to curb illegal slaughtering resulted into less utilization of plant capacity - Rs 467.828 million

According to clause-V (19&20) of Memorandum of Association (MoA), the objectives of the company were to take over the charge of all existing slaughter houses in Punjab from local/ district government to construct/improve/operate them on modern lines and to seek the powers from district governments/local governments/authorized agencies to curb the illegal slaughtering/un-hygienic practices of animals in Punjab.

During audit of PAMCO for the years 2018-23, it was observed that illegal slaughtering issue was discussed in 35th meeting of BoD held on October 06, 2016. The house was apprised that company was facing financial distress due to insufficient action against the illegal slaughtering. It was decided that the said issue shall be discussed in next meeting to determine as to which government entity is responsible for taking measures/ action to curb illegal slaughtering but no action was found to have been taken. Moreover, two independent slaughtering lines each for beef and mutton having capacity of 132,000 and 1,584,000 animals per annum were installed whereas capacity utilization was 52,055 and 851,234 animals respectively in 2022-23. Consequently, company suffered operational losses of Rs 467.828 million during the years 2017-18 to 2022-23.

Non-development of mechanism to curb illegal slaughtering caused less utilization of plant capacity and operational losses.

Audit is of the view that management must have developed a mechanism to curb illegal slaughtering in order to fully utilize the plant and operational facilities.

The matter was reported to the management and PAO on September 13, 2023. The management replied that the matter of illegal slaughtering is currently under active consideration of the BoD and the Administrative Department. The reply was not convincing as no sincere efforts were found to have been taken to curb illegal slaughtering for utilization of plant at full capacity.

DAC in its meeting held on January 10, 2024 directed the management to devise a comprehensive mechanism in order to take up the matter with concerned authorities.

Audit recommends compliance of DAC's directives.
(DP Nos: 247,248)

6.1.4.4 Wasteful expenditure due to non-utilization of cold store items and boilers - Rs 92.224 million

Para-2(a&d) of Pakistan Civil Aviation Authority's letter dated July 23, 2021, conveyed that lease agreement with M/s PAMCO regarding establishment of cold storage facility at Allama Iqbal International Airport (AIIA) Lahore has been terminated w.e.f. April 01, 2021 and allowed to relocate the movable/portable machinery/ equipment from AIIAP Lahore to PAMCO premises. Moreover, clause-33 of Memorandum of Association states that management shall take such actions as considered necessary to raise the status or to promote the efficiency of the company.

During audit of PAMCO for the years 2018-23, it was observed that a cold store facility installed at Lahore Airport was dismantled and its assets were shifted to slaughter house for extension in cooling system on January 01, 2022. Similarly, two boilers were installed for heating requirements of the project as well as to steam the blood powder plant during January, 2013. These boilers remained operational at minimum level upto April, 2019 and since then boilers and Furnace Oil were lying idle. The detail of unutilized assets is given hereunder:

(Rs in million)

	Cold storage facility	Description	Amount (Rs)
A	Plant, Machinery & Equipment	Cold storage equipment	39.965
		Electrical Works	14.126
		Racking system	1.022
		Crown Stacker	1.772
	Furniture & Fixtures	Signage	0.270
Total (A)			**57.156**
B	**Boiler**		
	Plant & Machinery	Boilers	31.784
		Furnace Oil (18,661 liters* Rs 176 per ltr)	3.284
Total (B)			**35.068**
G.Total (A+B)			**92.224**

Non-utilization of cold store facility and boilers is an indicative of weak internal controls and managerial failure.

Audit is of the view that sincere efforts should be made to utilize the cold store facility and to make the boilers operational.

The matter was reported to the management and PAO on September 13, 2023. The management replied that cold store facility and boilers would be viable on increase of animals supply that link with the issue of illegal slaughtering. The reply was not convincing as no concrete steps were taken to curb illegal slaughtering.

DAC in its meeting held on January 10, 2024, directed the management to make a comprehensive plan for utilization dismantled store items.

Audit recommends compliance of DAC's directives.

(DP Nos: 235,239)

6.1.4.5 Illegal occupation of land by Cattle Market Company and non-initiation of claim for land usage rental - Rs 6,520.00 million

According to agenda item No. 02 of 56th meeting of BoD dated May 30, 2023, the house empowered the BoD Procurement committee to finalize formal claim on behalf of PAMCO, seeking rental charges for utilization of land from Punjab Cattle Market Management and Development Company to be forwarded through Livestock Department, Government of the Punjab.

During audit of PAMCO for the years 2018-23, it was observed that a piece of land i.e. 437 kanal out of 716 Kanal was diverted/ reallocated to Cattle Market Company by the DCO, Lahore without knowledge and consent of PAMCO on August 16, 2012. The matter was discussed in detail by the BoD in its 56th meeting held on May 30, 2023 and decided to seek expert opinion from Board of Revenue and Law Department, Government of the Punjab and authorize BoD Procurement Committee to initiate communication with Local Government & Community Development Department as well as City District Government and finalize a formal claim of Rs 6,520.00 million from Cattle Market Company on account of land usage charges. Despite passing of more than 10 years, the company neither obtained possession of land nor received land usage charges of Rs 6,520.00 million.

Due to managerial failure, neither possession of the land could be obtained nor claim for its usage charges was initiated.

Audit is of the view that sincere efforts should have been made by the management for early vacation of the land and also recovery of land rental charges but no fruitful progress was made till date.

The matter was reported to the management and PAO on September 13, 2023. The management replied that the matter will be presented before the BoD upon re-constitution of the regular board for its consideration. The reply was not convincing as more than 10 years have been passed but neither rental claim of Rs 6,520 million could be realized nor took possession of land.

DAC in its meeting held on January 10, 2024 kept the para pending till receipt of claim for land usage.

Audit recommends compliance of DAC's directives.

6.1.4.6 Irregular appointment of Chairman as CEO

According to rule 4(1)(c) of the Corporate Governance Rules 2013, the office of the chairman shall be separate, and his responsibilities distinct, from those of the chief executive. The chairman has a responsibility to lead the Board and ensure its effective functioning and continuous development, he shall not be involved in day to day operations of the Public Sector Company.

During audit of PAMCO for the years 2018-23, it was observed that the charge of CEO was assigned to the Chairman by the Board as a stop gap arrangement. The charge of CEO was approved by the Board in its 37th meeting held on May 26, 2017 yet the representative of Finance

Department highlighted this violation which was also endorsed by one of the other members. The Chairman continued to hold the charge for the post upto four years in violation of the rules and hence considered irregular.

Due to weak internal controls the instructions of CGR could not be followed.

Audit is of the view that the management must have followed the instructions as referred above.

The matter was reported to the management and PAO on September 13, 2023. The management replied that the positions of Chairman and CEO have been separated since May, 2019 and services as CEO were rendered on honorary basis. The reply was not convincing as charge of CEO was given to the chairman in violation of Corporate Governance Rules.

DAC in its meeting held on January 10, 2024, directed the management to submit detailed reply to audit and regularize expenditure from relevant authority.

Audit recommends compliance of DAC's directives

6.1.4.7 Irregular payments to Chairman holding charge as CEO - Rs 7.235 million

According to rule 4(1)(c) of the Corporate Governance Rules 2013, the office of the chairman shall be separate, and his responsibilities distinct, from those of the chief executive. The chairman has a responsibility to lead the Board and ensure its effective functioning and continuous development, he shall not be involved in day to day operations of the Public Sector Company.

During audit of PAMCO for the years 2018-23, it was observed that the charge of CEO was assigned to the Chairman as a stop gap arrangement by the Board in its 37th meeting held on May 26, 2017 in violation of Corporate Governance Rules. The Chairman of the Board continued to hold the charge of CEO for a period of almost four years and enjoyed the facilities of a vehicle, driver, reimbursement of fuel, mobile phone and Daily allowance equal to BPS-20. Thus, the assigning of charge of CEO and payment of Rs 7.235 million was held irregular in audit.

Due to weak managerial controls, the irregularity was occurred.

Audit is of the view that instructions of corporate governance rules must have been followed by the management to avoid the said violation.

The matter was reported to management and PAO on October 20,2023. The management replied that position of Chairman and CEO had been separated since May 2019. The Chairman served as CEO on honorary basis and perks & benefits were approved by Board of Directors in its meeting held on June 20,2014. The reply was not convincing as charge was assigned in violation of CGRs.

DAC in its meeting held on January 10, 2024 directed the management to get the expenditure regularized from Finance Department.

Audit recommends compliance of DAC's directive.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2018-19 vide para number 6.1.4.2 having financial impact of Rs 1.787 million. Recurrence of same irregularity is a matter of serious concern.

6.1.4.8 Non-refund of income tax credit from tax authorities - Rs 29.488 million

According to section 100 (C) read with section 2(36) of Income Tax Ordinance 2001, PAMCO being a Non-Profit Organization was allowed a tax credit equal to one hundred percent of tax payable under any provisions of this Ordinance including minimum and final taxes in respect of incomes.

During audit of PAMCO for the years 2018-23, it was observed that an amount of Rs 29.488 million was shown as income tax refund in the financial statements for the year 2022-23. The company was registered as non-profit organization under section 42 of Companies Act, 2017. It was noted that no action was taken to claim refundable amount. Thus, a sum of Rs 29.488 million was blocked due to non-claiming of income tax refund.

Audit is of the view that sincere efforts should have been made for early refund of income tax amount as company was facing financial issues.

The matter was reported to management and PAO on October 20, 2023. The management replied that matter was under active consideration of BoD and appropriate decision would be made for including provision for accounting treatment to expense out under proper guidance of tax advisor. The reply was not convincing as management failed to get exemption or to claim refund in time.

DAC in its meeting held on January 10, 2024 directed the management to refer the matter to Federal Board of Revenue (FBR) for claiming refund to seek exemption at the earliest.

Audit recommends compliance of DAC's directive

6.1.4.9 Non-payment of partner's share along with markup - Rs 365.806 million

According to agenda item No. 02 of 42nd meeting of BoD held on October 09, 2018, the house constituted a committee to resolve the issue payables on account of MMIC to Iran for its share in the partnership.

During audit of PAMCO for the years 2018-23, it was observed that Mashhad Meat Industrial Complex (MMIC), Iran invested Rs 261.290 million for purchase of machinery to establish a slaughter house under a partnership deed dated January 07, 2015. The management's failure to fulfill its obligations resulted into termination of partnership deed. The MMIC, Iran requested for repayment of its share along with markup @ 5% per annum w.e.f. 2015. The management constituted a committee in October, 2018 to devise a mechanism to resolve the issue. Neither, the matter was resolved nor the payment along with markup was made to the said party despite a lapse of a considerable time. Thus, due to non-payment of Rs 365.806 million (Rs 261.290 million + Rs 104.516 million markup), the liability of the company had increased.

Audit is of the view that repayment of loans and markup should have been made within stipulated time.

The matter was reported to management and PAO on October 20,2023. The management replied that Board of Directors decided to allocate 100 million from resources of company for said payment and remaining funds would be provided by Government of the Punjab. The reply was not convincing as management did not obtain funds from Government to repay the loan.

DAC in its meeting held on January 10, 2024 directed the management to make arrangement for early payment of this liability in order to avoid further accumulation.

Audit recommends compliance of DAC's directive.

Local Government & Community Development Department

Introduction

The Local Government and Community Development Department (LG&CDD) has been assigned the responsibility to implement Punjab Local Government Act (PLGA) 2022 to achieve the stated objectives of the Government. Moreover, the LG&CD Department has an over-seeing role to ensure that the local governments perform their functions within the provincial framework and adhere to the federal and provincial laws. The Local Government and Community Development Department (LG&CDD) was created to respond to the specific needs of the mega cities and largely urban districts of Punjab for good governance.

LG&CDD is working with a mission to assist and guide local governments in creating an environment for autonomous and responsible decision-making. This will improve service delivery in the social sectors and boost socio-economic development of the local area.

Aims & Objectives

The major functions and responsibilities of Local Government & Community Development Department are:

- Provide, manage, operate, maintain and improve the municipal infrastructure and services
- Manage properties and assets vested in local governments
- Enforcement of municipal laws and regulations
- Levy local taxes/fees to generate income
- Frame bye-laws to regulate municipal services
- Take cognizance of municipal offences and enforcement
- Exercise general powers and procedures as are enumerated in Eighth Schedule
- Perform functions within the provincial framework

Governing Laws

- [Governing Laws]
- [Rules]
- [Policies]
- [Model Bye-Laws]

Attached Departments

- Punjab Local Government Board
- The Walled City of Lahore Authority
- Punjab Municipal Development Fund Company
- Solid Waste Management Companies
- Cattle Market Management Companies
- Punjab Shehr-e-Khamoshan Authority
- Faisalabad Parking Company

7.1 Punjab Municipal Development Fund Company (PMDFC)

7.1.1 Introduction

Punjab Municipal Development Fund Company (PMDFC) is a limited guarantee Company having no share capital which was incorporated on October 8, 1998 under section 42 of the Companies Ordinance 1984 (now Companies Act 2017) vide license No. CO 42/JR/3198 dated September 30, 1998 granted by the Securities and Exchange Commission of Pakistan. PMDFC is a non-profit organization jointly funded by the Government of the Punjab and International Bank for Reconstruction and Development (IBRD). The principal objective of the company is to support the Local Government of the Punjab in improving the quality of life of the inhabitants, to assist the Local Governments in building capacities for better fiscal and service delivery management, to provide matching grants to Local Governments for the construction, rehabilitation, and expansion of infrastructure, capacity building and for such purpose to act and/or provide consultants for evaluation of projects, monitoring of finances and advising Local Governments for their institution reforms including improving the fiscal efficiency, cost recovery, rationalization of spending, administrative reforms and future growth.

7.1.2 Comments on Audited Accounts

The company failed to provide annual audited accounts for the year 2022-23 by December 31, 2023.

7.1.3 Compliance of PAC Directives

No PAC meeting has been convened upto December 31, 2023.

7.1.4 Audit Paras

7.1.4.1 Irregular appointments of the officers and payment – Rs 62.406 million

The terms and conditions mentioned in PC-I and HR Manual of the company are binding upon the management. The management made certain appointments in violation of the above. The detail is given in the table.

During audit of Punjab Municipal Development Fund Company (PMDFC) for the years 2017-23, it was observed that management appointed the officers against the rules as detailed below:

(Rs in million)

S#	Rules	Irregularity	Financial Impact (Rs)
1	According to HR Manual of PMDFC and Annex 07 of PC-I of PCP Project, maximum age required is 50 and 55 years for the post of GM(ID) and SPO(IS) respectively.	Mr. Mahmood Masud Tammana having age of 59 years was appointed as GM(ID)/SPO (IS) in September 2023 in violation of the age criteria mentioned in HR Manual as well as PC-I.	5.429
2	According to Annex 07 at S# 12 of PC-I of PCP Project maximum age limit was of 63 years for the post of SPO(Infrastructure).	Mr. Muhammad Ashiq Ch. was inducted in PCP project as Senior Program Officer (Infrastructure Development) at the age of 80 years in 2019.	24.901
3	According to Annex-02-IPF-Cost Detail (P-74 to 76) of approved PC-I of the PCP, descriptions of slots/designations of Central Management Team.	The management appointed 08 officers against post title as (i) Senior Program Officer (E&SM), (ii) Deputy Program Officer(E&S), (iii) Program Officer (ID), (iv) Deputy Program Officer (ID) and (v) Deputy Program Officer (IT) which were not included in approved PC-I of the PCP during the period from April 2020 to August 2023.	31.571
4	According to judgment of supreme court of Pakistan dated January 19, 1993 in Human Rights Case No.104	Mr. Noman Ijaz was appointed as Accounts Officer on November 13, 2001	0.505

	of 1992, recruitments, both Adhoc and regular, without publicly and properly advertising the vacancies, is violation of fundamental rights.	without advertising the vacancy in print media.	
	Total		**62.406**

Due to weak internal controls, the management appointed these officers against the rules.

Audit is of the view that the management should observe the rules during their appointments.

The matter was reported to the management and PAO on December 04, 2023. The management replied that officers were appointed/hired as per prevailing rules and regulations. The reply was not convincing as the officers were appointed/hired in violation of certain rules and regulations as mentioned above.

DAC in its meeting held on January 22, 2024 directed the management to get the PC-I revised from PDWP in order to bring the appointment in line with provisioning of PC-I for irregularities at Sr. # 1 to 3. While for Sr. # 4, DAC directed the management to get the case of appointment regularized from Finance Department.

Audit recommends compliance of DAC's directives.

(DP Nos: 533,535,543,544)

7.1.4.2 Irregular payment of salaries and allowances to the employees - Rs 18.184 million

According to Finance Department letter dated August 20, 2018, the cases for increase in salaries & allowances of autonomous bodies mentioned in First Schedule of Punjab Government Rules of Business 2011 may be sent to Finance Department for advice. Further, Annex-2 of PC-I determined the range of salary for the employees.

During audit of PMDFC for the years 2017-23, it was observed that management increased salaries and allowances of its employees against the rules. The detail is as under:

(Rs in million)

Sr. No	Rules	Irregularity	Financial Impact (Rs)
1	According to Finance Department letter dated August 20, 2018, the cases	The company falls at Serial No 27 of Rules of Business 2011 GoPb so the management was required to	11.609

	for increase in salaries & allowances of autonomous bodies mentioned in First Schedule of Punjab Government Rules of Business 2011 may be sent to Finance Department for advice.	refer the matter of increase in salary w.e.f. December 01, 2022 to Finance Department for advice but needful was not done.	
2	According to Annex-II PC-I of Punjab Cities Program, the pay of the Project Director was fixed from Rs 450,000 to 500,000 with 10% annual increase upto 05 years.	Syed Zahid Aziz was appointed as Project Director at monthly salary of Rs 800,000 to 1,137,500 P.M during the period 11.11.2022 to 30.09.2023.	6.575
Total			**18.184**

Due to weak internal controls, the management paid salary against the rules.

Audit is of the view that the management should observe the rules prior payments of salaries and allowances to the employees.

The matter was reported to the management and PAO on December 04, 2023. The management replied that the salaries and allowances were given to the employees after approval of the Board of Directors being a competent forum. The reply was not convincing as the management must be given the salaries and allowances as per instructions of Finance Department and provisions given in the PC-I.

DAC in its meeting held on January 22, 2024 directed the management to revise the PC-I from PDWP and refer the case to Finance Department for advice.

Audit recommends compliance of DAC's directives.
(DP Nos: 529,530)

7.1.4.3 Irregular withdrawal of funds from Assan Assignment Account and transfer to Company's operational bank accounts - Rs 341.554 million

According to clause-XV of Assan Assignment Account Procedure issued by Controller General of Accounts vide circular dated October 26, 2020, cash withdrawal or transfer of funds to any bank account is not allowed except employees related deductions like pension contribution, provident fund and GP fund etc. These deductions shall be made as per rules/policy guidelines/procedure of the relevant offices. Payment shall be made only through crossed cheques to contractors, vendors, suppliers, employees, etc.

During audit of PMDFC for the years 2017-23, it was observed that management operated Assan Assignment Account in National Bank of Pakistan, Main Branch, Lahore with title as "Punjab City Program-Local Government & Community Development Department". The management was required to operate this account according to the above referred laid down procedures. However, the management withdrew funds of Rs 341.554 million from assignment account to its company's bank account.

Due to weak financial controls, management withdrew amount against the procedure mentioned above.

Audit is of the view that the management must have followed the laid down procedure in letter and spirit.

The matter was reported to the management and PAO on December 04, 2023. The management replied that it is practically impossible to issue separate cheques of salaries for approximately 150 employees whereas cheque books of assignment account contained 100 leaves The reply was not convincing because cash withdrawal or transfer of funds to any bank account is not allowed as per above criteria.

DAC in its meeting held on January 22, 2024 directed the management to stop transfer of funds in company's bank account immediately and get the previous withdrawal of funds regularized from Finance Department.

Audit recommends compliance of DAC's directives.

7.1.4.4 Un-justified expenditure of company's vehicles charged to PCP accounts - Rs 15.603 million

According to Annex- 2 – regarding Investment Project Finance of PC-I of PCP, 02 Nos. Hiace Wagon, 01 No. of 1300cc Vehicle and 03 Nos. of 1000cc vehicles were approved.

During audit of PMDFC for the years 2017-2023, it was observed that the management incurred an expenditure of Rs 15.603 million on seven vehicles which were purchased by the company for its own operation. The expenditures of the said vehicles were required to be charged to Company's account instead PCP project. The vehicle wise expenditure is in **Annex-12**.

Due to weak financial controls of the management expenditure of PMDFC vehicles were charged to the PCP project.

Audit is of the view that the expenditure incurred on vehicles which were not the project vehicles was not justified and they should be charged to the Company's Accounts which was not done.

The matter was reported to the management and PAO on December 04, 2023. The management replied that PC-I had allocated provision for usage of existing vehicles of PMDFC for PCP. The reply was not convincing as only two vehicles of PMDFC were to be utilized for PCP, whereas the cost of POL and maintenance of seven vehicles was charged to PCP.

DAC in its meeting held on January 22, 2024 directed the management to get approval from the BoD for utilization of existing two vehicles of PMDFC for PCP and to get the excess expenditures for other vehicles regularized from Finance Department.

Audit recommends compliance of DAC's directives.

7.1.4.5 Poor performance of management in execution of project

According to Project Appraisal Documents of Punjab City Program dated May 04, 2018. The implementation program was from July 01, 2018 to March 31, 2023 (05 Years) with program financing of $ 236 million.

During Audit of PMDFC for the years 2017-23, it was observed that the Government of the Punjab took a loan of 200 million US Dollar equal to Pakistan Rs 30,580 million from the World Bank for Punjab cities Program. The management of the company failed to execute the work of this project. The project was to be completed within 5 years upto March 31, 2023 whereas the management could utilize the funds up-to 20% in window-1 and 65% in window-2 due to which the company had to pay markup & services charges of Rs 1,055.140 million to World Bank on excess withdrawal of funds upto June 30, 2023. The detail regarding receipt and utilization of funds is as under:

(Rs in million)

Windows	**Financial Years**	**Amount Received (Rs)**	**Utilized amount(Rs)**	**%age of Spent**	**%age of unspent**
MCs-PBGs (Window-1)	2019-23	22,850.97	4,522.87	20%	80%
PMDFC-IPF (Window-2)		1,904.95	1,239.2	65%	35%

Due to weak internal controls the management failed to carry out the work of this project efficiently and effectively.

Audit is of the view that the management was required to carry out the work as per approved PC-I.

The matter was reported to the management and PAO on December 04, 2023. The management replied that PC-1 was forwarded in May 2018 and approved on November 18, 2019. It took one and a half years for approval and keeping in view the facts, World Bank granted the extension of time till March, 2025. The reply was not convincing as the management could not complete the project within approved time frame.

DAC in its meeting held on January 22, 2024, directed the management to provide the overall updated progress of the program with respect to the time management and utilization of resources along with inquiry report to audit. The management did not provide record pertaining to progress of the project and inquiry report till finalization of this report.

Audit recommends compliance of DAC's directives.

7.1.4.6 Non-utilization of funds allocated for Institutional Strengthening & Technical Assistance - Rs 402.290 million

According to approved budget 2021-22 and 2022-23, an amount of Rs 458.165 million was allocated under the head Institutional Strengthening & Technical Assistance (IS&TA).

During audit of PMDFC for the years 2017-23, it was observed from the record that sufficient funds were available as per budget estimates of PCP for the years 2021-22 and 2022-23. The management has allocated Rs 458.165 million in annual budget for the years 2021-22 and 2022-23 but only utilized Rs 55.875 million i.e. 12.20% of total budget till June 30, 2023. The details is as under:

(Rs in million)

S#	Financial Year	Activities	Funds Available (Rs)	Budget (Rs)	Actual Exp. (Rs)	Un-utilized Amount (Rs)
1	**2**	**3**	**4**	**5**	**6**	**7 (5-6)**
01.	2021-22	IS & TA of Provincial Dept. and Agencies	689.862	86.204	14.140	72.064
02.	2022-23		1,255.952	371.961	41.735	330.226
		Total	**1,949.814**	**458.165**	**55.875**	**402.290**

Source Budget for the year 2023-24 and 2022-23

Due to weak administrative controls management could not perform the activities as planned and Rs 402.290 million remains unspent/unutilized.

Audit is of the view that the non-utilization/blockage of funds was also the reason of delay in completion of the project.

The matter was reported to the management and PAO on December 04, 2023. The management replied that PC-I for Technical Assistance and Institutional Strengthening was approved by PDWP on November 15, 2022 and Administrative Approval was accorded on December 05, 2022. The scope and cost was revised and funds were being utilized accordingly. The reply was not convincing as the management had incurred only meager amount of Rs 55.875 million of funds upto June 30, 2023.

DAC in its meeting held on January 22, 2024 directed the management that the component wise progress of the IS & TA program along with its updated utilization be intimated to Audit for verification. The management did not provide record for verification to audit till finalization of this report.

Audit recommends compliance of DAC's directives.

7.1.4.7 Excess cost incurred for supervision of Municipal Committees from the approved cost of PC-I - Rs 320.896 million

According to Annex 2-IPF-cost-detail under the sub-head (3) of PC-I, consultancy for design and resident supervision of P for R of Technical Assistance & Institutional Strengthening (TA&IS) of MCs an amount of Rs 793.51 was approved.

During audit of PMDFC for the years 2017-23, it was observed that management hired four consultancy firms for detailed design and supervision of 16 MCs for implementation of Punjab City Program amounting to Rs 1,114.406 million. The approved cost for consultancy was Rs 793.51 million in PC-I. Thus, the project incurred extra cost of Rs 320.896 million as worked out below:

(Rs in million)

Head of accounts	**Approved as per PC-I (Rs)**	**Contract Cost of 05 Packages (Rs)**	**Excess Cost of Contracts (Rs)**
1	**2**	**3**	**4 (3-2)**
Consultancies for design and resident supervision of P for R projects.	793.531	1,114.406	320.896

Due to week administrative controls, the management failed to execute the work within the approved cost of PC-I.

Audit is of the view that signing of contract over and above the approved cost of revised PC-I of PCP will increase the financial burden on the PCP-Project.

The matter was reported to the management and PAO on December 04, 2023. The management replied that variation of cost will be regularized upon the revision of PC-I of PCP. The management has accepted the point of view of Audit.

DAC in its meeting held on January 22, 2024 directed the management to revise the cost of consultancy in PC-I of PCP and get it approved from PDWP.

Audit recommends compliance of DAC's directives.

7.2 Faisalabad Parking Company (FPC) Limited

7.2.1 Introduction

Faisalabad Parking Company Limited was registered under section 32 of the Companies' Ordinance, 1984(now Companies Act, 2017). City District Government Faisalabad (CDGF) established an incorporate Public Company Limited to provide sustainable, efficient and affordable parking services for the citizens of Faisalabad. A limb of CDGF and a profit oriented public company limited by shares. As per agreement signed on December 19, 2014 the 1st Party (CDGF & TMAs) will get 75% share and 2nd Party (FPC) will get 25% share as service charges. The tenure of the agreement is 25 years unless terminated by the BoD. If the parties are unable to decide a dispute within 3 months, the dispute shall be finally settled by the Secretary LG&CD, Punjab.

7.2.2 Comments on Audited Accounts

The company failed to provide annual audited accounts for the years 2017-18 to 2022-23 by December 31, 2023.

7.2.3 Compliance of PAC Directives

No PAC was convened since establishment of the company.

7.2.4 Audit Paras

7.2.4.1 Irregular award of contract for printing of parking tickets - Rs 3.723 million

According to clause 3.4 of Tender Documents for printing of parking tickets, bidder must be registered and active tax payer with sales tax & income tax department, copy of the same should be attached with the tender, otherwise firm will not be allowed to participate in the tender.

During audit of Faisalabad Parking Company (FPC) for the years 2018-23, it was observed that management invited bids for printing of parking tickets during the year 2019-20, 2021-22 & 2022-23. It was noticed that M/s Anwar Traders (2019-20) & M/s Shani Enterprises (2021-22 & 2022-23) were qualified in technical evaluation and awarded the contract being lowest bidders, but the firms were not registered with Federal Board of Revenue (FBR). The management declared the firms as qualified and allowed to participate in the bidding process in violation of above rule and extended undue favour. The detail of payment is as under:

(Rs in million)

Name of Firms	Payment made during 2019-20,

	2021-22 & 2022-23 (Rs)
M/s Anwar Traders	1.192
M/s Shani Enterprises	2.531
Total	**3.723**

Due to weak internal controls and non-observance of clauses of tender documents, an irregular payment was made.

Audit is of the view that the management should have not allowed the firms to participate in bidding process which were not registered with FBR as required under the rules.

The matter was reported to the management and PAO on October 30, 2023. The management replied that contract was awarded to the lowest bidders and 10 marks for not providing GST was not given to the vendor, but even than they qualified and secured the minimum marks. The reply was not convincing as it was mandatory for the vendors to be registered with sales tax department.

DAC in its meeting held on December 12, 2023, directed the management to probe the matter through Administrative Department for fixing responsibility.

Audit recommends compliance of DAC's directives.

7.2.4.2 Irregular award of work in violation of PPRA Rules - Rs 1.209 million

According to rule 12(1) a procuring agency shall advertise procurement of more than [two] hundred thousand rupees and up to the limit of [three] million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper.

During audit of FPC for the years 2018-23, it was observed that the management paid an amount of Rs 1.209 million to M/s Butt enterprises against the development work at Centre Point Plaza site. The scrutiny of record revealed that entire work was done by M/s Butt Enterprises on quotation basis by splitting the work. Detail is as under:

(Rs in million)

Date	Voucher No	Description of Work	Amount (Rs)
10.01.2023	1-0004	Ceiling & Paneling of Cabins	0.155
13.01.2023	1-0008	Raising of cabins, rebuild of floor installation of roofs of 3 cabins	0.196
01.02.2023	0045	Old tyres erected on side walls	0.143
18.02.2023	2-0030	Fixing of kerb stone	0.195

28.02.2023	2-0052	Painting of 3 cabins, electric work etc.	0.181
19.05.2023	5-0034	Lane marking	0.164
27.06.2023	0018	Water disposal pump	0.174
Total			**1.209**

Due to weak internal controls an irregular payment of Rs 1.209 million was made.

Audit is of the view that management was required to account for the proposed development work for the financial year and float one tender without splitting the work to get competitive rates. However, the same was ignored.

The matter was reported to the management and PAO on October 30, 2023. The management replied that FPC published tenders multiple times on July 25, 2022, August 16, 2022 and October 01, 2022 at PPRA website for development work of Center Point Plaza but not a single firm / vendor submitted proposal till the last date. So, it was decided by the management that said development work may be done through quotations basis to avoid further delay. The reply was not convincing as PPRA Rules were violated.

DAC in its meeting held on December 12, 2023, directed the management to get the case regularized from Finance Department through Administrative Department.

Audit recommends compliance of DAC's directives.

7.2.4.3 Irregular retention of FPC funds in lesser interest bearing accounts - Rs 19.345 million

According to Finance Department letter dated January 11, 2019 markup rates offered by the BOP may be compared with all Public / Private banks having minimum long term "AA" at the time of placement of funds.

During audit of FPC for the years 2018-2023, it was observed that the management did not obtain the competitive markup rates from other banks and kept funds of Rs 23.860 million in current account and Rs 154.742 million in Islamic saving account maintained at BOP. This resulted into markup loss of Rs 19.345 million. Detail is as under:

(Rs in million)

No of bank account	Type of bank account	Cumulative closing balance 2019-2023 (Rs)	Closing Balance June 30, 2023(Rs)	Closing Balance June 30, 2022(Rs)	Closing Balance June 30, 2021(Rs)	Closing Balance June 30, 2020(Rs)	Closing Balance June 30, 2019(Rs)

5010028797500018	Current Account	23.860	16.58	5.78	1.23	0.03	0.24
5010028797500015	Islamic Saving Account	21.158	4.60	4.36	4.224	4.097	3.88
5010028797500026	Islamic Saving Account	57.206	19.21	21.45	9.357	4.515	2.674
5010028797500037	Islamic Saving Account	76.378	22.24	21.00	13.665	8.268	11.205
Total		**178.602**	**62.64**	**52.59**	**28.48**	**16.91**	**18.00**
Average rate of interest received	-	-	4.50%	6.00%	6.53 %	7.04 %	5.62%
KIBOR	-	-	22%	14.5%	13.00%	12.50%	12.00%
Loss sustained		-	10.962	4.470	1.842	0.923	1.148
	Total loss						**19.345**

Due to weak financial management, the company sustained a loss of markup income.

Audit is of the view that the company should have obtained the profit rates from different banks but the same was not done which resulted into loss.

The matter was reported to the management and PAO on October 30, 2023. The management replied that FPC was not aware of the instructions of the Finance Department dated January 11, 2019 and now efforts are made to place the company funds after obtaining competitive rates from the other AA rated banks. The reply is not convincing as the Finance Department instructions were very clear.

DAC in its meeting held on December 12, 2023, directed the management to invest the surplus funds in the bank offering highest mark-up rates after matching rates with the BoP. DAC further directed that the matter regarding loss of mark-up due to retention of funds at lesser rates shall be placed before the Board for fixing responsibility.

Audit recommends compliance of DAC's directives.

7.2.4.4 Non-payment of EOBI of field staff / daily wagers - Rs 12.945 million

Under section 9 of Employees Old Age Benefit Act, 1974 (EOBI), contribution shall be payable every month by the employer to the institution in respect of every person in his insurable employment, at the rate of 6% of his wags in the prescribed manner.

During audit of FPC for the years 2018-23, it was observed that on the average more than 200 daily paid workers were engaged by the company at their 40 sites for the collection of the parking fee, but the EOBI of only 26 to 32 workers were deposited. Thus, an amount of Rs 12.945 million was not / less deposited to EOBI authorities during the period from 2018-2023.

Due to weak internal controls, management failed to pay mandatory contributions to EOBI.

Audit is of the view that FPC failed to deposit required contribution to EOBI, which was against the rules.

The matter was reported to the management and PAO on October 30, 2023. The management replied that FPC got registered with EOBI in 2015 with 15 regular employees. Keeping in view the nature of work, company engaged its parking attendants on Daily Wage basis that's why the FPC could not register all of their daily wage workers with EOBI. The reply was not convincing as FPC paid EOBI contribution of only 26-32 employees as against the staff of 200 to 250 employees.

DAC in its meeting held on December 12, 2023, directed the management to formulate a policy for registration of daily wages employees, and got all the employee registered at the earliest.

Audit recommends compliance of DAC's directives.

7.2.4.5 Non recovery of parking dues from PHA - Rs 5.509 million

As per clause 3.1 of the agreement executed between FPC and Parks and Horticulture Authority (PHA), all the operating expenses regarding parking management shall be incurred by FPC and PHA will pay an amount of Rs 215,000 to FPCL on monthly basis against the expense incurred by them.

During audit of FPC for the years 2018-23, it was observed that management could not recover parking dues from PHA since inception of the agreement February 01, 2018 till June 30, 2020. An amount of Rs 5.509 million was accumulated despite the fact that FPC had incurred considerable expenditures on the site for development, purchase of CCTV cameras and deployment of staff. The management of FPC extended the contract for another one year despite the fact that PHA was not paying its dues.

Due to weak financial and internal controls, FPC failed to realize their outstanding dues.

Audit is of the view that instead of pursuing the recovery of outstanding dues, management extended contract for another year.

The matter was reported to the management and PAO on October 30, 2023. The management replied that efforts were being made to recover the outstanding amount. The reply was not convincing as FPC failed to recover the outstanding amount from PHA since January, 2018.

DAC in its meeting held on December 12, 2023, directed the management to recover the amount from PHA without further delay.

Audit recommends compliance of DAC's directives.

7.2.4.6 Loss of revenue due to illegally operated sites by District Bar Association - Rs 12.973 million

According to clause 7.2.1 of the management and administration agreement of parking facilities in CDGF, Faisalabad Parking Company shall perform all the day to day management and administration of the Parking Facilities including collection of parking fee/ or fine, controlling and monitoring existing procedures, process, actions, activities, operations, schemes, plans, programs in respect of every CDGF/ TMAs property directly or indirectly related to parking zones, parking areas, parking bays.

During audit of FPC for the years 2018-23, it was observed that four (04) parking sites falling under the jurisdiction of the company were being run by private contractors under the shelter of District Bar Association (DBA) w.e.f September 2018 (02 sites) and March 2020 (02 sites). The company was collecting a handsome amount of Rs 12.973 million prior to the illegal occupation by District Bar Association.

Due to weak internal controls, management failed to take over possession of its sites.

Audit is of the view that the management should have made concrete efforts to resolve the issue but the same was not done. This showed weak managerial and internal controls.

The matter was reported to the management and PAO on October 30, 2023. The management replied that FPC is trying to recover the possession of the parking stands from DBA. Reply was not convincing as no efforts were made to take over the parking stands from the DBA.

DAC in its meeting held on December 12, 2023, directed the management to arrange a formal meeting with the DBA and place the matter before the Board of Directors for taking remedial action.

Audit recommends compliance of DAC's directives.

7.2.4.7 Loss due to non-recovery of parking fee from the employees - Rs 199.89 million

According to clause 5 (a) of Corporate Governance Rules 2013 the principle of probity and propriety entails that company's assets and resources are not used for private advantage and due economy is exercised so as to reduce wastage.

During audit of FPC for the year 2018-23, it was observed that various complaints were received on Pakistan Citizens Portal regarding overcharging, hiding of parking fee and misconduct by the FPC operational staff. The allegations were proved in internal inquiry held by Revenue Department on December 23, 2021. Despite clear cut evidence of the overcharging, malpractices and revenue leakage neither any action was taken against the concerned officials. FPC has over forty parking sites which sustained annual loss of revenue to the tune of Rs 199.89 million as per details given below:

(Rs in million)

Year	**Average number of sites**	**Average leakage per day (Rs)**	**Annual loss of revenue (Rs)**
0	**1**	**2**	**3** **(1*2*365 days)**
2018-2019	38	2,826	39.20
2019-2020	36	2,826	37.56
2020-2021	39	2,826	41.23
2021-2022	40	2,826	39.34
2022-2023	42	2,826	42.56
Total			**199.89**

Due to weak internal controls the company failed to stop the leakage of revenue and its subsequent recovery from the concerned employees.

The matter was reported to the management and PAO on October 30, 2023. The management replied that Department consistently monitored day-to-day parking activities to identify any irregularities and took swift action to rectify them. The reply was not convincing as no criminal action had been taken against the employees.

DAC in its meeting held on December 12, 2023 directed the management to terminate the services of Mr. Mubashir Nazir, Parking assistant with immediate effect. DAC further directed to probe the matter of overcharging at all sites through Administrative department and submit report within 30 days.

Audit recommends compliance of DAC's directives.

Mines and Minerals Department

Introduction

Prior to 2002, Mines & Minerals Department was functioning in the Directorate of Industries & Mineral Development Department since 1964. The independent Department of Mines & Minerals was created in 2002 by the implementation of National Mineral Policy.

Purpose/ Objectives

It is to mention that National Mineral Policy 1995 acts as a guideline for formulating the present polices of the Provincial Department of Mines & Minerals. Mines & Minerals Department is responsible for:

Legislation, policy formulation and planning for:

- Grant, surveys, prospecting, exploration and development of mineral resources.
- Collection of rents, royalties and fees from the concessionaires.
- Rehabilitation of affected mining areas/sites, implementation, monitoring and control of environment standards, infrastructure development in mining areas.
- Collect, store and dissemination of mineral data, digitization of mineral/mining data.
- Mines and minerals development.
- Welfare of mine workers
- Marketing of minerals
- Safety of mines, oil and gas fields and their workers
- Training and skill development.
- Labour laws and rules for mine workers
- Governmental functions of:–
- Punjab Mineral Development Corporation.
- Mines Labour Welfare Organization.
- Punjab Mineral Company.
- Budget, accounts and audit matters
- Purchase of stores and capital goods for the department.
- Service matters except those entrusted to Services and General Administration Department.

Governing Laws

- Punjab Mining Concession Rules, 2002
- Coal Mines Pithead Bath Rules, 1946
- Coal Mines Regulations, 1926
- Consolidates Mines Rules, 1952

- Excise Duty on Minerals (Labour Welfare) Punjab Rules, 1971
- Metal liferous Mines Regulations, 1926
- Mines Creche Rules, 1946
- Mining Board Rules, 1951
- Punjab Coal Mines Rescue Rules, 1988
- The Punjab Miners Training Institutions Regulations, 1999
- The Punjab Mining Staff and Workers Training Regulations, 1999

Formations:

- Punjab Mineral Development Corporation
- Punjab Mineral Company (Private) Limited

8.1 Punjab Mineral Development Corporation (PUNJMIN)

8.1.1 Introduction

The Corporation was established under the Punjab Mineral Development Corporation Act, 1975 for the purpose of promoting mineral development in the province of the Punjab.

The main objectives of the corporation is to draw up schemes with the objects confined to the province of the Punjab, for development, surveying, exploring, mining, industrial exploration, purchase and sale, import and export of mineral and development of infrastructure in the areas selected by the corporation and approved by Government of the Punjab.

8.1.2 Comments on Audited Accounts

The management failed to provide annual audited accounts for the years 2018-19 to 2022-23 till December 31, 2023.

8.1.3 Compliance of PAC Directives:

Audit Report	**Total Paras**	**Compliance received**	**Compliance not received**	**Percentage of compliance**
1985-86	59	53	6	90%
1986-87	53	50	3	94%

1994-95	57	56	1	98%
1995-96	40	38	2	95%
1996-97	21	17	4	81%
1997-98	40	35	5	88%
2006-07	8	8	0	100%
2009-10	10	5	5	50 %
2012-13	9	3	6	33 %
Total	**703**	**659**	**44**	**94%**

Although overall percentage of compliance of PAC directives was 94% but the compliance for the 2009-10 and 2012-13 was only 50% and 33%, which needs improvement.

8.1.4 Audit Paras

8.1.4.1 Irregular payment of bonus prior to finalization of accounts and determination of profit – Rs 27.871 million

According to PUNJMIN's BoD decision in its 38th meeting held on December 19, 1989 circulated vide office order dated June 24, 1990 bonus shall only be paid in case of profit.

During audit of Punjab Mineral Development Corporation (PUNJMIN) for the years 2020-22, it was observed that the management paid an amount of Rs 27.871 million to the employees as bonus prior to finalization of accounts and determination of profit, which was a pre requisite.

Due to weak internal controls the irregularity was occurred.

Audit is of the view that management should have given the bonus to the employees as per policy.

The matter was reported to the management and PAO on August 03, 2023. The management replied that the general direction and administration of the corporation and its affairs shall vest in the Board which may exercise all powers and do all acts which may be exercised or done by the corporation". The reply was not convincing as the bonus was admissible only after final determination of profits of the corporation.

DAC in its meeting held on December 28, 2023 directed the management to get the accounts finalized by external audit in order to determine actual profit of the organization and to recover the bonus amount from employees in case of determination of loss.

Audit recommends compliance of DAC's directives.
(DP Nos: 105,116,120)

8.1.4.2 Irregular cash withdrawal from bank by opening cross cheques - Rs 10.431 million

According to section-10 of Income Tax Ordinance 2017, all payments exceeding Rs 20,000 should be made / routed through banking channel in the shape of cross cheques.

During audit of PUNJMIN for the years 2020-22, it was observed that the management frequently opened cross cheques worth Rs 10.431 million and got them cashed by an employee named Mr. Khalil-ur-Rehman, in violation of the provisions of the Income Tax ordinance 2001, which was held irregular in audit.

Due to weak internal controls and non-adherence of provisions of the Income Tax Ordinance 2001, payment of Rs 10.431 million was held irregular.

Audit is of the view that the management violated the provisions of the Income Tax Ordinance.

The matter was reported to the management and PAO on August 03, 2023. The management replied that Mr. Khalil Ur Rehman, Office Assistant was authorized to deal with all matters of banks for smooth operations of the corporation. The reply was not convincing as cheques were opened as a matter of routine against the rules and provisions of the Ordinance.

DAC in its meeting held on December 28, 2023 directed that a detailed probe into the matter shall be conducted by administrative department within 30 days to determine facts and fix responsibility against the person (s) responsible.

Audit recommends compliance of DAC's directives.

8.1.4.3 Irregular appointment in non-transparent manner - Rs 30.240 million

As per judgment of Supreme Court of Pakistan dated January 19, 1993 in human right case # 104 of 1992, recruitment, both adhoc and regular, without publicly and properly advertising the vacancies is violation of fundamental rules. As such no post could be filled in without proper advertisement, even on adhoc or contract basis.

During audit of PUNJMIN for the years 2020-22, it was observed that the management appointed 63 employees ranging from BPS 1 to BPS 15 without advertisement of the post in violation of the Supreme Court instructions as mentioned above. The detail is given below:

(Rs in million)

S.No	Place of duty	No of employees	Date of appointment	Approx. Pay& Allowance (2021-22) (Rs)
1	Head office	3	May 2022	1.440
2	Khewara project	14	2006-2017	6.720

3	Mainwala Project	06	2017-2022	2.88
4	Khushab project	27	2015-2022	12.960
5	Daindot project	02	2013-2016	0.960
6	Quaidabad Project	11	2015-2022	5.280
		63		**30.240**

Due to weak internal controls, the violation was occurred.

Audit is of the view that the action of the management for hiring employees by ignoring the orders of the supreme court was held irregular.

The matter was reported to the management and PAO on May 29, 2023. The management replied that all the contingent paid staff was hired for direly needed posts within the budgetary provision. The reply was not convincing as the employees were hired in non-transparent manner.

DAC in its meeting held on December 28, 2023 directed the management to get the matter regularized from Finance Department and adopt transparent procedure for hiring in future.

Audit recommends compliance of DAC's directives.

8.1.4.4 Unjustified/irregular payment of special increments to selected employees with retrospective effect - Rs 48.889 million

According to Finance Department letter dated August 20, 2018, "the cases for post creation & up-gradation, increase in salaries & allowances, recruitment criteria, or any other matter having financial implications may be sent to Finance Department for advice by all the autonomous bodies".

During audit of PUNJMIN for the year 2020-22 , it was observed that management granted special increments to selected employees retrospectively without seeking prior currency from Finance Department as per the instructions cited above. Further, in the absence of any performance indicators for the extra ordinary performance, the payment of special increment was not justified. The special / additional increments were allowed to the staff of the project which were running in continuous loss due to low production. The detail is given as under:

(Rs in million)

S.No	Year	Number of Additional Increments granted	Recurring Financial impact of Additional Increments (Rs)

1.	**2017 to 2021**	**-**	**9.585**
1.	2020-2021	Two	4.470
2.	2021-2022	Two	13.997
3.	2022-2023 July to Dec. 2023	Two	20.837
		Total	**48.889**

Due to weak financial controls, unjustified payments were made.

Audit is of the view that payment of additional increments without gauging extra ordinary performance and without concurrence of Finance Department was not justified.

The matter was reported to the management and PAO on May 29, 2023. The management replied that Ex-Managing Director, granted special increments to PUNJMIN employees on the basis of his personal evaluation. The reply was not convincing as the financial benefits were given without the concurrence of Finance Department.

DAC in its meeting held on December 28, 2023 directed the management to get the expenditure regularize from Finance Department and to produce evidence for extra ordinary services rendered by the officers.

Audit recommends compliance of DAC's directives.
(DP Nos: 113,136)

8.1.4.5 Irregular payment of monetization allowance to Managing Director - Rs 2.781 million

As per Finance Department letter dated December 13, 2016, the officer was entitled for company owned and maintained vehicle or payment of monetization allowance in lieu of provision of official vehicle

During audit of PUNJMIN for the years 2020-22, it was observed that Mr. Shahzad Rafi Managing Director took the charge on May 26, 2017. While examining the payroll, it was observed that during the period from August 01, 2020 to December 31, 2022 the officer enjoyed both the facilities i.e. retention of two vehicles of corporation as well as monetization allowance for his official and private use. The officer received monetization allowance of Rs 2.781 million (Rs 95,910 x 29 months).

Due to weak internal controls, the officer received monetization allowance against the rules.

Audit is of the view that as per Finance Department instructions, the officer was not entitled to get monetization allowance because he was using official vehicles.

The matter was reported to the management and PAO on May 29, 2023. The management admitted the contention of audit and agreed that the officer was not entitled for monetization allowance. Hence, the over payment needs to be recovered.

DAC in its meeting held on December 28, 2023 directed the management to recover the monetization allowance from Ex- Managing Director at the earliest and get it verified from audit.

Audit recommends compliance of DAC's directives.

8.1.4.6 Irregular payment to M.D on revision of pay without the approval of the Finance Department – Rs 1.288 million

According to Finance Department letter dated August 20, 2018, "the cases for post creation & up-gradation, increase in salaries & allowances, recruitment criteria, or any other matter having financial implications may be sent to Finance Department for advice by all the autonomous bodies".

During audit of PUNJMIN for the years 2020-22, it was observed that Mr. Shahzad Rafi was appointed as Managing Director in PUNJMIN on May 26, 2017 in MP-I scale for a period of three years as approved by Finance Department. The basic pay was fixed for Rs 289,300 per month. However, Government of the Punjab in 2022 revised pay scales of the Government employees. The management without taking advise from Finance Department increased the Basic pay of the officer by Rs 257,681 (i.e. 48% of the existing basic pay) w.e.f July 01, 2022. The management took up the matter with the Finance Department on October 10, 2022 for clarification. The clarification from the Finance Department are still awaited till close of the audit. Thus, an amount of Rs 1,288,405 was paid to the officer during the period from July 01, 2022 to November 28, 2023 without the approval of the Finance Department. Detail is as under:

(Rs in million)

Period of increase	**Monthly increase in Basic pay**	**Monthly increase (Rs)**	**Total over payment (Rs)**
1-07-2022 to 28-11-2023	48%	0.258	1.288

Due to non-weak internal controls, an irregular payment was made to the officer.

Audit is of the view that due to non-consultation with Finance Department resulted into irregular payment made to the officer.

The matter was reported to the management in August 03, 2023. The management replied that government did not issue revised MP-I pay package. The pay package was to be revised by Selection Board of the Government, but the pay was revised on the directions of Ex-MD. The reply was not convincing as the increase was allowed by Ex. M.D himself without the approval of the Finance Department.

DAC in its meeting held on December 28, 2023 directed the management to refer the case to Finance Department for advice/clarification regarding revision of MP scales and to recover the undue payment in case of adverse advice from Finance Department.

Audit recommends compliance of DAC's directives.

8.1.4.7 Irregular payment of the cost of increased price of explosive against the provisions of the contract - Rs 15.202 million

According to clause-16 of raising and lifting contract of salt with raising contractor, salt mining the explosive material i.e. gun powder used for exploration in excavation by the contractor with his own resources, but if contractor wants PUNJMIN provide explosive material to contractor and will adjust actual cost of explosive from the contractor's bill. Any increase in the cost of explosive is the sole responsibility of the contractor.

During audit of PUNJMIN, Project office Khewara, for the years 2020-22, it was observed that the cost of explosive increased from Rs 125 per Kgs to Rs 345 per Kgs. The increase in cost was to be borne by the contractor but the same was paid by the PUNJMIN and booked the same as subsidy to contractor in its books of accounts. As a result an amount of Rs 15.202 million was paid irregularly in contravention of the above provision of contract.

Due to weak contract management, irregular payment was made.

Audit is of the view that there was no provision of subsidy in the contract and the favour given to the contractor was held irregular.

The matter was reported to the management and PAO on August 03, 2023. The management replied that explosive material was purchased by PUNJMIN and supplied to the Raising Contractor for excavation of Rock Salt. The cost of explosive was charged from bills of Raising Contractor. PUNJMIN was supplying the explosive material to raising contractors @ Rs 125/- per KG. The reply was not convincing as according to clause 16 of the raising & lifting contract any increase in the cost of explosive is the sole responsibility of the contractor.

DAC in its meeting held on December 28, 2023 directed the management to place the matter before Board of Directors for approval/regularization of previous payment and to follow the agreement clause in future.

Audit recommends compliance of DAC's directives.

8.1.4.8 Non transparent purchase of explosive from unauthorized supplier - Rs 9.870 million

According to rule 12 of the Public Procurement Rules, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper.

During audit of PUNJMIN Khushab project for the years 2020-22, it was observed that the management frequently purchased explosives from unregistered suppliers M/s Shah Bohot Mining Services and M/s Zagham Abbas without advertisement, which resulted into non transparent purchase of Rs 9.870 million.

Due to weak internal controls the irregularity was occurred.

Audit is of the view that the management failed to advertise the procurement to get the benefit of competitive rates.

The matter was reported to the management and PAO on August 03, 2023. The management replied that M/s Shah Bohot Mining Services is not registered in sales tax as well as income tax and it provided the explosive on condition that PUNJMIN will not deduct income tax and also that it will not deposit the sale tax in account of PUNJMIN. The reply was not convincing as explosives were purchased in a non- transparent manner and neither income tax nor GST was deducted from the supplier.

DAC in its meeting held on December 28, 2023 directed the management to place the matter before Board of Directors for ex-post facto approval of previous purchase and to follow rules in future.

Audit recommends compliance of DAC's directives.

8.1.4.9 Loss due to wastage of old stock of coal - Rs 13.284 million

According to clause 3 & 4 of lifting contract, the contractor is bound to lift the coal according to the given weekly schedule and in case of failure the contractor is bound to deposit the amount of remaining / uplifted quantity and lift the quantity within three days. In case of non-lifting his security will be forfeited and contract terminated.

During audit of PUNJMIN for the years 2020-22, it was observed that a quantity of 800 M.Ton of coal stock valuing Rs 7.20 million was lying unsold since 2014 at Khushab project which decayed over the period and became unsellable. In Dandot project, a quantity of 703 M.Ton of coal valuing Rs 6.084 million caught fire as the contractor failed to lift the extracted quantity within three days. The stock at both sites got wasted because the contractors failed to lift the coal stock timely.

Due to weak operational controls, a huge quantity of coal was lying unsold.

Audit is of the view that due to non-lifting of coal stock and inordinate delay, organization sustained loss of Rs 13.284 million.

The matter was reported to the management and PAO on August 03, 2023. The management replied that coal being produced from Padhrar coal project was genetically of inferior quality. After excavation and dumping at stock yard its quality further deteriorates day by day due to environmental behavior like rains, sunlight, heat etc. The reply was not convincing as the management was required to sell the stock well in time to avoid quality deterioration.

DAC in its meeting held on December 28, 2023 directed the management to hold technical probe under administrative department, to determine the facts about delay and decay losses and to fix responsibility against the person (s) responsible within 30 days.

Audit recommends compliance of DAC's directives.
(DP Nos: 114,124)

8.1.4.10 Loss due to inaccurate measurement of Salt - Rs 10.292 million

As per rule 2.10 (a) (i) of Punjab Financial Rules, same vigilance should be exercised in respect of expenditure incurred from government revenues as a person of ordinary prudence would exercise in respect of the expenditure from his own money.

During audit of PUNJMIN Khewara Project for the years 2020-22, it was observed that management was using faulty weigh bridge having an error percentage of 2.31% less measurement. This fact was evident from the invoices of M/s ICI Khewara and M/s Sitara Chemical. During the audit period, a quantity of 277,769 M.Tone edible salt was sold in the open market by measuring inaccurate weigh scale. Audit has assessed that a quantity of 6,417 M.ton (277,769 x 2.31%) valuing Rs 10.292 million was lifted by the buyers without paying any price due to less measurement by the faulty weigh bridge.

Due to weak internal controls the irregularity was occurred.

Audit is of the view that due to negligence on the part of management, the Corporation sustained a loss.

The matter was reported to the management and PAO on August 03, 2023. The management replied that PUNJMIN received the payment of Rock Salt at the weighment statement generated by the weighbridges of chemical industries. PUNJMIN reconciled the weights of its own weighbridges with the weighbridges of other chemical industries. The reply was not tenable as the salt was sold in the open market at a quantity less than actual.

DAC in its meeting held on December 28, 2023 directed that a detailed probe into the matter shall be conducted by administrative department within 30 days to determine facts and fix responsibility against the person (s) responsible

Audit recommends compliance of DAC's directives.

8.1.4.11 Loss due to non-recovery from excavation contractors - Rs 10.044 million

According to rule 2.10 (a) (i) of Punjab Financial Rules, same vigilance should be exercised in respect of expenditure incurred from government revenues as a person of ordinary prudence would exercise in respect of the expenditure from his own money.

During audit of PUNJMIN for the years 2020-22, it was observed that the management of Khushab failed to recover outstanding dues from the contractors on account of use of electricity and other allied facilities from running bills. An amount of Rs 10.044 million was receivables. Details is as under:

(Rs in million)

S.No	Name of contractor	Amount outstanding (Rs)	Outstanding since
1.	M/s Pir Stone	5.110	2020-2021
2.	M/s M S D	0.519	2020-2021
3.	M/s Javed Iqbal PCP 4	1.900	2020-2021
4.	M/s MKSA Enterprises	2.515	2020-2021
Total		**10.044**	

Due to weak internal controls and loose financial managements the project sustained a loss.

The matter was reported to the management and PAO on August 03, 2023. The management replied that recovery from the contractors are in process. The reply was not convincing as considerable time lapsed but no recovery was made.

DAC in its meeting held on December 28, 2023 directed the management to recover the amount at the earliest and get it verified from Audit.

Audit recommends compliance of DAC's directives.

8.1.4.12 Irregular sale of Burxite to M/s MKSA enterprises without agreement - Rs 9.850 million

According to rule-2.33 of Public Financial Rules Volume-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss, arising from fraud or negligence.

During audit of PUNJMIN Khushab Project for the years 2020-22, it was observed that the project management sold Burxite to M/s MKSA enterprises in non-transparent manner without any agreement. The Project Manager himself fixed the rate of Rs 750, 600 and 150 per M. Ton. Thus, the sale of Burxite of Rs 9.850 million was made in a selective manner.

Due to weak internal controls and loose financial management, the stock was sold in an irregular manner.

Audit is of the view that management granted undue favour to vendor by awarding contract without advertisement.

The matter was reported to the management and PAO in August 03, 2023. The management replied that the quality of our bauxite is very low and its seam is genetically irregular and available in small pockets. Therefore, no major/local party is ready to purchase bauxite. The reply was not convincing as the stocks were sold in a non-transparent manner.

DAC in its meeting held on December 28, 2023 directed the management to place the matter before Board of Directors for ex-post facto approval of previous practice and to adopt tender process in future.

Audit recommends compliance of DAC’s directives.

8.1.4.13 Non recovery on account of supply of Gypsum - Rs 2.576 million

According to clause of clause-XI of sale agreement, the payment shall be made within 30 days from the date of delivery of the goods.

During audit of PUNJMIN Khushab project for the years 2020-22, it was observed that an amount of Rs 2.576 million was recoverable from different Cement Companies on account of supply of Gypsum since 2018-2019. Detail is as under:

(Rs in million)

S.No	Name of Parties	As on June 30,2022 (Rs)	Outstanding since
1	M/s Askari Cement	0.339	2018-2019
2	M/s Javadia Cement	0.327	2018-2019
3	M/s Gharibawal Cement	0.241	2018-2019
4	M/s Ravi Glass legal case	1.109	2018-2019
5	M/s Ideal Enterprises	0.560	2018-2019
	Total	**2.576**	

Due to weak financial controls, management failed to recover their old outstanding dues since long.

The matter was reported to the management and PAO on August 03, 2023. The management replied that efforts were being made to recover the outstanding amount. The reply was not convincing as the management failed to recover the old outstanding amount since long.

DAC in its meeting held on December 28, 2023 directed the management to recover the amount at the earliest and get it verified from Audit.

Audit recommends compliance of DAC's directives.

8.1.4.14 Shortage of stores, spares and loose tools – Rs 29.685 million

Auditor-General of Pakistan vide letter dated August 19, 2016 issued instructions to all field offices to ensure proper maintenance of assets record during audit process of each entity.

During audit of PUNJMIN for the years 2020-22, it was observed that management did not conduct annual physical verification of Stores, Spares and fixed assets on annual basis to ensure the physical existence of corporation assets. The external auditors since 2014-2015 repeatedly pointed out the deficiency and qualified their report. However, in February, 2021 the management engaged M/s Sheikh & Chaudhri Chartered Accountant for physical verification of PUNJMIN fixed assets, stock, spares and stores as appearing in the books of account as on June 30, 2020. The firm submitted its report on February 09, 2022 and pointed out following shortages as per detailed given below:

(Rs in million)

S.No	Name of Project	Description	Location	Amount of Spare & stores not available at site (Rs)
1.	Head Office and its allied projects	Stock, stores & spares	H.O and projects	24.962
2.	Khushab project	Stores & Spares	Khushab	1.067
3.	Padhara project	Stores & Spares	Padhara	1.060
4.	Dondot Coal Project	Fixed assets	Padhara	2.596
	Total			**29.685**

Due to weak internal controls, management failed to protect its assets.

Audit is of the view that management failed to ensure safety and physical presence of spares and stores worth of Rs 29.685 million.

The matter was reported to the management and PAO on May 23, 2023. The management replied that proper incorporation of disposal of assets having written down value as nil will be done from the accumulated reserves as per rules & regulations. The reply was not convincing as the shortage of stores was pointed out during the year 2014-2015. In January 2021, the shortages were also confirmed by independent Chartered Accountant firm but no action was taken by the management.

DAC in its meeting held on December 28, 2023 directed the management to complete the external audit of corporation and get the qualifications removed.

Audit recommends compliance of DAC's directives.

8.1.4.15 Irregular retention of contractor's security in the company's main account - Rs 7.010 million

According to section 217(2) of the Companies Act 2017, the money so received shall be kept in a special bank account maintained by a Company with a Scheduled bank.

During audit of PUNJMIN for the years 2020-22, it was observed that the management retained an amount of Rs 7.010 million pertaining to the securities of contractors in its main operational account in violation of the provision of the Companies Act 2017.

Audit is of the view that weak financial management resulted into violation of provisions of section 217 of the Companies Act 2017.

The matter was reported to the management and PAO on May 29, 2023. The management replied that corporation retained amount pertaining to the securities of contractors under head of security payable and their individual ledger also maintained accordingly. The reply is not convincing as separate bank account was not opened in compliance of section 217.

DAC in its meeting held on December 28, 2023 directed the management to open separate account for security deposits in compliance of section 217 and got the record verified from audit.

Audit recommends compliance of DAC's directives.

8.1.4.16 Non imposition of late payment charges due to defective agreement with suppliers - Rs 59.456 million

According to clause XI of the agreement executed with M/s Ittehad Chemicals, the party is bound to made payment to PUNJMIN within thirty days from the issuance of invoice.

During audit of PUNJMIN Khewara project for the years 2020-22, it was observed that the management made an agreement with M/s Ittehad Chemicals, M/s Sitara Chemicals and M/s ICI Soda Khewara for the sale of industrial salt. The buyers failed to make payment with in stipulated time and caused delay of considerable time. It was further observed that there was no clause regarding penalty for late payment in the contract. Details of outstanding receivables as under:

(Rs in million)

Name of Party	Balance 30-06-2019 (Rs)	Balance 30-06-2020(Rs)	Balance 30-06-2021(Rs)	Balance 30-06-2022(Rs)
Ittehad Chemical	7.522	10.713	6.242	21.606
Sitara chemical	7.20	10.737	3.653	20.200
ICI Soda	7.397	20.496	13.715	17.740
Total	**22.119**	**41.946**	**23.610**	**59.546**

Due to defective agreement, the corporation failed to receive payments in time.

Audit is of the view that due to non-existence of the penalty clause regarding delayed payment, a considerable amount had been blocked by the above companies.

The matter was reported to the management and PAO on May 29, 2023. The management replied that long term and continuous profitable business relations with the said consumer industries since decades, penalty clause was not included in the agreements. The reply was not convincing as defective agreement was made and did not include the late payment clause.

DAC in its meeting held on December 28, 2023 directed the management to fix responsibility for the lapse and to insert penalty clause in the agreements for future.

Audit recommends compliance of DAC's directives.

8.1.4.17 Loss due to non-deduction of sales tax on excavation services – Rs 104.041 million

According to serial No. 28 of Punjab Sales Tax on service Act 2012, services provided in respect of mining of minerals, oil & gas including related surveys and allied activities will be charged @ of 16%.

During audit of PUNJMIN for the years 2020-22, it was observed that the management hired the services of various excavation contractors for mining of minerals during the period but did not deduct PST from the payment bills of the contractors. A notice dated March 31, 2023 was issued by PRA to management about filing of monthly withholding of PST on services. The PRA again issued a show cause notice to the management on April 20, 2023 for non-compliance of the matter. This reflected that the management neither deducted nor deposited of sales tax on services worth Rs 104.041 million, which caused loss to the government ex-chequer. The detail is given as under:

(Rs in million)

Name of Project	**Name of Project**	**Total sales (Rs)**	**16% PST on Services (Rs)**
Padhrar Coal	2020-21	82.563	13.210
	2021-22	137.477	21.996
Dandot Coal	2020-21	31.582	5.053
	2021-22	11.01	1.760
Qaidabad Salt	2020-21	33.773	5.404
	2021-22	36.501	5.840
Marmandi Salt	2020-21	69.240	11.078
	2021-22	146.629	23.461
Mian Mitha Salt	2020-21	10.279	1.645
	2021-22	10.172	1.627
Khushab Bauxite	2020-21	7.822	1.251
	2021-22	4.619	0.739
Silica Sand Mianwali	2021-21	10.702	1.712
	2021-22	2.335	0.374
Gypsum Mianwali	2021-22	23.993	3.839
	2021-22	31.569	5.051
Total PST on Services			**104.04**

Due to weak financial control, the irregularity was occurred.

Audit is of the view that management should have deducted the PST on services as per rules and must have deposited the same in the account of Punjab Revenue Authority.

The matter was reported to the management and PAO on May 29, 2023. The management replied that corporation was in process of registration with Punjab Revenue Authority which was likely to be completed in September, 2023. The reply was not convincing as the matter was yet to settled with the PRA authorities and the amount was still payable.

DAC in its meeting held on December 28, 2023 directed the management to pursue the matter with PRA and pay the due amount of PST at the earliest.

Audit recommends compliance of DAC's directives.

Planning and Development Department

Introduction

The Planning and Development Department, Government of the Punjab, is the principal planning organization at the provincial level. It coordinates and monitors development programs and activities of various departments of the provincial government. The department also prepares an overall Medium Term Development Framework (MTDF) of developmental activities in the province. The Medium Term Development Framework lays down the developmental activities to be carried out in the province in various sectors of the provincial economy. In this manner, the Planning & Development Department is one of the main actors in the growth of the economic potential of the province.

The mandate of the Planning and Development Department includes provision of technical support and coordination to various Government departments in their planning activities. The department is also the main government agency working with foreign donors in the province.

Purpose/ Objectives

The main objectives of the department are as follows:

- Assessment of the material and human resources of the province
- Formulation of long and short term plans
- Recommendations concerning prevailing economic conditions, economic policies or measures
- Examination of such economic problems as may be referred to it for advice
- Coordination of all economic activities in the provincial government

Governing Laws

Punjab Information Technology Board Ordinance 1999.

Formations:

Punjab Skill Development Fund
Punjab Information Technology Board
Urban Sector Planning and Management Service Unit
Engineering Consultancy Services of Punjab
Punjab Skills Development Authority

Audit profile of Planning and Development Department

9.1 Punjab Information Technology Board (PITB)

9.1.1 Introduction

The Punjab Information Technology Board (PITB) was established under an ordinance of Governor of the Punjab dated March 27, 1999. The principal objective of the Board is to develop information technology as a major sphere of economic activity and promote its use in public and private sectors for increasing efficiency and competitiveness.

9.1.2 Comments on Audited Accounts

The management failed to provide annual audited accounts for the years 2017-18 to 2022-23 by December 31, 2023.

9.1.3 Compliance of PAC Directives

Audit Report	Total Paras	Compliance received	Compliance not received	Percentage of compliance
2006-07	05	05	0	100%
2010-11	01	01	0	100%
2012-13	08	05	03	62.5%
2013-14	12	06	06	50%
2019-20	13	02	11	15%
Total	**39**	**19**	**20**	**49%**

Overall compliance is 49%, which needs to be improved and requires special attention of PAO.

9.1.4 Audit Paras

9.1.4.1 Irregular appointment of staff having irrelevant qualification and experience – Rs 19.248 million

According to PITB Resource requisition form and PC-I, qualification required for Business Development Assistant was minimum 16 years with a degree in Project Management/ Computer science/ Computer engineering/ IT/ Software engineering or related from a reputed HEC recognized local or foreign institution. Further, as per PC-I of E-Abiana, two year experience was required for software engineer.

During audit of Punjab Information Technology Board (PITB) for the years 2021-23, it was observed that management hired staff on various projects having irrelevant qualification and experience resulted into irregular payment of Rs 19.248 million. Detail is in **Annex-13.**

Due to lack of internal controls and poor HR management, person(s) with irrelevant qualification and experience was selected.

Audit is of the view that management was required to hire a person having relevant qualification and experience but the same was not done.

The matter was reported to the management and PAO on October 23, 2023. The management replied that all the employees were hired after fulfilling all codal formalities. The reply was not convincing as employees having irrelevant qualification and experience were recruited.

DAC in its meeting held on January 24, 2024, directed the management to provide the record for verification to audit. The management did not provide the record till finalization of this report.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2015-16, 2019-2020 and 2022-23 vide para numbers 12.1.4.2, 10.1.4.2 and 10.1.4.4 having financial impact of Rs 4.86 million, Rs 59.548 million and Rs 5.563 million respectively. Recurrence of same irregularity is a matter of serious concern.

9.1.4.2 Irregular drawl of funds from Assan Assignment Accounts - Rs 1,067.862 million

According to Procedure-1 (xv) of Assan Assignment Account Procedure, 2020 applicable w.e.f October 26, 2020, cash withdrawal or transfer of funds to any bank account is not allowed except employees related deductions like pensions contributions, provident fund and GP Fund etc. These deductions shall be made as per Rules/Policy Guidelines/Procedure of the relevant offices. Payment shall be made only through crossed cheque to contractors, vendors, suppliers, employees, etc.

During audit of PITB for the years 2021-23, it was observed that management drew an amount of Rs 326.397 million from Assan Assignment Account (AAA) No. 1173752998 for non-development grants and amount of Rs 741.465 million from Assan Assignment Account (AAA) No. 1173753004 for development grants to its commercial Bank Accounts and transferred to its commercial Bank Accounts. This situation showed that management drawn excess amount from the assignment account in its commercial account which was against the above procedure. Detail is in **Annex-14.**

Due to weak financial controls a huge amount was drawn without need.

Audit is of the view that the above said excess transfer of amount from AAA to Commercial Bank of PITB showed objectionable financial practice as it by-passed the annual budgeting framework of Government of Pakistan.

The matter was reported to the management and PAO on October 23, 2023. The management replied that out of Rs 741.464 million, around 89% of funds i.e. Rs 657.766 million were transferred for disbursement of salaries to staff apart from its contractual staff. The reply was not convincing as the amount of salaries to staff can be withdrawn through cross cheques/advice to bank against the employees as per procedure of AAA.

DAC in its meeting held on January 24, 2024, directed the management to refer the case to Finance Department for advice.

Audit recommends compliance of DAC's directives.

(DP Nos: 352,354)

9.1.4.3 Non-achievement of targeted trainings and non-reconciliation of sponsorship fee with universities - Rs 19.824 million

As per PC-I of National Freelance Training Program (NFTP), the main objectives of this initiative are to establish twenty (20) physical training centers across Pakistan, target to train 22,960 candidates. Further, sponsorship funds for up to 300 candidates will be transferred in advance to public partner universities. Reconciliation of funds will be carried out between partner university and project before each subsequent cohort according to number of graduates.

During audit of PITB for the years 2021-23, it was observed that management of PITB start execution of the project NFTP which is sponsoring by the Ministry of Information Technology & Telecommunication, Pakistan in August 2019 with the target to complete the trainings of 22,960 students upto June 2022 through Public Universities across Pakistan. Only 9,821 students trained against target of 22,960 upto June 30,2023 which show poor performance on the part of PITB.

Further, management given advance against student fee to the partners universities as per agreement but did not train the students till to date and fee of Rs 19.824 million are still pending against the universities which needs justification. Detail is in **Annex-15.**

Due to weak project and financial management, the management failed to achieve the trainees targets as per provision of PC-I.

Audit is of the view that PITB did not achieve the targets of trainings despite giving full financial resources to the universities.

The matter was reported to the management and PAO on October 23, 2023. The management replied that the NFTP project was largely effected initially by Covid in 2020 and then by the flood in year 2022 specially in areas of Sindh and Baluchistan which caused hindrance in achieving targets. The reply was not convincing as the management was required to achieve target of 22,960 upto June 2022 but lapse of one and half year, only 11,837 students trained against enrolled 13,650 students. Further, as per data of students provided, 1,451-students fee pending against universities.

DAC in its meeting held on January 24, 2024, directed the management to recover the amount of sponsorship from the University who refused to conduct training and achieve the targets as per revised PC-1.

Audit recommends compliance of DAC’s directives.

(DP Nos: 334,335)

9.1.4.4 Revenue loss due to non-implementation of exit strategy for E-Khidmat Markaz - Rs 850.00 million

According to clause-15 regarding Exit Strategy of PC-1, during the 3rd and 4th revision of the project E-Khidmat Markaz, it was proposed to make said project self-sustainable after completion of the project, fee charging model may be adopted under which a minimal fee will be charged to citizens against the services obtained and revenue would also be generated through marketing campaigns.

During audit of PITB for the years 2021-23, it was observed that PITB management executed project "E-Khidmat Markaz" to provide 30+ services and established Ten (10) Facilitation Centers in the Province of Punjab after incurring cost of Rs 1,529.518 million and incurring more than 400 million annually for operation of centres. The said project was completed in June 2019 and management should have charged fee as per exit strategy but management did not to do so and suffered revenue loss as under:

(Rs in million)

Year	**Potential Income (Rs)**
2019-20	175
2020-21	198
2021-22	224
2022-23	253
Total	**850**

Due to weak operational controls, management failed to get the revenue against the services rendered to the general public.

Audit is of the view that management should be taken steps to charge the fee to the customers for exit strategy which were recommended by DG M&E and also proposed in PC-I as the government incurred huge expenses annually.

The matter was reported to the management and PAO on October 23, 2023. The management replied that the project aims to establish a self-sustainable model, and the CFSCS are anticipated to become fully operational in the near future.

DAC in its meeting held on January 24, 2024, directed the management to implement the PC-I provisions pertaining to exit strategy in letter and spirit.

Audit recommends compliance of DAC's directives.

9.1.4.5 Undue/unnecessary expenditure from grant due to non-operation of Facilitation Centre, Chakwal on self-sustainable model – Rs 15.955 million

According to clause-17 and 17.1 regarding Exit Strategy of PC-1 (2nd Revision) of Facilitation Centre Chakwal, the project will completely run on its self-sustainability model after the completion of the project. As per self-sustainability model, Centre would handle 9,216-

customers/month and run at break event point if management charged per customer fee Rs 66.09, Rs 88.12 and Rs 132.2 at 100%, 75% and 50% capacity respectively.

During audit of PITB for the years 2021-23, it was observed that the management executed project Citizen Facilitation and Service Centre at Chakwal to provide 30+ services after incurring cost of Rs 79.575 million. The said project started its operations in May 2022 and as per exit strategy management was required to charge fee to run its operations. The management of PITB did not charge any fee and received the grant of Rs 16.699 million from government and incurred expenditure of Rs 15.955 million unnecessarily from the grant to run the Centre.

Due to weak project management, PITB failed to implement the PC-I in letter and spirit.

Audit is of the view that management should have taken steps to charge the fee to the customers to make the center sustainable as recommended in PC-I.

The matter was reported to the management and PAO on October 23, 2023. The management replied that the project aims to establish a self-sustainable model, and the CFSCS are anticipated to become fully operational in the near future.

DAC in its meeting held on January 24, 2024, directed the management to implement the PC-I provisions pertaining to exit strategy in letter and spirit.

Audit recommends compliance of DAC's directives.

9.1.4.6 Loss to government due to non-charging of Punjab Sales Tax on IT services - Rs 11.536 million

According to Sr. No. 22 of 2nd schedule of Punjab Sales Tax on Services Act 2012 under taxable services, five percent tax imposed on IT based services.

During audit of PITB for the years 2021-23, it was observed that management provided different IT services to clients which were not funded by the government and have own source of income but no PST was charged by the PITB which caused loss to the government exchequer of Rs 11.033 million. The detail is as under:

(Rs in million)

Name of Project (2021-23)	**Name of Beneficiaries**	**Expenditures 2021-22 (Rs)**	**Expenditures 2022-23(Rs)**	**Total (Rs)**	**5% PST (Rs)**
Implementation of HIMS at PESSI	PESSI	57.102	163.573	220.675	11.034
WASA Complaint	WASA	4.354	5.692	10.046	0.502

Management System					
Total					**11.536**

Due to weak financial management responsibilities of tax was not discharged as per rules.

Audit is of the view that management should have charged the PST on provision of services provided as per Act mentioned above.

The matter was reported to the management and PAO on October 23, 2023. The management replied that funds were utilized for payment against procurements made on behalf of Client departments to execute the IT component and for the purchase of hardware for client department on which relevant taxes were withheld and deposited. Suggestions of the audit is well taken and PITB will charge PST on services to Private sector /autonomous bodies. The reply was not convincing as the management was required to charge PST against the IT services as per rules.

DAC in its meeting held on January 24, 2024, directed the management to refer the para to Finance Department for advice.

Audit recommends compliance of DAC's directives.

9.1.4.7 Underutilization of E-Khidmat Marakaz despite incurring full operational cost annually - Rs 412.475 million

As per detailed footfall analysis performed by the Director General Monitoring & Evaluation of Planning and Development Board, Government of the Punjab in its evaluation report issued on August 2019 on Project Establishment of Citizen Facilitation and Service Centers (E-Khidmat Markaz) that the year wise footfall and its growth rate shown that each centre will provide 436,670-Nos different services to the general public in a year. Further, the minimum capacity of the center is 768-customers per day which become 240,384-customers per year excluding holidays.

During audit of PITB for the years 2021-23, it was observed that PITB management is running 10-facilitation centers in the Province of Punjab and incurred expenditures of Rs 317.224 million in 2021-22 and Rs 412.475 million in 2022-23 to provide 30+ services including main i.e. Birth, Character, Child Registration, Death, Domicile and Family Registration certificates, issuance of FARD, Property Registry, E-Stamp Paper and Driving license etc. The services provided data for the year 2022-23 of each center revealed that not a single centre maintained footfall growth rate and all the centers also did not utilize its minimum capacity. Detail is as under:

Facilitation Centre	**Minimum Capacity (Nos)**	**2022-23**		**2021-22**	
		No of Delivered Services (Nos)	**%age of Minimum Capacity Utilization**	**No of Delivered Services (Nos)**	**%age of Minimum Capacity Utilization**

Bahawalpur	240,384	208,800	87%	100,374	42%
DG Khan	240,384	153,529	64%	33,691	14%
Faisalabad	240,384	198,136	82%	123,341	51%
Gujranwala	240,384	131,910	55%	60,737	25%
Lahore ASTP	240,384	225,919	94%	152,417	63%
Lahore Town Hall	240,384	85,665	36%	55,621	23%
Multan	240,384	205,343	85%	105,570	44%
Rawalpindi	240,384	136,338	57%	97,529	41%
Sahiwal	240,384	126,220	53%	54,408	23%
Sargodha	240,384	204,289	85%	129,133	54%
Total	**2,403,840**	**1,676,149**	**70%**	**912,821**	**38%**

Due to weak operational controls, management failed to deliver the services to the general public upto mark.

Audit is of the view that management should take steps for utilization of E-Khidmat Marakaz upto capacity as the government incurred huge expenses.

The matter was reported to the management and PAO on October 23, 2023. The management replied that when assessing the annual turnaround of delivered services to citizens at all CFSCs across Punjab, a substantial increase in effectiveness is consistently observed over time. The reply was not convincing as the centres did not achieve minimum capacity utilization.

DAC in its meeting held on January 24, 2024, directed the management to take efforts for maximum utilization of centres.

9.1.4.8 Un-necessary procurement of UPS for PESSI Hospitals - Rs 4.922 million

As per Hardware distribution plan of HMIS PESSI Project, the Desktop Computers with UPS were required upto June 2023 for PESSI Hospitals.

During audit of PITB for the years 2021-23, it was observed that management purchased 1217-UPSs at the Rs 12,850 from M/s Makkays on March 20, 2023. On the other hand, management purchased 834-Nos Desktop Computers at Rs 103,500 each on May 30, 2023 against the demand of 1217-Nos. The equipment were distributed to the PESSI hospitals upto June 2023. 383-Nos Desktop Computers were not procured till to date but the UPS of the same quantity were purchased in March 2023. Thus, management procured 383-UPS for Rs 4.922 million without any need and expired of warranty without use.

Due to poor operational management an unnecessary procurement was made.

Audit is of the view that management should procured UPS according to requirement of desktop computers to avoid unnecessary procurement.

The matter was reported to the management and PAO on October 23, 2023. The management replied that the responsibility lies with sponsoring department for not releasing the due funds timely and holding the implementation as PITB is executing agency. The reply was not convincing as the PITB purchased the hardware on the behalf of the PESSI as executing agency and was required to watch the proper utilization/need of the hardware.

DAC in its meeting held on January 24, 2024, directed the management to resolve the issue with PESSI.

Audit recommends compliance of DAC's directives.

9.1.4.9 Non expansion of the E-Rozgar program to the private Sector

As per decision of 1st meeting of steering committee held on June 08, 2022 regarding exit strategy for project titled E-Rozgar Training Program, PITB to explore viable options with interested private sector institutes with a revenue generation model for using E-Rozgar's name as its brand value provided that the standards of training are strictly adhere and a process of check and balance in place.

During audit of PITB for the years 2021-23, it was observed that PITB executing the E-Rozgar Program and as per decision of the committee on exit strategy, PITB was required to initiate the expansion of program through private sector with a revenue generation model. This amount can be utilized or adjusted by creating a revolving fund. The same was not done.

Due to weak project management, management failed to implement the exit strategy of the project.

Audit is of the view that management should have implemented the decision of the committee to expand the project to private sector to earn revenue.

The matter was reported to the management and PAO on October 23, 2023. The management replied that in accordance with the minutes of the 1st steering committee, feasible alternatives were explored via revenue generation model in collaboration with private sector entities. However, this model underwent updates in subsequent steering committee meetings and eventually it was decided that expansion with public/private sector would be implemented through a franchise-based model. The reply was not convincing one and half year has been elapsed but management did not start the self-sustainable model through private universities as per instructions of the steering committee held on June 08, 2022.

DAC in its meeting held on January 24, 2024 directed the management to extend the program to the private sector.

Audit recommends compliance of DAC's directives.

9.2 Punjab Skills Development Fund (PSDF)

9.2.1 Introduction

Punjab Skills Development Fund (PSDF) was incorporated on October 11, 2010 under Companies Ordinance 1984 (now Companies Act 2017). It is sponsored by the Government of the Punjab and funded by the Department of International Development, UK. The registered office of the company is situated in Lahore. The company is a funding organization which acts as a financer of skills development / vocational training projects and intends to stimulate the market for skills development.

9.2.2 Comments on Audited Accounts

9.2.2.1 The working results of the Fund for the year 2022-23 as compared to the previous years are given as under: -

(Rs in million)

	2022-23	**%Inc /(Dec)**	**2021-22**	**%Inc /(Dec)**	**2020-21**
Income					
Grant Income	1176.61	53.05	768.79	(71.57)	2,704.51
Amortization of deferred contribution-Capital Assets	16.222	(31.44)	23.66	(5.47)	25.03
Management fee (Other Income)	17.224	28.35	13.42	44	9.32
Income from Placement Services	7.47	38.59	5.39	(33.04)	8.05
Profit on bank deposits	79.54	705.88	9.87	2.37	7.98
Total	**1297.06**	**57.96**	**821.124**	**(70.09)**	**2,745.57**
Expenditure					
Punjab Skills Development Project (PSDP)	-	-	-	(100)	28.79
Skills Development Program (SDP) – Training	-	-	186.81	(92.53)	2,501.8
Skills Development Program (SDP) - Technical Assistance	-	-	18.04	(86.80)	136.71
Evidence Generation & Design Program (EGDP)	71.70	206.93	23.36	246.07	6.75
Skilling Youth for Income Generation (SYIG)	1,024.31	90.23	538.450	-	-
Self-Sustainable Initiative	33.48	156.04	13.076	100	0
Finance cost	0.083	(60.48)	0.21	21.56	0.17
Total			**779.94**	**(70.83)**	**2,674.22**

Surplus of income over expenditure	**102.25**	**148.24**	**41.19**	**(48.94)**	**80.68**
Accumulated fund	**341.004**	**40.94**	**241.955**	**17.31**	**206.250**

(Source: Annual Audited Accounts for 2022-23)

The surplus of income over expenditure increased to Rs 102.25 million in the year 2022-23 from Rs 41.19 million in the year 2021-22 showing an increase of 148.24%. This was mainly increased due to huge increase in profit on bank deposits which increased from Rs 9.87 million in the year 2021-22 to Rs 79.54 million in the year 2022-23. On the other hand, Income from placement services and management fee could be increased at minimal level i.e. from Rs 5.39 million in 2021-22 to Rs 7.47 million in 2022-23 & from Rs 13.42 million to Rs 17.22 million respectively. Income from bank deposits does not contribute to the operational/ regular income. Management should make efforts to achieve substantial increase in operational income as in case of non-funding from different donors may create liquidity and going concern problems for the organization in future.

9.2.2.2 Accumulated fund of the company increased to Rs 241.96 million as on June 30, 2022 from Rs 206.250 million as on June 30, 2021 and further increased to Rs 341.003 million as on June 30, 2023. This showed constant increase in accumulated fund which requires management attention to devise a policy/ framework for proper utilization of the fund instead of its accumulation.

9.2.2.3 Deferred grants for capital assets under non-current liabilities reduced to Rs 52.61 million (FY 2022-23) from Rs 67.20 million (FY 2021-22) showing a decrease of 21.71% only. Non-utilization of these funds needs clarification.

9.2.2.4 Other receivable for SDF Program which increased to Rs 106.27 million in the year 2022-23 from Rs 9.95 million in the year 2021-22 registered an increase of 968.04%. This huge increase needs explanation along with updated position of the recovery.

9.2.2.5 Short term investments reduced to Nil (FY 2022-23) from Rs 100.00 million (FY 2021-22) showing a decrease of 100% despite availability of sufficient cash and bank balance of Rs 1,111.55 million as on July 01, 2022. This shows weak financial management of the funds which deprived the company from generating profit on bank deposits.

9.2.2.6 Expenditure under Self Sustainable Initiative increased to Rs 33.48 million in the year 2022-23 from Rs 13.08 million in the year 2021-22 showing an increase of 155.96%. This was mainly due to increase in salaries and travelling and conveyance expenses. This huge increase needs explanation despite the fact that average number of employees reduced to 60 from 73.

9.2.2.7 Excess expenditures over receipt amounting to Rs 10.57 million, Rs 13.66 million and Rs 2.98 million under the projects of EGDP, SYIG and KSIP were incurred during the year 2022-23. This needs explanation as expenditures should have been incurred keeping in view the availability of funds.

9.2.2.8 Under the project SYIG, funds amounting to Rs 7.23 million could not be utilized and lapsed during the year 2022-23. This shows inefficient management of funds as these were withdrawn but could not be utilized during the year.

9.2.2.9 Expenditure on account of research activities increased to Rs 67.05 million (FY 2022-23) from Rs 16.63 million (FY 2021-22) showing an increase of 303.19%. This huge increase needs to be explained along with complete detail of activities done and their impact on the project.

9.2.2.10 Meeting fee paid to the Board of Directors increased to Rs 4.43 million (FY 2022-23) from Rs 2.38 million (FY 2021-22) showing an increase of 86.13%. This huge increase needs to be explained along with complete detail of meeting and expenses incurred.

9.2.2.11 Honorarium paid to the executives increased to Rs 6.09 million (FY 2022-23) from Nil (FY 2021-22). Huge payment on account of honorarium needs justification along with provision of complete detail of employees, their KPIs, achievements, inclusion of this amount in the annual budget, approvals of the honorarium from the competent forum.

9.2.3 Compliance of PAC Directives

No PAC meeting for the years 2014-15 to 2021-22 has been convened so far.

9.2.4 Audit Paras

9.2.4.1 Irregular appointment of the employees – Rs 7.576 million

According to the advertisement dated October 30, 2020, December 15, 2020 published in the Daily Jang Lahore. Following was the criteria required for appointment against different posts.

Sr. No.	Position	Education	Experience
1.	Communication specialist Grade 3	Bachelor's degree (16 years) or Master's degree in communication/ Marketing/Social science or any relevant	A minimum of 4 years or above relevant experience with reputed organization.

		discipline from an HEC recognized university.	
2.	Associate Monitoring & Evaluation Grade 3	Bachelor's degree (16 years) or Master's degree from an HEC recognized university in economics/ Marketing/Social science or any relevant discipline.	2 years or above of relevant experience with bachelor's degree (16 years) OR 1 year or above with Master's degree.
3.	Specialist Risk Assurance Grade-3	Qualified from a recognized professional body of Accountant/ Audit/ CIA/ ACCA/CPA/ CA/ ACMA/ will be preferred.	A minimum of 4 years or above of relevant experience with reputed organization.

During audit of Punjab Skills Development Fund for the years 2020-22, it was revealed that management made appointments of different officers on contractual basis in violation of the advertised criteria as detailed below:

(Rs in million)

S #	Name	Designation	Observation	Amount (Rs)
1.	Maria Shahid	Management Associate Business Development & Partnerships-Grade-3	✓ Irrelevant qualification. ✓ Inadequate experience. ✓ She had a degree from foreign university but the same was not verified from HEC.	3.594
2.	Junaid Ali Waseer	Associate Monitoring & Evaluation	✓ Irrelevant qualification. ✓ Experience was not relevant.	1.077
3.	Iqra Sarfraz	Associate Monitoring & Evaluation	✓ Last date of application submission was 30.10.2020 but she was issued appointment letter on 30.09.2020 and her	0.359

			reference check was done on 28.10.2020. It means she was appointed prior to the advertisement. ✓ Irrelevant qualification.	
4.	Muhammad Sheharyar Basra	Specialist Risk Assurance	✓ Deficient qualification. ✓ Deficient experience.	2.547
Total				**7.576**

Weak internal controls in HR management led to the irregular appointment of employees.

Audit is of the view that management violated its own advertised criteria and extended undue favor to the candidates which resulted into irregular appointments and payment of pay and allowances amounting to Rs 7.576 million.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to state the reason (s) for appointment in violation of the advertised criteria besides fixing responsibility.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2020-21 vide para number 8.2.4.4 having financial impact of Rs 63.62 million. Recurrence of same irregularity is a matter of serious concern.

9.2.4.2 Non transparent hiring of Training Service Providers without press advertisement under cost sharing scheme – Rs 176.497 million

According to Rule-4 of PSDF Procurement Rules 2016, the fund, while making any procurement shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the fund and the procurement process is results-driven, efficient and economical. Further, Rule-60(1) of PSDF Procurement Rules 2016, fund may advertise an open invitation for prequalification of training service providers.

During audit of PSDF for the years 2020-22, it was revealed that management hired 40 TSPs for conducting 56 training programmes/trades into 395 classes. These TSPs were hired without press advertisement in violation of Punjab Procurement Rules / PSDF Procurement Rules and management paid Rs 176.497 million. Detail is in **Annex-16.**

Due to weak internal controls and non observance of Procurement rules management paid Rs 176.497 million to the few selected TSPs which was considered irregular.

Audit is of the view that hiring of above mentioned TSPs without press advertisement indicates negligence on the part of the management.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reason for hiring of TSPs without press advertisement in violation of Procurement rules.

9.2.4.3 Irregular hiring of Training Service Providers without publishing expression of interest –Rs 381.941 million

According to Rule-44 (c) of Punjab PPRA Rules 2014, for selection of consultants, the procuring agency shall publicly advertise invitation of consultants, expressions of interest and their short-listing. Further Rule-47(1), a request for expression of interest shall be advertised in accordance with the provisions of Rules 12 and 13.

During audit of PSDF for the years 2020-22, it was observed that management hired different Training Service Providers (TSPs) by adopting the procedure of hiring of short-term consultants in various training schemes under the project Skills for Youth Income generation (SYIG). During scrutiny it was found that following TSPs were hired without publishing/advertising of Expression of Interest in violation of Punjab PPRA Rules 2014. The management directly floated Request For Proposals (RFPs) and awarded contracts valuing Rs 381.941 million. The detail is given as under:

(Rs in million)

Sr. No.	Name of Schemes	Amount (Rs)
1.	Skills for Jobs 2022 Hospitality	40.084
2.	Skills for Jobs 2022 Light Engineering	49.493
3.	Skills for Job 2022 (Textile, Construction & ICT)	292.364
	Total	**381.941**

Due to weak controls, non observance of PPRA Rules 2014 and non exercising of due diligence, hiring of above mentioned TSPs considered irregular.

Audit is of the view that hiring of above mentioned TSPs by awarding contract without EOIs is held irregular.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to fix responsibility for the violation of PPRA Rules.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2017-18 vide para number 11.3.4.3 having financial impact of Rs 6.046 million. Recurrence of same irregularity is a matter of serious concern.

9.2.4.4 Irregular award of contract of consultancy to OPML consultant – Rs 82.565 million

According to clause 5.2 of Request for Proposal document, It is mandatory for the consulting firm and its consortium firms and any subject matters experts associated with this assignment to complete an online course, before the submission of the proposal against the RFP, on Prevention of Sexual Exploitation and Abuse (PSEA) – a UNICEF course designed to raise awareness of UN's zero tolerance of workplace harassment, sexual harassment and abuse authority to be eligible for this procurement. Further According to rule 36(4)(iii) that the PSDF shall evaluate the whole proposal in accordance with the evaluation criteria and the lowest evaluated bid shall be accepted.

During audit of PSDF for the years 2020-22, it was observed that management hired Oxford Policy Management Pakistan (OPM) Pvt. Limited as consultant under the UNICEF project. When the evaluation of bidding documents was checked, it was found that undue favor was granted by awarding contract to bidder which did not fulfill the minimum score criteria of 312. This resulted into irregular award of contract amounting to Rs 82.565 million. Detail is in **Annex-17**.

Due to poor procurement process a technically disqualified bidder was granted a consultancy contract.

Audit is of the view that management remained negligent throughout the evaluation process and granted contract of consultancy to a technically disqualified consultant.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reason (s) for selection of disqualified consultant besides fixing responsibility.

9.2.4.5 Irregular hiring of services of M/s Abacus ELS – Rs 26.984 million

According to Rule-4 of PSDF Procurement Rules 2016, while making any procurement shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the fund and the procurement process is results-driven, efficient and economical.

During audit of PSDF for the years 2020-22, it was observed that management hired M/s Abacus ELS for HR outsourcing services at 4.4% service charges per month. When financial documents were observed, manipulation in the financial proposal was observed. The detail is as under:

i. Financial Bid signed by the M/s Abacus ELS was September 24, 2019 but according to tender, the bid was received on August 23, 2019 which showed that documents was signed after submitting the bidding documents.
ii. All the pages of financial bid were printed on Abacus letter head but the page in which rate was mentioned with a separate format and PSDF logo was also present on the page made the documents dubious.
iii. M/s Abacus ELS mentioned in Table of Contents of Financial bid that cost of services offered was at page-4 but the same was found at page-6 in file with a different formatting.

Due to poor procurement management, PSDF hired the services of M/s Abacus ELS.

Audit is of the view that management must have followed transparent hiring process.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reasons regarding hiring of M/s Abacus ELS in non-transparent manner besides fixing responsibility.

9.2.4.6 Irregular hiring of non-eligible TSPs for training of Grooming and Makeup Artist - Rs 8.712 million

According to Code-B.1.1 of eligibility requirements for organization under Employable Skills for Females in Beauty Care Industry 2017 Scheme, organization must have legal status certificate for incorporation.

During audit of PSDF for the years 2020-22, it was observed that the services of M/s Expression Sign Beauty Hut for training of Makeup Artist under the scheme of Skills for Females in Beauty

Care Industry 2017. M/s Expression Sign Beauty Hut had no legal status, but management hired the services for training of Grooming and Makeup Artist and paid Rs 8.712 million.

Due to weak internal controls, management failed to fulfill the requirements of criteria during selection of TSP.

Audit is of the view that management granted undue benefit to the TSP by violating the basic criteria.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to inquire the matter regarding selection of non-eligible TSP and fix the responsibility on the person (s) at fault.

9.2.4.7 Irregular hiring of consultant for Study on Women Employment Trends in Urban Areas – Rs 6.290 million

According to Rule-4 of Punjab PPRA Rules 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of PSDF for the years 2020-22, it was observed that management hired the services of EY Ford Rhodes for conducting study on women employment trends in urban areas at Rs 6.290 million by adopting Quality and Cost based selection method. While scrutiny of hiring files showed that management extended undue favor to it by rejecting M/s GAT consulting (Pvt.) Ltd despite the fact that both were technically qualified and M/s GAT consulting (Pvt.) Ltd quoted Rs 3.989 million compared to the financial offer of Rs 9.780 million by the EY Ford Rhodes. Instances where undue favor was granted are detailed below;

i. As per work portion, the bidder needs to submit the staffing detail. EY Ford Rhodes submitted the staff detail and management awarded it 7 marks and same type of detail was submitted by the M/s GAT but it was awarded only 4 marks. No cogent reason was recorded in writing for granting less marks to M/s GAT.
ii. Further, as per work portion the bidder was required to submit the timelines for each milestone. Both the firms submitted the same work plan but management granted 5 marks to the M/s EY and 3 marks to the M/s GAT. Again no cogent reason was recorded in writing for granting less numbers to M/s GAT.

Due to poor bid evaluation, the management suffered a loss of Rs 2.301 million by granting consultancy at higher cost.

Audit is of the view that management was required to evaluate both firms on the same yardstick.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reason (s) for not exercising merit while awarding marks to both the firms besides fixing responsibility.

<u>Note:</u> The issue was also reported earlier in the Audit Report for Audit Year 2019-20 vide para number 10.2.4.2 having financial impact of Rs 11.500 million. Recurrence of same irregularity is a matter of serious concern.

9.2.4.8 Undue expenditure for monitoring services due to non implementation of biometric attendance system – Rs 63.352 million

According to point 10/13 of Request for Proposals floated for different training schemes under the heading of verification, PSDF has introduced a new monitoring mechanism for trainers and trainees regarding registration, attendance, uniforms and wags receiving etc. through bio metric device. The number of devices which must be procured before start of the classes for each location by the training service provider who is awarded business.

During audit of PSDF for the years 2020-22, it was observed that Skills Development Program (SDP) and Skills for Youth Income generation (SYIG) programs are executed by the management. The management floated several RFPs for hiring of TSPs and adoption of historical monitoring system by hiring of third party monitoring instead of new monitoring mechanism of attendance mentioned in RFP. Management paid Rs 63.352 million against old monitoring system's cost. Detail is as under:

(Rs in million)

Sr. No.	Programme	Particulars	Amount (Rs)
1	SYIG	Third Party Monitoring Cost – TPM	8.986
2	SDP	Third Party Monitoring Cost – TPM	54.366
		Total	**63.352**

Due to weak controls and contract management, the management failed to adopt monitoring mechanism of attendance of trainees to avoid monitoring cost of Rs 63.352 million.

Audit is of the view that payment was made to the third party that can be saved by adopting new monitoring mechanism.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reason for non adopting the real time attendance monitoring mechanism.

9.2.4.9 Wasteful payment to TSPs for non-functional classes – Rs 23.812 million

According to clause 6.1 of Vocational Training Contract signed between PSDF and Training Service Provider, 70% of total contract price as specified in Appendix A will be divided by the number of months and will be paid monthly on the basis of eligible actual enrolment, satisfactory attendance and performance of the trainees.

During audit of PSDF for the year 2020-22, it was revealed that management signed agreements with different TSPs to provide training under different trades. The management paid Rs 23.812 million against 117-nonfunctional classes whose students neither appeared in the exams nor their job placement was made. Hence, management made wasteful payment against non functional classes. Detail is in **Annex-18**.

Due to weak internal controls, weak monitoring mechanism and non-observance of business rules, management paid to different TSPs for non-functional classes.

Audit is of the view that payment gone wasted for non functional classes. Management failed to get outcomes of huge expenditures.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reason for payment of Rs 23.812 million for non-functional classes without getting any outcomes.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2019-20 vide para number 10.2.4.6 having financial impact of Rs 2.108 million. Recurrence of same irregularity is a matter of serious concern.

9.2.4.10 Weak execution/curtailment of training programme in few districts – Rs 1,697.184 million

According to Project Document of Skill Development Programme, Punjab Skills Development Fund will expand its operations from existing 14 districts to all of the 36 districts of Punjab and will prepare an expansion plan to guide its operations in the new districts of Punjab.

During audit of PSDF for the years 2020-22, it was revealed that management executed various trainings under two Programmes namely Skills for Development & Skills for Youth Income Generation Programme. Both programmes were initiated for all districts of the Punjab Province but trainings were executed in few districts instead of overall Punjab. The management paid an amount of Rs 1,697.184 million to different TSPs for conducting these trainings for a limited population which indicated weak execution of Programmes. Detail is in **Annex-19**.

Due to weak project management and non-exercising of due diligence practice management failed to achieve the main objective of Programs.

Audit is of the view that failure in coverage of above-mentioned training Programs all over the Punjab was negligence on the part of the management.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reasons for failure in coverage of training Programs in all over the Punjab.

9.2.4.11 Irregular hiring of civil contractor and call centre agent for electronic technicians and E-commerce trainings – Rs 94.01 million

According to para-10 of pre-qualification document of Round-6 of Industrial Training Program-2018, industries/establishments may apply for pre-qualification of a trade/course from any sector of the economy in-line with its core business.

During audit of PSDF for the years 2020-22, it was observed that management hired the services of M/s Warriach Builders as Training Services Provider which is registered with Pakistan Engineering Council (PEC) as Civil Contractor in Category-C and as per registration their core business is irrigation work and general civil work. The said builder provided the trainings in such trades i.e. Scaffolding, GIS Surveyor, Steel Fixer, Safety Inspector, Plumber Cum Solar water heating technician, Electrical/Electronics technician, Aluminum Fabricator, Auto CAD, Close Circuit TV (CCTV) Technician and elevator Technician which did not fall in their core business as per their registration. Further, M/s Pearl Comm Mobiles Plus registered with Pakistan Software Export Board (PSEB) as a Call Centre but they provided training as TSP in different trades i.e. Web Designed & Development, E-commerce, Mobile Application Development. Management paid an amount of Rs 94.01 million to the said contractors.

Due to weak internal controls, management failed to fulfill the requirements of criteria during selection of TSPs.

Audit is of the view that management granted undue benefit to the certain TSPs by violating the basic criteria i.e. core business which is held irregular.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to inquire the matter and fix the responsibility on the person (s) at fault.

9.2.4.12 Poor outcome of skills for self-employment scheme – Rs 51.057 million

According to section-2 of Data Sheet of Request for Proposal, training provider has to commit minimum 50% of self-employment. Training provider must provide required linkages of trained persons with the local market, vendors and facilitate trainees for self-employment opportunities.

During audit of PSDF for the years 2020-22, it was observed that management floated request for proposal on October 01, 2020 for 07-different trades under self-employment scheme. Under this scheme management paid Rs 51.057 million to the TSPs and could train only 809-trainees against target of 2000-trainees. Out of trained 809, only 123 trainees could be employed which was only 15% of the trained trainees against 50% commitment.

Due to weak design framework, weak follow up procedure and non-observance of business rules management paid Rs 51.057 million against 15% employment instead of 50% employment commitment as per program.

Audit is of the view that achieving 15% of employment reflects inefficiency on the part of the management. It is also indicated failure of the scheme even after incurrence of huge Government funds.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reason to achieve only 15% of the target.

9.2.4.13 Infructuous expenditures incurred on dropout trainees – Rs 39.914 million

According to rule-4 of Business Rules of PSDF with TSPs, if class > 1 moth Trainee will be considered as marginal if not found in all visits of any given month. Further, rule-5 sated that trainee marked absent in two consecutive months during Third Party Monitoring visits with course duration > 1 month (Dropout).

During audit of PSDF for the years 2020-22, it was observed that PSDF management made payment of Rs 39.914 million to the different TSPs on account of 8,454-Nos dropout trainees. The trainees were selected for Skills Development Programme (SDP) and Skilling for Youth Income Generation (SYIG) but they did not complete their training. Thus, audit considered Rs 39.914 million paid to the TSPs against the dropout trainees was infructuous because no fruitful results were gained against said expenditure.

Due to weak contract management and monitoring mechanism payment was made to TSPs without getting fruitful results.

Audit is of the view that expenditures incurred without achieving objectives resulted into wastage of funds.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reason for incurring of infructuous expenditures on dropout trainees.

9.2.4.14 Fake payment to TSPs for job placement of trainees confirmed telephonically - Rs 32.297 million

According to Data Sheet of Request for proposal of different schemes under SDP and SYIG, Training Service Providers (TSPs) has to commit minimum 30% employment commitment. Training Providers (Consulting Firms) would be required to establish and maintain a proper placement cell at the institute. The placement cell will be required to establish linkages of trained persons with the employers/recruitment agencies and place the trained personnel on jobs.

During audit of PSDF for the years 2020-22, it was observed that management paid an amount of Rs 32.297 million to TSPs on account of job placement of 5,195-trainees after telephonic verification under SDP and SYIG schemes. Audit selected 115-trainees of different trades and called them for verification of job placement by TSPs. Nineteen (19) trainees did not attend the call, only Twenty-Seven (27) trainees confirmed for job placement and the remaining 69-trainees who attend call (72% of 96 trainees 115-19) informed that they were not referred for any job by concerned TSPs and they were still jobless. Thus, management paid huge amount of Rs 32.297 million to TSPs without obtaining any solid proof of job placement to the trainees. Detail is in **Annex-20.**

Due to weak internal controls, management failed to fulfill the requirements of the criteria for job placement before payment to TSPs.

Audit is of the view that management granted undue benefit to the TSPs by violating the criteria which leads to fake payment to TSPs.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to inquire the matter regarding payment to TSPs for job placement of trainees without authentication.

9.2.4.15 Irregular payment to the TSP involved in forged activity – Rs 18.923 million

According to rule 5(5) of Corporate Governance Rules 2019, "The Board shall establish a system of sound internal control, which shall be effectively implemented at all levels within the Public Sector Company, to ensure compliance with the fundamental principles of probity and propriety; objectivity, integrity and honesty and relationship with the stakeholders".

During audit of PSDF for the years 2020-22, it was revealed that PSDF management hired M/s House of Profession for conducting two training classes i.e. E-commerce and Web-development and enrolled 25 trainees in each class. The said TSP was checked physically and it was found that only 10 students were present at the time of visit. When students were interviewed they did not possess any knowledge of the course despite the fact that it was the 2nd last day of course. The same situation was found during visit of Web-development course. On the basis of these observations, it was transpired that all the payment made to the said TSP valuing Rs 18.923 million was irregular. Detail is in **Annex-21.**

Due to weak project management, and non-exercising of due diligence, PSDF management paid to the institute which was involved in forged activity.

Audit is of the view that the said expenditure was made without exercise due diligence.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the matter in view of fixing responsibility besides recovery.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2019-20 vide para number 10.2.4.1 having financial impact of Rs 68.511 million. Recurrence of same irregularity is a matter of serious concern.

9.2.4.16 Irregular/unjustified increase in consultancy cost – Rs 10.769 million

According to clause 1.8 of Request for Proposal document, proposal (technical as well financial) must remain valid 120 days after the submission date.

During audit of PSDF for the years 2020-22, it was found that management hired Oxford Policy Management Pakistan (Pvt.) Limited (OPML) as a consultancy firm to carry out research activity for United Nations Children's Fund (UNICEF) project. Initially, the financial proposal was submitted for Rs 76.714 million which was negotiated and finalized on Rs 71.796 million based on modified Scope of Work. But later on, OPML refused to accept the agreed price of Rs 71.796 million and requested for 15% increase in price. PSDF accepted the request of OPML and cost increased to Rs 82.565 million (Rs 71.796 million + Rs 10. 769 million) against the RFP.

Due to poor financial management undue increased cost was paid to the consultant.

Audit is of the view that management extended undue favor to OPML by increasing the price of consultancy.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to justify the reason (s) for increase in price within the validity period besides fixing responsibility.

9.2.4.17 Irregular award of training services contracts to TSPs against unregistered trades - Rs 10.881 million

According to Data Sheet of request for proposal of different schemes under SDP and SYIG, Training Service Providers (TSPs) must be registered/affiliated/accredited with any TVET body or regulatory authority.

During audit of PSDF for the years 2020-22, it was observed that M/s Centre of Excellence in networking and IT, M/s Infinite Technologies and Vocational Centre, M/s Rawalpindi Institute of Technology registered with NTB for certain trades for training services. The said TSPs were hired by the PSDF for the training in Trades i.e. NVC Level 2 in ICT (Computer business Management /IT Office Assistant), Computer Hardware Technician, Domestic Tailoring, Telecom Technician (Line & Mobile), Fashion Designing, Tile Fixing & Cutting, Home Appliance Repair which were not registered with any authority as per requirement of eligible criteria. Management paid an amount of Rs 10.881 million for the training of 25 unregistered trades which was held irregular. Detail in **Annex-22.**

Due to weak internal controls, management failed to fulfill the requirements of criteria during selection of TSP.

Audit is of the view that management granted undue benefit to certain TSPs by violating the basic criteria i.e. registration of trades which was held irregular in audit.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to state the reason (s) for selection of non-eligible TSPs in violation of the criteria besides fixing responsibility.

9.2.4.18 Hiring of Training Service Providers on bogus registration certificate -Rs 30.935 million

According to Data Sheet of Request for proposal of different schemes under SDP and SYIG, Training Service Providers (TSPs) must be registered/affiliated/accredited with any TVET body or regulatory authority.

During audit of PSDF for the years 2020-22, it was observed that management hired the services of M/s Centre of Excellence in Networking and IT and M/s Rawalpindi Institute of Technology, Rawalpindi on the basis of registration of National Training Bureau, Islamabad. The scrutiny of the registration certificates of the said institutes that signature of Mr. Zaheer Ahmad, Deputy Director (TT&C,NTB) on the registration certificates were different from other certificates issued by the same officer to the other institutes/organizations. This raised questions of the genuineness of the certificate. The management paid an amount of Rs 30.935 million to the following TSPs on the basis of in-genuine registration certificate.

(Rs in million)

Name of TSP	**Amount (Rs)**
Centre of Excellence in Networking and IT, Rawalpindi	10.721
Rawalpindi Institute of Technology, Rawalpindi	20.214
Total	**30.935**

Due to weak internal controls, management failed to verify the registration certificates from the concerned authorities.

Audit is of the view that management granted undue benefit to certain TSPs at the cost of government exchequer.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to state the reason (s) for hiring of TSPs on bogus registration certificates besides fixing responsibility.

9.2.4.19 Irregular hiring of Training Service Providers - Rs 67.249 million

According to Para-xxii of Term of References (TORs) of National Training Bureau, institute entering into MOU or agreement with any other NGO/Department etc. of the basis of NTB's affiliation/registration, they will be bound to get approval from NTB, otherwise affiliation/registration will be considered a cancelled.

During audit of PSDF for the years 2020-22, it was observed that management hired the services of certain TSPs which were registered with National Training Bureau (NTB) for the training of specific trades. TSPs registration certificates indicated that they are registered only for training of NTB's allocated trades but the TSPs used the same certificate for conducting trainings of PSDF. NTB did not allow the TSPs to conduct the training for PSDF as per TORs mentioned above but management hired the services of the TSPs without approval of the NTB and paid an amount of Rs 67.249 million. Detail is in **Annex-23.**

Due to weak internal controls, management failed to hire the TSPs which was approved by the NTB as per requirements.

Audit is of the view that management granted undue benefit to the certain TSPs by violating the basic criteria.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to state the reason (s) for hiring of un registered TSPs on in violation of criteria besides fixing responsibility.

9.2.4.20 Non recovery of training fee from the TSPs - Rs 5.537 million

According to Rule-5(5)(a) of the Public Sector Companies (Corporate Governance) Rules, 2013, the principle of probity and propriety entails that company's assets and resources are not used for private advantage and due economy is exercised so as to reduce wastage. The principle shall be adhered to, especially with respect to handling of public funds, assets, resources and confidential information by directors, executives and employees and claiming of expenses.

During audit of PSDF for the years 2020-22, it was observed that management hired the services of various TSPs for training under Skills Development Programme (SDP) which was closed on

June 30, 2021. An amount of Rs 5.537 million receivables shown against the 24-TSPs upto to June 30, 2022. Detail is in **Annex-24.**

Audit is of the view that management granted undue benefit to certain TSPs at the cost of government exchequer.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to state the reason (s) for non recovery of training fee from TSPs.

9.2.4.21 Irregular payment to debarred TSP for training of different trades - Rs 37.557 million

According to clause-22 of Vocational Training Contract made on September 6, 2017 between PSDF (Party-A) and M/s Hasnain Tanveer Associates (Party-B), Party-B shall not assign the contract in whole or in part and cannot sub-contract any of its obligations under this contract without prior permission in writing of Party-A.

During audit of PSDF for the years 2020-22, it was observed that M/s Hasnain Tanveer Associates was involved in subletting of training contract to third party against the contract clause referred above. The matter was inquired by the Audit Risk and Compliance Department of PSDF and it was proved that the said TSP sub-contracted the training which was a violation of business rules of PSDF. Despite this an amount of Rs 37.557 million was paid to the said TSP from February to April 2021 which was a serious lapse by the management.

Due to weak internal controls, management failed to stop the further payment after violation of contract was proved.

Audit is of the view that management granted undue benefit to the TSP which is held irregular in audit.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to state the reason (s) for payment made to the accused TSP besides fixing responsibility.

9.2.4.22 Over payment on account of salaries and other benefits from the SYIG programme – Rs 19.222 million

According to Clause-12 (b) of PC-I of Skilling Youth for Income generation (SYIG) programme, the human resource cost will be maintained at 11% and manpower will be adjusted accordingly.

During audit of PSDF for the year 2020-22, it was revealed that PC-I of Skilling Youth for Income generation (SYIG) was approved by PDWP on September 17, 2021 at a total cost of Rs 9,900 million with gestation period of 5 years (Sept 2021 to Aug 2026). Government of the Punjab released an amount of Rs 463.757 million in first year for execution of SYIG Programme. The management incurred expenditure of Rs 538.449 million including salaries and other benefits of Rs 78.451 million. The proportion of salaries over total expenditure was 14.56% against approved limit of 11% cost of Rs 59.229 million. It showed a trend of over payment of salaries valuing Rs 19.222 million against approved limit.

Due to weak financial management an over payment of salaries expenditures of Rs 19.222 million i.e. 14.56% against the approved limit of 11%.

Audit is of the view that management failed to observed the approved limit even at the initial stage of the project and over payment of salaries of Rs 19.222 million which was held irregular by audit.

The matter was reported to the management and PAO on September 07, 2023 followed by subsequent reminders but no reply was received. DAC meeting was not convened by PAO despite requests by audit till finalization of this report.

Audit recommends the management to state the reason (s) for over spending on salaries and other benefits from the permissible limit of PC-I.

Chapter-9

Population Welfare Department

Introduction

The province of Punjab with an estimated population of over 103 million (2016) is facing the challenge to address issues like economic development and poverty reduction. While accommodating more than 50 percent of the total population with 26 percent of the land area of the country, it receives the major impact of rapid population increase. Population density at present is estimated at 490 persons/sq. km. Such a heavy load, in the backdrop of low socio-economic indicators, not only dilutes the results of development efforts, but it also creates an unacceptable level of demand on limited resources to meet the requirements of the additional population. Generating more resources for improving living conditions thus becomes a difficult task. In the past, high population growth has significantly added to the community living below the poverty line. Based on present growth patterns the population of Punjab is expected to double after 36 years. It is feared that the economy would not be able to sustain this growth, and no improvement in the quality of life seems possible even under the most favorable assumptions. The present population trend is, therefore, a matter of deep concern.

Goals

The Population Welfare Department Punjab has outlined its goals as follows:

- Stabilize population growth as an essential requirement for promoting sustainable development with equitable distribution through vigorous implementation of inter-sectoral strategies
- Reduce fertility to contain population momentum by improving access to quality of reproductive health care through integrated service delivery
- Facilitate and guide relevant sectors to achieve SDG objectives related to universal access to reproductive health care services aimed at promoting general welfare of population

Purpose/ Objectives

Moreover, the Department has stemmed its objectives which are:

- Lower wanted family size to 2.5 by 2020 through an effective population communication and education program focusing on small family size and its relationship with human welfare and environmental security
- Actively promote three Healthy Timing and Spacing of Pregnancy messages to reach out to all women by 2020

- Ensure necessary contraceptive security at all service delivery outlets for 2015-2020
- Achieve a fertility level of 3.3 births per woman by 2020
- Universal access to safe and quality family planning and reproductive health services to the most remote and far-flung areas of the Province by 2025
- Raise contraceptive prevalence rate to 60 percent by 2030
- Strive expeditiously to attain replacement level fertility of 2.1 births by 2030

10.1 Punjab Population Innovation Fund (PPIF)

10.1.1 Introduction

Punjab Population Innovation Fund (PPIF) is a non-profit, public sector company, established to render financial and technical assistance to innovative projects for population planning and improving access and generating demand for family planning services. A sustainable growth in population is essential for equitable and inclusive economic growth and social development.

The principal objective of the company is to support the government of the Punjab in improving the quality of life of the people of Punjab, particularly the vulnerable and marginalized areas and sections of the population, by assisting service delivery organization in the public, non-government and private sectors to improve access, and the quality of family planning services in Punjab.

10.1.2 Comments on Audited Accounts

10.1.2.1 Working results of the Company for the year 2022-23 as compared to previous years are as under:-

(Rs in million)

	2022-23	**% Inc / (Dec)**	**2021-22**	**% Inc / (Dec)**	**2020-21**
Grant income	490.452	161.467	187.577	(10.287)	209.085
Other Income	114.414	365.173	24.596	605.565	3.486
Total	**604.865**	**185.081**	**212.173**	(0.20)	**212.571**
Program expenses	585.760	198.590	196.175	(2.726)	201.672
Admin Expenses	19.078	25.488	15.203	65.178	9.204
Bank charges	0.026	85.714	0.014	16.667	0.012
Finance Cost	0	0	0.781	(53.595)	1.683
Total	**604.865**	**185.081**	**212.173**	(0.20)	**212.571**

(Source: Annual Audited Accounts for 2022-23)

As per financial statement, opening balance of Rs 571.221 million was available under head grants related to income and Rs 500 million was received during 2022-23. Management utilized only Rs 490.111 million during the year 2022-23 leaving a balance of Rs 581.11. Project wise detail of targets and grant received there against and the reasons for non-utilization of grant needs explanation.

10.1.2.2 Other income increase from Rs 24.59 million in 2021-22 to Rs 114.41 million in 2022-23 registering an increase of 365%. This mainly include markup on short term deposit and saving account. It showed that instead of supporting company's objectives, the management is piling up the funds in bank account which needs justification.

10.1.2.3 Mobilization advance showed an opening balance of Rs 167.546 million in 2022-23 while only Rs 50.202 million adjusted during the year and closing balance stood at Rs 125.257 million as on June 30, 2023. The advance was given at the rate of 20% to the implementation partners for project implementation. Non-adjustment of mobilization advance during the year needs justification.

10.1.2.4 Advertisement/awareness campaign and seminars expenses were also increased from Rs 15.617 million in 2021-22 to Rs 37.272 million registering a staggering increase of 138.32% which needs justification out of which Rs 1.300 million was paid to the consultant for conducting awareness session related to population control. Detail of session conducted and hiring procedure of consultant need to be shared with audit.

10.1.2.5 Under the head program cost, rent rates and taxes valuing Rs 1.354 million were in 2021-22 while Rs 8.335 million were incurred in 2022-23 registering an increase of 515.58%. Provide the detail of rent, rate and taxes for which the payment was made along with the rent assessment from excise and taxation department.

10.1.2.6 Administrative expenses increased from Rs 15.20 million in 2021-22 to Rs 19.08 million in 2022-23 registering a increase of 25.50%. This was mainly due to increase in Board meeting fee which increased from Rs 3.710 million in 2021-22 to Rs 5.380 million registering an increase of 45%. Explain the reason for increase in Board meeting fee that either the increase is due to increase in Nos. of Board meeting or increase in Board meeting fees. Approval and member wise breakup of meeting fees needs to be shared with audit.

10.1.2.7 Trade and other payables under the head current liabilities increased from Rs 78.448 million in 2021-22 to Rs 206.684 million in 2022-23 registering an increase of 163.47%. Company has huge balances in cash, bank and short term investment. Reason for piling up liability in the presence of sufficient funds in the company needs justification.

10.1.3 Compliance of PAC Directives

No PAC meeting for the years 2014-15 to 2019-20 has been convened so far.

School Education Department

Introduction

The school education department of Government of the Punjab is responsible for provision of basic education related facilities, planning and monitoring of basic education and staff development related activities of the province.

Purpose/ Objectives

The main functions performed by the School Education Department are:

- Legislation, Policy Formulation and Planning in the areas of Primary education, Elementary education, Secondary and Higher Secondary education
- Maintaining Standards of Education by Formulating the curricula and syllabi up to class XII and Production and publication of text books for class I to XII
- Monitoring and Evaluation System which includes Distribution of free textbooks, Development schemes, Presence of teaching and non-teaching staff, Updation of online-access information and Redressal of public complaints.
- Promotion of Quality Education by means of Punjab education assessment system, Student assessment and terminal examination of Grade-V and VIII elementary education through Punjab Examination Commission, Grant of scholarships and Production and distribution of educational and scientific films
- Staff Development by way of Pre-service and in-service teachers training and Continuous Professional Development (CPD)

In addition to above the following other functions were also performed by the department:

- Regulatory policy concerning private sector schools
- Children libraries and libraries affiliated with Children Library Complex
- Promotion of sports in schools
- Provision of compulsory and free education to all of age 5-16 years
- The matters relating to the Punjab Danish Schools and Centers of Excellence
- To promote quality education through public-private partnership through Punjab Education Foundation
- The matters relating the Punjab Teachers' Foundation
- Budget, accounts and audit matters
- Purchase of stores and capital goods for the department
- Service matters except those entrusted to Services and General Administration Department

Governing Laws

Administration of the following laws and the rules framed there-under was also the responsibility of School education Departments:

- Charitable Endowments Act 1890 (VI of 1890)
- The Punjab Departmental Inquiries (Powers) Act, 1958
- The Punjab Government Educational and Training Institutions Ordinance 1960
- The Punjab Textbook Board Ordinance, 1962
- The West Pakistan Publication of Textbooks (Regulations and Control) Ordinance, 1970.
- The Punjab Local Councils High Schools (Taking Over) Ordinance 1970
- The Privately Managed Schools and Colleges (Taking Over) Regulation 1972
- Punjab Private Educational Institutions (Promotions & Regulations) Ordinance 1984
- Punjab Compulsory Primary Education Act 1994
- Punjab Education Foundation Act 2004.
- Punjab Danish Schools & Centre of Excellence Authority Act 2010
- The Punjab Examination Commission Act 2010 (XI of 2010).
- The Punjab Curriculum and Textbook Board Act 2015 (VI of 2015)]
- Matters incidental and ancillary to the above subjects

Presently a lot of educational institutes and District Education Authorities are under the administrative control of School Education Department. However the following entities are under the audit jurisdiction of Directorate of Commercial audit Lahore.

Formations:

- Punjab Education Foundation
- Punjab Teacher Foundation
- Punjab Education Initiatives Management Authority
- Punjab Curriculum Text Book Board

Audit Profile of School Education Department

(Rs in million)

11.1 Punjab Curriculum and Textbook Board (PCTB)

11.1.1 Introduction

Punjab Curriculum & Textbook Board has a vision of nation-building through quality textbook, prepared on the basis of a culture of innovation, which seeks to stimulate the learning of the students and teaching passion of the teachers. It strives to broaden the horizons of learning in order to produce minds, alive to the responsibilities and challenges of life, and also capable of meeting them.

11.1.2 Comments on Audited Accounts

The management failed to provide annual audited accounts for the years 2017-18 to 2022-23 by December 31, 2023.

11.1.3 Compliance of PAC Directives

PAC meeting for the years 2014-15 to 2022-23 were not convened.

11.1.4 Audit Paras

11.1.4.1 Irregular appointments of contingent paid staff – Rs 15.698 million

According to clause 4 (xii) of S&GAD Notification dated January 29, 2021 regarding Policy for Work charged/Contingent paid and daily wage employees, hiring of work charged, daily wages and contingent paid employees shall be made sparingly and only in the case of genuine and dire needs. In the process of hiring, the concept of equal job opportunity for all citizens and transparency shall be ensured.

During audit of Punjab Curriculum & Textbook Board (PCTB) for the year 2021-22, it was observed that the management hired 54-employees across various positions on contingent paid/daily wage basis, disregarding the directives issued by the Government. Examination of the personal files of these employees unveiled that their appointments were made without any requisition from the relevant department and without following any competitive selection process.

Due to weak HR management the irregularity occurred.

Audit is of the view that 54 employees were appointed without following the Government Instructions leading to undue favoritism and irregular salary payments amounting to Rs 15.698 million.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the hiring was based on transparent manner and no contingent paid staff was hired on reference basis. The reply was not tenable as the process of hiring was not made as per instructions of the Government.

DAC in its meeting held on September 26, 2023, directed to provide evidence at the competitive hiring process to audit besides regularization from Finance within three days i.e. before finalization of minutes of DAC. The management failed to comply of DAC directives till finalization of this report.

Audit recommends compliance of DAC’s directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2019-20 vide para number 12.1.4.10 having financial impact of Rs 3.400 million. Recurrence of same irregularity is a matter of serious concern.

11.1.4.2 Loss due to procurement of paper on higher rates as compared to prevailing market rates – Rs 297.440 million

According to clause 2.10 of PFRs, same vigilance should be exercised in respect of expenditure incurred from Government revenues as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of PCTB for the year 2021-22, it was noted that the management had awarded two separate contracts for the acquisition of 68 grams cream woven paper intended for single textbooks. Upon scrutiny of the records, it was found that the publishers or printers who secured the contract for Primer/Jacket procurement were using paper with identical specifications. As part of the bidding process, the publishers were required to furnish invoices from paper mills alongside their bids. Upon examination of these documents and the attached invoices from paper mills, it was revealed that the publishers had purchased the same paper at an average cost of Rs 92,420 per ton. However, PCTB acquired this paper at a significantly higher rate of Rs 146,500 per ton. Consequently, the PCTB incurred an excessive amount of 297.440 million on the procurement of 5,500 metric tons of paper during the same period.

Due to weak internal controls, management incurred huge expenses on procurement of papers.

Audit is of the view that the management should procure the paper keeping in view the prevailing market rates to ensure the protection of the Government's financial resources.

The matter was reported to the management and PAO on June 23, 2023. The management replied that it is unfortunate fact that the publishers/printers who were awarded contract for procurement of Primer/Jacket received underpriced invoices from mills in order to evade taxation. Therefore, said rate could not be considered equivalent to market. The reply was not tenable as no proof was provided by the management in support of their reply.

DAC in its meeting held on September 26, 2023, directed the management to refer the case to Federal Board of Revenue (FBR) to take action against concerned evaders.

Audit recommends compliance of DAC's directives.

11.1.4.3 Irregular incurrence of expenditure in violation of PPRA Rules - Rs 24.901 million

According to Rule-9 of the Punjab Procurement Rules 2014, procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise in advance annual requirements for procurement on the website of the Authority as well as on its website.

During audit of PCTB for the year 2021-22, it was observed that management incurred an amount of Rs 24.901 million on account of repair and maintenance of building, purchase of furniture and miscellaneous stationery items by splitting the demand in violation of procurement rules.

Due to weak procurement management, the irregularity was occurred.

Audit is of the view that had the work and procurement for the year was planned properly and was done through one time open tendering process, resultantly the benefit of economical competitive bidding could have been achieved. Thus the above stated procurement and repair work were held irregular.

The matter was reported to the management and PAO on June 23, 2023. The management replied that all the procurements were made under the limit of Rs 200,000 by collecting three quotations. The reply was not tenable as the procurement was made in piece meal in order to avoid the tendering process.

DAC in its meeting held on September 26, 2023, directed to refer the case to Finance Department for regularization of expenditure on account of purchase of goods in piece meal.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2019-20 and 2021-22 vide para number 12.1.4.9, 12.1.4.27 and 11.1.4.7 having financial impact of Rs 3.700 million, Rs 1.143 million and Rs 7.141 million respectively. Recurrence of same irregularity is a matter of serious concern.

11.1.4.4 Irregular hiring of individual consultants under short consultancy beyond six months – Rs 12.812 million

According to the rule-2(1)(ab) of Punjab Procurement Rules 2014, 'short consultancy' means consultancy where the cost of consultancy does not exceed one million rupees for individual consultant and five million rupees for consulting firms and duration of the short consultancies for an individual consultant shall not exceed six months.

During audit of PCTB for the year 2021-22, it was observed that management appointed individual consultants for its short-term assignments. However, some individual consultants remained appointed for more than six months by obtaining three quotations. Later on, management re-hired/extended agreement with same individual consultants for same assignments without advertisement in violation of PPRA Rules. As the period of consultancy was beyond six months hence engagement and payment of Rs 12.812 million to individual consultants was held irregular.

Due to weak internal controls, management failed to implement PPRA Rules in letter and spirit.

Audit is of the view that provision of PPRA Rules regarding short consultancy was misused. Management should review all the cases of individual consultancy in light of PPRA Rules and decide the fate accordingly.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the consultant was hired by following PPRA Rules for six months duration. Due to requirement of additional services, the consultants were re-hired after completing competitive procedure. The reply was not tenable as no process of rehiring was followed as per PPRA Rules and the same consultants were engaged again for another term.

DAC in its meeting held on September 26, 2023, directed the management to provide evidence of rehiring process of consultant to audit before finalization of minutes of the meeting. The management failed to provide re-hiring process to audit till finalization of this report.

Audit recommends compliance of DAC's directives.

11.1.4.5 Irregular splitting of the procurement for development of Insaaf Academy – Rs 9.218 million

According to Rule-9 of the Punjab Procurement Rules 2014, procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise in advance annual requirements for procurement on the website of the Authority as well as on its website.

During audit of PCTB for the year 2021-22, it was observed that management incurred an amount of Rs 9.218 million on account of Development of Insaaf Academy by splitting the work in two pieces in order to avoid tendering process. The work of renovation and procurements made thereon amounting to Rs 9.218 million were held irregular as due to non-advertisement, organization was deprived of competitive bidding.

Due to weak internal controls, management failed to implement PPRA Rules in letter and spirit.

Audit is of the view that award of work/procurement should have been made with open competitive bidding process as required under PPRA Rules.

The matter was reported to the management and PAO on June 23, 2023. The management replied that all procurements were made by PCTB through procurement committee which was approved by the BoG and notified by the Director Admin. The reply was not tenable as the procurement was made in violation of PPRA Rules.

DAC in its meeting held on September 26, 2023, directed the management to refer the case to Finance Department for regularization of expenditure on account of purchase of goods in piece meal and to avoid such practice in future.

Audit recommends compliance of DAC's directives.

11.1.4.6 Irregular disbursement of premier / jacket books and non-recovery of dues from Government departments - Rs 4,722.101 million

As per chapter-2 clause 10 of contract act 1872, all agreements are contracts if they are made by the free consent of parties competent to contract, for a lawful consideration and with a lawful object, and are not hereby expressly declared to be void.

During audit of PCTB for the year 2021-22, it was observed that management of the PCTB, got the books printed from the private publishers / printers on behalf of Provincial Government and other Government entities. These books were later on, handed over to various Government Department and entities. The PCTB then billed an invoice for recovery of production cost and Management and Manuscript Cost (MMC) as per rules. However, an amount of Rs 4,722.101 million was still receivable from these Government Department / entities despite the facts that PCTB had delivered these text books at their required destination. It was also observed that Programme Monitoring & Implementation Unit (PMIU) did not pay a single penny on account of MMC fee to the PCTB since many years. It was also worth mentioning here that PCTB supplying these books to PMIU and other Government Departments without execution of any formal contract agreement and determination of terms and conditions of such supply & payments.

Due to weak financial controls, management failed to recover the cost of books from the clients.

Audit is of the view that MMC was the main source of income of the PCTB. Due to non existence of written agreement amongst the parties, the Board needed to revisit existing practice.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the PCTB has been reminding PMIU repeatedly for provision of payment against MMC, however, the PMIU could not make payment in this regard.

DAC in its meeting held on September 26, 2023 directed the management to take up the matter with PMIU through administrative department for early recovery of outstanding amount.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2019-20 and 2021-22 vide para numbers 12.1.4.20 and 11.1.4.4 having financial impact of Rs 978.843 million and Rs 1,025.50 million respectively. Recurrence of same irregularity is a matter of serious concern.

11.1.4.7 Non recovery / adjustment of advances granted against expenses - Rs 32.056 million

According to rule 2.2 of PFR-Vol-I, a simple cash book should be kept in every office receiving or disbursing money on behalf of Government regularly or frequently for recording all transactions of moneys received by Government Servants in their official capacity. The cash book should be closed regularly and completely checked.

During audit of PCTB for the year 2021-22, it was observed that the management granted loans and advances to its employees for various expenses. However, the staff had neither returned nor adjusted the loans amounting to Rs 32.056 million by the end of the financial year.

Due to poor financial management, a huge amount remained unadjusted till to date.

Audit is of the view that temporary advances granted against expenses must be adjusted at the end of each year.

The matter was reported to the management and PAO on June 23, 2023. The management replied that PCTB has adjusted Rs 11.146 million whereas PCTB has issued final notices for recovery of remaining Rs 21.734 million to the employees. The reply was not tenable as the management failed to recover/adjust the whole amount.

DAC in its meeting held on September 26, 2023, directed the management that the advance amount of Rs 32.880 million be recovered/adjusted from concerned within 30 days.

Audit recommends compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2019-20 vide para number 12.1.4.7 having financial impact of Rs 4.453 million. Recurrence of same irregularity is a matter of serious concern.

11.2 Punjab Education Foundation

11.2.1 Introduction

Punjab Education Foundation (PEF) was established as a corporate body under Punjab Education Foundation Act 1991, to promote education especially in rural areas. The Foundation was restructured under Punjab Education Foundation Act 2004. It is funded by grant from Federal and Provincial Governments, Local Bodies, donations and interest income from investment of funds. Main functions of the Foundation are to;

i. Provide financial assistance for the establishment, expansion and improvement of educational institutions and allied projects.
ii. Provide incentives to students, teachers and educational institutions.
iii. Promote public private partnership relating to education.
iv. Provide technical assistance to educational institutions.
v. Assist educational institutions, capacity building including training of teachers etc.

11.2.2 Comments on Audited Accounts

11.2.2.1 The Foundation failed to provide the annual audited accounts for the year 2020-21 and 2022-23 by December 31, 2023.

11.2.2.2 Working results of the Foundation for the year 2019-20 as compared to previous years are as under:-

(Rs in million)

Particulars	**2019-20**	**% Inc/ (Dec)**	**2018-19**	**% Inc/ (Dec)**	**2017-18**
Income					
Amortization of deferred credits	17,446.538	(8.17)	18,999.619	5.55	17,999.848
Other income	898.996	88.30	477.419	35.14	353.284
Total income	**18,345.535**	**(5.81)**	**19,477.038**	6.12	**18,353.132**
Expenditure					
Program expenditure	16,780.702	(8.70)	18,380.684	2.14	17,995.883
Human Resource cost	574.973	11.37	516.264	14.71	450.056
Administrative and general expenses	90.827	(11.41)	102.530	5.09	97.564
Finance charges	0.024	(27.27)	0.033	(99.83)	19.180
Other expenses	0.011	(89.72)	0.107	(95.84)	2.575
Total expenses	**17,446.538**	**(8.17)**	**18,999.619**	2.34	**18,565.258**

Surplus/(deficit) before taxation	898.996	88.30	477.419	-	(212.127)

(Source: Annual Audited Accounts for the year 2019-20)

Cash and bank balances increased to Rs 4,533.199 million in 2019-20 from Rs 208.643 million in 2018-19 registering an increase of 2073%. It was found that management placed these funds in savings accounts. Management is stressed upon to calculate its working capital requirement and invest funds in short term investment to get better rate of return. Reason (s) may be explained for non-investment of funds in TDR

11.2.2.3 Foundation stock for text book was increased to Rs 558.077 million in 2019-20 from Rs 14.102 million in 2018-19 registering an increase of 3857%. As the scope of foundation remain same. Reason for such extra ordinary increase in text book stock along with the PEF partner school to whom these books disbursed need to be shared with audit.

11.2.2.4 Foundation advance tax receivable stood at Rs 5.625 million during 2019-20 and 2018-19. No movement during the year was found. Management is stressed upon to take the matter with FBR for early adjustment of advance tax.

11.2.2.5 Unamortized grant in aid increased to Rs 1,789.394 million in 2019-20 from Rs 758.307 million in 2018-19 registering an increase of 136%. It showed that company failed to achieve the conditions for amortization of grant in aid. Reason for non-amortization of grant in aid and plan for amortization of grant need to be shared with audit.

11.2.2.6 The foundation established funds related to Gratuity, pension, general provident fund and benevolent fund for the benefit of its employees. The liability under the fund increased to Rs 428.169 million in 2019-20 from Rs 365.335 million in 2018-19 registering an increase of 17%. However, to meet the obligation company placed funds in fund related account with balances just Rs 27.674 million in 2019-20 and Rs 30.798 million in 2018-19. The income from such funds were taken to other income of the foundation. Management is stressed upon to match the liability with the assets of the said fund and establish trust for sustainability of these funds.

11.2.3 Compliance of PAC Directives

Audit Report	Total Paras	Compliance received	Compliance not received	Percentage of compliance
1994-95	1	1	0	100%
1995-96	7	6	1	86%
1996-97 to 1999-00	17	17	0	100%
2000-01	3	1	2	33%
2001-02	2	2	0	100%

2005-06	4	0	4	0%
2006-07	5	5	0	100%
2009-10	2	2	0	100%
2010-11	6	3	3	50 %
2011-12	14	0	14	0%
2012-13	14	6	8	43%
2013-14	14	14	0	100%
Total	**89**	**57**	**32**	**64 %**

The overall compliance of PAC directive was not satisfactory. The same needs to be improve by the PAO.

11.3 Punjab Teachers Foundation

11.3.1 Introduction:

Punjab Teachers Foundation was formed in 1990 vide Notification No.SOWF-III-34/90 under the sub-section (1) of Section 5 of The Charitable Endowments Act 1890 for the benefit of serving and retired teachers of Government of the Punjab Education Department. Foundation issues scholarships and grants for the study at schools, and colleges. The charitable Foundation (PTF) helps out to the teachers' community with the different schemes. The welfare is conducted through health care, Financial Assistance/ medical facilities and cash awards to teachers on the basis of good results in government schools and colleges.

11.3.2 Comments on Audited Accounts

The management failed to provide annual audited accounts for the years 2017-18 to 2022-23 by December 31, 2023.

11.3.3 Compliance of PAC Directives

PAC meeting for the years 2014-15 to 2022-23 were not convened.

11.3.4 Audit Paras

11.3.4.1 Less utilization of funds against Hepatitis-C Patients – Rs 18.560 million

According to Notification No.SOWF-III-3-4/90 dated February 27, 1990, Punjab Teachers Foundation (PTF) was established with the core objective to help out the teacher's community with the different welfare schemes of health care, financial assistance and medical facilities.

During audit of Punjab Teachers Foundation for the years 2015-22, it was observed that the Committee of Administration sanctioned an amount of Rs 22.000 million over the past five fiscal years (2015-16 to 2019-20) for the "Financial Assistance Scheme to the patients of Hepatitis-C." However, only Rs 3.440 million of this allocation could be utilized. Further, probe into the matter revealed that applications were invited in November to December each year, rather than at the commencement of the financial year. Consequently, a substantial amount of Rs 18.560 million remained underutilized due to the delayed initiation of the application process.

Due to weak internal and managerial controls were the cause of less utilization of allocated funds for the welfare of teachers.

Audit is of the view that benefits of scheme should be passed on to the deserving class by adopting the modern means of communication.

The matter was reported to the management and PAO on June 23, 2023. The management replied that modern means of communication were adopted and SED was taken in loop. Reply was not convincing as funds could not be utilized as allocated by the Committee of Administration.

DAC meeting held on September 19, 2023 directed that a strategy/ comprehensive business plan may be devised and then forwarded to the Administrative Department for its approval.

Audit recommends the compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2013-14 vide para number 2.2.3.2 having financial impact of Rs 97.80 million. Recurrence of same irregularity is a matter of serious concern.

11.3.4.2 Loss of revenue due to non-utilization of land – Rs 2.500 million

According to PAC–II directions dated December 22, 2017, the Principal Accounting Officer (PAO) was to ensure the utilization of agricultural land. Further, probe into the matter revealed that the funds could be received from the Finance Department.

During audit of PTF for the years 2015-22, it was observed that designated land remained unutilized, despite a lapse of more than six years since the issuance of directives by PAC – II. Further probe into the matter revealed that implementation of the project was under process due to non-release of funds from the Finance Department. Consequently, the land remains unutilized despite the issuance of directives by PAC-II.

Due to weak managerial controls, land could not be utilized.

Audit is of the view that compliance of PAC-II directives was required to be implemented in letter and spirit.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the matter was kept pending till the approval of Punjab Teaching Faculty Welfare Foundation Act. Audit contended that compliance of PAC directives may be implemented immediately.

DAC meeting held on September 19, 2023 directed the management to prepare a comprehensive plan for utilization of land and then forward it to the Administrative Department for inclusion in Annual Development Program (ADP) schemes.

Audit recommends the compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2013-14 vide para number 2.2.3.3 having financial impact of Rs 1.50 million. Recurrence of same irregularity is a matter of serious concern.

Specialized Healthcare and Medical Education Department

Introduction

Specialized Healthcare & Medical Education Department delivers quality healthcare services to the community through an efficient and effective service delivery system that is accessible, equitable, culturally acceptable, affordable and sustainable. Specialized Healthcare & Medical Education Department aims to improve the health and quality of life of all, particularly women and children, through access to essential health services. Specialized Healthcare & Medical Education Department strives to reform and strengthen the critical aspects of the health systems.

Aim & Objectives

- Provide and deliver a basic package of quality essential health care services
- Develop and manage competent and committed health care providers
- Generate reliable health information to manage and evaluate health services
- Adopt appropriate health technology to deliver quality services
- Finance the costs of providing basic health care to all
- Reform the health administration to make it accountable to the public

12.1 Punjab Health Initiative Management Company

12.1.1 Introduction

Punjab Health Initiative Management Company was incorporated on February 07, 2015 as a company limited by guarantee and not having share capital under Section 42 of the Companies Ordinance 1984 (now Companies Act 2017). The company has been registered with the Registrar Joint Stock Company, City District Government Lahore.

The principal objective of the company is management of special initiatives in health sector including improving universal health coverage/insurance for the benefit of people living across province of Punjab. The registered office of the Company is situated at H-42/D-E-1, Ghalib Road, Gulberg-III, Lahore.

12.1.2 Comments on Audited Accounts

12.1.2.1 The working results of the company for the year ended June 30, 2023 as compared to the previous years are as under:

(Rs in million)

	2022-23	**% Inc/ (Dec)**	**2021-22**	**% Inc/ (Dec)**	**2020-21**
Income					
Grant related to income	120,053.714	126.34	53,041.44	446.832	9,699.761
Grant related to assets	6.610	115.31	3.07	(25.630)	4.128
Unspent Insurance Premium	-	-	-	(100.000)	1,146.380
Other income	854.744	12.06	762.769	672.338	98.761
Total Income	**120,915.068**		**53,807.28**	**391.434**	**10,949.030**
Expenditure:					
Program cost	120,672.963	124.96	53,640.99	395.756	10,820.044
Salaries and other benefits	183.089	48.30	123.461	30.587	94.543
Other operating expenses	55.440	30.82	42.378	28.278	33.036
Finance cost	0.015	37.61	0.0109	(98.682)	0.827

Total expenditure	120,911.507	-	53,806.84	391.456	**10,948.450**
Surplus/ (deficit) for the year	3.562	-	0.442	(23.793)	0.580

(Source: Annual Audited Accounts for 2022-23)

Cash and bank balance stood at Rs 2,057.321 million as on June 30, 2023. These funds were placed in saving account carrying interest @ 12.25% to 19.5%. Company failed to compute its working capital requirement. However, audit computed the working capital requirement which was Rs 28.957 million (Rs 51,791.351- 51,762.393). It showed the inefficiency for handling funds on the part of management. Management need to fix responsibility and compute its working capital requirement for 2023-24 and invest surplus funds in TDRs to get better return on its funds.

12.1.2.2 Company purchased vehicles for Rs 28.236 million during 2022-23. Explain the reason (s) that whether company purchased these vehicle after need assessment. Approval from the austerity company needs to be shared with the audit.

12.1.2.3 Special Claims of insurance premium for Sehat Sahulat Program increased from Nil in 2021-22 to Rs 562.426 million in 2022-23. Breakup of the said amount and justification for such increase needs to be shared with audit.

12.1.2.4 The advertisement and publicity expenses increased from 132.085 million in 2021-22 to Rs 205.514 million in 2022-23 registering an increase of 55.59%. These expenses were required to be incurred in the beginning of a program but this increase during the year 2022-23 need justification.

12.1.2.5 Insurance premium for Sehat Sahulat Program increase from Rs 52,367.43 million in 2021-22 to Rs 119,666.03 million in 2022-23 registering an increase of 128.51%. If per person insurance premium was fixed then the factors causing the increase of 128.51% needs clarification.

12.1.2.6 Profit on bank account increased from Rs 762.769 million in 2021-22 to Rs 854.502 million 2022-23 registering an increase of 12% while bank balances increased from Rs 1,200.610 million in 2021-22 to Rs 2,057.321 million 2022-23 registering an increase of 71%. Reason for disproportionate increase in profit needs justification.

12.1.2.7 Creditors against services were increased from Rs 24.133 million in 2021-22 to Rs 249.771 million in 2022-23 registering an increase of 934.93 %. Piling up of liability despite availability of surplus funds needs justification.

12.1.2.8 Unspent premium under the head current assets was receivable from State Life Insurance Corporation (SLIC) stood at Rs 886.409 million during 2022-23. As per the terms of contract the payment of any unspent premium to the company was dependent on continuation of business for three years and acknowledgment of same by the SLIC. This amount was calculated for the period Oct 21, 2016 to May 15, 2021. No adjustment was made during 2022-23. State the reason (s) for non-adjustment of said amount along with the acknowledgment of SLIC for acceptance of such claim.

12.1.3 Compliance of PAC Directives

No PAC meeting for the years 2014-15 to 2019-20 has been convened so far.

12.2 Punjab Health Foundation

12.2.1 Introduction

Punjab Health Foundation (PHF) is a corporate body established under Punjab Health Foundation Act 1992. The objectives of the Foundation are to:-

i. Provide loans to doctors for setting up clinics
ii. Provide loans to health institutions for promotion of health services
iii. Establish health institutions and allied projects.

12.2.2 Comments on Audited Accounts

12.2.2.1 The Foundation failed to submit the annual audited accounts for the year 2014-15 to 2022-23 but not received till to December 31, 2023 .

12.2.3 Compliance of PAC Directives

Sr. No.	Years	Total Paras	Compliance Received	Compliance Not Received	%age of compliance
1	1999-00	3	1	2	33%
2	2000-01	10	5	5	50%
3	2001-02	5	4	1	80%
4	2006-07	9	6	3	66%
5	2009-10	5	5	-	100%
Total		**32**	**21**	**53**	**80%**

The compliance with PAC directives in the Health Department for the years 1999-2000, 2000-01, 2006-07 was not satisfactory and requires special attention of the PAO.

12.2.4 Audit Paras

12.2.4.1 Irregular payment of annual increments, special PHF allowance to the contract employees – Rs 11.066 million

According to clause XIII Pay Package of contract appointment policy 2004, where appointment is made on pay package other than the pay & allowances prescribed under the National Pay Scales. Annual increment, shall not be allowed unless specifically provided in the pay scale. Furthermore, any special relief given to the regular employees shall not be admissible.

During audit of Punjab Health Foundation (PHF) for the years 2020-2022, it was observed that the foundation had appointed twenty-eight (28) employees on contract basis during the period from June 2018 to August 2020. As per terms and conditions of the contract appointment policy the employees were hired on market based salary and no increase or any allowance was allowed during the contract period. Contrary to that management of PHF allowed their contract employees annual increment @10% and Special PHF allowance against the spirit of contract employment policy 2004. An amount of Rs 11.066 million was paid to PHF contract employees as per details given below:

(Rs in million)

Year	**10% Annual Increments (Rs)**	**Special PHF allowance (Rs)**	**Amount (Rs)**
2020-2021	2.292	NIL	2.292
2021-2022	3.229	NIL	3.229
2022-2023	3.385	2.160	5.545
Total			**11.066**

Due to weak financial management, an irregular payment was made to contract employees.

Audit is of the view that due to violation of Contract Appointment Policy, an undue increment / increase was granted to contract employees, which should be stopped immediately and over payment be recovered from the concerned employees.

The matter was reported to the management and PAO on October 25, 2023. The management replied that the appointment of employees on a contract basis during the period from June 2018 to August 2020 was carried out with due approval from the competent authorities. The reply was not convincing as the said employees were appointed on pay package other than the pay & allowances prescribed under the National Pay Scales.

DAC in its meeting held on January 16, 2023 directed the management to get the matter regularized from Finance Department.

Audit recommends the compliance of DAC's directives.

12.2.4.2 Irregular appointment of Senior Manager Project Development - Rs 9.889 million

As per rule 2.33 of the Punjab Financial Rules, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributes to the loss by his own action or negligence.

During audit of PHF for the years 2020-22, it was observed that Mr. Syed Jaffar Mehdi was appointed as Senior Manager Project Development on February 22, 2018, and was terminated from PHF service on November 30, 2020 on account of misconduct and concealment of facts. The officer was previously terminated from Department of Primary & Secondary Health Care Department on June 08, 2017 on account of misconduct and inefficiency. Hence, payment of Rs 9.888 million during the period from December 2017 to November 2020 was held irregular.

Due to weak internal controls, verification of credentials and previous employment record was not made.

Audit is of the view that management has not ensured due diligence while making the appointment of officer.

The matter was reported to the management and PAO on October 25, 2023. The management replied that the candidate has provided experience certificate of previous employment which shows his satisfactory employment history. The reply was not convincing as no verification of previous service history was made before appointment.

DAC in its meeting held on January 16, 2023 directed the management to produce original record regarding appointment and subsequent termination to audit for verification.

Audit recommends the compliance of DAC's directives.

12.2.4.3 Non recovery from doctors due to mis-utilization of loan – Rs 6.571 million

According to Rule 10(1) of the Punjab Health Foundation (Provision of Grants/loans and Lease of Land) Rules 1993, the assistance provided by the foundation shall be utilized only for the purpose for which it has been made available and the assets raised through such assistance shall not be used for any other purpose.

During audit of PHF for the years 2020-22, it was observed that the management disbursed loan to 12 doctors under Scheme 3. These doctors did not utilize the loan for the purpose for which it was granted. The field inspection teams of PHF confirmed the mis-utilization of loans to the tune of Rs 6.571 million. Detail is in **Annex-25.**

Due to weak monitoring mechanism, management failed to recover mutualized loan.

Audit is of the view that the management was required to properly monitor the loanees regarding utilization of loan but same was not done.

The matter was reported to the management and PAO on October 25, 2023. The management replied that recovery wing has been conducting meetings with concern authorities to recover the penalty from loanees. The reply was not convincing as no recovery was made despite laps of considerable time a very meager amount was recovered.

DAC in its meeting held on January 16, 2023 directed the management to pursue the recovery cases and take appropriate action for mis-utilization of loans.

Audit recommends the compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2020-21 vide para number 11.2.4.6 having financial impact of Rs 6.256 million. Recurrence of same irregularity is a matter of serious concern.

12.2.4.4 Non auction of properties despite issuance of recovery certificates from Revenue Department - Rs 26.480 million

According to Rule-11 of the Punjab Health Foundation (Provision of Grants/loans and Lease of Land) Rules 1993, in case any recipient does not repay the loan according to the agreed repayment schedule and other terms and conditions of the contract, the Foundation may, in addition to any other action, forfeit the securities.

During audit of PHF for the years 2020-22, it was observed that recovery certificates had been issued against several defaulters from revenue department. As per procedure, the properties of said loanees should have been auctioned through revenue department to recover the dues of PHF as arrear of land revenue, however said properties had not been auctioned since long. Detail is in **Annex-26.**

Due to weak financial management, the properties could not be auctioned till date resulting into blockage of funds.

Audit is of the view that management should take up the matter as top priority so that the said amount could be recovered and utilized.

The matter was reported to the management and PAO on October 25, 2023. The management replied that recovery wing was arranging monthly meetings with concerned authorities to recover the defaulted amount from loanees. The reply was not convincing as amount could not be recovered despite issuance of recovery certificates by revenue department.

DAC in its meeting held on January 16, 2023 directed the management to pursue the matter with Revenue Department for early recovery through administrative department.

Audit recommends the compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2013-14 vide para number 4.1.4.2 having financial impact of Rs 7.80 million. Recurrence of same irregularity is a matter of serious concern.

12.2.4.5 Loss due to non-completion of the ERP Project by the vendor and non-imposition of penalty - Rs 4.514 million

According to clause-6 of the contract for procurement of ERP, loaning system and implementation services between M/s Abacus Consulting and PHF, the estimated duration of the contract was 120 days as mentioned in clause-3.19 of the contract documents. Further, according to clause-3.20, payments will be made by PHF against the invoice raised by the vendor by following the procedure in vogue against each milestone completed.

During audit of PHF for the years 2020-22, it was observed that BoD in its 26th meeting held on November 09, 2018 approved the implementation of ERP system for processing of loans, finance and accounts management, asset management, payroll and receivable management. M/s Abacus Consulting quoted lowest rate of Rs 3.570 million for ERP system. The management entered into contract with vendor on December 02, 2019 with a completion period of 120 days upto April 01, 2020. The management of PHF made a payment of Rs 4.515 million to the consultant but the system could not be implemented till date. Further, the ERP system and respective licenses had expired due to non payment of license fee even before implementation of the system .

Due to weak contract and financial management, ERP system could not be implemented despite payment of huge funds.

Audit is of the view that the management was required to get the system implemented within stipulated timelines which was not done.

The matter was reported to the management and PAO on October 25, 2023. The management replied that numerous meetings were conducted with the vendor but the consultant was of the view that certain changes were required in data base which were not part of original scope. The reply was not convincing as management failed to work out actual requirement of data before entering into contract.

DAC in its meeting held on January 16, 2023 directed the management to probe the matter within 30 days and place the matter before BoD regarding poor planning by IT team and non-formation of deliverables before making payment.

Audit recommends the compliance of DAC's directives.

12.2.4.6 Non forfeiture of securities of the defaulter loanees – Rs 1.768 million

According to Rule-11 of the Punjab Health Foundation (Provision of Grants/loans and Lease of Land) Rules 1993, in case any recipient does not repay the loan according to the agreed repayment schedule and other terms and conditions of the contract, the Foundation may, in addition to any other action, forfeit the securities.

During audit of PHF for the years 2020-22, it was observed that various doctors failed to repay loan installments on due dates. Management issue several notices to these doctors but failed to take strict action i.e. forfeiture of securities. As a result, an amount of Rs 1.768 could not be recovered.

Due to weak financial management, loan amount could not be recovered till date.

Audit is of the view that the management was required to forfeit the securities of the defaulters but same was not done despite lapse of considerable time.

The matter was reported to the management and PAO on October 25, 2023. The management replied that efforts are being made to recover the outstanding dues. The reply was not convincing as PHF failed to recover the outstanding amount despite lapse of considerable time.

DAC in its meeting held on January 16, 2023 directed the management to pursue recovery case and place the matter for amendment in provisions of PHF Act to made the Foundation self-reliant in forfeiture of securities before BoD in order to resolve the issue once for all.

Audit recommends the compliance of DAC's directives.

Technical Education and Vocational Training Authority (TEVTA)
Introduction

Technical Education and Vocational Training Authority, (TEVTA) is a corporate body established under the Punjab Technical Education and Vocational Training Authority Ordinance, 1999.

Purpose/ Objectives

The principal objectives of the Authority are to administer, coordinate, supervise and provide guidelines for smooth functioning of Polytechnics Colleges and Technical & Vocational Training Centers etc. In pursuance of the TEVTA Ordinance all the Polytechnics Colleges and Technical & Vocational Training Centers etc. under the administrative control of various Government departments including Service and Training Centers of Punjab Small Industries Corporation (PSIC) transferred to TEVTA on June 5, 1999 or thereafter.

13.1 Technical Education and Vocational Training Authority (TEVTA)

13.1.1 Introduction

Technical Education and Vocational Training Authority, (TEVTA) is a corporate body established under the Punjab Technical Education and Vocational Training Authority Ordinance, 1999. The principal activity of the Authority is to administer, coordinate, supervise and provide guidelines for smooth functioning of Polytechnics & Commercial Training Institutes/Colleges and Technical & Vocational Training Centers etc. In pursuance of the TEVTA Ordinance all the Polytechnics & Commercial Training Institutes/Colleges and Technical & Vocational Training Centers etc. under the administrative control of various Government departments including Service and Training Centers of Punjab Small Industries Corporation (PSIC) were transferred to TEVTA on June 5, 1999 or thereafter.

13.1.2 Comments on Audited Accounts

The management failed to provide the annual audited accounts for the years 2017-18 to 2022-23 by December 31, 2023.

13.1.3 Compliance of PAC Directives

Audit Report	Total Paras	Compliance received	Compliance not received	Percentage of compliance
2006-07	6	2	4	33%
2009-10	3	1	2	33%
2011-12	23	08	15	35%
2012-13	21	5	16	23%
2013-14	41	10	31	24%
2016-17	01	01	0	100%
Total	**31**	**9**	**22**	**29%**

Overall compliance of the PAC directives was only 29 % which was very poor and need special attention of PAO.

13.1.4 Audit Paras

13.1.4.1 Non-recovery of proven irregularities and embezzlement – Rs 57.734 million

According to clause-1 of the TEVTA Financial Guidelines dated: September 07, 2018, in incurring and sanctioning expenditure from the Government Fund, the following fundamental canons of financial propriety shall be observed. Same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of Technical Education & Vocational Training Authority (TEVTA), Head Office, Lahore for the year 2022-23, it was observed that various irregularities, poor administration, gross negligence, financial loss, cash embezzlement and corruption in handling of financial matters were proved against employees of different colleges, institutions i.e. GCT, Muzaffargarh, GCT Multan, GSTC, Mughalpura, GTTC Isa Khel and GCT Bahawalpur. Hence, an amount of Rs 57.734 million stands recoverable from employees. Detail is in **Annex-27.**

Due to poor managerial and financial controls, the recovery of embezzled amount of Rs 57.734 million could not be effected completely which showed lack of internal control over the field offices.

Audit is of the view that when the embezzlement proved against the accused then the recovery must have been made from them by the management but the same was not done.

The matter was reported to the management and PAO on December 14, 2023. The management replied that 53 number of inquiry cases were pointed out in the audit para. Out of these, 44 cases have already been finalized whereas 9 cases are still in process. Major penalties involving recoveries were awarded in only 11 cases. The recoveries are under process.

DAC in its meeting held on January 12, 2024, directed the management to expedite the recovery and get it verify from audit.

Audit recommends the compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2021-22 vide para number 15.1.4.2 having financial impact of Rs 17.574 million and in the Audit Report for Audit Year 2014-15 vide para number 11.1.4.1 having financial impact of Rs 2.40 million. Recurrence of same irregularity is a matter of serious concern.

13.1.4.2 Undue payment in the name of employees at TEVTA Secretariat –Rs 33.779 million

According to clause-1 of the TEVTA Financial Guidelines dated: September 07, 2018, in incurring and sanctioning expenditure from the Government Fund, the fundamental canons of financial propriety shall be observed and same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of TEVTA for the year 2022-23, it was observed that huge payment was made under the head advances against expenses to employees. When vouchers of the said head were checked it was found that management issued cheques in favor of three employees instead of the supplier(s). An amount of Rs 33.779 million was made to the following employees:

Sr No.	Name of employees	Designation
1	Muhammad Safdar	Caretaker
2	Muhammad Ashfaq	Admin staff
3	Muhammad Umair	Admin staff

When adjustment of these vouchers were checked, it was found that no requisition of work, work estimate and inspection reports of work done was attached with the vouchers. However, invoices of unregister/ unauthentic supplier were submitted to adjust their advance. No reconciliation was made by the management to settle the advance as an amount of Rs 4.558 remained unsettled till the close of financial period.

Weak internal controls and poor financial management resulted into undue payment.

Audit is of the view that the management needs to stop such practice at once. As huge payment at the disposal of employees and their adjustment via unregistered and unauthentic supplier invoices created doubts about the embezzlement of Government funds which needs to be investigated.

The matter was reported to the management and PAO on December 14, 2023. The management replied that due to paucity of time and to meet timelines for completion of work, advance payments were solicited. The reply of the management is not tenable as paucity of time is not a reason for ignorance of codal formalities.

DAC in its meeting held on January 12, 2024, directed the management to hold a fact finding enquiry for incurring of expenditure by issuing cheque in the name of employees and verify the adjustment of advance from audit.

Audit recommends the compliance of DAC's directives.

13.1.4.3 Irregular hiring of visiting faculty having irrelevant qualification and without merit list – Rs 3.255 million

According to clause (C) TEVTA Service Regulation, the qualification criteria for distribution of marks is given as under:

Area for Marks	Qualification	Additional Qualification	Experience	Interview	**Total**
Maximum Marks	50	10	10	30	**100**

During audit of TEVTA Government Technical Training Institute, Khanewal road, Multan for the year 2022-23, it was observed that the management hired visiting faculty for regular and short courses. While scrutiny of their personal files revealed that management extended undue favor to the hired staff because many of them have irrelevant qualification and person with relevant qualification was ignore. Further, all recruitment was made purely on interview basis not following the above mentioned criteria which made all recruitment irregular. Further, some staff with relevant qualification was hired in other institutes without following the criteria mentioned above. Hence, hiring of visiting staff and payment made to them Rs 3.255 million is considered irregular. Detail is in **Annex-28.**

Poor recruitment process and bad intentions on the part of management resulted into hiring of staff without following proper procedure.

Audit is of the view that the management was required to hire staff by following laid down procedure in the TSR and select the one having higher qualification.

The matter was reported to the management and PAO on December 14, 2023. The management replied that the candidate was hired after fulfilling all the formalities i.e. advertisement, short listing, interview and considering qualification of selected candidate. The reply was not convincing as merit list prepared by the management was not as per the TEVTA Service Regulations.

DAC in its meeting held on January 12, 2024, directed the management to verify from the record that TEVTA Service Regulation criteria was followed and grounds on which other candidates were rejected. The management did not provide the record to audit for verification till finalization of this report.

Audit recommends the compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2021-22 vide para number 15.1.4.8 having financial impact of Rs 2.356 million. Recurrence of same irregularity is a matter of serious concern.

13.1.4.4 Loss due to non-deduction of conveyance charges and house repair & maintenance charges – Rs 2.920 million

According to Finance Department notification dated December 04, 2012, it is clarified that the employees who are residing in the residential colonies situated within the work premises are not entitled to the facility of Conveyance Allowance. Further, repair and maintenance charges needs to be deducted @ 5% of basic salary of the employees.

During audit of TEVTA, Government College of Technology, Multan for the year 2022-23, it was observed that 82 accommodations were present in the staff colony at GCT, Multan. When allotment file of residents were checked it was found that deduction was not made as required under the rule. Conveyance allowance was being deducted from monthly salary of TEVTA employees only but said deduction was not being made against civil employees. Further, 5% deduction was required to be made from the employees as repair charges and in case accommodation was allotted above the scale than amount was deducted @ 10%. But deduction of Rs 2.920 million was also not made as per rules. The detail of employees whose conveyance allowance was not deducted is in **Annex-29.**

Due to poor internal controls, the authority sustained loss.

Audit is of the view that due to non-deduction of conveyance allowance and less recovery of house maintenance charges TEVTA sustained loss.

The matter was reported to the management and PAO on December 14, 2023. The management replied that the matter was taken up with the District Account office 2014 but they did not deduct this allowance which seems it was justified in the eyes of District Account office Multan. The reply was not convincing as no concrete efforts were made by the management for deduction of conveyance allowance. Further accommodations were merged without any notification from building department.

DAC in its meeting held on January 12, 2024 directed the management to get it notified from building department for merger of quarter and effect recovery pointed out by the audit.

Audit recommends the compliance of DAC's directives.

13.1.4.5 Unjustified payment of POL to employees having motor bikes without entitlement – Rs 2.916 million

According to TEVTA Service Regulations, no mechanism is present for allotment of motor bikes to employees.

During audit of TEVTA, Lahore for the year 2022-23, it was observed that the management allotted 44 motor bikes to its employees having fuel limit of 25 to 45 liters each. In response, duty slips/log book was demanded from the management but the same was not provided till the completion of audit which indicated that these bikes were issued to staff who are using it for their personal consumption and no such provision was found in the service regulations. Hence, payment made to fuel agency amounting to Rs 2.916 million (12*200*(45*4 + 35*1 +25*40)) in the form of petrol bills during 2022-23 were considered unjustified.

Due to poor internal controls, employees of TEVTA availed the facility of vehicle and fuel without deducting their conveyance allowance which was a serious lapse on the part of TEVTA.

Audit is of the view that the management was required to devise a mechanism to allocate motor bikes to its employees which was not done.

The matter was reported to the management and PAO on December 14, 2023. The management informed that theses bikes are not meant for personal mobility but for the performance of official chores. The reply of the management is not convincing as no log book of motor bikes was maintained as required for pool vehicles and these bikes were not parked at office after official hours.

DAC in its meeting held on January 12, 2024 directed the management to share detail of allotment of motor bikes and develop a mechanism for issuance of motor bikes besides recovery of conveyance allowance.

Audit recommends the compliance of DAC's directives.

13.1.4.6 Irregular procurement of buses against the technical specifications of approved PC-I - Rs 30.500 million

According to approved PC-I for establishment of Government Polytechnic Institute Tranda Muhammad Pannah, 02 Hino buses were to be purchased with 72 seating capacity.

During audit of TEVTA for the year 2022-23, it was observed that the management was to procure 02 Hino buses for the Government Polytechnic Institute Tranda Muhammad Pannah with the seating capacity of 72. Whereas, the management procured the buses with the seating capacity of 63+1 against the technical specifications approved in PC-I. Hence, the procurement was held irregular in audit.

Due to weak managerial and procurement internal controls, the buses were procured against the approved PC-I provision.

Audit is of the view that the management must have procured the buses in accordance with the technical specifications of approved PC-I. But the same was not done.

The matter was reported to the management and PAO on December 14, 2023. The management informed that 72-seater bus is not manufactured in Pakistan and it contacted Hino and Isuzu for confirmation. The reply was not convincing as management was required to procure buses as per the specification mentioned in the PC-I.

DAC in its meeting held on January 12, 2024 directed the management to revise PC-I.

Audit recommends the compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2018-19 vide para number 15.1.4.9 having financial impact of Rs 6.350 million. Recurrence of same irregularity is a matter of serious concern.

13.1.4.7 Irregular award of work in violation of technical specifications - Rs 5.832 million

According to bidding documents of metal cutting band saw, the required technical specifications were as blade size 27x0.9x3280 mm, number of steps 04 and blade speed 25 to 95 meter per minute.

During audit of TEVTA for the year 2022-23, it was observed that the management carried out the technical evaluation of bidders on December 30, 2021 for procurement of metal cutting band saw. Total three bidders were technically qualified. The management accepted the technical bid of M/s Salman Enterprises with the technical specifications less than required. The technical specifications offered by the other two bidders were better than the required specifications. The management awarded the contract of Rs 5.832 million to M/s Salman Enterprises on February 04, 2022 with the technical specification less than required as detailed below:

Description of item	Specification required	Specification accepted	Remarks
Metal cutting band saw	blade size 27x0.9x3280 mm	blade size 27x0.9x2725 mm	Less than required
	number of steps 04	number of steps 02	Less than required
	blade speed 25 to 95 mpm	blade speed 36 to 72 mpm	Less than required

Due to weak internal controls, the management procured the metal cutting band saw against the technical specifications.

Audit is of the view that the management must have procured the metal cutting band saw as per technical specifications approved in bidding documents. But the same was not done.

The matter was reported to the management and PAO on December 14, 2023. The management replied that a committee of 03 technical experts was constituted to carry out the evaluation of specification offered in the proposal and accepted the proposal. The reply was not convincing as acceptance of less than required specification is not justified.

DAC in its meeting held on January 12, 2024 directed the management to enquire reasons for deviation from the advertised technical criteria.

Audit recommends the compliance of DAC's directives.

13.1.4.8 Wasteful expenditures by Placement Wing on futile activities –Rs 60.783 million

According to clause 5 (h) of TEVTA Act 2010, the Authority may take initiative for placement of trainees or graduates and provide career counselling and job search services to the students and alumni.

During audit of TEVTA, Lahore for the year 2022-23, it was observed that the management established Placement Wing at head office under the supervision of DG (placement) and also nominate District placement officers at each district as well as institute placement officers at institute level. The management spent huge amount of Rs 60.783 million on the placement wing besides salaries of the staff but the performance of the Placement Wing was just an eye wash. When audit required the documents showing performance of placement wing, only print of application dashboard was shared with the audit without any supporting evidence. When it was asked that how many placements were made by the placement wings then it was told that Placement Wing performed other activities apart from placement which included career counseling, job fair, industrial visit etc. No concrete efforts were made with reference to the placement of students hence all expenditure is wasteful.

Due to lack of accountability of the Placement Wing, poor placement of trainees was made.

Audit is the view that the management was required to follow its Act by true letter and spirit and made the placement wings effective and efficient which was not done.

The matter was reported to the management and PAO on December 14, 2023. The management replied that different initiatives were taken for placement of TEVTA trainees and graduates beside placement of 7000 graduate. The reply was not tenable as no evidence of placement was shared with audit.

DAC in its meeting dated January 12, 2024 directed the management to provide documentary evidence in support of management contention. The management did not provide record to audit for verification till finalization of this report.

Audit recommends the compliance of DAC's directives.

13.1.4.9 Deficit sustained by TEVTA in second shift classes –Rs 45.998 million

According to clause 13 of second shift policy 2012, 60% of the funds of second shift will be used for salary expenditure, 20% of development activities and 20% on non-salary expenditure. Further, according to clause 9, in case of break even, remuneration to teaching as well as admin staff will be paid as per proportionate payment of remuneration.

During audit of TEVTA, Lahore for the year 2022-23, it was observed that the management allowed second shift classes admission for Diploma of Associate Engineer (DAE) in the Government College of Technology (GCTs). While scrutiny the financials of second shift it was found that the management sustained a deficit of Rs 45.998 million during 2021-22 in execution of second shift classes in contravention to the clause 9 of the policy. Management compensate this deficit by the saving of second shift from the previous years. As per the policy no such saving is allowed and college had to spend 20% of the funds on development activities but college instead of pursuing the policy of second shift saved this amount for meeting the future salary expenditures which is a clear violation. Deficit sustained in second shift policy is calculated as below:

(Rs in million)

Head of Account	Amount (Rs)
Income	182.175
Expenses	228.173
Deficit	**45.998**

Due to non-adherence to the second shift policy, the authority was running its second shift classes at a deficit of Rs 45.998 million and not spending its funds on development purposes.

Audit is of the view that the management was required to spend its funds as per the approved policy and made payment to the teaching and admin staff in proportionate manner to achieve breakeven point in the second shift but the same was not done resulted into deficit to the authority.

The matter was reported to the management and PAO on December 14, 2023. The management replied that the loss pointed out by audit was merely the excess of expenditure incurred during the year over the income generated during the year. Reply was not convincing as management had to run second shift on breakeven and allocate the funds as per the approved policy.

DAC in its meeting dated January 12, 2024 directed the management to get the record verify from audit showing the breakeven of second shift.

Audit recommends the compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2018-19 vide para number 15.1.4.5 having financial impact of Rs 17.529 million. Recurrence of same irregularity is a matter of serious concern.

13.1.4.10 Unjustified/ wasteful retention of Weaving and Finishing Institute Shahdara –Rs 8.109 million

According to clause-1 of the TEVTA Financial Guidelines dated September 07, 2018, in incurring and sanctioning expenditure from the Government Fund, the following fundamental canons of financial propriety shall be observed and same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of TEVTA for the year 2022-23, in Government Weaving and Finishing Institute (GWFI), Shahdara Lahore it was observed that the institute owns 100 kanals of land with 35 staff members and a staff colony. When the output of the institute was demanded then the following detail was provided.

Sr. No.	Trade	Year	Nos. of pass out students
1	Finishing Technology (1st year)	2020-21 2021-22 2022-23	18 18 24
2	Finishing Technology (2nd year)	2020-21 2021-22 2022-23	14 16 18

The condition of GWFI was also deplorable and the machine present in the institute remained idle since long. The location of the institute is prime and could be used for other productive purpose. Management spent Rs 8.109 million on the said institute besides the government infrastructure during 2022-23 just trained 42 Nos. of students (Rs 193,000 per student) which was unjustified and wastage of government resources by spending unwisely.

Poor value for money for government funds and lack of planning at Secretariat level led to unwise spending of government money.

Audit is of the view that the management was required either to close the above institute or upgrade it to provide weaving training to student.

The matter was reported to the management and PAO on December 14, 2023. The management replied that revamping/rehabilitation plan to start new technologies was under process to make the institute viable.

DAC in its meeting dated January 12, 2024 directed the management to made effort for making the institute viable.

Audit recommends the compliance of DAC's directives.

13.1.4.11 Wasteful expenditure due to non-installation/ utilization of car hydraulic lifts - Rs 3.725 million

According to clause-1 of the TEVTA Financial Guidelines dated September 07, 2018, in incurring and sanctioning expenditure from the Government Fund, the fundamental canons of financial propriety shall be observed and same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of TEVTA for the year 2021-22, it was observed that the management signed contract with M/s Al Waqas Associates on January 13, 2021 for procurement of 25 car hydraulic lifts amounting to Rs 11.642 million. The car hydraulic lifts were delivered by the contractor but were not installed due to non-availability of space even after lapse of two years since the delivery of the said lifts. It was responsibility of the management as a pre-requisite to make space available for installation of car hydraulic lifts. The lifts are getting obsolete without utilization. At following institutions the lifts were not installed which resulted into wasteful expenditure of Rs 3.725 million. The detail is as under:

(Rs in million)

Sr. No.	Name of institute	No. of car hydraulic lifts delivered	Unit cost (Rs)	Total cost (Rs)
1.	GTTC Kharian	02	465,660	0.931
2.	GTTI Bhalwal	02	465,660	0.931
3.	GTTI Chakwal	02	465,660	0.931
4.	GTTI Chishtian	02	465,660	0.932
Total				**3.725**

Due to weak internal controls and assets management, the car hydraulic lifts were not installed/ utilized which resulted into wasteful expenditure.

Audit is of the view that the management must have installed/ utilized the car hydraulic lifts to avoid wastage of resources.

The matter was reported to the management and PAO on December 14, 2023. The management replied that one car hydraulic lift was installed in GTTI Chishtian and remaining five will be shifted to other institutes. The reply was not tenable as management was unable to utilize all the procured car hydraulic lift.

DAC in its meeting dated January 12, 2024 directed to probe the matter for procurement of car hydraulic lift without effective planning.

Audit recommends the compliance of DAC’s directives

Tourism Department

Introduction

Our youth has grown in the information age, so it has more potential to bring change in the society. The youth should be provided with processes, programs and strategies to harness its potentials. So, in October 2011, new Department comprising on Youth Affairs, Sports, Archaeology Department of Tourist Services & Tourism was created. Our vision is to empower and strengthen the youth through fostering holistic sports activities and also preserving, restoring and developing cultural heritage and tourist sites all over Punjab.

Tourism

The Tourism Development Corporation of Punjab plays a crucial role in coordinating and supplementing the efforts of the Government in strengthening promotional and marketing efforts, catalyzing private investment and in providing trained manpower resources. TDCP has Tourist offices at various places in Punjab, which are responsible for providing information service to tourists, tourism promotion and marketing in their respective areas.

14.1 Tourism Development Corporation of Punjab Limited (TDCP)

14.1.1 Introduction

Tourism Development Corporation of Punjab Limited (TDCP) is under the administrative control of Tourism & Resort Development Department. TDCP was established on December 10, 1986 as a Public Sector Company under the Companies Ordinance 1984 (now Companies Act 2017). The objective of the company is to promote tourism in the province. The company has Patriata chair lift and cable car system at Murree, tourism resorts and tourism information centers.

