According to Rule 2.10(3) of PFR Volume-I, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Volume-I."

During audit of DHA Khanewal for the FY 2022-23, it was observed that as per bank statement of bank account of CEO and three other DDOs amount of Rs 2.318 million was available as on 30.06.2023. However, status of available balance was not produced during audit. Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Amount**
1	MS DHQ Hospital Khanewal	2.128
2	SMO RHC Kacha Khuh	0.096
3	CEO DHA Khanewal	0.064
4	DHO (PS) Khanewal	0.030
Total		**2.318**

Due to weak financial management, funds were drawn from the Government Treasury without valid claim and remained undisbursed in DDO account which resulted in blockage of funds.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry of matter and deposit of retained funds in the Government Treasury besides fixing responsibility against the person(s) at fault.

[AIR Para No. 08, 05, 25 & 06]

2.9 District Health Authority, Layyah

There are 22 formations in District Health Authority, Layyah out of which 05 formations were audited during Audit Year 2023-24.

2.3.4.27 Fraud, embezzlement and misappropriation

2.9.1 Misappropriation of Government dues – Rs 6.302 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The collecting officers shall be responsible to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise." Further, according to Government of the Punjab, Finance Department letter No. FD (M-C)1-15/82-P-I dated 17.01.2000, "All receipts should be deposited into Government treasury not later than seven days of actual receipts."

During audit of DHA Layyah for the FY 2022-23, it was observed that MS DHQ Hospital Layyah and two other DDOs misappropriated Rs 6.302 million on account of different hospital receipts for the Financial Years 2017-18 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Nature of receipts	FYs	Amount
1	MS DHQ Hospital, Layyah	Hospital receipts	2022-23	5.187
2	MS THQ Hospital, Kot Sultan	Hospital receipts	2019-20 to 2022-23	0.618
3	SMO RHC, Paharpur	Hospital receipts	2017-18 to 2022-23	0.497
Total				**6.302**

Due to weak internal controls, Government receipts were misappropriated which resulted in loss to the authority.

The matter was reported to PAO in September, 2023. MS DHQ Hospital replied that the contractor of parking and canteen had left after 1st installment without intimation. The contract could not be re-auctioned despite repeated tenders. The reply was not tenable because the loss to Government was to be recovered from contract under risk and cost basis. The other DDOs replied that recovery was in process.

DAC in its meeting held on 14.02.2024 directed MS DHQ Hospital to pursue the case under Land Revenue Act. The other DDOs were also directed to ensure the recovery within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2020-21vide para(s) number 2.9.2, 2.2.4.8 and 5.4.7 respectively having financial impact of Rs 16.343 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 2,7,8]

2.3.4.28 Procedural irregularities

2.9.2 Irregular expenditure out of Health Council Funds – Rs 13.277 million

According to Government of the Punjab P&SHC Department Notification No. SO(B&A)1-48/2017-18 dated 20.11.2018, "All expenditure from Health Council is required to be incurred after obtaining approval of respective Health Council and after observing all legal and codal formalities." Further, according to Rule 41 of the Punjab District Authorities (Accounts) Rules 2017, "No payment for work shall be made unless technical sanction of a detailed design and estimate has been accorded by a sanctioning authority and the DDO and head of respective offices shall ensure that the claims submitted for payment are valid claims for the works actually executed at site in accordance with the specification, agreed quality and quantity and entered in the relevant books or register of accounts."

During audit of DHA Layyah for the FY 2022-23, it was observed that MS THQ Hospital, Kot Sultan and SMO RHC, Paharpur incurred expenditure of Rs 13.277 million without approval of Health Councils for the Financial Years 2017-18 to 2022-23. The payments were made against procurement of various items, repair and maintenance without adopting prescribed procedure laid down in policy guidelines. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	FYs	Amount
1	MS THQ Hospital, Kot Sultan	2019-20 to 2022-23	11.085
2	SMO RHC Paharpur	2017-18 to 2022-23	2.192
Total			**13.277**

Due to weak internal controls, payments were made without observing rules which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. The DDOs replied that all the expenditure was incurred after observing the Health Council guidelines issued by the Administrative Department. The reply was not tenable as no supporting record was provided.

DAC in its meeting held on 14.02.2024 directed the Dy. Director (F&B) and DHO(MS) to inquire the matter and submit report within a month No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2018-19 vide para(s) number 5.2.5.2.9 and 5.2.2.2 respectively having financial impact of Rs 64.528 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 17,9]

2.9.3 Unauthorized payment of previous year's liabilities – Rs 6.346 million

According to Rule 15(g) of the Punjab District Authorities (Accounts) Rules, 2017, "The DDO shall be responsible to prepare statement of outstanding payments on the close of each financial year, carrying them forward and include the same in the register of liabilities to be paid in the relevant financial year."

During audit of DHA Layyah for the FY 2022-23, it was observed that MS DHQ Hospital Layyah made payments for Rs 6.346 million to different firms against procurements of various store items for preceding financial years. However, payments were made without maintaining liability register, approval of the competent authority and special provision of funds for the clearance of outstanding liabilities.

Due to weak internal controls, previous year's liabilities were paid from budget of current year which resulted in unauthorized expenditure.

The matter was reported to PAO in September, 2023. The DDO replied that the expenditure were increased due to inflation and the request was forwarded to CEO(DHA) for provision of additional budget. The reply not tenable as no proof for grant of additional budget specific for liabilities was provided.

DAC in its meeting held on 14.02.2024 directed the DDO to get the expenditure regularized from competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.9.4 and 5.2.5.2.2 respectively having financial impact of Rs 74.409 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 10]

2.9.4 Irregular appointment of contingent paid staff – Rs 3.769 million

According to Sr. No. 2 of the Preface to the Schedule of Wage Rates, 2021 circulated by Government of the Punjab, Finance Department vide No. RO (Tech) FD 2-2/2018 dated 09.09.2021, "Appointment to a post included in the schedule may be made by the competent authority under Delegation of Financial Powers Rules 2016 subject to proper advertisement in the leading newspapers and on the basis of merit specified for regular establishment."

During audit of DHA Layyah for the FY 2022-23, it was observed that MS DHQ Hospital Layyah incurred expenditure of Rs 3.769 million of wages of contingent paid staff. Scrutiny of record revealed that recruitment of staff was made without adhering to the instructions of Finance Department.

Due to weak internal controls, appointments of daily wages staff were made without adhering to the instructions of Finance Department which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. The DDO replied that the different employees were hired as daily wages for 89 days, to perform various tasks. Their period had been extended during the year after every 89 days interval by keeping a gap of one or two days. The reply not tenable as hiring of staff was not adopted by observing the prescribed procedure.

DAC in its meeting held on 14.02.2024 directed the DDO to get the expenditure regularized from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.9.11, 5.2.5.2.10 and 5.2.2.3 respectively having financial impact of Rs 29.060 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.12]

2.3.4.29 Value for money and service delivery issues

2.9.5 Non-forfeiture of performance guarantee – Rs 2.235 million

According to Clause 9 of RFP regarding Bulk Purchase of Medicine, "Wherein the supplier fails to make deliveries as per signed contract & purchase order and within the stipulated time frame, the contract to the extent of non- delivered portion of supplies shall stand cancelled and the amount of Performance Guarantee / Security to the extent of non-delivered portion of supplies shall be forfeited. If the supplier fails to supply the whole consignment, the entire amount of Performance Guarantee / Security shall be forfeited to the Government account and the firm shall be blacklisted minimum for two years for future participation."

During audit of DHA Layyah for the FY 2022-23, it was observed that CEO issued supply orders for procurement of medicines but 12 firms failed to supply medicines costing Rs 25.432 million. No action was taken by the Authority for forfeiture of performance guarantee amounting to Rs 2.235 million besides blacklisting the defaulting firms.

Due to weak internal controls, action was not taken against defaulting firms for non supply which resulted undue favor to the firms and loss to the Authority.

The matter was reported to PAO in September, 2023. The DDO replied that the medicine by the said firms were received and payment was made after necessary deduction of liquidated damages for late supply. The reply not tenable as no record for supply of medicine was provided during verification.

DAC in its meeting held on 14.02.2024 directed the Deputy Director (F&B) and DHO(MS) to inquire the matter and submit a report within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2020-21 vide para number 6.5.6 having financial impact of Rs 2.968 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 4]

2.3.4.30 Others

2.9.6 Loss due to payment of inadmissible pay and allowances – Rs 26.540 million

According to Rule 9 of the Punjab Regularization of Service Act, 2018, "A contract employee, on regularization, shall be allowed the initial stage of the respective pay scale and the increments earned by him during the contract appointment shall be converted into personal allowance but no other privilege allowed to a contract employee shall be admissible." Further, according to Government of the Punjab, Finance Department letter No. FD(M-I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant could not draw house rent allowance." Furthermore, according to Government of the Punjab, Finance Department Letter No. FD.SR.I.9- 4/86 (P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, Finance Department letter No. FD.SR-I/6-8/2018 dated 30.09.2020 endorsed by Government of the Punjab, Primary & Secondary Healthcare Department vide letter No. SO(B&A)2-27/2017-18 dated 16.10.2020, "Health Professional Allowance, Special Healthcare Allowance, Non-Practicing Allowance and Health Sector Reform Allowance are not admissible to the doctors during any kind of leave."

During audit of DHA Layyah for the FY 2022-23, it was observed that CEO and four other DDOs made inadmissible payments of House Rent Allowance, Conveyance Allowance, Dress Allowance, Mess Allowance, Nursing Professional Allowance, Non-Practicing Allowance, SSB, Risk allowance and pay amounting to Rs 26.540 million to various employees for the Financial Years 2017-18 to 2022-23. The detail is under:

(Rupees in million)

Sr. No.	DDOs	Description	FYs	Amount
1	CEO, DHA, Layyah	Incentive allowance, Executive Allowance and Conveyance Allowance	2022-23	4.482
2	DHO (PS), Layyah	NPA, SSB, Inadmissible CA, pay after quit/left the job/after transfer		5.932

Sr. No.	DDOs	Description	FYs	Amount
3	MS DHQ Hospital, Layyah	Incentive allowance, HSRA, Qualification Allowance, inadmissible pay and allowances, Non-deduction of performance based allowances, pay after quit/left the job		8.463
4	MS THQ Hospital, Kot Sultan	CA, Increments, HSRA, SSB, inadmissible pay and allowances, Health Risk Allowances and NPA	2019-20 to 2022-23	6.108
5	SMO RHC, Paharpur	CA, HSRA	2017-18 to 2022-23	0.726
		Over payment of pay & allowances after resignation/transfer		0.829
Total				**26.540**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. The DDOs replied that the recovery was initiated from the concerned. Audit stressed that DDOs should ensure the recovery within minimum possible time.

DAC in its meeting held on 14.02.2024 directed the DDOs to expedite the recovery and submit progress within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.9.17, 2.2.4.2, 5.4.2, 5.2.5.2.3 and 5.2.2.4 respectively having financial impact of Rs 108.290 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 7,5,14,14,5,11]

2.9.7 Overpayment due to irregular promotion of allied health professionals – Rs 22.078 million

According to Government of Punjab P&SHC Department Notification No. 1715-21/1059/LC dated 06.06.2022 and No. 767 dated 06.02.2023, "Allied health professionals were eligible for up gradation / re-designation as one time dispensation under AHP notification dated 24.11.2011. Up gradation under 4-tier beyond one time are not in accordance with the notification dated 24.11.2011. Up gradation beyond one time of AHP should be withdrawn as per direction of Finance department order dated 04.07.2019."

During audit of DHA Layyah for the FY 2022-23, it was observed that CEO and two other DDOs allowed to pay Rs 22.078 million against irregular promotion of allied health professionals' staff who were up-graded / re-designated during 2012 under 4-tier service structure into higher scale with two to four steps at a time instead of one time dispensation in violation of above policy. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	FYs	No. of Employees	Amount
1	CEO, DHA, Layyah	2022-23	57	9.223
2	SMO RHC, Paharpur	2017-18 to 2022-23	02	1.090
3	DHO(PS), Layyah	2022-23	124	11.765
Total			**183**	**22.078**

Due to weak internal controls, up-gradation was granted to employees into next higher scales in violation of policy guidelines which resulted in overpayment.

The matter was reported to PAO in September, 2023. The DDOs replied that the illegal upgradation under four tier structure had been withdrawn. However, the recovery process had still not been initiated. Audit stressed that DDOs should ensure the recovery within minimum possible time.

DAC in its meeting held on 14.02.2024 directed the DDOs to expedite the recovery and submit progress within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para No. 6,10,2]

2.10 District Health Authority, Lodhran

There are 14 formations in District Health Authority, Lodhran out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.10.1 Irregular payment of pending liabilities – Rs 77.773 million

According to Rule 17.18 of the PFR, Volume-I, "Under no circumstances may charges incurred be allowed to stand over to be paid from the grant of another year." Further, according to Rule 15(g) of the Punjab District Authorities (Accounts) Rules 2017, "The DDO shall be responsible to prepare statement of outstanding payments on the close of each financial year, carrying them forward and include the same in the register of liabilities to be paid in the relevant financial year."

During audit of DHA Lodhran for the FY 2022-23, it was observed that CEO and two other DDOs made payments amounting to Rs 77.773 million against the procurements of drugs / medicine, other stores items and repair of machinery / equipment of preceding financial years. However, payments were made without maintaining liability register, approval of the competent authority for time barred claims and special provision of funds for the clearance of outstanding liabilities. The detail is given in **Annexure-10.**

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	CEO DHA Lodhran	Payment of pending liabilities of bulk medicines	76.020
2	MS THQ HospitalDunyapur	Payment of pending liabilities under the head of account "A03970 - Others"	0.708
3	DHO (PS) Lodhran	Payment of pending liabilities of medicines, other stores and repair items	1.045
Total			**77.773**

Due to weak internal and financial controls, payments against time barred claims, previous year liabilities were made without separate budget allocation which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letters No.RDDA-MLN/F-163/CD-1480 dated 12.09.2023 and No.RDDA-MLN/F-163/CD-1494 dated 18.09.2023 followed by subsequent reminder No.RDDA-MLN/F-163/CD-1537 dated 27.09.2023. No progress was intimated till finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the DDOs concerned.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2018-19 vide para(s) number 13.2.5.2.20 and 13.2.2.16 respectively having financial impact of Rs 13.747 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 16, 7 & 14]

2.10.2 Irregular procurement of medicine – Rs 23.474 million

According to Para 2(iv)(c) & 2(xviii) of Guidelines for Local Purchase of Medicine circulated vide Government of the Punjab, P&SHC Department letter No.PSHD-TCO-I(M)6-14/2017 dated 16.12.2017, "Local purchase of medicine would be made through open competitive tendering. Furthermore, purchase order may be emailed to the LP Supplier through LP portal. Contractor will submit invoice / bill with supply on daily basis. Local purchase will be initiated with the order of Consultants / Senior Medical Officer via prescription that will be maintained as record of Local Purchase and it will not be for more than 7 days for one patient. Payment for items out of formulary will be made after receiving report of Drug Testing Laboratory (DTL)." Moreover, according to Rule 23 (1) (a) (i) of the Drug Sale Act 1976, "No person shall himself or by any other person on his behalf sell any drug without having a warranty in the prescribed form bearing the name and batch number of the drug issued."

During audit of DHA Lodhran for the FY 2022-23, it was observed that MS, DHQ Hospital Lodhran incurred expenditure of Rs 23.474 million on LP medicine against the policy guidelines of the Government. Following irregularities / discrepancies were observed:

i. Day to day purchase of medicine was initiated irregularly on the demand of dispensers / pharmacists in bulk quantities by violating the condition that local purchase will be initiated with the orders of Consultants / Senior Medical Officers only via prescription that will be maintained as record of Local Purchase and it will not be for more than7 days for one patient.

ii. Successful bidders / suppliers held the license to supply the medicine underForm-9 & 11 but were not authorized to issue warranty certificates of supplied medicines as same were neither manufactured by them nor concerned suppliers provided the authorized distributor license issued by the manufacturers of supplied medicines but the Pharmacy Manager as well asthe physical inspection committee accepted the warranty certificates issued by the supplier written on sale invoices in violation of above clauses of the Drug Sale Act 1976. Thus, unauthorized payments to concerned supplier for the medicines supplied with fictitious warranties were made and chancesof substandard receipt of LP medicines while putting the patients' life onrisk cannot be ruled out.

iii. The firm supplied medicines without defacing / stamp stating 'Government property, not for sale'. These medicines had greater chances of being misappropriated.

Due to weak internal controls, expenditure was incurred against the policy guidelines which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR Para No.18]

2.10.3 Mis-procurement of printing material and X-Ray films – Rs 5.723 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper."

During audit of DHA Lodhran for the FY 2022-23, it was observed that MS, DHQ Hospital Lodhran incurred expenditure of Rs 3.194 million on repeated purchases of X-Ray films without uploading the advertisement on PPRA's website. Moreover, MS DHQ Hospital Lodhran mis-procured printing services amounting to Rs 2.529 million from M/S Nine Star Printing Corporation without tendering process in violation of PPRA Rules. **Annexure-11**

Due to weak internal controls, purchases were made in violation of PPRA Rules which resulted in mis-procurement.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 vide para(s) number 2.10.4 having financial impact of Rs 14.744 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para: 14 & 17]

2.10.4 Irregular appointment of daily wages staff – Rs 1.584 million

According to Sr. No. 2 of the Preface to the Schedule of Wage Rates, 2021 circulated by Government of the Punjab, Finance Department vide No. RO (Tech) FD 2-2/2018 dated 09.09.2021, "Appointment to a post included in the schedule may be made by the competent authority under Delegation of Financial Powers Rules 2016 subject to proper advertisement in the leading newspapers and on the basis of merit specified for regular establishment."

During audit of DHA Lodhran for the FY 2022-23, it was observed that MS THQ Hospital Dunyapur paid pay and allowances amounting to Rs 1.584 million to contingent / daily wage staff i.e, data entry operators from health council fund without observing codal formalities. No record pertaining to recruitment process was available to authenticate the recruitment process. **Annexure-12**

Due to weak internal controls, contingent / daily wage staff was hired without observing codal requirement which resulted in unauthorized expenditure.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2018-19 vide para(s) number 13.2.5.2.14 and 13.2.2.14 respectively having financial impact of Rs 19.673 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 04]

Others

2.10.5 Loss due to payment of inadmissible pay and allowances – Rs 13.432 million

According to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Lodhran for the FY 2022-23, it was observed that CEO and four other DDOs made unauthorized payments amounting to Rs 13.432 million for the Financial Years 2021-22 to 2022-23 on account of various allowances like house rent allowance, conveyance allowance, NPA, HSRA and 30% SSB etc. without entitlement as detailed below:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	CEO DHA Lodhran	2022-23	Payment of mobility allowance, technical allowance and integrated allowance without entitlement	0.432
2	MS DHQ Hospital Lodhran	2022-23	Payment of inadmissible pay and allowances	8.012
3	MS THQ Hospital Dunyapur	2022-23	Payment of pay and allowances during leave and HSRA without entitlement	0.785
4	DHO PS Lodhran	2022-23	Payment of various inadmissible allowances	2.735
5	SMO RHC Makhdum Ali	2018-23	Payment of HRA and CA	1.268
			Payment of CA during leave	0.200
Total				**13.432**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry, fixing responsibility against the person(s) at fault for allowing inadmissible allowances and immediate stoppage of such allowances coupled with recovery of overpaid amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.10.6, 2.2.4.9, 13.4.2,13.2.3.2 and 13.2.3.3 respectively having financial impact of Rs 55.840 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.9,12, 12, 12, 01 & 08]

2.10.6 Irregular drawl and retention of funds in DDO account – Rs 3.314 million

According to Rule 2.10(3) of PFR Volume-I, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Volume-I."

During audit of DHA Lodhran for the FY 2022-23, it was observed that as per bank statement of DDO bank account of CEO and two other DDOs amount of Rs 3.314 million was available as on 30.06.2023. However, status of available balance was not produced during audit. Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book. The detail is given below:

(Rupees in million)

Sr. No.	DDOs	Amount
1	CEO DHA Lodhran	0.430
2	MS DHQ Hospital Lodhran	2.343
3	MS THQ Hospital Dunyapur	0.541
Total		**3.314**

Due to weak financial management, the funds were drawn from the Government Treasury without valid claim and remained undisbursed in DDO account which resulted in blockage of funds.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides immediate disbursement of funds.

[AIR Para No. 10, 4 & 11]

2.10.7 Non-forfeiture of performance guarantee – Rs 1.334 million

According to Clause-10 (i), (ii) and (iii) of bidding documents, "Performance guarantee / security of the successful bidder was liable to be forfeited to the extent of non-supplied medicine as well as black listing of firm in case of failure to supply the entire supply order."

During audit of DHA Lodhran for the FY 2022-23, it was observed that CEO neither forfeited performance guarantee amounting to Rs 1.334 million nor blacklisted the suppliers despite failure to supply the medicines as per quantity not supplied. **Annexure-13**

Due to weak internal controls, neither performance guarantee was forfeited nor were the firms blacklisted which resulted in loss to the Government Treasury.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends forfeiture of performance guarantee and blacklisting of firms besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2020-21 and 2019-20 vide para(s) number 13.4.3 and 13.2.5.4.3 respectively having financial impact of Rs 17.183 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 13]

2.11 District Health Authority, Multan

There are 23 formations in District Health Authority, Multan out of which 10 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.11.1 Irregular appointment of daily wages staff – Rs 235.725 million

According to Sr. No. 2 of the Preface to the Schedule of Wage Rates, 2021 circulated by Government of the Punjab, Finance Department vide No. RO (Tech) FD 2-2/2018 dated 09.09.2021, "Appointment to a post included in the schedule may be made by the competent authority under

Delegation of Financial Powers Rules 2016 subject to proper advertisement in the leading newspapers and on the basis of merit specified for regular establishment."

During audit of DHA Multan for the FY 2022-23, it was observed that DHO (PS) and two other DDOs paid pay and allowances amounting to Rs 235.725 million to contingent / daily wage staff i.e., data entry operators from health council fund without observing codal formalities. No record pertaining to recruitment process was available to authenticate the recruitment process. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Amount**
1	DHO (PS) Multan	228.765
2	MS Government Shehbaz Sharif DHQ Hospital Multan	4.419
3	MS THQ Hospital Jalalpur Pirwala	2.541
Total		**235.725**

Due to weak internal controls, contingent / daily wage staff was hired without observing codal requirement which resulted in unauthorized expenditure.

The matter was reported to PAO in October, 2023. DDOs replied that contingent paid staff was hired in emergency after fulfillment of codal formalities. Replies were not tenable as recruitment record was not produced and payments were made without ensuring codal formalities.

DAC in its meeting held on 14.02.2024 directed the DDOs to get the expenditure regularized from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21 and 2019-20 vide para(s) number 2.11.3, 3.3.4.3, 14.4.1 and 14.2.5.2.2 respectively having financial impact of Rs 394.912 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 12, 3 & 3]

Others

2.11.2 Loss due to payment of inadmissible pay and allowances – Rs 93.945 million

According to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Multan for the FY 2022-23, it was observed that CEO and nine other DDOs made payments of Rs 93.945 million on account of pay and allowances without entitlement. The pay and allowances were not admissible without performance of duty. Further, house rent allowance was paid to the residents of government accommodation and house rent charges were not deducted from the salaries of these employees. Furthermore, inadmissible conveyance / house rent allowance, HSRA, PCA, NPA and personal allowance were paid to employees. **Annexure-14**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in October, 2023. DDOs replied that recovery was in progress. Audit stressed to expedite the recovery.

DAC in its meeting held on 14.02.2024 directed the DDOs to effect recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2020-21 vide para(s) number 2.11.7, 3.2.4.7 and 14.4.4 having financial impact of Rs 85.060 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 1,4,9, 6,10,11,14,7,9,24,2,5,6,19,4,1,2,7,9,12 & 14]

2.11.3 Irregular drawl and retention of funds in DDO account – Rs 28.683 million

According to Rule 2.10(3) of PFR Volume-I, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Volume-I."

During audit of DHA Multan for the FY 2022-23, it was observed that as per bank statement of DDO bank account of CEO and four other DDOs amount of Rs 28.683 million was available as on 30.06.2023. However, status of available balance was not produced during audit. Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Amount
1	CEO DHA Multan	22.388
2	DHO (MS) Multan	0.186
3	MS Government Shehbaz Sharif DHQ Hospital Multan	5.754
4	MS THQ Hospital Jalalpur Pirwala	0.186
5	SMO RHC Mumtazabad	0.169
Total		**28.683**

Due to weak financial management, the funds were drawn from the Government Treasury without valid claim and remained undisbursed in DDO account which resulted in blockage of funds.

The matter was reported to PAO in October, 2023. DDOs replied that payments were made to the relevant suppliers / vendors. Replies were not tenable as the amounts were not disbursed till 30.06.2023 and record of disbursements after 30.06.2023 (if any) was not produced in support of the replies.

DAC in its meeting held on 14.02.2024 directed the Deputy Director (B&A) to probe the matter within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para No.16, 7, 13, 4 & 5]

2.11.4 Loss due to non-deposit of Government dues – Rs 4.692 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The collecting officers shall be responsible to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise." Further, according to Government of the Punjab, Finance Department letter No. FD (M-C)1-15/82-P-I dated 17.01.2000, "All receipts should be deposited into Government treasury not later than seven days of actual receipts."

During audit of DHA Multan for the FY 2022-23, it was observed that MS Government Shehbaz Sharif DHQ Hospital Multan and MS THQ Hospital Shujabad failed to recover government dues amounting to Rs 4.692 million. The loss was sustained by the government due to non-recovery of government dues. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**Description**	**Amount**
1	MS Government Shehbaz Sharif DHQ Hospital Multan	Non deposit of fees collected from services	2.149
		Non deposit of Government receipts	1.314
2	MS THQ Hospital Shujabad	Non deposit of diagnostic test fees and MLC	1.229
Total			**4.692**

Due to weak internal controls, government fees was not recovered which resulted in loss to Authority.

The matter was reported to PAO in October, 2023. DDOs replied that recovery was in progress. Audit stressed to expedite the recovery.

DAC in its meeting held on 14.02.2024 directed the DDOs to effect recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 vide para(s) number 2.11.9 having financial impact of Rs 9.085 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.11, 15 & 13]

2.11.5 Non-forfeiture of performance guarantee – Rs 2.657 million

According to Clause 9 of RFP regarding Bulk Purchase of Medicine, "Wherein the supplier fails to make deliveries as per signed contract & purchase order and within the stipulated time frame, the contract to the extent of non- delivered portion of supplies shall stand cancelled and the amount of Performance Guarantee / Security to the extent of non-delivered portion of supplies shall be forfeited. If the supplier fails to supply the whole consignment, the entire amount of Performance Guarantee / Security shall be forfeited to the Government account and the firm shall be blacklisted minimum for two years for future participation."

During audit of DHA Multan for the FY 2022-23, it was observed that CEO neither forfeited performance guarantee amounting to Rs 2.657 million nor blacklisted the suppliers despite failure to supply the medicines worth Rs 53.140 million.

Due to weak internal controls, performance guarantee was not forfeited which resulted in loss to Authority.

The matter was reported to PAO in October, 2023. CEO replied that security deposit of defaulting suppliers would be forfeited soon.

DAC in its meeting held on 14.02.2024 directed the DDO to forfeit the security deposits within a week. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21 and 2019-20 vide para(s) number 2.8.7, 1.2.4.7, 12.4.1 and 12.2.5.1.22 respectively having financial impact of Rs 9.561 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 22]

2.11.6 Irregular deposit of receipts in Account-VI – Rs 6.797 million

According to Sr. No.2 (iii) of Government of the Punjab P&S Healthcare Department letter No. S.O (H&D) 7-9/2017(U.C) dated 17.08.2019, "70% of diagnostic test fees shall be retained by Government of the Punjab."

During audit of DHA Multan for the FY 2022-23, it was observed that MS THQ Hospital Shujabad did not deposit the Government share of diagnostic fees amounting to Rs 6.797 million. The Government share was required to be deposited in the Account-I of Government of the Punjab but the same was kept in the Account-VI of DHA Multan.

Due to weak internal controls, Government share of diagnostic fees was not deposited in the Account-I which resulted in unauthorized retention of funds in Account-VI.

The matter was reported to PAO in October, 2023. DDO replied that matter was taken with the District Health Authority for guidance. Reply was not tenable as Government share was required to be deposited in the Account-I of Government of the Punjab but the same was kept in the Account-VI.

DAC in its meeting held on 14.02.2024 directed the DDO to ensure transfer of amount from Account-VI to Account-I within a week. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.11.8 and 13.2.4.8 respectively having financial impact of Rs 54.240 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.6]

2.12 District Health Authority, Muzaffargarh

There are 27 formations in District Health Authority, Muzaffargarh out of which 05 formations were audited during Audit Year 2023-24.

Fraud, embezzlement and misappropriation

2.12.1 Fraudulent drawl of Government money – Rs 7.744 million

According to Rule 2.33 of the PFR, Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DHA Muzaffargarh for the FY 2022-23, it was observed that MS DHQ Hospital Muzaffargarh drew amounting to Rs 7.744 million through bogus vouchers by showing the expenditure against transportation charges, printing, cost of other stores and repair of machinery. The amounts were drawn out of cost center MV9004 which specified for Blood Bank to be used in purchase of blood bags and blood transfusion articles. In the said cost center, the amount was abruptly released by Deputy Director (B&A) on 27.6.2023 without approval of CEO (DHA). The bogus bills relating to the tenure of ex-MS were drawn without sanction of current MS. The sitting MS disowned the expenditure and astonished about the matter. Further, the bills were not entered in the token register as well as utilization record of the articles as shown on the bills was also not available. The condition proved that Government money was misappropriated.

Due to intention of misappropriation, doubtful bills were drawn which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. The DDO replied that the matter was under inquiry, however expenditure was incurred after obtaining sanction of budget from the CEO(DHA). The reply was not tenable as no documents were provided in support of the reply.

DAC in its meeting held on 14.02.2024 directed the CEO to inquire the matter within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

<u>Note:</u> The issue was also reported earlier in the Audit Report for the Audit Year 2020-21vide para number 6.4.1 having financial impact of Rs 5.519 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 3]

2.12.2 Misappropriation of Government dues – Rs 6.549 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The primary obligation of the Collecting Officers shall be to collect receipts in the transparent manners and guard against misappropriation, fraud, embezzlement or compromise.” Further, according to Government of the Punjab, Finance Department letter No. FD (M-C)1-15/82-P-I dated 17.01.2000, “All receipts should be deposited into Government treasury not later than seven days of actual receipts.”

During audit of DHA Muzaffargarh for the FY 2022-23, it was observed that MS DHQ Hospital and two other DDOs misappropriated Rs 6.549 million on account of different hospital receipts for the Financial Years 2018-19 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Nature of receipts	FYs	Amount
1	MS DHQ Hospital Muzaffargarh	X-Ray, ultrasound and MLC charges	2022-23	1.314
2	MS THQ Hospital Chowk Sarwar Shaheed	MLC, Indoor and Cycle Stand fees	2019-20 to 2022-23	1.046
		Lab and ECG charges	2018-19 to 2022-23	3.961
3	SMO RHC Shahar Sultan	Hospital Receipts		0.228
Total				**6.549**

Due to weak financial and administrative controls, hospital receipts were misappropriated / not-deposited in Government Treasury which resulted in loss to Authority.

The matter was reported to PAO in September, 2023. The DDOs replied that efforts were being made to effect recovery.

DAC in its meeting held on 14.02.2024 directed the DDOs to effect recovery within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives besides fixing responsibility against the person(s) at fault.

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.12.2 and 6.5.3 respectively having financial impact of Rs 16.404 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 14, 16, 15, 2]

Procedural irregularities

2.12.3 Mis-procurement due to non-compliance of PPRA Rules – Rs 151.435 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper."

During audit of DHA Muzaffargarh for the FY 2022-23, it was observed that DHO(PS) and three other DDOs incurred expenditure of Rs 151.435 million on procurement of medicines, stationery, printing material, machinery, equipment, civil work and general store items without uploading the advertisement on PPRA's website. The procurements were made through regrouping and splitting for the Financial Years 2018-19 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	FYs	Amount
1	DHO (PS) Muzaffargarh	Stationery, physical assets, other store items, printing & publications, purchase of furniture, machinery and IT equipment	2022-23	70.207
2	MS DHQ Hospital Muzaffargarh	Procurement of stationery, physical assets, other store items, printing & publications		24.027
		Repair work of Health Council		2.898
3	MS THQ Hospital Chowk Sarwar Shaheed	Purchase of store items	2019-20 to 2022-23	52.822
4	SMO RHC Shahar Sultan	Purchase of X-Ray films printing and general store	2018-19 to 2022-23	1.481
Total				**151.435**

Due to weak internal controls, purchases were made in violation of PPRA Rules which resulted in mis-procurement.

The matter was reported to PAO in September, 2023. The DDOs replied that all the procurement process was conducted under PPRA, 2014 as monthly PFC share was released by the Finance Department Punjab Lahore on monthly basis; it was not possible to procure the supplies in bulk quantity. The reply was not tenable because bills were split to avoid tendering process.

DAC in its meeting held on 14.02.2024 directed the DDOs to get the expenditure regularized from the competent authority within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20 and 2018-19 vide para(s) number 2 2.1, 2.6,3.2.4.2, 6.2.5.2.2 and 6.2.2.1 respectively having financial impact of Rs 384.592 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 1, 5,13,17, 9]

2.12.4 Unauthorized payment of previous year's liabilities – Rs 21.016 million

According to Rule 15(g) of the Punjab District Authorities (Accounts) Rules, 2017, "The DDO shall be responsible to prepare statement of outstanding payments on the close of each financial year, carrying them forward and include the same in the register of liabilities to be paid in the relevant financial year."

During audit of DHA Muzaffargarh for the FY 2022-23, it was observed that MS DHQ Hospital Muzaffargarh made payments for Rs 21.016 million to different firms against procurements of medicines for preceding financial year. However, payments were made without maintaining Liability Register, approval of the competent authority and special provision of funds for the clearance of outstanding liabilities.

Due to weak internal controls, previous year's liabilities were paid from budget of current year which resulted in unauthorized expenditure.

The matter was reported to PAO in September, 2023. The DDO replied that the expenditure was increased due to inflation and the request was forwarded to CEO(DHA) for provision of additional budget. The reply not tenable as no proof for grant of additional budget specific for liabilities was provided.

DAC in its meeting held on 14.02.2024 directed the DDO to get the expenditure regularized from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.12.5 and 6.2.5.2.3 respectively having financial impact of Rs 177.151 million. Recurrence of same irregularity is a matter of serious concern.
[AIR Para No. 10]

2.12.5 Irregular appointment of contingent paid staff – Rs 6.701 million

According to Sr. No. 2 of the Preface to the Schedule of Wage Rates, 2021 circulated by Government of the Punjab, Finance Department vide No. RO (Tech) FD 2-2/2018 dated 09.09.2021, "Appointment to a post included in the schedule may be made by the competent authority under Delegation of Financial Powers Rules 2016 subject to proper advertisement in the leading newspapers and on the basis of merit specified for regular establishment."

During audit of DHA Muzaffargarh for the FY 2022-23, it was observed that MS DHQ Hospital and THQ Hospital Chowk Sarwar Shaheed incurred expenditure of Rs 6.701 million on account of wages of contingent paid staff for the Financial Years 2019-20 to 2022-23. Scrutiny of record revealed that recruitment of staff was made without adhering to the instructions of Finance Department. The detail is as under:

(Rupees in million)

Sr. No.	**DDOs**	**FYs**	**Amount**
1	MS DHQ Hospital Muzaffargarh	2022-23	3.800
2	MS THQ Hospital Chowk Sarwar Shaheed	2019-20 to 2022-23	2.901
Total			**6.701**

Due to weak internal controls, appointments of daily wages staff were made without adhering to the instructions of Finance Department which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. The DDOs replied that the different employees were hired as daily wages for 89 days, to perform various tasks. Their period was extended during the year after every 89 days interval by keeping a gap of one or two days. The reply not tenable as hiring of staff was not adopted by observing the prescribed procedure.

DAC in its meeting held on 14.02.2024 directed the DDOs to get the expenditure regularized from the competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.12.18, 6.2.5.2.5 and 6.2.2.3 respectively having financial impact of Rs 49.307 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 15, 19]

2.12.6 Irregular expenditure out of Health Council Funds – Rs 5.801 million

According to Government of the Punjab, P&SHC Department, Health Council Policy 2016, "It would be mandatory for all Chairpersons to hold fortnightly meetings of respective Health Councils and send minutes to EDO/CEO (District Health Authority) by the councils of

BHU. District Monitoring Committees shall ensure that the funds received by the Health Councils / transfer to Health Councils are spent in a transparent and judicious way."

During audit of DHA Muzaffargarh for the FY 2022-23, it was observed that MS DHQ Hospital and THQ Hospital Chowk Sarwar Shaheed incurred expenditure of Rs 5.801 million without approval of Health Councils for the Financial Years 2019-20 to 2022-23. The payments were made against procurements of various items, repair and maintenance without adopting prescribed procedure laid down in policy guidelines. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	FYs	Amount
1	MS DHQ Hospital Muzaffargarh	2022-23	1.245
2	MS THQ Hospital Chowk Sarwar Shaheed	2019-20 to 2022-23	4.556
Total			**5.801**

Due to weak internal controls, payments were made without observing rules which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. The DDOs replied that the expenditure was incurred after observing the Health Council guidelines issued by the Administrative Department. The reply was not tenable as no supporting record was provided.

DAC in its meeting held on 14.02.2024 directed the Deputy Director (F&B) to inquire the matter and submit report within a month No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.12.13, 6.2.5.2.8 and 6.2.2.2 respectively having financial impact of Rs 50.705 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 2, 23]

2.12.7 Non-forfeiture of performance guarantee – Rs 4.889 million

According to Clause 9 of RFP regarding Bulk Purchase of Medicine, "Wherein the supplier fails to make deliveries as per signed contract & purchase order and within the stipulated time frame, the contract to the extent of non- delivered portion of supplies shall stand cancelled and the amount of Performance Guarantee / Security to the extent of non-delivered portion of supplies shall be forfeited. If the supplier fails to supply the whole consignment, the entire amount of Performance Guarantee / Security shall be forfeited to the Government account and the firm shall be blacklisted minimum for two years for future participation."

During audit of DHA Muzaffargarh for the FY 2022-23, it was observed that CEO and two other DDOs issued supply orders for procurement of medicines. However, firms failed to supply medicines but no action was taken by the Authority for forfeiture of performance guarantee amounting to Rs 4.889 million besides blacklisting the defaulting firms. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	FYs	Amount
1	CEO, DHA Muzaffargarh	2022-23	3.350
2	MS DHQ Hospital Muzaffargarh		0.590
3	MS THQ Hospital Chowk Sarwar Shaheed	2019-20 to 2022-23	0.949
Total			**4.889**

Due to weak internal controls, action was not taken against defaulting firms for non supply which resulted undue favor to the firms and loss to the Authority.

The matter was reported to PAO in September, 2023. The DDOs replied that the medicine by the said firms had been received and payment had been made after necessary deduction of liquidated damages for late supply. The reply not tenable as no record for supply of medicine had been provided during verification.

DAC in its meeting held on 14.02.2024 directed the Deputy Director (F&B) to inquire the matter within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2020-21 and 2019-20 vide para(s) number 2.12.22, 6.5.6 and 6.2.5.2.19 respectively having financial impact of Rs 5.780 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 8, 7, 2]

Others

2.12.8 Overpayment due to irregular promotion of allied health professionals – Rs 243.152 million

According to Government of Punjab P&SHC Department Notification No. 1715-21/1059/LC dated 06.06.2022 and No. 767 dated 06.02.2023, "Allied health professionals were eligible for up gradation / re-designation as one time dispensation under AHP notification dated 24.11.2011. Up-gradation under 4-tier beyond one time are not in accordance with the notification dated 24.11.2011. Up gradation beyond one time of AHP should be withdrawn as per direction of Finance department order dated 04.07.2019."

During audit of DHA Muzaffargarh for the FY 2022-23, it was observed that CEO and DHO (PS) allowed to pay Rs 243.152 million against illegal promotion of allied health professionals' staff who were up-graded / re-designated during 2012 under 4-tier service structure into higher scale with two to four steps at a time instead of one time dispensation in violation of above policy. The detail is as under:

(Rupees in million)

<table>
<tr><th>Sr. No.</th><th>DDOs</th><th>Description</th><th>Amount</th></tr>
<tr><td>1</td><td>CEO, DHA Muzaffargarh</td><td rowspan="3">Irregular promotion to allied health professionals</td><td>60.600</td></tr>
<tr><td rowspan="2">2</td><td rowspan="2">DHO (PS) Muzaffargarh</td><td>131.649</td></tr>
<tr><td>50.903</td></tr>
<tr><td colspan="3">Total</td><td>243.152</td></tr>
</table>

Due to weak internal controls, up-gradation was granted to employees into next higher scales in violation of policy guidelines which resulted in overpayment.

The matter was reported to PAO in September, 2023. The DDOs replied that the illegal upgradation under four tier structure had been withdrawn. However, the recovery process was not initiated. Audit stressed that DDOs should ensure the recovery within minimum possible time.

DAC in its meeting held on 14.02.2024 directed the DDOs to start recovery within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para No. 11,5,8]

2.12.9 Loss due to payment of inadmissible pay and allowances – Rs 76.338 million

According to Rule 9 of the Punjab Regularization of Service Act, 2018, "A contract employee, on regularization, shall be allowed the initial stage of the respective pay scale and the increments earned by him during the contract appointment shall be converted into personal allowance but no other privilege allowed to a contract employee shall be admissible." Further, according to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Muzaffargarh for the FY 2022-23, it was observed that DHO (PS) and three other DDOs made inadmissible payments of pay, House Rent Allowance, Conveyance Allowance, Dress Allowance, Mess Allowance, Nursing Professional Allowance, Non-Practicing Allowance, Health Sector Reform Allowance and Personal Allowance amounting to Rs 76.338 million to various employees during Financial Years 2018-19 to 2022-23. The detail is under:

(Rupees in million)

Sr. No.	DDOs	FYs	Description	Amount
1	DHO (PS) Muzaffargarh	2022-23	CA, HSRA, HRA, SSB and PCA	42.071
2	MS DHQ Hospital Muzaffargarh		HRA, CA HSRA, Non-deduction of performance based allowances, inadmissible pay and allowances	11.665
3	MS THQ Hospital Chowk Sarwar Shaheed	2019-20 to 2022-23	SHCA, HRA, CA HSRA, Non-deduction of performance based allowances, inadmissible pay and allowances	20.786

Sr. No.	DDOs	FYs	Description	Amount
4	SMO RHC Shahar Sultan	2018-19 to 2022-23	HRA, CA SSB, Non-deduction of performance based allowances	1.816
Total				**76.338**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. The DDOs replied that the recovery was initiated from the concerned. Audit stressed that DDOs should ensure the recovery within minimum possible time.

DAC in its meeting held on 14.02.2024 directed the DDOs to effect recovery within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.12.24, 3.2.4.3 6.5.1, 6.2.5.2.6 and 6.2.2.6 respectively having financial impact of Rs 263.704 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 4,17,5,5]

2.13 District Health Authority, Pakpattan

There are 15 formations in District Health Authority, Pakpattan out of which 05 formations were audited during Audit Year 2023-24.

Procedural Irregularities

2.13.1 Irregular appointment of contingent paid staff – Rs 10.549 million

According to Sr. No. 2 of the Preface to the Schedule of Wage Rates, 2021 circulated by Government of the Punjab, Finance Department vide No. RO (Tech) FD 2-2/2018 dated 09.09.2021, "Appointment to a post included in the schedule may be made by the competent authority under Delegation of Financial Powers Rules 2016 subject to proper advertisement in the leading newspapers and on the basis of merit specified for regular establishment."

During audit of DHA Pakpattan for the FY 2022-23, it was observed that MS DHQ Hospital and two other DDOs incurred expenditure of Rs 10.549 million of wages of contingent paid staff. Scrutiny of record revealed that recruitment of staff was made without adhering instructions of Finance Department and without advertisement for appointment in the newspapers, need assessment for requirement, data for total applications received, merit list prepared before appointment. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Amount
1	MS DHQ Hospital Pakpattan	5.625
2	DHO (PS) Pakpattan	2.425
3	MS THQ Hospital Arifwala	2.499
Total		**10.549**

Due to weak internal controls, appointments of daily wages staff were made without adhering Finance Department instructions which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letters No.RDDA-MLN/F-163/CD-1480 dated 12.09.2023 and No.RDDA-MLN/F-163/CD-1494 dated 18.09.2023 followed by subsequent reminder No.RDDA-MLN/F-163/CD-1537 dated 27.09.2023. No progress was intimated till finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR Para No. 6, 12 & 12]

Others

2.13.2 Loss due to payment of inadmissible pay and allowances – Rs 28.361 million

According to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, “In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period.” Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, “The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance.” Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, “Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting).” Moreover, according to Rule 2.31 (a) of PFR Vol-I, “A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation.”

During audit of DHA Pakpattan for the FY 2022-23, it was observed that CEO and four other DDOs made payments of Rs 28.361 million on account of pay and allowances i.e. Conveyance Allowance, HSRA and other allowances to different staff without entitlement or during the period of their leaves / extra ordinary leaves and after resignation etc. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	SMO RHC Bunga Hayat	2019-23	Payment of inadmissible allowances during leave	0.069
2	DHO PS Pakpattan	2022-23	Recovery of un-authorized payment of salaries	3.369
			Non-deduction of various allowances	1.196
3	MS DHQ Hospital Pakpattan	2022-23	Payment of inadmissible allowances	2.900
4	MS THQ Hospital Arifwala	2022-23	Recovery of pay & allowance	11.382
5	CEO DHA Pakpattan	2022-23	Payment of pay and allowances	8.845
			Payment of pay and allowances during leaves	0.600
Total				**28.361**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry, fixing responsibility against the person(s) at fault for allowing inadmissible allowances and immediate stoppage of such allowances coupled with recovery of overpaid amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2020-21 vide para(s) number 2.13.8, 4.2.4.14 and 15.4.3 respectively having financial impact of Rs 56.250 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.2, 5, 11, 9, 16, 13 & 20]

2.13.3 Irregular deposit of receipts in Account-VI – Rs 7.677 million

According to clarification issued by Punjab Finance Department, Lahore letter No. BI-3(120) (AGP)2017-18 dated 16.08.2019 "That all the District Education & Health Authorities in Punjab are directed regarding account V & VI that all public accounts receipts as well as Consolidated Funds receipts are transferable to the Provincial Consolidated Fund or Provincial Public Account Fund as the case may be except the following heads of accounts which related to Account V & VI of DEAs & DHAs.

Head of Accounts	Descriptions
C02856	Health other contribution
C02866	Health recoveries of overpayments
C02814	Education general recoveries of overpayments
C03616	Share from Provincial allocable grant.

During audit of DHA Pakpattan for the FY 2022-23, it was observed that MS, THQ Hospital Arifwala did not deposit the Government share of auction of parking fees, canteen auction charges and diagnostic fees amounting to Rs 7.677 million. The Government share was required to be deposited in the Account-I of Government of the Punjab but the same was kept in the Account-VI of DHA Pakpattan.

Due to weak internal controls, Government share of diagnostic fees was not deposited in the Account-I which resulted in unauthorized retention of funds in Account-VI.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends transfer of funds in the relevant account besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.13.9 and 4.2.4.11 having financial impact of Rs 19.426 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 09]

2.13.4 Non-recovery of parking stand fees – Rs 2.720 million

According to Section 153(1) of Income Tax Ordinance, 2001, "Every prescribed person, while making a payment in full or part, shall deduct tax at the specified rate from the gross amount payable." According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The collecting officer shall be responsible to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise."

During audit of DHA Pakpattan for the FY 2022-23, it was observed that MS, THQ Hospital Arifwala did not collect government dues amounting to Rs 2.720 million from contractor of parking stand.

Due to weak internal controls, government fees and taxes were not deposited which resulted in loss.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery besides fixing responsibility against the DDO concerned.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 vide para(s) number 2.13.10 having financial impact of Rs 5.695 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.11]

2.13.5 Irregular drawl and retention of funds in DDO account – Rs 2.003 million

According to Rule 2.10(3) of PFR Volume-I, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Volume-I."

During audit of DHA Pakpattan for the FY 2022-23, it was observed that amount of Rs 2.003 million was available in the bank accounts of two DDOs as on 30.06.2023. Whereas, the cashbooks showed that all payments received were disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balances was not given in the cashbooks. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Amount
1	MS DHQ Hospital Pakpattan	1.935
2	DHO (PS) Pakpattan	0.068
Total		**2.003**

Due to weak internal controls, Government funds were parked in the bank account of the DDO without proper justification which resulted in unjustified drawl of funds.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends probing the matter for fixing responsibility against the person(s) at fault besides immediate disbursement of funds.

[AIR Para No.16 & 2]2.14 District Health Authority, Rahim Yar Khan

There are 35 formations in District Health Authority, Rahim Yar Khan out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.14.1 Irregular expenditure on local purchase of medicine – Rs 29.860 million

According to Para 2(iv)(c) & 2(xviii) of Guidelines for Local Purchase of Medicine circulated vide Government of the Punjab, P&SHC Department letter No. PSHD-TCO-I(M)6-14/2017 dated 16.12.2017, "Local purchase of medicine would be made through open competitive tendering. Furthermore, purchase order may be emailed to the LP Supplier through LP portal. Contractor will submit invoice / bill with supply on daily basis. Local purchase will be initiated with the order of Consultants / Senior Medical Officer via prescription that will be maintained as record of Local Purchase and it will not be for more than 7 days for one patient. Payment for items out of formulary will be made after receiving report of Drug Testing Laboratory (DTL)."

During audit of DHA Rahim Yar Khan for the FY 2022-23, it was observed that MS THQ Hospitals Khanpur and Sadiqabad incurred expenditure of Rs 29.860 million on purchase of LP medicines without tendering and on the request of store keeper instead of procuring the same for particular patient. Furthermore, repeated items were not reported to Procurement Cell for procurement through bulk purchase. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Amount
1	MS THQ Hospital Sadiqabad	2022-23	8.663
2	MS THQ Hospital Khanpur		21.197
Total			**29.860**

Due to weak internal controls, LP medicines were purchased and consumed without adopting prescribed procedure which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. DDOs replied that the expenditure was incurred by observing prescribed rules. Replies were not tenable as above cited codal formalities were not fulfilled.

DAC in its meeting held on 08.12.2023 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter for fixing responsibility besides getting the expenditure regularized from the competent authority within a month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.14.5, 3.2.4.4, 3.2.5.2.3, 3.2.5.2.8, 3.2.2.7 and 13.2.2.2 respectively having financial impact of Rs 81.662 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 6 & 21]

Others

2.14.2 Loss due to payment of inadmissible pay and allowances – Rs 55.857 million

According to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Rahim Yar Khan for the FY 2022-23, it was observed that CEO and four other DDOs allowed inadmissible payments of Conveyance Allowance, Dress Allowance, Mess Allowance, Nursing Professional Allowance, Non-Practicing Allowance etc. amounting to Rs 55.857 million to the employees for the Financial Years 2019-20 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	CEO, DHA Rahim Yar Khan	2022-23	HSRA other than RHCs & BHUs Staff	0.104
2	DHO-III, Rahim Yar Khan	2019-23	Payment of CA to Vaccinators	2.931
			HSRA to employees of rural dispensaries	18.662
			Annual Increment to adhocee doctor	0.041
			Pay & allowances during EOL	0.224
			CA during EOL	0.209
			NPA without affidavit of non-practicing	8.643
3		2022-23	HSRA to deputy Director, and SMO	0.230

Sr. No.	DDOs	Period	Description	Amount
	MS THQ Hospital Sadiqabad		Health Risk allowance to employees of BPS-05	0.010
			CA during leave	0.209
			NPA without affidavit of non-practicing	10.530
4	MS THQ Hospital Khanpur	2022-23	Conveyance Allow, integrated allowance, etc.	0.231
			Pay & allowances during EOL	0.054
			Annual Increment to adhocee doctor	0.128
			Pay & allowances after resignation / transfer	0.418
			NPA without affidavit of non-practicing	0.484
			Pay & allowances for absent period	0.177
			Different allowances	1.886
5	MS THQ Hospital Liaqatpur	2022-23	Conveyance Allowance, NPA, etc.	10.686
Total				**55.857**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. MS THQ Hospital Khanpur and DHO-III Rahim Yar did not submit replies whereas other DDOs replied that efforts were being made to effect recovery of amounts due.

DAC in its meeting held on 08.12.2023 directed the DDOs to effect recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.14.10, 3.2.4.7, 3.6.1, 3.6.2, 3.2.5.4.1, 3.2.5.4.3, 3.2.5.4.5, 3.2.5.4.8, 3.2.3.1, 3.2.3.5,3.2.3.8, 3.2.3.18 and 13.2.3.1 having financial impact of Rs 193.622 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 4, 4, 11, 3, 4, 7, 8, 9,16 & 10]

2.14.3 Loss due to drawl of funds through fictitious billing – Rs 29.596 million

According to Rule 2.33 of Punjab Financial Rules Vol-I, “Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.”

During audit of DHA Rahim Yar Khan for the FY 2022-23, it was observed that CEO drew substantial amount of funds through fictitious / doubtful / back dated billings as contradictions were observed among serial numbers and dates of bills claimed by same supplier for of consumable items. For example;

Bill No.	Date
4134	12.05.2023
4168	***~~15.12.2022~~***
4306	13.05.2023

This situation clearly indicated that all such purchases and their consumption for the past date was just paper fudging in order to misappropriate the funds amounting to Rs 29.596 million. Further, stock registers of durable goods were not maintained to enable physical verification of permanent stock. The detail is as under:

(Rupees in million)

Sr. No.	Name of Supplier	No. of Bills Audited	Amount of Bills Audited	No. of Bills Objected	Amount of Bills Objected
1	M/S Abbott Laboratories	3	2.794	1	0.523
2	M/S Asian Continental	2	2.492	1	2.056
3	M/S Bloom Pharma	7	8.544	4	6.152
4	M/S FDL	20	24.428	4	9.641
5	M/S Geofmen Pharma	2	3.962	1	2.616
6	M/S GSk Consumer	14	33.099	5	3.332
7	M/S Martin Dow	4	6.199	1	0.481
8	AK Associates, Rahim Yar Khan	34	2.942	19	1.660
9	Mhammadia Trader, Rahim Ya Khan	4	0.213	3	0.187

10	R.G. & Company Rahim Yar Khan	2	0.060	1	0.009
11	Umer Traders, Rahim Yar Khan	5	0.140	3	0.060
12	Union Traders, Rahim Yar Khan	32	3.895	26	2.879
Total		**130**	**88.885**	**69**	**29.596**

Due to intention of misappropriation, doubtful bills were drawn which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. DDO replied that purchases were made as per need after observing all codal formalities. Reply was not tenable bill numbers and their dates contradicted in many cases.

DAC in its meeting held on 08.12.2023 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para No. 12]

2.14.4 Loss due to non-deposit of Government dues – Rs 2.219 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The collecting officers shall be responsible to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise." Further, according to Government of the Punjab, Finance Department letter No. FD (M-C)1-15/82-P-I dated 17.01.2000, "All receipts should be deposited into Government treasury not later than seven days of actual receipts."

During audit of DHA Rahim Yar Khan for the FY 2022-23, it was observed that MS THQ Hospital Sadiqabad and two other DDOs collected receipts of Rs 2.219 million on account of lab test charges, X-Ray charges, ultrasound fees, MLC, indoor fees etc. but did not deposit into treasury. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Period	Amount
1	MS THQ Hospital Sadiqabad	Lab test charges, X-Ray charges, ultrasound fees, MLC, indoor fees etc.	2022-23	0.344

Sr. No.	DDOs	Description	Period	Amount
2	MS THQ Hospital Khanpur	MLC, X-Rays, Ultrasound, Lab, Dental and parking fees etc.		1.812
3	MS THQ Hospital Liaqatpur	MLC fees		0.063
Total				**2.219**

Due to weak financial and administrative controls, amount was misappropriated / not-deposited in Government Treasury which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. MS THQ Hospital Liaqatpur replied that recovery notices were issued to concerned doctors for depositing the amount due whereas MS THQ Hospitals Sadiqabad and Khanpur replied that amounts were already deposited. Replies were not tenable as substantiating evidences were not produced in support of replies.

DAC in its meeting held on 08.12.2023 directed the DDOs to effect recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para No. 13, 14 & 09]

2.14.5 Loss due to purchases at higher rates – Rs 1.017 million

According to Rule 2.33 of Punjab Financial Rules Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DHA Rahim Yar Khan for the FY 2022-23, it was observed that CEO did not initiate the tendering process to achieve benefits of competitive bidding and procured similar store items at different rates during the same financial year which resulted in loss of Rs 1.017 million due to purchases at higher rates.

Due to weak financial controls, excess rates of store items were paid which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. DDO replied that the purchases were made as per need after observing all codal formalities. Reply was not tenable as tendering was avoided and purchases were made at different rates during the same financial year.

DAC in its meeting held on 08.12.2023 directed the Additional Deputy Commissioner (F&P) and Deputy Director (B&A) to inquire the matter within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR Para No.13]

2.15 District Health Authority, Rajanpur

There are 16 formations in District Health Authority, Rajanpur out of which 05 formations were audited during Audit Year 2023-24.

Fraud, embezzlement and misappropriation

2.15.1 Misappropriation of Government receipts and store items – Rs 8.919 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The primary obligation of the collecting officers shall be to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise." Further, according to Rule 2.33 of the PFR, Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of DHA Rajanpur for the FY 2022-23, it was observed that MS DHQ Hospital and two other DDOs misappropriated Rs 8.919 million on account of different fees and store items for the Financial Years 2018-19 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Nature of receipts	FYs	Amount
1	MS DHQ Hospital Rajanpur	MLC fee, Tender sale Money, Medical Board fee,X-Ray charges, parking stand fees and lab test fees	2022-23	7.005
		Lab test devices found short		0.353
2	MS THQ Hospital Rojhan	MLC, Indoor and ultrasound fees		0.096
3	SMO RHC Hajipur	X-Rays charges, Indoor fees	2018-19 to 2022-23	0.195
		Medicines and store items found short		1.270
Total				**8.919**

Due to weak internal controls, Government receipts and store items were misappropriated which resulted in loss to the Government.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letter No.RDA/DGK/CD-869-871 dated 01.08.2023, No.RDA/DGK/CD-1030-1033 dated 22.09.2023 and No. RDA/DGK/CD-1180-1183 dated 13.10.2023.

Audit recommends inquiry be initiated against those responsible for apparent misappropriation besides recovery and deposit of misappropriated amount into Government Treasury.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2021-22 and 2018-19 vide para(s) number 4.2.4.6 and 7.2.2.21 respectively having financial impact of Rs 6.164 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 4, 9,3,6,9]

2.3.4.31 Procedural irregularities

2.15.2 Mis-procurement due to non-compliance of PPRA Rules – Rs 11.868 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, “Procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper.”

During audit of DHA Rajanpur for the FY 2022-23, it was observed that CEO and three other DDOs incurred expenditure of Rs 11.868 million on procurements of medicines, printing material, bedding clothing and general store items without uploading the advertisement on PPRA’s website. The procurements were made through regrouping and splitting for the Financial Years 2018-19 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	FYs	Amount
1	CEO, DHA Rajanpur	Printing, stationery and Transportation		2.663
2	DHO (PS) Rajanpur	Printing and stationery	2022-23	2.114
3	MS DHQ Hospital Rajanpur	LP Medicine and Lab items		3.443
4	SMO RHC Hajipur	Printing, Store items, bedding & clothing and X-Rays	2018-19 to 2022-23	3.648
Total				**11.868**

Due to weak internal controls, purchases were made in violation of PPRA Rules which resulted in mis-procurement.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20 and 2018-19 vide para(s) number 2.15.4, 4.2.4.2, 7.2.5.2.1 and 7.2.2.2

respectively having financial impact of Rs 223.232 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.14,5,11 ,2]

2.15.3 Irregular appointment of contingent paid staff – Rs 6.140 million

According to Sr. No. 2 of the Preface to the Schedule of Wage Rates, 2021 circulated by Government of the Punjab, Finance Department vide No. RO (Tech) FD 2-2/2018 dated 09.09.2021, "Appointment to a post included in the schedule may be made by the competent authority under Delegation of Financial Powers Rules 2016 subject to proper advertisement in the leading newspapers and on the basis of merit specified for regular establishment."

During audit of DHA Rajanpur for the FY 2022-23, it was observed that MS DHQ Hospital and MS THQ Hospital Rojhan incurred expenditure of Rs 6.140 million of wages of contingent paid staff. Scrutiny of record revealed that recruitment of staff was made without adhering to the instructions of Finance Department. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Particulars	Amount
1	MS DHQ Hospital Rajanpur	Salaries of Contingent Paid Staff	4.798
2	MS THQ Hospital Rojhan		1.342
Total			**6.140**

Due to weak internal controls, appointments of daily wages staff were made without adhering to the instructions of Finance Department which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.15.9, 7.2.5.2.9 and 7.2.2.3 respectively having financial impact of Rs 26.087 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 3,7]

2.3.4.32 Others

2.15.4 Loss due to payment of inadmissible pay and allowances – Rs 41.185 million

According to Rule 9 of the Punjab Regularization of Service Act, 2018, "A contract employee, on regularization, shall be allowed the initial stage of the respective pay scale and the increments earned by him during the contract appointment shall be converted into personal allowance but no other privilege allowed to a contract employee shall be admissible." Further, according to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1^{st} 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Rajanpur for the FY 2022-23, it was observed that CEO and four other DDOs made inadmissible payments of House Rent Allowance, Conveyance Allowance, Dress Allowance, Mess Allowance, Nursing Professional Allowance, Non Practicing Allowance, SSB, Risk allowance and pay amounting to Rs 41.185 million to various employees for the Financial Years 2018-19 to 2022-23. The detail is under:

(Rupees in million)

Sr. No.	**DDOs**	**FYs**	**Description**	**Amount**
1	CEO, DHA Rajanpur	2022-23	Incentive Allowance, NPA	2.270
			30% SSB	0.452
2	DHO (PS) Rajanpur		30% SSB	0.150
			NPA, HRA, CA and Integrated allowance	15.880
3	MS DHQ Hospital Rajanpur		NPA, SSB, HSRA, incentive allowance, Non-deduction of performance based allowances, inadmissible pay and allowances	10.494
4	MS THQ Rojhan		HSRA, incentive allowance, NPA Non-deduction of performance based allowances	9.210
5	SMO RHC Hajipur	2018-19 to 2022-23	House rent, conveyance allowance and maintenance charge	2.729
Total				**41.185**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry, fixing responsibility against the person(s) at fault for allowing inadmissible allowances and immediate stoppage of such allowances coupled with recovery of overpaid amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.15.14, 4.2.4.3, 7.4.2, 7.2.5.2.3 and .2.2.7 respectively having financial impact of Rs 123.422 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 7,8, 4,9,1,14, 11]

2.15.5 Overpayment due to irregular promotion of allied health professionals – Rs 24.841 million

According to Government of Punjab P&SHC Department Notification No. 1715-21/1059/LC dated 06.06.2022 and No. 767 dated 06.02.2023, "Allied health professionals were eligible for up gradation / re-designation as one time dispensation under AHP notification dated 24.11.2011, up-gradation under 4-tier beyond one time are not in accordance with the notification dated 24.11.2011. Up gradation beyond one time of AHP should be withdrawn as per direction of Finance department order dated 04.07.2019."

During audit of DHA Rajanpur for the FY 2022-23, it was observed that CEO and DHO (PS) allowed to pay Rs 24.841 million against irregular promotion of allied health professionals' staff who were up-graded / re-designated during 2012 under 4 tier service structure into higher scale with two to four steps at a time instead of one time dispensation in violation of above policy. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	CEO, DHA Rajanpur	Irregular promotion to allied health professionals	15.758
2	DHO (PS) Rajanpur	Irregular promotion to allied health professionals	9.083

Total	24.841

Due to weak internal controls, up-gradation was granted to employees into next higher scales which resulted in overpayment.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends immediate withdrawal of irregular promotions besides recovery of over payment from the concerned and correction in payroll.

[AIR Para No. 11,2]

2.15.6 Non-recovery of receipts from State Life Insurance Corporation – Rs 3.085 million

According to Rule 4.7(1) of the PFR, Volume-I, "It is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account."

During audit of DHA Rajanpur for the FY 2022-23, it was observed that MS DHQ Hospital Rajanpur and MS THQ Hospital Rojhan did not recover amount of Rs 3.085 million from State Life Insurance Corporation on account of 885 number of patients who treated on universal health services (UHS) under Sehat Sahulat Program. The detail is under:

(Rupees in million)

Sr. No.	DDOs	No. of Cases	Amount
1	MS DHQ Hospital Rajanpur	377	1.372
2	MS THQ Hospital Rojhan	436	1.713
Total		**885**	**3.085**

Due to weak internal controls, outstanding receipts were not recovered which resulted in loss.

The matter was reported to PAO in September, 2023. No reply was submitted by the management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.15.16 having financial impact of Rs 3.240 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 7,16]

2.16 District Health Authority Sahiwal

There are 19 formations in District Health Authority, Sahiwal out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.16.1 Mis-procurement due to non-compliance of PPRA Rules – Rs 19. 061 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper."

During audit of DHA Sahiwal for the FY 2022-23, it was observed that CEO and two other DDOs incurred expenditure amounting to Rs 19.061 million on procurement of medicine and other miscellaneous items under different heads of accounts without uploading the advertisement on PPRA's website. The procurements were made through regrouping and splitting. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	MS THQ Hospital Chichawatni	Expenditure by splitting	9.215
2	DHO (PS) Sahiwal	Expenditure by splitting	1.170
3	CEO, DHA Sahiwal	Defective tendering process of bulk medicines	8.675
Total			**19.061**

Due to weak internal controls, purchases were made in violation of PPRA Rules which resulted in mis-procurement.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letters No.RDDA-MLN/F-163/CD-1480 dated 12.09.2023 and No.RDDA-MLN/F-163/CD-1494 dated 18.09.2023 followed by subsequent reminder No.RDDA-MLN/F-163/CD-1537 dated 27.09.2023. No progress was intimated till finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2019-20 vide para(s) number 2.16.3, 5.2.4.3 and 15.2.5.2.6 respectively having financial impact of Rs 32.603 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.11, 6 & 18]

Others

2.16.2 Loss due to payment of inadmissible pay and allowances – Rs 15.905 million

According to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Sahiwal for the FY 2022-23, it was observed that CEO and four other DDOs paid Rs 15.905 million to different staff on account of different allowances i.e. House Rent Allowance, Conveyance Allowance, Incentive Allowance, HSRA etc without entitlement for the Financial Years 2018-19 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	MS THQ Hospital Chichawatni	2022-23	Recovery of of pay and allowance	2.501
2	DDHO Sahiwal	2021-23	Inadmissible payment of pay & allowances	0.087
			Payment of travelling allowance and daily allowance	0.031

Sr. No.	DDOs	Period	Description	Amount
3	DHO PS Sahiwal	2022-23	Payment of CA availability of designated residences	1.011
			Recovery of pay and allowances	3.145
4	CEO DHA Sahiwal	2022-23	Payment of NPA	2.860
			Payment of pay and allowance after termination	0.890
			Payment of inadmissible pay and Allowances	2.199
5	SMO RHC Harappa	2018-23	Payment of NPA	2.043
			Payment of HRA and CA	1.116
			Payment of CA during Leave	0.022
Total				**15.905**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry, fixing responsibility against the person(s) at fault for allowing inadmissible allowances and immediate stoppage of such allowances coupled with recovery of overpaid amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2020-21 vide para(s) number 2.16.5, 5.2.4.5 and 16.6.1 having financial impact of Rs 58.846 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para:8,3,5,2,10,5,7,17 ,5,10 & 2]

2.16.3 Loss due to non-deposit of Government dues – Rs 1.406 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The collecting officers shall be responsible to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise." Further, according to Government of the Punjab, Finance Department letter No. FD (M-C)1-15/82-P-I dated 17.01.2000, "All receipts should be deposited into Government treasury not later than seven days of actual receipts."

During audit of DHA Sahiwal for the FY 2022-23, it was observed that MS THQ Hospital Chichawatni and SMO RHC Harappa did not deposit government dues of Rs 1.406 million. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	MS THQ Hospital Chichawatni	2022-23	Non-deposit of government receipts	0.985
2	SMO RHC Harappa	2018-23	Non deposit of diagnostic test fees and MLC	0.421
Total				**1.406**

Due to weak internal controls, government dues were not deposited which resulted in loss to Authority.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery and deposit of fees besides fixing responsibility against the person(s) at fault.

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2020-21 vide para(s) number 2.16.6 and 16.5.1 respectively having financial impact of Rs 15.949 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.4 & 12]

2.17 District Health Authority, Toba Tek Singh

There are 23 formations in District Health Authority, Toba Tek Singh out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.17.1 Unauthorized payment of previous year's liabilities – Rs 159.087 million

According to Rule 15(g) of the Punjab District Authorities (Accounts) Rules, 2017, "The DDO shall be responsible to prepare statement of outstanding payments on the close of each financial year, carrying them forward and including the same in the register of liabilities to be paid in the relevant financial year."

During audit of DHA Toba Tek Singh for the FY 2022-23, it was observed that CEO made payments of Rs 159.087 million to different firms against procurements of medicine & surgical items for preceding financial year. However, payments were made without maintaining liability register, approval of the competent authority and special provision of funds for the clearance of outstanding liabilities.

Due to weak internal controls, previous year's liabilities were paid from budget of current year which resulted in unauthorized expenditure.

The matter was reported to PAO in October, 2023. DDO did not submit reply of the audit observation.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letter No.Dir/Aud/LocalGovts/Fsd/1198 dated 28.09.2023, followed by subsequent reminders dated 06.10.2023, 11.10.2023 and 30.11.2023.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20, 2018-19 and 2017-18 vide para(s) number 4.2.4.6, 11.2.5.4.2, 11.2.4.7 and 16.2.2.1 respectively having financial impact of Rs 200.353 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.12]

2.17.2 Loss due to payment of inadmissible pay and allowances – Rs 21.010 million

According to Government of the Punjab, Finance Department's letter No.FD.SR-1/6-4/2019 dated 05.04.2021, "If a doctor submits Affidavit that he is not practicing, he may be allowed for Non Practicing Allowance." Further, according to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Toba Tek Singh for the FY 2022-23, it was observed that CEO and four other DDOs made inadmissible payments of HRA, HSRA, NPA, CA, Risk Allowance, Nursing Allowance, Health Professional Allowance, Supervisory Allowance, salaries during EOL / after resignation / retirement etc. amounting to Rs 21.010 million to various employees for the Financial Years 2018-19 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	CEO, DHA Toba Tek Singh	2022-23	Payment of CA during leave, HSRA while residing in official residencies, NPA without evidence of not doing private practice etc.	6.387
			Payment of Supervisory Allowance without satisfactory performance	2.400

Sr. No.	DDOs	Period	Description	Amount
2	DHO (PS), Toba Tek Singh	2020-23	Payment of CA and HRA while occupying official residencies	1.675
			Payment of HSRA and CA during leave	0.446
3	MS DHQ Hospital, Toba Tek Singh	2022-23	Payment of CA, HSRA during leave and payment of NPA while doing private practice	5.281
4	MS Eye Cum General Hospital, Gojra	2022-23	Payment NPA, CA, SSB to employees without admissibility	1.521
5	SMO RHC Chak No.740/GB	2018-23	Payment of CA and HRA while occupying official residencies	1.898
			Payment of CA and HRA while residing in official accommodations	1.118
			Payment of HSRA and CA during leave and without performing duty on RHC	0.284
Total				**21.010**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in October, 2023. DDOs did not submit replies of the audit observations.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of overpaid amount.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2020-21, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.17.21, 4.2.4.3, 4.2.4.10, 11.3.1, 11.3.4, 11.2.5.2.3, 11.2.5.2.6, 11.2.5.2.9, 11.2.5.2.13, 11.2.5.2.14, 11.2.5.2.15, 11.2.5.2.7, 11.2.2.13, 11.2.2.19, 11.2.2.20,16.2.1.14, 16.2.1.15 and 16.2.1.16 respectively having financial impact of Rs 130.424 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.14,16,8,2,13,13,5,2&4]

2.17.3 Irregular expenditure in violation of PPRA Rules – Rs 10.872 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper." Moreover, according to Rule 59(1)(c) of Punjab Procurement Rules, 2014, "A procurement agency shall only engage in direct contracting if repeat orders not exceeding fifteen percent of the original procurement."

During audit of DHA Toba Tek Singh for the FY 2022-23, it was observed that MS DHQ Hospital Toba Tek Singh and Eye Cum General Hospital Gojra incurred expenditure of Rs 5.923 million on purchase of laboratory items, food items/lunch, X-Ray films, hiring of tentage material, etc. However, procurements were made through regrouping and splitting. Further, general medical supplies and store items amounting to Rs 4.949 million were procured through repeat orders in excess of allowed limit of 15% of original procurement. The detail is as under:

(Rupees in million)

Sr. No	DDOs	Period	Description	Expenditure Without Observing PPRA	Expenditure by Repeat Order	Total
1	MS DHQ Hospital Toba Tek Singh	2022-23	Procurement of X Ray films, store items, cost of stores, hiring of tenting without open competition and by repeat	5.177	4.949	10.126

			orders without retendering			
2	MS Eye Cum General Hospital Gojra	2022-23	Procurements of store items without Tendering	0.746	-	0.746
Total				**5.923**	**4.949**	**10.872**

Due to weak internal controls, expenditure was incurred by splitting the cost of objects to avoid quotations/tenders and through repeat orders in excess of allowed limit without going through new tendering which resulted in irregular expenditure and violation of PPRA rules.

The matter was reported to PAO in October, 2023. DDOs did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22, 2019-20, 2018-19 and 2017-18 vide para(s) number 2.17.9, 4.2.4.5, 11.2.5.2.1, 11.2.2.4, 11.2.2.10, 11.2.2.11 and 16.2.1.6 respectively having financial impact of Rs 87.513 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 3&14]

2.3.4.33 Others

2.17.4 Non-deposit of Government share out of SSP claims and non-recovery of dues from contractors – Rs 38.291 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, "The collecting officers shall be responsible to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise." Further, according to Government of the Punjab, Finance Department letter No.FD(M-C)1-15/82-P-I dated 17.01.2000, "All receipts should be deposited into Government treasury not later than seven days of actual receipts."

During audit of DHA Toba Tek Singh for the FY 2022-23, it was observed that MS DHQ Hospital received refund claims amounting to Rs 70.607 million against Sehat Sahulat Program (SSP). However, Government share amounting to Rs 36.601 million was not deposited into the Government Treasury. Further, contract amount of Rs 1.690 million was not recovered from the contractors of canteen and parking stand. The detail is as under:

(Rupees in million)

Sr. No.	DDO	Description	Period	Total Amount Due
1	MS DHQ Hospital Toba Tek Singh	Non-deposit of Government share of SSP claims	2022-23	36.601
		Contract amount of parking and canteen	2022-23	1.690
Total				**38.291**

Due to financial mismanagement, Government share out of SSP claims was not deposited and dues were not recovered from the contractors which resulted in loss to the public exchequer.

The matter was reported to PAO in October, 2023. DDO did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery of deducted amount of inadmissible Advance Income Tax besides production of remaining record.

[AIR Para No.10 (b)&4(b)]

2.17.5 Non-creation of Pension fund – Rs 26.500 million

According to Section 125 of the Punjab Local Government Act, 2013, "Lays down the procedure for constitution of Punjab Local Government Board and its day-to-day administration/business which includes set up and operation of pension fund and such other funds as may be considered necessary for the benefit and welfare of the employees of the Board and the prescribed local government service cadre." Furthermore, according to Rule 6 of the Punjab District Authorities (Budget) Rules, 2017, "The budget and accounts officer shall be responsible to maintain pension fund for the Government employees of Education or Health sectors adjusted in the District Authority."

During audit of DHA Toba Tek Singh for the FY 2022-23, it was observed that CEO incurred expenditure of Rs 26.500 million on pension payment of Local Government employees without creation of Pension Fund as required by the law.

Due to financial mismanagement and weak internal controls, Pension Fund was not created which resulted in extra financial burden on the Authority funds.

The matter was reported to PAO in October, 2023. DDO did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides early creation of Pension Fund.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.17.20 respectively having financial impact of Rs 22.105 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.10]

2.17.6 Unauthorized deduction of tax / non recovery of taxes – Rs 7.049 million

According to Section 49 of Income Tax Ordinance, 2001, "Any payment received by the Federal Government, a Provincial Government or a Local Government shall not be liable to any collection or deduction of Advance Tax." Furthermore, according to Serial No.1(b)(ii), 2(ii)(b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of tax to be deducted from a payment for goods or services shall be 4.5 percent of gross amount payable. In the case of rendering of or providing of services, Income Tax shall be deducted @ 10 percent of the gross amount payable." Furthermore, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act, 2012, "Punjab Sales Tax on Services (PST) @ 16 percent shall be applicable on services provided."

During audit of DHA Toba Tek Singh for the FY 2022-23, it was observed that MS DHQ Hospital failed to recover Income Tax amounting to Rs 0.909 million from contractors of parking stand and canteen. Further, an amount of Rs 6.140 million was deducted by the SLIC as Advance Income Tax without admissibility before making payment of claims of SSP during the Financial Year 2022-23. Resultantly, public exchequer sustained loss of Rs 7.049 million due to non-deposit of taxes and unauthorized deduction of Advance of Income Tax. The detail is as under:

(Rupees in million)

Sr. No.	DDO	Description	Tax Amount	Total Amount not recovered / recouped
1	MS DHQ Hospital Toba Tek Singh	Deduction of Advance Income Tax by SLIC on SSP claims	6.140	6.140
		Income Tax & PST due from contractors of canteen and parking services	0.909	0.909
Total			**7.049**	**7.049**

Due to dereliction of duties, deduction of Advance Income Tax was made without admissibility and IT and PST were not recovered which resulted in loss to the Government exchequer.

The matter was reported to PAO in October, 2023. DDO did not submit reply of the audit observation.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of taxes.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.17.24 respectively having financial impact of Rs 3.828 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 4&10(a)]

2.18 District Health Authority, Vehari

There are 31 formations in District Health Authority, Vehari out of which 05 formations were audited during Audit Year 2023-24.

Procedural irregularities

2.18.1 Mis-procurement due to non-compliance of PPRA Rules – Rs 48.862 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper."

During audit of DHA Vehari for the FY 2022-23, it was observed that CEO and two other DDOs purchased various items amounting to Rs 48.862 million without uploading the advertisement on PPRA's website. The procurements were made through regrouping and splitting. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	CEO, DHA Vehari	2022-23	Purchase of various items	3.313
2	DHO (PS) Vehari	2022-23	Purchase of various items	23.548
			Purchase of furniture, medical equipment, stationery etc.	14.534
3	SMO RHC Garha More	2019-23	Purchase of various items	7.467
Total				48.862

Due to weak internal controls, purchases were made in violation of PPRA Rules which resulted in mis-procurement.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened despite repeated written requests made by Audit vide this office letters No.RDDA-MLN/F-163/CD-1480 dated 12.09.2023 and No.RDDA-MLN/F-163/CD-1494 dated 18.09.2023 followed by subsequent reminder No.RDDA-MLN/F-163/CD-1537 dated 27.09.2023. No progress was intimated till finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2021-22 vide para(s) number 2.18.2 and 6.2.4.4 having financial impact of Rs101.015 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 9,8,10 & 2]

2.18.2 Irregular appointment of daily wages staff – Rs 5.735 million

According to Sr. No. 2 of the Preface to the Schedule of Wage Rates, 2021 circulated by Government of the Punjab, Finance Department vide No. RO (Tech) FD 2-2/2018 dated 09.09.2021, "Appointment to a post included in the schedule may be made by the competent authority under Delegation of Financial Powers Rules 2016 subject to proper advertisement in the leading newspapers and on the basis of merit specified for regular establishment."

During audit of DHA Vehari for the FY 2022-23, it was observed that MS DHQ Hospital and one other DDO incurred expenditure of Rs 5.735 million of wages of contingent paid staff. Scrutiny of record revealed that recruitment of staff was made without adhering instructions of Finance Department and without advertisement for appointment in the newspapers, need assessment for requirement, data for total applications received, merit list prepared before appointment.

(Rupees in million)

Sr. No.	DDOs	Description	Amount
1	MS THQ Hospital Burewala	Appointment of contingent paid staff	1.615
2	MS DHQ Hospital Vehari	Appointment of contingent paid staff	4.120
Total			**5.735**

Due to weak internal controls, appointments of daily wages staff were made without adhering Finance Department instructions which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 vide para(s) number 2.18.5 having financial impact of Rs 2.548 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 5 & 12]

2.18.3 Procurement of medicine against policy guidelines – Rs 4.173 million

According to Government of the Punjab, Primary & Secondary Healthcare Department letter No.PSD-TCO-I(M)6-14/2017 dated 16.12.2017, "Local purchase of only those drugs should be made which are included in formularies and minimum level of doctor recommending the Local Purchase should be Senior Registrar, Assistant Professor, Consultant and Senior Medical Officer/Senior Woman Medical Officer."

During audit of DHA Vehari for the FY 2022-23, it was observed that SMO RHC Garha More incurred expenditure of Rs 4.173 million on purchase of LP medicine against the policy guidelines of the government. The medicine was purchased on the request of dispenser instead of on the recommendation of doctor concerned. The medicine was supplied by the contractor without providing the source of purchase and name of brands were not mentioned on the invoices. Unauthentic procurements were made through manual supply orders instead of generating the same through LP portal of health department.

Due to weak internal controls, expenditure was incurred against the policy guidelines which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2019-20 vide para(s) number 2.18.3, 6.2.4.3 and 17.2.5.1.1.4 having financial impact of Rs 88.746 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No. 6]

Others

2.18.4 Loss due to payment of inadmissible pay and allowances – Rs 13.058 million

According to Government of the Punjab, Finance Department letter No. FD(M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance and will have to pay 5% of house rent even if he does not avail the facility and residence remains vacant during the period." Furthermore, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86(P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance." Moreover, according to Government of the Punjab, P&SHD letter No.SO(B&A)1-69/2016 dated 24.06.2022, "Performance based allowances are admissible to an official for the 1st 90 days only during continued period of earned leave, study leave or during the period he remained as OSD (awaiting posting)." Moreover, according to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation."

During audit of DHA Vehari for the FY 2022-23, it was observed that CEO and three other DDOs made payment of Rs 13.058 million on account of conveyance allowance during leave, availing the facility of official vehicles / bikes, payment of salary during EOL / after retirement and non recovery of maintenance charges on availing Government residences. The detail is as under:

(Rupees in million)

Sr. No.	DDOs	Period	Description	Amount
1	CEO DHA Vehari	2022-23	Excess payment of pay and allowances after retirement	0.257
			Drawl of inadmissible allowances	9.143
2	SMO RHC Garha More	2019-23	Recovery of pay & allowance	0.182
3	MS DHQ Hospital Vehari	2022-23	Recovery of inadmissible allowances	2.984
			Payment of pay & allowance during leave without pay	0.130

4	MS THQ Hospital Burewala	2022-23	Payment of Pay & Allowances during leaves	0.362
Total				**13.058**

Due to weak internal controls, payment of inadmissible pay and allowances was made which resulted in loss to the Authority.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends inquiry, fixing responsibility against the person(s) at fault for allowing inadmissible allowances and immediate stoppage of such allowances coupled with recovery of overpaid amount.

<u>Note:</u> The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2021-22 and 2020-21 vide para(s) number 2.18.7, 6.2.4.7 and 17.5.3 respectively having financial impact of Rs 69.919 million. Recurrence of same irregularity is a matter of serious concern.

[AIR Para No.10, 6, 4, 7, 20 & 25]

2.18.5 Irregular drawl and retention of funds in DDO account – Rs 7.019 million

According to Rule 2.10(3) of PFR Volume-I, "All inevitable payments are ascertained and liquidated at the earliest possible date. No money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance as per rule 2.10(5) of PFR Volume-I."

During audit of DHA Vehari for the FY 2022-23, it was observed that as per bank statement of DDO bank account of CEO and two other DDOs amount of Rs 7.019 million was available as on 30.06.2023. However, status of available balance was not produced during audit.

Whereas, as per cash book all payments received were shown disbursed. Resultantly, whereabouts of said amount were unknown and detail of closing balance was not given in the cash book.

(Rupees in million)

Sr. No.	DDOs	Amount
1	CEO DHA Vehari	1.026
2	MS DHQ Hospital Vehari	4.932
3	MS THQ Burewala	1.061
Total		**7.019**

Due to weak internal controls, Government funds were parked in the bank account of the DDO without proper justification which resulted in unjustified drawl of funds.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides immediate disbursement of funds.

[AIR Para No. 8, 13 & 10]

2.18.6 Less recovery on auction of parking stand – Rs 2.551 million

According to Rule 14 (d) of the Punjab District Authorities (Accounts) Rules 2017, “The collecting officer shall be responsible to collect receipts in the transparent manner and guard against misappropriation, fraud, embezzlement or compromise.”

During audit of DHA Vehari for the FY 2022-23, it was observed that MS, DHQ Hospital Vehari did not collect government dues amounting to Rs 2.551 million from contractor of parking stand.

Due to weak internal controls, less recovery from auction of parking stand was made which resulted in loss.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery besides fixing responsibility against the DDO concerned.

[AIR Para No.19]

2.18.7 Non-recovery of taxes – Rs 1.825 million

According to Section 153(1) of Income Tax Ordinance, 2001, "Every prescribed person, while making a payment in full or part, shall deduct tax at the specified rate from the gross amount payable."

During audit of DHA Vehari for the FY 2022-23, it was observed that MS THQ Hospital Burewala and MS DHQ Hospital Vehari did not recover of Rs 1.825 million on account of government taxes. The DDOs failed to ensure deduction of taxes from employee's share of hospital receipts. The detail is as under:

(Rupees in million)

Sr. No	DDOs	Description	Amount
1	MS THQ Hospital Burewala	Non-deduction of advance income tax on employees share on diagnostic tests receipts	0.259
2	MS DHQ Hospital Vehari	Non-deduction of advance income tax on employees share on diagnostic tests receipts	1.566
Total			**1.825**

Due to weak internal controls, government taxes were not collected which resulted in loss to the Government Treasury.

The matter was reported to PAO in October, 2023. No reply was submitted by the Management.

DAC meeting was not convened till finalization of this Report despite repeated written requests.

Audit recommends recovery besides fixing responsibility against the DDOs concerned.

[AIR Para No.6 & 7]

CHAPTER 3

Impact Audit

"Establishment of 40-Bedded Gynae / Children and Emergency Ward with Allied Facilities for 24-Hours Services at City Hospital Toba Tek Singh”

3.1 Introduction:

3.1.1 Impact Audit

Impact Audit aimed at determining impact of project. Specifically, impact audit focuses on determining the outcomes related to an initiative. It answers cause and effect questions about the outcomes attributable to an initiative by separating other contributing factors or variables, and adequacy of the results. Impact audit was conducted to evaluate the impact of project with particular focus on the delivery of routine, emergency, Gynaecological, obstetric, preventive and diagnostic services before and after completion of the Project, evaluate the optimum utilization of resources and provide recommendations to the policy makers as well as management for improvement in service delivery.

3.1.2 Background and Role of Project:

City Hospital Toba Tek Singh was established in October, 2010 and declared as Gynae Hospital in July, 2014 with 14 bedded Emergency / Gynae Ward providing outdoor & indoor medical facilities to the patients of all malaises. The existing 14 bedded hospital was insufficient to cope with the increasing healthcare needs owing to ever-growing population from 1.622 million (population Census, 1998) to 2.191 million (population Census, 2017). Keeping in view the hardships of ailing community, Primary and Secondary Healthcare Department, Government of the Punjab approved a new Project in 2017-18 titled “Establishment of 40 bedded Gynae / Children and Emergency Ward with allied facilities for 24 hours service” at City Hospital Toba Tek Singh at an estimated cost of Rs 56.573 million.

3.2 Overview

The Project initially aimed at establishing 40 bedded Gynae/children and emergency ward with allied health facilities. Scope of the Project was revised in October, 2017 that included construction of doctors’ rooms, labour rooms, operation theater, and X-Ray room etc. The revision of the Project excluded the construction of wards. It was approved with the objectives to provide:

i) High quality emergency Gynaecological and Obstetric services round the clock;

ii) Routine medical and surgical services through well-trained and well-equipped staff;

iii) Consultancy advice and Preventive services to minimize the mother and infant mortality rate;

iv) Family planning services to decrease birth rate and

v) Rehabilitation services for the handicapped.

Status of completion:

The project commenced on 17.01.2018. The capital component of the project was completed on 30.06.2020 leaving revenue component to be completed.

3.3 Scope and Methodology

3.3.1 Scope

Impact Audit was planned to evaluate data pertaining to the achievements of objectives of the project viz-a-viz outcomes during FYs 2017-18 to 2022-23 with the aim to:

i) Evaluate the impact of Project with particular focus on the delivery of routine, emergency, Gynaecological, obstetric, preventive and diagnostic services before and after completion of the Project.

ii) Evaluate the optimum utilization of resources.

iii) Provide recommendations to the policy makers as well as management for improvement in service delivery.

3.3.2 Methodology

Following methodology was adopted to assess the impact of the project:

i) Collection of historical data regarding key service areas.

ii) Study of monitoring reports.

iii) Visit to project's site.

iv) Discussions with the management.

v) Analysis of collected data including trend analysis.

vi) Review of utilization of human, financial and infrastructure resources.

3.4 Findings

3.4.1 Impact of Project on Outdoor Patient Department (OPD) activities

Audit conducted a comprehensive analysis of OPD activities regarding different categories of patients age-wise, gender-wise etc. The detail is given as under:

Male-OPD

(No. of patients)

Source: DHIS Reports

Comparison of average Female OPD patients of different age groups for the three years prior and post completion of the Project revealed staggering increase of 351% for Female OPD patients of under 1 year. Further, No. of female OPD patients for the age group of 15-49 experienced decline of 20%. It is worth mentioning that the Project was primarily aimed at improving health related indicators of female population. However, there was only 10% increase in total Female OPD patients as compared to 64% increase in total Male OPD patients.

Total - OPD (Male & Female)

(No. of patients)

Age	**Pre-Project**				**Post Project**				**%age Change in three years avg.**
	2017-18	**2018-19**	**2019-20**	**Total**	**2020-21**	**2021-22**	**2022-23**	**Total**

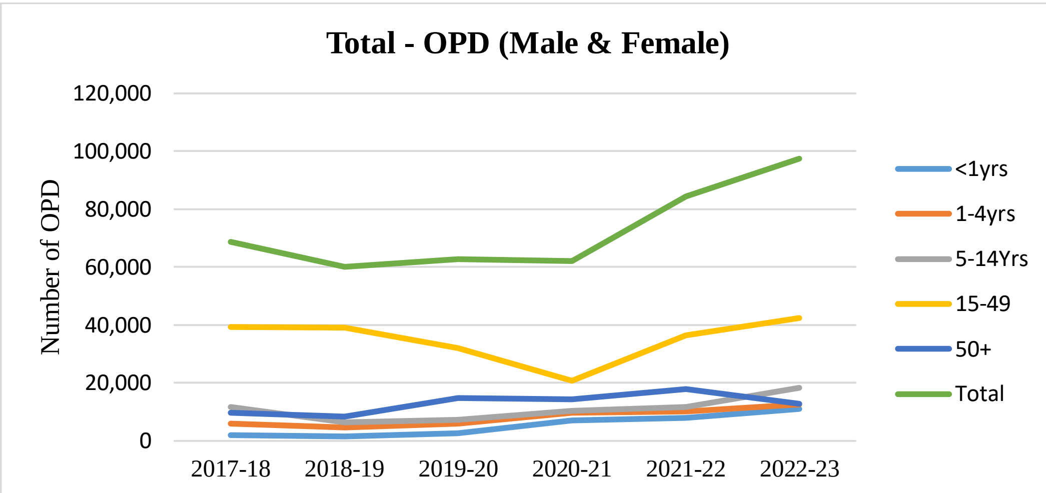
Source: DHIS database reports



Comparison of average total OPD patients of different age groups for the three years prior and post completion of the Project reflected significant hike of 312% for OPD patients of under 1 year. However, No. of OPD patients for the age group of 15-49 experienced decline of 10%. Further, total No. of OPD patients experienced increase of 27%.

Hence, overall impact of the project is positive on No. of Outdoor Patient visits.

The matter was reported to the management in August, 2023. No response was received till finalization of this Report.

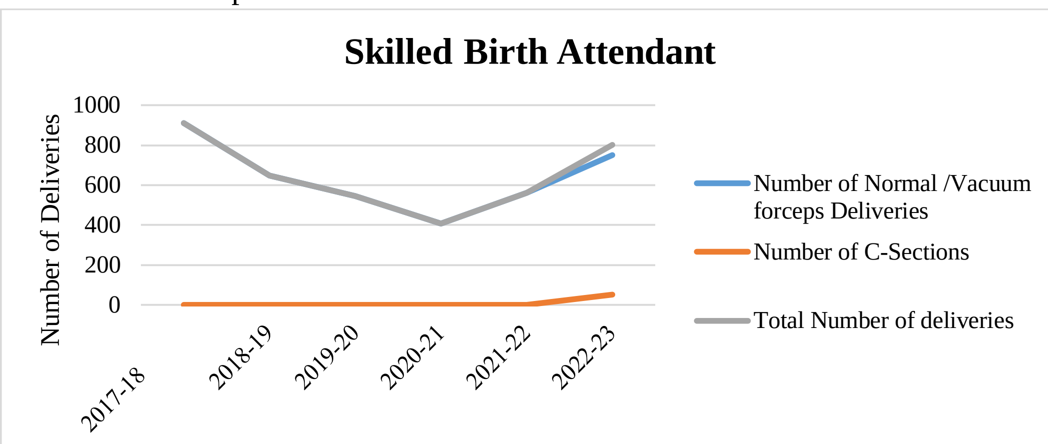
3.4.2 Impact of Project on deliveries through Skilled Birth Attendants

Audit conducted a comprehensive analysis of availability of skilled birth attendants for normal / vacuum forceps deliveries and C-Sections before and after the completion of the Project that showed downward trend upto 2020-21 but reflected slight increase in subsequent years. The detail is as under:

Description	Pre-Project				Post Project				%age Change in three years avg.
	2017-18	**2018-19**	**2019-20**	**Three Years Avg.**	**2020-21**	**2021-22**	**2022-23**	**Three Years Avg.**	
Number of Normal /Vacuum	911	647	546	2,104	406	562	749	1717	**-18%**

Description	Pre-Project				Post Project				%age Change in three years avg.
	2017-18	2018-19	2019-20	Three Years Avg.	2020-21	2021-22	2022-23	Three Years Avg.	
forceps Deliveries									
Number of C-Sections	0	0	0	0	0	0	53	53	
Total Number of deliveries	**911**	**647**	**546**	**2,104**	**406**	**562**	**802**	**1770**	**-16%**

Source: DHIS Reports



Comparison of average No. of Normal / Vacuum forceps deliveries for three years prior and post completion of the Project reflected decline of 18%. Further, C-Section procedure was not carried out till 2021-22 and only 53 C-Sections were performed during 2022-23.

Hence, the project began to manifest positive impact in 2022-23 due to appointment of anesthetist.

The matter was reported to the management in August, 2023. No response was received till finalization of this Report.

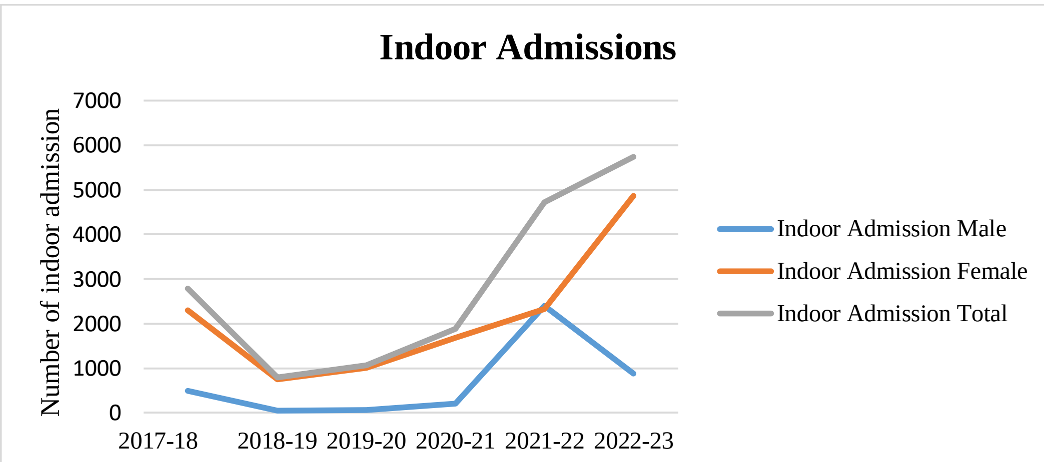
3.4.3 Impact of Project on Indoor Patients

Enhancing the indoor patient facility was one of the main objectives of the project. Audit analyzed the impact of the project on this indicator, as detailed in the following table:

Indoor Patients
(No. of patients)

Description	Pre-Project				Post Project				%age Change in three years avg.
	2017-18	2018-19	2019-20	Three Years Avg.	2020-21	2021-22	2022-23	Three Years Avg.	
Male	497	54	59	610	212	2,397	886	3495	473%
Female	2,298	746	1,011	4,055	1,677	2,324	4,861	8,862	119%
Total	**2,795**	**800**	**1,070**	**4,665**	**1,889**	**4,721**	**5,747**	**12,357**	**165%**

Source: DHIS Reports



Analysis of average No. of Indoor Patients for the three years prior and post completion of the Project revealed stunning increase of 473% for male indoor patients and 119% increase in Female indoor patients. Further, total indoor patients increased by 165%.

Hence, impact of this project is positive on number of Indoor Patients Admissions.

The matter was reported to the management in August, 2023. No response was received till finalization of this Report.

3.4.4 Impact of Project on Family Planning Visits

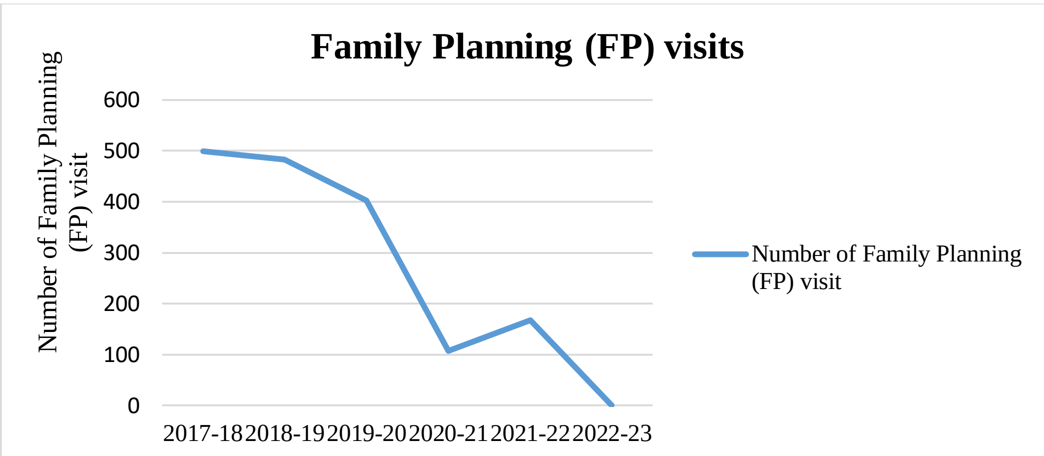
Provision of efficient family planning service to decrease growth rate is also one of the critical deliverables of the project. However, analysis of data regarding family planning visits depicted downward trend. The detail is as under:

Family Planning Visits

Description	Pre-Project				Post Project				%age Change in three
	2017-18	2018-19	2019-20	Three Yea	2020-21	2021-22	2022-23	Three Yea	

				rs Avg.				rs Avg.	years avg.
Number of Family Planning visit	499	483	403	1,385	107	168	-	275	-80%

Source: DHIS Reports



Analysis of average No. of visits for family planning for the three years prior and post completion of the Project experienced 80% decline and reached zero in 2022-23.

This analysis strongly indicates that patients were dissatisfied with the family planning services of the facility.

The matter was reported to the management in August, 2023. No response was received till finalization of this Report.

3.4.5 Impact of Project on Antenatal and Postnatal Care Visits

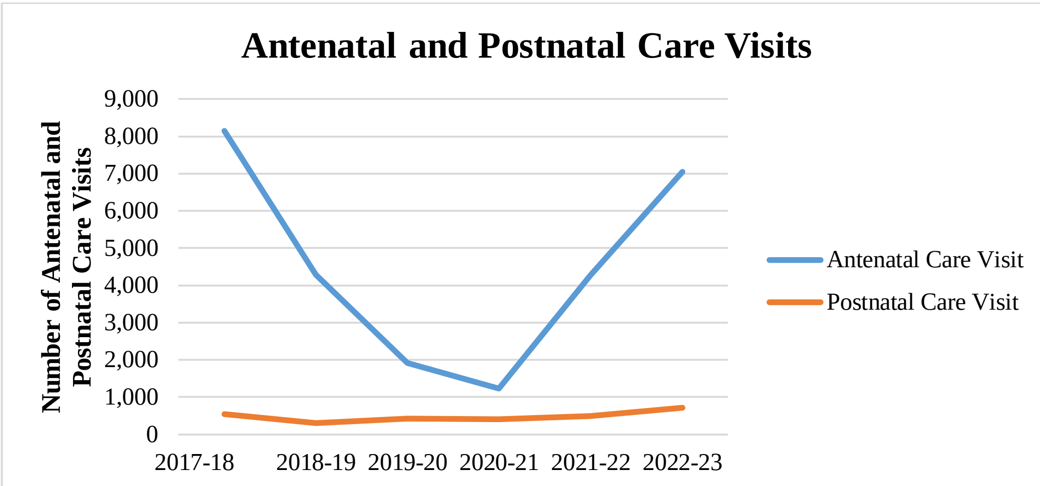
Project laid special emphasis on improving Antenatal and Postnatal care. It involves a series of consultations with a health care provider to ensure the health and well-being of both the mother and the child. Analysis of data of depicted overall upward trend with the exception of few years. The detail is as under:

Antenatal and Postnatal Care Visits

Description	Pre-Project				Post Project				%age Change in three years avg.
	2017-18	2018-19	2019-20	Three Years Avg.	2020-21	2021-22	2022-23	Three Years Avg.	

Antenatal Care Visit	8,151	4,293	1,916	14,360	1,232	4,266	7,056	12,554	-13%
Postnatal Care Visit	550	311	415	1,276	407	489	709	1,605	26%

Source: DHIS Reports



Comparison of average No. of Antenatal Care Visits and Postnatal Care Visits for the three years prior and post completion of the Project revealed decline of 13% for Antenatal Care Visits and increase of 26% in Postnatal Care Visits.

Hence, Antenatal Care Visits did not show improvement, which hindered the provision of timely obstetric interventions by skilled professionals and preventive services to mother.

The matter was reported to the management in August, 2023. No response was received till finalization of this Report.

3.4.6 Impact of Project on Hospital Beds availability

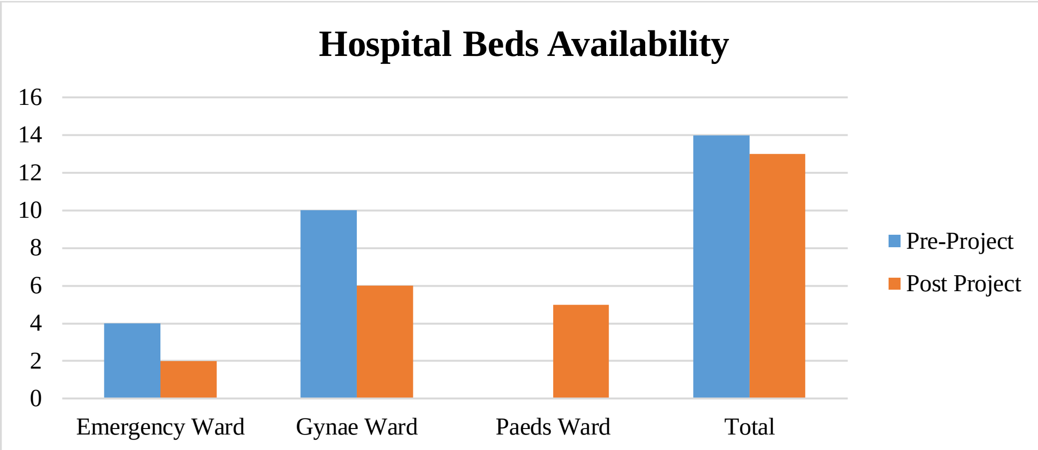
Comparison of hospital bed availability before and after the project reflected dismal situation due to change in scope of project by excluding construction of Gynae ward and conversion of old building into medicine store by DHA. The detail is as under:

Hospital Beds Availability
(No. of beds)

Description	Pre-Project			Post Project			%age Change
	2017-18	2018-19	2019-20	2020-21	2021-22	2022-23	
Emergency Ward	4	4	4	2	2	2	-50%
Gynae Ward	10	10	10	6	6	6	-40%
Paeds Ward	0	0	0	5	5	5	-

Total	14	14	14	13	13	13	-7%

Source: DHA Report



The above data highlighted that number of beds for Emergency Ward and Gyane Ward decreased by 50% and 40% respectively. However, No. of beds in Paeds Ward increased by 5. Further, it is pertinent to mention that space available for Emergency and Gyane Ward in old building was re-purposed as medical store of DHA.

The matter was reported to the management in August, 2023. No response was received till finalization of this Report.

3.4.7 Impact of Project on Diagnostic Services

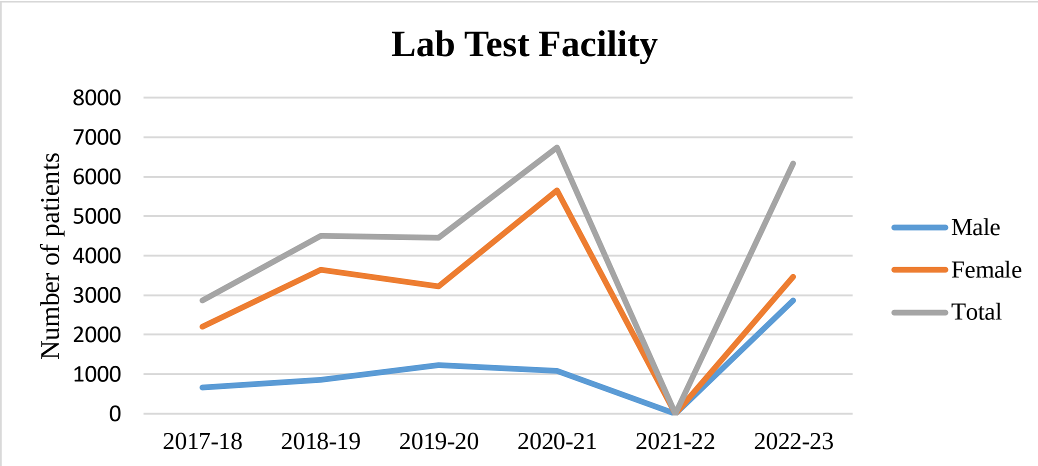
Provision of diagnostic services was the core objective of the project. Data analysis of number of patients who availed diagnostic facilities showed an overall upward trend with the exception of 2021-22. The detail is as under:

Laboratory Test Facility

(No. of patients)

Description	**Pre-Project**				**Post Project**				**%age Change in three years avg.**
	2017-18	**2018-19**	**2019-20**	**Three Years Avg.**	**2020-21**	**2021-22**	**2022-23**	**Three Years Avg.**	
Male	660	858	1,228	2,746	1,075	0	2,866	3,941	44%
Female	2,208	3,650	3,224	9,082	5,657	0	3,467	9,124	0%
Total	2,868	4,508	4,452	11,828	6,732	0	6,333	13,065	10%

Source: DHIS Reports



Analysis of average No. of male and female patients who availed laboratory test facility for the three years prior and post completion of the Project revealed 44% increase in lab test facility availed by male patients whereas number of female patients who used lab service remained unchanged. While, no patient was served during 2021-22 due to non-availability of concerned staff.

Hence, Project had positive impact on number of patients availing laboratory test facility as 10% increase in laboratory test facility to total patients was observed.

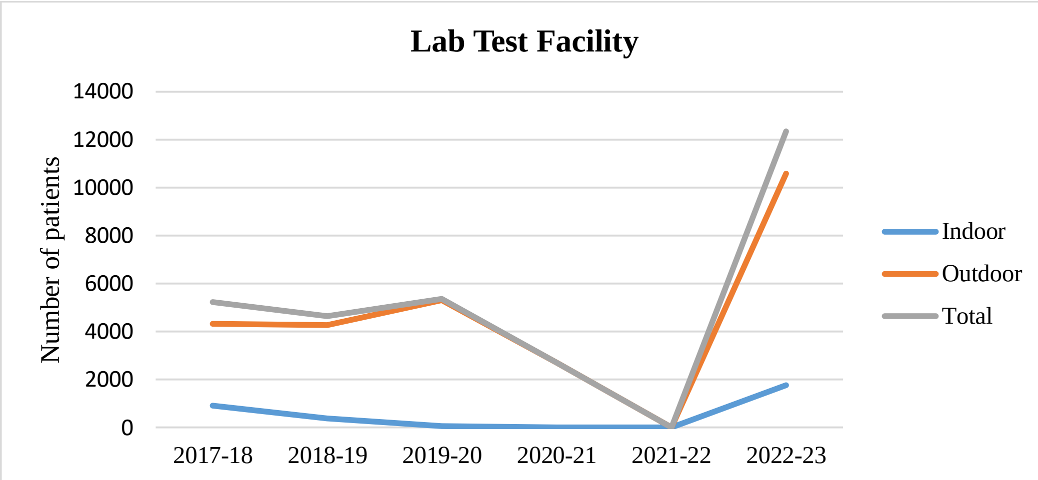
Laboratory Test Performed for Indoor and Outdoor Patients

It was observed that Laboratory Test facility was available in morning shift only instead of 24/7. Detail of number of laboratory tests performed during 2017-18 to 2022-23 is as detailed below:

(No. of tests performed)

Description	**Pre-Project**				**Post Project**				**%age Change in three years avg.**
	2017-18	**2018-19**	**2019-20**	**Three Years Avg.**	**2020-21**	**2021-22**	**2022-23**	**Three Years Avg.**	
Indoor	922	377	55	1354	0	0	1,767	1767	31%
Outdoor	4,313	4,264	5,315	13892	2,694	0	10,569	13263	-5%
Total	5,235	4,641	5,370	15246	2,694	0	12,336	15030	-1%

Source: DHIS Reports

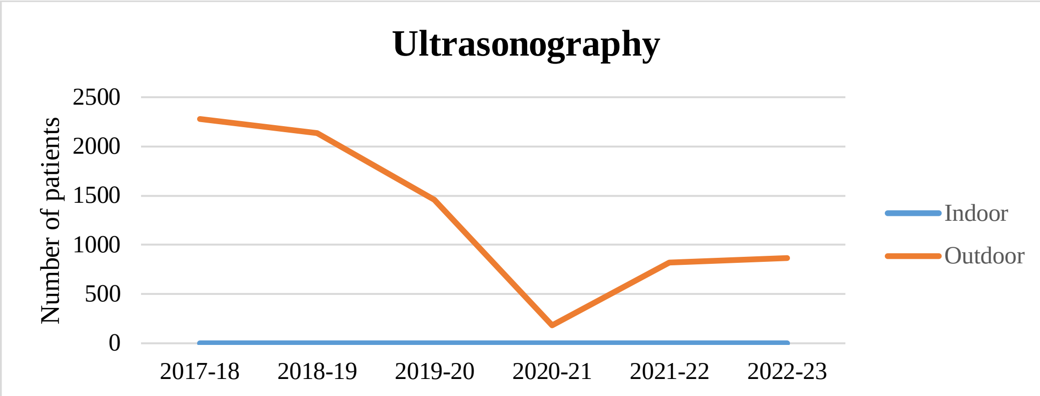


Scrutiny of average No. of Laboratory Tests performed for indoor and outdoor patients for the three years prior and post completion of the Project revealed 31% increase in case of indoor patients and 5% decrease in case of outdoor patients. Further, complete absence of indoor patient testing in 2020-21 & 2021-22 and outdoor patient testing in 2021-22 was noticed due to non-availability of concerned staff. However, a significant resurgence was observed in tests performed for both indoor and outdoor patients during 2022-23.

Ultrasonography Performed

Description	**Pre-Project**				**Post Project**				**%age Change in three years avg.**
	2017-18	**2018-19**	**2019-20**	**Three Years Avg.**	**2020-21**	**2021-22**	**2022-23**	**Three Years Avg.**	
Indoor	0	0	0	0	0	0	0	0	-
Outdoor	2,282	2,138	1,456	5876	183	821	863	1867	-68%
Total	2,282	2,138	1,456	5876	183	821	863	1867	-68%

Source: DHIS Reports



Ultrasonography service was not provided to indoor patients before or after completion of the Project. Whereas, analysis of average No. of Ultrasonography service for the three years prior and post completion of the Project revealed 68% decrease in case of outdoor patients.

Hence, the Project did not bring about any improvement in Ultrasonography service.

The matter was reported to the management in August, 2023. No response was received till finalization of this Report.

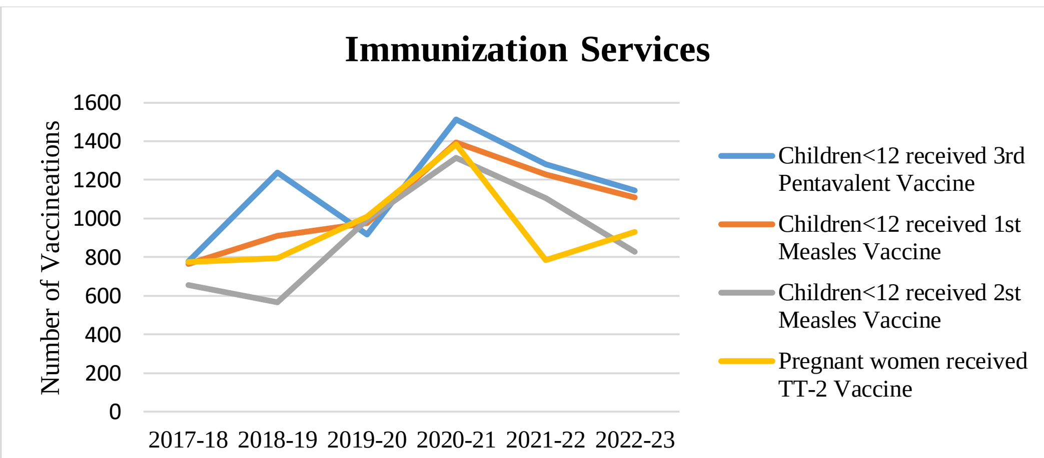
3.4.8 Impact of Project on Immunization Services

Immunization is one of the preventive measures to protect the mother and child from communicable and non-communicable diseases. The analysis showed that immunization services were not consistently provided to patients. The detail is as under:

Description	**Pre-Project**				**Post Project**				**%age change in three years avg.**
	2017-18	**2018-19**	**2019-20**	**Three Years Avg.**	**2020-21**	**2021-22**	**2022-23**	**Three Years Avg.**	
Children< 12 received 3rd Pentavalent Vaccine	777	1,239	916	2,932	1,512	1,282	1,145	3,939	34%
Children< 12 received 1st	765	911	976	2,652	1,394	1,228	1,109	3,731	41%

Measles Vaccine									
Children< 12 received 2st Measles Vaccine	655	565	994	2,214	1,313	1,104	828	3,245	47%
Pregnant women received TT-2 Vaccine	774	795	1,011	2,580	1,384	784	929	3,097	20%
Total	**2,971**	**3,510**	**3,897**	**10,378**	**5,603**	**4,398**	**4,011**	**14,012**	**35%**

Source: DHIS Reports



Comparison of average total No. of Immunization Service / Vaccination for the three years prior and post completion of the Project revealed increase of 35%. However, the No. of Immunization Service / Vaccination went downward during 2021-22 & 2022-23 by 22% and 28% respectively in comparison with 2020-21.

The matter was reported to the management in August, 2023. No response was received till finalization of this Report.

3.4.9 Impact of Poor Resource Management

During the impact audit following discrepancies regarding resource management were observed:

3.4.9.1 Human Resource Management:

Human resource was not properly managed to improve the health service delivery. It was noticed that doctors including SMO, SWMO and allied healthcare staff of the hospital remained on general duty in other health facilities and offices. Moreover, drivers recruited for provision ambulance service were not performing their prescribed duty despite availability of ambulance.

3.4.9.2 Financial Resource Management:

The Project Completion Report (PC-IV) indicated expenditure of Rs 2.570 million incurred on construction of link passage between old and new buildings. But no link passage was constructed on-site.

3.4.9.3 Non-provision of Official Residences:

Official residences were not provided to key medical personnel, including doctors and allied healthcare staff to ensure availability of 24/7 health facilities to patients. It was pertinent to mention here that two existing residences were occupied by employees of the CEO, DHA.

3.4.9.4 Repurposing of Hospital Building:

Newly constructed x-ray room, general store, recovery room, stage-I room and passage to proposed ward were not being utilized for intended purpose. Moreover, old building was not properly utilized and was occupied by District Surveillance Coordinator.

3.4.9.5 Non-provision of Generator:

Provision of backup power source was ignored, which is crucial for uninterrupted healthcare services, especially during power outages.

3.4.9.6 Data base management:

Data regarding mortality rates, including maternal, infant, neonatal, and under-5 mortality, were not being maintained. Therefore, impact regarding mortality rate could not be quantified.

3.4.10 Impact of delay in completion of revenue component:

Most of the essential equipment approved in PC-I including baby carts, gynae / delivery table, drip stands, general surgery set, delivery sets, hysterectomy set, auto clave etc. were not procured by the management. Moreover, Lab incubator was procured but not installed since June, 2021 and seven x-ray illuminators were procured at a cost of Rs 0.302 million without availability of x-ray plant.

Delay in procurement of furniture, medical instruments / equipment was also observed which resulted in cost overrun of Rs 7.721 million in comparison to the cost of approved PC-I.

3.4.11 Impact of lack of Service Delivery:

Despite handing over of hospital building in June, 2020, operation theater was not made functional till October, 2022. Further, hospital also not provided nutritional screening, ECG, and X-ray facilities to patients, which are critical for patient healthcare and diagnosis. Moreover, necessary infrastructure for rehabilitation of individuals with disabilities was missing.

3.5 Conclusion:

Overall impact of the project was not up to the mark as project faced significant challenges. Audit observed improvements in OPD visits, deliveries through Skilled Birth Attendants, indoor admissions, Laboratory tests and Immunization Services. Audit concluded that project achieved partial predetermined deliverables due to limited bed capacity, non-utilization of existing resources, exclusion of construction of Gynae ward and delay in procurement of machinery & equipment.

Audit recommends following steps for improvement in service delivery:

i. Efficient utilization of human, financial and infrastructural resources;

ii. Round the clock availability of Lab tests, ECG, Ultrasound, X-Ray services and SBAs;

iii. Optimal patient care through effective immunization services to mother and child.

iv. Establishment of new indoor wards; and

v. Creation of comprehensive database for patient follow-ups.

vi. Designated residences may be got vacated from unentitled employees of DHA alongwith recovery of enhanced House Rent.

AUDIT REPORT
ON
THE ACCOUNTS OF
LOCAL GOVERNMENTS
OF PUNJAB (SOUTH)

AUDIT YEAR 2023-24

LOCAL GOVERNMENTS OF PUNJAB (SOUTH)

CHAPTER 1

Local Governments - LG&CD Department

1.1 Introduction

A. Local Governments i.e. Metropolitan Corporations, Municipal / Town Committees, District / Tehsil / Union Councils were established under Punjab Local Government Act, 2013 amended from time to time. In recent past Provincial Assembly of the Punjab has enacted Punjab Local Government Act, 2022. These Local Governments are a body corporate having perpetual succession and a common seal with power to acquire / hold property and enter into any contract and may sue & be sued in its name.

The Chief Officer is the PAO of these Local Governments except for Union Councils where Secretary of the concerned Union Council acts as such. The PAO manages functions of these Local Governments through four offices i.e. Planning, Finance, Regulation and Infrastructure & Services. Chief Officer of the Local Government being PAO is responsible to the Public Accounts Committee of the Provincial Assembly. He / she is responsible to ensure that business of the Local Government is carried out in accordance with the applicable laws. He / she is also responsible for coherent planning, development, proper coordination of respective offices and ensuring effective and efficient functioning of the Local Government.

Administrative structure of Local Governments is given below:

Administrative Structure of a Local Government

Description	Administrative Structure
Chief Officer MC / DC / TC	1
Municipal / District / Tehsil Officer (Planning)	1
Municipal / District / Tehsil Officer (Finance)	1
Municipal / District / Tehsil Officer (Regulation)	1
Municipal / District / Tehsil Officer (Infrastructure & Services)	1

Local Government wise detail of administrative offices of 123 formations is attached as **Annexure-B**.

The following table shows detail of total & audited formations of Local Governments:

Audit Profile of Local Governments of Punjab (South)
(Rupees in million)

Sr. No.	Description	Nos.	Nos. Audited	Expenditure audited FYs 2021-23	Revenue / Receipts Audited FYs 2021-23
1	Formations	123	123	19,111.093	21,624.341
2	Assignment Accounts (excluding FAP)	-	-	-	-
3	Authorities / Autonomous Bodies etc. under the PAOs	-	-	-	-
4	Foreign Aided Projects (FAP)	-	-	-	-

Local Government wise audit profile is attached as **Annexure-C**.

B. Comments on Budget and Accounts (Variance Analysis)

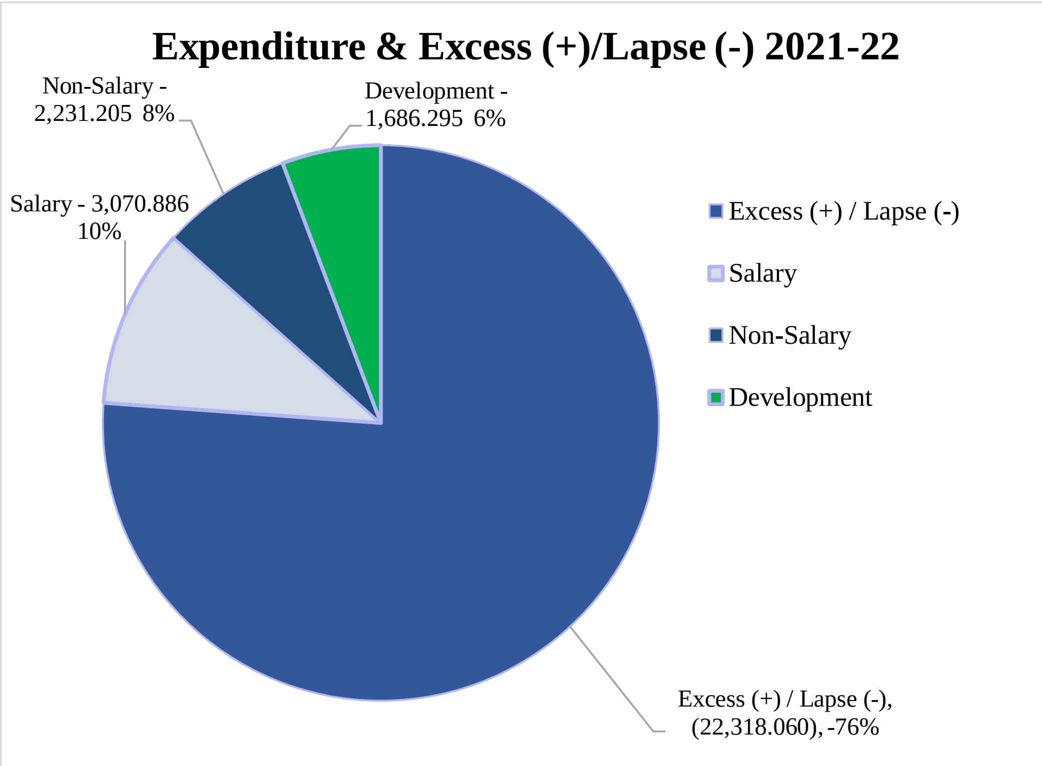
Consolidated statement of receipts and expenditure (budget and expenditure) of Local Governments is given below:

(Rupees in million)

FY	Description	Budget	Expenditure	Excess (+) / Lapse (-)	Variance %
2021-22 53 audited formations	Salary	6,983.106	3,070.886	-3,912.220	-56.02
	Non-Salary	10,819.880	2,231.205	-8,588.675	-79.38
	Development	11,503.460	1,686.295	-9,817.165	-85.34
	Total	**29,306.446**	**6,988.386**	**-22,318.060**	**-76.15**
	Receipts	11,840.592	5,687.565	-6,153.027	-51.97
2022-23	Salary	19,066.471	13,274.136	-5,792.335	-30.38
	Non-Salary	33,700.206	20,229.015	-13,471.191	-39.97
	Development	38,886.257	7,497.095	-31,389.162	-80.72
	Total	**91,652.934**	**41,000.246**	**- 50,652.687**	**-55.27**
	Description	**Target**	**Actual**	**Surplus (+) / Shortfall (-)**	**Variance**
	Receipts	45,483.698	38,142.751	-7,340.947	-16.14
Grand Total of Expenditure		**120,959.380**	**47,988.632**	**-72,970.747**	**-60.33**
Grand Total of Receipts		**57,324.290**	**43,830.316**	**-13,493.974**	**-23.54**

Local Government wise detail of receipts and expenditure (budget and expenditure) is attached as **Annexure-D**.

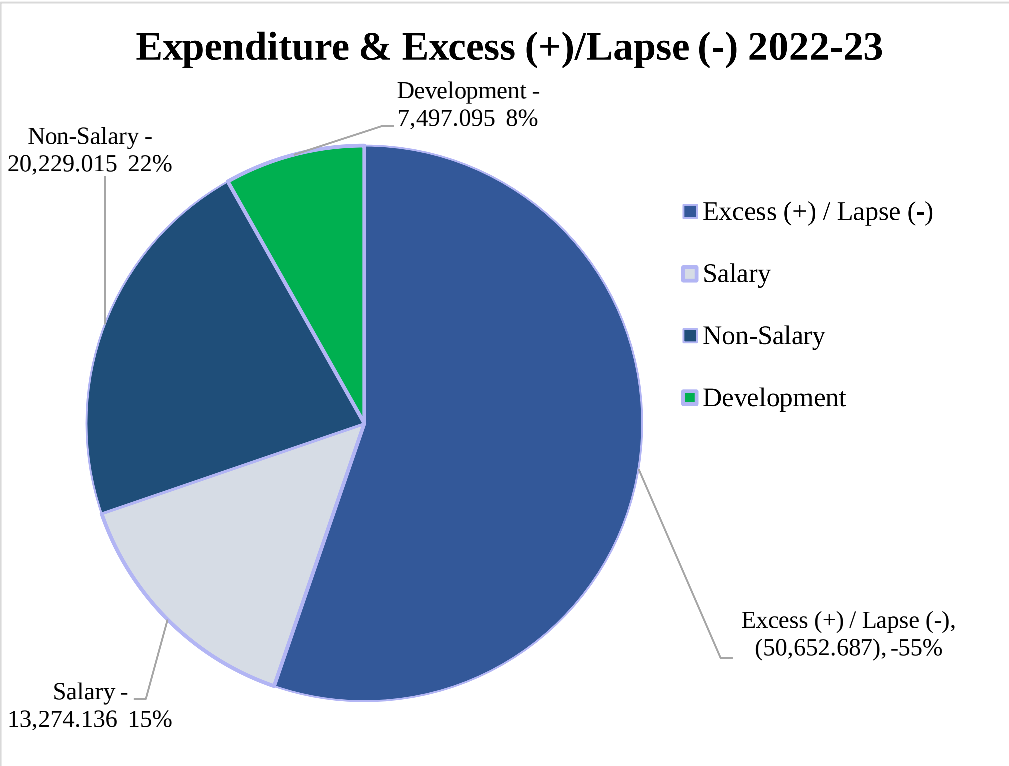
(Rupees in million)



Against budget (development / non-development) of Rs 29,306.446 million for Financial Year 2021-22, Local Governments could utilize only Rs 6,988.386 million. 85% development funds remained unspent during the financial year reflecting poor financial management of the Local Governments. Whereas 56% and 79% of budget allocation for financial year 2021-22 was allowed to lapse in salary and non-salary components of non-development expenditure. An overall lapse of Rs 22,318.060 million, which was 76% of total budget allocation of these Local Governments, came to the notice of Audit due to weak internal controls of the Local Governments.

Poor financial management by COs of Local Governments resulted in depriving the local population of the benefits likely to have accrued to them as a consequence of development undertaken by the management. Further, lapse of funds in salary / non-salary components adversely affected the overall performance of Local Governments.

(Rupees in million)



Against budget (development / non-development) of Rs 91,652.934 million for Financial Year 2022-23, Local Governments could utilize only Rs 41,000.246 million. 81% development funds remained unspent during the financial year reflecting poor financial management of the Local Governments. Whereas 30% and 40% of budget allocation for Financial Year 2022-23 was allowed to lapse in salary and non-salary components of non-development expenditure. An overall lapse of Rs 50,652.687 million, which was 55% of total budget allocation of these Local Governments, came to the notice of Audit due to weak internal controls of the Local Governments.

Poor financial management by COs of Local Governments resulted in depriving the local population of the benefits likely to have accrued to them as a consequence of development undertaken by the management. Further, lapse of funds in salary / non-salary components adversely affected the overall performance of Local Governments.

C. Sectoral Analysis on the Achievements against Targets

v. Analysis of Financial Resources

Lapse of funds (as reflected above) equivalent to 30%, 40% and 81% of the budgeted amount against salary, non-salary and development components respectively culminating at 55% of overall budget. Resultantly the Local Governments failed to achieve minimum service delivery / infrastructure targets during the year. Available funds to the tune of Rs 72,970.747 million (60%) during the years under audit were not utilized to help achieve the targets. The same resulted in depriving the local populace of necessary facilities, such as provision of municipal services, sanitation, water supplies, roads and street lights etc.

vi. Analysis of Targets and Achievements

Sectoral analysis of the Local Governments was made on the basis of various performance indicators for the Financial Years 2021-22 and 2022-23. The Local Governments were required to achieve the objectives / targets set in annual budget. Major objectives / targets set by the Local Governments were as under:

x. Control over land use, spatial planning, land sub-division, land development and zoning by public and private sector for any purpose.

xi. Provide, improve and maintain public open spaces, graveyards, public gardens and play grounds.

xii. Sanitation & solid waste collection / disposal.

xiii. Enhancement of revenue generation capacity.

xiv. Provision of water supply and control / development of water sources.

xv. Establishment / formulation of sound system of internal controls, anti-corruption policy and procurement policy.

The management failed to achieve its revenue targets during the Financial Years 2021-22 & 2022-23 of Rs 13,493.974 million (24%) against the original revenue targets.

(Rupees in million)

FY	**Description**	**Target**	**Actual**	**Surplus (+) / Shortfall (-)**	**Variance %**
2021-22	Receipts	11,840.592	5,687.565	-6,153.027	52%
2022-23		45,483.698	38,142.751	-7,340.947	16%
Total		**57,324.290**	**43,830.316**	**-13,493.974**	**24%**

The above analysis reflects that Local Governments had failed to achieve any of their stated objectives from service delivery to sound financial management. No mechanism has been put in place to assess service delivery by these entities or achieve self-sufficiency in financial domain through revenue generation.

vii. Service Delivery Issues

Service delivery issues such as non-utilization of funds for development of municipal infrastructure, asset management, spatial planning, non-achievement of revenue collection targets, non-availability of operational vehicles and human resource management were observed and highlighted in this Audit Report. The Local Government failed to generate more revenues for ensuring best service delivery to general public. The significant irregularities pertaining to service delivery issues are given as under:

i. Non-utilization of development funds for provision / improvement of municipal services and infrastructure.
ii. Non-completion of development schemes within stipulated time period.
iii. Non-auction of Local Governments properties at re-assessed market rate.
iv. Encroachment of Local Governments properties.
v. Non-registration of Housing Schemes / Land Sub-divisions.

viii. Expectation Analysis and Remedial Measures

The Local Governments were established to ensure provision of municipal services like civic infrastructure development in health / sanitation / water supply etc. as well as to put in place the effective system of revenue generation and collection. However, Local Governments could not perform their functions. Further, poor financial management like poor budgeting and expenditure thereof as well as in-effective internal controls and monitoring mechanism regarding revenue collection especially from enforcement and weekly bazars were very weak.

Following remedial measures need to be taken to achieve the minimum service delivery standards of Local Governments:

i. Establishment of effective internal controls and proper implementation of the monitoring system.
ii. Strengthening the internal controls, adopting and following strong regulatory framework, fair tendering and judicious use of funds.
iii. Holding those accountable who are responsible for irregularities.
iv. Expediting the realization of Government receipts and overpayments.
v. Budget should be rationalized with respect to utilization.

1.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 23,130.449[9] million were raised as a result of this audit. This amount also includes recoverable of Rs 7,155.606 million as pointed out by Audit. Consolidated summary of audit observations on the accounts of Local Governments classified by nature is as under:

Overview of Audit Observations
(Rupees in million)

Sr. No.	**Classification**	**Amount**
1	Non-production of record	-
2	Reported cases of fraud, embezzlement and misappropriation	1.020
3	**Procedural irregularities**	-
A	HR / employees related irregularities	296.108
B	Procurement related irregularities	1,674.649
C	Management of Accounts with Commercial Banks	411.545
4	Value for money and service delivery issues	-
5	Others issues also include assets and receipts related issues	20,747.127
Total		**23,130.449**

Local Government wise summary of audit observations classified by nature is attached as **Annexure-E**.

1.3 Comments on the Status of Compliance with PAC Directives

The Audit Reports pertaining to following years were submitted to Governor of the Punjab but have not been examined by the Public Accounts Committee.

Sr. No.	**Audit Year**	**No. of Paras**	**Status of PAC Meetings**
1	2018-19	405	PAC meeting was not convened
2	2019-20	895	PAC meeting was not convened
3	2020-21	418	PAC meeting was not convened
4	2022-23	890	PAC meeting was not convened

Local Government wise status of previous audit reports is attached as **Annexure-F**.

<u>Note:</u> Non-convening of PAC has seriously hampered the accountability process and has encouraged the different tiers of Local Governments to repeat the irregularities.

[9]Amount of observations exceeds total expenditure as several issues of encroached / non-transfer of land cost and outstanding receipts have also been objected in many paras.

CHAPTER 2

2.1 Public Financial Management

Public Financial Management (PFM) is a central element of a functioning administration, underlying all government activities. It encompasses the mechanisms through which public resources are collected, allocated, spent and accounted for.

It is a proven fact that fiscal governance of any country is closely linked to an effective Public Financial Management (PFM) system, which focuses on principles of fiscal discipline, legitimacy, transparen-cy and accountability of public finances. PFM is framed around achieving an overall discipline which specifically includes resource allocation and operational efficiency and effectiveness of public expenditure. The maintenance of "aggregate fiscal discipline" is foremost and primary objective of PFM which revolves around interaction of two streams; revenue and expenditure. Revenue generation and Public Expenditure Management (PEM) complement each other in attaining the strategic macroeconomic objectives of the state.

Punjab Public Financial Management Act, 2022 provides a broad framework for regulating the public sector financial management from budget making, revenue generation, cash management, expenditure, accounting to scrutiny through public audit. The regularity framework of the Local Governments during different phases of evolution is as under:

i. The Punjab Local Government Act, 2019 (during 01.07.2021 to 15.10.2021).

ii. The Punjab Local Government Act, 2013 (during 16.10.2021 to 24.06.2022).

iii. The Punjab Local Government Act, 2022 (during 25.06.2022 till date).

The Chief Officer is the Principal Accounting Officer (PAO) of respective Local Government and carries out functions through offices as notified. Local Fund and Public Account constitute the fund of respective Local Government. Due to delay in electoral process, Chairmen were not elected. Therefore, the annual budget statements were authorized, in each District / Tehsil, by the Assistant Commissioner / Deputy Commissioner whoever was notified as Administrator by Government of the Punjab.The purpose was to provide better municipal services to the local community.

The Chief Officer / Principal Accounting Officer shall be responsible:

a) To adhere to and enforce the principles of financial propriety, including the compliance of laws, rules, regulations, maintaining high standard of prudence, vigilance, due diligence and ensuring value for money while incurring expenditure and collecting government receipts;

b) To prepare budgetary proposals within the indicative budget ceilings agreed by the Finance Department. All expenditure proposals shall be based on well-defined plans. Budget allocation to various heads of expenditures, to the offices under his control may be made as per government plans and priorities and in such a way that during the currency of year, requirements for additional budget or re-appropriation are minimized if not eliminated altogether;

c) To ensure the availability of budgetary allocations in various heads of accounts especially under the employee related expenditure in order to ensure timely payment of employee emoluments;

d) To prepare development budget proposals and include the realization of economic forecasts and projections as well as achievement of goals and targets committed with reference to development budget;

e) To sanction expenditure as per the delegated financial powers. Such sanctioning of expenditure shall not exceed the allocated budget. Prior to approving of expenditure sanction, principal accounting officer shall ensure that the required budget is available in the relevant head of account. Sanctioning of expenditure shall be based on the purpose for which the funds are allocated;

f) To ensure revenue collection tax and non-tax revenue pertaining to concerned tiers of Local Governments on timely basis;

g) To monitor the budget execution progress, and undertake reconciliation with accounting offices on monthly basis, related to revenues and expenditure of the concerned tiers of the Local Governments;

h) To ensure that accounts of concerned tiers of Local Governments are maintained correctly and effetiently;

i) Any sums due to concerned tiers of Local Governments are promptly realized and credited to the Local Fund / Public Account.

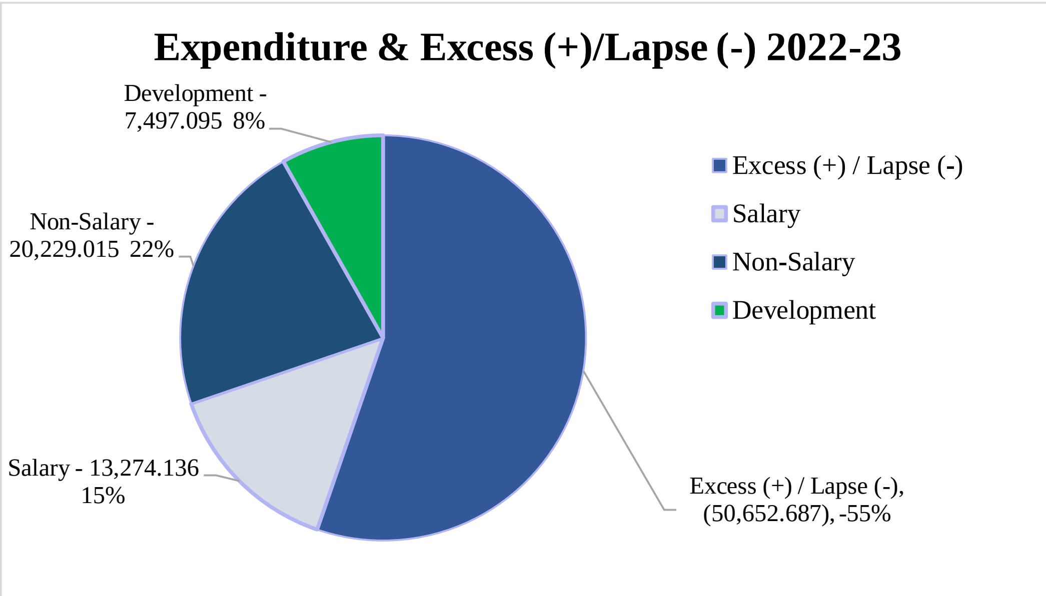
Resource Mobilization

An overall view of budget and expenditure of 93 Local Governments for the FY 2022-23 is given in the table below, whereas, tier wise budget and expenditure of Local Governments is placed at **Annexure-D**.

(Rupees in million)

FY	Description	Budget	Expenditure	Excess (+) / Lapse (-)	Variance %
2022-23	Salary	19,066.471	13,274.136	-5,792.335	-30
	Non-Salary	33,700.206	20,229.015	-13,471.191	-40
	Development	38,886.257	7,497.095	-31,389.162	-81
	Total	**91,652.934**	**41,000.246**	**- 50,652.687**	**-55**

	Description	Target	Actual	Surplus (+) / Shortfall (-)	Variance %
	Receipts	45,483.698	38,142.751	-7,340.947	-16



Against budget (development / non-development) of Rs 91,652.934 million for Financial Year 2022-23, different tiers of Local Governments could utilize only Rs 41,000.246 million. 81% development funds remained unspent during the financial year reflecting poor financial management of the concerned tiers of Local Governments. Whereas 30% and 40% of budget allocation for Financial Year 2022-23 was allowed to lapse in salary and non-salary components of non-development expenditure. An overall lapse of Rs 50,652.687 million, which was 55% of total budget allocation of these Local Governments, came to the notice of Audit due to weak internal controls mechanism.

Revenue Receipts of almost all tiers of Local Governments fell short of their budgeted targets. They did not increase the receipts as they heavily relied on Provincial Government funds.

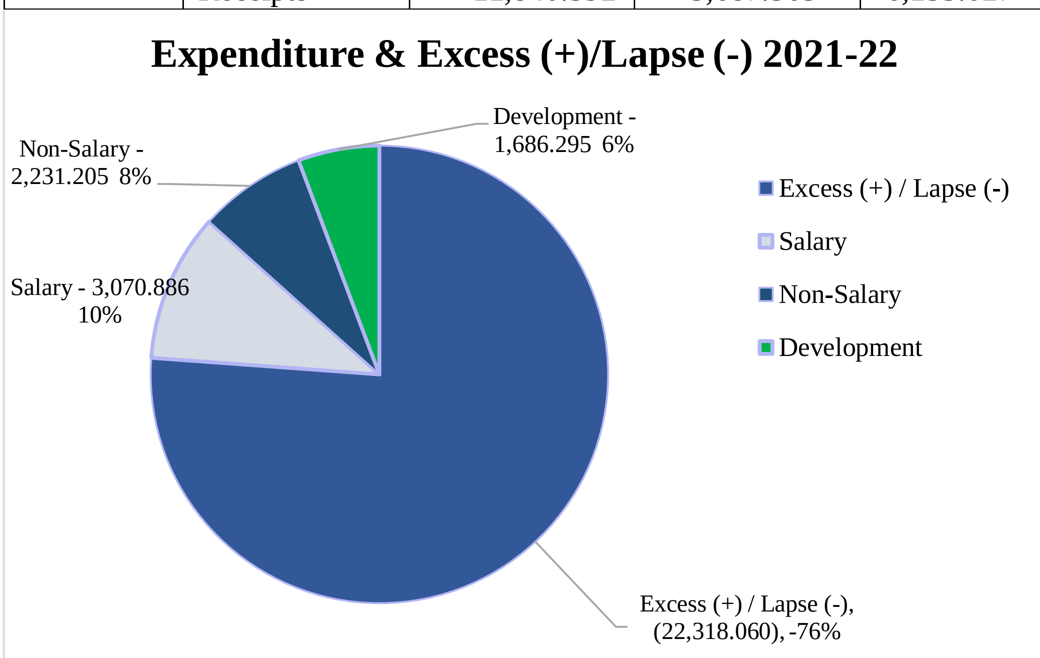
Revenue expenditure constituted 82% of the total expenditure incurred by the Local Governments during the FY 2022-23. Salary expenditure, comprising pay & allowances, pension contribution, financial assistance and leave encashment, was almost 33% of total revenue expenditure, whereas, non-salary was 49% during FY 2022-23.

Capital Receipts comprise receipts such as proceeds from recoveries of loans and advances, debt receipts from internal sources, and loans and advances from government as well as accruals from Public Account.

An overall view of budget and expenditure of 53 formations of different tiers of Local Governments for the FY 2021-22 is given in the table below, whereas, tier wise budget and expenditure of Local Governments is placed at **Annexure-D**.

(Rupees in million)

FY	Description	Budget	Expenditure	Excess (+) / Lapse (-)	Variance %
2021-22	Salary	6,983.106	3,070.886	-3,912.220	-56
	Non-Salary	10,819.880	2,231.205	-8,588.675	-79
	Development	11,503.460	1,686.295	-9,817.165	-85
	Total	**29,306.446**	**6,988.386**	**-22,318.060**	**-76**
	Description	**Target**	**Actual**	**Surplus (+) / Shortfall (-)**	**Variance %**
	Receipts	11,840.592	5,687.565	-6,153.027	-52



The 53 formations audited during the audit year under report related to Financial Year 2021-22 had budget (development / non-development) of Rs 29,306.446 million. These formations could only utilize Rs 6,988.386 million against the total allocated budget of Rs 29,306.446 million. Whereas 56% and 79% of budget allocation for Financial Year 2021-22 was allowed to lapse in salary and non-salary components of non-development expenditure. Moreover, the different tiers of the Local Governments exhibited poor financial management in the development port-folio with 85% lapse of funds. An overall lapse of Rs 22,318.060 million, which was 76% of total budget allocation of 53 formations of Local Governments, came to the notice of Audit due to weak internal controls of these Local Governments.

Revenue Receipts of almost all tiers of Local Governments fell short of their budgeted targets. They did not increase the receipts as they heavily relied on Provincial Government funds.

Revenue expenditure constituted 76% of the total expenditure incurred by 53 formations during the FY 2021-22. Salary expenditure, comprising pay & allowances, pension contribution, financial assistance and leave encashment, was almost 44% of total revenue expenditure, whereas, non-salary was 32% during FY 2021-22.

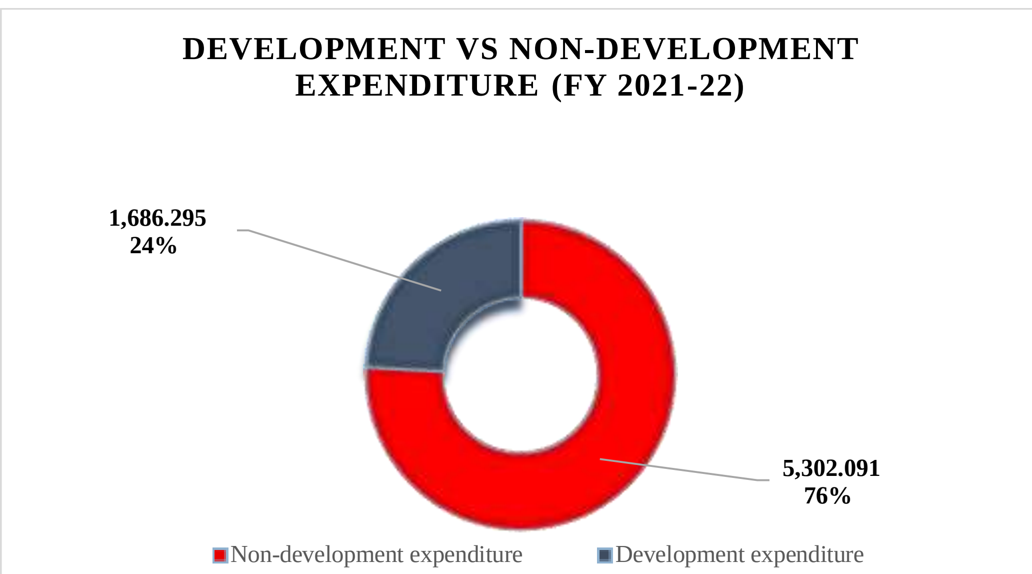
Capital Receipts comprise receipts such as proceeds from recoveries of loans and advances, debt receipts from internal sources, and loans and advances from government as well as accruals from Public Account.

Medium Term Development Framework

The fiscal priority and fiscal capacity of the 53 formations of Local Governments with regard to development expenditure during FY 2021-22 is as under:

(Rupees in million)

Description	Amount	Percentage
Non-development expenditure	5,302.091	76%
Development expenditure	1,686.295	24%
Total	**6,988.386**	**100%**

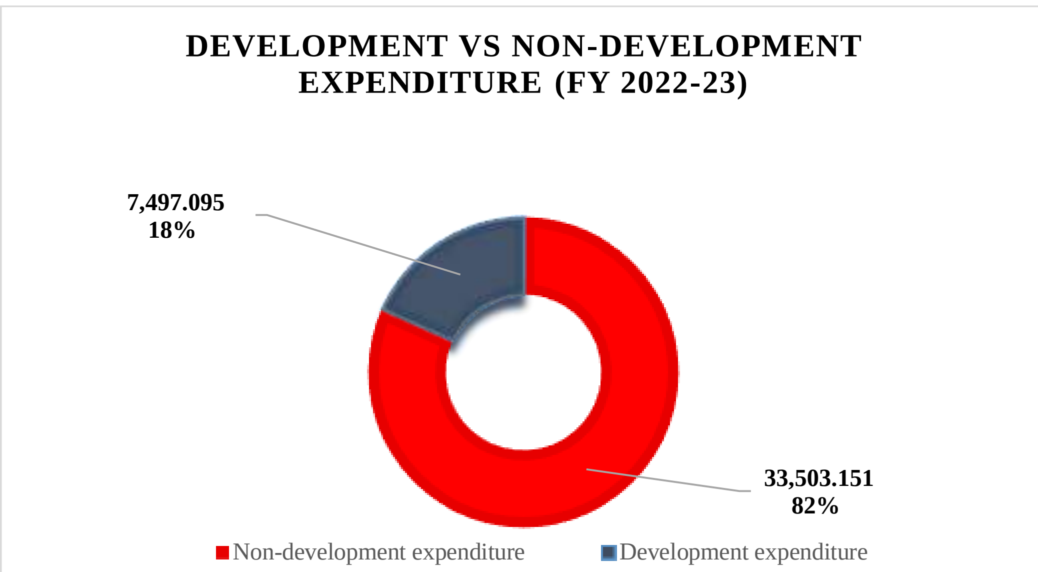


Overall evaluation of financial data indicated that Local Governments had less focus on development activities and available resources were not adequately utilized to improve infrastructure and service delivery. Only 24% of total funds were utilized on developing the infrastructure whereas major part (76%) of available resources were utilized on day-to-day activities pertaining to salalry and non-salarly components.

The fiscal priority and fiscal capacity of the 93 formations of Local Governments with regard to development expenditure during FY 2022-23 is as under:

(Rupees in million)

Description	Amount	Percentage
Non-development expenditure	33,503.151	82%
Development expenditure	7,497.095	18%
Total	**41,000.246**	**100%**



Overall evaluation of financial data indicated that Local Governments had less focus on development activities and available resources were not adequately utilized to improve infrastructure and service delivery. Only 18% of total funds were utilized on developing the infrastructure whereas major part (82%) of available resources were utilized on day-to-day activities pertaining to salalry and non-salarly components.

Annual Accounts

(Rupees in million)

Description	Budget	Expenditure	Excess (+) / Lapse (-)	Variance (%)

Salary	26,049.576	16,345.021	-9,704.555	-37
Non-Salary	44,520.086	22,460.220	-22,059.866	-50
Development	50,389.717	9,183.390	-41,206.327	-82
Total	**120,959.379**	**47,988.631**	**-72,970.747**	**-60**
Description	**Target**	**Actual**	**Surplus (+) / Shortfall (-)**	**Variance (%)**
Receipts	57,324.290	43,830.316	-13,493.974	-24

Financial Attest / Certificaion Audit of Annual Accounts of all the formations of Local Governments were audited in order to ascertain whether the expenditure incurred under the grant / head of account is in conformity with the laws, relevant rules and regulations. During financial attest audit of Annual Accounts of Local Governments for the FY 2021-22 audit emphasized on the following matter:

In violation of Rule 7 of the Punjab Local Government (Accounts) Rules 2017, "The accounts of the receipts and expenditures of the local government shall be maintained in such form and in accordance with such principles and methods as are given in the new accounting model (NAM) prescribed by the Auditor-General of Pakistan." Resident Audit Officer, District Council Rajanpur prepared appropriation and finance accounts of receipts and expenditures amounting to Rs 848.781 million. Resultantly, Annual Accounts were prepared variedly which failed to present a true and fair view as required by Annual Accounts duly prescribed.

Audit Paras

2.2 Metropolitan Corporation Bahawalpur

Procedural irregularities

2.2.1 Irregular expenditure by misclassification – Rs 46.461 million

According to Rule 12(b) (ii) of the Punjab Local Government (Accounts) Rules 2017, "The head of finance shall ensure that the expenditure is charged to relevant object code and remains within allocation." Further, according to Rule 32 (d) of the Punjab Local Government (Accounts) Rules 2017, "The sanctioning authority shall ensure that the head of account to which the voucher is to be charged is correct and is recorded on the face of each voucher."

During audit of MC Bahawalpur for the FY 2022-23, it was observed that CCO incurred expenditure of Rs 46.461 million on different heads of pay, contingent expenditure, purchase of assets and repair heads by using irrelevant head of accounts. Same nature bills were charged to different head of accounts. Further, assets were purchased from contingent heads as well as contingent items were purchased under heads of assets.

Due to weak internal controls, expenditure was incurred by misclassification which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. DDO replied that payments were made from irrelevant head of accounts due to weak financial position of this office. Reply was not tenable as expenditure was incurred from irrelevant head of accounts.

DAC in its meeting held on 11.12.2023 directed the Chief Officer to get the expenditure regularized from the competent authority besides action against responsible(s). No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

[AIR 2022-23 Para No. 02]

2.2.2 Irregular expenditure on contingent paid staff – Rs 7.591 million

According to Government of the Punjab, Finance Department Notification No. RO (Tech) FD 2-2/2022 dated 15.07.2022, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment."

During audit of MC Bahawalpur for the FY 2022-23, it was observed that CCO hired contingent paid / daily wager staff and made payment of Rs 7.591 million. The recruitments were made without advertisement in the newspapers and other codal formalities.

Due to weak internal controls, payment to contingent paid staff was made without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. DDO replied that contingent paid staff did not fall within the category of contract and regular employees, however, the demand for contingent paid staff was advertised in the newspapers. Reply of the department was irrelevant as complete process of recruitment was not adopted.

DAC in its meeting held on 11.12.2023 directed the Chief Officer to get the expenditure regularized from the competent authority besides fixing responsibility against the responsible(s). No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2020-21 vide para(s) number 2.2.4 and 1.4.3 respectively having financial impact of Rs 19.622 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 13]

Others

2.2.3 Non-execution of mortgage and land transfer deed – Rs 1,831.333 million

According to Rule 17 (e) & (f) and Rule 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "The developers are required to transfer the area reserved for roads, open space, park and solid waste management as well as one percent of the area under land sub-division for public buildings, excluding the area of mosque in favor of relevant development authority / body and should submit mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Bahawalpur for the FY 2022-23, it was observed that CCO neither got transferred nor mortgaged the required area valuing Rs 1,831.333 million from five housing schemes / land sub-divisions in the name of MC Bahawalpur.

Due to weak internal controls, mortgage and land transfer deed was not executed which resulted in irregular approval of housing schemes / LSDs and loss to MC.

The matter was reported to PAO in October, 2023. DDO replied that all the Housing Schemes / Land Sub-division Schemes were not cleared / approved from DPDC (District Planning & Design Committee) Bahawalpur. Reply was not tenable as required area was neither transferred nor mortgaged in the name of MC.

DAC in its meeting held on 11.12.2023 directed the Chief Officer to make efforts for transfer and mortgage of required property in the name of MC besides fixing responsibility against the person(s) at fault. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.2.10 and 1.6.1 respectively having financial impact of Rs 6,609.822 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 34]

2.2.4 Loss of revenue due to non-vacation of encroached property – Rs 1,155.273 million

According to Rule 4 (L) of the Punjab Local Government (Property) Rules, 2018, "The manager shall be vigilant about and to check encroachments or wrongful occupations on property and in case, there is any encroachment or wrongful occupation, take necessary steps for the removal thereof."

During audit of MC Bahawalpur for the FY 2022-23, it was observed that CCO failed to get three (03) valuable lands vacated from illegal occupants valuing Rs 1,155.273 million. The detail is as under:

(Rupees in million)

Sr. No	Name / Place of Land	Encroached Area (In Marla)	Encroached by	Rate / Marla	Total Amount
1	Majeed Abad	538	General Public	399,000	214.662
2	Mousa Colony	3,156	General Public	273,000	861.588
3	Saray Godomal	53	General Public	1,491,000	79.023
Total		**3,747**			**1,155.273**

Due to weak internal controls, encroached property was not got vacated from illegal occupants which resulted in potential revenue loss to the corporation.

The matter was reported to PAO in October, 2023. DDO did not submit reply.

DAC in its meeting held on 11.12.2023 directed the Chief Officer for vacation of encroached property from illegal occupants besides fixing responsibility against the person(s) at fault. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.2.7, 1.2.5.3.3 and 1.2.5.2 respectively having financial impact of Rs 28,735.127 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 30]

2.2.5 Loss due to non-recovery of revenue – Rs 114.606 million

According to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Bahawalpur for the FY 2022-23, it was observed that CCO did not collect revenue on account of rent of property, water rates, sewerage fees, conversion fees and map fees resulting in loss of Rs 114.606 million. The income was either less deposited or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	Description	Financial Year	Amount
1	Rent of property, water rates and sewerage fees	2022-23	110.393
2	Map and conversion fees		4.213
Total			**114.606**

Due to weak internal controls, non-recovery of revenue resulted in loss to MC.

The matter was reported to PAO in October, 2023. DDO replied that field staff visited the sites and served notices for recovery to the concerned. Reply was not tenable as efforts for recovery were not made.

DAC in its meeting held on 11.12.2023 directed the Chief Officer to recover the amount from the concerned besides fixing responsibility against the responsible(s). No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2020-21, 2019-20 and 2018-19 vide para(s) number 2.2.9, 1.4.12, 1.2.5.3.4 and 1.2.5.3 respectively having financial impact of Rs 7,690.366 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 06, 33]

2.2.6 Loss due to payment of inadmissible allowances and non-recovery of HBA – Rs 1.960 million

According to Government of the Punjab, Finance Department letter No. FD. S.R-I 9-4/86 (P) PR dated 04.12.12, "The employees who were residing in the residential colonies situated within work premises were not entitled to draw Conveyance Allowance." Further, according to Rule 1.15 of the Punjab Travelling Allowance Rules 1976, "Conveyance allowance is not admissible during the period of leave". Furthermore, according to Government of the Punjab, Finance Department letter No. FD (M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance." Moreover, according to clarification issued by the Finance Department, Government of the Punjab vide letter No. FD.SR.I.9-4/86 (P) (PR) dated 04.12.2012, "The employees who are residing in the residential colonies situated within work premises are not entitled to the facility of Conveyance Allowance."

During audit of MC Bahawalpur for the FY 2022-23, it was observed that CCO paid inadmissible allowances against entitlement and did not recover HBA amounting to Rs 1.960 million. The detail is as under:

(Rupees in million)

Sr. No.	Nature of recovery	Amount
1	House Rent and CA having Govt. accommodation	1.024
2	Conveyance allowance for using Govt. Vehicle	0.557
3	Recovery CA during leaves	0.006

4	Recovery of CA during leaves	0.288
5	Recovery of House Building Advance	0.085
Total		**1.960**

Due to weak internal controls, payment of inadmissible allowances and non-recovery of HBA resulted in loss to MC.

The matter was reported to PAO in October, 2023. DDO replied that required deductions were made from the salaries of employees to whom residence were allotted. Reply was not tenable as relevant record in support of reply was not produced during verification.

DAC in its meeting held on 11.12.2023 directed the Chief Officer for recovery from the concerned besides fixing responsibility against the person(s) at fault. No progress was intimated till the finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2020-21 vide para(s) number 2.2.18 and 1.4.6 respectively having financial impact of Rs 4.152 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 29]

2.3 Metropolitan Corporation Dera Ghazi Khan

Procedural irregularities

2.3.1 Irregular expenditure on purchase of store items – Rs 7.215 million

According to Rule 9 of Punjab Procurement Rules 2014, "A procuring agency shall announce in an appropriate manner all proposed procurement for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. The annual requirements thus determined would be advertised on PPRA website in case of over two hundred thousand rupees to 3 million rupees."

During audit of MC Dera Ghazi Khan for the FY 2022-23, it was observed that CCO incurred expenditure of Rs 7.215 million on account of purchase of various store items without tendering process by splitting the indents. The same items were purchased repeatedly with or without quotations to avoid the advertisement. These purchases were made on higher rates due to cartel and non-availability of competition.

Due to weak internal controls, expenditure was incurred on purchase of various items without observing procurement rules which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. CO replied that all the procurements were made after fulfilling codal and legal formalities. The reply was not tenable as the purchases were made without advertisement, through splitting the bills.

DAC in its meeting held on 25.01.2024 directed the CO to get the matter regularized from competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.3.11 having financial impact of Rs 4.964 million. Recurrence of same irregularity is a matter of serious concern.
[AIR 2022-23 Para No. 21]

2.3.2 Irregular expenditure on work charged staff – Rs 6.615 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Dera Ghazi Khan for the FY 2022-23, it was observed that CCO incurred expenditure amounting to Rs 6.615 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department. The detail is as under:

(Rupees in million)

Head of Account	Budget	Expenditure	Remarks
A01277 - Contingent paid staff	2.500	2.469	Appointment of work charge employees.
A0397021- COVID-19	4.500	4.146	120 work charge employees hired to combat Covid-19.
Total		**6.615**	

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023. CO replied that staff had been appointed as permanent workman in compliance of Court's Order. Further, under head COVID-19, staff had been hired for sewerage & sanitation purpose on monthly basis after sanction of the Government. The reply was not tenable as the due hiring process was not observed by the management.

DAC in its meeting held on 25.01.2024 directed the CO to get the matter regularized from competent authority. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC’s directives.

[AIR 2022-23 Para No. 04]

2.3.3 Doubtful expenditure on development schemes without mentioning site location – Rs 3.069 million

According to Rule 9(b) of Punjab Local Government (Accounts) Rules 2017, “The drawing and disbursing officer and payee of the pay, allowances, contingent expenditure, or any other expense shall be personally responsible for overcharge, fraud or misappropriation and shall be liable to make good that loss.”

During audit of MC Dera Ghazi Khan for the FY 2022-23, it was observed that CCO executed the development schemes and repair & maintenance amounting to Rs 3.069 million but site location for providing and laying of RCC slab were neither mentioned in technical sanctioned estimates nor recorded in measurement book. The detail is as under:

(Rupees in million)

Schemes	Contractor	Item	Amount
Providing and laying of RCC slab on Different Nala Jaat of DG Khan City Metropolitan corporation DG Khan	M. Ramzan work order No.557/ 20.05.2022	P/L of RCC slab	0.500
(1) Maintenance & repair of sewerage lines & Manhole including crown failures in City DG Khan up to 5 million (2) Maintenance of Manhole and manhole in city Dera Ghazi Khan up to 03 million	Nazir work order No. 1886/05.10.21	P/F of RPE Manhole covers with RPC Frame	1.032
		P/L of PCC	0.095
		Pacca brick work F&P 1:3	0.054
		Dismantling of PCC	0.013
		Pacca brick work F&P 1:3	0.101
		P/F 6" thick PCC	0.178
		P/F 6" thick RFC manhole cover 22" diameter	1.096
Total			**3.069**

Due to weak internal controls, development works were executed without exact location which resulted in doubtful expenditure.

The matter was reported to PAO in October, 2023. CO replied that the work was properly recorded in measurement books which were available for ready reference. The reply was not tenable as the measurement books containing required entries were not produced during verification as well as to DAC.

DAC in its meeting held on 25.01.2024 directed the CO to provide complete record within one month for verification. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

<u>Note:</u> The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.3.12 having financial impact of Rs 4.794 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 11]

Others

2.3.4 Loss due to non-recovery of revenue – Rs 1,210.275 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Dera Ghazi Khan for the FY 2022-23, it was observed that CCO failed to recover arrears of revenue amounting to Rs 1,210.275 million on account of rent of municipal property / shops, slaughter house, adda fees, water rates, conversion and other fees.

Due to weak internal controls, arrears of revenue were not recovered from the concerned which resulted in loss to the MC Dera Ghazi Khan.

The matter was reported to PAO in October, 2023. CO replied that the recovery process was initiated and the arrears / default amount was being declared as arrears of land revenue. Audit stressed to expedite the process of recovery without further delay.

DAC in its meeting held on 25.01.2024 directed the CO to ensure the recovery within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR Para No. 8, 10, 24]

2.3.5 Non-deposit of government taxes and non-recovery of PST – Rs 6.811 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided." Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure (Withholding) Rules 2007, "1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax."

During audit of MC Dera Ghazi Khan for the FY 2022-23, it was observed that CCO did not deposit Rs 4.952 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees. Further, Punjab Sales Tax @ 16% amounting to Rs 1.859 million was not recovered from the contractors having collection rights of slaughter house and adda fees during the year.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury and PST was not recovered which resulted in loss to the Government.

The matter was reported to PAO in October, 2023. CO replied that the recovery process had been initiated where the taxes were not / less deducted. Further, taxes deducted as source had been deposited into Government treasury. The reply was not tenable as no proof of deposited amount was produced for verification. Audit stressed to expedite the process of recovery without further delay.

DAC in its meeting held on 25.01.2024 directed the CO to ensure the recovery / deposit of taxes within one month. No progress was intimated till finalization of this Report.

Audit recommends early compliance of DAC's directives besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 7, 12]

2.4 Metropolitan Corporation Faisalabad

Procedural irregularities

2.4.1 Irregular approval of development scheme through splitting - Rs 68 million

According to Rule 5(7) & 5(8) of the Punjab Local Governments (Works) Rules, 2017, "The Development Committee of Municipal Corporation is empowered to accord administrative approval of the works costing up to Rs 20 million."

During audit of MC Faisalabad for the FY 2022-23, it was observed that Development Committee of MC Faisalabad accorded administrative approval of works costing Rs 68 million in its meeting dated 31.10.2022 by splitting the scheme into four different components to avoid administrative approval of next higher forum i.e. District Development Committee, as detailed below:

(Rupees in million)

Sr. No.	Name of Scheme	Amount
1	Repair / Improvement / Rehabilitation / Providing and fixing of LED Street Lights in CC-80,81,82,84,85,86,87, 88,89,90 (NA-108)	16.300
2	Repair / Improvement / Rehabilitation / Providing and fixing of LED Street Lights in City Council Nos. 91 to 101 (NA-108)	17.000
3	Repair / Improvement / Rehabilitation / Providing and fixing of LED Street Lights in CC-102,106,108,109,110, 111,112,113 (NA-108)	17.500
4	Repair / Improvement / Rehabilitation / Providing and fixing of LED Street Lights in CC-114,115,116,117,118, 119,120,141,157 (NA-108)	17.200
Total		**68.000**

Due to weak internal controls, development scheme was split into sub-components which resulted in irregular administrative approval.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. Dir / Aud / Local. Govts / Fsd / 1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 11]

2.4.2 Irregular and unauthentic expenditure on hiring of vehicles & machinery – Rs 57.324 million

According to Rule 59(d)(iii)&(iv) of the Punjab Procurement Rules, 2014, "A procuring agency may engage in negotiated tendering with one or more contractors with or without prior publication of a procurement notification for reasons of extreme urgency brought about by events unforeseeable by the procuring agency, however, the circumstances invoked to justify extreme urgency must not be attributable to the procuring agency; and the Provincial Cabinet, for reason to be recorded in writing, approves any specific procurement to be made on urgent basis and shall fix the time for such urgency."

During audit of MC Faisalabad for the FY 2022-23, it was observed that CCO incurred expenditure of Rs 57.324 million on hiring of tractors, trollies and excavators for removal of malba. However, the expenditure was held irregular / unauthentic on the following grounds:

i. Expenditure of Rs 22.085 million was incurred on hiring of machinery (for removing encroachments at Old Vegetable Market, Nazimabad) without inviting tenders and unauthorized invoking urgency clause without justification and approval of the Provincial Cabinet. Further, whereabouts of saleable material were not forthcoming from the record. Furthermore, excess expenditure of Rs 2.859 million was incurred by paying rent on per trip basis instead of preparing analysis of rates on the basis of Input Rates.

ii. Expenditure of Rs 35.239 million was incurred by showing removal of malba from different locations of city area without justifying existence of malba in huge quantities, without preparing detailed estimate describing exact location. Moreover, some of the claim vouchers regarding removal of malba from different locations of city contained same pictorial evidence which was attached with the claim vouchers regarding removal of encroachment from Old Vegetable Market, Nazimabad. **Annexure-1**

Due to weak internal controls, expenditure was incurred in non-transparent manner and without inviting tenders which resulted in irregular and unauthentic expenditure.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry for recovery and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.4.16 having financial impact of Rs 9.686 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para Nos. 9, 20]

2.4.3 Non-transparent expenditure on sports activities – Rs 20.545 million

According to Rule 59(d)(iii)&(iv) of the Punjab Procurement Rules, 2014, "A procuring agency may engage in negotiated tendering with one or more contractors with or without prior publication of a procurement notification for reasons of extreme urgency brought about by events unforeseeable by the procuring agency, however, the circumstances invoked to justify extreme urgency must not be attributable to the procuring agency; and the Provincial Cabinet, for reason to be recorded in writing, approves any specific procurement to be made on urgent basis and shall fix the time for such urgency."

During audit of MC Faisalabad for the FY 2022-23, it was observed that CCO incurred expenditure of Rs 20.545 million on arrangement of sports activities. However, expenditure was incurred by invoking urgency without approval of Provincial Cabinet to avoid tendering and funds were drawn by showing expenditure twice for the same dates, recording doubtful stock entries etc. **Annexure-2**

Due to weak internal controls, expenditure was incurred without inviting tenders and without maintaining proper record which resulted in non-transparent expenditure.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of excess paid amount.

[AIR 2022-23 Para No. 15]

2.4.4 Irregular expenditure on behalf of PCMMDC – Rs 5.355 million

According to Rule 8(b) of the Punjab Local Governments (Budget) Rules 2017, "The Drawing and Disbursing Officers shall incur expenditure strictly against the allocation under the relevant object code and in accordance with the rules and keep in safe custody the departmental expenditure record. Moreover, according to Para 4.5 of the West Pakistan Buildings & Roads Department Code, "No payment should be made without detailed measurement in the measurement book. The description of the work must be lucid so as to admit of easy identification and check."

During audit of MC Faisalabad for the FY 2022-23, it was observed that CCO made payment of Rs 5.355 million on behalf of Punjab Cattle Market Management & Development Company (PCMMDC) against scheme for Construction of Cattle Mandi, Chak No. 235/RB Nia Moana, Faisalabad. However, payment was held irregular on the following grounds:

i. PCMMDC had its own source of income to incur expenditure.

ii. Substantial record i.e. estimate, technical sanction, administrative approval, contractor's bill, measurement book etc. was not maintained / produced to Audit.

iii. Claim was not submitted to PCMMDC or LG&CD Department for reimbursement.

Due to weak internal controls, expenditure was incurred on behalf of PCMMDC without fulfilling codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends reimbursement of expenditure from PCMMDC besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 13]

Others

2.4.5 Non-recovery of conversion fees – Rs 150.368 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Faisalabad for the FY 2022-23, it was observed that CCO did not recover conversion fees amounting to Rs 150.368 million from owners of commercial buildings who constructed commercial sites without approval. **Annexure-3**

Due to weak internal controls, the non-recovery of conversion fees resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion fees from the concerned.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23, 2020-21, 2019-20 and 2018-19 vide paras number 2.4.9, 4.4.5, 3.2.5.2.6, and 3.2.2.3 respectively having financial impact of Rs 741.677 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 7]

2.4.6 Non-recovery of Government dues – Rs 50.640 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head." Moreover, according to Clause 4 of the Memorandum of Understanding between TMAs, Madina Town, Lyallpur Town, Iqbal Town, Jinnah Town (the 1st Party) and Faisalabad Parking Company Limited (the 2nd Party), "75% of the revenue generated by the 2nd Party through provision of parking facilities and service under the agreement shall be paid by the 2nd party to the 1st party."

During audit of MC Faisalabad for the FY 2022-23, it was observed that CCO failed to recover Government dues amounting to Rs 50.640 million on account of road cut charges, property rent and parking share, as detailed below:

(Rupees in million)

Sr. No.	Description	Amount
1	Non-recovery of restoration of road cut charges from WASA and SNGPL against 05 and 04 demand notices respectively	14.685
2	Non-recovery of rent from the lessees / occupants of various properties located at Sahulat Bazars and Darrajat under Jhaal Khanuana, Tariqabad & Novelty overhead bridges	22.955
3	Non-recovery of parking share from Parking Company as per MOU	13.000
Total		**50.640**

Due to weak internal controls, Government dues were not recovered which resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends early recovery of Government dues besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23, 2019-20 and 2018-19 vide paras number 2.4.12, 2.4.14, 3.2.5.9 and 3.2.2.9 having financial impact of Rs 77.722 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 4, 5, 21]

2.4.7 Loss to Government due to non-recovery of PST – Rs 6.896 million

According to Serial No.56 of the Second Schedule to the Punjab Sales Tax on Services Act, 2012, "Rate of sales tax is sixteen percent on debt collection, rent collection and similar other recovery or collection services including right to collect the toll or fee or regulatory fee or duty or any other similar collection."

During audit of MC Faisalabad for the FY 2022-23, it was observed that CCO did not recover PST on auction of collection rights of fees from slaughter house amounting to Rs 6.896 million @ 16% from the contractor.

Due to weak internal controls, PST was not recovered which resulted in loss to the Government.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

<u>Note:</u> The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.4.21 having financial impact of Rs 4.416 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 8, 16]

2.4.8 Loss due to payment of inadmissible allowances – Rs 6.442 million

According to Government of the Punjab, Finance Department letter No. FD (M- I) 1-15/82-F-I dated 15.01.2000, "In case of designated residence, the officer / official for whom the residence was meant cannot draw House Rent Allowance." Moreover, according to Government of the Punjab, S&GAD letter No.(O&M)S&GAD)5-3/2013 dated 01.03.2013, "The contract employees will not be entitled for Social Security Benefit (SSB) after regularization of their services and their pay shall be fixed at the initial of the respective pay scales."

During audit of MC Faisalabad for the FY 2022-23, it was observed that CCO made inadmissible payment of house rent and SSB amounting to Rs 6.442 million to the employees, as detailed below:

(Rupees in million)

Sr. No.	**Description**	**Amount**
1	Payment of house rent allowance to employees residing in MC residences	5.277
2	30% SSB paid after regularization of services of contract employees	1.165
Total		**6.442**

Due to weak internal controls, inadmissible house rent and SSB were paid which resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of inadmissible allowances besides fixing responsibility against the person(s) at fault.

<u>Note:</u> The issue was also reported earlier in the Audit Report for the Audit Year 2022-23vide para number 2.4.22 having financial impact of Rs 4.088 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 6, 27]

2.4.9 Overpayment to the contractor due to wrong calculation – Rs 2.274 million

According to Para 4.5(5) of the Buildings and Works Department Code, “Every Officer making or ordering payment on behalf of Government should satisfy himself that work has been actually done in accordance with the bill submitted for payment.”

During audit of MC Faisalabad for the FY 2022-23, it was observed that CCO made excess payment of Rs 2.274 million to contractor against item No. 7 regarding providing / laying of 2-inch thick bituminous carpeting, as detailed below:

(Rupees in million)

Name of Scheme	**Quantity of premixed carpeting**	**Rate per 100 Sft**	**Actual Amount**	**Amount Paid**	**Excess Amount**
a	**b**	**c**	**d = b x c / 100**	**e**	**f = e - d**
Repair / improvement / rehabilitation of carpet road in Main Bazar Islam Pura	15,450 Sft	14,654.52	2.264	4.538	2.274

Due to weak internal controls, wrong calculation was made which resulted in excess payment to the contractor.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the concerned.

[AIR 2022-23 Para No. 26]

2.5 Metropolitan Corporation Multan

Procedural irregularities

2.5.1 Irregular purchases and consumption of store items – Rs 36.408 million

According to Rule 9 and 12 of the Punjab Procurement Rules 2014, “A procuring agency shall announce in an appropriate manner all proposed procurement for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. The annual requirements thus determined would be advertised on PPRA website in case of over two hundred thousand rupees to 3 million rupees.” Furthermore, according to Rule 15.4 (a) and 15.5 of the PFR, Vol-I, “The receiving Government servant should also be required to give a certificate that he has actually received the materials and recorded them in his appropriate stock registers. When materials are issued a written acknowledgement should be obtained from the person to whom they are ordered to be delivered or dispatched and when materials are issued from stock for departmental use, manufacture or sale, etc., the Government servant in charge of the stores should see that an indent in PFR Form 26 has been made by a properly authorized person.”

During audit of MC Multan for the FY 2022-23, it was observed that CCO incurred expenditure amounting to Rs 36.408 million on purchase of sports items, refreshment and food, stationery, street lights, general store items etc. without maintenance of proper stock entries / receiving issuance of store / stocks. Stock entries were not attested by the DDO and consumable items were shown consumed at once. Furthermore, all items were required to be purchased based on annual demand and requirement through competitive bidding instead of simple quotations by keeping bills below Rs 200,000. The detail is as under:

(Rupees in million)

Object Code	**CO**	**MO(F)**	**MO(I)**	**MO(S)**	**MO(P)**	**MO(R)**	**Total**
Stationery	1.472	0.420	0.478	0.274	0.252	-	2.896
Cost of store	0.494	-	-	0.331	-	-	0.825
Other	0.787	-	0.773	0.000	0.319	-	1.879
Other assets	2.476	0.361	4.209	0.462	-	-	7.508
Unforeseen expenditure	4.927	-	0.000	0.963	-	0.468	6.358
Unforeseen for disaster	-	-	0.000	0.327	-	-	0.327
IT equipment	-	-	0.284	-	-	-	0.284
Repair transport	0.895	0.346	1.482	0.772	0.387	1.669	5.551
Furniture & fixture repair	0.388	-	-	-	-	-	0.388
Sports	2.386	-	-	-	-	-	2.386
National celebration	8.006	-	-	-	-	-	8.006
Total							**36.408**

Due to weak internal controls, purchases were made without observing procurement rules and maintenance of proper record of consumption which resulted in irregular procurement.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.5.3 having financial impact of Rs 20.249 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 9]

2.5.2 Loss due to payment against sub-standard work – Rs 7.095 million

According to clause 6 of the contract executed between contractor and Chief Corporation Officer MC Multan, "The contractor will execute work as per approved specification and up to entire satisfaction of authorities of Metropolitan Corporation Multan. In case of sub-standard work, the payment will not be made till rectification of defective work."

During audit of MC Multan for the FY 2022-23, it was observed that CCO made payment to the contractors amounting to Rs 7.095 million against execution of different schemes. As per TS estimates and work orders issued to the contractors, tuff tiles of 60mm 7,000 PSI had to be used while according to test reports, tuff tiles were used having crushing strength ranging between 3,250 PSI to 5,640 PSI. Furthermore, the securities were also refunded to the contractors without removal of defects. **Annexure-4**

Due to weak internal controls, payment was made against sub-standard work without removal of defects from the contractors which resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides removal of defects.

[AIR 2022-23 Para No.5]

Others

2.5.3 Non-recovery of conversion and map fees – Rs 162.601 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Multan for the FY 2022-23, it was observed that CCO did not recover conversion and building plan approval fees amounting to Rs 162.601 million from owners of commercial buildings and land sub-divisions who constructed commercial sites without approval.

Due to weak internal controls, conversion and building plan approval fees were not recovered from owners of commercial sites which resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23, 2020-21 and 2018-19 vide paras number 2.5.7, 5.4.21 and 4.2.2.9, 4.2.2.11, 4.2.3.2, 4.2.3.5, 4.2.4.10 respectively having financial impact of Rs 469.679 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.15, 16]

2.5.4 Loss due to non-re-auctioning and recovery of rent of shops – Rs 78.673 million

According to Rule 4(d) of the Punjab Local Government (Property) Rules, 2018, "The Manager shall ensure that the rented Property fetches the maximum rent." Further, according to clause 14 of the lease agreement, "If the tenant violate any condition of lease agreement TMA has right to get vacated shop and would recover arrears if any."

During audit of MC Multan for the FY 2022-23, it was observed that CCO did not take any measure to re-auction shops to fetch maximum revenue. These shops were leased out during different financial years by defunct TMAs in accordance with the Punjab Local Government (Property) Rules, 2003 and the period of such lease was up to five years at a time which was already expired. Neither the management made efforts to get re-assessment of rent of shops nor fresh lease/rent agreement was executed between tenants and MC for next period. Furthermore, rent of shops amounting to Rs 78.673 million was not recovered from the different tenants during the financial year.

Due to weak internal controls, neither arrear recovered nor shops were re-auctioned to fetch maximum revenue which resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of arrears at the earliest and re-auctioning of shops at current market rates.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23, 2020-21 and 2018-19 vide paras number 2.5.8, 5.4.23 and 4.2.3.1 respectively having financial impact of Rs 281.996 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 3, 7]

2.5.5 Loss due to short recovery of revenue – Rs 1.925 million

According to Rule 20 (7) of the Punjab Local Governments (Accounts) Rules 2017, "Receipts of the Local Government shall be collected in transparent manner, beyond any doubt of misappropriation, fraud, embezzlement or compromise."

During audit of MC Multan for the FY 2022-23, it was observed that CCO made short recovery of revenue from different contractors amounting to Rs 1.925 million on account of different auctions of parking stand fees, entry fees of Art Gallery / Dam Dama etc**.** The detail is as under:

Detail of auction	Total demand	Recovery	Balance
Parking Gardezi Market	0.400	0.343	0.057
Entry fees Art Gallery / Dam Dama	8.150	8.129	0.021
Parking stand Hussain Agahi	5.511	3.664	1.847
Total	**14.061**	**12.136**	**1.925**

Due to weak financial controls, revenue was short recovered which resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue besides fixing responsibility against the person(s) at fault.

<u>Note:</u> The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23 and 2020-21 vide paras number 2.5.6 and 5.4.19 respectively having financial impact of Rs 417.594 million. Recurrence of same irregularity is a matter of serious concern

[AIR 2022-23 Para No.4, 13]

2.6 Metropolitan Corporation Sahiwal

Procedural irregularities

2.6.1 Irregular expenditure in violation of Procurement Rules – Rs 197.664 million

According to Rule 9 and 12(1) & (2) of Punjab Procurement Rules 2014, "A procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. A procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations. Any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu."

During audit of MC Sahiwal for the FY 2022-23, it was observed that CCO incurred expenditure amounting to Rs 197.664 million on purchase of various store items i.e, sports items, COVID safety items, stationary, street lights, material of filteration plant, uniforms and bamboos etc. and repair of buidings and roads. The expenditure was incurred by splitting to avoid tendering process.

Due to weak internal controls, procurement rules were not observed which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

<u>Note:</u> The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23 and 2020-21 vide paras number 2.6.2 and 6.4.7 respectively having financial impact of Rs 40.037 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 2, 3, 7]

Others

2.6.2 Loss due to less recovery of revenue - Rs 389.502 million

According to Rule 4.1 of PFR Vol-I, “The departmental controlling officer should see that all sums due to Government are regularly received and checked against demand and that they are paid into treasury.”

During audit of MC Sahiwal for the FY 2022-23, it was observed that CCO less recovered rent of building, shops and other receipts amounting to Rs 389.502 million from the tenants and water connection holders. Further, less recovery was made on account of water rates, sanitation tax and rent of shops during the years. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Less recovery of rent of building	44.635
2	Less recovery of water rates and sanitation tax	2.661
3	Less recovery of rent of shops	342.206
	Total	**389.502**

Due to weak internal controls, revenue were less recovered which resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery from the concerned besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2018-19 vide para number 5.2.3.6 having financial impact of Rs 2.830 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 5, 6, 14]

2.6.3 Non-recovery of conversion and map fees – Rs 18.513 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, “The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case

the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Sahiwal for the FY 2022-23, it was observed that CCO did not recover conversion and map fees amounting to Rs 18.513 million from owners of commercial buildings and land sub-divisions who constructed commercial sites without approval.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned.

<u>Note:</u> The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23, 2020-21 and 2018-19 vide paras number 2.6.8, 6.4.15 and 5.2.3.1 respectively having financial impact of Rs 200.008 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 15, 16, 20]

2.7 Municipal Committee Abdul Hakim

Procedural irregularities

2.7.1 Irregular payment of bitumen without proof of standard quality – Rs 6.182 million

According to Chief Engineer Punjab District Support and Monitoring Department, Lahore vide his office letter No. 3357-93/W (I), Dated 26-08-2015 addressed all the EDOs (W&S) in Punjab stating that, "The chief Minister has direct all contractors to use bitumen of approved refineries already notified by the Finance Department and payment against the bitumen related items shall not be entertained without invoices and gate passes of the approved / notified Refineries."

During audit of MC Abdul Hakim for the FY 2021-22, it was observed that CO made payments of Rs 6.182 million for use of bitumen in surface treatment work of roads but did not ensure to obtain invoices and gate passes of the approved / notified Refineries. Further, test reports of bitumen used in surface treatment work of roads were also not on record.

Due to weak financial management, payment was made on account of surface treatment of roads without production of invoices and gate pass regarding quality of bitumen which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides provision of necessary record for verification.

[AIR 2019-22 Para No. 15]

Others

2.7.2 Non-recovery of conversion and map fees – Rs 11.015 million

According to Rule 50 (1)(C) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy the conversion fee for the conversion site development zone (agriculture area) to residential use shall be two percent of the agricultural value of the land or plot or property as per valuation table and in case the valuation table is not available two percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee.” Further, according to Sr. No. 22 (II) read with Municipal Committee Abdul Hakim, Khanewal, notification MC/ABK/574 dated 05.10.2018, “map fees of land sub-division is @ Rs 1,500/- per Marla”

During audit of MC Abdul Hakim for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 11.015 million for the Financial Years 2019-20 to 2022-23 from owners of commercial buildings and land sub-divisions who constructed commercial sites without approval.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned.

[AIR 2022-23 Para No. 02, 03]
[AIR 2019-22 Para No. 07]

2.8 Municipal Committee Ahmed Pur East

Others

2.8.1 Loss due to non-realization of revenue – Rs 84.349 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Ahmed Pur East for the FY 2022-23, it was observed that CO did not collect revenue on account of parking fees, rent of shops, arrears of receipts and conversion fees amounting to Rs 84.349 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Parking fees, rent of shops and arrears of receipts	1.005
2	Conversion fees	83.344
Total		**84.349**

Due to weak internal controls, the non-realization of revenue resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.9.4 and 7.2.5.3.3 respectively having financial impact of Rs 129.49 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Paras No. 6, 19]

2.9 Municipal Committee Ahmad Pur Sial

Procedural irregularities

2.9.1 Irregular execution of civil works – Rs 12.263 million

According to Rules 4(3), 5(2) and 5(5) of the Punjab Local Governments (Works) Rules, 2017, "The work costing Rupees 1.5 million or above shall be prepared on the PC-I prescribed by the Government and approved in the manner prescribed for approval of PC-I. For the preparation of rough cost estimates, the engineering staff shall inspect the site and work out the feasibility of the work through images or photographs of the site. The estimate on the basis of which a work is to be undertaken shall be subject to technical sanction by the competent authority in the prescribed manner."

During audit of MC Ahmad Pur Sial for the FY 2022-23, it was observed that CO executed three works for construction of drainage / sewer schemes through different contractors at agreement cost of Rs 12.263 million. However, works were executed without identification of sites, preparation of PC-I, technical sanction of estimates and incorporating photographs / images of sites. Moreover, record entries regarding replacement and repairing of manhole covers were not made in the Measurement Books (MBs).

Due to weak internal controls, works were executed without identification of sites, preparing PC-I, TS of estimates and recording entries in MB which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 10, 11]

2.9.2 Irregular expenditure on procurement of street lights – Rs 1.169 million

According to Rule 4 of the Punjab Procurement Rules, 2014, "A procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical." Further, according to Rule 18(3) of the Punjab

Local Governments (Works) Rules 2017, “Any payment either for the work done or procurement made for more than rupees fifty thousand shall be entered in the Measurement Book.”

During audit of MC Ahmad Pur Sial for the FY 2022-23, it was observed that CO incurred expenditure of Rs 1.169 million for purchase of street lights without preparing drawings, recording entry in MB / stock register and considering market rates. Moreover, payment of 45-watt bulbs was made against supply of 40-watt bulbs.

Due to weak internal controls, procurement of LED lights was made without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 17]

Others

2.9.3 Non-recovery of conversion fees – Rs 9.905 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Ahmad Pur Sial for the FY 2022-23, it was observed that CO and MO (P) failed to collect conversion fees amounting to Rs 9.905 million from the owners of commercial sites for the Financial Years 2019-20 to 2022-23.

Due to weak internal controls, conversion fees was not recovered which resulted in loss to MC.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of conversion fees from the concerned besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide para No.52.4.2 having financial impact of Rs 1.006 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2019-22 Para No. 7]
[AIR 2022-23 Para No. 12]

2.10 Municipal Committee Alipur

Procedural irregularities

2.10.1 Irregular payment on account of tuff tiles – Rs 4.459 million

According to input rates issued by the Government of Punjab, Finance Department, "The strength of tuff pavers should be 7000-PSI and these should be of approved manufacturers i.e. Tuff Pavers (Pvt) Ltd., Izhar Building Material (Pvt) Ltd. Further, as per Government of Punjab Communication and Works Department, Lahore letter No.PA/SECY(C&W) 26-5/2009 dated 25.05.2009, "Payment be made only for quality works which conform to the given specifications."

During audit of MC Alipur for the FY 2022-23, it was observed that CO made payment of Rs 4.459 million to the contractor on account of 41,139 sft tuff tiles used in development scheme "Rehabilitation / repair of metal road, soling drain tuff tiles ward No. 1 to 12 Alipur." No gate pass or any other document was provided to prove that tiles were purchased from approved manufacturer. The rate of the tuff tile was based on the input rate of Izhar & Co. Taxila, but the tuff tiles were purchased of local manufacturer. Furthermore, lab tests for assessing the strength and quality were not conducted.

Due to weak internal controls, payment was made without supporting documents which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.10.1 having financial impact of Rs 11.865 million. Recurrence of same irregularity is a matter of serious concern.
[AIR 2022-23 Para No.11]

2.10.2 Irregular expenditure on work charged staff – Rs 2.253 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Alipur for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 2.253 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department. The detail is as under:

(Rupees in million)

Payment Date	**No. of Employees**	**Amount**
23-09-22	25	0.480
30-09-22	6	0.150
30-09-22	13	0.325
13-12-22	1	0.020
13-12-22	15	0.303
13-01-23	19	0.475
03-02-23	20	0.500
Total		**2.253**

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 23]

Others

2.10.3 Loss due to non-recovery of outstanding dues / revenue – Rs 134.980 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Alipur for the FY 2022-23, it was observed that CO failed to recover dues / revenue amounting to Rs 134.980 million on account of advances, fees and miscellaneous arrears. The detail is as under:

(Rupees in million)

Sr. No.	Type of Recovery/Overpayment	Amount
1	Non-recovery / adjustment of advances from Govt. departments and MC employees	2.977
2	Unauthorized inclusion of Provincial Sales Tax in estimates	2.373
3	Non-recovery of conversion fees	108.746
4	Non-recovery of departmental charges	2.550
5	Non-recovery of arrears	18.227
6	Non-recovery of House Building Advances	0.107
Total		**134.98**

Due to weak internal controls, government dues / revenue were not recovered from the concerned which resulted in loss to the MC.

The matter was reported to PAO in July, 2023 but management did not reply

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 2, 4, 5, 6, 10, 21]

2.10.4 Non-deposit of Government taxes – Rs 6.943 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided." Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure (Withholding) Rules 2007, "1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax."

During audit of MC Alipur for the FY 2022-23, it was observed that CO did not deposit Rs 6.943 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 07, 13, 24]

2.11 Municipal Committee Arifwala

Procedural irregularities

2.11.1 Irregular expenditure in violation of Procurement Rules – Rs 14.294 million

According to Rule 9 of the Punjab Procurement Rules, 2014, "Procuring agency shall announce proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website."

During audit of MC Arifwala for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 14.294 million against purchase of various items i.e. supply and fixing manhole covers and rings, lying sewer lines, white wash repair of transport, transformers, motors and machinery of disposal works and hiring of tent and other items for arrangement of various events etc. The expenditure was incurred by splitting to avoid tendering process and TS from the higher authority.

Due to weak internal controls, purchases were made without observing the procurement rules which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 17, 19]

2.11.2 Inadmissible payment of integrated allowance to sanitary workers - Rs 1.890 million

According to Government of the Punjab, Finance Department, Lahore, Notification No. FD.PC.2-1/2001 dated 11.07.2011, "Integrated allowance is allowed to N/Qasids, Qasids, Daftries, Frashes, Chowkidars, Sweepers, Sweeperesses & Security Guard." Furthermore, according to Finance Department Notification No. FD.SR-I/9-28/2016 dated 18.07.2016 regarding revision of rates of aforementioned notification dated 11.07.2011, in this notification only rates were revised and no admissibility to the other designations was mentioned.

During audit of MC Arifwala for the FY 2022-23, it was observed that CO made payment amounting to Rs 1.890 million on account of integrated allowance to 175 sanitary workers and 8 water carriers without admissibility in violation of above mentioned notification. Audit just calculated recovery w.e.f. 01.07.2022 to 30.06.2023. The actual recovery may be calculated by the DDO accordingly. **Annexure-5**

Due to weak financial controls, inadmissible integrated allowance was paid to sanitary workers which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides immediate stoppage of such inadmissible allowances besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 16]

Others

2.11.3 Loss due to non-recovery of revenue – Rs 64.040 million

According to Rule 11(2) (c) of the Punjab Local Governments (Accounts) Rules, 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into the local fund." Furthermore, according to Punjab Gazette Notification No. SOTAX(LG)1-25/17(MC Arifwala) dated 27.09.2017 of revised schedule of taxes / fee of Municipal Committee, Arifwala District Pakpattan imposes water rate @ Rs 40 to Rs 1,000 per month and drainage rate (sewerage fee / sanitation fee) @ Rs 500 to Rs 5,000 per year will be charged from the users for domestic and commercial use.

During audit of MC Arifwala for the FY 2022-23, it was observed that CO did not recover government revenue amounting to Rs 64.040 million on account of rent of shops, water rates and sewerage / sanitation fees during the financial year.

Due to weak financial and internal controls, government revenue was not recovered which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of government dues at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.11.2 having financial impact of Rs 102.323 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 02, 11]

2.11.4 Non-execution of land transfer deed – Rs 48 million

According to Rule 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "A developer shall submit a transfer deed in accordance with Form B, for free of cost transfer to a Town Municipal Administration, a Tehsil Municipal Administration or a Development Authority, the area reserved for roads, open space, park, solid waste management and two percent of the area under land sub-division for public buildings."

During audit of MC Arifwala for the FY 2022-23, it was observed that CO approved land sub-division but area of roads, parks, open space, solid waste management and public buildings was not transferred in the name of MC Arifwala valuing Rs 48 million. The detail is as under:

(Rupees in million)

Name of Scheme	Address (Main Road, Village/ Mauza)	Rate Per Marla	Open Space 7% in Marla	Area of Roads in Marla	Public Building @ 2% in Marla	Solid Waste in Marla	Total Area to be transferred	Total Value of Land
Gulshan-e-Nawab Block	147/EB Burewala Road, Arifwala	0.200	43	175	12	10	240	48

Due to weak internal controls, land transfer deed was not executed which resulted in irregular approval of land sub-division and loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides transfer deed as per rule be executed in the name of MC.

[AIR 2022-23 Para No. 6]

2.11.5 Non-recovery of conversion and map fees – Rs 30.098 million

According to Rule 50 (1) of the Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, “A Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land. Conversion fee for the conversion of land to health / educational institutions shall be 10% of the value of existing land.”

During audit of MC Arifwala for the FY 2022-23, it was observed that CO did not recover the conversion fees, development charges and map fees from the owners / developers of different commercial buildings and land sub-divisions amounting to Rs 30.098 million.

Due to weak internal controls, conversion and building plan approval fees were not recovered which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of dues at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.11.3 having financial impact of Rs 19.243 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 4, 9]

2.12 Municipal Committee Athara Hazari

Procedural irregularities

2.12.1 Non-award of works at risk & cost of original contractors – Rs 2.118 million

According to Clause 3(a) and 3(c) of contract for civil works, "In any case in which under any clause or clauses of the contract the contractor shall have rendered himself liable to pay compensation amounting to whole of the security deposit, the Municipal Engineer shall have power to adopt any of the following sources as he may have deemed best suited to the interest of the Committee. To rescind the contract of which rescission notice in writing to contractor under the hand of the Municipal Engineer shall be conclusive evidence, and in which case the security deposit of the contractor shall stand forfeited, and be absolutely at disposal of the Committee. To measure up the work of the contractor and to take such part thereof as shall be executed out of his hand, and to give it to another contractor to complete, in which case any expense which may be incurred in excess of the sum, which would have been paid to the original contractor, if the whole work had been executed by him, shall be born and paid by the original contractor and may be deducted from any money due to him by the Committee under contract or otherwise, or from his security deposit or the proceeds of sale thereof or a sufficient part thereof."

During audit of MC Athara Hazari for the FY 2021-22, it was observed that CO awarded two works costing Rs 8.246 million for supply of garbage containers / carriers, tractor MF-240 and supply / erection of street lights during Financial Year 2020-21. However, the contractor / supplier executed the work / made partial supply amounting to Rs 6.128 million and failed to complete the balance work amounting to Rs 2.118 million despite lapse of stipulated time period. MC authorities neither took action for completion of work / supply of items nor awarded the balance works at risk & cost of original contractors.

Due to weak internal controls, works were neither got completed within stipulated time nor were awarded at risk & cost of original contractors which resulted in deprival of public from envisaged benefits.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends awarding the balance works at risk & cost of original contractors besides fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No. 3]

2.13 Municipal Committee Bahawalnagar

Others

2.13.1 Non-execution of mortgage and land transfer deed – Rs 744.695 million

According to Rule 17 (e) & (f) and Rule 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "The developers are required to transfer the area reserved for roads, open space, park and solid waste management as well as one percent of the area under land sub-division for public buildings, excluding the area of mosque in favor of relevant development authority / body and should submit mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Bahawalnagar for the FY 2022-23, it was observed that CO neither got transferred nor mortgaged the required area valuing Rs 744.695 million from various housing schemes / Land Sub-Division in the name of MC Bahawalnagar.

Due to weak internal controls, mortgage and land transfer deed was not executed which resulted in irregular approval of housing schemes / LSDs and loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends transfer / mortgage of property in the name of MC besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 4]

2.13.2 Non-realization of conversion and map fees – Rs 177.416 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee."

During audit of MC Bahawalnagar for the FY 2022-23, it was observed that CO did not collect conversion / map fees amounting to Rs 177.416 million from new commercial units / shops and from the owners of residential buildings who have converted their buildings into commercial units.

Due to weak internal controls, conversion and map fees were not recovered which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No.16]

2.14 Municipal Committee Bhowana

Procedural irregularities

2.14.1 Execution of substandard civil works – Rs 1.111 million

According to Government of the Punjab, Public Health Engineering Department (North Zone), Lahore letter No.664-67/PSD-1 dated 29.05.2015, “The standard thickness of Plain Cement Concrete (PCC) pavement with ratio (1:2:4) was required to be 3”, 4” and 10” for PCC pavement width of 6’, 10’ and exceeding 10’ respectively.”

During audit of MC Bhowana for the FY 2021-22, it was observed that CO executed PCC pavement in 3 schemes for the Financial Years 2019-20 to 2021-22 without observing the standard specifications regarding thickness of PCC which resulted in substandard execution of works amounting to Rs 1.111 million. The detail is as under:

(Rupees in million)

Sr. No.	Name of Scheme	Width of Street	PCC Thickness Required	PCC Thickness Executed	Quantity (Cft)	Amount
1	Repair of drain / soling and PCC Mohalla Khwjaabad	9’	4”	3”	2,761	0.634
2	Construction and repair drain soling and PCC ward No.6	9’	4”	3”	1,074	0.234
3	Repair of drain / soling and PCC ward No.8	9’	4”	3”	1,072	0.243
Total						**1.111**

Due to weak internal controls and negligence of MO (I&S), PCC pavement was executed in violation of standard specifications which resulted in execution of substandard works.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against concerned MO (I) for execution of substandard works besides initiating proceedings under PEEDA Act.

[AIR 2019-22 Para No. 9]

Others

2.14.2 Non-recovery of conversion and building plan approval fees – Rs 5.425 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, “The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee.”

During audit of MC Bhowana for the FY 2022-23, it was observed that CO did not recover the conversion and building plan approval fees amounting to Rs 5.425 million from the owners of different commercial & residential buildings for the Financial Years 2019-20 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	06 commercial buildings / residential	4.410
2	06 commercial buildings	0.623
3	41 residential & 19 commercial buildings	0.392
Total		**5.425**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide Para No.40.3.4 having financial impact of Rs 1.336 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2019-22 Para No. 2, 8]
[AIR 2022-23 Para No. 7]

2.15 Municipal Committee Burewala

Procedural irregularities

2.15.1 Irregular expenditure without recording entries in measurement book – Rs 2.698 million

According to Rule 18 (1), (3) and (6) of the Punjab Local Government (Works) Rules, 2017, “The bills of work for payment shall be prepared in the form prescribed in the Punjab Local Governments (Accounts) Rules, 2017 and any payment either for the work done or procurement made for more than rupees fifty thousand shall be entered in the measurement book. The Head of Finance Branch of the local government, on his satisfaction, shall submit, through Chief Officer, the bills for sanction by the Mayor or Chairman.”

During audit of MC Burewala for the FY 2022-23, it was observed that CO incurred expenditure and made payment amounting to Rs 2.698 million for different works of repair of pipe line and supply of manhole covers etc. without recording entries in measurement book despite the claims were more than fifty thousand rupees. The detail is as under:

(Rupees in million)

Sr. No.	Date	Name of service provider	Description	Amount
1	123/12-22	Farrukh Shahzad Imran	Supply of man hole covers	2.533
2	1393/ 05-23	Sajid Mehmood Builder Government Contractor	Repair of water supply pipe line Chak No. 435/EB	0.096
3	1237	AL-Aziz Traders	Repair of swing, dust bin and see saw Park 447/EB MC Burewala	**0.069**
	Total			**2.698**

Due to weak internal controls, the payment was made without recording entries in the measurement book which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 16]

Others

2.15.2 Non-recovery of conversion and map fees – Rs 19.356 million

According to Rule 50 (1) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land. Conversion fee for the conversion of land to health / educational institutions shall be 10% of the value of existing land."

During audit of MC Burewala for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 19.356 million from the owner / developers of commercial buildings and land sub-divisions who constructed commercial sites without approval.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23 and 2019-20 vide paras number 2.7.2 and 74.3.7, 74.3.10 respectively having financial impact of Rs 96.751 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 4, 23]

2.15.3 Non-recovery of rent of shops – Rs 17.394 million

According to Rule 7 of the PLG (Budget) Rules 2017, "The collecting officer shall ensure timely recoveries against each demand." Further, according to Rule 11 (2) (C) of the Punjab Local Governments (Accounts) Rules 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into local fund." Moreover, according to condition 19 of rent agreement, "If the tenant failed to pay the rent for six-months, agreement will be automatically cancelled and will be restored on the approval of Administrator after payment of advance rent of one year."

During audit of MC Burewala for the FY 2022-23, it was observed that CO failed to recover Rs 17.394 million on account of rent of shops. Neither any proceeding for recovery of rent nor any action for cancellation of agreement was initiated against defaulter tenants.

Due to weak internal controls, the rent of shops was not recovered which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of rent of shops at the earliest besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 14]

2.16 Municipal Committee Chak Jhumra

Others

2.16.1 Non-recovery of water rates – Rs 12.122 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Chak Jhumra for the FY 2022-23, it was observed that CO failed to recover water rates amounting to Rs 12.122 million as recovery of Rs 1.995 million was made against total demand of Rs 14.117 million on account of 2,050 water connections for the Financial Years 2020-21 to 2022-23.

Due to weak internal controls, water rates were not recovered which resulted in short realization of revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides effecting recovery from the concerned.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2019-20 vide Para(s) No.2.13.5 and 44.4.3 respectively having financial impact of Rs 17.895 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 5]

2.17 Municipal Committee Chenab Nagar

Others

2.17.1 Non-recovery of water rates – Rs 13.594 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Chenab Nagar for the FY 2022-23, it was observed that CO failed to recover receipts amounting to Rs 13.594 million on account of water rates for the Financial Years 2019-20 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	Description	Financial Year	Amount
1	Arrears of water rates	2022-23	2.618
		2021-22	2.816
		2020-21	2.389
		2019-20	5.771
Total			**13.594**

Due to weak internal controls and negligence, the water rates were not recovered from the defaulters which resulted in loss.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of arrears.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide Para No.41.4.1 having financial impact of Rs 6 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2019-22 Para No. 1]
[AIR 2022-23 Para No. 6]

2.17.2 Non-recovery of conversion, approval and map fees – Rs 4.204 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Chenab Nagar for the FY 2022-23, it was observed that CO failed to realize revenue amounting to Rs 4.204 million on account of conversion fees, design approval fees and building plan approval fees from the sponsor / owners of a housing scheme and 09 commercial buildings for the Financial Years 2019-20 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	**Description of Buildings**	**Description**	**Financial Years**	**Amount**
1	Rasheed Town Housing Scheme	Conversion, approval & design fees	2019-20 to 2022-23	1.750
2	03 commercial buildings	Conversion & building plan approval fees	2022-23	1.024
3	06 commercial buildings		2019-20 to 2021-22	1.430
Total				**4.204**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of prescribed fees from the concerned.

[AIR 2019-22 Para No. 9, 12]
[AIR 2022-23 Para No. 3, 10]

2.17.3 Less deduction of PST on repair works – Rs 1.684 million

According to Punjab Revenue Authority letter No. PRA/MTN/1974 dated 17.08.2017 and Punjab Sales Tax Act, "Sales Tax should be charged @ 5% on original construction works and @ 16% on Maintenance and Repair (M&R) works."

During audit of MC Chenab Nagar for the FY 2021-22, it was observed that CO less deducted PST amounting to Rs 1.684 million for the Financial Years 2019-20 to 2021-22. Audit observed that PST was deducted @ 5% instead of 16% on repair works.

Due to weak internal controls, PST was less deducted which resulted in loss to the Government.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of PST besides fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No. 4]

2.18 Municipal Committee Chichawatni

Procedural irregularities

2.18.1 Irregular expenditure on work charged staff - Rs 1.287 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Chichawatni for the FY 2022-23, it was observed that CO incurred expenditure of Rs 1.287 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 7]

2.18.2 Inadmissible payment of integrated allowance to sanitary workers - Rs 1.264 million

According to Government of the Punjab, Finance Department, Lahore, Notification No. FD.PC.2-1/2001 dated 11.07.2011, "Integrated allowance is allowed to N/Qasids, Qasids, Daftries, Frashes, Chowkidars, Sweepers, Sweeperesses & Security Guard." According to Finance Department Notification No. FD.SR-I/9-28/2016 dated 18.07.2016 regarding revision of rates of aforementioned notification dated 11.07.2011, in this notification only rates were revised and no admissibility to the other designations was mentioned.

During audit of MC Chichawatni for the FY 2022-23, it was observed that CO made payment amounting to Rs 1.264 million on account of integrated allowance to 117 sanitary workers without admissibility in contradiction of above mentioned letter. Audit just calculated recovery for the period w.e.f. 01.07.2022 to 30.06.2023. The actual recovery may be calculated by the DDO accordingly. The detail is an under:

(Rupees in million)

Month checked by audit	**Amount drawn as per July 2022**	**Total number of month July 2022, June2023 (audit period**	**Total amount drawn/ Amount of Recovery**
7/2022	105,300	12	1.264

Due to weak financial controls, inadmissible integrated allowance was paid to sanitary workers which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides immediate stoppage of such inadmissible allowances besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 6]

2.18.3 Irregular payment of contractor profit – Rs 1.102 million

According to Government of the Punjab, Finance Department letter No.RO (Tech) FD-18-29/2004 dated 03.03.2005, "20% contractor's profit and overheads (CPOH) on electric motors, turbines, audio video systems, street lights, machinery, furnishing items etc. are not allowed."

During audit of MC Chichawatni for the FY 2022-23, it was observed that CO purchased generator and paid amounting to Rs 5.511 million including irregular contractor profit amounting to Rs 1.102 million in violation of the above mentioned instruction of Finance Department, Government of the Punjab.

Due to weak internal controls, irregular contractor profit was paid which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 10]

Others

2.18.4 Non-recovery of conversion and map fees – Rs 54.698 million

According to Rule 50 (1) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land. Conversion fee for the conversion of land to health / educational institutions shall be 10% of the value of existing land."

During audit of MC Chichawatni for the FY 2022-23, it was observed that CO did not recover conversion and building plan approval fees amounting to Rs 54.698 million from the owners / developers of commercial buildings, schools and land sub-divisions.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees at the earliest.

[AIR 2022-23 Para No.14, 17]

2.19 Municipal Committee Chiniot

Others

2.19.1 Loss due to non-recovery of Government dues – Rs 4.499 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Chiniot for the FY 2022-23, it was observed that CO failed to recover Government dues amounting to Rs 4.499 million under different receipt heads i.e. rent of shops, water rates, TTIP receipts, parking fees and sanitation fees. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Non/Less recovery of rent of shops	1.208
2	Less recovery of water rates	2.185
3	Non-deposit of TTIP receipts	0.491
4	Non-recovery of parking fees	0.356
5	Less recovery of sanitation fees	0.259
Total		**4.499**

Due to weak internal controls and negligence, Government dues were not recovered from the defaulters which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of Government dues.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide Para No.42.5.7 having financial impact of Rs 2.307 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 10]

2.19.2 Non-recovery of conversion fees – Rs 2.394 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Chiniot for the FY 2022-23, it was observed that CO and MO (P) failed to recover conversion fees amounting to Rs 2.394 million from the developer of land sub-division situated within the territorial jurisdiction of MC, Chiniot. The detail is as under:

(Rupee in million)

Name of Scheme	Land Area	Rate per Marla	Total Marla	Conversion Fees
Al-Fateh Garden	98 K, 2 M	122,000	1,962	2.394

Due to weak internal controls, the non-recovery of conversion fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends early action for realization of conversion fees from the developer of land sub-division.

<u>Note:</u> The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2020-21 vide para(s) No.2.15.10 and 19.4.8 respectively having financial impact of Rs 8.777 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 8]

2.19.3 Non-recovery of PST from contractors – Rs 1.042 million

According to Serial No. 56 of the Second Schedule to the Punjab Sales Tax on Services Act, 2012, "Rate of sales tax is sixteen percent on debt collection, rent collection and similar other recovery or collection services including right to collect the toll or fee or regulatory fee or duty or any other similar collection."

During audit of MC Chiniot for the FY 2022-23, it was observed that CO auctioned collection rights of two revenue sources comprising advertisement and slaughter house fees amounting to Rs 6.510 million. However, PST amounting to Rs 1.042 million was not recovered from the contractors concerned. The detail is as under:

(Rupees in million)

Sr. No.	Description of Lease	Contract Amount	PST @ 16%
1	Advertisement fees	5.500	0.880
2	Slaughter House	1.010	0.162
Total		**6.510**	**1.042**

Due to weak internal controls, PST was not recovered which resulted in loss to the public exchequer.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of PST from the concerned besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide Para No.42.5.5 having financial impact of Rs 2.784 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 7]

2.20 Municipal Committee Chishtian

Others

2.20.1 Non-execution of mortgage and land transfer deed – Rs 85.197 million

According to Rule 17 (e) & (f) and Rule 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "The developers are required to transfer the area reserved for roads, open space, park and solid waste management as well as one percent of the area under land sub-division for public buildings, excluding the area of mosque in favor of relevant development authority / body and should submit mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Chishtian for the FY 2022-23, it was observed that Chief Officer neither got transferred nor mortgaged the required area from various housing schemes / land sub-division amounting to Rs 85.197 million in the name of MC Chishtian.

Due to weak internal controls, mortgage and land transfer deed was not executed which resulted in irregular approval of housing schemes / LSDs and loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends transfer / mortgage of property in the name of MC besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para number 2.16.1 and 2.2.5.3.1 respectively having financial impact of Rs 1,267.039 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 15, 16]

2.20.2 Loss due to non-realization of revenue – Rs 7.141 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Chishtian for the FY 2022-23, it was observed that Chief Officer did not collect revenue on account of rent of shops, conversion fees and government taxes amounting to Rs 7.141 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Rent of shops	3.537
2	General bus stand fees, advertisement fees, slaughter house fees and toilets general bus stand fees	2.543
3	Conversion fees	1.061
Total		**7.141**

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Paras No. 8, 12, 20]

2.21 Municipal Committee Choubara

Procedural irregularities

2.21.1 Irregular payments in cash – Rs 4.714 million

According to Rule (4)(1) of the Punjab Local Governments (Accounts) Rules 2017, "The mode of payment from the Local Funds shall be, the payment up to rupees ten thousand may be made by cash, the payment exceeding rupees ten thousand shall be made through cross and non-negotiable cheques."

During audit of MC Chaubara for the FY 2022-23, it was observed that CO made payment amounting to Rs 4.714 million on account of various heads. The payments were made in cash instead of crossed cheques and without any disbursement record.

Due to weak internal controls, payments were made in cash instead of crossed cheques which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 9]

Others

2.21.2 Loss due to non-recovery of revenue – Rs 2.050 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Chaubara for the FY 2022-23, it was observed that CO failed to recover the revenue amounting to Rs 2.050 million on account of water rates and conversion fees. The detail is as under:

(Rupees in million)

Sr. No.	Detail of recovery	Amount
1	Loss due less recovery of water rates	0.498
2	Loss due to non-recovery of building map fees and conversion charges	1.348
Total		**2.050**

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss to the MC.

The matter was reported to PAO in July 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 2, 4]

2.22 Municipal Committee Chowk Sarwar Shaheed

Procedural irregularities

2.22.1 Irregular expenditure on work charged staff – Rs 1.621 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Chowk Sarwar Shaheed for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 1.621 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department. The detail is as under:

(Rupees in million)

Date	Cheque No.	Amount
16.01.2023	203035500	0.400
16.01.2023	293035401	0.025
16.01.2023	293035402	0.050
11.02.2023	293035434	0.024
11.02.2023	293035435	0.024
05.09.2022	66367246	0.935
05.09.2022	66367247	0.163
Total		**1.621**

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 7]

Others

2.22.2 Loss due to non-recovery of outstanding dues / revenue – Rs 14.687 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, “The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise.”

During audit of MC Chowk Sarwar Shaheed for the FY 2022-23, it was observed that CO failed to recover the revenue amounting to Rs 14.687 million on account of conversion fees, wagon/bus stand fees and rent of shops.

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss to the MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

[AIR2022-23 Para No. 3]

2.22.3 Non-deposit of government taxes – Rs 4.580 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, “The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable.” Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, “Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided.” Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure (Withholding) Rules 2007, “$1/5^{th}$ of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax.

During audit of MC Chowk Sarwar Shaheed for the FY 2022-23, it was observed that CO did not deposit Rs 4.580 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 05]

2.23 Municipal Committee Chowk Azam

Others

2.23.1 Non-recovery of revenue and over payments of Government dues – Rs 18.819 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Chowk Azam for the FY 2022-23, it was observed that CO failed to recover Rs 18.819 million on account of rent of Municipal Property/ shops, conversion fees and inadmissible payment of pay and allowances. The detail is as under:

(Rupees in million)

Sr. No.	Detail of recovery	Amount
1	Less recovery due to non-award of new contract for lease	1.528
2	Loss due to non-recovery of Conversion fees	17.164
3	Unauthorized payment of Pay and Allowances	0.127
Total		**18.819**

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss to the MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 6, 9, 13]

2.23.2 Non-deposit of government taxes – Rs 3.060 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided." Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure

(Withholding) Rules 2007, "1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax.

During audit of MC Chowk Azam for the FY 2022-23, it was observed that CO did not deposit Rs 3.060 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 14]

2.24 Municipal Committee Dijkot

Procedural irregularities

2.24.1 Irregular expenditure on remuneration of daily wage employees – Rs 11.825 million

According to Government of the Punjab, Finance Department Notification No. RO (Tech) FD 2-2/2022 dated 15.07.2022, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment."

During audit of MC Dijkot for the FY 2022-23, it was observed that CO recruited sanitary workers on daily wages and made payment of Rs 11.825 million. However, recruitments were made without advertisement in the newspapers. Further, 31 to 100 sanitary workers (in different months) were appointed on daily wages against 09 vacant posts of sanitary workers.

Due to weak internal controls, recruitments were made without adopting prescribed procedure and beyond sanctioned strength which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2022-23 Para No. 4]

2.24.2 Irregular expenditure without observing procurement rules – Rs 4.897 million

According to Rules 4 & 9 of the Punjab Procurement Rules, 2014, "A procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. All proposed procurements for each financial year shall be announced in an appropriate manner and the procuring agency shall proceed accordingly without any splitting or regrouping of the procurements so planned." Further, according to Rule 18(3) of the Punjab Local Governments (Works) Rules, 2017, "Any payment either for the work done or procurement made for more than rupees fifty thousand shall be entered in the Measurement Book."

During audit of MC Dijkot for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 4.897 million for procurement of goods & services and execution of works. However, expenditure was held irregular on the following grounds:

i. Objects of procurement were split by keeping the amount of each purchase below the financial limits of Rs 75,000 and Rs 200,000 to avoid quotations and tenders respectively.

ii. Expenditure on sports activities sponsored by District Sports Board was incurred by the MC.

iii. Payments were made without entries in MBs where required.

Due to weak internal controls, procurements were made in violation of procurement rules and without adopting prescribed procedure which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility besides regularization of expenditure.

[AIR 2022-23 Para No. 14]

2.24.3 Irregular expenditure by changing scope of work – Rs 3.622 million

According to Rule 5(17) of the Punjab Local Government (Works) Rules, 2017, "In case the site of the work or nomenclature is changed, fresh administrative approval shall be obtained from the respective Development Committee."

During audit of MC Dijkot for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 3.622 million on execution of a development scheme namely "Construction of rural drainage scheme in Chak No. 263/RB Dijkot" for the Financial Years 2020-21 to 2022-23. However, execution of scheme / incurrence of expenditure was held irregular and unauthorized on the following grounds:

i. Site of the scheme and the scope of work were changed without administrative approval and technical sanction from the competent authority.

ii. Entries were recorded in the MB, bill and completion certificate without dates.

Due to weak internal controls, scope of the scheme was changed without approval which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 9]

Others

2.24.4 Non-imposition of fine on the sponsors / developers / owners – Rs 19.136 million

According to Section 172(2)(a) & 172(2)(b) read with Sr. Nos. 2 & 18 of Eighth Schedule of the PLGA 2022, "If a person commits an offence like development of a private housing scheme without approval of a local government; or on a non-conforming use, such person shall be punishable with imprisonment for a term which may extend to seven years, or with fine which may extend to five hundred thousand rupees or with both and if a person commits offence of erection or re-erection of a building without the sanction required under this Act or using a building for a purpose which may endanger the security of people, such person shall be punishable with imprisonment for a term which may extend to three years, or with fine which may extend to one hundred thousand rupees or with both."

During audit of MC Dijkot for the FY 2022-23, it was observed that CO failed to take appropriate action and impose fine amounting to Rs 19.136 million against the sponsors / developers / owners of 28 housing schemes / land subdivisions and 50 buildings constructed / being constructed without approval / payment of prescribed fees.

Due to dereliction of duties, efforts were not made either to regulate housing schemes / buildings or to impose fine which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends imposition of fine besides recovery of fees and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 8]

2.24.5 Less realization of water rates – Rs 13.829 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Dijkot for the FY 2022-23, it was observed that CO failed to recover water rates from water users amounting to Rs 13.829 million as recovery of Rs 7.639 million was made against total demand of Rs 21.468 million during Financial Years 2021-22 to 2022-23.

Due to weak internal controls, recovery of water rates was not made which resulted in less realization of income and loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of water rates besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide para No.45.4.1 having financial impact of Rs 3.414 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2019-22 Para No. 11]
[AIR 2022-23 Para No. 5]

2.25 Municipal Committee Dunga Bunga

Others

2.25.1 Loss due to non-realization of revenue – Rs 7.428 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Dunga Bunga for the FY 2022-23, it was observed that CO did not collect revenue on account of rent of shops, conversion and map fees amounting to Rs 7.428 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Rent of shops	0.514
2	Conversion and map fees	6.914
Total		**7.428**

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.
[AIR 2022-23 Para No. 3, 6]

2.26 Municipal Committee Dunyapur

Procedural irregularities

2.26.1 Irregular expenditure on civil work items – Rs 2.391 million

According to Rule 9 (b) of Punjab Local Governments (Accounts) Rules 2017, "The drawing and disbursing officer and payee of the pay, allowance, contingent expenditure or any other expense shall be personally responsible for any overcharge, fraud or misappropriation and shall be liable to make good that loss." Further, according to Rule 18(3) of PLG Works Rules 2017, "Any payment either for the work done or procurement made for more than rupees fifty thousand shall be entered in the measurement book."

During audit of MC Dunyapur for the FY 2021-22, it was observed that CO incurred expenditure amounting to Rs 2.391 million on construction / repair work of sewerage line, main holes and Muharrum routes, etc. through quotations irregularly. The development works were carried out without adopting prescribed tendering process and expenditure was not shown in annual accounts under development head. Further, the payments of the civil works were made without recording the measurements in MB.

Due to weak internal controls, expenditure was incurred without adopting the tendering process and recording measurements in MB which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No.9]

Others

2.26.2 Non-recovery of conversion and map fees – Rs 9.835 million

According to Rule 50 (1) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land. Conversion fee for the conversion of land to health / educational institutions shall be 10% of the value of existing land."

During audit of MC Dunyapur for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 9.835 million from owners of commercial buildings and land sub-divisions who constructed commercial sites without approval during Financial Years 2020-21 to 2022-23.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2019-20 vide para number 65.4.3 having financial impact of Rs 3.758 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 5]
[AIR 2019-22 Para No.13]

2.26.3 Loss due to non-recovery of revenue - Rs 7.037 million

According to Rule 11(2) (c) of the Punjab Local Governments (Accounts) Rules, 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into the local fund."

During audit of MC Dunyapur for the FY 2022-23, it was observed that CO failed to recover of Rs 7.037 million from various connection holders on account of water rates charges and tenants of shops during Financial Years 2020-21 to 2022-23.

Due to weak financial and internal controls, MC authorities did not recover government dues which resulted in short realization of revenue.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2019-20 vide para number 65.4.2 having financial impact of Rs 7.848 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 03]
[AIR 2019-22 Para No.5, 7]

2.27 Municipal Committee Fatehpur

Procedural irregularities

2.27.1 Irregular payments in cash – Rs 34.184 million

According to Rule (4)(1) of the Punjab Local Governments (Accounts) Rules 2017, “The mode of payment from the Local Funds shall be, the payment up to rupees ten thousand may be made by cash, the payment exceeding rupees ten thousand shall be made through cross and non-negotiable cheques.”

During audit of MC Fatehpur for the FY 2022-23, it was observed that CO made payment of Rs 34.184 million on account of various contingent heads. The payments were made in cash instead of crossed cheques and without any disbursement record.

Due to weak internal controls, payments were made in cash instead of crossed cheques which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No 11]

2.27.2 Non-obtaining of additional performance securities – Rs 9.500 million

According to Rule 9 (9)(d) of Punjab Local Government Works Rules 2017, “The work order shall be issued by the engineer In-charge to a person offering the lowest bid after approval of the Chairman or Mayor or the engineer In-charge authorized by him subject to the condition that in case the rates of the lowest bid are equal to or less than 5% of the estimated cost, the lowest bidder shall be bound to deposit additional performance security from a scheduled bank from 5% to 10% (including CDR deposited at the time of tendering) within 15 days of issuance of notice”.

During audit of MC Fatehpur for the FY 2022-23, it was observed that CO awarded 15 works of construction / improvement of roads / PCC streets valuing Rs 50 million to the contractors ranging from 24 % to 29.91% below the estimated cost during Financial Year 2020-21 but additional performance security amounting to Rs 9.500 million was not obtained from the contractors in violation of above rule.

Due to weak internal controls, additional performance security was not obtained from contractors which resulted in irregular award of works.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends regularization besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No.23]

Others

2.27.3 Loss due to non-recovery of outstanding dues / revenue – Rs 213.883 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Fatehpur for the FY 2022-23, it was observed that CO failed to recover of revenue amounting to Rs 213.883 million on account of conversion fees, rent of Municipal Property/ shops, tender fees, advertisement fees and other fees. The detail is as under:

(Rupees in million)

Sr. No.	Detail of recovery	Amount
1	Deliberately non-recovery of conversion and building map fees	129.948
2	Loss due to delayed / non-lease of rent of shops on market rate	63.415
3	Misappropriation on account of tender fees	0.515
4	Loss due to less recovery of advertisement fees	0.428
5	Loss to Govt. due to less realization and less recovery of license fees	2.045
6	Non / less-recovery of conversion & map fees from construction	8.157
7	Illegal payment of electricity bills of rented out shops	9.375
Total		**213.883**

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss to the MC Fatehpur.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 1, 2, 6, 9, 10, 13, 17]

2.28 Municipal Committee Fazilpur

Procedural irregularities

2.28.1 Irregular expenditure on work charged staff – Rs 2.971 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in

the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Fazilpur for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 2.971 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department. The detail is as under:

(Rupees in million)

Month	**No. of Daily Wages Staff**	**Amount**
Sep-2022	21	0.893
Oct-2022	24	0.591
Mar-2023	11	0.275
Jun-2023	24	1.212
Total		**2.971**

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 6]

Others

2.28.2 Non-deposit of government taxes – Rs 1.196 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided." Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure (Withholding) Rules 2007, "1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax.

During audit of MC Fazilpur for the FY 2022-23, it was observed that CO did not deposit Rs 1.196 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 2, 4]

2.29 Municipal Committee Fort Abbas

Procedural irregularities

2.29.1 Irregular expenditure by non-observance of PPRA Rules – Rs 1.566 million

According to Rule 9 and 12 (1) of Punjab Procurement Rules 2014, "A procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise in advance annual requirements for procurement on the website of the Authority as well as on its own website. A procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations."

During audit of MC Fort Abbas for the FY 2022-23, it was observed that Chief Officer incurred expenditure of Rs 1.566 million on account of repeated local purchase of manhole covers without observing PPRA Rules.

Due to weak internal controls, procurements were made without observing PPRA rules which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 18]

Others

2.29.2 Loss due to non-transfer / mortgage of property – Rs 231.572 million

According to Rule 17 (e) & (f) and Rule 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "The developers are required to transfer the area reserved for roads, open space, park and solid waste management as well as one percent of the area under land sub-division for public buildings, excluding the area of mosque in favor of relevant development authority / body and should submit mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Fort Abbas for the FY 2022-23, it was observed that CO neither got transfer nor mortgage the required area valuing Rs 231.572 million from various housing schemes / land sub-divisions in the name of MC Fort Abbas. The detail is as under:

(Rupees in million)

Sr. No.	**Name of Housing Scheme**	**Total Area in Kanal**	**Valuation Table Rate per Marla**	**Land Transferred in Marla**	**Land Mortgaged in Marla**	**Total Value of land transfer**	**Land Mortgaged in Marla**	**Total Value of mortgage**	**Grand Total**
1	Al-Aziz Town	88K-14M	110,000	638	0	70.180	0	0.000	70.180
2	Barkat City	35K-	154,000	290	82 Marla	44.660	82	12.628	57.288
3	Park View Garden	38K-13M-02S	154,000	263	103 Marla	40.502	103	15.862	56.364
4	Park View Green	32K-10M	154,000	225	85 Marla	34.650	85	13.090	47.740
Total						**189.992**	**270**	**41.580**	**231.572**

Due to weak internal controls, no action was taken for transfer and mortgage of land in the name of MC which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends transfer / mortgage of property in the name of MC besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2020-21 and 2019-20 vide para(s) number 2.21.2, 2.4.4 and 4.2.5.3.1 respectively having financial impact of Rs 837.966 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 11]

2.29.3 Non-realization of revenue – Rs 9.996 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Fort Abbas for the FY 2022-23, it was observed that CO did not collect revenue on account of arrears of receipts, map fees and conversion fees from housing schemes amounting to Rs 9.996 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Arrears of receipts	3.245
2	Map fees	3.269
3	Conversion fees	3.482
Total		**9.996**

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 3, 9, 10]

2.30 Municipal Committee Garh Maharaja

Others

2.30.1 Non-recovery of cost of land and development charges – Rs 25.160 million

According to Directorate General of Kachi Abadies Colonies Department, Board of Revenue, Punjab, letter No.DG(KA) BOR/8-200/2012 dated 22.11.2012, "In supersession of all previous decisions, the price of land (Urban areas) will be @ 2% of the current valuation table at the time of grant of proprietary rights for area under occupation up to 5-Marlas, price of land for occupation above 5-Marlas and up to 10-Marlas will be current valuation table rate at the time of grant of proprietary rights and price of land for occupation for above 10-Marlas will be the current valuation rate with additional surcharge 50% thereof at the time of grant of proprietary rights."

During audit of MC Garh Maharaja for the FY 2022-23, it was observed that CO failed to recover cost of land and development charges amounting to Rs 25.160 million from 35 occupants of Kachi Abadi. No action was taken by the MC authorities to recover cost of land and development charges despite lapse of considerable time.

Due to weak internal controls, cost of land and development charges were not recovered which resulted in loss and less realization of revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 15]

2.30.2 Non-recovery of parking fees – Rs 2.631 million

According to Rule 47 (1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately in the local fund and entered in the proper receipt head."

During audit of MC Garh Maharaja for the FY 2021-22, it was observed that CO did not recover Rs 2.631 million on account of parking fees.

Due to weak internal controls, parking fees was not recovered which resulted in loss.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of parking fees besides fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No. 2]

2.30.3 Non-recovery of PST – Rs 1.506 million

According to serial No. 56 of the second schedule to the Punjab Sales Tax on Services Act, 2012, "Rate of sales tax is sixteen percent on debt collection, rent collection and similar other recovery or collection services including right to collect the toll or fee or regulatory fee or duty or any other similar collection."

During audit of MC Garh Maharaja for the FY 2022-23, it was observed that CO auctioned collection rights of four revenue sources of general bus stand, advertisement, rickshaw stand and slaughtering of animal fees to different contractors at an agreement amount of Rs 9.410 million. However, PST amounting to Rs 1.506 million was not recovered from the contractors.

Due to negligence and weak financial management, PST was not recovered from the contractors which resulted in loss of Government revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of taxes from the contractors concerned.

[AIR 2022-23 Para No. 4, 6]

2.30.4 Non-deduction of Social Security Contribution – Rs 1.123 million

According to Section 20(1) & (9) of the Provincial Employees Social Security Ordinance, 1965, "The competent authority, before final settlement of the claims of contractors or licensee, shall require the production of a certificate from the institution showing that the necessary contributions have been paid and in default of such certificates, it shall deduct from the amount otherwise payable in settlement of such claim @ 6 percent and pay such amount directly to the institution."

During audit of MC Garh Maharaja for the FY 2021-22, it was observed that CO executed various civil works through 15 contractors for the Financial Years 2019-20 to 2021-22 but payments for works were made without obtaining certificates regarding payment of Social Security Contribution of workers employed by the contractors. MC authorities did not make efforts to deduct the Social Security Contribution amounting to Rs 1.123 million from claims of the contractors before making payments. The detail is as under:

(Rupees in million)

No. of Contractors	No. of Employees	Average Wage Rate per Annum	Total Wages	Amount @ 6%
15	120	0.156	18.72	1.123

Due to weak internal controls, Social Security Contribution was not deducted from claims of the contractors which resulted in excess payment to the contractors.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter besides recovery of Social Security Contribution from the concerned.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide Para No.53.3.1 having financial impact of Rs 1.328 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2019-22 Para No. 13]

2.30.5 Non-recovery of miscellaneous fees from the owners of buildings – Rs 1.023 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Garh Maharaja for the FY 2022-23, it was observed that CO failed to recover conversion fees, map fees etc. from owners of five private buildings who converted the land for commercial use without depositing the prescribed fees. Resultantly, an amount of Rs 1.023 million was not recovered from the owners of private buildings.

Due to weak internal controls, miscellaneous fees were not recovered from the owners which resulted in less realization of revenue and loss to the Government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends strenuous efforts be made for realization of revenue the owners at the earliest.
[AIR 2022-23 Para No. 9]

2.31 Municipal Committee Gojra

Others

2.31.1 Non-recovery of Government dues from contractors / lessees – Rs 24.109 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Gojra for the FY 2022-23, it was observed that CO leased out eleven collection rights of advertisement fees, adda / auto rickshaw / cycle stand fees, slaughter house, canteen etc. to various contractors at total agreement price of Rs 43.343 million. However, the contractors left the contracts / leases incomplete after depositing initial installments amounting to Rs 19.235 million. Resultantly, an amount of Rs 24.109 million remained un-recovered from the contractors. No action was taken by the MC authorities for getting the works resumed by the contractors besides recovery of balance amount.

Due to weak financial controls and negligence, recovery of dues was not made and works were not got resumed from the contractors which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends actions against defaulting contractors besides recovery of Government dues from contractors at the earliest.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2020-21 vide para(s) No.2.22.14 and 26.4.2 respectively having financial impact of Rs 19.695 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 5]

2.31.2 Non-recovery of cost of land and development charges – Rs 22.836 million

According to Directorate General of Kachi Abadies Colonies Department, Board of Revenue Punjab letter No.DG(KA) BOR/8-200/2012 dated 22.11.2012, "In supersession of all previous decisions, the price of land (Urban areas) will be @ 2% of the current valuation table at the time of grant of proprietary rights for area under occupation up to 5-Marlas, price of land for occupation above 5-Marlas and up to 10-Marlas will be current valuation table rate at the time of grant of proprietary rights and price of land for occupation for above 10-Marlas will be the current valuation rate with additional surcharge 50% thereof at the time of grant of proprietary rights."

During audit of MC Gojra for the FY 2022-23, it was observed that CO failed to collect cost of land and development charges amounting to Rs 22.836 million from thirty five occupants of Kachi Abadies. Audit observed that occupants were living in these Kachi Abadies since 1985 / 2006 but MC authorities did not recover cost of land and development charges.

Due to weak internal controls, cost of land and development charges were not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide para No.2.22.9 having financial impact of Rs 21.353 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.7]

2.31.3 Non-recovery of arrears of revenue – Rs 20.097 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Gojra for the FY 2022-23, it was observed that CO failed to recover arrears of water rates from defaulting connection holders. Audit observed that total demand of arrears from 7,415 connection holders was Rs 20.199 million as on 30.06.2022. However, collecting authorities could recover an amount of Rs 4.480 million leaving recoverable balance of Rs 15.719 million. Further, MC authorities failed to recover arrears of Rs 4.378 million on account of Chapper Tax, rent of shops / property and Tehbazari fees from defaulting owners / lessees. Resultantly, total arrears of Rs 20.097 million were not recovered by the MC authorities. The details are given in the following table.

(Rupees in million)

Sr. No.	Head of Income	Arrears Opening	Recovery of Arrears during FY 2022-23	Balance Amount
1	Water Rates	20.199	4.480	15.719
2	Chapper Tax	0.761	0.330	0.431
3	Rent of Municipal Property	2.400	1.524	0.876
4	Tehbazari Fees	5.263	2.192	3.071
Total		**28.623**	**8.526**	**20.097**

Due weak internal controls, MC authorities could not recover arrears / due which resulted in less realization of revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to recover the arrears of revenue from the defaulters besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23, 2020-21 and 2019-20 vide para(s) No.26.4.2, 56.5.1 and 56.5.7 respectively having financial impact of Rs 32.038 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 2, 6]

2.31.4 Less charging / recovery of PST – Rs 2.758 million

According to Serial No.56 & 63 of the Second Schedule to the Punjab Sales Tax on Services Act, 2012, "Rate of sales tax is sixteen percent on debt collection, rent collection and similar other recovery or collection services including right to collect the toll or fee or regulatory fee or duty or any other similar collection and rate of sales tax is five percent on parking services."

During audit of MC Gojra for the FY 2022-23, it was observed that CO awarded eight contracts of auction and collection rights to different contractors at total auction amount of Rs 25.342 million. Scrutiny of record revealed that PST was charged @ 5% amounting to Rs 1.267 million instead of actual of Rs 4.055 million @16%. Resultantly, less amount of PST amounting to Rs 2.758 million was charged to the contactors.

Due to weak internal controls, PST was charged at lesser than the prescribed rate which resulted in loss to the public exchequer.

The matter was reported to PAO in July, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of PST at prescribed rate from the contractors concerned besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23, 2020-21 and 2019-20 vide para(s) No.2.22.13, 26.4.4 and 56.5.4 respectively having financial impact of Rs 6.655 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.8]

2.31.5 Non-recovery of miscellaneous fees – Rs 2.252 million

According to Rule 50(c) of the Punjab Local Governments Land Use Plan (Classification, Reclassification and Redevelopment) Rules 2020, "The conversion fee for conversion of site development zone (agriculture area) to residential use shall be two percent of the agricultural value of the land or plot or property as per valuation table and in case the valuation table is not available two percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Gojra for the FY 2022-23, it was observed that CO failed to ensure recovery of conversion fees amounting to Rs 1.315 million from the sponsors / developers of two land sub-divisions. Further, MC authorities did not recover conversion fees, NOC fees, Naqsha fees etc. amounting to Rs 0.937 million from owners of 6 commercial / residential sites. Resultantly, an amount of Rs 2.252 million was not recovered by the MC authorities from the developers / owners of land sub-division and commercial / residential sites.