14.1.2 Comments on Audited Accounts

14.1.2.1 The management failed to provide annual audited accounts for the years 2022-23 by December 2023.

14.1.2.2 The working results of the company for the year 2021-22 as compared to previous years are as under:

(Rs in million)

	2021-22	% Inc/ (Dec)	2020-21	% Inc/ (Dec)	2019-20	% Inc/ (Dec)	2018-19

(Source: Annual Audited Accounts for 2020-21 & 2021-22

Company has accumulated losses of Rs 395.842 million, net cash flows from operations of the company were negative of Rs 108.443 million and equity of the company has become negative by Rs 395.692 million as on 30 June 2022. It created doubt about the going concern of the company. Management is stressed upon to take measure to reduce its accumulated losses to make it sustainable.

14.1.2.3 Government of the Punjab has given the approval for the conversion of loan of Rs 467.639 million into equity. For this company needs to enhance its authorized capital from Rs 10.00 million to Rs 500.00 million. But the legal formalities with SECP for conversion of loan have not yet been started. The conversion of loan into equity is necessary for sustainable operations of the company. Management need to made vigorous effort for finalization of terms with the SECP.

14.1.2.4 Settlement charges was Nil in 2020-21 and Rs 8.892 million in 2021-22. This amount indicated the security deposit of M/s crystal safety. The court ordered the company to pay the security deposit and profit on the amount to the supplier. Detail of legal case and reason for non-referring the case to the higher forum needs justification.

14.1.2.5 Development and feasibility study expenses increased from Rs 2.994 million in 2020-21 to Rs 3.642 million in 2021-22 registering an increase of 22%. However, no such development expenses capitalized during the period. Breakup of feasibility and development expenses incurred during the period and outcome of such feasibility needs to be provided.

14.1.2.6 Building on freehold land includes infrastructure having book value of Rs 12.125 million developed at Chattar Bagh resort. The said resort was obtained from on lease in 1988 from Zilla Councl Rawalpindi. After the expiry of lease agreement on 31st Oct, 2003, the Zilla council refused to extend the lease period and got the possession of said resort from the company. The case is now subjudice before the arbitrator. The management is stressed upon to get the lease asset back as the same was shown in work in progress since long.

14.1.2.7 Corporation current ratio was 5.5: 1 against a standard of 2:1. It showed that corporation struck its funds in current assets having poor return on assets. Company need to review its current assets to meet the standard requirement and divert its funds towards long term assets.

14.1.2.8 Receivable of the corporation increased to Rs 45.581 million in 2021-22 from Rs 1.824 million in 2020-21 registering an increase 2400% while bad debts of the company increased from

Rs 2.085 million in 2020-21 to Rs 6.254 million in 2021-22 registering an increase of 200%. Staggering increase in receivable and bad debts needs justification. Further, party wise breakup of bad debts need to be share with the audit.

14.1.2.9 While reviewing the different projects of the TDCP it was found that the corporation failed to achieve even the breakeven point for its project. Financial highlights of different projects is as under;

i. Income from tourist bus service was Rs 20.497 million while expenses against the income was Rs 37.818 million registering a loss of Rs 17.321 (84.5% of income) during 2021-22 while the position was more worst in 2020-21 as the income was just Rs 8.636 million and expenses was Rs 35.409 million registering a staggering loss of Rs 26.773 (310% of income).
ii. Income from Institute of Tourism and Hotel Management (ITHM) was Rs 8.142 million while expenses against the income was Rs 21.092 million registering a loss of Rs 12.95 million (159% of income) during 2021-22 while the position was not even better in 2020-21 as the income was just Rs 8.425 million and expenses was Rs 22.361 million registering a loss of Rs 13.936 million (165% of income).
iii. Income from School Tourism Services was Rs 2.290 million while expenses against the income was Rs 60.546 million registering an exponential loss of Rs 58.256 million during 2021-22 while the position was more worst in 2020-21 as the income was just Rs 0.490 million and expenses was Rs 53.263 million registering a staggering loss of Rs 52.773 million.
iv. Income from Adventure expenses was Rs 0.381 million while expenses against the income was Rs 6.143 million registering a staggering loss of Rs 5.762 million during 2021-22 while the position was also not better in 2020-21 as the income was Rs 0.207 million and expenses was Rs 4.663 million registering a loss of Rs 4.456 million.

Company need to review the financials of above mentioned projects and made plans to run this on at least breakeven level. Complete sustainability plan need to be shared with audit.

14.1.3 Compliance of PAC Directives

Audit Report	**Total Paras**	**Compliance received**	**Compliance not received**	**Percentage of compliance**
1985-86 to 1986-87	8	8	0	100%
1987-88	8	6	2	75%
1988-89 to 1989-90	32	32	0	100%
1990-91	18	15	3	83%

1991-92	8	8	0	100%
1992-93	13	12	1	92%
1993-94	6	6	0	100%
1994-95	5	1	4	20%
1995-96 to 1997-98	11	11	0	100%
1998-99	5	2	3	40%
1999-00	3	1	2	33%
2000-01	2	2	0	100%
2001-02	3	2	1	67%
2006-07	4	4	0	100%
2009-10	12	6	6	50%
2010-11	02	0	02	0%
2011-12	17	08	09	47%
Total	**138**	**116**	**22**	**84%**

The overall compliance of PAC directives in respect of Tourism Department was 84%, which needs to be improved by PAO.

14.1.4 Audit Paras

14.1.4.1 Irregular appointment/ extension of consultant as contract employee - Rs 5.250 million

According to para-VIII (iv) of Contract Appointment Policy-2004, no person shall be appointed without advertisement and in violation of any procedural formalities laid down in the policy.

During audit of Tourism Development Corporation of Punjab (TDCP) for the year 2021-22, it was observed that a Social Media Consultant was working in the company who was hired in 2013 at Rs 40,000 per month under short consultancy mode of Punjab Procurement Rules, 2014. He was granted extension in consultancy contract against the rules. Further, the management appointed him on contract for one year at monthly salary of Rs 75,000 without any advertisement. Later, his contract was extended on January 13, 2023 for another year. Hence, the payment of Rs 5.250 million to employee was irregular and unjustified. Detail is as under:

(Rs in million)

Appointment Mode	From	To	No. of months served	Pay per month (Rs)	Amount (Rs)
Consultant	23.12.2013	05.07.2021	90	40,000	3.600
	05.07.2021	20.01.2022	06	75,000	0.450
	20.01.2022	19.01.2023	12	75,000	0.900

Contract employee	20.01.2023	31.05.2023	04	75,000	0.300
Total					**5.25**

Due to weak internal controls, management failed to implement the PPRA Rules in letter and spirit.

Audit is of the view that extension of short term consultancy, appointment of consultant as contract employee without advertisement and subsequent extension of that contract were done in violation of contract appointment policy and PPRA Rules.

The matter was reported to the management and PAO on June 23, 2023. The management replied that Mr. Usman Qureshi has been working since last six years in TDCP. The BoD decided to convert his consultancy into contract mode. Audit contended that this contract appointment was made in violation of contract appointment policy.

DAC in its meeting held on October 05, 2023 directed the management to seek advice from Finance Department.

Audit recommends the compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2019-20 vide para number 17.1.4.3 having financial impact of Rs 4.860 million. Recurrence of same irregularity is a matter of serious concern.

14.1.4.2 Irregular procurement of goods and services on World Tourism Day - Rs 3.789 million

According to Rule-22 of Punjab Procurement Rules, 2014, "save as otherwise provided hereinafter, the procuring agencies shall use open competitive bidding or publication of request for tender as the principal method of procurement for the procurement of goods, services and works".

During audit of TDCP for the year 2021-22, it was observed that management was celebrating World Tourism Day every year. Further, management decided to celebrate the same on September 27, 2021 at Hiran Minar Sheikhupura. For this event, various goods and services were procured including lighting at venue, cultural performances, sitting arrangement, food and transportation on quotation basis instead of open tendering as per PPRA Rules. Detail is as under:

(Rs in million)

Sr. #	Item	Amount (Rs)
01	Lighting/Advertisement at the venue	0.948
02	Qawali/ Performers	0.279
03	Smoke machine Banners	0.416
04	Dinner Expense	0.815

05	Others	1.331
Total		**3.789**

Lack of financial management was the cause of irregularity.

Audit is of the view that management procured services/ products in violation of PPRA Rules which was held irregular and unjustified.

The matter was reported to the management and PAO on June 23, 2023. The management replied that due to shortage of time, all the arrangements for the event were made in emergency. Audit contended that TDCP celebrate this day every year and it should plan it well before the time.

DAC in its meeting held on October 05, 202 directed the management to obtain advice from Finance Department.

Audit recommends the compliance of DAC's directives.

14.1.4.3 Loss due to non-recovery of lease income and missing items from Ex-lessee - Rs 1.926 million

According to clause-3 of lease agreement dated November 20, 2015 executed between TDCP (lessor) and M/s Arbab Traders (lessee) for Lal Sohanra Resort, lessee was required to pay rent in advance through post dated cheques on the 7th date of first month of every quarter. Any dishonored cheque shall be treated as unpaid lease and subject to additional surcharge @ 10% and followed by legal action.

During audit of TDCP for the year 2021-22, it was observed that management leased out Lal Sohanra Resort to M/s Arbab Traders on November 20, 2015 for a period of five years. In 2019, it was found that lessee was not operating the resort as per terms of agreement and not paying the dues in time. Lessee failed to pay the lease amount despite various notices and finally management terminated the contract on May 19, 2020. The accumulated amount of lease was Rs 1.411 million at the time of termination of agreement. Further, after getting the possession of resort, management found that various items were also missing. This resulted in loss due to non-recovery of lease income valuing Rs 1.800 million (approx.) and missing items from ex-lessee.

Due to weak financial controls, management failed to recover the dues from the contractors.

Audit is of the view that management must have taken all necessary measures to recover both amounts from the lessee along with initiation of process for blacklisting of contractor.

The matter was reported to the management and PAO on June 23, 2023. The management replied that FIR was registered on February 20, 2020 and black listing process started.

DAC in its meeting held on October 05, 2023 directed the management to file recovery suit against the ex-lessee.

Audit recommends the compliance of DAC's directives.

14.1.4.4 Loss due to delay in outsourcing different facilities - Rs 56.696 million

According to meeting of BoD held on January 20, 2022, Board unanimously allowed the management to go ahead with outsourcing contract and sign outsourcing agreement with bidders who have matched the estimated rent amount mentioned in the advertisement.

During audit of TDCP for the year 2021-22, it was observed that management invited bids for outsourcing of fourteen (14) resorts and recreational facilities vide advertisements dated September 09, 2021 and September 14, 2021. In response to these invitations, bids of few facilities were below reserved price. The management negotiated with highest bidder and he agreed to match the offer price with reserved price. After completing the process, management presented the matter before Board and it unanimously approved the same and allowed the management to proceed for outsourcing contract. Since then, no agreements were made with successful bidder, which caused a huge revenue loss of Rs 56.696 million to company in shape of lease income. Detail is in **Annex-30.**

Due to weak internal controls, management failed to implement the decision of the BoD.

Audit is of the view that company was already relying heavily on Government grants/ loans for its survival and willingly losing potential sources of revenue which was held irregular and unjustified.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the outsourcing process was delayed due to revision of outsourcing policy. Audit contended that there was no specific restriction in this policy for outsourcing.

DAC in its meeting held on October 05, 2023 directed the management to provide latest status of outsourcing process of these tourist sites. But no documentary evidence of latest status could be provided till finalization of this report.

Audit recommends the compliance of DAC's directives.

<u>Note:</u> The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 16.1.4.5 having financial impact of Rs 2.309 million. Recurrence of same irregularity is a matter of serious concern.

14.1.4.5 Loss due to illegal possession of TDCP land by residents at Shershah Multan - Rs 17.800 million

According to Memorandum dated May 31, 1987 of Colonies Department, Government of the Punjab transferred free of cost state land measuring 14-Kanal and 3-Marlas to Tourism Department for the construction of Tourist Resort at Shershah Bridge, Multan. The transfer of land against Tourism Department was also shown in the Fard-e-Milkiyat.

During audit of TDCP for the year 2021-22, it was observed that a piece of land measuring 14-Kanal and 03-Marlas was transferred by Government to TDCP during 1987. Out of this, management allotted 3-Kanals for patrolling police post. In 2020, it was found that people of nearby area illegally built houses on remaining land. TDCP regional management took the matter with revenue staff and could only get back the possession of 2-Kanals and 3-Marlas. Remaining 8-Kanals and 18-Marlas was still under the illegal possession of local people. The minimum value of land estimated by audit was Rs 17.800 million (178 marlas * Rs 100,000).

Due to lack of administrative control, the assets of the company were not safeguarded which resulted into encroachment of land.

Audit is of the view that due to inefficient and improper management of resources, public exchequer sustained a loss.

The matter was reported to the management and PAO on June 23, 2023. The management replied that district government had agreed to provide alternate land. Audit contended that no serious efforts were made for allotment of alternate land and protection of already allotted land.

DAC in its meeting held on October 05, 2023 directed the management to pursue the case vigorously and pended the para till allotment of alternate land.

Audit recommends the compliance of DAC's directives.

14.1.4.6 Non-approval of budget from BoD in violation of Public Sector Companies (Corporate Governance) Rules 2013

According to Rule-7 (1) and (2) (a) of the Corporate Governance Rules 2013, significant issues shall be placed before the Board for its information and consideration, in order to formalize and strengthen the corporate decision-making process. Including annual business plans, cash flow projections, forecasts and long term plans; budgets including capital, manpower and expenditure budgets, along with variance analyses.

During audit of TDCP for the year 2021-22, it was observed that management incurred Rs 459.728 million throughout the year by the order of the Managing Director. As per rule mentioned above the annual budget shall be placed before the BoD but management incurred expenditure throughout the year without approval of the BoD. This practice of the company manifested that the financial matters were being run solely by the Managing Director without approval of the BoD.

Due to weak internal controls, management failed to implement the Corporate Governance Rules.

Audit is of the view that the management should have got budget approved from BoD before commencement of every financial year.

The matter was reported to the management and PAO on June 23, 2023. The management replied that the annual budget is being placed before BoD for approval.

DAC in its meeting held on October 05, 2023 directed the management to get expenditure regularized from Finance Department.

Audit recommends the compliance of DAC's directives.

Transport Department

Introduction

Transport Department was established in 1987, earlier it was a Cell in the S&GAD under the supervision of the Additional Chief Secretary Government of the Punjab. The establishment of Transport Department is headed by Secretary (BS-20) with Two Additional Secretaries, three Deputy Sectaries and six Section officers. 15.1 Punjab Transport Company (PTC), Lahore

15.1.1 Introduction

Punjab Transport Company (“the company”) (formerly-Lahore Transport Company) was incorporated in Pakistan after approval from Punjab assembly on April 07, 2009 as a company limited by guarantee and not having share capital under section 42 of the repealed Companies Ordinance 1984 (now Companies Act 2017) (repealed with the enactment of the Companies Act 2017). The registered office of the company is situated at Liberty Market Noor Jehan Road Block D-1 Gulberg III, Lahore, Pakistan. The company has been registered with the Registrar Joint Stock Companies, City District Government Lahore vide No.RP/4895-L/S/09/476 dated April 07, 2009.

The principal objective of the company is to undertake or engage in such activities which provide safe affordable, reliable and efficient transport services for the general public in the city of Lahore.

15.1.2 Comments on audited accounts:

The management failed to provide annual audited accounts for the years 2017-18 to 2022-23 by December 31, 2023.

15.1.3 Compliance of PAC Directives

Audit Report	Total Paras	Compliance received	Compliance not received	Percentage of compliance
2016-17	15	05	10	33%
Total	15	05	10	33%

The overall compliance of PAC directives was very poor which needs to be improved by PAO.

15.1.4 Audit Paras

15.1.4.1 Unjustified award of contract beyond merit – Rs 3.864 million

According to clause-xi and xiii of technical evaluation requirement for transport services, the contractors were required to submit the details of vehicles owned alongwith list of staff.

During audit of Punjab Transport Company (PTC) for the years 2020-23, it was observed that management prequalified three contractors for provision of transport facility. In January 2020, the management called quotations from these prequalified contractors. All three were declared technically qualified. The contract was awarded to M/s NG being the lowest bidder @ Rs 18,100 per day per coaster. In February 2020, quotation were again called from all three for provision of transport in PSL matches. Two contractors M/s Overland United and M/s Bajwa Brothers were declared technically non-responsive and M/s NG was awarded being the only technically responsive bidder @ Rs 25,000 per coaster per day. It is pertinent to mention here that both the contractors were prequalified after an extensive exercise and evaluation. The process of declaring two contractors technically non responsive and awarding of contract at higher rates resulting into loss of Rs 3.864 million.

Due to weak internal controls and ineffective contract management, one contractor was declared technically responsive.

Audit is of the view that management awarded contract to M/s NG Tourism at much higher rates declaring already pre-qualified contractors as technically non responsive.

The matter was reported to the management and PAO on September 15, 2023. The management replied that the other two bidders could not submit requisite documents at the time of quotations. The reply was not convincing as bidders were pre-qualified after scrutiny of all the requisite documents. Secondly rate was increased from Rs 18,100 to Rs 25,000 in one month.

DAC in its meeting held on January 10, 2024 directed to probe the matter at Administrative Department level.

Audit recommends compliance of DAC’s directives.

15.1.4.2 Non-transfer of title of land in company’s name – Rs 807.500 million

According to Rule 21(6)(a) of Corporate Governance Rules 2013, the BoD shall establish an audit committee who shall determine appropriate measures to safeguard the assets of the company.

During audit of PTC for the years 2020-23, it was observed that the company was in possession of land valuing Rs 807.500 million but the title of land was not in its name. The management tried to get the title of the land transferred in its name but it was transpired that Khasra Numbers of the land in possession were different from those in the documents. Resultantly, the matter regarding transfer to title of land valuing Rs 807.500 million (807.50 marlas @ Rs 1.00 million per marla approx.) in the name of the company was pending.

Due to poor internal controls and weak management, the correct title of land was not established despite having possession.

Audit is of the view that management was not exercising due care and diligence while running the affairs of the company which resulted into defective title of its land assets. Non-ensuring the correct title of land assets was considered a serious lapse on the part of management.

The matter was reported to the management and PAO on September 15, 2023. The management admitted the facts and informed that matter was pending with relevant authorities.

DAC in its meeting held on January 12, 2024 directed the management to pursue the matter with relevant authorities and court cases in order to get a clear title of lands.

Audit recommends compliance of DAC's directives.

15.1.4.3 Irregular retention of unutilized subsidies – Rs 219.068 million

According to section 23(2) of the PFM Act, 2019, the principal accounting officers shall submit a certificate on half yearly basis that he has not transferred public moneys for investment or deposit from government account to any other bank account.

During audit of PTC for the years 2020-23, it was observed that Rs 219.068 million was appearing in the books of accounts as subsidy payable. Further detail of these subsidies was as under;

i.	Operational subsidy	Rs 149.015 million
ii.	Capital subsidy	Rs 63.750 million
iii.	Refurbishment subsidy	Rs 6.303 million

In order to find out the root cause of these un-utilized and payable subsidies, audit demanded the detailed record but management negated to provide the same.

Audit is of the view that management violated the financial discipline by retaining un-utilized balance instead of returning it to the Government.

The matter was reported to the management and PAO on September 15, 2023. The management replied that after July 2019, PTC did not demand any subsidy. Old balances were kept which will be used in future. The reply was not convincing as retention of subsidy amount was irregular.

DAC in its meeting held on January 10, 2024 directed the management to hold an internal fact finding inquiry and place it before BoD and administrative department.

Audit recommends compliance of DAC's directives.

15.1.4.4 Irregular retention of contractor's security in the company main account - Rs 5.252 million

According to section 217(2) of the Companies Act 2017, the money so received shall be kept in a special bank account maintained by a Company with a Scheduled bank.

During audit of PTC for the years 2020-23, it was observed that the management of PTC retained an amount of Rs 5.252 million pertaining to the securities of contractors under head performance guarantee as on June 30, 2023 in their main account in violation of the provision of the Companies Act 2017, which is held irregular in audit.

Due to weak internal controls the compliance of section 217 of Companies Act 2017 was not made.

Audit is of the view that management violated the provision of section 217 of the Companies Act 2017 by retaining their contractor's security in the main account instead of separate account which needs to be justified.

The matter was reported to the management and PAO on September 15, 2023. The management committed to open separate account after approval of BoD.

DAC in its meeting held on January 12, 2024 kept the para pending till compliance of Companies Act.

Audit recommends compliance of DAC's directives.

15.1.4.5 Loss due to theft of equipment at bus shelters and Non-recovery of insurance claims – Rs 4.033 million

According to Rule 21(6)(a) of Corporate Governance Rules 2013, the BoD shall establish an audit committee who shall determine appropriate measures to safeguard the assets of the company.

During audit of PTC for the years 2020-23, it was observed that management got insured its bus shelters from M/s United Insurance. During the audit period, 33 theft instances were noted in which management booked a loss of Rs 2.385 million against which recovery from insurance company was not shown to audit. Moreover, 20 insurance claims valuing Rs 1.648 million were pending.

Due to weak internal controls, the assets of the company were not properly safeguarded.

Audit is of the view that due care and diligence was not exercised and management has not taken proper steps to safe guard the assets of the company.

The matter was reported to the management and PAO on September 15, 2023. The management replied that the initiatives taken to reduce theft cases and also efforts made to recover pending insurance claims. The reply was not convincing as huge cases of theft occurred.

DAC in its meeting held on January 10, 2024 directed the management to probe the matter and effect recovery.

Audit recommends compliance of DAC's directives.

15.1.4.6 Loss of revenue income due to non-operation of bus terminals – Rs 1.752 million

According to order dated November 19, 2014 of District Coordination Officer, Lahore, the rights for use of urban/public transport related infrastructure services were handed over to Lahore Transport Company which included wagon stands, rickshaw/taxi stands, halting points and road wise bus stops.

During audit of PTC for the years 2020-23, it was observed that City District Government handed over six bus terminals and wagon stations to LTC now PTC for operations vide order dated November 19, 2014. Audit asked about the income generated from the operation of these Bus terminal /wagon stations. Management verbally informed that only two terminals are operative which are Railway Stations and Bhatti Chowk. No income was generated by PTC, however, operations were run locally by unknown persons and no information was available of their income. Audit has assessed that annual income generation potential of one terminal was Rs 1.752 million (24 wagon buses x 365 x Rs 200 per day).

Audit is of the view that management did not exercise due care and diligence while running the affairs of the company resulting into loss of potential revenue income.

The matter was reported to the management and PAO on September 15, 2023. The management replied that they have no legal right to use the transport related infrastructure for income generation and committed revenue generation after approvals from competent forums. The reply was not convincing as ‘Rights for use’ of transport related infrastructure was handed over by city district government to PTC in 2014.

DAC in its meeting held on January 10, 2024 directed to probe the matter at Administrative Department level within thirty (30) days.

Audit recommends compliance of DAC’s directives.

Impact Audit Report on Skills Development Programme of PSDF

16.1 Introduction

The impact audit of Skills Development Programme (SDP) was carried out to determine whether the desired impact or outcome of the Programme was achieved, and whether the desired outcome/impact was caused by the Programme intervention rather than by any rival causes.

The Skills Development Programme was executed by Punjab Skills Development Fund (PSDF) which is a not-for-profit company set up by Government of the Punjab and the United Kingdom's Department for International Development (DFID) in 2010. The purpose of PSDF is to shape the future and well-being of poor and vulnerable youth by giving them access to skills training of the highest standard so that they can improve their ability to find work, progress in their current employment, or develop a new enterprise. Initially, PSDF worked in four districts of Southern Punjab but since 2016, the operations have been scaled up to all districts, expanding the reach of PSDF's interventions. PSDF works with an extensive network of training partners that are engaged to provide training based on schemes, focused on specific trades and targets.

In Pakistan, government skill Programmes have faced challenges. To address this, the Punjab Skills Development Fund (PSDF) introduced a grant-based funding model for training providers, to impart effective training to underprivileged youth in the province and to encourage more private sector participation in skill development.

16.2 Overview of Skills Development Programme (SDP)

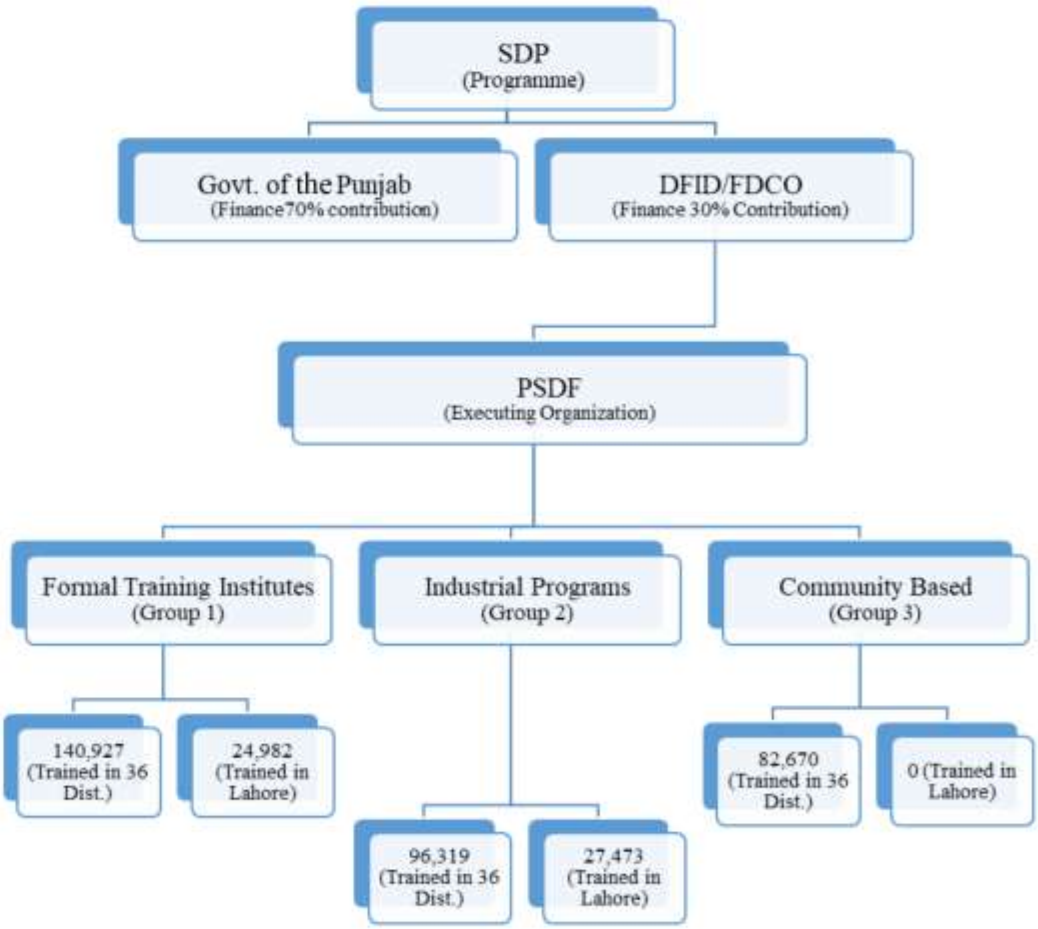
The Skills Development Programme (SDP), launched in 2016, was implemented by PSDF an independent, not-for-profit company established by Department for International Development (DFID) and the Government of the Punjab. The scope of the Skills Development Programme (SDP) covers all 36 districts of the province. Its objective is to provide technical and vocational skills to unskilled, poor youth enabling them to get employment in relevant field of work, or to generate self-employment through entrepreneurial skills.

Owing to the fact that women in Pakistan remain disadvantaged in terms of labour force participation, with the country ranking at 153 out of 156 on the World Economic Forum's Global Gender Gap Index 2021, the programme focused on delivering skills training to women in particular. Moreover, other disadvantaged segments of the population (including minorities, transgender people, and persons with disabilities), were also intended to be included in the target population of this programme, with the objective to help them gain decent employment. The following table and organogram show further details about SDP.

Programme Target	Geographic focus	Start of Programme	End of Programme	Programme duration

330,000 graduates (40% females)	36 districts of Punjab	August 2016	June 2021	5 years

Organogram and Training Group



16.2.1 Objectives of SDP:

The main objectives of the SDP programme as envisaged in project documents can be summarized as under:

- To train poor and vulnerable
- To improve skills level, in order to facilitate increased incomes for poor people by providing them with the technical and vocational skills, with special focus on skill enhancement of women
- To facilitate in getting employment by providing link between skill set and relevant job market
- To enable youth to seek self-employment
- To develop a competitive skills training market that offers market oriented training opportunities for the poor and vulnerable, particularly women
- To establish PSDF as an effective, self-sustainable fund

In order to achieve these objectives, certain training programmes were developed. A brief of these programmes is given as under:

16.2.2 SDP Training Programmes

SDP was executed by PSDF and was funded by DFID and Government of the Punjab (30% and 70% respectively) with a target to train 330,000 graduates, 40% of them being females. The Programme was launched in August 2016 and implemented its various training programmes and schemes till completion on June 30, 2021.

Three main training programmes under SDP were as follows:

i. Industry Driven Programmes (IDP)

PSDF developed Industry Driven Programmes to attract businesses across all sectors, and to train the youth according to their skill needs. In these programmes, businesses had the flexibility to design the training coursework and teaching materials, select trainers to teach the course and conduct the course at their own facility or in partnership with other training providers. It was envisioned that once the youth was trained by businesses within the industry, its prospects of finding sustainable employment would increase significantly.

Formal Training Institutes (FTI)

To enter the technical and vocational training space, PSDF developed Formal Training Programmes for existing vocational training institutes. Under these programmes, Formal Training Institutes (FTIs) partnered with PSDF to implement existing training programmes. PSDF provided funding for these trainings to make them bigger & better and assesses them on strict quality assurance standards. Vocational training institutes operating in the market could access funds for training through a transparent and competitive bidding process. The programmes were open to both existing and new institutes as well as public and private sector entities.

ii. Community Based Programmes (CBP)

In addition to demand driven and market relevant skills trainings through industry and training institutes, PSDF also developed various Community Based Programmes to provide access to high quality skills training in semi-urban and rural communities. One of the objectives of such programmes was to make skills training easily accessible by the rural communities by taking training to their doorstep. These programmes were meant to target people between the ages 29 to 40, particularly rural females, agricultural and livestock farmers. The trainings focused on improving farming techniques for better productivity and income improvement. Female training was a large component of Community Based Programmes at PSDF. These programmes operated on 'work from home' model and trainings helped generate commercial opportunities and incomes.

Total Trainee Population of the SDP across Punjab

Training Programme	Male	Female	Transgender	Total
Formal Training Institutes	92,602	48,324	1	140,927
Industry Driven Programmes	56787	39,506	26	96,319
Community Based Trainings	21,814	60,856	0	82,670
Total	171,203	148,686	27	319,916
Percentage share	53.51%	46.48%	0.01%	100%

16.3 Objectives of Impact/Outcome Audit

The main objective of this impact audit included examination and evaluation of data regarding SDP and to assess the extent to which desired outcomes or impacts were achieved due to the Programme interventions. The Audit further aimed to assess how far the results of the programme were worth the cost.

16.4 Audit Scope and Methodology

a. Scope

The scope of Impact audit was to examine the causal relationship between Programme objectives, activities undertaken and their wider impact on employment &income of the poor and vulnerable trainee population. The following model reflects logical flow of inputs, activities, outputs, outcomes and intended impact of this Programme:

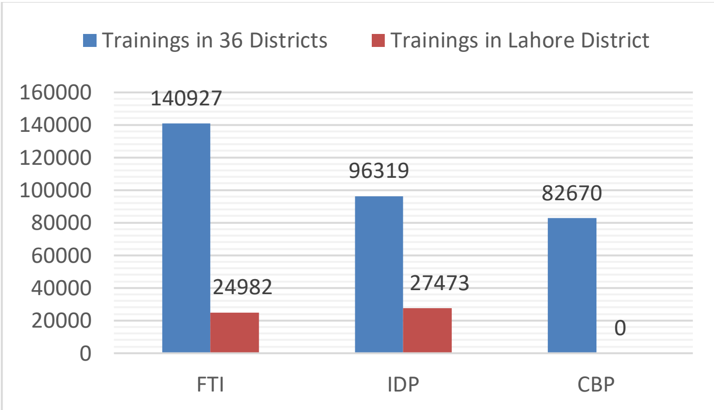
Inputs	Activities	Output	Outcomes	Impact
Programme Funds	Feasibility Study/ Scope	Trainings Successfully imparted	Job opportunities for poor and vulnerable youth	Skilled young Human Resource
Programme Guidelines (DFID)	Selection of Trades Training Clusters	Poor youth trained	Competitive market for private skills training provider	Income increase
Human Resource	Selection of TSPs	Graduate trainees got jobs	Making PSDF self-sustainable	Improved living standard
Man hours	Monitoring/ Supervision of Trainings	Self-employment capabilities of trainees increased	Improved social and economic status	Women empowerment
Liasion with Stakeholders	Data collection & Maintenance			
	Disbursement of funds			

For the purpose of this audit the terms audit of outcomes and impact audit are used interchangeably. As the scope of this Audit activity was focused on the last two columns of the above chart. Since the Programme has many desired outcomes and impacts, the Audit team considered employment status of the trainees as a fundamental touchstone to assess effectiveness of the Programme. Therefore, Industry Driven Programme and Formal Training Institutes were relevant to the specific focus of audit.

Scope limitation

Certain scope limitations were faced during impact assessment of the Programme. First, the Programme was spread over all 36 districts of Punjab; however, the mandate of this audit activity was limited to the Lahore district only. The following graph shows the proportion of trainings conducted in Lahore district in comparison to overall scope of the Programme.

Proportion of trainings conducted in Lahore District in comparison to over all 36 Districts



Owing to this limitation, a group of training cluster named as Community Based Programmes (CBP) could not be assessed. This cluster included different trainings in Agriculture and Livestock sector but in Lahore district no such trainings were conducted due to its urban nature. Secondly, audit team encountered barriers while approaching the female trainees due to the conservative cultural approach. Due to this limitation, the objective of increased women employment and hence their empowerment could not be evaluated in quantitative terms. Another key limitation was availability of pre- and post-intervention data on incomes or job acquisition of the sample of population studied for this analysis. Reliance was therefore made on questionnaire-based responses.

b. Methodology

Due to lack of data and limitations of design, the following two techniques were employed to assess the impact on Treatment Group:

i. Pre-Post Analysis
ii. Post- Group Comparison

The audit team analyzed "Condition With" and "Condition Without" using survey and data analysis. The Condition With implies analysis of 'treatment group' i.e. those who underwent the skills training under Industry Driven Programme and Formal Training Institutes.

For Condition Without, under post group comparison, those persons were considered who were enrolled or selected for the training but did not join. This ensured that control group was similar to in its characteristics to the treatment group. Questionnaires were administered to samples of respondents selected from both treatment and control groups.

For pre-post analysis questionnaires asked from those who underwent the training (treatment group) questions regarding the nature of their employment prior to and after undergoing training under the SDP.

It was also asked from control and treatment group persons whether they had undergone any other skill enhancement training through some other Programme or on their own. This was done to exclude the rival cause of skill enhancement through any other Programme.

The Audit team selected a sample number of trainees and developed a questionnaire for them to conduct telephonic survey/interview. The survey was designed to assess whether the training helped the trainees find a job or not by asking them if they were employed before the training or they were successful in finding a job only due to receiving the respective training under SDP.

c. Sampling

Samples were randomly selected from treatment and control group. Trainee data of 52,455participants of training across Lahore, was extracted from Master Survey Report & Trainee Survey Report provided by the PSDF management. Total sample size for survey consisted of 508 participants out of which only 330 participants responded. For control group a separate sample comprising 100 persons was selected. There were a total of 18,359 persons who were registered for the training but dropped out before completion of the training programme.

16.5 Programme Impact Assessment:

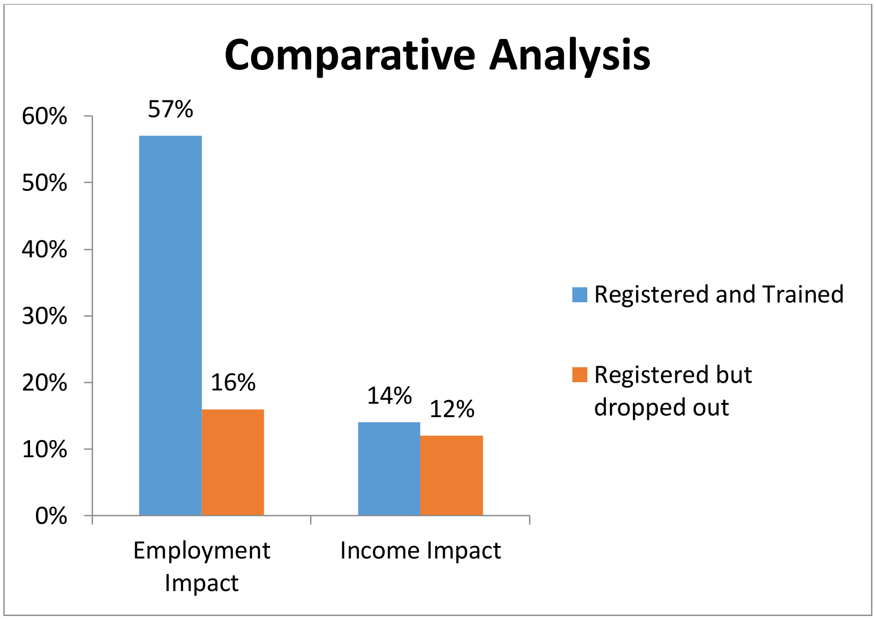
a. Overall Impact Assessment

A telephonic survey/interview was conducted over 508 trainees out of which 330 responded to it. 152 (46%) trainees told that they were doing a job even before/without receiving training under SDP. Out of remaining 178 respondents, 101 (57%) replied that they were able to get a job as a result of SDP training while 77 (43%) told that they could not get any job despite getting trained under SDP.

In pre-post comparison, amongst those who got the job 57% responded that prior to this training they were unemployed, and 14% (21 out of 152 trainees) had an employment that paid less than their current job.

For post-group comparison, a sample of 100 candidates who were registered for training but dropped out before completion was administered questionnaire as control group. Out of those interviewed, only 16% were employed and only 12% had similar income as those in treatment group.

Thus, a greater 41% of candidates (difference of 57% and 16%) from treatment group had employment compared to the control group and 2% (difference of 14% and 12%) of them had increased income . The following graph shows comparative analysis of income and employment impact on both groups:



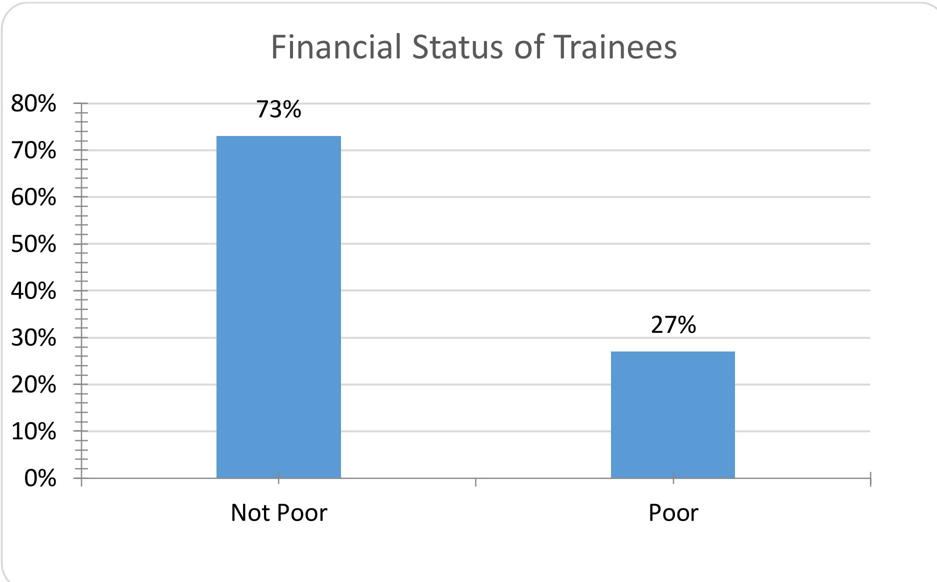
16.6 Key Findings:

16.6.1 Failure to attain desired results in connecting graduates with income generating opportunities (Employment and Career Impact)

Out of the total surveyed trainees, constituting a response rate of 65% with 330 participants, 43% stated that they did not get any job, 57% (101 trainees) responded that they got a job after receiving SDP training. Out of these 57% trainees, 64% (65 trainees) stated that they were doing such job which was not related to their field of training. This situation suggested two possible scenarios: either the trainees encountered challenges in securing suitable employment opportunities related to their training, or the training Programmes lacked the usefulness to facilitate job placements. This propounded that the investments made in these training initiatives had not yielded the intended outcomes. The resources allocated towards these training endeavors appeared to have been underutilized or potentially wasted, as the anticipated link between training, employment in the relevant field, and income improvement had not materialized.

16.6.2 Flawed selection/enrollment of trainees

As per the Business Rules (Industrial Training Programme & Formal Training Institutes), selection/enrollment of vulnerable trainees should be made in line with BISP poverty score. During the survey, 73% of the respondents revealed that they did not fall within the poor and vulnerable population category, defined as families earning less than 30,000 at the time of their training. The SDP was focused on the poor & vulnerable population of the Punjab. But during the interviews, it was found that some trainees didn't actually belong to this group. It seemed that they were included just to fill up the class. Consequently, non-committed and financially self-sufficient trainees were included at the expense of public funds, which ultimately went to waste, as these individuals lacked the motivation to seek employment after completing the training.

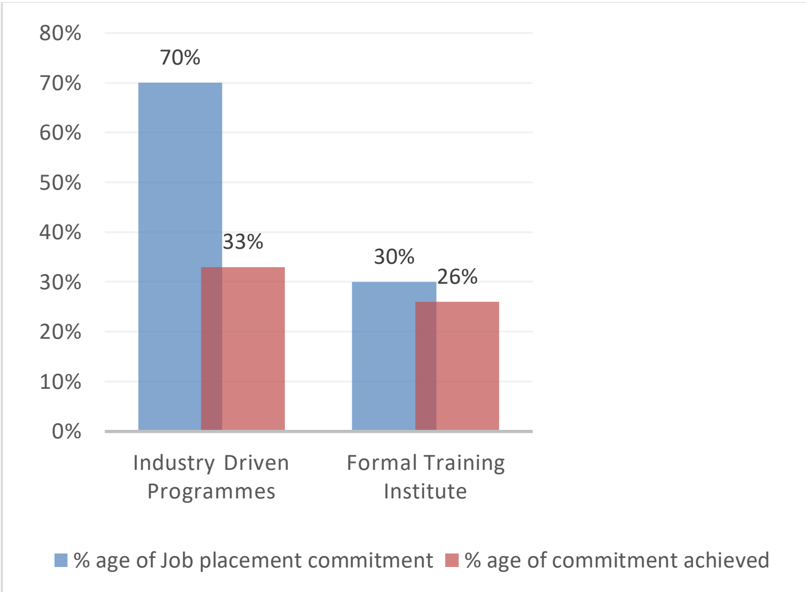


16.6.3 Non-implementation of real time attendance indicating weak monitoring mechanism

The management opted to outsource the monitoring system to a third-party entity, which conducted bi-monthly visits to verify the attendance of the trainees. The non-implementation of real-time attendance tracking systems severely impacted the efficacy of the monitoring mechanism. Without real-time attendance data, the ability to oversee and manage trainee attendance, work hours, and task allocation had been compromised. The organization faced challenges in ensuring timely interventions, resource optimization, and the establishment of an accountable and responsive work environment. The telephonic survey conducted by audit team revealed that 2% of the graduate trainees were clueless above having received any such training under SDP. Further, the Trainee Survey Report provided by PSDF management showed that 13% of the trainees failed to pass the final examination. This reflects the enrollment of such individuals who were not fully committed to training. It also presented a convenient opportunity for Training Service Providers (TSPs) to fulfill their quota by showcasing the necessary number of trainees and collecting fees from PSDF, potentially prioritizing quantity over quality in training delivery.

16.6.4 Shortfall in achieving job placement target by TSPs

As per the contractual agreements, Training Service Providers (TSPs) failed to facilitate job placements for the committed percentage of trainees as shown in the graph given below:



Despite the contractual obligations, the TSPs fell short of achieving the stipulated percentage of trainees in all three training clusters: only 33% and 26% job placement target could be achieved against the committed target of 70% and 30% in IDP and FTI respectively. This inability to meet the agreed-upon placement quotas raised concerns about the TSPs' capacity to effectively transition trained individuals into suitable employment opportunities, possibly signaling limitations or shortcomings within the job placement strategies implemented by these providers.

16.6.5 Violation of criteria of SDP in enrolment of DAE qualified students

As per the Vocational Training Contract between PSDF and Training Service Providers (TSPs) and Business Rules, individuals enrolled in the DAE Programme or registered under PBTE are not eligible for PSDF-funded courses. However, in the survey, 3.6% of the trainees reported that they had completed their DAE before enrollment in the SDP training. This situation highlighted a weak monitoring mechanism, indicating failure to screen and prevent the enrollment of ineligible candidates. As a result, resources were potentially wasted by providing training to individuals who were not eligible as per the agreement, raising concerns about the effective utilization of resources and the need for a more robust enrollment monitoring system.

16.6.6 Non-achievement of desired objective to create a competitive market of private skills training providers

Throughout the SDP period, PSDF collaborated with 80 Formal Training Institutes (FTIs) in Lahore. Among them, a sample of 22 FTIs (27.50%) was examined, revealing that all of them had ceased their operations. The failure to achieve the targeted goal of establishing a competitive market among private skills training providers during the skills development Programme's tenure was evident. While funding was readily available and accessible to Training Service Providers (TSPs), a surge in their numbers was observed, relying significantly on government grants to sustain their operations. However, following the Programme's closure, a marked decline emerged as a considerable number of TSPs ceased operations. The sudden decrease after the Programme ended showed that many TSPs relied too much on funding from PSDF and couldn't keep going without ongoing help from the government.

16.6.7 Failure to make PSDF self-sustainable fund

One of the main goals of the skills development Programme was to ensure that the PSDF became financially self-sustaining. However, despite efforts, the management fell short of this objective. Over the life of the Programme, PSDF had generated only Rs 151 million in revenue through managing and executing various innovative Programmes. The management couldn't achieve the target of making the PSDF self-sufficient, and it continued to depend on financial support from the government. This situation reflected a significant gap between the Programme's aspirations and its actual outcomes. The inability to establish self-sustainability pointed to underlying challenges or limitations in the strategies implemented, potentially impacting the long-term viability and independence of the fund.

16.6.8 No follow-up mechanism regarding trainee job placement after closure of training Programme

After the closure of SDP, there was a notable absence of a follow-up mechanism concerning job placements for the trainees. This lack of a structured follow-up system resulted in a concerning gap in monitoring the employment status or career progress of the trained individuals. Without a robust follow-up mechanism, assessing the effectiveness of the training in securing employment opportunities or tracking the career trajectories of the trainees became challenging. Consequently, the absence of such a system diminished the Programme’s ability to gauge its impact on trainees' professional lives and impeded the identification of areas for potential improvement in future training endeavors.

16.6.9 No mechanism developed regarding relevance of job placement according to training

According to the data provided by the management on job placements secured by TSPs for trainees as per the contract, a total of 5,229 job placements were recorded. Within this number, 133 trainees (3%) were employed in jobs entirely unrelated to their training. The Training Service Providers (TSPs) were supposed to help the trainees get jobs according to their agreement. However, it was observed that in some situations, the job placements weren't in the same field where the trainees gained their skills. Instead, they were placed in fields that weren't related to what they learned during their training. This mismatch in areas of job placements raised concerns because it meant that some trainees ended up working in areas that didn't match the skills they acquired through their training Programmes.

16.6.10 Retention of TSPs having poor performance evaluation in previous trainings

The third-party monitoring conducted the performance evaluation of 157 Training Service Providers (TSPs), revealing that 48 TSPs (31%) scored below 50% (signifying poor performance) in a particular period. Despite this, several underperforming TSPs were permitted to participate in the bidding process once more and were awarded contracts again. This suggested that the PSDF overlooked the significance of TSP performance, ultimately leading to the production of trainees with inadequate skill levels.

16.7 Conclusion:

To recapitulate, this report is an effort to highlight major shortcomings in employment outcomes, monitoring mechanisms, market sustainability, and enrollment integrity, ultimately undermining the Programme's impact on securing suitable employment and increasing income levels of the targeted poor population. Despite achieving 97% of the targeted trainee number (319,928 out of 330,000), the Programme fell short of leaving significant footprint regarding employment outcome. The Impact audit revealed planning and execution lapses within the SDP impeding its ability to positively impact the lives of the poor and vulnerable, which was its primary objective. The findings underscore missed opportunities and operational deficiencies that hampered the Programme's ability to bring in significant change in youth employment graph as a result of the SDP trainings in the province. With substantial budget and scale, the Programme could have delivered more favorable outcomes if the management had addressed the identified issues during execution.

16.8 Recommendations:

The Programme stands completed and the shortcomings pointed out in this report cannot be completely addressed at this stage. However, the audit team has endeavored to suggest the following recommendations which would serve as guidelines for addressing key risk areas and improving impact of any such initiative in future.

- **Creation of Income Opportunities:**

PSDF management should create income-boosting strategies for graduates, including entrepreneurship training, microfinance aid, or job placement aid in lucrative sectors. It should foster better collaborations between public and private sectors for job placements, internships and apprenticeships by reinforcing the connection between training and private sector job opportunities.

- **Adherence To Enrolment Eligibility Criteria:**

The management should enforce strict adherence to eligibility criteria for trainee enrollment, preventing the inclusion of individuals who do not meet the poverty or vulnerable population criteria outlined in the Programme guidelines so that the actual purpose of the Programme would be achieved.

- **Implementation of Real-Time Attendance Monitoring System:**

A robust real-time attendance tracking system should be implemented to enhance monitoring efficiency. This would enable better oversight of trainee engagement, aiding in identifying irregularities promptly and limit trainee drop out.

- **Adoption of Job Placement Strategy:**

As part of job placement strategy, a comprehensive market demand survey should be conducted during planning phase of SDP training clusters/trades. Also, an effective follow-up mechanism should be developed post-training Programme closure to track trainee job placements. This would facilitate evaluation of the effectiveness of the trainings in securing relevant employment opportunities.

- **Improvement in TSP Selection Criteria:**

The management should strengthen the selection criteria for Training Service Providers to ensure that they align with the Programme's objectives. This should include performance evaluations from previous training sessions before re-awarding contracts.

- **Financial Self-Sustainability:**

The management should devise strategies to steer the PSDF towards financial self-sustainability, reducing reliance on continuous government funding. This can be done by exploring alternative revenue streams and attaining operational efficiencies.

OF GOVERNMENT OFTHE PUNJAB

AUDIT YEAR 2023-24

CLIMATE CHANGE, ENVIRONMENTANDDISASTER MANAGEMENT ORGANIZATIONS OF GOVERNMENT OF THE PUNJAB

Chapter-1

Provincial Disaster Management AuthorityPunjaband

District Disaster Management Authorities

1.1 Introduction

A. An Act No. XXIV of 2010 called National Disaster Management Act was promulgated for establishment of National Disaster Management Authority by the Parliament. In compliance of Section 15 of Act, the Provincial government of Punjab established Provincial Disaster Management Authority, Punjab to deal with natural disasters and calamites in the province and take measures for prevention and mitigation of natural disasters.

For the purpose of relief measures and expenses, a fund was created called Provincial Disaster Management Fund (PDMF). The Provincial Government makes provisions for the said fund in the annual budgetso that PDMAcarry out activities and programs to cope with disaster emergencies. The Authority has established District Disaster Management Authority in each district of Punjab headed by Deputy Commissioner.

C. **Sectoral Analysis**

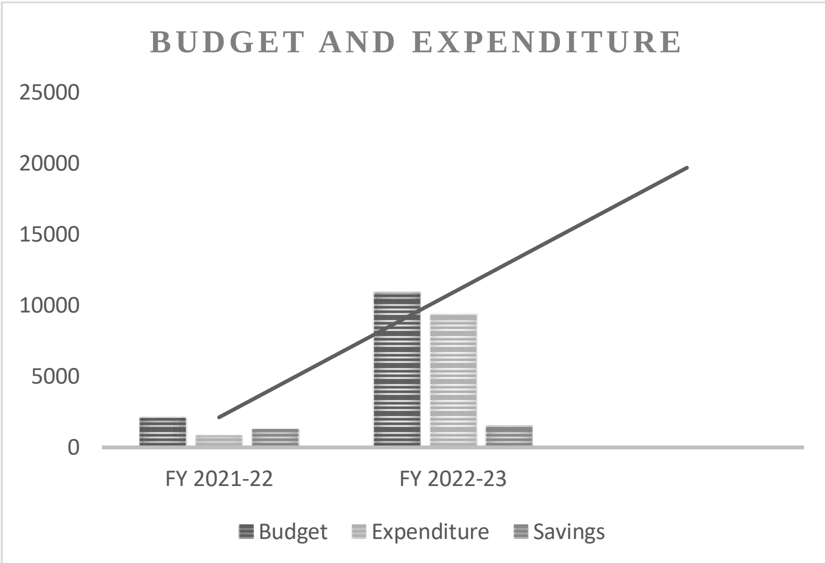
The detail of the total budget and expenditure of PDMA and DDMAs for Financial Year 2021-22 and 2022-23 is tabulated below:

(Rs. in million)

Financial Year	**Budget**	**Expenditure**	**Savings**
2021-22	2,120.381	823.250	1,297.131
2022-23	10895.9633	9362.301	1533.662

Source: budget and expenditure statements

Graphical representation of budget utilization and unspent balances is reflected in chart on next page.



The Provincial Disaster Management Authority (PDMA) Punjab specializes in mitigation, preparedness and an organized response to disasters. PDMA also acts as the coordinating authority, which articulates the coordination mechanism between key provincial departments. In case of emergencies, the PDMA works closely with District Governments to organize initial and subsequent assessment of disaster affected areas and determine the course of action to ensure long-term rehabilitation of the affected population. The District Disaster Management Authority is the district planning, coordinating and implementing body for disaster management in the district.

An overview of the activities of PDMA, Punjab indicates that the Agency mainly concentrated on post disaster activities once the disaster occurs. The focus on mitigation and disaster risk reduction measures to reduce the impact of disasters in the province was rather on a lower side. District Disaster Management Authorities are functioning in all district of Punjab headed by Deputy Commissioner, however no separate organizational setup of DDMA have been established in the province. No separate accounts of the funds received from PDMA are being maintained by Deputy Commissioners/DDMAs and it was not possible for audit to segregate the relief related expenditure incurred by Deputy Commissioners in the capacity of head of respective DDMAs.

Province of the Punjab witnessed unexpected exceptionally heavy rains during monsoon season 2022 which resulted floods in many areas of the Punjab.These exceptionally heavy rains caused flash flooding in hill torrents of DG Khan, Rajanpur and Mianwali districts of the Punjab. Four tehsils of Dera Ghazi Khan (DG Khan, Taunsa Sharif, Kot Chutta, Koh-e-Suleman), three (03) tehsils in district Rajanpur (Rajanpur, Jampur and Rojhan) and one tehsil in district Mianwali (Eisakhail) were affected badly. The Government of the Punjab declared these eight tehsils as calamity affected areas.

PDMA managed the disaster on war footing basis. On the directions of Chief Minister, Punjab, a bank account titled *"Chief Minister's Flood Relief Fund 2022" was opened*to receive donations for flood 2022.NDMA, also agreed to assist the province by making death compensation payments out of Federal funds in calamity affected areas.

PDMA upon directions of Provincial Cabinet, engaged Bank of Punjab (BoP) through Service Level Agreement for disbursement of house damaged and injured ex-gratia assistance to flood affectees after verification from NADRA. PDMA Punjab distributed the following relief items to the flood affectees 2022:

(Rs. in million)

Sr. No.	Item	Quantity	Amount
1	Food Hampers Procured	39,500	233.078
2	Food Hampers (donations)	2700	0
3	Tent	22,250	327.210
4	OBMs	60	26.466
5	Light Stands	100	14.340
6	Atta	6000	11.730
7	Mosquito Net	10,000	5.700
Total			**618.524**

In addition,PDMA expended an amount of Rs. 94.919 million to carry out Print & Electronic media campaign for general public to take precautionary measures to save the lives, cattle and houses etc. Further, PDMA spent an amount of Rs. 7,472.359 million on compensation payments in respect of injured and house damages affectees of flood 2022.

The Federal Government, throughNDMA also released cheques amounting to Rs. 130 million on account of death compensation to the legal heirs of flood 2022 affectees.These cheques were duly disbursed amongst the victims through Districts Administration.DDMAs also paiddeath and injured compensations and procured relief items during the financial year 2022-23 for flood 2022 affectees.

1.2 Classified Summary of Audit Observations

Audit observations amounting to Rs.11,587.072 million have been raised in this report ***pertaining to PDMA Punjab and 13DDMAs of district Lahore***, Faisalabad, Sahiwal, Gujranwala, Sargodha, Rawalpindi, Mianwali, Bahawalpur, Multan, Layyah, Muzaffargarh, Dera Ghazi Khan and Rajanpur.***Recoveries amounting to***Rs.170.085millionhave been ***pointed out in the auditobservations***. Summary of the audit observations classified by nature is as under:

Table-II Overview of Audit Observations

(Rs. in million)

Sr. No	Classification	Amount
1.	**Irregularities**	**2,290.848**
A	Procurement	1,089.150
B	HR / Internal Controls Weaknesses	1,201.698
2.	**Public Service Delivery / Performance**	**16.000**
3.	**Financial Management**	**9,280.224**

1.3 Brief Comments on the Status of Compliance with PAC Directives

The Directorate General Audit (CC&E) started auditing and reporting Disaster Management related departments of Punjab since financial year 2016-17. No Audit Report has been discussed in PAC meeting so far.

1.4 AUDIT PARAS

Procurement

1.4.1 Irregular expenditure on procurement of rescue and relief items-Rs. 389.290 million

According to Para 3 (o)(2)(d) of National Disaster Management Authority (NDMA) guidelines on stocking, maintenance and supply of relief & rescue items, the short listing of vendors must be done in every financial year. Each vendor may be categorized in short listing as Category A, B, C etc. based upon his capacity of manufacture / supply, as evidenced by respective production capacity / supply capacity, financial strength, past experience, quality of product etc. However, where respective government's procurement rules do not allow such an arrangement then concerned Disaster Management Authority should follow their respective government's procurement rules and regulations.

Provincial Disaster Management Authority (PDMA) Punjab incurred an expenditure amounting to Rs. 389.290 millionduring the financial year 2022-23 on various procurements madeon emergency basis without open competition. Details are attached at **Annexure-II**.

During audit of PDMA Punjab for the financial year 2022-23, it was observed as under:

i. Contrary to the guidelines, PDMA had not pre-qualified and short-listed the vendors for the financial year 2022-23through open tendering process. Due to prior non-pre-qualification, procurement in aftermath of flood 2022 was made under emergency rules without open competition and tendering process.

ii. PDMA earlier in a procurement committee meeting held on 30.03.2022, had decided to pre-qualify firms for various items. However, despite the decision, prequalification of suppliers was not carried out resulting in procurements through quotations method without resorting to open competition for obtaining competitive and most economical rates.

Audit held that procurement made in violation of rules and guidelines resulted in non-transparent and irregular procurement.

Initial audit observation was issued on 03.08.2023. The management replied thatSMBR/Relief Commissioner, Punjab, being competent authority invoked emergency clause under Section 59 of PPRA Rules 2014.

The reply of the management was not satisfactory as procurement was made in violation of rules and guidelines.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto provide complete relevant record to audit for verification.

The record was not provided till finalization of this report.

Audit recommends that PDMA may strictly follow the notified guidelines and ensure prequalification of suppliers so as to obtain most economical and competitive rates for procurement of relief items.

(Para No. 25 of AIR 2022-23 PDMA Punjab)

1.4.2 Irregular procurement of relief items from non-prequalified vendors-Rs.309.011million

According to Para 3 (o)(2)(d) of National Disaster Management Authority (NDMA) guidelines on stocking, maintenance and supply of relief & rescue items, short listing of vendors must be done in every financial year. Each vendor may be categorized in short listing as Category A, B, C etc. based upon his capacity of manufacture / supply, as evidenced by respective production capacity / supply capacity, financial strength, past experience, quality of product etc.

Further, according to Rule 55 of Punjab Procurement Rules 2014, the bidder with the lowest evaluated bid, if not in conflict with any other law, shall be awarded the procurement contract.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Rajanpur prequalified a bidder “M/s New Fresh Well Traders, Rajanpur” on 09.06.2022 for procurement of relief items during the financial year 2022-23. DDMA expended an amount of Rs. 326.065 million on procurement of relief items from different vendors in the aftermath of flood 2022 out of which procurement of Rs. 309.011 million was made from different non-prequalified vendors. Details are attached at **Annexure-III.**

During audit of DDMA/DC Rajanpur for the financial year 2022-2023 it was observed as under:

i. DDMA procured relief items fromnon-prequalified firms instead of the prequalified firm “M/s New Fresh Well Traders, Rajanpur”.

ii. The management during discussion held that relief items were not procured from “M/s New Fresh Well Traders, Rajanpurdue to inability of prequalified supplier to provide items. However, record related to issuance of work orders to prequalified vendor for different items and regret on part of the vendor was not available/provided.

iii. The documents regarding selection of subsequent vendors i.e., quotations, comparative statement, negotiations with vendors, requirement of relief items, approvals of competent authority were not available on record.

iv. Procurement from remaining vendors despite availability of prequalified firm and M/s Sandhu Brothers who agreed to supply on prequalified firm’s agreed rates was irregular.

v. Emergency/urgency was not invoked and notified by DDMA.

vi. The officers in category II and III were authorized to sanction expenditure against the detail objects in the budget estimates not exceeding the limit of Rs. 2 million and 1.5 million respectively. Hence, sanction of amount beyond the delegated financial powers was irregular.

Audit held that procurement from non-prequalified suppliers/vendors despite availability of prequalified firms was irregular and contrary to the rules and guidelines which led the whole prequalification process wasteful and resulted in loss to the public exchequer.

Initial audit observation was issued on 16.09.2023. The management replied that prequalified vendor regretted to continue his services due to delayed payments and cumbersome verification process.

The reply of the management was not satisfactory as procurement was made in violation of rules.

DAC meeting was held on 22nd to 24th November, 2023. The forum directed DDMA to provide complete relevant record to audit for verification. However, the relevant record was not provided till finalization of this report.

Audit recommends that management may fix responsibility on the person(s) at fault.

(Para No. 1 of AIR 2022-23 DDMA Rajanpur)

1.4.3 Irregular procurement of relief items for affectees of flood 2022- Rs. 162.767 million

According to Rule 14 of Punjab Procurement Rules 2014, the response time shall not be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.

Further, according to Rule 59 of Punjab Procurement Rules 2014, a procuring agency may engage in negotiated tendering with one or more contractors with or without prior publication of a procurement notification, for reasons of extreme urgency brought about by events unforeseeable by the procuring agency, the time limits laid down for open and limited bidding methods cannot be met, however, the circumstances invoked to justify extreme urgency must not be attributable to the procuring agency.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Dera Ghazi (DG) floated a tender in daily “Ausaf” on 30.06.2022 for prequalification of vendors for procurement of relief items for the financial year 2022-23. The last date for submission of bids was 05.07.2022. Later on, the procurement of relief items in the aftermath of flood 2022 amounting to Rs. 162.767 million was made on emergency basis without prequalification process. Details are attached at **Annexure-IV**.

During audit of DDMA/DC Dera Ghazi Khan for the financial year 2022-2023, it was observed as under:

i. The record relating to issuance and submission of bid documents was not available.

ii. Procurement amounting to Rs. 162.767 million was made without prequalification and without open competitive bidding process

iii. The advertisement was neitherpublished in one English newspaper noruploaded on PPRA website. Only 6 days response time was given for preparation and submission of bids.

iv. Urgency was invoked by the DC under Rule 59 (d) of PPRA in which negotiation was required to be made with one or more contractors. However, direct contracting was made by obtaining one quotation. The record regarding obtaining at least three quotations for each item and negotiation with vendors was not available/provided.

v. The officers in category II and III could sanction expenditure against the detailed objects in the budget estimates not exceeding the limit of Rs. 2 million and 1.5 million respectively. Hence, sanction of amount beyond the delegated financial powers was irregular.

Audit held that procurement was made in violation of PPRA rules which stands irregular and unjustified.

Initial audit observation was issued on 09.09.2023. The management replied thatBoard of Revenue Government of the Punjabdeclared 4 tehsils of the DG Khan District as Calamity Affected Areasdue to severe flood emergency.Hence, all procurements were made in emergency situation.

The reply of the management was not satisfactory as procurement was made in violation of rules and guidelines.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedDDMA to refer the matter to Finance Department Punjab for regularization as per rules.

Audit recommends to implement the DAC decision.

(Para No. 3 of AIR 2022-23 DDMA DG Khan)

1.4.4 Irregular procurement of food hampers for flood affectees 2022- Rs. 49.650 million

According to Para 3 (o)(2)(d) of National Disaster Management Authority (NDMA) guidelines on stocking, maintenance and supply of relief & rescue items, short listing of vendors must be done in every financial year. Each vendor may be categorized in short listing as Category A, B, C etc. based upon his capacity of manufacture / supply, as evidenced by respective production capacity / supply capacity, financial strength, past experience, quality of product etc. However, where respective government's procurement rules do not allow such an arrangement then concerned Disaster Management Authority should follow their respective government's procurement rules and regulations.

Further, according to Rule 55 of Punjab Procurement Rules 2014, the bidder with the lowest evaluated bid, if not in conflict with any other law, shall be awarded the procurement contract.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Rajanpur paid an amount of Rs. 49.650 million to M/s Green Land Multan for procurement of 10,000 food hampers in the aftermath of flood 2022.

During audit of DDMA/DC Rajanpur for the financial year 2022-2023, it was observed that the supplier M/s Green Land Multan was neither selected nor work order was issued to the supplier by DDMA Rajanpur. It was mentioned on record that bill was received from Commissioner office Multan and vendor was hired by DC Multan upon the direction of senior officers. However, the record related to selection process of the supplierwasneither provided by

DDMA Rajanpur nor by DDMA Multan. Further, demand/requisition of food hampers by DDMA Rajanpur from Commissioner/ DC Multan was also not available/provided.

Audit held that procurement was made in violation of PPRA rules which stands irregular and unjustified.

Initial audit observation was issued on 16.09.2023. The management replied that worthy Chief Secretary Punjab telephonically directed the Commissioner Multan Division to procure food hampers and send to the DC Rajanpur immediately for distribution among the flood affectees. Procurement process was completed by DC Multan.

The reply of the management was not satisfactory as procurement was made in violation of rules and guidelines.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto provide the complete relevant procurement record to audit for verification.

The relevant record was not provided till finalization of this report.

Audit recommends that management may fix responsibility on the person(s) at faultbesides taking corrective measures.

(Para No. 3 of AIR 2022-23 DDMA Rajanpur)

1.4.5 Irregular award of contract of food hampers- Rs. 47.270 million

According bid evaluation criteria, 30marks were fixed for packing capability. The packing capability of the bidder would be evaluated by number of relevant warehouses owned or leased by the bidder. The committee will visit the identified place for verification. 40 marks were fixed for the relevant experience of the bidder for similar nature projects (preferably provision of food hampers/food) undertaken with public and renowned SECP registered private entities for last three years.

Further, according to clause 9.1and 18.1.3 of the bidding document tender security will be 5 % of the financial bid in shape of demand draft/CDR from AA rating bank. The successful bidder shall submit performance guarantee equal to 10 % of the contract value issued by AA rating scheduled bank.

Provincial Disaster Management Authority (PDMA) Punjab awarded a contract to M/s Global Associates for provision of food hampers and incurred an expenditure amounting toRs. 47.270 million during FY 2022-23.

During audit of PDMA Punjab for the financial year 2022-23, it was observed as under:

i. The tender was uploaded on 19.07.2022 and the bidder attached a copy of lease agreement for warehouse which was signed on 30.07.2022 w.e.f. 01.08.2022. This revealed that the agreement was signed after the publishing of tender only to fulfill the bidding requirements. However, 20 marks were awarded for warehouses and packing capability without physical verification of the warehouse as required in the bidding document.

ii. 37.5 marks given for relevant past experience were not in line with the relevant experience record provided by the bidder. Further, SECP registration was not checked with regard to projects undertaken with private firms. Moreover, only work orders were considered for past experience without obtaining and confirmation of evidence of successful completion of the claimed contracts/projects.

iii. The tender security equivalent to 5% of financial bid and performance guarantee equivalent to 10 % of the contract price were not obtained from the suppliers.

Audit held thatprocurement inviolation of ruleswas irregular.

Initial audit observation was issued on 03.08.2023.The management replied that award of contract for provision of food hampers was made after fulfilling all codalformalities.

The reply was not acceptable as audit observations were not addressed.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedthe management to submit revised reply and provide complete relevant record to audit for verification.

The relevant record was not provided till finalization of this report.

Audit recommends that the matter may be probed and responsibility be fixed on the person (s) at fault.

(Para No. 17 of AIR 2022-23 PDMA Punjab)

1.4.6 Mis- procurement of relief items- Rs. 33.257 million

According to Rule 12(2) of Punjab Procurement Rules 2014, any procurement exceeding two million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Layyah floated a tender in a newspaper daily “Dunya” on 17.05.2022 for prequalification of vendors for the financial year 2022-23 for procurement of food hampers and cooked food. Accordingly, DDMA selected M/s Mahmood Traders being the lowest evaluated bidder and incurred expenditure of Rs. 33.257 million on procurement of food hampers and cooked food. Details are at as under:

(Rs. in million)

Sr. No.	Items	Amount
1	Food hampers	10.304
2	Cooked food	22.953
Total		**33.257**

During audit of DDMA/DC Layyah for the financial year 2022-2023, it was observed as under:

i. The tender was neither floated in one English newspaper nor uploaded on PPRA website.

ii. The officers in Category II and III could sanction expenditure against the detailed objects in the budget estimates not exceeding the limit of Rs. 2 million and 1.5 million respectively. Hence, sanction of expenditure beyond the delegated powers was irregular.

Audit held that procurement was made in violation of PPRA rules which stands irregular and unjustified.

Initial audit observation was issued on 24.08.2023. The management replied that tender was published in Newspapers through DG Public Relations (PR), Punjab.

The reply of the management was not satisfactory as procurement was made in violation of rules.

DAC meeting was held on22nd to 24th November, 2023. The forumdirected to refer the matter to Finance department for regularization with regard to PPRA violation and for clarification with regard to sanctioning of expenditure beyond the financial powers.

Audit recommends implementation of the DAC decision.

(Para No. 3 of AIR 2022-23 DDMA Layyah)

1.4.7 Loss due to procurement at higher rates- Rs. 29.996 million

According to Para 3 (o)(2)(d) of National Disaster Management Authority (NDMA) guidelines on stocking, maintenance and supply of relief & rescue items, short listing of vendors must be done in every financial year. Each vendor may be categorized in short listing as Category A, B, C etc. based upon his capacity of manufacture / supply.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Rajanpur incurred an expenditure amounting to Rs. 250.474 million on procurement of relief items food from different vendors in the aftermath of flood 2022. The DDMA had prequalified a bidder “M/s New Fresh Well Traders, Rajanpur”for procurement of relief items during the financial year 2022-23.

During audit of DDMA/DC Rajanpur for the financial year 2022-2023, it was observed that the prequalified bidder M/s New Fresh Well Traders, Rajanpur supplied 3500 food hampers and cooked food at agreed rates. Later on, another vendor “M/s Sandhu Brothers Sadiqabad” also agreed to supply the food hampers, cooked foodand vehicles at the same rates and had supplied 6000 ordered food hampers and first consignment of cooked food and vehicleson agreed rates.However, subsequently, some food hampers, cooked foodand vehicles were procured/hired from M/s Sandhu Brothers Sadiqabad and other vendors at higher rates as compared to the pre-qualified rates which resulted in loss of Rs.29.996 million. Details are at **Annexure-V.**

Audit held that procurement at higher rates resulted in loss of Rs. 29.996 million to the government.

Initial audit observations were issued on 16.09.2023. The management replied that prequalified vendor regretted to continue his contract at the peak of the flood season. Hence, M/S Sandhu Brothers was hired. Food hampers were procured and prepared according to the specifications.

The reply of the management was not satisfactory as procurement was made at higher rates as compared to the rates finalized after the prequalification process.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto provide the relevant record that procurement form other vendors was not made at higher rates than prequalified vendors. However, relevant record was not provided till finalization of this report.

Audit recommends that management may inquire the matter to fix the responsibility and make the loss good.

(Para No. 4, 5, 7 of AIR 2022-23 DDMA Rajanpur)

1.4.8 Irregular procurement of ‘light stands’ by PDMA- Rs. 14.340 million

According to Rule 12 of Punjab Procurement Rules 2014, any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

Further, according to bid evaluation criteria, 50 marks were fixed for financial soundness and 50 were fixed for relevant experience.Clause 3 of Special Conditions of Contact provides that successful bidder shall submit performance guarantee equal to 10 % of the contract value from a scheduled bank on the prescribed format.

Provincial Disaster Management Authority (PDMA) Punjab awarded a contract to M/s Solution Links for provision of light stands and incurred an expenditure amounting to Rs. 14.340 million during FY 2022-23.

During audit of PDMA Punjab for the financial year 2022-23, it was observed as under:

i. The advertisement was published in a regional Urdu newspaper paper “The Leader” instead of a national daily newspaper and was also not published in one English newspaper as required under the rules.

ii. The technical committee incorrectly evaluated the bids and assigned 40 marks for financial soundness and 60 for relevant experience instead of 50-50 marksspecifiedin bid evaluation criteria.

iii. Performance guarantee equivalent to 10 % of the contract price was not obtained.

iv. The management procured the item ‘lightstands’in August 2022, however, the same were laying in PDMA unutilizedstore till 30th June, 2023.

Audit held that procurement was made in violation of PPRA rules and bid evaluation criteria which stands irregular and unjustified.

Initial audit observation was issued on 03.08.2023. The management replied thatperformance guarantee should not exceed 10% as per the rule 56 of PPRA. Therefore, PDMA demanded 2% performance guarantee which was deposited by the vendor.Light stands are deployed as per requirement for emergency operation with the approval of competent authority.

The reply of the management was not satisfactory as evaluation criteria was changed after issuance of bidding documents which led to favor to the selected bidder. Further, performance guarantee was also not obtained as required under the contract.

DAC meeting was held on 22nd to 24th November, 2023. The forumdirectedthe management to refer the matter to Finance Department Punjab for regularization as per rules.

Audit recommends that inquiry proceeding may be initiated to fix the responsibility for the lapses and violations, besides necessary correction action.

(Para No. 18 of AIR 2022-23 PDMA Punjab)

1.4.9 Mis-procurement of relief items for flood relief 2022- Rs. 13.185 million

According to Rule 14 of Punjab Procurement Rules 2014, the response time shall not be less than fifteen days for national competitive bidding and thirty days for international competitive bidding from the date of publication of advertisement or notice.

Further, according to bidding documents, single stage two envelope procedure will be adopted. The procuring agency shall evaluate the technical bid in a manner prescribed in advance, without reference to the price.

District Disaster Management Authority (DDMA) / Deputy Commissioner (DC) Mianwali floated tender in daily "Nawa-e-Waqt" dated 01.06.2022 for pre-qualification of vendors for procurement of relief items. The last date for submission of bids was 06.06.2022. The date was enhanced upto 22.06.2022 through a corrigendum.Accordingly, procurement of Rs. 13.185 million was made during the financial year 2022-23.

During audit of DDMA/DC Mianwali for the financial year 2022-2023, it was observed as under:

i. The tender was neither floated in one English newspaper nor uploaded on PPRA website as required under the rules.
ii. The corrigendum was not published in any newspaper. Hence, response time was less than 15 days.
iii. As per technical bid evaluation sheets, M/s Pakistan Traders secured 51 % weighted marks, M/s SM Traders secured 52.5% marks and M/s Shama Traders secured 54.75 % marks. However, bid evaluation criteria, method of marking and qualifying marks was not prescribed in the bidding documents, hence irregular.
iv. The officers in Category II and III could sanction expenditure against the detailed objects in the budget estimates not exceeding the limit of Rs. 2 million and 1.5 million respectively. Hence, sanction of amount beyond delegated powers was irregular.

Audit held that procurement was made in violation of PPRA rules which was mis-procurement and hence irregular.

Initial audit observation was issued on 18.08.2023. The management replied that tender and corrigendum were published in all newspapers.

The reply of the management was not satisfactory as the evidence was not provided. Moreover, the DDMA did not responded on the other observations in the para.

DAC meeting was held from22nd to 24th November, 2023. The forumdirected PDMA/DDMA to provide complete relevant record to audit for verification. However, the relevant record was not provided till finalization of this report.

Audit recommends that inquiry proceeding may be initiated to fix the responsibility for the lapses. Moreover, sanction may be obtained from the prescribed authority.

(Para No. 5 of AIR 2022-23 DDMA Mianwali)

1.4.10 Irregular procurement of animal feed/ wanda and undue favor to the vendors-Rs. 9.953 million

According to Rule 13 of Punjab Procurement Rules 2014, any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

Further, according to Live Stock and Dairy Development Department Punjab letter dated 15.08.2022 and Buffalo Research Institute notification dated 14.07.2022, all the Deputy Commissioners in Punjab were directed to procure the wanda from M/s ICI Pakistan ltd. selected for production and supply of Anmol wanda for flood effected areas throughout Punjab during the financial year 2022-23.

District Disaster Management Authority (DDMA) / Deputy Commissioner (DC) Rajanpurand Mianwali incurred an expenditure amounting to Rs. 9.953 million on procurement of animal wanda and feed from different suppliers during the financial year 2022-23 in the aftermath of flood 2022. Details are at **Annexure-VI.**

During audit of DDMA/DC Rajanpur and Mianwalifor the financial year 2022-23, it was observed that Live Stock and Dairy Development Department Punjab directed to procure wanda from M/s ICI Pakistan Ltd. selected for production and supply of Anmol wanda for flood effected areas throughout Punjab. However, the DDMA made procurement from other vendors. Further, procurement was made through quotation basis instead of open competitive bidding in violation of PPRA Rules

Audit held that procurement in violation of PPRA rules and instructions resulted in undue favour to the contractors**.**

Initial audit observations were issued in the month of August and September, 2023. The management replied that order was placed to ICI Pakistan which was to be received after a certain time period. Due to urgency of the situation, some wanda was locally purchased.

The reply of the management was not satisfactory as procurement was made in violation of rules.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedand directed PDMA/DDMA to provide complete relevant record to audit for verification. However, the relevant record was not provided till finalization of the report.

Audit recommends that management may fix responsibility besides initiating corrective measures.

(Para No. 13, 6 of AIR 2022-23 DDMA Rajanpur, Mianwali)

1.4.11 Irregular hiring of services of District Disaster Management Coordinators-Rs. 9.758 million

According to Rule 2(ab) of Punjab Procurement Rules 2014, short consultancy means consultancy where the cost of consultancy does not exceed two million rupees for individual consultant and five million rupees for consulting firms and duration of the short consultancies for an individual consultant shall not exceed six months.

Further, according to Rule 40 of Punjab Procurement Rules 2014, every procuring agency, for the selection of consultant, except for short consultancies, shall set up a Consultant Selection Committee.

District Disaster Management Authorities (DDMAs) of District Multan, Muzaffargarh, Layyah and Gujranwala hired individual consultants as District Disaster Management Coordinators (DDMC) for initial period of six monthsextended for another period of 6 months and paid an amount of Rs. 9.758 million. Details are at **Annexure-VII**.

During audit of DDMAs/ DCs of district Multan, Muzaffargarh, Layyah and Gujranwala for the financial year 2022-2023, it was observed as under:

i. The sanctioned posts and requirements of DDMCs were not available on record.
ii. Consultant Selection Committee comprising nominees of the Planning and Development Department and Finance Department was not constituted for hiring of consultant and no technical and financial evaluation was carried out for selection of the consultants.
iii. The individuals were hired directly without any advertisement and competition process.
iv. TORs and cost estimates for the assignments were not formulated.
v. Qualification and experience requirements were not pre-defined and checked.
vi. The completion of deliverables report was not prepared and submitted by the consultant and checked by any authority before making payment.

Audit held that appointments/hiring in violation of rules and procedures stands irregular.

Initial audit observation was issued in the month of August and September, 2023. The management replied that PDMA, Punjab Lahore had instructed DDMAs for selection of suitable candidate as individual/consultants.

The reply of the management was not satisfactory as consultancy services were hired in violation of rules.

DAC meeting was held on 22nd to 24th November, 2023. The forum directed to refer the matter to Finance Department for regularization as per rules.

Audit recommends implementation of DAC decision.

(Para No. 4, 7, 4, 4 of AIR 2022-23 DDMA Multan, Muzaffargarh, Layyah, Gujranwala)

1.4.12 Irregular hiring of consultants- Rs. 7.852 million

According to Rule 4 of Punjab Procurement Rules 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

Provincial Disaster Management Authority (PDMA) Punjab appointed 08 different consultants under the regular budget head "payment to others for services rendered" and paid an amount of 7.852 million during the financial year 2022-23.

During audit of PDMA Punjab for the financial year 2022-23, it was observed as under

i. The requirement of various consultants was not got approved from the Principal Accounting Officer.

ii. Consultant Selection Committee comprising representatives of Planning and Development Department and Finance Department was not constituted and technical and financial evaluations were not made.

iii. TORs and cost estimates for the assignmentswere notprepared and got approved. Moreover, qualification and experience requirements were not pre-defined and checked.

iv. The completion of deliverables report was not prepared and submitted by the consultant and checked by any authority before making payment.Consultant wise specific discrepancies observed are placed at **Annexure-VIII.**

Audit held that hiring of consultant in violation of PPRA rules and procedures was irregular.

Initial audit observation was issued on 03.08.2023. The management replied that all the consultants were de-hired in the light of audit observation.

The reply of the management was not satisfactory as the hiring was made in violation of rules.

DAC meeting was held on 22nd to 24th November, 2023. The forum directed to refer the matter to Finance Department for regularization as per rules.

Audit recommends implementation of the DAC decision.

(Para No. 28 of AIR 2022-23 PDMA Punjab)

1.4.13 Discrepancies observed in hiring of transportation services- Rs.7.840 million

According to Rule 12 of Punjab Procurement Rules 2014, any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

Further, according to Para 3 (o)(2)(d) of National Disaster Management Authority (NDMA) guidelines on stocking, maintenance and supply of relief & rescue items, short listing of vendors must be done in every financial year. Each vendor may be categorized in short listing as Category A, B, C etc. based upon his capacity of manufacture / supply.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC)Multan paid an amount of Rs.7.840 million to M/s Khan Motors Workshop on account of hiring of vehicles for transportation of relief goods to district Rajanpur during the financial year2022-23.

During audit of DDMA/DC Multan for the financial year 2022-2023, it was observed as under:

i. The transportation services were hired by Secretary Regional Transport Authority (RTA) Multan on quotation basis instead of open competitive bidding. Further, copies of work order and agreement with the vendor were not available on record.

ii. Payment was made by DC office directly to the vendor instead of release to RTA. Further, payment was required to be made by RTA instead of DDMA.

iii. DDMA Multan had not procured any relief items, hence, expenditure on transportation of relief goods to district Rajanpur was not justified.

iv. The type of vehicle was neither mentioned on the quotations nor on the invoices. Dates were also not mentioned on quotations and bill/invoices and GST/PST invoices were also not issued by the vendor.

v. The details of items transported, place of loading/unloading, distance covered, delivery challan/receipts of stock items and rate per Kilometerwere not mentioned.

vi. Stamp duty @ 0.25% amounting to Rs. 19,600 was not deducted from the vendor.

Audit held that procurement was made in violation of PPRA rules which was unjustified.Besides, the authenticity of expenditure could not be confirmed due to non-availability of record.

Initial audit observation was issued on 31.08.2023. The management replied thathiring of transportation services was made in urgency by invoking emergency clauseunder clause 59 d(iii) of PPRA Rules.

The reply of the management was not satisfactory as procurement was made in violation of rules.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto submit revised reply and provide relevant documents to audit for verification. However, relevant record was not provided to audit till finalization of this report.

Audit recommends the implementation of DAC decision.

(Para No. 5 of AIR 2022-23 DDMA Multan)

1.4.14 Irregular procurement of relief items for flood affectees- Rs. 4.974 million

According to Para 3 (o)(2)(d) of National Disaster Management Authority (NDMA) guidelines on stocking, maintenance and supply of relief & rescue items, short listing of vendors must be done in every financial year. Each vendor may be categorized in short listing as Category A, B, C etc. based upon his capacity of manufacture / supply, as evidenced by respective production capacity / supply capacity, financial strength, past experience, quality of product etc.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Bahawalpur incurred an expenditure amounting to Rs.4.974 million for relief activities related to heatwave and drought situation in Cholistan desert during the financial year 2021-22. The procurement was made on emergency/urgency basis through quotations. Details are as under:

(Rs. in million)

Sr. No.	Name of Vendor/supplier	Particulars	Amount
1	M/s Zulqurnain Traders	Provision of cook food, hiring to tentage and purchase of water tanks, drinking water and panaflexes	3.006

2	M/s Zulqurnain Traders	Cooked food for officials, water tanks and drinking water	1.167
3	M/s Bilal trader	Repair of machinery and vehicles	0.046
4	M/s Ulfat Petroleum Yazman	Provision of POL	0.755
Total			**4.974**

During audit of DDMA/DC Bahawalpur for the financial year 2021-2023, it was observed that prequalification process was not done as required and procurements was made on urgency basis without open competitive bidding process. Further, approval regarding invoking urgency/emergency was not granted by the Principal Accounting Officer/ Senior Member Board of Revenue.

Audit held that procurement made in violation of rules was irregular resulting in loss to Government.

Initial audit observation was issued on 19.09.2023. The management replied that procurement was made on emergency basis to make arrangements for drought situation in Cholistan and DCbeing DDO was competent to invoke the urgency / emergency.

The reply of the management was not satisfactory as prequalification was not done as required. Further, emergency was not invoked by the competent authority.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto provide complete record to audit for verification. However, the relevant record was not provided till finalization of this report.

Audit recommends implementation of DAC decision.

(Para No. 1 of AIR 2022-23 DDMA Bahawalpur)

1.4.15 Irregular procurement of tents- Rs. 4.931 million

According to Rule 9 of Punjab Procurement Rules 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned.

Further, according to Para 3 (o)(2)(d) of National Disaster Management Authority (NDMA) guidelines on stocking, maintenance and supply of relief & rescue items, short listing of vendors must be done in every financial year. Each vendor may be categorized in short listing as Category A, B, C etc. based upon his capacity of manufacture / supply.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Muzaffargarh incurred an expenditure amounting to Rs. 4.931 million on procurement of 425 tents for flood 2022 affectees during the financial year 2022-23 on quotation basis. Details are as under:

(Rs. in million)

Sr. No.	Name of vendor	Amount
1	M/s Imran Hamid & Company	2.198
2	M/s Ahsan Enterprises	1.313
3	M/s Executive Marquee	1.420
Total		**4.931**

During audit of DDMA/DC Muzaffargarh for the financial year 2022-2023 it was observed as under:

i. The annual planning and prequalification were not made in violation of PPRA Rules and NDMA guidelines.

ii. DDMA floated a tender in the newspaper on 20.05.2022 for prequalification of vendors for relief items for the financial year 2022-23, however, tents were not included in the tendering process and procured on quotation basis instead of open competitive bidding.

iii. PDMA was required to arrange the tents for DDMA either from its warehouse or from non-flood affected DDMAs/ Districts of Punjab. Hence, procurement of tents by DDMA Muzaffargarh was not justified.

Audit held that procurement was made in violation of PPRA rules and NDMA guidelines which stands irregular and unjustified.

Initial audit observation was issued on 26.08.2023. The management replied thatprocurement was made in light of the directions of SMBR / Relief Commissioner, to avoid any untoward situation during flood.

The reply of the management was not satisfactory as procurement was made in violation of rules.

DAC meeting was held on22nd to 24th November, 2023. The forumdirected DDMA to refer the matter to Finance Department for regularization as per rules.

Audit recommends implementation of DAC decision.

(Para No. 3 of AIR 2022-23 DDMA Muzaffargarh)

1.4.16 Mis-procurement on account of printing and publication- Rs. 2.076 million

According to Rule 12(2) of Punjab Procurement Rules 2014, any procurement exceeding two million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

Provincial Disaster Management Authority (PDMA) Punjab incurred an expenditure amounting to Rs. 2.076 million on account of printing and publication during the financial year 2022-23. PDMA requested Government Printing Press, Lahore for printing work. The Press refused to undertake the job due to other urgent work of various government departments and non-availability of scanning system and classified printing facility. The Printing Press Department recommended M/s Arshad Enterprises along with rates. PDMA accordingly issued work order to the supplier/printer.

During audit of PDMA Punjab for the financial year 2022-23, it was observed that the Printing Press Department instead of giving Non-Objection Certificate (NOC), recommended a private vendor M/s Arshad Enterprises along with rates. PDMA was required to proceed for printing work as per PPRArules through open competitive bidding instead of direct contracting with private vendor.

Audit held that procurement in violation of PPRA rules resulted in undue favor to the contractor**.**

Initial audit observation was issued on 03.08.2023. The management replied thatprinting and publication work of the PDMA was assigned/requested to Government Printing Press. Government Press regretted due to rush ofwork and recommended a private firm having best printing capabilities.

The reply of the management was not satisfactory as printing work was done in violation of procurement rules.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedPDMA to refer the matter to Finance Department Punjab for regularization as per rules.

Audit recommends implementation of the DAC decision.

(Para No. 8 of AIR 2022-23 PDMA Punjab)

HR / Internal Controls Weaknesses

1.4.17 Non-reconciliation of releases and relief items provided toDDMAs- Rs. 1,164.545 million

According to Para 3 (w) of National Disaster Management Authority (NDMA) guidelines on stocking, maintenance and supply of relief & rescue items, on closure of relief camps, if possible, all usable relief equipment / stores i.e. tents, generators, de watering pumps etc. may be retrieved, serviced, maintained and stored back for future use. The tents and shelters issued to individuals residing outside relief camps may preferably be taken back. Proper record should be maintained so that the household should not be given tents repeatedly in subsequent years. Similarly, in case the PDMAs/SDMA/GBDMA/FDMA have to return certain rescue and relief stores to NDMA, the collection point and time frame will be intimated through a letter from NDMA according to the ground situation.

Provincial Disaster Management Authority (PDMA) Punjab transferred an amount of Rs. 1,164.545 million to District Disaster Management Authorities (DDMAs) in Punjab during the financial year 2022-23. Further, various relief goods / items were also transferred to the DDMAs. Details are at **Annexure-IX.**

During audit of PDMA Punjab for the FY 2022-23, it was observed that reconciliation of released amount along with relief items issued to DDMAs was not carried out. PDMA released funds to different districts on lump-sum basis without any need assessment and without obtaining their demands. Further, the expenditure statements, details of expenditure and details of relief assets received and purchased were not obtained from the DDMAs.

Audit held that in the absence of reconciliation and tracking of funds and relief items, the PDMA was not in a position to review the expenditure incurred by DDMAs as well as items distributed among the affectees.

Initial audit observation was issued on 03.08.2023. The management replied that reconciliationwas carried out with DDMAs.

The reply of the management was not satisfactory as documentary evidence in support of reply was not provided.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedPDMA to carry out complete reconciliation and report/record be shared with audit authorities. However, the relevant record was not provided to audit for verification till finalization of this report.

Audit recommends implementation of the DAC decision.

(Para No. 33 of AIR 2022-23 PDMA Punjab)

1.4.18 Un-verifiable distribution of relief items among the flood affectees 2022-Rs. 439.231 million

According to Rule 15.4(a) and 15.5 of Punjab Financial Rules, Volume-I, all materials received should be examined, counted, measured and weighed, as a case may be, when delivery is taken and they should be kept in charge of a responsible Government servant. The receiving Government servant should also be required to give a certificate that he has actually received the materials and recorded them in his appropriate stock registers. When materials are issued a written acknowledgement should be obtained from the person to whom they are ordered to be delivered or dispatched and when materials are issued from stock for departmental use, manufacture or sale, etc., the Government servant in charge of the stores should see that an indent in PFR Form 26 has been made by a properly authorized person.

District Disaster Management Authorities (DDMAs) of District Mianwali, Layyah, Muzaffargarh, Dera Ghazi Khan and Rajanpur incurred an expenditureamounting toRs. 439.231 million during the financial year 2022-23 on procurement of food hampers, cooked food and animal wanda/feed for the flood affectees in the aftermath of flood 2022. Details are at **Annexure-X**.

During audit of above mentioned DDMAs/DCs for the financial year 2022-23, it was observed that the relief items were procured and consumed/distributedwithout maintaining proper consumption record. The date wise consumption record of the items supplied at rescue centers and other affected individuals was not maintained and produced to audit team.

It was further observed that camp wise record of affectees' in/out on daily basis duly verified by official deputed on camps was not maintained and linked with distribution/consumption of cooked food and food hampers. Animal feed/ wanda requirement of each person as per number of animals was also not available on record. Similarly,different items were received from various organizations and distributed among affectees, however, distribution record of these items was also not maintained. Details are at**Annexure-XI**.

Audit held thatnon-maintenance of consumption and distributionrecord of the costly relief items was not justified andpossibility of misuse, wastage and loss of relief items could not be ruled out. This also led to unverifiable distribution of relief items.

Initial audit observations were issued in the month of August and September, 2023. The management replied that record of consumption was maintained as per policy.

The reply of the management was not satisfactory as consumption and distribution of relief items to the affectees was not verifiable due to non-maintenance of supporting record.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedDDMA to constitute a two-member committee to check and verify the consumption record to be properly linked with the expenditure in line with audit observation. The committee will prepare the report and recommendations. The report will be shared with audit authorities along with consumption record duly linked with the incurred expenditure.

Audit recommends implementation of the DAC decision.

(Para No. 7,5,5,7,11 of AIR 2022-23 DDMA Mianwali, Layyah, Muzaffargarh, Dera Ghazi Khan and Rajanpur)

1.4.19 Irregular expenditure incurred out of Provincial Disaster Management Fund- Rs. 231.273 million

According to Section 30 of National Disaster Management Act 2010, the Provincial Government shall, immediately establish for the purposes of this Act a fund to be call the Provincial Disaster Management Fund (PDMF). The PDMF shall be administered by the Provincial Authority towards meeting the expense for emergency preparedness, response, mitigation, relief and reconstruction in the province. According to Section 47 of the Act ibid, the Federal Government and Provincial Government may, by notification in the official gazette, make rules for carrying out the purposes of this Act.

Further, according to Para 14.2.3 of Accounting Policies and Procedures Manual (APPM), no authority shall incur expenditure from the public account unless it is sanctioned under the governing act, order or the regulation for the particular trust account or special deposit account.

Provincial Disaster Management Authority (PDMA) Punjab incurred an expenditure amounting to Rs. 231.273 million out of Punjab Provincial Disaster Management Fund account during the financial year 2022-23.

During audit of PDMA Punjab for the financial year 2022-23, it was observed that PDMA established PDMF in 2019 with the approval of Finance Department. However, accounting procedures and rules/regulations to operate the Fund Account were not formulated. Hence, incurrence of expenditure in the absence of approved accounting procedures and rules/regulations was irregular.

Audit further observed that all of Authority's operational expenditure was being met out of Punjab Government's annual budgetary allocation through its assigned cost center and Aasan Assignment Account. The PDMA unauthorizedly incurred expenditure from PDMF, on those heads of accounts for which regular budget was already provided. An expenditure of Rs. 28.835 million was incurred under the head of "Food" out of NDMF, whereas, regular budget of Rs. 45.355 million under this head was lapsed. Similarly, expenditure of Rs. 195.891 million was incurred under the head of “Cost of other stores” out of NDMF, whereas, regular budget of Rs. 41.984 million under this head was lapsed.

Audit held that incurrence of expenditure out of PDMF without having accounting procedure/rules/regulationsand use of Fund for non-specified purposes was irregular.

Initial audit observation was issued on03.08.2023. The management replied that Provincial Disaster Management Fund is used with the guidelines issued by the government from time to time. However, section 30(iv) of National Disaster Management Act, 2010 allow emergency expenditures from PDMF.

The reply of the management was not satisfactoryas accounting procedure and regulations to operate the PDMF were not prepared and notified as required.

DAC meeting was held on 22nd to 24th November, 2023. The forum directed PDMA to submit revised reply along with documentary evidences. However, the relevant documents were not provided till finalization of this report.

Audit recommends that accounting procedure and regulations to operate the PDMF may be prepared in consultation with Controller General of Accounts and get approved from Finance Department and Auditor General of Pakistan. Moreover, PDMF may be used for specified purposes only and not for meeting operational expenditure of the Authority.

(Para No. 12 of AIR 2022-23 PDMA Punjab)

1.4.20 Sanction of compensation payments beyond financial powers-Rs. 208.200 million

According to Punjab Delegation of Financial Powers Rules, 2016, the officers in category II and III may sanction expenditure upto Rs 0.1 million and Rs. 0.05 million respectively, under the head compensation payable to any individual under law or rules or judgement of courts.

District Disaster Management Authorities (DDMAs)/ Deputy Commissioners (DC) of District Lahore, Gujranwala, Mianwali, Sargodha, Layyah, Multan, Faisalabad and Dera Ghazi Khan paid an amount of Rs.208.200 million during the financial year 2022-23 on account of death compensations and house damages compensations.

During audit of above mentioned DDMA/ DCs for the financial years 2022-2023, it was observed that DCs being category II or III officer had the power to sanction compensation payment of upto Rs. 0.1 million. Whereas, death compensations @ Rs 800,000 per individual and house damages compensations @ Rs.400,000 and Rs. 200,000 per house were sanctioned in violation of the delegation of powers.

Audit held that compensations payments sanctioned beyond the delegated financial powers was irregular.

Initial audit observation was issued in the month of August and September, 2023.The management replied that as per directions of the Chief Minister Punjab, compensation payments were made by the DCs being Administrative incharge of the district.

The reply of the management was not satisfactory as expenditure wassanctioned beyond the delegated financial powers.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto take up the matter with Finance Department Punjab for clarification.

Audit recommends implementation of the DAC decision.

(Para No. 15,3,13,11,12,5,10,14 of AIR 2022-23 DDMA Lahore, Gujranwala, Mianwali, Sargodha, Layyah, Multan, Faisalabad and Dera Ghazi Khan)

1.4.21 Un-verifiable expenditure on POL and hiring of vehicles and excavator for rescue/ relief activities- Rs. 93.491 million

According to Rule 2.33 of Punjab Financial Rules, Vol-I, every Government servant should realise fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss, arising from fraud or negligence on. The part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Rajanpur and Dera Ghazi Khan incurred an expenditure amounting to Rs. 82.998 million and Rs. 10.493 million respectively during the financial year 2022-23 on account of hiring of vehicles and excavator and POL charges for rescue and relief activities in the aftermath of flood 2022. Details are at **Annexure-XII.**

During audit of DDMA/DC Rajanpur and Dera Ghazi Khanfor the financial year 2022-23 it was observed as under:

i. The invoices/bills of the vendors were not accompanied with relevant record and most of the invoices were without dates.
ii. The number and categoryof vehicles, registration no, rent per day and locations were not mentioned
iii. Logbooks and movement register for running of vehicles and consumption of POL were not prepared.
iv. Logbooks for running of excavator and location of working and authentication of work record by Department was not available.

v. The bills were not authenticated and verified by any deputed supervisory officer as per duty rosters.
vi. Transportation of relief items to different location and relief camps on daily basis duly linked with office orders/instructions were not available.
vii. In DDMA Dera Ghazi Khan, agreement was not made with the service provider; hence, it was not clear whether POL was to be borne by the vendor or employer.

Audit held that due to weak internal controls and improper record, the expenditure was not verifiable.

Initial audit observations were issued in the month of September, 2023. The management replied that invoices of the vendors were available. Logbooks were prepared and attached with the record. The bills were verified by the field staff as well as the concerned Assistant Commissioners.

The reply of the management was not satisfactory as relevant record duly linked with expenditure and running of vehicles each day was not maintained and made available to the audit team.

DAC meeting was held on 22nd to 24th November, 2023. The forumdirectedDDMA to constitute a two members committee to check and verify the consumption record to be properly linked with the expenditure in line with audit observation. The committee will prepare the report and recommendations. The report will be shared with audit authorities along with consumption record duly linked with the incurred expenditure.

Audit recommends implementation of the DAC decision.

(Para No. 19, 10 of AIR 2022-23 DDMA Rajanpur&DG Khan)

1.4.22 Irregular expenditure on account of damaged assessment surveyfor flood 2022- Rs. 72.983 million

According to Rule 2.20 of Punjab Financial Rules, Vol-I, as a general rule every payment, including repayment of money previously lodged with Government, for whatever purpose, must be supported by a voucher setting forth full and clear particulars of the claim.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Dera Ghazi Khanand Rajanpur incurred an expenditure of Rs. 44.169 million and 28.814 million respectively during the financial year 2022-23 on account of hiring of vehicles,POL for hired vehicles and hiring of tentage for damaged assessment survey teams in the aftermath of flood 2022. Details are at **Annexure-XIII and XIV**.

During audit of DDMA/DC Dera Ghazi Khan and Rajanpurfor the financial year 2022-23, It was observed as under:

i. The record of damaged assessment survey with regard to nomination of survey teams, location wise deployment, start/end date of survey was not attached /provided.

ii. The agreement was not made with the service provider; hence, it was not clear whether POL was to be borne by the vendor or employer.

iii. The invoices/bills of the vendor were not supported by relevant record.Neither the rent per day nor vehicle number was mentioned.

iv. The bills were not authenticated and verified by field damaged assessment survey teams and any deputed supervisory officer as per duty rosters.

v. Logbooks and movement register for running of vehicles and consumption of POL were not prepared.

Audit held that due to improper maintenance of record, the expenditure was unverifiable.

Initial audit observation was issued on 09.09.2023. The management replied that all material/vehicles were hired as per requirement fordamages assessment survey.

The reply of the management was not satisfactory as proper record was not maintained to authenticate the expenditure.

DAC meeting was held on 22nd to 24th November, 2023. The forumdirectedDDMA to constitute a two members committee to check and verify the consumption record to be properly linked with the expenditure in line with audit observation. The committee will prepare the report and recommendations. The report will be shared with audit authorities along with consumption record duly linked with the incurred expenditure.

Audit recommends implementation of the DAC decision.

(Para No. 9, 18 of AIR 2022-23 DDMA DG Khan, DDMA Rajanpur)

1.4.23 Irregular payments to the government employees instead of issuance of cheques to the concerned vendors / suppliers - Rs. 46.571 million

According to Para 4.3.1.1 of Accounting Policies and Procedures Manual (APPM), all expenditures apart from inter-government transfers, certain salaries payments, certain pension payments and those met from imprest account, will be paid through cheque.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Rajanpur issued cheques amounting to Rs. 46.571 million in the name of Assistant Commissioners (AC) during the financial year 2022-23 for flood relief activities in the aftermath of flood 2022.

During audit of DDMA/DC Rajanpur for the financial year 2022-2023, it was observed that ACs of different Tehsils of Rajanpur forwarded various bills of the vendors to DDMA Rajanpur. DDMA issued cheques of the net amount (after deduction of taxes) in the name of ACs instead of issuance of cross cheques to the vendors concerned. Details are at **Annexure-XV**.

Audit held that issuance payment to the government employees instead of vendors through cross cheque was irregular.

Initial audit observation was issued on 16.09.2023.The management replied that all the ACs concerned made payment to the venders through cheques.

The reply of the management was not acceptable as cheques were issued in the name of employees instead of concerned vendors.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto refer the matter to Finance Department Punjab for regularization as per rules.

Audit recommends that all payments may be made directly to the suppliers / vendors through cross cheques in future.

(Para No. 9 of AIR 2022-23 DDMA Rajanpur)

1.4.24 Double payment to the affectees on account of death compensations- Rs.46.00 million

According to Provincial Disaster Management Authority (PDMA) Punjab letter No. DC (36)-2022/CR-I/411 dated 04.10.2022, following rates of compensation payments were applicable w.e.f. 15.06.2022:

i. Loss of life for each person died @ Rs. 1,000,000
ii. Permanent disability @ Rs.300,000,
iii. Critical injury @ Rs.100,000
iv. Minor injured @ Rs. 40,000.
v. Damage houses @ Rs.50,000 to 400,000

vi. Loss of cattle heads @ Rs.5,000 to 75,000

District Disaster Management Authorities (DDMAs) of District Lahore, Gujranwala, Mianwali, Multan, and Dera Ghazi Khan paid an amount of Rs.46.00 million during the financial year 2022-23 to the legal heirs/next of kins of 54 deceased persons who had expired during flood 2022.

During audit of above mentioned DDMAs/ DCs for the financial years 2022-2023, it was observed that NDMA released cheques amounting to Rs. 1.00 million each to 54 legal hears/ Next of Kins for death compensation against each death case. In addition to NDMA payments, the DDMAs also paid an amount of Rs. 46.00 million to these legal hears of the deceased persons which resulted in double payment to the same affectees. Details are at**Annexure-XVI**.

Audit held that duplicate payments to same individuals was irregular which indicated weakcoordination among the relief agencies resulting inloss to the Government.

Initial audit observationswere issued in the month of August and September, 2023.The management replied that DDMA had not made double payment from grant/funds released by Finance department Punjab but the second payment was released by NDMA out of Federal funds.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto take up the matter with Finance Department Punjab for clarification.

Audit recommends implementation of the DAC decision.

(Para No. 1,1,1,1,1 of AIR 2022-23 DDMA Lahore, Gujranwala, Mianwali, Multan, and Dera Ghazi Khan)

1.4.25 Non-obtaining of vouched account in respect of advances- Rs. 28.630 million

According to Rule 213(5) of General Financial Rules Vol-I, advances made for public expenditure will be held under objection until a detailed account duly supported by vouchers is furnished in adjustment of them.

Provincial Disaster Management Authority (PDMA) Punjab released an amount of Rs.28.630 million on account of repair work of flood relief equipment to HQs Engineers 4 Corps Lahore during the financial year 2022-23. Details are at **Annexure-XVII**.

During audit of PDMA Punjab for the financial year 2022-23, it was observed that PDMA released the amount in advance for repair work of flood relief equipmentto Engineers Corps Lahore. However, detailed vouched accounts containing the payment vouchers and sanctions etc.were not obtained to adjust the advance.

Audit held that non-obtaining of vouched accounts was not justified and violation of rules which resulted into non-verification of expenditure.

Initial audit observation was issued on03.08.2023. The management replied that PDMA has requested to concerned authorities for provision of vouched accounts.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedPDMA to obtain the vouched accounts and examine and verify the same to ascertain that releases were spent as per rules and regulations by the spending entities. Moreover, un-spent amount, if any, be recovered and adjustment be made in the accounts accordingly and a certificate to this effect be provided to audit authorities.

Audit recommends implementation ofthe DAC decision.

(Para No. 21 of AIR 2022-23 PDMA Punjab)

1.4.26 Unauthorized cash withdrawals - Rs. 9.037 million

According to Para 4.3.1.1 of Accounting Policies and Procedures Manual (APPM), all expenditures apart from inter-government transfers, certain salaries payments, certain pension payments and those met from imprest account, will be paid through cheque.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Rajanpur issued cheques amounting to Rs. 46.570 million in the name of Assistant Commissioners for flood relief activities in the aftermath of flood 2022.

During audit of DDMA/DC Rajanpur for the financial year 2022-2023, it was observed that an amount of Rs. 9.037 million was withdrawn as cash from the bank accounts of the Assistant Commissioners (ACs) maintained with the National Bank of Pakistan. Details are as under:

(Rs. in million)

Sr. No.	Particulars	Bank Account No.	Inst. No.	Dated	Amount
1	AC Rajanpur	4035794666	61722105	17.07.2023	0.865
2			61722102	17.07.2023	5.409
3	AC Jampur	4106989419	4767702	11.01.2023	0.054
4			4767707	14.04.2023	0.068
5			4767703	30.05.2023	0.006
6			4767708	30.05.2023	0.008
7			204767712	27.06.2023	2.627
Total					9.037

Audit held that cash withdrawals from the bank account was un-authorized.

Initial audit observation was issued on 16.09.2023.The management replied that all payments were made to vendors by the concerned ACs and payment record is available.

The reply of the management was not satisfactory as cash was irregularly withdrawn from the bank accounts of the ACs.

DAC meeting was held on22nd to 24th November, 2023. The forumdirected to provide the complete relevant record to audit for verification.

The relevant record was not provided till finalization of this report.

Audit recommends that matter may be inquired and outcome be shared with audit authorities.

(Para No. 10 of AIR 2022-23 DDMA Rajanpur)

1.4.27 Irregular payment of pending liabilities on account of COVID-19- Rs. 7.171 million

According to Rule 2.31(a) of Punjab Financial Rules Volume I, no claim against Government not preferred within six months of its becoming due can be paid without the sanction of the Accountant-General.

Further, according to Rule 17.17 of Rules ibid, the Disbursing Officer shall maintain a register of liabilities in P.F.R. Form No. 27 and under no circumstances may charges incurred be allowed to stand over to be paid from the grant of another year.

District Disaster Management Authority (DDMA) Multan paid an amount of Rs.7.171 million during the financial year 2022-23 on account of COVID-19 pending liabilities of the financial year 2019-20. Details are at **Annexure-XVIII**.

During audit of DDMAMultan for the financial years 2022-2023, it was observed as under:

i. The register of liabilities was not maintained by DDMA as required.

ii. The reasons for pile-up of liabilities and non-clearance in FY 2019-20, 2020-21 and 2021-22 were not mentioned.

iii. Proof regarding submission of bills by M/s Khan Rent a Car to DDMA and non-payment thereof in 2020 was not available in record.

iv. The formal approval of the competent authority regarding hiring of vehicles and transportation of suspects were not available in record.

v. The sanction of the Accountant-General was not obtained and time barred limitations were not considered before payment.

Audit held that payment made in violation of rules and without fulfilling codal requirement was irregular.

Initial audit observation was issued on 31.08.2023. The management replied that liabilities were pile up due to non-availability of funds. The suppliers / contractors logged a writ petition in the Lahore High Court Multan Bench Multan regarding non-payment of pending liabilities. The payments were made to concern on the directions of Honorable court.

The reply of the management was not satisfactory as payment was made in violation of rules.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto refer the matter to Finance Department Punjab for regularization as per rules.

Audit recommends implementation ofthe DAC decision.

(Para No. 16 of AIR 2022-23 DDMA Multan)

1.4.28 Irregular expenditure on hiring of transportation services- Rs. 5.168 million

According to Rule 2.33 of Punjab Financial Rules Vol-1, every government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by government through fraud or negligence on his part.

Further, according to Rule 4 of Punjab Procurement Rules 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process efficient and economical.

District Disaster Management Authority (DDMA) Multan paid an amount of Rs. 5.168 million to M/s Khan Rent a Car during the financial year 2022-23. The vehicles were hired in the month of May, 2020 for transportation of Covid suspects from Multan Airport to quarantine centers and quarantine center to home towns in different cities of Pakistan. Details are at **Annexure-XIX**.

During audit of DDMA/ DC Multan for the financial year 2022-2023, it was observed as under:

i. The procurement was made on quotation basis on plea of urgency. However, the relevant record regarding declaration of emergency and urgency was not available.

ii. The quotations were arranged from vendors not registered with Income tax, GST and PST authorities in violation of rules.Neither contract agreement was signed with vendors nor work orders were issued.

iii. The bills of the vendor were without any date and PST/GST invoices were not provided by the vendor.

iv. The number of patients/suspects transported from Airport to Quarantine center and from Quarantine center to their home town as per each vehicle were not mentioned and also not linked with authentic record of quarantine centers.

v. The status of firms regarding active / non active tax payer was not available.

vi. Stamp duty amounting to Rs.12,920 (5,167,800*0.25%) was not deducted.

Audit held that expenditure in violation of rules and without fulfilling codal requirement was irregular.

Initial audit observation was issued on 31.08.2023. The management replied that PDMA had declared emergency in all over Punjab in connection with Covid-19. Therefore, expenditure was incurred on quotations basis. The number of patients / suspects transported were available on record as well as on dashboard of Health Department and PDMA / DDMA.

The reply of the management was not satisfactory as documentary evidence was not provided.

DAC meeting was held on 22nd to 24th November, 2023. The forum directed DDMA to constitute a two members committee to check and verify the consumption record to be properly linked with the expenditure. The outcome of findings be shared with audit authorities for verification.

Audit recommends implementation of the DAC decision.

(Para No. 17 of AIR 2022-23 DDMA Multan)

1.4.29 Unverifiable expenditure due to non-availability of payment vouchers and other details- Rs. 4.763 million

According to Rule 2.20 of Punjab Financial Rules, Vol-I, as a general rule every payment, including repayment of money previously lodged with Government, for whatever purpose, must be supported by a voucher setting forth full and clear particulars of the claim.

According to Rule 2.33 of Punjab Financial Rules, Vol-I, every Government servant should realise fully and clearly that he will be held personally responsible for any loss sustained by

Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss, arising from fraud or negligence on. The part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Rajanpurpaid an amount of Rs. 4.763 million to M/s Al-Arfat Banquet Hall Multan vide cheque No. 196876 dated 24.11.2022 during the financial year 2022-23 for procurement of food hampers in the aftermath of flood 2022.

During audit of DDMA/DC Rajanpur for the financial year 2022-23, it was observed that payment vouchers and relevant file was not provided to audit despite requests.

Audit held that non-availability/ non-provision of record rendered the payment unverifiable.

Initial audit observation was issued on 16.09.2023. The management replied that the voucher and relevant file was handed over by the then district Nazir to the Additional Deputy Commissioner Revenue for completion of relevant record which was not returned back.

The reply of the management was not satisfactoryas the record was neither provided during audit nor provided along with the working paper for DAC meeting.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto probe the matter and report be shared with audit authorities, besides provision of voucher and relevant record.

Audit recommends implementation of the DAC decision

(Para No. 20 of AIR 2022-23 DDMA Rajanpur)

1.4.30 Irregular deposit of Income Tax out of government budget instead of withholding form the vendors- Rs. 4.652 million

According to Section 153 of Income Tax Ordinance 2001, withholding tax @ 4.5% on procurement of goods and 10% on all type of services should be deducted at source. The rate of tax will be double if the vendor is not on Active Taxpayer List (ATL).

Further, according to Rule 2.10 of the Punjab Financial Rules (PFR) Vol-1, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Dera Ghazi (DG) Khan and Rajanpur incurred an expenditure amounting to Rs. 170.188 million andRs.

51.884 million respectively during the financial year 2022-23 on procurement of relief items in the aftermath of flood 2022.

During audit of DDMA/DC DG Khan and Rajanpurfor the financial year 2022-23, it was observed that DDMAs deposited Income Tax amountingto Rs.2.418 million into Government Treasury out of Government released budget without deduction/withholding of the same from the vendors. Details are as under:

(Rs. in million)

Sr. No.	**Particulars**	**Cheque No.**	**Date**	**Amount**
1	DDMA Dera Gazi Khan	401570	13.09.2022	0.127
2	DDMA Dera Gazi Khan	353548	21.12.2022	1.775
3	DDMA Dera Gazi Khan	353557	21.12.2022	0.516
4	DDMA Rajanpur	196887	24.01.2023	2.234
Total				**4.652**

Audit held that non-deduction of Income Tax from the vendors and deposition of the same from own budget releases was irregular.

Initial audit observations were issued in September, 2023. The management replied that all taxes were deposited into government treasury.

The reply of the management was not satisfactory as tax was not deducted/ withheld from the vendors but deposited from own budget.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedDDMA to refer the matter to Finance Department Punjab for advice and regularization as per rules.

Audit recommends implementation of the DAC decision.

(Para No. 5, 16 of AIR 2022-23 DDMA DG Khan, Rajanpur)

1.4.31 Unauthorized drawl of Executive Allowance- Rs. 3.328million

According to Finance Department Notification dated 27.04.2021, executive allowance was admissible to all officers posted by Services & General Administration Department (S&GAD) against duly notified cadre strength.

Provincial Disaster Management Authority (PDMA) Punjab requisitioned the services of Mr. Hameed Ullah Malik Assistant Professor (BS-19), Institute of Agricultural Sciences, University of the Punjab. Accordingly, S&GAD vide notification dated 29.07.2020 placed the services of the officer at the disposal of PDMA on deputation basis as Director (BS-19), subject to upgradation of the Post of Deputy Director (B-18) to Director (B-19) as personal to the officer.

Finance Department vide letter dated 19.01.2021 conveyed its concurrence to upgrade the post as personal to Mr. Hameed Ullah Malik. The officer accordingly joined PDMA on 21.12.2020.

During audit of PDMA Punjab for the FY 2022-23, it was observed that neither the post was notified by S&GAD as en-cadred post nor approval from Finance Department was obtained. Hence, drawl of executive allowance was inadmissible.

It was also observed that PDMA had referred the matter to Finance Department Punjab for advice about admissibility of executive allowance. Finance Department Punjab vide letter date 29.11.2022 intimated that the officer was not eligible for grant of executive allowance, as he was posted against a non-cadred post upgraded to B-19. PDMA stopped the payment of executive allowance w.e.f. 01.11.2022. However, previous payment amounting to Rs. 3.328 million was not recovered.

Audit held that payment on account of the executive allowance against non-en-cadred post was irregular which resulted in loss of Rs. 3.328 to the government.

Initial audit observation was issued in the month of 03.08.2023. The management replied that inadmissible payment had been stopped and recovery proceeding had been initiated.

The reply of the management was not satisfactory as documentary evidence in support of reply was not provided.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto recover the complete amount and record be shared with audit authorities.

Audit recommends implementation of DAC decision.

(Para No. 42 of AIR 2022-23 PDMA Punjab)

1.4.32 Excess payment on account of house damaged compensations-Rs. 1.2 million

According to Provincial Disaster Management Authority (PDMA) Punjab letter No. DC (36)-2022/CR-I/411 dated 04.10.2022, following rates of compensation payments were applicable w.e.f. 15.06.2022:

i. Loss of life for each person died @ Rs. 1,000,000
ii. Permanent disability @ Rs.300,000,
iii. Critical injury @ Rs.100,000
iv. Minor injured @ Rs. 40,000.
v. Kacha house fully damaged @Rs.200,000
vi. Pakka house fully damaged @ Rs. 400,000
vii. Loss of cattle heads @ Rs.5,000 to 75,000

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC)Mianwali paid an amount of Rs. 2.4 million to 06 affecteesat the rate of Rs. 400,000 eachunder category of "Paka house fully damaged". Details are at **Annexure-XX**.

During audit of DDMA/DC Mianwali for the financial year 2022-2023, it was observed that as per survey proforma,Kacha houses of these 6 affectees were fully damaged which were required to be paid @ Rs. 200,000 each. Hence, payment at higher rates resulted in over payment of Rs. 1.2 million to the affectees.

Audit held that excess payment resulted in loss to the government.

Initial audit observation was issued on 18.08.2023. The management replied that a committee for re-survey was constituted and payment was made on its recommendation.

The reply of the management was not satisfactoryas no documentary evidence in support of reply was provided.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto provide complete relevant record to audit for verification.

The relevant record was not provided for verification till finalization of this report.

Audit recommends that responsibility may be fixed on the person(s) at fault besides recovery of the overpaid amount.

(Para No. 14 of AIR 2022-23 DDMA Mianwali)

1.4.33 Un-verifiable issuance and non-retrieval of tents after flood season

According to Rule 15.4(a) and 15.5 of Punjab Financial Rules, Vol-I, all materials received should be examined, counted, measured and weighed, as a case may be, when delivery is taken and they should be kept in charge of a responsible Government servant. The receiving Government servant should also be required to give a certificate that he has actually received the materials and recorded them in his appropriate stock registers. When materials are issued a written acknowledgement should be obtained from the person to whom they are ordered to be delivered or dispatched.

Further, according to Para 3(w) of NDMA guidelines on stocking, maintenance and supply of relief & rescue items, on closure of relief camps, if possible, all usable relief equipment / stores i.e., tents, generators, de watering pumps etc. may be retrieved, serviced, maintained and stored back for future use. The tents and shelters issued to individuals residing outside relief camps may preferably be taken back. Proper record should be maintained so that the household should not be given tents repeatedly in subsequent years. If last issued tents are worn out then new one be issued only, on return of old one.

Disaster Management Authorities (DDMAs) / Deputy Commissioners (DC) of District Mianwali, Layyah, Dera Ghazi Khan, Muzaffargarh and Rajanpur issued 38,987 tents to different individuals in the aftermath of flood 2022 during the financial year 2022-23.

During audit of above mentioned DDMAs/ DCs for the financial year 2022-23, it was observed as under:

i. The tents were issued to different individuals during flood season 2022. However, the acquittance roll was not maintained. Therecord related to date wise issuance, copies of CNIC, proof of complete/partial house damage was not maintained.Distribution of tents to individuals was not linked with damage of houses.

ii. The tents were not retrieved back by the Authority from the affectees.

iii. 718 tents were available with AC Rojhan (district Rajanpur) as closing balance however, these tents not returned back to DDMA warehouse.

Audit held that in the absence of proper issuance/consumption record and non-retrieval, chances of duplicate issuance in each year to the same individual could not be ruled out.

Initial audit observations were issued in the months of August and September, 2023.The management replied that all material was issued after proper verification and record keeping. However, the working has been started for early retrieval of the items which were used during flood.

The reply of the management was not satisfactory asproper consumption record was not maintained.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedDDMA to constitute a two members committee to check and verify the consumption record to be properly linked with the expenditure in line with audit observation. The committee will prepare the report and recommendations. The report will be shared with audit authorities along with consumption record duly linked with the incurred expenditure.

Audit recommends implementation of the DAC decision.

(Para No. 8,7,8, 9,22, of AIR 2022-23 DDMA Mianwali, Layyah, Dera Ghazi Khn, MuzaffargarhandRajanpur)

1.4.34 Deficiencies in stockpiling and improper maintenance of record related to relief items

According to Rule 15.4(a) and 15.5 of Punjab Financial Rules, Vol-I, all materials received should be examined, counted, measured and weighed, as a case may be, when delivery is taken and they should be kept in charge of a responsible Government servant. The receiving Government servant should also be required to give a certificate that he has actually received the materials and recorded them in his appropriate stock registers. When materials are issued a written acknowledgement should be obtained from the person to whom they are ordered to be delivered or dispatched and when materials are issued from stock for departmental use, manufacture or sale, etc., the Government servant in charge of the stores should see that an indent in PFR Form 26 has been made by a properly authorized person.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Dera Ghazi Khan, Rajanpur and Layyah procured various relief items in the aftermath of flood 2022 during the financial year 2022-23. DDMAs also received different relief items from various Government organizations and philanthropists for issuance to the flood affectees.

During audit of DDMA/ DC Dera Ghazi Khan, Rajanpur and Layyah for the financial year 2022-23, it was observed that disaster relief stock record was not maintained properly. Audit observed as under:

i. Stock registers were not maintained and only some statements were entered on a simple register. Hence, stock procured by DDMAs itself, received from other organizations and issued to the affectees was not taken on charge.

ii. Indents /requisitions and acknowledgements record was not maintained.

iii. The record of relief items received from philanthropists was not available/maintained

iv. In DDMA DG Khan, some stock items were shown received in less/excess quantity than actually dispatched by NDMA, PDMA Punjab and DDMA procurement Wing. Details are at **Annexure-XXI**.

v. In DDMA DG Khan, the relief items' issuance record revealed differences among DDMA issuance record, AC's statements and detailed individual affectees wise statements. Details are at **Annexure-XXII**.

vi. In DDMA Rajanpur, opening balances of all relief items was nil which was not linked with previous years procurement and receipts. Further, some stock items were shown received in less/excess quantity than dispatched by NDMA, PDMA Punjab and DDMA procurement Wing. Details are at **Annexure-XXIII**.

vii. In DDMA Rajanpur, the relief items' issuance record revealed differences among DDMA issuance record and detailed individual affectees wise statements. Details are at **Annexure-XXIV.**

viii. In DDMA Layyah, some stock items were shown received in less/excess quantity than dispatched by PDMA. Details are at **Annexure-XXV.**

Audit held that due to non-maintenance of record of receipts and issuance of relief items on the stock register, the distribution to flood affectees was not verifiable. In absence of proper record and differences in quantities dispatched, quantities received and quantities issued, the chances of misappropriation could not be ruled out.

Initial audit observations were issued in the months of August and September, 2023. The management replied that all relevant record regarding procurement & distribution has been prepared/ maintained properly.

The reply of the management was not satisfactoryas proper linked record was not maintained.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedDDMA to prepare and maintain proper stock register as per rules. The stock register along with complete record be provided to audit for verification.

The relevant record was not provided till finalization of the report.

Audit recommends that management may look into the matter and take corrective measures.

(Para No. 12, 21, 6 of AIR 2022-23 DDMA DG Khan, Rajanpur, Layyah)

1.4.35 Non-conducting of internal audit of PDMA Punjab and DDMAs

According to Para 5.5.1.1 of Manual of Accounting Principles (MAP), there will be an internal audit officer for each centralized accounting entity and each self-accounting entity. Further, according to Government of Punjab instructions issued, vide notification No. SOE-II (P&D) 1-15/07 dated 2nd February, 2007, the Internal Auditor of the department shall exercise all budgetary and financial controls under the framed rules and the best practices prescribed by the Government.

Provincial Disaster Management Authority (PDMA) Punjab and District Disaster Management Authorities (DDMAs) were required to conduct internal audit for the financial year 2022-23.

During audit of PDMA Punjaband DDMAs of District Lahore, Gujranwala, Mianwali, Sargodha, Layyah, Muzaffargarh, Multan, Bahawalpur, Dera Ghazi Khan, Rajanpur, Faisalabad, Sahiwal and Rawalpindi for the financial year 2022-23, it was observed that internal audit of the entities was not carried out.

Audit held that non preparation of internal audit reports may lead to instances of mis-appropriation.

Initial audit observation was issued in the month of August, 2023. The management replied that the payments to the vendors are being made after conducting proper pre-audit by the internal audit wing. All the store items purchased are duly entered in the stock registers kept in the warehouses.

The reply of the management was not satisfactory as internal audit was not conducted as required under the rules.

DAC meeting was held on22nd to 24th November, 2023. The forumdirected that internal audit be carried out on regular basis as per rules and reportsbe shared with audit authorities.

Audit recommends implementation of the DAC decision.

(Para No. 3, 14,10,20,9,18,17,15,7,21,26,8,11, 6 of AIR 2022-23 PDMA Punjab and District DisasterManagement Authorities (DDMAs) of District Lahore, Gujranwala, Mianwali, Sargodha, Layyah, Muzaffargarh, Multan, Bahawalpur, Dera Ghazi Khan, Rajanpur, Faisalabad, Sahiwal and Rawalpindi)

1.4.36 Non-conducting of physical verification of assets / stocks and relief items

According to Rule 15.16 of Punjab Financial Rules Vol-1, the physical verification of stock / store should be conducted once in a year and a report also be prepared in which it is shown that items are to be condemned, to be written off, repairable of working in government condition. A certificate regarding physical verification as no discrepancy is noticed also be recorded by the officer who conducted physical verification.

Provincial Disaster Management Authority (PDMA), Punjab and District Disaster Management Authorities (DDMAs) of District Lahore, Gujranwala, Mianwali, Sargodha, Layyah, Muzaffargarh, Multan, Bahawalpur, Dera Ghazi Khan, Rajanpur, Faisalabad, Sahiwal and Rawalpindi were requested to provide annual physical verification reports for the financial year 2022-23.

During audit of PDMA Punjab and above mentioned DDMAs for the financial year 2022-23, it was observed that the Authorities had not undertaken the physical verification of stock, store and costly relief items to ascertain and verify the receipt, proper storage and issuance of the item and identify theft, misplacement and misuse of items, if any.

Audit held that non-conducting of physical verification of costly items and stores was not justified and against the rules as physical verification of stocks was extremely important for organizations like PDMA/DDMA which were constantly engaged in procurement, storing and distribution of relief and other item to multiple agencies and users.

Initial audit observation was issued in the month of August, 2023. The management replied that physical verification of stores is conducted by the inspection committee on every bill when stock is received in the stores.

The reply of the management was not satisfactory as physical verification was not conducted as required under the rules.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedthat physical verification of complete relief store /stock items be conducted as required under the rules and report be shared with audit authorities.

Audit recommends that physical verification of assets and all relief items may be carried out as provided in rules to point out any discrepancy / shortcoming and report of the same be produced to Audit authorities for scrutiny and review.

<u>Note:</u> The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.4.10. Recurrence of same issue / irregularity is a matter of serious concern.

(Para No. 4, 10,6,15,5, 13, 12, 10 2, 16,25,4,7,5 of AIR 2022-23 PDMA Punjab and District Disaster Management Authorities (DDMAs) of District Lahore, Gujranwala, Mianwali, Sargodha, Layyah, Muzaffargarh, Multan, Bahawalpur, Dera Ghazi Khan, Rajanpur, Faisalabad, Sahiwal and Rawalpindi)

<u>Public Service Delivery / Performance</u>

1.4.37 Non-convening of Provincial Disaster Management Commission (PDMC) meetings

According to Section 13 of National Disaster Management Act 2010, each Provincial Government shall establish a Provincial Disaster Management Commission for the Province. Further, according to Section 14 of National Disaster Management Act, 2010, subject to the provisions of this Act, Provincial Commission shall have the responsibility for laying down policies and plans for disaster management in the province.

The Provincial Disaster Management Authority (PDMA) works under the umbrella of Provincial Disaster Management Commission (PDMC). National Disaster Management Act prescribes the powers and functions of PDMC as under:

i. Lay down the Provincial Disaster Management policy
ii. Approve DM plans
iii. Review the implementation of the plans
iv. Oversee the provision of funds for mitigation and preparedness measures
v. Review development plans of the different departments

During audit of Provincial Disaster Management Authority (PDMA) Punjab for the financial year 2022-23, it was observed that despite the crucial importance of PDMC as a monitoring and evaluation body for all disaster management activities performed under PDMA, the forum of PDMC was non-functional and not a single meeting was convened since inception.

Audit held that non-convening of PDMC meetings was violation of the Act and resulted into non-discharge of the roles and responsibilities as envisaged in the National Disaster Management Act 2010.

Initial audit observation was issued on 03.08.2023. The management replied that Chief Minister, Punjab vide notification dated 12.07.2017 constituted Cabinet Committee on Floods. Later on, after the outbreak of Locust and Covid-19, the Committee was renamed as Cabinet Committee on Disaster Management under the chairmanship of Minister for Disaster Management on 25th September, 2019 with the mandate to review all stages of Disaster Management spectrum for all potential disasters in Punjab. Hence, the Cabinet Committee on Disaster Management, instead of PDMC, has become the relevant forum to perform the functions as per specific needs of the Province of Punjab.

The reply of the management was not tenable as Cabinet Committee on Disaster Management cannot replace the PDMC as provided in the Act.

DAC meeting was held on22nd to 24th November, 2023. The forum directed PDMA to make effort to also convene PDMC meetings as Cabinet Committee on Disaster Management cannot replace the PDMC as provided in the Act.

Audit recommends that PDMC may be made functional to perform / discharge the role and responsibilities as mentioned in the NDMA Act, 2010.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2021-22 vide para number 2.4.23. Recurrence of same issue / irregularity is a matter of serious concern.

(Para No. 1 of AIR 2022-23 PDMA Punjab)

1.4.38 Non-formulation of guidelines for preparation of District Disaster Management Plans at district levels

According to Section 20(2)(f) of National Disaster Management Act 2010, district authority may lay down guidelines for preparation of disaster management plans by the departments of the Government at the districts level and local authorities in the district.

District Disaster Management Authorities (DDMAs)/ Deputy Commissioners (DCs) were required to lay down guidelines for preparation for disaster management plans.

During audit of DDMAs/ DCs of District Lahore, Gujranwala, Mianwali, Sargodha, Layyah, Muzaffargarh, Multan, Bahawalpur, Dera Ghazi Khan, Rajanpur, Faisalabad, Sahiwal and Rawalpindi for the financial year 2022-2023, it was observed that neither guidelines for preparation of disaster management plans were formulated nor circulated by district authorities to other government departments at the district level.

Audit held that non preparation of guidelines by DDMAs resulted into non-identification of mitigation and response measures by the district departments to cope with disasters.

Initial audit observations were issued in the month of August, 2023. The management replied that DDMAswere adhering to the standard template for the District Disaster Management Plan (DDMP) provided by the Provincial Disaster Management Authority (PDMA), Punjab. All the relevant information and data outlined in the DDMP template have been incorporated. The instructions were issued to the concerned departments during DDMA meetings to provide the required data in accordance with the DDMP standard template.

The reply of the management was not tenable as the required guidelines were not formulated and notified to deal with disasters occurring in the districts.

DAC meeting was held on22nd to 24th November, 2023. The forumdirected PDMA to issue directions to all DDMAs to formulate and notify the guidelines for preparation of District Disaster Management Plan (DDMP) in line with the provisions of the Act and circulate the same to all concerning departments of the districts.

Audit recommends that implementation of the DAC decision.

(Para No. 11, 7,17,6,15,14,12,4,18,28,5,8,7 of AIR 2022-23 DDMAs of District Lahore, Gujranwala,Mianwali, Sargodha, Layyah, Muzaffargarh, Multan, Bahawalpur, Dera Ghazi Khan, Rajanpur, Faisalabad, Sahiwal and Rawalpindi)

1.4.39 Non-payment of death compensations to the affectees of flood/monsoon rain 2022 – Rs. 16 million

According to Provincial Disaster Management Authority (PDMA) Punjab letter No. DC(36)-2022/CR-I/411 dated 04.10.2022, following rates of compensation payments were applicable w.e.f. 15.06.222:

i. Loss of life for each person died @ Rs. 1,000,000
ii. Permanent disability @ Rs.300,000
iii. Critical injury @ Rs.100,000
iv. Minor injured @ Rs. 40,000.
v. Damage houses @ Rs.50,000 to 400,000
vi. Loss of cattle heads @ Rs.5,000 to 75,000

District Disaster Management Authorities (DDMAs) / Deputy Commissioner (DC) of district Sahiwal, Rawalpindi, Muzaffargarh and Layyah forwarded various death compensation claims to PDMA Punjab for onward submission to National Disaster Management Authority (NDMA) during financial year 2022-23.

During audit of DDMA / DC Sahiwal, Rawalpindi, Muzaffargarh and Layyah districts for the financial years 2020-2023, it was observed that death compensation cases were forwarded to PDMA after the flood 2022, for issuance of cheques in the name of affectees. However, payment amounting to Rs. 16 million to 16 affectees was not released till close of financial year i.e.30th June, 2023. The details are as under:

(Rs. in million)

Sr. No.	Name of DDMA	Pending cases of death compensations	Amount
1	Sahiwal	1	1
2	Rawalpindi	3	3
3	Muzaffargarh	11	11
4	Layyah	1	1
Total		**16**	**16**

Audit held thatnon-payment of death compensation was against the policy and negligence on the part of management as it negated the very purpose of the compensation policy of the government.

Initial audit observations were issued in the month of August and September,2023. The management replied that the delay was occurred due to procedural formalities and non-issuance of cheques by NDMA and the matter is taken up with PDMA for advice and guidance.

DAC meeting was held on 22nd to 24th November, 2023. The forumdirected PDMA/DDMA to make payment to the genuine affectees after confirmation of legitimacy through conducting necessary survey and verification as per government policy.

Audit recommends implementation of the DAC decision.

(Para No. 6, 2, 1, 2 of AIR 2022-23, DDMA Sahiwal and Rawalpindi,Muzaffargarh, Layyah)

1.4.40 Non-preparation and submission of annual reportsby DDMAs to Provincial Government

According to Section 41(2) of National Disaster Management Act 2010, District Authority shall prepare once every year, in such form and at such time as may be prescribed by rules, an annual report giving a true and full account of its activities during the previous year and copies thereof shall be forwarded to the Provincial Government which shall lay it before the Provincial Assembly.

District Disaster Management Authority (DDMA) / Deputy Commissioner (DC) Rawalpindi was required to prepare an annual report and submit to Provincial Government

During audit of DDMA/ DC Rawalpindi for the financial years 2022-2023, it was observed that DDMA had not prepared the annual report giving a true and full account of its activities during the previous year for submission to the Provincial Government to be laid before the Provincial Assembly.

Audit held that non-preparation of annual report by the District Authoritywas unjustified and was violation of the National Disaster Management Act 2010. The same situation was also observed in other DDMAs which were audited during Audit Year 2023-24.

Initial audit observation was issued on 04.10.2023. The management replied that matter is related to Rescue 1122 and necessary instructions have been issued.

The reply of the management was not satisfactory as the report wasrequired to be prepared and submitted by DDMA.

DAC meeting was held on22nd to 24th November, 2023. The forumdirected PDMA to devise and circulate a uniform template/format for preparation of annual report by each DDMA giving a true and full account of its activities during the previous year in line with the provisions of the Act.

Audit recommends implementation of DAC decision within one month.

(Para No. 11 of AIR 2022-23 DDMA Rawalpindi)

Financial Management

1.4.41 Un-justified debit transactions / cash transfers from Chief Minister's Flood Relief Fund account- Rs. 4,126. 051 million

According to Rule 2.33 of Punjab Financial Rules Vol-1, every government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by government through fraud or negligence on his part.

Provincial Disaster Management Authority (PDMA) Punjab was maintaining a bank account bearing No. 6010159451200028 titled "CM Flood relief Fund 2022" with the Bank of Punjab.

During audit of PDMA Punjab for the FY 2022-23, it was observed from the bank statement that an amount of Rs. 4,126.051 million was debited through some transactions for which no record and details were available with PDMA. Neither the payment was authorized by PDMA nor the cheques against these transactions were not issued by the Authority. Details are at **Annexure-XXVI**.

Audit held that debit transactions without any record in PDMA office and non-reconciliation was unjustified and irregular.

Initial audit observation was issued on 03.08.2023. The management replied that highlighted debit transactionswere being sorted out and correspondence has been madewith the bank.

The reply was not tenable as the matter was not sorted out despite lapse of considerable time.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedPDMA to take up the matter with bank.

Audit recommends that management may look into the matter and take corrective measures.

(Para No. 40 of AIR 2022-23 PDMA Punjab)

1.4.42 Non-refund of unspent balances of the projects to Government and non-closure of bank accounts- Rs. 2,739.206 million

According to Para 14.3 of Punjab Budget Manual 2008, all savings or unspent funds shall be surrendered / reported to Government through statement of excesses and surrenders, so that balances may be transferred / distributed to other needy departments of the Government to avoid the lapse of appropriations.

Provincial Disaster Management Authority (PDMA) Punjab was maintaining 07 bank accounts with scheduled banks for various projects. An amount of Rs. 2,739.206 million was laying as closing balance as on 30th June, 2023 in these accounts out of which one account was dormant since 2021. Details are at **Annexure-XXVII**.

During audit of PDMA Punjab for the financial year 2022-23, it was observed as under:

i. The funds were neither utilized nor surrendered since FY 2016-17. The funds were provided by Provincial Government for certain specific purposes/projects and unspent funds were required to be refunded to government after completion of the projects as PDMA was maintaining a Provincial Disaster Management Fund (PDMF) account since 2019.

ii. The bank accounts bearing 3058218102 maintained with NBP regarding Prime Minister's Kissan Package 2015 was dormant since 2021. The PDMA vide letter dated 12.08.2021 requested NBP to activate the account. NBP vide its letter dated 12.08.2021 replied that matter may be taken up with Finance Department to obtain approval for continuation otherwise NBP is constrained to close the account and surrender the balance amount to SBP. However, the matter was not taken again after 2021 and the account remained dormant.

Audit held that non-refund of unspent funds of the specific projects was irregular and resulted in blockage of funds.Further, non-activation of the dormant account was a matter of grave concern and put the government interest at stake.

Initial audit observation was issued on 03.08.2023. The management replied that matter has been taken up with Finance Department for advice.

The reply of the management was not satisfactory as the matter was pending since long.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedPDMA to pursue the matter with Finance Department Punjab.

Audit recommends implementation of the DAC decision.

(Para No. 24 of AIR 2022-23 PDMA Punjab)

1.4.43 Non-surrender of unspent balances resulted into lapse of funds- Rs. 1,786.124 million

According to Para 14.3 of Punjab Budget Manual 2008, all savings or unspent funds shall be surrendered / reported to Government through statement of excesses and surrenders, so that balances may be transferred / distributed to other needy departments of the Government to avoid the lapse of appropriations.

The Government of Punjab released budget to Provincial Disaster Management Authority (PDMA) and District Disaster Management Authorities (DDMAs) of District Lahore, Gujranwala, Mianwali, Sargodha, Layyah, Muzaffargarh, Multan, Bahawalpur, Dera Ghazi Khan, Rajanpur, Faisalabad, Sahiwal and Rawalpindi to meet the operating expenditure under LQ 4277- Relief Measures and Grant No. PC 21027during the financial year 2022-23.

During audit of PDMA Punjab and above-mentioned DDMAs for the financial year 2022-23, it was observed that the funds were not utilized fully and efficiently and the unspent balances amounting to Rs. 1,786.124 million were not reported to Government for the purpose of surrender before the close of financial year. Details are at **Annexure-XXVIII**.

Audit held that non-surrender of savings and lapse of released budget allocation resulted in blockage of fundsresulting in weak financial discipline.

Initial audit observation was issued in the month of August, 2023.The management replied that funds were not surrendered for any possible disaster.

The reply of the management was not satisfactory as unutilized funds were required to be surrendered to avoid lapse of funds.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto refer the matter to Finance Department Punjab for regularization as per rules.

Audit recommends that responsibility may be fixed for inefficient utilization and non-surrender of funds in time on the person (s) at fault besides regularization.

(Para No. 13, 5,5,4,1,11,11, 9, 1, 13, 23, 1,1,4 of AIR 2022-23 PDMA Punjab and District Disaster Management Authorities (DDMAs) of District Lahore, Gujranwala, Mianwali, Sargodha, Layyah, Muzaffargarh, Multan, Bahawalpur, Dera Ghazi Khan, Rajanpur, Faisalabad, Sahiwal and Rawalpindi)

1.4.44 Non-deposit of earned profits into Government Treasury- Rs. 524.256 million

According to Rule 26 of General Financial Rules Volume-I, subject to any special arrangement that may be authorized by competent authority with respect to any particular class of receipts it is the duty of the departmental controlling officer to see that all sums due to Government are regularly and promptly assessed, realized and duly credited in the Public Account.

Provincial Disaster Management Authority (PDMA) Punjab was maintaining five (05) profit bearing accounts with scheduled banks. Profit amounting to Rs. 524.256 million was earned on these bank accounts during financial year 2022-23.

During audit of PDMA Punjab for the financial year 2022-23, it was observed that profit earned on bank accounts amounting to Rs. 524.256 million was not deposited into Government treasury.

Audit held that non-deposit of profit earned by PDMA Punjab on bank accounts was not justified and against the rules.

Initial audit observation was issued on 03.08.2023. The management replied that matter has been taken up with Finance Department for advice.

The reply of the management was not satisfactory as the matter was pending since long.

DAC meeting was held on22nd to 24th November, 2023.The forumdirected PDMA to pursue the matter with Finance Department, Punjab.

Audit recommends that the earned profit may be deposited into Government treasury within one month time.

(Para No. 7 of AIR 2022-23 PDMA Punjab)

1.4.45 Loss due to non/less deduction of Government taxes- Rs. 71.382 million

According to Section 153 of income Tax Ordinance 2001, withholding tax @ 4.5% on procurement of goods and 10% on all type of services should be deducted at source. The rate of tax will be double if the vendor is not on Active Taxpayer List (ATL).

Further, according to Sr. No.1 of the Second Schedule of the Punjab Sales Tax on Services Act 2012, sales tax @16% is applicable on Services provided by hotels, motels, guest houses, marriage halls including pandal and shamiana services, catering services (including all ancillary/allied services such as floral or other decoration, furnishing of space). As per Sr. No.11& 27, sales tax @16% is applicable on services provided by restaurants including cafes, food parlors, coffee houses, food huts, and similar cooked, prepared or ready-to-eat food service outlets etc. and services provided by security agency respectively.

District Disaster Management Authorities (DDMAs)/ Deputy Commissioners of District Dera Ghazi Khan, Layyah, Mianwali, and Rajanpur incurred an expenditure ofRs. 399.828 million on procurement of various goods and services for relief activities in the aftermath of flood 2022during the financial year 2022-23.

During audit of above mentioned DDMAs/ DCs for the financial year 2022-23, it was observed that government taxes amounting to Rs. 71.382 million were either not deducted or less deducted from the suppliers. Further, proof of vendors being on ATL was also not available on record. Details are at **Annexure-XXIX.**

Audit held that non-deduction andless deduction of Government taxes from the vendors resulted in loss of Rs. 71.382 million to the government exchequer.

Initial audit observations were issued in the month of August and September, 2023. The management replied that all taxes havebeen deducted properly from bills of the contractors.

The reply of the management was not satisfactory as government taxes were either not deducted or less deducted from the suppliers.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto recover the government taxes from the suppliers concerned and deposited into government treasury.

Audit recommendsthat responsibility may be fixed on persons at fault,besides recovery of government taxes from the suppliers.

(Para No. 4,9,11, 14 of AIR 2022-23 DDMA DG Khan, Layyah, Mianwali, and Rajanpur)

1.4.46 Irregularities inrelease of funds forpending liability of financial year 2015-16- Rs. 14.926 million

According to Rule 17.18 of Punjab Financial Rules Volume-I, under no circumstances may charges incurred be allowed to stand over to be paid from the grant of another year. If possible, expenditure should be postponed till the preparation of a new budget has given opportunity of making provision, and till the sanction of that budget has supplied means; but on no account may charges be actually incurred in one year and thrown on the grant of another year.

Further, according to Para 4.2.14.1 of Accounting Policies and Procedures Manual (APPM), only those claims against the government raised within six months of their becoming due can be presented without prior authority from the Accountant General.

Provincial Disaster Management Authority (PDMA) Punjab released an amount ofRs. 14.926 million during financial year 2022-23 to DC office Mandi Bahauddin for clearance of pending liabilities of a vendor for the period of 2015-16**.**

During audit of PDMA Punjab for the financial year 2022-23, it was observed as under:

i. The approval of Finance Department and Accountant General was not obtained regarding clearance of about 6 year's old pending liability.

ii. Finance Department vide letter dated 07.06.2016 directed to probe the matter for redressal of grievances of the applicant regarding non-payment, under intimation to this office as well as Chief Minister office Punjab. However, the action was not taken.

iii. The PDMA vide letter dated 07.10.2022 had sought advice from Finance Department regarding validity of the claim and legality of release of funds. Finance Department vide its letter dated 25.10.2022 advised the Administrative Department to refer the matter to the Departmental Scrutiny Committee for its consideration and recommendations. However, the case was not presented and considered in Departmental Scrutiny Committee of the Administrative Department before release of funds.

iv. The DC office Mandi Bahauddin incurred expenditure during FY 2015-16 without open competition by declaring emergency, without having valid grounds and competency as per rules.

Audit held that release of funds for clearance of pending liability in violation of rules and instructions was irregular.

Initial audit observation was issued on 03.08.2023. The management replied that the pending liability was cleared during 2022-2023 due to paucity of funds. The Finance Department was requested to release the funds through 2nd statement of excess and surrender but no funds were provided during financial year 2015-16.

The reply of the management was not satisfactoryas pending liability was cleared in violation of rules.

DAC meeting was held on22nd to 24th November, 2023. The forumdirectedto refer the matter to Finance Department Punjab for regularization as per rules.

Audit recommends that matter may be probed and report be shared with Audit authorities.

(Para No. 16 of AIR 2022-23 PDMA Punjab)

1.4.47 Non-deduction of Government taxes from payments to DGPR in respect of advertisement services- Rs. 14.459 million

According to Section 153(1)(b) of the Income Tax Ordinance 2001, income tax at the rate of 1.5% shall be deducted from payments in respect of electronic and print media for advertising services.

Further, according to Rule 7 of Punjab Sales Tax on Services (Withholding) Rules 2015, a withholding agent who receives advertisement services provided by a person based in Pakistan or abroad shall deduct the whole amount of sales tax as mentioned in the invoice issued by the service provider.

Provincial Disaster Management Authority (PDMA)Punjab released payments amounting to Rs. 94.560 million to Directorate General Public Relations (DGPR) in respect of advertisement services for media campaign during the FY 2022.23. An amount of Rs.13.041 million was included in the bills on account of Punjab Sales Tax on Services.

During audit of PDMA for the financial years 2022-23, it was observed that Income Tax and Punjab Sales Tax on Services amounting to Rs.14.459 million was not withheld/deducted from the payments made on account of advertisement services. Details are as under:

(Rs. in million)

Sr. No.	Description	Amount
1	Income tax (94,559,954*1.5%)	1.418
2	Punjab Sales Tax on Services	13.041
Total		**14.459**

Audit held that non-deduction of Government Taxes resulted in loss to governmentrevenues.

Initial audit observation was issued on 03.08.2023. The management replied that the payment was made to DGPRfor making further payment to vendors/media agencies. The deduction of Income Tax and PST was responsibility of the office of the DGPR.

The reply of the management was not satisfactory as payment was charged to the PDMA budget. The DGPR was a facilitating agent for floating advertisement in the media.

DAC meeting was held on22nd to 24th November, 2023. The forumdirected PDMA to obtain proof of deposit of taxes in government treasury from DGPR office, reconcile and share with audit authorities. In future, all payment to DGPR be released after deduction of due taxes.

Audit recommends implementation of the DAC decision.

(Para No. 22 of AIR 2022-23 PDMA Punjab)

1.4.48 Non-deposit of withheld government taxes into Government Treasury- Rs. 3.720 million

According to Section 153 of income Tax Ordinance 2001, Income Tax @10% on all type of services shall be deducted at source.

Further, according to Sr. No.1 of the Second Schedule of the Punjab Sales Tax on Services Act 2012, Sales Tax @16% is applicable on Services provided by hotels, motels, guest houses, marriage halls including pandal and shamiana services, catering services (including all ancillary/allied services such as floral or other decoration, furnishing of space). As per Sr. No.11 & 27 of the Second Schedule, Sales Tax @16% is applicable on services provided by restaurants including cafes, food parlors, coffee houses, food huts, and similar cooked, prepared or ready-to-eat food service outlets etc. and services provided by security agency respectively.

District Disaster Management Authority (DDMA)/ Deputy Commissioner (DC) Muzaffargarh deducted/withheld an amount of Rs. 3.720 million from various suppliers during the financial year 2022-23 against procurements made for flood relief2022.

During audit of DDMA/DC Muzaffargarh for the financial year 2022-23, it was observed that various government taxes amounting to Rs. 3.720 million were deducted from the suppliers, however, the deducted amount was not deposited into Government Treasury. Details are at **Annexure-XXX**.

Audit held that non-deposit of taxes resulted in loss of Rs. 3.720 million to the government revenues.

Initial audit observation was issued on 26.08.2023. The management replied that matter is under correspondence with PDMA for guidance.

DAC meeting was held on 22nd to 24th November, 2023. The forum directed that all withheld government taxes be immediately deposited into Government treasury.

Audit recommends that responsibility may be fixed besides depositing the deduced taxes into Government Treasury.

(Para No. 6 of AIR 2022-23 DDMA Muzaffargarh)

1.4.49 Non-preparation of Annual Financial Statements by PDMAPunjab

According to Para 3.3.14.1 of Accounting Polices and Procedure Manual (APPM), an annual statement of expenditures against budget (appropriation), referred to as the Annual Appropriation Accounts, is to be prepared and published by the Provincial Accountant General. All the self-accounting entities shall prepare and publish their own Annual Appropriation Accounts, duly certified by the DG Audit.

Provincial Disaster Management Authority (PDMA) Punjab was required to prepare annual financial statements for the financial year 2022-23.

During audit of PDMA Punjab for the financial year 2022-23, it was observed that PDMA, Punjab was maintaining 9 different bank accounts. One Aasan Assignment account, one Provincial Disaster Management Fund (PDMF) account, two CM Punjab funds accounts for Corona and flood relief and 5 other accounts were maintained with the scheduled banks. PDMA was incurring expenditure out of these accounts in addition to regular budget allocations expended through AG office. However, Annual Financial Statements were not being prepared.

Audit held that Annual Financial Statements are a formal record of the financial activities and position of the entity. The objective of financial statements is to provide information about the financial position, performance and changes in financial position of an entity that is useful to a wide range of users. Moreover, financial position of the entity could not be certified without preparation of Financial Statements and submission of the same to the DG Audit.

Initial audit observation was issued on 03.08.2023. The management replied that Disaster Management Department is not a self-accounting entity, as all the payments are made either through the office of the Accountant General, Punjab or Treasury Office, Lahore. It is pertinent to mention here that vouched accounts of the disbursements through Treasury Office are regularly furnished to the office of the Accountant General, Punjab for pre-audit and accounting purposes.

The reply of the management was not acceptable as PDMA in addition to regular AG office transactions, was also operating an assignment account and a Fund account and PAO was responsible for pre-audit and accounting function.

DAC meeting was held on 22nd to 24th November, 2023. The forum directed PDMA to prepare annual financial statements.

Audit recommends that Annual Financial Statements may be prepared by the entity for each financial year.

(Para No. 38 of AIR 2022-23 PDMA Punjab)

2.3.4.1 *Punjab Emergency Service Department (Rescue 1122)*

2.1 Introduction

A. Punjab Emergency Service Department (Rescue 1122) was established under the Punjab Emergency Service Act, 2006 for professional management of emergencies such as road traffic accidents, building collapses, hazardous material incidents, fires and disasters. The mission of the department is ‘Development of Safer Communities through establishment of an effective system for Emergency Preparedness, Response and Prevention’. The stated objective of the Service is ‘Establishment of an emergency service for the purpose of maintaining a state of preparedness to deal with emergencies, to provide timely response, rescue and emergency medical treatment to the persons affected by emergencies and recommending measures to be taken by related organizations to avoid emergencies.

B. Comments on Budget & Accounts of the audited formations of Rescue 1122 (Variance Analysis)

(Rs. in million)

Financial Year	Budget	Expenditure	Savings
2022-23	950.315	766.166	184.149

Source: budget and expenditure statements

C. **Sectoral Analysis**

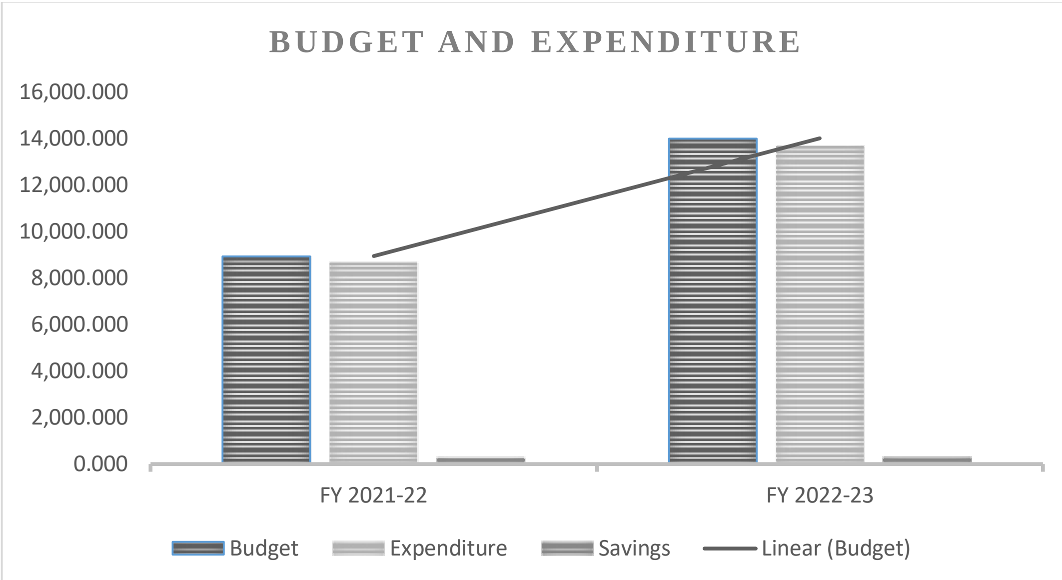
The detail of the total budget allocation and expenditure of Rescue 1122 Punjab for FY 2021-22 and 2022-23 is tabulated below:

(Rs. in million)

Financial Year	Budget	Expenditure	Savings
2021-22	8,931.837	8,674.798	257.040
2022-23	13,996.285	13,690.369	305.916
Percentage (%) increase in FY 2022-23 as compared to FY 2021-22	56.70 %	57.82%	-

Source: budget and expenditure statements1

The trend analysis reflects 56.70% increase in budgetary allocation during FY 2022-23. The main reason of increase in budget allocations was expansion of rescue services in wider geographic span through penetration at tehsil levels. The following chart portrays the increase in budget and expenditure:



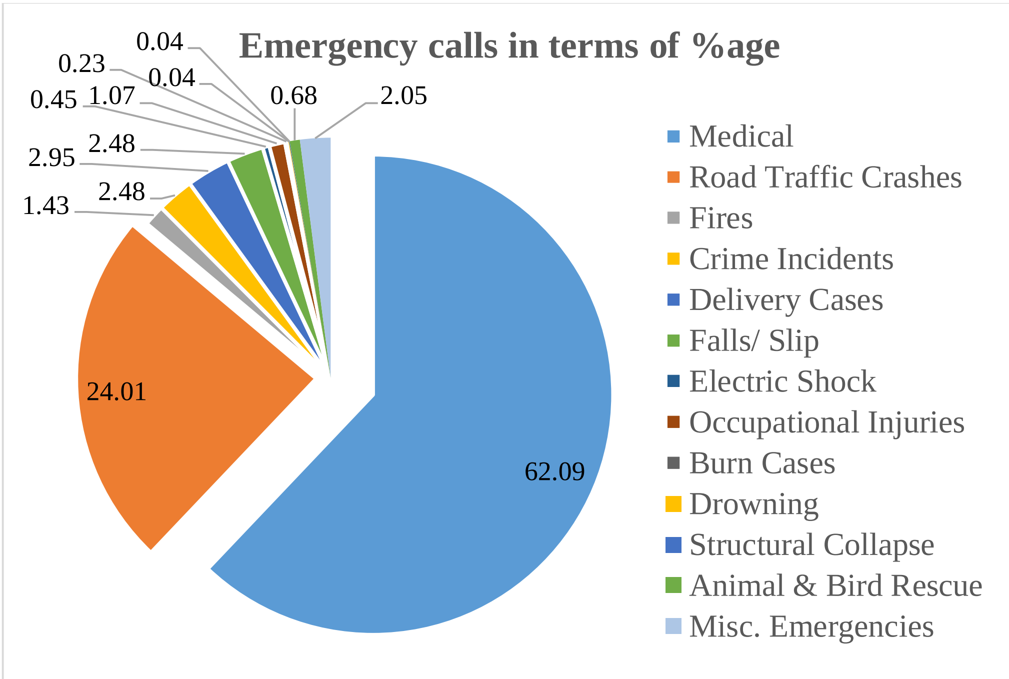
Establishment of Rescue 1122 Service was necessitated after failure of repeated attempts to revitalize and modernize the old organizations mandated for emergency management. Presently, Punjab Emergency Service Department (Rescue 1122) is the leading emergency humanitarian service in Punjab with infrastructure in all 36 districts of the province. As a result of the performance of Rescue 1122 during emergencies and disasters in recent years, it has also been notified as the Disaster Response Force by the Provincial Disaster Management Authority (PDMA) and Government of the Punjab. The major services provided by Punjab Emergency Service (Rescue 1122) include Ambulance Service, Rescue Service, Fire Service, Community Safety, Fire Safety & Prevention, Road Safety, Community Emergency Response Teams (CERTs), Safety Education and Emergency Training of Citizens.The organization is also providing technical assistance to other provinces.

The statistics of different type of emergencies attended by the Department on average numbers per day is as under:

Nature of Emergencies	**No.**	**Minor**	**Serious**	**Dead**
Medical	2909	819	1842	107
Road Traffic Crashes	1125	559	631	11
Fires	67	2	2	0
Crime Incidents	116	25	93	5
Delivery Cases	138	3	129	0
Falls/ Slip	116	33	77	1
Electric Shock	21	7	11	1
Occupational Injuries	50	25	23	0
Burn Cases	11	2	9	0
Drowning	2	0	0	2
Structural Collapse	2	1	2	0
Animal & Bird Rescue	32	0	0	0
Misc. Emergencies	96	43	34	3
Total	**4685**	**1519**	**2853**	**131**

Source: web site of Rescue 1122

Different emergencies in terms of percentage are as under:



Section (7)(d)(f) of Punjab Emergency Services Act 2006, provides that Punjab Emergency Council shall review and analyze statistics relating to all emergency incidents, accidents and disasters and the actions which have been taken by the service and make recommendations to the Government for the prevention and mitigation of hazards endangering public safety. Further as per section (5)(j) of Punjab Emergency Services Act 2006, the Rescue Service shall collect, compile, maintain and analyze emergency response data and statistics relating to emergencies and to use it for research and prevention of such emergencies. However, it was noted that analysis of data of the calls was not made by the Rescue-1122 for research and prevention of such emergencies in future, resulting in non-formulation of recommendations to the Government.

As per the Punjab Emergency Service Act 2006, the Council of Rescue-1122 Punjab shall meet at least once within three (03) months to lay down the policies and issue directions for efficient, effective and expeditious actions in dealing with emergencies etc. However, since promulgation of the Act, the Council held only seven (7) meetings which are far below the required minimum sixty-eight (68) meetings.

2.3 Brief Comments on the Status of Compliance with PAC Directives

The Directorate General Audit (CC&E) started auditing and reporting Rescue 1122 since financial year 2016-17. No Audit Report has been discussed in PAC meeting so far.

2.4 AUDIT PARAS

<u>Procurement</u>

2.4.1 Non-delivery of equipment by the suppliers despite advance payments resulting in loss to government- Rs. 86.552 million

According to clause (8) of purchase order, in case of violation (s) of any clause of purchase order, bidding documents and PPRA rules, the Department may initiate all or any of the following actions:

a. Suspension or cancellation of purchase order
b. Forfeiture of security (ies)
c. Initiation of blacklisting proceedings
d. Any other measure available as per law

Punjab Emergency Service Department (Rescue 1122 Hqs) made payment amounting to Rs. 86.552million during the financial year 2022-23 for procurement of solar systems (3KVA), mobile phones, computers and printers.

During audit of Rescue 1122 (Hqs) Punjab for the financial year 2022-23, it was observed that work orders were issued to vendors under different ADP schemes with a fix delivery period i.e. 50 days, 70 days and 120 days, however, the items were not delivered within the specified period. The firms submitted an S.R.O on 19.05.2022 issued by Ministry of Commerce, regarding restriction on imports mentioning that consignment was held-up at different ports across the country due to restrictions on imports. However, complete consignment of mobile phones and other IT equipment was not received till date of audit i.e. August, 2023. Details are at **Annexure-XXXI**.

Audit held that non-provision of items within agreed period and extended time period was violation of contract agreement resulting in loss to government.

Initial audit observation was issued on 02.08.2023. The management replied that Government had imposed restrictions on imports which affect the delivery schedule. Hence, extension in delivery period was granted to respective firms. However, the partial supplies were received up to the extended period. The remaining supplies were delayed on the part of firms for which final notices have been served to the firms for delivery otherwise action would be taken against the firms as per rules and TORs of the Purchase Orders.

The reply of the management was not acceptable as the extension was granted after expiry of the contract period and delivery was still under process.

DAC meeting was held on17.11.2023. The forum directed that a fact-finding inquiry be conducted and report be shared with audit within 30 days.

Audit recommends implementation of the DAC decision.

(AIR Para No.19 of Punjab Emergency Service Department Rescue-1122 FY 2022-23)

2.4.2 Irregular procurement of medicines / medical equipmentwithout inspection / verification from Health Department- Rs. 79.390 million

According to Sr No. 11 of the purchase orders dated, 21,03.2022, 19.04.2023, 20,01.2023, and 16.02.2023. the inspection shall be carried by the nominees of the Directorate General of the Health Services.

Punjab Emergency Service Department (Rescue-1122 Hqs) incurred an expenditure amounting to Rs. 142.067 million on medicines / medical equipments from various suppliers / vendors during the financial year 2022-23.

During audit of Rescue 1122 (Hqs) Punjab for the financial year 2022-2323, 07 bills valuing Rs. 79.390 million were selected as sample for audit scrutiny. It was observed that bills were accepted and paid without verification / inspection from Health Department which was mandatory. Details are at **Annexure-XXXII**.

Audit held that acceptance of medicines and medical equipment without mandatory inspection was violation of the terms agreed in the purchase orders.

Initial audit observation was issued on 31.07.2023. The management replied that inspection committee of the PESD has carried out the inspection andfound satisfactory in accordance with the condition No. 5 of the contract agreement.

The reply was not tenable as terms set forth in purchase orders were not adhered.

DAC meeting was held on17.11.2023. The forum directed that a fact-finding inquiry be conducted and report be shared with audit within 30 days.

Audit recommends implementation of the DAC decision.

(AIR Para No.15 of Punjab Emergency Service Department (Rescue-1122) FY 2022-23)

2.4.3 Irregular payment without open competitive bidding- Rs. 5.048 million

According to Rule 9 of Punjab Procurement Rules 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned.

Further, according to Rule 12 of Punjab Procurement Rules 2014, a procuring agency shall advertise procurement of more than 0.2 million rupees and up to the limit of 3 million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper.

Punjab Emergency Service Department (Rescue 1122 Hqs)incurred an expenditure amounting to Rs. 5.048 million on purchase of different items under various heads.

During audit of Rescue-1122 (Hqs) Punjab for the financial year 2022-23, it was observed that an amount of Rs.5.048 million was incurred against the supplies from various suppliers by way of splitting and without advertisement in violation of PPRA rules. Details are at **Annexure-XXXIII**.

Audit held that violation of procurement rules 2014 resulted in mis-procurement and deprived the government from competitive rates through open competition.

Initial audit observation was issued on 02.08.2023. The management replied that purchases were made on different dates as and when required.

Reply of the management was not acceptable because the expenditure was incurred by way of splitting through piecemeal without annual procurement planning.

DAC meeting was held on 17.11.2023. The forum directed the department that expenditure involved may be got regularized from Finance Department and internal controls be strengthened to avoid similar recurrence in future.

Audit recommends that expenditure involved may be regularized from Finance Department.

(AIR Para No.29 of Punjab Emergency Service Department (Rescue-1122) FY 2022-23)

2.4.4 Procurement of furniture items prior to construction of emergency rescue service station-Rs 3.176 million

According to rule 2.10(b)(5) of the Punjab Financial Rules Vol-1that no money is withdrawn from the treasury unless it is required for immediate disbursement.

Punjab Emergency Service Department (Rescue 1122 Hqs) procured furnitureamounting to Rs. 3.176 million from M/s Fine Wood Works during the financial year 2022-23for Establishment of Rescue Service stations under different (ADP) schemes.

During audit of Rescue 1122 (Hqs) Punjab for the financial year 2022-23, it was observed that furniture was issued to various emergency rescue service stations, whereas the construction work of these stations was still under progress.

Audit held that early procurement and issuance of furniture without completion of construction work of rescue service stations under different ADP schemesresulted in blockade of government money as well as deterioration of the purchased items.

Initial audit observation was issued on 02.08.2023. The management replied thatthe procurement process for furniture items was initiated as the construction work of most of the stations was completed or near to completion.

Reply of the management was not cogent as furniture was procured before completion of construction work of rescue buildings.

DAC meeting was held on17.11.2023. The forum directed to conduct a fact-finding inquiry to fix the responsibility on the person (s) at fault and report be shared with audit within 30 days.

Audit recommends implementation of the DAC decision.

(AIR Para No.20 of Punjab Emergency Service Department Rescue-1122 FY 2022-23)

HR / Internal Controls Weaknesses

2.4.5 Non-deduction of Income Tax from suppliers- Rs. 2.353 million

According to Section 153 (1) of Income Tax Ordinance 2001, every person making a payment in full or part including a payment by way of advance to a resident person shall at the time of making the payment deduct income tax from the gross amount payable at the rate specified in Division III of Part III of the First Schedule.

Punjab Emergency Service Department (Rescue 1122 Hqs) incurred an expenditure amounting to Rs. 15.526 million under various heads of accounts during the financial year 2022-23.

During audit of Rescue 1122 (Hqs) Punjab for the financial years 2022-23, it was observed that procurement of machinery, hardware and medicine was made from suppliers, however, income tax was not deducted. Details are at **Annexure XXXIV**.

Audit held that non-deduction of income tax from suppliers resulted in loss to the government revenues.

Initial audit observation was issued on 02.08.2023. The management replied that the goods supplied were imported in the name of vender and supplied in the same condition and taxes were deducted at the time of import. Further, some suppliers were manufacturer of drugs and FBR had issued exemption certificatesfor supply of own manufactured goods.

Reply of the management was not cogent as documentary evidence in support of replywas not provided.

DAC meeting was held on17.11.2023. The forumdirected that relevant record i.e. GDs forms / bill of entries etc. be provided to audit for verification within 15 days.

However, relevant record was not provided till finalization of this report.

Audit recommends implementation of the DAC decision.

(AIR Para No.23 of Punjab Emergency Service Department (Rescue-1122) FY 2022-23

2.4.6 Non-preparation of PC-V of the completed development schemes

According to Planning Commission Proforma revised in 2005, PC-V proforma is to be furnished by 31st July of each year for 5 years after completion of Project indicating Projects operational results during the last financial year.

PunjabEmergency Service Department (Rescue 1122 Hqs) have 02 completed projects on account of establishment of Rescue 1122 station since last 05 years.

During audit of Rescue 1122 (Hqs) Punjab for the financial year 2022-23it was observed thatPC-V of the completed projects as required under rules were not prepared as detailed below:

(Rs. in million)

Sr. No.	Name of schemes	Completion date as per PC-1	Actual date of completion	Cost
1	Strengthening of Emergency Service Academy, Lahore	January, 2018	June, 2020	460.663
2	Establishment of Rescue Office 1122 at Khudian district Kasur	June, 2019	April, 2019	20.613

Audit held that non-preparation of PC-V was violation of policy guidelines of the planning commission. Moreover, the extent of achievement of annual targets, planned and actual recurring cost, planned and actual manpower and planned & actual benefits to the economy etc. could not be ascertained without preparation of PC-V.

Initial audit observation was issued on 31.07.2023. The management replied that Department conducts annual operational monitoring of projects resultsafter implementation of emergency services projects through Provincial Monitoring Cell (PMC) established at Headquarters.

DAC meeting was held on17.11.2023. The forum directed to ensure compliance and outcome of the same be shared with audit authorities for verification.

Audit recommends that the PC-Vmay be prepared and furnished to Planning Commission as required.

(AIR Para No.13 of Punjab Emergency Service Department Rescue 1122 FY 202223)

2.4.7 Excess payment over and above the PC-I cost- Rs. 2.569 million

According to Sr. No. 3(III) of PC-I of strengthening of Emergency Services in all Districts of Punjab (ADP 2021-22, G-No.6885), UPS (1KVA) per unit cost was Rs. 22,000 and total cost of 330 units was Rs. 7,260,000.

Punjab Emergency Service Department (Rescue 1122 Hqs) issued a purchase order amounting to Rs. 9.829 million to M/s Paradigm Soft on 27.04.2022 for procurement of 330 units of (1 KVA) UPS for computers during the financial year 2022-23.

During audit of Rescue 1122 (Hqs) Punjab for the financial year 2022-23, it was observed that 330 UPS(1 KVA) were procured at the rate of Rs.29,786 per unit.Hence an amount of Rs. 2.569 million (330*7,786= 2,569,380) was expended beyond the provision of PC-1. Further, all UPS were not issued and still lying in the warehouse as construction work of ADP scheme for Strengthening of Emergency Services in all Districts of Punjab was still in progress.

Audit held that procurement made over and above the approved cost was the violation of PC-I and tantamount to undue favor to supplier.

Initial audit observation was issued on 02.08.2023. The management replied that the lowest offered price was competitive to market and economical. Moreover, the increase in offered price as compared to the price of PC-1 was only due to high inflation during 2022-2023.

Reply was not satisfactory as expenditure was incurred beyond the provision of PC-1. Further, procurement was made without need assessment which resulted in blockage of government funds.

DAC meeting was held on 17.11.2023. The forum directed the department to revise the PC-I and share with audit authorities.

Audit recommends implementation of the DAC decision.

(AIR Para No.18 of Punjab Emergency Service Department (Rescue 1122) FY 2022-23)

2.4.8 Non-auction of unserviceable stock resulting in wastage of government money

According to Rule (15) of Punjab Emergency Service Financial Rules 2007, the Service shall have condemnation committee for recommending the condemnation of an equipment, vehicles or stores in use of the service, on periodical basis for timely replacement and disposal of discarded stores through auction.

Further, according to Rule 13(3) of Punjab Emergency Service Financial Rules 2007, the Service may handover a vehicle which is being replaced to Government hospital for less robust use or may dispose it of in accordance with the instruction of the Government.

Punjab Emergency Service Department (Rescue 1122 Hqs) held 1,101 unserviceable items / stock and 29 vehicles during the financial year 2022-23.

During audit of Rescue 1122 (Hqs) for the financial years 2022-23 it was observed that the condemnation committee recommended vehicles for auction on 15.03.2023. However, unserviceable vehicles and other store items were not auctioned.

Audit held that non-auction of the condemned ambulances and other store items resulted in loss to the government as well as further deterioration and depreciationof the unserviceable items and vehicles.

Initial audit observation was issued on 31.07.2023. The management replied that auction process for 72 vehicles was successfully accomplished on 15.03.2023 in which 29 vehicles did not fetch any bid higher than the reserve price determined by Motor Vehicle Examiner. A new auction process is under way after re-evaluation of reserve prices of these 29 vehicles from Motor Vehicle Examiner.

DAC meeting was held on17.11.2023. The forumdirected to auction the unserviceable stock at the earliest.

Audit recommends implementation of the DAC decision.

(AIR Para No.12 of Punjab Emergency Service Department Rescue-1122 FY 2022-23)

2.4.9 Non-conducting of quarterly inspections

According toRule 14(4) of Punjab Emergency Service Financial Rules, 2007, the officer in-charge of the stores shall carry out a quarterly inspection to verify the quantity and conditions of vehicles, equipments and stores maintained by at each district or wing of the Service. The officer shall submit the report of inspection to the Director General.

Punjab Emergency Service Department (Rescue 1122 Hqs) procured176,131 items of medical equipments, stationery and other stores amounting toRs. 178.549 million during financial year 2022-23. Details are attached at **Annexure-XXXV.**

During audit of Rescue-1122 (Hqs)Punjab for the financial year 2022-23, it was observed that quarterly inspection was not carried out to verify thequantity and conditions of equipment and stores maintained by each district and wing of the Service.

Audit held that withoutquarterly inspection of stock and stores, the quantity and quality of items could not be verified. Further, the chance of theft could not be ruled out.

Initial audit observation was issued on 02.08.2023. The management replied thatmost of these items were received in May and June 2023 and issued to Districts / field offices of PESDafter inspection. The physical verification of these items shall be conducted in coming months for financial year 2023-24 and the report will be shared with audit.

DAC meeting was held on17.11.2023. The forum directed the department to constitute a committee to probe the matter and results be shared with audit authorities.

Audit recommends implementation of the DAC decision.

(AIR Para No.09 of Punjab Emergency Service Department Rescue-1122 FY 2022-23)

Public Service Delivery / Performance

2.4.10 Non-convening of meetings of Punjab Emergency Rescue Council (Rescue-1122)in accordance with the Act

According to clause (6) of Punjab Emergency Rescue Service Act, 2006 notified on 19th June, 2006, there shall be Council of the Rescue-1122 Punjab headed by Chairman (Chief Minister of Punjab) and the Council shall meet at least once within three (03) months to lay down the policy and issue directions for efficient, effective and expeditious actions in dealing with emergencies etc.

Punjab Emergency Service Department (Rescue-1122Hqs) was required to convene meetings of Punjab Emergency Rescue Council as required under the Act.

During audit of Rescue-1122 (Hqs) Punjab for the financial year 2022-23, it was observed that the Punjab Emergency Rescue Council meetings were not convened during the year.Further, it was also observed that since promulgation ofthe Punjab Emergency Rescue Service Act, 2006, only seven (07) meetings of Council were held which were far below the required minimum Sixty-eight (68) meetings.

Audit heldthat non-convening of Council meetings was violation of the Act resulting into lack of strategic direction for the organization.

Initial audit observation was issued on 31.07.2023 and 02.08.2023 for response of the management. The management replied that so far, 07 meetings of the Council had been convened and the last meeting was held on 03.03.2022. Further, Summary for the Chief Minister/ Chairman Punjab Emergency Council for convening the 8th Council meeting was initiated by the Secretary PESD on 29.12.2022 which is still not convened.

DAC meeting was held on17.11.2023. The management apprised the forum that Summary for the Chief Minister/ Chairman of Punjab Emergency Council was initiated on dated 29.12.2022 and 03.01.2023 during financial year 2022-23. However, the Provincial Assembly was dissolved on 14.01.2023 therefore Council meeting could not be convened. The forum directedto stand the para till convening of Council meeting in accordance with Act.

Audit recommends that meetings of the Rescue 1122 Council may be convened for prescribing policies and providing strategic directionsfor efficient, effective and expeditious actions in dealing with emergencies in the province.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 1.4.1. Recurrence of same issue / irregularity is a matter of serious concern.

. (AIR Para No.03 of Punjab Emergency Service Department Rescue-1122 FY 2022-23)

Chapter-3

Environmental Protection Agency, Punjab

3.1 Introduction

A. Environmental Pollution Control Organization (EPCO) was created in the year 1975 as a nucleus organization in the Public Health Engineering Department (PHED), Punjab to ensure control, reduction and elimination of pollution in Punjab. EPCO focused on some areas of the environment but detailed work and follow up was not possible due to its limited scope.

On December 31, 1983, under the Pakistan Environmental Protection Ordinance, a provision was made for the establishment of Provincial Environmental Protection Agency. In 1985, the Federal Government was requested to delegate powers of the Agency to the Housing Physical and Environmental Planning (HP&EP) Department. On July 1, 1987, Environmental Protection Agency (EPA), Punjab was formed. Punjab was the first province where an EPA was created in the best interest of citizens. The staff of the existing Directorate of EPCO was transferred to EPA, Punjab.

On December 31, 1996, a separate administrative unit, Environment Protection Department (EPD) was formed under the Government of the Punjab. EPA Punjab was then detached from the HP&EP Department and now works as functional unit under the EPD, Punjab.

After 18th Amendment in the Constitution of Islamic Republic of Pakistan 1973, the subject of Environment was devolved to the provinces. Punjab province enacted the Punjab Environmental Protection Act, 1997 and framed rules and regulations for carrying out the purposes of the Act. Presently, the Environmental Protection Agency Punjab is an attached department working under administrative control of Environment Protection Department.

B. Comments on Budget & Accounts of the audited formations (Variance Analysis)

(Rs. in million)

Financial Year	Budget	Expenditure	Savings
2022-23	870.023	624.912	245.111
Source: budget and expenditure statements			

C. **Sectoral Analysis**

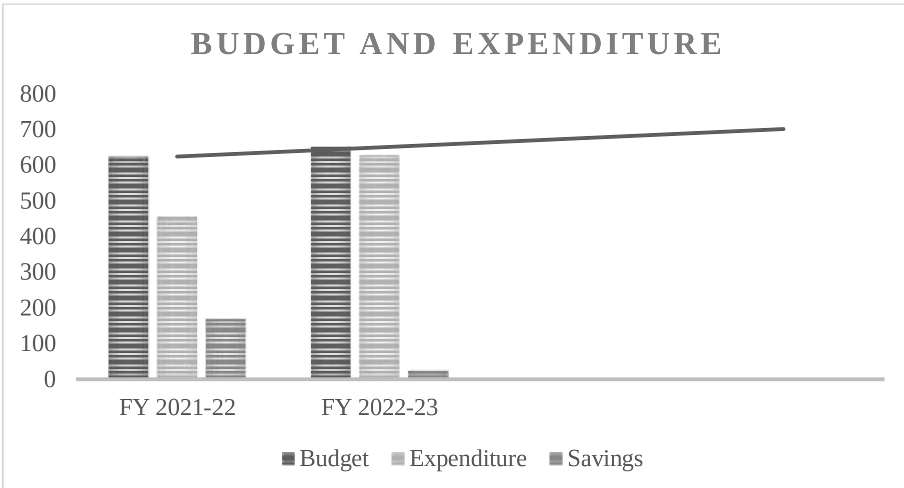
The detail of the total budget and expenditure of Environment Protection Department for current year and previous year is tabulated below:

(Rs. in million)

Source: budget and expenditure statements

Financial Year	Budget	Expenditure	Savings
2021-22	624.941	455.638	169.303
2022-23	870.023	624.912	245.111

Graphical representation of budget utilization and unspent balances is reflected in chart as under:



Strategic Interventions by the Agency:

- Implementation of interventions under World Bank funded Punjab Green Development Programme (PGDP)
- Enhanced environmental quality monitoring systems for Punjab Air, Surface and Ground water resources by establishing air and water quality monitoring station in Punjab.
- Restructuring and capacity building of Environment Protection Department (EPD) to effectively enforce the regulatory framework and environment protection.
- Establishment of Environmental laboratories at DG Khan and Bahawalpur to strengthen the environmental monitoring in south Punjab.
- Establishment of Environmental Endowment Fund/Provincial Sustainable Development Fund (PSDF) for promoting green investments in the province, which is also reflected as Environmental Endowment Fund (EEF) under PGDP.

Based on the findings of this report and previous audit reports, it appears that Punjab Environmental Protection Agency has not been able to fully achieve its objectives as were conceived since inception and effective environmental protection in the province remains an issue.

EPA Punjab is required to take concrete steps and improve its monitoring mechanism and strengthen the existing enforcement regime. Further, lack of coordination between EPA (Hqs) and District offices has also led to increased cases of non-compliance of environmental laws. EPA is required to put in place a proper coordination/mechanism between the Headquarters and the regional offices for smooth functioning and implementation of EPA Act and Regulations in letter and spirit for the betterment of the environment in the province.

2.3.4.2 Table-I Audit Profile of Environment Protection Department Punjab

(Rs. in million)

Sr. No.	**Description**	**Total Nos**	**Audited**	**Expenditure audited FY 2021-22**

4.	Foreign Aided Project (FAP)	01	01	2,746.880

3.2 Classified Summary of Audit Observations

Audit observations amounting to Rs.476.368million have been raised in this report pertaining to Environmental Protection Agency (EPA) Punjab. Summary of the audit observations classified by nature is as under:

Table-II Overview of Audit Observations

(Rs. in million)

Sr. No	Classification	Amount
1.	**Financial Management**	**466.563**
2.	**Irregularities**	**9.805**
A	Procurement	9.805
B	Internal Controls Weaknesses	0

3.3 Brief Comments on the Status of Compliance with PAC Directives

The Directorate General Audit (CC&E) started auditing and reportingEnvironmental Protection Department and EPA Punjab since financial year 2016-17. No Audit Report has been discussed in PAC meeting so far.

3.4 AUDIT PARAS

Financial Management

3.4.1 Unauthorized transfer of funds from Assignment Account to commercial bank and non-surrender of unspent balances- Rs. 464.366 million

According to Assignment Account Procedure circulated vide Controller General of Accounts letter No. 136/CGA/A.A./Rp-2018(LC) dated 26.10.2020, cash withdrawal or transfer of funds to any bank is not allowed. The PAO shall submit a certificate to the Finance Department on half yearly basis that public money is not transferred from Assignment Account to any other bank account.

Further, according to Para 14.3 of Punjab Budget Manual, all savings or unspent funds shall be surrendered / reported to Govt. through statement of excesses and surrenders, so that balances may be transferred / distributed to other needy departments of the Government to avoid the lapse of appropriations.

Punjab Small Industries Corporation (PSIC) an implementing agency of Punjab Green Development Programme (PGDP) under Environment Protection Departmentmaintained ASAAN Assignment Account No. 1173856153" in the name of Managing Director Punjab Small Industries Corporation.The Finance Department had released an amount ofRs. 464.336 million under two development schemesduring the financial year 2022-23.

During audit of Program Delivery Unit of PSIC(under FAP audit of PGDP)for the financial year 2022-23, it was observed that the department unauthorizedly transferredfunds amounting to Rs. 464.336 million from Assignment Account to Bank of Punjab (BOP) in violation of the notified procedure.

It was further observed that an expenditure of Rs. 34.364million was incurred up to June, 2023 and balance amount of Rs. 429.972 million was not surrendered and remained parked in the commercial Bank. Details are at **Annexure-XXXVI.**

Audit held that transfer of fundsfrom assignment account to commercial account,besides, non-surrendering of unspent funds was violation of rules.

The audit observation was issued on 07.11.2023. The management replied that PSIC opened commercial Bank account of both schemes in Bank of Punjab with the approval of Finance Department. However, PSIC would ensure approval from Finance Department for advance withdrawal of funds.Further, gestation period of the scheme was going tobe expired in June, 2023; therefore,funds were transferred into commercial bank account of the scheme.

The reply of the management was not acceptable as the entity was not authorized to transfer funds from Assignment account to commercial bank and retain unspent balances at the year end.

DAC meeting was held on 10.01.2024. The forum directed that management to take up the matter with Finance Department, Punjab for opinion and regularization.

Audit recommends that the management may retrieve the funds from Bank of Punjab and return to the Finance Department.

(Para 4.3.1, 4.3.2 of PGDP- PSIC FY 2022-23)

3.4.2 Expenditure incurred without budgetary allocation- Rs. 2.197 million

According to Para 4.5.4.4 of Accounting Policies and Procedures Manual, the approving officer shall ensure that the account to which the voucher is to be charged is correct and is shown on the face of each voucher.

Environment Protection Agency (EPA), Punjab incurred an expenditure amounting toRs. 2.197 million on different activities including repair of machinery and hardware, purchase of office stationery and other miscellaneous items during the financial years 2021-23.

During audit of EPA Punjab for the financial years 2021-23, it was observed as under:

i. Procurement of computer hardware, furniture & fixture was made under the head of other miscellaneous A03970 instead of relevant head of account.
ii. Expenditure on repair of hardware was made from repair of machinery.
iii. Purchase of furniture & fixture was made from cost of other store. (A03955)
iv. Purchase of machinery was made under the head of stationary (A03901) instead of relevant head of accounts.i,e. A09601.

Audit held thatexpenditure was incurred under wrong heads of accounts due to non-availability of budget in actual heads which resulted in misclassification and expenditure without budgetary allocations.

Initial Audit observation was issued on 18.08.2023. The management replied that expenditure was made under proper heads.

The reply was not satisfactory as expenditure was incurred without budgetary provision in the relevant and specified heads.

DAC meeting was held on17.11.2023. The forum directedto regularize the case from Finance Department, Punjab.

Audit recommends implementation of the DAC decision.

(AIR Para No.20 of AIR EPA,DD Lab & DG Env Lahore FY 2021-23)

<u>Procurement</u>

3.4.3 Irregular procurement through splitting of expenditure- Rs. 9.805 million

According to Rule 9 of Punjab Procurement Rules 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned.

Further, according to Rule 12 of Punjab Procurement Rules 2014, a procuring agency shall advertise procurement of more than 0.2 million rupees and up to the limit of 3 million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper.

Environment Protection Agency (EPA), Punjab incurred an expenditure amounting toRs. 9.805 million on purchase of different types of items under various heads of accounts during the financial years 2021-23

During audit of EPA, Punjab for the financial years 2021-23, it was observed that the expenditure was incurred against the supplies from various suppliers by way of splitting of expenditure and without advertisement and open competition in violation of PPRA rules.Details are at**Annexure-XXXVII.**

Audit held that violation of procurement rules 2014 resulted in mis-procurement and deprived the government from competitive rates through open competition.

Initial Audit observation was issued on 18.08.2023. The management replied that procurements were made on need basis and as per available budget.

DAC meeting was held on 17.11.2023. The forum directed that the expenditure involved should be regularized from competent forum. Further, EPA should strengthen internal controls to avoid similar recurrence in future.

Audit recommends implementation of the DAC decision.

(AIR Para No.21 of AIR EPA, DD Lab & DG Env Lahore FY 2021-23)

<u>HR / Internal Controls Weaknesses</u>

3.4.4 Inordinate delay in granting of Environmental approvals by EPA (IEE and EIA)

According to Section 12(4) of Punjab Environmental Protection Act 1997, the Provincial Agency shall communicate approval or otherwise within a period of four months from the date of the initial environmental examination or environmental impact assessment is filed complete in all respects in accordance with the prescribed procedure, failing which the initial environmental examination or, as the case may be, the environmental impact assessment shall be deemed approved, to the extent to which it does not contravene the provisions of this Act and the rules and regulations made thereunder.

Environmental Protection Agency Punjab (Hqs) approved 199 cases of EIAs and District Environmental Office Lahore approved 66 cases of cases of IEEs during the financial year 2021-23.

During audit of Environment Protection Agency (Hqs) and District Environment Office Lahore for the financial years 2021-23, a sample of 20 approved cases of EIAs and 12 approved cases of IEEs wereselected on a test check basis. It was observed that approval of 18 out of 20 cases of EIAs and 08 out of 12 cases of IEEswas abnormally delayed and approvals were not issued within the required due dates. Details are at **Annexure-XXXVIII**.

Audit held that delayed processing and non-issuance of approvals within the specified time was a violation of Punjab Environmental Protection Act 1997 resulting into operation of activities in the absence of necessary environmental approval.

Initial Audit observation was issued on 18.08.2023. The management replied that delay was occurred due to non-submission of essential documentation by the proponents.

DAC meeting was held on17.11.2023. The forumdirectedthat EPA Punjab should devise a strategy keeping in view the available resources to fast track the processing of environmental approvals and their issuance within the specified period in the act.

Audit recommends implementation of the DAC decision.

(AIR Para No.07 of AIR EPA,DD Lab & DG Env Lahore FY 2021-23)

3.4.5 Non-monitoring of essential conditions stipulated in the environmental approvals granted by EPA

According to environmental approvals issued to 5 different proponents, there were certain conditions to be fulfilled during operational phase of the projects.

Environmental Protection Agency, Punjab issued conditional environmental approval to 5 different proponents for the applied projects.

During audit of EPA Punjab for the financial years 2021-23, it was observed that EPA Punjab had not monitored the compliance of the conditions of environmental approvals and proponents failed to comply with the conditions. Details are at **Annexure-XXXIX.**

Audit held that non-monitoring by EPA resulted in violation of conditions of environmental approval having serious implications for environment in the province.

Initial Audit observation was issued on 18.08.2023. The management replied thatstatus of implementation of environmental approval’s conditionswill be monitored.

DAC meeting was held on17.11.2023.The forumdirected that necessary steps should be taken for monitoring of the conditions set forth while issuance of approvals.

Audit recommends implementation of the DAC decision.

(AIR Para No.03, 04, 05 of AIR EPA,DD Lab & DG Env Lahore FY 2021-23)

3.4.6 Non-conducting of site inspection visits and delay in visits of ongoing projects

According to Regulation 17(1) of Punjab Environmental Protection Agency Review of Initial Environmental Examination and Environmental Impact Assessment Regulations 2022, for the purpose of verification of any matter relating to review or to conditions of approval of an initial environmental examination or environmental impact assessment prior to, during, or after the commencement of construction or operation of a project, duly authorized staff of the agency shall be entitled to enter and inspect a project site, factory building and plant and equipment installed therein.

Environmental Protection Agency Punjab had registered 878 cases of EIAs and 1,155 cases of IEEs during the financial years 2021-23.

During audit of EPA Punjab and District Environment Office Lahore for the financial years 2021-23, a sample of 45 under process and approved cases was taken and it was observed that EPA had not carried out site inspections in 20 cases. Further, in all approved cases of IEEs and EIAs, the site inspection was made after lapse of a considerable time.

Audit held that non-conducting of site inspection of under process cases and inordinate delays insite inspection of approved cases was violation of the regulations resulting in unchecked activities by the proponents.

Initial Audit observation was issued on 18.08.2023. The management replied that site inspection will be expedited in due course of time.

DAC meeting was held on17.11.2023. The forum directed that site inspection / visits should be made according to time frame.

Audit recommends implementation of the DAC decision.

(AIR Para No.12 of AIR EPA,DD Lab & DG Env Lahore FY 2021-23)

3.4.7 Inaction by EPA against the liquid waste and air polluters in the province

According to Section 11 of Punjab Environmental Protection Act 1997, certain discharges or Emissions / effluents or waste/pollutants are prohibited which are in excess of Punjab Environmental Quality Standards. Those contravenes or fails to comply with the provision may be levied a pollution charge.

Environment Protection Agency, Punjab received 633 Lab test cases of liquid wasteand air pollution during financial years 2021-2023. As per lab reports, 122 cases were declared as unfit and were referred to P&C Section of EPA for further necessary action against violators.

During audit of EPA Punjab (Deputy Director Environment Lab), Lahore for the financial years 2021-23, it was observed that 73 unfit cases of liquid waste and 49 unfit cases of air pollution were referred to P&C Section of EPA, however, after lapse of considerable time neither any action was taken nor any fine was imposed on the polluters. Details are at **Annexure-XL**.

Audit held that non-imposition of penalty was unjustified and violation of EPA Act, 1997.

Initial Audit observation was issued on 18.08.2023. The management replied that cases are in process for initiating actions against the violators as per law.

DAC meeting was held on 17.11.2023. The forum directed that management should take action against polluters and results be shared with Audit authorities.

Audit recommends implementation ofthe DAC decision.

(AIR Para No.17 of AIR EPA,DD Lab & DG Env Lahore FY 2021-23)

3.4.8 Non-finalization of preliminary scrutiny of EIAs & IEEs cases within specified time period

According to Regulation 8(1) of Punjab Environmental Protection Agency Review of Initial Environmental Examination and Environmental Impact Assessment Regulations 2022, the Agency within 10 working days of filing of Initial Environmental Examination and Environmental Impact Assessment, shall:

a) Confirm that the initial environmental examination or environmental impact assessment is complete for the purposes of initiation of the review process; or

b) Require the proponent to submit such additional information as may be required; or

c) Return the initial environmental examination or environmental impact assessment to the proponent clearly listing the contents requiring further study and discussion.

Further, according to Rule 8(2) of Punjab Environmental Protection Agency Review of Initial Environmental Examination and Environmental Impact Assessment Regulations 2022, in case the proponent fails to submit the required documents or conduct further study or discussion after three notices served to him by the agency, with a gap not less than seven days, his application shall be closed and he shall be required to submit a fresh application for approval.

Environmental Protection Agency, Punjab had 816 under process cases of IEEs out of which 153 cases pertained to District Environment office Lahore. Similarly, there were 663 under process cases for EIAs during the financial year 2021-23.In order to review the cases, Audit picked up a sample of 33 cases of EIAs and IEEs. Details are at **Annexure-XLI.**

During audit of EPA Punjab and District Office Lahore for the financial years 2021-23, it was observed that preliminary scrutiny was not made within 10 days. In 11 cases, EPA had not issued first notice and in remaining 22 cases subsequent notices for submission of missing documents. Further, EPA Punjab had not taken any action against the proponent for non-submission of required documents.

Audit held that inordinate delay in preliminary scrutiny and non-submission of required documents by the proponents was the violation of the Regulations.

Initial Audit observation was issued on 18.08.2023. The management replied that proponents failed to submit the complete required documentations.

The reply was not satisfactory as EPA had not served the notices in time for submission of required information by the proponents.

DAC meeting was held on17.11.2023. The forum directed that Management should take corrective measures to comply with the timeline given in the Regulations.

Audit recommends implementation of the DAC decision.

(AIR Para No.11 of AIR EPA,DD Lab & DG Env Lahore FY 2021-23)

3.4.9 Non-formulation of rules/regulations for projects/units established before promulgation of the EPA Act

According to Section 12(1) of Punjab Environmental Protection Act 1997, no proponent of a project shall commence construction or operation unless he has filed with the agency an initial environmental examination or, where the project is likely to cause an adverse environmental effect, an environmental impact assessment, and has obtained approval in respect thereof.

Environment Protection Agency, Punjab was established in 1987 for protection, rehabilitation and improvement of the environment as well as prevention and control of pollution and promotion of sustainable development.

During audit of EPA Punjab forthe financial year 2021-23, it was observed that obtaining environmental approval was mandatory for the units established after promulgation of the Act. However, no provision existed in the Act for the units which were established before 1997 for filing of IEE/EIA/Checklist and obtaining environmental approval.

Audit held that no rules/regulation were framed to govern the units which were established and operationalized before promulgation of the Act of 1997.

Initial Audit observation was issued on 18.08.2023. The managementreplied that matter will be taken up and discussed at appropriate level.

DAC meeting was held on17.11.2023. The forum directed to take up matter with Law Department for guidance.

Audit recommends implementation of the DAC decision.

(AIR Para No.13 of AIR EPA,DD Lab & DG Env Lahore FY 2021-23)

3.4.10 Non-registration of environmental consultants leading to unauthentic environmental approvals

According to Regulation (3) of Punjab Environmental Protection (Registration of Environmental Consultants) Regulations, 2017, from such dateas may be notified by the Government in official gazettewhich shall not be later than one calendar, the agency shall not accept an environmental assessment under Section 12 of the Act, unless it is prepared by a consultant validly register with the Agency under regulation 7.

Further, according to Regulation 14 of Punjab Environmental Protection (Registration of Environmental Consultants) Regulations, 2017, the Secretary shall with the approval of the Minister, through a notification in the official gazette, prescribe guideline to define detailed procedure for registration of consultants, applicable fee, renewal of registration, certificate of practice, accreditation of individual consultants and professionals engaged by consulting firms, their work under the regulations and ancillary matters.

Environmental Protection Agency, Punjab registered 1,115 cases of IEEs and 878 cases of EIAs for issuance of environmental approvalsduring financial year 2021-23. The proponents submitted these cases through different environmental consultants.

During audit of EPA Punjab for the financial years 2021-23, it was observed that guidelines/ mechanism to define detailed procedure for registration of consultants were not formulated even afterlapse of considerable time of more than 6 years. Hence, not a single environmental consultant was registered with EPA.

Audit held that non-framing of guidelines and non-registration of environmental consultants was against the regulations which may led to preparation of IEEs and EIAs cases by non-professionals resulting in unauthentic environmental approvals by the EPA.

Initial Audit observation was issued on 18.08.2023. The management replied that guidelines will be prepared in due course of time.

The reply was not acceptable as non-preparation of guidelines and non-registration of consultants was pending since long.

DAC meeting was held on17.11.2023. The forumdirectedthat Environmental Consultants should be registered in order to define a standardized criterion.

Audit recommends that guidelines may be formulated and environmental consultants be registered in order to define a standardized criterion.

(AIR Para No.01 of AIR EPA,DD Lab & DG Env Lahore FY 2021-23)

Chapter-4

Impact Audit

Impact Audit of 'Motorbike Ambulance Service (MAS) Initiative in Rawalpindi District'

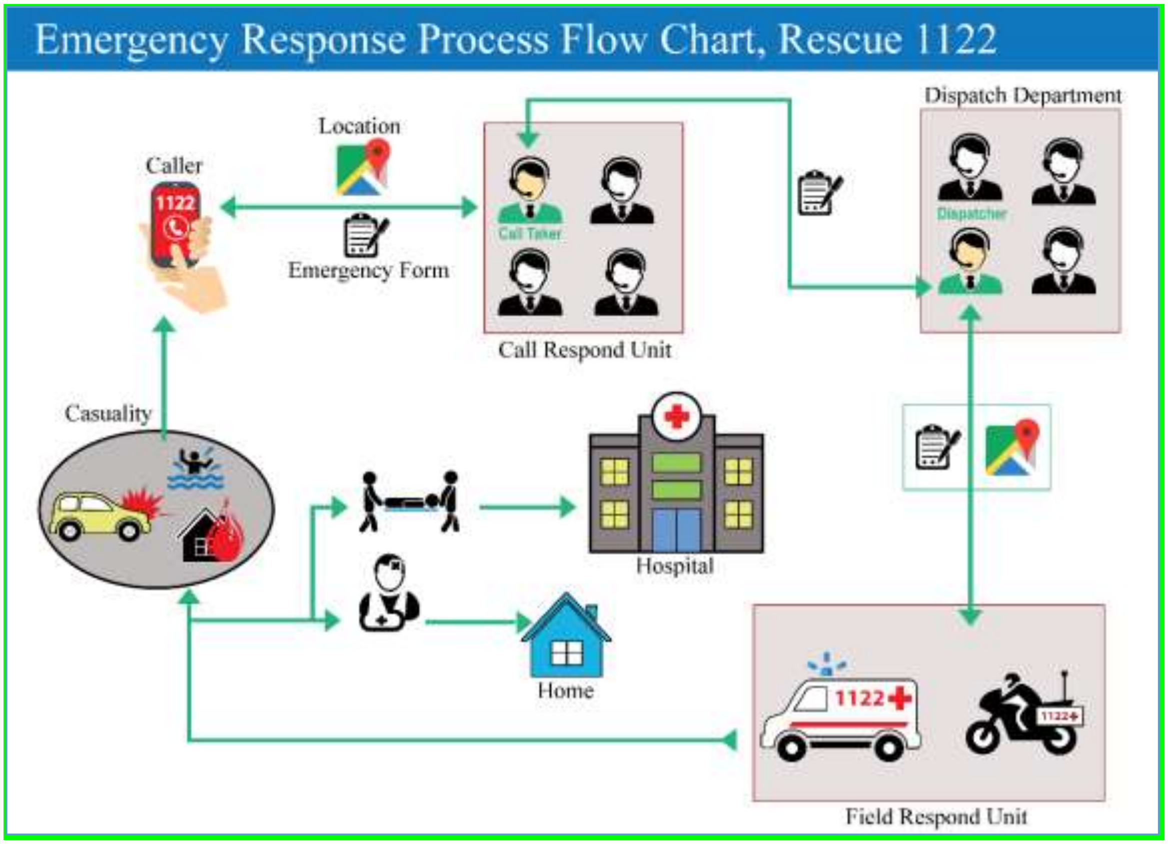
1. Introduction:

Impact audits are aimed at determining impact of initiatives or programs. Specifically, impact audit focuses on determining the outcome results attributable to an initiative, defined as a new program or recent change to an existing program. It answers cause and effect questions about the outcome results auditable to an initiative by separating other contributing factors or variables, and what is the adequacy of the results. The Directorate General Audit (Climate Change and Environment) had planned the impact audit of Motorbike Ambulance Service (MAS) initiative in Rawalpindi District in the Audit Plan 2023-24 of the Field Audit office (FAO).

Background

Prior to 2004, Pakistan did not have an organized Emergency Rescue System. Given the dire need for a professional and responsive emergency response system, Rescue 1122 was launched in the District of Lahore, Punjab in 2004. Subsequently the Service was extended to all districts and tehsils of Punjab Province. Over the past few years, it has achieved an average response time of seven minutes to the emergency call, comparable to that of developed nations. After the success of the Lahore Pilot Project launched in 2004, Rescue 1122 started expanding to the remaining Districts of Punjab and other provinces of Pakistan. Till 2017, the rescue service was provided through the conventional ambulance service and as per the data of the department, Punjab Emergency Service Department (Rescue 1122) had rescued over 12 million victims of accidents and disasters by providing timely response and professional emergency services[1]. The Emergency Response Flow Chart of Rescue 1122 is as under:

[1] Website "https://www.rescue.gov.pk/", accessed on 26.05.2023.



Over the time, traffic congestion and number of traffic accidents in major cities of Punjab necessitated the Service to review the best practices being followed by other major cities of the World to improve the emergency response in narrow streets and congested areas as timely response to emergencies so as to significantly improve survival rate amongst injured and medical patients. This led to introduction of new initiative in shape of launching the Motorbike Ambulance Service (MAS) in 2017.

Role of the Project

Motorbike Ambulance Service (MAS) is an innovative and effective way to provide emergency medical care to the patients in need. In areas where traffic congestion is a major problem or in situations where traditional ambulances cannot access, motorbike ambulances are a great solution. They are small, agile, and can easily navigate through congested areas and reach the destination quickly. In addition to their practicality and efficiency, motorbike ambulance services are also cost-effective. They are less expensive to operate and maintain as compared to traditional ambulances, which is cost effective for organizations with limited budget and resources. Following socio-economic benefits of the Motorbike Ambulance Service were conceived at the time of introduction of the initiative:

a) Reduction of average emergency response time.
b) Saving of resources in shape of saved use of conventional Ambulances.
c) Increased survival rate of victims due to swift response and timely access to narrow streets/ congested areas
d) Equipped to allow onsite Emergency Management
e) Robustness, versatility and simple maintenance

2. Overview of the Initiative:

The MAS (Phase-I) was initiated in 2017 in Punjab from non-development component of budget through SNE (Statement of New Expenditure). The phase-II of the initiative was executed in August 2020 through a PC-I titled "Motorbike Ambulance Service for Remaining 27 Districts of Punjab". During Phase-I, the Motorbike Ambulance Service (MAS) was started in all nine Divisional Headquarters of Punjab.

The deliverable of the project included to provide swift response to emergencies, ensure optimal utilization of resources in case of minor emergencies and to create a sense of safety amongst the citizen.

MAS was conceived with the following main objectives:

i) Provide swift response to accidents and emergencies and reduce response time during the peak rush hours and in narrow streets and congested areas.

ii) Ensure optimal utilization of resources in case of handling of minor emergencies by conventional ambulances.

iii) Create a sense of safety amongst citizens by ensuring swift and timely response in case of medical emergencies.

3. Scope & Methodology

Scope

The scope of the impact audit assignment extended to examining the impact of MAS initiative in Rawalpindi district (District Emergency Office, Rawalpindi). The impact audit covered the period one year before the initiative i.e. 2017 and period after the initiative i.e. 2019 to determine the impact of the intervention.

Impact audit focused on examining MAS in the following ways:

i) Analyzing reduction in response time upon introduction of initiative and consequent impact on service delivery.

ii) Analyzing the economy achieved in provision of emergency services after the initiative.

iii) Assessing the rate of increase/decrease in number of emergencies dealt after introduction of MAS.

iv) Analyzing the impact on service delivery and safety resulting from MAS initiative by citizen feedback through structured questionnaires.

Methodology

The data was gathered by applying procedures like inquiries from the management; document review; analysis of monitoring reports; citizen feedback and collection, interpretation and analysis of primary and secondary data. In order to verify and quantify the impact of MAS initiative following methodology was adopted to see it with condition and without condition.

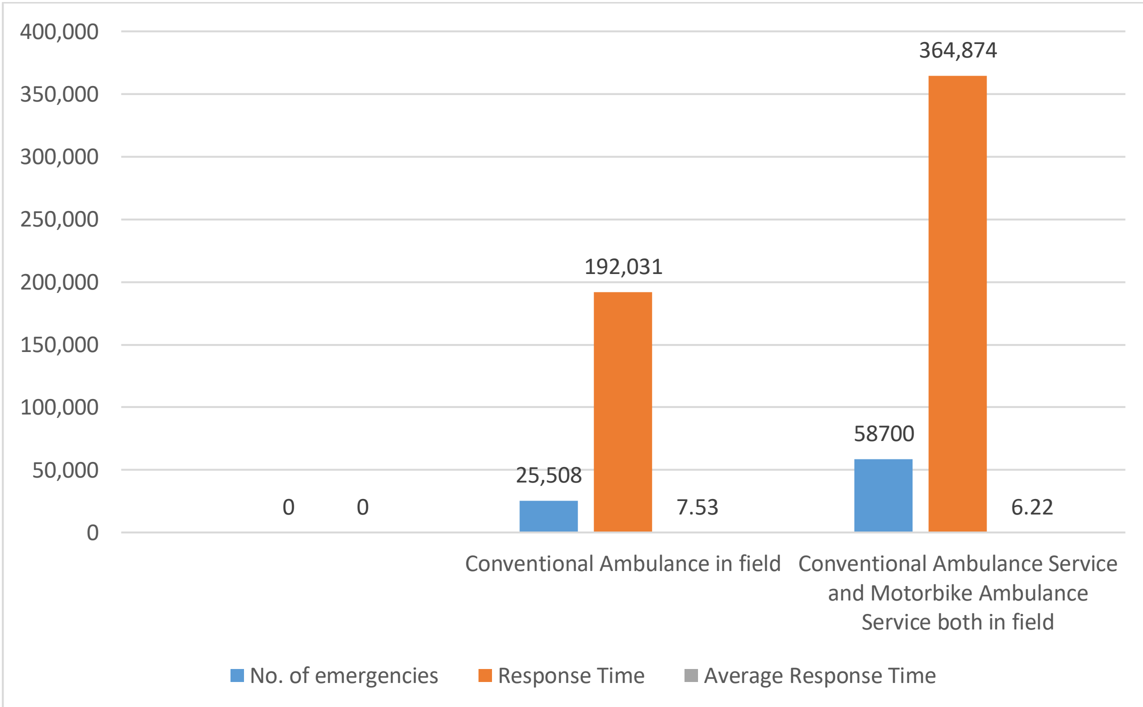
Sr. No.	Aspect	Without Condition	With Condition
1.	Reduction in response time and consequent impact on service delivery.	Response time of 7 to 9 minutes before the initiative i.e. prior to 2017.	Reduction in response time after the initiative i.e. 2019.
2.	Economy achieved in provision of emergency services after the initiative.	Average running cost of ambulance before initiative year i.e. 2017.	Average running cost of MAS after initiative year i.e. 2019.
3.	Expansion in scope/nature of emergency services after MAS.	Scope/nature of emergencies dealt one year before initiative year i.e. 2017.	Scope/nature of emergencies dealt one year after initiative year i.e. 2019.
4.	Overall impact on service delivery and safety resulting from MAS initiative.		Feedback of citizens about service delivery and safety (Year 2022).

4. Findings

4.1 Reduction in response time and consequent impact on service delivery:

Year	**Condition**	**Ambulance Type**	**No. of emergencies (entries)**	**Response Time (in minutes)**	**Average Response Time (in minutes)**
2017	Motorbike Ambulance Service not in place	Conventional Ambulance in field	25,508	192,031	7.53
2019	Motorbike Ambulance Service in place	Conventional Ambulance Service and Motorbike Ambulance Service both in field	27,864 + 30,836 = 58,700	364,874	6.22
Average response time of Conventional Ambulance Service during year 2019 was 7.40 (206,206 / 27,864)					
Average response time of Motorbike Ambulance Service during year 2019 was 5.15 (158,668 / 30,836)					

The graphical representation of data is as under:

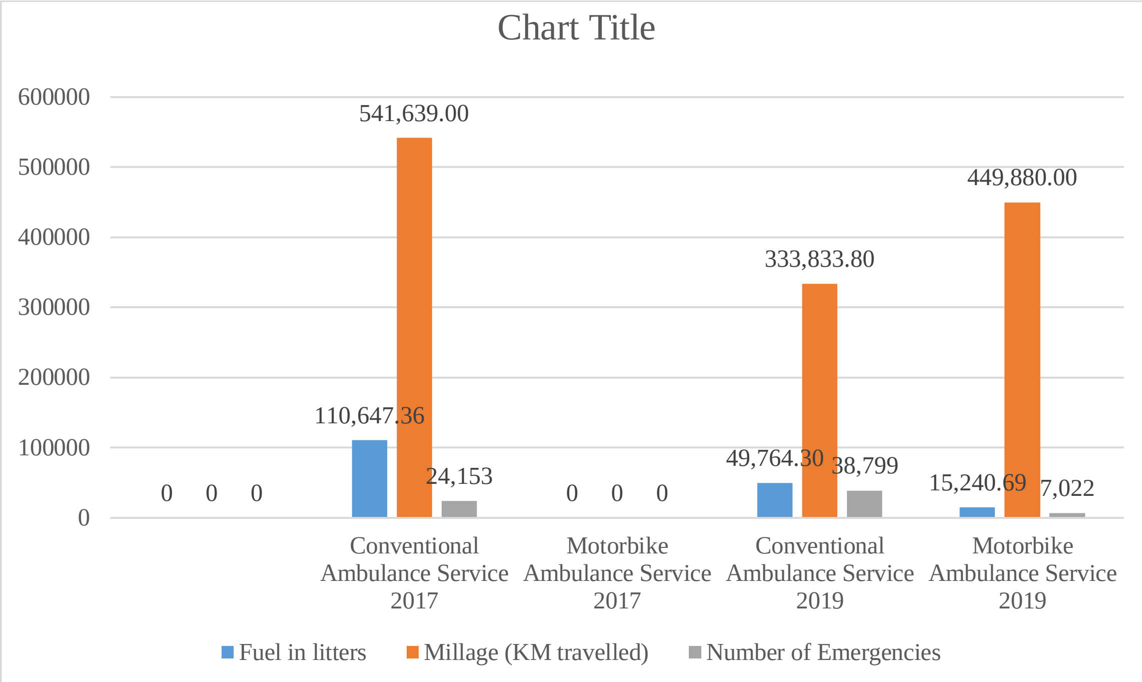


- **Condition with:** Tests / analysis showed 6.22 average response time in year 2019 after the introduction of the initiative.
- **Condition without:** Response time of Conventional Ambulance Services was 7.53 during 2017 i.e. before the initiative.
- **Impact:** The average response time was reduced in year 2019 by 1.31 minutes after the introduction of Motorbike Ambulance Service. Moreover, average response time of Conventional Ambulance Services during year 2019 was 7.40 minutes, while average response time of Motorbike Ambulance Services during year 2019 was 5.15 minutes.

4.2 Economy achieved in provision of emergency services after the initiative:

Service	Year	Fuel consumed (liters)	Millage (KMs)	Number of Emergencies
Conventional Ambulance Service	2017	110,647	541,639	24,153
Motorbike Ambulance Service	2017	Not in place		
Total		**110,647**	**541,639**	**24,153**
Conventional Ambulance Service	2019	49,764	333,834	38,799
Motorbike Ambulance Service	2019	15,241	449,880	7,022
Total		**65,005**	**783,714**	**45,821**
Reduction in fuel consumption in 2019 as compared to 2017		45,642 liters (110,647-65,005)		
Increase in millage (KM travelled) in 2019 as compared to 2017		242,075 KMs (783,714-541,639)		
Increase in number of emergencies dealt in 2019 as compared to 2017		21,668 emergencies (45,821-24,153)		
Share of Motorbike Ambulance Service	2019	23% (15,241/65,005)	57% (449,880/783,714)	15% (7,022/45,821)
Share of Conventional Ambulance Service	2019	77% (49,764/65,005)	43% (333,834/783,714)	85% (38,799/45,821)

Graphical representation of the data is as under:



- **Condition with:**Tests / analysis showed that 65,005liters of fuel was consumed, 783,714KM travelled and 45,821 number of emergencies were dealt in year 2019 after the introduction of the initiative.
- **Condition without:**During year 2017, conventional ambulances consumed 110,647 liters of fuel and travelled 541,639 KM. Further in year 2017 conventional ambulances dealt 24,153 number of emergencies.
- **Impact:**Results showedthat with introduction of Motorbike Ambulance Service in year 2019, Rescue Emergency Service 1122 Rawalpindi, not only achieved economy in fuel but also registered significant improvement in efficiency and effectiveness as compared to base year i.e. 2017 as under:

i. 41% less fuel was consumed
ii. 45% more millage covered / travelled.
iii. 89.71% increase in number of emergencies dealt in provision of emergency services.

4.3 Expansion in scope/nature of emergency services after Motorbike Ambulance Service:

Service	Year	Nature of Emergencies											
		Bomb / Blast	**Building Collapses**	**Crime**	**Cylinder Blast /**	**Drownin**	**Fall from**	**Fire**	**Train Accident**	**Medical**	**Misc.**	**RTA**	**Total**
Conventional Ambulance Service	2017	16	6	760	1	16	-	898	-	12,085	1,855	8,516	**24,153**
Motorbike Ambulance Service	2017	-	-	-	-	-	-	-	-	-	-	-	-
Conventional Ambulance Service	2019	25	19	1,093	-	31	1,446	1,206	-	20,829	2,292	11,858	**38,799**
Motorbike Ambulance Service	2019	-	-	100	1	1	248	15	-	2,571	252	3,834	**7,022**

- **Condition with:** Nature / category of emergencies dealt after introducing Motorbike Ambulance Service remained the same.
- **Condition without:** During the year 2017, 11 categories of emergencies were being dealt by Rescue 1122 Rawalpindi.
- **Impact:** No impact. Scope / nature of emergency services before and after introduction of Motorbike Ambulance Service remained same

4.4 Overall impact on service delivery and safety resulting from Motorbike Ambulance Service initiative:

A survey was conducted in order to get the feedback of citizens about service delivery and sense of safety achieved after the introduction of the initiative. For this purpose, a survey questionnaire was designed to get the feedback of citizens who had met an emergency in the year 2022which was dealt by Motorbike Ambulance Service. Asystematic sample of 200 entries (every 45th entry) of emergencies was selected from the data of 9,026 entries compiled by DEO 1122 Rawalpindi. The beneficiaries of the Service were interviewed telephonically for getting the feedback. Details are as under:

Total calls made	**Calls not received**	**Call received but was dropped**	**Calls received but recipient was not victim**	**Calls 'not responding'**	**Calls received & answered**
200	72	20	21	37	50

The following questions were asked from the 50 beneficiaries who had received the calls and answered the questions.

Q. No.	**Question**	**Responses**		**Response %**	
		Yes	**No**	**Yes**	**No**
1	Was call received by Rescue 1122 promptly and understood your problem or not?	48	2	96 %	4 %
2	What was the approx. response time of Motorbike Ambulance?	Average response time of all responses combined was 5.06 minutes			
3	Was emergency kit available in the Motorbike Ambulance?	50	0	100 %	-
4	Was your emergency / problem resolved/addressed?	50	0	100 %	-
5	Has the service quality and safety of Rescue 1122 increased after the introduction of Motorbike Ambulance Service?	49	1	98 %	2 %

6	Were you satisfied with Motorbike Ambulance Emergency Rescue Service?	49	1		98 %	2 %	
7	If satisfied, please rate the service	Very satisfied	Satisfied	Partially satisfied	Very satisfied	Satisfied	Partially satisfied
		32	12	6	64%	24 %	12%

The results of the survey indicate that out of selected sample population, the Motorbike Ambulance Service had resolved/addressed 100 % emergencies with a 98% satisfaction towards quality of service and safety aspects. Moreover, the average response time for attending the emergencies was 5.06 minutes per emergency. The results also indicate that 64% of beneficiaries were‘very satisfied’ with the service, while 24 % were ‘satisfied’.

5. Conclusion

The introduction of the Motorbike Ambulance Service initiative in 2019 in Rawalpindi District aimed to provide a swift and timely response to emergencies, surpassing the performance of the conventional ambulance service. This initiative resulted into reduction of the average emergency response time by 1.31 minutes during the year 2019 as compared to 2017 as analyzed by the audit team from the data provided by Rescue 1122.

The analysis of the data also revealed that in 2019 the Motorbike Ambulance Service shared only 15% of the total emergencies in Rawalpindi District, which appears to be on a lower side given the anticipated advantages associated with the initiatives. However, the initiative demonstrated significant accomplishments in terms of economizing fuel consumption and enhancing efficiency in mileage (kilometers traveled) compared to the baseline year of 2017 when the initiative was not in place. Furthermore, the survey carried out by the audit team showed that the initiative successfully installed a sense of safety among the general population and contributed to the overall outreach of the Service. Nonetheless, there is a need to establish a data quality assurance mechanism to ensure the internal consistency and completeness of recorded data, as data accuracy is crucial for accurately monitoring and evaluating the effectiveness of the initiative in future years for reforming the Service and introducing new dimensions for better service deliver.

AUDIT REPORT

ON

THE ACCOUNTS OF

DISTRICT EDUCATION AUTHORITIES

OF 19 DISTRICTS OF PUNJAB

(NORTH)

DISTRICT EDUCATION AUTHORITIES OF 19 DISTRICTS OF PUNJAB (NORTH)

CHAPTER 1

PUBLIC FINANCIAL MANAGEMENT

Introduction

DEAs were established on 01.01.2017 under Punjab Local Government (PLG) Act 2013 in thirty-six (36) districts of Punjab. The purpose was to provide better education facilities to the local community. DEAs are corporate bodies having perpetual succession and a common seal, with power to acquire / hold property and enter into any contract and may sue and be sued in their names.

As per Section 17(6) of PLG Act 2013, the Chairman and the CEO shall be personally responsible to ensure that business of the Authority is conducted proficiently, in accordance with law and to promote the objectives of the Authority. As per Section 92(3) of PLG Act 2013, the CEO shall be the PAO and shall perform such functions as are mentioned in this Act. The major functions of DEA are as under:

- to establish, manage and supervise the primary, elementary, secondary and higher secondary schools, adult literacy and non-formal basic education, special education institutions of the government in the district;
- to ensure free and compulsory education for children of the age from five to sixteen years as required under Article 25-A of Constitution;
- to undertake student's assessment and examinations, ranking of schools on terminal examination results and targets, promotion of co-curricular activities, sports, scouting, girl guide, red crescent, award of scholarships and conduct of science fairs in government and private schools;
- to approve the budget of the Authority and allocate funds to educational institutions;
- to plan, execute and monitor all development schemes of educational institutions working under the Authority, provided that the Authority may outsource its development works to other agencies or School Councils, and
- to constitute Schools Management Council (SMC) which may monitor academic activities.

Resource Mobilization

DEAs of Punjab, like previous year, relied on the share / grants received through Provincial Finance Commission (PFC) during FY 2022-23 to meet the administrative and operating expenses. The table given below shows that out of total receipts of DEAs, PFC share consisted of 96% during FY 2022-23 as compared to 99% during FY 2021-22.

Rs in million

Description	**2022-23**		**2021-22**	
	Amount	**%**	**Amount**	**%**
Tax Revenue	-6.053	0.003	5.620	0.003
Non-Tax Revenue • Share of PFC / Grants	189,083.827	95.774	165,248.836	98.763
• Other receipts	8,349.295	4.229	2,064.003	1.234
Total	**197,427.069**		**167,318.459**	

Source: Financial statements for the FY 2022-23 and FY 2021-22

An overall view of budget and expenditure for the FY 2022-23 is given in the table below, whereas, district wise detail of budget and expenditure is placed at **Annexure-B**.

Rs in million

Description	**Original Grant**	**Suppl. Grant**	**Surrender**	**Final Grant**	**Actual Exp.**	**Savings (-) Excess (+)**
Salary	205,694.967	12,561.636	30,116.223	188,140.380	181,950.017	-6,190.363
Non-Salary	6,828.177	1,100.833	2,410.470	5,518.540	3,979.567	-1,538.973

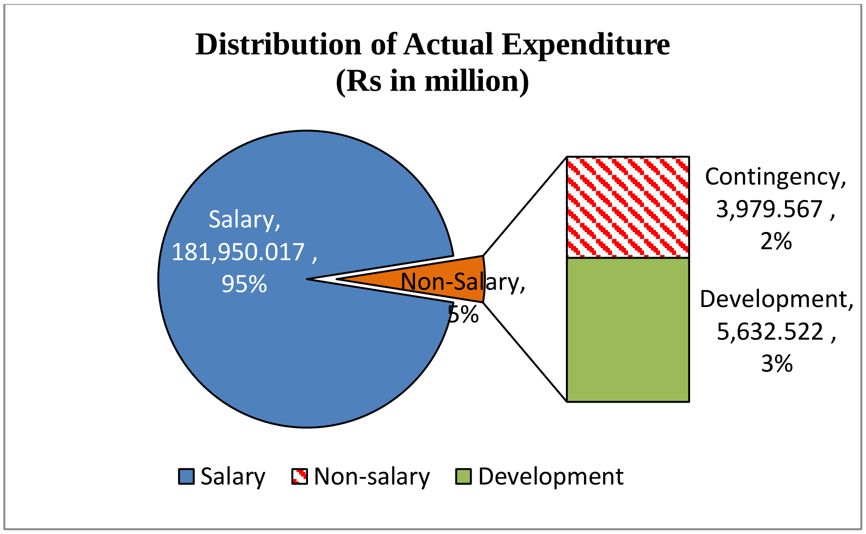
Development	4,495.254	3,332.621	673.429	7,154.446	5,632.522	-1,521.924
Total	**217,018.398**	**16,995.09**	**33,200.122**	**200,813.366**	**191,562.106**	**-9,251.260**

Source: Appropriation accounts for the FY 2022-23

The surrender of budget in excess of supplementary grants and overall savings of Rs 9,251.260 million, which comes to 5% of final grant, showed that supplementary grants were provided without considering actual demands during the FY 2022-23.

Audit also noticed that material payments were made from A/C-V of DEAs without valid authorization by a duly authorized Administrator during FY 2022-23. Administrators were appointed vide notification No. SOR(LG)38-5/2014 dated 01.01.2017 under Section 30(3) of the PLG Act 2013. However, the period of appointment under above notification lapsed on 31-12-2018.

The breakup of total expenditure incurred by DEAs is illustrated in the following graph. Major portion of expenditure was incurred on salary which was 95% of the total expenditure, whereas, development and contingency expenditure was 3% and 2% of the total expenditure, respectively.



Out of total non-salary expenditure of Rs 9,612.089 million, an amount of Rs 2,458.055 million (26%) was incurred during the month of June 2023 indicating weak financial management.

Revenue receipts of DEAs fell short of the budgeted targets. Unpredictability of PFC shares and other grants coupled with capacity issues of budget and finance wings of DEAs forced the management to prepare unjustified and unrealistic estimates of receipts.

Revenue expenditure constituted 97% of the total expenditure incurred by DEAs during FY 2022-23. Salary expenditure, comprising pay & allowances, pension contribution, financial assistance and leave encashment was 98% of total revenue expenditure, whereas, non-salary expenditure was 2%.

The DEAs raised accruals by retaining an amount of Rs 98.387 million on account of General Provident Fund, Group Insurance, Benevolent Fund, Income Tax and General Sales Tax (GST) during the FY 2022-23. This practice overstated the cash closing balance of DEAs as given in the following table.

Rs in million

Reported cash closing balance as on 30.06.2023	**Liabilities**	**Actual cash closing balance**
5,096.530	98.387	4,998.143

Source: Financial statements for the FY 2022-23 and FY 2021-22

Appropriation accounts list the original budget estimates, supplementary grants, surrenders and re-appropriations distinctly and indicate actual revenue and capital expenditure on various specified services vis-à-vis those authorized by the Administrator. Appropriation accounts, thus, facilitate in managing and budgetary provisions, therefore, these are complementary to the finance accounts.

Audit of appropriation accounts seeks to ascertain whether the expenditure actually incurred under the grant/head of account is within the authorization and also spent on the purposes authorized. It also ascertains whether the expenditure so incurred is in conformity with the laws, relevant rules, regulations and instructions. During financial attest audit of appropriation accounts and financial statements of DEAs for the FY 2022-23, audit emphasized on the following matters:

a) DEA Gujranwala transferred development funds of Rs 70.953 million without any receipt to A/C-I and again released Rs 95.864 million.

b) DEA Narowal and Sialkot made payments of Rs 109.010 million to the DDOs instead of issuance of cheques in favor of vendors.

c) DEA Hafizabad transferred funds of Rs 3.182 million to A/C-I instead of retaining in A/C-V in violation of instructions of Finance Department.

d) DEA Mandi Bahauddin retained Rs 1.497 million on account of Punjab Sales Tax which resulted in overstatement of opening balance.

e) DEA Chakwal did not transfer compulsory deductions of Rs 13.644 million on account of Income Tax, Sales Tax and Public Account to A/C-I and to other respective departments.

f) DAO Kasur incurred expenditure of Rs 76.436 million relating to function 0911-Pre & Primary Education Affairs Services but wrongly booked to function 0951-Subsidiary Services for Education.

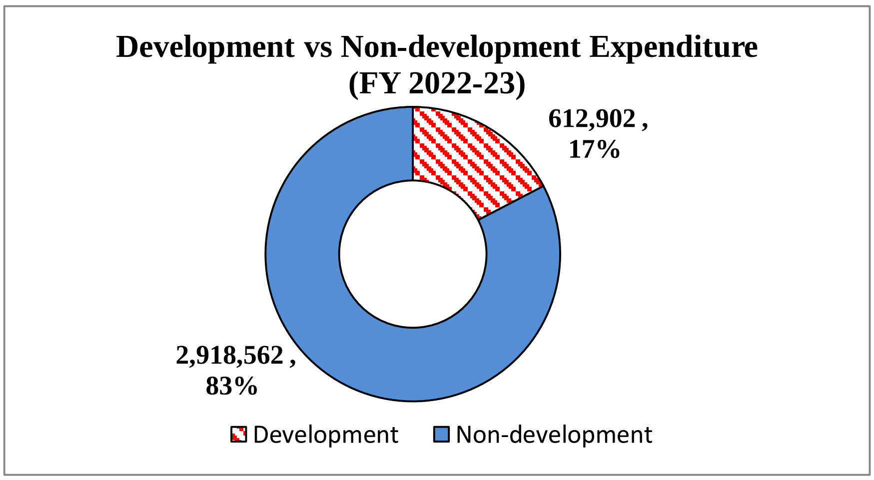
Medium Term Development Framework

The development and non-development expenditure incurred by Government of the Punjab for the FY 2022-23 is illustrated in the following table and graph:

Rs in million

Description	Original Budget	Final Budget	Expenditure
Development	710,850	651,979	612,902
Non-development	2,390,541	2,993,949	2,918,562
Total	**3,101,391**	**3,645,928**	**3,531,464**

Source: Appropriation accounts of Government of Punjab for the FY 2022-23



The sector-wise percentage of development expenditure is given in the following table:

Rs in million

Department	Appropriation	Expenditure	Expenditure (%)
C&W	279,241	275,385	45
Health	85,936	84,663	14
Education	31,626	31,019	5

HUD &PHE	75,919	74,876	12
Irrigation	18,324	15,376	3
Agriculture	15,322	13,592	2
Others	145,611	117,991	19
Total	**651,979**	**612,902**	**100**

Source: Appropriation accounts of Government of Punjab for the FY 2022-23

The above table shows that four sectors covered 76% of the spending which were: Communication & Works 45%, Health 14%, Education 5% and Housing Urban Development & Public Health Engineering 12%.

The education sector's development spending is further categorized into School Education, Higher Education and Special Education departments. Out of these three departments, maximum development expenditure was incurred by School Education Department (SED) which is 89.60% of total development expenditure of education sector of Government of the Punjab. The detail is as under:

Rs in million

Department	Development Expenditure	Percentage
School Education	27,794.210	89.60
Higher Education	3,205.197	10.33
Special Education	19.593	0.06
Total	**31,019.000**	**100.00**

Source: Appropriation accounts of Government of Punjab for the FY 2022-23

SED is the administrative department of DEAs in terms of Rule 2(1)(a) of Punjab District Authorities (Delegation of Financial Powers) Rules 2017. Out of total expenditure of 19 DEAs, 3% was incurred on development activities as given below:

Rs in million

Description	Amount	% age

Non-development expenditure	185,929.584	97
Development expenditure	5,632.522	3
Total	**191,562.106**	**100**

Source: Appropriation accounts of DEAs for the FY 2022-23

The table below shows original and final development grants allocated to 19 DEAs during the FY 2021-22 and FY 2022-23. There was slight decrease in final development grant in FY 2022-23 as compared to FY 2021-22. The major decrease of Rs 405.877 million was seen in DEA Mianwali, whereas, DEA Rawalpindi showed increase of Rs 244.756 million in FY 2022-23.

Rs in million

Sr. No.	**Name of District**	**FY 2021-22**		**FY 2022-23**	
		Original	**Final Grant**	**Original**	**Final Grant**
1	Gujranwala	212.861	369.948	375.504	578.760
2	Gujrat	54.303	190.096	78.688	174.299
3	Hafizabad	58.228	250.460	27.290	127.729
4	M.B.Din	207.329	370.993	204.551	230.589
5	Narowal	303.973	303.973	176.775	249.203
6	Sialkot	317.617	317.617	129.307	270.693
7	Kasur	118.637	303.659	247.775	335.268
8	Lahore	543.879	543.879	946.410	688.513
9	Nankana Sahib	76.477	178.752	65.712	127.294

Source: SAP data and appropriation accounts of DEAs for FY 2021-22 and FY 2022-23

The following table shows number of schemes executed and development expenditure incurred during FY 2021-22 and FY 2022-23. It can be seen that total development expenditure decreased by Rs 876.339 million in FY 2022-23. The maximum decrease was seen in DEA Mianwali where development expenditure decreased by Rs 338.224 million, whereas, in DEA Rawalpindi, it increased by Rs 158.348 million despite decrease in number of schemes executed during FY 2022-23.

Rs in million

Source: SAP data and appropriation accounts of DEAs for FY 2021-22 and FY 2022-23

The data presented in the above tables indicates serious inadequacies in the initial planning and resource allocation. The discrepancies underscore the necessity for an in-depth analysis of the planning process within DEAs. Identifying and understanding inconsistencies in the planning phase is crucial for enhancing the effectiveness of future development initiatives.

The existing situation warrants a thorough analysis that delves into the intricacies of the planning process. This examination is vital for understanding the factors that contribute to deviations in budgetary allocations and their corresponding utilization. Identifying the root causes of these discrepancies is essential for refining the planning framework and ensuring a more accurate alignment between set targets and actual outcomes.

CHAPTER 2

DISTRICT EDUCATION AUTHORITY GUJRANWALA

2.1 Introduction

a) There are 356 formations in DEA Gujranwala out of which audit of 04 formations was conducted. Total expenditure of these 04 formations was Rs 1,760.305 million out of which 45% expenditure was audited.

Audit Profile of DEA Gujranwala

Rs in million

r. o.	Description	Total No. of Formations	Au dited	Expenditure Audited
	DEA Gujrat	356	04	792.407
	Assignment accounts / SDA	-	-	-
	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Gujranwala was Rs 14,646.475 million and supplementary grant of Rs 2,213.903 million for the FY 2022-23. An amount of Rs 2,620.668 million was surrendered and final budget was Rs 14,239.710 million. Management incurred an expenditure of Rs 13,521.392 million resulting in saving of Rs 718.318 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	13,738.181	1,861.552	-2,529.475	13,070.258	12,768.341	-301.917
Non-Salary	532.790	149.095	-91.193	590.692	465.538	-125.154
Development	375.504	203.256	0.000	578.760	287.513	-291.247

Total	14,646.475	2,213.903	-2,620.668	14,239.710	13,521.392	-718.318

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	11,997.690	11,615.62	-382.070	3
2022-23	14,239.710	13,521.392	-718.318	5

Source: Appropriation accounts for the FY 2022-23 and FY 2021-22

There was 19% increase in budget allocation and 16% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 718.318 million during FY 2022-23 which is 5% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Gujranwala was made on the basis of following quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through Programme Monitoring and Implementation Unit (PMIU) being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	Indicators	Achievement (%)
1	Teacher Presence	89
2	Non-Teaching Staff Presence	90
3	Student Attendance	86
4	Retention (All Grades)	94
5	Head Teacher Presence	89

6	Availability of Boundary Wall	98
7	Availability of Drinking Water	98
8	Availability of Furniture	81
9	Sufficiency of Toilets	83
10	School Hygiene	74

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observedthat DEA Gujranwala considerably lagged behind in achieving the target of availability of furniture and school hygiene during FY 2022-23.

2.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 191.387 million were raised in this report during current audit of DEA Gujranwala. This amount also includes recoveries of Rs 12.850 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount Placed under Audit Observation**
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	72.807
B	Procurement related irregularities	0
C	Management of accounts with commercial banks	0
4	Value for money and service delivery issues	0
5	Others	118.580
Total		**191.387**

2.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
1	2017-18	07	Not convened
2	2018-19	10	
3	2019-20	10	

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
4	2020-21	07	
5	2021-22	08	
6	2022-23	06	

2.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

2.4.1 Irregular recruitment of School Teacher Interns - Rs 62.159 million

According to Order No. SO(SE_REC)2-17/2020 dated 16-02-2021 issued by School Education Department (SED), candidate interested for the position of STIs were required to apply through Online Teacher Recruitment System (OTRS). Moreover, pre-interview merit list and final interview merit lists were to be uploaded on OTRS.

During audit of various formations of DEA Gujranwala for the FYs 2021-23, it was observed that Schools Teacher Interns (STIs) were recruited without following prescribed guidelines of recruitment under OTRS. Due to bypassing of OTRS, centralized merit lists by SED were avoided and recruitment was made by schools themselves on pick and choose basis. This irregularity made the whole recruitment process of STIs non-transparent causing irregular payment of salaries of Rs 62.159 million.

Rs in million

Sr. No.	Name of Formation	No. of STIs	Amount
1	Dy. DEO (EE-M) Kamonke	55	7.211
2	Dy. DEO (EE-W) Kamonke	139	18.181
3	Dy. DEO (EE-W) Nowshera Virkan	278	36.767
Total		**472**	**62.159**

Audit held that irregular recruitment of STIs was due to non-compliance of orders.

The matter was reported to the PAO in November 2023. The department replied that recruitment of STIs was made as per directions given in the letter No. IPL-6545 dated 04-07-2021 and 06-07-2021. The reply was not tenable due to violation of OTRS.

DAC in its meeting held on 1st December 2023 directed to refer the matter to SED for clarification. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 18, 26 & 35]

2.4.2 Overpayment due to non-deduction of conveyance allowance - Rs 8.218 million

According to Rule 1.14 (ii) of Punjab Travelling Allowance (PTA) Rules 1976, conveyance allowance will be admissibleonly for the period during which the civil servant held the post to which the conveyance allowance is charged and will not be admissible during leave or joining time.

During audit of various formations of DEA Gujranwala for the FYs 2021-23, it was observed that conveyance allowance was paid to the teaching staff during summer & winter vacations. This resulted in overpayment of Rs 8.218 million.

Rs in million

Sr. No.	**Name of Formation**	**No. of employees**	**Amount**
1	CEO DEA Gujranwala	2,290	6.663
2	Dy. DEO (EE-M) Kamonke	444	0.712
3	Dy. DEO (EE-W) Noshera Virkan	532	0.843
Total		**3,266**	**8.218**

Audit held that overpayment of conveyance allowance was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that DAO Gujranwala had been requested to effect the recovery.

DAC in its meeting held on 1st December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 12, 19 & 34]

2.4.3 Overpayment of inspection allowance during summer vacations - Rs 2.430 million

According to SED notification No.SO(SE-III)5-226/2017 dated 3rd August 2020, inspection allowance @ Rs 10,000 / month is fixed for Assistant Education Officers (AEOs) throughout the year while Rs 15,000 / month will be granted to AEOs against each indicator achieved.

During audit of various formations of DEA Gujranwala for the FYs 2021-23, it was observed that inspection allowance @ Rs 25,000 per month was paid to 27 AEOs in summer vacations instead of Rs 10,000 per month without achieving Key Performance Indicators (KPIs) as during summer vacations schools were closed and not even a single KPI was achieved. This resulted in overpayment of inspection allowance of AEOs of Rs 2.430 million.

Rs in million

Sr. No.	Name of formation	No. of AEOs	Conditional payment	Period	Amount
1	Dy. DEO (EE-W) Kamoke	10	15,000	6 months	0.900
2	Dy. DEO (EE-M) Kamoke	07	15,000	6 months	0.630
3	Dy. DEO (EE-W) Nowshera Virkan	10	15,000	6 months	0.900
Total		**27**			**2.430**

Audit held that inspection allowance was overpaid due to weak internal controls and non-compliance of rules.

The matter was reported to the PAO in November 2023. The department replied that inspection allowance @ Rs 25,000 was paid to AEOs after approval of competent authority. The reply was not acceptable being irrelevant.

DAC in its meeting held on 1st December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 23, 31 & 36]

B) Others

2.4.4 Irregular transfer of Rs 70.952 million into A/C-I and release of funds to XEN Buildings - Rs 72.711 million

As per directions of the Finance Department vide letter No.BI-3(120)AGP 2017-18 dated 16.08.2019, all the heads of consolidated fund receipts are transferrable to the A/C-I except C02814, C02865, C02866 & C03616.

During audit of CEO DEA Gujranwala for the FY 2022-23, it was observed that Rs 70.952 million were received from the buildings department as unspent balance vide challan no. 752/2 dated 28.06.2022 to avoid lapse of funds. This amount was wrongly kept in Authority's account head C03870-Others instead of above mentioned retainable heads and was transferred to A/C-I. Similarly, the Authority again released the funds amounting to Rs 72.711 million to XEN buildings. This resulted in loss to authority's account of Rs 72.711 million as Rs 70.952 million was transferred into A/C-I and Rs 1.759 million was excess release to XEN building.

Rs in million

Detail of amount refunded as amount unspent balaance		
No of schemes	**Remarks**	**Amount refunded**
07	Unspent balance for schemes 2020-21	17.182
15	Unspent balance for ADP schemes 2021-22	20.450
Total		**37.632**
10	Unspent balance for on-going schemes 2021-22	33.321
Grand Total		**70.952**

Audit held that irregular transfer of Rs 70.952 million and release of funds to XEN Buildings of Rs 72.711 million was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that funds of Rs 70.953 million were wrongly transferred to A/C-I however, on the request of DAO Gujranwala, amount of Rs 95.863 million has again been credited into A/C-V. Additional funds were issued to the XEN buildings after administrative approval of the District Development Committee (DDC). The reply was not tenable as funds could not be transferred from A/C-I to A/C-V without approval of Finance Department. Further no documentary evidence was produced in support of reply.

DAC in its meeting held on 1st December 2023 could not reach at a unanimous decision as the Chair decided to settle the para, whereas, Audit stressed for probe into the matter.

Audit recommends inquiry of the matter regarding transfer of funds of Rs 70.952 million to A/C-I and then an amount of Rs 95.863 million was again transferred back to A/C-V on request of DAO Gujranwala without approval of Finance Department.

[PDP No. 17]

2.4.5 Doubtful award of contract of food items - Rs 44.419 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of CEO DEA Gujranwala for the FY 2022-23, it was observed that rate contract of food items for Rs 44.419 million was awarded to M/s Ch. Muhammad Iqbal & Co. Scrutiny of record revealed that the financial bid of the contractor was modified in his favor by inserting the words “10% below” without any signature after the bid amount. This resulted in doubtful award of contract of Rs 44.419 million.

Audit held that doubtful award of contract of food items was made due to weak managerial controls.

The matter was reported to the PAO in November 2023. The department replied that financial bids were opened by the procurement committee, chaired by the DC Gujranwala and comparative statement was also signed by the committee. The second lowest bidder was also awarded contract in some items and no complaint received in this regard. The reply was not tenable as no justification for modification of financial bid to favor the contractor was provided.

DAC in its meeting held on 1st December 2023 could not reach at a unanimous decision as the Chair decided to settle the para, whereas, Audit stressed for probe into the matter.

Audit recommends that the matter be referred to SED for inquiry.

[PDP No. 14]

2.4.6 Loss due to functioning of unregistered private schools - Rs 1.450 million

According to the Section 3 of the Punjab Private Educational Institution (PPEI) Promotion & Regulation Ordinance 1984, no institution shall be run unless it is registered. Rates for registration are Rs 5,000 and Rs 7,000 the for primary school and Higher Secondary School respectively.

Moreover, as per notification No.SO(A-1)7-21/81 dated 24-08-1998 of Education Department, annual inspection fee @ Rs 500 and Rs 1,000 per annum will be charged for primary school and higher secondary school respectively.

During audit of CEO DEA Gujranwala for the FY 2022-23, it was observed that 147 schools out of total 1,674 private schools were working without registration in district Gujranwala and 274 schools did not deposit renewal fee causing loss of Rs 1.450 million. Similarly, 897 cases for school registration were still pending for approval of CEO DEA Gujranwala. This resulted in functioning of unregistered private schools and loss of Rs 1.450 million as detailed below:

Rs in million

Description	**No of Schools**	**Inspection Fee**	**Registration Fee**	**Amount**
Not applied for e License	147	1,000	7,000	1.176
Expired License	274	1,000	-	0.274
Total	**1674**			**1.450**

Audit held that functioning of unregistered private schools and loss of Rs 1.450 million was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that all the due amount had already been deposited in the government exchequer. The reply was not accepted as the schools were still being run without registration / renewal.

DAC in its meeting held on 1st December 2023 directed to recover the amount. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 01]

CHAPTER 3

DISTRICT EDUCATION AUTHORITY GUJRAT

3.1 Introduction

a) There are 368 formations in DEA Gujrat out of which audit of 04 formations was conducted. Total expenditure of these 04 formations was Rs 3,264.854 million out of which 24% expenditure was audited.

Audit Profile of DEA Gujrat

Rs in million

r. o.	Description	Total No. of Formations	Audited	Expenditure Audited
	DEA Gujrat	368	04	783.565
	Assignment accounts / SDA	-	-	-
	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Gujrat was Rs 10,685.517 million and supplementary grant of Rs 1,228.093 million for the FY 2022-23. An amount of Rs 1,088.392 million was surrendered and final budget was Rs 10,825.218 million. Management incurred an expenditure of Rs 10,615.601 million resulting in saving of Rs 209.617 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	10,459.447	1,104.157	1,078.428	10,485.176	10,316.789	-168.387
Non-Salary	147.382	28.325	9.964	165.743	149.133	-16.610

Development	78.688	95.611	-	174.299	149.679	-24.620
Total	**10,685.517**	**1,228.093**	**1,088.392**	**10,825.218**	**10,615.601**	**-209.617**

The comparative analysis of the budget and expenditure of currentand previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	9,496.179	9,268.716	-227.463	2
2022-23	10,825.218	10,615.601	-209.617	2

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 14% increase in budget allocation and 15% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 209.617 million during FY 2022-23 which is 2% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Gujrat was made on the basis of various quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher Presence	89
2	Non-Teaching Staff Presence	91
3	Student Attendance	89
4	Retention (All Grades)	98
5	Head Teacher Presence	89
6	Availability of Boundary Wall	99
7	Availability of Drinking Water	95

8	Availability of Furniture	85
9	Sufficiency of Toilets	93
10	School Hygiene	72

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Gujrat considerably lagged behind in achieving the target of availability of furniture and school hygiene during FY 2022-23.

3.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 18.078 million were raised inthis report during current audit of DEA Gujrat. This amount also includes recoveries of Rs 12.212 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

r. o.	Clas sification	Amount Placed under Audit Observation
	Non-production of record	-
	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	2.220
B	Procurement related irregularities	3.309
C	Management of accounts with commercial Banks	-
	Value for money and service delivery issues	-
	Others	12.549
Total		**18.078**

3.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

r. No.	Audit Year	No. of Paras	Status of PAC Meetings
	2017-18	06	Not Convened
	2018-19	10	
	2019-20	12	
	2020-21	06	

	2021-22	07	
6	2022-23	03	

3.4 AUDIT PARAS

A) Human Resource / Employee related irregularities

3.4.1 Overpayment of inspection allowance during summer vacations - Rs 2.220 million

According to SED notification No.SO(SE-III)5-226/2017 dated 3rd August 2020, inspection allowance @ Rs 10,000 / month is fixed for AEOs throughout the year while Rs 15,000 / month will be granted to AEOs against each indicator achieved.

During audit of various formations of DEA Gujrat for the FYs 2021-23, it was observed that inspection allowance @ Rs 25,000 per month was paid to all AEOs in summer vacations instead of Rs 10,000 per month without achieving KPIs as during summer vacations schools were closed and not even a single KPI was achieved. This resulted in overpayment of inspection allowance of Rs 2.220 million as detailed below:

Rs in million

Name of formations	No. of AEOs	Period	Amount
Dy. DEO (EE-M) Kharian	10	Jun, Jul-22 & 2023	0.600
Dy. DEO (EE-W) Kharian	17	Jun, Jul-22 & 2023	1.020
Dy. DEO (EE-W) Sara-e-Alamgir	10	Jun, Jul-22 & 2023	0.600
Total	**37**		**2.220**

Audit held that overpayment of inspection allowance was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that no such directions have been issued by the government to reduce the said allowance during summer vacations. The reply was not acceptable being contradictory to the instructions regarding inspection allowance.

DAC in its meeting held on 4th December 2023 directed to recover the overpayment from concerned. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 14, 22 & 27]

B) Procurement related irregularities

3.4.2 Irregular purchase of food for Madaris - Rs 3.309 million

According to Rule 9 read with Rule 12(2) of Punjab Procurement Rules (PPR) 2014, all procurement opportunities over three million rupees should be advertised on the PPRA's website in the manner and format specified by PPRA regulation from time to time. A procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting of the procurements so planned.

During audit of CEO DEA Gujrat for the FY 2022-23, it was observed that department purchased food at higher rates for the students of Madrassa Moaz Bin Jabal, Shadman Colony Gujrat for the period July to November 2022 worth Rs 3.309 million without observing PPR 2014. The tendering process for FY 2022-23 was completed on 27.04.2023 and the department applied the rates of 2023 retrospectively for the purchases from July 2022 to November 2022. This resulted in irregular purchase of food for Rs 3.309 million and loss of Rs 847,805 to exchequer when compared with rates of January 2022. Detail is at **Annexure-C**.

Audit held that irregular purchase of food was made due to non-compliance of rules.

The matter was reported to the PAO in November 2023. The department replied that all the uncooked food items were purchased for students during the FY 2022-23 according to the PPR 2014 with the recommendation of purchase committee under supervision of CEO (DEA) Gujrat. The reply was not tenable because rate contract was made in April 2023, whereas, procurement was made during the months of July to November 2022.

DAC in its meeting held on 4th December 2023 directed to probe the matter at appropriate level as to why tender agreement was applied retrospectively. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 01]

C) Others

3.4.3 Unauthorized sanction of expenditure - Rs 2.557 million

According to Notification No.IT(FD)3-13/2002 dated 7th January 2004 and 29th January 2005 of Finance Department Government of the Punjab, school council is authorized to incur maximum amount of Rs 400,000 during a financial year.

During audit of Dy. DEO (W-EE) Sar-e-Alamgir and Dy. DEO (M-EE) Kharian for the FYs 2021-23, it was observed that School Councils of following six Primary & Elementary Schools approved expenditure more than Rs 400,000 during a financial year contrary to School Council guidelines and rule ibid. This resulted in irregular sanction of expenditure of Rs 2.557 million beyond competency of school council.

Rs in million

Name of DDO	**Name of School**	**Financial year**	**Amount withdrawn**	**Unauthorized amount above Rs 0.400 million**
Dy. DEO (W-EE) Sara-e-Alamgir	GMPS Wapda Colony	2021-22	0.680	0.280
	GMPS Ballobanian	2022-23	0.501	0.101
	GGPS Pothi Maira	2021-22	0.531	0.131
	GGES Chak Ghanian	2021-22	1.491	1.091
		2022-23	0.849	0.449
	GGCMS Maira Khambi	2021-22	0.524	0.124
Dy. DEO (M-EE) Kharian	GES Dinga	2021-22	0.781	0.381
Total			**5.357**	**2.557**

Audit held that irregular sanction of expenditure beyond competency of school council was granted due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that funds were directly transferred by the CEO education to the school councils of primary and middle schools on quarterly basis. The reply was not tenable being irrelevant.

DAC in its meeting held on 4th December 2023 directed to refer the matter to SED for further clarification and advice. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 11]

3.4.4 Excess payment of honoraria to Insaf Afternoon School teachers - Rs 9.992 million

According to Para 2 (v) Policy Guideline for Insaf Afternoon School (IAS) Programme issued by Punjab Education Sector Reform Programme (PESRP) vide No DDP/PMIU/2019-17599 dated 29.03.2019, if the total enrollment in all classes of an afternoon school remains less than the minimum enrollment mentioned in the table, the honoraria will be paid on a proportionate basis i.e. it should be proportionate to the actual enrollment figure vis-à-vis the required minimum enrollment. For example, if requirement of minimum enrolment was 80 students in high school classes and if the maximum number of total students in those classes was 40 during any month of the last academic year, the staff will be paid 50% of the honoraria, and so on.

During audit of CEO DEA Gujrat for the FY 2022-23, it was observed that 78 IASs were established in district Gujrat. The staff of these schools was paid full honoraria irrespective of enrolment of students in violation of policy. This resulted in excess payment of honoraria of Rs 9.992 million as detail below:

Rs in million

Month	**No. of students**	**No. of students required**	**% of students enrolled**	**Honoraria paid**	**Honoraria to be paid**	**Excess payment**
Aug-2022	2,814	7,800	36%	3.892	1.401	2.491
Sep-2022	2,836	7,800	36%	3.842	1.383	2.459
Oct-2022	2,848	7,800	37%	3.952	1.462	2.490
Nov-2022	2,844	7,800	36%	3.988	1.436	2.552
Total				**15.674**	**5.682**	**9.992**

Audit held that excess payment of honoraria was made due to weak internal controls and violation of rules.

The matter was reported to the PAO in November 2023. The department replied that payment to the concerned staff was made according to the above policy. However, department did not produce any documentary evidence in support of reply.

DAC in its meeting held on 4th December 2023 directed for recovery and probe. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 06]

3.4.5 Irregular recruitment of class-IV employees without observing codal formalities

According to Section 10 (vii) of recruitment policy 2022 dated 9th March 2022 issued by Government of the Punjab S&GAD (Regulation wing), relevant Selection Committees shall conduct test/interview and recommend suitable candidates for appointment, strictly on the basis of merit/selection criteria, to the appointing authorities. The merit list shall be signed by the Chairman as well as by all members of the Selection Committee concerned. Further, according to S&GAD notification

No. SOR (III.2-74/2008 dated 05.11.2011, length of service of the parent, whose son is a candidate, shall be the sole criteria for determining inter se merit of the candidates.

During audit of CEO DEA Gujrat for the FY 2022-23, it was observed that recruitment of 354 class-IV employees were made by CEO DEA Gujrat without observing codal formalities. Appointment orders were issued without approval of selection committee as minutes of meeting and merit lists were not signed by all the members of selection committee. Moreover, 20% in service quota (70 posts) was distributed among ineligible candidates without merit of minimum length of service of parents. This resulted in irregular recruitment of Class-IV staff.

Audit held that irregular appointment of class-IV staff was made due to non-compliance of rules.

The matter was reported to the PAO in November 2023. The department replied that an inquiry committee had been constituted by the Secretary Government of the Punjab SED to probe the matter.

DAC in its meeting held on 4th December 2023 decided to keep the para pending as inquiry is under process at higher office. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 04]

CHAPTER 4

DISTRICT EDUCATION AUTHORITY HAFIZABAD

4.1 Introduction

a) There are 97 formations in DEA Hafizabad out of which audit of 04 formations was conducted. Total expenditure of these 04 formations was Rs 2,468.562 million out of which 39% expenditure was audited.

Audit Profile of DEA Hafizabad

Rs in million

Sr. No.	Description	Total No. of Formations	Audited	Expenditure Audited
1	DEA Hafizabad	97	04	972.740
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Hafizabad was Rs 5,086.595 million and supplementary grant was Rs 558.335 million for the FY 2022-23. An amount of Rs 500.368 million was surrendered and final budget was Rs 5,144.562 million. Management incurred an expenditure of Rs 4,889.621 million resulting in saving of Rs 254.941 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surr.	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	4,903.511	436.059	476.628	4,862.942	4,625.364	-237.578
Non-Salary	155.794	21.837	23.740	153.891	140.532	-13.359
Development	27.290	100.439	-	127.729	123.725	-4.004

Total	5,086.595	558.335	500.368	5,144.562	4,889.621	-254.941

The comparative analysis of the budget and expenditure of currentand previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	4,891.919	4,247.772	-644.147	13
2022-23	5,144.562	4,889.621	-254.941	5

Source: Appropriation accounts for the FY 2022-23 and FY 2021-22

There was 5% increase in budget allocation and 15% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 254.941 million during FY 2022-23 which is 5% of budget.

c) Sector Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Hafizabad was made on the basis of various quality indicators set by Education Department for the FY 2022-2023. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap were to improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	Indicators	Achievement (%)
1	Teacher Presence	90
2	Non-Teaching Staff Presence	89
3	Student Attendance	91
4	Retention(All Grades)	95
5	Head Teacher Presence	88
6	Availability of Boundary Wall	98
7	Availability of Drinking Water	100
8	Availability of Furniture	83
9	Sufficiency of Toilets	85
10	School Hygiene	80

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Hafizabad considerably lagged behind in achieving the target of availability of furniture and school hygiene during FY 2022-23.

4.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 64.414 million were raised in this report during current audit of DEA Hafizabad. This amount also includes recoveries of Rs 57.685 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	55.424
B	Procurement related irregularities	6.729
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	2.261
Total		**64.414**

4.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Years	No. of Paras	Status of PAC Meetings
1	2017-18	06	Not convened
2	2018-19	10	

Sr. No.	Audit Years	No. of Paras	Status of PAC Meetings
3	2019-20	05	
4	2020-21	08	
5	2021-22	09	
6	2022-23	04	

4.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

4.4.1 Excess payment of honoraria to staff - Rs 51.464 million

According to Para 2 (v) Policy Guideline for IAS Programme issued by PESRP vide No DDP/PMIU/2019-17599 dated 29.03.2019, if the total enrollment in all classes of an afternoon school remains less than the minimum enrollment mentioned in the table, the honoraria will be paid on a proportionate basis i.e. it should be proportionate to the actual enrollment figure vis-à-vis the required minimum enrollment. For example, if requirement of minimum enrolment was 80 students in high school classes and if the maximum number of total students in those classes was 40 during any month of the last academic year, the staff will be paid 50% of the honoraria, and so on.

During audit of various formations of DEA Hafizabad for the FYs 2021-23, it was observed that 70 IASs were established in district Hafizabad. The staff of these schools was paid full honoraria irrespective of enrolment of students in violation of policy. This resulted in excessive payment of honoraria for Rs 51.464 million.

Rs in million

Name of Formation	Status & no. of School	No of Students Required	Actual No. of Students	% of actual No. of students	Honoraria paid	Honoraria to be paid	Excess payment
Dy. DEO (EE-M) Hafizabad	High School (01)	80	34	43	0.630	0.266	0.364
	Elementary Schools (16)	1,600	368	23	20.069	4.616	15.453
Dy. DEO (EE-W) Pindi Bhattian	Elementary Schools (34)	3,400	780	23	28.295	6.495	21.800
Dy. DEO (EE-M) Pindi Bhattian	Elementary Schools (19)	1,900	608	32	17.983	4.136	13.847

Total	**6,980**	**1790**	**26**	**66.977**	**15.513**	**51.464**

Audit held that excess payment of honoraria was to staff of IASs was due to weak internal controls and violation of rules.

The matter was reported to the PAO in November 2023. The department replied that honorarium was paid to the staff of IAS as per the guidelines of the policy. However, department did not produce any documentary evidence in support of reply.

DAC in its meeting held on 13th December 2023 directed to refer the matter to SED for clarification and advice. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at earliest.

[PDP No. 8, 14 & 21]

4.4.2 Overpayment of inspection allowance during summer vacations - Rs 3.960 million

According to SED notification No.SO (SE-III)5-226/2017 dated 3rd August 2020, inspection allowance @ Rs10,000/month is fixed for AEOs throughout the year while Rs15,000/month will be granted to AEOs against each indicator achieved.

During audit of various formations of DEA Hafizabad for the FYs 2021-23, it was observed that inspection allowance @ Rs 25,000 per month was paid to all AEOs in summer vacations instead of Rs 10,000 per month without achieving KPIs as during summer vacations schools were closed and not even a single KPI was achieved. This resulted in overpayment of inspection allowance of AEOs during summer vacations of Rs 3.960 million.

Rs in million

FY	**Name of formations**	**No. of AEOs**	**Conditional payment**	**Period**	**Amount**
2020-23	Dy. DEO (EE-M) Hafizabad	12	15,000	9 months	1.620
2021-23	Dy. DEO (EE-W) Pindi Bhattian	13	15,000	6 months	1.170
2021-23	Dy. DEO (EE-M) Pindi Bhattian	13	15,000	6 months	1.170
Total					**3.960**

Audit held that overpayment of inspection allowance during summer vacations due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department produced letter of Inspectorate of Treasuries & Accounts, Government of the Punjab No.IT(FD16-23-9)Vol-III dated 09.08.2019 regarding drawl of inspection allowance in summer vacations. The reply was not tenable, being irrelevant.

DAC in its meeting held on 13th December 2023 directed for recovery of the inspection allowance from the concerned. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at earliest.

[PDP No. 07, 13 & 20]

B) Procurement related irregularities

4.4.3 Irregular purchase of furniture - Rs 6.729 million

According to administrative approval issued by Dy. Director Development Hafizabad vide No.04(1)/DD(D)/HFD/2019-20/589 dated 08-10-2020 CEO DEA directed that the furniture will be purchased through District Purchase Committee.

During audit of CEO DEA Hafizabad for the FY 2022-23, it was observed that an amount of Rs 6.729 million was paid to various suppliers for the purchase of desks, tables, chairs etc. for different schools. Audit observed that purchases were made locally by schools instead of centralized tendering process under District Purchase Committee as per directions given in the administrative approval. Audit also observed that the payment was made by CEO DEA instead of schools. This resulted in irregular purchase of Rs 6.729 million and loss to exchequer for Rs 0.878 million as detailed at **Annexure-D**.

Audit held that irregular purchase of furniture was made due to weak financial discipline.

The matter was reported to the PAO in November 2023. The department replied that secretary District Procurement Committee directed the schools to procure the furniture as per PPR 2014. The reply itself proved violation of rules as procurement was not made as per PPR 2014.

DAC in its meeting held on 13th December 2023 directed to refer the matter to Administrative Department for inquiry. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 05]

C) Others

4.4.4 Non-recovery of registration fee from private schools - Rs 2.261 million

According to Para-5 of Government of the Punjab, SED Notification No.SO(Schools)3-6/80 dated 13.08.1984, registration fee at the prescribed rate is to be recovered from the private educational institutions.

During audit of CEO DEA, Hafizabad for the FY 2022-23 it was observed that 323 private schools were working unregistered in district Hafizabad and registration fee @ Rs 7,000 per school was not deposited by the schools. This resulted in loss of Rs 2.261 million.

Audit held that registration fee from private schools was not recovered due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that notices were issued to the unregistered private schools after inspection of AEOs.

DAC in its meeting held on 13th December 2023 directed for recovery of total amount. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 04]

CHAPTER 5

DISTRICT EDUCATION AUTHORITY MANDI BAHAUDDIN

5.1 Introduction

a) There are 207 formations in DEA Mandi Bahauddin out of which audit of 04 formations was conducted. Total expenditure of these 04 formations was Rs 1,196.385 million out of which 41% expenditure was audited.

Audit Profile of DEA Mandi Bahauddin

Rs in million

Sr. No.	Description	Total No. of Formations	Audited	Expenditure Audited
1	DEA Mandi Bahauddin	207	04	490.518
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Mandi Bahauddin was Rs 6,905.040 million and supplementary grant of Rs 927.378 million for the FY 2022-23. An amount of Rs 1,640.070 million was surrendered and final budget was Rs 6,192.348 million. Management incurred an expenditure of Rs 6,159.413 million resulting in saving of Rs 32.935 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	6,519.711	839.595	1,550.431	5,808.875	5,850.666	41.791
Non-Salary	180.778	61.745	89.639	152.884	143.893	-8.991
Development	204.551	26.038	-	230.589	164.854	-65.735
Total	**6,905.04**	**927.378**	**1,640.07**	**6,192.348**	**6,159.413**	**-32.935**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	6,173.406	5,430.200	-743.201	12
2022-23	6,192.348	6,159.413	-32.935	1

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 0.31% increase in budget allocation and 13% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 32.943 million during FY 2022-23 which is 1% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Mandi Bahauddin was made on the basis of various quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher Presence	94
2	Non-Teaching Staff Presence	91
3	Student Attendance	81
4	Retention (All Grades)	86
5	Head Teacher Presence	93
6	Availability of Boundary Wall	99
7	Availability of Drinking Water	99
8	Availability of Furniture	98

Sr. No.	Indicators	Achievement (%)
9	Sufficiency of Toilets	95
10	School Hygiene	83

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Mandi Bahauddin considerably lagged behind in achieving the target of student attendance, retention (all grades) and school hygiene during FY 2022-23.

5.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 9.174 million were raised in this report during current audit of DEA Mandi Bahauddin. This amount also includes recoveries of Rs 8.174 million as pointed out by audit. Summary of the audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed Under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	8.174
B	Procurement related irregularities	1.000
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	-
Total		**9.174**

5.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
1	2017-18	08	Not convened
2	2018-19	15	
3	2019-20	09	
4	2020-21	07	
5	2021-22	10	
6	2022-23	05	

5.4 AUDIT PARAS

A) Human Resource / Employee related irregularities

5.4.1 Overpayment of allowances - Rs 4.574 million

According to SED notification No.SO(SE-III)5-226/2017 dated 3rd August 2020, inspection allowance @ Rs 10,000 / month is fixed for AEOs throughout the year while Rs 15,000 / month will be granted to AEOs against each indicator achieved. Moreover, according to Rule 1.15 of PTA Rules 1976, no conveyance allowance is admissible during leave, or joining time.

During audit of various formations of DEA Mandi Bahauddin for the FYs 2020-23, it was observed that inspection allowance @ Rs 25,000 per month was paid to all AEOs in summer vacations instead of Rs 10,000 per month without achieving KPIs as during summer vacations schools were closed and not even a single KPI was achieved. This resulted in overpayment of inspection allowance of Rs 3.960 million. Further conveyance allowance of winter vacation of teachers working under Dy. DEO (EEM) Mandi Bahauddin was not deducted in December 2022 amounting Rs 0.614 million.

Rs in million

Department	**Period**	**No. of Employees**	**Period**	**Amount**
Dy. DEO (M-EE) Mandi Bahauddin	2021 to 2023	08	6 months	0.720
Dy. DEO (W-EE) Mandi Bahauddin	2020 to 2023	10	9 months	1.350
Dy. DEO (W-EE) Phalia	2020 to 2023	14	9 months	1.890
Dy. DEO (M-EE) Mandi Bahauddin	2022-23	404	16 days	0.614
Total				**4.574**

Audit held that inspection allowance and conveyance allowance was not deducted due to weak internal controls.

The matter was reported to PAO in November 2023. The department replied that the AEOs were allowed inspection allowance during summer vacation vide letter No.FD.SR.1/9-33/2016 dated 24.07.2019 issued by the Finance Department, Government of the Punjab.

DAC in its meeting held on 11th December 2023 directed to recover the inspection allowances paid for summer vacations from the concerned AEOs. The Dy. DEO (M-EE) Mandi Bahauddin replied that the DAO Mandi Bahauddin was requested to deduct conveyance allowance of winter vacation of teachers vide this office letter No. 57 dated 24.01.2023. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 10, 12, 14 & 25]

5.4.2 Inadmissible payment of inspection allowance - Rs 3.600 million

According to SED letter No. S.O (Budget) 1-18/2016(Volume-I) dated 18 September 2018, it is clarified that AEOs who have not been recruited through competitive process will not be entitled to draw inspection allowance @ 25,000 per month.

During audit of Dy. DEO (W-EE) Phalia for the FYs 2020-23, it was observed that contrary to above instruction of SED, Dy. DEO (EE-W) Phalia paid inspection allowance to SSTs working as AEOs. This resulted in inadmissible payment of inspection allowance of Rs 3.600 million. Detail is given in the table below:

Rs in million

Sr. No.	Personal Numbers	Name of Employee	Designation	BS	Inspection allowance	No of Months	Recovery
1	30753258	Sughra Saif	SST	16	25,000	36	0.900
2	31255947	Fozia Yasir	SST	17	25,000	36	0.900
3	31840863	Kinza Riasat	S.S.E (Science)	16	25,000	36	0.900
4	31913538	Nazima Firdous	S.S.E (Science)	16	25,000	36	0.900
Total							**3.600**

Audit held that inadmissible payment of inspection allowance was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the inspection allowances is admissible to the AEOs / SSTs who are performing the duties of AEO. The reply was not tenable as inspection allowance was not admissible to SSTs as per policy.

DAC in its meeting held on 11th December 2023 directed for recovery of the overpaid allowance. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 27]

B) Procurement related irregularities

5.4.3 Irregular expenditure due to avoiding PPR 2014 - Rs 1.00 million

According to Rule 12 (1) of PPR 2014, procurements over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified by PPRA regulation from time to time.

During audit of various formations of DEA Mandi Bahauddin for the FYs 2021-23, it was observed that procurement of I.T lab and school furniture was made by the following schools without advertisement on the PPRA's website thus violating the PPR 2014 as detailed below:

Rs in million

Name of Scheme	Year of Scheme	Nature of Schemes	Expenditure
GHS Bhojowal	ADP 2022-23	Science / I.T Lab	0.500
GGES Dhunni Kalan	ADP 2021-22	Purchase of Furniture	0.250
GGES Dhunni Kalan	ADP 2022-23		0.250
Total			**1.000**

Audit held that irregular procurement of I.T lab and furniture was made due to non-compliance of rules resulting in violation of PPR 2014.

The matter was reported to the PAO in November 2023. The department replied that the concerned Headmaster was directed to provide legal validity of purchase items for verification. No record was provided for verification.

DAC in its meeting held on 11th December 2023 directed to probe the matter by CEO. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 07 & 26]

CHAPTER 6

DISTRICT EDUCATION AUTHORITY NAROWAL

6.1 Introduction

a) There are 208 formations in DEA Narowal out of which audit of 04 formations was conducted. Total expenditure of these 04 formations was Rs 4,276.040 million out of which 28% expenditure was audited.

Audit Profile of DEA Narowal

Rs in million

Sr. No.	Description	Total No. of Formations	Audited	Expenditure Audited
1	DEA Narowal	208	04	1,197.300
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects (FAP)	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Narowal was Rs 10,148.199 million and supplementary grant was Rs 796.688 million for the FY 2022-23. An amount of Rs 1,107.270 million was surrendered and final budget was Rs 9837.617 million. Management incurred an expenditure of Rs 8,853.666 million resulting in saving of Rs 983.951 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	9,799.029	654.402	1,084.854	9,368.577	8,500.148	-868.429
Non-Salary	172.395	69.858	22.416	219.837	152.239	-67.598
Development	176.775	72.428	-	249.203	201.279	-47.924

Total	10,148.199	796.688	1,107.27	9,837.617	8,853.666	-983.951

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	8,361.339	7,503.018	-858.191	10
2022-23	9,837.617	8,853.666	-983.951	10

Source: Appropriation accounts for the FY 2022-23 and FY 2021-22

There was 18% increase in budget allocation and expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 983.951 million during FY 2022-23 which is 10% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Narowal was made on the basis of various quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	Indicators	Achievement (%)
1	Teacher Presence	92
2	Non-Teaching Staff Presence	90
3	Student Attendance	88
4	Retention (All Grades)	97
5	Head Teacher Presence	90
6	Availability of Boundary Wall	99
7	Availability of Drinking Water	98
8	Availability of Furniture	92
9	Sufficiency of Toilets	93
10	School Hygiene	75

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observedthat DEA Narowal considerably lagged behind in achieving the target of student attendance, retention (all grades) and school hygiene during FY 2022-23.

6.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 15.465 million were raised in this report during current audit of DEA Narowal. This amount also includes recoveries of Rs 9.999 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	5.254
3	**Irregularities:**	
A	HR/Employees related irregularities	2.141
B	Procurement related irregularities	8.070
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	-
Total		**15.465**

6.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	2	Not convened
2	2018-19	5	
3	2019-20	8	
4	2020-21	5	
5	2021-22	11	

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
6	2022-23	06	

6.4 AUDIT PARAS

A) Fraud, Embezzlement and Misappropriations

6.4.1 Fraudulent drawal of government money by CEO - Rs 5.254 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss. Further, as per Rule 2.20 of PFR Vol-I, every payment must be supported by a voucher setting forth full and clear particulars of the claim.

During audit of CEO DEA Narowal for the FY 2022-23, it was observed that an amount of Rs 5.254 million was drawn from DDO account No. 6010086774700016 on different dates. Audit also observed that Rs 2.30 million was drawn in the name of development scheme of missing facilities while remaining amount Rs 2.954 million was already available in DDO account. It was revealed that development funds against these schemes had already been transferred to same schools during FY 2021-22. Thus, the CEO embezzled total amount Rs 5.254 million from DDO account. No documents regarding drawl of money was available in the office. This resulted in fraudulent drawal of government money amounting to Rs 5.254 million.

Rs in million

Date of transaction	Cheque No.	Amount
27.10.2022	8071641879	0.200
28.10.2022	8071850825	0.300
04.11.2022	8071850827	0.074
11.11.2022	8071850833	0.375
11.11.2022	8071850849	0.375
11.11.2022	8071850838	0.375
12.11.2022	8071850864	0.250
12.11.2022	8071850867	0.375
12.11.2022	8071850875	0.250
18.11.2022	8071850886	0.600
21.11.2022	8071850887	0.196

Rs in million

Date of transaction	Cheque No.	Amount
25.11.2022	8071850916	0.500
26.11.2022	8071850914	0.400
26.11.2022	8071850913	0.400
28.11.2022	8071850915	0.400
30.11.2022	8071850917	0.184
Total		**5.254**

Audit held that government money worth Rs 5.254 million was embezzled due to weak financial and internal controls.

The matter was reported to the PAO in November 2023. The department replied that highlighted issued was under inquiry.

DAC in its meeting held on 15th December 2023 directed to finalize the inquiry by the administrative department. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision regarding finalization of inquiry at the earliest.

[PDP No. 01]

B) Human Resource / Employees related irregularities

6.4.2 Inadmissible payment of allowances - Rs. 2.141 million

According to clause (XIII) (i) (b) of Contract Appointment Policy 2004 issued by Government of the Punjab S&GAD, Social Security Benefit @ 30% of minimum of basic pay, in lieu of pension, was admissible only for the persons working on contract basis. Further according to clarification issued by Government of the Punjab, Finance Department vide No FD-SR-II/9-214/2013 dated 27.11.2014, Personal Allowance is to be discontinued upon fresh appointment, promotion, retirement and posting to another cadre case.

During audit of various formations of DEA Narowal for the FYs 2021-23, it was observed that Social Security Benefit @ 30% was continued to be paid to various employees in spite of their regularization. Similarly, many employees also continued to draw personal allowance in spite of their promotion to the next higher scale. This resulted in inadmissible payment of allowances of Rs 2.141 million.

Rs in million

Sr. No.	**Name of Formation**	**No. of employees**	**SSB @ 30%**	**Personal Allowance**	**Amount**
1	CEO DEA Narowal	2	0.309	-	0.309
2	Dy. DEO (W-EE) Narowal	5	0.297	-	0.297
3	Dy. DEO (M-EE) Zafarwal	14	0.821	-	0.821
4	Dy. DEO (W-EE) Narowal	15	-	0.456	0.456
5	Dy. DEO (W-EE) Zafarwal	4	-	0.258	0.258
Total			**1.427**	**0.714**	**2.141**

Audit held that inadmissible payment of allowances of Rs 2.141 million was made due to weak internal controls.

The matter was reported to the PAO in November 2023. All the departments accepted the recovery and ensured that amount would be recovered from salaries. Dy. DEO (M-

EE) Zafarwal partially accepted the recovery, as two teachers were entitled for SSB. However department did not produce any documentary evidence in support of reply.

DAC in its meeting held on 15th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 8, 11, 15, 18 & 24]

C) Procurement related irregularities

6.4.3 Irregular expenditure in violation of PPR 2014 - Rs 5.466 million

According to Rule (9) of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. Moreover, according to Rule 12 (1) of PPR 2014, procurements over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified by PPRA regulation from time to time.

During audit of CEO DEA Narowal for the FY 2022-23, it was observed that Rs 5.466 million was incurred by various formations in violation of PPR 2014. Scrutiny of the bills revealed that all the expenditure was made by splitting the indent to avoid tendering process. Moreover, an amount of
Rs 602,845 in lieu of government taxes was also not deducted. This resulted in irregular expenditure in violation of PPR 2014 for Rs 5.466 million. Detail is as under:

Rs in million

Sr. No.	Name of Institution	Description	Total amount
1	Madrissa Muaz-bin-Jabal, Narowal	Purchase of food items	2.559
2		Purchase of building material	0.541
3	GGPS Bhawanipur	Bore of drinking water & toilet	0.378
4	GGPS Tatlay	Const. of toilet block	0.376
5	GGPS Charrkey	Const. of toilet block	0.375
6	GES Beleke Khurd	Bore of drinking water & toilet	0.526
7	GGES Chamal	Const. of toilet block	0.337
8	GGHS Khaira	Const. of toilet block	0.375
Total			**5.466**

Audit held that irregular expenditure in violation of PPR 2014 due to weak internal & financial controls.

The matter was reported to the PAO in November 2023. The department replied that expenditure on food items and building material was incurred by the administrator of madrissa. Similarly, funds for other expenditure were also transferred by the CEO. However, recovery of the taxes will be made from the contractors. The reply was not accepted being irrelevant.

DAC in its meeting held on 15th December 2023 directed to refer the matter to Finance Department for regularization. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest besides recovery of government taxes.

[PDP No. 3, 6 & 7]

6.4.4 Non-deduction of government taxes - Rs 2.604 million

According to Section 153 (1) of Income Tax Ordinance (ITO) 2001, withholding tax shall be @ 5.5% for filer and 11% for non-filer in case of sale of goods and for rendering of services @ 4% & 8% respectively. Further according to 2nd Schedule of Punjab Sales Tax on Service 2012 PST @ 16% will be deducted from the payment of service providers. Similarly, according to chapter-II clause 3 of Sales Tax Act 1990, Sales Tax @ 17% will be deducted from the payment of supplies.

During audit of various formations of DEA Narowal for the FYs 2021-23, it was observed that expenditure of Rs 9.835 million was incurred for acquiring services and purchase of different items from various suppliers. The payment was made without deduction of government taxes (GST, PST & Income Tax). This resulted in non-deduction of government taxes worth Rs 2.604 million.

Rs in million

Name of formation	**Description**	**Amount**	**GST**	**Income Tax**	**PST**	**Total taxes**
Dy. DEO (W-EE) Narowal	Purchases	2.843	0.483	0.313	-	0.796
	Services	1.694	-	0.136	0.271	0.407
Dy. DEO (M-EE) Zafarwal	Purchases	1.428	0.243	0.157	-	0.400
	Services	0.616	-	0.049	0.099	0.148

Dy. DEO (W-EE) Zafarwal	Purchases	1.807	0.307	0.199	-	0.506
	Services	1.447	-	0.116	0.232	0.347
Total		**9.835**	**1.033**	**0.969**	**0.601**	**2.604**

Audit held that government taxes were not deducted due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that all the concerned quarters had been directed to deposit the government taxes.

DAC in its meeting held on 15th December 2023 directed for complete recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 14, 17, 20, 21, 26 & 27]

CHAPTER 7

DISTRICT EDUCATION AUTHORITY SIALKOT

7.1 Introduction

a) There are 368 formations in DEA Sialkot out of which audit of 04 formations was conducted. Total expenditure of these 04 formations was Rs 2,036.007 million out of which 37% expenditure was audited.

Audit Profile of DEA Sialkot

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited
1	DEA Sialkot	368	04	753.323
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Sialkot was Rs 12,773.416 million and supplementary grant of Rs 2,954.867 million for the FY 2022-23. An amount of Rs 1,967.592 million was surrendered and final budget was Rs 13,760.691 million. Management incurred an expenditure of Rs 13,573.379 million resulting in saving of Rs 187.312 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	12,227.442	2,670.589	1,769.177	13,128.854	12,985.488	-143.366
Non-Salary	416.667	142.892	198.415	361.144	321.228	-39.916
Development	129.307	141.386	-	270.693	266.663	-4.030

Total	**12,773.416**	**2,954.867**	**1,967.592**	**13,760.691**	**13,573.379**	**-187.312**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+)/ Saving (-)**	**% age of saving**
2021-22	11,981.132	11,827.31	-153.824	1
2022-23	1,3760.691	13,573.379	-187.312	1

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 15% increase in budget allocation and expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 187.312 million during FY 2022-23 which is 1% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Sialkot was made on the basis of various quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher Presence	90
2	Non-Teaching Staff Presence	91
3	Student Attendance	89
4	Retention (All Grades)	94
5	Head Teacher Presence	88
6	Availability of Boundary Wall	98
7	Availability of Drinking Water	99

Sr. No.	Indicators	Achievement (%)
8	Availability of Furniture	95
9	Sufficiency of Toilets	95
10	School Hygiene	79

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Sialkot considerably lagged behind in achieving the target of student attendance and school hygiene during FY 2022-23.

7.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 80.583 million were raised in this report during current audit of DEA Sialkot. This amount also includes recoveries of Rs 21.677 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount Placed under Audit Observation**
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	21.677
B	Procurement related irregularities	5.017
V	Management of accounts with commercial banks	0
4	Value for money and service delivery issues	0
5	Others	53.889
Total		**80.583**

7.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
1	2017-18	02	Not convened
2	2018-19	06	
3	2019-20	11	
4	2020-21	08	

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
5	2021-22	06	
6	2022-23	06	

7.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

7.4.1 Excess payment of honoraria to staff - Rs 9.741 million

According to Para 2 (v) Policy Guideline for IAS Programme Issued by PESRP vide No DDP/PMIU/2019-17599 dated 29.03.2019, if the total enrollment in all classes of an afternoon school remains less than the minimum enrollment mentioned in the table, the honoraria will be paid on a proportionate basis i.e. it should be proportionate to the actual enrollment figure vis-à-vis the required minimum enrollment. For example, if requirement of minimum enrolment was 80 students in high school classes and if the maximum number of total students in those classes was 40 during any month of the last academic year, the staff will be paid 50 percent of the honoraria, and so on.

During audit of various formations of DEA Sialkot for the FYs 2021-23, it was observed that 68 Elementary IASs were established in district Sialkot. The staff of these schools was paid full honoraria irrespective of enrolment of students in violation of policy. This resulted in excessive payment of honoraria of Rs 9.741 million.

Rs in million

Name of Formation	**No. of Schools**	**No. of students required**	**Actual No. of students**	**% of actual no. of students**	**Honoraria paid**	**Honoraria to be paid**	**Excess payment**
Dy. DEO (W-EE) Sialkot	25	2,500	1,014	41	7.114	3.029	4.085
Dy. DEO (M-EE) Sialkot	07	700	310	44	2.110	0.988	1.122
Dy. DEO (W-EE) Daska	36	3,600	1,751	49	9.875	5.341	4.534
Total	**68**	**6,800**	**3,075**	**45**	**19.099**	**9.358**	**9.741**

Audit held that excess payment of honoraria was made due to non-compliance of rules.

The matter was reported to the PAO in November 2023. The department replied that all the codal formalities were observed before the payment of the honoraria to the teaching/non-teaching staff. However, department did not produce any documentary evidence in support of reply.

DAC in its meeting held on 6th December 2023 directed to refer the matter to SED for clarification and advice. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 18, 25 & 39]

7.4.2 Inadmissible payment of social security benefit - Rs 7.346 million

According to Clause xiii (i) (a) of contract appointment policy 2004, 30% Social Security Benefit (SSB) shall only be admissible during contract appointment.

During audit of following formations of DEA Sialkot for the FYs 2021-23, it was observed that SSB allowance was not stopped after regularization of employees. Consequently, SSB @ 30% in lieu of pension worth Rs 7.346 million was continuously being paid to these employees. This resulted in overpayment to the employees worth Rs 7.346 million.

Rs in million

Sr. No.	**Name of Formation**	**No. of Employees**	**Amount**
1	Dy. DEO (EE-W) Sialkot	12	2.101
2	Dy. DEO (EE-M) Sialkot	11	1.359
3	Dy. DEO (EE-W) Daska	25	3.886
Total		**48**	**7.346**

Audit held that overpayment of SSB was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that process has been started to fix pay of the regularized employees. After re-fixation the recovery would be made from these employees.

DAC in its meeting held on 6th December 2023 directed to recover the overpaid amount. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Report for Audit Years 2021-22 and 2022-23 vide paras number 20.4.3.1.2 and 7.4.1 having financial impact of Rs 1.605 million and Rs 12.518 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 17, 23 & 32]

7.4.3 Overpayment of inspection allowance of AEOs during summer vacations - Rs 4.590 million

According to SED notification No.SO(SE-III)5-226/2017 dated 3rd August 2020, inspection allowance @ Rs 10,000 / month is fixed for AEOs throughout the year while Rs 15,000 / month will be granted to AEOs against each indicator achieved.

During audit of various formations of DEA Sialkot for the FYs 2021-23, it was observed that inspection allowance @ Rs 25,000 per month was paid to all AEOs in summer vacations instead of Rs 10,000 per month without achieving KPIs as during summer vacations schools were closed and not even a single KPI was achieved. This resulted in overpayment of inspection allowance of Rs 4.590 million.

Rs in million

Sr. No.	Name of formation	No. of AEOs	Conditional payment per month	Period	Amount
1	Dy. DEO (EE-W) Sialkot	27	0.015	6 months	2.430
2	Dy. DEO (EE-M) Sialkot	09	0.015	6 months	0.810
3	Dy. DEO (EE-W) Daska	15	0.015	6 months	1.350
Total					**4.590**

Audit held that overpayment of inspection allowance was due to weak financial and internal controls.

The matter was reported to the PAO in November 2023. Department replied that the KPIs were observed and authority sanctioned the inspection allowance after achieving of the targets. However department did not produce any documentary evidence in support of reply.

` DAC in its meeting held on 6th December 2023 directed to refer the matter to SED for clarification. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 20, 26 & 38]

B) Procurement related irregularities

7.4.4 Irregular expenditure due to splitting & avoiding PPR 2014 - Rs 5.017 million

According to Rule 9 of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned.

During audit of CEO DEA Sialkot for the FY 2022-23, it was observed that an amount of Rs 5.017 million was paid to the M/s Baig Traders for the provision of food to the madrissas without inviting tenders. Instead of tendering process the indents were split up for less than Rs 75,000 each in violation of rules. Therefore expenditure on account of provision of food (flour, maze, milk, vegetables, cooking oil, meat etc.) was held irregular worth Rs 5.017 million.

Audit held that irregular expenditure was incurred without calling tenders due to non-compliance of rules.

The matter was reported to the PAO in November 2023. The department replied that the food was supplied to each madrissa for 10 days. Therefore each bill of food was paid to the supplier of 10 days. The reply was not tenable because the indents were split and purchase was made from the selective vendor for whole district.

DAC in its meeting held on 6th December 2023 directed to probe the matter besides regularization. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 04]

C) Others

7.4.5 Irregular recruitment of School Teacher Interns - Rs 53.889 million

According to Order No. SO(SE_REC)2-17/2020 and dated 16-02-2021 issued by SED, candidate interested for the position of STIs were required to apply through Online Teacher Recruitment System (OTRS). Moreover, pre-interview merit list and final interview merit lists were to be uploaded on OTRS.

During audit of various formations of DEA Sialkot for the FYs 2021-23, it was observed that (STIs) were recruited without following prescribed guidelines issued by SED. OTRS was totally ignored and selection process was carried out by schools themselves without even involvement of higher authorities. This irregularity made the whole recruitment process of STIs non-transparent causing irregular payment of salaries amounting to Rs 53.889 million.

Rs in million

Sr. No.	**Name of Formation**	**No. of STIs**	**Amount**
1	Dy. DEO (EE-W) Sialkot	137	28.182
2	Dy. DEO (EE-W) Daska	129	25.707
Total		**266**	**53.889**

Audit held that irregular recruitment of STIs was made due to non-compliance of rules.

The matter was reported to the PAO in November 2023. The department replied that whole recruitment process of selection of STIs was transparent and according to the instructions of government of the Punjab. However department did not produce any documentary evidence in support of reply.

DAC in its meeting held on 6th December 2023 directed to refer the matter to SED for clarification. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 21 & 36]

CHAPTER 8

DISTRICT EDUCATION AUTHORITY KASUR

8.1 Introduction

a) There are 214 formations in DEA Kasur out of which audit of 04 formations was conducted. Total expenditure of these 04 formations was Rs 412.731 million out of which 36% expenditure was audited.

Audit Profile of DEA Kasur

Rs in million

Sr. No.	Description	Total No. of Formations	Audited	Expenditure Audited
1	DEA Kasur	214	04	146.588
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Kasur was Rs 12,432.522 million and supplementary grant was Rs 568.843 million for the FY 2022-23. An amount of Rs 1,306.038 million was surrendered and final budget was Rs 11,695.327 million. Management incurred an expenditure of Rs 10,446.596 million resulting in saving of Rs 1,248.731 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	11,109.003	346.828	1,304.461	10,151.370	9,835.063	-316.307
Non-Salary	1,075.744	134.180	1.235	1,208.689	334.232	-874.457
Development	247.775	87.835	0.342	335.268	277.301	-57.967

Total	**12,432.522**	**568.843**	**1,306.038**	**11,695.327**	**10,446.596**	**-1,248.731**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	9,976.478	8,866.830	-1,109.648	11
2022-23	11,695.327	10,446.596	1,248.731	11

Source: Appropriation accounts for the FY 2022-23 and FY 2021-22

There was 17% increase in budget allocation and 18% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 1,248.74 million during FY 2022-23 which is 11% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Kasur was made on the basis of various qualitative indicators set by Education Department for FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher presence	90
2	Non-teaching staff presence	91
3	Student attendance	90
4	Student retention	90
5	Head teacher presence	71
6	Availability of Boundary walls	82
7	Availability of Drinking water	99

Sr. No.	Indicators	Achievement (%)
8	Availability of furniture	97
9	Sufficiency of Toilets	79
10	School hygiene	67

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Kasur considerably lagged behind in achieving the target of student attendance, teacher presence, availability of boundary walls, sufficiency of toilets and school hygiene during FY 2022-23.

8.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 70.814 million were raised in this report during current audit of DEA Kasur. This amount includes recoveries of Rs 66.838 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount Placed under Audit Observation**
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-

Total		**70.814**

8.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
1	2017-18	12	Not convened
2	2018-19	21	
3	2019-20	07	

4	2020-21	13	
5	2021-22	18	
6	2022-23	08	

8.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

8.4.1 Non-transparent hiring on forged documents - Rs 3.976 million

According to Clause 13(i) of appointment letter issued by District Education Officer to Mst. Sobia as SSE (English), if at any stage, degrees, certificates, diploma, CNIC or domicile is found bogus, not only contract shall be terminated to be void ab initio. Furthermore, clause 14 requires that the appointing authority shall recover the loss if any.

During audit of CEO DEA Kasur for the FY 2022-23, it was observed that Mst, Sobia was appointed as SSE (English) 10-07-2017 in the Government Girls High School Ram Thaman, Kot Radha Kishan. Scrutiny of record revealed that she submitted a forged domicile for appointment. This was proven in an inquiry as well, however, her service was not terminated. She had drawn pay & allowances of Rs 3.976 million up to June 2023, which had not been recovered as per contract. This resulted in non-transparent hiring of official and loss of Rs 3.976 million to the government.

Audit held that non-transparent hiring was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the case of candidate was in Lahore High Court, Lahore and would be dealt as per decision of the court.

DAC in its meeting held on 13th December 2023 directed the management to pursue the case vigorously. No further progress was reported till finalization of report.

Audit recommends to pursue the case vigorously and fix responsibility for appointment without due verification process.

[PDP No. 09]

8.4.2 Non-recovery of salaries and penalty - Rs 5.836 million

According to Clause 13(i) of appointment letter issued by District Education Officer, if at any stage, degrees, certificates, diploma, CNIC or domicile is found bogus, not only contract shall be terminated to be void ab initio. Furthermore, Clause 14 requires that the appointing authority shall recover the loss if any. According to Section 4(1) of Punjab Employees Efficiency, Discipline and Accountability (PEEDA) Act 2006, the competent authority not withstanding anything contained in any law and terms and conditions of service of the accused, by the order in writing may impose one or more penalties.

During audit of DEO (MEE) Kasur for FY 2022-23, it was observed that the management terminated services of six officials on account of submission of forged documents. However, the emoluments paid to these employees of Rs 3.210 million were not recovered. Moreover, the penalties of Rs 2.626 million on account of inefficiency and misconduct under PEEDA Act, imposed upon nine (09) employees, were not recovered. This resulted in non-recovery of salaries and penalties of Rs 5.836 million as detailed at **Annexure-E**.

Audit held that recoveries were not made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the staff did not receive any salary after removal from service and penalties were imposed after conducting inquiries and same had been implemented. Reply was not tenable because salaries paid during service of the employees were not recovered as per contract agreement. Moreover, evidence for imposition of penalty was not produced to audit.

DAC in its meeting held on 13th December 2023 directed the management to recover salaries prior to termination and impose penalties imposed at the earliest. No further progress was reported till finalization of this report.

Audit recommends recovery of salaries and penalty besides fixing of responsibility against the person(s) at fault.

[PDP No. 15 & 19]

8.4.3 Inadmissible payment on account of Social Security Benefit Allowance - Rs 2.398 million

According to Clause (XIII)(i)(b) of Contract Appointment Policy 2004 issued by Government of the Punjab S&GAD, SSB @ 30% of minimum of basic pay, in lieu of pension, was admissible only for the persons working on contract basis. However, after regularization of services this allowance would be stopped and pay be fixed on the initial of basic pay scale and the difference of pay would be paid as their personal allowance.

During audit of DEO (M-EE) Kasur for the FY 2021-23 it was observed that the services of 37 teaching staff were regularized. Scrutiny of record further revealed that these officials were drawing SSB in violation of rule ibid. This resulted in inadmissible payment of SSB of Rs 2.398 million.

Audit held that overpayment of SSB was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the teachers regularized during 2021-2023 were not receiving any SSB allowance. Reply was not tenable because the management failed to produce documentary evidence.

DAC in its meeting held on 13th December 2023 directed to reconcile the matter of regularization and effect recovery if any. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility against the person(s) at fault.
[PDP No. 18]

B) Others

8.4.4 Non-deposit of GST - Rs 3.218 million

According to Para 2 of S.R.O. No.660(1)/2007dated 30th June, 2007 a withholding agent shall deduct an amount equal to one-fifth of the total sales tax shown in the sales tax invoice issued by the supplier and make payment of the balance amount to him.

During audit of CEO DEA Kasur for the FY 2022-23, it was observed that the management purchased consumable and general store items amounting to Rs 26.368 million from M/S MAS Traders against which Rs 4.022 million was claimed on account of GST. Scrutiny of record revealed that M/S MAS Traders did not file sales tax return and was inactive as per Federal Board of Revenue (FBR) record. The vendor did not deposit 4/5th of total amount of GST i.e. Rs 3.218 million into government treasury. This resulted in non-deposit of GST of Rs 3.218 million.

Audit held that GST was not deposited into government treasury due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the vendor had been requested for provision of GST returns. Reply was not tenable because department failed to provide the copies of GST returns.

DAC in its meeting held on 13th December 2023 directed the management to provide sales tax return verifying GST invoices claimed in the bills. No further progress was reported till finalization of this report.

Audit recommends recovery of GST besides fixing of responsibility against person (s) at fault.

[PDP No. 06]

8.4.5 Non-recovery of renewal fee & penalty from private schools -Rs 53.557 million

According to the Section 3 of the PPEI (Promotion & Regulation) Ordinance 1984, whoever continues to run the institution without registration shall be punished with the fine which may extend to one hundred rupees for each day during which contravention continues. As per notification No.SO(A-1)7-21/81 dated 24-08-1998 of Education Department, annual inspection fee @ Rs 500 and Rs 1,000 per annum will be charged for primary school and higher secondary school respectively.

During audit of CEO DEA Kasur for the FY 2022-23, it was observed that 527 private schools did not renew their registration. The management neither made efforts for recovery of renewal fee nor imposed penalties on un-registered schools. This resulted in non-recovery of renewal fee and penalties of Rs 53.557 million as detailed below:

Rs in million

Level	No. of Schools	Inspection Fee (a)	Penalty (b)	Total (a+b)
Primary /Elementary	315	0.157	38.066	38.223
High Level	212	0.212	15.121	15.333
Total	**527**	**0.369**	**53.187**	**53.557**

Audit held that renewal fee and penalty was not recovered due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the registration process was started and notices were issued to the schools. reply was not tenable because the management failed to register schools.

DAC in its meeting held on 13th December 2023 directed to expedite the process and submit report within one month. No further progress was reported till finalization of this report.

Audit recommends registration of the schools along with imposition of penalty at the earliest.

[PDP No. 7]

8.4.6 Loss due to non-registration of private schools - Rs 1.829 million

According to the Section 3 of the PPEI (Promotion & Regulation) Ordinance 1984, no institution shall be run unless it is registered. Rates for registration are Rs 5,000. and Rs 7,000 the for primary school and Higher Secondary School respectively.

During audit of CEO DEA Kasur for the FY 2022-23, it was observed that 339 private schools were not registered with the government. The management neither made any effort for registration of un-registered schools nor any action was taken against those schools. This resulted in loss of Rs 1.829 million due to non-registration of schools as detailed below:

Rs in million

Level	No. of Schools	Rate of Registration (Rs)	Recoverable Registration Fee
Primary /Elementary	272	5,000	1.360

High Level	67	7,000	0.469
Total			**1.829**

Audit held that private schools were not registered due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that committee was constituted to thrash out the issue. Reply was not tenable because no action was taken against the non-registered schools.

DAC in its meeting held on 13th December 2023 directed the management to expedite the process of registration of schools. No further progress was reported till finalization of this report.

Audit recommends registration of schools at the earliest besides fixing of responsibility against the person(s) at fault.

[PDP No. 8]

CHAPTER 9

DISTRICT EDUCATION AUTHORITY LAHORE

9.1 Introduction

a) There are 413 formations in DEA Lahore out of which audit of 05 formations was conducted. The total expenditure of these 05 formations was Rs 1,302.757 million. Out of which 21% expenditure was audited.

Audit Profile of DEA Lahore

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited
1	DEA Lahore	413	05	279.522
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects (FAP)	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Lahore was Rs 26,918.426 million and supplementary grant was Rs 957.907 million for the FY 2022-23. An amount of Rs 5,453.100 million was surrendered and final budget was Rs 22,423.232 million. Management incurred an expenditure of Rs 19,646.912 million resulting in saving of Rs 2,776.320 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	25,012.082	752.201	4,770.210	20,994.063	18,945.907	-2,048.156
Non-Salary	959.934	137.382	356.670	740.656	411.812	-328.844
Development	946.410	68.324	326.220	688.513	289.193	-399.320

Total	26,918.426	957.907	5,453.100	22,423.232	19,646.912	--2,776.320

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) Savings(-)	% age of saving
2021-22	19,913.992	16,213.999	-3,699.993	19
2022-23	22,423.232	19,646.912	-2,776.320	12

Source: Appropriation accounts for the FY 2022-23 and FY 2021-22

There was 13% increase in budget allocation and 21% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 2,776.319 million during FY 2022-23 which is 12% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Lahore was made on the basis of various quality indicators set by Education Department for FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	Indicators	Achievement (%)
1	Teacher presence	89
2	Non-teaching staff presence	84
3	Student attendance	84
4	Student retention	95
5	Head teacher presence	88
6	Availability of Boundary wall	100
7	Availability of Drinking water	99

Sr. No.	Indicators	Achievement (%)
8	Availability of furniture	96
9	Sufficiency of Toilets	78
10	School hygiene	76

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Lahore considerably lagged behind in achieving the target of teacher presence, presence of non-teaching staff, student attendance, sufficiency of toilets and school hygiene during 2022-23.

9.2 Classified Summary of Audit observations

Audit observations amounting to Rs 2,178.996 million were raised in this report during current audit of DEA Lahore. This amount also includes recoveries of Rs 1,481.236 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	0
2	Fraud, embezzlement and misappropriation	0
3	**Irregularities:**

3	2019-20	07	
4	2020-21	10	
5	2021-22	09	

6	2022-23	10	

9.4 AUDIT PARAS

A) Fraud, Embezzlement and Misappropriations

9.4.1 Non-transparent appointment of 434 employees

As per Section 2(3) & 5(c) of Recruitment Policy 2022 circulated vide letter No.SOR-IV (S&GAD)l0-142/2021 dated 9th March 2022 S&GAD (Regulation Wing), Government of the Punjab, the recruitment shall be transparent and in prescribed manner. Moreover, SED, Government of the Punjab, constituted District Selection Committee (DSC) for the posts in BS-01 to BS-11 vide Notification No.SO(SE-III) 5-23/2017 dated 10-04-2017. The Committee consisted of the following officers.

i.	Chief Executive Officer (DEA)	Chairman
ii.	Deputy Director (B&F)(DEA)	Member
iii.	Appointing Authority Concerned	Member
iv.	One member to be nominated by the Administrative Department	Member
v.	One Women member to be nominated by CEO (DEA)	Member
vi.	District Officer Concerned	Member/Secretary

The advertisement was made in the daily Express and Dunya News on 01-11-2022 for recruitment against 720 vacancies of class-IV employees on contract basis. As per advertisement, only permanent residents of Lahore District were eligible for appointment.

During audit of CEO DEA Lahore for the FY 2022-23, it was observed that the management issued merit list of 322 candidates on 09.01.2023 duly signed by DSC. Later on merit list was changed and 174 candidates were replaced by other candidates. Moreover the number of candidates in revised merit list was increased from 322 to 434. Additionally, the revised list of 434 candidates was not signed by the chairman and other members of DSC. Moreover, the following candidates were appointed on forged documents.

Sr. No.	Name of candidate	Personnel / CNIC No.	Remarks
1	Muhammad Zeeshan Boota	32242168	Resident of Sheikhupura and CNIC was issued after appointment orders.
2	Mr. Husnain Raza	35102-7767185-1	Forged signatures of Headmistress on service book and appointment orders.
3	Ms. Sara	32245694	Fraudulent insertion of name in the merit list.

Moreover, the PAO failed to supervise the recruitment process in prescribed and transparent manner. This resulted in non-transparent appointment of 434 officials.

Audit held that non-transparent recruitments of employees were made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that matter was referred to the Secretary, SED against the said employees and appointing authorities. Reply was not accepted because no further action was taken despite lapse of considerable time.

DAC in its meeting held on 16th December 2023 directed to initiate inquiry against the officials and the appointing authorities and terminate the services of the official appointed on forged documents. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision besides fixing of responsibility against the person(s) at fault.

[PDP No. 7, 16 & 18]

B) Human Resource / Employees related irregularities

9.4.2 Inadmissible payment of pay & allowances - Rs 28.886 million

According to Rule 1.15 of PTA Rules 1976, CA is not allowed during leave. According to Government of the Punjab, Finance Department letter No. SO(S-III)2-16/2007 dated 24-09-2007, qualification allowance will not be admissible to the teachers who are already in receipt of any kind of benefit of higher qualification either in shape of advance increments or higher pay scales. Upon regularization of the services of a contract employee, pay shall be fixed at initial stage of the respective pay scale and the increments earned during the contract appointment period shall be converted into personal allowance.

During audit of following formations of CEO DEA Lahore for the FY 2022-23, it was observed that the management overpaid Rs 28.886 million on account of pay & allowances such as conveyance allowance, charge allowance, qualification allowance etc. to 2,758 employees in violation of ibid rules. This resulted in overpayment of Rs 28.886 million on account of pay & allowances as detailed below:

Rs in million

Sr. No.	Department	Description	No. of employees	Amount
1	CEO	Conveyance allowance (CA)	08	0.480
2		Charge allowance to fresh AEOs	13	0.156
3		Personal Allowance	102	6.620
4		Qualification Allowance	2,432	16.590
5		CA to OSD posts	17	0.674
6		Science teaching allowance	53	0.375
7	Govt. Sunrise Institute for the Blind	CA during leave / vacation	16	0.114
8		Overpayment of CA and House Rent allowance	10	2.726
9	Dy. DEO EEM Raiwind	Qualification Allowance	93	0.612
10		Overpayment of pay and allowances due to wrong fixation	04	0.434

11		CA during vacations / summer vacations	10	0.105
Total			**2,758**	**28.886**

Audit held that overpayment of pay & allowances was made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the recovery will be effected and compliance will be shown to audit. Reply was not accepted as department did not affect recovery.

DAC in its meeting held on 16th December 2023 directed to expedite the recovery. No further progress was reported till finalization of this report.

Audit recommends recovery of the overpaid pay & allowances at the earliest.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para number 3.4.2.1.4 and 9.4.4 having financial impact of Rs 203.919 million and Rs 14.830 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 8, 9, 10, 11, 12, 13, 14, 22, 24, 31, 32 & 33]

9.4.3 Irregular appointment against 20% in service quota

As per Section 2(3) and 5(c) of Recruitment Policy 2022 vide letter No.SOR-IV (S&GAD)l0-142/2021 dated 9th March, 2022, S&GAD (Regulation Wing), Government of the Punjab, the recruitment shall be transparent and in prescribed manner. According to advertisement published in Daily Dunya News dated 01-11-2022, 20% in service quota was reserved for in service employees.

During audit of CEO DEA Lahore for the FY 2022-23, it was observed that the management appointed 25 candidates against 145 vacancies reserved for 20% in service quota of class-IV employees. The management deprived the in-service employees' children of 25 vacancies. This resulted in irregular appointment against 20% in-service quota.

Audit held that irregular appointment against 20% service quota was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that matter was referred to the Secretary, SED against the said employees and appointing authorities. Reply was not accepted as no action was taken despite the lapse of considerable time.

DAC in its meeting held on 16th December 2023 directed the PAO to initiate inquiry against the official and the appointing authorities and terminate the services of the officials appointed against 20% service quota within three months. No further progress was reported till finalization of this report.

Audit recommends termination of services of the officials appointed against 20% in service quota besides fixing responsibility against the person(s) at fault.

[PDP No. 19]

C) Procurement related irregularities

9.4.4 Non-deduction of taxes - Rs1.186 million

According to Section 153 (1) of ITO 2001, every prescribed person making a payment in full or part including a payment by way of advance to a resident person for the sale of goods shall deduct tax @ 4.5% of the gross amount payable, if the person is a filer and 6.5% if the person is a non-filer. According to SRO 660 (1)/2007 dated 30-06-2007 of FBR all withholding agents shall make purchases of taxable goods from a person duly registered under Sales Tax Act, 1990. The GST @ 1/5th of total value of the bill may be deducted at source and deposited it into Government Treasury.

During audit of Dy. DEO (M-EE) Raiwind for the FY 2019-23, it was observed that the schools purchased different store & consumable items and services for Rs 5.516 million. Scrutiny of record further revealed that the management of schools did not deduct Income Tax and GST of Rs 248,228 and Rs 937,748 respectively. This resulted in non-deduction of taxes of Rs 1.186 million.

Audit held that taxes were not deducted due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the schools were directed to deposit taxes into government treasury. Reply was not accepted as department did not deposit government taxes.

DAC in its meeting held on 16th December 2023 directed the management to deposit taxes into government treasury at the earliest. No further progress was reported till finalization of this report.

Audit recommends recovery of taxes from the concerned quarter besides fixing responsibility against the person(s) at fault.

[PDP No. 30]

D) Management of accounts with commercial banks

9.4.5 Un-authorized deduction of advance tax on profit - Rs 6.605 million

Section 49 (2&3) of ITO 2001 provides that the income of a provincial government or a local authority in Pakistan shall be exempt from tax under this ordinance, other than income chargeable under the head "Income from Business" derived by a provincial government or local authority from a business carried on outside its jurisdictional area. Moreover, subject to sub-section (2), any payment received by the federal government, a provincial government or a local authority shall not be liable to any collection or deduction of advance tax.

During audit of CEO DEA Lahore for the FY 2022-23 it was observed that the Bank of Punjab (BoP) Patiala Ground Branch credited profit of Rs 24.572 million. Moreover, the bank deducted Rs 6.605 million as advance tax on profit against the rule ibid. This resulted in un-authorized deduction of advance tax on profit by BoP of Rs 6.605 million as detailed below:

Rs in million

Date of credited profit	Amount of profit	Date	Tax deducted
1-7-2019	0.360	29-01-2020	0.300
1-1-2020	0.936	18-01-2021	0.135
1-7-2020	0.947	01-07-2022	1.383
1-1-2021	0.451	01-01-2023	2.151
1-7-2021	0.492	18-07-2023	2.636
1-1-2022	0.816		
1-7-2022	4.611		
1-1-2023	7.171		
1-7-2023	8.788		
Total	**24.572**		**6.605**

Audit held that advance tax was deducted un-authorizedly by BoP due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that a letter to the Bank Manager was written for justification/credit back of withheld amount. Reply was not accepted as department did not recover advance tax.

DAC in its meeting held on 16th December 2023 directed to expedite the process of recovery. No further progress was reported till finalization of this report.

Audit recommends recovery of advance tax besides fixing of responsibility against the person(s) at fault.

[PDP No. 1]

9.4.6 Non-deposit of bank profit into government treasury - Rs 24.572 million

According to Rule 8(1) under Section-V of the Punjab Treasury Rules 1985, all moneys received or tendered on account of the revenue of the government or public moneys raised or received by the government shall, without undue delay be deposited in full into the treasury and shall be included in the consolidated fund of the state. Money received as aforesaid shall not be appropriated to meet departmental expenditure nor otherwise kept apart from the consolidated fund of the state.

During audit of CEO DEA Lahore for the FY 2022-23, it was observed that the authority earned profit of Rs 24.572 million on PLS-account No. 6510039605300029, Bank of Punjab for the period from 01.07.2019 to 01.07.2023. The profit amount was retained in the bank and not deposited into government treasury against the rule ibid. This resulted in non-deposit of bank profit into the government treasury.

Audit held that the profit was not credited into government treasury due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the bank profit would be deposited at the earliest. Reply was not accepted because profit was not credited into government treasury.

DAC in its meeting held on 16th December 2023 directed the management to deposit the amount of profit into the government treasury. No further progress was reported till finalization of this report.

Audit recommends immediate deposits of bank profit into government treasury besides fixing responsibility against the person(s) at fault.

[PDP No. 2]

9.4.7 Loss to government due to non-placement of funds in corporate account - Rs 48.544 million

According to letter No. FD(W&M)1-1/70 (Vol-XV)/2018 dated 11.01.2019 of Finance Department, Government of the Punjab, mark up rates offered by Bank of Punjab may be compared with all public/private and Islamic banks having minimum long term "AA" rating at the time of placement of funds. In case Bank of Punjab offers the highest profit rate, funds may be placed with it. In case any of the above referred banks offers the highest profit rate, Bank of Punjab may be given an opportunity to match that profit rate within maximum of 10 days.

During audit of CEO DEA Lahore for the FY 2022-23, it was observed that an accumulated amount of Rs 440.657 million was lying in account no. 6510039605300029 of Bank of Punjab from 01.07.2019 to 30.06.2023. The management did not obtain markup rates from AA rating banks for placement of funds. The comparison with the KIBOR revealed that the management sustained a loss of Rs 48.544 million. Non-placement of funds in corporate account resulted in loss of profit of Rs 48.544 million as detailed below:

Rs in million

Date	**Balance**	**% of profit earned**	**Earned Profit (Rs)**	**% of KIBOR**	**Profit To be earned**	**Loss (Rs)**
	A	**B**	**C= A*B**	**D**	**E=A *D**	**F=E-C**
30.06.2019	10.131	3.56	0.360	13.63	1.380	1.020
31.12.2019	14.752	6.35	0.936	13.44	1.982	1.046
30.06.2020	15.431	6.14	0.947	7.35	1.134	0.187
31.12.2020	16.526	2.73	0.451	7.67	1.267	0.816
30.06.2021	26.621	1.85	0.492	8.08	2.151	1.659
30.12.2021	30.394	2.69	0.816	11.8	3.586	2.770
30.06.2022	114.324	4.03	4.611	15.73	17.983	13.372
31.12.2022	97.952	7.32	7.171	17.34	16.984	9.813
30.06.2023	114.521	7.67	8.788	23.27	26.649	17.861
Total			**24.572**		**73.116**	**48.544**

Audit held that funds were not placed in corporate account due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that as per government instructions DEA maintained its bank account in BoP since the inception of DEA Lahore and getting interest as per bank policy. Reply was not accepted as the department did not follow the instructions of Finance Department, Government of the Punjab.

DAC in its meeting held on 16th December 2023 directed the management to get competitive rates of interest and deposit the amount into the bank offering the highest rates as per Finance Department's instructions. No further progress was reported till finalization of this report.

Audit recommends obtaining the competitive interest rates for placement of funds besides fixing of responsibility against the person(s) at fault.

[PDP No. 3]

E) Others

9.4.8 Non-recovery of cost of land and malba - Rs 2,039.150 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of CEO DEA for the FY 2022-23, it was observed that Defence Housing Authority, Lahore demolished 11 government schools in 2006 without prior permission from Schools Education Department, Government of the Punjab and occupied the land. Additional District Collector, Lahore evaluated the cost of the land encroached by the DHA amounting to Rs 1,385.150 million vide his letter No.Nazul/171 dated 06.02.2016. The management neither recovered the cost of land nor retrieved the land from DHA Lahore despite the lapse of 17 years. Moreover, the management did not recover the cost of malba and obsolete materials of demolished schools of Rs 654.00 million (approximate). This resulted in non-recovery of cost of land and malba of Rs 2,039.150 million as detailed at **Annexure-F**.

Audit held that the cost of land and malba was not recovered due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the DEA has already taken up the matter and filed Civil Suit on 11.08.2022 against the DHA titled Government of the Punjab Vs. Secretary Defence Housing Authority.

DAC in its meeting held on 16th December 2023 directed the management to expedite the recovery. No further progress was reported till finalization of this report.

Audit recommends that the matter be inquired at administrative level besides fixing responsibility and strengthening of financial controls.

[PDP No. 5 & 6]

9.4.9 Non-recovery of fine and annual inspection fee from private schools Rs 25.572 million

As per Section 11 (1&2) of the PPEI (Promotion & Regulation) Ordinance 1984, Government of the Punjab, Education Department, whoever continues to run an institution without registration or after refusal or cancellation shall be punished with fine which may extend to Rs 100 for each day during which contravention continues and where the contravention continues for a period of three months, the institution shall be liable to closure by the Registering Authority. Further as per notification No.SO(A-1)7-21/81 dated 24-08-1998, Education Department, Govt. of the Punjab, annual inspection fee will be charged w.e.f 01-07-1998 @ Rs 1,000 and Rs 500 for high / higher schools, colleges and for elementary schools respectively.

During audit of CEO DEA Lahore for the FY 2022-23 it was observed that the registration of 684 schools expired in 2011-2023. However, the management did not took action against these private schools. The management did not impose fine of Rs 24.966 million (Rs 100x684 schools x 365 days) against unregistered schools. Moreover, inspection fee of Rs 0.606 million was also not recovered from these schools. This resulted in non-recovery of fine and annual inspection fee from non-registered schools of Rs 25.572 million as detailed below:

Rs in million

Sr. No.	Status of Schools	No of School	Annual inspection fee (Rs)	Total inspection fee (Rs)	Fine per day	Total fine	Grand Total
1	High / Higher Secondary Schools	528	1000	528,000	100	24.966	25.572
2	Elementary Schools	120	500	60,000			
3	Primary	36	500	18,000			
Total		**684**		**606,000**		**24.966**	**25.572**

Audit held that recovery of fine and inspection fee was not made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department did not submit any reply.

DAC in its meeting held on 16th December 2023 directed the management to provide the evidence of renewal and imposition of fine verification. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 4]

9.4.10 Mis-use of merit scholarship funds - Rs 4.481 million

According to memo No. W&M-1-3/2014-15/112 dated 28-08-14 by Government of the Punjab Finance Department, scholarship was provided for disbursement to students of 5th and 8th class.

During audit of DEO (EE-M) Lahore for the FY 2021-23, it was observed that funds on account of merit scholarship amounting to Rs 4.481 million were lying in the DDO account as on 01.07.2021. The funds of merit scholarship were provided by Finance Department, Government of the Punjab for the students of examination session 2012 vide memo No. W&M-1-3/2014-15/112 dated 28-08-14. Scrutiny of record revealed that the management did not disburse the scholarship to the students. The scholarship amount was misused for purchase of sundry items and payment of utilities bills etc. in FY 2019-20 after the lapse of 5 years. This resulted in mis-use of merit scholarship.

Audit held that scholarship amount was misused due to weak internal controls.

The matter was reported to the PAO in November 2023. The department did not submit any reply.

DAC in its meeting held on 16th December 2023 directed to CEO to form a committee to probe the misuse of scholarship across DEA and submit report within three months. No further progress was reported till finalization of this report.

Audit recommends that the matter be inquired at administrative level besides fixing responsibility and strengthening of financial controls.

[PDP No. 26]

CHAPTER 10

DISTRICT EDUCATION AUTHORITY NANKANA

10.1 Introduction

A) There are 221 formations in DEA Nankana Sahib out of which audit of 03 formations was conducted. Total expenditure of formations audited was Rs 220.035 million out of which 64% expenditure was audited.

Audit Profile of DEA Nankana

Rs in million

Sr. No.	Description	Total No. of Formations	Audited	Expenditure Audited
1	DEA Nankana Sahib	221	03	140.820
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

B) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Nankana Sahib was Rs 5,874.350 million and supplementary grant was Rs 80.980 million for the FY 2022-23. An amount of Rs 227.784 million was surrendered and final budget was Rs 5,727.546 million. Management incurred an expenditure of Rs 5,724.849 million resulting in saving of Rs 2.697 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	5,529.879	19.398	108.434	5,440.843	5,445.918	5.075
Non-Salary	278.759	0	119.350	159.409	154.334	-5.075
Development	65.712	61.582	-	127.294	124.597	-2.697
Total	**5,874.350**	**80.980**	**227.784**	**5,727.546**	**5,724.849**	**-2.697**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	5,106.762	5,086.639	-20.123	0.39
2022-23	5,727.546	5,724.849	-2.697	0.05

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 12% increase in budget allocation and 13% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 2.697 million during FY 2022-23 which is 0.05% of budget.

C) Sectorial Analysis

i. Analysis of Targets and Achievements

Sectorial analysis of DEA Nankana was made on the basis of various quality indicators set by Education Department for FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher presence	91
2	Non-teaching staff presence	92
3	Student attendance	89
4	Student retention	84
5	Head teacher presence	89
6	Availability of Boundary wall	99
7	Availability of Drinking water	96
8	Availability of furniture	99

Sr. No.	Indicators	Achievement (%)
9	Sufficiency of Toilets	93
10	School hygiene	88

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observedthat DEA Nankana Sahib considerably lagged behind in achieving the target of student attendance, student retention and school hygiene during FY 2022-23.

10.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 69.664 million were raised in this report during current audit of DEA Nankana Sahib. This amount also includes recoveries of Rs 6.412 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	2.223
3	**Irregularities:**	
A	HR/Employees related irregularities	4.329
B	Procurement related irregularities	-
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	63.252
Total		**69.664**

10.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
1	2017-18	19	Not Convened
2	2018-19	15	
3	2019-20	15	
4	2020-21	10	
5	2021-22	5	
6	2022-23	3	

10.4 AUDIT PARAS

A) Fraud, Embezzlement and Misappropriations

10.4.1 Misappropriation of government funds - Rs 2.223 million.

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of DEO (M-EE) Nankana Sahib for the FY 2022-23, it was observed an amount of Rs 2.223 million was expended on the purchase of goods i.e. furniture, IT equipment etc. During physical verification, it was revealed that the items were neither available nor entered in the stock registers. Moreover, the caretaker of the office submitted a written statement that he did not receive any items. This resulted in misappropriation of funds of Rs 2.223 million.

Audit held that government funds were misappropriated due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the goods were purchased and directly handed over to the branches concerned. Reply was not tenable as the caretakers of the branches concerned submitted written statements that they didn’t receive goods.

DAC in its meeting held on 4th December 2023 directed the CEO to inquire the matter and submit report to audit. No further progress was reported till finalization of this report.

Audit recommends recovery of misappropriated amount besides fixing of responsibility against person(s) at fault.

[PDP No. 68]

B) Human Resource / Employees related irregularities

10.4.2 Inadmissible payment of social security benefit - Rs 4.189 million

According to Para No. (XIII)(i)(b) of Contract Appointment Policy 2004, social security benefit (SSB) @ 30% of minimum of basic pay is admissible only for the persons working on contract in lieu of pension. The employees at regularization shall not be entitled to the payment of 30% SSB in lieu of pension.

During audit of DEA Nankana Sahib for the FY 2022-23, it was revealed that SSB was paid to staff after regularization of their services in violation of rules ibid. This resulted in inadmissible payement of Rs 4.189 million as detailed at **Annexure-G**.

Audit held that SSB was overpaid due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the concerned DDOs of DEA Nankana Sahib had started the recovery.

DAC in its meeting held on 4th December 2023 directed to expedite the recovery. No further progress was reported till finalization of this report.

Audit recommends recovery of SSB besides fixing responsibility against the person(s) at fault.

[PDP No. 65 & 131]

C) Other

10.4.3 Unauthorized use of tied grants - Rs 63.252 million

According to Rule 24 of PDA (Budget) Rules 2017, all conditional grants should be budgeted and utilized in accordance with the condition of the grant.

During audit of DEA Nankana Sahib for the FY 2022-23, it was observed from the closing balance of A/C-V that an amount of Rs 63.252 million of tied grants was used for other activities. The closing balance of unutilized tied grant was required to be Rs 68.220 million but the closing balance in A/C-V was Rs 4.969 million. This resulted in unauthorized use of tied grants amounting to Rs 63.252 million.

Audit held that tied grants were unauthorizedly used due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that at the end of FY 2021-22, an amount of Rs 125.327 million was available in A/C-V against which an amount of Rs 107.913 million was protected for ongoing tied grants. After protecting requisite funds, an amount of Rs 17.414 million was still available in A/C-V. Reply of the department was not acceptable as the balance reflected in A/C-V was only Rs 4.969 million.

DAC in its meeting held on 4th December 2023 directed to regularize the expenditure from competent authority. No further progress was reported till finalization of this report.

Audit recommends the regularization of expenditure besides fixing responsibility against person(s) at fault.

[PDP No. 63]

CHAPTER 11

DISTRICT EDUCATION AUTHORITY OKARA

11.1 Introduction

There are 233 formations in DEA Okara out of which audit of 03 formations was conducted. Total expenditure of these 03 formations audited was Rs 617.227 million out of which 40% expenditure was audited.

a) Audit Profile of DEA Okara

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited
1	DEA Okara	233	03	248.528
2	Assignment accounts / SDA	-	-	20.095
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Okara was Rs 12,319.014 million and supplementary grant was Rs 643.154 million for the FY 2022-23. An amount of Rs 1,377.509 million was surrendered and final budget was Rs 11,584.659 million. Management incurred an expenditure of Rs 11,349.699 million resulting in saving of Rs 234.960 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	11,694.903	373.869	1,331.815	10,736.957	10,648.350	-88.607
Non-Salary	253.491	113.678	38.897	328.272	323.441	-4.831

Development	370.620	155.607	6.797	519.430	377.908	-141.522
Total	**12,319.014**	**643.154**	**1,377.509**	**11,584.659**	**11,349.699**	**-234.960**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	9,835.700	9,581.819	-253.881	3
2022-23	11,584.659	11,349.699	-234.960	2

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 18% increase in budget allocation and expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 234.960 million during FY 2022-23 which is 2% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Okara was made on the basis of following qualitative indicators set by Education Department for FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher presence	84
2	Non-teaching staff presence	46
3	Student attendance	86
4	Student retention	86
5	Head teacher presence	86
6	Availability of Boundary walls	85
7	Availability of Drinking water	85
8	Availability of furniture	85

Sr. No.	Indicators	Achievement (%)
9	Sufficiency of Toilets	85
10	School hygiene	85

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Okara considerably lagged behind in achieving the target of student attendance, teacher presence, availability of boundary walls, sufficiency of toilets and school hygiene during AY 2022-23.

11.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 177.000 million were raised in this report during current audit of DEA Okara. This amount also includes recoveries of Rs 86.081 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	71.588
3	**Irregularities:**	
A	HR/Employees related irregularities	-
B	Procurement related irregularities	87.537
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	17.875
Total		**177.000**

11.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	21	Not convened
2	2018-19	19	
3	2019-20	06	
4	2020-21	06	
5	2021-22	12	
6	2022-23	08	

11.4 AUDIT PARAS

A) Fraud, Embezzlement and Misappropriations

11.4.1 Misappropriation of funds by CEO - Rs 13.400 million

According to Section 2(g) of the PEEDA Act 2006, corruption encompasses accepting, obtaining, or offering any form of gratification or valuable item, directly or indirectly, outside of legal remuneration as a reward for performing or abstaining from performing any official act. Additionally, it involves dishonest or fraudulent misappropriation, embezzlement, or misuse of government property or resources.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that a complaint was filed by the cashier (CNIC No. 35302-7712026-9) & others against the CEO with the Auditor-General of Pakistan. The complainants alleged that an amount of Rs 13.400 million was transferred from the vendors to the cashier bank accounts. Moreover, scrutiny of cashier's bank statement for the period from 01.07.2022 to 09.08.2023 & other record e.g. jazz cash, easy paisa etc. provided by the complainants revealed that huge sums were received by cashier from three vendors. The cashier subsequently transferred these payments to the CEO, his family and friends. This resulted in exchange of favour by CEO & vendors.

Audit held that misappropriation by CEO & cashier occurred due to weak internal controls.

The matter was reported to the PAO in November 2023. The management replied that the case is already under investigation with Anti-corruption Establishment Punjab.

DAC in its meeting held on 13th January 2024 directed the management to pursue the case vigorously.

Audit recommends recovery besides fixing responsibility against person(s) at fault.

[PDP No. 93]

11.4.2 Fraudulent withdrawal of cash - Rs 3.314 million

According to Rule 9(b) of PDA (Accounts) Rule 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that a complaint was filed by the cashier (CNIC No. 35302-7712026-9) & others against the CEO with the Auditor-General of Pakistan. The complainants alleged that management withdrew cash on bogus bills and did not disburse to the students/concerned parties. Scrutiny of record further revealed that the management transferred cash of Rs 1,933,400 dated 06.09.2022 and Rs 1,381,000 dated 07.09.2022 from NBP main branch Okara current account No. 5486-3 respectively to the un-known account. Further, cash withdrawals were also made by management from the same account without any payment / disbursement evidence. This resulted in fraudulent withdrawal of Rs 3.314 million.

Audit held that fraudulent withdrawal occurred due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the cash was disbursed to the schools. Reply was not tenable because no evidence was provided for transfer of funds to the schools.

DAC in its meeting held on 13th January 2024 directed the management to provide the bank statements of the respective schools. No further progress was reported till finalization of this report.

Audit recommends to investigate the matter at administrative level to fix the responsibility against person(s) at fault.

[PDP No. 98]

11.4.3 Non-blacklisting of vendors involved in corrupt practices

According to Clause 31 (i,ii,iii), & (c) of the bidding document for the purchase of furniture, the term corrupt practices encompasses any act of offering, giving, receiving, or soliciting anything of value to influence the actions of a public official during the procurement process or contract execution. Similarly, fraudulent practice denotes a misrepresentation of facts aimed at manipulating the procurement process or contract execution, to the disadvantage of the procuring agency. If a firm is found to be engaged in corrupt or fraudulent practices, the procuring agency is authorized to impose sanctions / blacklist under Rule 21 of PPR 2014.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that a complaint was filed by the cashier (CNIC No. 35302-7712026-9) & others against the CEO with the Auditor-General of Pakistan. The complainants alleged that vendor Mr. Muhammad Intizar (M/S Salman Enterprises bank account No. PK51BPUN 6540020602200038) and others transferred payments to cashier of DEA Okara through e-channels to influence the officials of DEA to get favour. This resulted in involvement of vendors in corrupt practices.

Audit held that vendors & officials got involved in corrupt practices due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the case is already under investigation at Anti-Corruption Establishment, Punjab.

DAC in its meeting held on 13th January 2024 directed the management to follow up the case vigorously.

Audit recommends blacklisting of the firms involved besides fixing of responsibility against the person(s) at fault.

[PDP No. 97]

11.4.4 Fraudulent manipulation of procurement process - Rs 44.468 million

According to Clause 31 (i,ii,iii) & (c) of bidding document of furniture, any form of corrupt practice refers to the offering, giving, receiving, or soliciting of any valuable item to influence the actions of a public official during the procurement process or contract execution. Additionally, fraudulent practice entails the misrepresentation of facts with the aim of manipulating the procurement process or the execution of a contract to the detriment of the procuring agency. The procuring agency is authorized to blacklist such firm under Rule 21 of PPR 2014.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that the management purchased furniture of Rs 44.468 million from M/S Crescent Wood & Steel Furniture Manufacturers. A complaint was filed by the cashier (CNIC No. 35302-7712026-9) & others against the CEO with the Auditor-General of Pakistan. The complainants alleged that Mr. Muhammad Intizar, the owner of M/S Salman Enterprises, was also covertly managing other firms registered under the names of his family members. Scrutiny of record further revealed that M/S Crescent Wood & Steel Furniture Manufacturers was owned by his wife, Nayyar Sultana. Both firms competed in the bidding for purchase of furniture, however, they did not disclose it to the procuring agency. Moreover, bidding documents and other forms were submitted of the same hand-writing. Additionally, M/S Crescent Wood & Steel Furniture Manufacturers did not file Sales Tax Return for the last six periods. However, the management paid 4/5 of GST of Rs 6.407 million to the vendor. Scrutiny of DEA's cashier bank statement revealed that substantial amounts were transferred from Mr. Muhammad Intizar bank account (PK51BPUN6540020602200038). This resulted in manipulation of procurement process and overpayment of GST as detail below:

Rs in million

Name of Supplier	**Descri ption**	**o. of bills**	**A mount without GST**	**ST**	**N et Amou nt**
Crescent Wood & Steel Furniture Manufacturers	Purchas e of student and teachers chairs	7	38. 084	.40 7	4 .468

Audit held that procurement process was manipulated due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the case is already under investigation at Anti-Corruption Establishment, Punjab.

DAC in its meeting held on 13th January 2024 directed the management to follow up the case vigorously.

Audit recommends to blacklist both vendors besides recovery of GST and fixing responsibility against persons at fault.

[PDP No. 96 & 100]

11.4.5 Misappropriation of GST - Rs 10.406 million

According to Section 3 (2) (a) of Chapter II "scope and payment" of tax of Sales Tax Act, 1990, taxable supplies and import of goods specified in the Third Schedule shall be charged to tax at the rate of seventeen per cent of the retail price or in case such supplies or imports are also specified in the Eighth Schedule, at the rates specified therein and the retail price thereof, along with the amount of sales tax shall be legibly, prominently and indelibly printed or embossed by the manufacturer or the importer, in case of imported goods on each article, packet, container, package, cover or label.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that the management made payments of Rs 71.620 million on invalid GST invoices to various contractors. Scrutiny of record revealed that hand-written GST invoices were processed to make payments and GST of Rs 10.406 million was misappropriated. This resulted in misappropriation of Rs 10.406 million on account of GST.

Audit held that GST was misappropriated due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that GST returns are available. Reply was not tenable because the invoice amount and tax deposited was not tallying.

DAC in its meeting held on 13th January 2024 directed the management for recovery of sales tax or provision of valid Sales Tax Returns showing number and amount as claimed in the bills. No further progress was reported till finalization of this report.

Audit recommends recovery of GST besides fixing of responsibility against person(s) at fault.

[PDP No. 107]

B) Procurement related irregularities

11.4.6 Doubtful & irregular purchase of sundry items- Rs 11.336 million

According to Rule 4 of PPR 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. Moreover, according to Rule 8 of PPR 2014, a procuring agency shall devise annual planning for all proposed procurements.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that management incurred an amount of Rs 11.336 million on account of purchase of stationery, tonners, water dispensers, SSD hard disks, RAMs, steel almirah, batteries, printing of file covers etc. Purchases were made on piece-meal basis to avoid healthy competition. Moreover, the management failed to justify the consumption / distribution record of stationery. Furthermore, the management could not provide the historic record of purchase of assets and disposal of replaced items such as old batteries (41 batteries @ Rs 10,000 each) valuing Rs 410,000 and steel almirah etc. Additionally, management failed to provide serial numbers / warranty cards of electric appliances and computer hardware (SSD hard disk, RAMs etc). This resulted in doubtful & irregular purchase of sundry items of Rs 11.336 million as detailed below:

Rs in million

Sr. No.	Subject	Amount
1	Purchase of stationery	2.700
2	Printing of file covers	0.980
3	Purchase of tonners	1.490
4	Purchase of assets (UPS, steel almirah etc)	1.736
5	Doubtful purchases (water pumps, computer accessories, water dispensers, executive tables etc.)	2.222
6	Purchase of IT articles	2.208
Total		**11.336**

Audit held that irregular purchase of sundry items was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that during internal audit the stock was found missing. However, the ex-CEO replied that all items were purchased and supplied to the staff of the authority and missing stock would be provided if found missing.

DAC in its meeting held on 13th January 2024 directed the management to complete the historic assets record and conduct physical verification of the assets through an independent committee constituted by the administrator and submit report within 14 days.

Audit recommends regularization of expenditure from competent authority besides fixing of responsibility against person(s) at fault.

[PDP No. 78, 81, 85, 87, 88, 89 & 99]

11.4.7 Unauthorized expenditure of development funds - Rs 72.240 million

According to Rule 4 of PDA (Delegations of Financial Powers) Rules 2017, DDC is competent to accord administrative approval of works / development schemes up to Rs 200.00 million. Moreover, according to Rule 13, functionaries of district authority shall re-appropriate budget allocations in accordance with such powers as delegated to them by the district authority and at the end of the financial year, a revised budget shall be submitted to the district authority for approval in terms of Section 104 (3) of PLG Act 2013.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that management expended Rs 72.240 million on the purchase of furniture, providing & fixing of submersible pumps and establishment of playgrounds. Scrutiny of record revealed that the management did not get the administrative approval. Furthermore, funds of Rs 72.240 million were re-appropriated from cost center OY8996-development to A09701-Purchase of furniture & fixture and A03942-Cost of others. This resulted in unauthorized expenditure of Rs 72.240 million as detailed below:

Rs in million

Sr. No.	**Description**	**Amount**
1	Furniture for schools	22.103
2	Boring and instillation of sub-merssible pump	21.479
3	Establishment of playgrounds	28.658
Total		**72.240**

Audit held that unauthorized expenditure was incurred due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that tehsil wise committees had been constituted for physical verification of the funds utilization. Reply was not tenable as no justification was provided for appropriation of funds from development to non-development.

DAC in its meeting held on 13th January 2024 directed the management to provide physical verification reports along with regularization of expenditure from Finance Department, Government of the Punjab. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 91, 92 & 101]

11.4.8 Irregular expenditure on renovation of school buildings - Rs 3.961 million

According to Procurement and Financial guidelines 2013 for School Management Committees (SMC) issued by SED, Government of the Punjab, SMC is competent to call for tender with respect to construction work up to Rs 400,000 & according to Rule 12 of PPR 2014, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to three million rupees on PPRA website.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that management transferred Rs 4.00 million to the school Management Committees (SMCs) for renovation of school buildings in violation of rule ibid. Moreover, the SMCs expended Rs 3.961 million out of these funds without preparation of rough cost estimates, TS estimates, advertisement on PPRA website. Civil work was awarded to contractors not registered with C&W Department. This resulted in irregular expenditure on renovation of school building of Rs 3.961 million as detailed below:

Rs in million

Sr. No.	Name of School	Contractor	Amount
1	Govt. High School 2/1L Renala Khurd	M/S Adnan Const. Co.	0.985
2	Govt. Girls Primary School 4/1 AL Kalan Renala		0.993
3	Govt. Primary School 47/D Okara	M/S M. Iqbal Khan & Co	0.985
4	Government Girls High School 24/2R		0.998
Total			**3.961**

Audit held that irregular expenditure was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the committe had been constituted for physical verification of the works executed. Reply was not tenable as the verification report was not provided, moreover, no justification was submitted for violation over & above Rs 0.400 million.

DAC in its meeting held on 13th January 2024 directed the management to submit physical verification reports and regularize the expenditure. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing of responsibility against person(s) at fault.

[PDP No. 106 & 108]

C) Others

11.4.9 Irregular expenditure on repair of building - Rs 1.977 million

According to Rule 4 of PPR 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. Moreover, according to Rule 8 of PPR 2014, a procuring agency shall devise annual planning for all proposed procurements.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that management paid Rs 1.977 million on account of repair of office building of CEO DEA Okara. Repair work was got carried from general order supplier and without TS estimate. Moreover, expenditure was made on piece-meal basis to avoid healthy competition. Additionally, it was observed during physical verification that building was in miserable condition and no whitewash was done. This resulted in irregular expenditure on repair of building of Rs 1.977 million as detailed at **Annexure-H**.

Audit held that irregular expenditure was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the expenditure was incurred on paneling, ceiling, roof treatment etc. after fulfilling codal formalities. Reply was not tenable as the management split the expenditure to avoid the TS estimates.

DAC in its meeting held on 13th January 2024 directed the management to regularize the expenditure. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure from competent authority besides fixing of responsibility against person(s) at fault.

[PDP No. 90]

11.4.10 Non-recovery of honoraria and income tax - Rs 14.493 million

According to Rule 9(b) of the PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure, or any other expense, bear personal responsibility for any overcharge, fraud, or misappropriation, and are obligated to make good any resulting loss. Moreover, as per circular No.1 of 2006 and SRO. No. C.No.I (6)WHT/ 2006 as required at prescribed rate of 10% under Section 153 of the ITO 2001, the deduction of withholding tax are applicable on other income.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that management overpaid Rs 12.239 million honoraria to IAS programme instructors. Moreover, income tax @ 10% amounting to Rs 2.254 million was also not deducted. The CEO directed the concerned DEOs & Dy. DEOs for recovery vide letter No. 2832/P&D dated 03.08.2023 but amount was yet not recovered. This resulted in non-recovery of overpayment and income tax of Rs 14.492 million as detailed at **Annexure-I**.

Audit held that recovery was not made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the amount was not recoverable as there was no fault on the part of teachers. Moreover, the honorarium did not fall under the tax slab. Reply was not tenable as the competent authority had ordered the recovery.

DAC in its meeting held on 13th January 2024 directed the management to probe the matter again and fix the responsibility for continuing afternoon schools against the policy. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility against person(s) at fault.

[PDP No. 102 & 103]

11.4.11 Irregular expenditure on fair and exhibition - Rs 1.405 million

According to Rule 4 of PPR 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. Moreover, according to Rule 8 of PPR 2014, a procuring agency shall devise annual planning for all proposed procurements.

During audit of CEO DEA Okara for the FY 2022-23, it was observed that a complaint was filed by the cashier (CNIC No. 35302-7712026-9) & others against the CEO with the Auditor-General of Pakistan. The complainants alleged that the management fraudulently withdrew Rs 1.405 million on account of fair & exhibition. Scrutiny of record further revealed that the CEO joined the DEA Okara on 17.08.2022 while the event was held before his joining as per record. Moreover, the procurements were not advertised on PPRA web site to ensure open competition. This resulted in irregular expenditure on fair & exhibition of Rs 1.405 as detailed at **Annexure-J**.

Audit held that irregular expenditure on fair & exhibition was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the expenditure was incurred on need basis and within the quotation limit. Reply was not tenable as the management had not provided the event details and did not plan as per PPR 2014.

DAC in its meeting held on 13th January 2024 directed the management to provide the relevant record of events and regularize the expenditure. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing of responsibility against person(s) at fault.

[PDP No. 84]

CHAPTER 12

DISTRICT EDUCATION AUTHORITY SHEIKHUPURA

12.1 Introduction

a) There are 209 formations in DEA Sheikhupura out of which audit of 03 formations was conducted. Total expenditure of these 03 formations was Rs 415.785 million out of which 74% expenditure is audited.

Audit Profile of DEA Sheikhupura

Rs in million

Sr. No.	Description	Total No. of Formations	Audited	Expenditure Audited
1	DEA Sheikhupura	209	03	307.689
2	Assignment accounts / SDA	-	-	63.214
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Sheikhupura was Rs 9,274.756 million and supplementary grant was Rs 774.425 million for the FY 2022-23. An amount of Rs 661.282 million was surrendered and final budget was Rs 9,387.899 million. Management incurred an expenditure of Rs 9,215.401 million resulting in saving of Rs 172.498 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	8,910.530	608.071	505.378	9,013.223	9,013.104	-0.119
Non-Salary	220.148	1.200	155.904	65.444	65.555	0.111
Development	144.078	165.154	-	309.232	136.742	-172.490
Total	**9,274.756**	**774.425**	**661.282**	**9,387.899**	**9,215.401**	**-172.498**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	8,670.228	8,521.002	-149.226	2
2022-23	9,387.899	9,215.401	-172.498	2

Source: Appropriation accounts for the FY 2022-23 and FY 2021-22

There was 8% increase in budget allocation and expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 172.496 million during FY 2022-23 which is 2% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectorial analysis of DEA Sheikhupura was made on the basis of various quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister's School Reforms Roadmap. The objectives of the roadmap were to improve following indicators at each school and provision of better environment through proper monitoring at appropriate levels.

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher presence	92
2	Non-teaching staff presence	89
3	Student attendance	57
4	Student retention	91
5	Head teacher presence	92
6	Availability of Boundary wall	99
7	Availability of Drinking water	99
8	Availability of furniture	89
9	Sufficiency of Toilets	87

Sr. No.	Indicators	Achievement (%)
10	School hygiene	74

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Sheikhupura needs to improve the services in the areas of school hygiene, sufficiency of toilets, availability of furniture, teacher presence, non-teaching staff presence and student attendance as intended in the indicators during FY 2022-23.

12.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 240.224 million were raised in this report during current audit of DEA Sheikhupura. This amount also includes recoveries of Rs 20.094 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	
B	Procurement related irregularities	61.014
C	Management of accounts with commercial banks	
4	Value for money and service delivery issues	20.094
5	Others	159.116
Total		**240.224**

12.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of paras	Status of PAC Meetings
1	2017-18	18	Not convened
2	2018-19	15	
3	2019-20	08	
4	2020-21	09	
5	2021-22	04

12.4 AUDIT PARAS

A) Procurement related irregularities

12.4.1 Irregular purchase of food items - Rs 61.014 million

As per Rule 4 of PPR 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of CEO DEA Sheikhupura for the FY 2022-23, it was observed that an expenditure of Rs 61.014 million was incurred on purchase of food items for Madaris of Falaha-e-Insaniat Foundation (FIF). Scrutiny of record further revealed that purchase orders were issued to the vendors on 29.07.2022 whereas approval of procurement process was dated 02.08.2022. Furthermore, the vendor M/S Nasrullah was not active taxpayer during 2022-23. This resulted in irregular purchase of food articles amounting to Rs 61.014 million.

Audit held that irregular purchase of food items were made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department stated that the expenditure was related to A/C-I. The reply was irrelevant.

DAC in its meeting held on 16th December 2023 directed CEO Education Sheikhupura to initiate inquiry against the responsible person(s). No further progress was reported till finalization of this report.

Audit recommends regularization from the competent authority besides fixing of responsibility against the persons at fault.

[PDP No. 3]

B) Value for money and service delivery issues

12.4.2 Loss to government due to non-recovery of outstanding auction amount - Rs 6.689 million

According to Rule 78 (1) of PDA (Budget) Rules 2017, the primary obligation of collecting officer shall be to ensure that all revenue due is claimed, realized and credited immediately into the District Authority fund, under the proper receipt head. The head of office shall supervise and take corrective measures in respect of activities of collecting officer.

During audit of CEO DEA Sheikhupura for the FY 2022-23, it was observed that the management took over the control of agriculture farms of FIF on 04.03.2019 at Nangle Sahdan in compliance to the directions of the Home Department, Government of the Punjab. The management auctioned the agriculture land measuring 41 acre 10 marla and a fish farm measuring 11 acre on 11.11.2019 for three years. The tenants deposited only Rs 0.607 million on account of 25% initial deposit in the first year and the remaining amount of Rs 6.689 million was not realized resulting in loss to government due to non-recovery from the tenants as detailed below:

Rs in million

Year	Description	Contractors	Rate per acre (Rs)	Total	Initial deposit 25%	Balance amount
2019-20	Agriculture land (41 acre 10 marla)	Salah-ud-Din	28,000	1.167	0.291	0.876
2019-20	Fish farm (11 acre)	Nadeem Khalid	115,000	1.265	0.316	0.949
Sub total				2.432	0.607	1.825
2020-21	Agriculture & Fish Farm	Salah-ud-Din	28,000	2.432	0	2.432
2021-22		Nadeem Khalid	115,000	2.432	0	2.432

Sub total	**4.864**	**0**	**4.864**
Grand Total	**7.296**	**0.607**	**6.689**

Audit held that auction amount was not recovered due to weak financial controls.

The matter was reported to the PAO in November 2023. The department stated that the expenditure was related to A/C-I. The reply was irrelevant.

DAC in its meeting held on 16th December 2023 directed to take up the matter with the administrator and to initiate case for recovery against the defaulters under Land Revenue Act. No further progress was reported till finalization of this report.

Audit recommends recovery from the defaulter and re-auction of agricultural land besides fixing responsibility against the persons at fault.

[PDP No. 6]

12.4.3 Non-registration of private schools - Rs 13.405 million

According to Section 11(1&2) of the PPEI (Promotion & Regulation) Ordinance 1984, whoever continues to run an institution without registration or after refusal or cancellation shall be punished with fine which may extend to Rs 100 for each day during which contravention continues, and, where the contravention continues for a period of three months the institution shall be liable to closure by the registering authority. Further, according to Section 3(1) an in charge shall before the commencement of business by the institution, register the institution with the registering Authority under this Ordinance and Rule 11 (3) states, if an incharge run the institution without registration under this ordinance, the incharge shall be liable to punishment of fine which may extend to four million rupees but which shall not be less than three hundred thousand rupees

During audit of CEO (DEA) Sheikhupura for the FY 2022-23, it was observed that 23-private schools were not registered. Moreover, the evidence of registration of 336 registered schools were also not provided for verification. Management neither imposed fine nor collected annual inspection fee from unregistered private schools. This resulted in loss to government of Rs 13.405 million as detailed below:

Rs in million

Sr. No.	**Description of schools**	**No. of schools**	**Annual insp. Fee**	**Total (Rs)**	**Fine per day**	**Total fine (365 days)**	**Recovery (Rs)**
		A	**B**	**C= (AxB)**	**D**	**E=(CxDx365 days)**	**F=C+E**

1	Higher / High secondary schools	223	1,000	0.223	100	8.139	8.362
2	Middle / primary schools	113	500	0.056	100	4.124	4.181
3	Unregistered schools	23	1,000	0.023	100	0.839	0.862
Total		**359**		**0.302**		**13.102**	**13.405**

Audit held that private schools were not registered due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the efforts are being made for registration. Department did not provide the record of registration of schools.

DAC in its meeting held on 16th December 2023 directed to expedite the efforts for registration of schools and submission of evidence for verification to audit. No further progress was reported till finalization of this report.

Audit recommends registration of private schools and recovery of penalty besides fixing responsibility against the person (s) at fault.

[PDP No. 12]

C) Others

12.4.4 Irregular re-appropriation of budget - Rs 128.899 million

As per Sr. No. 10 (viii) of Part-1 of Second Schedule of Punjab Delegation of Financial Powers (DFP) Rules 2016, no re-appropriations will be made from one detailed function to another detailed function.

During scrutiny of appropriation accounts of DEA Sheikhupura for the FY 2022-23 it was observed that funds amounting to Rs 128.899 million were re-appropriated from one detailed function to another detailed function in violation of rule ibid. This resulted in irregular re-appropriation of budget of Rs 128.899 million as detailed below:

Rs in million

Detail Function	Description of detail Function	Re- app. (+)	Re-app (-)
0911	Pre & Primary Education Function	60.063	-0.285
0911		1.374	0
0921	Secondary education affairs and function	66.020	0
0921		0.978	0
0961	Administration	0.462	-128.614
Total		**128.899**	**128.899**

Audit held that irregular re-appropriation was made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the re-appropriation of the budget was duly vetted / approved by Deputy Commissioner. Reply was not accepted as no re-appropriation could be made from one detailed function to another detailed function.

DAC in its meeting held on 16th December 2023 directed for regularization of expenditure from Finance Department. No further progress was reported till finalization of this report.

Audit recommends regularization from the competent forum besides fixing of responsibility against the persons at fault.

[PDP No. 2]

12.4.5 Difference between appropriation account and schedule of authorized expenditure - Rs 30.217 million

According to Rule 51 & 52 of PDA (Budget) Rules 2017, the CEO shall forward a copy of authenticated schedule of authorized expenditure to AG Punjab and DAO. Furthermore, the CEO shall as per Schedule of Authorized Expenditure, communicate and distribute the grants to the head of offices or institutions and the DDOs within the first two week of July.

During audit of appropriation accounts of DEA Sheikhupura for the FY 2022-23 it was observed that final budget of Rs 9,418.115 million was reported in the budget book whereas Rs 9,387.898 million was reported in the appropriation accounts. This resulted in a difference of Rs 30.217 million.

Audit held that the difference between appropriation account and schedule of authorized expenditure was due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that there was no difference between budgeted and appropriation accounts figures as per copy of schedule of authorized expenditure dully signed by CEO Education and DC. The difference of Rs 30.217 million mentioned in the observation related to closing balance shown in the summary. Reply was not accepted as the true picture of accounts was not reflected in the appropriation account.

DAC in its meeting held on 16th December 2023 directed CEO DEA Sheikhupura to fix responsibility against the persons at fault for non-reporting of true picture of financial accounts in the appropriation account.

Audit recommends to investigate the matter and to fix responsibility against the person(s) at fault.

[PDP No. 04]

CHAPTER 13

DISTRICT EDUCATION AUTHORITY ATTOCK

13.1 Introduction

a) There are 479 formations in DEA Attock out of which audit of 03 formations was conducted. Total expenditure of these 03 formations was Rs 3,156.877 million out of which 32% expenditure was audited.

Audit Profile of DEA Attock

Rs in million

r. o.	Description	Total No. of Formations	formations Audited	Expenditure Audited
1	DEA Attock	479	03	1,015.030
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Attock was Rs 9,829.798 million and supplementary grant was Rs 106.484 million for the FY 2022-23. Final budget was Rs 9,936.282 million. Management incurred an expenditure of Rs 9,400.005 million resulting in saving of Rs 536.277 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	9,440.246	0.000	-	9,440.246	8,975.620	-464.626
Non-Salary	259.754	0.300	-	260.054	202.299	-57.755
Development	129.798	106.184	-	235.982	222.086	-13.896

Total	**9,829.798**	**106.484**	**-**	**9,936.282**	**9,400.005**	**-536.277**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	8,019.204	8,019.204	-	-
2022-23	9,936.282	9,400.005	-536.277	5

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 24% increase in budget allocation and 17% increase in expenditure during FY 2022-23 ascompared to FY 2021-22. There was saving of 536.277 million during FY 2022-23 which is 5% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Attock was made on the basis of various indicators set by Schools Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister Roadmap 2014. The objectives of the roadmap were to improve following indicators at each school and provision of better environment through proper monitoring at appropriate levels.

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher Presence	94
2	Non-Teacher Presence	91
3	Student Attendance	85
4	Retention (All Grades)	98
5	Head Teacher Presence	93
6	Availability of Boundary Wall	98
7	Availability of Drinking Water	99
8	Availability of Furniture	96
9	Sufficiency of Toilets	94
10	School Hygiene	85

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Attock considerably lagged behind in achieving the target of teacher presence, presence of non-teaching staff, student attendance, head teacher presence, sufficiency of toilets and school hygiene during FY 2022-23.

13.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 17.731 million were raised in this report during the current audit of DEA Attock. Summary of audit observations classified by nature is as under:

Overview of Audit Observations
Rs in million

r. o.	Classification	Amount Placed under Audit Observation
	Non-production of record	-
	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
	HR/Employees related irregularities	2.191
	Procurement related irregularities	3.10
	Management of accounts with commercial banks	-
	Value for money and service delivery issues	-
	Others	12.440
Total		**17.731**

13.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
	2017-18	1 9	Not Convened
	2018-19	1 9	
	2019-20	0 9	
	2020-21	0 5	
	2021-22	0 2	
6	2022-23	0 9	

13.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

13.4.1 Irregular expenditure on honorarium - Rs 2.191 million

According to letter No.FD.SR.1/9-7/2003 dated 27.12.2005 of Finance Department, heads of the Administrative Departments may sanction an honorarium up to one month basic pay to a civil servant for work performed by him which is occasional in character and either laborious or of such special merit as to justify a special reward when the services rendered by him fall within the course of his ordinary duty like, good performance, achievements of targets or any special assignments related to the post. Further, as per definition 2(a) of PDA (DFP) Rules 2017, Administrative Department means SED of the Government in respect of the DEAs.

During audit of CEO (DEA) Attock for the FY 2022-23, it was observed that management paid Rs 2.191 million as honorarium to 44 officers / staff. Payment of honorarium was unauthorized as sanction was accorded by Deputy Commissioner Attock and CEO (DEA) Attock instead of Secretary Schools Education Department (SED) being head of administrative department. This resulted in irregular expenditure of Rs 2.191 million.

Audit held that honorarium was paid without sanction of the competent authority due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that DC being Administrator and CEO being PAO was competent to sanction honorarium. Reply was not acceptable as according to PDA (DFP) Rules 2017, Secretary SED was the head of administrative department.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing responsibility on the person(s) at fault.

[PDP No. 244]

B) Procurement related irregularities

13.4.2 Irregular expenditure without observing PPR 2014 - Rs 3.100 million

According to Rule 9 of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. Further, Rule 12(1) states that procurements over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified by regulation by the PPRA from time to time. Furthermore, according to Rule 5(iv) of PDA (DFP) Rules 2017, Dy. DEO being a Category-II officer is competent to accord administrative approval for M&R of Non-residential buildings up to Rs 0.250 million

During audit of following formations of DEA Attock for the FY 2019-23, it was observed that management incurred Rs 3.100 million on civil works without advertising on PPRA. Furthermore, Dy. DEO (W-EE) Attock being a Category-II officer was competent to accord administrative approval for M&R of non-residential buildings up to Rs 0.250 million but Rs 1.500 million was incurred on repair of office building by splitting the work. This resulted in irregular expenditure of Rs 3.100 million as detailed below:

Rs in million

Sr. No.	Name of Formation	Nature of Work	Financial Year	Amount
1	Dy. DEO (W-EE) Jand	Boundary wall of four schools	2022-23	1.600
2	Dy. DEO (W-EE) Attock	Repair of office building of Dy. DEO (W-EE) Attock	2020-21	1.500
Total (Annexure-K)				**3.100**

Audit held that expenditure incurred without following PPR 2014 and beyond competency due to weak managerial controls.