Due to weak internal controls, conversion, NOC and Naqsha fees were not recovered which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to ensure recovery of fees from the developers / owners of land sub-division, commercial / residential sites besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23, 2020-21 and 2019-20 vide para(s) No.2.22.10, 26.4.5 and 56.5.3 respectively having financial impact of Rs 8.396 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 4, 11]

2.32 Municipal Committee Haroonabad

Others

2.32.1 Non-realization of revenue – Rs 76.681 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Haroonabad for the FY 2022-23, it was observed that CO did not collect revenue on account of sewerage fees and conversion fees amounting to Rs 76.681 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Sewerage fees	14.261
2	Conversion fees	62.420
Total		**76.681**

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.34.4 and 5.3.5.3.3 respectively having financial impact of Rs 54.211 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 8, 13]

2.33 Municipal Committee Hasilpur

Others

2.33.1 Loss due to non-recovery of revenue – Rs 455.929 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Hasilpur for the FY 2022-23, it was observed that Chief Officer failed to collect different receipts amounting to Rs 455.929 million. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Arrears of receipts	121.043
2	Conversion Fees	90.900
3	Katchi Abadi's dues	220.790
4	Different fees from private housing schemes / Land sub-divisions	22.766
5	Risk and cost from contractor	0.430
Total		**455.929**

Due to weak internal controls, revenue receipts were not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2020-21 and 2019-20 vide para(s) number 2.24.3, 4.4.6 and 8.2.5.3.2 respectively having financial impact of Rs 259.546 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 1, 6, 8, 9, 10]

2.33.2 Non-deposit of government taxes deducted at source – Rs 5.902 million

According to Rule 14 (1) of the Punjab Sales Tax (Withholding) Rules 2015, “A withholding agent shall be considered defaulter and personally liable to pay the amount of tax to the government and an officer of the Authority may pass an order to that effect and proceed to recover the same in the manner prescribed by Punjab Sales Tax on Services (Recovery) Rules, 2012, if a withholding agent under the rules (a) fails to withhold or deduct tax under the rules or (b) having withheld or deducted tax under the rules, fails to deposit the tax to the government.”

During audit of MC Hasilpur for the FY 2022-23, it was observed that CO did not deposit Rs 5.902 million on account of different taxes deducted from the contractors in the government treasury. The detail is as under:

(Rupees in million)

Sr. No.	Detail	Amount
1	Income Tax	1.340
2	GST	0.302
3	PST	4.260
Total		**5.902**

Due to weak internal controls, taxes deducted from contractors and employees were not deposited into government treasury which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends deposit of taxes to the quarter concerned besides action against the person(s) at fault.

[AIR 2022-23 Para No.3]

2.34 Municipal Committee Jahanian

Others

2.34.1 Loss due to non-recovery of revenue – Rs 133.087 million

According to Rule 11(2) (c) of the Punjab Local Governments (Accounts) Rules, 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into the local fund."

During audit of MC Jahanian for the FY 2022-23, it was observed that CO failed to recover Rs 133.087 million on account of rent of shops from the tenants, loss due to non-re-auctioning of shops according to approved new rent of shops of DRAC Khanewal after expiry of lease period and recovery of tehbazari fees during Financial Years 2019-20 to 2022-23.

Due to weak financial and internal controls, government dues were not recovered which resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of dues at the earliest.

[AIR 2022-23 Para No.3, 4, 8]
[AIR 2019-22 Para No.8, 10]

2.34.2 Non-execution of land transfer deed – Rs 46.713 million

According to Chapter III Section 17 (e) & (f) and Chapter VIII Section 42 (h) of Punjab Private Housing Schemes and Land Sub-division Rules 2010, "A developer shall submit a transfer deed in accordance with Form B, for free of cost transfer to a Town Municipal Administration, a Tehsil Municipal Administration or a Development Authority, the area reserved for roads, open space, park, solid waste management; and two percent of the area under land sub-division for public buildings."

During audit of MC Jahanian for the FY 2022-23, it was observed that CO approved land sub-division but area of roads, parks, open space, solid waste management and public buildings was not transferred in the name of MC valuing Rs 46.713 million.

Due to weak administrative controls, non-execution of land transfer deed resulted in irregular approval of land sub-division.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides transfer deed as per rule be executed in the name of MC.

[AIR 2022-23 Para No. 12]

2.34.3 Non-recovery of conversion and map fees – Rs 45.796 million

According to Rule 50 (1) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land. Conversion fee for the conversion of land to health / educational institutions shall be 10% of the value of existing land."

During audit of MC Jahanian for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 45.796 million during the Financial Year 2019-20 to 2022-23 from owners of commercial buildings and land sub-divisions who constructed commercial sites without approval.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and map fees at the earliest.

[AIR 2022-23 Para No. 11, 15]

2.35 Municipal Committee Jalalpur Pirwala

Procedural irregularities

2.35.1 Irregular expenditure due to defective tendering process - Rs 50 million

According to Rule 6 & 9 (5) (6) of the Punjab Local Government (Works) Rules, 2017, "The bids shall be opened at the time and place specified in the public notice in the presence of the bidders or their representatives who care to be present by the committee comprising on Chief Officer (Convener), Representative of Dy. Commissioner (Member), Assistant Engineer (Member), Municipal Officer (Finance) and Municipal Officer (Infrastructure), the members of the committee shall affix their initials and date on every bid so opened and also on the comparative statement. The execution of work shall be undertaken after the detailed estimates and the scheme is approved by the competent authority." Further, according to Finance Department letter No. RO (TECH) FD–1–2/83/-VI dated 29.03.2005, "The particulars of technical sanction i.e. amount, number and date of orders of technical sanction to be mentioned in the tender inviting notice."

During audit of MC Jalalpur Pirwala for the FY 2021-22, it was observed that CO issued, received and opened tenders of development works amounting to Rs 50 million in absence of external members of tender opening committee i.e. representative of Deputy Commissioner and Assistant Engineer for the Financial Years 2019-20 to 2021-22. Further, technical sanction number and date were not mentioned in the advertisement.

Due to weak internal controls, tenders were opened in absence of two external members and TS number and date were not mentioned in the advertisement which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No.13, 14]

2.35.2 Irregular expenditure on work charged staff - Rs 14.622 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in

the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Jalalpur Pirwala for the FY 2022-23, it was observed that CO incurred expenditure of Rs 14.622 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 10]

Others

2.35.3 Loss due to non-recovery of revenue – Rs 50.676 million

According to Rule 11(2) (c) of the Punjab Local Governments (Accounts) Rules, 2017, “Chief Officer shall ensure that any sums due to local government are promptly realized and credited into the local fund.”

During audit of MC Jalalpur Pirwala for the FY 2022-23, it was observed that CO failed to recover Rs 50.676 million on account of rent of shops and water rates from the connection holders of the water supply and sale of disposal water of treatment plant for the Financial Years 2020-21 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	Description	Mode of collection	Amount
1	Less recovery of water rates	Self-collection	16.104
2	Less-recovery of outsourced disposal water receipts from contractor	Outsourced	1.952
3	Non-recovery of rent of shops	Self-collection	5.620
4	Non-recovery of rent of 25 shops illegally occupied at General bus stand by private persons	Non-recovery	27.000
Total			**50.676**

Due to weak financial and internal controls, government dues were not recovered which resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery at the earliest.

[AIR 2019-22 Para No.2, 5]
[AIR 2022-23 Para No. 3]

2.35.4 Non-recovery of conversion and map fees - Rs 19.576 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, “The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee.”

During audit of MC Jalalpur Pirwala for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 19.576 million for the Financial Years 2020-21 to 2022-23 from owners of commercial buildings and land sub-divisions who constructed commercial sites without approval. Developers / owners / property dealers were running their business but same were not got regulated.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned at the earliest.

[AIR 2019-22 Para No.10]
[AIR 2022-23 Para No. 15, 16]

2.36 Municipal Committee Jampur

Procedural irregularities

2.36.1 Irregular expenditure on work charged staff – Rs 2.706 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Jampur for the FY 2022-23, it was observed that CO made payment of Rs 2.706 million to work charged employees. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG & CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.25.3 having financial impact of Rs 13.989 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 3]

Others

2.36.2 Non-recovery of revenue and over-payments of pay and allowances – Rs 53.401 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Jampur for the FY 2022-23, it was observed that CO failed to recover the revenue amounting to Rs 53.401 million on account of conversion fees and over-payments of pay and allowances. The detail is as under:

(Rupees in million)

Sr. No.	Type of Recovery/Overpayment	Amount
1	Recovery of unauthorized payment of pay and allowances	1.052
2	Less recovery of conversion fees	49.291
3	Recovery of non-deputing of MC employees for right of collection	3.058
Total		**53.401**

Due to weak internal controls, arrears of revenue were not recovered from the concerned which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 2, 5, 9]

2.36.3 Non-deposit of government taxes – Rs 2.756 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided." Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure (Withholding) Rules 2007, "1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax.

During audit of MC Jampur for the FY 2022-23, it was observed that CO did not deposit Rs 2.756 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 10]

2.37 Municipal Committee Jaranwala

Procedural irregularities

2.37.1 Irregular expenditure on remuneration of daily wage employees – Rs 32.714 million

According to Government of the Punjab, Finance Department Notification No. RO (Tech) FD 2-2/2022 dated 15.07.2022, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment."

During audit of MC Jaranwala for the FY 2022-23, it was observed that CO made payment of Rs 32.714 million to the sanitary workers appointed on daily wages. Audit observed that appointments / recruitments were made without advertising jobs along with selection / recruitment criteria in the newspapers. Further, in various months sanitary workers were appointed on daily wages beyond the sanctioned posts as per schedule of establishment / vacant posts of sanitary workers.

Due to weak internal controls, recruitments were made without adopting prescribed procedure and beyond sanctioned strength which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2022-23 Para No. 18]

2.37.2 Irregular procurement in violation of PPRA Rules – Rs 2.636 million

According to Rules 4 & 9 of the Punjab Procurement Rules, 2014, "A procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. All proposed procurements for each financial year shall be announced in an appropriate manner and the procuring agency shall proceed accordingly without any splitting or regrouping of the procurements so planned."

During audit of MC Jaranwala for the FY 2022-23, it was observed that CO incurred expenditure of Rs 2.636 million on procurement of street light /electric material, and sports items. Street light equipment and electric material was procured by splitting the cost of objects to avoid tendering. Moreover, expenditure on procurement of sports material was made without advertising on PPRA's website.

Due to weak financial management and monitoring mechanism, expenditure was incurred without open competitive bidding in violation of procurement rules which resulted in mis-procurement and irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide Para No.2.26.3 having financial impact of Rs 3.728 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 17]

2.37.3 Non-recovery of restoration cost of road cut – Rs 1.074 million

According to Rule 4 of the Punjab Local Governments (Property) Rules 2018, "The Manager shall take such care of the property of the local government as a man of ordinary prudence would take care of his own property of like nature and under similar circumstances. Prevent the property against nuisance, damage or misuse. The Manager shall be personally responsible to the local government for any loss, destruction or deterioration of the property, if such loss, destruction or deterioration is caused as a result of his default or negligence in the discharge of responsibilities. In case any difficulty arises in the maintenance of the property, the Manager shall immediately report the matter to the Mayor or Chairman as the case may be."

During audit of MC Jaranwala for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 1.074 million for restoration of road cut. Scrutiny of record depicted that road cut was made by Sui Northern Gas Pipelines Limited (SNGPL) for repair of existing gas pipeline. However, restoration cost of road cut was not recovered from the SNGPL.

Due to weak monitoring and lack of due diligence, cost of restoration of road cut was either not recovered from the department concerned which resulted in unauthentic expenditure and loss to the Government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of restoration cost from the department concerned.

[AIR 2022-23 Para No. 7]

Others

2.37.4 Non-recovery of Government dues from lessees - Rs 11.466 million

According to Schedule-II of the Punjab Local Governments (Conduct of Business) Rules 2017, “Municipal Officer (Finance) is responsible for the collection of approved taxes, fees, rates, tolls, charges, etc.” Further, according to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017 read with Rule 11(2)(c) of the Punjab Local Governments (Accounts) Rules 2017, “The Chief Officer and collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head.”

During audit of MC Jaranwala for the FY 2022-23, it was observed that CO auctioned collection rights of parking fees, wagon stand, general bus stand, motorcycle / auto rickshaw stand, taxi stand, slaughtering of animal fees, advertisement fees, stalls at general bus stand, parking stand land record center to different lessees at an auction amount of 37.757 million. However, the authorities could recover an amount of Rs 26.291 million from the lessees and failed to recover the remaining amount of Rs 11.466 million from the defaulters.

Due weak monitoring mechanism and financial controls, MC authorities could not recover lease amount and other Government dues from the defaulting lessees which resulted in short realization of revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for recovery from the concerned besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2020-21 vide para(s) No.2.26.10 and 21.4.4 respectively having financial impact of Rs 12.581 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 3]

2.37.5 Non-recovery of PST from contractors – Rs 5.492 million

According to Government of the Punjab, Finance Department Notification No.SO(Tax)5-24/2016 dated 05.10.2016, "The Punjab Sales Tax on Services was levied on services specified in the Sr. No 56 of the Second Schedule (Taxable Services) given in the notification."

During audit of MC Jaranwala for the FY 2022-23, it was observed that CO auctioned collection rights of eight revenue sources including advertisement fees, parking fees and slaughter of animal fees to different contractors at an auction amount of Rs 34.325 million but PST amounting to Rs 5.492 million was not recovered from the contractors.

Due to negligence and weak financial management, PST was not recovered from the contractors which resulted in loss of Government revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery from the contractors concerned besides depositing the same into the Government Treasury.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2020-21 and 2019-20 vide para(s) No.21.4.5 and 46.5.6 respectively having financial impact of Rs 4.524 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 5]

2.37.6 Non-recovery of arrears of revenue – Rs 5.392 million

According to Schedule-II of the Punjab Local Governments (Conduct of Business) Rules 2017, "Municipal Officer (Finance) is responsible for the collection of approved taxes, fees, rates, tolls, charges, etc." Further, according to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017 read with Rule 11(2)(c) of the Punjab Local Governments (Accounts) Rules 2017, "The Chief Officer and collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Jaranwala for the FY 2022-23, it was observed that CO leased out 11 shops to tenants on monthly rental basis. However, tenants did not deposit rent of shops amounting to Rs 4.163 million. Further, MC authorities could recover amount of Rs 0.420 million on account of water rates charges from connection holders of water supply against billing of Rs 1.650 million leaving a balance of Rs 1.229 million. Resultantly, total arrears of Rs 5.392 million were not recovered by the MC authorities.

Due weak monitoring mechanism and financial controls, MC authorities could not recover arrears of rent of shops and water rates charges from the defaulters which resulted in short realization of revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery from the concerned.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2019-20 vide para(s) No.2.26.9 and 46.4.5 respectively having financial impact of Rs 15.805 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 8, 9]

2.38 Municipal Committee Jatoi

Procedural irregularities

2.38.1 Irregular expenditure on work charged staff – Rs 2.540 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Jatoi for the FY 2022-23, it was observed that CO incurred expenditure of Rs 2.540 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 8]

Others

2.38.2 Non-recovery of outstanding dues / revenue – Rs 18.462 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Jatoi for the FY 2022-23, it was observed that CO failed to recover revenue amounting to Rs 18.462 million on account of under various head of accounts. The detail is as under:

(Rupees in million)

Sr. No.	Type of Recovery/Overpayment	Amount
1	Non-recovery of revenue	5.169
2	Recovery advertisement / Sullage water fees	0.533
3	Non-recovery Govt. dues from housing Schemes	7.815
4	Less recovery of conversion fees	4.945
Total		**18.462**

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss to the MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 1, 3, 5, 19]

2.38.3 Non-deposit of government taxes – Rs 4.073 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided." Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure (Withholding) Rules 2007, "1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax.

During audit of MC Jatoi for the FY 2022-23, it was observed that CO did not deposit Rs 4.073 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 10, 14]

2.39 Municipal Committee Jhang

Procedural irregularities

2.39.1 Irregular payment of SSB after regularization – Rs 40.862 million

According to Clause 9 of the Punjab Regularization of Service Act 2018, "Contract employee, on regularization, shall be allowed the initial stage of pay and the increments earned shall be converted into Personal Allowance but no other privilege allowed to a contract employee shall be admissible including SSB."

During audit of MC Jhang for the FY 2022-23, it was observed that CO regularized services of 200 contract employees w.e.f. 01.03.2013 and 47 contract employees under 17-A from their respective dates of appointments. However, recovery of Social Security Benefit (SSB) amounting to Rs 40.862 million was not made from the employees after regularization of their services.

Due to weak internal controls, recovery of SSB was not made from the employees after regularization of their services which resulted in excess payment to the employees and loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery of overpaid amount of SSB from the employees concerned besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 13]

2.39.2 Irregular expenditure on hiring of generators – Rs 3.285 million

According to Rule 9 of the Punjab Procurement Rules, 2014, "A procuring agency shall announce in an appropriate manner all proposed procurement for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. The annual requirements thus determined would be advertised in advance on the PPRA's website."

During audit of MC Jhang for the FY 2022-23, it was observed that CO incurred expenditure of Rs 3.285 million on hiring of generators on the event of Muharrum-ul-Haram. However, the expenditure was incurred by splitting the cost of object to avoid tendering.

Due to weak internal controls, hiring of generators was made by splitting and payment of contractor profit was made without admissibility which resulted in irregular expenditure and excess payment.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault beside recovery of excess paid amount from the contractor.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide para No.2.28.3 having financial impact of Rs 1.386 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 11]

Others

2.39.3 Non-recovery of miscellaneous fees – Rs 85.855 million

According to Rule 50(a) of the Punjab Local Governments Land Use (Classification, Reclassification, and Redevelopment) Rules 2020, "The conversion fee for the conversion zone (agriculture area) abutting list "A" roads to commercial use shall be ten percent of the commercial value of the land." Further, according to Rule 24(1) of the Punjab Private Housing Schemes Rules 2022, "The sponsor shall deposit to the local Government or the agency concerned, as the case may be a fee for approval of a housing scheme at the rate of rupees one thousand per kanal for the total housing scheme area, approval of service design and specification for water supply, sewerage and drainage at the rate of rupees five hundred per kanal for the total housing scheme area and approval of service design and specifications for roads, bridges, underpasses and footpaths of a housing scheme at the rate of rupees five hundred per kanal for the total housing scheme area."

During audit of MC Jhang for the FY 2022-23, it was observed that CO failed to recover conversion fees, sanction fees and designs approval fees amounting to Rs 85.855 million from the owners of 33 commercial buildings and sponsor / developer of a housing scheme.

Due to weak internal controls, the conversion and other prescribed fees were not recovered from the owners of commercial buildings & hosing scheme which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends appropriate action for recovery of fees besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide Para No.2.28.6 having financial impact of Rs 4.242 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 7, 10, 12]

2.39.4 Loss due to non-recovery of rent of shops – Rs 35.993 million

According to Rule 7 of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall be responsible to prepare estimates of receipts for each head of income and timely submission to the head of the finance office, making assessments of tax, a fee of the levy by the local government, on a periodical basis, for evaluating its potential and new tax proposal, ensure timely recoveries of each demand and ensure that all revenue collected against demand is credited into the Local Fund."

During audit of MC Jhang for the FY 2022-23, it was observed that CO failed to recover arrears on account of rent of shops from tenants amounting to Rs 35.993 million. The detail is as under:

(Rupees in million)

Head of Income	**No. of Shops**	**Recoverable Rent**	**Remarks**
Shops and plots	313	27.393	Arrears of Rent of shops including litigation cases
Arrears of Gur Mandi shops	48	8.600	Rent of shops not realized since 2001 as per decision by the supreme court in favor of MC, Jhang
Total	**313**	**35.993**	

Due to weak internal controls, recovery of arrears of rent of shops was not made which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of rent of shops besides fixing responsibility against the person(s) at fault.

<u>Note:</u> The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2020-21 vide para(s) No.2.28.5 and 24.4.8 respectively having financial impact of Rs 9.029 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 5]

2.39.5 Non-recovery of Government dues – Rs 6.310 million

According to Rule 47 of the Punjab Local Governments (Budget) Rules, 2017, "The collecting Officer shall ensure that all revenue due is claimed, realized, and credited immediately in Local Government Account and entered in the proper receipt head." Further, according to Clause 25(e) of the Contract for Auction of Collection Rights, "The contractor shall not appoint his staff for the collection of income without the prior approval of the local government and all collections shall be carried out by him through the staff of the local government concerned assigned to him for this purpose."

During audit of MC Jhang for the FY 2022-23, it was observed that CO failed to recover arrears on account of parking fees, general bus stand, rickshaw stand and cycle stand amounting to

Rs 1.866 million. Further, MC authorities did not recover pay & allowances of staff deputed with the contractors amounting to Rs 4.444 million.

Due to weak financial controls, arrears of auction and pay & allowances of MC staff were not recovered from the contractors which resulted in the loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery from contractors concerned besides fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide Para No.2.28.7 having financial impact of Rs 3.969 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 1, 14]

2.39.6 Non-recovery of cost of land and development charges – Rs 2.992 million

According to Directorate General of Kachi Abadies Colonies Department, Board of Revenue, Punjab, letter No.DG(KA) BOR/8-200/2012 dated 22.11.2012, "In supersession of all previous decisions, the price of land (Urban areas) will be @ 2% of the current valuation table at the time of grant of proprietary rights for area under occupation up to 5-Marlas, price of land for occupation above 5-Marlas and up to 10-Marlas will be current valuation table rate at the time of grant of proprietary rights and price of land for occupation for above 10-Marlas will be the current valuation rate with additional surcharge 50% thereof at the time of grant of proprietary rights."

During audit of MC Jhang for the FY 2022-23, it was observed that CO failed to recover cost of land and development charges amounting to Rs 2.992 million from occupants of Kachi Abadies. No action was taken by the MC authorities to recover cost of land and development charges despite lapse of considerable time.

Due to weak internal controls, outstanding dues of Kachi Abadies were not recovered which resulted in loss to public exchequer.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of cost of land and development charges.

[AIR 2022-23 Para No. 4]

2.40 Municipal Committee Kabirwala

Procedural irregularities

2.40.1 Non-obtaining of additional performance security – Rs 4.676 million

According to Rule 9 of the Punjab Local Governments (Works) Rules, 2017, "In case the rates of the lowest bid are equal to or less than 5% of the estimated cost, the lowest bidder shall be bound to deposit additional performance security from a scheduled bank from 5% to 10% (including CDR deposited at the time of tendering) within 15 days of issuance of notice and the same shall be refunded after issuance of the completion certificate by the in-charge of the engineering branch."

During audit of MC Kabirwala for the FY 2021-22, it was observed that CO awarded seven development works without getting additional performance security amounting to Rs 4.676 million during Financial Year 2019-20. The works were awarded @ 25% to 33% below the estimated costs. However, no documentary evidence, regarding receipt of additional performance security and refund of the same was on record.

Due to weak internal controls, additional performance security was not obtained which resulted in irregular award of contract.

The matter was reported to PAO in April, 2023. No reply was submitted by the DDO concerned.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No. 5]

Others

2.40.2 Non-recovery of conversion and map fees – Rs 20.421 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee.”

During audit of MC Kabirwala for the FY 2022-23, it was observed that CO did not recover conversion fees, map fees, approval of design and specification fees amounting to Rs 20.421 million from the developers / owners on account of establishment of land sub-divisions for the Financial Years 2019-20 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	Particulars	Amount
1	Loss due to non-registration of three private housing schemes established without paying government fees	2.692
2	Loss to Government due to non-recovery of dues from established land sub-divisions, eight housing schemes did not pay the government fees	15.278
3	Non-recovery of conversion and map fees	2.451
Total		**20.421**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023. No reply was submitted by the DDO concerned.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of government dues besides fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No. 7, 8]

[AIR 2022-23 Para No.4, 7]

2.40.3 Non-recovery of rent of shops – Rs 6.062 million

According to Rule 11(2) (c) of the Punjab Local Governments (Accounts) Rules, 2017, “Chief Officer shall ensure that any sums due to local government are promptly realized and credited into the local fund.”

During audit of MC Kabirwala for the FY 2022-23, it was observed that CO failed to recover receipts amounting to Rs 6.062 million on account of arrears of rent of shops as on 30.06.2022 for the Financial Years 2019-20 to 2022-23.

Due to weak financial and internal controls, rent of shops was not recovered which resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery at the earliest.

[AIR 2019-22 Para No.3]
[AIR 2022-23 Para No.5]

2.41 Municipal Committee Kamalia

Others

2.41.1 Non-recovery of arrears of MC revenue – Rs 17.815 million

According to Rule 4.7(1) of the Punjab Financial Rules, Vol-I, "It is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account."

During audit of MC Kamalia for the FY 2022-23, it was observed that CO could recover an amount of Rs 10.670 million on account of water rates charges from connection holders of water supply against total demand of Rs 27.483 million leaving recoverable balance of Rs 16.813 million. Further, staff of MC failed to recover rent of shops and accumulated arrears up to June, 2023 from 90 occupants of municipal property amounting to Rs 1.002 million. Resultantly, total arrears / revenue of Rs 17.815 million were not recovered.

Due weak monitoring mechanism, MC authorities failed to recover water rates charges and rent of shops which resulted in less realization of revenue and loss to the Government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the concerned.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2020-21 vide para(s) No.2.29.6 and 27.4.8 respectively having financial impact of Rs 17.085 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 5, 10]

2.41.2 Non-recovery of conversion and approval fees – Rs 12.754 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case

the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Kamalia for the FY 2022-23, it was observed that CO failed to recover conversion and building plan approval fees amounting to Rs 10.934 million from the owner of a marriage hall who converted land for commercial use without depositing prescribed fees. Further, conversion and approval fees of housing scheme amounting to Rs 1.820 million was also not recovered from owner / developer.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of conversion fees, building plan approval fees from the concerned at the earliest.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2020-21 vide para(s) No.2.29.8 and 27.4.7 respectively having financial impact of Rs 6.591 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 8]

2.41.3 Non-recovery of PST from contractors – Rs 1.946 million

According to serial No. 56 of the second schedule to the Punjab Sales Tax on Services Act, 2012, "Rate of sales tax is sixteen percent on debt collection, rent collection and similar other recovery or collection services including right to collect the toll or fee or regulatory fee or duty or any other similar collection."

During audit of MC Kamalia for the FY 2022-23, it was observed that CO auctioned collection rights of advertisement fees, parking fees and slaughter of animal fees to different contractors at auction amount of Rs 12.160 million. However, PST amounting to Rs 1.946 million was not recovered from the contractors.

Due to negligence and weak financial management, PST was not recovered from the contractors which resulted in loss of Government revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery from the lessees concerned.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23, 2020-21 and 2019-20 vide para(s) No.2.29.9, 27.4.10 and 57.5.2 respectively having financial impact of Rs 3.648 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 4]

2.41.4 Non-recovery of Government dues from contractor – Rs 1.094 million

According to Rule 28(3) and 28(4) of the Punjab Local Governments (Auction of Collection Rights) Rules, 2016, "After cancellation of contract, the House may decide to re-auction the income for the remaining period of contract or may make self-collection and in both situations mentioned under sub-rule (3), if the income so received is found less than the contractual amount, the difference shall be recovered from the contractor as arrears of land revenue."

During audit of MC Kamalia for the FY 2022-23, it was observed that CO awarded auction of collection rights of motorcycle rickshaw fees amounting to Rs 2.150 million. However, the contractor deposited Rs 1.056 million into MC account by leaving the balance of Rs 1.094 million unrecovered.

Due to weak internal controls and financial mismanagement, balance amount was not recovered from the contractor which resulted in less realization of revenue and loss to the Government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the defaulting contractor.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide Para No.2.29.10 having financial impact of Rs 2.148 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 2]

2.42 Municipal Committee Kameer

Procedural irregularities

2.42.1 Unauthorized payment of previous year's liabilities – Rs 1.125 million

According to Rule 17.18 of PFR Vol-I, "Expenditure incurred in one year, should not be left over to be met out of the budget for the next year."

During audit of MC Kameer for the FY 2021-22, it was observed that CO made payment for Rs 1.125 million against procurement of POL and repair etc. for preceding financial years out of budget for the Financial Years 2019-20 to 2021-22. However, payments were made without maintaining liability register, approval of the competent authority and special provision of funds for the clearance of outstanding liabilities.

Due to weak internal controls, previous year's liabilities were paid from budget of current year which resulted in unauthorized expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2019-22 Para No. 06]

Others

2.42.2 Non-execution of land transfer deed – Rs 93.939 million

According to Chapter III Section 17 (e) & (f) and Chapter VIII Section 42 (h) of Punjab Private Housing Schemes and Land Sub-division Rules 2010, "A developer shall submit a transfer deed in accordance with Form B, for free of cost transfer to a Town Municipal Administration, a Tehsil Municipal Administration or a Development Authority, the area reserved for roads, open space, park, solid waste management and two percent of the area under land sub-division for public buildings."

During audit of MC Kameer for the FY 2022-23, it was observed that CO approved land sub-division but area of roads, parks, open space, solid waste management and public buildings was not transferred in the name of MC valuing Rs 93.939 million. The detail is as under:

(Rupees in million)

Sr. No.	Name of Housing Schemes	Address	Total Area	Area under Roads & Public Places	Valuation Table Rate Per Marla F.Y 2022-23	Transfer Deed Amount
1	Jahangir Gardens	Chak No.120/9-L	48 Kanal	18-Kanal 09 Marla	Rs.254,789	93.939

Due to weak administrative controls, non-execution of land transfer deed resulted in irregular approval of land sub-division.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides transfer deed as per rule be executed in the name of MC.

[AIR 2022-23 Para No. 12]

2.42.3 Non-recovery of conversion and map fees – Rs 1.699 million

According to Rule 50 (1) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020 a Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land. Conversion fee for the conversion of land to health / educational institutions shall be 10% of the value of existing land.

During audit of MC Kameer for the FY 2022-23, it was observed that CO failed to recover conversion and map fees amounting to Rs 1.699 million from the owners of commercial buildings and LSDs constructed. The buildings were constructed without approval but no action was taken by the MC authorities.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and map fees at the earliest.

[AIR 2022-23 Para No. 3, 5]

2.43 Municipal Committee Karor

Others

2.43.1 Non-recovery of outstanding dues / revenue – Rs 20.677 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Karor for the FY 2022-23, it was observed that CO failed to recover of revenue, over-payment and fees etc. amounting to Rs 20.677 million from the concerned. The detail is as under:

(Rupees in million)

Sr. No.	Detail of recovery	Amount
1	Loss due to non-recovery of building map fees and conversion charges	19.932
2	Less-Recovery against Rent of Shops	0.745
Total		**20.677**

Due to weak internal controls, the government revenue were not recovered from the concerned resulting in loss to the MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 2, 11]

2.44 Municipal Committee Kehror Pacca

Procedural irregularities

2.44.1 Irregular advance withdrawal for purchase of vehicles – Rs 6.593 million

According to Para 4.2.15 of the Accounting Policies and Procedural Manual (APPM), "Payment must not be made in advance unless it is required by the agreement with the supplier and supported by a bank guarantee for the value of the advance. Officers should ensure that before agreeing to make advance payment or enter into an interim payment arrangement, approval from an officer, as specified by the delegation of Financial Powers, is obtained."

During audit of MC Kehror Pacca for the FY 2021-22, it was observed that CO made advance payment amounting to Rs 6.593 million for purchase of chassis of sewer jetting machine and tractor without obtaining the sanction from the Punjab Finance Department for the Financial Years 2019-20 to 2021-22. Bank guarantee of Rs 0.405 million was obtained instead of Rs 4.050 million for purchase of chassis but no bank guarantee was taken against the purchase of tractor. Chassis of "Mitsubishi Canter Truck" was purchased from M/S FUSO Master Motors without inviting bids from HINO and ISUZU. Hence, the purchase process was not transparent.

Due to weak internal controls, advance payment was made without taking the sanction which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2019-22 Para No. 2, 3]

Others

2.44.2 Non-recovery of conversion and map fees – Rs 25.281 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case

the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Kehror Pacca for the FY 2022-23, it was observed that CO did not recover conversion fees, map fees, approval of design and specification fees amounting to Rs 25.281 million from the developers/ owners on account of establishment of various commercial buildings and land sub-divisions for the Financial Years 2019-20 to 2022-23.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of the government dues at the earliest.

[AIR 2022-23 Para No. 10, 11]

2.45 Municipal Committee Khairpur Tamewali

Others

2.45.1 Loss due to non-recovery of revenue – Rs 35.722 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Khairpur Tamewali for the FY 2022-23, it was observed that CO failed to collect different receipts amounting to Rs 35.722 million. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Conversion Fees	5.061
2	Arrears of receipts	19.215
3	Katchi Abadi's dues	11.446
Total		**35.722**

Due to weak internal controls, revenue receipts were not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.31.2 and 9.2.5.3.4 respectively having financial impact of Rs 296.023 million. Recurrence of same irregularity is a matter of serious concern.
[AIR 2022-23 Para No. 4, 6, 8]

2.45.2 Non-deposit of government taxes deducted at source – Rs 1.069 million

According to Rule 14 (1) of the Punjab Sales Tax (Withholding) Rules 2015, "A withholding agent shall be considered defaulter and personally liable to pay the amount of tax to the government and an officer of the Authority may pass an order to that effect and proceed to recover the same in the manner prescribed by Punjab Sales Tax on Services (Recovery) Rules, 2012, if a withholding agent under the rules (a) fails to withhold or deduct tax under the rules or (b) having withheld or deducted tax under the rules, fails to deposit the tax to the government."

During audit of MC Khairpur Tamewali for the FY 2022-23, it was observed that CO did not deposit Rs 1.069 million on account of different taxes deducted from the contractors in the government treasury. The detail is as under:

(Rupees in million)

Sr. No.	**Description**	**Amount**
1	Income Tax	0.033
2	GST	0.354
3	PST	0.682
Total		**1.069**

Due to weak internal controls, taxes deducted from contractors and employees were not deposited into government treasury which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends deposit of taxes to the quarter concerned besides action against the person(s) at fault.

[AIR 2022-23 Para No. 3]

2.46 Municipal Committee Khan Pur

Others

2.46.1 Non-deposit of government taxes deducted at source – Rs 7.240 million

According to Rule 14 (1) of the Punjab Sales Tax (Withholding) Rules 2015, "A withholding agent shall be considered defaulter and personally liable to pay the amount of tax to the government and an officer of the Authority may pass an order to that effect and proceed to recover the same in the manner prescribed by Punjab Sales Tax on Services (Recovery) Rules, 2012, if a withholding agent under the rules (a) fails to withhold or deduct tax under the rules or (b) having withheld or deducted tax under the rules, fails to deposit the tax to the government."

During audit of MC Khan Pur for the FY 2022-23, it was observed that CO failed to deposit Rs 7.240 million on account of taxes deducted on purchase and repair of various items etc. from the bills of contractors. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Income Tax	2.179
2	GST	3.684
3	PST	1.377
	Total	**7.240**

Due to weak internal controls, taxes deducted from contractors and employees were not deposited into government treasury which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends deposit of taxes besides action against the person(s) at fault.

[AIR 2022-23 Para No. 9]

2.46.2 Non-realization of revenue – Rs 2.431 million

According to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Khan Pur for the FY 2022-23, it was observed that CO did not collect revenue on account of bus stand fees, publicity tax and cycle stand fees amounting to Rs 2.431 million.

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 18]

2.47 Municipal Committee Khanewal

Procedural irregularities

2.47.1 Irregular expenditure on work charged staff - Rs 14.477 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Khanewal for the FY 2022-23, it was observed that CO incurred expenditure of Rs 14.477 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.32.2 having financial impact of Rs 9.001 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 12]

2.47.2 Doubtful payments of civil work – Rs 1.096 million

According to Rule 2.33 of PFR Vol-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by government through fraud or negligence on his part."

During audit of MC Khanewal for the FY 2022-23, it was observed that CO awarded work order of scheme “Repair of roads, patch work of metaled roads, in city Khanewal” on 14.06.2022 with a time limit of 45 days up to 31.07.2022. The contractor executed work valuing Rs 2.970 million which was paid through 1st running bill dated 11.08.2022, 2nd running bill dated 26.09.2022 and 3rd running bill dated 22.11.2022. Physical verification dated 21.07.2023 indicated that no work was performed in 03 segments of the schemes located at Tehsin Lab road, Tariqabad to Naqsh Qamar printing chowk and civil line. Further, the segment of civil line was already executed through PCP project. Situation indicated that payment of Rs 1.096 million was made to the contractor through doubtful record entries. The detail is as under:

(Rupees in million)

Sr. No.	**Description of work**	**Tehsin Lab road**	**Tariqabad to Naqsh Qamar printing chowk**	**Civil line**	**Total**	**Rate paid**	**Loss**
1	P/L of base course of crushed stone aggregate (Cft)	1,584	148	176	1,908	17,542	0.335
2	P/L Triple Surface Treatment	4,800	448	533	5,781	5,933	0.343
3	Double Surface Treatment with 32 lbs. bitumen	-	8,512	6,127	14,639	2,858	0.418
	Total						**1.096**

Due to weak internal controls, payment was made against doubtful billing which may result in loss to government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.
[AIR 2022-23 Para No. 20]

Others

2.47.3 Non-recovery of conversion and map fees – Rs 87.513 million

According to Rule 50 (1) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land. Conversion fee for the conversion of land to health / educational institutions shall be 10% of the value of existing land."

During audit of MC Khanewal for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 87.513 million from owners / developers of commercial buildings and land sub-divisions who constructed commercial sites without approval.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.32.7 having financial impact of Rs 8.313 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.5, 17]

2.47.4 Loss due to non-recovery of revenue – Rs 33.640 million

According to Rule 11(2) (c) of the Punjab Local Governments (Accounts) Rules, 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into the local fund."

During audit of MC Khanewal for the FY 2022-23, it was observed that CO failed to recover government dues amounting to Rs 33.640 million from the tenants of shops and water connection holders. The non-recovery was consisting of Rs 31.309 million on account of rent of shops and Rs 2.331 million on account of water rates charges.

Due to weak financial and internal controls, government dues were not recovered which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of dues at the earliest.

[AIR 2022-23 Para No. 13, 16]

2.48 Municipal Committee Khangarh

Others

2.48.1 Non-recovery of revenue and over-payment of pay and allowances – Rs 26.780 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Khangarh for the FY 2022-23, it was observed that CO failed to recover the revenue amounting to Rs 26.780 million on account of conversion fees, advances and overpayments on the account of pay and allowances. The detail is as under:

(Rupees in million)

Sr. No.	Type of Recovery/Overpayment	Amount
1	Less recovery of conversion fees	25.785
2	Recovery of Conveyance Allowance	0.045
3	Recovery of House Building Advances	0.950
Total		**26.78**

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders dated 26.09.2023 and 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery of revenue from concerned.

<u>Note:</u> The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.33.6 having financial impact of Rs 163.269 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 2, 7, 8]

2.48.2 Non-deposit of government taxes – Rs 5.014 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided." Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure (Withholding) Rules 2007, "1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax.

During audit of MC Khangarh for the FY 2022-23, it was observed that CO did not deposit Rs 5.014 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 13]

2.49 Municipal Committee Khurrianwala

Procedural irregularities

2.49.1 Irregular execution of development schemes – Rs 53.283 million

According to Rule 4(6) of the Punjab Local Governments (Works) Rules 2017, "The execution of work shall be undertaken after detailed estimates and the scheme is approved by the competent authority." Further, according to Government of the Punjab, C&W Department letter No.PA/Secy. (C&W) 26-5/2009 dated 25.05.2009, "Job Mix Formula (JMF) for asphalt base course and asphalt wearing course must invariably be approved from Road Research & Material Testing Institute (RR&MTI). After its approval, it must be strictly followed at site and no deviation be allowed under any circumstances." Furthermore, according to Government of the Punjab, Finance Department Notification No. RO. (Tech) FD.2-3/2004 dated 02.08.2004, "The rate of item of carpeting shall be fixed by the Chief Engineer on the basis of different percentages of bitumen i.e. 3% to 6%. However, payment will be made to contractor as per JMF or bitumen used in the work."

During audit of MC Khurrianwala for the FY 2022-23, it was observed that CO got executed eighteen development works costing Rs 53.283 million. Audit observed following discrepancies in execution of the works:

i. Thirteen schemes costing Rs 52.00 million were awarded without prior sanction of technical estimate and expenditure of Rs 6.624 million was incurred; and

ii. Carpeting amounting to Rs 1.283 million was done in one scheme without formulation and approval of JMF and obtaining certificate from the RR&MTI;

Due to weak internal controls, payments were made prior sanction of technical estimate and without approval of JMF resulted in irregular execution of civil works.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2022-23 Para No. 11]

2.49.2 Irregular payment to daily wage staff – Rs 10.343 million

According to Government of the Punjab, Finance Department, Notification No.RO (Tech) FD-2-2/2001 dated 03.11.2008, “Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment.”

During audit of MC Khurrianwala for the FY 2022-23, it was observed that CO made payment to sanitary workers appointed on daily wages amounting to Rs 10.343 million. Audit observed that appointments / recruitments were made in non-transparent manner, without advertising jobs along with selection/ recruitment criteria in the newspapers.

Due to weak internal controls, recruitment of contingent paid staff was made without adopting prescribed procedure which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent Authority.

[AIR 2022-23 Para No. 9]

Others

2.49.3 Non-recovery of PST – Rs 1.437 million

According to Rule 20(3) of the Punjab Local Governments (Auction of Collection Rights) Rules 2016, "The income tax, sales tax, professional tax or any other levies enforced by law or instructions issued by the Government shall be recovered from the contractor." Further, according to Serial No.56 of the Second Schedule to the Punjab Sales Tax on Services Act, 2012, "Rate of sales tax is sixteen percent on debt collection, rent collection and similar other recovery or collection services including right to collect the toll or fee or regulatory fee or duty or any other similar collection."

During audit of MC Khurrianwala for the FY 2022-23, it was observed that CO leased out collection rights of advertisement fees, taxi and rickshaw stands to the contractors at an agreement amount of Rs 6.980 million. However, PST amounting to Rs 1.437 million was not recovered from the contractors.

Due to weak internal controls, PST was not recovered from the contractors which resulted in loss to the public exchequer.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of PST from the contractors concerned.

[AIR 2022-23 Para No. 2]

2.50 Municipal Committee Kot Addu

Procedural irregularities

2.50.1 Irregular clearance of outstanding liabilities – Rs 9.303 million

According to rule 17.18 of PFR Volume-I, "expenditure incurred in one year, should not be left over to be met out of the budget for the next year."

During audit of MC Kot Addu for the FY 2022-23, it was observed that CO made payment amounting to Rs 9.303 million on account of purchases, repair and civil work against the expenditure pertaining to Financial Year 2021-22 without maintenance of pending liabilities register. Approval of competent authority and additional budget was not obtained to clear the pending liabilities.

Due to weak internal controls, pending liabilities were paid without budget and approval of competent authority which resulted in irregular payments.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 14]

2.50.2 Irregular release of securities without maintenance of record – Rs 5.876 million

According to para 5.1(II)(d), of B&R Code, "When a sum so held in deposit is ultimately paid to the contractor concerned, his acknowledgement should be set forth such particulars as would establish the settlement of this account in connection with the work concerned. It is further explained that Security Deposit Register shall be maintained and any receipt and return will be debited and credited in the concerned account."

During audit of MC Kot Addu for the FY 2022-23, it was observed that CO made payment of securities amounting to Rs 5.876 million. The works were completed by the contractors in 2012 and securities were lapsed in 2014-15. Further, the securities were released without proof of deduction i.e. security register for said claim.

Due to weak internal controls, securities were paid after the expiry of due period which resulted in irregular payment of securities.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 05]

Others

2.50.3 Non-recovery of outstanding dues / revenue – Rs 34.709 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Kot Addu for the FY 2022-23, it was observed that CO failed to recover the revenue amounting to Rs 34.709 million on account of various rents, and fees. The detailed as under:

(Rupees in million)

Sr. No.	Type of Recovery/Overpayment	Amount
1	Non-recovery of dues against advertising Fees	1.100
2	Less recovery of conversion fees, Building map Fees and NOC Fees	31.232
3	Recovery of Rent of Shops	2.330
4	Recovery of House Rent	0.047
Total		**34.709**

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from concerned.

[AIR 2022-23 Para No. 1, 4, 16, 18]

2.51 Municipal Committee Kot Chutta

Procedural irregularities

2.51.1 Irregular expenditure on work charged staff – Rs 15.800 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Kot Chutta for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 15.800 million on account of salary payment to the work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 18]

2.51.2 Unauthorized payment of tuff tile – Rs 2.726 million

According to input rates issued by the Finance Department "The strength of tuff pavers should be 7000-PSI and these should be of approved manufacturers i.e. Tuff Pavers (Pvt) Ltd., Izhar Building Material (Pvt) Ltd. Further, as per Government of Punjab Communication and Works Department letter No.PA/SECY(C&W) 26-5/2009 dated 25.05.2009, "Payment be made only for quality works which conform to the given specifications."

During audit of MC Kot Chutta for the FY 2022-23, it was observed that CO made payment of Rs 2.726 million to the contractors on account of tuff tiles used in development schemes. No gate pass or any other documents was provided to prove that tiles were purchased from approved manufacturer. The rate of the tuff tile was based on the input rate of Izhar & Co. Taxila, but the tuff tile was purchased of local built. Furthermore, lab test from approved laboratory for assessing the quality were not made. The detail is as under:

(Rupees in million)

Name of scheme	Contractor	Quantity	Rate	Amount	MB & page No.
Construction/Rehabilitation of surface drain/nala P/L of sewer line P.C.C tuff tiles earth filling Ward No. 2 MC Kot Chutta	Shabir Husnain Balouch	25473 sft	109/107 p/sft	2.726	619-26,18,76
Total				**2.726**	

Due to weak internal controls, payment was made without supporting documents resulted in unauthorized expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 15]

Others

2.51.3 Non-recovery of outstanding dues / revenue – Rs 17.470 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Kot Chutta for the FY 2022-23, it was observed that CO failed to recover Government revenue amounting to Rs 17.470 million on account of rent of shops, conversion fees and commercialization fees from defaulters. The detail is as under:

(Rupees in million)

Sr. No.	Type of Recovery	Amount
1	Loss to Govt. due to non-collection of conversion fees	10.382
2	Non-recovery of rent of shops	4.104
3	Non / less recovery of conversion fees, registration fees, advertisement fees and NOC fees	0.563
4	Loss due to non-recovery of conversion fees and map fees from housing schemes	2.421
Total		**17.47**

Due to weak internal controls, government revenue were less realized which resulted in loss.to the Government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of government revenue from concerned.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.36.4 and 19.5.2 respectively having financial impact of Rs 93.921 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 1, 3, 4, 6, 7]

2.52 Municipal Committee Kotmithan

Procedural irregularities

2.52.1 Irregular expenditure on work charged staff – Rs 2.964 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in

the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Kotmithan for the FY 2022-23, it was observed that CO made payment of Rs 2.964 million to work charged employees. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG & CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 7]

Others

2.52.2 Non-recovery of outstanding dues / revenue – Rs 16.239 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, “The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise.”

During audit of MC Kotmithan for the FY 2022-23, it was observed that CO failed to recover the revenue amounting to Rs 16.239 million on account of various rents, fees and arrears. The detail is as under:

(Rupees in million)

Sr. No	Type of Recovery/Overpayment	Amount
1	Non-recovery of Rent of Shops	11.466
2	Less / non-recovery of conversion and map fees	3.005
3	Recovery of pay and allowances	1.768
Total		**16.239**

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 2, 8, 11]

2.52.3 Non-deposit of government taxes – Rs 4.323 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, “The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable.” Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, “Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided.” Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure (Withholding) Rules 2007, “1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax.

During audit of MC Kotmithan for the FY 2022-23, it was observed that CO did not deposit Rs 4.323 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 9, 10]

2.53 Municipal Committee Lalian

Procedural irregularities

2.53.1 Irregular procurement of vehicle and equipment – Rs 11.404 million

According to the Government of the Punjab, Finance Department letter No.RO (Tech) FD-18-23/2004 dated 21.09.2004, "Rate analysis for the non-standardized items shall be prepared by the Executive Engineer, clearly giving the specifications of the material used and approved by the Competent Authority, not below the rank of Superintendent Engineer based on input rates of relevant quarter placed at the website of Finance Department and rates shall not be more than the market rates."

During audit of MC Lalian for the FY 2021-22, it was observed that CO incurred expenditure amounting to Rs 11.404 million for the procurement of different sanitation vehicles and machinery. The said expenditure was held irregularly due to the following discrepancies:

i. Technical inspection was not carried by the inspection committee;

ii. Penalty for late supply of vehicles and equipment was not mentioned in supply order and LD charges were not recovered from the concerned supplier;

iii. The date of delivery/supply of the lifter was not on record; and

iv. The advance payment was made for the purchase of a tractor amounting to Rs 1.990 million.

Due to weak internal controls, machinery was procured without technical inspection which resulted in irregular expenditure.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No. 8]

2.54 Municipal Committee Layyah

Other

2.54.1 Non-recovery of Government dues / revenue – Rs 16.604 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Layyah for the FY 2022-23, it was observed that CO failed to recover the revenue amounting to Rs 16.604 million on account of conversion fees and rent of shops. The detail is as under:

(Rupees in million)

Sr. No.	Detail of recovery	Amount
1	Non-Recovery of rent of shops and water rates	2.381
2	Unauthorized award of leases resulting non-recovery of balance leased amount	0.648
3	Loss due to non-auction of shops	8.028
4	Loss due to non-recovery of conversion fees from Housing Schemes	2.487
5	Loss due to non-recovery of conversion fees from Commercial buildings	3.060
	Total	**16.604**

Due to weak internal controls, government revenue were less realized which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 4, 7, 8, 14, 15]

2.54.2 Non-deposit of government taxes – Rs 1.707 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided." Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure (Withholding) Rules 2007, "1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax.

During audit of MC Layyah for the FY 2022-23, it was observed that CO did not deposit Rs 1.707 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 12]

2.55 Municipal Committee Liaqat Pur

Others

2.55.1 Non-realization of revenue – Rs 168.856 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Liaqat Pur for the FY 2022-23, it was observed that CO did not collect revenue on account of arrears of receipts, conversion fees and fees from approval of land sub-divisions amounting to Rs 168.856 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Arrears of receipts	35.235
2	Conversion fees	99.404
3	Fees from approval of land sub-divisions	34.217
Total		**168.856**

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2020-21 and 2019-20 vide para(s) number 2.39.4, 7.4.3 and 14.2.5.3.2 respectively having financial impact of Rs395.542 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 1, 4, 16]

2.55.2 Non-deposit of government taxes – Rs1.348 million

According to Rule 14 (1) of the Punjab Sales Tax (Withholding) Rules 2015, "A withholding agent shall be considered defaulter and personally liable to pay the amount of tax to the government and an officer of the Authority may pass an order to that effect and proceed to recover the same in the manner prescribed by Punjab Sales Tax on Services (Recovery) Rules, 2012, if a withholding agent under the rules (a) fails to withhold or deduct tax under the rules or (b) having withheld or deducted tax under the rules, fails to deposit the tax to the government."

During audit of MC Liaqat Pur for the FY 2022-23, it was observed that CO did not deposit Rs 1.348 million on account of different taxes deducted from the contractors in the government treasury.

Due to weak internal controls, taxes deducted from contractors and employees were not deposited into government treasury which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends deposit of taxes to the quarter concerned besides action against the person(s) at fault.

[AIR 2022-23 Para No. 5]

2.56 Municipal Committee Lodhran

Others

2.56.1 Non-execution of mortgage deed – Rs 411.787 million

According to Chapter III Section 17 (e) & (f) and Chapter VIII Section 42 (h) of Punjab Private Housing Schemes and Land Sub-division Rules 2010, "A developer shall submit in the name of a Town Municipal Administration, a Tehsil Municipal Administration or a Development Authority a mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Lodhran for the FY 2022-23, it was observed that CO approved 05 land sub-divisions but 20% of saleable area valuing Rs 411.787 million was not mortgaged by the developer of these land sub-divisions in the name of MC.

Due to weak administrative controls, non-execution of mortgage deed resulted in irregular approval of LSDs.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides mortgage and transfer deed as per rule be executed in the name of MC.

[AIR 2022-23 Para No.09, 11]

2.56.2 Non-recovery of conversion and map fees – Rs 17.951 million

According to Rule 50 (1) of the Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020 "A local government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land." Further, according to Rule 39 of Punjab Private Housing Schemes and Land Sub-Division Rules, 2010, "A developer shall deposit fee for conversion of peri-urban area to scheme use at the rate of one percent of the value of the residential land."

During audit of MC Lodhran for the FY 2022-23, it was observed that CO did not recover conversion and building plan approval fees amounting to Rs 17.951 million from owners / developers of commercial buildings and land sub-divisions who constructed commercial sites without approval. Notices were served to the owners of these sites to deposit conversion and building plan approval fees.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees at the earliest.

<u>Note:</u> The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.40.4 having financial impact of Rs 19.373 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.13, 14, 17]

2.57 Municipal Committee Mailsi

Procedural irregularities

2.57.1 Irregular expenditure due to tendering process before technical sanction – Rs 20.740 million

According to Finance Department Letter No. RO (TECH) FD–1–2/83/-VI dated 29.03.2005, "The particulars of technical sanction i.e. amount, number and date of orders of technical sanction to be mentioned in the Draft Notice Inviting Tenders (DNIT)."

During audit of MC Mailsi for the FY 2021-22, it was observed that CO invited tenders for seven development schemes amounting to Rs 20.740 million for the Financial Years 2020-21 and 2021-22. No particulars of technical sanction i.e. TS number and date of technical sanctions were mentioned in the advertisement which was evidence that tendering process was started before technical sanction. The detail is as under:

(Rupees in million)

Sr. No.	Financial Year	No. of Schemes	Amount
1	2020-21	47	15.960
2	2021-22	19	4.780
Total			**20.740**

Due to weak internal controls, tenders were advertised without observing procurement rules and FD directions which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023. No reply was submitted by the DDO concerned.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2020-22 Para No.16]

2.57.2 Irregular expenditure in violation of Procurement Rules – Rs 4.040 million

According to Rule 9 of the Punjab Procurement Rules, 2014, "Procuring agency shall announce proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website."

During audit of MC Mailsi for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 4.040 million on account of purchase / hiring of various items on national events. The expenditure was incurred by splitting to avoid tendering process.

Due to weak internal controls, procurement rules were not observed which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No.12]

2.57.3 Irregular expenditure without entry in measurement book - Rs 3.060 million

According to Rule No. 18(3) of the Punjab Local Governments (Works Rules) 2017, "Any payment either for the work done or procurement made for more than rupees fifty thousand shall be entered in the measurement book."

During audit of MC Mailsi for the FY 2021-22, it was observed that CO irregularly made payment amounting to Rs 3.060 million for different expenditure without ensuring of material received and entered in the MBs for the Financial Years 2020-21 and 2021-22.

Due to weak internal controls, payment was made without making entries in MBs which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2020-22 Para No.8]

2.57.4 Irregular payment in cash instead of crossed cheques – Rs 2.460 million

According to Rule XV Chapter 2 of Receipts & Payment Rules 2021, "Payments shall be only made to contractors, vendors, suppliers, employees, etc. through direct credit or through crossed cheque." Further, according to Rule 27 (3) Chapter 2 of Receipts & Payment Rules 2021, "Account's officer may, as far as possible, disburse miscellaneous contingent payments to the contractors / suppliers by direct credit advice into their respective bank accounts or in exceptional cases by system generated cheques on submission of claim on bills / voucher to the Accounts Office."

During audit of MC Mailsi for the FY 2021-22, it was observed that CO made cash payment of Rs 2.460 million to the different vendors and daily wages staff for the Financial Years 2020-21 and 2021-22. Salary of daily wages staff was paid in cash instead of bank advice.

Due to weak internal controls, cash payments were made which resulted in irregular payment.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.
[AIR 2020-22 Para No.07]

Others

2.57.5 Non-recovery of conversion and map fees – Rs 102.658 million

According to Rule 50 (1) of the Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020 "A local government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land." Further, according to Rule 39 of Punjab Private Housing Schemes and Land Sub-Division Rules, 2010, "A developer shall deposit fee for conversion of peri-urban area to scheme use at the rate of one percent of the value of the residential land."

During audit of MC Mailsi for the FY 2022-23, it was observed that CO did not recover conversion and building plan approval fees amounting to Rs 102.658 million for the Financial Years 2020-21 to 2022-23 from owners of commercial buildings and land sub-divisions who constructed commercial sites without approval. Notices were served to the owners of these sites to deposit conversion and building plan approval fees. The detail is as under:

(Rupees in million)

Sr. No.	Particulars	Amount
1	Less recovery of dues from owners of commercial buildings, schools /colleges, hospital and BT tower	76.339
2	Less recovery of dues from owners of schools, commercial shops and petrol pumps	5.510
3	Less recovery of dues from owner of land subdivisions	20.809
Total		**102.658**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees at the earliest.

[AIR 2022-23 Para No.02, 03, 08]
[AIR 2020-22 Para No. 6]

2.57.6 Loss due to non-recovery of revenue – Rs 17.683 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Mailsi for the FY 2022-23, it was observed that CO did not recover Rs 17.683 million for the Financial Years 2016-17 to 2022-23 on account of water rates and rent of shops. Tenant of some shops ran away without paying the arrears of rent and shops were got vacated. Neither the management of MC made any effort to get the recovery under Land Revenue Act-1976 nor the arrears were got condoned from the competent authority. The detail is as under:

(Rupees in million)

Sr. No.	Head of receipts	Year / period	Target	Recovery made	Less recovery
1	Rent of shops	2021-22	28.515	24.489	4.026
2	Arrears of rent of shops of 20 shop keepers	20.10.2022 to 30.06.2023	3.131	-	3.131
3	Arrears of rent of shops of 32 shop keepers	2016-21	1.010	-	1.010
4	Water rates	2020-21	7.082	5.347	1.735
5	Arrear of water rates	2021-22	8.411	6.167	2.244
6	Arrear of water rates	2022-23	11.000	5.463	5.537
Total			**59.153**	**41.467**	**17.683**

Due to weak internal controls and poor performance of collecting officer Government dues were not recovered which resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of the government dues at the earliest.

[AIR 2022-23 Para No. 11, 14]
[AIR 2020-22 Para No.11]

2.58 Municipal Committee Mamukanjan

Procedural irregularities

2.58.1 Irregular payment to daily wage employees – Rs 13.669 million

According to Government of the Punjab, Finance Department Notification No.RO (Tech) FD 2-2/2022 dated 15.07.2022, "Appointment of work charge / daily wages employee(s) shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment."

During audit of MC Mamukanjan for the FY 2022-23, it was observed that CO recruited sanitary workers on daily wages and made payment of Rs 13.669 million. However, recruitments were made in non-transparent manner / without advertisement in the newspapers. Further, 56 to 73 sanitary workers (in different months) were appointed on daily wages against 12 to 20 vacant posts of sanitary workers.

Due to weak internal controls, recruitments of daily wage staff were made without adopting prescribed procedure and beyond sanctioned posts which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2022-23 Para No. 8]

Others

2.58.2 Non-recovery of conversion and building plan approval fees – Rs 20.974 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, “The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee.”

During audit of MC Mamukanjan for the FY 2022-23, it was observed that CO failed to recover conversion / building plan approval fees amounting to Rs 20.974 million from 114 buildings respectively for the Financial Years 2019-20 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	Description	Financial Year(s)	Amount
1	Non-recovery of conversion fees from the owners 42 buildings for conversion of land use	2019-20 to 2021-22	3.901
2	Non-recovery of building plan approval fees from the owners of 72 buildings	2022-23	17.073
Total			**20.974**

Due to weak internal controls, non-recovery of conversion and building plan approval fees from the concerned resulted in loss to MC.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of Government dues from the defaulters at the earliest.

<u>Note:</u> The issue was reported in the Audit Report for Audit Year 2019-20 vide Para(s) No.48.4.1 and 48.4.2 respectively having financial impact of Rs 11.176 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2019-22 Para No. 10]
[AIR 2022-23 Para No. 12]

2.58.3 Non-imposition of fine on the sponsors / developers / owners – Rs 15.023 million

According to Section 172(2)(a) & 172(2)(b) read with Sr. Nos. 2 & 18 of Eighth Schedule of the PLGA 2022, "If a person commits an offence like development of a private housing scheme without approval of a local government; or on a non-conforming use, such person shall be punishable with imprisonment for a term which may extend to seven years, or with fine which may extend to five hundred thousand rupees or with both and if a person commits offence of erection or re-erection of a building without the sanction required under this Act or using a building for a purpose which may endanger the security of people, such person shall be punishable with imprisonment for a term which may extend to three years, or with fine which may extend to one hundred thousand rupees or with both."

During audit of MC Mamukanjan for the FY 2022-23, it was observed that CO did not take appropriate action against the sponsors / developers / owners of housing schemes. Neither, fine amounting to Rs 6.500 million was imposed nor efforts were made to realize income amounting to Rs 8.523 million on account of conversion fees, preliminary planning permission fees, plans approval fees etc.

Due to dereliction of duties, appropriate action was not taken against the owners / developers of housing schemes which resulted in non-imposition / non-recovery of fine and other Government dues.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends imposition / recovery of fine and Government dues besides taking appropriate action against the person(s) at fault.

[AIR 2022-23 Para No. 5]

2.58.4 Non-recovery of rent of shops – Rs 12.030 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Mamukanjan for the FY 2022-23, it was observed that CO failed to recover rent of shops amounting to Rs 12.030 million from 145 lessees for the Financial Years 2019-20 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	**Description**	**Financial Year(s)**	**Amount**
1	Non-recovery of rent from the lessees of 145 shops	2019-20 to 2021-22	10.771
2	Non-recovery of rent from the lessees of 137 shops	2022-23	1.259
Total			**12.030**

Due to weak internal controls, efforts were not made for recovery of Government dues which resulted in non-recovery of rent of shops from the concerned.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of Government dues from the defaulters at the earliest.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide Para(s) No.48.4.1 and 48.4.2 respectively having financial impact of Rs 11.176 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2019-22 Para No. 2]
[AIR 2022-23 Para No. 7]

2.59 Municipal Committee Mian Channu

Procedural irregularities

2.59.1 Irregular expenditure in violation of Procurement Rules – Rs 4.410 million

According to Rule 9 of the Punjab Procurement Rules, 2014, "Procuring agency shall announce proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website."

During audit of MC Mian Channu for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 4.410 million on account of purchase of various items for establishment of temporary cattle markets for Eid-ul-Azha, filters for filtration plants and manhole cover etc. The expenditure was incurred by splitting to avoid tendering process.

Due to weak internal controls, procurement rules were not observed which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.41.2 having financial impact of Rs 3.877 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.14]

2.59.2 Irregular expenditure on work charged staff - Rs 1.287 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Mian Channu for the FY 2022-23, it was observed that CO incurred expenditure of Rs 1.287 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No.13]

Others

2.59.3 Inadmissible payment of integrated allowances to sanitary workers – Rs 2.041 million

According to Government of the Punjab, Finance Department, notification No. FD.PC.2-1/2001 dated 11.07.2011, "Integrated allowance is allowed to N/Qasid, Qasid, Daftries, Frash, Chowkidar, Sweeper, Sweeperess & Security Guard." According to Finance Department Notification No. FD.SR-I/9-28/2016 dated 18.07.2016 regarding revision of rates of aforementioned notification dated 11.07.2011 in this notification only rates were revised and no admissibility to the other designations was mentioned.

During audit of MC Mian Channu for the FY 2022-23, it was observed that CO made payment amounting to Rs 2.041 million on account of integrated allowance to 196 sanitary workers without admissibility. Audit just calculated recovery for the period 01.07.2022 to 30.06.2023. The actual recovery since date of payment is the responsibility of DDO. The detail is as under:

(Rupees in million)

Month checked by audit	**Amount drawn as per July 2022**	**Total number of month July 2022, June2023(audit period)**	**Total amount drawn/ Amount of Recovery**
7/2022	0.170	12	**2.041**

Due to weak internal controls, integrated allowance was paid to sanitary workers irregularly which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery and immediate stoppage of inadmissible allowance besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No.07]

2.59.4 Non-recovery of conversion and building plan approval fees – Rs 2.034 million

According to Rule 50 (1) (a) & (d) of the PLG Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use subject to scrutiny and clearance from District Planning and Design Committee, from agricultural, residential, peri-urban area to commercial use shall be 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land." Further, according to Rules 4 & 38 of the Punjab Private Housing Schemes and Land Sub-Division Rules 2010, "The developer shall submit an application to the TMA/Local Government, for seeking preliminary planning permission for a scheme before initiating any planning or development activity and shall pay the prescribed fee." Furthermore, Rule 35(1) of said rules "Empowers the TMO to monitor the development work of the schemes and ensure that there is no deviation from the sanctioned scheme plan."

During audit of MC Mian Channu for the FY 2022-23, it was observed that CO did not recover conversion and building plan approval fees amounting to Rs 2.034 million from owners of commercial building and land sub-division who constructed commercial sites without approval. Notices were served to the owners of these sites to deposit conversion and building plan approval fees. The detail is as under:

(Rupee in million)

Particulars	**Name of owner**	**Location**	**Area**	**Rate per M/K**	**Conversion fees**	**Map fees @20 per SFT/@600 per Marla of saleable area**	**Total Recoverable**
Commercial shop	Abdul Jabbar	Block No. 03	1 M	5.00	500,000	5,440	0.505
Land sub-division	Afzal Shah	125/15L	98 K	7.00	857,500	672,000	1.529
Total							**2.034**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees at the earliest.

[AIR 2022-23 Para No.15]

2.60 Municipal Committee Minchinabad

Others

2.60.1 Irregular approval of LSD and non-mortgage of property – Rs 40.240 million

According to Rule 17 (e) & (f) and Rule 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "The developers are required to transfer the area reserved for roads, open space, park and solid waste management as well as one percent of the area under land sub-division for public buildings, excluding the area of mosque in favor of relevant development authority / body and should submit mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Minchinabad for the FY 2022-23, it was observed that CO granted irregular approval of LSD without reserving a plot for waste management. Moreover, required 20% of saleable area was not mortgaged in the name of MC. Further, development work was not completed by the owners of the LSD despite lapse of more than 8 years. The detail is as under:

(Rupees in million)

Sr. No.	Name of Scheme	Name of Owner	Area	Area Under Plots	Commercial Area	Area to be mortgaged	DC Rate / Marla (2022-23)	Amount in million
1	Model City under land sub-division	M. Arshad s/o M. Yaqoob	80K 0M 0Sft	971	80	210	110,000	23.122
2	Kamal Garden	M. Abbas s/o Kamal Din	64K 1M 6Sft	714	64	156	110,000	17.118
Total				**1,685**	**144**	**366**		**40.240**

Due to weak internal controls, no action was taken for transfer and mortgage of land in the name of MC which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends mortgage of property in the name of MC besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 12]

2.60.2 Non-realization of revenue – Rs 28.372 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Minchinabad for the FY 2022-23, it was observed that CO did not collect revenue on account of auctioned amount, conversion fees and different receipts amounting to Rs 28.372 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Auctioned receipt	1.057
2	Conversion and map fees	23.553
3	Different receipts	3.762
Total		**28.372**

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 3, 5, 7]

2.61 Municipal Committee Muzaffargarh

Procedural irregularities

2.61.1 Unauthorized payment of salaries – Rs 8.936 million

According to Rule 2.33 of PFR Volume-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part and that he will also be held personally responsible for any loss arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence."

During audit of MC Muzaffargarh for the FY 2022-23, it was observed that CO paid arrears of salary amounting to Rs 8.936 million to daily wages employees for the Financial Years 2019-20 to 2022-23 in contradiction to a writ petition decision given by the Deputy Commissioner on the directives of the honorable Lahore High Court Multan Bench.

Due to weak internal controls, unauthorized salary was paid to daily wages staff which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not submit reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing the responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 15]

Others

2.61.2 Non-recovery of outstanding dues / revenue – Rs 81.493 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Muzaffargarh for the FY 2022-23, it was observed that CO failed to recover the revenue amounting to Rs 81.493 million on account of various rents and other dues. The detail is as under:

(Rupees in million)

Sr. No	Type of Recovery/Overpayment	Amount
1	Recovery of rent of shops	2.707
2	Recovery of Government dues / conversion fees	74.146
3	Recovery of house rent	0.360
4	Recovery of Govt. dues from private housing societies.	4.280
Total		**81.493**

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss.

The matter was reported to PAO in July, 2023 but Management did not submit reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of outstanding revenue from the concerned.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.8.3 having financial impact of Rs 535.705 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 10, 12, 13, 14]

2.61.3 Non-deposit of government taxes– Rs 6.943 million

According to Serial No.1 (b) (ii), 2(ii) (b) and 3(iii) of Division III of Part III of First Schedule of the Income Tax Ordinance, 2001, "The rate of Income Tax to be deducted from a payment for goods or services shall be 4.5 per cent and 10 per cent respectively of the gross amount payable." Further, according to Serial No. 11 of the Second Schedule to the Punjab Sales Tax on Services Act 2012, "Punjab Sales Tax on Services @ 16 percent shall be applicable on services provided." Furthermore, according to Para 1.3, 4(b) & 4(3) of the Sales Tax Special Procedure

(Withholding) Rules 2007, “1/5th of GST shall be withheld by withholding agent / DDO and same shall be submitted along with monthly return to concerned Collector of Sales Tax.

During audit of MC Muzaffargarh for the FY 2022-23, it was observed that CO did not deposit Rs 6.943 million on account of GST, Income Tax and Punjab Sales Tax during the year which were deducted at source from the bills of contractors / employees.

Due to weak internal controls, taxes deducted at source were not deposited into government treasury resulting in loss to government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of GST, Income Tax and Punjab Sales Tax to the concerned departments immediately besides action against the person(s) at fault.

[AIR 2022-23 Para No. 01. 4]

2.62 Municipal Committee Pakpattan

Procedural irregularities

2.62.1 Irregular expenditure in violation of Procurement Rules – Rs 22.095 million

According to Rule 9 and 12 (1) of Punjab Procurement Rules 2014, "A procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise in advance annual requirements for procurement on the website of the Authority as well as on its own website. A procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations."

During audit of MC Pakpattan for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 22.095 million on account of celebrating national days, religious days, youth cultural and arrangements of other routine activities. The expenditure was incurred by splitting to avoid tendering process.

Due to weak internal controls, procurement rules were not observed which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide paras number 2.43.2 and 2.43.4 having financial impact of Rs 5.585 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.15]

Others

2.62.2 Non-execution of mortgage deed – Rs 312.480 million

According to Chapter III Section 17 (e) & (f) and Chapter VIII Section 42 (h) of Punjab Private Housing Schemes and Land Sub-division Rules 2010, "A developer shall submit in the name of a Town Municipal Administration, a Tehsil Municipal Administration or a Development Authority a mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Pakpattan for the FY 2022-23, it was observed that CO approved land sub-division / housing scheme but 20% of saleable area valuing Rs 312.480 million was not mortgaged by the developer of these housing schemes in the name of MC. The detail is as under:

(Rupees in million)

Sr. No.	Name of Scheme / LSD	Road/ location	T. Area Kanals	Date of Application	Area of Saleable Plots Kanals approx.	20% of Area of Saleable Plots Kanals	Rate per Kanal	Amount
1	Pine Garden, Housing Scheme	Gunj Shakar Road Pakpattan	104.5	30.03.2022	70	14	14.000	196.000
2	Gunjshakar Garden LSD	Farid Nagar Road Pakpattan	66.7	20.02.2017	40	8	5.860	46.880
3	Fahad Block LSD	Muhammad Pur Road Pakpattan	15.15	14.11.2016	10	2	5.500	11.000
4	Gulshan Iqbal Villas LSD	Behind District courts Pakpattan	82.85	02.12.2017	50	10	5.860	58.600
Total								**312.480**

Due to weak administrative controls, non-execution of mortgage deed resulted in irregular approval of housing schemes / LSDs.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides mortgage and transfer deed as per rule be executed in the name of MC.

[AIR 2022-23 Para No.05]

2.62.3 Non-recovery of conversion and map fees – Rs 65.462 million

"According to Rule 50 (1) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land. Conversion fee for the conversion of land to health / educational institutions shall be 10% of the value of existing land."

During audit of MC Pakpattan for the FY 2022-23, it was observed that CO did not recover conversion and building plan approval fees amounting to Rs 65.462 million from owners / developers of commercial buildings and land sub-divisions who constructed commercial sites without approval. Notices were served to the owners of these sites to deposit conversion and building plan approval fees.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.43.6 having financial impact of Rs 14.594 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.03, 04]

2.62.4 Loss due to non-recovery of auction amount – Rs 2.664 million

"According to Rule 14 (d) of PLG (Account) Rules, 2017 the collecting officer shall collect the receipts of the local government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement or compromise." Further, "according to Rule 7 of PLG (Budget) Rules 2017, the collecting officer shall ensure timely recoveries against each demand. According to Rule 11

(2) (C) of the Punjab Local Governments (Accounts) Rules 2017, Chief Officer shall ensure that any sums due to local government are promptly realized and credited into local fund.”

During audit of MC Pakpattan for the FY 2022-23, it was observed that CO failed to recover Rs 2.664 million on account of auction of collection rights from contractors of advertisement fees, sale of sullage water and car parking fees. The detail is as under:

(Rupees in million)

Sr. No.	Detail Receipt Head	Mode of Recovery	Recoverable	Recovered	Shortfall
1	C03555 - Car parking fees	Auction	0.510	0.370	(0.140)
2	C0388058 - Sale of sullage/ waste-water	Auction	2.703	1.127	(1.576)
3	C0388077 - Advertisement Fees on sign boards of shops/ commercial places	Auction	3.400	2.452	(0.948)
	Total		**6.613**	**3.949**	**(2.664)**

Due to weak internal controls, dues were not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No.10]

2.63 Municipal Committee Pir Mahal

Procedural irregularities

2.63.1 Irregular payments to daily wage workers – Rs 3.734 million

According to Government of the Punjab, Finance Department, Notification No.RO (Tech) FD-2-2/2001 dated 03.11.2008, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment."

During audit of MC Pir Mahal for the FY 2022-23, it was observed that CO made payment amounting to Rs 3.734 million to sanitary workers appointed on daily wages. Audit observed that appointments / recruitments were made in non-transparent manner / without advertising jobs along with selection criteria in the newspapers. Further, 72 sanitary workers were appointed on daily wages against 52 vacant posts.

Due to weak internal controls, recruitments of daily wage staff were made without adopting prescribed procedure and beyond sanctioned posts which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2022-23 Para No. 15]

Others

2.63.2 Non-recovery of Government dues – Rs 15.703 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Pir Mahal for the FY 2022-23, it was observed that CO failed to recover Government dues amounting to Rs 15.703 million on account of rent of shops, water rates and dues from contractors for the Financial Years 2019-20 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	**Description**	**Amount**
1	Non-recovery of rent of 09 shops	2.678
2	Non-recovery of water rates	2.440
3	Non-recovery of dues on account of auction of collection rights against 04 sources of income	1.307
4	Non-recovery of rent of 90 shops	4.546
5	Non-recovery of water rates charges	4.732
Total		**15.703**

Due to weak internal controls, efforts were not made for recovery of government dues which resulted in non-realization of revenue.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of government dues from the defaulters at the earliest.

<u>Note:</u> The issue was reported in the Audit Report for Audit Year 2019-20 vide Para(s) No.58.6.1 and 58.6.2 having financial impact of Rs 2.621 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2019-22 Para No. 1, 2, 3]
[AIR 2022-23 Para No. 6, 10]

2.63.3 Non-recovery of miscellaneous fees – Rs 11.916 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Pir Mahal for the FY 2022-23, it was observed that CO failed to recover Government dues amounting to Rs 11.916 million on account of conversion and building plan approval fees for the Financial Years 2019-20 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Non-recovery of conversion and building plan approval fees from the owners of 07 marble factories	5.420
2	Non-recovery of conversion and building plan approval fees from the owners of 08 commercial buildings	3.848
3	47 residential buildings converted into commercial use during financial year 2022-23	2.648
Total		**11.916**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of government dues from the defaulters at the earliest.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide Para(s) No.58.6.1 and 58.6.2 having financial impact of Rs 2.621 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2019-22 Para No. 4, 8]
[AIR 2022-23 Para No. 11]

2.63.4 Non-recovery of taxes – Rs 2.212 million

According to Government of the Punjab, Finance Department Notification No.SO (Tax) 5-24/2016 dated 05.10.2016, "The Punjab Sales Tax on Services was levied on services specified in the Second Schedule (Taxable Services) given in the notification."

During audit of MC Pir Mahal for the FY 2021-22, it was observed that CO auctioned the collection rights of various revenue sources of Rs 12.568 million on account of advertisement fees, general bus stand / adda parking fees, motorcycle / rickshaw parking fees, taxi stand, slaughtering of animal fees etc. for the Financial Years 2019-20 to 2021-22 to different contractors. Out of total auctioned amount, PST amounting to Rs 2.212 million was not recovered from the contractors.

Due to negligence and weak internal controls, PST was not recovered from the contractors and GST on exempted supplies was charged by the suppliers which resulted in undue favor to the contractors/suppliers concerned.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of taxes from the contractors/suppliers concerned besides depositing the same into the Government treasury.

[AIR 2019-22 Para No. 5, 14]

2.64 Municipal Committee Rahim Yar Khan

Others

2.64.1 Loss due to non-transfer / mortgage of property – Rs 333.825 million

According to Rule 17 (e) & (f) and Rule 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "The developers are required to transfer the area reserved for roads, open space, park and solid waste management as well as one percent of the area under land sub-division for public buildings, excluding the area of mosque in favor of relevant development authority / body and should submit mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Rahim Yar Khan for the FY 2022-23, it was observed that CO neither got transferred nor mortgaged the required area from Khyaban Iqbal Housing Scheme in the name of MC Rahim Yar Khan. The detail is as under:

(Rupees in million)

Name of Housing Scheme	**Location**	**Total Area in Marla**	**Per Marla DC rate**	**Total Area to be transfer in Marla**	**Total Area to be Mortgage in Marla**	**Total Area required to be Transfer & Mortgage**	**Amount of Area to be transfer and Mortgage**
1	**2**	**3**	**4**	**5**	**6**	**7=5+6**	**8=4x7**
Khyaban Iqbal Housing Scheme	Mouza Sadiqabad	2234.2	301,875	829.4	276.44	1105.84	333.825

Due to weak internal controls, no action was taken for transfer and mortgage of land in the name of MC which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends transfer / mortgage of property in the name of MC besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 16]

2.64.2 Non-realization of revenue – Rs 328.663 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Rahim Yar Khan for the FY 2022-23, it was observed that CO did not collect revenue on account of arrears of revenue, auction fees, conversion fees and sewerage fees amounting to Rs 328.663 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	**Description**	**Amount**
1	Arrears of receipts	133.482
2	Auction fees	0.306
3	Conversion and map fees	42.885
4	Sewerage fees	151.990
Total		**328.663**

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.44.3 and 15.2.5.3.3 respectively having financial impact of Rs 682.152 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 3, 9, 12, 22]

2.65 Municipal Committee Rajanpur

Procedural irregularities

2.65.1 Irregular expenditure on work charged staff – Rs 13.262 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Rajanpur for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 13.262 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

(Rupees in million)

Financial Year	Type of Staff	Amount
2022-23	Contingent paid staff	10.566
	Contingent paid staff (Covid-19)	2.695
Total		**13.262**

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 11]

Others

2.65.2 Non-recovery of outstanding dues / revenue – Rs 47.484 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Rajanpur for the FY 2022-23, it was observed that CO failed to recover arrears of revenue amounting to Rs 47.484 million on account of rent of Municipal Property/ shops, overpayment of integrated allowance and conveyance allowance and other fees. The detail is as under:

(Rupees in million)

Sr. No.	Type of Recovery/Overpayment	Amount
1	Recovery due to allowing of extra width of road	0.136
2	Recovery of conversion fees and arrear of leases	1.341
3	Recovery of rent of shops	4.103
4	Recovery of fees from private housing schemes	41.178
5	Recovery of Integrated Allowance	0.594
6	Recovery of House Rent and Conveyance Allowance	0.132
Total		**47.484**

Due to weak internal controls, arrears of revenue were not recovered from the concerned which resulted in loss to the MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 2, 3, 6, 7, 8, 13]

2.66 Municipal Committee Rojhan

Procedural irregularities

2.66.1 Irregular expenditure on work charged staff – Rs 1.130 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Rojhan for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 1.13 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 01]

2.67 Municipal Committee Sadhar

Others

2.67.1 Non-undertaking of community initiatives – Rs 1.350 million

According to Section 214 of the Punjab Local Government Act, 2019, "Every local government shall allocate a portion of its funds, being not less than five per centum of the total expenditure to be incurred by it in a particular financial year on construction works, to support such activities which are proposed by the residents and implemented by them directly through a Neighborhood Council in case of an urban local government and a Panchayat in case of a Tehsil Council."

During audit of MC Sadhar for the FY 2021-22, it was observed that CO did not allocate five percent of development budget amounting to Rs 1.350 million as community initiatives to support activities to be implemented through Neighborhood Council for the Financial Years 2020-21 and 2021-22.

Due to weak internal controls, funds were not allocated as community initiatives which resulted in violation of provision of rules.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened despite efforts made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/420 dated 13.04.2023, followed by subsequent reminders vide No.524 dated 28.04.2023 and No.548 dated 05.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of the matter.

[AIR 2019-22 Para No. 1]

2.68 Municipal Committee Sadiq Abad

Others

2.68.1 Loss due to non-transfer / mortgage of property – Rs 420.185 million

According to Rule 17 (e) & (f) and Rule 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "The developers are required to transfer the area reserved for roads, open space, park and solid waste management as well as one percent of the area under land sub-division for public buildings, excluding the area of mosque in favor of relevant development authority / body and should submit mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Sadiq Abad for the FY 2022-23, it was observed that CO neither got transferred nor mortgaged the required area from two housing schemes in the name of MC Sadiq Abad. The detail is as under:

(Rupees in million)

Sr. No.	Name of housing Schemes	Area (In Kanal)	DC Rate Per Marla	Area to Be transferred (in Kanal)	Remaining Area to Be Mortgaged (in Kanal)	Total Marla	Amount
1	Kamal City	80	0.226	10.27	28.46	774.6	174.866
2	Link City	98	0.249	12.14	37.22	987.2	245.319
Total		**178**		**22.41**	**65.68**	**1,761.8**	**420.185**

Due to weak internal controls, no action was taken for transfer and mortgage of land in the name of MC which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends transfer / mortgage of property in the name of MC besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.47.3 and 16.2.5.3.4 respectively having financial impact of Rs 1,647.8 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 3]

2.68.2 Non-realization of conversion and map fees – Rs 4.139 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee."

During audit of MC Sadiq Abad for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 4.139 million from the owner of buildings who had converted their buildings into commercial units in violation of rule. Further, non-recovery resulted in loss to government. The detail is as under:

(Rupees in million)

Sr. No	Name of Owner	Location	Area (In Marla)	Map Fees	Conversion Fees
1	M. Iqbal	Old k.L.P Road	01.40	0.003	0.490
2	Safyan Ali	Ahmad pur lama Road	02.47	0.010	0.418
3	Tahir Iqbal	Manthar Road	13.70	0.055	1.933
4	Ashiq Ali	Jamal din wali Road	20.00	0.040	0.878
5	Muhammad Kashif	Ahmad pur lama Road	02.00	0.008	0.304
Total			**39.57**	**0.116**	**4.023**
Grand Total (Map & Conversion Fees)					**4.139**

Due to weak internal controls, conversion and map fees were not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 8]

2.68.3 Non-deposit of government taxes deducted at source – Rs 2.507 million

According to Rule 14 (1) of the Punjab Sales Tax (Withholding) Rules 2015, "A withholding agent shall be considered defaulter and personally liable to pay the amount of tax to the government and an officer of the Authority may pass an order to that effect and proceed to recover the same in the manner prescribed by Punjab Sales Tax on Services (Recovery) Rules, 2012, if a withholding agent under the rules (a) fails to withhold or deduct tax under the rules or (b) having withheld or deducted tax under the rules, fails to deposit the tax to the government."

During audit of MC Sadiq Abad for the FY 2022-23, it was observed that CO failed to deposit Rs 2.507 million on account of income tax and PST deducted from the bills of contractors regarding development schemes.

Due to weak internal controls, taxes were not deposited into government treasury which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends deposit of taxes besides action against the person(s) at fault.

[AIR 2022-23 Para No. 16]

2.69 Municipal Committee Samundri

Procedural irregularities

2.69.1 Irregular payments to daily wage workers – Rs 12.460 million

According to Government of the Punjab, Finance Department, Notification No.RO (Tech) FD-2-2/2001 dated 03.11.2008, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment."

During audit of MC Samundri for the FY 2022-23, it was observed that CO made payments of Rs 12.460 million to the sanitary workers appointed on daily wages. Audit observed that appointments / recruitments were made in non-transparent manner, without advertising jobs along with selection criteria in the newspapers. Further, 67 to 100 sanitary workers were appointed on daily wages against 55 vacant posts.

Due to weak internal controls, recruitments of daily wage staff were made without adopting prescribed procedure and beyond sanctioned posts which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2022-23 Para No. 7]

Others

2.69.2 Non-recovery of miscellaneous fees – Rs 32.568 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Samundri for the FY 2022-23, it was observed that CO did not recover conversion and building plan approval fees amounting to Rs 32.568 million from owners of commercial buildings and land sub-divisions who constructed commercial sites without approval. The detail is as under:

(Rupees in million)

Sr. No.	**Description**	**Amount**
1	Non-recovery of conversion and building plan approval fees from the owners of 12 commercial buildings	4.375
2	Non-recovery of conversion and building plan approval fees from the owners of 07 commercial buildings situated in Government Housing Schemes No.1 & 2	28.193
Total		**32.568**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meetings were not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of government dues from the defaulters at the earliest.

<u>Note:</u> The issue was reported in the Audit Report for Audit Year 2020-21 vide Para No.22.4.8 having financial impact of Rs 12.329 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 4, 3]

2.69.3 Non-imposition of fine on the sponsors / developers / owners – Rs 12.130 million

According to Section 172(2)(a) & 172(2)(b) read with Sr. Nos. 2 & 18 of Eighth Schedule of the PLGA 2022, "If a person commits an offence like development of a private housing scheme without approval of a local government; or on a non-conforming use, such person shall be punishable with imprisonment for a term which may extend to seven years, or with fine which may extend to five hundred thousand rupees or with both and if a person commits offence of erection or re-erection of a building without the sanction required under this Act or using a building for a purpose which may endanger the security of people, such person shall be punishable with imprisonment for a term which may extend to three years, or with fine which may extend to one hundred thousand rupees or with both."

During audit of MC Samundri for the FY 2022-23, it was observed that CO did not take appropriate action against the sponsors / developers / owners of housing schemes. Neither, fine amounting to Rs 4 million was imposed nor efforts were made to realize income amounting to Rs 8.130 million on account of conversion fees, preliminary planning permission fees, plans approval fees etc.

Due to dereliction of duties, appropriate action was not taken against the owners / developers of housing schemes which resulted in non-imposition / non-recovery of fine and other Government dues.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends imposition / recovery of fine and Government dues besides taking appropriate action against the person(s) at fault.

[AIR 2022-23 Para No. 11]

2.69.4 Non-recovery of Government dues – Rs 8.937 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Samundri for the FY 2022-23, it was observed that CO did not recover rent of shops amounting to Rs 8.617 million from 63 lessees for the Financial Years 2020-21 to 2022-23. Further, an amount of Rs 0.320 million on account of auction of collection rights of Adda fees was also not recovered during Financial Year 2021-22. Resultantly, an amount of Rs 8.937 million remained unrecovered. The detail is as under:

(Rupees in million)

Sr. No.	Description	Period	Amount
1	Recovery on account of rent of 63 shops	2020-21 to 2021-22	5.193
2	Recovery on account of rent of 27 shops	2022-23	3.424
3	Recovery on account of auction of collection rights of Adda Fees	2021-22	0.320
Total			**8.937**

Due to weak internal controls, outstanding amount could not be recovered which resulted in less realization of income to the Municipal Committee.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery from the defaulters concerned at the earliest besides fixing responsibility against the officials(s) concerned.

<u>Note:</u> The issue was reported in the Audit Report for Audit Year 2019-20 vide Para No.49.4.1 having financial impact of Rs 27.839 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2020-22 Para No. 3, 13]
[AIR 2022-23 Para No. 5]

2.69.5 Less recovery of taxes – Rs 2.793 million

According to Rule at serial No. 56 of the second schedule to the Punjab Sales Tax on Services Act, 2012, "Rate of sales tax is sixteen percent on debt collection, rent collection and similar other recovery or collection services including right to collect the toll or fee or regulatory fee or duty or any other similar collection." Further, according to Section 236(A) of the Income Tax Ordinance, 2001, "Any person making sale by public auction of any property or goods, shall collect Advance Tax, computed on the basis of sale price of such property @ 10% if the person is a filer and @ 15% if the person is non-filer."

During audit of MC Samundri for the FY 2021-22, it was observed that CO leased out different collection rights at agreement amount of Rs 17.456 million for the Financial Years 2020-21 & 2021-22. Contrary to the above referred rule, PST amounting to Rs 2.793 million was not recovered from the concerned.

Due to weak internal controls and financial mismanagement, taxes were not recovered which resulted in violation of rules and less collection of receipts to the Federal / the Punjab Government.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry for less / non-recovery besides recovery from the concerned at the earliest.

<u>Note:</u> The issue was reported in the Audit Report for Audit Year 2019-20 vide Para No.49.5.3 having financial impact of Rs 1.344 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2020-22 Para No. 10]

2.69.6 Non-deduction of Social Security Contribution – Rs 1.244 million

According to Section 20(1) and (9) of the Provincial Employees Social Security Ordinance, 1965, "In case of works executed or undertakings carried on behalf of the state by a contractor or licensee, the competent public authority shall before final settlement of the claims of contractors or licensee, require the production of a certificate from the institution showing that the necessary contributions have been paid, and in default of such certificates, it shall deduct from the amount otherwise payable in settlement of such claim, the appropriate amount of the contributions payable, and pay such amount direct to the institution."

During audit of MC Samundri for the FY 2021-22, it was observed that CO did not deduct the Social Security Contribution @ 6 percent amounting to Rs 1.244 million from claims of the contractors before making payment for the Financial Years 2020-21 & 2021-22. Further, management got executed different development works through 16 contractors but payments were made without obtaining certificate regarding payment of Social Security contribution of workers employed by the contractors. The detail is as under:

(Rupees in million)

No. of Contractors	**No. of Employees**	**Average wage rate/Annum**	**Total Wages**	**Amount @ 6%**
16	96	18,000*12=216,000	20.736	1.244

Due to weak internal controls, deduction of Social Security Contribution was not made which resulted in excess payment to the contractors.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery from the concerned at the earliest.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2020-21 and 2019-20 vide para(s) No.22.4.13 and 49.5.2 respectively having financial impact of Rs 3.287 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2020-22 Para No. 11]

2.70 Municipal Committee Shorkot

Procedural irregularities

2.70.1 Irregular expenditure in violation of PPRA Rules – Rs 2.893 million

According to Rules 4 & 9 of the Punjab Procurement Rules, 2014, "A procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. All proposed procurements for each financial year shall be announced in an appropriate manner and the procuring agency shall proceed accordingly without any splitting or regrouping of the procurements so planned."

During audit of MC Shorkot for the FY 2022-23, it was observed that CO incurred expenditure of Rs 2.893 million on account of purchase of bags, tyres, sports material and CCTV cameras. Audit observed that the expenditure was incurred by splitting the same nature objects to avoid the tendering and by keeping the expenditure below 200,000 for non-uploading of tenders on PPRA's websites.

Due to weak internal controls, expenditure was incurred by splitting the object to avoid tendering process which resulted in uneconomical and irregular purchases.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2022-23 Para No. 5]

Others

2.70.2 Less recovery of Government dues – Rs 7.506 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Shorkot for the FY 2022-23, it was observed that CO recovered Government dues from four contractors amounting to Rs 10.825 million out of Rs 18.331 leaving a balance of Rs 7.506 million. The detail is as under:

(Rupees in million)

Sr. No.	Description	Recoverable Amount	Recovered Amount	Remaining Amount
1	Car Parking Fees	0.746	0.459	0.288
2	Slaughter House	0.450	0.243	0.207
3	Adda Fees / Parking Fees	13.570	8.127	5.443
4	Tanga Rickshaw Fees	3.564	1.996	1.568
Total		**18.331**	**10.825**	**7.506**

Due to weak internal controls, Government dues were not recovered from defaulters which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of Government dues from the defaulters.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2020-21 vide para(s) No.2.48.6 and 25.4.20 respectively having financial impact of Rs 3.581 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 4]

2.71 Municipal Committee Shujabad

Procedural irregularities

2.71.1 Irregular expenditure on tuff tile pavers – Rs 6.990 million

According to Market Rate Schedule of Government of Punjab Finance Department, "The strength of tuff pavers should be 7000-PSI and these should be of approved manufacturers i.e. Tuff Pavers (Pvt) Ltd., Izhar building material (Pvt) Ltd."

During audit of MC Shujabad for the FY 2021-22, it was observed that CO made payment amounting to Rs 6.990 million to the contractors on account of tuff tile without ensuring the approved manufacturers for the Financial Years 2019-20 to 2021-22. No gate pass or any other documents were provided to prove that tiles were purchased from approved manufacturer. The rate of the tuff tile was based on the input rate of Izhar & Co. Taxila, but the tuff tile was purchased of local built. Furthermore, lab tests from approved laboratory for assessing the quality were also not got conducted.

Due to weak internal controls, payment was made without availability of gate pass of tuff tile and lab tests which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No.18]

2.71.2 Irregular expenditure on execution of civil works - Rs 2.761 million

According to Rule 9 of Punjab Procurement Rules 2014, "A procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper."

During audit of MC Shujabad for the FY 2022-23, it was observed that CO incurred expenditure of Rs 2.761 million on account of repair of sewer lines, repair of manhole slabs, replacement of RCC pipes, replacement of damaged sewer line etc. on quotations basis. In mostly cases, the amount of works was taken below the limit of Rs 200,000 just to avoid tendering process and TS from the relevant authority. Specific site plan / map, nomenclature of the work was also not on record, due to which, physical verification / spot verification of repair work could not be verified.

Due to weak internal controls, works were split up to avoid the tendering process which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No.12]

2.71.3 Irregular expenditure on work charged staff - Rs 1.944 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Shujabad for the FY 2022-23, it was observed that CO incurred expenditure of Rs 1.944 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 09]

Others

2.71.4 Non-recovery of conversion and map fees – Rs 80.400 million

According to Rule 50 (1) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land. Conversion fee for the conversion of land to health / educational institutions shall be 10% of the value of existing land."

During audit of MC Shujabad for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 80.400 million for the Financial Years 2019-20 to 2022-23 from owners of commercial buildings and land sub-divisions who constructed commercial sites without approval.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in April, 2023 and July, 2023. No reply was submitted by the DDO concerned.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned at the earliest.

[AIR 2022-23 Para No.02, 03, 17]
[AIR 2019-22 Para No. 10, 11]

2.71.5 Loss due to non-recovery of rent of shops – Rs 19.857 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Shujabad for the FY 2022-23, it was observed that CO did not recover rent of shops amounting to Rs 19.857 million. It was observed that shopkeepers have not deposited rent of shops since 1998 but neither tenancy agreement was cancelled nor re-auction of the shops was made by the management. The detail is as under:

(Rupees in million)

Sr. No.	Particulars	Amount
1	Non-recovery of rent of shops	2.191
2	Non-recovery of rent of shops and non-vacation of shops from occupants	17.666
Total		**19.857**

Due to weak internal controls, arrears of rent of shops were not recovered which resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery at the earliest.

[AIR 2022-23 Para No. 05, 14]

2.71.6 Loss due to short recovery of outsource income – Rs 3.221 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Shujabad for the FY 2021-22, it was observed that CO did not collect rented income of shops and various leased income of parking stands of Rs 3.221 million from the contractors for the Financial Years 2018-19 to 2020-21. The amount of agreement was Rs 7.642 million but contractors paid only Rs 5.971 million leaving the balance of Rs 1.671 million unpaid. Similarly, amount of Rs 1.550 was not recovered on account of rent of sops. No appropriate action was taken by the management for recovery of remaining amount of auctions.

Due to weak internal controls, the amount of auction of collection rights was not recovered which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No.6, 23]

2.71.7 Inadmissible payment of integrated allowance - Rs 1.485 million

According to Government of the Punjab, Finance Department, Lahore, notification No. FD.PC.2-1/2001 dated 11.07.2011, "Integrated allowance is allowed to Naib Qasid, Qasid, Daftries, Frash, Chowkidar, Sweeper, Sweeperess and Security Guards." Further, according to Finance Department Notification No. FD.SR-I/9-28/2016 dated 18.07.2016 regarding revision of rates of aforementioned notification dated 11.07.2011 in this notification only rates were revised and no admissibility to the other designations was mentioned.

During audit of MC Shujabad for the FY 2021-22, it was observed that CO allowed payment of Rs 1.485 million on account of integrated allowance to 75 sanitary workers without admissibility for the Financial Years 2019-20 to 2021-22. The said allowance was only admissible to those employees whose designations were mentioned in above referred letter. Audit calculated recovery for the period of 01.07.2019 to 30.06.2022. The detail is as under:

(Rupees in million)

No. of Sanitary Workers	Rate Per Month	Amount Drawn as per August, 2019	Total No. of months July, 2019 to June, 2022	Amount drawn
75	550	41250	36	1.485

Due to weak internal controls, integrated allowance was paid to sanitary workers without entitlement which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery and immediate stoppage of allowance in future besides fixing responsibility against the person(s) at fault.

[AIR 2019-22 Para No.1]

2.72 Municipal Committee Sinawan

Procedural irregularities

2.72.1 Irregular expenditure on work charged staff – Rs 3.953 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of MC Sinawan for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 3.953 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders vide No. 1047 dated 26.09.2023 and No. 1080 dated 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 16]

Others

2.72.2 Non-recovery of revenue and over payment of allowances – Rs 104.234 million

According to Rule 47 of the Punjab Local Government (Budget) Rules 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited to the Local Fund."

During audit of MC Sinawan for the FY 2022-23, it was observed that CO failed to recover revenue amounting to Rs 104.234 million on account of rent of Municipal Property/ shops, conversion fees and other fees. The detail is as under:

(Rupees in million)

Sr. No.	Type of Recovery/Overpayment	Amount
1	Recovery of Rent of Shops	29.475
2	Recovery of Integrated allowances	0.421
3	Recovery of different fees from private housing societies	15.398
4	Recovery of rent of shops from unauthorized occupants	13.979
5	Recovery of conversion fees	44.961
Total		**104.234**

Due to weak internal controls, government revenue were less realized which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.49.5 having financial impact of Rs 259.803 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 1, 10, 13, 15, 17]

2.73 Municipal Committee Tandlianwala

Others

2.73.1 Non-recovery of Government dues – Rs 8.393 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Tandlianwala for the FY 2022-23, it was observed that CO did not recover rent of shops amounting to Rs 8.393 million from 81 lessees for the Financial Years 2020-21 to 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	Description	Period	Amount
1	Recovery on account of rent of 81 shops	2022-23	4.784
2	Recovery on account of rent of 34 shops of MC at general bus stand	2020-21 to 2021-22	3.609
Total			**8.393**

Due to weak internal controls, outstanding amount could not be recovered which resulted in less realization of income to the MC.

The matter was reported to PAO in March and July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery from the defaulters concerned at the earliest besides fixing responsibility against the officials(s) concerned.

Note: The issue was reported in the Audit Report for Audit Year 2019-20 vide Para No.50.4.3 having financial impact of Rs 1.677 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2020-22 Para No. 3]
[AIR 2022-23 Para No. 4]

2.73.2 Non-deduction of Social Security Contribution – Rs 1.123 million

According to Section 20(1) & (9) of the Provincial Employees Social Security Ordinance, 1965, "The competent authority shall before final settlement of the claims of contractors or licensee shall require the production of a certificate from the institution showing that the necessary contributions have been paid and in default of such certificates, it shall deduct from the amount otherwise payable in settlement of such claim @ 6 percent and pay such amount directly to the institution.”

During audit of MC Tandlianwala for the FY 2021-22, it was observed that CO executed various civil works through 12 contractors for the Financial Years 2020-21 & 2021-22 but payments were made without obtaining certificates regarding payment of Social Security Contribution of workers employed by the contractors. MC authorities did not make efforts to deduct the Social Security contribution amounting to Rs 1.123 million from claims of the contractors before making payments. The detail is as under:

(Rupees in million)

No. of Contractors	**No. of Employees**	**Average Wage Rate per Annum**	**Total Wages**	**Amount @ 6%**
12	120	0.156	18.720	1.123

Due to weak internal controls, Social Security Contribution was not deducted from claims of the contractors which resulted in excess payment to the contractors.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter besides recovery of Social Security Contribution from the concerned.

Note: The issue was reported in the Audit Report for Audit Year 2020-21 vide Para No.23.4.15 having financial impact of Rs 1.705 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2020-22 Para No. 6]

2.74 Municipal Committee Taunsa

Others

2.74.1 Non-recovery of outstanding dues / revenue – Rs 18.362 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of MC Taunsa for the FY 2022-23, it was observed that CO did not recover the revenue amounting to Rs 18.362 million on account of water rates charges and conversion fees. No serious efforts were made to recover the outstanding revenue. The detail is as under:

(Rupees in million)

Sr. No.	Receipt head	Auction /Demand amount	Amount deposited	Balance amount
1	Water rates charges	12.643	9.453	3.197
2	Conversion fees of commercial, residential buildings	-	-	15.165
Total				**18.362**

Due to weak internal controls, government revenue were not recovered from the concerned which resulted in loss to the MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDA / DGK/CD-1008 dated 15.09.2023, followed by subsequent reminders dated 26.09.2023 and 02.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery of government revenue from the concerned.

[AIR 2022-23 Para No. 2, 7, 8]

2.75 Municipal Committee Toba Tek Singh

Procedural irregularities

2.75.1 Irregular payment to daily wage employees – Rs 11.068 million

According to Government of the Punjab, Finance Department Notification No. RO (Tech) FD 2-2/2022 dated 15.07.2022, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment."

During audit of MC Toba Tek Singh for the FY 2022-23, it was observed that CO made payment amounting to Rs 11.068 million to sanitary workers appointed on daily wages. Audit observed that appointments were made in non-transparent manner / without advertising jobs along with selection criteria in the newspapers. Further, 53 to 65 sanitary workers were appointed on daily wages against 47 vacant posts.

Due to weak internal controls, recruitments of daily wage staff were made without adopting prescribed procedure and beyond sanctioned posts which resulted in irregular expenditure.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2022-23 Para No. 8]

Others

2.75.2 Non-recovery of rent from lessees of municipal property – Rs 148.070 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head." Further, according to Rule 11(2) (c) of the Punjab Local Governments (Accounts) Rules, 2017, "In the discharge of his responsibilities, the Chief Officer shall ensure that any sums due to the local government are promptly realized and credited to the local fund."

During audit of MC Toba Tek Singh for the FY 2022-23, it was observed that CO failed to recover the rent of shops from 207 occupants of municipal property and accumulated arrears up to June, 2023 were amounting to Rs 148.070 million. Contrary to the above, efforts were not made for recovery of arrears from lessees.

Due to weak internal controls, arrears of rent of shops were not recovered which resulted in less realization of revenue and loss to the Government.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry for fixing responsibility against the person(s) at fault besides recovery from the concerned at the earliest.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23, 2020-21 and 2019-20 vide para(s) No.2.51.7, 28.4.3 and 59.5.1 respectively having financial impact of Rs 132.25 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 7]

2.75.3 Non-recovery of water rate charges – Rs 39.683 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head." Further, according to Rule 11(2) (c) of the Punjab Local Governments (Accounts) Rules, 2017, "In the discharge of his responsibilities, the Chief Officer shall ensure that any sums due to the local government are promptly realized and credited to the local fund."

During audit of MC Toba Tek Singh for the FY 2022-23, it was observed that CO could recover an amount of Rs 33.074 million on account of water rate charges against total demand of Rs 72.757 million leaving balance of Rs 39.683 million unrecovered.

Due to weak monitoring mechanism, MC authorities could not recover water rate charges which resulted in short realization of revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of arrears.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide Para No.2.51.9 having financial impact of Rs 33.811 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 4]

2.75.4 Non-recovery of cost of land and development charges – Rs 14.630 million

According to Directorate General of Kachi Abadies Colonies Department, Board of Revenue, Punjab, letter No.DG(KA) BOR/8-200/2012 dated 22.11.2012, "In supersession of all previous decisions, the price of land (Urban areas) will be @ 2% of the current valuation table at the time of grant of proprietary rights for area under occupation up to 5-Marlas, price of land for occupation above 5-Marlas and up to 10-Marlas will be current valuation table rate at the time of grant of proprietary rights and price of land for occupation for above 10-Marlas will be the current valuation rate with additional surcharge 50% thereof at the time of grant of proprietary rights."

During audit of MC Toba Tek Singh for the FY 2022-23, it was observed that CO failed to recover cost of land and development charges from 151 occupants of two Kachi Abadies. Audit observed that said occupants were living in these Kachi Abadies since 1985 and 2012 but MC authorities did not recover cost of land and development charges amounting to Rs 14.630 million.

Due to weak internal controls, cost of land and development charges were not recovered which resulted in loss and less realization of revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides recovery of cost of land and development charges.

[AIR 2022-23 Para No. 10]

2.75.5 Non-recovery of miscellaneous fees – Rs 7.068 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of MC Toba Tek Singh for the FY 2022-23, it was observed that CO failed to recover conversion fees, building plan and approval of housing schemes from owners of four private buildings and one housing colony who converted the land for commercial use, housing schemes without depositing the prescribed fees. Resultantly, an amount of Rs 7.068 million was not recovered from the owners.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of conversion fees, building plan, housing colony approval fees from the owners concerned.

Note: The issue was reported in the Audit Report(s) for Audit Year(s) 2022-23 and 2020-21 vide para(s) No.2.51.10 and 28.4.5 respectively having financial impact of Rs 18.909 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 9]

2.75.6 Non-execution of mortgage deed – Rs 3.819 million

According to Chapter III Section 17 (e) & (f) and Chapter VIII Section 42 (h) of Punjab Private Housing Schemes and Land Sub-division Rules 2010, "A developer shall submit in the name of a Town Municipal Administration, a Tehsil Municipal Administration or a Development Authority a mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Toba Tek Singh for the FY 2022-23, it was observed that CO approved land sub-division / housing scheme but 20% of saleable area 10.9 Kanal valuing Rs 3.819 million was not mortgaged by the developer of these housing schemes in the name of MC. The detail is as under:

(Rupees in million)

Sr. No.	Name of Housing Scheme	Area reserved for public use	Value of Land per Marla	Total value of land
1.	Rai Anwar Town	10 K, 18 M	20,313	3.819

Due to weak administrative controls, non-execution of mortgage deed resulted in irregular approval of housing scheme.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides mortgage and transfer deed as per rule be executed in the name of MC.

[AIR 2022-23 Para No. 12]

2.76 Municipal Committee Tulamba

Others

2.76.1 Non-execution of mortgage deed – Rs 25.550 million

According to Chapter III Section 17 (e) & (f) and Chapter VIII Section 42 (h) of Punjab Private Housing Schemes and Land Sub-division Rules 2010, "A developer shall submit in the name of a Town Municipal Administration, a Tehsil Municipal Administration or a Development Authority a mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Tulamba for the FY 2022-23, it was observed that CO approved land sub-division but 20% of saleable area valuing Rs 25.550 million was not mortgaged by the developer of land sub-division in the name of MC. The detail is as under:

(Rupee in million)

Name of Land Sub-Division	Name of Owners	Total area	Total saleable area (Marla)	20% of saleable area (Marla)	Rate per Marla (Rs.)	Value of mortgage deed not made in Favour of Govt.
Abdullah Town, in front of Sadiq Filling Station, Mian Channu Road, Tulamba	Hameedan w.o Abdul Ghaffar and Muhammad Tariq, etc. S/o Abdul Ghaffar	31 K 17 M	364 M	73 M	0.350	25.550

Due to weak administrative controls, non-execution of mortgage deed resulted in irregular approval of LSD.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides mortgage and transfer deed as per rule be executed in the name of MC.

[AIR 2022-23 Para No. 09]

2.76.2 Non-recovery of conversion and map fees – Rs 21.194 million

According to Rule 50 (1) of the Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020 "A local government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land." Further, according to Rule 39 of Punjab Private Housing Schemes and Land Sub-Division Rules, 2010, "A developer shall deposit fee for conversion of peri-urban area to scheme use at the rate of one percent of the value of the residential land."

During audit of MC Tulamba for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 21.194 million for the Financial Years 2019-20 to 2022-23 from owners of commercial buildings and land sub-division who constructed commercial sites without approval. Notices were served to the owners of these sites to deposit conversion and building plan approval fees. However, no action was taken by MC authorities for sealing the commercial sites or recovery of fees.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned at the earliest.

[AIR 2022-23 Para No. 08]

2.76.3 Non-forfeiture of securities despite non-completion of work - Rs 3.708 million

According to clause 3(a)&(c) of Contract Agreement and Tender Documents of civil works, "In any case in which under any clause or clauses of the contract the contractor shall have rendered himself liable to pay compensation amounting to whole of the security deposit. Local Government Engineer shall have power to adopt any of the following sources as he may have deemed best suited to the interest of the Local Government/Committee. To rescind the contract of which rescission notice in writing to contractor under the hand of the Local Government/Municipal Engineer shall be conclusive evidence, and in which case the security deposit of the contractor shall stand forfeited, and be absolutely at disposal of the Local Government/Committee." Furthermore, according to terms of advertisement, "the successful bidder whose bid is less or more than 5% below of the estimate cost of the work will have to deposit additional performance security as per rules. Failure to do so shall result in the forfeiture of earnest money."

During audit of MC Tulamba for the FY 2022-23, it was observed that CO did not forfeit Rs 3.708 million on account of performance securities obtained and security retained / deducted from the running bills from contractors / additional performance security & earnest money for the Financial Years 2017-18 to 2022-23. Work orders were issued to the different contractors who offered rates below the TS estimate but additional performance security & earnest money was not confiscated from contractors, who did not complete the work till to date. It is pertinent to mention here that despite lapse of 03 years contractors left the remaining work of schemes in violation of contract agreement but the MC authorities did not make efforts for completion of the schemes by awarding the works to other contractor(s) at risk and expense of original contractors.

Due to weak internal controls and monitoring mechanism, action was not taken against the contractors for non-completion of schemes.

The matter was reported to PAO in April, 2023 and July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends execution and completion of work at risk and cost of defaulting contractor, forfeiture of performance securities of contractors besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No.13]
[AIR 2019-22 Para No. 04]

2.77 Municipal Committee Vehari

Procedural irregularities

2.77.1 Irregular award of contract of repair of road - Rs 4.500 million

According to Rule 8 of Punjab Work Rules 2017, "The contractors registered with Pakistan Engineering Council or any person possessing such qualification and experience as may be specified by the Government. The contractors of category C-A, C-B, C-1, C-2, C-3, C-4, C-5, or B, C-6 or C and D may tender in all local Government departments according to the field of specialization." Further, according to letter of membership of Pakistan Engineering Council dated 06.07.2022 valid up to 30th June 2023, Para 2, "M/s Mehtab Shahid Daultana field of specialization EE01 to EE-11 (General Electric Works Only of ten Codes) for detail see overleaf." Furthermore, according to Registration Categories, code and specialization of constructor / operators published by Pakistan Engineering Council Lahore, C06 category is used for repair of road works."

During audit of MC Vehari for the FY 2022-23, it was observed that CO irregularly awarded three tenders amounting to Rs 4.500 million for repair of road and sewerage lines to contractor M/s Mehtab Daultan Enterprises. While as per registration letter of Pakistan Engineering Council, the contractor did not had the expertise / infrastructure of the repair of road and sewerage.

Due to weak internal controls, the contract of repair of road and sewerage line was awarded to irrelevant contractor which resulted in irregular award of contract.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1489 dated 08.09.2023, followed by subsequent reminders vide No. 1535 dated 27.09.2023 and No. 1623 dated 20.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.52.3 having financial impact of Rs 17.990 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.13]

Others

2.77.2 Loss due to non-recovery of revenue – Rs 93.893 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of MC Vehari for the FY 2022-23, it was observed that CO did not recover receipts amounting to Rs 93.893 million on account of water rates and rent of shops during the financial year.

Due to weak financial and internal controls, government dues were not recovered which resulted in loss of revenue.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery at the earliest.

[AIR 2022-23 Para No. 02]

2.77.3 Non-recovery of conversion and map fees – Rs 6.890 million

According to Rule 50 (1) of the Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020 "A local government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land." Further, according to Rule 39 of Punjab Private Housing Schemes and Land Sub-Division Rules, 2010, "A developer shall deposit fee for conversion of peri-urban area to scheme use at the rate of one percent of the value of the residential land."

During audit of MC Vehari for the FY 2022-23, it was observed that CO did not recover conversion and building plan approval fees amounting to Rs 6.890 million from owners / developers of commercial buildings and land sub-divisions who constructed commercial sites without approval. Notices were served to the owners of these sites to deposit conversion and building plan approval fees.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.52.11 having financial impact of Rs 12.853 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.11]

2.77.4 Unauthorized payment of integrated allowance to sanitary workers – Rs 1.588 million

According to Government of the Punjab, Finance Department, Lahore, notification No. FD.PC.2-1/2001 dated 11.07.2011, "Integrated allowance is allowed to N/Qasids, Qasids, Daftries, Frashes, Chowkidars, Sweepers, Sweeperess & Security Guard." According to Finance Department Notification No. FD.SR-I/9-28/2016 dated 18.07.2016 regarding revision of rates of aforementioned notification dated 11.07.2011, in this notification only rates were revised and no admissibility to the other designations was mentioned.

During audit of MC Vehari for the FY 2022-23, it was observed that CO made payment amounting to Rs 1.588 million on account of integrated allowance to 140 sanitary workers and 7 water carriers without admissibility. Audit just calculated recovery for the period 01.07.2022 to 30.06.2023. The department is responsible to recover total inadmissible payment. The detail is as under:

(Rupees in million)

Month checked by audit	Amount drawn as per July 2022	Total number of month July 2022, June2023(audit period	Total amount drawn/ Amount of Recovery
7/2022	0.1323	12	1.588

Due to weak internal controls, integrated allowance was paid to sanitary workers irregularly which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery and immediate stoppage of inadmissible allowance besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No.08]

2.78 Municipal Committee Yazman

Others

2.78.1 Loss due to non-transfer / mortgage of property – Rs 1,269.390 million

According to Rule 17 (e) & (f) and Rule 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "The developers are required to transfer the area reserved for roads, open space, park and solid waste management as well as one percent of the area under land sub-division for public buildings, excluding the area of mosque in favor of relevant development authority / body and should submit mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of MC Yazman for the FY 2022-23, it was observed that Chief Officer neither got transferred nor mortgaged the required area amounting to Rs 1,269.390 million from private housing schemes in the name of MC Yazman.

Due to weak internal controls, no action was taken for transfer and mortgage of land in the name of MC which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA/BWP /Reports/2023-24/F-39/CD-1026 dated 08.09.2023, followed by subsequent reminders vide No. 1118-20 dated 25.09.2023 and No. 1174-77 dated 28.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends transfer / mortgage of property in the name of MC besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2019-20 vide para(s) number 2.53.3, 11.2.5.2.2 and 11.2.5.3.1 respectively having financial impact of Rs 2,945.46 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 9]

2.78.2 Non-realization of revenue – Rs 49.602 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of MC Yazman for the FY 2022-23, it was observed that CO did not collect revenue on account of arrears, sewerage fees, various receipts and map fees amounting to Rs 49.602 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Arrears of receipts	45.517
2	Sewerage fees	1.439
3	Different fees	1.550
4	Map fees	1.096
Total		**49.602**

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in July, 2023 but management did not reply.

DAC meeting was not convened till finalization of this report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2020-21and 2019-20 vide para(s) number 2.53.4, 5.4.3 and 11.2.5.3.2 respectively having financial impact of Rs 1034.757 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 3, 5, 8, 15]

2.79 District Council Bahawalnagar

Procedural irregularities

2.79.1 Irregular expenditure on contingent paid staff – Rs 4.298 million

According to Government of the Punjab, Finance Department Notification No. RO (Tech) FD 2-2/2022 dated 15.07.2022, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment."

During audit of District Council Bahawalnagar for the FY 2022-23, it was observed that CO recruited sanitary workers on daily wages for Urban Union Council Dahanranwala, Faqir Wala and Mandi Sadiq Gunj and made payment of Rs 4.298 million. However, recruitments were made without advertisement in the newspapers and other codal formalities.

Due to weak internal controls, recruitments were made without adopting prescribed procedure which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / BWP / Reports / 2023-24 / F-39 / CD 1252-1255 dated 04.10.2023, followed by subsequent reminders vide No. 1272-75 dated 10.10.2023 and No. 1357-60 dated 19.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2018-19 vide para(s) number 1.2.2.14 and 1.4.7 respectively having financial impact of Rs 2.993 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 22]

Others

2.79.2 Non-execution of land transfer deed – Rs 963.369 million

According to section 21 clause (1) (d) pre-requisites for approval of housing scheme of Punjab Private Housing Schemes Rules 2022. The local government concerned before approval of a housing scheme shall ensure fulfillment of the following requirements, "Execute a transfer deed on Form-B, B1, B2 for free of cost transfer to the local government concerned in the office of Sub Registrar, the total area reserved for roads, parks, open spaces, sports facility / playground, graveyard, parking, green strip (prohibited area), solid waste management and such other services and fifty percent area of minimum limit of public building sites excluding the area of mosque or worship."

During audit of District Council Bahawalnagar for the FY 2022-23, it was observed that CO neither got transferred nor mortgaged the required area amounting to Rs 963.369 million from ten (10) housing schemes / LSDs in the name of DC Bahawalnagar.

Due to weak administrative controls, non-execution of land transfer deed resulted in irregular approval of housing schemes / LSDs.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends transfer and mortgage of property in the name of DC besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2018-19 vide para(s) number 2.54.3 and 1.2.4.1 respectively having financial impact of Rs 335.207 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 16]

2.79.3 Non-realization of revenue – Rs 3.597 million

According to Rule 50 (1) (a) (e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules 2020, "A local government shall levy the conversion fee for the conversion of any land use to educational, healthcare institutional or commercial use @ ten percent of the existing value of the land or plot or property as per valuation table and in case valuation table is not available, ten percent of the average sale price of preceding twelve months of the land in the vicinity as determined by the District Price Assessment Committee." Further, according to Rule 47 (1) of the Punjab Local Government (Budget) Rules 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head.”

During audit of District Council Bahawalnagar for the FY 2022-23, it was observed that CO did not collect revenue on account of auction amount and map & conversion fees amounting to Rs 3.597 million. The income was either less collected or misappropriated by the collection staff. The detail is as under:

(Rupees in million)

Sr. No.	**Description**	**Amount**
1	Non-recovery of auctioned amount from contractor	1.451
2	Map and conversion fees	2.146
Total		**3.597**

Due to weak internal controls, revenue was not recovered which resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.54.2, 1.5.1 and 1.2.3.1 respectively having financial impact of Rs 538.844 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 8, 15]

2.80 District Council Bahawalpur

Procedural irregularities

2.80.1 Mis-procurement of goods and services – Rs 53.889 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce proposed procurements for each Financial Year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website. Procurement opportunities over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified by the PPRA from time to time."

During audit of District Council Bahawalpur for the FY 2022-23, it was observed that CO incurred expenditure of Rs 53.889 million on account of various items without observing PPRA Rules. Annual requirements were not consolidated / advertised in print media / on PPRA's website. Further, purchases were made by splitting the indents. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Stationery and different items purchased on eve of fair & exhibitions etc.	20.219
2	Purchased of various items on the arrangements of Independence Day	3.323
3	Purchases on the arrangements of Muharrum-ul-Haram	7.901
4	Purchase of CCTV cameras, bulbs, PVC cables, pana flexs etc.	22.446
Total		**53.889**

Due to weak internal controls, procurements were made without observing procurement rules which resulted in mis-procurement.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / BWP / Reports / 2023-24 / F-39 / CD 1252-1255 dated 04.10.2023, followed by subsequent reminders vide No. 1272-75 dated 10.10.2023 and No. 1357-60 dated 19.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends to probe the matter and fixing responsibility besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.55.2, 2.3.1 and 2.2.2.5 respectively having financial impact of Rs 50.873 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 2, 22, 25, 29]

2.80.2 Unauthorized expenditure on contingent paid staff – Rs 13.006 million

According to Government of the Punjab, Finance Department Notification No. RO (Tech) FD 2-2/2022 dated 15.07.2022, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment."

During audit of District Council Bahawalpur for the FY 2022-23, it was observed that CO recruited sanitary workers on daily wages and made payment of Rs 13.006 million. However, recruitments were made without advertisement in the newspapers and other codal formalities.

Due to weak internal controls, recruitments were made without adopting prescribed procedure which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2022-23 Para No. 4]

Others

2.80.3 Non-execution of land transfer deed – Rs 630.955 million

According to section 21 clause (1) (d) pre-requisites for approval of housing scheme of Punjab Private Housing Schemes Rules 2022. The local government concerned before approval of a housing scheme shall ensure fulfillment of the following requirements, "Execute a transfer deed on Form-B, B1, B2 for free of cost transfer to the local government concerned in the office of Sub Registrar, the total area reserved for roads, parks, open spaces, sports facility / playground, graveyard, parking, green strip (prohibited area), solid waste management and such other services and fifty percent area of minimum limit of public building sites excluding the area of mosque or worship."

During audit of District Council Bahawalpur for the FY 2022-23, it was observed that CO neither got transferred nor mortgaged the required area of thirteen (13) housing schemes / LSDs valuing Rs 630.955 million in the name of DC Bahawalpur.

Due to weak administrative controls, non-execution of land transfer deed resulted in irregular approval of housing schemes / LSDs.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends transfer and mortgage of property in the name of DC besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.55.5, 2.4.1 and 2.2.4.3 respectively having financial impact of Rs 4,458.026 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 21]

2.80.4 Non-recovery of conversion and map fees – Rs 22.815 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of District Council Bahawalpur for the FY 2022-23, it was observed that Chief Officer did not recover conversion and map fees amounting to Rs 22.815 million from the developers of LSDs / Housing Schemes. The detail is as under:

(Rupees in million)

Sr. No.	**Description**	**Amount**
1	Conversion fees	7.681
2	Map fees	15.134
Total		**22.815**

Due to weak internal controls, conversion and map fees was not recovered which resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23, 2019-20 and 2018-19 vide para(s) number 2.55.8, 2.4.4 and 2.2.4.6 respectively having financial impact of Rs 28.005 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 20]

2.80.5 Loss due to misappropriation of funds through fictitious / doubtful billing – Rs 13.291 million

According to Rule 2.31 (a) of PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be responsible for any overcharges, frauds and misappropriation." Further, according to Rule 29 of the Punjab Local Government (Accounts) Rules 2001, "Every drawing and disbursing officer signing and authorizing the payments shall be personally responsible for any erroneous payment and claim of bill."

During audit of District Council Bahawalpur for the FY 2022-23, it was observed that Chief Officer withdrew fictitious / doubtful billing amounting to Rs 13.291 million on account of different heads of accounts. Expenditure is unjustified on the basis of below mentioned grounds:

i. Supply orders were issued without ensuring despatch number and date.
ii. Purchases in most of the cases were made after completion of the event.
iii. Expenditure was incurred on repair of Jinnah hall which was already handed over to the Election Commission vide letter No. PA/DC/BWP/278, dated 11.03.2023 issued by the Deputy Commissioner BWP.
iv. Repeated expenditure was incurred on similar nature items without ensuring stock entries and consumption.
v. Expenditure was incurred on hiring of vehicles/ machineries despite having own vehicles/ machineries.
vi. POL was issued to out of order vehicles

Due to intention of misappropriation, fictitious / doubtful bills were drawn which resulted in loss to government.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery from the concerned besides initiating disciplinary proceedings against the person(s) at fault.

[AIR 2022-23 Para No. 27]

2.81 District Council Chiniot

Procedural Irregularities

2.81.1 Unauthorized execution of works without technically sanctioned estimates – Rs 148.432 million

According to Government of the Punjab, Finance Department letter No. FD (TMA) 1-158/2005 dated 21.10.2010 and circular No. FD (FR)-II-2/89 dated 24.06.1996, "Technical

Sanction (TS) must be issued before inviting tenders and TS order number, date and amount must be mentioned in Notice Inviting Tenders (NITs).”

During audit of District Council, Chiniot for the FY 2022-23, it was observed that CO awarded 22 works for construction of soling, drain, PCC slab, nala, improvement of roads etc. at work order cost of Rs 148.432 million. However, the schemes were awarded without technical sanction of estimates. **Annexure-6**

Due to weak internal controls, works were awarded without technically sanctioned estimates which resulted in unauthorized execution of civil works.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 12]

Others

2.81.2 Non-recovery of conversion and map fees – Rs 4.916 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of District Council, Chiniot for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 4.916 million from owners of commercial buildings and petrol pumps who constructed commercial sites without approval.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.56.7 having financial impact of Rs 1.245 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 8]

2.81.3 Non-recovery of replenishment cost of trees – Rs 4.143 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of District Council, Chiniot for the FY 2022-23, it was observed that CO failed to recover replenishment cost of trees amounting to Rs 4.143 million from XEN Highway Division Chiniot. Demand notice regarding cutting/removing of trees from the site of scheme "widening / improvement of Lalian-Kandiwaal Road was submitted vide letter No. DC/CHT/CO.465 dated 17.02.2023 but no further efforts were made for recovery of replenishment cost.

Due to weak internal controls, replenishment cost could not be recovered which resulted in non-realization of revenue.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends early recovery of replenishment cost of trees.

[AIR 2022-23 Para No. 4]

2.81.4 Non-recovery of rent of municipal properties – Rs 2.264 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, “The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head.”

During audit of District Council, Chiniot for the FY 2022-23, it was observed that CO failed to recover rent of municipal properties amounting to Rs 2.264 million from the tenants of shops, agricultural land as well as Food Department. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Non/Less recovery of rent of shops	2.128
2	Non-recovery of rent of agricultural land	0.007
3	Non-recovery of Godown rent from Food Department	0.129
Total		**2.264**

Due to weak internal controls, rent was not recovered from the defaulters which resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.56.6 having financial impact of Rs 1.545 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 6]

2.82 District Council Dera Ghazi Khan

Procedural irregularities

2.82.1 Irregular expenditure on work charged staff – Rs 29.813 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of District Council Dera Ghazi Khan for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 29.813 million on account of work charged staff. The work charged employees were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department.

Due to weak internal controls, work charge employees were appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letters No. RDA/DGK/CD-1184 dated 13.10.2023, followed by subsequent reminders No.1285 dated 17.11.2023 and No.1353 dated 22.12.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2018-19 vide para(s) number 4.4.4 and 4.2.1.4 respectively having financial impact of Rs 23.097 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 18]

2.82.2 Unauthorized payment of tuff tiles - Rs 6.835 million

According to input rates issued by the Finance Department "The strength of tuff pavers should be 7000-PSI and these should be of approved manufacturers i.e. Tuff Pavers (Pvt) Ltd., Izhar Building Material (Pvt) Ltd. Further, as per Government of Punjab Communication and Works Department letter No.PA/SECY(C&W) 26-5/2009 dated 25.05.2009, "Payment be made only for quality works which conform to the given specifications."

During audit of District Council Dera Ghazi Khan for the FY 2022-23, it was observed that CO made payment of Rs 6.835 million to the contractors on account of tuff tiles used in development schemes. No gate pass or any other documents was provided to prove that tiles were purchased from approved manufacturer. The rate of the tuff tile was based on the input rate of Izhar & Co. Taxila, but the tuff tiles were purchased from the local manufacturer. Furthermore, lab tests for assessing the quality were not conducted. The detail is as under:

(Rupees in million)

Scheme	Agency	Qty Sft	Rate Sft	Amount
Construction of surface drain tuff tiles UC Choti	Kaleem	45,186	109.5	4.835
Construction of surface drain tuff tiles UCs of DGK	Irshad	18,696	107	2.000
Total				**6.835**

Due to weak internal controls, payment was made without supporting documents resulted in un-authorized expenditure.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.57.2 having financial impact of Rs 19.277 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 8]

2.82.3 Unauthorized expenditure without technical sanction of estimates – Rs 1.708 million

According to Rule 5(3) of the Punjab Local Government (Works) Rules 2017, "The Local Government Engineer shall prepare rough cost estimate before undertaking the work. The rough cost estimate, detailed estimate and PC-1, shall be approved by the authority competent to do so."

During audit of District Council Dera Ghazi Khan for the FY 2022-23, it was observed that CO executed the scheme having value of Rs 1.708 million and made payment to the contractor. Scrutiny of the record revealed that the estimate was not technically sanctioned by the competent authority as required in above quoted rule.

Due to weak internal controls, the development scheme was executed without technical sanction which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 15]

Others

2.82.4 Non-recovery of outstanding dues / revenue – Rs 54.095 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, “The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise.”

During audit of District Council Dera Ghazi Khan for the FY 2022-23, it was observed that CO failed to recover the outstanding dues / revenue amounting to Rs 54.095 million on account of conversion fees and other dues. The detail is as under:

(Rupees in million)

<table>
<tr><th>Sr. No.</th><th>Period</th><th>Description of Recovery</th><th>Amount</th></tr>
<tr><td>1</td><td>2022-23</td><td>Loss due to non-reduction of cost of bricks</td><td>0.144</td></tr>
<tr><td>2</td><td>2003-22</td><td>Non-recovery of outstanding receipts</td><td>19.409</td></tr>
<tr><td>3</td><td rowspan="2">2022-23</td><td rowspan="2">Loss due to non-recovery of conversion fees</td><td rowspan="2">34.542</td></tr>
<tr><td>4</td></tr>
<tr><td colspan="3">Total</td><td>54.095</td></tr>
</table>

Due to weak internal controls, government revenue were less realized which resulted in loss.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.57.7 having financial impact of Rs 183.445 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 6, 7, 12]

2.83 District Council Faisalabad

Others

2.83.1 Loss due to non-leasing of shops through open auction – Rs 65.742 million

According to Rule 16 of the Punjab Local Governments (Property) Rules, 2003 and the Punjab Local Governments (Property) Rules, 2018, "The shops and commercial property shall be leased out through competitive bidding in the prescribed manner." Further, according to Government of the Punjab LG&CD Department letter No.SO(Estate)LG2-18/2016(P) dated 28.06.2019, "Every head of local government shall take fresh market rent rate through DPAC/DRAC and also evaluate it with the market rent and immediately take measures for getting market rates of leases to improve own source revenue of local government. The authorities shall revisit the agreements to ensure market rent of shops and in case of expiry of agreement(s) immediately put properties to fresh auction after assessment of market rent."

During audit of District Council Faisalabad for the FY 2022-23, it was observed that CO failed to lease out 413 shops through open auction and caused loss amounting to Rs 65.742 million to District Council.

Due to weak internal controls, shops were not leased out through open auction on assessed / market rate of rent which resulted in loss to District Council.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2018-19 vide para number 9.2.3.1 having financial impact of Rs 19.226 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 11, 12]

2.83.2 Non-recovery of conversion and map fees – Rs 39.364 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of District Council Faisalabad for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 39.364 million from owners of commercial buildings and petrol pumps who constructed commercial sites without approval. **Annexure-7**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the concerned at the earliest.

[AIR 2022-23 Para No. 3]

2.83.3 Non-recovery of Punjab Sales Tax on Services – Rs 4 million

According to Sr. No.56 of the 2nd Schedule read with Rule 10(1) of the Punjab Sales Tax on Services Act 2012, "The PST shall be paid @ 16% of value of taxable services provided by a contractor on debt collection, rent collection or similar other recovery or collection services including right to collect the toll or fee or regulatory fee or duty or any other similar collection." Further, according to condition No.13 of the agreement deed, "The contractor was bound to pay all taxes levied by Government of Pakistan and Government of the Punjab."

During audit of District Council Faisalabad for the FY 2022-23, it was observed that CO awarded collection rights for advertisement fees to third party for Rs 25 million but Punjab Sales Tax on Services @ 16% amounting to Rs 4 million was not recovered from the contractor in violation of above rules.

Due to weak internal controls, PST was not recovered from the contractor of collection rights which resulted in loss to Government.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of PST from the concerned and depositing the same into relevant account.

[AIR 2022-23 Para No. 6]

2.83.4 Non-recovery of rent of shops – Rs 2.607 million

According to Rule 11(2) (C) of the Punjab Local Governments (Accounts) Rules 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into local fund."

During audit of District Council Faisalabad for the FY 2022-23, it was observed that CO failed to recover rent of shops amounting to Rs 2.607 million from the tenants of 37 shops.

Due to weak internal controls, rent of shops was not recovered which resulted in loss of revenue.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of rent besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Years 2022-23 and 2018-19 vide paras number 2.58.8 and 9.2.2.13 respectively having financial impact of Rs 4.963 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 2]

2.83.5 Non-forfeiture of bid security due to non-commencement of works – Rs 2.150 million

According to Terms & Conditions of work orders issued by District Officer (I&S), District Council Faisalabad, "The contractors were directed to start the work at site after signing the agreement deed and getting demarcation from Sub Engineer concerned. Failure of the contractor in this regard would result in cancellation of tender and forfeiture of earnest money in favor of District Council Faisalabad."

During audit of District Council Faisalabad for the FY 2022-23, it was observed that DO (I&S) issued 06 work orders for construction of soling, drains, PCC works, repair of roads etc. at estimated cost of Rs 43 million in December, 2022. However, contractors did not start the works at site till the date of audit. DC authorities did not take action to forfeit the bid securities amounting to Rs 2.150 million due to non-commencement of works at sites even after lapse of considerable time. **Annexure-8**

Due to weak internal controls, bid securities of the contractors were not forfeited which resulted in loss to District Council.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends forfeiture of bid security at the earliest besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 8]

2.83.6 Non / less obtaining of additional performance security – Rs 2.094 million

According to Rule 9(9)(d) & 9(10) of the Punjab Local Governments (Works) Rules, 2017, "In case the rates of the lowest bid are equal to or less than 5% of the estimated cost, the lowest bidder shall be bound to deposit additional performance security from a scheduled bank from 5% to 10% (including CDR deposited at the time of tendering) within 15 days of issuance of notice and the same shall be refunded after issuance of the completion certificate by the In-charge of the engineering branch."

During audit of District Council Faisalabad for the FY 2022-23, it was observed that CO awarded 05 works to different contractors for repair / rehabilitation of roads, construction of rural drainage, tuff tiles and PCC schemes valuing Rs 54.890 million. The works were awarded below the estimated cost ranging from 5.11% to 13.05% but additional performance security amounting to Rs 2.094 million was not obtained from the contractors in violation of above rule.

Due to weak internal controls, additional performance security was not / less obtained which resulted in violation of rules.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing responsibility against the person(s) at fault besides regularization of the matter.

[AIR 2022-23 Para No. 9]

2.84 District Council Jhang

Procedural Irregularities

2.84.1 Non-transparent payments to sports teams – Rs 5.621 million

According to Rule 4 of the Punjab Local Governments (Accounts) Rules, 2017, "The payments exceeding rupees ten thousand shall be made through crossed non-negotiable cheque. Further, the payment against accrued liabilities shall be made through crossed non-negotiable cheque and the cheque shall be collected by the payee in person or through his authorized agent or, if so requested, the cheque may be sent through post."

During audit of District Council Jhang for the FY 2022-23, it was observed that CO drew funds amounting to Rs 5.620 million for payment to sports team and made payment to a government contractor instead of making direct payment to actual payees / team members through crossed / non-negotiable cheques. Moreover, essential documents such as names, CNIC / contact numbers and acknowledgements of recipients were also not forthcoming from the record.

Due to weak internal controls, payments were made to contractor instead of actual recipients by mentioning their particulars which resulted in non-transparent payments.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 5]

Others

2.84.2 Non-recovery of Government dues – Rs 21.958 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of District Council Jhang for the FY 2022-23, it was observed that CO failed to recover government dues on account of auction of collection rights, rent of municipal properties etc. amounting to Rs 21.958 million, as detailed below:

(Rupees in million)

Sr. No.	Description of Income Source	Source of Income	Amount Recoverable	Recovery Effected	Remaining Recoverable
1	Collection Rights	Ferries	10.835	8.196	2.639
		Lease of Agricultural Land	2.973	1.478	1.495
		Parking Stand	4.203	3.921	0.282
		Advertisement Fees	11.005	3.644	7.361
2	Rent of Property	Rent of Shops	8.122	1.164	6.958
		Rent of Food Godowns	3.223	-	3.223
Total			**40.361**	**18.403**	**21.958**

Due to weak financial controls, Government dues were not recovered which resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23, 2019-20 and 2018-19 vide paras number 2.59.9, 10.2.5.1.4, 10.2.3.2 and 10.2.3.3 having financial impact of Rs 27.732 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 10]

2.84.3 Non-recovery of conversion and map fees – Rs 11.200 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of District Council Jhang for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 11.200 million from owners of commercial buildings who constructed commercial sites without approval.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23, 2019-20 and 2018-19 vide paras number 2.59.12, 10.2.5.1.2 and 10.2.3.1 respectively having financial impact of Rs 33.025 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 17]

2.84.4 Non-obtaining of additional performance security – Rs 4.925 million

According to Rule 9(9)(d) & 9(10) of the Punjab Local Governments (Works) Rules, 2017, "In case the rates of the lowest bid are equal to or less than 5% of the estimated cost, the lowest bidder shall be bound to deposit additional performance security from a scheduled bank from 5% to 10% (including CDR deposited at the time of tendering) within 15 days of issuance of notice and the same shall be refunded after issuance of the completion certificate by the In-charge of the engineering branch."

During audit of District Council Jhang for the FY 2022-23, it was observed that CO awarded 08 works to different contractors for construction of roads, soling, resoling, sludge, drainage, sludge, sludge carriers, PCC slab and rehabilitation of pull valuing Rs 49.247 million. The works were awarded below the estimated cost ranging from 24 % to 32 % but additional performance security amounting to Rs 4.925 million was not obtained from the contractors in violation of above rule. **Annexure-9**

Due to weak internal controls, additional performance security was not obtained which resulted in violation of rules.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of the matter.

[AIR 2022-23 Para No. 6]

2.85 District Council Khanewal

Fraud and misappropriation

2.85.1 Misappropriation of copy fees – Rs 1.020 million

According to Rule 19 (a) sub-rule 1 of the Punjab Local Government (Registration of Births and Deaths) Rules 2021, amended vide LG&CD Department Notification No. SOR (LG) 8-6/2021 dated 1st September, 2021, "The Governor of the Punjab made following amendment":

(1) The detail of charges is as follows:

Sr. No.	Description	Amount in Rs.
1	Certificate or duplicate certificate	200
2	Late registration of birth (after sixty days to a maximum period of seven years)	200
3	Late registration of birth (after seven years)	300
4	Registration of birth of a foreigner	2000
5	Registration of Pakistani citizen (birth abroad)	1000
6	Late registration of death	1000
7	Correction or change	500

During audit of DC Khanewal for the FY 2022-23, it was observed that CO collected Rs 1.573 million for the Financial Years 2021-22 and 2022-23 on account of copy fees for 7,865 certificates of birth, death and marriage @ Rs 200 each as revealed from annual accounts. NADRA share of Rs 589,839 was paid from District Council fund @ of Rs 75 each certificate / copy issued on security papers. Payment of NADRA share shows that at least 7,865 certificates were issued but annual accounts provided by Finance branch revealed that only Rs 552,787 were deposited against collection of Rs 1,572,904 resulting in non-deposit of Rs 1,020,117 in District Council fund during 2021-23. **Annexure-10**

Due to malafied intension and weak financial controls, copy fees was less deposited which resulted in misappropriation.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1546 dated 02.10.2023, followed by subsequent reminders vide No. 1615 dated 13.10.2023 and No. 1680 dated 01.11.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of entire amount collected.

[AIR 2022-23 Para No. 04]

Procedural irregularities

2.85.2 Less charging of PST on repair works – Rs 31.977 million

According to Punjab Regulatory Authority letter No. PRA/Public Sector/753 dated 20.03.2018 "Government of the Punjab is please to allow reduce rates of PST on Government civil works at the 5% for government civil works in accordance with specific instruction as mentioned in the 2nd schedule of the Punjab Sales Tax on Services Act 2012. However, Repair & Maintenance (R&M), consultancy and contractual execution of works will continue to be taxed @ 16%."

During audit of DC Khanewal for the FY 2022-23, it was observed that CO added PST @ 5% amounting to Rs 31.977 million instead of 16% in TS Estimates for M&R works costing Rs 305.235 million. It was observed that estimates were not yet technically sanctioned and few estimates were sanctioned by the Chief Engineer by charging 5% PST. As per Administrative Approval vide letter No. 45 dated 22.08.2022 and No. 116 dated 19.10.2022 all these works were M&R works hence 16% PST needs to be applied instead of 5% PST.

Due to weak internal controls, PST was less charged in estimates which resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of PST from the concerned contractors besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 11]

Others

2.85.3 Non-recovery of conversion and map fees – Rs 139.921 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee." Further, according to Gazette Notification No. 2404/DCK dated 23.05.2017 of schedule rates published on Tuesday March 06, 2018 map fee of commercial buildings will be charged twelve rupees per Sft and eight rupees for education / health buildings.

During audit of DC Khanewal for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 139.921 million from the owners / developers of commercial, educational, health buildings and housing schemes as summarized below:

(Rupees in million)

Sr. No.	**Particulars**	**Amount**
1	Conversion and map fees of commercial markets / plaza	58.455
2	Conversion and map fees of commercial buildings	68.936
3	Conversion and map fees of housing schemes	12.530
Total		**139.921**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss.

The matter was reported to PAO in September, 2023. No reply was submitted by the DDO concerned.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of Government dues at the earliest besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 21]

2.85.4 Loss due to non-recovery of revenue – Rs 33.883 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of DC Khanewal for the FY 2022-23, it was observed that CO did not recover Rs 33.883 million on account of rent of shops, rent of land, advertisement fees. Summary is given below:

(Rupees in million)

Sr. No.	Particulars	Amount
1	Rent of shops / municipal property	24.037
2	Rent of Agricultural land	1.987
3	Advertisement fees	3.287
4	Fine for encroachment	0.100
5	Less charged rent of shops	4.472
Total		**33.883**

Due to weak financial and internal controls, government dues were not recovered which resulted in loss of revenue.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 2]

2.86 District Council Layyah

Procedural Irregularities

2.86.1 Irregular payment on account of tuff tiles – Rs 5.439 million

According to input rates issued by the Government of Punjab, Finance Department, "The strength of tuff pavers should be 7000-PSI and these should be of approved manufacturers i.e. Tuff Pavers (Pvt) Ltd., Izhar Building Material (Pvt) Ltd. Further, as per Government of Punjab Communication and Works Department, Lahore letter No.PA/SECY(C&W) 26-5/2009 dated 25.05.2009, "Payment be made only for quality works which conform to the given specifications."

During audit of District Council Layyah for the FY 2022-23, it was observed that CO made payment of Rs 5.439 million to the contractors on account of 34,630 sft tuff tile used in 5 development schemes. No gate pass or any other document was provided to prove that tiles were purchased from approved manufacturer. The rate of the tuff tile was based on the input rate of Izhar & Co. Taxila, but the tuff tiles were purchased from local manufacturer. Furthermore, lab tests for assessing the strength and quality were not conducted. The detail is as under:

(Rupees in million)

Scheme No.	Name of Development Schemes	contractor	MB No. / page from to	Tuff tile sft	Rate sft	Amount as per TS (Million)
31/66	Construction of soling, drainage system, tuff tile, PCC slab, culverts and other allied works at UC Thal Jandi Layyah, Tehsil Layyah District Layyah	Khizer Hayyat khan	504/49 to 58	6,712	157.4	1.056
37/66	Construction of soling, drainage system, tuff tile, PCC slab, culverts and other allied works at Basti Bhutta, Basti Elyaani, UC Kotla Haji Shah Layyah	Ghulam Yaseen Sial	583/79 to 89	10,553	157.4	1.661
26/66	Construction of soling, drainage system, tuff tile, and other allied works at UC Saharan Tehsil Choubara District Layyah	Thal Enterprises	529/1 to 5	1,500	150	0.225

Scheme No.	Name of Development Schemes	contractor	MB No. / page from to	Tuff tile sft	Rate sft	Amount as per TS (Million)
48/66	Construction of drain, soiling, re- soling tuff tile Kot Sultan (Razak Nata)	Khuda Bakhsh	920/39 to 43	8,699	157.4	1.369
56/66	Construction of drain, soiling, re- soling tuff tile Kot Sultan (Sohail Baloch)	Khuda Bakhsh	920/44 to 47	7,166	157.4	1.127
Total				**34630**		**5.439**

Due to weak internal controls, payment was made without supporting documents which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letters No. RDA/DGK/CD-1184 dated 13.10.2023, followed by subsequent reminders No.1285 dated 17.11.2023 and No.1353 dated 22.12.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.61.2 having financial impact of Rs 9.130 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.13]

Others

2.86.2 Non-recovery of revenue/over payments of pay and allowances – Rs 23.531 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, “The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise.” Further, according to Rule 2.31 of the PFR Vol-I, “A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation.”

During audit of District Council Layyah for the FY 2022-23, it was observed that CO failed to recover of revenue amounting to Rs 23.531 million on account of over-payments, lease money, commercialization / conversion fees and taxes. The detail is as under:

(Rupees in million)

Sr. No.	**Description / Detail of recovery**	**Amount**
1	Illegal up gradation / promotion of BPS-11 employee in BPS-17 resulted overpayment	2.840
2	Loss to Govt. due to un-approved/ residential housing schemes	5.639
3	Non / less recovery of NOC fees, conversion fees from commercial buildings	9.994
4	Loss to Govt. due to non / less deposit of lease money	4.801
5	Non-collection of professional tax	0.110
6	Recovery of unauthorized payment of allowances (HRA, CA, Holiday Allowance)	0.147
Total		**23.531**

Due to weak internal controls, government revenue were not recovered from the concerned resulting in loss to the DC.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.61.5 having financial impact of Rs 10.530 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 2, 4, 5, 6, 9, 14]

2.87 District Council Lodhran

Others

2.87.1 Non-recovery of conversion and map fees – Rs 13.401 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "the conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee." Further, according to Gazette Notification No. 2404/DCK dated 23.05.2017 of schedule rates published on Tuesday March 06, 2018 map fee of commercial buildings will be charged twelve rupees per Sft and eight rupees for education / health buildings.

During audit of DC Lodhran for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 13.401 million from the developers / owners of various buildings and housing schemes as summarized below:

(Rupees in million)

Sr. No.	Particulars	Amount
1	Conversion and map fees of housing schemes	7.525
2	Conversion and map fees of commercial buildings	5.876
Total		**13.401**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1546 dated 02.10.2023, followed by subsequent reminders vide No. 1615 dated 13.10.2023 and No. 1680 dated 01.11.2023. No progress was intimated till the finalization of this Report.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides recovery of conversion and building plan approval fees from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.62.2 having financial impact of Rs 23.381 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No.10, 14]

2.87.2 Loss due to non-recovery of revenue – Rs 2.926 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of DC Lodhran for the FY 2022-23, it was observed that CO did not recover dues amounting to Rs 2.926 million on account of rent of shops and water rates during the financial year. The detail is as under:

(Rupees in million)

Sr. No.	Particulars	Amount
1	Rent of shops	0.191
2	Water rates	0.198
3	Loss due to less rate then rent assessed by DRAC	2.537
Total		**2.926**

Due to weak financial and internal controls, government dues were not recovered which resulted in loss of revenue.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of government dues at the earliest.

[AIR 2022-23 Para No. 04, 05, 19]

2.88 District Council Multan

Procedural irregularities

2.88.1 Irregular expenditure by splitting – Rs 38.281 million

According to Rule 9 and 12 of the Punjab Procurement Rules, 2014, "Procuring agency shall announce proposed procurements for each Financial Year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website. Procurement opportunities over Rs 200,000 and up to Rs 3,000,000 shall be advertised on the PPRA's website."

During audit of DC Multan for the FY 2022-23, it was observed that CO incurred expenditure of Rs 38.281 million by splitting on account of celebrating national and religious days, stationery items, panaflex, cleanliness, and manhole covers. The expenditure was incurred by splitting to keep the expenditure below Rs 200,000 to avoid the open tender process.

Due to weak internal controls, expenditure was incurred by splitting to avoid open tender process which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1546 dated 02.10.2023, followed by subsequent reminders vide No. 1615 dated 13.10.2023 and No. 1680 dated 01.11.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.63.2 having financial impact of Rs 40.505 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 02]

2.88.2 Doubtful expenditure on tournament and fun fair – Rs 27.951 million

According to Rule 2.31 of the PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation."

During audit of DC Multan for the FY 2022-23, it was observed that CO incurred an expenditure of Rs 27.951 million on tournament and fun fair. Audit observed that three members of tender opening committee did not participate in tender process of fun fair as evident from attendance sheet. Heavy rental expenditure was incurred on rent of beam / tower lights, food items, animal fodder, and fans. There was no detail of horses / horse riders participated in the event coming from other areas. The non-scheduled items were paid on assumption basis without approval of rates from concerned competent forum. The detail is as under:

(Rupees in million)

Voucher No	Booking No	Head	Cheque Date	Supplier Name	Narration	Gross Total
2010	915	A03940 | Unforeseen expenses	8/12/2022	M/s Arain Construction	Payment of supply and fixing lights, Pena flex Jashan e Multan	6.850

2011	914	A03940 | Unforeseen expenses	8/12/2022	M/s Green Land	Payment of arrangement regarding Jashn e Multan held on 22 to 23 at PGSHF	12.536
4429	1399	A0397010 | Sports	27-06-2023	M/s Abrar ul Haq	Payment arrangements South Punjab School Sports (South Punjab School Cricket Championship under -16)	8.565
Total						**27.951**

Due to weak financial management, irregular expenditure was incurred which resulted in doubtful expenditure.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry of the matter and fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 22]

Other

2.88.3 Loss due to non-recovery of revenue – Rs 107.313 million

According to Rule 50 (1) (a) & (d) of the Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use subject to scrutiny and clearance from District Planning and Design Committee, from agricultural, residential, peri-urban area to commercial use shall be 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land."

During audit of DC Multan for the FY 2022-23, it was observed that CO did not recover conversion, map fees and other revenue amounting to Rs 107.313 million from the owners / developers of commercial buildings, educational institutes and housing schemes. The detail is as under:

(Rupees in million)

Sr. No.	Particulars	Amount
1	Non-recovery of dues from owners of commercial buildings	75.810
2	Less recovery of advertisement fees	2.560
3	Non-recovery of dues from educational institutes	17.920
4	Non-recovery of dues from owners of LSDs/Housing schemes	11.023
Total		**107.313**

Due to weak internal controls, government dues were not recovered which resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of government dues at the earliest.

<u>Note:</u> The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23 and 2018-19 vide paras number 2.63.9 and 14.2.2.2, 14.2.2.4, 14.2.2.5 respectively having financial impact of Rs 232.135 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 04, 05, 06, 08]

2.89 District Council Muzaffargarh

Procedural irregularities

2.89.1 Non-execution of mortgage and transfer deed – Rs 213.895 million

According to Chapter III Section 17 € & (f) and Chapter VIII Section 42 (h) of Punjab Private Housing Schemes and Land Sub-division Rules 2010, "A developer shall submit in the name of a Town Municipal Administration, a Tehsil Municipal Administration or a Development Authority a mortgage deed of 20% of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of District Council Muzaffargarh for the FY 2022-23, it was observed that CO approved land sub-division / housing scheme but 20% of saleable area 97.59 Kanal valuing Rs 54.655 million was not mortgaged by the developer of these housing schemes in the name of DC. Moreover, admissible land area 284.35 Kanal of same housing scheme in shape of road, mosque, school, graveyard, etc. valuing Rs 159.240 million was still pending to be transferred in the name of DC.

Due to weak administrative controls, non-execution of mortgage and land transfer deed resulted in irregular approval of housing schemes / LSDs.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letters No. RDA/DGK/CD-1184 dated 13.10.2023, followed by subsequent reminders No.1285 dated 17.11.2023 and No.1353 dated 22.12.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides mortgage and transfer deed as per rule be executed in the name of District Council.

[AIR 2022-23 Para No. 14]

2.89.2 Irregular expenditure on work charged staff – Rs 19.079 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in

the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of District Council Muzaffargarh for the FY 2022-23, it was observed that CO incurred an amount of Rs 19.079 million on account of salaries of work charged employees. The recruitment process was conducted without advertisement and recommendations of the recruitment committee.

Due to weak internal control, expenditure was made on the wages of work charged employees appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2018-19 vide para number 6.2.2.13 having financial impact of Rs 4.351 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 22]

Others

2.89.3 Non-recovery of outstanding dues / revenue – Rs 52.892 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of District Council Muzaffargarh for the FY 2022-23, it was observed that CO failed to recover the revenue amounting to Rs 52.892 million on account of advertisement fees, pattan fees, conversion fees and water rates. The detail is as under:

(Rupees in million)

Sr. No	**Description of recovery**	**Amount**
1	Non-recovery of advertisement and pattan fees	3.286
2	Non-collection of conversion / commercialization fees	44.606
3	Non-recovery of water rates charges	5.000
Total		**52.892**

Due to weak internal controls, local government revenue were not recovered from the concerned which resulted in loss to the DC.

The matter was reported to PAO in October, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of revenue from the concerned.

[AIR 2022-23 Para No. 4, 6, 12, 16, 19]

2.90 District Council Pakpattan

Procedural irregularities

2.90.1 Unauthorized expenditure on sports event by splitting – Rs 4.038 million

According to Rule 2.31 of the PFR Vol-I, "A drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriation." Further, according to Rule 9 of the Punjab Procurement Rules 2014, "A procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise in advance annual requirement for procurement on the website of the authority as well as on its website"

During audit of DC Pakpattan for the FY 2022-23, it was observed that CO incurred expenditure of Rs 4.038 million on sports tournament. There was no list of players of 11 teams divided in two groups. Furthermore, entire expenditure was incurred uneconomically by splitting the indents through quotations without adopting proper tender process.

Due to weak financial management, irregular / unauthentic expenditure was incurred resulted in in doubtful procurement and chances of misappropriation.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1546 dated 02.10.2023, followed by subsequent reminders vide No. 1615 dated 13.10.2023 and No. 1680 dated 01.11.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.65.1 having financial impact of Rs 5.598 million. Recurrence of same irregularity is a matter of serious concern.
[AIR 2022-23 Para No. 18]

Others

2.90.2 Non-recovery of conversion and map fees – Rs 88.710 million

According to Rule 50 (1) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020 "A Local Government shall levy fee for conversion of land use from agricultural, residential, peri-urban area to commercial use conversion fee at the rate of 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land."

During audit of DC Pakpattan for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 88.710 million from the owners / developers of commercial buildings and housing schemes. The detail is as under:

(Rupees in million)

Sr. No.	Particulars	Amount
1	Non-recovery of dues from owners of commercial buildings	54.422
2	Non-recovery of dues form owners of buildings / land sub-divisions	34.288
Total		**88.710**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides recovery of conversion and map fees from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide paras number 2.65.2 and 2.65.5 having financial impact of Rs 65.508 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 20, 21]

2.90.3 Non-recovery of contract price of advertisement fees – Rs 1.735 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of DC Pakpattan for the FY 2022-23, it was observed that CO did not recover Government dues on account of advertisement fees and applicable taxes amounting to Rs 1.735 million. The detail is as under:

(Rupees in million)

Sr. No.	Financial Year	Head of Income	Contract price	Amount Recovered	Balance Recover-able	I. Tax	Employee salary	Total Recover-able
1	2022-23	Advertisement Fees	2.250	2.099	0.151	0.125	0.966	1.242
2	2021-22	Advertisement Fees	1.900	15.977	0.303	0.190	-	0.493
	Total							**1.735**

Due to weak internal controls, contract price of advertisement fees was not recovered which resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 04]

2.91 District Council Rahim Yar Khan

Procedural irregularities

2.91.1 Mis-procurement due to non-compliance of PPRA Rules –Rs 92.484 million

According to Rules 9 and 12(1) of the Punjab Procurement Rules 2014 (amended 17.08.2020), "Procuring agency shall announce proposed procurements for each Financial Year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website. Procurement opportunities over two hundred thousand rupees and up to the limit of three million rupees shall be advertised on the PPRA's website in the manner and format specified by the PPRA from time to time."

During audit of District Council Rahim Yar Khan for the FY 2022-23, it was observed that Chief Officer incurred expenditure of Rs 92.484 million for repeated purchases of stationary, medicine, printing, sports and I.T equipment items etc. without determining annual requirements or advertising planned procurements on PPRA's website to achieve benefits of competitive bidding. Moreover, the indents were split-up to avoid fair tendering process.

Due to weak internal controls, purchases were made by splitting which resulted in mis-procurement.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / BWP / Reports / 2023-24 / F-39 / CD 1252-1255 dated 04.10.2023, followed by subsequent reminders vide No. 1272-75 dated 10.10.2023 and No. 1357-60 dated 19.10.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2022-23 and 2018-19 vide para(s) number 2.66.1 and 3.2.2.2 respectively having financial impact of Rs 13.607 million. Recurrence of same irregularity is a matter of serious concern.
[AIR 2022-23 Para No. 17]

Others

2.91.2 Non-execution of mortgage and transfer deed – Rs 1,470.659 million

According to Punjab Private Housing Schemes Rules 2022 section 21 clause (1) (d) pre-requisites for approval of housing scheme: The local government concerned before approval of a housing scheme shall ensure fulfillment of the following requirements, "execute a transfer deed on Form-B, B1, B2 for free of cost transfer to the local government concerned in the office of Sub Registrar, the total area reserved for roads, parks, open spaces, sports facility / playground, graveyard, parking, green strip (prohibited area), solid waste management and such other services and fifty percent area of minimum limit of public building sites excluding the area of mosque or worship."

During audit of District Council Rahim Yar Khan for the FY 2022-23, it was observed that Chief Officer neither got transfer nor mortgage the required area in the name of District Council valuing Rs 1,470.659 million from sixty (60) housing schemes / LSDs.

Due to weak administrative controls, non-execution of mortgage and land transfer deed resulted in irregular approval of housing schemes / LSDs.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends transfer and mortgage of property in the name of DC besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report(s) for the Audit Year(s) 2019-20 and 2018-19 vide para(s) number 3.5.1 and 3.2.4.1 respectively having financial impact of Rs 884.577 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 10]

2.91.3 Unauthentic expenditure on purchases – Rs 98.452 million

According to Rule 2.33 of Punjab Financial Rules Vol-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part."

During audit of District Council Rahim Yar Khan for the FY 2022-23, it was observed that Chief Officer drew substantial amount of Rs 98.452 million through doubtful billings as contradictions were observed among serial numbers and dates of bills of consumable items. For example;

Bill No.	**Date**

161	14.01.2023
169	~~*31.12.2022*~~
175	14.01.2023

Due to intention of misappropriation, doubtful bills were drawn which resulted in loss to the Authority.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the concerned.

[AIR 2022-23 Para No. 18]

2.92 District Council Rajanpur

Procedural irregularities

2.92.1 Irregular expenditure on work charged staff - Rs 26.163 million

According to Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "No work charged / daily wages employee will be appointed in the local governments without the approval of LG&CD Department and without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of District Council Rajanpur for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 26.163 million on account of work charged for the Financial Years 2021-22 and 2022-23. The contingent paid staff were appointed without eligibility criteria provided in the relevant service rules, advertisement and permission from LG&CD Department. The detail is as under:

(Rupees in million)

Period	Description	Amount
2021-22	Payment of Contingent Paid Staff	17.262
	Payment made to Sanitary Workers	7.512
2022-23	Doubtful and Irregular incurrence of expenditure on contingent paid staff	1.389
Total		**26.163**

Due to weak internal control, expenditure was made on the wages of work charged employees appointed without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in April and October, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letters No. RDA/DGK/CD-1184 dated 13.10.2023, followed by subsequent reminders No.1285 dated 17.11.2023 and No.1353 dated 22.12.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2018-19 vide para number 7.2.2.3 having financial impact of Rs 23.744 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 6, 12]
[AIR 2022-23 Para No. 5]

Others

2.92.2 Non-recovery of outstanding dues / revenue – Rs 107.807 million

According to Rule 14(d) of the Punjab Local Governments (Accounts) Rules, 2017, "The Collecting Officer shall collect the receipt of local Government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement, or compromise."

During audit of District Council Rajanpur for the FY 2022-23, it was observed that CO failed to recover Rs 107.807 million under various heads of receipts for the Financial Years 2021-22 and 2022-23. The detail is as under:

(Rupees in million)

Sr. No.	Period	Description of recovery	Amount
1	2021-22	Non-recovery of rent of shops	17.412
2		Less recovery / deposit of General Bus stands fees	1.209
3		Less recovery of water rates	1.594
4		Unauthorized construction of commercial buildings without payment of fees	16.515
5		Unauthorized establishment of housing schemes without approval	5.638
6	2022-23	Loss on account of Conveyance Allowance	0.197
7		Loss due to non-auction of shops and non-realization of receipt targets	47.314
8		Non-recovery of rent of shops / water rates	12.026
9		Loss due to non-recovery of conversion / commercialization fees	5.902
Total			**107.807**

Due to weak internal controls, arrears of revenue were not recovered from the concerned which resulted in loss to the DC Rajanpur.

The matter was reported to PAO in April and October, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of arrears from the concerned.

[AIR 2021-22 Para No.5, 13, 16, 18, 19]
[AIR 2022-23 Para No.3, 6, 9, 13]

2.93 District Council Sahiwal

Procedural irregularities

2.93.1 Irregular expenditure by splitting – Rs 65.941 million

According to Rule 9 and 12 of the Punjab Procurement Rules 2014, "A procuring agency shall announce proposed procurements for each financial year and shall proceed accordingly

without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website. Procurement opportunities over
Rs 200,000 and up to Rs 3,000,000 shall be advertised on the PPRA's website."

During audit of DC Sahiwal for the FY 2022-23, it was observed that CO incurred expenditure amounting to Rs 65.941 million by splitting on account of lifting / dumping garbage, procurement of sports material, hiring of vehicles, repair of soling, manholes etc. The expenditure was incurred by splitting to avoid the open tendering process.

Due to weak internal controls, procurements were made by splitting to avoid open tendering process which resulted in irregular expenditure.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1546 dated 02.10.2023, followed by subsequent reminders vide No. 1615 dated 13.10.2023 and No. 1680 dated 01.11.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry and fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.67.1 having financial impact of Rs 30.775 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 11]

2.93.2 Unauthorized payment without approval of competent authority – Rs 29.821 million

According to Rule 18(6) of the Punjab Local Governments (Works) Rules, 2017, "The head of Finance Branch of the local Government, on his satisfaction, shall submit, through Chief Officer, the bills for sanction by the Mayor or Chairman."

During audit of DC Sahiwal for the FY 2022-23, it was observed that CO made payment amounting to Rs. 29.821 million on account of different civil works i.e. construction of soling, culverts, manholes, repair of office and residential buildings without approval from the competent authority i.e. Chairman / Administrator.

Due to negligence and financial indiscipline, payment of civil works was made without approval of competent authority which resulted in unauthorized payment.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure.

[AIR 2022-23 Para No. 13]

Other

2.93.3 Non-recovery of conversion and map fees – Rs 33.366 million

According to Rule 39 of Punjab Private Housing Schemes and Land Sub-Division Rules, 2010, "A developer shall deposit fee for conversion of peri-urban area to scheme use at the rate of one percent of the value of the residential land."

During audit of DC Sahiwal for the FY 2022-23, it was observed that CO did not collect conversion and map fees amounting to Rs 33.366 million from the owners / developers of commercial buildings and land sub-divisions. The detail is as under:

(Rupees in million)

Sr. No.	Particulars	Amount recoverable
1	Non-recovery of dues from commercial buildings	19.478
2	Non-recovery of dues from LSDs	13.888
Total		**33.366**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides recovery of conversion and map fees from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23 and 2018-19 vide paras number 2.67.4 and 16.2.3.1, 16.2.3.7 respectively having financial impact of Rs 399.36 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 12, 15]

2.93.4 Loss due to non-recovery of revenue – Rs 8.806 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of DC Sahiwal for the FY 2022-23, it was observed that CO did not recover advertisement fees, TTIP and goods exit tax amounting to Rs 8.806 million as summarized below:

(Rupees in million)

Sr. No.	Contractor Name	Description	Amount Recoverable
1	Shahid Khan	Advertisement fees	3.256
2	Zaheer Ahmad	Tax on transfer of immoveable property	2.364
3	Mumtaz Ahmad	Goods exit tax	3.187
Total			**8.806**

Due to weak financial and internal controls, government dues were not recovered which resulted in loss of revenue.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of government dues at the earliest.

[AIR 2022-23 Para No. 04]

2.94 District Council Toba Tek Singh

Others

2.94.1 Encroachment / unauthorized occupation on Government properties – Rs 2,257.080 million

According to Rule 4 of the Punjab Local Governments (Property) Rules, 2018, "The manager shall be vigilant about encroachments on, or wrongful occupation of, the property and in case of encroachment or wrongful occupation, take necessary steps for the removal thereof and prevent the property against nuisance, damage or misuse."

During audit of District Council Toba Tek Singh for the FY 2022-23, it was observed that CO did not make efforts for vacation of two properties measuring 48 kanals & 04 marlas valuing Rs 2,257.080 million from the encroachers. The detail is as under:

(Rupees in million)

Sr. No.	Identification of Property	Area	Remarks	Amount
1	"Sarai" situated near railway crossing Toba Tek Singh	4 kanal & 16 marla	73 shops were constructed by encroachers on the state land without permission of District Council a	252.000
2	Cattle Fair Ground	43 kanal & 8 marla	Fruit & vegetable market being run under control of Market Committee Toba Tek Singh	2,005.080
Total				**2,257.080**

Due to poor asset management, Government properties were not safeguarded which resulted in encroachment over state land.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/1011 dated 11.09.2023, followed by subsequent reminders vide No.1078 dated 18.09.2023 and No.1114 dated 21.09.2023. No progress was intimated till the finalization of this Report.

Audit recommends vacation of properties from encroachers besides utilization of Government properties for revenue generation in the best public interest.

[AIR 2022-23 Para No. 13]

2.94.2 Non-recovery of conversion and map fees – Rs 81.780 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of District Council Toba Tek Singh for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 81.780 million from owners of commercial buildings and private housing schemes who constructed commercial sites without approval.

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss to MC.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery from the concerned at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.68.5 having financial impact of Rs 69.823 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 5, 6]

2.94.3 Excess payment to contractors against un-executed work – Rs 12.405 million

According to Para 4.5(5) of the B & R Department Code, "Every Officer making or ordering payment on behalf of Government should satisfy himself that work has been actually done in accordance with the bill submitted for payment. He should inspect personally all the most important works before authorizing final payment, and should check the measurements made by his subordinates as per scale laid by the Chief Engineer."

During audit of District Council Toba Tek Singh for the FY 2022-23, it was observed that CO got executed 16 works for repair / improvement and rehabilitation of roads. Scrutiny of TSEs depicted that existing surface of rods was treated as sub grade / sub-base course and overlay of base course was provided with a thickness of 4 inches and an extra quantity of base course was also provided to fill pot holes on roads at a certain percentage of 5 to 20 in addition to above said quantity of overlay. However, record entries made in measurement books at the time of execution of work depicted that above said quantity of overlay of base course was laid with different thickness of 4 inches to 4.5 inches instead of fixed thickness on 4 inches from which it was apprehended that patches were already filled while overlaying of base course therefore, recording of separate quantity of base course to fill pot holes / patches was unjustified. Resultantly, excess payment of Rs 12.405 million was made to contractors for work not actually executed at site.

Due to weak internal controls, measurements were recorded in MB without actual work done at site which resulted in excess payment to contractors.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of excess paid amount from the concerned.

[AIR 2022-23 Para No. 10]

2.94.4 Excess payment to contractors beyond estimated provisions – Rs 4.073 million

According to Rule 40(2) (b) (i) of the Punjab Local Governments (Accounts) Rules, 2017, "The engineer shall ensure that the claims submitted for payment are valid for the works actually executed at site in accordance with the specifications and agreed quantity, or the service actually rendered to the entire satisfaction of the District Authority and entered in the relevant books or register of accounts and there is no reason to stop the payment." Furthermore, according to Provision 4.5(5) of the B & R Department Code, "Every Officer making or ordering payment on behalf of Government should satisfy himself that work has been actually done in accordance with the bill submitted for payment. He should inspect personally all the most important works before authorizing final payment, and should check the measurements made by his subordinates as per scale laid by the Chief Engineer."

During audit of District Council Toba Tek Singh for the FY 2022-23, it was observed that CO made excess payment of Rs 4.073 million to the contractors of 09 civil works, as detailed below:

i. In seven cases, payment to contractors for earth filling in ordinary soil for embankment was made @ Rs 13,965.90 and Rs 13,413.40 respectively by including ½ mile lead whereas in TSEs only 100 ft lead was provided which resulted in excess payment of Rs 3.922 million.

ii. In two cases, earth filling in ordinary soil for embankment lead up to 1/2 mile i/c ploughing, mixing with blade, or disc harrow or other suitable equipment and compaction of earth to 85% maximum modified AASHO for road berms was provided @ 13,413.40 per 1000% cft but pavement was made @ Rs 13,965.90 per 1000 cft which resulted in excess payment of Rs 0.151 million.

Due to weak internal controls, payment for earthwork execution was made to contractors at excessive rates which resulted in excess payment.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of loss from the defaulters.

[AIR 2022-23 Para No. 9]

2.95 District Council Vehari

Other s

2.95.1 Non-recovery of conversion and map fees – Rs 25.079 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee." According to Rule 39 of Punjab Private Housing Schemes and Land Sub-Division Rules, 2010, "A developer shall deposit fee for conversion of peri-urban area to scheme use at the rate of one percent of the value of the residential land."

During audit of DC Vehari for the FY 2022-23, it was observed that CO did not recover conversion and map fees amounting to Rs 25.079 million from developers of private hosing schemes / LSDs as summarized below:

(Rupees in million)

Sr. No.	Particulars	Amount
1	Commercial buildings	22.594
2	Housing colonies	2.485
Total		**25.079**

Due to weak internal controls, the non-recovery of conversion and building plan approval fees resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1546 dated 02.10.2023, followed by subsequent reminders vide No. 1615 dated 13.10.2023 and No. 1680 dated 01.11.2023. No progress was intimated till the finalization of this Report.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides recovery of conversion and map fees at the earliest.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.69.4 having financial impact of Rs 13.774 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 04]

2.95.2 Loss due to non-recovery of revenue – Rs 4.841 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of DC Vehari for the FY 2022-23, it was observed that CO did not recover rent of shops, water rates and income tax amounting to Rs 4.841 million as summarized below:

(Rupees in million)

Sr. No.	Particulars	Recoverable Amount
1	Rent of shops	4.656
2	Water rates	0.185
Total		**4.841**

Due to weak financial and internal controls, government dues were not recovered which resulted in loss of revenue.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides recovery of government dues at the earliest.

Note: The issue was also reported earlier in the Audit Reports for the Audit Years 2022-23 and 2018-19 vide paras number 2.69.5 and 17.2.2.2 respectively having financial impact of Rs 74.018 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2022-23 Para No. 06]

2.95.3 Payment of inadmissible pay and allowances – Rs 1.931 million

According to Government of the Punjab, Finance Department, Lahore, notification No. FD.PC.2-1/2001dated 11.07.2011, "Integrated allowance is allowed to N/Qasids, Qasids, Daftries, Frashes, Chowkidars, Sweepers, Sweeperess & Security Guard." Furthermore, according to Para No. 5 of letter No. FD (M-1)1-15/82-P-1, of Government of the Punjab, Finance Department, "In case government servant is allotted below, entitlement residence, he will not be allowed to draw house rent allowance and will have to pay house rent at the rate of 5% of maximum scale of the category for which residence is meant. In case government servant is allotted of above entitlement, he will not be allowed to draw house rent allowance and he will pay 10% rent of maximum of the scale for which residence is meant."

During audit of DC Vehari for the FY 2022-23, it was observed that CO did not recover Rs 1.931 million from different employees on account of integrated allowance and house rent allowance as summarized below:

(Rupees in million)

Sr. No.	**Description**	**Amount**
1	Integrated Allowance	1.209
2	House Rent Allowance	0.722
Total		**1.931**

Due to weak internal controls, inadmissible allowances were paid which resulted in loss.

The matter was reported to PAO in September, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of inadmissible allowances and penal rent from concerned besides fixing responsibility against the person(s) at fault.

[AIR 2022-23 Para No. 05, 08]

2.96 Tehsil Council Ahmed Pur East

Procedural irregularities

2.96.1 Payment of brick work without lab test reports – Rs 2.549 million

According to Rules 9(13), 16(b) of Punjab Local Government (Works) Rule, 2017, the local government engineer and his subordinates shall be responsible for ensuring the work is executed in accordance with the specifications in technically sanctioned estimates and the provisions of the rules. The Engineer In charge and his subordinates shall be responsible for strict implementation of the term of the contract and shall adhere to the roles and responsibilities defined for execution of development work in Building and Road Department works Code.

During audit of TC Ahmed Pur East for the FY 2021-22, it was observed that Chief Officer made payment of Rs 2.549 million on account of brick work / pacca brick works to various contractors. Payment was made in different constructions and repair works without obtaining of lab test reports.

Due to weak internal controls, payment was made without obtaining lab test reports which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite request made by Audit vide letter No. RDA / BWP / Reports / 2022-23 / F-39 / CD 467 dated 02.05.2023, followed by subsequent reminders vide No. 518 dated 12.05.2023 and No. 522 dated 16.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery and regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 03]

Others

2.96.2 Non-achievement of targets of revenue – Rs 54.366 million

According to Rule 11(2) (c) of the Punjab Local Government (Accounts) Rules, 2017, “Chief Officer shall ensure that any sums due to local government are promptly realized and credited into local fund.”

During audit of TC Ahmed Pur East for the FY 2021-22, it was observed that Chief Officer did not achieve the targets of various heads of receipts amounting to Rs 54.366 million.

Due to weak financial management and poor performance of staff budgeted targets were not achieved which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.71.3 having financial impact of Rs 34.519 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No.06]

2.96.3 Non-undertaking of Community Initiatives – Rs 23.842 million

According to Section 214 of the PLGA, 2019, "Every local government shall allocate a portion of its funds, being not less than five percent of the total expenditures to be incurred by it in a particular financial year on construction works, to support such activities which are proposed by the residents and implemented by them directly through a Neighborhood Council in case of an urban local government and a Panchayat in case of a Tehsil Council."

During audit of TC Ahmed Pur East for the FY 2021-22, it was observed that Chief Officer did not allocate five percent of budgeted expenditure amounting to Rs 23.842 million as community initiatives to support activities proposed by the residents and implemented through Panchayat.

Due to weak budgetary controls, funds were not allocated for community initiatives which resulted in violation of provision of the Punjab Local Government Act, 2019.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 16]

2.97 Tehsil Council Arifwala

Procedural irregularities

2.97.1 Irregular cash payment – Rs 3.028 million

According to Rule XV & Rule 27 (3) Chapter 2 of Receipts & Payment Rules 2021, "Payments shall be only be made to contractors, vendors, suppliers, employees, etc. through direct credit or through crossed cheques. Account's officer may, as far as possible, disburse miscellaneous contingent payments to the contractors / suppliers by direct credit advice into their respective bank accounts or in exceptional cases by system generated cheques on submission of claim on bills / voucher to the Accounts Office."

During audit of TC Arifwala for the FY 2021-22, it was observed that CO made cash payment amounting to Rs 3.028 million to the contingent paid staff instead of direct credit or through crossed cheques in violation of above rules. Further, advertisement, CNIC, personal files and other allied record of their recruitment was also not available / produced. The detail is as under:

(Rupees in million)

Month	No. of employees	Amount
July, 2021	56	1.130
August, 2021	47	0.949
September, 2021	47	0.949
Total		**3.028**

Due to weak internal controls, cash payments have been made to the contingent paid staff which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 12]

Others

2.97.2 Loss due to less recovery of conversion fees - Rs 1.175 million

According to Rule 50 (1) (a) & (d) of the Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "A Local Government shall levy fee for conversion of land use subject to scrutiny and clearance from District Planning and Design Committee, from agricultural, residential, peri-urban area to commercial use shall be 10% of the commercial value of the land. Conversion fee for the conversion of agricultural land to industrial use shall be 5% of the agricultural value of land."

During audit of TC Arifwala for the FY 2021-22, it was observed that CO allowed the establishment of commercial buildings without recovery of conversion fees amounting to Rs 1.175 million.

Due to weak internal controls, government dues were not recovered which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of government dues besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.74.4 having financial impact of Rs 549.310 million. Recurrence of same irregularity is a matter of serious concern.

2.98 Tehsil Council Bahawalnagar

Others

2.98.1 Non-achievement of targets of revenue – Rs 11.375 million

According to Rule 11(2) (c) of the Punjab Local Government (Accounts) Rules, 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into local fund."

During audit of TC Bahawalnagar for the FY 2021-22, it was observed that Chief Officer did not achieve the targets of various heads of receipts amounting to Rs 11.375 million.

Due to weak financial management and poor performance of staff budgeted targets were not achieved which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite request made by Audit vide letter No. RDA / BWP / Reports / 2022-23 / F-39 / CD 467 dated 02.05.2023, followed by subsequent reminders vide No. 518 dated 12.05.2023 and No. 522 dated 16.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends to probe the matter besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.06]

2.99 Tehsil Council Burewala

Procedural irregularities

2.99.1 Non-reconciliation of record of Immoveable Property Tax – Rs 26.251 million

According to Government of the Punjab, LG&CD Department letter No. SOTAX (LG) 2-46/08(PI) dated 20.02.2011, "Maintenance of daily recovery register by the TMA staff shall be ensured and recovery of Tax on Transfer of Immoveable Property (TTIP) shall be reconciled with the Revenue Staff preferably on daily basis and any departure from these directions shall be interpreted as misconduct and corrupt practice in terms of Punjab Employees Efficiency and Disciplinary Act (PEEDA)."

During audit of TC Burewala for the FY 2021-22, it was observed that CO collected immoveable property tax amounting to Rs 26.251 million without reconciliation / maintenance of allied record i.e. IP Tax register, rate schedule of the area or average rate, total land transferred, cost of structure, cost of land, location etc. The rate of land was not ascertainable from the produced partial deposit vouchers in absence of copy of registry. The realized income was also not reconciled with the Revenue Staff in violation of above directions. The detail is as under:

(Rupees in million)

Description	Estimated Budget	Total Receipts
TTIP / Tax on Transfer of immovable property	92.000	26.251

Due to weak internal controls, record of TTIP receipts was not maintained and reconciled with Revenue Department which resulted in vulnerability to the leakage of resources and violation of the Government instructions.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends maintenance of record and reconciliation of income with Revenue Department besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 05]

Others

2.99.2 Defective / non-maintenance of accounts - Rs 33.930 million

According to Rule 8(1) of the Punjab Local Government (Accounts) Rules 2017, "The Accounts shall be maintained in the Forms or as prescribed by Auditor-General of Pakistan in APPM and Book of Forms." Furthermore, according to Rule 42(2) read with Rule 43(1) and Form AR-41 of the Punjab Local Government (Accounts) Rules 2017, "The accounts officer shall prepare the monthly accounts in Form AR-38 to AR-42 on the basis of compiled accounts. At the end of each year, the accounts of the local government shall be compiled by the head of finance office in Form AR-38 to AR-42 and reconciled with the accounts on similar forms separately compiled by the Accounts Officer."

During audit of TC Burewala for the FY 2021-22, it was observed that CO did not maintain the annual / monthly accounts according to the COA (Chart of Account) & according to NAM (New Accounting Model). Provided accounts were unsigned by the LFA staff and also by the Chief Officer and Finance Officer. There was no information available about the total assets, total liabilities, general and administration receipts, economic service receipts, trust & other public accounts receipts and payments, general provident receipts and payments, special deposits receipts and payments, cash flow statements etc. Accounts were prepared on different forms which did not provide the prescribed information as mentioned above. The detail is as under:

(Rupees in million)

Period	Budget				Expenditure			
	Salary	Non-salary	Development	Total	Salary	Non-salary	Development	Total
July-2021 -Oct-2021	54.434	670.901	240.032	965.366	12.108	21.822	-	33.930

Due to weak internal controls accounts were not prepared according to Government instructions which resulted in unreliable and irregular reporting of accounts.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends corrective measure be taken besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 04]

2.100 Tehsil Council Chak Jhumra

Others

2.100.1 Non-reconciliation of TTIP receipts – Rs 12.759 million

According to the Government of Punjab, LG&CD Department letter No. SO.TAX(LG)2-46/08(PI) dated 20.02.2011, "Maintenance of Daily Recovery Register by the Council staff shall be ensured and recovery of TTIP shall be reconciled with the Revenue Staff on daily basis and any departure from these directions shall be interpreted as misconduct and corrupt practice in terms of PEEDA Act."

During audit of TC Chak Jhumra for the FY 2021-22, it was observed that CO realized income amounting to Rs 12.759 million on account of TTIP during the period 01.07.2021 to 17.10.2021 but these receipts were not got reconciled with Revenue Department on daily basis in violation of the above directions.

Due to weak internal and financial controls, TTIP income was not reconciled with Revenue Department which resulted in violation of Government instructions.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/420 dated 13.04.2023, followed by subsequent reminders vide No.524 dated 28.04.2023 and No.548 dated 05.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends reconciliation of income with the Revenue Department besides fixing responsibility on the person(s) at fault.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide Para No.2.79.2 having financial impact of Rs 65.527 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No.1]

2.101 Tehsil Council Chichawatni

Procedural irregularities

2.101.1 Irregular payments without pre-audit- Rs 32.030 million

According to Rules 33 (1)(a) of Punjab Local Governments (Accounts) Rules 2017, "The Accounts Officer while pre-auditing the payment, shall ensure that the claims submitted for payment are valid on the basis of certificate dully recorded the drawing and disbursing officer on form AR-3, work has been actually carried out in side according to the specification and agreed quantity, the services has been rendered according to the agreement and supply has been made according to agreed quantity and quality."

During audit of TC Chichawatni for the FY 2021-22, it was observed that CO and Accounts Officer made payment of Rs 32.030 million to contractors on account of development schemes without pre-audit of bills. The bills neither pre-audited nor payment order was signed by Accounts Officer. The payments were authorized/ funds were drawn without applying pre-audit checks.

Due to weak financial control, funds were withdrawn without pre-audit which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 08]

2.101.2 Mis-procurement – Rs 3.977 million

According to Rule 8 of the Punjab Procurement Rules 2014, "A procuring agency shall, within one month from the commencement of a financial year, devise annual planning for all proposed procurements with the object of realistically determining the requirements of the procuring agency." Further, according to Rules 9 and 12(1) of the Punjab Procurement Rules 2014, "Procuring agency shall announce proposed procurements for each Financial Year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website. Procurement opportunities over Rs 200,000 and up to Rs 3,000,000 shall be advertised on the PPRA's website in the manner and format specified by the PPRA from time to time.

During audit of TC Chichawatni for the FY 2021-22, it was observed that CO incurred irregular expenditure amounting to Rs 3.977 million for different items i.e. rental charges, tentage, furniture and panaflex etc. without observing PPRA rules. Annual requirement was neither consolidated nor was planned procurement advertised in print media and on PPRA website. Further, payment was authorized without deduction/ less deduction of taxes amounting to Rs 289,664.

Due to weak internal controls, different items were purchased without observing PPRA Rules, and without deduction/ less deduction of taxes which resulted in mis-procurement and loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends regularization of expenditure, recovery of government loss besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.80.2 having financial impact of Rs 3.359 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 05]

2.101.3 Non-deduction of social security contribution – Rs 2.736 million

According to Section 20(1) & (9) of the Provincial Employees Social Security Ordinance, 1965, "The competent public authority shall before final settlement of the claims of contractors or licensee shall require the production of a certificate from the institution showing that the necessary contributions have been paid and in default of such certificates, it shall deduct from the amount otherwise payable in settlement of such claim @ 6 percent and pay such amount directly to the institution.

During audit of TC Chichawatni for the FY 2021-22, it was observed that CO did not make efforts to deduct the Social Security Contribution @ 6 percent amounting to Rs 2.736 million from claims of the contractors before making payments. Payments were made without obtaining certificate regarding payment of Social Security Contribution of workers employed by the contractors. The detail is as under:

(Rupees in million)

No. of Contractors	No. of Employees	Average wage rate/Annum	Total Wages	Amount @ 6%
171	855	80,000	68.400	2.736

Due to weak internal controls, deduction of Social Security Contribution was not made which resulted in excess payment to the contractors and loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 07]

Others

2.101.4 Loss due to non-deposit of Government taxes – Rs 58.067 million

According to Punjab Sales Tax on Services Act, 2012 Sr. No.14 classification 9824.000 and 9814.2000 rate of tax is five percent without input tax credit/ adjustment in respect of Government civil works and sixteen percent without input tax credit/ adjustment for others. Further according to Section 153(1) (c) of Income Tax Ordinance amended vide Finance Act. 2015 read with clause 3(ii) & (iii) of Division III of Part III of the First Schedule, "The rate of tax to be deducted from a payment referred to in clause (c) of sub-section (1) of section 153 shall be:

(ii) In case of a company, 7% of the gross amount payable, if the company is a filer and 10% if the company is a non-filer; and

(iii) In any other case, 7.5% of the gross amount payable, if the person is a filer and 10% if the person is a non-filer.

During audit of TC Chichawatni for the FY 2021-22, it was observed that CO deducted Income Tax, GST and PST amounting to Rs 58.067 million from the payments of various contractors. The same amount was not deposited into FBR and PRA accounts during the year. The detail is as under:

(Rupees in million)

Name of tax	**Amount**
Income tax	20.065
GST	0.528
PST	37.474
Total	**58.067**

Due to weak internal controls, the Government taxes were not deposited which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends deposit of taxes besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 06]

2.102 Tehsil Council Chishtian

Others

2.102.1 Non-achievement of targets of revenue – Rs 13.113 million

According to Rule 11(2) (c) of the Punjab Local Government (Accounts) Rules, 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into local fund."

During audit of TC Chishtian for the FY 2021-22, it was observed that Chief Officer did not achieve the targets of various heads of receipts amounting to Rs 13.133 million.

Due to weak financial management and poor performance of staff budgeted targets were not achieved which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite request made by Audit vide letter No. RDA / BWP / Reports / 2022-23 / F-39 / CD 467 dated 02.05.2023, followed by subsequent reminders vide No. 518 dated 12.05.2023 and No. 522 dated 16.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends to probe the matter besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.02]

2.103 Tehsil Council Dera Ghazi Khan

Procedural irregularities

2.103.1 Irregular expenditure on daily wage staff – Rs 3.948 million

According to Government of the Punjab, Finance Department, Notification No.RO (Tech) FD-2-2/2001 dated 03.11.2008, “Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment.” Furthermore, according to Para 3 of Government of the Punjab LG & CD Department letter No.SO-ADMNII (LG) 3-55/2007 dated 03.03.2016, “It has also come to the notice of the Department that the Local Governments in Punjab are appointing the work charge / daily wages employees without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules. Therefore, it has been decided that in future no work charge / daily wages employee will be appointed without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules.”

During audit of TC Dera Ghazi Khan for the FY 2021-22, it was observed that CO incurred expenditure amounting to Rs 3.948 million on wages of work charged / daily wages staff. The recruitment was made by the management without observing prescribed recruitment process i.e. advertisement of the posts, processing of files for preparation of merit list followed by recommendation of recruitment committee etc. The detail is as under:

(Rupees in million)

Period	Employees	No. of Employees	Amount
2021-22	Sanitary Workers	60	2.373
	Work Charge	26	1.575
Total			**3.948**

Due to weak internal controls, recruitment process was made without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-502 dated 08.05.2023, followed by subsequent reminders No. 574 dated 05.06.2023 and No. 808 dated 18.07.2023. No progress was intimated till the finalization of this Report.

Audit recommends that matter may be investigated and responsibility may be fixed against the person(s) at fault.

[AIR 2021-22 Para No. 7, 11]

2.103.2 Defective tendering of development works – Rs 2.980 million

According to Rule 12 (2) of the Punjab Procurement Rules 2014, "All procurement opportunities over two million rupees should be advertised on PPRA website as well as in other print media or newspapers having wide circulation. The advertisement in the newspapers shall principally appear in at least two national dailies, one in English and the other in Urdu." Further According to Rule 9 (2) of the Punjab Local Governments (Works) Rules 2017, "After the administrative approval and technical sanction for the work is accorded, bid shall be invited with the prior approval of the Mayor or Chairman by the Chief Officer or any other officer duly authorized by the Chairman or Mayor." Further, as per Finance Department letter No. RO (TECH) FD – 1 – 2 / 83 /-VI dated 29.03.2005, "Technical Sanction be issued before inviting tenders, the particulars of technical sanction i.e. amount, number and date of orders of Technical Sanction be mentioned in the tender inviting notice as well as in the letter of acceptance of tender to be issued to the contractor."

During audit of TC Dera Ghazi Khan for the FY 2021-22, it was observed that CO invited tenders for development schemes of Rs 2.980 million through advertisement in only PPRA website. No particulars of technical sanction i.e. TS number and date of orders of Technical Sanctions were mentioned in the advertisement. It was evident that work was split into two schemes in violation of above rules.

(Rupees in million)

Sr. No.	**Name of Scheme**	**Contractor**	**Rate tendered by M/s Shahbaz**	**Rate tendered by M/S Ameer Hussain**	**Amount**
1	Construction/Rehabilitation and laying of sub base course schemes and installation of lights with other allied works of Muharrum ul Haram routes Zone-A Tehsil Council D.G Khan	Shahbaz Abbas	0.020% below	0.010% below	1.495
2	Construction/Rehabilitation and laying of sub base course schemes and installation of lights with other allied works of Muharrum Ul Haram routes Zone-B Tehsil Council D.G Khan	Ameer Hussain	0.010% below	0.015% below	1.485
Total					**2.980**

Due to weak internal controls, tender was advertised only on PPRA website which resulted in defective tendering of development schemes.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends proper justification or fixing responsibility against the person(s) at fault besides regularization of expenditure from competent authority.

[AIR 2021-22 Para No. 4]

2.103.3 Unjustified releases of security deposits - Rs 2.814 million

According to para 5.1(II)(d), of B&R Code, "When a sum so held in deposit is ultimately paid to the contractor concerned, his acknowledgement should be set forth such particulars as would establish the settlement of this account in connection with the work concerned. It is further explained that Security Deposit Register shall be maintained and any receipt and return will be debited and credited in the concerned account."

During audit of TC Dera Ghazi Khan for the FY 2021-22, it was observed that CO made a payment of Rs 2.814 million out of Security Bank Account No. PK75PUN 6620200583600040 against refund of security to contractors but security deposit register was not maintained. Further no cashbook was maintained to check opening balance, closing balance, receipts and payments of the whole financial year. The proof of authenticity of security returned to contractors was not available.

Due to poor internal controls, security deposit was released without supporting documents which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends provision of supporting documents besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 8]

Others

2.103.4 Non-recovery of Government revenue – Rs 2.783 million

According to Rule 47 of the Punjab Local Government (Budget) Rules 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited to the Local Fund."

During audit of TC Dera Ghazi Khan for the FY 2021-22, it was observed that CO failed to recover / less recovered and credited revenue / taxes / fees amounting to Rs 2.783 million that was recoverable under various heads of accounts as per detail given below:

(Rupees in million)

Sr. No.	Description	Amount
1	Bank Profit earned on Security Account but not credited to General Fund Account	0.303
2	Income Tax, GST and PST realized but not deposited	2.480
Total		**2.783**

Due to weak internal controls, Local Government revenue were not / less realized which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of outstanding revenue besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 2, 3]

2.104 Tehsil Council Gojra

Procedural irregularities

2.104.1 Withdrawal of funds without maintenance of record and bank reconciliation – Rs 5.736 million

According to Rule 27 of the Punjab Local Governments (Accounts) Rules, 2017, "The DDO, sanctioning authority, head of finance office and the accounts officer shall ensure the implementation of requirements in all expenditure transactions including pre-audit of claims and authorization of payment, issuance of cheques for payment, recording expenditure in the accounting records, reconciliation of the daily totals as per daily advice note, prepared from the cheque register, with the daily expenditures recorded in the Abstract, reconciliation of expenditure as per daily advice note with the bank scroll, reconciliation of expenditure as per daily advice note and the Abstract with the cash book of the drawing and disbursing officer."

During audit of TC Gojra for the FY 2021-22, it was observed that different transactions amounting to Rs 5.736 million were found in bank statement. However, authorities of TC failed to maintain / provide record of those transactions for audit scrutiny. Moreover, bank reconciliation was also not carried out during the period.

Due to weak internal controls, record of withdrawn funds was not maintained / provided for audit verification and bank reconciliation was not carried out which resulted in irregular withdrawal of funds.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/ 523 dated 28.04.2023, followed by subsequent reminder vide No.549 dated 05.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends to probe the matter for non-reconciliation besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 10]

Others

2.104.2 Less recovery of conversion fees from owner of petrol pump – Rs 1.700 million

According to Rule 60(1)(a)(e) of the Punjab Land Use (Classification, Reclassification and Redevelopment) Rules, 2009 read with letter No.SO(LG)38-18/2009-P dated 06.03.2020 of Government of the Punjab LG&CD Department, "The conversion fee for the conversion of residential, industrial, peri-urban area or intercity service area to commercial use shall be charged

@ of 5% if value of land is less than one million rupees, 10% of value of land one million rupees to ten million rupees and 20 per cent for value of land more than ten million rupees."

During audit of TC Gojra for the FY 2021-22, it was observed that CO recovered less conversion fees amounting to Rs 1.700 million against the land converted for installation of petrol pump during Financial Year 2020-21. Scrutiny of record depicted that owner of land applied for conversion of land measuring 05 Kanals and 10 Marlas, as evident from request sent to Additional Deputy Commissioner (Revenue) via Assistant Commissioner Gojra for assessment of commercial value (rate) of land, whereas the case for recovery was processed against land measuring 02 Kanals and 10 Marlas. The detail is as under:

(Rupees in million)

Description of land	Area of land processed	Actual area of land	Commercial rate per Marla	Actual Value of land	Actual conversion fees @ 20%	Conversion fees recovered	Amount less recovered
Muhammad Saleem S/o Muhammad Deen Square No. 51 Kila No. 6/1Chak No. 370/JB Gojra	2 K & 10 M (50 Marlas)	5 K & 10 M (110 Marlas)	0.100	11.000	2.200	0.500	1.700

Due to weak internal controls, less conversion fees was recovered from the owner of petrol pump which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for recovery of conversion fees from the concerned besides action against defaulters.

[AIR 2021-22 Para No. 8]

2.105 Tehsil Council Jampur

Others

2.105.1 Non-recovery of Government revenue – Rs 81.035 million

According to Rule 47 of the Punjab Local Government (Budget) Rules 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited to the Local Fund."

During audit of TC Jampur for the FY 2021-22, it was observed that CO failed to recover amounting to Rs 81.035 million under various heads of accounts as per detail given below:

(Rupees in million)

Sr. No.	Description of recovery	Amount
1	Recovery of map and conversion fees from building owners	17.397
2	Conversion fees (LSD)	31.005
3	Recovery of map and conversion fees from commercial market	5.640
4	Rent of shops	1.538
5	Water rates charges	10.043

6	Provincial Sales Tax	11.277
7	Transfer fees from tenants	0.980
8	GST not transferred to FBR	3.155
Total		**81.035**

Due to weak internal controls, Local Government revenue were not / less realized which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-502 dated 08.05.2023, followed by subsequent reminders No. 574 dated 05.06.2023 and No. 808 dated 18.07.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery of outstanding revenue besides fixing responsibility against person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.93.4 having financial impact of Rs 11.759 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 1, 2, 3, 4, 5, 6, 9, 10]

2.105.2 Loss due to non-auctioning of shops -Rs 22.094 million

According to Rule 16 (c) of the Punjab Local Government (Property) Rules 2018, “The initial lease period of the shop or commercial property shall not exceed fifteen years.” Furthermore, sub rule (e) of ibid states that “The lease may be extended with mutual consent of the local government and the lessee for any period not exceeding ten-year subject to the revised rent assessed by the District Rent Assessment Committee and there shall be an automatic increase in the rent at the rate of ten percent for each extended year of lease.”

During audit of TC Jampur for the FY 2021-22, it was observed that CO did not re-auction shops after expiry of contract. The agreement period of lease of rent of shops in Dajal city was expired on June, 2018. The shops have to re-auction on 30 June 2018. Due to this, the rent of shops was also not increased/recovered up to market value which cause loss to TC Jampur amounting to Rs 22.094 million.

Due to weak financial controls, shops were not re-auctioned which resulted in less collection of revenue.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends fixing of responsibility against the person(s) at fault for non-auctioning of shops in time.

[AIR 2021-22 Para No.7]

2.106 Tehsil Council Jaranwala

Procedural irregularities

2.106.1 Execution of schemes without fulfilling codal formalities – Rs 31.756 million

According to Rule 4 (3) of the Punjab Local Governments (Works) Rules, 2017, “The work costing rupees 1.5 million or above shall be prepared on the PC-I prescribed by the Government and approved in the manner prescribed for approval of PC-I.” Further, according to Rule 5 (2) of the Rules ibid “For the preparation of rough cost estimates', the engineering staff shall inspect the site and work out the feasibility of the work through images or photographs of the site.” Furthermore, according to Rule 9 of the Rules ibid, “All the contract deeds shall be executed on standard contract form. The contract between the local government and the contractor shall be executed by the Chairman or an officer authorized by him, on the stamp paper of the requisite value.”

During audit of TC Jaranwala for the FY 2021-22, it was observed that CO made payment amounting to Rs 31.756 million to the contractors on account of four works. Estimated cost of works was prepared and technically sanctioned without sites plan, identification of sites of work supported by photographs / images and without approval of PC-I from the competent authority. Further, the contractor failed to complete the work till the date of audit i.e. March, 2023 which was required to be completed up to October, 2021. It is pertinent to mention that most of the payments were made on last working day before dissolution of the Tehsil Council without considering above mentioned formalities by the TC as well as Local Fund Audit authorities.

Due to weak internal controls, schemes were initiated without identification of sites, entering into formal agreements and approval of PC-I which resulted in irregular expenditure.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/420 dated 13.04.2023, followed by subsequent reminders vide No.524 dated 28.04.2023 and No.548 dated 05.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry for fixing responsibility against the person(s) at fault.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide Para No.2.94.5 having financial impact of Rs 3.354 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 10]

2.106.2 Irregular expenditure on procurement – Rs 2.194 million

According to Rule 12 & 59(a) of the Rules ibid, "A procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority and a procuring agency may engage in petty purchases through at least three quotations where the cost of the procurement is more than seventy-five thousand rupees but less than two hundred thousand rupees."

During audit of TC Jaranwala for the FY 2021-22, it was observed that CO incurred expenditure amounting to Rs 2.194 million for lifting & dumping of garbage, procurement of stationery, repair of computers etc. However, expenditure was incurred without execution of framework contract by splitting and keeping the cost of each bill below the financial limit of Rs 200,000 & 75,000 to avoid tendering. Further procurement were made from unregistered persons without mentioning specifications.

Due to weak internal controls, procurements were made without open competition, advertisement on PPRA's website and maintenance of proper record which resulted in irregular expenditure and mis-procurement.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry for fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide Para No.2.94.6 having financial impact of Rs 1.453 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 3]

2.107 Tehsil Council Kabirwala

Others

2.107.1 Non-achievement of targets of revenue – Rs 20.489 million

According to Rule 11 (2) (C) of Punjab Local Governments (Accounts) Rules 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into local fund."

During audit of TC Kabirwala for the FY 2021-22, it was observed that CO less achieved the targets amounting to Rs 20.489 million against fixed revenue targets of Rs 28.040 million on account of rent of shops, license & permit fees, advertisement and publicity charges, map fees, conversion fees. Relevant staff did not make due efforts to recover / realize revenue.

Due to weak internal controls, targets of revenue were not achieved which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 03]

2.107.2 Undue retention of funds in the bank accounts of defunct LGs – Rs 8.812 million

According to Government of the Punjab, LG&CD Department's Notification No. SOR (LG) 1-11/2019 dated 17.10.2021, "Pursuant to short order dated 25.03.2021 of August Supreme Court of Pakistan and detailed judgment announced in the month of July 2021, notification Nos. SOR (LG) 1-11/2019, SOR (LG) 38-34/2018 dated 04.05.2019, SOR (LG) 1-11/2019 and notifications of constitution of local governments (including Tehsil Councils) under Punjab Local Government Act 2019 dated 07.11.2019 are hereby withdrawn, with immediate effect, subject to outcome of Review Petitions Nos. 117 & 118 of 2021 filed by the Government of the Punjab, pending adjudication before the august Court."

During audit of TC Kabirwala for the FY 2021-22, it was observed that the orders of constitution of Tehsil Councils were withdrawn by the competent authority w.e.f. 17.10.2021 but the defunct Tehsil Council did not close its bank accounts and public money amounting to Rs 8.812 million was unduly retained instead of transferring the same into the bank accounts of succeeding LGs. The detail is as under:

(Rupees in million)

Bank A/C No.	Description of A/C	Closing Balance on 28.03.2023
5550200282200053	General Account- Local Fund Tehsil Council Kabirwala	5.789
5550200282200018	Development Account - Local Fund Tehsil Council Kabirwala	1.702
5550200302000042	General Account - Local Fund Town Committee Sarai Sidhu	1.231
5550200302000020	Pension Account - Public Fund Town Committee Sarai Sidhu	0.090
Total		**8.812**

Due to weak internal controls, neither bank accounts of defunct LGs were closed nor the funds available in those accounts were transferred to succeeding LGs resulted in financial indiscipline.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends transfer of the funds to succeeding LGs besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 02]

2.107.3 Non-recovery of arrears of lease – Rs 1.987 million

According to Rule 11 (2) (C) of Punjab Local Governments (Accounts) Rules 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into local fund."

During audit of TC Kabirwala for the FY 2021-22, it was observed that CO did not recover arrears of lease rent of agricultural land amounting to Rs 1.987 million from the tenants. Management and staff of Tehsil Council did not make efforts to recover the arrears of land revenue.

Due to weak internal controls, arrears of revenue were not recovered resulted into loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of amount due besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 08]

2.107.4 Loss due to non-registration of private housing schemes– Rs 1.854 million

According to Rule 4&38 of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "The developer shall submit an application to the TMA, for seeking preliminary planning permission for a scheme before initiating any planning or development activity and shall pay the prescribed fee. Furthermore, Rule 35(1) of said rules "Empowers the TMO to monitor the development work of the schemes and ensure that there is no deviation from the sanctioned scheme plan."

During audit of TC Kabirwala for the FY 2021-22, it was observed that CO did not recover Rs 1.854 million from the owners of 03 private housing schemes / land sub-divisions on account of conversion fees and map / design fees. The detail is as under:

(Rupees in million)

Sr. No.	Name of Housing Scheme	Total Area in Kanal	Scrutiny/ PPP fees @ Rs 1000	Sanction of scheme fees @ Rs 3000 / acre	*Map Fees @ Rs 500/ marla of saleable area	Design and specification for sewerage / water supply @ Rs 500/ kanal	Design and specification for road, bridge fees (Rs.500 /Kanal)	Conversion Fees @ 1 % of current residential prices	Total Fees due (Rs)	Fees deposited (Rs)	Balance (Rs)
1	London Town	42-00	1,000	15,750	420,000	21,000	21,000	0.840	1.319	-	1.319
2	Al-Jannat City (LSD)	42-18	1,000	16,125	429,000	21,500	21,500	0.086	0.575	0.330	0.245
3	Afnan City	50-07	1,000	18,750	528,000	25,500	25,500	0.217	0.816	0.525	0.290

	(LSD)										
Total											**1.854**

Due to weak internal controls, illegal and unauthorized activities were not checked by the staff resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery and action against concerned owners / developer of land sub-division.

[AIR 2021-22 Para No. 10]

2.108 Tehsil Council Karor

Procedural irregularities

2.108.1 Irregular expenditure without administrative approval – Rs 75.706 million

According to Rule 5 of the Punjab Local Government (Works) Rules, 2017, the Development Committee of the local government shall exercise the powers of according administrative approval of the work, if it has been approved by the House and is reflected in the Annual Development Program. The work estimates beyond the above-mentioned limits shall be submitted to the District Development Committee (DDC), Divisional Development Committee or Departmental Development sub-committee or Provincial Development Working Party, as the case may be. Further, according to Paras x & xii of planning guidelines published in the Punjab Gazette dated 30.09.2020, upon approval/clearance of the development schemes by the Local Planning Board, the schemes shall be considered by the competent forum as stipulated in the PLG (Works) Rules, 2017 and Administrative Approval shall be issued by the competent authority.

During audit of TC Karor for the FY 2021-22, it was observed that CO made payment of Rs 75.706 million on account of development schemes. However, administrative approval was accorded by the committee headed by the Administrator of Tehsil Council instead of competent forum i.e. District Development Committee.

Due to weak internal controls, development schemes were executed without obtaining of administrative approval from competent authority which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-502 dated 08.05.2023, followed by subsequent reminders No. 574 dated 05.06.2023 and No. 808 dated 18.07.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.11]

2.108.2 Irregular expenditure due to non-conducting of lab tests – Rs 22.298 million

According to the directions issued by the Secretary C&W Department, Government of the Punjab vide letter No. PA/SECY(C&W) 26.05/2009 dated 25.05.2009, the bitumen to be used should be tested from the Road Research & Material Testing Institute (RR&MTI) to ensure that it meets the AASHTO Standards. The bitumen for use on road was to be arranged by the contractor from the National Refinery Limited Karachi and documentary evidence in support thereof was to be produced.

During audit of TC Karor for the FY 2021-22, it was observed that CO incurred expenditure of Rs 22.298 million on provision of constructions of roads. Payments were made without compaction test reports of earth work, sub-base and base course and quality test report of bitumen in violation of above referred instructions of the Government.

Due to weak internal controls, work was executed without ensuring compaction testing of sub-base, base course and quality test of bitumen material which resulted in execution of substandard works and irregular expenditure.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry besides fixing responsibility against the person(s) at fault besides condonation of irregularity.

[AIR 2021-22 Para No.9, 10]

Others

2.108.3 Non-recovery of Government dues – Rs 2.525 million

According to chapter-IV Rule 4.7(1) of the Punjab Financial Rule, Vol-I, "It is primarily the responsibility of the departmental authority to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to the Government account."

During audit of TC Karor for the FY 2021-22, it was observed that CO failed to recover government dues of Rs 16.464 million as pointed out in the previous year audit paras. Further, various fees / taxes / rents were also not recovered. The detail is as under:

(Rupees in million)

Sr. No.	Detail of recovery	Amount
1	Less deduction of Income Tax & Security Deposit	0.461
2	Excess payment of PST	0.134
3	Less deduction of Income Tax	0.822
4	Non-recovery of conversion fees	1.019
5	Payment excess than claim	0.089
Total		**2.525**

Due to weak internal controls, Government dues were not recovered from the defaulters which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of Government dues besides disciplinary proceedings against the person(s) at fault.

[AIR 2021-22 Para No. 06, 07, 12, 13, 14]

2.109 Tehsil Council Khan Pur

Procedural irregularities

2.109.1 Irregular expenditure by non-observance of PPRA Rules – Rs 2.527 million

According to Rule 8 of the Punjab Procurement Rules 2014, "A procuring agency shall, within one month from the commencement of a financial year, devise annual planning for all proposed procurements with the object of realistically determining the requirements of the procuring agency. Further, according to Rules 9 and 12(1) of the Punjab Procurement Rules 2014 (amended 17.08.2020), procuring agency shall announce proposed procurements for each Financial Year and shall proceed accordingly without any splitting or regrouping of the procurements so planned and annual requirements thus determined would be advertised in advance on the PPRA's website. Procurement opportunities over Rs 200,000 and up to Rs 3,000,000 shall be advertised on the PPRA's website in the manner and format specified by the PPRA from time to time.

During audit of TC Khan Pur for the FY 2021-22, it was observed that Chief Officer incurred expenditure amounting to Rs 2.527 million on purchase of printing and publication, medicines and other store items without observing PPRA Rules. Annual requirement was not consolidated and planned procurement was not advertised in print media and on PPRA website. Further, purchase was made by splitting the indents resulting in irregular expenditure. The detail is as under:

(Rupees in million)

Sr. No.	Particulars	Budget	Expenditure
1	Printing and publication	1.000	0.113
2	Exhibitions, fairs and other national celebrations	2.000	0.925
3	Purchase of drug and medicines	2.000	0.282
4	Cost of other stores	3.000	1.207
Total			**2.527**

Due to weak internal controls, procurements were made without observing PPRA rules which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite request made by Audit vide letter No. RDA / BWP / Reports / 2022-23 / F-39 / CD 467 dated 02.05.2023, followed by subsequent reminders vide No. 518 dated 12.05.2023 and No. 522 dated 16.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure from the Competent Authority besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 3]

2.109.2 Irregular execution of schemes without PC-1 – Rs 1.941 million

According to Rule 4(3) (4) of PLG (Works) Rules 2017 "Work costing rupees 1.5 million or above shall be prepared on the PC-1 prescribed by the government and approved in the manner prescribed for approval of PC-I."

During audit of TC Khan Pur for the FY 2021-22, it was observed that Chief Officer allowed execution of development schemes costing Rs 1.941 million. The Chief Officer did not ensure preparation and approval of PC-I in violation of above mentioned rule which resulted in irregular execution of development works. Administrative approval without preparation of PC-1 for projects costing Rs 1.500 million or above was irregular. The detail is as under:

(Rupees in million)

Sr. No.	Financial Year	Name of Scheme	Name of Contractor	Contract Amount	Expenditure Incurred
1	2021-22	Construction and improvement RCC culverts, drain, sewer line Muharrum Routs TC Khan Pur	M/s Jajjvi & Co.	2.500	1.941

Due to weak internal controls, development schemes were executed without preparation of detailed PC-1 which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 07]

Others

2.109.3 Loss due to non-transfer of land of housing scheme – Rs 95.100 million

According to Chapter VIII Section 42 (f) & (h) of the Punjab Private Housing Schemes and Land Subdivision Rules, "A developer shall provide and submit a transfer deed in accordance with form "B" for free of cost transfer of open space or park (07%), public buildings (02 to 10%), internal roads and a ten marla plot for solid waste management to a Town Municipal Administration, a Tehsil Municipal Administration or a development authority." Further, As per Chapter VIII Section 42 (i) of the Punjab Private housing Schemes and Land Subdivision Rules, "a developer shall submit in the name of a Town Municipal Administration, a Tehsil Municipal Administration or a Development Authority a mortgage deed of twenty percent of the saleable area, in accordance with Form C, as security for completion of development works."

During audit of TC Khan Pur for the FY 2021-22, it was observed that Chief Officer did not transfer admissible land / area valuing Rs 95.100 million in its name from different approved land sub-division in the city area.

Due to weak internal controls, required area of land could not be transferred in the name of TC which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends transfer of land area in the name of TC besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.102.2 having financial impact of Rs170.450 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 12]

2.109.4 Loss due to non-recovery of fees from unapproved housing schemes – Rs 3.733 million

According to Land Use Rules 2009 and Chapter VIII Rule 60 (C) of Commercialization Rules 2008 "The conversion fee for the conversion of peri-urban area or intercity services area to residential use shall be one percent (1%) of the value of the land as per valuation table. Further as per Rule 47 of Punjab Local Government (Budget) Rules 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited to the Local Fund."

During audit of TC Khan Pur for the FY 2021-22, it was observed that Chief Officer did not take any action to approve five residential housing schemes and to recover various fees from the owners of residential schemes amounting to Rs 3.733 million.

Due to weak internal control, neither the residential schemes were approved nor various fees were recovered which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.11]

2.110 Tehsil Council Khanewal

Others

2.110.1 Non-achievement of targets of revenue – Rs 165.439 million

According to Rule 11(2) (C) of the Punjab Local Government (Accounts) Rules, 2017, "Chief Officer shall ensure that all sums due to local government are promptly realized and credited into local fund."

During audit of TC Khanewal for the FY 2021-22, it was observed that CO fixed revenue targets of Rs 196.92 million on account of TTIP, license fees, map fees, conversion fees etc. Relevant staff did not make due efforts for recovery. As a result, revenue targets of 84 % amounting to Rs 165.439 million were not achieved.

Due to weak internal controls, targets of revenue were not achieved which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 14]

2.110.2 Non-recovery of arrears of shops and lease - Rs 4.198 million

According to Rule 47(1) of the Punjab Local Governments (Budget) Rules, 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited immediately into the local fund and entered in the proper receipt head."

During audit of TC Khanewal for the FY 2021-22, it was observed that CO did not recover arrears amounting to Rs 4.198 million from tenants on account of rent of shops and leases. The detail is as under:

(Rupees in million)

Detail Receipt Head	**Budget**	**Actual for the Year (01-07-21 to 17-10-21)**	**Recovery**
Arrears of Shops	4.000	0.502	3.498
Arrears of Leases	0.700	-	0.700
Total			**4.198**

Due to weak internal controls, arrears of rent of shops and leases were not recovered which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery from concerned besides fixing responsibility against the person(s) at fault.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.103.3 having financial impact of Rs 3.632 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 11]

2.110.3 Non-recovery of municipal property dues – Rs 1.657 million

According to Rule 7 of Punjab Local Governments (Budget) Rules 2017, "The Collecting officer is responsible to ensure timely recovery against each demand." Further, according to Rule 47(1) of Punjab Local Governments (Budget) Rules, 2017, "The Collecting Officers shall ensure that all revenue due is claimed, realized and credited immediately into the Local Government Fund and entered in proper receipt head."

During audit of TC Khanewal for the FY 2021-22, it was observed that CO did not recover municipal property dues amounting to Rs 1.657 million on account of rent of municipal property. The detail is as under:

(Rupees in million)

Code No.	Detail of receipt head	Budget	Actual	Less recovery
Rent of Municipal Properties	Rent of municipal Property - Shops	1.700	0.043	1.657

Due to weak financial controls, municipal property dues were not recovered which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 10]

2.111 Tehsil Council Kot Addu

Others

2.111.1 Less realization of revenue – Rs 18.810 million

According to the Rule 13 of the Punjab Local Government (Budget) Rules, 2017, “To ascertain the revenue potential, the Local Government shall conduct a review of tax base.” Further, according to rule 14 of Rules ibid, “After completing the receipts estimates the collecting officer shall sign estimates and forward it to the head of the office.” Furthermore, according to Rules 11(2) and 14(d) of the Punjab Local Government (Accounts) Rules, 2017, “In the discharge of his responsibilities, the Chief Officer shall ensure that any sums due to the local government are promptly realized and credited to the local fund. The collecting officer shall collect receipts of the local government in a transparent manner beyond any doubt of misappropriation, fraud, embezzlement or compromise.”

During audit of TC Kot Adu for the FY 2021-22, it was observed that CO failed to achieve income targets set from 01.07.2021 to 17.10.2021 under various heads of income. No efforts were made by the collecting officers/officials to achieve the set targets due to which income amounting to Rs 18.810 million remained unrealized.

Due to weak internal controls and negligence, income targets were not achieved which resulted in short realization of revenue.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-502 dated 08.05.2023, followed by subsequent reminders No. 574 dated 05.06.2023 and No. 808 dated 18.07.2023. No progress was intimated till the finalization of this Report.

Audit recommends to probe the matter besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.9]

2.111.2 Non-recovery of Government dues – Rs 3.393 million

According to chapter-IV Rule 4.7(1) of the Punjab Financial Rule, Volume-I, “It is primarily the responsibility of the departmental authority to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to the Government account.”

During audit of TC Kot Adu for the FY 2021-22, it was observed that CO failed to recover government dues amounting to Rs 3.393 million as pointed out in the previous year audit paras. Further, various fees/taxes/rents were also not recovered. The detail is as under:

(Rupees in million)

Sr. No.	Detail of recovery	Amount
1	Non-deposit of Income Tax and Punjab Sales Tax / General Sales Tax	3.393
Total		**3.393**

Due to weak internal controls, Government dues were not recovered from the defaulters which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of Government dues besides disciplinary proceedings against the person(s) at fault.

[AIR 2021-22 Para No. 2]

2.112 Tehsil Council Layyah

Procedural irregularities

2.112.1 Irregular expenditure without administrative approval – Rs 11.481 million

According to Rule 5 of the Punjab Local Government (Works) Rules, 2017, the Development Committee of the local government shall exercise the powers of according administrative approval of the work, if it has been approved by the House and is reflected in the Annual Development Program. The work estimates beyond the above-mentioned limits shall be submitted to the District Development Committee (DDC), Divisional Development Committee or Departmental Development sub-committee or Provincial Development Working Party, as the case may be. Further, according to Paras x & xii of planning guidelines published in the Punjab Gazette dated 30.09.2020, upon approval/clearance of the development schemes by the Local Planning Board, the schemes shall be considered by the competent forum as stipulated in the PLG (Works) Rules, 2017 and Administrative Approval shall be issued by the competent authority.

During audit of TC Layyah for the FY 2021-22, it was observed that CO did made payment amounting to Rs 11.481 million on account of development schemes. However, administrative approval was accorded by the committee headed by the Administrator of Tehsil Council instead of competent forum i.e. DDC as so such powers of administration of Tehsil Council were not mentioned in the PLG (Works) Rules, referred above.

Due to weak internal controls, development schemes were executed without obtaining of administrative approval from competent authority which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-502 dated 08.05.2023, followed by subsequent reminders No. 574 dated 05.06.2023 and No. 808 dated 18.07.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.8]

2.112.2 Irregular expenditure on works – Rs 2.616 million

According to item 43 of chapter 10 of MRS, 2nd Bi-Annual-2020 (1st July to 31st December, 2020) District Layyah “Rate was given for providing and laying tuff pavers, having 7,000 PSI crushing strength of approved manufacturer.”

During audit of TC Layyah for the FY 2021-22, it was observed that CO did made payment amounting to Rs 2.616 million to the contractors on account of tuff tile used in two development schemes. Neither gate passes nor other documents were provided to prove that tiles were purchased from approved manufacturers. Furthermore, lab test from approved laboratory for assessing the quality were not made. The detail is as under:

(Rupees in million)

Sr. No.	Scheme	Name of Contractor	Agreement Amount (Rs)	MB No. / Page No.	Quantity	Rate (Rs)	Amount
1	Providing and laying of tuff tile at Ladhana city	Ghulam Abbas Gujjar	2,470,328	22221 / 32 to 36	10,654	110.75	1.180
2	Provision of tuff tile Basti (Dr. Iqbal Dasti)	Khuda Baksh	1,999,960	920 / 03 to 07	12,970	110.75	1.436
Total							**2.616**

Due to weak internal controls, payment was made without proof of purchases from approved manufacturers which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.9]

Others

2.112.3 Irregular award of contracts of collection rights – Rs 11.655 million

According to Condition No. 4 of the Terms & Conditions of Auction of Collection Rights for “Pattans”, successful bidder would be bound to deposit 1/3rd of total amount along with 1st instalment within three days after the bid.

During audit of TC Layyah for the FY 2021-22, it was observed that CO did leased out collection rights of different “Pattans” at an agreement cost of Rs 11.655 million. According to demand notices issued by the Chief Officer Tehsil Council, Layyah, successful bidders were directed to deposit an amount of Rs 4.242 million and execute agreement for issuance of work order. Scrutiny of record depicted that agreements with successful bidders were executed after deposit of only Rs 1.865 million by the contractors in violation of above referred condition.

Resultantly, irregular award of collection rights amounting to Rs 11.655 million was made. The detail is as under:

(Rupees in million)

Sr. No.	Description	Contractor	Lease Amount	Demand Notice Amount for Agreement	Amount Deposited before Agreement
1	Khojay Wala Pattan	M. Saleem	1.750	0.733	-
2	Bakhri Ahmed Khan	Saeed Ahmed	2.560	0.873	-
3	Chandia Wala Pattan	Kashif Mehmood	3.550	1.298	0.800
4	Jhakhar Pattan	Fayyaz Ahmad	0.415	0.148	0.148
5	Khokhar Wala Pattan	Sajjad Hussain	0.580	0.207	0.140
6	Shah Wala Pattan	Ghulam Murtaza	2.800	0.985	0.777
Total			**11.655**	**4.244**	**1.865**

Due to weak internal controls, collection rights were awarded without observing Terms & Conditions of Auction which resulted in irregular award of contracts.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter for fixing responsibility against the person(s) at fault besides regularization of matter from the competent authority.

[AIR 2021-22 Para No.7]

2.112.4 Non-recovery of Government dues – Rs 4.249 million

According to chapter-IV Rule 4.7(1) of the Punjab Financial Rule, Volume-I, "It is primarily the responsibility of the departmental authority to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to the Government account."

During audit of TC Layyah for the FY 2021-22, it was observed that CO did failed to recover government dues amounting to Rs 4.249 million as pointed out in the previous year audit paras. Further, various fees/taxes/rents were also not recovered. The detail is as under:

(Rupees in million)

Sr. No.	Detail of recovery	Amount
1	Non-deposit / recovery of Penal Rent, HRA & HRC	0.140
2	Less / non-recovery of taxes	1.209
3	Non-recovery of conversion and other miscellaneous fees	2.900
Total		**4.249**

Due to weak internal controls, Government dues were not recovered from the defaulters which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of Government dues besides disciplinary proceedings against the person(s) at fault.

[AIR 2021-22 Para No. 2, 6, 12]

2.113 Tehsil Council Liaqat Pur

Procedural irregularities

2.113.1 Irregular clearance of pending liabilities – Rs 114.521 million

According to Rule 17.17(A) of PFR Vol-I, "Every DDO shall maintain a register of pending liabilities in PFR Form No. 27 in which he will enter all those items of expenditure for which,

- Payment is made by or through another officer.
- Budget allotment or sanction of a higher authority is to be obtained.
- Payment would be required partly of wholly during the next Financial Year or years."

During audit of TC Liaqat Pur for the FY 2021-22, it was observed that Chief Officer made payment amounting to Rs 114.521 million on account of pending liabilities of POL, TA/DA and previous year's development schemes without maintenance of pending liabilities register. Approval of competent authority and additional budget was not obtained to clear the pending liabilities.

Due to weak internal controls, pending liabilities were paid without approval of competent authority which resulted in irregular payments.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite request made by Audit vide letter No. RDA / BWP / Reports / 2022-23 / F-39 / CD 467 dated 02.05.2023, followed by subsequent reminders vide No. 518 dated 12.05.2023 and No. 522 dated 16.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 6]

2.113.2 Non-undertaking of Community Initiatives – Rs 22.116 million

According to Section 214 of the PLGA, 2019, "Every local government shall allocate a portion of its funds, being not less than five percent of the total expenditures to be incurred by it in a particular financial year on construction works, to support such activities which are proposed by the residents and implemented by them directly through a Neighborhood Council in case of an urban local government and a Panchayat in case of a Tehsil Council."

During audit of TC Liaqat Pur for the FY 2021-22, it was observed that Chief Officer did not allocate five percent of budgeted expenditure amounting to Rs 22.116 million as community initiatives to support activities in violation of above instructions.

Due to weak internal controls, funds were not allocated for community initiatives which resulted in violation of rules.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 9]

Others

2.113.3 Poor performance in service delivery

According to rule 34 of Punjab Local Governments (Rules of business) Rules, 2017 Municipal Officer Infrastructure is responsible to provide, manage, operate, maintain and improve the municipal services including water supply, sewerage, roads, streets etc.

During audit of TC Liaqat Pur for the FY 2021-22, it was observed that resolution of public complaints received through Pakistan Citizen Portal against service delivery were found poor. Non-satisfaction level of public against submitted complaints was only 55.10%. The detail is as under:

Complaints Resolved	Feedback received	Positive Feedback	Citizen Satisfied in %age	Not Satisfied in %age
26 Fully + 22 Partially	98	44	44.9	55.1

Source: Dashboard of Chief Officer TC Liaqat Pur at Pakistan Citizen Portal

Due to weak internal administrative controls, proper service delivery was not ensured by the management of TC which resulted in non-satisfaction of general public.

The matter was reported to PAO in April 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends resolution of public complaints regarding provision of municipal services, besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 10]

2.114 Tehsil Council Mian Channu

Procedural irregularities

2.114.1 Non-transparent bidding and incorrect compaction test report – Rs 3.844 million

According to Rule 4 of the Punjab Procurement Rules 2014, "A procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical." Further, according to Rule 27 (3) (a) of Punjab Local Governments (Accounts) Rules 2017, "Sanctioning authority shall exercise the same vigilance in the expenditure from the local fund as a person of ordinary prudence may exercise in respect of his own money."

During audit of TC Mian Channu for the FY 2021-22, it was observed that CO made payment amounting to Rs 3.844 million for execution of scheme "Rehabilitation of M/R Chak No.47/15 L." Transparent tendering process was not held as the contractor had arranged CDRs on 21.01.2021 well before the date of bid opening (23.01.2021). Further, compaction test report dated 25.06.2021 was also not correct as sub-grade could not be tested after laying sub base and base course. The detail is as under:

(Rupees in million)

Sr. No.	Description	Amount
1	Irregular expenditure due to non-transparent bidding	3.844
2	Irregular expenditure due to incorrect compaction test report	
Total		**3.844**

Due to weak internal controls, tendering process was not held transparently which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.
[AIR 2021-22 Para No. 07]

Others

2.114.2 Non-achievement of targets of revenue – Rs 23.223 million

According to Rule 11 (2) (C) of Punjab Local Governments (Accounts) Rules 2017, "Chief Officer shall ensure that any sums due to local government are promptly realized and credited into local fund."

During audit of TC Mian Channu for the FY 2021-22, it was observed that CO fixed revenue targets of Rs 26.500 million on account of rent of shops, advertisement and publicity charges, conversion fees etc. The concerned staff did not make due efforts to recover / realize revenue. As a result, revenue targets of 88 % amounting to Rs 23.223 million could not be achieved. Furthermore, revised budget/targets (if any) were not produced to Audit. The detail is as under:

(Rupees in million)

Sr. No.	Detail Receipt Head	Budget	Actual Receipts	Recovery
1	Fees for approval of building/ construction plan	2.500	0.136	2.364
2	Conversion fees for change in building use	4.500	0.089	4.411
3	Advertisement fees on billboards/ hoardings	1.500	0.393	1.107
4	Arrears of shops	13.600	2.547	11.053
5	Rent of municipal property / shops	4.400	0.111	4.289
Total		**26.500**	**3.277**	**23.223**

Due to weak internal controls, targets of revenue were not achieved which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.
[AIR 2021-22 Para No. 02]

2.115 Tehsil Council Multan Saddar

Procedural irregularities

2.115.1 Non-transfer of area of public amenities – Rs 32.835 million

According to Rule 18 of Punjab Private Housing & Land Sub-division Rules 2010, "Land for roads and public places is to be transferred in the name of local government concerned."

During audit of TC Multan Saddar for the FY 2021-22, it was observed that CO did not get transferred land for roads and public places from land sub-divisions amounting to Rs 32.835 million in the name of TC Multan Saddar. The detail is as under:

(Rupees in million)

Name of LSD	Location	Application date	Name of developer	Total area (kanal)	Area for roads and public places 40% (Marla)	Rate per Marla (Rs)	Amount
Baba Fareed LSD	Mauza khairpur, near Qasim Bela	23.06.2021	Javed Akhtar Bhutta	45	360	46,690	16.808
Nawab city	Near saida wali khoi, Nawabpur road Multan	02.07.2021	Muhammad Asgher	44	280	57,241	16.027
Total							**32.835**

Due to weak internal controls, land sub-divisions were constructed without transfer of land in the name of TC Multan which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends transfer of land besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 16]

Others

2.115.2 Non-realization of Government receipts – Rs 15.918 million

According to Rule 4.1 of PFR, Vol-I, "The departmental controlling officers should accordingly see that all sums due to Government are regularly received and checked against demands, and that they are paid into the treasury." Further according to Rule 2.33 of PFR Vol-I, "Every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part."

During audit of TC Multan Saddar for the FY 2021-22, it was observed that CO failed to recover government dues amounting to Rs 15.918 million. The detail is as under:

(Rupees in million)

Sr. No.	Nature of receipts	Amount
1	Non-recovery of drainage / sewer fees	3.117
2	Unauthorized construction of petrol pump without payment of fees	2.335
3	Non-approval and recovery of fees from the land sub-divisions	2.036
4	Unauthorized construction of buildings for industrial use without payment of fees	8.430
Total		**15.918**

Due to weak internal controls, the receipts were not realized / deposited which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of the government dues besides disciplinary proceedings against the person(s) at fault.

[AIR 2021-22 Para No. 05, 11, 12, 13]

2.115.3 Establishment of land sub-divisions – Rs 2.216 million

According to Rule 39 and 44 (a) of Punjab Private Housing Schemes and Land Sub-Division Rules, 2010, "A developer shall deposit fee for conversion of peri-urban area to scheme use at the rate of one percent of the value of the residential land as per valuation table or one percent of the average sale price of preceding twelve months of residential land in the vicinity, if valuation table is not available. A developer shall submit an application for sub-division of a plot or a land to a TMA or a Development Authority along with rupees one thousand as a scrutiny fee."

During audit of TC Multan Saddar for the FY 2021-22, it was observed that CO allowed establishment of land sub-divisions without recovering conversion, design and map fees amounting to Rs 2.216 million from the developers of land sub-divisions. The detail is as under:

(Rupees in million)

Sr. No.	**Name of colony**	**Name of owner**	**Application date**	**Area of land (Kanal)**	**Per marla rate**	**value of land**	**Conv. fees @1 %**	**design fees @Rs 500 per kanal**	**map fees @ Rs 1000 per kanal**	**Recovery**
1	Roshan LSD, Mauza bind sandeela jhok bahloo wala road	Umer Hayyat	03.05.21	27	0.014	7.799	0.156	0.054	0.027	0.236

Total										**2.216**

Due to weak internal controls, LSDs were allowed without approval and recovery of Government dues which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 14]

2.116 Tehsil Council Muzaffargarh

Procedural irregularities

2.116.1 Unauthentic / bogus billing – Rs 3.578 million

According to Rule 2.33 of the PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

During audit of TC Muzaffargarh for the FY 2021-22, it was observed that CO made unauthentic / bogus expenditure Rs 3.578 million on account of exhibition, purchase of furniture and photocopies etc. Stock entry was not made nor maintenance/provided of stock registers. Mostly purchases were made from unregistered firms.5. All quotations were made without detail of items just 2%, 3% less from estimate. Proof of deposit of GST by the company was not available. Mostly bills are dateless and all ills were without bill numbers.

Due to weak financial management, unauthentic / bogus billing was made which resulted unauthentic payments.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-502 dated 08.05.2023, followed by subsequent reminders No. 574 dated 05.06.2023 and No. 808 dated 18.07.2023. No progress was intimated till the finalization of this Report.

Audit recommends investigation regarding unauthentic / bogus billing besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.8]

Others

2.116.2 Non-closure / transfer of funds of defunct tehsil council bank accounts – Rs 104.381 million

According to PFR-Vol-I Rule 2.33, Every Government Servant should realize fully and clearly that he will be hold personally responsible for any loss sustained by Government through fraud or negligence on his part and he will be also hold personally responsible for any loss arriving from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that the contributed to the loss by his own action or negligence.

During audit of TC Muzaffargarh for the FY 2021-22, it was observed that CO neither transferred funds amounting to Rs 104.381 million nor closed all bank accounts of Tehsil Council (Defunct) Muzaffargarh. After closing of TC, CO was required to transfer funds to new accounts of District Council Muzaffargarh but the management neither transferred funds nor closed bank accounts of TC. The detail is as under:

(Rupees in million)

Sr. No.	Name of Bank	Title of Account	Account No.	Closing Balance as on 17.10.21
1	Bank of Punjab	General Account	382100060	96.877
2	Bank of Punjab	Pension Account	382100022	4.135
3	Bank of Punjab	Sinking Fund	382100033	0.002
4	Bank of Punjab	Special Fund	382100044	0.002
5	Bank of Punjab	Development Account	382100055	0.000
6	Bank of Punjab	Security Account	382100077	2.365
7	Bank of Punjab	Special Fund TC Khangarh	507400021	1.000
Total				**104.381**

Due to weak financial control, bank accounts were neither closed nor transfer of funds of TC which resulted chances of misappropriation of funds.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends transferring of fund to new accounts of District Council Muzaffargarh and closure of all bank accounts of TC besides fixing of responsibility against the persons at fault.

[AIR 2021-22 Para No.11]

2.116.3 Non-recovery of Government dues – Rs 8.176 million

According to chapter-IV Rule 4.7(1) of the Punjab Financial Rule, Volume-I, "It is primarily the responsibility of the departmental authority to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to the Government account.”

During audit of TC Muzaffargarh for the FY 2021-22, it was observed that CO failed to recover government dues amounting to Rs 8.176 million as pointed out in the previous year audit paras. Further, various fees/taxes/rents were also not recovered. The detail is as under:

(Rupees in million)

Sr. No.	**Detail of recovery**	**Amount**
1	Unauthorized payment of Conveyance Allowance	0.260
2	Non-deposit of GST, PST and Income Tax	2.659
3	less/non-recovery of arrears of shops and agriculture land	5.257
Total		**8.176**

Due to weak internal controls, Government dues were not recovered from the defaulters which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of Government dues besides disciplinary proceedings against the person(s) at fault.

[AIR 2021-22 Para No. 2, 4, 10]

2.117 Tehsil Council Pakpattan

Procedural irregularities

2.117.1 Irregular expenditure on hiring of machinery and vehicles - Rs 3.575 million

According to Rule 9 of Punjab Procurement Rules 2014, “A procuring agency shall announce in an appropriate manner all proposed procurement for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. Procurement over 200,000 and up to Rs 3.00 million shall be advertised on the PPRA website in format specified by PPRA from time to time. All procurements over three million rupees should be advertised on the PPRA website as well as other print media and at least in two national newspapers.”

During audit of TC Pakpattan for the FY 2021-22, it was observed that CO incurred expenditure of Rs 3.575 million on account of hiring of machinery & vehicles under program for “Khidmat Apki Dehleez Par.” It was observed that machinery & vehicles were hired by splitting. Neither advertisement was made on PPRA website nor in two national newspapers. Purchases were made from the single contractor by calling quotation instead of calling the tender. The detail is as under:

(Rupees in million)

Sr. No	Vr. No. / Date	Description	Amount
1	72 / 29.07. 2021	Purchase of Equipment	0.521
2	72 / 29.07. 2021	Hiring charges for Machinery	2.230
3	72 / 29.07.2021	White wash offices	0.330
		PST 16%	0.494
Total			**3.575**

Due to weak internal controls, expenditure was incurred on hiring of machinery & vehicles which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 01]

2.117.2 Irregular appointment of contingent paid staff - Rs 2.109 million

According to Government of the Punjab, Finance Department, Notification No.RO(Tech)FD-2-2/2001 dated 03.11.2008, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment" and according to Para 3 of Government of the Punjab LG & CD Department letter No.SO-ADMN-II (LG) 3-55/2007 dated 03.03.2016, "It has also come to the notice of the Department that the Local Governments in Punjab are appointing the work charge / daily wages employees without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules. Therefore, it has been decided that in future no work charge / daily wages employee will be appointed without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of TC Pakpattan for the FY 2021-22, it was observed that CO made payment of Rs 2.109 million on account of payment of daily wages / contingent paid staff of sanitation. The entire recruitment was irregular and unauthorized as no advertisement for appointment of daily wages staff was published in the newspapers. The detail is as under:

(Rupees in million)

Vr. No.	**Date**	**No. of Daily Wages Staff**	**Payment**	**Month**	**Amount**
60	23.08.2021	64	Daily Wages staff	July-2021	1.292
96	23.09.2021	36	Daily Wages staff	September-2021	0.817
Total					**2.109**

Due to weak internal controls appointments of contingent paid staff was made without advertisement of appointment procedure which resulted in in violation of instructions / Rules.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends justification and regularization of expenditure from the competent authority besides fixing of responsibility.

[AIR 2021-22 Para No. 06]

Others

2.117.3 Non-recovery of conversion fees - Rs 2.660 million

According to Rule 39 of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, "A developer shall deposit fee for conversion of peri-urban area to scheme use at the rate of one percent of the value of the residential land as per valuation table or one percent of the average sale price of preceding twelve months of residential land in the vicinity, if valuation table is not available."

During audit of TC Pakpattan for the FY 2021-22, it was observed that CO did not recover amounting to Rs 2.660 million from the owner of housing scheme on account of conversion fees. It was observed that developer established housing scheme and openly sold their plot without approval from the Tehsil Council and payment of the conversion and other fees. Tehsil Officer did not take any action against the violators/developers. The detail is as under:

(Rupees in million)

Sr. #	Name of Housing Schemes	Address	Area	Valuation Table 2022-23 Rate Per Marla	Fees		
					Conversion	LSD	Total
1.	Pak City Housing Scheme	Chungi Baba Sheikh Jamal	120-K,18-M	0.100 /- Per Marla	2.418	0.242	2.660
Total							**2.660**

Due to weak internal controls, neither any action was taken against the land sub-division nor was prescribed fees and land recovered from the owners / developer which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery besides fixing of responsibility.

[AIR 2021-22 Para No. 05]

2.117.4 Non-recovery of government dues – Rs 2.509 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available, ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of TC Pakpattan for the FY 2021-22, it was observed that CO did not recover conversion & map fees amounting to Rs 2.509 million from owners of land sub-divisions and commercial market. Audit also conducted physical inspection of buildings in the area in the presence of field staff and noticed commercial market (shops) on the roads without approval of maps and payment of conversion fees. The detail is as under:

(Rupees in million)

Sr. No.	Nature of receipts	Amount
1	Construction of commercial buildings without payment of fees	1.023
2	Non-recovery of Government dues from commercial market	1.486
Total		**2.509**

Due to weak internal controls, the government dues were not recovered which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of the government dues besides disciplinary proceedings against the person(s) at fault.