The matter was reported to the PAO in October 2023. The department replied that in case of boundary wall school council was competent to incur expenditure up to Rs 0.400 million, no school was registered on PPRA and funds were released on quarterly basis to Dy. DEO (W-EE) Attock, hence, repair work was allotted for emergency repair without tendering. Reply was not acceptable as expenditure was incurred in violation of PPR 2014.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing responsibility on the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 13.4.4 having financial impact of Rs 11.170 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 112 & 116]

C) Others

13.4.3 Non-accountal of receipts in A/C-V – Rs 12.440 million

According to letter No.BI-3(120)(AGP)2017-18 dated 16.08.2019 regarding clarification against letter No. Account-V & VI/Bank Advice/ 2018-19/HM/921 dated 08.05.2019 of Finance Department, all Public Accounts receipts as well as Consolidated Funds receipts are transferable to the Provincial Consolidated Funds or Provincial Public Account Fund as the case may be except C02865- Health other contributions, C02866-Health recoveries of over payments, C02814-Education General recoveries of over payments, C03616-Share from Provincial allocable grant which relates to A/C-V & A/C-VI of the DEAs and DHAs.

During audit of CEO (DEA) Attock for the FY 2022-23, it was observed that recovery of overpayment Rs 12.440 million related to account head C02814-Education General recoveries of over payment was deposited in A/C-I instead of A/C-V. This resulted in non-accounting of receipts of DEA.

Audit held that receipts were not accounted for in A/C-V due to financial mismanagement.

The matter was reported to the PAO in November 2023. The department replied that no procedure for submission of challans in A/C-V exists and challans were taken in A/C-I by bank. Reply was not acceptable as receipts were neither deposited nor the bank was approached for deposit of these receipts in A/C-V besides clarification issued by Finance Department.

DAC in its meeting held on 15th December 2023 directed for compliance. No further progress was reported till finalization of this report.

Audit recommends transfer of receipts in A/C-V besides fixing responsibility on the person(s) at fault.

[PDP No. 245]

CHAPTER 14

DISTRICT EDUCATION AUTHORITY CHAKWAL

14.1 Introduction

a) There are 570 formations in DEA Chakwal out of which audit of 03 formations was conducted. Total expenditure of these 03 formations was Rs 905.189. million out of which 39% expenditure was audited.

Audit profile of DEA Chakwal

Rs in million

Sr. No.	Description	Total No. of Formations	Audited	Expenditure Audited
1	DEA Chakwal	570	03	355.813
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Chakwal was Rs 11,158.845 million and supplementary grant was Rs 632.818 million for the FY 2022-23. An amount of Rs 3,791.668 million was surrendered and final budget was Rs 7,999.995 million. Management incurred an expenditure of Rs 7,999.132 million resulting in saving of Rs 0.863 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	10,732.372	474.633	3,392.881	7,814.124	7,748.650	-65.474
Non-Salary	223.885	33.087	196.302	60.670	125.280	64.610
Development	202.588	125.098	202.485	125.201	125.202	0.001
Total	**11,158.845**	**632.818**	**3,791.668**	**7,999.995**	**7,999.132**	**-0.863**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving(-)	% age of saving
2021-22	6,964.013	,964.013	-	-
2022-23	7,999.995	,999.132	-0.863	0.01

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 15% increase in budget allocation and expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 0.863 million during FY 2022-23 which is 0.002% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Chakwal was made on the basis of various indicators set by Schools Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister Roadmap 2014. The objectives of the roadmap were to improve following indicators at each school and provision of better environment through proper monitoring at appropriate levels.

Sr. No.	Indicators	Achievement (%)
1	Teacher Presence	89
2	Non-Teacher Presence	91
3	Student Attendance	90
4	Retention (All Grades)	84
5	Head Teacher Presence	69
6	Availability of Boundary Wall	78
7	Availability of Drinking Water	100
8	Availability of Furniture	100

9	Sufficiency of Toilets	76
10	School Hygiene	70

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observedthat DEA Chakwal lagged behind in achieving target of teacher presence, non-teacher presence, student attendance, retention, head teacher presence, boundary wall, sufficiency of toilets and school hygiene as intended in the indicators during 2022-23.

14.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 12.477 million were raised in this report during the current audit of DEA Chakwal which is recoverable as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	3.477
B	Procurement related irregularities	-
C	Management of accounts with commercial banks	
4	Value for money and service delivery issues	-
5	Others	9.000
Total		**12.477**

14.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	16	Not Convened
2	2018-19	35	
3	2019-20	08	
4	2020-21	03	

5	2021-22	03	
6	2022-23	03	

14.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

14.4.1 Unauthorized disbursement of salary of deceased teacher – Rs 3.477 million

According to Rule 9(b) of PDA (Accounts) Rule 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of Dy. DEO (M-EE) Lawa for the FY 2022-23, it was observed that Mr. Iftikhar Ahmed, Primary School Teacher posted at GPS Lawa (South) died on 19.03.2016. However, salary was continued to be disbursed to the deceased employee till November 2021. This resulted in unauthorized disbursement of Rs 3.477 million.

Audit held that salary of the deceased teacher was not stopped due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that recovery was in process. Reply was not acceptable since no documentary evidence was provided in support of the reply.

DAC in its meeting held on 13th December 2023 directed to probe the matter and recovery of amount. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibly on the person(s) at fault.

[PDP No. 69]

B) Others

14.4.2 Non-imposition of penalty on private school without registration - Rs 9.000 million

According to Section 3(1) PPEI (Promotion and Regulation) Ordinance Amendment Act 2016, an in charge shall before the commencement of business by the institution, register the institution with the registering Authority under this Ordinance. Further, according to Section 11(3) of ibid, if an in-charge run the institution without registration under this ordinance, the in-charge shall be liable to punishment of fine which may extend to four million rupees but which shall not be less than three hundred thousand rupees.

During audit of CEO DEA Chakwal for the FY 2022-23, it was observed that show cause notices were issued to thirty private schools for renewal of registration despite expiry of maximum limit of 2 years for renewal of expired e-license. These schools neither applied for renewal of registration nor attended the personal hearing regarding the matter and were running their businesses without valid license. This resulted in non-imposition of penalty of Rs 9.000 million as detailed at **Annexure-L**.

Audit held that penalty was not imposed on 30 schools with invalid license due to weak internal controls.

The matter was reported to the PAO in October 2023. The department did not submit any reply.

DAC in its meeting held on 13th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommended action against unregistered schools besides the recovery of penalty.

[PDP No. 329]

CHAPTER 15

DISTRICT EDUCATION AUTHORITY JHELUM

15.1 Introduction

a) There are 330 formations in DEA Jhelum out of which audit of 03 formations was conducted. Total expenditure of formations audited was Rs 1,982.262 million out of which 77% expenditure was audited

Audit Profile of DEA Jhelum

Rs in million

r. o.	Description	Total No. of Formations	Audited	Expenditure Audited
	DEA Jhelum	330	03	1,526.341
	Assignment accounts / SDA	-	-	-
	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Jhelum was Rs 6,184.431 million and supplementary grant was Rs 485.442 million for the FY 2022-23. An amount of Rs 579.780 million was surrendered and final budget was Rs 6,090.093 million. Management incurred an expenditure of Rs 6,089.958 million resulting in saving of Rs 0.135 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	5,925.464	391.114	500.554	5,816.024	5,827.907	11.883

Non-Salary	149.306	11.552	79.226	81.632	69.614	-12.018
Development	109.661	82.776	-	192.437	192.437	-
Total	**6,184.431**	**485.442**	**579.78**	**6,090.093**	**6,089.958**	**-0.135**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	5,305.762	5,305.762	-	-
2022-23	6,090.093	6,089.958	-0.135	0.002

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 15% increase in budget allocation and expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 0.135 million during FY 2022-23 which is 0.002% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Jhelum was made on the basis of various indicators set by Schools Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister Roadmap 2014. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	Indicators	Achievement (%)
1	Teacher Presence	89
2	Non-Teaching Staff Presence	91
3	Student Attendance	83
4	Retention All Grades	95
5	Head Teacher Presence	89
6	Availability of Boundary Wall	99
7	Availability of Drinking Water	99
8	Availability of Furniture	97
9	Sufficiency of Toilets	91
10	School Hygiene	80

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observed that DEA Jhelum considerably lagged behind in achieving the target of head teacher presence and school hygiene during 2022-23.

15.2 Classified summary of audit observations

Audit observations amounting to Rs 43.613 million were raised in this report during current audit of DEA Jhelum. This amount also includes recoveries of Rs 38.949 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

5	2021-22	02	
6	2022-23	05	

15.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

15.4.1 Un-authorized payment by granting higher grade - Rs 38.949 million

As per Sr. 06 of Notification No.DS(O&M)5-3/2004/CONTRACT (MF) dated 14.10.2009 issued by Government of the Punjab S&GAD Department, the pay of newly appointed staff formally on contract service would be fixed on the initial of the pay grade / scale and the difference of pay would be paid as personal allowance. Moreover, according to Para 1(d) of Government of the Punjab, Finance Department letter No.FD.PC-32-7/2007(103)/07 dated 23.04.2008, the post in BPS 01 to 04 has not been upgraded on permanent basis. Hence the new incumbents against the category after 01.07.2007 would be made in original pay scales i.e. in BPS-1 to BPS-4.

During certification audit of DEA Jhelum for the FY 2022-23, it was observed that services of the 93 non-gazatted officials were regularized. As per the criteria referred above, these officials were required to be placed in BPS-01 instead of BPS-2. This resulted in overpayment of Rs 38.949 million as detailed at **Annexure-M**.

Audit held that unauthorized high grade was given due to weak financial discipline.

The matter was reported to the PAO in October 2023. The department replied that employee recruited on contract basis prior to 01-07-2007 were awarded BS-02 on 01-07-2007 and their services were then regularized on 14-10-2009 in light of S&GAD notification No. DS (O&M)5-3/2004/CONTRACT(MF) dated 14-10-2009, promotion was made according to policy. Reply was not convincing as under clarification issued vide No.FD.PC-32-7/2007(103)/07 dated 23.04.2008, appointment was to be made in actual scale i.e. BPS-1.

DAC in its meeting held on 23rd October 2023 directed to seek clarification from Finance Department.

Audit recommends re-fixation of pay besides effecting recovery.

[Certification Audit Para-1]

15.4.2 Unauthorized payment of honorarium - Rs 2.464 million

As per letter No.FD.SR.1/9-7/2003 dated 27.12.2005 issued by Government of the Punjab, Finance Department, Heads of the Administrative Departments may sanction an honorarium up to one month basic pay to a civil servant for work performed by him which is occasional in character and either laborious or of such special merit as to justify a special reward when the services rendered by him fall within the course of his ordinary duty like, good performance, achievements of targets or any special assignments related to the post. Furthermore, as per rule 2(a) of PDA (DFP) Rules 2017, “Administrative Department” means the SED of the Government in respect of the DEA.

During certification audit DEA Jhelum for the FY 2022-23, it was observed that DAO Jhelum paid honorarium of Rs 2.464 million to 89 officers / officials. Payment of honorarium was unauthorized as sanction was accorded by Deputy Commissioner Jhelum instead of Secretary SED being head of administrative department. This resulted in unauthorized payment of Rs 2.464 million as detailed at **Annexure-N**.

Audit held that unauthorized payment of honorarium made without sanction of the competent authority was due to weak financial controls.

The matter was reported to the PAO in October 2023. The department replied that DC being administrator of DEA Jhelum was competent to sanction honorarium. Reply was not acceptable as according to PDA (DFP) Rules 2017, Secretary SED was the head of administrative department.

DAC in its meeting held on 23rd October 2023 directed to seek clarification from Finance Department. No further progress was reported till finalization of the report.

Audit recommends regularization besides fixing of responsibility against person(s) at fault.

[Certification Audit Para-21]

B) Procurement related irregularities

15.4.3 Managed procurement of electric water cooler - Rs 2.200 million

According to letter No. /DFID/PROC/2020/23831 dated 05.11.2021 issued by the Project Director PMIU Punjab Lahore, all CEOs of DEA Punjab were requested to constitute a committee comprising DEO, Assistant Director (Dev/B&P) and any technical member for the fair and transparent purchase and installation of water coolers along with water filter in IASs. The TORs of the team were fair and transparent purchase of water cooler according to specification, timely delivery, ensuring the transparent utilization of funds.

During audit of DEA Jhelum for the FY 2022-23, it was observed that primary schools under the control of following formations incurred an expenditure of Rs 2.200 million on purchase of electric water coolers. Audit observed that electric water coolers were purchased from a particular company i.e. M/s corona electric & gas appliances without adopting tendering process. This resulted in irregular expenditure of Rs 2.200 million as detailed below:

Rs in million

Sr. No.	**Name of Formations**	**Amount**
1	Dy. DEO (W-EE) P.D Khan	1.320
2	Dy. DEO (W-EE) Jhelum	0.880
Total		**2.200**

Audit held that expenditure incurred without following PPR 2014 was due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that all process for procurement of water cooler had been made by CEO (DEA) Jhelum. Reply was not acceptable as procurement was made without tender by the particular primary school.

DAC in its meeting held on 12th December 2023 directed to probe the matter. No further progress was reported till finalization of this report.

Audit recommends probe for fixing of responsibility against the person(s) at fault.

[PDP No. 1 & 158]

CHAPTER 16

DISTRICT EDUCATION AUTHORITY RAWALPINDI

16.1 Introduction

a) There are 633 formations in DEA Rawalpindi out of which audit of 03 formations was conducted. Total expenditure of these 03 formations was Rs 5,332.858 million out of which 33% expenditure was audited.

Audit Profile of DEA Rawalpindi

Rs in million

Sr. No.	Description	Total No. of Formations	Audited	Expenditure Audited
1	DEA Rawalpindi	633	03	1,775.605
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Rawalpindi was Rs 16,511.609 million and supplementary grant was Rs 630.865 million for the FY 2022-23. An amount of Rs 351.355 million was surrendered and final budget was Rs 16,829.564 million. Management incurred an expenditure of Rs 16,710.050 million resulting in saving of Rs 119.514 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	15,689.623	38.445	-	15,728.068	15,719.466	-8.602
Non-Salary	563.905	-	351.355	212.550	209.176	-3.374
Development	258.081	630.865	-	888.946	781.408	-107.538

Total	**16,511.609**	**630.865**	**351.355**	**16,829.564**	**16,710.050**	**-119.514**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	14,592.410	14,544.929	-47.481	0.3
2022-23	16,829.564	16,710.050	-119.514	1

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 15% increase in budget allocation and expenditure incurred during the FY 2022-23 as compared to FY 2021-22. There was saving of Rs 119.514 million during FY 2022-23 which is 1% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Rawalpindi was made on the basis of various indicators set by Schools Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister Roadmap 2014. The objectives of the roadmap were to improve following indicators at each school and provision of better environment through proper monitoring at appropriate levels.

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher Presence	87
2	Non-Teacher Presence	89
3	Student Attendance	88
4	Retention All Grades	95
5	Head Teacher Presence	89
6	Availability of Boundary Wall	96
7	Availability of Drinking Water	99

8	Availability of Furniture	99
9	Sufficiency of Toilets	88
10	School Hygiene	83

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observedthat DEA Rawalpindi lagged behind in achieving target of teacher presence, non-teacher presence, student attendance, retention, head teacher presence, availability of boundary wall, sufficiency of toilets and school hygiene as intended in the indicators during 2022-23.

16.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 26.265 million were raised in this report during current audit of DEA, Rawalpindi. This amount also includes recoveries of Rs 9.390 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-

5	Others	24.234
Total		**26.265**

16.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submittedto Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	14	Not Convened
2	2018-19	19	
3	2019-20	14	
4	2020-21	06	
5	2021-22	03	

6	2022-23	04	

16.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

16.4.1 Un-authorized payment of salary - Rs 2.031 million

According to Rule 9(b) of PDA (Accounts) Rule 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of Dy. DEO (W-EE) Rawalpindi for the FY 2018-23, it was observed that Mst. Zahida Parveen Primary School Teacher working at GMPS Rupper Khurd Tehsil Rawalpindi remained absent from duty from June 2015 to May 2019. However, she was paid Rs 2.031 million on account of pay and allowances during absent period. The department had initiated inquiry proceeding on 16.11.2022 but after lapse of considerable period, no action was found on record. This resulted in unauthorized payment of salary of Rs 2.031 million.

Audit held that pay and allowances of absent period were paid to the teachers due to weak financial management.

The matter was reported to the PAO in October 2023. The department replied that inquiry against absconded teacher was in progress. Reply was not acceptable as no concrete action had been taken to recover the overpaid amount.

DAC in its meeting held on 14th December 2023 directed to probe into the matter. No further progress was reported till finalization of this report.

Audit recommends probe for fixing responsibility against the person(s) at fault besides recovery.

[PDP No. 160]

B) Others

16.4.2 Non-recovery of penalty from private schools - Rs 6.000 million

According to Section 11(3) of the PPEI (Promotion and Regulation) Ordinance, 1984 (IV of 1984), if an Incharge runs the institution without registration under this ordinance, the Incharge shall be liable to punishment of fine which may extend to four million rupees but which shall not be less than three hundred thousand rupees.

During audit of CEO (DEA) Rawalpindi for the FY 2022-23, it was observed that District Registration Authority (DRA) meeting under the Chairmanship of DC Rawalpindi was held on 21.02.2023 for approval of registration of private schools in district Rawalpindi and committee allowed registration of twenty schools subject to collection of fine @ Rs 300,000. It was noticed that neither amount of fine was collected nor action was taken against these schools. This resulted in non-collection of penalty amount of Rs 6.000 million.

Audit held that fine was not recovered from the concerned schools due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that notices had been issued to all 20 schools that were fined in DRA meeting. Reply was not acceptable as despite lapse of considerable time, no action to recover the fine was reported.

DAC in its meeting held on 14th December 2023 directed for complete recovery. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing responsibility on the person(s) at fault.

[PDP No. 222]

16.4.3 Non-utilization of funds of development schemes - Rs 11.875 million

According to Rule 24 of PDA (Budget) Rules 2017, all conditional grants shall be budgeted and utilized in accordance with the conditions of the grant.

During audit of CEO DEA Rawalpindi for the FY 2022-23, it was observed that CEO transferred funds of Rs 11.875 million to building department against the ongoing development schemes of 2015-22 but at the end of the year, the building department did not execute remaining work as planned against each scheme and surrendered full amount as provided during FY 2022-23 to DEA Rawalpindi without any reasonable justification. It was also noticed that CEO (DEA) Rawalpindi did not take any action against the executing agency for zero progress against these schemes. This resulted in non-utilization of funds of Rs 11.875 million.

Audit held that funds provided to Building department were not utilized due to internal control failures and financial mismanagement.

The matter was reported to the PAO in October 2023. The department replied that issue was brought in the notice of DC Rawalpindi. Reply was not acceptable as delay in execution of these development schemes would lead to price escalation which will ultimately be borne by government.

DAC in its meeting, held on 14th December 2023 directed CEO DEA Rawalpindi to take up the case through DC being head of DDC for issuance of show cause for non-utilization of funds. No further progress was reported till finalization of this report.

Audit recommends fixing of responsibility on the person(s) at fault.

[PDP No. 224]

16.4.4 Blockage of funds on account of establishment of IT Labs - Rs 5.000 million

According to administrative approval issued by Deputy Commissioner / Chairman DDC vide No. DD(Dev)/DDC/291 dated 22.08.2023, the gestation period was six (6) months of schemes under project of Establishment of IT labs (given in table-D of Sr. 1 to 3). Furthermore, According to Rule 9(b) of PDA (Accounts) Rule 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of CEO (DEA) Rawalpindi for the FY 2022-23, it was observed that funds amounting to Rs 5.000 million for establishment of IT labs was issued to CEO DEA Rawalpindi with the direction to immediately commence execution and furnish financial / physical progress report. However, DEA Rawalpindi did not take any action to execute work. This resulted in blockage of funds of Rs 5.000 million.

Audit held that allocated funds were not utilized due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that only 50% of funds were released by the Finance Department. Reply was not acceptable as delay in establishment of IT labs would lead to price escalation which will ultimately be borne by Government.

DAC in its meeting held on 14th December 2023 directed to refer the case to Secretary SED for fixing the responsibility of non-utilization of funds. No further progress was reported till finalization of this report.

Audit recommends probe for non-utilization of funds besides fixing of responsibility on the person(s) at fault.

[PDP No. 225]

16.4.5 Non-collection of fee from private school - Rs 1.359 million

According to Section 3(1) of PPEI (Promotion and Regulation) ordinance 1984, an in charge shall before the commencement of business by the institution, register the institution with the registering Authority under this Ordinance. Further according Para-2 (i) of Government of the Punjab, SED Lahore's letter No. SO(A-I)3-4/2023 dated 13.04.2023, an e-license shall be valid for a period of two years and be renewed after expiry of validity period without going into the process of new registration.

During audit of CEO (DEA) Rawalpindi for FY 2022-23, it was noticed that 188 private schools applied through Private Education Provider Registration & Information System (PEPRIS) for new registration but still un-processed. These schools are working un-registered and dues regarding registration fee with annual fee amounting to Rs 0.960 million were not collected from them, it was further noticed that according to data available on www.pepris.punjab.gov.pk, 5,154 schools were enrolled under DEA Rawalpindi as on 12.09.2023. Out of these, e-license of 273 private schools were expired but not renewed till 12.09.23 in violation of above rules and their renewal fee of Rs 0.399 million was pending. This resulted in non-collection of fee amounting to Rs 1.359 million from the private schools.

Audit held that fee was not collected due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that due to generation of incomplete application on PEPRIS it did not qualify as proper application for registration, a school owner must generate an online challan and only after depositing of fee, the application would be considered. Reply was not acceptable as no record was produced for verification.

DAC in its meeting held on 14th December 2023 directed to produce comprehensive survey report regarding private schools. No further progress was reported till finalization of this report.

Audit recommends for immediate registration of these schools and recovery of penalty may also be calculated and recovered as per ordinance besides fixing responsibility on the person(s) at fault.

[PDP No. 223]

CHAPTER 17

DISTRICT EDUCATION AUTHORITY BHAKKAR

17.1 Introduction

a) There are 167 formations in DEA Bhakkar out of which audit of 03 formations was conducted. Total expenditure of these 03 formations was Rs 1,625.393 million out of which 18% expenditure was audited.

Audit Profile of DEA Bhakkar

Rs in million

Sr. No.	Description	Total No. of Formations	Audited	Expenditure Audited
1	DEA Bhakkar	167	03	292.570
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Bhakkar was Rs 10,550.400 million and there was no supplementary grant for the FY 2022-23. An amount of Rs 2,085.843 million was surrendered and final budget was Rs 8,464.557 million. Management incurred an expenditure of Rs.7,814.608 million resulting in saving of Rs 649.949 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made. The break-up of total budget and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	9,686.748	-	1,892.611	7,794.137	7,110.632	-683.505
Non-Salary	299.958	-	92.721	207.237	200.708	-6.529

Development	563.694	-	100.511	463.183	503.268	40.085
Total	**10,550.400**	**-**	**2,085.843**	**8,464.557**	**7,814.608**	**-649.949**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	7,571.308	6,642.921	-928.387	12
2022-23	8,464.557	7,814.608	-649.949	8

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 12% increase in budget allocation and 18% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 649.949 million during FY 2022-23 which is 8% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Bhakkar was made on the basis of various quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister Roadmap 2014. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher Presence	87
2	Non-Teaching Staff presence	83
3	Student attendance (All Grades)	78
4	Retention (All Grades)	74
5	Head Teachers Presence	85
6	Availability of Boundary Wall	78

7	Availability of Drinking Water	76
8	Availability of Furniture	65
9	Sufficiency of Toilets	65
10	School Hygiene	52

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above targets achievement table, it could be observed that DEA Bhakkar considerably lagged behind in achieving the target of availability of furniture, sufficiency of toilets and school hygiene during FY 2022-23.

17.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 31.534 million were raised in this report during current audit of DEA Bhakkar. This amount also includes recoveries of Rs 11.101 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-

5	2021-22	03	
6	2022-23	04	

17.4AUDIT PARAS

A) Human Resource / Employees related irregularities

17.4.1 Inadmissible payment of inspection allowance - Rs 3.960 million

According to letter No. SO (Budget) 1-15/2013 (Vol-II) SED, Government of the Punjab dated 25th October, 2016 Inspection Allowance @ Rs 25,000 per month will be granted only to those AEOs who have been selected through competitive exam, remaining AEOs will be granted only Rs 10,000 per month.

During audit of Dy. DEO (W-EE) Darya Khan for the FY 2021-23, it was observed that management paid inspection allowance to 11 AEOs @ Rs 25,000 per month instead of Rs 10,000 despite the fact that they were not recruited through competitive exam. This resulted in inadmissible payment of Rs 3.960 million (15,000 x11x 24months).

Audit held that payment of inadmissible payment of inspection allowance was made due to weak internal controls.

The matter was reported to the PAO in December 2023. Department admitted the stance of audit.

DAC in its meeting held on 27th December 2023 directed to seek clarification from Secretary SED Government of the Punjab regarding rate of inspection allowance to the AEOs recruited through NTS and SSTs posted. No further progress was reported till finalization of this report.

Audit recommends recovery from the concerned employees besides fixing of responsibility on person (s) at fault.

[PDP No. 268]

B) Procurement related irregularities

17.4.2 Irregular expenditure without quotations - Rs 5.433 million

According to Rule 59 (b) of PPR 2014, a procuring agency may provide for petty purchases through at least three quotations where the cost of the procurement is more than fifty five thousand rupees but less than two hundred thousand rupees and such procurement shall be exempted from the requirements of bidding procedures.

During audit of Dy. DEO (W-EE) Darya Khan for the FY 2021-23, it was observed that elementary and primary schools made purchases of Rs 5.433 million without calling quotations in violation of PPR 2014. Audit further noticed that no quotations were available in record for purchases more than Rs 75,000. This resulted in irregular purchases without quotations of Rs 5.433 million as detailed at **Annexure-O**.

Audit held that irregular expenditure was incurred due to weak internal controls and failed to observe PPR 2014.

The matter was reported to the PAO in December 2023. Department did not submit any reply.

DAC in its meeting held on 27th December 2023 directed the department to provide complete record for detailed verification. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure from the competent forum.

[PDP No. 271]

C) Value for money and service delivery issues

17.4.3 Non-deduction of income tax from the stipend payment - Rs 5.799 million

According to Section 153(1) (b) (ii) of ITO 2001, every prescribed person while making a payment in full or part to an individual for rendering or providing of services, shall deduct income tax at source @ 10% of the gross amount payable, if the person is a filer and @ 20% if the person is a non-filer.

During audit of CEO DEA Bhakkar for the FY 2022-23, it was observed that management transferred funds of Rs 57.993 million to different schools for stipend payment to teaching staff working under IASs Programme, however, income tax @ 10% was not deducted at the time of stipend payment. This resulted in loss of Rs 5.799 million to the government as mentioned below:

Rs in million

Release Description	Gross Amount	Income Tax @ 10%
1st Quarter	16.332	1.633
2nd Quarter	24.956	2.496
3rd Quarter	16.705	1.671
Total	**57.993**	**5.799**

Audit held income tax was not deducted at source that due to weak internal controls and poor financial discipline.

The matter was reported to the PAO in December 2023. Department replied that recovery was pended in the light of recommendations issued by Federal Tax Ombudsman (FTO) dated 13.02.2023.

DAC in its meeting held on 27th December 2023 directed to deduct tax from the salaried persons i.e. DEA teachers working in afternoon and keep recovery pending in case of private service providers. No further progress was reported till finalization of this report.

Audit recommends recovery of income tax besides fixing of responsibility for lapse and negligence.

[PDP No. 261]

17.4.4 Non-deduction / doubtful deposit of income tax - Rs 1.342 million

According to Section 153 (1)(a) of ITO 2001, every prescribed person making a payment in full or part including payment by way of advance to a resident person shall deduct income tax @ 4.5% of the gross amount payable if the person is a filer, and 9% if the person is a non-filer.

During audit of Dy. DEO (W-EE) Darya Khan for the FY 2021-23, it was observed that elementary and primary schools incurred expenditure of Rs 29.815 million on various purchases. Audit noticed that payment was made to suppliers without deduction of income tax of Rs 1.342 million at source and handed over full amount of tax to the suppliers. The suppliers / vendors either did not deposit the amount of tax to government treasury or deposited very minor amount as compared to the amount they received from schools on account of income tax. Moreover, CPRs and Annexure-C (sale tax return) issued by firms appeared doubtful, as in most of the cases CPRs could not be verified during online verification from FBR website. This resulted in non-deduction/ doubtful deposit of income tax of Rs 1.342 million.

Audit held that tax was neither deducted nor deposited in treasury due to weak internal and financial controls.

The matter was reported to the PAO in December, 2023. The department replied that department had directed concerned AEOs to probe the matter. Reply was considered since contention of audit was accepted.

DAC in its meeting held on 27th December 2023 directed to probe the matter at CEO level and submit a report within 45 days. No further progress was reported till finalization of this report.

Audit recommends probing the matter and fixing the responsibility against person (s) at fault besides recovery of amount overpaid.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2021-22 vide para number 2.4.1.2.2 having financial impact of Rs 6.698 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 267 & 272]

D) Others

17.4.5 Non-receipt of saving amount of development schemes from building department - Rs 15.00 million

According to letter No.IT(FD)3-7/2000 dated 01.01.2001 of Finance Department, Government of the Punjab, the funds would not constitute a deposit work and the funds were to be utilized up to 30th June and unspent balance would be refunded to the concerned DDO on completion of the project, the XEN Buildings will render a completion certificate and statement of accounts (i.e. complete vouched account) together with refund of residual balance of the amounts placed at his disposal, to the concerned DDO for his record.

During audit of CEO DEA Bhakkar for FY 2022-23, it was observed that CEO transferred funds for construction work to building department as deposit work. Some development schemes were tendered on rates below the TS amount which resulted in saving of Rs 15 million. Audit noticed that neither building department submitted the vouched accounts nor amount of saving was refunded to A/C-V. This resulted in non-receipt/recovery of saving of Rs 15.00 million as detailed below:

Rs in million

Sr. No	Development Schemes	Release Amount	Total Exp.	Saving
1	Up-Gradation / Establishment of Schools (ADP No-30/ 2022-23	109.264	106.264	3.00
2	Establishment of New Govt. School (31/2022-23)	109.118	106.118	3.00
3	Up-Gradation/ Establishment of 6 No schools (ADP 112)	48.726	47.726	1.00
4	Up-Gradation and Establishment of Schools (ADP No. 113 to 122)	96.236	92.236	4.00
5	Reconstruction of Dangerous School Buildings 2021-22 (ADP 229)	83.115	79.115	4.00
Total		**446.459**	**431.459**	**15.00**

Audit held that non-receipt of saving amount of development schemes was due to weak internal and financial controls.

The matter was reported to the PAO in December 2023. Department admitted the contention of audit observation and taken up the matter with building department.

DAC in its meeting held on 27th December 2023 directed for recovery of Rs 15 million of saving of development schemes from building department. No further progress was reported till finalization of this report.

Audit recommends fixing of responsibility for lapse besidesides recovery of saving amount.

[PDP No. 263]

CHAPTER 18

DISTRICT EDUCATION AUTHORITY KHUSHAB

18.1 Introduction

a) There are 173 formations in DEA Khushab out of which audit of 03 formations was conducted. Total expenditure of these 03 formations was Rs 1,360.329 million out of which 15% expenditure was audited.

Audit Profile of DEA Khushab

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited
1	DEA Khushab	173	03	204.049
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of the DEA Khushab was Rs 8,390.765 million and supplementary grant of Rs 621.914 million for the FY 2022-23. An amount of Rs 2,950.718 million was surrendered and final budget was Rs 6,061.961 million. Management incurred an expenditure of Rs 6,061.794 million resulting in saving of Rs 0.167 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of total budget and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	7,929.792	434.122	2,650.613	5,713.301	5,718.070	4.769
Non-Salary	324.945	79.971	263.032	141.884	136.949	-4.935
Development	136.028	107.821	37.073	206.776	206.775	-0.001

Total	8,390.765	621.914	2,950.718	6,061.961	6,061.794	-0.167

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	5,414.805	5,375.979	-38.826	1
2022-23	6,061.961	6,061.794	-0.167	0.003

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 12% increase in budget allocation and 13% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 0.167 million during FY 2022-23 which is 0.002% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Khushab was made on the basis of various quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister Roadmap 2014. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels

Sr. No.	Indicators	Achievement (%)
1	Teacher Presence	91
2	Non-Teaching Staff Presence	90
3	Student attendance (All Grades)	91
4	Retention (All Grades)	96
5	Head Teachers Presence	89
6	Availability of Boundary Wall	99
7	Availability of Drinking Water	98
8	Availability of Furniture	92

9	Sufficiency of Toilets	87
10	School Hygiene	70

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observedthat DEA Khushab considerably lagged behind in achieving the target of sufficiency of toilets and school hygiene during FY 2022-23.

18.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 25.621 million were raised in this report during current audit of DEA Khushab. This amount also includes recoveries of Rs 2.551 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	1.076
B	Procurement related irregularities	-
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	1.475
5	Others	23.070
Total		**25.621**

18.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	19	Not Convened
2	2018-19	19	
3	2019-20	09	
4	2020-21	05	

5	2021-22	04	
6	2022-23	04	

18.4AUDIT PARAS

A) Human Resource / Employees related irregularities

18.4.1 Overpayment on account of advance increments - Rs 1.076 million

According to Clarification issued vide No.FD.PC.19-1/89 (Pt.II)(1153/09)(Provl) dated Lahore the 28th February 2018 by Finance Department Government of the Punjab, any other cadre like Headmaster/ Headmistress/DEOs/AEOs are not entitled for two advance annual increments w.e.f 01.01.2018. Further according to Finance Department letter No.FD.PC.19-1/89(Pt.II)(1153/09)(provl), dated 1st January 2018, ESTs working in BPS-15 (personal) and SSTs were allowed two advance increments.

During audit of Dy. DEO (M.E.E) Khushab for the FY 2022-23, it was observed that four AEOs were paid two annual advance increments w.e.f. 01.01.2018 in contravention to the notifications ibid. This resulted in overpayment of Rs 1.076 million on account of pay & allowances as detailed below:

Rs in million

Sr. No.	Name of AEO	Period	Overpayment
1	Shakeel Tahir	01-01-2018 to 30-06-2023	0.269
2	Hafiz Asim		0.269
3	Nabeel Aftab		0.269
4	Muhammad Arshad		0.269
Total			**1.076**

Audit held that overpayment on account of advance increments due to weak financial controls.

The matter was reported to PAO in December 2023. Department admitted overpayment and stated that change in pay had been incorporated and recovery started.

DAC in its meeting held on 28th December 2023 directed for recovery.

Audit stresses for early recovery of overpaid amount.

[PDP No. 249]

B) Value for money and service delivery issues

18.4.2 Non-deduction of income tax from salary - Rs 1.475 million

According to Section 153(1) (b) (ii) of ITO 2001, every prescribed person while making a payment in full or part to an individual for rendering or providing of services, shall deduct income tax at source @ 10% of the gross amount payable, if the person is a filer and @20 % if the person is a non-filer.

During audit of Dy. DEO (W-EE) Khushab for FY 2022-23, it was observed that the management paid Rs 7.376 million to teaching staff of schools under IASs Programme, however, income tax @ 20% amounting to Rs 1.475 million was not deducted from payment of honoraria to teaching staff (non-filer). This resulted in non-deduction of income tax of Rs 1.475 million.

Audit held that income tax on salaries was not deducted due to lack of financial control.

The matter was reported to PAO in December 2023. The department replied that the teachers were paid maximum up to Rs 18,000 monthly and supporting staff up to Rs 7,000 only which was not taxable. The reply was not acceptable as the DDO was required to make deduction at source as withholding agent on any amount while other source of income was not known him.

DAC in its meeting held on 28th December 2023 directed to deduct tax from the salaried persons and the recovery be kept pending in case of private service providers in the light of recommendations issued by FTO dated 13.02.2023. No further progress was reported till finalization of this report.

Audit recommends recovery of income tax amount.

[PDP No. 257]

C) Others

18.4.3 Unjustified creation of liability - Rs 18.946 million

According to Rule 17.17(a) read with Rule 17.18 of PFR Vol-I, every disbursing officer shall maintain a register of liabilities in P.F.R form 27 in which he should enter all these items of expenditure for which payment is to be made by or through another officer, budget allotment or sanction of a higher authority is to be obtained or payment would be required partly or wholly during the next financial year or years.

During audit of CEO DEA Khushab for the FY 2022-23, it was observed that the management procured furniture from M/s Premier House, Lahore vide order No.4114 dated 22.09.22 but payment was not cleared at close of financial year despite availability of funds. This resulted in unjustified creation of liability of Rs 18.946 million as detailed below:

Rs in million

Sr. No.	Description	Qty.	Rate	Amount
1	3 Seater Desk bench (1495) Elementary	1,495	10,390	15.533
2	3 Seater Desk bench (338) Primary	338	10,099	3.413
Total				**18.946**

Audit held that liability was created due to weak internal control and financial indiscipline.

The matter was reported to the PAO in January, 2023. The department replied that 3-seater desk benches supplied by firm were rejected being not according to specification. Firm was directed to replace the desks and payments were to be made after satisfactory inspection report of technical committee. Reply was not acceptable as no serious efforts were on record to ensure timely replacement of furniture and completion of the process within the financial year.

DAC in its meeting held on 28th December 2023 directed the department to complete the replacement process at earliest.

Audit recommends fixing responsibility of lapse on the person (s) at fault.

[PDP No. 241]

18.4.4 Undue retention of public money - Rs 4.124 million

According to Rule 2.10 (b) (5) of PFR Vol-I, Authorities incurring expenditure should see that no money has been drawn from the treasury unless it is required for immediate disbursement.

During audit of Dy. DEO (MEE) Khushab for the FY 2022-23, it was observed that Rs 4.124 million was available in DDO account at end of the financial year. Audit noticed that the amount was drawn drawn on account of stipend payment and miscellaneous purpose but neither it was disbursed for the purpose it was drawn nor deposited in government treasury. This resulted in undue retention of public money worth Rs 4.124 million.

Audit held that undue retention of public money wasa due to weak financial controls.

The matter was reported to the PAO in January 2023. The department replied that the amount in DDO account was related to students merit scholarships, prizes of position holders and arrears of salary and allowances of teachers. The disbursement of amount was under process. Reply was not acceptable as the funds were parked since long and not disbursed for purpose it was drawn.

DAC in its meeting held on 28th December 2023 directed to probe the matter and submit a report within 30 days.

Audit recommends fixing responsibility of lapse against the person(s) at fault besides depositing the unspent amount in treasury.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2019-20 vide para number 10.05.3.2 having financial impact of Rs 3.806 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 250 & 25]

CHAPTER 19

DISTRICT EDUCATION AUTHORITY MIANWALI

19.1 Introduction

a) There are 185 formations in DEA Mianwali out of which audit of 03 formations was conducted. Total expenditure of these 03 formations was Rs 4,431.870 million out of which 18% expenditure was audited

Audit Profile of DEA Mianwali

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited
1	DEA Mianwali	185	03	797.737
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Mianwali was Rs 11,513.666 million and supplementary grant was Rs 1,126.447 million for the FY 2022-23. An amount of Rs 3,334.242 million was surrendered and final budget was Rs 9,305.871 million. Management incurred an expenditure of Rs 8,439.259 million resulting in saving of Rs 866.612 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	10,927.165	542.835	3,257.260	8,212.740	7,359.207	-853.533
Non-Salary	257.807	33.304	76.982	214.129	202.154	-11.975
Development	328.694	550.308	-	879.002	877.898	-1.104

Total	11,513.666	1,126.447	3,334.242	9,305.871	8,439.259	-866.612

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	9,632.241	7,716.779	-1,138.929	20
2022-23	9,305.871	8,439.259	-866.612	9

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 3% decrease in budget allocation and 9% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 866.612 million during FY 2022-23 which is 9% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Mianwali was done on the basis of various quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU since it was part of Chief Minister Roadmap 2014. The objectives of this roadmap were to improve education facilities and provide better environment through proper monitoring at appropriate levels

Sr. No.	**Indicators**	**Achievement (%)**
1	Teacher Presence	89
2	Non-Teaching Staff presence	86
3	Student attendance (All Grades)	81
4	Retention (All Grades)	96
5	Head Teachers Presence	60
6	Availability of Boundary Wall	97

7	Availability of Drinking Water	97
8	Availability of Furniture	92
9	Sufficiency of Toilets	85
10	School Hygiene	74

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above targets achievement table, it could be observed that DEA Mianwali considerably lagged behind in achieving the target of head teacher presence, sufficiency of toilets and school hygiene during 2022-23.

19.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 7.756 million were raised in this report during current audit of DEA Mianwali as pointed out by audit. This amount also includes recoveries of Rs 0.909 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount Placed under Audit Observation**
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	-
B	Procurement related irregularities	5.819
C	Management of accounts with commercial banks	0
4	Value for money and service delivery issues	1.937
5	Others	0
Total		**7.756**

19.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
1	2017-18	19	Not Convened
2	2018-19	19	
3	2019-20	09	
4	2020-21	05	

5	2021-22	04	
6	2022-23	04	

19.4 AUDIT PARAS

A) Procurement related irregularities

19.4.1 Irregular expenditure without observing PPR 2014 - Rs 5.819 million

According to Rule 9 and 12 (4) of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. Procurements over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified by regulation by the PPRA from time to time. According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowances, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud, misappropriation and shall be liable to make good that loss.

During audit of Dy. DEO (W-EE), Mianwali for FY 2021-23, it was observed that management incurred expenditure of Rs 5.819 million on purchase of various items through quotations without advertising on PPRA website. Audit noticed that neither any annual planning of the procurement was done nor codal formalities were completed. Audit further noticed following irregularities in purchases and repairs.

i. Expenditure on office premises office equipment, furniture fixture (including luxurious Sofas) was made in excess of genuine official requirements of Dy. DEO level office. Most of the payments were drawn in the name of DDO cheques instead in vendor name.
ii. Proper stock entries and up to date inventory position record was not maintained.
iii. Un-realistic expenditure was observed on photocopies.
iv. Sufficient issuance/consumption record of consumable supplies was not maintained.
v. Un-realistic expenditure on repair of machinery, equipment and transport was observed besides non-maintenance of sufficient repair record.

This resulted in irregular and doubtful expenditure of Rs 5.819 million as detailed at **Annexure-P**.

Audit held that due to weak internal, managerial and financial controls, purchases were made non-transparently without observing codal formalities.

The matter was reported to the PAO in November 2023. The department replied that purchases were made according to PPRA. Already set precedents of purchase committees were followed. All the entries of permanent and consumable items were made. Quotations for all purchases were demanded from different firms and awarded to lowest bidders. There wasn't any vendor system implemented by DAO hence cheques were issued in DDO's name by DAO. History sheets and repair registers were maintained. Reply was not accepted because it was not based on facts and supported with documentary evidence.

DAC in its meeting held on 18th December 2023 directed probe in the matter for fixing responsibility of lapse. No further progress was reported till finalization of this report.

Audit recommends probe in the matter for fixing responsibility of lapse against the person (s) at fault besides regularization of the expenditure from the competent forum.

[PDP No. 202, 205, 206, 207 & 209]

B) Value for money and service delivery issue

19.4.2 Non-deduction of income tax from stipend payment to Insaf Afternoon Schools teachers - Rs 0.909 million

According to Section 153(1) (b) (ii) of ITO 2001, every prescribed person while making a payment in full or part to an individual for rendering or providing of services, shall deduct income tax at source @ 10% of the gross amount payable, if the person is a filer and @17.5% if the person is a non-filer.

During audit of Dy. DEO (M-EE), Mianwali for the FY 2022-23, it was observed that management transferred funds of Rs 5.198 million to different schools for stipend payment to teaching staff working under IASs Programme, however, income tax @ 17.50% was not deducted at the time of stipend payment. This resulted in non-deduction of Rs 909,650 million.

Audit held that income tax was not deducted at source due to weak internal controls and poor financial discipline.

The matter was reported to the PAO in November 2023. The department replied that payment of said amount was made on account of honoraria at fixed rates of Rs18,000, Rs15,000 and Rs 7,000 per month to head teacher, teacher and class-IV respectively which does not come under income tax slab. Reply was not accepted because being withholding agent DDOs were required to deduct income tax as they were not aware about other sources of income.

DAC in its meeting held on 27th December 2023 directed to deduct tax from the salaried persons and the recovery be kept pending in case of private service providers in light of recommendations issued by FTO dated 13.02.2023. No further progress was reported till finalization of this report.

Audit recommends recovery of income tax besides fixing of responsibility of lapse.

[PDP No. 260]

19.4.3 Non-deduction / doubtful deposit of GST - Rs 1.028 million

According to standing instructions of FBR read with SRO No.660 (1)/2007 dated 30.06.2007 of FBR, all withholding agents shall make purchases of taxable goods from a person duly register under Sales Tax Act, 1990. The GST @ 1/5th of total value of the GST charged may be deducted at source and deposited in Government Treasury. In case of non-availability of a registered firm, the purchases may be made from unregistered firm. The GST @19% should be deducted at source from the payments of un-registered firm and credited to Government treasury.

During audit of Dy. DEO (W-EE), Mianwali for the FY 2021-23, it was observed that Elementary and Primary Schools made purchases of Rs 11.998 million from different suppliers. Audit noticed that payment of Rs 1.028 million was made to suppliers along with the full amount of GST charged without deducting $1/5^{th}$ GST at source that came to Rs 205,532. Moreover, the firms were either unable to provide the proof i.e. CPRs of deposit of GST or deposited a very minor part of the amount of GST amount that they charged to schools resulted in non-deposit of GST.

Audit held that GST was not deducted/deposited due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that purchases were made from registered firms and taxes were paid accordingly. The FBR receipts and challans were attached. Reply was not based on facts as the produced receipts and Annexure-C were not relevant to the mentioned bills and tax period hence could not be considered.

DAC in its meeting held on 18th December 2023 directed the department to produce relevant CPRs/Annexure-C for verification to audit, recovery otherwise.

Audit recommends either produce the relevant CPRs or deposit GST amount in government treasury.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2021-22 vide para number 2.4.1.2.2 having financial impact of Rs 6.698 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 210]

CHAPTER 20

DISTRICT EDUCATION AUTHORITY SARGODHA

20.1 Introduction

a) There are 388 formations in DEA Sargodha out of which audit of 03 formations was conducted. Total expenditure of these 03 formations was Rs 2,725.851 million out of which 14% expenditure was audited.

Audit Profile of DEA Sargodha

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited
1	DEA Sargodha	388	03	381.619
2	Assignment accounts / SDA	-	-	-
3	Foreign Aided Projects	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DEA Sargodha was Rs 15,814.574 million and supplementary grant was Rs 1,648.102 million for the FY 2022-23. An amount of Rs 2,156.442 million was surrendered and final budget was Rs 15,306.234 million. Management incurred an expenditure of Rs 15,050.771 million resulting in saving of Rs 255.463 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	15,459.839	1,013.766	1,913.003	14,560.602	14,555.327	-5.275
Non-Salary	354.735	82.427	243.439	193.723	171.450	-22.273
Development	-	551.909	-	551.909	323.994	-227.915

Total	15,814.574	1,648.102	2,156.442	15,306.234	15,050.771	-255.463

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	13,699.502	13,359.018	-340.483	2
2022-23	15,306.234	15,050.771	-255.463	2

Source: Appropriation accounts for the FY 2022-23and FY 2021-22

There was 12% increase in budget allocation and 13% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 255.463 million during FY 2022-23 which is 2% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

Sectoral analysis of DEA Sargodha was made on the basis of various quality indicators set by Education Department for the FY 2022-23. These indicators were introduced, implemented and monitored through PMIU being part of Chief Minister Roadmap 2014. The objectives of this roadmap wereto improve education facilities and provide better environment through proper monitoring at appropriate levels.

Sr. No.	Indicators	Achievement (%)
1	Teacher Presence	88
2	Non-Teaching Staff presence	89
3	Student attendance (All Grades)	91
4	Retention (All Grades)	97
5	Head Teachers Presence	87
6	Availability of Boundary Wall	99
7	Availability of Drinking Water	99

8	Availability of Furniture	96
9	Sufficiency of Toilets	85
10	School Hygiene	77

Source: https://open.punjab.gov.pk/schools/home/districts_performance

ii. Service Delivery Issues

In view of the above target achievement table, it could be observedthat DEA Sargodha considerably lagged behind in achieving the target of sufficiency of teacher presence, toilets and school hygiene during FY 2022-23.

20.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 370.098 million were raised in this report during current audit of DEA Sargodha. This amount also includes recoveries of Rs 15.227 million as pointed out by audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount Placed under Audit Observation
1	Non-production of record	-
2	Fraud, embezzlement and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	339.201
B	Procurement related irregularities	3.097
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	1.586
5	Others	26.214
Total		**370.098**

20.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	19	Not Convened
2	2018-19	19	
3	2019-20	09	
4	2020-21	05	
5	2021-22	03	

6	2022-23	03	

20.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

20.4.1 Un-justified creation of liability - Rs 328.657 million

According to Rule 17.17(A) read with Rule 17.18 of PFR Vol-I, every disbursing officer shall maintain a register of liabilities in P.F.R form 27 in which he should enter all these items of expenditure for which payment is to be made by or through another officer, budget allotment or sanction of a higher authority is to be obtained or payment would be required partly or wholly during the next financial year or years.

During audit of CEO DEA Sargodha for FY 2022-23, it was observed that management did not make effort to clear leave encashment payments of 521 retired employees and created financial liability of Rs 328.657 million for the FYs 2016-17 to 2022-23 despite the fact that sufficient cash balances was available. Moreover, neither liability register was maintained nor liabilities were intimated to the budget approving authorities for allocation of funds. This resulted in unjustified creation of liability of Rs 328.657 million. Detail is as under:

Rs in million

Period	No. of Cases	Pending Liability
01.07.2022 to 30.06.2023	225	105.855
07.02.2016 to30.06.2022	296	222.802
Total	**521**	**328.657**

Audit held that unjustified liabilities were created due to weak financial management.

The matter was reported to the PAO in November 2023. The department replied that liability was created due to non-availability of sufficient. Reply was not tenable as sufficient funds were available.

DAC in its meeting on dated 1st January 2024 directed the department to clear the liabilities of leave encasement.

Audit Recommends probe in the matter besides fixing responsibility against the person (s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2021-22 vide para number 5.4.2.2.1 having financial impact of Rs 187.968 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 133]

20.4.2 Irregular payment of inadmissible pay and allowances - Rs 10.544 million

According to Notification No. SO (SE-III) 2-16/2007 dated 29-10-2009 SED Government of the Punjab, charge allowance was sanctioned for the teachers working against administrative posts w.e.f 01-12-2009. According to Sr. No. (XIII)(i)(b) of Contract Appointment Policy 2004, SSB @ 30% of minimum of basic pay is admissible only for the persons working on contract in lieu of pension. The employees at regularization shall not be entitled to the payment of 30% SSB. According to notification No. SO (Budget)1-15/2013 (Vol-II) dated 25.10.2016 SED Government of the Punjab, Inspection Allowance of Rs 250,00/p.m will is admissible to only those AEOs who have been selected through competitive exams. Rest of the AEOs will be granted only Rs 10,000/P.M.

During audit of following formations of DEA Sargodha for the FY 2022-23, it was observed that DDOs paid Rs 10.544 million on account of pay & allowances which were not admissible. Moreover, inadmissible allowances during leaves were also not deducted. This resulted in inadmissible payment of pay and allowances of Rs 10.544 million.

Rs in million

Sr. No	Name of formations	Description of allowances	Amount
1	Dy. DEO (M-EE) Bhalwal	Inspection Allowance	3.255
		CA	1.231
		SSB to teachers after regularization	0.202
		Charge Allowance to AEOs	0.240
2	Dy. DEO (M-EE) Sillanwali	Inspection Allowance	5.400
		Charge Allowance to AEOs	0.216
Total			**10.544**

Audit held that irregular payment of inadmissible pay and allowances was due to weak financial management.

The matter was reported to the PAO in November 2023. The department replied that CA and SSB allowance was being recovered from the pay of staff while inspection allowance and charge allowance was being paid to employees as per entitlement. Audit contented that inspection allowance and charge allowance was not admissible as per paid rate.

DAC in its meeting held on 1st January 2024 directed to reduce the para of CA and SSB allowance up to balance amount of Rs 1.433 million. DAC further directed to seek clarification from office of the Secretary, SED for payment of charge allowance and inspection allowance.

Audit recommends recovery of SSB, CA and compliance of DAC directives after seeking clarification.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2021-22 vide para number 5.4.2.1.1 having financial impact of Rs 167.458 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 142, 143, 144, 145, 151 & 154]

B) Procurement related irregularities

20.4.3 Loss due to non-deduction of taxes at source - Rs 3.097 million

According to Section 153 (1) of ITO 2001, income tax @ 4.5 % and 10% may be deducted at source from the invoices of the supplier on account of purchase of goods and service render respectively and if suppliers is un-registered, income tax will be deducted @ 9% and 20% respectively. According to Central Board of Revenue standing instructions read with SRO 660 (1)/2007 dated. 30-06-2007, all withholding agents shall make purchases of taxable goods from a person duly registered under Sales Tax Act 1990, GST @ 1/5th of total value of the bill may be deducted at source and deposited in government treasury. In case of non-availability of a registered firm, the purchases may be made from unregistered firm. The GST @19% should be deducted at source from the payments of un-registered firm and credited into the receipt head of Sales Tax Department.

During audit of following formations of DEA Sargodha for the FY 2022-23, it was observed that schools councils made miscellaneous purchases for schools from un-registered suppliers and did not deduct taxes. If purchased from registered suppliers, full amount of GST and income tax was handed over to supplier instead of deducting requisite amount of taxes at source This resulted in non-recovery of Rs 3.097 million.

Rs in million

Formation	**Description**	**Amount**
Dy. DEO (MEE) Bhalwal	Income tax at source	1.364
Dy. DEO (MEE) Bhalwal	Sales Tax from unregistered suppliers	0.951
Dy. DEO (MEE) Sillanwali	Income tax at Source	0.782
Total		**3.097**

Audit held that non-deduction of taxes was due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that income tax and sales tax was deposited by the school management. Reply was not tenable as valid proof of deposit of taxes was not produced for verification.

DAC in its meeting held on 1st January 2024 directed for recovery of government taxes.

Audit recommends implementation of DAC's decision.

[PDP No. 136, 137 & 146]

C) Value for money and service delivery issues

20.4.4 Non-deduction of PST on services - Rs 1.586 million

According to Punjab Sales Tax on Services Act 2012, the management was required to deduct PST @ 16% from the service provider and services listed in the Second Schedules of PST on Services Act 2012.

During audit of following formations of DEA Sargodha for FY 2022-23, it was observed that Elementary and Primary schools hired services of different vendors for paint, white wash and repair work and made payment without deducting Punjab Sales Tax on services. This resulted in loss to the government due to non-deduction of PST @ 16% on services amounting Rs 1.586 million.

Rs in million

Sr. No.	Name of Formation	Amount
1	Dy. DEO (MEE) Bhalwal	926
2	Dy. DEO (MEE) Sillanwali	660
Total		**586**

Audit held that PST was not deducted due to weak financial controls.

Matter was reported to the PAO in January 2023. The department replied that PST was deducted at the time of payment to vendors. Reply was not accepted as relevant CPRs of relevant tax period were not produced for verification.

DAC in its meeting held on 1st January 2024 reduced the amount of para to the extent of deduction made by the school management.

Audit recommends production of valid proof of deposit of PST in government treasury.

[PDP No. 138 & 148]

D) Others

20.4.5 Non-disbursement of funds provided for education of brick kiln's children - Rs 21.884 million

According to Rules 5 (i) & Rule 6 (f) of PDA (Budget) Rules, 2017, the head of offices will be responsible for ensuring that the funds allotted shall be spent on the activities for which these provided. The budget and accounts officer shall be responsible to monitor expenditure and ensure utilization of funds as approved by the District Authority.

During audit of CEO DEA Sargodha for the FY 2022-23, it was observed that unspent balance of Rs 21.884 million reflected in the accounts of DEA for FY 2022-23 under tied grant for brick kiln's children. Management did not make any serious efforts to disburse the grant, provided for educational purposes of brick kiln's children, but kept it parked unutilized since FY 2018-19 despite clear direction of DAC in meeting held on 19.11.2019. This resulted in non-utilization of funds for education of underprivileged children amounting to Rs 21.884 million.

Audit held that non-disbursement of funds provided for education of brick Kiln's children due to weak internal controls.

The matter was reported to the PAO in November 2023. Department did not submit reply.

DAC in its meeting held on 1st January 2024 directed the department to decide the fate of funds parked under tied grant. No further progress was reported till finalization of this report.

Audit recommends fixing responsibility of lapse against the person (s) at fault besides utilization of funds for the purpose actually provided.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2019-20 vide para number 18.5.3.3 having financial impact of Rs 21.884 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 135]

20.4.6 Irregular drawl of funds in the name of DDO - Rs 2.583 million

According to Rule 4.49 (a) of Punjab Treasury Rules 1985, payments of Rs 10,000 and above to contractors and suppliers shall not be made in cash by the DDO.

During audit of Dy. DEO (M-EE) Bhalwal for the FY 2018-23, it was observed that cheques for payment to vendors against different heads of account were prepared in the name of DDOs instead of direct vendor payment. This resulted in irregular drawl of funds in the name of DDO amounting to Rs 2.583 million as detailed at **Annexure-Q**.

Audit held that irregular drawl of funds in the name of DDO was due to weak internal & financial controls.

The matter was reported to the PAO in November 2023. The department replied that in many cases vendors were not available in SAP system of DAO so they issued cheques in favor of DDO and DDO disbursed all the amounts to the concerned supplier.

DAC in its meeting held on 1st January 2024 directed to probe the matter by CEO education.

Audit recommends regularization of the matter from competent forum besides fixing of responsibility on the person at fault.

[PDP No. 141]

20.4.7 Doubtful drawl of POL and improper maintenance of logbook - Rs 1.747 million

According to Rule (9b) of PDG (Accounts) Rules 2017, the DDO and payee of the pay, allowances, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss. Furthermore, according to West Pakistan Staff Vehicle (Use and Maintenance) Rules, 1969, log book, history sheet and petrol consumption account register is required to be maintained for each government owned vehicle.

During audit of Dy. DEO MEE Bhalwal Sargodha for the FY 2017-23, it was observed that log book of official vehicle No. SGG-3658 was not maintained properly as later dates entries were noticed on earlier pages which clearly shown post adjustments of fuel entries. Moreover, following further irregularities were noticed in drawn and consumption of fuel.

i. Average consumption certificate was not available. Furthermore, neither distance meter was functional nor the reading was mentioned in the logbook. Moreover, neither repair expenditure was entered in logbook nor was history sheet maintained.
ii. Instances of drawl of fuel were observed on repair dates.

iii. Log book for the period 01.07.2018 to 23.01.2019 was not produced to audit for verification.

This resulted in doubtful expenditure on POL and repair amounting to Rs 1.747 million as detailed at **Annexure-R**.

Audit held that doubtful drawl of POL and improper maintenance of logbook was due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. Department did not submit reply.

DAC in its meeting held on 1st January 2024 directed to probe the matter.

Audit recommends regularization of the expenditure besides fixing of responsibility of lapse on the person (s) at fault.

[PDP No. 140]

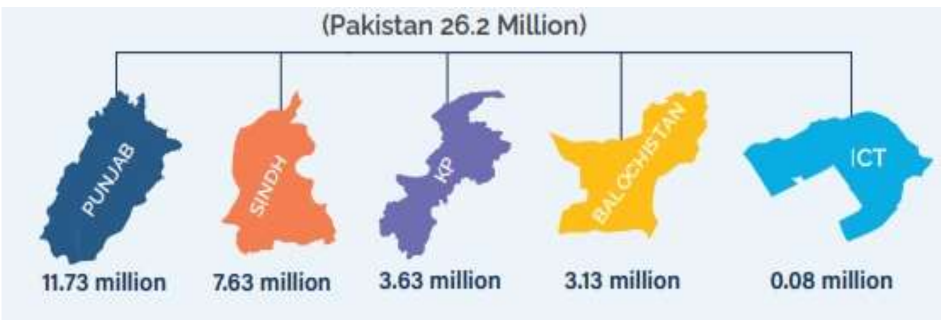
CHAPTER 21

IMPACT AUDIT

AFTERNOON SCHOOLS PROGRAMME

21.1Introduction

Pakistan confronts a significant challenge in ensuring universal access to education, especially for the academically deprived children. As of October 2023, the country held the world's highest number of Out of School Children (OOSC) aged between 5-16 years [2]. Despite the recent progress in reducing the percentage of OOSC from 44% in 2016-17 to 39% in 2021-22, the number still stands at 26.21 million[3]. There are 36% OOSC in primary level and 30% in middle level. The percentage of OOSC is more pronounced for high school and higher secondary levels with 44% and 60% respectively. The province wise breakup of OOSC is given below:

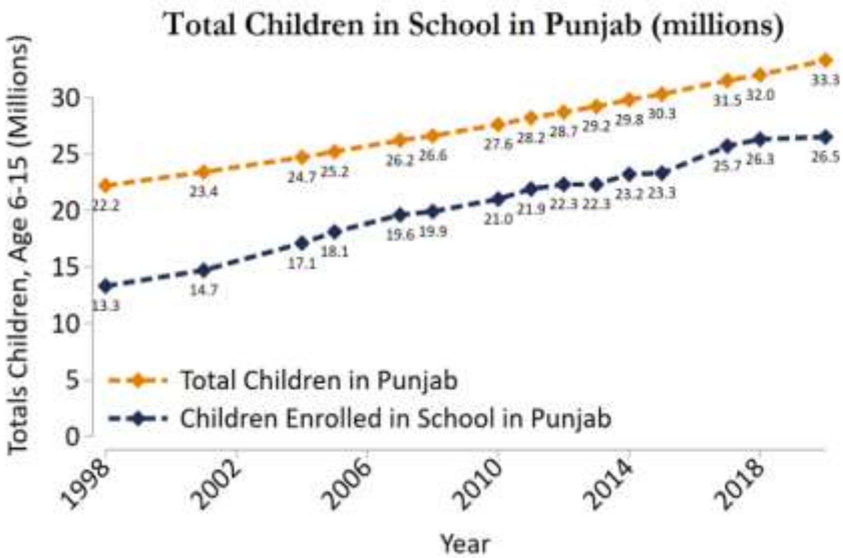


Punjab and Sindh report the highest numbers of OOSC with 11.73 million and 7.63 million respectively. Despite Government of the Punjab's endeavors to boost school enrollment from 13 million in 1998 to 26 million in 2020, almost 20% of school-age children in Punjab still did not attend school, as illustrated in the graphical representation[4] below:

[2] Abbassi, K. (2023, October 17). Despite lofty claims, out-of-school children soar to over 28 million. Retrieved from https://www.dawn.com/news/1781436

[3] Pakistan Education Statistics 2021-22 by PIE (Publication No. 300) I. Analysis of Education Statistics II. Education Statistics –Pakistan ISBN: 978-969-444-121-4

[4] Geven, A. T. (2023). Bringing 13 million more children into school: Lessons from Punjab. Retrieved from https://blogs.worldbank.org



To address the challenges of dropouts, OOSC and to improve enrollments, Government of the Punjab launched the Afternoon Schools Programme (ASP). Impact audit was undertaken to assess whether the ASP produced results that created impact on the citizens.

a. Background

Impact audits have been started from the Audit Year 2023-24 by the office of the Auditor-General of Pakistan. These audits are aimed at determining the impact of initiatives or programmes. Specifically, impact audit focuses on determining the effectiveness of outcomes attributable to an initiative, new programme or recent change to an existing programme. It answers cause-and-effect questions about the outcomes attributable to an initiative by isolating other contributing factors or variables. This audit type is the beginning of a new era in public sector auditing, which emphasizes the analysis of real-time benefits of government initiatives. The impact audit reports shall benefit the stakeholders in understanding the net results of the programmes and initiatives in a more systematic manner and if timely addressed, shall lead to improving service delivery, financial management and better governance.

The Government of Punjab undertook multiple initiatives over the years to impart basic education to all children between the ages of 5 to 16 years across the province.

The Nai Roshni Schools Programme, undertaken from 1987 to 1989, started afternoon sessions in existing primary schools for children aged between 10 to 14 years who never attended or left schools[5]. The Non-Formal Basic Education Schools Programme launched in 1996, engaged parents and communities to promote education through non-formal methods, facilitating return of dropouts to the schools.

Similarly, the initiative of ASP was launched in 2018 for bringing in dropouts and OOSC back to the education system. SED adopted an approach of optimally utilizing the infrastructure and human resources of existing primary schools for addressing the challenge of supply gap with limited resources.

b. Role of the Afternoon Schools Programme

ASP involved conducting afternoon classes in government schools to actively combat dropout challenges and improve educational accessibility to the academically deprived children. In response to shortage of schools' infrastructure coupled with limited funds, the SED had implemented a strategy aimed at optimizing the utilization of existing primary schools' facilities and human resources. This strategic approach had given rise to the ASP, which specifically aimed at facilitating the educational transition from primary to middle school level and maximizing retention rates.

The ASP specially focused on bringing back female students to schools who had dropped out after the primary level as 60% of the schools were established in government-owned girls' primary schools.

21.2Overview

The programme was launched in 22 districts in 2018 and extended to the whole of Punjab in 2019 by upgrading 7,008 primary schools in FY 2021-22. In Lahore district alone, 103 schools (61 for girls and 42 for boys) were upgraded for this purpose. The total cost of the programme was Rs 5,802.624 million as per approved PC-I. The objectives of the programme were:

i. to fulfill the constitutional obligation under Article 25-A;
ii. to provide the safe environment to the young learnsers;
iii. to fulfill national and international commitments/SDGs. Gender parity at all levels of education;
iv. to improve access to elementary-level education;
v. to increase enrollment in elementary classes;
vi. to minimize dropouts and maximize retention;
vii. to accommodate existing enrollment of the school as well as the surrounding schools, and
viii. to enroll out of school, dropped out and missed out children in 6^{th} to 8^{th} grades.

[5] Shahid, N. (2017). How non-formal education developed as an important sector of education in Pakistan? Retrieved from https://www.nation.com.pk

21.3 Scope & Methodology

a. Scope

The ASP aimed at providing free and compulsory elementary education up to the age of 16 with a special focus on transitioning from primary to middle level, *inter alia*, addressing retention issues. Out of total 103 schools in Lahore, audit selected a sample of 08 schools using a stratified sampling technique. Four (04) schools were male and four (04) female; representing rural and urban areas on equal basis. The impact audit evaluated the ASP's impact vis-à-vis its following four objectives:

i. to increase enrollment in elementary classes;
ii. to minimize dropouts and maximize retention;
iii. to accommodate existing enrollment of the school as well as the surrounding schools, and
iv. to enroll out of school, dropped out and missed out children in 6^{th} to 8^{th} grades.

b. Methodology

The Audit applied quantitative techniques to derive inferences. The audit methodology focused on utilizing eight types of questionnaires to gather data for assessing programme objectives. Interviews were conducted with senior management of DEA Lahore, school management, teachers, students, parents, and the community at large. A specific questionnaire was prepared for dropout children. The data gathered through questionnaires was analysed using following tools:

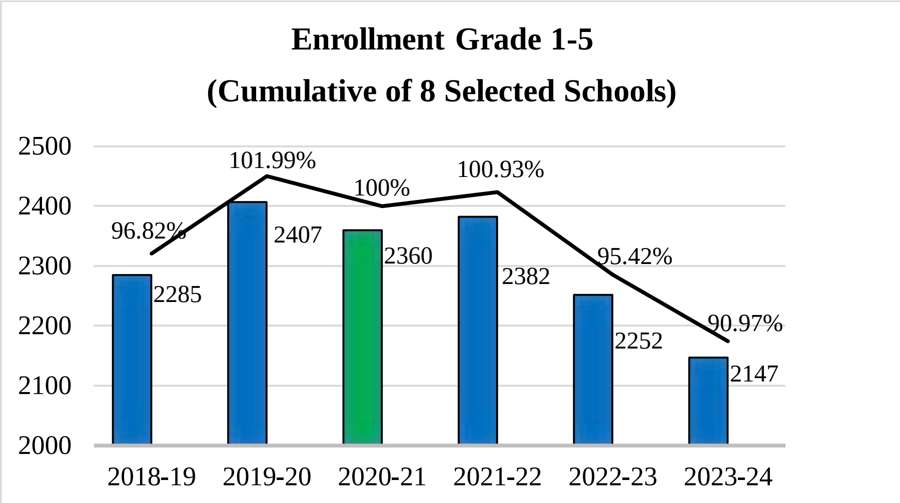
i. before and after comparison (condition with and condition without method), and
ii. fishbone diagram technique.

Additionally, a comparison of targets and achievements was drawn to analyse trends. Moreover, various research papers and monitoring reports were consulted to draw inferences.

21.4 Findings

a. Decrease in enrollment in elementary classes (primary level)

***Audit Objective*:** Had enrollment increased in elementary classes (primary level) after implementation of ASP?



***Condition With**:* It was observed that the enrollment in primary level increased by 0.93% in the Academic Year 2021-22, reduced to 4.58% in the Academic Year 2022-23 and further reduced to 9.03% in the Academic Year 2023-24 as compared to base Academic Year 2020-21 when ASP was launched.

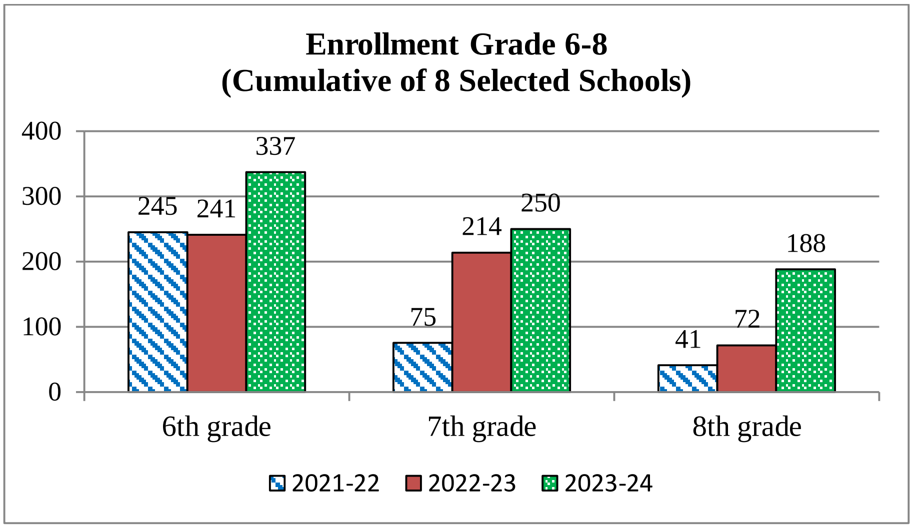
Enrollment in primary level of boys' schools reduced to 7.33%, whereas, the same reduced to 10.90% for girls' schools in the Academic Year 2023-24 as compared to the base Academic Year 2020-21.

***Condition Without*:** Before the initiative, enrollment increased to 5.17% in the Academic Year 2019-20 as compared to the previous Academic Year 2018-19.

Impact: There was an overall decrease in enrollment in elementary classes (primary level) both in boys' and girls' schools in the Academic Year 2023-24 when compared with base Academic Year 2020-21. Therefore, it could be inferred that ASP had no impact in increasing enrollment in elementary classes (primary level).

b. Increase in enrollment in elementary classes (middle level)

Audit Objective: Had enrollment increased in elementary classes (middle level) after implementation of ASP?



Condition With: There had been a 37.55% increase in enrollment for 6th grade, 233.33% in 7th grade and 358.54% in 8th grade over the three years' period of ASP.

For boys, there had been a 37.10% increase in enrollment for 6th grade, 229.03% in 7th grade and 329.41% in 8th grade over the three years' period of ASP.

For girls, there had been a 38.02% increase in enrollment for 6th grade, 236.36% in 7th grade and 379.17% in 8th grade over the three years' period of ASP.

***Condition Without*:** Before ASP, there were no middle level classes in the selected schools so there was no enrollment.

***Impact*:** After implementation of ASP, there had been a considerable increase in enrollment in all middle level classes with more girl students enrolled than boys.

c. Increase in dropouts

***Audit Objective*:** Had the dropouts reduced after implementation of ASP?

Description	**Boys**		**Girls**		**Total**	
	Condition Without	**Condition With**	**Condition Without**	**Condition With**	**Condition Without**	**Condition With**
Primary Level						
Enrolled in 3rd grade (2018-19)	204	-	220	-	424	-

Passed in 5th grade (2020-21)	176	-	154	-	330	-
Enrolled in 3rd grade (2020-21)	-	310	-	235	-	545
Passed in 5th grade (2022-23)	-	225	-	183	-	408
Total dropouts	**28**	**85**	**66**	**52**	**94**	**137**
Dropout ratio (%)	**13.73**	**27.42**	**30.00**	**22.13**	**22.17**	**25.14**
Middle Level						
Enrolled in 6th grade (2018-19)	No middle level classes in the selected schools before ASP.					
Enrolled in 8th grade (2020-21)						
Enrolled in 6th grade (2021-22)	-	124	-	121	-	245
Enrolled in 8th grade (2023-24)	-	73	-	115	-	188
Total dropouts	**-**	**51**	**-**	**6**	**-**	**57**
Dropout ratio (%)	**-**	**41.13**	**-**	**4.96**	**-**	**23.26**

Condition With: It was observed from the data of the selected schools that the dropout ratio was 25.14% and 23.26% for the primary level and middle level respectively after implementation of ASP.

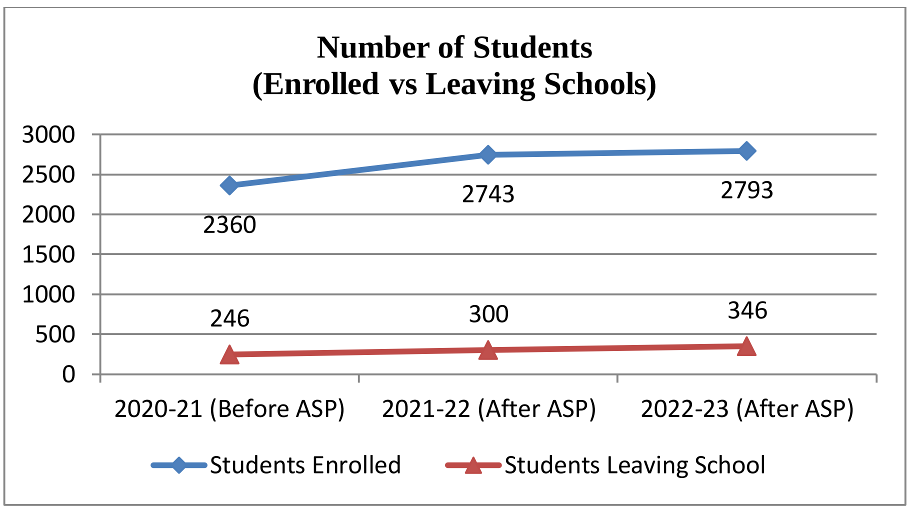
There was considerable rise in dropout ratio of boys' schools in both primary and middle levels, whereas, the same decreased in girls' schools.

***Condition Without*:** It was observed from the data of the selected schools that the dropout ratio was 22.17% for the primary level. However, it could not be ascertained for the middle level because no such classes exist before the ASP initiative.

Impact: After implementation of ASP, the dropout ratios for primary and middle level were 25.14% and 23.26% respectively. The dropout ratio increased by 2.97% in primary level despite ASP initiative. However, standalone impact of ASP on dropout ratio for middle level could not be gauged. The programme had a positive impact in reducing dropout ratio for girls but a negative impact on dropout ratio for boys.

d. Decrease in retention of students

Audit Objective: Had the schools been successful in maximizing retention in grade 1st to 8th after ASP?



Condition With: After the implementation of programme, the number of students leaving the school increased to 300 (10.94%) and 346 (12.39%) in 2021-22 and 2022-23, respectively, against total enrollments of 2,743 and 2,793 students.

In boys' schools, the number of students leaving the school rose to 146 (10.42%) and 255 (18.41%) in 2021-22 and 2022-23, respectively, against total enrollments of 1,401 and 1,385 students.

On the other hand, in girls' schools, the number of students leaving the school decreased to 154 (11.48%) and 91 (6.46%) in 2021-22 and 2022-23, respectively, against the total enrollments of 1,342 and 1,408 students.

***Condition Without*:** Before ASP, it was observed that 246 students (10.42%) left the school out of a total enrollment of 2,360 during the Academic Year 2020-21.

Impact: There was an overall decrease in retention of students after implementation of ASP with more boys leaving the schools as compared to girls.

e. Non-accommodating existing enrollment of schools

***Audit Objective*:** Had ASP been successful in accommodating existing enrollment of schools?

Academic Year	**Description**	**No. of Students**		
		Boys	**Girls**	**Total**
2020-21 to 2021-22	Completed 5th grade	176	154	330
	Accommodated in 6th grade	124	121	245
	Accommodated (%)	**70**	**79**	**74**
2021-22 to 2022-23	Completed 5th grade	212	153	365
	Accommodated in 6th grade	115	126	241
	Accommodated (%)	**54**	**82**	**66**
2022-23 to 2023-24	Completed 5th grade	225	183	408
	Accommodated in 6th grade	170	167	337
	Accommodated (%)	**76**	**91**	**83**
Average accommodated (%)		**70**	**84**	**74**

Condition With: After implementation of the programme, on average 74% of the existing students of 5th grade were enrolled in 6th grade. It was observed that 84% of existing girl students and 70% of the existing boy students of 5th grade were accommodated in next grade.

***Condition Without*:** There were no middle level classes before ASP, therefore, impact of accommodating existing students could not be assessed in before and after comparison.

Impact: The programme could not accommodate 100% enrollment of existing students let alone accommodating enrollment of surrounding schools. However, it fared better in accommodating girl students as compared to boys.

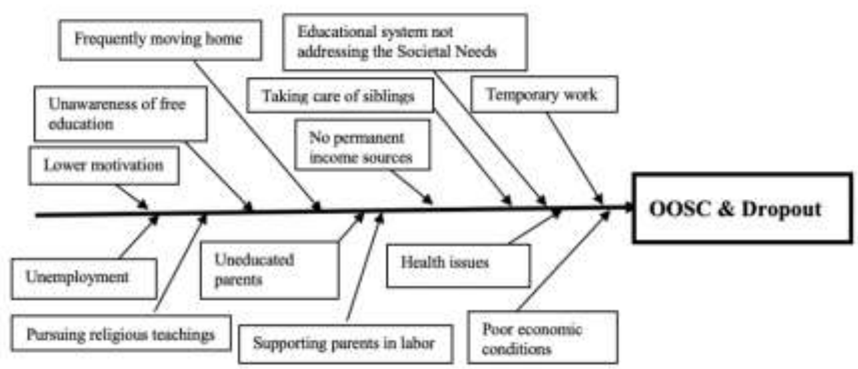
f. No enrollement of OOSC, dropped out and missed out children in 6th to 8th grades

***Audit Objective*:** Had ASP been successful in enrollment of OOSC, dropped out and missed out children?

Audit sought data of OOSC, dropped out and missed out children who were enrolled in 6th to 8th grades in fulfillment of one of the objectives of the programme from the management. The management responded that not a single OOSC, dropped out and missed out child was enrolled in 6th to 8th grades. Already enrolled students in primary level classes were promoted to middle level classes. However, efforts would be made to identify and enroll such children in the catchment area of schools under ASP through School Councils.

g. Factors affecting achievement of ASP objectives

In addition to consulting various research papers, national[6] and international[7] reports, Audit also carried out structured interviews of stakeholders to identify factors affecting achievement of ASP objectives. The responses obtained from the stakeholders were then analysed through fishbone technique to outline potential factors which were contributing towads issues of increased dropouts, reduced enrollments and increase in OOSC. The same is illustarated below:



It was identified from the responses obtained from the stakeholders through questionnaires **(Annexure-S)** that almost 32% girls left school to undertake household responsibilities, 22% to acquire practical skills for earning livelihood, and 16% to pursue Islamic teachings. Similarly, 40% of boys discontinued their education to study Islamic teachings, 26% to acquire professional skills for earning livelihood, and 14% without any reason. It was also noticed that more than 90% parents

[6] Government of the Punjab (2019), Punjab Education Sector Plan 2019/20-2023/2024

[7] UNICEF, (January, 2014). Global initiative on out-of-school children. South Asia Regional Study: Covering Bangladesh, India, Pakistan and Sri Lanka, Kathmandu, Nepal: Regional Office from South Asia.

of dropouts were uneducated. Therefore, the major contributing factors towards OOSC could be categorized as poor economic conditions, uneducated parents and lack of awareness of benefits of education.

During the DAC meeting held on 28th December 2023, the management replied that the approved PC-I did not specify the class and school-wise enrollment targets. Consequently, determining the actual physical progress of the project was challenging. DAC directed the relevant head teachers, AEOs, and Dy. DEOs of DEA Lahore to provide justifications for the overall increase in OOSC, dropouts, and the decrease in enrollments from grades 1st to 8th.

21.5 Conclusion

The impact audit of eight (08) schools revealed that the ASP could not achieve its objectives of increasing enrollments, minimizing dropouts, maximizing retention, accommodating enrollment of existing students and bringing back dropped out, missed out and OOSC.

ASP had no impact in increasing enrollment in elementary classes (primary level). There was an overall decrease in enrollment in elementary classes (primary level) both in boys' and girls' schools in the Academic Year 2023-24 when compared with base Academic Year 2020-21. However, there had been a considerable increase in enrollment in all middle level classes with more girl students enrolled than boys.

The programme had a positive impact in reducing dropout ratio for girls but a negative impact on dropout ratio for boys. The dropout ratio increased by 2.97% in primary level despite ASP initiative. However, standalone impact of ASP on dropout ratio for middle level could not be gauged. Moreover, there was an overall decrease in retention of students after implementation of ASP with more boys leaving the schools as compared to girls.

ASP could not accommodate 100% enrollment of existing students let alone accommodating enrollment of surrounding schools. However, it fared better in accommodating existing girl students as compared to boys. Additionally, not a single OOSC, dropped out and missed out child was enrolled in 6th to 8th grades.

The programme could not deliver substantial results vis-à-vis its objectives. The major factors could be attributed to poor economic conditions, uneducated parents and lack of awareness of benefits of education. The increased burden of earning livelihood coupled with strained macro economic condition of the country had further aggravated the unequitable access to education during Academic Year 2023-24.

The situation underscores the need for collaborative efforts to create inclusive and equitable educational opportunities. The government needs to implement cross-sectoral strategies to comprehensively address various barriers to schooling for OOSC, recognizing the importance of addressing economic obstacles alongside systemic bottlenecks, opportunity costs, and socio-cultural expectations.

AUDIT REPORT

ON

THE ACCOUNTS OF

DISTRICT HEALTH AUTHORITIES

OF 19 DISTRICTS OF PUNJAB

(NORTH)

AUDIT YEAR 2023-24

DISTRICT HEALTH AUTHORITIES OF 19 DISTRICTS OF PUNJAB (NORTH)

CHAPTER 1

PUBLIC FINANCIAL MANAGEMENT

Introduction

DHAs were established on 01.01.2017 under Punjab Local Government (PLG) Act 2013 in thirty-six (36) districts of Punjab. The purpose was to provide better health facilities to the local community. DHAs are corporate bodies having perpetual succession and a common seal, with power to acquire / hold property and enter into any contract and may sue and be sued in their names.

According to Section 17(6) of PLG Act 2013, the Chairman and the CEO shall be personally responsible to ensure that business of the Authority is conducted proficiently, in accordance with law and to promote the objectives of the Authority. As per Section 92(3) of PLG Act 2013, the CEO shall be the PAO and shall perform such functions as are mentioned in this Act. The major functions of DHA are as under:

- establish, manage and supervise primary and secondary healthcare facilities and institutions;
- approve the budget of the Authority and allocate funds to health institutions;
- coordinate health related emergency response during any natural calamity or emergency;
- develop referral and technical support linkages between primary and secondary levels of healthcare on the one hand and tertiary level health facilities and medical education institutions on the other;
- ensure human resource management and capacity development of health service delivery personnel under the policy framework given by the government;
- ensure timely reporting of progress on health indicators relating to disease surveillance, epidemic control, disaster management to the government; and
- ensure implementation of minimum standards of service delivery, infrastructure, patient safety, hygiene and public health as prescribed by the Punjab Healthcare Commission.

Resource Mobilization

DHAs of Punjab, like previous year, relied on the share / grants received through Provincial Finance Commission (PFC) during FY 2022-23 to meet the administrative and operating expenses. The table given below shows that out of total receipts of DHAs, PFC share consisted of 99 percent during FY 2022-23 which remained same as was during FY 2021-22.

Rs in million

Description	2022-23		2021-22	
	Amount	%	Amount	%
Tax Revenue	-7.406	0.012	19.030	0.034
Non-Tax Revenue • Share of PFC / Grants	61,803.444	99.206	55,188.389	99.026
• Other receipts	502.112	0.806	523.811	0.940
Total	**62,298.150**		**55,731.230**	

Source: Financial statements for the FY 2022-23

An overall view of budget and expenditure for the FY 2022-23 is given in the table below, whereas, district wise detail of budget and expenditure is placed at **Annexure-B.**

Rs in million

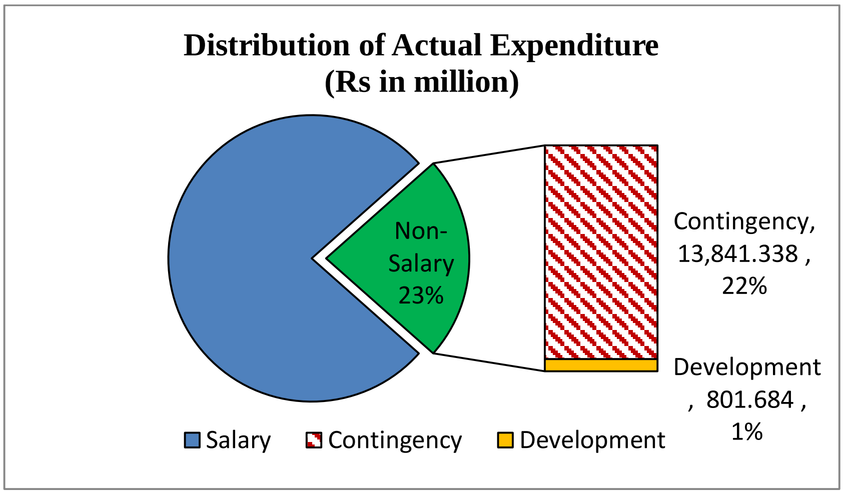
Description	Original Grant	Suppl. Grant	Surrender	Final Grant	Actual Exp.	Savings (-) Excess (+)
Salary	56,768.586	6,960.411	11,777.680	51,951.317	48,765.190	-3,186.127
Non Salary	16,711.487	3,365.112	4,606.686	15,469.913	13,841.338	-1,628.575
Development	1,472.601	895.008	309.865	2,057.744	801.684	-1,256.060
Total	**74,952.674**	**11,220.531**	**16,694.231**	**69,478.974**	**63,408.212**	**-6,070.762**

Source: Appropriation accounts for the FY 2022-23

The surrender of budget in excess of supplementary grants and overall savings of Rs 6,070.762 million, which comes to 9% of final grant, showed that supplementary grants were provided without considering the actual demands during the FY 2022-23.

Audit also noticed that material payments were made from A/C-VI of DHA without valid authorization by a duly authorized Administrator during FY 2022-23. Administrators were appointed vide notification No. SOR(LG)38-5/2014 dated 01.01.2017 under Section 30(3) of the PLG Act 2013. However, the period of appointment under above notification lapsed on 31-12-2018.

The breakup of the total expenditure incurred by DHAs is illustrated in the following graph. Major portion of expenditure was incurred on salary which was 77% of the total expenditure, whereas, contingency and development expenditure was 22% and 1% of the total expenditure, respectively.



Out of total non-salary expenditure of Rs 14,643.022 million, an amount of Rs 5,710.779 million (39%) was incurred during the month of June 2023 indicating weak financial management.

Revenue receipts of DHAs fell short of the budgeted targets. Unpredictability of PFC shares and other grants coupled with capacity issues of budget and finance wings of DHAs forced the management to prepare unjustified and unrealistic estimates of receipts.

Revenue expenditure constituted 99% of total expenditure incurred during FY 2022-23. Salary expenditure, comprising pay & allowances, pension contribution, financial assistance and leave encashment was 78% of revenue expenditure, whereas, non-salary was 22%.

DHAs raised accruals by retaining an amount of Rs 30.797 million on account of General Provident Fund, Group Insurance, Benevolent Fund, Income Tax and General Sales Tax (GST) during the FY 2022-23. This practice overstated the cash closing balance of DHAs as given in the following table:

Rs in million

Cash closing balance as on 30.06.2023	Liabilities	Actual cash closing Balance
6,048.031	30.797	6,017.234

Source: Financial statements for the FY 2022-23

Appropriation accounts list the original budget estimates, supplementary grants, surrenders and re-appropriations distinctly and indicate actual revenue and capital expenditure on various specified services vis-à-vis those authorized by the Administrator. Appropriation accounts, thus, facilitate in managing finances and budgetary provisions, therefore, these are complementary to the finance accounts.

Audit of appropriation accounts seeks to ascertain whether the expenditure actually incurred under the grant/head of account is within the authorization and also spent on the purposes authorized. It also ascertains whether the expenditure so incurred is in conformity with the laws, relevant rules, regulations and instructions. During financial attest audit of appropriation accounts and financial statements of DHAs for the FY 2022-23, audit emphasized on the following matters:

a) DHA Kasur wrongly booked Rs 631.583 million to the function 076101-Administration resulting in understatement of expenditure of function 073301-Mother and Child Health;
b) DHA Gujranwala made irregular payment of arrears of Non-Practicing Allowance (NPA) of Rs 3.140 million through off-cycle. NPA was paid from back dates;
c) DHA Sialkot made payment of Rs 8.557 million to the DDOs instead of vendor on account of non-salary budget in violation of government directions;
d) In DHA Hafizabad there was difference of Rs 21.446 million under the receipts head C02&C03 between Finance Account and Receipts Statements, and
e) DHA Attock wrongly booked liquidated damages of Rs 3.009 million under head Income Tax deducted from Supplier instead of C-02866-Health Recoveries of Overpayment.

Medium Term Development Framework

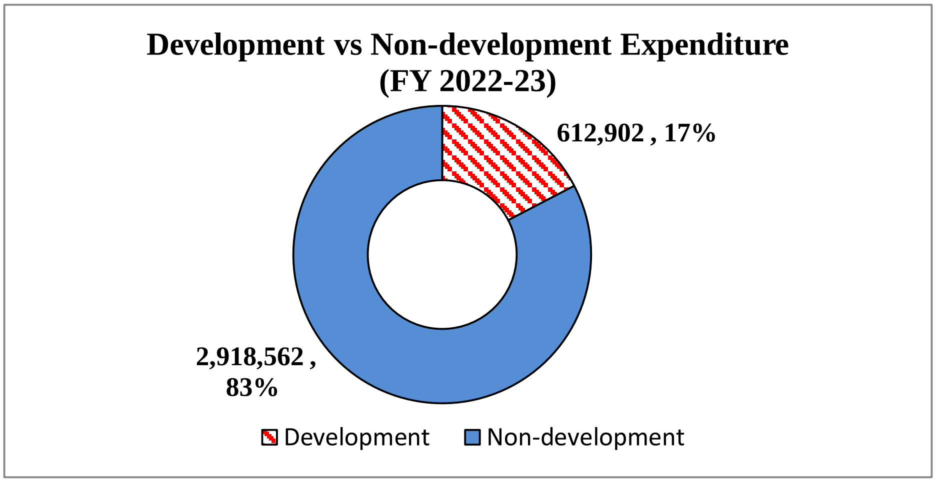
The development and non-development expenditure incurred by Government of the Punjab for the FY 2022-23 is illustrated in the following table and graph:

Rs in million

Description	Original Budget	Final Budget	Expenditure

Development	710,850	651,979	612,902
Non-development	2,390,541	2,993,949	2,918,562
Total	**3,101,391**	**3,645,928**	**3,531,464**

Source: Appropriation accounts of Government of Punjab for the FY 2022-23



The sector-wise percentage of development expenditure is given in the following table:

Rs in million

Department	Appropriation	Expenditure	Expenditure (%)
C&W	279,241	275,385	45
Health	85,936	84,663	14
Education	31,626	31,019	5
HUD & PHE	75,919	74,876	12
Irrigation	18,324	15,376	3
Agriculture	15,322	13,592	2
Others	145,611	117,991	19
Total	**651,979**	**612,902**	**100**

Source: Appropriation accounts of Government of Punjab for the FY 2022-23

The above table shows that four sectors covered 76% of the spending which were: Communication & Works 45%, Health 14%, Education 5% and Housing Urban Development & Public Health Engineering 12%.

The health sector is further categorized into Specialized Healthcare & Medical Education (SH&ME) and Primary & Secondary Healthcare (P&SHC) departments. P&SHC is the administrative department of DHAs in terms of Rule 2(1)(a) of Punjab District Authorities (Delegation of Financial Powers) Rules 2017. Out of total expenditure of 19 DHAs, 1% was incurred on development activities as given below:

Rs in million

Description	**Amount**	**% age**
Non-development expenditure	62,606.528	99%
Development expenditure	801.684	1%
Total	**63,408.212**	**100**

Source: Appropriation accounts of DHAs for the FY 2022-23

The table below shows original and final development grants allocated to 19 DHAs during the FY 2021-22 and FY 2022-23. The final development grant increased by almost 100% from Rs 1,031.996 million in FY 2021-22 to Rs 2,057.747 million in FY 2022-23.

Rs in million

Source: SAP data for FY 2021-22 and appropriation accounts for FY 2022-23

The following table shows development expenditure incurred during FY 2021-22 and FY 2022-23 on development schemes executed during the two financial years. It can be seen that expenditure increased from by Rs 383.415 million in FY 2022-23. The major increase was seen in DHA Khushab where development expenditure increased from

Rs 1.126 million to Rs 255.989 million, whereas, in DHA Chakwal, it decereased from Rs 318.961 million to Rs 93.921 million.

Source: SAP data for FY 2021-22 and appropriation accounts for FY 2022-23

The data presented in the above tables indicates serious inadequacies in the initial planning and resource allocation. The discrepancies underscore the necessity for an in-depth analysis of the planning process within DHAs. Identifying and understanding inconsistencies in the planning phase is crucial for enhancing the effectiveness of future development initiatives.

The existing situation warrants a thorough analysis that delves into the intricacies of the planning process. This examination is vital for understanding the factors that contribute to deviations in budgetary allocations and their corresponding utilization. Identifying the root causes of these discrepancies is essential for refining the planning framework and ensuring a more accurate alignment between set targets and actual outcomes.

CHAPTER 2

DISTRICT HEALTH AUTHORITY GUJRANWALA

2.1 Introduction

a) There are 25 formations in DHA Gujranwala out of which audit of 04 formations was conducted. Total expenditure and receipt of these formations was Rs 1,678.985 million and Rs 24.137 million respectively, out of which 34% expenditure and 45% receipts were audited.

Audit Profile of DHA Gujranwala

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Gujranwala	25	04	577.235	10.906
2	Assignment Acs/SDA	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Gujranwala was Rs 4,591.634 million and supplementary grant was Rs 708.931 million for the FY 2022-23. An amount of Rs 1,006.319 million was surrendered and final budget was Rs 4,294.246 million. Management incurred an expenditure of Rs 3,456.408 million resulting in saving of Rs 837.838 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	3,539.600	640.619	861.410	3,318.809	2,998.171	-320.638
Non-Salary	1,017.319	63.993	135.709	945.603	451.993	-493.610

Development	34.715	4.319	9.200	29.834	6.244	-23.590
Total	**4,591.634**	**708.931**	**1,006.319**	**4,294.246**	**3,456.408**	**-837.838**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	4,473.050	2,942.925	-1,530.125	34
2022-23	4,294.246	3,456.408	-837.838	20

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 4% decrease in budget allocation and 17% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 837.838 million during FY 2022-23 which is 20% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Gujranwala for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	**Key Indicators**	**Targets**	**Achievements**
1	Outdoor Patients	4,439,971	4,372,266
2	Indoor Patients	85,932	79,991
3	Surgical Cases	92,556	87,709
4	Cardiac Coronary Unit	5,253	5,552
5	Diagnostic Services (Laboratory, Radiology)	102,227	98,524
6	Family Planning Activities	80,325	79,018
7	Paeds	155,831	151,766
8	Surgery	64,796	65,787

Sr. No.	Key Indicators	Targets	Achievements
9	TB Chest Treatments	1,499	1,200
10	Free Medicines to Patients	4,444,650	4,392,244

Source: DHIS dashboard of DHA Gujranwala

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Gujranwala lagged behind in treating target number of patients in case of outdoor, indoor, surgical, diagnostic services and TB cases during FY 2022-23.

2.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 46.169 million were raised in this report during current audit of DHA Gujranwala. This amount also includes recoveries of Rs 42.340 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	36.374
B	Procurement related irregularities	4.459
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	5.336
Total		**46.169**

2.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. The Audit Report for the Audit Year 2017-18 was discussed in PAC meeting convened in January 2022. However, PAC meeting to discuss remaining Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	18	Convened
2	2018-19	18	Not convened
3	2019-20	11	
4	2020-21	12	
5	2021-22	09	
6	2022-23	08	

2.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

2.4.1 Inadmissible payment of Health Sector Reform Allowance - Rs 3.129 million

According to Health Department letter No. PMU/PHSRP/ G-1.06/61/270-340 dated 16.03.2007, Health Sector Reform Allowance (HSRA) will not be admissible to any doctor, para-medical & other staff whether regular or on contract, posted in RHC/BHU and performing duties somewhere else. Further, according to letter No. PO (P&E-I)19-113/2004 dated 13.04.2017 of Finance Department, Government of the Punjab, HSRA will be given to the staff, posted at other than less attractive THQ hospitals, only to Medical Officer @ Rs 5,000, Women Medical Officer @ Rs 6,000 and specialists @ Rs 15,000.

During audit of DHA Gujranwala for the FY 2022-23, it was observed that HSRA was being paid to 91 employees despite the fact that they were posted at other than Rural Health Centers (RHCs), Basic Health Units (BHUs) and THQ hospitals. This resulted in inadmissible payment of HSRA of Rs 3.129 million.

Rs in million

Sr. No.	Name of formation	No. of employees	Amount
1	CEO DHA, Gujranwala	79	2.697
2	MS THQ Hospital Wazirabad	12	0.432
Total		**91**	**3.129**

Audit held that inadmissible payment of HSRA worth Rs 3.129 million was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that in light of Government of the Punjab, LG&CD letter No. LCS(Health)-Gen(84)/76 dated 20-11-2007 these employees were working at Rural Dispensaries of Zila Council / Municipal Dispensaries and entitled to draw HSRA. The reply was not acceptable because no such clarification was produced by the department.

DAC in its meeting held on 7th December 2023 did not accept the stance of management and directed to recover the HSRA from the concerned employees. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 6 & 34]

2.4.2 Unjustified drawl of pay and allowances during Extra Ordinary Leave - Rs 1.147 million

According to Rule 9 of Punjab Leave Rules 1981, pay & allowances are not admissible during Extra Ordinary Leave (EOL).

During audit of THQ Hospital Wazirabad for the FY 2022-23, it was observed that following 07 doctors remained on EOL but were paid full pay and allowances during the leave period. This resulted in unjustified payment of Rs 1.147 million.

Rs in million

Name	Designation	Personal No.	Period	Amount
Dr. Sabreen Fatima	WMO	32167011	11-07-22 to 08-09-22	0.176
			05-06-23 to 31-08-22	0.241
Dr. Usman Babar	MO	32145361	14-07-22 to 11-09-22	0.180
			16-01-23 to 14-02-23	0.069
Dr. Ikrama Bin Manzoor	MO	32204391	31-05-23 to 06-07-23	0.165
			29-11-22 to 19-12-22	0.088
Dr. Usman Badar	MO	31872033	29-03-23 to 11-05-23	0.196
Dr. Aqsa Khan	WMO	32165596	15-05-23 to 03-06-23	0.032
Total				**1.147**

Audit held that unjustified drawl of pay and allowances during EOL worth Rs 1.147 million was made due to weak internal controls

The matter was reported to the PAO in November 2023. The department replied that change forms have been submitted to DAO for recovery.

DAC in its meeting held on 7th December 2023 directed for recovery and conducting an inquiry regarding payment during the leave period. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.
[PDP No. 40]

2.4.3 Non-deduction of conveyance allowance during leave period - Rs 4.018 million

According to Rule 1.15 of Punjab Travelling Allowance (PTA) Rules 1976, conveyance allowance is not admissible during leave.

During audit of DHA Gujranwala for the FY 2022-23, it was observed that conveyance allowance of 321employees was not deducted during leave. This resulted in overpayment of conveyance allowance of Rs 4.018 million.

Rs in million

Sr. No.	Name of formations	No. of employees	Amount
1	CEO DHA, Gujranwala	155	1.925
2	THQ Hospital Noshehra Virkan	24	0.658
3	THQ Hospital Kamoke	61	0.515
4	THQ Hospital Wazirabad	81	0.920
Total		**321**	**4.018**

Audit held that non-deduction of conveyance allowance during leave period was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that recovery from all concerned officers / officials had been started.

DAC in its meeting held on 7th December 2023 directed for complete recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para number 2.4.1.1.2 and 2.4.4 having financial impact of Rs 13.517 million and Rs 8.088 million respectively. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 04, 22, 35 & 51]

2.4.4 Unauthorized payment of pay & allowances to employees - Rs 20.030 million

According to Part-I Vol-I Rule 8.16 of Punjab Civil Servant (PCS) Rules 1976, a government servant who absents himself from duty without permission of the competent authority is liable to have his absence treated as absence from duty without leave.

During audit of DHA Gujranwala for the FY 2022-23, it was observed that 101 employees of following formations remained absent from duty without prior approval of the competent authority. The employees proceeded on leave upon submission of leave applications which were later on regretted by the competent authority. This resulted in unauthorized payment of pay and allowances worth Rs 20.030 million for absence period without leave.

Rs in million

Sr. No.	Name of formation	No. of employees	Amount
1	THQ Hospital Noshehra Virkan	01	0.469
2	THQ Hospital Kamoke	47	8.632
3	THQ Hospital Wazirabad	53	10.929
Total		**101**	**20.030**

Audit held that unauthorized payment of pay and allowances was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that leaves of all the employees were forwarded to the competent authority. Reply of the department was not tenable as leaves were not sanctioned by the competent authority.

DAC in its meeting held on 7th December 2023 directed to recover the amount. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 23, 36 & 52]

2.4.5 Inadmissible payment of NPA to doctors working on the administrative posts - Rs 8.050 million

According to Finance Department Letter No. FD.SR-1/6-4/2019 dated 05.04.2021, NPA is not admissible to the doctors working in P&SHC and SH&ME departments serving on administrative posts. The same facility has not been extended to the doctors working on administrative posts in other administrative departments.

During audit of DHA Gujranwala for the FY 2022-23, it was observed that an amount of Rs 8.050 million on account of NPA was paid to ten (10) doctors serving on administrative posts for the period from 5th April 2021 to 31st August 2023 in violation of the instructions of the Finance Department. This resulted in inadmissible payment of NPA of Rs 8.050 million.

Audit held that inadmissible payment of NPA on the administrative posts was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the matter had been taken up with the higher authorities. The reply was not tenable as no document was produced regarding admissibility of NPA on administrative posts.

DAC in its meeting held on 7th December 2023 did not accept the reply and directed to recover the inadmissible allowance at the earliest. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 10]

B) Procurement related irregularities

2.4.6 Irregular purchase of medicines from general order suppliers - Rs 4.459 million

According to Clause 8 of key considerations and operational guidelines for Local Purchase (LP) of medicines circulated vide letter No. SO(HP)12-02/2022 dated 29.6.2022 by the Secretary P&SHC department Lahore, Petty Purchases / Petty Purchases through quotation will be made through manufacturer/ authorized distributor/ authorized agents/ Pharmacy (Form-9) having valid Centralized Drug Sales License (CDSL).

During audit of THQ Hospitals Kamonke and Nowshera Virkan for the FY 2022-23, it was observed that management incurred Rs 4.459 million on local purchase of medicines through quotations from the traders and medical stores not registered on Form-9 and having valid CDSL. This resulted in irregular purchase of LP medicine through quotations worth Rs 4.459 million.

Audit held that irregular local purchase of medicine through quotations from general order suppliers was due to weak managerial and financial controls.

The matter was reported to the PAO in November 2023. The department replied that medicines were purchased after following tendering process. The reply of the deparment was not accepted because the above condition of the guidelines was ignored.

DAC in its meeting held on 7th December 2023 directed to probe the matter along with fixing of responsibility upon the officer(s) at fault. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC’s decision at the earliest.

[PDP No. 26 & 57]

C) Others

2.4.7 Overpayment to contingent paid staff - Rs 4.138 million

According to Schedule of Wage Rate 2022, issued by the Finance Department, Government of the Punjab vide letter No. RO (Tech) FD2-2/ 2022 dated 15.07.2022 schedule of wage rate for unskilled labour is Rs 25,100 for (26 days) per month.

During audit of CEO DHA Gujranwala for the FY 2022-23, it was observed that an amount of Rs 4.138 million was paid to 391 contingent paid staff appointed as Sanitary Patrol on daily wages. The payment was made for 89 days @ Rs 28,628 / month instead of maximum monthly wage @ Rs 25,100 / month. As a result, every employee was paid an extra amount of Rs 3,528 / month than the admissible monthly wage rate causing a loss of Rs 4.138 million to the exchequer.

Audit held that overpayment to contingent paid staff was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the staff was also deployed on Sundays. The reply was not tenable because contingent paid staff cannot be paid more than the maximum wage rate approved by the Finance Department.

DAC in its meeting held on 7th December 2023 directed to recover the overpaid amount along with probe by the department as contingent paid staff could not be paid more than the monthly wage rate prescribed by the Finance Department. No further progress was reported till finalization of this report.

Audit recommends implementation of the DAC’s decision at the earliest.

[PDP No. 8]

2.4.8 Less deposit of parking and canteen fee and non-deposit of MLC fee - Rs 1.198 million

According to Rule (1) Sub-Rule (2) of PLG (Auction of Collection Rights) Rules 2016, a local government may award contract, assign right to collect income on its behalf, to the contractor for the next or current financial year. According to the Punjab Sales Tax on Services (PSTS) Act 2012, PST @ 16% is required to be deducted from the service provider if services are listed in the Second Schedule of PSTS Act 2012.

During audit of THQ Hospital Wazirabad for the FY 2022-23, it was observed that management auctioned hospital canteen and parking stand to below mentioned contractors. The contractors deposited less amount than was actually due. No action was taken against them by the management. Similarly, Medico-Legal Certificate (MLC) fee was collected but not deposited in the exchequer. This resulted in loss of Rs 1.198 million to the exchequer as detailed below:

Rs in million

Contract	Contractor	Recoverable			Total Due	Amount deposited	Balance Due
		Installment Amount	PST	Income Tax			
		A	B	C	D=A+B+C	E	D-E
Hospital Canteen	Muhammad Asif	0.744	N/A	0.074	0.818	0.558	0.260
Parking Stand	Syed & Company	1.344	0.215	0.134	1.693	1.008	0.685
MLC Fee	MLC Department	0.253	N/A	N/A	0.253	Nil	0.253
Total					**2.764**	**1.566**	**1.198**

Audit held that non-deposit of government fee was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that a committee has been constituted to inquire the matter and recovery of the amount.

DAC in its meeting held on 7th December 2023 directed to probe the issue at CEO level and recover the amount from the concerned contractors / employees. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 41]

CHAPTER 3

DISTRICT HEALTH AUTHORITY GUJRAT

3.1 Introduction

a) There are 27 formations in DHA Gujrat out of which audit of 06 formations was conducted. Total expenditure and receipt of these formations was Rs 1,883.427 and Rs 15.124 million respectively out of which 34% expenditure and 45% receipt were audited.

Audit Profile of DHA Gujrat

Rs in million

Sr. No.	Description	No. of Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Gujrat	27	06	640.364	6.806
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Gujrat was Rs 3,047.010 million and supplementary grant was Rs 787.596 million for the FY 2022-23. An amount of Rs 285.160 million was surrendered and final budget was Rs 3,549.446 million. Management incurred an expenditure of Rs 3,148.232 million resulting in saving of Rs 401.214 million. In case of development, actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	2498.241	244.958	29.545	2,713.650	2,482.084	-231.57
Non-Salary	473.464	275.046	255.615	492.900	633.907	141.012
Development	75.305	267.592	0	342.900	32.241	-310.656

Total	**3,047.010**	**787.596**	**285.160**	**3,549.446**	**3,148.232**	**-401.214**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	2,727.921	2,619.512	-108.410	4
2022-23	3,549.446	3,148.232	-401.214	11

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 30% increase in budget allocation and 20% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 401.214 million during FY 2022-23 which is 11% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Gujrat for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	**Key Indicators**	**Targets**	**Achievements**
1	Outdoor Patients	5,500,000	5,295,416
2	Indoor Patients	250,000	245,888
3	Surgical Cases	50,000	49,859
4	Cardiac Coronary Unit	0	0
5	Diagnostic Services (Laboratory, Radiology)	750,000	898,550
6	Family Planning Activities	120,000	100,639
7	Paeds	300,000	315,068
8	Surgery	130,000	126,505
9	TB Chest Treatments	30,000	26,463

Sr. No.	Key Indicators	Targets	Achievements
10	Free Medicines to Patients	4,500,000	4,254,046

Source: DHIS dashboard of DHA Gujrat

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Gujrat lagged behind in treating target number of patients in case of outdoor and indoor besides providing inadequate services on family planning activities during FY 2022-23.

3.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 46.014 million were raised in this report during current audit of DHA Gujrat. This amount also includes recoveries of Rs 12.774 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	11.497
B	Procurement related irregularities	33.003
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	1.514
Total		**46.014**

3.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. The Audit Report for the Audit Year 2017-18 was discussed in PAC meeting convened in January 2022. However, PAC meeting to discuss remaining Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	08	Convened
2	2018-19	08	Not convened
3	2019-20	18	
4	2020-21	21	
5	2021-22	06	
6	2022-23	07	

3.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

3.4.1 Inadmissible payment of HSRA, HPA and Incentive Allowance to the deceased family - Rs 4.741 million

According to Finance Department's clarification No. FD.SR-I/3-13/2018 dated 07.10.2020 conveyance allowance, executive allowance, administrative allowance, science teaching allowance and other performance based allowances are not admissible in case of creation of Officer on Special Duty (OSD) posts for payment of emoluments to the families of deceased civil servants.

During audit of Trauma Center Lalamusa for the FYs 2021-23, it was observed that inadmissible HSRA, Health Professional Allowance (HPA) and incentive allowances were paid to the widow of a doctor who died during service on 27.06.2017. This resulted in overpayment of Rs 4.741 million as detailed below:

Rs in million

Name of Employee	Personal Number	BS	Allowances	Monthly rate	No. of Months	Excess Payment
Sajid Mehmood	31645687	18	Incentive	65,000	48	3.120
			HSRA	5,000	48	0.240
			HPA	28,762	48	1.381
Total						**4.741**

Audit held that payment of HSRA, HPA and incentive allowance without admissibility was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that salary change form had been submitted to DAO for recovery.

DAC in its meeting held on 5th December 2023 directed to recover overpayment at the earliest. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 51]

3.4.2 Overpayment of pay and allowances due to non-fixation of pay - Rs 3.147 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowances, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud, misappropriation and shall be liable to make good that loss.

During audit of Major Shabbir Sharif Shaheed Hospital Kunjah for the FY 2022-23, it was observed that Dr. Akram Shehzad, Consultant Anesthetist (BS-18) and Dr. Amir Ejaz, Consultant Surgeon (BS-18) were initially appointed on adhoc basis in 2012 and 2016, respectively. Later on, both doctors were selected as consultants on regular basis w.e.f. 25.06.2018 and 04.07.2018 respectively. Audit observed that after regular selection, salaries of the doctors were fixed w.e.f their initial adhoc appointment in 2012 and 2016 respectively instead of initial basic pay of 2018. This resulted in overpayment of pay and allowances of Rs 3.147 million as detailed at **Annexure-C**.

Audit held that overpayment of pay and allowances was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that recovery had been started after fixation of pay and allowances.

DAC in its meeting held on 5th December 2023 directed to recover complete amount from concerned. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 35 & 38]

3.4.3 Unauthorized payment of salaries to terminated employees - Rs 2.045 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowances, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud, misappropriation and shall be liable to make good that loss.

During audit of CEO DHA Gujrat for the FY 2022-23, it was observed that services of nine (09) employees were terminated on different dates but their salaries were not stopped upon termination. This resulted in unauthorized payment of salaries amounting to Rs 2.045 million as detailed at **Annexure-D**.

Audit held that salaries were paid to the terminated staff due to weak internal and administrative controls.

The matter was reported to the PAO in November 2023. Department replied that letter had been written to the concerned DDOs for recovery.

DAC in its meeting held on 5th December 2023 directed to stop their salaries immediately and effect recovery within three months. No further progress was reported till finalization of this report.

Audit recommends early implementation of DAC's decision along with an inquiry to fix the responsibility on officer(s) at fault.

[PDP No. 1]

3.4.4 Unauthorized payment of NPA - Rs 1.564 million

According to order No. SO (N.D)2-26/2004(P.II) of Health Department, Government of Punjab, NPA is admissible only to those doctors who do not opt for private practice.

During audit of Major Shabbir Sharif Shaheed hospital Kunjah for the FY 2022-23, it was observed that seven (07) doctors were drawing NPA despite the fact that they were also doing private practice. As such, NPA was not admissible to them. This resulted in unauthorized payment of Rs 1.564 million as detailed below:

Rs in million

Sr. No.	Name / Personnel No.	BS	Job Title	Rate	No. of months	Total
1	Ali Akbar Sial (32129880)	18	Consulting Physician	28,762	12	0.345
2	Madia Qammar (32143989)	18	Pediatrician	28,762	1	0.029
3	Aamir Hussain (32172189)	18	Consultant	28,762	12	0.345
4	Hassan Mehmood (31677893)	17	Medical Officer	22,777	11	0.251
5	Nimra Nasir (32148856)	17	Women Medical Officer	22,777	12	0.273
6	Ali Gohar Lodhi (32177221)	17	Medical Officer	22,777	4	0.091
7	Dr. Anam Chaudhary (32194747)	18	Consultant	28,762	8	0.230
Total						**1.564**

Audit held that unauthorized payment of NPA was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that letters were issued to the concerned doctors to deposit the overpayment.

DAC in its meeting held on 5th December 2023 directed to recover the amount within six months. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC’s decision at the earliest.
[PDP No. 48]

B) Procurement related irregularities

3.4.5 Irregular local purchase of medicine - Rs 23.947 million

According to Clause (iii) and (xxiv) of LP Guideline issued by Government of the Punjab, Health department vide letter No. SO(HP)12-02/2022 dated 29.06.2022, LP from registered pharmacy will be patient specific on day-to-day basis besides entering the details on manual LP register i.e. date of LP, indent / request number, details of medicine procured with brand name, batch number, manufacturer, expiry date, Maximum Retail Price (MRP), quantity demanded, quantity supplied & Goods Receipt Note (GRN).

During audit of following formations of DHA Gujrat for the FYs 2021-23, it was observed that the management purchased day-to-day medicine in bulk from LP vendors on MRP discount rates instead of patient specific day-to-day basis. If medicine were to be purchased in bulk it should be through open competitive bidding and not on MRP rates. This resulted in irregular local purchase of medicines worth Rs 23.947 million and loss to exchequer as retail price ought to be higher than bulk purchase. The detail is as under:

Rs in million

Health Facility	**Supplier**	**Period**	**Amount**
THQ Hospital Sara-e-Alamgir	Bin Dad Pharmacy Kharian	2022-23	3.646
THQ Hospital Kharian			3.199
MSSS Hospital Kunjah	Sandal Surgical Gujrat		3.948
Trauma Center Lalamusa	Bilal Brother Pharmacy New Mian Pharmacy	2021-23	6.258
Tehsil Level Hospital Lalamusa	Sandal Surgical Gujrat Boots International Pharmacy		6.896
Total			**23.947**

Audit held that irregular purchase of LP medicine was made due to non-compliance of rules.

The matter was reported to the PAO in November 2023. The department replied that local purchase of medicines was made as per the LP Guidelines 2022. The medicine was purchased on demand of the authorized practitioners and issued to the patients accordingly. Reply of the department was not accepted as LP medicines were purchased in bulk on retail price.

DAC in its meeting held on 5th December 2023 directed to probe the matter for purchase of LP medicine in bulk quantity throughout the year. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 11, 23, 36, 52 & 62]

3.4.6 Non-supply of medicines and non-forfeiture of security - Rs 7.836 million

According to purchase order No. 574 dated 12.05.2022, delivery period will be forty five (45) days + fifteen (15) days as grace period from the date of issuance of purchase order or earlier. Extension in delivery with penalty 0.067% per day after sixty (60) days shall be decided by the procuring agency on the formal request of the supplier. Furthermore, according to Rule 21(1)(a)(c) of Punjab Procurement Rules (PPR) 2014, a procuring agency may, for a specified period, debar a bidder or contractor from participating in any public procurement process of the procuring agency, if the bidder or contractor has consistently failed to perform his obligation under the contract or not performed the contract up to the mark.

During audit of various formations of DHA Gujrat for the FY 2022-23, it was observed that supply orders for Rs 7.836 million were issued to different suppliers during FY 2021-22. The suppliers did not supply the medicine after lapse of more than one year. The CEO DHA Gujrat neither forfeited the security nor processed blacklisting of these firms. Most of these contractors were again awarded rate contracts in the next financial year. This resulted in non-supply of medicine worth Rs 7.836 million to the poor patients and loss to exchequer by non forfeiting of security as detailed at **Annexure-E**.

Audit held that non-forfeiture of security and non-blacklisting was due to poor administrative and financial controls.

The matter was reported to the PAO in November 2023. Department replied that three reminders were issued to the suppliers for the supply of medicine but they failed to supply the medicine.

DAC in its meeting held on 5^{th} December 2023 directed to initiate the process of blacklisting of the suppliers for non-supply of medicines. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 12, 24, 37, 53 & 63]

3.4.7 Irregular procurement of printing material without rate contract - Rs 1.220 million

According to Rule 12(1) of PPR 2014, procurements over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified from time-to-time. Further, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned.

During audit of MS Tehsil Level Hospital Lalamusa for the FYs 2021-23, it was observed that the management requested the superintendent Government printing Press Punjab Lahore for printing of different items. In response, Controller Printing & Stationary Punjab Lahore replied that due to urgent/important and time limit jobs and due to non-availability of scanning system & classified printing facility the government printing press is not in a position to undertake and execute the job. The controller asked the department to get the job done from the referred firms for urgently execution of printing work by wrongly referring emergency/urgency clause 2q, 2ad & 59d (iii) of PPR 2014. Hence, management incurred an expenditure of Rs 1.220 million without calling tender in violation of PPR 2014, despite the fact that there was no urgency notified by the district or hospital authorities. Detail is as under:

Rs in million

Name of Supplier	**Doc. No.**	**Posting Date**	**G/L Description**	**Amount**
Sabri & Company	206	23.08.2022	OPD Ticket Pads	0.249
	186	18.06.2022	OPD Ticket Pads	0.403
	177	25.05.2022	Bed Head Tickets etc.	0.091
	203	08.04.2022	Misc. Printing Material	0.102
	144	25.02.2022	Printing Material	0.038
	154	27.02.2022	Indent Book	0.035
	143	03.12.2021	Misc. Forms	0.045
	141	27.11.2021	Indoor Register	0.065
	133 134 135	03.08.2021 11.07.2021	Receipt Books	0.192
Total				**1.220**

Audit held that irregular procurement without rate contract was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that direct purchase from M/s Sabri & Co. was made after NOC from Government Printing Press Punjab, Lahore. The reply was not accepted as Government Printing Press Punjab, Lahore could not fix rates and advice to issue supply orders to vendor of their own choice. If Government Printing Press Punjab, Lahore could not manage printing then the purchases must be made through open competition under PPR.

DAC in its meeting held on 5th December 2023 directed to refer the case to PPRA for clarification. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 66]

C) Others

3.4.8 Non deduction of 5% repair charges of government residences - Rs 1.514 million

According to instructions contained in letter No. FD(M-I)1-15/82-P-I dated 15th January 2000 of Finance Department, Government of the Punjab (Monitoring Wing), the government servant who is allotted a government residence is not allowed to draw House Rent Allowance (HRA) and will have to pay house maintenance charges @ 5% of the basic pay.

During audit of Trauma Center Lalamusa for the FYs 2021-23, it was observed that 5% of basic pay as repair charges of Rs 1.514 million were not deducted from salaries of the officers / officials residing in official residences. This resulted in non-deduction of 5% repair charges of Rs 1.514 million as detailed at **Annexure-F.**

Audit held that 5% repair charges were not deducted from the employees due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that change forms had been submitted to DAO for recovery.

DAC in its meeting held on 5th December 2023 directed to recover the complete amount from concerned at the earliest. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC’s decision at the earliest.

[PDP No. 56]

CHAPTER 4

DISTRICT HEALTH AUTHORITY HAFIZABAD

4.1 Introduction

a) There are 13 formations in DHA Hafizabad out of which audit of 03 formations was conducted. Total expenditure and receipt of these formations was Rs 1,280.191 million and Rs 9.300 million respectively out of which 27% expenditure and 40% receipt were audited.

Audit Profile of DHA Hafizabad

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Hafizabad	13	03	347.888	3.720
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Hafizabad was Rs 2,012.301 million and supplementary grant was Rs 168.408 million for the FY 2022-23. An amount of Rs 195.470 million was surrendered and final budget was Rs 1,985.239 million. Management incurred an expenditure of Rs 1,810.219 million resulting in saving of Rs 175.020 million. Actual expenditure was less than the original budget which indicated unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	1458.709	80.53	142.672	1396.567	1326.35	-70.217
Non-Salary	535.696	53.559	52.798	536.457	450.155	-86.302

Development	17.896	34.319	0	52.215	33.714	-18.501
Total	**2,012.301**	**168.408**	**195.470**	**1,985.239**	**1,810.219**	**-175.020**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	1,673.556	1,487.474	-186.082	11
2022-23	1,985.239	1,810.219	-175.020	9

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 19% increase in budget allocation and 22% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 175.020 million during FY 2022-23 which is 9% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Hafizabad for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	**Key Indicators**	**Targets**	**Achievements**
1	Outdoor Patients	4,259,515	1,745,324
2	Indoor Patients	116,045	56,557
3	Surgical Cases	5,156	2,946
4	Cardiac Coronary Unit	11,702	15,694
5	Diagnostic Services (Laboratory, Radiology)	112,999	92,644
6	Family Planning Activities	68,530	26,994
7	Paeds	41,532	58,847
8	Surgery	5,156	2,946

9	TB Chest Treatments	5,330	8,830
10	Free Medicines to Patients	100	100

Source: DHIS dashboard of DHA Hafizabad

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Hafizabad substantially lagged behind in treating target number of patients in case of outdoor, indoor and surgical besides providing inadequate services of diagnostic and family planning activities during FY 2022-23.

4.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 84.392 million were raised in this report during current audit of DHA Hafizabad. This amount also out recoveries of Rs 7.208 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount placed under audit observation**
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	9.967
B	Procurement related irregularities	74.425
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	-
Total		**84.392**

4.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
1	2017-18	12	Not convened

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
2	2018-19	19	
3	2019-20	30	
4	2020-21	12	
5	2021-22	29	
6	2022-23	11	

4.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

4.4.1 Unjustified drawl of pay and allowances during EOL - Rs 4.049 million

According to Rule 9 of Punjab Leave Rules 1981, pay & allowances are not admissible during extra ordinary leave.

During audit of DHQ Hospital Hafizabad for the FY 2022-23, it was observed that 10 employees remained on extra ordinary leave but they were paid full salaries. This resulted in unjustified drawl of pay and allowances worth Rs 4.049 million during EOL. Detail is as under:

Rs in million

Name	Designation	Leave w.e.f	Leave To	Recoverable
Shah Nawaz	Ward Attendant	08.05.2023	06.02.2025	0.157
Nida Ayub	Charge Nurse	13.10.2022	12.10.2023	0.191
Kinza Zafar	WMO	06.07.2022	31.08.2022	0.241
Muhmad Waqas	Medical Officer	15.08.2022	24.09.2022	0.116
Nabeeda Shirazi	WMO- Trauma	01.07.2022	27.12.2022	0.475
Zaryab Ali	WMO	22.08.2022	01.11.2022	0.151
Syed Ali Zunair	MEDICAL OFFICER	01.07.2022	03.06.2023	0.460
Mehwish Farooq	WMO	28.10.2022	11.10.2023	1.389
Haider Ayaz	Orthopedic Surgeon	04.07.2022	03.07.2024	0.785
Maryam	Pediatrician	18.10.2022	04.12.2022	0.084
Total				**4.049**

Audit held that unjustified drawl of pay and allowances was due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that letters to all the concerned officers / officials regarding submission of their recoverable amount had been written.

DAC in its meeting held on 14th December 2023 directed to recover the overpaid amount from the concerned along with inquiry to fix the responsibility for payment during leave period. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 33]

4.4.2 Unauthorized payment of pay & allowances to employees - Rs 3.160 million

According to Part-I Vol-I Rule 8.16 of (PCS) Rules 1976, a government servant who absents himself from duty without permission of the competent authority is liable to have his absence treated as absence from duty without leave.

During audit of DHQ Hospital Hafizabad for the FY 2022-23, it was observed that 23 officers / officials remained absent from duty. The staff proceeded on leave upon submission of applications which were later on regretted by the competent authority. This resulted in unauthorized payment of pay and allowances of Rs 3.160 million during absent period.

Audit held that unauthorized drawl of pay and allowances was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that letters were issued to all the concerned officers / officials to submit the copy of sanctioned leaves. However department did not produce sanctioned leaves of the staff.

DAC in its meeting held on 14th December 2023 directed to inquire the matter and recover the pay and allowances if leaves were not sanctioned. No further progress was reported till the finalization of this report.

Audit recommends recovery of pay and allowances from the concerned employees besides fixing of responsibility on officers at fault.

[PDP No. 37]

4.4.3 Un-authorized occupation of government residence - Rs. 2.758 million

According to Letter No. EO(S&GAD)/Policy/2002-1942 dated 16.10.2002 of Government of the Punjab, S&GAD, 60% of basic pay is required to be charged as penal rent from the officials residing in government residences unauthorized.

During audit of THQ Hospital Pindi Bhattian Hafizabd for the FY 2022-23, it was observed that House No. 03 of Colony No. 01 of THQ Hospital was occupied by Dr. Asghar Ali Hanjra since January 2019 who retired as Additional Principal Medical Officer

(APMO) in January 2019 without paying any rent. This resulted in financial loss to government on account of penal rent worth Rs 2.758 million as detailed below:

Rs in million

Period	**No of months**	**Basic pay BS 18**	**Penal rent @ 60%**	**Amount recoverable**
July 2019 to June 2022	48	95,750	57,450	2.758

Audit held that government residence was occupied due to weak administrative controls.

The matter was reported to the PAO in November 2023. The department replied that the occupant of this residence had been issued notice to vacate this residence and pay pending payments.

DAC in its meeting held on 14th December 2023 directed to recover the penal rent from the occupant along with vacation of the residence. No further progress was reported till the finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 12]

B) Procurement related irregularities

4.4.4 Irregular award of contract of Rs 66.822 million and irrational consumption of medical gases - Rs 25.472 million

As per annexure-A of bidding document, the winning firm must have a distribution branch or point nearby the hospital to facilitate the hospital in case of any emergency.

During audit of DHQ Hospital Hafizabad for the FY 2022-23, it was observed that technical committee for purchase of medical gases rejected the bid of M/s Sharif Oxygen Ltd. due to non-availability of site office near hospital and contract was awarded to M/s Multan Chemicals. It was further observed that M/s Multan Chemicals also had no site office near hospital premises. Audit was of the view that by rejecting technical bid of M/s Sharif Oxygen Ltd. the procuring agency lost the opportunity of healthy competition.

Furthermore, the consumption record of medical gases revealed that in FY 2021-22, the total consumption of medical gases was 11,410 cylinders of 240 cft worth Rs 6.643 million but during FY 2022-23 this consumption was increased by 100% i.e. 23,645 cylinders of 240 cft & 350 cft worth Rs 23.472 million against almost same turnover of the patients. This created doubts of serious irregularities on purchase and consumption of medical gases. This resulted in irregular award of contract of Rs 66.822 million and irrational consumption of medical gases Rs 25.472 million.

Audit held that award of contract in a non-transparent manner and excess consumption of medical gases were due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the contract for supply of medical gases for FY 2022-23 had been awarded to Multan Chemicals as per PPR 2014. Further, there was no difference between the consumption of oxygen cylinders of 2021-22 & 2022-23. No evidence was provided in support of the reply.

DAC in its meeting held on 14th December 2023 directed to inquire the matter by CEO. No further progress was reported till the finalization of this report.

Audit recommends to inquire the matter at appropriate level.

[PDP No. 40]

4.4.5 Loss due to non-supply of bulk medicines - Rs 7.603 million

According to Sr. No. 07 of purchase order No.503/Med dated 13.12.2022, if the successful bidder fails to supply the goods as per orders within stipulated time / as per terms and conditions of the contract or if they try to withdraw / amend / revise their offer within the validity period, the offer shall stand canceled and the earnest money / call deposit / security deposit will be forfeited and the relevant goods will be purchased at the risk and cost of the bidder.

During audit of CEO DHA Hafizabad for the FY 2022-23, it was observed that two suppliers failed to supply the bulk medicines as per their contract. The health facilities purchased same items in local purchase at higher rates and Rs 7.603 million was paid in excess. Neither security was forfeited to compensate financial loss nor the defaulter firms blacklisted. This resulted in loss to the government to the tune of Rs 7.603 million as detailed below:

Amount in Rs

Sr. No.	**Generic Name**	**Ordered Quantity**	**Approved Rate**	**LP rates of DHQ**	**Rate Diff**	**Risk and Cost**
		A	**B**	**C**	**D=C-B**	**A x D**
M/s MTI medical (Pvt.) Ltd, Lahore						
1	Azithromycin Susp 200mg/5ml	11,120	66.49	180	113.51	1,262,231
2	Azithromycin Capsules/Tab 500mg	135,000	21.00	26	5.00	675,000
3	Ceftriaxone (Sodium) Injection 1gm (I.V)	66,700	81.90	109	27.10	1,807,570
4	Ceftriaxone (Sodium) Injection 250mg (I.V)	34,100	48.90	69	20.10	685,410
5	Iron Sucrose Injection 100mg/5ml	8,580	35.46	271	235.54	2,020,933
6	Fluconazole Capsules 150mg	1,840	18.50	126	107.50	197,800
M/s Wilshire Laboratories, Pvt. Ltd. Lahore						
7	Cefixime Suspension 200mg/5ml	22,200	137.00	180	43.00	954,600
Total						**7,603,544**

Audit held that non-forfeiture of security and non-blacklisting was due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the DG Health Services Lahore was requested to take action against these pre-qualified firms who had failed to supply the drugs / medicines, medical devices & surgical dressings within stipulated period. However no action was initiated against the firms.

DAC in its meeting held on 14th December 2023 directed for forfeiture of performance security and blacklisting of the defaulter firms. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC’s decision at the earliest.

[PDP No. 09]

CHAPTER 5

DISTRICT HEALTH AUTHORITY MANDI BAHAUDDIN

5.1 Introduction

a) There are 17 formations in DHA Mandi Bahauddin out of which audit of 04 formations was conducted. Total expenditure and receipt of these formations was Rs 842.059 and Rs 13.086 million respectively out of which 75% expenditure and receipt were audited.

Audit Profile of DHA Mandi Bahauddin

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Mandi Bahaud din	17	04	631.544	9.815
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Mandi Bahauddin was Rs 4,014.606 million and supplementary grant was Rs 362.034 million for the FY 2022-23. An amount of Rs 1,365.691 million was surrendered and final budget was Rs 3,010.949 million. Management incurred an expenditure of Rs 2,158.089 million resulting in saving of Rs 852.860 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	2,624.830	292.698	1,046.837	1,870.691	1,743.358	-127.333
Non-Salary	1,039.401	40.891	318.854	761.438	402.232	-359.206
Development	350.375	28.445	0	378.820	12.499	-366.321

Total	**4,014.606**	**362.034**	**1365.691**	**3,010.949**	**2,158.089**	**-852.860**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	3,065.415	2,047.540	-1,017.874	33
2022-23	3,010.949	2,158.089	-852.860	28

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 2% decrease in budget allocation and 5% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 852.860 million during FY 2022-23 which is 28% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Mandi Bahauddin for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	Key Indicators	Targets	Achievements
1	Outdoor Patients	4,145,630	3,922,536
2	Indoor Patients	82,345	72,568
3	Surgical Cases	82,358	84,235
4	Cardiac Coronary Unit	4,880	51,236
5	Diagnostic Services (Laboratory, Radiology)	92,536	91,586
6	Family Planning Activities	67,000	67,852
7	Paeds	138,000	131,536
8	Surgery	62,000	62,132

9	TB Chest Treatments	1,300	1,201
10	Free Medicines to Patients	4,058,000	3,953,562

Source: DHIS dashboard of DHA Mandi Bahauddin

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Mandi Bahauddin lagged behind in treating target number of patients in case of outdoor and indoor during FY 2022-23.

5.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 28.574 million were raised in this report during current audit of DHA Mandi Bahauddin. This amount also includes recoveries of Rs 8.239 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount placed under audit observation**
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	1.138
3	**Irregularities:**	
A	HR/Employees related irregularities	9.235
B	Procurement related irregularities	14.791
C	Management of accounts with commercial banks	0
4	Value for money and service delivery issues	0
5	Others	3.410
Total		**28.574**

5.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	13	Not convened
2	2018-19	12	
3	2019-20	11	
4	2020-21	10	
5	2021-22	14	
6	2022-23	10	

5.4 AUDIT PARAS

A) Fraud, Embezzlement and Misappropriations

5.4.1 Non deposit of government receipts - Rs 1.138 million

According to Rule 68 of the PDA (Budget) Rules 2017, the primary obligation of Collecting Officer shall be to ensure that all revenue due is claimed, realized and credited immediately to Local Government Fund under proper receipt head.

During audit of THQ Hospital Phalia for the FY 2022-23, it was observed that the receipts of Rs 1.657 million were collected on account of dental, lab, X-rays, USG, ECG and MLC fee but only Rs 0.518 million was deposited in to treasury. This resulted in non-deposit of government receipts worth Rs 1.138 million as mentioned below:

Rs in million

Months	To be deposited (85% government share)	Actual deposited	Less deposit
Jul, 2022	0.203	0.101	0.101
Aug, 2022	0.248	0.102	0.146
Sep, 2022	0.222	0.049	0.173
Oct, 2022	0.182	0.059	0.123
Nov, 2022	0.140	0.040	0.099
Dec, 2022	0.166	0.043	0.123
Jan, 2023	0.158	0.040	0.118
Feb, 2023	0.147	0.030	0.117
Mar, 2023	0.112	0.027	0.084
Apr, 2023	0.080	0.027	0.054
Total	**1.657**	**0.519**	**1.138**

Audit held that government receipts were not deposited due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the concerned officer had been directed to deposit the amount otherwise strict action will be taken.

DAC in its meeting held on 12th December 2023 directed to inquire the matter at CEO level along with sending the case to PMU besides ensuring recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 46]

B) Human Resource / Employees related irregularities

5.4.2 Irregular extension of contingent paid staff contrary to S&GAD policy - Rs 5.544 million

According to Para 4(X) of Notification No. SO(ERB)5-44/2019/WC-DW titled "policy guidelines for work charge, daily wages & contingent paid staff" issued by S&GAD (Regulation/O&M Wing) dated 29 January 2021, the extension to work-charged employees shall be accorded by authority next to the hiring authority before the expiry of 90 days period of their first hiring provided that extension to work charged hiring shall not be made in any case more than two times.

During audit of following formations of DHA Mandi Bahauddin for the FY 2022-23, it was observed that data entry operators were working as worked charged employees since 2021. However, as per the rule ibid, only two time extension of 90 days could be granted by the higher authority. This continuous extension for a long time resulted in irregular hiring of contingent paid staff.

Rs in million

Sr. No.	**Name of hospital**	**Month of hiring**	**No. of contingent employees**	**Amount**
1	MS DHQ Hospital Mandi Bahauddin	Oct 2021	09	3.660
2	MS THQ Hospital Malakwal	Jul 2021	05	1.884
Total				**5.544**

Audit held that irregular extension of contingent paid staff was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that data entry operators were given extension with a gap period. Further, a letter No. 6512 dated 20-01-2021 had already been sent to Secretary P&SHD for guidance. Reply of the department was not acceptable as the extension to contingent paid staff could not be granted by the MS for more than one time.

DAC in its meeting held on 12th December 2023 directed to hire the contingent paid staff according to rules along with regularization of the expenditure. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 20 & 42]

5.4.3 Unjustified payment of NPA to the doctors doing private practice - Rs 1.913 million

According to order No. SO(N.D)2-26/2004(P.II), of Government of Punjab, Health Department, NPA is admissible only for those doctors who do not opt for private practice.

During audit of various formations of DHA Mandi Bahauddin for the FY 2022-23, it was observed that seven (07) doctors were drawing NPA despite the fact that they were also doing private practice in clinics / private hospitals in Malakwal and Phalia. As such, NPA was not admissible to them. This resulted in unjustified payment of NPA of Rs 1.913 million as detailed below:

Rs in million

Name of Hospital	Name of Employee	BPS	Rate	No of months	NPA Recoverable
THQ Malakwal	Dr. Kawaja Farrukh Mehmood (31675243)	17	22,777	12	0.273
	Dr. Qammar Abbas (31915546)	17	22,777	12	0.273
	Dr. Adnan Malik (30915122)	17	22,777	12	0.273
	Dr. Qasim (32120625)	17	22,777	12	0.273.
THQ Phalia	Dr. Sadia Shoukat (31917164)	18	28,762	12	0.345
	Samia Zia Dental Surgeon (32005124)	17	22,777	12	0.274
	Muhammad Haris (32162320)	17	22,777	9.5	0.202
Total					**1.913**

Audit held that unjustified payment of NPA was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that that all the doctors were asked to explain their position vide letter dated 07.12.2023.

DAC in its meeting held on 12th December 2023 directed to take up the matter at CEO level for actual recovery and disciplinary action. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 39 & 52]

5.4.4 Inadmissible payment of NPA to doctors working on administrative posts - Rs 1.778 million

According to Finance Department Letter No FD.SR-1/6-4/2019 dated 05.04.2021, NPA is not admissible to the doctors working in P&SHC and SH&ME departments serving on administrative posts. The same facility has not been extended to the doctors working on administrative posts in other administrative departments.

During audit of DHA Mandi Bahauddin for the FY 2022-23, it was observed that following doctors were serving on administrative posts but were drawing NPA in violation of the instructions of Finance Department. This resulted in inadmissible payment of NPA of Rs 1.778 million.

Rs in million

Name / BS / Personal No.	**Designation / Cost Center**	**Rate**	**No. of Months**	**Amount of NPA**
Muhammad Umer (BS-17) 31670837	Medical Officer DHO (Admn) Mandi Bahauddin	22,777	12	0.273
Samaa Safdar (BS-17) 32200800	Women Medical Officer DHO (Admn) Mandi Bahauddin	22,777	11	0.254
Khaliq Dad (BS-18) 30603815	Executive Officer CEO DHA Mandi Bahauddin	22,777	9	0.205
Usman Hussain (BS-17)	Medical Officer Deputy DO (Health) Mandi Bahauddin	22,777	11	0.273

Rs in million

Name / BS / Personal No.	**Designation / Cost Center**	**Rate**	**No. of Months**	**Amount of NPA**
32118212				
Mehwish Nawaz (BS-17) 32135912	Women Medical Officer Deputy DO (Health) Mandi Bahauddin	22,777	3	0.068
Rizwan Ali Tabish (BS-17) 31559379	Medical Officer Deputy DO (Health) Phalia	22,777	11	0.273
Ali Hassan (BS-17) 32136774	Medical Officer Deputy DO (Health)	22,777	11	0.273
Awais Iqbal (BS-17) 32114498	Medical Officer National Programme Mandi Bahauddin	22,777	7	0.159
Total				**1.778**

Audit held that payment of NPA to doctors working on administrative posts was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that doctors are entitled for NPA as per clarification of the Accountant General Punjab and Finance Department. Reply of the department is not acceptable because it is contrary to the Finance Department clarification.

DAC in its meeting held on 12th December 2023 directed to recover the NPA from the doctors working on administrative posts in the administrative offices like CEO, DHOs, DDHOs, Coordinators IRMNCH and DHDC etc. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 11]

C) Procurement related irregularities

5.4.5 Irregular payment on account of printing in violation of PPRA rules - Rs 7.205 million

According to Rule 12(1) of PPR 2014, procurements over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified from time-to-time. Further, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned.

During audit of CEO DHA Mandi Bahauddin for the FYs 2022-23, it was observed that the management requested the superintendent Government Printing Press Punjab, Lahore for printing of different items. In response, Controller Printing & Stationary Punjab Lahore replied that due to urgent/important and time limit jobs and due to non-availability of scanning system & classified printing facility the government printing press is not in a position to undertake and execute the job. The controller asked the department to get the job done from the referred firms for urgently execution of printing work by wrongly referring emergency/urgency clause 2q, 2ad & 59d (iii) of PPR 2014. Hence, management incurred an expenditure of Rs 7.205 million without calling tender in violation of PPR 2014 despite the fact that there was no urgency notified by the district or hospital authorities. Detail is as under:

Rs in million

Sr. No.	**Document No.**	**Date of posting**	**Vendor Name**	**Invoice No. & date**	**Amount**
1	1900155893	18.12.2022	Sabri & Company	196 dt 25.06.2022	3.550
2	1900155894			197 dt 25.06.2022	0.631
3	1900155895			194 dt 22.06.22	3.024
Total					7.205

Audit held that irregular procurement without tendering process worth Rs.7.205 million was made due to non-compliance of rules.

The matter was reported to the PAO in November 2023. The department replied that direct purchase from M/s Sabri & Co. was made after NOC from Government Printing Press Punjab, Lahore. The reply was not accepted as Government Printing Press Punjab, Lahore could not fix rates and advice to issue supply orders to vendor of their own choice. If Government Printing Press Punjab, Lahore could not manage printing then the purchases must be made through open competition under PPR.

DAC in its meeting held on 12th December 2023 directed to refer the case to PPRA for further clarification. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 09]

5.4.6 Irregular purchase of LP medicine in bulk instead of patient specific - Rs 7.586 million

According to Clause (iii) and (xxiv) of LP Guideline issued by Government of the Punjab, Health department vide letter No.SO(HP)12-02/2022 dated 29.06.2022, LP from registered pharmacy will be patient specific on day-to-day basis besides entering the details on manual LP register i.e. date of LP, indent / request number, details of medicine procured with brand name, batch number, manufacturer, expiry date, MRP, quantity demanded, quantity supplied & GRN.

During audit of following formations of DHA Mandi Bahauddin for the FY 2022-23, it was observed that the management purchased LP medicine in bulk from LP vendors on MRP discount rates instead of patient specific day-to-day basis. Audit was of the view that if medicine were to be purchased in bulk it should be through open competitive bidding and not on MRP rates. This resulted in irregular purchase of LP medicine worth Rs 7.586 million and huge loss to exchequer as retail price ought to be higher than bulk purchase. The detail is as under:

Rs in million

Sr. No.	**Name of Formation**	**Name of contractor**	**Amount of LP medicines**
1	MS THQ Hospital Malakwal	Guardian's Pharmacy	3.592
2	MS THQ Hospital Phalia	Hashim Pharmacy	3.994
Total			**7.586**

Audit held that unjustified expenditure was made on purchase of LP medicine due to non-compliance of rules.

The matter was reported to the PAO in November 2023. The department replied that purchase of LP medicine was dispensed through LP portal and consultation of doctors. Reply of the department was not acceptable as the purchase was made in violation of LP guidelines.

DAC in its meeting held on 12th December 2023 directed to take-up the matter at CEO level due to clear violation of LP guidelines. No further progress was reported till finalization of this report.

Audit recommends to inquire the matter for fixing responsibility on the officer(s) at fault for irregular purchase of LP medicine besides regularization of the matter.

[PDP No. 33 & 48]

D) Others

5.4.7 Non-recovery of government dues from parking contractor - Rs 3.410 million

According to Rule (3) (1) subject to sub-rule (2) of PLG (Auction of Collection Rights) Rules 2016, a local government may award contract, assign right to collect income on its behalf, to the contractor for the next or current financial year.

During audit of DHQ Hospital Mandi Bahauddin for the FY 2022-23, it was observed that parking stand was auctioned to M/s Choudhry & Company for the FY 2022-23 for Rs 3.410 million. The contractor did not deposit the contract amount. The management did not take any step to recover the amount and allowed the contractor to continue collection for the whole year. This resulted in non-recovery of government dues amounting to Rs 3.410 million.

Audit held that government dues were not recovered due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the letter had been written to the contractor for recovery of outstanding amount. Reply was not tenable as department did not recover any amount from contractor.

DAC in its meeting held on 12th December 2023 directed to recover the amount from the contractor along with forfeiture of security and blacklisting of the contractor. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision besides fixing of responsibility for non-collection of government dues.

[PDP No. 18]

CHAPTER 6

DISTRICT HEALTH AUTHORITY NAROWAL

6.1 Introduction

a) There are 17 formations in DHA Narowal out of which audit of 03 formations was conducted. Total expenditure and receipt of these formations was Rs 1,841.013 and Rs 10.527 million respectively out of which 53% expenditure and 45% receipt were audited.

Audit Profile of DHA Narowal

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Narowal	17	03	975.737	4.737
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Narowal was Rs 3,312.800 million and supplementary grant was Rs 324.445 million for the FY 2022-23. An amount of Rs 332.879 million was surrendered and final budget was Rs 3,304.370 million. Management incurred an expenditure of Rs 2,762.521 million resulting in saving of Rs 718.317 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+)/ Saving (-)
Salary	2,392.893	189.447	211.209	2,371.131	2118.622	-252.509
Non-Salary	822.719	80.308	120.710	782.317	634.747	-147.57
Development	97.188	54.690	0.960	150.918	9.152	-141.766

Total	**3,312.800**	**324.445**	**332.879**	**3,304.370**	**2762.521**	**-541.845**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	2,787.806	2,395.317	-392.489	14
2022-23	3,304.370	2,762.521	-541.845	16

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 19% increase in budget allocation and 15% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 541.845 million during FY 2022-23 which is 16% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Narowal for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	Key Indicators	Targets	Achievements
1	Outdoor Patients	2,310,967	2,518,832
2	Indoor Patients	98,798	107,683
3	Surgical Cases	11,166	12,170
4	Cardiac Coronary Unit	11,298	12,315
5	Diagnostic Services (Laboratory, Radiology)	118,837	129,527
6	Family Planning Activities	28,594	31,166
7	Paeds	67,278	73,329

8	Surgery	38,115	41,544
9	TB Chest Treatments	11,730	12,784
10	Free Medicines to Patients	100%	100%

Source: DHIS dashboard of DHA Narowal

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Narowal achieved all of its targets during FY 2022-23.

6.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 56.320 million were raised in this report during current audit of DHA Narowal. This amount also includes recoveries of Rs 26.702 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	40.063
B	Procurement related irregularities	14.679
C	Management of accounts with commercial banks	0
4	Value for money and service delivery issues	0
5	Others	1.578
Total		**56.320**

6.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	20	Not convened
2	2018-19	31	
3	2019-20	16	
4	2020-21	11	
5	2021-22	06	
6	2022-23	05	

6.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

6.4.1 Inadmissible p`ayment of social security benefit - Rs 22.698 million

According to Clause (XIII)(i)(b) of Contract Appointment Policy 2004 issued by S&GAD Government of the Punjab, Social Security Benefit (SSB) @ 30% of minimum of basic pay, in lieu of pension, was admissible only for the persons working on contract basis. However, after regularization of services this allowance would be stopped and pay be fixed on the initial of the pay and the difference of pay would be paid as their personal allowance.

During audit of following formations of DHA Narowal for the FY 2022-23, it was observed that SSB allowance was not stopped after regularization of these employees. Consequently, SSB @ 30% in lieu of pension worth Rs 22.698 million was continuously paid to these employees. This resulted in inadmissible payment of SSB of Rs 22.698 million as detailed below:

Rs in million

Sr. No.	Name of formations	No. of employees	Amount
1	CEO DHA Narowal	182	9.267
2	DHQ Hospital Narowal	46	11.149
3	THQ Hospital Shakargarh	12	2.282
	Total	**240**	**22.698**

Audit held that inadmissible payment of SSB allowance was made due to weak financial and internal controls.

The matter was reported to the PAO in November 2023. The department replied that change forms had been submitted to DAO Narowal to effect the recovery.

DAC in its meeting held on 9th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends recovery of overpaid amount at the earliest.

[PDP No. 6, 18 & 40]

6.4.2 Un-justified appointment & regularization of computer operators - Rs 15.716 million

As per Sr. No.3 of advertisement for appointment, published by CEO DHA Narowal, eligibility criteria for appointment as Computer Operator BS-12 was ICS or equivalent qualification along with 3 years relevant experience.

During audit of CEO DHA Narowal for the FY 2022-23, it was observed that 25 computer operators were appointed on contract basis in 2014. These employees were regularized by CEO DHA in 2021. Scrutiny of regularization documents along with personal files revealed that these officials were appointed without fulfilling the basic appointment criteria as they had only 3 to 6 months computer learning diplomas instead of ICS or equivalent qualification. This resulted in unjustified appointment & regularization of computer operators worth Rs 15.716 million.

Audit held that unjustified appointment & regularization of computer operators was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that regularization process was completed by the CEO DHA Narowal against the rules and inquiry proceedings against the recruitment committee were under process.

DAC in its meeting held on 9th December 2023 directed for inquiry by the administrative department. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 03]

6.4.3 Non deduction of conveyance allowance, house rent allowance and 5% repair charges - Rs 1.649 million

According to Clause 36(b) of letter No. EO(S&GAD)Policy/2009/ 688 dated 07.05.2018 issued by S&GAD (Estate Office), Government of the Punjab, a government employee occupying government residence cannot draw house rent allowance. Further, according to notification No. 1061-SO(SR)IV/77 dated 18.08.1977 of Finance Department, Government of the Punjab, conveyance allowance is not admissible during leave including leave preparatory to retirement and vacations.

During audit of DHQ Hospital Narowal for the FY 2022-23, it was observed that house rent allowance and 5% of basic pay as repair & maintenance charges amounting to Rs 0.803 million were not deducted from salaries of twelve (12) officers / officials residing in official residences. Similarly, conveyance allowance of seventy-five (75) employees amounting to Rs 0.846 million was also not deducted from the officers / officials who availed earned leaves. This resulted in non-deduction of Rs 1.649 million. Detail is at given at **Annexure-G.**

Audit held that conveyance allowance, house rent allowance and 5% repair charges were not deducted due to weak financial and internal controls.

The matter was reported to the PAO in November 2023. The department replied that change forms had been submitted to DAO Narowal to effect the recovery from employees. Moreover, one government residence was allotted to 3 to 4 employees so house rent allowance was being deducted from one employee only. The reply of the department was not acceptable as no recovery was made from the employees.

DAC in its meeting held on 9th December 2023 did not accept the reply and directed to recover house rent allowance, conveyance allowance and 5% repair charges as per rules from all employees who were availing facility of government residences. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 19 & 27]

B) Procurement related irregularities

6.4.4 Mis-procurement of fowler beds valuing Rs 8.265 million and loss to exchequer - Rs 776,592

According to Rule 55 of PPR 2014, the bidder with the lowest evaluated bid, if not in conflict with any other law, shall be awarded the procurement contract within the original or extended bid validity period.

During audit of CEO DHA Narowal for the FY 2022-23, it was observed that rate award of procurement of 72 fowler beds was issued to M/s Pieces Engineering who offered lowest rate of Rs 104,000 / bed, whereas, supply orders were issued to M/s Apex Enterprises who quoted rate of Rs 114,786 / bed. Reason for issuing supply orders to the second lowest bidder with a difference of Rs 10,786 / bed was not mentioned. This un-due favour to second lowest bidder resulted in mis-procurement of fowler beds worth Rs 8.265 million and financial loss of Rs 776,592 to government exchequer.

Audit held that mis-procurement of fowler beds was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that M/s Pieces Engineering refused to supply the fowler beds. The reply of the department was not acceptable as procurement was made in violation of PPR 2014.

DAC in its meeting held on 9th December 2023 directed to probe the matter and for forfeit CDR / Bank Guarantee of M/s Pieces Engineering besides blacklisting of the firm. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 01]

6.4.5 Irregular purchase of LP medicine in bulk on quotation basis instead of patient specific - Rs 6.414 million

As per Clause (iii) and (xxiv) of LP Guideline issued by Government of the Punjab Health department vide letter No.SO(HP)12-02/2022 dated 29.06.2022, LP from registered pharmacy will be patient specific on day to day basis besides entering the details on manual LP register i.e. date of LP, indent / request number, details of medicine procured with brand name, batch number, manufacturer, expiry date, MRP, quantity demanded, quantity supplied & GRN.

During audit of THQ Hospital Shakargarh for the FY 2022-23, it was observed that the management purchased LP medicine in bulk on quotation basis at MRP discount rates instead of patient specific day-to-day basis. Audit was of the view that if medicine were to be purchased in bulk it should be through open competitive bidding and not on MRP rates. This resulted in irregular purchase of LP medicine worth Rs 6.414 million and huge loss to exchequer as retail price ought to be higher than bulk purchase.

Audit held that irregular procurement of LP medicines was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that LP medicine was purchased on quotation basis for patients. The reply of the department was not accepted because LP medicines were purchased in bulk at retail price.

DAC in its meeting held on 9th December 2023 directed for regularization and probe. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 36]

C) Others

6.4.6 Non-forfeiture of earnest money - Rs 1.578 million

According to Rule 14(3)(b) of PLG (Auction of Collection Rights) Rules 2016, the bid shall be automatically stand cancelled and the deposits made by the contractor stand forfeited if he fails to enter into written agreement within three days of the communication letter.

During audit of DHQ Hospital Narowal for the FY 2022-23, it was observed that award letters of auction of parking and canteen services were issued to 1st, 2nd & 3rd lowest bidders consecutively but none of them took over parking and canteen. Neither the bid security, submitted by these bidders, was forfeited nor these contractors were blacklisted. This resulted in loss of Rs 1.578 million to the exchequer as detailed below:

Rs in million

CDR No.	Date	Name of Contractor	Contract	Amount
18039803	12.09.2022	M/s Mustafa Sons	Parking Services	0.390
14247467	12.09.2022	M/s Sh. M. Irfan Raza		0.390
26054632	11.09.2022	M/s Malik Ibrar & Co.		0.390
26054633	11.09.2022	M/s Al-Sadiq Int. Trading Co.	Canteen Services	0.136
4845062	09.09.2022	M/s Malik Ibrar & Co.		0.136
14247468	12.09.2022	M/s Sh M Irfan Raza		0.136
Total				**1.578**

Audit held that earnest money was not forfeited due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that process of forfeiting the earnest money had been initiated.

DAC in its meeting held on 9th December 2023 directed to forfeit the earnest money besides blacklisting the contractors. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 22]

CHAPTER 7

DISTRICT HEALTH AUTHORITY SIALKOT

7.1 Introduction

a) There are 19 formations in DHA Sialkot out of which audit of 05 formations was conducted. Total expenditure and receipt of these formations was Rs 1,857.462 and Rs 39.396 million respectively out of which 54% expenditure and 67% receipt were audited.

Audit Profile of DHA Sialkot

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Sialkot	19	05	1,003.029	26.395
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Sialkot was Rs 3,202.023 million and supplementary grant was Rs 1,187.018 million for the FY 2022-23. An amount of Rs 884.775 million was surrendered and final budget was Rs 3,504.266 million. Management incurred an expenditure of Rs 3,438.207 million resulting in saving of Rs 66.059 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	2,466.183	1,019.457	735.012	2,750.628	2,797.916	47.288
Non-Salary	725.313	140.439	149.763	715.989	631.761	-84.228
Development	10.527	27.122	0	37.649	8.530	-29.119

Total	**3,202.023**	**1,187.018**	**884.775**	**3,504.266**	**3,438.207**	**-66.059**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	3,031.333	2,979.425	-51.907	2
2022-23	3,504.266	3,438.207	-66.059	2

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 16% increase in budget allocation and 15% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 66.059 million during FY 2022-23 which is 2% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Sialkot for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	Key Indicators	Targets	Achievements
1	Outdoor Patients	4,420,874	4,247,120
2	Indoor Patients	85,964	80,061
3	Surgical Cases	98,634	86,698
4	Cardiac Coronary Unit	6,047	5,409
5	Diagnostic Services (Laboratory, Radiology)	107,304	101,774
6	Family Planning Activities	77,712	71,491
7	Peads	154,289	142,103
8	Surgery	71,650	67,755
9	TB Chest Treatments	1,538	1,499

Sr. No.	Key Indicators	Targets	Achievements
10	Free Medicines to Patients	4,533,932	4,244,716

Source: DHIS dashboard of DHA Sialkot

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Sialkot lagged behind in treating target number of patients during FY 2022-23.

7.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 38.518 million were raised in this report during current audit of DHA Sialkot. This amount also includes recoveries of Rs 29.388 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount placed under audit observation**
1	Non-production of record	0
2	Fraud, embezzlement, and misappropriation	0
3	**Irregularities:**	
A	HR/Employees related irregularities	9.211
B	Procurement related irregularities	28.176
C	Management of accounts with commercial banks	0
4	Value for money and service delivery issues	0
5	Others	1.131
Total		**38.518**

7.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
1	2017-18	18	Not convened
2	2018-19	26	

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
3	2019-20	15	
4	2020-21	16	
5	2021-22	16	
6	2022-23	14	

7.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

7.4.1 Unauthorized payment of pay & allowances to employees - Rs 6.454 million

According to Part-I Vol-I Rule 8.16 of (PCS) Rules 1976, a government servant who absents himself from his duty without permission of the competent authority is liable to have his absence treated as absence from duty without leave.

During audit of various formations of DHA Sialkot for the FY 2022-23, it was observed that forty-nine (49) officers / officials remained absent from duty without prior approval of the competent authority. It was revealed that the staff proceeded on leave upon submission of applications which were later on regretted by the competent authority. This resulted in unauthorized payment of pay and allowances worth Rs 6.454 million.

Rs in million

Sr. No.	Name of formation	No. of employees	Amount
1	MS THQ Hospital Daska	17	2.305
2	MS THQ Hospital Sambrial	24	3.349
3	MS THQ Hospital Pasrur	08	0.800
Total		**49**	**6.454**

Audit held that unauthorized payment of pay and allowances was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that leaves were forwarded to authorities for sanctioning but were not approved by the competent authority. The department did not produce sanctioned leave of the officers/officials.

DAC in its meeting held on 16th December 2023 directed to recover the amount from the employees. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 7.4.5 having financial impact of Rs 3.150 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 29, 43 & 62]

7.4.2 Unauthorized drawl of pay and allowances during EOL, absent period and overpayment after the expiry of adhoc period - Rs 2.757 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowances, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud, misappropriation and shall be liable to make good that loss.

During audit of following formations of DHA Sialkot for the FY 2022-23, it was observed that payment of salaries was made to 16 officers / officials during their absconded, absent and EOL period. In some cases, salaries were not stopped after expiry of adhoc period and after replacement by regular incumbant because of management's negligence. This resulted in unauthorized drawl of pay and allowances worth Rs 2.757 million as mentioned below:

Rs in million

r. No	Name of Formation	Description	Number of Employees	Amount
	THQ Hospital Daska	Absconded	02	0.379
		Absent	01	0.044
		Adhoc expired	02	0.159
		Replaced by regular staff	01	0.060
		EOL	03	0.375
	THQ Hospital Sambrial	EOL	04	1.399
	THQ Hospital Pasrur		03	0.341
Total			**16**	**2.757**

Audit held that unauthorized drawl of pay and allowances was made due to weak internal & financial controls.

The matter was reported to the PAO in November 2023. The departments replied that pay & allowances were transferred to the employees during EOL period and recovery notices were issued to the concerned. The department did not effect any recovery from the concerned.

DAC in its meeting held on 16th December 2023 directed to recover the amount from concerned. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 23, 29, 41 & 62]

B) Procurement related irregularities

7.4.3 Loss due to award of contract of LP medicine by the CEO - Rs 9.834 million

According to Rule 2(vi) of LP guidelines dated 29.06.2022 issued by the Secretary P&SHC Department Lahore, the procuring agency shall conclude procurement through open competitive tendering. The policy emphasis hospitals to use the purchase committee in local purchase tenders, its scrutiny, sanctioning, placement of order, receiving, defacing and issuance of medicines, record keeping and payment process. The Medical Superintendent of hospital shall be responsible for having all these arrangements in place.

During audit of CEO DHA Sialkot for the FY 2022-23, it was noticed that tendering process for LP medicine was initiated by CEO Health instead of award by the DDOs of the concerned health facilities. Furthermore, it was observed that instead of ensuring healthy competition, the offer of flat 8% and 9.5% discount for medicine and surgical items respectively was accepted and contracts were awarded to all LP vendors by the CEO. On comparison with other health facilities i.e. THQ Kamoke, it was observed that the discount rate was more than 8% and 9.5%. This resulted in loss of Rs 9.834 million due to award of LP medicine contract by the CEO instead of concerned health facilities.

Rs in million

Category	**Discount availed by THQ Kamoke**	**Discount availed by CEO for all health facilities**	**Less Discount availed by CEO**	**Amount of tender**	**Loss**
National	13%	8%	5%	71.121	9.834
Multinational	22%	8%	14%		
Surgical & Disposables	32%	9.5%	22.5%		
Average percentage	22.33%	8.5%	13.83%		

Audit held that loss of Rs 9.834 million to government was due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that tenders for LP medicine were invited after receiving NOCs from health facilities of DHA Sialkot. However department did not produce the said NOCs for verification.

DAC in its meeting held on 16th December 2023 directed to refer the matter to P&SHC department for inquiry to fix the responsibility as this irregular and repeated practice had caused loss to exchequer. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 7.4.10 having financial impact of Rs 14.123 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 01, 08, 20, 34, 56 & 66]

7.4.4 Loss due to purchase of medicine on quotation basis by splitting - Rs 9.212 million

According to Clause (xxvii)(b) of LP Guidelines issued by Government of the Punjab, Health department vide letter No.SO(HP)12-02/2022 dated 29.06.2022, utilization of alternative methods of procurement like 59(a) & 59(b) of PPR 2014 and by conducting risk purchases without splitting of procurements.

During audit of various formations of DHA Sialkot for the FY 2022-23, it was observed that health facilities purchased medicine amounting to Rs 23.706 million on quotation basis at higher rates instead of bulk purchase through open tendering process. On comparison with award of same medicine in bulk by the CEO it was revealed that loss of Rs 9.212 million occurred due to splitting of indents. This resulted in unauthorized purchase of medicine on quotation worth Rs 23.706 million and loss to government.

Rs in million

Sr. No.	Name of formation	Total payment	Loss to government
1	THQ Hospital Daska	10.28	3.859
2	THQ Hospital Sambrial	2.212	1.266
3	THQ Hospital Pasrur	2.402	0.520
4	THQ Hospital Pasrur	4.729	1.982
5	THQ Hospital Kotli Loharan	4.083	1.585
Total		**23.706**	**9.212**

Audit held that loss of Rs 9.212 million to the government was due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that purchase was due to delay in tendering process of bulk medicine and DTL reports. However departments did not produce any documentary evidence in support of reply.

DAC in its meeting held on 16th December 2023 decided to probe the matter and regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 18, 38, 53, 55 & 68]

7.4.5 Unauthorized purchase of laboratory items - Rs 4.708 million

According to Clause (2)(ii) of LP Guidelines issued by Government of the Punjab, Health department vide letter No.SO(HP)12-02/2022 dated 29.06.2022, LP is allowed for emergencies and indoor patients department, on the prescription of authorized consultants or medical officers only under circumstances; (a) non availability of prescribed medicines or its alternates with the hospital. (b) prescribed medicine or its alternate available but test / analysis report from Drug Testing Laboratory (DTL) is awaited.

During audit of THQ Hospitals Daska and Pasrur for the FY 2022-23, it was observed that x-ray, dental and laboratory items were purchased from the budget of LP medicine contrary to the LP guidelines. This resulted in unauthorized purchase of Rs 4.708 million.

Rs in million

Sr. No.	Name of formation	Description	Amount
1	MS THQ Hospital Daska	X-Ray and Laboratory items	3.017
2	MS THQ Hospital Pasrur	Dental and blood bank kits	0.395
		Laboratory items/kits	1.296
Total			**4.708**

Audit held that unauthorized purchase of laboratory items from LP budget was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department produced the letter of Specialized Healthcare Department regarding purchase of laboratory items from A03927. Reply of the department was not acceptable as laboratory kits and x-ray were procured from budget of medicine in violation of LP guidelines.

DAC in its meeting held on 16th December 2023 decided to probe the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No 22, 52 & 57]

7.4.6 Splitting of job orders to avoid open tender - Rs 4.422 million

According to Rule 9 of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting of the procurements so planned. Further, according to Rule 12(2), any procurement exceeding three million rupees shall be advertised on the website of the PPRA, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

During audit of following formations of CEO DHA Sialkot for the FY 2022-23, it was observed that procurement of Rs 4.422 million was made by splitting the indents to avoid tendering process. This resulted in irregular expenditure worth Rs 4.422 million. Detail is at **Annexure-H.**

Rs in million

r. No.	Name of Formation	Description	Amount
	MS THQ Hospital Daska	Fans, papers, printers	3.713
	MS THQ Hospital Kotli Loharan	CCTV camera	0.709
Total			**4.422**

Audit held that irregular expenditure was incurred without calling tender due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that fans were purchased in dire emergency under the direction of Secretary, Operations & Monitoring Unit and expected visit of Chief Minister of the Punjab. Department also described that tenders of remaining items were not floated upon the instructions of CEO Office. The CCTV cameras were installed on various locations of the hospital upon compliance of Secretary P&SHC department for surveillance. However department's reply itself proved splitting with wrong justification.

DAC in its meeting held on 16th December 2023 decided to probe the matter by administrative department. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 7.4.9 having financial impact of Rs 10.490 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 28 & 69]

C) Others

7.4.7 Non-recovery of parking stand fee - Rs 1.131 million

According to Rule (3)(1) of PLG (Auction of Collection Rights) Rules 2016, a local government may award contract, assign right to collect income on its behalf, to the contractor for the next or current financial year.

During audit of THQ Hospital Daska for the FY 2022-23, it was observed that parking stand was auctioned to M/s Nazar Abbas & Co. The contractor did not deposit monthly installments and taxes of Rs 1.131 million. The management did not take any step to recover the amount and allowed the contractor to continue collection inspite of non-deposit of monthly installments in advance. This resulted in non-recovery of Rs 1.131 million as detailed below:

Rs in million

Description	**Contract amount**	**Description**	**Period**	**Rate**	**Amount**
Parking contract	3.230	Installment	May to June 2023	0.323/ month	0.646
		Income Tax	July 2022 to June 2023	10% of contract amount	0.323
		PST		5% of contract amount	0.162
Total					**1.131**

Audit held that parking stand fee was not recovered due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that letters were issued to the contractor to deposit the outstanding amount. The reply was not tenable as no recovery was made from the contractor.

DAC in its meeting held on 16th December 2023 directed for recovery besides initiation of process of black listing the contractor and inquiry to fix responsibility. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 7.4.14 having financial impact of Rs 1.423 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 19]

CHAPTER 8

DISTRICT HEALTH AUTHORITY KASUR

8.1 Introduction

a) There are 26 formations in DHA Kasur out of which audit of 05 formations was conducted. Total expenditure and receipt of these formations was Rs 1,569.041 million and 8.368 million respectively out of which 22% of expenditure and 37% of receipts were audited.

Audit Profile of DHA Kasur

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipt Audited
1	DHA Kasur	26	05	345.180	3.096
2	Assignment Acs /SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Kasur was Rs 4,617.291 million and supplementary grant was Rs 590.439 million for the FY 2022-23. An amount of Rs 993.176 million was surrendered and final budget was Rs 4,214.554 million. Management incurred an expenditure of Rs 3,226.786 million resulting in saving of Rs 987.770 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	3,184.08	235.94	771.653	2,648.367	2,493.903	-154.464
Non-Salary	1,397.314	351.140	220.846	1,527.608	727.921	-799.687
Development	35.897	3.359	0.677	38.579	4.962	-33.617
Total	**4,617.291**	**590.439**	**993.176**	**4,214.554**	**3,226.786**	**-987.768**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	3,410.041	2,797.895	-612.146	18
2022-23	4,214.554	3,226.786	-987.768	23

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 24% increase in budget allocation and 15% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 987.768 million during FY 2022-23 which is 23% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Kasur for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. However, DHA Kasur was not given targets vis-à-vis indicators by the Health Department.

Sr. No.	Key Indicators	Targets	Achievements
1	Outdoor Patients	-	5,080,896
2	Indoor Patients	-	260,483
3	Surgical Cases	-	3,559
4	Cardiac Coronary Unit	-	-
5	Diagnostic Services (Laboratory , Radiology)	-	88,190
6	Family Planning Activities	-	146,556
7	Peads	-	-
8	Surgery	-	44,992
9	T.B Chest Treatments	-	32,587

10	Free Medicines to Patients	-	-

Source: DHIS dashboard of DHA Kasur

ii. Service Delivery Issues

In view of the above table, it, prima facie, appears that DHA Kasur was required to be given targets for achievement.

8.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 162.289 million were raised in this report during current audit of DHA Kasur. This amount also includes recoveries of Rs 20.390 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount placed under audit observation**
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**

B	Procurement related irregularities	78.430
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	76.653
Total		**162.289**

8.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	28	Not convened
2	2018-19	25	
3	2019-20	11	
4	2020-21	18	
5	2021-22	8	
6	2022-23	09	

8.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

8.4.1 Overpayment of pay & allowances - Rs 7.206 million

According to P&SHC Department, Government of the Punjab, Notification No. PO(P&E-I) 19-113/2004 dated 13.04.2007, HSRA is not admissible to doctors (other than specialist doctors) & staff posted at normal DHQ Hospitals. According to the Government of Punjab, Health Department's order No. SO(N.D)2-26/2004(P.II), NPA is admissible only to those doctors who do not opt for private practice. According to Rule 1.15(2) of PTA Rules 1976, conveyance allowance falling under Rule 1.14(ii) will be admissible only for the period during which the civil servant held the post to which the conveyance allowance is attached and will not be admissible during leave or joining time.

During audit of DHA Kasur for the FY 2022-23, it was observed that the management made an overpayment of Rs 7.206 million of different allowances such as HSRA, NPA, house rent allowance and conveyance allowance to 134 officers & officials in violation of rules. This resulted in overpayment of Rs 7.206 million as detailed below:

Rs in million

Sr. No.	Formation Name	Subject	No. of employees	Amount
1	DHQ Hospital Kasur	NPA	02	0.536
		House rent allowance, conveyance allowance and 5% maintenance charges	22	2.039
		HSRA	07	0.172
		Practice Compensatory Allowance	04	0.668
		Conveyance allowance during leave	25	0.375
2	THQ Hospital Chunian	Pay & allowances during leave	13	0.582
3	THQ Hospital Pattoki	HSRA	61	2.834
Total			**134**	**7.206**

Audit held that overpayment were made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that recovery had been initiated.

DAC in its meeting held on 20th December 2023 directed for complete recovery. No further progress was reported till finalization of this report.

Audit recommends immediate recovery of overpayments besides fixing of responsibility on persons at fault.

[PDP No. 23, 26, 27, 28, 30, 37 & 52]

B) Procurement related irregularities

8.4.2 Irregular payment of pending liabilities Rs 5.302 million

According to Rule 17.17(A) and 17.18 of PFR Vol-I, every disbursing officer shall maintain a register of liabilities in PFR Form-27 in which he should enter all these items of expenditure for which payment is to be made by or through another officer, budget allotment or sanction of a higher authority is to be obtained or payment would be required partly or wholly during the next financial year or years.

During audit of CEO DHA Kasur for the FY 2022-23, it was observed that management paid liabilities of Rs 5.302 million pertaining to the FY 2021-22 without approval of the next higher authority. This resulted in irregular payment of pending liabilities of Rs 5.302 million as detailed below:

Rs in million

Invoice No.	Invoice Date	Vendor Name	Item	Amount
1271	24/06/22	Hashir Surgical Services	IV Canola within	1.682
3285			Surgical Face Mask	0.694
3275			IV Canola with injection port Size 22G	1.294
3272			IV Canola with injection port Size 18G	0.336
K/22/CM I/01274	28/06/22	Essity	Gypsona plaster of Paris Bandages	1.294
Total				**5.302**

Audit held that irregular payment of pending liabilities was made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that medicines were received just before closing of the year. The reply of the department was not tenable as approval of the next higher authority was not obtained and form-27 of PFR was not maintained.

DAC in its meeting held on 20th December 2023 directed to regularize the expenditure from competent authority. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing of responsibility on officer(s) at fault.

[PDP No. 10]

8.4.3 Irregular utilization of emergency funds - Rs 6.129 million

According to Para 2(xxi) of policy and operational guidelines for local purchase of medicine circulated vide letter No. PSHD-TCO-I(M)6-14/2017 dated 16-12-2017 of P&SHC Department, Government of the Punjab, disasters and emergencies have different set of rules and SOPs and these can be handled as per provision of emergency as defined under PPR, 2014.

During audit of DHQ Hospital, Kasur for the FY 2022-23, it was observed that the management utilized the budget of Rs 6.133 million allocated for purchase of medicine in case of emergency. Scrutiny of record further revealed that no appropriate forum declared emergency as per PPR 2014. This resulted in irregular utilization of emergency funds of Rs 6.129 million as detailed at **Annexure-I**.

Audit held that emergency funds were irregularly utilized due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that medicines were purchased to cope with emergencies of three to four thousand patients. Reply was not tenable as the budget was allocated for natural disasters / calamities and not for emergency ward.

DAC in its meeting held on 20th December 2023 directed to submit revised reply. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing of responsibility on officer(s) at fault.

[PDP No. 17]

8.4.4 Irregular purchase of LP medicines - Rs 36.565 million

According to Para 2(iii) of P&SHC department, Government of the Punjab, letter No. SO(HP)12-02/2022 dated 29.06.2022, LP is allowed for emergencies and indoor patients department on the prescription of authorized consultants or the medical officers. LP from registered pharmacy will be patient specific on day-to-day basis.

During audit of following formations of DHA Kasur for the FY 2022-23, it was observed that management incurred an amount of Rs 36.565 million on purchase of LP medicines. Scrutiny of record further revealed that the LP medicines were purchased in bulk instead of day-to-day requirement. Audit was of the view that if medicine were to be purchased in bulk it should be through open competitive bidding not on MRP rates. Further, shortage of items were found during verification of consumption record of disposables i.e. IV-cannulas, IV-sets and syringes etc. It was revealed that consumption of these items were not on record in expense books. Furthermore, patients record was not maintained properly as CNIC, Cell No., and address was not entered in patient register at THQ Hospital

Pattoki. This resulted in irregular purchase of LP medicine worth Rs 36.565 million and huge loss to exchequer as retail price ought to be higher than bulk purchase. The detail is as under:

Rs in million

Sr. No.	Name of Health Facility	Amount of LP Medicine for store purposes
1	DHQ Hospital Kasur	24.991
2	THQ Hospital Chunian - Cardiac Center	2.633
3	THQ Hospital Pattoki	8.941
Total		**36.565**

Audit held that irregular purchase was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that LP medicine was purchased as per government policy. The reply was not tenable as the doctors' prescription was not available, moreover, the medicines were purchased in bulk in violation of the policy.