[AIR 2021-22 Para No. 07, 09]

2.118 Tehsil Council Pir Mahal

Others

2.118.1 Non / less realization of revenue - Rs 16.076 million

According to Rule 50(1)(a) of the Punjab Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020, "The conversion fee for the conversion of residential, industrial or site development zone (agriculture area) abutting List "A" roads to commercial use shall be ten percent of the commercial value of the land or plot or property as per valuation table and in case the valuation table is not available ten percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of TC Pir Mahal for the FY 2021-22, it was observed that owners of nine properties located at different places within territorial jurisdiction of TC Pir Mahal submitted building plans for commercial buildings and poultry sheds for the Financial Years 2020-21 and 2021-22. However, conversion fees, approval of map fees, scrutiny fees etc. amounting to Rs 8.390 million was not recovered. Further, conversion fees was less recovered amounting to Rs 7.686 million from owners of seven properties (petrol pumps and commercial buildings) by applying residential rates instead of commercial rates. Resultantly, TC sustained loss of Rs 16.076 million. The detail is as under:

(Rupees in million)

Sr. No.	Nature of Property	Description	Amount
1	07 commercial buildings	Conversion fees, map fees, scrutiny fees not recovered	3.660
2	02 poultry sheds	Conversion fees, map fees, scrutiny fees not recovered	4.730
3	02 petrol pumps	Conversion fees, map fees scrutiny fees recovered at lesser rate	0.903
4	05 commercial buildings	Conversion fees, map fees scrutiny fees recovered at lesser rate	6.783
Total			**16.076**

Due to weak financial and internal controls, either conversion fees, map fees, scrutiny fees was not recovered or recovered at lesser rates which resulted in loss.

The matter was reported to PAO in March, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/ 523 dated 28.04.2023, followed by subsequent reminder vide No.549 dated 05.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry for fixing responsibility against person(s) at fault besides recovery of conversion fees from the concerned.

Note: The issue was reported in the Audit Report for Audit Year 2022-23 vide Para No.2.116.9 having financial impact of Rs 8.729 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 4, 5, 2, 7]

2.119 Tehsil Council Rahim Yar Khan

Others

2.119.1 Non-obtaining of additional performance securities – Rs 3.855 million

According to Rule 9 (9)(d) of Punjab Local Government Works Rules 2017, the work order shall be issued by the engineer In-charge to a person offering the lowest bid after approval of the Chairman or Mayor or the engineer In-charge authorized by him subject to the condition that in case the rates of the lowest bid are equal to or less than 5% of the estimated cost, the lowest bidder shall be bound to deposit additional performance security from a scheduled bank from 5% to 10% (including CDR deposited at the time of tendering) within 15 days of issuance of notice. Further according to terms of advertisement, the successful bidder whose bid is less or more than 5% below of the estimate cost of the work will have to deposit additional performance security as per rules. Failure to do so shall result in the forfeiture of earnest money.

During audit of TC Rahim Yar Khan for the FY 2021-22, it was observed that Chief Officer executed 17 development schemes but neither obtained Additional Performance Securities @ 10% amounting to Rs 3.855 million from the successful bidders nor forfeited their earnest money amounting to Rs 1.927 million. Undue financial benefit was likely awarded to the contractors in violation of above terms of advertisement and rules and no evidence to this effect was on record for audit scrutiny.

Due to weak internal controls, additional Performance Security was not obtained from the contractors quoted below rates than TS value which put the completion of schemes at risk.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite request made by Audit vide letter No. RDA / BWP / Reports / 2022-23 / F-39 / CD 467 dated 02.05.2023, followed by subsequent reminders vide No. 518 dated 12.05.2023 and No. 522 dated 16.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.7]

2.119.2 Loss due to non-transfer / mortgage of property

According to Rule 17 (e) & (f), Section 42 (h), Chapter III Section 17 (e) & (f) and Chapter VIII Section 42 (h) of the Punjab Private Housing Schemes and Land Sub-division Rules 2010, “The developers are required to transfer the area reserved for roads, open space, park and solid waste management as well as one percent of the area under land sub-division for public buildings, excluding the area of mosque in favour of relevant development authority / body and should submit mortgage deed of 20% of the saleable area, in accordance with Form-C, as security for completion of development works.”

During audit of TC Rahim Yar Khan for the FY 2021-22, it was observed that Chief Officer failed to transfer mortgaged 21 Kanal of land from Palace Land Sub-division to the name of TC Rahim Yar Khan. The detail is as under:

Sr. No.	**Number of Scheme**	**Description**	**Land area(In Kanal)**	**Amount as per valuation table**
1	Palace Villas LSD	Property not transferred in the name of TC	16.15	Schedule rate not available
2		Property not mortgaged in the name of TC	4.85	
		Total	**21**	

Due to weak internal controls, required area of land could not be transferred / mortgaged in the name of TC which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends transfer / mortgage of property in the name of TC besides fixing responsibility against the person(s) at fault.

<u>Note:</u> This issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.117.1 having financial impact of Rs 2,420.198 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 14]

2.119.3 Poor performance in service delivery

According to Rule 34 of Punjab Local Governments (Rules of Business) Rules, 2017, “Municipal Officer Infrastructure is responsible to provide, manage, operate, maintain and improve the municipal services including water supply, sewerage, roads, streets etc.”

During audit of TC Rahim Yar Khan for the FY 2021-22, it was observed that resolution of public complaints received through Pakistan Citizen Portal regarding service delivery was found poor. As per record 35 complaints were fully resolved and 25 complaints were partially resolved. 197 complainants had sent feedback out of which positive feedback was reported by only 56 complainants which depicted that non-satisfaction level of general public against submitted complaints was only 71.57%. The detail is as under:

Complaints Resolved	Feedback received	Positive Feedback	Citizen Satisfied in %age	Not Satisfied in %age
35 Fully + 25 Partially	197	56	28.43	71.57

Due to weak internal and administrative controls, proper service delivery was not ensured by the management of TC which resulted in low satisfaction level of the general public.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends resolution of public complaints regarding provision of municipal services, besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 5]

2.120 Tehsil Council Rajanpur

Procedural irregularities

2.120.1 Unauthorized deviation in scope of work – Rs 4.028 million

According to Rule 5(17) of the Punjab Local Governments (Works) Rules 2017, "in case, the site of the work or nomenclature is changed, fresh administrative approval shall be obtained from the respective Development Committee." Moreover, according to Para 1.59 of the West Pakistan Buildings and Roads Department Code, "Divisional Officers are strictly prohibited from commencing the construction of any work or expending public funds without the sanction of the competent authority and also from making or permitting any material deviations from any sanctioned design in the course of execution without specific authority."

During audit of TC Rajanpur for the FY 2021-22, it was observed that CO executed development scheme with TS amounting to Rs 4.028 million during Financial Year 2020-21. The items executed were different from the advertised scheme and during execution some items were reduced and only tuff tile / brick pavement was executed on site. The scope of the scheme was changed without obtaining revised administrative approval and processing the scheme as a new scheme after change of scope. The detail as below:

(Rupees in million)

Sr. No.	ADP No.	Nomenclature of Scheme	Contractor Name	MB No. / Page No.	TS Amount
1	20	Construction of Drain, Soling Tuff Tile, Culverts, RCC Pipe Culverts, Sewerage, Small Bridges, Sullage Carrier in U/C Murghai	M/S Sajjad Engineer	968	4.028
Total					**4.028**

Due to weak internal controls, work was executed by deviating original scope of work without approval of the competent authority which resulted in unjustified expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No. RDA / DGK/CD-502 dated 08.05.2023, followed by subsequent reminders No. 574 dated 05.06.2023 and No. 808 dated 18.07.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.
[AIR 2021-22 Para No.7]

Others

2.120.2 Non-recovery of Government revenue - Rs 18.246 million

According to Rule 47 of the Punjab Local Government (Budget) Rules 2017, "The collecting officer shall ensure that all the revenue due is claimed, realized and credited to the Local Fund."

During audit of TC Rajanpur for the FY 2021-22, it was observed that CO failed to recover / less recovered revenue / taxes / fees amounting to Rs 18.246 million under various heads of accounts as per detail given below:

(Rupees in million)

Sr. No.	Description of Recovery	Amount
1	Map fees and conversion fees	8.595
2	Non-recovery of rent of shop	0.033
3	Map and conversion fees	9.618
Total		**18.246**

Due to weak internal controls, Local Government revenue were not / less realized which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of outstanding revenue besides fixing responsibility against person(s) at fault.

[AIR 2021-22 Para No.2, 3, 6]

2.121 Tehsil Council Sahiwal

Procedural irregularities

2.121.1 Irregular expenditure by splitting – Rs 19.949 million

According to Rule 12 of PPRA Rules 2014, "A procuring agency shall advertise procurement of more than one hundred thousand rupees and up to the limit of two million rupees on the website of the Authority in the manner and format specified by regulations. The procurement exceeding two million rupees shall be advertised on the website of the Authority, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu."

During audit of TC Sahiwal for the FY 2021-22, it was observed that CO incurred expenditure amounting to Rs 19.949 million on account of rent of machinery for cleanliness of garbage at different areas, celebrating of National Independence Day, Defense Day 06-09-2021 and celebrating religious days Muharrum ul Haram etc. Audit observed that the expenditure was incurred by splitting the same nature objects intentionally to avoid the tendering process. The expenditure was incurred by keeping the expenditure below Rs 200,000. Further, the expenditure was incurred without making annual procurement planning and by splitting up the indents without advertisement on PPRA. In addition to splitting following discrepancies were also observed:

1) Sealed quotations were not obtained;
2) Most of quotations were date less;
3) Dateless invoices were provided by the service providers.

Due to weak internal controls, expenditure was incurred by splitting the object to avoid tendering which resulted in uneconomical and irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends action against concerned besides regularization of expenditure from competent authority.

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.121.2 having financial impact of Rs 63.899 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 04, 07]

2.121.2 Irregular expenditure on bitumen – Rs 18.350 million

According to Chief Engineer Punjab District Support and Monitoring Department, Lahore vide his office letter No. 3357-93/W (I), Dated 26-08-2015 addressed all the EDOs (W&S) in Punjab stating that, "The chief Minister has direct all contractors to use bitumen of approved refineries already notified by the Finance Department and payment against the bitumen related items shall not be entertained without invoices and gate passes of the approved / notified Refineries." Further, according to Government of the Punjab, Communication & Works (C&W) Department, letter No.PA/SECY(C&W) 26.05/2009 dated 25.05.2009, "The bitumen to be used should be tested from the Road Research & Material Testing Institute (RR&MTI) to ensure that it meets the American Association of State Highway and Transportation Officials (AASHTO) Standards. Further, according to Government of the Punjab, C&W Department Notification No. SOH-I(C&W)1-49/2012(G) dated 13.06.2014, approval was accorded for use of "Parco Biturox" produced by Pak Arab Refinery Limited (PARCO), Mehmood Kot District Muzaffargarh, in projects to be executed by C&W Department, having grade 60/70 & grade 80/100 in addition to bitumen of National Refinery Karachi."

During audit of TC Sahiwal for the FY 2021-22, it was observed that CO made payment of Rs 18.350 million to different contractors for execution of bituminous items in works for improvement of roads in different areas which were in process. These works were executed and payments were made without getting the quality of bitumen tested from the RR&MTI. Documentary evidence i.e. invoices and gate passes for procurement and consumption of bitumen from approved refinery was also not available in record.

Due to weak monitoring mechanism, quality of bituminous items was not got tested from RR&MTI and utilization of approved quality bitumen was also not ensured which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends inquiry and fixing responsibility against the person(s) at fault besides regularization of expenditure from the competent authority.

[AIR 2021-22 Para No. 16]

2.121.3 Irregular expenditure on contingent paid staff – Rs 6.886 million

According to Government of the Punjab, Finance Department, Notification No.RO (Tech) FD-2-2/2001 dated 03.11.2008, "Appointment of work charge / daily wages employee shall be made with procedure that the post(s) shall be advertised properly in the leading newspapers and recruitment to all posts shall be made on the basis of merit specified for regular establishment." Furthermore, according to Para 3 of Government of the Punjab LG & CD Department letter No.SO-ADMNII (LG) 3-55/2007 dated 03.03.2016, "It has also come to the notice of the Department that the Local Governments in Punjab are appointing the work charge / daily wages employees without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules. Therefore, it has been decided that in future no work charge / daily wages employee will be appointed without adhering to the formalities pertaining to appointment and eligibility criteria provided in the relevant service rules."

During audit of TC Sahiwal for the FY 2021-22, it was observed that CO made payments of Rs 6.886 million on account of wages of daily wages / contingent paid staff of sanitation. The entire recruitment was irregular and unauthorized as procedure was not adopted for hiring of daily wages staff as required in letter No. RO (Tech) FD 2-2/2018 dated 20.09.2019 after fulfilling all codal formalities i.e. advertisement in newspaper and interview etc. The detail is as under:

(Rupees in million)

Sr. No.	Voucher No.	Voucher Date	Head of Account	Period of Wages	No. of Daily Wagers	Daily Wage Rate (Rs.)	Payment
1	74	14.07.2021	A01277	June-2021	92	673	1.568
2	213	28.07.2021	A01277	June-2021	2	673	0.035
3	25	16.08.2021	A01277	July-2021	95	673	1.558
4	103	06.09.2021	A01277	31.07.2021 to 05.08.2021	88	673	0.296
5	129	14.09.2021	A01277	08.08.2021 to 06.09.2021	91	769	1.553
6	27	01.10.2021	A01277	31.07.2021 to 05.08.2021	1	673	0.004
7	28	01.10.2021	A01277	31.07.2021 to 05.08.2021	1	673	0.015
8	106	14.10.2021	A01277	07.09.2021 to 06.10.2021	96	769	1.857
Total							**6.886**

Due to weak internal control and willful negligence of the management, contingent paid staff was hired without observing codal formalities which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends regularization of expenditure from the competent authority besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 05]

Others

2.121.4 Establishment and non-receipt of fees – Rs 5.657 million

According to Rule 50 (1)(C) of Chapter-XI of Punjab Local Government Land Use Plan (Classification, Reclassification and Redevelopment) Rules, 2020" A Local Government shall levy the conversion fee for the conversion site development zone (agriculture area) to residential use shall be two percent of the agricultural value of the land or plot or property as per valuation table and in case the valuation table is not available two percent of the average sale price of preceding twelve months of land in the vicinity as determined by the district price assessment committee."

During audit of TC Sahiwal for the FY 2021-22, it was observed that CO did not take notice of establishment of land sub-divisions and did not recover amounting to Rs 5.657 million from the developers of private housing societies / land sub-divisions on account of map, conversion and scrutiny fees. The detail is as under:

(Rupees in million)

Name of LSD	Name of owner	Area	DC rate per Acre	Rate per Marla	Total value of land	Conversion fees @2%	LSD fees Rs4000 per kanal	Design fees Rs 2000 per kanal	NOC fees	Total
Paam Villas 88/6-R	Shahid Hussain, Zahid Hussain Hussain etc.	98K 15M	11.385	71,155	140.531	2.811	0.395	0.197	0.025	3.428
Al-Wali Archard, Chak No. 90/6-R	Mirza Jafer Hussain	56-k	4.621	28,879	32.344	0.647	0.224	0.112	0.025	1.008
Indus City	Burhan Munir	44-K 6-M	8.404	52,525	46.537	0.931	0.177	0.089	0.025	1.221
Total										**5.657**

Due to weak internal controls, action was not taken by the department to recover government fees which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery and action against concerned owners / developer of land sub-division.

[AIR 2021-22 Para No. 27]

2.121.5 Unauthorized deduction of withholding tax on bank profit - Rs 1.720 million

According to Section 49(2) & (3) of the Income Tax Ordinance, 2001, "The income of a Provincial Government or a Local Government in Pakistan shall be exempt from tax under this Ordinance, other than income chargeable under the head "Income from Business" derived by a Provincial Government or Local Government from a business carried on outside its jurisdictional area and any payment received by the Federal Government, a Provincial Government or a Local Government shall not be liable to any collection or deduction of advance tax."

During audit of TC Sahiwal for the FY 2021-22, it was observed that CO allowed the deduction of withholding income tax on profit amounting to Rs 1.720 million from bank accounts of Tehsil Council Sahiwal. Management of the Tehsil Council did not take any action to recover the amount. The detail is as under:

(Rupees in million)

Sr. No.	Particulars	Profit Earned	Withholding Income Tax on Profit
1	Bank Account Number 5310010268200019 General Account District Council Sahiwal	8.052	1.208
2	Bank Account Number 5310010283600018 Security Account District Council Sahiwal	0.52	0.007
3	Bank Account Number 5310010268200096 DC & DDLG Account District Council Sahiwal	0.042	0.006
4	Bank Account Number 5310030306000012 General Account District Council Sahiwal	3.326	0.499
Total		**11.94**	**1.720**

Due to weak internal controls, unauthorized deduction of withholding tax on profit was made by the bank which resulted in loss.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends recovery of unauthorized deducted amount besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 08]

2.122 Tehsil Council Vehari

Procedural irregularities

2.122.1 Irregular expenditure without approval of Chairman / Administrator - Rs 20.154 million

According to Rule 18 (6) of PLG (Works) Rules 2017, "The Head of Finance Branch of the local government, on his satisfaction, shall submit, through Chief Officer, the bills for sanction by the Mayor / Chairman."

During audit of TC Vehari for the FY 2021-22, it was observed that CO made payment of Rs 20.154 million on account of development schemes to contractors without sanction of Chairman / Administrator. Bills were not signed by the Administrator and payment was made without sanction of competent authority.

Due to weak internal controls, payments were made to contractors without sanction of Chairman /Administrator which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite repeated requests made by Audit vide letter No. RDDA-MLN/C&R-170/2022-23/CD–1000 dated 13.04.2023, followed by subsequent reminders vide No. 1051 dated 27.04.2023 and No. 1132 dated 22.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization of expenditure besides fixing of responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 13]

2.122.2 Irregular execution of schemes without PC-1 – Rs 9.372 million

According to Rule 4(3) (4) of PLG (Works) Rules 2017 "Work costing rupees 1.5 million or above shall be prepared on the PC-1 prescribed by the government and approved in the manner prescribed for approval of PC-I." Furthermore, according to Rule No.4(5) (2) PLG (Works) Rules 2017 "The engineering staff shall inspect the site and work out the feasibility of the wok through images or photographs of the site, rough cost estimates, detailed estimates and PC-I shall be approved by the authority competent to do so."

During audit of TC Vehari for the FY 2021-22, it was observed that CO executed different development schemes and made payments amounting to Rs 9.372 million. Audit observed that the schemes were executed without preparation of PC-1 in violation of above rules. Further, Audit observed that estimates were prepared without physical inspection of sites as photographs of site before execution of works were not available.

Due to weak internal controls, development schemes were executed without preparation of detailed PC-1 and ensuring site inspections which resulted in irregular expenditure.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No. 12]

2.123 Tehsil Council Yazman

Procedural irregularities

2.123.1 Non-obtaining of additional performance Securities – Rs 4.194 million

According to Rule 9 (9)(d) of Punjab Local Government Works Rules 2017, the work order shall be issued by the engineer In-charge to a person offering the lowest bid after approval of the Chairman or Mayor or the engineer In-charge authorized by him subject to the condition that in case the rates of the lowest bid are equal to or less than 5% of the estimated cost, the lowest bidder shall be bound to deposit additional performance security from a scheduled bank from 5% to 10% (including CDR deposited at the time of tendering) within 15 days of issuance of notice. Further according to terms of advertisement, the successful bidder whose bid is less or more than 5% below of the estimate cost of the work will have to deposit additional performance security as per rules. Failure to do so shall result in the forfeiture of earnest money.

During audit of TC Yazman for the FY 2021-22, it was observed that Chief Officer awarded fifteen contracts for construction of soling and construction & repairing of metaled roads costing Rs 41.938 million to the contractors. The works were awarded below the estimated cost ranging from 20% to 36.5% without obtaining additional performance security amounting to Rs 4.194 million.

Due to weak internal controls, additional performance security was not obtained from contractors who were awarded contracts below the estimated cost which resulted in irregular award of works.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite request made by Audit vide letter No. RDA / BWP / Reports / 2022-23 / F-39 / CD 467 dated 02.05.2023, followed by subsequent reminders vide No. 518 dated 12.05.2023 and No. 522 dated 16.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends regularization besides fixing responsibility against the person(s) at fault.

[AIR 2021-22 Para No.10]

Others

2.123.2 Non-achievement of targets of revenue – Rs 51.368 million

According to Rule 47 (1) of the Punjab Local Government (Budget) Rules, 2017, "Collecting officer shall ensure that all revenue due is claimed, realized and credited immediately into Local Government Fund and entered in the proper receipt head."

During audit of TC Yazman for the FY 2021-22, it was observed that Chief Officer did not achieve the targets of various heads of receipts amounting to Rs 51.368 million.

Due to weak financial management and poor performance of staff budgeted targets were not achieved which resulted in loss.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends to probe the matter besides fixing responsibility against the person(s) at fault.

Note: This issue was also reported earlier in the Audit Report for the Audit Year 2022-23 vide para number 2.129.3 having financial impact of Rs33.841 million. Recurrence of same irregularity is a matter of serious concern.

[AIR 2021-22 Para No. 4]

2.123.3 Non-undertaking of Community Initiatives – Rs 13.571 million

According to Section 214 of the PLGA, 2019, "Every local government shall allocate a portion of its funds, being not less than five percent of the total expenditures to be incurred by it in a particular financial year on construction works, to support such activities which are proposed by the residents and implemented by them directly through a Neighborhood Council in case of an urban local government and a Panchayat in case of a Tehsil Council."

During audit of TC Yazman for the FY 2021-22, it was observed that Chief Officer did not allocate five percent i.e. Rs 13.571 million of budgeted expenditure amounting to Rs 271.414 million as community initiatives to support activities proposed by the residents and implemented through Panchayat.

Due to weak budgetary controls, funds were not allocated for community initiatives which resulted in violation of rules.

The matter was reported to PAO in April, 2023. DAC meeting was not convened till finalization of this Report despite repeated requests.

Audit recommends regularization of expenditure besides fixing responsibility against the person(s) at fault.
[AIR 2021-22 Para No. 5]

2.124 Town Committee Makkuana

Procedural irregularities

2.124.1 Irregular cash payments to daily wage employees – Rs 1.888 million

According to Rule 4(a) (b) of the Punjab Local Governments (Accounts) Rules, 2017, "The mode of payments from the local fund shall be that the payments up to rupees ten thousand may be made by cash and the payments exceeding rupees ten thousand shall be made through crossed non-negotiable cheque." Further, according to Rule 37(7) of the Rules ibid, "All the employees of the local government shall be paid by direct credit to the bank accounts through a direct credit advice in Form AR-ll but, in case of exigency, the payment may be made by cheque."

During audit of Town Committee Makkuana for the FY 2021-22, it was observed that CO incurred expenditure amounting to Rs 1.888 million for payment to daily wage employees for the Financial Years 2019-20 to 2021-22. Contrary to the above, all payments were made in cash instead of direct credit to the bank accounts through a direct credit advice and cheques were issued in the name of sub engineer. Further, record of disbursements was also not available in the relevant vouchers.

Due to weak financial and internal controls, payments were made in cash instead of direct credit to the bank accounts which resulted in violation of rules.

The matter was reported to PAO in April, 2023 but management did not reply.

DAC meeting was not convened despite requests made by Audit vide letter No.Dir/Aud/Local.Govts/Fsd/420 dated 13.04.2023, followed by subsequent reminders vide No.524 dated 28.04.2023 and No.548 dated 05.05.2023. No progress was intimated till the finalization of this Report.

Audit recommends inquiry for fixing responsibility against the person(s) at fault as well as provision of disbursements record besides regularization of expenditure from the competent authority.

[AIR 2019-22 Para No. 1]

CHAPTER 3

Thematic Audit

3.1 Service Delivery and Performance – Water Supply by Metropolitan Corporations Bahawalpur and Dera Ghazi Khan

3.1.1 Introduction

Pakistan adopted the Sustainable Development Goals (SDGs) as part of its national development agenda in 2016. To meet the international commitments under SDGs Local Government & Community Development Department, Government of the Punjab, established Metropolitan Corporations, Municipal Corporations, Municipal Committees and Town Committees under PLGA, 2022 to improve quality of municipal services.

These local government institutions are responsible for basic services' delivery, provision of water, sanitation, solid waste collection, cleanliness, commercial and town planning etc. in their respective areas of jurisdiction. Further, they are duty bound to maintain minimum standards for quality services.

3.1.2 Background

The Government of Pakistan being signatory to international declarations and conventions is obligated to fulfill international commitments. There has been a major emphasis on addressing the vital issues relating to water supply through pipe supply and filtration plants. The Millennium Development Goals (MDGs) and Sustainable Development Goals (SDGs) are aimed at better provision of water supply. The international covenants like SDGs, agreed by the United Nation Member States in 2015, emphasize on the quality aspect of municipality services and also bind the signatory countries to ensure inclusive, equitable and quality municipality services for all by year 2030.

Pakistan has designed a comprehensive National SDG Framework which was approved by the National Economic Council (NEC), the country's highest economic policy-making forum, in March 2018. This Framework sets baselines and targets for SDG indicators. The SDG 6 sub clauses (1 and 9) composed of numerous outcome targets consisting of water supply through pipe supply and filtration plants for all citizens. The Government intends to provide water supply in well-resourced environment.

3.1.3 Establishing the Audit Theme

The main audit theme and sub-themes were established on the basis of outcomes of sectoral analysis of MCs carried out and recurring observations highlighted during the previous audit years. The objective of Thematic Audit was to assess the achievements of the MCs against the desired outcomes of following main theme and its sub-themes.

Main Theme

Service Delivery and Performance – Water Supply by Metropolitan Corporations Bahawalpur and Dera Ghazi Khan for Financial Year 2022-23.

Sub-Themes

i. Piped supply

ii. Filtration plants

3.1.3.1 Reasons of Selection

The Audit Theme "Service Delivery and Performance – Water Supply by Metropolitan Corporations Bahawalpur and Dera Ghazi Khan" was taken up considering that it encompassed the broad spectrum of terms of reference of Metropolitan Corporations established by the Government of the Punjab. It was also relevant to the SDG 6 sub clauses (1&9) regarding provision of drinking water supply through pipelines and filtration plants which were included as the sub themes along with provision of water supply. It is helpful in assessing the overall performance of the MCs concerned as well as help the Government of Pakistan and Government of the Punjab to measure their achievements with regard to SDG-6 (1&9).

3.1.3.2 Purpose / Objectives

The Government of Punjab had planned to improve following indicators for better service delivery of municipal services up to year 2030:

i. Provision of water supply
   - Piped supply
   - Filtration plants

Thematic Audit of Metropolitan Corporations was carried out with the objectives to:

i. Analyze the provision of water supply to households by Metropolitan Corporation;
ii. Evaluate clean drinking water supply through pipelines and filtration plants is provided as per standards;
iii. Evaluate the results of the services' delivery and
iv. Assess achievement of Key Performance Indicators.

3.1.3.3 Scope

Scope of the Thematic Audit was limited to Metropolitan Corporations Bahawalpur and Dera Ghazi Khan. The Performance of the Metropolitan Corporations were assessed through comparative analysis and critical reviews. The analytical / critical reviews were performed in the light of Audit sub-themes on collected data regarding funds allocation (development and non-development) and financial management of funds with a view to evaluate trickledown effect of funds to the beneficiaries.

3.2 Legal frame work governing the Theme

Punjab Local Government Act, 2022 was launched to provide maximum service delivery.

3.3 Stakeholders and governmental organizations identified as directly / indirectly involved

Punjab Local Government & Community Development Department as well as MCs are the key stakeholders involved in execution and operation / maintenance of the said public service delivery.

3.4 Role of important organizations

Metropolitan Corporations are responsible to provide provision of clean drinking water and sanitation in its city areas whereas Waste Management Companies of Bahawalpur and DG Khan are responsible for collection of solid waste and its disposal. They are also responsible to maintain necessary / relevant data and requisite reporting of the public service delivery. LG&CD Department is responsible for monitoring besides evaluation of the services rendered.

3.5 Organization's Financials

The detail of budget and expenditure for Financial Year 2022-23 is given below:

Table-1 Summary of budget and expenditure of MCs

MCs	FYs	Budget				Actual			
		Salary	Non-Salary	Development	Total	Salary	Non-Salary	Development	Total
MC Bahawalpur	2022-23	451.265	879.566	137.250	1,468.081	299.959	677.650	28.675	1,006.284
MC Dera Ghazi Khan	2022-23	302.850	524.115	68.348	895.312	261.783	390.637	3.875	656.295

3.6 Field Audit Activity

3.6.1. Methodology

Audit was carried out against predefined objectives of the various functions of the Metropolitan Corporations, financial governance provided in relevant rules, strategies and policies of the Government which were formulated to govern the MCs. Audit activity comprised of data collection regarding sub-themes, study of relevant reports / literature and field surveys. Critical analysis regarding optimal utilization of human and financial resources of the MCs was done in accordance with service delivery activities carried out. On spot examination / verification of record and activities were also carried out in accordance with the applicable laws / rules and according to the INTOSAI auditing standards.

3.6.2 Audit Analysis

3.6.2.1 Audit Analysis of Metropolitan Corporation, Bahawalpur

3.6.2.1.1 Review of Internal Controls

Effectiveness of internal controls was assessed on test check basis and a sample was selected for the purpose. Following issues of potential significance were observed regarding weaknesses of internal controls:

i. No service standards, infrastructure standards, healthy and clean water, hygiene standards and minimum service delivery standards for provision of quality municipal services were set.

ii. Targets for receipt collection from municipal services were not achieved.

iii. Record of feedback from general public was not available.

iv. No mechanism was devised to maintain the record of KPIs, its evaluation and remedial measures.

3.6.2.1.2 Critical Review

1. Provision/improvement of municipal services and infrastructure

i. Provision of clean drinking water through water supply schemes

Out of 21 UCs under jurisdiction of MC Bahawalpur, piped water supply was provided only in 7 UCs. Moreover, piped supply had a downward trend as total number of water connections were reduced from 5,575 to 2,495 during 2022-23 in comparison to 2021-22. It was pertinent to mention here that 2,049 (37%) connections were dead and 1,031 (18%) connections had been discontinued on personal request of users etc. The detail is as under:

Sr. No.	Name of Water Supply Scheme	UC No.	Total Households and Water Connections during 2021-22		Total Households and Water Connections during 2022-23			
			Households	water Connections	Households	Water Connections Functional	Dead Connection	Disconnected connections
1	Bahawal Colony	4	2,489	237	2,496	125	-	240
2	Tibba Badar Sher	7	3,926	1,560	3,956	702	800	-
3	Chak No. 09/BC	8	3,762	2,037	3,783	839	1,149	-
4	Maqbool Colony	8	1,780	550	1,821	252	-	166

5	Satellite Town	9	4,711	115	4,733	52	100	-
6	Islam Pura	14	1,896	211	1,916	102	-	120
7	Model Town "C"	16	3,614	393	3,631	241	-	235
8	Rehmat colony	18	3,027	472	3,040	182	-	270
Total			**25,205**	**5,575**	**25,376**	**2,495**	**2,049**	**1,031**

Source: - MC Bahawalpur

ii. Provision of clean drinking water through water filtration plants

Clean drinking water through filtration plants was provided in 15 UCs out of 21UCs of MC, Bahawalpur and populace of 06 UCs (29%) was deprived of clean drinking water. Moreover, in 15 UCs only 25 filtration plants were installed for a total population of 486,925 people and 02 filtration plants were non-functional during 2022-23. The detail is given below:

Sr. No.	Location	UC No.	Status 2021-22	Status 2022-23
1	Model Bazar	4	Functional	Functional
2	Model Town C	16	Functional	Functional
3	Islami Colony	11	Functional	Functional
4	Satellite Town	9	Non-Functional	Functional

Sr. No.	Location	UC No.	Status 2021-22	Status 2022-23
25	Girls School Bhatta No.1	19	Functional	Functional

Source: MC Bahawalpur

iii. Non-testing of drinking water at the household level

In Bahawalpur city, 2,495 water connections remained functional during 2022-23. However, water testing quality was not conducted at household and water works level. Consequently, potential contaminants or water quality issues remained undetected which put the health of end users at risk.

iv. Lack of planning for improvement in infrastructure and provision of municipal services

Despite increase in population, the provision of water supply through pipelines was not improved. No steps were taken to restore the 2,049 dead water connections during 2022-23. In order to improve the provision of clean drinking water services no new project was launched by the management of MC, Bahawalpur. Even targets were also not set in this regard.

v. Non-maintenance of historical record of filtration plants and water supply

The management did not maintain historical record of filtration plants regarding repair & maintenance and their replacement including date of repair, description of work performed, associated costs, and the condition of infrastructure before and after maintenance to track or validate the utilization of allocated funds for 10.713 million during Financial Year 2022-23.

vi. Theft of electricity and motors of filtration plants

The management did not take any action against the concerned regarding theft of electricity from filtration plants connections. Further, electric motors of 2 filtration plants were theft away but management did not take action against the concerned.

vii. Shortfall in recovery targets

The management did not achieve recovery targets of water rates from the connection holders. The Chief Officer MC Bahawalpur failed to use e-billing/e-complaint system for collection of water rate. The short recovery of water rate resulted in non-improvement of infrastructure. The detail is as under:

(Rupees in million)

Object Code	Detail Receipt Head	Demand as per D&C register FY 2022-23	Actual Recovery FY 2022-23	Pending Recovery FY 2022-23	Short fall

C0388046	Water connection/ disconnection/ re-connection fees	8.850	2.269	6.581	74%
Total of Arrears		**8.850**	**2.269**	**6.581**	**74%**

viii. Non-utilization of allocated funds for water filtration plants

The management did not utilize allocated funds for repair & maintenance of water filtration plants. Non-utilization of funds for water filtration plants and machinery implied that maintenance of essential infrastructure was neglected by the management. The detail is as under:

(Rupees in million)

Sr. No.	Classification	Budget	Expenditure	Savings
1	Water Filtration Plant	2.000	0.568	1.432
2	Machinery and Equipment (Repairs)	29.150	27.682	1.468
Total				**2.900**

ix. Non-conduction of surveys

The management did not conduct fresh survey regarding water rates of residential as well as commercial connections. D&C register contained data of the period prior to 2010 which was not updated.

x. Contamination of drinking water with sewerage water

As per study report of MC Bahawalpur, more than 451,712 Rft water lines were non-functional in city. All pipelines were of Un-plasticized Polyvinyl Chloride (UPVC) material, which had been damaged during road construction / repair and maintenance and the drinking water was contaminated with sewerage water. Most of the water supply pipelines had completed their life cycle and needed to be replaced.

3.6.2.1.3 Significant Audit Observations

i. Substandard and insufficient provision of drinking water through piped supply and filtration plants was observed in 10 cases[10]

3.6.2.2 Audit Analysis of Metropolitan Corporation, Dera Ghazi Khan

3.6.2.2.1 Review of Internal Controls

Effectiveness of internal controls was assessed on test check basis and a sample was selected for the purpose. Following issues of potential significance were observed regarding weaknesses of internal controls:

[10] Annexure – 11 to 20

i. No service standards, infrastructure standards, healthy and clean water, hygiene standards and minimum service delivery standards for provision of quality municipal services were set.

ii. Record of feedback from general public was not available.

iii. No mechanism was available to maintain the record of KPIs, its evaluation and remedial measures.

3.6.2.2.2. Critical Review

1. Provision of drinking water through Piped Supply and Filtration Plants

i. Non-testing of drinking water at the household level

The management of MC DG Khan did not conduct the testing of drinking water quality at household as well as waterworks level. It showed that the quality and safety of drinking water supplied to individual households (18,676 housing units) and population 149,408 (18,676x8) were not consistently monitored, posing health risks to end users.

ii. Contamination of drinking water with sewerage water due to obsolete infrastructure

The water pump operators and supervisors of water supply reported that most of the water supply pipelines, near about 17,500 Rft were out of order but the authority did not take any action. Further, a feedback from the end users revealed that the quality of water, supplied by Metropolitan Corporation was very low and not suitable for drinking. In some areas, the water supplied through pipelines was being contaminated with the sewerage water. Whereas, discontinuity of water supply due to obsolete / non-repairable infrastructure was also reported.

iii. Unassured continuity of water supply in absence of alternative power supply

Pipeline water was being supplied by 33 tube well /water supply schemes with a daily capacity of 115 lac gallons. But only 05 tube well were provided the alternative power facility of generator. The same were also not in functional position and were not utilized during last year. The lack of continuous water supply due to the absence of a power backup had affected the residents' daily lives badly.

iv. Non-conduction of fresh surveys

A survey conducted by MC Dera Ghazi Khan during 2017-18 showed that 97 commercial connections out of 179 were non-functional which were neither made functional nor removed from the record of MC. Furthermore, fresh survey was not conducted to enhance water supply coverage. The detail is as under:

Description of business	No. of connections as per MC record	No. of connections not available on site	No. of actual connections
Nursery	7	02	05
Barber (Hamam)	57	40	17
Hotel	57	8	49
Ice Factory	16	5	11
Subzi Mondi Market	42	42	0
Total	**179**	**97**	**82**

v. Non-enhancement of water supply facility

MC DG Khan provided 18,676 water supply connections to residents of the city during Financial Year 2022-23. As per National Censes 2017, total population of the UCs under jurisdiction of MC was 397,362 persons with 52,872 housing units. It showed that piped water supply was not provided to 34,196 housing units / 247,954 persons. The detail is as under:

Total population	Total housing unit	Person/ housing unit (1/2)	No. of connections to house hold	Population with water supply	Population without water supply	% age of population without water supply
397,362	52,872	8	18,676	149,408	247,954	62.40 %

vi. Non-establishment of water supply complaints and resolution cell

MC DG Khan did not establish a well-organized complaints cell to receive, document, investigate, and resolve complaints related to water supply. Total 1,731 complaints about pipeline leakage, sewerage water mixing and non supply of water were received during 2022-23. The same were just entered on a simple complaint register without any description about measures taken and time lapsed to resolve the complaints.

vii. Shortfall in recovery targets

The management did not achieve recovery targets of water rates from the connection holders. The Chief Officer MC Dera Ghazi Khan failed to use e-billing/e-complaint system for collection of water rate. The short recovery of water rate resulted in non-improvement of infrastructure. The detail is as under:

(Rupees in million)

Name of receipts	Arrears as on 01.07.2022	Demand 2022-23	Actual recovery	Less recovery
Water rates	713.997	87.414	12.215	789.196

viii. Non-maintenance of historical record of water supply schemes

The management did not maintain historical record of 26 water supply schemes regarding repair & maintenance, description of work performed, associated costs, and the condition of infrastructure before and after maintenance to track or validate the utilization of allocated funds. Moreover, the funds allocated for repair and maintenance during 2022-13 were not fully utilized despite 09 water pumps remained non-functional throughout the year. The detail of funds allocated and utilized is as under:

(Rupees in million)

Description	Budget allocation	Expenditure	Unutilized budget
Repair of turbines / transformers / electric motors	5.000	3.577	1.423

ix. Non-provision of clean drinking water through water filtration plants

Facility of clean drinking water through water filtration plants was not provided by the MC DG Khan. Populace of 397,362 in the city was depending on the filtration plants operated by private sector for clean drinking water.

3.6.2.2.3. Significant Audit Observations

Substandard and insufficient provision of drinking water through piped supply and filtration plants was observed in 10 cases[11]

3.7 Departmental Responses

The matter was reported to PAOs in October, 2023. The CO, MC Bahawalpur replied that water supply was being supplied according to the available resources. Therefore, due to insufficient funds and manpower this issue was persistent. Department ensured drinking water safety through rigorous testing at the source and throughout the distribution network. Efforts were made to increase the income and distribution of computerized bills was also started and monitored by the authority. Reply was not tenable as no record was produced in DAC for verification in support of replies. The CCO, MC Dera Ghazi Khan did not reply.

[11] Annexure – 21 to 30

DAC in its meeting held on 11.12.2023 directed the CO, MC Bahawalpur to produce the relevant record besides initiating action against the responsible(s).

3.8 Recommendations

MCs authorities are required to:

i. Strengthen the internal control system for proper achievement of SDG-6 (1 & 9) including other targets of MCs.

ii. Devise a comprehensive monitoring system for effective service delivery.

iii. Make strenuous efforts for compliance of pending cases of spatial planning.

iv. Make concrete efforts for early completion of development works.

v. Expedite the process of recovery and realization/collection of revenue.

vi. Reconcile the receipts with appropriate authorities on periodic basis.

3.9 Conclusion

Provision of municipal services to public is the primary responsibility of the Government. Government of the Punjab launched an ambitious program to achieve high standards of quality drinking water service delivery in Municipal Sector under PLGA, 2022 by establishing the Metropolitan Corporations / Metropolitan Corporations and Municipal Committees. Many of its aims coincided with the national and provincial commitments under MDGs and their successor SDGs. However, the efforts could not achieve the intended targets due to the following reasons:

i. The management did not prepare and implement the comprehensive program for the frequent testing of drinking water quality at household level.

ii. Non utilization of development funds optimally for provision of drinking water.

iii. No action plan to prevent the mixing of sewerage water in the piped water supply.

iv. Non installation of water filtration plants by MC Dera Ghazi Khan.

v. Non availability of power supply back-up for water supply schemes.

vi. Non conduction of surveys to asses and evaluate increasing demand and population trends.

vii. Absence of business plan to recover the huge outstanding receipts.

viii. Non- maintenance of data bank regarding store and its utilization related to pipelines and filtration plants.

ix. The overall achievement of SDG-6 (sub clauses 1 & 9) was found unsatisfactory in Metropolitan Corporations.

AUDIT REPORT

ON
THE ACCOUNTS OF
EXPENDITURE
GOVERNMENT OF THE PUNJAB
AUDIT YEAR 2023-24

EXPENDITURE GOVERNMENT OF THE PUNJAB

CHAPTER 1

Public Financial Management Issues

1.1.1 Unauthorized retention of Consolidated Fund in commercial banks-Rs. 111.779 billion

Article 118 of Constitution of the Islamic Republic of Pakistan, prescribes that all revenues by the Provincial Government, all loans raised by that Government, and all moneys received by it in repayment of any loans, shall form part of a consolidated fund, to be known as the Provincial Consolidated Fund. Further, as per Section 45(c) of the Public Financial Management Act 2022, within six months of the commencement of this Act, the Finance Department shall prepare a plan for implementation of this Act.

During certification audit for the financial year 2022-23, it was observed that a sum of Rs. 111,779 million from various departments and attached departments was lying in several commercial banks' accounts up to 30.09.2022. This amount was deposited with commercial banks in violation of Article 118 of Constitution of the Islamic Republic of Pakistan which makes it binding to deposit these amounts into the provincial consolidated fund. Further, it was also observed that the amounts retained in commercial banks by the departments, attached departments, and autonomous bodies were aggregated to the tune of Rs. 503,394 million. In comparative terms, the grossed-up total of commercial accounts balances had been increased by Rs. 93,329 million i.e. 23% from the previously reported aggregate of such balances amounting to Rs. 410,066 million up to 30.06.2021.

Admittedly, the Finance Department had not adhered to the time- frame for prescribing the implementation plan to roll out PFM Modules within six months of the promulgation of the PFM Act 2022. The Finance Department had not curbed violation of the policy guidelines for the treatment of profits earned in lieu of balances lying in commercial banks which ought to be re-deposited in PCF. The Finance Department had not carried out a detailed census of the operated commercial accounts and balances retained therein.

Audit is of the view that the lapse occurred due to weak internal controls.

The Finance Department replied that to keep financial control and fiscal prudence, all administrative departments were apprised that in case of non-compliance to the directive of depositing profit earned from accounts operated with commercial banks, their budget proposals would not be entertained in the upcoming budget. The Bank of Punjab was also requested to provide the details of all accounts of provincial Government entities for which profit is to be deposited in the PCF vide letter No.FD(W&M)1-1/7-(Vol-XV)/2021/98 dated 09.06.2023.

The matter was discussed in the clearing house meeting between A.G Punjab, D.G Audit Punjab, and the Additional Finance Secretary (Monitoring) Finance Department on 08.11.2023. It was decided in the meeting that the Finance Department will intimate monthly information on retained balances in the commercial bank accounts for each entity including administrative departments, attached departments, autonomous bodies, authorities, public sector companies, and bodies corporate involved in diverting PCF to commercial bank accounts. The letter containing the above directive bearing No.FD(W&M)1-1/7-(Vol-XV)/2021/98 dated 09.06.2023 of the Finance Department had not been complied with to the effect that profits to be deposited in the PCF under the categories mentioned above were still not deposited The Finance Department had not reported the details of the balances up to 30.06.2023 department-wise and bank-wise.

Audit recommends ensuring prompt compliance with the directive of the committee and the amount held in commercial banks sourced from the PCF and public account be deposited into the consolidated fund of the province.

1.1.2 Non-recovery of loan & advances from Companies/ Development Authorities-Rs. 236.334 billion

As per Para 4.7 (1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the Government account.

Scrutiny of Loans & Advances of Finance Account revealed that loans amounting to Rs. 236.334 billion were not recovered from the companies and development authorities. Moreover, further loans amounting to Rs. 27.143 billion were granted during the financial year 2022-23. Furthermore, the provincial cabinet approved the winding up of 20 public sector companies of various departments but despite a significant lapse of period ranging from 2 to 6 years, the winding up process was not finalized.

Audit is of the view that the lapse occurred due to weak internal controls.

The Finance Department replied that it is constantly engaged with these entities to recover the outstanding loan liability following the repayment schedules regularly.

The matter was discussed in the clearing house meeting between A.G Punjab, D.G Audit Punjab, and the Additional Finance Secretary (Monitoring) Finance Department on 08.11.2023 and it was concluded that the accounts of local Government and companies should be shared with the A.G Office every month by the Finance Department. The business plan re-engineering options also needed to be explored to revive the status of the entities as a going concern for early retirement of loans.

Audit recommends that loans be recovered from the companies as companies are bound to prove their credentials as going concerns and the looming threat of default had to be dispelled, taking recourse to business process reengineering.

1.1.3 Inadequate disclosure regarding unmanageable Debt of Account-II (Food)-Rs. 442.814 billion.

As per the Punjab Government Rules of Business 2011, Second Schedule (Distribution of business among departments), the Food Department is responsible for legislation, policy formulation, and planning as a measure of food security through:

(a) wheat procurement
(b) construction and maintenance of storage accommodation
(c) storage of wheat
(d) financial arrangements with the banks
(e) transportation of wheat
(f) release of wheat and its overall monitoring.

Scrutiny of the public debt accounts of Government of the Punjab revealed that the cumulative outstanding debt for commodity operations as of June 30, 2023, in Punjab was Rs. 442.813 billion under the head E03202-Cash Credit Accommodation Account-II while markup paid on the outstanding debt was Rs. 86.738 billion under Grant PC13033 during 2022-23 which had increased 114% as compared to the previous financial year 2021-22 with the cost of interest booked in the said year to the tune of Rs. 40.592 billion. Wheat procurement operations were causing financial loss every year because of the difference between the cost of procurement and storage and the sales price under the wheat release policy. The cumulative financial loss in Punjab from 2000-2001 to 2020- 2021 amounted to Rs. 368 billion, growing at a Compound Annual Growth Rate (CAGR) of 24% since F.Y. 2010 exposing the Provincial Government to a higher risk in the future. Cabinet approval to retire 300 billion worth of debt liability was not fully implemented. In addition, the Food and Finance Departments did not come up with a comprehensive commodity debt management plan to continue these operations sustainably.

Audit is of the view that the lapse occurred due to weak internal controls.

The Finance Department replied that wheat operations subsidy is a function of the gap between the support price and release price determined by the Government, along with costs incurred. Further, the Punjab Food Department was not only required to repay the principal amount of banks from the sale proceeds of wheat but also paid markup and all other incidental charges relating to the purchase, handling, and storage of wheat. Further, the Provincial Cabinet of Punjab in its 8th meeting accorded approval in March 2023 to release accumulated subsidies up to PKR 300 billion for debt retirement during FY 2022-23 and PKR 100 in FY 2023-24. In compliance with the approval of the Provincial Cabinet, PKR 225 billion were released to Food Department in FY 2022-2023 while additional disbursements of PKR 170 billion were made available on 4th July 2023, 17th July 2023, 24th July 2023, 10th August 2023 and 18th August 2023. This amount of PKR 395 billion was immediately disbursed to banks through Accountant General Punjab to reduce the debt burden against commodity operations.

The matter was discussed in the clearing house meeting between A.G Punjab, D.G Audit Punjab, and the Additional Finance Secretary (Monitoring) Finance Department on 08.11.2023. It was decided by the committee that relevant accounting information, covering the entire commodity operations would be furnished by the Food Department supported by the amortization schedule, valuation of scheme-wise stock, and breakup of incidental charges. No further progress to remedy the situation was reported till the finalization of the report.

Audit recommends disclosure of relevant accounting information covering the entire commodity operations, supported by the amortization schedule, besides reporting the valuation of scheme-wise stock and breakup of incidental charges for audit evaluation.

1.1.4 Long outstanding dues not reported as Receivables-Rs. 107.547 billion

As per Para 4.7 (1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the Government account.

During the certification audit for the Financial Year 2022-23, it was observed that the following receivables were outstanding against the Federal Government.

Issues	**Department**	**Receivable Amount (Rs. in billion)**
Net Hydel Profits (NHP)	Energy	69.017
CDA Share for operation, Construction of RWP-ISB Metro Bus	Transport	28.530

Reconciliation of Cross-Adjustments of taxes	PRA	10.000
Total		**107.547**

Source: Reply of Finance Department against Para No. 2023-0000003256_F00003

Audit is of the view that the lapse occurred due to weak management and financial controls.

The Finance Department replied that there exists a long outstanding issue of pending receivables of the Government of the Punjab from the Federal Government. The Finance Department is continuously following up on the said matter.

The matter was discussed in the clearing house meeting between A.G Punjab, D.G Audit Punjab, and the Additional Finance Secretary (Monitoring) Finance Department on 08.11.2023 and it was decided that the Finance Department would make efforts regarding the realization of such outstanding receivables.

Audit recommends that above mentioned outstanding receivables may be collected and deposited into the Government treasury.

1.1.5 Non-transfer of Public Account Receipts from Account-V (Education Authority) & Account-VI (Health Authority) to Account-I-Rs. 6.133 billion

As per Finance Department's letter No.B1-3(120)AGP/2017-18 dated 16.08.2019 regarding the transfer of the amount of Public Account & Consolidated Fund Receipt from District Education Authority Account-V & District Health Authority Account-VI to Government of the Punjab, Provincial Account-I (Non-Food), Finance Department prescribed that recoveries of overpayment are transferable to Provincial Government Account-I.

The Accountant General, Punjab was further advised that all District Education & Health Authorities in Punjab regarding Account-V & VI may be conveyed that all Public Account receipts as well as Consolidated Funds receipts are transferable into the Provincial Consolidated Fund or Provincial Public Account Fund as the case may be.

Scrutiny of the Public Account of Government of the Punjab for the year 2022-23 revealed that consolidated funds' receipts of Rs. 6.133 billion up to 30th June 2023 including receipts of the financial year 2022-23, amounting to Rs. 1.112 billion were not transferred to the public account of Government of the Punjab Account-I,

Audit is of the view that the lapse occurred due to weak internal controls.

The management replied that the matter has been taken up with the District Accounts Officers, Punjab to resolve the outstanding issues of pending transfer of public funds receipts vide letter No.B1-3(120)AGP/2022-23(P) dated 20.10.2023.

The matter was discussed in the clearing house meeting between A.G. Punjab, D.G Audit Punjab, and the Additional Finance Secretary (Monitoring), Finance Department on 08.11.2023. It was decided in the meeting that the tendency on the part of the DAOs to retain the balance of Public Account needed to be curbed. It was decided by the chair that A.G. Office will probe the matter and issue SOPs regarding monitoring the transfer of balances of public funds in Account-I. Furthermore, the A.G. Office will circulate the proforma which will be submitted by DAOs along with the monthly account.

Audit held that the issue of non-transfer to Public Accounts Receipts from Account-V & VI to Account-I needs early remedial action to avoid the recurrence of such lapses in the future.

Audit recommends prompt compliance with directions of the committee ensuring that above mentioned retained balances of Public Account of Account-V & VI be transferred to Account-I (Provincial).

1.1.6 Excess expenditure than budget allocations-Rs. 11.131 billion

According to Para 13.2(ii) of the Punjab Budget Manual, the total expenditure incurred for any purpose should not exceed the grant or grants provided for that purpose.

During the scrutiny of the appropriation accounts for the F.Y 2022-23, it was observed that an expenditure of Rs.11.131 billion was incurred in excess/without budgetary allocations during 2022-23, violating the provisions of the Punjab Budget Manual. Admittedly, the final figures of the budget contained posting contrary to Chapter 14 of the Punjab Budget Manual of which Rs. 2.911 billion pertained to contingencies where the budget was released by the Finance Department on SAP R/3 whereas the same was not printed in the budget book.

Audit is of the view that the lapse occurred due to weak internal controls.

The Finance Department replied that Revised Estimates are usually fixed in the middle of May based on the statement of excess and surrender. During this period, most of the departments utilized the surrendered budget without informing the Finance Department which caused the excess expenditure than the allocated budget/revised budget estimates both for development and non-development. On the other hand, most of the departments submit incorrect figures through statements of excess and surrender for the development budget without foreseeing the requirement of the last months, leading to excess expenditure against the final budget. Further, Accountant

General, Punjab added that out of the total excess of Rs. 11.131 billion, Rs. 8.219 billion was related to mandatory salary and pension payments, against which a budget check was not applied in the system. The remaining excess of Rs. 2.911 billion pertained to contingencies where the budget was released by the Finance Department on SAP R/3.

The matter was discussed in the clearing house meeting between A.G Punjab, D.G Audit Punjab, and the Additional Finance Secretary (Monitoring) Finance Department on 08.11.2023. It was decided in the meeting that the AG office will probe the matter regarding payment against zero/excess budget and findings will be shared with the audit.

Audit recommends that management should ensure that no payment be made against nil/excess than budget allocation besides ensuring activation of budget checks against the head pay and allowances in the SAP system to reduce the quantum of excessive HR payments.

1.1.7 Excess payment of domestic debts-Rs. 20.084 billion

As per para 4.7 (1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the Government account.

During the scrutiny of the Finance Account for the FY 2022-23, it was observed that the excess payment of Domestic Loans of Rs. 20.084 billion appeared in annexure-I of Finance Accounts 2022-23 was indicative of understated balances for accounts payable. Further Domestic Debts already appeared excess paid with a payment of Rs. 0.247 billion made during the financial year 2022-23, revealing further understated balances for accounts payable.

Audit is of the view that the lapse occurred due to weak internal controls.

The Finance Department replied that AG Punjab may revisit the record based on information/record provided by the Finance Department and rectify the same.

The matter was discussed in the clearing house meeting between A.G Punjab, D.G Audit Punjab, and the Additional Finance Secretary (Monitoring) Finance Department on 08.11.2023. The para was discussed in detail and the committee decided that reconciliation would be made between AG Punjab & Finance department for rectification of the negative balance. Revised annexures regarding foreign and domestic loans would be shared with to audit. No further progress to remedy the situation was intimated by the respondent administrative department.

Audit recommends that the amortization schedule be made available in the SAP system for the true and fair presentation of information regarding loans.

1.1.8 Non-transparent mode of payment-Rs. 2.289 billion

According to Rule 4.49(a) of Subsidiary Treasury Rules, read with the Finance Department's letter No.FD(FR)V-6/75(P) dated 20.06.2007, payment exceeding Rs. 100,000 shall be made through cheque instead of cash further amended vide Finance Department Letter No.SO(TT)12-2/2014,Pt-II dated 24th August, 2022.

During audit of accounts for the year 2022-23, it was observed that contrary to Rule 4.49(a) of the Subsidiary Treasury Rules amended on 24.08.2022, an amount of Rs. 2,289 million was drawn from Government Treasury and disbursed in cash for various forestry operations i.e. Jungle Clearance, Ploughing & Leveling and Earth Work etc. Instances of excess/double withdrawals of cash amounted to Rs. 42.961 million on account of payments to daily laborers through muster rolls and the beneficiaries were inclusive of Government employees borne on SAP payroll in certain cases. The recovery process was duly initiated on this behalf. This indicated that budgetary allocations involving cash withdrawals instead of payments by cheques were being spent in a non-transparent, inefficient, and uneconomical manner.

Audit is of the view that the lapse occurred due to weak supervisory as well as financial internal controls.

The department replied that as per the recommendation contained in the subject para, the administrative department had requested to appoint an inquiry officer to probe the matter under prescribed Laws and Rules. However, replies from the concerned field formations along with supporting documents/challans have been received for verification/ settlement of the audit observation. An amount of Rs. 6,474,013 has been recovered from the concerned field formations.

The matter was discussed in a clearing house meeting and the committee decided that the forest department would conduct the inquiry on the said issue.

Audit recommends that the drawl of millions of rupees in cash on account of daily labor in favor of DDOs be discontinued and a transparent mode of payment be adopted, besides ensuring recovery of double drawl against specific detections.

CHAPTER 2
AGRICULTURE DEPARTMENT

2.1 Introduction

As per the Punjab Government Rules of Business 2011, the Agriculture Department comprises fourteen attached departments, five autonomous bodies and one company. It has been assigned the business of:

- Agricultural education training & research.
- Soil fertility & soil conservation.
- Agricultural loans/subsidies.
- Water course conveyance efficiency through improvement of watercourses.
- Market committees and regional markets were set up under the Punjab Agricultural Produce Market Ordinance, 1975 and rules made thereunder in 1979.
- Production, multiplication, and marketing of the certified seed through Punjab Seed Corporation.
- Development of cultivable waste-land by Punjab Land Utilization Authority.
- Service matters except those entrusted to the Services and General Administration Department.
- Purchase of stores and capital goods for the Department.

Audit Profile of Agriculture Department

Sr. No.	Description	Total No.	Audited	Expenditure Audited 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)	Revenue/Receipts 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)

4	Foreign Aided Projects (FAP)	3	3	1,392.26	-

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Agriculture Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of four grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	623.93	(60.18)	563.75	535.55	(28.20)
PC21018	20,044.27	0	20,044.27	19,354.80	(689.48)
PC21030	17,755.00	(9,052.13)	8,702.87	8,602.46	(100.40)
PC22036	14,029.32	1,293.14	15,322.46	13,591.66	(1,730.80)
Total	**52,452.52**	**(7,819.17)**	**44,633.35**	**42,084.47**	**(2,548.88)**

Overview of Expenditure

The final budget of the Agriculture Department for the year ended 30th June 2023 was Rs. 44,633.35 million. Out of this, the actual expenditure was Rs. 42,084.47 million. The breakup of current and development expenditure is given below

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	38,423,199,000	28,492,809,080	(9,930,389,920)	25.84
Development	14,029,317,000	13,591,663,497	(437,653,503)	3.12
Total	**52,452,516,000**	**42,084,472,577**	**(10,368,043,423)**	**19.77**

This composition changed due to supplementary grants and surrenders. The variance of the final grant and actual expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	29,310,891,500	28,492,809,080	(818,082,420)	2.79
Development	15,322,459,000	13,591,663,497	(1,730,795,503)	11.30
Total	**44,633,350,500**	**42,084,472,577**	**(2,548,877,923)**	**5.71**

Anticipated savings not surrendered

As per Para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (2,548.88) million at the close of the year 2022-23 under grants PC21010, PC21018, PC21030, and PC22036 were not surrendered in time by the Department.

2.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 5,644.84 million were raised during audit of the Agriculture Department. This amount includes recoveries of Rs. 1,709.74 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Reported cases of fraud, embezzlement and misappropriation	223.56
2.	Recoveries and overpayments	1,709.74
3.	Procurement related irregularities	717.24
4.	HR/Employees related irregularities	145.68
5.	Value for money and service delivery issues	1,654.86
6.	Financial Matters	136.18
7.	Others	1,057.58
Total		**5,644.84**

2.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not Received	% of Compliance
1	1984-85	40	14	26	35
2	1985-86	85	67	18	79
3	1986-87	107	65	42	61
4	1987-88	21	14	7	67
5	1988-89	88	79	9	90
6	1989-90	71	45	26	63
7	1990-91	43	29	14	67
8	1991-92	25	14	11	56
9	1992-93	26	13	13	50
10	1993-94	49	34	15	69
11	1994-95	15	3	12	20
12	1995-96	46	0	46	0
13	1996-97	38	28	10	74
14	1997-98	76	49	27	64
15	1998-99	30	18	12	60
16	1999-00	110	60	50	55
17	2000-01	205	178	27	87
18	2001-02	89	51	38	57

Total		**1438**	**868**	**570**	**61**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance with PAC directives in the Agriculture Department is better than other departments (in comparative terms). However, room for better compliance still exists. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

2.4 AUDIT PARAS

Reported cases of fraud, embezzlement and misappropriation

2.4.1 Embezzlement due to payment against non/substandard execution of work-Rs. 153.56 million

As per Para 4.5 (5) of the B&R Code, every officer making or ordering payment on behalf of the Government should satisfy himself that work has been actually done in accordance with the bill submitted for payment. He should inspect personally all the important works before authorizing final payment and should check the measurements made by his subordinates as per the scale, laid by the Chief Engineer.

As per Clause 10 of the civil works' standard contract agreement, the contractor shall execute the whole and every part of the works in the most substantial and workman-like manner, both as regards material and otherwise in every respect, strictly in accordance with the specifications.

During audit of Project Director Pir Mahr Ali Shah -ARID Agriculture University Rawalpindi (Sub Campus) Attock, it was observed that the management paid running and final bills for construction work. During the audit, sites were visited along with the Registrar and other officers of the university and it was found that entire payment for different items of work had been made without execution of work at the site. Fake entries stood recorded on measurement books. Thus by recording fake measurements without execution of work at sites, an embezzlement of Rs. 153,557,806 had been made as detailed below:

Sr. No.	Name of Formation	Period of audit	PDP No.	Nature of irregularity	Amount (Rs.)
1	Project Director PMAS-AAUR construction of sub-campus Attock.	2021-22	2023-0000001581_F00002	Disbursement against contractor's claims with BOQs contrary to on ground execution.	124,192,784
2	Project Director	2021-22	2023-000000	Embezzlement due to payment without	16,384,502

Sr. No.	Name of Formation	Period of audit	PDP No.	Nature of irregularity	Amount (Rs.)
	PMAS-AAUR construction of sub-campus Attock.		1581_F 00018	execution of work at the site – for construction of research institute by recording fake measurements.	
3	Project Director PMAS-AAUR construction of sub-campus Attock.	2021-22	2023-0000001581_F 00019	Payment through fake billing without execution of work at the site.	8,230,868
4	Project Director PMAS-AAUR construction of sub-campus Attock.	2021-22	2023-0000001581_F 00016	Embezzlement due to payment without execution of work and execution of substandard work for construction of 5650 RFT boundary wall by recording fake measurements.	2,984,188
5	Project Director PMAS-AAUR construction of sub-campus Attock.	2021-22	2023-0000001581_F 00017	Embezzlement due to payment without execution of work and execution of substandard work for construction of 6500 RFT boundary wall by recording fake measurements.	1,765,464
Total					**153,557,806**

The lapse led to embezzlement of the stated amount due to the recording of fake measurements without execution of work at sites and execution of sub-standard works.

In response to the preliminary observation issued in May 2023, the management stated that a reply would be given later.

The matter was further reported to the administrative department. In DAC meetings held on 29.11.2023, the amount of para at Sr. No. 1 was reduced from Rs. 145,705,499 to Rs. 124,192,784 after verification of record and para was kept pending for probe. The paras at Sr. Nos. 2 to 5 were kept pending for recovery from the contractors for non-execution of work besides fixing responsibility against those involved in recording fake entries in MB. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into and recovery be made from the contractor along with markup of the amount utilized sequel to pilferage of the amount, benefitting the contractors and responsibility be also fixed against the colluding delinquents.

2.4.2 Loss due to illegal excavation of soil from the university land-Rs. 70.00 million

As per Section 17 (a) of the University of Agriculture Faisalabad Act 1973, the treasurer shall manage the property, the finances, and the investments of the University. As per Section 39 of the University of Agriculture Faisalabad Act 1973, the University shall have a fund to which shall be credited its income from fees, donations, trusts, bequests, endowments, contributions, grants, and all other sources.

During audit of the University of Agriculture, Faisalabad for the period 2021-22, it was observed that 3 acres of university land at Paroka Farm had been mass-excavated to a depth of 40-60 feet, resulting in a loss of Rs 60 to Rs 70 million to the university as evident from the 323rd Syndicate's meeting held on 23.08.2021. The responsibility for the loss was fixed against the Land Utilization Officer and Director of Farms. Another Technical Committee was constituted by the Syndicate on 30.06.2022 to reassess the loss due to illegal excavation and sale of soil. Neither any report was submitted by the said committee nor was any effort made to recover the loss from the responsible officers.

The negligence on the part of the University to manage its lands and properties resulted in a loss to the university to the tune of Rs. 70,000,000.

The matter was pointed out in April 2023. The management stated that reply would be submitted after consulting the record.

The matter was further reported to the administrative department. In DAC meetings held on 19.10.2023, the management admitted the loss and stated that the matter had been referred to DC, Faisalabad for effecting recovery of loss amounting to Rs. 77.427 million from the delinquent as he was removed from service w.e.f. 22.03.2022. The committee directed the department to affect recovery.

Audit recommends that cognizance be taken to recover the loss, besides taking strict action against the officers and officials held responsible.

(PDP No. 2023-0000001376_F00003)

Recoveries and overpayments

2.4.3 Non-deposit of un-spent amount of subsidy into Government Treasury-Rs. 893.26 million

Finance Department, Govt. of the Punjab vide U.O.No.1-1249-Agri-(FD)/16-P-VI, dated 04.11.2021 advised to deposit the unspent amount immediately after 30th June 2022 in Punjab Govt. Treasury. These instructions were issued in relation to all the sanctions of advance drawl issued by the Finance Department.

During audit of the Director General, Agriculture (Ext. & AR), Lahore for the financial year 2022-23, it was observed that an unspent amount of Rs. 5,526,808,581 from various Government subsidy schemes was found with branchless banking operator (HBL-Konnect) as of June 30, 2022, whereas Rs. 4,633,547,425 was deposited into Government Treasury and Rs. 893,261,156 remained un-deposited, violating Finance Department's instructions. This issue persisted from the financial year 2021-22, indicating that funds were not deposited back into the provincial consolidated fund.

Moreover, HBL was not able to address the discrepancy relevant to Real-time reporting through the online solution of each OTC/MW payment, location of collection, frequency of disbursement/collection against each CNIC as a Real-time collection report of beneficiaries' details had not been generated. The same was the case with reconciliation with PITB which did not materialize.

Audit is of the view that the lapse occurred due to weak management and financial controls.

When pointed out in October 2023, the department stated that best efforts would be made to ensure that the reporting process meets the necessary standard as indicated in the para, if the same was not already in line. The department also stated that a probe would be conducted on the non-production of bank statements along with providing evidence of the real-time transactions.

The matter was further reported to the administrative department. In DAC meeting held on 23.01.2024, the paras were kept pending for probe and regularization from Finance Department. Further progress was not reported by the Department till the finalization of this report.

Audit recommends that responsibility be fixed for non-monitoring the credit of unspent balance retained by HBL-Konnect into the treasury. The administrative department is also called upon to take up the matter against the concerned bank seeking imposition of penalty against breach of the agreement for undue retention of the retained balance of the principal amount and affect recovery.

(PDP Nos. 2023-0000004356_F00004 & 2023-0000004356_F00002)

2.4.4 Non-recovery of markup/interest amount due to late deposit of profit by the service-providing bank (HBL)-Rs. 415.18 million

As per Clause No. 1.12 of the contract agreement governing markup on retained amount with branchless banking operator, the service provider was required to pay a markup at the rate of 6 months KIBOR-1.25% which was to be calculated on a daily basis (day-end balance*interest rate)/365 including all taxes.

During audit of the Director General Agriculture (Ext. & AR), Lahore for FY 2022-23, it was observed that subsidies liable to be disbursed to farmers were deposited with Habib Bank Limited Branchless Banking Operator. Audit revealed delays in depositing markup profits on the part of the bank. As per Clause No. 1.12 of the contract agreement, the service provider was required to pay a markup at the rate of KIBOR-1.25 % which was to be calculated daily (day-end balance*interest rate)/365 including all taxes.

The entity failed to demand profits for delayed deposits, causing a Government revenue loss of Rs. 415,175,499. Audit held that recovering the actual amount was warranted, considering daily balances and 30 days unclaimed balances, to potentially increase the recoverable sum.

Audit is of the view that the lapse occurred due to weak administrative and financial controls.

The matter was pointed out in October 2023. The department stated that the late deposit of profit would be investigated through a committee.

The matter was further reported to the administrative department. In DAC meetings held on 23.01.2024, the para was kept pending for verification of record besides affecting recovery of markup. Further progress was not reported by the department till the finalization of this report.

Audit recommends that responsibility be fixed for non-monitoring the credit of profit into the treasury. The administrative department is also called upon to take up the matter against the concerned bank seeking imposition of penalty against breach of agreement for undue retention of markup. The actual amount needs to be worked out and made good as recovery.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 2.4.2 having financial impact of Rs. 27.74 million. Recurrence of the same irregularity is a matter of serious concern.

(PDP No. 2023-0000004356_F00001)

2.4.5 Non-recovery of allowances and Government dues- Rs. 197.11 million

As per Rule 2.31 of PFR Vol-I, a drawer of bills for pay, allowances, contingent, and other expenses will be held responsible for any overcharges, frauds, and misappropriations. As per Rule 4.7(1) of the Rules ibid, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account.

During audit of the Agriculture Department Punjab, it was observed that recovery of various inadmissible allowances and Government dues from contractors, suppliers, and officials had not been affected resulting in a loss of Rs. 197,108,065 sustained by the public exchequer. The detail is given in annexure-2.

Audit is of the view that lapses occurred due to weak financial and supervisory controls.

The matter was pointed out from February to May and October 2023. Most of the formations noted the observations for compliance and some stated that a detailed reply would be submitted after consultation of record.

The matter was further reported to the administrative department. DAC meetings were held on 19.10.2023, 26.10.2023, 15.12.2023, 26.12.2023 & 23.01.2024. The paras at Sr. Nos. 1, 10, 17, 18, and 25 were kept pending for recovery. The para at Sr. No. 2 was kept pending till the approval of the revised PC-I to be granted by the competent forum/ PDWP. The para at Sr. No. 3 was kept pending till the submission of the verification report by the committee along with evidence. The paras at Sr. Nos. 4, 7, 19 & 25 were kept pending for compliance. The paras at Sr. Nos. 6, 14, 16, and 20 were kept pending for seeking clarification from the Finance Department. The paras at Sr. Nos. 12, 15 & 21 were kept pending for verification of record. The para at Sr. No. 8 was kept pending for decision by the Finance Department. The para at Sr. No. 9 was kept pending till the revision of PC-I by PDWP and approval by the competent forum. The para at Sr. No. 11 was kept pending for probe and recovery from the contractor. The paras at Sr. Nos. 13 & 22 were kept pending to investigate the matter. Further progress was not reported by the department. As regards the remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that recovery be affected at the earliest and disciplinary action be taken to a logical conclusion against the delinquents.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21, 2021-22 and 2022-23 vide para numbers 2.4.8, 2.4.3 and 2.4.5 having financial impact of Rs. 156.40 million, Rs. 70.49 million and Rs. 4.37 million. Recurrence of the same irregularity is a matter of serious concern.

2.4.6 Over-payment due to claim accepted beyond agreed percentage-Rs. 109.03 million

As per para (v) of the Finance Department's Notification No.RO(Tech)FD 1-2/83-VI dated 29th March 2005, the final cost of the tender would be the same percentage above/below the amount of the revised sanctioned estimate as was at the time of approval of the tender, so as to pre-empt excess payment.

During audit of the University of Agriculture Faisalabad for the period 2021-22, it was observed that the department had made payment on account of the claimed value of work done instead of the quoted percentage. Hence, the department had not adhered to the quoted percentage and made an overpayment of Rs. 109,027,000 to the contractors in violation of instructions of the Finance Department. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Recovery	Amount (Rs.)
1	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00036	Overpayment due to payment beyond the agreed percentage	59,856,000
2	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00089	Overpayment due to payment beyond the agreed percentage	26,510,000
3	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00081	Overpayment due to payment beyond the agreed percentage	7,590,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Recovery	Amount (Rs.)
4	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00066	Overpayment due to payment beyond the agreed percentage	7,095,000
5	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00071	Overpayment due to payment beyond the agreed percentage	4,662,000
6	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00077	Overpayment due to payment beyond the agreed percentage	1,733,000
7	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00052	Overpayment due to higher rates than agreement	1,581,000
Total					**109,027,000**

The lapse occurred due to weak administrative and financial controls of the management.

The matter was reported in April 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 19.10.2023 and 15.12.2023, the paras at Sr. Nos. 1 to 7 were kept pending with the direction to the department for re-calculation of rates and its comparison. Further progress was not reported by the department till the finalization of this report.

Audit recommends that any payment made beyond the agreed percentage needs to be recovered from the contractor.

2.4.7 Non-recovery of Government taxes-Rs. 57.14 million

According to the Income Tax Ordinance 2001, Sales Tax Act 1990, and Punjab Sales Tax on Services Act, 2012, the departments are required to deduct/withhold taxes at prescribed rates at the time of payment. As per clauses 22-A & B of Stamp Duty Act, 1899, contracts of stores and materials are charged @ twenty-five paisa for every one hundred rupees.

During audit of various formations of the Agriculture Department Punjab, it was observed that chargeable taxes and duties amounting to Rs. 57,136,783 were not withheld/deducted while making payments. The details are given in annexure-3.

Audit is of the view that lapses occurred due to weak financial and supervisory controls.

The matter was pointed out from February to May 2023. The management stated that a detailed reply would be submitted later on but no reply was furnished.

The matter was further reported to the administrative department. In DAC meetings held on 19.10.2023, 27.11.2023, and 15.12.2023, the para at Sr. No. 2 was kept pending for clarification from the Punjab Revenue Authority. The para at Sr. No. 5 was kept pending for recovery of PST from contractors. The paras at Sr. Nos. 6, 9, 10 & 12 were kept pending for provision of GST invoices along with sales tax returns from the contractors showing deposit of GST into the Government Treasury or affecting recovery. The para at Sr. No. 7 was kept pending for clarification from BOR. The para at Sr. No. 8 was kept pending for verification of record. The para at Sr. No. 11 was kept pending for recovery. Further progress was not reported by the department. As regards the remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the due amount be recovered from the concerned.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para numbers 2.4.1 and 2.4.4 having financial impact of Rs. 11.24 million and Rs. 8.36 million. Recurrence of the same irregularity is a matter of serious concern.

2.4.8 Over-payment due to application of incorrect rates-Rs. 38.02 million

According to the instructions issued by the Finance Department, vide No.RO(Tech)FD-18-23/2004, dated 21.09.2004, rate analysis for the non-standardized items shall be prepared by the Executive Engineer, clearly giving the specifications of the material used and approved by the competent authority, not below the rank of Superintending Engineer on the basis of input rate of relevant quarter placed at the website of the Finance Department.

As per the remarks column of item No. 1 Chapter-7 “Brickwork” of MRS, the rate of the item shall be reduced by 7% in case 2nd class bricks were used. Further, as per the remarks column, the actual size of the brick was 39.375 square inches (9 x 4.375) and the thickness comes to 0.364 (4.375/12).

During audit of the Agriculture Department Punjab for the year 2021-2022, it was observed that the department made payments for different items of work as non-standardized items. The department paid excess material and labor rates instead of the actual applicable rate as per FD's template. Hence overpayment of Rs. 38,018,224 was made to the contractors (Annexure-4). Moreover, payments for the item "Pacca Brick work" were made at full rate instead of reducing the rate @ 7% because as per lab test reports, only the strength of the bricks was mentioned on the claim but the dimension of the bricks was not mentioned.

The lapse occurred due to non-adherence to the FD's instructions.

The matter was pointed out in April 2023. The management at Sr. No. 1 stated that additional items were Non-Scheduled in nature. The rate analysis was prepared considering the then-market rates. The reply of the department was not acceptable as the rate of non-scheduled items executed was to be calculated on the rate of MRS corresponding to the award of work tendered, not on current market rates. The management at Sr. No. 2 and 3 stated that rates were paid based on the quantity of the brickwork executed at the site. The test reports revealed that the strength of the bricks met the criteria of 1st Class Bricks as per the prescribed Specifications. The reply of the department was not acceptable as the test report of brickwork revealed that bricks were undersized and the requisite size as per specifications could not be corroborated. The management at Sr. Nos. 4 to 21 noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 19.10.2023, 29.11.2023, and 15.12.2023, the para at Sr. No. 1 was kept pending for recovery from the concerned as per MRS rates 2015. The paras at Sr. Nos. 2, 3, 7, 8, 19 & 21 were kept pending for recovery from the contractor. The paras at Sr. Nos. 4, 5, 12, 13, 14, 17 & 18 were kept pending for probe into the matter or recovery from the contractor. The paras at Sr. Nos. 6, 10, 11, 15 & 16 were kept pending for clarification from the Finance Department. The para at Sr. No. 9 was kept pending for a fact-finding report and recovery of overpayment from the contractor. The para at Sr. No. 20 was kept pending to re-calculate labor rates and affect recovery. Further progress was not reported by the department till the finalization of this report.

Audit recommends that over-payment due to incorrect rates be recovered from the concerned contractors.

Procurement related irregularities

2.4.9 Irregular award of work at higher rates and undue favor to contractors-Rs. 484.97 million

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he would be held personally responsible for any loss sustained by the Government through fraud or negligence on his part.

According to Clause-7 of the agreement read with Para (h) of the memorandum of the work, the performance security in the form of a bank guarantee was required to be obtained up till the completion of the maintenance period @ 5% of the accepted tender price in case of tenders with cost exceeding Rs. 50 million.

During scrutiny of the accounts record of the University of Agriculture Faisalabad for the period 2021-22, it was observed that the department awarded work “Construction of Girls Hostels for 1000 Students at Main Campus, University of Agriculture, Faisalabad” on the 2nd bi-annual of 2014 as per work order. Further, in the 196th campus committee meeting held on 13th May 2015, it was mentioned in the minutes of the meeting that work was awarded (tendered on 26.03.2015) to the lowest bidder M/s Elcon on 2nd bi-annual 2014 rates. However, as per tendering documents, the department made tendering on rates of 1st bi-annual 2015 as new MRS uploaded rates which were higher than 2nd bi-annual 2014. Tendering was made based on 2nd bi-annual 2014 rates which were less than 1st bi-annual 2015. This resulted in a loss of Rs. 3,913,492 to Government.

Further, the Executive Engineer/Project Director awarded various works to different contractors. Their performance securities valuing Rs. 42,555,000 expired but the contractors did not revalidate the performance guarantee till completion of the project. The non-obtaining of a revalidated performance guarantee was an undue financial benefit to the contractors. The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	University of Agriculture, Faisalabad	2021-22	2023-0000001376_F00050	Award of work on higher rates of 1st bi-annual 2015 instead of 2nd bi-annual 2014	438,503,606
2	University of Agriculture, Faisalabad	2021-22	2023-0000001376_F00055	Undue financial benefit to the contractor due to non-revalidation of performance security	17,015,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
3	University of Agriculture, Faisalabad	2021-22	2023-0000001376_F00090	Undue financial benefit to the contractor due to non-revalidation of performance security	15,150,000
4	University of Agriculture, Faisalabad	2021-22	2023-0000001376_F00078	Undue financial benefit due to non-revalidation of performance security	4,530,000
5	University of Agriculture, Faisalabad	2021-22	2023-0000001376_F00082	Undue financial benefit to the contractor due to non-revalidation of performance security	4,530,000
6	University of Agriculture, Faisalabad	2021-22	2023-0000001376_F00051	Loss to Govt. due to tendering of work on wrong bi-annual rates contrary to bidding conditions.	3,913,490
7	University of Agriculture, Faisalabad	2021-22	2023-0000001376_F00061	Undue financial benefit due to non-obtaining of additional performance guarantee in advance	1,330,000
Total					**484,972,096**

Lapse occurred due to weak financial and supervisory controls.

Violation of contractual obligations resulted in undue financial benefits extended to contractors

The matter was pointed out in April 2023. The management stated that the tender was based on the TS Estimate prepared as per 1st Bi-annual 2015. Tender, Approval, and work orders were issued in 1st Bi-annual 2015. The reply of the department was not acceptable as according to the approval of the campus committee, the cost of work was to be calculated based on MRS 2nd bi-annual 2014, instead of 1st bi-annual 2015. The management further stated that a detailed reply would be submitted after consulting the relevant record.

The matter was further reported to the administrative department. In DAC meetings held on 19.10.2023 and 15.12.2023, the paras at Sr. Nos. 1 & 6 were kept pending with the direction to probe the matter. The paras at Sr. Nos. 2 to 5 & 7 were kept pending for regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the department may affect recovery by calculating both bi-annual differences and responsibility be also fixed against the persons at fault.

2.4.10 Financial loss to the Government in procuring services of consulting firm-Rs. 112.96 million

As per Rule 21(1) of PPR 2014, a procuring agency may, for a specified period, debar a bidder or contractor from participating in any public procurement process of the procuring agency, if the bidder or contractor has:

(b) consistently failed to perform his obligation under the contract;

(c) not performed the contract up to the mark

During audit of Project Establishment of Model Farms Linked with Improved Supply Chain and Value Addition for the period 2017-22, it was observed that Agriculture Department initiated the project for four years i.e. 2017-18 to 2020-21. An Expression of Interest (EOI) for hiring of consultancy services was advertised by the department in September 2017 to shortlist interested firms.

The contract was awarded to CABI & Star Farms rejecting the lowest bidder. The collusive practices remained unchecked as detailed in annexure-5. The bidder was not conforming to sound financial credentials as financial statements submitted and evaluated were afflicted with negative equity at the time of awarding the bidding company the highest marks. As regards contract enforcement the contract for 6 domestic expos of international standard was awarded to CABI & Star Farms but it failed to fulfill its commitment, yet no action was taken against the CABI & Star Farms for breaches of contract. Neither bid security nor performance security of the service provider was forfeited nor the bidder was declared as blacklisted.

Lapse occurred due to weak supervisory control.

Preliminary observation was issued in April 2023 and the management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 27.11.2023, the para was kept pending for obtaining proof from SECP that Star Farms was not insolvent at the time of bidding. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be probed into at the administrative department's level to fix the responsibility for loss due to rejecting the lowest bid.

(PDP No. 2023-0000001175_F00001)

2.4.11 Irregular procurements-Rs. 103.49 million

According to Rules 9 & 12 (1) of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in the public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper. Rule 32(1) of Rules ibid provides that all bids shall be evaluated in accordance with the evaluation criteria and other terms and conditions set forth in the prescribed bidding document. Rule 37 of Rules ibid provides that a procuring agency shall announce the results of bid evaluation in the form of a report, giving justification for acceptance or rejection of bids at least ten days prior to the award of the procurement contract.

During audit of the Agriculture Department, it was observed that an expenditure of Rs. 103,485,252 was incurred by the management on various procurements characterized by instances of mis-procurement. The details of as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1.	Project Director PMAS-AAUR construction of sub-campus Attock.	2021-22	2023-0000001581_F00006	Wasteful expenditure on purchase/installation of IT equipment without physical existence of the equipment and networking.	28,049,437
2.	Secretary Agriculture, South Punjab, Multan	2022-23	2023-0000005656_F00001	Manipulation of procurement processes and fictitious competition	24,984,123
3.	Project Director PMAS-AAUR construction of sub-campus Attock.	2021-22	2023-0000001581_F00004	Irregular purchase of furniture without having competitive rates	23,559,333
4.	Secretary Agriculture, South Punjab, Multan	2022-23	2023-0000005656_F00002	Failure to Adhere to PPR Rules and	14,237,424

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
				Deliberate Splitting of Expenditure	
5.	Secretary Agriculture, Govt. of the Punjab, Lahore	2022-23	2023-0000004355_F00005	Irregular expenditure through petty purchases	8,641,605
6.	Mian Nawaz Sharif University of Agriculture , Multan	2020-23	2023-0000003187_F00002	Irregular expenditure on purchase air conditioners without approval of austerity committee.	2,611,083
7.	Project Director PMAS-AAUR construction of sub-campus Attock	2021-22	2023-0000001581_F00011	Wasteful expenditure on purchase/installation of security equipment without physical existence of the equipment and networking.	1,402,247
Total					**103,485,252**

The expenditure was held irregular on the following grounds:

1. Procurement was made without technical evaluation in violation of provisions of PPR 2014.
2. Procurement was opted through petty purchases by avoiding the tender.
3. Procurements were preferred through quotations by splitting the indents
4. Procured equipment was not installed in a timely manner.
5. Payments were made but the material was not received.

The matter was pointed out in February and April 2023. The DDOs noted the observations for compliance.

The matter was further reported to the administrative department. DAC meetings were held on 29.11.2023, 26.12.2023 and 23.01.2024. The paras at Sr. Nos. 1 and 3 were kept pending for verification of record. The paras at Sr. Nos. 2, 4 & 5 were kept pending for regularization from the Finance Department. The para at Sr. No. 6 was reduced to the extent shown in the table and kept pending for regularization from the Finance Department. The para at Sr. No. 7 was kept pending for probe. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be probed into at the administrative department's level to fix the responsibility for the lapses, besides seeking regularization from the Finance Department.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para numbers 2.4.3, 2.4.11 and 2.4.6 having financial impact of Rs. 1057.57 million, Rs. 25.26 million and Rs. 8.36 million. Recurrence of the same irregularity is a matter of serious concern.

2.4.12 Undue payment of price variation-Rs. 15.82 million

As per Clause 55 of the standard bidding documents for civil works, where any variation (increase or decrease), to the extent of 5% or more, in the price of any of the items mentioned in the sub-clause. The base price for the purposes of calculation of the price variation shall be the price prevalent in the month during which the last day of the submission of tender falls. Further, as per clause 55 (4) of the bidding documents ibid, the price variation under this clause shall be worked out on the basis of the price of the particular item prevalent in a particular District on the first day of each month as per price list of such manufacturers or suppliers at such places as are notified by the Finance Department from time to time.

During audit of the project titled "Establishment of sub-campus Pir Mahr Ali Shah Arid Agriculture University at Attock Phase-II", it was observed that an amount of Rs. 15,816,200 was paid to M/s Al-Fateh Builders vide cheque No. A154401 dated 04.11.2021 on account of price variation. However, in support of payment, a detailed measurement book showing the dates of execution of work and prevalent rates of items of the particular month and district was not posted on record entries. The measurement book shown to the audit had not been prepared date-wise, rather it was prepared for the whole of the year. Similarly, a liability of Rs. 66 million on account of price variation had been created by the university management which was unsubstantiated.

The lapse occurred due to weak administrative and financial controls of the management.

In response to the preliminary observation issued in May 2023, the management stated that the reply would be given later.

The matter was further reported to the administrative department. The response was not incorporated in the departmental reply despite convening a DAC meeting for other agenda items of the same set of observations served on the entity. No further request for a fresh DAC meeting was received till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that matters be inquired into at the administrative department's level for fixing responsibility and taking remedial measures, besides initiating action against the persons held responsible. Further payments be stopped forthwith against the claims of additional liabilities.

(PDP No. 2023-0000001581_F00012)

HR/Employees related irregularities

2.4.13 Irregular appointments against advertisement with an unspecified number of vacancies-Rs. 145.68 million

The Supreme Court of Pakistan in its judgment dated 19.01.1993 in Human Rights Case No. 104 of 1992 held that recruitment, both ad-hoc and regular, without publicity and properly advertising the vacancies violates fundamental rights. As such no post could be filled in without proper advertisement, even on an ad hoc or contract basis.

Under the chapter titled "Fundamental Rights" of Constitution of Pakistan, equality of citizens and safeguard against discrimination in services have been guaranteed. Article 25 of Constitution provides that all citizens are equal before the law and are entitled to equal protection of the law.

Under the provisions of Rule 17 of the Punjab Civil Servants (Appointment & Conditions of Service) Rules, 1974, no post can be filled in without proper advertisement. Further, Recruitment Policy, 2004 does not allow appointment of any person without advertisement and in violation of any procedural formalities laid down in the policy.

During audit of accounts of the University of Agriculture Faisalabad for the financial year 2021-22, it was observed that appointments/regularization of teaching and non-teaching staff were afflicted with shortcomings noticed in these recruitments as tabulated below:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00015	Irregular appointment of sixty Assistant Professors on ambiguous/faulty advertisement as the number of posts was not mentioned in the advertisement notice published in the newspaper	131,274,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
2	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00014	Advertisement was published for recruitment of Professors but appointment was made for posts of Associate Professors	11,588,316
3	University of Agriculture, Faisalabad.	2021-22	2023-0000001376_F00013	The appointment of one Professor of Bio-Technology was in excess of the Advertised Posts	2,818,464
Total					**145,680,780**

The lapse occurred due to weak internal and supervisory controls.

The matter was pointed out in April 2023. The management stated that a reply would be submitted after consulting the record.

The matter was further reported to the administrative department. In DAC meetings held on 15.12.2023, the paras were kept pending for regularization from the Finance Department besides ensuring the discontinuation of publishing ambiguous advertisements. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the lapse be inquired into, besides ensuring remedial measures for seeking regularization of the lapse.

2.4.14 Unlawful allotments of residences in AARI premises

According to Para 12.1 of the Punjab Government Residences Allotment Policy 2021, notified by Government of the Punjab, Services and General Administration Department (Estate Office) vide No. EO(S&GAD)Misc.2000(Prov.) Allotment Policy (Vol-II)-2673 dated 14th December 2021, the mode of allotment of accommodation shall be made on the principle of a "first come first served" basis.

During audit of the Chief Scientist, Ayub Agricultural Research Institute (AARI) Faisalabad for the financial year 2021-22, it was observed that 258 residences were available in the AARI premises. The application and allotment process were reviewed and it was found that allotment of accommodations was not made on the principle "first come first served" basis in violation of the above-notified policy.

Lapse occurred due to weak administrative and financial controls. This resulted in unlawful allotments of residences due to non-observance of the Government Allotment Policy. The reply was not satisfactory being evasive.

In reply to preliminary observation, the DDO stated that all the residences were allotted in the light of the Allotment Policy.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter being a serious service delivery issue should be inquired into. The mode of allotment of Government residences needed to conform to the Government's notified policy besides avoiding the recurrence of such lapses in the future.

(PDP No. 2023-0000001574_F00009)

2.4.15 Drawbacks in project oversight pertaining to planning, training, and project outcomes

As per PC-I of the project titled as "Establishment of Model Farms Linked with Improved Supply Chain and Value Addition", the objectives of the project were to increase productivity, enhance export, and improve the socio-economic condition and uplifting of livelihood of the cereal and high-value horticultural products growers i.e. already committed in Punjab Growth Strategy 2018.

During audit of "Establishment of Model Farms Linked with Improved Supply Chain and Value Addition" for the period 2017-22, it was observed that while preparing the PC-I for the project, the decision to outsource certain activities was made without adequately considering the capacity and resources of the agriculture department. It was revealed that project deliverables were not achieved by the management. The details are given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Establishment of Model Farms Linked with Improved Supply Chain and Value Addition	2017-22	2023-0000001175_F00018	The payment was made to the consultants for training despite an unsatisfactory performance assessment by the independent monitoring team.	16,100,000
2	Establishment of Model Farms Linked with Improved Supply	2017-22	2023-0000001175_F00003	Less achievement of targets contemplated in the PC-1 of the project	-

	Chain and Value Addition				
Total					**16,100,000**

The project implementation suffered from the following drawbacks:

i. Training modules administered were reliant on outdated curriculum design, defeating value for money for Rs. 16.10 million.
ii. The target of Support for International Certifications, at the farm level (Global GAP) was 83 but achievement was 27.
iii. The target of Support for International Certifications, at the Processors level (Global GAP) was 100 but achievement was 11.
iv. The target of Market Linkage Program International Exhibitions (no) was 11 but achievement was Zero.

Moreover, project revisions as per the extended gestation period had also expired.

Lapse occurred due to weak supervisory control.

Preliminary observation was issued in April 2023. The DDO noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 27.11.2023, the para at Sr. No. 1 was kept pending for compliance, and the para at Sr. No. 2 was kept pending for probe at the administrative department's level. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at the administrative department's level to evolve a remedial action plan for securing value for money returns of the project.

Value for money and service delivery issues

2.4.16 Non-payment of subsidy to farmers on agricultural implements for wheat-Rs. 1,206.4 million

Clause 6.1.2 of the PC-I stipulates the provision of agricultural implements for the mechanical sowing of wheat through drill planting. This initiative aims to ensure uniform germination, improve plant stand, and enhance fertilizer efficiency, particularly for phosphorous and potash. The mechanism established for this endeavor involves a 50% cost-sharing arrangement with the farmers.

During audit of the Director General, Agriculture (Ext. & AR), Lahore, for the financial year 2022-23, it was identified that agricultural implements had not been distributed to the farmers and the stipulated subsidy had not been disbursed, in accordance with the approved PC-I of the "National Program for Enhancing Profitability Through Increasing Productivity of Wheat”. The Provincial Steering Committee also expressed its commitment to address the issue effectively and mandated the Additional Secretary of Planning in the Agriculture Department to meticulously examine the relevant records and formulate recommendations for clearing the backlog. However, despite these measures, agricultural machinery and implements had not been provided to farmers or service providers through a transparent cost-sharing mechanism which is adversely affecting the agricultural community and service providers.

Audit is of the view that the lapse occurred due to weak supervisory controls and the non-finalization of the matter by the committee constituted by the PSC.

When pointed out in October 2023, the department stated that a reply would be submitted after consulting the record.

The matter was further reported to the administrative department. In DAC meetings held on 23.01.2024, the para was kept pending for compliance. Further progress was not reported by the Department till the finalization of this report.

Audit recommends that the matter be inquired into at the administrative department’s level and remedial measures be taken to avoid such lapses in the future.

(PDP No. 2023-0000004356_F00006)

2.4.17 Suboptimal achievement of targets-Rs. 440.48 million

As per Section 6.1.5 of PC-I, the certified seed adoption will be improved by upto 50% at the end of the project period. Agriculture Extension & Adaptive Research is responsible for disseminating the latest production technology to the farmers through research, development, and adoption of modern production technology by using international best agricultural practices. In this way, the Federal Government fixed annual targets for production and area. Moreover, under different field offices of the Agriculture Department, different projects were under implementation having specified goals and targets.

During audit of the Agriculture Department, it was observed that revenue, subsidy, and production targets fixed by the Government were not achieved by the department. The details are given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Targets	Amount (Rs.)
1	Secretary Agriculture, Govt. of the Punjab	2022-23	2023-0000004355_F00013	Non-achievement of Physical targets	263,942,013
2	Director General, Agriculture (Ext. & AR), Lahore	2022-23	2023-0000004356_F00005	Non-achievement of physical targets and objectives concerning implements, certified seed and weedicides	176,537,661
Total					**440,479,674**

The audit is of the view that the lapse occurred due to weak supervisory and administrative controls.

The matter was pointed out to the concerned formations during September and October 2023. The management at Sr. No. 1 stated that a detailed reply would be submitted. The management at Sr. No. 2 replied that to address the issue, a thorough review would be conducted of the factors contributing to the underachievement of receipt targets.

The matter was further reported to the administrative department. In DAC meetings held on 23.01.2024, the para at Sr. No. 1 & 2 were kept pending for verification of record. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at the administrative department's level and that responsibility be fixed for the non-achievement of targets besides taking remedial measures.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para numbers 2.4.15 and 2.4.7 having financial impact of Rs. 1,182.6 million. Recurrence of the same irregularity is a matter of serious concern.

2.4.18 Impaired service delivery due to delays in the provision of machinery-Rs. 4.41 million

As per Rule 2.10 (a) (i) PFR Vol-I, every Government officer is expected to exercise the same vigilance in respect of expenditure incurred from Government revenue as a person of ordinary prudence would exercise in respect of expenditure of his own money.

As per the Work Order issued to the concerned companies, it was advised to arrange delivery of laser land leveler units of approved standards and specifications to the concerned farmers/service providers at the earliest but not later than 90 days from the issuance of work order as per terms and condition mentioned in the prequalification notification.

During audit of the Deputy Director (OFWM) for the financial year 2019-22, it was observed that in 12 cases, farmers had deposited Rs. 4,409,028 as their share of the laser land leveler machines and even further deposited the difference due to imposition of taxes, but they had not received the machines up till now. The delay in providing the machines caused financial difficulties for the farmers who were expecting to use the machines for their farming activities.

Lapse occurred due to weak supervisory and financial controls.

The matter was pointed out in May 2023. The Department noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 26.12.2023, the para was kept pending for probe. Further progress was not reported by the department till the finalization of this report.

Audit recommends that laser land leveler machines be provided to farmers who have already paid their share. Further, the department should start legal action against the firms who failed to fulfill their contractual obligation.

(PDP No. 2023-0000001464_F00005)

2.4.19 Loss due to non-utilization of available earth-Rs. 3.57 million

As per Rule 2.10 (a) (i) PFR Vol-I, every Government officer is expected to exercise the same vigilance in respect of expenditure incurred from Government revenue as a person of ordinary prudence would exercise in respect of expenditure of his own money.

During audit of the University of Agriculture Faisalabad for the period 2021-22, it was observed that the department made payment for the item of work excavation in the foundation of building bridges and other structures etc. The department obtained earth through the excavation of the foundation of buildings measuring 288715.55 Cft and utilized quantity 126679.66 Cft in filling as surplus earth. Further, the department made payment of the item "supplying and filling Gassu/pit sand under foundation & floor etc." from outside instead of using the available earth 162036 Cft which resulted in a loss of Rs 3,564,796.

Weak technical, supervisory, and financial controls resulted in a loss of Rs. 3,564,796.

In reply to preliminary observation, the DDO stated that the Qty 288715.55 Cft was the wet volume of earth excavated for the laying of the substructure. As per Rule, $2/3^{rd}$ excavated earth should be considered as surplus earth. However, the detailed reply would be submitted after consulting the relevant record. The reply of the department was not acceptable as no evidence was provided by the department in support of the reply.

The matter was further reported to the administrative department. In DAC meetings held on 19.10.2023, the para was kept pending for detailed verification of records regarding the use of surplus earth in surrounding areas as well as a test report showing that the available earth was not suitable for filling. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be probed at the administrative department's level, besides affecting recovery from the concerned.

(PDP No. 2023-0000001376_F00037)

2.4.20 Unauthorized encroachment of Government Land

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part.

During audit of the Agriculture Department, it was observed that valuable land of the department was encroached upon. No fruitful efforts were made for the vacation and retrieval of the state land. The details are given as under:

Sr. No.	**Name of Formation**	**PDP No.**	**Brief Description of Encroachment**
1	Chief Scientist, Ayub Agricultural Research Institute	2023-0000001574_F00008	2804 Acre land was under the illegal occupation of Pattadars 163 Acres area was

	(AARI) Faisalabad		encroached by other than Pattadars.
2	University of Agriculture Faisalabad	2023-0000001376_F00024	116 Acre 5 Kanal and 12 Marla were illegally occupied by the local residents
3	Secretary, Agriculture, Govt. of the Punjab	2023-0000004355_F00014	Illegal occupation of Govt. Land for 511.63 Acre
4	DG Agriculture (Extension & AR), Lahore	2023-0000004356_F00016	Illegal occupation of Govt. Land for 267.57 Acre

Lapse occurred due to weak internal and financial controls.

The matter was pointed out in April, September, and October 2023. The management at Sr. No. 1 stated that the department made hectic efforts to get the land vacated from illegal occupants. The management at Sr. No. 2 replied that efforts were being made for the retrieval of encroached land. The management at Sr. No. 3 replied that a detailed reply would be given later. The management at Sr. No. 4 stated that priority encroachments would be earmarked and then action would be taken accordingly.

The matter was further reported to the administrative department. In DAC meetings held on 19.10.2023 and 23.01.2024, the paras at Sr. Nos. 2 & 3 were kept pending for compliance. The para at Sr. No. 4 was kept pending to vacate the land from illegal occupants. Further progress was not reported by the department. As regards the remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that remedial measures be taken for retrieval of land from illegal occupants.

Financial Matters

2.4.21 Loss to university due to mismanagement of investments-Rs. 92.58 million

As per Section 17 (a) of the University of Agriculture Faisalabad Act 1973, the treasurer shall manage the property, the finances, and the investments of the University; As per Section 39 of the University of Agriculture Faisalabad Act 1973, the University shall have a fund to which shall be credited its income from fees, donations, trusts, bequests, endowments, contributions, grants and all other sources.

During audit of the University of Agriculture, Faisalabad for the period 2021-22, it was observed that investment of the university funds was mismanaged by the authorities which resulted in a loss of Rs. 92,582,869 to the university.

The details are as under:

Sr. No.	PDP No.	Description	Amount (Rs.)
1	2023-0000001376_F00004	Loss due to non-reinvesting the funds at higher interest rates	72,042,435
2	2023-0000001376_F00005	Loss of Interest Income due to delay in reinvesting the matured investments	14,355,908
3	2023-0000001376_F00007	Loss due to Non-Investment of amount	5,208,345
4	2023-0000001376_F00006	Loss to university due to late credit of Principal/interest amount by the banks	976,181
Total			**92,582,869**

Lapse occurred due to weak financial and supervisory control.

Preliminary observation was issued in April 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 19.10.2023, the paras at Sr. No. 1 & 4 were kept pending for verification of record. The para at Sr. No. 2 was kept pending for regularization from a competent forum. The para at Sr. No. 3 was kept pending for probe. Further progress was not reported by the department till the finalization of this report.

Audit recommends that losses suffered may be made good affecting recovery from those held responsible.

2.4.22 Non-payment of pending subsidy under "Development of Supply Chain Infrastructure"-Rs. 37.10 million

As Per PC-1 for the project titled "Establishment of Model Farms Linked with Improved Supply Chain and Value Addition", a cluster of 21 farms had attained Global GAP Certifications during the life of "Supply Improvement Project" and were entitled to the subsidy. The subsidy was to be worked out at Rs. 200,000 per civil works and Rs. 250,000 for machinery and equipment.

Against entitlement of certified clusters, 30% was to be paid by the beneficiary and 70 % was to be paid by the Government in Year 1. In year 2, the beneficiary share and subsidy were to be shared at the rate of 50:50.

During audit of "Establishment of Model Farms Linked with Improved Supply Chain and Value Addition" for the period 2017-22, it was observed that an amount of Rs. 43,117,500 was calculated as a subsidy for 21 clusters. Rs. 6,021,043 had already been paid from the previous project. So, an amount of Rs. 37,096,457 was worked out as pending liability of 21 clusters to be paid by the Project Establishment of Model Farms Linked with Improved Supply Chain and Value Addition. For this purpose, allocation of Rs. 37,096,457 was made in the PC-1 of the Project but the same had not yet been paid to 21 clusters.

Lapse occurred due to weak financial and supervisory control.

Preliminary observation was issued in April 2023. The DDO noted the observation for compliance.

In DAC meetings held on 27.11.2023, the para was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at the administrative department's level to fix responsibility against the delinquents.

(PDP No. 2023-0000001175_F00015)

2.4.23 Unauthorized hiring and usage of a car not approved in PC-1-Rs. 6.50 million

As Per PC-1 titled "Establishment of Model Farms Linked with Improved Supply Chain and Value Addition", an amount of Rs. 3.14 million was allocated in PC-1 during the financial year 2017-18 for the purchase of a car.

During audit of "Establishment of Model Farms Linked with Improved Supply Chain and Value Addition" for the financial year 2017-22, it was observed that a car was hired for the project and an expenditure of Rs. 6,498,144 had been incurred as rent against services of car. However, there was no such allocation in PC-1. The project was using rented car, but no vehicles were purchased despite the fact that an amount of Rs. 3.14 million was allocated in PC-1 during the financial year 2017-18. An unauthorized amount of Rs. 6,498,144 had been expended as the rent of a Car. POL has been consumed for Rs. 1,908,918 additionally and the monthly rent of the car had also been paid for this vehicle.

Lapse occurred due to weak financial and supervisory control.

Preliminary observation was issued in April 2023. The DDO noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 27.11.2023, the para was kept pending for probe at the administrative department's level. Further progress was not reported by the department till the finalization of this report.

(PDP No. 2023-0000001175_F00009)

Others

2.4.24 Unjustified submission of PC-IV without completion of the project-Rs. 785.62 million

As per letter no. PMAS-AAUR/P&D/175 dated: 27.12.2022, project completion report (PC-IV) of the ADP-funded project titled "Establishment of sub-campus PMAS Arid Agriculture University at Attock Phase-II" was submitted to Agriculture Department Govt. of the Punjab, for their consideration and necessary action. Further, Govt. of the Punjab, Agriculture Department submitted the PC-IV (completion report) along with relevant documents in the prescribed format vide forwarding letter No. SOA (P) 9-17-2003 dated 05.01.2023 to Director General Monitoring and Evaluation, Planning and Development Department for information and further necessary action.

During audit of the accounts of Project Director PMAS AAUR, it was observed that the PC-IV of the project "Establishment of sub-campus PMAS Arid Agriculture University at Attock Phase-II" was submitted by the university management despite the fact that the project was not completed on the ground. The audit further observed during the site visit along with university management that substandard civil works were executed and works were shown completed in PC-IV whereas these were found incomplete and of substandard execution as detailed at annexure-6.

The lapse occurred due to weak administrative and financial controls of the management.

In response to the preliminary observation issued in May 2023, the management stated that a reply would be given later.

The matter was further reported to the administrative department. In DAC meetings held on 29.11.2023, the para was kept pending for probe at the administrative department's level. Further progress was not reported by the department till the finalization of this report.

Audit recommends that recovery be affected from the contractors, besides initiating disciplinary action against the persons held responsible for non-recovery.

(PDP No. 2023-0000001581_F00001)

2.4.25 Expenditure incurred from public account without approval of regulations-Rs. 115.34 million

According to para 14.3.1.1 of the APPM, no authority shall incur expenditure or enter into any commitment involving expenditure from the Public Account, unless it is sanctioned under the governing Act, Order, or other Regulation for the particular trust account or special deposit account. According to para 14.3.1.2, the balances held in Public Account heads shall be carried forward from year to year, in accordance with the relevant Acts, Presidential Orders or other statutes governing each trust fund and special deposit account.

During audit of the Secretary Agriculture, Government of the Punjab, Lahore for the F.Y 2022-23, it was observed that as per SAP R3 data and Finance Account, an amount of Rs. 115,342,669 was drawn from Government Treasury by Punjab Agricultural Marketing Regulatory Authority (PAMRA) without securing formal approval to the effect with a duly conferred legal cover of Cabinet approval. The Cabinet approval secured was for competence with prospective effect. The disbursement of the amount in question was without legal cover as regulations to govern such disbursements were not yet notified. The expenditure incurred was a gross violation of substantive provisions of APPM relatable to the Public Account. The regularization of the violation of substantive procedure and policy holding the field was yet to be secured by the respondent entity.

Audit is of the view that lapse occurred due to weak monitoring system, supervisory and financial control.

When pointed out in September 2023, management noted the observation and responded that a detailed response would be given later.

The matter was further reported to the administrative department. In DAC meetings held on 23.01.2024, the para was kept pending for verification of record. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be probed into for fixing responsibility against those held responsible besides strengthening internal controls.

(PDP No. 2023-0000004355_F00016)

2.4.26 Financial irregularities during the execution of civil works-Rs. 112.18 million

As per Rule 7.1 of Departmental Financial Rules, subject to the terms of the contract and such subsidiary instructions as may be laid down by the Government to ensure that the works are executed in accordance with the prescribed specifications, plans, and drawings, payments for work done are not made to the contractor otherwise than on the certificates of the officers in charge of the work, as detailed in Rules 7.103 and 7.104. Further, as per Rule 7.28 of the Rules ibid, full rates as per agreement, catalog, indent, or other order should be allowed only if the quality of work done or supplies made is up to the stipulated specification. According to clause 10 of the contract agreement, the contractor shall execute the works in the most substantial and workman-like manner, and both as regards material and otherwise in every respect in accordance with the specifications.

During audit of the Agriculture Department, it was observed that various civil works were executed and various financial irregularities of Rs. 112,176,401 (Annexure-7) were observed as mentioned against each.

A brief of deviations is narrated as follows:

- Irregular allotment of works of interventions with breach of eligibility criteria
- Un-authorized deviation of items with respect to items approved in PC-I
- Use of low-quality material in foundations of the interventions despite approval at high-quality
- Overpayment due to non-utilization of available earth
- Overpayment due to non-deduction of shrinkage
- Undue benefit to the contractor due to obtaining less amount of additional performance guarantee
- Non-recovery of liquidated damages due to non-completion of work within the stipulated period
- Loss to Govt. due to substandard RCC work
- Loss to Govt. due to use of non-economical and irrelevant item
- Excess expenditure due to excess/overestimate/BOQ

The audit is of the view that weak financial and administrative controls led to deviations and irregularities mentioned above during the execution of work.

When the matter was pointed out, the management noted the observations.

The matter was further reported to the administrative department. DAC meetings were held on 19.10.2023, 26.10.2023, 29.11.2023, 15.12.2023 and 26.12.2023. The para at Sr. No. 1 was kept pending till the approval of revised PC-I by the PDWP. The paras at Sr. Nos. 2, 3 & 9 were kept pending for verification of record. The paras at Sr. Nos. 4 & 11 were kept pending for probe and approval of revised PC-I. The para at Sr. No. 5 was kept pending for vetting of estimates from the Chief Engineer and approval of revised PC-I. The para at Sr. Nos. 6 & 15 were kept pending for recovery. The para at Sr. No. 7 was kept pending for the provision of an organic soil test report showing that available earth was not suitable for use or affect recovery. The paras at Sr. Nos. 8 and 16 were kept pending for a test report showing the compaction of the earth. The para at Sr. No. 10 was kept pending with the direction to revise the rates as per rates taken by the cardiology department in the excavation of the basement and deduct the rate of refilling and ramming where not required. The para at Sr. No. 12 was kept pending for recovery of interest amount from the contractor. The para at Sr. No. 13 was kept pending for cross-section measurement and recovery of overpayment. The para at Sr. No. 14 was kept pending for the provision of the lead chart from C&W Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at the administrative department's level for fixing responsibility, and taking remedial measures, besides seeking regularization of the expenditure.

2.4.27 Non-compliance with PC-I-Rs. 39.46 million

As per Section 6 under "Cost Sharing" of Annexures D1 to D6 of PC-I of the project titled "National Program for Improvement of Watercourses in Pakistan", the maximum share of the Government was 60% of the total cost.

During audit of the Deputy Director (OFWM) for the financial year 2019-22, it was observed that for 101 cases of water improvement projects under the NPIW Phase II Scheme, the Government share was more than 60% of the total cost. The Government share for these projects ranged up to 73.87% leading to excess payment of Rs. 39,458,605, in violation of the cost-sharing requirement stated above.

The audit is of the view that non-compliance with the PC-I cost-sharing requirement for water course improvement projects can lead to an inefficient and inequitable allocation of public funds.

The matter was pointed out in May 2023. The department noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 26.12.2023, the para was kept pending till the submission of the inquiry report by the committee. Further progress was not reported by the department till the finalization of this report.

The audit recommends immediate action to ensure recovery of the excess amount paid for water course improvement projects. The department should review and revise its procedures and guidelines to ensure that the Government share does not exceed the maximum limit of 60% of the total cost.

(PDP No. 2023-0000001464_F00003)

2.4.28 Unauthorized payment to the defaulting contractors- Rs. 4.98 million

As per clause 55 of the agreement titled as "Construction of Research Institute at PMAS-ARID Agriculture University Rawalpindi (Sub Campus Attock)", no escalation shall be allowed to the contractor in respect of the period extended for the completion of work due to his own fault.

During audit of the accounts of Project Director PMAS- ARID Agriculture University Rawalpindi (Sub Campus Attock), it was observed that the work was awarded to M/S Mir Muhammad Alam Khan Lahri & Brothers for a contract amount of Rs. 111,720,267 vide acceptance letter No. P.D(W)/1920/127 dated 8.05.2020. The contractors could not complete the work in the stipulated period as the works were still in progress despite the lapse of more than 2 years. Further, the department paid the contractor an amount of Rs. 4,977,821 as price variation.

The amount paid was unauthorized due to the following reasons:

i) Record entries made in the measurement books were recorded without a date. In the absence of the same, the correct date of execution of work cannot be authenticated.
ii) Payment was made beyond the limit of the provision of contingencies made in the contract agreement.
iii) The price variation was calculated on the date of payment of the bill instead of the date of actual execution of work at the site.
iv) The contractor could not complete the work within the stipulated period. Therefore, instead of declaring him a defaulter by imposing the penalty, price variation was allowed which was unjustified.

The lapse occurred due to a violation of contractual obligation and resulted in an unjustified payment of Rs. 4,977,821 for price variation.

When pointed out in May 2023, the management stated that a reply would be given later.

The matter was further reported to the administrative department. DAC meeting was held on 29.11.2023. The department stated that the university had constituted a committee to probe into the matter. The para was kept pending for a fact-finding report. Further progress was not reported by the department till the finalization of this report.

Audit recommends that matters be inquired into for fixing responsibility against the delinquents, having benefited the contractor unduly and affecting recovery from the contractor.

(PDP No. 2023-0000001581_F00023)

CHAPTER 3
AUQAF AND RELIGIOUS AFFAIRS DEPARTMENT

3.1 Introduction

The Auqaf & Religious Affairs Department is headed by a Secretary, who is assisted by an Additional Secretary and a Deputy Secretary along with their ancillary staff. Secretary Auqaf & Religious Affairs also acts as Chief Administrator, Auqaf. The Auqaf Organization is a self-supporting body. Its sources of funding are shrine donations, grants, income from leased agricultural lands, and rents from commercial as well as residential properties. The funds generated are utilized for education, medical facilities, social welfare, academic scholarships, and for maintenance/operation of important religious monuments and Holy places. The Auqaf Organization comprises the following six Directorates:

- Directorate of Administration
- Directorate of Estate
- Directorate of Finance
- Directorate of Religious Affairs
- Directorate of Projects
- Directorate of Health Services

Functions

- Administration of the Punjab Waqf Properties Ordinance, 1979.
- Managing mosques, shrines, and other religious institutions under the control of the Chief Administrator, Auqaf, Punjab, except historical monuments.
- Management of Central Auqaf Fund.
- Management of Muslim graveyards taken over by the Chief Administrator of Auqaf, Punjab under section 7 of the West Pakistan Waqf Properties Ordinance, 1979.
- Managing Charitable and Religious Endowments.
- Preparation and implementation of religious education schemes.
- Management and repair of Badshahi Mosque, Lahore.
- Religious Education Schemes.
- Publication of books on Islamiat.

- Printing and Publication of the Holy Quran including administration of the publication of the Holy Quran (Elimination of Printing & Recording Errors) Act, 1973.
- Arrangements of Hajj Affairs in coordination with the Federal Govt.
- Administration of Data Darbar Hospital, Lahore.

Audit Profile of Auqaf and Religious Affairs Department

Sr. No.	Description	Total No.	Audited	Expenditure Audited 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)	Revenue/Receipts 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)
1	Formations	4	1	382	-
2	• Assignments Accounts • SDAs etc. (excluding FAP)	1	1	-	-
3	Authorities/Autonomous bodies etc. under the PAO	1	-	-	-
4	Foreign Aided Projects (FAP)	-	-	-	-

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The appropriation accounts of Auqaf and Religious Affairs Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of four grants/appropriations is given below:

• ***(Rupees in million)***

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	305.57	(203.52)	102.05	98.61	(3.44)
PC21023	500.00	(500.00)	0	0	0
PC22036	412.00	(166.26)	245.74	215.00	(30.74)
Total	**1,217.57**	**(869.78)**	**347.79**	**313.61**	**(34.18)**

Overview of Expenditure

The final budget of Auqaf and Religious Affairs Department for the year ended 30th June 2023 was Rs. 347.79 million. Out of this, the actual expenditure was Rs. 313.61 million. The breakup of current and development expenditure is given below

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	805,569,000	98,607,896	(706,961,104)	87.76
Development	412,000,000	214,997,893	(197,002,107)	47.82
Total	**1,217,569,000**	**313,605,789**	**(903,963,211)**	**74.24**

This composition changed due to supplementary grants and surrenders. The variance of final grant and actual expenditure is given below:

- ***(Amount in Rupees)***

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	102,048,000	98,607,896	(3,440,104)	(3.37)
Development	245,740,000	214,997,893	(30,742,107)	(12.51)
Total	**347,788,000**	**313,605,789**	**(34,182,211)**	**(9.83)**

Anticipated savings not surrendered

As per Para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (34.18) million at the close of the year 2022-23 under grants PC21010, PC21023, and PC22036 were not surrendered in time by the Department.

3.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 104.85 million were raised during audit of the Auqaf and Religious Affairs Department. This amount includes recoveries of Rs. 4.54 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	4.54
2.	Financial Matters	100.31
Total		**104.85**

3.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not received	Percentage of compliance
1	1999-2000	41	4	37	10
2	2001-2002	81	25	56	31
3	2012-2013	9	1	8	11
Total		**131**	**30**	**101**	**21**

Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.

The compliance status in Auqaf and Religious Affairs Department needs to be improved.

3.4 AUDIT PARAS

Recoveries and overpayments

3.4.1 Overpayment due to application of incorrect rate-Rs. 4.54 million

According to the instructions issued by the Finance Department, vide No. RO(Tech)FD-18-23/2004, dated 21.09.2004, rate analysis for the non-standardized items shall be prepared by the Executive Engineer, clearly giving the specifications of the material used and approved by the competent authority, not below the rank of Superintending Engineer on the basis of input rate of relevant quarter placed at the website of Finance Department.

During audit of the accounts of Secretary, Auqaf & Religious Affairs Department for the period 2020-22, it was observed that the management made payments for the items (P/L Marble size 11 ½"x11 ½"x3/4" or ½") for different quantities against various works. The audit observed that the department provided excess material rate and extra labour in the rate analysis. Actual labour of two masons and two collies was required instead of two masons, three collies, and ¼ skilled coolly. In this way, the department made an excess payment of Rs. 4,536,537.

Audit is of the view that the lapse occurred due to weak financial and supervisory controls.

The matter was pointed out in March 2023. The management stated that a detailed reply would be submitted later.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into to fix the responsibility and the loss be made good from the concerned at fault, besides ensuring the strengthening of supervisory and financial controls.

(PDP No. 2023-0000000727_F00033)

Financial Matters

3.4.2 Consultancy charges paid without completion of work in accordance with TORs-Rs. 100.31 million

According to Rule 2.10(a) (1) of PFR Vol-I, the same vigilance should be exercised in respect of expenditure incurred from Government revenue as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of the Auqaf & Religious Affairs Department for the period 2020-22, it was observed that an expenditure of Rs. 100,310,030 was incurred on the payment to the consultant before the completion of work as per TORs/without getting the contractual obligations completed by the contractor. The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Secretary, Government of the Punjab, Auqaf & Religious Affairs Department, Punjab, Lahore.	2020-22	2023-0000000727_F00028	Non-completion of tasks as per TORs and complete payment to the consultant	50,155,015
2	Secretary, Government of the Punjab, Auqaf & Religious Affairs Department, Punjab, Lahore.	2020-22	2023-0000000727_F00027	Unjustified payment without getting the contractual obligations completed	50,155,015
Total					**100,310,030**

Audit is of the view that weak management and compromised financial internal controls on expenditure resulted in irregular payments to the tune of Rs. 100.31 million.

The lapse was pointed out in March 2023. The management stated that a detailed reply would be submitted later.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the department may hold an inquiry into mis-procurement to take cognizance of breach of contractual obligation by consultants, besides strengthening its internal controls.

CHAPTER 4
BOARD OF REVENUE

4.1 Introduction

The Board of Revenue is a successor to the office of the Financial Commissioner. It was originally constituted under the provisions of West Pakistan Board of Revenue Act, 1957, which on dissolution of One Unit in 1970, became the Board of Revenue, Punjab.

The following are the main functions of the Board of Revenue:

- It is the controlling authority in all matters connected with the administration of land, land taxation, land revenue, preparation, updating and maintenance of records
- It is the highest Revenue Court and custodian of the rights of land of all the right-holders in the Province
- It exercises general superintendence and control over the Revenue Officers and Revenue Courts in the province and has suo-moto jurisdiction

Audit Profile of the Board of Revenue

Sr. No.	Description	Total Nos.	Audited	Expenditure Audited 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)	Revenue/Receipts 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)
1.	Formations	591	39	-	215,126
2.	• Assignment Accounts • SDAs etc. (excluding FAP)	4	1	-	-
3.	Authorities/autonomous bodies etc. under the PAO	1	-	-	-
4.	Foreign Aided Projects (FAP)	1	1	137.95	-

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The appropriation accounts of the Board of Revenue for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of eight grants/appropriations is given below:

a. ***(Rupees in million)***

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**

PC21002	5,998.08	182.04	6,180.12	5,786.39	(393.73)
PC21004	507.83	(134.90)	372.93	345.47	(27.46)
PC21006	121.06	(19.60)	101.46	96.26	(5.20)
PC21009	16.95	(8.85)	8.10	7.83	(0.27)
PC21010	8,024.68	2,086.62	10,111.30	9,104.78	(1,006.52)
PC21031	1,608.19	(9.99)	1,598.20	1,597.95	(0.26)
PC22036	1,991.11	1,565.75	3,556.86	960.35	(2,596.51)
PC16046	0.43	(0.43)	0	0	0
Total	**18,268.33**	**3,660.64**	**21,928.98**	**17,899.04**	**(4,029.94)**

Overview of Expenditure

The final budget of the Board of Revenue for the year ended 30th June 2023 was Rs. 21,928.98 million. Out of this, actual expenditure was Rs. 17,899.04 million. The breakup of current and development expenditure is given below:

b. ***(Amount in Rupees)***

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	16,277,225,000	16,938,688,481	661,463,481	4.06
Development	1,991,109,000	960,351,937	(1,030,757,063)	(51.77)
Total	**18,268,334,000**	**17,899,040,418**	**(369,293,582)**	**(2.02)**

This composition changed due to supplementary grants and surrenders.

The variance of the final grant and actual expenditure is given below:

c. ***(Amount in Rupees)***

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	18,372,116,000	16,938,688,481	(1,433,427,519)	(7.80)
Development	3,556,861,000	960,351,937	(2,596,509,063)	(73.00)
Total	**21,928,977,000**	**17,899,040,418**	**(4,029,936,582)**	**(18.38)**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (4,029.94) million at the close of the year 2022-23 under grants, PC21002, PC21004, PC21006, PC21009, PC21010, PC21031, PC22036 & PC16046 were not surrendered in time by the Department.

4.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 1,074.79 million were raised during audit of the Board of Revenue Department. This amount includes recoveries of Rs. 379.37 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	379.37
2.	Procurement related irregularities	131.29
3.	Others	564.13
Total		**1,074.79**

4.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance Received	Compliance not Received	Percentage of Compliance
1.	1987-88	7	3	4	43
2.	1988-89	08	02	06	25
3.	1989-90	41	12	29	29
4.	1990-91	10	3	7	30
5.	1991-92	03	0	03	0
6.	1992-93	15	6	9	40
7.	1993-94	23	4	19	17
8.	1994-95	23	3	20	13
9.	1996-97	31	6	25	19
10.	1997-98	43	9	34	21
11.	1998-99	77	26	51	34
12.	1999-00	71	20	51	28
13.	2000-01	198	40	158	20
14.	2011-12	3	0	3	0
Total		**553**	**134**	**419**	**24**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance with PAC directives in the Board of Revenue Department is not satisfactory and needs improvement. However, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

4.4 AUDIT PARAS

Recoveries and overpayments

4.4.1 Non-deduction of taxes-Rs. 276.67 million

Punjab Sales Tax on Services was required to be deducted while making payments to the service providers at prescribed rates as mentioned in the 2nd Schedule of the Punjab Sales Tax on Services Act. Moreover, Section 236A of the Income Tax Ordinance 2001 provides that advance tax should be deducted @ 10% of the gross sale price of any property or goods sold by auction. Further, under Section 153 of Income Tax Ordinance 2001, Income tax was required to be deducted from the payments to firms at source on the gross amount at prescribed rates. Sales Tax Act 1990 provides that purchases should be made from the registered firms and 1/5th value of the total GST be withheld. As per Stamp Act 1899, stamp duty on the contracts entered into for procurement of stores and materials was levied at the rate of 25 paisa for every Rs.100 or part thereof of the amount of the contract.

During audit of the following entities, it was observed that an amount of Rs. 276,669,068 on account of advance income tax on auction, GST, PST, and stamp duty was not deducted at source from the payments of suppliers/service providers. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	PLRA Lahore	2022-23	2023-0000005650_F00001	Non-charging of Punjab Sales Tax on service charges of PLRA	113,000,000
2	Additional Deputy Collector Revenue Lahore	2022-23	2023-0000004709_F00001	Non-realization of advance income tax	106,155,000
3	Project Director/ Principal Revenue Academy	2022-23	2023-0000004747_F00003	Non-deduction of taxes while distribution of stipend to master trainers	46,094,568
4	PD-Punjab Urban Land Systems Enhancement-Project	2022-23	2023-0000004574_F00004	Non-realization of stamp duty	4,768,191

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
5	Senior Member Board of Revenue, Punjab	2022-23	2023-0000002826_F00032	Non-deduction of stamp duty	2,767,121
6	PD-Punjab Urban Land Systems Enhancement-Project	2022-23	2023-0000004574_F00002	Non-deduction of taxes	1,800,348

8	Secretary Board of Revenue (South Punjab)	2022-23	2023-0000004736_F00006	Less Deduction of Taxes	283,840
Total					**276,669,068**

Audit is of the view that the lapse occurred due to weak internal controls on taxation and oversight on the part of withholding agents.

The matter was pointed out from July to November 2023. The management at Sr. No. 1 replied that no sales tax was applicable on services provided by PLRA as land record services do not fall under taxable services given in the relevant schedule. The reply was not tenable as PLRA received service charges at the rate of Rs. 1,000 for each mutation and IT services employed by PLRA are without conferment of PST exemption. The rest of the entities either did not respond or noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 05.12.2023, 26.12.2023, 27.12.2023, 15.01.2024 and 17.01.2024, the paras at Sr. Nos. 2 & 8 were kept pending for compliance. The paras at Sr. Nos. 3, 4 and 5 were kept pending for recovery. The para at Sr. No. 6 was reduced to the extent, the amount was shown in the table and was kept pending for the balance recovery. The para at Sr. No. 7 was kept pending for clarification from PRA. Further progress was not reported by the department. As regards the remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the leviable taxes be recovered from the concerned and deposited into Government Treasury.

4.4.2 Irregular payment of unauthorized allowances-Rs. 83.53 million

According to the Inspectorate of Treasuries & Accounts, Government of the Punjab Finance Department's letter No.IT (FD)(TT)7-2/2020 dated 27th December 2020, fixed TA/DA and stationery allowance sanctioned to officers/officials as follows:

i. Tehsildar BPS-16 @Rs.14000 for 20 dailies
ii. Naib Tehsildar BPS-14 @Rs.10500 for 15 dailies,
iii. Qanungo BPS-11 @ Rs.7020 for 18 dailies,
iv. Patwari BPS-09 @Rs.6240 for 16 dailies and Rs.1000 stationary allowance.

Finance Department vide letter No.FD.SR-I/9-46/2015 dated 26.09.2016 requires that all the departments should ensure that additional charges may not be assigned to an officer for the second spell of three months without prior consultation with the Finance Department. Further, Rule 2.31 (a) of PFR Vol-I states that a drawer of bills for pay, allowances, contingent, and other expenses will be held responsible for any overcharges, frauds, and misappropriations.

During audit of the following entities, it was observed that an unauthorized payment of Rs. 83,529,188 was made by the management to various officers on account of fixed TA/DA and various allowances beyond the mandate of admissibility. The detail is given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of recovery	Amount (Rs.)
1.	Senior Member Board of Revenue, Punjab	2022-23	2023-0000002826_F00001	Excess drawl of fix TADA by Tehsildar/ Naib Tehsildar @ Rs.16,800, Qanoongoh @ Rs.11,232 and Patwari @Rs.9,984 instead of Rs.10,500, Rs.7,020 and Rs.6,240 respectively.	70,371,547
2.	Punjab Land Record Authority, Lahore	2022-23	2023-0000005650_F00014	Unauthorized granting of additional charge	11,480,641
3.	Additional Deputy Collector Revenue Lahore	2022-23	2023-0000004709_F00010	Unauthorized payment of multiple allowances	1,005,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of recovery	Amount (Rs.)
4.	Senior Member Board of Revenue, Punjab	2022-23	2023-0000002826_F00021	Irregular drawl of special additional allowance	672,000
Total					**83,529,188**

Audit is of the view that weak management and internal controls on payroll resulted in irregular payments of pay and allowances.

The matter was pointed out from August to November 2023. The management stated that a detailed response would be given after consulting the record.

The matter was further reported to the administrative department. In DAC meetings held on 26.12.2023 and 17.01.2024, the paras at Sr. Nos. 1 & 4 were kept pending for recovery. The para at Sr. No. 3 was kept pending for compliance. Further progress was not reported by the department. As regards the remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends affecting recovery besides strengthening its internal and supervisory controls on payment of pay and allowances along with fixing responsibility against those held responsible.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 3.4.4(2) having financial impact of Rs. 7.06 million. Recurrence of the same irregularity is a matter of serious concern.

4.4.3 Non-deposit of imposed recovery-Rs. 19.17 million

As per Regulation No. 22 (1) of the Punjab Land Record Authority (Appointment and Condition of Service) Regulations, 2020 through Notification No. PLRA/BN/0001 Dated July 1, 2020, the employee may resign from his/her post by giving two months notice. Regulation No. 22 (3) prescribes that till such time resignation is accepted, the employee shall continue to serve and cannot absent himself from his duties without proper leave during the notice period.

During audit of Punjab Land Record Authority, Lahore, for the period 2022-23, it was observed from the perusal of inquiry reports that an amount of Rs. 16,025,666 had been misappropriated against collected taxes. Moreover, the major penalty of forfeiture of past services for the period of three years with recovery was imposed upon four incumbents and one incumbent was removed from service but no amount had so far been recovered. Further, recovery of an amount of Rs. 3,142,598 on account of excess payment of salaries to 10 employees was not ensured although they had not served prior notice of resignation and drew salaries irregularly.

Audit is of the view that weak management and internal controls resulted in a non-recovery of Rs. 19.17 million.

The matter was pointed out in November 2023. The management stated that a detailed response would be given after consulting the record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends affecting recovery, besides strengthening its internal and supervisory controls devolved upon the management.

(PDP No. 2023-0000005650_F00002)

Procurement related irregularities

4.4.4 Irregular expenditure in violation of Punjab Procurement Rules-Rs. 131.29 million

As per Rule 9 of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. Further, as per Rule 12 of Rules ibid, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of two million rupees on the website of the Authority in the manner and format specified by regulations. As per Rule 4 of PPR Rules 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. Further, as per web portal of PPRA, module captioned as Frequently Asked Questions, it has been clarified that whenever a procuring agency is confronted with such a situation whereby the rate quoted by the single bidder cannot be compared so as to declare it as the lowest rate or otherwise, the following factors may be kept in view:

a) The comparison of price of the goods, works or services if procured during the current financial year.

b) Market price of the goods works and services to be procured.

During audit of various formations of BOR, it was observed that an expenditure of Rs. 131,288,973 was incurred on the purchase of various items under different heads of accounts in violation of Punjab Procurement Rules 2014.

The details are given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Project Director/ Principal Revenue Academy	2021-23	2023-0000004747_F00002	Purchase from a single firm without market rate analysis	52,485,983
2	Senior Member Board of Revenue, Punjab,	2022-23	2023-0000002826_F00012	Misstatement overlooked in technical evaluation report	27,200,000
3	Senior Member Board of Revenue, Punjab	2022-23	2023-0000002826_F00013	Awarding supply order to a firm other than the lowest bidder	26,634,650
4	Secretary Board of Revenue (South Punjab)	2021-23	2023-0000004736_F00005	Splitting to avoid the tendering process and framework contract	13,519,542
5	Project Director/ Principal Revenue Academy	2021-23	2023-0000004747_F00006	Hiring of consultant without revision in PC-1 and advertisement	11,448,798
Total					**131,288,973**

The matter was pointed out from July to November 2023. The management stated that a reply would be submitted later.

The matter was further reported to the administrative department. In DAC meetings held on 26.12.2023, 27.12.2023, and 15.01.2024, the paras at Sr. Nos. 1 & 4 were kept pending for regularization from the Finance Department. The paras at Sr. Nos. 2, 3 & 5 were kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be probed into for fixing responsibility and taking remedial measures besides seeking regularization of mis-procurement from the Finance Department.

Performance related irregularities

4.4.5 Inconsistent implementation of efficiency and discipline penalty clauses entailing system vulnerability

As per Section 20 of the Punjab Land Records Authority Act 2017 Chapter V Appeal, Review And Revision, Correction and Updation of the Land Records.– Any correction or updation required to be incorporated in the Land Records shall be made and incorporated under the orders of relevant authorities and in the manner provided under different enactments, rules, and regulations relating to the correction and updation of the land records, promulgated, approved and issued by the Competent Authorities as envisaged under the relevant provisions of the law, rules, and regulations related to Land Records.

During audit of the Punjab Land Record Authority, Lahore for the financial year 2022-23, it was noticed that the authority had initiated inquiries against 318 individuals and confronted them with the allegations of contravention of the SOP and tampering with the system such as:

d. Entered mutation in the absence of seller
e. Issued token without recording statement of witness
f. Passed mutations without biometric verification
g. Manipulated LRMIS clock of server machine
h. Illegally unblocked knowing that transaction had stay orders
i. Unauthorized issuance of Fard and Non-Encumbrance Certificate (NEC) to housing society
j. Manipulated the fingerprint impressions

It further transpired that during sample checking for 11 cases, it was revealed that the authority imposed different penalties for similar offences against different individuals showing the bias of the inquiry proceedings characterized by arbitrary decision making.

Audit is of the view that weak administrative and internal controls resulted in inconsistent and whimsical implementation of efficiency and discipline penal clauses, entailing uncurbed system vulnerability, making it evident that the system was far from being foolproof.

The matter was pointed out in November 2023. The authority replied that the system is being improved gradually. The reply was not tenable as the Government sustained a huge loss to its public exchequer and tampering with land records. The authority had also incurred a huge amount of expenditure on LRMIS but the system had not been rid of vulnerability.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends probing the matter and fixing responsibility against persons at fault along with ensuring recovery and reversal of misleading tinkering with land records in the system by unscrupulous elements.

(PDP No. 2023-0000005650_F00018)

Value for money and service delivery issues

4.4.6 Data distortions of rural land in comparison to data maintained by LRMIS

Control Objectives for Information and Related technology (COBIT) envisages that a key characteristic of an automated information system was that it provided real-time automated business analysis reports covering all business requirements of the organization. This enabled timely and error-free reporting and allowed the organization to avoid delays/errors associated with manual/semi-automated reporting processes.

Input controls standardized in Information System Modules are inclusive of IT validation checks are to be introduced in an application to ensure that only valid input could be entered into the system and processing is done as per predefined logic. The format and type of data are part of the validation check parameters.

During audit of the Project Director, Punjab Urban Land Systems Enhancement (PULSE), Lahore for the financial year 2022-23, it was observed that PLRA maintained LRMIS data of 5.5 million land owners for rural land but the discrepancies in the legacy data continued to affect system assurance and data integrity. It led to data distortions that included anomalies such as state land data depicting differences in the khana malkiyatt and khana kasht and want of indication on fard whether the property is situated on/off road, in the residential or commercial area, having direct implications on the determination of valuation and taxes to be levied.

It was further observed that the management relied on unauthentic data under different schemes of the colony department that was scanned under the SLMS project and eventually used for geo-parceling and mapping. One example is that of the horse breeding scheme from Khanewal which shows 400 cases in the whole district but as per data available with the audit, 1051 cases were to be automated under the said scheme. This creates an unexplained difference of 99377 kanals against 651 allotees entailing skipping of land records entered on the automated system involving a deficit of land inventory.

Audit is of the view that due to ineffective administrative controls, data distortion of rural land in comparison to data maintained by LRMIS for the year 2022-23 was yet to be remedied.

The lapse was pointed out in September 2023. The management replied that the PULSE project was started to overcome the issues discussed in the para. As PLRA maintained LRMIS, PULSE has no legal competence to take any decision relating to LRMIS. Audit held that the reply was not tenable as management admitted that there are issues in existing land record data and all the work done by PULSE cannot be authenticated.

The matter was further reported to the administrative department. In DAC meeting held on 05.12.2023, the committee kept the para pending by majority decision with the direction to ensure that the initial elimination of data distortions and cropped up land differences in already maintained records are to be done away with and thereafter digitalization/parceling/mapping be opted sequel to giving effect to data cleansing.

Audit recommends implementing the decision of DAC.

(PDP No. 2023-0000004574_F00009)

4.4.7 Breach of restriction on the partition of state land and commonly held properties on an area measuring 21370.5 acres

Section 136 of the Punjab Land Revenue Act 1967 (act xvii of 1967), captioned as restrictions and limitations on partition envisages that notwithstanding the provisions of sections 135 and 135-A (a) places of worship and burial grounds held in common before partition shall continue to be so held after partition; and (b) partition of any of the following properties, namely:

(i) any embankment, water-course, well or tank and any land on which the supply of water to any such work may depend;

(ii) any grazing ground; and;

(iii) any land which is occupied as the site of a town or village, may be refused if, in the opinion of the Revenue Officer, the partition of such property is likely to cause inconvenience to the co-sharers or other persons directly or indirectly interested therein or to diminish the utility thereof to those persons.

During audit of the office of PD-PULSE, Lahore for the financial year 2022-23, it was noticed that out of the state land 1784.5 acres under water course Abadi dah, village, and common lands in private housing societies in Punjab and 19,586 acres consisting of grazing ground could not be considered in the partition by the PULSE team working on geotagging and parcel mapping in private housing societies.

It was further observed that the management started the entire process of partition, mapping, and parceling, even though 58 Mouzajats were in a consolidation process that could not be partitioned, and without this mapping, parceling of khasra-jats was not tenable.

Audit is of the view that due to ineffective administrative controls, 21,370.5 acres of commonly held land in private housing societies for the year 2022-23 were partitioned without lega cover.

The lapse was pointed out in September 2023. The management replied that PULSE had proposed a law to be promulgated through the Ordinance "Punjab Partition of Agriculture Land Ordinance 2023". Audit held that without approval of law, partition work cannot be started and that will ultimately result in unauthorized partitions and undue litigation.

The matter was further reported to the administrative department. In DAC meeting held on 05.12.2023, the committee kept the para pending by majority decision with the direction to remedy the matter also directing for proper maintenance of record with all supporting documents for remedial action.

Audit recommends implementing the decision of DAC.

(PDP No. 2023-0000004574_F00012)

4.4.8 Lopsided 345,977 GIS parcels of land involving measurement difference of 136,144 acres

As per revised PC-I of the PULSE Project, the overall project objective is to provide beneficiaries in Punjab province with:

iv) Development of cadastral mapping including digital land records of Urban, Peri-Urban, and rural areas of the entire Punjab along with determination of land titles;

v) Upgradation of the existing digital land records of rural areas with cadastral maps;

vi) Improved access to State land for development including housing programs; Cadastral survey includes all data relating to property boundaries, buildings, individual objects such as retaining walls and shelters, as well as building addresses and various other details, must be kept up to date.

During audit of the office of PD-PULSE, Lahore for the financial year 2022-23, it was noticed that the land measuring 1699,889 acres within the prohibited zone in Punjab consists of urban, peri-urban land which cannot be partitioned. It is further added that the management created 345,977 parcels of the land measuring 136,144 acres of PHATA, cooperative societies, and District Sahiwal without rectifying land differences in the land record of two departments ignoring encroachment, litigation, and water courses land.

The accuracy and system assurance were not foolproof in the presence of the following:

1. Encumbrances on Digital Jamama Bandi of urban land of 3024 Mouzajats and more than 3000 mouza of rural land.

2. Khewat issues in urban areas, like unbalanced khewats.
3. Missing massavies and unconstructed massavies of urban area.
4. Preparation of tammima of each registered unit.

Further, as per revised PC-I, a total cost of Rs. 15,174 million during 2022-23 will be for high-resolution Aerial Imagery/Mapping of the entire Punjab (including Urban, Peri-Urban, and rural areas) Updating of parcel mapping data without removal of anomalies entailed increased project cost.

The lapse occurred due to ineffective administrative controls.

The lapse was pointed out in September 2023. The management replied that all the observations would be highlighted at the senior management level to make policy decisions. The reply of the management is self-explanatory.

The matter was further reported to the administrative department. In DAC meeting held on 05.12.2023, the committee kept the para pending by majority decision with the direction to expedite the matter along with proper maintenance of record with all supporting documents for remedial action most expeditiously.

Audit recommends implementing the decision of DAC.

(PDP No. 2023-0000004574_F00013)

Others

4.4.9 Irregularities in contract agreement with service provider for CLRMIS-Rs. 243.17 million

As per Clause 3.6 of the contract agreement governing the conditions applicable to the service provider the service provider shall submit to the employer the reports and documents specified in Appendix B in the form and within the periods set forth in the said Appendix.

During audit of the Punjab Land Record Authority, Lahore for the financial year 2022-23, it was observed that the management entered into a contract with M/s Systems Ltd. for manage services for upgrading, amendments, and maintenance of Land Records Management Information System (LRMIS) against the contractual amount of Rs. 388,000,000. An amount of Rs. 243,172,000 was paid to the service provider till May 2023 but activities performed by the service provider were not conforming to the project-prescribed activity schedule. The payments were at variance with the milestones required to be achieved. Irregularities committed by the management during the execution of the contract are as under:

- Dahi Markaz Mall and e-library were separate projects of BOR which resulted in overlapping of services
- Additional work delivery assurance test reports and inspection certificates were not maintained
- Irregular payment of Rs.20.417 million from December 2022 To January 2023 without breakup on bill of quantity.
- Some of the tickets were not found in system claimed by M/s Systems Ltd. in bill for ID-MSF-660 Integration With FBR.
- Rate of 19.5% was not made applicable on cloud services.

Audit is of the view that the lapse occurred due to weak internal controls.

The matter was pointed out in November 2023. The management stated that a detailed response would be given after consulting the record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the lapses be inquired into, taking remedial measures, besides seeking regularization of the lapses from the Finance Department.

(PDP No. 2023-0000005650_F00020)

4.4.10 Irregular opening of accounts and non-adjustment of advances given to ARCs-Rs. 231.67 million

According to Government of the Punjab, Finance Department's letter No. FD-DS (Coordination)/Misc./2018, dated 22.06.2018, public money must not be parked in commercial accounts.

During audit of the Punjab Land Record Authority, Lahore for the financial year 2022-23, it was noticed that the authority had opened accounts in commercial banks for 151 ARC but no record of bank accounts (list and type of bank account, date of opening, etc) and their opening with regard to approval from the competent forum, bank statements of the same had been collected by authority. It is further added that the advances were issued to ARCs of Rs. 231,668,747 but their adjustment had not been made as per law and no adjustment was maintained at Head Quarter.

The lapse occurred due to weak administrative and internal controls.

The matter was pointed out in November 2023. The management replied that a detailed response would be given after consulting the record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the department should adhere to Government instructions and seek condonation of irregularity from the Finance Department.

(PDP No. 2023-0000005650_F00006)

4.4.11 Irregular and doubtful distribution of Goods and payment of internet charges to Dahi Markaz Mall-Rs. 75.18 million

As per Rule 15.4(a) of PFR Vol-I, all material received should be examined, counted, measured, and weighed as the case may be when delivery is taken. The passing and receiving Government servants should see that the quantities are correct and their quality is good and record a certificate to this effect.

During audit of the Senior Member of the Board of Revenue, it was observed that an amount of Rs. 39,000,000 was spent for making purchases and subsequent distribution of purchased goods among newly established Dahi Markaz Mall (DMM) but the same was held irregularly as the list of all established DMM to whom goods were distributed, whereas stock registers of warehouses and Markaz wise distribution was not maintained.

As per the statement given by the officials, 6807 DMM stood established but no record was maintained that supports the DMM existence. 3797 DMM were reportedly established in private buildings but details of lease agreements, payments made to owners of private buildings, and current working human resources needed disclosure. The existence, occurrence, and disclosure of the vouchers remained undisclosed. The details are given in annexure-8.

Further, in Punjab Land Record Authority, the authority made a payment of Rs. 36,179,820 on account of Internet charges to DMM without the availability of relevant documents, list of DMM to whom Internet service was provided, internet package details, etc. It was also noticed that the revenue staff of Dahi Markaz Malls were utilizing the LRMIS resources without proper training leading to unauthorized changes in land records.

The lapse occurred due to weak supervisory, financial, and internal controls.

The matter was pointed out in November 2023. The management stated that a detailed response would be given after consulting the record.

The matter was further reported to the administrative department. In DAC meeting held on 26.12.2023, the para regarding the Senior Member Board of Revenue was kept pending for compliance. Further progress was not reported by the Department. As regards the remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends probing into the matter at the administrative department's level besides strengthening internal and financial controls.

(PDP Nos. 2023-0000002826_F00017 & 2023-0000005650_F00007)

4.4.12 Diversion of PCF receipt, involving pilferage-Rs. 9.39 million

Article 118 of Constitution of the Islamic Republic of Pakistan states that all revenues received by the Provincial Government, all loans raised by that Government, and all moneys received by it in repayment of any loan, shall form part of a consolidated fund, to be known as the Provincial Consolidated Fund.

According to Government of the Punjab, the Finance Department's letter No.FD-DS(Coordination)/Misc./2018, dated 22.06.2018, public money must not be parked in commercial accounts.

During audit of the office of Board of Revenue, Lahore for the financial year 2022-23, it was noticed that the Office of Chief Settlement Commissioner in Punjab, overseen by SMBR, operated an unauthorized bank account for ex-evacuee property sales. This account also led to an unauthorized expenditure of Rs. 9,385,328, lacking proper record-keeping.

Further, the Senior Member Board of Revenue, Punjab, was operating an unauthorized account No 6510047113900018 with the title Member Revenue Board/Chief Settlement Commissioner at Bank of the Punjab in which the management had deposited sale proceeds of ex-evacuee property. Audit traced the account through the financial trail of deposited challans of Rs. 271,560,000 in the account but the same was not produced to Audit for verification.

The lapse occurred due to weak administrative and internal controls.

The matter was pointed out in November 2023. The management replied that a detailed response would be given after consulting the record.

The matter was further reported to the administrative department. In DAC meeting held on 26.12.2023, the paras were kept pending for compliance and probe besides fixing responsibility and production of auditable records. Further progress was not reported till the finalization of this report.

Audit recommends that the department should adhere to Government instructions and seek condonation of irregularity from the Finance Department.

(2023-0000002826_F00008 & 2023-0000002826_F00011)

4.4.13 Irregular expenditure on rent of building-Rs. 4.72 million

Section 5 of The Punjab Rental Premises Act 2009 Agreement between landlord and tenant provides that every rent/tenancy agreement must be in writing and must be registered with the Rent Registrar under the Registration Act, 1908, and must cover stamp duty as required under the Stamp Act, 1899.

During audit of Punjab Revenue Academy, Lahore for the period 2021-23, it was observed that an amount of Rs. 4,715,000 was paid by the management on account of the rent of the office building. The payment was held irregular because the rent agreement was not registered with the sub-registrar, escalated rent was being paid on the basis of fabricated PT-I which unduly showed that the building was commercial and situated on the main road but the fact was that it was an off-road residential building, the rent agreement and payment of rent were being paid to a person other than the owner.

The lapse occurred due to weak administrative and internal controls.

The matter was pointed out in November 2023. The management replied that a detailed response would be given after consulting the record.

The matter was further reported to the administrative department. In DAC meeting held on 15.01.2024, the para was kept pending for compliance. Further progress was not reported by the department till the finalization of the report.

Audit recommends that the department should adhere to Government instructions and seek condonation of irregularity from the Finance Department.

(PDP No. 2023-0000004747_F00001)

4.4.14 Non-maintenance of auditable record

As per Government of the Punjab, Finance Department’s letter No.F(Mn)mw/1-4/92 dated 26.09.1992, if the concerned officials are not present at the time of audit and the record was not shown to audit, entries made and the record produced afterward would not be accepted.

During audit of Punjab Land Record Authority, Lahore for the period 2022-23, critical records were found missing, including accommodation details, project documents, HR files, DMM and centers abroad, vouched civil work accounts, stock registers, payment schedules, login IDs, and verified financial statements and internal audit reports. The details are given in annexure-9.

Audit is of the view that due to the non-maintenance of records, the audit could not ascertain the authenticity of accounts.

The matter was pointed out in November 2023. The management noted the observations.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into at administrative department's level, taking remedial measures besides ensuring maintenance of record.

(PDP Nos. 2023-0000005650_F00017)

CHAPTER 5
EXCISE, TAXATION AND NARCOTICS CONTROL DEPARTMENT

5.1 Introduction

The Excise, Taxation, and Narcotics Control Department was established as an independent entity in 1974 after its separation from the Board of Revenue. This department provides services for the collection of various taxes and duties and suggests ways and means for additional resource mobilization in the province. Building up taxpayer's confidence, creating taxpaying culture, and providing facilities to the general public in payment of taxes are the top priorities.

The Excise, Taxation, and Narcotics Control Department is primarily responsible for the collection of the following provincial levies/taxes in the province of Punjab.

- Cotton fee
- Motor vehicle token tax
- Entertainment duty
- Professional tax
- Hotel tax
- Property tax
- Excise duty (duty on manufacturing, import, export of liquor, vend fee on retail sale of liquor, and fees on grant and renewal of licenses/permits for liquor).
- Farmhouse tax

The Excise, Taxation, and Narcotics Control Department is also responsible for the collection of the following Federal levies/taxes.

- Income Tax (at the time of collecting motor vehicle tax)
- Capital Value Tax (at the time of registration of imported motor vehicles if not paid at the time of import).

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The appropriation accounts of the Excise & Taxation Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of five grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21001	12.99	(3.73)	9.26	8.61	(0.64)
PC21003	1,067.90	477.64	1,545.54	1,528.75	(16.79)
PC21007	469.64	2.08	471.73	457.86	(13.87)
PC21008	801.21	(1.67)	799.54	774.37	(25.17)
PC21010	148.66	137.62	286.28	284.23	(2.05)
Total	**2,500.39**	**611.94**	**3,112.34**	**3,053.82**	**(58.52)**

Overview of Expenditure

The final budget of the Excise & Taxation Department for the year ended 30th June 2023 was Rs. 3,112.34 million. Out of this, the actual expenditure was Rs. 3,053.82 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	2,500,393,000	3,053,815,465	553,422,465	22.13
Total	**2,500,393,000**	**3,053,815,465**	**553,422,465**	**22.13**

This composition changed due to supplementary grants and surrenders.

The variance of final grant and actual expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	3,112,337,000	3,053,815,465	(58,521,535)	(1.88)
Total	**3,112,337,000**	**3,053,815,465**	**(58,521,535)**	**(1.88)**

Anticipated savings not surrendered

According to para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (58.52) million at the close of the year 2022-23 under grants PC21001, PC21003, PC21007, PC21008 & PC21010 were not surrendered in time by the department.

5.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 689.97 million were raised during audit of the Excise, Taxation, and Narcotics Control Department. This amount includes recoveries of Rs. 11.78 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	11.78
2.	Procurement related irregularities	678.19
Total		**689.97**

5.3 Brief comments on the status of compliance with PAC Directives

The audit report on the accounts of Government of the Punjab, Excise and Taxation Department Audit Year 2014-15 has not yet been discussed in PAC. Moreover, there is no other report yet printed in any of the previous years. However, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

5.4 AUDIT PARAS

Recoveries and overpayments

5.4.1 Unjustified charging of income tax by contractor- Rs. 11.78 million

According to Section 153 of the Income Tax Ordinance 2001 as amended from time to time, every prescribed person (Federal Government, a Provincial Government, a local authority, a company, a non-profit organization, or a diplomatic mission of a foreign state) making a payment in full or part including a payment by way of advance to a resident person or non-resident person:

(a) for the sale of goods;

(b) for the rendering of or providing of services;

(c) on the execution of a contract, other than a contract for the sale of goods or rendering or providing of services,

During audit of the office of the Director General, Excise & Taxation, Lahore for the period 2021-22, it was observed that a sum of Rs. 11,780,614 was charged by the contractor as income tax in the breakup of operational cost/SLA. By allowing this concession, the department had borne the income tax liability of the contractor which by virtue of the Income Tax Ordinance was a direct tax required to be borne by the contractor himself.

The weak administrative and supervisory controls of the department resulted in unjustified charging of income tax by contractors amounting to Rs. 11.781 million.

The lapse was pointed out in May 2023. The management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 13.12.2023, the para was kept pending for recovery.

Audit recommends that recovery be made from the concerned, besides strengthening of financial and internal control system.

(PDP No. 2023-0000000205_F00012)

Procurement related irregularities

5.4.2 Unduly claimed cost escalations of GIS (UIPT) System, non-recoupment of Honoraria, and non-returning of equipment by contractor-Rs. 374.23 million

As per Clause 6 of PC-1 of the project titled as "GIS, Integrated Computerization of Urban Immovable Property Tax (UIPT) in Thirty Districts of Punjab", the automated system had the following activities required to be completed within the revised gestation period in the year 2019:

> "To introduce transparency, efficiency, and accountability through e-governance and ICT-based solutions.
>
> Carry out a door-to-door survey for the purpose of taking images and integrating them with a Geographic Information System (GIS).
>
> Scan all the current PT-1 registers and all the current as well as previous PT-8 registers for the last valuation list for archiving and creating a repository of data in soft form by data entry in the software from the scanned registers."

During audit of the office of the Director General, Excise & Taxation Lahore for the period 2021-22, it was observed that the gestation period for "GIS Integrated Computerization of (UIPT) System" lapsed in 2019, but the contractor had paradoxically raised the demand for cost escalations for Rs. 162.576 million to overcome the failures of the project in the guise of revamping/re-engineering of system and other activities as indicated in the minutes of meeting for cost rationalization of service level agreement dated 6 & 7 December 2021. As per PC-1 of the project, system design-related activities were the responsibility of the contractor, and such revamping costs were unjustified being an integral part of the original core activity required to be done by the contractor (Urban Unit) in the project phase.

It was further observed that the department failed to receive back the equipment utilized for the project by the Urban Unit costing Rs. 109.8 million as the same cost stood borne by the department and Honoraria of Rs. 64,260,000 @ 32.13 per unit for 2 million properties along with interest thereof for Rs. 37.592 million aggregating Rs. 101,852,000 was also not paid by the contractor for last 5 years, as delineated below:

Sr. No.	Period of Audit	PDP No.	Nature of Recovery	Amount (Rs.)
1	2021-22	2023-0000000205_F00041	Improper management and cost escalations of GIS (UIPT) System without submission of PC-IV of Project	162,576,000
2	2021-22	2023-0000000205_F00005	Non-returning of equipment used in the project of UIPT	109,800,000
3	2021-22	2023-0000000205_F00007	Non-payment of Honoraria by Contractor and mark up thereof for delay in non-payment-	101,852,000
Total				**374,228,000**

Audit is of the view that weak supervisory and financial controls resulted in cost escalations of the GIS (UIPT) System, non-payment of honoraria, and non-returning of equipment by contractors warranted recovery of overpayment and retrieval of unduly retained equipment.

The lapse was pointed out in May 2023. The department did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 13.12.2023, the para at Sr. No. 2 was kept pending for verification of record. The para at Sr. No. 3 was kept pending for a probe to fix responsibility and recovery from the concerned. Further progress was not reported by the department. As regards the remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report.

Audit recommends inquiring into the matter, besides fixing responsibility for poor system design along with recovering equipment unduly retained and honoraria unduly charged on the part of the contractor.

5.4.3 Non-deduction of cost for unachieved GIS component, data entry, and connectivity under service level agreement-Rs. 220.95 million

Clause 7, Sub Clause 2 (Integration with GIS) of PC-1 of the project titled as "GIS, Integrated Computerization of Urban Immovable Property Tax (UIPT) in Thirty Districts of Punjab" prescribes that the objectives of the project stipulate the integration of the database of UIPT with Geographic Information System (GIS) to make the system transparent, accurate, and reliable in such a manner that a sound monitoring and visualization of data and exact picture will be available online at appropriate levels.

Furthermore, Clause 3.1 and 3.2 of the service level agreement for the provision of services prescribe that the cost of services for 2015 to 2018 shall be 182.600 million and the cost for 2018-

19 and 2019-20 shall be 35 million for each year excluding the expenses to be incurred on connectivity. The detailed costing is provided in Annex-B of the Service Level Agreement.

During audit of the office of the Director General, Excise & Taxation, Lahore for the period 2021-22, it was observed that the department had entered into service level agreement with the contractor (Urban Unit) without conducting the Android-based survey and GIS integration with the system of UIPT even after the lapse of 2nd revised gestation period (i.e. 30th September 2019). The payment of Rs. 134.120 million for Android Based Field Survey for Picture Mapping was unjustified as the contractor had not fulfilled the contractual obligation. As a matter of fact, the contractor was charging the amount again for the support services for a component yet to be completed and the same was also communicated to the contractor vide No.(Phase-II)GIS(UIPT)/2016 dated 22-04-2021 but necessary deductions were not made.

Further, the department unfairly allowed the contractor to charge for the cost of data entry amounting to Rs. 47,950,000 which was a component of the project initially rolled out as indicated in PC-1.

Furthermore, the department entered into a contract with M/s Supernet for the provision of connectivity services in E&T offices all across Punjab for a payment of Rs. 39.002 million. On the contrary, SLAs with a contractor (Urban Unit) for UIPT stated that the payment for connectivity should be excluded while paying the consideration of services as described in the service level agreement to the contractor (Urban Unit). Despite the clear exclusion clause, the management did not deduct the expenditure incurred on connectivity services from the payment made to the service provider (Urban Unit). Hence, the expenditure of Rs. 220,952,000 was considered irregular. The details are as under:

Sr. No.	Period of Audit	PDP No.	Nature of Recovery	Amount (Rs.)
1	2021-22	2023-0000000205_F00004	Non-deduction of Rs. 134 million from payment for SLA for not achieving GIS component of project Rs 134.000 million	134,000,000
2	2021-22	2023-0000000205_F00008	Unjustified payment of data entry cost under service level agreement Rs. 47.950 million	47,950,000
3	2021-22	2023-0000000205_F00010	Non-deduction of Rs 39.002 million from the payment of the contractor for connectivity services	39,002,000
Total				**220,952,000**

Audit is of the view that weak supervisory and financial controls resulted in the non-deduction of Rs. 220,952,000 from a payment made against the Service Level Agreement.

Audit pointed out the lapse in May 2023. The department did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 13.12.2023, the para at Sr. No. 1 was kept pending for probe to fix responsibility and recovery from the concerned. The para at Sr. No. 2 was kept pending for revised reply besides addressing the note of Finance Department and recovery of double payment be made. The para at Sr. No. 3 was kept pending for verification of record besides recovery.

Audit recommends that recovery be made from the contractor after a detailed probe for non-achievement of the basic objective of the project besides matter be referred to the competent forum for regularization of lapses.

5.4.4 Non-deduction of liquidated damages recoverable from contractor-Rs. 83.01 million.

Clause 24 of the contract for "Supply of ISO 7591 Standardized Retro Reflective Number Plates for the province of Punjab" states that if the contractor fails to deliver any or all of the licensed vehicle number plates within the time period(s) specified in the delivery schedule, the purchaser shall, without prejudice to any other remedy it may have under the contract, deduct from the contract price as liquidated damages a sum of money equal to 0.2 percent of the contract price. Furthermore, as per Annex-E (Delivery Schedule) of the contract delivery will start within 16 weeks after receiving 1st purchase order.

During audit of the office of the Additional Director General, Excise & Taxation, Lahore for the period 2021-22, it was observed that the supply of number plates was not delivered as per the delivery schedule of the contract which attracts liquidity damages @ 0.2 percent per week of the value of purchase order.

Audit is of the view that weak supervisory and financial controls on the part of the department resulted in the non-deduction of liquidated damages recoverable from the contractor amounting to Rs. 83,007,000.

Audit pointed out the lapse in May 2023. The department did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that recovery be made from the concerned besides strengthening the financial and internal control system.

(PDP No. 2023-0000000368_F00001)

Others

5.4.5 Non-resolving of service delivery issues relating to pendency of 2,200,268 number plates

As per item No. 8 Second Schedule stipulating Distribution of Business among Departments under Punjab Government Rules of Business 2011, the Excise, Taxation, and Narcotics Control Department has also been entrusted with the task of motor vehicle registration and other ancillary matters.

During audit of Additional Director General, Excise & Taxation, Lahore for the period up to the year 2022, it was observed that number plates for 2,200,268 motor vehicles were still pending for which owners had deposited an amount of Rs. 3,457,505,700 in the revolving fund account. The number plates of peculiar specification were also relevant for safe city modules of integrated enforcement of law & order and traffic management. This utility was rendered far from fully commissioned.

Audit is of the view that weak managerial control by the department resulted in mismanagement of number plate issuance in Punjab.

Audit pointed out the lapse in November 2023. The department did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends issuance of number plates at the earliest besides improving managerial and internal controls.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2021-22 vide para number 3.4.5. Recurrence of the same irregularity is a matter of serious concern.

(PDP No. 2023-0000000368_F00002)

CHAPTER 6
FINANCE DEPARTMENT

6.1 Introduction

The Finance Department is responsible for the supervision and control of provincial finances, preparation of the provincial budget, and formulation of Financial Rules and Civil Services Rules relating to the pay and pension of civil servants. Furthermore, it performs financial management of public debt and administration of the Local Fund Audit Department and the Treasuries. Administrative Departments are required to consult the Finance Department in all matters which directly or indirectly affect the finances of the province. All important functions of the Finance Department including budgeting are performed at the Secretariat.

The major functions of the department are mentioned below:

- Management of public funds including provincial loans and debt
- Framing of financial rules for the guidance of departments
- Supervision of accounts of provincial departments
- Framing of Civil Service Rules applicable to all Government servants and interpretations thereof
- Examination and advice on matters affecting directly or indirectly the finances of the province
- Administration of emoluments, pensions, and allowances.
- Administration of public revenue
- Communication of financial sanctions
- Examination of all proposals for the increase or reduction of taxation
- Audit matters of provincial receipts and expenditures

Audit Profile of Finance Department

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The appropriation accounts of the Finance Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of nine grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	18,886.48	(14,097.00)	4,789.48	4,552.98	(236.49)
PC21028	312,000.00	13,630.08	325,630.08	324,470.20	(1,159.88)
PC21031	541,318.79	(6,286.81)	535,031.98	533,813.43	(1,218.55)
PC13035	0.001	(0.001)	0	0	0
PC12043	4,000.00	(4,000.00)	0	0	0
PC24044	32,125.17	11,088.51	43,213.68	43,151.78	(61.90)

PC16048	71,577.29	12,977.74	84,555.03	84,555.01	(0.02)
PC13050	55,555.12	(45,055.12)	10,500.00	10,500.00	0
PC22036	0	13,201.33	13,201.33	13,140.37	(60.95)
Total	**1,035,462.84**	**(18,541.28)**	**1,016,921.56**	**1,014,183.77**	**(2,737.79)**

Overview of Expenditure

The final budget of the Finance Department for the year ended 30th June 2023 was Rs. 1,016,921.56 million. Out of this, the actual expenditure was Rs. 1,014,183.77 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	1,035,462,840,000	1,001,043,398,074	(34,419,441,926)	3.32
Development	0	13,140,373,000	13,140,373,000	0
Total	**1,035,462,840,000**	**1,014,183,771,074**	**(21,279,068,926)**	**2.06**

This composition changed due to supplementary grants and surrenders. The variance of the final grant and actual expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	1,003,720,239,000	1,001,043,398,074	(2,676,840,926)	0.27
Development	13,201,325,000	13,140,373,000	(60,952,000)	0.46
Total	**1,016,921,564,000**	**1,014,183,771,074**	**(2,737,792,926)**	**0.27**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs (2,737.79) million at the close of the year 2022-23 under grants PC21010, PC21028, PC21031, PC13035, PC12043, PC22036, PC24044, PC16048 & PC13050 were not surrendered in time by the Department.

6.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 1,895,903.19 million were raised in this report during audit of Finance Department. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	**Classification**	**Amount**
1.	Financial Matters	1,895,903.19
Total		**1,895,903.19**

6.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, on reports discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not received	Percentage of compliance
1.	1986-1987	07	0	07	0
2.	1987-1988	3	0	3	0
3.	1989-1990	6	0	6	0
4.	1990-1991	1	0	1	0
5.	1991-1992	2	0	2	0
6.	1992-1993	4	1	3	25
7.	1993-1994	2	1	1	50
8.	1994-1995	2	0	2	0
9.	1995-1996	7	0	7	0
10.	1997-1998	10	7	3	70
11.	1998-1999	37	23	14	62
12.	1999-2000	48	25	23	52
13.	2000-2001	53	24	29	45
14.	2001-2002	70	36	34	51
15.	2006-2007	20	14	6	70
16.	2009-2010	25	1	24	4
17	2012-2013	12	4	8	33
18	2013-2014	13	1	12	8
Total		**322**	**137**	**185**	**43**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance status in the Finance Department remained unsatisfactory particularly for the Financial Years 1986-87 to 1995-96 and for the Financial Years 2009-10, 2012-13 and 2013-14. The department needs to improve its compliance with PAC directives. However, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

6.4 AUDIT PARAS

HR/employee-related irregularities

6.4.1 Irregular deployment/posting of Resident Auditors in Autonomous Bodies on Deputation.

As per Auditor-General of Pakistan's letter No.609/ESTT-C/67-2003 dated 23.05.2017 regarding "Posting of Resident Auditor in Public/Government Sector Universities and their Affiliated Colleges", under the statutory provision as envisaged in Acts/Ordinances of the respective Universities, the post of Resident Auditor is a cadre post, which belongs to Audit Department of the Government. This encadrement has been provided under the respective Acts/Ordinances in the following way: The Resident Auditor shall be taken from the Audit Department of the Government on deputation on such terms and conditions as the Syndicate may determine.

During audit of Finance Department, Government of the Punjab, Lahore, for the period 2022-23, it was observed that the Finance Department had been posting Resident Auditors in various Universities and Boards of Intermediate and Secondary Education across the province in a manner inconsistent with the prescribed procedures. The list of Universities and Boards without subscribing to the condition of engaging Resident Auditors in the manner prescribed is given for illustrative purposes at the annexure-10.

Audit is of the view that the lapse occurred due to weak administrative and financial controls.

This resulted in irregular deployment /posting of Resident Auditors due to violation of the above instructions.

The matter was pointed out in August 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the para was kept pending for compliance. Further progress was not reported by the Department till the finalization of the report.

Audit recommends that the matter be looked into at a higher level for taking remedial measures.

(PDP No. 2023-0000002821_F00013)

Financial Matters

6.4.2 Non-finalization and approval of the Supplementary Schedule of Authorized Expenditure and non-preparation of Budget Execution Report-Rs. 865,154.00 million

Article 124 of Constitution of the Islamic Republic of Pakistan, 1973 requires that if in respect of any financial year, it is found-(a) that the amount authorized to be expended for a particular service for the current financial year is insufficient, or that a need has arisen for expenditure upon some new service not included in the Annual Budget Statement for that year; or (b) that any money has been spent on any service during a financial year in excess of the amount granted for that service for that year; the Provincial Government shall cause to be laid before the Provincial Assembly a Supplementary Budget Statement or, as the case may be, an Excess Budget Statement, setting out the amount of that expenditure, and the provisions of Articles 120 to 123 shall apply to those statements as they apply to the Annual Budget Statement.

Moreover, Section 41 of the Punjab Public Finance Management Act 2022 provides that the Finance Department shall prepare a Budget Execution Report on a semi-annual basis for six months of the financial year or the full financial year, as the case may be and the Finance Department shall place the report before he Government for information and shall also publish it on its official website.

During audit of Finance Department, Government of the Punjab, Lahore, for the period 2022-23, it was observed that Revised Estimates 2022-2023 and Supplementary Budget Statement 2022-23 were not got approved from the competent forum. Resultantly, neither the Supplementary Schedule of Authorized Expenditure 2022-23 amounting to Rs. 865,154 million has been prepared nor the Supplementary Budget Book has been printed. Under Article 124 of Constitution of Pakistan, it is mandatory that Supplementary and Excess grants are to be placed before the Provincial Assembly for approval and authentication.

Audit is of the view that the lapse occurred due to weak administrative and financial controls.

The use of supplementary grants lacks legal cover. This caused the incurrence of an irregular expenditure of Rs 865,154 million due to the non-approval of the Supplementary Schedule of Authorized Expenditure.

The matter was pointed out in August 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the para was kept pending for regularization. Further progress was not reported by the Department till the finalization of the report.

Audit recommends that the matter may be looked into for taking remedial measures besides seeking conferment of legal cover on the supplementary grants.

(PDP No.2023-0000002821_F00006)

6.4.3 Non-recovery of outstanding/recoverable dues, diverted funds to commercial accounts and loans-Rs. 656,394.87 million

According to Article 118(1) of the Constitution, 1973, all revenues received by the Provincial Government, all loans raised by that Government, and all moneys received by it in repayment of any loan, shall form part of a consolidated fund, to be known as the Provincial Consolidated Fund. Further, as per Para 4.7 (1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account. Furthermore, as per Section 45 (1) of the PFM Act 2022, within six months of the commencement of this Act, the Finance Department shall prepare a plan for implementation of this Act.

During audit of Finance Department for the period 2022-23, it was observed that outstanding/recoverable dues from various Government Departments and Institutions to the tune of Rs. 656,394,865,055 were not recovered. The shortfall faced by the provincial consolidated fund was on the rise. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Type of Recovery	Amount (Rs.)
1	Secretary, Finance Department, Govt. of the Punjab, Lahore.	2022-23	2023-0000002821_F00001	Consolidated fund amount held in commercial banks	503,394,489,945
2	Secretary, Finance Department, Govt. of the Punjab, Lahore.	2022-23	2023-0000002821_F00020	Non-payment of electricity duty by PEPCO/DISCOS collected through monthly electricity bills	77,433,061,000
3	Secretary, Finance Department, Govt. of the Punjab, Lahore.	2022-23	2023-0000002821_F00018	Non-recovery of loans from different companies/agencies	46,697,278,650

Sr. No.	Name of Formation	Period of Audit	PDP No.	Type of Recovery	Amount (Rs.)
4	Secretary, Finance Department, Govt. of the Punjab, Lahore.	2022-23	2023-0000002821_F00019	Non-recovery of loan from defunct Punjab Road Transport Corporation	27,826,955,000
5	Secretary, Finance Department, Govt. of the Punjab, Lahore.	2022-23	2023-0000002821_F00014	Non-recovery of Principal & Interest for Construction of Spur Line for Qadirabad Coal Power Plant	984,115,088
6	Secretary, Finance Department, Govt. of the Punjab, Lahore.	2022-23	2023-0000002821_F00030	Non-recovery of excess transfer	58,965,372
Total					**656,394,865,055**

In comparative terms, the grossed-up total of commercial accounts balances had been increasing by Rs. 93,329 million i.e. 23% from the previous balance of Rs. 410,066 million up to 30.06.2021. An amount of Rs. 14,775 million which stood deposited in 780 commercial bank accounts was treated as unidentified with respect to the respective title holders. Admittedly, the Finance Department had not adhered to the time frame for prescribing the implementation plan to roll out PFM Modules within six months of the promulgation of the PFM Act 2022 contrary to what had been prescribed within the meaning of Section 45(1) of the PFM Act, 2022.

Audit is of the view that lapse occurred due to weak loopholes in administrative and financial controls.

The matter was pointed out in August 2023. The management replied that funds were placed in commercial bank accounts maintained by departments/attached departments/authorities/autonomous bodies. FD had issued Policy Guidelines for the treatment of profits earned on funds lying in commercial banks with the direction that profit accruing on such public funds shall be deposited in PCF at the time of discharge of validly accrued liabilities. Further, in case of non-compliance with the said policy, budget proposals would not be entertained in the upcoming budget.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the para at Sr. No. 1 was kept pending for working of updated profit up to 30.06.2023 of consolidated fund lying in commercial banks and to credit the amount into Consolidated Fund. The paras at Sr. Nos. 2 to 4 were kept pending for recovery. The para at Sr. No. 5 was reduced to the extent of amount shown in the table. The para at Sr. No. 6 was kept pending with the direction for taking up the matter by the Finance Department with the Supreme Court of Pakistan for recovery. Further progress was not reported by the Department till the finalization of this report.

Audit recommends early recovery of the stated amount, retrieval of the profit earned and accrued against deposits held in commercial banks as well as principal amounts sourced from PCF but diverted to commercial bank accounts besides fixing responsibility for not taking cognizance of the lapse.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 5.4.1 having the financial impact of Rs. 97,934.66 million. Recurrence of the same irregularity is a matter of serious concern.

6.4.4 Irregular direct transfer of funds to State Bank of Pakistan without pre-audit-Rs. 234,663.31 million

Under Section 5(b) of the Controller General of Accounts (Appointment, Functions & Powers) Ordinance, 2001, the Controller General of Accounts derives his statutory mandate to authorize payments and withdrawals from the Consolidated Fund and Public Accounts of the Federal and Provincial Governments against approved budgetary provisions after pre-audited checks as the Auditor-General may, from time to time, prescribe.

During audit of Finance Department for the period 2022-23, a direct release of funds amounting to Rs. 234,663,314,389 was adopted. These funds were transferred directly to the State Bank of Pakistan for further credit to various agencies, bypassing the pre-audit mechanism.

Audit is of the view that the lapse occurred due to weak administrative and financial controls.

Non-observance of rules and regulations resulted in financial indiscipline.

The matter was pointed out in August 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the para was kept pending for regularization from the S&GA Department. Further progress was not reported by the department till the finalization of the report.

Audit recommends that practice should be stopped and provision of law be observed for conforming to pre-audit checks.

(PDP No.2023-0000002821_F00004)

6.4.5 Irregular granting of loans without recovery of previous loans-Rs. 128,058.67 million

As per Rule 4.1 of the PFR Vol-1, the departmental controlling officers should see that all sums due to Government are regularly received and checked against demands and that they are paid into the treasury.

During audit of Finance Department for the period 2022-23, it was observed that the department granted fresh loans amounting to Rs. 18,062.763 million to eight companies. Only two companies repaid a minor segment of the loan while the remaining six companies had not repaid the previous outstanding loans granted by the Punjab Government. Details are as under:

Sr. No.	Name of Agency	Loan Balance as on 30.06.2022 (Rs. in million)	Loan released during 2022-23 (Rs. in million)	Loan Repaid during 2022-23 (Rs. in million)	Loan Recoverable as on 30.06.2023 (Rs. in million)
1	Punjab Industrial Estate Development & Management Company (PIEDMC)	13,456.511	1,003.000	492.781	13,966.730
2	Faisalabad Industrial Estate Development & Management Company (FIEDMC)	9,826.803	2,035.000	1,535.000	8,801.80
3	Lahore Waste Management Company (LWMC)	68,962.435	10,998.000	0	79,960.435
4	Rawalpindi Waste Management Company (RWMC)	13,495.833	1,600.000	0	15,095.833
5	Gujranwala Waste Management Company (GWMC)	3,731.297	900.000	0	4,631.297

Sr. No.	Name of Agency	Loan Balance as on 30.06.2022 (Rs. in million)	Loan released during 2022-23 (Rs. in million)	Loan Repaid during 2022-23 (Rs. in million)	Loan Recoverable as on 30.06.2023 (Rs. in million)
6	Sialkot Waste Management Company (SWMC)	1,714.035	452.763	0	2,166.798
7	Bahawalpur Waste Management Company (BWMC)	922.117	300.000	0	1,222.117
8	Faisalabad Waste Management Company (FWMC)	1,439.662	774.000	0	2,213.662
Total		**113,548.693**	**18,062.763**	**2,027.781**	**128,058.672**

Audit is of the view that mandatory recovery obligations were evaded due to weak administrative and financial controls. This resulted in loss of Rs. 128,058.672 million to the public exchequer due to non-recovery of the outstanding amount.

The matter was pointed out in August 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, partial recovery affected by the department from Faisalabad Industrial Estate Development & Management Company to the tune of Rs. 1,525,000,000 was verified by Audit. Hence, the para was reduced and kept pending for recovery of remaining amount (PDP No. 2023-0000002821_F00008). The paras pertaining to other companies were kept pending for compliance (PDP No. 2023-0000002821_F00016 & (PDP No. 2023-0000002821_F00026).

Audit recommends early recovery of the stated amount.

Note: The issue was reported earlier also in the Audit report for Audit Year 2022-23 vide para number 5.4.2 having financial impact of Rs 9,231.15 million. Recurrence of the same irregularity is a matter of serious concern.

(PDP No. 2023-0000002821_F00008, 2023-0000002821_F00016 & 2023-0000002821_F00026)

6.4.6 Idle balances unattended in General Provident Investment Fund

As per the Second Schedule of Punjab Government Rules of Business 2011 (distribution of business among departments), the Finance Department is responsible for the management, supervision, and control of the Provincial Consolidated Fund and Public Accounts of the Province.

During audit of Finance Department for the period 2022-23, it was observed that Rs. 4 billion were placed in Punjab General Provident Investment Fund (G11128) in May 2007. Despite the lapse of considerable time i.e. about 16 years, the investment had not been executed to date. As per the Act and the Rules of the Punjab General Provident Investment Fund, which were framed in 2009 and 2010 respectively, it was imperative for the Finance Department to capitalize this fund promptly. The GP Fund liability had drastically increased threatening self-sustainability and borrowing to fund the operational expenses against establishment charges involved debt servicing above 20%. Keeping the investment portfolio idle involved potential loss of return on investment.

Audit is of the view that the lapse occurred due to weak administrative and financial controls.

The matter was pointed out in August 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the para was kept pending either for the production of proof of non-transfer of funds to G11128 denominated as the Punjab General Provident Investment Fund and its reverse entry (book transfer) in the relevant head of account or for holding an inquiry into the matter (if funds stood transferred). Further progress was not reported by the department till the finalization of this report.

Audit recommends to ensure remedial action and prevent similar occurrences in the future. Moreover, ensuring compliance with the established guidelines will help strengthen financial controls and foster accountability within the organization.

(PDP No. 2023-0000002821_F00012)

6.4.7 Irregular disbursement of Grant-in-Aid-Rs. 11,105.24 million

Section 11 of "Punjab Public Financial Management Act 2022" regarding Grant-in-Aid to be paid by the Government provides that the Finance Department shall prepare a Policy for providing grant-in-aid and submit it to the Government and all authorizations and payments of grant-in-aid shall be in accordance with the policy. Further, As per Rule 8.15(d)(1&2) of PFR, Vol-I, each Department sanctioning the grants-in-aid shall certify by 30th November each year that; (i) the grant sanctioned in the previous year has been utilized for the object for which it was given; (ii) the grant was spent within the prescribed time limit or where no time limit was prescribed within a reasonable time; and (iii) any portion of the amount which was not ultimately required for expenditure on the specified object was duly surrendered to the Government.

During audit of Finance Department, Government of the Punjab, Lahore, for the period 2022-23, it was observed that the Finance Department released Grant-in-Aid amounting to Rs. 11,105,244,000 but no documented policy for the issuance of Grant-in-Aid was notified. For instance, Rs. 1,124 million was disbursed to Deputy Commissioners throughout the Punjab, yet no approved formula for the disbursement of Grant-in-Aid or any established policy was in place. Particularly in the case of Deputy Commissioners, the retained amounts stood disbursed from multiple accounts without providing utilization details for consuming one grant followed by other successive transfers. The policy parameters to determine eligibility for recipients were conspicuous by absence.

Audit is of the view that the lapse occurred due to weak administrative and financial controls.

The matter was pointed out in August 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the para was kept pending for compliance. Further progress was not reported by the Department till the finalization of the report.

Audit recommends that the Finance Department should take necessary actions to establish a clear policy for the issuance and disbursement of Grant-in-Aid, in accordance with the provisions of the Punjab Financial Management Act 2012.

(PDP No. 2023-0000002821_F00005)

6.4.8 Excessive payment of rent of office buildings-Rs. 20.30 million

According to Note 3 of Serial No. 3 of Punjab Delegation of Financial Powers Rules 2016, hiring of buildings on rent would be subject to the conditions that (a) the accommodation is according to the scale approved by the Government, (b) the rent does not exceed the amount assessed by the Excise and Taxation Department for the purpose of Urban Immovable Property Tax. In case, the rent exceeds as assessed by the Excise, Taxation and Narcotics Department, the administrative department shall give a rent reasonability certificate and, (c) a non-availability certificate by the C&W Department that there is no official building available for housing a particular office.

During audit of Finance Department, it was observed that excessive payments of rent of office buildings were made over and above rent assessed by the Excise Department and without getting a rent reasonability certificate from the administrative department.

The details are given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Amount (Rs.)
1	Provincial Director Local Fund Audit, Punjab Lahore.	2022-23	2023-0000004732_F00002	15,300,000
2	Punjab Revenue Authority Lahore	2021-22	2023-0000000189_F00050	5,000,000
3	Punjab Revenue Authority Lahore	2021-22	2023-0000000189_F00051	-
Total				**20,300,000**

Audit is of the view that lack of internal controls resulted in excess payments of building rent of Rs. 20,300,000 which indicates ineffective financial and administrative controls.

The audit pointed out the lapse in March and October 2023. The observations were issued but no reply was given by the authority in due course of time.

The matter was further reported to the administrative department. In DAC meeting held on 25.01.2024, the para at Sr. No. 2 was kept pending for recovery as exemption is not available to PRA being autonomous body mentioned in column 4 of Rules of Business, 2011. The para at Sr. No. 3 was kept pending for compliance. Further progress was not reported by the Department. As regards remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends holding an inquiry into the matter and recovering the excess amount paid by virtue of erroneous consideration of the residential buildings as a customized office.

CHAPTER 7
FOOD DEPARTMENT

7.1 Introduction

The Food Department in the province of Punjab was established during World War II for the supply of flour, sugar, and other commodities. Statutory Rationing of wheat, *atta*, and sugar was made. Wheat was procured under a monopoly scheme by the Food Department and supplied to Flour Mills for grinding.

Under the Foodstuff (Control) Act, of 1958, the Food Department was assigned responsibilities for regulating the business of food grains including purchases, storage, sales, transfer, milling, etc.

As per Punjab Government Rules of Business 2011, the main functions of the Department are as follows:

- Procurement of wheat for issuance to the mills
- To act as a Government agent to provide a wheat purchase window to the farmers at a support price
- Ensure food security in wheat and wheat products
- Transportation from surplus to deficit regions
- Protection of wheat from pests and other hazards
- Targeted Food Support Programs and Ramzan/ Christmas Packages
- Undertaking all activities related to the export of wheat up to supply at the port
- Coordination with MoF, MOCC, MNFSR, other provinces, and International Agencies for matters relating to wheat

Audit Profile of Food Department

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of Food Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during financial year 2022-23 against the total of eight grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	243.65	28.19	271.83	234.21	(37.62)
PC21030	7,000.00	(7,000.00)	0	0	0
PC21031	4,586.67	(93.24)	4,493.43	4,142.68	(350.75)
PC13033 (Charged)	80,776.88	6,267.12	87,044.00	86,738.56	(305.44)
PC16033 (Voted)	298,077.60	208,245.45	506,323.05	458,545.37	(47,777.68)

PC22036	400.02	(155.12)	244.90	154.61	(90.29)
PC13052	0	225,000.00	225,000.00	225,000.00	0
PC16047	172,125.52	215,764.69	387,890.22	386,053.41	(1,836.80)
Total	**563,210.34**	**648,057.09**	**1,211,267.43**	**1,160,868.83**	**(50,398.59)**

Overview of Expenditure

The final budget of Food Department for the year ended 30th June 2023 was Rs. 1,211,267.43 million. Out of this, actual expenditure was Rs. 1,160,868.83 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	562,810,314,000	1,160,714,226,446	597,903,912,446	106.24
Development	400,024,000	154,608,179	(245,415,821)	61.35
Total	**563,210,338,000**	**1,160,868,834,625**	**597,658,496,625**	**106.12**

This composition changed due to supplementary grants & surrenders.

The variance of final grant and actual expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	1,211,022,526,000	1,160,714,226,446	(50,308,299,554)	4.15
Development	244,903,000	154,608,179	(90,294,821)	36.87
Total	**1,211,267,429,000**	**1,160,868,834,625**	**(50,398,594,375)**	**4.16**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs.(50,398.59) million at the close of the year 2022-23 under grants PC21010, PC21030, PC21031, PC13033, PC13052, PC16033, PC22036 & PC16047 were not surrendered in time by the Department.

7.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 3,860.75 million were raised during audit of the Food Department. This amount includes recoveries of Rs. 837.28 million as pointed out by the audit. Summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	**Classification**	**Amount**
1.	Reported cases of fraud, embezzlement and misappropriation	29.21
2.	Recoveries and overpayments	837.28
3.	Procurement related irregularities	503.64
4.	HR/Employees related irregularities	436.56
5.	Others	2,054.06
Total		**3,860.75**

7.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not Received	Percentage of Compliance
1	1984-85	110	80	30	73
2	1985-86	180	114	66	63
3	1986-87	59	37	22	63
4	1987-88	87	17	70	20
5	1988-89	68	27	41	40

Note: The Audit Report years missing in the above table were either due to the non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance status of the Food Department remained unsatisfactory during the Financial Years 2003-04, 2009-10, 2010-11 and 2012-13. Moreover, the attention of the department was also drawn towards the compliance status for the Financial Years 1994-95 and

1995-96. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

7.4 AUDIT PARAS

Reported cases of fraud, embezzlement and misappropriation

7.4.1 Misappropriation of wheat at Choti Center-Rs. 29.21 million

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part. As per Para 4.7 (1) of the Rules ibid, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account.

During audit of District Food Controller, Dera Ghazi Khan for the period 2021-22, it was observed that two FIRs bearing No.8/2021 & 108/2021 for pilferage of wheat and mixing of sand/clay in wheat were registered against FGI/Center Incharge. Director Food imposed major penalty of dismissal from service w.e.f. 06.01.2022 and recovery of Government loss worth Rs. 29,213,926. The accused person was reinstated in his role, holding the same incumbancy, while he was still under bail by the Anti-Corruption Establishment court.

Audit is of the view that continuation of the accused individual in a responsible position, despite evidence of legal proceedings against him, indicates lack of due diligence and disregard of the individual's questionable integrity.

The matter was pointed out in June 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 05.09.2023, the department reported that a denovo inquiry on the case was under process. The committee kept the para pending till the final decision on the case. Further progress was not reported till the finalization of this report.

Audit recommends that loss be recovered and the delinquents be prosecuted under the ACE Rules 2014 as well as subjected to strict departmental proceedings.

(PDP No. 2023-0000001938_F00017)

Recoveries and overpayments

7.4.2 Non-recovery of sugarcane cess and penalty-Rs. 521.49 million

According to Rule 2 & 3 of the Punjab Sugarcane (Dev) Cess Rules 1964, the cess is paid equally by the growers and mill owners @ Rs. 75 per metric ton and is required to be deposited into the government treasury within five days of the close of each fortnight i.e. 5th and 20th of each month. Moreover, as per letter No. SO(F-III)/2-4/2011, dated 04.04.2012 issued by Food Department, Government of the Punjab, a) after the crushing season is over, no mill would delay the final payment of sugar cess for more than 15 days from that date, from a period starting from culmination of those 15 days to upto 3 months of that date, the mill would be penalized 10-15% of penalty; b) Default between 3 months to 6 months (after close of season) 16 to 25% of penalty; c) Default between 6 months to 1 year 26 to 50% of penalty; d) Default beyond 12 months 51 to 100% of penalty.

During audit of the Cane Commissioner Punjab, Lahore for the period 2022-23, it was observed that an amount of Rs. 417,188,572 was required to be recovered from sugar mills, as road cess. Further, an amount of Rs. 104,297,143 was also due on account of penalty on delayed/non-deposited road cess till close of audit. It resulted into loss of Rs.521,485,715 sustained to public exchequer.

Audit is of the view that lapses occurred due to weak financial and supervisory controls.

The matter was pointed out in July 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 11.01.2024, the department stated that the matter was subjudice in Lahore High Court, Lahore. The para was kept pending till decision of the court. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be pursued for early hearing in the honorable court, besides ensuring recovery of the stated amount.

(PDP No. 2023-0000002815_F00001)

7.4.3 Non-recovery from employees, contractors and Food Business Operators-Rs. 135.82 million

As per Para 4.7 (1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account.

During audit of Food Department, it was observed that license fee & fines were recoverable from Food Business Operators and recoveries were outstanding against employees & contractors. This resulted in loss of Rs. 135,822,278 to the public exchequer. The details are given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	DFC, Khanewal	2021-22	2023-0000001545_F00007	Non-collection of outstanding recoveries from employees	49,101,505
2	Punjab Food Authority at Faisalabad	2020-23	2023-0000003204_F00002	Less realization of the license fee	40,502,638
3	DFC, DGK	2021-22	2023-0000001938_F00010	Non recovery from employees & contractors	39,645,302
4	DFC, Rajanpur	2021-22	2023-0000001565_F00010	Non-recovery from employees	6,572,833
Total					**135,822,278**

Audit is of the view that lapses occurred due to weak financial and supervisory controls.

The matter was pointed out in March, May & August 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 05.09.2023, 07.09.2023 and 27.09.2023, the para at Sr. No. 1 was kept pending for compliance. The para at Sr. No. 3 was kept pending for recovery. The para at Sr. No. 4 was reduced from Rs. 6,637,465 to the extent shown in table after verification of record. Further progress was not reported by the department. As regards the remaining para, neither any reply was received nor was the DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into for fixing responsibility and the stated amount be recovered from the concerned besides strengthening supervisory and financial controls.

7.4.4 Non deposit of PST recovered from Food Business Operators into Government Treasury-Rs. 179.97 million

As per 2nd Schedule of Punjab Sales Tax; Sr. No 13 mandates charging of 16% PST for Franchise services, including intellectual property rights and licensing. Sr. No 24 imposes a similar 16% PST on certification, training, coaching services (excluding general education), and credit rating services. Additionally, Sr. No. 42 specifies a 16% tax on laboratory services, excluding those exclusively for medical treatment purposes. Sr. No. 56 outlines a 16% PST for services related to debt collection, rent collection, and similar recovery services, including toll or fee or regulatory fee or duty or any other similar collection. Furthermore, Rule 13.1 for the Punjab Pure Food Regulation 2017, envisages that the licensing fee rates are subject to a 16% PST.

During audit of the Punjab Food Authority, Lahore for the period 2022-23, it was observed that the management collected a total receipt of Rs.1,304,782,432 during the FY 2022-23 in lieu of services chargeable for PST @ 16% i.e. Licence Fee, Labeling Fee, Lab Test Fee, Training Fee. An amount of Rs.179,969,991 was collected as Punjab Sales Tax from Food Business Operators (FBOs) which had not been deposited into the Government Treasury.

Audit is of the view that the lapse occurred due to weak internal controls.

The matter was pointed out in August 2023. The management acknowledged the observation but did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 11.01.2024, the para was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the said amount of PST be deposited into Government Treasury.

(PDP No. 2023-0000002817_F00007)

Procurement related irregularities

7.4.5 Dubious procurement by eliminating competition- Rs. 503.64 million

As per web portal of PPRA, module captioned as Frequently Asked Questions, it has been clarified that whenever a procuring agency is confronted with such a situation whereby the rate quoted by the single bidder cannot be compared so as to declare it as the lowest rate or otherwise, the following factors may be kept in view:

c) The comparison of price of the goods, works or services if procured during the current financial year.
d) Market price of the goods works and services to be procured.

As per sample form of standard bidding documents uploaded by PPRA online, the bidder participating in tender is required to submit affidavit to the effect that the firm is not blacklisted, on stamp paper of Rs.100.

During audit of Punjab Food Authority, Lahore for the period 2022-23, it was observed that the management expended an amount of Rs. 503,642,000 on procurement of different items through tendering process. Audit observed the following irregularities:

1. A number of bidders participated in the bidding process. The management while making technical evaluation knocked out all the bidders except one on the basis of the plea that the bidder submitted the affidavit (that the firm had not been blacklisted) on Rs.100 stamp paper. The reason to knock out competetive bidders favouring the one enclosing affidavit of Rs. 200 was un-tenable.
2. The management accepted the single offered rate of the vendor without market assessment or rate analysis.

The lapse occurred due to weak administrative and financial controls.

The matter was pointed out in August 2023. The department acknowledged the observation but did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 11.01.2024, the para was kept pending for probe at administrative department's level. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at administrative department's level to fix responsibility against those at fault.

(PDP No. 2023-0000002817_F00016)

HR/Employees related irregularities

7.4.6 Irregular hiring of personnel and consultants-Rs. 429.82 million

As per the Supreme Court of Pakistan's ruling dated 19.01.1993, read with S&GAD's Notifications dated 05.01.1995 and 29.12.2004, no recruitment should be made against any post which is not advertised properly.

As per Schedule of Wage Rates 2022 notified by Government of the Punjab, Finance Department vide Notifications dated 15.07.2022, appointment to a post included in the Schedule may be made by the competent authority subject to the condition that the post(s) shall be advertised properly in the leading newspapers.

As per Sr. No. 2 (ab) & (u) of PPR 2014, short consultancy means consultancy where the cost of consultancy does not exceed two million rupees for individual consultant and five million rupees for consulting firms and duration of the short consultancies for an individual consultants shall not exceed six months. Large consultancy means a consultancy where the cost of consultancy exceeds two million rupees for individual consultant and five million rupees for consulting firms and the duration of large consultancy for an individual consultant shall not exceed twelve months.

During audit of the Punjab Food Authority, Lahore for the financial year 2022-23, it was observed that the authorities hired a number of officers/staff irregularly without advertising the position/vacancies and paid Rs. 429,821,984 for claimed salaries on their part. Disguised short term consultancies were allowed to perpetute with overlapping TORs. Conditions of long term consultancies were circumvented, The details are given as under:

Sr. No	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Punjab Food Authority, Lahore	2022-23	2023-0000002817_F00004	Irregular appointment of 869 contingent paid staff without open advertisement.	292,801,549
2	Punjab Food Authority, Lahore	2022-23	2023-0000002817_F00009	Irregular hiring of various consultants without fulfillment of TORs and repeated renewal of their contracts avoiding open advertisement applicable for long term consultancy.	96,400,435
3	Punjab Food Authority, Lahore	2022-23	2023-0000002817_F00018	Wasteful expenditure on hiring of Legal Consultants without need assessment.	40,620,000

Sr. No	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
Total					**429,821,984**

The lapse occurred due to weak administrative controls.

The matter was pointed out in August 2023. The management acknowledged the observation but did not offer any reply.

The matter was further reported to the administrative department in November 2023. In DAC meeting held on 11.01.2024, the paras were kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that hiring of officers/staff without advertisement and need assessment warrants investigation and fixing of responsibility against those at fault, besides seeking regularization of the lapse from the Finance Department.

7.4.7 Less distribution of subsidized flour in the market-Rs. 6.74 million

As per Paragraph No.III of Wheat Release Policy issued vide letter No.SO(F-I)3-2/2021-22(WR) dated 19.09.2021, the issue price of wheat would be Rs. 1,950/40 Kgs wheat (including cost of bardana) and the flour mills shall be bound to sell flour bags at the following maximum ex-mill and retail prices:

Ex-Mill prices;

a. 20 kg flour bag Rs. 1,075
b. 10 kg flour bag Rs. 540 Retail prices
c. 20 kg flour bag Rs. 1,100
d. 10 kg flour bag Rs. 550.

Further, as per Paragraph XI & XII of circular ibid, the flour mills shall be bound to upload the daily wheat purchase, wheat grinding and atta supply details on Flour Ledger Management Information System (FLMIS) on daily basis. If the flour mills are found involved in less grinding of public wheat stocks at any stage, the flour mill shall be held responsible to deposit recovery @ notified rates of Food Department and license may be suspended/ cancelled. Furthermore, as per Paragraph (iv) of Sahulat Bazar Policy issued vide letter No.SO(F-V)3-70/2021 dated 14.07.2021 and Paragraph 3 of Ramzan Policy, 2022 issued vide letter No.SO.(F-I)5-9/2022 dated 22.03.2022, Flour mills shall observe extraction ratio of 80:20 in respect of public wheat stock.

During audit of District Food Controller, Dera Ghazi Khan for the financial year 2021-22, it was observed that 15 flour mills in the district distributed 85.75 metric tons of flour amounting to Rs. 6,737,500 less than the required flour as per the wheat issued to them under different Wheat Release Policies.

Audit is of the view that no action was taken against the defaulting mills. Additionally, there was no effort made to recover either the wheat or the cost of wheat from the concerned flour mills.

The matter was pointed out in June 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 05.09.2023, the department opted not to submit a relevant reply. Hence, the para was kept pending. Further progress was not reported by the department till the finalization of this report despite issuance of reminders during November and December 2023.

Audit recommends that an inquiry should be conducted into the non-distribution of subsidized flour, besides ensuring recovery of the wheat or cost thereof from the defaulting flour mills.

(PDP No. 2023-0000001938_F00004)

Performance related irregularities

7.4.8 Unjustified distribution mechanism of flour

As per wheat procurment scheme 2021-22, Government purchased wheat @ Rs. 2,000 per 40 kg and @ Rs. 2,200 per 40 Kg under Wheat Procurement Scheme 2022-23 while sold wheat at subsidized rate for benefit of general public.

During audit of the District Food Controller, Dera Ghazi Khan for the financial year 2021-22, the flour distribution data extracted from FLIMS revealed that the distribution mechanism of flour in the district appears to be biased and opaque signifying departure from permits and released consignments, characteristically favoring selected few mill owners for bigger despatches. The data posted on the FLIMS is disowned by the Department as well.

This practice raises concerns about accountability and transparency in the distribution process.

Audit is of the view that discrepancies in delivery created opportunities for mismanagement, involving a potential diversion of subsidized flour.

The matter was pointed in June 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 05.09.2023, the para was kept pending with the direction to provide list of dealers and flour distribution plan/mechanism. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into and FLMIS needs to be subjected to IS Audit to ensure strict adherence to prescribed limits for wheat issuance.

(PDP No. 2023-0000001938_F00003)

Others

7.4.9 Heavy burden on Provincial Consolidated Fund due to non-achievement of self-reliance-Rs. 1,205.23 million

As per Section 46 (1)&(3) of Punjab Food Authority Act 2011, there shall be established a fund to be known as the "Food Authority Fund" to be administered and controlled by the Food Authority. The Food Authority shall meet all of its expenses from the Food Authority Fund. Further, under Section 3(2) of the Act ibid, PFA is declared as a body corporate with perpetual succession.

As per Rule 8.15 of PFR Vol-I, Grants-in-aid are sanctioned either by the Government or by authorities subordinate to it (Heads of Departments, etc.). Moreover, as per Rule 8.15(d) ibid, each department sanctioning the grants-in-aid shall certify by 30th November each year that the grant sanctioned in the previous year has been utilized for the object for which it was given; the grant was spent within the prescribed time limit or where no time limit was prescribed within a reasonable time; and any portion of the amount which was not ultimately required for expenditure on the specified object was duly surrendered to the Government.

During audit of the Punjab Food Authority, Lahore for the financial year 2022-23, it was observed that the Punjab Food Authority had not achieved self-sufficiency by matching its revenue generation with the expenditure despite the establishment of the Food Authority Fund in 2011. During 2022-23, Rs.1.205 billion (Rs. 1,205,234,853) was received from the Provincial Consolidated Fund as Grant-in-aid despite the fact that the Punjab Food Authority had a balance of Rs.1.027 billion on 30.06.2023 in their accounts and investment of Rs.3.500 billion which would have met the fund requirement of the authority. The development initiative for establishment of regional labs for testing facilities was not launched either. Grant in aid channelised was surplus to meet immediate requirement of the PFA. The surrender and retirement of the unspent grants retained over the years was called for as surplus to the immediate requirement of PFA.

The lapse occurred due to weak administrative and financial controls.

The matter was pointed out in August 2023. The management acknowledged the observation but did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 11.01.2024, the para was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be looked into at administrative department’s level to resolve the administrative and financial management issues.

(PDP No. 2023-0000002817_F00001)

7.4.10 Non-payment to growers-Rs. 745.94 million

As per Section 13 (2) of the Sugar Factories Controls Act 1950, the occupier of a factory shall purchase cane from a cane grower or a cane growers co-operative Society, as the case may be, against Cane Purchase Receipt (CPR) at the rate notified under Section 16 of the Act, ibid and shall make payment to the cane grower through a bank directly into the bank account of the cane grower within fifteen days of supply of sugar cane, provided that the occupier of a factory shall not purchase cane from a person who is a member of a Cane Growers Co-operative Society.

As per Section 14 (10) of the Sugar Factories Controls Act 1950, the occupier or the purchasing agent shall be liable to pay interest at the rate of 11% per annum on unpaid balance of payment for cane, from the date of delivery of the cane, in case where such payment is not cleared within fifteen days of its delivery.

During audit of Cane Commissioner, Lahore for the period 2022-23, it was observed that an amount of Rs. 672,021,055 had been less paid by the occupier of the sugar mills to growers of sugarcane despite lapse of more than six months of purchasing. An amount of Rs. 73,922,316 being interest accrued on the payable amount to growers. The management not only failed to get the payment of principal amount made to growers but also interest amounting to Rs. 73,922,316 could not be recovered.

The lapse occurred due to weak management and internal controls.

The matter was pointed out in August 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 11.01.2024, the para was kept pending being sub-judice in the Supreme Court of Pakistan. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the outstanding amount be recovered as arrears of land revenue under Section 6 (2) of the Punjab Sugar Factories Control Act, 1950 as well as proceedings under Section 21 of the Act ibid be initiated against the occupiers and paid to the concerned.

(PDP No. 2023-0000002815_F00006)

7.4.11 Irregular payment of honorarium-Rs. 102.89 million

According to FD's letter No.F.D.SR-I-9-7/2003 dated 9th June 2010, the administrative Department may sanction an honorarium of one month's basic pay and the Head of the Attached Department up to half a month's basic pay one time during a financial year. According to para (vi) of FD's letter No. FD(DS-COORD)1-1/2018 dated 20th August 2018, cases for posts' creation & up gradation, increase in salaries & allowances, recruitment criteria, or any other matter having financial implication may be sent to the Finance Department for advice by all the Autonomous Bodies who are in receipt of the Government Funding.

During audit of Punjab Food Authority, Lahore for the financial year 2022-23, it was observed that the management paid a huge amount of Rs.102,892,044 as honorarium to the officers/officials. The honorarium was granted several times in a financial year to the employees without justification in contravention of canons of financial propriety or seeking concurrence from the Finance Departmrnt.

The lapse occurred due to weak administrative and financial controls.

The matter was pointed out in August 2023. The management acknowledged the observation but did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 11.01.2024, the para was kept pending for seeking regularization from the Finance Department besides framing rules for awarding reward. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be taken up with Finance Department to seek regularization of the matter at the earliest or alternatively recovery be imposed.

(PDP No.2023-0000002817_F00008)

7.4.12 Inconsistency in cost estimation involving additional burden on consumers of wheat

Under Section 3 of Foodstuff (Control) Act 1958, the Food Department was assigned responsibilities for regulating the business of food grains including purchases, storage, sales, transfer, milling, etc.

As per Second Schedule of Punjab Government Rules of Business 2011 (Distribution of business among departments), the Food Department is responsible to ensure food security in wheat and wheat products.

On a summary to the Chief Minister, Finance Department adverted to urgency to avoid fiscal burden in the wake of policy revision i.e.

> "Finance Department has time and again stressed that volume of procurement and release price may be rationalized to minimize fiscal burden and reduce ongoing needs for economical debt to finance commodity operations of the province".

During audit of various formations of Food Department, it was observed that the department resorted to mercurial and inconsistent dispensations, interfering with market stability, entailing price distortions for wheat, inter alia, due to the following reasons:

1. The extraction ratio stood enhanced from 20% to 30% of wheat as grinding charges whereas input cost did not fluctuate proportionately. The revision in extraction had a direct burden on the ratio of incidental charges.
2. The revision in extraction ratio was antithetical to the stance of the Finance Department.
3. The fiscal burden stood increased contrary to advice from the Finance Department because of the extra extraction ratio allowed in favor of Millers in lieu of grinding charges.
4. Cost of jute bags was payable by mill owners under policy letter dated 19.09.2021 under the said wheat procurement scheme but this burden was reverted to incidental charges of the department on 19.05.2022. It had a direct effect on the consumers and their rights had not been adequately safeguarded against food insecurity and price hikes propel.

The details are given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	DFC, DGK	2021-22	2023-0000001938_F00005	Undue Benefit to Flour Mills by changing extraction ratio from 70:18:12 to 80:10:10 led to significant difference in the allocation of resources.	202,191,450
2	DFC Khanewal	2021-22	2023-0000001545_F00005	Loss to public exchequer by issuance of wheat without including bag cost	102,621,822
3	DFC, DGK	2021-22	2023-0000001938_F00012	Loss to Government due to purchase of wheat at different rate in a wheat scheme 2021-22 including bag cost.	68,386,351
4	DFC Rajanpur	2021-22	2023-0000001565_F00007	Loss to public exchequer by issuance of wheat without including bag cost	48,758,240
Total					**421,957,863**

Audit is of the view that the lapse occurred due to non-implementation of the Finance Department's instructions.

The matter was pointed out in June 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 05.09.2023, 07.09.2023 and 27.09.2023, the para at Sr. No. 1 was kept pending with the direction to review the process of fixation of extraction ratio and its inclusion in the next wheat policy. The paras at Sr. Nos. 2 and 3 were kept pending for compliance. The para at Sr. No. 4 was kept pending with the direction to review the policy at administrative department's level. Further progress was not reported by the department till the finalization of this report.

Audit recommends that revision in dispensations such as shifting cost of bardana, added extraction deficit and enhanced incidental charges should have a strong nexus with stringent cost and management evaluations inclusive of all the input costs and overheads meriting revisiting of the same by the competent forum for safeguarding consumer rights.

CHAPTER 8
FORESTRY, WILDLIFE & FISHERIES DEPARTMENT

8.1 Introduction

The Forestry, Wildlife & Fisheries Department is headed by a Secretary with Chief Conservators of Forest and Director General of Wildlife and Fisheries as heads of the respective attached departments. As per Punjab Government Rules of Business 2011, the department has been assigned the following businesses:

- Scientific management of existing public forest estates to maximize production of wood and minor forest produce and to create new forest resources.
- Management of range lands to boost production of forage & livestock.
- Conservation & promotion of fisheries in private & public sectors.
- Education of the public about tree planting and provision of technical and advisory services on matters of afforestation to the people and other Government departments.
- Research and training in various disciplines of forestry, wildlife, fisheries and seri-culture.
- Management of watersheds to conserve soil & water and to improve the productivity of land.
- Acquisition and transfer of forest lands. Notification/De-notification in respect of reserve, protected & un-classed forests.

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Forestry, Wildlife, and Fisheries Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of seven grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21005	4,882.83	7.17	4,890.00	4,841.00	(49.00)
PC21010	139.23	(7.80)	131.43	129.79	(1.64)
PC21019	1,111.58	0.00	1,111.59	1,089.40	(22.19)
PC21023	1,040.98	277.44	1,318.42	1,226.57	(91.85)
PC22036	6,114.36	(1,739.55)	4,374.81	4,033.91	(340.91)

PC12043	3,431.35	(3,431.35)	-	-	-
PC24044	112.20	-	112.20	112.20	-
Total	**16,832.53**	**(4,894.08)**	**11,938.45**	**11,432.86**	**(505.59)**

Overview of Expenditure

The final budget of the Forestry and Wildlife Department for the year ended 30th June 2023 was Rs. 11,938.45 million. Out of this, the actual expenditure was Rs. 11,432.86 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	7,286,823,000	7,398,956,161	112,133,161	1.54
Development	9,545,702,000	4,033,905,225	(5,511,796,775)	57.74
Total	**16,832,525,000**	**11,432,861,386**	**(5,399,663,614)**	**32.08**

This composition changed due to supplementary grants and surrenders.

A variance of the Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	7,563,558,000	7,398,956,161	(164,601,839)	2.18
Development	4,374,812,000	4,033,905,225	(340,906,775)	7.79
Total	**11,938,370,000**	**11,432,861,386**	**(505,508,614)**	**4.23**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs 505.59 million at the close of the year 2022-23 under grants PC21005, PC21010, PC21019, PC21023, and PC22036 were not surrendered in time by the Department.

8.2 *Classified Summary of Audit Observations*

Audit observations amounting to Rs. 7,756.06 million were raised in this report during audit of Forestry, Wildlife, and Fisheries Department. This amount includes recoveries of Rs. 4,545.33 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Reported cases of fraud, embezzlement and misappropriation	1.52
2.	Recoveries and overpayments	4,545.33
3.	Procurement related irregularities	81.92
4.	Financial Matters	62.26
5.	Others	3,065.03
Total		**7,756.06**

8.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not Received**	**Percentage of Compliance**
1.	1984-85	24	18	6	75
2.	1985-86	33	26	7	79
3.	1986-87	39	39	0	100
4.	1987-88	26	19	7	73
5.	1988-89	71	53	18	75
6.	1989-90	25	14	11	56
7.	1990-91	28	17	11	61
8.	1991-92	31	15	16	48
9.	1992-93	10	6	4	60
10.	1993-94	17	7	10	41
11.	1994-95	28	1	27	4
12.	1995-96	13	3	10	23
13.	1996-97	4	3	1	74
14.	1997-98	154	77	77	50
15.	1998-99	151	95	56	63
16.	1999-00	141	90	51	64
17.	2000-01	258	169	89	66
18.	2001-02	258	164	94	64
19.	2003-04	90	30	60	33
20.	2005-06	76	34	42	45
21.	2006-07	138	52	86	38
22.	2009-10	122	25	97	20
23.	2010-11	15	04	11	27
24.	2011-12	9	0	9	0
25.	2012-13	127	52	75	41
26.	2013-14	107	22	85	21
Total		**1995**	**1035**	**960**	**54**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance with PAC directives in the Forest Department remained unsatisfactory during the Financial Years 2009-10 to 2011-12. The attention of the department is also drawn towards compliance status during the Financial Years 1994-95 to 1995-96. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

8.4 AUDIT PARAS

Reported cases of fraud, embezzlement and misappropriation

8.4.1 Bogus drawls of labour charges-Rs. 1.52 million

According to Para 15.69 of the West Pakistan Forest Manual Volume-II, for works executed by laborers, whether paid by the day or otherwise, must be kept, showing the names of laborers, the number of days they have worked, the rate of pay, and the amount due to each. This nominal muster roll is the initial record of the labor employed each day on each work and must be written up daily by the subordinate deputed for the purpose. Para 17.72 (vi), further states that muster rolls are to be disbursed without fail within one month. Promptness will keep the labor satisfied. No muster roll may be disbursed in part.

Rule 2.31 (a) of PFR Vol-I states that a drawer of bills for pay, allowances, contingent, and other expenses will be held responsible for any overcharges, frauds, and misappropriations.

During audit of Divisional Forest Officer, Attock for the period 2021-23, a review of muster roll payments data revealed that the public exchequer sustained a loss of Rs. 1,523,050 due to the following reasons:

i) In 40 cases, Rs 881,460 was shown paid to laborers who as per the active taxpayer list of FBR were businessmen, etc.
ii) In 33 cases, muster roll payments valuing Rs. 641,590 were made to holders of CNIC numbers who were serving Government employees or pensioners.

Lapse occurred due to weak planning, execution, and monitoring mechanisms at managerial levels. Bogus drawls through muster rolls caused an approximate loss of Rs. 1,523,050 to the public exchequer.

The observation was pointed out in November 2023. The management received the observation with the response that the reply would be submitted after scrutiny of the record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired. The loss involved be recovered and deposited into Government Account besides strengthening financial controls to avoid the recurrence of such lapses in future.

(PDP No. 2023-0000004743_F00005)

Recoveries and overpayments

8.4.2 Non/less recovery of Government dues-Rs. 4,522.92 million

As per Rule 4.1 of PFR Vol-I, the departmental controlling officers should accordingly see that all sums due to the Government are regularly received and checked against demands and that they are paid into the treasury. As per Rule 2.31(a) of Rules ibid, a drawer of bills for pay, allowances, contingent, and other expenses will be held responsible for any overcharges, fraud, and misappropriation.

As per sub paras 7 to 12 & 27 of Rule 3.8 (Chapter-III Misc.) of Forest Manual Vol-III, if the offender desires to pay compensation, the case should be finalized by compounding the goods and receiving compensation.

During audit of Forestry, Wildlife & Fisheries Department, it was observed that recovery of Rs. 4,522,924,045 (Annexure-11) from contractors and suppliers, officers/officials had not been affected on account of excess payments, and liable to be imposed due to less deduction of Government taxes etc. which was a loss to the public exchequer.

Audit is of the view that the lapse occurred due to weak financial and supervisory controls.

The matter was pointed out during March, April, and November 2023. The management stated that a detailed reply would be submitted later on.

The matter was further reported to the administrative department. In DAC meetings held on 15.09.2023, 07.12.2023 and 04.01.2024, the amount of paras at Sr. Nos. 2 & 6 was reduced from Rs. 11,038,000 & Rs. 2,098,000 to Rs. 10,454,400 & Rs. 523,740 respectively after verification of partial recovery and paras were kept pending for remaining recovery. The para at Sr. No. 3 was kept pending for recovery/advice from Punjab Revenue Authority. The paras at Sr. Nos. 4 & 13 were kept pending for verification of record. The para at Sr. No. 5 was kept pending for probe. The para at Sr. No. 7 was kept pending for recovery. The para at Sr. No. 14 was kept pending for recovery and production of verification of challan. As regards the remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter may be probed to fix the responsibility and the loss be made good from the concerned at fault besides strengthening supervisory and financial controls.

8.4.3 Loss due to over-payment to contractor-Rs. 22.41 million

According to PC-1 “Cage Fish Culture Cluster Development Project,” a total 5000 number of cages will be installed under this project. Each farmer would be provided 10 or 20 cages (as per his own request). The Directorate of Fisheries would provide financial assistance to the selected farmers which is 80 % of the total estimated cost of the cage or 0.240 million whichever is less in the form of cage installation. According to Sr. No. 01 (Payment Schedule) of Appendix B of the Agreement between the Department of Fisheries and M/s Saleem & Co. (RYK)PVT.LTD for the supply/installation of fish cages, 30 % of the total cost of the agreement would be paid to the contractor for the arrangement of cage material at workshop/warehouse and inspection thereof.

During audit of Director Fisheries (PM & E)/Project Director, PIU Lahore for the period 2022-23, it was observed that the contract for the supply /installation of 540 fish cages was drawn with M/s Saleem & Co. (RYK)PVT.LTD. Rs 52,635,000 were paid to the contractor as a 30 % share in the light of the contract agreement. A study of the record revealed that 31 farmers were selected for the provision of the facility of 310 fish cages who provided a 20 % share of the balanced amount in the shape of CDRs whereas 30 % share for installation of 540 fish cages was paid to the contractor. Thus 30 % share for 230 fish cages (540-310) was overpaid to the contractor.

Lapse occurred due to weak administrative and financial controls. This resulted in the loss of Rs 22,410,000 to the public kitty due to overpayment to the contractor.

When pointed out in October 2023, the management replied that hopefully remaining cages would be installed, otherwise, compliance would be made through adjustments in the next contractor bill. The reply was not satisfactory, as only 31 farmers were qualified/selected for the purpose and also provided CDRs. 310 cages (31 farmers x 10 cages for each farmer) were required for installation whereas a contract for the 540 cages was drawn and a 30 % share was overpaid against unallotted 230 cages ignoring the actual requirement for on-ground installations.

The matter was further reported to the administrative department. In DAC meeting held on 04.01.2024, the para was kept pending for inquiry at administrative department's level. Further progress was not reported by the department till the finalization of the report.

Audit recommends that the lapse be inquired into. The loss involved be recovered and deposited into the Government kitty besides strengthening controls to avoid the recurrence of such lapse.

(PDP No. 2023-0000004724_F00001)

Procurement related irregularities

8.4.4 Irregular expenditure on installation of fish cages- Rs. 52.64 million

According to Rule 4 of Punjab Procurement Rules, 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of Director Fisheries (PM & E)/Project Director, PIU Lahore for the period 2022-23, it was observed that Rs 52,635,000 was drawn and paid to M/s Saleem & Company on account of the installation of 540 fish cages under "Cage Fish Culture Cluster Development Project" Expenditure was held irregular due to the following reasons.

i) According to clause I of Annexure VIII-F of PC-1, the contractor was allotted 60 days to install the cage after the supply order.

ii) However, the contract agreement set a deliverable duration from 10.10.2022 to 09.04.2023 (182 days), ignoring the PC-1 provision. Despite ample time, the contractor failed to complete the task and requested an extension until 30.06.2023, with no penalties or late delivery charges stipulated in the contract agreement.

iii) Similarly, clause 10 mandated the supplier to provide consultant services for capacity building including training on cage fish culture and operation and maintenance of cages. However, no such services were availed as this feature was absent from the contract agreement.

iv) According to clause 15(iv) of the bidding document, import documents shall be produced at the time of inspection to ensure that supplies offered for inspection are imported/genuine brand new and in original packing of the manufacturer but no such import documentation was obtained from the contractor.

v) As per clause 17 of the bid document, 10 % performance guarantee was required from the successful bidder whereas only 05 % performance guarantee was obtained.

vi) No agreement between the Department of Fisheries and selected cage fish culturists in the light of the draft given in PC-1 (Annexure VIII-B) was drawn. This provision was also not adopted during 2020-21 and 2021-22 and only a receipt acknowledgement from the farmer was obtained. Due to the non-drawl of proper agreement with a defined responsibility to maintain fish cages for a defined period after completion of PC-1, the existence, and utilization of the fish cages for defined purposes would be vulnerable.

Lapse occurred due to weak administrative and financial controls. This resulted in irregular expenditure of Rs. 52,635,000 to the Government due to non-observance of bidding clauses and PC-1 provisions.

When pointed out in October 2023, the DDO stated that the matter would be justified in DAC meeting.

The matter was further reported to the administrative department. In DAC meeting held on 04.01.2024, the para was kept pending for inquiry at administrative department's level. Further progress was not reported by the department till the finalization of the report.

Audit recommends that matters should be inquired and lapses be regularized from the Finance Department besides strengthening controls to avoid the recurrence of such lapses.

(PDP No. 2023-0000004724_F00003)

8.4.5 Irregular expenditure on hiring of consultant for preparation of feasibility report for value chain- Rs. 15.00 million

According to Rule 4 of Punjab Procurement Rules, 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. Government of the Punjab, Services and General Administration Department vide Circular No. L & M(PPRA)10-01/2011; dated 10.02.202 clarified that under Rule 46, if the procuring agency intends to hire an individual consultant for short consultancy it shall select the same while comparing at least three bidders amongst those who have expressed interest in the assignment despite the fact no open competitive bidding is required in such cases. In the wake of the above, PPRA is the concerted opinion that a pre-qualification cannot be considered as valid if it falls short of at least three bidders to compete for further bidding process.

During audit of Director Fisheries (PM & E)/Project Director, PIU Lahore for the period 2022-23, it was observed that Rs. 15,000,000 was drawn and paid to M/s REMCO Associate for preparation of feasibility study of value chain development i.e.

i) Establishment of Fish/Shrimp processing plants,

ii) Establishment of shrimp hatcheries and

iii) Establishment of High Value Fish (Sea bass, Grouper etc.) under “Pilot Shrimp Farming Cluster Development Project”.

Expenditure was held irregular due to the following reasons:

i. During the consultant selection process, M/s Value Resources saw an unexpected drop in score, raising fairness concerns in the pre-qualification phase.

ii. Only two financial bids were received instead of the required three, indicating potential transparency issues in the bidding process.

iii. A combined score evaluation led to the award of the work order to M/s REMCA Associate, despite M/s Biosphere Consultants offering a significantly lower financial bid.

iv. The use of this criterion in the Request for Proposal (RFP) deviated from established rules, resulting in an approximate loss of Rs 4.60 million to the public exchequer.

v. The consultant firm requested an extension for report submissions, citing guidance from foreign experts. Despite submitting a vetted report, delays raised concerns about the firm's lack of in-house expertise. Outstanding observations from a panel of experts' meetings were yet to be addressed in the final compliance report.

vi. The study, initiated later than planned, was still in process in the final year, rendering the expenditure made for the purpose wasteful due to inefficient program execution.

Lapse occurred due to weak administrative and financial controls. This resulted in irregular/wasteful expenditure of Rs 15,000,000 by the Government due to inefficient and uneconomical execution of program activity.

When pointed out during October 2023, the DDO stated that matter would be justified in DAC meeting.

The matter was further reported to the administrative department. In DAC meeting held on 04.01.2024, the para was kept pending for probe at administrative department’s level. Further progress was not reported by the department till the finalization of the report.

Audit recommends that the lapse should be inquired. Irregularity got regularized by the Finance Department besides strengthening controls to avoid the recurrence of such lapses.

(PDP No. 2023-0000004724_F00004)

8.4.6 Mis-procurement of machinery & equipment-Rs. 12.28 million

As per Rule 25 of PPR, 2014 a procuring agency shall formulate precise and unambiguous bidding documents that shall be made available to the bidders immediately after the publication of the invitation to bid. As per Rule 56 of PPR, 2014 the procuring agency shall require the successful bidder to furnish a performance guarantee which shall not exceed ten percent of the contract amount. According to Rule 69 of PP Rules 2014, any violation of these rules shall be treated as mis-procurement.

As per Serial No. 22 of the Sixth Schedule of Sales Tax Act, 1990, single-cylinder diesel engines (engines) of 3 to 36 HP used for agriculture are exempted from Sales Tax.

During audit of Divisional Forest Officer, Attock for the period 2021-23, it was observed that Rs. 12,281,414 under the scheme “TREE PLANTING ALONG ROW GHAZI BAROTHA HYDOR POWER PROJECT (GBHP) was paid to various contractors for procurement of

Machinery & Equipment (Peter Engines, Rotavator, Water bowser, Peter accessories, Trolly and Boring with accessories etc.) and Plants.

Expenditure was held irregular due to the following reasons:

- A deficient bidding document was used without general or special conditions of contract, specifications, bid evaluation criteria and list of goods, etc.
- No performance guarantee was obtained from the successful bidder.
- Neither a technical evaluation was made nor a bids evaluation report was uploaded on the PPRA website.
- Concerned contractors did not make supply within the stipulated period but the management did not withhold/ deduct late delivery charges Rs. 68,070.
- The offered bids were inclusive of all taxes in the bid for the rotavator, water bowser, etc. but the contractor added GST Rs. 1,104,877 above the bid rate in the bill which was paid by the DDO irregularly.
- A payment of Rs. 457,780 was made against hiring of services for transportation of plants from private persons/contractors despite having 14 tractors and trollies at the disposal of the DFO.
- Moreover, PST Rs. 73,245 and IT Rs. 45,778 were not deducted while making payment against the service rendered.
- Stamp duty of Rs. 30,703 was also not deducted from the bills which need recovery.

Audit is of the view that laps occurred due to weak financial and administrative controls resulting in irregular expenditure of Rs. 12,281,414 due to non-observance of Punjab Procurement Rules, 2014 and loss due to non-recovery of taxes/LD charges amounting to Rs. 2,177,354.

The observation was pointed out in November 2023. The DDO stated that a detailed reply would be submitted after scrutiny of the record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends inquiring into the matter, responsibility be fixed against the delinquents, and recovery of the stated amount be affected besides strengthening financial and administrative controls to avoid the recurrence of such lapses in the future.

(PDP No. 2023-0000004743_F00001)

8.4.7 Irregular expenditure on the fabrication of vehicles without tender-Rs. 2.00 million

According to Rule 12 of PPR 2014, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to three million rupees on the website of the Authority in the manner and format specified by regulations.

During audit of Divisional Forest Officer, Attock for the period 2021-23, it was observed that Rs. 2,000,000 under the scheme "Ten Billion Tree Tsunami Programme (Phase-1) was paid to M/S Malik Traders, Attock for fabrication of vehicle Nos. AKA-3200 and RPT-1929. Expenditure incurred was held irregular due to the following reasons:

- Fabrication works were made without taking competitive rates through tender.
- Payment was made without inspection/completion report.
- Payment of Rs. 2,000,000 was made in cash instead of by name cheque/transfer in bank account.
- PST on repair services Rs. 320,000 was not recovered from the vendor.
- Income Tax of Rs. 200,000 and stamp duty of Rs. 5,000 was also not deducted.

This resulted in irregular expenditure of Rs. 2,000,000 due to non-observance of rules and loss due to non-deduction of taxes for Rs. 525,000.

Lapse occurred due to weak administrative and financial controls.

The observation was pointed out in October 2023. The management received the observation and contented that a detailed reply would be submitted after scrutiny of the record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into, and responsibility be fixed against those responsible, recovery of the stated amount be affected besides strengthening financial and administrative controls to avoid the recurrence of such lapses in the future.

(PDP No. 2023-0000004743_F00003)

Performance related irregularities

8.4.8 Poor performance due to less achievement of planting targets

As per Rule 2.10(a)(1) of PFR Vol-I, the same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of the office of the Project Director, TBTTP/GPP, Punjab, Lahore, for the year 2022-23, scrutiny of the Monitoring report of the Project issued by the office of the Director General, Monitoring & Evaluation, Planning & Development Board, Government of the Punjab, Lahore vide No.DGM&E/MTR/FA&LE/ FWF/2023/01/63, dated 7th March 2023, revealed the following shortcomings/less achievement of targets.

1. Out of the allocated amount of Rs. 2,000.00 million, the department could only incur Rs. 843.000 million, resulting in lesser utilization of allocated funds i.e. 42.1% as required under PC-I.
2. The formation was short of achieving the target of plantation of 90.784 million plants by 68.784 million plants and the target of area coverage of 33,907 AV.M/AC by 27.707 AV.M/AC.

The lapse occurred due to weak supervisory and financial controls. Targets were not achieved due to poor monitoring of PMU-Green Pakistan Program Punjab, Lahore.

When pointed out in November 2023, the department stated that a detailed reply would be given later on.

The matter was further reported to the administrative department. In DAC meeting held on 01.02.2024, the para was kept pending for compliance/recovery and regularization from Finance Department. Further progress was not reported by the department till the finalization of the report.

Audit recommends holding an inquiry for fixing responsibility and revision of PC-1 from the competent authority for less achievement of targets.

(PDP No. 2023-0000004725_F00008)

Value for money and service delivery issues

8.4.9 Loss due to illegal occupation of forest land and non-plantation

Every Government servant will be held personally responsible for loss sustained by the Government through negligence or fraud on his part as per Rule 2.33 of PFR Vol-I.

As per Rule VII governing duties of the Forest Guard under Forest Manual Vol-I, he regularly patrols all the forests in his beat and sees that no illicit damage to the forest is caused and that illicit encroachment on the forest land does not take place. All breaches of forest rules should be reported immediately through the Guard Damage report Book.

During audit of Forestry, Wildlife and Fisheries Department, Punjab, it was observed that a large area of forest land was under encroachment of private persons but the same had not been re-claimed by the department from illegal occupants. Further, the department has sustained financial loss due to the non-plantation of forest areas.

Audit is of the view that the lapse occurred due to weak supervisory and internal control on the management of the assets.

When pointed out in November 2023, the department noted the observation.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that strenuous efforts be made:

(i) to recover the Government land from the illegal occupants.
(ii) for plantation of blank/empty areas.

(PDP No. 2023-0000004718_F00009)

Financial Matters

8.4.10 Misdeclaration about completion of work-Rs. 62.26 million

According to Rule 10 (1) of the Punjab Government Rules of Business, a Secretary shall: (a) be the official head of the Department and be responsible for its efficient administration and discipline, for the conduct of business assigned to the Department. Moreover, as per Rule 2.31 of PFR, Vol-I, a drawer of the bill for pay, allowances, contingent, and other expenses will be held responsible for any overcharges.

During audit of Secretary Forest, Wildlife & Fisheries for the financial year 2022-23, it was revealed that the amount Rs. 62,260,301 was excess drawn against the final bill of the contractor and deposited into the head G11218-Forest Deposit as pointed out during the certification audit of the forest department.

The following observations were made:

1. The irregularity occurred and an excess amount of Rs. 24,160,301 was drawn in project construction of chain link fencing under project ECO conservation/preservation of Lal Suhanra National Park, Bahawalpur under object AO3970-other during 2022-23.
2. The amount of Rs. 38,100,000 was excess drawn in the project establishment of Dargai Gill Forest Park under object AO12470-other.
3. No record of periodic progress reports of development, execution, and completion of projects or schemes were available with the secretary's office showing the performance of subordinate offices.

The lapse occurred due to a failure of supervisory and financial controls.

When pointed out in November 2023, the management noted the observation and contented that a detailed reply would be given.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends justifying the departmental stance on such irregularities every year.

(PDP No. 2023-0000004718_F00005)

Others

8.4.11 Non-compliance with Punjab Procurement Rules- Rs. 3,022.07 million

As per Rule 9 read with Rule 12 of PPR Rules 2014, a procuring agency shall announce in an appropriate manner all proposed procurement for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. The annual requirements thus determined would be advertised in advance on the website of PPRA as well as on the website of the procuring agency in case the procuring agency has its own website. Furthermore, procurements over two hundred thousand and up to the limit of three million rupees shall be advertised on the website of PPRA in the manner and format specified by regulation by the PPRA from time to time.

During audit of the office of the Secretary Forestry, Wildlife & Fisheries department for the financial year 2022-23, it was noticed that an amount of Rs. 3,022,065,230 was expended under head A03970-others by the forest department on account of afforestation. Major operations involved were Jungle clearance, ploughing, and leveling with a bulldozer and Earthwork.

The following observations were made:

1. The expenditure was incurred through muster rolls and payments were disbursed in violation of Punjab Procurement Rules 2014. The internal controls breaches involved circumvention of hiring services through open advertisement in outsourcing mode under the framework of an advice from PRA already shared with the entity.
2. The procurement/hiring of services was not made in a fair and transparent manner. The beneficiaries hired were inclusive of regular Government employees.
3. The secretary office being the Principal Accounting Officer was responsible for ensuring financial discipline under his command. However, no efforts were on record reflecting instruction/directions or periodic meetings for efficient monitoring of the formation by him. Resultantly, financial mismanagement was the order of the day, hindering the true spirit of transparency and accountability in public offices and ultimately public service.

The lapse occurred due to weak internal controls, and a non-transparent mode of spending.

When pointed out in November 2023, the management noted the observation and stated that a detailed reply would be given later.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends probing the matter at the administrative department's level to fix the responsibility on account of disregard to Punjab Procurement Rules.

(PDP No. 2023-0000004718_F00003)

8.4.12 Failure to develop a Monitoring and evaluation mechanism-Rs. 42.96 million

As per Rule 2.31(a) of PFR Vol-I, a drawer of bills for pay, allowances, contingent, and other expenses will be held responsible for any overcharges, frauds, and misappropriations.

During audit of the office of the Secretary Forestry, Wildlife & Fisheries Department for the financial year 2022-23, scrutiny of record and previous audit reports revealed that the Forest department made payments amounting to Rs. 42,961,691 to daily laborers through Muster Rolls for various forestry operations which seemed to be dubious as pointed out during Certification Audit.

The following observations were made:

1. The secretary is the official head of a Department and is responsible for its efficient administration and discipline, but he failed to perform its supervision function as

repeated irregularities of a similar nature were made by its subordinate offices as shown by audit observations made during the certification audit and special audit of TBTTP.

2. As per the finding of the certification audit, an amount of Rs. 13,745,421 was paid to daily laborers who are Government employees, regular pensioners, or active tax filers.
3. Double drawls of Rs. 3,962,777 through muster rolls were made on account of daily laborers in the same working month and all the payments were drawn in the name of DDOs.

The lapse occurred due to non-performance of the supervisory function and weak internal controls.

When pointed out in November 2023, the management noted the observation and submitted that a detailed reply would be given.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends holding an inquiry at the administrative department's level to look into the matter and ensure recovery of double/dubious drawl, besides strengthening internal controls.

Note: The issue was reported earlier also in the special audit of Ten Billion Tree Tsunami Project (TBTTP) for the period 2019-22, showing a double drawl of Rs. 135.98 million out of which an amount of Rs. 33.81 million had been recovered as reported during SDAC meeting but the administrative department failed to address the same lapse in the financial year 2022-23.

(PDP No. 2023-0000004718_F00001)

CHAPTER 9
HIGHER EDUCATION DEPARTMENT

9.1 Introduction

The Education Department was split into four Departments i.e. Higher Education Department, Special Education Department, School Education Department, and Literacy & Non-formal Basic Education Department in the financial year 2003-04. The Higher Education Department, Government of the Punjab deals with Universities, Boards and Colleges.

The realization of the Higher Education Department's vision of "enlightened and prospering Punjab by reinforcing knowledge economy" entirely rests on access to quality education. To realize this vision, the department has outlined the following objectives:

- Increasing the number of skilled faculty
- Enhancing the quality of the assessment system
- Increasing the market relevance of higher education programs
- Increasing the number of students enrolled at the college/ university level
- Creating opportunities for all income groups, social classes, and genders
- Introducing a financial aid (loan) scheme in HEIs
- Increasing the number of need-based scholarships
- Creating special opportunities for remote areas
- Raising students' commitment to higher education
- Improving infrastructure and resource provision

Audit Profile of Higher Education Department

Sr. No.	Description	Total No.	Audited	Expenditure Audited 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)	Revenue/Receipts 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)

4	Foreign Aided Projects (FAP)	-	-	-	-

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Higher Education Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	1,083.96	(199.73)	884.23	820.84	(63.40)
PC21015	51,293.12	(201.58)	51,091.54	44,968.05	(6,123.50)
PC22036	5,896.35	(2,085.47)	3,810.88	3,205.20	(605.68)
Total	**58,273.44**	**(2,486.78)**	**55,786.66**	**48,994.08**	**(6,792.58)**

Overview of Expenditure

The final budget of the Higher Education Department for the year ended 30th June 2023 was Rs. 55,786.66 million. Out of this, the actual expenditure was Rs. 48,994.08 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	52,377,084,000	45,788,883,925	(6,588,200,075)	(12.58)
Development	5,896,352,000	3,205,197,325	(2,691,154,675)	(45.64)
Total	**58,273,436,000**	**48,994,081,250**	**-9,279,354,750**	**(15.92)**

This composition changed due to supplementary grants and surrenders.

The variance of the Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	51,975,777,000	45,788,883,925	(6,186,893,075)	(11.90)
Development	3,810,882,000	3,205,197,325	(605,684,675)	(15.89)
Total	**55,786,659,000**	**48,994,081,250**	**(6,792,577,750)**	**(12.18)**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs (6,792.58) million at the close of the year 2022-23 under grants PC21010, PC21015, PC22036 were not surrendered in time by the Department.

9.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 9,073.35 million were raised in this report during audit of Higher Education Department. This amount includes recoveries of Rs. 1,289.42 million as pointed out by the audit. Summary of the audit observations, classified by nature of recovery, is as under:

Overview of Audit Observations
(Rs. in million)

Sr. No.	Classification	Amount
1.	Reported cases of fraud, embezzlement and misappropriation	25.17
2.	Recoveries and overpayments	1,289.42
3.	Procurement related irregularities	801.82
4.	HR/Employees related irregularities	211.78
5.	Payroll related irregularities	2,818.52
6.	Management of accounts with commercial banks	26.17
7.	Financial Matters	1,190.99
8.	Others	2,709.48
Total		**9,073.35**

9.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports of Education Department discussed so far, is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not Received**	**Percentage of Compliance**
1	1984-85	39	33	6	85
2	1985-86	65	53	12	82
3	1986-87	109	92	17	84
4	1987-88	112	93	19	83
5	1988-89	148	108	40	73
6	1989-90	165	48	117	29
7	1990-91	83	27	56	33
8	1991-92	67	17	50	25
9	1992-93	41	19	22	46
10	1993-94	41	21	20	51
11	1994-95	55	14	41	25
12	1995-96	50	22	28	44
13	1996-97	66	42	24	64
14	1997-98	197	103	94	52
15	1998-99	391	167	224	43
16	1999-00	447	244	203	55
17	2000-01	1427	947	480	66
18	2001-02	471	328	143	70
Total		**3974**	**2378**	**1596**	**60**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The Education Department was divided into Higher Education Department, Special Education Department, School Education Department & Literacy Department in the financial year 2003-04. The status of compliance with PAC directives, for reports of Higher Education Department discussed so far, is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance Received**	**Compliance not Received**	**Percentage of Compliance**
1.	2003-04	61	0	61	0
2.	2005-06	86	16	70	19
3.	2009-10	91	35	56	37
4.	2010-11	26	21	5	80
5.	2011-12	77	11	66	14
6.	2012-13	172	07	165	4
7.	2013-14	26	05	21	19
8.	2015-16	305	06	299	2
Total		**844**	**101**	**743**	**12**
Note: The Audit Report years missing in the above table were either due to non-inclusion of subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance with PAC directives in Higher Education Department remained unsatisfactory except for the Financial Years 2005-06 and 2010-11. The department is required to take-up prompt action. Further, the department is requested to reconcile the matter with Audit Department regarding any discrepancy.

9.4 AUDIT PARAS

Reported cases of fraud, embezzlement and misappropriation

9.4.1 Non receipt of library books-Rs. 16.40 million

According to Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

As per Rule 15.4 (a) of PFR Vol-1, all materials received should be examined, counted, measured and weighed, as the case may be, when delivery is taken, and they should be kept in charge of a responsible Government servant. The passing and the receiving Government servants should see that the quantities are correct and their quality good, and record a certificate to this effect. The receiving Government servant should also be required to give a certificate that he has actually received the materials and recorded them in his appropriate stock registers. Moreover, as per Rule 15.7 of PFR of the Rules ibid, heads of offices and others entrusted with the care of stores of any kind should maintain suitable accounts and inventories of the stores in their charge.

During scrutiny of the accounts record of University of Sahiwal for the period 2018-22, it was observed that the library books valuing Rs. 45,140,301 were purchased. The comparison of books purchased with library accession register revealed that books valuing Rs.16,399,465 were neither taken in register nor found physically available. Moreover, no inspection committee was constituted to physically verify the receipt of all books and to check that the books received were not pirated ones as most of the available books in Computer Science Department's library seemed to be pirated and were not original editions.

Audit held that weak financial controls resulted in non accountal/receipt of books.

When pointed out the matter in April 2023, the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 15.11.2023, the department stated that an inquiry has been conducted and the report has been submitted to the Syndicate. Hence, the para was kept pending till decision of the Syndicate. Further progress was not reported by the department till the finalization of this report.

Audit recommends probing the matter at administrative department's level for fixing responsibility against person(s) at fault, besides ensuring recovery of the stated amount.