DAC in its meeting held on 20th December 2023 directed to inquire the matter and submit detailed justification with supporting evidence. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing of responsibility on person(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para number 2.4.1.2 and 8.4.2 having financial impact of Rs 27.208 million and Rs 23.026 million respectively. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 18, 43 & 46]

8.4.5 Irregular award of contract - Rs 3.307 million

As per Rule 4 of PPR 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of THQ Hospital Pattoki for the FY 2022-23, it was observed that the management awarded contract for laundry services of Rs 3.307 million to second lowest bidder. Scrutiny of record further revealed that the management issued award letter to first lowest bidder i.e. M/S Baraka with direction to submit performance guarantee within three days. However, the management awarded the contract to M/S Pak Japan Dry Cleaners the very next day at 90% higher rates without mentioning any reason. This resulted in irregular award of contract for laundry services of Rs 3.307 million.

Audit held that contract was irregularly awarded due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that process for blacklisting of the contractor had been initiated. Reply was not tenable because no documentary evidence was provided in support of reply.

DAC in its meeting held on 20th December 2023 directed to confiscate the bid security of the defaulting contractor and provide comparative statement to verify the correctness of the rates offered by the Pak Japan Dry Cleaners. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 48]

8.4.6 Non-supply of medicines - Rs 24.494 million

According to Rule 9(b) of PDA (Accounts) Rules, 2017, the DDO or payee of pay & allowances, contingent or any of the other expense signing and authorizing the payments shall be personally responsible for any erroneous payment and shall be liable to make good the loss.

During audit of DHQ Hospital Kasur for the FY 2022-23, it was observed that the management issued purchase orders of Rs 24.494 million to seven different suppliers. Scrutiny of record revealed that suppliers failed to supply the medicine within stipulated time period. However, the management neither forfeited performance guarantee nor penalized the suppliers. This resulted in non-supply of medicine of Rs 24.494 million.

Audit held that medicines were not supplied by the suppliers due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that payment to the highlighted firms were not made yet, therefore penalty amount would be deducted at the time of payment. Reply was not tenable as management failed to initiate action against the firm under PPRA Rules.

DAC in its meeting held on 20th December 2023 directed to confiscate the performance security besides blacklisting the defaulters in case of non-supply of medicine. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 20]

8.4.7 Irregular award of contract - Rs 2.633 million

According to Rule 4 of PPR 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of Cardiac Center Chunian Kasur for the FY 2022-23, it was observed that the management awarded contract for purchase of LP medicine of Rs 2.633 million to M/S AG&S Pharmacy. Scrutiny of record revealed that the closing time for submission of bids was 10:00 am, 03.11.2022. However, M/S AG&S Pharmacy purchased stamp papers after the closing time of bid submission. The management did not cancel the bid of M/S AG&S Pharmacy. Moreover, the management awarded the contract of disposable items at 10% discount as compared to 12% discount offered by M/S Arian Pharmacy. This resulted in irregular award of contract of Rs 2.633 million.

Audit held that contract was irregularly awarded due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that no pharmacist was available, the discount was obtained as per policy and LP was purchased as per demand. The reply was not tenable because the management cancelled the lowest bid without any justification.

DAC in its meeting held on 20th December 2023 directed to regularize the expenditure besides recovery of overpaid amount of less discount on medicines. No further progress was reported till finalization of this report.

Audit recommends fixing of responsibility on officer(s) at fault besides recovery of overpaid amount.

[PDP No. 42]

C) Others

8.4.8 Irregular utilization of conditional grants - Rs 58.081 million

According to Rule 24 of PDA (Budget) Rules 2017, all conditional grants should be budgeted and utilized in accordance with the condition of the grant.

During audit of DHA Kasur for the FY 2022-23, it was observed that the management utilized conditional grants of Rs 58.081 million for other purposes in violation of rules ibid. This resulted in irregular utilization of conditional grants of Rs 58.081 million as detail below:

Rs in million

Sr. No.	Description	Sub total	Amount
1	Cash Balance of DHA Kasur	-	19.089
2	Balance of Public A/C liabilities	-	(6.017)
Consolidated Fund Balance of DHA		-	13.072
a	Balance of Tied grants shown in Budget book (six schemes)	28.572	
b	Balance of tied grant of financial assistance and leave encashment	32.627	
c	National Campaign on Covid-19 vaccines (Feb 2022)	24.231	
d	National Campaign on Covid-19 vaccines (20^{th} June to 4^{th} July 2022)	14.295	**(71.153)**
Total			**(58.081)**

Audit held that conditional grants were utilized for other purposes due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that conditional grants might had been utilized for payments of salaries. Moreover reconciliation was under process. The reply of the department was not tenable as the management failed to exercise the budgetary controls and control mis-use of tied grants.

DAC in its meeting held on 20th December 2023 directed to recoup the funds for tied grants besides improving budgetary controls over use of tied grants. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing of responsibility on the officer(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for Audit Year 2021-22 and 2022-23 vide para number 2.4.2.1 and 8.4.8 having financial impact of Rs 159.414 million and Rs 117.60 million respectively. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 06]

8.4.9 Unjustified expenditure on publicity - Rs 11.551 million

According to General Instructions contained in Para-G of Revised Advertisement Policy 2012, all advertisements and promotional campaigns shall be routed through the Director General Public Relations (DGPR) Punjab.

During audit of DHA Kasur for the FY 2022-23, it was observed that the management incurred expenditure of Rs 11.175 million on advertisements and publicity without involvement of DGPR. Moreover, the department failed to produce requisition for placement of advertisement in local newspapers on regular basis. Further, comparison of the expenditure with other DHAs showed that DHA Kasur incurred 102% higher expenditure than the average expenditure of four adjoining districts. The average expenditure on advertisement & publicity in five DHAs was Rs 5.53 million. This resulted in unjustified expenditure of Rs 11.551 million as detailed below:

Rs in million

DHA	Expenditure	Variance Excess (+) / Less (-) from Average Expenditure of 5 Districts
Kasur	11.551	102%
Lahore	4.523	-18%
Nankana	6.760	22%
Okara	4.335	-22%
Sheikhupura	0.880	-84%

Audit held that unjustified expenditure on advertisement was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that budget was allocated as per demand of DDOs and expenditure was incurred accordingly. The reply was tenable as expenditure was incurred without any justification.

DAC in its meeting held on 20th December 2023 directed CEO Health Kasur to conduct inquiry besides stopping payments till completion of inquiry. It was further directed that in future advertisements be published in registered newspapers through DGPR only as per need assessment. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision and regularization of expenditure.

[PDP No. 11]

8.4.10 Non-imposition of penalty - Rs 1.056 million

According to Labour & HR Department Notification No. SO(D-II) MW/2011(Vol-VI) dated 22.06.2022, the minimum wage rate for financial year 2022-23 is Rs 25,000 per month & according to Section 1.31 & 1.32 of agreement between M/S CAIDS marketing and the P&SHC department, the service provider should ensure payment of minimum wages to the staff as notified by the government. Moreover, the service provider will disburse salary through e-channel. Moreover, as per sr. no. 5 of the contract, the management was required to impose penalty of Rs 3,000 per person plus difference of wage rate.

During audit of DHQ Hospital Kasur for the FY2022-23, it was observed that M/S CAIDS Marketing did not pay the minimum wages @ Rs 25,000 per month as notified by the government to staff through e-channels. M/S CAIDS Marketing paid Rs 3.471 million per month. The minimum penalty of Rs 3,000 was required to be imposed by the authorities but service provider was not penalized. This resulted in non-imposition of penalty of Rs 1.056 million as detail below:

Rs in million

Name of Firm	**Total No. of Staff**	**Per month penalty**	**No of Months**	**Amount**
CAIDS Marketing	88	0.264	4	1.056

Audit held that penalty was not imposed due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that DHQ Hospital Kasur had not paid any amount on account of janitorial services. The PMU had outsourced the services of janitorial. The reply was not tenable as the management was required to impose penalty as per the contract agreement.

DAC in its meeting held on 20th December 2023 directed to write letter to the contractors for recovery of penalty and enforce contract in letter and spirit. No further progress was reported till finalization of this report.

Audit recommends imposition of penalty and its recovery from the contractors at the earliest.

[PDP No. 24]

8.4.11 Excess utilization of LP medicine budget - Rs 5.965 million

According to Para 2(xiii) of notification No. PSHD-TCO-I (M)6-14/2017 dated 16.12.2017of P&SHC department, Government of the Punjab, local purchase be made within prescribed limit of 15% of the total budget of medicines.

During audit of DHA Kasur for the FY 2022-23, it was observed that funds of Rs 8.851 million were allocated for purchase of LP medicine, whereas, management incurred an amount of Rs 14.806 million on purchase of LP medicines in excess of budget. This resulted in irregular expenditure of Rs 5.965 million as detail below:

Rs in million

Name of Hospital	Financial Year	Total Medicine Budget	LP Medicine budget	LP Exp.	Excess Expenditure
		A	**B=15% of A**	**C**	**C-B**
Aziz Bibi Hospital	2021-22	23.980	3.597	7.372	3.775
	2022-23	27.328	4.099	4.811	0.712
Cardiac Center	2022-23	7.698	1.155	2.623	1.478
Total		**59.006**	**8.851**	**14.806**	**5.965**

Audit held that irregular expenditure on purchase of medicine was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that LP medicines were purchased as per requirement. The reply was not tenable as the management utilized LP medicine budget over and above allocation.

DAC in its meeting held on 20th December 2023 directed for regularization of expenditure. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing of responsibility on officer(s) at fault.

[PDP No. 32 & 41]

CHAPTER 9

DISTRICT HEALTH AUTHORITY LAHORE

9.1 Introduction

a) There are 32 formations in DHA Lahore out of which audit of 06 formations was conducted. Total expenditure of these formations was Rs 3,285.911 million and Rs 11.048 million respectively out of which 31% expenditure and 69% receipt were audited.

Audit Profile of DHA Lahore

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipt Audited
1	DHA Lahore	32	06	1,018.630	7.640
2	Assignment Acs /SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Lahore was Rs 5,359.083 million and supplementary grant was Rs 1,296.248 million for the FY 2022-23. An amount of Rs 836.381 million was surrendered and final budget was Rs 5,818.950 million. Management incurred an expenditure of Rs 5,719.336 million resulting in saving of Rs 99.614 million. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	4763.18	1202.085	749.144	5,216.121	5186.365	-29.756
Non-Salary	566.622	87.050	87.237	566.435	510.621	-55.814
Development	29.281	7.113	0	36.394	22.35	-14.044
Total	**5,359.083**	**1,296.248**	**836.381**	**5,818.950**	**5,719.336**	**-99.614**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	5,577.398	5,558.150	-19.248	0.3
2022-23	5,818.950	5,719.336	-99.614	02

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 4% increase in budget allocation and 3% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 99.614 million during FY 2022-23 which is 02% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Lahore for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. However, DHA Lahore was not given targets vis-à-vis indicators by the Health Department

Sr. No.	**Key Indicators**	**Targets**	**Achievements**
1	Outdoor Patients	-	3,525,551
2	Indoor Patients	-	85,344
3	Surgical Cases	-	36,501
4	Cardiac Coronary Unit	-	15,839
5	Diagnostic Services (Laboratory, Radiology)	-	406,550
6	Family Planning Activities	-	99,998
7	Peads	-	35,852
8	Surgery	-	45,551
9	TB Chest Treatments	-	10,252

Sr. No.	Key Indicators	Targets	Achievements
10	Free Medicines to Patients	-	-

Source: DHIS dashboard of DHA Lahore

ii. Service Delivery Issues

In view of the above table, it, prima facie, appears that DHA Lahore was required to be given targets for achievement.

9.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 1,065.485 million were raised in this report during current audit of DHA Lahore. This amount also includes recoveries of Rs 209.146 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	
2	Fraud, embezzlement, and misappropriation	197.795
3	**Irregularities:**	
A	HR/Employees related irregularities	145.690
B	Procurement related irregularities	172.885
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	150.238
5	Others	398.877
Total		**1,065.485**

9.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	28	Not convened
2	2018-19	21	
3	2019-20	17	
4	2020-21	16	
5	2021-22	33	
6	2022-23	14	

9.4 AUDIT PARAS

A) Fraud, Embezzlement and Misappropriations

9.4.1 Double drawl of salary by contingent paid staff - Rs 40.713 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure, or any other expense shall be personally responsible for any overcharge, fraud, or misappropriation and shall be liable to make good that loss.

During audit of DHA Lahore for the FY 2021-23, it was observed that Deputy District Health Officers (DDHO) hired different batches of contingent paid staff for polio and dengue activities and paid Rs 40.713 million. Scrutiny of record revealed that management entered twice and thrice the same candidates with same names and CNICs in the same appointment orders/acquaintance rolls to draw double or triple salary and embezzled amount. This resulted in a double drawl of salary of Rs 40.713 million as detailed at **Annexure-J**.

Audit held that double drawl of salary was due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the irregularity was being scrutinized and the report would be submitted. Reply was not tenable because department did not provide any justification.

DAC in its meeting held on 9th December 2023 directed to inquire the matter. No further progress was reported till finalization of this report.

Audit recommends recovery besides initiation of inquiry at the administrative department level to fix responsibility on the official(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2020-21 & 2022-23 vide para number 11.5.2.1.5 & 9.4.2 having a financial impact of Rs 23.323 million and Rs 20.636 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 78, 83, 89, 121, 122, 123, 135 & 162]

9.4.2 Mis-appropriation of overdrawn salaries - Rs 19.663 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure, or any other expense shall be personally responsible for any overcharge, fraud, or misappropriation and shall be liable to make good that loss.

During audit of DHA Lahore for the FY 2021-23, it was observed that an amount of Rs 126.714 million was drawn from the government treasury on account of the salary of contingent paid staff. Scrutiny of the record revealed that an amount of Rs 107.051 million was paid and the remaining amount of Rs 19.663 million was misappropriated. This resulted in misappropriation of overdrawn salaries as detailed below:

Rs in million

DDHO Aziz Bhatti Town				
Batch	**No. of employees**	**Amount drawn from treasury**	**Amount paid**	**Amount misappropriated**
240, 350, 210, 140, 50, 230	801	54.733	43.997	10.736
DDHO Nishter Town				
Period	**No. of employees**	**Amount to be paid @ Rs 60,795/ CPS**	**Amount paid**	**Amount misappropriated**
29.9.22 to 30.11.22	1184	71.981	63.055	8.926
Total		**126.714**	**107.052**	**19.662**

Audit held that non-disbursement of salary was due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that payment was made to the contingent paid staff after fulfilling all codal formalities. The reply was not tenable because management drew Rs 54.733 million from government treasury for payment to contingent paid staff out of which Rs 43.997 million were paid through open cheques and remaining amount of Rs 10.736 million was not disbursed.

DAC in its meeting held on 9th December 2023 directed to inquire the matter. No further progress was reported till finalization of this report.

Audit recommends recovery besides initiation of inquiry at the department level to fix responsibility on the official(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 9.4.3 having financial impact of Rs 9.585 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 91 & 145]

9.4.3 Misappropriation of overdrawn salary of absence period - Rs 11.552 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss.

During audit of DDOH Nishter Town Lahore for the FY 2022-23, it was observed that the management withdrew Rs 74.290 million on account of the salary of 865 contingent paid staff hired for 89 days for the period from 01.07.2022 to 27.09.2022. However, as per attendance register, 398 employees remained absent for 11,971 days and payment of Rs 11.552 million was paid for absence period. This resulted in misappropriation of salary of absence period of Rs 11.552 million.

Audit held that salary of absence period was misappropriated due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the letter was written to the Ex-DDOH and Ex-Junior Computer Operator to provide the record. Reply was not tenable because it was the duty of the incumbent management to submit justification.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at the administrative department level. No further progress was reported till finalization of this report.

Audit recommends recovery besides initiation of inquiry at administrative department level to fix responsibility on the official(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 9.4.4 having financial impact of Rs 115.220 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 141]

9.4.4 Misappropriation of funds due to double hiring of contingent paid staff - Rs 46.689 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of DHA Lahore for the FY 2022-23, it was observed that the management hired the same contingent paid staff for the same period in different towns and misappropriated an amount of Rs 46.689 million. This resulted in misappropriation funds of Rs 46.689 million due to the double hiring of contingent paid staff in different towns as detailed at **Annexure-K**.

Audit held that funds were misappropriated due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that DDOHs were concerned only with the staff hired and paid for their towns only and the duplication with other towns was not known. Reply was not tenable because the management did not submit justification for double hiring.

DAC in its meeting held on 9th December 2023 directed to inquire about the matter at the administrative department level. No further progress was reported till finalization of this report.

Audit recommends recovery besides initiation of inquiry at the administrative department level to fix responsibility on the official(s) at fault.

[PDP No. 79, 92 & 160]

9.4.5 Misappropriation of contingent paid staff payments by DHA employees - Rs 36.600 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure, or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss. According to Rule 4(1)(a&b) of the Rules ibid, the mode of payments from the local fund of the District Authority shall be that the payments up to rupees one thousand may be made in cash and exceeding rupees one thousand shall be made through crossed non-negotiable cheque.

During audit of DDOH Aziz Bhatti Town Lahore for the FY 2021-23, it was observed that the management issued cheques of Rs 36.600 million to contingent paid staff. However, scrutiny of bank statements and acquaintance rolls revealed that these cheques were encashed by the regular employees of DHA. Further, an amount of Rs 0.858 million was credited to DDO's account by Mr. Moosa Hassan, Naib Qasid without any justification. This resulted in misappropriation of Rs 36.600 million on account of payment to contingent paid staff as given below:

Rs in million

Sr. No.	Name of payee	Designation	Amount drawn
1	Moosa Hassan	Beldar	30.470
2	Muhammad Javaid	Naib Qasid	0.310
3	Muhammad Ramzan	Stretcher Carrier	2.015
4	Muhammad Waqas	Ward servant	1.234
5	Shahbaz Ali	Junior Technician	1.558
6	Syed Muazzam Abbas	Computer operator	1.013
Total			**36.600**

Audit held that the contingent paid staff payments were misappropriation due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the majority of the contingent paid staff did not have their bank accounts and these cheques were encashed by the employees of DDOH and made payments accordingly. The reply was not satisfactory because as per acquaintance roll, cheques from DDO's account were issued in favor of contingent paid staff whereas as per bank statement these cheques were withdrawn by the officials of the DDOH office / DHA Lahore.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at department level. No further progress was reported till finalization of this report.

Audit recommends that matte be inquired by administrative department for fixing of responsibility on the officer(s) at fault.

[PDP No. 98]

9.4.6 Fraudulent hiring and payment of contingent paid staff - Rs 30.093 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of DHA Lahore for the FY 2022-23, it was observed that CEO DHA Lahore sanctioned hiring of a batch of 1,188 contingent paid staff to DDOH Allama Iqbal Town vide order no. 8652/DNG dated 27.9.22 for Anti Dengue Campaign. Scrutiny of record further revealed that the same order was tempered by DDOH Wahga Town to hire 495 contingent paid staff in two different batches. This resulted in fraudulent hiring and payment of Rs 30.093 million as detailed below:

Rs in million

Sr. No.	Order No. / dated	Total workers	Amount
1	1377/ DDHO/WZ dt 29.9.22	350	21.278
2	1377/A-/DDHO/WZ dt 29.9.22	145	8.815
Total			**30.093**

Audit held that fraudulent hiring and payment to contingent paid staff were made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department neither submitted any reply nor attended the DAC meeting.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at the administrative department level. No further progress was reported till finalization of this report.

Audit recommends recovery besides initiation of inquiry at the administrative department level to fix responsibility on the official(s) at fault.

[PDP No. 81]

9.4.7 Fraudulent payment to regular employees - Rs 2.781million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud, or misappropriation and shall be liable to make good that loss.

During audit of DHA Lahore for the FY 2022-23, it was observed that the management hired regular employees of authority as contingent paid staff and made payment of Rs 2.781 million as wages. This resulted in fraudulent payment to regular employees of Rs 2.781 million as detailed at **Annexure-L**.

Audit held that fraudulent payment to regular employees was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the irregularity was being scrutinized and the report would be brought to the notice of audit. Reply was not tenable because the management did not submit justification.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at the department level. No further progress was reported till finalization of this report.

Audit recommends recovery besides initiation of inquiry at administrative department level to fix responsibility on the official(s) at fault.

[PDP No. 80, 90 & 143]

9.4.8 Fraudulent payment to contingent paid staff - Rs 4.624 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss.

During audit of DDHO Aziz Bhatti Town Lahore for the FY 2021-23, it was observed that an amount of Rs 0.413 million was drawn for disbursement to six contingent paid staff engaged for 89 days w.e.f. 01.04.22 to 28.06.22. However, scrutiny of the bank statement revealed that the management paid an irrationally huge amount of Rs 5.037 million through open cheques to contingent paid staff. This resulted in fraudulent payment of Rs 4.624 million as detailed below:

Rs in million

Disbursement Sr. No.	Name of employee	CNIC	Amount due	Amount paid through DDO	Excess payment
63	Kamran Liaqat	34501-0233705-9	0.069	0.850	0.781
64.	Khalida Parveen	35201-1423771-6	0.069	0.980	0.911
222	Sohaib Ali	35201-7090179-5	0.069	0.262	0.193
223	Ali Shan	35201-3293261-1	0.069	0.970	0.901
224	M Adan	35201-9405502-3	0.067	0.980	0.912
225	Sajida Parveen	31302-2057518-6	0.069	0.995	0.926

Audit held that fraudulent payment made to contingent paid staff was due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the irregularity was being scrutinized and the report would be brought to the notice of audit. Reply was not tenable because the management did not submit justification.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at department level. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter besides fixing responsibility on officer(s) at fault.

[PDP No. 104]

9.4.9 Fraudulent withdrawal of contingent paid staff funds through encashed cheques - Rs 4.251 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss.

During audit of DDHO Aziz Bhatti Town Lahore for the FY 2021-23, it was observed that the management withdrew an amount of Rs 28.556 million to pay contingent paid staff. Scrutiny of acquaintance roll, appointment orders and bank statements revealed that the management entered already encashed cheque numbers of Rs 4.251 million in acquaintance roll that had already been encashed in previous batches as well.

The management mis-appropriated Rs 4.251 million. This resulted in fraudulent withdrawal through encashed cheques of Rs 4.251 million as detailed at **Annexure-M.**

Audit held that fraudulent withdrawal of contingent paid staff funds through encashed cheques was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the irregularity was being scrutinized and report would be brought to the notice of audit. Reply was not tenable because the management did not submit justification.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at department level. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter besides fixing of responsibility on the officer(s) at fault.

[PDP No. 102, 105 & 112]

9.4.10 Fraudulent hiring and payment of contingent paid staff - Rs 0.829 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss.

During audit of DDOH Aziz Bhatti Town, Lahore, it was observed that CEO (DHA) Lahore sanctioned hiring of 43 contingent paid staff for polio control activities vide order No. 24153-59/E dated 08.09.2021. Scrutiny of record revealed that the management of Aziz Bhatti Town hired following twelve contingent paid staff without the approval of CEO DHA Lahore and made payment of Rs 0.829 million @ Rs 69,000. This resulted in fraudulent hiring and payment of Rs 0.829 million.

Sr. No.	Name of CPS as per CEO Orders	Name of CPS hired by Town
1	Syed Shah Fahad Sajjad s/o Sajjad Husain Shah	M. Adil Tabasum s/o Zafar Iqbal
2	M. Azeem Ishtiaq s/o Ishtiaq Ahmad	Novail Saroya s/o Sheeda Masih
3	Nayab Afza d/o Sarfraz Ali	M. Arslan s/o M. Yaqoob
4	Ahsan s/o M. Ishaq	M. Mujahid s/o M. Ashraf
5	Kamail Javaid s/o Javaid iqbal	Esha d/o M. Abbas
6	M. Kamran s/o Ghulam Muhammad	Saba Sadiq d/o Sadiq

Sr. No.	Name of CPS as per CEO Orders	Name of CPS hired by Town
7	M. Awais s/o Ali Jan	Sobia Latif d/o M. Latif
8	Nazia Kausar d/o Allah Ditta	Iram Shahzadi d/o M. Haroon Akhtar
9	Javed Raza s/o Zahoor-ud-Din	Talha Ayub s/o M. Ayub
10	Qasim Mehmood s/o Azhar Mehmood	Mubashar Ali s/o Abdul Hameed
11	Shameer Ali s/o Muhammad Younis	M. Sarwar Iqbal s/o M. Iqbal
12	Shahzad Ali s/o M. Aslam	Huriya d/o M. Rafi

Audit held that fraudulent hiring and payment was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that few contingent paid staff discontinued the field activities and they were replaced with other contingent paid staff for smooth functioning of field activities. Reply was not tenable because the management hired the staff without approval of CEO.

The reply was not tenable because DDOH made payment to the bogus persons who were not included in the list of recruitment orders by tempering the acquaintance roll.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at the department level. No further progress was reported till finalization of this report.

Audit recommends recovery besides initiation of inquiry at the administrative department level to fix responsibility on the official(s) at fault.

[PDP No. 93]

B) Human Resource / Employees related irregularities

9.4.11 Non-transparent hiring of contingent paid staff

As per Supreme Court of Pakistan Ruling dated 19.01.1993, passed in Human Rights case No. 104 (I to IV) 1992 read with Government of the Punjab S&GAD notifications No. SOR-III-2-2/91 dated 05.10.1995 and No.DS(O&M)53/2004/ Contract (MF) dated 29.12.2004, no recruitment should be made against any post which is not advertised properly.

During audit of DHA Lahore for the FY 2022-23, it was observed that management appointed contingent paid staff without fulfillment of codal formalities such as advertisement in newspaper through DGPR, formulation of selection criteria, minutes of meeting of selection committee and merit list etc. Moreover, the management did not provide CNIC numbers of candidates in violation of CEO DHA sanction orders. In one such case in Allama Iqbal town, bogus advertisement published on 24.09.2023 in daily newspaper Insaaf was provided to audit, whereas applications for hiring of contingent paid staff were called up to 28.8.2022 and hired on 29.09.2022. Further, the CEO accorded sanction of 1,188 staff while the management hired 1,477 employees. The sanction of hiring of an additional 289 staff was not obtained. Similarly, CEO accorded sanction of 471 staff, whereas, DDOH Aziz Bhatti Town hired 578 staff. The sanction of hiring of additional 107 staff was not obtained. This resulted in non transparent hiring of contingent paid staff as detailed below.

Rs in million

Sr. No.	Name of Formation	Batches 89 days each	Amount
1	DDHOs Ravi, wahga, Samanabad, Shalimar, Data Gunj Bux, Gulberg	437, 766, 495, 983, 757, 807, 439, 459, 573, 423, 466	6.605
2	DDHO Aziz Bhatti	110, 30, 50, 210, 240, 350, 471, 460	3.896
3	DDHO Allama Iqbal Town	787, 1188	1.975
4	DDHO Nishter	1187, 765, 100	2.052
5	DDHO Cantt	125, 983, 1150, 230, 473, 300, 750	4.011

Total	18.539

Audit held that contingent paid staff was hired in a non-transparent manner due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that due to urgent nature of work, dengue workers were hired after proper approval from CEO office. The reply was not tenable because recruitments were made without fulfilling codal formalities.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at the department level. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing responsibility on the officer(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2021-22 & 2022-23 vide para number 3.4.1.1.1 & 9.4.6 having a financial impact of Rs 674.524 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 85, 86, 87, 88, 111, 113, 115, 132, 133, 155, 156, 158 & 159]

9.4.12 Irregular engagement of contingent paid staff - Rs 83.042 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss.

During audit of DHA Lahore for the FY 2021-23, it was observed that management hired contingent paid staff for Polio, Dengue and COVID-19 activities. Scrutiny of record further revealed that the staff was engaged on duty before issuance of appointment orders and an amount of Rs 83.042 million was paid to the staff. This resulted in irregular engagement of contingent paid staff and payment of Rs 83.042 million as detailed given below:

Rs in million

Name of Formation	Date of order	No. of staff	Per day salary	Period (days)	Amount
DDHO Cantt	04.10.2022	1,188	965	5	5.732
DDHO Iqbal Town	10.10.2022	787	965	89	67.591
DDHO Cantt	07.05.2022	70	689	25	1.533
DDHO Cantt	03.05.2022	115	689	62	7.952
Aziz Bhatti Town	08.09.2021	43	777	7	0.234
Total					**83.042**

Audit held that irregular engagement of contingent paid staff and payment was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the DDOHs hired contingent paid staff prior to the formal sanction of CEO on the verbal directions of CEO and payment was made as per duties performed. The reply was not satisfactory because contingent paid staff was hired before the sanction of CEO.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at department level. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing responsibility on the official(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 9.4.7 having financial impact of Rs 144.768 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 94, 114, 116, 161 & 163]

9.4.13 Overpayment of pay and allowances - Rs 11.291 million

According to the clarification issued by the Finance Department, Government of the Punjab vide No. FD.SR-1/6-4/2019 dated 05.04.2021, NPA is not admissible to doctors serving on administrative posts. According to letter dated 21.04.2014 of Government of Punjab, Finance Department, conveyance allowance is not allowed to officers availing facility of official vehicle. According to Health Department, Government of the Punjab Notification No. PO(P&E-I) 19-113/2004 dated 13.04.2007, HSRA is not admissible to doctors (other than specialist doctors) & staff posted at normal DHQ Hospitals. According to Rule 1.15(2) of PTA Rules 1976, conveyance allowance falling under Rule 1.14 (ii) will be admissible only for the period during which the civil servant held the post to which the conveyance allowance is attached and will not be admissible during leave or joining time.

During audit of following formations of DHA Lahore for the FY 2022-23, it was observed that the management over paid pay and allowances such as conveyance, house rent, HSRA etc. amounting to Rs 11.291 million to non-entitled officers and officials. This resulted in an overpayment of Rs 11.291 million as detailed below:

Rs in million

Sr. No.	Name of formation	NPA	Pay, CA, HRA, HSRA etc.
1	CEO (DHA) Lahore	0.384	4.895
2	MS GMMH	2.710	0.346

Rs in million

Sr. No.	Name of formation	NPA	Pay, CA, HRA, HSRA etc.
3	DDOH Aziz Bhatti Town	0.689	1.303
4	DDOH Nishter Town	0.271	0.060
5	DDOH Cantt	0.250	0.383
	Total	**4.304**	**6.987**

Audit held that overpayment of pay and allowances was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the matter was under consideration with P&SHC department regarding NPA and change forms had been submitted to AG office for recovery of pay and allowances.

DAC in its meeting held on 9th December 2023 directed for complete recovery. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility on the officers /officials at fault.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2021-22 & 2022-23 vide para number 3.4.1.1.2 and 9.4.9 having financial impact of Rs 22.981 million. Recurrence of same irregularity is a matter of serious concern

[PDP No. 63, 65, 74, 107, 108, 110, 127, 154, 167, 168, 169 & 178]

9.4.14 Doubtful payment of arrears to contingent paid staff - Rs 3.289 million

According to Rule 4(1)(a&b) of PDA (Accounts) Rules 2017, the mode of payments from the local fund of the District Authority shall be that the payments up to rupees one thousand may be made in cash and exceeding rupees one thousand shall be made through crossed non-negotiable cheque.

During audit of DDOH Ravi Zone Lahore for the FY 2022-23, it was observed that an arrear payment of Rs 3.289 million to contingent paid staff hired in FY 2021-22 was made in cash instead of cross cheques or e-channel in FY 2022-23. Moreover, the disbursement record, the contact details of contingent paid staff, the acquaintance roll and the bank statement were not maintained. This resulted in doubtful payment of arrears to contingent paid staff of Rs3.289 million.

Rs in million

Document No.& Date	Sanction order	Batch (89 days)	No of workers	Amount
1900012459/ 25.10.22	9937/ RZ / 19.10.22	01.07.21 to 27.9.21	200	1.566
1900005942/ 25.10.22	10008/RZ/ 24.10.22	15.07.21 to 11.10.21	220	1.723
Total				**3.289**

Audit held that doubtful payment of arrears to contingent paid staff was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department did not submit any reply.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at the administrative department level. No further progress was reported till finalization of this report.

Audit recommends investigation of the matter and fixing of responsibility besides recovery under report to audit.

[PDP No. 82]

9.4.15 Doubtful disbursement to contingent paid staff - Rs 13.559 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of DDOH Nishter Town for the FY 2022-23, it was observed that CEO DHA Lahore sanctioned hiring of 1,187 contingent paid staff w.e.f. 29.9.22 to 30.11.22. Scrutiny of record further revealed that the management of Nishter Town withdrew an amount of Rs 72.164 million for 1,187 contingent paid staff, whereas, a payment of Rs 58.607 million was made to 963 contingent paid staff in cash. Further, the acquaintance roll of the remaining 224 contingent paid staff amounting to Rs 13.559 million was not provided for verification. This resulted in doubtful disbursement of Rs 13.559 million to contingent paid staff as detail given below:

Rs in million

Sr. No.	Union Council	As per Order	As per acquaintance	Short	Amount paid per CPS	Unpaid Amount
1	137	100	38	62	0.061	3.769
2	138	40	22	18	0.061	1.094
3	139	100	64	36	0.061	2.189
4	140	49	42	7	0.061	0.426
5	141	48	42	6	0.061	0.365
6	142	29	22	7	0.061	0.426
7	143	113	70	43	0.061	2.614
8	144	37	22	15	0.061	0.912
9	145	24	22	2	0.061	0.122
10	146	29	22	7	0.061	0.426
11	147	43	22	21	0.061	1.216
Total		**612**	**388**	**224**		**13.559**

Audit held that doubtful disbursement to contingent paid staff was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that payment was made to 1,187 contingent paid staff. The reply was not tenable because 1,187 contingent paid staff were hired, whereas, payment was made to 963 contingent paid staff and the remaining amount Rs 13.559 million was not paid.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at the administrative department level. No further progress was reported till finalization of this report.

Audit recommends inquiry the matter at the administrative department level besides fixing responsibility on officer(s) at fault.

[PDP No. 142]

9.4.16 Irregular hiring of contingent paid staff - Rs 34.509 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud, or misappropriation and shall be liable to make good that loss.

During audit of DDHO Cantt for the FY 2021-22, it was observed that the management hired 550 contingent paid staff in five different batches for Anti Dengue, Polio Campaigns & COVID-19 (Corona Helpers) and paid Rs 34.509 million. Scrutiny of record revealed that the approval for hiring of contingent paid staff were not obtained from CEO. This resulted in irregular payment of Rs 34.509 million as detailed below:

Rs in million

Sr. No.	**Order No. / date**	**Total workers**	**Period**	**Amount**
1	241/DDHO Cantt dated 17.05.2021	125	17.05.2021 to 13.08.2021	7.665
2	463/DDHO Cantt dated 31.05.2021	125	01.06.2021 to 28.08.2021	7.665
3	465/DDHO Cantt dated 03.06.21	100	03.06.2021 to 30.08.2021	6.132
4	511/DDHO Cantt dated 30.06.21	100	01.07.2021 to 27.09.2021	6.132
5	513/DDHO Cantt dated 03.07.21	100	04.07.2021 to 30.09.2021	6.915
Total				**34.509**

Audit held that irregular payment without sanction was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that contingent paid staff were hired on the directions of Deputy Commissioner. The reply was not tenable because contingent paid staff was hired and paid without the sanction of CEO (DHA) Lahore.

DAC in its meeting held on 9th December 2023 directed to inquire the matter at the department level. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter at the administrative department level besides fixing of responsibility on officer(s) at fault.

[PDP No. 164]

C) Procurement related irregularities

9.4.17 Irregular purchase of medicine - Rs 147.927 million

According to clause 10 of prequalification notification No. 7207-17 dated 27.7.2022 issued by Director General Health Services (DGHS) Punjab, all prequalified firms shall participate in the bidding process of procuring agency under the administrative control of P&SHC department. In case of non participation, the department may debar the non-participating firms.

During audit of CEO DHA Lahore for the FY 2022-23, it was observed that the management incurred Rs 147.927 million on the purchase of medicines. The contractors for the supply of medicine were pre-qualified by the DG Health Services (DGHS), P&SHC department, Government of the Punjab. The examination of the comparative statement of DHA Lahore revealed that less than three prequalified bidders participated in the bidding process in violation of PPRA. This resulted in irregular purchase of medicine of Rs 147.927 million as detailed at **Annexure-N**.

Audit held that irregular purchase of medicines was made due to weak financial controls.

The matter was reported to the PAO in November 2023.The department replied that letter had been written to DGHS & the Secretary P&SHD Lahore about the blacklisting of bidders. Reply was not tenable because the management did not submit justification.

DAC in its meeting held on 9th December 2023 directed to blacklist the firms and circulate through PPRA to debar for future procurement. No further progress was reported till finalization of this report.

Audit recommends blacklisting of non-participating firms besides regularization of expenditure from the competent authority.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 9.4.10 having the financial impact of Rs 82.415 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 57]

9.4.18 Non-forfeiture of bid security - Rs 1.067 million

According to Section 41.1 of the bidding document for procurement of bulk medicine, before signing of framework contract, the successful bidder shall furnish a performance guarantee in the form of 2% of the awarded item(s), on the Form and in the manner prescribed by the procuring agency. According to Section 41.3 of the bidding document, failure to provide a performance guarantee by the bidder is a sufficient ground for annulment of the award and forfeiture of bid security.

During audit of CEO DHA Lahore for the FY 2022-23, it was observed that the following firms participated and won the tenders of

Rs 8.427 million but did not acknowledge the advance acceptance. However, the management did not forfeit bid security of Rs 1.067 million. This resulted in the non-forfeiture of bid security of Rs 1.067 million as detailed below:

Rs in million

Sr. No.	Tender Inquiry No.	Prequalification No.	Name of Firms	Amount	2% bid security
1	64	101	Wilshire	2.541	0.950
2	67	107	M/s Stanley (Pvt) Ltd	0.122	0.002
3	63	100	M/s Scilife Pharma	2.870	0.057
4	70	111	M/s Lisko Pakistan	0.962	0.019
5	78	126	M/s Axis	0.287	0.006
6	77	125	M/s Lisko Pakistan	0.593	0.012
7	145	284	M/s MTI, Medical	1.052	0.021
Total				**8.427**	**1.067**

Audit held that bid security was not forfeited due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that advance acceptance of tenders were not issued to the indicated firms. The reply was not tenable because the firms won the tenders but did not accept advance acceptance of tender and, therefore, contract was not executed but the management neither forfeited 2% bid security Rs 1.067 million nor blacklisted the firms.

DAC in its meeting held on 9th December 2023 directed to forfeit the earnest money besides blacklisting of firms. No further progress was reported till finalization of this report.

Audit recommends forfeiture of bid security besides fixing of responsibility on the officer(s) at fault.

[PDP No. 66]

9.4.19 Irregular expenditure on purchase of consumables and store items-Rs 20.158 million

As per Rule 15 of PPRA Rules 2014, a procuring agency may procure goods, services, or works through a framework contract to ensure uniformity in the procurement. The procuring agency shall adopt any of the methods of procurement mentioned in the rules for the purpose of entering into the framework contract. According to Rule 12 (1)(2) of the PPRA Rules 2014, all procurements over three hundred thousand rupees and up to the limit of two million rupees shall be advertised on the PPRA's website in the manner and format specified by regulation by the PPRA from time to time. According to rule 9 of PPRA 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned.

During audit of following formations of DHA Lahore for the FY 2021-23, it was observed that the management incurred an expenditure of Rs 20.158 million on the purchase of stores and consumables. The management did not prepare an annual procurement plan and incurred the whole expenditure on a piecemeal basis. This resulted in irregular expenditure of Rs 20.158 million as given below:

Rs in million

Sr. No.	**Name of Formation**	**Items**	**Expenditure**
1	CEO DHA Lahore	Hepatitis medical devices HBS + HCV, blood sugar strips etc.	0.796
2	Government Mian Meer Hospital Lahore	Emergency patient ticket OPD Registers, Computer papers, patient medical file, OPD list for pad etc.	10.904
3	DDOH Cantt	Stationery, printing, dengue stickers, uniform, advertising, etc	7.865
4	DDOH Allama Iqbal	Printing, uniform, stationery, etc	0.593
Total			**20.158**

Audit held that irregular expenditure was made due to weak financial controls.

The matter was reported to the PAO in November 2023.The department replied that annual demand cannot be generated as the budget was released on quarterly basis and purchases were ensured on a need basis. The reply was not tenable because expenditure was incurred on operating expenses by splitting the indents to avoid advertisement on PPRA's website without preparing annual procurement plan.

DAC in its meeting held on 9th December 2023 directed to probe the matter and fixing of responsibility besides regularization of expenditure. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing responsibility on the officer(s) at fault.

Note: The issue was also reported in the Audit Report for Audit Year 2022-23 vide para number 9.4.11 having financial impact of Rs 76.110 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 75, 129, 130, 165, 176 & 177]

D) Value for money and service delivery issues

9.4.20 Misuse of tied grants - Rs 144.040 million

According to Rule 24 of PDA (Budget) Rules 2017, all conditional grants should be budgeted and utilized in accordance with the condition of the grant.

During audit of CEO DHA Lahore for the FY 2022-23, it was observed that tied grants of Rs 383.824 million was reported in original budget of FY 2022-23 for development schemes, out of which Rs 17.250 million were utilized for development schemes. Scrutiny of bank statement of DHA Lahore revealed the closing balance of Account-VI of Rs 222.534 million instead of required closing balance of Rs 366.574 million. The difference amount of Rs 144.04 million was utilized for other purposes by DHA. This resulted in misuse of tied grants of Rs 144.04 million.

Audit held that tied grants were misused due to weak internal and financial controls.

The matter was reported to the PAO in November 2023.The department replied that tied grants were used for payment of pension, financial assistance etc. due to non-availability of funds. The reply was not tenable because tied grants were misused, moreover, the management did not submit documentary evidence in support of reply.

DAC in its meeting held on 9th December 2023 directed to regularize the expenditure. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 58]

9.4.21 Irregular expenditure on hiring of vehicles - Rs 6.198 million

According to Rule 12(1)(2) of the PPR 2014, all procurements over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified by regulation by the PPRA from time to time. Moreover, subject to Rule 13, any procurement exceeding three million rupees shall be advertised on the website of the authority, the website of the procuring agency, if any, and in at least two national daily newspapers.

During audit of DDHO Allama Iqbal Town Lahore for the FY 2022-23, it was observed that an expenditure of Rs 6.198 million was incurred on the hiring of Toyota Hiace (18 seater) without open competition through PPRA and without execution of contract agreement with M/S Sherazi Rent-a-Car. Vehicles rent was increased from Rs 9,000 per day to Rs 21,000 without any reason in writing during the same financial year. Further probe revealed that the management fraudulently overdrew Rs 0.500 million on account of rent for days 02nd November 2022, 19 & 29 September 2022 against which the rent was already paid. This resulted in irregular expenditure on hiring of vehicles of Rs 6.198 million as detailed below:

Rs in million

Sr. No.	Invoice No	Date	Qty	Per day rent	No. of days	Gross Amount
			A	B	C	A*B*C
1	2614	22.2.22	11	0.021	7	1.617
2	2597	2.11.22	10	0.009	7	0.630
3	2589	19.9.22	8	0.009	1	0.072
4	2591	29.9.22	8	0.009	1	0.072
5	2588	19.9.22	4	0.009	12	0.432
6	2625	31.5.23	4	0.009	12	0.432
7	2598	2.11.22	7	0.009	7, 2	0.396
8	2590	29.9.22	2	0.009	6	0.108
9	2611	14.1.23	11	0.009	7	0.693
10	2587	12.9.22	9	0.009	6	0.486
11	2586	29.8.22	10	0.009	7	0.630
12	2585	13.8.22	10	0.009	7	0.630
Total						**6.198**

Audit held that irregular expenditure on hiring of vehicles was incurred due to weak financial controls.

The matter was reported to the PAO in November 2023. The department neither submitted any reply nor attended DAC meeting.

DAC in its meeting held on 9th December 2023 directed to probe the matter at department level and submit report along with fixation of responsibilities and recovery duly supported with documentary evidence. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 128]

E) Others

9.4.22 Irregular expenditure without approval of austerity committee - Rs 398.877 million

As per Para 3(ii) of austerity measures' notification for the FY 2022-23 issued by Finance Department, Government of the Punjab vide letter No. FD.SO(GOODS)44-4/2022-23 dated 18.11.2022, department shall remain within the budgetary allocations for the purpose under object head A01277-contingent paid staff. Moreover, no additional funds as supplementary grant shall be provided for this head during FY 2022-23 and no re-appropriation shall be allowed / made without recommendations of the Austerity Committee.

During audit of DHA Lahore for the FY 2022-23, it was observed that the management revised the original budget Rs 696.438 million to Rs 1,105.086 million for contingent paid staff payments without approval of austerity committee. This resulted in irregular expenditure on contingent paid staff of Rs 398.877 million as detailed below:

Rs in million

Detail Item Desc	**Original Budget**	**Supplementary**	**Budget surrender**	**Final Budget**	**Budget Released**	**Actual Expenditure**	**Balance**
A01277-Contingent paid staff	696.438	473.68	-65.031	1105.086	1095.782	1095.315	9.771

Audit held that excess expenditure on contingent paid staff was made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department neither submitted any reply nor attended DAC meeting.

DAC in its meeting held on 9th December 2023 directed to regularize the expenditure. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing of responsibility on the officer(s) at fault.

[PDP No. 77]

CHAPTER 10

DISTRICT HEALTH AUTHORITY NANKANA SAHIB

10.1 Introduction

a) There are 14 formations in DHA Nankana Sahib out of which audit of 04 formations was conducted. Total expenditure and receipt of these formations was Rs 1,292.234 and Rs 53.766 million respectively out of which 35% expenditure and 100% receipt is audited

Audit Profile of DHA Nankana Sahib

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Nankana Sahib	14	04	452.477	53.766
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Nankana Sahib was Rs 2,462.300 million and supplementary grant was Rs 389.505 million for the FY 2022-23. An amount of Rs 341.981 million was surrendered and final budget was Rs 2509.824 million. Management incurred an expenditure of Rs 2,509.823 million. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	1,846.691	121.606	100.016	1,868.281	1868.8	0.519
Non-Salary	606.472	263.580	241.397	628.655	628.137	-0.518
Development	9.137	4.319	0.568	12.888	12.886	-0.002

Total	**2,462.300**	**389.505**	**341.981**	**2,509.824**	**2,509.823**	**0.00**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	2,351.234	2,139.660	-211.574	09
2022-23	2,509.823	2,509.823	0	0

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 7% increase in budget allocation and 17% increase in expenditure during FY 2022-23 as compared to FY 2020-21. There was no saving during FY 2022-23.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Nankana Sahib for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. However, DHA Nankana Sahib was not given targets vis-à-vis indicators by the Health Department

Sr. No.	**Key Indicators**	**Targets**	**Achievements**
1	Outdoor Patients	-	1,985,508
2	Indoor Patients	-	72,892
3	Surgical Cases	-	25,090
4	Cardiac Coronary Unit	-	8,932
5	Diagnostic Services (Laboratory, Radiology)	-	441,270
6	Family Planning Activities	-	38,470
7	Peads	-	156,123
8	Surgery	-	-
9	TB Chest Treatments	-	2,999

Sr. No.	Key Indicators	Targets	Achievements
10	Free Medicines to Patients	-	-

Source: DHIS dashboard of DHA Nankana Sahib

ii. Service Delivery Issues

In view of the above table, it, prima facie, appears that DHA Nankana Sahib was required to be given targets for achievement.

10.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 171.768 million were raised in this report during current audit of DHA Nankana Sahib. This amount also includes recoveries of Rs 20.427 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	18.813
B	Procurement related irregularities	31.394
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	121.561
Total		**171.768**

10.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	23	Not convened
2	2018-19	23	
3	2019-20	23	
4	2020-21	10	
5	2021-22	17	
6	2022-23	06	

10.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

10.4.1 Overpayment of pay & allowances and non-deduction of penal rent-Rs 15.093 million

According to notification No.PO(P&E-I) 19-113/2004 dated 13.04.2007 of P&SHC department, Government of the Punjab, HSRA is not admissible to doctors (other than specialist doctors) & staff posted at normal DHQ Hospitals. According to the Government of Punjab, Health Department's order No. SO (N.D)2-26/2004(P.II), NPA is admissible only for those doctors who do not opt for private practice. According to Rule 1.15(2) of PTA Rules 1976, conveyance allowance falling under Rule 1.14(ii) will be admissible only for the period during which the civil servant held the post to which the conveyance allowance is attached and will not be admissible during leave or joining time.

During audit of DHA Nankana Sahib for the FY 2022-23, it was observed that the management made overpayment of different pay &allowances i.e. NPA& CA to un-entitled officers & officials. Further, compulsory deductions of certain employees e.g penal rent Rs 2.262 million were not made. This resulted in overpayment of Rs 12.831 million and non-deduction of Rs 2.262 million.

Rs in million

Sr. No.	Formation Name	Description	Amount
1	CEO DHA Nankana Sahib	HSRA	3.628
2	DHQ Hospital Nankana Sahib	Overpayment of pay & allowances for absent period	0.854
3	DHQ Hospital Nankana Sahib		0.261

Rs in million

Sr. No.	Formation Name	Description	Amount
4	DHA Nankana Sahib	NPA	6.139
5	THQ Hospital Shahkot	CA	0.495
6	CEO DHA Nankana Sahib	CA	0.143
7	DHQ Hospital Sahib	CA	0.228
8	DHQ Hospital Nankana Sahib	Overpayment of pay & allowances	0.888
Total Overpayment			**12.831**
8	THQ Hospital Shahkot	Penal Rent	2.039
9	THQ Sangla Hill	Penal Rent	0.418
Total			**15.093**

Audit held that overpayments were made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that recovery process had been started.

DAC in its meeting held on 18th December 2023 directed to expedite the recovery. No further progress was reported till finalization of this report.

Audit recommends immediate recovery of overpayments besides fixing of responsibility on officer(s) at fault.

[PDP No. 188, 189, 191, 194, 197, 198, 200, 201, 211, 225, 226 & 227]

10.4.2 Non-imposition of penalty-Rs 3.720 million

According to notification No.SO(D-II) MW/2011(P-V) dated 30th June 2022, of Labour& HR Department, Government of the Punjab, minimum wage rate for the unskilled labour is Rs 25,000 per month of 26 days. As per Clause 1.8 of section “fines and penalties” of contract between PMU, P&SHC department and Mustahlik Enterprises for the procurement of Mechanical Electrical Plumbing & Generator (MEPG) services a penalty of Rs 5,000 per worker shall be charged and deducted from the invoice of the service provider if any worker not paid minimum wage as per labour laws.

During audit of the MS DHQ Hospital Nankana Sahib for the FY 2022-23, it was observed that management outsourced MEPG services to Mustahlik Enterprises. The vendors paid wages less than the minimum wage rate to staff in violation of rules ibid. However, the management neither ensured payment of minimum wage rate nor imposed penalty of Rs3.720 million. This resulted in non-imposition of penalty of Rs3.720 million as detailed below:

Rs in million

Agreement	**Contractor**	**Number of workers**	**Per month Penalty**	**Penalty FY 2022-23**
Procurement of MEPG	Mustahlik Enterprises	62	310,000	3.720

Audit held that penalty was not imposed due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the payment was made by PMU, P&SHC department. Reply was not tenable because it was the duty of the management to enforce penalties as per contract.

DAC in its meeting held on 18th December 2023 directed to ensure payment of minimum wages and imposition of penalty. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision besides fixing of responsibility on officer(s) at fault.

[PDP No. 209]

B) Procurement related irregularities

10.4.3 Non-supply of medicines - Rs 31.394 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO or payee of pay & allowances, contingent or any of the other expense signing and authorizing the payments shall be personally responsible for any erroneous payment and shall liable to make good the loss.

During audit of DHA Nankana Sahib for the FY 2022-23, it was observed that the management issued purchase orders of Rs 31.394 million to different suppliers as detailed at **Annexure-O**. Scrutiny of record further revealed that suppliers failed to supply the medicines within stipulated time period. However, the management neither forfeited performance guarantees of Rs 0.627 million nor penalized the suppliers. This resulted in non-supply of medicine of Rs 31.394 million.

Audit held that medicines were not supplied by the suppliers due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that certain vendors had supplied the medicine. The reply was not tenable because the management did not provide the evidence of deduction of LD charges, moreover, no action was taken against the suppliers who did not supply the medicine.

DAC in its meeting held on 18th December 2023 directed to impose penalty to firms for non-supply of medicine in time and deduct LD charges for delay in supply. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision besides fixing of responsibility on person (s) at fault.

[PDP No. 183]

C) Others

10.4.4 Irregular use of tied grants - Rs 109.479 million

According to Rule 24 of PDA (Budget) Rules 2017, all conditional grants should be budgeted and utilized in accordance with the condition of the grant.

During audit of DHA Nankana Sahib for the FY 2022-23, it was observed that the management utilized tied grants for bulk medicine of Rs 109.479 million for other purposes in violation of rules ibid. This resulted in irregular utilization of tied grants of Rs 109.479 million as detail below:

Rs in million

Opening balance as on 01-07-22	Release	Total	Expenditure	Required balance	Balance as per bank statement
114.978	177.564	292.542	183.063	109.479	14.101

Audit held that conditional grants were utilized for other purposes due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the tied grant was utilized for payment of electricity bills. Reply was not tenable because tied grants were not meant for payment of electricity bills.

DAC in its meeting held on 18th December 2023 directed for regularization of expenditure from competent authority. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure from competent authority besides fixing of responsibility on officer(s) at fault.

[PDP No. 186]

10.4.5 Non deduction of GST - Rs 1.614 million

According to Para 10 of Circular No.09 of 2022-23 Sale tax, Federal Excise and ICT (Tax on Service) of amendment in Finance Act 2022 communicated vide Notification No. C.No.3(1)ST-L&P/2019 dated 21.07.2022, drugs registered under the Drugs Act, 1976 have been made chargeable to tax at reduced rate of 1% without input adjustment. Similarly, Active Pharmaceutical Ingredients (APIs) and their raw materials are also chargeable at fixed rate of 1% subject to certification by Drug Regulatory Authority of Pakistan (DRAP).

During audit of DHA Nankana Sahib for the FY 2022-23, it was observed that the management purchased medicine of Rs161.737 million from different suppliers**.** However, the management failed to deduct GST @ 1% amounting to Rs 1.614 million. This resulted in non-deduction of GST of Rs 1.614 million.

Audit held that that GST was not deducted due to weak financial controls.

The matter was reported to the PAO in November 2023. The management did not submit reply.

DAC in its meeting held on 18th December 2023 directed the department to get clarification from the quarter concerned or recover the amount. No further progress was reported till finalization of this report.

Audit recommends recovery of GST besides fixing responsibility on officer(s) at fault.

[PDP No. 193]

10.4.6 Non-reconciliation of electricity bills Rs - 10.468 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of MS THQ Hospital Shahkot for the FY 2022-23, it was observed that the management paid Rs 10.468 million to LESCO. Scrutiny of record revealed that the LESCO charged electricity bills on estimation basis. In certain instances payment was made against zero unit. This resulted in non-reconciliation of electricity bill of Rs 10.468 million as detailed at **Annexure-P**.

Audit held that irregular expenditure on electricity was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the matter had been taken up with LESCO for reconciliation. Reply was not tenable because the management did not provide reconciliation statement.

DAC in its meeting held on 18th December 2023 directed to expedite the process of reconciliation. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision besides fixing of responsibility on officer(s) at fault.

[PDP No. 229]

CHAPTER 11

DISTRICT HEALTH AUTHORITY OKARA

11.1 Introduction

a) There are 22 formations in DHA Okara out of which audit of 04 formations was conducted. Total expenditure and receipt of these formations was Rs 2,115.806 million and Rs 24.000 million respectively out of which 34% expenditure and 30% receipt is audited.

Audit Profile of DHA Okara

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Okara	22	04	709.404	7.200
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts(Variance Analysis)

As per appropriation accounts, original budget of DHA Okara was Rs 5,018.200 million and supplementary grant was Rs 431.910 million for the FY 2022-23. An amount of Rs 601.275 million was surrendered and final budget was Rs 4,848.835 million. Management incurred an expenditure of Rs 4,479.319 million resulting in saving of Rs 369.516 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	3,510.216	241.947	417.904	3,334.259	3,333.822	-0.437
Non-Salary	1,292.315	185.669	182.719	1,295.265	1,046.922	-248.343
Development	215.669	4.294	0.652	219.311	98.575	-120.736

Total	**5,018.200**	**431.910**	**601.275**	**4,848.835**	**4,479.319**	**-369.516**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	4,153.305	3,605.087	-548.217	13
2022-23	4,848.835	4,479.319	-369.516	8

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 17% increase in budget allocation and 24% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 369.516 million during FY 2022-23 which is 8% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Okara for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. However, DHA Okara was not given targets vis-à-vis indicators by the Health Department.

Sr. No.	**Key Indicators**	**Targets**	**Achievements**
1	Outdoor Patients	-	3,069,516
2	Indoor Patients	-	94,975
3	Surgical Cases	-	32,423
4	Cardiac Coronary Unit	-	15,314
5	Diagnostic Services (Laboratory, Radiology)	-	403,129
6	Family Planning Activities	-	105,667
7	Peads	-	32,423
8	Surgery	-	28,048

9	T.B Chest Treatments	-	7,318
10	Free Medicines to Patients	-	0

Source: DHIS dashboard of DHA Okara

ii. Service Delivery Issues

In view of the above table, it, prima facie, appears that DHA Okara was required to be given targets for achievement.

11.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 284.932 million were raised in this report during current audit of DHA Okara. This amount also includes recoveries of Rs 48.597 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount placed under audit observation**
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-

A	HR/Employees related irregularities	19.052
B	Procurement related irregularities	1.261
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	71.119
5	Others	193.500
Total		**284.932**

11.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**

1	2017-18	25	Not convened
2	2018-19	27	
3	2019-20	12	
4	2020-21	09	
5	2021-22	05	
6	2022-23	07	

11.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

11.4.1 Overpayment of pay & allowances-Rs 19.052 million

According to P&SHC department, Government of the Punjab. Notification No. PO(P&E-I) 19-113/2004 dated 13.04.2007, HSRA is not admissible to doctors (other than specialist doctors) & staff posted at normal DHQ Hospitals. According to the Government of Punjab, Health Department's order No. SO(N.D)2-26/2004(P.II),NPA is admissible only for those doctors who do not opt for private practice. According to Rule 1.15(2) of PTA Rules 1976, conveyance allowance falling under Rule 1.14 (ii) will be admissible only for the period during which the civil servant held the post to which the conveyance allowance is attached and will not be admissible during leave or joining time.

During audit of DHA Okara for the FY 2022-23, it was observed that the management made overpayment of Rs 18.396 million of different allowances such as HSRA, NPA, HRA & CA to unentitled officers & officials. Further, compulsory deductions e.g General Provident Fund, Group Insurance and Benevolent Fund of certain employees amounting to Rs 0.656 million were not made**.** This resulted in overpayment of Rs 19.052 million.

Rs in million

Sr. No.	**Formation Name**	**No. of Employees**	**Allowance / Deductions**	**Amount**
1	DHQ Hospital City Okara	20, 26, 06, 33	HSRA, NPA, HRA, CA	8.708
2	DHQ Hospital South City Okara	77	HSRA	0.562
3	THQ Hospital Depalpur	103	HSRA	2.020
4	CEO DHA Okara	23	NPA	7.106
5	DHQ Hospital City Okara	20	GPF, GI, BF	0.656
Total				**19.052**

Audit held that overpayments were made due to weak internal controls.

The matter was reported to the PAO in November 2023.The department replied that overpayments would be recovered.

DAC in its meeting held on 14th December 2023 directed to expedite recovery. No further progress was reported till finalization of this report.

Audit recommends immediate recovery of overpayments besides fixing of responsibility on persons at fault.

Note: The issue was also reported earlier in the Audit Reports for Audit Year 2022-23 and 2021-22 vide para number 11.4.3 and 5.4.2.1.1 having financial impact of Rs 32.376 million and Rs 36.869 million respectively. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 248, 253, 254, 255, 259, 263, 264, 267, 268, 276, 277 & 283]

B) Procurement related irregularities

11.4.2 Irregular purchase of LP medicines - Rs 1.261 million

According to Para 2(iii) of P&SHC department letter No. SO(HP)12-02/2022 dated 29.06.2022, LP is allowed for emergencies and indoor patients department, on the prescription of authorized consultants or the medical officers. LP from registered pharmacy will be patient specific on day-to-day basis.

During audit of THQ Hospital Depalpur for the FY 2022-23, it was observed that management expended Rs 1.261 million on purchase of LP medicines. Scrutiny of record further revealed that the LP medicine was purchased in bulk instead of day-to-day requirement. Moreover, prescription of the doctor specifying the patient name and diagnosis were not provided to audit for verification. This resulted in irregular purchase of Rs 1.261 million detailed below**:**

Rs in million

Bill No. & Date	**Name of Supplier**	**Name of Medicines**	**Amount**
230250/ 10.09.2022	Abbas Medical Store	Auto disable syringe, CREPE Bandage, NG No. 6, absorbent cotton, E.T.T (2.5,3.5,4.5)	0.612
23006/ 05.08.2022		Auto disable syringe 5cc, absorbent cotton wool, syringe 1cc	0.308
92/ 10.08.2022	Pharmasia Pharmacy	Cefriaxone Inj, Drotaverine Inj, Lignocane gel, Sulphadiazine Cream, Povidone, Ringer Lactate	0.341
Total			**1.261**

Audit held that irregular purchase was made due to weak internal controls.

The matter was reported to the PAO in November 2023.The department replied that LP medicine were purchased as per policy circulated vide letter No.SO(HP)12-02/2022 dated 29-06-2022. Reply was not tenable because LP medicine was purchased without prescription of doctors.

DAC in its meeting held on 14th December 2023 directed to provide the prescription of the doctors in support of reply. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing of responsibility on person (s) at fault.

[PDP No. 282]

C) Value for money and service delivery issues

11.4.3 Non-utilization of development funds - Rs 71.119 million

According to Rule 27(3)(a) of PDA (Accounts) Rules, 2017, vigilance and ordinary prudence principal shall be exercised in respect of expenditure from the local fund.

During audit of CEO DHA Okara for the FY 2022-23, it was observed that management received development funds of Rs 166.153 million for Trauma Centre, DHQ Hospital City Okara, Cardiac Centre at THQ Hospital Depalpur and Dialysis centre at THQ Hospital Renala Khurd. The management utilized Rs 95.034 million only leaving an unspent balance of Rs 71.119 million. This resulted in non-utilization of development funds of Rs 71.119 million.

Audit held that development funds were not utilized due to weak internal controls.

The matter was reported to the PAO in November 2023.The department replied that non-utilization of funds was due to non-revision of PC-I. Reply was not tenable because the management could not provide justification for non-utilization of funds and non-revision of PC-I.

DAC in its meeting held on 14th December 2023 directed the management to expedite the progress. No further progress was reported till finalization of this report.

Audit recommends fixing of responsibility on person (s) at fault for non-utilization of funds.

[PDP No. 245]

D) Others

11.4.4 Non-utilization of medicine budget - Rs 47.108 million

According to Finance Department, Government of the Punjab letter No FD(W&M) 22-1/2022-23/DHA/2043 dated 15.05.2023, medicine budget was provided for further disbursement to district headquarter hospitals.

During audit of CEO DHA Okara for the FY 2022-23, it was observed that Finance Department, Government of the Punjab released funds of Rs 52.944 million for further disbursement to DHQ Hospital South City Okara for purchase of medicine. However, CEO DHA released Rs 5.836 million only. Scrutiny of record further revealed that there was a liability of Rs 48.384 million as well. This resulted in non-utilization of medicine budget of Rs 47.108 million.

Audit held that medicine budget was not utilized due to weak internal controls.

The matter was reported to the PAO in November 2023.The department replied that budget was released as per government instructions. The reply was not tenable because the budget was not released as per available record.

DAC in its meeting held on 14th December 2023 directed for timely release of budget in future. No further progress was reported till finalization of this report.

Audit recommends fixing of responsibility on person (s) at fault for non-utilization of medicine budget.

[PDP No. 242]

11.4.5 Understatement of cash balance - Rs 122.773 million

According to Rule 13(1)(c) of PDA (Accounts) Rules, 2017, the head of offices under the supervisory control of a District Authority shall ensure that internal controls are effectively applied with no rate of financial irregularity.

During audit of CEO DHA Okara for the FY 2022-23, it was observed that the opening balance of Account-VI as on 01.07.2022 was Rs 439.544 million. Scrutiny of record further revealed that the opening balance was required to be Rs 562.317 million. The management utilized conditional grants that resulted in understatement of cash balance of Rs 122.773 million as detail below:

Rs in million

Description	Amount
Bulk medicine balance on 01.07.2022	513.782
Development schemes balance on 01.07.2022	48.535
Balance to be available on 01.07.2022 at Account-VI	562.317
Balance as per bank statement on 01.07.2022	439.544
Difference in opening balance	**122.773**

Audit held that cash balance was understated due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the matter had already been taken up with the Secretary P&SHC department, Government of the Punjab, vide office letter No.4420/CEO(DHA)/OK dated 17-05-2023 for investigation. The department admitted the lapse.

DAC in its meeting held on 14th December 2023 directed to follow up the case. No further progress was reported till finalization of this report.

Audit recommends fixing of responsibility on person (s) at fault for utilization of conditional grants.

[PDP No. 244]

11.4.6 Non-imposition of penalty - Rs 5.948 million

According to letter No. SO(D-II)MW/2011(Vol-VI) dated 22.06.2022, of Labour & HR Department, Government of Punjab, minimum wage is Rs 25,000 for 26 days and according to clause 7 of contract agreement between Project Management Unit (PMU), P&SHC department and vendors dated 26.02.2021, penalty of Rs 5,000 per person per month will be imposed on non compliance of minimum wage rate.

During audit of DHQ Hospital City Okara for the FY 2022-23, it was observed that the management processed the contractor claims without observing minimum wage rate. Scrutiny of record further revealed that the management neither ensured payment of minimum wage rate to the staff engaged on outsourced services nor penalized the contractors as per agreement. This resulted in non-imposition of penalty of Rs 5.948 million as detailed below:

Rs in million

Service provider	**Nature of Service**	**No. of employees**	**Penalty per month**	**No. of months**	**Amount**
Babur & Umer Pvt. Ltd	Janitorial	80	5,000	8	3.200
Bilal Enterprises	Janitorial	79	3,000	4	0.948
GB Security	Security	38	3,000	12	1.368
Mustahlik Enterprises	MEPG	12	3,000	12	0.432
Total					**5.948**

Audit held that penalty was not imposed due to weak administrative controls.

The matter was reported to the PAO in November 2023. department replied that a letter had been sent to concerned service provider under intimation to Project Director, Project Management Unit, P&SHD Lahore. Reply was evasive because it was the responsibility of the management to ensure payment of minimum wages and imposition of penalty.

DAC in its meeting held on 14th December 2023 directed to follow up the case vigorously. No further progress was reported till finalization of this report.

Audit recommends imposition of penalty besides fixing of responsibility on officer(s) at fault.

[PDP No. 251]

11.4.7 Irregular payment of pending liabilities - Rs 13.392 million

According to Rule 17.17(A) and 17.18 of PFR Vol-I, every disbursing officer shall maintain a register of liabilities in PFR Form-27 in which he should enter all these items of expenditure for which payment is to be made by or through another officer, budget allotment or sanction of a higher authority is to be obtained or payment would be required partly or wholly during the next financial year or years.

During audit of DHA Okara for the FY 2022-23, it was observed that management paid liabilities of Rs 13.392 million pertaining to the FY 2021-22 without approval of the next higher authority. This resulted in irregular payment of pending liabilities of Rs 13.392 million as detailed below:

Rs in million

Sr. No.	Formation Name	Name of Supplier	Amount
1	DHQ Hospital City Okara	Pharmasia Pharmacy	11.520
2	DHQ Hospital South City Okara	Dazzle Equipment & Co	1.872
Total			**13.392**

Audit held that irregular payment of pending liabilities was made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that expenditure was incurred after separate budget and approval of the authority. The reply was not tenable as no evidence was provided in support of reply.

DAC in its meeting held on 14th December 2023 directed to regularize the expenditure from competent authority. No further progress was reported till finalization of this report.

Audit recommends that regularization of expenditure besides fixing of responsibility on officer(s) at fault.

[PDP No. 257 & 273]

11.4.8 Non-contribution of EOBI and PESSI payments - Rs 4.279 million

As per Section 1.3 (q) service provider shall pay its personnel not less than the minimum wage as per labour laws of Pakistan and other benefits mandated by the law. Moreover, as per Article 3 of Employees' Old-Age Benefits Act, 1976, all employees in an industry or establishment shall be insured in the manner prescribed under EOBI Act. Moreover, as per EOBI Act, employee & employer shall contribute @ 1% & 5% respectively of the workers' minimum wage rate. As per Section 20 of Provincial Employees Social Security Ordinance 1965, the employer shall pay a contribution @ 6% to the Social Security Institution.

During audit of DHQ Hospital City Okara for the FY 2022-23, it was observed that the service providers did not pay EOBI and PESSI contributions of outsourced staff. The service providers were required to contribute EOBI @ 5% and PESSI @ 6% of minimum wage rate i.e Rs 1,250 and Rs 1,500 per month respectively. This resulted in non-contribution of EOBI of Rs 1.945 million & PESSI of Rs 2.334 million.

Rs in million

Service provider	Nature of Service	No. of employees	No. of Months	EOBI Contribution @ 5%	PESSI Contribution @ 6%

Babur & Umer Pvt. Ltd.	Janitorial	80	8	0.800	0.960
Bilal Enterprises	Janitorial	79	4	0.395	0.474
GB Security	Security	38	12	0.570	0.684
Mustahlik Enterprises	MEPG	12	12	0.180	0.216
Total				**1.945**	**2.334**

Audit held that EOBI and PESSI contributions were not made due to weak internal controls.

The matter was reported to the PAO in November 2023.The department replied that a letter had been sent to concerned services provider for provision of record relating to EOBI and PESSI payments. Reply was not tenable because it was responsibility of management to ensure compulsory contribution as per law.

DAC in its meeting held on 14th December 2023 directed to recover the payment from the contractors claims and imposition of penalty. No further progress was reported till finalization of this report.

Audit recommends the recovery of EOBI & PESSI contributions besides imposition of penalty.

[PDP No. 265 & 355]

CHAPTER 12

DISTRICT HEALTH AUTHORITY SHEIKHUPURA

12.1 Introduction

a) There are 24 formations in DHA Sheikhupura out of which audit of 04 formations was conducted. Total expenditure and receipt of these formations was Rs 2,664.460 million and Rs 72.745 million respectively out of which 73% expenditure and 38% receipt was audited.

Audit Profile of DHA Sheikhupura

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipt Audited
1	DHA Sheikhupura	24	04	1,945.927	27.643
2	Assignment Acs/SDAs	-	-	-	
3	Foreign Aided Projects	-	-	-	

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Sheikhupura was Rs 6,174.939 million and supplementary grant was Rs 701.717 million for the FY 2022-23. An amount of Rs 1,330.408 million was surrendered and final budget was Rs 5,546.248 million. Management incurred an expenditure of Rs 4,810.837 million resulting in saving of Rs 735.410 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	4708.095	408.718	992.010	4,124.803	3661.635	-463.168
Non-Salary	1,433.160	261.680	338.398	1,356.442	1146.543	-209.899
Development	33.684	31.319	0.000	65.003	2.659	-62.344
Total	**6,174.939**	**701.717**	**1,330.408**	**5,546.248**	**4,810.837**	**-735.411**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	4,962.648	4,274.570	-688.078	14
2022-23	5,546.248	4,810.837	-735.411	13

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 12% increase in budget allocation and 13% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 735.411 million during FY 2022-23 which is 13% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Sheikhupura for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. However, DHA Sheikhupura was not given targets vis-à-vis indicators by the Health Department.

Sr. No.	Key Indicators	Targets	Achievements
1	Outdoor Patients	-	2,048,898
2	Indoor Patients	-	215,781
3	Surgical Cases	-	17,321
4	Cardiac Coronary Unit	-	23,945
5	Diagnostic Services (Laboratory, Radiology)	-	955,622
6	Family Planning Activities	-	36,616
7	Peads	-	237,528
8	Surgery	-	35,601
9	TB Chest Treatments	-	20,551

Sr. No.	Key Indicators	Targets	Achievements
10	Free Medicines to Patients	-	3,591,863

Source: DHIS dashboard of DHA Sheikhupura

ii. Service Delivery Issues

In view of the above table, it, prima facie, appears that DHA Sheikhupura was required to be given targets for achievement.

12.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 615.674 million were raised in this report during current audit of DHA Sheikhupura. This amount also includes recoveries of Rs 74.813 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations
Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	3.555
3	**Irregularities:**	
A	HR/Employees related irregularities	41.829
B	Procurement related irregularities	539.139
C	Management of accounts with commercial banks	0
4	Value for money and service delivery issues	7.979
5	Others	23.172
Total		**615.674**

12.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	20	Not convened
2	2018-19	20	
3	2019-20	13	

4	2020-21	11	
5	2021-22	03	
6	2022-23	14	

12.4 AUDIT PARAS

A) Fraud, Embezzlement and Misappropriations

12.4.1 Mis-appropriation of public money by preparing fake printing bills-Rs 3.555 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay & allowance, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud or misappropriation and shall be liable to make good that loss.

During audit of CEO DHA Sheikhupura for the FY 2022-23, it was observed that the bills amounting to Rs 3.555 million were drawn for the printing of different registers. Scrutiny of record further revealed that the printing material was distributed to four THQ hospitals i.e. Muridkay, Sharaqpur, Ferozwala and Safdarabad. During verification it was revealed that material was not delivered to hospitals and the management of these hospitals had submitted written statements as well. This resulted in mis-appropriation of public money of Rs 3.555 million.

Audit held that mis-appropriation of public money was made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that all printing material received in the office and its stock entries were available on the stock register of this office. Reply was not tenable because management of THQ hospitals submitted written statement that they didn’t receive the stock.

DAC in its meeting held on 16th December 2023 directed the CEO DHA Sheikhupura to conduct fact finding of the matter and submit report to the Secretary P&SHC department for administrative department level inquiry. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility on the persons at fault.

[PDP No. 5]

B) **Human Resource / Employees related irregularities**

12.4.2 Overpayment of pay & allowances - Rs 41.829 million

According to clarification issued by Government of the Punjab, Finance Department letter No FD(M-1)1-15/82-P-I dated 15.1.2000, in case a designated residence is available to the Government servant, he cannot draw HRA and CA even if he does not reside in it or residence remains vacant during the period. Moreover, as per letter of P&SHC department, Government of Punjab No.PMU/PHSRP/G-1-06/61/270-300 dated 18th march 2007, HSRA is admissible only at RHC's and BHU's. Further, according to clarification vide letter No.FD.SR-I/6-4/2019 dated 05-04-2021, NPA is not admissible to doctors serving on administrative posts.

During audit of DHA Sheikhupura for the FY 2022-23 it was observed that the management of DHA paid Rs 41.829 million on account of pay & allowances to the officials/officers in violation of the rules ibid. This resulted in overpayment of pay and allowances of Rs 41.829 million as detailed below:

Rs in million

Sr. No.	Formation	HRA	CA	HSRA	Anes-thesia	NPA	EOL	Pay & all.	Amount
1.	CEO DHA Sheikhupura	-	1.305	25.171	2.070		-	-	28.546
2.	DHQ Hospital	0.656	0.952	-	-	6.645	0.415	1.672	10.340
3.	THQ Muridkey	0.269	0.339	0.310	-	-	0.088	1.937	2.943
Total		**0.925**	**2.596**	**25.481**	**2.070**	**6.645**	**0.503**	**3.609**	**41.829**

Audit held that overpayment of pay &allowances was made due to weak financial controls.

The matter was reported to the PAO in November 2023. The management admitted the overpayment.

DAC in its meeting held on 16th December 2023 directed for recovery of overpayment. No further progress was reported till finalization of this report.

Audit recommends recovery of the overpayment of pay & allowances besides fixing of responsibility on officer(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para number 6.4.2.1.1, 12.4.2 and 12.4.3 having financial impact of Rs 21.350 million, Rs

4.803 million and Rs 1.288 million respectively. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 22, 54, 47 & 66]

C) Procurement related irregularities

12.4.3 Irregular purchase of bulk medicine without healthy competition - Rs 154.035 million

According to Para 2 of S&GAD circular vide No. L&M(PPRA)10-01/2011 dated 10.02.2020, it was clarified by PPRA that whenever the procuring agencies take up public procurement through pre-qualification mode they must ensure that at least three prequalified bidders are available for further bidding process. Further, as per instruction No. 6 &10 of notification No. 11492-11502 dated 27.11.2020 issued by the DG Health P&SHC department, Government of the Punjab, all prequalified firms shall participate in bidding process of procuring agency(s) under administrative control of P&SHC department. In case of non-participation, the department may suspend/cancel the prequalification of Firm/Section/Product as well as the department may debar the firm for future procurement processes.

During audit of CEO DHA Sheikhupura for the FY 2022-23, it was observed that the management purchased bulk medicines of Rs 154.035 million. The examination of comparative statement revealed that only one prequalified bidder participated in the bidding process and accordingly purchase orders were issued in violation of above instructions. This resulted in irregular purchase of bulk medicine of Rs 154.035 million as detailed below:

Rs in million

Sr. No.	**Description**	**Status of participation**	**Amount**
1.	Bulk purchase of medicine	One bidder participated	71.469
2.	Bulk purchase of medicine	Two bidders participated	82.566
Total			**154.035**

Audit held that irregular purchase of bulk medicine was made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that the prequalification process was done by the DG Health Services Punjab, Lahore. According to PPRA Rule Chapter-VIII (55-A), if one complying bid is received, the procuring agency may award the contract to the bidder. Reply was not accepted as medicines were purchased by violating the instructions.

DAC in its meeting held on 16th December 2023 directed to debar the contractors who did not participate in the bidding process. No further progress was reported till finalization of this report.

Audit recommends to debar the prequalified bidders who did not participate in the bidding process besides fixing of responsibility on the officer(s) at fault.

[PDP No. 2]

12.4.4 Irregular payment of pending liabilities - Rs 83.146 million `

According to Rule 17.17(A) and 17.18 of PFR Vol-I every disbursing officer shall maintain a register of liabilities in P.F.R Form No.27 in which he should enter all those items of expenditure for which payment is to be made by or through another officer; budget allotment or sanction of a higher authority is to be obtained; or payment would be required partly or wholly during the next financial year or years. Further, under no circumstance the charges incurred be allowed to stand over to be paid from the grant of another year.

During audit of DHA Sheikhupura for the FY 2022-23, it was observed that pending liabilities of medicines, consumables & store items of Rs 83.146 million were cleared from the budget allocated for FY 2022-23 in the following formations. The management cleared pending liabilities without obtaining sanction of next higher authority and without allocation of budget. Moreover, register on prescribed proforma of PFR Form No. 27 was not maintained. This resulted in irregular payment of pending liabilities of Rs 83.146 million as detailed below:

Rs in million

Sr. No.	Department	Description	Period	Amount
1	CEO DHA Sheikhupura	Medicine & printing	2018-19, 2019-20, and 2021-22	29.974
2	DHQ Hospital Sheikhupura	Medicine, COS, printing, other etc	2017-18 to 2021-22	53.172
Total				**83.146**

Audit held that irregular payment of pending liabilities was made due to weak internal & financial controls.

The matter was reported to the PAO in November 2023. The department replied that sufficient budget was available to clear pending liabilities and no irregularity was made. Reply was not accepted as no allocation was reflected in the budget to clear pending liabilities. Moreover, approval of the next higher authority was also not obtained.

DAC in its meeting held on 16th December 2023 directed for regularization of expenditure. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing responsibility on the officer(s) at fault.

[PDP No. 14 & 37]

12.4.5 Irregular award of contract without performance guarantee and stamp duty -Rs 46.701 million

As per Purchase Order No. 893 dated 25.10.2022 the bidders were directed to deposit performance guarantee @ 5% of the estimated cost in favour of MS DHQ Hospital SKP before the supply orders and provide stamp duty @ 25 paisa per every 100 rupees of the total value of contract.

During audit of DHA Sheikhupura for the FY 2022-23, it was observed that the management awarded contracts for LP medicine, cost of store, general store items, printing work, oxygen cylinder, bedding & clothing, and laboratory items of Rs 46.701 million in the following formations. Scrutiny of record further revealed that performance guarantee of Rs 44.583 million and stamp duties of Rs 2.118 million were not collected in violation of award letter/agreement. This resulted in irregular award of contract and loss of stamp duty of Rs 2.118 million as detailed below:

Rs in million

Sr. No.	Formation	Performance guarantee	Stamp duty not received	Amount
1.	DHQ SKP	42.097	2.118	44.215
2.	THQ Hospital	1.034	-	1.034
3.	CEO DHA SKP	1.452	-	1.452
Total		**44.583**	**2.118**	**46.701**

Audit held that contract was irregularly awarded due to weak internal control.

The matter was reported to the PAO in November 2023. The department replied that as per bidding documents all companies submitted 2% of estimated cost as bid security to DHQ Hospital Sheikhupura. It is further submitted that as per initial supply order, vendors requested to consider their bid security as performance guaranty. As there was no public loss and all supplies were received. Reply was not accepted as performance guarantee and stamp duty amounting to Rs 2.115 million was not obtained.

DAC in its meeting held on 16th December 2023 directed for recovery of stamp duty besides fixing responsibility against the officer(s) at fault. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No.30, 27 & 9]

12.4.6 Irregular purchase of non formulary brand of LP medicine without DTL reports - Rs 39.779 million

According to letter No. PSHD-TCO-1(M)6-14/2017 dated 16-12-2017, by P&SHC department, Government of the Punjab, a formulary has been designed by the Drug Control Wing of P&SHC department with all details of approved brands mentioned against each generic. The rationale for including these brands is the trusted quality through repeated analysis by the Drug Testing Laboratories of Punjab. In case any health facility prefers to procure medicine of brands other than mentioned in formulary, the MS shall ensure that the medicine brands supplied for the first time are sent to the respective Drug Testing Laboratory. The drug samples so sent shall comply with all SOPs and requirements of testing as notified from time to time. Moreover, any payment in respect of these items shall be made after clearance of drugs samples from DTL.

During audit of DHQ Hospital Sheikhupura for the FY 2022-23, it was observed that management procured LP medicines of Rs 39.779 million outside formulary brand. The payment was made without sending the samples to the DTL. This resulted in irregular purchase of non-formulary brand of Rs 39.779 million**.**

Audit held that irregular purchase of non-formulary brand was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the LP medicine was procured on the recommendation of hospital Pharmacy & Therapeutic Committee. Reply was not tenable as the management made payment without sending samples to the DTL.

DAC in its meeting held on 16th December 2023 directed the CEO to probe the matter and submit report. No further progress was reported till finalization of this report.

Audit recommends fixing of responsibility for purchase of un-approved brand of LP medicines without obtaining DTL reports.

[PDP No. 46]

12.4.7 Irregular expenditure on printing work by invoking urgency - Rs 8.956 million

According to Rule 59(d) iii & iv of PPR 2014, for reasons of extreme urgency brought about by events unforeseeable by the procuring agency, the time limits laid down for open and limited bidding methods cannot be met, however, the circumstances invoked to justify extreme urgency must not be attributable to the procuring agency.

During audit of CEO DHA Sheikhupura for the FY 2022-23 it was observed that Rs 9.964 million were expended on printing material by invoking the urgency clause of PPRA on the pretext of lock down in the country due to COVID-19. Whereas, there was no lock down enforced during the FY 2022-23. Furthermore, no negotiation were made with the vendors as per Rule 59 (d) of PPR 2014. This resulted in irregular expenditure on printing work of Rs 8.956 million as given below:

Rs in million

Sr. No.	**Name of Firm**	**Amount**
1	M/S Usman Enterprises	0.277
2	Sabri &Company	8.388
3	M/S Ahmad Enterprises	0.145
4	Musa Enterprises	0.146
	Total	**8.956**

Audit held that irregular expenditure on printing work was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that procurement was made from the government printing press through its authorized vendors after fulfilling all codal formalities. Reply was not tenable because the management could not justify the enforcement of urgency.

DAC in its meeting held on 16th December 2023 directed to regularize the expenditure. No further progress was reported till finalization of this report.

Audit recommends fixing of responsibility on the officer(s) at fault.

[PDP No. 7, 42 & 63]

12.4.8 Irregular utilization of medicine budget reserved for natural disasters - Rs 16.796 million

According to letter No.PSHD-TC0-1(M)6-14/217 dated 16th December, 2017 issued by P&SHC department, Government of the Punjab, 15% of the total budget of medicine is earmarked in hospitals for local purchase system and 10% budget for medicine should be consumed for emergencies, natural calamities and disasters.

During audit of DHA Sheikhupura for the FY 2021-23, it was observed that the following formations expended 10% budget earmarked for natural disasters amounting to Rs 16.796 million on local purchase of medicine. This resulted in irregular utilization of medicine budget reserved for natural disasters of Rs 16.796 million as detailed below:

Rs in million

Year	**Formation**	**Description**	**10% budget for natural disaster**	**Expenditure**
2021-22	THQ SFD	10% budget reserved for natural disasters	4.448	4.448
2022-23	THQ Muridkey		14.275	12.348
Total				**16.796**

Audit held that medicine budget reserved for natural disasters was irregularly utilized due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that10% budget allocation of LP medicines for natural calamities was not utilized throughout the year. At the end of the financial year a letter was written to the CEO DHA Sheikhupura for re-appropriation of funds. Reply was not tenable because the management utilized budget allocated for natural calamities without any occurrence of such incident.

DAC in its meeting held on 16th December 2023 directed the management to regularize the expenditure. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure besides fixing responsibility on the officer(s) at fault.

[PDP No. 25 & 59]

12.4.9 Non-reconciliation of electricity bills - Rs 165.251 million

According to Rule 9 of the PDA (Accounts) Rule 2017, if any loss occurs to a District Authority due to fraud or negligence of a person or employee, that person representing the District Authority shall be personally responsible and liable to compensate for the loss.

During audit of DHA Sheikhupura for the FY 2022-23, it was observed that following formations made payment of Rs 165.251 million on account of electricity bills on estimation basis. Scrutiny of record further revealed that the management made payments on lump sum basis in certain cases without any reconciliation with the actual consumption of the electricity. This resulted in non-reconciliation of electricity bills of Rs 165.251 million as given below:

Rs in million

Sr. No.	Formation	Excess paid
1	CEO, DHO, DHQ	11.763
2	THQ Shariqpur sharif	50.00
3	MS DHQ Hospital SKP	97.400
4	Al Aziz Hospital Nangle Sandhan	1.088
5	THQ Hospital Muridkey	5.000
Total		**165.251**

Audit held that irregular payment was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the concerned formation had been directed to submit justification and reconciliation of payment.

DAC in its meeting held on 16th December 2023 directed to reconcile expenditure with LESCO and recover overpayment. No further progress was reported till finalization of this report.

Audit recommends reconciliation and recovery of overpayment besides fixing of responsibility on the officer(s) at fault.

[PDP No. 17, 24, 43, 52 & 61]

12.4.10 Irregular expenditure on repair of civil work - Rs 18.568 million

According to Rule 8 and 10 of PPR 2014, a procuring agency shall, within one month from the commencement of a financial year, devise annual planning for all proposed procurements with the object of realistically determining the requirements of the procuring agency, within its available resources, delivery time or completion date and benefits that are likely to accrue to the procuring agency in future. a procuring agency shall determine specifications in a manner to allow the widest possible competition which shall not favor any single contractor nor put others at disadvantage.

During audit of DHQ Hospital Sheikhupura for the FY 2022-23, it was observed that an expenditure of Rs 18.568 million was incurred from the object head "Others" and "Health Council" budget for the repair & maintenance of hospital building. The management split the expenditure to avoid healthy competition as per PPRA rules. Moreover, Income Tax and PST of Rs 4.176 million was not deducted. This resulted in irregular expenditure Rs 18.568 million and less deduction of taxes of Rs 4.176 million as detailed below:

Rs in million

Description	Object head	Expenditure
Repair of Hospital Buildings	**Others-A03970”**	**13.222**
Repair of Hospital Buildings	**Health Council**	**5.346**
Total		18.568
Less deduction of Income Tax @ 6.5%	**1.206**	
Non-deduction of PST @ 16%	**2.970**	
Total	4.176	18.568

Audit held that irregular expenditure on repair of buildings was incurred due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the XEN & SDO Buildings are the members of Health Council, so no technical estimates are required. Reply was not tenable because the management incurred the expenditure from A03970-Others without technically sanctioned estimates and advertisement on PPRA.

DAC in its meeting held on 16th December 2023 directed for regularization the expenditure from the administrator. No further progress was reported till finalization of this report.

Audit recommends recovery of taxes besides regularization of expenditure from the competent authority.

[PDP No. 34]

12.4.11 Short realization of government revenue - Rs 5.907 million

As per Rule 68 of PDA (Budget) Rules 2017, the collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately in the local fund and entered in the proper receipt head. As per agreement with the vendors penalty @ 0.067% of contract amount per day will be charged in case of late payment.

During audit of DHA Sheikhupura for the FY 2022-23, it was observed that following formations awarded the contract of parking stand and canteens. Scrutiny of record revealed that the contractors deposited Rs 9.378 million against the auctioned amount of Rs 14.177 million and remaining amount of Rs 4.797 million and penalty of Rs 1.110 million was not collected on late payment. This resulted in short realization of Rs 5.907 million as detailed below:

Rs in million

Formation	Contract	Total demand	Amount collected	Amount not collected	Penalty	Total recoverable
DHQ SKP	Parking	8.617	4.171	4.445	0.545	4.990
DHQ SKP	Canteen	5.087	4.856	0.231	0.565	0.796
THQ SFD	Canteen	0.473	0.351	0.121	0	0.121
Total		**14.177**	**9.378**	**4.797**	**1.11**	**5.907**

Audit held that complete revenue was not realized due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that recovery of Rs 1.293 million was made from parking contractor. Furthermore, ADCR was approached for recovery as per Land Revenue Act vide letter No. 17867/MS dated 07-08-2023, 18999/MS dated 25-08-2023,2941/MS dated 07-10-2023. Department admitted the lapse.

DAC in its meeting held on 16th December 2023 directed the management for recovery and vacation of parking stand in case of non-compliance. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

<u>**Note**</u>: The issue was also reported earlier in the Audit Reports for Audit Years 2022-23 vide para number 12.4.11 having financial impact of Rs 5.347 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 39, 41 & 28]

D) Value for money and service delivery issues

12.4.12 Excess payment on purchase of medicine - Rs 7.979 million

According to Clause-II of agreement for the supply of bulk medicine signed between CEO DHA Sheikhupura and the contractors, the supplier will certify that prices awarded against the tender are not more than the price charged to any other procuring agency in the Punjab. In case of any discrepancy found, the supplier will be bound to refund the money charged in excess.

During audit of CEO DHA Sheikhupura for the FY 2022-23, it was revealed that the authority purchased bulk medicine for Rs 101.975 million from the prequalified contractors by DGHS, Lahore. The vendors supplied same medicine of same specifications to CEO DHA Nankana Sahib at lower rates in violation of price reasonability agreement. This resulted in excess payment of Rs 7.979 million on purchase of medicines as detailed below:

Rs in million

Firm	**Detail of medicine**	**Rates offered (Rs)**		**Diff.**	**Qty**	**Amount**
		SKP	**NNS**			
Lab link	Cannula 18 G	135.90	121.50	14.40	21,000	0.302
	Cannula 20 G	135.90	121.50	14.40	18,300	0.263
	Cannula 22 G	135.90	121.50	14.40	212,000	3.052
	Cannula 24 G	135.90	133.00	2.90	314,600	0.912
Novo Nordisk Pharma	Insulin 70/30	545.00	470.00	75.00	46,000	3.450
Total						**7.979**

Audit held that excess payment was made due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that letters to M/S Novo Nordisk Pharma& M/S Lab Link Enterprises were issued to deposit the amount of Rs.3.450 million and Rs 4.531 million respectively. Department admitted the lapse.

DAC in its meeting held on 16th December 2023 directed for recovery at the earliest or confiscate CDR. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility on the officer(s) at fault.

[PDP No. 01]

E) Others

12.4.13 Misuse of conditional grant received for dialysis medicine - Rs 23.172 million

According to Rule 24 of PDA (Budget) Rules 2017, all conditional grants should be budgeted and utilized in accordance with the condition of the grant.

During audit of DHQ Hospital Sheikhupura for the FY 2022-23 it was observed that Finance Department, Government of the Punjab, released Rs 30.353 million as conditional grant for the purchase of medicine for dialysis patients. However, scrutiny of record revealed that the management expended Rs 23.172 million to clear the pending liabilities of unrelated items. This resulted in misuse of conditional grant of Rs 23.172 million as detailed below:

Rs in million

Sr. No.	**Description**	**Firm**	**No. of Bills**	**Amount**
1	Medical gases	Sheikhupura surgical	5	7.597
2	LP medicine	Ittehad Medical Store	28	8.540
3	Saad Entt.	Lab items	9	6.192
4	Ali Raza Entt.	Lab items	1	0.842
Total				**23.171**

Audit held that conditional grant was misused due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that MS being category-I officer can utilize conditional grant to fulfil the needs of hospital. Reply was not tenable because the MS could utilize the conditional grants for the specific purposes only as mentioned against each grant.

DAC in its meeting held on 16th December 2023 directed the CEO to refer the matter to the administrative department for inquiry for misuse of conditional grant. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter for fixing of responsibility on officer(s) at fault.

[PDP No. 29]

CHAPTER 13

DISTRICT HEALTH AUTHORITY ATTOCK

13.1 Introduction

a) There are 24 formations in DHA Attock out of which audit of 06 formations was conducted. Total expenditure and receipt of these formations was Rs 1,551.401 and Rs 51.265 million respectively out of which 40% expenditure and receipt were audited.

Audit Profile of DHA Attock

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Attock	24	06	619.350	20.710
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Attock was Rs 3,008.564 million and supplementary grant was Rs 544.282 million for the FY 2022-23. An amount of Rs 515.074 million was surrendered and final budget was Rs 3,037.772 million. Management incurred an expenditure of Rs 3,038.173 million resulting in saving of Rs 0.401 million. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	2,414.458	311.558	325.810	2,400.206	2,399.644	-0.562
Non-Salary	593.146	226.147	187.907	631.386	632.351	0.965
Development	0.960	6.577	1.357	6.180	6.178	-0.002
Total	**3,008.564**	**544.282**	**515.074**	**3,037.772**	**3,038.173**	**0.401**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of Saving**
2021-22	2,618.362	2,618.049	-0.313	0.01
2022-23	3,037.772	3,038.173	0.401	0.01

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 16% increase in budget allocation and expenditure incurred during FY 2022-23 ascompared to FY 2021-22. There was saving of Rs 0.401 million during FY 2022-23 which is 0.01% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Attock for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

r. No.	**Indicators**	**Targets**	**Achievements**
1	Outdoor Patients	2,690,398	2,637,646
2	Indoor Patients	11,500	11,404
3	Surgical Cases	470	445
4	Cardiac Coronary Unit	20,000	19,649
5	Diagnostic Services (Laboratory, Radiology)	800,000	752,674
6	Family Planning Visits	66,000	58,555
7	Peads	265,000	259,145
8	Surgery	470	445

9	TB Chest Treatments	5,268	3,755
10	Free Medicines to Patients	2,637,646	2,530,000

Source: DHIS dashboard of DHA Attock

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Attock lagged behind in providng services to target number of patients in case of diagnostic services, family planning visits and free medicines to patients during FY 2022-23.

13.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 180.319 million were raised in this report during current audit of DHA Attock. This amount also includes recoveries of Rs 61.351 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount placed under audit observation**
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	11.471
B	Procurement related irregularities	77.064
C	Contract Management	32.008
4	Value for money and service delivery issues	-
5	Others	59.776
Total		**180.319**

13.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. The Audit Report for the Audit Year 2017-18 was discussed in PAC meeting convened in January 2022. However, PAC meeting to discuss remaining Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meeting
1	2017-18	22	Convened
2	2018-19	14	Not Convened
3	2019-20	13	
4	2020-21	10	
5	2021-22	2	
6	2022-23	05	

13.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

13.4.1 Irregular adjustment of postgraduate trainers against higher posts - Rs 10.098 million

According to Sr. No. 05 (i) of (Regulation-III) gazette notification No.SOR-III-I-30/94 dated 23.07.1995 issued by S&GAD, Government of the Punjab, method of recruitment for the post of Additional Principal Medical Officer or equivalent (BS-19) is by promotion according to the notified ratio, seniority cum fitness from amongst the Sr. Medical Officers or equivalent posts with 12 years service in BS-17 and above.

During audit of CEO DHA Attock for the FY 2022-23, it was observed that Secretary, P&SHC department allowed following 06 Medical Officers (BS-17) to complete postgraduate training and placed them at the disposal of CEO DHA Attock for adjustment against any vacant post of BS-17 or equivalent for pay purpose during training period. These Medical Officers were adjusted against the posts of APMO /APWMO (BS-19) at DHQ Hospital Attock, THQ Hospital Fateh Jang and RHC Bahtar. This resulted in irregular adjustment against higher grade and drawl of pay & allowances of Rs 10.098 million as given below:

Rs in million

Sr. No.	Designation & BS	P&SHC department Order No. & Date	DHA Order No. & Date	Place of Posting	Total
01	MO (BS-17)	SO(North)2016/R/2018 dated 18.04.2022	Estb./1860 dated 27.04.2022	DHQ Attock	1.686
02	MO (BS-17)	SO(North)1701/R/2018 dated 18.01.2022	Estb./308 dated 25.01.2022		1.686
03	WMO (BS-17)	SO(North)2300/R/2018 dated 08.10.2021	Estb./ 4727 dated 3.10.2021		1.697
04	MO (BS-17)	SO(North)1999/R/2018 dated 12.10.2021	Estb./4856 dated 21.10.2021	THQ Hospital Fateh Jang	1.685
05	MO (BS-17)	SO(North)536/R/2020 dated 12.12.2022	Estb./ 56 dated 04.01.2023		1.575
06	MO (BS-17)	SO(South)3469/R/2018 dated 20.04.2022	2060 dated 14.05.2022	RHC Bahtar	1.769
Total					**10.098**

Audit held that MOs/WMOs were adjusted against the posts of APMO/APWMO due to weak managerial control.

The matter was reported to the PAO in November 2023. The department replied that MOs/WMOs were adjusted against the vacant posts of APMO and they drew salary as per BS-17, therefore, no financial loss was involved. Reply was not acceptable as MOs/WMOs were adjusted against higher grade in violation of rules and instructions of Secretary P&SHC department.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends regularization of the matter besides fixing responsibility on the officer(s) at fault.

[PDP No. 231]

13.4.2 Un-authorized payment of salary during absence - Rs 1.373 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss.

During audit of CEO DHA Attock for the FY 2022-23, it was observed that a Consultant Physician (BS-18) was transferred to CEO DHA Attock against a vacant post in District Disease Surveillance and Response Unit by P&SHC department Lahore vide order No.SO (DHAs) SC/ PSHD/ 2022 dated 14.11.2022 and joined duty on 16.11.2022. It was observed from attendance register and CEO letter No. 1883 dated 26.05.2023 that the doctor remained absent from duty w.e.f 14.11.2022 to 31.05.2023 but pay & allowances were paid. This resulted in un-authorized payment of Rs 1.373 million.

Audit held that payment was made for the unauthorized absence period due to weak managerial controls.

The matter was reported to the PAO in November 2023. The department replied that letter was issued to MS Isfand Yar Bukhari DHQ Hospital Attock for recovery. Reply was not acceptable as no recovery was made.

DAC in its meeting held on 15th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility on the officer(s) at fault.

[PDP No. 235]

13.4.3 Irregular appointment of Class-IV staff

According to Clause 5(a) of Recruitment Policy, 2022 issued vide No. SOR-IV (S&GAD) 10-142/2021 dated 09.03.2022 by S&GAD (Regulation Wing), all posts shall be advertised properly in at least two leading newspapers, as per rules. Furthermore as per Clause 9, 15% quota for women, 20% quota for the children of serving / retired government employees and 5% quota was reserved for minorities. Furthermore, as per Clause 10(vii), the merit lists shall be signed by the Chairman as well as by all members of the Selection Committee concerned. Furthermore, according to Para 2 of letter No.SO(AHP)08-46/2022 dated 13.10.2022 issued by P&SHC department, CEO of DHAs were directed to initiate, process and complete the recruitment procedure against the vacant post of BS-01 to BS-04 allotted to DHAs through District Selection Committee, fulfilling all codal and procedural formalities.

During audit of CEO DHA Attock for the FY 2022-23, it was observed that forty-five (45) Class-IV employees were appointed in December 2022 in violation of Recruitment Policy 2022 and instructions issued by P&SHC department. Audit noticed that:

1. Advertisement was published in only one newspaper instead of two newspapers.
2. P&SHC department allotted 38 posts of Class-IV (BS-01 to 04) but DHA Attock made 45 appointments as detailed below:

Name of Post	**BS**	**Allowed By P&SHC**	**Advertised by CEO**	**Appointed**	**(Excess)/ Less Than Allotment**	**Excess than advertised)**
A	**B**	**C**	**D**	**E**	**F=C-E**	**G=D-E**
Naib Qasid	1	21	17	20	1	-3
Chowkidar	1	15	13	13	2	-
Lab Attendant	2	2	2	2	-	-
Ward Servant	1	-	6	10	-10	-4
Total		**38**	**38**	**45**	**-7**	**-7**

3. Each page of the merit list was not signed by Chairman as well as by all members of the selection committee in violation of recruitment policy and merit list only consisted of 38 candidates recommended for appointment but 45 appointments were made.
4. 15 qualified women were available as per merit list but instead of appointing them, general merit list was followed for appointment in violation of recruitment rules which resulted in irregular appointment as detailed below:

Name of Post	BS	Sanctioned Strength	15% Female Quota				
			Quota	**Filled Posts**	**No. of qualified applicants as per merit list**	**Appointed**	**Less Appointed**
Naib Qasid	1	105	16	0	12	3	09
Ward Servant	1	109	16	4	07	1	06
Total		**214**	**32**	**4**	**19**	**04**	**15**

5. Certain Class IV employees were appointed without observing employee quota (20%) and minority quota (5%) by calculating percentage of advertised 38 posts instead of total strength of a cadre in violation of Recruitment Policy 2022.

This resulted in irregular appointments in violation of recruitment policy / quota.

Audit held that appointments were made in violation of rules / approved strength due to weak managerial controls.

The matter was reported to the PAO in November 2023. The department replied that advertisement was made in two newspapers, proposal for cadre wise change of 38 posts were sent to P&SHC department which was approved and advertised, post allotted to District Attock were less then population ratio. After discussion with DRC and DC, remaining posts were filled by following merit list, either women did not apply or they did not fulfill the required criteria in previous appointments and employees / minorities quota was fully implemented. Reply was not acceptable as no documentary evidence of advertisement in two newspapers and approval of P&SHCD for change in number of posts approved were provided.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing responsibility on the officer(s) at fault.

[PDP No. 234]

B) Procurement related irregularities

13.4.4 Irregular expenditure on local purchase of medicines - Rs 24.776 million

According to Clause 2(iii) of Policy & Operational Guidelines for LP of Medicines (Day-to-Day) issued vide letter No. SO (HP) 12-02/2022 dated 29.06.2022 by P&SHC department, LP from registered pharmacy will be patient specific on day-to-day basis. However, need of emergencies and indoor patient department (in case of non-availability) may be met through petty purchases as per Rule 59(a) of PPR 2014 from manufacturer/ authorized agent/ authorized distributor/ Pharmacy (Form 9) having valid centralized drug sale license. Health facility shall establish non-availability of prescribed item through authorized pharmacist/ in-charge Senior Medical Officer/ Consultant / Medical Superintendent on case-to-case basis.

During audit of following formations of DHA Attock for the FY 2022-23, it was observed that the management purchased LP medicine in bulk from LP vendors on MRP discount rates or on quotations instead of patient specific day-to-day basis. Audit was of the view that if medicine were to be purchased in bulk it should be through open competitive bidding and not on MRP rates. This resulted in irregular purchase of LP medicine of Rs 24.776 million. The detail is as under:

Rs in million

Sr. No.	Name of Entity	Amount
1	THQ Hospital Hazro	7.144
2	THQ Hospital Jand	2.223
3	THQ Hospital Fateh Jang	1.696
4	THQ Hospital Pindi Gheb	6.240
5	Isfand Yar Bukhari DHQ Hospital Attock	7.473
Total		**24.776**

Audit held that irregular purchase of LP medicine was made due to weak administrative and financial controls.

The matter was reported to the PAO in October 2023. The department replied that rate contract of medicines were not finalized and stock of bulk medicines depleted, therefore, indoor / emergency medicines were purchased from LP vendor at fixed discount by splitting as per LP guidelines. Reply was not acceptable as procurement was made in violation of mentioned LP guidelines.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 64, 184, 186, 187 & 188]

13.4.5 Irregular expenditure on procurement - Rs 22.196 million

According to Rule 9(1) of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. Furthermore, according to Rule 12 (1) of PPR 2014, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority.

During audit of following formations of DHA Attock for the FY 2022-23, it was observed that expenditure was incurred by splitting to avoid tendering process in violation of the above rule. This resulted in irregular expenditure of Rs 22.196 million as detailed at **Annexure-Q**.

Rs in million

Sr. No.	Name of Entity	Particulars	Amount
1	THQ Hospital Hazro	Lab item, Printing, Medical & Lab Equipment	1.352
2	Isfand Yar Bukhari DHQ Hospital Attock	Dialysis items [Concentrate (A+B) Solution, Inj Heparin, Inj Cleaxine, IV Sets]	10.674
		Pathology, Radiology & Medicines for Sehat Sahulat Programme (SSP)	7.136
		Electrical equipment inspection, stabilizers, bags, x-ray films and lab kits	3.034
Total			**22.196**

Audit held that procurement was made by splitting to avoid tendering as required under PPR 2014,due to poor financial management.

The matter was reported to the PAO in October 2023. The department replied that due to non-availability of stock and non-participation of any firm in response to tender for dialysis items, Memorandum of Understanding (MOU) was signed with existing vendor for uninterrupted supply of medicines & pathology services to fulfill urgent demand of hospital routine operations. The reply was not acceptable as the management did not prepare annual procurement plan.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 06, 170, 175 & 177]

13.4.6 Loss due to procurement of medicines at higher rates - Rs 7.477 million

According to Clause 20 of the contract agreement between firms and DHA Attock, in case rate charged by the firms are found higher than the rates charged in other districts at any stage, the firms shall be responsible to refund the excess amount besides forfeiture of 5% performance guarantee and legal action.

During audit of CEO DHA Attock for the FY 2022-23, it was observed that firms quoted higher rates for the same items in comparison to the rates quoted in other districts of the Punjab like Jhelum, Chakwal, Rawalpindi and Narowal in violation of agreement. However, neither deduction of higher rates of Rs 5.157 million was made nor 5% performance guarantee of Rs 2.320 million was forfeited. This resulted in loss of Rs 7.477 million as detailed at **Annexure-R**.

Audit held that procurement was made at higher rates due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that PPR 2014 did not require any such condition to bound the bidder for quoted rates. However, to ensure most economical & transparent procurement process, extra barrier of provision of affidavit regarding recovery in case of higher rate was designed. The reply was not acceptable as firms were bound to repay the difference of higher rates and forfeiture of performance guarantee as per agreements made with them.

DAC in its meeting held on 15th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 226]

13.4.7 Non-recovery of risk & cost from firm - Rs 6.831 million

According to Clause 06 of agreement for purchase of medicines/ drugs/ medical devices/ surgical & disposable items for FY 2021-22, if the successful bidder fails to supply the goods as per orders within the stipulated time / as per terms and conditions of the contract or they try to withdraw / amend / revise their offer within the validity period, the offer shall stand cancelled, the earnest money / call deposit / security deposit will be forfeited and the relevant goods will be purchased at the risks and cost of the bidder.

During audit of CEO DHA Attock for the FY 2022-23, it was observed that an agreement for the purchase of medicines/ drugs/ medical devices/ surgical & disposable items in FY 2021-22 was made with M/s IBL Health Care Limited for Rs 7.714 million. Purchase order was issued with a delivery period of 60 days (45 days + 15 days grace period) but the firm did not supply these items. Consequently, these items were procured through LP budget at higher rates which resulted in an extra cost of Rs 6.831 million as detailed at **Annexure-S**. No action like blacklisting, forfeiture of performance security or purchases on risk and cost of the bidder etc. as provided in the agreement was taken. This resulted in non-recovery of risk & cost of Rs 6.831 million.

Audit held that non-recovery of risk & cost from the defaulting firm and non-blacklisting or forfeiture of security deposit was due to weak managerial controls.

The matter was reported to the PAO in November 2023. The department replied that reminders were issued to firm for provision of awarded items but the firm did not supply citing ban on LC / dollar fluctuation. The reply was not tenable as purchase related to FY 2021-22 and firm was bound to supply the items till 15.06.2022.

DAC in its meeting held on 15th December 2023 directed for recovery on risk & cost basis. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing responsibility on the officer(s) at fault.

[PDP No. 232]

13.4.8 Irregular award of tenders by violating evaluation criteria - Rs 11.000 million

According to Rule 32(1) of PPR 2014, all bids shall be evaluated in accordance with the evaluation criteria and other terms and conditions set forth in the prescribed bidding document.

During audit of following formations of DHA Attock for the FY 2022-23, it was observed that bidders were technically declared responsive by awarding extra marks despite the fact that they did not fulfill the knock down criteria as per bidding documents. This resulted in irregular award of contracts of Rs 11.000 million as detailed at **Annexure-T**.

Rs in million

Sr. No.	Name of Entity	Procurement Title	No. of Bidders Participated	Particulars	Amount
01	THQ Hospital Fateh Jang	X-Ray	03	Knock down criteria violated for one bidder	1.200
		Printing & Stationary	02	Knock down criteria violated for two bidders	1.300
02	THQ Hospital Pindi Gheb	General Store Item, Stationary, Printing and Misc. Items	02	Knock down criteria violated and extra marks awarded in technical evaluation for two bidders	2.000
03	IYB DHQ Hospital Attock	Laboratory Reagents & Supplies	07	Knock down criteria violated and extra marks awarded in technical evaluation for six bidders.	6.500

				Contracts of Rs 6.500 million awarded but advertisement published for Rs 2.000 million	
Total					**11.000**

Audit held that irregular award of tenders by violating evaluation criteria was due to weak managerial controls.

The matter was reported to the PAO in October 2023. The department replied that bidders were requested to provide the missing documents after opening of technical bids. Documents were provided except the closing cash balance. Online NTN/STN verification certificates were also provided. Evaluation committee awarded numbers on basis of these documents. Reply was not acceptable as knock down / evaluation criteria as per bidding documents were not followed.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 98, 104 & 172]

13.4.9 Non-deduction of GST - Rs 1.914 million

According to Para 10 of Circular No.09 of 2022-23 of FBR, "Sale tax, Federal Excise and ICT" (Tax on service) of amendment in Finance Act 2022 communicated vide Notification No. C.No.3 (1) ST - L&P/2019 dated 21.07.2022, drugs registered under the Drugs Act 1976 have been made chargeable to tax at reduced rate of 1% without input adjustment. Similarly, Active Pharmaceutical Ingredients (APIs) and their raw materials are also chargeable at fixed rate of 1% subject to certification by DRAP.

During audit of CEO DHA Attock for the FY 2022-23, it was observed that payment for procurement of medicines of Rs 158.758 million was made but GST amounting to Rs 1.914 was not deducted. This resulted in non-deduction of GST of Rs 1.914 million.

Audit held that non-deduction of GST from payment was due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that various firms supplied medicines before 01.07.2022, however, the amount would be deducted from final payment of the firms. The reply was not acceptable as GST was not deducted as per rules at the time of payment.

DAC in its meeting held on 15th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 239]

13.4.10 Loss due to procurement at exorbitant rates - Rs 1.765 million

According to Rule 4 of PPR 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. Further, as per Rule 38(2)(a)(viii), the lowest evaluated bidder shall be awarded the contract.

During audit of Isfand Yar Bukhari DHQ Hospital Attock for the FY 2022-23, it was noticed that financial bids for procurement of laboratory supplies, printing and x-ray films were opened on 27.07.2022. Advance acceptance letter was issued to successful bidders on 07.10.2022 (after 71 days) and 7.08.2022 (after 20 days) respectively. During this period, these items were procured from other local vendors without tender at higher rates causing loss of Rs 1.568 million as detailed at **Annexure-U**. Furthermore, scrutiny of financial bids of lab reagents revealed that 02 participants quoted price with GST and 05 participants quoted price without GST but comparative statement was prepared without deducting 17% GST from quoted price of 02 bidders causing loss of Rs 0.197 million. This resulted in overall loss of Rs 1.765 million due to procurement at exorbitant rates.

The matter was reported to the PAO in October 2023. The department replied that financial bids were opened on 27.07.2023 but delay in evaluation and signing the contract was due to non-availability of technical / financial evaluation committee as Eid-ul-Adha, Ashura & annual audit was in process. Reply was not acceptable as procurements were made at higher rates from other local vendors instead of lowest evaluated bidder.

DAC in its meeting held on 15th December 2023 directed to inquire the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 171]

13.4.11 Irregular procurement of non-formulary medicines - Rs 1.105 million

According to Clause 2 (xxxi) of Policy & Operational Guidelines for LP of Medicines (day to day) issued by P & SHCD vide letter No. SO (HP) 12-02/2022 dated.29.06.2022, in case any health facility prefers to procure item of brands other than those mentioned in Punjab Medicine

Formulary (PMF), the MS will forward case to Drugs Control Wing (DCW) of P&SHC department for inclusion of brand in PMF.

During audit of THQ Hospital Pindi Gheb for the FY 2022-23, it was observed that non-formulary medicines of Rs 1.105 million were procured from LP without forwarding case to Drugs Control Wing for inclusion of brands in PMF. This resulted in irregular expenditure of Rs 1.105 million as detailed at **Annexure-V**.

Audit held that irregular procurement of non-formulary medicines without forwarding case to DCW was due to poor internal controls.

The matter was reported to the PAO in October 2023. The department replied that medicines were purchased on emergency basis and despite constant reminders the medicines were not incorporated in formulary. The reply was not acceptable as no documentary evidence regarding inclusion of these medicines in formulary was provided.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 105]

C) Contract management

13.4.12 Non-recovery of patient claims under sehat sahulat programme - Rs 28.923 million

As per Clause 2.3 of agreement signed between State Life Insurance Corporation (SLIC) of Pakistan and MS of concerned hospital, State Life will process all submitted claims within 30 days after receiving completed claims along with required documents.

During audit of following formations of DHA Attock for the FY 2022-23, it was observed that patients claims amounting to Rs 28.923 million under Sehat Sahulat Programme (SSP) were neither submitted nor recovered from the SLIC in violation of above clause of the agreement. This resulted in non-recovery of government dues of Rs 28.923 million as detailed below:

Rs in million

Sr. No.	Name of Entity	Amount
1	THQ Hospital Hazro	1.676
2	THQ Hospital Jand	1.847
3	THQ Hospital Fateh Jang	1.853
4	THQ Hospital Pindi Gheb	0.967
5	Isfand Yar Bukhari DHQ Hospital Attock	22.580
Total		**28.923**

Audit held that non-recovery of patient claims was due to weak managerial controls.

The matter was reported to the PAO in October 2023. The department replied that claims were submitted to SLIC of Pakistan. The reply was not acceptable because no claims had been refunded so far.

DAC in its meeting held on 15th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends recovery of claims at the earliest.

[PDP No. 09, 65, 99, 108 & 181]

13.4.13 Non-imposition of penalty - Rs 3.085 million

As per Sr. No. 05 of Chapter “Penalties” of contract agreement made with firms by PMU of P&SHC department, if any worker is not paid minimum wage as per Labor Laws in a given month, a penalty of

Rs 5,000 / staff shall be imposed on the firm for that particular month. Appendix-3 (4) states that penalties calculation sheet signed by MS & New Management Structure (NMS) and respective supervisor must be shared with the Service Provider for his record.

During audit of following formations of DHA Attock for the FY 2022-23, it was observed that janitorial service of hospital were outsourced to the following firms. These firms made payments to the janitorial staff at a rate less than the minimum wage rate notified by the government. Hospital management did not impose penalty @ Rs 5,000 / staff while verifying monthly invoices. This resulted in non-imposition of penalty of Rs 3.085 million as detailed below:

Rs in million

Sr. No.	Name of Entity	Contractor	Services	No. of Employees	Penalty
1	THQ Hospital Hazro	M/s NCS	Janitorial	35	0.175
2		M/s Mustahlik Enterprises	MEPG	06	0.300
3	THQ Hospital Fateh Jang	M/s NCS	Janitorial	20	0.200
4	Isfand Yar Bukhari DHQ Hospital Attock	M/s Mustahlik Enterprises	MEPG	08	0.200
5		M/s NCS	Janitorial	65	0.650
6		M/s GB Security	Guards	26	1.560
Total					**3.085**

Audit held that verification of invoices without imposing penalty was due to poor managerial controls.

The matter was reported to the PAO in October 2023. The department replied that services were hired by PMU and payment was also made by them, however, recommendations for fine were forwarded along with invoices. The reply was not acceptable as no penalty was imposed while verifying invoices.

DAC in its meeting held on 15th December 2023 directed to take up the matter with PMU. No further progress was reported till finalization of this report.

Audit recommends imposition and deduction of recovery from contractors' payments.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 13.4.5 having financial impact of Rs 12.820 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 11, 103 & 178]

D) Others

13.4.14 Un-authorized utilization of tied grants - Rs 43.988 million

According to Rule 24 of PDA (Budget) Rules 2017, all conditional grants shall be budgeted and utilized following the conditions of the grant. Further, as per Para 2 of the release order for bulk purchase of medicines, the funds will not be utilized for any other purpose.

During audit of CEO DHA Attock for the FY 2022-23, it was observed that funds of Rs 418.982 million were available for tied grants (bulk medicines, dialysis medicines, arrear payments, anesthesia allowance & COVID), out of which Rs 302.287 million were utilized during the FY 2022-23. The remaining amount of Rs 116.695 million should have been available in Account-VI as closing balance on 30.06.2023. However, as per bank statement of DHA Attock closing bank balance of Account-VI was only Rs 72.707 million. This resulted in irregular utilization of tied grants of Rs 43.988 million for other purposes in violation of rules / conditions of grant by DHA as detailed below:

Rs in million

Tied Grant Description	Balance 30.06.22*	Received FY 2022-23	Total FY 2022-23	Expenditure FY 2022-23	Balance 30.06.23
Medicines (Bulk)	150.191	222.928	373.119	285.659	87.460
Dialysis Medicines (DHQ & THQ Hazro)	8.482	16.147	24.629	12.239	12.390
Arrears payment (National programme)	4.009	-	4.009	4.009	-
Anesthesia allowance	0.730	-	0.730	0.380	0.350
Covid-19 Catch-up Campaign	-	16.494	16.494	-	16.494
Total	**163.412**	**255.570**	**418.982**	**302.287**	**116.695**

*(Release of funds for tied grant of FY 2021-22 as un-utilized balance by CEO DHA Attock vide No.3423 dated.23.08.2022)

Audit held that un-authorized utilization of tied grants were in violation of rules / instructions was due to financial mismanagement.

The matter was reported to the PAO in November 2023. The department replied that supplementary grants were approved for smooth functioning of DHQ/THQs for various heads like LP, oxygen, electricity etc. and rates of various items were increased. The expenditure of current year would be controlled to meet the shortfall. The reply was not acceptable as tied grants were utilized for other purposes as admitted by management.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing of responsibility on the officer(s) at fault.

[PDP No. 228]

13.4.15 Non-accounting of receipts in Account-VI - Rs 9.982 million

According to clarification issued vide letter No.BI-3(120)(AGP) 2017-18 dated 16.08.2019 by Finance Department, Government of Punjab, all Public Accounts receipts as well as Consolidated Funds receipts are transferable to the Provincial Consolidated Funds or Provincial Public Account Fund as the case may be except the receipts collected under C02865-Health other contributions, C02866-Health recoveries of over payments, C02814-Education General recoveries of over payments, C03616-Share from Provincial allocable grant which relates to Account V & VI of the DEAs and DHAs.

During audit of CEO DHA Attock for the FY 2022-23, it was observed that recovery of overpayment Rs 9.982 million related to account head C02866-Health recoveries of overpayments was deposited in Account-I instead of Account-VI. This resulted in non-accounting of receipts of DHA.

Audit held that receipts were not accounted for in Account-VI due to financial mismanagement.

The matter was reported to the PAO in November 2023. The department replied that no procedure for submission of challans in Account-VI exists and challans were taken in Account-I by bank. The reply was not acceptable as receipts were neither deposited nor the bank was approached for deposit of these receipts in Account-VI despite clarification issued by FD.

DAC in its meeting held on 15th December 2023 directed for compliance. No further progress was reported till finalization of this report.

Audit recommends to take up the matter with Finance Department for transfer of receipts in Account-VI.

[PDP No. 240]

13.4.16 Irregular payment of liabilities - Rs 3.482 million

According to Rule 17.17(A) read with Rule 17.18 of PFR Vol-I, every DDO shall maintain a register of liabilities in PFR Form 27 in which he should enter all these items of expenditure for which payment is to be made by or through another officer, budget allotment or sanction of a higher authority is to be obtained or payment would be required partly or wholly during the next financial year or years.

During audit of Isfand Yar Bukhari DHQ Hospital Attock for the FY 2022-23, it was observed that payment of Rs 3.482 million was made for lab reagents, oxygen regulator and printing to following suppliers pertaining to previous year without additional funds and sanction of next higher authority i.e. CEO DHA Attock. Further, no liability register was prepared. This resulted in irregular payment of Rs 3.482 million.

Rs in million

Sr. No.	**Date**	**Suppler**	**Item**	**Amount**
1	28.12.21	Gulf Marketing Inl	Lab Reagents	0.678
2	31.03.22	A&S Enterprises	Lab Reagents	0.146
3	30.03.22	Hasir Enterprises	Lab Reagents	0.056
4	04.02.22	Fareed Traders	Printing	0.650
5	20.06.22	Eastern Medical Care	Filters & Dialysis Solution	1.323
6	08.06.22	Global Health Intl	Lab Reagents	0.158
7	22.06.22	Khan & Co	HIV, UPT Kits, Lab items etc.	0.470
Total				**3.481**

Audit held that payment of previous year was made without sanction and additional funds due to weak financial controls.

The matter was reported to the PAO in October 2023. The department replied that matter was highlighted several times about insufficient budget to Finance Department and the liabilities were sanctioned by MS who held the additional charge of CEO. The reply was not acceptable as no additional funds were obtained and sanctions were accorded by MS who did not hold the additional charge of CEO.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 179]

13.4.17 Irregular expenditure on M&R of residential buildings - Rs 2.324 million

According to Rule 5(ii) of PDA (Delegation of Financial Power) Rules 2017, officer in Category-I is competent to accord administrative approval up to Rs 0.300 million for M&R of residential and non-residential buildings chargeable to current budget. Further, as per Note II, no technical sanction for M&R work up Rs 0.300 million would be required.

During audit of Isfand Yar Bukhari DHQ Hospital Attock for the FY 2022-23, it was noticed that payment of Rs 2.324 million was made to M/s Awan Engineering vide invoice No.01 dated 29.03.2023 against contract for M&R of 16 residences of hospital. It was noticed that neither the administrative approval was obtained nor the estimate was technically sanctioned. All the payment was made against rough cost estimate and sanctioned by MS who was a category-I officer and not competent to accord sanction. This resulted in irregular expenditure of Rs 2.324 million.

Audit held that irregular expenditure incurred beyond competency without technical sanction was due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that scope of work & rough cost estimate was taken from Buildings Division Attock and MS was competent to accord approval up to Rs 10.000 million. The reply was not acceptable as administrative approval was not obtained, technical sanction without signature of XEN Building & embossed stamp was provided only. Besides MS was not competent to accord approval beyond Rs 0.300 million.

DAC in its meeting held on 15th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing responsibility on the officer(s) at fault.

[PDP No. 173]

CHAPTER 14

DISTRICT HEALTH AUTHORITY CHAKWAL

14.1 Introduction

a) There are 25 formations in DHA Chakwal out of which audit of 06 formations was conducted. Total expenditure and receipt of these formations was Rs 1,405.871 and Rs 86.031 million out of which 58% expenditure and 65% receipt were audited.

Audit Profile of DHA Chakwal

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Chakwal	25	06	808.539	56.030
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Chakwal was Rs 4,242.096 million and supplementary grant was Rs 512.122 million for the FY 2022-23. An amount of Rs 2,156.665 million was surrendered and final budget was Rs 2,597.553 million. Management incurred an expenditure of Rs 2,596.945 million resulting in saving of Rs 0.610 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	3,147.745	366.383	1,546.797	1,967.331	1,965.474	-1.857
Non-Salary	1,005.973	110.704	580.376	536.301	537.55	1.249
Development	88.378	35.035	29.492	93.921	93.921	0

Total	**4,242.096**	**512.122**	**2,156.665**	**2,597.553**	**2,596.945**	**-0.610**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	2,756.876	2,484.870	-272.006	10
2022-23	2,597.553	2,596.945	-0.610	0.023

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 6% decrease in budget allocation and 5% increase in expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 0.608 million during FY 2022-23 which is 0.02% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Chakwal for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	Description	Targets	Achievements
1	Outdoor Patients	2,333,000	2,330,141
2	Indoor Patients	82,950	83,765
3	Surgical Cases	25,450	26,881
4	Cardiac Coronary Unit	21,000	22,344
5	Diagnostic Services (Laboratory, Radiology)	685,424	686,692
6	Family Planning Visits	57,000	57,512
7	Peads	128,000	128,944
8	Surgery	25,000	24,692
9	TB Chest Treatments	6,000	6,101

Sr. No.	Description	Targets	Achievements
10	Free Medicines to Patients	100%	100%

Source: DHIS dashboard of DHA Chakwal

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Chakwal treated all target number of patients during FY 2022-23.

14.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 142.186 million were raised in this report during current audit of DHA Chakwal. This amount also includes recoveries of Rs 23.562 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	0
3	**Irregularities:**	
A	HR/Employees related irregularities	2.129
B	Procurement related irregularities	116.851
C	Contract Management	4.040
4	Value for money and service delivery issues	-
5	Others	19.166
Total		**142.186**

14.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to the Governor of the Punjab. The Audit Report for the Audit Year 2017-18 was discussed in PAC meeting convened in January 2022. However, PAC meeting to discuss remaining Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	27	Convened
2	2018-19	23	Not Convened
3	2019-20	19	
4	2020-21	7	
5	2021-22	5	
6	2022-23	11	

14.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

14.4.1 Inadmissible payment of NPA – Rs 2.129 million

According to Government of the Punjab, Finance Department letter No. FD.SR-I/6-4/2019 dated 05.04.2021, NPA is not admissible to doctors working in P&SHC Department and SH&ME Department serving on administrative posts. The same facility has not been extended to the doctors working on administrative posts in other administrative departments.

During audit of MS DHQ Hospital Chakwal for the FY 2022-23, it was observed that following doctors were doing private practice but also drew NPA without admissibility. This resulted in inadmissible payment of Rs 2.129 million as detailed below:

Rs in million

Sr. No.	Designation	NPA / Month (Rs)	No of Months	Total Amount
1	WMO	22,777	12	0.273
2	Consultant Urologist	28,762	12	0.345
3	SMO / Cardiologist	28,762	12	0.345
4	MO	22,777	12	0.273
5	WMO	22,777	12	0.274
6	Consultant Cardiologist	28,762	12	0.345
7	WMO	22,777	12	0.274
Total				**2.129**

Audit held that payment of NPA without admissibility was due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that recovery would be affected.

DAC in its meeting held on 13th December 2023 directed for recovery of amount. No further progress was reported till finalization of this report.

Audit recommends recovery of amount besides fixing of responsibility on the officer(s) at fault.

[PDP No. 123]

B) Procurement related irregularities

14.4.2 Irregular expenditure on account of local purchase of medicines - Rs 46.000 million

According to Rule 12(2) of PPR 2014, any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

During audit of MS DHQ Hospital Chakwal for the FY 2022-23, it was observed that tender for local purchase (LP) of medicines, disposable and surgical items worth Rs 46.000 million was awarded to M/s Hassan and Movaddat Enterprises on 30.09.2022. Scrutiny of bidding documents revealed that advertisement was published in "Aina Jahan" instead of two national daily newspapers in violation of the rule ibid. This resulted in irregular expenditure of Rs 46.000 million on LP medicines.

Audit held that irregular procurement of LP medicines was carried out due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied the advertisement was published in two daily nationwide newspapers i.e. Daily Aina Jahan and Daily Jinnah. The reply of the department was not acceptable as documentary evidence in support of reply was not provided.

DAC in its meeting held on 13th December 2023 directed the department to approach to DGPR for provision of advertisement. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 121]

14.4.3 Irregular expenditure on account of printing charges - Rs 25.048 million

According to Rule 2(ad) of PPR 2014, urgency means a limited timeline for the accomplishment of procurement which cannot be met through open and limited bidding method. Moreover, according to Rule 59(d)(iii), a procuring agency may engage in negotiated tendering with one or more contractors with or without prior publication of procurement notification, but this procedure shall only be used for reasons of extreme urgency brought about by events unforeseeable by procuring agency, the time limits laid down for open and limited bidding methods cannot be met, however, the circumstances invoked to justify extreme urgency must not be attributable to the procuring agency.

During audit of the following formations of the DHA Chakwal for the FY 2022-23, it was observed that the management requested the Government Printing Press Punjab, Lahore for printing of different items. Controller Printing & Stationary Punjab replied that due to urgent / important and time limit jobs and non-availability of scanning system & classified printing facility, the government printing press was not in a position to undertake and execute the job. He asked the department to get the job done from the referred firms for urgent execution of printing work by referring emergency/urgency clause 2q, 2ad & 59d (iii) of PPR 2014. The management incurred an expenditure of Rs 25.048 million without calling tenders in violation of PPR 2014, despite the fact that neither any emergency was notified by any authority nor there exist any plausible reason for invoking urgency. This resulted in irregular expenditure on account of printing charges of Rs 25.048 million as detailed below:

Rs in million

Sr. No.	Name of Entity	Name of Firm	Amount
1	CEO Health	M/s Khyber Printer	4.942
2	CEO Health	-do-	0.143
3	DHQ Hospital Chakwal	-do-	8.893
4	DHQ Hospital Chakwal	-do-	5.083
5	City Hospital Talagang	-do-	2.813
6	THQ Talagang	M/s Khyber Printer & M/s Soon Valley Printers	2.792
7	THQ Choa Syden Shah	M/s Khyber Printer	0.382
Total			**25.048**

Audit held that irregular expenditure in violation of PPR 2014 was incurred due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that purchases were made from the vendor approved by Printing Corporation of Punjab. The reply was not acceptable as expenditure was incurred without tender in violation of PPR 2014.

DAC in its meeting held on 13th December 2023 directed the department to take up the matter with PPRA for clarification. No further progress was shown till finalization of the report.

Audit recommends inquiry of the matter as similar pattern was observed in all the seven formations of DHA Chakwal.

[PDP No. 34, 39, 120, 124, 306, 315 & 318]

14.4.4 Loss to government due to purchase of surgical items at higher rates - Rs 23.176 million

According to Clause 2 (xxvii) of Policy & Operational Guidelines for LP of Medicines (Day to Day) issued vide letter No. SO (HP) 12-02/2022 dated 29.06.2022 by P&SHCD, local purchase costs government higher price in comparison to bulk purchases. Therefore, the aim is to reduce the incidences of local purchase by initiation and conclusion of bulk purchase process timely, utilization of alternative methods of procurement and by conducting risk purchases without splitting of procurement.

During audit of following formations of DHA Chakwal for the FY 2022-23, it was observed that management procured surgical items from the local suppliers instead of approved vendors by CEO DHA Chakwal at higher rate. This resulted in loss to government of Rs 23.176 million as detailed at **Annexure-W**.

Rs in million

Sr. No.	**Name of Formation**	**Amount of loss**
1	THQ Hospital Choa Syden Shah	1.272
2	DHQ Hospital Chakwal	21.904
Total		**23.176**

Audit held that expenditure was incurred from local vendors instead of approved vendors due to negligence and weak internal controls of the management.

The matter was reported to the PAO in October 2023. The department replied that the purchases were made due to shortage of items. The reply was not acceptable as items were not purchased from approved vendors.

DAC in its meeting held on 13th December 2023 directed to probe the matter. No further progress was reported till finalization of this report.

Audit recommends probe into the matter besides recovery of loss and fixing of responsibility on the officer(s) at fault.

[PDP No. 32 & 133]

14.4.5 Irregular purchase of medical equipment - Rs 14.853 million

According to Rule 4 of PPR 2014, a procuring agency while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of CEO DHA Chakwal for the FY 2022-23, it was observed that management floated the tender for framework rate contract of procurement of medical equipment and other items. Scrutiny of technical evaluation reports revealed that two firms “M/S Bio Tech” and “M/S Deneb” were declared non-responsive on the basis of knock down criteria i.e. past performance/experience certificates. The firms also filed grievances against this decision which was also turned down by the grievance committee. However, on verification of bidding documents of both firms, it was observed that all the past performance certificates were available with the bids of both firms. This resulted in unjustified disqualification of said firms, rendering the tendering process non-transparent and unfair. Detail is as under:

Rs in million

Sr. No.	Name of item	Amount
1	Defibrillator	0.953
2	Static X-Ray	13.900
Total		**14.853**

Audit held that irregular award of contract was due to weak financial controls.

The matter was reported to the PAO in October 2023. The department replied that firms did not submit attested copies of the experience certificates. The reply was not acceptable as it was not the requirement of the bidding document to provide attested copies of experience certificates.

DAC in its meeting held on 13th December 2023 directed the department to probe the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 316]

14.4.6 Irregular procurement by splitting - Rs 3.757 million

According to Rule 9(1) of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned.

During audit of MS DHQ Hospital Chakwal for the FY 2022-23, it was observed that expenditure of Rs 3.757 million was incurred on procurement of various items by splitting the indent. This resulted in an irregular expenditure of Rs 3.757 million as detailed at **Annexure-X**.

Audit held that irregular procurement made by splitting of indents to avoid the tendering was due to poor financial management.

The matter was reported to the PAO in October 2023. The department replied purchases were made in case of emergency. Reply was not acceptable as no evidence was provided in support of reply.

DAC in its meeting held on 13th December 2023 directed to regularize the matter. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing of responsibility on the officer(s) at fault.

[PDP No. 129]

14.4.7 Non transparent procurement of LP medicine - Rs 4.017 million

According to Rule 4 of PPR 2014, a procuring agency while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of THQ Hospital Choa Syden Shah for the FY 2022-23, it was observed that Rs 4.017 million was incurred on local purchase of medicines. Bidding documents revealed that two firms namely M/s Doctor Pharmacy & M/s Hajvery Pharmacy participated in tender for LP medicine and both were declared responsive by the technical committee. But the grievances committee disqualified the M/s Doctor Pharmacy with the remarks that owner of doctor pharmacy was not registered with FBR. The decision of grievance committee was not in order as there was no such clause in bidding documents which required that owner/proprietor of pharmacy must be registered with FBR. Hence, elimination of M/s Doctor Pharmacy from competition made the whole procurement process doubtful. This resulted in non-transparent procurement of Rs 4.017 million.

Audit held medicine were not procured in accordance with the PPR 2014, due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that M/s Doctor Pharmacy could not justify the observation raised by grievance committee. The reply was not acceptable as observation of grievance committee was not in order.

DAC in its meeting held on 13th December 2023 directed to regularize the matter. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing of responsibility on officer(s) at fault.

[PDP No. 30]

C) Contract management

14.4.8 Non imposition of penalty on janitorial services provider - Rs 4.040 million

As per Sr. No. 05 of Chapter "Penalties" of contract agreement made with firms by PMU of P&SHC department, if any worker is not paid minimum wage as per Labor Laws in a given month, a penalty of Rs 5,000 / staff shall be imposed on the firm for that particular month. Appendix-3 (4) states that penalties calculation sheet signed by MS & New Management Structure (NMS) and respective supervisor must be shared with the Service Provider for his record.

During audit of the following formations of DHA Chakwal for the FY 2022-23, it was observed that janitorial services of the hospital were outsourced to M/s Super Care Services. The firm made payments to the janitorial staff at a rate less than the minimum wage rate notified by the government. Hospital management did not impose penalty @ Rs 5,000 / staff while verifying monthly invoices. This resulted in non-imposition of penalty of Rs 4.040 million as detailed below:

Rs in million

Name of Entity	**Period**	**No of Employees**	**No of Months**	**Total**
THQ hospital Talagang	07/2022 to 02/2023	36	8	1.440
DHQ Chakwal	07/2022 to 02/2023	65	8	2.600
Total				**4.040**

Audit held that the invoices were verified without including penalty due to weak managerial controls.

The matter was reported to the PAO in October 2023. The department replied that contract for janitorial services was between PMU of P&SHC department and outsourced company. The hospital was only responsible for forwarding monthly invoices and the payment was made by PMU. Furthermore, non-payment of minimum wage had already been intimated to relevant authority. The reply was not acceptable as the management did not impose penalty while verifying monthly invoices.

DAC in its meeting held on 13th December 2023 directed to take up the matter with PMU. No further progress was reported till finalization of this report.

Audit recommends imposition of penalty on service provider besides fixing of responsibility on officer(s) at fault.

[PDP No. 47 & 128]

D) Others

14.4.9 Non-recovery of patient claim under sehat sahulat programme - Rs 14.149 million

According to Clause-2, sub-clause 2.3 "Duties & Responsibilities of the provider" of agreement between Hospitals and SLIC of Pakistan regarding providing health facilities to State life clients, State Life will process all submitted claims within 30 days after receiving completed claims along with the required documents.

During audit of DHA Chakwal for the FY 2022-23, it was observed that following hospitals did not recover Rs 14.149 million from SLIC of Pakistan against the provision of health facility to patients under SSP in violation of above clause of the agreement. This resulted in non-recovery of government dues of Rs 14.149 million as detailed below:

Rs in million

Sr. No.	**Name of Entity**	**Amount**
1	DHQ Hospital Chakwal	5.200
2	City Hospital Talagang	5.963
3	THQ Choa Syden Shah	0.401
4	THQ Hospital Talagang	1.928
5	Trauma Centre Kalarkahar	0.657
Total		**14.149**

Audit held that patient claims were neither submitted nor recovered due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that the recovery was in-process. The reply was not acceptable since no evidence of recovery was provided.

DAC in its meeting held on 13th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends early submission and recovery of outstanding claims.

[PDP No. 35, 49, 135, 301 & 308]

14.4.10 Loss due to non-deduction of GST on procurement of medicines - Rs 1.637 million

According to Para 10 of Circular No.09 of 2022-23 issued by FBR "Sale tax, Federal excise and ICT" (Tax on service) of amendment in Finance Act 2022 communicated vide Notification No. C.No.3(1)ST-L&P/2019 dated 21.07.2022, drugs registered under the Drugs Act 1976 have been made chargeable to tax at reduced rate of 1% without input adjustment. Similarly, Active

Pharmaceutical Ingredients (APIs) and their raw materials are also chargeable at fixed rate of 1% subject to certification by DRAP.

During audit of CEO DHA Chakwal for the FY 2022-23, it was observed that payment for procurement of medicines for Rs 163.70 million was made without deducting sales tax @ 1% to the tune of Rs 1.637 million. This resulted in non-deduction of sales tax.

Audit held that GST @ 1% was not deducted due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that GST was not paid. The reply was not acceptable as GST was not deducted.

DAC in its meeting held on 13th December 2023 directed for recovery of GST. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility on the officer(s) at fault.

[PDP No. 319]

14.4.11 Non-forfeiture of earnest money of defaulting contractors - Rs 1.607 million

As per Clause 9(iii) of contract form (agreement) of bidding document, if the supplier fails to supply the whole consignment within the contract period and not able to deliver the consignee's end, the entire amount of performance guaranty/security shall be forfeited to the government account and the firm shall be blacklisted for minimum of two years for further participation.

During audit of CEO DHA Chakwal for FY 2022-23, it was observed that suppliers did not supply medicine worth Rs 32.134 million but the performance security of the firms amounting to Rs 1.607 million was not forfeited. This resulted in loss of Rs 1.607 million to the public exchequer.

Audit held that performance security was not forfeited due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that final notice had been served to the firms for supply of medicine. In case of non-supply, performance security would be forfeited. The reply was not acceptable as no action was taken against the firms.

DAC in its meeting held on 13th December 2023 directed the department to receive medicine at earliest. No further progress was reported till finalization of this report.

Audit recommends forfeiture of performance security besides fixing of responsibility on the officer(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for Audit Year 2022-23 vide para number 14.4.9 having financial impact of Rs 1.125 million. Recurrence of same irregularity is a matter of serious concern

[PDP No. 323]

14.4.12 Irregular payment of previous year's liability - Rs 1.773 million

According to Rule 17.17(A) read with Rule 17.18 of PFR Vol-I, every DDO shall maintain a register of liabilities in PFR Form 27 in which he should enter all these items of expenditure for which payment is to be made by or through another officer, budget allotment or sanction of a higher authority is to be obtained or payment would be required partly or wholly during the next financial year or years.

During audit of THQ Hospital Choa Syden Shah for the FY 2022-23, it was observed that payment of Rs 1.773 million was made to M/s Islamabad Medical Engineering against outstanding liabilities on account of LP medicine without additional funds and sanction of next higher authority i.e. CEO DHA Chakwal. Further, no liability register was prepared. This resulted in irregular payment of Rs 1.773 million as detailed below:

Rs in million

Sr. No.	Invoice No.	Date of payment	Amount
1	116/2022 dated 10-06-2022	20-06-2023	0.475
2	114/2022 dated 09-06-2022	20-06-2023	0.499
3	113/2022 dated 09-06-2022	14-12-2022	0.484
4	124/2022 dated 10-06-2022	07-12-2022	0.315
Total			**1.773**

Audit held that payment of previous year was made without sanction and additional funds due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that due to shortage of funds supplementary grant was not provided. The reply was not acceptable as no sanction was accorded by the CEO DHA Chakwal.

DAC in its meeting held on 13th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 33]

CHAPTER 15

DISTRICT HEALTH AUTHORITY JHELUM

15.1 Introduction

a) There are 19 formations in DHA Jhelum out of which audit of 04 formations was conducted. Total expenditure and receipt of these formations was Rs 1,314.181 and Rs 96.468 million out of which 68% expenditure and 54% receipt were audited.

Audit Profile of DHA Jhelum

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Jhelum	19	04	897.077	52.282
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Jhelum was Rs 2,512.536 million and supplementary grant was Rs 317.902 million for the FY 2022-23. An amount of Rs 333.483 million was surrendered and final budget was Rs 2,496.955 million. Management incurred an expenditure of Rs 2,496.519 million resulting in saving of Rs 0.436 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	1914.327	116.428	192.738	1,838.017	1859.576	21.559
Non-Salary	596.737	199.379	140.404	655.712	633.717	-21.995
Development	1.472	2.095	0.341	3.226	3.226	0

Total	**2,512.536**	**317.902**	**333.483**	**2,496.955**	**2,496.519**	**-0.436**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	2,518.488	2,108.494	-409.994	16
2022-23	2,496.955	2,496.519	-0.436	0.02

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 1% decrease in budget allocation and 18% increase in expenditure during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 0.436 million during FY 2022-23 which is 0.02% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Jhelum for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	Key Indicators	Targets	Achievements
1	Outdoor Patients	2,100,000	2,173,831
2	Indoor Patients	60,000	60,472
3	Surgical Cases	30,000	30,855
4	Cardiac Coronary Unit	1,500	1,783
5	Diagnostic Services (Laboratory, Radiology)	555,500	576,880
6	Family Planning Visits	42,000	46,529
7	Peads	9,000	9,172
8	Surgery	7,999	8,154

9	TB Chest Treatments	1,420	1,437
10	Free Medicines to Patients	100%	100%

Source: DHIS dashboard of DHA Jhelum

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table show that DHA Jhelum treated all target number of patients during FY 2022-23.

15.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 264.839 million were raised in this report during current audit of DHA Jhelum. This amount also includes recoveries of Rs 40.103 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations
Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	27.233
B	Procurement related irregularities	203.744
C	Contract Management	20.969
4	Value for money and service delivery issues	-
5	Others	12.893
Total		**264.839**

15.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meeting
1	2017-18	10	Not Convened
2	2018-19	13	
3	2019-20	16	
4	2020-21	06	

5	2021-22	08	
6	2022-23	08	

15.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

15.4.1 Un-authorized award of BPS-12 without following service rules - Rs 12.106 million

According to the Sr. No. 6 of Schedule-I of the Punjab Health Department Allied Health Professionals (Service) Rules 2012, Senior Technician (BS-14), by promotion on the basis of seniority-cum-fitness from amongst the technicians in the relevant allied health sciences discipline having five years' service and technical training in the relevant discipline for three months, designed by University of Health Sciences, at the District Health Development Centre (DHDC) followed by post training examination to be conducted by the Punjab Medical Faculty.

During audit of MS DHQ Hospital Jhelum for the FY 2022-23, it was observed that un-authorized higher grades i.e. BPS-12 & BPS-14 were awarded in 2012 by the then CEO DHA Jhelum to the various technicians of BPS-9 in violation of above rules. This resulted in overpayment of Rs 12.106 million as detailed at **Annexure-Y**.

Rs in million

Sr. No.	No. of Employees	Description	Recoverable
1	08	BPS-09 to BPS-12	9.398
2	05	BPS-09 to BPS-14	2.708
Total			**12.106**

Audit held that unauthorized award of higher grade to technicians was due to weak financial controls.

The matter was reported to the PAO in October 2023. The department replied that matter had been taken with competent authority vide letter No.8069 dated 22.09.2023. The reply was not tenable as above mentioned Service Rules were not implemented.

DAC in its meeting held on 12th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends re-fixation of pay besides affecting recovery.

[PDP No. 78 & 194]

15.4.2 Overpayment due to award of higher scale on regularization – Rs 6.762 million

As per Sr. 06 of Notification No. DS(O&M)5-3/2004/ CONTRACT(MF) dated 14.10.2009, the pay of newly appointed staff formally on contract service would be fixed on the initial of the pay grade / scale and the difference of pay would be paid as their personal allowance.

According to Para 1(d) of Government of the Punjab, Finance Department letter No.FD.PC-32-7/2007(103)/07 dated 23.04.2008 the post in BPS 01 to 04 has not been upgraded on permanent basis. Hence, the new incumbents against the category after 01.07.2007 would be made in original pay scales i.e. in BPS-1 to BPS-4.

During audit of MS DHQ Hospital, Jhelum for the FY 2022-23, it was observed that services of the 40 non-gazatted officials were regularized on 14.10.2009. As per the criteria referred above, these officials were required to be placed in BPS-01 instead of BPS-2. Similarly, some officials were allowed BPS-3 instead of their original scale of BPS-2. This resulted in overpayment of Rs 6.762 million as detailed at **Annexure-Z**.

Audit held that overpayment by awarding higher grade was due to weak financial controls.

The matter was reported to the PAO in October 2023. The department replied that said employees were regularized under the regularization policy, which have been duly verified by DAO Jhelum. Hence, no recovery was due from these employees. The reply was not tenable as regularization was to be made against original scales of these employees.

DAC in its meeting held on 12th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends re-fixation of pay besides effecting recovery.

[PDP No. 193]

15.4.3 Irregular payment of pay & allowances to doctors - Rs 3.821 million

According to the appointment notification of MO/WMOs, Secretary, P&SHC department appointed MO/WMOs (BS-17) on adhoc basis in THQ Hospital Sohawa for period of one year or till the availability of regular incumbent whichever is earlier.

During audit of THQ Hospital Sohawa for the FY 2022-23, it was observed that the management made payment of Rs 3.821 million to the following doctors who were not performing their duties in THQ Hospital Sohawa since the dates mentioned against each. This resulted in irregular drawl of pay and allowances amounting to Rs 3.821 million and depriving of general public from basic health facilities due to their absence at the place of posting besides workload on the remaining staff. Detail is given below:

Rs in million

Sr. No.	Designation	From	To	Total
1	MO	12.12.22	to date	0.846
2	WMO	18.12.22	28.02.23	0.314

Rs in million

Sr. No.	Designation	From	To	Total
		13.03.23	to date	0.463
3	WMO	21.01.23	to date	0.686
4	WMO	17.04.22	28.02.23	1.271
		15.03.23	16.05.23	0.241
Total				**3.821**

Audit held that the ad hoc appointment was a stop gap arrangement till the posting of regular incumbent and was non-transferable but due to poor managerial controls, MO/WMO were drawing their pays without performing their duties at designated place of posting.

The matter was reported to the PAO in October 2023. The department replied that these doctors were working in DHQ Jhelum by the orders of CEO DHA Jhelum. All these orders had been cancelled by CEO DHA Jhelum on 10.10.2023. Reply was not acceptable as no attachment orders were provided.

DAC in its meeting held on 12th December 2023 directed to inquire the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 52]

15.4.4 Irregular payment to contingent paid staff - Rs 1.772 million

According to Clause 2(a) of preface of Schedule of Wage Rate 2022, the post(s) shall be advertised properly in the leading newspaper.

During audit of THQ Hospital PD Khan for the FY 2022-23, it was observed that the hospital management appointed and made payment of Rs 1.772 million to the five Data Entry Operators (DEO) out of Health Council funds without advertisement in violation of above rules. This resulted in irregular expenditure of Rs 1.772 million.

Audit held that the irregular payment was due to weak internal controls and mismanagement.

The matter was reported to the PAO in October 2023. The department replied that advertisement for the post of DEO was published in two newspapers i.e. Express News and Alamgir Post on July 19, 2023. The hiring process was completed on September 4, 2023, and the selected candidates began working on April 5, 2023. All the necessary formalities for the hiring process were fulfilled. The reply was not appropriate as process was not followed for the period under audit.

DAC in its meeting held on 12th December 2023 directed to probe the matter. No further progress was reported till finalization of this report.

Audit recommends regularization besides probe for fixing of responsibility on the officer(s) at fault.

[PDP No. 17]

15.4.5 Non-deduction of House Rent and Utility Charges - Rs 1.748 million

According to Para 36(b) of Allotment Policy 1997, amended up to 2018, all government servants occupying residences will be bound to get house rent deducted from their salaries, as payable according to the rules. Rent / Penal rent of an allotted and occupied residence will be charged to the salary of the allottee. Further, according to the directions of Government of the Punjab, P&SHC department vide Notification No. SO (B&A)1-1/91-92 dated 12.05.1992, all government servants who have been provided on rent accommodation in the institutes / hospitals premises, would arrange separate meter for the facilities of electricity, sui-gas and water. The head of office were accordingly required to ensure compliance and disconnect all such facilities from the bulk supply of the hospital. Till compliance electricity @ Rs 500, sui-gas @ Rs 400 & water @ Rs 40 pm be deducted. Moreover, in case of use of air cooler, Rs 500 and in case of use of air conditioner Rs 2,000 extra be charged from April to September of each year.

During audit of DHQ Hospital Jhelum for the FY 2022-23, it was observed that the hospital had two hostels consisting of 44 rooms. Scrutiny of the record revealed that the hospital management did not implement the government instructions as mentioned above and failed to deduct house rent and utility charges from the salaries of 34 employees residing in these hostels. This resulted in non-deduction of charges amounting to Rs 1.748 million.

Audit held that compulsory deduction was not made due to weak financial controls.

The matter was reported to the PAO in October 2023. The department replied that assessment of room rent and utility charges had been requested to Building Department and Punjab Energy Department vide letter No.10240 &10239 dated 25.11.2023. The reply was not acceptable as no compliance was made.

DAC in its meeting held on 12th December 2023 directed for recovery but No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility on the officer(s) at fault.

[PDP No. 82]

15.4.6 Non-deduction of house rent allowance above entitlement - Rs 1.024 million

According to instructions contained in Finance Department, Government of the Punjab (Monitoring Wing) letter No. FD(M-I)1-15/82-P-I dated 15th January 2000, the government servant who is allotted a government residence is not allowed to draw House Rent Allowance and will have to pay House Maintenance charges @ 5% of the basic pay. In case the official is residing above his entitlement, 10% rent of the maximum of the scale for the accommodation meant for, is required to be deducted.

During audit of MS DHQ Hospital Jhelum for the FY 2022-23, it was observed that management allotted government accommodations to 10 employees of DHA Jhelum. Scrutiny of the record revealed that some of the accommodations were allotted above entitlement. Only 5% house maintenance charges were deducted instead of 10%. This resulted in overpayment of Rs 1.024 million.as detailed at **Annexure-AA.**

Audit held that unauthorized payment was made due to weak financial controls.

The matter was reported to the PAO in October 2023. The management did not submit any reply.

DAC in its meeting held on 12th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends that recovery be made from the concerned.

[PDP No. 85]

B) Procurement related irregularities

15.4.7 Irregular award of contract in violation of knock down criteria - Rs 101.667 million

According to Rule 32(1) of the PPR 2014, all bids shall be evaluated in accordance with evaluation criteria and other terms and conditions set forth in the prescribed bidding documents.

During audit of the following formations of DHA Jhelum for the FY 2022-23, it was observed that management incurred an expenditure of Rs 101.667 million on procurement of different store articles from different firms. Scrutiny of the record revealed that these firms did not fulfill the knockdown criteria and management instead of rejecting their bids, irregularly awarded the contract. This resulted in irregular award of contract. Detail is given at **Annexure-AB**.

Rs in million

Sr. No.	Name of Formation	Items Purchased	Amount
1	DHQ Hospital Jhelum	LP Medicine, Pathology items, General Store Items	56.000
2	CEO DHA Jhelum	Lab Items, Linen items, X-ray rate contract, General Store items	45.667
Total			**101.667**

Audit held that technical bids were not rejected as per knock down criteria laid down in bidding documents due to weak internal and financial controls.

The matter was reported to the PAO in October 2023. The department replied that no irregularity was committed best efforts were made to keep competition transparent. The reply was not tenable as the documentary evidences proved irregularities in the tendering process.

DAC in its meeting held on 12th December 2023 directed to probe the matter. No further progress was reported till finalization of this report.

Audit recommends that matter be inquired to fix responsibility on the persons at fault besides regularization.

[PDP No. 73, 75, 264, 266, 268 & 267]

15.4.8 Irregular award of rate contract to technically unqualified firms - Rs 33.052 million

According to Rule 4 of PPR 2014, a procuring agency while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of CEO DHA Jhelum for the FY 2022-23, it was observed that rate contract of medicines were awarded to technically unqualified firms. Scrutiny of record revealed that these firms failed to qualify but due to defective evaluation they were given passing marks. This resulted in irregular award of contract for Rs 33.052 million. Detail is given at **Annexure-AC**.

Audit held that procurements were made against defective evaluation due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that no irregularity was made for evaluating knock down criteria. Reply was not tenable as documentary evidence was available for the violations.

DAC in its meeting held on 12th December 2023 directed to probe into the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 272, 273, 274, 275, 279, 280 & 286]

15.4.9 Doubtful consumption of medical gases - Rs 17.411 million

According to Sr. No. 15.4 (a) of PFR volume-I, all materials received should be examined, counted, measured and weighed, as the case may be, when delivery is taken, and they should be kept in charge of a responsible Government Servant. The passing and the receiving Government servants should see that the quantities are correct and their quality good, and record a certificate to this effect. The receiving Government servant should also be required to give a certificate that he has actually received the materials and recorded them in his appropriate stock registers.

During audit of DHQ Hospital Jhelum for the FY 2022-23, it was observed that payment of Rs 17.411 million was made for procurement of medical gasses. Comparison of main store stock register with children & emergency ward expense registers revealed following discrepancies:

i. The quantity of the unused cylinders was found less i.e. 1,650 and 1,700 bars (300 to 350 bars less per cylinder) as against required 2,000 bars. It showed that the cylinders were received without measuring weight in violation of above rule.

ii. Physical inspection revealed that main stock register was written up to 30.06.2022 while the expense books of the emergency ward were updated up to 31.07.2022. Moreover, The children ward indent was updated up to 31.07.2022 while the expense book was written up to 03.08.2022 without indent or receiving of oxygen cylinder in the expense book. This proves that the consumption procedure was not followed.

iii. In emergency ward Medical Officers simply prescribed O_2 on patients files without mentioning the quantity or time.

iv. The consumption of oxygen cylinder in children ward for the month of July 2022 was checked with admission and discharge register and available files and noticed the overcharge of oxygen gas as per detail at **Annexure-AD**.

This resulted in doubtful consumption of medical gases amounting to Rs 17.411 million.

Audit held that stock of medical gases was not measured and weighed at the time of receipt and shown over-consumed while booking expense without confirming its authenticity due to weak internal & financial controls.

The matter was reported to the PAO in October 2023. The department replied that there was no material difference in stock. There might be leakages or other uncontrollable or environmental factors for shortage. Moreover, cylinders were to be replaced upon 30% gas because the supply panel only supports high pressure oxygen which resulted in more consumption of oxygen. The reply was not tenable as the department admitted the shortage. Moreover, the documents could not verify the consumption of medical gases.

DAC in its meeting held on 12th December 2023 directed to probe into the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 76]

15.4.10 Irregular procurement due to splitting - Rs 14.197 million

According to Rule 9(1) of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned.

During audit of DHQ Hospital Jhelum for the FY 2022-23, it was observed that expenditure of Rs 14.197 million was incurred on purchase of various items by splitting to avoid quotation / tendering process in violation of the above rule. This resulted in irregular expenditure of Rs 14.197 million as detailed at **Annexure-AE**.

Audit held that irregular procurement by splitting of indents to avoid the quotation/tendering was due to poor financial management.

The matter was reported to the PAO in October 2023. The department replied that purchase was made as per rule and requirement. The reply was not tenable as procurement was done by splitting of indent as evident from documents.

DAC in its meeting held on 12th December 2023 directed for inquiry of the matter. No further progress was reported till finalization of this report.

Audit recommends regularization of the matter besides fixing of responsibility on the officer(s) at fault besides regularization.

[PDP No. 192]

15.4.11 Irregular award of rate contract of medical gases – Rs 14.011 million

According to Rule 4 of PPR 2014, a procuring agency while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of DHQ Hospital Jhelum for the FY 2022-23, it was observed that a tender of Rs 25.108 million was floated on 30.06.2022 for procurement of refilling of medical gases and instrument. Subsequently, payment of Rs 14.011 million was made to Mirza and Company as per following detail:

Rs in million

Sr. No.	Cheque date	Bill for the Month	Gross Amount
1	27.09.2022	Mar 2022	1.790
2	27.09.2022	Apr 2022	2.232
3	27.09.2022	May 2022	2.120
4	27.09.2022	Jun 2022	2.271
5	15.09.2022	Jul 2022	1.956
6	15.09.2022	Aug 2022	1.700
7	23.05.2023	Aug 2022	0.437
8	23.05.2023	Sep 2022	1.505
Total			**14.011**

Scrutiny of technical evaluation report with bidding documents of the successful bidder i.e. M/s Mirza & Company revealed following discrepancies which made the award irregular because:

i. The company only had 09 months business history instead of mandatory one year business history. Moreover, CDR amounting to Rs 264,510 was deposited instead of Rs 502,162 i.e. 2% bid security.

ii. The company did not submit company profile, technical, engineering, administrative skills, after sales services past experience/performance including relevant material(s) as required. The company submitted authorized dealership certificate of M/s Multan Chemical Ltd. which was also a competitor in the said bid.

This resulted in irregular award of tender of medical gasses valuing Rs 14.011 million.

Audit held that the firm was qualified by technical evaluation committee despite the fact that numerous document(s) of knock down criteria were not provided due to weak managerial controls.

The matter was reported to the PAO in October 2023. The department replied that rate contract of medical gases for FY 2022-23 was awarded by CEO DHA Jhelum. The matter had been taken up with CEO DHA Jhelum on 25.11.2023. The reply was not acceptable as knock down criteria was not fulfilled.

DAC in its meeting held on 12th December 2023 directed to probe the matter. No further progress was reported till finalization of this report.

Audit recommends regularization of the matter besides fixing responsibility on the officer(s) at fault.

[PDP No. 74]

15.4.12 Irregular expenditure on printing & publication - Rs13.503 million

According to Rule 2(ad) of PPR 2014, 'Urgency' means a limited timeline for the accomplishment of procurement which cannot be met through open and limited bidding method; & According to Rule 59 (d)(iii), a procuring agency may engage in negotiated tendering with one or more contractors with or without prior publication of procurement notification, but this procedure shall only be used when reasons of extreme urgency brought about by events unforeseeable by procuring agency, the time limits laid down for open and limited bidding methods cannot be met, however, the circumstances invoked to justify extreme urgency must not be attributable to the procuring agency.

During audit of the following formations of the DHA Jhelum for the FY 2022-23, it was observed that management requested the superintendent Government Printing Press Punjab for printing of different items. Controller Printing & Stationary Punjab replied that due to urgent/important and time limit jobs and due to non-availability of scanning system & classified printing facility the government printing press was not in a position to undertake and execute the job. He asked the department to get the job done from the referred firms for urgent execution of printing work by referring emergency/urgency clause 2q, 2ad & 59d (iii) of PPR 2014.

Consequently, the management incurred an expenditure of Rs 13.503 million without calling tender in violation of PPR 2014, despite the fact that neither any emergency was notified by any authority nor there exist any plausible reason for invoking urgency. This resulted in irregular expenditure of Rs 13.503 million. Detail is as under:

Rs in million

Sr. No.	Name of formation	Name of contractor	Amount
1	THQ Hospital PD Khan	Soan Valley Printing Press	0.777
2	THQ Hospital Sohawa		0.411
3	DHQ Hospital Jhelum	Khyber international printer	10.880
4	CEO DHA	M/s Noor-e-wahdat printers Lahore	1.435
Total			**13.503**

Audit held that irregular expenditure in violation of PPR 2014,was incurred due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that under Rule no. 59(C)(VI) of PPR 2014, a procuring agency was allowed to engage in direct contracting if the price of goods, services, or works was fixed by the government or another authorized entity. The reply was not acceptable as no plausible reasons for invoking urgency was provided to audit.

DAC in its meeting held on 12th December 2023 directed to refer the matter to PPRA for clarification. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter as similar pattern was observed in all the four formations of DHA Jhelum.

[PDP No. 14, 55, 72 & 287]

15.4.13 Non recovery of risk & cost from firm due to non-supply – Rs 3.669 million

According to Sr. No.07 of award for purchase of medicines/ drugs/ medical devices/ surgical & disposable items FY 2021-22, if the successful bidder fails to supply the goods as per orders within the stipulated time / as per terms and conditions of the contract or they try to withdraw / amend / revise their offer within the validity period, the offer shall stand cancelled, the earnest money / call deposit / security deposit will be forfeited and the relevant goods will be purchased at the risks and cost of the bidder.

During audit of the following formations of DHA Jhelum for the FY 2022-23, it was observed that advance acceptance was issued to vendors for purchase of medicines/ drugs/ medical devices/ surgical & disposable items for FY 2021-22 and accordingly agreement was made with the firms. Collective purchase orders were issued with a delivery period of 60 days (45 days + 15 days grace period)] but the firms did not supply these items. Therefore, these items were procured through LP budget on higher rates. CEO DHA Jhelum did not take any action like blacklisting, forfeiture of performance security or purchases on risk and cost of the bidder etc. as provided in the agreement. This resulted in non-recovery of risk and cost of Rs 3.669 million as detailed at **Annexure-AF.**

Rs in million

Sr. No.	Name of formation	Amount
1	CEO (DHA) Jhelum	1.543
2	THQ Hospital PD Khan	1.084
3	THQ Hospital Sohawa	1.042
Total		**3.669**

Audit held that neither the firm was blacklisted nor the earnest money was forfeited and loss on risk & cost basis was also not recovered due to poor managerial controls.

The matter was reported to the PAO in October 2023. The department replied that M/s Munawar Pharma was declared blacklisted and forfeited 5% performance guarantee due to non provision of awarded items and recovery amounting to Rs 126,146 was made. Further, M/s IBL Healthcare supplied incomplete IV Sets i.e. supplied 100,000 instead of 178,000. The performance guarantee of M/s IBL was forfeited due to partial supply and recovery amounting to Rs 112,866. The reply was not convincing as recovery made did not cover the risk and cost factor.

DAC in its meeting held on 12th December 2023 directed for recovery of risk & cost. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility on the officer(s) at fault.

[PDP No. 15, 56 & 288]

15.4.14 Non transparent award of tender of digital X-Ray films – Rs 2.276 million

According to Rule 4 of PPR 2014, a procuring agency while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of CEO DHA Jhelum for the FY 2022-23, it was observed that management uploaded the tender of Digital X-Ray films on PPRA's website on 22.11.2022. It was noticed that the successful bidders namely; M/s Arooj Group and M/s New Malik Enterprises managed the tender. The stamps of M/s Arooj Group were embossed on the documents of M/s New Malik Enterprises. Both the bidders did not submit the compulsory affidavit of non-blacklisting. It was further noticed that the stamp paper submitted by M/s Arooj Group was not issued in favor of DHA Jhelum and the same was tempered. Moreover, the agreement was also not executed on non-judicial stamp paper as required under Section 22-A(b) of Stamp Duty Act 1899. This resulted in non-transparent tendering of Rs 2.276 million.

Audit held that firms were given undue favor and not rejected at the time of technical evaluation due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that all procedure was followed in a transparent and fair manner by treating all the firms equally. The reply was not acceptable because rate contracts were awarded despite the fact that firms did not qualify technically.

DAC in its meeting held on 12th December 2023 directed to probe into the matter. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter besides fixing of responsibility on the officer(s) at fault.

[PDP No. 270]

15.4.15 Overpayment on account of purchase of medicines/surgical items - Rs3.958 million

According to Serial No. 3 of the supply orders and Clause 23(c) of the terms & conditions of bidding documents issued by DHA Jhelum, in case rate charged by the firm are found higher than the rates charged in other districts at any stage, the firm will be responsible to refund the excess amount.

During audit of accounts of CEO DHA Jhelum for the FY 2022-23, it was observed that firms quoted higher rates for the same items than which were quoted in other districts of Punjab (Attock, Chakwal & Rawalpindi) in violation of said agreement. This resulted in non-deduction of excess payment of Rs 3.958 million as detailed at **Annexure-AG**.

Audit held that procurement was made at higher rates due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that M/s Bloom Pharmaceutical agreed for deduction of excess amount of Rs 59,385 from its pending bills and remaining deduction was in progress. Regarding medical gases, procuring agency took up the matter with the firm for reducing the rate as quoted in district Attock & Chakwal but the representative of firm refused to reduce the rates. The procuring agency tried for re-tendering and contacted to other vendors of medical gases for submitting reduced rates up to Rs 700 per cylinder but all the vendors refused to do so. Reply was not acceptable in the light of Clause 23 (C).

DAC in its meeting held on 12th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing of responsibility on the officer(s) at fault.

[PDP No. 265 & 281]

C) Contract management

15.4.16 Non imposition of penalty on janitorial services - Rs 5.960 million

As per Sr. No. 05 of Chapter "Penalties" of contract agreement made with firms by PMU of P&SHC department, if any worker is not paid minimum wage as per Labor Laws in a given month, a penalty of Rs 5,000 / staff shall be imposed on the firm for that particular month. Appendix-3 (4) states that penalties calculation sheet signed by MS & NMS and respective supervisor must be shared with the Service Provider for his record.

During audit of the following formations of DHA Jhelum for the FY 2022-23, it was observed that janitorial services of the hospital were outsourced to the following firms. These firms made payments to the janitorial staff at the rate less than the actual minimum wage rate notified by the government. Hospital management, despite knowing the fact, did not impose penalty @ Rs 5,000 / staff while verifying monthly invoices. This resulted in non-imposition of penalty of Rs 5.960 million as detailed below:

Rs in million

Sr. No.	Name of formation	Name of contractor	Amount
1	THQ Hospital PD Khan	M/s Super Care Service	1.440
2	DHQ Hospital Jhelum	M/s Console Enterprises	3.080
3	THQ Hospital Sohawa	M/s Super Care Service	1.440
Total			**5.960**

Audit held that invoices were verified without including penalty due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that contract for janitorial services was executed between PMU of P&SHC department and outsourced company M/s Console Enterprises. The hospital was only responsible for forwarding monthly invoices, the payment was made by PMU. Further, non-payment of minimum wage had already been intimated to relevant authority. The reply was not tenable as the management had to ensure the acknowledgement of payment.

DAC in its meeting held on 12th December 2023 directed to take up the matter with PMU. No further progress was reported till finalization of this report.

Audit recommends recovery of penalty besides fixing of responsibility on officer(s) at fault.

[PDP No. 18, 60 & 88]

15.4.17 Non recovery of patient claims under sehat sahulat programme - Rs 4.966 million

According to Clause 2.3 of the agreement between THQ PD Khan & SLIC of Pakistan, "Duties & Responsibilities of the provider", State Life will process all submitted claims within 30 days after receiving completed claims along with required documentation.

During audit of THQ Hospital PD Khan for the FY 2022-23, it was observed that 398 patients claims under SSP amounting to Rs 4.966 million were neither submitted nor recovered from the SLIC of Pakistan in violation of above clause of the agreement. This resulted in non-recovery of government dues of Rs 4.966 million**.**

Audit held that patient claims were neither submitted nor recovered due to weak managerial controls.

The matter was reported to the PAO in October 2023. The department replied that Hospital had submitted a total of 423 cases to State Life for payment. The reply was not acceptable since no claim was received so far.

DAC in its meeting held on 12th December 2023 directed for compliance. No further progress was reported till finalization of this report.

Audit recommends early submission and recovery of outstanding claims.

Note: The issue was also reported earlier in the Audit Reports for Audit Year 2022-23 vide para number 15.4.5 having financial impact of Rs 2.093 million. Recurrence of same irregularity is a matter of serious concern

[PDP No. 19]

15.4.18 Loss due to non-collection of auction rights - Rs 10.043 million

According to Rule 27 of PLG (Auction of Collection Rights) Rules 2016, the successful bidder shall furnish a surety for the due performance of the contract and will provide a bank statement for the preceding six months also showing a bank balance equivalent to the amount of the surety. Further, in case of default of contractor to discharge his obligations under the contract for any reason, the local government shall be entitled to recover, not only the amount including charges, dues and fees which may have become due under the contract, but also the cost of proceedings initiated in this regard.

During audit of MS DHQ Hospital Jhelum for the FY 2022-23, it was observed that hospital management entered into following contracts regarding collection rights of hospital parking & canteen. Scrutiny of the record revealed that hospital management failed to implement the above mentioned rules in letter & spirit and could not recover the due amount. This resulted in loss of Rs 10.043 million as detailed below:

Rs in million

Sr. No.	Name of contractor	Nature of contract	Contract Value	Recovered	Recoverable
1	M/s Wajid Mehmood	Parking	9.677	1.683	7.994
2	M/s Zeshan Ahmed	Canteen	4.445	2.396	2.049
Total			**14.122**	**4.079**	**10.043**

Audit held that government dues were not recovered due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that these contractors refused to run the parking stand and canteen and also refused to make further payments. The management forfeited the security of contractor and deposited the same in government treasury. The blacklisting procedure had now been adopted. The reply was not acceptable as management did not award the auction contracts in accordance with rules. Moreover, blacklisting of these contractors was yet to be implemented.

DAC in its meeting held on 12th December 2023 directed for inquiry by CEO. No further progress was reported till finalization of this report.

Audit recommends to make good the government loss from the concerned.

[PDP No. 79 & 80]

D) Others

15.4.19 Un-authorized utilization of tied grants - Rs 12.893 million

According to Rule 24 of PDA (Budget) Rules 2017, all conditional grants shall be budgeted and utilized following the conditions of the grant. Further, as per Para 2 of the release order for bulk purchase of medicines, the funds will not be utilized for any other purpose.

During audit of CEO DHA Jhelum for the FY 2022-23, it was observed that funds to the tune of Rs 383.680 million were available for tied grants (Bulk medicines, dialysis medicines, IRMNCH & COVID), out of which Rs 282.010 million were utilized during the FY 2022-23. The remaining amount of Rs 101.670 million should have been available in Account-VI as closing balance on 30.06.2023. However, as per bank statement of DHA Jhelum closing bank balance of Account-VI was only Rs 35.900 million. This shows that funds amounting to Rs 65.770 million were utilized for other purposes in violation of rules / conditions of grant by DHA as detailed below:

Rs in million

Tied Grant Description	Balance 30.06.22	Received FY 2022-23	Total FY 2022-23	Expenditure FY 2022-23	Balance 30.06.23
Medicines Bulk	151.720	192.510	344.230	264.720	79.510
Dialysis Machine	9.800	12.550	22.350	14.060	8.290
Covid Funds	-	13.740	13.740	0	13.740
IRMNCH	-	3.360	3.360	3.230	0.130
Total	**161.520**	**222.160**	**383.680**	**282.010**	**101.670**
Closing Balance as per Bank on 30.06.2023					**35.900**
Difference					**65.770**
Payment made on Finance Department instructions					**52.877**
Undue utilization					**12.893**

Audit held that tied grants were utilized in violation of rules / instructions due to financial mismanagement.

The matter was reported to the PAO in October 2023. The department replied that Finance Department advised to pay the pending liabilities of Financial Assistance & Leave Encashment out of available cash balance of Account-VI in phased manner vide UO No. FD (PFC) 3-31/2017

(DHAs) dated 28.10.2020. The reply was not acceptable as tied grant were utilized for other purposes.

DAC in its meeting held on 12th December 2023 directed to reduce the para to Rs 12.893 million and refer the matter for regularization. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing of responsibility on the officer(s) at fault.

[PDP No. 284]

CHAPTER 16

DISTRICT HEALTH AUTHORITY RAWALPINDI

16.1 Introduction

a) There are 37 formations in DHA Rawalpindi out of which audit of 06 formations was conducted. Total expenditure and receipt of these formations was Rs 3,371.355 and Rs 27.358 million out of which 37% expenditure and 54% receipt were audited.

Audit profile of DHA Rawalpindi

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Rawalpindi	37	06	1,259.356	14.643
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Rawalpindi was Rs 5,827.241 million for the FY 2022-23. An amount of Rs 622.622 million was surrendered and final budget was Rs 5,204.619 million. Management incurred an expenditure of Rs 5,193.422 million resulting in saving of Rs 11.197 million. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	4,494.871	0	261.172	4,239.197	3,423.396	-815.801
Non-Salary	1,049.285	0	255.674	788.113	1,593.742	805.629
Development	283.085	0	105.776	177.309	176.284	-1.025
Total	**5,827.241**	**0.000**	**622.622**	**5,204.619**	**5,193.422**	**-11.197**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	**Final Grant**	**Expenditure**	**Excess (+) / Saving (-)**	**% age of saving**
2021-22	4,976.237	4,696.662	-279.575	6
2022-23	5,204.619	5,193.422	-11.197	0.21

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 5% increase in budget allocation and 11% increase in expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 11.197 million during FY 2022-23 which is 0.21% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Rawalpindi for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	**Key Indicators**	**Targets**	**Achievements**
1	Outdoor Patients	280,000	278,258
2	Indoor Patients	2,000	1,958
3	Surgical Cases	1,800	1,622
4	Cardiac Coronary Unit	94,000	94,271
5	Diagnostic Services (Laboratory, Radiology)	900,000	862,243
6	Family Planning Visits	70,000	68,370
7	Peads	85,000	71,578
8	Surgery	1,800	1,622
9	TB Chest Treatments	5,000	4,816

Sr. No.	Key Indicators	Targets	Achievements
10	Free Medicines to Patients	201,698	190,586

Source: DHIS dashboard of DHA Rawalpindi

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Rawalpindi lagged behind in providng services to target number of patients in case of surgery and provision of free medicines during FY 2022-23.

16.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 555.239 million were raised in this report during current audit of DHA Rawalpindi. This amount also includes recoveries of Rs 38.810 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	0
2	Fraud, embezzlement, and misappropriation	0
3	**Irregularities:**	
A	HR/Employees related irregularities	2.729
B	Procurement related irregularities	147.607
C	Contract Management	1.565
4	Value for money and service delivery issues	221.312
5	Others	182.026
Total		**555.239**

16.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meeting

1	2017-18	27	Not Convened
2	2018-19	25	
3	2019-20	18	
4	2020-21	13	
5	2021-22	03	
6	2022-23	15	

16.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

16.4.1 Overpayment of pay & allowances to staff - Rs 2.729 million

According to Rule 9(b) of PDA (Accounts) Rules, 2017, the DDO or payee of pay & allowances, contingent or any of the other expense signing and authorizing the payments shall be personally responsible for any erroneous payment and shall liable to make good the loss.

During audit of following formation of DHA Rawalpindi for FY 2022-23, it was observed that following staff was drawing pay without performing duties as they were either transferred to Lahore or absent from duty and without fixation of pay on regularization. This resulted in overpayment of pay & allowances of Rs 2.729 million as mentioned below:

Rs in million

Sr. No.	Formation	Designation	Pointed Out	Recovered	Balance
1	DO Health	Dispenser, GHD Cantt	313,313	11814	301499
		Midwife, BHU Phalina	11,500	2,417	9,083
		Chowkidar, BHU Harnia Wala	39,308	11,682	27,626
		BHU Ghora Gali	1,015,541	-	1,015,541

		WMO Transferred Out	192,968	-	192,968
2	THQ Hospital Murree	Consultant Gynae	830,942	-	830942
		MO	263,997	-	263,997
		MS	87,150	-	87,150
Total			**2,754,719**	**25,913**	**2,728,806**

Audit held that overpayment was made on account of pay and allowances due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that in compliance of audit observation, recovery from concerned had been started.