(PDP No. 2023-0000001388_F00013)

9.4.2 Fake appointments made by tampering record-Rs. 8.77 million

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence.

During audit of the University of Narowal (UON) for the financial year 2020-22, it was observed that the management of the university made appointments based on extraneous considerations devoid of legality and paid an amount of Rs. 8,766,862 (Annexure-12) on account of salaries. Appointments were based on dubious credentials and the same suffered from the following infirmities:

i. The management, without observing mandatory experience and other conditions as mentioned in service statute of the university, appointed personnel as in number of cases experience was unsubstantiated/short.
ii. The management had selected a person as Assistant Professor of Chemistry on TTS pay package by forgery/ tampering in interview marks.
iii. The management had selected candidate whose application for appointment was received after lapse of 26 days of the submission deadline.
iv. An incumbent stood declared ineligible by short listing committee but the management tampered scrutiny sheet and considered him eligible.
v. Contradiction had also been found in experience certificates presented.

Audit is of the view that the lapse occurred due to weak supervisory controls of the management.

When the matter was pointed out, the management noted the observations for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that inquiry be held at administrative department’s level to fix responsibility and reverse the appointments based on unsubstantiated experience certificates.

9.4.3 Manipulated and syphoned of amounts in electricity bills

Section 18 (a) of BZU Act 1975 states, that the Treasurer shall manage the property, the finance and investment of the University Amount.

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

During audit of BZU Multan for the period 2021-22, it was observed that management installed separate private meters instead of WAPDA meters at residences and commercial points i.e., shops, tube wells and other places. As a matter of fact, number of houses built on area of one kanal were paying maximum amount of bill ranging from Rs. 1,116 to Rs. 13,864 even in the month of June.

Moreover, the university auctioned agriculture farm spanning over an area of 123 acres but was collecting very nominal amount of electricity charges which averaged Rs. 26,309 per month against four tube wells installed for cultivation of 123 acres of agriculture land. Management did not install meters with transformer to reconcile the total number of units consumed by the residents and farmers. Audit held that without installing meters with transformers, the chances of theft of electricity could not be eliminated. The management was conniving with allottees.

Lapse occurred due to weak supervisory control of the management.

The matter was brought to the notice of the management in April 2023. The management replied that all the separate meters were installed at domestic accommodation and agriculture farm. The reply of management was not tenable being evasive as rates applied against consumed electricity units were subsidized.

The matter was further reported to the administrative department. In DAC meeting held on 23.11.2023, the para was kept pending to prepare comprehensive report regarding difference in electricity charges. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be investigated, and the responsibility of the manipulated billing be fixed besides recovering difference of amount calculated after investigation.

(PDP No.2023-0000001385_F00011)

Recoveries and overpayments

9.4.4 Non recovery of contractual amount, student dues and other amounts-Rs. 420.59 million

According to Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account. As per Universities Ordinance/Act, the Treasurer shall manage the property, the finances and the investments of the University.

During audit of the Higher Education Department, it was observed that an amount of Rs. 420,593,348 was recoverable from the contractors, students, officers, officials and others on accounts of lapses characterized by financial mismanagement. The same defaulted amount was not recovered even though considerable time had lapsed. The details are given in Annexure-13.

Audit is of the view that weak supervisory and financial controls resulted in non-recovery of the stated amount.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. DAC meetings were held on 28.09.2023, 27.10.2023, 15.11.2023, 21.11.2023, 23.11.2023, 15.12.2023, 29.12.2023, 09.01.2024, 16.01.2024, 19.01.2024, 26.01.2024 and 31.01.2024. The paras at Sr. Nos. 1, 6, 9, 13, 25, 26 & 31 were kept pending for recovery. The paras at Sr. Nos. 4, 11, 12, 17 & 27 were kept pending for compliance. The para at Sr. No. 7 was kept pending for probe by the administrative department. The para at Sr. No. 8 was kept pending for regularization from Syndicate. The para at Sr. No. 10 was reduced to the extent shown in annexure and was kept pending for balance recovery. The para at Sr. No. 15 was kept pending for early auction of material and depositing of the amount into treasury. The para at Sr. No. 16 was kept pending for probe at the univeristy level. The paras at Sr. Nos. 2, 3, 5, 20 & 23 were kept pending for verification of record. The paras at Sr. Nos. 14 & 18 were kept pending for fact finding probe. The para at Sr. No. 19 was kept pending with the direction that the Vice Chancellor should proceed against all concerned for declining to produce relevant record of hostels to audit team. The para at Sr. No. 21 was kept pending for recovery of rent. The para at Sr. No. 24 was kept pending for detailed inquiry at DPI (Colleges) level. The para at Sr. No. 28 was kept pending for seeking approval of the Syndicate. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends to affect recovery of the stated amount pointed out and deposit the same into Government treasury besides strengthening supervisory and financial controls.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21, 2021-22 and 2022-23 vide para numbers 9.4.19, 7.4.3, 7.4.5 and 8.4.3 having financial impact of Rs. 71.17 million, Rs. 24.66 million, Rs. 44.41 million and Rs. 385.03 million. Recurrence of same irregularity is a matter of serious concern.

9.4.5 Non-deduction of levied taxes-Rs. 314.68 million

As per Section 153(1)(a) of the Income Tax Ordinance 2001, income tax was to be withheld at source @ 4.5% & 9% on supplies and 10% & 20% on services from filers & non-filers respectively. Moreover, Sales Tax Act 1990 and Punjab Sales Tax on Services Act 2012 require the departments to withhold taxes at prescribed rates at the time of making payments to the suppliers/service providers.

As per Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account.

During audit of the Higher Education Department, it was observed that levied taxes amounting to Rs. 314,676,184 were not withheld at source at the time of making payments to the suppliers/service providers. Details are given in Annexure-14.

Audit is of the view that weak supervisory and internal controls on withholding tax enforcement resulted in less deduction of taxes.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. DAC meetings were held on 27.10.2023, 15.11.2023, 21.11.2023, 23.11.2023, 24.11.2023, 22.12.2023, 28.12.2023, 09.01.2024, 16.01.2024, 19.01.2024, 26.01.2024 and 31.01.2024. The para at Sr. No. 1 was kept pending for production of original invoices. The paras at Sr. Nos. 2, 10, 15 & 19 were kept pending for recovery. The para at Sr. No. 3 was kept pending for deposit of taxes into Govt. Treasury. The para at Sr. No. 4 was kept pending for recovery of unauthorized deduction of withholding Tax from the bank. The paras at Sr. Nos. 5 & 11 were kept pending for production of sales tax invoices. The para at Sr. No. 7 was kept pending for detailed verification. The para at Sr. No. 8 was kept pending for clarification from PRA. The para at Sr. No. 9 was kept pending for seeking advice from FBR. The para at Sr. No. 12 was kept pending for compliance. The para at Sr. No. 14 was reduced to the extent shown in annexure and was kept pending for recovery. The para at Sr. No. 16 was kept pending for verification of record. The para at Sr. No. 17 was kept pending for the remaining recovery of advance tax. The para at Sr. No. 18 was kept pending for production of record. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to affect recovery of the amount pointed out and deposit the same into Government Treasury besides strengthening supervisory and internal controls on enforcement of withholding taxes.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21, 2021-22 and 2022-23 vide para numbers 9.4.20, 7.4.7 and 8.4.4 having financial impact of Rs. 69.74 million, Rs. 60.11 million and Rs. 283.28 million. Recurrence of the same irregularity is a matter of serious concern.

9.4.6 Overpayment during execution of works-Rs. 217.16 million

According to the instructions issued by the Finance Department, vide No. RO(Tech)FD-18-23/2004, dated 21.09.2004, rate analysis for the non-standardized items shall be prepared by the executive engineer, clearly giving the specifications of the material used and approved by the competent authority not below the rank of superintending engineer on the basis of input rate of relevant quarter placed at website of Finance Department. Further, as per para (v) of the Finance Department's Notification No. RO(Tech)FD 1-2/83-VI dated 29.03.2005, the final cost of tender would be the same percentage above/below the amount of revised sanctioned estimate as was at the time of approval of the tender, so as to pre-empt excess payment.

According to Clause 402-6 & 411-19 of Standard Specifications for Roads & Bridges Construction 1971, the exacavated material available at site will be used for back filling and be deducted from the quantity of earth brought from outside.

During audit of the various formations of Higher Education Department, it was observed that an amount of Rs. 217,163,946 (Annexure-15) was overpaid by the management while accepting claims of payments for civil works to the contractors e.g.:

a) Overpayment due to incorrect calculation.
b) Non recovery of compensation from the consultant despite collapse of building.
c) Award of work at higher rate.
d) Overpayment due to non-utilization of available earth.

Audit is of the view that weak management and financial controls resulted in overpayments.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. In DAC meetings held on 28.09.2023, 27.10.2023, 21.11.2023, 23.11.2023, 22.12.2023, 28.12.2023, 16.01.2024, 19.01.2024 and 26.01.2024, the para at Sr. No. 2 was kept pending untill payment of final bill with certificate of recovery from the Director, Planning & Development of the project besides recovery of mark up on the amount utilized by the contractor. The para at Sr. No. 3, 53 & 64 was kept pending for seeking advice from the Finance Department. The para at Sr. No. 4 was kept pending for revised reply based on technical calculations. The para at Sr. No. 5 was kept pending for probe. The paras at Sr. Nos. 6 & 55 were kept pending for provision of test report showing use of harrow sand or recovery. The para at Sr. No. 7 was kept pending for production of soil test report. The paras at Sr. Nos. 8 and 18 were kept pending for seeking advice from Technical Wing of the Finance Department. The paras at Sr. Nos. 9, 15, 20, 26, 29, 31, 35, 36, 39, 50, 52, 58, 61 to 63 & 66 to 69 were kept pending for recovery. The paras at Sr. Nos. 10, 16, 22, 28, 32, 34, 37, 43, 45, 48, 56 & 65 were kept pending for verification of record. The paras at Sr. Nos. 11 and 14 were kept pending till reasonable justification for usage. The para at Sr. No. 12 was kept pending for seeking advice from C&W department. The paras at Sr. Nos. 13, 47 & 49 were kept pending for production of test report of harrow sand and consultants's design mix formula. The para at Sr. No. 17 was kept pending for recovery of steel as per test report of each lot. The paras at Sr. Nos. 21, 41, 60 & 70 were kept pending for making recovery of difference. The paras at Sr. Nos. 23 & 30 were kept pending for lab test report regarding PSI and size of bricks or recovery. The para at Sr. No. 33 was kept pending for committee report regarding completion of relevant item of work. The paras at Sr. Nos. 38, 46 & 59 were kept pending for compliance. The para at Sr. No. 42 was kept pending for production of lab test report and recovery of overpayment from the contractor for use of local sand. The para at Sr. No. 51 was kept pending for production of bill. The para at Sr. No. 54 was kept pending for probe to fix responsibility. The para at Sr. No. 57 was kept pending for verification of record. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that recovery be affected under intimation to audit besides ensuring strengthening of internal controls.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21 and 2022-23 vide para numbers 9.4.11 and 8.4.25 having financial impact of Rs. 12.73 million and Rs. 192.91 million. Recurrence of same irregularity is a matter of serious concern.

9.4.7 Loss to university exchequer for non/less recovery of affiliation fee from affiliated colleges-Rs. 159.60 million

The Syndicate of Punjab University, in its meeting held on 29.06.2019 approved imposition of a new affiliation fee @ 10% of total fee & dues (annual receipts) per students with effect from July 01, 2019. The affiliation fee for law colleges was introduced at Rs. 10,000 per student.

According to Rule 4.1 of PFR Vol-I, it is the primary responsibility of the departmental authorities to see that all revenues, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the Government Account.

During audit of Higher Education Department, the management of the universities failed to recover affiliation fee of Rs. 159,598,897 from affiliated colleges. The detail is as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1.	University of the Punjab	2021-22	2023-0000000179_F00036	Less collection of affiliation fee from colleges	154,604,097
2.	Khawaja Fareed University of Engg & Tech Rahim Yar Khan	2018-23	2023-0000004717_F00007	Less collection of affiliation fee from colleges	4,994,800
Total					**159,598,897**

Audit observed that no efforts were made by the management to collect the outstanding dues from such colleges.

Audit is of the view that weak supervisory and financial internal controls on receipts resulted into non/less recovery of stated amount.

When the matter was pointed out, the management at Sr. No. 1 did not reply to the audit observation. The management at Sr. No. 2 replied that the university was taking coercive measures and writing emails to the affiliated institutions for recovery. The reply was not tenable as the reply was not supported with documentary evidence.

The matter was further reported to the administrative department. In DAC meetings held on 24.11.2023 and 29.12.2023, the para at Sr. No. 1 was kept pending to pursue the case vigorously in the court of law. The para at Sr. No. 2 was kept pending with the direction to get the partial recovery verified by Audit and recover the balance amount from the concerned. Further progress was not reported by the department till the finalization of this report.

Audit recommends to affect recovery of amount pointed out and deposit the same into Government treasury and to devise a strong mechanism to monitor efficient collection of affiliation fee besides strengthening supervisory and financial controls on receipts.

9.4.8 Overpayment to contractors beyond agreed percentage-Rs. 92.30 million

As per Para (v) of the Finance Department's Notification No. RO(Tech)FD 1-2/83-VI dated 29.03.2005, the final cost of tender would be the same percentage above/below the amount of revised sanctioned estimate as was at the time of approval of the tender, so as to pre-empt excess payment.

During audit of various formations by the Higher Education Department, it was observed that an amount of Rs. 92,304,742 was overpaid by the management to the contractors than the agreed percentage of civil works. The details are given in annexure-16.

Audit is of the view that weak administrative and financial controls resulted in overpayments.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. In DAC meetings held on 27.10.2023, 22.12.2023, 28.12.2023 and 16.01.2024, the para at Sr. No. 1 was kept pending for detailed verification and approval of the next higher authority. The para at Sr. No. 2 was kept pending for preparation of financial statements and actual recovery in balance rate. The paras at Sr. Nos. 4, 6, 9 & 10 were kept pending for recovery. The paras at Sr. Nos. 5 & 8 were kept pending for recovery on completion of work. The para at Sr. No. 7 was kept pending for production of item wise comparative statement for verification. The para at Sr. No. 11 was kept pending for comparison of financial statements. Further progress was not reported by the department till the finalization of this report.

Audit recommends that recovery be affected besides ensuring strengthening of financial controls.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 8.4.26 having financial impact of Rs. 120.18 million. Recurrence of the same irregularity is a matter of serious concern.

9.4.9 Income tax unduly deducted on profit on investment- Rs. 75.63 million

According to Sr. No. 126 of Second Schedule of Income Tax Ordinance 2001, any income of a public sector university established solely for educational purposes and not for the purposes of profit is part of the exemption schedule, with effect from the 1st day of July 2013.

During audit of the Higher Education Department, it was observed that income tax amounting to Rs. 75,632,388 was withheld at source on profit on investments by respective banks, which is contrary to the above rule.

The detail is as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1.	University of Sargodha	2021-23	2023-0000003196_F00007	Unauthorized deduction of withholding tax from bank accounts	31,489,362
2.	ITU of Punjab Lahore	2020-23	2023-0000004711_F00016	Un-authorized deduction of withholding taxes on profit	11,917,872
3.	Queen Mary College/School, Lahore	2019-23	2023-0000003197_F00013	Withholding Tax deducted on profit earned	8,568,238
4.	University of Jhang	2021-23	2023-0000003213_F00023	Withholding Tax deducted on profit earned	5,790,961
5.	University of the Punjab	2021-22	2023-0000000179_F00043	Non-Recovery of Unauthorized Deduction of Withholding Tax by Bank	5,093,520
6.	BISE Sargodha	2020-22	2023-0000001540_F00020	Non-Recovery of Unauthorized Deduction of Withholding Tax on Profit	4,929,823
7.	GCWU Sialkot	2021-22	2023-0000001474_F00017	Unauthorized deduction of withholding tax	3,769,733

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
8.	University of Narowal	2020-22	2023-0000001582_F00016	Irregular deduction of withholding tax on funds maintained in bank accounts	2,312,288
9	GCWU Faisalabad	2020-22	2023-0000001566_F00008	Non-Recovery of unauthorized deduction of Withholding Tax	1,760,591
Total					**75,632,388**

Audit is of the view that weak supervisory and internal controls resulted in loss to university receipts.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. DAC meetings were held on 28.09.2023, 27.10.2023, 23.11.2023, 24.11.2023, 15.12.2023, 19.01.2024 and 31.01.2024. The paras at Sr. Nos. 1, 2 & 7 were kept pending for recovery. The para at Sr. No. 3 was kept pending for acquisition of exemption certificate from FBR regarding deduction of withholding tax on profit. The para at Sr. No. 4 was kept pending for compliance. The para at Sr. No. 6 was kept pending to pursue the matter with FBR for exemption besides recovery of withholding tax deducted by the bank. The para at Sr. No. 8 was kept pending to take up the matter with bank for recovery. The para at Sr. No. 9 was kept Pending for recovery of withholding tax from bank within one week. Further progress was not reported by the department. As regards the remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be taken up with the concerned banking authorities and efforts be made to secure refund of the amount, besides strengthening supervisory and internal controls on taxation.

9.4.10 Loss due to purchases at higher rates for non-compliance of supply orders and non-recovery of LD charges-Rs. 9.46 million

Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

As per relevant Sections of the Acts/Ordinances of respective universities, the Treasurer shall manage the property, the finance and investment of the University.

During audit of the Higher Education Department, it was noticed that several firms did not fulfill the obligation of the supply orders issued by the formations, but LD Charges were not recovered, loss occurred due to purchases made on higher rates and non-forfeiture of the performance security amounting to Rs. 9,461,733. The details are given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Description	Amount (Rs.)
1.	University of Education Lahore	2020-23	2023-0000003186_F00012	Loss due to non-purchase at risk cost, LD charges etc.	8,008,271
2.	Khawaja Fareed University of Eng and IT, Rahim Yar Khan	2018-23	2023-0000004717_F00039	Non-deduction of LD charges	579,619
3.	University of Sargodha	2021-23	2023-0000003196_F00032	Non forfeiture of performance security for non-supply of equipment	873,843
Total					**9,461,733**

Following irregularities were noticed:

1 University of Education purchased 58 computers in re-tender at higher rate of Rs. 209,475 in May 2023 due to supply of only 75 computers by M/S Megaplus against supply order of 153 Desktop Computers vide No.UE/DD/PS/2022/202 dated February 21, 2022. This resulted into loss of Rs. 5,296,676 (Rs. 91,323*58). Further 5% performance security amounting to Rs. 903,865 was not forfeited. LD charges of Rs. 1,807,730 were not recovered from M/s Megaplus for late supply of 75 computers.

2 Khawaja Fareed University of Engineering and Information Technology, Rahim Yar Khan did not deduct LD charges Rs. 579,619 from the contractor as per terms of contract for late supplies.

3 University of Sargodha did not forfeit performance security of Rs. 873,848 for short supply of equipment.

When pointed out in August and November 2023, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. In DAC meetings held on 09.01.2024 and 26.01.2024, the para at Sr. No. 1 was kept pending with the direction to forfeit the performance guarantee and blacklist the concerned contractor. The para at Sr. No. 2 was kept pending for recovery of LD charges. The para at Sr. No. 3 was kept pending for regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility on person(s) at fault besides ensuring recovery of the stated amount.

Procurement related irregularities

9.4.11 Irregular procurement of various goods and services in violation of procurement rules-Rs. 623.29 million

As per Rule 38 (1) of the Punjab Procurement Rules 2014 amended up to 2021, single stage one envelope bidding procedure shall ordinarily be the main open competitive bidding procedure used for the procurement of works and standard goods, (2) Other appropriate procedures for selection of contractors other than consultants may be adopted in single stage two envelopes bidding procedure, for procurement of such goods where the bids are to be evaluated on technical and financial grounds.

During audit of various formations of the Higher Education Department, it was observed that procurements amounting to Rs. 623,289,808 (Annexure-17) were made in violation of PPR 2014 such as purchases ordered despite failure of the supplier to subscribe to the knock out criteria, non competetive bidding, oversight to call for market rate analysis when bid was responded through single offered rates, circumvention of approval mechanism etc.

Due to the non-observance of PPRA Rules, the expenditure to the stated extent was held irregular.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. DAC meetings were held on 28.09.2023, 27.10.2023, 23.11.2023, 24.11.2023, 28.12.2023, 29.12.2023, 16.01.2024, 19.01.2024, 26.01.2024 and 31.01.2024. The paras at Sr. Nos. 1 & 3 were kept pending for production of relevant record besides depositing the withheld amount of taxes into Government

Treasury. The paras at Sr. Nos. 2, 16, 19 & 20 were kept pending for regularization from the Finance Department. The paras at Sr. Nos. 4 & 9 were kept pending for verification of record. The para at Sr. No. 5 was kept pending for recovery of 10% profit added in estimate from the contractor. The para at Sr. No. 6 was kept pending for either recovery or regularization from the Finance Department. The paras at Sr. Nos. 7, 11, 14, 22 & 23 were kept pending for probe into the matter besides depositing the withheld amount of taxes into Government treasury. The para at Sr. No. 8 was kept pending for probe. The paras at Sr. Nos. 10, 12, 18 & 26 were kept pending for regularization of expenditure from the Finance Department besides depositing the withheld amount of taxes into Government Treasury. The para at Sr. No. 13 was kept pending for compliance. The para at Sr. No. 15 was kept pending for provision of record. The para at Sr. No. 17 was kept pending for provision of rate analysis and proof of deduction of PST. The para at Sr. No. 21 was kept pending for probe and regularization from the Finance Department. The para at Sr. No. 24 was kept pending for production of summary sheet of utilization and obtaining analysis report from PCSIR. The para at Sr. No. 25 was kept pending for recovery. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be probed into at administrative department's level for fixing responsibility and misprocurement be reported to PPRA for consideration by the PPRA Board for taking cognizance of lapses to avoid recurrence thereof in future.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21, 2021-22 and 2022-23 vide para numbers 9.4.7, 7.4.16 and 8.4.9 having financial impact of Rs. 886.89 million, Rs. 16.54 million and Rs. 860.13 million. Recurrence of the same irregularity is a matter of serious concern.

9.4.12 Mis-procurement of various items by splitting indents and without advertisement to avoid tender-Rs. 78.61 million

As per Rule 4 of Punjab Procurement Rules 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

Moreover, as per Rule 9 of the Rules ibid, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. Furthermore, as per Rule 12 of the Rules ibid, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority. Any procurement exceeding three million rupees shall be advertised on the website of the

Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

During audit of Higher Education Department, it was observed that the management made procurement of various items costing Rs. 78,611,825 (Annexure-18) under various heads of accounts by splitting up the indents, to avoid tender in violation of PPR 2014. Procurement of such a huge amount without tender/open competition is a question mark on competitive and transparent nature of the procurement process. More economical rates could have been obtained through tender/competitive bidding process rather than procuring items from single bidders.

Audit is of the view that weak supervisory and financial controls resulted in misprocurements.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. DAC meetings were held on 21.11.2023, 23.11.2023, 15.12.2023, 29.12.2023 and 16.01.2024. The para at Sr. No. 1 was kept pending for carrying out rate analysis. The para at Sr. No. 2 was kept pending for regularization of expenditure from the Finance Department after probe into the matter besides depositing the taxes into Government Treasury. The paras at Sr. Nos. 3 & 5 were kept pending for regularization from the Finance Department. The para at Sr. No. 4 was kept pending for probe and regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility on person(s) at fault and seeking regularization of the expenditure from Finance Department besides strengthening supervisory and internal controls.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21, 2021-22 and 2022-23 vide para numbers 9.4.8, 7.4.17 and 8.4.8 having financial impact of Rs. 46.79 million, Rs. 29.29 million and Rs. 1,141.32 million. Recurrence of the same irregularity is a matter of serious concern.

9.4.13 Non-compliance of supply orders-Rs. 61.85 million

As per standard bidding documents, if the contractor fails/delays in performance of any of the obligations, under the Contract/Letter of Acceptance, violates any of the provisions of the Contract/Letter of Acceptance, commits breach of any of the terms and conditions of the Contract/Letter of Acceptance or found to have engaged in corrupt or fraudulent practices in competing for the award of contract/Letter of Acceptance or during the execution of the contract/Letter of Acceptance, the Purchaser may without prejudice to any other right of action/remedy it may have, blacklist the Contractor, either indefinitely or for a stated period, for future tenders in public sector, as per mechanism provided in Punjab Procurement Rules 2014.

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

During audit of the Higher Education Department, it was observed that several firms did not fulfill the obligation of the supply orders issued by the department and equipment amounting to Rs. 61,854,597 was not supplied. No legal proceedings were initiated to blacklist the firms. The details are given as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Description**	**Amount (Rs.)**
1.	University of Chakwal	2020-23	2023-0000003185_F00001	Non-Receipt of Lab equipment, glassware, chemicals, plant and machinery	44,461,265
2.	University of Education Lahore	2020-23	2023-0000003186_F00013	Non supply of Lab equipment	17,393,332
Total					**61,854,597**

When pointed out in August 2023, the management did not provide any reply.

The matter was further reported to the administrative department. In DAC meetings held on 15.12.2023 and 09.01.2024, the para at Sr. No. 1 was kept pending for compliance. The para at Sr. No. 2 was kept pending with the direction to forfeit Performance Guarantee besides blacklisting the contractor. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility on person(s) at fault besides legal action taken against the defaulting firms as envisadged in procurement rules.

9.4.14 Wasteful expenditure without requirements-Rs. 23.54 million

As per Rule 24 of University of Home Economics Lahore Financial Rules 2019 (Amended up to 30th November 2022, i.e. 11th Meeting of the Syndicate), all the purchases will be made in the most economical manner and the sanctioning authorities will be guided by the fundamental canons of financial propriety. As Per Section 16 of University of Home Economics Act 2017, the Treasurer shall be a whole-time officer of the University and shall manage the assets, liabilities, receipts, expenditures, funds and investments of the University.

During audit of University of Home Economics for the period 2020-23, it was observed that the management purchased most of the IT & other equipment in 2020-21, in excess of actual requirement. Moreover, material/items valuing Rs 23,538,476 were kept in stores and were not issued for departmental use The items had lost their warranty period and their value may have deteriorated with the passage of time. Periodical physical verifications were not made to see their actual existence in stores.

Audit is of the view that lapse occurred due to weak internal controls and resulted in undue blockade of Government Funds.

When the matter was pointed out, the management did not provide any reply.

The matter was further reported to the administrative department. In DAC meeting held on 16.01.2024, the para was kept pending with the direction that the matter about balances needs to be inquired. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility on person(s) at fault and initiation of disciplinary action to take cognizance of such unnecessary purchases, besides strengthening internal controls on the procurement process.

(PDP No. 2023-0000002807_F00051)

9.4.15 Irregular expenditure in violation of austerity measures-Rs. 14.53 million

Govt. of the Punjab, Finance Department imposed ban on the purchase of vehicles and air conditioners through austerity measures for the years 2020-21 to 2022-23. The expenditure on these items can be made only with the prior approval of the austerity committee.

During audit of the Univeristy of Education Lahore, it was observed that procurement of vehicle and air conditioners amounting to Rs. 14,531,499 was made in violation of austerity measures imposed by the Punjab Finance Department during the period 2020-23. The detail is given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Amount (Rs.)
1	University of Education Lahore	2020-23	2023-0000003186_F00009	14,050,539

2	University of Education Lahore	2020-23	2023-0000003186_F00057	480,960
Total				**14,531,499**

Due to the non-observance of austerity measures, the expenditure to the stated extent was held irregular.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. In DAC meeting held on 22.12.2023 and 09.01.2024, the para at Sr. No. 1 was kept pending for probe and regularization of expenditure from Finance Department. The para at Sr. No. 2 was kept pending for regularization from Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility on person(s) at fault besides seeking regularization of the expenditure from Punjab Finance Department and avoid recurrrence of such irregularities in future.

HR/Employees related irregularities

9.4.16 Irregular appointments without advertisement of posts

The Supreme Court of Pakistan in its judgment dated 19.01.1993 in Human Rights Case No. 104 of 1992 decided that recruitments, both Ad-hoc and regular, without publicity and properly advertising the vacancies, is a violation of fundamental rights. As such no post could be filled in without proper advertisement, even on ad hoc or contract basis. Further, under the Chapter titled “Fundamental Rights” of the Constitution of Pakistan, equality of citizens and safeguard against discrimination in services has been guaranteed. Article 25 of the Constitution 1973 provides that all citizens are equal before law and are entitled to equal protection of law while Article 27 provides that no citizen otherwise qualified for appointment in the service of Pakistan shall be discriminated against.

During audit of the Higher Education Department, it was observed that appointments of teaching and non-teaching staff were made without advertising posts in newspapers in violation of orders of Supreme Court of Pakistan. An amount of Rs. 897,082,167 was paid to the staff on account of pay and allowances against the said irregular appointments. The details are in annexure-19.

Audit is of the view that weak internal controls on recruitment resulted in irregular appointments.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. In DAC meetings held on 28.09.2023, 27.10.2023, 15.11.2023, 21.11.2023, 24.11.2023, 09.01.2024, 16.01.2024, 19.01.2024 and 31.01.2024, the paras at Sr. Nos. 1 and 8 were kept pending for probe and regularization from the Finance Department. The paras at Sr. Nos. 2, 4, 5, 6 & 9 were kept pending for regularization from the Finance Department. The paras at Sr. Nos. 3 & 13 were kept pending for verification of record. The para at Sr. No. 7 was kept pending for approval of the Syndicate. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into at administrative department's level followed by a reference moved to NAB for holding the culprits accountable besides seeking prosecution of the case due to much needed cognizance of corrupt practices.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21, 2021-22 and 2022-23 vide para numbers 9.4.3, 7.4.8 and 8.4.10 having financial impact of Rs. 325.08 million, Rs. 298.43 million and Rs. 2,129.84 million. Recurrence of the same irregularity is a matter of serious concern.

9.4.17 Illegal appointments of teaching and non-teaching staff

As per Rule 4 under chapter-II of Punjab Civil Servant Act 1974, appointment to a civil post in connection with the affairs of the province, shall be made in the prescribed manner by Governor of the Punjab or by a person authorized by him, in this regard.

Further, all the universities have framed their service statutes duly approved by the chancellor, describing required qualification, experience, age limit and predetermined minimum mandatory criteria for appointment against each post.

During audit of the Higher Education Department, it was observed that appointments of teaching and non-teaching staff on regular, contract or adhoc basis were made either against the service statutes/rules, or in violation of pre-determined minimum mandatory criteria in respect of relevant qualification, relevant experience, and age. Payments to the tune of Rs. 160,444,868 were made to the staff on account of illegal/irregular appointments. The details are given in annexure-20.

Audit is of the view that weak internal controls on recruitment resulted in irregular appointments.

When the matter was pointed out, the management of the formations either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. In DAC meetings held on 28.09.2023, 27.10.2023, 15.11.2023, 29.12.2023, 09.01.2024 and 31.01.2024, the paras at Sr. Nos. 1, 7 & 10 were kept pending to probe the matter and fixing of responsibility against the concerned. The para at Sr. No. 2 was kept pending till approval of revised Statutes. The para at Sr. No. 4 was kept pending for regularization from Finance Department. The para at Sr. No. 6 was kept pending with direction to dismiss Assistant Librarian and recovery of an amount of Rs. 1,584,542. The para at Sr. No. 8 was kept pending for regularization from the Finance Department. The para at Sr. No. 9 was kept pending for clarification from S&GA Department. The para at Sr. No. 11 was kept pending for production of complete record for verification. Further progress was not reported by the department. As regards the remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be got inquired into at administrative department's level followed by seeking prosecution of the case to take cognizance of collusive practices.

9.4.18 Irregular appointments made in excess of advertised posts-Rs. 106.87 million

Supreme Court of Pakistan in its judgment dated 19.01.1993 in Human Rights Case No. 104 of 1992 stated that recruitments, both Ad-hoc and regular, without publicity and properly advertising the vacancies, is violation of fundamental rights. As such no post could be filled in without proper advertisement, even on ad hoc or contract basis. Further, under the Chapter titled "Fundamental Rights" of the Constitution of Pakistan, equality of citizens and safeguard against discrimination in services has been guaranteed. Article 25 of the Constitution 1973 provides that all citizens are equal before law and are entitled to equal protection of law while Article 27 provides that no citizen otherwise qualified for appointment in the service of Pakistan shall be discriminated against.

During audit of the Higher Education Department, it was observed that appointments of teaching, and non-teaching staff were made without mentioning number of vacancies or excess than number of vacancies advertised in newspapers. An amount of Rs. 106,871,386 was paid to the staff on account of irregular appointments. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	GCU Lahore	2020-22	2023-0000000930_F00007	Appointments of non-gazetted staff were made without mentioning No. of posts in advertisement	74,325,000
2	University of the Punjab	2021-22	2023-0000000179_F00002	Appointments of non-gazetted staff made without mentioning No. of posts in advertisement	24,421,382
3	University of the Punjab	2021-22	2023-0000000179_F00015	Excess appointments of teaching staff were made more than advertised posts.	6,233,244
4	University of the Punjab	2021-22	2023-0000000179_F00048	Appointments of non-gazetted staff made without mentioning No. of posts in advertisement	1,891,760
Total					**106,871,386**

Audit is of the view that weak internal controls on recruitment resulted in irregular appointments.

When the matter was pointed out, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. In DAC meetings held on 15.11.2023 and 24.11.2023, the para at Sr. No. 1 was kept pending for regularization from the Finance Department. The para at Sr. No. 2 was kept pending for probe and regularization from the Finance Department. The para at Sr. No. 3 was kept pending for regularization from the Syndicate. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in December 2023.

Audit recommends that the matter be got inquired into at administrative department's level to uncover the actual facts besides ensuring apportionment of responsibility against the delinquents.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 8.4.11 having financial impact of Rs. 1,190.87 million. Recurrence of same irregularity is a matter of serious concern.

9.4.19 Irregular expenditure on security services-Rs. 104.91 million

As per Rule 25.4 of PPR 2014, where any change becomes essential in the procurement process, such change shall be made in a manner similar to that of the original advertisement. As per Rule 12 of the PPR 2014, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority. Any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

During audit of the University of Sahiwal for the period 2018-2022, it was observed that security services were outsourced to M/S Fauji Security Services (Pvt.) Ltd. for which contract was awarded on 30.10.2018 for hiring of services of 20 security personnel for one year. After the expiry of contract on 30.10.2019, neither tender was called for hiring of security services in subsequent years nor any fresh contract was executed between the parties and number of security personnel were increased every month/year with 10% salary increase. The number of guards was increased from 20 to 150 in 2021-2022 without any cogent reason. As such expenditure of Rs. 104,906,257 (approx.) incurred during 2019-20 to 2021-22 on security services was held irregular.

Audit is of the view that lapse occurred due to weak supervisory and internal controls on contract management.

The matter was brought to the notice of management in April 2023, but no reply was offered.

The matter was further reported to the administrative department. In DAC meetings held on 15.11.2023, the para was kept pending for regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be got inquired into at administrative department's level besides seeking regularization of the expenditure with the sanction of the Finance Department.

(PDP No. 2023-0000001388_F00014)

Payroll related irregularities

9.4.20 Unauthorized payment of inadmissible pay & allowances-Rs. 2,816.58 million

As per Ordinance/Act of respective universities, the Treasurer shall manage the property, the finances and the investments of the University and universities statutes are also required to be got approved from the Chancellor.

HEC Islamabad vide circular No. P.2.157/HEC/2009/580 had decided that payment of admissible allowance/facilities excess of prescribed rates or extraordinary additional allowance/incentives facilities other that admissible under the BPS may not be allowed.

As per Finance Department's letter No.FD.SR-I. 9-4/86(P)(PR) dated 04.12.2012, the employees residing in the residential colonies situated within the work premises are not entitled to the facility of conveyance allowance. Further, as per Finance Department's letter No. FD(M-I)1-15/82-P-I, dated 15.01.2000, the drawl of house rent allowance is not permissible to the officers/officials to whom Government residences have been provided. In addition, 5% maintenance charges are also required to be deducted from the salary of officers/officials. As per Govt. of the Punjab, Finance Department's letter No.FD.PR.9-4/2018 dated 18th July 2018, House rent allowance was increased by 50% of existing rates i.e. 45% of Pay scale 2008 for declared big cities and 30% of Basic Pay Scales of 2008 for other than big cities.

During audit of the Higher Education Department, it was observed that an amount of Rs. 2,816,582,101 (Annexure-21) was paid to the employees on account of pay & allowances which were not admissible to them under the rules.

Audit is of the view that weak supervisory and internal controls on payroll resulted in unauthorized payment of pay & allowances.

The matter was pointed out to the concerned formations. The management either noted the observations without offering any reply or did not provide any reply.

The matter was further reported to the administrative department. DAC meetings were held on 28.09.2023, 27.10.2023, 15.11.2023, 21.11.2023, 23.11.2023, 24.11.2023, 15.12.2023, 29.12.2023, 09.01.2024, 16.01.2024, 19.01.2024, 26.01.2024 and 31.01.2024. The paras at Sr. Nos. 1, 28, 45, 54, 59 & 62 were kept pending for verification of record. The para at Sr. No. 2 was kept pending for probe. The paras at Sr. Nos. 4, 30 & 55 were kept pending for compliance. The para at Sr. No. 5 was kept pending for review of the case by the Syndicate to rationalize financial benefits. The paras at Sr. Nos. 6, 43 & 50 were kept pending for seeking advice from the Finance Department. In case of Sr. No. 7, the amount of para was reduced from Rs. 111,629,717 to Rs. 101,589,806 after verification of partial recovery of Rs. 10,039,911. The para at Sr. No. 8 was kept pending with the direction to prepare SOPs on payment of honorarium/late sitting allowance. The paras at Sr. Nos. 9 & 27 were kept pending for a detailed reply. The para at Sr. No. 10 was kept pending for regularization from competent forum. The paras at Sr. Nos. 12, 31, 40, 46, 49, 51 to 53, 57 & 60 were kept pending for recovery. The paras at Sr. Nos. 14, 15, 27, 29, 32, 34, 37, 38, 41 & 56 were kept pending for recovery of pay and allowances. The paras at Sr. Nos. 13 & 16 were kept pending for regularization from the Finance Department. The para at Sr. No. 17 was kept pending for seeking approval of the Chancellor within 30 days. The para at Sr. No. 18 was reduced to Rs. 5,000,000 and kept pending for recovery. The paras at Sr. Nos. 19 & 25 were kept pending for recovery of remuneration of evening classes from the concerned. The paras at Sr. Nos. 20 & 22 were kept pending for probe by the Head of Department to fix responsibility against the defaulters. The para at Sr. No. 21 was kept pending for recovery of whole amount and transferring the same to HEC. The para at Sr. No. 23 was kept pending for production of Punjab Government's policy calendar for verification. The para at Sr. No. 24 was kept pending for justification for grant of advance increments. The paras at Sr. Nos. 33 & 39 were kept pending for seeking approval of the Chancellor. The para at Sr. No. 35 was kept pending for clarification from the controlling authority. The para at Sr. No. 36 was kept pending for approval of the Syndicate. The para at Sr. No. 44 was kept pending with the direction either to seek approval of the Chancellor or effect recovery. The para at Sr. No. 61 was kept pending for clarification from the Finance Department. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends affecting recovery of the stated amount and depositing the same into Government treasury, besides strengthening supervisory and internal controls on payroll.

<u>Note:</u> The issue was reported earlier also in the Audit Reports for Audit Years 2020-21, 2021-22 and 2022-23 vide para numbers 9.4.1, 9.4.17, 7.4.1 and 8.4.2 having financial impact of Rs. 1,196.58 million, Rs. 602.14 million, Rs. 178.80 million and Rs. 572.55 million. Recurrence of same irregularity is a matter of serious concern.

9.4.21 Un-authorized payment of leave encashment to Vice Chancellor-Rs. 1.94 million

As per HEC letter No. F.P.2-103/HEC/2015-16/10 dated 15.10.2015, the salary package of the VC is equivalent to the Professor's salary on TTS. The salary of the Professor on TTS is inclusive of all allowances.

During audit of the University of Sargodha for the period 2018-22, it was observed that leave encashment to the tune of Rs. 1,937,320 was paid to the Vice Chancellor without entitlement.

Audit is of the view that weak supervisory and financial controls on payroll resulted in irregular payment of leave encashment.

The matter was pointed out in April 2023. The management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 15.11.2023, the para was kept pending for recovery. Further progress was not reported by the department till the finalization of this report.

Audit recommends probing the matter for fixing responsibility against the delinquents and to effect recovery of stated amount from the concerned and depositing the same into treasury at the earliest besides strengthening supervisory and financial internal controls on payrolls.

(PDP No. 2023-0000001388_F00009)

Management of accounts with commercial banks

9.4.22 Loss due to re-rolling of investments at lower rates-Rs. 13.43 million

As per Government College for Women University, Faisalabad Act-2012, the Treasurer shall be the chief financial of the University and shall-(a) manage the assets, liabilities, receipts, expenditures, funds and investments of the University.

During audit of Government College for Women University, Faisalabad for the period 2020-22, it was observed that the management invested Rs. 1,300 million with NBP for 36 months @ 15% whereas NBP offered the markup rate @ 16.20% against the investment of Rs. 2,618 million just for 12 months. So, re-rolling of investment at lower differential rate resulted into overall loss of Rs. 13,433,333 for the entire tenure.

Audit is of the view that lapse occurred due to weak supervisory and internal controls on funds management.

When pointed out in May 2023, the management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 23.11.2023, the para was kept pending for recovery. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be probed into for fixing responsibility against the delinquents and recovery be affected from the bank for the difference in the rate offered by bank besides taking remedial measures to avoid such lapses in future.

(PDP No. 2023-0000001566_F00004)

9.4.23 Non deposit of profit earned on security account into Government Treasury-Rs. 12.74 million

Rule 7(i) of the Punjab Treasury & Subsidiary Treasury Rules requires that all moneys as defined in Article 118 of the Constitution, received by or tendered to Government servants shall, without undue delay, be paid in full into the treasury or into the bank and shall be included in the

Consolidated Fund or the Public Account of the Province. No department of the Government may require that any such money be kept out of the consolidated fund or the public account of the province.

According to Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account.

During audit of the Director Public Instructions (DPI) Colleges, Lahore, it was observed that an amount of Rs. 12,743,143 on account of profit earned on the funds deposited in commercial banks was not deposited into Government Treasury in violation of above Rule.

Audit is of the view that lapse occurred due to non-adherence to the stated rules.

When matter was pointed out, the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 21.11.2023, the para was kept pending for probe and regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility against the person(s) at fault, deposit of profit earned into Govt. treasury besides strengthening financial internal controls on funds management.

(PDP No. 2023-0000001000_F00005)

Financial Matters

9.4.24 Instances of financial indiscipline-Rs. 858.05 million

As per relevant clauses of the Acts/Ordinances of respective universities, the Treasurer shall manage the property, the finances and the investments of the University. Further, statutes are required to be got approved from the Chancellor. Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence.

During audit of the Higher Education Department, it was observed that the management failed to abide by probity and proprietory for safeguarding asset management and re-rolling of investment during audit period and non adjustment of advances causing losses of Rs. 858,049,466. The details are given in annexure-22.

The brief of lapses is narrated as follows:

- Loss due to late/non-investment of funds by management of universities
- Loss due to award of canteen contract at lesser rates, late/non-auction of canteen and shops etc.
- Misuse of university agriculture/green land by private persons and lease of agricultural land on nominal rates to old tenants rather than awarding the same through open public auction
- Non-adjustment of temporary advances

When pointed out in April 2023, the management either noted the observations for compliance or did not provide any reply.

The matter was further reported to the administrative department. DAC meetings were held on 28.09.2023, 15.11.2023, 21.11.2023, 23.11.2023, 24.11.2023, 15.12.2023, 22.12.2023, 28.12.2023, 29.12.2023, 09.01.2024, 19.01.2024 and 31.01.2024. The paras at Sr. Nos. 1 & 17 were kept pending for probe by Head of Department and to fix responsibility against the defaulters. The paras at Sr. Nos. 2 & 9 were kept pending for compliance. The para at Sr. No. 3 was kept pending for probe. The para at Sr. No. 4 was kept pending for conversion of account into saving account. The para at Sr. No. 5 was kept pending for recovery of mobilization advance. The para at Sr. No. 6 was kept pending for approval of syndicate. The para at Sr. No. 7 was kept pending for probe besides regularization from the Finance Department. The paras at Sr. Nos. 8 & 13 were kept pending for production of bank statements and master plan of land respectively. The paras at Sr. Nos. 10 & 16 were kept pending for adjustment of advances. The paras at Sr. Nos. 11, 12, 14 & 19 were kept pending for probe to fix responsibility. The para at Sr. No. 15 was kept pending for recovery. The para at Sr. No. 20 was kept pending for provision of bidding documents and allied record. The para at Sr. No. 21 was kept pending for recovery of differential amount. The para at Sr. No. 22 was kept pending for compliance being subjudice in court of law. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into and non/less realized amount be recovered besides taking remedial measures to avoid recurrence of such lapses in future.

9.4.25 Irregular lump sum transfer of funds into Bank Account-Rs. 305.07 million

According to Sub-clause XV under the General Instructions of “Punjab Assan Assignment Account Procedure (Local Currency) 2020, “Cash withdrawal or transfer of funds to any other bank account is not allowed except for employees related deduction like pension contribution, provident fund and GP Fund etc. According to Rule 7(i) of Punjab Treasury Rules, money received by or tendered to Government servants shall not be appropriated to meet departmental expenditure nor otherwise kept apart from the consolidated fund. Money so received shall, without undue delay, be paid into the treasury.

During audit of Khawaja Fareed University of Engineering and Information Technology, Rahim Yar Khan for the period 2018-23, it was observed that ADP funds to the tune of Rs. 305,074,586 were shifted from Asaan Assignment Account to commercial bank account in violation of above instructions. These funds were also utilized for day-to-day recurring expenditures. The markup accrued also remained unaccounted for and was not diverted back to the Provincial Consolidation Fund.

Audit is of the view that the lapse regarding shifting of funds from Assan Assignment.

When the matter was pointed out in November 2023, the management stated that amounts belonged to land acquisition of KFUEIT under PC-I. The management had never used that amount to run the day to day recurring expenditures of the University. The reply was not supported with documentary evidence.

The matter was further reported to the administrative department. In DAC meeting held on 29.12.2023, the para was kept pending for probe by the administrative department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at administrative department’s level besides seeking regularization of the matter from Finance Department and strengthening the internal controls.

(PDP No. 2023-0000004717_F00001)

9.4.26 Mismanagement of pension fund in BISE Sargodha-Rs. 25.00 million

As per Clause 6-9(8) under chapter VIII (Finances of the Board) of the Regulations of BISE Sargodha, all the funds belonging to the Board shall be kept in a bank/banks/post office approved by the Board, in the name of the Board of Intermediate and Secondary Education.

During audit of the accounts of BISE Sargodha for the period 2020-22, it was observed that the Board authorities irregularly transferred an amount of Rs.25,000,000 from Development Fund to Pension Fund to meet the expenses of pension payments which is required to be refunded back to the account concerned which was meant for the construction of building and construction work is badly needed, keeping in view the dilapidated conditions of the buildings of the Board.

Audit is of the view that lapse occurred due to weak supervisory and financial internal controls on payments.

When pointed out in April 2023, the management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that failure of managing the Pension Fund needs to be inquired at administrative department’s level in order to carve out a strategy for making Pension Fund self-sufficient. Moreover, the Development Fund’s deficit also needs to be recouped.

(PDP No. 2023-0000001540_F00011)

9.4.27 Irregular payments for civil works without measurement books-Rs. 2.87 million

Section 16 (a) of University of Sahiwal Act, 2015 states that the Treasurer shall manage the property, the finance and investment of the University.

During audit of the University of Sahiwal for the period 2018-2022, it was observed that university management cleared liabilities amounting to Rs. 2,865,114 during June 2019 on account of land levelling of the university. The expenditure was held irregular on following grounds:

i. No detailed estimates were prepared, technical sanction was not accorded and no administrative approval was obtained from the Vice Chancellor. All the work orders were issued/quotations were obtained by the campus director without having any authority as the authority for issuance of the administrative approval to execute the work rest with the Vice Chancellor of the BZU.

ii. No MBs were prepared. Same work of levelling was executed time and again in the same area without obtaining prior approval of Vice Chancellor.

Audit is of the view that lapse occurred due to weak supervisory and financial internal controls on payments.

When pointed out the matter in April 2023, the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 15.11.2023, the para was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends to probe the matter at higher level for fixing responsibility for unauthorized execution of works without approval of Vice Chancellor and making payments without validation of claim from BZU.

(PDP No. 2023-0000001388_F00022)

Others

9.4.28 Design failure and imposition of recovery-Rs. 1,357.01 million

According to Clause 3.4 of the agreement with the consultant it has been envisaged that the consultants are liable for the consequence of errors and omission on their part or on the part of their employees in so far as the design of the project is concerned. If the client suffers any losses or damages as a result of proven faults, errors or omissions in the design of a project, the consultants shall make good such losses or damages, subject to the conditions that the maximum liability as aforesaid shall not exceed twice the total remuneration of the consultants for design phase in accordance with the terms of the contract.

During audit of Khawaja Fareed University of Engineering and Information Technology, Rahim Yar Khan for the period 2018-23, it was observed that payments of Rs. 1,357,013,889 were made to the consultant and contractors for civil works executed through defective building design as the building of community centre had collapsed. The Director Building Research Station in his inspection report issued vide No.3ADV/589/2174 dated 16-02-23 reported many deficiencies in design. The Higher Education Department vide letter No SO(Dev-F)51-1/2014(P-VI) dated 24th March 2023 recommended in para 4(ii) to black list the consultant for 2 years under Rule 21 of PPR Rules 2014 and initiate inquiry against the Chief Engineer/P&D. The compensation of Rs 40,608,664 was not recovered from the consultant as per contract agreement. This resulted in wasteful expenditure and non-recovery of fine to the stated extent as detailed below:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Khawaja Fareed University of Eng and IT, Rahim Yar Khan	2018-23	2023-0000004717_F00059	Payments to contractors for works executed through faulty/ defective building design	1,316,405,225

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
2	Khawaja Fareed University of Eng and IT, Rahim Yar Khan	2018-23	2023-0000004717_F00061	Non-recovery of compensation from consultant due to defective building design approved by him	40,608,664
Total					**1,357,013,889**

Execution of works through defective design resulted in irregular expenditure.

Audit is of the view that lapse occurred due to weak supervisory and financial internal controls on payments.

When pointed out the matter in November 2023, the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 28.12.2023, the para at Sr. No. 1 was kept pending for third party validation from Building Research Station, Lahore regarding removal of defects of faulty design by the newly hired consultant M/s GSK. The para at Sr. No. 2 was kept pending for blacklisting the consultant and third party validation from Building Research Station regarding reconstruction of the same building by the same contractor at his own cost as per approved revised drawing. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility on person(s) at fault and to take disciplinary against the delinquents for substandard construction besides strengthening internal controls to avoid recurrence of such issues.

9.4.29 Irregular award of work due to non-registered joint venture-Rs. 625.134 million

According to condition No 16 (ii) of General Guidelines of contract agreement uploaded on PPRA website, the tender submitted by a joint venture of two or more firms shall be accompanied by a document of formation of the joint venture, duly registered and authenticated by a competent court, in which shall be stated precisely, the conditions under which it shall function, its period of validity, the person(s) authorized to represent it and accept its obligations the participation of several firms forming the joint venture and any other information necessary to permit a full appraisal of its function.

During audit of Khawaja Fareed University of Engineering and Information Technology, Rahim Yar Khan for the period 2018-23, it was noticed that the department was required to award the work to a Joint Venture duly registered and authenticated by a competent court. Audit observed that the agreement between the partners of the joint venture had not been registered in any competent court, which resulted in an irregular award of works amounting to Rs. 625,134,053 to the non-registered JV.

Audit is of the view that lapse occurred due to weak internal and administrative controls.

The matter was pointed out in November 2023. The management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 28.12.2023, the para was kept pending for production of registration certificate of SECP. Further progress was not reported by the department till the finalization of this report.

Audit recommends seeking regularization of the expenditure, fixing responsibility besides strengthening internal controls to avoid the recurrence of such issues in future.

(PDP No. 2023-0000004717_F00086)

9.4.30 Extra expenditure over and above TS estimate/BOQ-Rs. 273.33 million

As per para iii of the Finance Department's Notification No. RO (Tech) FD.1-2/83-VI dated 29.03.2005 during the execution of work, neither the specifications and quantity of different items approved in the PC-I/technical sanctioned estimate be changed nor any additional item(s) standardized/non-standardized be approved/executed without prior written approval of such change/new addition by the authority who has issued PC-I/technical sanction. Such authority will record reasons.

During audit of Higher Education Department, it was observed that in various civil works, most of the items were paid in excess over BOQ and approved TS estimate. Neither these items were included in the BOQ and TS estimate nor revised TS estimate was got approved from the competent authority. This resulted in extra payment of Rs. 273,328,451. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Name of work	Amount (Rs.)
1	Khawaja Fareed University of Eng & IT,	2018-23	2023-0000004717_F00067	Irregular payment beyond the revised agreement/work order	224,806,000

7	University of Education Lahore	2020-23	2023-0000003186_F00073	Construction of Swimming pool and allied sports at UE Township, Lahore	2,551,484
8	University of Education Lahore	2020-23	2023-0000003186_F00074	Construction of Academic block at UE Lower Mall campus, Lahore	10,505,432
Total					**273,328,451**

Audit held that the lapse occurred due to weak supervisory and financial controls.

The matter was brought to the notice of university management in August and November 2023 but the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meetings held on 22.12.2023 and 28.12.2023, the para at Sr. No. 1 was kept pending for verification of revised estimate, enhanced agreement, and additional scope of work. The paras at Sr. Nos. 2, 3, 5, 7 & 8 were kept pending for revision of technical sanction estimates from competent authority. The paras at Sr. Nos. 4 & 6 were kept pending to make item-wise comparative statements. Further progress was not reported by the department till the finalization of this report.

Audit recommends seeking regularization of the expenditure by revision of PC-I/TS estimates from competent authority or recovery be affected for the excess paid claim over and above TS estimate.

9.4.31 Non-maintenance of record-Rs. 96.22 million

As per Government of the Punjab, Finance Department's letter No.F(Mn)mw/1-4/92 dated 26.09.1992, if the entries in the stock register/log book are not present at the time of audit or if the concerned officials are not present at the time of audit and the record was not shown to audit, entries made and the record produced afterward would not be accepted.

During audit of Khawaja Fareed University of Engineering and Information Technology, Rahim Yar Khan for the period 2018-23, the record relating to expenditure of Rs. 96,219,402 was not maintained as the same was not produced to Audit for scrutiny despite repeated written as well as verbal requests.

Audit is of the view that due to non-maintenance of record, the veracity of the accounts could not be verified.

When the matter was pointed out in November 2023, the management replied that a committee was constituted for the annual physical verification of store and stock in order to comply with the suggestion. The reply of the management was not tenable, being evasive and without documentary evidence in support of the said contention.

The matter was further reported to the administrative department. In DAC meeting held on 09.01.2024, the para was kept pending for production of record. Further progress was not reported by the department till the finalization of the report.

Audit recommends fixing responsibility against person(s) at fault for non-maintenance of specified record and produced the same in the SDAC.

(PDP No. 2023-0000004717_F00057)

9.4.32 Irregular security contract agreement-Rs. 74.45 million

As per clause 12, 34 & 36 of contract agreement governing service provision for security guards made with the service provider, the company will pay the salaries to their employees considering minimum wages fixed by the Govt. of the Punjab. The company shall provide the paid bank slips of social security and EOBI contribution for the deployed guards at FJWU at the time of collection of their guard's salary. The company shall provide the letter from the insurance company indicating that guards were insured as per policy.

During audit of Fatima Jinnah Women University, Rawalpindi for the period 2019-22, it was observed that the management incurred expenditure of Rs. 74,453,684 on hiring of security services. The security agencies, in violation of contract agreements, failed to provide evidence regarding deposit of 5% EOBI contribution, payment of salaries of their staff as per prevailing minimum wages and insurance company certificate indicating that the guards were insured.

The lapse occurred due to weak administrative and financial controls of the management.

In response to the preliminary observation issued in April 2023, the management did not offer reply.

The matter was further reported to the administrative department. In DAC meeting held on 28.09.2023, the para was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility on person(s) at fault after probe into the matter and regularization of the expenditure from competent authority besides initiating action against those responsible.

(PDP No. 2023-0000000929_F00010)

9.4.33 Non-obtaining of additional performance security/non-forfeiture of bid security/earnest money-Rs. 66.15 million

According to condition No.14 of general directions of tender in contract agreement, no tender without earnest money shall be entertained. Earnest money @ 5% of the estimated cost of the work shall be in the form of deposit at call receipt.

As per Clause 15 of the contract agreement used for execution of civil works in Punjab, the lowest evaluated bidder will be required to furnish the performance security, additional performance security (wherever required), before entering into a contract and to commence the work within the times specified in the memorandum of work.

According to Finance Department's letter No. RO(Tech) FD 1-2/83 (vi) (P) dated 06.04.2005, in case the total tender amount is 5% or more below approved estimate, the lowest bidder will have to deposit additional performance security from a scheduled bank ranging from 5% to 10%, within 15 days of issuance of notice or within expiry period of bid whichever is earlier.

During audit of Higher Education Department, it was observed that various works were awarded at more than 5% below TSE by the institutions. The departments did not obtain the additional performance securities/bank guarantees of Rs. 66,150,180 @ 10% of contractual amount in violation of above agreement clauses and FD instructions. The departments neither rejected the tender nor forfeited the earnest money/bid securities as detailed below:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Khawaja Fareed University of Eng & IT, Rahim Yar Khan	2018-23	2023-0000004717_F00077	Non availability/obtaining of performance guarantees	65,607,713
2	University of Home Economics Lahore	2020-23	2023-0000002807_F00031	Non-obtaining of additional performance security and non-forfeiture of bid security/earnest money	542,467
Total					**66,150,180**

Audit held that lapse occurred due to weak internal and financial controls.

Non-obtaining of additional performance security and non-forfeiture of earnest money resulted in undue favour to the contractor.

The matter was brought to the notice of university management in August and November 2023, but no reply was offered.

The matter was further reported to the administrative department. In DAC meetings held on 28.12.2023 and 16.01.2024, the para at Sr. No. 1 was kept pending for verification of work wise performance guarantees from relevant banks. The para at Sr. No. 2 was kept pending for probe and regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility for non-observing of prescribed Government instructions besides recovery of bid security.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2020-21 vide para number 9.4.13 having financial impact of Rs. 1.995 million. Recurrence of same irregularity is a matter of serious concern.

9.4.34 Loss due to non-execution of work at risk & cost- Rs. 65.12 million

As per clause 60 and 61 of contract agreement, in case of failure of contractor to complete the work, he would be liable for penalty. Further, if he would not be able to complete work, the work would be rescinded and got executed through another contractor at the risk and cost of the original contractor.

During audit of Government College Women University, Faisalabad for the period 2020-22, it was observed that the management awarded three works to M/s Shafqat Associates. The contractor failed to complete these works as per scope of work provided in contract agreement. Audit observed that from more than last two years there was no activity at sites and contractor had abandoned the work but department did not initiate any action against the contractor as per clauses 60 & 61 of contract for completion of work at the risk and cost of the original contractor after rescinding the contract. This has resulted in loss of Rs. 65,120,000 million due to non-execution of work at risk & cost of defaulting contractor.

The lapse occurred due to violation of contractual obligation and resulted in non-execution of work amounting to Rs. 65.12 million at the risk & cost of defaulting contractor.

The matter was pointed out in May 2023 but the management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 23.11.2023, the para was kept pending for being subjudice in Court of Law. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be probed into for fixing responsibility and effecting recovery from the contractor.

(PDP No. 2023-0000001566_F00030)

9.4.35 Irregular payments for defective and below specification works-Rs. 55.25 million

According to Clause 10 of the contract agreement read with Rule 7.28 of Departmental Financial Rules, the contractor shall execute the whole and every part of work in most substantial and workman like manner both as regards to material and otherwise. Moreover, as per Secretary (C&W) department letter No.SOPC(C&W)5-2/08 dated 18.8.2009, the contractor will complete the defective/damaged work at his own cost. The payment to contractor on full rate should be allowed only if the quality of work done is upto the stipulated specification.

During audit of the Higher Education Department, it was observed that the universities paid a sum of Rs. 55,249,888 for below specification and defective civil works to the contractors. No responsibility was fixed for the payment against defective work done by the contractor/delinquents.

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Name of work**	**Amount (Rs.)**
1	University of Eng &IT Rahim Yar Khan	2018-23	2023-0000004717_F00088	Loss due to non-recovery of deficient/defective work	37,619,000
2	University of Home Economics, Lahore	2020-23	2023-0000002807_F00020	Execution of civil work declared as defective by the Engineer In charge, scrutiny committee and Third Party Validation below specifications.	10,000,000
3	University of Sargodha	2021-23	2023-0000003196_F00029	Execution of defective/below specification of civil work.	7,630,888
Total					**55,249,888**

Audit is of the view that lapse occurred due to weak technical and supervisory controls. Undue payments resulted in loss to the universities.

The matter was brought to the notice of university management in August 2023, but no reply was offered.

The matter was further reported to the administrative department. In DAC meeting held on 28.12.2023, 16.01.2024 and 26.01.2024, the para at Sr. No. 1 was kept pending to probe the matter and blacklisting of original contractor besides recovery of defective work on risk and cost from the contractor. The para at Sr. No. 2 was kept pending for recovery. The para at Sr. No. 3 was kept pending for verification of record. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility on person(s) at fault besides ensuring recovery for execution of defective work.

9.4.36 Overpayment of price escalation to the contractor- Rs. 30.49 million

As per Rule 7.29 of DFR Vol-I, before signing the bill, the Sub-Divisional Officer should compare the quantities in the bill with those recorded in the measurement book and see all rates are correctly entered and that all calculations have been checked arithmetically.

During audit of Higher Education Department, it was observed that expenditure of Rs. 30,493,678 was incurred by various institutions. Audit observed that the management of the institutions derived self-contained method for payment of escalation in case of first two formations of the table given below. Further, the management had not deducted below rate 9.33% and rebate at the rate of 10% in the case of last two formations of the table given below. However, the management at Sr. No. 3 paid price escalation to the contractor who had not completed the work even after the lapse of two years.

The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	University of the Punjab	2021-22	2023-0000000179_F00069	Payment with MBs not bearing corresponding record increase with dates	13,329,000
2	University of the Punjab	2021-22	2023-000000	Payment with MBs not bearing corresponding	10,803,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
			0179_F 00073	record increase with dates	
3	GCWU Faisalabad	2020-22	2023-0000001566_F 00027	Overpayment of price variation to the contractors	4,038,678
4	University of the Punjab	2021-22	2023-0000000179_F 00070	Overpayment of price escalation to the contractor.	1,243,000
5	University of the Punjab	2021-22	2023-0000000179_F 00074	Overpayment of price escalation to the contractor	1,080,000
Total					**30,493,678**

The matter was pointed out to the concerned formations. The management either noted the observations without offering any reply or did not provide any reply.

The matter was further reported to the administrative department. In DAC meeting held on 23.11.2023, the para at Sr. No. 3 was kept pending for detailed verification of record. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into and got regularized from competent authority besides taking remedial measures to avoid such lapses in future.

9.4.37 Non-transparent auction of agricultural land-Rs. 22.67 million

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part. Moreover, Section 18 (a) of Act 1975 states, that the Treasurer shall manage the property, the finance and investment of the University.

During audit of the accounts of BZU Multan for the period 2021-22, scrutiny of auction file revealed that 118-acre land was auctioned on lease at Rs. 22,671,000. Following irregularities were noticed.

i. As per tender document successful bidder should have deposited six-month lease amount Rs. 3,778,500 on spot otherwise his contract would be terminated and it would be awarded to 2nd highest bidder.
ii. The management favored concerned contractor and neither received said amount on spot nor terminated his contract which resulted in violation of the relevant tender document clause.
iii. Advance tax for Rs. 377,850 was less deposited by concerned contractor.
iv. Tax amounting to Rs. 377,850 was deposited through treasury challan but neither CPR of stated amount was available on record nor treasury challan was verified from treasury office.
v. Concerned contractor did not deposit outstanding lease money of Rs. 2,557,000 despite lapse of 6 months. Management had not recovered the stated amount with mark up from the concerned quarter.
vi. As per tender document, the successful bidder should make planation of fruit trees in the surrounding of 118 acres land but he did not fulfill this contractual obligation.

The management did not impose any penalty on concerned contractor.

The matter was brought to the notice of university management in April 2023, but no reply was offered.

The matter was further reported to the administrative department. In DAC meeting held on 21.11.2023, the para was kept pending to recover fine for late deposit as per agreement within 30 days. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be investigated, and the responsibility of the stated lapse be fixed besides recovering loss and strengthening administrative, financial, and supervisory controls to avoid the recurrence of such lapses in the future.

(PDP No. 2023-0000001385_F00009)

9.4.38 Non-recovery of compensation due to delay in completion of work-Rs. 21.25 million

As per Clause 39 (a) of contract agreement, if the contractor fails to complete the work within stipulated period, he would be liable to pay compensation for delay in completion of work at 10% of agreement amount.

During audit of the Higher Education Department, it was observed that various civil works were not completed within stipulated period but the department did not impose and recover penalty of Rs. 21,253,975 on account of delay in completion of works as per provision of agreement as detailed below:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Name of work	Amount (Rs.)
1	University of Education Lahore	2020-23	2023-0000003186_F00063	Construction of small academic block at UE campus DG Khan	7,547,344
2	University of Sargodha	2021-23	2023-0000003196_F00036	Non completion of Projects beyond plenty of time extensions without imposition of penalty	6,359,000
3	University of Home Economics Lahore	2020-23	2023-0000002807_F00017	Construction of Admin block	5,591,942
4	University of Home Economics Lahore	2020-23	2023-0000002807_F00026	Construction of entrance gate and check post	959,852
5	University of Home Economics Lahore	2020-23	2023-0000002807_F00010	FAÇADE uplifting of main building	795,837
Total					**21,253,975**

Audit held that weak financial and internal controls resulted in the lapse.

Non-imposition of penalty on contractors for non-completion of works within stipulated/extended time period resulted in loss to the stated extent.

The matter was brought to the notice of management in August 2023, but no reply was offered.

The matter was further reported to the administrative department. In DAC meetings held on 22.12.2023, 16.01.2024 and 26.01.2024, the para at Sr. No. 1 was kept pending for provision of request for extension by contractor as well as proof of removing defects in the punch list for completion of works. The para at Sr. No. 2 was kept pending for verification of record. The paras at Sr. Nos. 3, 4 and 5 were kept pending for recovery. Further progress was not reported by the department. As regards the remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends fixing responsibility against person(s) at fault, besides imposing recovery of the stated amount on contractors.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2020-21 vide para number 9.4.9 having financial impact of Rs. 1,903.68 million. Recurrence of same irregularity is a matter of serious concern.

9.4.39 Non finalization of theft inquiries to effect recovery of loss-Rs. 15.96 million

As per Rule 2.33 of PFR Vol-1, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss, arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence. Section 15 (3) (a) of Information Technology University, Lahore Act, 2012 provides that the treasurer shall manage the assets, liabilities, receipts, expenditures, funds and investments of the University.

During audit of the Higher Education Department, the management of the universities did not recover the loss of Rs. 15,959,000 which occurred due to theft of their property from university premises despite deployment of security guards. Even FIR was not lodged by the management of the ITU Lahore. The detail is as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Name of work	Amount (Rs.)
1	Information Technology University of the	2020-23	2023-0000004711_F00003	Fence at the boundary wall at Bharki campus did not exist physically/stolen. Fencing work was	15,409,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Name of work	Amount (Rs.)
	Punjab, Lahore			done by the DCO and payments were made through cheque No.A074367, dated 09.08.2016	
2	University of Home Economics Lahore	2020-23	2023-0000002807_F00055	Enquiry for theft of 3 generators and one Motorcycle Honda CD-70 not yet finalized to fix responsibility	550,000
Total					**15,959,000**

Audit held that irregularity occurred due to weak security and administrative controls.

The matter was brought to the notice of university management in August and November 2023, but no reply was offered.

The matter was further reported to the administrative department. In DAC meeting held on 16.01.2024 and 19.01.2024, the para at Sr. No. 1 was kept pending for fact finding report to assertain actual loss. The para at Sr. No. 2 was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility on person(s) at fault besides affecting recovery of the loss sustained by the university.

9.4.40 Irregular Payments without completion of projects /performance evaluation-Rs. 6.45 million

As per Rule 24 of University of Home Economics Lahore Financial Rules 2019 (Amended upto 30th November 2022 i.e. 11th Meeting of the Syndicate), all the purchases will be made in the most economical manner and the sanctioning authorities will be guided by the fundamental canons of financial propriety. As per Section 15 of the University of Sargodha Ordinance 2002, the Treasurer shall be whole time officer of the university who shall manage the Property, the finances and the investments of the University. As per clause 15(3)(a) of ITU Act 2012, the Treasurer shall be the Chief Financial Officer of the university and shall manage the assets, liabilities, receipts, expenditure, funds and investments of the University.

During audit of the accounts of Higher Education Department, it was observed that payments of Rs. 6,435,393 were made to the contractors/consultants against non-executed, incomplete and the works which were not executed upto satisfaction of the department as per agreement. Payments for consultancy services for Financial and IT matters were made without performance evaluation of the consultants.

The detail is given as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Consultancy	Amount (Rs.)
1	University of Home Economics Lahore	2020-23	2023-0000002807_F00044	Consultancy charges of the networking project which was not up to the satisfaction/incomplete	2,877,143
2	ITU of the Punjab, Lahore	2020-23	2023-0000004711_F00021	As per contract agreement more than 50% of the deliverables were still pending from the consultant	2,358,250
3	University of Home Economics Lahore	2020-23	2023-0000002807_F00037	Consultancy for UMS & LMS projects which did not exist	1,200,000
Total					**6,435,393**

Expenditure incurred on hiring of these consultants without any fruitful results caused loss to the university.

Audit is of the view that lapse occurred due to weak internal controls.

When the matter was pointed out in August 2023, the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 16.01.2024 and 19.01.2024, the para at Sr. No. 2 was kept pending for probe. The para at Sr. No. 3 was kept pending for provision of record. The para at Sr. No. 4 was kept pending for probe and regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility against person(s) at fault, besides ensuring recovery of the stated amounts.

CHAPTER 10
HOME DEPARTMENT

10.1 Introduction

The Home Department of Government of the Punjab comprises six attached departments. As per Punjab Government Rules of Business 2011, the Department has been assigned the business of:

- Public Order and Internal Security
- Arms, Ammunition & Military Stores
- Matters relating to Police establishment and administration institutions
- Prisons, reformatories, remand homes, borstal, and similar institutions, classification and transfer of prisoners; state, political, and martial law prisoners, good conduct prisoners and probation release Act
- Protection of key points and vital installations
- Recovery of missing persons
- Enforcement of provisions of the Motor Vehicle Ordinance, 1965 and rules thereunder relating to control of traffic and inspection and checking of motor vehicles for the purpose of traffic control
- Appointment of non-official visitors for the jail
- Civil Defense and Afghan Refugees

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Home Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during the financial year 2022-23 against the total of six grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	7,183.34	2,787.84	9,971.19	9,705.54	(265.64)

PC21012	13,793.74	2,325.13	16,118.87	15,856.54	(262.33)
PC21013	149,018.98	16,026.51	165,045.49	164,174.65	(870.84)
PC21031	0.26	0	0.26	12.50	12.24
PC21032	894.73	32.21	926.95	904.21	(22.73)
PC22036	4,440.66	(3,468.08)	972.58	956.97	(15.60)
Total	**175,331.71**	**17,703.62**	**193,035.33**	**191,610.42**	**(1,424.91)**

Overview of Expenditure

The final budget of the Home Department for the year ended 30th June 2023 was Rs. 193,035.33 million. Out of this, actual expenditure was Rs. 191,610.42 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	170,891,058,000	190,653,446,122	19,762,388,122	11.56
Development	4,440,656,500	956,972,497	(3,483,684,003)	78.45
Total	**175,331,714,500**	**191,610,418,619**	**16,278,704,119**	**9.28**

During the year, due to supplementary grants and surrenders, this composition changed. The variance of the Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	192,062,756,000	190,653,446,122	(1,409,309,878)	0.73
Development	972,576,180	956,972,497	(15,603,683)	1.60
Total	**193,035,332,180**	**191,610,418,619**	**(1,424,913,561)**	**0.74**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (1,424.91) million at the close of the year 2022-23 under grants PC21012, PC21013, PC21010, PC21031, PC21032 and PC22036 were not surrendered in time by the Department.

10.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 10,974.73 million were raised in this report during audit of the Home Department. This amount includes recoveries of Rs. 2,153.56 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Reported cases of fraud, embezzlement and misappropriation	22.55
2.	Recoveries and overpayments	2,153.56
3.	Procurement related irregularities	2,136.32
4.	HR/Employees related irregularities	515.70
5.	Value for money and service delivery issues	1,579.68
6.	Management of accounts with commercial banks	1,607.71
7.	Financial Matters	74.20
8.	Accounting Errors	358.55
9.	Others	2,526.46
Total		**10,974.73**

10.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not Received**	**Percentage of Compliance**
1	1984-85	28	22	6	79
2	1985-86	35	32	3	91
3	1986-87	25	21	4	84
4	1987-88	22	16	6	73
5	1988-89	96	76	20	79
6	1989-90	10	2	8	20
7	1990-91	29	15	14	52
8	1991-92	27	14	13	52
9	1992-93	19	7	12	37
10	1993-94	11	6	5	55
11	1994-95	21	4	17	19
12	1995-96	16	0	16	0
13	1996-97	38	13	25	34
14	1997-98	122	47	75	39

22	2009-10	229	17	212	7
23	2010-11	150	19	131	13
24	2011-12	246	48	198	20
25	2012-13	366	64	302	17
26	2013-14	149	41	108	28
27	2015-16	748	15	733	2
Total		**4493**	**1543**	**2950**	**34**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The downward trend in the status of compliance with PAC directives in the Home Department has continued since 2003-04. As regards previous years, the same is prevailing for the financial years 1989-90, 1994-95 and 1995-96. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

10.4 AUDIT PARAS

Reported cases of fraud, embezzlement and misappropriation

10.4.1 Fraudulent drawl of POL-Rs. 22.55 million

Rule 2.33 of PFR Vol-I requires that every Government servant will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part.

During audit of the Chief Traffic Officer, Lahore for the period 2021-23, it was observed that 168 vehicles and 1407 motorcycles were on the strength of the entity (as per the list provided by the management) and separate fleet cards of each vehicle were got issued from PSO. The management has lodged FIR (No. Manawan-6/17/2023-10321 dated 15.04.2023) against the officials of the Motor Transport Branch that 88,472.39-liters POL was fraudulently drawn through overbilling in PSO fleet cards invoices from 01.01.2022 to 31.03.2023. {Approximate amount of Rs. 21,233,373 (88,472.39 Liter x Rs. 240) was involved}. After conducting an inquiry by the local management, the officials were awarded a major penalty of dismissal from service. The case is under trial in the court of law.

On comparison of soft copies of PSO invoices (provided by the management) with the office copies of PSO invoices, it was observed that an abnormal quantity of POL was drawn against motorcycles which were up to thousands of liters in one month. Tampering was made in office copies. Thus by adopting such practice 58,726 liters of POL valuing Rs. 13,033,280 was drawn against five motorcycles. In total 93,978 liters POL of Rs. 22,554,720 (93,978 liter x Rs. 240) was fraudulently drawn through fake billing against off-road, closed-to-line vehicles, and motorbikes not on the strength of this office. The complete inquiry report was not shared with the audit for scrutiny. The management shared copies of FIR, dismissal orders of incumbents, and a summary of PSO bills only.

The lapse occurred due to weak management and internal controls. This resulted in loss to the public exchequer.

The matter was reported in September 2023. The management noted the observation for submission of detailed reply later.

The matter was further reported to the administrative department. In DAC meeting held on 09.02.2024, the para was kept pending for inquiry at administrative department’s level. Further progress was not reported by the Department till the finalization of this report.

Audit recommends that the matter be inquired into at the administrative department’s level to dig out complete facts since the date of posting of the responsible personnel at the Motor

Transport Branch. Loss sustained by the Government be recovered from the concerned besides strengthening internal controls.

(PDP No. 2023-0000004365_F00001)

Recoveries and overpayments

10.4.2 Non-recovery/deposit of funds through auction of condemned vehicles-Rs. 1,641.00 million

As per Sr. No. 84.7 of the minutes of 3rd meeting of Standing Committee of Cabinet on Finance & Development held on 23.09.2022, it was informed to the Committee that Rs. 496.93 million had been deposited into Government Treasury in lieu of auction of vehicles of Punjab Police, conducted in March 2023 and Rs. 1,641 million recovery was expected from auction of 1094 condemned vehicles. Sr. No. i & vi of Decision No. 84, funds Rs. 5,509.78 were approved by the committee of Cabinet on Finance & Development for purchase of new vehicles with the condition that funds Rs. 2,139.93 (496.93+1,641) shall be deposited in Government Treasury during current financial year 2022-23.

During audit of SP Motor Transport Punjab, Lahore for the period 2020-23, it was observed that recovery was expected from the auction of 1,094 condemned vehicles. The recovery was duly assessed amounting to Rs. 2,137.93 million, constituting 24.2% of the total demand. Home Department's letter No.HP-II/2-25/2020(P-II) dated 07.10.2022 envisaged that funds amounting to Rs. 2,137.93 million would be recovered from the auction of condemned vehicles and shall be deposited into Government Treasury during the financial year 2022-23 out of which recovery of Rs. 1,641.00 million was not deposited.

Weak management, supervisory and financial controls led to non-recovery of funds through auction of condemned vehicles.

The matter was reported to the entity concerned in November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 09.02.2024, the para was kept pending till completion of auction process at the earliest. Further progress was not reported by the Department till the finalization of this report.

Audit recommends that the matter be probed to fix responsibility. The auction money realized be deposited into Government treasury, besides strengthening financial, and internal controls.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para numbers 8.4.21 and 9.4.27 having financial impact of Rs. 108.10 million and Rs. 361.00 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No. 2023-0000005662_F00002)

10.4.3 Non recovery of Government dues-Rs. 432.45 million

According to Para 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the Government Account.

During audit of Home Department, it was observed that various Government receipts to the tune of Rs. 432,445,898 were still pending and the amount thereof, was not recovered and still was to be deposited into Government Treasury. The details are given in annexure-23.

Audit is of the view that weak management and internal controls resulted in the non-recovery of Government dues.

The matter was reported to the entities concerned from March to May and August to November 2023. The management of the entities noted the observations for compliance.

The matter was further reported to the administrative department. DAC meetings were held on 25.09.2023, 16.10.2023, 29.11.2023, 15.12.2023, 28.12.2023, 03.01.2024, 15.01.2024, 18.01.2024 and 31.01.2024. The para at Sr. No. 1 was reduced to Rs. 141,168,499 and was kept pending for recovery. The paras at Sr. Nos. 2, 4, 8 & 13 were kept pending for recovery. The para at Sr. No. 5 was kept pending with the direction to submit revised point wise reply. The para at Sr. No. 7 was kept pending to devise proper mechanism to run the canteen. The para at Sr. No. 10 was kept pending for compliance. The para at Sr. No. 11 was kept pending for compliance and obtain clarification from Finance Department regarding utilization of funds. The Para at Sr. No. 14 was kept pending till finalization of inquiry report by the IG Prison. The para at Sr. No. 16 was kept pending for installation of independent electricity meters in the staff colony alongwith the direction to install sub-meters as a stop gap arrangement. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that immediate steps for early collection of the outstanding amount of Government dues be taken and the deposit of the same be ensured into the Government Treasury.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 and 2022-23 vide para numbers 11.4.60 and 9.4.2 having financial impact of Rs. 859.83 million and Rs. 752.04 million. Recurrence of same irregularity is a matter of serious concern.

10.4.4 Non deposit of income generated from various sources-Rs. 59.33 million

As per Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the account. Moreover, as per Rule 7(i) of Punjab Treasury Rules, the proceeds of receipt may not be incurred on the departmental expenditure, and receipt should be directly deposited into the Government treasury under the respective head.

During audit of various formations of Home Department, it was observed that the income generated from various sources for Rs. 59,331,203 was not deposited into Govt. Treasury. The details are given in annexure-24.

The following irregularities were noticed by the Audit:

1. Income generated through various sources during the period under audit amounting to Rs. 59,331,203 was not deposited into Government Treasury.
2. Out of collected receipt, expenditure of Rs. 30,594,978 was incurred irregularly in violation of above rules.
3. 20% of total receipt was transferred to Police Welfare Fund.
4. The leviable withholding taxes and duties were not deducted.

Audit is of the view that non-implementation of above rules resulted in non-depositing of receipt into Government treasury.

The matter was reported to the entities concerned from March to May and August to November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 12.10.2023, 14.12.2023, 18.01.2024 and 09.02.2024, the paras at Sr. Nos. 1, 2, 3, 4, 5 & 7 to 9 were kept pending for seeking clarification from the Finance Department. Further progress was not reported by the Department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the stated amount be deposited into Government treasury including fixing responsibility besides strengthening internal controls.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 9.4.5 having financial impact of Rs. 286.11 million. Recurrence of same irregularity is a matter of serious concern.

10.4.5 Non/less deduction of taxes and stamp duty-Rs. 20.78 million

As per Section 153(1) (a) of Income Tax Ordinance 2001, income tax is to be deducted at source on supplies @ 4.5% & 9.0% and services @ 10% & 20% from filer and non-filer respectively. Further, according to Section 155, Div. V Pt III 1st Schedule of Income Tax Ordinance 2001, Advance tax rate on rent of property has to be deducted on prescribed rates. According to the Punjab Sales Tax on Services Act 2012, Sales Tax Act 1990 and Stamp Duty Act 1899, the departments are required to deduct taxes at prescribed rates at the time of payment.

During audit of various formations of Home Department, it was observed that income tax, GST, PST and stamp duty to the tune of Rs. 20,783,168 (Annexure-25) were either not deducted or less deducted at source while making payments to the concerned firms/contractors.

Audit is of the view that weak internal controls resulted in non/less deduction of taxes and stamp duty.

The matter was pointed out to concerned formations from March to May and August to November 2023. Most of the formations noted the observations for compliance.

The matter was further reported to the administrative department. DAC meetings were held on 25.09.2023, 28.09.2023, 29.11.2023, 03.01.2024, 05.01.2024, 18.01.2024, 31.01.2024 and 02.02.2024. The paras at Sr. Nos. 1 & 6 were kept pending for recovery. The para at Sr. No. 2 was kept pending for regularization from Finance Department. The para at Sr. No. 3 was kept pending for verification of record. The para at Sr. No. 4 was kept pending for provision of proof of deposit of remaining amount of tax deducted. The para at Sr. No. 5 was kept pending for clarification from FBR. The paras at Sr. Nos. 7 & 8 were kept pending for compliance. Further progress was not reported by the Department till the finalization of this report.

Audit recommends affecting recovery of the stated amount of taxes and depositing the same into treasury under the relevant head of accounts besides strengthen its internal controls on taxes.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 9.4.6 having financial impact of Rs. 72.58 million. Recurrence of same irregularity is a matter of serious concern.

Procurement-related irregularities

10.4.6 Irregular expenditure in violation of Punjab Procurement Rules-Rs. 2,136.32 million

As per Rule 9 of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. As per Rule 12 (1) (2) of Rules ibid, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations. Any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu. As per Rule 39 of the Rules ibid, the procuring agency shall require the successful bidder to furnish a bid security in the form of a performance guarantee, up to ten percent of the contract amount.

During audit of various formations of the Home Department, it was observed that expenditure to the extent of Rs. 2,136,321,980 (Annexure-26) was incurred on purchase of IT equipment, dietary articles, furniture & fixture, uniform, machinery and equipment, stationery items, store articles, printed material and hiring of services etc. without observing above stated rules entailing breach of stipulated provisions.

Audit is of the view that non-observance of Punjab Procurement Rules 2014 led to a non-transparent process of procurement.

The matter was pointed out to the concerned entities from February to May and August to October 2023. The management of most of the entities noted the observations for compliance.

The matter was further reported to the administrative department. DAC meetings were held on 25.09.2023, 27.09.2023, 28.09.2023, 04.10.2023, 05.10.2023, 14.11.2023, 29.11.2023, 14.12.2023, 03.01.2024, 12.01.2024, 15.01.2024, 18.01.2024, 19.01.2024, 24.01.2024, 31.01.2024, 02.02.2024 and 09.02.2024. The paras at Sr. Nos. 1, 2, 4, 5, 13, 14, 18, 19, 23, 25, 31 & 32 were kept pending for regularization from Finance Department. The paras at Sr. Nos. 3, 27 & 28 were kept pending for recovery. The paras at Sr. Nos. 6, 16, 20 to 22, 24, 29, 30, 33, 34 & 35 were kept pending for probe/inquiry. The paras at Sr. Nos. 7 & 9 were kept pending for compliance. The para at Sr. No. 8 was kept pending for seeking advice from Finance Department. The para at Sr. No. 10 was kept pending for recovery of Rs. 2,451,101. The paras at Sr. Nos. 26 & 36 were kept pending for provision of Court decision regarding forfeiture of CDR. Further progress was not reported by the Department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be probed to fix the responsibility, besides seeking regularization of the expenditure.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para numbers 8.4.12 and 9.4.7 having financial impact of Rs. 769.54 million and Rs. 3,088.24 million. Recurrence of same irregularity is a matter of serious concern.

HR/Employees related irregularities

10.4.7 Irregular payment of pay & allowances-Rs. 515.70 million

The new salary package (Risk Allowance, Fixed Daily Allowance for 20 days and Ration allowance etc.) was sanctioned by the Finance Department for the Police staff, vide their Order No.8904/F-I dated 26.05.2009. However, the said salary package was not admissible to officers/officials of the Police department for the period they remained under suspension as clarified by the Government vide Order No.10281/F-I Dated 08.06.2009. Further, as per Finance Department letter No.FD.PR.6-3/2002 dated 08.01.2010, fixed daily allowance will not be admissible for the month if the officer/official avails leave for more than 11 days in a month. According to Rule 2.31(a) of PFR Vol-I, a drawer is personally responsible for any over-charges on account of pay, allowances or other expenses.

During audit of various formations of Home Department, it was observed that an amount of Rs. 515,697,423 (Annexure-27) was paid on account of Pay and allowances to the officers/officials. But payments of pay and allowances were not disbursed keeping in view the rules/instructions of the Government envisaging inadmissibility thereof.

Audit is of the view that weak management and internal controls on payrolls resulted in irregular payments of pay and allowances.

The matter was pointed out to the concerned entities from February to May and August to November 2023. The management of most of the entities noted the observations for compliance.

The matter was further reported to the administrative department. DAC meetings were held on 13.09.2023, 25.09.2023, 27.09.2023, 28.09.2023, 04.10.2023, 12.10.2023, 16.10.2023, 24.11.2023, 29.11.2023, 14.12.2023, 15.12.2023, 05.01.2024, 15.01.2024, 18.01.2024, 19.01.2024, 24.01.2024, 31.01.2024, 02.02.2024 and 09.02.2024. The paras at Sr. Nos. 1 to 3, 5, 7, 9, 11 to 16, 18, 20, 23, 24, 25, 27 to 29, 32 to 36, 40, 41, 44, 46, 48, 49, 53 to 56, 58, 59, 61 to 66, 68 to 70, 72, 77 to 79, 81, 82 & 85 were kept pending for recovery. The paras at Sr. Nos. 4 &

19 were kept pending for clarification from Finance Department. The para at Sr. No. 6 was kept pending for inquiry. The para at Sr. No. 8 was kept pending with the direction to dig out the actual amount of last two allowances. The para at Sr. No. 17 was kept pending for regularization from Finance Department. The paras at Sr. Nos. 26, 37, 42, 47, 50 to 52, 71, 74, 75 & 80 were reduced to the extent shown in annexure and were kept pending for recovery. The para at Sr. No. 30 was kept pending for recovery of income tax. The paras at Sr. Nos. 60, 76, 83 & 84 were kept pending for compliance. The para at Sr. No. 67 was kept pending for verification of record. The para at Sr. No. 73 was kept pending for record verification. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends affecting recovery and depositing the same into Government treasury besides strengthening internal controls.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22 and 2022-23 vide para numbers 8.4.1 and 9.4.3 having financial impact of Rs. 500.54 million and Rs. 347.76 million. Recurrence of same irregularity is a matter of serious concern.

Performance related irregularities

10.4.8 Poor monitoring mechanism of Hotel-Eye application launched by IG Punjab

I.G Punjab through Police department's handout No. 311 dated 21/12/2021 declared the use of 'Hotel Eye' computer application mandatory for the people who are running hotels, inns and private rest houses in all districts of the province. It was directed to regional and district police officers to ensure entry of the particulars of every citizen staying in a hotel in the 'Hotel Eye' app. The IGP warned that he would take action against the senior police officers in case of misuse of the software. IGP instructed to integrate the software with the network of big transport companies and the prisons department.

During audit of various formations of the Home Department, a poor oversight of the Police department was observed while analyzing real time Hotel Eye App data with regard to the following shortcomings:

- Despite lapse of a considerable period of two years, the police department was not found updated regarding total number of rest houses, hotels, inns (both registered and unregistered) in Lahore District. The Hotel Eye Dashboard showing total number of 2359 hotels (including hostels/inns/private rest houses) in Lahore registered on Hotel Eye Portal were the same during 2021, 2022, 2023.

- The stagnant position of registered hotels/inns/hostels etc. shows that the concerned SHOs were not attempting to update their area wise registered hotels/hostels/inns/ private rest houses.
- The App generates notification alerts to both the offices of DIG operations and DIG investigation for suspected persons who stayed in hotels etc. Between 2021 to 2023, 8,349 notification alerts for suspected persons who stayed in hotels were received out of which 4,342 suspected persons were arrested. Non arrest of the remaining 4007 persons showing inefficiency on the part of both offices of operations as well as investigation wings.
- Big transport companies, Government owned bus stops/terminals were also not registered with the app. The prison department was not linked with the software.
- The System was unable to answer the area wise inspection reports and their frequency.
- No periodical reports were transmitted to CCPO Lahore from both operations as well as investigation's end.

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**
1	DIG Operations Lahore	2022-23	2023-0000003195_F00036
2	DIG Investigation Lahore	2020-23	2023-0000005652_F00003

Non-updating of the data of Hotel Eye App. during 2020-23, caused suboptimal utilization of the app as per SOP. Against the alerts, the ratio of arrest of the criminals was 39%, 54% and 42% respectively during last three years.

When pointed out during August and November 2023, the management noted the observations.

The matter was further reported to the administrative department. In DAC meetings held on 24.01.2024 and 02.02.2024, the para at Sr. No. 1 was kept pending for compliance with the direction to take effective efforts for updating the area wise data of registered hotels/ hostels/Inn/ private rest houses through the concerned SHO's also connecting this application with big transport companies as well. The para at Sr. No. 2 was kept pending for compliance. Further progress was not reported by the Department till the finalization of this report.

Audit recommends that responsibility be fixed for non-arrest of 4007 suspected persons. Besides effective steps be taken to update the area wise data of registered hotels/hostels/inns/private rest houses through the concerned SHOs also connecting the application with big transport companies as well.

10.4.9 Non-attaining average response time on distress calls to reach at the place of crime/incident

As per objective of Punjab Police Integrated Command Control & Communication Centre (PPIC3) "provision of high-quality emergency response system to the residents and visitors of Punjab and specifically Lahore". As per deliverable at 10.8 of Punjab Police Integrated Command Control & Communication Centre (PPIC3) PC-1 regarding Reduction of Crime, "through the technology, the first responders will be dispatched while the emergency call is in process, so the police response time will be reduced to within 7-9 minutes of emergency call received. This will help in prevention of crime and also real time tracking and detection of suspects". As per standing orders regarding criteria for the Dolphin squad and police response unit vide No.Ad-III/3251/3300/XV, dated 14.02.2020 issued from Provincial Police officer Punjab, Lahore, at Sr. No. (4.3), response to "all sorts of distress calls in the area of responsibility through the quickest possible means in coordination with each other or any other squad or unit will be within 05 to 07 minutes from transmission of information. As per Sr. No. 1.49 of SOPs of Police Response Unit, the maximum response time to reach at the place of crime/incident is five minutes.

During audit of various formations of Home Department, public calls on "15" were attended at Punjab Safe City's Command and Control Center for assistance, the cases related to Police Response Unit and Dolphin Force were swiftly transferred for immediate action. While scrutiny of the data regarding response time, it was observed that in 32482 cases, the response time of dolphin squad Lahore, was more than 7 minutes and up to 1 hour 8 minutes. Similarly, the Police Response Unit (PRU) Lahore could not achieve the prescribed response time in 50% of cases. Moreover, as per sample data of 15 (PUCAR), safe cities authority Lahore, for the month of January 2023, the response time ranges from 20 minutes to two hours which was extraordinarily high as compared to the response time mentioned in PC-I of PPIC3. The details are given as follows:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of irregularity
1	S.P. Dolphin Squad. Lahore	2021-23	2023-0000004362_F00007	Response time in 32482 cases was more than 7 minutes up to 1 hour and 07 minutes

2	S .P. Police Response Unit (PRU), Lahore	2021-23	2023-0000004364_F00014	Not achieved prescribed response time in 50% cases.

This resulted in poor policing which was against the SOP for attending incidents and providing assistance to general public.

When pointed out during August to November 2023, the management noted the observation.

The matter was further reported to the administrative department. In DAC meeting held on 15.01.2024, the paras at Sr. No. 1 & 2 were kept pending for probe. Further progress was not reported by the Department till the finalization of this report.

Audit recommends to investigate the matter, for fixing responsibility, stern action be taken for implementation of the stipulated response time. The internal and supervisory controls need to be strengthened.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2021-22 vide para numbers 6.2.3.2 and 6.2.3.3. Recurrence of same irregularity is a matter of serious concern.

10.4.10 Non-updating of Punjab Police Motor Transport System (PPMT) e-data

The Punjab Police Motor Transport (PPMT) User Manual for Punjab Police Motor Transport System includes SOPs, for online entries of POL charges, track record of repairs for Police Vehicles and other useful reports including vehicle status, vehicles data assignment status, vehicle status by category etc.

During audit of various formations of the Home Department, it was observed that the formations did not update, e-record/data regarding total strength of vehicles, expenditure incurred on repair and POL, on the official website of the Punjab Police Motor Transport System (PPMT) Software developed to monitor and control the vehicles of Police department contrary to the directions of IG Punjab. Following discrepancies were noticed while verifying the data of Dash board with the record provided by the Department:

The e-data on the website of DIG Investigation Lahore as on 30th June 2023 shows the following:

- 483 vehicles on the strength of the formation out of which 448 were in working condition whereas the data provided by the management reflects a fleet of 415 official vehicles (225 vehicles, 190 Bikes)

- 109 vehicles (excluding bikes) were allocated to police stations as per PPMT software, whereas the MT branch provided list showing 85 vehicles
- Total POL charges on PPMT software for the year 2020-21 to 2022-23 were Rs. 388.50 million whereas on CGA website, the same were Rs. 418.04 million
- Total repair charges on PPMT Software for the year 2020-21 to 2022-23 were Rs. 78.290 million whereas on CGA website, the same were Rs. 77.09 million
    - In SP MT Lahore, on analysis of three months data of June 2021, June 2022 and June 2023, no major improvement was made. The data regarding E-log book maintained on PPMT software was either incomplete or incorrect. Analysis of E-log book data revealed that in 36% cases data was incomplete and in 4% cases data was incorrect. Similarly, regarding motorcycle in 60% cases data was incomplete and in 3.37% cases data was incorrect.

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**
1	DIG Investigation Lahore	2020-23	2023-0000005652_F00008
2	SP Motor Transport Punjab, Lahore	2020-23	2023-0000005662_F00016

There was an increasing trend of non-uploading or uploading of incorrect data on the software by the police units.

The lapse occurred due to weak supervisory controls. This resulted in non-reflecting true picture of the transport pool on the website required to monitor and control the vehicles of Police department.

When pointed out during August to November 2023, the management noted the observation.

The matter was further reported to the administrative department. In DAC meetings held on 02.02.2024 and 09.02.2024, the para at Sr. No. 1 was kept pending for reconciliation of data of official vehicles. The para at Sr. No. 2 was kept pending with the direction of uploading complete record of all units of Police Department in the software. Further progress was not reported by the Department till the finalization of this report.

Audit recommends to investigate the matter, to fix responsibility, besides seeking updating of the data on the software and strengthening supervisory controls.

Value for money and service delivery issues

10.4.11 Non-functioning of critical security infrastructure due to non-installation of equipment-Rs. 1,579.68 million

As per settlement agreement dated 01.12.2022 between Punjab safe cities authority and Huawei Technologies Pakistan (Pvt.) Limited, the timelines were set out by both parties for provision of remaining EPC Works and Equipment.

During audit of Punjab Safe Cities Authority Lahore for the year 2022-23, it was observed that M/s Huawei Technologies Pakistan (Pvt.) Limited did not install equipment and failed to perform outstanding EPC work valuing Rs. 1,579.68 million within timelines as settled in the agreement. The firm did not perform its obligation as per TOR's. The project was started w.e.f. 20 May 2016 could not be completed despite lapse of seven (7) years despite finalization of settlement agreement on 01.12.2022. Due to non-installation of equipment for critical security infrastructure and emergency services, the ratio of crimes in Capital city of Punjab has increased remarkably in last three years.

Audit is of the view that lapse occurred due to poor existence of administrative and financial controls

The matter was reported to the entity in September 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 03.01.2024, the para was kept pending and directed the department to take the matter with the IGP for late response by the Police force to fix responsibility. Further progress was not reported by the department till the finalization of this report.

Audit recommends that matter should be investigated, responsibility be fixed, concrete steps be taken to ensure installation of equipment and performing outstanding EPC Work without further delay besides strengthening supervisory controls.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2021-22 vide para number 6.2.3.1. Recurrence of same irregularity is a matter of serious concern.

(PDP No. 2023-0000004361_F00001)

Management of accounts with commercial banks

10.4.12 Unauthorized blockade of public money in commercial bank account-Rs. 1,607.71 million

According to Government of the Punjab, Finance Department's letter No.FD.DS.(Coordination)/Misc./2018, dated 22.06.2018, public money must not be parked in commercial accounts.

During audit of various formations of Home Department, it was observed that public money to the tune of Rs. 1,607,709,093 was parked in commercial banks, contrary to above Government instructions. The details are given in annexure-28.

Audit is of the view that the irregularity occurred due to weak supervisory and financial controls.

The matter was pointed out to the concerned entities from February to May and August to November 2023. The management of most of the entities noted the observations for compliance.

The matter was further reported to the administrative department. DAC meetings were held on 13.09.2023, 28.09.2023, 29.11.2023, 14.12.2023 and 03.01.2024. The para at Sr. No. 1 was kept pending with direction that unutilized funds retained in commercial bank in last four years be deposited into Govt. Treasury in consultation with Finance Department. The paras at Sr. Nos. 4, 6 & 7 were kept pending for compliance. The paras at Sr. Nos. 5 & 9 were kept pending for regularization from Finance Department. The para at Sr. No. 8 was kept pending for probe by administrative department level. Further progress was not reported by the Department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the irregularity should be regularized after fixing responsibility for the irregularity besides strengthening financial and internal controls to avoid such lapses in future.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 9.4.15 having financial impact of Rs. 266.04 million. Recurrence of same irregularity is a matter of serious concern.

Accounting Errors

10.4.13 Shortfall of receipt accounted for on SAP as compared to reported by CTO-Rs. 358.55 million

According to Rule 4.7 (1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account.

During audit of Chief Traffic Officer, Gujranwala for the period 2017-22, the management reported a receipt of Rs. 376,598,150 on account of police traffic fines deposited during the period from July 2020 to June 2022. However, the receipt was not got verified from the treasury. Furthermore, as per SAP data, total receipt of District Gujranwala under head "A02638-Police Traffic Fines" was Rs.18,044,240. Hence, a shortfall of Rs.358,553,910 in receipt was evidenced from punching of challans posted on SAP as compared to receipt reported by the CTO office.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was pointed out in May 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 04.10.2023, the para was kept pending for verification from Treasury Office. Further progress was not reported till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired to dig out the factual position besides taking remedial measures.

(PDP No. 2023-0000001567_F00002)

Financial Matters

10.4.14 Irregular expenditure on investigation cost-Rs.74.20 million

As per standing order No. 1/2020, regarding Cost of Investigation issued by the office of IG Punjab Lahore, vide No.2103-40/Inv./HA/L, dated 28.1.2020, the member of investigation staff who expends investigation from his own pocket or Imprest must submit the claim to the SHO/In charge Investigation along with all supporting vouchers on the prescribed proforma duly authenticated. The copy of the FIR, daily diary Rappat roznamcha regarding departure/arrival showing the time, date and destination or copy of the orders of remand by the court must be placed as first document in the file. Actual payee receipts regarding payment of transport/hiring /preparation of map/stationery, photography/DNA test or other miscellaneous charges must indicated the name of driver, owner of the hotel, shopkeeper, laboratory and other personnel to whom the payments are made for any purpose. In case of hiring of taxi/transport or hiring charges, the date and time of departure/arrival, the distance covered, vehicle number, CNIC of driver and original receipt of payment be enclosed. The SHO/In charge investigation should also give a certificate that no official vehicle was provided where the taxi charges are claimed.

During audit of Home Department for the year 2020-23, discrepancies in investigation cost claims were uncovered. The investigating officer-initiated pre-FIR investigations using a taxi, resulting in a fraudulent claim of Rs. 646,750. Rs. 1,726,000 in taxi cost claims, with overlapping dates which suggested duplicate payments to the same officer. The officer purportedly engaged the taxi for the full day from 9 AM to 4 PM or 10 AM to 5 PM, according to the rappat roznamcha. Despite this, Rs. 1,872,500 in investigation claims were paid. However, the bills lacked essential signatures, rendering the payments defective and raising concerns about financial processes. Further, taxi charges against two vehicles LED-2172 & LED-9928, were repeatedly claimed in the investigation cost but the vehicle numbers did not exist in the MTMIS record.

- The taxi charges against vehicle No.ACK-5912 was repeatedly claimed by various investigation officers whereas, it was a motorbike as per MTMIS data.
- Same printed vehicle list was attached with most of the investigation cost claims of various police stations, as Misri shah, Chohng, Jauhar town, Larri adda etc. resulted in doubtful expenditure. The receipts of different vehicles/ taxi charges were shown signed in a single go with same handwriting. The claims of food and Map were charged but no receipt was enclosed with the investigation claim.
- Bills of Rent a Car for Rs. 16,057,000 were found without reference number, date and distance in CPO, Faisalabad
- The entire payment for the period 2020-21, in DIG Investigation for Rs. 53,557,250 was drawn through DDO and disbursed through cash instead of through vendor payment. The amount was not entered in naqdi register of the in-charge investigation before disbursement as required under the standing orders of cost of investigation.
- The payment of pending liability for the period 2018-19, 2020-21 was made out of the budget of 2022-23, needs to be investigated. No pending liability register was maintained and the claim was not certified that not drawn and paid before.
- In some cases rawangi rappat was not signed by the in charge Investigation officer, dates were not mentioned.

- In some cases it was found that the payment of claims of investigation was paid to the officers against the police stations where they had not remained posted during the period of claim as verified from HRMS data.

Sr. No.	Name of Formation	Period of Audit	PDP No.	Amount (Rs.)
1	DIG Investigation Lahore	2020-23	2023-0000005652_F00002	53,902,250
2	CPO, Faisalabad	2022-23	2023-0000002819_F00017	16,057,000
3	DIG Investigation Lahore	2020-23	2023-0000005652_F00001	4,245,250
Total				**74,204,500**

The lapse occurred due to weak financial and internal controls.

When pointed out in August to November 2023, the management noted the observation

The matter was further reported to the administrative department. In DAC meeting held on 02.02.2024, the paras at Sr. Nos. 2 & 3 were kept pending for probe. Further progress was not reported by the Department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

The matter needs to be investigated at administrative department's level, for fixing responsibility, besides affecting recovery of the amount paid against bogus claims and deposited in Government Treasury, the financial and internal control needs to be strengthened

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 9.4.28 having financial impact of Rs. 82.26 million. Recurrence of same irregularity is a matter of serious concern.

Others

10.4.15 Unjustified booking/expenditure in the Cost Centre of various formations by AIG Logistics (CPO) Lahore-Rs. 1,368.46 million

As per Para 4.2.1.2 of Accounting Policies and Procedure Manual (APPM), key steps are required to be followed in all expenditure transactions; sanction of expenditure; preparation of claim voucher (bill) for payment (except for salaries and wages); approval of expenditure; registration of purchase order/claim voucher; certification (pre-audit) of claims; authorization of payment; issue of payment; recording of expenditure in the accounting records.

Further, as per Para 4.2.2.1 of the Manual ibid, regarding sanction of expenditure, every expenditure must be sanctioned by an officer of the Government who has the authority to approve proposals to incur expenditures (including enter into commitments) on behalf of the Government and who shall be deemed to be the Sanctioning Officer. The sanctioning officer's authorities are set out in the "Delegation of Financial Power under the Financial Rules" issued by the Ministry of Finance/Finance Department. Moreover, as per Rule 4.2.5.1 of the aforesaid Manual, a prescribed claim voucher form (bill) (form 4.B) must be prepared by the incurring officer for supplies, services rendered and work done under a contract or other arrangement over the specified limit.

During audit of various formations of Home Department, it was observed that an amount of Rs. 251,881,500, and Rs. 279,513,177 were recorded under cost center LO-4071 and LO-4089 respectively according to SAP data. The expenditure related to purchases of Uniform & Protective Clothing, Ordnance Stores, and purchase of Transport. The expenditure statements clearly indicate that these amounts were attributed to cost centers LO4071 and LO-4089, which fell under the jurisdiction of the AIG Police of CTD and SP MT Lahore. However, claims were processed by AIG Logistics (CPO), Lahore. Moreover, during audit of I.G. Police Punjab, it was observed that a significant expenditure amounting to Rs. 834,932,490 was incurred for the procurement of uniforms, transportation, and ordnance stores etc. This expenditure was attributed to various formations, including SPU, Elite Police, CTD, Battalion Commander, PHP, and Motor Transport, utilizing distinct DDO codes.

Following deficiencies/violations were noticed by audit:

i. The complete set of records related to the aforementioned purchases was unavailable at the formations. The management stated that they had not authorized or signed these bills. Additionally, the management explained that their token register had not been used for the submission of these claims.

ii. The expenditure figures were reflected in the reconciled expenditure statements for the financial year 2022-23, while the budget figures were not reflected in the reconciled expenditure statements of the cost centers.

iii. Furthermore, the matter of two DDOs simultaneously exercising authority over a single cost center was required to be referred to the Finance Department for advice.

iv. Superintendent of Police Dolphin Squad, Lahore had drawn Rs. 2,133,337 out of cost center "LO-5598" for purchase of spare parts for the vehicles of Police Response Unit (PRU) irregularly. Whereas, PRU has a separate budget allocation under cost center LO-5662.

Sr. No.	Name of Formation	Period of audit	PDP No.	Nature of irregularity	Amount (Rs.)
Total					**1,368,460,504**

Weak internal, management and financial controls led to unjustified booking/expenditure in the Cost Centre of Additional IGP CTD, and SP MT Lahore by AIG Logistics (CPO) Lahore.

The matter was reported to the formations during August to November 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 05.01.2024, 15.01.2024, 31.01.2024 and 09.02.2024, the para at Sr. Nos. 1, 3 & 4 were kept pending for regularization from Finance Department. The para at Sr. No. 2 was kept pending for clarification from the Finance Department. Further progress was not reported by the Department till the finalization of this report.

Audit recommends proactive measures should be taken by seeking clarification from Finance Department besides strengthening administrative and financial controls to avoid recurrence of such lapses in future.

10.4.16 Un-authentic payments out of Secret Services Funds-Rs. 386.62 million

Honourable Supreme Court in its judgment dated July 16, 2012, on a petition, decided that after the 18th Amendment under Article 170 (2) of the constitution, the AGP enjoyed a strong constitutional mandate to audit all public expenditures without exception. Moreover, the funds which have been declared as secret either by an executive order or ordinary legislation do not fall outside this purview. Furthermore, autonomous public bodies which do not receive any Government funding but are established by the Government or are under its control are also not beyond the AGP’s duty and power to audit. Furthermore, as per Rule 36 (4&5) in Appendix-14 of PFR Vol-II amended up to 29.11.2019, every controlling officer will maintain in the form of a cashbook a secret record of the expenditure and receipts (if any) connected with the grant. This record should contain the amount and the date of each payment and such indication of its nature as the administrative department may consider necessary in order to enable him to discharge the responsibility placed upon him by clause 5 below. The amounts drawn from the treasury on contingent bills will be entered in the cash book on the receipt side the number and date of the bill being noted against the entry. The administrative department should conduct at least once in every financial year a sufficiently real administrative audit of the expenditure incurred by the Controlling Officer and furnish a certificate to the Accountant-General not later than the 31st March following the year to which it relates.

During audit of various formations of Home department, it was observed that an amount of Rs. 386,621,000 was drawn from Government Account under the Head ‘Secret Services Funds’. No separate cash book for receipts and expenditures had been maintained. The administrative department failed to conduct an administrative audit of the expenditure at least once during the financial year in contravention of Rule 36 (4&5) outlined in Appendix-14 of PFR Vol-II. Additionally, the complete disbursement records were not made available to the audit, which represents a violation of the Supreme Court judgment dated 16.07.2012. It is imperative that these deficiencies are addressed promptly to ensure transparency, accountability, and adherence to the established financial and regulatory standards. Details are given as follows:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Amount (Rs.)**
1.	Additional IGP CTD Lahore	2022-23	2023-0000004363_F00003	335,200,000
2.	CCPO Lahore	2019-23	2023-0000004366_F00015	29,269,000
3.	DIG Investigation Lahore	2020-23	2023-0000005652_F00022	12,868,000
4.	DIG Operations Lahore	2022-23	2023-0000003195_F00016	9,284,000
Total				**386,621,000**

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was reported to the entities during the period spanning over August to November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 05.01.2024, 24.01.2024 and 02.02.2024, the para at Sr. No. 1 was kept pending for production of record. The para at Sr. No. 3 was kept pending for production of record of secret service fund. The para at Sr. No. 4 was kept pending for compliance. Further progress was not reported by the Department. As regards remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the administrative audit be conducted at the earliest and a certificate to this effect be produced to audit besides seeking regularization from Finance Department and provision of cash book/disbursement for detailed audit scrutiny.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2021-22 vide para numbers 8.4.28 (25) and 8.4.28 (44) having financial impact of Rs. 5.90 million and Rs. 2.14 million. Recurrence of same irregularity is a matter of serious concern.

10.4.17 Unauthorized payments from incorrect head of accounts for-Rs. 229.72 million

As per paragraph 5 of Finance Department letter No.PS/FS/ 808/78 dated 26-02-1978, the Principal Accounting Officer should issue instruction to the controlling and Disbursing Officer under him that all payments are correctly classified under the appropriate heads of accounts.

During audit of the Inspector General of Police Punjab, Lahore for the period 2022-23, it was observed that an advance payment of Rs. 175,097,130 had been disbursed to "M/s Fiber Craft Industries" for the fabrication of 403 "Toyota Hilux Single Cabin Pick up (Up-Spec) 4x2." The audit identified several shortcomings in the process as under:

- The expenditure of Rs. 175,097,130 was wrongly classified under the head of "Purchase of Transport" instead of "Payment to others for services rendered," leading to misclassification.
- Although the vehicles were delivered by the firm, no completion report or inspection report was available in the record.
- Income tax of Rs. 9,630,342 was less withheld/deducted during the payment process.
- Punjab Sales Tax (PST) amounting to Rs. 28,015,541 was not withheld at the time of payment, as the responsibility for fabrication and installation rested with the firm.
- GST at the rate of 18% was included in the invoice, but the details of the purchased items were not mentioned in the tender and the vendor's invoice, to which GST was applicable. This inconsistency requires attention and correction.
- Moreover, expenditure on various items for Rs. 54,210,450 was incurred from irrelevant head of accounts in violation of the instructions of the Government.

Weak management, supervisory and financial controls led the irregularity.

The matter was reported to the entities in September 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 31.01.2024, the para was kept pending for regularization from Finance Department. Further progress was not reported by the department till the finalization of the report.

Audit recommends that the matter be probed and responsibility be fixed besides regularization of the matter from Finance Department and recovery from the concerned.

(PDP No. 2023-0000005649_F00003)

10.4.18 Irregular expenditure on repair and maintenance of building-Rs. 166.49 million

As per Rule 16.2 of PFR Vol-I, a construction work, the estimated cost of which is to exceed Rs. 10,000, should not be entrusted for execution to outside firms or contractors by Departments other than the Public Works Department without previously consulting the Finance -Department. Furthermore, when it is considered expedient for some special reasons, that such work appertaining to a department other than the Public Works Department should be carried out by departmental agency, the Public Works Department should be given an opportunity of advising whether the proposed course is desirable or not.

During audit of Home Department, it was observed that department expended Rs. 166,490,653 on repair of building. The details are given as under:

Sr. No.	Name of Formation	Period of audit	PDP No.	Amount (Rs.)
1	DPO, Nankana Sahib	2019-22	2023-0000001462_F00001	10,217,736
2	CCPO Lahore	2019-23	2023-0000004366_F00011	71,744,004
3	IG Police Punjab, Lahore	2022-23	2023-0000005649_F00004	62,299,405
4	DIG Operations Lahore	2022-23	2023-0000003195_F00014	15,230,837
5	CPO, Faisalabad	2022-23	2023-0000002819_F00026	6,998,671
Total				**166,490,653**

Audit noticed the following irregularities:

i. The measurement book duly signed by the officer equal to the rank of SDO was not maintained by the department.

ii. The bill of quantity (BOQ) was also not prepared.

iii. The registration certificate of the contractor with the Pakistan Engineering Council (PEC) was not found attached to the claims.
iv. Income tax was less deducted while making payments to the contractor.
v. Comparison with scheduled rates was not made to subscribe to parameters of economical payments.

Audit is of the view that non-observance of rules led to a non-transparent process of repair.

The matter was reported to the entities from August to November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 12.10.2023, 24.01.2024 and 31.01.2024, the para at Sr. No. 1 was kept pending for probe. The paras at Sr. Nos. 3 & 4 were kept pending for regularization from Finance Department. Further progress was not reported by the Department. As regards remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be got regularized from the Finance Department.

10.4.19 Irregular sanction of beyond competency expenditure-Rs. 129.62 million

According to Sr. No. 1(3)(IV) of the Punjab Delegation of Financial Powers Rules, 2016, an officer of category-(IV) are competent to accord sanction to expenditure against the detailed objects in the budget estimates" up to Rs. 1,500,000, in each case.

During audit of accounts Superintendent Central Jail, Multan for the period 2020-23, it was noticed that management split up the bill against supply order of Rs. 129,622,583 by keeping these below
Rs. 1,500,000 to avoid sanction from higher authority in violation of Punjab Delegation of Financial Powers Rules, 2016. This resulted in irregular expenditure due to splitting up bills/invoices to avoid obtaining sanctions from the competent authority.

Audit is of the view that the irregularity occurred due to weak supervisory and financial controls.

The matter was reported to the formation during the period spanning over August to October 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 18.01.2024, the para was kept pending for regularization from Finance Department. Further progress was not reported till the finalization of this report.

Audit recommends to seek regularization of the expenditure from the Finance Department and avoid recurrence of such lapses in future.

(PDP No. 2023-0000003182_F00005)

10.4.20 Irregular mode of payment-Rs. 75.61 million

As per Rule 4.49(a) of Subsidiary Treasury Rules, read with Finance Department's Letter No FD (FR) V-6/75(P) dated 20.06.2007, payment exceeding Rs. 100,000 shall be made through cheque instead of cash.

During audit of various formations of the Home Department, for the period 2017-22, it was observed that claims of Rs. 75,612,474 were withdrawn from the Government account in the name of DDO instead of actual vendors. The detail is given below:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularities	Amount (Rs.)
1.	CPO, Multan	2021-22	2023-0000000190_F00019	Irregular withdrawal from Government account in favour of DDO instead of actual vendors	49,190,459
2.	CTO, Gujranwala	2017-22	2023-0000001567_F00015	Irregular withdrawal from Government account in favour of DDO instead of actual payees	26,422,015
Total					**75,612,474**

Audit is of the view that weak supervisory and financial controls resulted in irregular withdrawal of amounts from the Government Account.

The matter was reported to the entities from March to May and August to November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 04.10.2023 and 18.01.2024, the para at Sr. No. 1 was kept pending for separation of cases of payments whether made through crossed cheques or cash. The para at Sr. No. 2 was kept pending for regularization from Finance Department. Further progress was not reported by the Department till the finalization of this report.

Audit recommends that the matter be looked into besides seeking condonation of irregularity from the Finance department and strengthening of supervisory and financial controls.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 9.4.17 having financial impact of Rs. 182.87 million. Recurrence of same irregularity is a matter of serious concern.

10.4.21 Irregular payment of utility bills against offline electricity meter-Rs. 73.07 million

According to Rule 2.33 of PFR Vol-I, "every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part". According to Rule 2.10(a)(1) of PFR-Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of Punjab Safe City Authority, Lahore for the period 2022-23, it was observed that number of electricity meters were installed at different sites where 40% cameras were off line however, the department was paying electricity bills regularly without verification of its actual consumption (meter reading) and physical existence of said utility meter. Without verification of actual existence of electricity meters and their consumption, chances of misuse of electricity could not be eliminated.

Audit is of the view that weak financial and internal controls resulted in irregular payment of electricity bills against offline cameras for Rs.73.07 million.

The matter was reported to the entities in September 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 03.01.2024, the para was kept pending for provision of details of all non-functional cameras with location and with the electric meter number for verification. Further progress was not reported by the Department till the finalization of this report.

Audit recommends to investigate genuineness of the electricity bills payment at an appropriate level, under intimation to audit besides strengthening internal controls.

(PDP No. 2023-0000004361_F00013)

10.4.22 Irregular expenditure on repair of transport-Rs. 50.91 million

As per Rule 2.10(a)(1) of PFR Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of various formations of the Home Department, it was observed that an expenditure of Rs. 50,910,977 was incurred on the repair of transport without fulfilling stipulated requirements for a transparent repair process. All the expenditure on repair was consumed on the requisition and cost estimation on the request of the drivers. The vehicles in some cases were shown sent to workshop for major repair of general overhauling and complete denting and painting despite covering a distance of more than 100 KMs daily. The SP MT Lahore had fixed a minimum mileage limit for the replacement of tyres, batteries, engine overhauling, and denting/painting which stood breached. No inspection committee was constituted. The details are given below:

Sr. No.	**Name of Formation**	**Period of audit**	**PDP No.**	**Nature of irregularity**	**Amount (Rs.)**
1.	Commandant PC BTN NO.1, Lahore	2021-22	2023-0000000180_F00017	Unjustified Expenditure on Repair of Transport	10,599,666
2.	Elite Police Force Lahore	2021-22	2023-0000000176_F00002	Irregular expenditure on repair of transport	8,261,501
3.	Addl. IGP CTD Punjab Lahore	2021-22	2023-0000000363_F00023	Irregular Repair of Transport	32,049,810
Total					**50,910,977**

Audit is of the view that lapse occurred due to weak financial and internal control.

The matter was pointed out from April to May and August to November 2023. The management noted the observations.

The matter was further reported to the administrative department. DAC meetings were held on 13.09.2023, 14.11.2023 and 15.12.2023. The paras were kept pending for probe. Further progress was not reported by the Department till the finalization of report.

Audit recommends that the matter should be looked into at appropriate level, responsibility be fixed besides strengthening financial and internal controls.

10.4.23 Non-maintenance of record-Rs. 35.88 million

According to Rule 2.33 of PFR, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence, on his part and that he will also be held personally responsible for any loss arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence. As per Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account. As per Rule 2.10(a) (1) of PFR-Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenue as a person of ordinary prudence would exercise in respect of the expenditure of his own pocket.

During audit of various formations of the Home Department, the auditable record pertaining to driving schools, fork lifters, issuance of driving license, courier service, Khidmat Markaz, besides total receipt generated and expenditure incurred and statements of bank accounts were not maintained.

Details are as under:

1. Driving schools were functioning under the supervision and control of CTO within the premises of CTO office. Classes were being conducted by driving school (through morning and evening sessions). In the case of CTO Gujranwala, the school had completed almost fifty batches of 100 trainees each till close of Audit (May 2023) and generated revenue amounting to Rs.15,000,000 (Rs.3,000*50*100) whereas, no such record was maintained by CTO Lahore.
2. The income generated was not deposited into Government treasury. Further, the income and expenditure of driving school, khidmat markaz and allied record was not produced to Audit on the plea that it was a police welfare project.
3. The driving school and khidmat markaz was operating by utilizing Government resources as the trainers being Government employees (traffic wardens) were drawing pay & allowances from Government Funds and other utilities including

electricity charges were also charged to Government exchequer. Furthermore, Government vehicles allocated to the entity were utilized for driving practice of the trainees. Therefore, the income from driving school and khidmat Markaz should also be deposited into Government Treasury.

2. Various fork lifters (quantity not disclosed by the management) were operating for lifting of wrongly parked private vehicles. The lifted vehicles were handed over to their owners on payment of fines imposed by the operators of fork lifters. However, the relevant record with respect to number of fines imposed, fines recovered and utilization of income generated by fork lifters was not maintained.

3. A list of bank accounts in CTO Gujranwala was provided by the management which revealed that a bank account bearing No.4010942079 was maintained by the entity with NBP whereas, the detail of bank accounts was not produced by CTO Lahore. However, bank statements, cash book, bank reconciliation statements and allied record relating to deposits and withdrawals was not available.

4. As per statement furnished by the management, total 115979 licenses were issued by CTO Gujranwala during the period under audit (similar detail was not produced by CTO Lahore). It was learnt that the entity collected courier charges @ Rs. 180 per license for delivery of licenses at doorsteps of the beneficiaries. Hence, an amount of Rs.20,876,220 (115979*180) was required to be collected on account of courier charges. However, the auditable record such as cashbook/cash register showing actual amount collected on account of courier charges, actual expenditure incurred on this account, amount saved (if any) and whereabouts of saved amount was not produced to Audit for verification.

Sr. No.	**Name of Formation**	**Period of audit**	**PDP No.**	**Amount (Rs.)**
1	CTO Gujranwala	2021-22	2023-0000001567_F00001	35,876,220
2	CTO Lahore	2021-23	2023-0000004365_F00018	0
Total				**35,876,220**

Audit is of the view that the lapse occurred due to weak supervisory and administrative controls.

The matter was pointed out in May and September 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 04.10.2023 and 09.02.2024, the para at Sr. No. 1 was kept pending for verification of record. The para at Sr. No. 2 was kept pending for advice from Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that responsibility be fixed for the lapse against those at fault besides ensuring production of record for audit scrutiny.

10.4.24 Misplaced Stock articles valuing -Rs. 5.48 million

According to Rule 15.7 of PFR Vol. I, heads of offices and others entrusted with the care of stores of any kind should maintain suitable accounts and inventories of the stores in their charge. As per tender notice, advertised on PPRA website as well on print media, samples/specimen of all articles must be provided in the office SP/Dolphin Squad, free of cost.

During audit of the accounts of Superintendent of Police Dolphin Squad, Lahore for the period 2021-23, it was observed as per bidding document of procurement of spare parts of vehicles and other store articles, it was mandatory for the contractors to provide sample/specimen free of cost. The management received samples of different items, i.e., stationary, vehicle spare parts, computer hardware, electric material, tyres and other store articles valuing Rs. 5,483,937. These samples were not taken on stock nor its consumption/issuance was shown to audit in the absence of which, the chances of misappropriation could not be ruled out.

The irregularity occurred due to weak supervisory and internal controls. This resulted in misappropriation of stock articles valuing Rs. 5,483,937

The matter was reported to the entity during the period spanning over August to November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 15.01.2024, the para was kept pending for compliance. Further progress was not reported till the finalization of this report.

Audit recommends that matter be inquired at an appropriate level to fix responsibility, loss be recovered also besides strengthening financial and administrative controls.

(*PDP No. 2023-0000004362_F00001)*

10.4.25 Unauthorized handing over of canteens to private person non-recovery of rent-Rs. 4.60 million

According to Rule 4.7(1) of the Punjab Financial Rules, Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account.

During audit of various formations of the Home Department, it was observed that canteen located within the premises of the office was being run by a private person who did not have any legal authority. As per written statement provided by the Accountant, canteen rent, advance tax and utility charges were neither collected nor deposited into Government treasury during the period under audit. Thus, the Government was deprived of revenue amounting to Rs. 4,600,000 (Approx.).

The details are as under:

Sr. No.	**Name of Formation**	**Period of audit**	**PDP No.**	**Nature of irregularity**	**Amount (Rs.)**
1	DIG Investigation Lahore	2020-23	2023-0000005652_F00023	Canteen run by a private contractor, not depositing Canteen rent, utility charges and advance tax	3,600,000
2	DPO Sheikhupura	2021-22	2023-0000001546_F00019	Canteen rent, utility charges and advance tax was not recovered from the canteen contractor	1,000,000
Total					**4,600,000**

The lapse occurred due to weak administrative and financial controls.

The matter was pointed out during May to November 2023. The management noted the observation and did not offer any reply.

The matter was further reported to the administrative department. In DAC meetings held on 14.12.2023 and 02.02.2024, the para at Sr. No. 1 was kept pending for regularization from the

Finance Department. The para at Sr. No. 2 was kept pending for probe at administrative department's level. Further progress was not reported by the Department.

Audit recommends that the matter be inquired into at appropriate level to fix responsibility against the delinquents. The rent of canteen be recovered from the concerned and deposited into Government treasury, besides immediate auction of canteen premises rented out.

10.4.26 Unauthorized/excessive use of vehicles and doubtful drawl of POL against the vehicles not on the strength of entity

As per notification No.PA/DS(G)/57/90 dated: 03.07.1991 issued by S&GAD regarding control over expenditure in use of official vehicles, the patrolling vehicles of police department at Metropolitan corporation are entitled to draw POL up to 250 liters per month and in Municipal corporation, the limit was fixed for 200 liters per month.

As per standing order No.9 3(III), issued by the CCPO Lahore, vide No.7541-62/F&A, dated 28.10.2008, the monthly fuel bills will be certified by the divisional SSPs and the other commanding officers with the certificate that it has been checked and found correct and the same has been used for official work. In accordance with the S&GAD's letter No. AT-II/(2-9)2006 dated 22.04.2008, and No. AT-II/(2-6) 2012 dated 29.06.2018, the following was the criterion for the retention of vehicles in the Govt. departments:

Category of officer	**Entitlement of vehicle**	**No. of vehicles**
Secretary + Head of department	Car 1300 CC	01
Additional Secretary or equivalent	Car of 1000 or 1300 CC	01
Dy. Secretary & equivalent	Car of 1000	01
Pool	-	One car or touring vehicle
General duty vehicles	-	One vehicle may be allowed to Section Officers subject to availability of vehicles with petrol limit of 125 litres.
Staff of Minister	-	One vehicle

As per para 3 of the above said letter, the Administrative Secretary shall personally certify that no office/officer is holding vehicles in excess of afore-stated policy.

During audit of various formations of Home Department, it was observed that expenditure of Rs. 616,045,319 (Annexure-29) had been incurred on POL charges without implementing the above instructions of the Government as delineated below:

- Scrutiny of the list of vehicles provided by MT branch of the department revealed that more than one vehicle was allotted to the Police Officers contrary to the provision of rules.
- Scrutiny of "C" form of fuel and its verification with the list of vehicles provided by the MT branch of the entity revealed that expenditure was incurred against the vehicles not on the sanctioned strength of the entity, resulting in doubtful expenditure on POL.
- The scrutiny of record of POL account of MT branch of the department indicated that POL was drawn/ consumed over and above the limit imposed by the Government for patrolling vehicles.
- Unauthorized allotment of vehicles was made to the accountant, reader etc. in contravention of rules causing undue burden on Government exchequer.
- POL was drawn against off road and condemned motorbikes.
- The department was yet to take up the matter with competent forum for revision of policy regarding retention & allotment of vehicles and consumption ceiling of POL in order to avoid the objection of excessive retention/ allotment of vehicles and excessive consumption of POL than prescribed limit.

Audit is of the view that the lapse occurred due to non-adherence to above Government instructions.

The matter was reported to the entities in August to November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 05.01.2024, 15.01.2024, 24.01.2024, 02.02.2024 and 09.02.2024, the paras at Sr. Nos. 2, 3, 6, 8, 9 & 12 were kept pending for regularization from Finance Department. The para at Sr. No. 4 was kept pending for recovery of POL used excess than limit. The para at Sr. No. 5 was kept pending for probe at administrative department's level. The paras at Sr. Nos. 7, 10 & 11 were kept pending for provision of approved sanction strength of vehicles. The para at Sr. No. 13 was kept pending for compliance. The para at Sr. No. 14 was kept pending for probe at DDO level. Further progress was not reported by the Department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to investigate the matter at administrative department's level, to fix responsibility, besides affecting recovery. The financial and internal controls need to be strengthened to take stock of the situation.

10.4.27 Concealment of recruitment/appointment record of 171 constables/lady constables

Finance Department's letter No.FD(M1)III-2/87(P-III) dated 22.02.1994 provides that DDO himself will be responsible for production of record to audit party at the time of audit and that in case of any lapse on his part, severe disciplinary action will be taken against him by the Administrative Secretary personally apart from submitting a report to the Chief Minister/Chief Secretary.

According to rule 2.33 of PFR every Govt. servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Govt. through fraud or negligence, on his part.

During audit of District Police Officer Nankana Sahib for the period 2019-22, it was observed that in pursuance of the Inspector General of Police Punjab's letter dated 31.07.2018 and dated 28.06.2019 and subsequent approval of the Recruitment Board, 171 candidates were appointed as Constables/Lady Constables (BPS-07) in the office of DPO Nankana Sahib. However, recruitment record was neither available with the entity nor shown to Audit for scrutiny. Hence, Audit was unable to verify the genuineness/authenticity of recruitment process of said appointees.

The lapse occurred due to weak administrative and internal controls.

The matter was pointed out in April 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 12.10.2023, the para was kept pending for production of record. Further progress was not reported by the Department till the finalization of this report.

Audit recommends that responsibility be fixed for the lapse against those at fault besides ensuring production of record.

(PDP No. 2023-0000001462_F00019)

CHAPTER 11
INDUSTRIES, COMMERCE, INVESTMENT AND SKILLS DEVELOPMENT DEPARTMENT

11.1 Introduction

The Industries, Commerce, Investment and Skills Development Department of Government of the Punjab aims to achieve orderly, planned, and rapid industrialization of Punjab by providing modern-day solutions to the problems faced by entrepreneurs. The vision of the Department is to play an effective and efficient role as a facilitator of:

- Industrial growth through multifarious means;
- Provision of state-of-the-art infrastructure including one-window facilities.
- Establishment of small industrial estates for small and medium sectors.
- Collection of industrial data and pre-investment feasibility studies.
- Monitoring of supplies and prices of essential commodities.

The detail of the attached departments and special institutions is given below:

Attached Departments/Organizations/Companies

- Punjab Small Industries Corporation (PSIC).
- Punjab Industrial Estates Development and Management Company (PIEDMC).
- Faisalabad Industrial Estates Development and Management Company (FIEDMC).
- Punjab Consumer Protection Council (PCPC).
- Directorate of Industries.
- Punjab Printing and Stationery Department.
- Punjab Prices and Supplies Board.

Special Institution

Technical Education and Vocational Training Authority (TEVTA).

PC12043	487.68	2,766.08	3,253.76	3,253.76	0

Total	23,520.03	(970.32)	22,549.71	21,726.57	(823.14)

Overview of Expenditure

The final budget of the Industry Department for the year ended 30th June 2023 was Rs. 22,549.71 million. Out of this, the actual expenditure was Rs. 21,726.57 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	11,832,080,000	14,011,095,717	2,179,015,717	18.42
Development	11,687,951,000	7,715,473,420	(3,972,477,580)	33.99
Total	**23,520,031,000**	**21,726,569,137**	**(1,793,461,863)**	**7.63**

This composition changed due to supplementary grants and surrenders.

The variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	14,148,038,000	14,011,095,717	(136,942,283)	0.97
Development	8,401,676,000	7,715,473,420	(686,202,580)	8.17
Total	**22,549,714,000**	**21,726,569,137**	**(823,144,863)**	**3.65**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (823.14) million at the close of the year 2022-23 under grants PC21010, PC21022, PC21029, PC22036, and PC12043 were not surrendered in time by the Department.

11.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 1,860.52 million were raised in this report during the audit of the Industries, Commerce, Investment and Skills Development Department. This amount includes recoveries of Rs. 659.25 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations
(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	659.25
2.	Value for money and service delivery issues	1,201.27
Total		**1,860.52**

11.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	No. of Paras in which Compliance received	No. of Paras in which Compliance not Received	Percentage of compliance
1	2001-02	80	13	67	16
2	2010-11	7	0	7	0
3	2012-13	3	0	3	0
Total		**90**	**13**	**77**	**14**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance with PAC directives in the Industries, Commerce, Investment, and Skills Development Department is not adequate as compliance on 86% of paras is still awaited. The department needs to address the situation. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

11.4 AUDIT PARAS

Recoveries and overpayments

11.4.1 Non-recovery/deposit of outstanding amount-Rs. 657.65 million

As per Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the Government Account.

During audit of the Industry, Commerce, Investments & Skills Development Department Punjab, Lahore, it was observed that an amount of Rs. 657,648,993 was outstanding against various organizations, contractors, and officers/officials. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Recovery	Amount (Rs.)
1	Punjab Skills Development Authority, Lahore.	2020-22	2023-0000000794_F00002	Non-imposition of penalty	638,000,000
2	Punjab Tianjin University, Lahore.	2017-22	2023-0000000997_F00007	Excess payment of loan to UET Lahore	19,648,993
Total					**657,648,993**

Audit is of the view that weak internal controls with regard to recoveries resulted in the accumulation of outstanding balances.

The matter was pointed out to the DDOs during February and March 2023. The formations noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 16.08.2023 and 12.09.2023, the para at Sr. No. 1 was kept pending till approval of the amendment in PSDA Act, 2019 and to initiate appropriate action against the delinquent institution(s) as per the amended Act. The para at Sr. No. 2 was kept pending for provision of the detail as well as reasons for payment of stated amount. Further progress was not reported by the department till the finalization of this report.

Audit recommends ensuring recovery of the stated amount be affected and strengthening its internal controls to avoid such lapses in the future.

11.4.2 Irregular payments of utility allowance-Rs. 1.60 million

As per the Finance Department's Notification No. FD.SR-I/9-14/2002(P-I) dated 27/12/2019, Utility Allowance is allowed to Civil Secretariat employees.

During audit of Punjab Skill Development Authority, Lahore for the period 2020-22, it was observed that the officers were paid Utility Allowance amounting to Rs. 1,599,000 while posted on deputation in this department. The rules and regulations of the PSDA Board had not been approved by the Provincial Cabinet. Therefore, payment of Utility Allowance in deviation of standard instructions of the Finance Department was irregular which needs to be recovered. Further, the Utility Allowance being paid to TEVTA employees (on deputation in PSDA) was irregular because there was no evidence that the Finance Department had notified payment of Utility Allowance to TEVTA employees.

Audit is of the view that irregularity was due to a lack of internal and financial controls.

In response to preliminary observation, the DDO noted the observation.

The matter was further reported to the administrative department. In DAC meeting held on 16.08.2023, the para was kept pending for seeking concurrence of the Finance Department for the admissibility of Utility Allowance to the employees of PSDA or employees of TEVTA availing deputation. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the amount needs to be recovered and credited into the treasury, besides ensuring the stoppage of further payments.

(PDP No. 2023-0000000794_F00003)

Performance related irregularities

11.4.3 Non-Monitoring of Enlargement of Sugar Mills

The expansion of capacity for sugar mills stood banned as per notification bearing No-AEA-III-3-5/2003(Vol-III) dated 6th December 2006 wherein it was stipulated through an amendment for Clause 3, that the following shall be substituted;

> "No new sugar mill shall be set up and no enlargement in the capacity of the existing sugar mills is allowed in the Province."

Section (3) of Price Control and Prevention of Profiteering and Hoarding Act, 1977 vide SRO 1062(I)/2021 dated 24.08.2021, prescribes that the Controller General may, where it is necessary, outsource the costing of the essential commodity in question to an agency or firm in accordance with the laws for the time being in force.

Moreover, Section 4 (e) of Price Control and Prevention of Profiteering and Hoarding Order 2021, prescribed seeking records and assistance from relevant organizations including the Federal Board of Revenue, the Securities and Exchange Commission of Pakistan, and the Competition Commission of Pakistan for the purpose of fixing the price of essential commodities and such assistance shall be rendered within timelines as the Controller General may direct.

During audit of Director General Industries, Prices, Weight & Measures for the year 2020-22, it was observed as follows:

i. The expansion of the production capacity of 38 sugar mills stood assailed through show cause notices, entailing a review of the regularization petitions from mill owners, having breached the expansion ban on the manufacturing capacity of these establishments.
ii. Only 32 mills secured regularization. The dormant enforcement of the ban violated from 2006 till regularization in 2022 was an instance of mal governance.
iii. The Government had paid a subsidy on the export of sugar which was not a denomination of a social protection intervention targeting the poor.
iv. The cost evaluation undertaken was not based on realistic and well-substantiated parameters and eventually, the price of sugar escalated in the domestic market disproportionately. As growers of Sugarcane were enticed to cultivate more sugar cane according to the needs of sugar mills as per enhanced capacity, pressure rose for exporting sugar when the international market had lower prices of sugar than Pakistani sugar. Still, in addition to price hikes for domestic consumers, subsidy from the Government side was given to sugar mills and benefits did not travel to those who were entitled to social protection. On the contrary, the officially notified price of sugar at retail outlets was not enforced as open market rates appreciated substantially due to enforcement deficits to curb hoarding, hedging, and profiteering.

Audit is of the view that the lapse occurred due to weak administrative and supervisory controls.

The matter was pointed out during February and March 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 29.08.2023, the para was kept pending till the formulation of enforcement rules regarding “The Punjab Industries (Control on establishment and enlargement), Act, 1963 as the same were non-existent. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at the appropriate level to take cognizance of enforcement failure and ensure fixing of the price for commodities such as sugar be ensured, by outsourcing the cost evaluation of the essential commodities to the relevant agency such as SECP in accordance with the law also seeking records and assistance from relevant organizations including the Federal Board of Revenue, and the Competition Commission of Pakistan.

(PDP No. 2023-0000000181_F00003)

11.4.4 Deficiencies in monitoring functions by Chief Inspector Boiler

Under the Boilers and Pressure Vessels Ordinance, 2002 (CXXI OF 2002) in terms of provisions contained in Section 6 of the Prohibition of use of unregistered or uncertified boilers, no owner of a boiler shall use the boiler or permit it to be used;

(a) Unless it has been registered in accordance with the provisions of this Ordinance.

During audit of the accounts of Director General Industries, Prices, Weight & Measures Punjab, Lahore for the year 2020-22, it was observed that the Inspector Boiler, Sargodha Circle reported that a boiler installed at Sufi Rice Mills, Mouza Mansoor Sial Bhakar Road Jhang was burst on 01.11.2021 due to overpressure. Two persons were killed and three were injured. It indicates the poor performance in monitoring functions of Chief Inspector Boiler as well as deficiencies in the implementation of the legal framework. There were noticed following instances of mal governance as tabulated below:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**
1	Director General Industries, Prices, Weights & Measures, Lahore.	2020-22	2023-0000000181_F00005	Poor performance in monitoring functions by Chief Inspector Boiler

2	Director General Industries, Prices, Weights & Measures, Lahore.	2020-22	2023-0000000181_F00008	Deficiencies in implementation of legal framework.

Audit observed the following shortcomings:

1. The boiler was installed at Sufi Rice Mills Mouza Mansoor Sail Bhakar Road Jhang without inspection, insurance, registration, and employment of a boiler engineer which was a violation of Section 6 of the Boilers and Pressure Vessels Ordinance, 2002. Thus explosion was not pre-empted.
2. Detail of inquiry reports regarding incidents or any other discrepancies etc. were not maintained.

Audit pointed out the lapse in February 2023. The department accepted the observation and noted the same for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 29.08.2023, the para at Sr. No. 1 was kept pending till decision of the court as the matter was subjudice. The para at Sr. No. 2 was kept pending for production of record with respect to total number of boilers alongwith details of fee due and collected on account of registration, examination & inspections of the boilers. Further progress was not reported by the department till the finalization of this report.

Audit recommends that stringent enforcement of due process be adopted for the procedure provided to avoid the recurrence of untoward incidents with the intent that precious lives could be saved. Those having shown dereliction of duty be held accountable after a detailed inquiry.

Value for money and service delivery issues

11.4.5 Burden of overpriced poultry feed placed on the general public-Rs. 1,201.27 million

According to Rule 2.10(a) (1) of PFR Vol-I, the same vigilance should be exercised in respect of expenditure incurred from Government revenue as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

According to letter No.SOR(ICI&SD)1-21/2021 dated 31.03.2022, the following officers entrusted with the powers to fix the prices of essential commodities were required to fix the prices of the commodities assigned to them:

- Controller General: essential commodities

- Deputy Commissioners: vegetable, fruits, pulses, live poultry, poultry meat, eggs, milk, curd, mutton, beef, gram & flour mechanism

For fixation of prices, the Controller General was required to fix the prices of an essential commodity in the following manner:

a. The Controller General shall obtain necessary information from reliable sources about the costs incurred by dealers, importers, or producers, as the case may be.

b. He shall engage in consultation with relevant stakeholders.

c. He shall determine reasonable estimates for the cost incurred by the dealers, importers, or producers and fix the price by cost plus method or any other standard method.

During audit of Industries, Commerce, Investments & Skills Development Department, it was observed that monitoring oversights were committed by the management, resulting in shifting of excessive financial burden on the general public exposed to overpriced supply of goods. Due to inflated input price adjustments divorced from CPI trends, cost formulation was based on poultry price feed excess charged from the public based on the basis of invalid data for ingredients. The public at large was made to suffer and advantage was taken by the feed mills owners.

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Director General Industries, Prices, Weights & Measures, Lahore.	2020-22	2023-0000000181_F00001	The price of poultry feed was fixed more than the prevailing market prices and adversely impacted the burden of price hikes upon the public	1,072,890,000
2	Director General Industries, Prices, Weights & Measures, Lahore.	2020-22	2023-0000000181_F00002	The burden unduly increased on the General Public due to Invalid data for Ingredients of Poultry Feed for Fixation of Prices	128,382,873
Total					**1,201,272,873**

Audit is of the view that being Controller General of Price/DG, Industries, Prices, Weights & Measures had a prime duty to implement all the instructions and enforcement measures at the provincial level to ensure smooth supplies of essential commodities at prices fixed by the Government authorities.

The lapses occurred due to weak internal and supervisory controls.

When pointed out during February and March 2023, the DDOs stated that a detailed reply would be given later on.

The matter was further reported to the administrative department. In DAC meeting held on 29.08.2023, the paras were kept pending for probe at the administrative department's level. Further progress was not reported by the department till the finalization of this report.

Audit recommends that:

- The matter be probed at the administrative department's level to fix the responsibility and the services of an area expert in the relevant field be coopted while fixing the prices of poultry feeds.
- The matter be investigated at the administrative department's level to fix responsibility for the negligence resulting in contravention of provisions of the Punjab Industries (Control on Establishment and Enlargement) Ordinance, 1963.
- Effective monitoring be given effect in order to ensure the provision of smooth supplies of essential commodities at prices fixed by the Government authorities as well as strengthening the administrative and enforcement controls.

11.4.6 Absence of required labs/workstations & lab equipment in the University

As per Section 18(5)(a) of the Punjab Tianjin University of Technology, Lahore Act 2018, the Treasurer shall manage the assets, liabilities, receipts, expenditures, funds and investments of the University.

During audit of Punjab Tianjin University of Technology's accounts for the period 2017-22, it was obseeved that the university did not have adequate lab equipment available for the practical training of students across all disciplines. This issue was also noted by the National Technology Council's Accreditation Inspection Committee during their visit on 27th and 28th January 2022 vide letter No.NTC/12/002/ZV dated 09.05.2022. The committee expressed concern over the absence of necessary labs, workstations, and equipment at the university in a letter addressed to the Deputy Registrar of The Punjab Tianjin University of Technology, Lahore.

This lack of adequate lab equipment and facilities can have a significant impact on the quality of education provided to students at the university. Without the necessary tools and resources, students may not be able to fully comprehend the theoretical concepts taught in classrooms or gain practical knowledge and skills required for their respective fields. It may lead to students being ill-prepared for the job market and may negatively impact their career prospects.

Additionally, the university's accreditation status may also be at risk due to this issue. Without the required labs and equipment, the university may not meet the necessary standards set by accreditation bodies, which can result in a loss of credibility and reputation.

Lapse occurred due to weak financial and supervisory control.

The matter was further reported to the administrative department. In DAC meeting held on 12.09.2023, the para was kept pending for the production of the record. Further progress was not reported by the department till the finalization of this report.

Audit recommends that management should urgently address the shortage of lab equipment and facilities to ensure the provision of quality education and also to maintain its accreditation status.

(PDP No. 2023-0000000997_F00023)

CHAPTER 12
INFORMATION AND CULTURE DEPARTMENT

12.1 Introduction

The Information and Culture Department is the focal body to act as a bridge between the Government and the press and electronic media. The Department is required to act as an enabling arm of the Government for the promotion of art and culture and the preservation and display of archaeological treasures of Punjab.

The department provides infrastructure in the form of buildings for Arts Councils and Art Galleries, arranging cultural programs, preservation and projection of archaeological/cultural heritage through the establishment of museums, financial assistance to cultural and literary bodies, and awards for literary/publishing endeavors. The Department also patronizes and facilitates meaningful activities by Youth Organizations in coordination with the Federal Government.

The department has been assigned the duties of:

- Publicity & public relations
- Administration of press laws relating to newspapers, books, magazines etc.
- Policy and procedures regarding the release of official and semi-official advertisements through electronic media or press.
- Arranging seminars or exhibitions, etc. relating to such events as international youth year, national youth festivals, etc.
- Providing facilities for the journalists including accreditation of press correspondents and press photographers etc.
- Giving grant-in-aid to cultural & literary bodies.

Audit Profile of Information & Culture Department

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Information & Culture Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of four grants/appropriations is given below:

(Rupees in million)

Grant No.	**Original Grant**	**Supplementary Grant/ Re-Appropriation**	**Final Grant**	**Actual Expenditures**	**Excess/ (Savings)**
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	1,596.62	519.39	2,116.01	2,075.50	(40.51)
PC21014	229.91	19.65	249.56	238.22	(11.34)
PC21023	2,958.53	69.24	3,027.78	2,932.67	(95.10)
PC22036	8,356.84	(4,408.48)	3,948.36	3,879.72	(68.64)
Total	**13,141.90**	**(3,800.20)**	**9,341.70**	**9,126.11**	**(215.59)**

Overview of Expenditure

The final budget of Information & Culture Department for the year ended 30th June, 2023 was Rs. 9,341.70 million. Out of this, actual expenditure was Rs. 9,126.11 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	4,785,069,000	5,246,394,486	461,325,486	9.64
Development	8,356,835,000	3,879,717,615	(4,477,117,385)	53.57
Total	**13,141,904,000**	**9,126,112,101**	**(4,015,791,899)**	**30.56**

This composition changed due to supplementary grants and surrenders.

The variance of the Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	5,393,349,000	5,246,394,486	(146,954,514)	2.72
Development	3,948,355,000	3,879,717,615	(68,637,385)	1.74
Total	**9,341,704,000**	**9,126,112,101**	**(215,591,899)**	**2.31**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs (215.59) million at the close of the year 2022-23 under grants PC21010, PC21014, PC21023, and PC22036 were not surrendered in time by the Department.

12.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 571.09 million were raised during audit of the Information & Culture Department. This amount includes recoveries of Rs. 14.29 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	**Classification**	**Amount**
1.	Reported cases of fraud, embezzlement and misappropriation	2.14
2.	Recoveries and overpayments	14.29
3.	HR/Employees related irregularities	111.38
4.	Performance related irregularities	59.86
5.	Management of accounts with commercial banks	132.27
6.	Others	251.15
Total		**571.09**

12.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not Received	Percentage of Compliance
1.	1996-97	5	3	2	60
2.	1999-00	21	07	14	33
3.	2000-01	91	56	35	62
4.	2001-02	18	3	15	17
5.	2006-07	22	14	08	64
6.	2010-11	36	1	35	2
7.	2011-12	7	0	7	0
8.	2012-13	5	0	5	0
9.	2013-14	51	9	42	18
Total		**256**	**93**	**163**	**36**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance with the PAC directives in the Information and Culture Department remained unsatisfactory for the Financial Years 1999-2000, 2001-02 and 2010-11 through 2013-14. The department needs to improve its level of compliance. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

12.4 AUDIT PARAS

Reported cases of fraud, embezzlement and misappropriation

12.4.1 Bogus & fabricated contingent bills drawn-Rs. 1.54 million

As per Rule 2.33 of PFR Vol-I every Government servant will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part and on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence.

During audit of Punjab Information Commission, Lahore for the period 2014-22, it was observed that a Dispatch Rider of the entity submitted bogus and fabricated contingent bills and drew an amount of Rs. 1,535,894 from AG Punjab. The expenditure incurred did not bring any value for money. The Chief Information Commissioner in an inquiry report issued vide letter No. 3410/2022 dated 04.10.2022 recorded that 14 bills so drawn involved bogus payment of contingent bills. The following discrepancies were noticed by Audit:

1. The DDO concerned conferred on despatch rider the authority as a cashier by changing irregularly his designation as computer operator vide letter bearing No. AD(A&C)PIC 1-37/2015 Punjab Information Commission dated 22.08.2010.
2. The DDO also irregularly assigned the duty to the DR as cashier vide letter bearing No. AD (A & C) PIC 1/2018 Punjab Information Commission dated 09.08.2018.
3. No FIR was lodged against the culprits.
4. Bogus/fabricated contingent bills and missing bills were not entered in the cash book.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was pointed out in February 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that recovery be made, also lodging FIR against the accused person implicated in committing the cognizable offense. Moreover, the blacklisting process should also be initiated immediately against vendor/supplier involved in fraudulent collusive acts.

(PDP No. 2023-0000000283_F00001)

12.4.2 Loss due to difference in POL purchased and consumed for generators-Rs. 602,290

As per Rule 15.4 (a) of PFR Vol-I, all material received should be examined, counted, measured and weighed, as the case may be, when delivery is taken, and those should be kept in the charge of a responsible Government servant. The passing and receiving Government servants should see that the quantities are correct and their quality good, and record a certificate to this effect. The receiving Government servant should also be required to give a certificate that he has actually received the material and recorded it in the appropriate Stock Register.

During audit of Lahore Arts Council, Lahore for the period 2021-23, it was observed that the management purchased 18,050 liters of diesel for generators. Out of this, only 16,000 liters were consumed in generators hence the amount of balance quantity of 2,050 liters i.e. Rs. 602,290 stood pilfered by concerned staff. The log books of generators were also not prepared for audit verification.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls on POL purchases and consumption.

The matter was pointed out in September 2023. The formation received the observation with the remarks that an inquiry will be initiated and the record will be presented in DAC meeting.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the stated amount relating to excess purchase of POL be recovered from the person(s) at fault and be deposited into the Government Treasury besides strengthening supervisory and financial controls.

(PDP No. 2023-0000004367_F00024)

Recoveries and Overpayments

12.4.3 Irregular payment of Double Honorarium-Rs. 3.53 million

According to FD's letter No.F.D.SR-I-9-7/2003 dated 09.06.2010, the administrative department may sanction an honorarium of one month's basic pay and the Head of the Attached Department up to half a month's basic pay one time during a financial year. According to para (vi) of FD's letter No. FD(DS-COORD)1-1/2018 dated 20.08.2018, the cases for posts' creation & up gradation, increase in salaries & allowances, recruitment criteria, or any other matter having financial implication may be sent to the Finance Department for advice by all the Autonomous Bodies who are in receipt of the Government funding.

During audit of the Punjab Institute of Language and Arts Council (PILAC) for the year 2020-22, it was observed that an honorarium/Bonus was granted to the employees of PILAC twice in the same financial year. Moreover, the delegation of power conferred to this effect by the 11th meeting of ECC (BOG) was devoid of legal cover. PILAC being an autonomous body was a recipient of grants from the Provincial Consolidated Fund and BOG of PILAC was not vested with any such conferment of delegation of powers. Prior advice/consent was not obtained from the Finance Department in the light of instructions mentioned in FD's letter No.FD(DS-COORD)1-1/2018 dated 20.08.2018.

Weak financial controls resulted in the double payment of honorarium.

The matter was pointed out in March 2023. The management did not furnish any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be probed at the administrative department's level to fix responsibility for non-adherence to the above Government instructions besides ensuring recovery of the stated amount and strengthening the supervisory as well as financial controls.

(PDP No. 2023-0000001176_F00002)

12.4.4 Non-recovery of outstanding dues-Rs. 5.45 million

As per para 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenues, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the Government Account.

According to Section 153 of the Income Tax Ordinance 2001 amended up to date and letter No.PRA/NTN/1894 dated 15.08.2017, withholding tax was required to be deducted from the payment of the suppliers/contractors at the prescribed rates.

During audit of the Information and Culture Department, it was observed that the recoverable amount of income tax and other Government dues from various vendors and employees to the tune of Rs. 5,454,447 were not deposited into the Government Treasury. The details are given as under:

Sr. No	Name of Formation	Period of Audit	PDP No	Nature of Irregularity	Amount (Rs.)
1	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00021	Irregular payment of House Rent & Conveyance Allowance	1,703,100

Sr. No	Name of Formation	Period of Audit	PDP No	Nature of Irregularity	Amount (Rs.)
2	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00015	Non-deduction of WH Tax against expenditure incurred for organizing various programs	1,553,998
3	Punjab Council of Arts, Bahawalpur	2014-22	2023-0000001434_F00002	Non/less deduction of income tax from individual's salaries /firms	921,693
4	Punjab Council of Arts, Bahawalpur	2014-22	2023-0000001434_F00004	Non-realization of Government Taxes and Variation in the cash book & bank statement	637,482
5	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00030	Less deduction of income tax, PST, and GST on certain items/services	337,519
6	Punjab Arts Council, Lahore	2021-23	2023-0000004368_F00018	Less deduction of Income Tax and PST on certain taxable items/services	300,655
Total					**5,454,447**

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was pointed out in April & September 2023. The management at Sr. No. 1, 2 & 5 replied that all the payments were made according to the sanction amount whereas all the future payments/ deductions will be made as per rules/policy of the Lahore Arts Council. Audit held that the reply of formation was not tenable as no record in support of reply was presented. The management at Sr. No. 6 replied that all prescribed taxes of Government were being deducted and deposited in Govt. exchequer. However, the matter will be thresh out for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that recoveries be affected, besides strengthening the supervisory and financial controls.

12.4.5 Irregular Expenditure of POL for non-official/personal vehicles by Lahore Arts Council-Rs. 5.31 million

As per Clause 86 of Lahore Arts Council (Alhamra) Regulations 2010 (Amended)", titled"Transport Facilities", the following entitlement and other terms & conditions were mentioned:

Clause No.	Vehicle Capacity	Petrol Limit/month	Officer's Rank/Grade
86.1	1000 cc car with driver (subject to availability in the pool)	250 Liters	Deputy Directors in BPS-18
86.1	1000 cc car with driver (subject to availability in the pool)	150 Liters	Assistant Directors BPS-17 (having 5 years of service in the same scale)
86.2	1300 cc car with driver	350 Liters	officers of grade 19 and above

As per Rule 2.33 of PFR Vol-1, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part.

During audit of the record of the Lahore Arts Council for the year 2021-23, it was observed that the LAC paid an amount of Rs. 5,310,842 on account of POL for deployed private vehicles not part of the LAC pool of vehicles. It was also observed that some of these private vehicles were owned by the officers of LAC whereas as per above Clause 86, officers were entitled to official vehicle with fuel limit, if the vehicle was available in the Pool. Hence, fuel facility allowed to officers involved in engaging their personal/private vehicles was irregular.

The lapse occurred due to non-adherence to relevant rules

The matter was pointed out in September 2023. The management replied that the officers of the Lahore Arts Council are often appointed as Focal Persons by the Governor House, Chief Minister House, S&GAD, and Information & Culture Department for VVIP and Foreign Delegations, and the officers have to travel and engage themselves with the visitors and delegations using their private vehicles. All the POL charges are met from the budget provided by the Finance Department.

Audit held that the reply of formation was not tenable as the officers were drawing regular fuel on a monthly basis for private vehicles contrary to the rules.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends inquiring into the matter at the administrative department's level and immediately stopping the payment for personal/private vehicles besides ensuring recovery of the above-stated amount from the concerned officers.

(PDP No. 2023-0000004367_F00034)

HR/Employees related irregularities

12.4.6 Unlawful/unauthorized payment on account of allowances not sanctioned from Finance Department-Rs. 75.68 million

According to FD letter No.FD(DS-COORD)1-1/2018 dated 20.08.2018, the cases for posts' creation & up gradation, increase in salaries and allowances, recruitment criteria, or any other matter having financial implication may be sent to the Finance Department for advice by all the Autonomous Bodies who are in receipt of the Government funding.

According to the Rules of Business, 2011, clause 19 under the caption "Consultation with Finance Department-(1) No Department shall, without previous consultation with Finance Department, authorize any orders other than orders in pursuance of any general or special delegation made by Finance Department, which directly or indirectly affect the finances of the Province, or which, in particular, involve: (b) expenditure for which no provision exists; (C) a change in the number or nomenclature or basic scale of a post or in the terms and conditions of service of the Government servants or their statutory rights and privileges which have financial implications. Moreover, as per Rule 2.31 (a) of PFR Vol-I, a drawer of bills for pay, allowances, contingent, and other expenses will be held responsible for any overcharges.

During audit of the Information and Culture Department for the period 2014-23, it was observed that the following allowances were being drawn by the employees. Neither the approval/advice of the Finance Department was obtained nor was the budget sanctioned by the respective head of accounts in violation of the rules cited above. Details are tabulated below:

Sr. No	**Name of Formation**	**Period of Audit**	**PDP No**	**Nature of Irregularity**	**Amount (Rs.)**
1	Punjab Institute of Language, Art & Culture, Lahore	2020-22	2023-0000001176_F00001	Irregular Drawl of Cultural Allowance & Entertainment Allowance. Mobile Allowance	11,164,590

Sr. No	Name of Formation	Period of Audit	PDP No	Nature of Irregularity	Amount (Rs.)
2	Punjab Council of the Arts Bahawalpur Division	2014-22	2023-0000001434_F00006	Unlawful/unauthorized payment on account of Allowances not sanctioned by the Finance Department	1,951,191
3	Punjab Institute of Language, Art & Culture, Lahore	2020-22	2023-0000001176_F00005	Excess drawl of Cultural Allowance @ 30% despite Admissibility of Executive Allowance already in the field	792,312
4	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00016	Irregular payment of Honorarium & Non-deduction of I.Tax	35,304,000
5	Punjab Council of Arts, Rawalpindi	2014-23	2023-0000003201_F00002	Unlawful/unauthorized payment of allowances not sanctioned by the Finance Department	10,962,805
6	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00018	Irregular payment of Pay and allowances to the staff of Okara Arts Council	15,508,153
Total					**75,683,051**

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The irregularity was pointed out in March and September 2023. The management at Sr. No. 1, 2, 4 & 6 replied that tax will be deducted as per law and the record will be presented in the next DAC meeting. The remaining formations did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that responsibility be fixed for non-adherence to Government instructions besides ensuring prompt deposit of the recoverable amount into the Government Treasury.

12.4.7 Irregular up-gradation/promotion of staff-Rs. 2.45 million

According to the clarification bearing No FD.PC.40-43/2017 (437/19)20827-20772 dated 19.09.2019, the up-gradation of Computer operator (BS-15) to (BS-16) is not entitled to grant of higher pay scales BS-16 which is promotion scale.

According to FD's letter No.FD(DS-COORD)1-1/2018 dated 20th August 2018, para (vi) the cases for posts' creation & up gradation, increase in salaries & allowances, recruitment criteria, or any other matter having financial implication may be sent to the Finance Department for advice by all the Autonomous Bodies who are in receipt of the Government funding.

According to the Rules of Business, 2011, Clause 19 under the caption "Consultation with Finance Department-(1) no Department shall, without previous consultation with Finance Department, authorize any orders other than orders in pursuance of any general or special delegation made by Finance Department, which directly or indirectly affect the finances of the Province, or which, in particular, involve: (b) expenditure for which no provision exists; (C) a change in the number or nomenclature or basic scale of a post or in the terms and conditions of service of the Government servants or their statutory rights and privileges which have financial.

During audit of the Punjab Institute of Language, Art & Culture, Lahore for the period 2020-22, it was observed that the incumbent Computer operators (BS-15) were upgraded as Senior Computer Operator (BS-16) and further upgraded as Programmers (BS-17) vide FD.PC.40-43/2017(E) dated 14.12.2018 irregularly whereas the nomenclature for the post of Programmer (BS-17) was not available in the services Rules of PILAC. Hence, the up-gradation of Computer Operator (BS-15) as Senior Computer Operator (BS-16) and further up-gradation as Programmer (BS-17) was held irregular and created a burden on the Government exchequer.

In another instance, it was observed that one officer was promoted from Superintendent (BS-17) to Audit and Accounts Officer (BS-17) irregularly as there was no provision for such promotion in the cadre of Accounts Officers. ECC in its 10th meeting only re-designated the post of Account Officer as "Audit & Accounts Officer" without allowing the change in the Method of Recruitment/Promotion. Further, the post of Accounts Officer (BS-17) was approved in Service Regulations which was re-designated as Audit & Accounts Officer (BS-17) by ECC without the approval of service rules by the designated forum in S&GAD. Detail is given below.

Sr. No	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Punjab Institute of Language,	2020-22	2023-0000001	Irregular up-gradation of	1,340,160

Sr. No	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
	Art & Culture, Lahore		176_F00003	Data Entry Operator	
2	Punjab Institute of Language, Art & Culture, Lahore	2020-22	2023-0000001176_F00004	Irregular re-designation and Promotion of Audit & Accounts Officer	1,107,081
Total					**2,447,241**

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The irregularity was pointed out in March 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that responsibility be fixed for irregular grants of up-gradation/promotion and recovery should be made from those concerned besides strengthening supervisory and financial controls.

12.4.8 Non-deduction/deposit of one month's salary on resignation-Rs. 795,160

According to clause 12 of the Terms & Conditions of Notification vide No. SOE(INF)25-1/2014 dated 05.06.2018 under the caption "Termination of Contract" as per relevant law and similar, notification dated 19.08.2016, a contract can be terminated on one month's notice on either side or payment of one month's basic pay in lieu thereof. According to para 2(7) of letter No. F.3(2)R-4/2011 dated 24.12.2012 regarding Revision of Management Position Scales, termination of Contract is on one month's notice on either side or payment of one month's basic pay in lieu thereof.

During audit of the Punjab Information Commission for the year 2014-22, it was observed that the Information Commissioner appointed @ Rs. 795,160 per month tendered his resignation without one month's prior notice and relinquished the charge w.e.f. 31.01.2021 as mentioned in PIC No. AD(A&C)PIC-470-1/2021 dated 28th Jan 2021. Resultantly, one month's salary of Rs. 795,160 was not deducted/deposited in Govt. treasury in violation of the above-stated rule.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The irregularity was pointed out in March 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends ensuring recovery of the stated amount and strengthening the supervisory as well as financial controls.

(PDP No. 2023-0000000283_F00008)

12.4.9 Irregular appointment/recruitment of staff-Rs. 32.45 million

According to Section 5(5), of the Punjab Transparency and Right to Information Act 2013, no person shall be appointed as Commissioner if he is more than sixty-five years of age on the date of appointment.

Supreme Court of Pakistan in its judgment dated 19.01.1993 in Human Rights Case No. 104 of 1992 stated that recruitment, both ad hoc and regular, without publicly and properly advertising the vacancies, is violative of fundamental rights. As such no post could be filled in without proper advertisement, even on ad hoc or contract basis.

According to Para 3(VIII)(vi) of the Contract Policy 2004, no relaxation of qualification, experience, physical criteria, etc. as provided in the relevant service rules or as determined by the Government shall be allowed, except as prescribed under the rules.

The relevant Selection Committees shall ensure that contract appointments are made strictly on merit and in accordance with the rules, selection criteria, and other provisions of this policy as well as the prevailing Recruitment Policy.

During audit of the Punjab Information Commission, Lahore for the period 2014-22, it was observed that several appointments had been made at different positions without observing codal formalities/rules, and a large amount was paid in the form of salaries. Furthermore, the cases of post creation and up-gradation, increase in salaries & allowances, recruitment criteria, and other matters having financial implications were neither sent to the Finance Department nor the S&GA Department for advice. The details are as under:

Sr. No	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Punjab Information Commission, Lahore	2014-22	2023-0000000283_F00002	Irregular Appointment of over-aged employees.	23,059,640
2	Punjab Information Commission, Lahore	2014-22	2023-0000000283_F00004	Non-transparent recruitment of Assistant Director (Awareness & Training) & Other Staff.	8,025,354
3	Punjab Information Commission, Lahore	2014-22	2023-0000000283_F00005	Irregular recruitment of Drivers	1,365,278
Total					**32,450,272**

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The irregularity was pointed out in February 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at the administrative department's level to fix responsibility against those held responsible besides ensuring recovery of overpayment from the concerned.

Performance related irregularities

12.4.10 Irregular expenditure incurred at higher rates and other matters without the concurrence of the Finance Department-Rs. 59.86 million

According to FD letter No. FD(DS-COORD)1-1/2018 dated 20th August 2018, para (vi) described that the cases for posts' creation & up gradation, increase in salaries & allowances, recruitment criteria, or any other matter having financial implication may be sent to the Finance Department for advice by all the Autonomous Bodies who are in receipt of the Government Funding.

Rule 2.10(a)(1) of PFR Vol-I states that the same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money

During audit of records of the Information and Culture Department, Lahore for the year 2021-23, the following irregularities were observed on account of poor financial management of the department causing a loss to the Government exchequer for Rs. 59,858,248. The details are as under:

Sr. No	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00007	Loss in terms of extra financial burden due to non-charging of Utility Charges	51,280,000
2	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00002	Unnecessary Purchase of Items & Mis-management of Affairs of ADP Scheme	7,453,250
3	Director Bahawalpur Museum, Bahawalpur	2016-23	2023-0000003202_F00002	Loss of Government Funds due to non-installation of Sound System	1,124,998
4	Punjab Arts Council, Lahore	2021-23	2023-0000004368_F00002	Irregular Expenditure incurred at higher rates and other matters without the concurrence of the Finance Deptt.	0
5	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00001	Irregular Expenditure incurred at higher rates and giving effect to other financial dispensations without the concurrence of the Finance Deptt.	0
6	Punjab Arts Council, Lahore	2021-23	2023-0000004368_F00022	Loss due to prolonged dismantling and reconstruction phase of Open Air Theater & Auditorium	0
Total					**59,858,248**

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The irregularity was pointed out in September 2023. The management at Sr. No. 1, 2 & 5 replied that all the matters/functions were done as per law/policy adopted by the organization. Audit held that the reply of formation was not tenable as no record in support of reply was presented. The management at Sr. No. 3, 4 & 6 replied that detailed reply would be submitted later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at the administrative department's level to fix responsibility against those held responsible for poor financial performance besides avoiding such practices in the future.

Management of accounts with commercial banks

12.4.11 Irregular transfer of funds into Commercial Bank Account for making Misc. Payments-Rs. 132.27 million

According to Sub Clause XV under General Instructions of "Punjab Assan Assignment Account Procedure (Local Currency) 2020", cash withdrawal or transfer of funds to any other bank account is not allowed except employees related deduction like pension contribution, provident funds, and GP Funds, etc. This deduction shall be made as per rules/policy guidelines/procedure of relevant offices. Payment shall be made only through crossed cheques to contractors, vendors, suppliers, employees, etc.

During audit of Punjab Arts Council, Lahore for the year 2021-23, it was observed that contrary to the above provisions of notified instructions by FD, an amount of Rs. 132,267,062 was shifted from the Assan Assignment Account into the entity's Bank Account at Bank of Punjab.

Audit is of the view that the lapse occurred due to poor financial controls in the entity.

Initial Observation was issued in September 2023. The formation replied that these funds were drawn for timely payment of monthly salaries and utility bills of the Punjab Council of the Arts in consultation with the Treasury Office and not parked for retention in a commercial Bank Account to earn profit. The reply of the formation was not tenable as the action was without legal cover and was without documentary evidence to support the stance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter may be inquired into at the administrative department's level, besides strengthening its internal controls.

(PDP No. 2023-0000004368_F00001)
Others

12.4.12 Non-maintenance of auditable record-Rs. 225.57 million

Finance Department's letter No.FD (MR)MW/1-4/92 dated 26.09.1992 provides that if the entries in the stock register are not present at the time of audit or if the concerned officials are not present at the time of audit or the record is not shown to audit, the entries made and record produced afterwards would not be accepted.

During audit of the accounts of the Punjab Information Commission, Lahore for the period 2014-22, it was observed that the auditable record amounting to Rs. 92,907,096 pertaining to the cost center LO5229 for the period of 2014-15 was not maintained. Further, records pertaining to expenditure statements for the period 2014-18 amounting to Rs. 132,665,000 were neither maintained nor the same were traceable.

Audit is of the view that due to non-maintenance of record, the authenticity of expenditure could not be verified.

The irregularity was pointed out in February 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends fixing responsibility for the non-maintenance of records, taking disciplinary action against the delinquents, and producing records for scrutiny by the Audit.

(PDP No. 2023-0000000283_F00010)

12.4.13 Miscellaneous irregularities-Rs. 13.83 million

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence.

During audit of the Information and Culture Department for the period 2021-23, some financial irregularities were observed which are tabulated below:

Sr. No	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Punjab Arts Council, Lahore	2021-23	2023-0000004368_F00007	Loss due to non-investment and investment made at lesser rates	7,175,000
2	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00012	Cancellation of the contract without recording reason. Furthermore, the highest bidder was awarded the contract without keeping in view the minimum wage rate, EOBI, and social security.	4,320,000
3	Lahore Arts Council, Lahore	2021-23	2023-0000004367_F00019	Due to inordinate delay in the tendering process cost overrun and time over-run. Rates were not charged according to FD's Schedule Rates	2,332,762
Total					**13,827,762**

The matters was pointed out in September 2023. The management at Sr. Nos. 2 & 3 replied that all the matters/functions were done as per law/policy adopted by the organization. The management at Sr. No. 1 replied that funds were not invested to meet the payments to the employees. The reply was not accepted as the same was not supported with documentary evidence.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at the administrative department's level to fix responsibility against those held responsible for financial irregularities, besides ensuring to avoid such practices in the future.

12.4.14 Irregular DDO payments-Rs. 11.75 million

According to Rule 4.49(a) of Subsidiary Treasury Rules, read with the Finance Department's letter No. FD (FR)V-6/75(P) dated 20.06.2007, payment exceeding Rs.100,000 shall be made through cheque instead of cash.

During audit of Punjab Institute of Language, Arts & Culture Lahore for the period 2020-22, it was observed that an amount of Rs. 11,747,938 was drawn against cost centers LO9255 & LZ4589 through cheques in favor of Drawing & Disbursing Officer. Further payments were made to the concerned in cash instead of a bank draft or pay order which was irregular and constituted violation of above-stated rule.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The irregularity was pointed out in March 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be got regularized from the competent authority, besides strengthening internal controls.

(PDP No. 2023-0000001176_F00007)

12.4.15 Non-performance of function to publish annual reports by the commission

The Punjab Transparency and Right to Information Act 2013 requires that the Commission shall prepare an annual report on the implementation of the provisions of this Act during a financial year by 31st August and shall lay it before the Provincial Assembly of the Punjab.

During audit of Punjab Information Commission, Lahore for the period 2014-22, it was observed that the annual reports pertaining to the period 2020-22 were not published in due course of time. However, an advance payment of contingent bills amounting to Rs. 334,505 was made without delivery of the published report which shows non-performance of the function to publish annual reports by the commission.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The irregularity was pointed out in February 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into for fixing responsibility against the delinquents besides taking action accordingly.

(PDP No. 2023-0000000283_F00013)

CHAPTER 13
LABOUR AND HUMAN RESOURCE DEPARTMENT

13.1 Introduction

The Labour and Human Resource Department is engaged in the promotion of healthy labour management relationships for greater socio-economic progress. With this objective, the department not only protects the rights of workers but also lays stress on commitment to work. The department provides medical aid, cash and other benefits in case of sickness, injury, death etc. to deserving workers. It also undertakes other welfare measures for the industrial workers and their families including housing and education.

The department is headed by a Secretary. He is the administrative head of the department and is assisted by Additional Secretaries, Deputy Secretaries, Section Officers and support staff in the discharge of his official duties.

Functions of the department

The department is responsible for:

- Welfare of labour.
- Implementation of labour laws.
- Labour legislation (Provincial).
- Manpower and employment including foreign employment.
- Technical, apprenticeship and vocational training.
- Administration of labour courts.
- Implementation of weights and measures enactment.
- Health facilities for industrial workers.
- Minimum wages Board.
- Vocational guidance and employment counselling.
- Service matters except those entrusted to S&GAD.
- Purchase of stores and capital goods for the department.
- Education and grant of scholarships to the children of industrial workers.

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Labour and Human Resource Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	101.50	1.91	103.41	101.81	(1.60)
PC21023	1,416.68	(564.62)	852.06	829.15	(22.91)
PC22036	341.34	(244.01)	97.33	8.95	(88.38)
Total	**1,859.51**	**(806.72)**	**1,052.80**	**939.91**	**(112.89)**

Overview of Expenditure

The final budget of the Labour and Human Resources Department for the year ended 30th June 2023 was Rs. 1,052.80 million. Out of this, the actual expenditure was Rs. 939.91 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	1,518,176,000	930,959,638	(587,216,362)	38.68
Development	341,338,000	8,951,611	(332,386,389)	97.38
Total	**1,859,514,000**	**939,911,249**	**(919,602,751)**	**49.45**

This composition changed due to supplementary grants and surrenders.

The variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	955,469,000	930,959,638	(24,509,362)	2.57
Development	97,330,000	8,951,611	(88,378,389)	90.80
Total	**1,052,799,000**	**939,911,249**	**(112,887,751)**	**10.72**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (112.89) million at the close of the year 2022-23 under grants PC21010, PC21023 and PC22036 were not surrendered in time by the Department.

13.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 4.29 million were raised in this report during audit of the Labour and Human Resource Department. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Procurement related irregularities	2.57
2.	HR/Employees related irregularities	1.72
Total		**4.29**

13.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not Received	Percentage of Compliance
1	1985-86	05	03	02	60
2	1986-87	03	02	01	67
3	1989-90	01	0	01	0
4	1991-92	02	0	02	0
5	1993-94	05	01	04	20
6	1995-96	01	0	01	0
7	2001-02	37	13	24	35
8	2011-12	4	0	4	0
Total		**58**	**19**	**39**	**33**
Note: The Audit Report years missing in the above table were either due to the non-inclusion of the subject chapter during that year or the non-discussion of the subject chapter before the PAC.					

The status of compliance with PAC directives in the Labour & Human Resources Department remained low as compared to that of the Financial Years 1985-86 and 1986-87.

13.4 AUDIT PARAS

Procurement-related irregularities

13.4.1 Irregular procurement in violation of Punjab Procurement Rules-Rs. 2.57 million

As per Rule 9 of PPR 2014, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. Moreover, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. The annual requirements thus determined would be advertised in advance on the PPRA website as well as on the website of the procuring agency in case the procuring agency has its own website.

During audit of the Labour & Human Resource Department, Lahore for the period 2020-22, it was revealed that an amount of Rs. 2,572,210 was spent on procurement of various items, goods and flexes which was held irregular, due to splitting and non-uploading of annual procurement plan on PPRA website and it turned out to be a non-transparent procurement process in violation of PPR 2014. Further, the department deprived the Government of reasonable/economical and competitive rates which could be ensured through open tendering.

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Violation**	**Amount (Rs.)**
1	PD, Capacity Building of Occupational Safety & Health (OSH), Lahore	2020-22	2023-0000001555_F00011	Irregular purchase of goods by splitting	1,306,338
2	DG Labour Welfare, Lahore.	2020-22	2023-0000001436_F00004	Irregular expenditure on Flexes & Streamers and Posters printing for Labour Day by splitting	1,265,872
Total					**2,572,210**

Audit is of the view that the lapse occurred due to poor administrative and financial controls.

The matter was pointed out in May 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 25.09.2023 and 23.10.2023, the paras were kept pending for regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends holding a probe into the matter to fix the responsibility against those held responsible and seek regularization of the expenditure from the Finance Department in both cases, besides strengthening administrative, financial as well as supervisory controls to avoid the recurrence of such lapses in future.

HR/Employees related irregularities

13.4.2 Irregular payment of TA/DA, conveyance allowance and pay & allowances-Rs. 1.72 million

According to Rule 2.31 (a) of the PFR Vol-I, a drawer of bills for pay, allowances, contingent and other expenses will be held responsible for any overcharges.

During audit of Labour & Human Resource Department for the period 2020-22, it was observed that a sum of Rs. 1,717,954 was overpaid to the employees on account of TA/DA, conveyance allowance and irregular reimbursement of Medical charges etc. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Violation	Amount (Rs.)
1	DG Labour Welfare, Lahore.	2020-22	2023-0000001436_F00005	The officers claiming travelling allowance were also allotted official vehicles by the department however; touring details, dates, and locations of TA/DA claims were contradictory to the logbook entries of the touring/ official vehicles.	687,795
2	PD, Capacity	2020-22	2023-000000	The Consultant was not registered with PRA. PST	600,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Violation	Amount (Rs.)
	Building of Occupational Safety & Health (OSH), Lahore		1555_F00003	amounting to Rs. 96,000 has not been deducted from payments. The qualifications possessed by the Consultant (MA in Library Studies and MA in English) and the experience were not relevant to the TORs.	
3	DG Labour Welfare, Lahore.	2020-22	2023-0000001436_F00010	Reimbursement of Medical charges on fictitious invoices.	321,193
4	DG Labour Welfare, Lahore.	2020-22	2023-0000001436_F00008	Irregular payment of Conveyance Allowance as the department was regularly paying conveyance allowance to the officers who were using official vehicles.	108,966
Total					**1,717,954**

Audit is of the view that weak internal controls on pay & allowances resulted in unauthorized payment of TA/DA, medical reimbursement and conveyance allowance to the staff.

The lapses were pointed out from March to July 2021. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 25.09.2023 and 23.10.2023, the paras at Sr. Nos. 1 & 4 were kept pending for compliance. The para at Sr. No. 2 was kept pending for recovery. The para at Sr. No. 3 was kept pending for verification. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the unauthorized payment of TA/DA, medical reimbursement, Conveyance Allowance and pay & allowances be recovered from the concerned besides ensuring the strengthening of the internal control system.

CHAPTER 14
LAHORE HIGH COURT

14.1 Introduction

The judiciary is a pillar of the state and enjoys immense importance and esteemed respect. The Administration of Justice is headed by the Honorable Chief Justice. Other assisting officers are District and Sessions/Civil Judges at the District level. Judges of Small Cause Courts and Judges of Special Courts are also subordinate to Lahore High Court.

Audit Profile of Lahore High Court

Sr. No.	Description	Total No.	Audited	Expenditure Audited 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)	Revenue/Receipts 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of Lahore High Court for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	**Original Grant**	**Supplementary Grant/ Re-Appropriation**	**Final Grant**	**Actual Expenditures**	**Excess/ (Savings)**
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21011/24011	7,228.50	1,337.83	8,566.33	8,385.21	(181.12)
PC16051	500.00	(138.51)	361.49	0.00	(361.49)
PC22036	132.94	(52.03)	80.91	76.52	(4.38)
Total	**7,861.44**	**1,147.29**	**9,008.73**	**8,461.73**	**(547.00)**

Overview of Expenditure

The final budget of Lahore High Court for the year ended 30th June 2023 was Rs. 9,008.73 million. Out of this, the actual expenditure was Rs. 8,461.73 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	7,728,502,000	8,385,209,537	656,707,537	8.50
Development	132,939,000	76,521,910	(56,417,090)	42.44
Total	**7,861,441,000**	**8,461,731,447**	**600,290,447**	**7.64**

This composition changed due to supplementary grants and surrenders.

The variance of the Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	8,927,824,000	8,385,209,537	(542,614,463)	6.08
Development	80,906,000	76,521,910	(4,384,090)	5.42
Total	**9,008,730,000**	**8,461,731,447**	**(546,998,553)**	**6.07**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (547.00) million at the close of the year 2022-23 under grants PC1011/24011, PC16051, and PC22036 were not surrendered in time by the management.

14.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 350.37 million were raised During audit of Lahore High Court. This amount includes recoveries of Rs. 15.29 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Reported cases of fraud, embezzlement and misappropriation	22.60
2.	Recoveries and overpayments	15.29
3.	Procurement related irregularities	234.48
4.	Others	78.00
Total		**350.37**

14.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives for reports discussed so far is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not received**	**Percentage of compliance**
1.	1985-1986	3	0	3	0
2.	1987-1988	2	0	2	0
3.	1988-1989	3	1	2	33
4.	1989-1990	6	2	4	33
5.	1990-1991	3	0	3	0
6.	1991-1992	2	0	2	0
7.	1992-1993	1	1	0	100
8.	1993-1994	2	2	0	100
9.	1994-1995	1	0	1	0
10.	1995-1996	3	0	3	0
11.	1996-1997	1	1	0	100
Total		**27**	**7**	**20**	**26**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The management needs to revisit its compliance processes to ensure that PAC directives are complied with promptly. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

14.4 AUDIT PARAS

Reported cases of fraud, embezzlement and misappropriation

14.4.1 Non-recovery of fraudulent withdrawal from the treasury-Rs. 22.60 million

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part.

During audit of Senior Civil Judge, Lahore for the period 2019-22, it was observed that as per the court's direction, the plaintiff of a suit titled "Shehzad Ahmad Gull vs Maj. Ikram Ullah Khan Bangash" deposited a consideration amount of Rs. 22,600,000 in Government Treasury on 23.10.2020. The suit was dismissed as withdrawn vide order dated 19.07.2021 and the plaintiff namely Shehzad Ahmad Gull applied to the relevant court for withdrawal of his amount deposited in the Government Treasury. However, it was reported to the court that the said amount of Rs. 22,600,000 had already been withdrawn vide order of another civil court through the preparation of a forged duplicate file vide refund voucher No. 46308 dated 05.03.2021 by accused Azhar Hussain pretending himself as special attorney of the defendant of the suit. Further, the forged/fake file was also stolen from the court. Although FIR in this regard was registered on 06.01.2022, the fraudulently withdrawn amount from the treasury could not be recovered from the delinquent till March 2023. Furthermore, no action was taken against other unknown accused/culprits involved in the embezzlement and fraud.

The audit is of the view that the lapse occurred due to weak administrative, financial, and internal controls.

The matter was pointed out in March 2023. Management replied that a detailed reply would be submitted later.

The matter was further reported to the administrative department. In DAC meeting held on 14.09.2023, the para was kept pending till the decision of the court. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into for fixing responsibility, loss be recovered and deposited into the Government Treasury, besides strengthening of financial and internal controls.

(PDP No. 2023-0000000728_F00001)

Recoveries and overpayments

14.4.2 Non-transfer/deposit of profit into Govt. Treasury-Rs. 14.71 million

According to Article 118(1) of the Constitution of Pakistan 1973, all revenues received by the Provincial Government, all loans raised by that Government, and all moneys received by it in repayment of any loan, shall form part of a consolidated fund, to be known as the Provincial Consolidated Fund.

According to Para 5.6.3.2 of APPM, revenue deposits means the deposits made in Revenue Courts or concerning revenue administration, such as customs deposits, guarantees, earnest deposits and security deposits. Civil and criminal court deposits means the deposits received by the courts, including the High Court and Small Cause Courts, pending settlement will be either refunded to the payer or transferred to the Consolidated Fund, depending on the outcome.

During audit of Lahore High Court, Rawalpindi Bench, Rawalpindi for the period 2017-22, scrutiny of records pertaining to security deposits along with bank statements revealed that a bank account No. 0523-3713-5100-4193 was being maintained in MCB Ltd. regarding security deposits and subsequent refund(s) if any out of the same account as per directions of the Hon'ble Court. A perusal of the bank statement along with the cash book transpired that the said account was being maintained on a 'daily product basis' in the Gold category of accounts and profit to the tune of Rs. 14,713,870 was earned on the said security deposits during the period under audit. However, profit earned on the said security deposits was required to be transferred to the Consolidated Fund but the same was not transferred/deposited into the Govt. Treasury in violation of Govt. instructions/rules.

The Audit is of the view that oversight occurred due to non-observance of the above Government instructions and weak supervisory and financial internal controls on receipts.

The matter was pointed out in April 2023. Management did not offer any reply and just signed the observation.

The matter was further reported to the administrative department. In DAC meeting held on 18.09.2023, the chairman recommended the para for settlement. However, the Audit did not concur with the decision of the chair in view of the provision of Article 118 of the Constitution of the Islamic Republic of Pakistan, 1973 wherein, it is envisaged that the amounts in question deposited in MCB bank, are part of the public account of the province, and as such accounting treatment warranted in this case was to deposit the amount in PCF. Hence, the matter may be placed before the honorable authority of the Lahore High Court to reconsider the matter in light of Article 118 of the Constitution. Further progress was not reported by the department till the finalization of this report.

Audit recommends depositing the profit earned into the Provincial Consolidated Fund/Government treasury at the earliest.

(PDP No. 2023-0000001387_F00002)

14.4.3 Non/less recovery of taxes-Rs. 577,913

According to Section 153 (1) (a & b) of Income Tax Ordinance 2001, read with Finance Act 2020, the rate of withholding tax on the sale of goods is 4.5 % for filers and 6.5 % for non-filers whereas the rate of withholding tax on services is 10 % for filer and 15 % for non-filer. Moreover, as per Section 236-A ibid, advance tax @ 10% of the amount realized through sale by auction was required to be recovered from the auctioneers.

During audit of District and Sessions Judge, Rawalpindi for the period 2016-22, it was observed that short or no tax deduction of Rs. 577,913 was made while making payments to suppliers.

Audit is of the view that the lapse occurred due to weak financial and internal controls.

The matter was pointed out in March 2023. The management noted the observation.

The matter was further reported to the administrative department. In DAC meeting held on 02.10.2023, the para was kept pending for recovery. Further progress was not reported by the department till the finalization of this report.

Audit recommends recovery and prompt deposit of Government dues into the public kitty, besides strengthening supervisory and internal controls on taxation.

(PDP No. 2023-0000001386_F00012)

Procurement-related irregularities

14.4.4 Irregular mode of payment through cash instead of bank account-Rs. 156.51 million

According to Rule 4.49(a) of Subsidiary Treasury Rules, read with the Finance Department's letter No.FD(FR)V-6/75(P) dated 20.06.2007, payment exceeding Rs. 100,000 shall be made through cheque instead of cash.

During audit of the following formations, it was observed that DDOs had made payments to different contractors/employees through cash instead of banking channels in violation of the above-mentioned instructions of the Finance Department. This resulted in an irregular expenditure of Rs. 156,512,675 as detailed below:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Amount (Rs.)
1	Senior Civil Judge, Lahore	2019-22	2023-0000000728_F00010	104,012,904
2	Senior Civil Judge, Okara	2019-22	2023-0000001372_F00004	38,654,489
3	District & Session Judge, Rawalpindi	2016-22	2023-0000001386_F00006	13,845,282
Total				**156,512,675**

The audit is of the view that the lapse occurred due to weak financial controls.

The matter was pointed out in March and April 2023. The management simply noted the observations.

The matter was further reported to the administrative department. In DAC meetings held on 14.09.2023 and 02.10.2023, the paras at Sr. Nos. 1 & 2 were kept pending for regularization from the Finance Department. The para at Sr. No. 3 was kept pending for the production of the record. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing responsibility after conducting an inquiry and also getting the irregularity condoned by the Finance Department.

14.4.5 Irregular expenditure on procurements in violation of Punjab Procurement Rules-Rs. 77.97 million

According to Rule 4 of Punjab Procurement Rules, 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. As per Rule 9 a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. Rule 31 requires that a procuring agency shall formulate an appropriate evaluation criterion listing all the relevant information against which a bid is to be evaluated and such evaluation criteria shall form an integral part of the bidding documents. Rule 12 (1) & (2) of PPR 2014 provides that a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to three million rupees on the website of the Authority in the manner and format specified by regulations.

During audit of the following formations, it was observed that an expenditure of Rs 77,972,438 on procurement of various items such as furniture and laptops, etc. was incurred without devising annual procurement plans and splitting the job orders to avoid tending process in violation of the above provisions of law. The details are as under:

Sr. No.	**Name of Formation**	**Period of audit**	**PDP No**	**Brief of Irregularity**	**Amount (Rs.)**
1.	Senior Civil Judge Lahore	2019-22	2023-0000000728_F00012	The annual procurement plan was not uploaded.	28,331,100
2.	Senior Civil Judge, Okara	2019-22	2023-0000001372_F00009	Procurement without tender	27,872,800
3.	District and Sessions Judge, Rawalpindi	2016-22	2023-0000001386_F00005	Expenditure on procurements was made through quotations instead of inviting tenders.	16,358,719
4.	District and Sessions Judge, Rawalpindi	2016-22	2023-0000001386_F00008	Expenditure on procurements was made through quotations instead of inviting tenders.	5,409,819
Total					**77,972,438**

This resulted in an irregular expenditure of Rs 77,972,438 to the Government due to non-observance of Punjab Procurement Rules, 2014.

The audit is of the view that the lapse occurred due to weak financial controls.

The matter was pointed out in March, April, and May 2023. Management simply noted the observations.

The matter was further reported to the administrative department. In DAC meetings held on 14.09.2023 and 02.10.2023, the paras at Sr. Nos. 1 & 2 were kept pending with the direction to DDO to contact the relevant branch of Lahore High Court and seek a copy of the relevant record for audit scrutiny. The para at Sr. No. 3 was kept pending for the production of the record. The para at Sr. No. 4 was kept pending for regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends fixing the responsibility for non-adherence to prescribed rules and getting the expenditure regularized from the Finance Department.

Others

14.4.6 Non-auction of Government vehicles-Rs. 78.00 million

As per Rule 15.3 of PFR Vol-I, a competent authority may sanction the sale or disposal of stores regarded as surplus, obsolete, or unserviceable. As per Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the Government Account.

During audit of the Senior Civil Judge Lahore, it was observed that unserviceable/condemned vehicles and store items were not auctioned and over time, the value of stores was deteriorating day by day. This resulted in a loss of revenue amounting to Rs. 78,000,000.

The matter was pointed out in March and April 2023. Management simply noted the observations.

The matter was further reported to the administrative department. In DAC meeting held on 14.09.2023, the para was kept pending till the auction of the vehicles. Further progress was not reported by the department till the finalization of this report.

Audit recommends early auction and disposal of store items, sequel to adherence to the codal requirements.

(PDP No. 2023-0000000728_F00003)

CHAPTER 15
LAW AND PARLIAMENTARY AFFAIRS DEPARTMENT

15.1 Introduction

Schedule II to the Punjab Government Rules of Business 2011 assigns the following business to the Law & Parliamentary Affairs Department:

- Representation in criminal cases.
- Appeals and applications for enhancement of sentences and convictions.
- Filing and defending civil suits against Government and public servants.
- Advice to departments on all legal matters including interpretation of laws, rules, and orders having the force of Law.
- Matters pertaining to the appointment, transfer, leave, and fees of Government Law Officers, Advocate General, Public Prosecutors, Government Pleaders, and Special Counsel.
- Matters relating to legal practitioners, including scale of fees.
- Defense of resourceless pauper accused in the courts and fees to pleaders for such defense.
- Civil Law and Procedure.
- Matters relating to the Provincial Legislature including salaries, allowances, and privileges of the Chief Minister, Ministers, Speaker, Deputy Speaker, Parliamentary Secretaries, Advisors, Special Assistants, and Members of the Provincial Assembly; and
- Scrutiny and drafting of bills, ordinances, notifications, rules, regulations, statutory orders, and bye-laws.

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Law & Parliamentary Affairs Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of four grants/appropriations is given below:

(Rupees in million)

Grant No.	**Original Grant**	**Supplementary Grant/ Re-Appropriation**	**Final Grant**	**Actual Expenditures**	**Excess/ (Savings)**
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	631.01	596.53	1,227.54	873.19	(354.35)
PC21011/24011	2,180.68	(60.29)	2,120.39	1,891.90	(228.48)
PC22036	185.00	(60.00)	125.00	75.00	(50.00)
PC16051	500.00	(138.51)	361.49	0	(361.49)
Total	**3,496.69**	**337.74**	**3,834.42**	**2,840.09**	**(994.33)**

Overview of Expenditure

The final budget of the Law & Parliamentary Affairs Department for the year ended 30th June 2023 was Rs. 3,834.42 million. Out of this, the actual expenditure was Rs. 2,840.09 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	3,311,685,000	2,765,091,297	(546,593,703)	16.51
Development	185,000,000	75,000,000	(110,000,000)	59.46
Total	**3,496,685,000**	**2,840,091,297**	**(656,593,703)**	**18.78**

This composition changed due to supplementary grants and surrenders.

The variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	3,709,420,000	2,765,091,297	(944,328,703)	25.46
Development	125,000,000	75,000,000	(50,000,000)	40.00
Total	**3,834,420,000**	**2,840,091,297**	**(994,328,703)**	**25.93**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (994.33) million at the close of the year 2022-23 under grants PC21010, PC21011, PC22036, and PC16051 were not surrendered in time by the Department.

15.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 32.98 million were raised in this report during audit of the Law and Parliamentary Affairs Department. This amount includes recoveries of Rs. 15.63 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	15.63
2.	Procurement related irregularities	3.98
3.	Financial Matters	13.37
Total		**32.98**

15.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives for reports discussed so far is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not received**	**Percentage of compliance**
1.	1984-1985	3	01	02	33
2.	1988-1989	02	01	01	50
3.	1994-1995	01	01	0	100
4.	1996-1997	03	01	02	33
5.	1999-2000	10	01	09	10
6.	2001-2002	20	15	05	75
7	2013-2014	03	0	03	0
Total		**42**	**20**	**22**	**48**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The table reflects that compliance with PAC directives in the Law & Parliamentary Affairs Department needs to be improved. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

15.4 AUDIT PARAS

Recoveries and Overpayments

15.4.1 Non-recovery of excess payment of pay & allowances-Rs. 15.63 million

As per order No.PA:4-05/2013 dated 04.08.2017 issued by the Law & Parliamentary Affairs Department, the sessional allowance is admissible at the rate of seventy percent of the pay.

During audit of the accounts of Secretary, Law and Parliamentary Affairs Department for the period 2020-22, it was observed that officers recruited in MP Scales (Management Positions Scales) were also allowed sessional allowance amounting to Rs. 15,625,985 which was in-admissible to the employees hired on MP Scales. Moreover, no approval of such allowance from the Finance Department was available on record. Hence, payment of sessional allowance as a percentage of special MP Scales without the approval of the Finance Department was considered irregular.

Audit is of the view that the lapse occurred due to weak internal controls on the payroll.

The matter was pointed out in March 2022. The management noted the observation.

The matter was further reported to the administrative department. In DAC meeting held on 05.09.2023, the para was kept pending for advice from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends affecting the recovery of the stated amount from the concerned and depositing it into the treasury, besides strengthening internal controls on the payroll.

(PDP No. 2023-0000000999_F00016)

Procurement related irregularities

15.4.2 Repetitive and frequent repair of hardware with same defect-Rs. 3.98 million

As per para 2.10(a)(1) of PFR Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of the accounts of Secretary, Law and Parliamentary Affair Department for the period 2020-22, it was observed that an amount of Rs. 3,980,629 was incurred on the repair of IT equipment and hardware. Following observations were made by Audit:

1. No framework contract or Service Level Agreement (SLA) was commissioned for maintenance support.
2. 3 to 4 items (Cisco Switch, Hardware, Power Supply, RAM) were repeatedly got repaired with the frequency of an inordinately repetitive nature.
3. Despite the installation of UPS, the number of instances of repairs of a similar nature is beyond comprehension.

Audit is of the view that organizational negligence and lack of due care and diligence have resulted in unjustified, excessive expenditure and repeated expenditure of a similar nature.

The matter was pointed out in March 2022. The management noted the observation.

The matter was further reported to the administrative department. In DAC meeting held on 05.09.2023, the para was kept pending for inquiry at the Departmental level. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter needs investigation besides strengthening internal controls to avoid such lapses in the future.

(PDP No. 2023-0000000999_F00002)

Financial Matters

15.4.3 Unauthorized payments in cash instead of through cheques/bank accounts-Rs. 13.37 million

As per instructions of the Accountant General Punjab, cash payments are not allowed and payment must be made through Cheques/Bank Account. Furthermore, as per Rule 4.49 (a) of Subsidiary Treasury Rules, all payments exceeding Rs. 100,000 should be made to contractors/suppliers/firms through cheques.

During audit of the accounts of Secretary, Law and Parliamentary Affair Department for the period 2020-22, it was observed that an amount of Rs. 13,365,804 was paid in cash instead of through crossed cheques directly debitable to the accounts of the payee in violation of the instructions of the Government.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was pointed out in March 2022. The management noted the observation.

The matter was further reported to the administrative department. In DAC meeting held on 05.09.2023, the para was kept pending regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the above irregularity be regularized by the Finance Department after fixing the responsibility against the delinquents.

(PDP No. 2023-0000000999_F00013)

CHAPTER 16
LIVESTOCK AND DAIRY DEVELOPMENT DEPARTMENT

16.1 Introduction

Livestock and Dairy Development Department has three attached departments viz Director General (Extension), Director General (Research) and Director General (Productions). The department was established in 1973 to cater to the requirements of the livestock sector in the province. Livestock is increasingly becoming a very important sector of the national economy, contributing even more than all the other yields of crops. The Livestock & Dairy Development Department strives to ensure the growth and development of the livestock sector in the province and in this manner contributes towards national food security, economic uplift, rural development, poverty alleviation, employment generation, and foreign exchange earnings.

The main functions of the department are as under:

- Management of Livestock, Dairy & Poultry Farms.
- Animal Health.
- Livestock Production Extension Services.
- Preservation and Development of Livestock Genetic Resources.
- Research and training for Livestock Production.

Audit Profile of Livestock and Dairy Development Department

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Livestock and Dairy Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	288.34	(64.09)	224.26	221.11	(3.15)
PC21020	14,786.72	2,641.88	17,428.60	17,196.78	(231.81)
PC22036	2,490.27	(1,013.49)	1,476.79	1,468.65	(8.14)
Total	**17,565.34**	**1,564.31**	**19,129.65**	**18,886.54**	**(243.10)**

Overview of Expenditure

The final budget of the Livestock and Dairy Development Department for the year ended 30th June 2023 was Rs 19,129.65 million. Out of this, the actual expenditure was Rs. 18,886.54 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	15,075,062,000	17,417,895,922	2,342,833,922	15.54
Development	2,490,274,000	1,468,646,984	(1,021,627,016)	41.02
Total	**17,565,336,000**	**18,886,542,906**	**1,321,206,906**	**7.52**

This composition changed due to supplementary grants and surrenders.

The variance of the Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	17,652,856,000	17,417,895,922	(234,960,078)	1.33
Development	1,476,789,000	1,468,646,984	(8,142,016)	0.55
Total	**19,129,645,000**	**18,886,542,906**	**(243,102,094)**	**1.27**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (243.10) million at the close of the year 2022-23 under grants PC21010, PC21020, and PC22036 were not surrendered in time by the Department.

16.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 2,330.19 million were raised during audit of the Livestock and Dairy Development Department. This amount includes recoveries of Rs. 2,083.33 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	**Classification**	**Amount**
1.	Recoveries and overpayments	2,083.33
2.	Financial Matters	1.18
3.	Others	245.68
Total		**2,330.19**

16.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives for reports of L&DD discussed so far is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not Received	Percentage of Compliance
1	1984-85	13	13	0	100
2	1985-86	1	1	0	100
3	1986-87	22	20	2	91
4	1987-88	21	18	3	86
5	1988-89	8	5	3	63
6	1989-90	2	2	0	100
7	1990-91	5	4	1	80
8	1991-92	3	0	3	0
9	1992-93	4	4	0	100
10	1993-94	5	1	4	20
11	1994-95	12	5	7	42
12	1995-96	7	0	7	0
13	1996-97	4	2	2	50
14	1998-99	52	31	21	60
15	1999-00	36	22	14	61
16	2000-01	113	96	17	85
17	2001-02	46	22	24	48
18	2005-06	36	1	35	3
19	2006-07	28	25	3	89
20	2009-10	20	2	18	10
21	2010-11	16	5	11	31
22	2012-13	21	4	17	19
23	2013-14	33	15	18	45
Total		**508**	**298**	**210**	**59**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance of PAC directives in the Livestock and Dairy Development Department is not very encouraging. The department needs to improve it. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

16.4 AUDIT PARAS

Recoveries and overpayments

16.4.1 Non-recovery/deposit of outstanding amount- Rs. 2,080.42 million

As per Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to Government Account. Moreover, as per Rule 2.31 of the Rules ibid, a drawer of bills for pay, allowances, contingent, and other expenses will be held responsible for any overcharges, frauds, and misappropriations

During audit of Livestock and Dairy Development Department, it was observed that an amount of Rs. 2,080,419,423 was outstanding on account of land rent, animal entry fee, cost of animals, penalty on lesser shelf life, risk purchase, LD charges, transportation charges, etc. against various organizations, contractors, and persons. The details are given in annexure 30.

Audit is of the view that weak internal controls with regard to recoveries resulted in the accumulation of outstanding balances.

The matter was pointed out to the DDOs during March, April, October and November 2023. The management at Sr. No. 7 replied that on the recommendation of the auction committee, the competent authority approved the rates. As regards Sr. No. 5, the management replied that further action would be taken on the advice of higher authority. At Sr. No. 1, 3 & 9 the management noted the observations for compliance. At Sr. Nos. 2 & 6 the management stated that a reply would be submitted after scrutiny of the record.

The matter was further reported to the administrative department. In DAC meeting held on 29.08.2023, the paras at Sr. Nos. 4, 8 & 10 were kept pending for probe at administrative department's level. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the department should affect recovery of the due amount besides taking disciplinary action and strengthening internal controls to address the overpayment and less collection of fee issues.

16.4.2 Non/less deduction of taxes-Rs. 2.91 million

According to the Income Tax Ordinance 2001, Sales Tax Act 1990, and Punjab Sales Tax on Services Act, 2012, the departments are required to deduct/withhold taxes at prescribed rates at the time of payment. As per clauses 22-A & B of Stamp Duty Act, 1899, contracts of stores and materials are charged @ twenty-five paisa for every one hundred rupees.

During audit of Livestock & Dairy Development Department, it was observed that income tax, general sales tax, and Punjab sales tax were either not or less deducted before making payments to the contractors on procurement of machinery and equipment, Transport spare parts, Hardware and service rendering etc. This resulted in loss amounting to Rs. 2,913,996. The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Director General (Production) Livestock, Lahore	2021-23	2023-0000004741_F00007	The management paid Rs.12,454,000 to the contractor against the construction of 2857 running meter PCPL Water Course @ Rs. 4,360/RM including material and labour costs without deducting levied taxes i.e. GST, PST, IT and stamp duty from the vendor which needs recovery.	2,508,616
2	Director General (Ext) Live Stock & Dairy Development Department, Punjab Lahore	2022-23	2023-0000004742_F00003	Non-recovery of PST, GST, and income tax on procurement and services.	290,447
3	Director General (Production) Live Stock & Dairy Development Department, Punjab Lahore	2022-23	2023-0000004742_F00004	Non-recovery of PST, GST and income tax on procurement and services.	114,933
Total					**2,913,996**

Audit is of the view that the lapse occurred due to weak supervisory and internal controls on taxation.

The matter was pointed out from July to October and November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the stated amount be recovered from the concerned and deposited into the Government Treasury besides strengthening supervisory and internal controls on taxation.

Financial Matters

16.4.3 Cash withdrawal under different Heads of Accounts by DDO-Rs. 1.18 million

According to Rule 4.49(a) of Subsidiary Treasury Rules, read with Finance Department's Letter No. FD(FR)V-6/75(P) dated 20.06.2007, payment exceeding Rs. 100,000 shall be made through cheque instead of cash.

During audit of the accounts of Secretary, Livestock and Dairy Development Department, it was observed that an amount of Rs. 1,184,342 was drawn by the DDO of the department under various heads of accounts rather than issuing cheques in favor of the concerned vendors/payees.

Audit is of the view that the lapse occurred due to weak internal control of payments.

The matter was pointed out in April 2023. The management replied that payment was made to different vendors/employees, however, a detailed reply would be provided after consultation with the record

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends fixing responsibility after conducting an inquiry and getting the irregularity condoned from the Finance Department besides obtaining actual payee receipts from the concerned.

(PDP No. 2023-0000001475_F00002)

Others

16.4.4 Loss to Govt. due to non-cultivation of agricultural land-Rs. 245.68 million

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part.

During audit of Livestock Experiment Station, Khushab for the period 2017-2023, it was observed that the total area of the farm was 971 Acres, out of which 41 Acres were covered by office building, residential colony, cattle sheds and roads, etc. and land available for cultivation was 930 acres. Scrutiny of the sowing plan of Rabi and Kharif crops revealed that 400-600 Acres of land on average remained uncultivated during the period. This resulted in an estimated loss of Rs. 245,677,256 as was evident from the sowing plan for Rabi and Kharif for FY 2017-23.

Audit is of the view that the lapse occurred due to weak financial and administrative controls.

The matter was pointed out in November 2023. The management replied that according to the availability of funds the land was cultivated for crops. The reply was not tenable as the request for the provision of funds for the cultivation of 930 acres was not submitted to DG Production, L&DD, Department.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at the administrative department's level for fixing responsibility for non-cultivation of agriculture land and also to take cognizance of lapses to avoid recurrence thereof, in the future.

(PDP No. 2023-0000004704_F00001)

CHAPTER 17
PLANNING AND DEVELOPMENT DEPARTMENT

17.1 Introduction

The Planning and Development Department of Government of the Punjab is entrusted with planning, processing, and approval of the development plan of the various Provincial Government Departments, keeping in view the economy, efficiency, and effectiveness in the utilization of available resources. It is headed by the Chairman Planning and Development Board. The field offices of the Planning and Development Department have been established at the Divisional/District level to coordinate with the field functionaries of the administrative departments, engaged in development activities throughout the Province.

The main objectives of the department are as follows:

- Assessment of the material and human resources of the province.
- Formulation of long and short-term plans.
- Recommendations concerning prevailing economic conditions, economic policies, and economic measures.
- Examination of such economic problems as may be referred to it for advice.
- Coordination of all economic activities in the Provincial Government.

Audit Profile of Planning and Development Department

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of Planning & Development Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of four grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**

PC21010	1,326.49	(11.64)	1,314.85	1,282.28	(32.57)
PC21023	320.33	(33.08)	287.26	282.84	(4.42)
PC21031	101,109.17	(91,115.72)	9,993.45	9,888.25	(105.21)
PC22036	30,697.48	1,149.74	31,847.22	22,339.42	(9,507.80)
Total	**133,453.48**	**(90,010.70)**	**43,442.78**	**33,792.79**	**(9,649.99)**

Overview of Expenditure

The final budget of the Planning & Development Department for the year ended 30th June 2023 was Rs. 43,442.78 million. Out of this, the actual expenditure was Rs. 33,729.79 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	102,756,000,000	11,453,372,340	(91,302,627,660)	88.85
Development	30,697,482,000	22,339,416,775	(8,358,065,225)	27.23
Total	**133,453,482,000**	**33,792,789,115**	**(99,660,692,885)**	**74.68**

During the year, due to supplementary grants and surrenders, this composition changed. The variance of the Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	11,595,562,653	11,453,372,340	(142,190,313)	1.23
Development	31,847,221,000	22,339,416,775	(9,507,804,225)	29.85
Total	**43,442,783,653**	**33,792,789,115**	**(9,649,994,538)**	**22.21**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (9,649.99) million at the close of the year 2022-23 under grants PC21010, PC21023, PC21031, and PC22036 were not surrendered in time by the Department.

17.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 6,368.52 million were raised in this report during audit of the Planning and Development Department. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Procurement related irregularities	135.86
2.	Payroll related irregularities	203.03
3.	Performance related irregularities	628.07
4.	Value for money and service delivery issues	5,389.48
5.	Financial Matters	11.08
6.	Others	1.00
Total		**6,368.52**

17.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not Received	Percentage of Compliance
1.	1984-85	4	4	0	100
2.	1985-86	2	0	2	0
3.	1988-89	2	1	1	50
4.	1999-00	9	3	6	33
5.	2001-02	9	3	6	33
6.	2008-09	7	7	0	100
Total		**33**	**18**	**15**	**55**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

Except for the Audit Report Years 1984-85, and 2008-2009, the compliance status of PAC directives in the Planning and Development Department was not satisfactory. The situation needs to be improved. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

17.4 AUDIT PARAS

Procurement related irregularities

17.4.1 Irregular payment to individual consultants-Rs. 46.37 million

As per Rule 4 of PPR 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. As per Rule 46(b) of the Rules ibid, individual consultants shall be selected by comparing the qualifications and experience of at least three consultants among those who have expressed interest in the assignment or have been approached directly by the procuring agency.

During audit of Director General, Monitoring & Evaluation, Lahore for the period 2021-22, it was observed that an expenditure of Rs. 46.37 million was incurred on hiring consultancy services from individual consultants. Expenditure was held irregular due to the following reasons:

1. The services of individual consultants were hired for a period of 6 months initially and then extended for a further spell of six months continuously having a gap of a few days.
2. Qualification and experience documents of competing individuals for consultancies were not available.
3. The mechanism for fixing consultancy fees was not appropriately designed.
4. A consultancy fee was negotiated during interviews which left a space for favouritism.
5. D.G (M&E) was required to ensure follow-up of monitoring and evaluation reports to ensure that recommendations were being incorporated by development schemes but no such follow-up was found on record which entailed the rendering of the expenditure wasteful.

Audit is of the view that the lapse occurred due to non-observance of PPR 2014.

The matter was pointed out in February 2023 and the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 07.09.2023, the paras were kept pending for regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the expenditure be got regularized by the Finance Department. Further, necessary amendments in the hiring process of individual consultants may be made to make it more transparent.

(PDP No. 2023-0000000184_F00008 & 2023-0000000184_F00001)

17.4.2 Irregular award of consultancy contract-Rs. 39.10 million

As per Rule 2(x) of PPR 2014, pre-qualification means a procedure for demonstrating qualification as a pre-condition for being invited to tender. As per Rule 16 of PPR Rules, 2014, a procuring agency may, prior to floating the tenders or invitation to proposals or offers, engage in pre-qualification of bidders in case of services, civil works, turnkey projects and also in case of procurement of expensive and technically complex equipment to ensure that only technically and financially capable firms or persons having adequate managerial capacity are invited to submit bids.

During audit of Director General Agency for Barani Area Development, Rawalpindi for the period 2021-23, it was observed that under the project "Integrated Master Plan of Punjab Barani Tract," a consulting firm, M/s Skafs Consultants (Pvt.) Ltd, was hired to conduct a study for the development of Punjab Barani Tract. The project duration was initially set for one year from December 2021 to December 2022, later extended to December 2023. The criteria outlined in PC-1 reckoned those firms eligible who had relevant knowledge and experience in similar studies, focusing on the development potential of the thirteen districts within the Punjab Barani Tract. The study aimed to formulate short, medium, and long-term Integrated Development Master Plans for the Barani Region. An amount totaling Rs. 39,100,000 was disbursed to M/s Skafs Consultants (Pvt.) Ltd in four installments during this period. However, the consultancy selection and enforcement of contractual obligations was hit by the following infirmities:

(1) A total nine numbers of firms participated in the pre-qualification process of hiring of consultants and four were declared eligible/pre-qualified.

(2) M/s NESPAK (Pvt.) Ltd. was first in the pre-qualification process (with a score of 88.36%) but the same firm was not found included in succeeding stages and the contract was awarded to M/s Skafs Consultants (Pvt.) Ltd.

(3) As per clause 42.2 of the agreement between the parties, 5% of each installment as security will be held by the procuring agency and thereafter will be released at the time of completion of the final report.

(4) It was noticed that Rs. 1,201,400 was less withheld as security by the management and CDR of the same amount was not obtained and thus undue favor was given to the firm.

(5) The number of observations/queries were raised by the Performance Assessment Committee constituted by the Director General ABAD vide No. ABAD/296/Dev dated 23.06.2022.

(6) All payments were made to the concerned Consulting Firm without the recommendations of the Performance Assessment Committee and without clearance of reservations.

Irregularity was caused by weak administrative and financial internal controls.

Irregularity caused loss to the Government due to non-adherence to instructions.

The matter was reported on 31st of October 2023 and it was noted for submission of a detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends fixing responsibility against the person held at fault besides seeking regularization of lapses from the competent authority.

(PDP No. 2023-0000004707_F00012)

17.4.3 Doubtful/irregular expenditure through splitting-Rs. 31.72 million

Rule 9 read with Rule 12 of PPR 2014 provides that a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise in advance annual requirements for procurement on the website of the Authority as well as on its website. Rule 8 ibid provides that a procuring agency shall, within one month from the commencement of a financial year, devise annual planning for all proposed procurements with the object of realistically determining the requirements of the procuring agency, within its available resources, delivery time or completion date and benefits that are likely to accrue to the procuring agency in future.

During audit of Director General Agency for Barani Area Development, Rawalpindi for the period 2021-23, it was observed that an expenditure of Rs. 31,716,480 was incurred on workshops, seminars, assessment studies, and repairs. The expenditure was held irregular due to the following reasons:

(1) Expenditure was split up to avoid the tendering process. All expenditure was incurred through the firm of own choice and PPR rules 2014 were not observed.

(2) Orders of competent authority, place of events, and agenda of the workshops, seminars and assessment studies were not on record in most of the cases.

(3) No invitation letters of the honorable chief guests were found in the record and lists of participants were also not available.

(4) Provincial Sales Tax of Rs. 1,343,265 was not deducted and Income Tax of Rs. 461,747 was less deducted on cooked food items.

(5) Irregular inclusion of GST amounting to Rs. 1,427,219 was made on cooked food items. Out of total expenditures, 76.46% of expenditures were incurred in Rawalpindi and only 23.54% were incurred in D.G Khan.

(6) Out of the total amount of Rs. 10,903,782 for Sr. No. 2 a procurement of Rs. 7,188,908 i.e. 65.93% was made from M/s Mughal Traders.

The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Director General Agency for Barani Area Rawalpindi	2021-23	2023-0000004707_F00008	Expenditure through Splitting without Tender	20,812,698
2	Director General Agency for Barani Area Rawalpindi	2021-23	2023-0000004707_F00006	Expenditure on procurement and repair without tender	10,903,782
Total					**31,716,480**

Irregularity was caused by weak administrative and financial internal controls.

The matter was reported in November 2023 and it was noted for submission of a detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that an inquiry be held to fix the responsibility against the delinquents besides seeking regularization from the competent authority.

17.4.4 Doubtful/Extravagant expenditure on workshop-Rs. 14.60 million

According to the PC I of the Project "Capacity Building of ABAD" the objectives of the Project were;

(i) To enable ABAD to achieve its original envisioned mandate
(ii) To strengthen ABAD's existing capacity in terms of human and material resources
(iii) To strengthen the infrastructure of ABAD by establishing field offices/HR (iv) To strengthen the field offices of executing line departments/stakeholders ABAD with existing capacity.

During the audit of Director General Agency for Barani Area Development Rawalpindi for the financial year 2021-23, it was observed that a National Workshops/Conference was held from 03.03.2022 to 05.03.2022 (three days) in Barani Area Research Institute (BARI) Chakwal under the project "Capacity Building of ABAD" and an amount of Rs. 14,604,400 was paid to the event management firm M/s Junaid Enterprises. A waterproof canopy for 500 guests/participants/farmers was installed. A total of Rs. 14,604,400 was spent on arrangements including catering, lighting, sitting arrangements, advertisement and publications, lunch, etc. Audit observed the following irregularities:

(1) Arrangements were made for 500 participants on a daily basis. Actually, 200 persons daily on average attended the sessions, causing extra charges for 300 participants daily.
(2) Against 477 numbers of participants, a payment of 700 persons was made to the firm. Thus, an amount of Rs. 1,060,588 was excess paid.
(3) An amount of Rs. 1,044,000 was paid to the firm on account of logistics arrangements and four vehicles were hired for three days in the presence of the department's vehicles. Further, details of the provision of services were not available to authenticate payment.
(4) Per-person cost for participation was Rs. 30,617 which is on the higher side and it seems that unnecessary benefit was given to the event management firm.

Irregularity was caused by weak administrative and financial internal controls.

The matter was reported in November 2023 and it was noted for submission of a detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be investigated and responsibility be fixed against the persons at fault besides ensuring recovery.

(PDP No. 2023-0000004707_F00003)

17.4.5 Irregular Award of Consultancy Contract-Rs. 4.07 million

As per Rule 2(x) of the PPR 2014, pre-qualification means a procedure for demonstrating qualification as a pre-condition for being invited to tender. As per Rule 16 of PPR Rules 2014, a procuring agency may, prior to floating the tenders or invitation to proposals or offers, engage in pre-qualification of bidders in case of services, civil works, turnkey projects, and also in case of procurement of expensive and technically complex equipment to ensure that only technically and financially capable firms or persons having adequate managerial capacity are invited to submit bids.

During the audit of accounts of the Director General Agency for Barani Area Development, Rawalpindi for the financial year 2021-23, it was observed that a contract of consultancy under project “Integrated Farms Development in Punjab Barani Tract by ABAD” was awarded to M/s Design Expert Consultant (Pvt.) Ltd. and an amount of Rs. 4,069,940 vide cheque No. 482030 was paid to the firm accordingly. The audit observed the following irregularities:

(1) Twelve firms participated in pre-qualification; four were pre-qualified. M/s Electra Consultant Pvt. Ltd. was dis-qualified due to several reasons, including missing partnership deed, registration renewal, and missing FBR registration. (Ref: No. ABAD/IFD-CSC/5020 dated 26.04.2023). However, M/s. New Vision Engineering Consultants and M/s. SKAFS consultants Pvt. Ltd were pre-qualified despite similar deficiencies.

(2) Disqualification was made for missing partnership deed or Joint Venture and non-provision of NTN number and Non-registration with the Sales Tax Department whereas the firm had participated as a sole proprietorship and stood registered with FBR and Punjab Sales Tax department

(3) The contract-winning firm (M/s Design Expert Consultant (Pvt.) Ltd) had only 09 field engineers instead of 12.

(4) 100% payments were released to the firms but on physical verifications afterwards, by the Project Manager, it was reported that no interventions/systems were installed at allotted sites. If installed, the installed systems were either malfunctioning/out of order or sub-standard.

(5) The management had initiated an inquiry which has yet not been finalized.

Irregularity was caused by weak administrative and financial controls.

Irregularity caused the non-transparent selection of the consultant firm.

The matter was reported in November 2023 and it was noted for submission of a detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into at the administrative department's level besides seeking its regularization from the competent authority.

(PDP No. 2023-0000004707_F00014)

Payroll related irregularities

17.4.6 Irregular payment of pay and allowances- Rs. 203.03 million

According to Rule 16 of Punjab Government Rules of Business 1974, no department shall, without previous consultation with the Finance Department, authorize any orders which directly or indirectly affect the finance of the province or cases requiring changes in statutory rights and privileges of a Government servant which have financial implications.

As per para 3(a) (vii) of the Project Allowance Policy circulated vide No.FD.SR-1/9-20/2006 dated 21.11.2014, the Government officers/officials assigned special duties in ex-officio capacity under various projects/programs may also be granted special allowance/honoraria @ 50% of the Project Allowance sanctioned for the same categories.

According to criteria bearing No.FD.PR.12-7/2018, on supersession of Finance Department's notification of even No. dated 29.07.2019, Executive Allowance @1.5 times of the monthly basic pay is admissible to all officers posted by S&GAD against duly notified cadre strength

As per Rule 2.31 PFR-Vol-I, a drawer of bill for pay, allowances, contingent, and other expenses will be held responsible for any overcharges.

According to the Finance Department Govt. of the Punjab's, clarification letter No.FD.SR.1.9-4/86 (P)(PR) dated 21.04.2014, the officers who are availing vehicles including bikes (Sanctioned/Pool) are not entitled to the facility of Conveyance Allowance w.e.f. 01-03-2014.

During audit of Planning and Development Department, it was observed that an amount of Rs. 203,033,171 was paid to employees on account of pay and allowances without admissibility. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Bureau of Statistics, Lahore	2017-22	2023-0000000286_F00006 & 2023-0000000286_F00004	Daily Special Allowance approved in PC-I in lieu of TA/DA, over and above TA/DA rates of Government, was paid as monthly income and was not taxed making it a source of profit for the recipient.	197,844,000
2	Bureau of Statistics, Lahore	2017-22	2023-0000000286_F00002	Special Allowance was not approved in PC-I and was paid without performing any special duties involving move orders or change of stations.	3,265,000
3	Assistant Director Bureau of Statistics Sialkot	2007-23	2023-0000003189_F00005	Recoveries against payment beyond the contract, drawl of salary during leave without pay, pay during absence period, Recovery against overpayment, and	1,429,344

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
				recovery against Conveyance Allowance	
4	Director General Agency for Barani Area Rawalpindi	2021-23	2023-0000004707_F00007	The officer was not entitled to draw Executive allowance @ 1.5 times of the monthly basic pay because the cadre was not notified by the S&GAD in its notification	494,827
Total					**203,033,171**

Audit is of the view that weak internal controls on payroll resulted in irregular payment of pay and allowances.

The matter was pointed out in February and August 2023. Management at Sr. No. 1 replied that the Punjab Child Labour Survey was an extensive survey and a lot of effort was required to complete the gigantic task. The word DSA had been used in PC-I in general terms. Actually, this covered three aspects: i) Travelling ii) Daily Allowance iii) Boarding and lodging, and in the future, these would be depicted specifically in PC-I. The payments made were justified as per the approval of PC-I. The contention of the management was untenable as TA/DA claims do not span over months rather compensation can only be allowed in lieu of specifically scheduled touring days as per duties performed outside the station against specific tour programs. The management at Sr. Nos. 2 to 4 did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 28.09.2023, the para at Sr. No. 1 was kept pending for clarification from the Finance Department and compliance. The para at Sr. No. 2 was kept pending for detailed verification of record. Further progress was not reported by the department till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the stated amount be recovered from the concerned and deposited into Government Treasury besides strengthening the internal controls on payroll.

Performance related irregularities

17.4.7 Doubtful allotments and completion of interventions- Rs. 378.77 million

Rule 2.33 of PFR Vol-I provides that every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through negligence on his part.

During audit of Director General Agency for Barani Area Development, Rawalpindi for the period 2021-23, it was obseved that an amount of Rs. 378,770,000 was paid against 1135 interventions executed under three development projects namely:

(i) Integrated Farms Development in Punjab Barani Tract by ABAD
(ii) Water Resource Development in Expanded Areas ABAD
(iii) Integrated Farms Development in Punjab Barani Tract by ABAD).

The audit observed the following irregularities:

1. Detailed information about received applications, acceptances, rejections, and reasons for rejection was not provided for audit review.
2. In certain projects ("Integrated Farms Development in Punjab Barani Tract by ABAD"), collaboration with PITB for balloting was absent.
3. Detail of applicants were not uploaded on the department website, compromising transparency.
4. Allegations arose regarding favoritism in rolling out interventions despite rejections by the Scrutiny Committee.
5. Physical visits to sites revealed non-installed systems despite 100% payments, malfunctioning systems, sub-standard quality, and tampered records. An inquiry has been initiated based on the Project Manager's disclosures but remains pending.
6. The required performance guarantee of Rs. 36,995,000 from pre-qualified consultancy firms was not obtained.
7. Expenses of Rs. 21,225,021 on POL (petroleum, oil, and lubricants) lacked prior approval for visiting the site of interventions.
8. Inspection reports were missing.

Inadequate record-keeping, absence of collaboration with PITB, weak monitoring, and missing reports on field visits raised doubts about the delivery of interventions/subsidized facilities to targeted farmers in these projects.

Irregularity was caused by weak administrative and financial internal controls.

The matter was reported in November 2023 and the management noted the same for submission of a detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that responsibility be fixed against the person held at fault besides seeking regularization of the lapse from the Finance Department.

(PDP No. 2023-0000004707_F00004)

17.4.8 Non-achievement of targets of the scheme due to poor feasibility-Rs. 130.92 million

As per para 2.3.3 of the Punjab Planning Manual, a pre-feasibility study may be required primarily to curtail the range of feasible alternative solutions and ascertain whether or not a more detailed feasibility study is needed. The study of the market in the feasibility study is of basic importance. It is on the basis of such a study that the demand for the product/services to be produced is estimated.

During audit of the Bureau of Statistics, Lahore for the period 2017-22, it was observed that an expenditure of Rs. 70.902 million was made against the scheme titled "Hepatitis Prevalence Survey, 2017". The audit noted the following discrepancies:

(1) The scheme was originally approved at a cost of Rs. 39.371 million without seeing whether the proposed medical labs (for Dry Blood samples) were available in the market or not. Further, no survey was done to check the social acceptability of the scheme in light of the Punjab Planning Manual.

(2) No usage of the survey report by the Health Department, Government of the Punjab was found in the record, making the expenditure of Rs. 70.928 million un-productive.

The matter was pointed out in February 2023. The management replied that 14,000 samples were collected from the field. Due to the negative social media campaign against the blood collection, fewer samples were drawn, and an amount of Rs. 57.753 million had been saved. Data collection, secondary data editing, data cleaning, and data analysis were completed in June 2018. The gestation period was increased/revised from May 2018 to February 2019 because of the aforementioned reasons.

Audit is of the view that the poor feasibility of the scheme resulted not only in a revision of cost twice during the gestation period but also hampered the reliability of the survey due to insufficient sample size.

The matter was further reported to the administrative department. In DAC meeting held on 28.09.2023, the para was kept pending for probe at the administrative department's level. Further progress was not reported by the department till the finalization of this report.

Audit recommends that cognizance of misleading feasibility be taken, besides excess expenditure then allocations be regularized.

(PDP No. 2023-0000000286_F00001)

17.4.9 Doubtful expenditures under project "Integrated Farms Development"-Rs. 63.27 million

According to Project "Integrated Farms Development in Punjab Barani Tract by ABAD" objectives (Sr. No. 5 at page 5), the project is an initiative with a goal to develop the agriculture sector through the provision of Water Resource Development and Alternate Energy Sources in the Punjab Barani Tract (PBT). The project is specifically aimed at targeting those areas which have not been provided affluent access in the past.

Further, the specific objectives of the project are:

(i) Addressing the issue of water scarcity through water conservation

(ii) Provision of cheaper alternate energy sources for uplifting the agricultural land in other relevant sectors

(iii) To ensure food security and to promote an eco-friendly solution to reduce our impact on climate change and environmental degradation

(iv) Efficient utilization of resources for uplifting the rural population of Punjab Barani Tract.

During audit of Director General Agency for Barani Area Development, Rawalpindi for the period 2021-23, it was observed that the project "Integrated Farms Development in Punjab Barani Tract by ABAD" introduced 672 numbers of interventions to be completed in three years. The following discrepancies were found in the execution of interventions:

(1) Through the Project Coordination Committee (PCC) minutes of the meeting dated 28.02.2023, it was noticed that a total of 5,884 applications were received

for 672 interventions; 3524 applications were selected, and 2360 rejected without assigning specific reasons.

(2) PITB was not involved in balloting and the applications were not uploaded on the departmental website, questioning the transparency of the process.

(3) Physical visits of the Program Manager to sites revealed non-installed systems despite 100% payments, still revealing malfunctioning systems, sub-standard quality, and tampered records.

(4) An inquiry has been initiated based on the Project Manager's disclosures but remains pending.

(5) Despite applications, farmers in Bhakkar, Layyah, and Khushab districts weren't selected or provided interventions, contradicting advertised inclusion criteria.

(6) Targets set in PC-1 were not met adequately.

(7) 1 out of the target of 20 small reservoirs, 3 out of 15 medium reservoirs, and 10 out of 20 tube wells/Dug wells/Lift irrigation systems/Water Storage tanks were completed.

(8) Solar-powered pumping systems targets exceeded significantly, leading to excessive spending of Rs. 18,900,000.

(9) Payments were made to firms without bid security or performance guarantees.

(10) A majority of contracts were awarded to two firms i.e. M/s R&S Engineering & Services (Pvt.) Ltd. (64.58%) and M/s Catkin Engineering Sale & Service (Pvt.) Ltd. (31.25 %).

(11) Verification of farmer's share bank drafts was not available in the records, raising concerns about authenticity.

Irregularity was caused by weak administrative and financial internal controls.

The matter was reported in November 2023 and it was noted for submission of a detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that responsibility be fixed against delinquents besides seeking regularization from the competent authority.

(PDP No. 2023-0000004707_F00002)

17.4.10 Irregular expenditure under project Capacity Building of ABAD-Rs. 42.47 million

According to the PC I of the Project “Capacity Building of ABAD,” the objectives were

(i) To enable ABAD to achieve its originally envisioned mandate

(ii) To strengthen ABAD’s existing capacity in terms of human and material resources

(iii) To strengthen the infrastructure of ABAD by establishing field offices/HR

(iv) To strengthen the field offices of executing line departments/stakeholders ABAD with existing capacity.

Further, as per page 4 of PC-1, the existing infrastructure/human resources of ABAD is insufficient to meet the above development needs of the Punjab Barani Tract. The only headquarters is situated in district Rawalpindi which has the capacity to monitor the development activities of adjoining areas of district Rawalpindi i.e. Jhelum, Chakwal, Attock & Mianwali, while the development of the rest of the Barani areas could not be monitored efficiently with existing infrastructure/human resources.

During audit of Director General Agency for Barani Area Development, Rawalpindi for the period 2021-23, it was observed that an amount to the extent stated above was incurred under the project “Capacity Building of ABAD” (ADP 2019-20 LO 19000938). The audit observed the following irregularities:

1. According to Annexure G of PC-1, the appointment of technical/non-technical staff was necessary. However, it was observed that the management did not make any appointments throughout the project's duration.
2. According to Annexure B-1 of PC-1, senior existing staff (BS-01 to 16) was supposed to be posted in the newly established field office. However, no staff was posted throughout the project's entire duration.
3. The position of Project Director was filled through transfer. A total amount of Rs. 3,645,168 was disbursed for Pay and allowances, including Incentive and Executive Allowances, along with Rs. 275,670 for Transfer T.A and Rs. 74,460 for Honorarium.
4. However, the transferee did not report to D.G Khan's office despite the payments made.
5. The management secured a building with an area of 26.5 marlas in D.G Khan for establishing an office, and rented out at Rs. 85,000 per month starting from January 2021, with a 10% annual increase. A total of Rs. 2,759,100 was paid for this purpose raising questions on the legitimacy of the expenditure on building rental.

6. A sum of Rs. 28,508,932 was spent on POL, TA/DA, stationery, the cost of other stores, and the repair of office equipment/vehicles.
7. Notably, expenses under categories such as cost of others, others, stationery, and vehicle repairs were split to circumvent the tendering process.
8. A total of Rs. 2,810,443 was disbursed to contingent-paid staff who were appointed without any advertisement.
9. From the overall expenses incurred in the mentioned development scheme, checks amounting to Rs. 5,508,701 were issued to the cashier.
10. However, evidence of disbursement or acknowledgment of these payments was not found available.
11. The management paid Rs. 4,394,520 to M/s U&J Global International (Pvt.) Ltd. through Cheque No. 352357, dated 28-01-2022, for the procurement of survey tools.
12. However, it was observed that the PC-1 did not include provisions for the procurement of the tools in question. Additionally, the delivery challan from the firm lacked the signature of the office representative.

Irregularity was caused by weak management and internal controls.

The matter was reported in November 2023 and it was noted by the management for submission of a detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor was the DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into and got regularized from the Finance Department.

(PDP No. 2023-0000004707_F00001)

17.4.11 Defects in implementing of the scheme-Rs. 12.64 million

As per Para 1.47 of the Manual for Development Project of the Planning Commission, careful project preparation in advance of expenditure is the best available means to ensure efficient economic use of capital funds and to increase the chance of on-schedule implementation. Unless projects are carefully planned in substantial detail, inefficient or even wasteful expenditure of money is almost sure to result, a tragic loss in capital-short nations. As per PC-II, one of the responsibilities of the Project Steering Committee is to keep oversight of the survey implementation process.

During audit of Bureau of Statistics, Lahore for the period 2017-22, it was observed that the "Punjab Home Based and Domestic Workers Survey" had a budget of Rs. 81.378 million for 2021-22. Only Rs. 24.822 million was spent, with just one out of twenty-one planned activities executed. Unauthorized re-appropriation of Rs. 12.642 million and a lack of PSC approval for work plan modifications were observed.

Audit is of the view that weak financial and administrative controls have resulted in the non-achievement of targets and re-appropriation.

The matter was pointed out in February 2023. The management replied that Rs. 25 million was against 14 activities. BoS spent Rs. 24.822 million against 13 activities. The re-appropriation of Rs. 12.642 million was done within the heads that were in the purview of the Project Director. There was no need for approvals from PSC. The contention of the management has not been substantiated to establish that all the stipulated activities were performed.

The matter was further reported to the administrative department. In DAC meeting held on 28.09.2023, the para was kept pending for regularization from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at the administrative department's level besides seeking regularization from the Finance Department.

(PDP No. 2023-0000000286_F00012)

17.4.12 Tabulation of Fabricated data for cultivated area and un-cultivated area

According to the Section 26 sub-section (1) of the General Statistics (Reorganization) Act, 2011, any statistical data collected by the statistical authority shall be in accordance with the provisions of this act and, after ascertaining its quality for accuracy and ensuring confidentiality as set out in Section 28 shall be released for general dissemination.

During audit of Assistant Director Bureau of Statistics, Kasur for the period 2007-23, it was observed that the authority had not ensured quality and reliability for land utilization data related to district Kasur for the years from 2007 to 2023. According to data in 2012-14, the cultivated area from 358-315=43 thousand hectares decreased but the crop area 510 hectares remained constant. In 2015-17, cultivated area 320 to 323 = 3 thousand hectares was increased but the cultural waste remained constant. There should be a 9 thousand hectare increase in total uncultivated area. This clearly shows the fabrication of data. No supporting documents like Girdawari and Jinswar etc. were available for reconciliation of statistical data. Furthermore, the data pertaining to reported areas, cultivated areas, uncultivated areas, crop areas, and areas sown more than once are still not printed/available in the record of the department for the period of 2020-23.

This has resulted in the fabrication of data and non-confirmation of data from original sources during the years 2012-14 and 2015-17 which indicates ineffective data collection, compilation, dissemination mechanism, and weak internal controls.

The observation was issued to the department in the month of August 2023 but the department did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

The audit recommended that lapse be inquired into and actual data should be tabulated ascertaining quality for its accuracy.

(PDP No. 2023-0000003188_F00004)

17.4.13 Defective implementation of the scheme

Para 1.47 of the Manual for Development Project of the Planning Commission states that careful project preparation in advance of expenditure is the best available means to ensure efficient economic use of capital funds and to increase the chance of on-schedule implementation. Unless projects are carefully planned in substantial detail, inefficient or even wasteful expenditure of money is almost sure to result, in a tragic loss in capital-short nations.

During audit of Director General, Monitoring & Evaluation, Lahore for the period 2021-22, it was observed that a scheme titled “Monitoring, Evaluation, and Third Party Validation of ADP
2021-22” was approved. However, the activities were dormant such as IT testing and software development.

Audit is of the view that the lapse occurred due to weak supervisory and management controls.

The matter was pointed out in February 2023. The DG M&E as per its original scope of work conducted monitoring of 364 schemes during FY 2020-21 & 2021-2022 and evaluation of 119 schemes during FY 2020-21 & 2021-2022 without any charge to the development side. DG M&E prefers to do monitoring of schemes costing Rs. 400 million and above (as per the purview of the P&D Board) but where the schemes lesser than this cost have a high social impact, are also considered for monitoring. The contention of the management was indicative of the fact that remedies remained unexplored.

The matter was further reported to the administrative department. In DAC meeting held on 07.09.2023, the para was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that necessary steps be taken by the department to ensure implementation of the scheme in its true spirit.

(PDP No. 2023-0000000184_F00004)

Value for money and service delivery issues

17.4.14 Non-disbursement to the vulnerable-Rs. 4,632.74 million

According to Article 118(1) of the Constitution, 1973, all revenues received by the Provincial Government, all loans raised by that Government, and all sums of money received by it in repayment of any loan, shall form part of a consolidated fund, to be known as the Provincial Consolidated Fund.

During audit of Punjab Social Protection Authority, Lahore for the period 2021-22, it was observed that an amount of Rs. 6,845,160,697 was withdrawn from the Government Treasury for disbursement to vulnerable but the same was not disbursed to deserving persons. An amount of Rs. 1,501,413,754 was deposited vide challan No. 77 dated 17.02.2023 in the Provincial Consolidated Account-I. An amount of Rs. 710,910,721 was also deposited in Provincial Consolidated Account-I on 21.02.2023. Despite a deposit of Rs. 2,212,324,475 an amount of Rs. 4,632,736,222 was found in the balance as un-disbursed. Moreover, the bank unduly retains the amount for earning profits on un-disbursed balances, on account of favors conferred by the management.

Audit is of the view that the lapse occurred due to weak financial controls of the management.

The matter was pointed out in March 2023 and the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 13.09.2023, the para was kept pending for detailed verification. Further progress was not reported by the department till the finalization of this report.

Audit recommends that recovery be given effect to recoup the illegal amount to the Provincial Consolidated Fund.

(PDP No. 2023-0000000365_F00001)

17.4.15 Non-disbursement of released amount for the vulnerable by the BOP-Rs. 513.00 million

Rule 2.10(a) (1) of PFR Vol-I provides that the same vigilance should be exercised in respect of expenditure incurred from Government revenue as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of Punjab Social Protection Authority, Lahore for the period 2021-22, it was observed that an amount of Rs. 6,251,888,200 was released to BOP through various cheques for disbursement to the vulnerable. The management of BOP entered into an agreement with HBL Konnect for disbursement to the needy. The BOP gave a certificate of disbursement to PSPA at the time of disbursement to HBL Konnect rather than to the vulnerable. The PSPA management accepted this certificate without ensuring payment to the concerned beneficiaries. Further, out of releases of Rs. 6,251,888,200 made by the PSPA, BOP did not disburse the amount of Rs. 513,004,032 to HBL Konnect for further disbursement to the concerned as the disbursement certificates of the said amount were not provided by the BOP.

Audit is of the view that the lapse occurred due to weak financial controls of the management.

The matter was pointed out in March 2023 and the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 13.09.2023, the para was kept pending to reconcile the amounts not claimed by the beneficiaries. Further progress was not reported by the department till the finalization of this report.

Audit recommends that matters be inquired into for taking remedial measures/recovery, fixing responsibility besides ensuring disciplinary action against those held responsible.

(PDP No. 2023-0000000365_F00010)

17.4.16 Irregular operations of the scheme-Rs. 243.74 million

As per Para 1.47 of the Manual for Development Project of the Planning Commission states that careful project preparation in advance of expenditure is the best available means to ensure efficient economic use of capital funds and to increase the chance of on-schedule implementation. Unless projects are carefully planned in substantial detail, inefficient or even wasteful expenditure of money is almost sure to result, in a tragic loss in capital-short nations. Para 2.46 of the Planning Commission Manual stipulates that once approved, the executing agency is required to implement the project in accordance with the PC-I provisions. It has no authority to change or modify any approved parameter of the project. If the project executing agency determines (based on detailed justification) that the project cannot be implemented under the approved parameters and it requires revision of scope, physical components, or financial allocation, a revised PC-I must be submitted to the competent forum for approval.

During audit of Bureau of Statistics, Lahore for the period 2017-22, while examining the record of the scheme "Punjab Child Labor Survey" the following observations were noticed:

(1) As per PDWP minutes of meeting dated 08 and 12.03.2019, Member (PSW), P&D Board queried that the Labor and Human Resource Department should provide a list of all surveys/studies already conducted and also to attach certificates in PC-II that such study was not conducted previously.

(2) Project Steering Committee in its meeting dated 15-12-2021 directed to enclose global comparison in the final report of the survey but the said report was not found included in the final report of the PCLS.

(3) The original gestation period of this survey scheme was from September 2015 to Feb 2017 but actually this scheme continued till December 2020 showing a lack of planning and poor implementation.

Audit is of the view that irregularities occurred due to weak administration of the scheme.

The matter was pointed out in February 2023 and the management replied that the revised PC-II was approved at the cost of Rs. 243.743 million (Govt. of the Punjab share: Rs. 95.638 million and UNICEF share: Rs. 148.105 million) with the enhancement of gestation period up to 30.06.2020. A global comparison was not possible, as the definition of Child Labour in Punjab is different from the global definition. As per the timeline, the data collection activity was to be completed by the end of March 2020 - 92% of data collection from the field had been completed, meanwhile, the Government locked down the province due to the outbreak of COVID-19. Audit held that the contention of the management was not tenable. The scope of the project activity was deviated disproportionately. Global comparison cannot be disregarded as the elimination of child labor is one of the SDGs and the International Covenant for the Rights of Children is binding for the Government.

The matter was further reported to the administrative department. In DAC meeting held on 28.09.2023, the para was kept pending for detailed verification of record. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into and necessary regularization may be obtained from the competent authority.

(PDP No. 2023-0000000286_F00010)

Financial Matters

17.4.17 Illegal occupation of residences and non-recovery of penal rent-Rs. 3.75 million

As per para 10 of ABAD house allotment policy, officers who are occupying designated house are required to vacate the designated house upon their transfer within a period of two months and this period shall not be extended further in the case and as per para 14 (d) (iii) of the policy ibid, in case of transfer/deputation to a semi Government/autonomous body/project or provincial/Federal Government Agency, officer may retain the accommodation if posted out of Punjab for a period of one year.

During audit of accounts of Director General Agency for Barani Area Development, Rawalpindi for the financial year 2021-23, it was observed that Ex-Director General ABAD was residing in a designated residence i.e. Chief House of ABAD even after his transfer in contradiction of above rule. Final notice for vacating the house was issued to him vide No.ABAD/3563/Estt dated 10.08.2022 in which an amount of Rs. 1,423,627 on account of penal rent for the illegal occupation period (24.09.2020 to 30.06.2022) was pointed out by the management. However, the actual recovery from 24.09.2020 to 30.06.2023 including deduction of HRA and 5% maintenance charges comes to Rs. 2,949,961. Moreover, a Postal services officer was repatriated to her parent department but she retained the residence beyond entitlement. The recovery of penal rent comes to Rs. 799,222.

Audit is of the view that weak supervisory and internal controls resulted in non-recovery on penal rent from illegal occupants of the Government residences.

Matter was reported in November 2023. The management stated that detailed reply would be submitted later.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be taken up with administrative department for vacating the house from the concerned besides imposing recovery.

(PDP No. 2023-0000004707_F00011)

17.4.18 Irregular expenditure on rent of building-Rs. 7.33 million

Section 5 of The Punjab Rental Premises Act 2009 agreement between landlord and tenant provides that every rent/tenancy agreement must be in writing and must be registered with the relevant Registrar under the Registration Act, 1908 and must cover stamp duty as required under the Stamp Act, 1899. Rule 17.17(A) of PFR Vol-I provides that every Disbursing Officer shall maintain a register of liabilities in PFR Form No. 27 in which he should enter all those items of expenditure.

During audit of Planning and Development Department for the period 2007-23, it was observed that the rent of building amounting to Rs. 7,326,600 was paid to the landlords. Expenditure was held irregular on the following grounds:

(1) The payment of rent was made in excess of annual rental value (ARV) as calculated by the Excise and Taxation department in PT-1.

(2) No detail of property tax liability discharged was available in the record from 2007-2023.

(3) The landlords of buildings did not present the tenancy agreement before the Rent Registrar as per Registration Act 1908.

(4) Income tax was less deducted Rs. 6,540 for the period of 2021-23.

(5) The amount of rent of Rs. 81,000 was paid as pending liability.

(6) Non-realization of Stamp Duty on lease agreement of Rs. 30,282 was not realized.

(7) The payment of rent of building for the period from 2007 to 2020 amounting to Rs. 2,352,660 was made in cash.

Detail is tabulated below:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Assistant Director Bureau of Statistics Kasur	2007-23	2023-0000003188_F00001	1. Excess Amount of Rent Paid than Annual Rental Value 2. Non/Less deduction of Income Tax, Stamp Duty	3,701,040

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
2	Assistant Director Bureau of Statistics Sialkot	2007-23	2023-0000003189_F00003	1. Excess Amount of Rent Paid than Annual Rental Value 2. Non/Less deduction of Income Tax, Stamp Duty	3,625,560
Total					**7,326,600**

Audit is of the view that irregularity was caused by weak financial controls. The observations were issued to the departments in the month of August 2023 but the departments did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at an appropriate level, and recovery may be affected besides strengthening of financial and supervisory internal controls.

Others

17.4.19 Loss to Government due to theft of vehicle-Rs. 1.00 million

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

During audit of Director General Agency for Barani Area Development, Rawalpindi (RI-4016) for the financial year 2021-23, it was noticed that Vehicle No. RLE-1863 (Toyota 2006) costing Rs. 1,000,000 was stolen from the allottee of the vehicle and the management had launched an FIR 586 dated: 08-01-2022. Vehicle was stolen in district Sukkur and accordingly FIR was lodged in Sindhi language. Only FIR was shared with audit but enquiry file, further proceeding, outcomes were not shared with audit.

Irregularity was caused by weak administrative and financial internal controls.

Matter was reported in November 2023 and it was noted for submission of detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that responsibility be fixed and recover the loss from concerned besides strengthening supervisory internal control.

(PDP No. 2023-0000004707_F00010)

CHAPTER 18
POPULATION WELFARE DEPARTMENT

18.1 Introduction

Population Welfare Department is headed by a Secretary. It has two attached departments i.e. Director General Population Welfare and Director Training/Research and Production. As per Punjab Government Rules of Business 2011, the department has been assigned the business of:

- Population policy formulation, implementation, monitoring and evaluation
- Demographic statistics and analysis
- Mainstreaming population factor in development planning process
- Provision of family welfare services including family planning and general medical care
- Preparation of budget and development schemes
- Coordination with the Federal Government, international agencies, NGOs and donors
- Procurement and distribution of contraceptives
- Training research and development of professional standards
- Information, education and communication services
- Promotion of population planning activities through private and other public sector institutions
- Budget, accounts and audit matters
- Purchase of stores and capital goods
- Service matters except those entrusted to Services and General Administration Department
- Matters incidental and ancillary to the above subjects

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of Population Welfare Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	**Original Grant**	**Supplementary Grant/ Re-Appropriation**	**Final Grant**	**Actual Expenditures**	**Excess/ (Savings)**
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	141.59	35.68	177.27	174.36	(2.91)
PC21023	7,841.55	920.19	8,761.73	8,259.18	(502.55)
PC22036	1,808.07	(302.51)	1,505.56	1,100.57	(404.99)
Total	**9,791.21**	**653.36**	**10,444.57**	**9,534.11**	**(910.46)**

Overview of Expenditure

The final budget of Population Welfare Department for the year ended 30th June 2023 was Rs. 10,444.57 million. Out of this, actual expenditure was Rs. 9,534.11 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	7,983,140,000	8,433,542,443	450,402,443	5.64

Development	1,808,069,000	1,100,569,220	(707,499,780)	39.13
Total	**9,791,209,000**	**9,534,111,663**	**(257,097,337)**	**2.63**

This composition changed due to supplementary grants & surrenders.

Variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	8,939,004,000	8,433,542,443	(505,461,557)	5.65
Development	1,505,563,000	1,100,569,220	(404,993,780)	26.90
Total	**10,444,567,000**	**9,534,111,663**	**(910,455,337)**	**8.72**

Anticipated savings not surrendered

As per para 14.3 of Punjab Budget Manual, the spending departments are required to surrender the grants/appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (910.46) million at the close of the year 2022-23 under grant PC21010, PC21023 & PC22036 were not surrendered in time by the Department.

18.2 Classified summary of Audit Observations

Audit observations amounting to Rs. 182.72 million were raised in this report during audit of Population Welfare Department. Summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	**Classification**	**Amount**
1.	Procurement related irregularities	20.69
2.	HR/Employees related irregularities	4.65
3.	Management of accounts with commercial banks	157.38
Total		**182.72**

18.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports of Population Welfare Department discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not Received	Percentage of Compliance
1	1990-91	1	0	1	0
2	1991-92	4	0	4	0
3	1994-95	2	0	2	0
4	1995-96	10	1	9	10
5	1996-97	43	21	22	49
6	1997-98	53	15	38	28
7	1998-99	39	27	12	69
8	2005-06	25	10	15	40
9	2006-07	61	25	36	41

11	2013-14	4	0	4	0
Total		**269**	**101**	**168**	**38**
Note: The Audit Report years missing in the above table were either due to non-inclusion of subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The status of compliance with PAC directives is very low except for the FY 1998-99. The department is required to improve it. Further, the department is requested to reconcile the matter with Audit Department regarding any discrepancy.

18.4 AUDIT PARAS

Procurement related irregularities

18.4.1 Non-completion of tasks assigned to PITB against expenditure-Rs. 20.69 million

As per Rule 2.20 of PFR Vol-I, as a general rule every payment, including re-payment of money previously lodged with Government, for whatever purpose, must be supported by a voucher setting forth full and clear particulars of the claim.

During audit of the accounts of Project Coordination Officer of ADP scheme Strengthening Services, Access and Management of Family Planning Program in Punjab for financial year 2022-23, it was observed that Rs. 20.694 million were placed in the Assan Assignment Account of Punjab Information Technology Board.

Following observations came into notice:

a) Utilization report for Rs. 20,694,000 had neither been signed by authorized officer of PITB nor Project Coordination Officer of the scheme.

b) Moreover, as per entries in stock register only two Laptops were issued. Hence procurement of 07 Laptops was un-necessary and without immediate requirement. Order of competent authority and acknowledgement by receiving officer/official were also not shared with audit.

c) Expenditure incurred on purchase of POL for 18 officers in one bill and 35 officers in other bills for 02/2023 and 03/2023 were not linked with this ADP scheme which needs to be justified. Moreover, POL consumption account/log books showing bonafide consumption of POL for this ADP activities were also not shown.

d) Payment was made in advance but following tasks assigned to PITB were not completed uptill now:

    i. Assets like vehicles, laptops, android tablets, sign boards, plant and machinery and Furniture/Fixtures were not uploaded on Assets Inventory Management System

    ii. Defective Biometric System showing public holidays as absent was not got rectified

    iii. About 20% data information of uploading of monitoring visits, monitoring reports and HR/Employee related information had not been uploaded on performance reporting system.

The matter was pointed out in September 2023. The DDO replied that PITB is requested through letter Nos. PWD/DG/SSA&M/2022/3203 dated 13.09.2023 and PWD/D6/PCO-3100 dated 09.10.2023 for provision of above stated information to settle this observation. Matter regarding uploading/shifting of data/information on the new modules was under process at the end of PITB. It would be completed soon.

The matter was further reported to the administrative department. In DAC meeting held on 01.01.2024, the para was kept pending for compliance. Further progress was not reported by administrative department till the finalization of this report.

Audit recommends that responsibility be fixed for discrepancies and drawbacks. The irregular expenditure without supporting documents be got regularized from the Finance Department besides ensuring compliance of audit observations mentioned above.

(PDP No. 2023-0000004369_F00002)

HR/Employees Related Irregularities

18.4.2 Overpayment of pay & allowances-Rs. 4.65 million

As per 2.31(a) of PFR-Vol-I, a drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any over-charges, frauds and misappropriations.

During audit of Population Welfare Department, it was observed that pay and allowances i.e. 50/100% Civil Secretariat allowance, 20% Special allowance 2009, Utility allowance, Non-practicing allowance and Benevolent Fund amounting to Rs. 4,653,277 were drawn by various officers/officials without admissibility under the rules. The details are as under:

Sr. No.	Name of Formation	Period of audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1.	Secretary Welfare Population Welfare Department, Lahore	2022-23	2023-0000002806_F00002	Un-authorized drawl of in admissible allowances 50% / 100% Civil Secretariat allowance, Special Allowance 2009 20% and Utility allowance	3,264,690
2.	Secretary Welfare Population Welfare Department, Lahore	2022-23	2023-0000002806_F00013	Overpayment of Benevolent Fund	699,032

Sr. No.	Name of Formation	Period of audit	PDP No.	Nature of Irregularity	Amount (Rs.)
3.	District Population Welfare Officer, Lahore	2018-22	2023-0000000366_F00001	Irregular Payment of Non-practicing allowance	689,555
Total					**4,653,277**

Audit is of the view that weak internal controls on payroll resulted in overpayment of pay and allowances.

The matter was pointed out in June and August 2023. The management of formation at Sr. No. 1 & 2 replied that due to non-providing of staff by S&GAD, field staff was appointed in Secretary PWD office and noted the observation. In case of Sr. No. 3, it was replied that detail reply will be submitted later on.

The matter was further reported to the administrative department. In DAC meetings held on 30.08.2023 and 08.12.2023, the paras at Sr. Nos. 1 & 3 were kept pending for clarification from the Finance Department. The para at Sr. No. 2 was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that responsibility be fixed for overpayment of pay & allowances besides ensuring recovery of the same and its deposit into Government Treasury.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para numbers 15.4.2(3) and 15.4.2(4) having financial impact of Rs. 4.34 million and Rs. 1.89 million. Recurrence of same irregularity is a matter of serious concern.

Management of accounts with commercial banks

18.4.3 Non transfer of monthly subscription of Benevolent Fund to population welfare fund account in bank-Rs. 121.807 million

Under Punjab "Population Welfare Department Benevolent Fund Rules 2005", Population Welfare Department Employees Benevolent Fund Board was established to approve the claims of invalidated, retired/legal heirs of deceased officers/officials of Population Welfare Department w.e.f. 31.12.1975 to 30.02.2002 as approved by the Governor of the Punjab on 07.04.2006.

During Audit of the accounts of Secretary, Population Welfare Department for the financial year 2022-23, it was observed that:

a) Monthly subscriptions of Benevolent Fund deducted from salaries of employees (appointed before 2002) by AG Punjab were not transferred to the Population Welfare Department Benevolent Fund account maintained in the Bank of Punjab to make payments to the concerned retired /legal heirs of deceased employees. Neither Rs. 115.609 million for the period 01.07.1996 to 30.06.2000 and 01.07.2002 to 31.12.2013 were transferred from Provincial Benevolent Fund to Population Welfare Fund nor Provincial Benevolent Fund Board accepted the claims of such employees. Subscriptions of benevolent fund from 01.01.2014 to date were not calculated and demanded from Provincial Benevolent Fund Board.

b) Amount deducted by AGPR Rs. 6,198,963 was also not transferred to Benevolent Fund account of Population Welfare Department for the period from 01.07.2000 to 30.06.2002.

Employees and families of deceased employees have been deprived of educational scholarship, marriage grant and others grants at the rates admissible to other provincial employees.

The matter was pointed out in August 2023. The DDO replied that Population Welfare Department, Punjab will approach federal BFD/AGPR Islamabad and AG Punjab for verification/reconciliation and transfer of the amount.

The matter was further reported to the administrative department. In DAC meeting held on 08.12.2023, the para was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that responsibility be fixed for non-transfer of amount to population welfare fund account.

(PDP No. 2023-0000002806_F00008)

18.4.4 Irregular maintenance of bank account and drawl of amount-Rs. 27.806 million

Rule 9(1) of Treasury Rules Punjab provides that a Government servant may not, except with special permission of Government, deposit in a Bank money withdrawn from the consolidated Fund or the public account of the province under the provision of Section VII of these Rules. As per Rule 2.2 of PFR Vol-I, all transactions of money received from the bank/treasury should be entered in the cash book as soon as they occur and attested in the token of check as required.

During audit of District Population Welfare Officer, Lahore for the period 2018-22, it was observed that a bank account bearing No. 1442004000717439 was maintained by the department in National Bank of Pakistan. Following irregularities were observed:

a) Finance Department’s permission for opening of Bank Account was not obtained.

b) The amount was withdrawn and deposited in the bank account but it was noticed that neither cash book was maintained nor reconciliation was made. In absence of cash book, audit could not verify the expenditure. Moreover, the purpose of maintaining such account and disbursement details were not shared with audit.

Audit is of the view that lapses occurred due to weak supervisory and financial controls

The matter was further reported to the administrative department. In DAC meeting held on 30.08.2023, the para was kept pending for clarification from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the irregularity be got condoned from the Finance Department.

Note: The issue was reported earlier also in the Audit report for Audit Year 2018-19 vide para number 21.4.6(1) having financial impact of Rs. 7.757 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No. 2023-0000000366_F00006)

18.4.5 Loss to Government due to Non-Refund of Un-Spent Money-Rs. 7.77 million for last five years

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held responsible for any loss sustained by Government through fraud or negligence on his part.

During audit of the accounts of Secretary, Population Welfare Department for the period 2022-23, it was observed that advance drawl of funds for Rs. 1,089,064,806 were made from Government Treasury for opening of LCs for procurement of contraceptives out of which Rs. 1,081,290,494 were spent during 2015-16 to 2018-19. Funds were not fully utilized and a balance of Rs. 7,774,312 remained unspent which has not yet been refunded to Government Treasury. The stated amount was kept in a current bank account No. 601004110560012 in Bank of Punjab instead of placing it in a PLS account. Due to retention of unspent money in a current bank account, Government sustained an estimated loss of Rs. 3,887,156 on account of profit. (Rs. 7,774,312*5*10/100)

The matter was pointed out in August 2023. The management replied that an amount of Rs. 2,282,541 is lying as balance of the LC amount which could not be utilized due to fluctuation of dollar rates.

The matter was further reported to the administrative department. In DAC meetings held on 08.12.2023, the para was kept pending for provision of detail ledger from Bank of Punjab. Further progress was not reported by the department till the finalization of this report.

Audit recommends that un-spent money be refunded to Government Treasury immediately besides taking disciplinary action against persons held responsible for retention of public money in current bank account for five years.

(PDP No. 2023-0000002806_F00001)

CHAPTER 19
PRIMARY AND SECONDARY HEALTHCARE DEPARTMENT

19.1 Introduction

Primary and Secondary Healthcare Department (P&SHD) is responsible to deliver quality healthcare services to the community through an efficient and effective service delivery system that is accessible, equitable, culturally acceptable, affordable and sustainable. P&SHD aims to improve the health and quality of life of all, particularly women and children, through access to essential healthcare services.

The Primary and Secondary Healthcare Department strives to reform and strengthen the critical aspects of the health care systems and enable it to:

- Provide and deliver a basic package of quality essential health care services
- Develop and manage competent and committed health care providers
- Generate reliable health information to manage and evaluate health services
- Adopt appropriate health technology to deliver quality services
- Reform the health administration to make it accountable to the public

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of Health Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	1,682.20	340.13	2,022.33	2,034.90	12.57
PC21016	183,640.45	1,008.80	184,649.24	177,249.57	(7,399.67)
PC22036	163,745.77	(77,810.15)	85,935.61	84,663.11	(1,272.50)
Total	**349,068.41**	**(76,461.22)**	**272,607.19**	**263,947.59**	**(8,659.61)**

Overview of Expenditure

The final budget of Health Department for the year ended 30th June 2023 was Rs. 272,607.19 million. Out of this, actual expenditure was Rs. 263,947.59 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	185,322,646,000	179,284,474,301	(6,038,171,699)	(3.26)
Development	163,745,765,000	84,663,111,660	(79,082,653,340)	(48.30)
Total	**349,068,411,000**	**263,947,585,961**	**(85,120,825,039)**	**(24.39)**

This composition changed due to supplementary grants & surrenders.

Variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	186,671,578,390	179,284,474,301	(7,387,104,089)	(3.96)
Development	85,935,612,853	84,663,111,660	(1,272,501,193)	(1.48)
Total	**272,607,191,243**	**263,947,585,961**	**(8,659,605,282)**	**(3.18)**

Anticipated savings not surrendered

As per para 14.3 of Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (8,659.61) million at the close of the year 2022-23 under grants PC21010, PC21016, & PC22036 were not surrendered in time by the Department.

19.2 Classified summary of Audit Observations

Audit observations amounting to Rs. 7,388.48 million were raised in this report during audit of Primary and Secondary Healthcare Department. This amount includes recoveries of Rs. 640.53 million as pointed out by the audit. Summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	640.53
2.	Procurement related irregularities	3,260.74
3.	HR/Employees related irregularities	31.19
4.	Management of accounts with commercial banks	1,708.01
5.	Financial Matters	297.52
6.	Others	1,450.49
Total		**7,388.48**

19.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives for reports discussed so far is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not Received	Percentage of Compliance
1	1984-85	46	38	8	83
2	1985-86	48	35	13	73
3	1986-87	67	53	14	79
4	1987-88	145	91	54	63
5	1988-89	79	55	24	70
6	1989-90	101	54	47	53
7	1990-91	128	75	53	59
8	1991-92	67	47	20	70
9	1992-93	71	44	27	62
10	1993-94	88	54	34	61
11	1994-95	76	5	71	7
12	1995-96	122	0	122	0
13	1996-97	108	69	39	64
14	1997-98	201	53	148	26

21	2006-07	235	103	132	44
22	2009-10	295	64	231	22
23	2010-11	125	36	89	29
24	2011-12	97	25	72	26
25	2012-13	138	37	101	27
26	2013-14	89	12	77	13
27	2015-16	241	29	212	0
Total		**3889**	**1812**	**2077**	**47**
Note: The Audit Report years missing in the above table were either due to non-inclusion of subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The Punjab Health Department was split into Specialized Health Care and Medical Education and Primary and Secondary Health Care Departments in the Financial Year 2015-16.

No para has been discussed in PAC of Primary and Secondary Healthcare Department as independent department. However, the department is required to improve compliance status of relevant formations in respective paras of Health Department in table above. Further, the department is requested to reconcile the matter with Audit Department regarding any discrepancy.

19.4 AUDIT PARAS

Recoveries and overpayments

19.4.1 Recovery due to non-deposit of EOBI charges- Rs. 281.61 million

As per Section 9 & 9B of Payment of Employee Rule 1976, Contribution @ 5% & 1% by the employer & employee was to be charged respectively. As per PPRA clarification vide No.L&M(PPRA)1-2(G)/17, dated 16.08.2021, the schedule must be verified by the procuring agency and included in bidding document as a constant and mandatory requirement. As per bidding document clause (3.1.4.3), the firm must abide by prevailing labour laws including but not limited to payment of Minimum wages, and EOBI to its employees concerning janitorial services.

During audit of Project Director, Project Management Unit, Primary & Secondary Healthcare Department for the period 2022-23, it was observed that the management paid Rs. 281,610,000 on account of EOBI to outsourcing contractors but the amount was not deposited by the contractor with concerned agency.

Audit is of the view that lapse occurred due to poor existence of administrative and financial controls.

The matter was pointed out to the formation concerned during August 2023. The management did not offer any replies.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be inquired into and the amount be got deposited besides strengthening administrative and financial controls to avoid recurrence of such lapses in future.

(PDP No. 2023-0000003215_F00005)

19.4.2 Non-deduction of taxes and Government dues- Rs. 282.38 million

As per Section 153(1) of Income Tax Ordinance, 2001 and Section 3(1) of the Punjab Sales Tax on Services Act, 2012, income tax and Punjab sales tax was required to be withheld at source on prescribed rates before making payments to the firms.

As per Government of Pakistan, Revenue Division Federal Board of Revenue Inland Revenue Circular NO. 09 of 2022-23 bearing No.C.No.391)ST-L&P Islamabad dated 21.07.2022, drugs registered under the Drugs Act, 1976 have been made chargeable to tax at reduced rate of 1% without input adjustment. Similarly, active pharmaceutical ingredients (APIS) and their raw materials are also chargeable at fixed rate of 1% subject to certification by DRAP.

During audit of Primary & Secondary Healthcare Department, it was observed that GST, PST and income tax to the tune of Rs. 282,376,188 were not withheld/recovered before making payment to the firms/contractors which resulted in loss to Government. The details are given in annexure-31.

Audit is of the view that the lapse occurred due to weak internal controls on recoveries.

The matter was pointed out to the formations concerned during August to November 2023. The managements did not offer cogent replies.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the department should strengthen its internal controls besides ensuring recovery of stated amount from those concerned and depositing it into Government treasury.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para numbers 16.4.4, 15.4.14, 17.4.12, 15.4.9 and 22.4.51 having financial impact of Rs. 270.56 million, Rs. 105.50 million, Rs. 308.90 million, Rs. 1.84 million and Rs. 87.86 million. Recurrence of same irregularity is a matter of serious concern.

19.4.3 Non-recovery of late delivery charges and shelf-life penalty-Rs. 65.83 million

As per relevant clause of respective supply orders/bidding documents, in case of late delivery of goods beyond the periods specified in the Schedule of Requirements, penalty @ 0.1% per day of the cost not exceeding 10% of the purchase order/contract value for late delivered supply shall be imposed upon the supplier. Further, the shelf life must be up to 85% for the locally manufactured drugs and 75% for the imported drugs. The lower limit of the shelf life must be up to 80% and 70% with imposition of 1% penalty charges of actual shortfall in shelf life below prescribed limit for locally manufactured and imported medicines respectively.

During audit of Primary & Secondary Healthcare Department, it was observed that the contractors/suppliers failed to supply the items within the stipulated period and medicines were supplied having below shelf life. However, the management did not recover the late delivery charges and below shelf-life penalty of Rs. 65,825,805 from the contractors concerned.

The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	PMU, P&SH Department	2022-23	2023-0000003215_F00013	Non recovery of LD charges on supply of equipment.	49,780,000
2	Directorate Provincial EPI Cell, Lahore	2022-23	2023-0000003193_F00004	Late delivery charges not recovered for supply of Vaccines	10,642,164
3	Hepatitis & Infection Control Program	2021-23	2023-0000004720_F00002	Late delivery charges not recovered for supply of medicine	3,612,380
4	Prime Minister Health Initiative (PMHI) Program, Lahore	2022-23	2023-0000004360_F00004	Below shelf life penalty not recovered	907,328
5	Program Manager, Prevention & Control of Non-Communicable Diseases (NCD)	2022-23	2023-0000004721_F00002	Non recovery of LD charges	883,933
Total					**65,825,805**

Audit is of the view that the lapse occurred due to weak internal controls on recoveries.

The matter was pointed out to formations concerned during August to November 2023. The management at Sr. Nos. 2 replied that LCs of most of the vendors could not be opened timely by the importers leading in delay of supplies. The management at Sr. Nos. 3 & 5 replied that detailed response would be submitted later after consulting the record. Rest of the entities did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that late delivery charges and below shelf-life penalty be recovered from the concerned and deposited into Government treasury besides strengthening internal controls.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23 and 2018-19 vide para numbers 16.4.5 and 22.4.58 having financial impact of Rs. 30.81 million and Rs. 6.32 million. Recurrence of same irregularity is a matter of serious concern.

19.4.4 Recovery due to irregular payment of demurrage charges-Rs. 10.71 million

As per clause 13.6 of bidding document, the procuring agency will provide all necessary documents for facilitation and custom clearance but no amount be given in any case except the contracted amount. The octroi, clearing charges, transportation etc. will be borne by the contracting firm. Further, clause 13.3 of the General Conditions of Contract (GCC) in bidding documents provides that, the supplier shall be required to provide all the incidental service charges and the cost of such incidental services include in total contract price. The procuring agency will not pay any extra amount against any expenditure incurred on it, as the contract shall be construed as fixed amount contract and includes all costs.

During audit of Project Director, Project Management Unit, Primary & Secondary Healthcare Department for the financial year 2022-23, it was observed that management paid demurrage charges Rs. 10,707,196 to firms although it was clearly mentioned in bidding documents that "procuring agency will not pay any extra amount against any expenditure incurred on it, as the contract shall be construed as fixed amount contract and includes all costs". This resulted into overpayment of stated amount and loss to public exchequer.

Audit is of the view that lapse occurred due to weak financial and supervisory controls.

The matter was pointed out to formation concerned during August 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into, recovery be affected besides strengthening administrative and financial controls to avoid recurrence of such lapse in future.

(PDP No.2023-0000003215_F00014)

Procurement related irregularities

19.4.5 Non transparent award and extension of contract for outsourcing CT Scan machines services-Rs. 2,380.66 million

As per Rule 25.4 of PPR 2014, where any change becomes essential in the procurement process, such change shall be made in a manner similar to that of the original advertisement. As per bidding document, terms of reference at Sr. No. 06, the party will install the system within 02 months of signing the Contract and complete the installation for whole sites within 06 month, at Sr. No. 07 the validity of this contract for providing the Scanning facility will span for 05-years, extendable, subject to up-gradation of the facility /Scanner. As per agreement dated 31.01.2017, at Sr. No. 2.2, M/S Eastern Medical Technology shall complete installation/ commissioning of "brand new 16 Slice CT Scanning machine of "Hitachi Japan" with all its accessories as per approved technical specifications within (180) days from the date of signing of the contract. 20% installation/ commissioning of equipments will be complete within 90 days.

During audit of the Project Director, Project Management Unit, Primary & Secondary Healthcare Department for the financial year 2022-23, scrutiny of contract file revealed that outsourcing contract of CT Scan test for twenty (20) hospitals was awarded to M/s Eastern Medical Technology services on 31-January-2017. Following irregularities were noticed:

i. As the agreement originally singed provides entitler to an annual increase of 7% of the patients afforded scanning irrespective of fluctuations in foreign currency or KIBOR. However, after seven years of signing of contract, the management paid Rs. 26,887,010 as arrear by calculating 7% compounding increase and also adopted said practice for future as undue favors to the contractor. The arrear amount should be recovered and the rate should be increased on base rates instead of applying the compounding formula.

ii. An amount of Rs. 33,656,459 which was withheld by the management in the invoice due to the fake signing of doctors identified by the internal auditor was again paid to the concerned contractor without verification of record or forensic of said signature.

iii. Management made amendments in the contract dated 31.01.2017 and paid an advance payment of Rs. 56,880,000 irregularly as that clause was not mentioned in bidding documents. If said clause had already been added in tender document, more economical competition could have been made. The said amount was adjusted after a considerable delay of 4 years which is irrational and unjustified. Moreover, said advance drawl was made without the approval of the Finance Department.

iv. As per the bidding document, the functional time of CT Scan machine should be 95% but in different hospital, its functional time was below 95% (80% to 90%). But the management did not impose any penalty.

v. As per the 5th amendment in the agreement, five machines should be installed dated 31.03.2019 subject to imposing penalty @ 237,000 per machine but it was not installed within that period and management did not recover a penalty of Rs. 1,185,000 from the concerned.

vi. As per the bidding document, the party will install the system within 02 months of signing the contract and complete the installation for all the sites within 06 months but management made a number of amendments in contract by extending the period to favour the contractor and he failed to install within stipulated time.

vii. As per the bidding document, the validity of this contract for providing the Scanning facility will span for 05-year, extendable, subject to up-gradation of the facility /Scanner by the contractor but management extended said contract up to an unlimited period with mutual consent despite the fact that said contractor could not upgrade facility of scanning.

viii. Management paid guaranteed load of Rs. 298,620,000 to contractor due to the non-assurance of an average of 200 patients per month by the department, ignoring the fact that all CT scans machines were installed with considerable period of delay ranging from 122 to 1067 days. The said amount was used by the contractor for about two and half years and later on when management understood that it was a wrong payment, it was adjusted in next bills. Responsibility was not fixed against the concerned due to wrong payment.

ix. Management again paid the guaranteed load of Rs.16,124,627 as an arrear/adjustment.

Audit is of the view that non transparent award and extension of contract of outsourcing CT Scanning were due to defects in administrative and financial controls.

The matter was pointed out to formation concerned during August 2023. The management did not offer any reply.

The matter was further reported to the Administrative Department. Neither any reply was received nor DAC meeting was convened till the finalization of this Report despite issuance of reminders in November and December 2023.

Audit recommends that matter be inquired, responsibility to fixed against concerned, beside affecting recovery and strengthening of internal controls.

<u>Note:</u> The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 16.4.13 having financial impact of Rs. 2,298.62 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No. 2023-0000003215_F00006)

19.4.6 Irregular procurements in violation of Punjab Procurement Rules 2014 and bidding criteria-Rs. 880.08 million

As per Notification issued by PPRA on prequalification of single firm vide Notification No.L&M(PPRA)10-01/2011 dated 10-02-2020, Managing Director PPRA clarified that whenever procuring agencies take up public procurement through prequalification mode they must ensure that at least three (03 number) prequalified bidders are available for the further bidding process and in case if the turnout of the prospective bidders for the procurement emerges less than three or only one bidder qualifies out of the clusters of applicant bidders for prequalification then the procuring agency must reconsider the prequalification criteria modalities which obstructs attracting the desired number of prospective bidders. In the wake of above, PPRA is of the concerted opinion that a prequalification cannot be considered as valid if it falls short of at least three bidders to compete for further bidding process.

As per Rule 4 of Punjab Procurement Rules 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. Moreover, as per Rule 9 of the Rules ibid, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurement so planned. Furthermore, Rule 12 ibid states that a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the

Authority. Any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

During audit of Primary & Secondary Healthcare Department, it was observed that expenditure to the tune of Rs. 880,079,027 was incurred on procurement of goods and services. The procurements were made in violation of Punjab Procurement Rules and bidding criteria which rendered the whole expenditure irregular. The details are given in annexure-32.

Audit is of the view that disregard to Punjab Procurement Rules 2014 resulted in irregular expenditure.

The matter was pointed out to the formations concerned from March to November 2023. The management at Sr. No. 1 replied that procurement was made through open tender process. The management at Sr. No. 2 noted the observation for future compliance. The managements at Sr. Nos. 3, 4, 6, 9, 10, 13 & 15 stated that replies will be submitted later on after consulting record. The management at Sr. Nos. 8 & 12 noted the observation for compliance and rest of the management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the paras at Sr. Nos. 2 & 8 were kept pending for regularization from Finance Department. The para at Sr. No. 12 was kept pending for compliance. Further progress was not reported by the Department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the responsibility for non-adherence to rules be fixed and remedial measures be taken besides seeking regularization of irregularity.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para numbers 16.4.10, 15.4.6, 17.4.4, 15.4.3 & 22.4.8 having financial impact of Rs. 4,227.80 million, Rs. 6632.73 million, Rs. 10,851.34 million, Rs. 1,571.94 million and Rs. 1,611.72 million. Recurrence of same irregularity is a matter of serious concern.

HR/Employees related irregularities

19.4.7 Irregular payment of inadmissible allowances-Rs. 12.96 million

As per Government of the Punjab, Finance Department Notification No. FD.SR-I/8-14/2016 dated 29.06.2017, actual residential accommodation charges up to 5-dailies will be admissible on production of receipts as per existing rules. However, when residential accommodation receipts are not submitted only 2-dailies will be allowed to the Government servant.

As per Sr. No. 2 of Govt. of the Punjab, Finance Department's letter No.FD.SR-I/6-4/2019 dated 05.04.2021, Non-Practicing Allowance (NPA) is not admissible to doctors working in P&SH Department and SHC&ME Department serving on administrative posts. The same facility has not been extended to the doctors working on administrative posts in other administrative departments.

As per clarification of Finance Department vide letter No.FD.SRT.9-4/86(P)(PR) dated 21.04.2014, the officers availing Government vehicles (sanctioned/pool) are not entitled to the facility of conveyance allowance w.e.f. 01.03.2014. As per Finance Department Notification No.106SO(SR)(iv)/7 dated 18.08.1977, conveyance allowance is not admissible during leave including LPR and vacations.

As per Sr. No. 8 of terms & conditions of Offer of Appointments issued under Prime Minister's Health Initiative, Punjab, "the contract appointment will liable to be terminated on one month's notice or on payment of one month pay in lieu thereof, on either side, without any notice on administrative grounds or on account of poor performance/ undesirable conduct or unauthorized/willful absence from duty".

As per Finance Department letter No.FD.SR-II/9-131/2020 dated 05.10.2022, the Chief Minister has been pleased to decide that in service regular Government servants so appointed posted in projects, programs, authorities against non-carded posts shall be entitled to the grant of incentive allowance in addition to their admissible salary under the respective pay scales. In case executive allowance or any other cadre specific allowance is admissible on a post then there will be an option to choose either of one.

During audit of Primary & Secondary Healthcare Department, it was observed that various allowances such as Non-practicing Allowance, Health Professional Allowance and Special Healthcare Allowance, Daily Allowance and Conveyance Allowance to the tune of Rs. 12,956,396 were paid to the officers/officials without admissibility. The details are given in annexure-33.

Audit is of the view that lapse occurred due to weak internal controls on payroll.

The matter was pointed out to the formation concerned during August and November 2023. The management at Sr. No. 4 replied that as post of Medical Officer was not an administrative post so they are entitled for NPA, however further clarification may be sought from Finance Department to proceed further in the matter. The reply was not tenable because no documentary evidence was provided in support of the contention. Rest of the management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to recover the overpaid inadmissible pay and allowances from the concerned and deposit the same into Government treasury.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22 and 2018-19 vide para numbers 16.4.7, 15.4.13 and 22.4.54 having financial impact of Rs. 12.48 million, Rs. 10.88 million and Rs. 7.12 million. Recurrence of same irregularity is a matter of serious concern.

19.4.8 Irregular re-employment-Rs. 8.32 million

As per Re-employment Policy of Retired Govt. Servant/Army Personnel issued vide No.SOR-I-10-1/2003 dated 16th June 2003, "In order to streamline the procedure regarding re-employment of retired Government servants/Army personnel, the Chief Minister has desired that in future all cases of re-employment on contract must be examined by the Provincial Re-employment Board/Provincial Re-employment Committee in accordance with the policy and recommendations of the Board/Committee should be then submitted for orders of the Chief Minister.

During audit of Program Director, Integrated Reproductive Maternal Neonatal and Child Health, Lahore for the financial years 2022-23, it was observed that Additional Director (M&E) was appointed on contract basis @ Rs. 300,000 per month for one year vide order dated 09.02.2017 of Primary and Secondary Healthcare Department and he joined the post on very next date of his retirement i.e., 29.03.2017 (retired on 28.03.2017 as APMO P&S Healthcare Department). His contract was extended time and again on same terms and conditions for 29.03.2018 to 28.03.2019, 29.03.2019 to 30.06.2019, 01.07.2019 to 30.06.2020, 01.07.2020 to 30.06.2021 then 01.07.2021 to 30.06.2023 and paid Rs. 8,316,000 during 2022-23. Following irregularities were observed:

1. Re-employment was unlawful as the appointment was not approved by the Chief Minister on the recommendation of Provincial Re-employment Board.
2. The officer was appointed on lump sum salary of Rs. 300,000 per month and all his extension orders were on same terms and conditions. In February 2023, his pay was revised from back dates and he was paid arrear due to increase in pay @ 10% annually from July 2018 to June 2020 and Rs. 18,500 per year from July 2020 to onward on basis of revised PC-I. In this way, the officer had drawn Rs. 4,716,000 in addition to his pay fixed in appointment order.
3. All his extension orders were issued by Director IRMNCH on existing terms and conditions. Extension order by appointing authority i.e., Secretary Primary and Secondary Healthcare was not available in his personal file for period 29-3-2018 to 30-6-20.

The Irregular re-employment was made due to weak internal controls.

The matter was pointed out to the formation concerned during October 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to fix the responsibility, de-notify the irregular appointments and get the matter condoned with the sanction of Finance Department.

(PDP No. 2023-0000004359_F00010)

19.4.9 Irregular payments to contingent paid staff-Rs. 8.21 million

As per Schedule of Wage Rates issued by Government of the Punjab, Finance Department, appointment to a post included in the Schedule be made subject to the condition that the post(s) shall be advertised properly in the leading newspapers. Moreover, as per Finance Department's letter No.SO(TT)2-2/72-Pt-I dated 19.07.2008, monthly salary of all Government employees may strictly be disbursed through their bank accounts alone failing which the salary of defaulting employees may be stopped.

During audit of the accounts of Program Manager Prevention and Control of Non-Communicable Diseases (NCD) for the period 2021-23, it was observed that expenditure of Rs. 8,211,958 was incurred on engagement of contingent paid staff. The expenditure was held irregular as the staff was hired without advertisement. Further, criteria of appointment, advertisement record, selection committee notification, applications of the candidates, diary register, scrutiny record of the application, interviews letters, attendance of applicants, marks given by interviewing committee were also not found in record/provided to audit for verification.

Audit is of the view that lapse occurred due to weak supervisory and financial control.

The matter was pointed out to the formation concerned during October 2023. The management received the observation with remarks that detail reply will be submitted after consultation of record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be looked into at administrative departmental's level besides seeking regularization from Finance Department.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22, 2020-21 and 2019-20 vide para numbers 15.4.1, 17.4.3 and 15.4.2 having financial impact of Rs. 765.20 million, Rs. 61 million and Rs. 15.95 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No.2023-0000004721_F00005)

19.4.10 Less deduction of income tax on pay & allowance-Rs. 1.70 million

As per Sr. No. 2 of division-1 of part-1 of first Schedule of Income Tax Ordinance, 2001 (updated June 2022), where the income of an individual chargeable under the head "salary" exceeds seventy-five per cent of his taxable income, the rates of tax to be applied shall be as set out in the following table:

Sr. No.	**Taxable Income**	**Rate of Tax**
(1)	(2)	(3)
1.	Where taxable income does not exceed Rs. 600,000	Rs. 0
2.	Where taxable income exceeds Rs. 600,000 but does not exceed Rs. 1,200,000	2.5% of the amount exceeding Rs. 600,000
3.	Where taxable income exceeds Rs. 1,200,000 but does not exceed Rs. 2,400,000	Rs. 15,000 + 12.5% of the amount exceeding Rs. 1,200,000

Sr. No.	Taxable Income	Rate of Tax
4.	Where taxable income exceeds Rs. 2,400,000 but does not exceed Rs. 3,600,000	Rs. 165,000 + 20% of the amount exceeding Rs. 2,400,000
5.	Where taxable income exceeds Rs. 3,600,000 but does not exceed Rs. 6,000,000	Rs. 405,000 + 25% of the amount exceeding Rs. 3,600,000
6.	Where taxable income exceeds Rs. 6,000,000 but does not exceed Rs. 12,000,000	Rs. 1,005,000 + 32.5% of the amount exceeding Rs. 6,000,000
7.	Where taxable income exceeds Rs. 12,000,000	Rs. 2,955,000 + 35% of the amount exceeding Rs. 12,000,000

During audit of Project Director, IRMNCH for the period 2022-23, it was observed that the officers posted at PMU office were drawing pay but income tax on salary was less deducted which resulted into overpayment to officers Rs. 1,702,281 and loss to Government.

Less deduction of income tax was due to weak controls and resulted into excess payment to employees.

The matter was pointed out to the formation concerned during October 2023. The management stated that reply will be submitted after consultation of record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to fix the responsibility besides affecting recovery from the concerned staff and depositing the same into Government Treasury.

(PDP No.2023-0000004359_F00016)

Performance related irregularities

19.4.11 Poor performance due to non-provision of training

As per the approved PC-I of the programs IRMNCH&NP, CMSRP and Provision of Health Services to the Children with Special Needs in Special Children Institutes, the funds were approved against various components of the program as detailed in the Cost Summaries. An amount of Rs. 112.30 million was earmarked for the training during the program.

During audit of the accounts of Program Director, Integrated Reproductive Maternal Neonatal and Child Health, Lahore for the period 2022-23, it was observed that the budget was allocated for training but neither the amount was utilized nor training provided to the staff.

Audit is of the view that the lapse occurred due to poor internal and financial controls.

The matter was pointed out to the formation concerned during October 2023. The management stated that reply will be submitted after scrutiny of record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter may be probed at administrative department level for fixing responsibility besides strengthening of internal controls.

(PDP No.2023-0000004359_F00011)

Management of accounts with commercial banks

19.4.12 Undue parking of public money outside Government Treasury-Rs. 1,561.16 million

According to Clause II of the austerity measures issued by Government of the Punjab, Finance Department vide letter No.FD.SO(GOODS)44-4/2016 dated 09.08.2019, "Placement of funds in Bank Accounts of Entities" un-necessary parking of public funds provided by the Provincial Government from its budgetary allocation in the commercial bank of account of Companies, Authorities, Autonomous Bodies etc. shall not be allowed. Finance Department will release funds to such entities in relevant SDAs or through normal release mode. These funds will be further transferred from SDAs into commercial bank accounts of such entities as per cash flow requirements of entities to avoid un-necessary parking of funds.

Policy guideline for treatment of profits earned on funds lying in commercial banks from money withdrawn by the provincial Government entities from Provincial Consolidated Fund (PCF) was issued by the Finance Department vide No.FD(W&M)1-1/70(Vol-XV)2021/98 dated 09-06-2023. Para 6(i) of the said policy states that profit accrued against the money withdrawn from PCF/public account:

i. In case money is provided for execution of ADP scheme to the administrative department or attached department, expected to be completed in a financial year, the amount received at the close of the financial year shall be deposited with the Finance Debarment through a cheque in the designated head of account

ii. In case money is provided for ADP scheme to the administrative department or attached department and to be executed during more than one year, the profit accrued on public money shall be intimated to Finance Department till 30th June the amount of such profit shall be deducted at source by the Finance Department while releasing fund for next financial year. Sr. No. (ii) of para 6 of ibid states that profit accrued against the money provided to administrative department and attached department to support service delivery or for other operational purpose etc. the profit shall be deposited in the Government treasury by the administrative department and attached department via Finance Department through a cheque.

During audit of Project Director, Project Management Unit, Primary & Secondary Healthcare Department for the financial year 2022-23, it was observed that huge amount of Rs. 1,561,162,267 withdrawn from Government Account was retained in commercial bank accounts by the department. The unutilized funds and profit accrued thereupon were not transferred to Government Treasury. The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	PMU, P&SH Department	2022-23	2023-0000003215_F00001	SDA funds drawn during 2021-23 parked in current account of BOP for procurement. No procurement made even lapse of more than 12 months	1,465,830,000
2	Secretary P&SH	2022-23	2023-0000002822_F00012	Profit of bank balances and other amount not transferred to Govt. Treasury	95,332,267
Total					**1,561,162,267**

Undue parking public money outside Government Treasury was due to weak financial controls.

The matter was pointed out to the formation concerned during October 2023. The management at Sr. No. 1 did not offer any reply. The management at Sr. No. 2 noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the para at Sr. No. 2 was kept pending till payment of taxes. Further progress was not reported by the Department. As regards remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be inquired, responsibility be fixed against concerned, and the parked amount be recovered from commercial banks and be deposited into Government treasury.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23 and 2021-22 vide para numbers 16.4.17 and 15.4.16 having financial impact of Rs. 1,695.11 million and Rs. 78.25 million. Recurrence of same irregularity is a matter of serious concern.

19.4.13 Loss due to poor financial management-Rs. 146.85 million

As per Rule 2.10 (a) (1) of PFR Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of Project Director, Project Management Unit, Primary & Secondary Healthcare Department for the financial year 2022-23, scrutiny of bank statement revealed that a large amount of Rs. 1,468.52 million were transferred from SDA to the Current Account of BOP for development schemes and other expenses. Out of the total amount, a sum of Rs. 750.00 million remained throughout the financial year in the current bank account of BOP. If the said account were PLS/Daily profit account, the department would have earned profit of Rs. 146.85 million.

Audit is of the view that loss was sustained by Government and undue benefit to the bank due to poor existence of administrative and financial controls.

The matter was pointed out to the formation concerned during September 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be inquired, responsibility to be fixed against concerned, besides strengthening administrative and financial controls to avoid recurrence of such lapse in future.

(PDP No.2023-0000003215_F00002)

Financial Matters

19.4.14 In-ordinate delay in Tendering Process & LC opening despite advance withdrawal- Rs. 297.52 million

As per Rule 2.10 (a) (1) of PFR Vol-I, in incurring and sanctioning expenditure from the revenues of the province, the disbursing officers and sanctioning authorities should be guided by the fundamental canons of financial propriety i.e. same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of the accounts of Program Manager Hepatitis and Infection Control Program Lahore (H&ICP) for the period 2021-23, it was observed that framework contract agreement was signed in February 2023 for procurement of Incinerators. Audit observed in-ordinate delay in finalization of the purchase process despite advance withdrawal of Rs. 297,521,000 in June 2023.

In this regard, following discrepancies were observed:

i. LC had not been opened till the close of audit in October 2023.
ii. Advance withdrawal of Rs. 297,521,000 was made on 11-06-2023 by management to avoid lapse of funds.
iii. No civil work had been started.
iv. The period of scheme was for 2 years w.e.f. 01.07.2022 to 30.06.2024 whereas the entity started the process in November–December 2022 and finalized/contract agreement in February 2023 but no purchase/supply order was issued till close of audit in October 2023.
v. There were only 2 Incinerators approved in Revised PC-I/ budget i.e. one for R.Y. Khan and another for Mianwali whereas management advertised for 3 Incinerators

which was actually not required as all the tendering process was focused/completed for 2 incinerators.

Audit is of the view that lapse occurred due to weak supervisory and internal controls.

The matter was pointed out to the formation concerned during October 2023. The management replied that detailed response will be submitted later after consulting the record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to probe the matter at administrative department's level for in-ordinate delay and not opening of LC besides regularization of the matter.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2018-19 vide para number 22.4.42 having financial impact of Rs. 7.75 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No. 2023-0000004720_F00013)

Others

19.4.15 Utilization of medicine without consumption account-Rs. 908.32 million

According to Rule 15.7 of PFR Vol-I, heads of offices and others entrusted with the care of stores of any kind should maintain suitable accounts and inventories of the stores in their charge.

During audit of Primary & Secondary Healthcare Department, it was observed that medicine was supplied to health facilities in Punjab for provision to patients. Monitoring system was not in place at headquarter level for consumption of medicine in hard or soft form. It is pertinent to mention here that the program management had provided desktop computers to health facilities for maintaining the inventory of medicine as well as patients' record electronically. A database i.e. Electronic Medical Record (EMR) had also been maintained by the department to keep online record of patients but the EMR was not reflecting patient-wise distribution of medicine. Due to non-maintenance/non-availability of consumption account of medicine and non-reflection of patients' record on EMR, the expenditure on procurement of medicine Rs. 908,317,876 stood unauthentic. The detail is as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Integrated Reproductive Maternal Neonatal & Child Health and Nutrition Program (IRMNCH &NP) Punjab, Lahore	2022-23	2023-0000004359_F00012	Medicine supplied to health facilities in Punjab for provision to patients but consumption record was not maintained at PMU level in hard or soft form	565,520,000
2	TB Control Program in Punjab	2022-23	2023-0000003207_F00002	Medicine supplied to health facilities in Punjab for provision to patients but consumption record was not maintained at PMU level in hard or soft form	342,797,876
Total					**908,317,876**

Audit is of the view that lapse occurred due to weak supervisory and internal controls on inventories.

The matter was pointed out to the formations concerned from August to October 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into for taking remedial measures and consumption/utilization account of medicine be maintained besides strengthening the supervisory and internal controls on inventories.

19.4.16 Facilities not extended to patients due to non- deployment of equipment and medicines at health facilities-Rs. 398.44 million

According to Rule 15.18 of PFR Vol-I, balances of store should not be held in excess of the requirement of a reasonable period or in excess of any prescribed maximum limit.

During audit of the Integrated Reproductive, Maternal, Neonatal and Child Health (IRMNCH) for the financial year 2022-23, on physical verification of PMU's warehouse, it was observed that above rules were not adhered to and the management purchased machinery& equipment, medicines and furniture and the stock valuing Rs. 398,440,728 was laying in warehouse of PMU Lahore since three to six months and had not sent to the health facilities in Punjab where these stocks were to be utilized. The patients remained deprived of the benefit from Government expenditure. Audit held that either the stock was not sent to health facilities due to management negligence or purchases were made without immediate requirement just to utilize the budget allocation.

Audit is of the view that facilities not extended to patients due to non-utilizing equipment and medicines because of weak controls on inventories.

The matter was pointed out to the formations concerned during October 2023. The management stated that reply will be submitted after consulting record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends probe of the matter to fix responsibility besides regularization of the matter from Finance Department.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22, 2020-21 and 2018-19 vide para numbers 15.4.12, 17.4.8 and 22.4.32 having financial impact of Rs. 935.93 million, Rs. 112.56 million and Rs. 4,488.90 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No.2023-0000004359_F00018)

19.4.17 Irregular procurement without approval of Austerity Committee-Rs. 112.89 million

As per Finance Department letter bearing No.SO (Goods) 44-4/2022-23, Government of the Punjab Finance Department dated 18-Nov-2022, Purchase of air conditioner exceeding the aggregate amount of Rs. 1.00 million in current financial year 2022-23 shall not be allowed except with the prior concurrence/approval of the Austerity Committee.

During audit of Project Director, Project Management Unit, Primary & Secondary Healthcare Department for the financial year 2022-23, it was observed that an amount of Rs. 112,888,860 was expended on purchase of air conditioners. The purchases were held irregular as the approval from the Austerity Committee was not obtained.

Audit is of the view that non-adherence to Government instructions resulted in irregular expenditure on the purchasing of air conditioner.

The matter was pointed out to the formations concerned during August 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired to fix responsibility for non-adherence to Government instructions besides seeking regularization of the matter.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2018-19 vide para number 22.4.22 having financial impact of Rs. 28.01 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No.2023-0000003215_F00009)

19.4.18 Irregular expenditure on account of Entertainment-Rs. 28.34 million

As per PFR volume II Rule 52 official entertainment, the refreshment served in official meetings shall be regulated as follows: (a) The meeting called by various Departments fall under the following categories: (i) Meetings attended by officers of the Federal Government, other Provincial Governments or semiofficial or public organizations; (ii) Meetings attended by foreigners representing foreign Governments or foreign organizations working in Pakistan; (iii) Meetings attended by officers of the Provincial Government; and (iv) Meetings attended by non-officials. (b) The limits of expenditure on refreshments in connection with the meeting falling under categories (i) and (ii) shall be Rs. 500 or a Lunch Box for Rs. 2,200 per head The meetings falling under categories (iii) and (iv) shall be charged as Rs. 500 or a Lunch Box for Rs. 2,200/per head. (c) The Cabinet meetings shall be charged at Rs. 200 or a Lunch Box for Rs. 1,000 per head.

During the audit of Primary & Secondary Healthcare Department for the financial year 2022-23, scrutiny of record, it was noticed that an amount of Rs. 28,339,675 was incurred by the management on account of entertainment. However, no specific criteria were observed and financial prudence was ignored while making this expenditure. As no record of such meetings was available with the department, the audit had to rely on the trend analysis of the expenditure. The following analysis is shared:

i. The average entertainment expense on 10 people attending meetings in the department turns out to be Rs. 6,700
ii. The total number of persons that could be entertained in the budget expensed by the department in the Financial Year is (28,339,675/6700 *10) 42,298 persons.
iii. On average there are 252 working days, excluding weekends and gazette holidays when the office is not functional. Hence, as per the expense, 168 officers/official/ non-officials were attending formal meetings in the department daily which were also being served with the entertainment ultimately charged to the department. Hence, audit is of the view that the amount spent on entertainment was not only abnormal but also without any financial trail as required under the rules.

The irregularity occurred due to weak supervisory and financial controls.

The matter was pointed out to the formations concerned during August 2023. Management replied that instructions will be followed in future. Hence, the department admitted the observation.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the para was kept pending for regularization from Finance Department. Further progress was not reported by the Department till the finalization of report.

Audit recommends that matter be inquired into at the departmental level, listing out the quantities of all the items procured under the head of entertainment. Responsibility be fixed against the person found at fault.

(PDP No.2023-0000002822_F00006)

19.4.19 Recovery due to non-return of Government Assets- Rs. 2.50 million

As per Rule 2.10(a)(1) of PFR Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of Primary & Secondary Healthcare Department for the financial year 2022-23, security of record revealed that number of laptops and mobiles were issued to officers but they were either transferred or left the office but management could not retrieve said assets from the concerned.

Audit is of the view that the lapse occurred due to defective internal controls on management of assets.

The matter was pointed out to the formations concerned during August 2023. The management stated that reply will be submitted later on. The reply of the department was not tenable because specified Government assets were neither returned by the allottees nor found in the record.

The matter was further reported to the administrative department. In DAC meeting held on 11.12.2023, the para was kept pending for recovery. Further progress was not reported by the Department till the finalization of report.

Audit recommends retrieval of the department's assets from the concerned officers besides strengthening of internal controls.

(PDP No.2023-0000002822_F00008)

CHAPTER 20
SCHOOL EDUCATION DEPARTMENT

20.1 Introduction

The Education Department was split into four departments in the year 2003-04. The said Department was subdivided into the Higher Education Department, Special Education Department, School Education Department and Literacy & Non-formal Basic Education Department. The legislation, policy formulation and planning areas of the School Education Department are:

- Primary education
- Elementary education
- Secondary and higher secondary education

The functions performed by the School Education Department are:

- Formulating the curricula and syllabi up to class XII
- Production and publication of textbooks for class I to XII
- Regulatory policy concerning private sector schools
- Children libraries and libraries affiliated with Children Library Complex
- Promotion of sports in schools
- Provision of compulsory and free education to all within the age of 5-16 years
- The matters relating to the Punjab Daanish Schools and Centers of Excellence
- To promote quality education through public-private partnership through Punjab Education Foundation

Audit Profile of School Education Department

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of School Education for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	395.66	68.71	464.37	488.36	23.99
PC21015	29,474.55	396.31	29,870.86	34,209.12	4,338.26
PC22036	38,761.00	(10,945.78)	27,815.22	27,814.34	(0.88)
Total	**68,631.21**	**(10,480.76)**	**58,150.45**	**62,511.81**	**4,361.36**

Overview of Expenditure

The final budget of School Education for the year ended 30th June, 2023 was Rs. 58,150.45 million. Out of this, actual expenditure was Rs. 62,511.81 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	29,870,209,000	34,697,475,513	4,827,266,513	16.16
Development	38,761,000,000	27,814,337,707	(10,946,662,293)	28.24
Total	**68,631,209,000**	**62,511,813,220**	**(6,119,395,780)**	**8.92**

This composition changed due to supplementary grants & surrenders.

Variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	30,335,230,000	34,697,475,513	4,362,245,513	14.38
Development	27,815,220,000	27,814,337,707	(882,293)	0.00
Total	**58,150,450,000**	**62,511,813,220**	**4,361,363,220**	**7.50**

Anticipated savings not surrendered

As per para 14.3 of Punjab Budget Manual, the spending departments are required to surrender the grants/appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (0.88) million at the close of the year 2022-23 under grant PC22036 was not surrendered in time by the Department.

Excess expenditure requiring regularization

As per Para 13.2 (ii) of Punjab Budget Manual, the total expenditure incurred on a purpose does not exceed the grant or grants provided for that purpose. However, excess expenditure amounting to Rs. 4,362.25 million for the year 2022-23 under grants PC21010 & PC21015 had not been got regularized so far. This was breach of legislative control over appropriations.

20.2 Classified summary of Audit Observations

Audit observations amounting to Rs. 10,098.12 million were raised in this report during audit of School Education Department. This amount includes recoveries of Rs. 40.46 million as pointed out by the audit. Summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	40.46
2.	Procurement related irregularities	40.86
3.	Value for money and service delivery issues	386.16
4.	Management of accounts with commercial banks	122.00
5.	Financial Matters	9,508.64
Total		**10,098.12**

20.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports of Education Department discussed so far, is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not Received**	**Percentage of Compliance**
1	1984-85	39	33	6	85
2	1985-86	65	53	12	82
3	1986-87	109	92	17	84
4	1987-88	112	93	19	83
5	1988-89	148	108	40	73
6	1989-90	165	48	117	29
7	1990-91	83	27	56	33
8	1991-92	67	17	50	25
9	1992-93	41	19	22	46
10	1993-94	41	21	20	51
11	1994-95	55	14	41	25
12	1995-96	50	22	28	44
13	1996-97	66	42	24	64
14	1997-98	197	103	94	52
15	1998-99	391	167	224	43
16	1999-00	447	244	203	55
17	2000-01	1427	947	480	66
18	2001-02	471	328	143	70
Total		**3974**	**2378**	**1596**	**60**
Note: The Audit Report years missing in the above table were either due to non-inclusion of subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The Education Department was split into four Departments i.e. Higher Education Department, Special Education Department, School Education Department & Literacy Department in the Financial Year 2003-04.

The status of compliance with PAC directives, for reports of School Education Department discussed so far, is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance Received	Compliance not Received	Percentage of Compliance
1.	2003-2004	3	0	3	0
2.	2005-2006	8	0	8	0
3.	2006-2007	4	2	2	50
4.	2010-2011	1	1	0	100
5.	2012-2013	6	4	2	67
6.	2013-2014	2	2	0	100
Total		**24**	**9**	**15**	**38**

The compliance with PAC directives in School Education Department is on lower side and concerted efforts are required to improve the compliance percentage. Further, the department is requested to reconcile the matter with Audit Department regarding any discrepancy.

20.4 AUDIT PARAS

Recoveries and overpayments

20.4.1 Non/less recovery of receivables-Rs. 40.46 million

According to Rule 19(1) of Punjab Government Rules of Business 2011, no department shall, without previous consultation with the Finance Department, authorize any orders other than orders in pursuance of any general or special delegation made by the Finance Department, which directly or indirectly affect the finances of the province.

As per Rule 2.31(a) of PFR Vol-1, a drawer of bills for pay, allowances, contingent, and other expenses will be held responsible for any overcharges, fraud, and misappropriation.

During audit of School Education Department, it was observed that receivables on account of auction money of agriculture land, canteens, shops, pay and allowances, leviable taxes amounting to Rs. 40,456,166 (Annexure-34) were either not or less recovered from the contractors/ employees. In some cases, deductions of GP Fund & Benevolent Fund contributions were not made and overpayment of pay & allowances was made to the employees.

Audit is of the view that weak financial controls resulted in overpayments.

The matter was pointed out during April 2023 to September 2023. Most of the entities noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 24.10.2023, the paras at Sr. Nos. 2, 3 & 16 were kept pending for compliance. The para at Sr. No. 4 was kept pending for seeking advice from the Finance Department. The paras at Sr. Nos. 9 & 15 were kept pending for recovery. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into, responsibility be fixed for non-implementation of the Government instructions and recovery be affected from the concerned besides strengthening supervisory and internal controls.

Procurement related irregularities

20.4.2 Irregular expenditure in violation of Punjab Procurement Rules-Rs. 40.86 million

As per Rule 4 of Punjab Procurement Rules 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner. Moreover, as per Rule 9 of the Rules ibid, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. Furthermore, Rule 12 ibid states that a procuring agency shall advertise procurement of more than two hundred thousand rupees and upto the limit of three million rupees on the website of the Authority. Any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

During audit of various formations of School Education Department, it was observed that expenditure of Rs. 40,858,348 was incurred on purchase of various items and repair of different articles without observing above stated rules entailing breach of stipulated provisions.

The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Director General Religious Education Punjab	2019-23	2023-0000004371_F00004	Irregular expenditure on Misc. items without tender	16,868,471
2	Director General Religious Education Punjab	2019-23	2023-0000004371_F00009	Missing vouchers/bills on account of purchase of misc. items	16,727,972
3	Secretary, School Education Department, Lahore	2022-23	2023-0000004440_F00004	Uneconomical purchase of stationery and other items without tender by splitting the indents	7,261,905
Total					**40,858,348**

Audit is of the view that non-observance of PPR 2014 led to a non-transparent process of procurement.

The matter was pointed out to the concerned entities in August & September 2023. The management of both formations noted the observations for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at administrative department's level for fixing responsibility and mis-procurement be reported to PPRA for consideration by the PPRA Board for taking cognizance of lapses to avoid recurrence thereof, besides seeking regularization from Finance Department.

Value for money and service delivery issues

20.4.3 Expenditure without probity on Large Scale Assessment-Rs. 271.67 million

As per Rule 2.10(a)(1) of PFR Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money. Further, as per Rule 2.33 of the Rules ibid, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

During audit of Punjab Examination Commission, Lahore for the period 2020-22, it was observed that expenditure of Rs. 271,667,743 was incurred on Large Scale Assessment (LSA). An additional assessment of selected students/teachers from selected schools was conducted in June 2021 and May 2022 just after the final term assessments. Audit held that conduction of LSA was a fruitless activity as no productive utilization of this activity was made by the department. The said activity resulted in wastage of public funds and human resources.

Already prior to this activity, National curriculam development exercise had coopted the Provincial Government and the School Education Department as stakeholders from the very inception to the date of notification. On the contrary, LSA was initiated by PEC with the declared intent to employ its findings to firm up suggestions for amending the curriculum which purpose was not to be served.

1. In fact, the Government was already planning to implement single national curriculum. For grade I to V, the single national curriculum was implemented in academic session commencing from April 2022. The conduction of LSA was not a prudent decision as the results of LSA based on the old curriculum were useless upon the introduction of the new curriculum. For instance, LSA for Grade V was conducted in 2021 but due to curriculum shifting, LSA for the same Grade-V was conducted again in 2022. Hence, the expenditure on LSA-2021 was wasted.

2. The activity (LSA) was conducted just after close of final term assessment. The results of final term assessment were available which could be used by the management for various analytical reviews. Hence, incurring of huge expenditure on sample based additional assessment following the final term assessments was beyond comprehension.

Audit is of the view that non observing the canons of financial propriety resulted in imprudent expenditure on un-necessary activity which resulted into wastage of public funds.

The matter was pointed out in March 2023. The management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 24.10.2023, the para was kept pending for verification of the record. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at appropriate level for taking remedial measures.

(PDP No. 2023-0000000491_F00001)

20.4.4 Non accountal of store articles-Rs. 25.23 million

As per Rule 15.4 (a) of PFR Vol-I, all materials received should be examined, counted, measured and weighed, as the case may be, when delivery is taken, and they should be kept in charge of a responsible Government Servant. The passing and the receiving Government servants should see that the quantities are correct and their quality good, and record a certificate to this effect. The receiving Government servant should also be required to give a certificate that he has actually received the materials and recorded them in his appropriate stock registers.

Moreover, Finance Department’s letter No.FD (MR)MW/1-4/92 dated 26.09.1992 provides that if the entries in the stock register are not present at the time of audit or if the concerned officials are not present at the time of audit or the record is not shown to audit, the entries made and record produced afterwards would not be accepted.

During audit of Secretary, School Education Department for the year 2021-22, it was observed that the management incurred expenditure of Rs. 25,231,863 on procurement of various store items under different heads of accounts. Despite lapse of nine months after close of financial year, the management did not maintain any stock register, consumption account, demand from end user.

Audit is of the view that due to non-maintenance of record, the authenticity of expenditure could not be verified.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be investigated, besides strengthening administrative, financial as well as supervisory controls to avoid recurrence of such lapses in future.

(PDP No. 2023-0000000796_F00009)

20.4.5 Deteriorated infrastructure in schools

The basic function of the School Education Department is to provide compulsory, quality, and free education to all aged 5-16 years in furtherance of Article 10-A of the Constitution of Pakistan, 1973.

During audit of the accounts of Secretary, School Education Department, Lahore for the financial year 2021-22, scrutiny of census data conducted during the calendar year 2022, revealed that a number of schools were deprived of basic necessary facilities. The School Education Department releases yearly funds for private NGOs, PEF, PEMA, Cadet, Danish, and other autonomous institutions but its own schools lacked basic facilities like clean drinking water, school buildings, electricity, toilets, sufficient room and other basic necessities.

The audit is of the view that the lapse occurred due to the poor existence of administrative and financial controls.

The matter was brought to the notice of the departmental representative in March 2023. The management did not reply to the audit observation.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be investigated, besides strengthening administrative, financial as well as supervisory controls to avoid recurrence of such lapses in future.

(PDP No. 2023-0000000796_F00017)

20.4.6 Poor management regarding Encroachment-Rs. 89.26 million

The basic function of the School Education Department is to provide compulsory, quality, and free education to all aged 5-16 years in furtherance of Article 10-A of the Constitution of Pakistan 1973.

During audit of School Education Department, it was observed that the follow up of litigation cases regarding encroachment was poor. In some cases, poor performance alongwith non-allotment of specific building was also observed. The details are as under:

Sr. No.	**Name of formation**	**Period of audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Children Library Complex, Lahore	2020-23	2023-0000003184_F00013	Deficient pursuit of Litigation to Safeguard the Government Accommodation against Encroachment	68,336,671
2	Children Library Complex, Lahore	2020-23	2023-0000003184_F00008	Non-allotment of specific building and poor performance of children library complex Sargodha	20,918,880
Total					**89,255,551**

The audit is of the view that the lapse occurred due to the poor existence of administrative and internal controls.

The matter was brought to the notice of the departmental representative in August 2023. The management did not reply to the audit observation.

The matter was further reported to the administrative department. In DAC meeting held on 29.12.2023, the paras were kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter may be investigated, strenuous efforts made in pursuance of the case in the court vigorously for ejection of illegal occupants besides strengthening administrative, financial as well as supervisory controls to avoid recurrence of such lapses in future.

Others

20.4.7 Non-monitoring and regulation of fees charged by private educational institutions by the School Education Department.

As per School Education Department's notification No.SO(A-1)3-4/2015(P-II) CPLA dated 17 September 2019, regarding monitoring and regulation of fee charges charged by private education institution, the Honorable Supreme Court of Pakistan has directed in the case pertaining to fees charged by private education institution. "The regulators shall closely monitor the fee being charged by private schools to ensure strict compliance with the law and the rules/regulation. A complaints cell shall be set up to deal with complaints arising out of the increase in fees in violation of the law/rules/regulation.

During audit of the accounts of Secretary, School Education Department, Lahore for the financial year 2021-22, it was noticed that thousands of private schools were increasing their fee structure without adhering to rules and regulations. Secretary School Education Department neither has any monitoring mechanism regarding imposing any penalty on charging extra fees nor resolved complaints of parents despite above stated Honorable Supreme Court of Pakistan directions.

Audit is of the view that lapse occurred due to poor existence of administrative and financial controls.

The matter was brought to the notice of departmental representative in March 2023 they did not offer any reply just singed the observations

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that department should monitor and should regulate the fee charged by the private educational institutions and ensure that action be taken against schools for enhancement of fee in violation of Government rules.

(PDP No. 2023-0000000796_F00015)

Management of accounts with commercial banks

20.4.8 Loss due to lesser credit of profit earned on investments, recovery thereof-Rs. 122.00 million

As per Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account. Moreover, as per Rule 2.33 of Rules ibid, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

During audit of School Education Department for the period 2018-22, scrutiny of record pertaining to investments revealed that the management made investments in various banks. In some cases, the banks credited lesser amount of profit upon maturity of investments. In other cases, the management reinvested funds with considerable delay after the maturity. This resulted into loss of revenue amounting to Rs. 122,000,322 as detailed below:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Director General Quaid e Azam Academy of Educational Development Punjab	2021-23	2023-0000002812_F00003	Un-due retention of public funds in Commercial Bank Account and Non-Deposit of Profit earned on bank account alongwith unspent balance (received from District QAEDs) into Government Treasury	68,829,696
2	Children Library Complex, Lahore	2020-23	2023-0000003184_F00005	Non-investment of Surplus Fund out of balances	50,000,000
3	Children Library Complex, Lahore	2020-23	2023-0000003184_F00003	Un-authorized retention of public money in Commercial Bank Account	3,170,626
Total					**122,000,322**

Audit is of the view that the lapse occurred due to weak internal controls on investments.

The matter was brought to the notice of departmental representative in February and March 2023. The management of few formations noted the observation for compliance and others have replied with justification but no record in support of justifications was provided.

The matter was further reported to the administrative department. In DAC meeting held on 29.12.2023, the paras at Sr. Nos. 2 & 3 were kept pending for compliance. Further, progress was not reported by the department. As regards remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into for fixing responsibility against the delinquents and recovery be affected from the bank for non/late credit of interest.

Financial Matters

20.4.9 Irrational transfer of funds/suspension of development Schemes-Rs. 9,508.64 million

As per Para 4.1 of Punjab Planning Manual 2015, effective M&E of a project depends on how effectively it has been planned and how clearly the desired outcomes have been stipulated. It has been observed that in many ongoing Government projects, the outputs have been clearly earmarked but either the intended outcome and impact are not clear or there are gaps in the results chain. Moreover, as per Para 5.2 ibid, the success of Result Based Monitoring (RBM) system hinges upon quantifying or measuring results of a development project or a program.

During audit of the School Education Department, it was observed that Rs. 9,508,637,714 was transferred/shifted from concerned development schemes to other schemes and Assan Assignment Account to bank account. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Secretary, School Education Department, Lahore	2021-22	2023-0000000796_F00014	Suspension of development schemes execution caused by diversion of funds with the implication of cost and time overrun	9,491,859,000
2	Children Library Complex, Lahore	2020-23	2023-0000003184_F00002	Unauthorized drawl form Assan Assignment Account and parking in commercial bank	16,778,714
Total					**9,508,637,714**

Audit is of the view that lapse occurred due to poor existence of administrative and financial controls.

The matter was brought to the notice of departmental representatives in March and August 2023. One of them did not offer any reply just signed the observation and the other informed that excess amount had been deposited but verified deposit challan was not presented.

The matter was further reported to the administrative department. In DAC meeting held on 29.12.2023, the para at Sr. No. 2 was kept pending for compliance and production of acquittance rolls of all past year to verify the excess drawl. Further progress was not reported by the department. As regards remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be investigated; irregularity got regularized besides strengthening of administrative, financial as well as supervisory controls to avoid the recurrence of such lapses in the future.

CHAPTER 21
SERVICES AND GENERAL ADMINISTRATION DEPARTMENT

21.1 Introduction

According to the Punjab Government's Rules of Business 2011, the Services and General Administration Department has been assigned the business of

- Cabinet work, including cabinet appointments, salaries and privileges of Ministers, and all secretarial work of the cabinet including the convening of meetings
- Service rules (other than civil service rules) relating to various services, posts, and interpretations thereof
- Matters connected with all Pakistan services and other Federal Services
- Appointment of commissions of inquiry or panels of officers in cases of misconduct of Government servants
- Re-employment of retired officers
- Administrative matters related to Punjab Services Tribunal
- Framing and alteration of Rules of Business for Provincial Government servants and allocation of business among ministers
- Standardization of stores/equipment etc. for common use in all departments
- Absorption of surplus staff and allied matters
- Preparation of civil list of Official Gazette

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the S&GA Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of five grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	13,237.16	202.72	13,439.89	12,671.53	(768.36)
PC21011	33,114.54	3,515.37	36,629.91	35,565.55	(1,064.36)
PC21031	35.34	(6.00)	29.35	61.97	32.62
PC22036	389.81	434.33	824.14	110.62	(713.52)
PC24045	1.60	0	1.60	12.00	10.40

Total	**46,778.45**	**4,146.43**	**50,924.88**	**48,421.66**	**(2,503.22)**

Overview of Expenditure

The final budget of the S&GA Department for the year ended 30th June 2023 was Rs. 50,924.88 million. Out of this, actual expenditure was Rs. 48,421.66 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	46,388,640,000	48,311,045,429	1,922,405,429	4.14
Development	389,812,500	110,618,563	(279,193,937)	71.62
Total	**46,778,452,500**	**48,421,663,992**	**1,643,211,492**	**3.51**

During the year, due to supplementary grants and surrenders, this composition changed. The variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	50,100,737,000	48,311,045,429	(1,789,691,571)	3.57
Development	824,143,000	110,618,563	(713,524,437)	86.58
Total	**50,924,880,000**	**48,421,663,992**	**(2,503,216,008)**	**4.92**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (2,546.24) million at the close of the year 2022-23 under grants PC21010, PC21011 & PC22036 were not surrendered in time by the Department.

Excess expenditure requiring regularization

As per Para 13.2 (ii) of the Punjab Budget Manual, the total expenditure incurred on a purpose does not exceed the grant or grants provided for that purpose. However, excess expenditure amounting to

Rs. 43.02 million for the year 2022-23 under grants PC21031 & PC24045 has not been got regularized so far. This was a breach of legislative control over appropriations.

21.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 19,291.78 million were raised in this report during audit of the Services and General Administration Department. This amount includes recoveries of Rs. 1,943.76 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	1,943.76
2.	Procurement related irregularities	1,922.07
3.	Financial Matters	9,696.83
4.	Others	5,729.12
Total		**19,291.78**

21.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives for reports discussed so far is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not Received**	**Percentage of Compliance**
1	1984-85	5	1	4	20
2	1985-86	7	5	2	71
3	1986-87	8	6	2	75
4	1990-91	1	1	0	100
5	1991-92	3	1	2	33
6	1992-93	1	1	0	100
7	1993-94	2	1	1	50
8	1994-95	7	3	4	46
9	1996-97	22	0	22	0
10	1997-98	2	0	2	0
11	1998-99	19	15	4	79
12	1999-00	46	26	20	57
13	2000-01	47	39	8	83
14	2003-04	37	20	17	54
15	2005-06	54	20	34	37
16	2006-07	9	1	8	11
17	2009-10	35	8	27	23
18	2010-11	8	2	6	25
19	2011-12	7	1	6	14
20	2012-13	7	1	6	14
21	2013-14	12	3	9	25
22	2019-20	292	4	288	1
Total		**631**	**159**	**472**	**25**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The status of compliance with PAC directives in the Services & General Administration Department is not satisfactory. The department needs to improve it. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

21.4 AUDIT PARAS

Recoveries and overpayments

21.4.1 Non-recovery/collection of Government dues-Rs. 1,432.47 million

As per Section 6-A of the Punjab Government Servant Benevolent Fund Ordinance, 1960, any sum due as rent or lease money in respect of property acquired or constructed by the Board of Management vests in any such Board, if not paid within thirty days of its having become due, may notwithstanding anything contained in any law, decree or order of any court, agreement, deed or instrument, be recovered as arrears of land revenue.

Moreover, as per Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account.

During audit of various formations under the Services and General Administration Department, it was observed that recoveries to the tune of Rs. 1,432,468,222 (Annexure-35) on account of rent of shops/offices, recovery of advance, profit on investment, profit on PLS bank account, recovery of double claim and recovery of wastage etc. was outstanding.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was pointed out from February to November 2023. Some entities noted the observations and the rest did not offer any reply.

The matter was further reported to the administrative department. In DAC meetings held on 08.01.2024 and 31.01.2024, the paras at Sr. Nos. 4 & 12 were kept pending for recovery. The para at Sr. Nos. 10 & 17 were kept pending for clarification from Food Department. The paras at Sr. Nos. 13, 18 & 23 were kept pending for compliance. The para at Sr. No. 20 was kept pending till the decision of the court. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends fixing responsibility for non-recovery of Government dues besides ensuring prompt recovery of the outstanding amounts.

<u>Note:</u> The issue was reported earlier also in the Audit Reports for Audit Years 2020-21 and 2021-22 vide para numbers 20.4.9 and 17.4.7 having financial impact of Rs. 89.07 million and Rs. 3.40 million. Recurrence of same irregularity is a matter of serious concern.

21.4.2 Non/less deduction of taxes-Rs. 460.14 million

According to Income Tax Ordinance 2001, Punjab Sales Tax on Services Act 2012, Sales Tax Act 1990, and Stamp Act 1899, the departments are required to withheld taxes at prescribed rates at the time of payment.

During audit of Services and General Administration Department, it was observed that an amount of Rs. 460,141,472 (Annexure-36) on account of Income Tax, Sales Tax, Punjab Sales Tax and Stamp Duty etc. was either not deducted or less deducted from the payment made to suppliers and service providers.

Audit is of the view that weak internal controls on taxation resulted in non/less-deduction of taxes.

The matter was pointed out from February to November 2023. The management at Sr. No. 7 stated that detailed reply would be given after consultation with rules and the rest did not offer any reply.

The matter was further reported to the administrative department. In DAC meetings held on 08.01.2024 and 31.01.2024, the paras at Sr. Nos. 1 & 2 were kept pending for compliance. The para at Sr. No. 7 was kept pending to probe the matter at Departmental level to actually judge the number of non-filers for taxable limits and recover the due amount. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends affecting prompt recovery besides strengthening the internal controls on taxation.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2017-18, 2019-20, 2020-21 and 2021-22 vide para numbers 20.4.21, 19.4.21, 20.4.8 and 17.4.6 having financial impact of Rs. 8.16 million, Rs. 70.01 million, Rs. 82.10 million and Rs. 21.09 million. Recurrence of same irregularity is a matter of serious concern.

21.4.3 Recovery due to procurement at exorbitant rates-Rs. 51.15 million

As per Standard Operating Procedures (SOPs) for the establishment of Agriculture Fair Price Shop during Ramzan Bazar 2021-22, circulated vide letter No 1507-42/AMIS/E&M/2022 dated 30.03.2022, SOP No 19(iii) “Bulk purchase may be made for the cheaper supply of selected commodities. As per Standard Operating Procedures (SOPs) No.19 (iv), the purchase committee will purchase the required commodities at cheaper rate through negotiations with identified potential suppliers

During audit of Services & General Administration Department, it was observed that during the procurement process, rates of framework contracts were overcharged, food items were purchased at higher rates, and uniforms were procured by ignoring the lowest rates which resulted in overpayment of Rs. 51,150,320. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Deputy Commissioner Lahore	2021-22	2023-0000000287_F00013	Payments to contractors beyond the rates of the framework contract	41,895,350
2	Deputy Commissioner Faisalabad	2021-22	2023-0000001380_F00002	Purchase of food items at higher rates	4,221,045
3	Secretary Provincial Assembly, Punjab	2020-22	2023-0000000362_F00001	Loss to the Government due to ignoring the lowest bidder	2,836,925
4	Deputy Commissioner Lahore	2021-22	2023-0000000287_F00010	Purchase of food items at higher rates	2,197,000
Total					**51,150,320**

Audit is of the view that lapse occurred due to weak supervisory, administrative, and financial controls.

The matter was pointed out from February to March 2023. The management did not provide any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends inquiring into the matter at the administrative department's level, recovering the stated amount, and depositing the same into the Government Treasury, besides strengthening financial and supervisory controls.

Procurement related irregularities

21.4.4 Irregular expenditure in violation of Punjab Procurement Rules-Rs. 1,252.66 million

As per Rule 4 of PPR 2014, a procuring agency shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. Further, as per Rule 12(1) of the Rules ibid, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in the public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper.

During audit of Services & General Administration Department, it was observed that expenditure to the extent of Rs. 1,252,658,735 (Annexure-37) was incurred on procurement of goods and services relating to different heads of accounts without observing above stated rules attracting the denomination of mis-procurement. Thus, the procurements were made in violation of Punjab Procurement Rules 2014, rendering the expenditure irregular.

Audit is of the view that non-observance of PPR 2014 resulted in a non-transparent process of procurement.

The matter was pointed out to the concerned formations from February to November 2023. Most of the formations noted the observations and some formations did not offer any reply.

The matter was further reported to the administrative department. In DAC meetings held on 31.01.2024, the paras at Sr. Nos. 7, 13, 17 & 21 were kept pending for regularization from the Finance Department. The paras at Sr. Nos. 8 & 11 were kept pending till adoption of committed procedure of procurement. The para at Sr. No. 15 was kept pending for consultation with the Finance Department. The para at Sr. No. 23 was kept pending for probe. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at the administrative department's level for fixing responsibility and mis-procurement be reported to PPRA for consideration by the PPRA Board for taking cognizance of lapses, also to avoid recurrence thereof in the future.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2017-18, 2019-20, 2020-21 and 2021-22 vide para numbers 24.4.2, 19.4.8, 20.4.5 and 17.4.4 having financial impact of Rs. 200.17 million, Rs. 1,034.40 million, Rs. 2,200.99 million and Rs. 263.53 million. Recurrence of same irregularity is a matter of serious concern.

21.4.5 Mis-procurements of various items-Rs. 669.41 million

As per Standard Operating Procedures (SOPs) for the establishment of Agriculture Fair Price Shop during Ramzan Bazar 2021-22 circulated vide letter No 1507-42/AMIS/E&M/2022 dated 30.03.2022, SOP No 19(iii) " Bulk purchase may be made for cheaper supply of selected commodities. Further, as per Standard Operating Procedures (SOPs) No.19 (iv), the purchase committee will purchase the required commodities at a cheaper rate through negotiations with identified potential suppliers

According to Rule 2.10 (a)(1) of PFR Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure out of his own money.

During audit of Services & General Administration Department, it was observed that procurement of various items was made without observing rules and codal formalities. The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Deputy Commissioner Lahore	2021-22	2023-0000000287_F00008	Procurement of Basin, Pulses, and Onion for Ramzan Bazar on a daily basis instead of bulk stocks against SOPs supporting economy of scale	654,000,000
2	Deputy Commissioner Faisalabad	2021-22	2023-0000001380_F00001	Procurement of Basin, Pulses, and Onion for Ramzan Bazar on a daily basis instead of bulk stocks against SOPs supporting economy of scale.	7,996,000
3	Secretary Provincial Assembly, Punjab	2020-22	2023-0000000362_F00008	Expenditure on entertainment and gifts without subscribing to codal formalities	7,417,503
Total					**669,413,503**

Audit is of the view that non-observance of rules and the codal formalities resulted in a non-transparent process of procurement.

The matter was pointed out to the concerned formations from February to April 2023. The formations either noted the observation or did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at the administrative department's level for fixing responsibility and expenditure be got regularized from the Finance Department.

Financial Matters

21.4.6 Non-utilization of an un-spent balance of Benevolent Fund (Part-I) and monthly grants in Bank of Punjab-Rs. 7,458.38 million

As per Punjab Government Servant Benevolent Fund Part-I (Disbursement) Rules, 1965 within the meaning of para-11, the Provincial Board of Management may invest such money constituting the Fund as are not required from immediate expenditure in any of the securities described in section 20 of the Trust Act. 1882, or in real estate, or may place them in fixed deposit with a Bank approved by the Government.

During audit of Provincial Benevolent Fund Board, Lahore for the period of January 2021 to 31st December 2022, it was observed from Bank Statements of Benevolent Fund (Part-I) and monthly grants that huge un-spent balances of Rs. 7,458,383,636 were available against both accounts maintained in Bank of Punjab, up to December 2022. The Provincial Benevolent Fund Board did not bother to utilize the balance for investment into the same bank to fetch better profit rates. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Amount (Rs.)
1	Provincial Benevolent Fund Board, Lahore	2021-22	2023-0000000793_F00019	6,136,421,829

Sr. No.	Name of Formation	Period of Audit	PDP No.	Amount (Rs.)
2	Provincial Benevolent Fund Board, Lahore	2021-22	2023-0000000793_F00026	829,347,084
3	Provincial Benevolent Fund Board, Lahore	2021-22	2023-0000000793_F00012	492,614,723
Total				**7,458,383,636**

Audit is of the view that lapse occurred due to weak supervisory and financial controls which resulted in non-investment of unspent balance and caused loss of potential profit on investment.

The matter was brought to the notice of a departmental representative during March to April 2023. The management at Sr. No. 1 stated that a meeting of the Investment Committee was held and the committee decided to invest the surplus funds after getting formal approval from the Board. Accordingly, the combined meeting of the Boards was held on 06.01.2023 and a surplus amount i.e. Rs. 4 Billion (not needed for immediate expenditures) was invested on 09.01.2023 in BOP, against Sr. No. 2 observation pertaining to District Benevolent Fund, Lahore therefore, same have been sent to Deputy Commissioner (Chairman District Benevolent Fund Board), Lahore for the response. The neglect and oversight to keep the surplus funds idle rather than attracting competitive returns on investment was not ruled out by management. The reply against Sr. No. 1 was not supported with documentary evidence. The management at Sr. Nos. 2 & 3 did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that a mechanism of reconciliation of disbursement made by the bank be devised for better utilization of unspent balances available in the bank.

21.4.7 Payments made without corroboration of eligibility from grants-Rs. 1,458.76 million

The Punjab Government Servants Benevolent Fund, Part-I (Disbursement) Rules, 1965 stipulate that monthly widow grants, scholarship grants, marriage grants, farewell grants, and funeral grants will be paid as per prescribed criteria.

During audit of Provincial Benevolent Fund Board, Lahore, for the period of 1st January 2021 to 31st December 2022, it was observed that monthly Widow Grants, Scholarship Grants, Marriage Grants, Farewell Grants and Funeral Grants of Rs. 1,458,758,836 were paid illegally to beneficiaries as double, excess and unauthorized payments. The details are given in annexure-38.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was pointed out from March to April 2023. The management did not provide any cogent reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends inquiring into the matter at the administrative department's level, recovering the stated amount, and depositing the same into the Government Treasury besides strengthening financial and supervisory controls.

21.4.8 Irregular drawl of cash by DDO-Rs. 779.69 million

According to Rule 4.49(a) of Subsidiary Treasury Rules, read with the Finance Department's letter No. FD(FR)V-6/75(P) dated 20.06.2007, payment exceeding Rs. 100,000 shall be made through cheque instead of cash.

During audit of Services & General Administration Department, it was observed that an amount of Rs. 779,687,961 was drawn in the name of DDO and paid to the concerned in cash instead of through bank accounts of the payees. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of irregularity	Amount (Rs.)
1	Deputy Commissioner Lahore	2021-22	2023-0000000287_F00005	Irregular drawl of cash by the DDO relating to payments of fruits and vegetables for Ramzan Bazar.	594,000,000
2	Deputy Commissioner Hafizabad	2020-23	2023-0000004716_F00016	Irregular Cash payments to the supplier of vegetables and fruits	92,158,341
3	Punjab Institute of Management Professional	2017-22	2023-0000000370_F00003	Cash disbursement on account of Training Domestic	44,171,172

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of irregularity	Amount (Rs.)
	Development				
4	Additional Chief Secretary South Punjab, Bahawalpur	2021-22	2023-0000001471_F00002	Irregular drawl of cash by the DDO relating to payments of various heads like others, pay of contingent staff, entertainment &gifts, TA, Transportation, courier charges etc.	16,304,781
5	Assistant Commissioner Nankana Sahib.	2016-23	2023-0000004731_F00002	Irregular DDO payments	13,035,367
6	Deputy Commissioner Kasur	2021-23	2023-0000005651_F00021	Irregular Cash payments to the supplier of vegetables and fruits	10,484,000
7	Deputy Commissioner Lahore	2021-22	2023-0000000287_F00015	Irregular drawl of cash by the DDO relating to payments against labor charges and stitching charges etc.	9,534,300
Total					**779,687,961**

Audit is of the view that disregarding Government instructions resulted in an unauthorized mode of payment.

The irregularity was pointed out in February to November 2023. The management just noted the observations without offering any reply.

The matter was further reported to the administrative department. In DAC meetings held on 14.09.2023 and 31.01.2024, the para at Sr. No. 3 was reduced and kept pending to the extent of point Nos. i & ii for condonation and verification of record respectively. The para at Sr. No. 6 was kept pending for regularization from the Finance Department. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at the administrative department's level besides seeking regularization from the Finance Department.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2017-18, 2019-20 and 2021-22 vide para numbers 24.4.7, 19.4.15, and 17.4.2 having financial impact of Rs. 3.69 million, Rs. 30.44 million and Rs. 44.68 million. Recurrence of same irregularity is a matter of serious concern.

Others

21.4.9 Illegal occupation on Government land

According to Section 4 of Punjab Civil Administration Act 2017, functions of the Deputy Commissioner stipulate that he shall:

a. Supervise and monitor the discharge of duties by the Assistant Commissioners in the District;
b. Coordinate the work of all the offices and public facilities in the district for purposes of integrated development, efficient use of public resources and effective service delivery;
c. Support and facilitate the offices and public facilities in the District;
d. Ensure that the standards set by the Government in respect of a public facility are fully observed; and
e. Supervise and coordinate the implementation of the policies, instructions and guidelines of the Government.

Moreover, in accordance with Director General Katchi Abadies, Board of Revenue letter No.DG(KA)1-201/2013-201 dated. 09.09.2013, notification–policy guidelines under Katchi Abadies Regularization Scheme 2012 (urban and rural), vide para No. 01, 2 and 7 any area which was occupied un-authorizedly and continues to be so occupied will be treated as Katchi Abadi, it is established before the cutoff date i.e. 31.12.2011, on state land and having at least four dwelling units in Rural areas and ten dwelling units in Urban areas subject to other parameters. The land is not required for operational/public purposes. The Director General will declare the land as Katchi Abadi. Upon completion of mutation, the TMAs/ Development Authority/Assistant Commissioner may grant proprietary rights to bonafide dwellers subject to realization of applicable dues and charges.

As per Section 5 of the Punjab Government Lands and Buildings (Recovery of Possession) Ordinance, 1966, governing eviction of unauthorized occupants, if Government is satisfied after making such enquiry as it thinks fit that a person is an unauthorized occupant of any land or building, it may, by order in writing, direct such person to vacate the land or building within the period specified in the order.

During audit of Services & General Administration Department, it was observed that Government land valuing Rs. 11,891,558,313 (Annexure-39) was under illegal occupation of various occupants in Lahore, Kasur, and Nankana Sahib Districts but the management failed to get the land vacated from the illegal occupants. Moreover, recovery of the stated amount was not affected.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was pointed out in November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 31.01.2024, the paras at Sr. Nos. 1 & 5 were kept pending for compliance. Further progress was not reported by the department. As regards remaining paras neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends looking into the matter for fixing responsibility, affecting recovery, besides taking remedial measures and action against the responsible.

21.4.10 Establishment of Welfare Endowment Fund without framing the Rules-Rs. 3,000.00 million

Under the Chapter titled "Fundamental Rights" of the Constitution of Pakistan, equality of citizens and safeguard against discrimination in services have been guaranteed under Article 25 of the Constitution.

During audit of Services & General Administration Department (Section Officer Welfare-LO 5838) for the financial year 2022-23, it was noticed that the caretaker cabinet, in its meeting held on 15.04.2023 had approved the establishment of Welfare Endowment Fund for the gazetted employees of S&GAD belonging to the Pakistan Administrative Service (PAS) and Provincial Management Service (PMS). Accordingly, a separate head of account G06325 "Welfare Endowment Fund for the gazetted employees of S&GAD Punjab" was created (vide No. 264/CGA/AC-1/1-10/Object-G/2012P.F dated 23.06.2023) and Rs. 3,000,000,000 through the supplementary grant was released by the Finance Department (No. FD(W&M)7-654/2022-23/17 dated 26.06.2023) which was deposited in the aforesaid public account on 27.06.2023. The following are audit observations:

1. The creation of Welfare Endowment Fund for the gazetted employees of S&GAD belonging to the Pakistan Administrative Service (PAS) and Provincial

Management Service (PMS) is a discriminatory action of the management as the other officers/non-gazette staff were not considered to get the benefits.

2. Account No. 6780262217100019 PKR was opened in Bank of Punjab Civil Secretariat Branch for said purpose but up till 27th October 2023, no amount was deposited in aforesaid account. Thus loss of Rs. 197,260,274 (Rs. 3,000,000,000 x 20% x 120 days) was sustained by the Government.
3. Fund was created without framing the Rules & Regulations.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was reported in October 2023 and management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 31.01.2024, the para was kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that non-realization of profit from an idle balance of the fund be taken cognizance of the matter be got regularized from the competent authority.

(PDP No. 2023-0000003210_F00025)

21.4.11 Imprudent expenditure on establishment of Ramzan Bazars-Rs. 1,125.85 million

Rule 2.10 (a) (1) of PFR Vol-I provides that same vigilance should be exercised in respect of expenditure from Government revenues as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

While examining the records of the Deputy Commissioner's Office in Lahore and Hafizabad for the period 2021-22 and 2020-23 respectively, it was observed that Rs. 444,238,877 was utilized for subsidizing the General Public. Additionally, an expenditure of Rs. 681,608,793 was incurred for establishing Ramzan Bazars, covering costs such as hiring Kupas, Carpets, Wastage of Vegetables, fruits/packing charges, excluding administrative expenses. This resulted in a distribution of 60% towards expenditures and 40% towards subsidies. It is crucial to highlight that this ratio is conservative, considering that administrative expenses for ten already established model bazars, converted into Ramazan Bazars during Ramazan, were funded by another channel, namely Punjab Model Bazar Company. Further, no assurance of deserving beneficiaries record was taken into account.

Audit is of the view that lapse occurred due to weak financial and supervisory controls.

The matter was pointed out to the concerned formation during February and November 2023. But the management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends the department to look into the matter for abnormal expenditure on the establishment of Ramzan Bazar in comparison to the subsidy provided to the general public besides ensuring conformity to the norms of probity and propriety to rationalize the inflated expenditure earmarked with subsidy.

(PDP Nos. 2023-0000000287_F00003 & 2023-0000004716_F00014)

21.4.12 Financial mismanagement and non-observance of Rules-Rs. 852.73 million

According to Rule 2.10 (a)(1) of PFR-Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money. Further, as per rule 2.33 of PFR Vol-I, every Government servant will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will be held personally responsible for any loss arising from fraud or negligence on the part of any other Government servant.

During audit of Services & General Administration Department, it was observed that an expenditure of Rs. 852,725,628 (Annexure-40) was incurred by various institutions which was impaired by lapses and internal control weaknesses.

The brief of lapses are narrated as under:

- Non-appointment of Resident Auditor and expenditure without pre-audit
- Investment without adopting complete procedures
- Appointment of daily wages staff without fulfilling the codal formalities
- Non-maintenance of POL consumption record as prescribed
- Incurrence of expenditure on entertainment without fulfilling the codal formalities
- Allotment of Residences without uploading the waiting list on the department website
- Approval of Societies without NOC
- Non-auction of off-road vehicles

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was reported from July 2023 to November 2023 and the department failed to provide any cogent reply.

The matter was further reported to the administrative department. In DAC meetings held on 14.09.2023, 28.12.2023 and 31.01.2024, the para at Sr. No. 4 was kept pending for regularization from Finance Department. The para at Sr. No. 5 was kept pending for consultation with the Finance Department. The para at Sr. No. 7 was kept pending to seek clarification from Cabinet Division on reimbursement of utility charges. The para at Sr. No. 11 was kept pending for recovery of taxes from the concerned or production of notification from the Finance Department. The para at Sr. No. 16 was kept pending for compliance from Estate Office, Welfare Wing, S&GAD. The para at Sr. No. 17 was kept pending for probe. The para at Sr. No. 19 was kept pending for compliance. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends inquiring into the lapses followed by remedial action to take stock of the situation.

21.4.13 Irregular advance drawl without approval of Finance Department-Rs. 247.02 million

Under Section-5 (b) of Controller General of Accounts (Appointment, Functions & Powers) Ordinance, 2001, the Controller General of Accounts derives his statutory mandate to authorize payments and withdrawals from the Consolidated Fund and Public Accounts of the Federal and Provincial Governments against approved budgetary provisions after pre-audited checks as the Auditor-General may, from time to time, prescribe.

During audit of Services & General Administration Department, it was noticed that an amount of Rs. 247,024,000 was drawn as advance without approval of the Finance Department irregularly.

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Punjab Institute of MPD, Lahore	2017-22	2023-0000000370_F00001	Irregular Advance Drawl on Account of Training Domestic to avoid the Pre-Audit from Accounts Office	227,024,000
2	Deputy Commissio	2020-23	2023-00000047	Irregular advance drawl/ advance	20,000,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
	ner Hafizabad		16_F00001	payment to the private vendor	
Total					**247,024,000**

The disbursements on the part of DC office were without cogent reflection of consumption and expense account.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was pointed out in February and November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 14.09.2023, in respect of para at Sr. No. 1, the department reported partial compliance which was accepted by the committee. Hence, the para was reduced and kept pending for compliance of remaining points i.e. i, iii, iv, vi & viii. As regards remaining para, neither any reply was received nor DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends looking into the matter for fixing responsibility, affecting recovery, and taking remedial measures besides action against the responsible.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2017-18 and 2020-21 vide para numbers 20.4.9 and 20.4.7 having financial impact of Rs. 23.44 million and Rs. 28.91 million. Recurrence of same irregularity is a matter of serious concern.

21.4.14 Loss to Government due to defective mechanism of distribution of Atta-Rs. 208.80 million

As per Sr. No.(vii) & (xiii) of the SOPs for Ramzan Package 2023 circulated vide No. SO(F-1)5-32/2023-24 dated 16th March 2023, flour shall be taken at the flour mill gate by the representative of the Deputy Commissioner concerned. However, the flour mill shall be responsible for its delivery at the retailer's outlet, as per No. V supra. Police will be deputed along trucks and at designated retail points to ensure discipline and prevent any untoward incident.

During audit of Services and General Administration Department, a review of the Free Atta (Flour) distribution scheme in Punjab (Ramzan Package 2023) revealed that public exchequer sustained a loss of Rs. 208,799,175. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Deputy Commissioner Kasur	2021-23	2023-0000005651_F00001	A food subsidy program in Kasur, Pakistan distributed 1796,963 bags of 10kg atta. There were discrepancies between records, with 161,077 bags unaccounted for. The cost of the missing bags is estimated at Rs. 157,050,075. Another 19,901 bags were received but not reconciled, worth Rs. 19,403,475.	176,453,550
2	Deputy Commissioner Hafizabad	2020-23	2023-0000004716_F00007	During a review of the Free Atta (Flour) distribution scheme in Punjab (Ramzan Package 2023) revealed that Food Department issued wheat to Floor mills for supply of flour bags. As per policy of free flour distribution, flour mills should issue 497896 flour bags at distribution points against supply of wheat. But as per data provided by the management of Deputy Commissioner office in Hafizabad 477801 flour bags were distributed among beneficiaries. Comparison of data provided by Food Department and PITB data provided by the management of DC office 20,098 flour bags valuing Rs. 19,595,550 (20,098*975) were found short. It is the Deputy Commissioner office neither undertook an inquiry nor fixed responsibility against concerned at fault	19,595,550

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
3	Deputy Commissioner Lahore	2022-23	2023-0000004705_F00013	i) The distribution process was inefficient as 7,417 bags valuing Rs. 7,231,575 (7417 bags x 975 /bag) were spoiled and returned. There was no replacement mechanism in place to cater such situation. ii) 41 FIRs were lodged for loss of 5,660 bags valuing Rs. 5,518,500 (5,660 bags x Rs. 975) which showed that campaign was ineffectively steered.	12,750,075
Total					**208,799,175**

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was reported in October and November 2023 but management did not provide any cogent reply.

The matter was further reported to the administrative department. In DAC meeting held on 31.01.2024, the para at Sr. No. 1 was kept pending for compliance. Further progress was not reported by the department. As regards remaining paras neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be inquired, loss involved recovered and deposited into Government Account besides strengthening financial and supervisory controls to avoid recurrence of such lapses in future.

21.4.15 Irregular expenditure due to doubtful/non-transparent manual issuance of 128,773 flour bags-Rs. 125.55 million

As per Sr. No. 3 (i) & (iv) of the SOPs for Ramzan Package 2023 circulated vide No. SO(F-1)5-32/2023-24 dated 16th March 2023, Punjab Information Technical Board (PITB) shall establish a control room to monitor the distribution process, provide guidance to the districts and to trouble shoot any technical issues that arise in operation of the App developed for the Ramzan Package. The Deputy Commissioners shall depute their representatives at the distribution outlets who shall ensure transparency in the process of distribution and up-dation of inventory of distributed flour bags.

According to Para-1 of the SOPs for Ramzan Package 2023 circulated vide No.SO(F-1)5-32/2023-24 dated 16th March 2023, each of 15.8 M households falling in the poverty score of PMT 60 of BISPs NSER Registry, would be provided 3 free flour bags of 10 kg each, extracted at 70-30 ratio, during the holy month of Ramzan.

During audit of Deputy Commissioner, Lahore for the period 2022-23, a review of the Free Atta (Flour) distribution scheme in Punjab (Ramzan Package 2023) revealed that 128,773 bags were manually distributed to beneficiaries bypassing the internal control over verification of target beneficiaries through IT enabled verification process. The distribution process was doubtful/non-transparent due to the following reasons:

i) The Manual distribution of bags was made without any provision in approved SOPs for the Ramzan Package.

ii) The Manual distribution process was adopted despite the fact that the up time of the App server was around 99%.

iii) A Manual record of the beneficiaries was provided by the Deputy Commissioner Office that is doubtful based on the following reasons:

   a. All the beneficiaries shown in the Manual distribution data were also recipient of 155,473 flour bags through PITB Mobile Application.

   b. The Manual beneficiary data was reconstructed using PITB data as the format, spellings and all other details of the beneficiaries are exactly same for all the 80,709 Manual entries which is not humanly possible.

   c. There was no possible method to manually verify the approaching beneficiary on the distribution criteria based on NADRA and BISP database. However, all the Manual entries were made according to the criteria based on NADRA and BISP databases.

iv) Comparison of Manual beneficiaries' CNIC data with PITB App distribution data revealed that in a total of 80,709 cases, 36,991 flour bags in excess to 3 bags/individual were distributed to 24,251 beneficiaries.

This resulted into an irregular expenditure of Rs 125,553,675 (128,773 bags x Rs. 975 per bag) to the public kitty due to doubtful/non-transparent issuance of flour bags to beneficiaries.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was reported in October 2023 and it was noted for submission of a detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that matters be inquired at the S&GAD level. The loss involved be recovered and deposited into Government Account.

(PDP No. 2023-0000004705_F00014)

21.4.16 Irregular payment of inadmissible allowances- Rs. 72.75 million

Under Rule 2.31(a) of Punjab Financial Rule Vol-1, a drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any over charges, fraud and misappropriation.

During audit of Services & General Administration Department, it was noticed that in-admissible allowances of Rs. 72,747,415 (Annexure-41) were paid to the officials/officers irregularly.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was pointed out in February to November 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 31.01.2024, the para at Sr. No. 1 was kept pending for compliance in the light of worthy Lahore High Court judgement. The paras at Sr. Nos. 3, 5, 7, 8 & 10 were kept pending for recovery. The para at Sr. No. 6 was kept pending for probe. The para at Sr. No. 9 was kept pending for regularization from the Finance Department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to look into the matter for fixing responsibility, effecting recovery, taking remedial measures besides action against the responsible.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2017-18, 2019-20, 2020-21 and 2021-22 vide para numbers 24.4.23, 19.4.2, 20.4.4 and 17.4.5 having financial impact of Rs. 5.57 million, Rs. 435.40 million, Rs. 17.88 million and Rs. 36.57 million. Recurrence of same irregularity is a matter of serious concern.

21.4.17 Non-auction of petrol pumps and agriculture land-Rs. 44.76 million

As per Law & Parliamentary Affairs Department notification no. 2106-2019/753-CL (1) date. 18.09.2019, the Governor of the Punjab directed to issue following Statement of Conditions for grant of leases of certain available State agriculture lands situated within prohibited zone, Municipal limits or state Charagah land, may be leased out for temporary cultivation with immediate effect. i. That selected agriculture state land will be leased out to bona fide landless persons in lots, for a period of three years, through open auction. ii. That District Rent Assessment Committee will determine reserve rent on basis of market rent. iii. The land shall be re-auctioned after five years. The publicity of auction shall be made in the revenue estate concerned through the customary means i.e. print media, electronic media, through beat of drum and announcement over loud speaker at least one week before the date of auction

During audit of accounts of Deputy Commissioner, Kasur for the years 2020-23, it was noticed that the management did not auction two sites of petrol pumps and 1332 acres of agriculture land. This resulted into loss of Rs. 44,760,000.

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Deputy Commissioner Kasur	2020-23	2023-0000005651_F00002	Non-auction of two sites of petrol pumps	31,440,000
2	Deputy Commissioner Kasur	2020-23	2023-0000005651_F00005	Non-auction of 1332 acres of agriculture land	13,320,000
Total					**44,760,000**

Audit is of the view that lapse occurred due to weak administrative and financial controls.

The matter was pointed out in the month of November 2023. In reply of the preliminary observation, the department just acknowledged the observation without offering any comments.

The matter was further reported to the administrative department. In DAC meeting held on 31.01.2024, the paras were kept pending for compliance. Further progress was not reported by the department till the finalization of this report.

Audit recommends that matter be inquired, responsibility be fixed against concerned and recovery be made from concerned beside strengthening of administrative and financial controls.

21.4.18 Loss due to payment of various events at higher rates- Rs. 21.78 million

According to Section 4 of Punjab Civil Administration Act 2017, functions of the Deputy Commissioner stipulate that he shall:

f. Supervise and monitor the discharge of duties by the Assistant Commissioners in the District;

g. Coordinate the work of all the offices and public facilities in the district for purposes of integrated development, efficient use of public resources and effective service delivery;

h. Support and facilitate the offices and public facilities in the District;

i. Ensure that the standards set by the Government in respect of a public facility are fully observed; and

j. Supervise and coordinate the implementation of the policies, instructions and guidelines of the Government.

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

During audit of Deputy Commissioner, Lahore for the period 2022-23, it was observed the management arranged various events (national, religious, public meetings, arrival of local and foreign delegations and cricket teams etc.) during the period under audit. For this purpose, services of various firms were hired through framework contract after pre-qualification to make these events successful.

It was noticed that the management ignored the rates of framework contracts and paid different rates by rationalizing the rates of framework contract for hired services. The payment was not made at uniform rates and different rates were paid at different events against same kind of services. Resultantly, an amount of Rs. 21,784,714 was excess paid to different vendors from the Government exchequer. Further, the management had not chalked out the operational plans/map of events where to install walk-through gates and CCTVs, etc. Fifteen thousand scaffoldings were hired on the eve of Christmas but the location where the same were installed was neither worked out nor the same was on record. Hence, excess charging of quantity could not be ignored.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was reported in October 2023 and it was noted for submission of a detailed reply later on.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the recovery be affected from the concerned besides strengthening of financial and internal controls.

(PDP No. 2023-0000004705_F00002)

21.4.19 Sale of agriculture item at rates not commensurate with rates approved by Finance Department-Rs. 9.94 million

As per letter endorsed by Finance Department vide No.SO(E)-1/2016 dated 09.04.2021, "in pursuance of approval of Provincial Cabinet through circulation, Governor of the Punjab was pleased to accord sanction and release an amount Rs. 804 million for Ramzan Package-2021 and setting up Agriculture Fair Price (AFP) Shops" for provision of 13 items i.e. Potato, Onion, Tomato, Bhindi, Kaddu, Banana, Apple, Guava, Dates Irani, Gram Pulse, Basin, Lemon & Garlic to be sold at AFP Shops @ 25% less from the prevailing notified retail price by the Deputy Commissioners in their respective districts" these funds were placed in SDA accounts of Deputy Commissioners". As per Finance Department's letter, vide No.U.O No1/1205-Agri (FD)/14-Vol-II; dated 31.02.2022, in pursuance of approval of Provincial Cabinet in its 52nd meeting held on 21.03.2022, Finance Department agrees to sanction and release an amount of Rs. 243.00 million in anticipation to the provision of funds through supplementary Grant for "Ramzan Package, 2022 for setting up Agriculture Fair Price Shops" for provision of 13 items i.e. Potato, Onion, Tomato, Bhindi, Kaddu, Banana, Apple, Guava, Dates Irani, Gram Pulse, Basin, Lemon & Garlic will be provided at fixed (25%) subsidized rate of last year Ramzan package. Further, as per table given under Para 02 of introduction of SOPs for the establishment of the Agriculture Fair Price Shops. According to the said SOPs the Government fixed the rates of Tomato @ Rs. 27/kg, Apples @ 135/kg, Lemon @ 188/kg and lady finger @ 78/kg.

During audit of the accounts of Deputy Commissioner, Kasur for the year 2021-23, it was noticed that the management has sold agriculture items more than the rate fixed by the Government adding burden on consumers amounting to Rs 5,504,401. Similarly, Deputy Commissioner, Hafizabad for the years 2020-23, had given excess subsidy than approved by Finance Department. This resulted into loss of Rs. 4,440,193.

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Deputy Commissioner Kasur	2020-23	2023-0000005651_F00015	Irregular receipt due to sale of diet articles above fixed subsidized rates	5,504,401
2	Deputy Commissioner Hafizabad	2020-23	2023-0000004716_F00015	Loss due to sale of agriculture item at over subsidized rate	4,440,193
Total					**9,944,594**

Audit is of the view that lapse occurred due to weak administrative and financial controls.

The matter was pointed out in the month of November 2023. In reply to the preliminary observation, the department just acknowledged the observation without offering any comments.

The matter was further reported to the administrative department. In DAC meeting held on 31.01.2024, the para at Sr. No. 1 was kept pending for probe. Further progress was not reported by the department. As regards remaining para neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter should be inquired, responsibility be fixed and recovery be made from concerned besides strengthening of administrative and financial controls.

21.4.20 Unjustified allotment of vehicles to non-entitled officers-Rs. 9.09 million

As per Policy for Retention of Transport Strength in Government Department issued by S&GAD vide letter No. MTO(S&GAD)AT-II/(2-9)2006 dated 22-04-2008, the competent authority has desired that the policy may be adopted universally in all administrative departments as well as in attached departments, autonomous bodies and projects for use of official vehicles in order to formalize policy and to streamline allocation of vehicles:

i. Secretary/Head of the Department shall be authorized one car as per entitlement (Normally 1300cc)
ii. Additional Secretary and equivalent posts may be allowed to retain one car of either 1000cc or 1300cc depending upon availability in the department.
iii. Deputy Secretaries and equivalent status officers may be allowed to use one car up to 1000cc, depending upon availability of transport of transport in the department concerned.

During audit of the Department of Services & General Administration, it was noticed that Govt. vehicles were allotted to non-entitled officers irregularly which resulted in undue expenditure on POL worth Rs. 9,095,063. The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	MTO Govt. of Punjab S&GAD	2022-23	2023-0000003211_F00007	Unauthorized Provisions of Maintained Vehicles to the Officers on Special Duty (OSD)	9,095,063
2	Section Officer (Accounts-I) Gazetted S&GAD	2022-23	2023-0000003190_F00005	Unlawful allotment of vehicles of higher category	-
3	Section Officer (Accounts-I) Gazetted S&GAD	2022-23	2023-0000003190_F00007	Unlawful allotment of 57 vehicles to officer of BPS-17 and below who were not entitled for allotment	-
4	MTO Govt. of Punjab S&GAD	2022-23	2023-0000003211_F00015	Unlawful allotment of higher engine power vehicles to officers	-
Total					**9,095,063**

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was pointed out in August and September 2023. The management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 31.01.2024, the paras at Sr. Nos. 2 & 7 were kept pending for compliance. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to look into the matter for fixing responsibility, taking remedial measures besides action against the responsible.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2017-18 vide para number 24.4.20 having financial impact of Rs. 20.10 million. Recurrence of same irregularity is a matter of serious concern.

21.4.21 Double drawl of labor charges in violation of prescribed policy of agriculture department-Rs. 6.57 million

As per Standard Operating Procedures (SOPs) for the establishment of Agriculture Fair Price Shop during Ramzan Bazar 2021-22 circulated vide letter No 1507-42/AMIS/E&M/2022 dated 30.03.2022 Market Committees were allowed to claim overhead costs as below:

- Labor Pandi upto Rs 20/100 Kgs
- Sorting cost upto Rs 50/100 kg (only for potato and onion)
- Transportation cost from Mandi to Agriculture Fair Price (AFP) upto to Rs. 50/100 KG
- Packages cost upto Rs 250/100 kgs
- Wastage cost from 2 % to 10%

During the scrutiny of accounts of Deputy Commissioner office Lahore for the period 2021-22, market committees were allowed to charge the overhead cost like labour charges upto Rs. 20/100 Kg only. Audit observed that market committees claimed labour charges once Rs 20/100 in each item amounting to Rs. 2,325,297 and same time labour charges of Rs. 6,573,195 from other misc. expenditure head of account were also claimed without any rule provision provided in the SOPs mentioned above.

The detail is as under:

Sr. No.	Name of Market	Labor Cost – Paid upto Rs. 20/100 per kg	Labor Charges claimed in Miscellaneous Expenditure Head of account (Rs.)
1	Market Committee, Lahore	699,211	1,617,525
2	Market Committee, Multan Road	563,974	1,788,876
3	Market Committee, Kacha	699,211	2,030,616
4	Market Committee, Singhpura	296,959	773,568
5	Market Committee, Raiwind	65,942	362,610
Total		**2,325,297**	**6,573,195**

Audit is of the view that lapse occurred due to defective administrative and financial controls.

The matter was pointed out to the concerned formation during February 2023. In response to the audit observation, the management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends the department to recover the double payment made by the department from concerned, besides ensuring strengthening of financial and internal controls.

(PDP No. 2023-0000000287_F00006)

21.4.22 Irregular expenditure on account of subsidy on ghee-Rs. 4.28 million

As per instructions for the sale of Ghee in Ramzan Bazar issued by industry department vide no SOR(ICI&SD)1-23/2022 dated 21.04.2022, "A maximum of 2 kg ghee will be allowed on one CNIC during the remaining days of Ramzan. Deputy Commissioner will ensure to depute an official at each staff of ghee to record the sale of ghee with the CNIC No. of the Byer. In case a software is provided to them to record CNIC No. so that no person buys more than the allowed quantity, they will ensure that the CNIC NO are duly punched in the system by the official. The discount of Rs. 10/kg will be covering the price. A subsidy of Rs. 42/kg will be provided to the Deputy Commissioner of which Rs. 40/kg will cover the price differential while Rs. 2/kg will cover the transportation charges/incidental costs.

During audit of Deputy Commissioner, Lahore for the financial year 2021-22, scrutiny of the record revealed that cheques amounting to Rs. 4,280,262 were issued by the deputy commissioner to dealers for subsidy on ghee during Ramzan Bazars but following irregularities were observed:

1. Stock and consumption accounts (total stock received, distributed stock and balance etc.) were not maintained by the concerned as was required under above mentioned instructions of the Industry Department.
2. As per notification No.ADC(F&P)/Ramzan/Ghee Subsidy/2022 dated 26.04.2022, A Committee was constituted to assess the sale of subsidized Ghee in Ramzan Bazars and committee will verify the sale of ghee from all sources/portal and will recommend the subsidy amount of Ghee but audit observed that no letter was issued to such departments and no representative was appointed by such department but sale was shown verified by officer without any name authorization letter and data.

Audit is of the view that irregularity occurred due to defective administrative and financial controls.

The matter was pointed out during February 2023. The management did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends getting the matter regularized from the Finance Department for non-compliance with the instructions of the Industries Department besides strengthening Financial and internal Controls.

(PDP No. 2023-0000000287_F00017)

21.4.23 Late finalization of the cases of funeral, marriage & farewell grants

As per Punjab Government Servant Benevolent Fund Ordinance, 1960 Section 4-Utilization of the Fund: a) The Fund shall be utilized for- i) giving financial assistance to the families of deceased servants; ii) giving financial assistance to Government servants invalided out of service; iii) making special grants to Government servants in exceptional cases.

During audit of Provincial Benevolent Fund Board, Lahore for the year 2021-22, it was observed that total number of 26590 cases of the above grants were finalized during 2021-2022. Out of the stated cases 7328 were finalized within the month and remaining 18120 cases were finalized after a delay of 31 days to more than six months. The profile of the time-lines of cases of grants finalized by the Provincial Benevolent Fund Board from 1st January 2021 to 31st December

2022 showed delay in 68% cases of grants. Further, no timeline was devised by the Board for finalization of cases.

Audit is of the view that delay in finalization of 68% cases of grants was hampering the service delivery as well as was a question mark on the performance of board. Lapse occurred due to weak supervisory and financial control. The management has not refuted incidence of delay.

The matter was brought to the notice of the management during March to April 2023. The department stated that all out efforts are made to dispose of cases as soon as possible but issues like shortage of Human Resource, public dealing/pressure and other administrative works are main hindrances for speedy disposal. Moreover, the cases having deficiencies are cleared upon receipt of requisite documents and then submitted for subsequent approval/sanction of Competent Authority so that afterwards data may be uploaded for Bank of Punjab to make/release payments. To reduce errors, manual checking is performed again and again due to using very old software/system not sufficient to meet today's requirement. Further, there is no provision of time line in law/rules to process the cases.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that a proper mechanism may be developed for early finalization of cases.

(PDP No 2023-0000000793_F00010)

21.4.24 Use of outdated and obsolete system raising question mark over the reliability of data and system

As per Section 4(a) of Punjab Government Servants Benevolent Fund Ordinance 1960 (Utilization of the Fund), the Fund shall be utilized for:

i) giving financial assistance to the families of deceased servants;
ii) giving financial assistance to Government servants invalided out of service;
iii) making special grants to Government servants in exceptional cases.

During audit of Provincial Benevolent Fund Board, Lahore for year ended on 31st December 2022, it was observed that outdated system was in use having limited utility and multiple issues encountered from time to time as evident from emails sent to PITB. The Provincial Ombudsman also took up the matter in the meeting with Provincial Benevolent Fund Board dated 06.04.2022 and decided that automation process of the Board be expedited. The Punjab

Information Technology Board evaluated the existing system, and commented that the system developed by a private organization, has become obsolete now. PITB took up the system for maintenance services in 2014 which was hosted at the departmental local server. In 2017, database of the system was migrated to PITB servers and since then system has been running with new URL which is bfms.punjab.gov.pk. In December 2019, bfms.Punjab.gov.pk was developed to shift the system from old to new technology. Shifting is still pending due to the lack of technical staff and lack of HR in the department. No Data Validation, Customization according to new requirements, Track and Trace of applications and No Visual Presentation ensured on Portal. It is pertinent to mention here that latest input control cannot be implemented in the system which may result in data inconsistencies, redundancy and resultantly undermining the reliability of data. Moreover, usage of outdated system with limitations can further impair the issues of data and system in connection with Confidentiality, Integrity and availability. System if not updated regularly can result not only in degraded performance (due to low efficiency and effectiveness) but also results in more maintenance cost.

Audit is of the view that the lapse occurred due to weak administrative and internal controls.

The matter was brought to the notice of the management during 8th March to 18th April 2023. The department stated that picture depicted in the observation is based on facts. Agenda regarding complete automation of B.F was placed before the Boards of Management in its meetings held time to time. Finally, complete automation of B.F was approved by the Boards of Management in its meetings held on 04.07.22. In this regard Memorandum of Agreement between PITB and Benevolent Fund has been signed on 4.4.23 and process of automation has been started. This automation will address issues of Benevolent Fund as mentioned in audit observation.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that prompt remedial actions be ensured and up-dation process may be expedited to overcome the shortfalls of old outdated system.

(PDP No. 2023-0000000793_F00029)

21.4.25 Non-maintenance of record

Punjab Finance Department’s letter No.FD(M1)III-2/87(P-III) dated 22.02.1994 provides that DDO himself will be responsible for production of record to audit party at the time of audit and that in case of any lapse on his part, severe disciplinary action will be taken against him by the

Administrative Secretary personally apart from submitting a report to the Chief Minister/Chief Secretary.

During audit of Services & General Administration Department, it was observed that the record as mentioned in the annexure-42 was not maintained for audit.

Audit is of the view that non-maintenance and non-availability of records and subsidiary account was a grave cause of concern.

The matter was pointed out to the concerned formation from February to November 2023. The management did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 31.01.2024, the para at Sr. No. 4 was kept pending for probe. The paras at Sr. Nos. 6 & 8 were kept pending for compliance. Further progress was not reported by the department. As regards remaining paras neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the department should ensure prompt remedial actions besides fixing responsibility for non-maintenance of record.

CHAPTER 22
SOCIAL WELFARE AND BAIT-UL-MAAL DEPARTMENT

22.1 Introduction

Social Welfare Department is meant to work with the vision of providing an equitable and well-functioning social protection system anchored at the principles of empowerment and inclusion for all, particularly the marginalized.

Social Welfare and Bait-ul-Maal Department performs following functions:

- Registration, technical assistance and monitoring of social welfare agencies
- Social protection including institutional care, skill development and rehabilitation
- Registration, assessment, training, employment, and rehabilitation of disabled persons
- Eradication of social evils
- Coordination with and grant-in-aid to non-Governmental organizations engaged in the field of narcotics control and rehabilitation of drug addicts
- Relief during calamities and emergencies
- Financial assistance to poor and needy through Punjab Bait-ul-Maal

Audit Profile of Social Welfare and Bait-ul-Maal Department

Sr. No.	**Description**	**Total No.**	**Audited**	**Expenditure Audited 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)**	**Revenue/Receipts 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)**

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of Social Welfare and Bait-ul-Maal Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	**Original Grant**	**Supplementary Grant/ Re-Appropriation**	**Final Grant**	**Actual Expenditures**	**Excess/ (Savings)**
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	97.47	(27.05)	70.42	72.35	1.93
PC21031	3,011.28	270.48	3,281.76	3,146.93	(134.83)
PC22036	625.27	(467.50)	157.77	193.75	35.98
Total	**3,734.02**	**(224.07)**	**3,509.95**	**3,413.03**	**(96.92)**

Overview of Expenditure

The final budget of Social Welfare Welfare and Bait-ul-Maal Department for the year ended 30th June 2023 was Rs. 3,509.95 million. Out of this, actual expenditure was Rs. 3,413.03 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	3,108,745,000	3,219,282,002	110,537,002	3.56
Development	625,273,000	193,751,344	(431,521,656)	(69.01)
Total	**3,734,018,000**	**3,413,033,346**	**(320,984,654)**	**(8.60)**

This composition changed due to supplementary grants & surrenders. Variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	3,352,178,000	3,219,282,002	(132,895,998)	(3.96)
Development	157,774,000	193,751,344	35,977,344	22.80
Total	**3,509,952,000**	**3,413,033,346**	**(96,918,654)**	**(2.76)**

Anticipated savings not surrendered

As per para 14.3 of Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. 134.83 million at the close of the year 2022-23 under grant PC21031 were not surrendered in time by the Department.

Excess expenditure requiring regularization

As per Para 13.2 (ii) of the Punjab Budget Manual, the total expenditure incurred on a purpose does not exceed the grant or grants provided for that purpose. However, excess expenditure amounting to Rs. 37.91 million for the year 2022-23 under grants PC21010 & PC22036 had not been got regularized so far. This was tantamount to breach of legislative control over and above the appropriations.

22.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 410.35 million were raised in this report during audit of Social Welfare and Bait-ul-Maal Department. This amount includes recoveries of Rs. 9.64 million as pointed out by the audit. Summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	9.64
2.	Performance related irregularities	255.63
3.	Financial Matters	25.87
4.	Accounting Errors	94.00
5.	Others	25.21
Total		**410.35**

22.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives for reports discussed so far is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not Received**	**Percentage of Compliance**
1	1985-86	7	2	5	29
2	1986-87	8	6	2	75
3	1987-88	2	1	1	50
4	1988-89	2	1	1	50
5	1989-90	6	0	6	0
6	1990-91	1	0	1	0
7	1991-92	1	0	1	0
8	1993-94	2	0	2	0
9	1994-95	1	0	1	0
10	1998-99	22	8	14	36
11	1999-00	13	6	7	46
12	2000-01	41	35	6	85
13	2001-02	46	28	18	61
Total		**152**	**87**	**65**	**57**
Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.					

The compliance of PAC directives in Social Welfare and Bait-ul-Maal Department needs further improvement. Further, the department is requested to reconcile the matter with Audit Department regarding any discrepancy.

22.4 AUDIT PARAS

Recoveries and overpayments

22.4.1 Non/less deduction of Income Tax, General Sales Tax, and Punjab Sales Tax-Rs. 8.02 million

As per the Punjab Sales Tax on Services Act, 2012, in case of non-registered/Non-Active business with PRA, PST is to be deducted from gross amount of bill @ 16% on Services. As per Section 3(3) of Sales Tax Act 1990, the liability to pay tax shall be of person making supply. However, the purchaser may require the supplier to provide the copies of their sales tax return in order to ensure that sales tax is being paid monthly. As per Section 153 (1)(a) of Income Tax Ordinance 2001, the Income tax on supply and services was required to be recovered.

During audit of Social Welfare and Bait-ul-Maal Department, it was observed that Income Tax and Punjab Sales Tax was either not or less deducted by the management before making payments to the suppliers and service providers. On purchase of packed items, GST was paid twice i.e. at packing stage and then at purchase stage. The service contractor was not registered with PRA but department did not withhold PST on the gross amount of bill by using fraction (bill *16/116). Instructors engaged for services were paid charges without deducting Punjab Sales Tax. Income tax was less deducted on payment made to consultant and service provider of Janitorial & Security services. General Sales Tax was paid to the suppliers of goods instead of ensuring withholding of the same. The breakup of the recoverable amount is as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Recovery	Amount (Rs.)
1	Director General of Social Welfare and Bait-ul-Mall	2017-22	2023-0000001001_F00007	Income tax	3,969,775
2	Director General, Punjab Women Protection Authority	2017-22	2023-0000000795_F00002	Income tax, General Sales Tax & Punjab Sales tax	1,991,366
3	District Industrial Home (Sanatzar), Lahore	2017-22	2023-0000000289_F00001	Punjab Sales tax	1,215,336

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Recovery	Amount (Rs.)
4	Director General of Social Welfare and Bait-ul-Mall	2017-22	2023-0000001001_F00016	Punjab Sales tax	364,306
5	Secretary Social Welfare and Bait-ul-Mall, Lahore	2020-22	2023-0000001912_F00017	General Sales Tax	331,037
6	Director General of Social Welfare and Bait-ul-Mall	2017-22	2023-0000001001_F00020	Income tax	146,300
Total					**8,018,120**

Audit is of the view that financial indiscipline led to a loss to Public Exchequer.

The matter was pointed out in February & March 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 17.10.2023, the para at Sr. No. 2 was kept pending for production of tax returns submitted by the firm (M/s Ovec Tech) to PRA. The para at Sr. No. 5 was kept pending with the direction to ensure deduction of GST and production of relevant record. As regards remaining paras, neither any reply was received nor was the DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the recovery be affected and relevant returns accounting for discharged tax liability be produced to remedy the situation.

22.4.2 Irregular expenditure due to non-observance of Punjab Procurement Rules-Rs. 1.62 million

As per Rule 12 of PPR 2014, a procuring agency shall advertise procurement of more than one hundred thousand rupees and up to the limit of two million rupees on the website of the Authority up to 16.08.2020 and more than two hundred thousand rupees and up to the limit of three million rupees from 17.08.2020 in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper.

During audit of the Director General of Social Welfare and Bait-ul-Mall, Lahore for the period 2017-22, it was observed that an amount of Rs. 1,617,690 was spent on the procurement of stationery items and payment was made to M/s Khobaib Traders without adopting tendering process for economical and competitive procurement which was irregular.

Audit is of the view that lapse occurred due to the poor existence of administrative and financial controls.

The matter was pointed out in March 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor the DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into at the appropriate level to fix responsibility against those at fault, besides ensuring that the irregularity be regularized by the Finance Department.

(PDP No. 2023-0000001001_F00009)

Performance related irregularities

22.4.3 Loss sustained by the Trust due to high-risk investment in Mutual Funds-Rs. 147.82 million

As per FD’s letter No.FD(W&M)1-1/70(VII) dated 15.05.2009, all Government departments, boards, companies, autonomous bodies, and special institutions are directed to ensure adequate profit and security of investment/funds. Compare the profit rate of the Bank of Punjab with other commercial banks and if other commercial banks offer higher profit rates then funds may be placed with those banks offering higher profit rates.

During audit of Punjab Welfare Trust for the Disabled, Lahore, for the financial period 1996-22, it was observed that the Executive Committee of the Trust in its meeting dated 22.03.2008 decided high-risk investment of 140,000,000 in Mutual Funds (70 million each in Meezan Islamic Fund and NAFA Islamic Multi-Asset Fund) without due diligence, return rate analysis and proper risk management. The following observations were raised:

i. The market value of the investment decreased by 10.5% within three months of the investment on June 2008 and a decrease of 28% up to June 2009 and was redeemed in February 2010 with a capital loss of Rs. 17,700,121 which shows a poorly managed investment plan for the funds of the Trust.

ii. No revenue against the said investment was received from March 2008 to February 2010 resulting revenue loss of Rs. 29,400,000.

It is pertinent to mention that the Executive Committee in its meeting dated 04.02.2010 decided to redeem the investment (12.6% capital loss and 100% loss of revenue for two years) without identifying fault or fixing responsibility of the loss and ensuring corrective measures to avoid such lapses in future. Audit held that the investment was carried out without market analysis and risk management of the portfolio and thus the current value of accumulated loss of Rs. 147,820,356 was sustained by the Trust.

Audit is of the view that lapse occurred due to weak supervisory and internal controls.

The initial observation was issued in March 2023 and the management replied to scrutinize the record and submit a detailed reply but was not received.

The matter was further reported to the administrative department. In DAC meeting held on 17.10.2023, the para was kept pending with the direction to take up the matter with Finance Department for writing off the loss to the tune of Rs. 2.48 million relating to 3 investments. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter may be inquired into at the administrative department's level and recovery be made from those responsible and deposited in the Government Treasury.

(***PDP No. 2023-0000000340_F00001***)

22.4.4 Blockage of public money and poor performance of call centers-Rs. 107.81 million

As per clause 5 of the Act of "Punjab Bait ul Mall Council," the money shall be utilized for purposes of relief and rehabilitation of the poor widows and orphans, educational assistance to the poor and deserving students, medical assistance to the poor, etc. As per Sr. No. (2)(3)(a-c) to Para No. 8 of Planning and Development Board letter No.1/203/RO(P&D)/90 dated 29.06.1991, a Trust shall be constituted for credit of all the sums received by the Trust which consist of grants, donations, endowments, contributions, aid, etc.

As per condition No. 37 & 57.4 of the Terms & Conditions of an agreement regarding the establishment of the Helpline for Violence against Women Centre at Multan, the service provider was to provide services and training to the service provider's agents.

During audit of Social Welfare and Bait-ul-Maal Department, it was observed that receipt of donations was discontinued, a huge amount was paid on account of call services of only 2989 calls in four years and the amount was blocked in two dormant accounts. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Amount (Rs.)
1	Grant in Aid to Bait-ul-Mall Council	2016-22	2023-0000000936_F00003	100,277,327
2	Director General, Punjab Women Protection Authority, Lahore	2017-22	2023-0000000795_F00001	7,529,601
Total				**107,806,928**

The following irregularities were noticed:

i. During 2016-22, the department incurred an expenditure of 10,116,273 out of the retained amount of Rs. 23,870,000, being 4% for administrative expenses. The public money was blocked instead of utilizing the grant for needy people. The management has a sum accumulating closing balance of Rs. 100,277,327 till June 2022 in its 04 bank accounts.

ii. A sum of Rs 7,529,601 was paid on account of call center services for the violence against women center at Multan. A total of 2989 calls were received in four years. The average calls in one year come to 747 calls showing 107 calls per agent per year for the strength of 07 agents. Per agent monthly calls were 09 and daily calls for each agent were 0.29 calls. It means that each agent attended one call after three days. The payment was not justified.

Audit is of the view that such kind of lapse occurred due to negligence on the part of concerned personnel running the affairs of the entity.

The initial observation was issued in March 2023. The management replied that the correspondence with banks and the administrative department was in progress to resolve the matter.

The lapse restricted the management from utilizing its funds in profitable investments being a major source of income for the Trust to be utilized on the programs for the welfare of the disabled, resulting in loss of potential earnings apart from blockage of Trust funds.

The matter was further reported to the administrative department. In DAC meeting held on 17.10.2023, the para at Sr. No. 1 was kept pending for verification of record. The para at Sr. No. 2 was kept pending with the direction that the Chief Financial Officer of Punjab Welfare Trust for the Disabled be appointed to conduct the third-party valuation of the helpline services to adjudge its efficacy. Further progress was not reported by the department. As regards remaining para, neither the reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that serious efforts be made to improve the performance of the department for better utilization of funds, framing Trust rules, fixing responsibility for poor planning of call centers, and shifting of amount from dormant accounts for sizeable return on investment.

22.4.5 Shortcomings in the Performance of the Punjab Women's Protection Authority

According to Section 15 of the Punjab Women Protection Authority Act, 2017, there shall be a Fund to be known as the Punjab Women Protection Authority Fund which shall consist of: grants received from the Government or from other domestic or international agencies, etc.

According to Section 6 of the Punjab Women Protection Act, 2017, the Authority shall have the powers and functions to establish, maintain, monitor, govern, operate, and construct Protection Centers in the Punjab, provide relief to, and rehabilitate the women against violence and to formulate and ensure minimum standards, code of conduct and Standard Operating Procedures to be followed by the persons engaged in the Protection System. The annual performance report enumerating all activities, developmental initiatives undertaken, the targets achieved during the previous financial year, and the future plans shall be laid before the Provincial Assembly of Punjab within ninety days of its receipt.

During audit of Punjab Women Protection Authority for the period 2017-22, it was observed that the Authority was established to ensure the protection of women against violence and to counter the women's rights abuses in the province of Punjab but the Authority failed to perform as per requirements of the Act, detailed as under:

i. The management of Punjab Women Protection Authority (PWPA) failed to establish women's rehabilitation centers except at Multan.
ii. Women Protection Centers were neither established nor were efforts made to implement a Protection system in remote areas of Punjab.

iii. There was no mechanism devised for accepting donations such as land, vehicles, equipment, money, or human resources for facilitation of the functioning of the Protection System;

iv. Annual performance reports showing all activities, developmental initiatives undertaken, the targets achieved at the end of each year, and the future plans were not submitted before authority by the Director General.

Lapse occurred due to a lack of interest of the department in the administration and supervision of the core activities.

The initial observation was issued in March 2023. The DDO replied that the matter would be taken up with the administrative department.

The matter was further reported to the administrative department. In DAC meeting held on 17.10.2023, the committee kept the para pending with the direction that the process for notification of Board be expedited. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the administrative department should look into the matter and necessary measures be taken to make the Authority functional according to the Act.

(PDP No. 2023-0000000795_F00003)

Financial Matters

22.4.6 Irregular drawl of cheques in the name DDO instead against concerned vendor-Rs. 25.87 million

Rule 4.49(1) of the Subsidiary Treasury Rules stipulate that payment of Rs 100,000 and above to the contractors and suppliers shall not be made in cash by the DDO.

During audit of the Director General Social Welfare & Bait ul Mall for the year 2017-22, scrutiny of contingent bills under different heads of accounts revealed that the Drawing & Disbursing officer drew cheques valued Rs. 25,866,665 in his name instead against the concerned vendors. Moreover, acknowledgment against payment to the concerned quarter was also not found attached to the bill. So, due to the above-stated act on the part of DDO, the authenticity of the expenditure could not be legitimate.

Audit is of the view that the lapse occurred due to the poor existence of administrative and financial controls.

The matter was pointed out in February 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter should be investigated, and irregularity be regularized besides strengthening administrative, financial as well and supervisory controls to avoid the recurrence of such lapses in the future.

(PDP No. 2023-0000001001_F00003)

Accounting Errors

22.4.7 Disbursement to District Bait-ul-Mall Committees without legal cover-Rs. 94.00 million

Rule 2.33 of PFR Vol-I states that every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his par.

During audit of Grant in Aid to Bait-ul-Mall Council for the period 2016-22, it was observed that the Ameen of "Punjab Bait-ul-Mall Council" (PBMC) directed "Punjab Bait-ul-Mall Council" and "District Bait-ul-Mall committees" to stop functioning on 28.06.2018 till further orders. The tenure of Ameen was till 21.03.2019 and the next Ameen was appointed by the Government on 19.06.2019. Punjab Bait-ul-Mall Council was again constituted for the period of three years w.e.f. 30.10.2019 and "District Bait-ul-Mall Committees" were notified on 06.12.2019 i.e. the Punjab Bait-ul-Mall Council and its district Bait-ul-Mall Committees remained dysfunctional during 2018-19 whereas, an amount of Rs. 94,000,000 was shown as disbursed to District Bait-ul-Mall Committees.

Audit is of the view that in the absence of District Bait-ul-Mall Committees, the disbursement was unjustified.

The matter was pointed out in March 2023. In reply of the preliminary observation, the management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 17.10.2023, the para was kept pending with the direction to make efforts to disburse the Bait-ul-

Maal funds through notified district Bait-ul-Maal Committees as and when constituted. Further progress was not reported by the department till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends to investigate the matter of disbursement to fix responsibility against those at fault.

(PDP No. 2023-0000000936_F00001)

Others

22.4.8 Non-availability of records for expenditure-Rs 25.21 million

As per Rule 2.20 of PFR Vol-I, every payment, including repayment of money previously lodged with Government, for whatever purpose, must be supported by a voucher setting forth full and clear particulars of the claim.

During audit of Social Welfare Training Institute, Lahore for the year 2011-22, it was revealed that an amount of Rs. 25.209 million stood disbursed and was paid against different heads of accounts but supporting vouchers were not available for verification.

Audit is of the view that such kind of lapse occurred due to negligence on the part of concerned personnel running the affairs of the entity.

The matter was pointed out in February 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into at the administrative department's level and lapse be remedied at an early date.

(PDP No. 2023-0000000935_00001)

CHAPTER 23
SPECIAL EDUCATION DEPARTMENT

23.1 Introduction

Department of Special Education was established on 01.10.2003. The department aims to create an environment for making disabled and physically retarded persons useful members of society and utilize their potential and skills in each sphere of life. It performs the following functions:

- Enhancement of enrollment through the provision of:
    - Construction of School Buildings
    - Free Pick & Drop Facility
    - Free Text & Braille Books
    - Free Boarding & Lodging Facility
    - Free Teaching Aids
    - Provision of Stipends
    - Free Uniform
    - Merit Scholarships
    - Nutrition Programs
- Establishment of Rehabilitation Centre for the Disabled of International Standard
- Training Programs and adoption of internationally accepted best practices
- Curriculum Development for the Special Education institutions

Audit Profile of Special Education Department

Sr. No.	Description	Total No.	Audited	Expenditure Audited 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)	Revenue/Receipts 2022-23 Ph-II & 2023-24 Ph-I (Rs. in million)
1	Formations	11	3	739	-
2	• Assignments Accounts • SDAs etc. (excluding FAP)	1	1	-	-
3	Authorities/Autonomous bodies etc. under the PAO	1	-	-	-
4	Foreign Aided Projects (FAP)	-	-	-	-

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Special Education Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	63.54	25.94	89.47	83.24	(6.24)
PC21015	261.09	59.93	321.02	290.28	(30.74)
PC22036	158.03	(134.67)	23.36	19.59	(3.77)
Total	**482.65**	**(48.80)**	**433.85**	**393.11**	**(40.74)**

Overview of Expenditure

The final budget of the Special Education Department for the year ended 30th June 2023 was Rs. 433.85 million. Out of this, the actual expenditure was Rs. 393.11 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	324,627,000	373,516,662	48,889,662	15.06
Development	158,027,000	19,593,168	(138,433,832)	87.60
Total	**482,654,000**	**393,109,830**	**(89,544,170)**	**18.55**

This composition changed due to supplementary grants and surrenders. The variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	410,494,000	373,516,662	(36,977,338)	9.01
Development	23,359,000	19,593,168	(3,765,832)	16.12
Total	**433,853,000**	**393,109,830**	**(40,743,170)**	**(9.39)**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (40.74) million at the close of the year 2022-23 under grants PC21010, PC21015 and PC22036 were not surrendered in time by the Department.

23.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 12.39 million were raised in this report during audit of the Special Education Department. This amount includes recoveries of Rs. 1.16 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	**Classification**	**Amount**
1.	Recoveries and overpayments	1.16
2.	Procurement related irregularities	6.84
3.	HR/Employees related irregularities	4.39
Total		**12.39**

23.3 Brief comments on the status of compliance with PAC Directives

There is no para yet discussed in PAC. However, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

23.4 AUDIT PARAS

Recoveries and overpayments

23.4.1 Non-recovery of pay and allowances-Rs. 1.16 million

As per Rule 2.31(a) of PFR Vol-I, a drawer of bills for pay, allowances, contingent, and other expenses will be held responsible for any overcharges, frauds, and misappropriations. Moreover, as per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part. Further, according to the letter bearing No.FD-SR(1t)-4/86(P)(PR) dated 21.04.2014 & MTO-I(S&GAD)AT-II/2-6/2012 dated 29.06.2018 respectively, officers who are availing Government vehicles including bikes (Sanctioned/pool) are not entitled to the facility of Conveyance Allowance w.e.f. 01.03.2014.

During audit of the following formations of Special Education Department for the period 2020-22, it was observed that Rs. 1,164,920 have been paid to the employees on account of pay and allowances which are not admissible to them under the rules as detailed below:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Secretary Special Education Lahore	2020-22	2023-0000000931_F00009	Recovery of Pay & Allowances	635,132
2	Directorate of Special Education Punjab Lahore	2020-22	2023-0000000998_F00005	Non-deduction of conveyance allowance from officers having been allotted Government vehicles	325,072
3	Government Teachers Training College for the Blind Lahore	2017-22	2023-0000000290_F00010	Overpayment of conveyance allowances	204,716
Total					**1,164,920**

Audit is of the view that lapse occurred due to weak supervisory, financial, and internal control.

The matter was pointed out in April 2023. The management signed the observation and did not furnish any reply.

The matter was further reported to the administrative department. In DAC meetings held on 30.08.2023 and 25.07.2023, the para at Sr. No. 2 was reduced from Rs. 340,000 to the extent shown in the table after verification of record. The para at Sr. No. 3 was kept pending for recovery. Further progress was not reported by the department. As regards the remaining para, neither any reply was received nor was the DAC meeting convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that pointed-out recovery be affected under intimation to the Audit Department.

Procurement related irregularities

23.4.2 Irregular expenditure due to violation of Punjab Procurement Rules-Rs. 6.84 million

As per Rule 4 of the Punjab Procurement Rules 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. As per Rule 9 of the Rules ibid, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. The procuring agency shall advertise in advance annual requirements for procurement on the website of the Authority as well as on its website. Furthermore, as per Rule 12 of the Rules ibid, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations.

During audit of the accounts of Secretary, Special Education Department for the period 2020-22, it was observed that expenditure to the stated extent of Rs. 6,837,874 was incurred on purchases of cost of other stores, repair & maintenance of machinery and equipment and stationery etc. without observing the above-stated rules. Framework contracts were avoided depriving entity the benefits of the economy of scale.

The lapse occurred due to weak supervisory, financial, and internal control which indicates ignorance of rules on the part of the department.

The matter was pointed out in March 2023. The management noted the observation for compliance.

Audit is of the view that the lapse occurred due to non-observance of PPR 2014.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be looked into at the administrative department's level and the irregularity be condoned with the sanction of the Finance Department.

(PDP No. 2023-0000000931_F00018)

HR/Employees related irregularities

23.4.3 Irregular appointments against Irrelevant Qualification & Experience Certificates Amount Involve-Rs. 4.39 million

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part.

During audit of the accounts of Secretary, Special Education, Lahore for the financial year 2020-22, it was observed that the department hired staff for the project. Out of 18 posts in the project, 17 posts were filled by the department contrary to the criteria mentioned in the advertisement. The relevance of experience and qualification for appointees were not compatible with the posts for which selections were undertaken. Hence, the expenditure of Rs. 4,390,646 made against these posts was considered irregular.

The lapse occurred due to weak internal controls.

The matter was pointed out in April 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into at the administrative department's level.

(PDP No. 2023-0000000931_F00010)

Performance related irregularities

23.4.4 Non-achievement of targets of Capacity Strengthening Unit

The scheme titled "Capacity Strengthening of Planning Wing, of Special Education Department" (LZ4137) was approved at a total cost of Rs. 31.698 million with gestation period of

3 years (2017-18, 2018-19 & 2019-20). The nomenclature of the scheme was changed by the Chairman P&D, Board while approving ADP 2018-19 (1st Revision) and the scheme was reflected with a new title "Strategic Planning Unit (SPU)", of the Special Education Department. Resultantly, the first revision of the scheme was made on 25.02.2019 at a total cost of Rs. 30.941 million with a gestation period of 4 years (2017- 18 to 2020-21). The second revision was approved by the Departmental Development Sub Committee (DDSC) in its meeting held on 20.02.2020. The third revision of the PC-1 was approved with a gestation period 2017-18 to 2021-22 by DDSC held on 27.08.2020.

During audit of the scheme "Capacity Strengthening of Planning Wing, of Special Education Department" for the period 2020-22, the overall project implementation activities were found deficient to the extent delineated as follows:

1. The department did not share any achievement or activity against the objective at Sr. No 1 of PC-I (i.e. increasing consultancy support and technical capacity of the Special Education Department).
2. The project vehicle was procured in 2018 whereas the staff was hired after a delay of 3.9 years i.e. in 2021.
3. There was no Web portal for centralized regular monitoring, data fetching, schools/student's complaints/ attendance/needs, literacy and numeracy.
4. No app has been developed to watch the real-time activities of Special Education across the province.
5. There is a meager engagement/involvement of the private sector regarding the strengthening of Special Education.
6. A vehicle bearing No. LEG-18-6000 of the Project was deployed elsewhere which also badly affected the monitoring of the project in the province.

Lapse occurred due to weak internal and supervisory control.

The matter was pointed out in March 2023 and the department noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired at the administrative department's level besides taking stock of deficiencies in project implementation.

(PDP No. 2023-0000000931_F00008)

CHAPTER 24
SPECIALIZED HEALTHCARE AND MEDICAL EDUCATION DEPARTMENT

24.1 Introduction

Specialized Healthcare and Medical Education Department is responsible for delivering quality healthcare services to the community through an efficient and effective service delivery system that is accessible, equitable, culturally acceptable, affordable and sustainable. Specialized Healthcare and Medical Education Department aims to improve the health and quality of life, particularly women and children, through access to essential health services.

The Specialized Healthcare and Medical Education Department strives to reform and strengthen the critical aspects of the health systems. Government of the Punjab has enabled it to;

- Provide and deliver a basic package of quality essential health care services
- Develop and manage competent and committed health care providers
- Generate reliable health information to manage and evaluate health services
- Adopt appropriate health technology to deliver quality services
- Finance the costs of providing basic health care to all
- Reform the health administration to make it accountable to the public

Audit Profile of Specialized Healthcare & Medical Education Department:

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of Health Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of three grants/appropriations is given below:

(Rupees in million)

Grant No.	**Original Grant**	**Supplementary Grant/ Re-Appropriation**	**Final Grant**	**Actual Expenditures**	**Excess/ (Savings)**
1	**2**	**3**	**4**	**5**	**6(5-4)**

Overview of Expenditure

The final budget of Health Department for the year ended 30th June 2023 was Rs. 272,607.19 million. Out of this, actual expenditure was Rs. 263,947.59 million.

The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	**Original Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	185,322,646,000	179,284,474,301	(6,038,171,699)	(3.26)
Development	163,745,765,000	84,663,111,660	(79,082,653,340)	(48.30)
Total	**349,068,411,000**	**263,947,585,961**	**(85,120,825,039)**	**(24.39)**

This composition changed due to supplementary grants & surrenders.

Variance of Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	**Final Grant**	**Actual Expenditure**	**Excess/ (Savings)**	**Variance %**
1	**2**	**3**	**4**	**5**
Current	186,671,578,390	179,284,474,301	(7,387,104,089)	(3.96)
Development	85,935,612,853	84,663,111,660	(1,272,501,193)	(1.48)
Total	**272,607,191,243**	**263,947,585,961**	**(8,659,605,282)**	**(3.18)**

Anticipated savings not surrendered

As per para 14.3 of Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (8,659.61) million at the close of the year 2022-23 under grants PC21010, PC21016, & PC22036 were not surrendered in time by the Department.

24.2 Classified summary of Audit Observations

Audit observations amounting to Rs. 25,597.86 million were raised during audit of Specialized Healthcare and Medical Education Department. This amount includes recoveries of Rs. 2,810.44 million as pointed out by the audit. Summary of the audit observations classified by nature is as under:

Overview of Audit Observations

(Rs. in million)

Sr. No.	Classification	Amount
1.	Reported cases of fraud, embezzlement and misappropriation	22.59
2.	Recoveries and overpayments	2,810.44
3.	Procurement related irregularities	5,870.12
4.	HR/Employees related irregularities	95.75
5.	Performance related irregularities	190.45
6.	Others	16,608.51
Total		**25,597.86**

24.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives for reports discussed so far is given below:

Sr. No.	Audit Report Year	Total Paras	Compliance received	Compliance not Received	Percentage of Compliance
1	1984-85	46	38	8	83
2	1985-86	48	35	13	73
3	1986-87	67	53	14	79
4	1987-88	145	91	54	63
5	1988-89	79	55	24	70
6	1989-90	101	54	47	53
7	1990-91	128	75	53	59
8	1991-92	67	47	20	70
9	1992-93	71	44	27	62
10	1993-94	88	54	34	61

Total		**4599**	**1812**	**2787**	**47**

Note: The Audit Report years missing in the above table were either due to non-inclusion of subject chapter during that year or non-discussion of the subject chapter before the PAC.

The Punjab Health Department was split into Specialized Health Care and Medical Education and Primary and Secondary Health Care Departments in the Financial Year 2015-16.

Only 5 paras pertaining to year 2019-20 of Specialized Health Care and Medical Education Department as independent department were discussed. The status of compliance with PAC directives including previous years and current paras is not satisfactory. The department needs to improve it. Further, the department is requested to reconcile the matter with Audit Department regarding any discrepancy.

24.4 AUDIT PARAS

Reported cases of fraud, embezzlement and misappropriation

24.4.1 Loss of Government due to doubtful purchase of store and misappropriation-Rs. 22.59 million

Rule 2.33 of PFR Vol-I states that every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part. Moreover, Rule 15.12 of the Rules ibid states that a reliable list, inventory or account of all stores in the custody of Government servants must be maintained, to enable a ready verification of stores and check of accounts at any time.

During audit of Specialized Healthcare & Medical Education Department, it was observed that a misappropriation of Rs. 22,586,742 was found in the field formations. Details are given at below mentioned table:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Principal AIMC, Jinnah Hospital & Nursing College and School Lahore.	2021-22	2023-0000000177_F00046	Misappropriation of stores	6,819,412
2	Gujranwala medical college & its allied institutions (DHQ/Teaching hospital) Gujranwala	2021-23	2023-0000003216_F00031	Misappropriation in Hospital receipts	5,667,105
3	Allama Iqbal Medical College and Allied Institution, Lahore	2022-23	2023-0000002820_F00002	Misappropriation of stores	2,883,030
4	University of Child Health Sciences & Allied Institutions, Lahore.	2021-22	2023-0000000178_F00008	Double drawl of water & sewer charges bill of May 2022	2,671,200
5	Sahiwal Medical College with Allied Institutes	2021-22	2023-0000001470_F00012	Stores were found missing during physical verification	2,295,500

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
6	Sheikh Zayed Hospital, Rahim Yar Khan	2020-22	2023-0000001473_F00001	Stores were found missing during physical verification	2,250,495
Total					**22,586,742**

Audit observed that:

a. The stores were misappropriated. This fact was admitted by the management of formation at Sr. No. 1.

b. Management kept receipt out of Government treasury and the whereabouts of said receipt was unknown at Sr. No. 2.

c. Stores/record were not handed over to new storekeeper. Initial inquiry recommends regular inquiry under PEEDA Act 2006.

d. The water & sewer bill for the month of May, 2022 was double drawn in r/o formation at Sr. No. 4.

e. Stores were found missing while conducting physical verification in r/o formation at Sr. No. 5 and 6.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls on management of assets.

The matter was pointed out during February to November 2023. The management at Sr. No. 5 noted the observation for compliance. Rest of the formations did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into to fix responsibility, besides recovering the loss from those held responsible also strengthening supervisory and internal controls on management of assets.

Recoveries and overpayments

24.4.2 Non-recovery of outstanding dues from contractors/ defaulters-Rs. 1,435.20 million

According to Rule 4.7(1) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account.

As per Rule 7.29 of DFR Vol-I, the Sub-Divisional Officer must verify quantities and rates in a bill against the measurement book, ensuring accurate calculations before bill signing. As per Finance Department's instructions (No.RO (Tech) FD.1-2/83-VI, 29.03.2005) alongside Building and Road Department code (para 2.7, 2.12, 2.86), altering approved work specs or quantities in the TSE during execution requires written consent from the competent authority with reasons. Under contract's additional Clause 18, the contractor is accountable for water costs if University taps are utilized, as set by the officer in-charge of the water supply.

During audit of Specialized Healthcare and Medical Education Department, it was observed that an amount of Rs. 1,435,199,237 was outstanding against contractors of civil works due to application of higher rate. Over payment was made of price variation and excess payment than the approved technical estimates. Further, amount is outstanding from various contractors (LD charges), hostel residents, PG trainees, and nurses on account of contractual amounts, utility charges and room rent etc. The details are as given in annexure-43.

Audit is of the view that the lapse occurred due to weak internal controls on recoveries.

The matter was pointed out to formations concerned. Most of the formations noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023 and 28.11.2023, the para at Sr. No. 1 was reduced to the extent shown in annexure besides persuance of the cases with Court and District Collector of land revenue . The paras at Sr. Nos. 10, 40 and 61 were kept pending for rate analysis of non schedule items as per Finance Department template. The para at Sr. No. 13 was kept pending for provision of revised estimates. The para at Sr. No. 14 was kept pending for production of record. The paras at Sr. Nos. 23, 37 and 47 were kept pending for recovery. The paras at Sr. Nos. 24, 38 and 51 were kept pending for compliance. The para at Sr. No. 30 was kept pending for comparison between Federal Government and Finance Department’s estimates for recovery of excess payments. The para at Sr. No. 46 was kept pending for production of lab test and bill for verification or recovery. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the stated amount be recovered from the concerned besides fixing responsibility against the delinquents for non-recovery of outstanding dues.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21 and 2019-20 vide para numbers 19.4.3, 19.4.5, 21.4.27 and 20.4.41 having financial impact of Rs. 313.02 million, Rs. 340.19 million, Rs. 567.67 million and Rs. 275.59 million. Recurrence of same irregularity is a matter of serious concern.

24.4.3 Irregular treasury operations-Rs. 491.95 million

As per Clause II of the austerity measures notified vide Finance Department's letter No.FD.SO(GOODS)44-4/2016 09.08.2019, undue depositing of public funds allocated by the Provincial Government into commercial bank accounts of Companies, Authorities, Autonomous Bodies etc. stood prohibited. The Finance Department will directly allocate funds to these entities through relevant SDAs or standard release procedures. Additionally, Rule 17.19 of PFR Vol-I prohibits treasury advances to prevent appropriations lapse. Rule 2.10 (a) (1) of PFR Vol-I emphasizes exercising prudence in Government revenue expenditure, akin to personal financial care.

As per policy guideline for treatment of profits earned on funds lying in commercial banks from money withdrawn by the provincial Government entities from Provincial Consolidated Fund (PCF) issued by the Finance Department vide No.FD(W&M)1-1/70(Vol-XV)2021/98 dated 09-06-2023, para 6(i) states that profit accrued against the money withdrawn from PCF/public account and deposited in profit bearing commercial bank accounts will subscribe to the following:

i. In case money is provided for execution of ADP scheme to the administrative department or attached department, expected to be completed in a financial year, the amount received at the close of the financial year shall be deposited with the Finance Debarment through a cheque in the designated head of account

ii. In case money is provided for ADP scheme to the administrative department or attached department to be executed during more than one year the profit accrued on public money shall be intimated to Finance Department till 30th June, the amount of such profit shall be deducted at source by the Finance Department while releasing fund for next financial year. Moreover, Sr. No. (ii) of para 6 of ibid states that profit accrued against the money provided to administrative department and attached department to support service delivery or for other operational purpose etc. shall be deposited in the Government treasury by the administrative department and attached department via Finance Department through a cheque.

During audit of various formations of Specialized Healthcare & Medical Education Department, it was revealed that funds were transferred from SDA to PLA just to avoid the lapse of budget in violation of above stated fiscal discipline. Further, profit accrued against the money provided to administrative department and attached department to support service delivery or for other operational purpose etc. was not deposited into Government treasury. Hence, funds to the tune of Rs. 491,954,024 (Annexure-44) were lying un-utilized at the end of the financial year June 2023.

Audit is of the view that unauthorized retention of public money outside the Government Treasury was made due to defective administrative and financial controls.

The matter was pointed out to the formations concerned during February to November 2023. The management did not offer cogent reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that responsibility be fixed for unauthorized retention of money, either the amount be utilized for the purpose for which it was drawn or the same be deposited back in to the Government treasury besides ensuring strengthening of financial and supervisory controls.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22 and 2019-20 vide para numbers 19.4.14, 19.4.21 and 20.4.21 having financial impact of Rs. 1,665.53 million, Rs. 402.37 million and Rs. 2,966.65 million. Recurrence of same irregularity is a matter of serious concern.

24.4.4 Irregular payment of inadmissible allowances & non-recovery/deduction of allowances-Rs. 455.85 million

As per Rule 2.31 (a) of PFR Vol-I, a drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriations.

During audit of Specialized Healthcare & Medical Education Department, it was observed that pay & allowances amounting to Rs. 455,847,755 (Annexure-45) such as conveyance/dress/mess allowance during leave, social security benefit after regularization of services and stipend to PG trainees who did not complete training etc. was paid without admissibility.

Audit is of the view that weak internal controls on payroll resulted in unauthorized payment of pay & allowances.

The matter was pointed out to formations concerned. Most of the formations noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, The para at Sr. No. 19 was kept pending for recovery. The paras at Sr. Nos. 22, 28 and 31 were kept pending for clarification from the Finance Department. The para at Sr. No. 29 was kept pending for verification of sanction strength of anesthetist. The para at Sr. No. 44 was kept pending for verification of degrees. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the stated amount be recovered from the concerned and deposited into Government treasury besides strengthening internal controls on payroll.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para numbers 19.4.2, 19.4.2, 21.4.4, 20.4.30 and 28.4.106 having financial impact of Rs. 427.87 million, Rs. 312.44 million, Rs. 7,311.27 million, Rs. 208.63 million and Rs. 535.40 million. Recurrence of same irregularity is a matter of serious concern.

24.4.5 Non-recovery of license fee from healthcare establishments-Rs. 240.95 million

As per Section 2 of the Punjab Healthcare Commission Act, 2010, the Commission may, before issuing the license, inspect the healthcare establishment which is to be licensed, or cause such healthcare establishment to be inspected by an inspection team. (3) A license issued by the Commission under this section– (a) shall be in such form as may be prescribed; (b) shall be valid for the period of five years; and (c) may be renewed upon expiry.

During audit of Punjab Healthcare Commission for the period 2020-22, it was observed that the management had surveyed 68,251 healthcare establishments which had been due for registration but after lapse of considerable time, only 57,797 healthcare establishments were registered. Moreover, as per the consolidated data obtained from the department software, 17,059 healthcare establishments were pending for registration which had caused a loss of Rs. 240,951,237 to Government.

The lapse occurred due to weak financial and administrative control of the management.

The matter was pointed out to formation concerned during February 2023. The management replied that the registration of newly established or non-registered HCEs and collection of licensing fee is a regular and routine process of the Commission and the PHC actively follow up with these HCEs for the purpose. However, despite its limited resources and manpower, the PHC has covered maximum HCEs and rest will be taken care of in due course of time. The reply was not tenable. The pace of registration of remaining healthcare establishments was very slow besides recovery thereupon needs to be affected at the earliest.

The matter was further reported to the administrative department. In DAC meeting held on 28.11.2023, the para was kept pending for registration/decision for remaining 49,758 healthcare establishments and recovery of licensing fee. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be looked into at administrative department's level and efforts be made for recovery of the amount on urgent basis.

(PDP No. 2023-0000000175_F00006)

24.4.6 Less/Non-deduction of Taxation-Rs. 180.76 million

According to Income Tax Ordinance, 2001 and Punjab Sales Tax on Services Act 2012, the departments were required to deduct taxes at prescribed rates at the time of making payments to suppliers/service providers. Further, as per Section 149 of Income Tax Ordinance, 2001, every employer paying salary to an employee shall, at the time of payment, deduct tax from the amount paid at the employee's average rate of tax computed at the rates specified in Division-I of Part-I of the First Schedule on the estimated income and prerequisites of the employee chargeable under the head "Salary" for the Tax Year in which the payment is made.

The Federal Government in the current Supplementary Act of 15th January 2022, clause 52 A of the updated 6th schedule of Sales Tax has withdrawn exemption of 17% Sales Tax to hospitals run by the Federal or Provincial Governments or charitable operating hospitals of fifty beds or more or the teaching hospitals of statutory universities of two hundred or more beds. Further, as per Ministry of Finance and Revenue Division, Revenue Division, Government of Pakistan Notification (Sales Tax) S.R.O. 179(I)/2023 dated 14th February 2023, In exercise of the powers conferred by clause (b) of sub-section (2) of section 3 of Sales Tax Act, 1990, the Federal Government is pleased to enhance the rate of sales tax in respect of taxable goods falling within the purview of sub-section (1) of section 3 from seventeen percent under sub section (1) of section 3 of Sales Tax Act, 1990 to eighteen percent.

During audit of Specialized Healthcare & Medical Education Department, it was observed that levied taxes amounting to Rs. 180,762,019 were not withheld at source at the time of making payments to the suppliers/service providers. The details are given in Annexure-46.

Audit is of the view that weak supervisory and internal controls on taxation resulted in less/non-deduction of taxes.

The matter was pointed out to the formations concerned. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, the para at Sr. No. 10 was kept pending for recovery. The paras at Sr. Nos. 11 and 16 were kept pending for compliance. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to affect recovery of stated amount and deposit the same into Government treasury besides strengthening supervisory and internal controls on taxation.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para numbers 19.4.4, 19.4.1, 21.4.31, 20.4.27 and 28.4.111 having financial impact of Rs. 23.71 million, Rs. 193.94 million, Rs. 189.34 million, Rs. 251.64 million and Rs. 332.61 million. Recurrence of same irregularity is a matter of serious concern.

24.4.7 Un-spent balance of CM grant not adjusted against the new cases-Rs. 5.73 million

Rule 2.33 of P.F.R Vol-1 requires that every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through negligence on his part. As per Chief Minister's office letter No.AS(FS)CMO/19/OT-47/C dated 07.02.2020, Grant-in-Aid was earmarked for medical treatment of cancer patients.

During audit of the accounts of Principal Allama Iqbal Medical College, Lahore for the period 2021-22, it was observed that Rs. 14,972,432 were received by the management for treatment of cancer patient under CM Grant. The funds were placed into PLA and an expenditure of Rs. 4,562,104 was incurred for the purchase of medicine. The hospital delayed purchasing medicine for cancer during the stipulated period. The department neither completed purchase process nor unspent amount was refunded to C.M Office.

Following irregularities were also observed:

- Reconciliation of vouched account of expenditure with Director General, Health Services, Punjab was not made in due course.
- Purchase committee was not constituted.
- Inspection committee was not constituted.
- Batch analysis report was not found on record.

The lapse occurred due to weak supervisory and financial control.

The matter was pointed out to the formations concerned during February to June 2023. The management did not offer cogent reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that responsibility may be fixed besides ensuring strengthening of internal controls

(PDP No. 2023-0000000177_F00027)

Procurement related irregularities

24.4.8 Mis-procurement of goods and services due to violation of Punjab Procurement Rules-Rs. 4,808.51 million

As per Rule 4 of Punjab Procurement Rules, 2014, a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. Moreover, as per Rule 9 of Rules ibid, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. Furthermore, as per Rule 12 ibid, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority. Any procurement exceeding three million rupees shall be advertised on the website of the Authority, the website of the procuring agency, if any, and in at least two national daily newspapers of wide circulation, one in English and one in Urdu.

During audit of Specialized Healthcare & Medical Education Department, it was observed that expenditure to the tune of Rs. 4,808,514,102 was incurred on procurement of goods and services without observing above stated rules. Thus, the procurements made in violation of Punjab Procurement Rules rendered the whole expenditure irregular. The details are given in Annexure-47.

Audit is of the view that disregard to Punjab Procurement Rules resulted in irregular expenditure.

The matter was pointed out to the formations concerned. Most of the management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 27.11.2023 and 28.11.2023, the para at Sr. No. 30 was kept pending for regularization from the Finance Department. The paras at Sr. Nos. 33 and 53 were kept pending for probe at administrative department’s level. The para at Sr. No. 39 was kept pending for verification of record. The para at

Sr. No. 52 was kept pending for clarification from Punjab Revenue Authority and decision by Court. The para at Sr. No. 56 was kept pending for clarification from Law Department. The para at Sr. No. 79 was kept pending for compliance. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at administrative department's level for fixing responsibility and mis-procurement be reported to PPRA for consideration by the PPRA Board for taking cognizance of lapses to avoid recurrence thereof in future.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para numbers 19.4.8, 19.4.11, 20.4.15, 20.4.8 and 28.4.35 having financial impact of Rs. 2,741.93 million, Rs. 1,377.05 million, Rs. 16,193.65 million, Rs. 7,225.60 million and Rs. 17,585.54 million. Recurrence of same irregularity is a matter of serious concern.

24.4.9 Irregular purchase of medicines & disposables through local purchase (LP) system-Rs. 450.18 million

Government of the Punjab, Finance Department (Monitoring Wing) vide letter No.FD(FR)IV-5/2019/21015-2 dated 20.09.2019 circulated following distribution of budget regarding the procurement of medicine by Teaching Hospitals and District Headquarter Hospitals:

(i) Up to 10% reserved for natural calamities/emergencies to be purchased in bulk.

(ii) Up to 15% day to day purchase for normal medicine.

(iii) 75% for bulk purchase for normal medicine.

During audit of Specialized Healthcare & Medical Education Department, it was observed that expenditure to the tune of Rs. 450,181,002 was incurred on local purchases of medicine and surgical disposables. The transactions were suffering from infirmities as detailed below:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	DG Khan Medical College & Allied Institutions, DG Khan	2021-22	2023-0000001570_F00005	Procurement made at higher rates through local purchase	107,412,000
2	Principal AIMC, Jinnah Hospital & Nursing College and School Lahore.	2021-22	2023-0000000177_F00005	Irregular purchase of medicine/disposables on LP basis through pooling	70,455,384
3	Govt. Teaching Hospital Shahdara, Lahore	2021-23	2023-0000003208_F00012	The process of local purchase of medicine from December 2021 to March 2023 was not carried out through online PITB portal in violation of LP guidelines. From April 2023 to June 2023, the process of LP medicine was made through online PITB portal but data/record of online LP purchase was not available to verify the expenditure.	64,858,645
4	Allama Iqbal Medical College and Allied	2022-23	2023-0000002820	Unjustified purchase of LP medicine in the presence of bulk supply contract & stock in hand	54,937,956

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
	Institution, Lahore		_F00015		
5	FJMU/Sir Ganga Ram Hospital & Allied Institutions, Lahore	2021-22	2023-0000001377_F00010	Online orders were placed demanding one specific brand instead of mentioning generic name extending undue favoritism to some specific manufacturers. Most common items were purchased through LP instead of bulk. Least discount of 6% to 6.5% was availed on LP.	51,108,658
6	Mayo Hospital, Lahore	2022-23	2023-0000004714_F00012	Excess purchase of LP medicines against LP Policy	38,886,000
7	Sahiwal Medical College with Allied Institutes	2021-22	2023-0000001470_F00018	Pooling of the contractors	35,700,000
8	DG Khan Medical College & Allied Institutions, DG Khan	2021-22	2023-0000001570_F00006	Procurement made at higher rates	12,782,000
9	Principal AIMC, Jinnah	2021-22	2023-0000000177	Loss due to LP of medicine and disposables in presence	7,100,685

	Hospital & Nursing College and School Lahore.		_F00006	of bulk supply contract & stock	
10	University of Child Health Sciences & Allied Institutions, Lahore.	2021-22	2023-0000000178_F00012	Loss due to LP of medicines in presence of bulk supply contract	6,939,674
Total					**450,181,002**

Audit observed the following:

1. The managements had made said procurement in bulk quantity at low rate e.g. syringes bulk tender rate was Rs. 13.35 and same supply was procured through quotations at Rs. 21.27 almost double.
2. Those items were also included in annual tender but proper need assessment/planning of annual medicine tender was not made.
3. Many disposables required DTL like Syringes but due to quotation system, no DTL was made and stock was used without any DTL.
4. The management purchased LP medicines excess than the permissible limit of 15%.
5. The management purchased LP medicines manually instead of online PITB portable in violation of LP policy.

The lapse occurred due to weak planning of the managements.

The matter was pointed out to the formations concerned. Most of the management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, the para at Sr. No. 5 was kept pending for regularization and compliance. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into at administrative department's level to fix responsibility for poor inventory management and excess procurement of stores. A thorough reconciliation of inventories is also required with regard to last year's closing balances, next year's supply orders, delivery of stores and consumption trends. Moreover, the management is required to strengthen the supervisory and internal controls on inventories.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para numbers 19.4.9, 19.4.12, 21.4.9, 20.4.11 and 20.4.57 having financial impact of Rs. 643.73 million, Rs. 861.30 million, Rs. 139.72 million, Rs. 1026.09 million and Rs. 12.77 million. Recurrence of same irregularity is a matter of serious concern.

24.4.10 Un-justified excess procurement of medicine and disposable items-Rs. 320.48 million

As per Rule 2.10 (a) (i) of PFR Vol-I, same vigilance should be exercised in respect of' expenditure incurred from Government revenues as a person of ordinary prudence would exercise in respect of the expenditure of his own money. Further, as per Rule 15.18 ibid, balances of store should not be held in excess of the requirement of a reasonable period or in excess of any prescribed maximum limit. In order to ensure the observance of this rule, a periodical inspection must be made by a responsible Government servant, who must submit a report of surplus, unserviceable and obsolete stores.

During audit of Specialized Healthcare & Medical Education Department, it was observed that the above criteria approved for the procurements was not strictly followed by the management and an amount of Rs. 320,481,986 was incurred in excess than approved cost and thus Government sustained loss for that amount. The details are as under:

Sr. No	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Medical Superintendent, Kot Khawaja Saeed Hospital, Lahore	2020-23	2023-0000004358_F00014	Purchase Of Medicine & Disposable Without Immediate Requirement	189,137,491
2	Punjab Institute of Mental Health, Lahore	2020-23	2023-0000004357_F00003	Excess Purchase of Medicine & Disposable Without	131,344,495

				Immediate Requirement	
Total					**320,481,986**

Audit is of the view that the lapse occurred due to weak supervisory and internal controls on inventories.

The matter was pointed out to the formations concerned. The management in case of Sr. No. 1 replied that the mostly of the medicines as pointed out in the annexure have since been utilized and consumed/issued the patients. The reply of the management was not tenable as last year consumption of these items as a whole was less than the closing stock on 30th June of each year. Further no evidence in support of reply was provided. The management at Sr. No. 2 did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into at administrative department's level to fix responsibility for poor inventory management and excess procurement of stores. A thorough reconciliation of inventories is also required with regard to last year's closing balances, next year's supply orders, delivery of stores and consumption trends. Moreover, the management is required to strengthen the supervisory and internal controls on inventories.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21 and 2018-19 vide para numbers 19.4.11, 19.4.24, 21.4.24 and 28.4.48 having financial impact of Rs. 545.94 million, Rs. 2,253.21 million, Rs. 6878.49 million and Rs. 1,785.64 million. Recurrence of same irregularity is a matter of serious concern.

24.4.11 Purchases made at exorbitant rates-Rs. 190.57 million

As per Rule 2.10. (a) of PFR Vol-I requires that in incurring and sanctioning expenditure from the revenues of the province the disbursing officers and sanctioning authorities should be guided by the following fundamental canons of financial propriety: (1) Same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of Specialized Healthcare & Medical Education Department, it was observed that expenditure to the tune of Rs. 190,565,397 was incurred on purchase of different items of store on high rates. The details are given in annexure-48.

Audit is of the view that the lapse occurred due to weak financial controls and negligence of the management.

The matter was pointed out to the formations concerned. Most of the management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into and got regularized from the Finance Department besides ensuring recovery of above stated amount.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22, 2020-21 and 2019-20 vide para numbers 19.4.13, 21.4.9 and 20.4.25 having financial impact of Rs. 110.24 million, Rs. 139.72 million and Rs. 67.82 million. Recurrence of same irregularity is a matter of serious concern.

24.4.12 Irregular procurement of medical equipment-Rs. 56.16 million

Clause 26(a) of contract dated 27.04.2022 provides that the manufacturer/supplier has undertaken to supply latest mode of the machine for satisfactory operation for a period of five years from the date of commissioning with parts. Clause 22(e) ibid provides that the contracting firm shall submit late delivery charges in the shape of CDR (non-refundable) @ 0.067% per day of the total value of contract as a penalty for any extension granted beyond the grace period. The penalty shall not be imposed exceeding 10% of the contract value.

During audit of University of Child Health Sciences Lahore for the financial year 2021-22, it was observed that the entity entered into contract with M/s Clinical Life Inc. for supply of 10 Nos. Ventilators with Humidifier amounting to Rs. 56,160,000 after opening LC vide cheque No. D572557, dated 05.04.2022.

The procurement was held irregular due to following reasons:

i. As per LC of Euro 234,000, the date of shipment was 10.07.2022 but it was extended 2 times through LC amendments. However, the equipment was shipped on 29.08.2022 and late delivery charges for 49 days amounting to Euro 7,682 were not recovered.
ii. LC amendment charges were to be borne by the contractor as per contract but were not recovered.

iii. No testing & commissioning was carried out; hence the date of 5 years warranty cannot be determined.

iv. As per above condition of contract, the contractor was bound to provide bank guarantee of 5 years from the date of commissioning alongwith replacement of all the parts/ faulty material free of cost but the formation failed to ensure 5 years warranty period commencing onwards from the date of commissioning.

Audit is of the view that lapse occurred due to weak supervisory and financial controls.

The matter was pointed out to the formations concerned. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meetings held on 10.10.2023, the para was kept pending for recovery from the firm and production of 5 year bank guarantee. Further progress was not reported by the department.

Audit recommends recovery of late delivery charges along with LC amendment charges. The equipment should be commissioned without further delay and 5 years warranty should be ensured from the date of successful commissioning.

(PDP No. 2023-0000000178_F00039)

24.4.13 Irregular purchase of medicine not registered with DRAP-Rs. 20.78 million

As per knock out criteria of the bidding document the firms were required to submit copies of valid Drug Registration Certificate of quoted drugs issued by DRAP. As per Rule 6 and 26 (3-A) of Drug (Licensing, Registration and advertisement) Rules 1976, a license issued under this Chapter shall, unless earlier suspended or cancelled, be in-force for a period of five years from the date of issue and may thereafter be renewed for periods of five years at a time: Provided that an application for renewal shall not be entertained unless it has been made within sixty days after the expiry of the license and when an application has been made as aforesaid the license shall subject to the orders passed on the application for renewal continue in force for the next period of two years.

During audit of Medical Superintendent, Mian Munshi (DHQ-I) Hospital, Lahore for the period 2021-23, it was observed that medicine valuing to Rs. 20,780,700 were purchased without obtaining valid registration certificate of the DRAP. The details are as under:

Sr. No	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Mian Munshi DHQ-I Teaching Hospital Lahore	2021-23	2023-0000004738_F00010	Irregular purchase of medicine not registered with DRAP	11,309,300
2	Govt. Teaching Hospital Shahdara, Lahore	2021-23	2023-0000003208_F00006	Medicines were procured from firms that did not have valid drug manufacturing/sale licenses. The firms provided expired / invalid licenses at the time of participation in tender and the same invalid licenses were furnished while submitting bills / invoices after making supplies.	9,471,400
Total					**20,780,700**

Audit is of the view that the lapse occurred due to weak financial controls and negligence of the management.

The matter was pointed out to the formations concerned. In case of Sr. No. 1, the management replied that the detail reply would be given at AIMS. The management at Sr. No. 2 did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be probed to arrive at factual position, taking remedial measures besides ensuring action against those held responsible.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2019-20 vide para number 20.4.16 having financial impact of Rs. 50.01 million. Recurrence of same irregularity is a matter of serious concern.

24.4.14 Advance payment without approval of Finance Department and non-observing of austerity measures-Rs. 14.71 million

As per Rule 2.10(b)(5) of PFR vol-I, no money is withdrawn from the treasury unless it is required for immediate disbursement or has already been paid out of the permanent advance and it is not permissible to draw advances from the treasury for the execution of works the completion of which is likely to take a considerable time. In accordance with Austerity Committee letter No.FD SO(Goods)44-4/2016 dated 27.08.2020 no vehicles are permissible to be procured except ambulances.

During audit of Punjab Healthcare Commission for the period 2020-22, it was observed that a payment of Rs. 14,713,000 was made for purchase of vehicles without obtaining advance payment sanction from the Finance Department. Moreover, the instructions contained in the Austerity Committee letter were also not followed while purchasing the vehicles.

The lapse occurred due to weak financial controls of the management.

The matter was pointed out to the formations concerned. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 28.11.2023, the para was kept pending for seeking approval of austerity committee from the Finance Department. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into at administrative department's level besides seeking regularization from the Finance Department.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22 and 2018-19 vide para numbers 19.4.18, 19.4.34 and 28.4.56 having financial impact of Rs. 12.73 million, Rs. 251.56 million and Rs. 36.53 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No. 2023-0000000175_F00003)

24.4.15 Irregular issuance of near to expiry surgical items to other hospitals valuing-Rs. 8.73 million

According to the supply order, supplies will be governed by the Drug Act, 1976 and the firms will be bound to replace the unconsumed/ expired/rejected/substandard/misbranded stocks free of cost.

During audit of Mayo Hospital, Lahore for the period 2022-23, it was observed that disposable items i.e., Promus primer stents valuing Rs. 8,733,720 having one and half month shelf life (near to expiry) were issued to other hospitals. According to above stated Drug Act, 1976, firms were bound to replace the unconsumed, expired, rejected, substandard and misbranded stock free of cost. However, the management issued it to sister organizations instead of returning the said stock to concerned firms and receiving fresh stock by replacing it with maximum shelf life. This was an undue favour to concerned firm resulting in loss to public exchequer.

Audit is of the view that the lapse occurred due to weak financial controls and negligence of the management.

The matter was pointed out to the formations concerned. The management noted the observation for compliance

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter should be inquired, responsibility be fixed against concerned beside strengthening of administrative and supervisory controls

(PDP No. 2023-0000004714_F00013)

HR/Employees related irregularities

24.4.16 Irregular and extravagant expenditure without affiliation/up-gradation of Government College of Paramedics-Rs. 62.41 million

The major objectives of the establishment of PGIAHS Faisalabad were; 1) To provide a seat of advanced learning in different disciplines of paramedics. 2) To provide academic guidance to different paramedical schools/institution in order to ensure quality in paramedical education. 3) To foster research and development in paramedical education. 4) To provide/graduate and post graduate courses for Allied Health Professionals (AHPs) Finance Department accorded its concurrence for creation of 125 posts during 2017-18.

During audit of Postgraduate Institute of Allied Health Sciences, Faisalabad for the period 2018-2023, it was observed that an amount of Rs. 62,408,537 was incurred on purchase of Medical and Lab Equipment regarding up-gradation without approval of competent authority i.e., Secretary Specialized Health and Medical Education. Further, fifty-nine (59) Allied Health Professionals (AHP) posts were downgraded/re-designated through budget book 2015-16 without issuance of any separate notification. Moreover, the twenty-eight (28) non Allied Health Professionals (AHP) old posts were also not mentioned in the budget book.

Audit is of the view that the lapse occurred due to weak administrative and supervisory internal control.

The matter was pointed out to the formations concerned. The management noted the observation for regularization and compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that responsibility be fixed, expenditure be got regularized and recovery be affected from defaulters and deposited into Government Treasury.

(PDP No. 2023-0000004734_F00001)

24.4.17 Irregular appointments in violation of recruitment policy-Rs. 30.84 million

Punjab Government Recruitment Policy 2004 prescribes proper advertisement of all positions in two newspapers and disallows relaxation of specified qualifications. The Selection Committee must ensure recruitment adheres to merit, established rules, and policy provisions. Further, under the Chapter titled "Fundamental Rights" of the Constitution of Pakistan, equality of citizens and safeguard against discrimination in services has been guaranteed. Article 25 of the Constitution provides that all citizens are equal before law and are entitled to equal protection of law while article 27 provides that no citizen otherwise qualified for appointment in the service of Pakistan shall be discriminated against.

During audit of Specialized Healthcare & Medical Education Department, it was observed that appointment of various officers/officials were made against the criteria of Selection Board without approval of Senate/Chancellor. Further, it was also observed that appointments of teaching and non-teaching staff were made contrary to criteria/rules with irrelevant field experience. Moreover, marking criteria required to be followed was not conformed to by the selection board and marking aggregate was tampered to extend favours to beneficiaries. The contingent paid staff was hired without advertisement. The cutting and addition of marks was observed in the marking sheets. Moreover, at the time of appointment the age of lab attendant was below 18 years in contradiction to Civil Servants Recruitment Rules 1976. The action of the management resulted irregular payment for Rs. 30,839,864. The details are given as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Postgraduate Institute of Allied Health Sciences, Faisalabad	2018-23	2023-0000004734_F00017	Unlawful appointments without advertisement of contingent staff	21,434,407
2	King Edward Medical University, Lahore	2020-22	2023-0000000357_F00013	Various officers/officials were appointed against the criteria of Selection Board without approval of Senate/Chancellor. Further, appointments of teaching and non-teaching staff were made contrary to criteria / rules with irrelevant field experience.	7,520,341
3	KEMU, Lahore	2022-23	2023-0000002811_F00006	Irregular appointment on the post of Assistant Registrar. Further, vide letter No.1776-7/PRO-VC/KEMU/2019, dated 2.9.2019, an inquiry committee was constituted regarding a complaint lodged against unlawful appointments of Mr. Muhammad Rashid	1,087,224

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
				Javaid, assistant registrar at KEMU Lahore.	
4	Postgraduate Institute of Allied Health Sciences, Faisalabad	2018-23	2023-0000004734_F00005	A Lab Attendant (BS-2) was appointed but her age at the time of Appointment was below 18 years in contradiction of Civil Servants Recruitment Rules, 1976	797,892
5	Services Institute of Medical Sciences (SIMS) and Allied Institutions, Lahore	2022-23	2023-0000002809_F00020	Irregular appointment of 54 (27+27) assistant Professors /Senior Registrars due to wrong calculation of interview and qualification marks in the merit list. Moreover, cutting, and addition of marks was also observed in the marking sheets.	-
Total					**30,839,864**

Audit is of the view that weak internal controls on recruitments resulted into irregular appointments.

The matter was pointed out to the formations concerned. The management at Sr. No. 1 replied that drivers and contingent staff was appointed as per requisition. Moreover, compliance of the rules would be ensured in the future and noted the observation for compliance. The management at Sr. No. 5 did not offer any reply. The rest of the formations noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, the para at Sr. No. 2 was kept pending for regularization from competent authority. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be probed into at administrative department's level for fixing responsibility besides seeking regularization from Finance Department and taking remedial measures.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para numbers 19.4.10, 19.4.6, 21.4.5, 20.4.5 and 28.4.22 having financial impact of Rs. 524.12 million, Rs .2,151.84 million, Rs. 2,170.75 million, 309.82 million and Rs. 422.34 million. Recurrence of same irregularity is a matter of serious concern.

24.4.18 Irregular distribution on honorarium from students fund-Rs. 2.50 million

As per Punjab Medical & health Institution Act, 2003, Head of Institution shall be responsible for the administration and management of affairs of an institution. According to Rule 2.31(a) of PFR Vol-1, a drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriations.

During audit of PGMI/AMC & Lahore General Hospital, Lahore for the financial year 2022-23, it was observed that honorarium amounting to Rs. 2,499,450 was paid from student fund irregularly and income tax of Rs 249,945 was also not withheld while making payment.

Audit is of the view that lapse occurred due to poor existence of administrative and financial controls.

The matter was pointed out to the formations concerned during November 2023. The management just acknowledged the observation without offering any comments.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter should be inquired, responsibility be fixed against concerned and recovery be made from concerned beside strengthening of administrative and financial controls

(PDP No. 2023-0000004715_F00063)

Performance related irregularities

24.4.19 Loss to the public exchequer due to poor performance of management-Rs. 190.45 million

As per Notification no.SO.(ME)7-6/2020(CIP) of Specialized Healthcare & Medical Education Department, the Competent Authority has been pleased to revise the “Policy and Procedure Manual (PPM) described as followed under caption Mission, Goal and Objectives 2.1. Mission: The Specialized Healthcare & Medical Education Department shall uplift the quality of health care services at the “Tertiary and Specialized Teaching Hospitals” of Punjab according to the national and international standards. 2.2. Goal: Launch systems, operationalize them and strengthen them through a continuous process of improvement. Objectives: Uplifting of all three pillars of health care systems – Hospitals, Medical Education and Quality of Health Care, in all Teaching Hospitals of the Punjab.

Clause-3 (uptime guarantee) of service contract dated 22.11.2021 of MRI Philips provides that down time compensation shall be given to the client as follows: iii) 90% to 80%; the service contract will be extended by 3 times the number of days as extra down time. iv) Below 80%; the service contract will be extended by 4 times the number of days as extra down time.

During audit of Specialized Healthcare & Medical Education Department, it was observed that the performance of the management was very poor that is why the poor community had to face financial burden of Rs. 190,452,287. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Principal AIMC, Jinnah Hospital & Nursing College and School Lahore.	2021-22	2023-0000000177_F00043	Management failed to keep the MRI machine functional causing suffering to the public.	182,500,000
2	MS Children Hospital FSD	2021-23	2023-0000002810_F00022	Wasted expenditure due to non-functioning of Bio-Medical Machines.	7,952,287

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)

4	Govt. Teaching Hospital Shahdara, Lahore	2021-23	2023-0000003208_F00002	Non-functioning of CT Scan machine	-
Total					**190,452,287**

The lapse occurred due to poor performance of the managements concerned.

The matter was pointed out to the formations concerned. The management at Sr. No. 2 stated that the detailed reply would be submitted after consulting the record. The management at Sr. No. 1 & 5 did not offer any reply. Rest of the management noted the observations for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired into, strenuous efforts be made to prevent such lapses in future after conducting enquiry at administrative department's level.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2021-22 vide para number 19.4.27 having financial impact of Rs. 2,170.36 million. Recurrence of same irregularity is a matter of serious concern.

Others

24.4.20 Un-authorized parked/retention of Government funds into commercial banks and PLA accounts-Rs. 3,818.46 million

According to Government of the Punjab, Finance Department's letter No. FD-DS (Coordination)/Misc./2018, dated 22.06.2018, public money must not be parked in commercial accounts.

During audit of Specialized Healthcare and Medical Education Department, it was observed that contrary to above Government instructions, public money to the tune of Rs. 3,818,457,505 was parked in commercial banks. The details are given in Annexure-49.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was pointed out to the concerned formations from February 2023 to November 2023. Most of the entities noted the observations for compliance or offered no reply.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, the paras at Sr. Nos. 2 & 4 were kept pending for verification of record. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the irregularity be got condoned from Finance Department besides transferring the said amount in Government account.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2018-19 vide para number 28.4.90 having financial impact of Rs. 1,092.90 million. Recurrence of same irregularity is a matter of serious concern.

24.4.21 Un-justified payment of pending liabilities-Rs. 2,405.06 million

As per Rule 17.17 (A) of PFR Vol-I, every disbursing officer shall maintain a register of liabilities in PFR Form No. 27 in which he should enter all those items of expenditure for which:

i. Payment is to be made by or through another officer;
ii. Budget allotment or sanction of a higher authority is to be obtained; or
iii. Payment would be required partly or wholly during the next financial year or years.

During audit of Specialized Healthcare and Medical Education Department, it was observed that pending liabilities amounting to Rs. 2,405,062,420 pertaining to previous years were cleared out of current budget allocation without having sanction of competent authority/Finance Department. Pending liability registers were not maintained by the respective management. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Mayo Hospital, Lahore	2022-23	2023-0000004	Irregular payment of	2,052,670,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
			714_F00002	pending liabilities	
2	FJMU/Sir Ganga Ram Hospital & Allied Institutions, Lahore	2021-22	2023-0000001377_F00028	Irregular payment of pending liabilities	245,703,520
3	Executive Director, Punjab Institute of Neurosciences, Lahore	2021-22	2023-0000000281_F00008	Irregular payment of pending liabilities	82,340,000
4	University of Child Health Sciences & Allied Institutions, Lahore.	2021-22	2023-0000000178_F00004	Irregular payment of pending liabilities	14,328,959
5	DG Khan Medical College & Allied Institutions, DG Khan	2021-22	2023-0000001570_F00020	Irregular payment of pending liabilities	10,019,941
Total					**2,405,062,420**

Audit is of the view that the lapse occurred due to weak budgetary planning and poor financial management.

The matter was pointed out to the concerned formations from February 2023 to November 2023. Most of the entities noted the observations for compliance. Some of the formations did not offer any reply.

The matter was further reported to the administrative department. In DAC meeting held on 10.10.2023 and 27.11.2023, the paras at Sr. Nos. 2 & 4 were kept pending for regularization from the Finance Department. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the responsibility be fixed for wrongful creation and payment of pending liabilities besides seeking regularization of expenditure from the Finance Department.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23 and 2018-19 vide para numbers 19.4.13 and 28.4.93 having financial impact of Rs. 1,705.16 million and Rs. 1,673.56 million. Recurrence of same irregularity is a matter of serious concern.

24.4.22 Irregular withdrawal of funds under ADP scheme-Rs. 2,381.35 million

No withdrawal from ASSAN Assignment Account (LC) is permissible as advance withdrawal or for en-block transfer of funds in commercial banks/DFIs (Development Financial Institutions) except with the express approval of Finance Department. According to Government of the Punjab, Finance Department letter No. FD-DS (Coordination) /Misc./2018 dated 22.06.2018, public money must not be parked in commercial accounts. Further, as per Rule 17.19 of PFR Vol-I, it is not permissible to draw advance from Government treasury to prevent the lapse of appropriations.

During audit of FJMU/Sir Ganga Ram Hospital, Lahore for the period 2021-22, it was observed that an amount of Rs. 2,381,352,000 as revenue part of ADP scheme titled "Mother & Child Block, Sir Ganga Ram Hospital, Lahore was released by the Finance Department and placed in Assan Assignment Account of the Project Director of said scheme during the year 2021-22. Audit observed that:

1. The perusal of expenditure statement (2021-22) of above ADP scheme revealed an expenditure of Rs. 2,291,722,000 under various heads of accounts. However, funds were not utilized during the period under audit. The management further stated that the process of procurement and opening of LCs took place in the next financial year 2022-23. Audit observed that the expenditure appearing in the accounts was due to advance withdrawal of funds from Assan Assignment Account.
2. The advance withdrawal of funds Rs. 2,291,722,000 was made from Assan Assignment Account to avoid lapse of appropriations.
3. Out of advance withdrawal, an amount of Rs. 2,168,664,000 was deposited into commercial bank account of PD in violation of above instructions.
4. An amount of Rs. 89,630,000 lapsed due to non-surrendering/non-utilization of funds.

Audit held that the retention of funds for whole financial year and shifting the same into commercial bank account at close of the financial year to avoid lapse of funds was irregular and caused further blockage of funds in commercial bank.

Lapse occurred due to non-adherence to rule/instructions, weak administrative controls and poor financial management.

The matter was pointed out to the formation concerned. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, the para was kept pending for regularization from the Finance Department and production of auditable record of ADP scheme. Further progress was not reported by the department till the finalization of this report.

Audit recommends that interest accrued against retention of the principal amount in commercial account be recovered and the irregularity be got condoned from the Finance Department besides strengthening of supervisory and financial controls.

(PDP No. 2023-0000001377_F00001)

24.4.23 Unjustified delay in opening of LC-Rs. 1,592.17 million

As per Rule 2.10(a)(1) of PFR Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of Gujranwala Medical College and its Allied Institution (PMU) Gujranwala for the financial year 2021-22, it was noticed that after issuance of acceptance letter and signing agreement with successful contractors, management opened LC of seventy-nine (79) contracts amounting to Rs. 1,592,166,479 with a considerable period of delay ranging from 8 to 383 days. Resultantly, cost was run over remarkably and a loss of Rs. 222,511,798 was incurred due to rate fluctuation of currencies and stock was also not received in time.

The lapse occurred due to weak financial controls.

The matter was pointed out in August 2023. The management stated that detailed reply would be submitted after consulting the record.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to investigate the matter at Administrative Department's level and fix responsibility against the person held at fault for delay and loss due to increase in dollar price besides seeking regularization from the Finance Department.

(PDP No. 2023-0000003216_F00025)

24.4.24 Irregular withdrawal of funds from CDR account and recoupment not shown-Rs. 1,334.78 million

According to Rule 1 (v) of Schedule-IV of Punjab Medical & Health Institute Rules 2003, the Director Finance shall be the Chief Accounts Officer of the institution and shall be responsible to keep all the accounts of institution according to the rules of the Government and regulations approved by the Board.

During audit of FJMU/Sir Ganga Ram Hospital, Lahore for the period 2021-22, scrutiny of bank statement of CDR Account No.1252-79015211-01 revealed that an amount of Rs. 942,400,000 was withdrawn from CDR Account and shifted to Salary Account No. 1252-79014843-03. Furthermore, an amount of Rs. 30,055,922 was withdrawn from this account for payment of LESCO bills and Rs. 362,328,201 was drawn for unknown purpose. As the funds in CDR account pertain to security deposits of the vendors which require to be refunded to the depositors after fulfillment of their contractual obligations, therefore, withdrawal of funds from CDR account other than refund purposes was irregular/unjustified. Moreover, the utilization of withdrawn/transferred funds as well as recoupment of the same in CDR Account was not shown to Audit for verification.

Lapse occurred due to weak financial & administrative controls.

The matter was pointed out to the formation concerned. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, the para was kept pending for verification of record. Further progress was not reported by the department till the finalization of this report.

Audit recommends that the matter be inquired into and recoupment of the stated amount towards CDR account be shown to Audit for verification.

(PDP No. 2023-0000001377_F00007)

24.4.25 Irregular mode of payment-Rs. 1,252.18 million

All payments exceeding Rs. 100,000 should be made to contractors/suppliers/firms through cheque as laid down in Rule 4.49 (a) of subsidiary treasury rules, Punjab. Further, as per letter No.SO (TT)/12-2/2014.PT-II dated 24-08-2022, in exercise of powers conferred under Article 119 of the Constitution of Islamic Republic of Pakistan, Governor of the Punjab is please to make the following amendment in the Subsidiary Treasury Rules issued under the Treasury Rules, (Punjab) with immediate effect. Rule 4.49. (1) The drawing and Disbursing officer shall: (a) not made any payment in cash discharge accrued liability against a department. (b) Before submitting the bill for pre-audit, make an endorsement on it by requiring the account officer to make direct payment to the vendor through his bank account or as the case may be, issued a separate cheque in favour of the vendor. (c) After collecting the cheque, deliver it in such vendor, against proper acknowledgment (2) the cheque against expenditure on account of secret service fund shall be issued in favour of the Drawing and Disbursing officer.

During audit of Specialized Healthcare and Medical Education Department, it was observed that an amount of Rs. 1,252,178,351 was withdrawn from Government Account by drawing cheques in the name of DDO instead of concerned vendors/payees. The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Mayo Hospital, Lahore	2022-23	2023-0000004714_F00053	Irregular mode of payment	1,034,218,000
2	Postgraduate Institute of Allied Health Sciences, Faisalabad	2018-23	2023-0000004734_F00009	Huge transaction made in cash by the DDO	117,652,374
3	College of Nursing, DHQ Hospital, Kasur	2019-23	2023-0000003198_F00024	Irregular payment under various heads to DDO instead of Vendors/Nursing students	98,158,225

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
4	Govt. School of Allied Health Sciences, Sargodha	2014-23	2023-0000004441_F00002	Irregular mode of payments	2,149,752
Total					**1,252,178,351**

Audit is of the view that the lapse occurred due to weak budgetary planning and poor financial management.

The matter was pointed out to the concerned formations from February 2023 to November 2023. Most of the management noted the observations for compliance or offered no reply. Some formations offered detailed reply which was not acceptable to audit.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be looked into for fixing responsibility and taking remedial measures, besides action against the responsible.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2019-20 and 2018-19 vide para numbers 19.4.15, 20.4.47 and 28.4.41 having financial impact of Rs. 143.53 million,
Rs. 366.12 million and Rs. 1,481.86 million. Recurrence of same irregularity is a matter of serious concern.

24.4.26 Non supply of drugs and medical equipments- Rs. 1,018.50 million

As per standard bidding document, 38.2 within one week of receipt of the Contract Form, both the successful Bidder and the Procuring Agency shall sign and date the Contract. The Procuring Agency shall issue Purchase Order on the same date of signing of Contract after ensuring the submission of Bank Security for execution of the contract by the Contractor. If the successful Bidder, after completion of all codal formalities shows inability to sign the Contract then their Bid Security/ Contract Security to the extent of proportionate percentage shall be forfeited and the firm shall be backlisted per standard bidding document of health department clause 22.2, If the firm provide substandard item and fail to provide the item the payment of risk purchase (which will be purchased by the indenter) the price difference shall be paid by the Firm.

During audit of Specialized Healthcare and Medical Education Department, it was observed that firms were not supplying lifesaving medicines and medical equipments within stipulated period of time despite several reminders. Management neither took any concrete action i.e., black listing of concerned firms nor forfeited their Performance securities/recovered loss on account risk purchase. The detail is given in annexure-50.

The matter was pointed out to the concerned formations from January 2023 to November 2023. The management at Sr. No. 7 stated that the detailed reply will be submitted after consulting the record. The management at Sr. No. 1, 2, 4, 6, 9, 10, 11 & 12 did not offer any reply. Rest of the management noted the observations for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be investigated at appropriate level for fixing the responsibility and corrective measures be taken to address the concerns of audit.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22, 2020-21 and 2018-19 vide para numbers 19.4.17, 21.4.11 and 28.4.125 having financial impact of Rs. 1,572.23 million, Rs. 524.95 million and Rs. 10.96 million. Recurrence of same irregularity is a matter of serious concern.

24.4.27 Irregular/excess consumption of POL-Rs. 69.49 million

According to Chief Secretary Punjab's Circular Letter No.PA/ DG(G) 1.57/90 dated 03.07.1991, the officers/officials using patrolling/operational & Others vehicles in Police Department will adhere to the prescribed ceiling of POL for 250 liters & 120 liters respectively. Further, as per time-to-time limit of POL fixed by the department authority.

During audit of Specialized Healthcare and Medical Education Department, revealed that POL amounting to Rs. 69,490,184 was drawn. Audit observed the following irregularities:

i. Excess vehicles were kept on pool in violation of S&GAD policy.
ii. Log books of vehicles and generator was not maintained.
iii. POL was drawn against vehicles that were not existed on sanctioned strength of department.
iv. POL was excess drawn that prescribed ceiling limit.

The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Secretary Specialized Health Care & Medical Education	2022-23	2023-0000003194_F00009	Unauthorized use of Government vehicles by keeping them in pool/general duty	22,760,647
2	Secretary Specialized Health Care & Medical Education	2022-23	2023-0000003194_F00012	Excess drawl of POL over and above the prescribed ceiling limit	20,592,525
3	Secretary Specialized Health Care & Medical Education	2022-23	2023-0000003194_F00011	Doubtful drawl of pol on account of vehicles not on the strength of the department	10,985,763
4	Secretary Specialized Health Care & Medical Education	2022-23	2023-0000003194_F00008	Irregular and doubtful expenditure on POL for generator	8,339,677
5	Postgraduate Institute of Allied Health Sciences, Faisalabad	2018-23	2023-0000004734_F00013	Irregular drawl of POL	6,811,572
Total					**69,490,184**

Weak administrative and financial controls resulted into irregular and extravagant expenditure on POL for Generator.

The matter was brought to the notice of departmental representative during August 2023. The management noted the observation and stated that detailed reply will be furnished.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired and responsibility be fixed, recovery be made from the individuals responsible under intimation to audit besides strengthening of financial and internal control system.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23 and 2018-19 vide para numbers 19.4.20 and 28.4.50 having financial impact of Rs. 110.28 million and Rs. 10.38 million. Recurrence of same irregularity is a matter of serious concern.

24.4.28 Non-accountal of stock-Rs. 553.12 million

As per rule 15.4 of PFR Vol-I, requires that all material received should be examined, counted, measured and weighed, as the case may be, when the delivery is taken and they should be kept in charge of responsible Government servant. At the time of making payment, it should be seen that rates paid are not in excess of those entered in the contract made for supply of stores. The passing and receiving Government servant should also see that quantities are correct and quality good and record a certificate to this effect in appropriate stock registers.

During audit of Specialized Healthcare and Medical Education Department, it was observed that stock amounting to Rs. 553,118,520 was not accounted in stock register. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Mian Munshi DHQ-I Teaching Hospital Lahore	2021-23	2023-0000004738_F00016	No handing over taking over of charge was made between the officials. Physical stock taking was not carried out at the time of change of officials. During visit in stores audit noticed that medicines were placed in an un-countable position. Further a perusal of stock register revealed that stock registers were not completed since April 2022.	369,715,657
2	Govt. Teaching Hospital	2021-23	2023-00000032	Doubtful utilization of medicine due to non-availability of stock entries.	181,495,207

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
	Shahdara, Lahore		08_F00007		
3	Medical Superintendent, Kot Khawaja Saeed Hospital, Lahore	2020-23	2023-0000004358_F00020	After finalization of award of contract on account of medicine and disposables, four samples of medicine were required to be provided by the Supplier i.e., for DTL, Drug Inspector, PQCB and for hospital (Store keeper). Neither the stock/sample received by the Hospital of Rs. 1,907,656 was entered in stock register nor was expensed.	1,907,656
Total					**553,118,520**

Audit is of the view that the lapse occurred due to weak internal and supervisory controls.

The matter was pointed out to the formations concerned. The management at Sr. No.1 stated that detail reply will be given at AMIS. The management at Sr. No. 2 & 3 did not offer any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be inquired into at administrative department's level for fixing responsibility and taking action against those held responsible, besides strengthening administrative and financial controls.

24.4.29 Irregular receipt of user charges without approval of Government-Rs. 484.39 million

As per Rule 3(1)(e) of the Punjab Medical & Health institution Rules 2003 requires that Board shall determine user charges and fees for admission, clinical and procedural services and facilities with the prior approval of Government.

During audit of Specialized Healthcare and Medical Education Department, it was revealed that the user charges Rs. 484,389,805 were collected from the patients on account of Admission fee, ECG, X-RAY and Lab Test fees etc. at rates which were not got approved from the Government in contradiction of above rule.

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Gujranwala medical college & its allied institutions (DHQ/Teaching hospital) Gujranwala	2021-23	2023-0000003216_F00053	Unauthorized charging of enhanced hospital rates from patients without approval of the Government	233,770,000
2	Sheikh Zayed Hospital Rahim Yar Khan,	2020-22	2023-0000001473_F00024	Irregular receipt of user charges without approval of the Government-	250619805
Total					**484,389,805**

Lapse occurred due to weak financial & supervisory control of the management.

The matter was pointed out to the formation concerned. The management offered no reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

The matter may be investigated at appropriate level besides seeking regularization from the Finance Department.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2019-20 and 2018-19 vide para numbers 20.4.24 and 28.4.84 having financial impact of Rs. 552.92 million and Rs. 1,509.99 million. Recurrence of same irregularity is a matter of serious concern.

24.4.30 Non-installation of medical equipment as per TORs of the agreement-Rs. 383.91 million

As per condition No 32 of contracts with the firms, the firm will be responsible for the inspection and installation of the store complete in all the respect in the concerned department/section Unit of the Hospital complete in all the respect in the concerned department/section and make the equipment fully functional to the entire satisfaction of the end user and installation committee.

During audit of Specialized Healthcare and Medical Education Department, audit observed that management of the Hospital had made procurement of the Machinery and Equipment amounting to Rs. 383,911,306 but the supplier had not installed the required equipment according the time frame mentioned in the contract. But management neither took any action against concerned firm nor performance guarantee was forfeited which requires justification. The details are as under:

Sr. No.	**Name of Formation**	**Period of Audit**	**PDP No.**	**Nature of Irregularity**	**Amount (Rs.)**
1	Development Scheme Provision of Missing Specialties of Up-gradation of DHQ Hospital Teaching Hospital of D.G Khan	2021-22	2023-0000001570_F00004	Non-Installation of Laboratory Equipment as per TORs of the Agreement	364,713,806
2	Postgraduate Institute of Allied Health Sciences, Faisalabad	2018-23	2023-0000004734_F00006	Non-installation and non-utilization of costly lab equipment’	19,197,500
Total					**383,911,306**

Lapse occurred due to weak financial & administrative controls.

The matter was pointed out to the formation concerned. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to inquire into the matter for fixing responsibility against the delinquents.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2018-19 vide para number 28.4.83 having financial impact of Rs. 81.804 million. Recurrence of same irregularity is a matter of serious concern.

24.4.31 Loss due to acceptance of medicine below fixed shelf life without imposing penalty charges-Rs. 305.71 million

According to Government of the Punjab, Health Department's letter No.SO(P-1)1-55/2008(Pt.-1) dated 05.01.2010, the shelf life must be up to 85% for the locally manufactured drugs and 75% for the imported drugs. The lower limit of the shelf life must be up to 80% and 70% with imposition of 1% penalty charges of actual shortfall in shelf life below prescribed limit for locally manufactured and imported medicines 201 respectively. In case of vaccines & other biotechnical products, the stores with the shelf life up to 70% will be accepted without penalty charges and up to 60% with imposition of 1% penalty charges for actual short fall in shelf life below prescribed limit.

During audit of Specialized Healthcare and Medical Education Department, it was observed that medicine Rs. 305,708,926 was purchased/accepted at the shelf life below the limit of 85% and 75% without imposing penalty charges Audit is of the view that acceptance of medicine/drugs below prescribed limit without imposing penalty charges is violation of Government instructions. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Mayo Hospital, Lahore	2022-23	2023-0000004714_F00001	Irregular acceptance of medicine below shelf life	238,365,000
2	MS Children Hospital FSD	2021-23	2023-0000002810_F00002	Acceptance of lab. Kits at lesser shelf life/near to expiry	62,573,181

3	Medical Superintendent Lahore General Hospital, Lahore	2022-23	2023-0000004715_F00020	Irregular acceptance of medicines below shelf life and non-recovery of penalty charges	2,651,745
4	Gujranwala medical college & its allied institutions (DHQ/Teaching hospital) Gujranwala	2021-23	2023-0000003216_F00033	Irregular acceptance of medicine below shelf life	2,119,000
Total					**305,708,926**

The matter was pointed out to the concerned formations from January 2023 to November 2023. Most of the management noted the observations for compliance or offered no reply. Some formations offered detailed reply which was not acceptable to audit.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be investigated at appropriate level for fixing the responsibility, the irregularity be got condoned from the competent authority and corrective measures should be taken to address the concerns of audit.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21 and 2018-19 vide para numbers 21.4.20 and 28.4.126 having financial impact of Rs. 26.53 million and Rs. 11.51 million. Recurrence of same irregularity is a matter of serious concern.

24.4.32 Loss due to irregular/non-auction of canteen & parking stand-Rs. 220.47 million

Rule 2.10(a) (1) of PFR Vol-I provides that same vigilance should be exercised in respect of expenditure incurred from Government revenue as a person of ordinary prudence would exercise in respect of the expenditure of its own money.

During audit of Specialized Healthcare and Medical Education Department, it was observed that canteen/parking contracts for

Rs. 220,465,019 (Annexure-51) were awarded to various contractors. The contracts were held irregular due to the following grounds:

1. The management had not auctioned the parking stand and canteen in case of Sr. No. 1, 9, 10 & 11. So, Government had to bear loss of Rs. 138,008,838
2. Contracts were awarded without observing codal formalities in case of Sr. No. 2 to 8.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls.

The matter was pointed out to the concerned formations from February 2023 to November 2023. Most of the management noted the observations for compliance or offered no reply.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, the para at Sr. No. 5 was kept pending for regularization from competent authority. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the department should fix responsibility for against the delinquents besides to recover the amount of taxes.

<u>Note:</u> The issue was reported earlier also in the Audit Reports for Audit Years 2022-23 and 2021-22 vide para numbers 19.4.23 and 19.4.23 having financial impact of Rs. 54.79 million and Rs. 135.73 million. Recurrence of same irregularity is a matter of serious concern.

24.4.33 Un-authorized expenditure on purchase of M3 liquid oxygen on the un-approved conversion rate to M3- Rs. 169.67 million

As per Clause 2 regarding delivery & product measurement mechanism under the annual rate contract of medical gasses executed with M/s Ghani Chemical industries limited, the delivered product will be measured as per below two methods: a) Weigh Bridge, Weight of truck before supply and after supply will be taken and difference of both weights will be calculated for measuring delivered product quantity. b) Delivery through content gauge, VIE's digital content Gauge will be used for product delivery quantity, in case weigh bridge is not available.

During audit of the Specialized Healthcare and Medical Education Department, it was observed that a purchase of M3 liquid oxygen worth Rs. 169,668,168 was made. The billing of the M3 liquid oxygen was based on conversion which relied on a vendor-provided chart that lacked approval from any Government institution or regulatory body.

The management used a weighbridge to measure product weight, but records showed that the vendor conducted weighing during vehicle entry and exit, without an independent weighbridge. Proper Standard Operating Procedures (SOPs) for accurate weight measurement were absent. It was crucial for both management and vendor representatives to oversee weighing at the weighbridge, providing comprehensive vehicle and product specifications, signed and stamped by the weighbridge authority. Due to these issues, payment for the liquid gas was deemed irregular. The contract terms between the management and vendors were violated to favor the vendors. The details are as under:

The lapse occurred due to weak supervisory and internal controls.

The matter was pointed out to the formations concerned. The management at Sr. No. 2 stated that the detailed reply would be submitted after consulting the record. The management at Sr. No. 3 did not offer any reply. Rest of management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, the para at Sr. No. 4 was kept pending for regularization from the Finance Department. Further progress was not reported by the department. As regards remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired administrative department's level to take remedial measures besides strengthening supervisory and internal controls.

24.4.34 Non-acquiring of store articles-Rs. 146.00 million

As per approved PC-I of ADP scheme "Provision of Missing Facilities at PINS", eleven number of Diathermy Bipolar machines were purchased which was mentioned under Revenue Component for the Financial year 2021-22 at Serial no. 4 with a cost of Rs. 23.50 million.

As per clause 22(d) of contract dated 30.06.2022, the contractor will provide store within 30 days (in case of by air) and 45 days (in case of by sea) after the arrival of shipment at port. However, the contracting firm can request for extension before the shipment due to unavoidable circumstances but not as matter of routine. Clause 22(e) ibid requires that the firm shall submit late delivery charges in the shape of CDR (non-refundable) @0.067% per day up to maximum of 10% of the contract value. As per terms & conditions of contract agreement dated 07.07.2022, the books were to be delivered within 6 to 8 weeks or earlier.

During audit of Specialized Healthcare and Medical Education Department, it was observed that the management had paid an amount of Rs. 145,996,568 for the acquisition of different kind of store but the said store had not been acquired till the completion of audit. The details are as under:

Total					**145,996,568**

The lapse occurred due to weak administrative control over the asset management.

The matter was pointed out to the formations concerned. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter may be investigated at administrative department’s level to fix responsibility against those at fault besides acquiring the store without further delay and improve the asset management.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22 and 2018-19 vide para numbers 19.4.16 and 28.4.95 having financial impact of Rs. 161.97 million and Rs. 13.59 million. Recurrence of same irregularity is a matter of serious concern.

24.4.35 Irregular payment of stipend to nursing students- Rs. 144.65 million

As per Clause V of General Rules of Specialized Healthcare & Medical Education Department Notification No.SO(N&AHSE)6-18/2019 dated 06.03.2020, from Academic Session 2019-20 "Admission will be confirmed only after verification of domicile and marks sheets / educational certificates from concerned issuing authorities within three months by the concerned CON/Universities. As per Clause VI of General Rules of the above Notification, the admitting institution will be bound to provide yearly report to the SCH&ME Department regarding status of admitted students as well as detail of promoted/rusticated/absent/ re-admitted or disciplinary proceeded students. As per Clause IX, during training in college/schools and in the wards, all nursing students shall be in proper uniform. The Nursing instructor concerned shall personally accompany the class during the hands-on training in the wards, and shall not leave till the end of training session. The Nursing Instructor shall be responsible to guide students in tasks and skills. Each Nursing Instructor shall write and maintain proforma of each nursing student showing attendance, performance and progress.

During audit of the accounts of Principal, College of Nursing, District Headquarters Hospital, Kasur for the period 2019-23, it was observed that the College administration paid Rs. 144,649,640 during the period under audit. Moreover, it was also observed that certain record pertaining to the teaching activities as well as payment of stipend was not maintained/improperly maintained by the college, as follows:

i. Stipend payment records for nursing students during 2019-22 were not found, totaling Rs. 70,055,443.
ii. Records related to admissions, enrolment, results, and attendance for nursing students from 2019-22 were not traced.
iii. Introduction of BSN Generic by Directorate General Nursing Punjab in 2019-20, but College of Nursing Kasur started it in 2022-23, three years later.
iv. Arrears of stipend were paid without detailed records, making it difficult to verify their genuineness.
v. Irregular payments of stipend observed, not aligned with the expected number of batches, justification of increasing trend of stipends not provided and Actual Payee Receipts etc. was also not available during 2019-22.
vi. Only 10 bills of stipend payments provided for 2022-23, with unclear relevance to the current academic year.
vii. Affidavits from students, as required, were not obtained, constituting a serious irregularity.

viii. Loose and disorganized records of students, including result cards and certificates, pose a risk of misplacement.

ix. Quota/seats not fully utilized in 2022-23, with only 43 out of 50 seats filled.

x. Inadequate maintenance of records for nursing students, admissions, results, and stipend payments totaling Rs. 144.650 million.

xi. Admissions were confirmed without proper verification of domicile and educational certificates.

xii. Yearly reports on student status and disciplinary actions were not submitted to SCH&ME Department regarding status of admitted students as well as detail of promoted/ rusticated/absent/re-admitted or disciplinary proceeded students.

xiii. As the cheques of stipend amount were drawn in the name of DDO (Principal of college) hence the amount could have been paid in cash whereas no APR of students were available in the record. In few months of 2022-23, the cheques were issued from Account Office in the name of bank for direct transfer to the accounts of students whereas no bank advice was found in the record against these cheques/payments.

xiv. Drop out/failed students' detail was not provided to ascertain the recovery status of stipend as required under admission policy.

Audit is of the view that the lapse occurred due to weak internal and supervisory controls.

Initial observation was issued in August 2023. The formation received the observation with the remarks "Noted for compliance".

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter may be inquired at administrative department's level and corrective measures be taken for proper maintenance of students record/affairs of transparent payment of stipend besides regularization of the matter from Finance Department.

<u>Note:</u> The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2019-20 and 2018-19 vide para numbers 19.4.5, 20.4.38 and 28.4.2 having financial impact of Rs. 9.06 million, Rs. 16.33 million and Rs. 3.59 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No. 2023-0000003198_F00022)

24.4.36 Un-authorized/unjustified distribution of share money-Rs. 141.38 million

As per Government of the Punjab Health Department letter NO.SO(H&D)8-19/89(P) dated 3rd September 2008, the formulae for distribution of fee realized from private and paying patients treated in Government hospital is as under:

Government shares	45%
Doctors share	35%
Paramedical staffs share	20%

It was further clarified in Government of the Punjab Health Department letter No.SO(H&D)8-19/89(P) dated 14-01-1997 that the share money will be paid to only those doctors/specialists who have directly treated the patients and share money will not be paid to any other M.O but only with the consent of the first doctor/specialist.

During audit of Specialized Healthcare and Medical Education Department, examination of record revealed that share worth Rs. 141,383,559 was distributed among staff according to formula designed by management themselves instead of above notified formula of Health department. This resulted into unjustified distribution of share in violation of Government instructions. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Sheikh Zahid Hospital Rahim Yar Khan	2020-22	2023-0000001473_F00007	Un-authorized/Unjustified distribution of share money	91,230,000
2	Medical Superintendent Lahore General Hospital, Lahore	2022-23	2023-0000004715_F00022	Un-authorized/unjustified distribution of share money	44,590,000
3	Govt. Teaching Hospital Shahdara, Lahore	2021-23	2023-0000003208_F00021	Share money was paid to Medical Superintendents remained posted in the hospital in violation of Government instructions	5,563,559
Total					**141,383,559**

Lapse occurred due to weak financial control.

The matter was pointed out to the formation concerned. The management did not offer cogent reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be investigated, responsibility of stated lapse be fixed besides recovering loss involved and strengthening of administrative, financial as well as supervisory controls to avoid recurrence of such lapses in future.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2018-19 vide para numbers 28.4.65, 28.4.108 and 28.4.117 having financial impact of Rs. 15.87 million, Rs. 25.24 million and Rs. 55.46 million. Recurrence of same irregularity is a matter of serious concern.

24.4.37 Utilization of insurance claims under Health Card Scheme without Government Policy-Rs. 54.07 million

Govt. of the Punjab, SHC&ME Department vide notification No.SO9DEV-I)25-69/2020(P-VI) dated 15.04.2022, 'Interim Share Distribution Formula' of Universal Health Insurance (UHI) claims for empaneled public sector hospitals was notified that 20% of total amount UHI claims shall be utilized for provision of medicine/disposable and diagnostic tests. The balance amount (i.e., remaining 80%) shall be distributed as per the following 'Interim Share Distribution Formula'B-1 Improvement/maintenance & repair of hospital (Infrastructure and equipment) 15% B-2 Incentive to HR of the hospital concerned 15% B-3 Government share/Insurance Fund 70% out of Total 100%.

During audit of Sheikh Zahid Hospital Rahim Yar Khan for the financial year 2020-22, it was observed that upon introduction of Universal Health Insurance (UHI)/Sehat Sahulat Program (SSP), the 'Interim Share Distribution Formula' of UHI claims was notified by the Government in April 2022 amended in June 2022. The management of the entity had already adopted the Insaf Health Card Scheme in collaboration with State Life Insurance Corporation. An amount of Rs. 54,069,708 on account of insurance claims for the period from July 2021 to April 2022 was received by the entity against treatment of Insaf Health Card holder patients.

Following observations were made by Audit:

1. The distribution of shares from insurance claims was not covered by Government policy/SOP.

2. As per SOP notified by Government, 70% of UHI claims (after deducting pharmacy expense) is required to be recouped to Government/Insurance Fund. However, no recoupment was made to Government by the entity.
3. Later on, the Distribution Formula was notified by the Government, therefore, the management, in the best public interest, was required to readjust the already distributed amount of insurance claims and transfer Rs. 37,848,795 into Government treasury.
4. Similarly, as per Government policy, 15% of UHI claims can be apportioned for incentive to HR whereas the entity had apportioned 55% as share money. The difference amounting to Rs. 8,110,456 is to be recovered from the concerned.

Audit is of the view that lapse occurred due to poor existence of administrative and financial controls.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter may be inquired and irregularity be got regularized from competent authority.

(PDP No. 2023-0000001473_F00006)

24.4.38 Non replacement of misbranded/expired stores-Rs. 25.11 million

According to the supply order, supplies will be governed by the Drug Act, 1976 and the firms will be bound to replace the unconsumed/expired/rejected/substandard/misbranded stocks free of cost. respectively.

During audit of Specialized Healthcare and Medical Education Department, it was observed that misbranded/expired medicine/chemicals for Rs. 25,106,945 were not got replaced by the department. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	M. Nawaz Sharif Hospital, Yakki Gate, Lahore	2020-22	2023-0000000489_F00026	Undue retention of expired medicines stock	10,963,455

5	Punjab Institute of Mental Health, Lahore	2020-23	2023-0000004357_F00006	Consumption of dietary articles without test report & misbranded by public analyst, and substandard	-
Total					**25,106,945**

Audit was for the view that the lapse occurred due to weak internal and supervisory controls.

The matter was pointed out to the concerned formations from January 2023 to November 2023. Most of the management noted the observations for compliance or offered no reply. Some formations offered detailed reply which was not acceptable to audit.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter may be looked into at administrative department‘s level and action be taken against the person(s) at fault besides immediate replacement of these medicines.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, 2021-22, 2020-21, 2019-20 and 2018-19 vide para numbers 19.4.19, 19.4.14, 21.4.25, 20.4.09 and 28.4.133 having financial impact of Rs. 259.33 million, Rs. 40.56 million, Rs. 158.78 million, Rs. 86.77 million and Rs. 30.66 million. Recurrence of same irregularity is a matter of serious concern.

24.4.39 Irregular obtaining of performance guarantee for one year instead warranty period-Rs. 21.35 million

As per condition No. 26 of the advance acceptance letters, the contracting firm must furnish a bank guarantee @ 5% of the contract value in the form of CDR for satisfactory completion of the contract as security up to and for the period of three months after completion.

During audit of development scheme tittled "Provision of Missing Specialties of Up-gradation of DHQ Hospital to Teaching Hospital of D.G Khan" for the period 2021-22, it was observed that the management procured Machinery and Equipment for which 5 years warranty was required to be obtained from the suppliers. However, the management obtained performance guarantees valuing Rs. 21,346,000 from the suppliers with validity period from 1-2 years in contradiction to the agreed terms and conditions of the contract. Audit further observed that the performance bonds amounting to Rs. 17,970,759 had been expired without expiration of service agreement period.

Audit is of the view that the lapse occurred due to non-adherence to the terms & conditions of the contract.

When the matter was pointed out, the management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the matter be looked into at administrative department's level to obtain performance securities for the entire period of warranty as per contract.

(PDP No. 2023-0000001570_F00002)

24.4.40 Missing of stock in store valuing-Rs. 16.57 million

As per rule 15.12 of PFR Vol-I, a reliable list, inventory or account of all stores in the custody of Government servants must be maintained, to enable a ready verification of stores and check of accounts at any time. Transactions must be recorded in it as they occur. Moreover, Rule 15.4 (a) of PFR Vol-I requires that all materials received should be examined, counted measured and weighed, as the case may be, when delivery is taken and then entered in the appropriate stock register.

During audit of accounts of Medical Superintendent Lahore General Hospital, Lahore for the financial year 2022-23, it was observed while scrutiny of stock register of building department that stock items valuing of Rs. 16,570,529 were found short. According to stock register, stock did not exist in store when compared with the closing balances of stock register. In this regard internal audit wing of hospital also conducted internal audit and submitted report dated 13.07.2023 in which it was pointed out that neither stock of said amount existed in store nor its expense record was available. Moreover, it is prominent to mention here that neither closing balances of previous financial year 2021-22 was carried forwarded in next financial year 2022-23 nor stock register of previous financial year was on record. This leads to misappropriation of stock in store.

Audit is of the view that lapse occurred due to poor existence of administrative and financial controls.

The matter was pointed out in November 2023. In reply of the preliminary observation, the department just acknowledged the observation without offering any comments.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter should be inquired, responsibility be fixed against concerned and recovery be made from concerned beside strengthening of administrative and financial controls.

(PDP No.2023-0000004715_F00004)

24.4.41 Loss due to non-investment of college funds-Rs. 16.16 million

As per Rule 4.1 of PFR Vol-I, all sums due to Government are regularly received and deposited in to Government Treasury. The departmental controlling officers should accordingly see that all sums due to Government are regularly received and checked against demands and that they are paid in to the treasury. Further, according to Rule 4.7(1) of PFR Vol-1, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account.

During audit of De’Montmorency College of Dentistry, Lahore for the period 2019-22, it was observed that the management collected various funds/fee from the students but the funds were neither spent on welfare of the students nor the same were invested in the bank. By investing the surplus funds on average interest rate of 10%, a profit amounting to Rs. 16.16 million could had been generated by the management.

Audit is of the view that the lapse occurred due to weak financial and internal controls.

The irregularity was pointed out in March 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the irregularity be got condoned from the competent authority besides strengthening the internal controls.

(PDP No. 2023-0000000729_F00010)

24.4.42 Loss due to theft of medicine-Rs. 6.21 million

As per Punjab Medical & Health Institution Act 2003, head of institution shall be responsible for the administration and management of affairs of an Institution. Moreover, as per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

During audit of Kot Khawaja Saeed Teaching Hospital, Lahore for the period 2020-23, it was observed that a quantity of 14390 injections valuing Rs. 6,207,739 were stolen from Hospital Medicine Store. Management registered FIR in Police Stations on 30.04.2023 but neither recovery of stated amount has been affected from concerned nor thieves were caught. Moreover, an enquiry was initiated by the management and report stated that negligence of security company (Marvelous Protection Security Services), Janitorial firm (involvement of Mr. Rafaqat. Sanitary worker), Parking company, and main accused (Mr. Waseem Rafique, Sanitary Worker of hospital) were found. The committee recommended that the investigation into possible involvement of additional individuals should continue to establish their identities. But unfortunately, all above said firms were yet working in the hospital premises and no penalty/recovery was still made from the responsible. The management was required to peruse the matter vigorously.

Audit is of the view that lapse occurred due to poor existence of administrative and financial controls.

The matter was pointed out in September 2023. The management replied that the case is being dealt by Anti-Corruption Authorities, as the FIR lodged by the hospital after finalization and recommendation of inquiry committee. The Hospital followed & pursued the case with the ACE regularly.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to assign responsibility for the identified lapse, recover the losses, and enhance administrative, financial, supervisory, and security controls to prevent future occurrences of similar lapses.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2020-21 vide para number 21.4.3 having financial impact of Rs. 13.55 million. Recurrence of same irregularity is a matter of serious concern.

(PDP No.2023-0000004358_F00005)

24.4.43 Loss due to extending electricity facility on nominal charge-Rs. 3.02 million

As per Rule 2.33 of PFR Vol-1, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence.

The scrutiny of the record of the Principal AIMC, Jinnah Hospital, & allied institutions for the year 2021-22, revealed that electricity facility was being provided to the residents of AIMC staff but the rates of electricity charges charged by the hospital were from Rs.100 to Rs.1000 from per month from Asstt. Professors etc. as per payroll data which were quite nominal and unjustified. Rates fixed were unfair being very low. The greater portion of their consumption has to be borne by the institution.

Audit is of the view that the lapse occurred due to failure of supervisory and financial controls.

The matter was pointed out to the formation concerned. The management did not offer cogent reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends to recover the less deducted amount from the concerned and deposit the same into Govt. Treasury.

(PDP No. 2023-0000000177_F00040)

24.4.44 Loss due to non-collection of monthly utility charges of ACs from the family suites-Rs. 2.90 million

According to rule 2.33 of PFR Vol-I, every Govt. servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Govt. through fraud or negligence, on his part.

During the course of audit on accounts of the University of Child Health Sciences Lahore for the period 2021-22, it was noticed that electricity & gas was provided to the inmates of Family suits from the Bulk supply. A lump sum/fixed rate of Rs. 3000 per month per AC were charged which was quite nominal and also unjustified because the capacity of ACs installed was not quantified. Moreover, the rates were not fixed season wise i.e., Summer & Winter. Ordinarily the electricity bill of one Ton AC ranges from Rs. 15,000 to 20,000 per month whereas the hospital charged only Rs. 3,000 per month during summer season. The greater portion of their consumption has to be borne by the institution which is extra burden shared by the hospital. Moreover, Standard Operating Procedure/policy was neither prepared nor implemented by the management to calculate the actual consumption of electricity and its recovery.

Audit is of the view that the lapse occurred due to the failure of the supervisory and financial controls.

The matter was pointed out to the formation concerned. The management did not offer cogent reply.

The matter was further reported to the administrative department. In DAC meetings held on 10.10.2023, the para was kept pending for recovery with direction that auditee formation may re-evaluate the utility charges with consultation of LESCO, C&W Department and WASA and after that matter may be placed before administrative department for approval. Further progress was not reported by the department till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that the amount should be recovered from the concerned and be deposited into university account.

(PDP No. 2023-0000000178_F00006)

24.4.45 Loss to Govt. due to fixing of less contractual amount without 10% increase-Rs. 1.83 million

As per clause 01 of the agreement with the contractors of canteen and car parking, contract for next year shall be executed with 10% increase in previous year contractual amount.

During audit of the accounts of Principal, Sahiwal Medical College, Sahiwal for the financial year 2021-22, it was noticed that contracts of STH canteen, Parking stands of GHAQ and DHQ hospital were awarded without enhancing 10% increase in the contractual amount as compared to the previous year amount. Due to which Govt. had to sustain loss of Rs. 1,826,398.

The lapse occurred due to weak administrative controls of the management

The matter was pointed out to the formation concerned during April 2023 the management replied that contract was awarded after observing the relevant rules. The reply of the management was evasive as they did admit non enhancement of contractual amount by enhancing 10% increase.

The matter was further reported to the administrative department. In DAC meetings held on 10.10.2023, the para was kept pending to probe the matter from administrative department. Further progress was not reported by the department till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter may be looked into to arrive at factual position, fixing responsibility, taking remedial measures/recovery besides action against the responsible.

(PDP No. 2023-0000001470_F00006)

24.4.46 Loss due to eruption of fire-Rs. 40 million

Rule 2.33 of PFR Vol-I also requires that every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through negligence on his part.

During audit of Specialized Healthcare and Medical Education Department, it was observed that various fire incidents occurred and the management neither finalized the enquiry nor fixed the responsibility against concerned. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Govt. Teaching Hospital Shahdara, Lahore	2021-23	2023-0000003208_F00001	An untoward incidence of sudden fire in electric control panel room occurred on 14.10.2021 due to which complete electric system collapsed. An amount	40,000,000

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
				was transferred to the Executive Engineer, 7th Buildings Division, Lahore vide cheque No. 4155362 dated 07.12.2021 for restoration of the collapsed electricity system.	
2	University of Child Health Sciences Lahore	2021-22	2023-0000000178_F00001	An untoward incidence regarding eruption of fire occurred on 3rd floor of OPD building at about 5 AM on 04.06.2022. The Medical Director reported to the Secretary, SHC&ME in his interim report 05.06.2022 that the fire sneaked other parts of the floor through HVAC Ducts, packing material of paper & wood, cotton guaze, cotton rolls and other textile material present in that area.	-
3	Gujranwala medical college & its allied institutions (DHQ/Teaching hospital)	2021-23	2023-0000003216_F00018	Loss due to fire accident in hospital. Management neither finalized the enquiry nor responsibility fixed against concerned.	-

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
	Gujranwala				
Total					**40,000,000**

The incidents occurred due to slackness of management for non-installation of smoke detectors and automatic gas sprinklers to extinguish fire.

The matter was pointed out to the formations concerned. The management did not offer cogent reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that loss should be assessed and responsibility be fixed.

24.4.47 Unauthorized conduct of third-party validation of accounts of the institutions of SHC&ME department

As per para 2.10(a)(1) of PFR Vol-I, same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

During audit of the accounts of Secretary Specialized Healthcare & Medical Education Department for the financial year 2022-23, it was observed the department ordered all the institutions under its jurisdiction for conduct of third-party validation of their accounts by a private firm without rules provisions/prior approval from Finance Department and without consultation with the Supreme Audit Institution of the state, i.e., Auditor-General of Pakistan. Following irregularities were pointed out by audit:

i. Auditor-General of Pakistan, as the Supreme Audit Institution, conducts all audits according to its constitutional mandate. SHC&ME department issued a letter for a third-party evaluation of the Teaching Hospitals for the F.Y 2021-22 & 2022-23 without consulting the Auditor-General, the SAI of the country.

ii. Hundreds of audit paras of grave financial irregularities raised during audit for FY 2012-22 are still awaiting serious response from the PAO. Nevertheless, SHC&ME

engaged Chartered Accountant Firms at high costs (@ Rs. 500,000 to Rs. 700,000 per audit of each institute), resulting in an extra burden of Rs. 57,500,000 on the Government. The direction for overlapping audit function is irregular, and any subsequent payment would be wasteful expenditure.

Audit is of the view that the lapse occurred due to the absence of proper decision-making process.

The matter was brought to the notice of departmental representative during August 2023. The management noted the observation and stated that detailed reply will be furnished.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter should be inquired, responsibility be fixed against concerned, loss to be recovered besides strengthening administrative and financial controls to avoid reassurance such lapse in future.

(PDP No. 2023-0000003194_F00006)

24.4.48 Illegal occupation of various properties/land

As per letter No.SO(R&E) 10-149/2000 dated 06-02-2004 issued by the Chief Secretary to all administrative secretaries to Govt. of the Punjab, it has been desired by the Chief Minister Punjab that Departments should pursue the matter vigorously for retrieval of the land already encroached upon. It has been further directed to take immediate corrective measures to rectify the situation as well as to put in place such mechanism which could prevent such events in future.