DAC in its meeting held on 14th December 2023 directed for full recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Reports for Audit Year 2022-23 vide para number 16.4.1 having financial impact of Rs 9.127 million & for Audit Year 2021-22 vide para number 17.4.1.1.1 having financial impact of Rs 5.588 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 146 & 166]

16.4.2 Irregular appointment/ recruitment of Class-IV employees

According to General Terms & Condition No.03 of advertisement published in newspaper Dunya dated 25.10.2022 for appointment of 91 Class-IV (Naib Qasid, Chowkidar, Attendant and Midwife) on contract basis, the provincial quotas shall be applicable for the above mentioned posts @ 15% for women, 5% for minority and 3% for disabled persons.

During audit of accounts of DHO (HRM & MIS) for the FY 2022-23, it was noticed that new recruitment of Class-IV was made on contract basis by district recruitment committee under the chairmanship of DHO (HRM & MIS). During scrutiny of record following irregularities were observed:

i. Regarding recruitment Naib Qasids against 28 posts, only 2 females were appointed for quota of 15% which required appointment of 4 females whereas against 3% quota of disabled persons (one candidate), 2 candidates were appointed. Moreover, 17 persons were appointed against quota of 16 on open merit.

ii. Similarly, in case of recruitment of Chowkidars against 59 posts, no female candidate was appointed against quota of 15% which comes to 9. For employees quota, 2 candidates were adjusted as against 12. In the same way, against 3 quota of one disabled persons, 2 candidates were appointed. Furthermore, 45 candidates were appointed against the quota of 33 on open merit.

iii. Interview numbers were abnormally given to selected candidates i.e. 90-95% to cover up the gap of qualification marks.

iv. Candidates who obtained 68 marks were selected whereas candidates obtained 69 to 78 were recommended for waiting list.

Sr. No	**Name of Post**	**Total Posts Available**	**Quota**	**Candidates to be adjusted against quota**	**Candidate adjusted**
1	Naib Qasid	28	Female Quota	04	02
2			Disable person	01	02
3			Open merit	16	17
4	Chowkidar	59	Female Quota	09	0
5			Employee Quota	12	02
6			Disable Quota	01	02
7			Open Merit	33	45

Scrutiny of merit lists further revealed that the committee rejected the number of candidates on the basis of matric 3rd division without any clause/ recruitment policy which resulted in doubtful recruitment and violation of policy.

Audit held that irregular appointments were made due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that disciplinary proceedings had been initiated.

DAC in its meeting held on 14th December 2023 directed for regularization. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter besides fixing responsibility on the officer(s) at fault.

[PDP No. 148]

B) Procurement related irregularities

16.4.3 Irregular procurement of various items - Rs 28.838 million

According to Rule 9 of the PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. According to Rule 12(1) of Punjab Procurement Rules 2014, procurements over three hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified by regulation by the PPRA from time to time.

During audit of following formations of DHA Rawalpindi for the FY 2022-23, it was observed that various items for Rs 28.838 million were purchased by the DDOs from various suppliers on quotations basis without inviting tenders. This resulted in irregular procurement amounting to Rs 28.838 million as detailed at **Annexure-AH**.

Audit held that irregular procurement was made due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that planning of tender was not possible due to quarterly release of budget. The reply was not tenable as the procurement was made in violation of PPR 2014.

DAC in its meeting held on 14th December 2023 directed to regularize the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

Note: The issue was also reported earlier in the Audit Reports for Audit Year 2021-22, 2022-23 vide para number 16.4.3 and 17.4.1.2.3 having financial impact of Rs 142.400 million and Rs 11.819 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 90 & 144]

16.4.4 Irregular expenditure on printing & publication - Rs 43.956 million

According to Rule 2(ad) of PPR 2014 'Urgency' means a limited timeline for the accomplishment of procurement which cannot be met through open and limited bidding method; & According to Rule 59 (d) negotiated tendering: a procuring agency may engage in negotiated tendering with one or more contractors with or without prior publication of procurement notification, but this procedure shall only be used when, (iii) for reasons of extreme urgency brought about by events unforeseeable by procuring agency, the time limits laid down for open and limited bidding methods cannot be met, however, the circumstances invoked to justify extreme urgency must not be attributable to the procuring agency;

During audit of the following formations of the DHA Rawalpindi for the FY 2022-23, it was observed that the managements requested the superintendent Government Printing Press Punjab for printing of different items. Controller Printing & Stationary Punjab Lahore replied that due to urgent/important and time limit jobs and due to non-availability of scanning system & classified printing facility the government printing press was not in a position to undertake and execute the job. He asked the department to get the job done from the referred firms for urgent execution of printing work by referring emergency/urgency clause 2q, 2ad & 59d (iii) of PPR 2014. Consequently, the management incurred an expenditure of Rs 43.956 million without calling tender in violation of PPR 2014, despite the fact that neither any emergency was notified by any authority nor there exist any plausible reason for invoking urgency. Detail is as under:

Rs in million

Sr. No.	**Formation**	**Firm Name**	**Name of Item**	**Amount**
1	Wah General Hospital Taxila	M/S Khyber international printers	Investigation Slips	1.088
			Receipts Book & Registers	0.243
2	DHO Preventive Services		Printing of files and forms etc	9.256
			Printing of dengue forms	6.654
			Printing of files and forms etc.	0.566
				1.994
3	DHO Medical Services	M/s Moon Enterprises	Purchase of stationery	8.336
				1.59
4	IRMNCH			7.486
5	THQ Hospital Gujar Khan	M/S Khyber international printers	Printing of Book & Registers	6.743
Total				**43.956**

Audit held that irregular expenditure in violation of PPR 2014, was incurred due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that this practice was under ambit of 64-A of PPR 2014. The reply was not tenable neither any plausible reason for invoking urgency was provided to audit nor work was assigned according to the Rule 64-A of PPR 2014.

DAC in its meeting held on 14th December 2023 directed to obtain clarification from PPRA. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter as similar pattern was observed in all the four formations of DHA Rawalpindi.

[PDP No. 89, 143, 195 & 297]

16.4.5 Procurement of medicines at higher rates - Rs 3.737 million

According to Clause 19 of the contract letter for the purchase of medicines /drugs / medical devices / surgical & disposable item for FY 2022-23 between firm and CEO DHA Rawalpindi, final rate quoted by the firm against each item to DHA Rawalpindi is not higher than any other district in Punjab for FY 2022-23. In case the rates offered by the firm to DHA Rawalpindi are found higher than any other district in Punjab at any later stage the deduction will be made from the final payments accordingly, 2% performance guarantee will be forfeited and any other legal action including black listing will be initiated against the firm.

During audit of accounts of CEO DHA Rawalpindi for the FY 2022-23, it was observed that firms quoted higher rates for the same items than which were quoted in other districts of Punjab (Attock, Chakwal & Jhelum) in violation of said agreement. This resulted in non-deduction of excess payment of Rs 3.737 million as detailed at **Annexure-AI**.

Audit held that procurement was made at higher rates due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that procurement tender of one district cannot be compared with any other district in view of distance, rate and willingness of diverse participant. The reply was not acceptable as objection was raised according to the clause of the contract agreement.

DAC in its meeting held on 14th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 210]

16.4.6 Non recovery of risk & cost from firm due to non supply - Rs 5.010 million

According to Condition-7 read with Condition-3 of supply orders issued by CEO for all THQs during April 2022 to successful bidder, if the successful bidders' fails to supply the goods as per orders within stipulated time/ as per terms and conditions i.e (60 days+15 days grace period) of the contract or they try to withdraw/ amend / revise their offer even within the validity period, the offer shall stand cancelled, the Earnest Money / Call Deposit / Security Deposit will be forfeited and the relevant goods will be purchased at the risk and cost of bidder.

During audit of the following formations of DHA Rawalpindi for the FY 2022-23, it was observed that advance acceptance was issued to vendors for purchase of medicines/ drugs/ medical devices/ surgical & disposable items FY 2021-22 and accordingly agreement was made with the firms. Collective purchase orders were issued with a delivery period of 75 days (60 days + 15 days grace period)] but the firms did not supply these items. Therefore, these items were procured through LP budget on higher rates. CEO DHA Rawalpindi did not take any action like blacklisting, forfeiture of performance security or purchases on risk and cost of the bidder etc. as provided in the agreement. This resulted in non-recovery of risk and cost of Rs 5.010 million as detailed below:

Rs in million

Sr. No.	**Name of formation**	**Amount**
1	THQ Hospital Murree	2.201
2	THQ Hospital Taxila	0.644
3	Wah General Hospital Taxila	0.518
4	DO Health	0.637
5	THQ Hospital Gujar Khan	1.010
Total		**5.010**

Audit held that neither the firm was black listed nor the earnest money was forfeited and loss on risk & cost basis was also not recovered due to poor managerial controls.

The matter was reported to the PAO in October 2023. The department replied that urgent purchases on need basis were made as medicines were not timely supplied by the vendors. The reply was not tenable as no recovery was made on risk & cost basis.

DAC in its meeting held on 14th December 2023 directed the CEO DHA for recovery on risk and cost basis. No further progress was reported till finalization of this report.

Audit recommends recovery of loss from concerned on risk and cost basis besides fixing of responsibility on the officer(s) at fault.

[PDP No. 23, 91, 150, 189 & 201]

16.4.7 Non supply of medicines - Rs 66.006 million

According to clause-6 of supply order issued by CEO to firms for supply of bulk medicines, if the successful bidders fails to supply the goods as per orders within stipulated time/ as per terms and condition of the contract or they try to withdraw/ amend/revise their offer even within the validity period, the offer shall stand cancelled, the Earnest Money/ Call Deposit/Security Deposit will be forfeited.

During audit of CEO DHA Rawalpindi for the FY 2022-23, it was observed that sixteen firms failed to deliver the medicines amounting to Rs 66.006 million during FY 2021-23. DHA Rawalpindi neither forfeited the performance security of suppliers @ 2% i.e. Rs 1.320 million nor referred the case P&SHC department for punitive action. This resulted in non-supply of medicine and non-forfeiture of performance security as detailed at **Annexure-AJ**.

Audit held that due to weak internal control the irregularity was occurred.

The matter was reported to the PAO in October 2023. The department replied that some medicines had been received. The reply of the management was not acceptable as no documentary evidences were provided.

DAC in its meeting held on 14th December 2023 directed for compliance. No further progress was reported till finalization of this report.

Audit recommends early receipt of medicines besides forfeiture of performance security of defaulting firms.

[PDP No. 24, 93, 190 & 213]

C) Contract management

16.4.8 Unjustified purchase of janitorial & MEPG items for service provider - Rs 1.565 million

According to Section-C Clause no.3 of contract agreement between PMU, P&SHC department, Government of Punjab regarding outsourcing of Janitorial services for DHQ & THQ hospital of Punjab with M/s Best Mansol services Pvt limited, the service provider shall provide the supplies/equipment in the required quantity to the hospital administration by 25th of the every month for use in the next month. Further, according to Clause No.1.1.D.13 of contract agreement of MEPG with M/s Sarmik Pvt, the service provider shall be expected to provide with the spare parts inventory and material to be used within hospital building. The hospital administration should provide the store room where the spare inventory and material required for provision of mechanical electrical and plumbing services.

During audit of THQ Hospital Gujar Khan for the FY 2022-23, it was revealed that an expenditure of Rs 1.565 million was incurred on account of supplies and repair of electrical/mechanical services for janitorial and MEPG services. THQ Hospital Gujar Khan was not authorized to provide supplies for janitorial and MEPG items to the service provider as per the agreement. This irregularity resulted in loss to the government of Rs 1.565 million as given below:

Sr. No.	Supplier	Bill No.	Item	Date Bill	Amount (Rs)
1	A2U Tech	574	Plastic Waste Bag	19.12.2022	146,830
2		560	Plastic Waste Bag	17.11.2022	66,339
3		575	LED Flood Light, 50 watt	19.12.2022	46,566
4		553	Thinner (35L) etc	11.10.2022	127,026
5		595	Plastic Waste Bag	13.02.2023	88,452
6		596	Plastic Waste Bag	13.02.2023	265,356
7		661	Cable, Single core etc	07.06.2023	278,062
8	Shehryar Traders	1194	Dry Mob	06.10.2022	66,842
9		1235	Door Closer	19.01.2023	131,543
10		1237	2 Pin Shoe	16.01.2023	234,250
11		2222	Door Closer	16.01.2023	83,479
12		1223	Cables 710.029	06.01.2023	29,917

Total	**1,564,662**

Audit held that unjustified purchase of janitorial and MEPG items was carried out due to weak internal controls and the possibility of double claims could not be ignored.

The matter was reported to the PAO in October 2023. The department replied that expenditure was incurred against the items not included in agreement. The reply was not acceptable as the provision of these items were the responsibility of service provider.

DAC in its meeting held on 14th December 2023 directed to take up the matter with PMU for recovery. No further progress was reported till finalization of this report.

Audit recommends that the matter be inquired for fixing responsibility on officer(s) at fault besides recovery/reimbursement.

[PDP No. 199]

D) Value for money and service delivery Issues

16.4.9 Un-authorized utilization of tied grants - Rs 207.148 million

According to Rule 24 of PDA (Budget) Rules 2017, all conditional grants shall be budgeted and utilized following the conditions of the grant. Further, as para 2 of the release order for bulk purchase of medicines, the funds will not be utilized for any other purpose.

During audit of CEO DHA Rawalpindi for the FY 2022-23, it was noticed that funds of Rs 789.843 million were available for tied grants (Bulk medicines, dialysis medicines, Covid & Development), out of which Rs 439.204 million were utilized during the FY 2022-23. The remaining amount of Rs 350.638 million should have been available in Account-VI as closing balance on 30.06.2023. However, as per bank statement of DHA Attock closing bank balance of Account-VI was only Rs 143.490 million. This resulted in un-authorized utilization of tied grants of
Rs 207.148 million for other purposes as detailed below:

Rs in million

Tied Grant Description	Balance 30.06.22	Received FY 2022-23	Total FY 2022-23	Expenditure FY 2022-23	Balance 30.06.23
Development (Revenue Portion)	84.023	413.702	497.725	173.457	324.268
Medicines (Bulk)	0	238.299	238.299	263.020	(24.722)
Dialysis Medicines (DHQ & THQ Hazro)	0	2.727	2.727	2.727	0
Covid-19 Catch-up Campaign	0	51.092	51.092	0	51.092
Total	**84.023**	**705.82**	**789.843**	**439.204**	**350.638**

Audit held that due to financial mismanagement tied grant were utilized in violation of rules / instructions.

The matter was reported to the PAO in October 2023. The department replied that mandatory payments of monthly salaries,/ payroll through SAP system was made out of funds of Account VI to pay the pending liabilities of Financial Assistance & Leave Encashment out of available cash balance of Account-VI. The reply was not acceptable as tied grant were utilized for other purposes.

DAC in its meeting held on 14th December 2023 directed for regularization. No further progress was reported till finalization of this report.

Audit recommends regularization besides fixing responsibility on the officer(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 16.4.16 having financial impact of Rs 226.360 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 217]

16.4.10 Loss due to un-authorized retention and use of government vehicle - Rs 8.846 million

According to Rule 9(a) of the PDA (Accounts) Rules 2017, in case any loss accrues to a District Authority through fraud or negligence of a person or employee, a person functioning on behalf of a District Authority shall be personally responsible on his part and shall be liable to make good the loss.

During audit of DHO (Medical Services) for the FY 2022-23, it was observed that Mr. Muhammad Khalid Mahmood Randhawa Ex. EDO Health Rawalpindi retained and illegally used the official vehicle bearing registration no. RIG-1209 (Vigo-2009 model) w.e.f January 2015 to 29.09.2022. Log book of the said vehicle was not maintained during the period. The matter was probed and the probe committee under the convenorship of Deputy Secretary (B&A) P&SHC department recommended that depreciation calculation may be recovered from Ex. EDO Health Rawalpindi and regular inquiry may be initiated against him. In the light of decision of probe committee, the other committee under the convenorship of District Coordinator IRMNCH & Nutrition programme, Rawalpindi evaluated the depreciation of vehicle and rent vide No. 5416/IRMNCH/Rawalpindi dated 20.10.22. An amount of Rs 8.846 million was found recoverable but neither the amount was recovered nor further inquiry was conducted. This resulted in loss of Rs 8.846 million to government as detailed below:

Rs in million

Sr. No.	Vehicle No.	Period Observed	Description	Amount
1	RIG-1209 (Vigo-2009)	Jan, 2015 to Sep,2022	Depreciated value of the vehicle	1.776
2			Rent for illegal use	7.070
Total				**8.846**

Audit held that the vehicle was retained by the Ex-EDO without any approval due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that DO (Health) had no role in transport matter. The reply was not acceptable as no progress towards recovery was reported.

DAC in its meeting held on 14th December 2023 directed to shift the para to CEO DHA. No further progress was reported till finalization of this report.

Audit recommends recovery the amount besides initiating disciplinary proceedings against the delinquent.

[PDP No. 145]

16.4.11 Non recovery of patient claims under sehat sahulat programme - Rs 5.318 million

According to agreement signed between SLIC of Pakistan and THQ Hospital Taxila states under clause-3 "Provider Package Rate and Payment" sub-clause 3.1 "provider will be reimbursed for services rendered as per agreement against a package rate treatment fee scheduled. The treatment rate schedule is attached with appendix-II"

During audit of various formations of DHA Rawalpindi for the FY 2022-23, it was observed that patients were provided different health facilities by THQ Hospitals under SSP from the starting of programme i.e Jan, 2022 but the due claims had not been recovered from the SLIC of Pakistan in violation of above policy/instructions. This resulted in non-recovery of claims of Rs 5.318 million up to June 2023 from SLIC as detailed below:

Rs in million

Sr. No.	**Name of formation**	**No. of Patients**	**Amount**
1	THQ Hospital Taxila	41	0.773
2	Wah General Hospital Taxila	70	1.102
3	THQ Hospital Murree	187	3.443
Total		**298**	**5.318**

Audit held that claims were not recovered due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that claims would be recovered soon. The reply was not acceptable as no serious effort had been carried out to recover the outstanding claims.

DAC in its meeting held on 14th December 2023 reduced the para to Rs 5.318 million and directed for full recovery. No further progress was reported till finalization of this report.

Audit recommends early recovery of claims.

[PDP No. 22, 92 & 167]

E) Others

16.4.12 Irregular clearance of previous year's liabilities - Rs 169.483 million

According to Rule 17.17(A) read with Rule 17.18 of PFR Vol-I, every DDO shall maintain a register of liabilities in PFR Form 27 in which he should enter all these items of expenditure for which payment is to be made by or through another officer, budget allotment or sanction of a higher authority is to be obtained or payment would be required partly or wholly during the next financial year or years.

During audit of CEO DHA Rawalpindi for the FY 2022-23, it was observed that DDO cleared the previous year's medicine bills and paid an amount of Rs 169.483 million to different firms during the FY 2022-23 without maintenance of liability register, demand of additional budget for clearance of liability as no budget was shown in approved budget estimate of FY 2022-23 and obtaining the sanction(s)/ approval of competent authority in violation of above rule. This resulted in irregular expenditure of Rs 169.483 million on account of clearance of previous year's liability.

Audit held that irregularity occurred due to weak budgetary controls.

The matter was reported to the PAO in October 2023. The department replied that the funds for purchase of bulk medicine were received separately and were incurred for the purpose. The reply was not acceptable as department did not include the bulk medicine budget amount in the opening balance of their budget book.

DAC in its meeting held on 14th December 2023 directed for regularization. No further progress was reported till finalization of this report.

Audit recommends regularization of the matter besides fixing of responsibility on the officer(s) at fault.

[PDP No. 218]

16.4.13 irregular purchase of diesel for generator - Rs 4.388 million

According to the Oil and Gas Regulatory Authority notification No.OGRA-Oil 19-9-(27)/08 dated 05.10.2015 petrol/HSD can be sold only through petrol pumps which are owned by licensed OMCs. Any person involved in storage and sale of petrol/HSD other than the petrol pumps of OMCs is violating Section 3 of Petroleum Act 1934 and Rule 90 of the Petroleum Rules 1937. In addition, illegal sale of petrol/HSD leads to the supply of substandard product.

During audit of the accounts of THQ Hospital Gujar khan for the FY 2022-23, it was revealed that an amount of Rs 4.388 million was paid to M/S GZK Petroleum Services Pvt. Ltd. Jhelum on account of purchase of diesel. The management instead of buying HSD from OMC registered petrol pumps located in Gujar Khan, purchased diesel form a vendor situated at a distance of 50 kilometers from Gujar Khan. In addition, M/S GZK Petroleum Services Jhelum tax profile inquiry of FBR revealed that the said contractor was registered as general order supplier. This resulted in irregular purchase of diesel for generator.

Audit held that irregular purchase of diesel from a general order supplier situated 50 kilometers from Gujar Khan was carried out due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that it was responsibility of DAO to check the license and OGRA registration etc. at the time of vendor creation. The reply was not acceptable because purchase was carried out by the department not by DAO.

DAC in its meeting held on 14th December 2023 directed for regularization of the matter. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter and fixing of responsibility on officer(s) at fault.

[PDP No. 197]

16.4.14 Loss to government due to non-recovery of stolen dialysis machine - Rs 2.500 million

According to Rule 9(a) of the PDA (Accounts) Rules 2017, in case any loss accrues to a District Authority through fraud or negligence of a person or employee, a person functioning on behalf of a District Authority shall be personally responsible on his part and shall be liable to make good the loss.

During audit of MS THQ Hospital Murree for the FY 2022-23, it was observed that a dialysis machine worth Rs 2.500 million was stolen from the dialysis ward of the hospital. The hospital management filed an FIR on 10-10-22 in Police Station Murree. After police investigation, the machine was recovered from the culprit. However, model of the machine recovered was 4008-S (J42) Fresenius Medical Care Sr. No.OXKA0804) 11-Amp, whereas, model no. of the stolen machine was 4008-S (M52222) Fresenius Medical Care Sr. No.7SXART81 9-Amp. Moreover, the recovered machine was not in working condition. This resulted in the loss to government due to non-recovery of original dialysis machine

Audit held that non-recovery of original dialysis machine resulted in loss to the government to the tune of Rs 2.500 million.

The matter was reported to the PAO in October 2023. The department replied that detail of incident of non-recovery was reported to police as well as CEO DHA.

DAC in its meeting held on 14th December 2023 directed to refer the case to Secretory P&SHC department for inquiry. No further progress was reported till finalization of this report.

Audit recommends inquiry and immediate recovery of original dialysis machine besides fixing responsibility on the officer(s) at fault.

[PDP No. 165]

16.4.15 Overpayment to firms due to non-deduction of income tax - Rs 2.428 million

According to Section 153(1)(a) of income tax ordinance 2001, withholding tax @ 4% and 4.5% is deductible from the payment of goods made to the company and other(s) respectively.

During certification audit of CEO DHA Rawalpindi for the FY 2022-23, it was observed that the firms were paid for the supplies of goods without deducting income tax at source. The firms neither obtained FBR income tax exemption certificate nor produced valid documents for income tax exemption while making payments. This resulted in non-deduction of income tax of Rs 2.428 million as detailed at **Annexure-AK.**

Audit held that income tax was not deducted due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that non-deduction of income tax had been intimated to the concerned firms. The reply was not tenable as recovery was to be affected.

DAC in its meeting held on 14th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 16.4.12 having financial impact of Rs 1.372 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 215]

16.4.16 Non deduction of GST on registered drugs - Rs 1.991 million

According to Para 10 of Circular No.09 of 2022-23 "Sale tax, Federal excise and ICT" (Tax on service) of amendment in Finance Act 2022 communicated vide Notification No. C.No.3(1)ST-L&P/2019 dated 21.07.2022, drugs registered under the Drugs Act, 1976 have been made chargeable to tax at reduced rate of 1% without input adjustment. Similarly, Active Pharmaceutical Ingredients (APIs) and their raw materials are also chargeable at fixed rate of 1% subject to certification by DRAP.

During audit of CEO DHA Rawalpindi for the FY 2022-23, it was noticed that CEO paid an amount of Rs 199.132 million to the firms on account of purchase of medicine but GST amounting to Rs 1.991 million @1% was not deducted in violation of above rule. This resulted in non-deduction of GST amounting to Rs 1.991 million.

Audit held that non-deduction of GST was due to weak internal controls.

The matter was reported to the PAO in October 2023. The department replied that pointed out amount was intimated to concerned firms. The reply of the management was not tenable as no action was taken.

DAC in its meeting held on 14th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends recovery besides fixing responsibility on the officer(s) at fault.

[PDP No. 212]

16.4.17 Loss due non-collection of receipts into Account-VI - Rs 1.236 million

According to clarification of Government of the Punjab, Finance Department vide letter No. BI-3(120)(AGP) 2017-18 dated 16.08.2019, all the collection under head C02865 and C02866 is the receipt of concerned authority. Further according to Rule 47(1) PLG (Budget) Rules, 2017 the collecting officer shall ensure that all revenue due is claimed, realized and credited immediately in the proper receipt head/account.

During audit of CEO DHA Rawalpindi for the FY 2022-23, it was observed that an amount of Rs 1.236 million were collected as own source revenue as per receipt statement for the FY 2022-23 under head C02866. But upon scrutiny of bank statement of DHA Rawalpindi Account-VI, it was found that neither the CEO collected the same amount nor transferred by DAO Rawalpindi in DHA Fund (Account VI). This resulted in loss to authority of Rs 1.236 million.

Audit held that due to weak internal controls the DHA receipts were not collected

The matter was reported to the PAO in October 2023. The department replied that DAO Rawalpindi was requested to transfer the amount under object code C02866. The reply was not tenable as no documentary evidence was provided for transfer of amount.

DAC in its meeting held on 14th December 2023 directed for compliance. No further progress was reported till finalization of this report.

Audit recommends matter be taken up at relevant forum for collection of receipts besides fixing responsibility on the officer(s) at fault.

[PDP No. 216]

CHAPTER 17

DISTRICT HEALTH AUTHORITY BHAKKAR

17.1 Introduction

a) There are 18 formations in DHA Bhakkar out of which audit of 05 formations was conducted. Total expenditure and receipt of these formations was Rs 2,636.750 and Rs 52.822 million respectively out of which 51% expenditure and 40% receipt were audited.

Audit Profile of DHA Bhakkar

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure audited	Receipts Audited
1	DHA Bhakkar	18	05	1,353.591	21.129
2	Assignment Acs/SDAs	-	-	-	
3	Foreign Aided Projects	-	-	-	

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Bhakkar was Rs 4,190.245 million for the FY 2022-23. An amount of Rs 732.092 million was surrendered and final budget was Rs 3,458.150 million. Management incurred an expenditure of Rs 2,845.887 million resulting in saving of Rs 612.266 million. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	3,056.381	0	653.847	2,402.534	1,902.873	-499.661
Non-Salary	995.695	0	78.069	917.626	933.525	15.899
Development	138.169	0	0.176	137.993	9.489	-128.504
Total	**4,190.245**	**0.00**	**732.092**	**3,458.150**	**2,845.887**	**-612.266**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	2,940.930	2,437.309	-503.321	17
2022-23	3,458.153	2,845.887	-612.266	18

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 18% increase in budget allocation and 17% increase in expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 612.266 million during FY 2022-23 which is 18% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Bhakkar for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	Key Indicators	Targets	Achievements
1	Outdoor Patients	1,754,717	1,205,190
2	Indoor	55,218	53,402
3	Surgical cases	24,130	12,596
4	Cardiac coronary Unit	16,460	12,621
5	Diagnostic Services (Laboratory, Radiology)	442,402	433,039
6	Family Planning Activities	24,128	28,455
7	Paeds	100,544	73,747

8	Surgery	36,355	33,394
9	TB Chest Treatment	33,381	37,277
10	Free Medicine Availability	1,911,730	1,376,381

Source: DHIS dashboard of DHA Bhakkar

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Bhakkar lagged behind in treating target number of patients in case of outdoor, surgery, paeds and free availability of medicines during FY 2022-23.

17.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 381.911 million were raised in this report during current audit of DHA Bhakkar. This amount also includes recoveries of Rs 42.572 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	92.431
3	**Irregularities:**	
A	HR/Employees related irregularities	65.463
B	Procurement related irregularities	30.989
C	Management of accounts with commercial banks	0
4	Value for money and service delivery issues	3.375
5	Others	189.653
Total		**381.911**

17.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. The Audit Report for the Audit Year 2017-18 was discussed in PAC meeting convened in January 2022. However, PAC meeting to discuss remaining Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	23	Convened
2	2018-19	17	Not convened
3	2019-20	21	
4	2020-21	11	
5	2021-22	03	

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
6	2022-23	08	

17.4 AUDIT PARAS

A) Fraud, Embezzlement and Misappropriations

17.4.1 Misappropriation of medicines - Rs 90.612 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and the payee of the pay, allowances, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss.

During audit of CEO DHA Bhakkar for the FY 2022-23, it was observed that CEO Health held inquiry against Mr. Irfan Abbas Ex. Store keeper vide letter No.CEO/9666-74/DHA-BKR dated 29.05.2023. After physical verification of medicines store, inquiry committee identified and reported shortage of medicines of Rs 90.612 million as compared to the balances on Medicine Inventory Management System (MIMS) portal on the same date i.e. 30.05.2023 as detailed at **Annexure-AL.**

Audit held that medicines were misappropriated due to weak administrative and internal controls.

The matter was reported to the PAO in November 2023. The department replied that the case was under investigation and department had approached the Director Anti-corruption to trace out the stock register and allied record of medicines from Ex-store keeper.

DAC in its meeting held on 15th December 2023 pended the para till the outcome of investigation of Anti-corruption department and directed to hold inquiry by Secretary to dig out the misappropriation amount and affect recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 2, 6 & 7]

17.4.2 Misappropriation of ACs & stabilizers of hospital - Rs 1.819 million

According to Rule 15.1 of PFR Vol-I, the departmental officers entrusted with the care, use or consumption of stores are responsible for maintaining correct records and preparing correct returns in respect of the stores entrusted to them. They are also responsible for keeping them in proper custody and in good and efficient condition and for protecting them from deterioration. They should also take proper precautions to prevent loss of public stores by fire or other accidents. Any loss of or damage to government stores should forthwith be reported by them to their immediate superiors.

During audit of MS THQ Hospital Darya Khan for the FY 2022-23, it was observed that one air conditioner of 2 ton cabinet (indoor), 5 air conditioners 2 ton cabinet (outdoor) and 21 stabilizers, provided by the PMU in 2018, were missing from the hospital stock. This resulted in misappropriation on account of machinery of Rs 1.819 million as per detail given below:

Rs in million

Items	Balance as per stock register	Missing units	Average price per unit	Amount
ACs 2 Ton Cabinet (Indoor)	25	1	0.100	0.100
ACs 2 Ton Cabinet (Outdoor)	25	5	0.180	0.900
Stabilizers	46	21	0.039	0.819
Total				**1.819**

Audit held that air conditioners and stabilizers were missing due to weak internal and administrative controls.

The matter was reported to the PAO in November 2023. The department produced the inquiry report of CEO office in which responsibility was fixed on Mr. Muhammad Atlas, Ex IT & Statistical Officer having additional charge of Admin Officer of THQ Hospital Darya Khan.

DAC in its meeting held on 15th December 2023 directed for recovery from the concerned persons. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 37]

B) Human Resource/ Employees related irregularities

17.4.3 Wasteful expenditure on salaries of idle security and janitorial staff - Rs 45.059 million

According to Rule 2.10 (a) of PFR Vol-I, same vigilance should be exercised in respect of expenditure incurred from government revenues as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of MS DHQ Hospital Bhakkar for the FY 2022-23, it was observed that despite having 109 employees (20 chowkidars & gate keepers and 89 ward servant and sweepers) meant for security and janitorial duties, these services were outsourced to private service providers i.e. GB Security Services and Faiz Brothers, respectively. The existing staff at the payroll of the hospital was not adjusted in the new agreement between outsourced companies and PMU of P&SHC department, Government of the Punjab. Hence, payment of pay and allowances to these employees was unjustified as said employees were not performing services for which they were recruited. This resulted in wasteful expenditure on the salaries of idle staff amounting to Rs 45.059 million.

Audit held that wasteful expenditure was incurred by the management due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that DHQ Hospital Bhakkar covered a vast area of almost 26 acres. Cleanliness of the outer areas of hospital including 10 lawns, roads, two main gates, parking area, doctor's hostel, nursing hostel etc. was the responsibility of regular employees of this hospital. So existing employees of this hospital had been performing their duties as assigned by administration and were not idle. The reply was not tenable as the private service providers of hospital waste management, security services and janitorial services replaced the services of the regular employees and practically the regular employees were idle in most of the cases.

DAC in its meeting held on 15th December 2023 directed for regularization. No further progress was reported till finalization of this report.

Audit recommends rationalization of outsourced services in the wake of availability of existing staff.

[PDP No. 36]

17.4.4 Unauthorized payment of inadmissible allowances - Rs 12.410 million

As per clarification issued vide letter no. FD(M-1)1-15/82-P-I dated 15.1.2000 by Finance Department, Government of the Punjab, in case a designated residence is available, the Government servant for whom it is meant cannot draw HRA even if he does not reside in it. According to circular letter No. FD-SR-1-9-4/86(P) (PR) dated 04.12.2012 & FD-SR-1-9-

6(P)(PR) dated 24.05.2012 of Finance Department, the employees who are residing in the residential colonies situated within work premises are not entitled to the facility of CA and HRA. Moreover, according to Notification No.SO(B&A)I-1/91-92 dated 12.05.1992 of P&SHC department, the government servants provided residential accommodation in the institutions/hospital premises would arrange separate meters for the electricity. The occupants who did not arrange separate meters for the electricity were required to be charged at rates specified for each grade. Furthermore, according to Sr. No. (XIII)(i)(b) of Contract Appointment Policy 2004 issued by S&GAD, SSB @ 30% is admissible in lieu of pension only to contract employees. As per letter No. PMU/PHSRP/G-I-06/61/760 dated 16th March 2007 of the Health Department, Government of the Punjab, the PHSRP allowance is admissible only when the paramedics and other staff perform their duties under the PHSRP at RHCs / BHUs. According to Order No. SO (N.D) 2-26/2004(P.II) of the Government of Punjab, Health Department's read with clarification issued vide No FD.SR-I/6-7/2018 dated 15.10.2019 by the Finance Department, NPA is only admissible to those doctors in THQs and DHQs who give the undertaking that they will not perform private practice.

During audit of the following formations of DHA Bhakkar for the FY 2022-23, it was observed that payment of Rs 12.410 million, on account of different inadmissible allowances was made to 101 officers / officials in violation of the rules ibid. This resulted in overpayment of Rs 12.410 million.

Rs in million

<table>

10	THQ Hospital Mankera	CA and HRA charges having accommodation within premises	4	0.275
Total			**101**	**12.410**

Audit held that payment of inadmissible allowances was made to employees due to weak internal controls.

The matter was reported to the PAO in November 2023. The department admitted the recovery.

DAC in its meeting held on 15th December 2023 directed for recovery. In case of NPA, DAC directed to probe the matter to identify the doctors engaged in private practice who were drawing NPA and act accordingly. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Year 2022-23, 2021-22 and 2021-22 vide para numbers 17.4.1, 2.4.1.1.1 and 3.4.1.1.1 having financial impact of Rs 29.014 million, Rs 5.435 million and Rs 39.022 million, respectively. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 13, 28, 31, 33, 34, 35, 44, 48, 49, 55, 65 & 70]

17.4.5 Un-authorized payment due to irregular appointments - Rs 6.311 million

According to Clause 5 of Recruitment Policy 2022 issued vide No. SOR-IV (S&GAD) 10-142/2021 dated 09.03.2022 by S&GAD (Regulation Wing), all posts shall be advertised properly in at least two leading newspapers, as per rules. The relevant Selection Committees shall ensure that recruitment is made strictly on merit and in accordance with the rules, selection criteria and other provisions of this policy.

During audit of CEO DHA Bhakkar for the FY 2022-23, it was observed that management appointed 21 employees (3 Naib Qasids, 4 Ward Servants, 2 Drivers, 5 Chowkidars, 1 Dava Koob, 1 Sanitary Worker, 1 Bearer, 1 Ward Boy and 1 Store Keeper) without advertisement in any newspaper and preparation of merit list. Although appointment orders were issued on court's directions, not in a single case, court passed such orders to appoint these candidates unconditionally rather emphasized that the appointments should be based on merit and by fulfilling all legal and codal requirements. Even in prayer to court, candidates did not demand issuance of appointment orders without fulfilling legal formalities. Educational certificates/ documents were neither demanded at the time of appointment nor verified from the concerned institutions up to the date of audit. In case of technical posts passing of NTS certificates were also not placed in the files. Audit further noticed that DAO Bhakkar did not start pay of these employees for ten months from appointment but in the month of July 2023, 19 employees were hired in SAP system and arrears were also paid in September 2023 even without rectifying the objections of the accounts office. This resulted in un-authorized payment of pay and allowances of Rs 6.311 million.

The matter was reported to the PAO in November 2023. The department replied that the officials were initially recruited by Ex-CEO DHA Bhakkar but later on these orders were withdrawn due to which these officials approached Lahore High Court by filing writ petitions. The Honorable Court accepted their claim and reinstated these officials, The officials were performing their duties since then as per Court's direction. The reply was not acceptable because appointments were made in violation of recruitment policy.

DAC in its meeting held on 15th December 2023 directed for detailed inquiry of the matter at the level of Secretary P&SHC department for fixing of responsibility of the lapse. No further progress was reported till finalization of this report.

Audit recommends probe for fixing responsibility of lapse against the officer(s) at fault.

[PDP No. 4]

17.4.6 Overpayment on account of pay & allowances during leave period - Rs 1.683 million

According to Finance Department, Government of the Punjab letter no. FD.SR-I/6-8/2018 dated 30.09.2020, doctors are not entitled to draw HPA, SHCA, NPA and HSRA during leave period. Moreover, as per Leave Rules 1981, pay is not admissible during EOL. Furthermore, according to Rule 1.15 of Punjab Travelling Allowance Rules, conveyance allowance is not admissible during leave.

During audit of the following formations of DHA Bhakkar for the FY 2022-23, it was observed that payments of inadmissible pay and allowances of Rs 1.683 million were made to the officials /officers and adhoc employees during earned leave and EOL period in violation of the rules ibid. This resulted in overpayment of pay and allowances of Rs 1.683 million.

Rs in million

Sr. No.	Name of Formation	Leave Type	No. of employee	Nature of allowance	Amount
1	CEO DHA Bhakkar	LFP	74	CA	0.306
2	DHQ Hospital Bhakkar	LFP	61	CA	0.843
		MT leave	01	CA, HSRA, HPA , Inc. ALL & SHC	0.394
3	MS THQ Hospital Darya Khan	LFP	19	CA	0.112
4	MS THQ Hospital Kallur Kot	LFP	4	CA	0.048
5	MS THQ Hospital, Mankera	LFP	28	CA	0.174
6	MS THQ Hospital, Mankera	LFP	5	CA	0.200
		EOL	4	Pay & allowance	
Total					**1.683**

Audit held that overpayment of pay & allowances was made due to weak internal controls.

The matter was reported to the PAO in November 2023. Management admitted the overpayment and replied that recovery of Rs 1.611 million has been effected and recovery of balance amount Rs 1.683 million was in progress.

DAC in its meeting held on 15th December 2023 reduced the para to Rs 1.683 and directed for recovery within 30 days. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Year 2021-22 and

2020-21 vide para numbers 2.4.1.1.1 and 3.4.1.1.1 having financial impact of Rs 1.046 and Rs 0.805 million, respectively. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 11, 17, 43, 61, 64 & 74]

C) Procurement related irregularities

17.4.7 Non imposition of penalties on service providers - Rs 22.174 million

According to Clause 1.2 and 3.4 (Section-C) of contract agreement between P&SHC department, Government of the Punjab and Service Providers, the contract shall be interpreted in accordance with the law of Islamic Republic of Pakistan. Further, according to penalty matrix of contract agreement between contractor and P&SHC department, Clause 10(5) imposed penalty upon contractor for non-payment of minimum wage rate @ Rs 5,000 plus difference of amount between paid salary and notified minimum wage rate per person for one month.

During audit of following formations of DHA Bhakkar for the FY 2022-23, it was observed that service providers of Janitorial, security and MEPG services paid their 243 employees on wage rates that were below the schedule rates notified by the Finance Department, Government of the Punjab. The management neither ensured minimum wage nor impose the requisite penalty on the service providers at the time of verification of invoices and payment. This resulted in non-imposition of penalties on service providers amounting to Rs 22.174 million.

Rs in million

Sr. No.	Name of Formation	Name of Service Provider	Amount
1	DHQ Hospital Bhakkar	MS Console Enterprises, Faiz Brothers, GB Securities & Mustahlik Co.	11.364
2	MS THQ Hospital Darya Khan	MS Console Enterprises, Faiz Brothers & Mustahlik Co.	3.636
3	MS THQ Hospital Kallur Kot	Super Care Pvt. Limited, Faiz Brothers & Mustahlik Co.	2.630
4	MS THQ Hospital, Mankera	Super Care Pvt. Limited & Faiz Brothers	4.544
Total			**22.174**

Audit held that penalties were not imposed on the service providers due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the contracts of Janitorial Services and MEPG Services were directly executed between PMU of P&SHC department and the concerned companies. Further, DHQ/THQs only availed services from the outsourced companies and were not directly involved in terms and conditions of the contract. The reply was not acceptable as the management of the hospitals was responsible for verification of invoices, measuring the matrix according to the agreement and accordingly imposing the penalties and making deductions while forwarding the invoices for payment to P&SHC department.

DAC in its meeting held on 15th December 2023 directed to take up the matter with PMU of P&SHC department for recovery from the concerned contractor. No further progress was reported till finalization of this report.

Audit recommends fixing responsibility of lapse against the officer(s) at fault besides recovery from the service providers.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 17.4.2 having financial impact of Rs 2.065 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 25, 46, 56 & 63]

17.4.8 Misprocurement due to splitting - Rs 5.982 million

According to Rule 9(1) of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regroupingof the procurements so planned.

During audit of following formations of DHA Bhakkar for the FY 2022-23, it was observed that DDOs incurred Rs 5.982 million on purchase of different items through quotations by splitting the purchases in small orders to avoidtendering process. This resulted in irregular purchase of Rs 5.982 million as detailed at **Annexure-AM.**

Rs in million

Sr. No.	Name of Formation	Items	Amount
1	DHQ Hospital Bhakkar	Steal Almirah, bed sheets and other items (Cost of other store)	2.142
2		Printing	0.839

3		Hospital lab material and plastic bags (Cost of other Store)	1.079
4	THQ Hospital Darya Khan	Printing,	0.393
5		Hospital lab material (cost of other store)	1.193
6	THQ Hospital Kallur Kot	Bed Sheets (cost of other store)	0.336
Total			**5.982**

Audit held that misprocurement by splitting was carried out due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the different items were purchased on different dates and time from different firms according to the dire need for smooth functioning of the health service delivery of hospital. As per the directions of worthy Secretary P&SHC department, health week was arranged in a very short time. All purchases were made after fulfilling all codal formalities. The reply was not acceptable as no evidence was produced to prove the efforts for purchase through open tendering.

DAC in its meeting held on 15th December 2023 directed for regularization from the competent forum. No further progress was reported till finalization of this report.

Audit recommends regularization of the expenditure besides fixing responsibility of lapse against the officer(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2021-22 vide para number 2.4.1.2.1 having financial impact of Rs 13.530 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 15, 30, 40 & 51]

17.4.9 Overpayment due to purchase at exorbitant rates - Rs 2.833 million

According to Clause 19 of the contract letter for the purchase of medicines /drugs / medical devices / surgical & disposable item for FY 2022-23 between firm and CEO DHA Bhakkar, final rate quoted by the firm against each item is not higher than any other district in Punjab for FY 2022-23. In case the rates offered by the firm are found higher than any other district in Punjab at any later stage the deduction will be made from the final payments accordingly, 2% performance guarantee will be forfeited and any other legal action including black listing will be initiated against the firm.

During audit of CEO DHA Bhakkar for the FY 2022-23, it was observed that management awarded rate contract at higher rate as compared to other districts of Punjab for the same medicines and from the same suppliers. This resulted in an overpayment on account of purchase of medicine at exorbitant rates of Rs 2.833 million. Detail is given at **Annexure-AN**.

Audit held that overpayment at exorbitant rates was made due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department admitted recovery and replied that letter had been written to contractor for recovery of amount.

DAC in its meeting held on 15th December 2023 directed for recovery within 30 days. No further progress was reported till finalization of this report.

Audit recommends recovery of overpaid amount besides fixing of responsibility for the lapse.

[PDP No. 1, 3 & 10]

D) Value for money and service delivery issues

17.4.10 Less collection of auction money and income tax - Rs 3.375 million

According to Section 68 of the PDA (Budget) Rules 2017, the primary obligation of the collecting officer shall be to ensure that all revenue due is claimed, realized and credited immediately to the District Authority fund and to record entries under proper receipt head. The head of offices or institutions shall supervise and take corrective measures in respect of the activities of the collecting officers. Further, according to Section 236-A of income tax ordinance, income tax @ 5% in case of filer and @ 10% in case of non-filer of the auction amount is required to be recovered as advance income tax on auction.

During audit of MS DHQ Hospital Bhakkar for the FY 2022-23, it was observed that management did not recover full amount of auction money, monthly installment of June 2023 and amount of advance income tax on auction from the contractors. This resulted in less recovery of auction money and income tax Rs 3.375 million.

Rs in million

Sr. No	Name of formation	Description	Amount
1	DHQ Hospital Bhakkar	Parking Stand and Canteen contract auction value and income tax	2.657
2	MS THQ Hospital Darya Khan	Auction money of parking stand	0.718
Total			**3.375**

Audit held that government revenues were not collected due to weak administrative and financial controls.

The matter was reported to the PAO in November 2023. The department replied that contract of parking stand had been cancelled due to non-deposit of government dues for the months of April and May 2023. Moreover, letter regarding submission of remaining amount of parking and canteen dues had been written to the contractors. Further, CDRs of Rs 550,000 had been withheld by THQ Darya Khan for non-payment of auction money of parking stand. The reply was not tenable because outstanding dues had not been recovered yet.

DAC in its meeting held on 15th December 2023 reduced the recoverable amount up to the extent of contract cancelled and directed for recovery of remaining amount from contractor within 30 days. No further progress was reported till finalization of this report.

Audit recommends early recovery from concerned besides fixing of responsibility on the officer(s) at fault.

[PDP No. 18, 45]

E) Others

17.4.11 Unusual delay in procuring equipment of development projects - Rs 95.360 million

According to Rule 4(1)(i) of PDA (Budget) Rules 2017, the CEO is responsible for ensuring that the funds allotted are spent on the activities for which the money was provided.

During audit of CEO DHA Bhakkar for the FY 2022-23, it was observed that PC-I of eleven schemes costing Rs 95.360 million was approved on 17.07.2021 and funds were received on 08.10.2021. Audit noticed that 1st tender was published in September 2022, 12-months after release of funds, resultantly unusual delay caused escalation in prices, hence, tender process could not be completed. Audit further noticed that even after lapse of 24 months tender process was not completed except for only one scheme. Moreover, management was trying to reduce the scope of scheme because no further funds were provided by the development wing of P&SHC department for purchase of all approved items as per PC-I. This resulted in non-execution of developmental purchases for health facilities of Rs 95.360 million.

Audit held that management failed to procure equipment for health facilities due to weak administrative and financial controls.

The matter was reported to the PAO in November 2023. The department replied that after revised administrative approvals, procurement process would be completed before 30.06.2024. The reply was not tenable because unusual delay resulted in extra financial burden on the public exchequer.

DAC in its meeting held on 15th December 2023 directed to inquire the matter by DG health services. No further progress was reported till finalization of this report.

Audit recommends to probe the matter besides fixing responsibility of lapse against the officer(s) at fault.

[PDP No. 12]

17.4.12 Irregular clearance of pending liability - Rs 72.229 million

According to Rule 17.17(A) and 17.18 of PFR Vol-I, every disbursing officer shall maintain a register of liabilities in PFR Form-27 in which he should enter all these items of expenditure for which payment is to be made by or through another officer, budget allotment or sanction of a higher authority is to be obtained or payment would be required partly or wholly during the next financial year or years.

During audit of CEO DHA Bhakkar and DHQ Bhakkar for the FY 2022-23, it was observed that Rs 73.229 million were drawn on account of bills of June 2022 from current year budget allocation despite the fact that the post audit for that financial period was already concluded. Audit observed that no such bills were reflected in any liability statement of the office prior to drawl of the bills and sanction of next higher authority was also not obtained. In the absence of liability statement, drawl of previous year's bills appeared doubtful. This resulted in irregular/ doubtful drawl of previous year bills Rs 72.229 million.

Audit held that irregular clearance of previous years's liabilities was due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that the DTL reports of the items mentioned in the para were received after 30.06.2023. It is further stated that the funds under Accounts-VI did not lapse and were revalidated in the next financial year. The reply was not accepted because CEO neither maintained liability register nor took sanction of the next higher authority.

DAC in its meeting held on 15th December 2023 directed for regularization. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 08 & 26]

17.4.13 Loss due to acceptance of below shelf life medicine - Rs 16.431 million

According to Notification No.S.O (P-I) H/3-64/2008 dated 18th October 2008 of P&SHC department, Government of Punjab, the shelf life in case of imported items must not be less than 80% and in case of local items 90% at the time of delivery. However, in case of imported medicines, the stores may be accepted up to 70% shelf life and in case of locally manufactured / packed drugs up to 80% at the time of supply/ delivery subject to 1% penalty charges for the actual short fall.

During audit of MS DHQ Hospital Bhakkar for the FY 2022-23, it was observed that management of hospital accepted medicines of Rs 16.431 million (at place of consumption i.e. DHQ) with below 80% shelf life in violation of rule ibid, procured through central rate contract by CEO office Bhakkar and DG Health office Lahore. This resulted in acceptance of medicines below 80% shelf life amounting to Rs 16.431 million as detailed at **Annexure-AO**.

Audit held that below shelf life medicines were accepted due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that procurement process had been carried out by the office of CEO DHA and DG Health Lahore. DHQ Hospital only received these medicines according to their submitted demand. The reply was not tenable as medicines received at hospital had shelf life of below 80%.

DAC in its meeting held on 15th December 2023 directed for regularization. No further progress was reported till finalization of this report.

Audit recommends regularization of the matter from the competent authority besides fixing of responsibility on officer(s) at fault.

[PDP No. 19]

17.4.14 Irregular and doubtful authorization of payment to MS Mustahlik Enterprises - Rs 4.193 million

As per Clause 1.2(b) and 1.3(q) "Scope of Service" of contract agreement between THQ and Service provider, for provision of MEPG Services, the service provider will be responsible for submission of detailed functional inventory of hospital, each month, duly signed by the service provider and counter signed by the S and Admin Officer of the concerned hospital. The service provider shall be fully responsible for safekeeping all the equipment throughout the contract period. The current state of each equipment and fixtures will be recorded at the time of handing over and signed off by both parties to be maintained at that level at all times.

During audit of MS THQ Hospital Darya Khan for the FY 2022-23, it was observed that PMU awarded the rate contract to MS Mustahlik Enterprises for repair and maintenance of MEPG equipment for one year that ended on 25.06.2023. Surprisingly, 13 air conditioners out of 60 and 7 stabilizers out 20 were found non-functional but the management authorized payment in favor of contractor up to March 2023. Audit further noticed that the contractor did not make handing over / taking over of equipment with the hospital management at the end of contract period. This resulted in irregular authorization of payment of Rs 4.193 million to the contractors.

Rs in million

Payment for month of December,2022	**Payment for month of January, 2023**	**02 months payment**	**Avg. PM payment**	**Payment months July, 22 to March 23**	**Payment made for 09 months on average**
497,520	434,250	931,770	465,885	9	4,192,965

Audit held that management made irregular authorization of payment without ensuring satisfactory repair and maintenance work due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the contract of MEPG contractor left the hospital without handing over the charge. As such, invoices for the month of April to June 2023 were not got signed. Further, the concerned company was contacted vide letter No. MS-THQ H 3203-3207/DKN dated 24-08-2023 and the Project Director, PMU was also informed about non-handing over of charge. The reply was not tenable as no serious efforts were made for repair and maintenance of hospital equipment during the contract period.

DAC in its meeting held on 15th December 2023 directed MS THQ Hospital to report the matter through CEO Health Bhakkar to the PMU P&SHC department to resolve the matter at the earliest. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter for fixing responsibility on officer(s) at fault.

[PDP No. 41]

17.4.15 Un-authentic verification of invoices caused extra financial burden on public exchequer - Rs 1.440 million

According to Clause 3 (VIII) of terms and conditions of contract agreement between Eastern Medical Services and DHQ hospital Bhakkar, service provider was authorized to charge Rs 1,000 (which vary from time-to-time) from OPD patients and remaining amount will be paid by the government (Agreement amount at that time was Rs 3,700 per patient) emergency and indoor patients will pay nothing but government will pay the contracted price per patients.

During audit of CEO DHA Bhakkar for the FY 2022-23, it was observed that CT scan services were outsourced to Easter Medical Services. Management authenticated payment advices of Rs 35.208 million and forwarded the same to PMU for payment. Audit noticed that 600 CT scans were advised through emergency route out of total 884 cases, whereas, record of only 24 patients was available who were eligible for free CT scan. Remaining 576 patients were actually OPD patients and not sent from emergency, hence, were not eligible for free CT scan. This resulted in extra financial burden on public exchequer of Rs 1.440 million (576 X Rs 2,500/ per CT scan) in the month of May 2023.

Audit found following irregularities in verification/ authentication of the invoices of service provider.

i. Radiologist services were not provided by service provider as per agreement and scans were performed by technicians.
ii. Consultants were authorized to advice CT scans of the patients but scrutiny for record the month of May 2023 revealed that 33% CT scans were advised by MOs, 95% of which were free of cost.
iii. No internal control mechanism was devised to monitor the CT scans requisitioning, implementation of SOPs and over invoicing by service provider.

Audit held that government had to sustain a loss due to week internal and administrative controls.

The matter was reported to the PAO in November 2023. The department replied that **e**mergency cases due to the critical condition of the patient were advised round the clock by the consultant on call and initially signed by the MO on duty which were later on countersigned by the authorized consultant. No scan was advised directly by the MO. Every month, the record of the patient with PMU sheet, excel sheet, reporting and original requisition form was forwarded to the outsourcing wing of PMU P&SHC department. The reply was not tenable because implementation of clauses of agreement and SOPs and monitoring was the responsibility of the administration of DHQ.

DAC in its meeting held on 15th December 2023 directed to probe the matter. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter and recovery from the concerned besides fixing of responsibility for the lapse.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2020-21 vide para number 3.4.2.2.3 having financial impact of Rs 5.244 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 24]

CHAPTER 18

DISTRICT HEALTH AUTHORITY KHUSHAB

18.1 Introduction

a) There are 19 formations in DHA Khushab out of which audit of 04 formations was conducted. Total expenditure and receipt of these formations is Rs 1,172.00 and Rs 25.311 million out of which 23% expenditure and 15% receipt is audited.

Audit Profile of DHA Khushab

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Khushab	19	04	269.560	3.797
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Khushab was Rs 3,446.342 million and supplementary grant was Rs 881.437 million for the FY 2022-23. An amount of Rs 1,601.224 million was surrendered and final budget was Rs 2,726.555 million. Management incurred an expenditure of Rs 2,726.554 million resulting in saving of Rs 0.001 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	2,971.978	57.189	1,001.528	2,027.639	1,899.385	-128.254
Non-Salary	436.184	449.980	439.030	447.134	571.181	124.046
Development	38.180	374.268	160.666	251.782	255.989	4.207

Total	**3,446.342**	**881.437**	**1,601.224**	**2,726.555**	**2,726.554**	**0**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	2,204.806	2,130.741	-74.065	3
2022-23	2,726.555	2,726.554	0	0

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 24% increase in budget allocation and 28% increase in expenditure incurred during FY 2022-23 as compare to FY 2021-22. There was no saving during FY 2022-23.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Khushab for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. However, DHA Khushab was not given targets vis-à-vis indicators by the Health Department:

Sr. No.	Key Indicators	Targets	Achievements
1	OPD	-	1,666,590
2	Indoor	-	53,946
3	Surgical cases	-	4,361
4	Cardiac coronary Unit	-	33,147
5	Diagnostic Services (Laboratory, Radiology)	-	388,628
6	Family Planning Activities	-	14,074
7	Paeds	-	213,781
8	Surgery	-	43,839

9	TB Chest Treatment	-	6,956
10	Free Medicine Availability	-	Yes

Source: DHIS dashboard of DHA Khushab

ii. Service Delivery Issues

In view of the above table, it, prima facie, appears that DHA Khushab was required to be given targets for achievement.

18.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 11.855 million were raised in this report during current audit of DHA Khushab. This amount also includes recoveries of Rs 1.154 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	**Classification**	**Amount placed under audit observation**
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	1.154
B	Procurement related irregularities	10.701
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	-
5	Others	-
Total		**11.855**

18.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	23	Not convened
2	2018-19	17	
3	2019-20	21	
4	2020-21	11	
5	2021-22	05	
6	2022-23	02	

18.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

18.4.1 Unauthorized payment of inadmissible allowances - Rs 1.154 million

According to letter No. FD(M-1)1-15/82-P-I dated 15.01.2000 of Finance Department, Government of the Punjab, in case a designated residence is available, the Government servant for whom it is meant cannot draw HRA even if he does not reside in it. According to circular letter No. FD-SR-1-9-4/86(P) (PR) dated 04.12.2012 & FD-SR-1-9-6(P)(PR) dated 24.05.2012 of Finance Department, the employees who are residing in the residential colonies situated within work premises are not entitled to the facility of CA and HRA. Moreover, according to letter No.FD.SR-V/3-2/2021 dated 15.03.2022 of Finance Department, Government of the Punjab, the bereaved family is entitled to draw Special Allowance 2021 @ 25% against OSD posts subject to the condition that the deceased officer/ official was drawing it at the time of his/her death.

During audit of following formations for the FY 2022-23, it was observed that payment of Rs 1.154 million on account of different inadmissible allowances made to the officers / officials in violation of the rules ibid. This resulted in overpayment of inadmissible allowances of Rs 1.154 million.

Rs in million

Sr. No.	Formation	Description	Amount
1	DHQ Hospital Jauharabad	CA during leave	0.604
2	CEO DHA Khushab	HRA & CA CEO office residence	0.103
3	CEO DHA Khushab	Special Allowance & CA (OSD posts)	0.359
4	DHQ Hospital Jauharabad	HRA & CA (accommodation within premises)	0.088
Total			**1.154**

Audit held that unauthorized payment of inadmissible allowances was made due to weak internal controls.

The matter was reported to the PAO in December 2023. The department admitted recoveries on account of conveyance allowance, special allowance and HRA and produced evidences of partial recoveries.

DAC in its meeting held on 3rd January 2024 directed for recovery of remaining amount.

Audit recommends complete recovery from the concerned employees.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23, 2021-22 & 2020-21 vide para number 18.4.1, 3.4.1.1.1 & 10.4.1.1.1 having financial impact of Rs 27.061 million, Rs 11.243 million and Rs 2.994 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 218, 219, 228 & 229]

B) Procurement related irregularities

18.4.2 Misprocurement due to splitting - Rs 4.775 million

According to Rule 9(1) of PPRA Rules 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned.

During audit of following formations of DHA Khushab for the FY 2022-23, it was observed that DDOs incurred expenditure of Rs 4.775 million without annual planning by splitting the indents to avoid the tendering process. This resulted in irregular purchase without publishing advertisement on PPRA website of Rs 4.775 million.

Rs in million

Sr. No.	**Name of Formations**	**Items**	**Amount**
1	CEO DHA Khushab	Stationery Items	1.298
		Printing	1.151
2	THQ Hospital Khushab	Printing	1.187
3	THQ Hospital Naushera	X-Ray films and Printing Items	1.139
Total			**4.775**

Audit held that misprocurement was carried out due to weak internal controls.

The matter was reported to the PAO in December, 2023. The department replied that budget releases were received on quarterly basis due to which purchases were made without annual planning and advertisement on PPRA website. Department reply was not acceptable because issue of quarterly release was for all other DHAs of adjacent districts yet they ensured procurements through open tendering and framework contracts.

DAC in its meeting held on 3rd January 2024 directed for regularization of expenditure from competent forum.

Audit recommends implementation of DAC's decision.

Note: The issue was also reported earlier in the Audit Reports for the Audit Year 2022-23 & 2021-22 vide para number 18.4.2 & 3.4.1.2.1 having financial impact of Rs 23.963 million and Rs 4.480 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 216, 217, 222, 234 & 235]

18.4.3 Irregular payment of drugs and medicines without DTL reports - Rs 2.337 million

According to letter No. SO (P-1) H/RC 2001- 2002/01 dated 29th September 2001 of P&SHC department, no drug/ medicine shall be accepted & used without the report of DTL. Moreover, payment on account of drugs/medicines shall be released to suppliers only on receipt of standard/positive DTL report. Further, according to Drug Act 1967, the payment to suppliers of medicines should be made after obtaining DTL reports.

During audit of MS THQ Hospital Khushab for the FY 2022-23, it was observed that management incurred expenditure of Rs 2.337 million on procurement of medicines but the DTL of the same was not attached with the bills. This resulted in irregular expenditure on procurement of medicine without DTL report worth Rs 2.337 million.

Audit held that payment made without obtaining DTL reports was due to weak internal controls and financial indiscipline.

The matter was reported to the PAO in December 2023. The department provided DTLs and Lot Release Certificates in case of 6 medicines only. In remaining cases DTLs of same batches of other districts were produced for verification. Audit contented that DTLs of other district could not be considered as valid for DHA Khushab as per SOPs for DTL.

DAC in its meeting held on 4th January 2024 reduced the para to Rs 2.337 million and directed for regularization of expenditure from competent forum.

Audit recommends regularization of expenditure besides provision of DTL reports for verification.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2017-18 vide para number 9.4.3.4 having financial impact of Rs 3.336 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 220]

18.4.4 Loss due to purchase of IV Cannulas' at higher - Rs 3.589 million

As per standard bidding documents of health department, schedule of requirements after expiry of prescribed delivery period the procuring agency may proceed for risk purchase (at the risk and cost of the defaulter) to ensure the un-interrupted healthcare services to the patients.

During audit of MS DHQ Hospital, Jauharabad for the FY 2022-23, it was observed that the management procured I.V cannula at higher rates as compared to approved rates of bid winning firm M/S Hashir Surgical Services Peshawar who did not supply IV cannulas. The management met hospital needs through LP purchases at higher rates from LP budget but neither made efforts for retendering nor recovered risk purchase cost from the defaulter contractor. This resulted in loss of

Rs 3.589 million due to purchase of IV cannulas at higher rates through LP as detailed below:

Amount in Rs.

Sr. No.	Description	Receiving Date	Supplier	Bulk Rate	Rate Paid	Diff	Qty	Excess Paid
1	IV cannula-18g, 20g, 22g, 24g	21.02.2023 to 28.02.2023	Taseer Hasnain-Taseer Health Care Pharmacy	79.7	292.5	212.8	87	18,514
2		9/2022 to 12/2022		79.7	245	165.3	241	39,837
3		10/20/2022 13:29		79.7	168	88.3	200	17,660
4		2/28/2023 13:40		79.7	168	88.3	2000	176,600
5		9/22/2022 10:49		79.7	130	50.3	2000	100,600
6		9/22/2022 11:55		79.7	130	50.3	2000	100,600
7		9/23/2022 12:10		79.7	130	50.3	3000	150,900
Risk purchase due from M/S Hashir							**9528**	**604,711**
8	IVcannula- 24g	9/2022 to 11/2022	Taseer Hasnain-Taseer Health Care Pharmacy	87	168	81	16000	1,296,000
9		7/2022 to 9/2022		79.7	168	88.3	14000	1,236,200
10		7/2022 to 9/2022		79.7	130	50.3	9000	452,700
Grand Total							**48,5**	**3,589,**

	28	**611**

Audit held that due to weak internal and financial controls, LP medicines were purchased in violation of policy guidelines.

The matter was reported to the PAO in December 2023. The department replied that a letter had been written to the authority for black listing the firm. Reply was not satisfactory because purchases were made at exorbitant rates as compared to prevailing market rates and performance security of defaulter firm was also not forfeited up to the date of audit.

DAC in its meeting held on 3rd January 2024 directed for inquiry by the chair.

Audit recommends implementation of DAC's decision.

[PDP No. 226]

CHAPTER 19

DISTRICT HEALTH AUTHORITY MIANWALI

19.1 Introduction

a) There are 22 formations in DHA Mianwali out of which audit of 05 formations was conducted. Total expenditure and receipt of these formations was Rs 1,558.879 and Rs 60.619 million respectively out of which 51% expenditure and 40% receipt were audited.

Audit Profile of DHA Mianwali

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure Audited	Receipts Audited
1	DHA Mianwali	22	05	795.028	24.248
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Mianwali was Rs 3,471.001 million and supplementary grant was Rs 511.309 million for the FY 2022-23. An amount of Rs 1,051.464 million was surrendered and final budget was Rs 2,930.846 million. Management incurred an expenditure of Rs 2,561.802 million resulting in saving of Rs 369.044 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	2,290.513	365.027	655.387	2,000.153	1,836.249	-163.904
Non-Salary	1,177.129	146.282	396.077	927.334	722.903	-204.431
Development	3.359	0	0	3.359	2.65	-0.709

Total	**3,471.001**	**511.309**	**1051.464**	**2,930.846**	**2,561.802**	**-369.044**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	2,326.047	2,124.943	-201.104	9
2022-23	2,930.846	2,561.802	-369.044	13

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 26% increase in budget allocation and 21% increase in expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 401.214 million during FY 2022-23 which is 13% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Mianwali for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	Key Indicators	Targets	Achievements
1	Outdoor Patients	2,358,782	2,587,557
2	Indoor	103,250	107,552
3	Surgical cases	118,215	108,174
4	Cardiac coronary Unit	62,609	92,706
5	Diagnostic Services (Laboratory, Radiology)	711,517	732,982
6	Family Planning Activities	47,890	47,710
7	Paeds	142,714	164,825
8	Surgery	128,321	112,859

9	TB Chest Treatment	20,122	22,033
10	Free Medicine Availability	0	2,695,109

Source: DHIS dashboard of DHA Mianwali

ii. Service Delivery Issues

Analysis of the achievements mentioned in the table above shows that DHA Mianwali lagged behind in treating target number of patients in relating to surgical cases and surgery during FY 2022-23.

19.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 74.896 million were raised in this report during current audit of DHA Mianwali. This amount also includes recoveries of Rs 16.551 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	2.299
3	**Irregularities:**	
A	HR/Employees related irregularities	2.283
B	Procurement related irregularities	31.113
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	10.761
5	Others	28.440
Total		**74.896**

19.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	23	Not convened
2	2018-19	17	
3	2019-20	21	
4	2020-21	11	
5	2021-22	04	
6	2022-23	07	

19.4 AUDIT PARAS

A) Fraud, Embezzlement and Misappropriations

19.4.1 Non-deposit of hospital receipts- Rs 2.299 million

According to Rule 14 of PDA (Accounts) Rules 2017, the collecting officer shall be responsible to collect receipt in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise.

During audit of the THQ Hospital Piplan for the FY 2022-23, it was observed that hospital receipts of Rs 3.507 million were reported on portal. However, only Rs 1.208 million was found deposited in government treasury and whereabouts of the remaining amount of Rs 2.299 million were not known. This resulted in misappropriation in hospital receipts amounting to Rs 2.299 million

Audit held that government receipt was not deposited in government treasury due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that out of total receipts of Rs 3.047 million, 85% government share amounting to Rs 2.590 million had been deposited. The reply was not tenable as total deposited receipts were Rs 1.208 million and remaining amount was still recoverable.

DAC in its meeting held on 28th December 2023 directed to constitute a committee headed by Deputy Director (B&A) of DHA Mianwali for scrutiny and recovery of receipts besides fixing responsibility of lapse against the officer(s) at fault.

Audit recommends implementation of DAC's decision.

[PDP No. 180]

B) Human Resource /Employees related irregularities

19.4.2 Unauthorized payment of inadmissible allowances - Rs 2.283 million

As per clarification issued by Finance Department, Government of the Punjab vide letter no. FD (M-1)1-15/82-P-I dated 15.1.2000, in case a designated residence is available, the government servant for whom it is meant cannot draw HRA even if he does not reside in it. According to Sr. No. (XIII) (i) (b) of Contract Appointment Policy 2004 issued by S&GAD Government of the Punjab, SSB @ 30% is admissible in lieu of pension only to contract employees. As per letter No. PMU/PHSRP/G-I-06/61/760 dated 16th March 2007 of the P&SHC department, the PHSRP allowance is admissible only when the paramedics and other staff perform their duties under the PHSRP at RHCs / BHUs. According to Order No. SO (N.D) 2-26/2004(P.II) of the Government of Punjab, P&SHC department read with clarification issued vide No FD.SR-I/6-7/2018 dated 15.10.2019 by the Finance department, NPA is only admissible to those doctors in THQs and DHQs who give the undertaking that they will not perform private practice.

During audit of the following formations of DHA Mianwali for the FY 2022-23, it was observed that payment of Rs 2.283 million on account of different inadmissible allowances was made to the officers / officials in violation of the rules ibid. This resulted in overpayment of Rs 2.283 million.

Rs. in million

Sr. No.	Name of Formation	Description	Amount
1	DHQ Hospital Mianwali	Non-deduction of HSRA	0.427
2		CA & HRA having designated residences	0.105
3		CA during leave	0.502
4	THQ Hospital Piplan	Overpayment of 1 month pay to resigned doctors	0.135
5		HRA & CA within hospital premises	0.536

6	THQ Hospital Kalabagh	Overpayment of annual increment	0.277
7	THQ Hospital Isa Khel	Non-deduction of HSRA	0.100
8		HRA & CA within hospital premises	0.104
9		CA during leave	0.097
Total			**2.283**

Audit held that unauthorized payment of inadmissible allowances was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department admitted recovery and stated that letter for recovery had been written to DAO.

DAC in its meeting held on 28th December 2023 directed for recovery. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Year 2021-22, 2021-22 & 2020-21 vide para number 19.4.2, 4.4.2.1.1 & 13.4.3.1.1 having financial impact of Rs 6.813 million,
Rs 16.929 million & Rs 9.989 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 170, 172, 175, 181, 182, 190, 193, 195 & 197]

C) Procurement related irregularities

19.4.3 Irregular expenditure on procurement by avoiding PPRA - Rs 22.588 million

According to Rule 9(1) of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regroupingof the procurements so planned.

During audit of following formations of DHA Mianwali for the FY 2022-23, it was observed that DDOs incurred Rs 22.588 million on purchase of different items through quotations by splitting the purchases in small orders to avoid tendering process. This resulted in irregular purchases of Rs 22.588 million.

Rs in million

Sr. No.	Name of Formation	Items	Amount
1	THQ Hospital Piplan	Lab items, Bedding & Clothing	18.913
2	THQ Hospital Kala Bagh	Medicated items	3.675
Total			**22.588**

Audit held that irregular procurement made in violation of PPR 2014 was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that hospitals procured the medicines and other stores for smooth running of hospital under Rules 59(a) & (b) of PPRA Rules. The reply was not tenable as procurements were required to be made through open competitive bidding.

DAC in its meeting held on 28th December 2023 directed for regularization from competent authority. No further progress was reported till finalization of this report.

Audit recommends inquiry of matter for fixing responsibility of on the officer(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for the Audit Year 2021-22 & 2021-22 vide para number 19.4.3 & 4.4.2.2.1 having financial impact of Rs 27.364 million and Rs 9.294 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 179 & 185]

19.4.4 Irregular procurement of medicines - Rs 5.018 million

According to Clause 2 (xxvii) of Policy & Operational Guidelines for LP of Medicines (Day to Day) issued vide letter No. SO (HP) 12-02/2022 dated 29.06.2022 by P&SHCD, local purchase costs government higher price in comparison to bulk purchases. Therefore, the aim is to reduce the incidences of local purchase by initiation and conclusion of bulk purchase process timely, utilization of alternative methods of procurement and by conducting risk purchases without splitting of procurement.

During audit of the MS DHQ Hospital Mianwali for the FY 2022-23, it was observed that management procured LP medicines in bulk quantities at retail rates with usual discounts despite the fact that items were of frequent use and amongst the bulk rate contract category. Resultantly, maximum LP medicine budget exhausted on fewer items, which could have been easily managed from bulk medicines supplies at minimum cost. This resulted in irregular purchase of medicine amounting to Rs 5.018 million. The detail is as under:

Item	**Annual Purchase**	**Per Unit Price (Rs)**	**Amount (Rs in million)**
Inj. Atropine	3,000	1,804	0.012
Inj. Adrenaline	4,000	04	0.016
Inj. Avil	6,000	02	0.012
IV Burets	5,000	207.6	1.004
Folley Catheter	8,000	200	1.600
Inj. Dobutamine	4,000	412.3	1.649
Inj. Frusemide	20,000	7.7	0.154
Inj. Linguicide 2%	3,000	18	0.054
Inj. Cal Gluconate	4,000	08	0.032
Inj. Daizepe	2,500	22	0.055
Inj. Cefotaxime	4,000	61	0.244

Inj. Dimenhydrinate	25,000	7.2	0.180
Total			**5.0118**

Audit held that irregular purchase of medicines through LP was carried out due to poor financial controls.

The matter was reported to the PAO in November 2023. The department replied that medicines were demanded in bulk purchase but could not be procured due to certain technical reasons. Moreover, majority of mentioned drugs were lifesaving and were essential to maintain a certain stock readily available as and when needed. The reply was not tenable as frequently used medicines were to be procured through bulk purchase to avoid consumption of more budget on less medicines due to higher rates of LP purchase.

DAC in its meeting held on 28th December 2023 directed for regularization of the expenditure from competent forum.

Audit recommends fixing of responsibility of lapse against the officer(s) at fault besides regularization of the expenditure.

Note: The issue was already reported earlier in the Audit Report for the Audit Year 2019-20 vide para number 13.5.2.2.2 having financial impact of Rs 13.468 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 168]

19.4.5 Irregular procurement from blacklisted firm - Rs 3.507 million

As per order No. 95988-98/DHQ/MWI dated 25.04.2022 of DHQ hospital Mianwali under Rule 22 (1)(a,b,c) & (6) of PPR 2014, M/S Rehman & Sons were blacklisted from for the period from 25.04.2022 to 24.04.204.

During audit of MS THQ Hospital Piplan for the FY 2022-23, it was observed that management made purchase of dialysis medicines worth Rs 8.434 million from a blacklisted firm, M/S Rehman Sons. This resulted in irregular procurement from blacklisted firm Rs 8.434 million.

Audit held that procurements were made from blacklisted firm due to poor internal controls.

The matter was reported to the PAO in November 2023. The department replied that blacklisting of firm was only limited to DHQ Mianwali and not blacklisted on PPRA. The reply was not tenable as procurement was required to be made from non-blacklisted firms.

DAC in its meeting held on 28th December 2023 directed for regularization. No further progress was reported till finalization of this report.

Audit recommends inquiry of the matter for fixing responsibility on the officer(s) at fault.

[PDP No.176 & 177]

D) Value for money and service delivery issues

19.4.6 Overpayment to contactor on account of GST over approved rates - Rs 8.260 million

According to Clause 2.5.8 (iv) of the standard bidding documents of PPRA, the financial evaluation of a Bid will be on the basis of form of Price Schedules/Financial Bid to be decided by the procuring agency which must include clear cut instruction regarding item wise or package wise evaluation inclusive of prevailing taxes, duties, fees etc.

During audit of the DHQ Hospital Mianwali for the FY 2022-23, it was observed that management made payment of Rs 47.57 million to the suppliers of X-Ray films and medical gases. Audit noticed that the contractors charged 17% GST over and above the approved rates as per rate contact. The bidders never mentioned that rates were exclusive of GST or extra GST would be charged over quoted rates in their bids. This resulted in over payment to contractor Rs 8.260 million. Detail is as under:

Rs in million

Sr. No.	Amount Paid (By adding GST)	Quoted Amount (GST already included)	GST Overpaid
X-Ray Films: M/S Fuji Films Pakistan (Pvt) Ltd.			
1	2.081	1.764	0.318
2	3.819	3.236	0.583
3	4.907	4.194	0.713
Medical Oxygen Gas: M/S Makkah Ammonia Gases			
4	1.719	1.469	0.250
5	1.886	1.599	0.288
6	2.270	1.940	0.330
7	2.334	1.978	0.356
8	2.736	2.319	0.417
9	3.911	3.343	0.568
10	3.919	3.321	0.598

Audit held that GST was charged over and above approved rates due to weak financial.

11	4.826	4.090	0.736
12	8.495	7.261	1.234
13	4.963	4.206	0.757
14	4.058	3.439	0.619
15	3.391	2.898	0.493
Total	**55.315**	**47.057**	**8.260**

The matter was reported to the PAO in November 2023. The department replied that all firms quoted their rates exclusive of GST in their bids. Accordingly, the purchase committee approved rates considering the point of GST which was not included in the approved rates. Therefore, no additional GST was paid. The reply was not tenable because single bidders participated in case of X-Ray films and medical gases. Exclusive of GST was not mentioned on their bids anywhere and purchase committee notified the same as approved rates.

DAC in its meeting held on 28th December 2023 directed for recovery of overpaid GST.

Audit recommends early recovery besides fixing of responsibility on the officer(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2018-19 vide para number 12.4.4.3 having financial impact of Rs 1.543 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 164]

19.4.7 Non-recovery of hospital receipts - Rs 1.037 million

According to Rule 14 of PDA (Accounts) Rules, 2017, the collecting officer shall be responsible to collect receipt in in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise.

During audit of DHQ Hospital Mianwali for the FY 2022-23, it was observed that the management did not recover parking fee of Rs 0.660 million from the contractors and did not deposit hospital fee of Rs 0.377 million in government treasury. This resulted innon-recovery of hospital receipts of Rs 1.037 million.

Rs in million

Sr. No.	Description	Receipt	Remarks
1	Parking fee	0.660	Not recovered
	MLC fee	0.310	

2	Indoor fe	0.067	Not deposited in treasury
Total		**1.037**	

Audit held that government dues were not recovered / deposited due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that the contractor of parking was blacklisted and case for recovery was forwarded to ADCR Mianwali. Moreover, partial amount of indoor fee and full amount of 85% government share of hospital receipts had been deposited in the government treasury. The reply was not tenable because no documentary evidence was produced in support of reply.

DAC in its meeting held on 28th December 2023 directed for complete recovery and probe in case of non-deposit of MLC fees.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 169 & 173]

19.4.8 Non deduction of GST - Rs 1.464 million

As per Sr. No. 81 of 8th Schedule of Sales Tax Act, 1990, amended in accordance with Finance Act 2022, the manufacturers and importers registered under the Drugs Act 1976 (XXXI of 1976) are liable to GST @ 1% for sale of drugs and medicines as discharge of final liability of GST without input tax credit.

During audit of CEO DHA Mianwali for the FY 2022-23, it was observed that management made payment for purchase of medicines amounting to Rs 146.412 million but neither GST invoices were provided by the contractors nor was deducted at source. This resulted in non-deduction of GST of Rs 1.464 million as detailed below:

Rs in million

Sr. No.	Voucher Reference No.	Vendor	Gross Amount	1 % GST Amount
1	5100010022	Amson Vaccine & Pharama	18.416	0.184
2	1900030496	Roech Pharmaceutical	15.393	0.154

Rs in million

Sr. No.	Voucher Reference No.	Vendor	Gross Amount	1 % GST Amount
3	5100006024	Ibel Healthcare	13.876	0.139
4	1900168333	Akram & Brother	10.782	0.108
5	5100007006	Unisa Pharmacuaetical	9.764	0.098

10	1900157902	Kohinoor Industries	6.933	0.069
11	1900039121	Unisa pharmacuaetical	5.544	0.055
12	5100103003	Lisko Pakistan	5.531	0.055
13	1900155746	Novo Nordisk (pvt)ltd.	5.479	0.055
14	5100056008	Hakimsons Impex (pvt)ltd.	5.252	0.053
15	5100138004	Getz Pharma	5.086	0.051
16	5100056007	Wilshire Laboratories	5.011	0.050
17	5100108004	Bloom Pharma	3.255	0.033
18	5100135008	Asian Contential	2.989	0.030
19	1900155748	Bosch Pharma	2.561	0.026
Total			**146.412**	**1.465**

Audit held that GST was not deducted at source due to weak financial controls.

The mater was reported to the PAO in November 2023. The department replied that procurements were made from GST active firms which were responsible for submission of their

GST. The procuring agency made payments as per claimed invoices. The reply was not tenable because neither GST invoices were submitted nor GST @ 1% was deducted.

DAC in its meeting held on 28th December 2023 directed to produce evidence of deposit of GST by firms otherwise recover the same.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was already reported earlier in the Audit Report for the Audit Year 2017-18 vide para number 12.4.3.3 having financial impact of Rs 2.112 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 163]

E) Others

19.4.9 Irregular clearance of pending liability - Rs 17.520 million

According to Rule 17.17(A) and 17.18 of PFR Vol-I, every disbursing officer shall maintain a register of liabilities in PFR Form-27 in which he should enter all these items of expenditure for which payment is to be made by or through another officer, budget allotment or sanction of a higher authority is to be obtained or payment would be required partly or wholly during the next financial year or years.

During audit of the following formations of DHA Mianwali for the FY 2022-23, it was observed that management drew an amount of Rs 17.520 million pertaining to bills for the FY 2021-22 from current year's budget despite the fact that the post audit for that financial period was already concluded. Audit noticed that no such bills were reflected in any liability statement of the office prior to drawl of the bills and sanction of any higher authority was also not obtained. This resulted in irregular drawl of previous year's bills of Rs 17.520 million as detailed at **Annexure-AP.**

Rs in million

Sr. No.	**Name of Formation**	**Nature of Expenditure**	**Amount**
1	DHQ Hospital Mianwali	LP medicines, lab kits etc.	13.199
2	THQ Hospital, Piplan	LP medicine bills	4.321
Total			**17.520**

Audit held that irregular clearance of previous year's liability was carried out due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. The department replied that payment was made through extra pending liability budget after approval of competent authority. The reply was not tenable as no documentary evidence was provided in support of reply.

DAC in its meeting held on 28th December 2023 directed for regularization. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2018-19 vide para number 12.4.3.6 having financial impact of Rs 5.294 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 174 & 184]

19.4.10 Non-imposition of penalty - Rs 10.920 million

According to Clause 25 of Operations Responsibilities (Section-C Scope of Services) of the contract agreement with M/s National Cleaning Services for provision of Janitorial Services, service provider shall pay its personnel not less than the minimum wage as per labor laws of Pakistan and other benefits mandated by the law. Moreover, as per Sr. No. 05 of Chapter Penalties, if any worker does not get paid minimum wage as per labor laws, Rs 5,000 per staff shall be imposed for that particular month.

During audit of following formations of DHA Mianwali for the FY 2022-23, it was observed that contractors did not pay minimum wage rates to the workers as per contract agreement. The management verified invoices without imposing penalty thereon. This resulted in non-imposition of penalty of Rs 10.920 million. The detail is as under:

Rs in million

r. No.	Formation	Name of Contractor	eriod	No. of employees	Penalty
				B	**A*B*5,000**
	DHQ Mianwali	M/S Babar & Umar	2	107	6.420
	THQ Piplan	Super care Services		36	1.440
	THQ Kalabagh	Mustahliq Enterprise	2	05	0.300

	THQ Isa Khel	M/S Babar & Umar	2	3 9	2. 340
		Mustahliq Enterprise	2	0 7	0. 420
Total					**1 0.920**

Audit held that processing of invoices by the management without imposition of penalty was due to weak managerial controls.

The matter was reported to the PAO in November 2023. The department replied that the contract of Janitorial staff was made by PMU of P&SHC department and janitorial staff was receiving salary as per contract. The reply was not tenable as management did not impose penalties before forwarding cases for payment.

DAC in its meeting held on 28th December 2023 directed for recovery. No further progress was reported till finalization of this Report.

Audit recommends implementation of DAC's decision.

[Para No. 171, 183, 189, 196]

CHAPTER 20

DISTRICT HEALTH AUTHORITY SARGODHA

20.1 Introduction

a) There are 33 formations in DHA Sargodha out of which audit of 04 formations was conducted. Total expenditure and receipt of these formations was Rs 947.001 and Rs 1.064 million respectively out of which 38% expenditure and 40% receipt were audited.

Audit Profile of DHA Sargodha

Rs in million

Sr. No.	Description	Total Formations	Audited	Expenditure audited	Receipts audited
1	DHA Sargodha	33	04	359.860	0.424
2	Assignment Acs/SDAs	-	-	-	-
3	Foreign Aided Projects	-	-	-	-

b) Comments on Budget and Accounts (Variance Analysis)

As per appropriation accounts, original budget of DHA Sargodha was Rs 4,442.462 million and supplementary grant was Rs 1,505.228 million for the FY 2022-23. An amount of Rs 1,508.092 million was surrendered and final budget was Rs 4,439.598 million. Management incurred an expenditure of Rs 4,429.133 million resulting in saving of Rs 10.465 million. Actual expenditure was less than the original budget which indicated that unrealistic budget estimates were made while demanding the supplementary grant. The break-up of final grant and expenditure is given in the following table:

Rs in million

Description	Original Grant	Supp. Grant	Surrender	Final Grant	Exp.	Excess (+) / Saving (-)
Salary	3485.595	1,065.821	1082.989	3,468.427	3467.567	-0.86
Non-Salary	947.543	429.265	425.103	951.705	951.431	-0.274

Development	9.324	10.142	0	19.466	10.135	-9.331
Total	**4,442.462**	**1,505.228**	**1,508.092**	**4,439.598**	**4,429.133**	**-10.465**

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

Rs in million

Financial Year	Final Grant	Expenditure	Excess (+) / Saving (-)	% age of saving
2021-22	3,889.161	3,494.150	-395.011	10
2022-23	4,439.598	4,429.133	-10.465	0.23

Source: Appropriation accounts for the FY 2021-22 and 2022-23

There was 14% increase in budget allocation and 27% increase in expenditure incurred during FY 2022-23 as compared to FY 2021-22. There was saving of Rs 395.011 million during FY 2022-23 which is 0.23% of budget.

c) Sectoral Analysis

i. Analysis of Targets and Achievements

There are ten (10) qualitative indicators set by P&SHC department for DHA Sargodha for the FY 2022-23. These indicators are set with the objectives of improving health facilities at each health unit, providing better environment, facilitating the patients in OPD and free of cost health services to the patients through appropriate monitoring at all levels. A comparison of target set for each indicator and the status of achievement is given below:

Sr. No.	Key Indicators	Targets	Achievements
1	OPD	3,236,857	3,236,857
2	Indoor	111,962	111,962
3	Surgical cases	53,016	53,016
4	Cardiac coronary Unit	43,860	43,860
5	Diagnostic Services (Laboratory, Radiology)	1,090,045	1,090,045

6	Family Planning Activities	83,999	83,999
7	Paeds	193,670	193,670
8	Surgery	18,200	18,200
9	TB Chest Treatment	66,506	66,506
10	Free Medicine Availability	-	-

Source: DHIS dashboard of DHA Sargodha

ii. Service Delivery Issues

Analysis of the achievements mentioned in the above table shows that DHA Sargodha achieved 100% targets during FY 2022-23.

20.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 124.118 million were raised in this report during current audit of DHA Sargodha. This amount also includes recoveries of Rs 3.968 million as pointed out by the audit. Summary of audit observations classified by nature is as under:

Overview of Audit Observations

Rs in million

Sr. No.	Classification	Amount placed under audit observation
1	Non-production of record	-
2	Fraud, embezzlement, and misappropriation	-
3	**Irregularities:**	
A	HR/Employees related irregularities	4.168
B	Procurement related irregularities	12.744
C	Management of accounts with commercial banks	-
4	Value for money and service delivery issues	
5	Others	107.206
Total		**124.118**

20.3 Brief Comments on Status of Compliance with PAC Directives

Audit Reports pertaining to following years have been submitted to Governor of the Punjab. However, PAC meeting to discuss these Audit Reports is yet to be convened.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	23	Not convened
2	2018-19	17	
3	2019-20	21	
4	2020-21	11	
5	2021-22	04	
6	2022-23	09	

20.4 AUDIT PARAS

A) Human Resource / Employees related irregularities

20.4.1 Irregular payment of NPA - Rs 1.335 million

According to Letter No. FD.SR-1/6-4/2019 dated 05.04.2021of the clarification issued by the Finance Department, Government of the Punjab (NPA) is not admissible to doctors serving on administrative posts. As per clarification No. 90/PR-C/NPA/2022-23/CD 2547 dated 23-2-23 taken by AG office, CEO DHA is not entitled to NPA being an Administration post. Further, according to Order No SO (N.D)2-26/2004(P.II) of the Health Department, Government of the Punjab, the NPA w.e.f 1.1.2007 is admissible only to those doctors who do not opt for private practice.

During audit of CEO DHA Sargodha for the FY 2022-23, it was observed that management paid NPA to officers working on administrative posts without any justification. Audit further noticed that NPA was paid to doctors doing private practice as evident from the boards/ panaflex of private clinics. Detail is as under:

Sr. No.	Name of Employee & Designation	Months	Rate (Rs)	Amount (Millions)
		A	B	A*B
CEO DHA Sargodha – NPA to officers working on administrative posts				
1	Dr. Sohail Asghar, CEO	2		0.058
2	Dr. Khaliq dad, CEO	6		0.137
3	Dr. Mushtaq Bashi, CEO	4		0.138
THQ Hospital Shahpur – NPA to doctors doing private practice				
4	Dr. Hamood-ur-Rehman Orthopedic Surgeon	15 months & 12 days		0.351

5	Dr. Bilal Shafique MO	6 months & 14 days		0.147
6	Dr. Shah Hassan Waseem MO	19 months & 6 days		0.437
7	Dr. Shahid Mahmood Dogar- Eye specialist	02 months & 10 days		0.067
Total				**1.335**

Audit held that irregular payment of NPA without entitlement was due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that any person having MBBS or equivalent qualification and not doing private practice was eligible for NPA. Moreover, the doctors were not doing private practice. The reply was not tenable as NPA was not admissible to doctors working on administrative posts and doing private practice.

DAC in its meeting held on 20th December 2023 directed to seek clarification from Finance Department and probe the matter. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

[PDP No. 80 & 111]

20.4.2 Unauthorized payment of inadmissible allowances - Rs 2.833 million

According to Rule 1.15(a) of Punjab Traveling Allowance Rules, no conveyance allowance is admissible during leave. Further, according to circular Letter No. FD-SR-1-9-4/86(P) (PR) dated 04.12.2012 & FD-SR-1-9-6 (P) (PR) dated 24.05.2012 of Finance Department, the employees who are residing in the residential colonies situated within work premises are not entitled to the facility of CA and HRA.As per letter No. PMU/PHSRP/G-I-06/61/760 dated 16th March, 2007 of the P&SHC department, Government of the Punjab, the PHSRP allowance is admissible only when the paramedics and other staff perform their duties under the PHSRP at RHCs / BHUs. According to Clause-6 of the Pay Revision Rules 1972, annual increment in national pay scale shall fall due on 1st of December following the completion of at least six months service at a stage in the scale.

During audit of following formations of DHA Sargodha for the FY 2022-23, it was observed that payment of Rs 2.833 million on account of different inadmissible allowances and annual increments was made to the officers / officials in violation of the rules ibid. This resulted in overpayment of Rs 2.833 million.

Rs in million

r. No.	Description	Amou nt
	THQ Hospital Bhalwal	
	Non-deduction of CA during leave	0.190
	Overpayment of annual increment	0.150
	Non-deduction of 5% maintenance charges	0.085
	Non-deduction of HSRA at THQ level	0.014
	THQ Hospital Shahpur	
	Non-deduction of CA during leave	0.345
	Payment of salaries without performing duties	0.611
	Non-deduction of HRA & CA having government residences within premises	0.191
	Overpayment of annual increment	0.174
	THQ Hospital 90/SB	
	Non-deduction of CA during leave	0.258
0	Non-deduction of HRA & CA having government residences within premises	0.502
1	Overpayment of annual increment	0.141
2	Non-deduction of HSRA at THQ level	0.172

Rs in million

r. No.	Description	Amount
	Total	**2.833**

Audit held that unauthorized payment of inadmissible allowances was made due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that recovery up to Rs 1.00 million had been affected and change form of recovery of remaining amount of Rs 2.833 million had been submitted to DAO.

DAC in its meeting held on 20th December 2023 directed the department to recover the overpayment at the earliest. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Year 2022-23, 2021-22 & 2020-21 vide para number 20.4.1, 20.4.3, 5.4.1.1.1 & 18.4.2.1.1 having financial impact of Rs 7.772 million, Rs 1.608 million, Rs 7.295 million & Rs 4.039 million. Recurrence of same irregularity is a matter of serious concern.

[PDP No. 91, 96, 98, 102, 105, 107, 112, 113, 118, 121, 124 & 128]

B) Procurement related irregularities

20.4.3 Irregular expenditure in violation of PPR 2014 - Rs 7.548 million

According to Rule 36A of PPR 2014, in any procurement, one person may submit one bid and if one person submits more than one bids, the procuring agency shall reject all such bids. If a consortium of persons has submitted a bid in any procurement, it shall be construed that each member of the consortium submitted the bid.

During audit of CEO DHA Sargodha for the FY 2022-23, it was observed that management made purchases of Rs 7.548 million through quotations from two specific firms. Audit noticed that each of these two firms operated as a consortium as each time these firms were awarded supplies, other two competitive firms were amongst their sister firms. Management manipulated the whole purchase process to give undue financial benefit to particular firms. Furthermore, deposit of sales tax of these firms also could not be verified. This resulted in irregular and non-transparent purchases Rs 7.548 million as detailed at **Annexure-AQ.**

Audit held that procurements were made from particular firms due to weak internal and financial controls.

The matter was reported to the PAO in November 2023. Department replied that budget was released quarterly hence urgent purchases were made through quotations in accordance with PPR 2014. The reply was not tenable because in all mentioned cases competitive firms were amongst sister firms.

DAC in its meeting held on 20th December 2023 directed for regularization. No further progress was reported till finalization of this report.

Audit recommends regularization of expenditure from competent authority besides fixing of responsibility lapse on person (s).

[PDP No. 81 & 88]

20.4.4 Doubtful expenditure on account of stationery items - Rs 5.196 million

According to Rule 2.31(a) of PFR Vol-I, a drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any over charges, frauds and misappropriations. According to Rule 2.33 of PFR Vol-I, every government servant should realize fully and clearly the he will be held personally responsible for any loss sustained by government through fraud or negligence on his part.

During audit of CEO DHA Sargodha for the FY 2022-23, it was observed that an expenditure of Rs 5.196 million was carried out on the purchase of stationery items as mentioned at **Annexure-AR**. Audit noticed that in most of the cases quotations were without date and diary number or stamp. Moreover, stock register showed whole consumption at once including absence of usage of huge quantity of 1,909 paper reams during the year. This resulted in doubtful expenditure on stationery items worth Rs 5.196 million.

Audit held that doubtful expenditure was made on purchase of stationery items due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that items were purchased on urgent basis and due to non-availability of funds, purchases were made on credit and in some cases payment was not made even after a year. The reply was not tenable because no consumption record was provided to audit in support of reply.

DAC in its meeting held on 20th December 2023 directed a probe in the matter from DGHS Lahore. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision.

[PDP No. 86]

C) Others

20.4.5 Non-utilization of tied grants - Rs 104.475 million

According to Rules 5(i) & Rule 6(f) of PDA (Budget) Rules, 2017, the head of offices will be responsible for ensuring that the funds allotted shall be spent on the activities for which the they were provided. The budget and accounts officer shall be responsible to monitor expenditure and ensure utilization of funds as approved by the District Authority.

During audit of CEO DHA Sargodha for the FY 2022-23, it was observed that a sum of Rs 104.475 million was received as tied grants from Finance Department, Government of the Punjab as mentioned below, however, these funds were not utilized for their intended purpose i.e. Financial Assistance, Leave encashment and COVID vaccination. This resulted in unauthorized use of tied grants of Rs 104.475 million.

Audit held that unauthorized usage of tied grants was due to weak financial controls.

The matter was reported to the PAO in November 2023. The department replied that tied grants amounting to Rs 131.842 million (Leave Encashment Rs 40.732 million, Financial Assistance Rs.12.334 million, COVID-19 Red-III Rs 28.451 & Red IV Rs 23.058 million and RHC Farooqa Rs 27.267 million) were credited in Account-VI whereas no expenditure was made in FY 2022-23. The reply was not tenable as not supported with record. Moreover, closing balance of DHA was less than half of tied grants mentioned balance which clearly indicates that amount of tied grants utilized for other purposes.

DAC in its meeting held on 20th December 2023 directed for utilization of tied grants on the purposes actually allocated. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest besides fixing of responsibility of laps on person (s) at fault.

[PDP No. 90]

20.4.6 Doubtful expenditure on POL - Rs 2.731 million

According to Rule 9(b) of PDA (Accounts) Rules 2017, the DDO and payee of the pay, allowances, contingent expenditure or any other expense shall be personally responsible for any over charge, fraud, misappropriation and shall be liable to make good that loss.

During audit of CEO DHA Sargodha for FY 2022-23, it was observed that an expenditure of Rs 2.731 million was incurred on POL for official vehicles. It was noticed that log books were properly closed at the end of each month and duly singed but these log books totally denied the usage of POL. This resulted in doubtful expenditure on purchase of POL.

Audit held that doubtful expenditure on POL was incurred due to weak internal controls.

The matter was reported to the PAO in November 2023. The department replied that concerned drivers had drawn POL but the slips were not recorded in the logbook due to lack of oversight and stated that logbooks would be submitted after correction.

DAC in its meeting held on 20th December 2023 directed to probe in the matter from DGHS Punjab, Lahore. No further progress was reported till finalization of this report.

Audit recommends implementation of DAC's decision at the earliest.

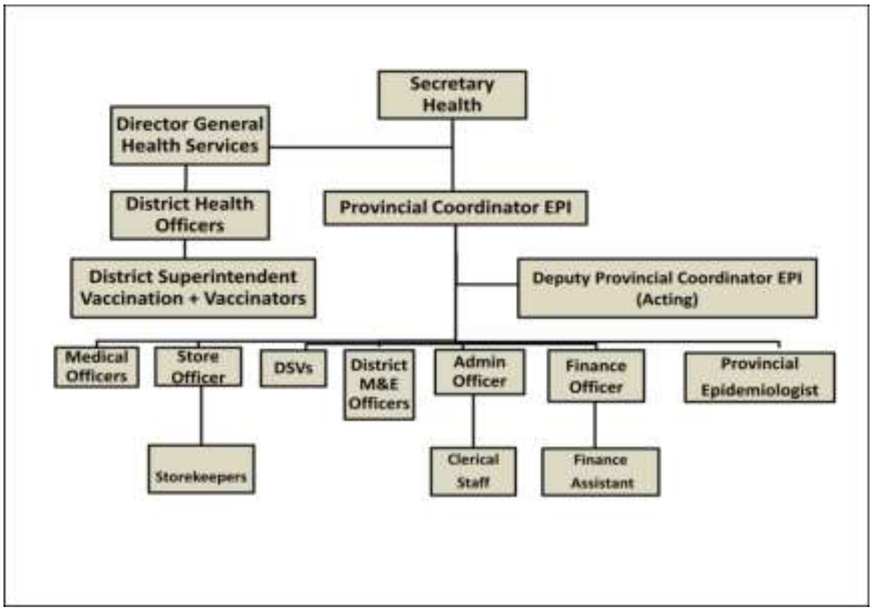
[PDP No.76]

CHAPTER 21

Thematic Audit of Expanded Programme on Immunization

21.1 Introduction

Expanded Programme on Immunization (EPI) in DHA Gujrat was selected as the thematic audit of for the Audit Year 2023-24. The prime activity of EPI was to vaccinate children below the age of two years against communicable diseases i.e. Poliomyelitis, Tuberculosis, Diphtheria, Pertussis, Measles, Neonatal Tetanus, Hepatitis-B, Meningitis, Pneumonia as well as ante natal vaccination against Tetanus. Organizational structure of the programme is illustrated below:



21.2 Background

The EPI was launched in Pakistan during 1978 to immune children against communicable diseases e.g. Tuberculosis, Poliomyelitis, Diphtheria, Pertussis, Tetanus and Measles. Later on, with the support of development partners, a number of new vaccines i.e. Hepatitis-B, Hemophilus Influenza (type-B), Meningitis and Pneumococcal Vaccine (PCV), Inactivated Polio Vaccine (IPV) and Rotavirus Vaccine (Rota) were introduced during 2002, 2009, 2012, 2015 and 2017, respectively.

EPI also aimed at protecting mothers and newborns against Tetanus. Immunizing children may avert childhood morbidity and mortality up to 17% in Pakistan, contributing towards achieving Sustainable Development Goal-3 (SDG). The national immunization programme has contributed significantly towards decreasing childhood morbidity and mortality. A child needed only five visits during the first year and one visit during the second year of his/her life to complete the vaccination schedule.

21.3 Establishing the Audit Theme

The audit theme was established on the basis of recurring nature of observations emerging from the previous years' Audit Reports and its importance for achieving SDGs.

21.3.1 Reasons of selection

The Government of Pakistan is bound to fulfill international commitments under SDGs regarding improvement of health outcomes amongst women and children under the age of two years. P&SHC department, Government of the Punjab devised Punjab Health Sector Strategy for the achievement of SDG-3 i.e. to ensure healthy lives and promote well-being for all of all ages under Target No. 3.3-Fight Communicable Diseases.

The audit theme was selected to review whether the immunization services provided by P&SHC department in DHA Gujrat were managed effectively and efficiently with regard to the resources allocated for these activities and to evaluate the level of preparedness.

The approach of audit was to examine the effectiveness of different government interventions both in rural and urban areas lying under jurisdiction of DHA Gujrat.

21.3.2 Purpose / Objective

The major objectives of thematic audit were:

i. whether the immunization services provided by P&SHC department in DHA Gujrat were managed effectively and efficiently with regard to the resources allocated for this purpose;
ii. whether the management structure of the programme was efficient and effective;
iii. whether the programme adhered to applicable laws, rules, regulations and procedures, and
iv. whether the procurements were made in an economical manner?

21.3.3 Scope

Scope of the thematic audit was confined to District Gujrat where EPI was implemented under the supervision of P&SHC department Government of the Punjab. The working of the programme was evaluated by analyzing data of three years i.e. from 2020-21 to 2022-23. The thematic audit covered planning, financing and execution aspects of the programme.

21.4 Legal framework governing the theme

EPI is governed under National Immunization Policy (NIP) 2022 and PC-I of the programme. The programme is coordinated at national level via Federal Directorate of Immunization (FDI), Ministry of National Health Services, Regulation and Coordination Islamabad. Evidence of effectiveness of vaccination was gathered as per recommendations of National Immunization Technical Advisory Group. At provincial level, the programme was managed by P&SHC department, Government of the Punjab.

21.4.1 Stakeholders, governmental organizations identified as directly/ indirectly involved

Sr. No.	Institutions	Role in EPI
A. Government Agencies		
1	Fedral and Provincial Governments	Policy Design and Monitoring
2	Pakistan Polio Eradication Initiative	Service Delivery
B. Donors		
1	World Bank	Service Delivery and Technical support
2	Gavi- Global Alliance for vaccination and Immunization	Service Delivery and Technical support
3	Bill and Melinda Gates Foundation	Service Delivery and Technical Assistance
4	Jica-Japan International Cooperation Agency	Service Delivery and Technical Assistance
5	USAID	Technical support
C. Implementing Partners		
1	Unicef- United Nations International Children's Emergency Fund	ACSM and Supply Chain
2	World Health Organization (WHO)	Research, Technical and Service delivery

Sr. No.	Institutions	Role in EPI
3	Jhpiego-Johns Hopkins Programme for International Education in Gynecology and Obstetrics	Service Delivery and Technical Assistance
4	Civil Society Human and Institutional Development Programme	Research support and CSO Engagement
5	Global-Precision Health Consultants	Service Delivery and Technical support
6	John Snow Incorporated	Technical Support
7	Interactive Research and Development	Technical and delivery Support
8	Zenysis Technologies,	Technical Support for Data systems

21.5 Risk Areas

i. inadequate skills and shortage of vaccinators;

ii. lack of female vaccinators for outreach to women;

iii. lack of formal and regular training programme for vaccinators and management cadres;

iv. wastage of vaccines;

v. non-monitoring of impact of immunization coverage through third party validation;

vi. lack of public awareness of seriousness of the target diseases;

vii. improper maintenance of immunization record, and

viii. non-integration of medical records with immunization management information systems.

21.6 Role of important organization

Ministry of National Health Services Regulations & Coordination, FDI, P&SHC department Government of the Punjab and DHA Gujrat are striving to improve the health delivery standards for immunization services by providing technical and logistical support. The outreach vaccinators and vaccination centers established at BHUs, RHCs, THQ and DHQ hospitals play a critical role in provision of immunization services.

21.6.1 Ministry of National Health Services Regulations & Coordination and FDI are responsible:

i. to ensure ownership and accountability at the federal, provincial/ areas and district management levels;

ii. for effective donor coordination and reporting, partnership building, proposal development after due consultation with provinces and federating areas;

iii. to forecast and procure the required vaccine quantities, besides estimated "Buffer Stocks" of vaccines, syringes, supply chain equipment and allied equipment required for smooth functioning of the EPI programme and to prevent and avert any outbreak of the vaccine preventable disease;

iv. to train the adequate number of required staffs. The EPI will also train the staff of private sector where required;

v. to implement NIP 2022 and procedures in the letter and spirit;

vi. to periodically conduct surveillance and monitoring activities, and

vii. to conduct regular research and evaluation studies and activities.

21.6.2 P&SHC Department Government of Punjab and DHA Gujrat are responsible:

i. to ensure timely availability of vaccines, syringes and allied equipment required for smooth functioning of EPI programme and to prevent and avert any outbreak of the vaccine preventable diseases;

ii. to recruit and train the adequate number of required staff including staff from private health care providers where required;

iii. to develop annual plans in line with Multi Year Plan (MYP) and implement as per EPI policy, and

iv. to periodically conduct surveillance and monitoring activities.

21.7 Organization Financials

All EPI vaccines were procured at federal level on behalf of provinces as pool procurement system and further distributed to the provincial levels according to share of the provinces. Procurement of vaccines was carried out on annual basis. The annual requirement was estimated through a forecasting process in consultation with provinces based on the target population for each vaccine, available balances, estimated coverage target, number of doses administered per target and wastage multiplying factor.

At district level funds were allocated only for salary component of regular establishment, office contingencies and POL of vaccinators. The funds transferred were placed in A/C-VI of DHA Gujrat. Funds allocated for capital expenditure or revenue component of development grants were kept at provincial level. The detail of budget and expenditure allocated for EPI programme of District Gujrat for the last three financial years is given below:

Rs in million

Financial Year	Budget			Expenditure		
	Salary	**Non-salary**	**Total**	**Salary**	**Non-salary**	**Total**
2020-21	20.654	5.920	26.574	19.354	5.130	24.484
2021-22	21.853	6.100	27.953	21.808	5.863	27.671
2022-23	50.103	8.820	58.923	50.059	8.564	58.623
Total	**92.610**	**20.840**	**113.450**	**91.221**	**19.557**	**110.778**

21.8 Field Audit Activity

21.8.1 Methodology

Thematic audit was carried out against predefined objectives of the programme and framework of financial governance provided in the PC-I and other relevant strategies and policies of the government which were formulated to govern the programme. Audit activity comprised of data collection regarding theme and study of relevant reports/literature. Critical analysis regarding optimal utilization of human and financial resources of the programme was also carried out in accordance with programme activities provided in the PC-I. Examination of record and programme activities was also carried out in accordance with the applicable laws and rules. The audit was conducted in accordance with ISSAIs.

21.9 Audit Analysis

21.9.1 Review of Internal Controls

Effectiveness of internal controls was assessed on test check basis. Following issues of potential significance were observed regarding weaknesses of internal controls in EPI programme, DHA Gujrat:

i. mechanism was not defined to locate the newborn child from record of pregnant women maintained by Lady Health Workers (LHWs);

ii. two different sets of data were available for EPI; one manual daily register of vaccination and other on Electronic Medical Record (EMR) Application, maintained online by vaccinators. Difference of figures in both sets of data was observed for similar activities under EPI;

iii. EPI, DHA Gujrat was facing shortage of trained HR i.e. District Superintendent Vaccination (DSV), Assistant Superintendent Vaccination (ASV), vaccinators and LHWs;

iv. defective maintenance of stock of vaccines at BHU level;

v. non-maintenance of record of wastage and disposal of vaccines, empty vials and used syringes;

vi. private hospitals were not involved in immunization process, and

vii. Minimum Service Delivery Standards were not implemented and monitored.

21.9.2 Critical Review

The performance of EPI is often questioned as the immunization rate has been chronically low. Audit explored the programme's insights about its structural and implementation arrangements within the larger governance system and ensuing challenges as well as opportunities.

Socio-political issues from the national and global environment also impact this system. The interplay of these factors, while posing challenges to effective implementation of routine immunization, also brings opportunities for improvement. Collective effort from local, national and global stakeholders is required for improving the immunization status of Pakistani children, global health security and the SDGs.

To further improve immunization coverage in Pakistan, concrete efforts are needed to maximize the coverage in underperforming districts by increasing focus on supervision, monitoring and evaluation and considering performance-based incentives. Efforts and resources are required to strengthen capacity of district based EPI team to deliver better services to targeted children. It is also recommended to develop district specific strategies that are better aligned with the local norms, by exploring partnerships with the private sector.

The audit collected the data from CEO and DHO offices Gujrat with focus on sub theme "to increase the equitable coverage of services for immunization against Vaccine Preventable Diseases (VPD), including poliomyelitis, for children between 0 and 23 months in Pakistan". Audit reviewed the facilities and HR with following strengths, weaknesses, opportunities and challenges analysis as given below:

Strength	• Availability of sufficient quantity of vaccines and syringes. • Free vaccination facility for all • Fixed vaccination centers at all Union Councils (UC) level in BHUs and 20 to 25 outreach kit stations in every UC
Weakness	• Shortage of vaccinators and trained staff due to vacant posts • Vacant seats of DSV and ASVs • Shortage of LHWs due to dying cadre of LHWs post • Low speed internet to run EMR application
Opportuniti es	• Running of awareness campaign through free social media • Involvement of general public / notable persons for the issue

	• Develop district specific strategies that are better aligned with the local norms • Integrate the EMR application with NADRA through CNIC number to locate new born registered child
Challenges	• Refusal from vaccination • Lack of accurate population data • Misconceptions of public about vaccines • To sensitize the general public regarding surveillance and eradication of polio

21.10 Significant Audit Observations

A) Human Resource/Administrative Issues

21.10.1 Shortage of field staff for immunization

According to Sr. No. 3.3.2.2 of NIP 2022, Provincial and District Health department shall recruit and train the adequate number of required staff including those from private health care providers where required. Further, according to Sr. No. 4.10.2 of ibid Policy, at least two vaccinators/skilled immunization staff (one for fixed site and one for outreach) to be deployed in every union council irrespective of population, catchment area or target. However, vaccinator/skilled immunization staff can be increased per union council based on two criteria - population and/or geographical distance and terrain.

During thematic audit of EPI programme DHA Gujrat for the FYs 2020-23, it was observed that there was shortage of immunization field staff / vaccinators in District Gujrat as detailed below:

i. 26 seats of vaccinators were vacant and temporary arrangements were made through daily wagers and other staff including CDC supervisor, sanitary inspectors and sanitary patrols;

ii. one vaccinator was posted in each UC without backup in case of any emergency;

iii. posts of one DSV and five ASVs were vacant and vaccinators were working against these positions in addition to their normal duties;

iv. there was acute shortage of LHWs at UC level that negated their role as awareness creators of immunization programme amongst the general public, and

v. there was acute shortage of female vaccinators to administer Tetanus injections to the women folk.

Audit held that posts of vaccinators were lying vacant due to inefficient administrative controls.

Audit recommends for appointment of new vaccinators.

21.10.2 Lack of training of immunization staff

According to Sr. No. 5.1.2 of NIP 2022, all the staff involved in immunization will be given regular in-service training and other capacity building opportunities related to injection safety, vaccine handling and storage, surveillance, waste management, monitoring and evaluation. Furthermore, Sr. No. 5.1.3 provides mechanism for reward and accountability vis-a-vis high and low performance of EPI staff.

During thematic audit of EPI programme DHA Gujrat for the FYs 2020-23, it was observed that training and capacity building activities of vaccination staff were not arranged. According to comprehensive MYP 2014-18, it was recommended to:

i. enhance the availability of qualified human resources for the immunization programme;

ii. increase the number of Skilled Immunization Staff (SIS) by mobilizing (or focusing on) vaccinators;

iii. integration of available qualified health professionals with delivery of immunization services;

iv. promote effectiveness of training of EPI medical and managerial staff with special emphasis on immunization monitoring checklist, and

v. boost motivation of key staff of the immunization programme.

Audit held that lack of training to various immunization staff resulted into poor administration of immunization to mother and child was due to lose administrative initiatives.

Audit recommends to arrange training for capacity building of staff.

21.10.3 Loss due to usage of large open vials of vaccines

According to Sr. No. 04 of NIP 2022, the current country decision, allowed open vial wastage of EPI routine vaccines at different percentages.

During thematic audit of EPI programme DHA Gujrat for the FYs 2020-23, it was observed that open vial wastage ratio of vaccines was very high, like BCG vaccine vial was 20 doses and allowed wastage was 50%. It was further observed that in many cases wastage was 90% due to non-availability of patients. If the doses of vials were to be reduced up to 05 doses like in many vaccines, the wastage could be decreased by up to 40% to 90%. Usage of 20 & 10 doses vials of vaccines caused huge loss as detailed at **Annexure-AS.**

Audit held that due to weak managerial controls government had to suffer huge loss by allowing large doses of open vials of vaccines.

Audit recommends using low dose vials of vaccines to reduce the wastage.

21.10.4 Non-conducting of third party immunization coverage survey

According to Sr. No. 2.1.4.4 of NIP 2022, the EPI shall conduct periodic immunization coverage survey through a third party on regular basis documenting impact of the immunization programme ensuring quality of data and reporting.

During thematic audit of EPI programme DHA Gujrat for the FYs 2020-23, it was observed that third party survey on immunization coverage was not ensured by either FDI or by district/provincial authorities. In the absence of third party survey performance of the project, quality of data and authenticity of reports on EMR application cannot be authenticated. This resulted in unauthentic / unverified reporting on EPI programme.

Audit held that third party immunization coverage survey of EPI was not conducted due to weak managerial controls.

Audit recommends to conduct the third party survey of immunization programme.

B) Service Delivery Issues

21.10.5 Defective maintenance of record of vaccines issuance and disposal

According to Sr. No. 4.12.1 of NIP 2022, the EPI waste management policy is guided by the Environmental Protection Act 1997. The Health Waste Management Rules 2005 have mandated the source segregation of EPI waste (vials, syringes, etc.) to handle recovery, reuse and recycle.

During thematic audit of EPI programme DHA Gujrat for the FYs 2020-23, it was observed that record of issuance of vaccines and disposal of waste material was not maintained properly by the field staff. Similarly, stock register and issuance of vaccine for fixed site and out-reach was also not maintained separately at BHUs. Furthermore, audit observed that FDI provided three different colors of registers to record disposal of different types of items, like empty vials, used syringes and other items etc. but there was no record maintained in prescribed registers. This resulted in defective maintenance of record of vaccine issuance and disposal.

Audit held that prescribed record of vaccines issuance and disposal was not maintained properly due to weak internal controls.

Audit recommends maintainenance of record and prescribed register as per policy guidelines.

21.10.6 Non-inclusion of EPI awareness in curriculum

According to Sr. 15(iii) of PC-1 2015-16 to 2019-20 of EPI, awareness of immunization and its importance to improve child health outcomes will be added as a component of the standard school curriculum. Furthermore, according Sr. 4.5.1 of NIP 2022, all public and private sector schools shall be eligible for vaccination campaigns against VPDs. The schools will be bound to share vaccination data of the enrolled children.

During thematic audit of EPI programme DHA Gujrat for the FYs 2020-23, it was observed that EPI programme awareness was not made part of curriculum. Similarly, there was no record of immunization at schools level and no coordination mechanism was framed between schools and health department contrary to the guidelines.

This resulted in non-inclusion of EPI awareness in curriculum due to weak managerial controls.

Audit recommends implementation of policy guidelines regarding awareness through schools.

21.10.7 Non-maintenance of fully immunized child record

According to Sr. No.1.4 of NIP 2022, a Fully Immunized Child (FIC) is defined as a child who has received at least: BCG dose at birth, three doses of polio and two doses of IPV, three doses of Penta, three doses of PCV, two doses of Rota, and one dose of measles and rubella vaccines before 12 months of age.

During thematic audit of EPI programme DHA Gujrat for the FYs 2020-23, it was observed that there was no record of fully immunized status of a child on EMR application. Similarly, there were multiple entries of one child on EMR application. This resulted in unauthentic record of vaccination on EMR application. Few samples of multiple entries of a child are given at **Annexure-AT**.

Audit held that record of FIC was not maintained due to weak internal controls.

Audit recommends maintenance of FIC data.

21.10.8 Improper maintenance of record of child immunization

According to Sr. No. 2.1.1.1 of NIP 2022, all public health facilities and selected private health facilities with a gradual uptake with the EPI counterparts shall maintain a uniform prescribed vaccination register, both as paper and electronic record for the target population in the catchment area of the health facility, and if feasible, will link immunization registration to birth registration processes.

During thematic audit of EPI Programme DHA Gujrat for the FYs 2020-23, it was observed that vaccinators were required to maintain vaccination record on daily register as well as online EMR Application. Audit team found following shortcomings in record:

i. detail of all doses of vaccination was not updated on EMR Application. In most of the cases only two or three entries of vaccination were recorded;
ii. unique registered number of child was not linked with CNIC number of parents causing dual entries of same child;
iii. historical record of immunization of the child could not be traced, and
iv. manual record of vaccination was not tallied with EMR application record causing big anomalies in vaccinated children data.

This resulted in improper maintenance of record of child immunization.

Audit held that improper maintenance of record of child immunization was due to poor managerial controls.

Audit recommends proper maintenance of record of vaccination of children.

C) Implementation Issues

21.10.9 Non-integration of EMR application with National Immunization Management System

According to Sr. No.7.3 of NIP 2022, the HMIS to be integrated with the National Immunization Management System (NIMS) of NADRA, provincial vaccine management system and epidemic intelligence systems.

During thematic audit of EPI Programme DHA Gujrat for the FYs 2020-23, it was observed that EMR application was not integrated with NIMS of NADRA. As such, complete vaccination record and FIC status could not be checked through CNIC or any unique number.

Audit held that EMR was not integrated with NIMS due to poor managerial controls.

Audit recommends to integrate EMR with NIMS.

21.10.10 Non-implementation of SMS alerts for next dose of vaccination

According to Sr. No. 7.4 NIP 2022, the eHealth would generate messages through Short Messaging Service (SMS) to the target population to address due defaulter and zero dose. The parents/caregivers will receive regular reminders for next vaccine dose and guidance about vaccines and immunization benefits.

During thematic audit of EPI Programme DHA Gujrat for the FYs 2020-23, it was observed that no reminders or messages were communicated for next dose of vaccination or visit of vaccinator at particular station. This resulted in missing of due date and delay in vaccination.

Audit held that system of reminders or messages through SMS for next dose of vaccination was not implemented due to poor managerial controls.

Audit recommends to implement SMS alert system for parents.

21.10.11 Non-implementation of EPI in private hospitals

According to Sr. No. 4.2.3 of NIP 2022, the private health facilities will be offered integration with the EPI information system and in turn they would get free vaccine bundle (diluents, AD syringes, safety boxes, etc.), which they would administer by charging minimum administration cost.

During thematic audit of EPI Programme DHA Gujrat for the FYs 2020-23, it was observed that EPI was not implemented in private hospitals. Due to non-availability of immunization facility in private hospitals, there were chances of missing compulsory birth dose within 24 hours.

Audit held that EPI was not implemented in private hospitals due to poor managerial controls.

Audit recommends for provision of immunization facility at private hospitals.

21.11 Recommendations

Audit recommends to:

i. overcome shortage of immunization staff and ensure their proper training;

ii. manage size of vials to reduce wastage of vaccines;

iii. conduct third party survey of EPI;

iv. maintain proper record on EMR application and ensure its integration with NIMS;

v. include EPI awareness in curriculum and set a reminder system through SMS alerts for next dose of vaccination, and

vi. implement EPI in private hospitals.

21.12 Conclusion

EPI in DHA Gujrat was facing several challenges like shortage of skilled health workers, inadequate trainings, poor maintenance of vaccination record, non-integration of EMR with NIMS, non-implementation of EPI in private hospitals and non-inclusion of awareness material in curriculum. Moreover, no third party survey was conducted to authenticate the immunization coverage.

The government should take concrete steps to ensure implementation of NIP 2022 and comprehensive MYP for optimal coverage of immunization. Furthermore, the DHA Gujrat needs to maintain immunization data as per policy guidelines.

AUDIT REPORT

ON

THE ACCOUNTS OF

DISTRICT EDUCATION AUTHORITIES

OF 17 DISTRICTS OF PUNJAB (SOUTH)

AUDIT YEAR 2023-24

DISTRICT EDUCATION AUTHORITIES OF 17 DISTRICTS OF PUNJAB (SOUTH)

CHAPTER 1

District Education Authorities – School Education Department

1.1 Introduction

A. District Education Authorities (DEAs) were established on 01.01.2017 under Punjab Local Government Act, (PLGA) 2013. DEAs are body corporate having perpetual succession and a common seal with power to acquire / hold property and enter into any contract and may sue and be sued in its name.

Chief Executive Officer is the Principal Accounting Officer of the DEA and is accountable to the Public Accounts Committee of the Provincial Assembly. He is responsible to ensure that the business of the DEA is carried out in accordance with the laws as well as to coordinate the activities of the groups of offices for coherent, effective and efficient functioning of DEA.

The functions of DEA are to:

i) Establish, manage and supervise the primary, elementary, secondary and higher secondary schools as well as adult literacy & non-formal basic education / special education institutions of the Government in the District.

ii) Implement Government policies and directions including achievement of key performance indicators set by the Government for education.

iii) Ensure free and compulsory education for children of age five to sixteen years as required under Article 25-A of the Constitution.

iv) Ensure teaching, infrastructure, student safety, hygiene and minimum education standards for quality education.

v) Undertake student assessment and examinations, ranking of schools, promotion of co-curricular activities, award of scholarships and conduct of science fairs in Government and private schools.

vi) Approve the budget of the Authority and allocate funds to educational institutions.

vii) Plan, execute and monitor all development schemes of educational institutions working under the Authority, provided that the Authority may outsource its development works to other agencies or school councils.

viii) Constitute school management councils which may monitor academic activities.

ix) Plan and finance maintenance of school, support enrollment and retention, arrange donation and finances, plan development and perform any other function assigned by the Government, a Commission or a body established by law in the prescribed manner.

Administrative structure of DEAs is given below:

Administrative Structure of DEA

Description	**No. of Administrative Offices**
Chief Executive Officer	1
District Education Officer (SE)	1
District Education Officer (EE-M)	1
District Education Officer (EE-W)	1
District Education Officer (Literacy)	1
District Education Officer (Special Education)	1
Deputy District Education Officer (SE)	1
Deputy District Education Officer (EE-M)	1 in each Tehsil
Deputy District Education Officer (EE-W)	1 in each Tehsil

*Source: Data received from CEO DEA Offices

Total number of educational institutions in 17 DEAs under jurisdiction of DGA, Local Governments, the Punjab (South) is given below:

Educational Institutions

Description	**Total No. of Educational Institutions**
Higher Secondary Schools (Boys)	183
Higher Secondary Schools (Girls)	188
High Schools (Boys)	1,844
High Schools (Girls)	1,687
Special Education Schools / Centers	135
Elementary Schools (Boys)	1,688
Elementary Schools (Girls)	2,036
Primary Schools (Boys)	8,668
Primary Schools (Girls)	8,074
Mosque / Madrassa Schools	408

DEA wise detail of educational institutions is attached as **Annexure-B**.

The following table shows detail of total & audited formations of 17 DEAs:

Audit Profile of DEAs of the Punjab (South)

(Rupees in million)

Sr. No.	Description	Total Nos.	Audited	Expenditure Audited FY 2022-23	Revenue / Receipts Audited FY 2022-23
1	Formations	4,336	105	32,701.969	247.881
2	Assignment Accounts (excluding FAP)	-	-	-	-
3	Authorities / Autonomous Bodies etc. under the PAOs	-	-	-	-
4	Foreign Aided Projects (FAP)	-	-	-	-

DEA wise detail of total & audited formations is attached as **Annexure-C**.

B. Comments on Budget and Accounts (Variance Analysis)

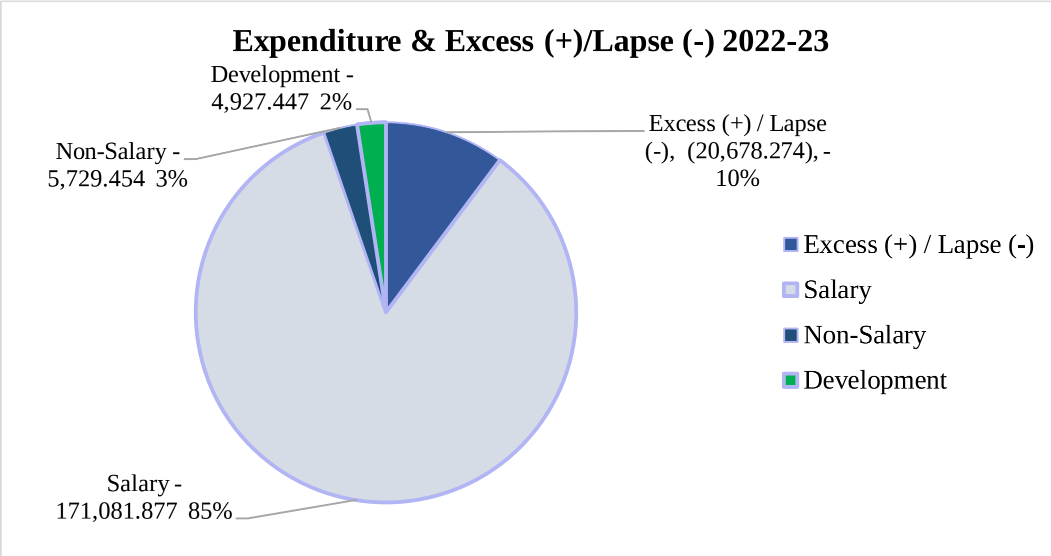
Consolidated statement of budget, expenditure and receipts of 17 DEAs for Financial Year 2022-23 is given below:

(Rupees in million)

Description	Budget	Expenditure	Excess (+) / Lapse (-)	Variance
Salary	185,986.344	171,081.877	(14,904.467)	8.01%
Non-Salary	8,265.794	5,729.454	(2,536.340)	30.68%
Development	8,164.914	4,927.447	(3,237.467)	39.65%
Total	**202,417.052**	**181,738.778**	**(20,678.274)**	**10.22%**
Description	**Target**	**Actual**	**Surplus (+) / Shortfall (-)**	**Variance**
Receipts	455.426	869.448	414.022	90.91%

DEA wise detail of budget, expenditure and receipts of 17 DEAs for Financial Year 2022-23 is attached as **Annexure-D**.

(Rupees in million)



Against budget of Rs 202,417.052 million for Financial Year 2022-23, DEAs could utilize only Rs 181,738.778 million, resultantly 8% of salary component, 31% of non-salary component and 40% of development funds remained unspent, reflecting poor financial management. The management exaggerated the allocation under the different components of budget to make the whole exercise unrealistic and prone to overspending. The unspent percentage of the allocation clearly shows poor planning and budgeting. An overall lapse of Rs 20,678.274 million was more than 10% of total budget allocation.

Poor financial management resulted in depriving the local population of the benefits likely to have accrued to them because of development planned but not properly undertaken by the management.

(Rupees in million)

	Budget	Expenditure	Excess (+) / Lapse (-)
2022-23	202,417.052	181,738.778	(20,678.274)

The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

(Rupees in million)

	Budget	Expenditure	Excess (+) / Lapse (-)
2021-22	205,316.472	156,494.554	(48,821.918)
2022-23	202,417.052	181,738.778	(20,678.274)

The comparative analysis of the budget and expenditure for the Financial Years 2021-22 and 2022-23 depicts poor planning and budgeting. During the Financial Year 2022-23 the budget allocation decreased viz-a-viz FY 2021-22 whereas the expenditure increased by 16% despite significant saving ranging from 8% to 40% in all three components of budget with overall saving of more than 10%. Comparatively during the Financial Year 2021-22 there was huge saving ranging from 23% to 32% in all three components of budget culminating at 24% of overall budget during the concerned year. **Annexure-D**

The comparative data for the Financial Years 2021-22 and 2022-23 reflects the systemic issue of poor planning, budgeting, and implementation. The tendency reflects poor financial management, withholding the higher portfolio with the education sector, depriving the other sectors from the re-allocation of resources, and defeating the likely benefits to be achieved through proper utilization of funds.

C Sectoral Analysis on the Achievements against Targets

i. Analysis of Financial Resources

DEAs got the budgets approved from the administrators concerned with unrealistic allocations under all three components of budget namely salary, non-salary and development. Lapse of funds amounting to Rs 20,678.274 million (as reflected above) equivalent to 8%, 31% and 40% of the budgeted amount against salary, non-salary and development components respectively reflects poor financial management, resulting in minimum service delivery and non-achievement of infrastructure targets during the financial year. Consequently, the management failed to provide basic facilities in schools such as furniture, well equipped IT labs, boundary walls and hygienic environment.

ii. **Service Delivery Issues**

The poor service delivery has always been key outcome of education authorities after the promulgation of the Punjab Local Government Act. The authorities have huge human resource consuming 94% of the budget and very little is left for the rehabilitation of available and introduction of new facilities. Resultantly, the management failed to ensure 100% availability of basic facilities / infrastructure in schools. The following table shows percentage of availability of basic facilities in schools of DEAs of 17 districts:

District	**Status of Availability of Basic Facilities (June, 2023)**					
	Teacher Presence (%)	**Boundary Wall (%)**	**Drinking Water (%)**	**Furniture (%)**	**Toilets (%)**	**School Hygiene (%)**
Bahawalnagar	92	93.88	100	92.94	80.94	75.93
Bahawalpur	91	95.16	100	91.94	96.24	76.18
Chiniot	89.30	98.94	100	88.30	92.55	66.81
Dera Ghazi Khan	90.20	98.61	98.61	88.89	65.97	75.90
Faisalabad	93.30	97.97	97.29	93.68	90.29	75.49
Jhang	89.10	97.18	98.87	84.18	78.53	70.96
Khanewal	91.90	100	100	81.38	82.07	81.52
Layyah	90.90	98.81	99.40	66.07	82.14	75.06
Lodhran	90.20	100	100	85.71	89.29	75.95
Multan	93	100	98.86	91.29	82.58	83.11
Muzaffargarh	92.10	98.72	98.72	80.13	88.46	73.85
Pakpattan	91.10	100	100	86.67	95.56	76.67
Rahim Yar Khan	90.90	100	100	85.87	88.59	80.38
Rajanpur	90	100	100	89.13	82.61	86.30
Sahiwal	90.70	94.54	98.91	80.33	85.25	80.11
Toba Tek Singh	93	87.94	100	92.96	90.95	71.16

District	Status of Availability of Basic Facilities (June, 2023)					
	Teacher Presence (%)	**Boundary Wall (%)**	**Drinking Water (%)**	**Furniture (%)**	**Toilets (%)**	**School Hygiene (%)**
Vehari	91.40	99.10	99.55	95.02	91.40	81

*Source: https://open.punjab.gov.pk/schools/home/districts_performance

Service delivery issues such as non-completion of development schemes and non-establishment of IT labs despite availability of funds were observed. However, various development schemes for construction / reconstruction of school buildings, provision of missing facilities etc. were also not completed.

iii. Serious Financial Irregularities and Findings

Following serious irregularities were found during field audit execution:

i. Procurements were made by DDOs / school councils in violation of procurement rules.
ii. Civil works were executed by DDOs / school councils without following the Government approved design and technically sanctioned estimates.
iii. Encroachment of Government land and theft of assets including solar panels from schools due to connivance and non-availability of security staff.
iv. Absence of Authorities' receipts recovery mechanism and policy.

iv. Expectation Analysis and Remedial Measures

The poor service delivery, occurrence of irregularities, incidents of theft, improper utilization of NSB funds, violation of procurement rules and encroachment of land clearly reflects the failure of the management to meet the expectations of the administration in general and public in particular.

Following remedial measures need to be taken to achieve the expected service delivery standards:

i. Proper planning and budgeting should be done viz-a-viz expected resources.
ii. Action against the school councils for improper utilization of NSB allocated and deviating from standard operating procedures.
iii. Proper allocation of resources for timely completion of works regarding rehabilitation, reconstruction and maintenance of educational institutions.
iv. Ensure provision of conducive learning environment to students.
v. Evolve internal control mechanism, its proper implementation and monitoring to safeguard the public resources.

1.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 5,136.566 million were raised as a result of this audit. This amount also includes recoverable of Rs 1,107.095 million as pointed out by Audit. Consolidated summary of audit observations on the accounts of 17 DEAs classified by nature is given in the following table.

Overview of Audit Observations

(Rupees in million)

Sr. No.	Classification	Amount
1	Non-production of record	-
2	Reported cases of fraud, embezzlement and misappropriation	-
3	**Procedural irregularities**	-
A	HR/Employees related irregularities	1,258.836
B	Procurement related irregularities	645.111
C	Management of Accounts with Commercial Banks	59.792
4	Values for money and service delivery issues	454.915
5	Others*	2,717.912
	Total	**5,136.566**

*It includes issues pertaining to overpayment of pay & allowances, encroachment of land, theft of assets, non-recovery of receipts etc.

DEA wise summary of audit observations classified by nature is attached as **Annexure-E**.

DEA / DDO wise list of audit observations included in this Report is attached as **Annexure-F**.

1.3 Comments on the Status of Compliance with PAC Directives

The Audit Reports pertaining to following years were submitted to Governor of the Punjab but have not been examined by the Public Accounts Committee.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	188	PAC meeting was not convened
2	2018-19	409	PAC meeting was not convened
3	2019-20	384	PAC meeting was not convened
4	2020-21	202	PAC meeting was not convened
5	2021-22	199	PAC meeting was not convened
6	2022-23	219	PAC meeting was not convened

DEA wise status of previous Audit Reports is attached as **Annexure-G**.

Note: Non-convening of PAC has seriously hampered the accountability process and has encouraged the departments to repeat the irregularities.

2.3.4.3 CHAPTER 2

2.3.4.4 2.1 Public Financial Management

Public Financial Management (PFM) is a central element of a functioning administration, underlying all government activities. It encompasses the mechanisms through which public resources are collected, allocated, spent and accounted for.

It is a proven fact that fiscal governance of any country is closely linked to an effective Public Financial Management (PFM) system, which focuses on principles of fiscal discipline, legitimacy, transparency and accountability of public finances. PFM is framed around achieving an overall discipline which specifically includes resource allocation and operational efficiency and effectiveness of public expenditure. The maintenance of "aggregate fiscal discipline" is foremost and primary objective of PFM which revolves around interaction of two streams; revenue and expenditure. Revenue generation and Public Expenditure Management complement each other in attaining the strategic macroeconomic objectives of the state.

Punjab Public Financial Management Act, 2022 provides a broad framework for regulating the public sector financial management from budget making, revenue generation, cash management, expenditure, accounting to scrutiny through public audit.

DEAs were established on 01.01.2017 under PLGA, 2013 in thirty-six (36) districts of the Punjab. The purpose was to provide better education services to the local community. DEA is body corporate having perpetual succession and common seal with power to acquire / hold property and enter into any contract and may sue and be sued in its name.

The Chief Executive Officer / Principal Accounting Officer shall be responsible:

- To adhere to and enforce the principles of financial propriety, including the compliance of laws, rules, regulations, maintaining high standard of prudence, vigilance, due diligence and ensuring value for money while incurring expenditure and collecting government receipts;
- To prepare budgetary proposals within the indicative budget ceilings agreed by the Finance Department. All expenditure proposals shall be based on well-defined plans. Budget allocation to various heads of expenditures, to the offices under his control may be made as per government plans and priorities and in such a way that during the currency of year, requirements for additional budget or re-appropriation are minimized if not eliminated altogether;
- To ensure the availability of budgetary allocations in various heads of accounts especially under the employee related expenditure in order to ensure timely payment of employee emoluments;

- To prepare development budget proposals and include the realization of economic forecasts and projections as well as achievement of goals and targets committed with reference to development budget;
- To sanction expenditure as per the delegated financial powers. Such sanctioning of expenditure shall not exceed the allocated budget. Prior to approving of expenditure sanction, principal accounting officer shall ensure that the required budget is available in the relevant head of account. Sanctioning of expenditure shall be based on the purpose for which the funds are allocated;
- To ensure revenue collection particularly non-tax revenue pertaining to concerned Authority to be realized on timely basis;
- To monitor the budget execution progress, and undertake reconciliation with accounting offices on monthly basis, related to revenues and expenditure of the Authority through Budget and Accounts Officer and furnish reconciled statement of revenue and expenditure, separately to Finance Department on quarterly basis, through Budget and Accounts Officer;
- To ensure that departmental accounts of a District Authority are maintained correctly and efficiently; and
- Any sums due to a District Authority are promptly realized and credited to the Local Fund / Public Account.

Resource Mobilization

DEAs of South Punjab, like previous year, relied on the share / grants received through Provincial Finance Commission (PFC) during the FY 2022-23 to meet their administrative and operating expenses. Out of total receipts of DEAs, PFC share consisted of 99.31% in FY 2022-23 as compared to 99.24% in FY 2021-22.

(Rupees in million)

Description	2022-23		2021-22	
	Amount	**%**	**Amount**	**%**
Tax Revenue	10.049	0.01	1.235	0
Non-Tax Revenue				
• Share of PFC / Grants	180,072.440	99.31	156,305.526	99.24
• Other receipts	1,236.337	0.680	1,200.477	0.76

Total	**181,318.826**	**-**	**157,507.238**	**-**

DEA wise detail of Tax and Non-Tax Revenue of 17 DEAs for Financial Years 2022-23 and 2021-22 is attached as **Annexure-1**.

An overall view of budget and expenditure of 17 DEAs for the FY 2022-23 is given in the table below, whereas, Authority wise detail of budget and expenditure is placed at **Annexure-D**.

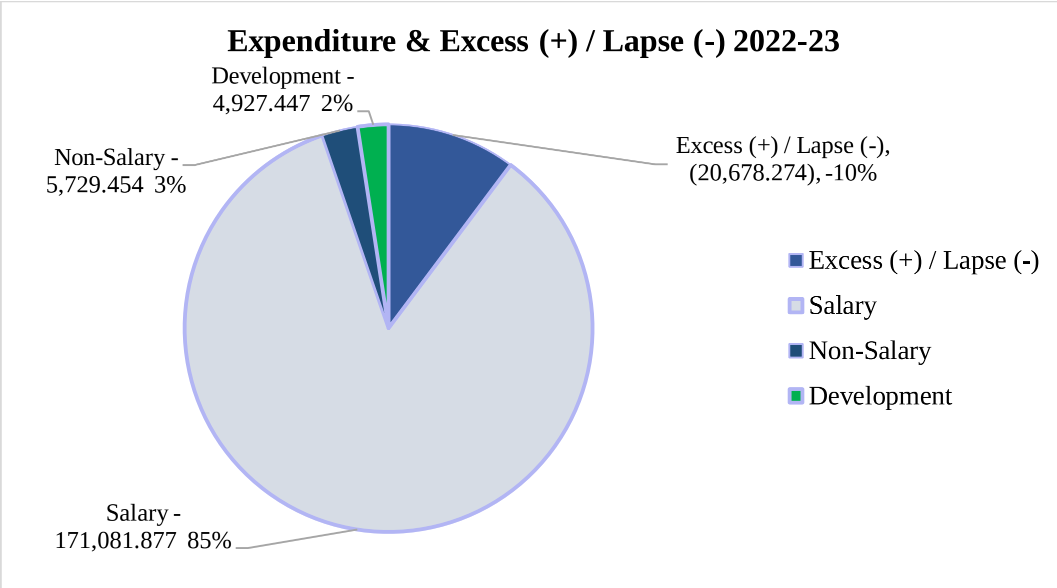
(Rupees in million)

Description	**Budget**	**Expenditure**	**Excess (+) / Lapse (-)**	**Variance**
Salary	185,986.344	171,081.877	(14,904.467)	8.01%
Non-Salary	8,265.794	5,729.454	(2,536.340)	30.68%
Development	8,164.914	4,927.447	(3,237.467)	39.65%
Total	**202,417.052**	**181,738.778**	**(20,678.274)**	**10.22%**

Audit also noted that material payments were made from Account-V of DEAs without valid authorization during FY 2022-23. Administrators of Authorities were appointed vide notification No. SOR(LG)38-5/2014 dated 01.01.2017 under Section 30(3) of the PLGA, 2013. However, the period of appointment under above notification lapsed on 31.12.2018. Moreover, there is no provision for extension and continuity of the Administrators in PLGA, 2022 after the expiry of notified period.

DEA wise detail of budget, expenditure and receipts of 17 DEAs for Financial Year 2022-23 is attached as **Annexure-D**.

(Rupees in million)



Moreover, budget of Rs 202,417.052 million for Financial Year 2022-23, DEAs could utilize only Rs 181,738.778 million, resultantly 8% of salary component, 31% of non-salary component and 40% of development funds remained unspent, reflecting poor financial management. The unspent percentage of the allocation clearly shows poor planning and budgeting. An overall lapse of Rs 20,678.274 million was more than 10% of total budget allocation.

Revenue Receipts Authorities did not find themselves in a position to estimate receipts for their operations as they relied on Provincial Government funds. Unpredictability of their shares from PFC and other grants in aid / tied grants coupled with capacity issues of their budget and finance wings forced DEAs to prepare, unjustified and unrealistic estimates of receipts.

Revenue expenditure constituted 97% of the total expenditure incurred by the Authorities during the FY 2022-23. Salary expenditure, comprising pay & allowances, pension contribution, financial assistance and leave encashment, was almost 97% of total revenue expenditure, whereas, non-salary was 3% during FY 2022-23.

Capital Receipts comprise receipts such as proceeds from recoveries of loans and advances, debt receipts from internal sources, and loans and advances from government as well as accruals from Public Account.

Appropriation Accounts

(Rupees in million)

Description	Original Budget	Supplementary Grant	Amount Surrendered	Final Budget	Actual Expenditure	Excess (+)/ Lapse (-)
Salary	201,864.988	12,716.130	(28,594.774)	185,986.344	171,081.877	(14,904.467)
Non-Salary	11,136.870	638.191	(3,509.267)	8,265.794	5,729.454	(2,536.340)
Development	6,752.318	2,029.885	(617.289)	8,164.914	4,927.447	(3,237.467)
Total	**219,754.176**	**15,384.206**	**(32,721.330)**	**202,417.052**	**181,738.778**	**(20,678.274)**

Original budget, supplementary grants, surrenders and re-appropriations distinctly and indicate actual revenue and capital expenditure on various specified services viz-a-viz those authorized by the Council / Administrator. Appropriation Accounts, thus, facilitate the management of finances and monitoring of budgetary provisions and are, therefore, complementary to the Finance Accounts.

Audit of appropriation accounts seeks to ascertain whether the expenditure actually incurred under the grant/head of account is within the authorization and also spent on the purposes authorized. It also ascertains whether the expenditure so incurred is in conformity with the laws, relevant rules, regulations and instructions. During financial attest audit of appropriation accounts and financial statements of DEAs for the FY 2022-23, audit emphasized on the following matters:

i. 17 DAOs of the Punjab (South) made payments of Rs 181,912.331 million to the DEAs against the budget authorized by the irrelevant authority in violation to the provisions of notification No. SOR(LG)38-5/2014 dated 01.01.2017 under section 30(3) of the PLG Act 2013. However, the period of appointment under above notification lapsed on 31-12-2018. Moreover, there is no provision for extension and continuity of the Administrators in PLGA, 2022 after the expiry of notified period.

ii. In violation to Para 5.2.2.2 of Accounting Policies and Procedures Manual, "Public Account receipts, other than revenue, must be banked in the name of the Government without delay and included in the Public Account of the respective Federal or Provincial Government." 15 DAOs of the Punjab (South) did not transfer receipts to concerned Governments and retained in its Public Account resulting in overstatement of closing balances

amounting to Rs 4,600.295 million. Authorities raised accruals against Public Account and certain heads of account of Consolidated Fund receipts invariably by retaining an amount of Rs 4,600.295 million on account of General Provident Fund, Group Insurance (GI), Benevolent Fund (BF), Income Tax and General Sales Tax (GST) during the FY 2022-23. This phenomenon overstated the cash closing balance of DEAs as given in the following table:

Closing Cash Balance and Public Account Liabilities

(Rupees in million)

Closing Cash Balance as per Financial Statements as on 30.06.2023	**Liabilities of Public Account**	**Actual Closing Cash Balance**
5,806.258	4,600.295	1,205.963

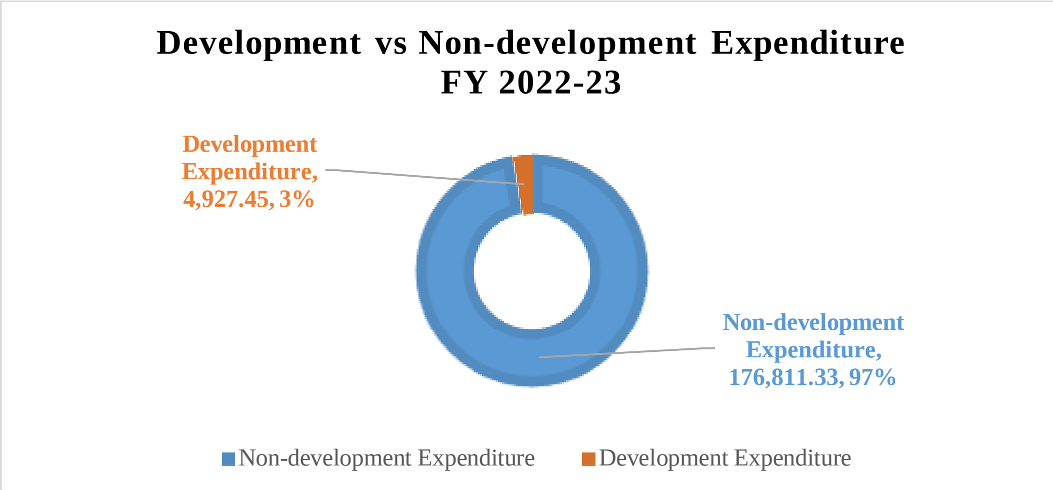
DEA wise detail of closing cash balance and Public Account liabilities of 17 DEAs for Financial Years 2022-23 is attached as **Annexure-2**.

Medium Term Development Framework

The table given below analyses the fiscal priority and fiscal capacity of the DEAs with regard to development expenditure during FY 2022-23 which clearly shows the inadequate and inefficient expenditure on key social services like primary and secondary education etc. Out of total expenditure of 17 DEAs, almost 3% was incurred on development activities. The detail is given below:

(Rupees in million)

Description	**Amount**	**%**
Non-development Expenditure	176,811.331	97
Development Expenditure	4,927.447	3
Total	**181,738.778**	**100**



The table below shows DEA wise budget allocation and expenditure under development component:

(Rupees in million)

DEAs	**FY 2021-22**		**FY 2022-23**		**Budget Variance Increase (+)/ Decrease (-)**	**Expenditure Variance Increase (+)/ Decrease (-)**
	Budget	**Expenditure**	**Budget**	**Expenditure**		
Bahawalnagar	681.378	509.046	898.064	357.802	216.686	-151.244
Bahawalpur	586.275	500.378	292.619	292.619	-293.656	-207.759
Chiniot	261.573	182.798	276.848	132.358	15.275	-50.44
DG Khan	1,080.53	604.974	999.684	443.836	-80.846	-161.138
Faisalabad	618.487	466.07	434.642	208.99	-183.845	-257.08
Jhang	689.107	530.641	379.367	276.751	-309.74	-253.89

DEAs	FY 2021-22		FY 2022-23		Budget Variance Increase (+)/ Decrease (-)	Expenditure Variance Increase (+)/ Decrease (-)
	Budget	Expenditure	Budget	Expenditure		
Khanewal	325.675	323.531	223.01	212.246	-102.665	-111.285
Layyah	551.97	484.014	320.471	272.832	-231.499	-211.182
Lodhran	187.516	181.137	202.501	157.33	14.985	-23.807
Multan	688.39	428.032	698.197	554.21	9.807	126.178

Toba Tek Singh	628.61	296.848	822.735	166.807	194.125	-130.041
Vehari	633.642	237.638	525.987	332.201	-107.655	94.563
Total of 17 DEAs	**9,768.24**	**6,613.03**	**8,164.914**	**4,927.447**	-1,603.323	-1,685.582

Source: Appropriation Accounts of above 17 DEAs for FYs 2021-22 and 2022-23.

Above table shows DEA wise comparison of budget and expenditure of development component for the FYs 2021-22 and 2022-23. The analysis showed overall decrease in budget and expenditure during FY 2022-23 in comparison to FY 2021-22. The major abnormality was observed in DEA Bahawalpur where budget and expenditure both decreased by Rs 293.656 million & Rs 207.759 million respectively. Furthermore, comparison also showed inverse relation in budget allocation and expenditure incurred by DEAs Bahawalnagar, Chiniot, Lodhran and Toba Tek Singh where budget increased but expenditure decreased viz-a-viz last year's allocation.

The data presented in the above table indicates serious inadequacies in the initial planning and resource allocation. The discrepancies underscore the necessity for an in-depth analysis of the planning process within DEAs. Identifying and understanding inconsistencies in the planning phase is crucial for enhancing the effectiveness of future development initiatives.

Overall evaluation of financial data indicated that DEAs had less focus on development activities and available resources were not adequately utilized to improve infrastructure and service delivery. Only 3% of total funds were allocated for development of infrastructure whereas major part i.e. 97% of available financial resources were utilized on salary and non-salary components.

2.3.4.5 Compliance with Authority Audit

2.3.4.6 2.2 District Education Authority, Bahawalnagar

There are 271 formations in DEA Bahawalnagar out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.2.1 Unauthentic expenditure on Madaris – Rs 37.678 million

According to Sections 6 & 17 of the Punjab Seized and Freezed Institutions (Madaris and Schools) Act 2019, "The Board shall have the powers to recruit and determine terms and conditions of employees of the institutions, formulate the budget of the institutions, lay down the procedure for the conduct of its business. The Board may frame regulations for delegation of administrative and financial powers to the Directorate, a Committee or an employee of the Board, manner in which the Board Fund shall be disbursed, procurement of goods and services and any other matter within the scope of the Act." Moreover, according to Rule 15.5 of the PFR Vol-I, "When materials are issued from stock the in-charge of the stores should seek indent from authorized person, issue stores and obtain a written acknowledgment from the recipient."

During audit of DEA Bahawalnagar for the FY 2022-23, it was observed that CEO incurred expenditure amounting to Rs 37.678 million pertaining to eight Madaris on account of salaries of staff, procurement of food items, electricity charges and operating expenditure. However, the expenditure was subject to following observations:

i. Salaries amounting to Rs 15.811 million were paid without following prescribed parameters including qualification and attendance of staff etc.
ii. Expenditure amounting to Rs 16.170 million was incurred on procurement of food items during Financial Year 2022-23 without fresh tendering and procurements were made by extending tender rates for the Financial Year 2019-20 in violation of procurement rules.
iii. Expenditure amounting to Rs 5.697 million was incurred on procurement of stationery, machinery & equipment, furniture etc. and repair thereof without maintenance of stock register, consumption record and history sheets of repair work.

Due to weak internal controls, payments were made to Madaris without maintaining mandatory record which resulted in unauthentic expenditure.

The matter was reported to PAO in August, 2023. CEO replied that record was available in the office of concerned Administrator of Madaris which would be produced. Reply was not tenable as relevant record was not produced for verification.

DAC in its meeting held on 18.01.2024 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter besides deposit of taxes into the Government treasury. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 18]

2.2.2 Mis-procurement of stationery and other store items – Rs 8.022 million

According to Rule 9 of the Punjab Procurement Rules, 2014, "Procuring agency shall announce proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website."

During audit of DEA Bahawalnagar for the FY 2022-23, it was observed that CEO and DEO (SE) incurred expenditure amounting to Rs 8.022 million for repeated purchase of similar stationery and other store items without calling quotations / adopting tendering process for the Financial Years 2018-19 to 2022-23. Annual requirement of procurement opportunities was neither determined nor planned procurements were advertised on PPRA's website. The procurements were made through splitting. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Financial Year(s)	Amount
1	CEO, DEA Bahawalnagar	Stationery, printing items, cost of other store, plant & machinery, etc.	2022-23	7.522
2	DEO (SE), Bahawalnagar	Stationery and other store items	2018-19 to 2022-23	0.500
Total				**8.022**

Due to weak internal controls, purchases were made without quotations and adopting tendering process which resulted in mis-procurement.

The matter was reported to PAO in August, 2023. DDOs replied that all items were purchased through petty purchases after observing the procurement rules. Further, budget was received from the Finance Department on quarterly basis due to which it was not possible to call tenders. Reply was not tenable as procurement planning was not carried out and purchases were made in violation of procurement rules.

DAC in its meeting held on 18.01.2024 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter within a month besides regularization of expenditure from competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.2.4, 1.4.4, 1.2.5.2.4, 1.2.3.4 and 1.2.1.1 respectively having financial impact of Rs 152.477 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 15, 3]

Others

2.2.3 Irregular transfer and utilization of development funds – Rs 491.651 million

According to Rules 35 and 41 of the Punjab District Authorities (Accounts) Rules 2017, "The DDO shall record the payments of District Authority in register for development expenditure and maintain cash book. No payment for works shall be made unless administrative approval has been obtained, technical sanction of detailed design and estimates has been accorded by a sanctioning authority. DDOs and Head of offices shall ensure that the claims submitted for payment are valid claims for works actually executed at site." Furthermore, according to Rules 38 and 39 of the District Authorities (Budget) Rules 2017, "The CEO shall visit not less than 20% of the projects being funded through ADP and the planning officer shall visit regularly major development projects. The PC-IV signed by the head of offices and institutions shall be mandatory for all the projects. The post completion evaluation of each development project shall be undertaken jointly by the planning officer and concerned head of office or institutions and a report shall be submitted to the CEO."

During audit of DEA Bahawalnagar for the FY 2022-23, it was observed that CEO transferred funds of Rs 491.651 million to Executive Engineer Buildings Division Bahawalnagar for execution of different schemes. However, following irregularities were observed regarding execution of schemes and utilization of funds:

1. Genuineness of claims could not be ascertained as payment record on prescribed forms, cash book for development expenditure, rough cost estimates, detailed design estimates technically sanctioned by the competent authority, evidences regarding mandatory inspection / visit by CEO and planning officer were not maintained.
2. A per unspent balance statement provided by the Executive Engineer Buildings Division Bahawalnagar, total funds of Rs 477.846 million were received by him out of which Rs 259.234 million was utilized and unspent balance of Rs 218.612 million was deposited back into Account-V on 26.06.2023. Whereas, as per FI data / record maintained by CEO (DEA) Bahawalnagar an amount of Rs 491.651 million was released / transferred. In this way unspent balance amounting to Rs 13.805 million was less deposited into Account-V.
3. As per progress report of deposit works, 45 schemes were completed during Financial Year 2022-23 but PC-IV and post completion evaluation reports were not available in CEO office.
4. Scrutiny of progress report of deposit works for the month of June, 2023 revealed that works were not carried out on desired pace and remained incomplete after due date of

completion as per work orders issued but proof regarding imposition of penalty was not available.

5. In some cases, excess amount was paid to the contractors than agreement amount which resulted in overpayment of Rs 5.978 million.

Due to weak internal controls, funds were transferred without maintaining proper record and reconciliation resulting in irregular transfer and utilization of funds.

The matter was reported to PAO in August, 2023. CEO replied that relevant record was already produced during audit. Reply was not tenable as relevant record was neither produced during audit nor at the time of DAC meeting.

DAC in its meeting held on 18.01.2024 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 06]

2.2.4 Irregular payment of salaries against erratic posting of teachers – Rs 155.968 million

According to Government of the Punjab, DPI (SE) letter No.1236/AdmnF-1 dated 01.02.2005 and Education Department (School Wing) letter No.SO(S-V)1-33/2003 dated 19.05.2006 "Ensure the postings / transfers of all the officers in commensurate with their regular grade / subject / cadre and the existing erratic / mismatch postings be rectified."

During audit of DEA Bahawalnagar for the FY 2022-23, it was observed that CEO made irregular payment of salaries amounting to Rs 155.968 million to one hundred and sixty teachers who remained posted against irrelevant posts as evident from School Information System (SIS) data.

Due to weak internal controls, teachers were not posted against their relevant posts which resulted in irregular payment.

The matter was reported to PAO in August, 2023. CEO replied that powers of transfer / posting of teachers were withdrawn from District level by Government of the Punjab, School Education Department vide Notification No.SO(SE-IV) 7-28/2018(Transfer) dated 08.10.2019. Reply was not tenable as erratic postings were not rectified.

DAC in its meeting held on 18.01.2024 directed the CEO to get the expenditure regularized from the competent authority within a month besides rectification of erratic posts. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2019-20 vide para number 1.2.5.2.5 having financial impact of Rs 7.214 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 10]

2.2.5 Overpayment of honorarium to staff of Insaf Afternoon Schools – Rs 26.842 million

According to Para 2(iv)&(v) of Annexure-1 of letter No.DDP/ PMIU/2019-17599 dated 29.03.2019, "Minimum enrolment for elementary schools was 100 students. If the total enrolment in all classes of an afternoon school remains less than the minimum enrolment mentioned above, the honorarium will be paid on proportionate basis i.e. it should be proportionate to the actual enrolment viz-a-viz the required minimum enrolment."

During audit of DEA Bahawalnagar for the FY 2022-23, it was observed that CEO did not monitor the expenditure incurred on honorarium paid to the teachers and staff working in Insaf Afternoon Schools. Scrutiny of claims for the period 01.08.2022 to 31.10.2022 revealed that honorarium was paid to the staff at full rate instead of proportionate basis without ensuring the condition of minimum enrollment of hundred students which resulted in overpayment of Rs 26.842 million. The detail is as under:

(Rupees in million)

DDOs	Period	Payment Made	Payment Due	Overpayment	%age of Overpayment
DEO (EE-W), Bahawalnagar	01.08.2022 to 31.10.2022	25.046	10.257	14.789	59%
DEO (EE-M), Bahawalnagar		22.746	10.693	12.053	53%
Total		**47.792**	**20.950**	**26.842**	**56%**

Due to poor financial management, payment was made without observing policy guidelines which resulted in overpayment.

The matter was reported to PAO in August, 2023. CEO replied that honorarium was paid to teachers employed in Insaaf Afternoon School Program in accordance with prescribed instructions. Reply was not tenable as honorarium was paid without observing enrollment of students.

DAC in its meeting held on 18.01.2024 directed to recover the overpaid amount from the concerned within a week. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 16]

2.2.6 Unauthorized retention of public money in DDO bank account – Rs 26.633 million

According to Rule 2.10(3) of PFR Vol-1, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Vol-1."

During audit of DEA Bahawalnagar for the FY 2022-23, it was observed that bank statement of DDO bank account of CEO depicted closing balance of Rs 26.633 million as on 30.06.2023. Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book.

Due to weak internal controls, funds were parked in DDO bank account without plausible justification which resulted in unauthorized retention of public money.

The matter was reported to PAO in August, 2023. CEO replied that available amount was not utilized due to non receiving of clear directions from Government of the Punjab Education Department as the funds pertained to construction works of twelve schools. Reply was not tenable as relevant record in support of reply was not produced and detail of closing balance was not provided.

DAC in its meeting held on 18.01.2024 directed the CEO to take up the matter with competent authority for utilization of funds besides fixing responsibility on the person(s) at fault. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2019-20 vide para number 1.2.5.4.8 having financial impact of Rs 5.125 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 19]

2.2.7 Loss due to non-recovery of proportionate share of pension – Rs 22.311 million

According to Chapter-IV Rule 4.7(1) of the Punjab Financial Rules Vol-I, “It is the primarily responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account.”

During audit of DEA Bahawalnagar for the FY 2022-23, it was observed that CEO failed to recover proportionate share of pension amounting to Rs 22.311 million from Municipal Committees Haroonabad, Bahawalnagar and Chishtian with respect to LG cadre employees of the erstwhile local governments who were retired from District Education Authority Bahawalnagar. The detail is given below:

(Rupees in million)

Sr. No.	Name of School	PPO Number	Designation	Municipal Committee	Proportionate Pension Share
1	Government MC Girls Primary School, Baldia Colony, Haroonabad	4960/CEO(DEA) BWN/M.C(B&A) dated 29.09.2022	PST	Haroonabad	2.792
2	Government Girls Community Model School, Rojhan Wali, Bahawalnagar	4534/CEO(DEA) BWN/M.C(B&A) dated 29.09.2022	PTC	Bahawalnagar	2.935
3	Government MC High School, Wukla Colony, Bahawalnagar	4596/CEO(DEA) BWN/M.C(B&A) dated 04.10.2022	EST	Bahawalnagar	3.427
4	Government MC High School, Haroonabad	6207/CEO(DEA) BWN/M.C(B&A) dated 29.12.2022	EST	Haroonabad	3.749
5	MC Primary School, Tehsil Masjid Chishtian	6207/CEO(DEA) BWN/M.C(B&A) dated 29.12.2022	PTC	Chishtian	3.170
6	Government Elementary School, M.C Tehsil Chishtian	1667/CEO(DEA) BWN/M.C(B&A	PST	Chishtian	2.183

Sr. No.	Name of School	PPO Number	Designation	Municipal Committee	Proportionate Pension Share
		) dated 26.04.2023			
7	Government Model Elementary School, Noor Pur Tehsil Chishtian	3445/CEO(DEA) BWN/M.C(B&A) dated 24.07.2023	Headmaster	Chishtian	4.055
Total					**22.311**

Due to weak administrative and financial controls, proportionate share of pension was not recovered from concerned local governments which resulted in loss as well as extra burden on DEA.

The matter was reported to PAO in August, 2023. CEO replied that matter was taken up with local governments concerned as well as request was made to the Deputy Commissioner, Bahawalnagar for transfer of proportionate share. Reply was not tenable as proportionate share was not recovered despite lapse of considerable time.

DAC in its meeting held on 18.01.2024 directed the CEO to recover proportionate share from the local governments concerned within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 13]

2.2.8 Loss due to payment of inadmissible allowances to employees – Rs 14.881 million

According to Government of the Punjab, Finance Department letter No.FD.PR-9-4/86(P)(PT.II) (PR) dated 21.08.2015, "Conveyance Allowance is compensation to those employees who spend daily expenditure either to reach offices or back to home." Further, according to Rule 2.31 of the PFR, Volume-I, "A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation."

During audit of DEA Bahawalnagar for the FY 2022-23, it was observed that two DDOs made payment of inadmissible pay and allowances amounting to Rs 14.881 million to 2,738 employees for the Financial Years 2021-22 and 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Nature of Allowance	No. of Employees	Amount
1	Deputy DEO (EE-W), Chishtian	CA, SSB, Adhoc Relief Allowance and Science Teaching Allowance	1,635	10.348
2	Deputy DEO (EE-W), Haroonabad	Integrated Allowance, CA during winter vacation & leaves, pay & allowances during EOL and after retirement	1,103	4.533
Total			**2,738**	**14.881**

Due to weak internal controls, inadmissible allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. DDOs replied that DAO, Bahawalnagar was requested to effect recovery. Reply was not tenable as recovery of overpayment was not made from the concerned.

DAC in its meeting held on 18.01.2024 directed the DDOs to expedite the recovery. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.2.10, 1.2.4.5, 1.5.2, 1.2.5.4.7, 1.2.4.2 and 1.2.2.1 respectively having financial impact of Rs 304.353 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 5, 11]

2.2.9 Loss due to theft of solar panels and allied accessories – Rs 12.319 million

According to Rule 2.33 of PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DEA Bahawalnagar for the FY 2022-23, it was observed that head teachers of 92 schools working under administrative control of CEO failed to ensure safe custody of solar panels and allied accessories installed in various elementary and primary schools. Resultantly, solar panels and its allied accessories costing Rs 12.319 million were stolen.

Due to weak internal controls, solar panels and its allied accessories were stolen which resulted in loss.

The matter was reported to PAO in August, 2023. CEO replied that incidents of theft of solar panels in different schools occurred due to non-availability of school guards. However, FIRs had been lodged with the Police Department. Reply was not tenable as proper follow-up was not carried out for recovery of loss from the concerned.

DAC in its meeting held on 18.01.2024 directed the CEO to ensure recovery of stolen items besides fixing responsibility against the person(s) at fault. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 5]

2.3.4.7 2.3 District Education Authority, Bahawalpur

There are 254 formations in DEA Bahawalpur out of which 10 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.3.1 Irregular payment of Inspection Allowance – Rs 9.859 million

According to Government of the Punjab, School Education Department letter No.SO(Budget)1-15/2013(V-II) dated 15.01.2018 read with clarification issued by Government of the Punjab, Finance Department vide letter No. IT(FD) 6-23/91(Vol-III) dated 09.08.2019, "Payment of Inspection Allowance @ Rs 25,000 per month was granted to Assistant Education Officers (AEO) subject to verifiable Key Performance Indicators (KPIs) developed by School Education Department in consultation with DFID and their verification by the CEOs of respective DEAs."

During audit of DEA Bahawalpur for the FY 2022-23, it was observed that Deputy DEO (EE-M), Bahawalpur Sadar made payment of Inspection Allowance amounting to Rs 9.859 million for the Financial Years 2020-21 to 2022-23 to ten AEOs without ensuring compliance of KPIs.

Due to weak internal controls, Inspection Allowance was paid to the AEOs without ensuring compliance of KPIs which resulted in irregular payment.

The matter was reported to PAO in August, 2023. DDO replied that Inspection Allowance was paid to AEOs after verification of KPIs. Reply was not tenable as relevant record was not produced and payment of the allowance was made without ensuring achievement of KPIs.

DAC in its meeting held on 17.01.2024 directed the DDO to get the expenditure regularized from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.3.4, 2.2.4.6, 2.4.1, 2.2.5.2.5 and 2.2.4.4 respectively having financial impact of Rs 92.068 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 7]

Others

2.3.2 Unauthentic expenditure on Madaris – Rs 149.070 million

According to Sections 6 & 17 of the Punjab Seized and Freezed Institutions (Madaris and Schools) Act 2019, "The Board shall have the powers to recruit and determine terms and conditions of employees of the institutions, formulate the budget of the institutions, lay down the procedure for the conduct of its business. The Board may frame regulations for delegation of administrative and financial powers to the Directorate, a Committee or an employee of the Board, manner in which the Board Fund shall be disbursed, procurement of goods and services and any other matter within the scope of the Act."

During audit of DEA Bahawalpur for the FY 2022-23, it was observed that CEO made payment of Rs 149.070 million to four Madaris on account of salary and non-salary expenditure. While making payment the department did not ensure that salaries were fixed by keeping in view the prescribed parameters. Furthermore, bank accounts and various essential documents were also not verified before payment of salaries to staff. The detail is as under:

(Rupees in million)

Sr. No.	Name of Madaris	Salary Expenditure	Non-salary Expenditure	Total Expenditure
1	Jamia-tul-Sabir Masjid Subhan Allah	17.510	51.896	69.406
2	Jamia-tul-Sabir Masjid Usman-o-Ali	11.982	19.029	31.011
3	Jamia Muhammadia Shikarpuri Gate	14.869	33.367	48.236
4	Jamia Masjid-e-Aqsa One Unit Chowk Bahawalpur	-	0.417	0.417
Total		**44.361**	**104.709**	**149.070**

Due to weak managerial controls, salaries of the management of Madaris were fixed without parameters which resulted in unauthentic expenditure.

The matter was reported to PAO in August, 2023. CEO replied that payments were made to Madaris through Special Drawing Accounts / Asaan Assignment Account which was jointly operated by CEO and Deputy Commissioner. Reply was not tenable as salaries were paid without observing provisions of the Act *ibid*.

DAC in its meeting held on 17.01.2024 directed the CEO to get the expenditure regularized from the competent authority besides refixation of salaries according to provisions of the Act *ibid*. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 18]

2.3.3 Irregular payment of salaries against erratic posting of teachers – Rs 111.256 million

According to Government of the Punjab, DPI (SE) letter No.1236/AdmnF-1 dated 01.02.2005 and Education Department (School Wing) letter No.SO(S-V)1-33/2003 dated 19.05.2006 "Ensure the postings / transfers of all the officers in commensurate with their regular grade / subject / cadre and the existing erratic / mismatch postings be rectified."

During audit of DEA Bahawalpur for the FY 2022-23, it was observed that CEO authorized irregular payment of salaries amounting to Rs 111.256 million to one hundred and twenty teachers who remained posted against irrelevant posts as evident from School Information System (SIS) data.

Due to weak internal controls, teachers were not posted against their relevant posts which resulted in irregular payment.

The matter was reported to PAO in August, 2023. CEO replied that the data regarding erratic postings was taken from SIS. The erratic postings in said system were shown due to systematic error. However, efforts in this regard were being made to rectify the issue. Reply was not tenable as erratic postings were not rectified.

DAC in its meeting held on 18.01.2024 directed the CEO to get the expenditure regularized from the competent authority besides rectification of erratic posts. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.3.5 and 2.2.4.3 respectively having financial impact of Rs 25.193 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 2]

2.3.4 Loss due to theft of solar panels and allied accessories – Rs 21.800 million

According to Rule 2.33 of PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DEA Bahawalpur for the FY 2022-23, it was observed that head teachers of 218 schools working under administrative control of CEO failed to ensure safe custody of solar panels and allied accessories installed in various elementary and primary schools. Resultantly, solar panels and its allied accessories costing Rs 21.800 million were stolen.

Due to weak internal controls, solar panels and its allied accessories were stolen which resulted in loss.

The matter was reported to PAO in August, 2023. CEO replied that necessary directions were issued to all DDOs for making esteemed efforts for protection of solar panels. Reply was not tenable as neither stolen items were got recovered from the concerned nor proper follow-up was carried out.

DAC in its meeting held on 18.01.2024 directed the CEO to ensure recovery of stolen items besides fixing responsibility against the person(s) at fault. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.3.8 and 2.2.4.8 respectively having financial impact of Rs 9.680 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 20]

2.3.5 Loss due to non recovery of proportionate share of pension – Rs 13.008 million

According to Chapter-IV Rule 4.7(1) of the Punjab Financial Rules Vol-I, "It is the primarily responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account."

During audit of DEA Bahawalpur for the FY 2022-23, it was observed that CEO failed to recover proportionate share of pension amounting Rs 13.008 million from concerned local governments i.e. Municipal Corporation Bahawalpur and Municipal Committee Ahmadpur East with respect to those employees of erstwhile local governments who were retired from District Education Authority Bahawalpur. The detail is given in the following table:

(Rupees in million)

Sr. No.	Pensioners with Designation	Date of Retirement	PPO No. & Date	Name of Local Government	Proportionate Share
1	Abid Mustafa Khawkwani HM	28.02.2022	BWP/DEA/MC/PEN/ 41 dated 22.09.2022	MC Ahmadpur East	4.303
2	Muhammad Amin HM	15.08.2022	BWP/DEA/MC/PEN/ 44 dated 26.05.2023	MC Bahawalpur	3.568
3	Sana-Ullah SST	31.08.2022	BWP/DEA/MC/PEN/ 42 dated 06.09.2023	MC Bahawalpur	3.707
4	Samina Qadir PST	29.05.2023	BWP/DEA/MC/PEN/ 46 dated 11.07.2023	MC Bahawalpur	1.430
Total					**13.008**

Due to weak administrative and financial controls, proportionate share of pension was not recovered from concerned local governments which resulted in loss as well as extra burden on DEA.

The matter was reported to PAO in August, 2023. CEO replied that DEA, Municipal Corporation and Zila Council were established under the PLGA, 2013. As per Government of the Punjab letter No.FD(DG)Instruction-Act-13/2016 dated 25.05.2017, pension contribution of the employees of the MC / Zilla Council would be 40% of their basic pay. Reply was not tenable being irrelevant.

DAC in its meeting held on 18.01.2024 directed the CEO to recover proportionate share from the concerned local governments within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives besides fixing responsibility on the person(s) at fault.

[AIR Para: 23]

2.3.6 Loss due to payment of inadmissible allowances to employees – Rs 4.885 million

According to Government of the Punjab, Finance Department letter No.FD.PR-9-4/86(P)(PT.II) (PR) dated 21.08.2015, "Conveyance Allowance is compensation to those employees who spend daily expenditure either to reach offices or back to home." Further, according to Rule 2.31 of the PFR, Volume-I, "A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation." Moreover, according to Clause 9 of the Punjab Regularization of Service Act 2018, "Contract employee, on regularization, shall be allowed the initial stage of pay and the increments earned shall be converted into Personal Allowance."

During audit of DEA Bahawalpur for the FY 2022-23, it was observed that three DDOs made payment of inadmissible pay and allowances amounting to Rs 4.885 million to 162 employees for the Financial Years 2014-15 to 2022-23 on account of Qualification Allowance, Conveyance Allowance during vacations/ leave, Personal Allowance due to wrong fixation of pay etc. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Nature of Allowance	No. of Employees	Amount
1	Principal, GGHSS Comprehensive Bahawalpur	Conveyance Allowance during vacation and leave	49	2.545
2	Principal, Government Abbasia Higher Secondary School Bahawalpur	Qualification Allowance, Special Allowance, Conveyance Allowance, Personal Allowance, Charge & Unattractive Area Allowances etc.	93	1.505
3	Principal, Government SD High School Bahawalpur	Special Allowance	20	0.835
Total			**162**	**4.885**

Due to weak internal controls, inadmissible allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. DDOs replied that recovery was in progress. Audit stressed to expedite the recovery.

DAC in its meeting held on 17.01.2024 directed the DDOs to expedite the recovery. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.3.10, 2.2.4.5, 2.4.2, 2.2.5.3.3 and 2.2.4.1 respectively having financial impact of Rs 63.991 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 6, 1, 6]

2.3.7 Unauthorized payment of GST on exempted items – Rs 1.961 million

According to FBR, Inland Revenue letter No.C.No.9(11)ST- LPE/Misc/2017/44 768-R dated 18.02.2021, "General Sales Tax was not admissible on sand, soil, crush, Pana flexes, banners, medicine, photocopies, caregiver salary, teacher salary and utility bills."

During audit of DEA Bahawalpur for the FY 2022-23, it was observed that three DDOs purchased different exempted items including cement, sand, paint, bricks, store items etc. for the Financial Years 2021-22 to 2022-23 and paid GST amounting to Rs 1.961 million to vendors on the said exempted items. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Financial Years	GST Paid
1	Deputy DEO (EE-W), Hasilpur	2021-22 to 2022-23	1.072
2	Deputy DEO (EE-M), Bahawalpur Sadar	2020-21 to 2022-23	0.652
3	Deputy DEO (EE-W), Yazman	2021-22 to 2022-23	0.237
Total			**1.961**

Due to weak internal controls, sales tax was paid for the purchase of exempted items which resulted in unauthorized payment.

The matter was reported to PAO in August, 2023. DDOs replied that letters were written to the concerned suppliers for recovery.

DAC in its meeting held on 17.01.2024 directed the DDOs to effect recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Paras: 18, 12, 12]

2.3.4.8 2.4 District Education Authority, Chiniot

There are 100 formations in DEA Chiniot out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.4.1 Non-deposit of pension contribution and payment of pension without creation of Pension Fund – Rs 27.592 million

According to Rule 6 of the Punjab District Authorities (Budget) Rules, 2017, "The Budget and Accounts Officer shall be responsible to maintain Pension Fund for the Government employees of Education or Health sectors adjusted in the District Authority." Further, according to Para 5 of Government of the Punjab, Finance Department Letter No.FD(DG)1-Insructions-Act-13/2016 dated 25.05.2017, "The concerned District Authority shall deposit monthly pension contribution @ 40% of the pay of serving employees w.e.f. 01.01.2017 to District Education Authority Pension Fund or District Health Authority Pension Fund, as the case may be, in prescribed manner."

During audit of DEA Chiniot for the FY 2022-23, it was observed that CEO withdrew funds amounting to Rs 27.592 million from Account-V under GL Account "A04110" (Pension Contribution) for onward transfer to pension payment bank account but the bank statement showed deposit of Rs 8.895 million only. However, status of disbursement of remaining amount of Rs 18.697 million was not forthcoming from the bank statement. Furthermore, total disbursement on account of pension payments to retired employees out of said account was Rs 10.706 million but same was paid to pensioners without creation of Pension Fund as required under law. **(Annexure-3)**

Due to weak internal controls, Pension Contribution was not deposited in relevant bank account and payment was made to pensioner without creation of Pension Fund which resulted in violation of laws / rules.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/ 1485 dated 04.12.2023, No. 1546 dated 18.12.2023 and No.1473 dated 30.11.2023.

Audit recommends fixing responsibility against the person(s) at fault besides creation of Pension Fund and deposit of requisite amount in pension payment bank account.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2021-22 vide para number 1.2.4.4 having financial impact of Rs 19.977 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 7]

2.4.2 Irregular expenditure on remuneration of IASP teachers and caregivers – Rs 12.267 million

According to Para 2(iv)&(v) of letter No.DDP/PMIU/2019-17599 dated 29.03.2019 read with letter dated 12.11.2021 regarding establishment of schools under Insaaf Afternoon Schools Program (IASP), "Minimum enrolment for elementary schools was 100 students. For selection of teachers, preference will be given to the teacher of the same school or nearby school. However, in case of non-availability, private teachers may be hired by the respective school councils under the notified policy of school teachers' interns (STIs) and honorarium will be paid to teachers via cross cheque out of the funds provided for the purpose." Moreover, according to Para 4.8.2 of School Council Policy 2007, "School Council was authorized to hire temporary teacher for the maximum period of four months and thereafter for extension in contract, application will be submitted to EDO (Education) who is authorized for extension up to maximum period of four months."

During audit of DEA Chiniot for the FY 2022-23, it was observed that CEO and head teachers of 10 primary / elementary schools working under the administrative control of Deputy DEO (EE-W), Lalian paid remuneration amounting to Rs 12.267 million to teachers of IASP and temporary teachers/ caregivers hired by school councils. However, following discrepancies were noticed in utilization of funds provided for the purpose:

i. Schools for holding afternoon classes under IASP were selected and teachers were hired without observing prescribed criteria. Moreover, claim vouchers were submitted to DAO without supporting record and amount was disbursed to teachers in cash instead of crossed cheque. Resultantly expenditure amounting to Rs 10.831 million was incurred in violation of Government instructions during Financial Year 2022-23.

ii. Furthermore, school councils paid remuneration amounting to Rs 1.436 million for the Financial Years 2020-21 to 2022-23 to temporary teachers / caregivers exceeding permissible tenure of four months without approval of CEO, DEA Chiniot.

Due to weak internal controls, employees were recruited and funds were drawn / utilized in violation of prescribed policy and without maintaining supporting record which resulted in irregular expenditure.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry besides fixing responsibility against the person(s) at fault.

[AIR Paras: 11, 5, 13]

2.4.3 Loss due to shortage of assets – Rs 4.080 million

According to Rule 2.33 of the PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss, arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence."

During audit of DEA Chiniot for the FY 2022-23, it was observed that DEO (SE), Chiniot made procurement of below mentioned assets for the Financial Years 2017-18 to 2022-23 but same were not recorded in fixed asset register on prescribed format and due to non-carrying out of periodic physical verification, shortage of assets costing Rs 4.080 million was noticed during course of audit. The detail is as under:

(Total in numbers)

Sr. No.	Description of Items	Quantity Purchased	Available Quantity	Shortage
1	Laptop computers	5	-	5
2	Desktop computers	11	2	9
3	Printers	7	1	6
4	Water dispensers	5	1	4
5	LCDs/LEDs TVs 22" to 42"	6	1	5
6	Steel Almirahs	12	4	8
7	Ceiling fans	15	2	13
8	Office tables	6	4	2
9	Office chairs	49	19	30
10	Computer table	3	1	2
11	Revolving chairs	6	2	4
12	Executive tables	3	1	2

Due to weak internal controls, assets were not safeguarded properly which resulted in loss.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of the cost of missing items.

[AIR Para: 06]

Others

2.4.4 Non-vacation of encroached school land – Rs 497.250 million

According to Rule 4 of the Punjab Local Government (Property) Rules, 2018, “The manager shall take as much care of the property entrusted to him as a man of ordinary prudence would, under similar circumstances, take of his own property of like nature. The manager shall be vigilant about and to check encroachments or wrongful occupations on property and in case there is any encroachment or wrongful occupation take necessary steps for the removal thereof.”

During audit of DEA Chiniot for the FY 2022-23, it was observed that CEO failed to get vacated school land (named as Kamal Ground) of Government Al-Islah High School Chiniot from illegal occupants measuring 38 kanal & 05 marlas valuing Rs 497.250 million (value of land measuring 765 marlas @ Rs 0.650 million per marla).

Due to weak internal controls, action was not taken against illegal occupants which resulted in non-vacation of encroached land.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends to make concrete efforts for vacation of land from illegal occupants besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2021-22 vide para number 1.2.4.6 having financial impact of Rs 8.375 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 13]

2.4.5 Loss due to payment of inadmissible pay and allowances to employees – Rs 52.735 million

According to Sections 3(2) and 9 of the Punjab Regularization of Service Act 2018, “The contract employees who has continuously been serving as such for a period not less than three years on commencement of the Act shall be eligible to be considered for appointment on regular basis if he does not opt to continue as contract employee. A contract employee, on regularization, shall be allowed the initial stage of the respective pay scale and the increments earned by his during the contract appointment shall be converted into personal allowance but no other privilege allowed to a contract employee shall be admissible.” Furthermore, according to Government of the Punjab, Finance Department letter No.FD.PR-9-4/86(P)(PT.II) (PR) dated 21.08.2015, “Conveyance

Allowance is compensation to those employees who spend daily expenditure either to reach offices or back to home.” Moreover, according to Rule 2.31 of the PFR, Volume-I, “A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation.”

During audit of DEA Chiniot for the FY 2022-23, it was observed that CEO and four other DDOs made payment of inadmissible pay and allowances amounting to Rs 52.735 million to 6,290 employees for the Financial Years 2017-18 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Detail of Inadmissible Payments	No. of Employees	Amount
1	CEO, DEA Chiniot	Conveyance Allowance during winter & summer vacation, non-fixation of pay after regularization of services and unauthorized time scale promotion, SSB to employees	4,599	34.772
2	Deputy DEO (EE-W), Bhowana	Conveyance Allowance despite availing facility of official vehicle	01	0.083
		Pay & allowances after transfer from post	04	0.407
		Pay & allowances after regularization of services	30	1.128
3	Deputy DEO (EE-W), Lalian	Annual increment before completion of six months qualifying service	05	0.060
		Non deduction of Social Security Benefit, Benevolent Fund & Group Insurance	03	0.418
		Pay & allowances during EOL	01	0.040
		Pay & allowances after resignation	01	0.176
		Conveyance Allowance during leave	14	0.061
4	DEO (SE), Chiniot	Charge Allowance, Qualification Allowance, Adhoc Allowance, 2010	1,628	15.009

Sr. No.	DDOs	Detail of Inadmissible Payments	No. of Employees	Amount
		after discontinuation, pay & allowances during absent period, Conveyance Allowance during winter / summer vacation etc.		
5	Principal, GGHSS Bhowana	Pay & allowances after regularization of services	01	0.319
		Inadmissible Charge Allowance	01	0.009
		Special Allowance to OSD (deceased)	01	0.127
		Pay & allowances to Chowkidar due to bogus appointment	01	0.126
Total			**6,290**	**52.735**

Due to weak internal controls, inadmissible pay and allowances were paid to employees resulting in loss.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery of overpayment from the employees concerned besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.4.10, 1.2.4.1, 8.3.1 & 8.3.13, 8.2.5.1.2 & 8.2.5.1.6, 8.2.2.7 & 8.2.2.12 and 3.2.1.5 & 3.2.1.8 respectively having financial impact of Rs 75.154 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 14, 2, 3, 5, 2, 3, 4]

2.4.6 Non-imposition of penalty and non-realization of revenue from unregistered schools – Rs 16.207 million

According to the Punjab Private Educational Institutions (Promotions and Regulation) Ordinance 2016, "The owner of every institution shall get it registered from registering authority before starting the business of the institution and in case of failure, penalty / fine to the extent of

Rs 0.300 million to Rs 4 million may be imposed." Further, according to Government of the Punjab, School Education Department letter No.SO(A-II)3-3/99(P) dated 22.01.2009, "The registration and annual inspection fee for each elementary / primary school will be Rs 5,000 and Rs 500 respectively." Furthermore, the registration and annual inspection fee for each high / higher secondary school was Rs 7,000 and 1,000 respectively."

During audit of DEA Chiniot for the FY 2022-23, it was observed that CEO did not impose penalty amounting to Rs 15.900 million against the owners of 53 private schools functioning without registration. Moreover, due to no punitive action against the unregistered schools, income amounting to Rs 0.307 million on account of registration and annual inspection fee was also not realized. **(Annexure-4)**

Due to weak internal controls, action was not taken against unregistered schools under the Law which resulted in non-imposition of penalty as well as realization of revenue.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends imposition of fine and recovery of fees besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.4.12 having financial impact of Rs 3.055 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 5]

2.4.7 Loss due to non-recovery of proportionate share of pension – Rs 13.749 million

According to Rule 6 of the Punjab District Authorities (Budget) Rules, 2017, "The Budget and Accounts Officer shall be responsible to maintain Pension Fund for the Government employees of Education or Health sectors adjusted in the District Authority." Furthermore, according to Para 4(c) of Government of the Punjab, Finance Department letter No.FD(DG)1-Instructions-Act-13/2016 dated 25.05.2017, "The Pension Fund maintained by the erstwhile District Government shall be apportioned proportionately amongst the District Education Authority, District Health Authority and respective District Council."

During audit of DEA Chiniot for the FY 2022-23, it was observed that CEO being PAO of DEA Chiniot did not recover Authorities' proportionate share of pension amounting to Rs 6.900 million out of the amount of Pension Fund invested by the erstwhile District Government, Chiniot in Term Deposit Receipt (TDR) alongwith profit (@ 9% per annum) amounting to Rs 6.849 million* till the end of Financial Year 2022-23. The detail is as under:

(Rupees in million)

TDR No. Deposited in BoP	**Date of Deposit of TDR**	**Amount Deposited**	**No. of Years**	**Interest Amount (@ 9% per annum)**	**Total Amount**
003612	25.05.2015	6.900	08	6.849 *	13.749

*Compound interest calculated by applying rate at which funds were initially invested. However, this amount may be much more in the wake of increased interest rates.

Due to weak internal controls, proportionate share of pension was not recovered from the quarters concerned which resulted in violation of the Government instructions and loss to the Authority.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of requisite pension share.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 1.2.4.5, 8.3.4, 8.2.5.2.2 and 8.2.2.9 respectively having financial impact of Rs 39.746 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 2]

2.4.8 Excess payment due to non-deduction of taxes – Rs 1.297 million

According to Serial No.1(b)(ii), 2(ii)(b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5% and 10% respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16% shall be applicable on services provided."

During audit of DEA Chiniot for the FY 2022-23, it was observed that Deputy DEO (EE-W), Bhowana and two other DDOs failed to deduct / withhold Income Tax, PST and General Sales Tax amounting to Rs 1.297 million on prescribed rates from the payments made to the service providers and vendors for supply of goods for the Financial Years 2020-21 to 2022-23. The details are given in the following table:

(Rupees in million)

Sr. No.	DDOs	Description	GST	Income Tax	PST	Total
1	Deputy DEO (EE-W), Bhowana	Non deduction of Income Tax & General Sales Tax	0.417	0.424	-	0.841
2	Deputy DEO (EE-W), Lalian	Non-deduction of Income Tax and Punjab Sales Tax on services	-	0.077	0.123	0.200
3	Principal, GGHSS Bhowana	Non-deduction of taxes	0.182	0.074	-	0.256
Total			**0.599**	**0.575**	**0.123**	**1.297**

Due to weak internal controls, payments were made to vendors / service providers without deduction of taxes at prescribed rates which resulted in excess payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery of taxes besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2021-22, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 1.2.4.3, 8.3.12, 8.2.5.1.8 & 8.2.5.3.10, 8.2.2.14 and 3.2.1.7 respectively having financial impact of Rs 11.527 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 6, 8, 10, 7]

2.3.4.9 2.5 District Education Authority, Dera Ghazi Khan

There are 184 formations in DEA Dera Ghazi Khan out of which 10 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.5.1 Excess expenditure beyond work order cost of development schemes – Rs 23.508 million

According to Government of the Punjab, Finance Department Notification No.SO(H-1)I-41/2017(P&SHCD)(AD)(Prov) dated 04.04.2019, "The authority shall make the payment of approved cost of the scheme to the concerned XEN. XEN shall execute the schemes and report progress to the authority. After execution of scheme, the XEN shall return the balance amount if any to the authority."

During audit of DEA Dera Ghazi Khan for the FY 2022-23, it was observed that CEO got executed development schemes through Executive Engineers Building Divisions Dera Ghazi Khan and Taunsa. Monthly progress report as on 30.06.2023 showed expenditure of Rs 492.055 million was incurred against 14 development schemes and completion progress was shown as 95%. Comparison of contractor's agreement / work order cost revealed that the said schemes were awarded for Rs 468.547 million. So, expenditure amounting to Rs 23.508 million was incurred by the XEN Buildings over and above the cost of the work orders from the released amounts of Rs 492.055 million.

Due to weak internal controls, payments were made without considering work order cost resulting in excess expenditure.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests made by Audit vide letter No.RDA/DGK/CD-982 dated 14.09.2023, No.1034 dated 22.09.2023 and No.1176 dated 13.10.2023.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of excess payment than agreed cost from contractors.

[AIR Para: 13]

2.5.2 Irregular transfer of funds to learning camp schools without monitoring – Rs 13.836 million

According to Serial-3 of PMIU, Punjab Education Sector Reform Programme vide letter No.OOSC/PESRP/Taleem/2022/27073 dated 17.05.2023 guidelines regarding opening of learning camp school "DEOs as focal person shall monitor the social contact policy, to ensure admission of out of school children in learning campus, personal attendance in social contact meetings, to motivate school councils for success, weekly meetings and forwarding of social contact pics to PMIU, Community Centre Pics and arrangement of record, supervision of door to door campaign for admission of students."

During audit of DEA Dera Ghazi Khan for the FY 2022-23, it was observed that CEO transferred fund to the extent of Rs 13.836 million to 545 learning camps schools, established for in-or-out of school students from class 1 to 3 during summer vacations in Dera Ghazi Khan District without following KPIs as mentioned above.

Due to weak financial controls, funds were transferred to schools / learning camps without monitoring of its utilization which resulted in irregular transfer of funds.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry of matter and fixing responsibility against the person(s) at fault.

[AIR Para: 13]

2.5.3 Loss due to less realization of unspent balance – Rs 12.556 million

According to Government of the Punjab, Finance Department Notification No. SO(H-1) I-41/2017 (P&SHCD) (AD) (Prov) dated 04.04.2019, "The authority shall make the payment of approved cost of the scheme to the concerned XEN, XEN shall execute the schemes and report progress to the authority. After execution of scheme, the XEN shall return the balance amount if any to the authority."

During audit of DEA Dera Ghazi Khan for the FY 2022-23, it was observed that CEO transferred funds Rs 377.482 million against deposit works to Executive Engineer, Buildings Division Dera Ghazi Khan and Taunsa. Annual progress report as on 30.06.2023 of Buildings Divisions showed the annual expenditure of Rs 320.775 million. While, un-spent balance, returned back by both Division was Rs 44.151 million instead of Rs 56.707 million. An un-spent balance of Rs 12.556 million was less refunded to the DEA. The detail is as under:

(Rupees in million)

<table>
<tr><th>Sr. No.</th><th>Executing Authority</th><th>Total Allocation (AS FI data)</th><th>Total Expenditure</th><th>Unspent balance returned from XEN Buildings</th><th>Actual Unspent Balance</th><th>Difference</th></tr>
<tr><td>1</td><td>Buildings Division Dera Ghazi Khan</td><td rowspan="2">377.482</td><td>209.110</td><td>22.599</td><td rowspan="2">56.707</td><td rowspan="2">12.556</td></tr>
<tr><td>2</td><td>Buildings Division Taunsa</td><td>111.665</td><td>21.552</td></tr>
<tr><td colspan="2">Total</td><td>377.482</td><td>320.775</td><td>44.151</td><td>56.707</td><td>12.556</td></tr>
</table>

Due to weak internal financial controls, the unspent balance was less refunded back to treasury which resulted in loss.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends fixing responsibility against the person(s) at fault besides collection of balance amount from the concerned agency.

[AIR Para: 5]

Value for money and service delivery issues

2.5.4 Loss due to theft of solar panels and allied accessories – Rs 1.248 million

According to Rule 2.33 of the PFR Vol-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DEA Dera Ghazi Khan for the FY 2022-23, it was observed that head teachers of 9 schools working under administrative control of Deputy DEO (EE-M), Taunsa failed to ensure safe custody of solar panels and allied accessories installed in various elementary and primary schools. Resultantly, solar panels and its allied accessories costing Rs 1.248 million were stolen.

Due to weak internal controls, solar panels and its allied accessories were stolen which resulted in loss.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends proper action be taken for prompt recovery of stolen items besides fixing responsibility against the person(s) at fault.

[AIR Para: 2]

Others

2.5.5 Loss due to payment of inadmissible allowances to employees – Rs 29.851 million

According to Rule 1.15 of the Punjab Travelling Allowance Rules 1976 and the Government of the Punjab Education Department (School Wing) letter No.SO(S-III)1-2-16/2007 dated 24.09.2007, "Conveyance / mobility allowance is not admissible during the period of leave of any kind or vacations." Further, according to Punjab Regularization of Services Act, 2018 read with Notification No.SO(ERB)(S&GAD)5-19/2018 and Government of the Punjab, School Education Department Lahore, notification No.SO(SE-III)2-16/2007(P-V) dated 07.08.2015, "The Educators already appointed on contract basis under the provision of contract policy were regularized w.e.f. 19.10.2019 and these appointees would not be entitled to the payment of 30% SSB."

During audit of DEA Dera Ghazi Khan for the FY 2022-23, it was observed that DEO (Special Education), Dera Ghazi Khan and eight other DDOs made payments of Rs 29.851 million on account of pay and allowances, Social Security Benefit etc. to the employees without admissibility. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	DEO (Special Education), Dera Ghazi Khan	CA, HRA, Personal Allowance	0.391
2	Deputy DEO (EE-M), Dera Ghazi Khan	Charge Allowance, CA, Hill Allowance.	6.082
3	Deputy DEO (EE-W), Dera Ghazi Khan	Hill Allowance, Special Allowance, CA, Charge Allowance, Adhoc Allowance	5.041
4	Deputy DEO (EE-M), Taunsa	Inadmissible Hill Allowance	0.459
		SSB, CA, Charge Allowance, Adhoc Allowance and Qualification Allowance	4.734
5	Principal, Government City High School Boys Dera Ghazi Khan	Overpayment of Pay and allowances after regularization	1.685

Sr. No.	DDOs	Description	Amount
6	Principal, Government Girls Higher Secondary School City Dera Ghazi Khan	Unauthorized payment of Basic Pay, Adhoc Relief Allowances, SSB after regularization	0.181
		SSB to the Employees regularized /appointed under Rule 17-A	0.177
		Unauthorized payment of Conveyance Allowances during Leaves/Vacation	3.541
7	Principal, Government Girls High School No.1 Dera Ghazi Khan	Unauthorized payment of Conveyance Allowance during vacation	1.978
8	Principal, Government Comprehensive High School, Dera Ghazi Khan	Inadmissible pay and allowances	2.450
		Unauthorized payment of Salaries and allowances after transfer and absent period	1.464
9	Principal, Government Higher Secondary School, Mana Ahmadani	Overpayment of SSB to the employees regularized/ appointed under Rule 17-A	0.759
		CA, SSB, Adhoc Allowance	0.909
Total			**29.851**

Due to weak internal controls, inadmissible allowances were paid which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry, fixing responsibility against the person(s) at fault for allowing inadmissible allowances and immediate stoppage of such allowances coupled with recovery of overpaid amount.

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 1.2.4.6, 4.4.2, 4.2.5.2.8 and 4.2.2.7 respectively having financial impact of Rs 107.245 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 1, 2, 4, 1, 8, 1, 5, 6, 8, 8, 5, 6, 1, 2]

2.3.4.10 2.6 District Education Authority, Faisalabad

There are 635 formations in DEA Faisalabad out of which 10 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.6.1 Financial burden due to non-creation of Pension Fund / undue pension payments – Rs 586.520 million

According to Rule 6 of the Punjab District Authorities (Budget) Rules, 2017, “The budget and accounts officer shall be responsible to maintain Pension Fund for the Government employees of Education or Health sectors adjusted in the District Authority.” Moreover, according to Rule 9 of the Punjab District Authorities (Accounts) Rules, 2017, “The drawing and disbursing officer and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss.”

During audit of DEA Faisalabad for the FY 2022-23, it was observed that CEO paid pension to LG cadre pensioners amounting to Rs 693.950 million during Financial Year 2022-23 and Rs 108.576 million during January to November, 2017. However, following discrepancies were observed in pension payments:

1. Funds available in pension payment bank account and monthly pension contribution of existing LG cadre employees were insufficient to meet the pension payments amounting to Rs 693.950 million for the Financial Year 2022-23. In order to recoup the shortfall, DEA authorities transferred amount of Rs 477.944 million out of DEA’s Consolidated Fund into pension payment bank account. It is pertinent to mention here that DEA authorities did not devise strategy to recoup the above shortfall by creating a Pension Fund, as required under Law/ Rules.
2. Moreover, DEA Faisalabad, being successor of EDO (Education) City District Government Faisalabad, continued to pay pension amounting to Rs 108.576 million during January to November, 2017 to 723 retired Local Government cadre employees of Municipal Corporation and District Council Faisalabad. The pensioners were not eligible to withdraw pension from DEA, Faisalabad as their date of retirement was

earlier than year 2001. However, undue amount paid to ineligible pensioners was not recovered from the Local Governments concerned.

Due to weak internal controls, pension was paid without creation of Pension Fund and deficit was recouped from DEA Account-V and undue pension payment was not recovered from Local Governments concerned which resulted in undue financial burden on the Authority.

The matter was reported to PAO in August, 2023. It was replied that as per policy of Government of the Punjab Pension Payment Account was opened in Bank of the Punjab and payment was made either from Pension Contribution or transferring additional funds from Account-V of DEA Faisalabad. Reply was not tenable as DEA was responsible to create Pension Fund for pension payments according to above mentioned rules.

DAC in its meeting held on 14.02.2024 directed CEO to create Pension Fund for pension payments besides regularization of matter from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 14]

2.6.2 Unauthentic expenditure on Madaris – Rs 102.946 million

According to Sections 6 & 17 of the Punjab Seized and Freezed Institutions (Madaris and Schools) Act 2019, "The Board shall have the powers to recruit and determine terms and conditions of employees of the institutions, formulate the budget of the institutions, lay down the procedure for the conduct of its business. The Board may frame regulations for delegation of administrative and financial powers to the Directorate, a Committee or an employee of the Board, manner in which the Board Fund shall be disbursed, procurement of goods and services and any other matter within the scope of the Act." Moreover, according to Rule 15.5 of the PFR Vol-I, "When materials are issued from stock the in-charge of the stores should seek indent from authorized person, issue stores and obtain a written acknowledgment from the recipient."

During audit of DEA Faisalabad for the FY 2022-23, it was observed that CEO withdrew funds amounting to Rs 102.946 million out of AAA, provided for management of eight taken over/proscribed educational institutions (Schools/Madaris). However, the funds were utilized on salaries of employees, procurement of food items / assets, payment of utilities bills, other operating expenditure etc. Scrutiny of record depicted that funds were utilized without observing provisions of the Act as well as other laws / rules. However, following discrepancies were observed:

i. Expenditure was incurred without formulating rules, regulations, delegation of administrative and financial powers, procurement of goods and services rules etc. Salaries and wages were paid to staff without any authentication / detail of employees, their terms of appointment / service, salary structure etc.

ii. It was also noticed that food items including some perishable nature items like meat, milk, chicken, vegetables etc. were procured in bulk quantity on weekly or monthly basis and same were shown issued as received even within same day.

Due to weak administrative controls, funds were utilized without framing rules, regulations, proper record and in violation of financial propriety which resulted in unauthentic expenditure.

The matter was reported to PAO in August, 2023. It was replied that employees were recruited and their salaries were fixed since when these institutions were taken over by the Government and thereafter no staff had been recruited. Moreover, edibles including perishable nature items were purchased on weakly basis by keeping in view the mess menu and storage capacity of institutions and same were issued accordingly. Reply was not tenable as the perishable items were purchased in bulk and issued as procured.

DAC in its meeting held on 14.02.2024 directed CEO to inquire the matter and submit report besides regularization of expenditure from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 11]

2.6.3 Irregular utilization of funds under IASP – Rs 38.020 million

According to Section 4.2.1.2 of the Accounting Policies and Procedures Manual, "Sanction of expenditure, preparation of claim voucher for payment, approval of expenditure, certification (pre-audit) of claims and recording of expenditure in the accounting records are the key steps required to be followed in all expenditure transactions." Furthermore, according to Para 2(iv)&(v) of letter No.DDP/PMIU/2019-17599 dated 29.03.2019 read with letter No.SO(SNE) Upgradation/2021(IASP) dated 12.11.2021 and Sr. No. (2)(iii) of Policy for IASP regarding establishment of schools, "Minimum enrolment for elementary schools was 100 students. For selection of teachers, preference will be given to the teacher of the same school or nearby school. In case of non-availability private teachers may be hired by the respective school councils under the notified policy of school teachers' interns (STIs) and honorarium will be paid via cross cheque out of the funds provided for the purpose. Upgraded schools will be monitored and evaluated as per indicators by PMIU through MEAs & district supervisory staff."

During audit of DEA Faisalabad for the FY 2022-23, it was observed that CEO made payment of remuneration amounting to Rs 38.020 million to staff of 148 IASP schools contrary to the above provisions as remuneration was paid to staff without preparation of requisite accounting record as well as record of staff recruitment, student enrolment and school wise monitoring reports of MEAs/AEOs.

Due to weak internal controls, expenditure was incurred without following prescribed procedure which resulted in irregular utilization of funds.

The matter was reported to PAO in August, 2023. It was replied that CEO, DEA received said amount through cheque from Programme Director PMIU PESRP for payment of remuneration to staff of 148 Afternoon Schools therefore, payments were made through DDO Bank Account. However, hiring of staff was made according to policy guidelines of Punjab School Education Department. Reply was not tenable as no record was provided regarding recruitment of employees and payment of remuneration as per policy guidelines.

DAC in its meeting held on 14.02.2024 directed CEO to probe the matter and get the expenditure regularized from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives.

[AIR Para: 8]

2.6.4 Irregular / unauthentic expenditure out of NSB – Rs 27.428 million

According to Rules 4, 9, 10 and 12 of the Punjab Procurement Rules 2014, "A procuring agency shall ensure that the procurement is made in a fair and transparent manner. A procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. A procuring agency shall determine specifications in a manner to allow the widest possible competition. Procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority." Further, according to Rules 2.32 and 15.4 of the PFR, Volume-I, "A Government Servants accounts should be correct to his own satisfaction. He has to satisfy not only himself but also to the accountant General that the claim which has been accepted is valid. All materials received should be examined, counted, measured and weighed and be kept in-charge of a responsible Government Servant."

During audit of DEA Faisalabad for the FY 2022-23, it was observed that DEO (EE-W), Faisalabad and eight other DDOs incurred expenditure of Rs 27.428 million on procurement / repair of machinery, equipment, furniture & fixture, printer, vehicles, whitewash & construction material etc. for the Financial Years 2009-10 to 2022-23. Contrary to the provisions of above rules, procurements were made without open competitive bidding, mentioning specifications (regarding size/make material/quality), maintenance of consumption record, history sheet of repair and other ancillary record. Moreover, in some cases procurements were made either through managed invoices or without sanction of competent authority. **(Annexure-5)**

Due to weak internal controls, expenditure was incurred in violation of procurement / financial rules and without maintaining supporting record which resulting in irregular / unauthentic expenditure.

The matter was reported to PAO in August, 2023. DDOs replied that expenditure was incurred with approval of school councils / sanctioning authorities on petty purchases as per need of the institutions/offices. Moreover, due to quarterly release of NSB purchases were made in peace meal upon availability of funds. However, consumption / other relevant record was now available for verification. The reply was not tenable as the expenditure was incurred in violation of procurement rules and against the financial propriety and no record was provided in support of reply to Audit for verification.

DAC in its meeting held on 14.02.2024 directed CEO to initiate action against the concerned for fixing responsibility and also directed DDOs to produce relevant record to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.6.8, 9.3.3 & 9.3.8, 9.2.5.2.3, 9.2.2.3 & 9.2.2.20 and 5.2.2.3 respectively having financial impact of Rs 90.051 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 5, 9, 8, 10, 6, 4, 7, 6, 3, 5, 6, 2, 5, 6, 2, 5]

2.6.5 Irregular payment of Inspection Allowance – Rs 15.075 million

According to Government of the Punjab, School Education Department letter No.SO(Budget)1-15/2013(V-II) dated 15.01.2018 read with clarification issued by Government of the Punjab, Finance Department vide letter No. IT(FD) 6-23/91(Vol-III) dated 09.08.2019, "Payment of Inspection Allowance @ Rs 25,000 per month was granted to Assistant Education Officers (AEO) subject to verifiable Key Performance Indicators (KPIs) developed by School Education Department in consultation with DFID and their verification by the CEOs of respective DEAs."

During audit of DEA Faisalabad for the FY 2022-23, it was observed that DEO (EE-W), Faisalabad paid Inspection Allowance amounting to Rs 15.075 million to 45 AEOs without ensuring compliance of KPIs.

Due to weak internal controls, Inspection Allowance was paid to the AEOs without ensuring compliance of KPIs which resulted in irregular payment.

The matter was reported to PAO in August, 2023. It was replied that relevant record was available for verification. However, DDOs and AEOs concerned had been directed that in future claims of Inspection Allowance would be submitted and sanctioned after ensuring achievement of KPIs. The reply was not tenable as no record in support of reply was provided to Audit for verification.

DAC in its meeting held on 14.02.2024 directed DEO (EE-W) to produce record to Audit for verification otherwise fix responsibility on the person(s) at fault. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 1]

2.6.6 Irregular expenditure by school councils – Rs 11.215 million

According to Government of the Punjab, Education Department (School Wing) letter No.SO (SNE)PMU/2010 (P) dated 11.03.2013 read with Para 4.9 of School Council Policy, 2007, "The school council shall be authorized to spend upto a maximum of four lac rupees in one financial year as provided in Notification No.IT(FD)3-13/2002 dated 07.01.2004 and 29.01.2005 of Government of the Punjab, Finance Department." Further, according to Section 3.3.2 of School Council Policy, 2007, "Tenure of School Council will be two years from the date of School Council notification, issued by AEO."

During audit of DEA Faisalabad for the FY 2022-23, it was observed that school councils of 30 primary / elementary schools working under administrative control of Deputy DEO (EE-M), Faisalabad Sadar incurred expenditure of Rs 11.215 million out of NSB for the Financial Years 2020-21 to 2022-23. Contrary to the provisions of above policy, expenditure was incurred excess than authorized per year limit of school councils and even after expiry two years' legal tenure. The detail is as under:

(Rupees in million)

DDO	Description	No. of Schools	Amount
Deputy DEO (EE-M), Faisalabad Sadar	Expenditure beyond the competence of school councils	19	5.856
	Expenditure through irregular school councils	11	5.359
Total		**30**	**11.215**

Due to weak internal controls, school councils utilized NSB beyond permissible limit and even after expiry of legal tenure which resulted in irregular expenditure.

The matter was reported to PAO in August, 2023. It was replied that the notification of prescribed limit was about expenditure incurred on minor repair works only. Moreover, schools under observation were IASP schools or had ECE Rooms and due to payment of remuneration to staff expenditure exceeded from prescribed limit. The reply was not tenable as expenditure was incurred in violation of School Council's Policy and no record in support of reply was provided for verification.

DAC in its meeting held on 14.02.2024 directed DDO to produce relevant record to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2018-19 and 2017-18 vide para(s) number 2.6.5, 9.2.2.4 and 5.2.2.1 respectively having financial impact of Rs 61.380 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 4, 6]

2.6.7 Loss due to non recovery of penal rent from illegal occupant of Government residence – Rs 3.962 million

According to Sr. No. 23, 29(A) & 30(iv & v)) of Policy Governing Allotment of Residential Government Accommodation at District Level, "No Government servant will be allowed to surrender the allotment in favour of any particular person." Moreover, "A government servant occupying a house unauthorizedly and illegally will be charged penal rent @ 60% of his basic salary. A government servant occupying government accommodation illegally or facilitating, conniving at or offering any government accommodation for unauthorized occupation will render himself liable to be proceeded against under E&D Rules, in vogue for the misconduct."

During audit of DEA Faisalabad for the FY 2022-23, it was observed that designated residence of Principal, GCMHS Samanabad was illegally occupied by Senior Headmaster, of Government Jamia Chistia High School Faisalabad w.e.f. 01.01.2011. Thereafter, said residence was allotted to Subject Specialist of GCMHSS, Samanabad w.e.f. 21.12.2012 but remained under the occupancy of said Senior Headmaster. It was pertinent to mention that the authorities did not take action against the incumbent regarding imposition of penalty and recovery of penal rent amounting to Rs 3.962 million.

Due to weak internal controls, designated residence was occupied by unauthorized person without recovery of penal rent which resulted in loss to the Government.

The matter was reported to PAO in August, 2023. It was replied that enquiry was conducted by Administrative Secretary against the Principal concerned regarding said allegations under PEEDA Act, 2006 and the competent authority exonerated former Principal from charges. The reply was not tenable as no record was produced in support of reply to Audit for verification.

DAC in its meeting held on 14.02.2024 directed DDO concerned to produce relevant record in support of reply to Audit for verification otherwise initiate action against the Principal. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides recovery of penal rent from the defaulter.

[AIR Para: 4]

2.6.8 Loss due to non-recovery of Government receipts – Rs 2.924 million

According to Rule 68 of the Punjab District Authorities (Budget) Rules 2017, "The primary obligation of the collecting officer shall be to ensure that all revenue due is claimed, realized and credited immediately to the District Authority fund."

During audit of DEA Faisalabad for the FY 2022-23, it was observed that Principals, GGHSS Chak 202/RB and GMCGHSS Samanabad auctioned the school canteens for the Financial Years 2008-09 to 2022-23 at an auction price of Rs 6.824 million. Principals of said schools could recover amount of Rs 3.900 million against total auction amount leaving balance of Rs 2.924 million.

Due to weak internal controls and negligence, auction amount of canteens was not recovered which resulted in loss.

The matter was reported to PAO in August, 2023. DDOs replied that the contractors left the canteens without depositing full auction money. However, matter had been communicated to DEO (SE), Faisalabad and Police Authorities for action against the defaulters. Moreover, security deposit of contractor amounting to Rs 300,000 had been forfeited and deposited into Government treasury. Audit stressed for active pursuance of case for recovery of loss.

DAC in its meeting held on 14.02.2024 directed CEO to take up the matter with District Collector, Faisalabad for initiating action against the defaulters under Land Revenue Act besides production of record to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives.

[AIR Paras: 1, 1]

Others

2.6.9 Non-vacation of encroached school land – Rs 70.200 million

According to Rule 4 of the Punjab Local Government (Property) Rules, 2018, "The manager shall take as much care of the property entrusted to him as a man of ordinary prudence would, under similar circumstances, take of his own property of like nature. The manager shall be vigilant about and to check encroachments or wrongful occupations on property and in case there is any encroachment or wrongful occupation take necessary steps for the removal thereof."

During audit of DEA Faisalabad for the FY 2022-23, it was observed that DEO (EE-W), Faisalabad and Deputy DEO (EE-M), Faisalabad Sadar failed to get the encroached properties vacated from illegal occupants. Record showed that land measuring 1,404 marlas valuing Rs 70.200 million pertaining to seven schools of DEO (EE-W), Faisalabad and eleven schools of Deputy DEO (EE-M), Faisalabad Sadar was encroached by illegal occupants. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Area in Marlas	Amount
1	DEO (EE-W), Faisalabad	621	31.050
2	Deputy DEO (EE-M), Faisalabad Sadar	783	39.150
Total		**1,404**	**70.200**

Due to weak internal controls, action was not taken against illegal occupants which resulted in non-vacation of encroached school land.

The matter was reported to PAO in August, 2023. DDOs replied that matter had been taken up with higher authorities for action against the encroachers. Audit stressed to initiate action against the culprits immediately.

DAC in its meeting held on 14.02.2024 directed CEO to take up the matter with District Authorities for quick action against the culprits. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 7, 7]

2.6.10 Loss due to payment of inadmissible pay and allowances to employees – Rs 61.077 million

According to Government of the Punjab, School Education Department Notification No.SO(SE-III)2-16/2007 dated 19.10.2009 read with Punjab S&GAD letters No.(O&M)S&GAD)5-3/2013 dated 01.03.2013 & 19.08.2013 and No.SOR-III(S&GAD)2-8/2018 dated 29.10.2019, "The pay of contract employees, upon regularization of their services, shall be fixed at the initial of the respective pay scales." Furthermore, according to Government of the Punjab, Finance Department letter No.FD.PR-9-4/86(P)(PT.II)(PR) dated 21.08.2015, "Conveyance Allowance is compensation to those employees who spend daily expenditure either to reach offices or back to home."

During audit of DEA Faisalabad for the FY 2022-23, it was observed that CEO and nine other DDOs made overpayment of pay and allowances amounting to Rs 61.077 million to 9,646 employees for the Financial Years 2008-09 to 2022-23 on account of inadmissible Conveyance Allowance, Charge Allowance, Special Allowance, Science Teaching Allowance, salary during EOL, and SSB after regularization of services. **(Annexure-6)**

Due to weak internal controls, inadmissible pay & allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. DDOs replied that recovery had been started from the employees concerned and progress would be shown to Audit. Audit stressed for early recovery besides provision of record for verification.

DAC in its meeting held on 14.02.2024 directed DDOs concerned to expedite the recovery and report progress besides provision of record to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021.22, 2020-21, 2019-20, 2018-19 and 2017-8 vide para(s) number 2.6.14, 2.2.4.4, 9.3.5 & 9.3.9, 9.2.5.2.2 & 9.2.5.2.11, 9.2.2.10 & 9.2.2.15 and 5.2.2.6 to 5.2.2.8 respectively having financial impact of Rs 52.873 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 15, 2, 1, 3, 3, 2, 3, 3, 2, 4]

2.6.11 Excess payment due to non-deduction / recovery of taxes – Rs 4.431 million

According to FBR, Inland Revenue letter No.C.No.9(11)ST-LPE/Misc/ 2017/44 768-R dated 18.02.2021, "General Sales Tax was not admissible on sand, soil, crush, panaflexes, banners, medicine, photocopies, caregiver salary, teacher salary and utility bills.” Further, according to Sales Tax Act 1990, “Bricks and paints were exempted vide SRO No.896 (I)/2013 dated 04.10.2013. Moreover, the cement price is ex-factory price and the rate of cement includes all types of taxes hence, need not to charge sales tax in bills.”

During audit of DEA Faisalabad for the FY 2022-23, it was observed that CEO and six other DDOs purchased cement, sand, paint, bricks etc. for the Financial Years 2008-09 to 2022-23. However, payment was made to the suppliers without deduction of Income Tax, General Sales Tax and Punjab Sales Tax on Services amounting to Rs 3.080 million. Further, General Sales Taxes of Rs 0.550 million was claimed by the suppliers and paid against exempted supplies and Income Tax of Rs 0.119 million was deducted but not deposited into Government Treasury. Furthermore, DDOs did not ensure recovery of Income Tax amounting to Rs 0.682 million from contractors of auction of canteen. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Financial Year(s)	Income Tax	GST	PST	GST on Exempted Items	Income Tax on Auction	Income Tax not deposited	Total
1	CEO DEA Faisalabad	2022-23				0.387			0.387
2	Deputy DEO (EE-W), Samundri	2019-20	-	0.060	0.120	0.102		-	0.282
3	Deputy DEO (EE-M), Tandlianwala	2017-23	1.036	0.387	0.290	-		-	1.713
4	Principal, GGHSS 202/RB Faisalabad	2008-23		0.139	-	-	0.085	-	0.224
5	Principal, GMCGHS	2019-23	0.066	0.107	-	-	0.597	0.119	0.889

Sr. No.	DDOs	Financial Year(s)	Income Tax	GST	PST	GST on Exempted Items	Income Tax on Auction	Income Tax not deposited	Total
	S Samanabad								
6	Principal, GGHSS Chak Jhumra	2016-23	-	0.129	0.168	0.061		-	0.358
7	Principal, GHS No.2 Samundri	2017-22	0.122	0.456	-	-		-	0.578
Total			**1.224**	**1.278**	**0.578**	**0.550**	**0.682**	**0.119**	**4.431**

Due to weak internal controls, taxes were paid against exempted supplies, without deduction / recovery of taxes which resulted in excess payment.

The matter was reported to PAO in August, 2023. DDOs replied that in most of the cases payments were made to vendors after deduction of taxes. However, notices had been issued to vendors for recovery of taxes where deduction had not been made and asked them to deposit the taxes into Government treasury. Audit stressed for early recovery from the defaulters besides action against the DDOs who made payments without deduction of taxes.

DAC in its meeting held on 14.02.2024 directed DDOs to recover the amount of taxes from the vendors and produce updated status to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives besides fixing responsibility against the person(s) at fault.

[AIR Paras: 11a, 5, 8, 1a, 7, 1a, 4, 3, 8]

2.7 District Education Authority, Jhang

There are 241 formations in DEA Jhang out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.7.1 Irregular expenditure on honorarium of teachers under IASP – Rs 45.002 million

According to Para 2(iv)&(v) of letter No.DDP/PMIU/2019-17599 dated 29.03.2019 read with letter No.SO(SNE)Upgradation/2021(IASP) dated 12.11.2021 and Sr. No. (2)(iii) of Policy for IASP regarding establishment of schools, "For selection of teachers, preference will be given to the teacher of the same school or nearby school. In case of non-availability private teachers may be hired by the respective school councils under the notified policy of school teachers' interns (STIs). Upgraded schools will be monitored and evaluated as per indicators by PMIU through MEAs & district supervisory staff. All AEOs will visit the schools as per laid down mechanism. The eligibility criteria for provision of transport facility includes that Parents / guardian of the student provides an affidavit that the student will continue his / her education till completion of the secondary schooling."

During audit of DEA Jhang for the FY 2022-23, it was observed that CEO incurred expenditure of Rs 45.002 million on honorarium of IASP staff. However, expenditure was incurred without maintaining list of appointed staff, evaluation of monthly monitoring reports, obtaining affidavits from parents/ guardians regarding continuation of students' education and capacity building of teachers through requisite / mandatory training.

Due to weak internal controls, expenditure on honorarium under IASP was incurred without considering the prescribed criteria and performance evaluation which resulted in irregular expenditure.

The matter was reported to PAO in August, 2023. CEO replied that 75% Government teachers and 25% private teacher were employed in afternoon schools according to the policy. The reply was not tenable as no record for hiring of teachers from the private sector and staff available in afternoon schools was provided for verification.

DAC in its meeting held on 02.11.2023, directed CEO to produce record of hiring of teachers from the private sector and available staff in the schools to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 7]

Others

2.7.2 Non-vacation of encroached school land – Rs 23.128 million

According to Rule 4 of the Punjab Local Government (Property) Rules, 2018, "The manager shall take as much care of the property entrusted to him as a man of ordinary prudence would, under similar circumstances, take of his own property of like nature. The manager shall be vigilant about and to check encroachments or wrongful occupations on property and in case there is any encroachment or wrongful occupation take necessary steps for the removal thereof."

During audit of DEA Jhang for the FY 2022-23, it was observed that CEO and Deputy DEO (EE-M), Jhang did not make efforts to get the encroached land of seven schools vacated from illegal occupants measuring 2,292 marlas valuing Rs 23.128 million.

Due to weak internal controls, action was not taken against illegal occupants which resulted in non-vacation of encroached school land.

The matter was reported to PAO in August, 2023. CEO replied that the land of said seven schools was not mutated in the name of School Education Department and comes under the jurisdiction of the Provincial Government. Therefore, matter was related to Deputy Commissioner / Collector District Jhang. Audit stressed to pursue the matter vigorously and communicate the matter to the competent authority for vacation of Government land.

DAC in its meeting held on 02.11.2023, directed CEO to refer the case to competent authority for vacation of Government land at the earliest. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 15, 4]

2.7.3 Loss due to payment of inadmissible pay & allowances to employees – Rs 17.331 million

According to Government of the Punjab, School Education Department Notification No.SO(SE-III)2-16/2007 dated 19.10.2009 read with S&GAD Punjab letters No.(O&M)S&GAD)5-3/2013 dated 01.03.2013 & 19.08.2013 and No.SOR-III(S&GAD)2-8/2018 dated 29.10.2019, "The contract employees will not be entitled for SSB after regularization of their services and their pay shall be fixed at the initial of their respective pay scales." Moreover, according to Government of the Punjab, Finance Department letter No.FD.PR-9-4/86(P)(PT.II)(PR) dated 21.08.2015, "Conveyance Allowance (CA) is compensation to those employees who spend daily expenditure either to reach offices or back to home." Furthermore, according to Rule 2.31 of the PFR Volume-1, "A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation."

During audit of DEA Jhang for the FY 2022-23, it was observed that CEO and four other DDOs made overpayment of pay and allowances amounting to Rs 17.331 million due to inadmissibility or beyond entitlement of 1,527 employees for the Financial Years 2018-19 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Description**	**No. of Employees**	**Financial Year(s)**	**Amount**
1	CEO, DEA Jhang	SSB after regularization, Personal Allowance after promotion, Science Teaching Allowance & Hill Allowance	132	2022-23	4.011
2	DEO (EE-W), Jhang	SSB after regularization of services and salary during absent period	12	2021-23	1.134
3	Deputy DEO (EE-M), Jhang	Conveyance Allowance during vacations, Science Teaching Allowance, Charge Allowance, Personal Allowance, Qualification Allowance & Special Allowance on OSD post and advance increment	1,197	2020-23	6.729
		Pay & allowances for absent period	22	2020-23	1.589
4	Deputy DEO (EE-W), Jhang	Charge Allowance, Personal Allowance, Qualification Allowance & Special Allowance on OSD post, advance increment. Conveyance Allowance during vacations, salary during absent period and pay	92	2021-23	3.722

Sr. No.	DDOs	Description	No. of Employees	Financial Year(s)	Amount
		& allowances due to wrong fixation of pay			
5	Principal, GHSS Bagh	Conveyance Allowance during vacations and Charge Allowance	71	2018-23	0.146
Total			**1,526**		**17.331**

Due to weak internal controls, inadmissible pay and allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. DDOs replied that employees concerned had been directed to deposit the overdrawn amount in Government Treasury. Furthermore, cases for regularization of teachers had been submitted to the competent authority however, during period of their contract appointment they were entitled to draw SSB. Audit stressed to expedite the recovery and produce documentary evidence in support of reply to Audit for verification.

DAC in its meeting held on 02.11.2023, directed the DDOs to probe the matter regarding overpayment to employees and effect recovery from the concerned at the earliest. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020.21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.7.12, 3.2.4.3 & 3.2.4.5, 10.4.4 & 10.4.7 to 10.4.8, 10.2.5.2.5 & 10.2.5.2.10 to 10.2.5.2.11 & 10.2.5.2.14 to 10.2.5.2.15, 10.2.2.3 & 10.2.2.9 & 10.2.2.14 to 10.2.2.15 and 6.2.2.3 to 6.2.2.4 & 6.2.4.6 to 6.2.4.7 respectively having financial impact of Rs 92.744 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 16, 9, 3, 11, 8, 5]

2.7.4 Non-imposition of penalty and non-realization of revenue from unregistered schools – Rs 6.260 million

According to the Punjab Private Educational Institutions (Promotions and Regulation) Ordinance 2016, "The owner of every institution shall get it registered from registering authority before starting the business of the institution and in case of failure, penalty / fine to the extent of

Rs 0.300 million to Rs 4 million may be imposed." Further, according to Government of the Punjab, School Education Department letter No.SO(A-II)3-3/99(P) dated 22.01.2009, "The registration and annual inspection fee for each elementary / primary school will be Rs 5,000 and Rs 500 respectively." Furthermore, the registration and annual inspection fee for each high / higher secondary school will be Rs 7,000 and 1,000 respectively."

During audit of DEA Jhang for the FY 2022-23, it was observed that CEO did not collect annual inspection fee of Rs 0.146 million, registration fee of Rs 0.114 million and also not imposed penalty of Rs 6.000 million to 275 private schools operating either without registration or renewal of registration. Consequently, revenue of Rs 6.260 million, was not realized due to lack of punitive measures against unregistered schools. The detail is as under:

(Rupees in million)

Sr. No.	**Description**	**Level of School**	**No. of Schools**	**Rate of Registration Fee**	**Rate of Inspection Fee**	**Rate of Fine**	**Total Amount Recoverable**
1	Non-renewal of school	Higher/High	38	-	1,000	-	0.038
		Middle and Primary	217	-	500	-	0.108
2	Un-registered school	Higher/High	7	7,000	-	0.300	2.149
		Middle and Primary	13	5,000	-	0.300	3.965
Total			**275**	**-**	**-**	**-**	**6.260**

Due to weak internal controls, action was not taken against unregistered schools under the Law which resulted in non-imposition of penalty as well as realization of revenue.

The matter was reported to PAO in August, 2023. CEO replied that procedure to issue building fitness certificate and hygiene certificate regarding private schools had been changed due to which registration / renewal of registration of private schools was delayed. However, notices had been issued to schools concerned for registration / renewal of registration. The reply was not tenable as no penalty was imposed on unregistered schools besides recovery of prescribed fee.

DAC in its meeting held on 02.11.2023, directed CEO to pursue the matter regarding registration / renewal of registration of private schools and recovery of fine and prescribed fee at the earliest. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 6]

2.7.5 Excess payment due to non-deduction of taxes – Rs 1.968 million

According to Section 153(1) and 1(c) of Income Tax Ordinance, 2001, "Every prescribed person shall deduct tax at the specified rate from the gross amount payable." Further, according to Clause 1.3 of Sales Tax Special Procedure (Withholding) Rules 2007, "Withholding agents are required to deduct an amount equal to 1/5th of the total Sales Tax." Furthermore, according to Rule 5 of the Punjab Sales Tax on Services (Withholding) Rules, 2012, "A withholding agent shall deduct Sales Tax at the applicable rate of the value of taxable services provided to him from the payment due to the service provider." Furthermore, according to FBR, Inland Revenue letter No.C.No.9(11)ST-LPE/Misc/2017/44 768-R dated 18.02.2021, "GST was not admissible on sand, soil, crush, panaflexes, banners, medicine, photocopies, caregiver salary, teacher salary and utility bills." Moreover, according to Sales Tax Act 1990, "Bricks and paints were exempted vide SRO No.896 (I)/2013 dated 04.10.2013. Moreover, the cement price is ex-factory price includes all types of taxes hence, need not to charge sales tax in bills."

During audit of DEA Jhang for the FY 2022-23, it was observed that Deputy DEO (EE-M), Jhang and two other DDOs procured cement, sand, paint, bricks etc. and made payment to suppliers / service provider without deduction of taxes amounting to Rs 1.968 million for the Financial Years 2017-18 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Subject of Para of AIR	Non-deduction of GST	Non-deduction of Income Tax	Non-deduction of PST	Total
1	Deputy DEO (EE-M), Jhang	Non deduction and deposit of GST, PST & Income tax	0.156	0.281	0.016	0.453

Sr. No.	DDOs	Subject of Para of AIR	Non-deduction of GST	Non-deduction of Income Tax	Non-deduction of PST	Total
2	Deputy DEO (EE-W), Jhang	Non-deduction of taxes	0.417	0.389	0.435	1.241
3	Principal, GHSS Bagh	Non-deduction of taxes	0.110	0.115	0.049	0.274
Total			**0.683**	**0.785**	**0.500**	**1.968**

Due to weak internal controls, payment was made to supplier / service provider without deduction of taxes which resulted in excess payment.

The matter was reported to PAO in August, 2023. DDOs replied that head teachers of schools concerned had been directed to provide the proof of deposit of taxes. Audit stressed to submit proof of deposit of taxes for verification at the earliest otherwise effect recovery.

DAC in its meeting held on 02.11.2023, directed DDOs to get the record verified from Audit regarding deposit of taxes at the earliest. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives.

[AIR Paras: 10, 8, 3]

2.3.4.11 2.8 District Education Authority, Khanewal

There are 270 formations in DEA Khanewal out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.8.1 Irregular procurement of water coolers – Rs 3.667 million

According to minutes of meeting of Focal Person Water Cooler Project with Deputy Director (Finance), PMIU-PESRP dated 12.11.2021, “No retailer / dealer should be involved and purchase should directly be made from manufacturer/ factory.” Further, according to PMIU-PESRP Government of the Punjab letters No. PD/PMIU/WC/2021-24526 dated 04.02.2022 and No.PMIU/FCDO/P-SCRP/WC/ 2021-24465 dated 26.01.2022, “Procurements of water coolers had not been made as per specifications in the three out of four districts visited by the Provincial Technical Committee. So, CEO DEAs were directed to observe transparent procurements according to the relevant rules and approved specifications and payment may not be made prior to the satisfactory report of the Provincial Technical Committee.”

During audit of DEA Khanewal for the FY 2022-23, it was observed that school councils of various schools under the administrative control of Deputy DEOs (EE-W), Jahanian and Kabirwala purchased electric water coolers costing Rs 3.667 million for the Financial Years 2021-22 and 2022-23. Funds were received from Program Monitoring & Implementation Unit, Punjab Education Sector Reforms Program (PMIU-PESRP), Government of the Punjab for procurement of water coolers under Insaaf Afternoon Schools Program (IASP) in Tehsil Jhanian and Kabirwala along with specifications of electric water cooler. Neither District Procurement Committee was involved in the process nor Provincial Technical Committee was asked for inspection of specifications. Further, water coolers were purchased in deviation of the specifications notified by the Government. The detail is given below:

(Rupees in million)

Sr. No.	DDOs	Financial Years	Amount
1	Deputy DEO (EE-W), Jahanian	2021-22 to 2022-23	1.995
2	Deputy DEO (EE-W), Kabirwala		1.672
Total			**3.667**

Due to weak internal controls, expenditure was incurred without inspection / satisfactory report of the Provincial Technical Committee which resulted in irregular procurement.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests made by Audit vide letter No. RDDA-MLN/F.164/CD-1492 dated 18.09.2023, No. 1709 dated 21.11.2023 and No. 1797 dated 22.12.2023.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Paras: 4, 7]

Value for money and services delivery issues

2.8.2 Unauthorized retention of public money in DDO bank accounts – Rs 49.041 million

According to Rule 2.10(3) of PFR Vol-1, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Vol-1."

During audit of DEA Khanewal for the FY 2022-23, it was observed that as per bank statements of DDO bank accounts of CEO and DEO (SE) amount of Rs 49.041 million was available as on 30.06.2023. However, status of available balance was not produced during audit. Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Financial Year(s)**	**Amount**
1	CEO, DEA Khanewal	2022-23	23.390
2	DEO (SE), Khanewal	2014-15 to 2022-23	25.651
Total			**49.041**

Due to weak internal controls, funds were parked in DDO bank accounts without plausible justification which resulted in unauthorized retention of public money.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends fixing responsibility against the person(s) at fault.

[AIR Paras: 22, 3]

2.8.3 Loss due to theft of solar panels and allied accessories – Rs 14.098 million

According to Rule 2.33 of PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DEA Khanewal for the FY 2022-23, it was observed that head teachers of 82 schools working under administrative control of CEO and Deputy DEO (EE-W), Kabirwala failed to ensure safe custody of solar panels and allied accessories installed in various elementary and primary schools. Resultantly, solar panels and its allied accessories costing Rs 14.098 million were stolen. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Description**	**No. of Schools**	**Financial Year(s)**	**Amount**
1	CEO, DEA Khanewal	Theft of solar penal and allied accessories	41	2022-23	6.658
2	Deputy DEO (EE-W), Kabirwala	Theft of solar penal and allied accessories	41	2021-22 to 2022-23	7.440
Total			**82**		**14.098**

Due to weak internal controls, solar panels and its allied accessories were stolen which resulted in loss.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends proper action be taken for prompt recovery of stolen items besides fixing responsibility against the person(s) at fault.

[AIR Paras: 13, 4]

2.8.4 Irregular payments to vendors in cash – Rs 1.601 million

According to Rule 4(1)(a)&(b) of the Punjab District Authorities (Accounts) Rules 2017, "The mode of making payment from local fund of a District Authority shall be that the payment up to rupees one thousand may be made in cash and payment exceeding one thousand shall be made through crossed non-negotiable cheque."

During audit of DEA Khanewal for the FY 2022-23, it was observed that Senior Headmistress, Government Junior Model High School (Girls), Mian Channu made payments of Rs 1.601 million out of NSB for the Financial Years 2017-18 to 2019-20 to vendors / suppliers in cash instead of cross non-negotiable cheques in violation of above rules. **(Annexure-7)**

Due to weak internal controls, claims were paid to vendors in cash instead of cross cheques which resulted in irregular payments.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2020-21 vide para(s) number 2.8.4, 1.2.4.3 and 1.2.4.1 respectively having financial impact of Rs 14.882 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 6]

Others

2.8.5 Loss due to payment of inadmissible allowances to employees – Rs 99.110 million

According to Government of the Punjab, Finance Department letter No.FD.PR.21-35/2013 dated 14.12.2016, “Conveyance Allowance is not admissible to the staff of vacation departments during vacations.” Further, according to Government of the Punjab, School Education Department Notification No.SO(SE-III)2-16/2007 dated 19.10.2009 read with S&GAD, Government of the Punjab letter No.(O&M) S&GAD)5-3/2013 dated 01.03.2013, “The contract employees will not be entitled for SSB after regularization of their services.”

During audit of DEA Khanewal for the FY 2022-23, it was observed that CEO and two other DDOs made payment of inadmissible allowances amounting to Rs 99.110 million to different employees on account of Conveyance Allowance, Charge Allowance, Special Allowance and SSB etc. The detail is as under:

(Rupees in million)

<table>
<tr><th>Sr. No.</th><th>DDOs</th><th>Description</th><th>Amount</th></tr>
<tr><td rowspan="5">1</td><td rowspan="5">CEO, DEA Khanewal</td><td>Conveyance Allowance during summer & winter vacations</td><td>1.637</td></tr>
<tr><td>Inadmissible Charge Allowance</td><td>5.931</td></tr>
<tr><td>SSB despite regularization of employees</td><td>72.436</td></tr>
<tr><td>Conveyance Allowance during leave</td><td>2.555</td></tr>
<tr><td>Inadmissible Special Allowance</td><td>9.089</td></tr>
<tr><td>2</td><td>Deputy DEO (EE-W), Jahanian</td><td rowspan="2">Inadmissible allowances</td><td>1.451</td></tr>
<tr><td>3</td><td>Deputy DEO (EE-W), Kabirwala</td><td>6.011</td></tr>
<tr><td colspan="3">Total</td><td>99.110</td></tr>
</table>

Due to weak internal controls, inadmissible allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of excess paid amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.8.6, 1.2.4.5, 12.5.1, 12.2.5.2.2 and

12.2.3.1 respectively having financial impact of Rs 430.120 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 3, 5, 6, 14, 20, 9, 2]

2.3.4.12 2.9 District Education Authority, Layyah

There are 210 formations in DEA Layyah out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.9.1 Irregular expenditure out of NSB – Rs 42.293 million

According to School Council Policy 2007, issued by Government of the Punjab (PESRP) vide No.SO(S-III)2-12/2006 dated 06.08.2007, "All expenditure shall be incurred with prior approval of the school council and all purchases/ execution of work shall be carried out in a transparent and economical manner."

During audit of DEA Layyah for the FY 2022-23, it was observed that head teachers of schools working under the administrative control of Deputy DEO (EE-W), Layyah and Principal, Government High School Chowk Azam made payments of Rs 42.293 million out of NSB to various suppliers on account of purchase of stores and repair & maintenance work. However, expenditure was incurred without approval of school councils, stock register and consumption record. Moreover, physical verification of repair works was also not conducted by the school councils. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Amount
1	Deputy DEO (EE-W), Layyah	28.723
2	Principal, Government Muslim School, Chowk Azam	13.570
Total		**42.293**

Due to weak internal controls, expenditure was made without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in August, 2023. DDOs replied that payments out of NSB was made according to school council policy. The reply was not tenable because the procurement, repair and maintenance work was not inspected by the Education Authorities or by the school council member before or after completion of work.

DAC in its meeting held on 18.01.2024, directed to inquire the matter. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.9.6, 5.2.5.2.9 and 5.2.2.1 respectively having financial impact of Rs 144.782 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 9, 3]

2.9.2 Irregular appointments without proof of merit – Rs 13.830 million

According to directions of School Education Department in the light of Recruitment Policy, 2022, "Advertisement as well as the proof of verified documents from all candidates of all quota / open merit between age of 18 to 40 years as on 31.12.2022 was required. 20% quota for the children of serving / retired employees (BS-01 to BS-11) was provided."

During audit of DEA Layyah for the FY 2022-23, it was observed that CEO being chairman of the committee appointed 104 number of officials (Chowkidar / Naib Qasid) and they were authorized salaries w.e.f. 11.01.2023 to 30.06.2023 amounting to Rs 13.830 million. The appointments were made without approved merit list from the competent forum and observing the prescribed quota.

Due to weak internal controls and negligence of authorities, the appointments were made without following due process which resulted in irregular appointments.

The matter was reported to PAO in August, 2023. CEO replied that all the appointments of C-IV, Chowkidar, Naib Qasid etc. were made by the concerned appointing authorities i.e. Deputy DEOs and Headmaster / Headmistress in case of high / higher secondary schools. The reply was not tenable because the Chairman of Recruitment Committee was CEO, DEA Layyah and recruitments were made without approval of the Chairman.

DAC in its meeting held on 18.01.2024, directed to produce the recruitment record. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 14]

2.9.3 Irregular payment of Inspection Allowance – Rs 12.600 million

According to Government of the Punjab, School Education Department letter No.SO(Budget)1-15/2013(V-II) dated 15.01.2018 read with clarification issued by Government of the Punjab, Finance Department vide letter No. IT(FD) 6-23/91(Vol-III) dated 09.08.2019, "Payment of Inspection Allowance @ Rs 25,000 per month was granted to Assistant Education Officers (AEO) subject to verifiable Key Performance Indicators (KPIs) developed by School Education Department in consultation with DFID and their verification by the CEOs of respective DEAs."

During audit of DEA Layyah for the FY 2022-23, it was observed that Deputy DEO (EE-W), Layyah made payment of Inspection Allowance amounting to Rs 12.600 million for the Financial Years 2021-22 and 2022-23 to the 21 AEOs without ensuring compliance of KPIs. **(Annexure-8)**

Due to weak internal controls, Inspection Allowance was paid to the AEOs without ensuring compliance of KPIs which resulted in irregular payment.

The matter was reported to PAO in August, 2023. DDO replied that Inspection Allowance was allowed to the AEOs after observing all codal formalities under the rules. The reply was not tenable because the allowance was paid without verification of KPIs by the CEO, DEA Layyah.

DAC in its meeting held on 18.01.2024, directed to probe the matter for authorizing payment of Inspection Allowance without ensuring the achievement of KPIs. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2020-21, 2019-20 and 2018-19 vide para(s) number 5.4.4, 5.2.5.2.7 and 5.2.2.16 respectively having financial impact of Rs 37.118 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 7]

Others

2.9.4 Unauthentic expenditure on remunerations of literacy teachers – Rs 12.336 million

According to Clause 4.3 and 9.1 of Annexure-II of the PC-I for Punjab Accelerated Functional Literacy & Non-Formal Basic Education Project, "In each district, 40 CLCs in 30 UCs will be established to promote literacy and learning. The CLCs will provide literacy as well as functional skills including aspects related to agriculture, horticulture, livestock and other similar courses. There will be two teachers in CLCs. Basic literacy will be imparted by a literacy teacher whereas functional skills will be imparted by skills/vocational teacher."

During audit of DEA Layyah for the FY 2022-23, it was observed that DEO (Literacy), Layyah made payment of remuneration / stipends to teachers amounting to Rs 12.336 million for the Financial Years 2017-18 to 2022-23 but the appointment record, attendances duly verified by the supervisor and record of replaced and renewal of contracts of concerned teacher not available. The outcome against the expenditure was also not documented. The detail of expenditure is as under:

(Rupees in million)

Year	No. of Replaced Teacher	Project Name	Months	Monthly Rate	Amount
2017	26	PNFEP	12	4,000	1.248
2018	47	TSKL	12	4,000	2.256
2019	74	PNFEP	12	4,000	3.552
2020	2	PNFEP	12	5,000	0.120
2021	23	PNFEP	12	5,000	1.380
2022	29	PNFEP	12	7,000	2.436
2023	16	NCHD	12	7,000	1.344
Total					**12.336**

Due to weak internal controls, remuneration / stipend was paid to teachers without adopting proper procedure which resulted in unauthentic expenditure.

The matter was reported to PAO in August, 2023. DDO replied that record regarding contracts & renewal of contracts of teachers w.e.f. 2017 to 2023 under different projects (NFBE, TSK, BECS, and NCHD etc.) was available. The reply was not tenable because no record in support of reply was produced.

DAC in its meeting held on 18.01.2024, directed the DDO to produce the complete record for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 13]

2.9.5 Loss due to payment of inadmissible allowances to employees – Rs 3.325 million

According to Government of the Punjab, School Education Department Notification No.SO(SE-III)2-16/2007(P-V) dated 07.08.2015, "The Educators already appointed on contract basis are regularized w.e.f. 19.10.2019 and their pay was to be fixed at the initial of the respective pay scales. These appointees shall not be entitled to the payment of 30% SSB." Furthermore, according to S&GAD notification No.SOR-III(S&GAD)2-8/2018 dated 19.01.2021, "The services of in- service contract employees who are recruited under rule 17-A of the Punjab Civil Servants Appointment and Conditions of Services Rules, 1974 should be regularized from the date of their initial recruitment / induction into Government service, subject to recovery of 30% SSB." Moreover, according to Government of the Punjab Education Department (School Wing) letter No.SO(S-III)1-2-16/2007 dated 24.09.2007, "Conveyance / mobility allowance is not admissible during the period of leave of any kind or vacations."

During audit of DEA Layyah for the FY 2022-23, it was observed that Deputy DEO (EE-W) Layyah and two other DDOs made payment of inadmissible pay and allowances to employees amounting to Rs 3.325 million for the Financial Years 2021-22 and 2022-23 on account of Social Security Benefit, Conveyance Allowance, Charge Allowance, Personal Allowance and salary during absent from duty. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	Deputy DEO (EE-W), Layyah	Personal Allowance and salary during absent period	0.742
2	Deputy DEO (EE-M), Choubara	Conveyance Allowance during vacation and leave	0.300
		Special Allowance	0.168
		Social Security Benefit	1.445
		Integrated Allowance	0.080
		Salaries during absent period	0.235
		Penalty imposed by authority	0.066
3	DEO (Literacy), Layyah	Grant of time scale without admissibility	0.223
		Charge Allowance	0.066
Total			**3.325**

Due to weak internal controls, inadmissible pay and allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. DDOs replied that recovery was in progress. Audit stressed to effect recovery from the defaulters.

DAC in its meeting held on 18.01.2024, directed to recover the remaining amount within one month and stoppage of such allowances. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s).

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.9.15, 2.2.4.2, 5.4.7, 5.2.5.2.13 and 5.2.2.11 respectively having financial impact of Rs 203.282 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 2, 5, 12, 14]

2.3.4.13 2.10 District Education Authority, Lodhran

There are 229 formations in DEA Lodhran out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.10.1 Irregular procurement of water coolers – Rs 1.045 million

According to minutes of meeting of Focal Person Water Cooler Project with Deputy Director (Finance), PMIU-PESRP dated 12.11.2021, "No retailer / dealer should be involved and purchase should directly be made from manufacturer/ factory." Further, according to PMIU-PESRP Government of the Punjab letters No. PD/PMIU/WC/2021-24526 dated 04.02.2022 and No. PMIU/FCDO/P-SCRP/WC/ 2021-24465 dated 26.01.2022, "Procurements of water coolers had not been made as per specifications in the three out of four districts visited by the Provincial Technical Committee. So, CEO DEAs were directed to observe transparent procurements according to the relevant rules and approved specifications and payment may not be made prior to the satisfactory report of the Provincial Technical Committee."

During audit of DEA Lodhran for the FY 2022-23, it was observed that school councils of various schools under the administrative control of Deputy DEO (EE-W), Dunyapur purchased electric water coolers costing Rs 1.045 million during Financial Year 2021-22. Funds were received from Program Monitoring & Implementation Unit, Punjab Education Sector Reforms Program (PMIU-PESRP), Government of the Punjab for procurement of water coolers under

Insaaf Afternoon Schools Program (IASP) in Tehsil Dunyapur along with specifications of electric water cooler. Neither District Procurement Committee was involved in the process nor Provincial Technical Committee was asked for inspection of specifications. Further, water coolers were purchased in deviation of the specifications notified by the Government. **(Annexure-9)**

Due to weak internal controls, expenditure was incurred without inspection / satisfactory report of the Provincial Technical Committee which resulted in irregular procurement.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests made by Audit vide letter No. RDDA-MLN/F.164/CD-1492 dated 18.09.2023, No. 1709 dated 21.11.2023 and No. 1797 dated 22.12.2023.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 10]

Value for money and services delivery issues

2.10.2 Irregular payment of Inspection Allowance – Rs 12.665 million

According to Government of the Punjab, School Education Department letter No.SO(Budget)1-15/2013(V-II) dated 15.01.2018 read with clarification issued by Government of the Punjab, Finance Department vide letter No. IT(FD) 6-23/91(Vol-III) dated 09.08.2019, "Payment of Inspection Allowance @ Rs 25,000 per month was granted to Assistant Education Officers (AEO) subject to verifiable Key Performance Indicators (KPIs) developed by School Education Department in consultation with DFID and their verification by the CEOs of respective DEAs."

During audit of DEA Lodhran for the FY 2022-23, it was observed that CEO allowed payment of Inspection Allowance amounting to Rs 12.665 million for the Financial Years 2021-22 and 2022-23 to the AEOs without ensuring compliance of KPIs.

Due to weak internal controls, Inspection Allowance was paid to the AEOs without ensuring compliance of KPIs which resulted in irregular payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 14]

2.10.3 Loss due to theft of solar panels and allied accessories – Rs 4.910 million

According to Rule 2.33 of PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DEA Lodhran for the FY 2022-23, it was observed that head teachers of thirty two schools working under administrative control of Deputy DEOs (EE -W) Dunyapur and Lodhran failed to ensure safe custody of solar panels and allied accessories installed in various elementary and primary schools. Resultantly, solar panels and its allied accessories costing Rs 4.910 million were stolen. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Description**	**No. of Schools**	**Financial Year(s)**	**Amount**
1	Deputy DEO (EE-W), Dunyapur	Loss due to theft of solar penal items	14	2021-22 to 2022-23	2.800
2	Deputy DEO (EE-W), Lodhran	Theft of solar energy panels of various schools	18	2022-23	2.110
Total			**32**		**4.910**

Due to weak internal controls, solar panels and its allied accessories were stolen which resulted in loss.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends proper action be taken for prompt recovery of stolen items besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 vide para(s) number 2.10.4 having financial impact of Rs 33.500 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 2, 4]

2.10.4 Irregular appointment of teachers and payment of salaries – Rs 2.770 million

According to condition 4 of letter of agreement for appointment of teacher issued by the DEO (EE-W) District Lodhran, "Selected candidates who don't possess professional qualification will have to acquire the requisite qualification within five years, otherwise their contract will be terminated."

During audit of DEA Lodhran for the FY 2022-23, it was observed that Deputy DEO (EE-W), Lodhran made payment of salaries to five teachers amounting to Rs 2.770 million who were appointed during 2017 and could not acquire their required professional qualification within stipulated time period. Furthermore, the contract of said teachers was also not terminated by the DEA. The detail is as under:

(Rupees in million)

Sr. No.	Name of Teacher	Date of Contract	05 years period to complete B.Ed. Ends on	B.Ed. Status on 28.07.2022	Amount
1	Noureen Altaf	28.07.2017	28.07.2022	Not Completed	0.554
2	Hafeez Bibi				0.554
3	Nighat Sohail				0.554
4	Samina Aleem				0.554
5	Kausar Sultana				0.554
Total					**2.770**

Due to weak internal controls, teachers were recruited without having prescribed qualification resulting in irregular appointments and payment of salaries.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 5]

2.10.5 Non-imposition of penalty against unregistered schools – Rs 1.217 million

According to the Punjab Private Educational Institutions (Promotions and Regulation) Ordinance 2016, "The owner of every institution shall get it registered from registering authority before starting the business of the institution and in case of failure, penalty / fine to the extent of Rs 0.300 million to Rs 4 million may be imposed." Further, according to Government of the Punjab, School Education Department letter No.SO(A-II)3-3/99(P) dated 22.01.2009, "The registration and annual inspection fee for each elementary / primary school will be Rs 5,000 and Rs 500 respectively." Furthermore, the registration and annual inspection fee for each high / higher secondary school was Rs 7,000 and 1,000 respectively."

During audit of DEA Lodhran for the FY 2022-23, it was observed that CEO did not impose penalty against the owners of three private schools functioning without registration. Resultantly, due to no punitive action against the unregistered schools, income on account of registration and annual inspection fee and penalty amounting to Rs 1.217 million was not realized from defaulters.

Due to weak internal controls, action was not taken against unregistered schools under the Law which resulted in non-imposition of penalty.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends imposition of fine and recovery of fees besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2018-19 vide para(s) number 12.2.3.12 having financial impact of Rs 3.360 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 11]

Others

2.10.6 Loss to District Authority due to non-deposit of receipts in Account-V – Rs 22.129 million

According to Government of the Punjab, Finance Department, Letter No. BI-3(120)(AGP)2017-18 dated 16.08.2019, "All the DEAs and DHAs in the Punjab are directed regarding Accounts-V & VI that all Public Accounts receipts as well as Consolidated Funds receipts are transferred to the Provincial Consolidated Funds or Provincial Public Account Fund as the case may be except the heads of accounts i.e. C02865, C02866, C02814, C03616 related to A/C-V & VI of the DEAs and DHAs."

During audit of DEA Lodhran for the FY 2022-23, it was observed that local receipts pertaining to Consolidated Fund Receipts of Account-V on account of C02814 Education – General Recoveries of Overpayments amounting to Rs 22.129 million were deposited into Account-I of the Provincial Government instead of Account-V of DEA.

Due to weak financial management, DEA receipts were not deposited in District Education Authority Fund, Account-V which resulted in loss to the authority.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends transfer of receipts from Account-I to Account-V besides fixing responsibility against the person(s) at fault.

[AIR Para: 3]

2.10.7 Loss due to payment of inadmissible pay and allowances to employees – Rs 6.636 million

According to Clause 9 of the Punjab Regularization of Service Act 2018, "Contract employee, on regularization, shall be allowed the initial stage of pay and the increments earned shall be converted into Personal Allowance but no other privilege allowed to a contract employee shall be admissible including SSB etc." Moreover, according to Rule 1.15(2) of the Punjab Traveling Allowance Rules, "Conveyance Allowance will not be admissible during leave or joining time."

During audit of DEA Lodhran for the FY 2022-23, it was observed that CEO and two other DDOs made payment of inadmissible pay and allowances amounting to Rs 6.636 million to employees for the Financial Years 2021-22 and 2022-23 on account of SSB after regularization of services, Conveyance Allowance during vacations / leave / lock down period, Personal Allowance due to wrong fixation of pay, payment of Integrated Allowance, inadmissible salary etc. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Financial Year(s)	Amount
1	CEO, DEA Lodhran	Inadmissible allowances / excess than admissibility	2022-23	1.040
2	Deputy DEO (EE-W), Dunyapur	Inadmissible pay and allowances	2021-22 & 2022-23	1.489
3	Deputy DEO (EE-W), Lodhran	Conveyance Allowance during summer vacation / leave	2022-23	3.052
		Social Security Benefit after regularization of services	2022-23	1.055
Total				**6.636**

Due to weak internal controls, inadmissible pay and allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of overdrawn amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.10.6, 2.2.4.5, 13.4.8, 13.2.5.2.9

and 12.2.4.1 respectively having financial impact of Rs 121.560 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 18, 7, 2, 6]

2.11 District Education Authority, Multan

There are 244 formations in DEA Multan out of which 10 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.11.1 Irregular procurement of water coolers – Rs 5.016 million

According to minutes of meeting of Focal Person Water Cooler Project with Deputy Director (Finance), PMIU-PESRP dated 12.11.2021, "No retailer / dealer should be involved and purchase should directly be made from manufacturer/ factory." Further, according to PMIU-PESRP Government of the Punjab letters No. PD/PMIU/WC/2021-24526 dated 04.02.2022 and No. PMIU/FCDO/P-SCRP/WC/ 2021-24465 dated 26.01.2022, "Procurements of water coolers had not been made as per specifications in the three out of four districts visited by the Provincial Technical Committee. So, CEO DEAs were directed to observe transparent procurements according to the relevant rules and approved specifications and payment may not be made prior to the satisfactory report of the Provincial Technical Committee."

During audit of DEA Multan for the FY 2022-23, it was observed that school councils of various schools under the administrative control of Deputy DEOs (EE-W), City Multan and Shujabad purchased electric water coolers costing Rs 5.016 million for the Financial Years 2021-22 and 2022-23. Funds were received from Program Monitoring & Implementation Unit, Punjab Education Sector Reforms Program (PMIU-PESRP), Government of the Punjab for procurement of water coolers under Insaaf Afternoon Schools Program (IASP) in Tehsil Multan and Shujabad along with specifications of electric water cooler. Neither District Procurement Committee was involved in the process nor Provincial Technical Committee was asked for inspection of specifications. Further, water coolers were purchased in deviation of the specifications notified by the Government. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Financial Years	Amount

1	Deputy DEO (EE-W), City Multan	Non-transparent procurement of water coolers	2021-22 to 2022-23	1.596
2	Deputy DEO (EE-W), Shujabad			3.420
Total				**5.016**

Due to weak internal controls, expenditure was incurred without inspection / satisfactory report of the Provincial Technical Committee which resulted in irregular procurement.

The matter was reported to PAO in August, 2023. DDOs replied that purchases were made in compliance with Government instructions and according to rules. Reply was not tenable because Government instructions regarding purchase of water coolers directly from manufacturer through District purchase Committee according to Government approved specification were violated.

DAC in its meeting held on 19.01.2024, directed the CEO to hold inquiry regarding procurement of electric water coolers in violation of approved guidelines / instructions of Government and submit report within fifteen days. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 8, 3]

Value for money and services delivery issues

2.11.2 Non-vacation of encroached school land – Rs 126.215 million

According to Section 17(6) of the PLGA 2013, "The Chairman and Chief Executive Officer of the Authority (DEA / DHA) shall be personally responsible to ensure that the business of the Authority is conducted proficiently, in accordance with the law, and to promote the objectives of the Authority."

During audit of DEA Multan for the FY 2022-23, it was observed that DEO (EE-M), Multan submitted report to the Deputy Commissioner, Multan regarding vacation of land / property of eleven schools measuring 252.43 marlas from illegal occupants. However, Deputy Commissioner and CEO, DEA did not make strenuous efforts to get the school land valuing Rs 126.215 million (value of land measuring 252.43 marlas @ Rs 0.500 million per Marla) vacated from encroachers.

Due to weak internal controls, action was not taken against illegal occupants which resulted in non-vacation of encroached school land.

The matter was reported to PAO in August, 2023. DDO replied that matter had been taken up with higher office for vacation of school land. The reply was not tenable because school land was not got vacated from illegal occupants.

DAC in its meeting held on 19.01.2024, directed the CEO to enquire the matter regarding vacation of encroached school land and submit report. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 4]

2.11.3 Unauthorized retention of public money in DDO bank accounts – Rs 32.161 million

According to Rule 2.10(3) of PFR Vol-1, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Vol-1."

During audit of DEA Multan for the FY 2022-23, it was observed that as per bank statements of DDO bank accounts of CEO and two other DDOs amount of Rs 32.161 million was available as on 30.06.2023. However, status of available balance was not produced during audit. Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book. The detail is given below:

(Rupees in million)

Sr. No.	DDOs	Financial Year(s)	Amount
1	CEO, DEA Multan	2022-23	29.541
2	Deputy DEO (EE-M), Jalapur Pirwala	2019-20 to 2022-23	1.809
3	Deputy DEO (EE-W), Shujabad	2021-22 to 2022-23	0.811
Total			**32.161**

Due to weak internal controls, funds were parked in DDO bank accounts without plausible justification which resulted in unauthorized retention of public money.

The matter was reported to PAO in August, 2023. DDOs replied that there was no advance withdrawal from Government treasury. However, in some cases, amounts remained undisbursed due to posting / transfer of DDOs and the same were disbursed in subsequent months. Reply was not tenable because no disbursement record was produced in support of reply to Audit for verification.

DAC in its meeting held on 19.01.2024, directed the DDOs to produce record in support of reply to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 vide para(s) number 14.2.5.3.4 having financial impact of Rs 9.630 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 19, 6, 10]

2.11.4 Irregular payments to vendors in cash – Rs 15.646 million

According to Rule 4(1)(a)&(b) of the Punjab District Authorities (Accounts) Rules 2017, "The mode of making payment from local fund of a District Authority shall be that the payment up to rupees one thousand may be made in cash and payment exceeding one thousand shall be made through crossed non-negotiable cheque."

During audit of DEA Multan for the FY 2022-23, it was observed that Deputy DEO (EE-M), Jalalpur Pirwala and Principal, Government Girls High School, New Central Jail Multan made payments amounting to Rs 15.646 million out of NSB / FTF to the vendors / suppliers in cash instead of cross non-negotiable cheques in violation of above rules. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Financial Year(s)	Amount
1	Deputy DEO (EE-M), Jalalpur Pirwala	Irregular cash payments	2019-20 to 2022-23	4.891
2	Principal, Government Girls Higher School New Central Jail Multan	Irregular cash payment	2010-11- to 2022-23	10.755
Total				**15.646**

Due to weak internal controls, claims were paid to vendors in cash instead of cross cheques which resulted in irregular payments.

The matter was reported to PAO in August, 2023. DDOs replied that payments were made on account of utility bills and remuneration to care givers/ chowkidar through cheques. Reply was not tenable because payments were made through open cheques instead of cross non-negotiable cheques and no record was produced in support of reply to Audit for verification.

DAC in its meeting held on 19.01.2024, directed the DDOs to produce record for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.11.11, 14.2.5.3.13, and 14.2.2.11 respectively having financial impact of Rs 5.391 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 7, 3]

2.11.5 Loss due to theft of solar panels and allied accessories – Rs 6.343 million

According to Rule 2.33 of PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DEA Multan for the FY 2022-23, it was observed that head teachers of forty five schools working under administrative control of Deputy DEO (EE-M), Jalalpur Pirwala and Deputy DEO (EE-W), Shujabad failed to ensure safe custody of solar panels and allied accessories installed in various elementary and primary schools. Resultantly, solar panels and its allied accessories costing Rs 6.343 million were stolen. The detail is given in the following table.

(Rupees in million)

Sr. No.	DDOs	No. of Schools	Financial Year(s)	Amount
1	Deputy DEO (EE-M), Jalalpur Pirwala	14	2019-20 to 2022-23	2.188
2	Deputy DEO (EE-W), Shujabad	31	2022-23	4.155
Total		**45**		**6.343**

Due to weak internal controls, solar panels and allied accessories were stolen which resulted into loss.

The matter was reported to PAO in August, 2023. DDOs replied that FIRs had been lodged with Police Authorities by Schools Management and progress would be shown. Reply was not tenable as no record was produced in support of reply to Audit for verification and no efforts were made for recovery of loss.

DAC in its meeting held on 19.01.2024, directed the CEO to constitute inquiry committee regarding subject matter and submit report within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 2, 6]

2.11.6 Irregular hiring of teachers for Insaf schools – Rs 5.810 million

According to Government of the Punjab, School Education Department letter No.SO(SNE)Upgradation/2021(IASP) dated 12.11.2021, "For evening classes preference will be given to the teacher of the same school or nearby schools. In case of non-availability of teachers, both from same and nearby schools, private teachers may be hired by the respective school councils by inviting applications locally under the notified policy of School Teacher Interns (STIs) i.e. age limit 20 year to 55 years, SSC 55 marks, HSSC 15 marks, Graduation 15 marks, Master 25 Marks and interview 5 marks. Moreover, honorarium will be paid to IASP teacher via crossed cheque out of the funds released in bank account of the school council."

During audit of DEA Multan for the FY 2022-23, it was observed that head teachers of various primary schools under the administrative control of Deputy DEO (EE-W) City, Multan hired private teachers in Insaaf Afternoon Schools without observing the government policy and paid irregular honorarium amounting to Rs 5.810 million for the Financial Years 2021-22 and 2022-23.

Due to weak administration and internal controls, teachers were recruited without observing the prescribed policy which resulted in irregular hiring and payment of honorarium.

The matter was reported to PAO in August, 2023. DDO replied that teachers were hired after full filling the codal formalities. Reply was not tenable as no recruitment record i.e. approval of school councils, applications from candidates and short listing of applicants on merit was produced to Audit for verification.

DAC in its meeting held on 19.01.2024, directed the DDO to produce record for verification within fifteen days. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 7]

Others

2.11.7 Loss to District Authority due to non-deposit of receipts in Account-V – Rs 63.242 million

According to Government of the Punjab, Finance Department, Letter No. BI-3(120)(AGP)2017-18 dated 16.08.2019, "All the DEAs and DHAs in the Punjab are directed regarding Accounts-V & VI that all Public Accounts receipts as well as Consolidated Funds receipts are transferred to the Provincial Consolidated Funds or Provincial Public Account Fund as the case may be except the heads of accounts i.e. C02865, C02866, C02814, C03616 related to A/C-V & VI of the DEAs and DHAs."

During audit of DEA Multan for the FY 2022-23, it was observed that local receipts pertaining to Consolidated Fund Receipts of Account-V on account of C02814 Education – General Recoveries of Overpayments amounting to Rs 63.242 million were deposited into Account-I of the Provincial Government instead of Account-V of DEA.

Due to weak financial management, DEA receipts were not deposited in District Education Authority Fund, Account-V which resulted in loss to the authority.

The matter was reported to PAO in August, 2023. DDO replied that all the recoveries of overpayments had been deposited into Account-V of DEA Multan instead of head of accounts of the Provincial Government. Reply was not tenable because no record in support of reply was produced to Audit for verification.

DAC in its meeting held on 19.01.2024, directed the DDO to get certificate from the DAO regarding deposit of recoveries into Account-V of DEA. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 vide para(s) number 2.11.14 having financial impact of Rs 68.014 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 6]

2.11.8 Loss due to payment of inadmissible allowances – Rs 20.907 million

According to Government of the Punjab, Finance Department letter No.FD.PR.21-35/2013 dated 14.12.2016, "Conveyance Allowance is not admissible to the staff of vacation departments during vacations." Further, according to School Education Department, Government of the Punjab Notification No.SO(SE-III)2-16/2007 dated 19.10.2009 read with S&GAD,

Government of the Punjab letters No.(O&M) S&GAD)5-3/2013 dated 01.03.2013, "The contract employees will not be entitled for SSB after regularization of their services."

During audit of DEA Multan for the FY 2022-23, it was observed that Deputy DEO (EE-W) City, Multan and five other DDOs made payment of various allowances amounting to Rs 20.907 million to employees either without admissibility or beyond entitlement for the Financial Years 2005-06 to 2022-23 on account of Conveyance Allowance, House Rent Allowance, Personal Allowance etc. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	Deputy DEO (EE-W), City Multan	Conveyance Allowance during winter vacation	1.140
		Inadmissible allowances	1.508
2	Principal, GGHSS Model Shamsabad Colony 2 Multan	HR Allowance, 5% HRC and Conveyance Allowance	2.576
		Conveyance Allowance during vacation	3.312
3	Principal, GGHS New Central Jail Multan	Inadmissible allowances	6.452
4	Principal, GGHSS Comprehensive Gulgasht Colony Multan	HR Allowance and 5% HRC	1.344
5	Principal, GHSS Comprehensive Bosan road Multan	Personal Allowance after regularization	1.004
		Conveyance Allowance during summer & winter vacation	1.635
6	Principal, Government Moon Light GHSS New Multan	Conveyance Allowance during vacation	1.086
		Conveyance Allowance during Leave	0.850
Total			**20.907**

Due to weak internal controls, inadmissible allowances were paid to employees which resulted in loss.

The matter was reported to PAO in August, 2023. DDOs replied that recoveries were in process and progress would be shown to Audit. Reply was not tenable as no record was produced in support of reply to Audit for verification.

DAC in its meeting held on 19.01.2024, directed the DDOs to expedite the recovery. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.11.9, 3.2.4.7, 14.6.1, 14.2.5.3.5, 14.2.5.3.6, 14.2.5.3.7, and 14.2.4.2 respectively having financial impact of Rs 283.230 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 3, 5, 6, 14, 6, 6, 3, 4, 1, 6]

2.11.9 Loss due to non-recovery of Government receipts – Rs 6.077 million

According to Rule 68 of the Punjab District Authorities (Budget) Rules 2017, "The primary obligation of the collecting officer shall be to ensure that all revenue due is claimed, realized and credited immediately to the District Authority fund."

During audit of DEA Multan for the FY 2022-23, it was observed that Principal, Government Girls High School New Central Jail Multan and three other DDOs did not recover auction money from contractors of canteen and cycle stand amounting to Rs 6.077 million for the Financial Years 2005-06 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Financial Year(s)	Amount
1	Principal, Government Girls High School New Central Jail, Multan	2007-08 to 2022-23	1.067
2	Principal, Government Girls Higher Secondary School Comprehensive Gulgasht Colony, Multan	2013-14 to 2022-23	1.185
3	Principal, Government Higher Secondary School (Boys) Comprehensive Bosan road Multan	2019-20	3.317
4	Principal, Government Moon Light Girls Higher Secondary School New Multan	2005-06 to 2022-23	0.508
Total			**6.077**

Due to weak internal controls, Government receipts were not recovered which resulted in loss to the Government exchequer.

The matter was reported to PAO in August, 2023. DDOs replied that letters had been written to the defaulters. Reply was not tenable as no recovery was made.

DAC in its meeting held on 19.01.2024, directed the DDOs to take necessary action for immediate recovery from defaulters. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2019-20 vide para numbers 14.2.5.4.3 and 14.2.5.4.6 respectively having financial impact of Rs 37.235 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 1, 7, 6, 5]

2.3.4.14 2.12 District Education Authority, Muzaffargarh

There are 215 formations in DEA Muzaffargarh out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.12.1 Unauthorized expenditure on leave encashment and financial assistance – Rs 359.764 million

According to Rule 8 (1) (b) of the Punjab District Authorities (Budget) Rules 2017, "It is responsibility of DDO to incur expenditure strictly against the allocation under the relevant object code and in accordance with the rules." Furthermore, according to Rule 27(1)(c) of the Punjab District Authorities (Accounts) Rules 2017, "DDOs, expenditure sanctioning authorities and budget accounts officer shall ensure for claims preparation that availability of funds in the relevant object code of the charge is there."

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that Government of the Punjab, Finance Department released amount of Rs 15.826 million to CEO, DEA Muzaffargarh for payment of claims of leave encashment and financial assistants during Financial Year 2022-23. Whereas, CEO issued release orders for Rs 375.590 million during the financial year for payment of said claims without any budgetary allocation in originally approved budget against DDOs concerned in respective head of accounts to proceed the cases. Further, scrutiny of record depicted that above said amount was released for clearance of claims out of non-salary components in lump-sum which caused extra financial burden of Rs 359.764 million on DEA fund than the actual allocation made by the Finance Department.

Due to financial mismanagement, leave encashment and financial assistance were paid without allocation of funds in original budget of the DDOs concerned which resulted in unauthorized expenditure.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests made by Audit vide letter No.RDA/DGK/CD-982 dated 14.09.2023, No.1034 dated 22.09.2023 and No.1176 dated 13.10.2023.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 16]

2.12.2 Unauthorized expenditure out of school council funds – Rs 129.433 million

According to School Council Policy 2007, “All expenditure shall be incurred with prior approval of the school council and all purchases/ execution of work shall be carried out in a transparent and economical manner. Maintain record of planned development projects of school according to priority on Form-6 and expenditure on execution of development work will be on minimum market rates. If 2/3 quorum of meeting are not present, the meeting shall be postponed and new date of meeting shall be conveyed to all members.” Moreover, according to Government of the Punjab Education Department (School Wing) letter No.SO (SNE) PMU/2010 (P) dated 11.3.2013, “The School Council shall be authorized to spend up to a maximum of four lacs in one financial year i.e. July to June.”

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that head teachers of various schools working under administrative control of DEO (EE-M), Muzaffargarh and three other DDOs allowed payments amounting to Rs 129.433 million out of NSB to various suppliers on account of contingent expenditure without approval from School Councils. Further, the expenditure on procurement was made without advertisement and maintenance of cash book. The detail is given in the following table.

(Rupees in million)

Sr. No.	**DDOs**	**Description**	**Amount**
	Deputy DEO (EE-W), Muzaffargarh	Irregular Expenditure out of SMC / NSB Fund	14.100
	Deputy DEO (EE-W), Kot Addu	Expenditure by School Councils beyond permissible limit	5.949
		Irregular expenditures from NSB funds	24.636
	Principal GGHSS, Daira Din Pannah	Irregular Incurrence of expenditure against Farogh-e-Taleem Fund (FTF)	1.744
		Irregular Expenditure on Repair and Maintenance of Building from NSB Funds	1.093
	Deputy DEO (EE-M), Muzaffargarh	Doubtful expenditure out of SMC / NSB Fund	81.911
Total			**129.433**

Due to weak internal controls, expenditure was incurred without observing policy guidelines which resulted in unauthorized expenditure.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.12.12, 6.2.5.3.3 and 6.2.2.4 respectively having financial impact of Rs 48.283 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 9, 7, 11, 2, 3, 9]

2.12.3 Unauthorized retention of public money in DDO bank accounts – Rs 59.792 million

According to Rule 2.10(3) of PFR Vol-1, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Vol-1."

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that as per bank statements of DDO bank accounts of CEO and three other DDOs amount of Rs 59.792 million was available as on 30.06.2023. However, status of available balance was neither produced during audit. Whereas, as per cash book all payments were shown disbursed. Resultantly, whereabouts of said amount were remained unknown as detail of closing balance was not given in the cash book. The detail is given below:

(Rupees in million)

Sr. No.	**DDOs**	**Description**	**Period**	**Amount**
1	CEO, DEA Muzaffargarh	Funds from PMIU for Madaris	30.06.2023	8.677
2	Deputy DEO (EE-W), Kot Addu	Closing balance of NSB/FTF accounts of 292 schools		47.892
3	Deputy DEO (EE-W), Muzaffargarh	NSB funds double Shift Schools etc.		1.503
4	Principal, GGHSS, Daira Din Pannah	NSB Funds		1.720
Total				**59.792**

Due to weak internal controls, funds were parked in DDO bank accounts without plausible justification which resulted in unauthorized retention of public money.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Paras: 8, 6, 6, 9]

2.12.4 Irregular payment of salaries against erratic posting of teachers – Rs 52.148 million

According to Government of the Punjab, DPI (SE) letter No.1236/AdmnF-1 dated 01.02.2005 and Education Department (School Wing) letter No.SO(S-V)1-33/2003 dated 19.05.2006 "Ensure the postings / transfers of all the officers in commensurate with their regular grade / subject / cadre and the existing erratic / mismatch postings be rectified."

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that CEO made irregular payment of salaries amounting to Rs 52.148 million to forty-seven teachers who remained posted against irrelevant posts as evident from School Information System (SIS) data.

Due to weak internal controls, teachers were not posted against their relevant posts which resulted in irregular payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR Para: 6]

2.12.5 Irregular payment of honorarium to staff of IASP – Rs 23.560 million

According to Para 2(iv)&(v) of letter No.DDP/PMIU/2019-17599 dated 29.03.2019 read with letter dated 12.11.2021 regarding establishment of schools under Insaaf Afternoon Schools Program (IASP), "Minimum enrolment for elementary schools was 100 students. For selection of teachers, preference will be given to the teacher of the same school or nearby school. However, in case of non-availability, private teachers may be hired by the respective school councils under the notified policy of school teachers' interns (STIs) and honorarium will be paid to teachers via cross cheque out of the funds provided for the purpose."

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that various head teachers working under administrative control of Deputy DEO (EE-W), Kot Addu paid honorarium amounting to Rs 23.560 million to staff of IASP for the Financial Years 2021-22 and 2022-23. Expenditure on remuneration of ISAP teachers was incurred without evidence regarding fulfilling the criteria for selection of schools, minimum enrolment required for holding afternoon classes and assessment of staff requirement.

Due to weak internal controls, employees were recruited and funds were utilized in violation of prescribed policy and without maintenance of requisite record which resulted in irregular payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry besides fixing responsibility against the person(s) at fault.

[AIR Para: 5]

2.12.6 Irregular sanction of arrear claims of pay and allowances without financial powers – Rs 6.346 million

According to Sr.No.18 (IV) of Delegation of Financial Powers Rules 2016, "The Officers in categories I-IV are competent to accord the sanction of arrears of pay, allowances, etc., not more than three years old, of a Government Servant to whom they are competent to appoint."

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that Deputy DEO (EE-W), Muzaffargarh sanctioned and made payment amounting to Rs 6.346 million for the Financial Years 2020-21 to 2022-23 against arrear claim of pay and allowances of teachers BS-14 & BS15, while, the officer was not the competent authority to appoint the said category of teachers as well as not competent to accord the sanction of arrears claim of BS-14 & BS-15.

Due to weak financial controls, arrear claim of pay and allowances was sanctioned by unauthorized officer which resulted in irregular expenditure.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR Para: 8]

2.12.7 Unauthentic expenditure on Madaris – Rs 6.159 million

According to Sections 6 & 17 of the Punjab Seized and Freezed Institutions (Madaris and Schools) Act 2019, "The Board shall have the powers to recruit and determine terms and conditions of employees of the institutions, formulate the budget of the institutions, lay down the procedure for the conduct of its business. The Board may frame regulations for delegation of administrative and financial powers to the Directorate, a Committee or an employee of the Board, manner in which the Board Fund shall be disbursed, procurement of goods and services and any other matter within the scope of the Act."

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that CEO made payment of Rs 6.159 million to two Madaris on account of salary and non-salary expenditure. While making payment the department did not ensure that the salaries were fixed keeping in view the prescribed parameters. Moreover, bank accounts and various essential documents were also not verified before fixation / payment of salaries to staff of Madaris.

Due to weak managerial controls, salaries of the management of Madrassa were fixed without parameters which resulted in unauthentic expenditure.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides provision of relevant record and deposit of taxes into the Government treasury.

[AIR Para: 3]

2.12.8 Irregular appointment of teachers and payment of salaries – Rs 4.213 million

According to condition 4 of letter of agreement for appointment of teacher issued by the DEO (EE-W) District Muzaffargarh, “Selected candidates who don’t possess professional qualification will have to acquire the requisite qualification within five years, otherwise their contract will be terminated.”

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that Deputy DEO (EE-W), Kot Addu made payment of salaries to 19 teachers amounting to Rs 4.213 million, who were appointed during 2017 and could not acquire their required professional qualification within stipulated time period. Furthermore, the contract of said teachers was also not terminated by the DEA.

Due to weak internal controls, teachers were recruited without having prescribed qualification resulting in irregular appointment and payment of salaries.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 13]

Value for money and service delivery issues

2.12.9 Wasteful expenditure on establishment of Insaf Afternoon Schools – Rs 30.938 million

According to letter No. DD(P)/PESR/GENERAL/2021/22943 dated 12.07.2021 issued by Program Director PMIU- PERSP, “Programme Director PMIU directed that enrolment drive was launched with particular focus on dropped out, missed out and never gone to school children during the prolonged closure of school twice in the wake of COVID-19 Pandemic.” Moreover, according to Sr. No. (3), (4) and (5) letter No. DDP/PMIU/2019-17599 dated 29.03.2019 issued by the PMIU-PERSP Lahore, “The CEOs are required to convey clear directions to all concerned schools to immediately start enrolment in upgraded afternoon classes and hire part time teachers as per policy guidelines. Moreover, reports of enrolment and teaching activities will be submitted to the Minister and Secretary of the School Education Department on a monthly basis. The CEOs are expected to play a leading role in this special initiative and issue necessary instructions to field staff to start enrolment in the selected afternoon schools in their respective districts.”

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that CEO selected total 266 Insaf Afternoon schools out of which 66 schools subsequently were closed by the department due to less enrolment and other issues. The Payment of Rs 30.938 million was made to these closed schools and remaining claims of these closed schools of Rs 1.023 million were pending till 30.06.2023. This act showed that Government funds were wasted and outcomes / objectives of the initiatives taken by the Government were not achieved. Moreover, record of students appeared in any exam which enrolled in IAN Schools was not available for verification of payment.

Due to weak administrative controls, schools were selected under Insaf Afternoon School initiative without observing actual need, which resulted in closure of schools and wastage of funds.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 19]

2.12.10 Loss due to theft of solar panels and allied accessories – Rs 6.603 million

According to Rule 2.33 of PFR Volume-I, “Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.”

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that CEO and Deputy DEO (EE-M), Muzaffargarh failed to ensure safe custody of solar panels installed in 95 elementary and primary schools, resultantly solar panels costing Rs 6.603 million were stolen. Moreover, prompt action was not taken to recover the stolen items. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**No. of Schools**	**Amount**
1	CEO, DEA Muzaffargarh	73	3.650
2	Deputy DEO (EE-M), Muzaffargarh	22	2.953
Total		**95**	**6.603**

Due to weak internal controls, solar panels and its allied accessories were stolen which resulted in loss.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends proper action be taken for prompt recovery of stolen items besides fixing responsibility against the person(s) at fault.

[AIR Paras: 22, 8]

Others

2.12.11 Loss due to payment of inadmissible pay & allowances to employees – Rs 155.506 million

According to Government of the Punjab, Finance Department Notification No.FD.PR.21-35/2013 dated 14.12.2016, "Conveyance Allowance is not admissible to the staff of vacation departments during vacations." Further, according to Government of the Punjab, School Education Department Notification No. SO(SE-III)2-16/2007(P-V) dated 07.08.2015, "The Educators already appointed on contract basis under the provision of contract policy are regularized w.e.f. 19.10.2019, and their pay was to be fixed at the initial of the respective pay scale and services period of contract shall not be counted for any purpose Pension, gratuity, leave, etc.). These appointees shall not be entitled to the payment of 30% SSB."

During audit of DEA Muzaffargarh for the FY 2022-23, it was observed that CEO and four other DDOs made payments of Rs 155.506 million on account of pay and allowances, social security benefit, conveyance allowance, qualification allowance and personal allowance to the employees without admissibility. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	CEO, DEA Muzaffargarh	Conveyance Allowance during leave	0.244
2	Principal, Government Girls Higher Secondary School, Daira Din Pannah	Conveyance Allowance	2.412
3	Deputy DEO (EE-W), Muzaffargarh	Social Security Benefit	1.960
		Salary during absent period	0.030
		Conveyance Allowance during vacations	14.713
		Conveyance Allowance during Vacations	4.955
		Integrated Allowance	3.276

Sr. No.	DDOs	Description	Amount
		Salary during EOL and Conveyance Allowance during leave	1.540
		SSB to regular employees	16.401
		Non fixation of Basic pay on initial basic after regularization	14.451
4	Deputy DEO (EE-M), Muzaffargarh	SSB to regular employees	15.371
		Non fixation of Basic pay on initial basic after regularization	21.433
		Adhoc allowances 2017, 2018, 2019, 2020 and 2021	23.580
		Personal Allowance after promotions	0.201
		Conveyance Allowance during leave	0.345
		Science Teaching Allowance	0.020
		Personal Allowance to Contract employees	1.190
		Qualification Allowance	3.180
		Conveyance Allowance during vacations	15.656
5	Deputy DEO (EE-W), Kot Adu	Conveyance Allowance during leave	0.943
		Social Security Benefit	2.061
		Conveyance Allowance during vacations	11.462

Sr. No.	DDOs	Description	Amount
		NAB Allowance	0.010
			0.072
Total			**155.506**

Due to weak internal controls, inadmissible pay and allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.12.15, 3.2.4.1, 6.3.2, 6.2.5.3.12 and 6.2.2.5 respectively having financial impact of Rs 123.120 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 13, 18, 7, 4, 7, 4, 2]

2.3.4.15 2.13 District Education Authority, Pakpattan

There are 112 formations in DEA Pakpattan out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.13.1 Mis-procurement of stationery and other store items – Rs 3.568 million

According to Rule 9 of the Punjab Procurement Rules 2014, “A procuring agency shall announce in an appropriate manner all proposed procurement for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. The annual requirements thus determined would be advertised in advance on the PPRA’s website.”

During audit of DEA Pakpattan for the FY 2022-23, it was observed that CEO incurred expenditure amounting to Rs 3.568 million for repeated purchase of stationery, computer stationery, purchase of hard ware, machinery and purchase of furniture without calling quotations / adopting tendering process. Annual requirement of procurement opportunities was neither determined nor planned procurements were advertised on PPRA’s website. The procurements were made through splitting. **(Annexure-10)**

Due to weak internal controls, purchases were made without quotations and adopting tendering process which resulted in mis-procurement.

The matter was reported to PAO in August, 2023. DDO replied that splitting of expenditure was not made deliberately. However, purchases were made in peace meal due to release of budget on quarterly basis. Reply was not tenable because purchases were made by splitting the cost of procurements.

DAC in its meeting held on 30.01.2024, directed the DDO to produce annual demand and record of allocation of budget on pro-rata basis. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.13.5, 15.2.5.2.8 and 15.2.2.8 respectively having financial impact of Rs 21.625 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 7]

Value for money and services delivery issues

2.13.2 Irregular payment of Inspection Allowance – Rs 15.853 million

According to Government of the Punjab, School Education Department letter No.SO(Budget)1-15/2013(V-II) dated 15.01.2018 read with clarification issued by Government of the Punjab, Finance Department vide letter No. IT(FD) 6-23/91(Vol-III) dated 09.08.2019, "Payment of Inspection Allowance @ Rs 25,000 per month was granted to Assistant Education Officers (AEO) subject to verifiable Key Performance Indicators (KPIs) developed by School Education Department in consultation with DFID and their verification by the CEOs of respective DEAs."

During audit of DEA Pakpattan for the FY 2022-23, it was observed that CEO made payment of Inspection Allowance amounting to Rs 15.853 million for the Financial Years 2021-22 and 2022-23 to the 57 AEOs without ensuring compliance of KPIs.

Due to weak internal controls, Inspection Allowance was paid to the AEOs without ensuring compliance of KPIs which resulted in irregular payment.

The matter was reported to PAO in August, 2023. DDO replied that letter had been issued to controlling authorities of AEOs for provision of record regarding achievement of KPIs. Reply was not tenable because no record was produced in support of reply to Audit for verification.

DAC in its meeting held on 30.01.2024, directed CEO to constitute an inquiry committee to evaluate the extent of performance of AEOs on KPIs and payment allowed accordingly. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2018-19 vide para(s) number 15.2.5.2.6 and 15.2.2.5 respectively having financial impact of Rs 31.350 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 12]

2.13.3 Irregular payments to vendors in cash – Rs 10.843 million

According to Rule 4(1)(a)&(b) of the Punjab District Authorities (Accounts) Rules 2017, "The mode of making payment from local fund of a District Authority shall be that the payment up to rupees one thousand may be made in cash and payment exceeding one thousand shall be made through crossed non-negotiable cheque."

During audit of DEA Pakpattan for the FY 2022-23, it was observed that Deputy DEO (EE-M) and Deputy DEO (EE-W), Arifwala made payments amounting to

Rs 10.843 million from NSB account in cash to the vendors / suppliers in violation of above rules. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Description**	**Amount**
1	Deputy DEO (EE-M), Arifwala	Payments in cash instead of crossed cheques.	5.122
2	Deputy DEO (EE-W), Arifwala		5.721
Total			**10.843**

Due to weak internal controls, payments were made in cash to vendors resulting in irregular payments.

The matter was reported to PAO in August, 2023. DDOs replied that payments were made with the consent and approval of school councils. Reply was not tenable because payments were made in violation of rules.

DAC in its meeting held on 30.01.2024, directed the CEO to issue warning to the DDOs concerned for non-production of record to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2018-19 vide para(s) number 2.13.8 and 15.2.2.13 respectively having financial impact of Rs 2.820 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 11, 11]

2.13.4 Unauthorized retention of public money in DDO bank accounts – Rs 2.747 million

According to Rule 2.10(3) of PFR Vol-1, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Vol-1."

During audit of DEA Pakpattan for the FY 2022-23, it was observed that as per bank statements of DDO bank accounts of CEO and Government Girls High School Colony Area Pakpattan amount of Rs 2.747 million was available as on 30.06.2023. However, status of available balance was not produced during audit. Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Financial Year(s)	Amount
1	CEO, DEA Pakpattan	2022-23	1.502
2	Principal, GGHS Colony Area Pakpattan	2018-19 to 2022-23	1.245
Total			**2.747**

Due to weak internal controls, funds were parked in DDO bank accounts without plausible justification which resulted in unauthorized retention of public money.

The matter was reported to PAO in August, 2023. DDOs replied that balance shown as on 30.06.2023 pertained to honorarium of PEC which was subsequently disbursed to the payees concerned through cross cheques and bank invoices. Reply was not tenable because no record in support of reply was produced to Audit for verification.

DAC in its meeting held on 30.01.2024, directed DDOs to get the record verified from Audit at the earliest. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 11, 9]

Others

2.13.5 Loss due to payment of inadmissible allowances to employees – Rs 76.991 million

According to Rule 9(b) of the Punjab District Authorities (Accounts) Rules 2017, "The DDO and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss." Further, according to Government of the Punjab, Finance Department Notification No.FD.PR.21-35/2013 dated 14.12.2016, "Conveyance Allowance is not admissible to the staff of vacation departments during vacations."

During audit of DEA Pakpattan for the FY 2022-23, it was observed that CEO and three other DDOs made payment of inadmissible allowances amounting to Rs 76.991 million to various employees for the Financial Years 2018-19 to 2022-23 on account of SSB after regularization of services, Conveyance Allowance during vacations / leave due to wrong fixation of pay, payment of Integrated Allowance etc. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Financial Year(s)	Amount
1	CEO, DEA Pakpattan	Pay and allowances during leave	2022-23	1.431
		Conveyance Allowance during summer & winter vacations		8.980
		Charge Allowance		1.131
		Social Security Benefit despite regularization of employees		35.150
2	Deputy DEO (EE-M), Arifwala	Payment of inadmissible allowance		2.570
		Inadmissible allowances		1.140
3	Deputy DEO (EE-W), Arifwala	Payment of inadmissible allowances		2.800
4	DEO (SE), Pakpattan	Payment of inadmissible allowances	2018-19 to 2022-23	23.789
Total				**76.991**

Due to weak internal controls, inadmissible allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. DDOs replied that recovery was in process. Audit stressed to expedite the recovery.

DAC in its meeting held on 30.01.2024, directed the DDOs to produce progress of recovery and get record verified from Audit. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.13.10, 4.2.4.3, 15.6.1, 15.2.5.2.9, 15.2.5.2.11, 15.2.5.2.16 and 15.2.3.4 respectively having financial impact of Rs 94.832 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 5, 19, 20, 21, 3, 7, 14, 4]

2.3.4.16 2.14 District Education Authority, Rahim Yar Khan

There are 348 formations in DEA Rahim Yar Khan out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.14.1 Irregular appointment of over-aged employees – Rs 9.523 million

According to Para (5)(b)(c) of Recruitment Policy 2022 issued by Government of the Punjab, S&GAD (Regulation wing) vide No.SOR-IV (S&GAD)10-142/2021 dated 09.03.2022, "No recruitment shall be made without observing rules and prescribed procedure. Hence, no question arises for relaxation of qualification, experience, physical criteria etc. as provided in the relevant service rules, except as prescribed under the rules. The relevant Selection Committees shall ensure that recruitments are made strictly on merit and in accordance with the rules, selection criteria and other provisions of this policy."

During audit of DEA Rahim Yar Khan for the FY 2022-23, it was observed that CEO allowed payment of Rs 9.523 million on account of pay & allowances to 51 new appointees out of 388 selected candidates who were appointed without observing codal formalities specially age limit for the Financial Years 2021-22 to 2022-23. **(Annexure-11)**

Due to weak internal controls, candidates were selected without observing selection criteria which resulted in irregular appointments.

The matter was reported to PAO in August, 2023. CEO replied that appointments were made after observing procedural and codal formalities in accordance with appointment rules. Reply was not tenable as department recruited candidates without observing the age limit.

DAC in its meeting held on 18.01.2024 directed the CEO to inquire the matter within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 19]

Others

2.14.2 Irregular payment of salaries against erratic posting of teachers – Rs 199.627 million

According to Government of the Punjab, DPI (SE) letter No.1236/AdmnF-1 dated 01.02.2005 and Education Department (School Wing) letter No.SO(S-V)1-33/2003 dated 19.05.2006 "Ensure the postings / transfers of all the officers in commensurate with their regular grade / subject / cadre and the existing erratic / mismatch postings be rectified."

During audit of DEA Rahim Yar Khan for the FY 2022-23, it was observed that CEO made irregular payment of salaries amounting to Rs 199.627 million to two hundred and seven teachers who remained posted against irrelevant posts as evident from School Information System (SIS) data.

Due to weak internal controls, teachers were not posted against their relevant posts which resulted in irregular payment.

The matter was reported to PAO in August, 2023. CEO replied that reflection of erratic postings on SIS was due to system error. However, necessary rectifications had been made in the system. Reply was not tenable as erratic postings were not rectified.

DAC in its meeting held on 18.01.2024 directed the CEO to get the expenditure regularized from the competent authority within a month besides rectification of erratic posts. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.14.3 having financial impact of Rs 170.943 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 8]

2.14.3 Loss due to theft of solar panels and allied accessories – Rs 27.450 million

According to Rule 2.33 of PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DEA Rahim Yar Khan for the FY 2022-23, it was observed that head teachers of 205 schools working under administrative control of CEO failed to ensure safe custody of solar panels and allied accessories installed in various elementary and primary schools. Resultantly, solar panels and its allied accessories costing Rs 27.450 million were stolen.

Due to weak internal controls, solar panels and its allied accessories were stolen which resulted in loss.

The matter was reported to PAO in August, 2023. CEO replied that incidents of theft of solar panels in different schools were occurred due to non-availability of school guards. However, FIRs had been lodged with Police Department. Reply was not tenable as no proper follow-up was carried out for recovery of loss from the concerned.

DAC in its meeting held on 18.01.2024 directed the CEO to ensure recovery of stolen items besides fixing responsibility against the person(s) at fault. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.14.8 having financial impact of Rs 5.431 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 5]

2.14.4 Loss due to payment of inadmissible allowances to employees – Rs 10.872 million

According to Government of the Punjab, Finance Department letter No.FD.PR-9-4/86(P)(PT.II) (PR) dated 21.08.2015, "Conveyance Allowance is compensation to those employees who spend daily expenditure either to reach offices or back to home." Further, according to Rule 2.31 of the PFR, Volume-I, "A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation."

During audit of DEA Rahim Yar Khan for the FY 2022-23, it was observed that CEO and two other DDOs made payment of inadmissible allowances amounting to Rs 10.872 million to five hundred and thirty three employees for the Financial Years 2021-22 and 2022-23 on account of Qualification Allowance, Special Allowance, Conveyance Allowance during vacations / leave / lock down period etc. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Nature of Allowance	No. of Employees	Amount
1	CEO, DEA Rahim Yar Khan	Special Allowance	150	7.547

2	Deputy DEO (EE-M), Sadiqabad	CA and Special Allowance to AEOs etc.	222	2.213
3	Deputy DEO (EE-W), Khanpur	Science Teaching Allowance, Qualification Allowance etc.	161	1.112
Total			**533**	**10.872**

Due to weak internal controls, inadmissible allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. DDOs replied that recovery was in progress. Reply was not tenable as recovery of overpayment was not made from the concerned.

DAC in its meeting held on 18.01.2024 directed the DDOs to expedite the recovery. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s).

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.14.11, 3.2.4.5, 3.5.2, 3.2.5.2.7 and 3.2.4.1 respectively having financial impact of Rs 522.725 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 6, 4, 7]

2.3.4.17 2.15 District Education Authority, Rajanpur

There are 111 formations in DEA Rajanpur out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.15.1 Unauthorized diversion of funds to other schemes – Rs 87.910 million

According to clause 2.106 of B&R Code, “It must be distinctly understood that contributions on account of one work can, in no circumstances, be utilized in meeting outlay on account of another work, the contributions for which may be in arrears.”

During audit of DEA Rajanpur for the FY 2022-23, it was observed that CEO transferred funds amounting to Rs 176.273 million to XEN, Buildings Division Rajanpur vide letter number 01/DD(B&A)/DEV dated 28.9.2022 for execution of 39 ongoing development schemes for the year 2021-22. Later on, the administrative approval was forwarded by the CEO, DEA vide No. 2094/P&D/ dated 19.10.2022 for execution of 41 development schemes for the financial year 2022-23 without transfer of funds. The funds amounting to Rs 87.910 million allocated for the schemes started earlier were utilized for the schemes endorsed on later stage. The progress report showed that the earlier schemes physical progress was 0% to 72% which mean those were incomplete due to diversion of funds. The detail is as under:

(Rupees in million)

Description of Schemes	**No. of Schemes**	**Expenditure**
Construction of shelter less schools	7	24.892
Missing facilities	6	11.181
Dangerous schools	4	10.789
Additional class rooms	9	19.361
Partially dangerous	15	21.687
Total	**41**	**87.910**

Due to weak financial management, funds of already sanctioned schemes were diverted toward other schemes which resulted in unauthorized diversion / utilization of funds.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests made by Audit vide letter No.RDA/DGK/CD-982 dated 14.09.2023, No.1034 dated 22.09.2023 and No.1176 dated 13.10.2023.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 7]

2.15.2 Irregular expenditure out of NSB – Rs 67.628 million

According to School Council Policy 2007, issued by Government of the Punjab (PESRP) vide No.SO(S-III)2-12/2006 dated 06.08.2007, "All expenditure shall be incurred with prior approval of the school council and all purchases / execution of work shall be carried out in a transparent and economical manner."

During audit of DEA Rajanpur for the FY 2022-23, it was observed that CEO and three other DDOs made payment of Rs 67.628 million out of NSB to various suppliers on account of purchase of stores and repair & maintenance work. However, expenditure was incurred without approval of school councils, maintenance of cash book, stock register and consumption record. Physical verification of repair works was not conducted by the school councils. Further, the payments were made to vendors in cash instead of crossed cheques. Further the amount was paid to shelter less schools without justification. The detail is given in the following table.

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	CEO, DEA Rajanpur	Unauthorized release of grant to shelter less schools.	2.490
2	Deputy DEO (EE-M), Rajanpur	Purchase of stores and repair & maintenance works etc.	0.443
			11.607
3	Deputy DEO (EE-M), Jampur		49.134
4	Principal, Government Tariq Shaheed Higher Secondary School Kot Mithan	Non-refund of loan taken for payment of electricity bills.	1.231
		Purchase of stores and repair & maintenance work etc.	2.723
Total			**67.628**

Due to weak internal controls, expenditure was made without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number, 4.2.4.4, 7.4.1, 7.2.5.3.5 and 7.2.2.7 respectively having financial impact of Rs 110.112 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 12, 12, 13, 3, 2, 6]

2.15.3 Unauthorized / excess release of funds to building department – Rs 26.677 million

According to Government of the Punjab, Finance Department Notification No.SO(H-1)I-41/2017(P&SHCD)(AD)(Prov) dated 04.04.2019 regarding guidelines for Deposit Works, "The authority shall make the payment of approved cost of the scheme to the concerned XEN. XEN shall execute the schemes and report progress to the authority. After execution of scheme, the XEN shall return the balance amount if any to the authority.” Furthermore, according to Rule 2.7 of the B&R Code, “In cases in which it becomes apparent during the execution of work that the amount administratively approved will be exceeded by more than 10.25 % or the amount of the technical sanction will be exceeded by more than 5 %, owing to increase of rates or other causes, the revised administrative approval of the competent authority must be obtained to the increased expenditure without any delay.”

During audit of DEA Rajanpur for the FY 2022-23, it was observed that CEO transferred / released funds amounting to Rs 308.203 million to XEN, Buildings Division for execution of various development schemes upto 30th June 2023 but the contractor’s agreement / work order cost against the on-going development schemes was Rs 281.526 million. So, the excess amount of Rs 26.677 million was released unauthorizedly and without justification.

Due to weak internal financial controls, funds were released without considering agreement cost which resulted in excess transfer of funds.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the persons at fault besides recovery of excess than agreed cost from the concerned.

[AIR Para: 3]

2.15.4 Irregular payment of Inspection Allowance – Rs 22.550 million

According to Government of the Punjab, School Education Department letter No.SO(Budget)1-15/2013(V-II) dated 15.01.2018 read with clarification issued by Government of the Punjab, Finance Department vide letter No. IT(FD) 6-23/91(Vol-III) dated 09.08.2019, "Payment of Inspection Allowance @ Rs 25,000 per month was granted to Assistant Education Officers (AEO) subject to verifiable Key Performance Indicators (KPIs) developed by School Education Department in consultation with DFID and their verification by the CEOs of respective DEAs."

During audit of DEA Rajanpur for the FY 2022-23, it was observed that Deputy DEO (EE-M), Rajanpur and two other DDOs made payment of Inspection Allowance amounting to Rs 22.550 million for the Financial Years 2021-22 and 2022-23 to the 61 AEOs without ensuring compliance of KPIs. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Financial Year(s)	No. of AEOs	Amount
1	Deputy DEO (EE-M), Rajanpur	2021-22 to 2022-23	17	10.250
2	Deputy DEO (EE-M), Jampur	2021-22 to 2022-23	34	9.400
3	Deputy DEO (EE-M), Rojhan	2021-22	10	2.900
Total			**61**	**22.550**

Due to weak internal controls, Inspection Allowance was paid to the AEOs without ensuring compliance of KPIs which resulted in irregular payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Paras: 11, 8, 11]

Value for money and service delivery issues

2.15.5 Loss due to theft of solar panels and allied accessories – Rs 6.509 million

According to Rule 2.33 of PFR Vol-I, “every government servant should realize fully and clearly that he will be held personally responsible for any loss sustained to Government through fraud on negligence on his part.”

During audit of DEA Rajanpur for the FY 2022-23, it was observed that Deputy DEO (EE-M), Rajanpur failed to ensure safe custody of solar panels installed in fifty elementary and primary schools. Resultantly solar panels and its allied accessories costing Rs 6.509 million were stolen. Moreover, prompt action was not taken to recover the stolen items.

Due to weak internal controls, solar panels and allied accessories were stolen which resulted in loss.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends proper action be taken for prompt recovery of stolen items besides fixing responsibility against the person(s) at fault.

[AIR Para: 10]

2.15.6 Irregular payment of salaries against erratic posting of teachers – Rs 4.466 million

According to Government of the Punjab, DPI (SE) letter No.1236/AdmnF-1 dated 01.02.2005 and Education Department (School Wing) letter No.SO(S-V)1-33/2003 dated 19.05.2006 “Ensure the postings / transfers of all the officers in commensurate with their regular grade / subject / cadre and the existing erratic / mismatch postings be rectified.”

During audit of DEA Rajanpur for the FY 2022-23, it was observed that Principal Government Tariq Shaheed, Higher Secondary School (Boys), Kot Mithan made irregular payment of salaries amounting to Rs 4.466 million for the Financial Years 2018-19 to 2022-23 to five teachers who remained posted against irrelevant posts as evident from School Information System (SIS) data.

Due to weak internal controls, teachers were not posted against their relevant posts which resulted in irregular payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR Para: 8]

Others

2.15.7 Loss due to payment of inadmissible pay and allowances to employees – Rs 19.144 million

According to Government of the Punjab, School Education Department Notification No. SO(SE-III)2-16/2007(P-V) dated 07.08.2015, "The Educators already appointed on contract basis under the provision of contract policy are regularized w.e.f. 19.10.2019, and their pay was to be fixed at the initial of the respective pay scale and services period of contract shall not be counted for any purpose Pension, gratuity, leave, etc.). These appointees shall not be entitled to the payment of 30% SSB." Further, according to Government of the Punjab, Finance Department Notification No.FD.PR.21-35/2013 dated 14.12.2016, "Conveyance Allowance is not admissible to the staff of vacation departments during vacations."

During audit of DEA Rajanpur for the FY 2022-23, it was observed that CEO and four other DDOs made overpayment of Rs 19.144 million to employees on account of inadmissible pay and allowances including SSB, Conveyance Allowance, Charge Allowance, Inspection Allowance, unauthorize scale promotion etc. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	CEO, DEA Rajanpur	Inadmissible allowances	0.217
2	Deputy DEO (EE-M), Rajanpur	Pay & allowance during absent period	1.015
		Pay & allowance due to unauthorized grant of BPS-16	0.884
		SSB and pay & allowances	4.927
3	Deputy DEO (EE-M), Jampur	Salaries due to non-fixation of pay after regularization	1.676
		Unauthorized pay & allowance	5.176
4	DeputyDEO (EE-M), Rojhan	Unauthorized Conveyance Allowance	3.323

Sr. No.	DDOs	Description	Amount
5	DeputyDEO (EE-W), Rojhan	Conveyance Allowance during vacation	1.866
		Conveyance Allowance despite allotment of designated vehicle	0.060
Total			**19.144**

Due to weak internal controls, inadmissible pay and allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry, fixing responsibility against the person(s) at fault for allowing inadmissible allowances and immediate stoppage of such allowances coupled with recovery of overpaid amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.15.11, 4.2.4.2, 7.4.2, 7.2.5.3.6 and 7.2.2.4 respectively having financial impact of Rs 127.225 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 10, 14, 3, 5, 1, 2, 4, 11, 6, 7, 8, 8]

2.15.8 Loss due to non recovery of Government receipts – Rs 15.384 million

According to Rule 2.31 of the PFR Vol-I, "a drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation." Furthermore, according to Rule 4.7(1) of the Punjab Financial Rule Vol-I, "It is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are credited correctly and promptly." Moreover, according to Rule 146(d) of the Punjab Local Government (Accounts) Rules, 2017, "The Collecting Officers shall ensure collection of local Government in a transparent manner beyond any doubt misappropriation, fraud, embezzlement or compromise."

During audit of DEA Rajanpur for the FY 2022-23, it was observed that Deputy DEO (EE-M), Rajanpur and Deputy DEO (EE-M), Jampur failed to recover government receipts amounting to Rs 15.384 million and deposit into Government treasury for the Financial Years 2021-22 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Description**	**Amount**
1	Deputy DEO (EE-M), Rajanpur	Non recovery / deposit of FTF	10.673
2	Deputy DEO (EE-M), Jampur	Non-recovery of embezzled amount	0.192
		Recovery against fake appointments	4.519
Total			**15.384**

Due to weak internal controls, receipts were not realized and deposited into Government treasury which resulted in loss to the Government exchequer.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and ensure recovery from the defaulters besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21 and 2019-20 vide para(s) number 2.15.12, 4.2.4.8, 7.4.7 and 7.2.5.3.8 respectively having financial impact of Rs 17.179 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 3, 5, 5]

2.3.4.18 2.16 District Education Authority, Sahiwal

There are 241 formations in DEA Sahiwal out of which 05 formations were audited during Audit Year 2023-24.

Value for money and services delivery issues

2.16.1 Unauthorized retention of public money in DDO bank accounts – Rs 41.788 million

According to Rule 2.10(3) (5) of PFR Vol-1, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Vol-1."

During audit of DEA Sahiwal for the FY 2022-23, it was observed that as per bank statements of DDO bank accounts of CEO and Deputy DEO (EE- M), Chichawatni amount of Rs 41.788 million was available as on 30.06.2023. However, status of available balance was not produced during audit. Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Financial Year	Amount
1	CEO, DEA Sahiwal	2022-23	38.034
2	Deputy DEO (EE-M), Chichawatni		3.754
Total			**41.788**

Due to weak internal controls, Government funds were parked in the DDO bank accounts without proper justification which resulted in unauthorized retention of public funds.

The matter was reported to PAO in August, 2023. DDOs replied that the funds were received under different programs which were not required to be disbursed immediately and most of the funds had been disbursed and remaining would be disbursed accordingly. The reply was not tenable as record was not produced in support of the reply to Audit for verification.

DAC in its meeting held on 22.01.2024, directed the DDOs to get the record verified from Audit within fifteen days. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.16.6 and 5.2.4.5 respectively having financial impact of Rs 9.200 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 10, 6]

2.16.2 Irregular payment of Inspection Allowance – Rs 22.305 million

According to Government of the Punjab, School Education Department letter No.SO(Budget)1-15/2013(V-II) dated 15.01.2018 read with clarification issued by Government of the Punjab, Finance Department vide letter No. IT(FD) 6-23/91(Vol-III) dated 09.08.2019, "Payment of Inspection Allowance @ Rs 25,000 per month was granted to Assistant Education Officers (AEO) subject to verifiable Key Performance Indicators (KPIs) developed by School Education Department in consultation with DFID and their verification by the CEOs of respective DEAs."

During audit of DEA Sahiwal for the FY 2022-23, it was observed that CEO allowed payment of Inspection Allowance amounting to Rs 22.305 million to the AEOs without ensuring compliance of KPIs.

Due to weak internal controls, Inspection Allowance was paid to the AEOs without ensuring compliance of KPIs which resulted in irregular payment.

The matter was reported to PAO in August, 2023. It was replied that DDOs concerned had been directed to get the expenditure regularized and stop submission of bills of Inspection Allowance without compliance of KPIs. Audit stressed that DDO admitted the irregularity.

DAC in its meeting held on 22.01.2024, directed the DEO (SE) to inquire the matter regarding achievement of KPIs issued by School Education Department. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2018-19 vide para(s) number 16.2.2.15 having financial impact of Rs 1.275 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 11]

2.16.3 Irregular payments to vendors in cash – Rs 17.234 million

According to Rule 4(1)(a)&(b) of the Punjab District Authorities (Accounts) Rules 2017, "The mode of making payment from local fund of a District Authority shall be that the payment up to rupees one thousand may be made in cash and payment exceeding one thousand shall be made through crossed non-negotiable cheque."

During audit of DEA Sahiwal for the FY 2022-23, it was observed that CEO and three other DDOs made payments amounting to Rs 17.234 million for the Financial Years 2019-20 to 2022-23 from DDO / NSB account to the vendors / suppliers in cash instead of cross non-negotiable cheques in violation of above rules.

The detail is given below:

(Rupees in million)

Sr. No.	DDOs	Description	Financial Year(s)	Amount
1	CEO, DEA Sahiwal	Payments made in cash instead of cheques	2022-23	1.546
2	Deputy DEO (EE-M), Chichawatni	Payments made in cash instead of cheques	2021-22 to 2022-23	5.418
3	Deputy DEO (EE-W), Sahiwal	Payments made in cash instead of cheques	2022-23	1.253
4	Principal, Government Boys High School Sahiwal	Payments made in cash instead of cheques	2019-20 to 2022-23	9.017
Total				**17.234**

Due to weak internal controls, payments were made in cash to vendors resulting in irregular payments.

The matter was reported to PAO in August, 2023. DDOs admitted the irregularity and submitted that payments were made in cash due to unavoidable reasons. Audit stressed to get regularized the matter from the competent authority.

DAC in its meeting held on 22.01.2024, directed the DDOs to get the expenditure regularized from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.16.9 and 5.2.4.4 respectively having financial impact of Rs 4.216 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 4, 11, 11, 7]

Others

2.16.4 Loss due to payment of inadmissible pay and allowances to employees – Rs 25.094 million

According to Government of the Punjab, Finance Department letter No.FD.PR.21-35/2013 dated 14.12.2016, "Conveyance Allowance is not admissible to the staff of vacation departments during vacations." Further, according to Government of the Punjab, School Education Department Notification No.SO(SE-III)2-16/2007 dated 19.10.2009 read with S&GAD Punjab letters No.(O&M) S&GAD)5-3/2013 dated 01.03.2013, "The contract employees will not be entitled for SSB after regularization of their services."

During audit of DEA Sahiwal for the FY 2022-23, it was observed that CEO and four other DDOs made payment of inadmissible pay and allowances amounting to Rs 25.094 million to employees for the Financial Years 2015-16 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Financial Year(s)	Amount
1	CEO, DEA Sahiwal	Inadmissible allowances	2022-23	1.030
2	Deputy DEO (EE-M), Chichawatni		2021-22 to 2022-23	8.008
3	Deputy DEO (EE-W), Sahiwal	Conveyance Allowance during vacations	2022-23	2.394
		Inadmissible allowances		3.037
		Conveyance Allowance during leave		1.986
4	DEO (SE), Sahiwal	Inadmissible pay and allowances	2015-16 to 2022-23	3.233
		Conveyance Allowance during leave		1.891
5	Principal, Government Boys High School Sahiwal	Inadmissible allowances	2017-18 to 2022-23	3.515
Total				**25.094**

Due to weak internal controls, inadmissible pay and allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. DDOs replied that recovery was in process and progress would be shown to Audit. The reply was not tenable as no record in support of reply was produced to Audit for verification.

DAC in its meeting held on 22.01.2024, directed the DDOs to submit updated status of recovery and produce record to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.13.6, 5.2.4.6, 16.4.2, 16.2.5.2.8, 16.2.5.2.10, 16.2.5.3.2 and 16.2.3.5 respectively having financial impact of Rs 229.023 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 19, 9, 1, 4, 5, 4, 8, 9]

2.17 District Education Authority, Toba Tek Singh

There are 291 formations in DEA Toba Tek Singh out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.17.1 Irregular payments without creation of Pension Fund – Rs 37.755 million

According to Rule 6 of the Punjab District Authorities (Budget) Rules, 2017, "The Budget and Accounts Officer shall be responsible to maintain Pension Fund for the Government employees of Education or Health sectors adjusted in the District Authority." Further, according to Para 5 of Government of the Punjab, Finance Department Letter No.FD(DG)1-Insructions-Act-13/2016 dated 25.05.2017, "The concerned District Authority shall deposit monthly pension contribution @ 40% of the pay of serving employees w.e.f. 01.01.2017 to District Education Authority Pension Fund or District Health Authority Pension Fund, as the case may be, in prescribed manner."

During audit of DEA Toba Tek Singh for the FY 2022-23, it was observed that CEO transferred funds of Rs 37.755 million under GL Accounts "A04110" to pension payment bank account of local government cadre employees without creating Pension Fund as required under the rules.

Due to weak internal controls and poor financial management, Pension Fund was not created which resulted in irregular payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/ 1474 dated 30.11.2023, No.1485 dated 04.12.2023 and No. 1546 dated 18.12.2023.

Audit recommends to make efforts for creation of Pension Fund besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2018-19 vide para number 11.2.3.3 having financial impact of Rs 10.456 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 6]

2.17.2 Irregular payment of Inspection Allowance – Rs 5.772 million

According to Government of the Punjab, School Education Department letter No.SO(Budget)1-15/2013(V-II) dated 15.01.2018 read with clarification issued by Government of the Punjab, Finance Department vide letter No. IT(FD) 6-23/91(Vol-III) dated 09.08.2019, "Payment of Inspection Allowance @ Rs 25,000 per month was granted to Assistant Education Officers (AEO) subject to verifiable Key Performance Indicators (KPIs) developed by School Education Department in consultation with DFID and their verification by the CEOs of respective DEAs."

During audit of DEA Toba Tek Singh for the FY 2022-23, it was observed that Deputy DEO (EE-M), Kamalia paid Inspection Allowance amounting to Rs 5.772 million to eight AEOs for the Financial Years 2021-22 and 2022-23 without ensuring compliance of the KPIs.

Due to weak internal controls, Inspection Allowance was paid to the AEOs without ensuring compliance of KPIs which resulted in irregular payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against person(s) at fault.

[AIR Para: 1]

Others

2.17.3 Non-imposition of penalty and non-realization of revenue from unregistered schools – Rs 49.575 million

According to the Punjab Private Educational Institutions (Promotions and Regulation) Ordinance 2016, “The owner of every institution shall get it registered from registering authority before starting the business of the institution and in case of failure, penalty / fine to the extent of Rs 0.300 million to Rs 4 million may be imposed.” Further, according to Government of the Punjab, School Education Department letter No.SO(A-II)3-3/99(P) dated 22.01.2009, “The registration and annual inspection fee for each elementary / primary school will be Rs 5,000 and Rs 500 respectively.” Furthermore, the registration and annual inspection fee for each high / higher secondary school was Rs 7,000 and 1,000 respectively.”

During audit of DEA Toba Tek Singh for the FY 2022-23, it was observed that CEO failed to get 162 private schools registered and also not imposed penalty amounting to Rs 48.600 million against the owners of unregistered schools. Moreover, inaction against the owners of unregistered schools resulted in non-realization revenue amounting to Rs 0.975 million on account of Registration Fee and Annual Inspection Fee.

Due to weak internal controls, action was not taken against unregistered schools under the Law which resulted in non-imposition of penalty as well as realization of revenue.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends fixing responsibility against the person(s) at fault besides imposition of penalty and recovery of fees from the defaulters.

[AIR Para: 5]

2.17.4 Non-vacation of encroached school land – Rs 4.123 million

According to Rule 4 of the Punjab Local Government (Property) Rules, 2018, “The manager shall take as much care of the property entrusted to him as a man of ordinary prudence would, under similar circumstances, take of his own property of like nature. The manager shall be vigilant about and to check encroachments or wrongful occupations on property and in case there is any encroachment or wrongful occupation take necessary steps for the removal thereof.”

During audit of DEA Toba Tek Singh for the FY 2022-23, it was observed that CEO failed to get vacate the land of Government Elementary School 370/JB measuring 31 marlas valuing Rs 4.123 million (31 marlas x 0.133 million per marla as per valuation table) from five illegal occupants.

It was pertinent to mention here that writ petition pertaining to encroached land was also disposed of by the honorable Lahore High Court Lahore in favor of Education Department since 14.04.2023 but CEO did not make strenuous efforts for vacation of land till the date of audit.

Due to weak internal controls, action was not taken against illegal occupants which resulted in non-vacation of encroached school land.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends to make concrete efforts for vacation of land from illegal occupants besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2021.22, 2018-19 and 2017-18 vide para(s) number 4.2.4.10, 11.2.3.4 and 16.2.4.3 respectively having financial impact of Rs 68.270 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 7]

2.17.5 Loss due to payment of inadmissible pay and allowances to employees – Rs 3.759 million

According to Government of the Punjab, School Education Department Notification No.SO(SE-III)2-16/2007 dated 19.10.2009 read with Punjab S&GAD letters No.(O&M)S&GAD)5-3/2013 dated 01.03.2013 & 19.08.2013 and No.SOR-III(S&GAD)2-8/2018 dated 29.10.2019, "The pay of contract employees, upon regularization of their services, shall be fixed at the initial of the respective pay scales. Furthermore, according to Government of the Punjab, Finance Department letter No.FD.PR-9-4/86(P)(PT.II)(PR) dated 21.08.2015, "Conveyance Allowance is compensation to those employees who spend daily expenditure either to reach offices or back to home." Moreover, according to Rule 2.31 of the PFR, Volume-I, "A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation."

During audit of DEA Toba Tek Singh for the FY 2022-23, it was observed that Deputy DEO (EE-M), Kamalia and three other DDOs made excess payment of pay and allowances amounting to Rs 3.759 million to 72 employees for the Financial Years 2017-18 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	No. of Employees	Amount
1	Deputy DEO (EE-M), Kamalia	SSB after regularization of services	12	1.207
		Charge Allowance	01	0.012
2	Deputy DEO (EE-W), Kamalia	Special Allowance 2021	08	0.289
		SSB after regularization of services and other allowances at excessive rates	07	0.671
3	DEO (SE), Toba Tek Singh	Pay & allowances despite non-obtaining professional degree	01	0.263
		HRA, Conveyance Allowance and non-deduction of 5% HRC despite availability of designated residence	01	0.753
		Conveyance Allowance despite availability of official vehicle	01	0.060
4	Principal, GGHSS Rajana	Conveyance Allowance during vacation	41	0.504
Total			**72**	**3.759**

Due to weak internal controls, inadmissible pay and allowances were paid to employees resulting in loss to the Authority.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery of overpayment from the employees concerned besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021.22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.17.16, 4.2.4.3, 11.3.1 & 11.3.6 to 11.3.7, 11.2.5.2.5 and 11.2.2.8 respectively having financial impact of Rs 109.599 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 4, 3, 4, 7]

2.17.6 Excess payment due to non-deduction of taxes – Rs 1.719 million

According to Serial No.1(b)(ii), 2(ii)(b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of tax to be deducted from a payment for goods or services shall be 4.5% of gross amount payable. In the case of rendering of or providing of services, Income Tax shall be deducted @ 10% of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act, 2012, "Punjab Sales Tax on Services @ 16% shall be applicable on services provided."

During audit of DEA Toba Tek Singh for the FY 2022-23, it was observed that Deputy DEO (EE-M), Kamalia and two other DDOs failed to deduct Income Tax, PST and General Sales Tax amounting to Rs 1.719 million on prescribed rates from the claims of service providers and vendors for the Financial Years 2008-09 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	Deputy DEO (EE-M), Kamalia	Non-deduction of PST before making payments	0.038
		Non-deduction of Income Tax before making payments	0.023
		Charging of Income Tax in bills instead of payment by the supplier(s)	0.010
		Charging of 2% extra billing charges by suppliers(s)	0.004
2	Deputy DEO (EE-W), Kamalia	Non-deduction of 20% of GST and non-verification of 80% of GST	1.032
3	Principal, GGHSS Rajana	Non-deduction of Income Tax before making payments	0.056
		Non-deduction of PST before making payments	0.016
		Non-deduction of GST before making payments	0.469
		Charging of GST against exempted supplies	0.071
Total			**1.719**

Due to weak internal controls, taxes were not deducted before making payments which resulted in excess payment to vendors.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery of taxes besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021.22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.17.17, 4.2.4.7, 11.5.3, 11.2.5.2.9 and 11.2.2.9 & 11.2.2.12 respectively having financial impact of Rs 12.592 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 6, 6, 4]

2.3.4.19 2.18 District Education Authority, Vehari

There are 380 formations in DEA Vehari out of which 05 formations were audited during Audit Year 2023-24.

Value for money and service delivery issues

2.18.1 Loss due to theft of solar panels and allied accessories – Rs 17.600 million

According to Rule 2.33 of PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DEA Vehari for the FY 2022-23, it was observed that head teachers of 88 schools working under administrative control of CEO failed to ensure safe custody of solar panels and allied accessories installed in various elementary and primary schools. Resultantly, solar panels and its allied accessories costing Rs 17.600 million were stolen.

Due to weak internal controls, solar panels and its allied accessories were stolen which resulted in loss.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests made by Audit vide letter No. RDDA-MLN/F.164/CD-1492 dated 18.09.2023, No. 1709 dated 21.11.2023 and No. 1797 dated 22.12.2023.

Audit recommends proper action be taken for prompt recovery of stolen items besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 vide para(s) number 2.18.13 having financial impact of Rs 3.150 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 4]

2.18.2 Irregular payment of Inspection Allowance – Rs 3.192 million

According to Government of the Punjab, School Education Department letter No.SO(Budget)1-15/2013(V-II) dated 15.01.2018 read with clarification issued by Government of the Punjab, Finance Department vide letter No. IT(FD) 6-23/91(Vol-III) dated 09.08.2019, "Payment of Inspection Allowance @ Rs 25,000 per month was granted to Assistant Education

Officers (AEO) subject to verifiable Key Performance Indicators (KPIs) developed by School Education Department in consultation with DFID and their verification by the CEOs of respective DEAs."

During audit of DEA Vehari for the FY 2022-23, it was observed that Deputy DEO (EE-M), Mailsi allowed payment of Inspection Allowance amounting to Rs 3.192 million for the Financial Years 2021-22 and 2022-23 to the 19 AEOs without ensuring compliance of KPIs.

Due to weak internal controls, Inspection Allowance was paid to the AEOs without ensuring compliance of KPIs which resulted in irregular payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2018-19 vide para(s) number 17.2.5.2.1 and 17.2.3.4 respectively having financial impact of Rs 29.973 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 8]

2.18.3 Unauthorized retention of public money in DDO bank accounts – Rs 1.112 million

According to Rule 2.10(3) and 2.10(5) of PFR Vol-1, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Vol-I."

During audit of DEA Vehari for the FY 2022-23, it was observed that as per bank statement of DDO bank accounts of CEO and Deputy DEO (EE-M), Mailsi amount of Rs 1.112 million was available as on 30.06.2023. However, status of available balance was not produced during audit. Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Financial Year(s)	Amount
1	CEO, DEA Vehari	2022-23	0.527

2	Deputy DEO (EE-M), Mailsi	2021-22 and 2022-23	0.585
Total			**1.112**

Due to weak internal controls, funds were parked in DDO bank accounts without plausible justification which resulted in unauthorized retention of public money.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends fixing responsibility against the person(s) at fault.

[AIR Paras: 20, 6]

Others

2.18.4 Loss due to payment of inadmissible pay and allowances to employees – Rs 45.027 million

According to Government of the Punjab, Finance Department letter No.FD.PR.21-35/2013 dated 14.12.2016, "Conveyance Allowance is not admissible to the staff of vacation departments during vacations." Further, according to Rule 2.31 of the PFR, Volume-I, "A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation."

During audit of DEA Vehari for the FY 2022-23, it was observed that CEO and four other DDOs made payments of inadmissible pay and allowances to employees amounting to Rs 45.027 million for the Financial Years 2020-21 to 2022-23 on account of Conveyance Allowance, Integrated allowance, Charge Allowance, salary etc. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Financial Year(s)	Amount
1	CEO, DEA Vehari	Inadmissible pay and allowances	2022-23	10.830
		Recovery of salary due to forged degree		5.383
2	Deputy DEO (EE-M), Mailsi	Inadmissible Special Allowance	2022-23	1.153
		Inadmissible pay and allowances		13.226
3	Deputy DEO (EE-M), Vehari	Inadmissible pay and allowances	2021-22 to 2022-23	9.893
4	DEO (SE), Vehari	Inadmissible allowances	2020-21 to 2022-23	1.275
		Salary during leave without Pay		1.750
5	Headmaster, Government Boys Higher Secondary Model School Vehari	Inadmissible allowances	2020-21 to 2022-23	1.517
Total				**45.027**

Due to weak internal controls, inadmissible pay and allowances were paid to employees which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of overdrawn amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21 and 2019-20 vide para(s) number 2.18.12, 6.2.4.6, 17.5.2, 17.6.1 and 17.2.5.2.6, 17.2.5.2.9 and 17.2.5.2.10 respectively having financial impact of Rs 288.775 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 7, 14, 3, 12, 5, 2, 5, 1]

2.18.5 Irregular drawl of salary more than sanctioned post – Rs 1.810 million

According to Rule 9 (b) of the Punjab District Authorities (Accounts) Rules 2017, "The drawing and disbursing officer shall be responsible the drawing and disbursing officer and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss."

During audit of DEA Vehari for the FY 2022-23, it was observed that HM, Government Model Higher Secondary School Vehari allowed to draw the salary amounting to Rs 1.810 million in excess than the sanctioned post for the Financial Years 2018-19 to 2022-23. Upon comparison with HR / SAP data, it was observed that salary of security guard was drawn in excess than the sanctioned posts. The detail is as under:

(Rupees in million)

Personnel No.	Name of Employee	Cost Center	Job Title	Amount	Remarks
31729779	Muhammad Shafiq	VY6205	Guard	0.905	Sanctioned post was one but two Security Guards were working
32124135	Asif Latif	VY6205	Security Guard	0.905	
Total				**1.810**	

Due to weak management unjustified excess drawl of salary was made against the sanctioned post which resulted in irregular payment.

The matter was reported to PAO in August, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 3]

AUDIT REPORT

ON

THE ACCOUNTS OF

PUBLIC SECTOR COMPANIES

OF PUNJAB (SOUTH)

AUDIT YEAR 2023-24

PUBLIC SECTOR COMPANIES OF PUNJAB (SOUTH)

CHAPTER 1

Public Sector Companies - LG&CD Department

1.1 Introduction

Local Government and Community Development Department Government of the Punjab established PSCs in various Divisions of the Punjab during 2013-14 under the Punjab Local Government Act (PLGA) 2013. The PSCs (Punjab Cattle Market Management and Development Company and Waste Management Companies), were incorporated under Section 42 of the Companies Ordinance, 1984 and Companies Act, 2017 as companies limited by guarantee to function within the local government framework and adhere to the company laws and local government rules. Subsequently, during Financial Year 2022-23 cattle market management companies at divisional level were merged into Punjab Cattle Market Management and Development Company which has its divisional offices across the province.

A. Regulatory Framework

PSCs are state-owned entities working under the umbrella of Punjab Local Government and Community Development Department and their functions are governed under:

i. The Punjab Local Government Act, 2022
ii. The Companies Act, 2017
iii. Public Sector Companies (Corporate Governance Rules), 2013
iv. State Owned Enterprises (Governance and Operations) Act, 2023
v. The Punjab Procurement Rules, 2014
vi. Memorandum of Association
vii. Articles of Association
viii. Accounting and Financial Reporting Manual
ix. HR Manual and Procurement Manual

The Public Sector Companies (WMCs and PCMMDC) were incorporated under Section 42 of Companies Act, 2017. The operations of these Public Sector Companies (PSCs) are governed by a Board of Directors (BoD) nominated by Government of the Punjab. Board appoints the MD / CEO and may constitute other bodies, committees, sub-committees or panels from time to time. The PSC is competent to acquire, hold or transfer moveable and immovable property, enter into any contract and may sue & be sued in its name through MD / CEO.

The CEO / MD is the Principal Accounting Officer of the Company and is accountable to the Board and Public Accounts Committee of the Provincial Assembly. The chief executive is responsible for the management of the Public Sector Company and for its procedures in financial and other matters, subject to the oversight and directions of the Board, in accordance with the Laws and applicable rules. His responsibilities include implementation of strategies and policies approved by the Board, making appropriate arrangements to ensure that funds and resources are properly safeguarded and are used economically, efficiently and effectively and in accordance with all statutory obligations.

The responsibilities, powers and functions of Board are as under:

i. The directors of a Board shall be persons who, in opinion of the Government, shall assist the Public Sector Company to achieve its principal objective and the Board shall accordingly exercise its powers and carry out its fiduciary duties with a sense of objective judgment and in the best interest of the company.
ii. The Board shall ensure that professional standards and corporate values are in place that promotes integrity for the Board, senior management and other employees in the form 10 of a "Code of Conduct".
iii. The Board shall establish a system of sound internal control, which shall be effectively implemented at all levels within the Public Sector Company, to ensure compliance with the fundamental principles of probity and propriety; objectivity, integrity and honesty and relationship with the stakeholders.
iv. The Board shall adopt a vision or mission statement and corporate strategy for the Public Sector Company.
v. The Board shall also formulate significant policies of the Public Sector Company.
vi. The Board shall define the level of materiality, keeping in view the specific context of the Public Sector Company and the recommendations of any committee of the Board that may be set up for the purpose.
vii. The Board shall ensure compliance with policy directions received from Government from time to time.
viii. The Board shall ensure compliance with the reporting requirements received from the Government within the specified time-frame, related to, including but not limited to, audit, finance, parliamentary business, performance and ancillary matters.

B. Purpose and objectives for establishment of PSCs

The Waste Management Companies were organized & established for development in the field of solid waste management for the benefit of people and to provide sustainable, efficient and affordable waste management services for the citizens and also to provide necessary facilities in order to enable the existing Solid Waste Management System to undertake activities of income generation and enhance the quality of existing system.

The Punjab Cattle Market Management and Development Company was established to organize, operate and regulate cattle markets, to frame the contracts to outsource internal services, to manage and maintain the services of cattle markets in the Punjab.

C. Functions of PSCs

The key functions of Waste Management Companies are as under:

i. Developing and implementing framework for regulating Solid Waste Management service delivery.

ii. Managing the activities directly or indirectly related to generation, collection, separation, storage, reuse, recycling, transportation, transfer, reduction, treatment and disposal of Solid Waste.

iii. Taking all such steps as are deemed necessary and expedient for effective management of solid waste in order to safeguard public health, ensure that waste is reduced, collected, stored, transported, recycled, reused or disposed off, in an environmentally sound manner and promoting safety standards in relation to such waste.

iv. Promoting public awareness for waste reduction and comprehensive and efficient solid waste management.

v. Proposing cost recovery measures for services provided and suggesting actions regarding taxes, fees, user charges, surcharges, rents, rates in respect of solid waste management, receiving and appropriating all receipts recovered in respect thereof.

The functions of Punjab Cattle Market Management Company are as under:

i. Manage and maintain the services of Cattle Markets.

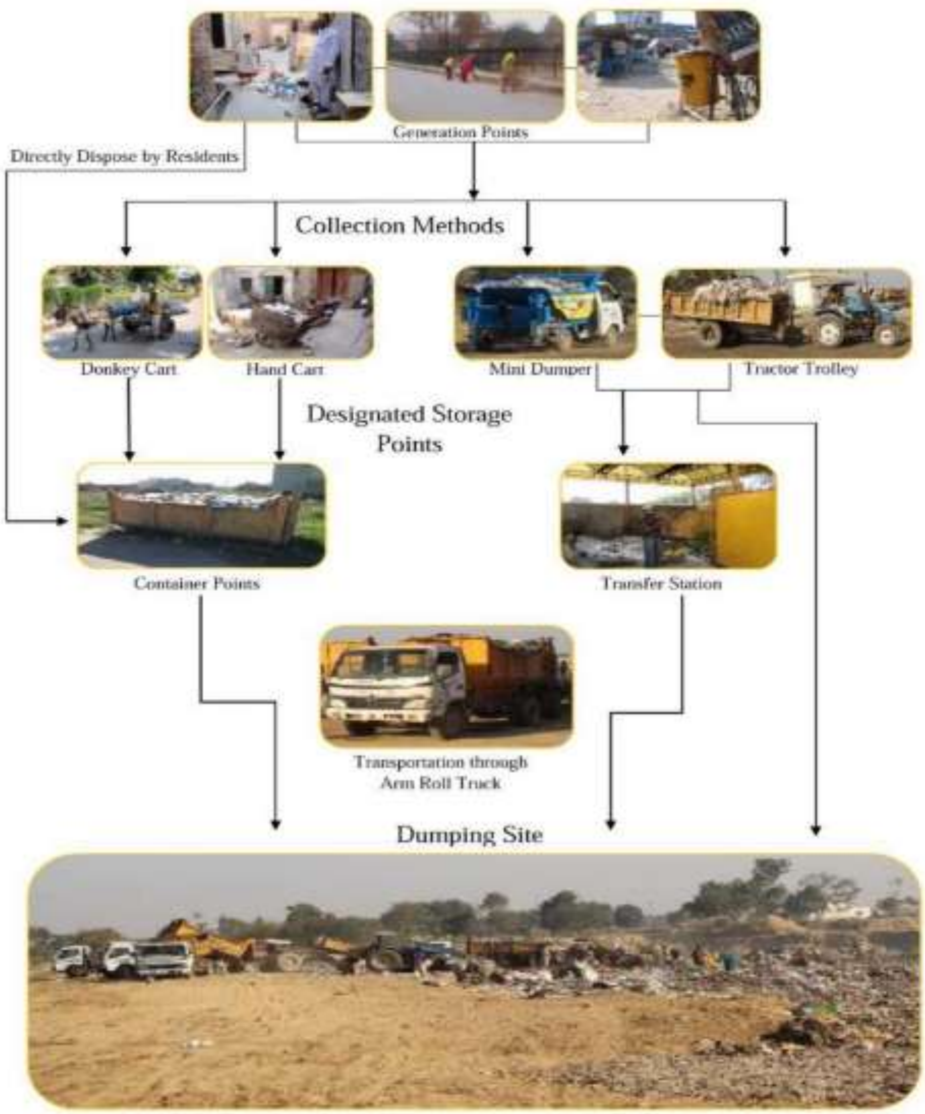
ii. Manage the data and record of the Company related to sale and purchase of animals.

iii. Devise framework for capacity building/guidance of different stakeholders regarding Cattle Market Management.

iv. Define the set of infrastructure and services for the Cattle Markets.

v. Develop revenue sources from animal waste, by-product and garbage and utilize it in the affairs of the Company.

Solid Waste Management: Management of solid waste is associated with the control of generation, storage, collection, transfer and transport, processing, and disposal of solid waste in a manner that is in accordance with the best principles of public health, economics, engineering, conservation, aesthetics and other environment considerations. The solid waste management process followed by the WMCs is highlighted in pictorial form as under:



D. Jurisdictional and service profile of PSCs

i. BWMC is providing services to 0.9 million people of 21 Union councils.

ii. DGKWMC is providing its services to a population of 0.399 million. The area under jurisdiction comprises of 17 union councils.

iii. FWMC is providing services in 157 Union Councils having 3.600 million population.

iv. MWMC is providing services in 68 Union Councils having 2.1 million population.

v. The 05 operational Divisions of PCMMDC in the Punjab South are managing the 83 cattle markets in 17 Districts.

Administrative structure of PSCs is given below:

Administrative Structure of PSC

Description	No. of Administrative Offices
Chief Executive Officer / Managing Director	01
Chief Financial Officer	01
Company Secretary	01
Chief Internal Auditor	01
General Manager (HR & Admn)	01
Manager (HR & Admn)	01
Manager (IT)	01

*Source: Data obtained from the management of PSCs

PSC wise list of 05 formations is attached as **Annexure-B**.

The following table shows detail of total & audited formations of PSCs:

Audit Profile of PSCs of the Punjab (South)
(Rupees in million)

Sr. No.	Description	Total Nos.	Audited	Expenditure Audited FY 2022-23	Revenue / Receipts Audited FY 2022-23
1	Formations	9	9	3,357.361	2,808.574
2	Assignments Accounts (excluding FAP)	-	-	-	-
3	Authorities / Autonomous Bodies etc. under the PAOs	-	-	-	-
4	Foreign Aided Projects (FAP)	-	-	-	-

PSC wise detail of total & audited formations is attached as **Annexure-C.**

E. Comments on Budget and Accounts (Variance Analysis)

Consolidated statement of budget, expenditure and receipts of 05 PSCs for Financial Year 2022-23 is given below:

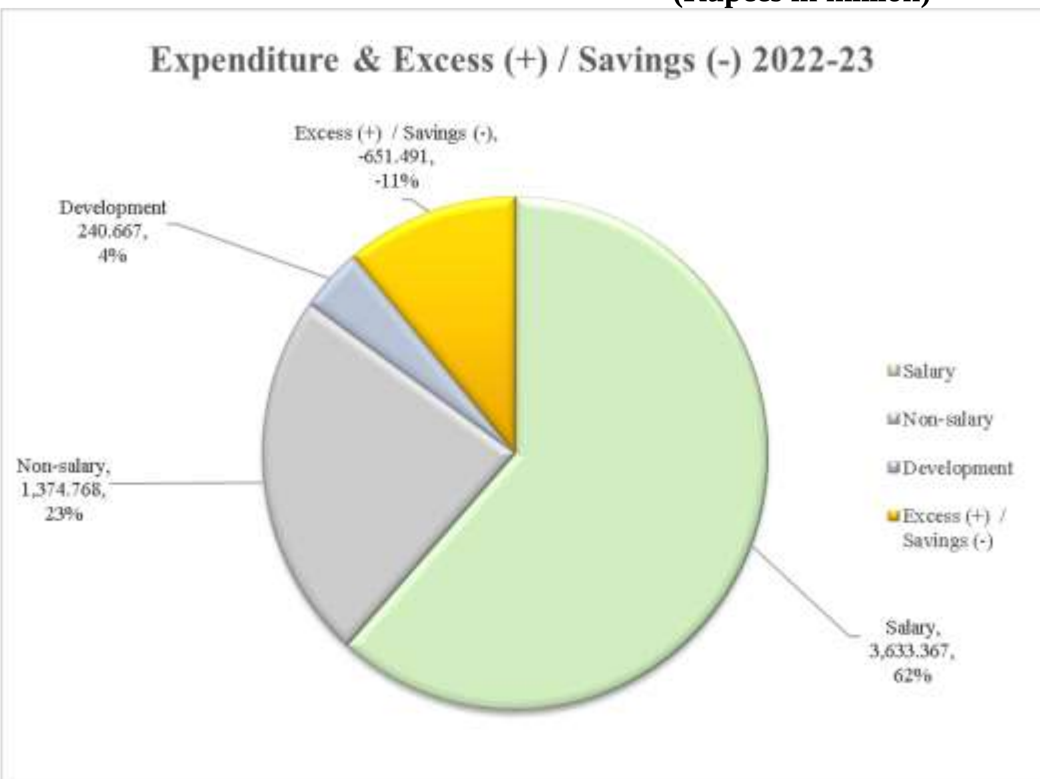
(Rupees in million)

Description	Budget	Expenditure	Excess (+) / Savings (-)	Variance
Salary	3,576.771	3,633.367	56.596	2%

Description	Budget	Expenditure	Excess (+) / Savings (-)	Variance
Non-Salary	1,504.816	1,374.768	(130.048)	(9%)
Development	818.706	240.667	(578.039)	(71%)
Total	**5,900.293**	**5,248.802**	**(651.491)**	**(11%)**
Description	**Target**	**Actual**	**Surplus (+) / Shortfall (-)**	**Variance**
Receipts	6,293.179	5,990.029	(303.150)	(5%)

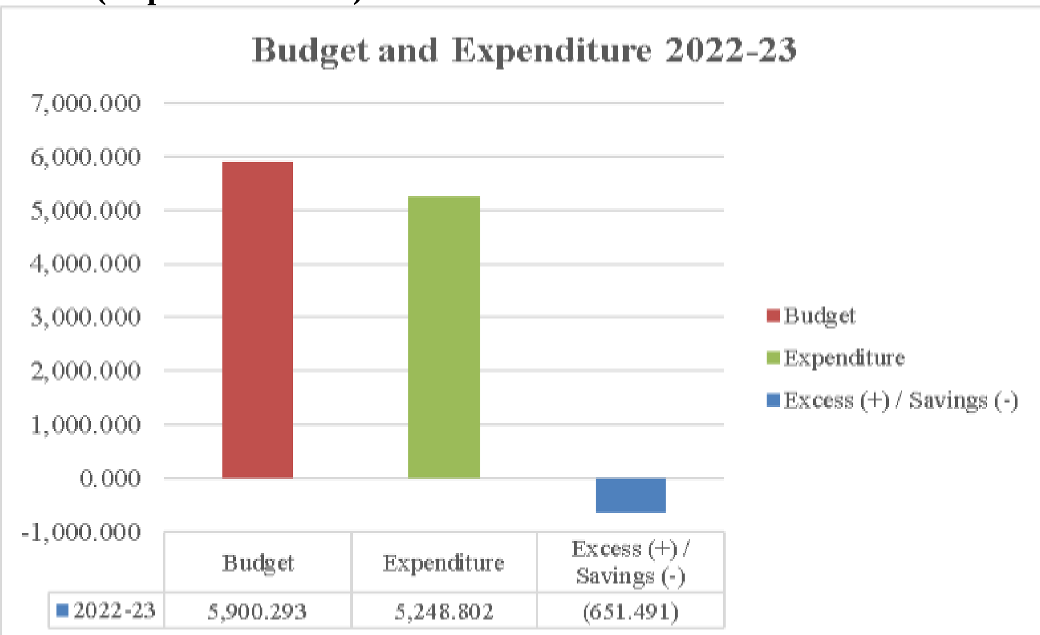
PSC wise detail of budget, expenditure and receipts of 05 PSCs for Financial Year 2022-23 is attached as **Annexure-D**.

(Rupees in million)



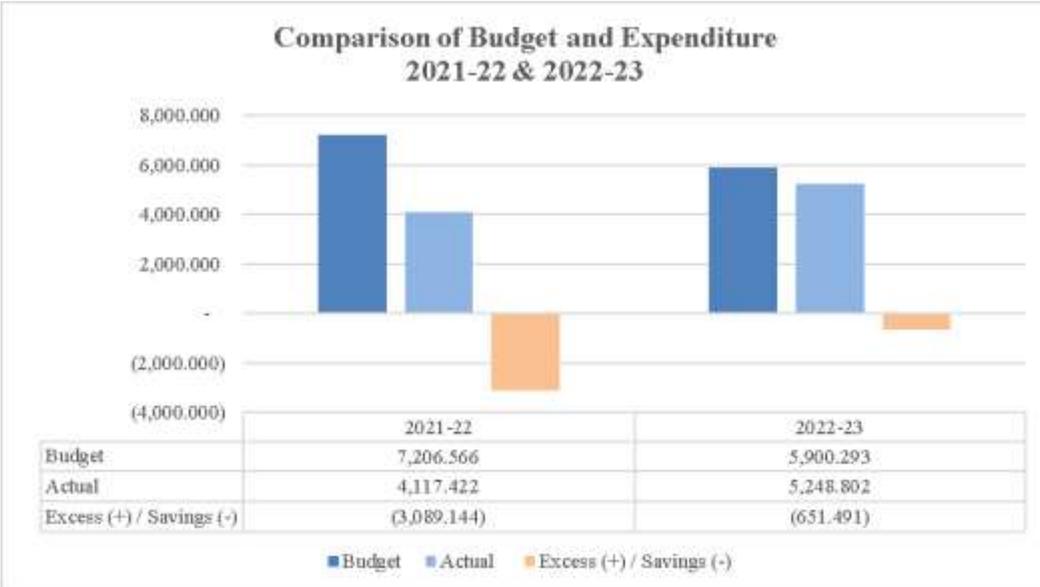
Against budget (development / non-development) of Rs 5,900.293 million for Financial Year 2022-23, PSCs could utilize only Rs 5,248.802 million, whereas 9% of non-salary component and 71% of development funds remained unspent and 2% of salary component was in excess of budget, reflecting poor financial management. The management exaggerated the allocation under the different components of budget to make the whole exercise unrealistic and prone to overspending. The unspent percentage of the allocation was due to shortage of cash flow which resulted in less expenditure on development work to the extent of 71% which clearly shows poor planning and non-implementation of revenue generation plan. Poor financial management resulted in depriving the local population of the benefits likely to have accrued to them because of development planned but not properly undertaken by the management.

(Rupees in milllion)



The comparative analysis of the budget and expenditure of current and previous financial years is depicted as under:

(Rupees in milllion)



The comparative analysis of the budget and expenditure for the Financial Years 2021-22 and 2022-23 depicts poor planning and cash flow management. During the Financial Year 2022-23 the allocation decreased whereas the expenditure increased by 27% with substantial less expenditure under head of development and non-salary components due to less cash inflow.

The comparative data for the Financial Years 2021-22 and 2022-23 reflects the systemic issue of poor cash flow management and non-preparation of and implementation of revenue generation plan.

F. Sectoral Analysis on the Achievements against Targets

i. Analysis of Financial Resources

PSCs got the budgets approved from the Board concerned with unrealistic allocations under all three components of budget namely salary, non-salary and development. Less expenditure amounting to Rs 651.491 million (as reflected above) equivalent to 9% and 71% of the budgeted amount against non-salary and development components respectively and 2% excess than budgeted amount in salary component reflects poor financial management, resulting in reduced service delivery and non-achievement of infrastructure targets during the financial year. Consequently, the management failed to provide basic facilities such as establishment of model cattle markets and provision of up to mark cleanliness services.

ii. Analysis of Targets and Achievements

Sectoral analysis of the PSCs was made on the basis of various indicators for Financial Year 2022-23. The PSCs were required to achieve the objectives / targets set in their Memorandum of Association and Board meetings. Further, management was required to operate according to PSCs Corporate Governance Rules, 2013. Major performance indicators and bench marks set by the PSCs were as under:

i. Establishment of efficient land fill sites
ii. Enhancement of solid waste management services
iii. Enhancement of revenue generation capacity
iv. Establishment of model cattle markets
v. Regulation of cattle markets
vi. Facilitation of end users in cattle markets including breeders and traders
vii. Establishment of pension / provident / benevolent fund, group insurance fund
viii. Establishment / formulation of sound system of internal controls, anti-corruption policy and procurement policy
ix. Development of Key Performance Indicators

PSCs failed to achieve any of their stated objectives from service delivery to sound financial management. No mechanism has been put in place to assess service delivery by these entities or achieve self-sufficiency in financial domain through revenue generation.

iii. Service Delivery Issues

The management of Waste Management Companies failed to achieve its predetermined objectives to provide better solid waste collection, transportation and disposal and dumping on selected sites to keep the city jurisdictions safe and clean. The WMCs did not enhance the coverage of collection and disposal of waste. Scientific land fill sites were not developed despite lapse of considerable time. Mechanism for segregation of waste could not be developed. The WMCs failed to generate more revenue for ensuring best service delivery to general public. Key performance indicators were not formulated.

Further, the management of 05 operational Divisions of PCMMDC also had partial target achievement portfolio. Various services were not outsourced to facilitate the cattle traders. The revenue collected through self-collection remained short of target. Illegal cattle markets were not removed, animals were not tagged and cattle traders were not registered. Key performance indicators were not formulated.

iv Expectation Analysis and Remedial Measures

PSCs were established to improve the services in line with their prescribed objectives. However, the PSCs failed to achieve any of their stated objectives including enhancement of solid waste coverage area and cleanliness services to facilitate the end users, establishment of model cattle markets, to regulate the operations of illegal cattle markets.

Following remedial measures need to be taken to achieve the minimum service delivery standards of PSCs:

i. Preparation and implementation of revenue generation plan in order to increase the revenue stream of the companies.
ii. Ensure implementation of best solid waste management practices during collection and disposal of solid waste.
iii. Establish the environment friendly land fill sites for disposal of solid waste.
iv. Take immediate steps for regulation of illegal cattle markets.
v. Formulation of Key Performance Indicators (KPIs) should be ensured.

1.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 5,060.455 million[8] were raised as a result of this audit. This amount also includes recoverable of Rs 437.097 million as pointed out by Audit. Consolidated summary of audit observations on the accounts of PSCs classified by nature is as under:

Overview of the Audit Observations

(Rupees in million)

Sr. No.	Classification	Amount
1	Non-production of record	-
2	Reported cases of fraud, embezzlement and misappropriation	-
3	**Procedural irregularities**	
A	HR / Employees related irregularities	676.468
B	Procurement related irregularities	361.359
C	Management of Accounts with Commercial Banks	21.835
4	Value for money and service delivery issues	2,311.315
5	Others	1,689.478
Total		**5,060.455**

PSC wise summary of audit observation classified by nature is attached as **Annexure-E**.

[8] Amount of observations exceeds total expenditure as expenditure was objected in many paras i.e. procurement, budgeting issues and receipts as well.

1.3 Comments on the Status of Compliance with PAC Directives

The Audit Reports pertaining to following years were submitted to Governor of the Punjab but have not been examined by the Public Accounts Committee.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2016-17	44	PAC meeting was not convened
2	2017-18	168	PAC meeting was not convened
3	2018-19	201	PAC meeting was not convened
4	2019-20	99	PAC meeting was not convened
5	2020-23	112	PAC meeting was not convened

PSC wise status of previous audit reports is attached as **Annexure-F**.

Note: Non-convening of PAC has seriously hampered the accountability process and has encouraged the Public Sector Companies to repeat the irregularities.

CHAPTER 2

2.1 Public Financial Management

Public Financial Management (PFM) is a central element of a functioning administration, underlying all government activities. It encompasses the mechanisms through which public resources are collected, allocated, spent and accounted for.

It is a proven fact that fiscal governance of any country is closely linked to an effective Public Financial Management system, which focuses on principles of fiscal discipline, legitimacy, transparency and accountability of public finances. PFM is framed around achieving an overall discipline which specifically includes resource allocation and operational efficiency and effectiveness of public expenditure. The maintenance of “aggregate fiscal discipline” is foremost and primary objective of PFM which revolves around interaction of two streams; revenue and expenditure. Revenue generation and Public Expenditure Management complement each other in attaining the strategic macroeconomic objectives of the state.

Punjab Public Financial Management Act 2022 provides a broad framework for regulating the public sector financial management from budget making, revenue generation, cash management, expenditure, accounting to scrutiny through public audit.

Severe issues pertaining to Financial Management of PSCs continued to plague the companies since their inception. Management of the companies failed to make significant progress in making them self-sustainable as was envisaged at the time of their inception. Revenue generation for WMCs through their own resources remained well below their annual expenditure. Resultantly, companies had to rely on funds received from Government of the Punjab through Provincial Finance Commission (PFC) amounting to Rs 2,096.928 million during Financial Year 2021-22 and Rs

2,104.940 million for Financial Year 2022-23 for their financial sustainability. Furthermore, management of WMCs had to obtain loan of Rs 969.120 million during Financial Year 2021-22 and Rs 1,874.00 million in Financial Year 2022-23 from Government of the Punjab to bridge the deficit. However, even loan was not sufficient to meet the shortfall. Therefore, liabilities of Rs 230.838 million were carried forward for the Financial Year 2022-23. Hence, serious questions hang over the financial viability of WMCs making them perpetual recipient of Government Grants.

Stream of finances of PSCs is given as below:

Income and Expenditure of Public Sector Companies FY 2022-23

(Rupees in million)

Sr. No.	**Name of Company**	**PFC Share**	**Loan from Govt. of Punjab**	***Own source receipts**	**Total Receipts**	**Total Exp.**	**Difference**
1	Bahawalpur WMC	144	300	91.000	535.000	565.250	(30.250)
2	DGK WMC	0	300	94.692	394.692	385.877	8.815
3	Faisalabad WMC	1,142.660	774	16.780	1,933.440	2,241.510	(308.070)
4	Multan WMC	818.280	500	132.000	1,450.280	1351.612	98.669
Total 2022-23 (WMCs)		**2,104.94**	**1,874**	**334.472**	**4,313.412**	**4,544.249**	(230.838)
Total PCMMDC (South) 2022-23		**0**	**0**	**1,676.617**	**1,676.617**	**704.553**	**972.063**

* Income from auction of collection rights, self-collection, bank profit and MC share.

i. Bahawalpur Waste Management Company (BWMC) could generate only Rs 91 million receipts against expenditure of Rs 565.250 million. The remaining cash flow deficit was met from PFC share for Rs 144 million and loan from Government of Punjab Rs 300 million respectively. Just meeting the 16 % financial needs from own source income is a serious issue for the financial soundness of the company.

ii. DGKWMC met its total financial needs from debt financing through Government of the Punjab, and MC Dera Ghazi Khan share received under Services and Asset Management Agreement (SAAMA). The company could not prove concept of going concern for itself.

iii. FWMC earned income from own sources just Rs 16.780 million against expenditure of Rs 2,241.510 million. Rest of the financial needs were met from PFC share and loan from Government of the Punjab.

iv. MWMC remained dependent on the PFC share and loan from Government of Punjab. Only Rs 132 million revenue was generated against the expenditure of Rs 1,351.611 million. Meeting the 10% need from own source income showed the worst financial management of the company whereas 61% received from PFC share and 29% was managed through debt financing loan from Government of the Punjab.

Income and Expenditure of Public Sector Companies FY 2021-22

(Rupees in million)

Sr. No.	**Name of Company**	**PFC Share**	**Loan from Govt. of Punjab**	***Own source receipts**	**Total Receipts**	**Total Exp.**	**Difference**
1	Bahawalpur WMC	144.000	262.120	70.304	476.424	513.031	(36.607)
2	** DGK WMC			120.673	120.673	348.58	(227.907)
3	Faisalabad WMC	1,134.648	707.000	7.658	1,849.306	1,815.272	34.034
4	Multan WMC	818.280	-	80.000	898.280	952.200	(53.920)
Total (WMCs) 2021-22		**2,096.928**	**969.120**	**278.635**	**3,344.683**	**3629.083**	**(284.400)**
Total PCMMDC (South) 2021-22		**-**	**-**	**2,203.590**	**2,203.590**	**488.339**	**1,715.251**

* Income from auction of collection rights, self-collection, bank profit and MC share.
** DGKWMC managed its financial deficit through funds received as seed money during Financial Year 2021-22 Rs 64 million as well as opening bank balance.

i. BWMC could generate only Rs 70.304 million receipts against expenditure of Rs 513.031 million. The remaining cash flow deficit was met from PFC share for Rs 144 million and loan from Government of the Punjab Rs 262.120 million respectively. Having deficit of Rs 36.607 million. Own source income was just 13% to meet the expenditure, which is serious issue for the financial soundness of the company.

ii. DGKWMC met its total financial needs from Government of the Punjab loans and MC Dera Ghazi Khan share received under SAAMA. The company could not prove concept of going concern for itself.

iii. FWMC earned income from own sources just Rs 7.658 million against expenditure of Rs 1,815.272 million. Rest of the financial needs were met from PFC share and loan from Government of the Punjab.

iv. MWMC remained dependent on the PFC share and loan from Government of Punjab. Only Rs 80 million revenue was generated against the expenditure of Rs 952.200 million. Meeting the 8% need from own source income showed the worst financial management of the company.