During audit of FJMU/Sir Ganga Ram Hospital, Lahore for the period 2021-22, it was observed that three properties measuring area of more than 31 kanal located at prime locations of Lawrence Road, Kacha Ferozpur Road and Gulberg-III, Lahore were donated by different persons to Sir Ganga Ram Hospital but these properties were not occupied by the hospital. The same were either encroached or were under litigation. Further. various other properties measuring 6,627 Sqft donated to the hospital were forcefully occupied by private persons on payment of nominal rent ranging from Rs. 25 to Rs. 250 per month for each property although these properties are also located at prime locations in Lahore.

The management neither made stringent efforts to vacate the land/properties from illegal occupants nor pursued the case in the court of law to utilize the valuable land/properties. Thus, the hospital was deprived of revenue/utilization of valuable land/properties costing billions of rupees.

Lapse occurred due to weak supervisory & administrative controls.

The matter was pointed out to the formations concerned. The management did not offer cogent reply.

The matter was further reported to the administrative department. In DAC meeting held on 27.11.2023, the para was kept pending to approach the concerned authorities to get the illegal possesion of properties vacated. Further progress was not reported by the department till the finalization of this report.

Audit recommends to make stringent efforts to vacate the land/properties from illegal occupants after pursuing the case in the court of law.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 and 2021-22 vide para numbers 28.4.97 and 19.4.33. Recurrence of same irregularity is a matter of serious concern.

(PDP No. 2023-0000001377_F00005)

CHAPTER 25
YOUTH AFFAIRS AND SPORTS DEPARTMENT

25.1 Introduction

Youth Affairs and Sports Department is an Administrative Department headed by the Secretary, consisting of four components. The main aim of the first component i.e. Youth Affairs is to facilitate, groom, and guide the youth to live in peace and harmony. Sports Board Punjab is committed to promoting sports culture in Punjab. The tourism component is responsible for developing and promoting tourism by providing accommodation, food, entertainment, amusement, public amenities, and other services including informatory literature to the tourists. The fourth component relating to archaeology is responsible for protecting the heritage of Pakistan located in Punjab through archaeological explorations, recoveries, documentation, and exhibition of materials and artifacts.

Audit Profile of Youth Affairs and Sports Department

(B) Comments on Budget & Accounts (Variance Analysis)

Introduction

The Appropriation Accounts of the Youth Affairs and Sports Department for the year 2022-23 indicate expenditure on various specified services vis-à-vis appropriation authorized by Government of the Punjab.

Summary of Appropriation Accounts

The summarized position of actual expenditure during 2022-23 against the total of two grants/appropriations is given below:

(Rupees in million)

Grant No.	Original Grant	Supplementary Grant/ Re-Appropriation	Final Grant	Actual Expenditures	Excess/ (Savings)
1	**2**	**3**	**4**	**5**	**6(5-4)**
PC21010	165.63	464.26	629.89	635.81	5.93
PC22036	243.23	(230.91)	12.32	7.07	(5.25)
Total	**408.85**	**233.35**	**642.21**	**642.88**	**0.67**

Overview of Expenditure

The final budget of the Youth Affairs and Sports Department for the year ended 30th June 2023 was Rs. 642.21 million. Out of this, the actual expenditure was Rs. 642.88 million. The breakup of current and development expenditure is given below:

(Amount in Rupees)

Grant Type	Original Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	165,626,000	635,811,317	470,185,317	283.88
Development	243,227,000	7,066,452	(236,160,548)	97.09
Total	**408,852,998**	**642,877,766**	**234,024,768**	**57.24**

This composition changed due to supplementary grants and surrenders. A variance of the Final Grant and Actual Expenditure is given below:

(Amount in Rupees)

Grant Type	Final Grant	Actual Expenditure	Excess/ (Savings)	Variance %
1	**2**	**3**	**4**	**5**
Current	629,885,000	635,811,317	5,926,317	0.94
Development	12,320,000	7,066,452	(5,253,548)	42.64
Total	**642,205,000**	**642,877,769**	**672,769**	**0.10**

Anticipated savings not surrendered

As per para 14.3 of the Punjab Budget Manual, the spending departments are required to surrender the grants/ appropriations or portion thereof to the Finance Department as and when the savings are anticipated. However, savings amounting to Rs. (5.25) million at the close of the year 2022-23 under grant PC22036 were not surrendered in time by the Department.

Excess expenditure requiring regularization

As per Para 13.2 (ii) of Punjab Budget Manual, total expenditure incurred on a purpose does not exceed the grant or grants provided for that purpose. However, excess expenditure amounting to Rs. 5.93 million for the year 2022-23 under grant PC21010 has not been regularized so far. This was a breach of legislative control over appropriations.

25.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 4,005.90 million were raised in this report during audit of the Youth Affairs and Sports Department. This amount includes recoveries of Rs. 3,515.22 million as pointed out by the audit. The summary of the audit observations classified by nature is as under:

Overview of Audit Observations
(Rs. in million)

Sr. No.	Classification	Amount
1.	Recoveries and overpayments	3,511.29
2.	Procurement related irregularities	113.39
3.	HR/Employees related irregularities	272.41
4.	Payroll related irregularities	6.34
5.	Performance related irregularities	79.47
6.	Others	19.07
Total		**4,001.97**

25.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC directives, for reports discussed so far, is given below:

Sr. No.	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not Received**	**Percentage of Compliance (%)**
1.	1996-97	5	3	2	60
2.	1999-00	21	07	14	33
3.	2000-01	91	56	35	62
4.	2001-02	18	3	15	17
5.	2006-07	22	14	08	64
Total		**157**	**83**	**74**	**53**

Note: The Audit Report years missing in the above table were either due to non-inclusion of the subject chapter during that year or non-discussion of the subject chapter before the PAC.

The Youth Affairs, Sports, Archaeology, and Tourism Department was split in 2020 and the Youth Affairs and Sports Department turned into a distinct department separately.

No para has been discussed in PAC of Youth Affairs and Sports Department as an independent department. However, the department is required to improve the compliance status of relevant formations in respective paras of the Youth Affairs, Sports, Archaeology, and Tourism Department in the table above. Further, the department is requested to reconcile the matter with the Audit Department regarding any discrepancy.

25.4 AUDIT PARAS

Recoveries and overpayments

25.4.1 Non-recovery of outstanding Government dues-Rs. 3,434.95 million

As per Rule 4.7(i) of PFR Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized, and credited to the Government Account.

During audit of Youth Affairs & Sports Department, it was observed that recoveries to the tune of Rs. 3,434,952,952 on account of rent of shops, pavilion hall, canteen, and parking stand was outstanding. The details are given in annexure-52.

Audit is of the view that the lapse occurred due to weak supervisory and internal controls on receivables to be recovered.

The matter was reported to the management in June and October 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 30.01.2024, the paras at Sr. Nos. 1 to 7, 9 & 11 were kept pending for recovery. Further progress was not reported by the department. As regards the remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends fixing responsibility for non-recovery of Government dues besides ensuring prompt recovery of the outstanding amounts.

Note: The issue was reported earlier also in the Audit Report for Audit Year 2022-23 vide para number 20.4.1 having financial impact of Rs. 1,449.14 million. Recurrence of same irregularity is a matter of serious concern.

25.4.2 Non-deduction of levied taxes-Rs. 9.07 million

As per Section 153 of Income Tax Ordinance 2001, income tax @ 10% is required to be deducted on services. According to Sr. No. 23 & 39 of Second Schedule of Punjab Sales Tax on Services Act 2012, 16% sales tax was applicable on services.

During audit of Youth Affairs & Sports Department, it was observed that levied taxes amounting to Rs. 9,068,107 were not withheld while making payments to the concerned. Details are given below:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Type Tax	Amount (Rs.)
1	Sports Board Punjab Lahore	2022-23	2023-0000004751_F00018	I/Tax	4,157,500

2	District Sports Officer Lahore	2022-23	2023-0000004726_F00005	I/Tax, GST	2,411,300
3	Sports Board Punjab Lahore	2022-23	2023-0000004751_F00021	PST	1,268,156
4	Sports Board Punjab Lahore	2022-23	2023-0000004751_F00023	I/Tax	541,200
5	Director General Sports & Youth Affairs Punjab	2022-23	2023-0000004752_F00017	I/Tax, GST, PST	462,136
6	Sports Board Punjab Lahore	2022-23	2023-0000004751_F00020	I/Tax	227,815
Total					**9,068,107**

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was reported to the management in October 2023. The management at Sr. No. 1 & 3 to 6 noted the observations for compliance. The management at Sr. No. 2 had not provided any reply.

The matter was further reported to the administrative department. In DAC meeting held on 30.01.2024, the paras at Sr. Nos. 1, 4 & 6 were kept pending for recovery of income tax. The para at Sr. No. 3 was kept pending for decision of BOG. Further progress was not reported by the department. As regards the remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends imposition of recovery of the stated amount besides ensuring strict action against those responsible.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21, 2021-22 and 2022-23 vide para numbers 22.4.11, 21.4.13 and 20.4.2 having financial impact of Rs. 49.32 million, Rs. 5.23 million and Rs. 279.01 million. Recurrence of same irregularity is a matter of serious concern.

25.4.3 Less recovery of monthly charges from the members of the international swimming pool for-Rs. 59.47 million

Rule 4.7(1) of PFR, Vol-I, provides that it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account. Further, Rule 4.1 of PFR, Vol-I, provides that the departmental controlling officers should accordingly see that all sums due to the Government are regularly received and checked against demands and that they are paid into the treasury.

During audit of Sports Board Punjab, Lahore for the period 2022-23, it was observed that monthly charges of the international swimming pool amounting to Rs. 59,472,500 were not recovered from the registered members even after a lapse of considerable time. Furthermore, neither SOPs to run the affairs of the international swimming pool nor action taken by the management against defaulters was shared with the Audit. In addition to this, the summary of receivables provided by the management shows that out of the total outstanding recovery of Rs. 59,472,500; an amount of Rs. 30,919,000 pertains to the COVID-19 period when the facility was non-functional but no clear policy on the outstanding recovery related to COVID-19 period was formulated. Steps need to be taken by the management to affect the recovery of outstanding monthly charges from registered members of the international swimming pool.

A similar issue has been highlighted in the audit of FY 2020-21 but the formation has failed to introduce appropriate controls to address the lapse.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was reported to the management in October 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 30.01.2024, the para was reduced and kept pending for recovery. Further progress was not reported by the department till the finalization of the report.

Audit recommends imposition of recovery of the stated amount, besides ensuring strict action against those responsible.

(PDP No. 2023-0000004751_F00006)

25.4.4 Recovery from the officials/officers residing in Government residence-Rs. 6.60 million

As per Rule 2.31 of PFR Vol-I, a drawer of bills for pay, allowances contingent, and other expenses will be held responsible for any overcharges, frauds, and misappropriations. Further, as per the Finance Department's Letter No.FD(M-I)1-15/82-P.I dated 15.01.2000, all the Field Officers are required to maintain a Pool Register comprising information regarding the availability of the residential facility, one page should be for one residence where proper entry regarding allotment, possession, and recovered/recoverable amount may be mentioned, and in case of vacancy, proper certificate be given on the register.

During audit of D.G. Sports & Youth Affairs Punjab, Lahore for the period 2022-23, it was observed that various officers and officials were occupying Government residences without the corresponding recovery of Rs. 1,532,289 as substantiated by the recovery statement provided by the Administrator of the National Hockey Stadium, Lahore. Furthermore, an unsigned list of individuals was submitted to the Audit team, indicating that they were also residing in official accommodations within the work premises and had drawn conveyance allowance amounting to Rs. 5,070,266 irregularly. Moreover, prescribed pool registers for official residences, in accordance with Government directives as per the letter dated 15.01.2000 were also not maintained.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was reported to the management in October 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit strongly recommends the constitution of a fact-finding committee at the administrative department’s level to investigate this matter and to ascertain the exact recoverable amount w.e.f. the date of initial allotment or occupation besides affecting the recoveries from the concerned.

(PDP No. 2023-0000004752_F00014)

25.4.5 Irregular expenditure on PSL-8-Rs. 1.20 million

Rule 4.7(1) of PFR, Vol-I, provides that it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to the Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account. Further, Rule 4.1 of PFR, Vol-I, provides that the departmental controlling officers should accordingly see that all sums due to the Government are regularly received and checked against demands and that they are paid into the treasury. Moreover, as per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by the Government through fraud or negligence on his part.

During audit of the Sports Board Punjab, Lahore for the period 2022-23, it was observed that an expenditure of Rs. 1,199,356 was incurred for the coordination and facilitation of the Pakistan Super League Season 8 (PSL-8 or, for sponsorship reasons, HBL PSL 2023), an event organized by the Pakistan Cricket Board (PCB), Lahore. The audit has identified that all expenses related to the arrangements and facilitation of PSL-8 should rightfully be recovered from the Pakistan Cricket Board (PCB), Lahore, given the fact that this event falls under PCB's purview, and all generated revenue relates to the PCB.

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was reported to the management in October 2023. The management noted the observation.

The matter was further reported to the administrative department. In DAC meeting held on 30.01.2024, the para was kept pending for regularization from Finance Department. Further progress was not reported by the department till the finalization of the report.

Audit recommends that recovery of expenditure made by the department for PSL-8 arrangement be made from PCB.

(PDP No. 2023-0000004751_F00015)

Procurement related irregularities

25.4.6 Irregular expenditure in violation of Punjab Procurement Rules-Rs. 63.33 million

Rule 9 of PPR 2014 provides that save as otherwise provided and subject to the regulations, a procuring agency shall announce in an appropriate manner all proposed procurements for each financial year and shall proceed accordingly without any splitting or regrouping of the procurements so planned. As per Rule 12 of Rules ibid, a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of two million rupees on the website of the Authority in the manner and format specified by regulations. As per rule 39 of Rules ibid, the procuring agency shall require the successful bidder to furnish a bid security in the form of a performance guarantee up to ten percent of the contract amount.

During audit of Youth Affairs & Sports Department, it was observed that expenditure of Rs. 63,328,481 was incurred on purchases made for exhibitions, fairs, national celebrations, (rental services, IT equipment, stationery, furniture, plant and machinery, software and hardware, furniture & fixture, store articles, entertainments and hiring of services etc.) without observing above stated rules entailing breach of stipulated provisions. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	District Sports Officer Lahore	2022-23	2023-0000004726_F00001	Dubious Procurement incurred on exhibition, fairs, national celebration and other items on a single quotation basis by splitting to avoid competition	24,733,918
2	Director General Sports &	2022-23	2023-0000004752_F00006	Irregular expenditure on procurement of Others and; Cost of Other Stores	17,504,989

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
	Youth Affairs Punjab				
3	Director General Sports & Youth Affairs Punjab	2022-23	2023-0000004752_F00003	Irregular expenditure on the procurement of IT Equipment, stationery, furniture, plant and machinery, software and hardware etc.	6,362,985
4	Director General Sports & Youth Affairs Punjab	2022-23	2023-0000004752_F00012	Irregular expenditures without having competitive rates	6,200,000
5	District Sports Officer Lahore	2022-23	2023-0000004726_F00003	Irregular procurement of rental services at higher rates	5,214,070
6	Director General Sports & Youth Affairs Punjab	2022-23	2023-0000004752_F00011	Irregular expenditure as technical proposals were not obtained from the pre-qualified bidder.	2,717,904
Total					**63,328,481**

Audit is of the view that non-observance of PPR 2014 resulted in a non-transparent process of procurement.

The matter was reported to the management in October 2023. The management at Sr. Nos. 2 to 4 & 6 noted the observations for compliance. The management at Sr. No. 1 to 5 had not provided any reply.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be probed to fix the responsibility besides seeking regularization of the expenditure.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21, 2021-22 and 2022-23 vide para numbers 22.4.3, 21.4.3 and 20.4.3 having financial impact of Rs. 198.54

million, Rs. 6.95 million and Rs. 1,654.17 million. Recurrence of same irregularity is a matter of serious concern.

25.4.7 Irregular expenditure on games-Rs. 50.06 million

Article No.10(i, iii & v) of the Constitution of Sports Board Punjab provides that the functions of the Sports Board Punjab are to organize, promote and develop sports in the Province; to ensure mass participation in sports and games by organizing sports competitions/tournaments in the Province; to utilize funds provided by the Government as grant-in-aid for the promotion of sports, and also release annual/special grants-in-aid to sports associations, committees, clubs and other sports organizations in the Province. Further, Rule 2(X) of PPR 2014 provides that "Pre-Qualification" means a procedure for demonstrating qualification as a pre-condition for being invited to tender.

During audit of D.G. Sports & Youth Affairs Punjab, Lahore for the period 2022-23, it was observed that management made an expenditure of Rs. 50,062,514 on the 73rd Punjab and Pink Games. The following shortcomings were observed;

i. It was noticed that while calling "invitations to bids" from pre-qualified contractors, the technical proposals were not obtained from the pre-qualified bidder.

ii. The specification of procured sports items as given in the bidding documents were not tested from the recognized labs.

iii. The stock entry for event management, media refreshment boxes, hi-tea, catering services, kits, and sportswear was not made.

iv. Furthermore, the stock entry for the supply and installation of branding items was made and issued to AD Training but the consumption accounts along with the disbursement record were not maintained.

v. The Income tax amounting to Rs. 108,377 was less withheld. The management withheld an amount of Rs. 637,134 (453,636+183,498) as 1/5th GST while making the payments but the monthly sales tax return on the 15th of every month was not maintained as required vide SRO.77(I)/2008 dated 23.01.2008. In addition to the above, all the GST invoices provided by the supplier were without mentioning the dates which is a serious matter of concern. Details are tabulated below:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Director General	2022-23	2023-0000004	Irregular expenditure on	35,199,109

	Sports & Youth Affairs Punjab		752_F00009	the 73rd Punjab Games for	
2	Director General Sports & Youth Affairs Punjab	2022-23	2023-0000004752_F00008	Irregular expenditure on Pink Games 2023	14,863,405
Total					**50,062,514**

Audit is of the view that due to non-observance of Government rules resulted in the non-transparent process of procurement.

The matter was reported to the management in October 2023. The management noted the observations.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the responsibility be fixed for non-adherence to Government instructions besides regularization of the matter from the Finance Department and strengthening of the financial and internal control system.

HR/Employees related irregularities

25.4.8 Irregular appointment/engagement and extension of daily wage/work charged and contingent paid staff-Rs.272.41 million

As per para 4 (x) & (xii) of S&GAD Policy Framework for work charged employees 2021 issued vide No.SO(ERB)5-44/2019/WC-DW-Policy dated 29.01.2021, in case of extreme necessity, the extension to work charged employees be made through speaking orders containing reasonable justification after obtaining approval. Such approval shall be accorded by the authority next higher to the hiring authority before the expiry of 90 days period of their first hiring provided that an extension to work charged hiring shall not be made in any case for more than two times. The hiring of work charged, daily wages, and contingent paid staff shall be made sparingly and only in case of genuine and dire needs. In the process of hiring, the concept of equal job opportunity for all citizens and transparency shall be ensured.

During audit of Youth Affairs & Sports Department for the period 2022-23, it was observed that an amount of Rs. 272,412,519 was paid to contingent paid staff/daily wager/work charged employees. Audit observed that appointments were made without ensuring the concept of equal job opportunity for all citizens and transparency i.e., appointment through advertisement. The employees were working in the office for more than 90 days but approval of the next higher authority was not sought. Original attendance registers of the employees duly authenticated by the officer concerned were not shown to Audit for verification. Personal files of each employee consisting of CNICs, domiciles, educational certificates and experience certificates were not maintained. Moreover, the payments were drawn in favor of DDO instead of actual payees. The same issue had also been highlighted in previous years but the management failed to introduce appropriate controls to address the lapse. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	District Sports Officer Lahore	2022-23	2023-0000004726_F00006	Irregular/ un-lawful appointment of contingent paid staff	150,055,106
2	Sports Board Punjab Lahore	2022-23	2023-0000004751_F00012	Irregular appointment/ engagement and extension of daily wage/work charge/contingent paid staff	105,793,429
3	Director General Sports & Youth Affairs Punjab	2022-23	2023-0000004752_F00002	Irregular appointment/engagement and extension of daily wage/work charge/contingent paid staff	16,563,984
Total					**272,412,519**

The matter was reported to the management in October 2023. The management noted the observations.

The matter was further reported to the administrative department. In DAC meeting held on 30.01.2024, the para at Sr. No. 2 was kept pending for regularization from BOG. Further progress was not reported by the department. As regards the remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that responsibility be fixed for non-adherence to Government instructions besides seeking regularization of the matter from the Finance Department and recovery be made from the concerned.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21 and 2022-23 vide para numbers 22.4.2 and 20.4.4 having financial impact of Rs. 256.17 million and Rs. 3,162.05 million. Recurrence of same irregularity is a matter of serious concern.

Payroll related irregularities

25.4.9 Unauthorized payment of honorarium and allowances-Rs. 6.34 million

As per Finance Department letter No.FD.SR.I/9-7/2003 dated 27.12.2005 regarding the grant of Honorarium, the head of the Administrative department may sanction an honorarium up to one month's basic pay and the head of the attached department up to half month basic pay to a civil servant for work performed by him which is occasional in character and either laborious or of such special merit as to justify a special reward when the services rendered by him fall within the course of his ordinary duty like good performance, achievements of targets or any special assignment related to the post. A competent authority may sanction such honorarium to a civil servant irrespective of his pay scale if he is otherwise eligible.

As per Rule 2.31 of PFR Vol-I, a drawer of bills for pay, allowances contingent, and other expenses will be held responsible for any overcharges, frauds, and misappropriations. As per the Finance Department’s letter dated 09.02.2022 regarding “SNE (continued) grant-in-aid Sports Board Punjab for the Financial Year 2022-23”, there are 7 posts of Junior Clerk (BPS-11).

During audit of Youth Affairs & Sports Department, for the period 2022-23, it was observed that an amount of Rs. 6,340,706 was paid on account of honoraria to contingent paid staff/daily wages, and excess payment of salary was also disbursed above sanctioned posts in violation of the above said prescribed directions of the Government.

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Sports Board Punjab Lahore	2022-23	2023-0000004751_F00019	Irregular excess drawl of salary against sanctioned posts	2,431,255
2	Director General Sports & Youth Affairs Punjab	2022-23	2023-0000004752_F00004	Recovery on account of payment of unauthorized personal allowance	1,858,385
3	Director General Sports &	2022-23	2023-0000004	Double drawl of Honoraria and	201,956

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
	Youth Affairs Punjab		752_F00010	overpayment of Utility Allowance	
Total					**6,340,706**

Audit is of the view that the lapse occurred due to weak supervisory and financial controls.

The matter was reported to the management in October 2023. The management noted the observations.

The matter was further reported to the administrative department. In DAC meeting held on 30.01.2024, the para at Sr. No. 1 was kept pending for regularization from BOG. Further progress was not reported by the department. As regards the remaining paras, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that responsibility should be fixed for non-adherence of Government instructions besides affecting recovery from the concerned.

Performance related irregularities

25.4.10 Non-achievement of project deliverables-Rs. 15.40 million

As per the Minutes of the DDSC Meeting held on 13.03.2020, the scope of the Project, titled “Capacity Strengthening for Project Development/Management of Youth Affairs, Sports, Archaeology & Tourism Department” includes the preparation of concept papers of different development schemes, prepares and examines PC-I form, assists in preparing and uploading Annual Development Program on Smart Monitoring of Development Projects (SMDP) Portal, supports in the procurement of goods and services as per PP Rules, manages Human Resource Information Management System of the Department, develops analysis of Monthly Progress reports and prepare list of slow moving and problematic schemes of ADPs, collaborates with stakeholders to plan, design, test and maintain web & desktop based business applications for development portfolio. One of the major aims was to “Transform the major Department of Govt. of the Punjab from Low Performing Organization to High Performing Department”.

During audit of the accounts of Secretary, Youth Affairs & Sports Department for the period 2021-22, it was observed that the project titled as “Capacity Strengthening for Project Development/Management of Youth Affairs, Sports, Archaeology & Tourism Department” was extended vide “4th Revised PC-1” without any change in scope of work whereas above-mentioned objectives were not yet achieved. The audit observed that:

1. No significant achievement was made during the current financial year except imparting the training for only 8 sessions/batches of staff during the period from July 2021 to February 2022 (no training session was held after February 2022) incurring an expenditure of Rs. 15,403,645 Those training sessions involved only 35 days and the average cost of training per day was Rs. 440,104 showing unnecessary excessive burden on Govt. Treasury.
2. Moreover, the core objective of the project was overlooked including the commissioning of SMDP portals, HRMIS business application for the development portfolio.

Audit is of the view that the lapse occurred due to poor administrative and supervisory controls.

The matter was pointed out in April 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that the matter be inquired at the higher forum by involving the Finance Department and P&D Board, and responsibility be fixed for non-achievement of targets.

(PDP No. 2023-0000000937_F00001)

Management of Accounts with commercial banks

25.4.11 Non-distribution of Provincial Sports Association Funds amount and unauthorized shifting from Assan Assignment Account to commercial bank account-Rs. 64.07 million

As per CGA's policy letter No.AC-II/6-23/VOL-XIV/160 dated 14.07.2007 read with Finance Department's letter No.SO (TT) 6-1/2007 dated 11.09.2007, the drawing authorities should ensure that no money is withdrawn from Special Drawing Accounts (SDA) unless it is required for immediate requirements. Further, money will not be drawn for keeping into a bank account or in chest. A certificate to this effect will be recorded on the schedule of payment.

During audit of Youth Affairs & Sports Department, Lahore for the period 2022-23, it was observed that an amount of Rs. 64,066,200 was received from Finance Department, Government of the Punjab. The received amount was shifted into the commercial bank account of Punjab Sports Board duly maintained in the Bank of Punjab account only to avoid lapse of funds in violation of above-mentioned instructions. The funds were not distributed to the Provincial Sports Association up till now as considerable time has been lapsed. Similar issue has been highlighted in the audit of FY 2020-21 but the formation has failed to introduce appropriate controls to address the lapse.

The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Sports Board Punjab Lahore	2022-23	2023-0000004751_F00001	Non-distribution of Provincial Sports Association Funds amount and unauthorized shifting from Assan Assignment Account to Commercial Bank Account	60,000,000
2	Director General Sports & Youth Affairs Punjab	2022-23	2023-0000004752_F00001	Unauthorized shifting of funds to commercial bank account just to prevent lapse of appropriation	4,066,200
Total					**64,066,200**

Audit is of the view that lapse occurred due to weak supervisory and financial controls.

The matter was reported to the management in October 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 30.01.2024, the para at Sr. No. 1 was kept pending for probe. Further progress was not reported by the department. As regards the remaining para, neither any reply was received nor DAC meeting was convened till the finalization of this report despite the issuance of reminders in November and December 2023.

Audit recommends that responsibility be fixed for non-adherence of Government instructions besides seeking regularization of the lapse under intimation to Audit.

Others

25.4.12 Loss of revenue due to non-auction of shops and offices-Rs. 19.07 million

As per rule 4.7 (1) of PFR Vol-I, it is primarily responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government Account.

During audit of Divisional Sports Officer, Faisalabad for the period 2016-22, it was observed that shops and offices at Hockey Stadium, Faisalabad were not auctioned resulting into projected loss of Rs. 19,068,896. The details are as under:

Sr. No.	Name of Formation	Period of Audit	PDP No.	Nature of Irregularity	Amount (Rs.)
1	Divisional Sports Officer, Faisalabad	2016-22	2023-0000001910_F00005	Non-auction of sealed offices at Hockey Stadium	13,050,720
2	Divisional Sports Officer, Faisalabad	2016-22	2023-0000001910_F00007	Non-auction of vacant offices at Hockey Stadium	6,018,176
Total					**19,068,896**

Audit is of the view that the lapse occurred due to poor administrative and financial controls.

The matter was pointed out in June 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends fixing responsibility for the lapse against those responsible besides making concrete efforts to vacate the sealed premises and auction all the available offices and shops under intimation to audit.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2020-21 and 2021-22 vide para numbers 22.4.16 and 21.4.10 having financial impact of Rs. 2.17 million and Rs. 19.17 million. Recurrence of same irregularity is a matter of serious concern.

25.4.13 Removing/replacement of old Astro Turf due to gathering at National Hockey Stadium (NHS)

As per Rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part. Further, Rule 12 of PPR 2014 provides that a procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the Authority in the manner and format specified by regulations but if deemed in public interest, the procuring agency may also advertise the procurement in at least one national daily newspaper. Rule 4 of PPR 2014 provides a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical.

During audit of D.G. Sports & Youth Affairs Punjab, Lahore for the period 2022-23, it was observed that an event was arranged at National Hockey Stadium, Lahore (dated 13.08.2022) where the Astro Turf was removed and subsequently replaced through development scheme titled "Replacement of Astro Turf at National Hockey Stadium Park Lahore" at the cost of Rs. 399.981 million with gestation period up to 14.08.2023. Audit observed the following shortcomings;

i. Documentary evidence regarding the completion of total useful life of the old AstroTurf was not on record. Further, approval of authority for removal of old Astro Turf alongwith tendering process was not on record.
ii. The old Astro Turf was claimed to have been transported to Sargodha for future use but no documentary evidence to this effect was available.
iii. The development scheme was incomplete whereas the gestation period expired on August 14, 2023.
iv. The management provided the Audit with a certificate of field compliance, issued by the Federation of International Hockey (FIH) on October 2, 2023, but comprehensive test reports conducted for the new Astro Turf and relevant record were not available.

The matter was pointed out in October 2023. The management noted the observation for compliance.

The matter was further reported to the administrative department. Neither any reply was received nor DAC meeting was convened till the finalization of this report despite issuance of reminders in November and December 2023.

Audit recommends that matter be inquired at the administrative department's level besides strengthening supervisory, management and financial controls.

(PDP No. 2023-0000004752_F00019)

IMPACT AUDIT

IMPACT AUDIT OF SOCIAL PROTECTION PROGRAM ON THE EFFECTIVENESS OF ZEWAR-E-TALEEM PROGRAM IN TEHSIL RAJANPUR

1. INTRODUCTION

An Impact Audit verifies a program's performance against its pre-defined objectives by considering the bearings or implications of a new project or intervention, on a specific group of people or the public at large[1]. Impact Audit seeks to establish a relationship between an organization's inputs and outputs leading towards desired outcomes. Subdividing the main goal, establishing the hierarchy of objectives, giving each goal quantifiable criteria, assessing performance, and offering feedback are all essential prerequisite of good policy formulation and implementation to achieve desired outcomes[2]. This audit is conducted as an important extension in the audit portfolio of OAGP to enable the audit to comment on policy interventions of Government of the Punjab based on evidence rather than assumptions.

Impact audit provides a systematic knowledge and analysis to be utilized by policymakers in making decisions and for better utilization of Government resources. At the time, when Zewer-e-Taleem Program was launched, a research study identified that 22.8 million children aged between 5-16 years were out of school in 2016-17 with noticeable gender disparities in budgets for the public education sector[3].

Numerous studies demonstrate that closing the gender gap in education improves several social outcomes, including infant and maternal mortality, and boosts economic growth in emerging nations[4]. This impact appraisal will also help the stakeholders, policymakers, education department, and the Government to guide them to make effective strategies to enhance the enrollment of female students in public schools.

1.1 Background

Government of the Punjab launched the "Zewar-e-Taleem Program" in 2016 under the auspices of the Punjab Education Sector Reform Program (PESRP), to increase enrollment of girls in public schools by offering a cash stipend of Rs. 1000 per month. The purpose of this initiative is to improve enrolment and retention of female students in schools of poverty-stricken areas and provide them with basic stationery supplies/necessities for schools and add to their nutritional requirements. The cash is transferred quarterly, to the girls enrolled in public schools from grades 6 to 10, with a pre-condition of maintaining 80% attendance and successful completion of academic sessions till matriculation. Initially, the program started with an amount of Rs. 2,586

million in the year 2016 with a closing balance of Rs. 1,940.54 million in 2022-23. An amount of Rs. 26.075 billion has been disbursed to the registered female students in sixteen districts of Punjab since 2016.

1.2 Objectives of the Zewar-e-Taleem Program

i. To educate more girls in middle/higher secondary schools.

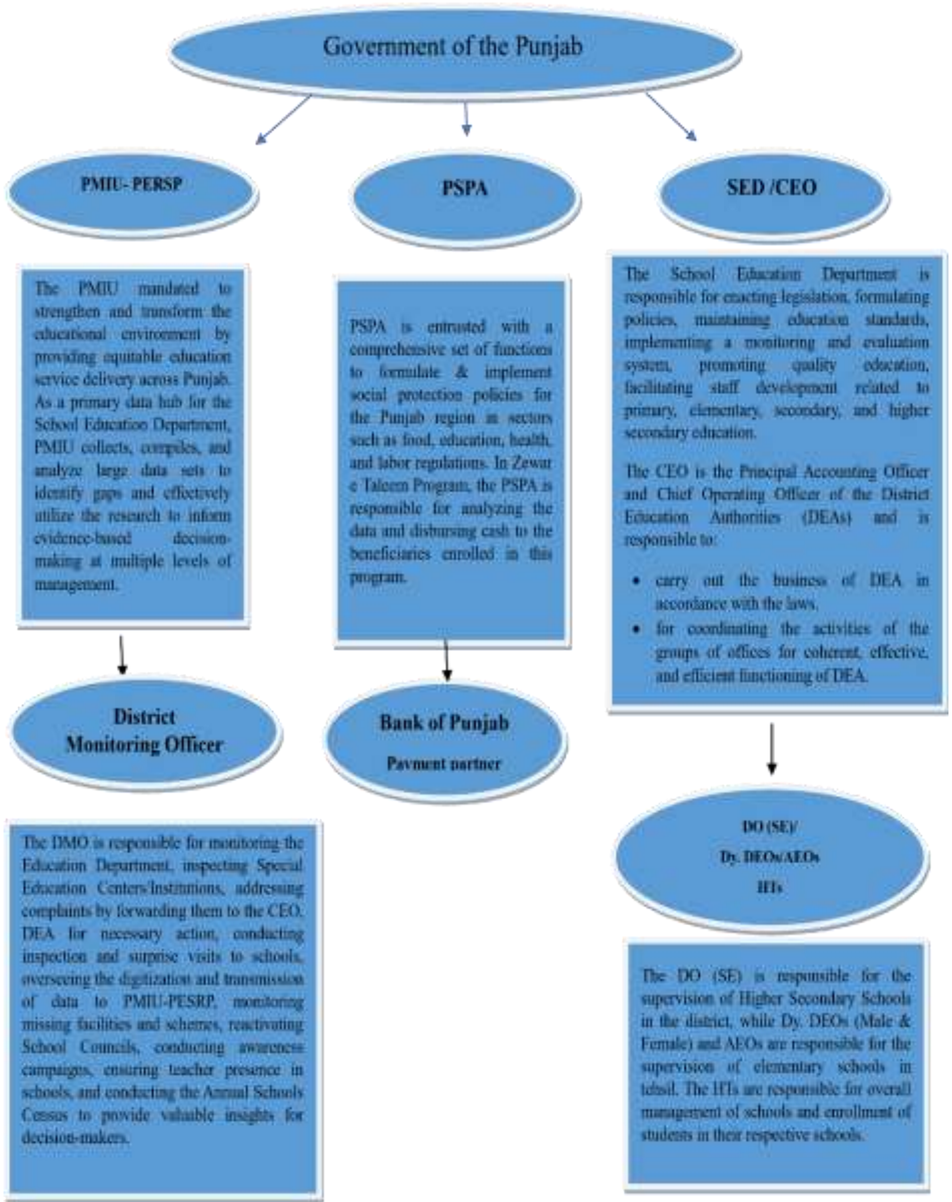
ii. To improve girl's enrolment/attendance in schools at selected 16 districts with low literacy, in Punjab for gender parity

iii. To provide financial assistance to bear the burden of meeting their educational expenses and their basic nutritional requirements.

1.3 Workflow and Stakeholders of the Program

For smooth implementation and timely disbursement of funds to eligible girls, the School Education Department (SED) and Punjab Social Protection Authority (PSPA) have defined roles, as the main executing agencies of the program. Data collection is the responsibility of SED, which is done by the Program Monitoring and Implementation Unit (PMIU), while PSPA disburses the funds through the Bank of Punjab (BOP) after the verification of credentials of the beneficiary data through the Biometric Verification System (BVS). The beneficiaries can collect the amount of stipend from authorized agents of HBL Konnect, UBL Omni, and Alfalah Alfa Pay.

Organogram and Functions of Implementing Authorities of ZTP



2. OVERVIEW

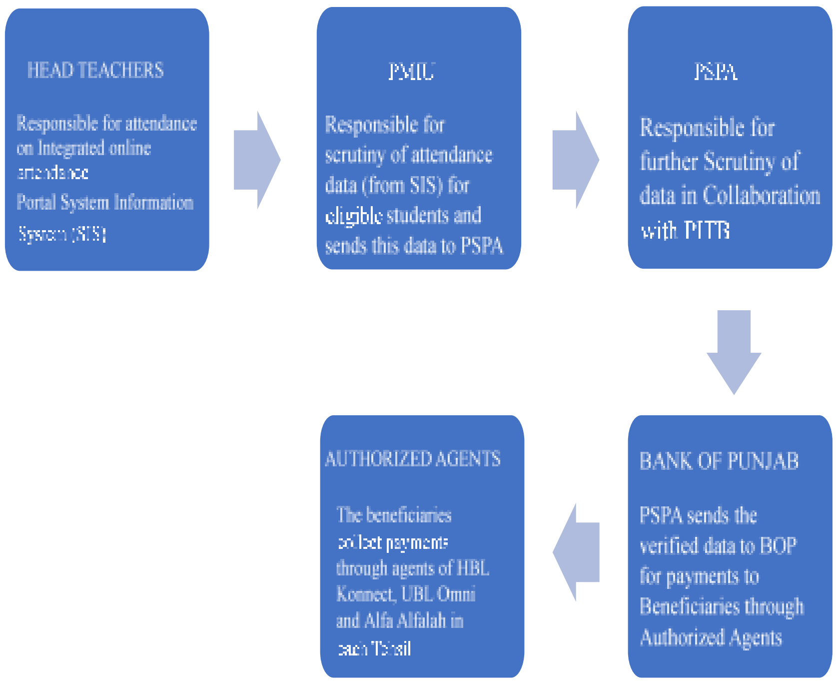
Pakistan has traditionally been characterized by low enrolment rates and gender disparities in educational achievements as compared to the other developing countries, and also neighboring countries in the South Asian region. Government of the Punjab offers free of cost education to its citizens through the School Education Department, Special Education Department, Literacy and Non-Formal Basic Education Department, Punjab Education Foundation, Punjab Education Initiative Management Authority, Punjab Daanish Schools and Centers of Excellence, and several scholarships/stipends and subsidies are being offered for the underprivileged willing to seek education. The Punjab Social Protection Authority (PSPA) is an autonomous body under Government of the Punjab with a mandate to provide an effective, comprehensive, and efficient social protection system in society. The Authority has been working with a mandate to formulate a social protection policy for the whole province in education, health, and social assistance by new interventions and to monitor social protection programs, already in place.

The Program Monitoring and Implementation Unit (PMIU) is a project implementation wing of the School Education Department (SED) working as the primary data hub for the School Education Department. PMIU collects, compiles, and analyzes large datasets to identify gaps, its rectification and provides this data for evidence-based decision-making at multiple levels of SED management. PMIU has been operating the Punjab Secondary School Stipend Program (PSSSP) since 2004 with Rs. 200 monthly to girl students of class 6-10 in Public Schools. The Punjab Secondary School Stipend Program was re-launched in 2016 in sixteen districts of Punjab as Zewar-e-Taleem Program with an increase in stipend amount from Rs. 200 to Rs. 1000 for the girl students in grades 6^{th} to 10^{th} in the Districts of Punjab with low literacy rates i.e. Bahawalnagar, Bahawalpur, Bhakkar, Chinniot, DG Khan, Jhang, Kasur, Khanewal, Layyah, Lodhran, Muzaffargarh, Okara, Pakpattan, Rajanpur, Rahim Yar Khan, and Vehari. The stipend was being disbursed through the Post Office, but with the revamped Zewar-e-Taleem Program the postal deliveries of stipends were replaced with the ATM-based disbursement, called Khidmat Cards. However, this system was rendered ineffective, mostly due to delays in the registration process. A new system of payments through authorized agents of HBL Konnect, UBL Omni, and Alfa Alfalah account was introduced in 2023.

2.1 Flow of disbursement

The stipend is a conditional cash transfer on the fulfillment of the following criteria:

- Girl students studying in classes 6-10, enrolled in Government schools.
- Retaining 80% attendance in each quarter of the year
- The students who do not maintain 80% attendance are declared ineligible for the stipend for that quarter
- Successful completion of an academic year till class 10^{th}.
- Registration of a student is deemed cancelled if she drops out at any level between classes 6-10



Process Flow Depiction

PMIU does an in-house cleansing of SIS data to check for issues such as duplication, invalid CNIC numbers, invalid B-Form numbers, and missing or incorrect contact numbers. PMIU sends the verified data to PSPA for further scrutiny.

PSPA and the Punjab Information and Technology Board (PITB) analyze the data for authenticity checks. The PMIU sends lists of new eligible students to DMO offices in each district so that the beneficiaries would be informed about the opening of accounts for disbursement.

The DMO further communicates the lists to the head teachers in schools. The unverified data is sent back to PMIU for rectification while the approved data is forwarded to BOP for disbursement of stipend.

3. SCOPE & METHODOLOGY

a. Scope

The scope of this audit was to assess and analyze the causal relationship between the program objectives and the improvement of female enrollment, attendance, and retention rate in tehsil Rajanpur, district Rajanpur, and for the sake of drawing meaningful insights comparison was also drawn with relevant parameters of tehsil Kabirwala, district Khanewal.

Sampling

Samples with the denomination of Randomized Control Trial (RCT) of 1371 female students (600 students from Rajanpur and 771 from Kabirwala) were selected from both Tehsils. The details of the sampling are as under:

Particulars	**Tehsil Rajanpur**	**Tehsil Kabirwala**
Total schools (High & Elementary)	29	117
Selected schools	18	50
Selected Schools' total Population	4373	7235
Sample selected	600	771

The following model indicates the flow of inputs, outputs, outcomes, and expected impact in this program:

Inputs	**Activities**	**Output**	**Outcomes**	**Impact**
• Programs Funds • Programs guidelines • Human Resource • Defining roles of all key departments and stakeholders • Trainings	• Selection of districts • Enrollment data collection • Maintenance of data record • Awareness & publicity • Coordination among • Stakeholders • Funds • Disbursement	• Better enrolment in schools • Retention of girls students in schools • Self-sufficiency for girls in meeting studies-related expenses and nutritional requirements. • Motivation to complete basic education	• Better literacy rate • Lesser gender disparity • Better earning opportunities for girls • Improved social structure. • Improved health	• Living standards improvement • Increased literacy rates in districts • Improved health and wellbeing • Integrated data maintenance for policymakers

To assess what happens to those who do not participate in the program, the evaluation team must choose a comparison group, also referred to as a control group, and compare it to the group that has participated in the program, also referred to as the treatment group[5]. To determine the causal effect or impact of a program on outcomes, the impact evaluation method selected must estimate the "counterfactual," or the outcome for program participants if they had not taken part in the program[6]. Organizational structures and funding schemes, the direction and control of

5 Mury, L. G. "Performance Audits Focused on the Principle of Effectiveness: An Overview of Public Audit Agencies." Applied Finance and Accounting 4, no. 2 (2018): 45-54.

6 Reichardt, Charles S. "The counterfactual definition of a program effect." American Journal of Evaluation 43, no. 2 (2022): 158-174.

activities, outputs, and results, the efficiency and efficacy of activities, or the effects of activities are all possible topics for performance audits tilted towards impact evaluations[7].

Scope Limitation

A scope limitation was faced during the field activity as there was no data available on the disbursement of stipends and the status of pending complaints, which restricted the verification of data collected from the field. The team encountered cultural barriers to approaching the beneficiaries (females) due to the conservative mindset in these rural areas.

The selection of tehsils was done owing to the challenging cultural and geographical aspects related to both districts. District Rajanpur is one of the backward districts of Punjab and has several issues like cultural backwardness, gender inequality, and lack of infrastructure. Similarly, district Khanewal has a peculiar variation of contextual underpinnings as compared to that of district Rajanpur e.g. better opportunities, geographically located near a big city (Multan), better literacy rate, and lesser gender disparity, etc.

b. Methodology

The investigations and procedures used for a particular study or making up the process of participant selection, sampling, data collection methods, data analysis, and interpretation techniques are collectively referred to as the research method. The research design of this study was quantitative by method and descriptive by purpose[8] encompassing enrollment, attendance, interest level, encouragement of parents, motivational level of parents, and continuity of education of female students from grades 6th to 10th. Governmental commitments to uphold human rights in education, mandated under Article 25-A of the 1973 Constitution are further outlined in a straightforward 4-As framework that makes instruction available, accessible, acceptable, and adaptable[9]. The study carefully integrates qualitative approaches, clearly defines each strand, and uses one or more strands to successfully support conclusions.

Various documents of the program were analyzed, interviews of key resource persons involved in executing the program were conducted, particularly stipend data of tehsils Rajanpur and Kabirwala was analyzed vis-à-vis data maintained by the School Information System. The key organizations involved in program execution like PMIU PERSP, SED, and DMOs Rajanpur and Kabirwala were visited. A survey was also conducted to analyze the impact before finalizing the audit findings and making recommendations. Randomized Control Trials (RCT) were adopted as a means of meaningful and incisive analysis[10].

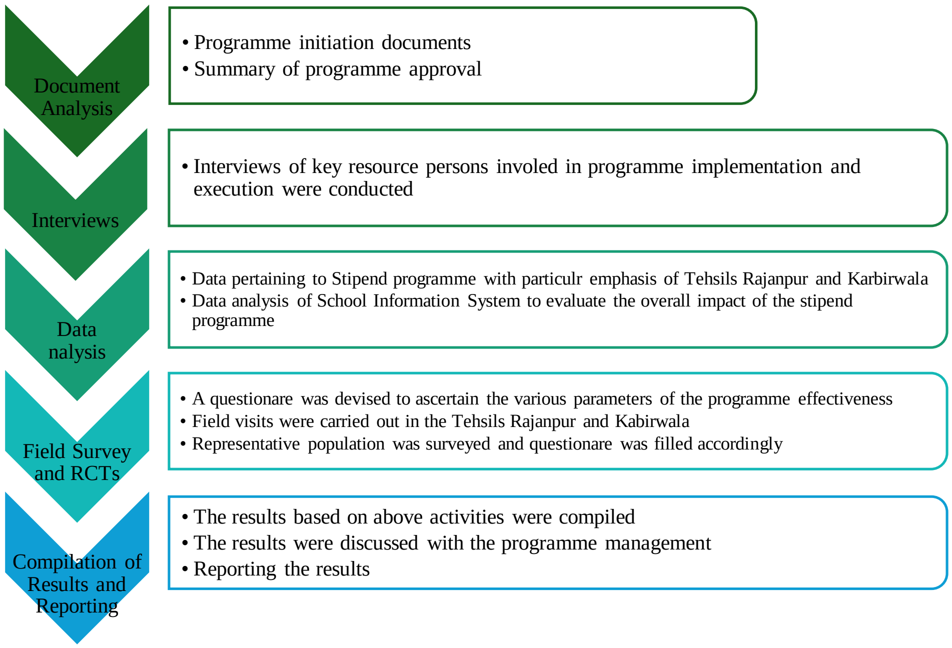
10 Arslan, Aslihan, Ndaya Beltchika, Romina Cavatassi, Mir Md Shahriar Islam, Naila Kabeer, Deborah Sun Kim, Vibhuti Mendiratta et al. "Evidence Review on the Effectiveness of Interventions Promoting Women's Empowerment in Developing Countries." (2022).

Over the past 20 years, technology has been acknowledged as a significant and influencing factor in education, rendering traditional teaching methods obsolete. It serves no purpose to learn how to integrate technology if one does not comprehend the underlying idea. Acceptance of technology is just as important to effective application as skill and resources.

A stepwise approach was followed as explained hereunder:



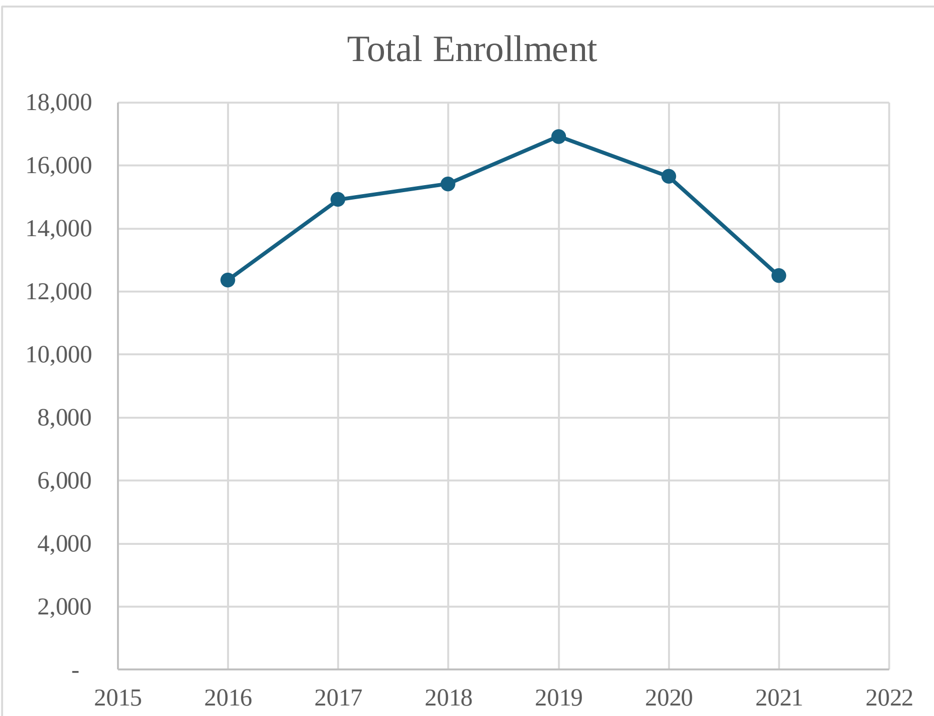
4. AUDIT FINDINGS

A. Overall Impact of the Zewar-e-Taleem Program (analysis on data provided by PMIU)

i. Enrollment trend analysis District Rajanpur

Increase in enrollment of students is the main objective of the program. After this intervention, enrollment in schools must show an increase each year to achieve this objective.

The graphical presentation of the increasing and decreasing trend of girls' enrollment (class 6^{th} to 10^{th}) in district Rajanpur from the years 2016 to 2021 is given below:



The above data shows a relative change in total enrollment in consecutive years (year 2016-2021). In the year 2017, just after the intervention, there was a notable increase in enrollment of 2,548 students, representing a 21% rise as compared to 2016. However, this positive trend was not sustained in 2018, as there was a comparatively lower increase of 498 students, equivalent to a 3% growth over last year. However, in 2019, there was again an increase of 10% as compared to year 2018. In the year 2020, there was a decline of 1,271 students i.e. 8%. This downward trend continues in 2021, with a significant decrease of 3,148 students, presenting a 20% decline in female student enrollments as compared to 2020, and the decrease must have been caused by COVID-19. However, the field visits and analysis of enrollment data in schools of tehsil Rajanpur showed the same fluctuating trend. The intervention seems to have a limited impact on enrollment as it could not produce an upward trend of enrollment as envisaged by its objectives.

Sustainable Development Goal 4 "ensures inclusive and equitable quality education and promotes life-long learning opportunities for all[22]." The problem of dropping out of school is a barrier to such goals[23]. According to an insightful study, the fathers' of dropped-out students have opined that the main causes of a student's school dropout included concerns with instructors' involvement in the classroom, low academic achievement, and poverty within the home[24]. Another study looks into the views of head teachers in public secondary schools in rural Punjab, Pakistan, about the issue of school dropouts. The results show that, aside from a few socioeconomic and personal characteristics, various test patterns at the primary, elementary, and secondary levels; an easy promotion policy in the early grades, and inadequate educational backgrounds of Children leaving school early are mostly due to a combination of factors, including high class 9 failure rates, top-down pressure on teachers to fulfill non-academic activities[25].

The primary data for this study is gathered through interviews and is based on qualitative methodologies. Pakistan has the second-highest percentage of primary-age out-of-school children worldwide[26], despite having stated in the Constitution Eighteenth Amendment Act, 2010 that it must provide free and compulsory education to all children aged five to sixteen.

The low enrollment in public schools in the aforementioned district may be attributed to the growing number of private and Public Private Partnership (PPP) schools, as parents are choosing to send their kids there for a higher caliber of education[27]. These results imply that compromises that frequently occur [28]while pursuing several objectives in educational interventions can be resolved by comprehensive treatments instead of standalone interventions[29].

ii. Analysis of enrollment vs registered students in ZTP in District Rajanpur

Retention of students in schools is one of the objectives of this program, which means that the students enrolled in schools must maintain 80% attendance in each quarter to be eligible for registration in ZTP. The effectiveness of this program could be termed substantive if the number of registered students increases each year, with the number of enrolled students. Additionally, assessors' tools were to be explored to help program evaluation advance, also contributing

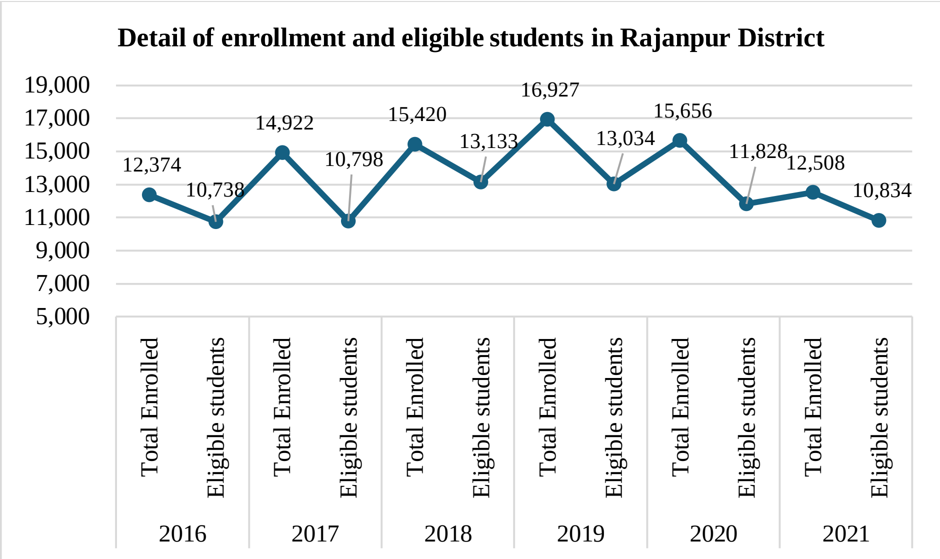
significantly to discussion and investigation of the issues generated for fostering cooperation and communication among evaluators and stakeholders[30].

The graphical presentation of year-wise student enrollment in schools versus the students registered in ZTP, in the district Rajanpur from the years 2016 to 2021 is given below.



The data shows the total number of enrolled students in each year and accordingly the number of registered students in respective years, but it reflects irregular fluctuations. In 2016, there were 12,374 total enrolled students, out of which 10,738 were got registered for stipend, indicating substantial participation. This number remained nearly the same in 2017 despite an increase in number of enrollments. The number of registered students remained the same in 2018 and 2019 whereas the number of enrollments increased in 2019. The same trend can be observed in subsequent years which shows the ineffectiveness of the intervention.

The findings reflect the variety of the fields also triggering a productive discussion about the nature of evaluation, which boosts the results' credibility[31]; and these yield optimization of the advantages that an impact audit review can provide[32].

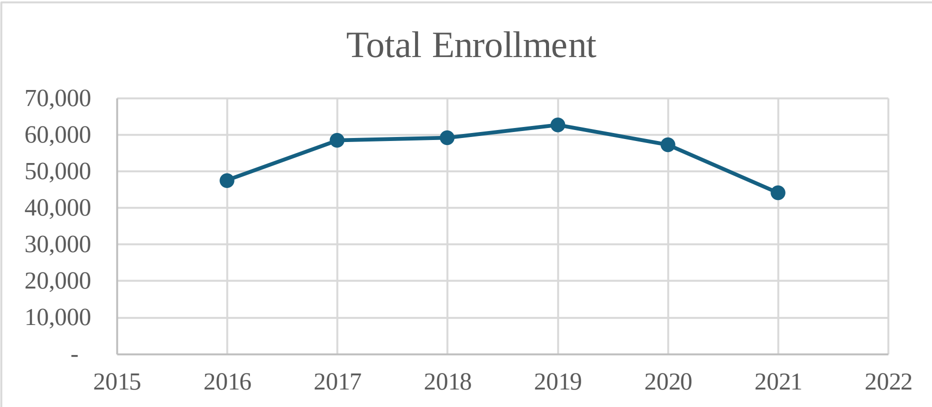
iii. Enrollment Trend Analysis at District Khanewal

30 Zorzi, Rochelle, Burt Perrin, Martha McGuire, Bud Long, and Linda Lee. "Defining the benefits, outputs, and knowledge elements of program evaluation." Canadian Journal of Program Evaluation 17, no. 3 (2003): 143-150.

31 De Arteaga, Maria, Stefan Feuerriegel, and Maytal Saar-Tsechansky. "Algorithmic fairness in business analytics: Directions for research and practice." Production and Operations Management 31, no. 10 (2022): 3749-3770.

32 Marzano, Robert J., and Michael D. Toth. Teacher evaluation that makes a difference: A new model for teacher growth and student achievement. ASCD, 2013.

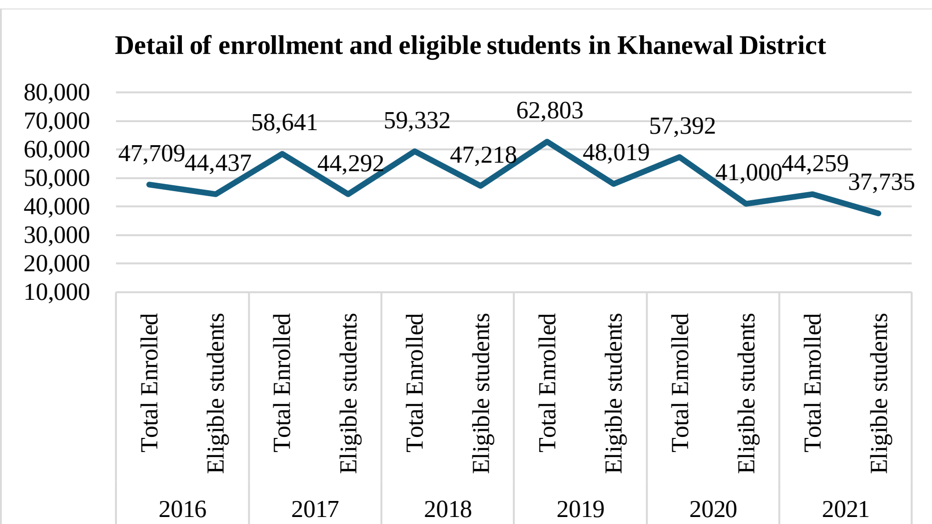
The graphical presentation of girls' enrollment in district Khanewal for the years 2016 to 2021 is given below:



The analysis of girl's enrollment from the year 2016 to 2021 reveals a fluctuating trend. In the year 2017, there was a significant increase in enrollments of 10,932 students i.e. 23% in schools as compared to 2016, the year of intervention. However, this positive trend was not maintained in 2018, with only 1.2% increase as compared to the previous year. The subsequent year of 2019, also shows a nominal increase of merely 6%. In 2020, a substantial decrease in enrollment can be seen i.e. 9% due to the incidence of COVID, and it further reached a notable decrease of 23% in the next year. This variation indicates a lack of program effectiveness according to its objectives.

iv. Analysis of enrollment vs registered students in ZTP district Khanewal

The graphical presentation of the students enrolled vs students registered in ZTP in district Khanewal from the years 2016 to 2021 is given below.



The same trend can be observed in district Khanewal as that of district Rajanpur. The number of registered beneficiaries' students is not increasing in accordance with the increase in enrollment of students. The number of registered students remained the same in 2016 and 2017 despite an increase of nearly 11000 enrollments in 2017. Likewise, in the year, 2018 and 2019, there was a nominal increase in registered students whereas the total enrollment strength reached

62,803 but the number of registered students increased by only 801. However, from 2019 onwards, the trend of total enrollment is decreasing because of Covid-19.

This shows a marginal impact of this program as the number of registered students has not increased corresponding with the increase in enrollment.

v. A large number of enrolled girls were not registered as beneficiaries of the stipend.

Audit ascertained during the data analysis of the Zewar-e-Taleem program that a large number of girls, despite being eligible for the stipend were not registered in the program and ironically the percentage of such students is not only very high but increased drastically after 2016 which was the first year when the stipend was enhanced from Rs. 200 to 1,000. The year 2021 is an exception because due to the COVID-19 outbreak when schools were closed and new enrollments shrank.

This leads to the conclusion that the full impact and objectives of the program cannot be fully materialized in the presence of a large number of students who despite being eligible could not be enrolled as registered beneficiaries in the program. The details gathered from all the 16 districts where this program is implemented is as under:

Year	Eligible to get stipend	Enrolled in Program	Not Registered	%age of eligible not registered
2016	526,878	454,832	72,046	13.67
2017	633,507	458,267	175,240	27.66
2018	617,544	466,543	151,001	24.45
2019	621,522	462,651	158,871	25.56
2020	589,251	425,426	163,825	27.80
2021	465,258	389,270	75,988	16.33

The aforementioned data reflects either the program management is not able to fully register the students eligible for the stipend or the parents are not motivated enough to get their girls registered. The lack of interest has its bearing on the overall impact of the stipend scheme finding it difficult to improve girls' literacy in the province. Non-interest of students/parents could have been due to complicated procedures for registration and delayed distribution of stipends. The continued professional development for teachers also remained elusive. The professional needs of teachers, for enhancing teachers' empowerment could not be catered for, and thus the given state of affairs underscores professional development endeavors yet to be rolled out in a systematic manner. These findings may particularly help educational leaders to understand the demands of their callings[33].

vi. Non-disbursement of stipend to the registered girls

33 Smith, Cristine, and Marilyn Gillespie. "Research on professional development and teacher change: Implications for adult basic education." In Review of Adult Learning and Literacy, Volume 7, pp. 205-244. Routledge, 2023.

The financial record of the stipend program revealed that a huge liability of worth Rs. 10.845 billion has been generated due to non-disbursement to eligible female students in 16 districts

Undisbursed liability of only two tehsils Kabirwala and Rajanpur is calculated as Rs. 303.270 million.

The year-wise detail of the un-disbursed amount is as under:

Financial Year	**Unpaid girls in Kabirwala**	**Unpaid girls in Rajanpur**
2016-17	3,700	1,227
2017-18	4,979	1,880
2018-19	6,338	2,433
2019-20	7,143	2,681
2020-21	6,706	3,212
2021-22	15,915	7,138
2022-23*	23,304	14,434
Total	68,085	33,005
Total unpaid students (Rs.)		**101,090**
Total Liability (Rs.)		**303,270,000**
*Figures of 3 quarters compiled only		

The above-mentioned data reveals the lack of commitment on the part of Government/program management toward timely and full disbursement will impact the outcomes of the program adversely34.

No program can achieve its intended objectives with a shortage of finances. Not only the interests of already registered girls would diminish but those girls who are not going to school would have little incentive to get attracted towards the program.

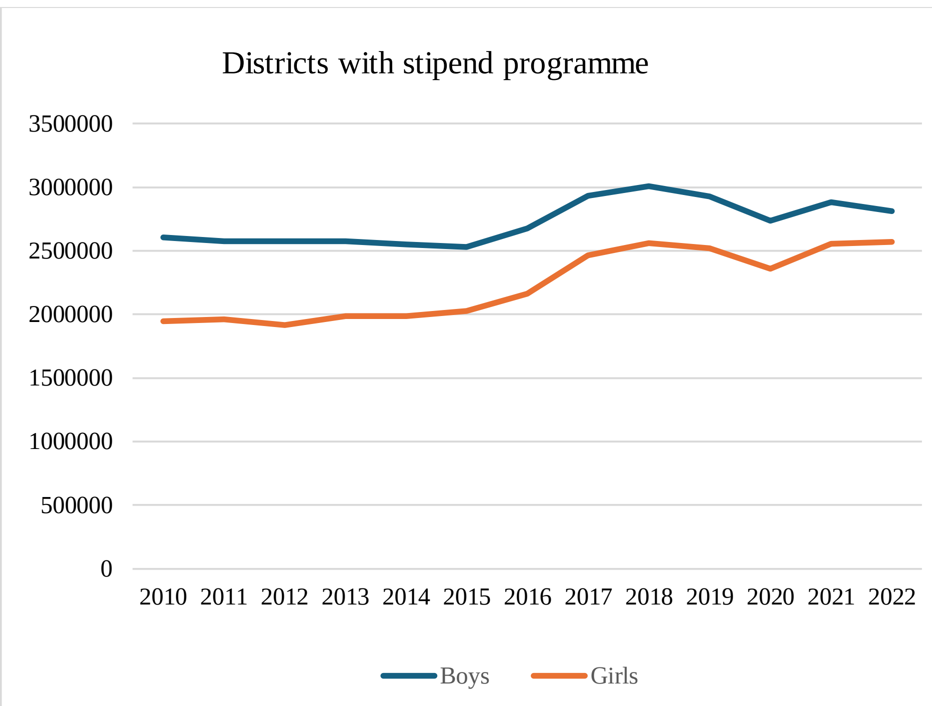
vii. Insignificant impact of stipend program in enrollment of girls as compared to the regions where no stipend scheme is introduced.

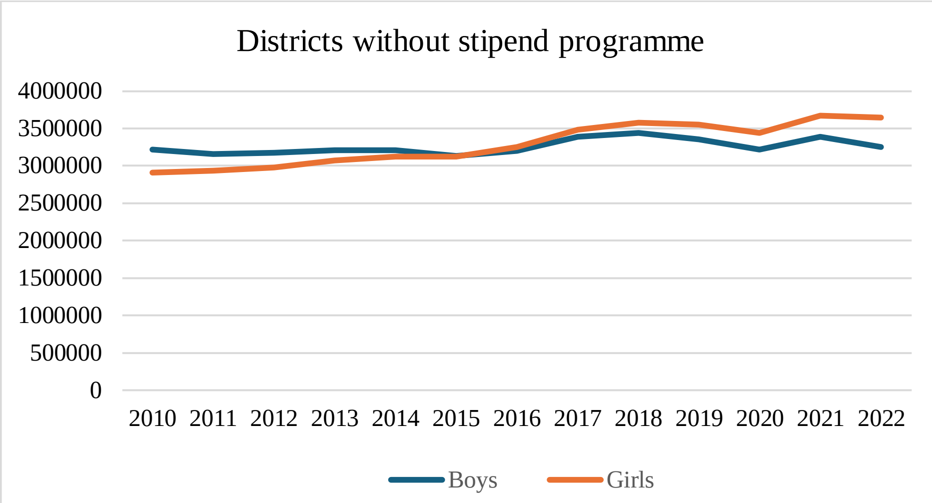
The enrollment of girls in the districts where a stipend program is introduced remains below the enrollment of boys when compared with districts where no stipend is in place reflecting that a stipend to encourage enrollment of girls is not bringing fruitful results.

34 Hashim, Ali, and Moritz Piatti. "Lessons from reforming financial management information systems: a review of the evidence." World Bank Policy Research Working Paper 8312 (2018).

The detailed and graphical representation are as under:

Year	**Districts with Stipend**		**Districts without stipend**	
	Boys	**Girls**	**Boys**	**Girls**
2010	2,604,927	1,945,792	3,216,138	2,912,387
2011	2,575,099	1,960,155	3,160,285	2,937,103
2012	2,574,996	1,916,343	3,171,566	2,977,788
2013	2,576,312	1,985,506	3,210,173	3,075,614
2014	2,548,980	1,989,138	3,209,041	3,127,443
2015	2,530,789	2,025,274	3,129,553	3,124,903
2016	2,675,593	2,165,185	3,202,741	3,251,014
2017	2,933,595	2,463,302	3,391,437	3,480,647
2018	3,006,911	2,562,132	3,439,552	3,578,559
2019	2,927,081	2,520,814	3,355,090	3,552,629
2020	2,739,129	2,359,242	3,217,576	3,438,881
2021	2,882,129	2,555,551	3,384,755	3,674,933
2022	2,811,649	2,570,831	3,247,873	3,642,712



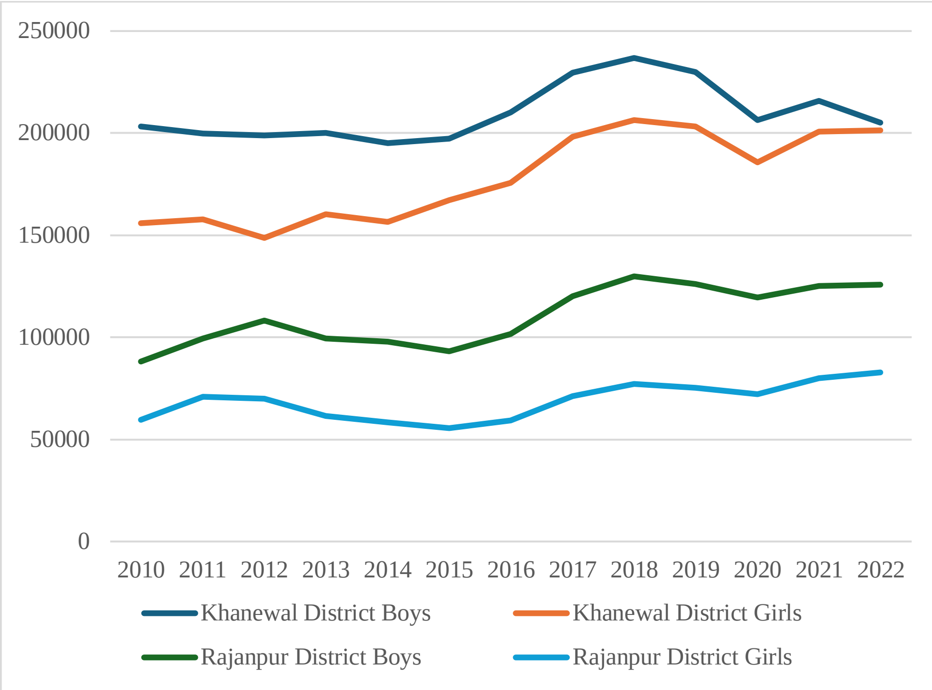


The above-mentioned depiction indicates an insignificant impact of the stipend program on the enrollment of girls. The trend of enrollment of girls in the districts where there is no stipend program is much more encouraging as compared to the districts where stipend is provided.

The enrollment data of boys and girls of district Khanewal is not different from that of the overall trend of the province where stipend is being provided to girls, i.e. the rate of increase in enrollment of girls who receive stipend is similar to that of the boys. However, the results in district Khanewal (including tehsil Kabirwala) is more encouraging and the trend indicates that the pace of increase in enrollment of girls is more as compared to the boys, and eventually in the year 2022, the enrollment trend of girls catches up with that of boys.

Year	**Khanewal District**		**Rajanpur District**	
	Boys	**Girls**	**Boys**	**Girls**
2010	203,211	155,736	88,033	59,547
2011	199,687	157,863	99,397	71,025
2012	198,853	148,658	108,114	69,945
2013	199,969	160,365	99,544	61,445
2014	195,043	156,448	97,823	58,379
2015	197,099	167,237	93,315	55,488
2016	210,009	175,547	101,586	59,372
2017	229,471	198,141	120,096	71,138
2018	236,794	206,429	129,756	77,251
2019	229,948	203,115	126,144	75,304
2020	206,237	185,591	119,556	72,164
2021	215,690	200,793	125,058	80,115
2022	205,066	201,292	125,783	82,770

The graphical representation amplifies this trend as under:



B. Field Audit Findings and Observations

The following observations were made during the field visits of both tehsils and with direct responses from the main stakeholders of the program. The analysis provided below is from the responses to questionnaires and interviews conducted directly with students, teachers, principals, and the heads of concerned Government offices.

i. Absence of defined roles among the key stakeholders of ZTP

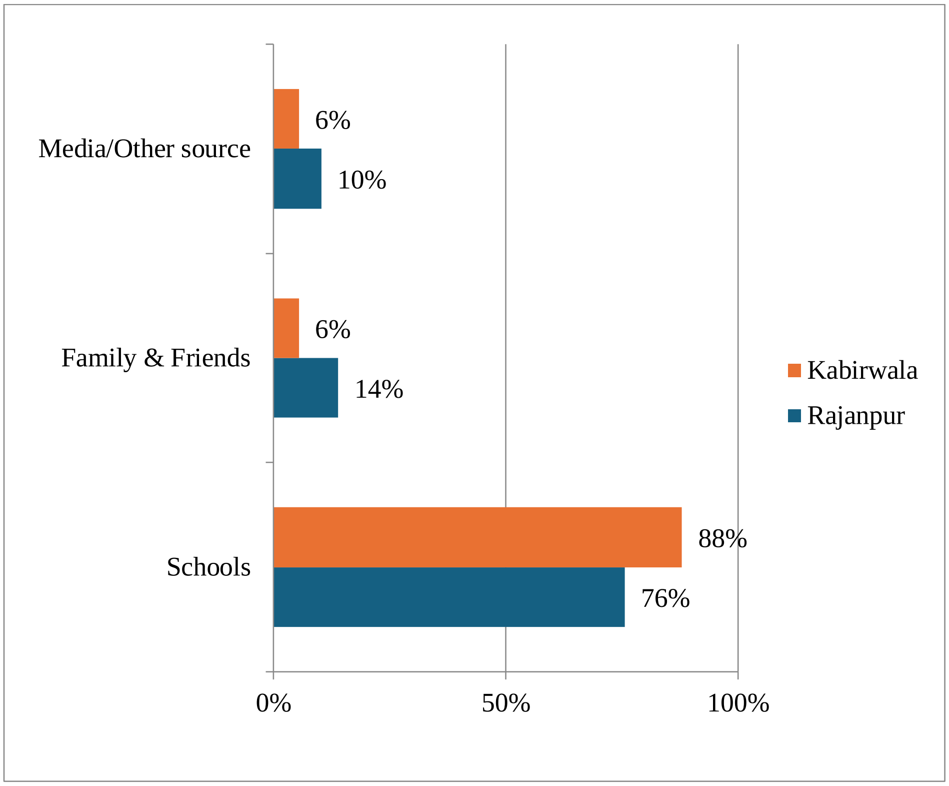
By conducting meetings with key stakeholders of ZTP, the audit has come to know that there are serious issues of coordination, hindering the desired outcomes to be materialized. CEO of the district has a mandate to resolve any issue pertaining to educational activities, but the office has failed to address the problems of students and teachers alike. It would be easier for beneficiaries to have access to administration through the offices of CEOs and DMOs operating in Districts. The lack of coordination and the inability of concerned CEOs and DMOs to perform their defined roles at tehsil levels represents a significant impediment to the smooth functioning ZTP. Over the past 20 years, technology has been acknowledged as a significant and influencing factor in education, rendering traditional teaching methods obsolete. It serves no purpose to learn how to integrate technology if one does not comprehend the underlying idea. Acceptance of technology is just as important to effective application as skill and resources[35].

ii. Lack of an awareness campaign for ZTP for enhancement of literacy and enrollment.

35 Suwardi, Suwardi, Sudirman Sudirman, and Fahruddin Fahruddin. "Management of School Operational Assistance Funds at SMKN 2 Kuripan, Lombok Regency, Indonesia: Reviewing From Planning Aspects." Path of Science 8, no. 10 (2022): 5028-5032.

A survey employing interviews and questionnaires was conducted among girls' students in both tehsils i.e. Rajanpur & Kabirwala to assess their awareness of ZTP, a significant majority of students indicated that they gained awareness through school management. The impact of this program can be manifold if it is given an appropriate advertising campaign. Community mobilization and advocacy by Civil Society Organizations were not tangibly channelized either.

The graphical presentation of the feedback of students is under:

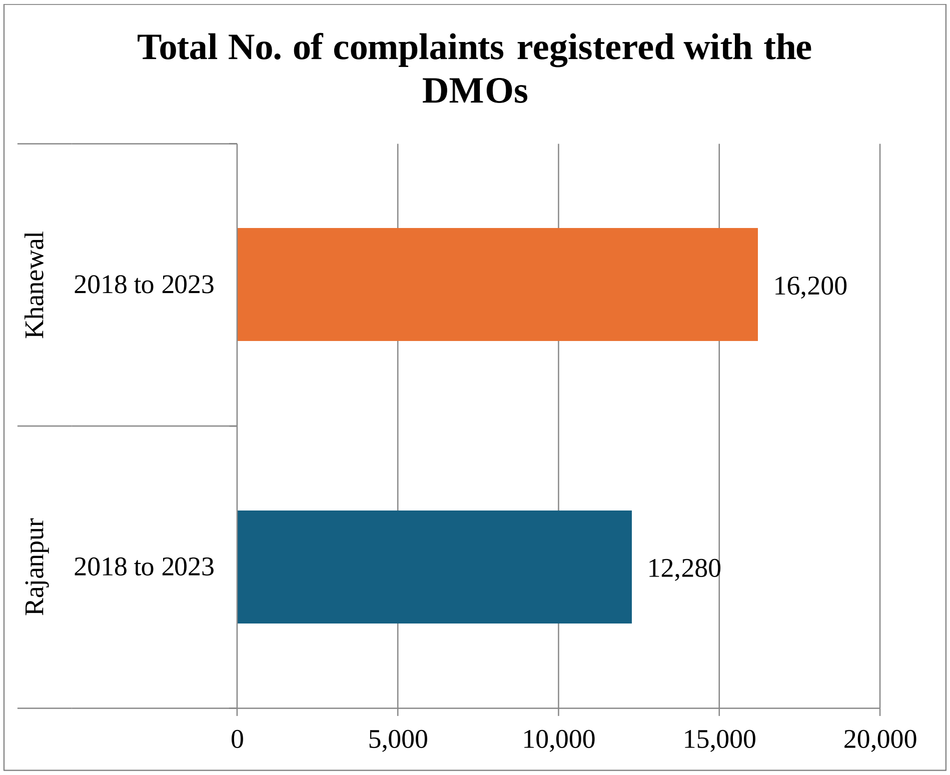


iii. Non-maintenance/non-provision of record

The CEOs, DMOs offices, and HTs had not maintained/provided the necessary record of ZTP i.e. special register for complaints, correspondence among concerned offices, yearly school budget regarding ZTP, data on disbursement of stipend and reconciliation thereof, monitoring and inspection reports by MEAs, progress report of the project and the data of 'missing students' etc. The concerned offices are not playing their part in record maintenance. The impact review can be made better through data analysis in each tehsil with proper maintenance of data.

iv. Non-follow-up and non-redress of complaints

The negative impact on the Zewar-e-Taleem Program in tehsil Rajanpur and Kabirwala was observed due to the negligence in addressing and resolving outstanding complaints. This negligence has increased the number of unregistered students. The complicated and delayed registration and verification process has caused a delay in the distribution of stipends. Similarly, the DMO office does not provide any information about the status of the complaints to the complainants despite having a clear role in complaints to be redressed by PMIU. The resolution status of 28,480 outstanding complaints (Rajanpur 12,280, Kabirwala 16,200) is still unknown. The graphical presentation of the same is as under:



v. Non-recruitment of teachers and inadequate training sessions for HTs

The requisite number of teachers is not available in tehsil Rajanpur and Kabirwala due to which the targets of the program could not be achieved. Furthermore, most of the elementary schools of tehsil Rajanpur and Kabirwala do not have IT teachers, and the lack of formal training of HTs regarding the usage of the online attendance system (SIS), resulted in entries of incorrect data of students' particulars in the system. The vacancy position of teaching staff of both district Rajanpur and Khanewal is as under:

Sr. No.	Tehsil Name	Total Posts	Filled	Vacant
1	Rajanpur	7224	6020	1204
2	Khanewal	13464	9540	3924
Total		**20688**	**15560**	**5128**

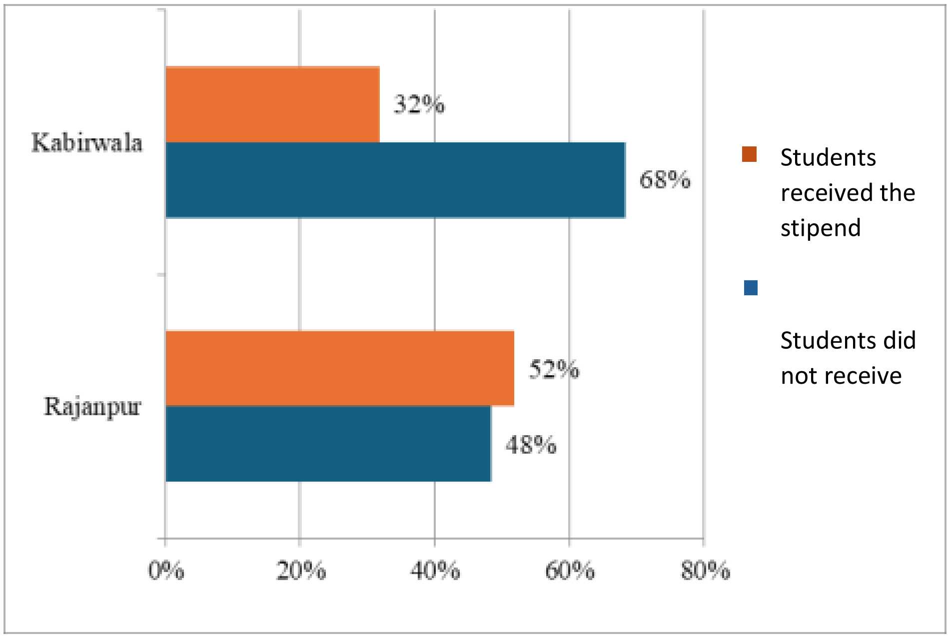
vi. Undue continuation of registration of students in the stipend program

The quarterly attendance data received from the District Monitoring Officer (DMO) reveals that the 421 students in the Rajanpur (Annexure-53) and Kabirwala (Annexure-54) tehsils, who got registered in ZTP during 2016 were supposed to conclude their academic sessions in the first quarter of 2021 and were expected to be excluded from the stipend program. However, they remained part of the stipend program beyond the specified period, raising serious concerns about the misappropriation of funds, as indicated by the data shared by DMO Rajanpur in 2022.

vii. Non-awarding of stipends to eligible female students

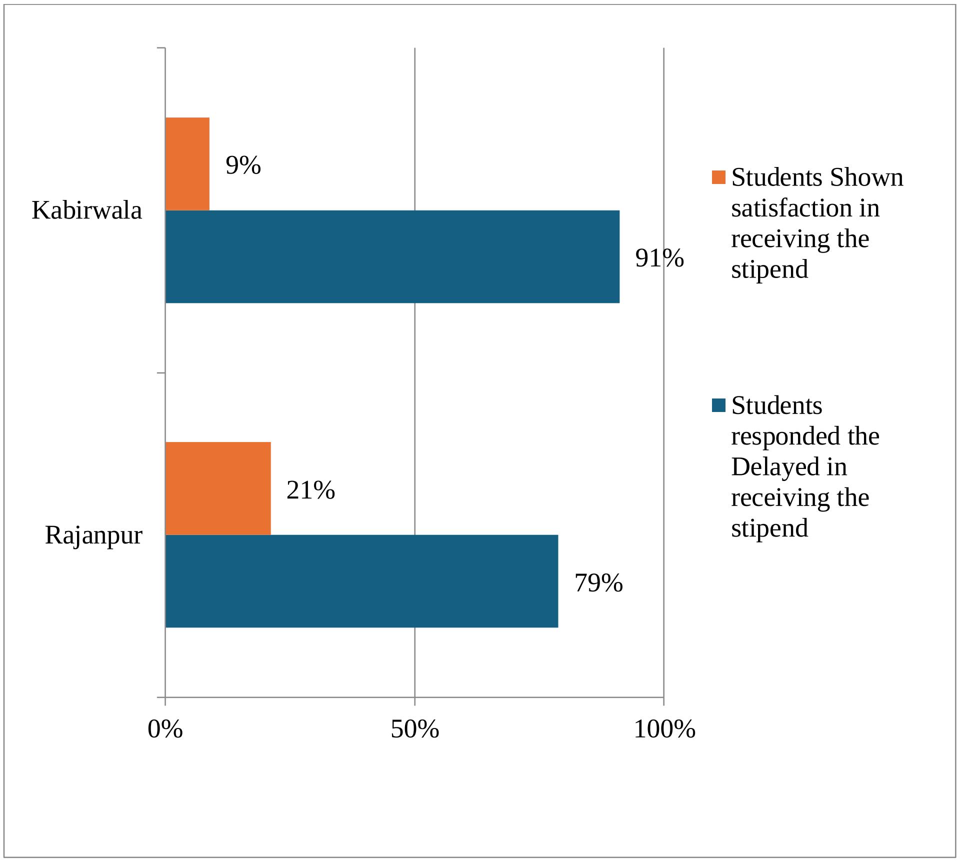
The low impact of the ZTP was observed as many students responded in questionnaires and interviews that they don't get the stipend despite meeting the eligibility criteria. In tehsil Rajanpur, out of 600 sample students' data, 290 (48%) indicated that they have not received the stipend while in tehsil Kabirwala out of the 771 students surveyed, a significant majority of 526 students (68%) of the sample indicated that they were not getting the stipend.

The graphical presentation of the remarks of students is shown below:



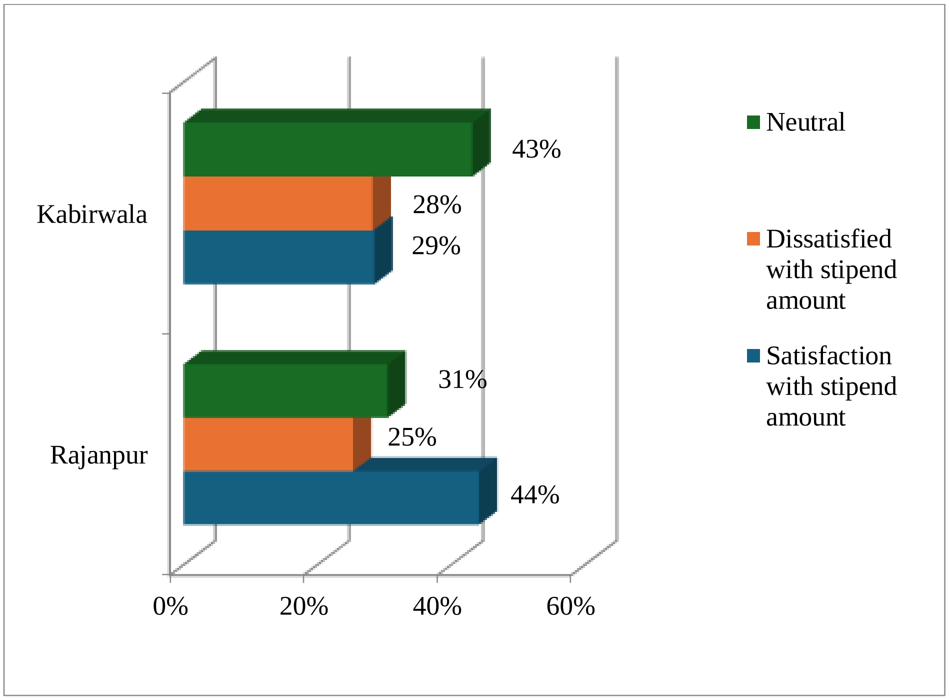
viii. Unlawful charges imposed by the agents

The effectiveness of ZTP is undermined by delayed stipend payments, a lack of transparency in disbursement processes, and additional charges imposed by agents unlawfully for opening of accounts and stipend payments. To assess the feedback on the disbursement of stipend funds, interviews were conducted with female students, and data was collected through questionnaires. In tehsil Rajanpur, out of 600 students surveyed, 473 (79%) indicated that they faced challenges with delayed payments while 127 (21%) students expressed satisfaction. In tehsil Kabirwala, among the 771 students coopted with the Randomized Control Trials, 702(91%) indicated that they experienced delays in receiving the stipend, and only 69 (9%) expressed satisfaction. During interviews in both tehsils, the students also expressed that they have to pay extra charges i.e. Rs. 200 to 500 to the agents at every stage. The CEO and DMO are not employing and monitoring checks on such activities and the issue remained unaddressed. Some of the girls informed that complaints have been lodged against the unlawful practice of agents but no action has been initiated against them. The graphical presentation of the feedback of students is shown below.



ix. Insufficient stipend amount for educational expenses and nutritional needs

The interview with the students reveals that the stipend amount falls short of covering both educational expenses and nutritional needs, undermining the intended impact of the program. During interviews, most of the girls conveyed that the stipend barely addressed their stationery requirements and had minimal impact on fulfilling nutritional needs. In tehsil Rajanpur, out of 600 students surveyed, 265 (44%) remained satisfied, 152 (25%) students conveyed dissatisfaction, and 183 (31%) remained neutral. In tehsil Kabirwala, the survey result indicates mixed sentiments among 771 regarding satisfaction with the stipend amount, 220 (29%) students expressed satisfaction, 218 (28%) students expressed dissatisfaction, and 333(43%) remained neutral. The graphical presentation of the remarks of students is shown below.

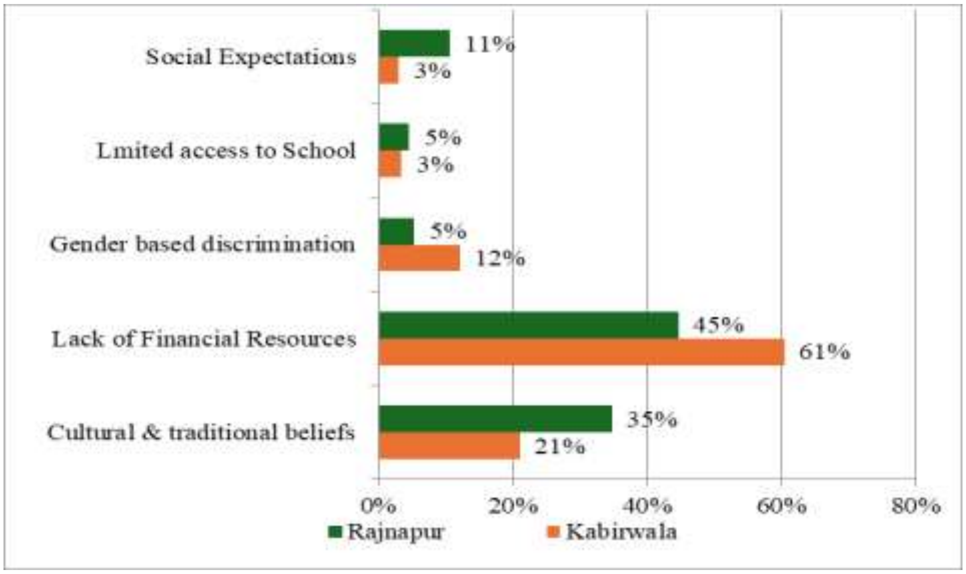


x. Inefficient supervision for the Verification and Stipend Disbursement process by CEOs

The departmental administrator and the CEOs had no effective role in ZTP for the registration process and disbursement of the stipend. The CEOs of both tehsils remained unaware of any issues/problems with the registration of students and disbursement of stipends. During the surveys and interviews conducted with students and parents, they expressed dissatisfaction with the cumbersome process of verification of guardians at the time of payments. The parents had to travel long distances to get the biometric verification done and they faced difficulty as sometimes they had to visit the registration center several times. The current system does not provide any alternative method of verification, consequently delaying the payments. The ineffective role performed by the CEO in the processes of verification and disbursement can have profound repercussions on the overall functionality of the Program.

xi. Social, Cultural, and Financial Barriers to Girls' Education

The social, cultural, and financial barriers to girls' education also contribute to the low impact of this program. A survey employing interviews and questionnaires was conducted among female students to assess the major limitations encountered by female students in accessing education. The graphical presentation of the responses of female students depicts that the foremost hurdle to enrolling in schools is the financial constraints. These girls found jobs as a house help with a reasonable salary.



xii. Non-registration of 12,223 eligible students in the ZTP

According to data obtained from the DMO office, a total of 3,612 eligible female students in tehsil Rajanpur and 8,611 eligible female students in tehsil Kabirwala were not registered in the ZTP program. While the CEO's office did not know this matter, the DMO office had only communicated the lists to concerned schools to get enrolled girls registered in the system, but there was no follow-up from the CEO's office.

xiii. Non-posting of the regular DMO

The ZTP could not be properly supervised/monitored due to the non-posting of regular DMOs in both districts for the last 4 years. This not only hampers the efficiency of the system but also results in the non-performance of the desired role of the DMO office. As the DMO office appears to be the only medium of communication between the beneficiaries and the PMIU administration, its absence creates more problems for beneficiaries.

xiv. Initiation of mass-level program without proper planning.

Government of the Punjab is allocating a substantial amount of funds for the Zewar-e-Taleem program without seeking subscription to the formal regime of Project Appraisal under the framework of the planning manual. PC II, PC I, and PC III submissions and approvals in the manner prescribed have been circumvented. The ZTP lacks the proper feasibility and Monitoring and Evaluation mechanism required for the success of any project whereas this intervention is warranted to be regulated in the Project mode to enable constructive reviews and mid-course corrective actions. Codal formalities have not been fulfilled in true letter and spirit, resulting in making expenditure of billions of rupees as irregular.

xv. Primary-level formal education for girls is completely ignored.

The primary level of formal education for girls is completely ignored in the ZTP, hampering the overall ability of the program to generate results. The girls who have not been enrolled or passed the primary classes remain ineligible to benefit from the program from the very outset thus curtailing the enfranchisement canvass for female students in the age bracket of 5-14.

5. CONCLUSION

The Zewar-e-Taleem Program is a significant initiative of Government of the Punjab to increase the female literacy rate in the backward districts of Punjab province. However, the impact of this program is not optimal because of procedural lapses and considerable delays in each step of the program execution. It is significant to mention here that there are five key stages of this program: Enrollment, Eligibility, Registration, Payment, and Complaint. Audit has concluded that there are certain bottlenecks and delays at every stage of the program resulting in an impact loss. The enrollment statistics indicate that despite the introduction of the stipend program, the impact remains minimal. Lack of coordination among key stakeholders for effective stipend disbursement, insufficient awareness campaigns, non-maintenance of records, and unresolved complaints contributed to the program's ineffectiveness. In addition to the above, deferred payments, lack of monitoring, and cultural and financial barriers added fuel to the fire. To meet the SDGs' 2030 deadline, dropout prevention tactics should have been the main focus of national and international policy. For interventions to be effective, local problem analyses and evaluations of possible solutions must always be conducted at the service delivery point placing reliance on bottom-up strategy for policy formulation and implementation.

6. RECOMMENDATIONS

By analyzing the data/information gathered by conducting focused group discussions, surveys with key stakeholders, and general observations during field visits, the following recommendations have been formulated to increase the effectiveness of the program.

- The main issue in the implementation of this program is the procedural lapses in the system e.g. unaddressed complaints, backlog of registration and delayed payments. Efforts should be made to ensure seamless processing of registration and a timely complaint redress system.
- There should be an active and well-coordinated monitoring mechanism at the district level through the offices of the CEO and DMO. The stakeholders at the district level should be sensitized and made accountable for their defined/assigned roles in the program.
- There should be a yearly agenda for each district specifically for this program including target enrollment, monitoring mechanism, training schedule for head teachers, advertisement plan, and review of previous year's statistics. The progress of each district should be gauged against the well-defined KPIs by strict monitoring of the CEO of each district.
- Proper record maintenance should be emphasized at each level i.e. at the school level, DMO office, and CEO office, as this appears to be the weakest area at the tehsil level. Clear instructions should be issued and regular monitoring and up-dating of the record be ensured.
- There appears to be a huge backlog of complaints, there should be a real-time dashboard on website or a dedicated helpline where the students can track their complaint status easily. The students have more trust in the ombudsman and PM portal for their complaint resolution as they are time-bound mediums for redress. The current system should reciprocate in the same way.
- There should be a receiving form available with every authorized agent that the recipient should sign when they receive the amount. A copy of that form should be submitted to DMO by every agent by the end of each quarter. This can minimize the chance of corruption at agents' level as several students registered complaints about agents charging them extra money for every transaction. In case of a dispute the matter must be investigated at the CEO level and in case of any fraudulent activity, the agent must be blacklisted.
- Head teachers' proper training must be planned for a better understanding of their job in the program and to know the sensitivity of their roles in record keeping and usage of online attendance portal to avoid mistakes in data entry.
- B-form should be the main source of verification of the beneficiary data as the details of a B-form remain the same, unlike the data of parents.

- The issues like death of a parent, dissolution of marriage, change of guardian etc. can be avoided. This will ensure smooth and continuous payment of stipends and will also help in reducing the influx of complaints arising due to these issues. This will also provide a unique verified ID for each girl.
- The amount of stipend needs to be revised in relation to the increasing inflation rate of the country, as most of the beneficiaries showed reservations about the meager amount of stipend.
- Inter-departmental communication must also be improved and data sharing must be ensured for enhanced transparency, as it has been observed that complaints redress is being done by PMIU, and it has no access to the fund's utilization and status of disbursement. PMIU should be given ‘read-only’ access to the status of funds disbursement.
- The real impact of the program can only be ensured if it can be studied in liaison with the enhanced productivity and wages of females in future. It would be useful to understand whether the impact of this program on increasing enrollment is also translated into improvements in learning. It needs to be investigated whether Conditional Cash Transfers (CCTs) and comparable programs also contribute to poverty reduction in the long term.
- A special audit would be undertaken next year on the fund utilization of this program as there seems to be a lack of transparency in the disbursement of stipends and there exists considerable risk of embezzlement in the proper utilization.

THEMATIC AUDIT

THEMATIC AUDIT OF UN-IMPLEMENTED STANDARD MINIMUM RULES (SMR) FOR THE TREATMENT OF PRISONERS

1.1 INTRODUCTION

The purpose of prison goes beyond the incarceration of prisoners and the contemplated protection of the people at large, prompted by public safety concerns. The prisoners are entitled to opportunities that will enable them to address their offending behavior so that, upon release, they can reintegrate into society and live their useful, law-abiding, and purposeful lives for enduring protection against recidivism.[36] The jurisprudence of incarceration has evolved and specialized approaches to incarceration postulate prison laws in four essential dimensions bearing the denomination of retribution[37], deterrence, incapacitation, and reformation thereby, striving for reformation through rehabilitation which is recognized in the contemporary age as a 'right of the offender'.

Article 10(2) of the United Nations International Covenant on Civil and Political Rights, 1966 (ICCPR) espouses the need to rehabilitate prisoners as a fundamental requirement of imprisonment. Rule 26 of the United Nations Standard Minimum Rules for the Administration of Juvenile Justice, 1985, (UNRAJJ), Principle Six of the United Nations Basic Principles for the Treatment of Prisoners, 1990 (UNBP), and Rule 58 of the United Nations Standard Minimum Rules for the Treatment of Prisoners,(UNSMR) envisage that the period of imprisonment is meant to ensure, so far as possible, that the offender eventually is willing and also able to lead a law-abiding and self-supporting life, imbued with self-respect and development of a sense of responsibility.

1.2 BACKGROUND

The level of overcrowding in the prisons of the Punjab province is often much worse in so far as the strength of inmates is concerned. Consequently, the prison conditions are correspondingly much poorer. Overcrowding instances impact also the quality of sanitation, health services, and care for vulnerable groups[38].

Improving poor and vulnerable people's access to justice[39] is also an essential element of ensuring that prisons are not filled with people were the police and criminal justice systems functioning as they should, ensuring conformity with service delivery standards. Out of the current Punjab prison population, approximately, 47,209 are under-trial prisoners. The Reclamation and

39 Fwangchi, Catherine Kyenret, and Gar Yein Ng. "Access to Justice and Legal Aid: A Human Rights Approach." (2010).

Probation Department established under the Probation of Offenders Ordinance of 1960, has been underutilized, and over some time drifted towards dormancy. Delays and obstacles encountered in accessing justice are cross-cutting causes for high levels of imprisonment. Vulnerable groups include women prisoners, prisoners with mental health care needs, drug-dependent prisoners, foreign national prisoners, racial and ethnic minorities, older prisoners, and prisoners with disabilities.

1.3 ESTABLISHING THE AUDIT THEME

1.3.1 Reasons for Selection

Thematic Audits were introduced in Audit year 2021-2022 as a new shift of focus, after having discussed the idea with different stakeholders like PAC, respective Governments, and auditee entities. A need was felt that audit reports of the Auditor-General of Pakistan should comment on the different activities of strategic importance shifting from traditional transaction based reporting to the broader framework of issue-based/thematic audits.

United Nations Sustainable Development Goal (UN SDG) 3 aims to ensure healthy lives and promote well-being for all at all ages. Similarly, Goal 10 intends to reduce inequalities. Target 3.8 envisages health coverage including financial risk protection, access to quality services, essential healthcare services, and access to safe, effective quality, and affordable essential medicines and vaccines for all. Further, target 10.3 emphasizes equal opportunities and ending discrimination.

The SDGs Framework of Pakistan-2018 also contains goals 3 and 10. Therefore, the theme is linked to UN SDGs as well as to the national prioritized goals.

1.3.2 Purpose/Objectives

The audit aimed to address the following objectives:

1. To identify and assess the risks associated with the implementation of a paradigm shift in conforming to Standard Minimum Rules (SMRs)
2. To evaluate the adequacy of controls in place to mitigate these risks
3. To assess the current status of SMR implementation in Punjab's prison system and identify the reasons for non-implementation
4. To evaluate the impact of non-implementation of SMR on prisoners in Punjab, including their living conditions, access to healthcare, and other basic needs.
5. To assess the adequacy of policies, guidelines, and procedures in place to support SMR implementation in Punjab's prison system.
6. To evaluate the effectiveness of Punjab's monitoring and evaluation mechanisms for SMR implementation, including the frequency and scope of inspections and reporting.

7. To assess the capacity and training needs of prison staff to implement SMR in Punjab's prison system effectively.
8. To evaluate the adequacy of resources allocated to support SMR implementation in Punjab's prison system, including staffing, infrastructure, and equipment.
9. To assess the involvement of civil society organizations and other stakeholders in promoting SMR implementation in Punjab's prison system.
10. To formulate recommendations for improving the effectiveness of the revamping of prison reforms intervention and ensuring their implementation.
11. To conduct a gap analysis on the implementation of the principles expressed in the Tokyo Rules, the Convention on the Rights of the Child, the United Nations Rules for the Treatment of Women Prisoners and Non-custodial Measures for Women Offenders (the Bangkok Rules), and the United Nations Standard Minimum Rules for the Administration of Juvenile Justice (the Beijing Rules).
12. This analysis explores whether these principles meaningfully lead to the adoption of sentencing policies tilted towards de-penalization and decriminalization in appropriate cases:
    i. Taking into account the specific circumstances of women who have committed offenses, including mitigating factors and their caring responsibilities, and giving preference to non-custodial measures and sanctions instead of imprisonment.
    ii. Providing a separate framework for the sentencing of children within a juvenile justice system, giving preference to alternatives that assist the development and rehabilitation of children.

1.3.3 Scope

Audit for the period 2022-23 was conducted with a view to undertake:

a) Evaluation of efficacy of efforts on custodial/alternative mechanisms to imprisonment required to be available at pre-trial/pre-sentencing, trial and sentencing, and post-sentencing stage under existing Pakistani law
b) Review overall governance, legal aid, and management systems/processes in prison administration
c) Review individual cases of human rights violations and victimization of inmates and suggest measures for institutional accountability
d) Gauging the effectiveness of non-custodial measures, catering to the rehabilitative needs of the offender reinforced by the additional backup measures and alternative surveillance strategies which must be supplied into the system to fill the gaps of access to justice

e) Commissioning of a foolproof ‘information management system’ devised to keep the records and data of probationers with relevant probation officers and the Reclamation & Probation Department.

2. LEGAL FRAMEWORK GOVERNING THE THEME

The establishment and management of prisons and all other matters relating to prisoners are generally regulated under the following Laws/Rules:

Acts 1894-2006

- The Prisons Act, 1894 (Act IX of 1894)
- The Prisoners' Act, 1900 (Act III of 1900)
- The Punjab Borstal Act, 1926
- Good Conduct Prisoners Probation Release Act, 1926
- Punjab Employees Efficiency, Discipline and Accountability Act, (PEEDA) 2006
- The Juvenile Justice System Act, 2018. Ordinance
- Probation of Offenders Ordinance (XLV of 1960)
- West Pakistan Maintenance of Public Order Ordinance (XXXI of 1960)
- Execution of the Punishment of Whipping Ordinance (IX of 1979)
- The Juvenile Justice System Ordinance (XXII of 2000)
- Mental Health Ordinance 2001

Rules and Regulations 1818-2010

- Regulation III of 1818 (A Regulation for the Confinement of State Prisoners)
- Good Conduct Prisoner's Probation Release Rules, 1927
- West Pakistan Prisons Department Delegation of Power Rules, 1962
- The Pakistan Prisons Rules, 1978
- The Punjab Execution of the Punishment of Whipping Rules, 1979
- Juvenile Justice System Rules, 2001
- Punjab Juvenile Justice System Rules, 2002
- Punjab Prisons Department Service Rules, 2010

3. STAKEHOLDERS AND GOVERNMENTAL ORGANIZATIONS IDENTIFIED AS DIRECTLY/ INDIRECTLY INVOLVED

Stakeholders and Government Organizations directly/indirectly involved are:

- United Nations Organization on Drugs and Crime (UNODC)
- Home Department Government of the Punjab

- Social Welfare Department
- Provincial Prosecution Department
- Provincial Police Office
- Inspectorate General of Prisons Punjab
- Commandant Punjab Prisons Staff Training College (PPSTC), Sahiwal.
- High Security Prison Sahiwal
- Central Jails
    - Bahawalpur, Gujranwala, Multan, Dera Ghazi Khan, Lahore, Sahiwal, Faisalabad, Mianwali, Rawalpindi
- District Jails
    - Faisalabad, Lahore, Mandi Bahaudin, Multan, Rahim Yar Khan, New District Jail Rajanpur.
- Other Jails
    - Women Jail, Multan
- Access to Justice Program.
- Law and Justice Commission of Pakistan.

4. ROLE OF IMPORTANT ORGANIZATIONS

4.1 Punjab Prisons Department

Punjab Prisons Department is a progressive department that aims at ensuring the return of the offender to society as a useful citizen. The Department is functioning under the administrative control of the Home Department. The Inspector General of Prisons (BS-21) is the Head of the Department at the Provincial level, assisted by Ten (10) Deputy Inspectors General of Prisons (BS-20). Punjab Prisons Department administers jurisdiction spanning over eight (8) regions namely Lahore, Rawalpindi, Faisalabad, Sargodha, Multan, Sahiwal, Bahawalpur, and DG. Khan Region. A Deputy Inspector General of Prisons (BS-20) oversees each region.

The objectives of the prison department are:

a) Keeping the inmates in a safe place of confinement to the satisfaction of the court.

b) Maintaining discipline within the prison premises.

c) Meeting basic needs of the inmates.

d) Providing treatment (physical, mental and psychological counseling) to reform and rehabilitate the convicted inmates.

e) Provision of facilities that are needed for a normal person to become productive member of the society.

The department is also responsible to:

- Execute the sentence awarded by the Court.
- Maintenance, Care, Custody and transfer of prisoners.
- Maintenance of orders and discipline amongst the prisoners.
- Control of expenditure relating to prison management.
- Enforcement of the Prison Act, all laws, Rules/Regulations, and orders pertaining to the protection and maintenance of prison/prisoners.
- Imparting useful education/training to the prisoners in various trades/skills and other vocational disciplines for their rehabilitation.
- Organizing recreational programs, welfare measures, and psychological counseling of inmates for their correction and rehabilitation.

4.2 Provincial Directorate of Reclamation and Probation

As an alternative to imprisonment, the release of prisoners on probation and parole is managed by the Provincial Directorate of Reclamation and Probation working as a department attached to the Provincial Home Department in Punjab. The Provincial Directorate is headed by a Director of Reclamation and Probation (R&P) and supported by Deputy Directors and Assistant Directors, probation and parole officers, office superintendents and other administrative and support staff. The overall mandate of the Directorates of Reclamation and Probation includes:

- To 'kill the crime not the criminal';
- To reduce overcrowding in prisons;
- To cut down Government expenditure on prisons; and
- To rehabilitate and re-integrate offenders as law-abiding citizens.

The functioning of the Directorate is governed by the legal instruments of:

- ➢ Probation of Offenders Ordinance (XLV of 1960); and the West Pakistan Probation of Offenders Rules, 1961
- ➢ The Good Conduct Prisoners' Probational Release Act, 1926
- ➢ The Good Conduct Prisoners' Probational Rules, 1927 and 2008
- ➢ Juvenile Justice System Ordinance 2000 and its Rules for Implementation
- ➢ The Juvenile Justice System Act, 2018.

5. ORGANIZATION’S FINANCIALS

The financing details for the year 2022-23relatable to provincial allocations are summarized as under:

Sr.		Budget	Expenditure

No.	Department/ Offices	Pay & Allowances (Rs. in million)	Operating & other Activities (Rs. in million)	Total (Rs. in million)	Pay & Allowances (Rs. in million)	Operating & other Activities| (Rs. in million)	Total (Rs. in million)
1	IG Prisons	8,997.19	6,870.08	15,867.27	8,998.89	6,857.65	15,856.54
2	Director Reclamation & Probation	168.23	38.09	206.32	175.09	37.52	212.61

Source: Appropriation Accounts

6. FIELD AUDIT ACTIVITY

6.1 METHODOLOGY

The audit activity was carried out to assess whether the management of prisons was fully geared up to rebuke human rights abuse and ensure on-ground adherence to the roadmap to ward off overcrowding and, the plight of prisoners due to dilapidated conditions. Interventions rolled out were evaluated whether these were adequately designed for the paradigm shift for Prison Reforms. Sample-based visits to view the present conditions of the jails and problems faced by the prisoners of the Punjab were undertaken. The results are reported in the succeeding paras.

6.2 AUDIT ANALYSIS

6.2.1 Review of Internal Controls

Internal control assessment was designed. The Internal Control assessments carried out are given in annexure-55.

6.2.2 Critical Review

6.2.2.1 Overcrowding, maltreatment of inmates due to congestion and inhuman treatment of Juvenile delinquents

In the "C Class" (the dwelling place for common prisoners), the prisoners' cells and barracks are overpopulated. The hardcore criminals come in close association with juvenile and other low-profile convicts owing to congestion and turn those involved in misdemeanor into felons[40]. The 8th committee on crime prevention and criminal justice came to the conclusion as

40 Khurshid Ahmad. The memories of imprisonment. (Lahore: Manshurat Publications, 2009). Pp 218-219.

early as in 2009 that prison overcrowding had a negative impact on the health and behavior of inmates and reduced the likelihood of their rehabilitation[41].

According to Rule 10 of the Standard Minimum Rules (SMR) for the Treatment of Prisoners, "Prisons shall provide all the accommodation facilities like sleeping place, health care, climate condition, minimum floor space, heating and ventilation and lighting,". However, in many prisons of Punjab, prisoners sleep in shifts or in close quarters with one another without access to basic amenities. The Prison Rule no. 745 of 1978 stipulate that each prisoner should have 18 square meters in a barrack, but to no avail. Human Rights Commission of Pakistan's study has underlined that nobody prioritizes the rehabilitation of prisoners in jails, and the extreme overcrowding has damaged the meager measures that are directed towards the reclamation of prisoners[42].

According to empirical findings of research carried out by Gul, Rais (2018), the said secondary source of data reveals that contrary to international standards, legal requirements, and theoretical goals for rehabilitative prison regimes, jails are typified by a wide range of issues, such as overcrowding, torture, understaffing, and a lack of basic necessities for inmates as well as adequate training for staff[43]. The issues have also been made worse by outmoded prison regulations that arise from the colonial criminal justice system's ineffectiveness and the state's disinterest in jails[44]. Inmates often face delays in trials, and inadequate educational, vocational, and recreational opportunities. Long prison terms with or without conviction, compulsory labor, and fines serve as barriers to their release and reintegration. Moreover, they are at the mercy of hardened criminals, sometimes occasioned at the behest of black sheep even amongst the prison staff accentuated due to non-segregation[45].

The Punjab province's prisons were modeled after European-American institutions, but the way they operated revealed a distinct colonial system of governance. In the Punjab region, convicts were put to work in a range of jobs such as gardening, jail maintenance, paper production, and canal building, in addition to prison authorities and staff. Because the British constructed the system for their own ends, the prisons are now hubs for corruption. A new paradigm is needed for the jail systems[46].

However, Punjabi prisons' theoretical objectives are custody, cure, control, care, correction, and community readjustment, ostensibly demonstrating the presence of the rehabilitative model of jail administration. But in light of the numerous issues that have been

41 Ali, Shujahat, Aamer Raza, and Muhammad Fahim Khan. "PRISONS AS PATHWAYS TO REHABILITATION OR CRIMINALITY? A CASE-STUDY OF THE PRISON'S EFFECT ON LONG-TERM REHABILITATION OUTCOMES ."

45 Vikram Parekh. Prison bound: the denial of juvenile justice in Pakistan. Human Rights Watch, 1999

46 Standing, Guy. The corruption of capitalism: Why rentiers thrive and work does not pay. Biteback Publishing, 2021.

documented, including overcrowding, a shortage of skilled staff, an inadequate criminal justice system, Government indifference toward the prisons, a disrespect for the rights of inmates, and antiquated prison regulations, Pakistan's prisons are essentially run on a punitive basis. Retribution, vengeance, and deterrence continue to be the core goals of incarceration.

6.2.2.2 Vulnerable groups deprived of entitled facilities

Children under the age of 5 in prisons could barely communicate, despite the existence of primary education programs. The situation also revealed several developmental and emotional issues that the children faced. It also highlighted problems in terms of the availability of gender-specific health care and services.

Although the Pakistan Prison Rules entail medical screening at the time of induction, a corresponding rule is yet to be inserted that includes a mandatory assessment of mental health care needs for women. This should cover issues such as post-traumatic stress disorder, the risk of suicide and self-harm, and the existence of drug dependency. With respect to children, the Pakistan Prison Rules specify age limits on the eligibility of the child to remain with his/her mother in jails.

6.2.2.3 Ignoring non-custodial measures as a preferred option for the poorest of the Poor

Despite having ample precedent of the Apex Court's ruling, the lower courts seem reluctant to apply this particularly lenient mechanism. Preference for non-custodial measure is invoked in petty cases only. The reason is that Section 499 of the Criminal Procedure Code (CPC) is quite narrow in its scope and does not authorize the court to place additional conditions with a bail bond. Therefore, in serious cases, the courts remain disinclined to trust merely the personal bond to bail out the person. Instead, the courts impose the other two mechanisms, i.e., the surety and the security.

At certain times, the bail-seeker remains unable to arrange the required amount of security or to arrange the surety due to reasons beyond his control, such as poverty or an arrest made far from his locality (where he could easily request people of his acquaintance to become his surety or to arrange the amount of security). This situation repeatedly prompts the bail-seeker to request the court to revise the sum of security or revisit the decision regarding furnishing sureties. This activity increases the burden of the court and intensifies the frustration of the bail-seeker.

6.2.2.4 Probation not accorded the priority it deserves

According to international standards, when awarding a sentence through employing a non-custodial measure, such as probation, the judge remains obliged to fulfill the needs of justice in compliance with the 'triangular threshold checks' given under Rule 8.1 of the United Nations Standard Minimum Rules for Non-Custodial Measures, (Tokyo Rules 1990 refers). These rules require the authority to consider the rehabilitative requirements of the offender, the protection of society, and the interests of the victim.

However, in Pakistan, probation-based decisions usually discuss the rehabilitation aspect of the offender in weird and irrational terms, while the aspects of 'protection of society' and 'interests of the victim' generally remain silent in the judgments.

The Government has not supported probation for the prisoners through an increase in budgets for its strength. The resource crunch of the Department of Reclamation & Probation (R&PD) is distressing the working potential of its employees. An under-resourced and understaffed department eventually fails to execute even the properly defined judgments.

6.2.2.5 Unregulated paroles and remissions amenable to whimsical decision-making

The executive branch exercises unfettered powers in granting and revoking the parole license. The issuance of release orders through the parole of an under-trial prisoner is equivalent to running a parallel justice system, which is an illegal act[47]. Wretched conditions prevalent in jails add to the suffering, and the miseries of jail inmates when juxtaposed with the 'fundamental right of the dignity of man' and call for a rational treatment of remissions and paroles, being granted during the incarceration of a prisoner.

6.2.2.6 Want of dignified dispensation to be extended to entitled inmates

In Punjab, family quarters are under-provisioned in various prisons, such as the Central Jail Faisalabad, Multan and the Adiala Jail Rawalpindi, defeating the furtherance of a correctional measure to permit the exercise of conjugal relations within the bounds of the prison.

Further, no tangible progress has been witnessed in the professional training of inmates in solar, geothermal, and smart energy management practices, construction technology, carpentry, drywall, masonry, plumbing, industrial painting, electrical construction, heating/ventilation/air conditioning/refrigeration, sheet metal, welding, electronics/network cabling, roofing, auto mechanics, engine service and repair, automotive body repair and refinishing, and small engine repair, office services and related technologies, computer literacy, cosmetology, and machine shop. Each of the programs is also not aligned with industry-recognized certification.

The Constitution of Pakistan 1973 enjoins that the state shall provide "medical relief" in its "Principles of Policy" chapter, but these principles are unenforceable aspirational objectives of the Government. Even the "medical relief" objective is restricted to those citizens who cannot earn their livelihood on account of infirmity, sickness, or unemployment. Prison structures are old, and indoor temperatures are harsh. Health needs of the inmates are not effectively met.

6.2.2.7 Pitfalls of Overcrowding defeating the purpose and intent of remedial interventions

Systems with significant overcrowding pose a particular challenge for reform efforts. Thus, prisons tend to be more populated than the estimated intake capacity because of the levels of

47 Suo Moto Case No. 16 of 2011 (Implementation proceedings of judgment of Supreme Court reported as PLD 2011 SC 997).

overcrowding in the prison system as a whole. Foolproof checks and balances are yet to be put in place e.g.

- Provision of safe drinking water, ensuring health and hygiene of inmates.
- Doing away with discriminatory treatment in extending indoor medical treatment outside prisons, assigning class or category to inmates.
- Recurrence of cases of access to drugs, use of cell phones instrumental in running crime syndicates.
- Prevention of security breaches leading to violence and bloodshed.

Interventions rolled out to achieve Standard Minimum Rules (SMR) for the Treatment of Prisoners in Punjab have been subjected to thematic audit appraisal.

6.2.2.8 Inchoate Sentencing Policies Inconsistent with SMR

The United Nations Rules for the Treatment of Women Prisoners and Non-Custodial Measures for Women Offenders (the Bangkok Rules) and the United Nations Standard Minimum Rules for the Administration of Juvenile Justice (the Beijing Rules) are not able to meaningfully lead to the adoption and development of sentencing policies. The core objectives of de-penalization and decriminalization in appropriate cases are deviated to the extent that:

i. Individualize sentencing, taking into account the background of the offender and circumstances of the offense[48].
ii. Balance the need to penalize the offender and protect the public with the need to facilitate rehabilitation and thus prevent reoffending
iii. Provide a range of sentences in legislation to enable courts to apply flexibility in sentencing
iv. Take into account the specific circumstances of women who have committed offenses, including mitigating factors and their caring responsibilities, and give preference to non-custodial measures and sanctions instead of imprisonment; and
v. Provide a separate framework for the sentencing of children, within a juvenile justice system, to the maximum possible extent, giving preference to alternatives that assist the development and rehabilitation.

6.2.2.9 Rehabilitation of prisoners is receiving insufficient attention

When designing prison infrastructure, careful consideration should be given to the profile of the offenders to be imprisoned. The findings of Pakistan's Senate Functional Committee on Human Rights are that the prisons in Pakistan primarily serve one purpose that is the confinement

48 Tokyo Rules, Rule 1.5. Tokyo Rules, Convention on the Rights of the Child, Article 37 (b); United Nations Rules for the Protection of Juveniles Deprived of their Liberty, Rules 1, 2; Beijing Rules, 13.1, 17.1 (b) and (c) and 19.1. Bangkok Rules, Rules 58 and 61. General Assembly resolution 65/229 of 21 December 2010. General Assembly resolution 40/33, annex. PART II STRATEGIES TO REDUCE OVERCROWDING IN PRISONS

of the alleged offenders till the disposal of their trial or the termination of imprisonment of the convicts for the term of their sentence.

6.2.2.10 Inadequacies of Criminal Justice System for commissioning rehabilitative programs

The United Nations Standard Minimum Rules for Non-Custodial Measures, 1990 (The Tokyo Rules) entail that "the judicial authority, having at its disposal a range of non-custodial measures, should take into consideration in making its decision the rehabilitative needs of the offender, the protection of society and the interests of the victim, who should be consulted whenever appropriate[49]." The few outdated statutes available with reference to non-custodial measures are less-trusted and less-utilized by the courts. Such situation critically deprives the deserving persons from their legal right to get benefit from a noncustodial measure.

6.2.3 Significant Audit Observations

6.2.3.1 Gap Analysis of Nelson Mandela Rules and Pakistan Prison Rules 1978

Item 32 of the Federal Legislative List in Fourth Schedule of the Constitution of Pakistan, 1973 obliges the Federal Government to implement the international treaties and agreements which include international soft law emanating out of resolutions and declarations of the General Assembly of the United Nations.

During thematic audit of the Inspectorate General of Prisons, Punjab, a gap analysis between Pakistan Prison Rules, 1978 and Nelson Mandela Rules, 2015 was carried out (Annexure-56). Some serious gaps in system are summed up below:

i) The legalistic umbrella of the Pakistan Prison Rules 1978 is not aligned to the intent, purpose and the spirit of Mandela Rules i.e. humane treatment of prisoners with dignity has not been braced in extant Rules.

ii) The transgender and inmates with disabilities, prisoners in need of special care do not find their peculiar problems catered for, specific to their special needs within the ambit of Prison Rules 1978.

iii) Overcrowding of prisons remained in need of alleviation

iv) Under-trial prisoners constitute a huge portion of the prison population and by compulsion remain confined in the same circumstances/conditions which are for the convicted prisoners.

Audit holds that systematic drawbacks were occasioned due to non-amendment/revision of colonial era Prison rules.

49 The Tokyo Rules, Rule 8.1.

The paradigm shift for Prison Reform could not be orchestrated due to the non-implementation of Mandela Rules 2015.

The audit pointed out the lapse in August 2023. Management noted the observation and had not furnished any reply.

The matter was further reported to the administrative department. In DAC meetings held on 26.01.2024, the department replied that (1) Punjab Prisons department had adopted policy of zero tolerance against torture and maltreatment of prisoners by the staff or the other prisoners. Construction of new jails has been completed thereby increasing authorized capacity by 16,047 prisoners. Moreover, construction of four (04) new jails i.e. High Security Prison, Mianwali, District Jail, Nankana, Sub Jail, Samundari, and Pindi Bhattian having a cumulative designed capacity of 2268 prisoners, will further reduce the overcrowding.

The Para was discussed in the DAC meeting at length wherein the management reiterated the above stance and in response thereto audit highlighted that the Prison Rule no. 745 of 1978 stipulate that each prisoner should have 18 square meters in a barrack which standard was deviated. More over classes for categorization of prison accommodation was embedded within the framework of the prison Rules No. 225, prescribing Superior Class, Ordinary class, and Political class and as per Rule 242, stipulated a further subdivision into A,B,C Class which eventually added to the unbridled discretion of the Prisons' management whereas Mandela Rules (MR) categorically denied any discrimination to prisoners. MR 2 and 5 stressed upon special treatment for special people either having physical disabilities or mental health issues. As far as prisoners suffering from mental health disorders were concerned, prisons had no sufficient Psychologists retained on their HR strength. MR 4 stressed upon vocational trainings, work opportunity, social, health & sports based opportunities and Rule No. 299 of PPR 1978 envisaged need to provision above opportunities to convicted prisoners but in practice, on ground reality was to the contrary regarding access to entertainment facilities. Vocational training was being afforded in 14 jails and no remission in sentence on completion of courses was being given. Further, facility of a Gym could only be provided in 9 Jails that too without any Gym instructor and other indoor sports facilities. Regarding conjugal rights to be allowed, family rooms in 4 prisons were not adequate to afford the facility and were not being fully utilized due to laborious and lengthy process of approval/verification or any other reason. As far as MR Rule 59 is concerned, Rule No. 159 of PPR provide shifting of prison to his home town 30 days before release instead from 1st day. Mandala Rule 103 express that there shall be a system of equitable remuneration of the works of the prisoners. There shall be a fund to distribute amount among prisoners at the time of release. Mandala Rule 86 to 90 deals with the guiding principal for administrated institution that the main aim of the prison system/sentence should be to ensure gradual return of the prisoner in the Society. This aim needs to be achieved.

The Committee kept the para pending with the direction to the department to move the case of the proposed changes in the legal framework to the administrative department for further submission of draft to the Law Department for perusal and guidance and inclusion of proposed provision of Mandela Rules in PPR Rules.

Audit recommends that existing gaps in colonial-era prison laws be plugged through amendments/revisions of existing laws and revamping of infrastructure, amenable to congestion, overcrowding and dilapidation.

(PDP No. 2023-0000002813_F00006)

6.2.3.2 Non-implementation of Prisoner Management Information System

Rules 6 & 7 of Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules) state that there shall be a standardized prisoner file management system in every place where persons are imprisoned. Such a system may be an electronic database. The following information shall be entered in the prisoner file management system upon admission of every prisoner: (a) Precise information enabling determination of his or her unique identity, respecting his or her self-perceived gender, (b) the reasons for his or her commitment and the responsible authority, in addition to the date, time and place of arrest, (c) the day and hour of his or her admission and release as well as of any transfer; (d) Any visible injuries and complaints about prior ill-treatment, (e) an inventory of his or her personal property, (f) the names of his or her family members, including, where applicable, his or her children, the children's ages, location and custody or guardianship status, (g) emergency contact details and information on the prisoner's next of kin.

During thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that the Pilot Project was started in June, 2017 at District Jail, Lahore, and subsequently in 20 Jails of Punjab but partially implemented as evident from data collected from the selected 4 Jails given in annexure-57. In the 2nd Phase during the year 2021, the PMIS System was to be implemented in 8 Regional Offices and 22 Jails in Punjab with a gestation period of 2021-2024. Audit observed that out of the total approved cost of Rs. 314.025 million, Department had expended only 106.375 million till July 2023, which was 34 % of total approved cost.

Audit is of the view that since pilot project started in 2017, with the lapse of more than 6 years, the project is still in beta phase with many non-functional modules. Furthermore, MIS System was to be integrated with other programs which were also not started. As per Mandela Rules 4, 88, 89, 91-94, 96-108, there should be an active effort by the state to rehabilitate the individual and to reduce rates of recidivism. Over all the state should shift from the authoritarian crime control model to a due process model thus a prison should be viewed as a rehabilitation facility. The whole effort requires data-driven and evidence-based decision making. Non-functional modules, undermined the capacity to generate important data leading to decision making, meant to thwart the rehabilitation efforts. Prison population classification reports were not available with the management as these modules were non-functional in the PMIS. For example, 'Reduction in recidivism' requires data of habitual and casual offenders. This data serves as a feedback mechanism for the department. As PMIS was unable to generate such data, therefore, the cherished goal as envisaged in Mandela Rules, 2015, ‘reduction in recidivism’ seems far away from realization.

Audit is of the view that without a fully integrated and functional version of PMIS, prisons cannot be wholly reformative and rehabilitative in nature.

The audit pointed out the lapse in August 2023. Management noted the observation and had not furnished a reply.

The matter was further reported to the administrative department. In DAC meetings held on 26.01.2024, the department replied that the purpose of digitization of the Prisons Department was to bring transparency, reduce the burden on staff, and the maintenance of criminal database. To implement PMIS, the project was divided into 3 phases. PMIS (Phase-I) was inspected by DG(M&E) and they submitted an evaluation report of the completed project on 7.12.2017 PMIS (Phase-II). This phase was executed by PITB from July 2017 to June 2021 with a cost of Rs.286.074 million. 05 main modules of PMIS were introduced in 20 Jails. Lastly, the executing agency of PMIS scheme was PITB and funds were directly allocated to PITB from Home Department.

Audit highlighted that there was no enabling provision for electronic file management of prisoners. In practice, Punjab Prison Department had initiated a computerization of prisoners data through PMIS System project but still had not fully operationalized as quite a few non-functional modules and non-integration of PMIS System with all the Jails, allied department like Home department, Judiciary, Parole and probation department.

The Committee kept the para pending till the completion of third phase. Further, the Committee directed the department to constitute a Committee to analyze the functionality of all modules of PMIS and submit report to the administrative department on monthly basis.

Audit recommends that in order to significantly improve the governance and management system of the prisons, the entire system should have been digitized.

(PDP No. 2023-0000002813_F00007)

6.2.3.3 Overcrowding, inadequate accommodation and sanitation for prisoners

Rule 12 and 13 of Mandela Rules, 2015 states, “where sleeping accommodation is in individual cells or rooms, each prisoner shall occupy by night a cell or room by himself or herself and shall meet all requirements of health due regard being paid to climate conditions and particularly to cubic content of air, minimum floor space, lighting, heating and ventilation. If for special reasons, such as temporary overcrowding, it becomes necessary for the central prison administration to make an exception to this rule, it is not desirable to have two prisoners in a cell or room Rule 15 & 16 of Mandela Rules, 2015 posit that the sanitary installations shall be adequate to enable every prisoner to comply with the needs of nature when necessary and in a clean and decent manner. Additionally, adequate bathing and shower installations shall be provided so that every prisoner can, and may be required to, have a bath or shower, at a temperature suitable to the climate, as frequently as necessary for general hygiene according to season and geographical region, but at least once a week in a temperate climate.

During the thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that 64,210 prisoners were confined in 43 Punjab Jails against the authorized capacity of 37,217 prisoners. In relation to the admissible strength of the overpopulated prisons, 139% overcrowding was evidenced which was against the above-mentioned provisions of the Mandela Rules. Details of major overcrowded jails are given in annexure-58. Furthermore, during the audit of Central Jail, Lahore, Faisalabad and Multan, it was observed that accommodations for the prisoners do not match with the mandatory requirements for health as very old prisons structures, non-periodical repair, and lack of ventilation were causing prisons to be unfit for habitation. The floor space was too narrow and the lighting, heating and ventilation environment was below the acceptable bench marks. The Islamabad High Court Chief Justice visited the Adiala Jail following a report by the NCHR and termed prisoners' maltreatment a "grave violation of human rights"[50]. The court ordered the setting up of a complaints centre in the jail. The Provincial Intelligence Centre noted malpractice and corruption in Adiala Jail in its report to the chief minister and inspector general of prisons[51]. According to the report, about 700 convicted prisoners were brought to the jail factory for labor daily[52] out of which 200 were exempted from labour through bribes of up to PKR 5,000 each. The report also notes that prisoners are forced to resort to bribery to avail basic facilities such as healthcare[53]. There were also reported cases of prisoners tortured to death in jails in Faisalabad[54] and Bahawalpur[55].

No strategic forecasting and plans were made available by the Prisons Department to cater to the major issue of accommodation and overcrowding. Rule 15 and 16 of Mandela Rules contradict with the on ground provisioning of the infrastructure in the Prisons in Punjab. No data regarding bathing facilities and the number of restrooms were shared with the audit; which shows a lack of planning, thus affecting the reformation and rehabilitation of prisoners adversely. Furthermore, Pakistan Prison Rules, 1978 are silent on one cell for one prisoner. Class A, B and C of prisons exist which further entails heart burning and pinching frustration of prisoners confined to Class C.

54 Faisalabad jail staff booked in prisoner's murder case. (2022, July 20). Dawn. https://www. dawn.com/

55 Under-trial prisoner dies in mysterious circumstances. (2022, January 13). Dawn. https://www. dawn.com/

The audit pointed out the lapse in August 2023. Management noted the observation and had not furnished any reply.

The matter was further reported to the administrative department. In DAC meetings held on 26.01.2024, the department replied that the Punjab jails are facing the problem of overcrowding. To tackle the situation 7 new jails are constructed in Punjab province as Sub jail Pindi Bhatian, HSP Mianwali, Sub Jail Samundar, District Jail Rawalpindi, Women Prison Faisalabad, Women Prison Lahore and Women Prision Rawalpindi. Moreover, construction of various barracks at each jails in Punjab, correction facilities and revamping programme at jails was under process. Audit highlighted that Punjab prisons were still highly overcrowded as 139% than authorized accommodation capacity and old jails required repair and maintenance.

The Committee kept the paras pending till the stated projects are completed and the prisoners are adjusted with further direction to ensure repair and maintenance of existing and old prisons.

Audit recommends the department to make efforts for early completion of new construction work besides up-gradation of existing facilities in accordance with Standard Minimum Rules, 2015.

(PDP No. 2023-0000002813_F00008 & PDP No. 2023-0000002813_F00001)

6.2.3.4 Non-pursuance of Probation for prisoners under trial for minor offenses

Section 5 of the Probation of Offenders Ordinance, 1960, confers the power on the court to issue a probation order in certain cases.

During the thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that 64,210 prisoners were detained in 43 jails across the province. Out of these, 47,209 were under trial prisoners. The data shows 17,119 prisoners are under trial for minor offenses such as civil prisoners, and those implicated on charges of theft, violence, bogus cheques, etc.

Audit is of the view that those prisoners entitled to be afforded rehabilitative dispensation under the Probation of Offender Ordinance 1960, can be put under probation. Similarly, cost saving of Rs. 4,133,631,617 on annual basis may be achieved besides solving other social issues like depriving a person from getting connected with his family etc. (Annexure-59 & 60). Major issue of overcrowding can be addressed, if this important tier of criminal justice system performs to its full potential.

The probation system of Punjab has a crucial function to play in the contemporary juvenile justice system and reformation of juvenile prisoners. Currently, out of 41,107 probationers under the Punjab Probation and Parole Service's supervision 106 are juveniles, not being effectively managed. Audit has made a comparison of Punjab’s Probationers system vs that of Japan & China in terms of SWOT analysis and Challenges faced by the probationers in Punjab which is given in annexure-59.

Want of affording of probation to those convicted of minor offenses is contributory to the overcrowding of prisons across Punjab.

The audit pointed out the lapse in August 2023. Management noted the observation and did not furnish any reply.

The matter was further reported to the administrative department. In DAC meetings held on 26.01.2024, the department replied that according to Section 5 of the probation of offenders ordinance 1960, “it was the discretion of court to make probation order. Probation Officer cannot interfere in the courts matter”. Probation Officer perform following duties as per direction of court:

a) Prepare pre sentenced report before the offender
b) Rehabilitation and reformation of offender who placed on probation by the order of court

Moreover, the Prison Department was a permanent member of criminal justice committees in which matters related to releasing of offenders and monthly report for probationers was discussed before the learned District and Session Judge. Audit however adverted to the sentence wise data provided by prison department regarding under trial prisoners, there were many prisoners having completed imprisonment more than the awarded sentence. For example, the sentence under Section 325 PPC can be a term of imprisonment up to one year but audit highlighted that there were 10 prisoners in Punjab’s jails coping with under trial confinement for more than one year. Even 2 inmates had served imprisonment for 3 years. For the offense of theft under Section 411, 379 of PPC, maximum imprisonment can be given up to 3 years but as per data, there were 15 prisoners having exceeded imprisonment more than three years but still these inmates were having the status of the under trial prisoner and there were 55 prisoners who had served more than 2 years imprisonment in Jails.

The Committee kept the para pending with direction to address the matter, reviewing data, evaluating afresh the existing rules and policies in light of the audit observation to present the report along with data before next Criminal Justice Committee (CJS) meeting to resolve the matter.

Audit recommends that a holistic approach with cross-cutting improvisation encompassing organs of CJS is the need of the hour. The Probation Department must develop a multipronged approach to address the perennial issue of overcrowding in prisons.

(PDP No. 2023-0000002813_F00009)

6.2.3.5 Violation of Human Rights

Constitutional safeguards are enshrined under Articles 4, 5, 9, 10, 11, 13 and 14 of Constitution of 1973. UN Standard Minimum Rules, Mandela Rules, 2015 envisage benchmarks of the facilities to be extended to the prisoners.

In a landmark decision in March 2020, the Islamabad High Court enunciated the ruling that holding prisoners "in an overcrowded prison, having lack of sanitation, [is] tantamount to cruel and inhuman treatment for which the state ought to be accountable because it amounts to a breach of its fiduciary duty of care.

During the thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that although Constitution of Pakistan, 1973, under Article 14(1), emphasizes the inviolability of human dignity subject to the law, punishments imposed by jail superintendents, including formal warnings, hard labor, and withholding of food, as well as the use of colonial-era shackles had not been done away with. The maltreatment incidents were of sizeable proportions as is revealed from the extracts of NCHR Report for 2022 reproduced below:

> "Modes of torture include strappado when a man is left hanging by his arms. This can result in dislocation of the shoulders. Another form of torture popular with jail staff is 'jahaaz banana' [make into an aeroplane]. The victim is held in the air by four people, each holding a limb while two others beat him with a 'chhittar' [whip] made out of tire rubber. Another form of torture is 'kawwa banana' [make into a crow], where a person squats, bending forward, with a rod passing through behind the knees. The victim is kept in the posture for hours, hampering his blood circulation. While torture at police stations is meant to force confessions and supposedly facilitate investigation, in jails there are other reasons for it. First of all, there is the failure to prosecute the perpetrators of torture[56]".

Approximately 900 of the 3800 inmates at the Lahore District Jail were still drug users, according to National Commission on Human Rights NCHR investigation of the facility. Approximately 1404 prisoners of Adiala Jail were drug users. Another matter that requires investigation is the manner in which the prohibited substances were obtained.

Acts of disobedience leading to punishment, such as assaulting wardens, damaging prison property, and attempting escape, can not infringe on fundamental rights protected by Constitution. Constitutional safeguards, like those in Articles 9 (right to security of the person), 13 (protection against double punishment), and 14 (inviolability of human dignity), are paramount. The arbitrary imposition of fetters by the Superintendent Jails without providing prisoners the right to defend themselves is a gross violation. To address this, judicial scrutiny by the district and session judge is essential, ensuring prisoners have a fair opportunity to present their defense. Public sector entities, despite criticism from organizations like Amnesty International and Human Rights CBO Watch Dogs, seem unresponsive to improving the dire conditions within Security/Bund wards.

56 State of Human Rights Report NCHR, 2022

Many inmates endure confinement with bar fetters, isolation in death row cells, challenging the credibility of the Government's commitment to the Mandela Rules 2015 and the Standard Minimum Rules for the Treatment of Prisoners. The stark contrast between current conditions and international standards underscores the need for immediate attention and corrective measures. Case-in-points.

a. Sarbajeet Singh’s Murder
b. Academician died during treatment while handcuffed
c. Multan Jail shoot out.
d. Murdering of judicial officers held hostage in Sialkot Prison premise.
e. Cases of Imdad and Kanizaan Bibi

Non-implementation of Human Rights Protection clauses as mentioned in criteria are causing abuses of Human Rights.

The audit pointed out the lapse in August, 2023. Management noted the observation and had not furnished the reply.

The matter was further reported to the administrative department. In DAC meetings held on 26.01.2024, the department replied that the Human Rights was the basic preference of the Punjab Prisons Department and no prisoner within the jails was treated inhumanly and prisoner enjoyed legal rights. Moreover, the rights of health, education & reforms of the prisoners were being ensured without any laxity. In case of any misuse or manhandling of any individual, strict departmental action was being taken against him under the Rules. As regards, instances reported in the observations by the audit, these are two old. Audit however emphasised that the instances of violence in the prison precincts warranted strict cognizance under the penal code and criminal prosecution of offences against the culprits.

The Committee kept the para pending for framing policy for stoppage of recurrence of such instances in the future as well as ensuring rolling out of the implementation plan.

Audit recommends that:

a. Indictment and investigation finalization lag be remedied
b. The intervening period between judicial remand and prosecution needs to be minimized
c. Recidivism for hardened criminals may be trailed
d. Want of reintegration through parole and probation merits re-engineering of process flows.
e. Regulating arbitrary punishments by jail superintendents need to be prioritized.

(PDP No. 2023-0000002813_F00010)

6.2.3.6 Higher intake of probationers for supervision against meager strength of Probationer Officers.

As per Rule 10 (b) of probation of offenders Rules 1961, in the first two months of probation of every probationer under his charge, meet the probationer at least once in a fortnight and thereafter, subject to the provisions of the probation order and any general or special orders of the officer-in-charge, keep in close touches with the probationer, meet him frequently, make inquiries into his conduct, mode of life and environment, and wherever practicable, visit his home from time to time.

During thematic audit of the Inspectorate General of Prisons, Punjab, a review of the data collected from the Directorate of Parole & Probation Department revealed that there were 41,107 prisoners on probation period during the year 2022-23 while the working strength of probationer's officer was 84. On average, one probation officer has to deal with 489 probationers which is an uphill task.

Overburdened staff resulted in less supervision of probationers.

The audit pointed out the lapse in August 2023. Management noted the observation and did not furnish a reply.

The matter was further reported to the dministrative department. In DAC meetings held on 26.01.2024, the department replied that the purpose of the Punjab Probation and Parole Service (PP&PS) was to rehabilitate offenders economically and reintegrate them in society and to make offenders good citizen. To achieve this aim, PP&PS is collaborating with other departments i.e. Punjab Emergency Rescue service 1122, Population welfare Department and city traffic police for providing life skills, first aid, and importance of family planning and traffic rules. Moreover, trainings are arranged for the offenders to make them good citizens. More than, 50 probationers attend the session arranged on District level for skill enhancement and training Further, revamping of the department is under process. Audit highlighted the anomaly of intangible effect of measures undertaken which turned out to be far from adequate.

The Committee kept the Para pending with the direction to the formation to introduce new initiatives to address the issues highlighted.

Audit recommends early filling of post to strengthen the parole and probation system.

(PDP No. 2023-0000002813_F00011)

6.2.3.7 Non computerization of probationer's data.

As per Rule 6 & 7 of Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules), there shall be a standardized prisoner file management system in every place where persons are imprisoned. Such a system may be an electronic database.

During the thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that there were 41,107 probationers under probation for the period 2022-2023 having been placed under the supervision of parole & probation department but probationer's data was not got computerized which resulted into non detection of repeat offenders. Audit is of the view that as per above mentioned rule, there should have been computerized data of probationers to identify the repeat offender.

Weak internal control resulted in non-computerization of probationer data.

The audit pointed out the lapse in August, 2023. Management noted the observation and had not furnished the reply.

The matter was further reported to the administrative department. In DAC meetings held on 26.01.2024, the department replied that Nelson Mandela rules deal with confined prisoner while offenders' released on probation was to be afforded community correction. Moreover, an ADP project "offender management information system" was under process with collaboration with Punjab Information Technology Board. Within few months, probationer's data will be computerized and will be available for any kind of analysis.

The Committee kept the para pending until completion of all entry record in PMIS' software. The Committee directed to expedite the matter and submit updated report during next SDAC meeting.

Audit recommends for early automation and system assurance of the data of probationers for a meaningful analysis of data.

(PDP No. 2023-0000002813_F00012)

6.2.3.8 Work overload for the staff of the Prison Department owing to vacant posts

As per Rule 74 of SMR, the prison administration shall constantly seek to awaken and maintain in the minds both of the personnel and of the public the conviction that this work is a social service of great importance, and to this end all appropriate means of informing the public should be used.

During thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that the state of occupancy of staff vacancy in Punjab prisons was poor across all the different cadres, executive staff, guarding staff and medical personnel etc. Out of total sanctioned strength of 21,775 number of officer/officials in all jails including administration offices of Punjab, 14182 number of posts were filled that was 65 % of total sanctioned strength. The details are as under:

a) Administrative Posts

Audit observed that against the sanctioned strength of 1528 Head Warders (m), only 1272 Head Warders (m) were working while on the post of Chief Warders (m), against sanctioned post of 160, only 106 number of Chief Warders were posted. Audit further observed that, in case of Female Head Warders, against sanctioned post of 196 posts, only 37 posts were filled while in case of Chief Warders female posts, against sanctioned post of 87. only 2 posts were filled.

b) Medical related posts

Audit observed that in Medical Side, against 62 sanctioned post of Medical Officer (M), 46 were working while in case of Medical Officer (F), against the sanctioned posts of 24, only 16 number of posts were filled. In case of 44 no of Psychologist post, only 16 numbers were filled while in case of junior Psychologist, against sanctioned posts of 43, only 11 post were filled. Against the very important post of Dentist Doctors, only 1 post of Dental Technician was working against sanctioned post of 41 nos. In Labs, against 42 number sanctioned posts of Lab Technicians, no one was working.

The audit pointed out the lapse in August 2023. Management noted the observation and had not furnished a reply.

The matter was further reported to the administrative department.In DAC meetings held on 26.01.2024, the department replied that specific policies had been approved by the Punjab Government to ensure provision of professional staff and officers for treatment of prisoners. Audit adverted to the fact that still many importatnt posts were vacant. The committee kept the para pending for more rationalization of staff according to the current strength of prisoners.

Audit recommends that management of the prison department should keep sufficient strength of the staff to ease the burn out syndrome.

(PDP No. 2023-0000002813_F00013)

6.2.3.9 Least Vocational, recreational and entertainment facilities

As per Rule 23 of SMR, every prisoner who is not employed in outdoor work shall have at least one hour of suitable exercise in the open air daily if the weather permits and young prisoner, and other suitable age and physic shall receive physical and recreational training during the period of exercise. As per Rule 4 (2) of Mandela Rules, the Prison administrations and other competent authorities should offer education, vocational training and work, as well as other forms of assistance that are appropriate and available, including those of a remedial, moral, spiritual, social and health- and sports-based nature.

During the thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that in Punjab Prisons, vocational, recreational, cultural and entertainment facilities were being provided to prisoners. Only one project, open Air Gym was initiated by Punjab Sports Board in 9 jails against 43 jails of Punjab. No other sports programs/indoor or outdoor sport facility like table tennis, badminton, volleyball etc. was available to the prisoners. Further, vocational activities/trainings with the collaboration of TEVTA are being provided to prisoners in 14 Jails of the Punjab Province out of 43 Jails. Remission was also accorded to the passed prisoners for 01 month and 15 days respectively for passing 3 and 6-months courses but these remissions were not implemented so for. Audit further observed that very old designed courses were on offer like home appliances, motor winding, industrial stitching, motorcycle mechanic running course and domestic tailoring were being offered instead of imparting professional training to inmates in solar, geothermal, and smart energy management practices, construction technology, carpentry, drywall, masonry, plumbing, industrial painting, electrical construction, heating/ventilation/air conditioning/refrigeration, sheet metal, welding, electronics/network cabling, roofing, auto mechanics, engine service and repair, automotive body repair and refinishing, and small engine repair, office services and related technologies, computer literacy, cosmetology, and machine shop. Each of the programs is also not aligned with industry-recognized certification.

Weak Internal Controls and non- implementation of MR Rules had badly impacted prisoners mental and physical well-being.

The audit pointed out the lapse in August, 2023. Management noted the observation and did not furnish the reply.

The matter was further reported to the administrative department and DAC meetings was held on 26.01.2024 the department replied that at present, 25 jails of the Punjab province out of 43 jails provided indoor and outdoor sports facilities i.e. volley ball, carom board, basketball, table tennis, badminton, cricket and football to keep the prisoners' mental, physical health intact so that they become good citizen after release. Audit highlighted that the prison department was imparting vocational training only in 14 jails with obsolete courses while the facility of Gym was not extended across the board.

The Committee kept the para pending with the direction to the formation to submit a revised justified reply with supporting evidence during next DAC meeting along with operations of vocational and entertainment facilities in all prisons of the Punjab.

Audit recommends provide indoor sports facilities, entertainment facilities and latest vocational facilities including computer-based Labs etc. to keep the prisoner's mental, physical health in fine fettle.

(PDP No. 2023-0000002813_F00014)

6.2.3.10 Non-payment of equitable remuneration for the work of prisoners

As per Rule 103 (1) of the Mandela Rules, there shall be a system of equitable remuneration of the work of prisoners.

During the thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that the Punjab Prison Department had not developed a system of equitable remuneration for compensating work of prisoners. Audit observed that jail management was collecting 35% of the cost as services from the purchaser of factory articles in Central Jails and sales proceeds was deposited into Government treasury without any system for compensating work remuneration to prisoners.

Weak Internal Controls resulted into violation of provision of Mandela Rules.

The audit pointed out the lapse in August, 2023. Management noted the observation and had not furnished the reply.

The matter was further reported to the administrative department. In DAC meetings held on 26.01.2024, the department replied that remuneration was given to the prisoner on the following schedule:

a) Rs. 7 per prisoner for peco of one dupatta at CJ, F/bad
b) Rs. 120 per prisoner for making of football at District Jail, Sialkot

As far as amendment in Pakistan Prisons Manual for providing set of works and payment of remuneration against services of inmates are concerned, Prisons Manual will be amended accordingly.

The Committee kept the para pending with the direction for the formation to take up the case for seeking advice from Law Department to bring the existing framework in conformity with Nelson Mandela Rules.

Audit recommends formulation of policy for providing work opportunity to prisoners and paying remuneration for the labor performed for maintaining their self-esteem.

(PDP No. 2023-0000002813_F00015)

6.2.3.11 Non utilization of Family Rooms to extend conjugal rights to Prisoners

As per Rule 58 “Contact with the outside world”, of Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules), where conjugal visits are allowed, this right shall be applied without discrimination, and women prisoners shall be able to exercise this right on an equal basis with men. Procedures shall be in place and premises shall be made available to ensure fair and equal access with due regard to safety and dignity.

During the thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that in Central Jail, Faisalabad, and New Central Jail, Multan, 54 Family rooms were constructed by the Jail authority, but the policy/facility to spend time by the prisoner with his family in family rooms was started during 2021 and 2023 respectively and the inmates remained deprived of this facility about 11 years. The audit further observed in CJ Faisalabad, 73 applications of prisoners were pending at the Deputy Commissioner's Office and only 28 prisoners were allowed to exercise their conjugal rights. In Central Jail Multan, 07 prisoners availed the facility, and 18 applications were pending at DC office since 05.06.2023. Furthermore, out of total 54 rooms, only 12 were operational and remaining 42 rooms were left unused. Lengthy procedure for permission was also an obstacle for prisoners as well as their families to avail this facility such as DC office, DHQ/THQ, NADRA and Prison Department verifications.

Audit is of the view that huge expenditure was incurred by the department for construction of 54 rooms in 4 central jails, i.e. Multan, Faisalabad, Rawalpindi and Lahore but the rooms had not been fully utilized to facilitate the prisoners.

The audit pointed out the lapse in August, 2023. Management noted the observation and did not furnish the reply.

The matter was further reported to the administrative department. In In the DAC meetings held on 26.01.2024, the department replied that according to the policy of Government of the Punjab, Home Department was requested for operationalization of 54 family rooms constructed in 4 jails of Punjab i.e. Central Jail, Multan, Faisalabad, Lahore & Rawalpindi. In this connection Home Department, Lahore issued notification vide order No.SO(R&P)8-3/2005 dated 03.03.2021 for operationalization of family rooms in Punjab jails. After fulfilling the requirements family rooms are now functional and prisoners are availing this facility w.e.f. 03.07.2023 according to SOPs issued by Competent Authority. Further, the procedure of approval of applications was being adopted as per rules/ instructions devised by Home Department. Keeping in view, the health issues, security issues and other legal complications, the verification/approval is required from DC, office, DHQ hospital & NADRA. The jail administration was adopting the procedure without any discrimination and in accordance with the instructions of Government of the Punjab. Audit observed that most of the family rooms had been kept non-functional.

The Committee kept the para pending with the direction to formulate rules/SOPs in this regard and devise an efficient digitized process/mechanism to facilitate the prisoners in obtaining permissions more conveniently, besides amending rules to address issues in NADRA verification and simplification of procedures may be put in place with due regard to safety and dignity be ensured besides devising a comprehensive system for receiving application from prisoners to exercise their conjugal right.

Audit recommends for the provision of same facility in other jails of the Punjab and compliance of DAC's directions.

(PDP No. 2023-0000002813_F00016)

6.2.3.12 Non-functional Jail Hospital Ward to commission equipment provided by Punjab Aids Control Program

Rule 27 of the Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules) describes that all prisoners shall ensure prompt access to medical attention in urgent cases. Prisoners who require specialized treatment or surgery shall be transferred to specialized institutions or to civil hospitals. Where a prison service has its own hospital facility, they shall be adequately staffed and equipped to provide prisoners referred to them with appropriate treatment and care.

During the thematic audit of the Inspectorate General of Prisons, Punjab, a review of accounts of Central Jail Kot Lakhpat, Lahore revealed that a ward was constructed by the Health Department. Equipment was provided by the Punjab Aids Program but due to non-recruitment of staff, equipment's like Dialysis machines etc. could not be installed and commissioned. Further, in HSP, Sahiwal medical equipment like ultrasound machines remained dysfunctional since 2021. The lab equipment was completely non-operational due to non-posting of technical staff and ultrasound specialist. Similarly, ENT specialist, orthopedic surgeon and medical specialist paid very few visits, although it was part of the duty roaster. Moreover, the medicines recommended by the medical consultants to patients/prisoners were not provided to the outdoor patients/inmates.

Weak internal controls resulted into blockage of Government funds and depriving of prisoner from heath care facility, they were entitled to.

The audit pointed out the lapse in August, 2023. Management noted the observation and had not furnished the reply.

The matter was further reported to the administrative department and in DAC meetings held on 26.01.2024, and the department replied that Superintendent of central jail, Lahore intimated that there was no technical staff in jail hospital due to which 2 dialysis machines provided by Punjab AIDS Program were not installed and remained non-functional. Furthermore, Superintendent of HSP, Sahiwal informed that all lab equipment's were not completely non-operational as all related field specialist from DHQ hospital, Sahiwal paid regular visits to prisoners according to roaster and used medical equipment for prisoners treatment/ assessment. Moreover, all prescribed medicines by the medical consultants were provided to the prisoners on their availability in stock. Audit emphasised that value for money was yet to be conformed to, in the case of unused dialysis machines,

The Committee kept the para pending for compliance.

Audit recommends strict compliance of the decision of the SDAC decision.

(PDP No. 2023-0000002813_F00017)

6.2.3.13 Non-shifting of addicted prisoners in Specialized Institutions

The Mandela Rule 25 envisages that every prison shall have in place a health care service tasked with evaluating, promoting, protecting and improving the physical and mental health of prisoners, paying particular attention to prisoners with special health care needs or with health issues that hamper their rehabilitation. The health care services shall consist of an interdisciplinary team with sufficient qualified personnel acting in full clinical independence and shall encompass sufficient expertise in psychology and psychiatry.

During the thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that there were 1796 addicted prisoners in the prisons which were not shifted to specialized institutions for rehabilitation.

Audit is of the view that if these prisoners are shifted to rehabilitation centers with the collaboration of the Health and Social Welfare Departments, the Government may achieve twofold benefits, 1st saving of prisoners cost of Rs. 442,959,443 annually and securing rehabilitation of prisoners (Annexure-61).

The audit pointed out the lapse in August, 2023. Management noted the observation and did not furnish any reply.

The formation replied that drug addicts barrack in each jail has been designated as rehabilitation centre where drug addicts are well treated. activities i.e. physical training, special attention towards cleanliness, daily religious education by religious teacher, weekly motivational and counselling session by medical officer jail, strict observance of prayers etc. are been carried out. On the other hand, inmates with mental health issues are transferred to special institutions after referrals are obtained by consultant psychiatrists. At present, 28 Nos. of mentally ill prisoners are admitted to the Punjab Institute of Mental Health Lahore for medical treatment vide letter No.34770/Pc/PIMH dated 18.12.2023 issued by the Medical Superintendent, PIMH. Audit emphasised that screening for psychological and mental illness was warranted.

The Committee kept the para pending for compliance

Audit recommends that addicted prisoners should be shifted in specialized institutions for rehabilitation purpose.

(PDP No. 2023-0000002813_F00018)

6.2.3.14 Long Solitary Confinement in Prison Rules

As per Rule No 43 of the Mandela Rules, in no circumstances may restrictions or disciplinary sanctions amount to torture or other cruel, inhuman or degrading treatment or punishment.

The following practices, in particular, shall be prohibited:

1. Indefinite Solitary Confinement
2. Prolonged Solitary Confinement
3. Placement of a Prisoner in a dark or constantly lit cell
4. Corporal Punishment
5. Collective Punishment

During thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that there was a contradictory rule provision regarding solitary confinement for a long period as defined in PPR No. 638.

Audit is of the view that weak internal control regarding adoption of the Mandela Rules has allowed an anomaly to persist.

The audit pointed out the lapse in August, 2023. Management noted the observation and had not furnished the reply.

The matter was further reported to the administrative department. In DAC meetings held on 26.01.2024, the department replied that the prisoner were not kept in a solitary confinement as a jail punishment. The Superintendent Jail had authority to keep the prisoners separate from the other prisoners who commit any jail offence. It was not a solitary confinement but the prisoners were kept in a block which was called segregation block. However, the prisoners imposed solitary confinement sentence by the court is implemented in its letter & spirit.

The committee kept the para pending with the direction to take up the case for seeking advice/clarification from Law Department. Punjab Prisons Rules 1978 be amended to bring the same in conformity with Nelson Mandela Rules.

Audit recommends for amendment in the Pakistan Prison Rules regarding solitary confinement for long period of time and other restrictions or disciplinary sanctions which was tantamount to torture or other cruel, inhuman or degrading treatment or punishment.

(PDP No. 2023-0000002813_F00002)

6.2.3.15 Non formulation of any pre-release regime of prisoners

Mandala Rules 86 to 90 deal with the guiding principle that the main aim of the prison system/sentence should be to ensure gradual return of the prisoner in the society. This aim may be achieved, depending on the case, be a pre-release regime organized in the same prison or in another appropriate institution and collaboration with social works/non-Government organizations etc.

During thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that there was required to be a model/program framed by the management of the Prison department regarding pre-release regime organized in the same prison or in another appropriate institution and collaboration with social works/non-Government organizations etc. No scheme with the probation department was started to release the prisoner of long sentence on probation who had completed a maximum period of imprisonment and were left with one or two year of sentence to serve.

Audit is of the view that dormant response entailed violation of the Mandela Rules.

The audit pointed out the lapse in August, 2023. Management noted the observation and had not furnished any reply.

The matter was further reported to the administrative department. In DAC meetings held on 26.01.2024, the department replied that under the Prisons Rules, the Superintendent Jail fixed the final date of release of convicted prisoner three months prior to release which was communicated to the prisoner and his relatives. However, the Punjab Prisons Department has drafted MOU with the Social Welfare Department to establish a pre-release unit at each jail of Punjab.

Social welfare officer shall explore all opportunities for the re-integration of prisoners into society especially drug addicts in line with Rule 18-A of Pakistan Prisons Rules, 1978, On release of prisoners, to ensure continuity of treatment, the medical officer shall, through the Superintendent, to the Medical Superintendent of District Headquarter Hospital and Tertiary care Hospital for treatment. The Superintendent jail shall also share such details with the District Criminal Justice Co-ordination Committee in its monthly meeting.

The Committee kept the para pending and directed the formation to take up the matter regarding framing a policy for formulation a Pre-release regime for prisoners in light of Mandela Rules.

Audit recommends devising a pre-release schemes/model in collaboration with NGOs, Social Work Organization, etc. besides ensuring formulation of policy for evolving a detailed mechanism of re-integration of pre- release regime for prisoners approaching the expiry of prison sentence.

(PDP No. 2023-0000002813_F00003)

6.2.3.16 Miscellaneous internal discrepancies in Jail

Rule 5 of the United Nations Standard Minimum Rules for the Treatment of Prisoners (the Nelson Mandela Rules) stipulate that prison administrations shall make all reasonable accommodation and adjustments to ensure that prisoners with physical, mental or other disabilities have full and effective access to prison life on an equitable basis. As per Rule 74 of SMR the prison administration shall constantly seek to awaken and maintain in the minds both of the personnel and of the public the conviction that this work is a social service of great importance, and to this end all appropriate means of informing the public should be used.

During thematic audit of the Inspectorate General of Prisons, Punjab, it was observed that in Central Jail Faisalabad, 1827 number of authorized accommodation were available whereas, 2676 number of prisoners were confined in the barracks resulted into overcrowding of jails. The jammers were not restricting mobile movement in jails as 35 mobile jammers installed in Central Jail, Faisalabad to control the calls from jail to outside. The management of the jail had taken into custody 150 mobiles from prisoners showing use of mobiles by prisoners. The jail management was paying huge amount to telecommunication companies to stop that activity but existence of mobiles in jail showed failure of mobile jammer system. Old typical articles like handmade carpets, nawar patti, bed sheets were manufactured instead of installation of automatic machines at the factory for better production and utilization of services of prisoners. A large number of washrooms were repairable in violation of a provision of the Mandala Rules regarding provision of hygienic environment to prisoners

Audit is of the view that the shortcomings were caused due to weak administrative controls.

The matter was reported to the entities in October 2023. The management noted the observations for compliance.

The matter was further reported to the administrative department. In DAC meeting held on 18.12.2023, the para was kept pending for probe at IG Prison's level and devising remedies for shortcomings.

Audit recommends that matter be looked into, and effective steps may be taken for ensuring:

- Proper maintenance of Mobile Jammers;
- Repair of washrooms
- Early functionality of under construction barracks be ensured.

(PDP No. 2023-0000003200_F00003)

7. RECOMMENDATIONS

The following recommendations are proposed:

i. A review of the Prison Rules and other relevant laws with the object of fulfilling the commitments enjoined by Constitution, international treaties and conventions is required.

ii. Electronic file Management System was to be commissioned to address prisoners complaints, profiling, periodic prisoner assessment, information related to behavior, any disciplinary sanctions, reported injuries, and periodic health reports of a prisoner.

iii. PMIS System in all the Jails of the Punjab be integrated besides sharing of prisoners data with other allied departments like Home Department, NADRA and Parole & Probation Department etc.

iv. Comprehensive Capacity Building Plan of Probation Services need to be devised besides trace and track system through ICT interventions, also ensuring digitization of Probationer data and integration of that data with the Home Department, Admin & Justice Department.

v. Government should address the grave issue of overcrowding in prisons and develop a plan of action to resolve the problem by adopting other alternative methods instead of imprisonment complemented by conferment of legislative cover needed to criminalize torture, followed by Setting up of specialized Prison Tribunals and operationalization of the Juvenile Justice Act 2018 and empowerment of District Legal Aid Committees also enhancing the number of E-Courts.

vi. Focus on speedy disposal of court cases is required as large numbers of prisoners are either under trial or their appeals pending in courts for a period of more than one year.

vii. Establishing a merit based pool of experienced legal practitioners is warranted for extending free legal aid to prisoners who cannot afford private legal representation.

viii. Prison facilities should be brought in line with international standards especially with regard to honoring the right to health.

ix. Indictment and investigation finalization lag be remedied. Furthermore, intervening period between judicial remand and prosecution needs to be minimized.

x. Steps are required to be taken in order to regulate arbitrary punishments by jail superintendents.

xi. Reintegration process of Probationers may be ensured by engagement of NGOs and Skill Development institutions in collaborations with Small & Medium Enterprises (SMEs) and reputed training service providers.

xii. Rehabilitation and skilling of prisoners may be ensured by offering wage earnings, gratuity schemes and incentives.

xiii. Indoor sports, entertainment and latest vocational facilities including computer-based Labs etc. be commissioned to keep the prisoner's mental, physical health intact.

xiv. Conjugal rights of Prisoners be extended without discrimination. Simplified procedures may be put in place and equal access with due regard to safety and dignity be ensured. Audit further recommends ensuring these facilities in all prisons of the Punjab.

xv. Addicted prisoners detained on charges of possessing drugs should be shifted to dedicated and specialized institutions for rehabilitation purpose.

xvi. Pre-Release Regime with the collaboration of Social Welfare Department be rolled out.

8. CONCLUSION

The Punjab province's prison system operates under the lingering legacy of archaic colonial legislation. The Good Conduct Prisoners Probation Release Act of 1926, the Prisoner Act of 1894, the Punjab Borstal Act of 1926, and the Pakistan Prison Rules of 1978 are incompatible with the SMR 2015, and hardly serve rehabilitative purposes. The Mandela Rules on Treatment of Prisoners are to be used as the standards and benchmarks for a gap analysis of the Prison Rules, which showed that the SMR 1985 placed a greater emphasis on human dignity than did the Prison Rules 1978. Furthermore, Punjab lacks adequately functional prisoner management information systems for managing prisons and their inmate population. In addition, prisoners are yet to be afforded periodic screening for mental and physical health problems. Furthermore, the Prison Rules are insufficient to address the problem of overcrowding or the rights of inmates, particularly those with disabilities, as these issues are being addressed globally.

AUDIT REPORT

ON

THE ACCOUNTS OF

REVENUE RECEIPTS

GOVERNMENT OF THE PUNJAB

AUDIT YEAR 2023-24

REVENUE RECEIPTS GOVERNMENT OF THE PUNJAB

1.4 AUDIT PARAS

Irregularities

1.4.1 Less realization and non-verifiable challans relating to withholding taxes on transfer of immovable property -Rs. 4,612.232 million

As per Section 236-K of the Income Tax Ordinance, 2001, as amended through Finance Act, 2022, withholding tax was levied @ 2% from filer and 7% from non-filer in the case of purchaser of the property at the time of registering or attesting transfer of immovable property.

Further, as per Section 236-C of the Income Tax Ordinance, 2001 as amended through Finance Act, 2022, withholding tax was levied @ 2% from filer and 4% from non-filer in the case of seller of the property at the time of registering or attesting transfer of immovable property.

During the examination of record of the Board of Revenue, it was noticed that in 30 Revenue officers, there were instances of under reporting of withholding tax amounting to Rs. 4,641,516,750 involving non deposit, misapplication of prescribed rates by treating non-filers as filer in 13,890 cases and acceptance of challans without verification of genuineness in 1,138 cases related to purchasers and sellers of transfer of property up till Financial Year 2022-23.

Lack of internal and administrative controls resulted in less realization of government revenue amounting to Rs. 4,641,516,750 **(Annex. 2).**

The matter was reported to the respective formations as well as to the Principal Accounting Officer from the months of May to December, 2023 but no reply was received.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 4,612,231,598 after verification of Rs. 29,285,152 and directed the department to recover the balance amount at the earliest after probing the matter for non-verifiable challans.

Audit recommends recovery of the Government dues without further delay.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 1.4.3 and 1.4.4 having financial impact of Rs. 229.075 million. Recurrence of same irregularity is a matter of serious concern.

1.4.2 Non-realization of penalty on purchase of property through non-banking channel -Rs. 3,759.413 million

The Finance Act, 2019 amending Section 75 of the Income Tax Ordinance, 2001 with insertion of sub-section "A" states that "any person who purchases immovable property having fair market value greater than rupees five million through cash or bearer cheque shall pay a penalty of five percent of the value of property determined by the Federal Board of Revenue under sub-section (4) of Section 68 of Income Tax Ordinance, 2001 or by the provincial authority for the purposes of stamp duty, whichever is higher".

During the examination of record of the Revenue Department, it was noticed that 30 attesting and registering authorities had not charged the penalty amounting to Rs. 3,759,697,766 **(Annex. 3)** in 5,375 cases where payment was made through non-banking channels for the properties valued more than five million.

The violation of the above rule resulted in non-realization of the penalty enforceable.

The matter was reported to the respective formations as well as to the Principal Accounting Officer from the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 3,759,412,516 after verification of Rs. 285,250 and directed the department to recover the remaining amount at the earliest.

The Audit recommends recovering the penalty at the earliest besides strengthening weak internal controls.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 1.4.1 having financial impact of Rs. 1,567.566 million. Recurrence of same irregularity is a matter of serious concern.

1.4.3 Non retrieval of state land measuring 4742 acres and non-collection of rent from commercial entities -Rs. 2,892.189 million

According to Section 28 of the Colonization of Government Lands (Punjab) Act, 1912 all sums due to government in respect of a tenancy granted in pursuance of the Government Tenants (Punjab) Act, 1893, or under the provisions of this Act or of the rules and conditions issued thereunder, and all sums due on account of fines, confiscations, costs and penalties, shall be recoverable as if they were arrears of land revenue.

During examination of record of the Senior Member Board of Revenue Lahore for the year 2022-23, it was observed that the lease agreement of state land measuring 4,742 acres with 41 entities has been expired, but the department had neither made any effort to retrieve land nor made recovery of rent along with imposition of tawan on illegal occupation.

As per available data, lease rent of Rs. 2,892,189,710 for 4 entities were pending. Whereas, lease rent of other entities were neither assessed nor recovered.

The lapse occurred due to ineffective financial controls, which resulted in the non-retrieval of state land after expiry of lease agreements and the non-collection of rent from commercial entities amounting to Rs. 2,892,189,710.

The matter was reported to the management in November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

The audit recommends to take possession of state land and make recovery of lease rent along with penalty.

[AMIS Para ID 2023-0000002826_F00035]

1.4.4 Non-realization of condonation fee -Rs. 2,517.171 million

Section 30 of the Colonization of Government Lands (Punjab) Act, 1912 provides instruction regarding statement of conditions to be incorporated in the sale/conveyance deed. Condonation/conversion/ royalty fee is charged against the use of state land allotted for agriculture purpose subsequently converted into residential /commercial /industrial purpose, or land allotted for residential purpose converted into commercial /industrial purposes.

During examination of record of the Senior Member Board of Revenue, Lahore for the year 2022-23, it was observed that the department had not recovered the condonation fee for conversion of land into commercial/residential land amounting to Rs. 2,517,171,000.

It was further added that the department had not conducted complete survey for the assessment of condonation fees in Punjab for conversion of allotted state land into residential and commercial.

The lapse occurred due to weak internal and administrative controls, which resulted in the non-realization of condonation fee amounting to Rs. 2,517,171,000.

The matter was reported to the management in November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for recovery of fee within 15 days.

The audit recommends recovering the amount in question and assessing the condonation fee involved in all cases through the District Price Assessment Committee.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2020-21 vide para number 2.4.7 having financial impact of Rs. 1,862.049 million. Recurrence of same irregularity is a matter of serious concern.

[Para ID 2023-0000002826_F00002]

1.4.5 Non-collection of Government share from the income of PCB, LCBDDA and non-retrieval of allotted land -Rs. 1,898.825 million

As per Clause (IV) of the lease deed, Pakistan Cricket Board was required to pay 20% share of income derived from commercial use of leasehold land after two years from date of execution of lease agreement.

As per Notification No. 1320-2021/2142-CS-I dated 30-08-2021 in exercise of the powers conferred under Section 10 of the Colonization of Government Lands (Punjab) Act, 1912, Governor of the Punjab is pleased to transfer State/Nazul land measuring 70 acres situated at Walton Airport/Flying Club in favor of Lahore Central Business District Development Authority (LCBDDA) on specific terms and conditions. Profit share of Government of the Punjab shall be 57.4% or higher as per utilization of state land of the net profits of LCBDDA.

During examination of record of the Senior Member Board of Revenue, Lahore and Additional Deputy Commissioner (Revenue), Lahore for the year 2022-23, it was observed that total state land measuring 1,174 kanals has been allocated to Nishtar Park Sports Complex for sports activities but in violation of statement of condition the land was not used for the sport activities. The said state land remained under the unauthorized occupation of departments, nurseries and theaters under control of Punjab Institute of Language, Art & Cultures (PILAC).

It was further observed that 304.83 acres of provincial government land fall under LCBDDA and the authority auctioned two plots for Rs. 56.48 billion. As per the terms and conditions mentioned above, an estimated profit or income of Rs. 1,545,000,000 was to be shared with the Government of the Punjab and to be deposited in the treasury.

The lapse occurred due to ineffective financial controls which resulted in non-recovery of government share amounting to Rs. 1,898,825,000 from the income of PCB and LCBDDA.

The matter was reported to the management in month of November, 2023. In response to the audit observation, the management had not offered reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends to recover the government share of income derived from entities along with retrieval of state land.

[Para ID 2023-0000002826_F00037 & 2023-0000004709_F00003]

1.4.6 Less recovery of stamp duty on transfer of immovable property -Rs. 1,759.179 million

Sub-section (2) of Section 27-A of the Stamp Act, 1899 states that "where an instrument mentioned in sub-section (1) relates to an immovable property consisting of land and structure including a multi-story building, such instrument shall state the value of the land and structure separately, and stamp duty on the structure shall be calculated as per the covered area or the area of the structure mentioned in the instrument whichever is higher, and in case there is no approved building plan, two percent duty of the value of land in addition to payable duty shall be charged prescribed in amended Punjab Finance Act, 2021.

Further, Section 27-A of the Act ibid, states that stamp duty, leviable on conveyance, exchange and gift deeds are required to be calculated according to the valuation table notified by the district collector concerned at the rate of one percent as prescribed in Punjab Finance Act, 2020.

During examination of record of 53 Revenue officers, it was observed that the registering authority either charged stamp duty at lower rate than applicable at the time of registering deeds or had not charged the same at all in 9,007 cases amounting to Rs. 1,765,665,543 **(Annex. 4).**

Audit is of the view that lack of internal and administrative controls resulted in non-recovery of stamp duty.

The matter was reported to the management from the months of June to December, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 1,759,178,784 after verification of Rs. 6,239,983 and directed the department to recover the balance amount at the earliest.

Audit recommends that matter be probed for fixing the responsibility for registering the documents without payment of duties and inaction for invoking relevant provisions of law besides recovering the amount due.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 1.4.2 having financial impact of Rs. 179.843 million. Recurrence of same irregularity is a matter of serious concern.

1.4.7 Non-recovery of lease rent of state land -Rs. 1,266.36 million

According to para 15 of Notification/Memorandum issued by the BOR, Punjab vide Notification No. 2106-2019/753-CL(I) dated 13.9.2019, the rent of the second and subsequent years shall be paid with 15 % annual increase.

As per BOR's letter No.1773-2012/732-CLI dated 21.06.2012 "the Government has allowed to extend the period of leases up to *Rabi* 2013 and later on, vide letter No. 2411-2013/757-CLI dated 09.09.2013 up to *Rabi* 2015 subject to the payment of annual enhancement @ 15% over the rent paid last time".

During the examination of record of 9 Revenue Officers, it was revealed that outstanding lease rent of state land amounting to Rs. 1,270,103,526 in 586 cases **(Annex. 5)** was not recovered with stipulated enhancement from the allottees.

Audit is of the view that lack of internal and administrative controls resulted in non-recovery of government dues.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in June, 2023. But no reply was offered

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 1,266,359,779 after verification of Rs. 3,743,747 and directed the department to recover the balance amount at the earliest.

Audit recommends to recover the government dues from the concerned besides holding an inquiry for fixing the responsibility against those at fault.

1.4.8 Inaction of department for non-recovery of lease rent from temporary cultivation schemes -Rs. 544 million

According to para 15 of the Notification/Memorandum issued by the BOR, Punjab Lahore, vide No. 224-2010/119-CL-I dated 13.01.2010 subsequent Notification No. 916-2013/931-CL I dated 26.11.2013, the rent of the second and subsequent years shall be paid with 15% annual increase. Whereas, different schemes were introduced by the Board of Revenue for allotment of land under temporary cultivation schemes.

During examination of record of the Senior Member Board of Revenue, Lahore for the year 2022-23, it was observed that the department had not taken action against the pending recovery of lease rent under the temporary cultivation scheme in all over of Punjab.

The lapse occurred due to ineffective financial controls, which resulted in non-recovery of lease rent from temporary cultivation schemes amounting to Rs. 544,000,000.

The matter was reported to the management in the month of November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

The audit recommends that the matter be pursued and recovery be got affected besides strengthening the administrative controls.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2020-21 vide para number 2.4.8 having financial impact of Rs. 1,587.284 million. Recurrence of same irregularity is a matter of serious concern.

[Para ID 2023-0000002826_F00024]

1.4.9 Loss to Government exchequer by issuing fard with wrong valuation -Rs. 342.233 million

As per Section 15 of the Punjab Land Records Authority Act, 2017 "documents included in land records-The Authority shall specify the documents forming part of record of rights which are to be computerized, and such computerization shall be done in such form and manner as may be prescribed.

As per sub-section 4 of Section 25 of the Punjab Land Revenue Act, 1967 "survey number" or "khasra number" means a portion of land of which the area is separately entered under an indicative number in the record-of-rights; The fard for sale is an ownership certificate with the details of the property, the owner, the boundaries and any liens on the property as registered in the Records of Rights."

During examination of records of the Punjab Land Record Authority, Lahore for the year 2022-23, it was observed that the service center official issued fards with wrong valuation of land resulting in wrong calculation of property value causing loss of Rs. 81,396,000 due to undervaluation of properties. Furthermore, in 943 cases value for *khasras* were not mentioned in fards issued for sale of immoveable properties causing loss to government revenue of Rs. 260,837,000.

The lapse occurred due to weak internal and administrative controls, which resulted in a loss of Rs. 342.23 million to the government exchequer.

DAC meeting was not convened till finalization of this report.

Audit recommends to recover amount from concerned person(s) at fault besides taking corrective measures for incorporation of correct valuation of khasra number in fard.

[AMIS Para ID 2023-0000005650_F00003 and 2023-0000005650_F00004]

1.4.10 Evasion of taxes due to internal transfer and non-conducting of audit of private housing schemes -Rs. 292.351 million

Section 63 of the Stamp Act, 1899 states that "transfer of a right or interest relating to an immovable property that is to say:

i) An instrument of transfer of a right or interest relating to an immovable property or an acknowledgement of such transfer, by a development authority, housing authority or a statutory body.

ii) An instrument of transfer of right or interest relating to an immovable property or an acknowledgment of such transfer by a cooperative housing society will be charged at the rate one percent of the value of the property".

During examination of record of the Senior Member Board of Revenue, Lahore for the year 2022-23, it was observed that the internal auditors conducted audit of 19 societies during 2022-23, as per the data provided by the department, pointed out recovery of stamp duty amounting to Rs. 189,229,000. Out of 19 housing societies, 12 housing societies refused to produce records to Inspector of Stamps, but the department had not taken action against non-provision of records. It was further revealed that the BOR had not conducted an audit of 676 housing societies.

Furthermore, examination of record of Sub-Registrar, Fatah Jang for the period 2019-23 revealed that 12 housing societies were transferring the land internally instead of registration of sale deeds in the office of the sub-registrar. The non-implementation of instructions and laws, caused legal complications for the general public relating to ownership of properties in revenue record as well as a loss to the government exchequer of Rs. 107,892,556 as detected by internal auditors of Board of Revenue.

The lapse occurred due to ineffective financial controls which resulted in non-recovery of tax of Rs. 297,121,000.

The matter was reported to the management in the months of May and November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 reduced para to Rs. 292,351,000 after verification of Rs. 4,770,624. The committee directed the department to initiate audit of societies and recover the balance amount at the earliest.

The audit recommends that the amount be recovered and a comprehensive internal audit mechanism related to audit private housing societies is required to be devised by Board of Revenue.

[AMIS Para ID 2023-0000002826_F00019 and 2023-0000004710_F00009]

1.4.11 Non deposit of Government receipts into Consolidated Fund -Rs. 271.56 million

Article 118 of the Constitution of the Islamic Republic of Pakistan states that "all revenues received by the provincial government, all loans raised by that government, and all moneys received by it in repayment of any loan, shall form part of a consolidated fund, to be known as the Provincial Consolidated Fund".

During examination of record of the Senior Member Board of Revenue, Lahore for the year 2022-23, it was observed that the amount of Rs. 271,560,000 was required to be deposited in Consolidated Fund but the same was kept in an unauthorized bank account No.

6510047113900018 with the title as “Member Revenue Board/Chief Settlement Com” at the Bank of the Punjab.

Audit is the view that the amount on account of sale of land should be deposited into the government treasury on Challan 32-A under the receipt head C03721 (sale proceeds and rent of urban evacuee property and mortgage money).

The lapse occurred due to negligence on the part of the management which resulted in non-deposit of government receipts in Consolidated Fund of Rs. 271,560,000.

The matter was reported to the management in the month of November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

The audit recommends probing the matter for fixing responsibility and providing all the details of receipts deposited in commercial bank account up to June, 2023 since the opening of account besides such amounts be deposited in Consolidated Fund.

[AMIS Para ID 2023-0000002826_F00009]

1.4.12 Irrational assessment of commercial purpose state land and non-recovery of price -Rs. 249.493 million

Board of Revenue vide its Notification No. 918-213/933-CL (II) dated 26th November, 2013 prescribed the policy for sale of state land to federal and provincial government department.

More so, according to policy instruction circulated vide Memo No. 5525-75-1/234-CS dated 23-01-1976, where the state land is sold to federal government departments/agencies on current market price, the same is to be assessed by District Price Assessment Committee and approved by Provincial Price Assessment Committee.

During the audit of the accounts of General Assistant Colony Branch/Additional Deputy Commissioner Revenue, Toba Tek Singh, it was observed that 342 kanals and 13 Marla of government land was allotted to small industries, Kamalia. However, sale price of government land for Rs. 128,493,750 was not received as the same is evident from BOR’s letter No. 571-2022 /1694 CS3 dated 20.5.2022.

It was also observed that government land measuring 436 kanals & 11 marla within Prohibited Zone was handed over to NHA for motorway M-4 for which the price of land amounting to Rs. 121,000,000 was not recovered by the management. The said land is being used for commercial purposes, but the assessment of price was not made by applying commercial rates to the land which resulted in less assessment of value of state land.

The audit is of the view that this lapse on the part of the management resulted in an irrational assessment of commercial purpose state land and non-recovery of price amounting to Rs. 249,493,000, which indicates weak administrative and internal controls.

The matter was reported to the respective formation as well as to the Principal Accounting Officer in the month of June, 2023.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

The Audit recommends recovering the price of land from the concerned departments after assessment of land by applying the commercial rates.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 1.4.7 having financial impact of Rs. 6.613 million. Recurrence of same irregularity is a matter of serious concern.

[AMIS Para ID 2023-0000001544_F00004 & F00005]

1.4.13 Less-realization of mutation fee due to under valuation of rural land -Rs. 31.387 million

The Board of Revenue's Notification No. 1587-2010/1597-LR-I, dated 30.6.2010, prescribes 3% mutation fee chargeable at the rates of land notified by district collector on transfer of immovable property through oral mutation.

During examination of record of the Revenue Department, it was noticed that six Revenue Officers, while attesting oral transfer of immovable property, charged the mutation fee less than due amount in 3,091 cases amounting to Rs. 35,425,668. In these cases, actual khasra numbers of rural land were ignored while attesting the mutation. Another deviation was with respect to residential land with area of one kanal erroneously treated as agriculture in violation of instruction issued by Board of Revenue.

Moreover, it was also found that location used for issuance of fard varies with actual description about on ground location of property as available in mutation, verified by attesting authority.

Audit is of the view that lack of internal controls and oversight of DC rates on the part of management resulted in less-realization of mutation fee amounting to Rs. 35,425,668 **(Annex. 6).**

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 31,387,381 after verification of Rs. 4,038,287 and directed the department to recover the balance amount at the earliest.

Audit recommends that the recovery of government dues be made without further delay.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.7 having financial impact of Rs. 6.613 million. Recurrence of same irregularity is a matter of serious concern.

1.4.14 Short-realization of stamp duty due to misclassification of commercial property as agriculture land -Rs. 14.299 million

According to Schedule-I of the Stamp Act, 1899, as amended through the Punjab Finance Act, 2021, stamp duty @ 1% on conveyance, exchange and gift deed in an urban area are required to be calculated according to valuation table notified by the district collector under Section 27-A of the Stamp Act,1899.

During examination of record of the Sub Registrar, Multan (Cantt.) for year 2021-22, it was observed that in two sale deeds, i.e. 9437 and 9438 dated 14.06.22 of Mehran Solvex Industry Private Limited and Mehran Ginning Industries (Private) Limited respectively, commercial/industrial land was shown as agricultural land to avoid stamp duty and other taxes.

Audit is of the view that lack of internal controls resulted in short-realization of stamp duty due to change in the status of commercial property as agricultural land amounting to Rs. 14,299,193.

The matter was reported to the management in the months of June, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of September, 2023 kept the para pending for compliance.

Audit recommends that the matter be pursued and recovery of government dues got affected besides fixing responsibility against officials at fault.

[AMIS Para ID 2023-0000001394_F00006]

1.4.15 Short realization of stamp duty on rural properties due to application of incorrect rate of tax -Rs. 11.659 million

According to Schedule-I of the Stamp Act 1899, as amended through the Punjab Finance Act, 2017, “urban area means an area which is:

(a) a rating area under the Punjab Urban Immovable Property Tax Act, 1958;

(b) the area already declared as an urban area under the Punjab Finance Act, 2010;

(c) any other area which the Board of Revenue may, by notification, declare as an urban area;

(d) an area developed by a development authority, housing authority, statutory body, cooperative housing society or a real estate company or developer".

Stamp duty @ 1% and 3 % is levied for urban and rural properties respectively on conveyance, exchange and gift deed as per value of land in accordance with the valuation table notified by the district collector under Section 27-A of the Stamp Act, 1899.

During examination of record of the Sub Registrar, Rawalpindi Urban I & II for the period up to 2021-22, it was observed that the stamp duty was less recovered while attesting the transfer of immovable properties in 192 cases by treating the rural properties as urban which resulted in short-realization of Stamp duty amounting to Rs. 11,659,209.

Audit is of the view that weak internal and administrative controls resulted in non-recovery of stamp duty.

The matter was reported to the management in the month of May, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends to recover the government dues at the earliest.

[AMIS Para ID 2023-0000001551_F00004]

1.4.16 Non-realization of Ahlay Commission fee -Rs. 1.940 million

As per Board of Revenue, (Stamp Wing)'s Notification No. 3457-2019/2018-ST(I) dated 24-12-2019, an amendment in Article V of table of registration fees of Registration Act, 1908 was given effect, imposing a fee Rs. 5,000 for issuance of commission and for attending at private residence on whose behalf the journey is performed, in addition to the already prescribed fees for registration.

During audit of Revenue Department, it was noticed that three Registering Authorities had not collected due fee of Rs. 2,114,000 in 393 cases on appointment of *Ahlay* Commission up to financial year 2022-23.

Audit is of the view that weak internal and administrative controls resulted in non-realization of *Ahlay* Commission fee.

(Amount in Rs.)

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months from May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 1,940,700 after verification of Rs. 173,300 and directed the department to recover the balance amount at the earliest.

Audit recommends to fix the responsibility for negligence and recover the government dues at the earliest.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 1.4.9 having financial impact of Rs. 6.394 million. Recurrence of same irregularity is a matter of serious concern.

1.4.17 Non-completion of confiscation process for properties on direction of accountability courts

The government made a committee headed by Chairman P & D (Planning & Development) for allocation, management and disposal of confiscated cases and as well as other similar properties received by the Government.

During examination of record of the Senior Member Board of Revenue, Lahore for the year 2022-23, it was observed that 19 properties valuing Rs. 2,225,239,485 were transferred to Government of the Punjab vide Deed No. 3471 dated June 24, 2019 by Sub-Registrar, Nishtar Town Lahore. Whereas, the confiscated properties situated in Mouza Shahzada, Tehsil Model Town and Mouza Ahlo were still under the possession of a housing scheme. Neither entry in revenue record was made available to audit for confiscated property measuring 208 kanals and 10 Marla nor the efforts were made to safeguard and utilize the confiscated properties.

The lapse occurred due to ineffective financial controls, which resulted in non-completion of confiscation process of properties on direction of accountability courts.

The matter was reported to the management in the month of November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December 2023 kept the para pending for compliance.

The audit recommends disposing off confiscated property at the earliest besides efforts be made for safeguard and proper utilization of properties.

[AMIS Para ID 2023-0000002826_F00018]

Value for Money

1.4.18 Non imposition of tawan on illicit cultivators and non-retrieval of land from allottees violating the statement of condition -Rs. 242,844 million.

Section 33 of the Colonization of Government Lands (Punjab) Act, 1912 states that “if any person, without permission of a Revenue Officer of a grade to be specified by the Board of Revenue– erects any building on any such land; or fells or otherwise destroys standing trees on such land; or (d) otherwise encroaches on any such land; or makes an excavation or constructs a water channel on any such land; he shall, on complaint made by order of or under authority from the Collector, be punished on conviction by any Magistrate with a fine not exceeding two hundred thousand rupees or with rigorous imprisonment not exceeding six months or with both”

During audit of various formations under the BOR in Punjab for the period up to 2022-23, it was noticed that state land was not retrieved from illegal occupants. Further, it was also revealed that the department had not retrieved valuable commercial and industrial land in 80 cases measuring 1019 acres of valuing Rs. 242,802,211,000 on violation of statement of condition of allotted state land. The department had not imposed penalties and assesses income derived from land. Whereas, the allottees of land had constructed housing colonies, commercial establishment and sublet the premises for which no prior approval was obtained from the competent authority.

(Amount in Rs.)

Sr.	Name of Formation	PDP #	No of Cases	Amount Pointed Out	Verified	Balance

Moreover, no remission of cost of demolition and removing the unauthorized structures was realized. Furthermore, neither details of encroached land, record for crops, super structures or any other movable or immovable property confiscated from encroached state land were traceable nor record for expenditure in this regard was shown to audit.

Audit is of the view that weak internal and administrative controls resulted in non-imposition of tawan on illicit cultivators and non-retrieval of land from allottees violating the statement of condition amounting to Rs. 242,844,145,750.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of June, 2023.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends to recover the government dues from the concerned and hold a probe to fix responsibility against persons at fault.

1.4.19 *Unauthorized sanction/transfer on account of exchange of Ex-evacuee state land 2858 kanals valuing -Rs. 75,946.24 million*

Notification No. 105 dated 12-07-2023 and No. 1117-2023/619/Sec. (S&R) dated 07-04-2023 issued by Board of Revenue prescribed following policy for transfer/disposal of provincial government Ex-evacuee land as follows:

a) Provincial Government Ex-evacuee land under abandoned path, passages, water courses, ponds and certain available provincial government ex-evacuee land falling with in the private housing schemes may be exchanged with accessible equal piece and value of land in compact block of the private housing schemes.

b) The value of land should be assessed by District Price Assessment Committee (DPAC) and approved by Provincial Price Assessment Committee (PPAC).

c) In case the certain available provincial government Ex-evacuee land exceeds 20 kanals, the approval of exchange of land shall be given by the Board of Revenue, Punjab (Full Board).

During examination of record of the Senior Member Board of Revenue, Lahore for the year 2022-23, it was observed that the department had illegally sanctioned 5,355 kanal regarding the exchange of Ex-evacuee government land with renowned housing scheme. Out of which the department has exchanged 2858 kanal worth Rs. 75,946,246,044 before formation of policy in this regard.

Furthermore, in absence of policy, the department sanctioned the case for exchange of Central Government Ex-evacuee property, which was other than paths and water courses measuring 3040 kanal. An equal piece of land in measurement having equal value is required to be exchanged but the department exchanged 2134 kanals of government land worth Rs. 56,694,792,822 with 468 kanal vide deed No. 24625 and 24624 of 2022 which was unjustified being a violation of policy.

The department unjustly agreed with contention of housing scheme for the exclusion of 468 kanals from sanction by stating that the land was outside the boundary wall of housing scheme, but the department neither took possession of said property nor accounted for in exchange for a compact plot.

The lapse occurred due to ineffective financial controls, which resulted in an unauthorized sanction or transfer on account of the exchange of Ex-evacuee state land valued amounting to Rs. 75,946,246,044.

The matter was reported to the management in the month of May, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends to probe the matter for exchange of land prior to formulation of policy and to fix responsibility on persons at fault besides corrective measures need to be taken for unlawfully exchanged land.

[Para ID 2023-0000002826_F00028]

1.4.20 Receipt syphoned off on account of failures of system assurance and data integration - Rs. 5,754.314 million

According to Para 89 (4) of the General Financial Rules Vol-I, all deposits of revenue receipts are required to be reconciled/verified from the Treasury/District Accounts Office concerned on monthly basis to avoid any leakage or fraud.

During examination of record of the Additional Deputy Commissioner (Revenue), Lahore for the year 2022-23, a variation of Rs. 5,754,314,993 was observed in stamp duty collected amount while making comparison of departmental collection of stamp duty with Bank of Punjab scrolls as appended in table below:

(Amounts in Rs.)

Amount of Stamp duty as per ADCR data	**Amount of stamp duty as per Bank**	**Difference of stamp duty.**
14,888,030,643	9,133,715,650	5,754,314,993

Furthermore, a difference of Rs. 397,042,200 was also observed in month-wise collection between the BOP scroll and Accountant General Punjab SAP data for the year 2022-23. The dependency on an e-stamping system is questionable as the same is without data integration and system assurances.

The lapse occurred due to ineffective financial controls which resulted in a loss of receipts on account of failures of system assurance and data integration amounting to Rs. 5,754,314,993.

The matter was reported to the management in the month of November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of January, 2024 directed the formation to probe the matter at administrative departmental level in the light of audit observation.

The audit recommends to probe the matter for fixing responsibility on the person at fault besides system assurance and data integration mechanism be devised to remove the differences occurred in collection of taxes.

[AMIS Para ID 2023-0000004709_F00011]

1.4.21 Loss due to less transfer of 97 kanal in favor of Government

As per Notification No. 105 of 2023 dated 12-07-2023 No. 1117-2023/619/sec.(S & R) dated 7-04-2023 "in exercise of powers conferred under Section 4 of the Evacuee Property and Displaced Persons Laws (Repeal) Act, 1975 as amended in 2022, following policies for transfer /disposal of provincial government Ex-evacuee land were made:

a) Provincial Government Ex-evacuee land under abandoned path, passages, water courses, ponds and certain available provincial government Ex-evacuee land falling with in the private housing schemes may be exchanged with accessible equal piece and value of land in compact block of the private housing schemes.

b) The value of land should be assessed by DPAC and approved by PPAC

c) In case the certain available provincial government Ex-evacuee land exceeds 20 kanal the approval of exchange of land shall be given by the Board of Revenue, Punjab (Full Board)"

During examination of record of the Senior Member Board of Revenue, Lahore for the year 2022-23, it was observed that the department had sanctioned exchange of Ex-evacuee government land with Defense Housing Society, Lahore but the department had not taken possession of land measuring 97 kanal out of 565.75 kanals valuing Rs. 128,794,466.

The lapse occurred due to ineffective financial controls, which resulted in loss of Rs. 128,794,466 to the government due to the non-transfer of 97 kanals in favor of the Punjab Government by the housing society.

The matter was reported to the management in the month of November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends probing the matter and fixing the responsibility of persons at fault besides retrieving the land from the housing society.

[AMIS Para ID 2023-0000002826_F00029]

1.4.22 Irregular award of Government land measuring 855.313 acres and non-payment of dues -Rs. 4.554 million

According to Section 10 of the Colonization of Government Lands (Punjab) Act, 1912 (Act V of 1912) "Issue of statements of conditions of tenancies- (1) The Board of Revenue subject to the general approval of the Government may grant land in a colony to any person on such conditions as it thinks fit and under sub-section 2 of the said section, the Provincial Government may issue a statement or statements of the conditions on which it is willing to grant land in a colony to tenants".

During examination of record of the Revenue Department, it was noticed that government land measuring 855.313 acres was allotted without observing codal formalities as consideration for award of land was not received by the responsible authority. Furthermore, irregular allotments were not cancelled nor state land was retrieved with imposition of tawan on illicit cultivators.

(Amount in Rs.)

Sr.	Name of Formation	PDP #	No of Cases	Amount Pointed Out	Verified	Balance
1	General Assistant Revenue (Col), District T.T Singh	2023-0000001544_F00019	45	-	-	-
2	General Assistant Revenue (Col), District T.T Singh	2023-0000001544_F00020	33	-	-	-
3	General Assistant Revenue (Col), District T.T Singh	2023-0000001544_F00021	51	4,554,000	-	4,554,000
Total			**129**	**4,554,530**	**-**	4,554,000

Audit is of the view that this lapse on the part of the management resulted in non-realization of government revenue which indicates weak administrative and internal controls.

The matter was reported to the respective formation as well as to the Principal Accounting Officer in the month of June, 2023.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends that amounts involved be recovered at the earliest besides strengthening the weak internal controls to avoid such lapse in future.

1.4.23 Conversion of state land measuring 2,489 kanals into residential and commercial units without transfer in revenue record

According to Section 41 (Periodical records) of the Land Revenue Act, 1967 “the Collector shall cause to be prepared by the patwari of each estate periodically, as the Board of Revenue may direct, an edition of any record-of-rights amended in accordance with the provisions of this Chapter.

(2) Such edition of the record-of-rights shall be called the periodical record for the estate, and shall comprise the statements mentioned in clause (a) of sub-section (2) of section 39, and such other documents, if any, as may be prescribed.

(3) For the preparation of periodical records, the Collector shall cause to be maintained by the patwari of each estate a register of mutations in the prescribed form and other prescribed registers, if any".

During examination of record of the Additional Deputy Commissioner (Revenue), Lahore for the year 2022-23, it was observed that Mental Hospital owned land measuring 429.85 kanals in the revenue record of Mouza Ichra. But land measuring 268.65 kanals was under possession of hospital and land measuring 161.2 kanals was converted into commercial and residential properties without transfer in revenue records.

In another case of land acquisition in Bhaikhaywal for Faisal Town, and Johar Town Lahore, 2,318 kanals land valuing Rs. 53,328,950.000 had not been implemented in the revenue record (*Jamabandi*) and the same was converted into *kachi* abadies, commercial and residential properties without transferring of title of land in revenue record.

The lapse occurred due to ineffective financial controls which resulted in conversion of state land measuring 2,489 kanals into residential and commercial units without transfer in revenue record.

The matter was reported to the management in the month of May 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of January, 2024 directed DC Lahore to look into the matter personally, and take necessary action in the light of audit observation.

Audit recommends to probe the matter and fix the responsibility besides record of land be corrected as per factual status of land.

[AMIS Para ID 2023-0000004709_F00005]

1.4.24 Data distortions in record of land maintained by LRMIS and illegal entry in land record on account of benami properties

As per Section 15 of the Punjab Land Records Authority Act, 2017 "Documents included in land records. The Authority shall specify the documents forming part of record-of-rights which are to be computerized, and such computerization shall be done in such form and manner as may be prescribed."

Further, Section 14 (Preparation of land record) of the Act 2017 ibid states that the Authority shall, in the prescribed manner, prepare, amend and keep the land record.

During examination of record of the Punjab Land Record Authority, Lahore, for the year 2022-23, it was observed that PLRA maintained LRMIS data of 5.5 million land owners for rural land, but the discrepancies as indicated by audit led to data distortion, which resulted in the wrong and improper maintenance of record for land. It was further observed that the officials of Authority in Arazi Record Center Fatah Jang, misclassified the mutation as *Sahat Indraj* for property under inquiry by FBR and NAB as *benami* property measuring of 1,787 kanals in *Mouza Moorat* in favor of Faisal Town Pvt. Ltd.

Furthermore, land inventory and data was found to be inaccurate in following cases due to double entries in the land record, wrong entries in *khana kashat*, wrong information regarding the status of land like barren, commercial and residential:

a) over all data received from all over Punjab indicates the difference of state land measuring 1164970 acres.
b) the corporate farming case indicates difference of 79,846 acres.
c) the exchange case of land with housing scheme having difference of land measuring 60 acres.

The lapse occurred due to weak internal and administrative controls which resulted in data distortions in record of land maintained by LRMIS and illegal entry in land record on account of benami properties.

The matter was reported to the management in the month of November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends to probe the matter and fix responsibility against the person at fault.

[AMIS Para ID 2023-0000005650_F00011 & 2023-0000002826_F00020]

1.4.25 Unjustified destruction and non-maintenance of record pertained to refund of stamp duty

Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan, 1973 read with Section 12 of the Auditor General (Functions, Powers and Terms and Conditions of Service) Ordinance, 2001 empower the Auditor-General of Pakistan to conduct audit of revenue receipts of the provinces.

During examination of record of the Additional Deputy Commissioner (Revenue), Lahore for the year 2022-23, it was observed that the refund branch of stamp paper weeded out the record related to refund stamp papers worth Rs. 1,392,327,255 for 14,347 cases before the execution of external audit, by the Auditor-General of Pakistan. Although internal audit was conducted by the

Chief Inspector of Stamps. Due to irregular weeding out of auditable record, audit could not ascertain the validity of the refunds made by the department.

The lapse occurred due to ineffective financial controls which resulted in unjustified destruction and non-maintenance of record pertained to refund collected on stamp papers.

The matter was reported to the management in November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of January, 2024 directed the formation to probe the matter at administrative departmental level in the light of audit observation.

Audit recommends to probe the matter and fix the responsibility on person at fault along with availability of record for audit.

[AMIS Para ID 2023-0000004709_F00008]

1.4.26 Loss to Government due to abnormal delay in finalization of proprietary rights

[

Notification No. 2107-2019/754-CL(I), dated 13.9.2019 issued by Board of Revenue states that the grant of property rights shall be subject to the payment of price @ Rs.5000 Per Produce Index Unit (PIUs) calculated afresh, based on current data as per existing classification of the land.

During examination of record of Revenue Department, it was noticed that 9,130 number of allottees applied in various schemes and 5,734 conveyance deeds were issued and 3,396 number of cases were pending with the authority since 02.02.2001 under the Grow More Scheme.

(Amount in Rs.)

Sr.	**Name of Formation**	**PDP #**	**No of Cases**	**Amount Pointed Out**	**Verified**	**Balance**

Total			**4468**	**2,522,735,000**		**2,522,735,000**

Audit is of the view that weak internal controls on the part of the management resulted in loss to government due to abnormal delay in finalization of proprietary rights

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of June, 2023.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends to expedite the matter for recovery of government dues besides probing the matter for fixation of responsibility for the lapse.

1.4.27 Inaction of department over non availability of 27,210 registration deeds

Section 54 of the Registration Act, 1908 states that "every office in which any of the books here in before mentioned are kept, there shall be prepared current indexes of contents of such books; and every entry in such indexes shall be made, so far as practicable, immediately after the registering officer has copied, or filed a memorandum of, the document to which it relates".

Further, subsection (d) of Section 70-E of Act ibid states that one set of such prints arranged in the order of their serial numbers shall be made up into books and sewn or bound together.

During examination of record of Revenue Department, it was observed that the registering authority remained negligent as 27,210 registered deeds were not available in the office of Sub-Registrar. On the contrary, Book-1 is required to contain all registered deeds attested by registering authorities. Due to this negligence, audit was unable to give assurance of the deposit of stamp duty and income tax liable to be withheld under Section 236-C and 236-K of Income Tax Ordinance, 2001. Furthermore, index as prescribed by the law was not maintained in office which further highlighted the reckless management of affairs of an office meant for safe custody of registered deeds relating to ownership of precious land.

(Amount in Rs.)

Sr.	Name of Formation	PDP #	No of Cases	Amount Pointed Out	Verified	Balance
1	Sub-Registrar, Urban-I&II Faisalabad	2023-0000001552_F00009	14417	-	-	-
2	Sub Registrar, Sheikhupura	2023-0000003224_F00006	238	-	-	-
3	Sub-Registrar, (Rural) Faisalabad	2023-0000003219_F00001	12555	1,452,269,645	-	1,452,269,645
Total			**27210**	**1,452,269,645**	**-**	**1,452,269,645**

Audit is of the view that laxity on the part of management and lack of internal controls resulted in non-availability of 27,210 registration deeds.

The matter was reported to the management in the months of June to December, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of January, 2024 directed Deputy Commissioner, Faisalabad to look into the matter personally and submit factual report after scrutiny of entire record. Moreover, it was directed to send a reference to Audit for conducting detailed audit of documents retrieved in this respect.

Audit recommends that disciplinary proceedings be initiated for negligence of registration authority for missing documents and revenue staff for mutation of land, based on documents not endorsed for mutation.

1.4.28 Inaction against 308 developers selling plots without stamp duty and taxes

Section 48-A. (Power of Collector to Seal Premises) of the Stamp Act-1899 states that "when a transferring or attesting authority fails to comply with the provisions of this Act, the Collector may seal such public office including the premises thereof after affording the transferring or attesting authority an opportunity of being heard. (3) An application under sub-section (2) shall not be entertained unless the applicant pays the deficient amount of the duty together with the penalty under this Act."

During examination of record of the Sub Registrar Urban-I and Rural Rawalpindi for year up to 2021-22, it was observed that the housing societies were transferring the ownership of property without depositing the taxes and duties since long. Whereas, the Collector had not taken the cognizance over unlawful sales of plots in shape of files instead of registering the transfer after payment of due taxes.

Record further revealed that only 7 societies were audited and deficiency of Stamp duty amounting to Rs. 254,736,949 was detected. Out of stated amount Rs. 159,246,967 was stated as recovered but no record for stated recovery is available in office. There is no record available in the office regarding total number of files sold by the 308 societies along with further transfers to other persons as per maps of the societies for which lists and proforma are available in the office of Sub Registrar.

The audit is of the view that laxity on the part of management and lack of internal controls resulted in loss of government revenue.

The matter was reported to the management in the month of May, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends that the record be maintained and made available to audit in respect of housing societies evading the taxes. Moreover, a complete audit of transfer of plots in accordance with layout maps be conducted by Board of Revenue since inception of societies.
[AMIS Para ID 2023-0000001551_F00001]

1.4.29 Non-formulation of policy/ SOPs for missing mutations

Under Section 41 (a) (Preparation of computerized records) of the Punjab Land Revenue Act, 1967 (1) the Board of Revenue shall cause to be prepared, in computerized form, the latest edition of the periodical record of an estate and if no such record exists, the latest edition of the record-of-rights of the estate."

(2) The Board of Revenue shall, by notification, specify a date for the commencement of the operation of computerized edition of record-of-rights of an estate or a group of estates.

(3) The Board of Revenue shall, by notification, prohibit preparation of periodical record of an estate under Section 41 from a specified date.

During examination of record of ARC, Nankana Sb for the period up to 2021-22, it was observed that large number of mutation cases were still being entered in computerized land record without certifying the actual date of attestation of mutation by Service Center In-charge (SCI) and date of payment of mutation fee. The Administrative Department has not formalized any policy to curb this practice of attesting mutation in back dates causing loss to government in shape of mutation fee and FBR taxes.

The lapse occurred due to weak internal and administrative controls which resulted in loss of government revenue.

The matter was reported to the management in the month of May, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of September, 2023 kept the para pending for compliance.

Audit recommends prompt entering of missing mutations in system besides ensuring payment of taxes and fixing responsibility for missing mutations since long.

[AMIS Para ID 2023-0000001393_F00003]

1.4.30 Loss of Government due to non-transfer/exchange of land 1066 acres pending against pathways and water courses in private housing societies

Notification No. 1835-2019/625-CS (II), dated 13-09-2019 of BOR states that provincial government land under abandoned path, passages, water courses, ponds and certain available provincial government land falling with in the private housing schemes may be exchanged with accessible equal piece and value of land in compact block of the private housing schemes.

During examination of record of the Senior Member Board of Revenue, Lahore for the year 2022-23, it was observed that the department has not exchanged government land measuring 1066 acres available in 592 housing societies all over Punjab.

Audit is of the view that the said state land in the case of a compact plot can be used for public purposes and the construction of office buildings all over Punjab, which will help to shift the extra burden on the government exchequer on account of the acquisition of land.

The lapse occurred due to ineffective asset controls, which resulted in a loss of government due to the non-transfer or exchange of 1066 acres pending against pathways and water courses in private housing societies.

The matter was reported to the management in the month of May, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends that developed plots be obtained from housing societies and the plots be used for public purposes.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2020-21 vide para number 2.4.3 having financial impact of Rs. 10,551.4 million. Recurrence of same irregularity is a matter of serious concern.

[AMIS Para ID 2023-0000002826_F00027]

Performance related irregularities

1.4.31 Fluctuations in valuation table leading to under valuation of properties

According Section 27-A of the Stamp Act, 1899 "Value of immovable property. (1) Where any instrument chargeable with ad valorem duty under Articles 23, 27–A, 31, 33, 35 (1)(b), 48 (b), 48 (bb), 55(b), 63 and 63–A of Schedule I, relates to an immovable property, the value of the immovable property shall be calculated according to the valuation table notified by the district collector in respect of immovable property situated in the locality."

During examination of record of the Additional Deputy Commissioner (Revenue), Lahore for the year 2022-23, it was observed that the department made a valuation table with the support of revenue field staff, who gave the average sale price and actual description of the land of each khasra or square situated in their relevant revenue estates. Despite the lapse of considerable time, the field staff has not mentioned the khasra number of acres and mentioned different rates for the same residential land situated in the same village.

Negligence on the part of revenue field staff provided an opportunity to the buying parties to evade government taxes by applying the minimum rate or considering land as agriculture instead of residential or commercial. It is also noticed that at the time of possession, the parties knew the exact khasra number, or in the case of acquiring land for a particular housing society, the registered deeds depicted khasra numbers, but revenue staff intentionally had not mentioned khasra numbers in the valuation table in each village.

It is further added that on sample basis, data of registered deeds up to two kanals of land area along with khasra numbers were examined and after applying different rates as mentioned in the valuation table, it was observed that due to negligence of revenue staff, a minimum loss of Rs. 409,399,760 in 2618 cases on account of evasion of taxes was sustained.

The lapse occurred due to ineffective financial controls which resulted in fluctuations in valuation table leading towards under valuation of properties.

The matter was reported to the management in the month of November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of January, 2024 kept the para pending for compliance.

Audit recommends to probe the matter and recover the taxes besides ensuring actual description of land and khasra numbers.

[AMIS Para ID 2023-0000004709_F00004]

1.4.32 Difference of land inventory for 79,846 acres under corporate farming scheme

As per Notification No. 197-2023/0334-CS.II (IX) dated 20th February, 2023 of BOR:

1) The specified state land shall be leased out through open auction to a minimum piece of state land as directed by the cabinet committee subject to this statement of the conditions for any individual or consortium or company

2) Any individual or a company or consortium may participate under this statement of the conditions having at least five years' experience of agriculture farming.

During audit of the office of Senior Member Board of Revenue, Lahore for the financial year 2022-23, a difference of 79,846 acres was noticed for land proposed for corporate farming as reported by SLMS (State Land Management System) and as demanded by the Lessee. This indicates unauthentic data of land record. The land measuring 96,245 acres had been so far allotted out of total of one million acres. This difference of land and wrong reporting of status of land will also directly affect the status of barren land for which no rent is to be paid for three years. The department allotted the land without working and identification of barren land which might have resulted in loss of non-realization of rent of state land.

Furthermore, joint venture agreement dated 08-03-2023 was initiated for corporate farming. The agreement is irregular and un-justified on following grounds:

i. The consent was not obtained from Agriculture, Livestock and Forest departments
ii. The allotted land was reserved for forestation and same could not be utilized for the purpose other than forestation as mentioned in Forest Act, 1927.
iii. As per clause 14 of Standard Operating Procedures approved by the Cabinet for transfer /alienation of leased land, the lessee shall not be allowed to sub-lease, alienate or transfer the land. But the same land was handed over to FonGrow by the other party of joint venture and the company will manage corporate farming by signing Memorandums of Understanding (MOUs) with foreign companies which is a violation of above stated clause.
iv. The Fongrow (Private) Limited was established on 10-10-2022 and does not fulfill criteria of at least five year experience in agriculture farming.

The lapse occurred due to weak internal and administrative controls which resulted in difference of land inventory 79,846 acres under corporate farming project and irregularities in joint venture for the year 2022-23.

The matter was reported to the management in the month of November, 2023. In response to the audit observation, the management had not offered any reply.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends to fix the difference of land and actual status of barren land be determined for recovery of lease rent besides expediting the actions towards rectification of violations pointed out along with provision of supporting documents.

[AMIS Para ID 2023-0000002826_F00033]

CHAPTER 2

EXCISE, TAXATION & NARCOTICS CONTROL DEPARTMENT

2.1 Introduction

(A) This Department provides services for collection of various taxes and duties and suggests ways and means for additional resource mobilization in the province. Building up of taxpayer's confidence, creation of taxpaying culture and providing facilities to the general public in payment of taxes are the top most priorities. The Excise, Taxation & Narcotics Control Department consists of 87 formations and is primarily responsible for the collection of Property Tax, Motor Vehicles Tax, Professional Tax, Luxury House Tax, Entertainment Duty, Cotton Fee and Excise Duty in the Punjab. The department is also responsible for the collection of some Federal levies/taxes i.e. Income Tax (at the time of collecting motor vehicle tax) and Capital Value Tax (at the time of registration of imported motor vehicles if not paid at the time of import).

Audit profile of Excise, Taxation & Narcotics Control Department

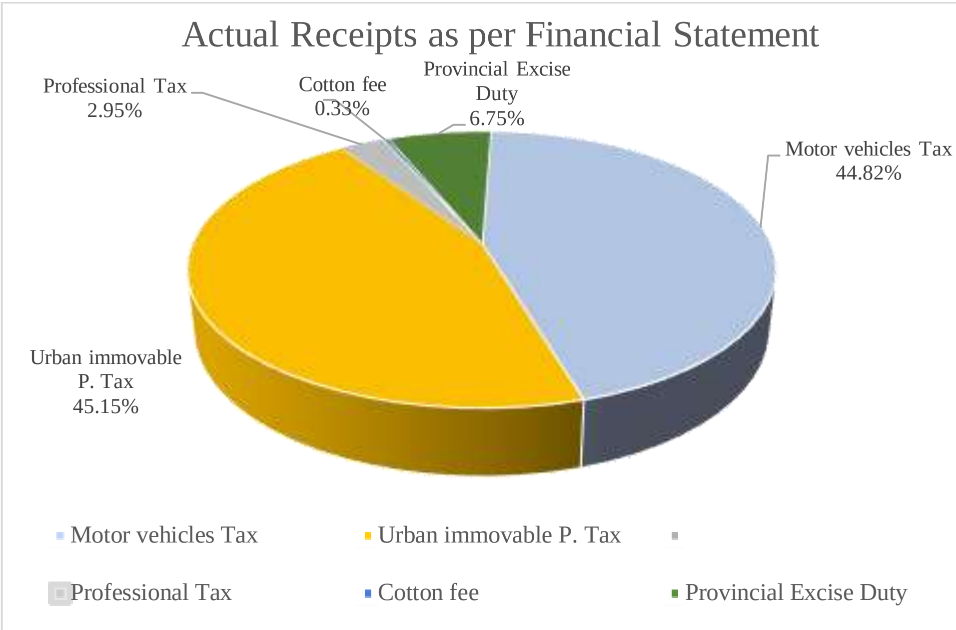
(Rs. in million)

Sr. No	Description	Total No	Audited	Revenue/Receipt audited FY 2022-23
1	Formations	87	37	15,845
2	• Assignment Accounts • SDAs	-	-	-
3	Authorities /Autonomous Bodies etc. under the PAO	-	-	-

B) Comments on Budgeted Receipts (Variance Analysis):

During the Financial Year 2022-23, the Excise, Taxation & Narcotics Control Department collected an amount of Rs. 38.75 billion (in major heads) against the revised estimates of Rs. 40.60 billion.

The distribution of receipts collected by the Department under different heads is shown in percentage in the following chart:



(Data Source: Civil Accounts 2022-23)

From the above chart, it is clear that in Financial Year 2022-23, the major portion of 45.15% (Rs. 17.50 billion) and 44.80% (Rs. 17.37 billion) of receipts collected by Excise, Taxation & Narcotics Control Department came from two sources viz. Motor Vehicles Tax & Urban Immovable Property Tax respectively.

A comparison of budget estimates, revised estimates and actual receipts for the Year 2022-23 for major segments of receipts of Excise, Taxation & Narcotics Control Department is tabulated below. The variation between the revised estimates and actual receipts is depicted both in absolute and percentage terms:

Variance Analysis for Excise, Taxation & Narcotics Control Department 2022-23
(Rs. in million)

4	Cotton fee	B03055	220.00	220.00	129.74	(90.26)	-41.03 %
5	Provincial Excise Duty	B02601 -03, B02611 -13, B02621 -23	2,250.00	2,686.70	2,619.28	(67.42)	-2.51%
Total			**43,500.00**	**40,600.06**	**38,754.27**	**(1,845.79)**	**-4.55%**

(Data Source: Annual Budget Statement 2022-23 Govt. of Punjab & Civil Accounts 2022-23)

The above figures highlight that the actual receipts were 4.55 percent less than the total revised estimates. The variation between the original budgeted receipts (Rs. 43.50 billion) and actual receipts collected (Rs. 38.75 billion) was of Rs. 4.75 billion which was short by 10.90 percent of original budget estimates.

The receipt targets during the year were reduced from Rs. 43.50 billion to Rs. 40.60 billion, showing a decrease of 6.67 percent of original budget estimate. Thus, the receipt targets of the department were reduced during the financial year which shows deficiency in fiscal planning. This issue needs to be looked into by the provincial tax/duties collecting agencies.

Comparison of receipts targets and actual receipts for the financial year 2021-22 and 2022-23 is given below in the table:

Comparison of Budgeted Estimates, Revised Estimates and Actual receipts

(Rs. in million)

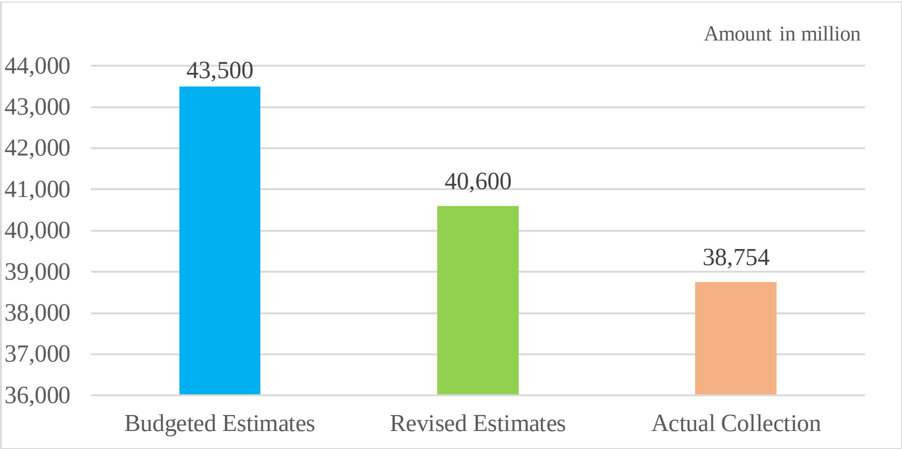
Year	**Budgeted Estimates**	**Revised Estimates**	**Actual receipts as per Financial Statement**
2021-22	42,410	39,107	39,993
2022-23	43,500	40,600	38,754

(Data Source: Annual Budget Statement 2022-23 Govt. of Punjab & Civil Accounts 2022-23)

The above figures show that actual receipts in 2022-23 were less than the previous year i.e. 2021-22.

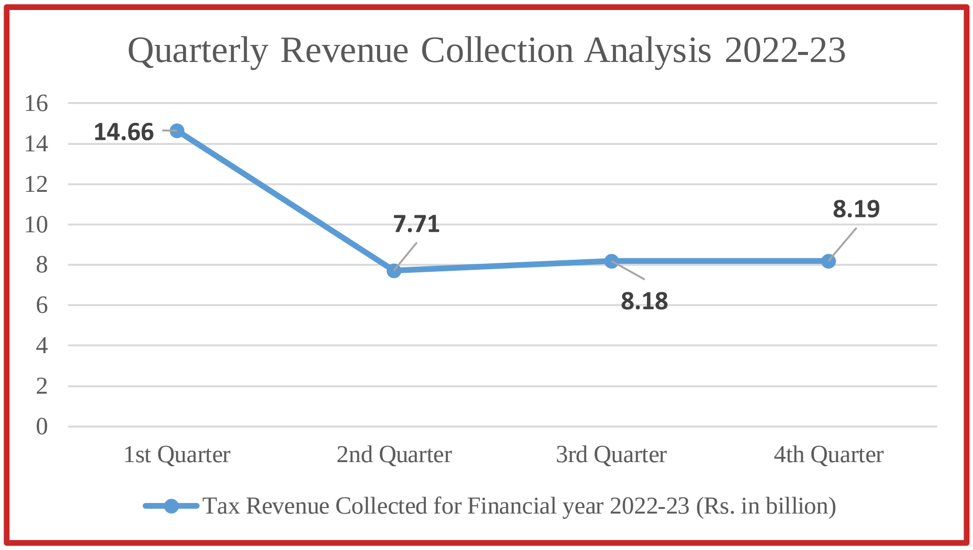
The comparison of budgeted revenue estimates, revised revenue estimates and actual collection of department for the financial year 2022-23 are also given in the following graph:

Comparison of Budgeted Estimates, Revised Estimates and Actual Collection



(Data Source: Annual Budget Statement 2022-23 Govt. of Punjab & Civil Accounts 2022-23)

The quarterly tax revenue collection during the financial year 2022-23 is as under:



(Data Source: Civil Accounts 2022-23)

The above line chart shows downward trend of revenue collected by the department in 2nd and 3rd quarters, however there is slight upward trend in 4th quarter.

2.2 *Classified Summary of Audit Observations*

Audit observations (recoveries) amounting to Rs. 30,011 million pertaining to provincial receipts were raised in this report during the current audit of Excise, Taxation & Narcotics Control Department.

Overview of audit observations

(Rs. in million)

Sr.No	Classification	Amount
1	Irregularities (Non/less realization of Govt. revenue)	30,011
2	Value for money and service delivery issues	0

2.3 *Brief Comments on the Status of Compliance with PAC Directives*

The status of compliance with PAC Directives, for reports discussed so far, is given below:

Sr. No	Audit Report Year	Total Paras	Compliance received	Compliance not received	Percentage of compliance
1	1985-1986	27	11	16	41
2	1986-1987	17	10	7	59
3	1988-1989	12	7	5	58
4	1989-1990	10	6	4	60

Sr. No	Audit Report Year	Total Paras	Compliance received	Compliance not received	Percentage of compliance
5	1990-1991	13	4	9	31
6	1992-1993	13	1	12	8
7	1993-1994	14	3	11	21
8	1994-1995	11	3	8	27
9	1996-1997	20	13	7	65
10	1997-1998	11	0	11	0
11	1998-1999	25	4	21	16
12	1999-2000	20	1	19	5
13	2000-2001	18	0	18	0
14	2001-2002	24	12	12	50
15	2003-2004	15	1	14	7
16	2006-2007	11	8	3	73
17	2009-2010	20	14	6	70
18	2010-2011	18	10	8	56
19	2011-2012	16	12	4	75
20	2012-2013	23	16	7	70
21	2013-2014	16	10	6	62
Total		**354**	**146**	**208**	**41**

The compliance with the PAC directives in Excise, Taxation & Narcotics Control Department for the years 1986-87, 1988-89, 1989-90, 1996-97, 2006-07, 2011-12, 2012-13 & 2013-14 is satisfactory with aggregate 65%. However, the compliance for the years 1992-93, 1997-98, 2000-01 and 2003-04 is comparatively low with aggregate 3% only. No PAC meeting was held for Audit Reports 2014-15 to 2021-22.

[

*2*2.4 AUDIT PARAS

Irregularities

2.4.1 Non realization of arrears of property tax -Rs. 7,701.262 million

Section 16 (2) of the Punjab Urban Immovable Property Tax Act, 1958 states that any sum on account of the tax levied or penalty imposed under this Act remaining un-recovered without sufficient cause to the satisfaction of the Collector shall be recoverable as arrears of land revenue. Further, as per Section 12 of the Act ibid a late payment surcharge @ 1% of the gross payable tax shall stand imposed on the 1st day of every month of delay if the tax payable for any year is not paid by 30th September of the said year.

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 26 Excise & Taxation Officers had not recovered the outstanding government revenue, causing accumulation of arrears of property tax in 28,728 cases to the tune of Rs. 7,995,427,256 **(Annex. 7).**

Audit is of the view that ineffective recovery mechanism and weak management controls resulted in non-recovery of arrears of property tax.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 7,701,262,155 after verification of Rs. 294,165,101 and directed the department to recover the balance amount at the earliest.

Audit recommends that the department needs to take effective steps to recover government dues of property tax along with late payment surcharge at the earliest.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.3 having financial impact of Rs. 162.763 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2 Short realization of property tax due to change in status of customized school -Rs. 7,482.352 million

As per S. No. 16 of Annexure-A of the Assessment of Special Properties (Revised) Rules read with clarification made vide minutes of meeting held on 5.6.2012 circulated vide letter No. SOTAX(E&T)1-11/2004 (Vol-I) dated 20.6.2012, the assessment of the value of property built and used as commercial properties (including offices and customized educational institutions buildings) shall be calculated on commercial rates of the localities self or rented as the case may be.

During audit of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 27 Excise & Taxation Officers had assessed the Gross Annual Rental Value (GARV) of 5,227 educational institutions less than that of actual assessable by treating the customized educational institution as non-customized.

It was further observed that there existed no built-in mechanism in IT system to identify customized educational institution/offices as schools with customized accommodation having no resemblance with the house (as accommodation house includes bed/drawing/dining rooms, kitchens etc.).

Poor IT controls have unplugged gaps which allow the field offices to assess a customized school as a non-customized school, resulting in application of lessor rates.

Audit is of the view that weak internal and administrative controls resulted in short assessment of property tax due to treating the customized educational institution as non-customized amounting to Rs. 7,590,314,652 **(Annex. 8)** up to the year 2022-23.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 7,482,352,046 after verification of Rs. 107,962,606 and directed the department to recover the balance amount at the earliest.

Audit recommends to issue directions for correction of assessments pointed out and recovery of tax be made besides proper IT controls be devised to strengthen the assessment mechanism to avoid the short assessments causing loss to government

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.11 having financial impact of Rs. 45.975 million. Recurrence of same irregularity is a matter of serious concern.

2.4.3 Short assessment of tax due to incorrect application of reduced rate to godowns by treating as tin-shed -Rs. 4,858.408 million

Sr. No. 21 of the Notification No. SO-TAX(E&T)3-38/2014 dated 30th June 2014 states that "the godowns and workshops with *kacha*/tin sheds shall be applied with 50 percent of rates for self or rented as the case may be".

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was revealed that 22 Excise & Taxation Officers, has mis-interpreted the wordings of notification and assessed less tax for godowns.

Audit is of the view that the lapse occurred due to weak internal controls which resulted in short-assessment of property tax of Rs. 4,858,969,264 **(Annex. 9)** for 99,494 cases due to incorrect application of reduced rates to godowns by treating as tin shed.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 4,858,407,680 after verification of Rs. 561,584 and directed the department to recover the balance amount at the earliest.

Audit recommends that immediate steps are required to be taken for proper assessment and recovery of difference of tax amount besides instructions be issued to relevant authority for feeding of correct rates in systems and tracing out all the cases, applied with incorrect rates.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.12 having financial impact of Rs. 42.243 million. Recurrence of same irregularity is a matter of serious concern.

2.4.4 Non implementation of writ for collection of established demand of tax in an extended rating area -Rs. 3,408.694 million

Subsection (g) and (i) of Section 2 of the Punjab Urban Immovable Property Tax Act, 1958 defines the rating area and urban area as “rating area” means urban area where tax is levied under the provisions of this Act; and (i) “urban area” means an area within the jurisdiction of the Metropolitan Corporation, a Municipal Corporation, or a Municipal Committee and includes any other area which the Government may, by notification, declare to be an urban area for purposes of the Act”.

During audit of office of the Secretary Excise, Taxation & Narcotics Control Department, Lahore for the Financial Year 2022-23 it was observed that the *Pothohar* Town, Rawalpindi was notified as a rating area by the Administrator Town Municipal Administration in 2014 but the same was challenged by the residents of the town in Lahore High Court (Rawalpindi). The Lahore High Court (Rawalpindi Bench) disposed of 29 writ petitions in consolidated order as on 23-12-2018.

As per available record, an amount of Rs. 2,687.434 million along with default surcharge of Rs. 721.26 million up to June, 2021 was due against all property units assessed since 2014 but the administrative department had not made any efforts to get the tax recovered.

This has resulted in non-recovery of established tax amounting to Rs. 3,408.694 million which indicates ineffective administrative controls.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of December, 2023 but no reply was offered.

The DAC meeting was not convened till the finalization of this Report despite issuance of reminder in December, 2023.

Audit recommends the clearance of arrears of levied tax be expedited.

(AMIS Para ID 2023-0000004708_F00005)

2.4.5 Short realization of property tax due to wrong assessment of hotel -Rs. 1,971.655 million

According to Government of the Punjab's Letter No. SO TAX(E&T)3-38/91/P-I dated 13th October, 2001, in the case of hotel consisting of rooms/boarding/lodging units used as residential accommodation 40% of the gross annual (365 days) rent shall be taken as a GARV (Gross Annual Rental Value). The gross rent shall be worked out on average/normal charges received per room per day.

Section 5 of the Punjab Urban Immovable Property Tax Act, 1958 states that "the annual value of any land or building shall be ascertained by estimating the gross annual rent at which such land or building together with its appurtenances and any furniture that may be let for use or enjoyment with such building might reasonably be expected to be let from year to year"

Sub-rule (e) of rule 6 of the Punjab Urban Immovable Property Tax Rule, 1958 states that "make an inquiry about the gross annual rent earned or which could reasonably be earned in respect of the property during the financial year immediately preceding the current financial year"

Sub-rule (f) of rule 6 of the Punjab Urban Immovable Property Tax Rule, 1958 states that "determine from such other data as may be available, the gross annual rent at which any property in the rating area may reasonably be expected to be let from year to year if in its opinion the average gross annual rent of such property ascertained under clause (e) be not fair or reasonable when compared with such rent or any other property in that locality"

During audit of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 13 Excise & Taxation Officers had not correctly assessed the property tax for hotels in 1,140 cases by freezing the hotel room rent since long which required to be updated on yearly basis as prescribed in Section 5 of the Act ibid, no attention was being paid on physical aspects of hotels infrastructure like AC (Air Condition) rooms were kept as non AC and 153 hotels were assessed with zero tax for lodging units.

It was also observed that the assessing authority had corrected the assessment for a five star hotel in 2022-23 for which property tax was kept very low for previous year by keeping the room rent very low. 165 room were kept as non AC single rooms, 16 rooms were kept non AC double rooms and 9 deluxe rooms assessed with room rent of Rs. 5000, Rs. 7000 and Rs. 8000 respectively. On the contrary, there existed 23 Executive rooms, 2 Junior suites, 3 Executive suites, 6 Duplex suites, 2 Deluxe suites, 1 Royal suite and 1 Presidential suite which were not indicated in making assessment of hotel.

Audit is of the view that weak internal and administrative controls resulted in short assessment of property tax due to under valuation of property units amounting to Rs. 1,971,837,638 **(Annex. 10)** up to the period 2022-23.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 1,971,655,158 after verification of Rs. 182,480 and directed the department to recover the balance amount at the earliest. Further, the matter is also referred to department for chalking out a uniform policy for whole of Punjab pertaining to assessment of property tax for hotel on the basis of year to year rent.

Audit recommends to re-assess the property tax of hotels according to rent being charged for rooms after incorporating the physical aspects of hotel in property tax record.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.5 having financial impact of Rs. 53.170 million. Recurrence of same irregularity is a matter of serious concern.

2.4.6 Non realization of property tax on vacant plots -Rs. 643.677 million

Amendment has been made in Section 2 of the Punjab Urban Immovable Property Tax Act, 1958 through Section 3 of the Punjab Finance Act, 2016. According to which property tax shall be levied under this Act from 1st July 2016 onward. Further, Section 5-A of the Act ibid "the annual value of a vacant plot shall be in accordance with the valuation table notified for the respective locality of the rating area".

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 13 Excise & Taxation Officers assessed 126,701 open plots without any tax calculations, causing loss of property tax of Rs. 644,659,551 **(Annex. 11).**

Audit is of the view that ineffective internal controls resulted in short realization of property tax.

The matter was reported to the respective formations as well as to the Principal Accounting

Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 643,676,650 after verification of Rs. 982,901 and directed the department to recover the balance amount at the earliest.

Audit recommends that matter be pursued and recovery of government dues be effected.

2.4.7 Less realization of property tax due to applying incorrect valuation categories -Rs. 537.718 million

According to Government of the Punjab, Excise & Taxation Department Notification No. SO-TAX(E&T) 3-38/2014 dated 20.6.2014, the assessable value of property units falling in a rating area will be ascertained in the light of instructions and consideration of rates of each category specified in the Valuation Table.

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 20 Excise & Taxation Officers less realized the property tax by applying incorrect valuation categories to 14,492 property units up to the period 2022-23.

Audit is of the view that weak internal and administrative controls resulted in less assessment of property tax amounting to Rs. 671,898,630 **(Annex. 12).**

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 537,717,689 after verification of Rs. 134,180,941 and directed the department to recover the balance amount at the earliest

Audit recommends necessary correction in valuation categories for correct assessment and recovery of government dues.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.9 having financial impact of Rs. 50.947 million. Recurrence of same irregularity is a matter of serious concern.

2.4.8 Short realization of property tax due to application of wrong location and wrong exemption to commercial property units -Rs. 365.363 million

According to Government of the Punjab's letter No. SO. TAX(E&T)3-38/2014 dated 26th June 2014, the assessable value of property units falling in a rating area will be ascertained in the light of instructions and consideration of rates of each category specified in the Valuation Table.

It is further added that the roads with 30 or more width shall be considered "Main" and roads less than 30 feet shall be considered as "Off". However, these criteria shall not be applied in case of establishment/recognized commercial centers/clusters duly determined by the Assessing Authority and in such cases rate of "Main" shall be applied.

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 26 Excise & Taxation Officers applied incorrect location (i.e. off road instead of main road) while calculating property tax of 16,690 commercial property units located in established commercial clusters resulting in short realization of tax of Rs. 367,755,642. Moreover, commercial property units having landed area less than 5 *Marla* have been exempted from property tax unduly treated as residential property.

Audit is of the view that the inaction of management resulted in short realization of property tax amounting to Rs. 367,756,000 **(Annex. 13).**

The matter was reported to the respective formation as well as to the Principal Accounting Officer in the months of June to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 365,362,782 after verification of Rs. 2,392,860 and directed the department to recover the balance amount at the earliest.

Audit recommends that necessary efforts be made for recovery of government dues without further delay.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.8 having financial impact of Rs. 52.889 million. Recurrence of same irregularity is a matter of serious concern.

2.4.9 Loss to Government for the amount withdrawn by Federal Board of Revenue after attachment of bank accounts -Rs. 348.417 million

Section 231-B of Income Tax Ordinance, 2001 states that every motor vehicle registering authority of Excise and Taxation Department shall collect advance tax at the time of registration of a motor vehicle, at the rates specified in Division VII of Part IV of the Schedule 5 of the Ordinance, ibid.

During audit of the Excise, Taxation & Narcotics Control Department for year 2021-22, it was observed that the department had failed to realize the amount of Rs. 329,771,545 withdrawn by Federal Board of Revenue on non-compliance of income tax laws. Neither defaulting vehicles were burdened with any tax demand nor responsibility was fixed on the persons at fault. Details of vehicles were not entered in MTMIS for recovery of defaulted amount as non-marking of vehicles in system will result in double transfer of amount to FBR.

It was further observed that registration fee and other motor vehicle taxes were being deposited in National Bank Account No. 4118193489 which was required to be deposited directly in treasury. The registration fee and other motor vehicle taxes paid by Lahore High Court, Session Judges and Police were also kept in above mentioned bank and FBR has withdrawn Rs, 18,646,029 from the same. As the amounts had been withdrawn by the FBR but vehicles were got registered without payment taxes into treasury put serious questions on reconciliation mechanism of department.

Audit is of the view that weak IT and administrative controls resulted in loss to government for the amount withdrawn by Federal Board of Revenue of Rs. 348,417,029.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends that recovery be made from the concerned vehicle owners after marking of vehicles in system to avoid double transfer to FBR besides probing the matter for fixing responsibility thereof.

[AMIS Para ID 2023-0000000205_F00003 & 2023-0000000205_F00011]

2.4.10 Short assessment of rented properties with self-status being occupied by the person other than owners -Rs. 340.594 million

According to Government of the Punjab letter No. SO TAX(E&T)3-38/91/P-I dated 13th October, 2001, the assessable value of property units falling in a rating area will be ascertain in the light of instructions and consideration of specified rates of each categories according to Valuation Table. As per these instructions, the specified rates of the localities as per land or covered area either under self or rented occupation as the case may be, are introduced for the purpose of assessment of gross annual rental value (GARV) for calculation of tax.

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 10 Excise & Taxation Officers had applied self-rates instead of rented rates of the valuation table for charging property tax for properties for which owners were not known to excise staff and names of occupants were entered in ownership column by adding the wordings “care of (CO)” and “Not Recorded in PT1".

As the properties were possessed by the persons other than owners, shall be treated as rented properties but the assessing authorities declared the properties under possession of owner for the charging less rates of tax.

This resulted in short assessment of tax amounting to Rs. 340,594,692 **(Annex. 14)** by treating rented properties as self-occupied, which indicates improper assessment and internal controls of the department.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the month January, 2024 directed the department to remain vigilant in such cases and police report be obtained to verify the stance of occupant besides recovery be affected as pointed out by audit.

Audit recommends that proper mechanism for assessment of tax be established and government dues be recovered.

2.4.11 Non recovery of short assessed taxes pointed out after spot verifications -Rs. 337.085 million

According to rule 5 of the Punjab Urban Immovable Property Tax Rules, 1958. Duties of assessing authority.- An assessing authority shall "(a) prepare a property register in Form P.T.I for the rating area and enter therein the necessary particulars, separately for each unit of property; (b) be responsible for the proper maintenance and safe custody of all the prescribed registers and records" According to 2.33 of PFR Vol-1, every government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by government through fraud or negligence on his part.

During audit of the Excise, Taxation & Narcotics Control Department for year 2021-22, it was observed that the teams constituted by Director General, Excise & Taxation Lahore had pointed out the short assessment/evasion of property tax during internal audits by conducting spot verification in Region-A & B Lahore, Rawalpindi, Gujranwala and Sialkot division but no action in this respect was taken to either rectify the assessment of property tax as per spot verification and to recover the amount in this respect.

Audit is of the view that weak supervisory and financial controls resulted in inappropriate mechanism for recovery of evaded taxes pointed out after spot verifications for Rs. 337,085,854.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends that recovery proceedings for evaded tax be supervised properly after unit to unit marking of properties in property tax system besides action be taken against the responsible persons at fault.

[AMIS Para ID 2023-0000000205_F00002]

2.4.12 Short recovery of excise duty with penalty due to misuse of alcohol other than industrial purposes -Rs. 319.043 million

According to Rule 22 sub-rule (e) of the Punjab Liquor Permit and Pass Rules, 1932 states that ordinance department, any hospital, dispensary scientific body, education institution, or to any other person who requires larger quantity of rectified spirit, shall be granted by the collector in form L-42-B on payment of Rs. 10000. Whereas, the duty on rectified spirit for industrial purposes shall be Rs. 5 per gallon with the condition that the end product does not contain the rectified spirit.

During audit of the office of the Excise & Taxation Officer (Excise), Lahore for the period 2021-22, it was observed that M/s RL Hummate (Pvt) Limited has been granted permit in 2015 for purchase of Alcohol for manufacturing of Nitrocellulose Solution (NC Solution) at discounted rate. The permit issued contains following irregularities:

1. Permit holder submitted unregistered lease documents without even signatures of lessor.
2. The unapproved map contains an area of 6280^{sft} but license of boiler and electricity bills are not available. Contrary to 6280^{sft} area, an area of 1718^{sft} for Plot No 267 was available on property tax challans submitted for renewal of licenses.
3. The permit No. 12 dated 18-08-2015 was issued in spite of contrary report of resident Excise Inspector dated 28-11-2015 which states that "Total area of land is one acre having two rooms (30x20) & (15x20). It is astonishing that the 44000 gallon monthly quota was issued in August 2015 for a site contains storage capacity of 4 percent of quota and minimum consignment for which *Rahdari* permit was issued contain 6600 gallon (29,964 litters).
4. Permit holder applied for permission to manufacture Hand Sanitizers and the supply orders, test report for sanitizers were submitted but no action was taken by authorities to recover the duty as per standard rates.

Audit is of the view that non-existence of mechanism and effective internal controls resulted in short recovery of Excise Duty with non-imposing of penalty for Rs. 319,043,000 due to misuse of alcohol other than industrial purposes.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of May, 2023 but no reply was offered.

DAC in its meeting held in the month of October, 2023 did not agree with the probe made by the department and directed the department to re-probe the matter besides amount of duty be recovered.

Audit recommends that the matter be probed at the administrative department level for fixing responsibility besides recovering the government dues involved.

[AMIS Para ID 2023-0000000339_F00001]

2.4.13 Short realization of property tax due to wrong remission -Rs. 230.803 million

According to Notification No. SO.Tax (E&T) 3-38/2014 (Vol-VI) dated 8-12-2021 "In excise of powers under subsection (3) of Section 3 of the Punjab urban immovable property tax Act, 11958 (V of 1958), Governor of the Punjab is pleased to remit property tax in respect of all property units where the property tax liability for the financial year 2021-22 exceeding 110% of the property tax payable for the financial year 2013-14. This remission shall not be allowed in case the tax liability is increased due to any change in the type or use of the property or the land or building has been assessed for the first time on or after 01-08-2014"

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 18 Excise & Taxation Officers had not taken any action to stop the remission of tax which the IT system had allowed against the law as the tax liability was increased.

Audit is of the view that lack of internal controls and inaction on part of the department resulted in short realization of property tax due to wrong remission amounting to Rs. 231,039,897 in 1,453 cases. **(Annex. 15).**

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meeting held in the month of January, 2024 reduced the para to Rs. 230,803,140 after verification of Rs. 236,757 and directed the department to recover the balance amount at the earliest

Audit recommends that the matter be pursued and recovery of government dues be made besides IT system be rectified to correct the inadmissible remission.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2021-22 vide para number 2.4.15 having financial impact of Rs. 27.352 million. Recurrence of same irregularity is a matter of serious concern.

2.4.14 Non realization of luxury house tax -Rs. 222.487 million

According to the Punjab Finance Act, 2014, the Government of the Punjab has levied luxury house tax w.e.f. 01.07.2014 from residential houses having area of two *kanals* or above with covered area more than six thousand square feet, at prescribed rate in first schedule. The tax shall be paid once either in lump sum on or before September 30, 2014 or in four equal quarterly instalments with first instalment payable on or before September 30, 2014 and the subsequent three equal instalments being payable on or before the last day of each concerned quarter.

During audit of Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 8 Excise & Taxation Officers had not recovered luxury house tax in 495 cases up to the year 2022-23 from owners of residential houses having area of two kanals or above with covered area more than six thousand square feet.

Audit is of the view that laxity in collecting luxury house tax by the management deprived public exchequer of revenue to the tune of Rs. 316,106,619. **(Annex. 16).**

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 222,486,551 after verification of Rs. 93,620,068 and directed the department to recover the balance amount at the earliest.

Audit recommends that the department needs to take effective steps for timely recovery of luxury house tax.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.19 having financial impact of Rs. 7.368 million. Recurrence of same irregularity is a matter of serious concern.

2.4.15 Loss of Government revenue due to non-creation of tax demand in extended area -Rs. 180 million

According to subsection (g) and (i) of Section 2 of the Punjab Urban Immovable Property Tax Act, 1958 defines the rating area and urban area as "rating area" means urban area where tax is levied under the provisions of this Act; and (i) "urban area" means an area within the jurisdiction of the Metropolitan Corporation, a Municipal Corporation, or a Municipal Committee and includes any other area which the Government may, by notification, declare to be an urban area for purposes of the Act".

During scrutiny of the property tax record of Excise and Taxation Officer, Gujrat for the period up to 2022-23, it was noticed that a large number of taxable property units fall under the jurisdiction of Municipal Committee Dinga but neither tax was levied nor any tax demand was created in this respect.

As Dinga is a declared Municipal Committee and every Municipal Committee fall under the definition of rating area but the assessing authority has failed to bring the urban area in property tax net and the administrative department had not adopted any administrative measures to tap tax potential of Rs. 30 million per annum.

This has resulted in loss of government revenue of Rs. 180,000,000 due to non-creation of tax demand in extended area since long which indicates ineffective administrative and internal controls.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of December, 2023 but no reply was offered.

The DAC meeting was not convened till the finalization of this Report despite issuance of reminder in the month of December, 2023.

Audit recommends early creation of property tax demand along with recovery of tax since inception of Municipal Committee besides probing the matter to fix responsibility.

(AMIS Para ID 2023-0000003225_F00001)

2.4.16 Short realization of property tax due to under valuation of property units -Rs. 171.248 million

According to Section 5 of the Urban Immoveable Property Tax Act, 1958, the annual value of any land or building shall be ascertained by estimating the gross annual rent at which such land or building that may be let for use or enjoyment with such building might reasonably be expected to be let from year to year, less an allowance of ten per centum for the cost of repairs and for all other expenses necessary to maintain such building in a state to command such gross annual rent. Further under Section 5-A of the Act, the annual value may be determined on the basis of such valuation tables and for such localities as may be notified by or under the authority of the Government.

During audit of record for 11 Excise & Taxation Officers for the period up to 2022-23, it was observed that the above provisions of law were not followed in calculating the GARV which resulted in short realization of property tax amounting to Rs. 172,865,947 in 327 cases **(Annex. 17).**

The weak managerial controls resulted in short realization of property tax due to under valuation of property units.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meeting held in the month of January, 2024 reduced the para to Rs. 171,248,316 after verification of Rs. 1,617,631 and directed the department to recover the balance amount at the earliest.

Audit recommends recovery of the amount pointed out by Audit besides fixing responsibility for this lapse.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2021-22 vide para number 2.4.5 having financial impact of Rs. 179.793 million. Recurrence of same irregularity is a matter of serious concern.

2.4.17 Non assessment of 17 acres land converted in residential and commercial properties - 148.497 million

According to Section 5 of the Urban Immoveable Property Tax Act, 1958, the annual value of any land or building shall be ascertained by estimating the gross annual rent at which such land or building that may be let for use or enjoyment with such building might reasonably be expected to be let from year to year, less an allowance of ten per centum for the cost of repairs and for all other expenses necessary to maintain such building in a state to command such gross annual rent. Further Section 5-A of the Act, ibid, the annual value may be determined on the basis of such valuation tables and for such localities as may be notified by or under the authority of the Government.

During scrutiny of property tax record of Excise & Taxation Officer, Zone-V, Lahore for the year 2022-23, it was observed that the assessing authority has assessed a land of 80000 square yards under ownership of Civil Aviation Authority (CAA) but CAA had sold out the land to PAF Falcon Society against price of land and development charges as well. The same land is now being owned and possessed by private persons in shape of residential and commercial properties including a well-established club (AFOSH Club) on land measuring 25.5 kanals under the management control of Options International (SMC) Pvt. Ltd.

Transfer of land to Pakistan Air Force (PAF) Falcon Society was also discussed in Federal Public Accounts Committee and CAA admitted that land was awarded to PAF for settlement of land disputes which the PAF sold out in shape of files. As the land has been sold out to private individuals by the society, property tax is chargeable under the provisions of the Act ibid but the assessing authority is still showing the land on the name of Civil Aviation Authority causing loss of Rs. 148,497,978.

This resulted in loss of government revenue amounting to Rs. 148,497,978 which indicates ineffective assessment mechanism and weak internal control of the department.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of November, 2023 but no reply was offered.

The DAC meeting was not convened till the finalization of this Report despite issuance of reminder in the month of December, 2023.

Audit recommends to take immediate steps for assessment of tax on actual basis besides recovery of the tax imposed.

(AMIS Para ID 2023-0000004378_F00001)

2.4.18 Non realization of property tax from state owned organizations -Rs. 127.061 million

According to Section 4(a) of the Punjab Urban Immovable Property Tax Act, 1958, buildings and lands owned by the Government or administered by a Local Authority are exempt from payment of Property Tax. However, autonomous bodies, corporations, development authorities are not exempt from the levy of property tax.

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2021-22, it was noticed that 20 Excise & Taxation Officers have neither demanded nor recovered property Tax in respect of properties belonging to WAPDA/LDA/PCB.

Audit observed that the inaction of management resulted in non-realization of government revenue amounting to Rs. 127,195,887 in 293 cases **(Annex. 18).**

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meeting held in the month of January, 2024 reduced the para to Rs. 127,061,091 after verification of Rs. 134,796 and directed the department to recover the balance amount at the earliest.

Audit recommends that necessary efforts be made for recovery of government dues without further delay.

2.4.19 Non realization of tax on properties abutting to highways/ motorways -Rs. 114.943 million

The Punjab Finance Act, 2019 introduced tax on properties abutting to Highways / Motorways as "there shall be charged, levied, assessed and paid a tax at the rate of five percent of the Annual Taxable Value of all categories of properties other than agricultural land, outside limits of the rating area, abutting to national or provincial highway or part thereof or within the area of motorways, in such limits and lengths, as may be notified by the Government"

During examination of record of the 3 Excise, Taxation & Narcotics Control Officers for the period up to 2022-23, it was noticed that road abutting tax on properties amounting to Rs. 118,434,932 in 187 cases had not been recovered and assessing authority had not made any concrete efforts to invoke relevant provisions of law for recovery of the outstanding amount.

(Amount in Rs.)

Total			**187**	**118,434,932**	**3,491,819**	**114,943,113**

The weak internal and administrative controls resulted in non-realization of tax on properties abutting to highways motorways.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to November, 2023 but no reply was offered.

DAC in its meetings held in the months from September 2023 to January, 2024 reduced the para to Rs. 114,943,113 after verification of Rs. 3,491,819 and directed the department to recover the balance amount at the earliest

Audit recommends to recover the outstanding amount besides fixing responsibility for this lapse.

2.4.20 Non recovery of education cess and non-assessment of 37 clubs -Rs. 106.870 million

Subsection (3) of Section 7 of the Finance Act, 2011 levies education cess on clubs as "(3) notwithstanding any tax or duty levied under any other law, the Government shall levy education cess on clubs at the following rates:

1. Initial membership fee 10% of the initial membership fee
2. Services rendered by the club 10% of the charge for a service rendered.

During audit of office of the Secretary Excise, Taxation & Narcotics Control, Lahore for the financial year 2022-23, it was observed that honorable Supreme Court of Pakistan upheld the levy of education cess by amending the judgment dated 16-12-2015 announced by the Lahore High

Court, Lahore in favor of department for recovery of education cess against the assessment of Rs. 106,870,740 for 5 clubs with one year tax only.

Whereas, the authority notified only 37 clubs vide Notification No. SOTAX(E&T) 3-9/2011 dated 9th March 2012 but assessment was not made in this respect. Other clubs functional in Punjab were also not notified for collection of education cess.

This has resulted in non-recovery of education cess of amounting to Rs. 106.870 million and non-assessment of 37 clubs thereof which indicates ineffective administrative controls.

Audit pointed out the lapse in the month of November, 2023. The department had not offered any reply.

The matter was further reported to the administrative department. The authority accepts the observation but no reply was given.

The DAC meeting was not convened till the finalization of this Report despite issuance of reminder in the month of December, 2023.

Audit recommends to recover assessed education cess from clubs besides recovery of stayed period be also be made after proper assessment of cess.

(AMIS Para ID 2023-0000004708_F00003)

2.4.21 Non realization of Property Tax due to grant of un-authorized exemption of taxable units -Rs. 90.054 million

According to the amendment in Section 4 (i) of the Punjab Urban Immovable Property Tax Act, 1958 through the Punjab Finance Act, 2005 the Government of the Punjab effecting from 1st July, 2004, granted exemption from payment of property tax to the owners of one residential house measuring an area up to five marla for residential purpose irrespective of its annual value. Furthermore, Section 4(f) of the Property Tax Act, 1958, the property tax shall not be leviable on buildings and lands or portions thereof used exclusively for public worship or public charity including mosques, churches, *dharma shalas*, *gurdwara*, hospital, dispensaries, orphanages, alms houses, drinking water fountains, infirmaries for the treatment and case of animals and public burial or burning grounds or other places for the disposal of the dead. A certificate to that effect are required to be issued in Form PT-17 by the Director Excise & Taxation under whose jurisdiction it fall after examination and satisfaction of record of income and expenditure of an institution.

During audit of Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 14 Excise & Taxation Officers exempted 626 taxable property units without any reason. Audit is of the view that laxity in collecting admissible property tax by the management deprived public exchequer of revenue to the tune of Rs. 102,202,183 **(Annex. 19).**

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to November, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 90,054,293 after verification of Rs. 12,147,890 and directed the department to recover the balance amount at the earliest.

Audit recommends that the department needs to take effective steps for timely recovery of tax.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2020-21 vide para number 1.4.6 having financial impact of Rs. 43.224 million. Recurrence of same irregularity is a matter of serious concern.

2.4.22 Short assessment of property tax -Rs. 83.335 million

According to Government of the Punjab letter No. SO TAX(E&T)3-38/2014 dated 30th June, 2014, the marriage halls/banquet hall, marriage lawn/event hall/marquee/exhibition centre, in case of self-properties shall be assessed at the rate 175% of commercial rate of valuation tables prescribed for the locality. Rented properties shell be assessed as per rates prescribed for commercial rented properties.

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 19 Excise & Taxation officers had not calculated the property tax in the manner as prescribed above where 241 marriage halls and other commercial plazas/units were short assessed.

This resulted in short realization of government revenue amounting to Rs. 124,614,964 in 234 cases **(Annex. 20)** due weak assessment and internal controls.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to November, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 83,335,098 after verification of Rs. 41,279,866 and directed the department to recover the balance amount at the earliest.

Audit recommends that necessary efforts be made for recovery of government dues without further delay.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.10 having financial impact of Rs. 46.971 million. Recurrence of same irregularity is a matter of serious concern.

2.4.23 Non realization of property tax from properties being administered by the autonomous bodies -Rs. 45.391 million

According to subsection (e) of Section 2 of the Punjab Property Tax Act, 1958 “owner” includes a mortgagee with possession, a lessee in perpetuity, a trustee having possession of a trust property and a person to whom an evacuee property has been transferred provisionally or permanently under the Displaced Persons (Rehabilitation and Compensation) Act, 1958 and subsection (b) of Section 4 of the Act ibid “Exemptions. – The tax shall not be leviable in respect of the following properties, namely:

(b) “buildings and lands other than those leased in perpetuity owned and administered by the Government of the Punjab or a local government as defined in Section 2 clause (xvi) of the Punjab Local Government Ordinance, 2002 (XIII of 2001)”

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 4 Excise & Taxation had wrongly kept 41 properties exempted which are not administered by the government or local government as prescribed above and school business are being carried out by respective boards governors of such institutions which are not covered under the definition of government.

Audit is of the view that lack of internal controls of management resulted in to non-charging of tax from properties being administered by the autonomous bodies amounting to Rs. 45,390,819.

(Amounts in Rs.)

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meeting held in the month of January, 2024 kept the para pending for compliance.

Audit recommends that matter be pursued besides ensuring recovery of outstanding government dues.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.7 having financial impact of Rs. 54.383 million. Recurrence of same irregularity is a matter of serious concern.

2.4.24 Non exercise of jurisdiction by assessing authority within the prescribed limit of the rating area under housing society -Rs. 32.239 million

Section 3 of the Punjab Urban Immovable Property Tax Act, 1958 states that "Government may, by notification, specify urban areas where tax shall be levied under this Act, provided that one urban area may be divided into two or more rating areas or several urban areas may be grouped as one rating area".

During audit of office of the Secretary Excise Taxation & Narcotics Control, Lahore for the financial year 2022-23, it was observed that letter No. 932/TXNA dated 20-06-2023 issued by Excise and Taxation, Region A, Lahore indicates that property tax of Rs. 32,239,000 is pending against head office of a renowned housing scheme in rating area of Zone-13, Lahore.

Whereas, the assessing authority has made assessment of tax and communicated the same to the Authority but the concerned office has not made the payment of tax liability since long negating the mandate of assessing authority.

This has resulted in encroached upon jurisdiction of assessing authority within the prescribed limit of the rating area by housing Society – Rs. 32,239,000 which indicates ineffective administrative controls.

Audit pointed out the lapse in the month of November, 2023. The department had not offered any reply.

The matter was further reported to the administrative department. The authority accepts the observation but no reply was given. The DAC meeting was not convened till the finalization of this Report despite issuance of reminder in the month of December, 2023.

Audit recommends expediting the recovery of imposed tax.

(AMIS Para ID 2023-0000004708_F00004)

2.4.25 Non assessment of property tax for agricultural land and buildings in housing societies -Rs. 30.340 million

According to Government of the Punjab letter No. SO TAX(E&T)3-38/91/P-I dated 13th October, 2001, the assessable value of property units falling in a rating area will be ascertain in the light of instructions and consideration of rates of each categories specified in the Valuation Table enclosed with the letter. In the light of these instructions, properties and land of any category rate of the localities self or rented as the case may be for the purpose of assessment of gross annual rental value (GARV).

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 6 Excise & Taxation Officers had not assessed the property tax for agricultural land and buildings in housing societies.

Audit is of the view that lack of internal controls and inaction on part of the department resulted in non-assessment of property tax on agricultural land for Rs. 41,329,364 in 21 cases **(Annex. 21).**

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 30,339,858 after verification of Rs. 10,989,506 and directed the department to recover the balance amount at the earliest.

Audit recommends that complete properties of such nature be surveyed and brought to tax net besides recovery of actual amount involved in these cases.

2.4.26 Short assessment of property tax on towers -Rs. 25.986 million

According to Section 5 of the Urban Immoveable Property Tax Act, 1958, the annual value of any land or building shall be ascertained by estimating the gross annual rent at which such land or building that may be let for use or enjoyment with such building might reasonably be expected to be let from year to year. Further, according to Government of the Punjab letter No. SO TAX(E&T)3-38/2014 dated 30th June, 2014, Sr. No.14 actual rent in case of rented properties. Self-commercial rate of valuation tables shall be applied in case of company owned properties. In this case whole land area shall be considered as covered area.

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 15 Excise & Taxation Officers had entered less rent of towers being under use of Telecom Companies in the system of property tax for calculating the ARV (Annual Rental Value) of properties.

Audit is of the view that ineffective internal controls resulted in short realization of property tax of Rs. 26,731,961 in 467 cases. **(Annex. 22)**

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of May, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 25,986,038 after verification of Rs. 745,923 and directed the department to recover the balance amount at the earliest.

Audit recommends that matter be pursued and recovery of government dues be got affected.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2020-21 vide para number 1.4.9 having financial impact of Rs. 13.916 million. Recurrence of same irregularity is a matter of serious concern.

2.4.27 Non realization of property tax treating the units as demolished ignoring tax on vacant land -Rs. 20.283 million

As per amendment in Act V, 1958 through the Punjab Finance Act, 2016 "One residential house or vacant plot, measuring an area not exceeding five marla, used or to be used for residential purpose except a residential house or vacant plot with annual value of more than five thousand rupees situated in a part of a rating area and categorized as category-A area".

During scrutiny of record of seven Excise, Taxation & Narcotics Control Officers for the year up to 2022-23, it was observed that property tax is not being levied on the properties presented as demolished or under construction in the system since ages. No mechanism has been established in system to show history of these units whether these are completed/under process nor these are treated as open plots for taxation. Resultantly, these urban properties are exempted from tax and their arrears are also suspended for the last many years.

The slackness on the part of management resulted in loss of govt. revenue amounting to Rs. 20,947,017 in 440 cases.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 20,282,648 after verification of Rs. 664,369 and directed the department to recover the balance amount at the earliest

Audit recommends recovery of the amount pointed out by Audit, besides fixing responsibility for this lapse.

2.4.28 Non realization of property tax due to allowing excess exemption to more than one five marla houses -Rs. 15.744 million

Section 4 (I) of the Punjab Urban Immovable Property Tax Act, 1958 states that "with effect from 01.07.2004, property tax shall not be levied in case of one residential house, measuring an area up to five marlas, used for residential purpose irrespective of its annual rental value".

During examination of record of the Excise, Taxation & Narcotics Control Department for the period up to 2022-23, it was noticed that 15 Excise & Taxation Officers had given exemption to all (more than one) five marla residential houses owned by the same owner whereas, only one five marla house is exempted under the law.

Audit is of the view that ineffective internal controls resulted in non-realization of property tax of Rs. 16,281,003 in 1388 cases **(Annex. 23).**

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC in its meetings held in the months from September, 2023 to January, 2024 reduced the para to Rs. 15,743,517 after verification of Rs. 537,486 and directed the department to recover the balance amount at the earliest.

Audit recommends that matter be pursued and recovery of government dues be effected.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.24 having financial impact of Rs. 2.174 million. Recurrence of same irregularity is a matter of serious concern.

2.4.29 Non realization of farm house tax -Rs. 1.2 million

According to Section 6 of the Finance Act, 2011 "Farm House tax was levied by Government of the Punjab, on farm houses lying outside existing rating areas of property tax and whose total area is four kanals, including the areas under farming, minimum covered area of 5000 square feet, and constructed after the year 1980, at the rates as a farm house with covered area of more than 10,000 square feet PKR.20/- per square foot of the covered area per annum".

During audit of Excise and Taxation Officer Gujrat, it was noticed that the Taxation authority had not assessed farm house tax which was liable to be assessed on farm house established outside the limits of rating area.

This has resulted in non-realization of farm house tax amounting to Rs. 1,200,000 in a case which indicates ineffective administrative controls

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of November, 2023 but no reply was offered.

The DAC meeting was not convened till the finalization of this Report despite issuance of reminder in the month of December, 2023.

Audit recommends creation of tax demand after assessing the farm house tax and recovery of the stated amount be made.

(AMIS Para ID 2023-0000003225_F00003)

Value for Money

2.4.30 Accumulative default un-addressed -Rs. 24,813.75 million

According to Section 16 of the Punjab Urban Immoveable Property Tax Act, 1958, any sum due on account of property tax remains unpaid after due date without sufficient cause to the satisfaction of the Collector is required to be recovered as arrear of land revenue.

During audit of office of the Secretary Excise, Taxation and Narcotics Control, Lahore for financial year 2022-23, UIPT (Urban Immoveable Property Tax) system dash board revealed that amounting to Rs. 24,813.75 million was pending on account of arrears for many years up to June 2022 but no concrete efforts have been made at administrative level for recovery of long outstanding dues.

It is further added that the department made efforts to achieve the recovery of assigned targets for each year without noticing the total demand of property tax along with the arrears of previous years.

This has resulted in accumulative default remained un-addressed of Rs. 24,813.75 million which indicates ineffective administrative controls.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of December, 2023 but no reply was offered.

The DAC meeting was not convened till the finalization of this Report despite issuance of reminder in the month of December, 2023.

Audit recommends to supervise early recovery of the stated amount from concerned person(s) besides mechanism for allocating the target to field formations be streamlined and actual potential of revenue be communicated to Finance Department.

(AMIS Para ID. 2023-0000004708_F00001)

2.4.31 Non recovery of taxes proved in inquiries against the officers and official -Rs. 89.774 million

According to 2.33 of PFR Vol-1, every government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by government through fraud or negligence on his part. Subsection (f) of Section 7 of the Punjab Employees Efficiency, Discipline and Accountability Act, 2006 state that “where charge or charges of grave corruption are proved against an accused, the penalty of dismissal from service shall be imposed, in addition to the penalty of recovery, if any.

During audit of the Excise, Taxation & Narcotics Control Department for year 2021-22, it was observed that no proper mechanism exists for recovery from defaulters. It is further added that supervisory authorities in most of the cases ignored the issue as no orders for inquiry was available on record and in some cases minor penalties were imposed by shifting all the burden of offence on data entry operators and inspectors only.

The inquiries for year 2020-21 were not carried forward in the year 2021-22 for proper monitoring of the fate of inquiries as the proforma-A & II (As on 30-05-2022) contained the inquiries of F.Y 2021-22 only.

Audit observed that weak supervisory and financial controls resulted in non-recovery of taxes established in inquiries against the officers and officials amounting to Rs. 89,774,540 in 14 cases.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of May, 2023 but no reply was offered.

DAC in its meeting held in the month of December, 2023 kept the para pending for compliance.

Audit recommends that follow up of the amount of recovery be monitored besides the inquiries for the years 2020-21 & 2021-22 be finalized and implementation of penalties be supervised properly.

[AMIS Para ID 2023-0000000205_F00006]

2.4.32 Inaction over registration of 953 imported vehicles not available in Custom data base

Clause (d) of Section 28(1) (Refusal of registration) of the Provincial Motor Vehicles Ordinance 1965 states that (1) The registering authority may, for reasons to be recorded in writing, refuse to register any motor vehicle, if–(d) the applicant fails to produce before the registering authority: (ii) where the vehicle has been imported from any place outside Pakistan and has not been previously registered in any place in Pakistan, an import license for the vehicle.

During audit of the office of the Director General, Excise & Taxation, Lahore for the period 2021-22, it was observed that the department has failed to take any action for registration of 953 non verified vehicles from the custom department and 31 vehicles registered against artificial documents as intimated by Customs Department vide 01/ASO/287/2020/65 dated 24/03/2022. Resulting in non-deposit of Custom Duty for 953 vehicles.

Audit is of the view that lapse occurred due to weak supervisory and financial controls which resulted in inaction over registration of imported 953 vehicles not available in Custom data base.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the months of May to December, 2023 but no reply was offered.

DAC was not convened till finalization of this report.

Audit recommends that non custom vehicles be impounded after cancelation of registration and making the department representatives and owners of vehicles accountable.

Note: The issue was reported earlier also in the Audit Report for the Audit Year 2022-23 vide para number 2.4.25 having financial impact of Rs. 11,315.82 million. Recurrence of same irregularity is a matter of serious concern.

[AMIS Para ID 2023-0000000205_F00035]

2.4.33 Distortions evident in data fields with misleading data analytics due to outsourcing pitfalls

As per the legal framework that determines the property tax administration in the province is governed by the UIPT Act, 1958, The collection made under UIPT is subject to revenue sharing with the WASAs, TMA's and City Districts. With the sole objective of plugging the leakages for increase in revenue, the Government of the Punjab on the recommendations of Punjab Fiscal Reforms Commission, 1998, did away with the then prevailing system of assessment of UIPT in Punjab on the basis of actual rents (determined by the E&TI) for rented properties and notional rents for owner-occupied properties.

Further, the Government of the Punjab initiated a project of Urban Immovable Property Tax (UIPT) in 2013 with the clear vision of bringing enhanced transparency, better management and improve service delivery in regime of taxation after implementation of e-governance in the departments in achieving major objective.

During audit of the Secretary, Excise, Taxation & Narcotics Control, Lahore for the financial year 2022-23, it was observed that every year short assessment of property tax pointed out by audit on account of allocating wrong categories as defined in valuation table along with wrong data fields (main to off, rented to self, customized to non-customized & misinterpretation of godown reduce rate) which leads to revenue reduction and loss to public exchequer but the administrative department had not made any efforts to eliminate the pitfalls.

Whereas, the same could easily be identified by going through the data field for which data was demanded from management but no data was made available to audit by stating baseless hiccups meaning thereby the administrative department is governing a tax regime for which no data is available in department. As management dash board was an important deliverable of UIPT system but the administrative department is not utilizing the same and statements for recovery of taxes were called by directly from field formation.

This has resulted in distortions evident in data fields with misleading data analytics due to outsourcing pitfalls which indicates ineffective administrative controls

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of December, 2023 but no reply was offered.

The DAC meeting was not convened till the finalization of this Report despite issuance of reminder in the month of December, 2023.

Audit recommends data be made available to audit for further data analysis by utilizing the Audit Management information system besides distortion pointed out by audit be eliminated after devising a system based strategy for better revenue mobilization .

(AMIS Para ID 2023-0000004708_F00016)

2.4.34 Non implementation of corrective measures pointed out in 3rd party audit report

As per 6 of PC-I of the project titled as "GIS Integrated Computerization of Urban Immovable Property Tax (UIPT) System in Thirty Districts of Punjab", a 3rd party audit for whole system is mandatory to complete the project cycle with following objective:

> "The excise & taxation department intends to gather information regarding leakages through under assessments and non-assessments of property units and resultant loss to government exchequer. Although the excise & taxation department has an internal audit wing however the said wing does not have capacity for doing the exercise on large scale. Further department wants to have an unbiased audit for getting exact information"

During the scrutiny of data of UIPT system maintained by office of the Director General, Excise, Taxation & Narcotics Control, Lahore for the period 2021-22, it was observed that the directions of 3rd party audit were not implemented as 3rd party audit pointed out the non-assessment of units, land use differences, difference in area and rent ability differences in assessment of commercial properties located in "A" categorized localities in District Lahore.

Calculations were made on test check basis in comparison with existing PT-1 data available at e-portal maintained by Urban Unit which revealed that the data was not amended in the system for short assessment of Rs. 1,557,560,035 for which no remedial measures were taken by the department.

Audit is of the view that weak financial and internal control of the department resulted in wasteful expenditure on 3rd Party Audit due to non-compliance of third party audit directions.

The matter was reported to the respective formations as well as to the Principal Accounting Officer in the month of May, 2023 but no reply was offered.

DAC was not convened till finalization of this report.

Audit recommends recovery of the amount pointed out by Audit, besides fixing responsibility for this lapse.

[AMIS Para ID 2023-0000000205_F00036]

CHAPTER 3

THE PUNJAB REVENUE AUTHORITY

3.1 A) *Introduction*

According to Sales Tax Act, 1951, sales tax on services was the Federal Subject. The federal government, however, asked provinces in year 2000 to introduce legislations to manage provincial sales tax on services. Further, 18th Constitutional amendment read with 7th NFC Award empowered the provinces to collect and administer sales tax on services.

Accordingly, the Punjab government established the Punjab Revenue Authority (PRA), as an autonomous organization under the administrative control of Finance Department, with automated tax payment and collection system on 1.07.2012. It also enacted the Punjab Sales Tax on Services Act, 2012 in supersession of the Punjab Sales Tax Ordinance, 2000.

B) Comments on Budgeted Receipts (Variance Analysis)

During the Financial Year 2022-23, the Punjab Revenue Authority collected an amount of Rs. 197 billion against the revised targets of Rs. 193 billion.

A comparison of original budgeted revenue estimates, revised estimates and actual receipts for the year 2022-23 is tabulated below. The variation between the revenue target and actual receipts is depicted both in absolute and percentage terms:

Variance Analysis for Punjab Revenue Authority 2022-23
(Rs. in million)

S #	Category	Head of Account	Budgeted Estimates	Revised Estimates	Actual receipts as per Financial Statement	Variation excess/ (less) Col.6-5	Percentage of Variation
1	**2**	**3**	**4**	**5**	**6**	**7**	**8**
1	Punjab Sales Tax on Services	B0-2385	184,000	193,300	197,555.37	4,255.37	2.2%

(Data Source: **1**. Annual Budget Statement 2023-24 **2**. Civil Accounts Govt. of Punjab for 2022-23)

The above figures highlight that the actual receipts were 2.2% greater than the revised revenue estimates for the financial 2022-23. The original revenue estimates were increased by 5%.

The Punjab Revenue Authority achieved its revenue targets during the financial year 2022-23. Comparison of receipts targets and actual receipts for the financial year 2021-22 and 2022-23 is given below:

Budgeted Estimates, Revised Estimates and Actual Receipts

(Rs. in billion)

Year	Budgeted Estimates	Revised Estimates	Actual Receipts as per Financial Statement
2021-22	151	161	165
2022-23	184	193.3	197.55

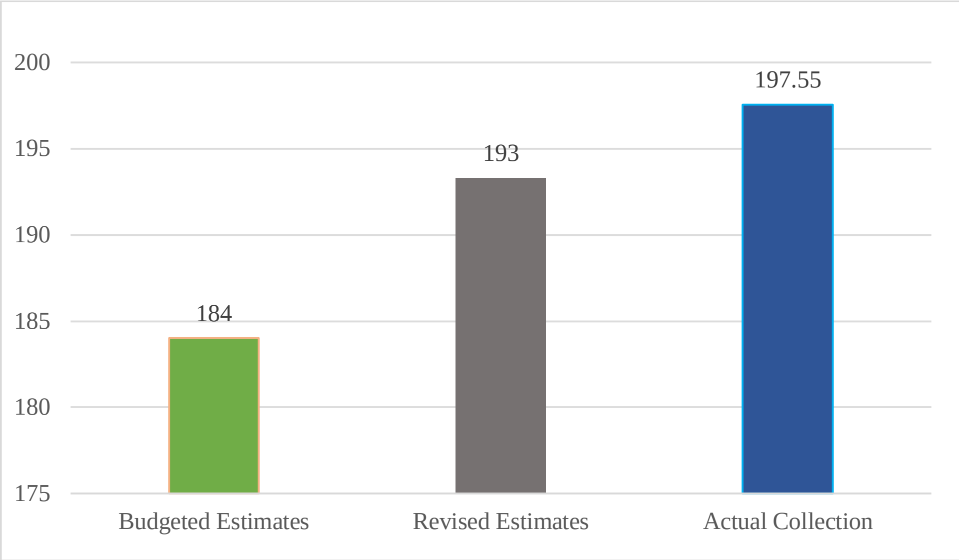
(Data Source: 1. Annual Budget Statement 2023-24 2. Civil Accounts Govt. of Punjab for 2022-23)

The above figures show that actual receipts in 2022-23 were more than that of financial year 2021-22. The Punjab revenue authority has exceeded in realizing its revised revenue targets.

The comparison of budgeted revenue estimates, revised revenue estimates and actual collection of department for the financial year 2022-23 is given in the following graph:

Comparison of Budgeted Estimates, Revised Estimates and Actual Collection

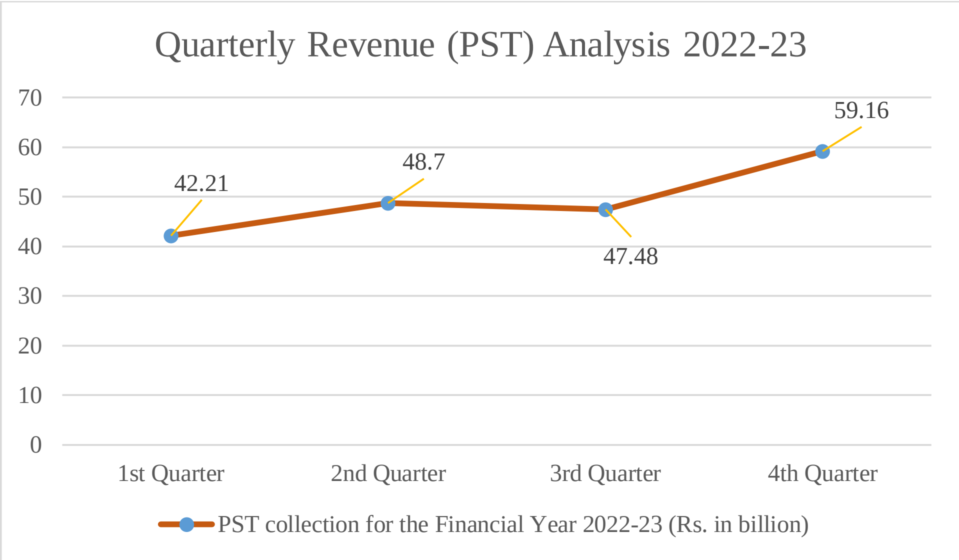
(Rs. in billion)



(Data Source: 1. Annual Budget Statement 2023-24 2. Civil Accounts Govt. of Punjab for 2022-23)

The above graph shows that the actual receipts were greater than the original estimates and revised estimates.

The quarterly tax revenue collection during the financial year 2022-23 is as under:



(Data Source: Civil Accounts Govt. of Punjab for 2022-23)

The above line chart is showing the upward trend of revenue collected by the department quarterly except in 3rd quarter.

Audit profile of Punjab Revenue Authority

(Rs. in million)

Sr. No	Description	Total No	Audited	Revenue/Receipts audited FY 2022-23
1	Formations	1	1	165,464
2	Assignment Accounts SDAs	-	-	-
3	Authorities /Autonomous Bodies etc. Under the PAO	-	-	-
4	Foreign Aided Projects (FAP)	-	-	-

3.2 Classified Summary of Audit Observations

Audit observations (recoveries) amounting to Rs. 179,960 million were raised in this report during the current audit of Punjab Revenue Authority.

Overview of audit observations

(Rs. in million)

Sr. No	Classification	Amount
1	Irregularities (Non/less realization of Govt. revenue)	179,960

3.3 Brief Comments on the Status of Compliance with PAC Directives

No PAC meeting was held till the finalization of the Report.

3.4 AUDIT PARAS

Irregularities

3.4.1 Non-assessment of minimum or actual tax liability for taxable services -Rs. 85,857.230 million

Section 24 (Assessment of Tax) of the Punjab Sales Tax on Services Act, 2012 prescribes that "where on the basis of any information acquired during an audit, inquiry, inspection or otherwise, an officer of the Authority is of the opinion that a registered person has not paid the tax due on taxable services provided by him or has made short payment, the officer shall make an assessment of the tax actually payable by that person and shall impose a penalty and charge default surcharge in accordance with Sections 48 and 49".

Furthermore, Rule 3 read with Rule 8 of the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 states that audit determination or payment of minimum tax liability for a tax period shall not be final tax liability and the registered person shall be liable to discharge actual liability which may accrue or be determined at a later stage through audit, investigation or inquiry.

During the audit of the Punjab Revenue Authority for the year 2021-22, it was observed that the authority neither conducted a survey for the registration of new units nor determined minimum or actual tax liability through audit, inquiry or investigation for 26 types of services. No evidence was shared regarding action taken by the respective enforcement wing by calling the information of taxpayers under Section 57 of the Act, 2012 ibid. The non-invocation of Rule 3 and 8 of the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 was a serious enforcement lapse.

The audit is of the view that lack of internal controls and abdication of the statutory mandate of robust enforcement and audit functions by the management resulted in non-assessment of minimum or actual tax liability for taxable services, assessable for collection of Punjab sales tax on Services with a demand for Rs. 85,857,230,219. The service providers were the beneficiaries of evading tax, escaping lawful and valid assessment and corresponding demand, occasioned by the non/short declaration of turnover of their taxable activity.

Audit pointed out the lapse on 27th June, 2023. The department provided an unsubstantiated reply against observation number 21,24,25,29,30,31,33,35,36,37,38,53 and 54 without a case to case examination of even minimum tax liability of services as mentioned in each supporting annexure and contended that the audit worked out the tax liability for units on a self-estimation basis. The reply was not tenable as the audit detection adverted to the minimum potential of untapped tax from the taxpayer, mentioned in the list by quoting the source of information that was not utilized by enforcement staff who remained negligent and dormant. The Authority's role was inept as it preferred non-utilization of the powers conferred under Act ibid as set forth under

Sections 14, 52, and 57, after getting more pieces of evidence to stop the short and non-declaration of revenue, causing loss to state.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends that legal obligation for assessment of tax be fulfilled and recovery be given effect under the law for each taxpayer taking cognizance of declaring wrong turnovers with effect from the due date of levy of taxes.

[Detail in Annexure 24)

3.4.2 Non-deposit of Punjab sales tax on declared turnover -Rs. 18,432.772 million

According to Section 11 (Person liable to pay tax) of the Punjab Sales Tax on Services Act, 2012, "Where a service is taxable by virtue of sub-section (1) of Section 3, the liability to pay the tax shall be on the registered person providing the service".

(2) Where a service is taxable by virtue of sub-section (2) of Section 3, the liability to pay the tax shall be on the person receiving the service.

(4) Nothing contained in this section shall prevent the collection of tax from a different person if that person is made separately or jointly or severally liable for the tax under Section 19.

Rule 8 of the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 states that Audit determination and /or payment of minimum tax liability for a tax period shall not be final tax liability and the registered person shall be liable to discharge actual liability which may accrue or determined at a later stage through audit, investigation or inquiry.

During audit of PRA, it was observed that data of PST collection given by authority for the year 2021-22 showed turnover of Rs. 163,968,374,928 against 9780 taxpayers but it was noticed that system shows zero PST collection during 2021-22 against the said taxpayers. As per rate of tax applied on collection, an amount of Rs. 18,432,771,996 was not deposited into government treasury.

Audit is of the view that non-existence of internal controls and inaction on part of management resulted in non-deposit of Punjab sales tax of Rs. 18,432,771,996.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of the working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends to inquire into the matter and also determine the tax liability besides fixing the responsibility against persons responsible for inaction in this respect.

[AMIS Para ID 2023-0000000189_F00038]

3.4.3 Less realization of Punjab sales tax due to late registration of service providers -Rs. 16,891.156 million

According to Section 25 (Registration) of the Punjab Sales Tax on Services Act, 2012 "a person shall register under this Act, who–

(a) provides any taxable service from his office or place of business in the Punjab; and Section 10 of the Act, 2012 ibid states that Subject to the provisions of this Act and the rules, there shall be charged, levied, collected and paid the tax on the value of a taxable service at the rate or rates specified in the Second Schedule."

Section 27 of the Punjab Sales Tax on Services Act, 2012 states that "if the Commissioner is satisfied that a person who is required to be registered and has not applied for registration, the Commissioner shall register the person and shall, not later than fifteen days before the day on which the registration takes effect, notify the person of the registration, the day on which it takes effect, and the registration number issued to the person.

During audit of Punjab Revenue Authority, Lahore for the year 2021-22, it was observed that the authority took no action for late registration on the part of service providers whereas, the same were already depositing tax to FBR. It is further added that authority had not undertaken audit of these units for determination of previous year's tax liability as these units were in category of compulsory registration also and no concrete measures were taken by PRA to penalize the late registration and defaulted payment of taxes. Audit Cum Risk Compliance Officers were posted in PRA but neither they conducted audit of previous years of late registered units nor determined minimum or actual tax liability of registered person. It was further observed that the authority allotted compulsory registration numbers but these units were registered after lapse of years and had not made payment of PST and penalty for non-filing during gap period.

Audit is of the view that lack of internal controls, weak enforcement and non-pursuance by the management resulted in less realization of Punjab sales tax amounting to Rs. 16,891,155,648 due to late registration of service providers.

Audit pointed out the lapse on 27th June, 2023. The department replied that the audit has mentioned 47 units which have not been audited under the Punjab Sales Tax on Services (determination of minimum tax liability) Regulation, 2019.

The department in its reply admitted that the 47 taxpayers were not timely registered with PRA and no action has been initiated to recover the tax from the date of levy of PST. The reply of authority is not tenable as Section 25 of the Act ibid puts an obligation on the taxpayer to get himself registered with PRA and if he fails, it is the responsibility of PRA to get him registered besides recovering tax not paid as Section 10 (Scope of tax and allied matters) enjoins that "there shall be charged, levied, collected and paid the tax on the value of a taxable service". Admission of PRA's disability is tantamount to providing favor to the taxpayer.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends that the mandated assessment of tax be made and recovery be given effect under the law for each taxpayer from the due date of levy of taxes.

[AMIS Para ID 2023-0000000189_F00003, F00005]

3.4.4 Loss due to non-registration and under-declaration of turnover by the restaurant sector -Rs. 15,092.871 million

According to Section 24 of the Punjab Sales Tax on Services Act, 2012, where on the basis of any information acquired during an audit, inquiry, inspection, or otherwise, an officer of the Authority is of the opinion that a registered person has not paid the tax due, on taxable services provided by him or has made short payment, the officer shall make an assessment of the tax actually payable by that person and shall impose a penalty and charge default surcharge in accordance with Sections 48 and 49.

According to Sr. No. 11 of the 2nd Schedule of Punjab Sales Tax on Services Act, 2012 "Services provided by restaurants including cafes, food (including ice-cream) parlors, coffee houses, coffee shops, deras, food huts, eateries, resorts and similar cooked, prepared or ready-to-eat food service outlets, etc. shall be charged with sales tax @ 16 % or 5 % as the case may be".

During the audit of registration data maintained by the Punjab Revenue Authority for the year 2021-22, it was observed that in connection with the assessment of the category of restaurants, the authority had not assessed minimum or actual tax liability, although it registered 6,939 restaurants. Tax demand of Rs. 15,003,821,307 in seven Commissionarates of the Punjab remained unrecovered. Furthermore, the registered taxpayer profile of restaurants did not mention a complete list of their business extension branches. Although the businesses are charging PST from their customers but are not depositing the same to government exchequer. The enforcement wing of PRA had not sent any notices to these business units for the provision of information, compulsory registration, impounding of record and sealing of taxpayer business premises over non-compliance of the Act.

Audit is of the view that lack of internal controls, weak enforcement and non-pursuance by the management resulted in loss of Rs. 15,092,871,307 due to non-registration and under-declaration of turnover by restaurant sector.

Audit pointed out the lapse on 27th June, 2023. The department provided irrelevant reply against observation number 12 and 71 without case to case examination of identified restaurants, providing services in Punjab.

The reply is not tenable as audit has pointed out minimum potential of untapped tax from the taxpayer mentioned in the list, by quoting the source of information which was not utilized by enforcement staff. Therefore, enforcement wing is required to make a detail review of cases pointed out by audit and with proactive approach by utilizing the powers conferred under Act 2012 ibid like Section 14, 52 and 57 after getting more evidences to stop under reporting of revenue causing loss to the state. Audit stresses that the cases pointed out are required to be probed under the law.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends that mandated assessment of tax be made and recovery be given affect under the law for each taxpayer, taking cognizance of wrong turnovers, with effect from the due date of levy of taxes.

[AMIS Para ID 2023-0000000189_F00002]

3.4.5 Non realization of default surcharge and penalty for late or non-filing of returns -Rs. 10,929.491 million

Section 49 of the Punjab Sales Tax on Services Act, 2012, defines Default surcharge as "Notwithstanding the provisions of Section 24, if a registered person does not pay the tax due or any part thereof, whether willfully or otherwise, on time or in the manner specified under this Act, rules or notifications or procedures issued thereunder, he shall, in addition to the tax due and any penalty under Section 48, pay default surcharge at the rate mentioned below:-

(a) the person liable to pay any amount of tax or charge shall pay default surcharge at the rate of inter-bank rate plus three percent per annum of the amount of the tax due; and

(b) in case, the default is on account of tax fraud, the person who has committed tax fraud shall pay default surcharge at the rate of two percent per month, of the amount of tax evaded, till such time the entire liability including the amount of default surcharge is paid.

(2) For the purpose of calculation of default surcharge, the period of default shall be reckoned from the sixteenth day following the due date of the tax period to which the default relates, to the day preceding the date on which the tax due is actually paid

During audit of Punjab Revenue Authority, for the period 2021-22, it was observed that the assessed units (service providers) made late payments but authority had not imposed default surcharge of Rs. 277,790,638 on 3,691 taxpayer who paid their tax liability after expiry of due date as prescribed under law.

Furthermore, in connection with filing of returns and payment of sales tax in June, 2022, 45205 registered units had neither paid sales tax nor filed the returns after lapse of prescribed period but no action was taken by authority to invoke the relevant provision of law regarding imposition of penalty of Rs. 9,945,100,000.

Moreover, private limited companies are also registered with PRA but annual audited accounts are not available with PRA. The enforcement team neither make any efforts to conduct audit nor compare the turnover declared in monthly returns with their annual accounts. Due to this Government of the Punjab, sustained a huge loss on account of tax evasion. 7066 companies had not declared their turnover and the enforcement team had not taken any cognizance for declining trends in revenue declarations by issuance of any show cause notices for imposition of penalty of Rs. 706,600,000. Enforcement measures like audit of self-assessed returns and impounding of record were also not taken. Whereas, information from FBR under Section 153 (1) c & 153 (1) b was not obtained for charging the Punjab sales tax on services as per actual potential.

Audit is of the view that non-existence of internal controls and inaction on part of management resulted in non-realization of default surcharge and penalty of late or non-filing of returns along with tax due amounting to Rs. 10,929,490,638.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends to recover the default surcharge from persons who made late payment of PST and from those who skipped the tax return.

[AMIS Parra ID 2023-0000000189_F00015, F00024 & F00039]

3.4.6 Inaction to bring compulsory registered service providers in tax net -Rs. 7,970.220 million

Section 27 of the Punjab Sales Tax on Services Act, 2012 defines Compulsory Registration as "(1) If the Commissioner is satisfied that a person who is required to be registered and has not applied for registration, the Commissioner shall register the person and shall, not later than fifteen days before the day on which the registration takes effect, notify the person of the registration, the day on which it takes effect, and the registration number issued to the person".

Serial No. 1 of Section 48 of Punjab Sales Tax Act, 2012 provides with following penal measures:

Offence	**Penalties**
Any person who is required to apply for registration under this Act fails to make an application for registration before providing any taxable services	Such person shall be liable to pay a penalty of fifty thousand rupees or five percent of the amount of the tax he would have been liable to pay, whichever is higher. In the case of non-compliance of compulsory registration, the minimum penalty for a company shall be one hundred thousand rupees and for a person, other than a company, shall be fifty thousand rupees: If such person who is required to get himself registered under this Act, fails to get registered within ninety days of providing taxable services, he shall be further liable, upon conviction by a Special Judge, to imprisonment for a term which may extend to one year, or with fine which may extend to the amount of the tax he would have been liable to pay, or with both.

During audit of Punjab Revenue Authority, Lahore for the period of 2021-22, it was observed that the authority had allotted compulsory registration number (CR No) to 25416 units up till June, 2022 but after data analysis on sample basis, 6455 units were not found in regular registration data. These units are providing services and same are on active taxpayer list of FBR but PRA neither took any action to get the compulsorily registered tax payers to regularize their registration for payment of their monthly tax and to recover penalty nor recommended imprisonment for tax defaulters as per law.

Furthermore, no record was maintained for notices issued to service providers under Section 57 of the Act ibid for provision of information, audit or for impounding of record and show cause notice for sealing of taxpayer.

Audit is of the view that lack of internal controls and non-pursuance by the management resulted in loss to government of Rs. 7,970,220,000 on account minimum determination of Punjab sales tax and penalty for non-registration.

Audit pointed out the lapse on 27th June, 2023. The department replied that the audit team has mentioned 1044 units and called them as Ghost units. These units could not be called as Ghost by any means as these are registered with PRA.

The reply is not tenable as the Punjab Revenue Authority allotted compulsory registration number (CR NO) to different taxable units in 2013 to 2022. As per Section 27 of the Act ibid, the commissioner shall register the person and shall, not later than fifteen days before the day on which the registration takes effect but the authority had not taken action to get the person registered under Section 25 of the Act ibid nor de-registered the units under Section 29 of the Act ibid. Further, after allotment of CR No in PRA, these units had applied for suspension of sale tax registration under FBR. It is to worth mentioning here that neither these units paid tax in FBR nor in PRA. Therefore, these unit could be called “Ghost” in the system.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends to probe the matter and fix the responsibility against persons at fault along with recovery of potential tax liability on account of Punjab sales tax during default period.

[AMIS Para ID 2023-0000000189_F00004]

3.4.7 Less realization of Punjab sales tax from hotels due to short declaration of turnover -Rs. 7,532.663 million

Subsection (43) of Section 2 of the Punjab Sales Tax on Services Act, 2012 states “tax fraud” means knowingly, dishonestly or fraudulently and without any lawful excuse–

(a) doing of any act or causing to do any act; or

(b) omitting to take any action or causing the omission of any action, including providing of taxable services without being registered under the Act; or

(c) falsifying or causing falsification of tax invoices or other tax documents or records; or

(d) acting in contravention of the duties or obligations imposed under the Act or rules or instructions issued thereunder-

with the intention of understating or suppressing the tax liability or under paying or not paying the tax liability;

During audit of Punjab Revenue Authority for the period 2021-22, it was observed that the authority had not integrated data of hotels under tax net of Excise and Taxation Department, Punjab with PRA data base. There was a difference in hotels registered with PRA as compared with the data of registered hotels with Excise and Taxation Department and PRA was also unaware of total rooms and room rent charged by the hotel sector.

Furthermore, the authority neither integrated data with other tax collecting agencies nor notices were issued under Section 57 of the Act ibid.

Audit is of the view that non-existence of internal controls and inaction on part of management resulted in less realization of Punjab sales tax of Rs. 7,532,663,000 from hotels through declaring short turnover which indicates weak financial and administrative controls.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends that a comparison of other tax collecting agencies be made with returns available with PRA besides probing the matter for fixation of responsibility against persons at fault along with ensuring recovery of actual tax liability on account of PST.

[AMIS Para ID 2023-0000000189_F00010]

3.4.8 Short realization of PST due to inadmissible input claim -Rs. 5,677.171 million

Section 16-B of the Punjab Sales Tax on Services Act, 2012 defines Tax Credit not Allowed as "Notwithstanding anything contained in this Act or the rules, a registered person shall not be entitled to claim input tax adjustment in respect of:

(g) goods and services liable to a tax rate lesser than fifteen percent of the charges or to a specific rate of tax not based on value when used for providing or rendering any service".

During audit of PRA for the period 2021-22, it was observed that the authority had not recovered the amount of Rs. 5,305,135,816 due to inadmissible input adjustment claimed on goods and services liable to tax rate less than fifteen percent. Furthermore, it was also observed that the restaurants were charging 5% PST through debit/credit card but claiming input tax which is not admissible. This has resulted in short realization of PST due to inadmissible input claim of Rs. 371,980,821.

Settlement reports of all merchant accounts, regarding sale through debit/credit card for previous months issued by the banks and copies of bank statements where the amounts have been credited were not available.

Audit is of the view that lack of internal controls and non-pursuance by the management resulted in short realization of Rs. 5,677,171,000 due to inadmissible input claim.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024 and the para was kept pending for compliance after detailed working by PRA.

Audit recommends to recover inadmissible input claim and penalize the taxpayers at fault besides strengthening the internal controls in this respect.

[AMIS Para ID 2023-0000000189_F00006, F00007]

3.4.9 Non recovery of PST against upheld cases -Rs. 4,009.780 million

Section 24 of the Punjab Sales Tax on Services Act, 2012 defines Assessment of tax as "(1) where on the basis of any information acquired during an audit, inquiry, inspection or otherwise, an officer of the Authority is of the opinion that a registered person has not paid the tax due on taxable services provided by him or has made short payment, the officer shall make an assessment of the tax actually payable by that person and shall impose a penalty and charge default surcharge in accordance with Sections 48 and 49".

During audit of PRA for the period 2021-22, it was observed that the Commissioner Appeal upheld 37 assessment order of Punjab sales tax amounting to Rs. 4,009,780,004 during 2021-22 but no efforts were made by enforcement team for recovery of Punjab sales tax which resulted in non-recovery of PST.

Audit is of the view that non-existence of internal controls and inaction on the part of management resulted in non-recovery of PST of Rs. 4,009,780,004 which indicates weak financial and administrative controls

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024 and a committee is formed with nominees from Finance Department, PRA and Audit department for review of working by PRA for assessment of actual tax liability.

Audit recommends to recover Punjab sales tax as per law.

[AMIS Para ID 2023-0000000189_F00049]

3.4.10 Less realization of PST due to registration in wrong category of services and application of incorrect rates -Rs. 2,213.236 million

According to sub-section 10 of Section 2 (Definitions) of the Punjab Sales Tax on Services Act, 2012 "common taxpayer identification number means the registration number or any other number or identification code allocated to a registered person"

Further, Section 16 of the Act, ibid states that "a person required to pay tax under this Act shall be entitled to deduct from the payable amount, the amount of tax payable or already paid by him on the receipt of taxable services exclusively used in connection with the taxable services he provides, subject to the condition that he holds a true and valid tax invoice not older than six tax periods, showing the amount of tax charged under the Act on the services so received, but the Authority may disallow or subject to additional conditions may restrict such deduction in cases or with respect to taxable services or goods specified in Section 16A or Section 16B or the rules".

During audit of Punjab Revenue Authority for the period 2021-22, it was observed that the taxpayers registered with PRA with multiple categories of services had not paid tax amounting to Rs. 1,902,189,000 against all services provided to its consumers.

Furthermore, it was observed that in 735 cases, the service providers having tax rate five percent without input adjustment paid tax with less than 5% rate resulting into less realization of PST of Rs. 311,046,523

Audit is of the view that non-existence of internal controls and inaction on the part of management resulted in less realization of PST of Rs. 2,213,235,523 due to allotment of wrong category of services and application incorrect rates.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends to probe the matter and fix responsibility for the persons at fault.

[AMIS Para ID 2023-0000000189_F00012&F00029]

3.4.11 Non-realization of Punjab sale tax on franchise and sponsorship services of Pakistan Super League -Rs. 2,127.320 million

Sr. No 13 of the 2nd Schedule to the Punjab Sales Tax on Services Act, 2012 states that "Franchise service including intellectual property rights services and licensing services shall pay (a) Five percent without input tax adjustment for services relating to educational institutions; and (b) Sixteen percent for others. Further, Sr. No. 59 of the Schedule ibid states that sponsorship services providers shall pay the tax at the rate of 16 %".

During audit of PRA for the period 2021-22, it was observed that Pakistan Super League was not registered with PRA as taxpayer or as withholding agent. The PSL has franchise agreement with six teams and charging franchise fee amounting to Rs. 10,603,750,000 and Sponsorship fee of Rs. 2,692,000,000. But the entity had not collected potential of PST amounting to Rs. 2,127,320,000. Furthermore, the PSL is generating revenues from many other services like advertisement services and allied services which should be assessed by PRA as per tax potential.

Audit is of the view that non-existence of internal controls and inaction on the part of management resulted in non/short deposit of PST of Rs. 2,127,320,000.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends to conduct audit of the above mentioned taxpayer and recover the short payment of PST besides tax be assessed on services rendered or utilized by PSL and its franchisee's as well.

[AMIS Para ID 2023-0000000189_F00041]

3.4.12 Non deposit of Punjab sales tax on services rendered by Punjab Food Authority -Rs. 172.512 million

Section 14 (Special procedure and tax withholding provisions.) of the Punjab Sales Tax on Services Act, 2012 states that "(1) Notwithstanding anything contained in this Act, the Authority may, by notification in the official Gazette, prescribe a special procedure for the payment of tax, registration, book keeping, invoicing or billing requirements, returns and other related matters in respect of any service or class of services, as may be specified. (Services as per sr.no 42 and 13 of 2nd schedule)

(2) Notwithstanding other provisions of this Act, the Authority may require any person or class of persons whether registered or not for the purpose of this Act to withhold full or part of the tax charged from such person or class of persons on the provision of any taxable service or class of taxable services and to deposit the tax so withheld, with the Government within such time and in such manner as it may, by notification in the official Gazette, specify".

During audit of PRA for the period 2021-22, it was observed that Punjab Food Authority (PFA) collected Rs. 1,157,577,229 on account of different services i.e. License services, Training services and Lab testing services and withheld Punjab Sales Tax of Rs. 185,212,357 on these services but deposited only Rs 12,700,008 which was shown in their PST returns.

Audit is of the view that non-existence of internal controls and inaction on the part of management resulted in non-deposit of Punjab Sales Tax on services rendered by Punjab Food Authority -Rs. 172,512,349.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends to make assessment of previous year tax evasion and recover the short payment of PST.

[AMIS Para ID 2023-0000000189_F00040]

3.4.13 Non-realization of PST due to in-admissible exemption -Rs. 39.201 million

According to Section 12(Exemptions.) of the Punjab Sales Tax on Services Act, 2012 "(1) Notwithstanding the provisions of Sections 3 and 10, the Authority may, with the approval of the Government and subject to such conditions, limitations or restrictions as it may impose, by notification in the official Gazette, exempt–

(a) taxable service or services from the whole or any part of the tax;
(b) taxable service or services provided by a person or class of persons from the whole or any part of the tax;

(c) recipient or recipients of service or services, including international organizations and institutions, from the payment of the whole or any part of the tax; and

(d) a class of persons, any area or areas of the Punjab from the whole or any part of the tax."

During audit of PRA for the period 2021-22, it was observed that taxpayers availed tax exemptions of Rs. 39,201,833 on account of Punjab Sales Tax in tax returns. But the exemptions were inadmissible as notification or justification for such exemptions was not provided by authority.

Audit is of the view that non-existence of internal controls and inaction on part of management resulted in non-realization of PST of Rs. 39,201,833 due to in-admissible exemption.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by audit.

Audit recommends to provide all record, reasons for exemption and data related to exemption for the period 2021-22 besides amount of inadmissible exemption be recovered as per law.

[AMIS Para ID 2023-0000000189_F00047]

3.4.14 Filing of returns with fixed turnover causing loss -Rs. 14.561 million

Section 35 of the Punjab Sales Tax on Services Act, 2012 defines Return as "(1) Every registered person shall furnish to the Authority, not later than the due date, a true, correct and properly filled-up return in the form notified by the Authority, indicating the tax due and paid during a tax period and such other information or particulars as may be notified by the Authority".

During audit of Punjab Revenue Authority for the period 2021-22, it was observed that taxpayers submitted returns by declaring fixed or minimum sales which clearly showed stereo typed or manipulated turnover i.e. Rs. 200,000 with tax deposited @ 5 % for Rs. 10,000 per month and PRA took no action against the taxpayers.

Audit is of the view that non-existence of internal controls and inaction on the part of management resulted in filing of returns with fixed turnover causing loss of Rs. 14,561,000 in 139 cases.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024 directed the department to ensure the compliance of tax law.

Audit recommends to probe the matter and fix responsibility against the persons and taxpayers at fault and conduct an audit of those are filing returns with false turnover.

[AMIS Para ID 2023-0000000189_F00016]

Value for Money

3.4.15 Dormant role of Punjab Revenue Authority for documentation of assessee's data base

Section 9 of the Punjab Revenue Authority Act, 2012 defines Data bank as "(1) The Authority shall create and maintain a data bank containing information from third parties necessary to achieve the purposes of this Act.

(2) The Authority shall use the data, amongst other things, to increase the taxpayers' base, ensure accuracy of information, financial analysis and to evaluate the performance of the employees."

During audit of Punjab Revenue Authority for the period 2021-22, it was observed that authority had not performed key activities for broadening of tax base. Following governance issues were found:

Sr.	**Description**	**AMIS Para ID**
1	Non-maintenance of records regarding court cases, non-availability of records of proceedings of the fact-finding committee and tampering of records at Multan Commissionerate contrary to Section 9 of the Punjab Revenue Authority Act, 2012, the authority did not provide read only access to PTMS, Annex C of returns of registered taxpayers data with FBR registration date, and one view reports were not maintained.	2023-0000000189_F00018, F00020, F00023
2	Non recovery of input claim claimed by restaurants due to non-fulfillment of condition of permission granted contrary to Notification No. SO (Tax) 1-10/2020-21 (P) 14 Dated 30-09-2020	2023-0000000189_F00013
3	Non-recovery and verification of PST pointed out in IS Audit as directed by administrative department whereas Section 70 of Punjab Sales Tax on Services Act, 2012 defines "Recovery of Arrears of Tax	2023-0000000189_F00017
4	Short declaration of turnover on tax return in comparison to FBR cross data analysis causing less realization of PST in breach of provisions of Section 10 of the Punjab Sales Tax on services Act, 2012. **(Detail in Annex. 25 & 26)**	2023-0000000189_F00008
5	Non-realization of Punjab infrastructure development cess on imported Vehicles due to non-existence of mechanism for recovery of PIDC for imports of goods at the ports situated outside Punjab province contrary to Section 44 of the Punjab Infrastructure Development Cess Act 2015.	2023-0000000189_F00027
6	Non-realization of Punjab Worker Welfare Fund demand due to not assessment of net profit through FBR returns of industrial unit for actual recovery of Punjab Worker Welfare fund.	2023-0000000189_F00028

7	Non-recovery of PST on commission allowed to Petroleum dealer as PRA have no sale data of fuel supplied to every petrol pump whereas Subsection 9A and 9B of Section 2 of the Act 2012 ibid "commission" includes any consideration in whatever form.	2023-0000000189_F00030
8	Less collection of Punjab sales tax due to a negative trend on account of PST in annual returns whereas to Section 3 of the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019.	2023-0000000189_F00035
9	Loss of revenue due to non-determination of tax liability for filling of nil return in two years whereas to Section 3 of the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019.	2023-0000000189_F00036, F00037
10	Loss of revenue due to slipshod assessment without supporting documents contrary to Section 24 of the Punjab Sales Tax Act, 2012.	2023-0000000189_F00048
11	Short realization of input tax claimed from FBR subject to provisions of Section 16A or Section 16B or to such conditions and restrictions as may be prescribed.	2023-0000000189_F00046
12	Loss of Government exchequer due to non-conducting the exercise for cross-input tax adjustment subject to provisions of Section 16A or Section 16B.	2023-0000000189_F00045
13	Non-functioning of projects Restaurant Invoice Monitoring System (RIMS) and (e-IMS) after incurring of expenditure whereas Punjab Electronic Invoice Monitoring System Rules, 2019 Rule states that the registered person shall not issue any invoice to its customer other than that generated through the e-IMS. Invoices of four registered units on RIMS/e-IMS were checked and found that the invoices were without registration number and issue from other than POS installed point and these units were not uploading invoices on e-IMS. (**Detail in Annex. 27)**	2023-0000000189_F00055
14	Non realization of Punjab sale tax on repair and maintenance services as per Sr. No. 56 (effective from 1st November 2018) and Sr. No. 39 of 2nd Schedule of the Punjab Sales Tax on Services Act 2012	2023-0000000189_F00031

Audit is of the view that non-existence of internal controls and inaction on part of management resulted in dormant role of Punjab Revenue Authority for documentation of assessee's database.

Audit pointed out the lapse on 27th June, 2023. No reply was given by authority.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends integration of tax data with all other relevant agencies, efforts are required to be made for broadening of tax base and proper declaration of business turnover be ensured by using the information available at different sources besides mapping out information of under declaration of turnover be utilized for assessment of unpaid PST.

3.4.16 Non performing of functions for enhancement of tax base

As per Section 5 of the Punjab Revenue Authority Act 2012, Powers and functions of the Authority "the authority shall exercise such powers and perform such functions as are necessary to achieve the purposes of this Act. (2) without prejudice to the generality of the powers mentioned in sub-section (1)"

During audit of PRA, for the period 2021-22, it was observed that following functions were not performed by the authority:

1) the data, amongst other things, to increase the taxpayers' base, ensure accuracy of information, financial analysis and to evaluate the performance of the employees,
2) non-achievement of objective/targets of the initiatives like RIMS, e-IMS and use of Drones for monitoring the service providers,
3) direct or advise, where necessary, investigation or inquiry into suspected duty or tax evasion and tax or commercial fraud;
4) grant such performance based additional allowances or incentives and rewards to the employees and members of the Authority as may be prescribed;

Due to non-performing of defined functions, government sustained a minimum loss of Rs. 102,593.735 million as highlighted in different paras included in this the audit report.

Audit is of the view that the non-existence of internal controls and inaction on the part of management resulted in non-performing of functions as defined in in Punjab Sales Tax on Service Act, 2012, causing a loss to the government exchequer.

Audit pointed out the lapse on 27th June, 2023. No reply was given by the authority.

DAC meeting was held in the month of January, 2024. The department contested that audit has assessed the tax liability on estimation basis. Audit is of the view that untapped and non-compliant cases were pointed out in paras, where actions are required to be taken by PRA. PRA enacted the Punjab Sales Tax on Services (Determination of Minimum Tax Liability) Regulations, 2019 but action was not taken by PRA in light of said regulations. Therefore, the committee has formed a working group with nominees from Finance Department, PRA and Audit department for review of working and actions taken by PRA for assessment of actual tax liability with the date of levy of tax for the cases pointed out by Audit.

Audit recommends remedial action for non-performing of core functions and fixing responsibility on persons at fault for incurring loss to the government exchequer.

[AMIS Para ID 2023-0000000189_F00022]

3.4.17 Mis-reporting of achievements in Annual Report

Section 25 of the Punjab Revenue Authority Act, 2012 states that “Annual report. (1) The Authority shall, within three months of the close of a financial year, submit to the Government an annual report. (2) The report shall consist of:

(a) the statement of accounts;

(b) a comprehensive statement of the work, activities and performance of the Authority during the preceding financial year; and

(c) such other matters as may be prescribed and as the Authority may consider appropriate”.

During audit of PRA, it was observed that the authority published its Annual Report 2021-22 with wrong and misleading data for higher authorities as per detail given below:

i. The authority reported registered tax payers as 109,519. However, as per data provided to audit the registered units up to June, 2022 were 82,307, out of which 67,713 units had not paid any tax during the year 2021-22 ,or filing Nil returns.

ii. IT initiatives with the name PRA Mirror and PRA Eye were mentioned in report but the same were not operational

iii. Electronic Invoice Monitoring System (E-IMS) was not working properly

iv. The Authority reported that the IT initiatives were started by PRA during financial year 2021-22, for integration of PRA database with Excise. Taxation and Narcotics Department, Punjab Food Authority and PESSI but nothing was shown to audit.

v. The authority depicted in its annual report that Rs. 170.53 billion has been collected whereas, in actual, it was observed that the authority had a shortfall in PST as MIS system states the PST collection of Rs. 150,436,323,929 during 2021-22. Furthermore, cross input adjustment received from FBR for Rs. 12,959,342,000 could not be reflected as achievement against targets of 2021-22. This resulted in shortfall of Rs. 15,024,728,566 against the target of 165 billion for year 2021-22.

Audit is of the view that non-existence of internal controls, reporting and reconciliation mechanism on the part of management resulted in misleading reporting of target achievement despite short fall of Rs. 15,024,728,566 in annual report.

DAC meeting was held in the month of January, 2024 committee directed to probe the mis-reporting in respect of registered taxpayer, e-IMS and IT initiatives and data integration at administrative level besides Annual Report be revised by incorporating factual achievements of PRA.

Audit recommends that annual report be revised by indicating the correct facts and figures and reporting/reconciliation mechanism be devised for cross input adjustment against the target of current financial year besides action be taken against the persons submitting misleading annual statements.

CHAPTER 4

TRANSPORT DEPARTMENT

4.1 Introduction

Transport Department was established in the year 1987. Previously, it existed as Transport Cell in the Services, General Administration and Information Department under the supervision of the Additional Chief Secretary, Government of the Punjab.

The Punjab Provincial Transport Authority is a statutory body constituted under Section 46 of the Motor Vehicles Ordinance, 1965 and is an important satellite organization of the transport department to regulate the public transport in the Province.

The Punjab Provincial Transport Authority exercises and discharges various functions under the Motor Vehicles Ordinance, 1965 throughout the province, whereas, the District Regional Transport Authorities established at each district of the province to exercise power and functions conferred by the Motor Vehicles Ordinance, 1965, within their respective territorial jurisdictions.

Core Operational Activities

- Route permit fee,
- License fee for bus/wagon stands,
- License fee for carrying the business of goods forwarding,
- Fitness fee from different categories of public transport and
- License of bus body building workshop

The main source of income of the department is from issuance and renewal of route permits & motor vehicles fitness certificates. The revenue from these two sources is collected under the heads of account "B-02812" and "B-02811" respectively.

Route permit fee is levied under Motor Vehicle Ordinance, 1965 and rules made there under. Route permits to the owners of commercial vehicles are issued under the said law for a specific period. On expiry, these are renewed on payment of prescribed fee. In case of renewal of route permit, the owner shall make application one month before the expiry of the permit on the application forms and paid the dues as prescribed. In case of application submitted after the stipulated period, late fee on prescribed rates per month or part thereof is charged.

Audit profile of Transport Department

(Rs. in million)

Sr. No	Description	Total No	Audited	Revenue/Receipt audited FY 2022-23
1	Formations	75	6	262
2	• Assignment Accounts • SDAs	-	-	-
3	Authorities /Autonomous Bodies etc. Under the PAO	-	-	-
4	Foreign Aided Projects (FAP)	-	-	-

(B) Comments on Budgeted Receipts (Variance Analysis)

During the Financial Year 2022-23, the Transport Department of the Government of the Punjab collected an amount of Rs. 1,281.61 million against the revised estimates of Rs. 1,350 million.

A comparison of budgeted estimates, revised estimates and actual receipts for the year 2022-23 is tabulated below. The variation between the revised estimates and actual receipts is depicted both in absolute and percentage terms:

Variance Analysis for Transport Department 2022-23
(Rs. in million)

S #	Category	Head of Account	Budgeted Estimates	Revised Estimates	Actual receipts as per Financial Statement	Variation excess/ (less) Col.6-5	Percentage of Variation
1	**2**	**3**	**4**	**5**	**6**	**7**	**8**
1	Fitness Fee	B02811	65	95.25	99.74	4.49	4.71%
2	Route Permit Fee	B02812	940	1,254.75	1181.87	-72.88	-5.81%
Total			**1005**	**1350**	**1281.61**	-68.39	-5.07%

(Data Source: Annual Budget Statement 2023-24, Civil Accounts 2022-23, Govt. of Punjab)

The above figures highlight that the actual receipts against Fitness Fee & Route Permit Fee of the Transport Department was 5.07% less than the revised estimates of the receipts. The variation between the original budgeted receipts (Rs. 1,005 million) and actual receipts (Rs. 1,281.61 million) collected was Rs. 276.61 million. The budgeted receipt targets during the year were revised from 1,005 million to 1,350 million.

Comparison of receipts targets and actual receipts for the financial year 2021-22 and 2022-23 is given below in the table:

Budgeted Estimates, Revised Estimates and Actual Receipts

(Rs. in million)

Year	Budgeted Estimates	Revised Estimates	Actual receipts as per Financial Statement
2021-22	700.25	991	1058.17
2022-23	1005	1350	1281.61

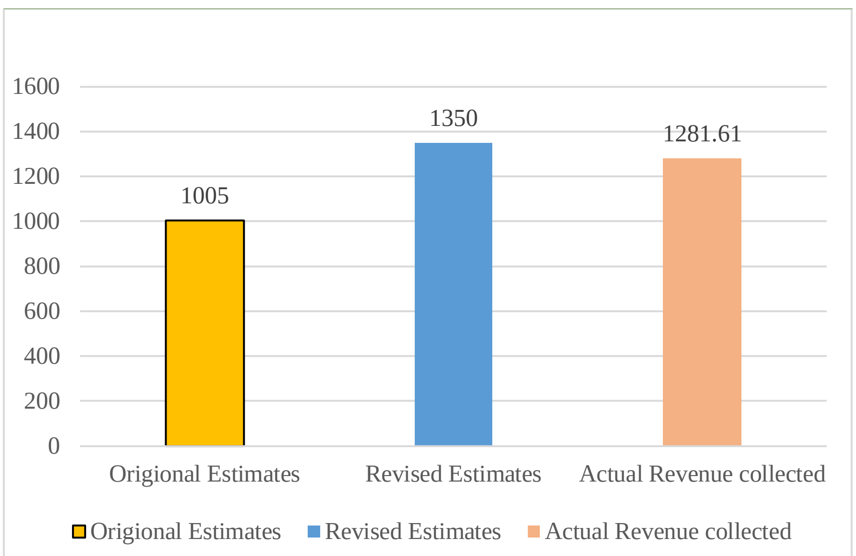
(Data Source: Annual Budget Statement 2023-24, Civil Accounts 2022-23, Govt. of Punjab)

The above figures show that actual receipts in 2022-23 were greater than the previous year i.e 2021-22. However, the revised estimates in 2020-21 were 41.52 percent more than original estimates whereas in 2022-23 revised estimates were 34.32 percent more than the original estimates.

The comparison of budgeted revenue estimates, revise revenue estimates and actual collection of department for the financial year 2022-23 also shown in the following graph:

Budgeted Estimates, Revise Estimates and Actual Collection

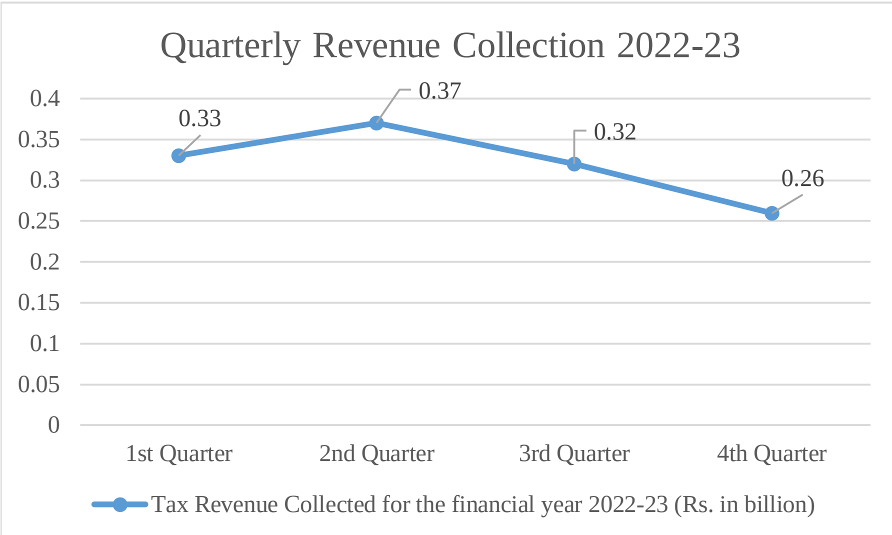
Rs. in million



(Data Source: Annual Budget Statement 2023-24, Civil Accounts 2022-23, Govt. of Punjab)

4.2 Classified Summary of Audit Observations

The quarterly tax revenue collection during the Financial Year 2021-22 is as under:



(Data Source: Civil Accounts 2022-23, Govt. of Punjab)

The above line chart shows upward trend in 2nd quarter, however, there is downward trend of revenue collected by the department in 3rd and 4th quarter.

Audit observations (recoveries) amounting to Rs. 166 million pertaining to provincial receipts were raised in this report during the current audit of Transport Department.

Overview of audit observations

(Rs. in million)

Sr. No.	**Classification**	**Amount**
1	Irregularities (Non/less realization of Govt. revenue)	166
2	Value for money and service delivery issues	26

4.3 Brief comments on the status of compliance with PAC Directives

The status of compliance with PAC Directives, for reports discussed so far, is given below:

Sr No	**Audit Report Year**	**Total Paras**	**Compliance received**	**Compliance not received**	**Percentage of compliance**
1	1985-1986	1	1	0	100
2	1986-1987	1	0	1	0
3	1990-1991	2	1	1	50
4	1992-1993	1	0	1	0
5	1993-1994	1	0	1	0
6	1996-1997	1	0	1	0
7	1997-1998	1	0	1	0
8	1998-1999	1	1	0	100
9	1999-2000	2	2	0	100
10	2000-2001	1	0	1	0
11	2001-2002	1	1	0	100
12	2006-2007	2	1	1	50
13	2007-2008	3	1	2	33
14	2009-2010	3	1	2	33
15	2011-2012	2	2	0	100

16	2013-2014	2	2	0	100
Total		**25**	**13**	**12**	**52**

The compliance with PAC Directives in Transport Department is 100 percent for Audit years 1985-86, 1998-99, 1999-2000, 2001-02, 2011-12& 2013-14. For other years, department needs to be more proactive. No PAC meeting was held for Audit Reports 2014-15 to 2022-23.

4.4 AUDIT PARAS

Irregularities

4.4.1 Non-deposit of 50% share in treasury on collection penalty for late inspection by OPUS -Rs. 92.945 million

As per Clause 1.8 of general conditions of the agreement dated 3rd February 2015, between Secretary Transport, Govt. of Punjab and Opus Inspection (Pvt) Ltd, there shall be charged a penalty @1% per day of the renewal fee if the PSVs (Public Service vehicles) fails to apply for renewal of fitness certificate within 15 days of the expiry of last fitness certificate.

During examination of record of the Secretary, Transport Department, Lahore for the period 2020-22, it was observed that the OPUS company has collected penalty, from owners of PSVs who had failed to renew the fitness certificates of vehicles within due time, amounting to Rs. 185,890,000. The company was required to pay Rs. 92,945,000 as a share from penalty recovered but had not deposited the same into government exchequer.

The lapse occurred due to weak supervisory and financial controls of the management.

This resulted in non-deposit of 50% share in government treasury, on collection of penalty for late inspection by OPUS amounting to Rs. 92,945,000.

Audit pointed out the lapse in the month of May, 2023. The department noted the observation for compliance. The matter was further reported to the administrative department neither any reply was received nor DAC was convened till finalization of this report despite issuance of reminders in the months of November and December, 2023.

Audit recommends that immediate action be taken against the company to recover the government dues.

(AMIS Para ID 2023-0000000295_F00017]

4.4.2 Non-recovery of lease rent of land from Opus Inspection Company -Rs. 70.40 million

As per Clause 1.3.2 of general conditions of the agreement dated 3rd February 2015, between Secretary Transport, Govt. of Punjab and Opus Inspection (Pvt) Ltd, the company shall pay the lease/rent of land throughout the concession period at the rate determined by the relevant authority with annual increase of 10% or as per rate of inflation as notified by the Pakistan Bureau of Statistics, whichever is less.

During examination of record of the Secretary, Transport Department, Lahore for the year 2020-22, it was observed that the Opus Inspection Company has not been paying lease/rent since April 2020. As the company had paid its last rent for the month of March, 2020.

The lapse occurred due to weak supervisory and financial controls of the management.

This resulted in non-collection of lease rent of Rs. 70,395,941.

Audit pointed out the lapse in the month of May, 2023. The department noted the observation for compliance. The matter was further reported to the administrative department. Neither any reply was received nor DAC was convened till finalization of this report despite issuance of reminders in the months of November and December, 2023.

Audit recommends that strict measures be taken to recover the lease/rent amount from the company besides penalty may also be imposed on outstanding amount due till date.

(AMIS Para ID . 2023-0000000295_F00015)

4.4.3 Non realization of Government revenue -Rs. 3.100 million

According to Sections 34 (1) (b) and 60 of the Motor Vehicles Ordinance 1965, read with Rules 64 (2), 85 and 91 of the Motor Vehicles Rules 1969, Route Permit is issued for a specific period. On expiry of that period, it is required either to be surrendered to the issuing authority or be got renewed on payment of prescribed fee. In case of default, registration of such vehicles is liable to suspension. Furthermore, revise rate applicable as per Notification No. SO(P-1)2-1/2017 (RPBW) dated: 09.04.2021.

In pursuance of Government of the Punjab, Transport Department Notification No. SO-TR-I/9-2/96, Dated: 22.07.1996, amended vide Notification No. SO-TR-I/2-3/2006, Dated: 22.07.2006, C-Class and D-class Stands situated within the limits of Corporation, Municipal Corporation and Town Committee area/rural area are required to be renewed on payment of prescribed fee.

During audit of the various formations of Transport Department, it was observed that the management had not taken any action against permit holders who had neither surrendered their expired route permits nor got the same renewed. Furthermore, expired licenses of bus stands had not got renewed by the proprietors of the stands, details are as under:

(Amount in Rs.).

S. No	**Name of Formation**	**PDP No**	**Nature of irregularity**	**Amount**
1	Secretary District Regional Transport Pakpattan	2023-0000004750_F00001	Non-realization of government revenue due to non-renewal of Rout Permits – Rs. 486,700.	486,700
2	Secretary District Regional Transport Pakpattan	2023-0000004750_F00002	Non-realization of Licenses Renewal Fee of C - Class Stands – Rs.286,000.	286,000

S. No	Name of Formation	PDP No	Nature of irregularity	Amount
3	LO4226 - SCY PB PROV TPRT AUTHORITY LHR	2023-0000000360_F00001	Non-realization of Govt. revenue due to non-renewal of route permits of vehicles – Rs. 1,014,150	1,014,150
4	Secretary District Regional Transport Authority Sahiwal	2023-0000001396_F00002	Non-realization of Licenses Renewal Fee of C and D - Class Stands – Rs.255,000.	255,000
5	Secretary District Regional Transport Authority Sahiwal	2023-0000001396_F00001	Non-realization of government revenue due to non-renewal of Rout Permits – Rs.609,750	609,750
6	Secretary District Regional Transport Authority Sahiwal	2023-0000001396_F00003	Short-realization of renewal fee on Rout Permits – Rs.88,350.	88,350
7	GA5375 - Secretary District Regional Transport Authority Gujranwala	2023-0000001539_F00001	Non-Realization of Route Permits Renewal Fee-Rs. 360800	360,800
Total				**3,100,750**

The lapse occurred due to weak supervisory and financial controls of the management.

This resulted in loss to government due to non-renewal of Route Permits & Licenses Renewal Fee of bus stands amounting to Rs. *3,100,750*.

Audit pointed out the lapse in the month of October, 2023. The department noted the observation for compliance. The matter was further reported to the administrative department neither any reply was received nor DAC meeting was convened till finalization of this report despite issuance of reminders in the months of November and December, 2023.

Audit recommends devising of proper policy for recovery of government dues along with prescribed penalty.

Value for money

4.4.4 Loss to Government due to misuse of security featured papers -Rs. 25.742 million

According to Chapter-IV Rule 4.7(1) of Punjab Financial Rules, Vol-I, it is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account.

During audit of Secretary, District Regional Transport Authority, Lahore for the year 2022-23, it has been revealed that, Regional Transport Authority procured 19000 security featured papers with embossed seal. Out of 19000 security papers, 16347 were consumed for issuance of route permits to various types of commercial vehicles. An amount of Rs. 158,610,500 was collected by the issuance of these papers. An average amount of Rs. 9,703 was received against single paper.

Out of 19000 security papers, 16347 papers were used but utilization record of remaining 2653 security papers were not shown to audit. An amount of Rs. 25,742,059 could be collected from the missing security papers.

The lapse occurred due to weak supervisory and financial controls of the management.

This resulted in loss to government due to missing security papers having tentative worth of Rs. 25,742,059.

Audit pointed out the lapse in the month of October, 2023. The department noted the observation for compliance. The matter was further reported to the administrative department. Neither any reply was received nor was DAC meeting convened till finalization of this report despite issuance of reminders in the months of November and December, 2023.

Audit recommends fixing the responsibility by probing the matter at proper forum and got the recovery affected.

(AMIS Para ID . 2023-0000004739_F000020)

AUDIT REPORT

ON

THE ACCOUNTS OF

PROVINCIAL ZAKAT FUND

AND

DISTRICT ZAKAT COMMITTEES

PUNJAB

AUDIT YEAR 2023-24

PROVINCIAL ZAKAT FUNDAND DISTRICT ZAKAT COMMITTEES PUNJAB

1.4 AUDIT PARAS

1.4.1 Unauthorized payment of Zakat to ineligible beneficiaries - Rs. 63.432 million

Para 1.2 of the Zakat Disbursement Procedure provides that before certifying *istehqaq*, the beneficiary will furnish the declaration that he/she is not in receipt of financial assistance from any other poverty alleviation program of the government and that presently he/she possesses neither any source of income nor any employment to provide for the subsistence of himself/herself and his/her family.

The management of Provincial Zakat Fund (PZF) Punjab paid an amount of Rs. 3,385 million to 185,539 beneficiaries as *Guzara* Allowance during financial year 2022-23.

Audit observed that out of total beneficiaries of *Guzara* Allowance, 3,524 beneficiaries were also registered as Benazir Income Support Programme (BISP) beneficiaries and were paid an amount of Rs. 63.432 million out of Zakat Fund.

Audit held that the payment of *Guzara* allowance to BISP beneficiaries was not justified and irregular.

Initial audit observation was issued on 29.08.2023. The management replied that DAC in its previous meeting dated 21.12.2021 directed the department to take up the matter with BISP for integration of data of beneficiaries to avoid duplication in disbursement. The department had already taken up the matter with BISP dated 08.06.2021 to provide data of beneficiaries registered with BISP but no response was received till-date. Without cooperation of BISP, it was not possible to cater the duplications. However, Zakat & Ushr Department verified the data of *Mustehiqeen* from Punjab Social Protection Authority (PSPA) before release of funds.

The reply was not tenable as the Zakat was disbursed to ineligible beneficiaries despite the fact that the matter was already brought to the notice of the PAO since Audit Year 2020-21.

The matter was discussed in the DAC meeting held on 30.01.2024 and 31.01.2024. DAC pended the para with the direction that efforts will be made for non-occurrence of such irregularity in future and list will be regularly monitored.

Audit recommends that the objected amount may be recovered besides integration of data of beneficiaries with BISP to avoid duplicate payments in future.

{Para No.09 of AIR of PZF Punjab for the Audit Year 2023-24}

Note: The issue was reported earlier also in the Audit Reports for the Audit Years 2020-21, 2021-22 and 2022-23 vide para no. 1.5.2, 1.4.1 and 2.4.1 having financial impact of Rs. 640.042 million. Recurrence of same irregularity is a matter of serious concern.

1.4.2 Non-transfer of proceeds of Ushr to Provincial Zakat Fund

Section 7 of Punjab Zakat and Ushr Act 2018, provides that there shall be established a Provincial Zakat Fund (PZF) to which shall be credited among others proceeds of Ushr.

Provincial Zakat Administration (PZA) Punjab disbursed an amount of Rs. 5,708.072 million Zakat during Financial Year 2022-23.

During audit of PZA Punjab, for the financial year 2022-23, it was observed that proceeds of Ushr were not credited in the Zakat fund.

Audit held that non-credit of Ushr into PZF resulted in deprivation of the Zakat Fund and non-disbusement to the eligible beneficiaries.

Initial audit observation was issued on 29.08.2023. The management replied that assessment and collection of Ushr was the responsibility of Board of Revenue, Punjab in terms of section 5 of the Punjab Zakat and Ushr Act, 2018. The matter was being constantly pursued with the Board of Revenue Punjab by the Zakat and Ushr Department.

The matter was discussed in the DAC meeting held on 30.01.2024 and 31.01.2024. DAC pended the para with the direction to vigorously pursue the matter of collection of Ushr with Board of Revenue.

Audit recommends that proceeds of Ushr may be credited into Provincial Zakat Fund (PZF) as required under the Act. Besides, a proper mechanism may be formulated for collection of proceeds of Ushr and its credit to the PZF.

{Para No.05 of AIR of PZF Punjab for the Audit Year 2023-24}

Note: The issue was reported earlier also in the Audit Reports for the Audit Years 2019-20 and 2021-22 vide para no. 1.5.2 and 1.5.7. Recurrence of same irregularity is a matter of serious concern.

CHAPTER–2 DISTRICT ZAKAT COMMITTEES

2.1 Introduction

A. Provincial Zakat Council/Administration, Punjab issues lump sum amount directly to 36 District Zakat Committees constituted in each District of Punjab on population basis. The DZC provides Zakat Funds to LZCs and various institutions for disbursement to *Mustahiqeen* under various regular and special Zakat programmes, like *Guzara* Allowance, Educational Stipend, *Deeni Madaris*, Health Care, Social Welfare/Rehabilitation and Marriage Assistance to unmarried *Mustahiq* women.

B. Comments on Budget & Accounts

A total amount of Rs. 5,708.072 million was released by Provincial Zakat Council Punjab to 36 Districts during the year 2022-23, out of which 10 Districts, having total available budget of Rs. 4,980.743 million (including previous years) were audited, which was 87% of total formations.

(Rs. in millions)

C. Audit Profile of District Zakat Committees, Punjab

(Rs. in millions)

Sr. No.	Description	Total Nos	Audited	Expenditure audited FY 2017-23

1	Formations	36	10	4,980.743

2.2 Classified Summary of Audit Observations

Audit observations amounting to Rs. 406.235 million were raised as a result this audit. Summary of audit observations classified by nature is as under:

(Rs. in millions)

Sr. No.	Classification	Amount
1	**Irregularities**	**12.377**
A	HR/ Employees related irregularities	-
B	Procurement related irregularities	-
C	Financial Management	12.377
2	**Value for money and service delivery issue**	**388.908**
3	**Others (Weak Internal Controls)**	**4.950**

2.3 Brief comments on the status of compliance with PAC Directives

No PAC meeting has been held since 2005 on the audit reports of District Zakat Committees. Audit recommends that audit reports of District Zakat Committees may be placed before the respective PAC regularly.

2.4 AUDIT PARAS

2.4.1 Disbursement of Zakat funds to the non-registered Vocational Training Institutes (VTIs) - Rs. 388.908 million

Section 13 (1) of Punjab Skill Development Act-2019, states that after the commencement of the Act, no person, institute, public or private technical education and vocational training body, assessment agency or organization engaged in any technical education and vocational training sector service delivery shall commence its business until it is registered with the Authority under the Act.

The management of following four District Zakat and Ushr Committees (DZCs) released Zakat funds to Vocational Training Institutes (VTIs) amounting to Rs. 388.908 million during the period 2017-23 as detailed under:

(Rs. in millions)

Sr. no.	Name of DZC	Para No. of AIR	No. of VTIs	FY(s)	Amount
1	Bahawalnagar	8	04	2017-23	152.390
2	Bhakkar	3	03	2017-23	74.674
3	Layyah	7	03	2017-23	75.412
4	Mianwali	2	04	2016-23	86.432
	Total				**388.908**

During audit of DZCs for the financial years 2017-23, it was observed that the funds were disbursed to the VTIs which were not registered with Punjab Skills Development Authority.

Audit held that disbursement of Zakat funds to un-registered VTIs resulted in irregular disbursement of Zakat Fund.

Initial audit observation was issued on 03.11.2023. The management of DZCs replied that Zakat aided Vocational Training Institutes were registered with Punjab skills development authority after audit objection.

The matter was discussed in the DAC meeting held on 30.01.2024 and 31.01.2024. DAC pended the para with the direction that the respective District Zakat Officer will pursue the matter of registration with Technical Board.

Audit recommends to inquire the matter for fixation of responsibility against the person(s) at fault.

2.4.2 Disproportionate disbursement of Guzara allowance – Rs. 12.377 million

Section 9 (2) of Punjab Zakat & Ushr Act 2018, states that the Council may, from the Provincial Zakat Fund, make disbursements and transfer funds to the District Zakat Funds on the basis of population or to an institution in such form and manner as may be prescribed and as would help in ensuring satisfaction of the needs of the needy and the poor throughout its jurisdiction, as far as possible, on a uniform basis.

The managements of District Zakat & Ushr Committees (DZCs) of Sahiwal and Bhakkar disbursed funds amounting to Rs. 563.339 million and Rs. 420.845 million respectively as guzara allowance during the years 2017-23.

During audit of DZCs, for the financial years 2017-23, it was observed that the management of DZCs Sahiwal and Bhakkar disbursed Zakat funds amounting to Rs. 12.377 million to Local Zakat Committees (LZCs) disproportionately by selecting more Zakat beneficiaries (upto 33 beneficiaries per LZC) without any justification. Details are provided in **Annexure-II.**

Audit held that Provincial Zakat Administration had allocated funds to each district based on population, however, at district level, population of tehsil/ward was not considered. The disproportionate disbursement resulted in depriving off other deserving beneficiaries.

Initial audit observations were issued to the managements of DZC Sahiwal and DZC Bhakkar on 01.11.2023 and 03.11.2023 respectively. The management replied that DZCs approved the most deserving effected areas beneficiaries due to pandemic Corona Virus.

The matter was discussed in the DAC meeting held on 30.01.2024 and 31.01.2024. DAC, in case of DZC Bhakkar, pended the para with the direction that the matter be probed by Provincial

Zakat Administration. However, in case of DZC Sahiwal, DAC pended the para with the direction that a Fact Finding be carried out by DAZ (M&E) of other division within one month.

Audit recommends implementation of DAC directive.

{Para No.11 & 07 of DZCs Bhakkar & Sahiwal respectively}

2.4.3 Doubtful payment to beneficiaries by allowing multiple transactions on the same Cell No. and CNIC - Rs. 4.76 million

Standard Operating Procedures (SOPs) regarding the disbursement of Zakat fund through branchless banking provides that biometric verification of the beneficiaries shall be made by the outlet/retailer/franchise while payment of Guzara allowance and other heads.

The Provincial Zakat Administration (PZA) disbursed Zakat Funds to *Mustahiqeen* in Punjab during the financial years 2018-23 through branchless banking mechanism.

Audit observed, from the data provided by the Zakat Administration relating to the following 04 districts, that multiple transactions were made against single cell number or same beneficiary was paid on multiple numbers. Details are as under:

(Rs. in millions)

Sr. No.	**Name of DZC**	**Para No. of AIR**	**No. of beneficiaries**	**FY(s)**	**Amount**	**Remarks**
1	Sahiwal	8	74	2021-22	0.666	Same beneficiary paid on different mobile numbers
	-do-	9	72	2021-22	0.648	Different beneficiaries paid on same mobile number
2	Bhakkar	10	48	2019-22	0.440	-do-
3	Layyah	3	92	2019-22	0.828	-do-
4	Bahwalnagar	4	68	2021-22	0.612	-do-
	-do-	5	87	2021-22	1.566	Same beneficiary paid on different mobile numbers
	Total				**4.760**	

Audit held that multiple transactions against a single cell number or same beneficiary paid on multiple numbers resulted in doubtful payments to the beneficiaries.

Initial audit observation was issued on 03.11.2023. The management of respective DZCs replied that pointed out beneficiaries were either those whose biometric could not be possible during the 1st Installment or those who had passed away before 2nd Installment. Local Zakat Committees provided names of their blood relation with their CNIC and mobile numbers.

The reply of the management was not tenable as no evidence in support of management's reply was provided to Audit.

The matter was discussed in the DAC meeting held on 30.01.2024 and 31.01.2024. DAC pended the para with the direction that a Fact Finding be carried out by Deputy Administrator Zakat (M&E) of other division within one month.

Audit recommends implementation of DAC directives.

Note: The issue was reported earlier also in the Audit Reports for the Audit Years 2020-21 and 2021-22 vide para no. 1.5.6 and 1.4.2 having financial impact of Rs. 9.027 million. Recurrence of same irregularity is a matter of serious concern.

AUDIT REPORT

ON

PMA, KSIP AND CDA

GOVERNMENT OF THE PUNJAB

AUDIT YEAR 2023-24

C&W, HUD&PHE, IRRIGATION, LG&CD DEPARTMENTS, PMA, KSIP AND CDA

CHAPTER – 1

PUBLIC FINANCIAL MANAGEMENT ISSUES

1.1 Sectoral Analysis

Overview

The economic vitality of the Punjab plays a pivotal role in shaping the overall growth trajectory of the national economy. Spearheading the formulation of development policies and Annual Development Programmes (ADPs) in the province is the Planning & Development (P&D) Board, serving as the premier entity for this purpose.

Government of the Punjab, guided by the Punjab Growth Strategy 2018, envisioned the province as a secure, economically vibrant, industrialized, and knowledge-based region. The goal was to create a prosperous environment where every citizen could aspire to lead a fulfilling life.[57] This vision underscored the commitment to comprehensive development and economic progress.

Looking forward, the latest vision articulated in the Punjab Growth Strategy 2023 aspires to position Punjab as a globally connected and competitive province. The vision emphasizes equity, cultural vibrancy, and technological advancement, with sustainable economic growth driven by a dynamic private sector, an efficient public sector, rich and productive human capital, and a regionally equalized development footprint. By 2023, the aim was to achieve a balanced and prosperous future, aligning with the evolving needs and aspirations of the citizens and ensuring Punjab's continued contribution to the national economic landscape[58]. The strategy sets ambitious targets for the government, aiming to achieve several key outcomes, including:

---

[57] Punjab Growth Strategy 2018

[58] Punjab Growth Strategy 2023

i. Sustainable annual economic growth of 7 per cent by 2023.
ii. Creating, on average, 1.200 million new jobs annually.
iii. Reducing the idle youth in the Punjab from 10.3 per cent in 2017-18 to 8.8 per cent by 2023.
iv. Reducing the multi-dimensional poverty in the Punjab from 26.2 per cent in 2017-18 to 19.5 per cent by 2023.
v. Increasing the average number of new housing units to 640,000 annually.

These ambitious targets collectively reflect the comprehensive nature of the strategy, aiming not only for economic growth but also for the holistic development and well-being of Punjab and its residents. The foundation of this strategy was a dynamic sub-national growth model, drawing its strength from an analysis of provincial Gross Domestic Product (GDP) data spanning the last two decades. Additionally, the model incorporates insights from 142 national and provincial policy variables. This data-driven approach provided a robust and comprehensive framework for shaping the strategic initiatives, allowing for a nuanced understanding of economic trends and policy impacts within Punjab. The key pillars of the strategy include:

1. Enhancing focus on social sectors (in which the Punjab has a comparative advantage in the national context) and harnessing their potential.
2. Creating an enabling environment for private sector-led growth.
3. Investing more in the quality formation of human capital and its utilization.
4. Making public investment and ADP sectoral priorities so as to maximize the impact on growth.
5. Advocating and coordinating with the federal government on managing key macroeconomic policy variables that have a significant impact on the Punjab's economy.

As the strategy approaches its conclusion in 2023, it becomes apparent that the envisioned targets are still distant, with several factors contributing to this non-achievement. The challenges stem from a combination of internal and external causes. The internal factors have been adequately examined and discussed in this audit report within the context of relevant issues.

Because of constraints in its scope, this audit report doesn't delve into the external causes. External factors, which lie beyond the direct influence of the provincial government, have undoubtedly played a role in shaping the outcomes. These external dynamics, such as global economic trends, geopolitical shifts, or unforeseen natural events, significantly impacted the ability of the government to meet predetermined targets.

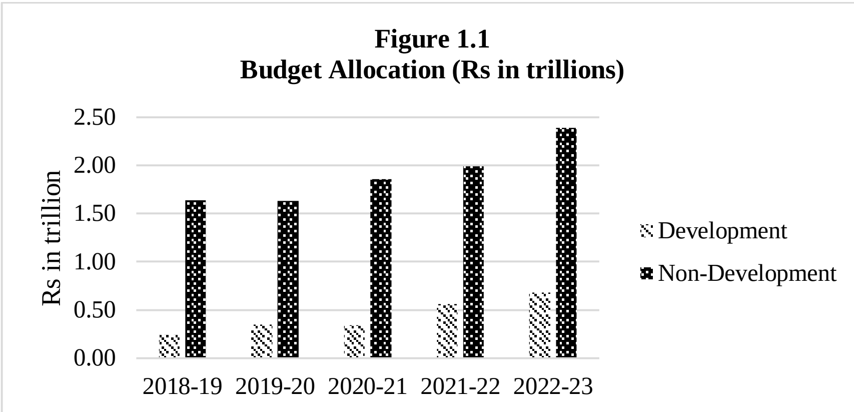
While the internal challenges are within the realm of the provincial government's control, navigating external factors often requires a different set of strategies and collaborative efforts. Acknowledging the influence of these external variables is essential for a comprehensive understanding of the overall performance of the strategy. Future analyses and assessments may need to explore these external factors more deeply to provide a holistic evaluation of the strategy's outcomes.

Budget Trend Analysis

Budget allocations in the Punjab exhibit a notable skew towards the non-development side, primarily due to the province's possession of the largest public sector apparatus among all provinces. This imbalance results in a comparatively lesser allocation to the development sector.

The significant size of the public sector in the Punjab requires substantial financial resources for salaries, administrative costs, and other non-development expenditures. As a consequence, a higher proportion of the budget is directed towards non-development activities, leaving a relatively smaller share for developmental initiatives such as infrastructure projects, education, and healthcare.

Addressing this skew in budget allocations may necessitate a careful reassessment of priorities and resource distribution. Striking a balance between the operational needs of the public sector and the imperative for development is crucial for fostering sustainable economic growth and addressing the evolving needs of the province. Future budgetary considerations and policy frameworks may explore ways to optimize resource allocation, ensuring a more equitable distribution between non-development and development sectors. Budgetary allocations for the last five financial years are presented in Figure 1.1 below:



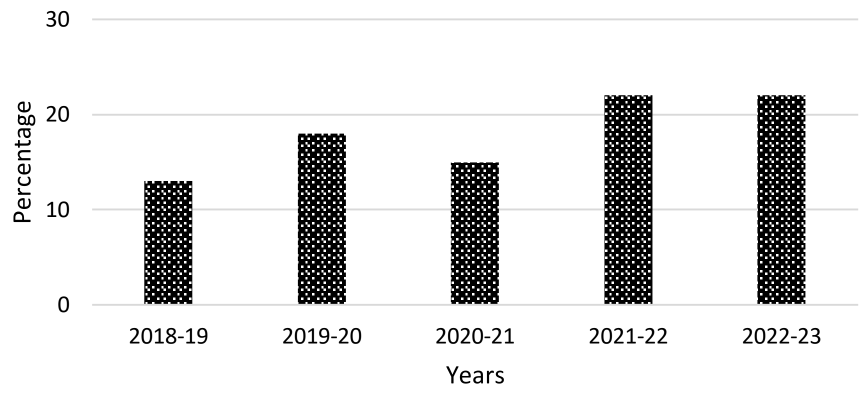
Source: SAP and Budget Books (FY 2018-19 to 2022-23)

The bar chart vividly illustrates a substantial disparity in fund allocation between the development and non-development sectors in Punjab. Despite this overall trend, a closer examination of the intra-sector allocation over the past five years, as presented in Figure 1.2, reveals a notable improvement in funding to the development sector. This positive shift comes after a dip in the FY 2018-19.

In terms of the percentage of total allocations, the development sector experienced a gradual upward trajectory: 13% in 2018-19, 18% in 2019-20, 15% in 2020-21, and a significant increase to 22% in both 2021-22 and 2022-23. This shift indicates a conscious effort to enhance the prioritization of development initiatives within the budgetary framework. The positive trend suggests a strategic reallocation of resources to support critical developmental projects and address the infrastructure and growth needs of the province.

While challenges persist in achieving a perfect balance, these percentage increases reflect a noteworthy effort to bolster the development sector in recent years, underscoring a responsive approach to the evolving needs and priorities of the province.

Figure 1.2
Allocation to Development Sector as a Percentage of Overall Allocation

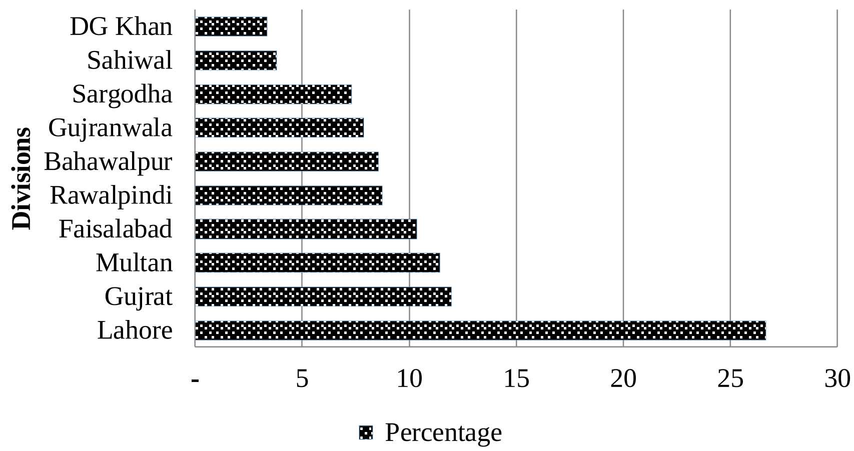


Source: SAP and Budget Books (FY 2018-19 to 2022-23)

Inclusive Growth and Regional Equalization

The 2018 and 2023 Growth Strategies aimed at inclusive growth and regional equalization, as shown in Figure 1.3 detailing development fund allocations. D.G. Khan and Sahiwal divisions received far less ADP share, while Lahore division received significantly more. This deviation from regional equalization goals suggests a need to align budgetary allocations with inclusive growth and regional balance objectives. Addressing this requires a thorough examination of factors influencing fund decisions, including adequacy of existing infrastructure, population density, and economic needs. Strategic realignment of resource distribution, guided by growth strategy objectives, is crucial for equitable development benefits across all divisions in the province.

Figure 1.3
Actual Development Expenditure (Rs in billion)
(FY 2022-23)



Source: SAP figures (FY 2022-23)

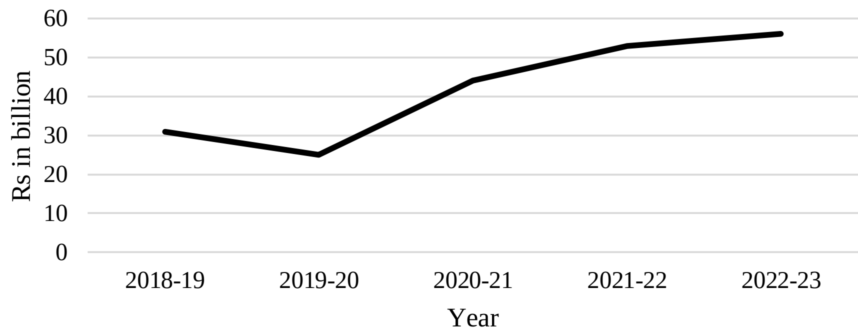
Infrastructure Development in the Punjab

The significance of the infrastructure sector in the context of development cannot be overstated, as it stands as the primary catalyst for Punjab's economic growth. The effectiveness of this crucial sector hinges on the performance of departments entrusted with infrastructure development, including but not limited to C&W, HUD&PHE, Irrigation, LG&CD, Transport, and Energy. These departments, along with various provincial authorities, receive a substantial portion of the development budget, underlining their pivotal role in shaping the province's overall progress.

By allocating a significant share of the development budget to these entities, the government underscores its recognition of the instrumental role played by the infrastructure sector in fostering economic growth. The performance and efficiency of these departments and authorities are pivotal in translating budgetary allocations into tangible outcomes, ranging from improved transportation networks to enhanced energy infrastructure, all of which contribute substantially to Punjab's developmental trajectory. The synergy between budget allocation, departmental performance, and infrastructure development is fundamental to achieve sustained and inclusive economic growth.

The Directorate General of Audit Works (Provincial) holds the responsibility of conducting audits for the mentioned entities, overseeing their adherence to financial and operational guidelines. Figure 1.4 visually represents the development budget allocations for these departments, showcasing a consistent upward trend that aligns with the overall growth in development allocations.

Figure 1.4
Allocation to Infrastructure Sector (Rs in billion)



Source: SAP and Budget Books (FY 2018-19 to 2022-23)

In terms of percentages, the allocations to these departments, relative to the overall development allocations, witnessed variations over the past five years: 31% in 2018-19, 25% in 2019-20, a substantial increase to 44% in 2020-21, 53% in 2021-22 and further rising to 56% in 2022-23. These percentages provide insights into the evolving prioritization of these key departments within the broader context of development initiatives.

The rising trend indicates a growing recognition of the pivotal role played by these departments in infrastructure development. The fluctuations in percentages could be indicative of shifting priorities, emerging needs, or specific policy directions over the years. The audit process, facilitated by the Directorate General, serves as a crucial oversight mechanism to ensure effective and transparent utilization of funds allocated to these departments, contributing to the overall accountability and success of development initiatives.

Target achievement vis-à-vis MTDF/ADPs

The targets outlined in both the Medium-Term Development Framework and ADPs mirror the ambitious nature seen in the two growth strategies. However, the reality presents a different picture as these lofty goals were often far from being realized, especially in the concluding year of the strategy.

Changes in the Number of Schemes over Time

The discrepancy becomes evident due to the financial managers and planners' inability to launch schemes that realistically align with the Medium-Term Development Framework (MTDF) targets and the available funding. A detailed discussion on this matter follows in the subsequent paragraphs.

Significant deviations have been observed between the number of original schemes and revised schemes as presented in Table 1.1. The table shows the total number of schemes originally conceived in the respective ADPs and the revised number of schemes which were included in the ADPs through supplementary grants.

Table 1.1: Number of Original Vs Revised Schemes in ADP

Department	2020-21		2021-22		2022-23	
	Original	Revised	Original	Revised	Original	Revised
C&W	1588	1899	2969	3669	2551	2873
HUD&PHE	1478	1565	1902	2100	923	1111
Irrigation	140	180	168	230	137	100
LG&CD	211	559	1125	1706	570	826
Others	51	54	91	93	84	75

Source: SAP and Departmental figures (FY 2020-21 to 2022-23)

The data reveals that a substantial number of schemes were added during the FY 2022-23 for C&W, HUD, and LG&CD departments, while the number of schemes decreased in Irrigation and other departments. This phenomenon indicates serious inadequacies in the initial planning and resource allocation. The discrepancies underscore the necessity for an in-depth analysis of the planning process within Government of the Punjab. Identifying and understanding inconsistencies in the planning phase is crucial for enhancing the effectiveness of future development initiatives. Reduction in number of Irrigation schemes in a province having strong agricultural base should be worrying.

The existing situation warrants a thorough analysis that delves into the intricacies of the planning process. This examination is vital for understanding the factors that contribute to deviations in both the number of schemes and their corresponding budgetary allocations. Identifying the root causes of these discrepancies is essential for refining the planning framework and ensuring a more accurate alignment between set targets and actual outcomes. Several factors may play decisive role in this regard, including:

Incomplete Initial Assessments: Inadequate or incomplete assessments during the initial planning stages may lead to overly ambitious targets that are challenging to achieve within the designated timeframes.

Changing Priorities: Shifts in government priorities or emerging issues may necessitate adjustments to the planned schemes, impacting the original targets and budget allocations.

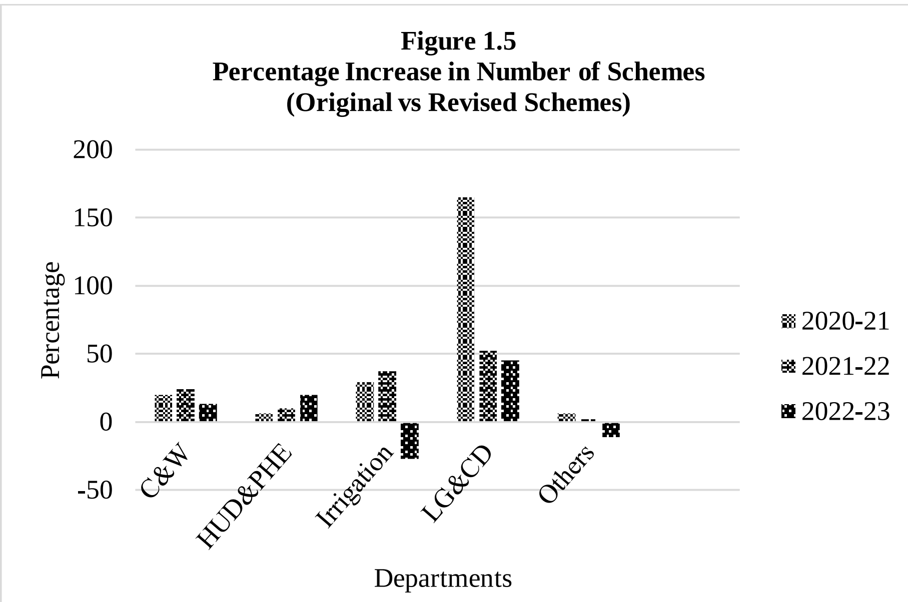
Resource Constraints: Limited availability of financial resources or unexpected fiscal challenges may result in adjustments to the number and scope of schemes, affecting the overall development landscape.

Implementation Bottlenecks: Delays or obstacles in the implementation phase can lead to modifications in the planned schemes, influencing both their numbers and budgetary requirements.

Dynamic External Factors: The influence of external factors, such as economic fluctuations or geopolitical events, may require recalibration of development plans, leading to deviations from the original targets.

A comprehensive analysis will help pinpoint the specific challenges within the planning process, allowing for targeted improvements. Addressing these factors will contribute to a more realistic and effective planning framework, ensuring that future development targets are both ambitious and achievable. By addressing inconsistencies in the planning process, Government of the Punjab can enhance its capacity to translate objectives into tangible outcomes and drive sustainable development in the region.

Figure 1.5 highlights the extent of revisions by showing a percentage increase or decrease in the number of schemes:



Source: SAP and Departmental figures (FY 2020-21 to 2022-23)

Variances from Initial Budgets

The significance of deviations from the original planning becomes even more apparent when considering actual budget allocations. A comparison of total budget allocations of original schemes and revised schemes is presented in Table 1.2. These deviations underscore the challenges in aligning financial resources with the initially envisaged schemes and their corresponding budgetary requirements.

Table 1.2: Original Budget Vs Revised Budget *(Rs in billion)*

Department	2020-21		2021-22		2022-23	
	Original	**Revised**	**Original**	**Revised**	**Original**	**Revised**
C&W	62.131	89.276	202.885	241.354	290.379	268.779
HUD&PHE	28.199	38.709	48.788	67.500	107.770	133.575
Irrigation	17.470	20.025	30.778	32.672	27.630	18.324
LG&CD	13.129	23.963	26.586	32.756	19.010	33.762
Others	5.205	5.214	9.565	9.655	12.785	15.769

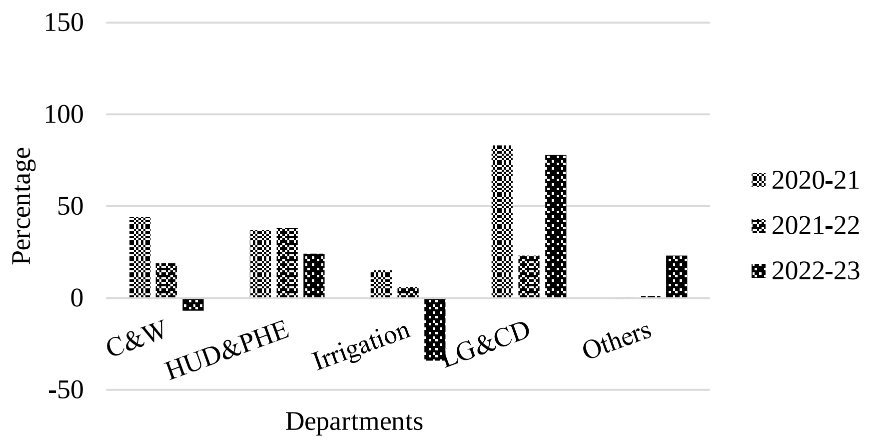
Source: SAP and Departmental figures (FY 2020-21 to 2022-23)

In FY 2022-23, the budget of C&W department was revised downwards by 7.4%, while the number of schemes increased by 12.6%. This indicates a strong possibility that a significant number of schemes may have remained underfinanced by the end of the year.

Understanding of the factors causing deviations from the original budget allocations is crucial for improving the accuracy of budget planning and allocation processes. By addressing the root causes of these discrepancies, the government can enhance its ability to allocate resources effectively and achieve a more aligned and realistic budget execution in subsequent planning cycles.

Figure 1.6, illustrating the percentage analysis of deviations from the originally conceived budget, effectively highlights the disparities between the planned and actual budget allocations. Notably, the most substantial deviations were observed in HUD&PHE department, followed by LG&CD and Irrigation departments.

Figure 1.6
Percentage Increase in Budget from Original Budget



Source: SAP figures (FY 2020-21 to 2022-23)

This analysis draws attention to the challenges and variations in budgetary planning and execution, particularly within these specific departments. Potential factors contributing to these pronounced discrepancies might include changing project scopes, unexpected financial constraints, or shifts in development priorities. A thorough examination of the underlying causes will enable the government to implement corrective measures and refine its budgetary planning procedures. This, in turn, can contribute to a more precise alignment between planned and actual budget allocations, fostering transparency and effectiveness in resource utilization across various departments.

Inadequate Funding for Newly Conceived Schemes

The data presented in Table 1.3 illustrates a concerning trend where schemes were incorporated into the ADPs without adequate consideration of fund availability. This has resulted in a substantial number of newly conceived schemes remained unfunded even in their respective first years.

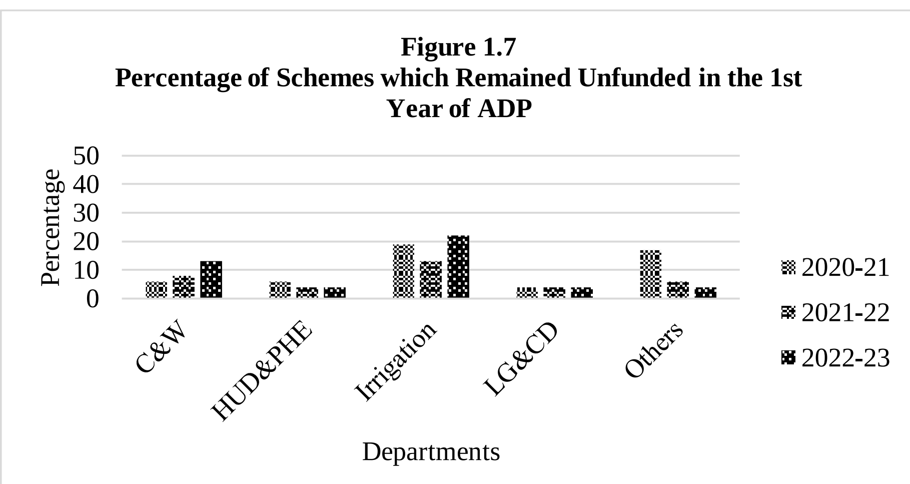
Table 1.3: Unfunded Schemes in 1st Year of ADP

Department	2020-21	2021-22	2022-23
C&W	106	311	339
HUD&PHE	99	75	41
Irrigation	34	31	30
LG&CD	23	65	25
Others	9	6	3

Source: SAP figures (FY 2020-21 to 2022-23)

The data reveal a consistent pattern across various departments, with a notable number of schemes lacking the necessary funding in respective financial years. This situation raises concerns about the adequacy of the planning and budgeting processes, emphasizing the need for a more stringent and realistic approach when including schemes in ADPs.

Percentage analysis of the unfunded schemes showed that the highest percentage of unfunded schemes, against its revised schemes, was in the case of Irrigation department followed by C&W in FY 2022-23. It raises considerable alarm that in a province which is reliant on agriculture, Irrigation projects are not receiving funding in the initial year of the ADP. This is depicted in Figure 1.7 below:



Source: SAP figures (FY 2020-21 to 2022-23)

Table 1.4 highlights another concerning pattern where newly conceived schemes received allocations significantly less than 15% of their original budget in the first year of implementation. This situation indicates a substantial disparity between the initially planned budget and the actual funds allocated, which may impact the successful execution and outcomes of these schemes.

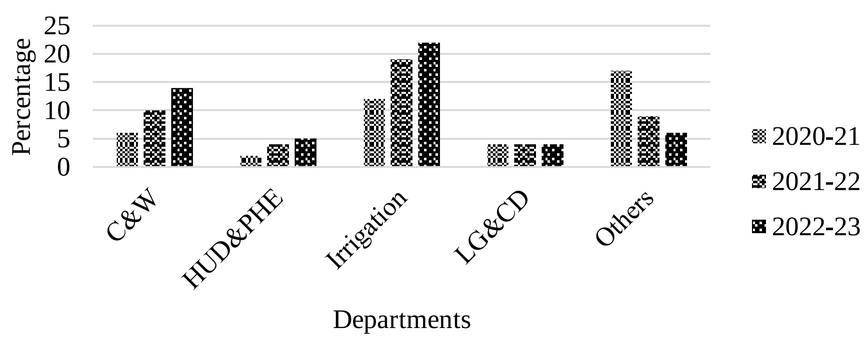
Table 1.4: Schemes receiving less than 15% of their budget

Department	2020-21	2021-22	2022-23
C&W	113	379	349
HUD&PHE	37	83	43
Irrigation	21	43	30
LG&CD	25	66	25
Others	9	8	5

Source: SAP figures (FY 2020-21 to 2022-23)

Percentage analysis in this regard is presented in Figure 1.8 below which shows that the number of schemes which received less than 15% of their original allocations was highest in Irrigation department. This is reflective of the inadequacy in the planning of the department.

Figure 1.8
Percentage of Schemes with less than 15% Allocations



Source: SAP figures (FY 2020-21 to 2022-23)

This situation underscores a critical issue in the budgetary process, where a significant number of schemes are receiving only a fraction of their initially proposed budget. This can lead to challenges in achieving the intended goals of these projects, affecting their overall impact and success.

Addressing this issue requires a reassessment of the criteria for scheme inclusion, ensuring that financial considerations are central to the decision-making process. A more robust evaluation of fund availability during the planning phase will contribute to a more prudent allocation of resources, reducing the prevalence of unfunded or underfunded schemes and enhancing the overall effectiveness of development initiatives.

Schemes Funded Beyond Original Budget

Table 1.5 sheds light on the funding status of schemes, revealing that while a substantial number of schemes are not adequately funded, there is another set of schemes allocated funds beyond their originally planned budgets. The data is presented as follows:

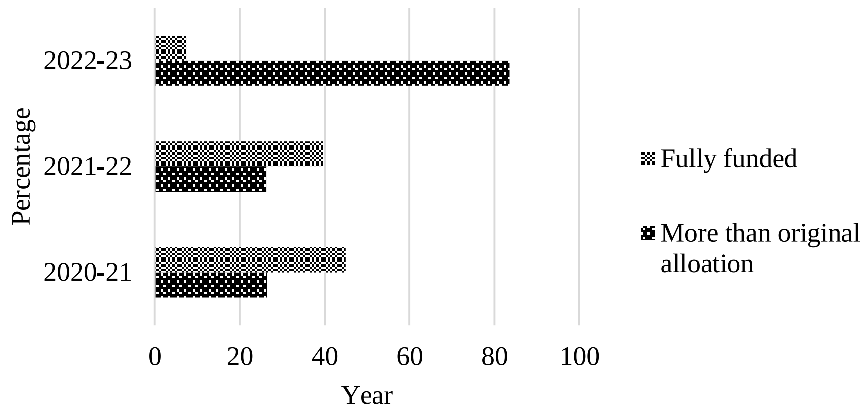
Table 1.5: Funding Status of Schemes *(No. of Schemes)*

Description	**2020-21**	**2021-22**	**2022-23**
Schemes with more than the original allocations	1127	2054	3561
Fully funded	1912	3098	316
Total number of schemes	4257	7798	4265

Source: *SAP figures (FY 2020-21 to 2022-23)*

Percentage analysis reveals that in FY 2022-23, 7.4% of the schemes were fully funded, while 83% of the schemes received allocations surpassing their original amounts. The remaining 9.6% of schemes either remained unfunded or received less than 15% of their initial allocations. Figure 1.9 illustrates three years' worth of data pertaining to fully funded schemes and those receiving amounts exceeding their original allocations:

Figure 1.9
Funding Status of Schemes (percentage of total schemes)



Source: SAP figures (FY 2020-21 to 2022-23)

This data highlights a significant number of schemes falling into the category of receiving more than their original allocations. Additionally, the "Fully funded" category suggests schemes that have been adequately funded according to their initially proposed budgets.

While this indicates a positive aspect of schemes receiving more funds than planned, it's crucial to assess the reasons behind this over-allocation. Understanding whether this is a result of project expansions, unforeseen requirements, or other factors will provide insights into the effectiveness of budgetary planning.

A comprehensive review of the budget allocation process, along with a closer examination of the schemes falling into these categories, will help refine future planning strategies. This dual scenario of underfunded and overfunded schemes emphasizes the need for a more precise and dynamic approach to budgetary management in order to ensure optimal utilization of resources across all development initiatives.

Allocation of Budget by Sector

Total development expenditures for the FY 2022-23 fell short of the budget allocation, resulting in an unutilized amount of

Rs 75.416 billion (16.04%). This discrepancy suggests challenges in financial management practices, and its correlation with the non-achievement of Medium-Term Development Framework (MTDF) targets underscores a systemic issue. In this regard, key points to note are:

Budget vs. Expenditure:

Budget Allocation: Rs 470.212 billion

Expenditure: Rs 394.795 billion

Unutilized Funds: Rs 75.416 billion (16.04%)

Financial Management Implications: The unutilized funds indicate a gap between the planned budget and the actual expenditure, pointing towards challenges in financial management practices.

MTDF Targets: The connection between unutilized funds and the non-achievement of MTDF targets suggests that inefficient financial management may contribute to the broader challenges in meeting development goals.

Systemic Nature: The statement identifies the issue as systemic, indicating that it is a recurring problem persisting over a five-year trend. A five-year trend is shown in Table 1.6.

Table 1.6: Percentage of Unutilized Funds

Sr. No.	**Departments**	**2018-19**	**2019-20**	**2020-21**	**2021-22**	**2022-23**
1	C&W	4.91	1.405	29.56	2.59	1.04
2	HUD & PHE	36.485	46.785	38.295	44.42	43.83
3	Irrigation	12.51	4.29	18.08	19.07	16.09
4	LG&CD	12.3	13.72	23.27	17.12	29.11
5	Others	12.925	19.92	22.725	15.5625	18.16

Source: SAP and Departmental figures (FY 2018-19 to 2022-23)

The presented data indicates an overall improvement in the utilization of budget across various departments over the five-year period. However, it is noteworthy that challenges persist, particularly in HUD&PHE, LG&CD and Irrigation departments, where the situation does not appear to be up to the mark. Trends are analyzed as follows:

C&W Department: Demonstrates a fluctuating pattern but generally shows improvement, especially when comparing 2020-21 and 2021-22.

HUD & PHE Department: A consistent trend of underutilization of development funds, ranging from 36% to 47%, is evident, with the percentage remaining relatively higher compared to other departments.

Irrigation Department: Despite a decrease in the percentage of unutilized funds in 2022-23, there is still room for improvement.

LG&CD Department: The data reveals a persistent challenge, with the percentage of unutilized funds remaining relatively high across the five-year period.

Others: A consistent trend of underutilization of development funds, ranging from 12% to 23%.

While there has been an overall improvement, the situation in HUD&PHE, LG&CD and Irrigation departments highlights areas that require focused attention and intervention. Understanding the specific challenges within each department, such as procedural bottlenecks or resource allocation issues, can facilitate targeted improvements. This analysis can guide efforts to refine financial management practices, ensuring that budget allocations are optimally utilized.

Identifying the root causes of the unutilized funds and implementing corrective measures can contribute to more effective utilization of resources and better alignment with development targets outlined in the MTDF. This holistic approach would go a long way towards fostering a more efficient and transparent financial management system within the departments.

Sectoral Issues

Some interconnected issues are discussed below:

i. In the FY 2022-23, the initiation of 720 new schemes left 438 ongoing projects devoid of sufficient funds for their completion. This situation arose due to the re-appropriation of funds from incomplete schemes to fund the newly introduced initiatives. Regrettably, this redirection of funds resulted in the suspension of the finalization of the ongoing schemes from which the funds were diverted.

ii. Allocating less than 15% of the original budget to 452 schemes for the FY 2022-23 suggests a strategy of piecemeal funding and a potential diversion of funds from ongoing schemes to new ones. This indicates inadequate planning and raises concerns about the likelihood of cost overruns, time delays, and price escalations in the execution of these projects.

iii. Departments do not give due consideration to the directives issued by SDACs, resulting in heightened non-compliance on similar issues and an increasing number of outstanding paras. A thematic audit, centered on "recoveries," revealed that although the department acknowledged the necessity for recovery on specific issues within a particular scheme, it failed to initiate recovery for the same issues across other schemes within the works division. This oversight contributes as an important factor to the accumulation of audit paras on similar issues each year. These challenges are further compounded by deficiencies in supervisory and managerial controls.

iv. A thematic audit focused on "Securities and Advances" revealed a lack of an effective monitoring system related to various types of securities. This deficiency resulted in the granting of undue financial benefits to contractors through premature releases of securities, allowing inadmissible advances, and irregularities in the adjustment of advances. These practices also contribute to the escalation of risks associated with the projects.

v. Numerous instances have been identified where the scope of works/contracts has been expanded by more than 20%, contravening the guidelines set forth by the PPRA. Exceeding the permissible limit for enhancing the scope of works or contracts not only has immediate financial implications but also raises concerns about procedural integrity, fair competition, and the overall success and credibility of the projects undertaken by the department.

vi. The departments are notably behind in revenue enhancement, primarily because they have failed to collect right-of-way charges and conduct auctions for toll plazas. Moreover, potential revenue streams such as the collection of effluent charges from rural area users and factories remain untapped, lacking adequate pursuit. The failure to collect right-of-way charges, auction toll plazas, and pursue untapped revenue streams can have cascading effects, leading to financial deficiencies, operational limitations, and potential challenges in fulfilling the department's responsibilities and objectives.

Challenges Across Different Departments

1. Communication and Works Department

i. Punjab Highways Department has allocated a significant portion of its financial resources to procure luxury vehicles, even though about 30% of planned schemes face funding shortages due to the non-allocation of financial resources. This situation is further aggravated by the fact that the vehicles, acquired using development funds for supervisory purposes, are not located in the divisions for which they were originally intended. Instead, they have been transferred to the control of the secretariat of C&W.

ii. The Buildings and Highways departments have been opting for longer routes to transport stone and crushed aggregate from distant quarries such as Kirana and Margalla Hills. This is occurring despite the presence of a more proximal source, the Melot Quarry, which provides a shorter and, consequently, more cost-effective transportation route. The omission of the Melot Quarry from the list of approved quarries by C&W is a significant oversight. The selection of transport routes in logistical operations is a crucial factor that determines overall project costs. This oversight may lead to substantial financial losses to the public exchequer due to higher carriage costs.

iii. The irregular utilization of Maintenance & Repair (M&R) funds in Highways Department particularly warrants attention. The yardstick set by FD for M&R works is Rs 176,000 per km, which is considered unrealistic and, consequently, is not adhered to by the department. However, the absence of a practical yardstick has led to a situation where works divisions of the department are arbitrarily incurring very high costs per kilometer for M&R works on roads. This discrepancy has resulted in disparities in the allocation of funds for M&R in different works divisions. The skewed distribution of funds has created a disparity in the M&R operations across different road networks in the province, emphasizing the need setting a practical yardstick for per kilometer cost of M&R for greater transparency and accountability in the allocation and utilization of funds within the department.

iv. The recurring irregularities involving deviations from the original specifications without proper approval or revision of the TS estimate, non-observance of contract clauses, and enhancements of agreements beyond 20% of the contract cost, violate the PPRA rules. It is imperative that these irregularities are addressed to ensure compliance with regulations and uphold the transparency and fairness of the department's operations.

v. Highways Department Punjab is encountering challenges in toll collection, primarily stemming from inefficiencies in setting reserve prices and the subsequent toll collection by divisional staff. The reserve prices, set by the Chief Engineer (CE) of each zone, is usually not realistic, therefore, contractors are often reluctant to bid against high reserve prices. Consequently, toll collection is done by divisional staff which is also lower than the reserve price. Establishing realistic reserve prices would encourage contractor participation, facilitating competitive bids and optimizing toll revenue. Addressing this issue is crucial to ensure the financial viability of toll collection and prevent undue losses to public funds.

2. HUD&PHE Department

i. The audit repeatedly identified instances of rule violations within the works divisions, specifically related to overpayments resulting from allowing rates higher than the approved ones and deviating from the approved specifications. Notably, there is a recurring trend of expanding project scopes without obtaining approval from the competent forum, contravening applicable regulations. These practices underscore the urgent need for the department to improve adherence to established financial guidelines and promptly implement audit recommendations. The potential impact of these findings extends beyond immediate financial implications, affecting the overall efficiency, credibility, and success of the projects undertaken by the department.

ii. Authorities and agencies consistently ignored FD's prescribed templates for work items, incorporating inadmissible items and quantities in rate analyses. This widespread practice has the potential to inflate project costs significantly.

iii. There was a pervasive lack of care in the preparation of TS estimates, with a consistent preference for uneconomical and inefficient works items relying on manual labour over more efficient and economical options based on mechanized mode. Additionally, in numerous instances, approvals for contractor profits and overheads related to machinery and electrical items exceeded the limits specified by FD. These oversights collectively led to inflated project costs and undue benefits for contractors.

iv. Illegal occupation and misuse of government and private properties were rampant in Lahore, showcasing issues like inadequate land surveys, fraudulent allocations, and double exemptions as highlighted by the Audit. Actions to remove these encroachments were largely ineffective or absent.

v. Instances were identified where No Objection Certificates (NOCs) for property transfers were issued without ensuring the collection of relevant fees/charges or obtaining clearances from all necessary departments. This situation has led to an unjustified burden on the purchaser of the property.

3. Irrigation Department:

Issues observed during audit are discussed below:

i. Fraudulent practices have been identified in the process of awarding framework contracts for the procurement of stationery, computer stationery and other items. During a joint verification conducted by the audit team and a departmental representative, it was discovered that some assets were missing. Furthermore, there were instances of non-compliance with PPRA rules, specifically in the procurement of Information Technology (IT) equipment, software, plant & machinery, and Petroleum, Oil & Lubricants (POL), as the process involved splitting.

ii. The department was found falling short of achieving optimal revenue generation, primarily due to untapped resources. These include overlooked avenues such as effluent charge recoveries, leasing of government lands and unrealized toll plaza revenue collection. Addressing these opportunities could significantly enhance the department's overall revenue generation.

iii. Excessive payments beyond the admissible rates were identified. In particular, works items based on manual labour were applied for huge quantities of earthworks. Notably, these tasks, which were practically implausible to be accomplished solely by manual labour, were actually executed using mechanized mode. However, the department incorrectly processed payments for manual labour works items, which carried higher rates compared to the works items involving mechanized mode.

4. Local Government & Community Development Department (LG&CD)

i. The inadequacy in planning and cost estimation of approved works, as highlighted by audit observations and fund utilization patterns, can potentially lead to a significant impact on efficiency. Inefficient planning may result in misallocation of resources, delays in project timelines, and increased financial burdens. Additionally, inaccurate cost estimations can lead to budget overruns, affecting the overall effectiveness and successful completion of projects. Addressing these inadequacies is crucial for improving efficiency, ensuring optimal resource utilization, and achieving project objectives within stipulated timelines and budgets.

ii. Internal controls related to recording in Measurement Books (MBs) warrant special attention, as the audit identified numerous instances where the proper location of the site where works were executed was not recorded in the MBs. This omission renders the entries in the MBs unverifiable, highlighting a critical deficiency in the accuracy and reliability of the recorded information. Enhancing internal controls in this regard is imperative to ensure the integrity and verifiability of the payments made against the recorded works.

iii. Audit observations indicate a high incidence of payment-related control violations, leading to overpayments. These overpayments stem from non-compliance with contract specifications, input rates, and the pertinent instructions from FD. Addressing and rectifying these payment-related control issues is essential for maintaining financial discipline, ensuring the effective use of resources, and safeguarding the organization's reputation and project outcomes.

iv. The LG & CD department has been utilizing longer routes for transporting stone and crushed aggregate from distant quarries like Kirana and Margalla Hills to the worksite, despite the availability of a more proximal source, the Melot Quarry. This quarry offers a shorter and more cost-effective transportation route, which is also being utilized by the Highways Division Jhelum. Transport route choices in logistic operations play a critical role in determining overall project costs. Opting for longer routes when shorter and more cost-effective alternatives exist not only signifies inefficiency but also exposes the project to the risk of substantial financial losses for the public exchequer, primarily due to higher carriage costs.

v. The laxity of the control environment is evident through the recurring deviations from contract specifications and agreement clauses without obtaining prior approvals or revising the TS estimates. Instances of enhancements in the cost of contracts beyond 20% of the original contract cost, in violation of the PPRA Rules, also serve as indicators of a weak control environment. Strengthening the control environment is vital not only for reinforcing control measures but also for ensuring strict adherence to regulations, upholding the integrity of the procurement process, and fostering accountability in the execution of contracts.

5. Punjab Masstransit Authority (PMA)

- Contradictory contract clauses, specifying different "guaranteed km per day," were identified in the Lahore Metro Bus System contract executed by the Authority. Additionally, instances were noted where bids exceeding 4.5% above the TS estimates were accepted, contravening FD instructions. These discrepancies and irregularities underscore a laxity in contract management.

6. Koh-e-Suleman Improvement Project (KSIP), D.G Khan

- PPRA rules explicitly prohibit departments from engaging consultants not registered with the Pakistan Engineering Council. Further, a detailed mechanism is established to qualify only those consultants meeting the requisite criteria. In this context, KSIP failed to adhere to these rules by awarding a contract to a consultant with an expired registration highlighting potential deficiencies in these areas.

7. Cholistan Development Authority (CDA), Bahawalpur

i. The authority failed to exercise due prudence in the preparation of work estimates. Instead of opting for efficient and economical works items based on mechanized mode, the authority utilized uneconomical and less efficient works items involving manual labour.
ii. Price variation payments were made in violation of FD's instructions and contract agreement clauses. The prominent issues included the incorrect calculation of current rates and an excess over provision for price variation in the revised TS estimates. These overpayments resulted in losses to the government.

CHAPTER – 2

COMMUNICATION AND WORKS DEPARTMENT

2.1 Introduction

A. Description of Department

Communication and Works (C&W) department in Punjab holds the crucial responsibility of overseeing various functions associated with the development and maintenance of the province's infrastructure. The primary focus of the department is to ensure the establishment and maintenance of efficient communication and transportation networks.

Since its establishment, the department has undergone significant evolution, expanding its scope to include a diverse set of responsibilities. These responsibilities play a pivotal role in driving the progress and prosperity of the region. Nowadays, C&W department continues to be a key player in shaping and sustaining the infrastructure that supports the overall development of Punjab.

C&W Department comprises two wings and an authority, namely, the Punjab Highways Department, the Punjab Buildings Department, and Lahore Ring Road Authority. The Secretary, C&W acts as the PAO for the department.

Each wing is further organized into three zones - North, Central, and South. These zones are headed by CEs. Within these zones, there are two to three circles, overseen by Superintending Engineers (SEs). The circles are structured based on formations, which serve as the fundamental executing units under the administrative jurisdiction of the Executive Engineer.

There are a total of 183 formations out of which 74 formations pertain to Highways, 107 formations pertain to Buildings and 02 formations pertain to Ring Road Authority, Lahore. This hierarchical structure ensures effective coordination and management of diverse functions within C&W Department.

C&W Department is primarily responsible for the comprehensive life cycle management of roads, bridges, and buildings throughout the province. This encompasses the entire spectrum from planning and design to construction and maintenance. The department plays a pivotal role in the development of highways and other critical transportation arteries, crucial for enhancing trade, fostering commerce, and improving overall connectivity in the region.

In addition to its role in transportation infrastructure, C&W Department takes on the significant task of constructing and maintaining public buildings. Ensuring compliance with safety standards, these structures are designed to meet the evolving needs of the community, creating spaces that contribute to the well-being and functionality of the public at large. The department's multifaceted responsibilities underscore its integral role in shaping the physical and functional landscape of the province.

Furthermore, the department oversees the implementation of various development projects aimed at enhancing the overall infrastructure of Punjab. This involves strategic planning, resource allocation, and project management to ensure that initiatives are executed efficiently and effectively. By leveraging modern technologies and best practices in engineering and construction, C&W department strives to deliver high-quality infrastructure that aligns with the evolving needs of the province.

In addition to the aforementioned primary functions, C&W Department assumes a critical role in disaster management and response. When faced with natural calamities like floods or earthquakes, the department has the potential to swiftly mobilize its resources to engage in relief and rehabilitation efforts. This involves a prompt and coordinated response aimed at restoring essential infrastructure that is crucial for supporting communities affected by such disasters.

The department's involvement in disaster management underscores its responsiveness to not only the development and maintenance of infrastructure but also to the well-being and resilience of the communities it serves. Through these capabilities, C&W Department possesses the potential to contribute significantly to the restoration and stability of areas impacted by unforeseen events, showcasing its adaptability and broader societal impact.

Functioning as the custodian of Punjab's infrastructure, C&W Department operates in close collaboration with a diverse array of stakeholders. This includes active engagement with government bodies, private sector entities, and international organizations. Through strategic partnerships and alliances, the department endeavors to leverage expertise and resources that can enhance its capacity to deliver sustainable and effective infrastructure solutions.

Table 2.1: Audit profile *(Rs in million)*

Sr. No.	Description of Formations	Total No. of Formations	Audited Formations	Audited Expenditure	Audited Revenue/ Receipts
1.	**<u>Formations:</u>** **Phase-I (23-24)**	183			
	Buildings		11	19,822.008	41.986
	Highways		23	77,673.388	158.922
	Sub-total		34	97,495.396	200.908
	Phase-II (22-23)				
	Buildings		4	2,266.401	0
	Highways		6	1,960.401	0
	Sub-total		10	4,226.802	0
2.	Authorities/ Autonomous Bodies		2	2,272.747	0
Grand Total		**183**	**46**	**103,994.945**	**200.908**

B. Comments on Budget and Accounts (Variance Analysis)

The budget of Communication and Works Department comprises development as well as non-development allocations. The non-development budget is allocated under Grants No. PC-21010, PC-21024 and PC-21025 to cater for salary and other non-development expenditures. The development budget is provided through Grants No. PC-12041, PC-12042, and PC-22036. However, the department could not utilize the development and non-development budget to the extent of 1.04% and 2.05%, respectively. The overall budgetary position for the FY 2022-23 is as follows:

Table 2.2: Variance Analysis *(Rs in million)*

Grant No. and Nature	Original Budget	Revised Budget	Actual Expenditure	Variation Excess/ Savings	Variation in %
Non-Development					
PC21010 (LQ4071, SP4006)	520.25	571.19	548.37	(22.83)	(4.00)
PC21024/PC24024	8,808.43	11,531.30	11,143.56	(387.74)	(3.36)
PC21025	8,958.72	22,897.22	22,588.93	(308.29)	(1.35)
PC21031 (LQ5311)	0.78	0.78	0.39	(0.39)	(49.94)

C. Sectoral analysis on the achievements against targets agreed under MTDF/MTBF

Brief comments on targets achieved under MTDF are given in Chapter No. 1, i.e., Sectoral Analysis.

2.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 4,120.438 million were raised as a result of audit of C&W Department. This amount also includes recoveries of Rs 1,928.491 million, as pointed out by the Audit. The summary of the audit observations classified by nature is as under:

Table 2.3: Overview of Audit Observations *(Rs in million)*

Sr. No.	**Classification**	**Amount**
1	**Irregularities:**	-
(i)	Irregularities resulting in overpayments	1,379.893
(ii)	Irregularities resulting in non-recoveries	548.598
(iii)	Irregularities relating to procurements and contracts	1,681.888
(iv)	Irregularities resulting in undue financial benefit to contractors	154.608
(v)	Irregularities resulting in loss to government	226.650
(vi)	Miscellaneous irregularities	128.801
	Total	**4,120.438**

2.3 Comments on the status of compliance with PAC directives

Compliance position with PAC's directives on Audit Report relating to Audit years 1956-57 to 2016-17 (excluding years not discussed in PAC) is as under:

BUILDINGS DEPARTMENT

Table 2.4: Compliance of PAC directives

Sr. No.	Audit Report Year	Outstanding Directives	Compliance Reported	Compliance Awaited	Percentage (%)

2.4 AUDIT PARAS

2.4.1 Buildings Department

Irregularities

Irregularities resulting in overpayments

2.4.1.1 Overpayment due to higher input rates than those provided in FD's template – Rs 34.087 million

According to FD's instruction No. RO(Tech)FD-18-23/2004 dated 21st September 2004, "the rate analysis for a non-standardized item shall be approved by SE, giving specifications of the material used as per FD's website. The standardized analysis shall be used to work out the rate of items as far as possible".

Executive Engineers of various Buildings Divisions, paid for the non-standardized items *"P/L RCC Bored piles etc.", "Excavation in foundations etc.", "Parking sheds"* and *"P/L Tiles etc."*. Audit observed that the department, in fourteen (14) cases, prepared rate analyses on higher side due to reasons including using manual labour and taking excess material, labour and wastage components.

Violation of FD's instructions resulted in overpayments amounting to Rs 34,086,835.

Audit pointed out the overpayments from September to October 2023.

The paras were discussed in the SDAC meetings held from November to December 2023. In DP Nos. 159 & 309, the department admitted recoveries pointed out by Audit and the Committee directed the department to effect recoveries. In twelve (12) cases, the department explained that the items were paid as per approved TS estimates. Audit asserted that the rate analyses were prepared on the basis of excessive quantities of material and labour, along with the application of rates higher than those officially notified by FD. The rates of excavator, batching plants and transit mixers had been notified by FD since 2004. Therefore, the department was required to prepare the rate analyses with mechanized mode as standardized by FD in MRS. The Committee directed the department in DP Nos. 186, 187, 190, 192 and 203, to refer the matter to FD for clarification regarding application of FD's template retrospectively. In DP Nos. 129, 147, 326 and 382, the Committee directed the department to get the record verified from Audit. In DP Nos. 126, 136 and 331, the Committee directed the department to prepare rate analyses as per FD's template and effect recoveries. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC directives besides effecting recovery and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-I)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 to 2022-23, vide Para No. 2.4.1.3 in AR 2018-19, Para No. 2.5.1.2 in AR 2019-20, Para No. 2.5.1.1 in AR 2020-21, Para No. 2.4.1.2 in AR 2021-22, and Para No. 2.4.1.1 in AR 2022-23 having financial impact of Rs 510.019 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.2 Overpayment due to incorrect calculation of steel – Rs 30.477 million

According to rule 7.29 of Departmental Financial Rules (DFR) Vol-I, "before signing the bill, a sub-divisional officer should compare the quantities in the bill with those recorded in the MB and see that all the rates were correctly entered and that calculations were checked arithmetically to be correct". Further, as per lab test reports of steel bars sizes viz. ⅜, ½, ¾ and 1 inch, the actual weight came to 0.367, 0.650, 1.455 and 2.600 lbs per foot, respectively.

Executive Engineers of various Buildings Divisions, paid for the item *"Fabrication of mild steel etc."*. Audit observed that the department miscalculated the quantities of steel by using standard weight factors of 0.375, 0.667, 1.50, and 2.67 lbs per foot for steel bars of sizes ⅜, ½, ¾, and 1 inch, respectively. The correct weight factors, as indicated by laboratory test reports, should have been 0.367, 0.650, 1.455, and 2.600 lbs per foot. Furthermore, in four (04) cases, the department applied a weight conversion factor (pound to kg) of 0.454 instead of the correct factor of 0.4536, leading to an excess weight measurement for the steel.

Violation of the DFR resulted in overpayments amounting to Rs 30,477,163.

Audit pointed out the overpayments from August to October 2023.

The paras were discussed in the SDAC meetings held from November to December 2023. The department admitted due recoveries according to lab test reports. Audit emphasized that the recoveries be expedited. The Committee, in all cases, directed the department to effect due recoveries and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility against the person(s) responsible for overpayments and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-II)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2019-20 and 2022-23, vide Para No. 2.4.1.9 in AR 2019-20, Para No. 2.4.1.6 in AR 2022-23 having financial impact of Rs 8.136 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.3 Overpayment due to inadmissible price variations – Rs 30.273 million

As per clause 55 (9) (10) & (11) of the agreement, "no price variation shall be admissible on the items in respect of the quantities for which a secured advance has been paid to the contractor. Further, the increase or decrease in the contract price subsequent to any increase or decrease in the cost of high-speed diesel (HSD) and labour shall be calculated from the increase or decrease on the value of work done".

Executive Engineers of various Buildings Divisions, in four (04) cases, made payment of price variations which were either on inadmissible items or were calculated using rates higher than permissible. Audit observed that, in two (02) cases, the department paid the price variation on the amount of secured advance and supply items, which contradicted the agreement clause according to which price variation was inadmissible on secure advance and supply items. Furthermore, in remaining two (02) cases, the department applied incorrect current rates for Diesel and Labour. The details are as under:

(Amount in Rs)

DPs	Formations	Amount Overpaid	Reasons of overpayment
112	Buildings Division (BD) Hafizabad	18,600,811	Price variation of diesel and labour allowed on the amount of secured advance which was inadmissible.
164	BD D.G Khan	451,338	Current rate of steel at the rate of Rs 195,334 per ton was applied for the month of February 2022, whereas actual rate for February 2022 was Rs 189,334 per ton.
170	BD D.G Khan	1,880,566	Current rate of Diesel at the rate of Rs 204.15 was applied for the month of June 2023, whereas work was executed during May 2023, wherein rate was not increased.
330	BD-I Multan	9,340,148	Price variation was paid on supply items viz. ACs, Pumps etc. which was inadmissible.

Violation of the agreement resulted in overpayment amounting to Rs 30,272,863.

Audit pointed out the overpayments from September to November 2023.

The paras were discussed in the SDAC meetings held from November to December 2023. In DP Nos. 112 and 164, the department admitted the viewpoint of Audit and the Committee directed to effect recoveries. In DP Nos. 170 and 330, the department explained that payment was made as per clause-55 of the agreement. Audit, in DP 170, contended that current rates of June 2023 were required to be applied instead of May 2023 to calculate the price variation of labour and diesel based on the months in which the actual work was executed and, in DP 330, contended that price variation was not admissible on the value of supply items. The Committee directed the department, in DP 170, to effect due recovery and in DP No. 330, directed the department to get clarification from FD. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 112,164,170&330 (2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, vide Para No. 2.4.1.7 in AR 2022-23 having financial impact of Rs 3.419 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.4 Overpayment due to rates being higher than those stipulated in MRS – Rs 23.277 million

As per FD's notification No. RO(Tech)FD 2-3/2004 dated 2nd August 2004, "the CE, based on input/MRS rates fixed/notified by FD, shall fix/approve the rates of each item of work for Rough Cost Estimates (RCE) for Administrative Approval (AA). However, these can be modified, replaced and added to with the approval of FD. Administrative Departments shall ensure transparency of tendering based on market rates".

Executive Engineers of various Buildings Divisions, in eight (08) cases, made payments for various non-standardized items. Audit observed that the department made payments for these items by calculating rates higher than those specified in the MRS for the relevant quarters which was inadmissible.

Violation of FD's instructions resulted in overpayments amounting to Rs 23,277,204.

Audit pointed out the overpayments from September to October 2023.

The paras were discussed in the SDAC meetings held from November to December 2023. In DP Nos. 108, 110, 138, 237, 251, 306 and 378, the department admitted the recoveries pointed out by Audit. The Committee directed the department to effect recoveries. In DP No.140, department explained that the section of window given in MRS was not available in the market and the item was paid as per Revised TS estimate. Audit informed that other similar and admissible items were available in MRS, standardized by FD by taking market rates, which were to be sanctioned and paid accordingly. The Committee directed the department to refer the matter to CE

(Buildings) for submission of report regarding non-availability of the item in market. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the directives of the SDAC and effecting the recoveries besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-III)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2021-22 and 2022-23, vide Para No. 2.4.1.4 in AR 2021-22, Para No. 2.4.1.3 in AR 2022-23, having financial impact of Rs 52.878 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.5 Overpayment due to allowing excess lead – Rs 19.521 million

As per condition No. 5 of FD's letter No. RO(Tech)F.D 2-3/2004 dated 2nd August 2004, "the material of crushed stone aggregate and sand material shall be carried from the nearest quarry and the shortest route shall be used/adopted for carriage".

Executive Engineers of various Buildings Divisions, in eight (08) cases, got executed different works items involving usage of stone materials. Audit observed that, in the identified cases, the department made overpayments for stone carriage by opting for longer routes.

Violation of FD's instructions resulted in overpayments amounting to Rs 19,521,431.

Audit pointed out the overpayments from March to September 2023.

The paras were discussed in the SDAC meetings held from November to December 2023. In DP Nos. 162 and 247, the department admitted the recoveries. The Committee directed the department to effect recoveries. In six (06) cases, the department explained that items were paid as per provision and lead approved in TS estimates. Audit contended that as per FD's instructions, the shortest route was required to be used. The Committee directed the department, in DP No. 17 and 132, to provide proof of invoices that stone was transported from Margalla Quarry and approved lead charts respectively and in remaining four (04) cases, directed to effect due recoveries and get it verified from Audit within 15 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-IV)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 and 2022-23, vide Para No. 2.4.1.48 in AR 2018-19, Para No. 2.5.1.5 in AR 2022-23 having financial impact of Rs 16.076 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.6 Overpayment due to incorrect input rates and loose factor – Rs 15.934 million

According to FD's instruction No. RO(Tech)FD-18-23/2004 dated 21st September 2004, "the rate analysis for a non-standardized item shall be approved by SE, giving specifications of the material/inputs used as per FD's website. The standardized analysis shall be used to work out the rate of items as far as possible".

Executive Engineers of various Buildings Divisions, in eight (08) cases, got executed and paid for the non-standardized item *"Providing and laying structural pad etc."*. Audit observed that the department calculated the rates on the higher side by applying an excess loose factor on stone aggregate and sand, and by allowing extra lead in the rate analysis. This resulted in making overpayments to the contractors.

Violation of FD's instructions resulted in overpayments amounting to Rs 15,933,746.

Audit pointed out the overpayments from September to October 2023.

The paras were discussed in the SDAC meetings held in November & December 2023. In DP Nos. 102, 209 and 211, the department admitted the recoveries pointed out by audit. The Committee directed the department to effect recoveries. In DP Nos. 213, 377, 336, 171 and 130 the department explained that the items were paid as per approved TS estimates and Building Research Station (BRS) reports. Audit contended that the department was required to apply 5% loose factor on sand and stone aggregate as per FD's clarification dated 9th March 2022 and lead was to be paid from the nearest quarries. The Committee directed the department, in DP Nos. 130, 171 and 377 to get the record re-verified from Audit and in DP Nos. 213 and 336 directed the department to refer the case to BRS and to effect the recovery in the light of the BRS reports. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides strengthening of internal controls to avoid the recurrence of such issues.

(Annexure-V)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19, vide Para No. 2.4.1.3.6 in AR 2018-19, having financial impact of Rs 7.864 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.7 Overpayment due to allowing inadmissible contractor's profit – Rs 10.711 million

As per FD's letter No. RO(Tech)FD-18-29/2006 dated 3rd March 2005,read with FD's notified template for electrical items in 2022, "12.5% contractor profit and overhead charges are allowed of the total value of the cost of the electrical items".

Executive Engineers of various Buildings Divisions, in seven (07)cases, prepared the rate analyses and made payment of various electrical items such as Light Emitting Diode (LED), fans and pumping machinery/turbines. Audit observed that the department allowed 20% of the value of supplies for contractor's profit and overhead charges, exceeding the specified percentage of 12.5%. Furthermore, the department allowed 12.50% profit on General Sales Tax (GST) amount included in quotation while preparing rate analyses which was inadmissible.

Violation of FD's instructions resulted in overpayments amounting to Rs 10,711,411.

Audit pointed out the overpayments from March to September 2023.

The paras were discussed in the SDAC meetings held from August to November 2023. In DP Nos. 205, 230 and 235, the department admitted the recoveries pointed out by Audit. The Committee directed the department to effect recoveries. In DP Nos 50, 70, 124 and 212, the department explained that rates were prepared as per FD's template and approved in TS Estimates. Audit contended that only 12.5% contractor's profit and overhead charges were admissible instead of 20% as per FD's instructions. Further, contractor's profit on general sales tax was also inadmissible. The Committee directed the department in DP Nos 50, 124, and 212, to effect due recoveries and in DP No 70, to get the record re-verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-VI)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2019-20 and 2022-23, vide Para No. 2.5.1.3 in AR 2019-20, Para No. 2.4.1.8 in AR 2022-23 having financial impact of Rs 76.180 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.8 Overpayment due to non-reduction of rate of dressing and refilling – Rs 4.540 million

As per MRS item No. 21 under Chapter-3 (Earthwork), "the composite rate of item i.e. *Excavation in foundations* included rate of dagbelling, dressing, refilling, watering and ramming, etc".

Executive Engineers of various Buildings Divisions, in two (02) cases, paid for the item *"Excavation in foundation etc."* at composite rates. Audit observed that the department disposed of excavated earth without executing the associated activities such as dagbelling, dressing, refilling, watering, and ramming at the site. These activities were originally included in the composite item of "excavation in foundation". As a result, excess payments for these items were made to the contractors.

Violation of the MRS resulted in overpayments amounting to Rs 4,540,150.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in the SDAC meetings held on 2nd & 29th November 2023. In DP No. 105, the department admitted the recovery pointed out by Audit. The Committee directed the department to effect recovery. In DP No. 297, the department explained that activities of ramming/watering and dressing of earth shall be executed on the trench after excavation for laying of Plain Cement Concrete (PCC) in foundations. Audit contended that earth, excavated from foundation was disposed of, hence, watering/ramming and dressing was not required at site. The Committee directed the department to effect recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.105&297(2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2019-20, vide Para No. 2.5.1.12 in AR 2019-20 having financial impact of Rs 1.195 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.9 Overpayment due to allowing rates higher than those agreed in the contract agreement – Rs 2.944 million

As per Note (I) under rule 7.28 of DFR read with PAC directives dated 5th December 1995 and 16th April 2007, "the contractual obligations would be paid at the rate, agreed with the department at the time of award of work and lead cannot be changed after the sanction of estimate".

Executive Engineers, Building Division, Attock got executed the item *"Earthwork filling borrow from outside etc"*. Audit observed that the department made payments at rates higher than those initially agreed upon in the original contract agreement and TS estimates by allowing excess lead. Furthermore, the department also paid lead on debris for disposal, which was inadmissible as it was the responsibility of the contractor.

Violation of contractual obligations resulted in overpayment of Rs 2,944,180.

Audit pointed out the overpayments during March and August 2023.

The paras were discussed in the SDAC meeting held on 2nd November 2023 and 21st August 2023. The department, in DP No.139, explained that during execution of work, the quantity of earthwork at site was increased and accordingly lead was enhanced. Audit contended that contractors quoted the rates after site survey in the light of Para no.7 of General Directions to Tenderers, therefore, lead once agreed cannot be enhanced. The Committee directed the department to effect the recovery. In DP No.30, the department explained that lead was paid for disposal of debris and will be incorporated in revised TS estimate. Audit contended that contractor was required to remove all type of surplus material such as buildings' debris under Clause 40 of Agreement. Hence, extra rate was paid to the contractor. The Committee directed the department to issue warning letters to delinquents for non-production of record during verification and get the record verified from Audit within 07 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 30 & 139 (2023-24)

Note: The issue was reported earlier also in the Audit Report for Audit Year 2018-19, vide Para No. 2.4.1.3.17 in AR 2018-19 having financial impact of Rs 1.979 million. Recurrence of same irregularity is a matter of serious concern.

Irregularities resulting in non-recoveries

2.4.1.10 Non-recovery due to use of substandard bricks – Rs 171.918 million

As per section 801 and section 1041-8 of Standard Specifications for Roads & Bridges Construction 197, read with FD's material rates of item No.07.001, the standard size of bricks was 9″ x 4-1/2″ x 3″ and the crushing strength was 2000 Pounds per Square Inch (PSI). Further, as per MRS remarks column of chapter "Brick Work", if 2nd class bricks were used, the item rate would be reduced by 7%.

Executive Engineers of various Buildings Divisions paid, in eight (08) cases, for the item *"Pacca brick work cement sand mortar etc"*. Audit observed that as per lab test reports, the strength and size of bricks were below the standard specification and fall under the category of 2nd class bricks. Therefore, department was required to reduce the rates by 7%. However, the department did not reduce the rates while paying for the said item of brick work.

Violation of the Specifications, FD's instructions and MRS resulted in non-recoveries amounting to Rs 171,918,289.

Audit pointed out the non-recoveries from August to October 2023.

The paras were discussed in the SDAC meetings held from October to November 2023. The department explained that as per lab test reports strength and size of bricks were as per specifications. Audit contended that as per lab reports, 2nd class bricks were used as evident from the smaller size and lower strength. The Committee in six (06) cases, directed the department to get the record re-verified from Audit, to effect due recovery in DP No.350, and to refer the case to FD for clarification in DP No. 236. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the directions of SDAC besides effecting recovery, fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-VII)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 to 2022-23, vide Para No. 2.4.1.17 & 2.4.1.24 in

AR 2018-19, Para No. 2.5.1.13 in AR 2019-20, Para No. 2.5.1.6 in AR 2020-21, Para No. 2.4.1.8 in AR 2021-22, and Para No. 2.4.1.10 in AR 2022-23 having financial impact of Rs 396.094 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.11 Non-utilization of excavated earth – Rs 55.941 million

As per section 411 of Standard Specifications for Roads & Bridges Construction 1971, "available useable material from the excavation was to be used in work before using material from an outside source. Further, as per specification No 17.1(A) (11) (i) of Specifications for Execution of Works 1967 Volume-I Part-II, if cutting and filling were to be done simultaneously, all suitable materials obtained from excavation would be used in filling".

Executive Engineers of various Buildings Divisions, in thirteen (13) cases, got executed and paid for the item "*Excavation in foundation of buildings and other structures etc*". Audit observed that rather than adjusting the excavated earth, the department brought earth from outside by making payment for another item *"Filling watering and ramming new earth with lead etc".*

Violation of the Specifications resulted in non-utilization of excavated earth amounting to Rs 55,941,222.

Audit pointed out the non-utilization of excavated earth from March to November 2023.

The paras were discussed in the SDAC meetings held in November & December 2023. In DP Nos. 96, 295, 345, 348, 353, 366 and 375, the department admitted to utilize the excavated earth in the next running bills. The Committee directed the department to effect recoveries. In remaining six (06) cases, the department explained that excavated earth will be utilized. Audit contended that in DP Nos. 31 & 36, department did not produce the record and in other cases, excavated earth was required to be adjusted at the time of its excavation. The Committee in DP Nos. 31 & 36, directed the department to issue warnings to incumbents in addition to get the record verified from Audit and in remaining four (04) cases, directed to effect recoveries. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-VIII)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 to 2022-23, Para No. 2.4.1.21 in AR 2018-19, Para No. 2.5.1.6 in AR 2019-20, Para No. 2.5.1.3 in AR 2020-21, Para No. 2.4.1.3 in AR 2021-22, and Para No. 2.4.1.4 in AR 2022-23 having financial impact of Rs 142.932 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.12 Non/less recovery of PST and Income Tax – Rs 26.729 million

As per section 49(a) of the Punjab Sales Tax on Services Act, 2012, "sales tax on services was required to be deducted at the rate of 5% with effect from 1st July 2017". Further, as per Federal Board of Revenue (FBR's) clarification vide No.5/WHT-U-03 dated 24th April 2018, the income tax at the rate of 7.5% was required to be deducted from the contractors on the gross value of work done including amount of PST u/s 153 of Income Tax Ordinance 2001.

Executive Engineer, Buildings Division No.3, Lahore, awarded contracts to various contractors after 1st July 2017 and made payments accordingly. Audit observed that the department erroneously recovered PST at the rate of 1% instead of the correct rate of 5% of the value of work done resulting in less recovery of PST amounting to Rs 24,864,514. Additionally, the 7.5% income tax on the PST amounting to Rs 1,864,838 was not recovered as required.

Violation of the Punjab Sales Tax Act resulted in non/less recoveries amounting to Rs 26,729,352.

Audit pointed out non/less recovery in April 2023.

The para was discussed in the SDAC meeting held on 21st August 2023. The department explained that 1% PST was provided in the AA/TS estimate, therefore, accordingly 1% PST was deducted while making payments. Audit contended that 5% PST on ADP works was applicable because works were awarded and payments were made after FY 2019-20. The Committee directed the department to effect recovery of 5% PST and Income Tax on PST in all the cases where contracts were awarded after 1st July 2017. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 02 (Phase-II 2022-23)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 and 2019-20, vide Para No. 2.4.1.5 in AR 2018-19 and Para No. 2.5.1.15 in AR 2019-20 having financial impact of Rs 136.664 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.13 Non-recovery of dismantled material – Rs 14.337 million

According to para 9(i) of Chapter 18.1 of Specifications for Execution of Works 1967, "the dismantled material is the property of the government and cost of it should either be recovered from contractor as credit of dismantled material or it should be counted, measured and recorded for open auction".

Executive Engineers of various Buildings Divisions, in four (04) cases, paid for the items "*Dismantling of RCC", "Dismantling of brick work,* and *"Removing of Chowkats and Doors etc*". Audit observed that the department, neither recovered nor accounted for the cost of dismantled material from the contractors which was the property of the government.

Violation of the Specifications resulted in non-recovery amounting to Rs 14,337,464.

Audit pointed out the non-recoveries from August to September 2023.

The paras were discussed in the SDAC meetings held from November to December 2023. In DP Nos. 119, 144 and 274, the department admitted the recoveries pointed out by Audit. The Committee directed the department to effect recoveries. In DP No. 115, the department explained that a letter had been written to Project Director (PD), IDAP for effecting recovery. The Committee directed the department to effect recovery and take up the matter at the level of Administrative Department. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.115,119,144&274 (2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 to 2022-23, vide Para No. 2.4.1.20 in AR 2018-19, Para No. 2.5.1.18 in AR 2019-20, Para No. 2.5.1.9 in AR 2020-21, and Para No. 2.4.1.11 in AR 2022-23 having financial impact of Rs 56.261 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.14 Non-recovery of General Sales Tax – Rs 8.004 million

According to para 4(ii) of the FBR's letter No.1(42)STM/2009/99638-R dated 24th July 2013, "in case of public works, it may be ensured that the contractors engaged make purchases only from sales tax registered persons. The contracting department/organization must require such contractors to present sales tax invoices of all the material mentioned in the Bill of Quantities (BOQ) as evidence of its legal purchase, before payment is released".

Executive Engineers, Buildings Divisions, in three (03) cases, made payments for the items viz. *"Pumping machinery, Turbine, Transformers,* and *Cooling Towers, etc."* to various contractors. Audit observed that the department did not obtain GST invoices from the contractors before releasing payments, which would have confirmed whether the materials were procured from sales tax registered firms. Consequently, the amount of GST, which was initially included in the agreed-upon rates with the contractors, should have been recovered during the payment process.

Violation of FBR's instructions resulted in non-recovery of Rs 8,004,337.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in the SDAC meetings held in November 2023. The department, in all cases, admitted the recoveries pointed out by audit. The Committee directed the department to effect recoveries. Compliance with Committee's directives was not reported till finalization of report.

Audit recommends early recovery and strengthening internal controls to avoid the recurrence of such issues.

DP No. 88,234&271 (2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 and 2022-23, vide 2.4.1.7 in AR 2018-19 and Para No. 2.4.1.9 in AR 2022-23 having financial impact of Rs 77.572 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.15 Non-completion of works at the risk and expense of the contractors – Rs 5.689 million

As per clauses 60 and 61 of the contract agreement, "on the default of a contractor to complete the work, his work will be rescinded and remaining work will be completed at risk and expense of the original contractor, besides forfeiting his securities".

Executive Engineer, Buildings Division, Attock declared two contractors as defaulter during April and May 2020. Audit observed that the department did not forfeit the securities of the contractors nor awarded the works at the risk and expenses of the original contractors as per clauses ibid.

Violation of contract agreement resulted in non-recovery of Rs 5,689,429.

Audit pointed out the non-recovery in August 2023.

The para was discussed in the SDAC meeting held on 2nd November 2023. The department explained that balance work would be awarded after revised AA from competent forum. The Committee directed the department to get the matter probed by SE, Building Circle No.1, Rawalpindi regarding wasteful expenditure and non-completion of work at risk & expense of the original contractor. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery along with blacklisting the contractors, besides fixing responsibility against the person(s) who had not forfeited securities even after a laps of three years.

DP No.118(2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 to 2020-21, vide Para No. 2.4.1.14 in AR 2018-19, Para No. 2.5.1.16 in AR 2019-20 and Para No. 2.5.1.7 in AR 2020-21 having financial impact of Rs 372.526 million. Recurrence of same irregularity is a matter of serious concern.

2.4.1.16 Non/less recovery of Income Tax – Rs 4.596 million

According to Section 153, Division-III, sub-section 2(b)(ii)(b) of Income Tax Ordinance 2001, "that on execution of a contract, other than a contract for the sale of goods or the rendering of or providing of services, tax is to be deducted at the rate of 7.5% from the gross amount".

Executive Engineers, Buildings Divisions made payment to different contractors. Audit observed that, in three (03) cases, the department did not deduct income tax amounting to Rs 4,595,613 on the value of cost of old material and mobilization advance.

Violation of FBR's rules led to the non/less deduction of income tax amounting to Rs 4,595,613.

Audit pointed out the non-recoveries from April to October 2023.

The paras were discussed in the SDAC meetings held from August to November 2023. The department admitted the recoveries pointed out by audit. The Committee directed the department to effect recoveries and get it verified by Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.08 (Phase-II 2022-23) 169&172 (2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 to 2022-23, vide Para No. 2.4.1.9 in AR 2018-19, Para No. 2.5.1.14 in AR 2019-20, Para No.

2.5.1.8 in AR 2020-21, and Para No. 2.4.2.21 in AR 2022-23 having financial impact of Rs 97.732 million. Recurrence of same irregularity is a matter of serious concern.

Irregularities resulting in undue financial benefit to contractors

2.4.1.17 Irregular payments due to execution of excess quantities without prior approval – Rs 154.608 million

According to para 5.19 of Buildings & Roads (B&R) Department Code, no excess over revised technical sanction estimate can be paid without the concurrence of FD.

Executive Engineers, Buildings Division No. 1, Lahore and D.G Khan, in three (03) cases, paid for different items in quantities that exceeded those provided in the revised TS estimates. Audit observed the department did not obtain prior concurrence from FD as required.

Violations of the B&R Department Code resulted in irregular payments amounting to Rs 154,607,517.

Audit pointed out the irregularities from March to October 2023.

The paras were discussed in the SDAC meetings held from August to November 2023. The department explained that works were carried out as per site requirements and approved drawings by P&D Department whereas enhancement of agreements and approval of revised TS estimates were under process. Audit contended that payments were made without prior concurrence of FD as required. The Committee directed the department to get the ex-post fact approvals from FD. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early regularization of the matter from FD besides action against the delinquents who made payment without prior approval from the competent authorities.

DP No. 28 (Phase -II 2022-23) 150&160 (2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2022-23, vide Para No. 2.4.1.20 in AR 2022-23 having financial impact of Rs 564.329 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2 Highways Department

Irregularities

Irregularities resulting in overpayments

2.4.2.1 Overpayment due to application of uneconomical items – Rs 429.107 million

According to the rule 1.58 of the B&R Department Code, "the divisional officers are immediately responsible for the proper maintenance of all works in their charge and the preparation of projects and of designs and estimates, whether for new works or repairs. It is also part of their duties to organize and supervise the execution of works and to see that they are suitably and economically carried out with materials of good quality".

Executive Engineers of various Highways Divisions, in eight (08) cases, paid for the items *"Excavation in open cutting up to 5 feet depth", "Earthwork excavation in foundation in ordinary soil"* and *"earthwork in ashes, sand and soft soil"* on the basis of manual labour. Audit observed that input rates of excavator were notified by FD since 2004 and composite item regarding excavation with machinery viz. "*earthwork in excavation of drains, irrigation channels through excavator/drag lines in all kinds of soil etc."* vide item No. 52 of chapter 3 of MRS was also available which had lesser rates as compared with the paid items. Further, such a large volume of excavation could not have been executed through manual labour.

Violation of the B&R Department Code resulted in overpayments amounting to Rs 429,107,127.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in the SDAC meetings held in November and December 2023. In DP No. 419, 451, 461, 470, 665 & 749, the department explained that the works had been executed according to the specification and TS estimates approved by the competent authority. Audit contended that department was required to prepare the rate analyses on FD's template as such a large volume of excavation could not have been executed through manual labour. In DP No. 665, the Chair and Member FD directed the department to get the matter technically probed by CE Highways (North). Audit stressed that recovery was required to be effected. In DP No. 451 & 461, the Committee directed the department to calculate the rate of item as per FD's template and effect due recovery, in DP No. 419, to refer the case to FD for clarification, in DP No. 470, to obtain a technical report from SE, Building Circle, Sargodha regarding non-use of economical item and in DP No. 749, to get clarification/justification regarding execution through manual process instead of mechanical means from CE Highways (South) as both items were included in MRS. In DP No. 178, the department explained that the item "*Earthwork excavation of drain irrigation channel"* was applicable for irrigation channel only instead of Highways works. Audit contended that the relevant item No. 21 of MRS Chapter-3 "Earthwork" based on mechanical means was required to be paid. The Committee directed the department to work out the rate as per FD's template and effect due recovery. In DP No. 894, the department admitted recovery. The Committee directed the department to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-IX)

Note: This issue was reported earlier also in the Audit Reports for the years 2021-22 to 2022-23 vide Para No. 2.4.2.3 in AR 2021-22 and Para No. 2.4.2.1.1 in AR 2022-23 having financial impact of Rs 188.966 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2.2 Overpayment due to allowing excess quantity of bitumen than actually used – Rs 149.653 million

As per FD's notification No. RO(Tech)FD 2-3/2004 dated 2nd August 2004, "payment is to be made to the contractor as per Job Mix Formula (JMF)or actual bitumen used in the work".

Executive Engineers of various Highways Divisions, in six (06) cases, paid for the item *"P/L premixed asphaltic carpet by using 4% and 4.5% bitumen contents"*. Audit observed that as per JMF issued by the Road Research & Material Testing Institute (RR&MTI), the contents of bitumen were ranging from 3.8% and 4.2% whereas department paid for excess percentages of bitumen than those provided in JMF.

Violation of FD's instructions resulted in overpayments amounting to Rs 168,210,686.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in the SDAC meetings held in November 2023. In DP No. 166, 255, 341, & 652, the department effected partial recovery of Rs 41,949,484 and in DP No. 231, & 595, admitted recovery. The Committee directed the department to effect due recovery. Overall amount of para was reduced to Rs 149,653,273. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-X)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para No. 2.4.2.8 in AR 2018-19, Para No. 2.5.2.26 in AR 2019-20, Para No. 2.5.2.16 & 2.5.5.21 in AR 2020-21, Para No. 2.4.2.15 in AR 2021-22 and Para No. 2.4.2.8 & 2.4.2.14 in AR 2022-23 having financial impact of Rs 685.798 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2.3 Overpayment due to inadmissible price variation on M&R works – Rs 109.741 million

As per Delegation of Financial Powers Rules, 2016 read with FD's clarification No. FD(C&W)4-207/2021-22 dated 14th June 2022, no price variation is admissible on M&R works.

Executive Engineers of various Highways Divisions, in eight (08) cases, paid Rs 110,777,411 on account of price variation against M&R works. Audit observed that price variation on M&R works was inadmissible as per FD's clarification.

Violation of FD's instructions resulted in overpayments amounting to Rs 110,777,411.

Audit pointed out the overpayments from March to September 2023.

The paras were discussed in the SDAC meetings held in August & November 2023. In DP No. 105, 106, 132, 133, 618 & 685, the department explained that the price variation was paid prior to issuance of clarification by FD. Audit informed that FD's clarification was based on the previous similar audit observations; hence, no price variation was involved on special repair works. The Committee directed the department, in DP No. 618 & 685, to effect recovery and in DP No. 105, 106, 133 & 132, refer the matter to FD for clarification. In DP No. 193 & 218, the department explained that the matter was sub judice and final action would be taken on finality of court judgment. Audit informed that no record of court proceedings was produced in support of its reply by the department. Further, the amount of DP No. 218 was reduced to Rs 4,676,746 as the price variation was not paid in one case. The Committee directed the department to keep this issue pending till the decision of the court. Overall amount of para was reduced to Rs 109,740,520. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XI)

2.4.2.4 Overpayment due to higher rates of non-standardized items – Rs 88.069 million

As per FD's notification No. RO(Tech)FD 2-3/2004 dated 2nd August 2004, the CE, based on input/MRS rates fixed/notified by FD, shall fix/approve the rates of each item of works for Rough Cost Estimates (RCE) for AA. However, these can be modified, replaced and added to with the approval of FD. Further, as per FD's letter No. RO(Tech)FD-18-29/2006 dated 3rd March 2005, read with FD's notified template for electrical items in 2022, 12.5% contractor profit and overhead charges are allowed.

Executive Engineers of various Highways Divisions, in fourteen (14) cases, paid for the various non-standardized items to the contractors. Audit observed that the department prepared rates of the items on higher side by taking excess rate of material, and/or labour, 20% contractor's profit on hiring of machinery, and excess wastage than admissible as per FD's template.

Violation of FD's instructions resulted in overpayments amounting to Rs 88,069,041.

Audit pointed out the overpayments from April to September 2023.

The paras were discussed in the SDAC meetings held from August to November 2023. In DP No. 43, 142, 381, 358, 480, & 758, the department explained that rates were paid as per TS estimates approved by the Competent Authority. Audit contended that the department was required to prepare rate analyses on FD's template. The Committee directed the department to effect due recovery based on FD's template. In DP No. 239, 702, & 479, the department admitted recovery. The Committee directed the department, in DP No. 702, to fix responsibility against the delinquents in addition to effecting recovery. In DP No. 795, the department explained that correct numbers of dowel bars had been incorporated in RTSE and paid accordingly. Audit contended that actual quantity of steel bars with 10 dowel bars comes to 31000 kg whereas the department paid 35777.34 kg. The Committee directed the department to get the record re-verified and effect due recovery within 07 days. In DP No. 305, the department explained that the item was executed with 88 cft of crush/bajri. Audit contented that as per approved rate analysis, 73.93 cft crushed stone/bajri was required to be used. The Committee directed the department to effect recovery of Rs 2.865 million. In DP No. 734, the department explained that Audit had challenged the analysis on the basis of input rates of 2nd Biannual 2020 while the work was allotted in 2015 well before the input rates of kerb stone. The department had paid carriage separately. Audit contended that the work was awarded in 2021. Further, as per input rates even in 2015 the rate of said item was for material at site. Hence, separate carriage was not admissible. In DP No. 843, the department explained that the item no. 18.005 was applicable only on base course and therefore item no 18.006 was approved and executed. Audit contended that item no. 18.005 was required to be paid which was economical and suitable being at site rate. The Committee, in DP No 734 and 843, directed the department to get the relevant record verified from Audit within 07 days otherwise effect recovery. In DP No. 39, the department explained that the work was executed by the contractor, hence, 20% profit was admissible. Audit contended that 20% profit on hiring of machinery was not admissible as per FD's template. The Committee directed the department to get clarification from FD regarding allowing of 20% profit on hiring of machinery rates. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XII)

2.4.2.5 Overpayment due to execution of incorrect/uneconomical items – Rs 80.149 million

According to the rule 1.58 of the B&R Department Code, "the divisional officers are immediately responsible for the proper maintenance of all works in their charge and the preparation of projects and of designs and estimates, whether for new works or repairs. It is also part of their duties to organize and supervise the execution of works and to see that they are suitably and economically carried out with materials of good quality".

2.4.2.5.1 Executive Engineers of various Highways Divisions, in five (05) cases, paid for the various MRS items at higher rates. Audit observed that the relevant and suitable items on economical rates were available in MRS which should have been applied. The detail is as under:

(Amount in Rs)

Sr. No.	DP No.	Name of Divisions	Item paid	Item to be paid	Amount Overpaid
1	238	Jhelum	Earthwork excavation in open cutting in hard soil	Earthwork excavation in open cutting in soft soil	26,373,111
2	653	Gujrat	Earthwork in open cutting and rehandling 50 ft	For rehandling extra for every 50 ft	23,544,854
3	671	Gujrat	Regular excavation dressed	Single throw of kassi soft soil	3,378,781
4	370	Sahiwal	Relaying of brick soling on edge	Restoration of bricks pavement on edge	1,508,799
5	639	Okara	Regular excavation dressed	Single throw of kassi soft soil	529,262
Total					**55,334,807**

Violation of B&R Department Code resulted in overpayments amounting to Rs 55,334,807.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in the SDAC meetings held in November 2023. In DP No. 238, 370, 639 & 671, the department explained that correct rates/items were paid as per approved TS estimates. Audit contended that the department paid excess rate due to execution of incorrect and uneconomical items. The Committee directed the department to effect due recovery. In DP No. 653, the department explained that the construction of guide banks involved re-handling of earth instead of carriage only. Hence, the item *"re-handling of earthwork upto a lead of 50-ft"* was correctly paid to the contractor. Audit contended that lead of 100' was required to be provided with the main item of excavation wherein already 50' lead had been added for disposal. The department paid extra item of re-handling for this work. The Chair and member FD directed the department to get the matter technically probed by CE Highways (North) within 30 days. Audit stressed that the item of re-handling of earth was unnecessary and only lead of 100' was required to be paid for filling of earth on guide bank. Hence, recovery was required to be made. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

2.4.2.5.2 Executive Engineers of various Highways Divisions, in three (03) cases, paid for the item No. 6(a)(i) of Chapter-6 (Concrete) "*Providing and laying RCC roof slab, beams, column lintels, girders & other structural members complete in all respect*". Audit observed that the rate of admissible item No. 6(a)(ii) without horizontal shuttering was available which should have been applied.

(Amount in Rs)

Sr. No.	**DP No.**	**Name of Division**	**Item paid**	**Item to be paid**	**Amount Overpaid**
1	513	Muzaffargarh	P/L RCC 1:2:4 [MRS Item No. 6(a)(i)(3) of Ch. 6 (with shuttering)	P/L RCC 1:2:4 [MRS Item No. 6(a)(ii)(3) of Ch. 6] (without shuttering)	8,365,409

2	673	Gujrat	P/L RCC 1:1.5:3 roof slab, beams etc. for retaining wall.	RCC in retaining walls item No. 6(a)(ii) Ch. 6	3,660,951
3	421	Multan	P/L RCC 1:2:4 roof slab, beams etc.	RCC in slab of raft/strip foundation	1,623,723
	Total				**13,650,083**

Violation of B&R Department Code resulted in overpayments amounting to Rs 13,650,083.

Audit pointed out the overpayments in September 2023.

The paras were discussed in the SDAC meetings held from November to December 2023. In DP No. 673, the department explained that due recovery would be made. The Committee directed the department to effect due recovery. In DP No. 421, the department explained that bridge/culvert slab always laid at site with vertical and horizontal shuttering. Audit contended that the department paid inadmissible item i.e. RCC in roof slab, beam etc. for the execution of bed plate and parapet of culvert instead of RCC raft/strip foundation. The Committee directed the department to get the record re-verified from Audit within 07 days. DP No. 513 was based on 03 sub-paras. In sub-para No. 34, the department admitted recovery and in sub-para 25 & 35, the department explained that payments were made as per TS estimates. Audit contended that the area of walls needs to be deducted against the shuttering as the same area was supported with walls and hence shuttering was neither required nor admissible. The Committee directed the department to get the record verified from Audit regarding reducing the rate of shuttering by excluding the area of walls within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

2.4.2.5.3 Executive Engineer, Highways Division, Gujrat paid for the item *"RCC 1:1.5:3 and 1:1:2"* for a quantity 48763 cft & 112980 cft at rate of Rs 494.25 & Rs 580.55 per cft respectively for superstructure of bridge and applied the item 6 (a) (i) of Chapter 6. Audit observed that the rate of RCC with batching plant was available in MRS vide item No. 8 of the same chapter for Rs 444.75 & Rs 503.10 per cft. In this way, the department paid excess rate of Rs 49.50 & 77.45 per cft which resulted in overpayment of Rs 11,164,070 to the contractor.

Violation of B&R Department Code resulted in overpayment due to incorrect rate of Rs 11,164,070.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 29th November 2023. The department admitted due recovery pointed out by the Audit. The Committee directed the department to effect due recovery within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 676(2023-24)

2.4.2.6 Overpayment due to incorrect calculation of price variation – Rs 60.574 million

According to clause 55 of the contract agreement, where any variation (increase or decrease) to the extent of 5% or more in the price of an item of works takes place after acceptance of the tender and before completion of works, the amount payable should be adjusted to the extent of actual variation in the cost of the item of works. Further, as per clause 55(10) of the contract agreement, in the case of buildings and RCC structures, the factor for calculation of price variation of HSD was 0.07.

2.4.2.6.1 Executive Engineers of various Highways Divisions, in eleven (11) cases, paid price variation against various items. Audit observed that the department made overpayments on account of price variation by taking incorrect rates and wrong months of recording measurement.

Violation of the contract agreement resulted in overpayments amounting to Rs 31,137,264.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in SDAC meetings held from November to December 2023. In DP No. 201, 462, 700 & 827, the department admitted recovery. The Committee directed the department to effect recovery. In DP No. 272, 273, 202, 203, 458 & 914, the department contended that correct rates had been applied. Audit informed that the department had taken incorrect rates/months for price variation. Further, the department did not provide check requests and Interim Payment Certificates (IPCs) vetted by the consultants. The Committee directed the department to get the record re-verified from Audit. In DP No. 315, department explained that no tempering of record entries and billing date was made. Audit informed that the department tempered the date of billing to extend the undue benefit to the contractor. The Committee directed the department to get the matter probed by SE Highways Circle, Lahore. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XIII)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para No. 2.4.2.22 in AR 2018-19, Para No. 2.5.2.3 in AR 2019-20, Para No. 2.4.2.15 in AR 2020-21, Para No. 2.4.2.20 in AR 2021-22 and Para No. 2.4.2.4 in AR 2022-23 having financial impact of Rs 203.665 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2.6.2 Executive Engineers of various Highways Divisions, in three (03) cases, paid excess price escalation on "*HSD*" by using 0.15 factor for RCC bridge, rigid pavement and culverts. Audit observed that admissible factor was 0.07.

(Amount in Rs)

Sr. No.	DP No.	Name of Divisions	Amount Overpaid
1	359	Sahiwal	22,973,869
2	775	Chakwal	3,169,591
3	241	Jhelum	2,213,238
		Total	**28,356,698**

Violation of the contract agreement resulted in overpayments amounting to Rs 28,356,698.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in SDAC meetings held from November to December 2023. In DP No. 241, 359 & 775, the department explained that the payment of price escalation had been made to the contractors as per clause-55 of the contract agreement. Further, RCC structure for buildings and bridges was different from rigid pavement. Audit contended that rigid pavement was also RCC structure, hence, factor of 0.07 for price variation was required to be applied. The Committee directed the department, in DP No. 775 & 359, to refer the cases to FD for clarification of application of factor for price variation on RCC Rigid pavement and in DP No. 241, directed the department to get the record verified regarding payments of culverts and rigid pavement from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

2.4.2.6.3 Executive Engineers, Highways Divisions, Jhelum & Narowal, paid price variation on sub-base of pit run gravel by applying the rates of sub-base of crushed stone amounting to Rs 1,080,274. Audit observed that as per notification of price variation the rate of pit run gravel was not available. So, the payment of price variation on said item was not admissible.

(Amount in Rs)

Sr. No.	**DP No.**	**Name of Divisions**	**Amount Overpaid**
1	300	Jhelum	601,932
2	350	Narowal	478,342
		Total	**1,080,274**

Violation of contractual obligation resulted in overpayment amounting to Rs 1,080,274.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in SDAC meetings held in November 2023. In DP No. 300 & 350, the department explained that the item was allowed as per approval of the Competent Authority. Audit contended that item *"pit/bed run gravel for sub-base"* was not available in FD's notification for payment of price variation. The Committee upheld the viewpoint of Audit and directed the department to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

2.4.2.7 Overpayment due to allowing price variation on excess quantities – Rs 49.329 million

According to rule 7.29 of DFR Vol-I, before signing the bill, a sub-divisional officer should compare the quantities in the bill with those recorded in the MB and see that all the rates were correctly entered and that calculations were checked arithmetically to be correct.

Executive Engineer, Highways Division, Muzaffargarh, paid price variation amounting to Rs 528,493,971 on various items of works. The department accounted for an excess quantum of work done compared to what was actually executed.

(Amount in Rs)

Sr. No.	DP No.	Quantity paid (cft)	Quantity to be paid (cft)	Excess Quantity (cft)	Amount Overpaid
1	504	19417338	13730369	5686969	41,053,438
2	501	360800	180400	180400	2,420,968
3	505	1263790	790190	473600	1,165,920
Total					**44,640,326**

Violations of DFR resulted in overpayments amounting to Rs 44,640,326.

Audit pointed the overpayment in September 2023.

The paras were discussed in the SDAC meeting held on 22nd November 2023. In DP No. 504 & 505, the department admitted recovery. The Committee directed the department to effect recovery. In DP No. 501, the department explained that the amount of price variation was correct. Audit informed that the entry for the base course was duplicated while calculating the payment of price variations for labour and diesel, and actual amount of para was enhanced to Rs 7,109,320 during verification of record. The Committee directed the department to effect actual recovery. Overall amount of para was enhanced to Rs 49,328,678. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

2.4.2.8 Overpayment due to allowing excess lead – Rs 44.840 million

As per condition No. 5 of FD's letter No. RO(Tech)F.D 2-3/2004 dated 2nd August 2004, "the material of crushed stone aggregate and sand material shall be carried from the nearest quarry and the shortest route shall be used/adopted for carriage".

Executive Engineers of various Highways Divisions, in seven (07) cases, paid for the item "*Carriage of stone and bajri*" by allowing excess lead instead of adopting the shortest route. Audit observed that due to allowing longer distance for carriage of stone and bajri, the department prepared and paid higher rates.

Violation of FD's instructions resulted in overpayments amounting to Rs 44,840,359.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in the SDAC meetings held from November to December 2023. In all cases, the department explained that the material was obtained from the nearest quarry as approved in the TS estimates. Audit contended that the department paid excess lead by taking longer route. The Committee directed the department, in DP No. 234, 670 & 769, to effect due recovery and in DP No. 608, 609, 875 & 942, produce the relevant record for re-verification regarding lead calculation.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XIV)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para No. 2.4.2.60 in AR 2018-19, Para No. 2.5.2.10 & 2.5.2.20 in AR 2019-20, Para No. 2.5.2.8 & 2.5.2.10 in AR 2020-21, Para No. 2.4.2.10 in AR 2021-22 and Para No. 2.4.2.11 in AR 2022-23 having financial impact of Rs 140.448 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2.9 Overpayment due to non-deduction of shrinkage – Rs 34.458 million

As per instructions of chapter No. 3, "Earthwork" of MRS, 10% shrinkage was required to be deducted in case work is done with manual labour and 3% to 6% in case work is done by mechanical means.

Executive Engineer, Highways Division, Gujrat paid for the item *"borrowpit excavation dressed complete in all respect"* for the quantity of 49209250 cft. Audit observed that the department did not deduct 10% shrinkage, totaling 4920925 cft, as stipulated in MRS.

Violation of MRS resulted in overpayment amounting to Rs 34,457,807.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 29th November 2023. The department explained that the estimate was prepared on the basis of item 4(a) borrow excavation undressed & not on bank measurements, hence, the payment had also been made on account of excavated material rather than X-section of bank. Audit informed that shrinkage was required to be deducted because in both cases, undressed earth was borrowed and bank measurement was made. The Committee directed the department to effect due recovery within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 694(2023-24)

2.4.2.10 Overpayment due to application of incorrect unit factor – Rs 30.996 million

As per MRS as well as TS estimate, the earthwork is measured by taking per 1000 cft read with rule 7.29 of DFR Vol-I, before signing the bill, a sub-divisional officer should compare the quantities in the bill with those recorded in the MB and see that all the rates were correctly entered and that calculations were checked arithmetically to be correct.

Executive Engineer, Highways Division, Kasur paid for the item *"Disposal of dismantled material ¼ mile lead with all lead and lift complete as approved"* for a quantity of 775907 cft by applying the factor of 100 cft. Audit observed that correct unit factor for the said item was per 1000 cft instead of 100 cft. Department applied wrong factor and made overpayment to the contractor.

Violation of DFR resulted in overpayment amounting to Rs 30,996,426.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 6th December 2023. The department admitted the recovery and committed that recovery would be made. Audit contended that frequent calculation errors resulting in huge overpayments to contractors had been observed which was very serious issue and needed to be addressed. The Committee directed the department to effect recovery and produce relevant record to ensure its authenticity within 07 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 567(2023-24)

2.4.2.11 Overpayment due to non-utilization of excavated earth – Rs 27.459 million

As per specification No 17.1(A)(11)(i) for execution of works 1967 Volume-I Part-II, if cutting and filling are being done simultaneously all suitable materials obtained from cutting shall be used in filling after recording X-Sections in MBs.

Executive Engineers of various Highways Divisions, in seven (07) cases, paid for the item "*Excavation in open cutting*", "*Excavation in foundation in building bridges*", "*Regular excavation, structural excavated earth and Excavation undressed lead upto single throw of kassi*". Audit observed that the department did not utilize the excavated earth and, instead, acquired earth from an external source by making payments under the item *"Earthwork for making embankment"*, leading to an undue financial benefit for the contractor.

Violation of specification resulted in overpayments amounting to Rs 27,458,570.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in SDAC meetings held from November to December 2023. In DP No. 411, 592, 701 & 888, the department admitted recovery. The Committee directed the department to effect recovery. In DP No. 908 & 916, the department explained that excavated earth was unsuitable and could not be utilized. Further, department admitted due recovery of rate difference of the earthwork of ordinary soil and soft soil. Audit informed that the department neither utilized the 2/3rd quantity of available earth nor reduced the rate of earthwork in cases where excavated earth was proved as unsuitable/soft soil as per lab test reports. The Committee directed the department to effect due recovery. In DP No. 407, the department explained that quantity of 4677621 cft of road crust had been adjusted. Audit contended that the departmental reply was pertaining to road crust rather the issue of utilization of available earth. The Committee directed the department to get the record re-verified from Audit within 07 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XV)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para No. 2.4.2.59 in AR 2018-19, Para No. 2.5.2.40 in AR 2019-20, Para No. 2.5.2.1 in AR 2020-21, Para No. 2.4.2.7 in AR 2021-22 and Para No. 2.4.2.2 in AR 2022-23 having financial impact of Rs 384.354 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2.12 Overpayment due to non-deduction of road crust – Rs 26.768 million

As per the provision of the TS estimate, the area of the road crust was required to be deducted from the total measured quantity of earthwork for making an embankment.

Executive Engineers of various Highways Divisions, in seven (07) cases, paid for the item *"Earthwork for making embankment"*. Audit observed that the department did not deduct the quantity of road crust from the embankment as provided for in the respective TS estimates.

Violation of the TS estimate resulted in overpayments amounting to Rs 36,115,798.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in SDAC meetings held from November to December 2023. In DP No. 532, 631, 632, 634 & 635, the department explained that recovery/adjustment would be made. The Committee directed the department to make recovery/adjustment. In DP No. 556, the department effected partial recovery of Rs 2,915,454 and stated that balance recovery would be made. The Committee directed the department to effect balance recovery and amount was reduced to
Rs 733,966. In DP No. 420, the department explained that the sub-para No. 36, was duplicate of PDP No. 335 for the year 2022-23 and in sub-para No. 26, effected recovery of Rs 177,070 on account of road crust. Audit informed that the sub-para No. 36 was not duplicate because the instant issue was different in nature and in sub-para No. 26, the department did not produce accountal of effected recovery. The Committee directed the department to produce complete record and get it verified from Audit. Overall amount of para was reduced to Rs 26,768,419. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XVI)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19, 2019-20 & 2022-23 vide Para No. 2.4.2.14 in AR 2018-19, 2.5.2.2 in AR 2019-20 and Para No. 2.4.2.9 in AR 2022-23 having financial impact of Rs 296.469 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2.13 Overpayment due to less deduction of rate of carpeting – Rs 21.843 million

As per FD's notification No. RO(Tech)FD 2-3/2004 dated 2nd August 2004, payment is to be made to the contractor as per JMF or actual bitumen used in the work. According to FD's template for the item *"P/L plant premixed carpet",* the quantity of bajri is fixed at 62% as constant and 33.5 % filler is variable with the percentage of the contents of the bitumen at 4.5%.

Executive Engineer, Highways Division, Multan in eight (8) works, paid for the item *"P/L plant premixed bituminous carpeting including compaction and finishing and required camber 2* *inch thick Asphaltic Base Course (ABC)* and *1.5 inch thick Asphaltic Wearing Course (AWC) with different bitumen contents"* at reduced rates by making rate analyses as per JMF. Audit observed that the department reduced the bitumen contents from 4% to 3.8% and 4.5% to 4.3% and ratio of stone dust/filler from 33.8% to 26.70%. Further, department increased the contents of bajri/crush from 62% to 67% and 69% in violation of FD's template. Resultantly, department derived higher rates and made payments accordingly.

Violation of FD's template resulted in overpayment amounting to Rs 21,843,292.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 12th December 2023. The department explained that payment had been made to the contractor as per approved JMF. Audit informed that the department increased the content of bajri/crush from 62% to 67% and 69% and paid excess bajri in contravention of FD's template. The Committee directed the department to refer the case to RR&MTI for clarification regarding why FD template was not followed. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 405(2023-24)

2.4.2.14 Overpayment due to double payment of dressing – Rs 12.305 million

As per clarification issued by FD vide No. RO(Tech) FD 2-6/85 dated 16th March 1988, the activity of leveling and dressing was included in the item of compaction, hence separate payment of dressing was not allowed.

Executive Engineers of various Highways Divisions, in eight (08) cases, paid for item of work *"Regular excavation dressed"* along with execution of item "*Compaction of earthwork with* *power road roller 95% to 100%"*. Audit observed that dressing was paid twice - once in regular excavation and then in compaction of earthwork.

Violation of FD's instruction resulted in overpayments amounting to Rs 12,305,179.

Audit pointed out the overpayments from August to September 2023.

The paras were discussed in SDAC meetings held from November to December 2023. In DP No. 756, 837 & 937, the department admitted recovery. The Committee directed the department to effect recovery. In DP No. 196, 448 & 890, the department explained that item was approved by the Competent Authority and paid accordingly. Audit contended that dressing was paid twice. The Committee directed the department to effect due recovery. In DP No. 474 & 476, the department explained that dressing was not included in compaction rate. Audit argued that dressing was included in compaction as per clarification of FD. The Committee directed the department to effect recovery within 15 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XVII)

Note: This issue was reported earlier also in the Audit Reports for the years 2019-20 & 2021-22 vide Para No. 2.5.2.36 in AR 2019-20 and Para No. 2.4.2.9 in AR 2021-22 having financial impact of Rs 10.977 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2.15 Overpayment due to incorrect rate – Rs 8.717 million

As per Acceptance letter, the rate of item "dismantling and removing road pavement etc. was Rs 2,820.62 % cft".

Executive Engineer, Highway Division, Kasur paid for the item *“dismantling and removing road pavement”* for a quantity of 456859 cft at the rate of Rs 4,728.55 per % cft. Audit observed that as per acceptance letter, the correct rate of the item was Rs 2,820.62 per % cft and same was required to be paid, whereas the department paid excess rate of Rs 1,907.93 % cft.

Violation of MRS resulted in overpayment amounting to Rs 8,716,550.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 6th December 2023. The department explained that recovery of Rs 8,716,530 had been effected vide 11th & running bill. Audit informed that voucher was without number and date, and cash book was also required for verifying the recovery. The Committee directed the department to produce relevant record of the effected recovery. The Committee further expressed serious concern about the payment at higher rates and directed that greater care should be taken in the future when making payments to the contractors. Compliance with the committee’s directives was not reported until the finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 541(2023-24)

2.4.2.16 Overpayment due to wrong carrying forward of quantity of base course – Rs 7.148 million

According to rule 7.29 of DFR Vol-I, before signing the bill, a sub-divisional officer should compare the quantities in the bill with those recorded in the MB and see that all the rates were correctly entered and that calculations were checked arithmetically to be correct.

Executive Engineers of various Highways Divisions, in four (04) cases, paid for the item “*P/L base course of crushed stone aggregate, road edging, P/L thermopore sheet and earthwork in ordinary soil”*. Audit observed that the department carried forward the excess quantities in measurement books which resulted in overpayment to the contractors.

(*Amount in Rs*)

Sr. No.	**DP No.**	**Name of Divisions**	**Amount Overpaid**
1	460	Taunsa	5,036,850
2	819	Lodhran	993,368
3	816	Lodhran	814,361
4	594	M.B Din	303,487
		Total	**7,148,066**

Violation of rule resulted in overpayments amounting to Rs 7,148,066.

Audit pointed out the overpayment in August 2023.

The paras were discussed in the SDAC meeting held from November to December 2023. In DP No. 460, 594, 816 & 819, the department admitted recovery. The Committee directed the department, in DP No. 460 & 594, to effect recovery and in DP No. 816 & 819, effect recovery besides issuing warning letters to delinquents to remain vigilant in future. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

2.4.2.17 Overpayment due to allowing inadmissible lead – Rs 6.777 million

According to Appendix-5 of PFR Vol-II, Sr. No. 4 terms of contract once entered into should not be materially changed. Moreover, as per PAC directive, lead once approved cannot be changed. Further, as per Para 7 of General directions for the Guidance of the Tenderers, the tenderer shall at his own expense, inspect and examine the site and surroundings and ensure availability of source of material before submission of bid.

Executive Engineer, Highway Division, Jhelum paid for the item *"Earthwork embankment 95 to 100% with all leads and lifts etc. lead upto 1/4th mile"*. Audit observed that the department paid extra lead up to 5 km and 8 km amounting to Rs 6,776,569, which was not provided in the agreement.

Violation of contractual obligations/PAC directives resulted in overpayment amounting to Rs 6,776,569.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 13th November 2023. The department explained that the subject scheme was in hilly terrain and salt range and no suitable earth was available for embankment within 01 Km in some stretches of the road. Subsequently, earthwork with lead from 5 Km and 8 Km was paid, and the same had been approved in the revised PC-1/Cost estimate. Audit contented that the department paid separately extra lead up to 5 km and 8 km, which was not provided in the acceptance/TS estimate. The Chair and member FD directed the department to form a committee headed by the CE Highways (North) to determine actual lead as per site as the scheme was in hilly terrain. Audit informed that as per para No.07 of General Instruction of Guidance of Tenderers, the tenderer shall inspect and examine the site and surroundings and ensure availability of source of material before submission of bid. Therefore, the lead could not be altered once the bid had been submitted and the contract was awarded; as a result, recovery should be effected. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 301(2023-24)

2.4.2.18 Overpayment due to violation of approved pavement design – Rs 6.226 million

According to item No.5(I) of Rigid Pavement Design approved by the RR&MTI Lahore vide letter No.G-6/Kasur/1098 dated 15th July 2021, in case of new construction the thickness of sub-base was 4" and in case of existing road, existing crust may be treated as sub-base.

Executive Engineer, Highways Division, Okara, in two (02) cases, paid for the items *"base course, and fabrication of mild steel"*. Audit observed that according to the approved design and Technical Specifications (TS estimate), the stipulated thickness for the base course in the overlay portion was 4 inches. However, the department measured it as 8 inches thick, resulting in payment for a quantity of 18,480 cft instead of the admissible quantity of 9,240 cft. Further, the department paid excess quantity of steel bars and the mesh in rigid pavement in violation of the approved pavement design of RR&MTI.

Violation of approved pavement design resulted overpayments amounting to Rs 6,225,882.

Audit pointed out the overpayments in September 2023.

The paras were discussed in the SDAC meetings held in November 2023. In DP No. 645, the department admitted recovery of Rs 2,747,606. The Committee directed the department to effect recovery. In DP No. 628, the department explained that the mesh for one panel was taken as 0.84 lbs per sft for the rigid pavement and the same was provided for in the TS estimate. However, the recovery of Rs 1,153,611 on account of dowel would be made in the next running bill. Audit contended that recovery for excess quantity of steel was required to be made. The Committee directed the department to get the record verified from Audit and effect admitted recovery of Rs 1,153,611. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 628 & 645(2023-24)

2.4.2.19 Overpayment due to allowing extra carriage of stone – Rs 6.055 million

As per FD's Template of MRS Item No.10 (iii) under Chapter-18 (Road & Road Structure), there was provision of 16.45 cft crushed stone/bajri in the item *"Providing and laying 2" thick plant premixed bituminous carpet 4% bitumen etc."* and accordingly carriage was required to be paid on same quantity.

Executive Engineer, Highway Division, Jhelum paid for the item *"Providing and laying plant premixed bituminous carpet (ABC) 4% bitumen etc."*. Audit observed that the department prepared the rate analysis for the said item for by taking 24.67 cft bajri instead of 16.45 cft and paid accordingly.

Violation of FD's template resulted in overpayment amounting to Rs 6,054,978.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 13th November 2023. The department admitted recovery. The Committee directed the department to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery from the contractor and issuance of corrigendum in Acceptance letter by reducing the rates.

DP No. 232(2023-24)

2.4.2.20 Overpayment due to incorrect measurement – Rs 3.970 million

According to the Evaluation Report of Junior Research Officer (JRO) on existing pavement structure, issued vide No.R-2(DP)/686 dated 21st June 2022, the thickness of base and sub-base was 6 inch each for 20 feet road width. Further, as per Para No.18 (1) 9(1) of Book of Specifications, all demolished material shall be considered the property of the government and shall be disposed of as directed by the Engineer In-charge.

Executive Engineer, Highways Division, Okara paid for the item *"dismantling and removing of existing road pavement"* by taking 6" thick and 10' width instead of 12" thick and 20' width as per evaluation report of JRO. Audit observed that the department recovered stone for 8,200 cft instead of the correct quantity of 32,800 cft. In this way, the department had received 24600 cft less quantity of dismantled material from road pavement which could not be re-used as sub-base course on labour rate and the same quantity was executed on full rates.

Violation of TS estimate resulted in overpayment amounting to Rs 3,970,366.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 27th November 2023. The department admitted recovery. The Committee directed the department to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides disciplinary action against the person(s) at fault.

DP No. 644(2023-24)

2.4.2.21 Overpayment due to incorrect calculation – Rs 2.262 million

According to rule 7.28 and 7.29 of DFR Vol-I, before signing the bill, sub-divisional officer should compare the quantities in the bill with those recorded in measurement book and see that all the rates were correctly entered and that calculation were checked arithmetically to be correct.

Executive Engineer, Highways Division, Multan paid for the item, *"Fabrication of mild steel grade-60"* for a quantity of 647833 kg of Rs 25,071.45 per % kg. Audit observed that the department incorrectly calculated the quantity of steel by applying wrong conversion factor, resulting in a quantity of 17,078 kg instead of the correct payable quantity of 8,541.28 kg. Consequently, the department paid for an excess quantity of 8,536.72 kg.

Violation of DFR resulted in overpayment amounting to Rs 2,261,840.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 12th December 2023. The department explained that calculation error had been rectified by making over all measurement of said item in 20th running bill. Audit informed that the department did not provide the record regarding effected recovery. The Committee directed the department to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 410(2023-24)

2.4.2.22 Overpayment due to award of work at higher percentages than those agreed by the contractor – Rs 1.683 million

According to rule 7.29 of DFR Vol-I, before signing the bill, a sub-divisional officer should compare the quantities in the bill with those recorded in the MB and see that all the rates were correctly entered and that calculations were checked arithmetically to be correct.

Executive Engineer, Highways Division, Hafizabad awarded two (02) groups of a work to the contractor at 4.41% and 4.43% above the estimated cost on his initial undertaking. Audit observed, based on the available records of the division, that the contractor had also submitted an undertaking to execute the works at 4.30% and 4.35% above the estimated cost. Despite this, the department made payments based on the initial undertaking.

Violation of DFR resulted in overpayment amounting to Rs 1,682,606.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 30th November 2023. The department explained that the contractor voluntarily offered his undertaking at the rate of 4.41% & 4.43% above the estimated cost. Audit contended that the department should have made payment at the undertaking offered by the contractor subsequently i.e. 4.30% and 4.35%. The Committee directed the department to get the matter probed by SE, Highway Circle, Gujranwala regarding duplication of undertaking submitted by the contractor in both cases within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 860(2023-24)

Irregularities resulting in non-recoveries

2.4.2.23 Non/Less recovery of retrieved material – Rs 194.218 million

As per C&W Department's letter No. SOH-I(C&W) 1-42/ 97(Misc.) dated 28th November 1997, a material extracted from dismantling brick soling/brick edging and road pavement would be used for laying sub-base course in full and 90%, respectively. Further, according to para 9(i) of Chapter 18.1 of Specification for Execution of Works 1967, the dismantled material is the property of the government and cost of it should either be recovered from contractor as credit of dismantled material or it should be counted, measured and recorded for open auction.

Executive Engineers of various Highways Divisions, in seventeen (17) cases, paid for the item *"dismantling of existing road pavement, brick edging, RCC slab, replacement of existing pumps & motors etc"*. Audit observed that the department neither reused retrieved material nor recovered its cost from the contractors amounting to Rs 275,934,160.

Violation of the contract agreement resulted in less recovery amounting to Rs 275,934,160.

Audit pointed out the less recovery from April to September 2023.

The paras were discussed in SDAC meetings held from September to December 2023. In DP No. 264, 538, 617, 622, 731, 781, 786, 803, 858, 906 & 929, the department effected partial recovery for Rs 89,075,813. Audit contended that full recovery was not made by the department. The Committee directed the department to make the balance recovery/adjustment. In DP No. 344, 377, 499, 655, 825 & 896, the department committed that recovery/adjustment would be made. Audit contended that the department was required to make recovery/adjustment. The Committee directed the department to make the balance recovery/adjustment. Overall amount of para was reduced to Rs 194,218,336. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XVIII)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2021-22 vide Para No. 2.4.2.53 in AR 2018-19, Para No. 2.5.2.12 & 2.5.2.30 in AR 2019-20, Para No. 2.5.2.20 in AR 2020-21, Para No. 2.4.2.14 & 2.4.2.16 in AR 2021-22 having financial impact of Rs 433.373 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2.24 Less recovery due to incorrect calculation of old material – Rs 48.962 million

According to para 9(i) of chapter 18.1 of book of specifications 1971 execution of work, the dismantled material is the property of the government, it should either be recovered from contractor as credit of dismantled material or it should be counted, measured and recorded for open auction. Further as per specification and FD template of the item "Sub-base", loose factor 120 cft to be applied instead of 100 cft.

Executive Engineers of various Highways Divisions, in eight (08) cases, paid for the item *"Relaying of dismantled material as sub-base"*. Audit observed that department derived incorrect rate for credit of old surplus stone by taking the rate of pit/bed run as Rs 325 per % cft instead of the correct rate for stone aggregate for the sub-base course of Rs 2,100 per %cft and carriage for 100 cft instead of 120 cft in violation of FD's template and specifications. Hence, department calculated less recovery on account of retrieved stone. Further, the department calculated incorrect rate of recovery of old material by excluding carriage charges.

Violation of specification resulted in less recovery amounting to Rs 48,962,271.

Audit pointed out less recovery in September 2023.

The paras were discussed in the SDAC meetings held from November to December 2023. In DP No. 773, 797, 801, 802 & 808, the department explained that the rate of pit run gravel was used for the recovery of old road pavement, and for the new sub-base, the same item of pit run gravel was being used in works. Further, the loose volume of 120 cft was considered only for carriage. Audit contended that the old pavement material also contained almost half the quantity of base course, so the recovery should have been made with sub-base crushed stone because, as per specification of bed/pit run, it could not be used for the base course. Furthermore, in all other works, the recovery had been calculated on the rate of crushed stone. Moreover, the template of the sub-base item indicated a 20% loose volume, so while the excavation of the old crust, 120 cft of loose material was obtained from excavation of 100 cft volume. The Committee directed the department to refer the case to CE Highways North to submit a technical report within 15 days in DP No. 773, and in remaining cases, to get the record re-verified from Audit within 07 days. In DP No. 667, the department explained that retrieved material of road pavement had been re-used as a sub-base course. However, the audit informed that the rate of recovery was calculated on the lesser side as 20% loose volume on account of carriage of material was not accounted for. The Committee accepted the viewpoint of Audit and directed the department to effect recovery within 30 days. In DP No. 514, the department admitted recovery, and the Committee directed the department to effect recovery. In DP No. 424, the department explained that the rate of recovery of dismantled material was approved by the competent authority. Audit contended that the department made lumpsum provision of Rs 3,000 % cft for recovery of dismantled material instead of Rs 11,546.94 % cft which includes the cost of carriage. The Committee directed the department to produce complete record including rate analysis for verification within 07 days. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XIX)

2.4.2.25 Overpayment due to incorrect rate and non-recovery of kerb stone – Rs 13.972 million

According to item No. 09 of Chapter 18.1 of specification for execution of works Volume-I, the dismantled material is the property of the Government & as such it is required to be recovered/adjusted or accounted for accordingly.

Executive Engineer Highways Division, Gujrat paid the item *"dismantling of existing PCC ramps & kerb stone alongwith disposal up to 2 km"*. Audit observed that the department incorrectly applied item No. 19-C, charging Rs 9,060.50 per cft for the dismantling of existing kerb stone, instead of the correct payable item No. 14 from chapter 4, which was Rs 3,088.80 per cft. Further, the cost of kerb stones obtained as a result of dismantling was not recovered from the contractor.

Violation of specification resulted in overpayment amounting to Rs 13,972,065.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 28th November 2023. The department explained that the kerb stones were composed of PCC 1:2:4, hence the item No. 19-C was correctly applied. Furthermore, the dismantled kerb stones could not be re-used in the project. Audit contended that incorrect rate for dismantling of kerb stone was applied and recovery of dismantled kerb stones was not made. The Chair and member FD directed the department to get the matter technically probed by CE Highways (North) regarding application of incorrect rate and recovery thereon. However, Audit stressed that recovery regarding application of incorrect rate and dismantled material should be effected. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 654(2023-24)

2.4.2.26 Less-recovery of government taxes – Rs 4.936 million

As per Government of the Punjab, FD's Second Schedule (Tax Services), under section 3, the Punjab Sales Tax (PST) at the rate of 5% w.e.f 1st July 2017 would be deductible on construction services and services provided by contractors of building (including water supply, gas supply and sanitary works) roads and bridges, electrical and mechanical works (including air conditioning) horticultural works, multi-discipline works (including turn-key projects) and similar other works. Further, as per FBR's clarification vide No.5/WHT-U-03 dated 20th April 2018, the Income Tax was required to be deducted from the contractors on the gross value of work done by including amount of PST u/s 153 of Income Tax Ordinance 2001.

Executive Engineers of various Highways Divisions, in five (05) cases, made payments to the contractors and deducted income tax on the net value of work done instead of gross value i.e. deduction was made after excluding PST and cost of dismantled material from total value. Further, in one case the department did not deduct PST.

(*Amount in Rs*)

Sr. No.	**DP No.**	**Name of Divisions**	**Amount Recoverable**
1	727	Layyah	4,358,831
2	610	M.B Din	2,021,101
3	692	Gujrat	1,451,785
4	593	M.B Din	362,027
5	40 (2022-23 Phase-II)	Mechanical, Lahore	190,065
		Total	**8,383,809**

Violation of rules resulted less-recovery of government taxes amounting to Rs 8,383,809.

Audit pointed out the less recovery from April to September 2023.

The paras were discussed in the SDAC meetings held from August to December 2023. In DP No. 593, 610 & 692, the department admitted recovery. The Committee directed the department to effect recovery. In DP No. 727, the department explained that the scheme was approved by the competent authority on 11th August 2016 with no provision of PRA. While the notification of application of PRA was issued on 28th November 2016. Audit contended that 1% PST was required to be deducted w.e.f 1st July 2016. The Committee reduced the para to actual amount to Rs 910,611 and directed the department to refer the case to PRA for clarification. Overall amount of para was reduced to Rs 4,935,589. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

<u>Note:</u> This issue was reported earlier also in the Audit Reports for the years 2019-20 and 2022-23 vide Para No. 2.5.2.35 in AR 2019-20 and Para No. 2.4.2.21 in AR 2022-23 having financial impact of Rs 9.872 million. Recurrence of same irregularity is a matter of serious concern.

2.4.2.27 Less recovery of Income Tax on compound interest –Rs 1.587 million

As per Finance Act 2021, 15% income tax was recoverable on profit/interest earned w.e.f. 1st July 2021.

LAC, Punjab Highways Department Lahore, made payment to the various affectees on account of 8% compound interest on delayed payment on land compensation. Audit observed that 10% income tax was deducted instead of 15%.

Violation of FD's Act resulted in less recovery amounting to Rs 1,586,592.

Audit pointed out less recovery in April 2023.

SDAC meeting was not convened by the department till finalization of this report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 70(2022-23 Phase-II)

Irregularities relating to procurements

2.4.2.28 Irregular enhancement of contract – Rs 1,681.888 million

As per clarification by PPRA dated 18th June 2019, enhancement in the original scope of work cannot be allowed under the PPRA rules being a different modality from the concept of variation, which is allowed (to the extent of 20% of the original procurement in the category of works only and based on unforeseen engineering anomalies) in the light of clause 42 of contract agreement circulated by FD.

Executive Engineers of various Highways Divisions in four (04) cases, awarded different works to various contractors. Audit observed that the department enhanced the contracts beyond 20% in contravention of PPRA clarification. The detail is as under:

(Amount in Rs)

Sr. No.	**DP No.**	**Name of Divisions**	**Enhanced Amount**	**Amount of agreement**	**Difference**	**% above beyond 20%**
1	649	Gujrat	6,605,421,900	5,112,742,740	1,492,679,160	21 to 45.27
2	217	Sheikhupura	76,518,068	12,901,627	63,616,441	311.70 to 1363.55
3	515	Muzaffargarh	37,938,639	11,323,111	26,615,528	93.50 to 1372

4	134 (2022-23 Phase-II)	Lahore	175,556,699	76,579,118	98,977,581	202.74 to 300.80
		Total	**6,895,435,306**	**5,213,546,596**	**1,681,888,710**	

Violation of the PPRA's clarification resulted in irregular enhancement of contract amounting to Rs 1,681,888,710.

Audit pointed out the irregular enhancement of contract from August to September 2023.

The paras were discussed in the SDAC meetings held in November 2023. In all cases, the department explained that due to site requirement, the scope of works was enhanced. Audit contended that the department abnormally enhanced the scope of works beyond the 20% in violation of the rule ibid. The Committee directed the department to refer the cases to FD for regularization. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early regularization of the matter from competent forum besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

Irregularities resulting in loss to government

2.4.2.29 Loss to government due to paying excess lead for stone material – Rs 226.650 million

As per FD's notification No.RO (Tech) FD 18-23/2004 dated 21st September 2004, material from the nearest approved quarry shall be used however, if rate of finished product from another quarry is cheaper, the lowest rate shall be used. Also, according to FD's letter No. RO(Tech)FD2-3/2015(2nd Biannual) dated 5th August 2015, Melot quarry is approved by Highways Department.

Executive Engineers of various Highways Divisions, in three (03) cases, paid for the item *"P/L sub-base & base course"*. Audit observed that stone for sub-base & base course was taken from Kirana Hills Sargodha quarry, whereas the same was also available at Melot quarry Jhelum.

(*Amount in Rs*)

Sr. No.	**DP No.**	**Name of Division**	**Loss**
1	668	Gujrat	115,098,158
2	664	Gujrat	55,992,659
3	260	Sialkot	55,559,445
		Total	**226,650,262**

Violation of FD's instructions resulted in loss to government amounting to Rs 226,650,262.

Audit pointed out the loss from August to September 2023.

The paras were discussed in the SDAC meetings held in November 2023. In DP No. 664 & 668, the department explained that Kirana & Dina quarry were approved vide CE (North Zone) Punjab Highway Department. Furthermore, Melot quarry had not been approved by Highway Department (North Zone). Audit contended that as per FD's letter No. RO(Tech)FD2-3/2015(2nd Biannual) dated 5th August 2015 the Melot quarry had been approved by Highways department, Punjab. Further, FD directed to District Coordination Officer (DCO) to fix the rate of stone of Melot quarry but C&W department did not pursue the matter with the concerned authorities for fixing the rate of stone available at Melot quarry. In DP No. 260, the department explained that stone for base course was not available in huge quantity to meet the requirements of Highway Department. Audit reiterated its earlier stance. The Committee directed the department to refer the case to Mines and Minerals Department regarding availability of base course to be used in road projects within 30 days. Audit stressed that Melot quarry is considered approved by FD, therefore, due recovery of excess lead be made. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides strengthening internal controls to avoid the recurrence of such issues.

Miscellaneous irregularities

2.4.2.30 Undue financial benefit to contractors due to allowing advance payments without execution of works at site – Rs 125.078 million

As per rule 2.33 of PFR (Vol-I), every government servant should realise fully and clearly that he would be held personally responsible for any loss sustained by government through fraud or negligence on his part.

Executive Engineers, Highways Divisions, Muzaffargarh & Gujrat, in five (05) cases, paid an amount of Rs 125,078,014 for the items, *"providing and laying Tipple Surface Treatment using 67 Ibs bitumen, P/F informatory/cautionary boards, fabrication of high tensile steel pre-stressing cables & tuff tile etc"*. However, during the site visit of the works, Audit observed that the aforementioned items of works were not executed at site resulting in undue financial benefit to contractor.

(*Amount in Rs*)

Sr. No.	**DP No.**	**Name of Divisions**	**Amount**
1	707	Gujrat	92,826,072
2	698	Gujrat	17,994,390
3	651	Gujrat	9,624,002
4	512	Muzaffargarh	3,652,174
5	339	Narowal	981,376
		Total	**125,078,014**

Violation of rules resulted in undue financial benefit amounting to Rs 125,078,014.

Audit pointed out irregularity in September 2023.

The paras were discussed in the SDAC meetings held in November 2023. In DP No. 651, 698 & 707, the department explained that the items had been executed at site as per approved TS estimates. Audit contended that during site visit, items were not found executed on sites and department made advance payments to the contractors. The Committee directed the department, in DP No. 698 & 651, to get the matter probed by SE concerned regarding actual position of the work executed at site and in DP No. 707, fixing responsibility against the person(s) responsible besides effecting recovery of lifting and transportation charges/cost of cable. In DP No. 512, the department explained that Rs 5.00 million were withheld from the contractor's claim. Audit contended that the department made advance payment for 3' wide Triple Surface Treatment for treated shoulders which was observed during site visit on 20th September 2023 accompanied by the SDO Muzaffargarh. Further, no amount was withheld from payment of the contractor. The Committee directed the department to issue warning letters to delinquents (SDO & Sub Engineer). In DP No. 339, the department explained that payment was made to contractor with reduced rates. Further, if the contractor were to install only grey-colored tuff tiles at the final stage, then Rs 3 per square foot would have to be recovered from the contractor. Audit contended that in agreement, rate was included for 50% grey and 50% color but only grey tuff tiles were laid at site up till now. The Committee directed the department to recover difference of grey and colors tuff tiles at final stage. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility on supervisory staff including consultant and strengthening internal controls to avoid the recurrence of such issues.

2.4.2.31 Unjustified payment for the item of re-handling of earthwork – Rs 2.063 million

As per rule 7.29 of DFR Vol-I, before signing the bill, the Sub-Divisional Officer should compare the quantities in the bill with those recorded in the measurement book and see that all rates are correctly entered and all calculations have been checked arithmetically.

Executive Engineer, Highways Division, Sialkot, in two (02) works, paid for the item *"re-handling of earthwork lead up to a single throw of kassi"*. Audit observed that the department had already made payment for the item *"Earthwork excavation up to a single throw of kassi lead 1 mile"* in the same works. Therefore, the inclusion of the re-handling item was inadmissible.

Violation of DFR resulted in unjustified payment amounting to Rs 9,181,343.

Audit pointed out unjustified payment in August 2023.

The para was discussed in the SDAC meeting held on 7th November 2023. The department admitted a recovery of Rs 2,062,782. The Committee directed the department to effect the admitted recovery along with the verification of certificate by the SE, Highway Circle, Gujranwala regarding the provision of item re-handling with 1 km lead. The amount of para was reduced to Rs 2,062,782. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 254(2023-24)

2.4.2.32 Irregular expenditure due to misclassification – Rs 1.660 million

According to rule 2.10(a) of PFR Vol-I a Govt. servant should exercise the same vigilance for incurring expenditure from Govt. funds as a person of ordinary prudence would exercise in respect of expenditure incurred from his own money.

Executive Engineer, Highways Division, Lahore incurred an expenditure of Rs 1,660,390 on repair & maintenance of vehicle No. MNX-5600 allotted to the CE, Central Zone Punjab Highways Department Lahore from the divisional office budget. Audit observed that the repair of the vehicle allocated to the CE from the division's funds was considered inadmissible.

Violation of rules resulted in irregular expenditure amounting to Rs 1,660,390.

Audit pointed out irregularity in September 2023.

The para was discussed in the SDAC meeting held on 30th November 2023. The department explained that the estimate was sanctioned by the competent authority and payment was made accordingly. Audit contended that vehicles of CE cannot be repaired from divisional budget. The Committee directed the department to get the matter probed by CE Highways (Central) within 15 days and refer the case to FD for regularization after finalization of probe. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC directives besides strengthening internal controls to avoid the recurrence of such issues.

DP No. 881(2023-24)

CHAPTER – 3

1)

HOUSING, URBAN DEVELOPMENT & PUBLIC HEALTH ENGINEERING DEPARTMENT

3.1 Introduction

A. Description of Department

Housing and Physical Planning Department (H&PP) was established in August 1972 replacing West Pakistan Housing and Settlement Agency. Subsequently, Improvement Trusts in Faisalabad, Gujranwala, Multan, Rawalpindi, Sargodha, and Murree were placed under the administrative control of H&PP Department in 1973. These Improvement Trusts were later transformed into Development Authorities, except Murree and Sargodha.

In 1978, Public Health Engineering Department (PHED) was brought under the administrative control of H&PP Department. The department was then renamed as Housing Physical & Environmental Planning (HP&EP). In 1997, HP&EP was again renamed as the "Housing, Urban Development & Public Health Engineering Department (HUD&PHED)". This department currently comprises of Public Health Engineering Department, Urban Development Authorities, Parks & Horticulture Authorities, Punjab Aab-e-Pak Authority (PAPA), and Agencies such as Water & Sanitation Agencies and Punjab Housing & Town Planning Agency. The Secretary, HUD&PHED acts as the PAO for the department.

HUD&PHED, Government of the Punjab, is mandated to carry out the following functions as per Rules of Business.

Functions of Development Authorities

i. Establish, maintain and periodically revise as necessary, planning, controls and building regulations for the Area.

ii. Prepare ADP for the area, ensure compliance with the ADP with priorities established in the Metropolitan Development Plan after its preparation, and evaluate performance under the ADP at the end of each year.
iii. Initiate and maintain a continuous process of comprehensive development planning for the area with the objective of preparing a Metropolitan Development Plan.
iv. Provide appropriate urban design and protect public safety.
v. Ensure compliance with the Metropolitan Development Plan after its preparation.
vi. Take all steps and measures necessary for the implementation and enforcement of the Act.

Functions of Water and Sanitation Agencies (WASA)

WASAs are Agencies of respective Development Authorities and are responsible for:

i. Planning, designing and construction of water supply, sewerage & drainage facilities for:
    - New works
    - Rehabilitation and augmentation of the existing system;
ii. Operation and maintenance of water supply, sewerage & drainage system.
iii. Billing and collection of rates, fees and charges for the services provided to consumers.

Functions of Punjab Horticulture Authorities (PHA)

i. Streamline and bring about a uniform and integrated approach to horticulture development for beautification of the cities.
ii. Development and maintenance of new parks, round-abouts, triangles, green belts, green verges, central medians, playgrounds and open spaces.
iii. Preservation of places of cultural and recreational importance.
iv. Face lifting, landscaping, illumination and beautification of assigned areas.
v. Environmental improvements.
vi. Regulate outdoor advertisement activity in City Districts.

Functions of Punjab Housing and Town Planning Agency (PHATA)

i. Identify state and other lands for developing low income and low-cost housing schemes.
ii. Facilitate public and private partnership or ventures in housing.
iii. Formulate Provincial Land use Policy, plan and prepare Regional Development Plans for an integrated, coordinated and systematic planning.
iv. Implement parameters of National Housing Policy, 2001.
v. Prepare guidelines, long term and short-term plans for implementation of the low-cost housing schemes and programmes in Punjab.

Functions of Punjab Aab-e-Pak Authority (PAPA)

i. Improving public access to safe drinking water and ensure sustainable operation and maintenance of water supply services, for each household of Punjab province.
ii. Helping the government eradicate water-borne diseases and improve the health of all the people of Punjab province.
iii. Provision of clean drinking water to the population in 36 districts of Punjab province mainly in rural, semi-urban and peri-urban areas.

Functions of Public Health Engineering (PHE)

i. Enhancing the quality of life of the people of Punjab by providing safe drinking water in Brackish, Barani and areas where ground water is contaminated or otherwise not suitable for drinking purposes.
ii. Providing pollution free environment by executing sewerage/drainage schemes and construction of sewage treatment plants.

HUD&PHED is also responsible for administration of the following laws and the rules framed thereunder:

a. The Town Improvement Act 1922 (IV of 1922).
b. The Lahore Development Authority Act 1975 (XXX of 1975).
c. The Punjab Development of Cities Act 1976 (XIX of 1976).
d. The Bahawalpur Development Authority Act, 1991(XI of 1991).
e. The Punjab Housing and Town Planning Agency Ordinance 2002 (LXXVIII of 2002).
f. The Parks and Horticulture Authority Act 2012 (XLVII of 2012).
g. The Lahore Canal Heritage Park Act 2013 (XV of 2013).
h. The Management and Transfer of Properties by Development Authorities Act 2014(XIX of 2014).
i. The Koh-e-Suleman Development Authority Act 2016 (XXIII of 2016).
j. Punjab Aab-e-Pak Authority Act 2019 (XII of 2019).
k. The Ravi Urban Development Authority Act 2020 (XVII of 2020).
l. Punjab Central Business District Development Authority Act 2021 (VI of 2021).

B. Comments on Budget and Accounts (Variance Analysis)

B(i) Housing, Urban Development (HUD)

In the FY 2022-23, the HUD department received allocations for both development and non-development funds. The Authorities also made use of funds generated through indigenous resources. However, it is noteworthy that the department faced challenges in fully utilizing the allocated budget, with a non-utilization of 61.59% for the development budget and 28.24% for the non-development budget. Budgetary position in FY 2022-23 along with variance analysis is presented below:

Table 3.2: Variance analysis (HUD) *(Rs in million)*

Nature of Budgetary Allocation	Original Budget	Revised Budget	Actual Expenditure	Variation Excess/ (Saving)	Variation in %
Non-Development	60,217.451	60,412.516	43,346.080	(17,066.436)	(28.24)
Development	95,820.079	94,979.622	36,484.499	(58,495.123)	(61.59)
Total	**156,037.530**	**155,392.138**	**79,830.579**	**(75,561.559)**	**(48.63)**

Source: Departmental figures (FY 2022-23)

B(ii) Public Health Engineering Department (PHED)

In the FY 2022-23, Public Health Engineering Department (PHED) received allocations for both development and non-development funds. Despite the availability of funds, the department faced challenges in utilizing the allocated budget efficiently, with a non-utilization of 0.14% for the development budget and 2.30% for the non-development budget. Budgetary position in FY 2022-23 along with variance analysis is presented below:

Table 3.3: Variance analysis (PHED) *(Rs in million)*

Nature of Budgetary Allocation	Original Budget	Revised Budget	Actual Expenditure	Variation Excess/ (Saving)	Variation in %
Non-Development	3,161.327	2,839.955	2,774.651	(65.304)	(2.30)
Development	11,950.000	38,595.643	38,538.036	(57.607)	(0.14)
Total	**15,111.327**	**41,435.598**	**41,312.687**	**(122.911)**	**(0.30)**

Source: Departmental figures (FY 2022-23)

3.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 24,785.742 million were raised as a result of audit of HUD&PHE Department. This amount also includes recoveries of Rs 15,744.888 million as pointed out by the Audit. Summary of the audit observations classified by nature is as under:

Table 3.4: Overview of Audit Observations *(Rs in million)*

Sr. No.	Classification	Amount
1	**Irregularities:**	-
(i)	Irregularities resulting in overpayments	436.270
(ii)	Irregularities resulting in non-recoveries	15,308.618
(iii)	Irregularities relating to undue financial benefit to contractor	43.685
(iv)	Irregularities resulting in loss to government	1,489.405

(v)	Irregularities relating to procurements	15.255
(vi)	Miscellaneous irregularities	7,492.509
Total		**24,785.742**

3.3 Comments on the status of compliance with PAC directives

Compliance position with PAC's directives on Audit Report relating to Audit years 1960-61 to 2019-20 (excluding years not discussed in PAC) is as under:

Table 3.5: Lahore Development Authority (LDA)

3.4 AUDIT PARAS

3.4.1 Lahore Development Authority (LDA), Lahore

Irregularities

Irregularities resulting in overpayments

3.4.1.1 Overpayment due to allowing higher rates of non- standardized items – Rs 18.101 million

According to FD's instruction No. RO(Tech)FD-18-23/2004 dated 21st September 2004, the rate analysis for a non-standardized item shall be approved by SE, giving specifications of the material used as per FD's website.

Project Director Shahkam Flyover, LDA Lahore, in six (6) cases, got executed various non-standardized items in the project. Audit observed that the Authority paid higher rates of the items by allowing inadmissible components in violation of FD templates.

Violation of FD's instructions resulted in overpayments amounting to Rs 18,100,982.

Audit pointed out the overpayments in November 2022.

The paras were discussed in the SDAC meeting held in April 2023. The Authority explained that the items were paid as per requirement of work and at approved rates. Audit contended that the inadmissible components and rates were allowed and paid. The Committee directed the Authority, in two (02) cases (SAR Paras 70 & 89), to effect actual recovery, in SAR Para 11, to produce record for verification, in three (03) cases (SAR Paras 30, 58 & 90), to refer the cases to FD for clarification. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC's directives besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XX)

3.4.1.2 Overpayment due to allowing higher rates of MRS items – Rs 11.723 million

As per FD's notification No. RO (TECH)FD.2-3/2004 dated 2nd August 2004, the Chief Engineers on the basis of input rates notified by FD on its website shall fix the rate of each item of the work for rough cost estimates for Administrative Approval and detailed estimate for technical sanction. Further, FD's template for standardized items shall be used to work out the rate of items as far as possible.

Project Director Shahkam Flyover, LDA Lahore, in nine (09) cases, got executed various items. Audit observed that the Authority paid higher rates of the items either by applying incorrect items/rates or by allowing inadmissible components.

Violation of FD's instructions resulted in overpayments amounting to Rs 11,723,268.

Audit pointed out the overpayments in November 2022.

The paras were discussed in the SDAC meeting held in April 2023. The Authority explained that the items were paid as per requirement of work and at approved rates. Audit contended that the inadmissible components and rates were allowed and paid. The Committee directed the Authority, in seven (07) cases (SAR Paras 7,8,9,13,21,47 & 87) to effect actual recovery and in two (02) cases (SAR Paras 83 & 88) to produce record for verification. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends compliance with the SDAC's directives besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXI)

3.4.1.3 Overpayment due to allowing excess quantity of bitumen than actually used – Rs 8.978 million

As per FD's notification No. RO(Tech)FD 2-3/2004 dated 2nd August 2004, "payment is to be made to the contractor as per JMF or actual bitumen used in the work whichever is less".