(Rupees in million)

	2021-22	2022-23
Receipts	3,344.683	4,313.412
Expenditure	3,629.083	4,544.250
Difference	284.400	230.838

Total expenditure exceeded total receipts (including PFC and loan from Government of Punjab) during Financial Years 2021-22 & 2022-23 amounting to Rs 284.400 million and Rs 230.838 million respectively. Year to year receipts increased by 29% while expenditure shot up by 25% in comparison to Financial Year 2021-22.

(Rupees in million)

	2021-22	2022-23
Receipts	2,203.590	1,676.617
Expenditure	488.339	704.554
Difference	(1,715.251)	(972.063)

Comparatively, financial position of PCMMDC is better than WMCs Companies as their receipts are excess than expenditure by Rs 1,715.251 million and Rs 972.063 million during Financial Years 2021-22 & 2022-23 respectively. However, receipts decreased by 24% in comparison to Financial Year 2021-22.

Loans obtained by Waste Management Companies
(Rupees in million)

Sr. No.	Name of Company	Year	Loan amount	Mark up rate (%)
1	BWMC	2022-23	300.000	0.25
		2021-22	262.120	0.25
		2020-21	210.000	0.25
2	DGKWMC	2022-23	300.000	0.25
3	FWMC	2022-23	774.000	0.25
		2021.22	707.000	0.25
		2020-21	827.000	0.25
4	MWMC	2022-23	500.000	0.25
Total			**3,880.120**	

The above- mentioned data of loans received by the Waste Management Companies depicts that the financial sustainability of the companies has become fragile over period of last three years. Waste Management Companies have obtained Rs 3,880.120 million from Government of the Punjab without repayment plan. During audit of accounts statements for the Financial Year 2022-23, audit emphasized on the following matters:

i. Non-preparation of certified accounts and financial statements in violation of Clause 72 of Article of Association "The Directors shall cause to be prepared and to be laid before the Company in Annual General Meeting such Balance Sheet and Income and Expenditure Account and Cash Flow Statement duly audited and reports as required under the Act.”

ii. Non-constitution of different committees by the companies in violation of Rules 12(1) of Public Sector Companies (Corporate Governance) Rule 2013, “The Board shall setup the audit committee, risk management committee, human resources committee, procumbent committee and nomination committee to support it in performing its functions efficiently and for seeking assistance in the decision-making process.”

iii. Non-preparation of revenue generation / business plan in violation of Rules 7(2)(a) of Public Sector Companies (Corporate Governance) Rule 2013, “The Board shall revise annual business plan cash flow projection and long-term plans.”

iv. Debt financing without re-payment plan in violation of cannon of financial propriety.

Audit was of the view that in the absence of certified accounts, financial statements and preparation of debt re-payment plan the financial sustainability of the Public Sector Companies cannot be ascertained as a going concern.

Audit Paras - Compliance with Authority Audit

2.2 Bahawalpur Waste Management Company, Bahawalpur

Procedural irregularities

2.2.1 Unauthorized payment beyond delegated financial powers – Rs 59.674 million

According to Para 3.1 of Procurement Manual of Lahore Waste Management Company (LWMC) adopted by BWMC, “The Board of Directors has the ultimate authority for utilization of BWMC's funds. As per Authority matrix, in case of revenue expenditure (recurring), MD/CEO is empowered to incur expenditure upto Rs 5 million for purchase of goods and services for BWMC.”

During audit of BWMC for the FY 2022-23, it was observed that CEO allowed unauthorized payment of Rs 59.674 million to the M/s Outriders (Pvt) Ltd. for the period January to May 2023, on account of provision of services of unskilled, semiskilled and skilled workers without approval and extension of contract agreement from Board of Directors. Record showed that contract agreement was expired on 31.12.2022 but no approval was taken during three meetings of Board convened from January to June 2023. The detail is as under:

(Rupees in million)

Sr. No.	Description of payment	Period	Amount
1	Management cost (un-skilled labour)	January, 2023 to May, 2023	0.837
2	Payment of un-skilled labour		41.586
3	Management cost (semi-skilled labour)		0.202

Sr. No.	Description of payment	Period	Amount
4	Payment of semi-skilled labour		14.105
5	Management cost (skilled labour)		0.028
6	Payment of skilled labour		2.916
Total			**59.674**

Due to weak internal controls, payment was allowed by the CEO beyond delegated financial powers which resulted in unauthorized expenditure.

The matter was reported to PAO in November, 2023. The management replied that advertisement, tender document and draft agreement was approved by the Board in its 42nd Board meeting held on 14.12.2021. As per clause of agreement, the contract could be extended for three years on annual basis. Therefore, there was no need to get fresh approval from Board. The reply of the management was not tenable as CEO BWMC was empowered to incur expenditure upto Rs 5 million on recurring expenditure as per Para 3.1 of Procurement Manual. Whereas, expenditure for five months was Rs 59.674 million which required approval of the Board.

DAC in its meeting held during January, 2024 directed the management to get the expenditure regularized besides fixing responsibility on the person (s) at fault. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2018-19 vide para number 1.2.1.7 having financial impact of Rs 31.516 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 11]

2.2.2 Mismanagement in banking operations – Rs 21.835 million

According to decision of 4th Annual General Meeting (AGM) held on 28.01.2021, "A separate profit bearing security account was to be opened by the management of BWMC."

During audit of BWMC for the FY 2022-23, it was observed that CEO failed to open profit bearing security account in violation of Board decision. Scrutiny of bank statement of account No.6010002517700024 maintained in Bank of Punjab (BOP) revealed that Rs 16.189 million was available as on 01.07.2022. Rs 8.843 million was received and Rs 3.196 million was withdrawn during the year leaving a balance of Rs 21.835 million at the close of financial year. But due to current account, company management could not avail benefit of bank profit for Rs 2.190 million (Approx).

Due to weak financial controls, company management mismanaged the banking operations which resulted in loss.

The matter was reported to PAO in November, 2023. The management replied that no contractor demanded profit earned on securities from BWMC. Hence, funds were kept in current account. However, efforts were being made to open “Profit and Loss Account” for securities in BOP. Reply was not tenable as Board in its 4th AGM held on 28.01.2021 directed the management of BWMC to maintain profit bearing account of securities.

DAC in its meeting held during January, 2024 directed the management of BWMC to ensure compliance of the decision of Board in true letter and spirit. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 13]

2.2.3 Non finalization of annual accounts

According to Clause 72 of Articles of Association, “The Directors shall cause to be prepared and to be laid before the Company in Annual General Meeting such Balance Sheet, Income and Expenditure Account and Cash Flow Statement duly audited and reports as required under the Act.”

During audit of BWMC for the FY 2022-23, it was observed that CEO incurred expenditure amounting to Rs 565.255 million but failed to prepare and get its annual accounts audited from a Chartered Accountant firm. Similarly, annual accounts for the Financial Year 2021-22 were also not got certified from any Chartered Accountant firm in violation of Companies Act, 2017 and Articles of Association. Annual General Meeting was also not convened due to non- certification of accounts.

Due to weak internal controls, the Accounts of the company were not got certified from external auditors which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. The management replied that draft statement of accounts was prepared however, the same was yet to be certified from the Chartered Accountant Firm. Reply of the department was not tenable as financial statements were not prepared and laid before Board.

DAC in its meeting held during January, 2024 directed the management to prepare financial statements followed by certification from external auditor at the earliest. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives.

[AIR Para: 6]

Others

2.2.4 Debt financing without repayment plan – Rs 300 million

According to Government of the Punjab Finance Department Letter No. FD (L) 1-383/2018 dated 14.02.2018, "The loan will be repaid within five years with two years of grace period and 0.25% interest rate. If the payment is not made on the due date in accordance with amortization schedule, penalty on the default amount @ 4% per annum shall be paid by the company."

During audit of BWMC for the FY 2022-23, it was observed that CEO received loan of Rs 300 million from Government of the Punjab. Sustainability of the company was at stake as the company had received loans amounting to Rs 1,222.120 million during last five years including Financial Year 2022-23 but had no source of income to repay such huge amount of loan except annual receipts of Rs 5.778 million as collection charges as a result of MOUs with some private land sub divisions and commercial units.

Due to poor financial management, loans were received without repayment plans which resulted in compromised sustainability of the company.

The matter was reported to PAO in November, 2023. The management replied that BWMC had no legal power to impose fee on services. The Board of Directors of BWMC approved the Revenue Generation Plan Six times and forwarded the same to Government for approval but the same was not approved. Reply was not tenable as plan for repayment of loan was not devised by the management of BWMC.

DAC in its meeting held during January, 2024 directed the CEO to take up the matter with the Secretary LG&CD Department for approval of Revenue Generation Plan at the earliest. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2022-23, 2020-21 vide para numbers 2.1.4 and 2.4.11 respectively having financial impact of Rs 922.120 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 2]

2.2.5 Loss due to non-collection of share from MC – Rs 13.270 million

According to Clause 9(i) of the SAAMA, "The budget / amount for collection of solid waste management agreed by the MC Ahmed Pur East and BWMC shall be transferred on quarterly basis to the BWMC for credit into commercial bank account of the BWMC."

During audit of BWMC for the FY 2022-23, it was observed that CEO failed to recover an amount of Rs 13.270 million on account of share of budget from Municipal Committee Ahmed Pur East during the Financial Years 2021-22 and 2022-23 as per agreement. The detail is as under:

(Rupees in million)

Financial Year	Quarter	Detail	Recoverable amount
2021-22	4th	Non-Salary	4.890
2022-23	3rd	Non-Salary	4.190
2022-23	4th	Non-Salary	4.190
Total			**13.270**

Due to weak financial management, prescribed share was not recovered by the company which resulted in loss to the company.

The matter was reported to PAO in November, 2023. The management replied that efforts were being made to collect share from MC Ahmed Pur East.

DAC in its meeting held during January, 2024 directed the management to collect share from MC Ahmed Pur East at the earliest. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 5]

2.2.6 Blockage of funds due to purchase of plastic bags without requirement – Rs 2.448 million

According to Para 3.3 of Procurement Manual of Lahore Waste Management Company adopted by BWMC, "A person involved in the procurement process shall be personally liable, to make good the loss / damage incurred by BWMC if he misrepresents, misconstrues and / or misunderstands his authority and / or does not exercise sufficient and due care and discretion in the exercise of authority given to him."

During audit of BWMC for the FY 2022-23, it was observed that CEO incurred expenditure amounting to Rs 3.300 million for procurement of 6,500 kg plastic bags. Record showed that biodegradable plastic bags for the occasion of Eid-ul-Azha 2023 were purchased without considering stock position as (34,219 plastic bags) / 2850 kg plastic bags were already available at the time of purchase. A huge quantity of 4,450 kg plastic bags amounting to Rs 2.448 million remained unutilized till 30.06.2023. Further, 1,099 plastic bags of Eid-ul-Azha 2022 were still in balance on 30.06.2023.

Due to weak internal controls, shopping bags were purchased without immediate requirement which resulted in blockage of funds.

The matter was reported to PAO in November, 2023. The management replied that there were chances of price hikes in coming year, therefore, advantage was taken by keeping in hand some extra quantity in stock. At present, 2,900 Kg plastic bags were in stock. The management admitted the irregularity for purchase of shopper bags without immediate requirement.

DAC in its meeting held during January, 2024 directed the management to get regularization of expenditure besides fixing responsibility on the person(s) at fault. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.1.3 having financial impact of Rs 1.066 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 9]

2.3 Dera Ghazi Khan Waste Management Company, Dera Ghazi Khan

Procedural irregularities

2.3.1 Irregular expenditure on POL – Rs 77.823 million

According to Government of the Punjab, Services & General Administration Department (Transport Pool) letter No. MTO(S&GAD) AT-II/2-9/2006 dated 26.12.2008, "Necessary arrangements are required for sealing of speedometer / milometer of all the vehicles under use in Government offices to minimize the chances of pilferage/misappropriation of fuel to save Government exchequer."

During audit of DGKWMC for the FY 2022-23, it was observed that CEO incurred an expenditure of Rs 77.823 million on account of POL of 46 tractors trollies, 5 dumpers, 29 loader rickshaws, 4 sweeping machines and 5 truck containers. The vehicles remained operational throughout the year without functioning of speedo / hours meters. The entries in the logbooks were recorded on assumption basis instead of actual meter readings.

Due to weak internal controls, expenditure on POL was incurred without functional meters which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests made by Audit vide letter No.RDA/DGK/CD-1272 dated 10.11.2023, No.1290 dated 20.11.2023 and No.1323 dated 01.12.2023.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.2.4 having financial impact of Rs 72.479 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 10]

2.3.2 Irregular payment of salaries to work charged employees – Rs 20.754 million

According to Para 3 of Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "It has also come to the notice of the Department that the Local Governments in Punjab are appointing the work charged / daily wages employees without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules. Therefore, it has been decided that in future no work charged / daily wages employee will be appointed without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of DGKWMC for the FY 2022-23, it was observed that CEO paid salaries amounting to Rs 20.754 million to 86 work charged employees. 48 of the said work charged employees were adjusted from MC Dera Ghazi Khan and 38 were hired by the DGKWMC for 89 days, at the time of inception of the Company (three years ago). The said employees were working without any extension of service or fresh appointment. Furthermore, upon contracting with the third party for provision HR resources of 410 un-skilled, semi-skilled and skilled workers, the retention of services of work charged employees was unjustified.

Due to weak financial controls, salaries were paid to the work charged employees without valid extension and justification which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests till finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person (s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.2.5 having financial impact of Rs 37.654 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 7]

2.3.3 Unauthorized purchase of stores beyond competency – Rs 9.490 million

According to powers delegated in 21st Board meeting dated 19.01.2023 of DGKWMC, "CEO is competent to approve and accept the tender for procurement up to Rs 2 million." Further, according to 7.5.4.1.5 of Accounting and Financial Reporting Manual of LWMC, as adopted by DGKWMC, all bank accounts shall be operated upon by the joint signatures of two persons from the following signatories:

Sr. No.	Financial Limit	Authorized Signatures
1	Up to Rs 1 million	CFO & GM (Operation, Procurement or HR)
2	Rs 1 million to 20 million	MD/CEO & CFO. In the absence of any authority the cheque will be signed by the next higher level authority
3	Above Rs 20 million	MD with any member of Board authorized by the board for this purpose.

During audit of DGKWMC for the FY 2022-23, it was observed that CEO made procurement of 157 tyres for tractors, trucks and dumpers valuing Rs 9.490 million. The approval of tender was granted by CEO beyond delegated schedule of powers. Further, the cheque No. 76307 dated 23.06.2023 amounting to Rs 9.490 million was signed by the CEO and Manager HR & Admn instead of CEO and CFO or next higher authority.

Due to poor financial management, tender was accepted and payment was made without observing the Board's decision which resulted in unauthorized expenditure.

The matter was reported to PAO in November, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests till finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 14]

2.3.4 Non finalization of annual accounts

According to Clauses 56 (a) & 48 of Article of Association, "The Company shall get its annual accounts audited from a firm of Chartered Accountants. The directors shall require to prepare and lay before the Company in Annual General Meeting such balance sheet, income and expenditure account, cash flow statement duly audited and reports as required under the act."

During audit of DGKWMC for the FY 2022-23, it was observed that CEO incurred expenditure amounting to Rs 385.877 million but failed to prepare and get annual accounts audited from a Chartered Accountant firm. Similarly, annual accounts for Financial Year 2021-22 had also not been audited from any Chartered Accountant firm which was clear violation of clauses of Companies Act, 2017 and Articles of Association. Annual General Meeting was also not be convened due to non-certification of accounts.

Due to weak internal controls, the Accounts of the company were not audited which resulted in irregular and doubtful expenditure.

The matter was reported to PAO in November, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests till finalization of this Report.

Audit recommends the provision of audited accounts of the company for audit scrutiny besides fixing responsibility against the person(s) at fault.

[AIR Para: 9]

Others

2.3.5 Loss due to non-collection of share from MC – Rs 95.101 million

According to Clause 10 of the SAAMA, DGKWMC, “Amounts budgeted in the approved annual budget of the MC Dera Ghazi Khan for solid waste management shall be transferred through credit into commercial bank account of the DGKWMC.”

During audit of DGKWMC for the FY 2022-23, it was observed that CEO did not collect Rs 95.101 million on account of share of budget from Municipal Corporation Dera Ghazi Khan. Total share from MC Dera Ghazi Khan was Rs 185.798 million out of which Rs 90.697 million was received and Rs 95.101 million was not collected during Financial Year 2022-23.

Due to weak financial management, prescribed share was not recovered by the company which resulted in loss to the company.

The matter was reported to PAO in November, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests till finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.2.9 having financial impact of Rs 65.480 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 2]

2.3.6 Loss due to payment of inadmissible allowances – Rs 5.549 million

According to Government of the Punjab, S&GAD letter No.(O&M)S&GAD)5-3/2013 dated 01.03.2013, “The contract employees will not be entitled for Social Security Benefit (SSB) after regularization of their services and their pay shall be fixed at the initial of the respective pay scales.”

During audit of DGKWMC for the FY 2022-23, it was observed that CEO made overpayment of Rs 5.549 million on account of pay and allowances. Scrutiny of service record of the MC employees transferred to the Company showed that social security benefits in lieu of pension after regularization of services and adhoc relief allowances were not deducted from the pay. The detail is as under:

(Rupees in million)

Sr. No.	Description	No. of employees	Amount
1	Social Security Benefits after regularization	114	3.747
2	Adhoc Relief Allowances	76	1.802
Total		**190**	**5.549**

Due to weak internal controls, inadmissible allowances were paid to the employees which resulted in loss to the company.

The matter was reported to PAO in November, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests till finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.2.11 having financial impact of Rs 3.340 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 3, 17]

2.3.7 Non-establishment of Provident Fund – Rs 1.424 million

According to Clause 6.1 of HR Manual of LWMC adopted by the DGKWMC, "The decision as to the nature of the trust and the policy and procedures for maintenance of the Provident Fund Trust shall be developed by GM (HR & A). The company and the employees shall contribute to the provident fund at the rate of ten (10) percent of basic salary, in equal proportion."

During audit of DGKWMC for the FY 2022-23, it was observed that CEO failed to establish Provident Fund Trust which resulted in non-deduction of share from the employees and non-contributing of share by the company amounting to Rs 1.424 million.

Due to weak internal controls, the employees' Provident Fund Trust was not established and the contribution was not deposited which resulted in violation of HR Manual.

The matter was reported to PAO in November, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests till finalization of this Report.

Audit recommends to establish Provident Fund Trust at the earliest.

<u>Note:</u> The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.2.13 having financial impact of Rs 1.459 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 15]

2.3.8 Loss due to delay in approval of company as non-profit organization – Rs 1.100 million

According to Section 100C of the Income Tax Ordinance 2001, “The income of non-profit organization, trust, or welfare institutions, shall be allowed a tax credit equal to one hundred percent of the tax payable including minimum tax and final taxes payable under any of the provisions of this Ordinance.”

During audit of DGKWMC for the FY 2022-23, it was observed that CEO failed to get approval of status of DGKWMC as non-profit organization from Federal Board of Revenue (FBR) till date. Withholding tax amounting to Rs 1.100 million was deducted by bank on profit earned on the balances available in the bank accounts during Financial Year 2022-23. DGKWMC was incorporated on 10.02.2020 as non-profit organization.

Due to weak financial controls and negligence of management approval of company as non-profit organization was delayed which resulted in loss to the Company.

The matter was reported to PAO in November, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests till finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 20]

2.4 Faisalabad Waste Management Company, Faisalabad

Procedural irregularities

2.4.1 Unauthorized expenditure on hiring of temporary establishment – Rs 579.074 million

According to letter No.RO(Tech)FD2-2/2018 dated 20.09.2019 issued by the Finance Department, Government of the Punjab and Para 2 of preface of schedule of wage rate 2019, "Appointment of temporary establishment to be made by the competent authority subject to the following conditions, the post(s) shall be advertised properly in the leading newspapers, the recruitment to all the posts be made on the basis of merit specified for regular establishment and terms and conditions of employee shall be governed under Rules 7.12 to 7.14 & 7.37 to 7.41 of DFR (Punjab Financial Handbook No.03)."

During audit of FWMC for the FY 2022-23, it was observed that CEO incurred expenditure of Rs 579.074 million on wages of 3,432 daily wage employees including waste workers, helpers, drivers, office boys, cleaners etc. The daily wage workers were hired / recruited without adopting prescribed procedure. Recruitment and attendance record of 44 Daily wage workers was not available in the office. Furthermore, 303 daily wage workers were hired excess than the sanctioned posts and 150 employees were paid without marking attendance through iris attendance system. Moreover, 88 employees of the company were found performing duties in different offices i.e. offices of Commissioner & Deputy Commissioner, Municipal Corporation, District Courts etc.

Due to weak internal controls, temporary establishment was hired and expenditure on wages was incurred in violation of prescribed procedure which resulted in unauthorized expenditure.

The matter was reported to PAO in November, 2023. The management replied that FWMC hired the staff after advertisement and walk in interviews. Further, in pursuance of clause 2(c) and 2(g) of SAAMA, FWMC hired 500 waste workers to enhance the existing organizational structure with the approval of the Board after taking the LG&CD Department in loop. The reply was not tenable as the staff was hired without adopting prescribed procedure and paid salary through manual attendance.

DAC in its meeting held during January, 2024 directed CEO to hold inquiry with special focus on sanctioned strength, recruitment of excess employees, process of recruitment and action against absentee employees within 30 days. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23 and 2019-20 vide para numbers 2.3.5 and 5.2.6.1.4 respectively having financial impact of Rs 42.338 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 10]

2.4.2 Irregular payment of honorarium in violation of policy criteria – Rs 65.336 million

According to provision 6.2 of HR Manual of FWMC, "The purpose of bonus policy is to ensure that the recommendations, the approval and payment of bonuses are applied in a fair and consistent manner in accordance with the FWMC's overall remuneration strategy and structure, and its employment contracts. Any employee who has completed at least 180 days' service with FWMC during the year shall be entitled for consideration for bonus. Bonus shall be paid according to performance of the management employees at the sole discretion of the Management."

During audit of FWMC for the FY 2022-23, it was observed that CEO made payment of honorarium amounting to Rs 65.336 million to corporate employees, regular staff and daily wage workers in October, 2022 on performing duty during Eid-ul-Azha days. However, the honorarium was paid in violation of provisions of HR Manual, the detail is as under:

i. Honorarium was paid to the corporate employees & regular staff amounting to Rs 38.491 million who were also compensated with incentive of 13^{th} salary, equal to one month's gross salary, as bonus in January, 2023 for performance of duty on special days. The bonus was paid despite the Company was running huge deficit.

ii. Honorarium amounting to Rs 26.845 million was paid to daily wage workers who were employed for 89 days whereas qualifying length of service during the year for eligibility of incentive was 180 days as per HR Manual.

Due to weak internal controls and financial indiscipline, honorarium was paid to the employees in violation of criteria of HR Manual which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. The management replied that FWMC awarded one general bonus in shape of 13^{th} salary, under the provisions of Section 6.2.2 of HR Manual to regular and corporate employees for performing special duties on public holidays. Moreover, in pursuance of Section of HR Manual, FWMC awarded another special bonus to all employees (Corporate, Regular and Daily Wage) to acknowledge the outstanding performance of the employees on major event of Eid-ul-Azha after due approval of the Board. The reply was not tenable as bonuses were paid either without devising policy or in violation of provisions of Company's HR Manual.

DAC in its meeting held during January, 2024 directed the CEO to provide devised policy to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23 and 2020-21 vide para numbers 2.3.4 and 5.4.1.1 respectively having financial impact of Rs 85.730 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 18]

2.4.3 Irregular expenditure due to ineffective monitoring of fuel consumption – Rs 53.008 million

According to Rule 4(3) of Public Sector Companies (Corporate Governance) Rules, 2013, "The Chief Executive is responsible for making appropriate arrangements to ensure that funds and resources are properly safeguarded and are used economically, efficiently and effectively." Further, according to Provision 12.1 of the Accounting and Financial Reporting Manual FWMC, "The Managing Director or his designee has delegated authority to maximize the use of resources, through the achievement of economy, efficiency and effectiveness and for ensuring that financial considerations are taken into account, at all stages of the decision-making process."

During audit of FWMC for the FY 2022-23, it was observed that transport pool of FWMC had various operational vehicles including dumper trucks, arm-roll vehicle etc. for collection and transportation of waste to dumping site and eight vehicles including Suzuki Mehran and Suzuki Bolan as pool vehicles to be used as staff cars during Financial Year 2022-23. However, following discrepancies were observed in fuel consumption costing Rs 53.008 million of these vehicles:

i. The operational vehicles were monitored through automated Vehicle Tracking System (VTS) as well as through maintenance of manual logbooks. However, a comparative analysis of milage recorded in logbooks and milage covered as per VTS report of 15 vehicles depicted that tracker of 8 vehicles remained non-responsive in different months and trackers of 07 vehicles showed zero millage in monthly monitoring reports. Whereas, log books of these vehicles showed millage of 520,514 kilometers which resulted in unauthentic utilization of fuel costing Rs 50.927 million during FY 2022-23.

ii. Moreover, pool vehicles used as staff cars consumed fuel costing Rs 2.081 million during Financial Year 2022-23. However, these vehicles were used without any policy and approval of competent authority. **(Annexure-1)**

Due to weak internal controls, consumption of POL of vehicles were not monitored effectively which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. The management replied that VTS was a tool to monitor the real time location and running of vehicles on specified routes. However, logbooks of the vehicles maintained on actual reading of milometers which was further rechecked through Vehicle Trip Counting Slip System at FWMC weighbridge. Further, most of the vehicles in FWMC were of 2007/2010 models having weak battery/self-start, deteriorated electric wiring and tracker unit fuse issues which put the trackers on non-responsive mode. Reports of non-responding trackers were shared with service provider on quarterly basis. Moreover, non-transmission of data on server due to interrupted internet supply, weak tracker signals in some areas and overcast weather conditions also caused server as not reporting mode. Furthermore, pool vehicles were used for routine office work, upon requisition form personnel concerned and approval by Pool Officer. The reply was not tenable as vehicles were not properly monitored and tackers remained on non-responsive mode for a maximum period in the year. Pool vehicles were retained and used without devising policy.

DAC in its meeting held during January, 2024 directed CEO to probe the matter and produce relevant record to Audit for verification. Non progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for Audit Years 2022-23, 2020-21, 2019-20 and 2018-19 vide paras number 2.3.1, 5.4.1.2, 5.2.6.3.3, 5.2.6.3.2, 5.2.6.3.1, 5.2.6.1.3, and 5.2.4.3 respectively having financial impact of Rs 213.189 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 12, 13]

2.4.4 Non-transfer of deducted House Rent Allowance and Insurance Premium to MCF – Rs 2.541 million

According to Provisions 10.1.1.4 of Accounting and Financial Reporting Manual of the Company, "The Accounts and Finance Department shall process mandatory deductions from an employee's pay-cheque in compliance with governmental regulations, and voluntary deductions within its scope in accordance with employee election. Voluntary deductions shall be made upon evidence of employee's authorization for such deductions. The Accounts and Finance Department shall ensure the timely disbursement of amounts withheld from employees' pay-cheques to government in accordance with statutory regulations."

During audit of FWMC for the FY 2022-23, it was observed that CEO made mandatory deductions on account Group Insurance and House Rent Allowance from salaries of the regular employees residing in Metropolitan Corporation Faisalabad (MCF) residences amounting to Rs

2.541 million. However, the amount was not transferred to MCF and same was retained by the FWMC without any plausible reasons.

Due to weak internal controls and financial indiscipline, FWMC unduly retained the amount deducted from salaries of the employees which resulted in unauthorized retention of MCF fund.

The matter was reported to PAO in November, 2023. The management replied that due to the budget constraints funds were used to pay salaries to staff. However, pendency of Insurance & House rent would be cleared on provision of additional funds from Government of Punjab. Audit stressed to clear the liability at the earliest.

DAC in its meeting held during January, 2024 directed the CEO to transfer the amount to the quarters concerned at the earliest. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.3.7 having financial impact of Rs 9.921 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 6]

Value for money and service delivery issues

2.4.5 Uncertain financial sustainability due to high budget deficit – Rs 1,371.820 million

According to Clauses 10 & 12 of the SAAMA, "FWMC shall achieve self-sufficiency through cost recovery measure in respect of solid waste management services." Furthermore, according to decision 6 of 41st FWMC Board of Directors Meeting, "The company shall levy user charges according to Revenue Generation Plan."

During audit of FWMC for the FY 2022-23, it was observed that CEO failed to achieve financial self-sufficiency even after lapse of 9 years since its establishment in Year 2014 as detailed under:

i. The company had budget estimate of Rs 2,531.260 million during Financial Year 2022-23 against PFC share of Rs 1,142.660 million and generated own sources revenue of Rs 16.780 million which resulted in budget deficit of Rs 1,371.820 million. Against the budget estimate, an expenditure of Rs 2,199.630 million was incurred. The cash deficit was met by obtaining loan of Rs 774 million from the Government of Punjab and carrying forward the liabilities of Rs 266.190 million.

ii. The Management of FWMC Faisalabad failed to implement its Revenue Generation Plan, which was levy of User Charges @ Rs 15 per Marla leviable on households and commercial entities in connection with solid waste management. Resultantly, the Company failed to realize potential revenue amounting to Rs 1,345.110 million (approximate).

Due to weak financial management and lack of planning, comprehensive business strategy / financial plans were not implemented which resulted in high budget deficit and uncertain financial sustainability of FWMC.

The matter was reported to PAO in November, 2023. The management replied that Revenue Generation Plan was discussed in Resource Mobilization Committee meeting in May, 2023 which recommended the Proposal-1 and forwarded it to Provincial Cabinet in June, 2023. LG&CD Department initiated a summary for Chief Minister's for approval and matter was pending with Government of Punjab for final decision. Audit stressed to pursue the case and expedite the process of approval.

DAC in its meeting held during January, 2024 directed CEO, FWMC to take up the matter with Administrative Department for early approval of Revenue Generation Plan. No progress was intimated till finalization of this report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 16]

2.5 Multan Waste Management Company, Multan

Procedural irregularities

2.5.1 Irregular opening of tenders by management – Rs 68.226 million

According to Clause 4.3 of Procurement and Contracts Manual of LWMC adopted by the MWMC in its 46th meeting of Board dated 27.06.2020, "Procurement Committee shall consist of the GM (P&C), GM (Operations), Chief Financial Officer, one person from Board / nominated by Board and concerned Departmental Head involved in the requisition process." Further, according to 54th meeting of Board dated 16.10.2021, "Procurement Committee of Board of Directors was constituted under Rule 12(2) Public Sector Code of Corporate Governance (PSCCG) Rules, 2013 consisting of Mr. Malik Masroor Haider Usman as convener, Mr. Yasir Asghar Bucha, Mr. Javed Iqbal, representative of Secretory Finance and CEO MWMC as members."

During audit of MWMC for the FY 2022-23, it was observed that CEO incurred expenditure amounting to Rs 68.226 million on account of procurement of different items i.e. tyres for vehicles, lubricants and hiring of machinery etc. The expenditure was irregular as the tendering process was not transparent. The tenders were opened by management in violation of procurement and contracts manual and in absence of procurement committee of Board. **Annexure-2**

Due to weak internal controls, tenders were opened by the company management in absence of procurement committee nominated by Board which resulted in irregular tendering process and expenditure.

The matter was reported to PAO in November, 2023. The management replied that MWMC being a public sector entity always followed the rule of law and all the procurements were made in conformity with principles of procurement. MWMC had its own Procurement Department with proper team. The reply was not tenable as the violation of Procurement and Contract Manual was not justified.

DAC in its meeting held during January, 2024 issued directions to the CFO to constitute a committee to verify each and every aspect of procurement in the lights of TORs of procurement committee and submit report for regularization. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.4.5 having financial impact of Rs 55.585 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 13]

Others

2.5.2 Doubtful consumption of POL – Rs 181.801 million

According to Section 49 of PFR-Vol-II, "Record of petrol, oil, lubricants and spare parts should be maintained separately for each vehicle. Full particulars of journey, distances between two places and purpose of journey indicating the brief particulars of the journey performed should be recorded in logbook. Furthermore, according to Government of the Punjab, Services & General Administration Department (Transport Pool) letter No. MTO(S&GAD) AT-II/2-9/2006 dated 26.12.2008, "Necessary arrangements were required for sealing of speedometer/milometer of all the vehicles under use in Government offices to minimize the chances of pilferage/misappropriation of fuel to save Government exchequer."

During audit of MWMC for the FY 2022-23, it was observed that CEO incurred expenditure amounting to Rs 181.801 million on account of purchase of POL of vehicles, tractors, rickshaws, container lifters, loaders and dumper trucks etc. Vehicle Trip Counting (VTC) System was installed in 2017 by the company for recording usage of POL and operation of each vehicle but no trackers report was available for verification of logbooks entries. Further, 48,428 liters' petrol was claimed against 86 loader rickshaws without obtaining fuel consumption certificate. **Annexure-3**

Due to weak monitoring mechanism, POL was drawn without recording usage of POL through VTC system which resulted in doubtful consumption of POL.

The matter was reported to PAO in November, 2023. The management replied that Vehicle Tracking and Monitoring System was installed in 126 operational vehicles by TPL Trackers Limited in 2017. The agreement expired on 31.03.2021 and was not renewed by the Authority. The trackers unit had completed 4 years and needed to be replaced. MWMC had signed a new contract with "Connexis (Pvt) Ltd" for vehicle monitoring & tracking. New trackers were installed in all active operational vehicles of MWMC. This system was under trial as reports and dashboard was not ready as per required formats and no any payment was made for those services. The VTMS had been made functional and SOP approved from competent authority. The reply was not tenable as the delay in replacing the VTC was not justified and the expenditure against POL was incurred without obtaining fuel consumption certificate.

DAC in its meeting held during January, 2024 issued direction to conduct an inquiry though LG&CD Department Lahore to probe the matter. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2018-19 vide para number 7.2.1.4 having financial impact of Rs 11.404 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 14]

2.5.3 Loss due to hiring of staff through contractor – Rs 23.933 million

According to Clause 4.2 & 10.1.1 of Procurement and Contractual Manual, "All MWMC employees involved in the procurement process shall have the responsibility for ensuring that the procurement of goods and services for Company is carried out in a cost effective manner."

During audit of MWMC for the FY 2022-23, it was observed that CEO incurred expenditure amounting to Rs 109.020 million on account of hiring of sanitary workers from contractor instead of direct hiring of contingent paid staff. Company incurred excess expenditure amounting to Rs 23.933 million by hiring of daily wages / contingent paid staff through contractor by paying income tax Rs 8.176 million, Punjab Sales Tax on Services (PSTS) Rs 15.037 million and contractor's profit Rs 0.720 million.

Due to weak financial controls, excess expenditure was incurred on hiring of daily wagers which resulted in loss to the Company.

The matter was reported to PAO in November, 2023. The management replied that MWMC hired the third-party workers through tendering process as per PPRA rules, 2014 which was most economical method. The reply was not tenable as the loss due to hiring of staff though contractor was not justified.

DAC in its meeting held during January, 2024 issued directions to the company's representative to conduct a study in consultation with other PSCs and report on best economic model for hiring of sweepers for waste collection by companies. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 6]

2.5.4 Irregular expenditure on hiring of machinery – Rs 23.136 million

According to Rules 59 (d)(iii& iv) of the Punjab Procurement Rules 2014, "A procuring agency may engage in negotiated tendering but this procedure shall only be used when for reasons of extreme urgency brought about by events unforeseeable by the procuring agency, the time limits laid down for open and limited bidding methods cannot be met, however, the circumstances invoked to justify extreme urgency must not be attributable to the procuring agency and the

Provincial Cabinet, for reason to be recorded in writing, approves any specific procurement to be made on urgent basis and shall fix the time for such urgency."

During audit of MWMC for the FY 2022-23, it was observed that CEO incurred expenditure amounting to Rs 23.136 million on account of hiring of machinery after declaring urgency by the Deputy Commissioner as Chairman MWMC without prior approval of Provincial Cabinet, mentioning time period for reasons recorded in writing. Management initiated process for hiring of machinery and floated advertisement on 11.05.2022 with tender opening date of 30.05.2022. But after opening of financial bid procurement committee in its 17th meeting decided to cancel the tender and approved that expenditure would be incurred through quotations by declaring urgency. Audit also compared the rates paid through quotations with rates received through tender which revealed that excess payment of Rs 4.381 million was made than tender price. **Annexure-4**

Due to weak internal controls, machinery was hired by declaring urgency against procurement rules which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. The management replied that the MWMC operational fleet was not sufficient to handle grand cleanliness operations at the event of Eid-ul-Azha. For that purpose, MWMC had to hire the machinery on rent. That year Operations Department of MWMC devised a plan for hiring of rental machinery services for Eid-ul-Azha 2022 (PROC # 30)" at an estimated cost of Rs 16.283 million. The reply was not tenable as no reason was offered to violate the procurement rules by declaring so called urgency.

DAC in its meeting held during January, 2024 directed the CEO to get the expenditure regularized from the Finance Department. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para:1]

2.5.5 Loss due to delay in approval of company as non-profit organization – Rs 18.178 million

According to Section 100C of the Income Tax Ordinance 2001, "The income of non-profit organization, trust, or welfare institutions, shall be allowed a tax credit equal to one hundred percent of the tax payable including minimum tax and final taxes payable under any of the provisions of this Ordinance." Furthermore, according to Rule 4(3) of the Public Sector Companies (Corporate Governance) Rules, 2017, "The Chief Executive is responsible to implement strategies and policies approved by the Board, make appropriate arrangements to ensure that funds and resources are properly safeguarded and are used economically, efficiently and effectively and in accordance with all statutory obligations."

During audit of MWMC for the FY 2022-23, it was observed that CEO failed to get approval of status of MWMC as non-profit organization from Federal Board of Revenue (FBR) till date. Withholding tax amounting to Rs 18.178 million was deducted by bank on profit earned on the balances available in the bank accounts during Financial Year 2022-23. MWMC was incorporated on 12.07.2013 as non-profit organization. **Annexure-5**

Due to weak financial controls and negligence of management approval of company as non-profit organization was delayed which resulted in loss to the Company.

The matter was reported to PAO in November, 2023. The management replied that MWMC had applied for the non-profit organization certificate with the Commissioner Tax Multan. MWMC was also focusing on completing all the formalities for availing the Tax exemption as per rules. The reply was not tenable as the MWMC was still not declared as non-profit organization.

DAC in its meeting held during January, 2024 directed the management to expedite the efforts to get approval. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number, 2.4.20 having financial impact of Rs 11.278 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 19]

2.5.6 Loss due to unauthorized payment of integrated allowance – Rs 11.242 million

According to Government of the Punjab, Finance Department, Lahore, notification No. FD.PC.2-1/2001dated 11.07.2011, "Integrated allowance is allowed to Naib Qasids, Qasids, Daftries, Frashes, Chowkidars, Sweepers and Security Guards."

During audit of MWMC for the FY 2022-23, it was observed that CEO made payment amounting to Rs 11.242 million on account of integrated allowance to 2,000 sanitary workers, supervisors, inspectors, beldars etc. without entitlement.

Due to weak financial controls, integrated allowance was paid without entitlement which resulted in loss to the company.

The matter was reported to PAO in November, 2023. The management replied that MWMC paid the integrated allowance to the employees up to BPS-4 of CDGM handed over to

MWMC through SAAMA as per Letter No. FD. PC-2-I/2005 dated 16-07-2005 issued from Finance Department, Government of Punjab, wherein revised integrated allowance to civil servants was Rs 450 per month. The reply was not tenable as the integrated allowance was not admissible to the employees of above mentioned categories.

DAC in its meeting held during January, 2024 directed the management to sort clarification from the Finance Department. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2020-21 vide para number 7.4.12 having financial impact of Rs 12.373 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para:10]

2.5.7 Loss due to non-imposition of penalty for late disbursement of wages – Rs 2.515 million

According to Clause xviii of terms & conditions of bidding documents, "The Contractor shall disburse salaries till 7th of each month. In case of delay, penalty @ of PKR 200 per worker/day will be imposed. If the salaries are not disbursed till 15th of each month, client has the right to terminate the contract under Clause 16."

During audit of MWMC for the FY 2022-23, it was observed that CEO failed to impose penalty against vendor amounting to Rs 2.515 million against the late payment of salaries to workers from the month of June, 2022 to April,2023. As per agreement, salaries to workers were to be paid by 7th day of each month but the vendor delayed in payments up to 17th days in payment of salaries for month of April, 2023. Almost in each month the salary was not paid within the time period mentioned in the contract. The detail is as under:

(Rupees in million)

Billing Month	Due date for disbursement of salary	Salary payment date	Number of workers	Late payment days	Fine Rs 200 Per person per day
Aug, 2022	7-Sep-22	9-Sep-22	4	2	0.002
Sep, 2022	7-Oct-22	12-Oct-22	300	5	0.300
Nov,2022	7-Dec-22	9-Dec-22	298	2	0.119
Jan, 2023	7-Feb-23	10-Feb-23	300	3	0.180

Total					**2.515**

Due to weak financial controls, penalty for late payment of wages to workers was not imposed against the venders which resulted in loss to the Company.

The matter was reported to PAO in November, 2023. The management replied that there were few delays in payment of salaries by the contractor to workers. The same matter was also highlighted during internal audit and Procurement Committee & Audit Committee of the Board directed to present the matter before Board for final approval. The reply was not tenable as no recovery was made from the vendors.

DAC in its meeting held during January, 2024 directed the management to recover the amount of penalty from defaulter. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.4.21 having financial impact of Rs 7.232 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 5]

2.5.8 Non-deduction of Group Insurance – Rs 1.657 million

According to Para 10.1.1.4 of Accounting and Financial Reporting Manual, "The Accounts and Finance Department shall process mandatory deductions from an employee's pay-cheque in compliance with governmental regulations."

During audit of MWMC for the FY 2022-23, it was observed that CEO failed to deduct Group Insurance amounting to Rs 1.657 million from the salaries of regular / permanent government employees working in MWMC. The detail is as under:

(Rupees in million)

BPS	No. of employees	Group Insurance rate	No. of months	Amount
BPS-1	949	67	12	0.763
BPS-2	663	67	12	0.533
BPS-3	28	67	12	0.023
BPS-4	94	67	12	0.076
BPS-5	187	79	12	0.177
BPS-6	31	79	12	0.029
BPS-8	4	79	12	0.004
BPS-9	19	79	12	0.018
BPS-11	15	135	12	0.024
BPS-14	2	135	12	0.003
BPS-16	1	202	12	0.002
BPS-18	1	392	12	0.005
Total				**1.657**

Due to weak financial controls, group insurance was not deducted which resulted in violation of Government instructions.

The matter was reported to PAO in November, 2023. The management replied that all the matters of employees were dealt as per directions received from CDGM now MCM as per SAAMA and no direction whatsoever had been received in HR department since the establishment of company regarding deductions of group insurance of regular employees of MWMC. Audit stressed deductions of group insurance of regular employees.

DAC in its meeting held during January, 2024 directed the management to make compliance of audit observation. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 7]

2.6 Punjab Cattle Market Management and Development Company, Lahore

Procedural irregularities

2.6.1 Irregular expenditure for arrangements of Eid-ul-Azha – Rs 32.898 million

According to Rules 64A and 59(d)(iii) of the Punjab Procurement Rules 2014, "A procuring agency may assign whole or part of procurement process to another procuring agency with the consent of that other procuring agency. A procuring agency may engage in negotiated tendering with one or more contractors with or without prior publication of a procurement notification but this procedure shall only be used when for reasons of extreme urgency brought about by events unforeseeable by the procuring agency, the time limits laid down for open and limited bidding methods cannot be met, however, the circumstances invoked to justify extreme urgency must not be attributable to the procuring agency."

During audit of PCMMDC for the FY 2022-23, it was observed that Chief Operating Officers (COOs) of Faisalabad and 02 other Divisions incurred expenditure amounting to Rs 32.898 million on purchase of uniforms, hiring of tentage / lighting equipment, generators, furniture, purchase of fuel, limestone, medicines, pana-flexes, janitorial items etc. The procurement process including advertisement, obtaining / evaluation of technical & financial bids, award of contracts etc. was initiated and finalized by the Head Office PCMMDC, Lahore without consent of the procuring agencies. Quantities and estimated value of items to be procured was not specified in advertisement notice. Supply orders were issued and supply received by Head Office whereas payments were made by the Chief Operating Officers. Furthermore, the HQ office issued the material to the COOs against the payment made. Transparency of the tendering process and quality assurance of the material supplied were compromised by the centralized procurement. Moreover, the field offices were not taken on board during the tendering process. The detail is as under:

(Rupees in million)

Sr. No.	**Sub Office of PCMMDC**	**Detail**	**Amount**
1	Faisalabad	Procurement for Eid-ul-Azha arrangement	10.086
2	Multan		12.620
3	Sahiwal		10.192
Total			**32.898**

Due to weak internal controls, centralized bidding process was carried out without the participation of the consumer which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. The COOs of Faisalabad and Multan Divisions replied that PCMMDC was a single entity being operated on Provincial level with field offices at divisional level. The Board being competent forum, after reviewing the whole procurement with excess amount, approved the payments of Eid-ul-Azha at agenda item No.11 of the 10th Board meeting on 07-09-2022. The divisional offices made payment to the suppliers / vendors. Therefore, no irregularity in procurement was committed by the PCMMDC. The reply was not tenable as procurement without consent of the procuring entity was not justified. The COO of Sahiwal Division did not submit any reply.

DAC in its meetings held during January, 2024 directed the COOs to get the matter regularized from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 10,4,3]

2.6.2 Irregular transfer of funds for capital expenditure – Rs 22.285 million

According to Serial No. 4 of approved PC-1, "Provincial Government will provide full grant in aid for establishment of model market (ADP 2016-17) GR No. 2526." Further, according to Admn Approval dated 29.03.2017 of Secretary Local Government, "Funds will be placed into SDA of Divisional Commissioner, Sahiwal for execution of scheme through Communication & Works Department, Government of Punjab." Furthermore, according to Rule 4(3) of the Public Sector Companies (Corporate Governance) Rules, 2013, "The chief executive is responsible for making appropriate arrangements to ensure that funds and resources are properly safeguarded and are used economically, efficiently and effectively and in accordance with all statutory obligations."

During audit of PCMMDC for the FY 2022-23, it was observed that COO Sahiwal Division transferred funds amounting to Rs 22.285 million to the XEN (Buildings) Pakpattan for construction of Model Cattle Market Arifwala which was the responsibility of the Punjab Government. The amount was transferred to the XEN (Buildings) without revising the source of funding in PC-1. Audit also observed the following irregularities:

i. Unjustified delay in the scheme was made due to which PCMMDC Sahiwal Division had to bear the extra financial expenses of Rs 9.296 million on account of rent of leased land for organizing cattle market Arifwala near Cattle Market Kameer.

ii. The work was awarded in June 2017 with completion period up to June, 2019 but the same remained incomplete till July, 2023. Due to delay, cost of scheme was increased to Rs 148.743 million which was also loss to PCMMDC.

Due to weak financial controls, Government of Punjab share was paid by the PCMMDC which resulted in irregular transfer of funds for capital expenditure.

The matter was reported to PAO in November, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests till finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR Para: 2]

2.6.3 Irregular expenditure on rent of land acquired for establishment of cattle markets – Rs 13.666 million

According to Article 42(r) of the Articles of Association (AoA) of the PCMMDC, "The Board of Directors shall ensure compliance with the applicable laws and rules as well as company's internal rules and procedures." Further, according to Rule 12 of the Punjab Procurement Rules 2014, "The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of thee million rupees on the website of the Authority in the manner and format specified by regulations."

During audit of PCMMDC for the FY 2022-23, it was observed that COOs Faisalabad and Sahiwal Divisions incurred expenditure amounting to Rs 13.666 million for acquiring land on lease / rental basis from private persons for establishment of 16 cattle markets / sales point. The land was acquired without uploading procurement opportunities on the Punjab Procurement Regulatory Authority (PPRA) website and seeking availability of state land for the said purpose from the Government of the Punjab, Revenue Department. The detail is as under:

(Rupees in million)

Sr. No.	Sub Office of PCMMDC	Detail	Amount
1	Faisalabad	Expenditure on establishment of cattle markets on private land	8.315
2		Expenditure on establishment of temporary sale point in Chiniot	0.589
3	Sahiwal	Expenditure on establishment of cattle markets on private land	4.762
Total			**13.666**

Due to weak managerial controls, land was acquired on lease without due process which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. The COO Faisalabad Division replied that efforts were being made for allocation of state land for 5 cattle markets being managed on lease land. Till acquiring of state land, the company had to obtain lease land as per rental assessments taken from the relevant district administrations. The reply was not tenable because the management did not make any efforts to acquire the state land. The COO of Sahiwal Division did not submit any reply.

DAC in its meetings held during January, 2024 directed COO to expedite the efforts for obtaining the state land for establishment of cattle markets. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 9,18,11]

2.6.4 Irregular appointment of daily wages employees – Rs 11.304 million

According to Para 3 of Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "It has also come to the notice of the Department that the Local Governments in Punjab are appointing the work charged / daily wages employees without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules. Therefore, it has been decided that in future no work charged / daily wages employee will be appointed without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of PCMMDC for the FY 2022-23, it was observed that COO Multan Division made payment amounting to Rs 11.304 million to different staff appointed on daily wages without adopting proper recruitment procedures.

Due to weak financial management, appointments of daily wages staff were made without due process which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. The COO replied that daily wages staff recruited as per approval of MD & budget approved by Board in its 36th meeting dated 22.07.2020. The reply was not tenable as the recruitment process was not properly adopted.

DAC in its meeting held during January, 2024 directed the COO to get the matter regularized from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 15]

2.6.5 Loss due to shifting of cattle markets from state land to private land – Rs 9.137 million

According to Government of the Punjab LD&CD Department letter No.AO(Dev)2-25/2014 dated 13.06.2014, under Section 195-B of the Punjab Local Government Ordinance, 2001, (as amended on 06.06.2014), "A cattle market established by a Cattle Market Management Company shall be deemed to be a cattle market organized by a Tehsil / Town Municipal Administration (TMA)." According to Rule 4(3) of the Public Sector Companies (Corporate Governance) Rules, 2013, "The Chief Executive is responsible for making appropriate arrangements to ensure that funds and resources are properly safeguarded and are used economically, efficiently and effectively and in accordance with all statutory obligations."

During audit of PCMMDC for the FY 2022-23, it was observed that COO Bahawalpur Division made payment amounting to Rs 9.137 million against rent of land for three cattle markets which were shifted from state lands to private lease lands irregularly, whereas the same were already on state lands even before inception of company. Land was acquired in excess than requirement. The detail is as under:

(Rupees in million)

Sr. No.	District	Name of Cattle Market	Name of Land Owner (s)	Area of Land	Agreement Amount
1	Rahim Yar Khan	Sadiqabad	1. Mr. Asjad Hassan Saqib	09A-06K-14M	0.738
		Sheikh Wahan	1. Mr. M Saleem Khan	30 Acres	3.300
		Bagh O Bahar	1. Mr. Farrukh Iqbal	03 Acres	0.165
		Khanpur	1. Mr. Ghulam Mustafa	11K-15M	0.128
2	Bahawalnagar	Chak Madrisa	1. Mr. M Naseer 2. Mr. Adil Naseer & 1. Mr. Khaliq ur Rehman 2. Mr. Muhammad Ashraf	20 Acres, & 17 Acres	2.737
		Haroonabad	1. Mr. Khadim Hussain	03 Acres	0.165
		Bahawalnagar	1. Mr. M Khan 2. Mr. Ahmed Khan	10 Acres	0.733
3	Bahawalpur	Uch Sharif	1. Mr. Ahmed Jamshed	03 Acres	0.192
		Tranda M Panah	1. Mr. Irshad Ahmed 2. Mr. Sardar Shamim Khan 3. Mr. Abdul Aziz Khan	27K-07M-45Ft	0.325
		Bahawalpur (Khanqah)	1. Mr. Muhammad Osman Awiasi	03 Acres	0.564
		Khairpur Tamewali	1. Mr. Tariq Javed 2. Ms. Sughran Bibi	13K-08M-81Ft	0.090
Total					**9.137**

Due to poor financial management, cattle markets were shifted from state lands to private lands against the instructions and policy which resulted in loss to the company.

The matter was reported to PAO in November, 2023. COO Bahawalpur Division replied that an amount of Rs 316 million was earned by outsourcing of animal levy & parking fee and self-collection. Location and direct access to cattle markets were very important factors. The expense was only 2.9% of the receipts from Cattle markets. Further, out of 17 cattle markets, 8 of them were operating on state land. Reply was not tenable as rational / reasons / minutes of Board meeting to shift cattle markets from state land to private land were not produced.

DAC in its meeting held during January, 2024 directed the management to provide approval of Board to shift cattle markets from state land to private land within three days. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 15]

2.6.6 Irregular expenditure through managed quotations – Rs 6.522 million

According to Rules 12(2) and 25 of Punjab Procurement Rules, 2014, “Any procurement exceeding two million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.” Further, according to Rule 9 of Punjab Procurement Rules, 2014, “A procuring agency shall announce in an appropriate manner all proposed procurement for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. The annual requirements thus determined would be advertised in advance on the PPRA’s website.”

During audit of PCMMDC for the FY 2022-23, it was observed that COO Multan Division incurred expenditure amounting to Rs 6.522 million on account of hiring of canopies for cattle markets and cleaning of land. The award of works was made without competition by arranging three quotations from same person. The contact numbers and address given on the both quotations were same. Further the owner / representative of participating firms was same.

Due to weak financial controls, framework contract was executed through managed quotations which resulted in irregular expenditure.

The matter was reported to PAO in November, 2023. The COO replied that hiring of canopies and cleanliness of solid waste services for cattle markets were procured through quotation process as per PPRA rules 2014. Works were verified by Manager Operations. Comparative statement of quotations obtained from market were verified by the management of PCMMDC Multan. The reply submitted by the management was not relevant to the audit finding.

DAC in its meeting held during January, 2024 directed the COO to probe the matter and report within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives.

[AIR Para: 11]

Value for money and service delivery issues

2.6.7 Unauthorized collection of levies / fees – Rs 525.046 million

According to Rule 90 of PLGA, 2022, "A local government may collect, through a notification published in the official Gazette, levy all or any of the taxes, fees, rates, tolls, rent and other charges." Furthermore, according to Government of the Punjab Local Government and Community Development Department, letter No.AO-DEV (LG) 9-3/ 2016(Transparency) Dated 27.06.2016 read with minutes of meeting of the expert Sub-committee for Outsourcing of Services & Facilities in Cattle Markets of Punjab dated 18.02.2015, "It is obligatory for the Companies to strictly adhere to the provisions of the Local Government laws / rules including relevant laws, rules, manuals, policies and instructions of Government of the Punjab to ensure transparency in functioning of the Companies."

During audit of PCMMDC for the FY 2022-23, it was observed that COOs Dera Ghazi Khan and Sahiwal Divisions allowed the contractors of cattle markets to collect receipts amounting to Rs 525.046 million against levies and fee without any notification in official Gazette. The rates of said levies were not officially published for stakeholders and general public information. The detail is as under:

(Rupees in million)

Sr. No.	Sub Office of PCMMDC	Amount
1	Dera Ghazi Khan	346.416
2	Sahiwal	178.630
Total		**525.046**

Due to weak financial controls, receipts were collected without gazette notification of levies which resulted in unauthorized collection of receipts.

The matter was reported to PAO in November, 2023. The COO Dera Ghazi Khan Division replied that the animal levy fee and parking fee was dully approved by the Board and same was prominently displayed in the cattle markets for all stakeholder. The reply was not tenable as the said fees were not notified in the official Gazette. The COO of Sahiwal Division did not submit any reply.

DAC in its meeting held during January, 2024 directed the COO Dera Ghazi Khan to get the levy and fee notified in official Gazette as well as regularization of preceding matter from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 13,8]

2.6.8 Loss due to auction of collection rights at abnormally low price than potential revenue – Rs 414.449 million

According to Clause IV (11) of the Memorandum of Association (MoA), "Objectives of the company include to devise the most suitable mechanism for animal fee collection." Further, according to Article 42(a,f) of the AoA, "The Board shall establish operational policies and procedures and shall prepare and execute detailed plans and programs for the furtherance of the objects of the Company." Furthermore, according to Rule 2.33 of PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of PCMMDC for the FY 2022-23, it was observed that COO Faisalabad Division auctioned the collection right of Animal Levy and Parking Fee to contractors at auction amount of Rs 290.626 million without assessing potential revenue from these revenue sources. However, review of operational activity reports of five cattle markets depicted that the contractors realized income amounting to Rs 705.075 million from the said revenue sources which was 143% more than the contract value of the collection rights and earned gross profit of Rs 414.449 million. The detail is as under:

(Rupees in million)

Sr. No.	Market Name	Revenue earned by Contractors	Contract Value	Difference	% of Contract value
1	Cattle Market Jaranwala	10.650	2.615	8.035	307.3%
2	Cattle Market Maluhana Jhang	465.075	162.260	302.815	186.6%
3	Cattle Market Shorkot City	15.861	7.051	8.810	124.9%
4	Cattle Market Chiniot	123.007	67.200	55.807	83.0%
5	Cattle Market Niamoana	90.482	51.500	38.982	75.7%
Grand Total		**705.075**	**290.626**	**414.449**	**142.6%**

Due to negligence on the part of management, collection rights were awarded without consideration of potential revenue which resulted in loss to the Company.

The matter was reported to PAO in November, 2023. The management replied that PCMMDC at Head Office level advertised outsourcing / auctioning of collection rights of animal levy / parking fee in all cattle markets of the Punjab. Subsequently Board of the PCMMDC approved the received bids which were higher than the reserve price. The reply was not tenable as revenue sources were auctioned without assessing the potential revenue from the said income sources.

DAC in its meeting held during January, 2024 directed COO to produce basis of reserve price and detailed assessment of actual collection / revenue from the income sources on which the contracts were awarded. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 12]

Others

2.6.9 Non-recovery / deposit of taxes – Rs 295.610 million

According to Sr. No.56 of the 2nd Schedule read with Rule 10(1) of Punjab Sales Tax on Services Act 2012, "PSTS shall be paid @ 16% of value of taxable services provided by a contractor of debt collection, rent collection, or similar other recovery or collection services including right to collect the toll or fee or regulatory fee or duty or any other similar collection." Further, according to Section 236(A)(1,2) of Income Tax Ordinance 2001, "Advance tax @10% of the gross sale price of any property or goods sold by auction shall be recovered along with each instalment."

During audit of PCMMDC for the FY 2022-23, it was observed that COOs of Bahawalpur and 04 other Divisions auctioned the collection rights of income sources of animal levy and parking fee to different contractors. Contrary to the above provisions, the management did not recover PST @ 16% and Income Tax @ 10% amounting to Rs 295.610 million from the contractors. The detail is as under:

(Rupees in million)

Sr. No.	Sub Office of PCMMDC	Detail	Amount
1	Bahawalpur	Punjab Sales Tax on Services	54.448
		Income tax	0.323
2	Dera Ghazi Khan	Income tax	0.493
		Punjab Sales Tax on Services	58.570
3	Faisalabad	Punjab Sales Tax on Services	55.042
		Income tax	6.668
4	Multan	Punjab Sales Tax on Services	94.276
5	Sahiwal	Punjab Sales Tax on Services	25.790
Total			**295.610**

Due to poor financial management, either taxes were not recovered from the contractors or collected taxes were not deposited into the Government Treasury which resulted in loss to Government and unauthorized retention of public money.

The matter was reported to PAO in November, 2023. The COOs Bahawalpur, Dera Ghazi Khan and Multan Divisions replied that PSTS was not applicable on parking and entry fee whereas efforts were being made to recover outstanding amount of income tax. Reply was not tenable as PSTS was applicable on fee collection and parking fee vide Para No. 4(12)(VII) and 4(12)(X) of Punjab Finance Act, 2018. The COO, Faisalabad Division replied that after incorporating rebate to the contractors, all income tax had been deposited on realized amount. Reply was not tenable as rebate was granted in violation of Rule 29 of the Punjab Local Governments (Auctioning of Collection Rights) Rules 2016 and the terms & conditions shown at Sr. No. 27 of the agreement deed between the contractors and the PCMM&DC. The COO of Sahiwal Division did not submit any reply.

DAC in its meetings held during January, 2024 directed the COOs to recover income tax from the concerned within a month and sort clarification from Punjab Revenue Authority for applicability of PSTS. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.5.30 having financial impact of Rs 390.880 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 6,16, 3, 5,2, 5, 3,10]

2.6.10 Loss of revenue due to unjustified fixing of reserve price and auction at lower price – Rs 237.172 million

According to Rule 12(4) a & b of PCMMDC Auction & Enlistment Policy 2022, "The highest bid, above the reserved price, shall reasonably justifiable and not have scope of future enhancement in view of the company."

During audit of PCMMDC for the FY 2022-23, it was observed that COO Multan Division accepted the bid for auction of animal entry fee as well as parking fee less than the last year auction price for Rs 164.312 million. Further, COO, PCMMDC Sahiwal Division, fixed the reserve price without considering the income from sources of allied services in the cattle markets having last year bench mark of Rs 72.860 million. The detail is as under:

(Rupees in million)

Sr. No.	Sub Office of PCMMDC	Description	Amount
1	Multan	In 04 cattle markets auction price of financial year 2022-23 was less than auction amount of financial year 2021-22	164.312
2	Sahiwal	In 17 cattle markets reserve price was calculated without taking income of allied services during financial year 2021-22 and 2022-23	72.860
Total			**237.172**

Due to weak financial controls, cattle markets were auctioned at less auction price as compare to last year which resulted in loss to the company.

The matter was reported to PAO in November, 2023. The COO Multan replied that Board of PCMMDC in its 11th meeting held on 28-10-2022 approved the formula for calculation / fixation of reserve prices of Cattle Markets for Financial Year 2023-24. The reply was not tenable as no minutes of the Board describing the reducing of reserve price was produced. The COO Sahiwal Division did not submit any reply.

DAC in its meeting held during January, 2024 directed the COO Multan to inquire the matter and submit report within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 19,13]

2.6.11 Loss due to non-recovery of arrears from the defaulting contractors - Rs 165.311 million

According to Para IV(10) of Memorandum of Associations of PCMMDC, "Objective of the company was to collect fee on animal in the cattle markets of the Punjab as per directions of Government of the Punjab."

During audit of PCMMDC for the FY 2022-23, it was observed that COOs of Bahawalpur and 02 other Divisions failed to recover arrears amounting to Rs 165.311 million from the contractors of collection rights of revenue sources pertaining to the Financial Years 2019-20 & 2021-22. However, management of the Company referred the case to the Deputy Commissioner, Faisalabad to declare outstanding dues of contractors as arrears of land revenue but the matter was not persuaded vigorously as a result receivables were still outstanding despite lapse of considerable period of time. The detail is as under:

(Rupees in million)

Sr. No.	Sub Office of PCMMDC	Detail	Amount
1	Bahawalpur	Vehicle parking fee / animal levy fee	21.600
			3.848
2	Dera Ghazi Khan		24.734
3	Faisalabad		115.129
Total			**165.311**

Due to weak financial controls, due efforts were not made to effect recovery from the contractors which resulted in loss to the Company.

The matter was reported to PAO in November, 2023. The COOs of Bahawalpur and Dera Ghazi Khan Division replied that all out efforts were being made to recover outstanding arrears from the concerned. COO Faisalabad replied that said arrears pertained to 2019-2020 for the era of covid-19. This office had forwarded the request to district collector / Addl. Commissioner Revenue for recovery of the said amounts. Reply was not tenable as recovery was not affected from the concerned despite lapse of a considerable time.

DAC in its meetings held during January, 2024 directed the COOs to recover outstanding arrears from the concerned within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for Audit Year 2022-23 vide para number 2.5.31 having financial impact of Rs 322.912 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 10,13, 2,8]

2.6.12 Grant of inadmissible rebate to contractors – Rs 154.745 million

According to Rule 29 of the Punjab Local Governments (Auction of Collection Rights) Rules, 2016 and Para 29 of PCMMDC Auction & Enlistment policy 2022, "The contractor shall not be entitled to rebate on any ground what so ever." Further, according to Article 42(r) of AoA of the PCMMDC, "The Board of Directors shall ensure compliance with the applicable laws and rules as well as company's internal rules and procedures." Further, according to Clause No.27 of the contract agreement between the contractors and PCMMDC, "The company shall not be responsible for the loss sustained by the contractor due to any reason including crises in the country, emergency conditions, natural calamities, pandemics (Covid-19 etc.), litigation from general public, force majeure etc. and the contractor shall not be entitled to claim any rebate."

During audit of PCMMDC for the FY 2022-23, it was observed that COOs of Bahawalpur and 03 other Divisions allowed rebates of Rs 154.745 million to the contractors of outsource income. As per auction terms and conditions and according to agreement, rebate was not allowed on any ground. But rebate was allowed due to the Limpi Skin Disease (LSD) and heavy rains. The rebate was given as relief in 10th Board meeting and same was retained in the 11th Board meeting despite the Secretary Local Government and Community Development Punjab showed its serious concern on 60% relief and proposed to follow the Auction & Enlistment Policy 2022 where rebate was not admissible on any ground. The detail is as under:

(Rupees in million)

Sr. No.	Sub Office of PCMMDC	No. of Cattle Markets	Rebate Amount
1	Bahawalpur	16	50.556
2	Dera Ghazi Khan	22	52.974
3	Faisalabad	14	33.795
4	Sahiwal	16	17.420
Total			**154.745**

Due to negligence on the part of management, rebate was granted without admissibility which resulted in loss to the Company.

The matter was reported to PAO in November, 2023. The COOs Bahawalpur, Dera Ghazi Khan and Faisalabad Division replied that Board of PCMMDC was empowered to take all financial and administrative decisions. The matter related to policy of the Company which was dully approved by the Board as per powers conferred under Companies Act, 2017. Reply was not tenable as rebate was allowed without amendment in enlistment policy in violation of para 30 of said policy. Further, rebate was allowed to all contractors without report / recommendation of concerned COO regarding areas effected by flood and lumpy skin disease. The COO of Sahiwal Division did not submit any reply.

DAC in its meetings held during January, 2024 directed the COOs to regularize the matter from Administrative Department. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directive.

[AIR Paras: 18,9,11,7]

2.6.13 Loss due to non-recovery of accounts receivables – Rs 61.688 million

According to Rule 28 of the Punjab Local Governments (Auction of Collection Rights) Rules 2016, "If a contractor fails to pay dues on due date and time and fails to abide by any terms & conditions of the contract, the Local Government shall cancel the contract and may decide to re-auction the income for the remaining period of contract or may make self-collection. In both situations if the income so received is found less than the contractual amount, the difference shall be recovered from the contractor as arrears of land revenue."

During audit of PCMMDC for the FY 2022-23, it was observed that COOs of Multan and Sahiwal Divisions failed to recover the accounts receivables of Rs 61.688 million from the defaulting contractors.

Due to weak financial and operational management, non-recovery of dues from the contractors resulted in loss to the Company.

The matter was reported to PAO in November, 2023. COO Multan replied that case was under litigation and proceedings were pending in Lahore High Court. The COO of Sahiwal Division did not submit any reply.

DAC in its meeting held during January, 2024 issued direction to the COO Multan to follow-up the matter with the Honorable Court. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Paras: 13,9]

2.6.14 Unjustified expenditure against hired vehicles and fuel – Rs 5.302 million

According to Rule 9 (1) and (20) of the West Pakistan Government Staff Vehicles (Use and Maintenance) Rules, 1969, "There shall be maintained, in respect of every Government vehicle, a logbook in Form 'A' wherein shall be entered in the journeys performed by a Government vehicle. The logbook maintained under sub-rule (1) shall remain in the custody of the driver in-charge of the vehicle and shall be examined and signed by the Officer in charge every day at the time the driver is relieved from duty." Further, according to Rule 4 (3) of the Public Sector Companies (Corporate Governance) Rules, 2013, "The chief executive is responsible for the management of the Public Sector Company and for its procedures in financial and other matters, subject to the oversight and directions of the Board, in accordance with the Ordinance and these rules. His responsibilities include implementation of strategies and policies approved by the Board, making appropriate arrangements to ensure that funds and resources are properly safeguarded and are used economically, efficiently and effectively and in accordance with all statutory obligations."

During audit of PCMMDC for the FY 2022-23, it was observed that COO Multan Division hired two vehicles (1000CC & 1600CC) for transportation of field staff from office to cattle markets. An amount of Rs 1.625 million for rent and Rs 3.677 million for fuel was paid. The vehicles were continuously hired throughout the year for amounting to Rs 59,982 and Rs 76,986 per month but neither any duty roaster (deployment plan) nor detail of staff travelled in the hired vehicles was available. All the cattle markets along with allied services were auctioned to different contractors and monitoring was feasible by the operational staff having approved fuel limits, hence hiring of private vehicle was not justified.

Due to weak internal controls, expenditure was incurred without maintenance of satisfactory record to authenticate the actual expenditure which resulted in unjustified expenditure.

The matter was reported to PAO in November, 2023. COO replied that rental vehicles were hired for transporting the field operation staff to far away cattle markets within the division for smooth operation and monitoring purposes. The staff was not paid any kind of travelling allowance / fuel to cattle attendants performing duties in cattle markets. The reply submitted without duty roaster and detail of staff using the vehicle, was not considerable.

DAC in its meetings held during January, 2024 directed the COO to probe the matter in the light of audit observation and submit report within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para: 12]

2.6.15 Loss due to non recovery of late payment surcharge – Rs 2.619 million

According to Clauses 06 & 12 of the Contract Agreement between the contractors and PCMMDC, "The contractor is bound to deposit monthly instalment in advance upto 5^{th} of each month. In case of genuine reasons, the Company may grant grace period upto seven days' subject to payment of late payment charge @ 0.2% per day, and in case of default or non-compliance to contractual obligations the Company will have right to initiate necessary action including revoking of contract with forfeiture of securities on the risk & cost of the contractor and blacklisting of the firm."

During audit of PCMMDC for the FY 2022-23, it was observed that COO Faisalabad Division auctioned the collection rights of parking fee and animal entry fee for three cattle markets. Scrutiny of record depicted that contractors did not deposit monthly instalments within due date and management imposed late payment surcharge @ 0.2 % per day amounting to Rs 2.619 million but the amount was neither recovered from the defaulting contractors nor adjusted from their security deposits. The detail is as under:

(Rupees in million)

Sr. No.	Name of Cattle Markets etc.	Name of Contractors	Description	Amount
1	Cattle Market Niamiana	Zaheer Mughal		0.148

Sr. No.	Name of Cattle Markets etc.	Name of Contractors	Description	Amount
2	Cattle Market Malhuana		Non-recovery of late payment surcharge	2.451
3	Cattle Market Shorkot	Anayat Ullah Khan		0.020
Total				**2.619**

Due to weak financial controls, penalty was not recovered from contractors which resulted in loss to the Company.

The matter was reported to PAO in November, 2023. The management replied that notices were served to contractors for clearance of late payment surcharges. Audit stressed to expedite the process of recovery without further delay.

DAC in its meeting held during January, 2024 directed the COO to provide relevant record to Audit for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 3]

AUDIT REPORT
ON
THE ACCOUNTS OF
DISTRICT HEALTH AUTHORITIES
OF 17 DISTRICTS OF PUNJAB (SOUTH)

AUDIT YEAR 2023-24

DISTRICT HEALTH AUTHORITIES OF 17 DISTRICTS OF PUNJAB (SOUTH)

CHAPTER 1

District Health Authorities - Primary & Secondary Healthcare Department

1.1 Introduction

A. District Health Authorities (DHAs) were established on 01.01.2017. Each DHA is a body corporate having perpetual succession and a common seal with power to acquire / hold property and enter into any contract and may sue and be sued in its name.

Chief Executive Officer is the Principal Accounting Officer (PAO) of DHA and is accountable to the Public Accounts Committee of the Provincial Assembly. He is responsible to ensure that the business of the DHA is carried out in accordance with the laws and to coordinate the activities of the groups of offices for coherent, effective and efficient functioning of DHAs.

The functions of DHAs are to:

i. Establish, manage and supervise primary and secondary healthcare facilities and institutions of the district.
ii. Approve budget of the Authority and allocate funds to health institutions.
iii. Coordinate health related emergency response during any natural calamity or emergency.
iv. Develop referral and technical support linkages between primary, secondary and tertiary level healthcare facilities.
v. Ensure human resource management and capacity development of health service delivery personnel.
vi. Ensure timely reporting of progress on health indicators relating to disease surveillance, epidemic control and disaster management to the Government.
vii. Ensure implementation of minimum service delivery standards in infrastructure, patient safety, hygiene and public health as prescribed by the Punjab Healthcare Commission.

Administrative structure of DHAs is given below:

Administrative Structure of DHA

Description	**No. of Administrative Offices**
Chief Executive Officer	1
District Health Officers	4
Deputy District Health Officers	1 in each Tehsil

*Source: Data received from CEO, DHA Offices

Total number of health facilities / institutions in 17 DHAs under jurisdiction of DGA, Local Governments, Punjab (South), Multan is given below:

Health Facilities / Institutions

Description	Total No. of Health Facilities / Institutions
Basic Health Units	1222
Government Rural Dispensaries	490
Rural Health Centers	167
Tehsil Head Quarter Hospitals	52
District Head Quarter Hospitals	12
District Health Development Centers	16
Nursing Schools	11

*Source: Data received from CEO, DHA Offices

DHA wise detail of health facilities / institutions is attached as **Annexure-B**.

The following table shows detail of total & audited formations of 17 DHAs:

Audit Profile of DHAs of the Punjab (South)
(Rupees in million)

Sr. No.	Description	Nos.	Nos. Audited	Expenditure Audited FY 2022-23	Revenue / Receipts Audited FY 2022-23
1	Formations	397	105	25,464.649	284.620
2	Assignment Accounts (excluding FAP)	-	-	-	-
3	Authorities / Autonomous Bodies etc. under the PAO	-	-	-	-
4	Foreign Aided Projects (FAP)	-	-	-	-

DHA wise detail of total & audited formations is attached as **Annexure-C**.

B. Comments on Budget and Accounts (Variance Analysis)

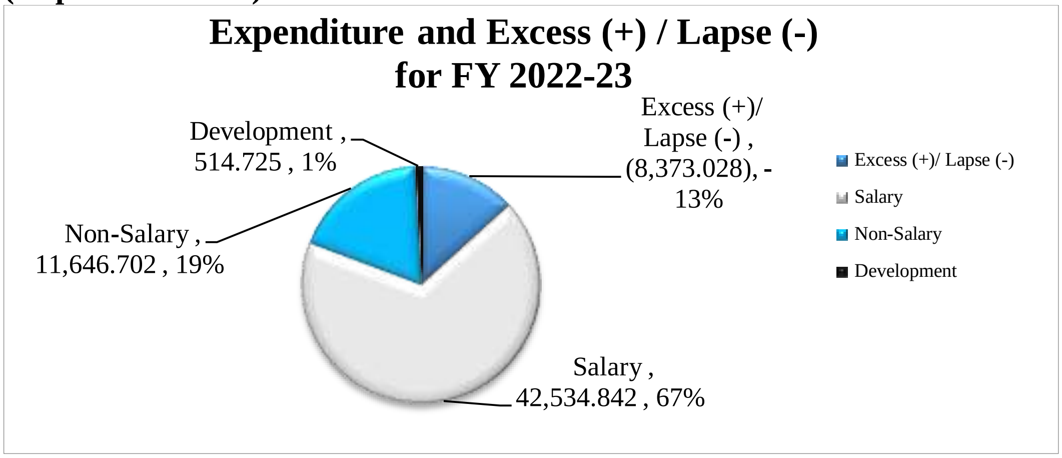
Consolidated statement of budget, expenditure and receipts of 17 DHAs for Financial Year 2022-23 is given below:

(Rupees in million)

Description	Budget	Expenditure	Excess (+)/ Lapse (-)	Variance
Salary	45,971.017	42,534.842	(3,436.175)	7.475%
Non-Salary	13,641.508	11,646.702	(1,994.806)	14.623%
Development	3,456.772	514.725	(2,942.047)	85.110%
Total	**63,069.297**	**54,696.269**	**(8,373.028)**	13.276%
Description	**Target**	**Actual**	**Surplus (+) / Shortfall (-)**	**Variance**
Receipts	293.359	639.275	345.916	117.92%

DHA wise detail of budget, expenditure and receipts of 17 DHAs for Financial Year 2022-23 is attached as **Annexure-D**.

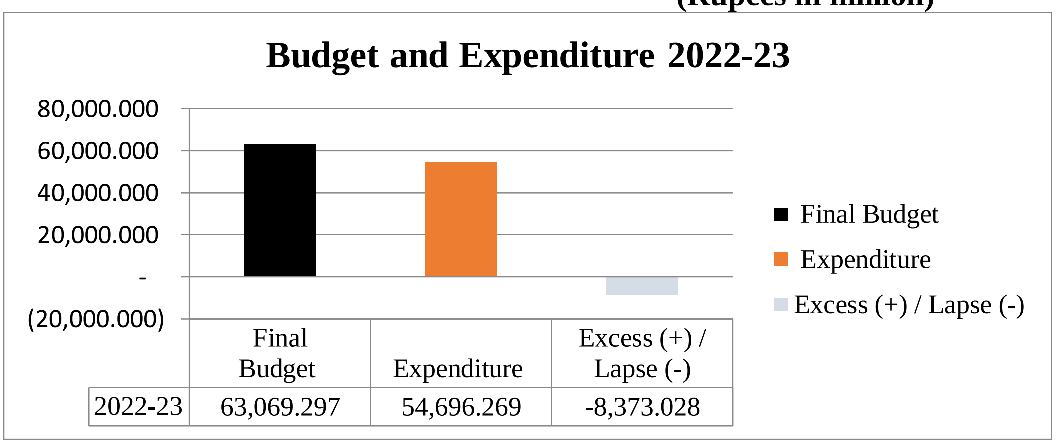
(Rupees in million)



Against budget (development / non-development) of Rs 63,069.297 million for Financial Year 2022-23, DHAs could utilize only Rs 54,696.269 million, whereas 7 % of salary component, 15 % of non-salary component and 85 % of development funds remained unspent, reflecting poor financial management. The management exaggerated the allocation under the different components of budget to make the whole exercise unrealistic and prone to overspending. The unspent percentage of the allocation clearly shows poor planning and budgeting. An overall lapse of Rs 8,373.028 million was more than 13 % of total budget allocation.

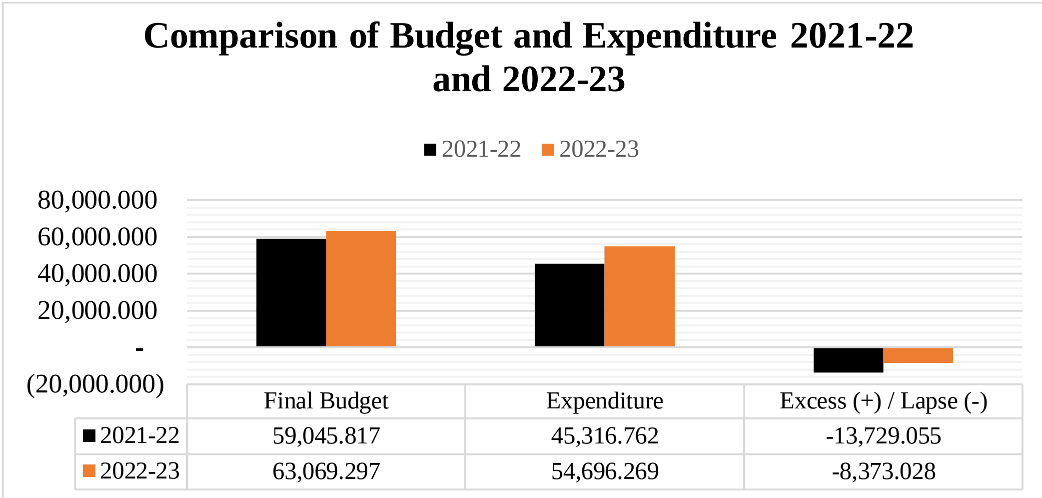
Poor financial management resulted in depriving the local population of the benefits likely to have accrued to them because of development planned but not properly undertaken by the management.

(Rupees in million)



The comparative analysis of the budget and expenditure of current and previous financial year is depicted as under:

(Rupees in million)



The comparative analysis of the budget and expenditure for the Financial Years 2021-22 and 2022-23 depicts poor planning and budgeting. During the Financial Year 2022-23 the budget allocation increased by 7% viz-a-viz FY 2021-22 whereas the expenditure increased by 21% despite significant saving ranging from 7% to 85% in all three components of budget with overall saving of more than 13%. Comparatively during the Financial Year 2021-22 there was huge saving ranging from 15% to 74% in all three components of budget culminating at 23% of overall budget during the concerned year. **Annexure-D**

The comparative data for the Financial Years 2021-22 and 2022-23 reflects the systemic issue of poor planning, budgeting, and implementation. The tendency reflects poor financial management, withholding the higher portfolio with the health sector, depriving the other sectors from the re-allocation of resources, and defeating the likely benefits to be achieved through proper utilization of funds.

C. Sectoral Analysis on the Achievements against Targets

i. Analysis of Financial Resources

Lapse of funds (as reflected above) equivalent to 7%, 15% and 85% of the budgeted amount against salary, non-salary and development heads respectively reflect poor financial management especially considering that the Authority failed to achieve many of its core indicators and infrastructure targets during the financial year. Available funds to the tune of Rs 8,373.028 million were not utilized to help to achieve the targets. The same resulted in depriving the community of necessary health services / facilities.

ii. Analysis of Targets and Achievements

Sectoral analysis of DHAs was made on the basis of various indicators of all the health units for Financial Year 2022-23. These indicators were introduced, implemented and monitored through PMU (Project Management Unit) established at P&SHD. The objective of such indicators was to ascertain better service delivery through monitoring at appropriate level in order to help improve health facilities, facilitation to patients in OPD, vaccination and free of cost deliveries. Detail of indicators and achievements is given below:

Status regarding indicators and their achievements

Sr. No.	Description	Achievements in number (FY- 2022-23)
1	OPD	88,592,838
2	Indoor	2,528,023
3	Surgery	352,425
4	Cardiology	407,410
5	Total Lab Investigations	8,929,554
6	Total Family Planning Visits	1,817,289
7	Pediatric	2,345,585
8	Operations under GA	291,440
9	TB/Chest Suspects	570,454
10	EPI Vaccination	15,808,342

Source: Data received from CEO (17 DHAs)

iii. Service Delivery Issues

Allocating financial resources without proper planning, prioritizing the targets, need based assessment and monitoring mechanism shows poor financial management. Due to poor planning and ineffective monitoring, DHAs failed to deliver basic services to the end users. Funds for procurement of medicines and development remained under-utilized due to inefficiency of the management.

iv. Expectation Analysis and Remedial Measures

DHAs were established to ensure better service delivery through a dedicated organization in each district through a focused, target oriented and need based intervention. The basic premise of establishment of DHAs was also to enable better supervision through a professional Chairman / vice Chairman of DHA. The same could not be achieved due to non conduct of electoral process. Further, poor service delivery, occurrence of irregularities, improper / under utilization of funds and violation of procurement rules clearly reflects the failure of the management to meet the expectations of the administration in general and public in particular.

Following remedial measures need to be taken to achieve the minimum service delivery standards:

i. Ensure proper formulation of DHAs as notified in Punjab District Authorities (Composition) Rules, 2016.

ii. Ensure sound public financial management through effective budgeting and proper utilization of allocated funds.

iii. Ensure an authentic database for effective planning and better service delivery especially through an integrated hospital management information system / patient referral system.

iv. Strengthen internal controls, follow regulatory framework and ensure fair tendering process.

v. Ensure provision of medical equipment, human resource as well as allied resources at all health facilities.

1.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 3,852.305 million were raised as a result of this audit. This amount also includes recoverable of Rs 1,506.657 million as pointed out by the audit. Consolidated summary of audit observations on the accounts of 17 DHAs classified by nature is as under:

Overview of Audit Observations

(Rupees in million)

Sr. No.	Classification	Amount
1	Non-production of record	0
2	Reported cases of fraud, embezzlement and misappropriation	30.830
3	**Procedural irregularities**	0
A	HR / employees related irregularities	625.894
B	Procurement related irregularities	1,509.058
C	Management of Accounts with Commercial Banks	33.400
4	Value for money and service delivery issues	7.124
5	Others*	1,645.999
Total		**3,852.305**

*It includes issues of overpayment of pay & allowances, non-deposit of hospital receipts etc.

DHA wise summary of audit observations classified by nature is attached as **Annexure-E.**

DHA / DDO wise summary of audit observations included in this Report is attached as **Annexure-F**.

1.3 Comments on the Status of Compliance with PAC Directive

The Audit Reports pertaining to following years were submitted to Governor of the Punjab but have not been examined by the Public Accounts Committee.

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
1	2017-18	310	PAC meeting was not convened

Sr. No.	Audit Year	No. of Paras	Status of PAC Meetings
2	2018-19	647	PAC meeting was not convened
3	2019-20	576	PAC meeting was not convened
4	2020-21	254	PAC meeting was not convened
5	2021-22	226	PAC meeting was not convened
6	2022-23	270	PAC meeting was not convened

DHA wise status of previous Audit Reports is attached as **Annexure G**.

Note: Non-convening of PAC has seriously hampered the accountability process and has encouraged the departments to repeat the irregularities.

CHAPTER 2

2.1 Public Financial Management

Public Financial Management (PFM) is a central element of a functioning administration, underlying all government activities. It encompasses the mechanisms through which public resources are collected, allocated, spent and accounted for.

It is a proven fact that fiscal governance of any country is closely linked to an effective Public Financial Management (PFM) system, which focuses on principles of fiscal discipline, legitimacy, transparency and accountability of public finances. PFM is framed around achieving an overall discipline which specifically includes resource allocation and operational efficiency and effectiveness of public expenditure. The maintenance of "aggregate fiscal discipline" is foremost and primary objective of PFM which revolves around interaction of two streams; revenue and expenditure. Revenue generation and Public Expenditure Management complement each other in attaining the strategic macroeconomic objectives of the state.

Punjab Public Financial Management Act, 2022 provides a broad framework for regulating the public sector financial management from budget making, revenue generation, cash management, expenditure, accounting to scrutiny through public audit.

DHAs were established on 01.01.2017 under PLGA 2013 in thirty-six (36) districts of the Punjab. The purpose was to provide better health facilities to the local community. DHA is body corporate having perpetual succession and common seal, with power to acquire / hold property and enter into any contract and may sue and be sued in its name.

The Chief Executive Officer / Principal Accounting Officer shall be responsible:

a) To adhere to and enforce the principles of financial propriety, including the compliance of laws, rules, regulations, maintaining high standard of prudence, vigilance, due diligence and ensuring value for money while incurring expenditure and collecting government receipts;

b) To prepare budgetary proposals within the indicative budget ceilings agreed by the Finance Department. All expenditure proposals shall be based on well-defined plans. Budget allocation to various heads of expenditures, to the offices under his control may be made as per government plans and priorities and in such a way that during the currency of year, requirements for additional budget or re-appropriation are minimized if not eliminated altogether;

c) To ensure the availability of budgetary allocations in various heads of accounts especially under the employee related expenditure in order to ensure timely payment of employee emoluments;

d) To prepare development budget proposals and include the realization of economic forecasts and projections as well as achievement of goals and targets committed with reference to development budget;

e) To sanction expenditure as per the delegated financial powers. Such sanctioning of expenditure shall not exceed the allocated budget. Prior to approving of expenditure sanction, principal accounting officer shall ensure that the required budget is available in the relevant head of account. Sanctioning of expenditure shall be based on the purpose for which the funds are allocated;

f) To ensure revenue collection particularly non-tax revenue pertaining to concerned Authority to be realised on timely basis;

g) To monitor the budget execution progress, and undertake reconciliation with accounting offices on monthly basis, related to revenues and expenditure of the Authority through Budget and Accounts Officer and furnish reconciled statement of revenue and expenditure, separately to Finance Department on quarterly basis, through Budget and Accounts Officer;

h) To ensure that departmental accounts of a District Authority are maintained correctly and effectiently;

i) Any sums due to a District Authority are promptly realized and credited to the Local Fund / Public Account.

Resource Mobilization

DHAs of South Punjab, like previous year, relied on the share / grants received through Provincial Finance Commission (PFC) during the FY 2022-23 to meet their administrative and operating expenses. Out of total receipts of DHAs, PFC share consisted of 98% in FY 2022-23 as compared to 96% in FY 2021-22.

(Rupees in million)

Description	**2022-23**		**2021-22**	
	Amount	**%**	**Amount**	**%**
Tax Revenue	104.977	0.19	1,007.333	2.15
Non-Tax Revenue Share of PFC / Grants	53,288.623	98.48	45,137.945	96.56
Other receipts	715.994	1.32	602.840	1.29
Total	**54,109.594**		**46,748.118**	

DHA wise detail of Tax and Non-Tax Revenue of 17 DHAs for Financial Years 2022-23 and 2021-22 is attached as **Annexure-1**.

An overall view of budget and expenditure of 17 DHAs for the FY 2022-23 is given in the table below, whereas, Authority wise detail of budget and expenditure is placed at **Annexure-D**.

(Rupees in million)

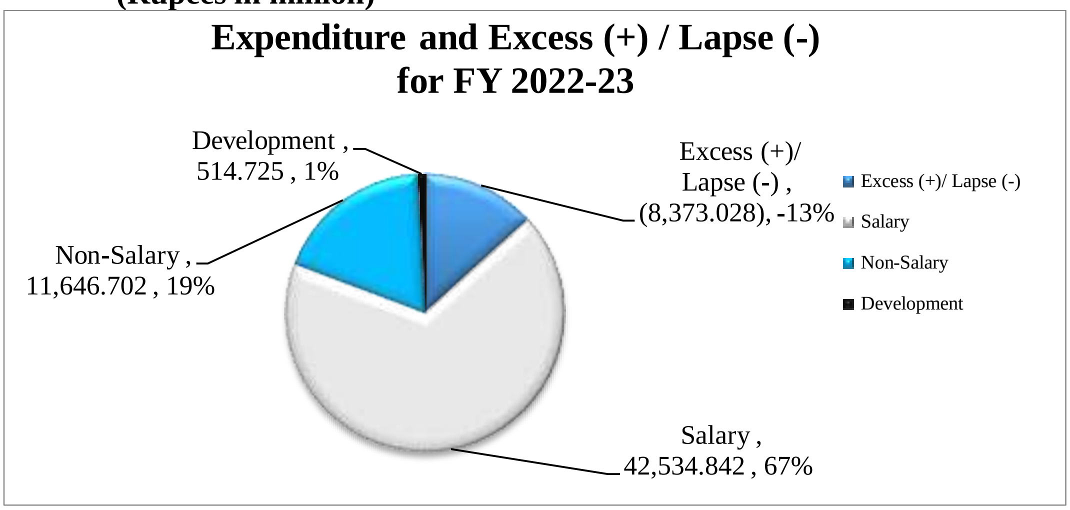
Description	**Budget**	**Expenditure**	**Excess (+)/ Lapse (-)**	**Variance %**

Salary	45,971.017	42,534.842	(3,436.175)	7.475
Non-Salary	13,641.508	11,646.702	(1,994.806)	14.623
Development	3,456.772	514.725	(2,942.047)	85.110
Total	**63,069.297**	**54,696.269**	**(8,373.028)**	13.276

Audit also noted that material payments were made from Account-VI of DHAs without valid authorization during FY 2022-23. Administrators of Authorities were appointed vide notification No. SOR(LG)38-5/2014 dated 01.01.2017 under section 30(3) of the PLG Act 2013. However, the period of appointment under above notification lapsed on 31-12-2018. Moreover, there is no provision for extension and continuity of the Administrators in PLGA, 2022 after the expiry of notified period.

DHA wise detail of budget and expenditure and receipts of 17 DHAs for Financial Year 2022-23 is attached as **Annexure-D**.

(Rupees in million)



Moreover, out of budget of Rs 63,069.297 million for Financial Year 2022-23, DHAs could utilize only Rs 54,696.269 million, resultantly 7% of salary component, 15% of non-salary component and 85% of development funds remained unspent, reflecting poor financial management. The unspent percentage of the allocation clearly shows poor planning and budgeting. An overall lapse of Rs 8,373.028 million was more than 13% of total budget allocation.

Revenue Receipts of DHAs were slightly more than budgeted targets. Authorities did not find themselves in a position to substantially increase receipts, as they relied on Provincial Government funds. Unpredictability of their shares from PFC and other grants in aid / tied grants coupled with capacity issues of their budget and finance wings forced DHAs to prepare, unjustified and unrealistic estimates of receipts.

Revenue expenditure constituted 99% of the total expenditure incurred by the Authorities during the FY 2022-23. Salary expenditure, comprising pay & allowances, pension contribution, financial assistance and leave encashment, was almost 79% of total revenue expenditure, whereas, non-salary was 20% during FY 2022-23.

Capital Receipts comprise receipts such as proceeds from recoveries of loans and advances, debt receipts from internal sources, and loans and advances from government as well as accruals from Public Account.

Appropriation Accounts
(Rupees in million)

Description	Original Budget	Supplementary Grant	Surrender	Final Budget	Actual Expenditure	Excess (+) / Lapse (-)
Salary	47,218.618	3,927.675	5,175.276	45,971.017	42,534.842	(3,436.175)
Non Salary	16,337.603	2,503.268	5,199.363	13,641.508	11,646.702	(1,994.806)
Development	2,612.941	863.240	19.409	3,456.772	514.725	(2,942.047)
Total	**56,169.162**	**7,294.183**	**10,394.048**	**63,069.297**	**54,696.269**	**(8,373.028)**

Original budget, supplementary grants, surrenders and re-appropriations distinctly and indicate actual revenue and capital expenditure on various specified services viz-à-viz those authorized by the Council / Administrator. Appropriation Accounts, thus, facilitate the management of finances and monitoring of budgetary provisions and are, therefore, complementary to the Finance Accounts.

Audit of appropriation accounts seeks to ascertain whether the expenditure incurred under the grant/head of account is in conformity with the laws, relevant rules and regulations. During financial attest audit of appropriation accounts and financial statements of DHAs for the FY 2022-23, audit emphasized on the following matters:

g) 17 DAOs of the Punjab (South) made payments of Rs 54,696.269 million to the DHAs against the budget authorized by the irrelevant authority in violation to the provisions of notification No. SOR(LG)38-5/2014 dated 01.01.2017 under section 30(3) of the PLG Act

2013. However, the period of appointment under above notification lapsed on 31-12-2018. Moreover, there is no provision for extension and continuity of the Administrators in PLGA, 2022 after the expiry of notified period.

h) In violation to Para 5.2.2.2 of Accounting Policies and Procedures Manual, "Public Account receipts, other than revenue, must be banked in the name of the Government without delay and included in the Public Account of the respective Federal or Provincial Government." 16 DAOs of the Punjab (South) did not transfer receipts to concerned Governments and retained in its public account resulting in overstatement of closing balances of Rs 481.716 million. Authorities raised accruals against Public Account and certain heads of account of Consolidated Fund Receipts invariably by retaining an amount of Rs 481.716 million on account of General Provident Fund (GPF), Group Insurance (GI), Benevolent Fund (BF), Income Tax and General Sales Tax (GST) during the FY 2022-23. This phenomenon overstated the cash closing balance of DHAs as given in the following table.

(Rupees in million)

Cash closing balance as on 30.06.2023	**Liabilities**	**Actual cash closing Balance**
7,318.144	481.716	6,836.428

DHA wise detail of closing cash balance and Public Account liabilities of 16 DHAs for Financial Years 2022-23 is attached as **Annexure-2**.

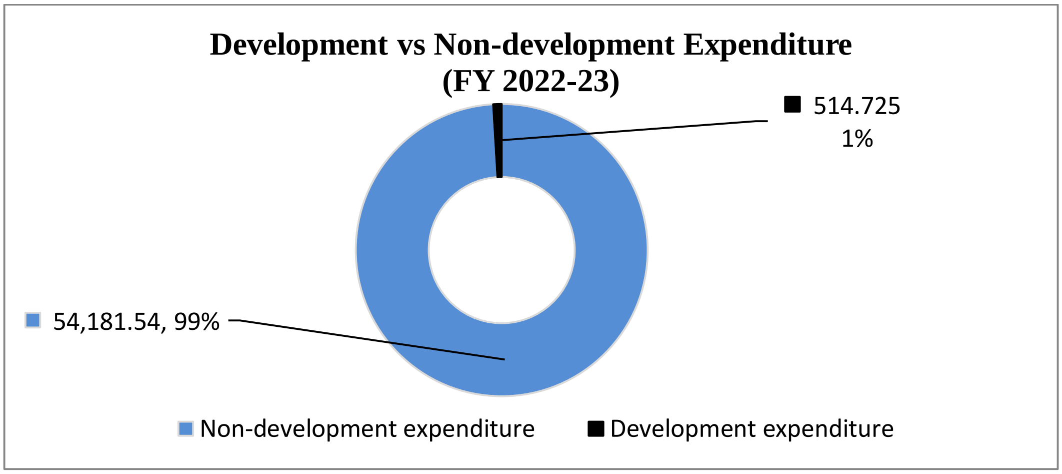
Medium Term Development Framework

The fiscal priority and fiscal capacity of the DHAs with regard to development and non-development expenditure during the FY 2022-23 is tabulated as below:

(Rupees in million)

Description	**Amount**	**Percentage**
Non-development expenditure	54,181.544	99%
Development expenditure	514.725	1%
Total	**54,696.269**	**100**

(Rupees in million)



The table below shows final budget position allocated to 17 DHAs during the FY 2021-22 and 2022-23. As can be seen from the table that final development grant increased from Rs 3,256.007 million in FY 2021-22 to Rs 3,456.772 million in FY 2022-23.

(Rupees in million)

Sr. No.	District	2021-22		2022-23		Budget Variance Increase (+)/ Decrease (-)	Expenditure Variance Increase (+)/ Decrease (-)
		Final Grant	Actual Exp.	Final Grant	Actual Exp.		
1	Bahawalnagar	129.366	40.704	22.348	22.308	(107.018)	(18.396)
2	Bahawalpur	281.000	17.450	24.524	24.524	(256.476)	7.074
3	Chiniot	16.238	4.642	16.024	10.319	(0.214)	5.677
4	Dera Ghazi Khan	609.001	387.378	418.897	46.912	(190.104)	(340.466)
5	Faisalabad	494.922	6.193	885.910	3.140	390.988	(3.053)
6	Jhang	77.040	44.667	23.478	19.408	(53.562)	(25.259)
7	Khanewal	5.008	4.234	59.449	9.879	54.441	5.645
8	Layyah	9.621	6.405	15.500	5.070	5.879	(1.335)

10	Multan	930.317	5.729	1155.670	4.771	225.353	(0.958)
11	Muzaffargarh	8.617	8.614	3.320	3.230	(5.297)	(5.384)
12	Pakpattan	7.458	4.411	9.990	7.859	2.532	3.448
13	Rahim Yar Khan	408.627	183.358	499.977	202.492	91.350	19.134
14	Rajanpur	54.697	5.512	84.755	0.000	30.058	(5.512)
15	Sahiwal	24.971	24.971	91.552	91.367	66.581	66.396

Sr. No.	District	2021-22		2022-23		Budget Variance Increase (+)/ Decrease (-)	Expenditure Variance Increase (+)/ Decrease (-)
		Final Grant	Actual Exp.	Final Grant	Actual Exp.		
16	Toba Tek Singh	105.154	47.949	96.733	28.697	(8.421)	(19.252)
17	Vehari	87.655	35.936	30.871	22.370	(56.784)	(13.566)
Total		**3,256.007**	**834.165**	**3,456.772**	**514.725**	**200.765**	**(319.440)**

The table above also shows that development expenditure incurred during the FY 2021-22 and 2022-23 on development schemes executed during the two financial years. It can be seen that expenditure decreased by Rs 319.440 million in FY 2022-23. The major increase was seen in DHA Sahiwal where development expenditure increased from Rs 24.971 million to Rs 91.367 million, whereas, in DHA Dera Ghazi Khan, it decereased from Rs 387.378 million to Rs 46.912 million.

The data presented in the above tables indicates serious inadequacies in the initial planning and resource allocation. The discrepancies underscore the necessity for an in-depth analysis of the planning process within DHAs. Identifying and understanding inconsistencies in the planning phase is crucial for enhancing the effectiveness of future development initiatives.

Overall evaluation of financial data indicated that DHAs had less focus on development activities and available resources were not adequately utilized to improve infrastructure and service delivery. Only 1% of total funds were utilized on developing the infrastructure whereas major part (99%) of available resources were utilized on day to day activities pertaining to salalry and non salarly components.

Compliance with Authority Audit

2.2 District Health Authority, Bahawalnagar

There are 27 formations in District Health Authority, Bahawalnagar out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.2.1 Mis-procurement due to non-compliance of PPRA Rules – Rs 67.156 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper."

During audit of DHA Bahawalnagar for the FY 2022-23, it was observed that CEO and two other DDOs incurred expenditure of Rs 67.156 million for repeated purchases of stationery, printing, IT equipment, medicine and X-Ray machine etc. without calling quotations / adopting tendering process. The procurements were made through splitting irregularly. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Period	Amount
1	CEO, DHA, Bahawalnagar	Stationery, printing, general store items and IT equipment	2022-23	4.982
2	MS DHQ Hospital Bahawalnagar	Printing, Oxygen Cylinders, I.T Equipment's and medicines etc.	2022-23	61.121
3	MS THQ Hospital Fort Abbas	Procurement of digital X-Ray machine	2021-23	1.053
Total				**67.156**

Due to weak internal controls, purchases were made in violation of PPRA Rules which resulted in mis-procurement.

The matter was reported to PAO in September, 2023. CEO replied that all the items were purchased through petty purchases on quotation basis under the rules. Further, budget was received by the Finance department on quarterly basis due to which it was not possible to call tenders. MS DHQ Hospital replied that tender was delayed due to unavailability of staff at DHQ and purchases were made under PPRA rule of alternative purchase methods. MS THQ Fort Abbas replied that all purchases were made as per the health council guidelines and in emergent situation. Replies were not tenable as the procurements were made through splitting.

DAC in its meeting held on 06.12.2023 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter for fixing responsibility besides getting the expenditure regularized from the competent authority within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.2.4, 1.2.4.3, 1.2.5.3.3, 1.2.3.1 and 1.2.2.1 respectively having financial impact of Rs 449.454 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 2, 11 & 16]

2.2.2 Irregular expenditure on local purchase of medicines – Rs 13.806 million

According to Para 2(iv)(c) & 2(xviii) of Guidelines for Local Purchase of Medicine circulated vide Government of the Punjab, P&SHC Department letter No.PSHD-TCO-I(M)6-14/2017 dated 16.12.2017, "Local purchase of medicine would be made through open competitive tendering. Furthermore, purchase order may be emailed to the LP Supplier through LP portal. Contractor will submit invoice / bill with supply on daily basis. Local purchase will be initiated with the order of Consultants / Senior Medical Officer via prescription that will be maintained as record of Local Purchase and it will not be for more than 7 days for one patient. Payment for items out of formulary will be made after receiving report of Drug Testing Laboratory (DTL)."

During audit of DHA Bahawalnagar for the FY 2022-23, it was observed that District Health Officer (PS) Bahawalnagar and SMO RHC Maroot incurred expenditure of Rs 13.806 million for the Financial Years 2019-20 to 2022-23 on account of LP medicines without tendering and on the request of store keeper instead of procuring the same for each particular patient. Furthermore, repeated items were not reported to Procurement Cell for procurement through bulk purchase. Moreover, procurements were made through manual supply orders instead of generating the same through LP Portal. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Amount
1	DHO (PS) Bahawalnagar	2022-23	7.967
2	SMO RHC Maroot	2019-23	5.839
Total			**13.806**

Due to weak internal controls, medicines were procured in violation of policy guidelines which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. DHO (PS) Bahawalnagar replied that inquiry committee was constituted to inquire the matter. SMO RHC Maroot replied that all codal formalities were followed for purchase of LP medicine. Replies were not tenable as above cited prescribed rules and procedure were violated during purchase of medicines from local market.

DAC in its meeting held on 06.12.2023 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter for fixing responsibility besides getting the expenditure regularized from the competent authority within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20 and 2018-19 vide para(s) number 2.2.5, 1.2.4.4, 1.2.5.3.9, 1.2.3.10 and 1.2.3.11 respectively having financial impact of Rs 103.919 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 4 & 11]

2.2.3 Unauthorized payment of medicine without ensuring quality – Rs 12.121 million

According to conditions No.4 and 12 of purchase order, "The bill will be cleared after DTL report of standard quality and satisfactory report of the supplied items from the inspection committee. 100% payment to the suppliers will be made by the purchaser / DDO of DHA Bahawalnagar, against satisfactory performance and upon submission of required documents (quality test / analysis report from testing laboratory)."

During audit of DHA Bahawalnagar for the FY 2022-23, it was observed that CEO made unauthorized payments of Rs 12.121 million for procurement of medicine (Bulk) before issuance / receipt of DTL reports in violation of the terms and conditions of purchase orders. The detail is as under:

(Rupees in million)

Sr. No.	Cheque No./date	Batch No. / Date of DTL	Name of payee	Item	Quantity	Rate	Amount
1	0334350 24.06.23	245523/03.07.23, 248623/03.07.23, 248723/03.07.23, 249123/03.07.23, 249223/06.07.23, 249423/06.07.23, 249523/06.07.23, 250523/06.07.23, 250723/03.07.23, 250823/06.07.23	Frontier Dextrose Limited	SCAP-Sterifluid NS-1000ML	78,100	89.88	7.020
2	0334350 24.06.23	246523/27.06.23	Frontier Dextrose Limited	SCAP-Stericipro-1000ML	12,300	118.50	1.457
3	0334350 24.06.23	246323, 246223/27.06.23	Frontier Dextrose Limited	SCAP-Sterifluid RL-500ML	34,600	79.90	2.764
4	0334344 24.06.23	252223/27.06.23	Frontier Dextrose Limited	SCAP-Sterifluid DS-1000ML	2,400	92.90	0.223
5	0334344 24.06.23	254523/27.06.23	Frontier Dextrose Limited	SCAP-Sterifluid Peads-500ML	15,590	39.00	0.608
6	0334344 24.06.23	096123/27.06.23	Frontier Dextrose Limited	Mini-BC-25ML	2,370	20.50	0.049
Total							**12.121**

Due to weak internal controls, payments were made without ensuring quality of medicine which resulted in unauthorized expenditure.

The matter was reported to PAO in September, 2023. DDO replied that the relevant official of DTL Bahawalpur was telephonically contacted who stated that reports were cleared and would be uploaded after Eid holidays. Further, an Affidavit was received from the supplier stating that he would refund the amount if DTL was failed. Reply was tenable as dates of cheques were well before the dates of DTL reports and payments to suppliers could not be made before clearance of DTL reports.

DAC in its meeting held on 06.12.2023 directed the CEO to enquire the matter and fix responsibility for clearing supplier bills before receipt of DTL reports besides getting the irregularity condoned from the competent authority within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para No. 08]

Others

2.2.4 Loss due to drawl of funds through fictitious billing – Rs 40.850 million

According to Rule 2.33 of Punjab Financial Rules Vol-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DHA Bahawalnagar for the FY 2022-23, it was observed that MS DHQ Hospital Bahawalnagar drew substantial amount of funds through fictitious / doubtful / back dated billings as contradictions were observed among serial numbers and dates of bills claimed by same supplier for consumable items. For example;

	Bill No.	**Date**
107	01.06.2023	
110	***~~29.03.2023~~***	
112	09.06.2023	

This situation clearly indicated that all such purchases and their consumption for the past date was just paper fudging in order to misappropriate the funds amounting to Rs 40.850 million. Further, stock registers of durable goods were not maintained to enable physical verification of permanent stock. **Annexure-3**

Due to intention of misappropriation, doubtful bills were drawn which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. DDO replied that an inquiry committee was constituted to fix responsibility against the person at fault but no substantiating evidence was produced in support of reply.

DAC in its meeting held on 06.12.2023 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2021-22 and 2017-18 vide para(s) number 1.2.4.16 and 1.2.3.4 respectively having financial impact of Rs 22.353 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 10]

2.2.5 Loss due to payment of inadmissible pay and allowances – Rs 16.440 million

According to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Bahawalnagar for the FY 2022-23, it was observed that CEO and three other DDOs made inadmissible payments of House Rent Allowance, Conveyance Allowance, Dress Allowance, Mess Allowance, Nursing Professional Allowance, Non Practicing Allowance etc. amounting to Rs 16.440 million to various employees for the Financial Years 2019-20 to 2022-23. **Annexure-4**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. DDOs replied that DAO Bahawalnagar was requested to effect recoveries and correct account codes wherever needed.

DAC in its meeting held on 06.12.2023 directed the DDOs to immediately stop payment of inadmissible allowances besides ensuring recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.2.9, 1.2.4.7, 1.2.4.9, 1.7.1, 1.7.2, 1.2.5.4.5, 1.2.5.4.6, 1.2.5.4.8, 1.2.5.4.9, 1.2.4.1, 1.2.4.5, 1.2.4.6, 1.2.4.7, 1.2.4.8, 1.2.4.9, 1.2.4.10, 1.2.4.11,1.2.4.19,1.2.3.2 and1.2.3.3 having financial impact of Rs 400.890 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 6, 15, 18, 1, 3,18,3,7, 13 & 4]

2.2.6 Loss due to late tendering on PPRA's website – Rs 13.294 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper."Furthermore, according to Rule 2.33 of Punjab Financial Rules Vol-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DHA Bahawalnagar for the FY 2022-23, it was observed that MS DHQ Hospital Bahawalnagar did not initiate the tendering process at the start of the financial year and kept on procuring different consumable stores and medicine items at higher rates from local market till May 2023. The rates of different consumable stores and medicines finalized during May 2023 through tendering process were much lesser than rates allowed under local purchases for ten months. This late tendering resulted in paying higher rates and loss amounting to Rs 13.294 million out of expenditure amounting to Rs 129.596 million.

Due to weak financial controls, excess rates of store items were paid which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. DDO replied that the tendering process was delayed due to non-availability of relevant staff at DHQ Hospital Bahawalnagar. Therefore, the procurements were made under PPRA rule of alternative purchase methods. However, the issue was noticed and conveyed to the higher authorities for posting of appropriate staff at DHQ Hospital Bahawalnagar for proper procurement under the rules. Reply was not tenable as procurements were made in violation of PRRA rules and cannons of financial propriety.

DAC in its meeting held on 06.12.2023 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para No. 12]

2.2.7 Loss due to inadmissible payment of stipend to medical graduates – Rs 11.686 million

According to Clause 27(2) of Pakistan Medical Commission (PMC) Act 2020, letter No. S.O. (ME) 2-26/2010 (P) dated 17.09.2020 issued by the Specialized Healthcare & Medical Education Department, Government of the Punjab and Section 21 of the PMDC Regulations 2018, "Every medical or dental college in Pakistan shall be responsible to provide a paid house job, at its own affiliated teaching hospital to all of its graduates. Failure to provide a house job shall result in the medical or dental college reimbursing the stipend paid to the graduate by the training hospital where the graduate obtains house job training."

During audit of DHA Bahawalnagar for the FY 2022-23, it was observed that MS DHQ Hospital Bahawalnagar paid stipend amounting to Rs 11.686 million to House Officers of public and private sector medical institutions despite the fact that same was to be paid by concerned parent colleges / universities.

Due to weak administrative control, unauthorized payment of stipend was made to house officers graduated from public and private sector medical institutions which resulted in loss to Authority.

The matter was reported to PAO in September, 2023. DDO replied that payments were stopped to the concerned House Officers. Reply was not tenable as recovery was not effected from relevant persons or their medical institutes.

DAC in its meeting held on 06.12.2023 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter for fixing responsibility besides effecting recovery within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para No. 05]

2.2.8 Loss due to non-deposit of Government dues – Rs 4.034 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The collecting officers shall be responsible to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise." Further, according to Government of the Punjab, Finance Department letter No. FD (M-C)1-15/82-P-I dated 17.01.2000, "All receipts should be deposited into Government treasury not later than seven days of actual receipts."

During audit of DHA Bahawalnagar for the FY 2022-23, it was observed that MS DHQ Hospital Bahawalnagar and THQ Hospital Fort Abbas collected receipts Rs 4.034 million on account of lab test charges, indoor fees, MLC, ECG, C.T Scan etc. for the Financial Years 2021-22 and 2022-23 but did not deposit into treasury. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Period	Amount
1	MS DHQ Hospital Bahawalnagar	Indoor fees, MLC, ECG, C.T Scan etc.	2022-23	3.215
2	MS THQ Hospital Fort Abbas	Lab test fees, canteen fees etc.	2021-23	0.819
Total				**4.034**

Due to weak financial and administrative controls, hospital receipts were misappropriated / not-deposited in Government Treasury which resulted in loss to Authority.

The matter was reported to PAO in September, 2023. DDOs replied that efforts were being made to effect recovery and deposit it into the treasury.

DAC in its meeting held on 06.12.2023 directed the DDOs to effect recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2017-18 vide para(s) number 1.2.5.4.12 and 1.2.3.6 respectively having financial impact of Rs 4.973 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 10 & 14]

2.3 District Health Authority, Bahawalpur

There are 27 formations in District Health Authority, Bahawalpur out of which 10 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.3.1 Irregular Adhoc appointments – Rs 45.115 million

According to Rule 22 (2) of Punjab Civil Servants (Appointment & Conditions of Service) Rules, 1974 "After forwarding a requisition to the selection authority, the appointing authority may, if considers necessary in the public interest, fill the post on adhoc basis for a period not exceeding one year pending nomination of a candidate by the selection authority." Further, according to letter No. SO (AHP-1)1-1/MISC/2021 dated 01.04.2021 issued by P&SHC department, Government of the Punjab, "All appointments made on adhoc basis in BS-16 and below were illegal appointments."

During audit of DHA Bahawalpur for the FY 2022-23, it was observed that CEO and two other DDOs incurred expenditure of Rs 45.115 million on pay and allowances of 135 employees who were appointed in BPS-16 or below on adhoc basis in violation of relevant rules. Further, their orders were also not withdrawn despite clear directions from P&SHC Department, Government of the Punjab. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	No. of employees	Amount
1	CEO, DHA Bahawalpur	2022-23	120	35.344
2	MS THQ Hospital Ahmed Pur East		12	8.700
3	MS THQ Hospital Hasilpur		03	1.071
Total			**135**	**45.115**

Due to weak internal controls, irregular adhoc appointments were made which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. CEO replied that the matter was in Lahore High Court Bahawalpur Bench Bahawalpur. Medical Superintendents of THQ Hospitals replied that all the appointments were made by the Government of the Punjab, Primary & Secondary Healthcare Department Lahore, as per adhoc appointment policy, till the arrival of regular incumbents. Replies were not tenable as the appointments were irregular as per letter No. SO (AHP-1)1-1/MISC/2021 dated 01.04.2021 issued by P&SHC Department. Further, stay order (if any) granted by honorable LHC was not shown to Audit.

DAC in its meeting held on 05.01.2024 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter for fixing responsibility besides withdrawal of appointment orders within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2020-21 vide para(s) number 2.3.3, 2.3.10, 2.2.4.14 and 2.4.2 respectively having financial impact of Rs 218.696 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 16, 10 & 10]

2.3.2 Mis-procurement due to non-compliance of PPRA Rules – Rs 10.433 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper."

During audit of DHA Bahawalpur for the FY 2022-23, it was observed that CEO incurred expenditure of Rs 10.433 million for repeated purchases of similar stationery, printing and H.B strips without calling quotations / adopting tendering process. The procurements were made through splitting irregularly.

Due to weak internal controls, purchases were made without compliance of PPRA rules which resulted in mis-procurement.

The matter was reported to PAO in September, 2023. CEO replied that budget was received in piecemeal, hence tendering was not possible. Reply was not tenable as annual expenditure was more than threshold limit and expenditure was incurred through splitting instead of adopting fair tendering process.

DAC in its meeting held on 05.01.2024 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter for fixing responsibility besides getting the expenditure regularized from the competent authority within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.3.7, 2.2.4.10, 2.2.5.2.8, 2.2.2.5 and 2.2.2.2 respectively having financial impact of Rs 86.586 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 13]

2.3.3 Irregular expenditure on local purchase of medicine – Rs 6.730 million

According to Para 2(iv)(c) & 2(xviii) of Guidelines for Local Purchase of Medicine circulated vide Government of the Punjab, P&SHC Department letter No.PSHD-TCO-I(M)6-14/2017 dated 16.12.2017, "Local purchase of medicine would be made through open competitive tendering. Furthermore, purchase order may be emailed to the LP Supplier through LP portal. Contractor will submit invoice / bill with supply on daily basis. Local purchase will be initiated with the order of Consultants / Senior Medical Officer via prescription that will be maintained as record of Local Purchase and it will not be for more than 7 days for one patient. Payment for items out of formulary will be made after receiving report of Drug Testing Laboratory (DTL)."

During audit of DHA Bahawalpur for the FY 2022-23, it was observed that MS THQ Hospital Yazman and two other DDOs incurred expenditure of Rs 6.730 million for the Financial Years 2018-19 to 2022-23 on account of LP medicines without tendering and on the request of store keeper instead of procuring the same for particular patient. Furthermore, repeated items were not reported to Procurement Cell for procurement through bulk purchase. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Amount
1	MS THQ Hospital Yazman	2022-23	4.112
2	SMO RHC Mubarak Pur	2018-23	1.271
3	SMO RHC Dera Bakha		1.347
Total			**6.730**

Due to weak internal controls, medicines were procured in violation of policy guidelines which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. DDOs replied that the medicines were purchased through LP portal as per demands of end users. Replies were not tenable as medicines were purchased on the request of store keeper instead of procuring the same for particular patient. Further, tendering was avoided.

DAC in its meeting held on 05.01.2024 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter for fixing responsibility besides getting the expenditure regularized from the competent authority within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20 and 2018-19 vide para(s) number 2.3.8, 2.2.4.7, 2.2.5.2.6 and 2.2.2.6 respectively having financial impact of Rs 387.282 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 17, 09 & 10]

Others

2.3.4 Unauthorized payment of salary instead of stipend to postgraduate trainees – Rs 209.131 million

According to clarification issued by Finance Department vide U.O. No. FD.SR-/6-6/2022 dated 12.04.2022, “Training and study leave are separate categories. Doctors who proceed on postgraduate training are paid stipend in the light of Para-4 of U.O. letter of Finance Department bearing No. FD.SR-I/9-34/2011(P) dated 01.11.2013.”

During audit of DHA Bahawalpur for the FY 2022-23, it was observed that Primary & Secondary Healthcare Department issued orders for posting of 71 doctors at the disposal of CEO Bahawalpur for pay purpose only with the direction to relieve the doctors for postgraduate training. Orders of P&SHD and payment of salary amounting to Rs 209.131 million by various DDOs of DHA was unauthorized as the PGRs were entitled to receive stipend instead of pay & allowances.

Due to weak administrative and financial controls, payment of salary instead of stipend resulted in unauthorized expenditure.

The matter was reported to the PAO during October, 2023. CEO replied that notices were served for effecting recovery.

DAC in its meeting held on 05.01.2024 directed the CEO to effect recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives besides fixing responsibility against the person(s) at fault.

[AIR Para: 22 (3)]

2.3.5 Loss due to payment of inadmissible pay and allowances – Rs 69.237 million

According to Government of the Punjab, Finance Department’s letter No.FD.SR-1/6-4/2019 dated 05.04.2021, “If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance.” Further, according to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, “In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period.” Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, “The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance.” Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, “Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting).” Moreover, according to Rule 2.31 (a) of PFR Vol-I, “A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation.”

During audit of DHA Bahawalpur for the FY 2022-23, it was observed that CEO and nine other DDOs made inadmissible payments of Conveyance Allowance, Dress Allowance, Mess Allowance, Nursing Professional Allowance, Non-Practicing Allowance etc. amounting to Rs 69.237 million to various employees for the Financial Years 2017-18 to 2022-23. **Annexure-5**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. DDOs replied that recovery was in progress.

DAC in its meeting held on 05.01.2024 directed the DDOs to effect recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.3.12, 2.2.4.11, 2.2.4.13, 2.6.1, 2.6.2, 2.2.5.4.1, 2.2.5.4.5, 2.2.5.4.7, 2.2.5.4.9, 2.2.3.1, 2.2.3.6, 2.2.3.9, 2.2.3.12, 2.2.2.13, 2.2.3.2 and 2.2.3.3 having financial impact of Rs 264.811 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Paras: 22, 3, 7, 8, 1, 4, 1, 19, 20, 5, 13, 19, 6, 8, 10, 7, 7 & 8]

2.3.6 Non recovery of proportionate share of pension – Rs 37.528 million

According to paras 4(c) and 5 of the letter No.FD(DG)1-instructions-Act- 13/2016 dated 19.06.2017 issued by the Finance Department, Government of the Punjab, “In order to resolve the issue of pension payments of retired/retiring employees of defunct local governments, adjusted in District Health Authorities, the Pension Fund maintained by erstwhile District Governments shall be apportioned proportionately amongst the District Education Authority, District Health Authority and respective District Council. The Deputy Commissioner shall issue cheque(s) in favor of the respective successor District Education Authority Pension Fund and District Health Authority Pension Fund, respectively, which shall be established and maintained as prescribed in rule 3(2) of the Punjab District Authorities (Accounts) Rules, 2017 and the pension, including arrears, if any, shall be disbursed from new bank account District Education Authority Pension Fund and District Health Authority Pension Fund respectively to the pensioners.”

During audit of DHA Bahawalpur for the FY 2022-23, it was observed that CEO failed to recover proportionate share of pension amounting to Rs 37.528 million from District Council Bahawalpur in respect of those employees of erstwhile local government who were retired from District Health Authority Bahawalpur during Financial Year 2022-23. **Annexure-6**

Due to weak internal controls, share of pension fund was not collected from defunct local Government which resulted in financial burden for the Authority.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC in its meeting held on 05.01.2024 directed the CEO to collect share from District Council Bahawalpur within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para:3]

2.3.7 Loss due to non-deposit of Government dues – Rs 3.613 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The collecting officers shall be responsible to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise." Further, according to Government of the Punjab, Finance Department letter No. FD (M-C)1-15/82-P-I dated 17.01.2000, "All receipts should be deposited into Government treasury not later than seven days of actual receipts."

During audit of DHA Bahawalpur for the FY 2022-23, it was observed that MS THQ Hospital Ahmed Pur East and three other DDOs collected receipts of Rs 3.613 million on account of lab test charges, X-Ray charges, ultrasound charges, indoor fees etc. for the Financial Years 2017-18 to 2022-23 but did not deposit into treasury. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Period	Amount
1	MS THQ Hospital Ahmad Pur East	Lab test fees, X-Ray charges, ultrasound fees, ECG fees etc.	2022-23	1.435
2	MS THQ Hospital Yazman	MLC, USG, ECG, X-ray charges, Lab test charges, Dental OPD fees, indoor fees, tender fees etc.		0.980
3	SMO RHC Lal Sohanra	MLC, USG, ECG, X-Ray fees, Lab test charges, Dental OPD fees & indoor fees.	2017-23	0.322

Sr. No.	DDOs	Description	Period	Amount
4	SMO RHC Mubarak Pur	USG, X-Ray charges, Lab test charges & Dental OPD fees etc.	2018-23	0.876
		Total		**3.613**

Due to weak financial and administrative controls, amount was not-deposited in Government Treasury which resulted in loss to Authority.

The matter was reported to PAO in September, 2023. DDOs replied that recovery was in progress.

DAC in its meeting held on 05.01.2024 directed the DDOs to effect recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para No. 11, 14, 09 & 01]

2.4 District Health Authority, Chiniot

There are 13 formations in District Health Authority, Chiniot out of which 05 formations were audited during Audit Year 2023-24.

2.3.4.20 Procedural irregularities

2.4.1 Unauthorized payment of previous year's liabilities – Rs 180.855 million

According to Rule 15(g) of the Punjab District Authorities (Accounts) Rules, 2017, "The DDO shall be responsible to prepare statement of outstanding payments on the close of each financial year, carrying them forward and including the same in the register of liabilities to be paid in the relevant financial year."

During audit of DHA Chiniot for the FY 2022-23, it was observed that CEO and MS, DHQ Hospital made payments amounting to Rs 180.855 million against procurements made during preceding financial years. However, payments were made without maintaining liability register, reflecting them in annual budget of current financial year and obtaining approval from the competent authority. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount

1	CEO DHA Chiniot	Bulk purchase of medicine and surgical items	126.845
2	MS DHQ Hospital Chiniot	LP medicine, lab items etc.	54.010
Total			**180.855**

Due to weak internal controls, payments against previous year liabilities were made without separate budget allocation which resulted in unauthorized expenditure.

The matter was reported to PAO in September, 2023. DDOs did not submit reply of the audit observation.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letter No.Dir/Aud/LocalGovts/Fsd/1199 dated 28.09.2023, followed by subsequent reminders dated 06.10.2023, 11.10.2023 and 30.11.2023.

Audit recommends inquiry and fixing responsibility against the DDOs concerned.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2018-19 vide para(s) number 2.4.3 and 8.2.3.2 respectively having financial impact of Rs 126.520 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 14&19]

2.3.4.21 Others

2.4.2 Loss due to payment of inadmissible pay and allowances – Rs 67.435 million

According to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Chiniot for the FY 2022-23, it was observed that CEO and four other DDOs made inadmissible payments on account of HSRA, NPA, CA, Risk Allowance, Nursing Allowance, Health Professional Allowance, Supervisory Allowance, salaries during EOL, after resignation / retirement from service, reversion to lower scale etc. amounting to Rs 67.435 million to various employees for the Financial Years 2021-22 and 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Period	Amount
1	CEO, DHA Chiniot	Overpayment due to non-reversion of upgradation and overpayment of CA, HSRA, HPA etc.	2022-23	51.002
		Overpayment of Non-Practicing Allowance without admissibility		5.282
2	DHO (PS), Chiniot	Overpayment of Risk Allowance, Conveyance Allowance and HSRA etc.	2022-23	2.513
3	MS DHQ Hospital, Chiniot	Payment of Special Allowance, HSRA and House Rent Allowance etc. without admissibility	2022-23	3.253
		Payment of Non-Practicing Allowance without admissibility		1.237
4	MS THQ Hospital, Lalian	Payment of NPA without admissibility and pay & allowances during LFP etc.	2022-23	2.538
5	SMO RHC Chak No.14/JB	Drawal of pay & allowance during LHP, LFP without admissibility	2021-23	1.610
Total				**67.435**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. DDOs did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of overpaid amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.4.18, 1.2.4.9, 8.4.7, 8.2.5.3.7, 8.2.2.10 and 3.2.15 respectively having financial impact of Rs 59.181 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 11,12,4,11,7,12&22]

2.4.3 Non collection of share of Pension Fund– Rs 5.856 million

According to paras 4(c) and 5 of the letter No.FD(DG)1-instructions-Act- 13/2016 dated 19.06.2017 issued by the Finance Department, Government of the Punjab, "In order to resolve the issue of pension payments of retired/retiring employees of defunct local governments, adjusted in District Health Authorities, the Pension Fund maintained by erstwhile District Governments shall be apportioned proportionately amongst the District Education Authority, District Health Authority and respective District Council. The Deputy Commissioner shall issue cheque(s) in favor of the respective successor District Education Authority Pension Fund and District Health Authority Pension Fund, respectively, which shall be established and maintained as prescribed in rule 3(2) of the Punjab District Authorities (Accounts) Rules, 2017 and the pension, including arrears, if any, shall be disbursed from new bank account District Education Authority Pension Fund and District Health Authority Pension Fund respectively to the pensioners."

During audit of DHA Chiniot for the FY 2022-23, it was observed that CEO failed to collect share of Pension Fund of local Government employees from the concerned local Government amounting to Rs 5.856 million.

Due to weak internal controls, share of pension fund was not collected from defunct local Government which resulted in financial burden for the Authority.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides collection of share of Pension Fund.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2020-21 and 2018-19 vide para(s) number 2.4.20, 1.2.4.10 and 8.2.3.6 respectively having financial impact of Rs 12.990 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.9]

2.4.4 Loss due to unauthorized distribution of hospital receipts and non-deposit of receipts in DHA fund – Rs 5.441 million

According to Government of the Punjab, P&SHC Department Notification No.S.O(H&D)7-9/2017(U.C) dated 17.08.2019 and Notification of even number dated 29.10.2019, "The rates for various services, parking and tests performed in health facilities were notified under the headings: A (Services), B (Parking) and C (Lab Tests). 70% of the revenue from diagnostic tests was to be retained by the Government." Furthermore, according to Accountant General Punjab letter No. Account-V&VI/Bank Advice/2021-22/HM/3212 dated 14.09.2022 and Government of the Punjab, Finance Department letter No.BI-3(120)AGP(2017-18 dated 16.08.2019, "DEAs and DHAs in the Punjab are directed to transfer all Public Account Receipts and Consolidated Fund Receipts to the Provincial Government (Account-I) except GL heads C02856, C02866, C02814, C03616."

During audit of DHA Chiniot for the FY 2022-23, it was observed that MS, DHQ Hospital Chiniot collected receipts on account of different fees. However, proportionate Government share amounting to Rs 1.983 million was distributed among cardiologist, doctors and other hospital staff without admissibility. Further, various DDOs of DHA collected receipts under the GL head C02866 amounting to Rs 3.458 million and deposited the same into Account-I instead of Account-VI. Resultantly, fees amounting to Rs 5.441 million was not deposited into DHA fund. **Annexure-7**

Due to weak internal controls, receipts were either distributed without admissibility or deposited in Account-I which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. DDOs did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery and deposit of receipts in DHA fund.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.4.25 and 8.2.5.4.5 respectively having financial impact of Rs 11.077 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 7&13]

2.5 District Health Authority, Dera Ghazi Khan

There are 19 formations in District Health Authority, Dera Ghazi Khan out of which 10 formations were audited during Audit Year 2023-24.

2.3.4.22 Fraud, embezzlement and misappropriation

2.5.1 Misappropriation of Government receipts and store items – Rs 1.316 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The primary obligation of the collecting officers shall be to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise." Further, according to Rule 2.33 of the PFR, Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DHA Dera Ghazi Khan for the FY 2022-23, it was observed that CEO and three other DDOs misappropriated Rs 1.316 million on account of different fees and store items for the Financial Years 2018-19 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Nature of receipts	Period	Amount
1	CEO, DHA Dera Ghazi Khan	Tender sale money	2022-23	0.062
		Double bill claim		0.250
2	MS THQ Hospital Taunsa	Lab, MLC, Tender Fees		0.434
3	MS THQ Hospital Kot Chutta	MLC		0.292
4	SMO RHC Barthi	Lab, MLC, dental and ultrasound fees	2018-23	0.278
Total				**1.316**

Due to weak financial and administrative controls, hospital receipts were misappropriated / not-deposited in Government Treasury which resulted in loss to Authority.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letter No.RDA/DGK/CD-869-871 dated 01.08.2023, No. RDA/DGK/CD-1030-1033 dated 22.09.2023 and No. RDA/DGK/CD-1180-1183 dated 13.10.2023.

Audit recommends inquiry be initiated against those responsible for apparent misappropriation besides recovery and deposit of misappropriated amount into Government Treasury.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.5.2, 1.2.4.7, 4.4.5, 4.2.5.2.14 and 4.2.2.11 respectively having financial impact of Rs 10.971 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 11,15,3,3,3]

2.3.4.23 Procedural irregularities

2.5.2 Doubtful consumption of medicines and store items – Rs 36.961 million

According to Rule 15.4 (a) of PFR Volume-I, "All materials received should be examined, counted, measured and weighed as the case may be, when delivery is taken, and they should be kept in charge of a responsible government servant."

During audit of DHA Dera Ghazi Khan for the FY 2022-23, it was observed that MS THQ Hospital Taunsa and two other DDOs did not ensure maintenance of proper consumption record of medicines and store items amounting to Rs 36.961 million for the Financial Years 2018-19 to 2022-23. Record showed that the medicines were issued from main medicine store to different wards without approval of indents. Furthermore, overwriting was noticed on stock registers and no proof of consumption was available. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Amount
1	MS THQ Hospital Taunsa	2022-23	20.627
2	SMO RHC Barthi	2018-23	9.686
3	SMO RHC Tibbi Qaisrani	2020-23	6.648
Total			**36.961**

Due to weak internal controls, medicines were issued without maintenance of consumption record which resulted in doubtful issuance of medicine.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry of the matter and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.5.8, 4.2.5.2.2 and 4.2.2.13 respectively having financial impact of Rs 47.607 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 13,9,9]

2.5.3 Irregular drawl and retention of funds in DDO account – Rs 15.689 million

According to Rule 2.10 (5) of PFR Volume-I, "No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance."

During audit of DHA Dera Ghazi Khan for the FY 2022-23, it was observed that CEO and two other DDOs withdrew an amount of Rs 15.689 million out of the Government Treasury and retained the same in DDO's account. However, the same was not disbursed to the concerned claimants till June 2023. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Drawl Period	Description	Amount
1	CEO, DHA Dera Ghazi Khan	May, 2022	Upgradation of RHCs	4.235
		May, 2023	"Reach Every Door" vaccination compain training (Covid-19)	8.164
2	MS THQ Hospital, Taunsa	March, 2020	Establishment of Day Care Center	0.737
3	DC IRMNCH, Dera Ghazi Khan	Sep. 2022 to June, 2023	Training claims of master trainers, participants, refreshment and stationery	2.553
Total				**15.689**

Due to weak financial management, the funds were drawn from the Government Treasury without valid claim and remained undisbursed in DDO account which resulted in blockage of funds.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides immediate disbursement of funds to the valid claimants.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.5.9 and 4.2.5.3.4 respectively having financial impact of Rs 27.102 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 4,6,5]

2.5.4 Mis-procurement due to non-compliance of PPRA Rules – Rs 14.184 million

According to Rules 4, 9 and 12(1) of Punjab Procurement Rules 2014, "Procuring agencies, while engaging in procurements, shall ensure that the procurements are conducted in a fair and transparent manner, the object of procurement brings value for money to the agency and the procurement process is efficient and economical. The procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper."

During audit of DHA Dera Ghazi Khan for the FY 2022-23, it was observed that MS THQ Hospital Kot Chutta incurred expenditure of Rs 14.184 million on procurement of medicines and store items without uploading the advertisement on PPRA's website. The procurements were made through regrouping and splitting. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Various medicines	4.572
2	Various Store Items	9.612
Total		**14.184**

Due to weak internal controls, purchases were made in violation of PPRA Rules which resulted in mis-procurement.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20 and 2018-19 vide para(s) number 2.5.6, 1.2.4.2, 4.2.5.2.1and 4.2.2.1 respectively having financial impact of Rs 312.014 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 4,6]

2.5.5 Unauthorized payment of previous year's liabilities – Rs 7.610 million

According to Rule 15(g) of the Punjab District Authorities (Accounts) Rules, 2017, "The DDO shall be responsible to prepare statement of outstanding payments on the close of each financial year, carrying them forward and including the same in the register of liabilities to be paid in the relevant financial year."

During audit of DHA Dera Ghazi Khan for the FY 2022-23, it was observed that MS THQ Hospital Taunsa made payments of Rs 7.610 million to different firms against procurements of medicines and other store items for preceding financial years. However, payments were made without maintaining liability register, approval of the competent authority and special provision of funds for the clearance of outstanding liabilities.

Due to weak internal controls, previous year's liabilities were paid from budget of current year which resulted in unauthorized expenditure.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure.

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.5.7 and 4.2.5.2.8 respectively having financial impact of Rs 74.428 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 8]

2.3.4.24 Others

2.5.6 Unauthorized up-gradation of staff – Rs 174.234 million

According to serial No.1 of Delegation of Power 2016, "The power of reciprocal up-gradation and down gradation of posts is rest with Administrative Department. The Administrative Department shall exercise full powers to upgrade or down grade of posts. Moreover, in case the upgraded post is deemed to be a permanent requirement, such post/s shall be got created from Finance Department through SNE." Further according to Government of the Punjab Primary & Secondary Healthcare Department Notification No. SO (NO)1-13/2016 dated 30.3.2018, "The higher scale will be considered personal to incumbents of the posts, shall be granted on the recommendations of the District Selection Committee on seniority cum fitness basis, on the basis of satisfactory service record (three years) and no regular inquiry is pending against the incumbents."

During audit of DHA Dera Ghazi Khan for the FY 2022-23, it was observed that District Coordinator (IRMNCH&NP) paid Rs 174.234 million to 513 LHWs. The LHWs were up-graded from BPS-5 to BPS-7 and BPS-9 w.e.f 03.08.2022 by the Program Director (IRMNCH & NP) Punjab without the recommendations of District Selection Committee, seniority and performance evaluation reports for last three years. The detail is as under:

(Rupees in million)

Description	**No. of employees**	**Pay Drawn**
LHW BS-9	57	17.947
LHW BS-7	456	156.287
Total	**513**	**174.234**

Due to weak internal controls upgradation was made without District Selection Committee and codal formalities which resulted in unauthorized expenditure.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends that matter may be investigated and responsibility be fixed against the person(s) at fault.

[AIR Para No.10]

2.5.7 Irregular expenditure on pay and allowances – Rs 24.868 million

According to Rule 17 of the Punjab Civil Servants (Appointment and Conditions of Service) Rules, 1974, "Initial recruitment (either on regular or contract) against all posts in BS-1 and above shall be made on merit after advertisement of vacancies in newspapers. Initial appointment to all posts in grades 1 and above except those filled under rule 16, shall be made on the basis of examination or test to be held by the appropriate committee or the board, as the case may be, after advertisement of the vacancies in newspapers, or in the manner to be determined by the Government."

During audit of DHA Dera Ghazi Khan for the FY 2022-23, it was observed that District Coordinator (IRMNCH&NP) paid amount of Rs 24.868 million to 59 LHVs on account of pay and allowances who were actually appointed on lump sum pay package. The employees were paid upto 30.06.2021 by Program Director (IRMNCH&NP) Lahore @ Rs 27,000 as fixed pay under the project, later on they were adjusted in DHA Dera Ghazi Khan and their pay was allowed under Basic Pay Scale system, without going through the due recruitment process.

Due to weak financial controls, project employees were paid according to Basic Pay Scale instead of lump sum package which resulted in irregular payment of pay and allowances.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides regularization of matter from the competent authority.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.5.10 having financial impact of Rs 20.595 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 3]

2.5.8 Loss due to payment of inadmissible pay and allowances – Rs 20.816 million

According to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to Government of the Punjab, Finance

Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Dera Ghazi Khan for the FY 2022-23, it was observed that DHO (PS) and five other DDOs made inadmissible payments of House Rent Allowance, Conveyance Allowance, Dress Allowance, Mess Allowance, Nursing Professional Allowance, Non-Practicing Allowance, Hill Allowance, pay and allowances amounting to Rs 20.816 million to various employees for the Financial Years 2019-20 to 2022-23. The detail is under:

(Rupees in million)

Sr. No.	DDOs	Description	Period	Amount
1	DHO (PS) Dera Ghazi Khan	House Rent Allowances, CA, NPA, HSRA, SHCA, inadmissible pay and allowances	2022-23	17.478
2	MS THQ Hospital Taunsa	HSRA, Non-deduction of performance-based allowances, pay after quit/left the job		0.468
3	MS THQ Hospital, Kot Chutta	HSRA, Non-deduction of performance-based allowances, inadmissible pay and allowances		0.847
4	DC (IRMNCH&NP) Dera Ghazi Khan	CA and inadmissible allowances		0.279
5	SMO RHC Tibbi Qaisrani	NPA, HSRA, inadmissible pay and allowances	2020-23	0.914
6	SMO RHC Choti Zaireen	NPA, integrated allowance and inadmissible pay and allowances	2019-23	0.830
Total				**20.816**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry, fixing responsibility against the person(s) at fault for allowing inadmissible allowances and immediate stoppage of such allowances coupled with recovery of overpaid amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.5.17, 1.2.4.3, 1.2.4.4, 4.4.2, 4.4.3, 4.2.5.2.4, 4.2.5, 4.2.2.6, 4.2.2.3 and 4.2.2.4 respectively having financial impact of Rs 132.315 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.12,4,12,8,3,2]

2.5.9 Overpayment due to irregular promotion of allied health professionals – Rs 17.683 million

According to Government of Punjab P&SHC Department Notification No. 1715-21/1059/LC dated 06.06.2022 and No. 767 dated 06.02.2023, "Allied health professionals were eligible for up-gradation / re-designation as one time dispensation under AHP notification dated 24.11.2011 up-gradation under 4-tier beyond one time are not in accordance with the notification dated 24.11.2011. Up gradation beyond one time of AHP should be withdrawn as per direction of Finance department order dated 04.07.2019."

During audit of DHA Dera Ghazi Khan for the FY 2022-23, it was observed that CEO allowed to pay Rs 17.683 million against irregular promotion of allied health professionals' staff who were up-graded / re-designated during 2012 under 4-tier service structure into higher scale with two to four steps at a time instead of one time dispensation in violation of above policy.

Due to weak internal controls, up-gradation was granted to employees into next higher scales in violation of policy guidelines which resulted in overpayment.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends immediate withdrawal of irregular promotions besides recovery of over payment from the concerned and correction in payroll.

[AIR Para No.13]

2.6 District Health Authority, Faisalabad

There are 33 formations in District Health Authority, Faisalabad out of which 10 formations were audited during Audit Year 2023-24.

2.3.4.25 Procedural irregularities

2.6.1 Unauthorized payment against previous year's liabilities – Rs 263.068 million

According to Rule 15(g) of the Punjab District Authorities (Accounts) Rules, 2017, "The DDO shall be responsible to prepare statement of outstanding payments on the close of each financial year, carrying them forward and including the same in the register of liabilities to be paid in the relevant financial year."

During audit of DHA Faisalabad for the FY 2022-23, it was observed that CEO and three other DDOs made payments of Rs 263.068 million to different firms against procurements of medicine & surgical items for preceding financial years. However, payments were made without maintaining liability register, approval of the competent authority for time barred claims and special provision of funds for the clearance of outstanding liabilities. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	CEO DHA Faisalabad	2022-23	Payment of previous year liabilities against medicine & surgical items	213.137
2	MSTHQ Hospital Samundri	2022-23	Payment of previous year liabilities against LP medicine, laboratory items etc.	12.598
3	MS THQ Hospital Jaranawala	2022-23	Payment of previous year liabilities against LP medicine and laboratory Items	12.176
			Payment of previous year liabilities against medicine & surgical items	9.003
4	MS Government General Hospital Samnabad	2022-23	Expenditure without availability of budget	15.255
			Payment of previous year liabilities	0.899

Total	**263.068**

Due to weak internal controls, previous year's liabilities were paid from budget of current year which resulted in unauthorized expenditure.

The matter was reported to PAO in August & September, 2023. It was replied that all procurements were made after fulfilling guidelines of PPRA. However, funds to clear previous year liabilities were not issued by the higher authorities. The replies were not tenable because no separate budget allocation was made and liability register was not maintained by the authority.

DAC in its meeting held on 14.02.2024 directed the Deputy Director (B&A) to inquire the matter for fixing responsibility for expenditure by creating liabilities due to non-availability against specific head of accounts. DAC further directed to produce head wise allocation in the relevant years besides provision of separate allocation of budget for clearance of liabilities and report progress within two weeks. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.6.5, 2.2.4.2, 9.2.5.2.2, 9.2.3.3 and 5.2.2.1 respectively having financial impact of Rs 507.660 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 7,7,3,4,2&14]

2.6.2 Irregular purchase and consumption of medicine & surgical items – Rs 113.483 million

According to Para 2(iv)(c) & 2(xviii) of Guidelines for Local Purchase of Medicine circulated vide Government of the Punjab, P&SHC Department letter No.PSHD-TCO-I(M)6-14/2017 dated 16.12.2017, "Local purchase of medicine would be made through open competitive tendering. Furthermore, purchase order may be emailed to the LP Supplier through LP portal. Contractor will submit invoice / bill with supply on daily basis. Local purchase will be initiated with the order of Consultants / Senior Medical Officer via prescription that will be maintained as record of Local Purchase and it will not be for more than 7 days for one patient."

During audit of DHA Faisalabad for the FY 2022-23, it was observed that MS THQ Hospital Samundari and four other DDOs incurred expenditure of Rs 113.483 million on account of Local Purchase medicine and surgical items. Contrary to the above provisions, procurements and consumption were made as detailed below:

i) Repeated items of Local Purchase were not reported to procurement cell for procurement through bulk purchase;

ii) Local Purchases were made by health facilities without mentioning reference of the patients; and

iii) Consumption was made without maintaining issuance and disbursement record of medicines.

The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Period	Amount
1	MS THQ Hospital Samundari	Local Purchase / Day to Day Purchase of medicine	2022-23	27.063
2	SMO RHC 65/GB	Local Purchase / Day to Day Purchase of medicine	2010-23	4.885
3	MS THQ Hospital Jaranawala	Unauthentic consumption of medicine	2022-23	15.862
		Irregular award of framework contract		2.382
		Local Purchase / Day to Day Purchase of medicine		21.068
		Expenditure on procurement of medical items		1.845
		Unauthorized centralized procurement of medicine		27.291
4	MS Government General Hospital Samnabad	Local Purchase / Day to Day Purchase of medicine	2022-23	12.199
5	SMO RHC Kanjawani	Irregular Local Purchase / Day to Day Purchase of medicine	2013-23	0.888
Total				**113.483**

Due to weak financial management and internal controls, procurements and consumption of Local Purchase of medicines and surgical items were made in violation of policy guidelines and without maintaining proper consumption record which resulted in irregular expenditure.

The matter was reported to PAO in August & September, 2023. It was replied that LP medicine and other procurements were made through bulk tender which was cost effective than Local purchase. Further, LP medicines were procured on most economical or discounted rates. The decision was made in the best public interest with the goals of preventing pilferage or misuse of medicines and all purchases were done in accordance to the PPRA guidelines. Reply was not tenable as procurements were made in violation of policy guidelines.

DAC in its meeting held on 14.02.2024 directed the DDOs concerned to get the expenditure regularized from Finance Department. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives..

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.6.4 and 2.2.4.1 respectively having financial impact of Rs 580.820 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.12,5,9,10,11,12,17,3&5]

2.6.3 Loss due to payment of inadmissible pay and allowances – Rs 105.319 million

According to Rule 1.15(2) of the Punjab Travelling Allowance Rules, "Conveyance Allowance will not be admissible during leave." Further, according to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Faisalabad for the FY 2022-23, it was observed that CEO and nine other DDOs made inadmissible payments on account of Conveyance Allowance, House Rent Allowance, Non Practicing Allowance etc. amounting to Rs 105.319 million to various employees for the Financial Years 2017-18 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Description**	**Period**	**Amount**
1	CEO DHA Faisalabad	Overpayments of pay & allowances	2022-23	88.053
2	DHO (PS) Faisalabad	Overpayment of Conv. Allowance and NPA	2022-23	1.549
		Overpayments of pay & allowances		0.185
		Allotment of residencies without recovery of HRA & CA from employees of PHFMC		1.232
3	MS THQ Samundri	Overpayments of pay & allowances	2022-23	1.995
		Overpayment of NPA		0.722
4	SMO RHC 65/GB	Overpayment of NPA	2010-23	0.205
		Overpayments of pay & allowances		1.595
5	MS THQ Jaranawala	Overpayment of NPA	2022-23	1.051
		Overpayments of pay & allowances		3.054
6	MS Govt. General Hospital Samnabad	Overpayments of pay & allowances	2022-23	1.334
7	SMO RHC Kanjawani	Overpayments of pay & allowances	2013-23	1.090
8	DHO-III Faisalabad	Overpayments of pay & allowances	2022-23	0.212
9	Dy DHO Tandlianwala	Overpayments of pay & allowances	2010-23	1.948
		Overpayments of pay & allowances		0.848
10	SMO RHC Mureed Wala	Overpayments of pay & allowances	2011-23	0.246
Total				**105.319**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in August & September, 2023. It was replied that recovery on account of overpaid pay & allowances was under progress and compliance in this regard would be shown. Audit stressed to ensure recovery from employees at the earliest.

DAC in its meeting held on 14.02.2024 directed the DDOs concerned to recover the overpaid amount on account of pay & allowances and report progress within two weeks. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing respoinsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.6.6, 2.2.4.6, 9.3.3, 9.2.5.2.7, 9.2.1.22, 9.2.2.5, 9.2.2.6 and 5.2.1.6 respectively having financial impact of Rs 143.038 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 10,4,7,10,13,17,4,8,6,7,5,8,6,2,7&3]

2.6.4 Irregular appointment of daily wages/contingent paid staff – Rs 30.873 million

According to letter No. RO(Tech) FD2/2018 dated 20.09.2019 issued by Finance Department, Government of the Punjab and Para 2 of preface of schedule of wage rate 2019, "Appointment of temporary establishment to be made by the competent authority subject to the following conditions, the post(s) shall be advertised properly in the leading newspapers, the recruitment to all the posts be made on the basis of merit specified for the regular establishment."

During audit of DHA Faisalabad for the FY 2022-23, it was observed that DHO(PS) incurred expenditure of Rs 30.873 million for payment of remuneration to five hundred twenty daily wages staff. Record showed that recruitment of staff was made without adhering to instructions of Finance Department and without advertisement in the newspapers, need assessment, data of total applications received and merit list.

Due to weak internal controls, appointments of daily wages staff were made without adhering to Finance Department instructions which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. It was replied that all appointments were made according to directions / guidelines of Health Department and no irregularity was made in that regard. The reply was not tenable because recruitment was made in violation of the guidelines of Finance Department.

DAC in its meeting held on 14.02.2024 directed to get the record verified from audit within two weeks. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.6.19, 9.2.5.2.6, 9.2.1.5 and 5.2.1.4 respectively having financial impact of Rs 49.264 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 11]

Others

2.6.5 Loss due to unauthorized distribution of hospital receipts & non-deposit of receipts in Account-I – Rs 52.283 million

According to Government of the Punjab, P&SHC Department Notification No.S.O(H&D)7-9/2017(U.C) dated 17.08.2019 and Notification of even number dated 29.10.2019, "The rates for various services, parking and tests performed in health facilities were notified under the headings: A (Services), B (Parking) and C (Lab Tests). 70% of the revenue from diagnostic tests was to be retained by the Government." Furthermore, according to Accountant General Punjab letter No. Account-V &VI/Bank Advice/2021-22/HM/3212 dated 14.09.2022 and Government of the Punjab, Finance Department letter No.BI-3(120)AGP(2017-18 dated 16.08.2019, "DEAs and DHAs in the Punjab are directed to transfer all Public Account Receipts and Consolidated Fund Receipts to the Provincial Government (Account-I) except GL heads C02856, C02866, C02814 and C03616."

During audit of DHA Faisalabad for the FY 2022-23, it was observed that MS THQ Hospital Samundari and SMO RHC 65/GB collected receipts of Rs 3.637 million on account of different fees for the Financial Years 2019-20 to 2022-23. Contrary to the provisions of above notification, an amount of Rs 1.105 million was distributed to staff as share without admissibility. Further, various DDOs of DHA, Faisalabad collected receipts of Rs 51.178 million but CEO failed to ensure its transfer into Account-I during Financial Year 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Share Amount
1	MS THQ Hospital Samundari	2022-23	X-Ray, ECG, Ultrasound Fees	0.922
2	SMO RHC 65/GB	2019-23	X-Ray, ECG, Ultrasound Fees	0.183
3	CEO DHA Faisalabad	2022-23	Receipts collected were not deposited into Account-I	51.178
Total				**52.283**

Due to weak financial and administrative controls, un-authorized distribution of hospital receipts among staff and not deposit of receipts in Government Treasury which resulted in loss to Government.

The matter was reported to PAO in August & September, 2023. It was replied that allowances / share were received according to entitlement whereas matter regarding deposit of receipts into Provincial Account-I related to DAO, Faisalabad. Audit stressed to ensure recovery of overpaid amount of allowances / share besides early transfer of receipts into the relevant head of account.

DAC in its meeting held on 14.02.2024 directed to recover the unauthorized paid amount of share and deposit into relevant head of account. Further, DAC directed Deputy Director (B&A) to get clarify the matter from Finance Department regarding deposit of receipts into relevant head of account. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing respoinsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.6.33 respectively having financial impact of Rs 10.371 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 9,3&11]

2.6.6 Non-recovery of claims of SSP and non-deposit of Government share - Rs 3.797 million

According to Government of the Punjab, Specialized Healthcare and Medical Education Department Notification No.SO(DEV-I)25-69/2020(P-VI) dated 23.01.2023, "20% of total amount of claim received by Government Hospitals shall be utilized for provision of medicines / disposables and arranging diagnostic tests for the patients being created under the UHI / Sehat Sahulat Program (SSP) to ensure cashless medical services for such patients. Out of remaining 80%, share of Government / Insurance Fund shall be 66%."

During audit of DHA Faisalabad for the FY 2022-23, it was observed that MS THQ Hospital Jaranwala failed to collect outstanding claims on account of SSP amounting to Rs 2.829 million from the SLIC. Moreover, Government share of SSP amounting to Rs 0.968 million was not deposited into the treasury. Resultantly, payee claims and Government share of SSP amounting to Rs 3.797 million remained uncollected / non deposited.

Due to weak internal controls, Government share of SSP was not deposited and non-recovery of pending claims from SLIC which resulted in loss to the Government exchequer.

The matter was reported to PAO in August, 2023. It was replied that Sehat Sahulat Program was functioning according to rule policy issued by Government of Punjab and shares was divided amongst concerned employees according to Government policy. Audit stressed to ensure recovery of pending claim besides deposit of Government share into relevant head of account.

DAC in its meeting held on 14.02.2024 directed Deputy Director (B&A) to pursue the matter regarding recovery of Government share from concerned besides early clearance of pending claims. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para No. 14]

2.6.7 Loss due to non-auction of parking stand – Rs 1.071 million

According to Rule 9(b) of the Punjab District Authorities (Accounts) Rules, 2017, "The drawing and disbursing officer and payee of the pay, allowances, contingent expenditure or any other expenses shall be personally responsible for overpayment, fraud or misappropriation and shall be liable to make good that loss." Furthermore, according to Rules 5 & 9 of the Punjab Local Governments (Auction of Collection Rights) Rules 2016, "A Local Government shall award the contract to the highest bidder through public auction and open bid."

During audit of DHA Faisalabad for the FY 2022-23, it was observed that MS THQ Hospital Samandri handed over collection rights of parking fees to Faisalabad Parking Company (FPC) on profit sharing basis instead of through open competition. FPC deposited Rs 1.499 million as THQ Hospital Share for the Financial Years 2021-23 as compared to projected income through open auction amounting to Rs 2.570 million on the basis of last auction for 2020-21. Resultantly, DHA exchequer sustained loss of Rs 1.071 million due to non-auction through open competition.

Due to financial mismanagement and dereliction of duties, parking services were outsourced without open competition which resulted in loss to the Authority.

The matter was reported to PAO in August, 2023. It was replied that contract was signed with Faisalabad Parking Company on instructions of Deputy Commissioner Faisalabad till the FY 2023-24. The reply was not tenable because the contract was required to be auctioned thorugh cometetive bidding..

DAC in its meeting held on 14.02.2024 directed MS THQ Hospital Samundari to communicate the matter to Authority for initiation of auction under rules. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.6.37 having financial impact of Rs 3.684 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 4]

2.7 District Health Authority, Jhang

There are 24 formations in District Health Authority, Jhang out of which 05 formations were audited during Audit Year 2023-24.

2.3.4.26 Procedural irregularities

2.7.1 Loss due to payment of inadmissible pay and allowances – Rs 113.380 million

According to Rule 1.15(2) of the Punjab Travelling Allowance Rules, "Conveyance Allowance will not be admissible during leave." Furthermore, according to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Jhang for the FY 2022-23, it was observed that CEO and four other DDOs made inadmissible payments of Conveyance Allowance, HRA, NPA, HSRA, stipend to the trainee doctors, pay & allowances during EOL and SSB after regularization of services etc. amounting to Rs 113.380 million to various employees for the Financial Years 2021-22 and 2022-23.

The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	CEO DHA Jhang	2022-23	Excess payment of pay and allowances	28.136

Sr. No.	DDOs	Period	Description	Amount
2	MS DHQ Hospital Jhang	2021-23	Unjustified payment of stipend to house job graduate's	16.869
		2022-23	Excess payment of pay and allowances	45.882
3	DHO(PS) Jhang	2022-23	Payment of inadmissible pay & allowances	17.270
4	MS THQ Hospital Shorkot	2021-23	Payment of inadmissible pay & allowances	1.259
		2022-23	Unauthorized payment of NPA	1.151
5	MS City Hospital Jhang	2021-23	Unauthorized payment of NPA	0.515
		2021-23	Payment of inadmissible pay & allowances	2.298
Total				**113.380**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in August & September, 2023. DDOs did not submit reply of the audit observation.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letter No.Dir/Aud/LocalGovts/Fsd/1200 dated 28.09.2023, followed by subsequent reminders dated 06.10.2023, 11.10.2023 and 30.11.2023.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.7.3, 10.2.5.3.3, 10.2.5.3.22, 10.2.1.11, 10.2.1.13, 6.2.1.5 and 6.2.1.13 respectively having financial impact of Rs 178.819 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 14,9,11,4,11,12,13&7]

2.7.2 Irregular expenditure on POL – Rs 29.059 million

According to Rule 2.33 of the PFR Volume-I, “Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.” Furthermore, according to Government of the Punjab, Health Department, letter No.SO(B&A)28- 2/2006)P-1 dated 23.05.2011, “For minimizing the POL pilferage in the hospital generators, the DDOs were instructed to authenticate physical verification of meter reading by deputing an officer, record the timing of actual load shedding in a separate register duly got countersigned from the WAPDA Division concerned and keep strict vigilance to control the pilferage of POL by comparing log book entries with actual load shedding register.”

During audit of DHA Jhang for the FY 2022-23, it was observed that CEO and two other DDOs incurred expenditure of Rs 29.059 million on POL for generators and vehicles. Audit observed following discrepancies:

i. CEO DHA Jhang incurred expenditure of Rs 4.749 million on POL of 13 vehicles while only one vehicle was sanctioned;

ii. District Coordinator IRMNCH utilized POL amounting to Rs 2.260 million by exceeding permissible limit of 300 liter per month;

iii. Expenditure of Rs 23.089 million was incurred on POL of generators by tempering/reducing the hour meter reading and by maintaining log books on assumption basis; and

iv. Separate registers to record actual electricity shutdown times were not maintained.

The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	MS DHQ hospital Jhang	Irregular and unauthentic expenditure on POL of generators and Vehicle	18.289
2	CEO DHA Jhang	Irregular & unauthentic expenditure on POL of vehicles	7.324
3	MS THQ hospital Shorkot	Irregular drawl of against POL of Generators	3.446
Total			**29.059**

Due to weak internal controls, expenditure on POL of generators/vehicles was incurred without proper maintenance of record which resulted in irregular expenditure.

The matter was reported to PAO in August & September, 2023. DDOs did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.7.11, 2.7.19, 10.2.5.5.3, 10.2.1.23 and 6.2.1.9 respectively having financial impact of Rs 33.329 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 10,12,7,6&11]

2.7.3 Unauthorized payment of previous year's liabilities – Rs 22.068 million

According to Rule 15(g) of the Punjab District Authorities (Accounts) Rules, 2017, "The DDO shall be responsible to prepare statement of outstanding payments on the close of each financial year, carrying them forward and including the same in the register of liabilities to be paid in the relevant financial year."

During audit of DHA Jhang for the FY 2022-23, it was observed that MS THQ Hospital Shorkot made payments of Rs 22.068 million to the different firms against procurements of medicine & POL for the preceding financial year. However, payments were made without maintaining liability register, approval of the competent authority and special provision of funds for the clearance of outstanding liabilities.

Due to weak internal controls, previous year's liabilities were paid from budget of current year which resulted in unauthorized expenditure.

The matter was reported to PAO in August, 2023. DDO did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.7.4, 3.2.4.2, 10.2.5.4.2, 10.2.3.4, and

6.2.2.1 respectively having financial impact of Rs 157.242 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.16]

Others

2.7.4 Unauthorized distribution of fees and improper maintenance of lab fees record – Rs 24.177 million

According to Government of the Punjab, P&SHC Department Notification No.S.O(H&D)7-9/2017(U.C) dated 17.08.2019 and Notification of even number dated 29.10.2019, "The rates for various services, parking and tests performed in health facilities were notified under the headings: A (Services), B (Parking) and C (Lab Tests). 70% of the revenue from diagnostic tests was to be retained by the Government." Furthermore, according to Rule 9 of the Punjab District Authorities (Accounts) Rules 2017, "In case of any loss accrues to District Authority through negligence of a person or employee, the person functioning on behalf of a District Authority shall be personally responsible on his part and shall be liable to make good the loss."

During audit of DHA Jhang for the FY 2022-23, it was observed that MS DHQ Hospital Jhang failed to maintain patient wise lab test record / proper consumption of lab material / diagnostic kits. Pathology Department reported lab fees amounting to Rs 25.392 million as per number of test whereas an amount of Rs 7.216 million was deposited leaving unexplained difference of Rs 18.176 million. Further, MS, DHQ Hospital and MS Government City THQ Hospital Jhang collected Rs 20.241 million on account of different fees for the Financial Year 2022-23. However, out of collected receipts an amount of Rs 6.00 million was distributed to the staff without admissibility. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Total Fees	Govt. Share Deposited	Undue Staff Share/Not Deposited Amount
1	MS DHQ Hospital Jhang	Government share distributed to the staff	19.761	13.833	5.928
		Fees calculated as per number of tests was less Deposited	25.392	7.216	18.176
2	MS City Hospital Jhang	Government share distributed to the staff	0.480	0.407	0.073

Total	45.633	21.456	24.177

Due to weak financial and administrative controls, hospital receipts were not deposited in Government Treasury which resulted in loss to the Authority.

The matter was reported to PAO in August & September, 2023. DDOs did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends probing the matter for ascertaining actual and excess expense besides fixing responsibility and recovery of loss.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para(s) number 2.7.21 and 2.7.22 having financial impact of Rs 4.968 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 8,4&5]

2.7.5 Non-recovery of SSP claims and less-deposit of Government share – Rs 15.941 million

According to Government of the Punjab, Specialized Healthcare and Medical Education Department Notification No.SO(DEV-I)25-69/2020(P-VI) dated 23.01.2023, "20% of total amount of claim received by Government Hospitals shall be utilized for provision of medicines / disposables and arranging diagnostic tests for the patients being treated under the UHI / Sehat Sahulat Program (SSP) to ensure cashless medical services for such patients. Out of remaining 80%, share of Government / Insurance Fund shall be 66%."

During audit of DHA Jhang for the FY 2022-23, it was observed that MS THQ Hospital Shorkot and DHQ Hospital Jhang failed to collect outstanding claims on account of SSP amounting to Rs 13.827 million from SLIC. Moreover, Government share of SSP amounting to Rs 2.114 million was less deposited into treasury by the MS THQ Hospital Shorkot. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Less Transfer of Govt. Share	Pending SSP Claims	Total
1	MS THQ Hospital Shorkot	Less transfer of Govt. share and non-recovery of claims of SSP	2.114	7.393	9.507
2	MS DHQ Hospital Jhang	Non-transfer of funds from SSP account	-	6.434	6.434
Total			**2.114**	**13.827**	**15.941**

Due to weak internal controls, Government share of SSP was not deposited and no recovery of pending claims was made from SLIC which resulted in loss to the Government exchequer.

The matter was reported to PAO in August & September, 2023. DDOs did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of pending claims from SLIC and deposit share of SSP into Government Treasury.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.7.23 having financial impact of Rs 1.868 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 3&5]

2.7.6 Irregular auction / assessment process of vehicles – Rs 5.970 million

According to Notes I & IV under Sr. No. 6 of Second Schedule of the Punjab District Authorities (Delegation of Financial Powers) Rules, 2017, "Minimum distance of three lac kilometers for vehicles and two lac kilometers for motorcycles / scooters shall be the criterion for replacement / condemnation. Market price shall be determined, after market survey, by a committee constituted by the Authority on recommendations of the Chief Executive Officer." Furthermore, according to approval of Deputy Commissioner vide note dated 20.03.2023 "A four-member committee was constituted to conduct market survey for rates."

During audit of DHA Jhang for the FY 2022-23, it was observed that CEO carried out auction process of unserviceable motorcycles, vehicles, furniture etc. having reserve price of Rs 5.970 million, without observing prescribed rules. Further, following irregularities were also observed:

i) Milage of 94 motorcycles and 11 vehicles was not mentioned in the condemnation / survey reports;
ii) Assessment of reserve price was made from one person / motor vehicle examiner instead of market based competitive rates; and
iii) Bid security of defaulter bidders was not deposited into Government Treasury.

Due to weak internal controls, assessment and auction was made without observing formalities which resulted in irregular auction.

The matter was reported to PAO in August, 2023. DDO did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.7.25 having financial impact of Rs 1.568 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.11]

2.7.7 Non-recovery / deposit of parking fees and MLC fees – Rs 2.410 million

According to Rule 4.7(1) of the PFR, Volume-I, "It is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account."

During audit of DHA Jhang for the FY 2022-23, it was observed that MS DHQ Hospital Jhang failed to recover / deposit parking fees amounting to Rs 2.388 million. Further, MLC fees was not deposited into the treasury amounting to Rs 0.022 million. Resultantly, an amount of Rs 2.410 million was not recovered / deposited by the hospital authorities. The detail is as under:

(Rupees in million)

Sr. No.	Head of Income	Total Due	Deposited	Less Deposited Amount
1	Parking Fees	9.110	6.722	2.388
2	MLC Fees	0.022	-	0.022
Total		**9.132**	**6.722**	**2.410**

Due to weak internal controls, parking fees and MLC was not recovered / deposited into the Government Treasury which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of fees.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.7.24 having financial impact of Rs 1.746 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 8 (a)]

2.7.8 Non- recovery of utility charges – Rs 2.169 million

According to Clause 14 of the contract agreement for auction of canteen services, "The canteen contractor will pay the utility bills on commercial tariff." Moreover, according to Clauses 13(2) & 15 of the Contracts for Execution of Civil Works, "The contractor shall in connection with the works provide and maintain at his own cost all lights, warning lights, caution boards attendants, guard fencing and watch men, when and where necessary or required by the engineer-in-charge, for the protection of the work or for the safety and convenience of the public or other."

During audit of DHA Jhang for the FY 2022-23, it was observed that MS DHQ Hospital Jhang did not recover electricity charges amounting to Rs 2.169 million from contractors against utilizing electricity from hospital connections.

Due to weak financial controls, electricity charges were not recovered from contractors which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of electricity charges from the contractors concerned.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.7.24 having financial impact of Rs 1.746 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.6]

2.7.9 Non-recovery of taxes – Rs 1.898 million

According to Sr. Nos. 11 and 63 of Second Schedule read with Section 10(1) of the Punjab Sales Tax on Services Act 2012, "There shall be charged, levied, collected and paid the tax on the value of a taxable service at the rates. Rate of Punjab Sales Tax on Services (PST) on parking service was five percent and on Services provided by restaurants including cafes, food (including ice-cream) parlors, coffee houses, coffee shops, deras, food huts, eateries, resorts and similar cooked, prepared or ready-to-eat food service outlets etc. was sixteen percent."

During audit of DHA Jhang for the FY 2022-23, it was observed that MS DHQ Hospital Jhang failed to recover / deposit Income Tax, PST on contracts of Parking and Canteen services amounting to Rs 1.898 million. The detail is as under:

(Rupees in million)

Sr. No.	Head of Income	Total Due	Deposited	Less Deposited Amount
1	Income Tax on Parking Services	0.835	-	0.835
2	PST on Parking Services	0.418	-	0.418
3	PST on Canteen Services	0.645	-	0.645

Total	**1.898**	**-**	**1.898**

Due to weak internal controls, Income Tax and PST were not recovered / deposited into the Government Treasury which resulted in loss to the public exchequer.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of taxes.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.7.24 having financial impact of Rs 1.746 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 8(b)]

2.8 District Health Authority, Khanewal

There are 23 formations in District Health Authority, Khanewal out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.8.1 Irregular payment of pending liabilities – Rs 89.075 million

According to Rule 17.18 of PFR Volume-I, "Expenditure incurred in one year, should not be left over to be met out of the budget for the next year." Moreover, according to Rule 15(g) of the Punjab District Authorities (Accounts) Rules, 2017, "The DDO shall be responsible to prepare statement of outstanding payments on the close of each financial year, carrying them forward and including the same in the register of liabilities to be paid in the relevant financial year."

During audit of DHA Khanewal for the FY 2022-23, it was observed that two DDOs made payments amounting to Rs 89.075 million against procurements of drugs / medicine, other stores, repair of machinery / equipment of preceding financial years. However, payments were made without maintaining liability register, approval of competent authority for time barred claims and special provision of funds for the clearance of outstanding liabilities. **Annexure-8**

Due to weak internal and financial controls, payments against time barred claims, previous year liabilities were made without separate budget allocation which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letters No.RDDA-MLN/F-163/CD-1480 dated 12.09.2023 and No.RDDA-MLN/F-163/CD-1494 dated 18.09.2023 followed by subsequent reminder No.RDDA-MLN/F-163/CD-1537 dated 27.09.2023. No progress was intimated till finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the DDOs concerned.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2018-19, vide para(s) number 12.2.5.1.23 and 12.2.2.3 respectively having financial impact of Rs 156.707 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.14 & 15]

2.8.2 Mis-procurement of medicine and various store items – Rs 68.253 million

According to Rule 9 and 12 of the Punjab Procurement Rules 2014, "Procuring agency shall announce proposed procurements for each Financial Year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website. Procurement opportunities over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website."

During audit of DHA Khanewal for the FY 2022-23, it was observed that CEO and three other DDOs procured LP medicine, stationery, printing and other store items amounting to Rs 68.253 million for the Financial Years 2018- 19 to 2022-23 without uploading the advertisement on PPRA's website. Further, LP medicine was purchased through defective tendering process by hospital-based purchase committee instead of District Purchase Committee. Furthermore, procurement of Bio-medical equipment and medicine beyond the validity of the tender without obtaining approval of the competent authority and without extension of the contract validity. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	CEO DHA Khanewal	2022-23	Mis-procurement of Bio-medical equipment beyond the validity of the tender	4.011
			Procurement of LP medicine, stationery, printing and other items through splitting	22.500
2	MS DHQ Hospital Khanewal	2022-23	Procurement of LP medicine through defective tendering process.	14.803
3	SMO RHC Kacha Khuh	2018-23	Purchase of LP medicine through splitting	3.894
			Expenditure on purchase of store items through splitting	2.557
4	MS THQ Hospital Jahanian	2021-23	Mis-procurement of LP medicine by not advertising the proposed procurements in the newspapers	7.305
			Procurement of medicine beyond the validity of the procurement contract	8.546
			Procurement of different general items through splitting	4.637

Total	**68.253**

Due to weak internal controls, purchases were made by splitting to avoid open tendering process / defective tendering process which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2018-19 vide para(s) number 2.8.3, 1.2.4.2 and 12.2.2.8 respectively having financial impact of Rs 74.519 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 21, 16, 17,01,08,13,05 & 12]

2.8.3 Irregular appointment of daily wage staff – Rs 2.423 million

According to Sr. No. 2 of the Preface to the Schedule of Wage Rates, 2021 circulated by Government of the Punjab, Finance Department vide No. RO (Tech) FD 2-2/2018 dated 09.09.2021, "Appointment to a post included in the schedule may be made by the competent authority under Delegation of Financial Powers Rules 2016 subject to proper advertisement in the leading newspapers and on the basis of merit specified for regular establishment."

During audit of DHA Khanewal for the FY 2022-23, it was observed that MS, THQ Hospital Jahanian paid pay and allowances amounting to Rs 2.423 million to contingent / daily wage staff i.e. data entry operators from health council fund without observing codal formalities. No record pertaining to recruitment process was available to authenticate the recruitment process.

Due to weak internal controls, contingent / daily wage staff was hired without observing codal requirement which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2020-21 and 2018-19 vide para(s) number 12.5.1 and 12.2.2.15 respectively having financial impact of Rs 36.790 million. Recurrence of same irregularity is a matter of serious concern.

Others

2.8.4 Loss due to payment of inadmissible pay and allowances - Rs 13.969 million

According to Rule 9(b) of Punjab District Authorities (Accounts) Rules 2017, "The drawing and disbursing officer and payee of the pay, allowances, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss." Further, according to Government of the Punjab, Finance Department, Lahore, notification No. FD.PC.2-1/2001 dated 11.07.2011, "integrated allowance is allowed to N/Qasids, Qasids, Daftries, Frashes, Chowkidars, Sweepers, Sweeperess & Security Guard." Further, "according to Finance Department Notification No. FD.SR-I/9-28/2016 dated 18.07.2016 regarding revision of rates of aforementioned notification dated 11.07.2011 in this notification only rates were revised and no admissibility to the other designations was mentioned." Furthermore, according to Government of the Punjab, Finance Department letter No.FD.PR-9-4/86(P)(PT.II)(PR) dated 21.08.2015, "Conveyance Allowance is compensation to those employees who spend daily expenditure either to reach offices or back to home, whereas, the employees living within work premises do not spend any amount in this regard."

During audit of DHA Khanewal for the FY 2022-23, it was observed that CEO and three other DDOs made excess payment amounting to Rs 13.969 million for the Financial Years 2018-19 to 2022-23 on account of inadmissible pay and allowances to different employees. Pay and allowances were drawn after resignation & retirement. Further, payment of pay and allowances was made for the period of EOL and leave. Furthermore, payment of HSRA, NPA, health risk allowance, conveyance allowance, house rent allowance etc. were paid without entitlement. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	CEO DHA Khanewal	2022-23	Payment of pay and allowances after resignation	1.374
			Payment of allowances without entitlement	0.911

Sr. No.	DDOs	Period	Description	Amount
			Payment of Pay and allowances during EOL	1.525
2	MS DHQ Hospital Khanewal	2022-23	Payment of pay and allowances without entitlement	2.936
3	DHO PS Khanewal	2022-23	Payment of HSRA without entitlement	1.023
			Payment of NPA despite doing private practice	0.774
			Inadmissible integrated allowance, Health Risk Allowance	0.724
4	SMO RHC Kacha Khuh	2018-23	Payment of various Allowances	4.702
Total				**13.969**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery of overpaid pay and allowances besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.8.5, 1.2.4.5, 12.4.1, 12.2.5.1.19, 12.2.5.1.20, 12.2.5.1.28 and 12.2.2.2.10 respectively having financial impact of Rs 86.072 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.02, 06, 09, 13, 02, 05, 09 & 09]

2.8.5 Non-forfeiture of performance guarantee – Rs 3.573 million

According to Clause 9 of RFP regarding Bulk Purchase of Medicine, "Wherein the supplier fails to make deliveries as per signed contract & purchase order and within the stipulated time frame, the contract to the extent of non- delivered portion of supplies shall stand cancelled and the amount of Performance Guarantee / Security to the extent of non-delivered portion of supplies shall be forfeited. If the supplier fails to supply the whole consignment, the entire amount of Performance Guarantee / Security shall be forfeited to the Government account and the firm shall be blacklisted minimum for two years for future participation."

During audit of DHA Khanewal for the FY 2022-23, it was observed that CEO neither forfeited performance guarantee amounting to Rs 3.320 million nor blacklisted the suppliers despite failure to supply the medicines worth Rs 66.480 million. Furthermore, MS DHQ Hospital Khanewal did not forfeit Call Deposit Receipt (CDR) amounting to Rs 0.253 million of the highest bidder of collection rights of parking fees i.e. M/S Al-Hadi Engineering Company Khanewal who failed to execute the agreement by depositing 50% dues despite issuance of notice by the MS DHQ Hospital Khanewal. **Annexure-9**

Due to weak internal controls, performance guarantee and Call Deposit Receipts (CDR) were not forfeited which resulted in loss to Authority.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends forfeiture of performance guarantee / Call Deposit Receipt and blacklisting of firms besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21 and 2019-20 vide para(s) number 2.8.7, 1.2.4.7, 12.4.1 and 12.2.5.1.22 respectively having financial impact of Rs 9.561 million. Recurrence of same irregularity is a matter of serious concern.