Project Director Shahkam Flyover, LDA Lahore, in two (02) cases, got executed items, "*ABC with bitumen contents of 4%*" and "*AWC with bitumen contents of 4.5%*". Audit observed that as per bitumen extraction tests, the contents of bitumen were 3.7% and 4.3% whereas authority made payments including price variation for bitumen content as 4% and 4.5%, respectively.

(Amount in Rs)

Sr. No.	**SAR Para No.**	**Name of Item**	**Actual %age of bitumen**	**Excess Quantity (Ton)**	**Rate of Bitumen (Rs/Ton)**	**Amount Overpaid**
1	1	ABC (4%)	3.70%	112.06	75,301.15	8,438,247
2	3	AWC (4.5%)	4.30%	8.17	75,301.15	615,210
3	2	Price Variation on above items				6,274,391
	Total					**15,327,848**

Violation of FD's instructions resulted in overpayments amounting to Rs 15,327,848.

Audit pointed out the overpayments in November 2022.

The paras were discussed in the SDAC meeting held in April 2023. In SAR Paras 01 & 02, the Authority explained that Rs 4,384,102 and Rs 1,966,163 were recovered, respectively. Audit stressed the recovery of the balance amount. In SAR Para 03, Authority explained that recovery was not warranted due to application of bitumen by weight of dry aggregate. Audit contended that as per extraction test reports, rates were required to be reduced. The Committee directed the Authority to effect actual recovery as per extraction test reports till the final bill and produce the record to Audit within 15 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

Para No. 01, 02 & 03(SAR 2022-23)

3.4.1.4 Overpayment due to allowing inadmissible costs in rate analysis – Rs 3.206 million

According to FD's instruction No. RO(Tech)FD-18-23/2004 dated 21st September 2004, the rate analysis for a non-standardized item shall be approved by SE, giving specifications of the material used as per FD's website. The standardized analysis shall be used to work out the rate of items as far as possible.

Project Director Shahkam Flyover, LDA Lahore, got executed the item "*PCC foundation for steel structure pole 45' long*" at the rate of Rs 54,500 each. Audit observed that in the rate analysis, two components i.e., "*cost of shuttering*" and "*crane charges*" were added which were not admissible because cost of shuttering was included in the rate of PCC and installation & erection of steel structure pole was paid separately under this contract.

Violation of FD's instructions resulted in overpayment amounting to Rs 3,206,304.

Audit pointed out the overpayment in November 2022.

The para was discussed in the SDAC meeting held in April 2023. The Authority explained that the shuttering of the electrical pole foundation and crane to hold the 45 feet steel structure were admissible. Audit informed that the shuttering was not admissible as item executed was related to foundation of pole. Further, installation and erection of steel structure pole was paid separately under this contract. The Committee directed the Authority to revisit the rate analysis of the two components, effect actual recovery and produce record for verification within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

Para No. 61 (SAR 2022-23)

3.4.1.5 Overpayment due to inadmissible price variation – Rs 1.113 million

As per clause 55(1) of the contract agreement; "where any variation (increase or decrease), to the extent of 5% or more, in the price of any of the item mentioned in sub-clause (2) takes place after the acceptance of tender and before the completion of contract, the amount payable under the contract shall be adjustable to the extent of the actual variation in the cost of the item concerned".

Project Director Shahkam Flyover, LDA Lahore made payments of price variation amounting to Rs 1,113,449. Audit observed that inadmissible price variation payments were made for items where the variation in price was less than 5%.

Violation of the contract agreement resulted in overpayment of price variation amounting to Rs 1,113,449.

Audit pointed out the overpayment in November 2021.

The para was discussed in the SDAC meeting held in April 2023. The Authority admitted the recovery. The Committee directed to effect recovery and get it verified from Audit within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

Para No. 96 (SAR 2022-23)

Irregularities resulting in non-recoveries

3.4.1.6 Non-recovery of commercialization fee and penalty - Rs 7,651.834 million

As per rule 4.5(1) of PFR (Volume-I), “it is the primary responsibility of departmental authorities to see that all government revenue/dues were correctly and promptly assessed, realized and credited to the proper account”. Further, as per para No.12 Chapter-VII of Notification No. SO(H-II) 3-2/2016, dated 5th August 2020, issued by HUD&PHED and as per condition of challan, in case payment is not made by the due date, mark-up at the rate of 17.50% per annum will be charged on all such belated payments till the date of final payment.

Chief Town Planner, LDA Lahore, in forty-six (46) cases, allowed permanent/annual commercialization of various residential properties. Audit observed that the Authority neither recovered the fee along with penalty amounting to Rs 7,713,115,048 nor initiated any action against the defaulters.

Violation of the rules resulted in non-recoveries of permanent commercialization fee amounting to Rs 7,713,115,048.

Audit pointed out the non-recoveries in April-May 2023.

The paras were discussed in SDAC meetings held on 26th July 2023 and 7th September 2023. The Authority explained that challans/notices were issued to the owners of the properties besides effecting recovery amounting to Rs 61,281,068. Audit contended that Authority failed to recover the fee along with penalty. Further, no effective mechanism of monitoring existed to monitor the Authority’s outstanding dues and expediting recovery thereof. The Committee directed the Authority, in forty four (44) cases, to effect recovery and in two (02) cases (DP 561 & 653), to get complete record verified from Audit. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early recovery in all cases besides fixing responsibility and strengthening internal control to avoid the recurrence of such issues in future.

(Annexure-XXII)

<u>Note:</u> This issue was reported earlier also in the Audit Reports for the years 2018-19 and 2021-22 vide Para No. 3.4.1.9 in AR 2018-19 and Para No. 3.4.1.4 in AR 2021-22 having financial impact of Rs 1,603.317 million. Recurrence of same irregularity is a matter of serious concern.

3.4.1.7 Non-retrieval of encroached land – Rs 5,945.304 million

As per Sections 39 and 40 of the LDA Act 1975, the Authority is vested with the power to evict illegal encroachments and to demolish unauthorized constructions.

3.4.1.7.1 Various Directorates of Housing LDA, Lahore, in fifteen (15) cases, did not retrieve 297 LDA owned plots/properties from various encroachers. Audit observed that the plots were encroached due to negligence of LDA staff. Also, the anti-encroachment cell failed to retrieve the properties worth billions of rupees from the encroachers.

Violation of LDA Act resulted in non-retrieval of encroached land valuing Rs 3,003,830,575.

Audit pointed out non-retrieval of encroached land in May 2023.

The paras were discussed in SDAC meetings held on 6th July 2023 and 5th September 2023. In nine (09) cases (DP Nos. 21,32,35,38,39,41,48,57 & 60), the Authority explained that plots were under litigation/pending for decision of Bonafide Commission (BC). Audit contended that the Authority did not pursue cases pending before court and the BC. The Committee directed the Authority to vigorously pursue the cases and retrieve the plots. In two (02) cases (DP Nos. 40 & 64), the Authority explained that show cause notices were issued to the illegal occupants for verification/retrieval of properties. Audit contended that the record was not produced. The Committee directed the Authority to get the plots retrieved and record verified from Audit. In two (02) cases (DP Nos. 53 & 61), the Authority explained that plots had been retrieved. Audit contended that record of DP 53 was not produced for verification and in DP 61, possession was not made in favour of LDA. The Committed directed the Authority to get possession of the property and produce record for verification. In DP 36, the Authority explained that applicants of 4-plots of Mustafa Town did not deposit the price of land within the prescribed period of 06 months despite the directions of BC to demolish the structure. Now the case had been forwarded to Estate Officer for retrieval of plot. Audit contended that no record was produced. The Committee directed the Authority to get the matter probed by ADG Housing to fix responsibility regarding slackness in implementation of decision of BC. In DP 04, the Authority explained that 39 plots of Tajpura Scheme were cancelled due to bogus entries in physical possession register in 2006. Show cause notice had also been issued to the encroachers. Audit contended that plots were encroached due to negligence and connivance of LDA. The Committee directed the Authority to get the record verified.

Audit recommends early retrieval of LDA property and strengthening internal control mechanism to avoid such lapses in future. Further, the sanctity of record regarding possession of properties should be ensured besides initiating actions against the responsible officers/officials.

(Annexure-XXIII)

3.4.1.7.2 Directorates of Housing LDA, Lahore, in nineteen (19) cases, did not retrieve 902 plots/properties from various encroachers. Audit observed that plots worth billions of rupees were encroached by tempering and fabricating the record with the connivance of LDA authorities.

Violation of LDA Act resulted in non-retrieval of encroached land valuing Rs 2,578,244,999.

Audit pointed out non-retrieval of encroached land in May 2023.

The paras were discussed in SDAC meetings held on 6th July 2023 and 5th September 2023. The Authority explained that cases were pending before Court/BC/Provincial Cabinet. Further, recovery amounting to Rs 2,750,000 had been effected besides issuing notices to the illegal occupants. In some cases, plots were retrieved. Audit contended that encroachment was made with the connivance of LDA authorities. Also, LDA did not initiate any prompt action since the identification of illegal occupants. In case of retrieved plots, no record was produced for verification. In eleven (11) cases, the Committee directed to vigorously pursue the cases pending in Court (DP 14, 44, 45, 49 & 78), BC (DP 16 & 22), Scrutiny Committee (DP 17 & 30) and

Provincial Cabinet (94 & 96). Further, in seven (07) cases, the Committee directed the Authority to get the record verified from Audit and in DP 80, to conduct inquiry. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early retrieval of LDA property and strengthening internal control mechanism to avoid such lapses in future. Further, the sanctity of record regarding possession of properties be ensured besides initiating departmental actions against the officers/officials responsible.

(Annexure-XXIV)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 and 2019-20 vide Para No. 3.4.1.7 in AR 2018-19 and Para No. 3.5.1.18 in AR 2019-20 having financial impact of Rs 3,789.420 million. Recurrence of same irregularity is a matter of serious concern.

3.4.1.7.3 Directorates of Housing LDA, Lahore, did not retrieve 26 plots/properties in four cases from various irregular exemptees. Audit observed that LDA allotted these plots twice due to exemptions. This situation pointed a critical issue where exemptions granted by the authority had led to the allocation of the same plots or properties multiple times.

(Amount in Rs)

Sr. No.	**DP No.**	**Name of Directorate**	**No of Properties**	**Amount**
1	29 (Phase-II) 2022-23	Housing-III	4	60,900,000
2	50 (Phase-II) 2022-23	Housing-V	16	144,000,000
3	73 (Phase-II) 2022-23	Housing-VII	2	40,438,708
4	77 (Phase-II) 2022-23	Housing-VII	4	33,340,000
Total			**26**	**278,678,708**

Violation of LDA Act resulted in non-retrieval of encroached land valuing Rs 278,678,708.

Audit pointed out non-retrieval of encroached land in May 2023.

The paras were discussed in SDAC meetings held on 6th July 2023 and 5th September 2023. In two (02) cases (DP 29 & 50), the Authority explained that the matter was pending before court and BC. Audit contended that department neither held the BC nor initiated any departmental inquiry to sort out the long outstanding issue of double exemption. The Committee directed the Authority to pursue the court cases vigorously and expedite the retrieval process of properties. The Committee also directed the Scrutiny Committee to decide the matter regarding submitting the cases to BC. In DP 73, the Authority did not reply. The Committee directed the Authority to get the record verified within 15 days. In DP 77, the Authority admitted the lapse and explained that the plots had been cancelled. Audit informed that plots were required to be retrieved in favour of LDA. The Committee directed the Authority to retrieve the plots and get the record verified within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early retrieval of LDA property besides initiating actions against the responsible(s) and strengthening internal control mechanism to avoid such lapses in future.

3.4.1.7.4 Directorates of Housing LDA, Lahore did not retrieve three plots from various encroachers. Audit observed that the Court cancelled the ownership of these plots, valued at millions of rupees, in March 2017. However, despite lapse of six years, LDA could not retrieve the plots.

Violation of LDA Act resulted in non-retrieval of encroached land valuing Rs 87,300,000.

Audit pointed out non-retrieval of encroached land in May 2023.

The paras were discussed in SDAC meeting held on 6th July 2023. The Authority explained that notices were served to the occupants of cancelled plots. Out of 03 cancelled plots, 01 occupant approached the court of law and 02 occupants submitted application to BC. Action would be taken in accordance with the decision by the court and BC. The Committee directed the Authority to pursue the court cases vigorously and submit cases to BC within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early retrieval of LDA property besides initiating departmental actions against the officers/officials responsible and strengthening internal control mechanism to avoid such lapse in future.

DP No. 51 (2022-23 Phase II)

3.4.1.8 Non-recovery of government dues – Rs 892.810 million

According to rule 4.5(1) of PFR (Volume-I), "it is the primary responsibility of departmental authorities to see that all government revenue/dues were correctly and promptly assessed, realized and credited to the proper head of account". Further, as per item C(ii) of Directorate General Katchi Abadies (Colonies Department) Board of Revenue, Punjab letter dated 9th September 2013, "cost of land for occupation of above 5-Marla and up to 10 Marla will be current valuation table rate at the time of grant of proprietary rights".

Various Directorates of LDA, Lahore in thirty (30) cases, did not recover the outstanding dues on account of cost of land charges, extension of building completion period surcharge, miscellaneous penalties and fees/charges from the owners of various properties located in controlled area of LDA. The recoverable amount of Rs 920,865,282 million pertained to the period from 2017-18 to 2021-22.

Violation of rules resulted in non-recovery of government dues amounting to Rs 920,865,282.

Audit pointed out the non-recovery in April-May 2023.

The paras were discussed in SDAC meetings held on 26th July 2023 and 7th September 2023. In twenty seven (27) cases, the Authority explained that challan/notices were issued to the owners of the properties besides effecting recovery amounting to Rs 28,054,825. Audit verified the recovery and contended that no real effort was made for realization of long outstanding recovery despite the lapse of considerable period. Further, in three (03) cases (DP 578, 625&631), record was not produced for verification. The Committee, in twenty (20) cases, directed the Authority to effect actual recovery and in nine (09) cases, to get the record verified from Audit. In two (02) cases (DP 460 and 464), the Authority explained that the contractors did not continue due to COVID-19 and filed litigations against LDA. Audit contended that the actual recoverable dues were effected from the contractors. The Committee kept the paras pending for decision by the Court and effecting actual recovery accordingly. In DP 530, the Authority, explained that para pertained to another directorate. Audit contended that no effort was made for realization of long outstanding recoveries despite the lapse of considerable period. The Committee directed that Authority to transfer the para TP-VII for effecting recovery. Compliance with Committee's directive was not reported till finalization of the report.

Audit recommends early recovery in all cases besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues in future.

(Annexure-XXV)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2021-22 vide Para No. 3.4.1.13 in AR 2018-19, Para No. 3.5.1.4 in AR 2019-20 and Para No. 3.4.1.5 in AR 2021-22 having financial impact of Rs 1,186.816 million. Recurrence of same irregularity is a matter of serious concern.

3.4.1.9 Non-recovery of excess area cost from property owners – Rs 363.278 million

As per clause 2(a) & 5(iii & iv)) of Policy of excess area approved by the Authority vide No.LDA/DC&I/2225 dated 11th August 2017, the cost of excess area will be recovered from the exemptee/allottee/present owners at the rate 40% above the current Deputy Commissioner (DC) rate in case of allotted/exempted residential plots.

Various Directorates of Housing, LDA, Lahore did not recover the cost of excess area from the owners of seventy nine (79) properties in nine (09) cases, as assessed by the Price Assessment Committee. Audit observed that, in certain cases, excess area charges were identified since 1971, yet these charges were not recovered despite the properties being transferred.

Violation of excess area policy resulted in non-recovery of excess area cost amounting to Rs 370,830,442.

Audit pointed out non-recovery in May 2023.

The paras were discussed in the SDAC meeting held on 6th July 2023 and 5th September 2023. In five (05) cases (DP 2, 46, 62, 79 & 83), the Authority explained that show cause notices were issued to the owners of the properties besides effecting recovery amounting to Rs 7,552,500. Audit informed the Committee that the recovery had been verified. However, Audit contended that the excess area charges in remaining cases were not recovered despite lapse of considerable time period. The Committee directed the Authority to get the excess area reconciled with Audit and effect balance recovery. In DP 18, the Authority explained that possession of the plot was not handed over to the owner and he was informed to apply for exchange of plot. Audit contended that triple storey building was already constructed on the plot. The Committee kept the para pending for recovery of excess area. In DP 26, the Authority explained that recovery of Rs 440,520 was made as per prevailing rates/policy. Audit contended that actual recovery was Rs 617,096. The Committee directed the Authority to effect the balance recovery within 30 days. In DP 54, the Authority explained that Rs 8,976,000 were recovered against excess area. Audit contended that no record was produced for verification. The Committee directed the Authority to produce complete record for verification within 15 days. In DP 66, the Authority explained that the owner had approached BC which had been inactive since August 2021. Audit contended that considerable time had been lapsed but excess area charges were not recovered. The Committee directed the Authority to plead the case before the BC and get the record verified. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXVI)

<u>Note:</u> This issue was reported earlier also in the Audit Reports for the years 2018-19 and 2019-20 vide Para No. 3.4.1.25 in AR 2018-19 and Para No. 3.5.1.6 in AR 2019-20 having financial impact of Rs 73.217 million. Recurrence of same irregularity is a matter of serious concern.

3.4.1.10 Less recovery of extension fee and penalty against non-completion of development works – Rs 140.782 million

As per Section 34 & 34A of LDA Act 1975, if the sponsor continues to develop the scheme without approval of layout plan or fails to develop the scheme after approval of plan within the stipulated period, the Authority besides other steps shall impose the fines at the rates of Rs 5,000, Rs 10,000, Rs 15,000 and Rs 20,000 per day till the default continues in respect of schemes having area up to 300 kanals, 300 kanals to 500 kanals, 500 to 1000 kanals and above 1000 kanals, respectively. If a sponsor fails to develop the scheme within the given period, the Authority may, extend the period of development work up to two years on payment of fee of Rs 10,000 per kanal per year.

The Chief Metropolitan Planner LDA, Lahore, technically/finally approved the revised layout plans of private housing schemes namely, Al-Hamra Town, Model City, Al-Hamd, and Safari Garden, with extension fee and penalty. Audit observed that extension fee and penalty on account of non-completion of development works within the stipulated period was not imposed from the date of commission of offence which resulted in less recovery amounting to Rs 140,782,250.

Violation of LDA Act 1975 resulted in less recovery amounting to Rs 140,782,250.

Audit pointed out the less recovery in April 2023.

The para was discussed in SDAC meeting held on 4th September 2023. The Authority explained that in case of Al-Hamra Town housing scheme, the Authority had recovered extension fee amounting to Rs 7,643,750 and penalty for non-completion of development works amounting to Rs 5,595,000 totaling amounting to Rs 13,238,750 from the sponsor. In case of Model City, a penalty of Rs 5,000 per day in accordance with rule 36(a) of LDA PHS Rules was imposed on the owner/sponsor who started development works on the site prior to approval from LDA. In case of Al-Hamd housing scheme, extension in development period was granted for two (02) years after paying the amount of penalty and extension fee amounting to Rs 23,826,000 by the sponsor. In case of Safari Garden**,** a number of letters had been issued to the sponsor of the scheme for payment of penalty and fulfillment of other conditions of technical approval letter. No final approval of the scheme would be granted before submission of extension fee and penalty by the sponsor for carrying out illegal sale/purchase of plots. Audit contended that the penalties were not calculated from the date of commission of offence to the date of meeting of scrutiny committee (as levied/recovered in case of Bahria Town Sector-E&F for the maximum period of nine years). Undue financial benefit to the sponsors was given by imposing less penalties. The Committee directed the Authority for verification of record within 15 days besides effecting actual recovery. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends full recovery of penalties besides ensuring completion of development works at the earliest.

DP No. 99(2022-23 Phase-II)

3.4.1.11 Non-recovery of outstanding lease money – Rs 113.883 million

As per lease agreement dated 5th April 2000, a plot measuring 3 kanal and 6 marla was leased out at the rate of Rs 555,000 per year for the period of three years for the first instance. The agreement was renewable at the discretion of LDA.

The Director Housing-X, LDA, Lahore leased out a petrol pump site measuring 3 kanal and 6 marla in Quaid-e-Azam Town, Lahore on 5th April 2000 for the period of three years for the first instance. Audit observed that after expiry of lease agreement on 15th January 2019, the plot remained under the illegal possession of lessee. The Authority issued challans on 3rd May 2023 of outstanding lease money plus advance income tax and markup amounting to Rs 113,882,917 but the same had not been recovered. Further, no action was taken to retrieve the plot from the encroacher.

Violation of financial rules resulted in non-recovery of outstanding dues amounting to Rs 113,882,917.

Audit pointed out non-recovery in May 2023.

The para was discussed in SDAC meeting held on 6th July 2023. The Authority explained that LDA could not take any action due to stay order. After the dismissal of petition by Lahore High Court Lahore on 18th May 2023, the site had been retrieved and notice for recovery had also been issued on 31st May 2023. Audit contended that the Authority needed to expedite the recovery. The Committee directed the Authority to recover the outstanding dues and auction the site within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early retrieval of plot and recovery of due amounts besides strengthening internal controls to avoid the recurrence of such issues.

DP No. 89(2022-23 Phase-II)

3.4.1.12 Non-recovery of theft of transformers and steel from security company – Rs 20.550 million

As per condition No.5(xi) of Agreement with Security Company, in case any loss occurs to LDA on account of theft or negligence on part of the service provider, the recovery of the losses will be made from the monthly invoices of the security company or the security deposit/performance guarantee as per the decision of the LDA.

Director Coordination and Implementation (C&I), LDA, Lahore, awarded a contract to a security company for the watch and ward of LDA's assets. Audit observed that three transformers and steel shuttering were stolen from Jubilee Town, LDA Avenue-I, and LDA school, however, despite these thefts, no recovery for the stolen items had been made from the contracted security company.

Violation of contract agreement resulted in non-recovery amounting to Rs 20,550,000 from the security company.

Audit pointed out the non-recovery in May 2023.

The para was discussed in SDAC meeting held on 4th September 2023. The Authority explained that letter had been issued to Chief Security Officer, LDA for recovery of the theft. Audit contended that Director C&I awarded the contract of security services and authorized the payments. Therefore, the cost of stolen items from the company was required to be recovered while making payments. The Committee directed to effect recovery within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery from the Security Company and action against the responsible officers besides strengthening internal controls in order to avoid the recurrence of such issues.

DP No. 141(2022-23 Phase-II)

3.4.1.13 Non/Less recovery of dismantled material – Rs 16.823 million

According to para 9(i), chapter 18.1 of Book of Specifications for Execution of Works 1967, the dismantled material is the property of the government, it should either be recovered from the contractor as credit of dismantled material or it should be counted, measured and recorded for open auction.

Project Director Shahkam Flyover, LDA Lahore, in three (03) cases, did not recover the cost of dismantled material. The detail is as under:

(*Amount in Rs)*

Sr. No.	Para No. (SAR 2022-23)	Description of item	Recovery pointed out	Recovery effected	Balance recovery	Remarks
1	23	Recovery of concrete paver	781,760	16,229	765,531	Recovery was not effected
2	28	Recovery of steel	250,000	-	250,000	-do-
3	102	Recovery of steel	15,807,960	-	15,807,960	Recovery of steel retrieved from dismantling of two sides existing drain of Defense Road of six (06) Km was not made.
Total			**16,839,720**	**16,229**	**16,823,491**	

Violation of the applicable specifications resulted in non/less recoveries amounting to Rs 16,839,720.

Audit pointed out the non/less recovery in November 2022.

The paras were discussed in the SDAC meeting held in April 2023. In SAR Para 23, the authority explained that actual recovery was effected. Audit contended that the Authority recovered Rs 16,229 instead of actual recovery of Rs 781,760. The Committee directed the Authority to effect balance recovery of Rs 765,531 within 15 days. In SAR Para 28, the authority explained that dismantling of RCC concrete had not been done at site. Audit contended that the recovery of dismantled material was required to be made as per TS estimate. The Committee directed the Authority to probe the matter through administrative department by deputing an officer not below the rank of Director/SE within 30 days and submit fact finding report to Audit for verification. In SAR Para 102, the authority explained that neither drain existed at site nor any payment was made against dismantling of the said drain. Audit contended that as per report of Resident Engineers/consultant, National Engineering Services of Pakistan (NESPAK) of the project, the existing (old) drain on both sides of Defence Road was dismantled by petty contractor. The Chair directed that a technical probe be conducted by SE, Highways Department, Lahore to find out the actual position/recovery within 30 days, however, representative of Audit and FD stressed for recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

3.4.1.14 Illegal selling of mortgaged plots and non-recovery of dues – Rs 6.110 million

As per Section 34 of LDA Act, 1975, read with mortgage rule 24(1)(b)(iv) of LDA PHS Rules 2014, if the sponsor continues to develop the scheme without approval of layout plan, the Authority, besides other steps, shall impose the fine at the rate of Rs 20,000 per day till the default continues. Further, as per para-11(e) of mortgage deed of LDA PHS Rules 2014, "the property offered as security for provision of development works is free from all sorts of encumbrances and charges and undertakes that the said property shall not be sold or charged without the prior approval in writing of the LDA".

The Chief Metropolitan Planner, LDA, Lahore approved layout plans of Valancia Town. Audit observed that the developer transferred the mortgaged plots and gave possession without redeeming these from LDA. Moreover, a private housing scheme "Al-Kareem City (Ashrafi Town)" commenced development works and sold plots prior to final approval of the Authority. In both the cases, the Authority did not impose penalty as per criteria ibid.

Violation of LDA Act resulted in non-recovery of dues amounting to Rs 11,630,000.

Audit pointed out the non-recovery during April 2023.

The para was discussed in SDAC meeting held on 4th September 2023. In DP 128, the Authority explained that the LDA had released about 90% mortgaged area against the development works in Valencia Town Housing Scheme Phase (I-IV) on receiving reports from concerned agencies. The remaining 10% mortgaged area would be released upon receiving further development works reports. Further, the matter of selling mortgaged plots in Valencia Town pertained to Directorate of Estate Management (PHS), LDA being the custodian of mortgaged plots in private housing schemes. Audit contended that the sale/purchase of mortgaged plots, without being redeemed, was made by the sponsors with the connivance of LDA officers. The Committee directed the authority for verification of mortgaged plot data. In DP 101, the Authority explained that an amount Rs 5,520,000 was recovered from the sponsor on account of marketing and development work in Al Kareem City before technical approval. The sponsor would be charged penalty on account of execution of development work and marketing before the issuance of final approval. Audit contended that penalties should be imposed and recovered immediately besides taking appropriate action against the sponsor. The Committee directed the Authority to effect actual recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends the recovery of penalties and dues owed to the Authority from sponsors, cessation of the illegal selling of mortgaged plots, and the initiation of departmental action against the officers or officials responsible.

DP No.101, 128(2022-23 Phase-II)

Irregularities resulting in undue financial benefit to contractors

3.4.1.15 Non-forfeiture of deposited fees of defaulters and non-cancellation of NOCs – Rs 43.685 million

As per para 23 of Land Use Regulations, 2020, in case of failure of payment of full conversion fee in the time frame, the competent authority, besides withdrawal of offer of conversion of land use, shall forfeit 20% of the deposited fee and remaining fee shall be refunded on demand by the applicant. However, the owner may submit a fresh application for change of land use as per prevalent rules and in such case the forfeited fee shall not be adjusted in any manner.

Chief Metropolitan Planner and Chief Town Planner, LDA, Lahore, issued NOCs for conversion of land use from residential to area development project. Audit observed that the sponsors became defaulters, yet the Authority neither recovered the remaining amount nor forfeited the 20% of deposited fees.

Violation of Land Use Regulations 2020 resulted in non-forfeiture of fees amounting to Rs 43,685,102.

Audit pointed out the non-forfeiture of fees in April-May 2023.

The paras were discussed in SDAC meeting held on 4th September 2023 and 7th September 2023. In DP 132, the Authority explained that the para pertained to Town Panning Wing, LDA. Audit contended that 20% of deposited fees was required to be forfeited. The Committee transferred the para to Town Planning Wing. In DP 526, the Authority explained that notice had been issued to the owner/occupant. Thereafter, legal action would be taken including sealing of property, lodging First Information Report (FIR), disconnection of services etc. Audit contended that notices were issued upon raising the issue by Audit. Whereas the Authority lacked an effective monitoring mechanism to expedite the recovery of commercialization fees and penalties. The Committee directed the Authority to effect actual recovery. In DP 634, the Authority explained that notice had been served in order to take fresh approval and stop any illegal commercial activity at site. Audit contended that the notice to stop any illegal commercial activity at site was not produced to Audit during verification. The Committee directed the Authority to effect actual recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early forfeiture of 20% fees besides fixing responsibility and strengthening internal control to avoid the recurrence of such issues.

DP No. 132,526&634(2022-23 Phase-II)

3.4.1.16 Undue benefit by issuing NOC without recovery of excess area charges

As per clauses 2(a) & 5(iv) of Policy of excess area approved by the Authority vide No.LDA/DC&I/2225 dated 11th August 2017, the cost of excess land/area shall be recovered from the exemptee/allottee/present owner at the rate of 40% above the current DC rate in case of allotted/exempted residential plots.

Directorate Housing-VII, LDA, Lahore allotted plot No. 260-H M.A Johar Town measuring 160 Sq.m to Mr. Boda through General Power of Attorney Mr. Khalil ur Rehman on

19th February 1999. The plot was last sold/transferred to Mr. Iftikhar in 2018. Audit observed that the cost of excess area measuring 18 Sq.m was not recovered from the original exemptee but the NOC was issued.

Violation of excess area policy resulted in undue benefit to the exemptee.

Audit pointed out undue benefit in May 2023.

The para was discussed in SDAC meeting held on 6th July 2023. The Authority explained that case was forwarded for preparation of challan of excess area amounting to Rs 1,091,630. Audit contended that undue benefit was extended to original exemptee by not recovering cost of excess area. The Committee directed the Authority to get the record verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends action against responsible officers besides strengthening internal controls to avoid the recurrence of such issues.

DP No.68 (2022-23 Phase-II)

Irregularities relating to procurements

3.4.1.17 Loss due to award of petty works at higher percentages as compared to the quoted percentage in the main contract - Rs 9.034 million

As per clause 41 of contract agreement "if any altered, additional, or substituted work is directed by the engineer in-charge, for which no rate is specified in the contract, the contractor shall carry out the work on the same conditions as agreed to do the main work and at the same rates as specified in the tender (bid schedule) for the main work".

Project Director Shahkam Flyover, LDA Lahore, awarded various petty works to different contractors at different percentage above TS estimate. Audit observed that the authority did not get the works executed through main contractor who had quoted 11.41% below TS estimate for the same nature works.

Violation of the contract agreement resulted in loss amounting to Rs 9,034,345.

Audit pointed out the loss in November 2022.

The para was discussed in the SDAC meeting held in April 2023. The Authority explained that these works were not in the scope of main contract and were awarded separately after approval from the competent authority. Audit reiterated its earlier stance. The Committee directed the Authority to probe the matter at administrative department level and submit fact-finding report within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery of the loss by fixing responsibility against delinquents. Additionally, strengthening internal controls is advised to prevent the recurrence of such issues in the future.

Para No. 100 (SAR 2022-23)

3.4.1.18 Loss due to double payment of electric work – Rs 6.221 million

As per rule 2.33 of PFR Volume-I, every government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part.

Project Director Shahkam Flyover, LDA Lahore, paid Rs 143,944,976 to Lahore Electric Supply Company (LESCO) on account of shifting of electrical poles and related works involved in Shahkam Project. Audit observed that the Authority paid additional Rs 6,220,821 to a private contractor for the work "Installation of additional electric work at Shahkam Chowk" which were already paid for similar electricity works to LESCO.

Violation of PFR resulted in loss of Rs 6,220,821.

Audit pointed out the loss in November 2022.

The para was discussed in the SDAC meeting held in April 2023. The Authority explained that the work for dismantling and reinstallation of additional accessories was required at site which was not included in the scope of LESCO. Audit contended that cost of items was already included in the payments made to LESCO. The Committee directed the Authority to produce complete record in support of reply otherwise effect recovery within 15 days and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

Para No. 62 (SAR 2022-23)

Irregularities resulting in loss to government

3.4.1.19 Loss due to negligence and non-deposit of forfeited bid security into LDA accounts - Rs 1,259.778 million

As per Section 11-B of LDA Act 1975, any person employed by or serving under the Authority or an Agency charged with the administration of the affairs of the Authority or acting on behalf of the Authority or acting under a contract with the Authority who is responsible for the loss, waste, misappropriation or misapplication of any money belonging to the Authority which is a direct consequence of his negligence in the discharge of his duties shall be liable to pay the loss.

Scrutiny of record of Director, C&I, LDA, Lahore revealed that a land measuring 1400 kanals was auctioned on 18th May 1995. The successful bidder submitted Rs 46,400,000 as bid security (United State Dollar 800,000 and Hong Kong Dollar 5,005,000 in the form of pay order and cheque, respectively). Subsequently, the bidder defaulted, prompting the Authority to cancel the offer and forfeit the bid money, however, the relevant pay order and cheque were not encashed/credited into bank accounts of the Authority nor were these pledged financial instruments were forthcoming in the Authority's record. Furthermore, the bidder obtained a favorable decision from the Civil Judge 1st class in Lahore for the refund of bid security, along with the applicable interest rates, amounting to Rs 1,259,777,838. Audit observed that the Authority not only failed to encash the bid security instruments but also neglected to file an appeal against the said court order. Consequently, the case became time-barred.

Violation of LDA Act resulted in a loss of Rs 1,259,777,838.

Audit pointed out the loss in May 2023.

The para was discussed in SDAC meeting held on 4th September 2023. The Authority explained that the matter pertained to Metropolitan Planning Wing. Audit contended that as per letters by the Director Finance and Revenue, the pay order was not deposited into LDA accounts which resulted in a loss to the government. Furthermore, the Directorate of Law failed to pursue the case within the stipulated time, resulting in it becoming time-barred. The Committee directed the Authority to conduct inquiry through Additional Director General (ADG), Headquarter and fix the responsibility against the delinquents and submit probe report within 30 days and transfer the para to Chief Metropolitan. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early finalization of inquiry and disciplinary action against the responsible(s) besides strengthening internal controls to avoid the recurrence of such issues.

DP No. 139 (2022-23 Phase-II)

3.4.1.20 Loss due to double payment of land compensation to affectees – Rs 219.267 million

As per Section 11B of LDA Act 1975, any person employed by or serving under the Authority, who is responsible for the loss, waste, misappropriation or misapplication of any money belonging to the Authority which is a direct consequence of his negligence in the discharge of his duties shall be liable to pay the loss.

Scrutiny of record of Director, C&I, LDA, Lahore, revealed that Land Acquisition Collector (LAC), LDA Lahore paid Rs 219,266,665 to affectee i.e., M/s Benz Industries Ltd on account of acquisition for Orange Line Metro Train Project. Audit observed that the as per fact finding report of LDA dated 19th May 2023, the payment was illegal and unlawful because the same land was already acquired by LDA through award announced on 11th June 1980.

Violation of Act resulted in double payment of Rs 219,266,665.

Audit pointed out the double payment during May 2023.

The para was discussed in SDAC meeting held on 5th September 2023. The Authority explained that the matter pertains to LAC. Further, a probe into the matter is already underway. Audit contended that as per orders of the hearing committee comprising of Chief Executive Officer (CEO) Benz Factory, LAC, LDA, Deputy Director and Assistant Director, Director Land Development-III, Assistant Director, Directorate Land Acquisition and Assistant Director, Law along with acquisition field staff, on 10th March 2022, ordered for payment of compensation as per first award No.11 dated 12th June 1980 at the rate of Rs 283 per marla amounting to Rs 11,886 only. Therefore, payment of Rs 219.267 million on account of compensation was unlawful against the already acquired land. Further, the adjustment and non-ejectment of encroachment by the Directorate Housing-III LDA needed to be explained. The Committee directed the Authority to transfer the para to LAC for detail verification within 15 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal control to avoid the recurrence of such issues.

DP No. 151 (2022-23 Phase-II)

3.4.1.21 Loss due to execution of additional pile work - Rs 2.687 million

According to the drawings of the project, only 84 piles were required to be executed. According to Rule 2.33 of PFR (Volume-I), every government servant should realize fully and clearly that he would be held responsible personally for any loss sustained by government through fraud or negligence on his part.

Project Director Shahkam Flyover LDA, Lahore, got executed the items viz. "*P/Casting in situ board piles with type A concrete 1200 mm dia complete in all respect*" and "*Fabrication of mild steel for RCC*" for execution of 86 piles. Audit observed that as per drawings only 84 piles were required to be executed instead of 86 piles.

Violation of engineering drawings resulted in loss amounting to Rs 2,686,706.

Audit pointed out the loss in November 2022.

The para was discussed in the SDAC meeting held in April 2023. The Authority admitted the issue and stated that payment of only one additional pile was made. Audit contended that 86 piles were paid against a provision of 84 piles. The Committee directed the Authority to produce complete record for verification within 15 days otherwise effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

Para No. 38 (SAR 2022-23)

Miscellaneous irregularities

3.4.1.22 Non-imposition of penalties on account of commercial use of residential properties – Rs 5,426.058 million

As per section 38 of LDA Act 1975 (XXXVI of amended Act 2013), if a person converts a property to a different use or purpose, than the one provided under a scheme, master plan or classification map, without the previous approval of the authority in writing, he shall be liable to punishment of fine which may extend to Rs 10,000 per day from the date of its conversion till the default continues or imprisonment for a term which may extend to one year or both.

Scrutiny of the records of the Chief Town Planner, LDA Lahore, it was discovered that forty-three (43) cases had been identified where property owners were using residential properties for commercial purposes. The audit observed that the Authority did not impose the stipulated fine on the defaulters in these instances.

Violation of the Act resulted in non-recovery of penalties amounting to Rs 5,426,058,200.

Audit pointed out the non-recovery in April-May 2023.

The paras were discussed in SDAC meetings held on 26th July 2023 and 7th September 2023. In thirty nine (39) cases, the Authority explained that notices were issued to the owners/occupants besides lodging FIR and sealing properties in two (02) cases (DP 636 & 638). Audit contended that there was no effective monitoring mechanism existed in the Authority to initiate action against defaulters and expedite recovery. The Committee, in thirty (30) cases directed the Authority to effect actual recovery, in seven (07) cases, to get the record verified and in two (02) cases (DP 543 & 564), to conduct inquiry. In four (04) cases (DP 642,643,646&647), the Authority explained that the paras pertained to other directorates. Audit informed the Committee that the Authority did not produce any record for verification. The Committee directed the Authority to transfer the paras to concerned directorates for verification of record. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery in all cases besides probing the matter for fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXVII)

3.4.1.23 Non-cancellation of alienated public utility sites – Rs 688.477 million

As per clauses of various Allotment Letters "the institute shall have to take a representative of the LDA on their management body", "no residential unit of the Principal, Headmaster or teaching staff will be constructed in the plot" and "the plot will not be further alienated, sub-let, leased or sold to anybody". In case of breach of the covenants, the LDA shall again take the possession of the land. Further, according to Para No. 2 of D.O. No.50(Schools)3-16/83 dated 27th November 1984, it was agreed that plots of 10 kanals and above will not be allotted to any private institution. Instead, such plots will be reserved exclusively for educational institutions operated by the provincial government.

Various Directorates of Housing, LDA, Lahore, in three (03) cases, allotted sites for educational purposes. Audit observed that these sites were further either sublet or sold by the allottees. Further, the allottees used the land partly for residential purposes in violation of criteria ibid. One of the sites measuring area above 10 kanal was allotted to a private institution. The detail is as under:

(Rs in million)

Sr. No.	DP No.	Location of Land	Allottee	Amount	Violation
1	1 (2022-23 Phase-II)	427-M Model Town Extension	Ameena Public School	68.637	- Sold the educational site - Partly constructed residence - The institute did not take a representative of LDA in their management body
11	11 (2022-23 Phase-II)	478-F Gulshan-e-Ravi area	Tahrik e Toheed e Pakistan Trust	86.400	- Sublet to American Lyceum - Partly constructed residence - The institute did not take a representative of LDA in their management body
12	12 (2022-23 Phase-II)	534-G/I Johar Town area	Ali Memorial Trust	533.440	- Sublet to LGS - Partly constructed residence - Area above 10 kanals - The institute did not take a representative of LDA in their management body
Total				**688.477**	

Violation of policy for allotment of public utility sites resulted in non-cancellation of properties valuing Rs 688,477,000.

Audit pointed out non-cancellation of alienations in May 2023.

The para was discussed in SDAC meeting held on 4th September 2023. In DP 01, the Authority explained that notice was issued on 23rd June 2023. Action including cancellation of allotment and retrieval of plot would be taken after receiving reply of the notice. Audit contended that LDA did not perform its role being a regulator because as per policy, the allottee cannot further alienate/sub-let, lease or sale out the plot to anybody. The Committee kept the para pending for action as per existing laws and rules within 30 days. In DP No. 11, the Authority explained that notice was served due to violation of clause ii, v & vi of allotment letter dated 24th December 1984. Allottee filed a civil suit and the notice was suspended. The Committee kept the para pending as the matter was sub judice. In DP 12, the Authority explained that plot was cancelled on 24th December 2012. Feeling aggrieved, the allottee filed writ petition due to which possession in favour of LDA could not be retrieved. A fresh notice was issued to the occupant of the site. The Committee, in DP No 12, directed the Authority to decide the matter within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends prompt and proactive response by the authority to implement the policy of allotment of public utility sites besides strengthening internal controls in order to avoid the recurrence of such issues.

3.4.1.24 Undue benefit due to commercial use of public utility site – Rs 255.825 million

As per summary dated 17th September 1987 prepared for the Chief Minister (CM) for allotment of the plot No. 20 located at Kashmir-Egerton Road at the concessional rate of Rs 7 lac per kanal instead of original rate of Rs 15 lac per kanal in 1984 for the construction of hospital for charitable purpose.

ADG Housing, LDA, Lahore, executed a sale deed on 31st January 1990 with Dr. Muhammad Khalid Javed for plot No. 20 at Kashmir-Egerton Road measuring 5 Kanal 2 Marla 80 sft. The building plan was submitted on 27th November 1992. The plan was rejected on 31st May 1993, citing the reason that the construction of a hospital at the site was not permitted according to the Master Plan. Audit observed that LDA provided an undue financial benefit to the allottee by reducing the land rate from Rs 15 lac per kanal to Rs 7 lac per kanal for the construction of a charitable hospital. Subsequently, the LDA disallowed the construction of the hospital and permitted the commercial use of the plot. Furthermore, the LDA did not recover the building period surcharge and the differential cost as per the established regulations.

Violation of CM's approval and LDA rule regarding collection of building period surcharge resulted in undue financial benefit to the allottee and non-recovery of building period surcharge amounting to Rs 255,825,000.

Audit pointed out undue financial benefit in May 2023.

The para was discussed in SDAC meeting held on 4th September 2023. The Authority explained that the plot was allotted at the rate of Rs 700,000 per kanal for construction of hospital with 4 years building period without surcharge. A letter was issued on 28th January 1998 to the allottee asking him to obtain extension in building period and submit building plan for office building or any other use except hospital as per Master Plan. The non-recovery of building period surcharge was due to a number of litigations pending on the matter. Audit contended that public utility site was allotted at concessional rate for construction of charitable hospital but later on, use of land was changed to commercial due to non-provision of hospital at the location in the master plan. By changing the purpose of use of land, differential cost should have been recovered from the allottee. Also, LDA failed to timely recover building period surcharge. The Committee directed the Authority to place the matter before the governing body's meeting for deciding the matter. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery of differential cost along with building period surcharge besides strengthening internal controls to avoid the recurrence of such issues.

DP No. 9(2022-23 Phase-II)

3.4.1.25 Irregular issuance of NOC without considering LAC report – Rs 13.650 million

As per exemption policy issued by LDA vide No.1989 dated 3rd August 1976, no landowner will be entitled to exemption of more than one plot against individual land ownership. Further, according to Section-39 and 40 of the LDA Act 1975 (amended up to 2013), the authority was empowered to eject illegal encroachment and to demolish illegal construction.

Scrutiny of records of Directorate of Housing-II, LDA, Lahore revealed that Plot No.48, Block-H was originally exempted to Mr. Zahid Mustaqeem S/o Muhammad Mustaqeem vide exemption letter dated 23rd January 1982. Audit observed that the Authority granted an NOC to the current exemptee without taking into account the LAC report dated 25th September 2021, to the effect that the area had not been mutated in favor of LDA. The granting of NOC without considering the LAC report could have serious implications for legal ownership.

Violation of rule resulted in irregular issuance of NOC for plot worth Rs 13,650,000.

Audit pointed out irregularity in May 2023.

The para was discussed in the SDAC meeting held on 6th July 2023. The Authority explained that as per LAC report dated 19th March 2018 ownership of original exemptee was still intact. Audit informed the Committee that as per LAC report dated 25th September 2021 land in khasra No.495, Mouza Shera kot Gulshan-e-Ravi had not been mutated in favour of LDA. Further, the Authority also admitted the lapse. The Committee directed the Authority to get the land mutated in favour of LDA within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early mutation of land in favour of LDA besides strengthening of internal controls and responsibility may also be fixed against the person held responsible(s).

DP No.23(2022-23 Phase-II)

3.4.2 Water & Sanitation Agency, Lahore

Irregularities

Irregularities resulting in overpayments

3.4.2.1 Overpayment on account of execution of incorrect item – Rs 7.734 million

According to para 145 of General Financial Rules (GFR) Volume-I, "purchases must be made in the most economical manner in accordance with the definite requirements of the public service". Further, the rate of Rs 53.65 per m^3 was provided in MRS 2nd Biannual 2016 for item 52 of Chapter 3 (Earthwork) namely "Earthwork in excavation of drains, irrigation channels through excavator/drag lines in all kinds of soil and conditions (dry, wet slush, daldal and under water) including its disposal and preparation of working pad for operation of machinery".

Director Construction-II, WASA, LDA, Lahore got executed the item *"Earthwork excavation in open cutting for storm water channels, drain, sullage drains…etc. up to 5ft depth and 5.1ft to 10ft depth"* at the rate of Rs 167.85 and Rs 185.10 per m^3 for quantities of 31144.15 m^3 and 31778.96 m^3, respectively. This item pertained to earthwork with manual labour. The audit observed that executing the extensive amount of earthwork totaling 62,923.11 m^3 (= 2,222,108.66 cft), solely through manual labour was impractical. Consequently, mechanical methods were necessary to manage this substantial quantity. Therefore, the Agency should have used the relevant and more economical item No. 52 provided in Chapter-03 of MRS at the rate of Rs 53.65 per m^3.

Violation of rules ibid resulted in overpayment of Rs 7,734,005.

Audit pointed out the overpayment in April 2023.

The para was discussed in the SDAC meeting held on 11th July 2023. The Agency explained that the item was correctly paid as per provision of estimate. Audit contended that the quantity of excavated earth, totaling 62,923.11 m^3 (equal to 2,222,108.66 cft), was not feasible to be executed solely by manual labour. Consequently, mechanical means had to be utilized to handle such a substantial quantity. Hence, item No. 52, chapter 3 of MRS was required to be applied and paid. The Committee directed the Agency to prepare the rate analysis as per F.D template and effect actual recovery and get it verified from Audit within 30 days. During re-verification on 19th July 2023, Agency produced cross-sections and drawing. Agency did not produce the rate analysis as per FD template to effect actual recovery in compliance with the SDAC directions. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides strengthening internal controls to avoid the recurrence of such issues.

DP No. 193(2022-23 Phase-II)

3.4.2.2 Overpayment due to non-deduction of shuttering – Rs 1.639 million

According to the note in remarks column of Item-42 Chapter-3 Earthwork, of MRS, "If the timbering and shuttering is not actually done at site, the composite rate may be reduced by Rs 368.20, 579.60 and 579.60, respectively".

Directors Operation & Maintenance (O&M), WASA, LDA, Lahore, in two (02) cases, got executed the item *"Earthwork excavation in open cutting for sewer"*. Audit observed that the specified item did not require shuttering; however, the authority failed to deduct the shuttering rate accordingly.

Violation of MRS resulted in overpayment of Rs 1,639,330.

Audit pointed out the overpayment in May 2023.

The paras were discussed in the SDAC meeting held on 11th July 2023. The Agency explained that Audit had calculated excess recovery. The actual recovery came to Rs 1,003,796. Audit informed that basis of calculations for actual recovery were not produced for verification. The Committee directed the Agency to effect actual recovery within

15 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides strengthening internal controls to avoid the recurrence of such issues.

DP No.240&266(2022-23 Phase-II)

Irregularities resulting in non-recoveries

3.4.2.3 Non-recovery of aquifer water and sewer charges – Rs 86.228 million

According to rule 4.5 (1) of PFR (Volume-I), "It is primarily the responsibility of the departmental authorities to see that all revenue, or other debts due to Government, which have to be brought to account, are correctly and promptly assessed, realized and credited to Government account".

Scrutiny of the records of Director Revenue, WASA, LDA, Lahore, revealed that the Authority did not recover Rs 101,435,010 pending up to June 2022 from various households and commercial users on account of aquifer water and sewer charges.

Violation of PFR resulted in non-recovery of charges amounting to Rs 101,435,010.

Audit pointed out non-recovery in May 2023.

The paras were discussed in the SDAC meeting held on 12th July 2023. The Agency explained that efforts were being made to recover the dues. The Committee directed the Agency to get the recovery verified from Audit within 15 days. During re-verification, recovery of only Rs 15,207,393 was verified leaving balance of Rs 86,227,617.

Audit recommends early recovery of the dues besides strengthening internal controls to avoid the recurrence of such issues.

DP No.283, 284 & 285(2022-23 Phase-II)

3.4.3 Punjab Aab-e-Pak Authority (PAPA) Lahore

Irregularities:

Irregularities resulting in overpayments

3.4.3.1 Excess payment to contractor due to higher rate – Rs 127.246 million

As per Techno-Commercial Proposal of Water Technologies services dated 14th January 2021, the rate of item *"RO plants 2000 liter"* included free delivery at site, inclusive of all custom duties/taxes, technical services for six months after sales besides erection, installation and commissioning charges.

Director Project, Punjab Aab-e-Pak Authority, Lahore installed 536 *"RO Filtration Plants"* during 2021-22. Audit observed that the initial quotation for estimation was inclusive of on-site delivery, all taxes, installation and commissioning. Nevertheless, the Authority redundantly incorporated these costs in the rate analyses, coupled with a 20% contractor profit, leading to an inflated rate of Rs 237,400 per plant.

Violation of proposal resulted in excess payment amounting to Rs 127,246,400.

Audit pointed out excess payment in March 2023.

The para was discussed in the SDAC meeting held on 31st July 2023. The Authority replied that since the contractor had to purchase the item from his own finances initially which was then paid off after the processing of IPCs which took considerable time for processing. Hence, the time consumed along with services of contractor justified his 20% profit. Audit contended that GST, carriage and installation charges were already included in the quotation. Therefore, separate addition of these in the rate analyses was not permissible. The Committee directed the Authority to get the matter probed by Administrative Department and submit fact finding report within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC Committee besides effecting recovery and strengthening internal controls to avoid the recurrence of such issues.

DP No.667 (2022-23 Phase-II)

3.4.3.2 Overpayment due to allowing 20% contractor's profit and overhead charges on GST – Rs 30.358 million

According to FD's template for preparation of rate analysis and the general prudence, profit on tax is invalid.

Director Project, Punjab Aab-e-Pak Authority, Lahore installed the items viz *"RO Filtration Plant"* and *"Pre-Filtration Plant"* during the year 2021-22. Audit observed that the authority allowed 20% contractor's profit and overhead charges on GST in the rate analysis which was not admissible.

Violation of FD's template resulted in overpayment of Rs 30,357,990.

Audit pointed out the overpayment in March 2023.

The para was discussed in the SDAC meeting held on 31st July 2023. The Authority explained that the items comprised of supply installation, testing and commissioning as one complete job which justified 20% contractor profit. Audit contended that 20% profit on GST amount was not admissible. The Committee directed the Authority to effect actual recovery from the contractors and get it verified from Audit within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides strengthening internal controls to avoid the recurrence of such issues.

DP No. 669 (2022-23 Phase-II)

3.4.3.3 Overpayment due to use of substandard bricks – Rs 14.780 million

As per section 801 and section 1041-8 of Standard Specification for Roads & Bridges Construction 1997, read with FD's material rates of item No.07.001, the standard size of bricks was 9″ x 4-1/2″ x 3″ and the crushing strength was 2000 PSI. Further, as per remarks column of chapter "Brick Works" of MRS, if 2nd and 3rd class bricks are used, the item rate would be reduced by 7% and 14%, respectively.

Director Project, Punjab Aab-e-Pak Authority, Lahore got executed the item *"Pacca brick work cement sand mortar, etc."* for 30311 cubic meter (cu.m). Audit observed that, based on laboratory test reports, the strength of the bricks was below 2000 PSI, and their size measured 8.7" x 4.3" x 2.8", deviating from the specified 9" x 4.5" x 3". Consequently, in accordance with the lab test reports classifying these bricks as 2nd class, the authority was obligated to reduce the rates by 7%. However, the Authority failed to implement the necessary rate reduction of 7%.

Violation of the specifications and instructions in MRS resulted in overpayment amounting to Rs 14,780,207 (Annexure-XXVIII).

Audit pointed out the overpayment in March 2023.

The para was discussed in the SDAC meeting held on 31st July 2023. The Authority explained that as per test results of bricks utilized in the works executed in Rawalpindi, Lahore, Faisalabad, Sahiwal, Gujranwala and Sargodha Division, the average crushing strength for bricks was above 2000 PSI, hence, no sub-standard brick had been used. Further, as per technical specification, the required crushing strength for bricks was 1400 PSI in D.G Khan, Multan, Bahawalpur and Rajanpur and as per test results of bricks utilized in these districts was 1500 PSI. However, in order to ensure compliance with FD rules for material standards, the actual recovery had been made from the bills pertaining to Bahawalpur and Multan. Similarly, deductions would be made from the bills of remaining contracts upon receipt of the invoices. Audit contended that the strength and size of the bricks were below standard and the record for verification of recovery was also not produced. The Committee directed the Authority to effect actual recovery as per lab test reports and get it verified from Audit within 15 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides strengthening internal controls to avoid the recurrence of such issues.

DP No. 673 (2022-23 Phase-II)

3.4.4 Parks & Horticulture Authority (PHA), Lahore

Irregularities

Irregularities resulting in overpayments

3.4.4.1 Overpayment due to application of higher rates for non-standardized items – Rs 30.041 million

According to FD's instruction No. RO(Tech)FD-18-23/2004 dated 21st September 2004, "the rate analysis for a non-standardized item shall be approved by SE, giving specifications of the material used as per FD's website. The standardized analysis shall be used to work out the rate of items as far as possible".

Director Engineering & Director Maintenance & Operation PHA, Lahore, in three (03) cases, got executed non-standardized items viz "Making/installation of *MS Bar Structure"* for 635 Nos, *"Chain link fence with MS pipe*" for 10000 sft and "*Canal silt*" for 1579374 cft. Audit observed that the authority approved the rate analyses by incorporating excessive labour and material rates beyond those specified in the input rates of FD.

Violation of FD's instructions resulted in overpayment amounting to Rs 30,041,645.

Audit pointed out the overpayment in May 2023.

The paras were discussed in the SDAC meeting held on 10th July 2023. In DP 328, the Authority explained that non MRS rate was prepared and paid because the rates of canal silt and good earth were not notified on FD website. Audit contended that rate analysis was prepared by taking higher rates of items. The Committee directed the Authority to rationalize the rate and effect actual recovery within the 7 days. In DP 368 & 373, the Authority explained that rate analyses were prepared by taking market rates and quotations were attached. Audit contended in DP No 368 that the Authority approved higher rates. In DP 373, lump sum cost of labour instead of actual cost was provided. Further, scaffolding was also added in the rate analysis which was inadmissible. The Committee, in DP 368, directed the Authority to get the record verified in detail within 15 days otherwise effect recovery. In DP 373, the Committee directed the Authority to get the matter condoned from FD. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 328,368 & 373 (2022-23)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 and 2019-20 vide Para No. 3.4.2.4 in AR 2018-19 and Para No. 3.5.4.3 in AR 2019-20 having financial impact of Rs 168.332 million. Recurrence of same irregularity is a matter of serious concern.

3.4.4.2 Overpayment due to inadmissible contractor's profit – Rs 7.623 million

As per FD's letter No. RO(Tech)FD-18-29/2006 dated 3rd March 2005, read with FD's notified template for electrical items, "12.5% contractor profit and overhead charges are allowed". Further, according to instructions of FD vide letter No. FD-18-29/2006 dated 8th August 2005, "plant and machinery like generator, air conditioner (AC), electrical items and turbine transformers/panels etc. are required to be purchased as per procedure prescribed in the purchase manual instead of through contractor".

Director Engineering and Director Maintenance & Operation PHA, Lahore, got executed various non-standardized electrical and children play items, and procured machinery. Audit observed that in four (04) cases, the Authority added 20% contractor profit in the rate analyses of the LED Flood lights instead of 12.5%. In three (03) cases, 20% contractor profit was added twice in the rate analyses of children play items. In one (01) case, 20% contractor profit was added in the rate analysis of Agriculture Mulching Leaf Shredder.

Violation of FD's instructions resulted in overpayment amounting to Rs 7,623,144.

Audit pointed out the overpayment in May 2023.

The paras were discussed in the SDAC meeting held on 10th July 2023. In four (04) cases (DP 348, 353, 358 & 376), the Authority replied that 12.5% contractor profit was added in the rate analyses of LED Flood lights. Further, market rates were applied while preparing rate analyses. Audit contended that the Authority prepared rate analyses by allowing inadmissible 20% contractor profit. The Committee directed the Authority to get the record verified in detail within 15 days otherwise effect recovery. In three (03) cases (DP 351, 352 and 359), the Authority explained that the schemes were under progress. Recovery would be made from final bills of the contractors. Audit contended to effect early recovery. The Committee directed the Authority to effect recovery within 30 days. In DP 329, Authority replied that the machine was assembled which includes Honda company engine and other parts from lathe shop. Audit contended that 20% contractor profit was not admissible. The Committee directed the Authority to rationalize the rate and effect actual recovery within 7 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXIX)

Note: This issue was reported earlier also in the Audit Report for the year 2022-23 vide Para No. 3.4.3.1 having financial impact of Rs 3.849 million. Recurrence of same irregularity is a matter of serious concern.

Irregularities resulting in non-recoveries

3.4.4.3 Non/Less recovery of advertisement fee – Rs 75.516 million

According to sub-section 8 of Section 12 of the Parks and Horticulture Authority Act 2012, "the Authority may charge such fees for the grant of permission for installation of a billboard, sky sign or outdoor advertisement as the Authority may approve". Further, the para 7 of Parks and Horticulture Authority Outdoor Advertisement Regulations 2017 states that "the charges for shop signs will be levied and collected by the Authority according to the rates and manner prescribed from time-to-time".

Director Marketing PHA, Lahore in eleven (11) cases, did not recover advertisement fee and in eleven (11) cases, recovered less than the due amount. As a result, an aggregate amount of Rs 77,670,865 remained uncollected/less recovered from various owners of shops/schools in

Lahore. Moreover, physical verification conducted by Audit (07 out of 22 cases) revealed that sign boards/hoardings were installed on the shops and schools. However, the Authority had no record of these advertisements.

Violation of the Authority's Act and Regulations resulted in non-recovery of fees amounting to Rs 77,670,865.

Audit pointed out the non-recovery of fees in April and September 2023.

The paras were discussed in the SDAC meetings held on 1st August 2023 and 11th January 2024. In eleven (11) cases, the Authority explained that notices had been served to the defaulters for recovery. Audit contended that the notices were not produced for verification. The Committee directed the Authority to effect recovery and responsibility be fixed against those who failed to collect government revenue. In eleven (11) cases, the Authority explained that the actual recoverable amount was worked out for Rs 42,095,467 against which an amount of Rs 2,154,449. Audit verified the recovery and stressed for early recovery of balance amount. The Committee directed the Authority to effect recovery of the balance amount. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXX)

Note: This issue was reported earlier also in the Audit Reports for the years 2021-22 and 2022-23 vide Para No. 3.4.3.1 in AR 2020-21 and Para No. 3.4.3.3 in AR 2022-23 having financial impact of Rs 233.178 million. Recurrence of same irregularity is a matter of serious concern.

3.4.5 Public Health Engineering Department

Irregularities

Irregularities resulting in overpayments

3.4.5.1 Overpayment due to allowing excess lead – Rs 68.265 million

As per condition No. 5 of FD's letter No. RO(Tech)FD 2-3/2004 dated 2nd August 2004, the material of crushed stone aggregate and sand shall be carried from the nearest quarry and the shortest route shall be adopted for carriage.

3.4.5.1.1 Executive Engineers, PHE Divisions, Sialkot and Gujrat got executed items *"Carriage of 100 cft of all material bajri" and "Supplying and placing crush stone aggregate 3/8 to 1" under sewer pipe bedding".* Audit observed that bajri was sourced from the Sikhanwali quarry in Sargodha. However, the same material was also available at the Melot quarry in Jhelum.

Violation of FD's instructions resulted in overpayment amounting to Rs 67,060,568.

Audit pointed out the overpayment in August 2023.

The paras were discussed in the SDAC meetings held in October and November 2023. In DP No. 75, the department explained that the payment was made to contractor as per T.S estimate sanctioned by the competent authority. Audit contended that department applied lead from Sargodha quarry to the site of work instead of using Melot quarry which was nearer, hence, recovery of excess lead was required to be made. The Committee directed the department to refer the case to FD for technical advice. In DP No 281, the department explained that carriage was paid as per provision of TS estimate approved by the competent authority. Further, Melot quarry was used for sub-base course but not for surface dressing, PCC and RCC. Audit contended that bajri was available at Melot quarry as per FD's letter dated 5th August 2015, therefore, the department should have procured bajri from Melot quarry instead of Sikhanwali quarry, Sargodha. The Committee directed the department to get the matter probed by CE (North). Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC directives besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXXI)

3.4.5.1.2 Executive Engineer, PHE Division, Sialkot got executed the item *"Sub-base course"* for a quantity of 322461 cft at the rate of Rs 8,833.41 % cft. Audit observed that the department calculated the rate of stone material by taking lead of 140 km from Dina quarry instead of admissible lead of 128 km from Melot quarry, Jhelum. In this way, excess carriage at the rate of Rs 373.41 % cft was paid. This resulted in an overpayment of Rs 1,204,102 (322461 cft x Rs 373.41% cft)

Violation of FD's instructions resulted in overpayment amounting to Rs 1,204,102.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 20th October 2023. The department explained that payment was made as per lead chart approved in TS estimate sanctioned by the competent authority. Audit contended that as per FD's letter dated 5th August 2015, the Melot quarry was approved for sub-base material, therefore, recovery of Rs 1,204,102 should be made. The Committee directed the department to effect recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 82(2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 and 2022-23 vide Para No. 3.4.9.10 in AR 2018-19 and Para No. 3.4.15.8 in AR 2022-23 having financial impact of Rs 9.268 million. Recurrence of same irregularity is a matter of serious concern.

3.4.5.2 Overpayment due to application of higher rate – Rs 40.987 million

According to FD's instruction No. RO(Tech)FD-18-23/2004 dated 21st September 2004, rate analysis for the non-standardized items shall be prepared by the Executive Engineer, clearly giving the specifications of the material used and approved by the competent authority not below the rank of SE on the basis of input rates of relevant quarter placed at website of FD. Standardized analysis/template shall be used to work out the rate of an item as far as possible.

3.4.5.2.1 Executive Engineer, PHE Division, Layyah in four (04) works paid Rs 33,696,078 for the item "*Earthwork excavation in open cutting"*. Audit observed that in all four works, the department made payments for the specified item based on manual labour rates, despite clear evidence from pictorial sources indicating the use of machinery for the execution of the said item. Moreover, considering the vast volume of excavation involved, it was not feasible to conduct such extensive works through manual labour. Therefore, the rate for MRS item No.52 *"Earthwork in excavation of drains, irrigation channels through excavator/drag lines in all kinds of soil and conditions (dry, wet slush, daldal and under water) including its disposal and preparation of working pad for operation of machinery"* should have been provided and paid accordingly. The detail is as under:

(Amount in Rs)

Sr. No.	Name of works	Rate paid (Rs per ‰ cft)	Rate to be paid (Rs per ‰ cft)	Difference (Rs per ‰ cft)	Qty paid cft	Amount Overpaid
1	Provision of rural sewerage and schemes Laskani Wala District Layyah (0 to 7')	6,349.14	2,227	4,122.14	1513981	6,240,842
	(7' to 15')	10,682.94	2,227	8,455.94	311648	2,635,277
2	Leftover work of sewerage drainage scheme at Deen Pur District Layyah (0 to 7')	6,394.14	2,227	4167.14	1065378.6	4,439,582
	(7' to 15')	10,682.92	2,227	8,455.92	85278.66	721,110
3	Sewerage/drainage in leftover area Layyah city (0 to 7')	11,000	2,698	8,302.00	299905	2,489,811
	(7' to 15')	6,000	2,698	3,302.00	146512	483,783
4	Provision of urban rural sewerage scheme chowk Azam District Layyah (0 to 7')	11,000	2,227	8,773	539468	4,732,753
	(7' to 15')	11,000	2,227	8,773	265355	2,327,959
	Total					**24,071,116**

Violation of FD’s instructions resulted in overpayment amounting to Rs 24,071,116.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 11th December 2023. The department stated that item No. 52 chapter 3 earthwork pertained to Irrigation department, whereas item No.7

of chapter 3 was approved by competent authority and paid accordingly. Audit contended that the department got executed the work through machinery, therefore rate of excavation with machinery was required to be paid. The Committee directed the department to rationalize the rate by taking the rate of excavation with machinery, effect recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 211(2023-24)

3.4.5.2.2 Executive Engineer, PHE Division, Mianwali, in two (02) cases, got executed the item "*Earthwork excavation undressed lead up to single throw of kassi in ordinary soil i/c transportation of earth up to 1 mile on account of disposal/transportation of surplus earth*" for sewer and manholes. Audit observed that in the rate analysis of the said item, two components i.e., *"earthwork excavation undressed with lead up to a single throw of kassi"* and *"compaction of earthwork"* were added which were inadmissible because cost of loading/unloading was inbuilt in the composite rate of transportation. Further, compaction for disposed of surplus earth was also not required. Consequently, excess rate of Rs 5,148 ‰ cft was paid. This resulted in an overpayment of Rs 6,603,628 (1282756 cft x Rs 5,148 ‰ cft).

Violation of FD's instructions resulted in overpayment amounting to Rs 6,603,628.

Audit pointed out the overpayment in September 2023.

The paras were discussed in the SDAC meeting held on 22nd November 2023. The department admitted recovery and ensured to effect from the next running bills of the contractors. The Committee directed the department to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.240&258(2023-24)

3.4.5.2.3 Executive Engineer, PHE Division, Hafizabad got executed the item *"Providing and laying sub-base course of stone product with 85 % compaction"* for a quantity of 369350 cft at the rate of Rs 9,749 % cft. Audit observed that as the item was paid with 85% compaction through machinery, the payable rate came to Rs 8,762 %cft. Consequently, an excess rate of Rs 987 %cft was paid. This resulted in an overpayment of Rs 3,645,485 (369350 cft x Rs 987% cft).

Violation of FD's instructions resulted in overpayment amounting to Rs 3,645,485.
Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 27th November 2023. The department explained that payment was made as per rate approved by the competent authority with 85% compaction. Audit contended that rate of subject item by taking Diesel Road Roller 10-15 ton amount to Rs 8,762 % cft, therefore, recovery amounting to Rs 3,645,485 was required to be made. The Committee directed the department to rationalize the rate, effect recovery and get it verified from Audit within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 137(2023-24)

Note: The issue was reported earlier also in the Audit Report for Audit Year 2021-22 vide Para No. 3.4.6.1.4 having financial impact of Rs 4.175 million. Recurrence of same irregularity is a matter of serious concern.

3.4.5.2.4 Executive Engineer, PHE Division, Mianwali got executed the item "*Construction of plum concrete retaining walls as per design and specification*" for a quantity of 87511 cft at the rate of Rs 16,488.05 % cft. Audit observed that the rate for the item, as per FD's template, amounted to Rs 12,457.09 % cft. Consequently, an excess rate of Rs 4,030.96 %cft was paid. This resulted in an overpayment of Rs 3,527,533 (87511 cft x Rs 4,030.96% cft).

Violation of FD's instructions resulted in overpayment amounting to Rs 3,527,533.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 22nd November 2023. The department explained that the item was executed as per site requirement and the rate paid by the department was correct. Audit contended that the department prepared rate analysis on higher side than admissible as per FD's template. The Committee directed the department to compare the rate paid by the department and rate prepared by Audit on FD's template, and effect recovery, if any. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.235(2023-24)

3.4.5.2.5 Executive Engineer, PHE Division, Gujrat got executed a non-standardized item *"P/L crushed stone ¼" to 1" guage bedding"* for a quantity of 223133.72 cft at the rate of Rs 116.05 per cft. Audit observed that department prepared rate analysis by taking 3 coolies instead of 2 in the labour component and taking lead of 80 km from Dinna to the site of the works. Audit prepared the rate analysis for the specified item, considering 2 coolies and a lead of 71 km, resulting in the actual payable rate of Rs 103.19 per cft. Consequently, an excess rate of Rs 12.86 per cft was approved and disbursed accordingly. This resulted in an overpayment of Rs 2,869,500 (223133.72 cft x Rs 12.86 per cft).

Violation of FD's instructions resulted in overpayment amounting to Rs 2,869,500.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 28th November 2023. The department admitted recovery of Rs 2,133,158 to the extent of labour component and stated that the lead was paid correctly. Audit stressed for early recovery of extra labour component only. The Committee reduced the amount of para to Rs 2,133,158, directed the department to effect recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.282(2023-24)

Note: The issue was reported earlier also in the Audit Report for Audit Year 2021-22 vide Para No. 3.4.6.1.3 having financial impact of Rs 8.725 million. Recurrence of same irregularity is a matter of serious concern.

3.4.5.2.6 According to item No 08 chapter 14 (lining of canals) MRS 1st Biannual 2022, the rate of item "*Brick lining 9"x4.5"x3" in 1:6 cement sand mortar (Bed of pond)*" was Rs 27,148.50 % cft.

Executive Engineer, PHE Division, Mianwali got executed the item "*Brick lining 9"x4.5"x3" in 1:6 cement sand mortar (Bed of pond)*" for a quantity of 49031 cft under a contract which was awarded at 3.5% premium. Audit observed that the department sanctioned the rate of item at higher side i.e., 29279.70 %cft. However, during payment the rate was reduced at the rate of 7% and the said item was paid at the rate of Rs 28,182.70% cft (Rs 29,279.70 + 3.50% premium - 7% reduced rate). Audit was of the view that the actual rate of item as per MRS came to Rs 26,131.78% cft [Rs 27,148.50 + 3.50%(premium) - 7% (reduced rate)]. Consequently, excess rate of Rs 2,050.92 % cft was got approved and paid to the contractor.

Violation of MRS resulted in overpayment amounting to Rs 1,005,587.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 22nd November 2023. The department admitted recovery and ensured to effect the same from next running bill of the contractor. The Committee directed the department to effect recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

PDP No.260(2023-24)

3.4.5.3 Overpayment due to inadmissible price variation – Rs 31.801 million

According to the clarification provided by FD on January 4 2023, price variation will be permitted for High Density Polyethylene (HDPE) pipe and sand in contracts approved after 16th November 2022.

Executive Engineers, PHE Divisions, D.G Khan-I and Bahawalpur paid price variation amounting to Rs 31,801,435 to the contractors against sand and HDPE pipe in June 2023. Audit observed that the works were awarded in March and May 2022 and FD's notification was issued on 16th November 2022, therefore, price variation against sand and HDPE pipe was not admissible.

Violation of FD's clarification resulted in overpayment amounting to Rs 31,801,435.

Audit pointed out the overpayment in August 2023.

The DP No. 59 was scheduled to be discussed in the SDAC meeting dated 11th December 2023 but the department did not produce original and complete record during verification, therefore, the para could not be discussed in the meeting. However, in its written reply the department stated that price variation on sand and HDPE pipe was allowed as per FD's notification dated 16th November 2022. The reply was not tenable because the work was awarded in May 2022, therefore, price variation was not admissible. In DP No 107, the department explained that record entry for HDPE pipe was made in May 2023 after issuance of notification. Audit contended that price variation on HDPE pipes was admissible from the date of notification and onwards for new contracts only. The Committee directed the department to effect recovery within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.59&107(2023-24)

3.4.5.4 Overpayment due to allowing excess carriage - Rs 11.491 million

As per rule 7.29 of DFR, "before signing the bill, Sub-Divisional Officer should compare the quantities in the bill with those recorded in MB and see that all the rates are correctly entered and that calculations have been checked arithmetically to be correct".

3.4.5.4.1 Executive Engineer, PHE Division, Sheikhupura got executed the item *"Carriage of stone" for* a quantity of 808405.18 cft against the items *"P/L sub-base*" *and "PCC 1:2:4"*. Audit observed that a quantity of 540780 cft stone and bajri was used in the above-mentioned items but the department paid carriage for a quantity of 808405.18 cft at the rate of Rs 6,513% cft. Consequently, excess carriage for 267625.18 cft of stone was paid which resulted in an overpayment of Rs 17,430,428 (267625.18 cft x Rs 6,513% cft).

Violation of DFR resulted in overpayment amounting to Rs 17,430,428.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 20th November 2023. The department explained that while calculating the carriage, Audit ignored the quantity of sub-base which was 95029.33 cft. The actual quantity of stone consumed was 654815.20 cft, therefore, excess carriage for 153589.98 cft was paid and actual recovery came to Rs 10,003,315 which would be effected from the next running bill of the contractor. Audit stressed for early recovery. The Committee directed the department to effect recovery of Rs 10,003,315 and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.17(2023-24)

3.4.5.4.2 Executive Engineer, PHE Division, Lahore got executed the item *"P/L crush stone ¼" to 1" etc."* for a quantity of 12383.28 cft at the rate of Rs 137.87 per cft. Audit observed that the department added carriage of crush stone in the rate analysis and paid an amount of

Rs 1,487,603 on account of carriage as a separate item which was not admissible because the carriage of stone was already included in rate analysis of crush stone.

Violation of DFR resulted in overpayment amounting to Rs 1,487,603.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 29th November 2023. The department admitted recovery and ensured to effect the same from the next running bill of contractor. The Committee directed the department to effect recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.318(2023-24)

3.4.5.5 Overpayment due to allowing inadmissible item – Rs 6.165 million

According to the acceptance letter, the rate of item *"Earth excavation undressed lead up to a single throw of kassi including transportation of earth all type and dressing and levelling of earthwork to designed section etc. compaction of earthwork, lead up to 3 miles"* was Rs 3,971 ‰ cft. Further, as per FD's template regarding item *"regular excavation dressed"* vide item No.6 Chapter 3(Earthwork), the regular excavation dressed includes all type of dressing.

3.4.5.5.1 Executive Engineer, PHE Division-I, D.G Khan got executed the item *"Earth excavation undressed lead up to a single throw of kassi, phaorah or shovel ordinary soil including transportation of earth all types lead up to 3 miles"* for a quantity of 228474.72 cft at the rate of Rs 3,971 ‰ cft. Audit observed that the department paid additional items *"Regular excavation undressed"* and *"Transportation of unsuitable material lead up to 3 miles"* amounting to Rs 4,005,690 which were not admissible because both of these items were already inbuilt in the above specified BOQ item.

Violation of contractual obligations resulted in overpayment amounting to Rs 4,005,690.

Audit pointed out the overpayment in August 2023.

The para was scheduled to be discussed in the SDAC meeting dated 11th December 2023 but the department did not produce original and complete record during verification, therefore, the para could not be discussed in the meeting. However, in annotated reply, the recovery was admitted by the department.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.71(2023-24)

3.4.5.5.2 Executive Engineer, PHE Division, Mianwali got executed the item "*Formation, dressing and preparing sub grade in bed*" in addition to items "*Regular excavation dressed*" and "*Filling watering ramming under floor with surplus earth*". Audit observed that only regular excavation dressed was payable because the department built oxidation pond by excavating the existing land and no filling under the floor was required. Consequently, an amount of Rs 2,159,798 was paid for the two above-mentioned items unnecessarily.

Violation of rules resulted in overpayment amounting to Rs 2,159,798.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 22nd November 2023. The department explained that preparation of sub grade in bed was required after removing of slush or daldal. Audit contended that in the regular excavation dressed, the component of dressing was inbuilt, therefore, separate payment was not admissible. During discussion the department admitted recovery and ensured to effect the same from next running bill of the contractor. The Committee directed the department to effect recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.254(2023-24)

3.4.5.6 Overpayment due to excess measurements than TS estimate and pavement design of PCC – Rs 5.948 million

As per provision in TS estimate and CE (North) PHE Department Lahore Letter No. 664-67/P&D-I dated 29th May 2015, thickness of PCC 1:2:4 in street should be as mentioned below:

Width of PCC pavement 0′ to 6′	Thickness of PCC 3″
Width of PCC pavement 6′-10′	Thickness of PCC 4″
Width of PCC pavement above 10′	Thickness of PCC 6″

Executive Engineer, PHE Division, Gujrat got executed items "*P/L of PCC 1:2:4" and "PCC 1:7:20"* in streets having width from 3.38' to 10'. Audit observed that the department measured and paid excess thickness of PCC up to 6" instead of 4", in violation of the pavement design.

Violation of TS estimate and pavement design resulted in overpayment amounting to Rs 5,948,440.

Audit pointed out the overpayment in August 2023.

The para was discussed in SDAC meeting held on 28th November 2023. The department explained that the items *"PCC 1:2:4"* and *"PCC 1:7:20"* were executed in the streets having different width on different points. Initial width of the streets was more than 10' that was why 0.50' thickness was measured and paid. Audit informed the Committee that department did not produce any record during verification. The Committee directed department to get the record verified from Audit within 07 days. In compliance with the SDAC directives, the department produced the record for verification. Audit observed that department paid the excess quantity of PCC by taking thickness in above items from 4" to 6" instead of 3" to 4" in violation of design criteria notified by the CE. Therefore, the recovery as pointed out by Audit should be effected.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 299(2023-24)

3.4.5.7 Overpayment due to less-deduction of shrinkage – Rs 4.382 million

As per general instructions provided in MRS under chapter 3, “Earthwork”, 10% shrinkage was required to be deducted in case work was done with manual labour and 3% to 6% in case work was done by machines.

Executive Engineer, PHE Division, Pakpattan got executed the item *“Earth filling under soling lead up to 1 mile*” for a quantity of 18638226 cft and deducted shrinkage at the rate of 6%. Audit observed that as per TS estimate the shrinkage was required to be deducted at the rate of 10% because the work was executed with manual labour.

Violation of the MRS resulted in overpayment amounting to Rs 4,382,058.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 20th October 2023. The department explained that shrinkage was deducted as per site requirements. Audit contended that according to approved TS estimate the CE categorically mentioned that the deduction of shrinkage allowance would be made at the rate of 10% as provided in MRS. Therefore, recovery should be effected. After detailed discussion the department admitted recovery. The Committee directed the department to effect recovery and get it verified from Audit. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 49(2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2019-20, 2021-22 and 2022-23 vide Para No. 3.5.8.5.2 in AR 2019-20, Para No. 3.4.6.6 in AR 2021-22 and Para No. 3.4.15.14 in AR 2022-23 having financial impact of Rs 21.662 million. Recurrence of same irregularity is a matter of serious concern.

3.4.5.8 Overpayment due to non-utilization of excavated earth – Rs 2.961 million

As per section 411 of Standard Specifications for Roads & Bridges Construction 1971, available useable material from the excavation was to be used in works before using material from an outside source. Further, as per Specification No 17.1(A) (11) (i) of Specifications for Execution of Works 1967 (Volume-I Part-II), if cutting and filling were to be done simultaneously, all suitable materials obtained from excavation would be used in filling.

Executive Engineer, PHE Division, Sheikhupura got executed the item *"Earthwork excavation in open cutting for sewer"* for a quantity of 2330743 cft out of which only a quantity of 1812930 cft was reused. Audit observed that the department paid another item "*Filling, watering and ramming earth under floor with new earth brought from outside lead up to two miles"* for a quantity of 392000 cft but did not adjust the available earth for a quantity of 517813 cft. This resulted in an overpayment of Rs 2,961,305 (392000 cft x Rs 7,554.35 ‰ cft).

Violation of the specification resulted in overpayment amounting to Rs 2,961,305.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 20th November 2023. The department admitted recovery and ensured to effect the same from next running bill of the contractor. The Committee directed the department to effect recovery and get it verified from Audit at the earliest. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 15(2023-24)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19, 2019-20 and 2021-22 vide Para No. 3.4.9.12 in AR 2018-19, Para No. 3.5.8,8 in AR 2019-20 and Para No. 3.4.6.9 in AR 2021-22 having financial impact of Rs 22.734 million. Recurrence of same irregularity is a matter of serious concern.

3.4.5.9 Overpayment due to non-deduction of rate of timbering and shuttering – Rs 1.728 million

As per remarks against item No. 42 under Chapter No. 3 (Earth Work) of MRS, composite rate shall be reduced by Rs 368.20 ‰ cft (for 0′ to 7′), Rs 579.60 ‰ cft (for 7′ to 15′) and Rs 579.60 (for above 15′), respectively, if the timbering and shuttering is not actually done at site.

Executive Engineer, PHE Division, Layyah in four (04) works got executed the item "*Earthwork excavation in open cutting".* Audit observed during site inspection that the department got executed the item without timbering and shuttering and did not deduct the rate of timbering and shuttering while making payments to the contractors.

Violation of MRS's instructions resulted in overpayment amounting to Rs 1,727,524.

Audit pointed out the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 11th December 2023. The department explained that the item was executed with shuttering and timbering because of sandy area and to protect existing structures, therefore, rate of shuttering and timbering was approved by competent authority and payment was made accordingly. Audit contended that no timbering and shuttering was done at site as per pictorial evidence. The Committee directed the department to effect recovery and get it verified from Audit besides fixing responsibility against the person(s) responsible. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.212(2023-24)

<u>Note:</u> The issue was reported earlier also in the Audit Report for Audit Year 2021-22 vide Para No. 3.4.6.8.4 having financial impact of Rs 1.146 million. Recurrence of same irregularity is a matter of serious concern.

Irregularities resulting in non-recoveries

3.4.5.10 Non-recovery of cost of damaged sullage carrier – Rs 1.909 million

As per clause 31 of contract agreement, action and compensation payable in cases of bad work, if it shall appear to the Engineer-in-charge or to his subordinate in charge of the work, that any work has been executed with unsound, imperfect or un-skillful workmanship, the Engineer-in-charge may remove and reconstruct the work so specified in whole or in parts, or recover from the contractor under his contract.

Executive Engineer, PHE Division, Kasur paid for the item *"Construction of sullage carrier 7 x 4 feet"* amounting to Rs 6,945,887. As per sub engineer letter dated 30th January 2020, the constructed sullage carrier slid during excavation and the contractor admitted to pay the cost of damaged work. Audit observed that the department did not recover the cost of sullage carrier damaged by the contractor despite lapse of 42 months.

Violation of the contract agreement resulted in non-recovery amounting to Rs 6,945,887.

Audit pointed out non recovery during August 2023.

The para was discussed in the SDAC meeting held on 20th October 2023. The department stated that recovery of Rs 5,036,713 was made from the contractor and balance recovery would be made from the next bill of the contractor. Audit contended that department effected recovery in September 2023 after audit observation highlighted in August 2023, therefore, responsibility should be fixed for making recovery after lapse of 43 months besides effecting balance recovery. The Committee reduced the amount of para to 1,909,174 and directed the department to effect balance recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 106(2023-24)

3.4.5.11 Non/less recovery of Income Tax – Rs 1.358 million

According to Section 153(1)(c) of Division-III in Part-III of the 1st Schedule of the Income Tax Ordinance, 2001 (updated up to 30th June 2023), the rate of income tax deduction for the execution of contracts is 8%, applicable to cases other than companies.

Executive Engineer, PHE Division, Mianwali deducted income tax from the payments of contractor at the rate of 7 % amounting to Rs 9,512,039. Audit observed that as per income tax certificate, the contractor was registered as Association of Persons (AOP), therefore, income tax at the rate of 8% amounting to Rs 10,870,902 was required to be deducted.

Violation of FBR instructions resulted in non-recovery amounting to Rs 1,358,863.

Audit pointed out the non-recovery in September 2023.

The para was discussed in the SDAC meeting held on 22nd November 2023. The department admitted recovery and ensured to effect the same from next running bill of contractor.

The Committee directed the department to effect recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.262(2023-24)

Miscellaneous irregularities

3.4.5.12 Irregular enhancement of agreement – Rs 1,104.590 million

As per clarification by PPRA dated 18th June 2019, enhancement in the original scope of work cannot be allowed under the PPRA rules being a different modality from the concept of variation, which is allowed (to the extent of 20% of the original procurement in the category of works only and based on unforeseen engineering anomalies) in the light of clause 42 of contract agreement circulated by FD.

Executive Engineers, PHE Divisions, Sheikhupura, Kasur and Gujrat awarded various contracts. Audit observed that the department, in four (04) cases, enhanced the works by 39.65% to 505.30% above the agreed cost of the original agreement as under:

(*Amount in Rs*)

Sr. No.	**DP No.**	**Name of Division**	**Agreement Amount**	**Payment Made**	**Enhancement (% age)**	**Amount**
1	169 (2023-24)	Sheikhupura	324,374,535	544,669,697	67.91	220,695,162
2	179	Sheikhupura	365,174,000	510,000,000	39.65	144,826,000

	(2023-24)		96,555,000	159,800,000	65.50	63,245,000
3	198 (2023-24)	Kasur	174,000,554	339,566,863	95.15	165,566,309
4	292 (2023-24)	Gujrat	85,347,752 57,495,271	516,605,731 136,494,418	505.30 137.40	431,257,979 78,999,147
Total						**1,104,589,597**

Violation of the PPRA resulted in irregular enhancement of contract agreements amounting to Rs 1,104,589,597.

Audit pointed out the irregularity in August 2023.

The paras were discussed in the SDAC meetings held in November 2023. In DP No. 169 and 179, the department explained that the enhancement was made in the best interest of public. Audit contended that violation of PPRA was made, therefore, irregularity may be condoned from FD. In DP No.198, the department explained that scheme was enhanced due to change in scope of work. Audit contended that violation of PPRA was made, therefore, irregularity may be condoned from FD. In DP No.292, the department explained that the scheme was administratively approved and executed after enhancement from the competent authority. Audit contended that violation of PPRA was made, therefore, irregularity may be condoned from FD. The Committee directed the department in all DPs to refer the case to PPRA for advice and get the case regularized from FD in the light of advice of PPRA. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early regularization of the matter from the competent forum besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 to 2022-23 vide Para No. 3.4.9.2 in AR 2018-19, Para No. 3.5.8.24 in AR 2019-20, Para No. 3.5.7.9 in AR 2020-21, Para No. 3.4.6.20 in AR 2021-22 and Para No. 3.4.15.19 in AR 2022-23 having financial impact of Rs 406.780 million. Recurrence of same irregularity is a matter of serious concern.

3.4.5.13 Irregular procurement without concurrence of austerity committee – Rs 3.909 million

A per para 2 (ii) of FD's notification No. FD.SO(Goods)44-4/2011 dated 6th August 2013, there shall be a complete ban on purchase of new vehicles from current and development budget. Under unavoidable circumstances, the vehicles shall only be purchased with the prior concurrence of the Austerity Committee constituted for the purpose and subsequent approval of the CM, Punjab.

Executive Engineer, PHE Division, Mianwali made payment for procurement of "TOYOTA Yaris ATIV x CVT 1.5 i/c registration, lifetime token tax complete in all respect" amounting Rs 3,909,175. Audit observed that the procurement was made without prior concurrence of the Austerity Committee. Further, record of running and maintaining of the vehicle, accountal in asset register and proof of its utilization in the concerned formation was also not available with the divisional office.

Violation of FD's instructions resulted in irregular procurement amounting to Rs 3,909,175.

Audit pointed out the irregularity in September 2023.

The para was discussed in the SDAC meeting held on 22nd November 2023. The department explained that new vehicles could be purchased without concurrence of austerity committee vide clause No. 3(i)(c) of FD's notification dated 18th November 2022. Audit contended that the vehicle was procured prior to issuance of FD's notification. Moreover, the notification pertained to approvals granted for the FY 2022-23 and in the instant case the payment was made in the FY 2021-22. Responsibility should be fixed for irregular procurement. Further, physical presence of the vehicle, logbooks and asset register were also not shown to Audit. The Committee directed the department to obtain clarification from FD. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early obtaining advice from FD besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.257(2023-24)

CHAPTER - 4

IRRIGATION DEPARTMENT

4.1 Introduction

A. Description of Department

Punjab Irrigation Department (PID) was established in 1854. While the department's primary role is to ensure the optimized supply of water for irrigation, it also bears the responsibility for the maintenance of flood protection infrastructure. The administrative department is led by the Secretary, Irrigation.

For operational purposes, Irrigation System in Punjab is strategically divided into six territorial zones, each overseen by a CE. Assisting them are Superintending Engineers, who manage circles, Executive Engineers responsible for formations, and Sub-Divisional Officers. The basic accounting unit is the Office of the Executive Engineer, supported by a DAO.

The six zones include Lahore, Sargodha, Faisalabad, Multan, Bahawalpur, and D.G Khan. Furthermore, there are additional wings dedicated to specific functions, such as Project Management Office Barrages, Irrigation Research Institute, Directorate of Hydrology, and Directorate of Land Reclamation. The department also encompasses two autonomous bodies: Punjab Irrigation & Drainage Authority (PIDA) and Punjab Engineering Academy located in Thokar Niaz Baig, Lahore.

Irrigation department oversees the irrigation of approximately 21 million acres and is responsible for twenty four (24) main canals spanning 31,346 km. Additionally, there are fifty seven (57) small dams, with ten (10) currently under construction. However, the department does not have jurisdiction over any large dams.

The main functions of the department include:

i. Planning, prioritization and implementation of rehabilitation schemes of canals, barrages, headworks and water courses.
ii. Operation and upkeep of irrigation system of the province.

iii. Optimization of the use of water resources in the province by equitable distribution of irrigation water supplied through canal outlets.

iv. Assessment of water rates based on actual field inspections by revenue staff of the department and recovery of Abiana.

v. Implementation of the development programme portfolio and foreign aided projects.

Seventeen (17) out of the 151 formations within Irrigation Department were subjected to the auditing during the current audit year.

Table 4.1: Audit profile *(Rs in million)*

Sr. No.	Description of Formations	Total No. of Formations	Audited Formations	Expenditure audited	Revenue/ Receipts audited
1	Irrigation Formations	149	16	9,258.76	2,061.645
2	Autonomous Bodies	2	1	129.323	97.225

B. Comments on Budget and Accounts (Variance Analysis)

In the FY 2022-23, Irrigation Department received allocations for both development and non-development purposes. However, it appears that the department faced challenges in fully utilizing the development budget. The achieved utilization rates for the development and non-development budgets were 83.91% and 97%, respectively. Grant wise budgetary position in FY 2022-23 along with variance analysis is presented below:

Table 4.1: Variance analysis *(Rs in million)*

Head	Original Budget	Final/Revised Budget	Expenditure	Excess/ (Saving)	Variation %
Non-Development					
PC 21009	24,899.533	30,830.899	29,865.470	(965.429)	3.13
PC 21010	795.760	966.348	952.610	(13.738)	1.42

Sub Total	25,695.293	31,797.247	30,818.08	(979.167)	3.00

Source: Budget Book and Departmental Figures (FY 2022-23)

C. Sectoral analysis on the achievements against targets agreed under MTDF/MTBF

Brief comments on targets achieved under MTDF are given in Chapter No. 1, i.e, Sectoral Analysis.

4.2 Classified Summary of Audit Observations

Audit observations amounting to Rs 2,820.304 million were identified as a result of the current year's audit of Irrigation Department. This sum also encompasses recoveries totaling Rs 300.220 million, as highlighted in the audit findings. Summary of the audit observations classified by nature is as under:

Table 4.2: Overview of Audit Observations *(Rs in million)*

Sr. No.	Classification	Amount

4.4 AUDIT PARAS

Reported cases of fraud, embezzlement and mis-appropriation

4.4.1 Mis-procurement due to award of work orders prior to opening of tender – Rs 36.726 million

As per Rule 2.33 of PFR Vol-I, "every government servant should realise fully and clearly that he will be held personally responsible for any loss sustained by government through fraud or negligence on his part, and that he will also be held personally responsible for any loss, arising from fraud or negligence".

The Office of the Secretary, Irrigation Department, advertised tender for the framework contract for the FY 2022-23 on 3rd September 2022 which was scheduled to be opened on 23rd September 2022. During August and September 2022, the department issued work orders amounting to Rs 36.726 million to M/s Brother Stationers, M/s 4-A Contractors, and M/s Newpak Traders. The rates applied in these work orders were based on the bids, which were yet to be opened on 23rd September 2022. These rates were higher than those of the previous contract, which were applicable during the period under consideration. Audit observed that applying rates quoted in the bids not yet opened tantamounts to mis-procurement and indicates connivance on the part of responsible officers. Furthermore, the department made an overpayment of Rs 13.240 million due to the issuance of work orders based on rates for the upcoming contract period, instead of the rates for the current contract period spanning from 1st October 2021 to 30th September 2022.

Violation of DFR Vol-I resulted in fraudulent payments amounting to Rs 36,726,072.

Audit pointed out the fraudulent payments in August 2023.

The paras were discussed in the SDAC meeting held on 24th November 2023. In DP 255, the department explained that tender was advertised on 3rd September 2022 and opened on 23rd September 2022, the acceptance/award letters were issued to the different firms on 27th September 2022. The supplies were made after issuance of work orders. Audit contended that the department issued work orders to the suppliers in the month of August and September 2022 on the rates of upcoming framework contract. The Committee directed the department to initiate enquiry proceedings for fixing responsibility against the responsible officers/officials. In DP No. 257, the department explained that the payments were made in October and November 2022 after award of contract to the successful bidders. Audit contended that tenders were opened on 23rd September 2022 but the department issued work orders to the suppliers who participated in the tenders for FY 2022-23 on the higher rates of upcoming contract with the connivance of the vendors even before opening of their financial bids which led to overpayment amounting to Rs 13,240,269. The Committee directed the department to get the matter probed and effect recovery besides fixing responsibility against the responsible officers/officials. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends early finalization of enquiry besides fixing responsibility and recovery of the loss from the delinquent officers.

DP No. 255 & 257(2023-24)

Irregularities resulting in overpayments

4.4.2 Overpayments due to approval of higher rates for non-standardized items – Rs 104.863 million

According to FD's instructions No. RO(Tech)FD-18-23/2004 dated 21st September 2004, "rate analysis for the non-standardized items shall be prepared by the Executive Engineer, clearly giving the specifications of the material used and approved by the competent authority not below the rank of SE on the basis of input rates of relevant quarter placed at website of FD. Standardized analysis/template shall be used to work out the rate of an item as far as possible".

4.4.2.1 Executive Engineers, Drainage Division, Lahore & Rachna Drainage Division, Sheikhupura, in six (06) cases, paid for the non-standardized item "*Providing and casting in situ bored reinforced concrete piles (nominal mix 1:1.5:3) 30" diameter*" for a quantity of 34512 rft. Audit observed that the department paid higher rates by using incorrect input rates instead of using admissible rates as per FD's template.

Violation of FD's instructions resulted in overpayments amounting to Rs 56,554,717.

Audit pointed out the overpayments in May 2023 and September 2023.

The paras were discussed in the SDAC meetings held during August and November 2023. The department explained that the rate analyses were approved by the competent authority and payments were made accordingly. Audit contended that department did not produce rate analysis to audit for scrutiny, however, Audit had prepared rate analysis on the approved template of FD, which were on lesser side. The Committee directed the department to prepare the rate analysis on FD's template, effect actual recovery till final bills and get it verified from Audit within 15 days. Compliance with the Committee's directives was reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXXII)

Note: The issue was reported earlier also in the Audit Reports for the Audit Year(s) 2018-19 and 2020-21 vide para numbers 4.4.13.2, 4.4.13.3, 4.4.13.7 in AR 2018-19 and para numbers 4.5.3.1, 4.5.3.2 in AR 2020-21 having financial impact of Rs 20.558 million. Recurrence of the same irregularity is a matter of serious concern.

4.4.2.2 Executive Engineer, Small Dams Division, Islamabad, in two (02) cases, paid for the non-standardized items *"M.S. Pipe 36, 42 & 48 inch dia 6 mm thick"* and "*Supplying clean and screened river or pit sand"* for quantities of 40847 rft and 1134838 cft, respectively. While preparing the rate analysis of the said items, input rates of mild steel sheet, coarse sand and hiring of generator, as notified by FD, were applied. These rates were inclusive of carriage at the site and the cost of diesel. Audit observed that the department permitted separate carriage charges for mild steel sheet and coarse sand, and also allowed diesel charges for the generator. The detail is as under:

(Amount in Rs)

Sr. No.	DP No.	Item	Quantity	Rate paid	Rate to be paid	Excess Rate	Amount Overpaid
1	316	MS pipe 42''	2350 rft	20,134	11,486	8,648	20,322,800

		MS pipe 42’’	18351 rft	9,425	9,281	144	2,642,544
		MS pipe 48’’	4205 rft	9,910	9,887	23	96,715
		MS pipe 36’’	15941 rft	7981.	7963.86	17.14	273,228
2	325	Coarse Sand	1134838 cft	4126.45	2442.80	1684	19,110,671
		Total					**42,445,958**

Violation of FD’s instructions resulted in overpayments amounting to Rs 42,445,958.

Audit pointed out the overpayments in August 2023.

The paras were discussed in the SDAC meeting held on 8th November 2023. The department explained that the payments made to the contractors were well within the rates approved by the competent authority in the TS estimate. Audit contended that department applied the input rates of material and equipment as notified by FD, which were for supply of material at site and, similarly, equipment rates were inclusive of cost of POL. However, the department paid carriage and POL charges separately. The Committee directed the department for a technical probe by the Administrative Department in light of FD’s instructions. Compliance with the Committee’s directives was reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.316&325(2023-24)

4.4.2.3 Executive Engineers of Trimmu Head Works Division, Jhang, and D.G Khan Construction Division, D.G Khan, in four (04) cases, paid for a non-standardized item *“P/L crushed bajri on level & slope”* for a quantity of 297260.76 cft. Audit observed that in rate analysis, the department incorrectly applied the rates of supplying spawl along with breaking charges of stone instead of using input rates of bajri as notified by FD vide item No.06.011 and item No.06.003 without allowing breaking charges of spawl.

Violation of FD’s instructions resulted overpayments amounting to Rs 5,863,052.

Audit pointed out the overpayments during August & September 2023. The department did not furnish reply.

The paras were discussed in the SDAC meeting held on 17th November 2023. The department explained that the items were paid as per TS estimate. Audit contended that higher rates were approved and paid just to provide benefit to the contractors. The Committee directed the department to refer the case to FD for advice. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXXIII)

Note: The issue was reported earlier also in the Audit Reports for the Audit Years 2018-19 to 2019-20 vide para number 4.4.13.1 in AR 2018-19 and para number 4.5.3.6 in AR 2019-20 having financial impact of Rs 14.612 million. Recurrence of the same irregularity is a matter of serious concern.

4.4.3 Overpayments due to inadmissible price escalation on crushed stone and application of incorrect rates – Rs 36.286 million

As per FD's notification No. A&C No.2, dated 5th August 2015, price escalation on crushed stone aggregate was not admissible prior to 1st April 2015. Further, according to Clause 55(3) & (4) of agreement, the price variation shall be worked out on the base/current rate of the item concerned as notified/placed at website by FD, Government of the Punjab for the particular month and particular District.

4.4.3.1 Executive Engineer, Small Dams Division, Islamabad during the FY 2022-23 paid price escalation on crushed stone aggregate to different contractors on the work orders issued prior to 1st April 2015. Audit observed that the contracts were awarded prior to 1st April 2015 and price escalation was not admissible on crushed stone in the light of FD's clarification.

Violation of FD's directions resulted in overpayments amounting to Rs 25,043,111.

Audit pointed out the overpayments during August 2023.

The para was discussed in the SDAC meeting held on 8th November 2023. The department explained that the price variation was paid in line with the instructions of FD. Audit contended that all the contracts were awarded before 1st April 2015 and the price variation on crush was admissible w.e.f 1st April 2015 and onward. The Committee directed the department to get the record verified regarding bifurcation of all the projects awarded well before FD's notification within 07 days, otherwise effect recovery. Progress in the matter as directed by the Committee was not reported till finalization of the report.

Audit recommends early recovery besides taking disciplinary action against the delinquents and strengthening internal controls to avoid the recurrence of such issues.

DP No.314 (2023-24)

<u>Note:</u> The issue was reported earlier also in the Audit Reports for the Audit Years 2019-20 and 2022-23 vide para number 4.4.5.7 in AR 2019-20 and para number 4.4.6 in AR 2022-23 having financial impact of Rs 76.149 million. Recurrence of the same irregularity is a matter of serious concern.

4.4.3.2 Executive Engineers, Rachna Drainage Division, Sheikhupura, and Muzaffargarh Canal Division, in eight (08) cases, paid price variation on mild steel, labour, diesel, cement and bajri. Audit observed that in seven (07) cases, the department applied the rates of material applicable on date of billing (being current rates). The department did not apply the rate applicable at the time of execution of works. In addition to, in one (01) case, the department paid higher rates i.e. rates of bajri for road work instead of concrete lining.

Violation of contractual obligation resulted in overpayments amounting to Rs 11,243,042.

Audit pointed out the overpayments in September 2023.

The paras were discussed in the SDAC meeting held on 24th November 2023. The department in seven (07) cases, admitted recovery of Rs 7.734 million. The Committee directed the department to effect recovery within 15 days and get it verified from Audit. In DP 355, the department stated that price variation was paid after the approval of the competent authority. Audit contended that the department applied rates of bajri for surface dressing instead of rates of bajri for concrete work because the work pertained to concrete lining of the canal. The Committee directed the department to get the rates verified along with the justification for applying these rates. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXXIV)

Note: The issue was also reported earlier in the Audit Report for the Audit Year 2019-20 vide para number 4.5.12 having financial impact of Rs 1.517 million. Recurrence of the same irregularity is a matter of serious concern.

4.4.4 Overpayment due to the execution of uneconomical item – Rs 23.318 million

As per Rule 1.58 of the B&R Department Code, "the divisional officers are immediately responsible for the proper maintenance of all works in their charge and the preparation of projects and of designs and estimates, whether for new works or repairs. It is also part of their duties to organize and supervise the execution of works and to see that they are suitably and economically carried out with materials of good quality". As per MRS item No 52 of chapter No.03, *"Earthwork in excavation of drains, irrigation channels through excavator/drag lines in all kinds of soil and conditions (dry, wet slush, daldal and under water) including its disposal and preparation of working pad for operation of machinery (rates include 100 feet)"* was available for work done with machinery.

4.4.4.1 Executive Engineer, Irrigation Research Institute, Lahore paid for the item *"Earthwork excavation in irrigation channels, drains etc. excavated material disposed of and dressed within 50 feet lead (ordinary soil) (item No. 10 chapter 3)*" for a quantity of 14655946 cft and at the rate of Rs 2,434.14‰ cft. Audit observed that the department applied the MRS item for manual labour to a huge quantity of earth excavation, whereas it was impractical to execute such a substantial amount of earth excavation solely with manual labour. Consequently, the actual work was carried out using machinery and, therefore, the admissible and economically more appropriate item for this work was *"Earthwork in excavation of drains, irrigation channels through excavator/drag lines"* (Item No. 52, Chapter 3 of MRS).

Violation of B&R Department Code and MRS resulted in overpayment due to higher rates amounting to Rs 12,620,821.

Audit pointed out the overpayment in May 2023. The management did not reply.

The para was discussed in SDAC meeting held on 18th August 2023. The department explained that rate was paid as per provision of PC-I and TS estimate by the competent authority. Audit contended that rate applied by the department was for manual labour, whereas work was actually executed through machinery. Therefore, item No. 52 chapter 3 of MRS was required to be applied. The Committee directed the department to obtain technical advice/clarification from FD and get it verified from Audit within 30 days. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 106(2022-23 Phase-II)

4.4.4.2 Executive Engineer, Trimmu Head works Division, Trimmu paid for the item "*Borrow pit excavation undressed lead up to 100ft in ordinary soil*" for a quantity of 4739595cft and at the rate of Rs 5,610 ‰cft. Audit observed that composite item regarding excavation with machinery i.e., "*earthwork in excavation of drains, irrigation channels through excavator/drag lines in all kinds of soil etc."* vide item No. 52 of chapter 3 of MRS was also available which had lesser rates as compared with the paid item.

Violation of the B&R Department Code resulted in overpayment amounting to Rs 10,697,265.

Audit pointed out the overpayment in August 2023.

The para was also discussed in SDAC meeting held on 17th November 2023. The department explained that the work was executed as per common practice in the department and approved in PC-I and TS estimate by the competent authority. The department further contended that as per site requirement the execution of work through machinery was not possible. Audit highlighted that in the context of river training works along flood bunds to mitigate erosive action, the manual execution of such substantial quantity of earthwork was impractical. Therefore, the rate with mechanized mode was required to be applied and paid instead of manual labour. The Committee directed the department to obtain technical advice/clarification from FD. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.180 (2023-24)

Note: The issue was reported earlier also in the Audit Reports for the Audit Years 2018-19, 2019-20 and 2021-22 vide para number 4.4.5 in AR 2018-19, para number 4.5.3.3 in AR 2019-20 and para number 4.4.2 in AR 2021-22 having financial impact of Rs 191.842 million. Recurrence of the same irregularity is a matter of serious concern.

4.4.5 Overpayment beyond agreed percentage of contract cost – Rs 5.928 million

As per para (v) of FD's notification No. RO(Tech)FD.1-2/ 83-VI dated 29th March 2005, "the final cost of tender/payment shall be the same percentage above/below the amount of revised sanctioned estimate as it was at the time of approval of the tender, so as to pre-empt excess payment".

Executive Engineer, Mianwali Canal Division, Mianwali, awarded two (02) works to different contractors who quoted disproportionate rates i.e., 31.19% and 31.08% below TS estimate. Audit observed that the works had been completed and the department had made payments at 30.28% and 30.25% below, respectively.

Violation of FD's instructions resulted in overpayments amounting to Rs 5,927,981.

Audit pointed out the overpayments during August 2023.

The para was discussed in the SDAC meeting held on 24th November 2023. The department explained that works were completed as per site requirements, resultantly, less quantities of various items were paid. Audit contended that overpayment was made in violation of FD's direction. The Committee directed the department to effect the recovery of Rs 5.928 million. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 286 (2023-24)

Note: The issue was reported earlier also in the Audit Reports for the Audit Years 2018-19 to 2022-23 vide para number 4.4.2 in AR 2018-19, para number 4.5.4 in AR 2019-20, para number 4.5.6 in AR 2020-21, para number 4.4.1 in AR 2021-22 and para number 4.4.3 in AR 2022-23 having financial impact of Rs 1,759.37 million. Recurrence of the same irregularity is a matter of serious concern.

4.4.6 Overpayment due to application of higher rates – Rs 2.143 million

As per Rule 7.29 of DFR Vol-I, "before signing the bill, a sub-divisional officer should compare the quantities in the bill with those recorded in the MB and see that all the rates were correctly entered and that calculations were checked arithmetically to be correct".

Executive Engineer, Jampur Construction Division, D.G Khan, in two cases, made payments for the works items "*Supplying and dumping of stone*" and *"Earthwork excavation from outside borrow pit"* for the quantities of 223664 cft & 152752 cft, respectively. Audit observed that as per record entries in measurement books, actual quantities were 160072cft and 114564 cft, respectively. This showed that the department paid excess quantities of 63592 cft and 38188 cft due to incorrect calculations.

Violation of DFR resulted in overpayments amounting to Rs 2,143,343.

Audit pointed out the overpayments in August 2023.

The paras were discussed in the SDAC meeting held on 17th November 2023. The department admitted the recovery. The Committee directed the department to effect the recovery and get it verified from Audit. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.247& 249 (2023-24)

Irregularities resulting in non-recoveries

4.4.7 Non-recovery of effluent charges – Rs 95.578 million

As per Irrigation department's notification No. SO(Rev) Irrigation-2-19/97 dated 12th June 2014, the recovery of drainage charges on account of effluent water was enhanced from 11000 to 35000 per cusec per annum w.e.f. 1st July 2014. In addition, as per rules 4.7(1) of PFR (Volume-I), "it is primarily the responsibility of the departmental authorities to ensure that all government revenue/dues are correctly and promptly assessed, realized and credited to the proper account of the government treasury".

Scrutiny of the record of Executive Engineer, Drainage Division, Lahore, revealed that 544 industrial units were discharging 592.24 cusec of industrial sewerage into drains. Audit observed that there was a recoverable amount of Rs 85.801 million on account of effluent charges, covering the period from 1997-98 to June 2022. Additionally, effluent charges totaling Rs 20.197 million were recoverable during the FY 2022-23. Despite the lapse of a considerable period, the department only managed to recover an amount of Rs 10.420 million up to June 2023.

Violation of rules resulted in loss due to non-recovery of effluent charges amounting to Rs 95,578,186.

Audit pointed out the non-recovery in May 2023. The management did not reply.

The para was discussed in SDAC meeting on 17th August 2023. The department stated that efforts were being made to recover long outstanding arrears of effluent charges through land revenue. Further, Capital City Police Officer (CCPO), Lahore and District Police Officer (DPO), Kasur were also requested to provide assistance. Audit informed the Committee that the department did not maintain the record showing unit wise aging and detail of recoverable amount. The Committee directed the department to get the breakup verified and list out the functional and non-functional factories and action be initiated accordingly by ensuring the recovery from quarters concerned. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 10 (2022-23 Ph-II)

Note: The issue was reported earlier also in the Audit Reports for the Audit Years 2018-19, 2019-20 and 2022-23 vide para number 4.4.6 in AR 2018-19, para number 4.5.1 in AR 2019-20 and para number 4.4.10.1 in AR 2022-23 having financial impact of Rs 236.136 million. Recurrence of the same irregularity is a matter of serious concern.

4.4.8 Non-recovery of cost of seeds & fertilizer and sale price of crops from the tenants – Rs 23.471 million

As per clause 4(d) & (g) under part obligations of the tenants of agreement for lease of land, "the tenants will sow pure seed and collect farmyard manure as is approved by the deputy director, land reclamation or his authorized representative and to bear the cost of all seeds and manure". Further, as per rule 4.7(1) of PFR (Volume-I), "it is the primary responsibility of the departmental authorities to ensure that all government revenue/dues were correctly and promptly assessed, realized and credited to the proper account of the government treasury".

Director Land Reclamation/Salinity Research, Lahore, during the period from 2017-18 to 2021-2022, allocated land in various farms to tenants and supplied seeds and fertilizer for Rs 6.986 million. Audit observed that the department did not recover the cost of seeds and fertilizer amounting to Rs 6.986 million from the tenants Further, an amount of Rs 16.485 million, related to the sale of various crops, was recoverable for the period from July 2016 to June 2022. Despite a significant period having elapsed, the department had not recovered any of these amounts up to June 2023.

Violation of PFR resulted in non-recovery amounting to Rs 23,471,349.

Audit pointed out the non-recovery in April 2023. The management did not reply.

The paras were discussed in SDAC meeting held on 18th August 2023. In DP 124,130 121 and 145 the department explained that efforts were being made to ensure the recovery from the tenants. Audit contended that the department neither explained about recoverable outstanding amount nor get verified any recovery made so far. The Committee directed the department to get the recovered amount and its accountal verified from Audit within 90-days. In DP 120, the department explained that the tenants had approached the court of law for implementation of Land Reforms Regulation, 1972 and the amended agreement was in pipeline for approval of the competent authority. The Committee directed the department to get the record, i.e., Court Orders verified from Audit within 07-days. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early recovery and strengthening internal controls to avoid the recurrence of such issues.

DP No.121,124,130,120&145 (2022-23 Ph-II)

4.4.9 Non-recovery of penal rent from illegal occupants –Rs 7.230 million

As per para 36(E) of Allotment Policy of S&GAD, 1997, amended up to 2nd May 2018, "a government servant occupying a house illegally, will be charged penal rent at the rate of 60% of his basic salary".

Scrutiny of record of Principal, Government Engineering Academy, Lahore and Executive Engineer Chakbandi Division, Lahore revealed that several government residences were being unlawfully occupied by various officers and officials. Audit observed that the department did not recover penal rent amounting to Rs 7.230 million from longstanding illegal occupants who had been residing in government residences.

Violation of allotment policy resulted in non-recovery of penal rent from illegal occupant amounting to Rs 7,230,558.

Audit pointed out the non-recovery in March 2023.

The paras were discussed in SDAC meeting held on 18th August 2023. In DP 35& DP 53, the department admitted the recovery of penal rent. The Committee directed the administrative department to effect recovery from the incumbents and get it verified from Audit. In DP 54, the department explained that occupant was a regular employee of Irrigation department and matter had already been brought into the notice of higher authorities for appropriate action against the illegal occupant. The Committee directed the department to recover the penal rent from illegal occupants and get the government residences vacated. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early compliance with Committee's directive.

DP No. 35, 53,54 (2022-23 Ph-II)

4.4.10 Non-recovery of government taxes – Rs 1.403 million

As per FBR's clarification No. 5/WHT-U-03 dated 24th April 2018, the income tax was required to be deducted from the contractors on the gross value of work done, including PST u/s 153 of Income Tax Ordinance 2001.

Executive Engineers from various Irrigation Divisions, in five (05) cases, disbursed payments to different contractors without deducting income tax on Provincial Sales Tax (PST) and dismantled material, totaling Rs 1,403,213.

Violation of the instructions of PRA and FBR resulted in non-recoveries amounting to Rs 1,403,213.

Audit pointed out the non-recoveries from May 2023 to August 2023.

The paras were discussed in the SDAC meetings during August 2023 & November 2023. The department admitted the recovery. The Committee directed the department to effect recovery in all cases and get it verified from Audit within 15 days. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early recovery besides strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXXV)

<u>Note:</u> The issue was reported earlier also in the Audit Reports for the Audit Years 2018-19 to 2022-23 vide para numbers 4.4.1, 4.4.3 in AR 2018-19, para numbers 4.5.19.1, 4.5.19.2 in AR 2019-20, para numbers 4.5.6, 4.5.7 in AR 2020-21, para number 4.4.15 in AR 2021-22 and para number 4.4.11 in AR 2022-23 having financial impact of Rs 257.642 million. Recurrence of the same irregularity is a matter of serious concern.

Irregularities relating to procurements

4.4.11 Irregular payments due to sanctioning expenditures beyond authorized competency – Rs 297.393 million

As per the Punjab Delegation of Financial Powers Rules, 2016 (Effective from the 1st July 2016), sanctioning powers of expenditure of officers of category-III & IV are Rs 1.50 million and Rs 1.00 million at a time, respectively.

During scrutiny of the records of Irrigation Secretariat for the FY 2022-23, revealed that payments totaling Rs 297.393 million were made for the procurement of various supply items. Audit observed that officers belonging to categories III and IV, in one hundred and nineteen (119) cases, approved sanctions exceeding their prescribed limits, in violation of rules *ibid*.

Violation of rules resulted in irregular payments amounting to Rs 297,393,040.

Audit pointed out the irregular payments in August 2023. The department did not submit reply.

The para was discussed in the SDAC meeting held on 24th November 2023. The department explained that approvals were obtained from the competent authority for expenditure in light of Delegation of Financial Power Rules, 2016. Audit contended that the approval of the competent authority was neither provided during audit nor during the subsequent verification before the

SDAC meeting. This proved that Section Officer (General) and Deputy Secretary (Administration) made sanctions beyond their financial limits in violation of Delegation of Financial Powers 2016. The Committee directed the department to get the matter verified from Audit within 15-days otherwise initiate the enquiry proceedings besides fixing responsibility against the responsible officers. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends to fix the responsibility against the responsible officers and get the matter regularize from FD besides strengthening internal controls to avoid the recurrence of such issues.

DP No.258(2023-24)

4.4.12 Mis-procurement and doubtful payments – Rs 217.941 million

As per section 4,9,12(2),31 and 32 of Punjab Procurement Rules 2014 (PPRA 2014), a procuring agency, while making any procurement, shall ensure that the procurement is made in a fair and transparent manner, the object of procurement brings value for money to the procuring agency and the procurement process is efficient and economical. The procuring agency shall advertise procurement of more than two hundred thousand rupees and up to the limit of three million rupees on the website of the department and at least one national daily newspaper. Further, as per PPRA circular No. L&M (PPRA)10-1/2011 dated 14th April 2023, under framework contract procurement is to be made for a certain volume or quantity of a particular good.

4.4.12.1 Irrigation Secretariat, for FY 2022-23, disbursed payments totaling Rs 73.591 million for the procurement of POL and Rs 30.199 million for the repair of transport. Audit observed that the department made procurements in violation of the PPRA 2014, and the payments made were deemed unauthentic and questionable for the following reasons:

i. The department disbursed payments amounting to Rs 73.591 million for the procurement of POL for vehicles and generators from two (02) petrol pumps. These payments were made by splitting the transactions through local purchase orders without the execution of any framework agreement, thereby violating established procedures. (DP 267)

ii. The department did not maintain history sheets and logbooks of vehicles as well as generators showing consumption/utilization of POL. In addition, expenditure of Rs 5.648 million was incurred on repair of eighteen (18) pool vehicles. The manufacture estimates were not prepared and got vetted from the motor vehicle examiner. No documentary evidence showing legitimate use of POL for vehicles was available on record to exercise effective control over expenditure. (DP 261 & 272)

iii. The department incurred an expenditure of Rs 17.265 million on POL and Rs 10.501 million for eighty-eight (88) vehicles which were not under official use of Irrigation Secretariat. (DP 260)

iv. Payments of Rs 14.050 million were made on account of repair of transport to a single vendor by splitting through local purchase orders to avoid open competitive bidding and framework contract. The history sheets of vehicles were not maintained showing expenditure incurred on repair of each vehicle. Besides, multiple discrepancies were observed in the paid invoices of the vendor. The paid vouchers amounting to Rs 1.106 million were found without vehicle numbers. Further, tyres of certain vehicles were got replaced up to 05 times in a financial year. Further, two front bumpers for the same vehicle were charged in the same voucher. The logbooks were unauthentic because no purpose of journey was mentioned. (DP 269)

Violation of PPRA rules 2014 resulted in mis-procurement and doubtful payment amounting to Rs 103,790,932.

Audit pointed out mis-procurements in August 2023.

The paras were discussed in the SDAC meeting held on 24th November 2023. In DP 267&261, the department explained that complete logbooks of vehicles and generators were available. Audit contended that the department did not provide any proof of framework contract with suppliers regarding procurement of POL. Besides, complete logbooks of vehicles were not produced and logbook of generator was unauthentic because the same quantity of diesel was booked in each month for the whole year irrespective of summer and winter season. The Committee in DP 267 directed the department to fix responsibility against the responsible officers/officials and get the matter regularized from FD. In DP 261, the Committee directed to get verified complete record of pool vehicles. In DP 260, the department explained that all the vehicles were authorized vehicles and throughout the year remained on deployment from Irrigation pool to field offices. Audit contended that expenditure was incurred on the vehicles which were not under the use of the Secretariat. Some of these vehicles were privately owned as per record available on the website of Excise &Taxation and Narcotics Control Department. Furthermore, the department could not provide any legitimate record in support of its stance. The Committee directed the department to get the complete record demanded by the Audit verified within 15 days, otherwise fix responsibility against the responsible officers/officials. In DP No.269 and 272, the department explained that the repair of vehicles was carried out on a time-to-time basis for which advertisement for tenders was not possible. Out of 38 Log Books of vehicles 26 were produced. Audit contended that the department made payment in violation of PPRA rules. Moreover, several issues were observed by Audit in these payments. The paid vouchers amounting to Rs 1.106 million were found without vehicle numbers. Further, tyres of certain vehicles were got replaced up to 05 times in a financial year. The logbooks were unauthentic because no purpose of journey was mentioned. Besides, further record like manufacture's estimates, remaining logbooks, allotment orders relating to pool vehicles were not produced for verification. The Committee directed the department for fixing responsibility and getting the matter regarding splitting regularized from FD besides getting the complete record of pool vehicles verified from Audit and justify the use of pool vehicles. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends investigating the matter in detail and fixing responsibility against the responsible officers/officials besides recovering the amounts involved.

DP No 261,267,260,269&272 (2023-24)

4.4.12.2 Irrigation Secretariat, for FY 2022-23, shortlisted three firms and entered into a framework agreement for the supply of various items, including "stationery" and "printing & publication". Audit observed serious irregularities in the bidding process and the subsequent awarding of contracts as given below:

i. The composition of purchase committee was approved by the Deputy Secretary (Administration) which was beyond his competency without the approval of the competent authority. (DP No.256)

ii. The department invited the bids on the basis of estimated cost/advertised amount of Rs 77.500 million but incurred expenditure amounting to Rs 332.359 million i.e, 328% above the advertised/estimated cost, which was in violation of clarification by PPRA dated 14th April 2023. (DP No.256)

iii. The department awarded work order and made payment of Rs 12.183 million to a supplier without properly evaluating the technical bid of the supplier. As per the record of FBR, the said supplier was registered in July 2021 and thus, it could not fulfill the criteria of three years' work experience as mentioned in the bidding documents. (DP No.256)

iv. The department did not announced/uploaded the results of bid evaluation on PPRA website in the form of a report giving justification for acceptance or rejection of bids, which was required to be uploaded at least ten days prior to the award of procurement contract. (DP No.256)

Violation of PPRA 2014 rules resulted in mis-procurements and doubtful payments amounting to Rs 77,500,000.

Audit pointed out mis-procurement in August 2023.

The paras were discussed in SDAC meeting held on 24th November 2023. The department explained that no violation of process envisaged in PPRA was made. The purchase committee was approved by the competent authority, technical bid evaluation report was also uploaded on website and payment was made as per funds released by FD. Audit contended that as per PPRA rules, it was binding on the procuring Agency that whenever they take up public procurement under framework contract through open competitive bidding, they must ensure that the estimated quantity of items was prepared/planned vigilantly and calculated as per the need for a specified period. The department could not provide any approval of purchase committee by the competent authority and documentary evidence regarding uploading of technical evaluation on website. The Committee directed the department to fix responsibility against the responsible officers/officials and get the matter regularized from FD. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early fixation of responsibility and action against the delinquents besides regularization from FD.

DP No. 256(2023-24)

4.4.12.3 Irrigation Secretariat, for FY 2022-23, paid Rs 39.173 million for procurement of hardware items, IT equipments, software, plant & machineries and furniture & fixtures. Audit observed that the department incurred expenditures by splitting transactions through local purchase orders from local vendors, bypassing the requirement for advertisement or competitive bidding. Moreover, authentic record showing accountal/utilization of the procured items was also not produced to audit for scrutiny. Additionally, a joint physical verification conducted by the Audit on 10th August 2023, along with Section Officer (General) from Irrigation Department, revealed that substantial quantities of various items were not present in the premises of Irrigation Secretariat as detailed in Annexure-XXXVI.

Violation of PPRA 2014 resulted in mis-procurements and doubtful payments amounting to Rs 36,650,477.

Audit pointed out the doubtful payments in August 2023.

The paras were discussed in the SDAC meeting held on 24th November 2023. The department explained that stock registers and other allied record showing the procurement and consumption of procured items was maintained. The softwares were used in desktops and laptops in different sections of Irrigation Secretariat. Audit contended that only paid vouchers and incomplete/partial stock registers were produced and the department did not offer reply about procurement by splitting without open competitive bidding. The department procured the items through quotations to avoid tendering in violation of PPRA rules. Besides, the department could not prove physical existence of procured items during joint physical verification. The Committee directed the department to probe the matter for fixing responsibility regarding non-existence of procured items within the premises of Irrigation Secretariat and to get the matter regularized from FD regarding all issues pertaining to mis-procurements. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends to investigate the matter in detail and fixing responsibility against the responsible officers/officials besides recovery of the amounts involved.

DP No.264,265 ,266 268&270 (2023-24)

4.4.13 Irregular enhancement of agreement due to change of scope – Rs 81.062 million

As per clarification by PPRA dated 18th June 2019, "enhancement in the original scope of work cannot be allowed under PPRA rules being a different modality from the concept of variation, which is allowed (to the extent of 20% of the original procurement in the category of works only and based on unforeseen engineering anomalies) in the light of clause 42 of the contract agreement circulated by FD".

Executive Engineer Trimmu Headworks Division, Trimmu, awarded a work at an agreed cost of Rs 160.241 million which was 29.77% below the estimated cost of Rs 228.169 million. Audit observed that upto 8th & running bill the department made payment of Rs 241.303 million, which was 49.6% above the original contract in violation of the PPRA rules.

Violation of PPRA rules resulted in irregular enhancement of agreement amounting to Rs 81,061,948.

Audit pointed out the issue in August 2023.

The para was discussed in the SDAC meeting held on 17th November 2023. The department explained that the work was enhanced due to increased execution of the quantities of existing items as per site requirement. The same was got approved from the competent authority. Audit informed the Committee that the enhancement was beyond 20% permissible limit in violation of PPRA rules. The Committee directed the department to obtain condonation from FD regarding revision of TS estimate beyond 20 % permissible limits. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends early regularization of the matter from FD besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.174 (2023-24)

Note: The issue was reported earlier also in the Audit Reports for the Audit Years 2019-20 vide para numbers 4.5.31 having financial impact of Rs 197.71 million. Recurrence of the same irregularity is a matter of serious concern.

4.4.14 Doubtful payment on account of purchase of ACs – Rs 3.083 million

As per rule 2.33 of PFR (Volume-I), "every government servant should realize fully and clearly that he would be held personally responsible for any loss sustained by government through fraud or negligence on his part". Further, as per condition No. (iii) of FD's notification No.SO (Goods)44-4/2022-2.3 dated 18th November 2022, purchase of ACs exceeding the aggregate amount of Rs 1.00 million in current FY 2022-23 shall not be allowed, except with the prior concurrence/approval of the Austerity Committee.

Irrigation Secretariat, during FY 2022-23, made payment of Rs 3.083 million to various vendors for the procurement of sixteen (16) ACs through a quotation-based procurement process. Audit observed that the department procured ACs without getting approval of the Austerity Committee. Furthermore, the department was unable to furnish pertinent records, such as supplier quotations, dealer invoices, warranty cards, and specific AC models, for audit scrutiny. This lack of documentation raised concerns about the transparency and compliance with the procurement process. Additionally, in a physical verification carried out by Audit on 10th August 2023, along with Section Officer (General) from Irrigation Department, the department was unable to substantiate the physical existence of eight (08) out of the sixteen (16) ACs procured. This discrepancy raises concerns about the authentic accountal and utilization of the acquired assets.

Violation of FD's directions resulted in doubtful payment amounting to Rs 3,083,601 million.

Audit pointed out the issue in August 2023.

The para was discussed in the SDAC meeting held on 24th November 2023. The department explained that 16 ACs were procured and taken on stock register. Audit contended that procurement was made by splitting in violation of PPRA rules and approval from Austerity committee was also not obtained. Further, the department failed to prove physical existence of eight ACs. The Committee directed the department to get the matter regularized from FD regarding splitting and non-approval of the austerity Committee besides probing the matter regarding non-existence of eight ACs. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends to investigate the matter besides fixing responsibility against the responsible(s) and obtaining early condonation from FD.

DP No.262(2023-24)

Irregularities relating to undue financial benefit to contractors

4.4.15 Undue financial benefit to the contractor – Rs 6.907- million

As per Rule 7.29 of DFR Vol-I, "before signing the bill, a sub-divisional officer should compare the quantities in the bill with those recorded in the MB and see that all the rates were correctly entered and that calculations were checked arithmetically to be correct". Further, as per para (v) of FD's notification No. RO(Tech)FD.1-2/83-VI dated 29th March 2005, "the final cost of tender/payment shall be the same percentage above/below the amount of revised sanctioned estimate as it was at the time of approval of the tender, so as to pre-empt excess payment".

Executive Engineer, D.G Khan Construction Division, D.G Khan made payment amounting to Rs 1,461.634 million in 43rd & running bill dated 12th December 2019. Audit observed that in 46th & final bill paid on 12th May 2023, the department reduced the quantities of various items and deducted an amount of Rs 38.162 million on account of replicated works not verified and accepted by the consultant during the currency of ongoing contract. It was also noticed that upto 46th & final bill an amount of Rs 6.906 million was also recoverable from the contractor on account of imbalance rates.

Violation of DFR resulted in undue financial benefit to the contractor amounting to Rs 6,906,749.

Audit pointed out the undue financial benefit in September 2023.

The para was discussed in the SDAC meeting held on 17th November 2023. The department explained that the difference in quantities were adjusted/recovered in the 46th & final bill. Audit informed the Committee that the department provided undue benefit to the contractor because overpaid amount remained with the contractor for a period of more than three years. Moreover, during verification the department produced consultant's letter dated 28th June 2022 depicting vetting of 46th & final bill in which the consultant had advised the department to effect a recovery of Rs 6.907 million on account of imbalance rates but no recovery was made. The Committee directed the department for technical probe by the SE, Rahim Yar Khan. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends early initiation and finalization of probe for fixing responsibility against the responsible(s) besides recovery of amount involved and strengthening internal controls to avoid the recurrence of such issues.

DP No.206(2023-24)

Irregularities resulting in loss to government

4.4.16 Loss to Government due to non-auction of leasable land/area – Rs 1,722.970 million

As per summary approved by the CM vide No.3308 dated 11th June 2015, land of pond area was transferred back from Forest, Fisheries and Wildlife department to Irrigation department for the purpose of leasing out this area for agriculture. According to rule 4.7(1) of Punjab Financial Rule Volume-I, "it is the primary responsibility of the departmental authorities to see that all government revenue/dues were correctly and promptly assessed, realized and credited to the proper head of account".

Examination of the records maintained in Irrigation Secretariat, Lahore, revealed that in three cases, the department had 13386 acres leasable pond area/land available. Audit observed that said land was lying vacant and unleased since 2016 in contradiction with the summary approved by the CM. The pond area was being utilized for agriculture by encroachers without the payment of any lease amount. This discrepancy highlights an inconsistency between the actual usage and the approved terms for transfer of land. The department had failed to reclaim possession of this land from illegal occupants and initiate a leasing process through open auction, despite the passage of several years since 2016.

Violation of rules resulted in loss to government due to non-auction of pond area and non-realization of revenue amounting to Rs 1,722,970,000.

Audit pointed out the loss in August 2023.

The para was discussed in the SDAC meeting held on 24th November 2023. The department explained that pond areas pertained to three (03) divisions which were directed to lease out the whole land. Audit informed the committee that as per summary approved by the CM vide No. 3308 dated 11th June 2015 the land of pond area was transferred back from forest & fisheries departments to Irrigation department for the purpose of leasing out for agriculture to generate revenues. The department neither got vacated the land from illegal occupants nor leased it out through open auction. The Committee directed the department that the CE concerned should submit a detailed report thereon within 15-days. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends early finalization of probe besides fixing responsibility against the delinquents.

DP No.277(2023-24)

4.4.17 Loss to Government due to less recovery of toll tax than reserve price – Rs 138.837 million

According to rule 4.7(1) of Punjab Financial Rule Volume-I, "it is the primary responsibility of the departmental authorities to see that all government revenue/dues were correctly and promptly assessed, realized and credited to the proper head of account". Further, after promulgation of the Disposal of Land by Development Authorities (Regulations) Act, 1998, lease rights are to be invariably put to open auction.

Scrutiny of record of Irrigation Secretariat for FY 2022-23, revealed that the department had eleven (11) toll collecting points which had to be auctioned through open bidding on the reserve price approved by the CE. Audit observed that the department deviated from the standard procedure of auctioning the rights for toll collection. Instead, tolls were collected through departmental staff and labour. It was further noted that the department collected Rs 105.837 million less revenue from tolls than the reserve price. It was pertinent to mention that the reserve price was calculated after deducting 20% for contractor profit and overheads, along with 2% service charges, whereas the department employed paid staff and labour for toll tax collection. This situation implies a potential malpractice in the revenue realization process that warrants further investigation. Moreover, had the department opted for auctioning the rights of toll collection, it could have realized additional government revenue in the form of income tax, amounting to Rs 33.000 million.

Violation of PFR rule resulted in loss to government due to less collection of toll tax amounting to Rs 138,837,000.

Audit pointed loss in August 2023.

The para was discussed in the SDAC meeting held on 24th November 2023. The department explained that toll plazas could not be auctioned due to some reasons. Audit informed the committee that the department did not auction the rights of toll collection in time and made collection through the departmental staff which was less than the reserve price approved by the CE concerned. The Committee directed the department that the CE concerned should submit a detailed report thereon within 15-days. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends prompt initiation of investigation and fixing responsibility besides early auctioning of toll plazas.

DP No.278(2023-24)

HR/Employees related irregularities

4.4.18 Irregular payments to work charge employees out of contingency of closed Project – Rs 10.465 million

As per Order Sheet dated 27th April 2021 by the Honorable Lahore High Court Rawalpindi Bench, no further construction work "Dadhocha Dam" shall be carried out by the respondents i.e., Contractor/XEN, Small Dam Division in defiance/disregard to the judgment dated 2nd February 2021, in the meanwhile.

Executive Engineer, Small Dams Division, Islamabad paid Rs 10,465,027 to various work charge employees and incurred expenses through quotation works after 2nd February 2021, in violation of High Court orders. Audit observed that the project was closed, and no work was conducted at the site, rendering the payments charged to contingencies illegal.

Violation of High Court orders resulted in irregular payment of Rs 10,465,027.

The para was discussed in the SDAC meeting held on 8th November 2023. The department explained that Supreme Court of Pakistan allowed the construction activities on site of work on 22nd June 2021. Audit informed that order of the Supreme Court of Pakistan was regarding revision of land rate. However, the High court vide order sheet dated 27th April 2021 directed that no further construction activity be carried out and the same order was still in force. The committee directed the department to conduct technical probe through the SE other than the concerned circle and submit it through CE, Islamabad. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends early finalization of probe for fixing responsibility and effecting due recovery.
DP No.308 (2023-24)

4.4.19 Irregular appointment and payment to work charge employees – Rs 2.137 million

As per FD's notification No. RO(Tech) FD 2-2/2018 dated 9th September 2021, appointment to post shall be appropriately advertised in the leading newspapers. The recruitment to all the posts in the Schedule shall be made based on merit specified for regular establishment. The appointment of seasonal labour may be made for the project's duration. Further, as per rule 4.49 of the Punjab Treasury Rule, payment of Rs 10,000 or more shall not be made in cash by the Drawing and Disbursing Officers (DDOs).

Executive Engineer, Mianwali Canal Division, Mianwali, paid Rs 2.137 million to work charged employees during FY 2022-23. Audit observed that the department drew cheques in favour of SDO/Sub Engineers and made cash payments to the work charged employees.

Additionally, appointments were made without advertising the positions and without provisions in the contingency, raising concerns about transparency and adherence to proper procedures.

Violation of rules resulted in irregular payment amounting to Rs 2,137,159.

Audit pointed out irregular payment in August 2023.

The para was discussed in the SDAC meeting held on 24th November 2023. The department explained that work charge employees were hired for supervision of ADP schemes and paid in cash as the temporary work charged employees. Audit contended that hiring of work charge employees was required to be made through laid down procedure but the department irregularly appointed those employees. Besides, on pay bills, no Computerized National Identity Card (CNIC) numbers of work charged employees were mentioned and an amount of Rs 1.620 million was shown disbursed without the acknowledgment of the concerned official. The Committee directed the department to get the matter regularized from FD. Compliance with the Committee's directive was not reported till finalization of the report.

Audit recommends fixing responsibility and recovery of the paid amount besides regularization from FD.

DP No.290 (2023-24)

Miscellaneous irregularities

4.4.20 Unjustified payment for bed clearance on same RDs – Rs 2.563 million

As per FD No. FD(M-I) II-17/84 dated 10th February 2016, "in cases where lump sum release/transfer of funds to an executing agency has been made by a department, on completion of works the executing agency would render a completion certificate besides a signed statement of accounts to the respective Drawing and Disbursing Officer (DDO). The unspent balance amount, if any, shall also be refunded to the concerned DDO".

Executive Engineer, Lahore Drainage Division, Lahore, during April 2022 made an advance payment of Rs 2.563 million to Machinery Division, Lahore, for execution of a quantity of 1646450 cft of earthwork through the departmental machinery relating to the work *"Bed Clearance of Bhoe Asal Drain from RD 0+000 To 32+000".* Audit observed that an advance payment of Rs 2.492 million had already been made to Excavator Division, Faisalabad, in April 2020, for the same drain and RDs, covering a quantity of 1325115 cft. It was further noted that within a span of 2 years, the department made advance payments of Rs 5.056 million for the same work without providing any justification or furnishing records regarding the execution of works by both divisions.

Violation of FD's directions resulted in unjustified payment amounting to Rs 2,563,582.

Audit pointed out unjustified payment in May 2023.

The para was discussed in SDAC meeting held on 17th August 2023. The department explained that requisite record was available. Audit informed the Committee that the department did not produce any record for verification of facts i.e., MBs establishing the works executed by both the Machinery Divisions, verification of works by the concerned staff of Drainage Division Lahore and completion certificates/ documentary evidence showing execution of works. The committee directed the department to get verified complete record from Audit within 07-days. Compliance with the Committee's directives was not reported till the finalization of the report.

Audit recommends a thorough investigation into the matter, followed by appropriate action against those responsible for the discrepancy. Furthermore, it suggests pursuing the recovery of the amount involved.

DP No 06 (2022-23 Ph-II)

CHAPTER – 5

LOCAL GOVERNMENT AND COMMUNITY DEVELOPMENT DEPARTMENT

5.1 Introduction

A. Description of Department

Local Government and Community Development Department (LG&CD) in Punjab, Pakistan, was established with the specific purpose of addressing the needs of mega cities and predominantly urban districts in the region. The creation of this department was a response to the evolving challenges of urbanization and the necessity to establish governance structures capable of promoting the efficient management of city affairs and community development.

Historically, the concept and system of local governance in Pakistan have undergone multiple changes aimed at enhancing democratic governance and improving socio-economic conditions at the grassroots level. Reforms have been consistently introduced to strengthen local bodies in order to provide greater autonomy and powers to elected representatives at the municipal level.

The primary functions of the department encompass policy formulation, the framing of local government laws and rules, and the diligent monitoring of their implementation across local governments in Punjab. LG&CD Department is also responsible for exerting administrative control over local governments in the region. Key responsibilities include the preparation of ADPs and the allocation of budgetary resources to various local government sectors. Furthermore, the department plays a crucial role in coordinating and assisting with foreign-funded projects and serves as a pivotal intermediary between local governments and the Election Commission of Pakistan for the organization of local bodies elections. Its functions extend to liaison work with the Punjab Disaster Management Authority to address emergencies or disasters, and it oversees the monitoring and supervision of public sector companies under its jurisdiction.

LG&CD Department plays a comprehensive role in urban planning, asset management, and the delivery of municipal services, with a focus on transforming intermediate cities into efficient and sustainable urban centers. Key initiatives led by the department include the implementation of an IT-based monitoring system for improved governance, the Punjab

Intermediate Cities Improvement Investment Program, and the Punjab Cities Program aimed at strengthening service delivery in urban local governments.

LG&CD Department has an attached department, i.e., Director General Local Government & Community Development, Punjab. It has four autonomous bodies, viz. Punjab Local Government Board, Punjab Local Government Commission, Walled City of Lahore Authority and Punjab Shehr-e-Khamoshan Authority, Lahore.

Table 5.1: Audit profile

Sr. No.	Description of Formations	Total Formations	Audited Formations

B. Comments on Budget and Accounts (Variance Analysis)

In the FY 2022-23, LG&CD Department received budgetary allocations from both development and non-development grants. However, the department was unable to fully utilize the development budget, amounting to Rs 9,827.946 million, and the non-development budget, amounting to Rs 3,824.204 million. Grant wise budgetary position (variance analysis) in FY 2022-23 is presented below:

Table 5.2: (i) Variance analysis (LG&CD) *(Rs in million)*

C. Sectoral analysis on the achievements against targets agreed under MTDF/MTBF

Brief comments on targets achieved under MTDF are given in Chapter No. 1, i.e., Sectoral Analysis.

5.2 Classified Summary of Audit Observations

As a result of the audit conducted on Local Government and Community Development Department, audit observations totaling Rs 128.188 million were raised. This amount also includes recoveries of Rs 22.834 million, as highlighted by the audit. Summary of the audit observations classified by nature is as under:

Table 5.3: Classification of audit observations *(Rs in million)*

Sr. No.	Classification	Amount
	Irregularities:	
(i)	Irregularities resulting in overpayments	22.834
(ii)	Irregularities resulting in loss to government	40.969
(iii)	Miscellaneous irregularities	64.385
	Total	**128.188**

5.3 Comments on the status of compliance with PAC directives

Compliance position with PAC's directives on Audit Report relating to Audit years 1993-94 to 2012-13.

Table 5.4: Compliance of PAC directives LG&CD Department

Sr. No.	Audit Report Year	Outstanding Directives	Compliance Reported	Compliance Awaited	Percentage (%)

5.4 AUDIT PARAS

Irregularities

Irregularities resulting in overpayments

5.4.1 Overpayment due to calculation of higher rates – Rs 11.808 million

According to FD's notification No. RO(Tech)FD 2-3/2004 dated 2nd August 2004, "the CEs on the basis of input rates fixed by FD, shall fix the rate of each item of work for rough cost estimates for AA and detail estimate for technical sanction, place them on their web sites and send a copy to FD".

5.4.1.1 Executive Engineer, LG&CD Civil Division, Lahore paid for the item *"Precast boundary walls"*. Audit observed that the department calculated higher rates by using inflated quotations instead of FD's input rates in rate analyses. Detail is as under:

(Amount in Rs)

Sr. No.	**DP No.**	**Item paid**	**Quantity (rft)**	**Rate paid (P.rft)**	**Rate to be paid P.rft)**	**Difference of rate (P.rft)**	**Amount Overpaid**
1	75 (2022-23)	Precast boundary wall (2-works)	3780	2,220	896	1,324	5,004,720
			4443	2,808	896	1,912	8,495,016
Total							13,499,736

Violation of FD's instructions resulted in overpayment amounting to Rs 13,499,736.

Audit pointed out the overpayment in September 2023.

The para was discussed in SDAC meeting held in November 2023. The department explained that the non-standardized rates based on quotations were approved by the competent authority. Audit contended that admissible rates were Rs 981 & 1397 per rft by applying relevant FD's input rates and actual recovery comes to Rs 10,952,493. The Committee directed the department to get record verified from Audit within seven (07) days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

5.4.1.2 Executive Engineer, LG&CD Civil Division, Lahore, in two (02) cases, paid for the items viz *"Sub-base course",* and *"Carriage of Bajri"*. Audit observed that the department paid higher rates due to incorrect lead as follows:

(Amount in Rs)

Sr. No.	**DP No.**	**Item paid**	**Quantity (cft)**	**Rate paid (% cft)**	**Rate to be paid (% cft)**	**Difference of rate (% cft)**	**Amount Overpaid**
1	85 (2022-23)	Sub-base course crushed stone	15768	17,429.25	14,333	3,096.25	488,216
2	81 (32) (2022-23)	Carriage of Bajri	61841	5,880.38	5,285.95	594.43	367,601
Total							**855,817**

Violation of FD's instructions resulted in overpayments amounting to Rs 855,817.

Audit pointed out the overpayments in September 2023.

The paras were discussed in SDAC meeting held November 2023. In DP No. 85, the department admitted recovery pointed out by the audit. The Committee directed the department to effect actual recovery. In DP No.81(32), the department explained that payment was made for 154 km as per revised TS estimate. Audit contended that lead cannot be changed once original TS estimate is approved, therefore, the lead of 137 km was required to be paid, as approved in original TS estimate. The Committee directed to get the record verified otherwise effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

<u>Note:</u> The issue was reported earlier also in the Audit Reports for Audit Years - 2018-19 to 2022-23 vide Para No. 5.4.5.1 in AR 2018-19, Para No. 5.5.3.2 in AR 2019-20, Para No. 5.5.1.3.1 in AR 2021-22 and Para No. 5.4.1.4.1 in AR 2022-23 having financial impact of Rs 15.056 million. Recurrence of same irregularity is a matter of serious concern.

5.4.2 Overpayment due to excess measurements of PCC – Rs 5.848 million

As per provision in TS estimate and CE (North) PHE Department Lahore Letter No. 664-67/P&D-I dated 29th May 2015, thickness of PCC 1:2:4 in street should be as mentioned below:

Width of PCC pavement 0′ to 6′ Thickness of PCC 3″

Width of PCC pavement 6′-10′ Thickness of PCC 4″

Width of PCC pavement above 10′ Thickness of PCC 6″

Executive Engineer, LG&CD Civil Division, Gujrat paid an amount of Rs 21.237 million for the item "*P/L of PCC".* Audit observed that the department, in four (04) cases, made overpayment by taking excess thickness of PCC in violation of the pavement design and TS estimate. Detail is as under:

(Amount in Rs)

Sr. No.	Name of Work	Item	Thickness taken	Thickness to be taken	Amount Overpaid

1	Const of PCC streets UC Dilwarpur	P/L PCC 1:2:4	0.66ft	0.50ft	1,720,931
2	Const of PCC streets UC Chariawala	P/L stone ballast	0.33ft	0.25ft	3,673,896
		P/L PCC 1:2:4	0.33ft	0.25ft	
		P/L PCC 1:2:4	0.58ft	0.50ft	
		P/L PCC 1:2:4	0.58ft	0.50ft	
3	Const of PCC streets UC Surkhpur	P/L stone ballast	0.50ft	0.33ft	118,247
		-do-	0.33ft	0.25ft	
		P/L PCC 1:2:4	0.50ft	0.33ft	
		-d0-	0.33ft	0.25ft	
4	Const of PCC streets UC Kassoki	P/L stone ballast	0.50ft	0.33ft	334,645
		P/L PCC 1:2:4	0.50ft	0.33ft	
Total					**5,847,719**

Violation of TS estimate and pavement design resulted in overpayment amounting to Rs 5,847,719.

Audit pointed out the overpayment in August 2023.

The para was discussed in SDAC meeting held in October 2023. The department explained that thickness of PCC was maintained as per site requirements due to heavy traffic load. Audit contended that the work was required to be executed as per provision of the TS estimate and pavement design. The Committee directed the department to effect actual recovery. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early recovery besides initiating disciplinary action against the person(s) responsible for non-observing provision of TS estimate.

DP No. 24 (2022-23)

Note: The issue was reported earlier also in the Audit Reports for Audit Years - 2018-19 to 2022-23 vide Para No. 5.5.1.2.2 in AR 2021-22 and Para No. 5.4.1.3 in AR 2022-23 having financial impact of Rs 29.821 million. Recurrence of same irregularity is a matter of serious concern.

5.4.3 Overpayment on account of disposal of dismantled/unsuitable material – Rs 4.105 million

According to Rule 7.29 of DFR Vol-I, before signing the bill, a sub-divisional officer should compare the quantities in the bill with those recorded in the MB and see that all the rates are correctly entered and that calculations are made correctly.

Executive Engineer, LG&CD Civil Division, Lahore paid an amount of Rs 6,410,133 for the items viz. *"Earthwork excavation undressed Malba/unsuitable material etc."* and "*Dismantling of PCC etc.*" which included disposal of dismantled/unsuitable material. Audit observed that the department made double payment on account of disposal of material by allowing a separate item namely "*removal of malba*" for which an amount of Rs 3,702,255 was paid. Audit further observed that the department paid *"Removal of dismantled material lead up to 5 miles"* amounting to Rs 402,310. by dividing the total volume of material with factor of 100 cft instead of 1000 cft.

Violation of rules resulted in the overpayments of Rs 4,104,565.

Audit pointed out the overpayments in September 2023.

The paras were discussed in SDAC meeting held in November 2023. In both cases, the department admitted recovery and the Committee directed the department to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides taking action against the person(s) responsible and strengthening internal controls to avoid the recurrence of such issues.

DP No. 70&71(2022-23)

Note: The issue was reported earlier also in the Audit Reports for Audit Years 2018-19 to 2022-23 vide Para No. 5.5.1.4 in AR 2021-22 and Para No. 5.4.1.9 in AR 2022-23 having financial impact of Rs 2.571 million. Recurrence of same irregularity is a matter of serious concern.

5.4.4 Overpayment due to execution of work beyond the provisions of specifications – Rs 1.073 million

As per clause 10 of the contract agreement, "the works executed by the contractor shall also conform to the designs and/or drawings and instructions in writing relating to the works signed by the engineer in-charge and lodged in his office, and to which the contractor shall be entitled to have access at such office, or on the site of the works for the purpose of inspection during office hours".

Executive Engineer, LG&CD Civil Division, Lahore got executed works items *"PCC 1:2:4"* and *"RCC 1:2:4"*. Audit observed that the department in one (01) case paid for an excess quantity of bajri than was provided in the contract specifications. In the second case, PCC was applied in violation of contract specifications under tuff tiles in addition to already executed sub-base course. In the third case, cement plastering on both sides of wall of nullah/drain was carried out whereas plastering of only one side of the wall was provided in the specifications. Detail is as under:

(Amount in Rs)

Sr. No.	**DP No.**	**Amount Overpaid**	**Reason**
1	35 2021-22	598,126	Carriage of 88% more bajri than the provisions of MRS for PCC & RCC 1:2:4
2	77 (2022-23)	353,257	Inadmissible payment of PCC under tuff tile in addition to sub-base
3	78 (2022-23)	122,031	Applied cement plaster on two sides of the drain wall instead of one side
	Total	**1,073,414**	

Violation of the contract agreement resulted in overpayment amounting to Rs 1,073,414.

Audit pointed out the overpayment in April and September 2023.

The paras were discussed in SDAC meeting held in August and November 2023. In all three (03) cases, the department admitted the recovery and the Committee directed to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

Irregularities resulting in loss to government

5.4.5 Loss due to non-procurement of stone from the nearest quarry – Rs 31.125 million

As per condition No. 5 of FD's letter No. RO(Tech) F.D 2-3/2004 dated 2nd August 2004, "material from nearest approved quarry shall be used". Further, as per FD's letter No. RO (Tech) FD 2-3/2015 (2nd Biannual) dated 5th August 2015, Melot Quarry Jhelum district is placed at Sr. No. 7 in the list of approved quarries by the Punjab Highway Department.

Executive Engineer, LG&CD Civil Division, Gujrat, in four (04) cases, got executed items viz. *"bajri for PCC/RCC", "base course"* and *"sub-base course of crushed stone"* including lead from Kirana, Dina, Taxila and Margalla quarries. Audit observed that while preparing rates, the department did not include lead from Melot quarry which was nearest to the sites.

Violation of FD's instructions resulted in loss to government amounting to Rs 31,125,328.

Audit pointed out the loss in August 2023.

The paras were discussed in the SDAC meeting held in October 2023. In DP Nos. 04, 03, 01 and 02, the department explained that the lead was paid in the light of Punjab Highway Department letter dated 22nd August 2005. Audit contented that in same letter it was clarified that "in case suitable material is available from local source, it shall be provided in the estimate". Accordingly, the department was required to use Melot quarry being the shortest route in line with the instructions of FD vide letter dated 12th May 2015. Audit further informed that the sister division of Highway Department (Jhelum) approved and paid the carriage of stone from Melot quarry. The Committee, in all four (04) cases, directed to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXXVII)

Note: The issue was reported earlier also in the Audit Reports for Audit Years - 2018-19 to 2022-23 vide Para No. 5.5.3 in AR 2020-21, Para No. 5.51.3.2 in AR 2021-22 and Para No. 5.4.1.5 in AR 2022-23 having financial impact of Rs 14.249 million. Recurrence of same irregularity is a matter of serious concern.

5.4.6 Mis-procurement and loss due to non-award of work to the lowest bidder – Rs 9.844 million

As per Rule 38(2)a(viii) of PPRA Rules, 2014, "the lowest evaluated bidder shall be awarded the contract".

Executive Engineer, LG&CD Civil Division, Lahore awarded a contract on 14th February 2022 for Rs 158,130,749 to the second lowest bidder who offered a bid which was 24.10% below the estimated cost. Audit observed that the lowest bidder offered a bid that was 32.10% below the estimated cost according to the E-tender evaluation report. However, the contract was not awarded on the grounds that CDR was not received in the XEN Office, whereas the contractor had submitted Call Deposit Receipt (CDR) No.06891770 dated 4th December 2021 of Rs 4.500 million.

Violation of PPRA Rules resulted in mis-procurement and loss amounting to Rs 9,843,943.

Audit pointed out the irregularity and loss in September 2023.

The para was discussed in SDAC meeting held in November 2023. The department explained that the scheme was tendered through E-tendering process and work order was awarded through online system to the 2nd lowest bidder. Audit contended that 1st lowest bidder offered the lowest bid at 32.10% below the estimated cost along with CDR No. 06891770 on 4th December 2021 for Rs 4.500 million. XEN LG&CD Lahore also wrote letter to Manager BOP on 2nd March 2022 for verification of CDR, which proved that CDR was received by the department. The Committee directed to probe the matter at administrative level and submit an enquiry report at the earliest. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC's directives besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 91 (2022-23)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para No. 5.5.2.3 in AR 2021-22 and Para No. 5.4.1.1 in AR 2022-23 having financial impact of Rs 13.663 million. Recurrence of same irregularity is a matter of serious concern.

Miscellaneous irregularities

5.4.7 Payment made without possession of land for graveyard – Rs 50.00 million

As per Section 4 of Land Acquisition Act 1894, “whenever it appears to the Collector of the District that land in any locality is needed or is likely to be needed for any public purpose, a notification to that effect shall be published in the official Gazette, and the Collector shall cause public notice of the substance of such notification to be given at convenient places in the said locality”.

Executive Engineer, LG&CD Civil Division, Lahore made payment amounting to Rs 50 million for purchase of land for construction of a graveyard to Administrator, Metropolitan Corporation (MC), Lahore instead of purchasing land through LAC as required by the LAC Act 1894. Audit observed that MC, Lahore made payment of Rs 46,250,000 to the management of Khayabane-e-Quaid (Islamia College Old Boys) Housing Society for a piece of land measuring 185 Marlas, even though the payee was neither the legal owner nor in possession of the land. According to Roznamcha Report No.1228 dated 27th December 2022, the legal owner of the land was Mr. Peer Muhammad. Furthermore, the department did not take possession of the land and no gazette notification had been issued in favour of LG&CD as required by LAC Act.

Violation of Land Acquisition Act 1894 and non-possession of land resulted in irregular payment of Rs 50,000,000.

Audit pointed out irregular and wasteful payment in September 2023.

The para was discussed in SDAC meeting held in November 2023. The department explained that LG&CD transferred funds amounting to Rs 50 million to the Administrator, MC, Lahore in order to purchase land for construction of a graveyard in Lahore. Audit contended that the land should have been purchased through LAC instead of through MC in accordance with Land Acquisition Act 1894. Audit further contended that MC, Lahore subsequently made payment to the management of a private housing society which was not the legal owner of the land. The Committee directed the department to hold an enquiry at administrative level within 30 days. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early compliance with SDAC directives besides fixing responsibility against the delinquents.

DP No. 88 (2022-23)

5.4.8 Irregular enhancement of agreement in violation of PPRA Rules – Rs 14.385 million

According to clarification by PPRA vide letter No. L&M(PPRA)1-5(W)/2016, dated 18th June 2019, enhancement in the original scope of work cannot be allowed under PPRA Rules being different modality from the concept of variation which is allowed (to the extent of 20% of the original procurement in the category of works only and on the basis of unforeseen engineering anomalies) in the light of clause 42 of contract agreement.

Executive Engineer, LG&CD Civil Division, Lahore made payment of Rs 28,273,926 to the contractor for a work against the agreement cost of Rs 13,888,889 up to 4th & final bill. Audit observed that the department increased the work by an amount of Rs 14,385,037 which was 104% of the original cost of the agreement.

Violation of PPRA rules resulted in irregular increase of work by an amount of Rs 14,385,037.

Audit pointed out the irregularity in September 2023.

The para was discussed in SDAC meeting held in November 2023. The department explained that revised TS estimate has been submitted for approval. Audit contended that the department executed the works up to 104% above the original estimate in violation of PPRA rules. The Committee directed the department to obtain condonation from FD. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early compliance with the Committee’s directives besides strengthening internal controls to avoid the recurrence of such issues.

DP No. 94 (2022-23)

<u>Note:</u> The issue was reported earlier also in the Audit Reports for Audit Years - 2018-19 to 2022-23 vide Para No. 5.5.1 in AR 2020-21 having financial impact of Rs 9.713 million. Recurrence of same irregularity is a matter of serious concern.

CHAPTER – 6

PUNJAB MASSTRANSIT AUTHORITY

6.1 Introduction

A. Description of Department

Government of the Punjab established Punjab Metrobus Authority in 2012 under Punjab Metrobus Authority Act 2012 (Punjab Metrobus Authority Act LVI of 2012), which was re-established in 2015 as the Punjab Masstransit Authority (PMA) under Punjab Masstransit Authority Act 2015 (Punjab Masstransit Authority Act XXXIII of 2015). The Authority is headed by Managing Director (MD) under the administrative control of Secretary Transport Department, Government of the Punjab. The Authority was established for purpose of planning, construction, operation and maintenance of masstransit systems in major cities of the province for providing safe, efficient and comfortable urban transportation. PMA has outsourced all of its operations and maintenance services to engage private sector's expertise. It mainly focuses on planning, contracting of services and oversight of the contracts.

B. Comments on Budget and Accounts (Variance Analysis)

In FY 2021-22, the PMA received budget through non-development grant. Budgetary position (variance analysis) in FY 2021-22 is presented below:

Table 6.1: Variance analysis *(Rs in million)*

Grant No and Nature	Budget Allocation	Actual Expenditure	Variation Excess/ (Saving)	Variation in %
PC-21030	15,323.920	15,323.920	-	-
Total	**15,323.920**	**15,323.920**	**-**	**-**

Source: Departmental figures for the year 2021-22

C. Sectoral analysis on the achievements against targets agreed under MTDF/MTBF

Brief comments on targets achieved under MTDF are given in Chapter No. 1, i.e., Sectoral Analysis.

6.2 Classified Summary of Audit Observations

Audit observations, contained in this report, amounting to Rs 451.703 million were raised as a result of audit of PMA. This amount also includes recoveries of Rs 30.210 million. Summary of the audit observations classified by nature is as under:

Table 6.2: Classification of audit observations *(Rs in million)*

Sr. No	Classification	Amount
1.	**Irregularities:**	
(i)	Irregularities resulting in overpayments	30.210
(iii)	Irregularities resulting in loss to government	421.493
Total		**451.703**

6.3 Comments on the status of compliance with PAC directives

No paras of the Authority had been discussed in the PAC till finalization of the report.

6.4 AUDIT PARAS

Irregularities

Irregularities resulting in overpayments

6.4.1 Overpayment due to excess payment of guaranteed km – Rs 30.210 million

As per clause 3.1.8 of the contract agreement of M/s. Platform Turizm, "guarantee average minimum of 70000 Km per bus per year for all the 45 buses and the additional buses if ordered to be plied by the Client. In every twelfth (12^{th}) invoice mileage of all buses will be checked and any of the shortfalls will be adjusted to achieve the guaranteed minimum mileage. The adjustment to cost matrix will be made as per changes in cost matrix and indication mentioned in agreement". Further, as per annexure-C of same agreement, "the adjustment in cost per km shall be applicable if the travelled km exceeds 200 km per bus per day".

MD, PMA, Lahore awarded the contract to M/s Platform Turizm at a contract price of Rs 360 per km for Lahore Metro Bus System. Audit observed that there was contradiction in the contract agreement because as per clause 3.1.8, the guaranteed km per day was 191.78 km (70000/365) whereas as per annexure-C of the same agreement, the Authority provided for 200 guaranteed km per bus per day. Therefore, the actual guaranteed km per day for all the buses came to 12274 km (64 x 191.78) instead of 12800 km (64 x 200) per day paid by the Authority.

Violation of the contract agreement resulted in the overpayment for Rs 30,210,494.

Audit pointed out the overpayment in March 2023.

The para was discussed in the SDAC meeting convened in September 2023. The Authority explained that the first contract was signed by the Transport Department with service provider in 2012 for a period of eight (8) years with an assumption of 15 holidays during the year and subsequently handed over to the Authority, whereas it was noticed during the operation that there were no off days. Audit contended that the Authority allowed 12800 km per day as guaranteed instead of 12274 km per day and this anomaly could have been corrected for extension period of contract. The Committee directed the Authority to issue notice of recovery amounting to Rs

30,210,494 to M/s Platform Turizm in respect of extension period of one year. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides strengthening internal control to avoid the recurrence of such issues.

DP No. 12 (2022-23)

Irregularities resulting in loss to government

6.4.2 Loss due to award of works beyond 4.5% acceptable tender limit – Rs 421.493 million

As per FD's letter No. R.O(Tech)FD-2-3/85 Vol-IV dated 7th January 1992, read with the DFR 2016, "acceptance of tenders shall be subject to the condition that the rates quoted/or amounts tendered are such that the total cost of the project will not exceed the amount, for which technical sanction has been accorded, by more than 4.5%".

MD, PMA, Lahore, in three (03) cases, awarded the contracts to contractors. Audit observed that the contracts were awarded more than 4.5% beyond acceptable tender limit which was inadmissible.

(Rs in million)

Sr. No.	Name of contract	Estimated amount	Awarded amount	% of award higher than estimated amount	Loss
1	E&M works Metro Rail Transit System on Orange Line in Lahore	4,567.547	5,192.123	13.67	419.036
2	Automated Fare Collection-Bus Scheduling System for the operation and maintenance services of Lahore Metro Bus	19.500	22.799	16.91	2.421
3	O&M and services level agreement (SLA) of elevator system in PMBS	2.400	2.262	6.06	0.036
Total					**421.493**

Violation of FD’s instructions resulted in loss due to irregular award of works amounting to Rs 421,493,000.

Audit pointed out the irregularity in March 2023.

The para was discussed in the SDAC meeting conveyed in September 2023. The Authority explained that contracts pertained to services of complex nature and did not fall under category of development works or supply of goods. Audit contented that all contracts were awarded at more than 4.5% i.e. beyond acceptable tender limit. The Committee directed the Authority to get the matter regularized by FD. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early regularization of the matter from the competent forum besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.36 (2022-23)

<u>Note:</u> The issue was reported earlier also in audit reports for the year 2021-22 vide para No 7.2.8.2.3.4 and for the year 2022-23 vide para No 7.4.6 having financial impact of Rs 70.993 million. Recurrence of same irregularity is a matter of serious concern.

CHAPTER – 7

KOH-E-SULEMAN IMPROVEMENT PROJECT

7.1 Introduction

A. Description of the Project

The P&D Board of the Government of Punjab initiated a new project titled the "Koh-e-Suleman Improvement Project" (KSIP). The project received approval from the Provincial Development Working Party (PDWP) on 16th July 2021, with a total cost of Rs 5,712 million (Government of Punjab share: Rs 5,545 million & beneficiary/community share: Rs 167 million). It has a gestation period of five years, from July 2021 to June 2026. The AA for the scheme was granted on 30th July 2021. The project was started in November 2021. The PD oversees the project under the administrative control of the P&D Board, Government of Punjab

The project aims to alleviate poverty by enhancing both physical and social infrastructure. Specifically, it seeks to boost the income of the residents in the tribal areas of District D.G Khan and Rajanpur. This is planned to be achieved through improvements in agriculture, focusing on enhanced crop production and the establishment of orchards.

B. Comments on Budget and Accounts (Variance Analysis)

In the FY 2022-23, the Koh-e-Suleman Improvement Project secured a single-line budget allocation through a development grant. Subsequently, the project management allocated the budget for both development and non-development expenditures. The budgetary position, along with variance analysis, is presented below:

Table 7.1: Variance analysis *(Rs in million)*

Grant No and Nature	Budget Allocation	Actual Expenditure	Variation Excess/ (Saving)	Variation in %
PC-22036	1,091.231	709.299	381.932	(35.00)

Source: Departmental figures for the year 2022-23

C. Sectoral analysis on the achievements against targets agreed under MTDF/MTBF

Brief comments on targets achieved under MTDF/MTBF are given in Chapter No. 1, i.e., Sectoral Analysis.

7.2 Classified Summary of Audit Observations

Audit observations totaling Rs 42.058 million were identified during the audit of the Koh-e-Suleman Improvement Project. This amount encompasses recoveries amounting to Rs 13.259 million, as highlighted by the audit. A summary of the audit observations, categorized by nature, is provided below:

Table 7.2: Classification of audit observations *(Rs in million)*

Sr. No	Classification	Amount
1.	**Irregularities:**	
(i)	Irregularities resulting in overpayments	13.259
(ii)	Miscellaneous irregularities	28.799
Total		**42.058**

7.3 Comments on the status of compliance with PAC directives

Audit paras of the project were not discussed in the PAC until the finalization of the report.

7.4 AUDIT PARAS

Irregularities

Irregularities resulting in overpayments

7.4.1 Overpayment due to incorrect calculation – Rs 13.259 million

According to rule 7.29 of DFR Vol-I, "before signing the bill, a sub-divisional officer should compare the quantities in the bill with those recorded in the MB and see that all the rates were correctly entered and that calculations were checked arithmetically to be correct".

Project Director KSIP, D.G Khan paid Rs 164,275,344 to a contractor up to 6th running bill for various items of works. Audit observed that the 6th running bill indicated the actual value of the work done as Rs 151,016,647. However, the management paid Rs 164,275,344 due to a calculation error.

Violation of the DFR resulted in an overpayment amounting to Rs 13,258,697.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 5th December 2023. The management contended that the payment was made correctly. Audit informed that during the audit, the management provided the 6th & running bill, indicating the value of work done as Rs 151,016,647. However, during verification on 30th October 2023, the management presented a different 6th & running bill, reflecting the value of work done as Rs 165,263,482. The Committee directed to get the matter probed by the Administrative Department, fixing responsibility besides effecting actual recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early investigation into the matter to ensure recovery and fix responsibility besides strengthening internal controls to avoid the recurrence of such issues.

DP No.09(2023-24)

Miscellaneous irregularities

7.4.2 Irregular award of consultancy contract – Rs 22.908 million

As per rule 31, chapter VI of PPRA 2014, "procuring agency shall formulate appropriate evaluation criteria listing all relevant information against which a bid is to be evaluated and such evaluation criteria shall form an integral part of the bidding documents". Further, as per rule 32 of the same, "all bids shall be evaluated in accordance with the evaluation criteria and other terms and conditions set forth in the prescribed bidding document".

Project Director KSIP, D.G Khan awarded a consultancy contract on 10th January 2022 amounting to Rs 22.908 million for construction supervision of roads. The tender was advertised on 10th November 2021 and the technical bid evaluation committee shortlisted the firm on 6th December 2021. Audit observed that the lowest bidder, M/s ESS-I-ARR, was ineligible due to the expiration of its certificate of registration issued by the Pakistan Engineering Council (PEC) on 30th June 2021. Furthermore, the firm did not have active registration with PRA both at the time of bidding and even afterwards, until the time of the audit. Despite these shortcomings, the firm was shortlisted, and the contract was awarded, rather than being rejected for not meeting the evaluation criteria.

Violation of the PPRA rules resulted in irregular award of consultancy contract amounting to Rs 22,908,000.

Audit pointed out the irregularity in August 2023.

The para was discussed in the SDAC meeting held on 5th December 2023. The management contended that consultancy contract was awarded to the consultant after fulfillment of all codal formalities. Audit explained that the consultant submitted bidding documents with expired registration certificate of PEC. Additionally, the firm did not possess an active registration with PRA, both at the time of bidding in November 2021 and as of the date of verification, i.e., 5th

December 2023. Therefore, award of consultancy contract was irregular. The Committee directed the management to get the matter regularized from FD. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early regularization of the matter from FD besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.21 (2023-24)

7.4.3 Irregular payment on account of rent of vehicles and office building – Rs 5.891 million

As per clause 6.4 (a) & (b) of special conditions of consultancy agreement, "the consultant shall submit a monthly financial report showing all expenditure for the quarter not later than 15th of close of every calendar quarter for reimbursement. In support of the expenditure the consultant shall maintain proper accounts and supporting vouchers, invoices etc. Further, the client will release the monthly payment against the monthly financial report within 15 days".

Project Director KSIP, D.G Khan made payment amounting to Rs 5,891,398 to the resident consultant for car rentals and office building rent covering the period from 11th January 2022 to 31st May 2023. Audit observed that the management made this payment without any supporting evidence, such as receipts of payments for rented cars from sales tax registered persons, rent agreements for the building and cars, and other related proofs of payments made by the consultant.

Violation of the contract agreement resulted in irregular payment amounting to Rs 5,891,398.

Audit pointed out the irregularity in August 2023.

The paras were discussed in the SDAC meeting held on 5th December 2023. The management explained that all due taxes were deducted from payment made to consultants. Audit contended that the management made payment for rent of cars and office building without any supporting evidence i.e., receipt of rent of cars from sales tax registered person, rent agreement and other related proofs of payments. The Committee directed the management to get the matter regularized from FD within 30 days besides fixing responsibility for making payment without supporting documents. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC's directives besides strengthening internal controls to avoid the recurrence of such issues.

DP No.19&20 (2023-24)

CHAPTER - 8

CHOLISTAN DEVELOPMENT AUTHORITY

8.1 Introduction

A. Description of the Authority

Cholistan Development Authority (CDA) is a governmental organization established to oversee the development and administration of Cholistan area in Bahawalpur Division of Punjab, Pakistan. CDA was created with the aim of promoting the speedy development and better governance of the region. CDA Act of 1976 was enacted to address the development needs of the area and ensure efficient governance. The Authority is responsible for various functions, powers, and duties related to the planning, development and management of Cholistan area. It also works towards the conservation and preservation of natural resources in Cholistan.

P&D Board, Government of the Punjab is the administrative department of the Authority. The Authority consists of a Chairman, MD and several members representing different government departments and bodies. It is headed by CM Punjab as its Chairman and MD, CDA is the Vice-Chairman of the Authority. Its headquarters is located in Bahawalpur.

CDA is an autonomous body. For financial viability, it relies on government grants without generating income from its own sources, unlike other development authorities such as LDA, FDA, and MDA, among others.

B. Comments on Budget and Accounts (Variance Analysis)

In FY 2022-23, the Authority received budget through both development and non-development grants of Government of the Punjab. Grant wise budgetary position (variance analysis) for FY 2022-23 is presented below:

Table 8.1: Variance Analysis *(Rs in million)*

Grant No and Nature	Budget Allocation	Actual Expenditure	Variation Excess/ (Saving)	Variation in %
PC-12031	241.405	231.517	(9.88)	(4.10)
PC-22036	1,170.586	1,142.052	(28.534)	(2.44)
Grand Total	**1,411.991**	**1,373.569**	**(38.422)**	**(2.72)**

Source: Departmental figures for the year 2022-23

C. Sectoral analysis on the achievements against targets agreed under MTDF/MTBF

Brief comments on targets achieved under MTDF/MTBF are given in Chapter No. 1, i.e., Sectoral Analysis.

8.2 Classified Summary of Audit Observations

This report includes audit observations amounting to Rs 233.576 million. This amount also includes recoveries of Rs 45.149 million as pointed out by the Audit. Summary of audit observations classified by nature is as under:

Table 8.2: Classification of audit observations (*Rs in million*)

Sr. No.	Classification	Amount
1.	Irregularities:	
(i)	Irregularities resulting in overpayments	43.451
(ii)	Irregularities resulting in non-recoveries	1.698
(iv)	Miscellaneous irregularities	188.427

Total	**233.576**

8.3 Comments on the status of compliance with PAC directives

Compliance position with PAC's directives on Audit Report relating to Audit years 1991-92 to 2011-12 (excluding years not discussed in PAC) is as under:

Table 8.3: compliance with PAC directives

Sr. No.	**Audit Report Year**	**Outstanding Directives**	**Compliance Reported**	**Compliance Awaited**	**Percentage (%)**
1	1991-92 to 1999-00	21	-	21	-
2	2000-01	04	-	04	-
3	2009-10	04	-	04	-
4	2010-11	03	-	03	-
5	2011-12	07	-	07	-
Total		**39**		**39**	

8.4 AUDIT PARAS

Irregularities

Irregularities resulting in overpayments

8.4.1 Overpayment due to application of uneconomical items – Rs 27.560 million

As per rule 1.58 of the B&R Department Code, "the divisional officers are immediately responsible for the proper maintenance of all works in their charge and the preparation of projects and of designs and estimates, whether for new works or repairs. It is also part of their duties to organize and supervise the execution of works and to see that they are suitably and economically carried out with materials of good quality".

8.4.1.1 MD, CDA, Bahawalpur paid for the item "*Earthwork excavation in irrigation channel, drains etc. to designed section, grade and profiles lead upto 150 feet and 400 feet*" at the rate of Rs 6,068.20 per ‰ cft and Rs 6,427.95 per ‰ cft, respectively. The total quantity of the earthwork executed was 8921947 cft. Audit observed that the work was executed through mechanical means as it was not feasible to execute such a huge quantity of earthwork excavation through manual labour. Therefore, the less expensive item for excavation vide item No. 52 of chapter-3 of MRS, i.e., *"Earthwork in excavation of drains, irrigation channels through excavator/drag lines in all kinds of soil etc."* with rates at the rate of Rs 2,380.85 ‰ cft and Rs 2,740.60 ‰ cft with respective leads should have been used.

(Amount in Rs)

Sr. No.	Name of item	Quantity paid -cft	Rate paid (per ‰)	Rate to be paid (per ‰)	Excess rate	Amount Overpaid
1	Earthwork excavation lead upto 150 feet	6742347	6,068.20	2,380.85	3,687.35	24,861,393
2	Earthwork excavation lead up to 400 feet	2179600	6,427.05	2,740.60	3,686.45	8,034,986
Total						32,896,379
Less 19% premium						(6,250,312)
Overpayment						**26,646,066**

Violation of the B&R Department Code resulted in the overpayment amounting to Rs 26,646,066.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The Authority explained that the earthwork was executed as per provision of TS estimate and site requirement. Audit contended that rate for the item with mechanized mode was required to be applied instead of manual labour, because it was not feasible to carry out such huge excavation with manual labour. The Committee directed the Authority to seek clarification from FD within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.8(2023-24)

8.4.1.2 MD CDA, Bahawalpur paid for the item *"Earthwork excavation in ashes sand and soft soil or silt clearance lead 1/2 mile i/c dressing, leveling and dressing"* at the rate of Rs 9,344.35 per ‰ cft for a quantity of 208000 cft. Audit observed that the work was executed through mechanical means as it was not feasible to execute such a huge quantity of item of earthwork excavation through manual labour. Therefore, the item for excavation with machinery i.e., *"Earthwork in excavation of drains, irrigation channels through excavator/drag lines in all kinds of soil etc."* which was available vide item No. 52 of chapter-3 of MRS at the rate of Rs 4,948.59 per ‰ cft (after adjusting less premium at the rate of 12%) should have been applied.

Violation of the B&R Department Code resulted in the overpayments amounting to Rs 914,318.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The Authority explained that the PC-I and TS estimate of the scheme had been revised by the competent authority which covered the item in question. Audit contended that rate for the item with mechanized mode was required to be applied instead of manual labour, because it was not feasible to carry out such huge excavation with manual labour. The Committee directed the Authority to effect due recovery on account of difference of rates within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 16 (2023-24)

8.4.2 Overpayment due to higher rate for additional work – Rs 7.528 million

As per Clause 41 of Contract Agreement between CDA and contractor, additional or substituted work shall be paid on the same conditions in all respects on which the contractor agreed to do the main work, and at the same rates as specified in the tender (bid schedule) for the main work.

MD CDA, Bahawalpur made payment of a non-BOQ item namely *"Earthwork in ordinary soil for embankment with compaction of 85% lead up to ½ mile"* as additional earthwork at the rate of Rs 9,453.67 per ‰ cft for a quantity of 2406754 cft. This item was executed on shoulders of newly constructed road under brick soling. Audit observed that similar item namely earthwork for embankment under metal road was available in BOQ and was paid with 100 feet lead at the rate of Rs 6,325.63 per ‰ cft but lead in additional work for soling was enhanced to ½ mile just to provide financial benefit to contractor.

Violation of the provision of the contract agreement resulted in overpayment amounting to Rs 7,528,423.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The Authority explained that variation in rates was due to site requirements. Accordingly, PC-I and TS estimate had been revised by the competent forum. Audit contended that as per clause 41 of the contract agreement, the contractor was required to execute additional work at the same rates and same conditions as specified in the tender (bid schedule) for the main work. The Committee directed the Authority to get clarification from FD. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.01 (2023-24)

8.4.3 Overpayment due to allowing excess quantity of bitumen than actually used – Rs 4.629 million

According to condition No.6 of FD's Notification No. RO (Tech)FD2-3/2004 dated 2nd August 2004, "the rate for an item of carpeting shall be fixed by the CE based on different percentages of bitumen ranging from 3% to 6%, and payment will be made to the contractor as per JMF or actual bitumen used in work".

MD CDA, Bahawalpur, in two (02) works, paid for the item *"P/L premixed bituminous asphaltic wearing course 2 inch thick with 4.5% bituminous contents"*. Audit observed that as per JMF issued by the RR&MTI, Lahore the contents of bitumen were 4.2%. Therefore, the authority was required to reduce rates of paid items as per JMF but neither the rate was reduced nor less use of bitumen was recovered. In this way, the authority made overpayment of Rs 8,754,382 (as detailed below). Further, extraction test of the actual executed works was not produced to Audit. The rate was required to be reduced according to the extraction test report.

(Amount in Rs)

Sr. No.	Sub Para No.	Less use of quantity of bitumen (in tons)	Rate	Amount Overpaid
1	4	27.040	152,561.95	4,125,275
2	13	26.99	171,511.93	4,629,107
Total				**8,754,382**

Violation of FD's instructions resulted in overpayment amounting to Rs 8,754,382.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The Authority effected the recovery of Rs 6,486,670 and stated that balance recovery of Rs 4,629,107 would be effected in subsequent payments. The Committee reduced the amount of para to Rs 4,629,107 and directed the Authority to effect balance recovery according to extraction test reports and get it verified from Audit within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.04(2023-24)

8.4.4 Overpayment due to higher rates of non-standardized items – Rs 2.406 million

According to FD's instruction No. RO(Tech)FD-18-23/2004 dated 21st September 2004, "the rate analysis for a non-standardized item shall be approved by SE, giving specifications of the material used as per FD's website. The standardized analysis shall be used to work out the rate of items as far as possible".

MD CDA, Bahawalpur paid for the items i.e., *"Providing and fixing of 3mm thick fiber glass corrugated sheet complete in all respect"* and *"Providing and fixing pre-cast pre-stressed RCC roofing complete in all respect"* at the rate of Rs 416.98 per sft and Rs 320.22 per sft, respectively. Audit observed that the Authority approved rate analysis at higher side by taking extra fixing charges of item 3 mm thick fiber glass sheet and applying 5% &10% wastage, and re-carriage for material from market to site on the item pre-cast beams/slab. The extra fixing charges of fiber glass sheet were included in material rates as per quotation which was the basis of rates. Further, wastage & re-carriage for the item providing and fixing pre-cast/pre-stressed RCC roofing were not admissible as per FD template for the item.

Violation of FD's instructions resulted in overpayments amounting to Rs 2,406,484.

Audit pointed out the overpayments in August 2023.

The paras were discussed in the SDAC meeting held on 16th November 2023. The Authority, in DP No. 09 admitted the recovery. The Committee directed the Authority to effect recovery and get it verified from Audit within 30 days. In DP No. 15, the Authority explained that the input rates only covered the area where metal roads existed but in far flung areas of Cholistan, the metal roads did not exist, so re-carriage was involved. Audit contended that rates provided in MRS were for “at site rates”. Therefore, the re-carriage and 10% wastage were not admissible. The Committee directed the Authority to get the matter regularized from FD within 90 days otherwise effect recovery. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.09&15(2023-24)

8.4.5 Overpayment due to less utilization of dismantled road pavement – Rs 1.328 million

As per provision of TS estimate, “90% quantity of stone obtained from dismantling existing road pavement was required to be reused as sub-base and said quantity was required to be deducted from the quantity of item sub-base course of crushed stone with lead”.

MD, CDA, Bahawalpur paid for the item *“Dismantling and removing road pavement etc.”* for a quantity of 64296 cft. Audit observed that 90% of the said quantity i.e., 57866 cft was required to be reused as sub-base course at the rate of Rs 3,050.00 per % cft but the department used only 42600 cft leaving a balance quantity of 15266 cft. Authority neither reused this quantity as sub-base course at labour rate nor recovered the cost of dismantled material. Further, the Authority executed an item “*Providing and laying sub-base course complete in all respect*” at the rate of Rs 11,750 % cft for a quantity of 73618 cft. Audit was of the view that the Authority should have relayed 90% of the dismantled quantity before executing the sub-base course at the rate of new item i.e., Rs 11,750 per % cft. Therefore, overpayment of Rs 1,328,142 [15266 cft x (Rs 11,750- Rs 3,050)] was made.

Violation of the provision of TS estimate resulted in overpayment amounting to Rs 1,328,142.

Audit pointed out the overpayment in August 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The Authority explained that the recovery would be made in next running bill. The Committee directed the Authority to effect recovery within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.19(2023-24)

Irregularities resulting in non-recoveries

8.4.6 Non-recovery of dismantled material – Rs 1.698 million

As per provision of TS estimate and agreement, "cost of old bricks amounting to Rs 1,401,594 and brick bats amounting to Rs 296,634 were required to be recovered".

MD CDA, Bahawalpur paid for the item *"Dismantling brick soling"* for a quantity of 49439 cft. Audit observed that the Authority did not recover the cost of old material amounting to Rs 1,698,228 as per provisions of TS estimate and the contract agreement.

Violation of the Specifications and provision of TS estimate resulted in non-recovery amounting to Rs 1,698,228.

Audit pointed out the non-recovery in August 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The Authority explained that recovery would be effected in the next running bill. The Committee directed the Authority to effect recovery and get it verified from Audit within 30 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.12(2023-24)

Miscellaneous irregularities

8.4.7 Irregular payment of price variation beyond provision in TS estimate – Rs 86.072 million

As per FD's notification No. RO (Tech)/FD-1-2/83-VI (P) dated 18th May 2007, price variation should be met out from contingencies as provided in TS estimate. In case of excess over and above contingent provision, a revised TS estimate and enhancement of contract agreement should be obtained from the competent authority before releasing the payment of price variation.

MD, CDA, Bahawalpur, in four (04) cases, paid price variation amounting to Rs 128,834,318 on stone, diesel, labour, bitumen etc. Audit observed that as per revised TS estimates and 2nd revised TS estimates, price variation was approved for Rs 42,708,122. In this way, the Authority made payment of Rs 86,072,196 over & above the provision in revised TS and 2nd revised TS estimates (as detailed below).

(Amount in Rs)

Sr. No.	**Sub para No.**	**Status of TSE**	**Provision for price variation**	**Payment of price variation**	**Irregular payment**
1	5	2nd Revised TSE	21,639,694	24,534,295	2,840,601
2	11	Revised TSE	3,141,147	26,891,297	23,750,150
3	37	Revised TSE	15,565,937	62,867,501	47,301,564
4	19	Revised TSE	2,361,344	14,541,225	12,179,881
Total			**42,708,122**	**128,834,318**	**86,072,196**

Violations of FD's instructions resulted in irregular payment of price variation amounting to Rs 86,072,196.

Audit pointed out the irregular payment in August 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The Authority explained that the revision of estimates was under process and excess paid price variation would be regularized. Audit contended that the Authority paid price variation amounting Rs 128.834 million against approved price variation amounting Rs 42.708 million. The Committee directed the Authority to get the matter regularized from FD within 90 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery, fixing responsibility besides strengthening internal controls to avoid the recurrence of such issues.

DP No.5 (2023-24)

8.4.8 Irregular enhancement of agreements – Rs 84.384 million

As per clarification issued by PPRA dated 18th June 2019, "enhancement in the original scope of work beyond 15% cannot be allowed under PPRA rules being a different modality from the concept of variation, which is allowed (to the extent of 20% of the original procurement in the category of works only and based on unforeseen engineering anomalies) in the light of clause 42 of the contract agreement circulated by FD".

MD, CDA, Bahawalpur, in two (02) works, enhanced the scope of works beyond 20% of the original contracts. The detail is as under:

(Amount in Rs)

DP No.	Sub para No.	Original amount	Enhanced amount	Difference	% of increase
02	02	72,138,805	136,553,928	64,415,123	89
	23	79,437,799	99,406,860	19,969,061	25
Total		**151,576,604**	**235,960,788**	**84,384,184**	

Violation of the PPRA rules resulted in irregular enhancement of agreements amounting to Rs 84,384,184.

Audit pointed out the irregularity in August 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The Authority explained that schemes had been revised and approved from the competent forum. Audit contended that the Authority enhanced the scope of works beyond 20% during execution in violation of PPRA's rules. The Committee directed the Authority to get the irregularity condoned from FD. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early condonation of the matter from FD besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.2 (2023-24)

Note: The issue was reported earlier also in audit report for the year 2015-16 vide para No 6.3.3 having financial impact of Rs 67.480 million. Recurrence of same irregularity is a matter of serious concern.

8.4.9 Unjustified payment of price variation – Rs 17.971 million

According to clause 55 of agreement, the price variation under this clause shall be worked out on the basis of the price of the particular item prevalent in a particular District on first day of each month. The amount payable or deductible in respect of items shall be calculated on the basis of the quantity of the item actually consumed on the work during the month.

MD, CDA, Bahawalpur, in two (02) cases, paid price variation amounting to Rs 17.972 million on account of diesel, labour, bitumen and steel etc. Audit observed that the dates of measurements of record entries were not mentioned in measurement books. Therefore, application of current rates of materials for payment of price variation was not justified.

Violation of the contract agreement resulted in unjustified payment of price variation amounting to Rs 17,972,165.

Audit pointed out the unjustified payment in August 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The Authority explained that price variation was calculated according to prevailing rates. Audit contended that measurement dates were not recoded in MBs to ascertain actual amount payable to contractors; hence the payment of price variation was tantamount to be unjustified. The Committee directed that the Administrative Department may conduct an inquiry and fix the responsibility on person(s) at fault. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No.11 (2023-24)

CHAPTER – 9

IMPACT AUDIT OF "PILOT URBAN REHABILITATION & INFRASTRUCTURE IMPROVEMENT PROJECT" (PACKAGE-II)

9.1 Introduction

Impact audit is aimed at determining impact of initiatives or programs on a target population. This type of audit goes beyond a mere output evaluation to represent an advanced form of Performance Audit. It rather focuses on the project's ultimate outcomes and broader impacts. It answers cause-and-effect questions about the outcomes attributable to an initiative by isolating other contributing factors or variables. This audit type is the beginning of a new era in public sector auditing, which emphasizes the analysis of real-time benefits of government initiatives taken for citizens.

9.1.1 Background

Lahore, with its rich historical tapestry, stands as a testament to the enduring cultural and architectural legacy of the subcontinent. At the heart of this vibrant city lies the Lahore Walled City - a living paragon of history and cultural blend. Established centuries ago, the Walled City has served as the epicenter for power politics, commerce, trade, cultural activities, and multifarious social cohabitation for various empires, including the Mughals, Sikhs, and the British. Its narrow, labyrinthine streets, adorned with exquisite Mughal and colonial-era structures, encapsulate the essence of Lahore's historical importance. Today, amidst the bustling modernity of Lahore, the Walled City stands a symbol of continuity, bridging the gap between the past and the present. It offers a glimpse into the city's enduring spirit and the convergence of diverse cultural influences that have shaped Lahore into the dynamic metropolis it is today.

Over time, the emergence of new residential colonies with better civic amenities promoted the residents of the old city to move an inhabit these colonies, leaving their ancestral homes due the declining civic amenities in the old city.

"In response to this downturn, the Walled City of Lahore Authority was established in 2012. Assuming a crucial role, the Authority undertook the planning and designing of a dedicated project aimed at rehabilitating the historic Walled City, with a primary focus on restoring its cultural and architectural heritage". This initiative, known as the *"Pilot Urban Rehabilitation & Infrastructure Improvement Project"*, was subsequently subdivided into four distinct packages which are enumerated as follows:

I. Pilot Urban Rehabilitation & Infrastructure Improvement Project from Dehli Gate to Purani Kotwali.
II. Pilot Urban Rehabilitation & Infrastructure Improvement Project from Chowk Purani Kotwali to Akbari Gate, Lahore Fort through Chowk Chuna Mandi and Moti Bazar.
III. Resource development of water supply system for area of package-I (Water Storage Tank etc).
IV. Pilot Urban Rehabilitation & Infrastructure Improvement Project from Chowk Purani Kotwali to Sunheri Masjid via Dabbi.

The focus of this Impact Audit is on Package-II of the project. Package II of the project was implemented in collaboration with various line agencies, including LESCO, WASA, and PTCL. The project's PC-I, with a cost of Rs 890.60 million, received approval from the PDWP on 24th October 2014. The original TS estimate, amounting to Rs 771.07 million, was sanctioned on 14th November 2014. The project was started on 4th June 2015 and completed on 31st January 2018.

The contract for the work was awarded to M/s IKAN Engineering Services (Pvt.) Ltd. on 4th June 2015, following a successful bid of Rs 770.576 million. Later, on November 30, 2018, the project's cost underwent a reduction to Rs 695.02 million. This adjustment was made in light of a revised TS estimate that took into account the scaled-down scope of work.[59] M/s ACE (Pvt.) served as the design and supervisory consultant for the project Package II.

9.1.2 Role of the Project

Package-II of the project, spans from Chowk Purani Kotwali to Akbari Gate Lahore Fort, passing through Chowk Chuna Mandi and Moti Bazar. This specific initiative was financially

[59] Scope of work was reduced due to deletion of SNGPL component and reduction in works like Facade Rehabilitation & Street Surfacing and Infrastructure Developments owing to narrow width of streets rendering works impractical and several litigation issues.

supported by Government of the Punjab. The role of Package-II encompasses the comprehensive restoration and renovation of the architectural landmarks, including urban infrastructure and services.

9.2 Overview

The development and expansion of Lahore led to the diminishing significance of the Walled City. Consequently, this area endured years of neglect, leading to the deterioration of civic amenities and living standards. In response to the dilapidation of the Walled City, the Walled City of Lahore Authority envisioned a comprehensive project aimed at revitalizing the old city through extensive rehabilitation efforts.

The objectives of the project extend beyond mere physical restoration, aspiring to create a holistic experience for both residents and visitors alike. The envisioned heritage trail is designed to offer a distinctive encounter with urban, religious, and vernacular architecture, providing a comprehensive exploration of the cultural and historical richness embedded in the fabric of the Walled City.

The restoration plan not only emphasizes the conservation and preservation of old heritage but also aims to facilitate various stakeholders, including tourists, residents, as well as traders within the market. The overarching goal is to revive and enhance the cultural and economic vibrancy of the specified area.

9.2.1 Objectives of the Project

Project objectives are enumerated below:

i. To improve living and health standards of the inhabitants by providing infrastructure facilities for solid waste management, water and sanitation system.
ii. To upgrade living standard of people by providing modern network facilities of electricity, sui-gas and telecommunication services.
iii. To restore cultural heritage for attracting tourism.
iv. To create employment facilities for skilled and unskilled workforce.

v. To provide better environmental facilities by reducing air and water pollution.

9.3 Scope and Methodology

9.3.1 Scope

The scope of this impact audit was to assess the causal relationship between the project outputs and their broader impact on public, culture, and environment. Conditions with the project interventions and conditions without the project interventions were compared for impact analysis. A model illustrating the sequence of output, outcomes, and impact is presented as follows:

Output	Outcomes	Impact
• Façade improvement • Street surfacing • Underground electrification • Solid waste management system • Water & Sanitation improvements	• Better optics of the area • Improved civic amenities • Healthy environment	• Improved aesthetics and better living standards • Increased income • Increased tourism • Increased government revenues

The target population encompasses the beneficiaries of the project, inclusive of both residents and commercial entities, as well as tourists.

9.3.2 Methodology

The assessment of the impact of project interventions entails analyzing specific impact indicators with and without the project interventions for both the treatment group and the control group. The treatment group comprises the beneficiaries of the project, while the control group consists of individuals who are not directly connected to the project benefits. This comparative analysis helps in assessing the effectiveness and influence of the interventions on the targeted population.

Primary data formed the foundation for the majority of the impact analysis. In this regard, a survey, consisting of questions pertaining to specific impact indicators, was conducted on a sample of beneficiaries. The unit of analysis comprised project beneficiaries, including residents, traders, and tourists. To gain valuable insights, beneficiaries were randomly selected for surveys and interviews. The analysis involved comparing the pre-project and post-project conditions of the beneficiaries.

Additionally, for a specific portion of the analysis, the 'Difference in Difference Analysis' was employed to assess the actual impact of the project on the treatment group. Renowned for its comprehensiveness, the 'Difference in Difference' approach involves calculating the difference between the treatment and control groups during both pre-project and post-project periods. This method aims to isolate the true impact of the project by considering changes in both groups over time and removing external variables. The impact indicators considered in this impact analysis are outlined in the following table:

Direct Indicators	**Proxy Indicators**
• Improved Living Conditions	1. Enhanced Aesthetics 2. Improved Civic Amenities 3. Better Environmental Conditions 4. Residents' Perception of Improved Living Standards 5. Non-intrusive Economic Growth: Balancing Prosperity and Resident's Privacy
• Fostering Tourism Growth	1. A Growing Trend in Tourist Numbers 2. Positive Tourist Impressions Regarding Area Improvements 3. Tourists Inspiring Others to Explore the Area
• Enhanced Economic Activity	1. Rise in Commercial Activities 2. Rise in Government Revenues
• Empowering Lives of Beneficiaries: Enhanced Income Opportunities	1. Improved Eating and Drinking Patterns 2. Increase in the Number of School Enrolled Children 3. Improved Transportation Modes 4. Improved Patterns of Household Appliance Usage

A summary of the sampling regime for surveys conducted by Audit is given in the following:

- **Total number of units in the project area:**

  Residential: 57

  Commercial: 5974

- **Audit Surveys:**

  Residential Units: A survey sample of 30 residential units was chosen, representing 52.63% of the total residential units in the project area.

  Commercial Units: A survey sample of 1000 commercial units was initially selected, but only twenty survey forms were completed due to non-responsiveness from the majority of the units. The completed surveys constitute 0.33% of the total commercial units in the project area.

  Tourist Survey: A sample of 50 tourists (both local and foreign) was surveyed to gather their impressions on various aspects of the project.

Physical inspections of the area were conducted to observe the tangible improvements resulting from the project. In this regard, thirty streets were visited. The project area is delineated in the map below:

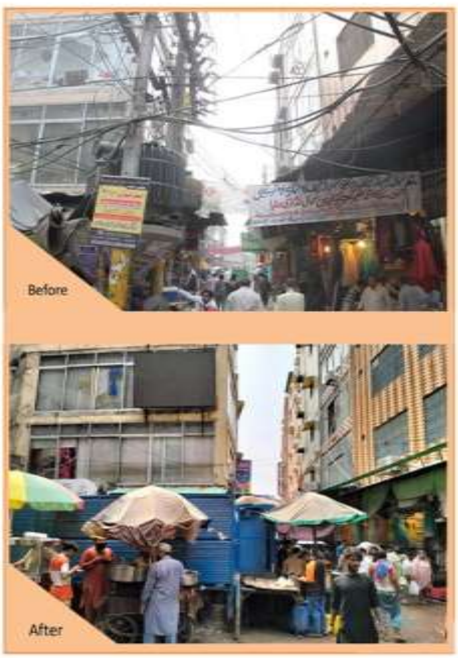
9.4 Audit Findings

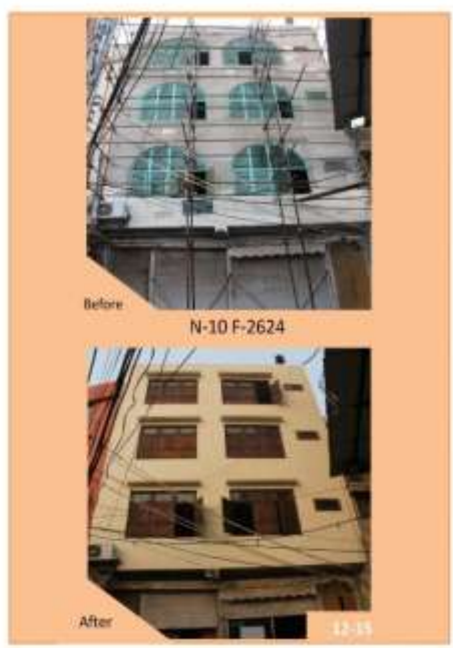
9.4.1 Improved Living Conditions

The project aimed to improve residents' living conditions and boost their economic potential, primarily by rehabilitating cultural heritage and improving civic amenities. Audit examined various indicators related to living conditions and observed a positive impact of the project in this regard.

9.4.1.1 Enhanced Aesthetics, Civic Amenities and Environment

During site visits, the audit observed a notable improvement in the condition of facades. Approximately, thirty (30) properties were assessed to verify these improvements. Additionally, the Audit inspected thirty (30) streets along the main Royal Trail and noted satisfactory work on street surfacing.





Audit also observed notable improvements in safety and aesthetics resulting from the replacement of hanging electricity wires and pole-mounted High-tension and Low-tension cables with an underground electrical network. Furthermore, to tackle water pollution, the existing water supply pipelines were upgraded with new HDPE pipes to ensure clean drinking water. The open sewer drain system was also replaced with a concealed sewerage system, and a separate storm water drain system was provided with perforated manhole covers to manage rainwater effectively.

The enhancements to façades, rehabilitation of streets, and improvements in delivering essential utilities had not only contributed to enhanced aesthetics but had also fostered safe and healthy living conditions. However, there was a notable omission in the PC-1 of the project as it failed to include provisions for improving the already existing solid waste management system in the project area, despite this being a part of the original project objectives. Consequently, solid waste management remained a significant issue in the project area, negatively impacting hygiene and aesthetics.

In its response, the authority clarified that solid waste management component was intended to be executed after completing other aspects of the project. Nevertheless, approval for the PC-1 for 'Solid Waste Management of Walled City Lahore' could not be obtained from the competent forum despite being submitted for approval under the Annual Development Programmes (ADPs) for the years 2018-19, 2022-23, and 2023-24. In the absence of adequate interventions under the project, the responsibility for managing solid waste in the project area rested with the Lahore Waste Management Company. However, Audit observed that the services provided by the company fell short of the expected standards.

The omission of this crucial component resulted in the presence of scattered solid waste, garbage, and debris along the main Royal Trail and commercial areas. The following pictures (figure 9.4.4.1) depict the solid waste problem in the area. This issue not only detract from the overall success of the project but also compromised the cleanliness and visual appeal of the affected areas.

Figure 9.4.4.1

Similarly, the issue of air pollution had gone unaddressed by the Authority, despite being identified as one of the objectives of the project. The sole intervention related to controlling air pollution involved converting the open sewerage system to a concealed sewerage system. While this measure aided in mitigating the foul smell of sewers, it fell short of addressing the broader dimensions of air pollution.

Audit is of the view that a pollution is a serious problem for the entire city of Lahore. The Authority needs to identify the sources of air pollution in the project area and collaborate with the Environment Protection Agency to plan and implement corrective and preventive measures, ensuring a long-term solution to this problem.

Going forward, it is imperative for future initiatives to conscientiously address and rectify such oversights to ensure the comprehensive and successful implementation of urban development projects.

9.4.1.2 Residents’ Perception of Improved Living Standards

By conducting a survey, Audit examined beneficiaries' perceptions of impact of project interventions on their quality of life. The findings revealed that nearly 94% of the treatment group believed their living standards had improved after the project, while only 6% reported no discernible impact on their living standards. The beneficiaries' responses indicate that the project interventions successfully improved the living standards of the area's residents.

9.4.1.3 Non-intrusive Economic Growth: Balancing Prosperity and Resident's Privacy

Audit observed a significant increase in economic activity in the region, primarily attributed to the rise in tourism. This surge in tourism has the potential to intrude on the privacy of the residents in the area. Consequently, a sample of residents was surveyed on this matter. The findings revealed that nearly 14% of the treatment group respondents believed that privacy issues had arisen after the project, while 86% reported no perceived increase in privacy concerns.

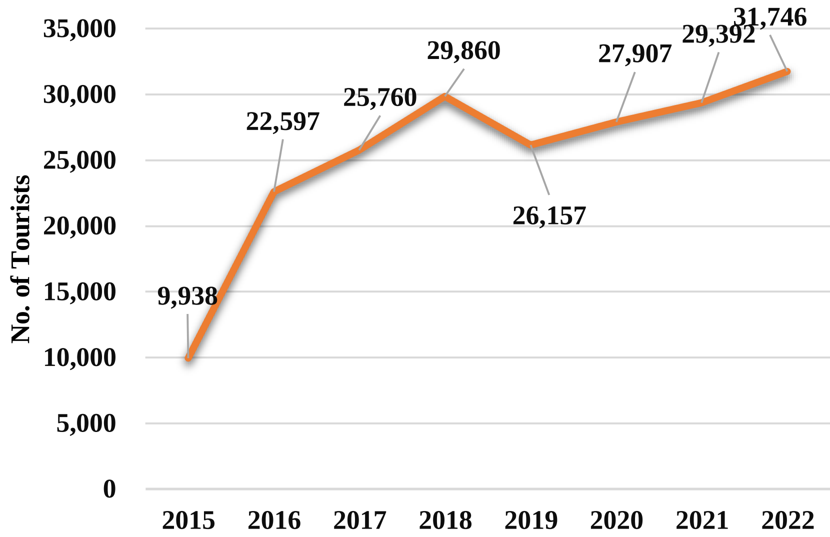
9.4.2 Fostering Tourism Growth

One of the project's objectives was to boost tourism by restoring the cultural heritage of the area. In pursuit of this goal, the project focused on enhancing the aesthetics and overall visual appeal of the region. Audit observed a positive impact of these interventions, contributing to an increase in tourism.

9.4.2.1 A Growing Trend in Tourist Numbers

The data on tourist numbers, provided by the "Tourism Information Center", pertaining to both local and foreign tourist footfall inside the Walled City, was analyzed. The data revealed a consistent upward trend in tourist numbers over the years, as depicted in Figure 9.4.2.1.

Figure 9.4.2.1
Tourists Foot Fall (Overall)

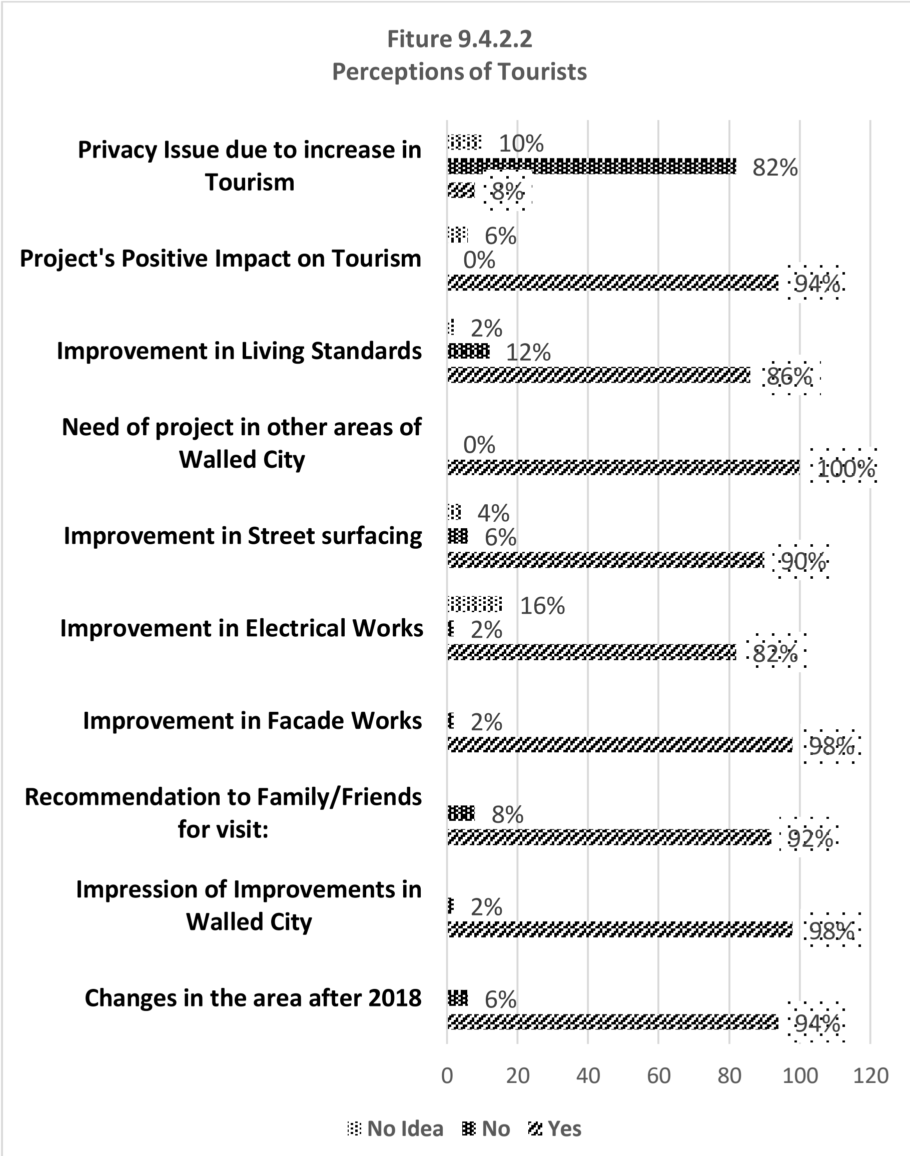


Source: Data provided by the Authority

9.4.2.2 Positive Tourist Impressions Regarding Improvements

Tourists in Pakistan were surveyed for their perceptions of improvements to the area's visual appeal and interaction with residents and shopkeepers. The sample group included foreigners as well as tourists from diverse parts of Pakistan.

Tourists were asked about their impressions of the Walled City's improvement and whether they would recommend it to family and friends. Furthermore, they were asked whether they would recommend similar projects in other areas of the Walled City. As part of the survey, audit also asked for their opinions on different aspects like the success of the project, improvement of living standards, increase in tourism, and the privacy issues associated with the growth of tourism etc. The questions were based on pre-project and post-project changes. The collected data was compiled, and graphical representations of various impact factors are depicted in Fig 9.4.2.2.



The presented figure indicates that tourists in the area had a favorable impression of the project intervention. This positive perception serves as a noteworthy indicator of the project's success.

9.4.2.3 Tourists Inspiring Others to Visit the Area

The tourist sample was surveyed about how they learned about the Walled City Lahore. According to the findings, 64% of the respondents discovered this place through friends, 20%

through media platforms, and 16% from other sources. This indicates that the enhanced appeal of the Walled City left a positive impression on tourists, leading them to recommend the area to others and thereby contributing to further tourism growth.

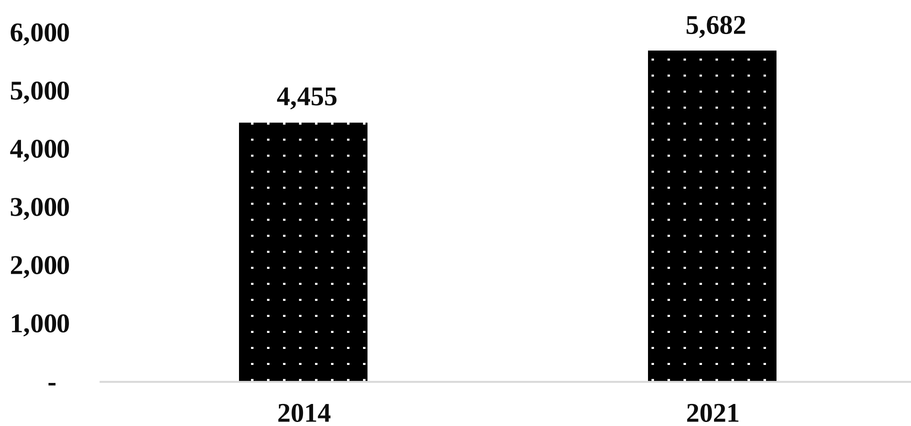
9.4.3 Enhanced Economic Activity

The economic activities of a region are profoundly shaped by tourism, proper infrastructure, and a healthy environment. In particular, an increase in tourist numbers is poised to augment business opportunities and prosperity in the area. In this context, audit examined the project's impact on the economy of the area.

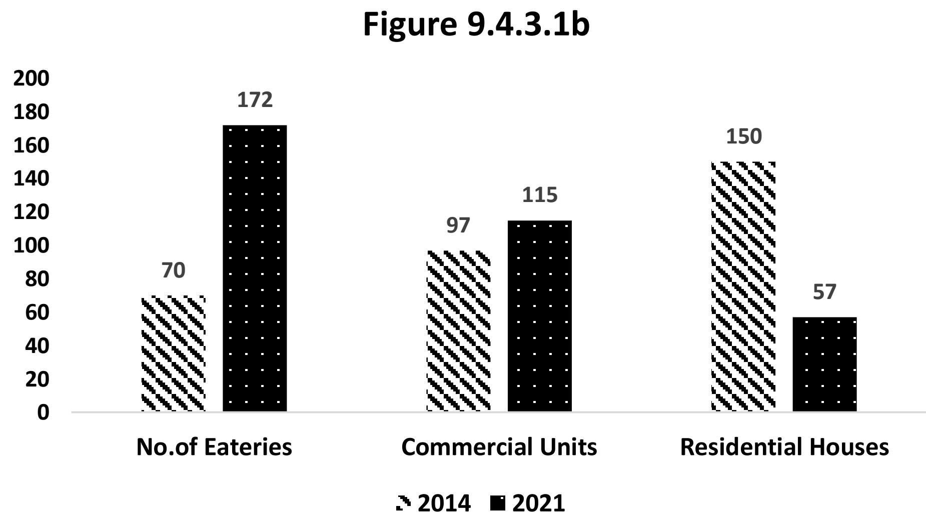
9.4.3.1 Rise in Commercial Activities

The numbers of residential properties, shops, eateries, and other commercial units were compared with reference to the years 2014 and 2021. This comparison revealed that after the project's execution, commercial activities had increased in the project area. It was also noted that property values had risen, leading residents of the area to sell their properties and relocate to other residential places in Lahore. Consequently, the number of shops, hotels, and industrial units increased, while the number of residential properties decreased. This trend is depicted in figures 9.4.3.1.a and 9.4.3.1.b.

Figure 9.4.3.1.a
No. of Shops



Source: Data provided by the Authority

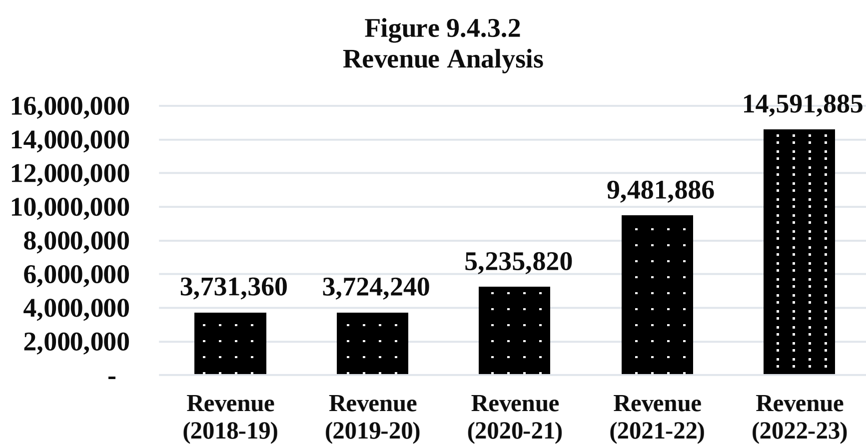


Source: Data provided by the Authority

9.4.3.2 Rise in Government Revenues

Revenue from various sources, such as tourism fees, fare from Rangeela Rickshaw, and map fees, collected by the Authority within the project area, is presented in Figure 9.4.3.2. The Authority's revenue exhibits a consistent year-on-year increase. This upward trend in government revenue signifies an increase in the level of economic activity in the region. Consequently, it underscores the success of the project in fostering a positive impact on the economic dynamics of the area.

(Amount in Rs)



Source: Data provided by the Authority

9.4.4 Empowering Lives of Beneficiaries: Enhanced Income Opportunities

The project aimed to enhance the living and health standards of the residents while boosting their earning capacity through increased economic activity. Audit noted the project's success in attracting tourists through the restoration of cultural heritage. Additionally, civic amenities were upgraded and there had been an overall economic boost in the area. Against this backdrop, Audit assessed the impact of these project benefits on the income and lifestyle of the residents.

9.4.4.1 Improved Eating and Drinking Patterns

As regards health and nutritional values, meat intake per week was chosen as one of the indicators. It was observed that the daily usage of meat had improved in both the treatment group and the control group. On average, the treatment group's meat consumption increased from 1.10 to 1.46 days/week before and after the project, while the control group's consumption rose from 1.00 to 1.44 days/week. However, the "Difference in Difference" approach reveals a negative impact of -0.08 days/week, suggesting that meat consumption increased more in the control group. This indicates that factors other than the project interventions were responsible for the observed rise in meat consumption.

Weekly Meat Consumption	**Before Days/Week**	**After Days/Week**
Treatment Group	1.10	1.46
Control Group	1.00	1.44
Difference (Treatment Group – Control Group)	**0.10**	**0.02**
Difference in Difference (Difference After- Difference Before)	**-0.08**	

The analysis of drinking water quality focused on the shift in preferences before and after the project, specifically regarding the use of mineral water, filtered water, and boiled water. The study reflected that the residents did not prefer use of mineral water at all. Results of this analysis are depicted in the following table.

Filtered Drinking Water	**Before (%)**	**After (%)**
Treatment Group	80	84

Control Group	76	82
Difference (Treatment Group – Control Group)	**4**	**2**
Difference in Difference (Difference After- Difference Before)	**- 2%**	
Boiled Drinking Water	**Before (%)**	**After (%)**
Treatment Group	20	16
Control Group	24	18
Difference (Treatment Group – Control Group)	**- 4**	**- 2**
Difference in Difference (Difference After- Difference Before)	**+2%**	

The analysis indicates an increase in the consumption of filtered drinking water; nonetheless, attributing this increase to the project impact is questionable because "Difference in Difference" analysis unveils a negative 2%, signifying a greater increase in the control group. As for the use of boiled water, a declining trend was observed in both the treatment and control groups. However, this downward trend does not seem to correlate with the project interventions. Changing preferences in drinking water could be a result of the Punjab Saaf Pani Company, Lahore, installing water filtration plants in the area.

In summary, the project did not appear to significantly influence the eating and drinking preferences of the residents. Nevertheless, this lack of influence cannot be interpreted as indicators of no change in the income of the beneficiaries. Other factors, such as increased economic activity and tourism, strongly suggest improvements in income opportunities of the beneficiaries.

9.4.4.2 Increase in the Number of School Enrolled Children

An increase in the number of school-enrolled children serves as an indicator of rising income. Audit noted an increase in the number of school-going children aged five and above in the treatment group, rising from 0.94 to 1.84 children per household. In comparison, the control group saw an increase from 0.90 to 1.78 children per household. According to the "Difference in Difference" approach, a positive impact of 0.02 children per household was identified, signifying a positive influence of the project on the incomes of the treatment group.

School- Enrolled Children above 5 years	**Before** (Children/Household)	**After** (Children/Household)
Treatment Group	0.94	1.84

Control Group	0.90	1.78
Difference (Treatment Group – Control Group)	**0.04**	**0.06**
Difference in Difference (Difference After-Difference Before)	**+ 0.02**	

9.4.4.3 Improved Transportation Modes

The improvement in the mode of transportation serves as a strong indicator of the rise in incomes. In this context, an analysis was conducted to examine the shift in the usage pattern of motorcycles and cars. Related data is depicted below:

Motorcycle	**Before (%)**	**After (%)**
Treatment Group	88	92
Control Group	80	94
Difference (Treatment Group – Control Group)	**8**	**- 2**
Difference in Difference (Difference After- Difference Before)	**- 10%**	
Car	**Before (%)**	**After (%)**
Treatment Group	2	16
Control Group	6	10
Difference (Treatment Group – Control Group)	**- 4**	**6**
Difference in Difference (Difference After- Difference Before)	**+ 10%**	

The presented data indicates a rise in motorcycle and car usage. Regarding motorcycles, the "Difference in Difference" analysis reveals a negative 10%, suggesting that the motorcycle usage increased more in the control group. Hence, this change cannot be directly attributed to project interventions. Additionally, data reflects a notable increase in car usage for both control group and treatment group. The "Difference in Difference" analysis for cars shows a positive 10%, indicating that the rise in car usage was more in the treatment group. This suggests that project interventions had successfully contributed to the increased income of residents in the project area.

9.4.4.4 Improved Patterns of Household Appliance Usage

The increasing household incomes are also manifested in the usage patterns of household appliances. Consequently, audit surveyed both the treatment group and the control group to examine the changes in the usage patterns of air-conditioners, refrigerators, water geysers, washing machines, and computers. Results of the survey are presented in the following table:

Air-conditions	**Before (%)**	**After (%)**
Treatment Group	26	72
Control Group	24	68
Difference (Treatment Group – Control Group)	**2**	**4**
Difference in Difference (Difference After-Difference Before)	**+ 2%**	
Refrigerator	**Before (%)**	**After (%)**
Treatment Group	98	100
Control Group	90	94
Difference (Treatment Group – Control Group)	**8**	**6**
Difference in Difference (Difference After-Difference Before)	**-2%**	
Water Geyser	**Before (%)**	**After (%)**
Treatment Group	12	30
Control Group	10	24
Difference (Treatment Group – Control Group)	**2**	**6**
Difference in Difference (Difference After-Difference Before)	**+4%**	
Washing Machine	**Before (%)**	**After (%)**
Treatment Group	98	100
Control Group	94	98
Difference (Treatment Group – Control Group)	**4**	**2**
Difference in Difference (Difference After-Difference Before)	**- 2%**	
Computer/Laptop	**Before (%)**	**After (%)**
Treatment Group	34	66
Control Group	36	64
Difference (Treatment Group – Control Group)	**-2**	**2**
Difference in Difference (Difference After-Difference Before)	**+4%**	

The survey indicates a positive trend in the usage of all selected items. The "Difference in Difference" analysis further suggests that the usage of ACs, water geysers, and computers, increased more in the treatment group as compared with the control group. This implies that the project interventions contributed to the rise in household incomes, enabling residents to enhance their lifestyles.

However, for refrigerators and washing machines, the "Difference in Difference" analysis shows that the control group experienced a 2% increase compared to the treatment group. This small percentage difference does not diminish the success of the project. The overall improvement in the usage of these items underscores the positive impact of the interventions on the surveyed households.

9.5 Conclusion

The project had the overarching goal of enhancing the living conditions of the residents in the project area through the improvement of civic amenities and economic opportunities. It sought to bolster the local economy by attracting tourism through the restoration of cultural assets and by creating employment opportunities for both skilled and unskilled workforce. Additionally, a key objective was to contribute to environmental improvement by reducing air and water pollution.

Audit findings indicate that despite an overall success, the project fell short of fully achieving its stated objectives. Specifically, environmental goals were not realized as no interventions were implemented to tackle air pollution and improve solid waste management.

Nevertheless, the achieved objectives of the project had successfully made a substantial impact on enhancing living conditions and stimulating the local economy. The revitalization of facades, rehabilitation of street surfaces, and improvement of civic amenities had not only elevated the aesthetics but also transformed the overall milieu of the area, resulting in a noteworthy increase in tourism. These combined economic and aesthetic benefits had profoundly influenced the living conditions of the residents and contributed to the long-term sustainability of the cultural heritage preserved in the target area.

9.6 Recommendations

1. The issues of air pollution and solid waste management merit serious attention. It is imperative for the authority to plan and implement effective measures to tackle these issues. By doing so, the authority can ensure that both the residents of the area and tourists fully reap the benefits of the project.

2. The authority needs to proactively secure adequate annual funds to maintain the infrastructure and civic amenities at the desired quality level in order to ensure the continued benefits of the project in the future.

CHAPTER – 10

THEMATIC AUDIT

2)

10.1 Adequacy of control environment (Sub-Theme: Control's Effectiveness for Universal Implementation of Agreed Audit Recommendations)

10.1.1 Introduction

This office conducts yearly compliance audit and audit observations are deliberated upon in SDACs. These committees issue specific directives aimed at addressing the issues raised by Audit. In response, the department implements these directives on the specific cases identified by Audit in the audited schemes. This collaborative process ensures a systematic approach to resolving and rectifying the concerns highlighted during the audit.

Due to resource constraints, the audit is executed on a sample basis, leaving a substantial number of development projects unaudited. A control-conscious and proactive management is anticipated to review unaudited works to identify whether issues similar to those raised by Audit are present. If such issues are identified, the management should proactively implement the respective SDAC directives in the unaudited schemes as well. This approach ensures that the issues do not remain hidden and unaddressed in unaudited schemes, demonstrating a commitment to transparency and rectifying potential concerns across all projects.

Recurring audit observations on similar issues year after year suggest that the managements of the audited entities lack a proactive attitude in comprehensively and effectively addressing the issues highlighted by Audit. An effective implementation of audit recommendations and SDAC directives should ideally lead to a decrease in the number of audit observations on previously identified issues, emphasizing the importance of sustained corrective actions and improvements over time.

To unveil the true extent of the problem, analyze underlying causes, and recommend corrective measures, this Directorate General has strategically planned this thematic audit. The primary goal is to assess the prevalence of established irregularities in unaudited schemes and propose corrective actions to rectify these issues. This approach ensures a comprehensive understanding of the issues at hand and facilitates the development of effective measures to address and prevent similar irregularities in the future.

The primary responsibility for implementing agreed audit recommendations across all works, whether audited or not, typically lies with the management of the audited entity. Successful implementation of audit recommendations and SDAC directives requires robust oversight and planning by management to define clear responsibilities and establish specific timeframes for addressing the identified issues.

10.1.1.2 Background

Audit observations leading to recoveries admitted and effected by departments on SDAC's directives are viewed as a positive outcome. However, concerns about potential oversights prompted a desk audit of schemes not previously audited, revealing a prevalence of previously identified and admitted irregularities. Preliminary findings suggest a lack of implementation of established audit recommendations in unaudited schemes. Consequently, a thematic audit is planned to assess how well audit recommendations are being implemented across various unaudited schemes in the works departments. This audit aims to enhance the overall effectiveness of the auditing process, providing insights to improve policy decisions and advocating for a uniform application of audit observations across all areas, avoiding a selective approach.

10.1.1.3 Establishing the Audit Theme

10.1.1.3.1 Reasons of selection

During the follow-up of the recoveries admitted by departments and directed by SDACs in various issues, it was observed that recoveries had been effected only in cases where audit observations were raised. In the remaining unaudited schemes, a preliminary assessment revealed that the established audit recommendations were implemented to a very limited extent, indicating weak internal controls regarding the universal implementation of agreed audit recommendations. This suggests that no preventive measures were being taken by the formations to avoid the recurrence of such issues. The probability of such recurrences was assessed to be too high to be left unattended. Therefore, a thematic audit titled *"Control's Effectiveness for Universal*

Implementation of Agreed Audit Recommendations" was planned to thoroughly assess the trend of formations in the implementation of established audit recommendations in unaudited schemes.

10.1.1.3.2 Purpose of selection

This thematic audit aims to assess the efficacy and sufficiency of controls, with a particular focus on preventive controls, in areas where audit has consistently identified various irrefutable irregularities. The audit is expected to evaluate the extent of implementation status and the impact of audit recommendations. The exercise shall enhance the impact of audit in terms of recoveries and policy improvements. Through this assessment, the goal is to strengthen preventive measures, ensuring a more robust control environment and reducing the recurrence of identified irregularities. The main objective of the audit is to evaluate the following hypotheses:

1. That the issues highlighted in a particular sampled scheme, where the formations agreed to Audit contention and/or admitted/effected recoveries, also exist in other schemes of the same financial year under the control of the same executing agency.
2. That the issues highlighted in a particular sampled scheme, where the formations agreed to Audit contention and/or admitted/effected recoveries, also exist in other schemes started in the next financial year under the control of the same executing agency.

Audit seeks to validate these hypotheses and identify any recurring issues across different schemes and financial years under the control of the same executing agency.

10.1.1.3.3 Scope

In the audit plan of 2023-24, twenty seven (27) formations of C&W (Highways and Buildings) and Public Health Engineering (PHE) Departments were selected for this thematic audit. The specific scope of the audit includes:

i. Identifying audit observations in the audited schemes of FY 2020-21 that have resulted in admitted and effected recoveries.

ii. Determining whether the issues identified in audit observations are also present in the unaudited schemes/works (formation-wise) of FY 2020-21 and 2021-22.
iii. Assessing whether the executing agency has taken any steps to rectify similar issues and effect recoveries in the schemes/works of the same or subsequent year in unaudited schemes.
iv. Evaluating whether the administrative department has developed internal controls to curtail systemic issues.
v. Investigating whether the administrative department has formulated any policies to improve adherence to laws and procedures.

SDAC directives for the FYs 2020-21 & 2021-22 were reviewed for each division. Decisions where the department accepted Audit's viewpoint that is, either admitted or effected recoveries were identified as issues for the thematic audit. The selected issues as follows:

i. Less utilization of dismantled material.
ii. Non-recovery of Income Tax on cost of old material.
iii. Less recovery of mobilization advance.
iv. Less recovery of secured advance.
v. Non-recovery on account of less use of bitumen.
vi. Less recovery of cost of old material.
vii. Overpayment due to non-deduction of shrinkage.
viii. Less deduction of crust.
ix. Double payment of dressing.
x. Excess payment of price variation.
xi. Inadmissible payment of price variation on M&R works.
xii. Overpayment due to excess rate.
xiii. Overpayment due to excess lead.
xiv. Overpayment due to application of higher rate of plum concrete.
xv. Less recovery of income tax on PST.

10.1.2 Legal framework governing the theme

The legal framework governing the theme of thematic audit revolves around a set of rules and regulations that provide guidelines for financial management and execution of works. The Provincial Financial Rules (PFR) emphasize prudent expenditure of government funds, requiring government servants to exercise vigilance similar to that exercised with personal finances.

Department Financial Rules (DFR) mandate careful scrutiny of bills before approval, ensuring accurate quantities and rates. The B&R Department Code emphasizes accurate recording of measurements and timely recovery of secured advances.

Furthermore, regulations outlined in 'Specifications for Road and Bridge Construction', FD's instructions, MRS, and standard contract agreement form provide detailed requirements for material usage, rate analysis, mobilization advance, interest charges, price variation, shrinkage deduction, and secured advance. These regulations ensure transparency, efficiency, and accountability in the execution of works and financial transactions.

All in all, the legal framework aims to promote integrity and compliance with established procedures, safeguarding government resources, and ensuring quality in the execution of works. Adherence to these rules and regulations is essential for effective financial management and the successful implementation of projects.

10.1.3 Stakeholders and Governmental organizations identified as directly or indirectly involved

The following stakeholders and government organizations are involved in the theme:

i. P&D Board
ii. Citizens
iii. Members Provincial Assembly/Public Accounts Committee (PAC)
iv. Audit Department
v. Finance Department
vi. Communication and Works Department (C&W)
vii. Public Health Engineering Department (PHE)
viii. Contractors

10.1.4 Role of Important Organizations

Several key organizations play a significant role in ensuring the successful implementation and management of infrastructure projects in the province. Among these organizations are the Communication and Works (C&W) Department, Public Health Engineering (PHE) Department, Audit Department, and Finance Department. These entities collaborate to oversee and manage various aspects of infrastructure projects, contributing to their effective execution and overall success.

The C&W Department holds the responsibility for the planning, construction, and maintenance of roads, bridges, and buildings in Punjab. Its role in infrastructure projects is pivotal as it oversees the development of transportation and communication networks, which are crucial for the economic growth and social development of the province. The department's expertise in engineering and construction is expected to play a pivotal role in ensuring the quality and durability of infrastructure projects.

The PHE Department plays a critical role in infrastructure projects by focusing on the provision of safe drinking water, sanitation, and hygiene amenities. Its responsibilities encompass the planning and implementation of water supply and sewerage systems in urban and rural areas. The department's involvement is essential for ensuring access to clean water and proper sanitation, which are fundamental requirements for public health and well-being.

In connection with this theme, the C&W and PHE departments bear the responsibility to ensure that once a decision has been reached in the SDAC meeting and the department has admitted the recovery, the respective executive engineers are obligated to effect recoveries and implement SDAC decisions in all other unaudited schemes. Additionally, supervisory officers in all departments, including CEs and SEs, hold the responsibility to conduct regular supervisory visits to ensure the existence of a strengthened internal control system and the effective implementation of SDAC decisions throughout the system.

Audit Department plays a crucial role in ensuring transparency and accountability in infrastructure projects. Through regular audits and financial examinations, the department evaluates the utilization of funds, raises valid observations on recurrent irregularities, assesses compliance with regulations, and gauges the overall effectiveness of project implementation. Its oversight is instrumental in identifying inefficiencies, irregularities, or mismanagement, thereby promoting good governance and fiscal responsibility.

Lastly, FD plays a pivotal role in infrastructure projects by providing financial management and budgetary oversight. It allocates funds for various infrastructure initiatives, monitors expenditure, and ensures that financial resources are utilized efficiently. The department's involvement is essential for securing funding, managing financial risks, and maintaining fiscal discipline throughout the project lifecycle. Their financial oversight contributes to the overall success and sustainability of infrastructure projects.

In conclusion, the aforementioned organizations play indispensable roles in infrastructure projects in Punjab, Pakistan. Their collective efforts contribute to the development of robust and sustainable infrastructure that supports economic growth, public health, urban development, and overall well-being. By working collaboratively and leveraging their respective expertise, these organizations help shape a more prosperous and resilient future for the province. Their coordinated actions reflect the importance of effective governance and strategic planning in achieving long-term development goals.

10.1.5 Field Audit Activity

10.1.5.1 Methodology

Audit methodology included data collection, determining audit objectives and criteria, analysis of available records and interviewing the relevant staff, etc. The following steps were involved:

i. Understanding the entity.
ii. Defining audit objectives.
iii. Developing audit procedures.
iv. Conducting audit as per approved Terms of References (TORs).
v. Conducting interviews.
vi. Tabulation and evaluation of results.
vii. Compiling and presenting the audit report.

The audit teams adopted a consistent approach that involved discussions and the scrutiny of records. Documents were carefully examined in relation to the selected issues during the desk audit of the relevant formation. Subsequently, unaudited schemes where the identified issues were likely to be present were selected for further investigation. This systematic methodology aimed to ensure a thorough examination of relevant records and to identify potential irregularities consistently across different schemes.

The documents that were reviewed include:

i. Form 27 for the FYs 2020-21 and 2021-22
ii. PC-I
iii. TS estimates
iv. Correspondence files related to the projects
v. Measurement Books (MBs)
vi. Vouchers
vii. Work orders and acceptance letters
viii. Comparative statements
ix. Tender documents
x. Material test reports
xi. Minutes of SDAC meetings over the last two years

10.1.5.2 Audit Analysis

10.1.5.2.1 Review of Internal Controls

The execution of schemes in the C&W and PHE departments is fraught with significant challenges, primarily stemming from weak internal control mechanisms. Despite repeated audit observations over the years, these departments persist in perpetuating the same irregularities. This persistence allows contractors to receive undue benefits and indicates potential intentional misconduct by departmental personnel. The presence of such challenges highlights the urgent need for enhanced internal controls and a proactive approach to address and rectify these persistent issues.

According to the Public Financial Management Act of 2019, specifically rule 29 (2), the Chief Internal Auditor position will be established within 18 months of the Act's enactment. The Chief Internal Auditor will report directly to the PAO. The appointment, duties, and responsibilities of the Chief Internal Auditor will be defined as per the Civil Servant Act of 1973, in consultation with the Auditor-General of Pakistan. Additionally, an Internal Audit Policy Board will be formed to oversee policy development, define scope and standards, approve audit manuals and charters, and monitor the effectiveness of internal audits across government institutions. This framework aims to strengthen internal audit functions and enhance financial management practices within the government.

The Departments of C&W and PHE lack an internal audit mechanism that could ensure the effective recovery against SDAC directives in unaudited schemes as well. Consequently, the financial discrepancies noted in the current audit also highlight this deficiency. A robust internal control system, such as effective pre-audit and internal audit functions, would assist management in effectively implementing and reinforcing internal controls within the audited organizations. Furthermore, weak supervision at the CE and SE levels exacerbates the issue of the recurrent nature of irregularities. Strengthening internal audit mechanisms and enhancing supervision are crucial steps to address and prevent financial discrepancies in the execution of projects.

The theme of "Recoveries" has identified various issues that have persisted over time. The ongoing nature of these problems suggests that they may stem from either inefficient supervisory mechanisms or flawed designs in the internal control systems. Addressing these issues will likely require a comprehensive evaluation and improvement of both supervisory practices and internal control frameworks to ensure effective recoveries and prevent the recurrence of financial discrepancies in the future.

10.1.5.2.2 Critical Review

a. Deficiency in legal framework

The legal framework concerning the matter is comprehensive and lacks any apparent shortcomings. The departments are obligated to effect recoveries in unaudited schemes as directed by the SDAC in audited schemes. The existing rules and regulations leave no room for bypassing the implementation of recoveries, ensuring they are carried out effectively without any loopholes.

Nevertheless, the implementation of the legal framework governing financial operations within various departments has proven to be insufficient in preventing recurrent financial mismanagement. Codes and manuals in place, including the MRS, B&R Department Code, Purchase Manual, PFR, and DFR, are designed to guide departments in financial matters. Despite the existence of these authorities and regulations, departments have struggled to implement effective internal controls.

The SDACs have endeavored to address these issues by instructing departments to investigate, fix responsibility, and recover overpayments in the recurrent nature of issues.

However, the lack of action against delinquents and contractors who unjustly benefit has highlighted a significant deficiency in accountability and the enforcement of financial discipline in the internal control systems of departments. Addressing these challenges may require a comprehensive review and potential enhancement of the enforcement mechanisms within the existing legal and regulatory framework.

b. Role and performance of organizations

The role of departments in adhering to the legal framework is crucial. Departments must not only adhere to existing guidelines but also proactively participate in strengthening internal controls. This includes ensuring compliance with financial rules and taking prompt corrective action when discrepancies are identified, fixing responsibility against individuals who consistently violate the rules. Departments must view public funds with a sense of ownership and recognize that safeguarding these resources is paramount to maintaining public trust and ensuring fiscal responsibility. A proactive and responsible approach from departments is essential for fostering transparency, accountability, and effective financial management.

The execution of civil works for schemes in the C&W and PHE departments faces significant challenges, including the non-utilization of excavated earth, non-reduction of road crust, non-recovery of old material from contractors, delays in the recovery of mobilization and secure advance, payment of excessive lead, procurement from unregistered sales tax firms, failure to deduct shrinkage from loose earth, allowing higher rates in the rate analysis of non-standardized items, and failure to recover income tax on Provincial Sales Tax (PST), and recovery of less utilized bitumen as per JMF and extraction reports. These issues not only result in the violation of rules but also in financial losses for the government. Despite repeated audit observations over the years, the departments persist in perpetuating the same irregularities, allowing contractors to receive undue benefits and indicating intentional misconduct by departmental personnel.

The absence of an internal audit function in the C&W and PHE departments has had significant repercussions, particularly in terms of the non-recovery of overpayments to contractors and the recurrence of irregularities already established in SDAC meetings. This lack of an internal audit function within these departments has created a loophole that allows for financial discrepancies to go unnoticed and unchecked, ultimately leading to a failure in ensuring the proper allocation and management of public funds.

The non-existent internal audit department has a significant impact on the inability to effectively monitor and recover overpayments to contractors. Without a dedicated internal audit team, there is a lack of systematic and independent review of financial transactions, which increases the likelihood of overpayments slipping through the cracks. This not only results in financial losses for the departments but also undermines the transparency and accountability of the procurement process. Overpayments to contractors can have a direct impact on the overall budget and financial health of the departments, ultimately affecting their ability to deliver essential services and projects to the public.

Proactive measures, such as conducting site visits and inspections of offices, can help verify the accuracy of completed works and materials used, thereby reducing the risk of fraudulent claims. Furthermore, establishing a zero-tolerance policy for fraudulent behavior and implementing stringent penalties for offenders serve as deterrents. By fostering a culture of transparency, accountability, and ethical conduct, organizations involved in civil works can effectively mitigate the potential for fraud while upholding the trust and confidence of stakeholders and the public. Audit noted that inadequate supervision by supervisory officers, including CEs and SEs, led to the continuation of recurring irregularities as identified in the audit observations. It is the responsibility of supervisory officers to implement and ensure the strengthening of internal controls.

Fraud prevention and detection in civil works is essential to safeguard public funds and ensure the integrity of infrastructure projects. Implementing robust internal controls, such as segregation of duties and regular independent audits, is crucial in preventing fraudulent activities. Additionally, due diligence on contractors and subcontractors can help identify any potential red flags before entering into agreements. Utilizing advanced technology, such as data analytics and monitoring systems, can also aid in detecting irregularities or anomalies in financial transactions and project progress. Training employees on ethical practices and providing a platform for reporting suspicious behavior will further strengthen the overall fraud prevention framework. Audit has made specific observations under this theme, indicating that the recoveries that were supposed to be made from contractors were not effected as required. This failure to effect recovery may be due to factors such as fraud or a deliberate disregard for the obligation to effect due recoveries.

To address these challenges, it is imperative for the C&W and PHE departments to prioritize the establishment of a robust internal audit function. This entails creating an independent internal audit department staffed with qualified professionals who can conduct regular and thorough reviews of financial transactions, procurement processes, and compliance with regulations. Such an internal audit department would not only help in identifying and recovering overpayments but also in proactively preventing irregularities and enhancing overall financial governance. The establishment of an effective internal audit function is crucial for instilling transparency, accountability, and fiscal discipline within these departments.

The disregard for SDAC directives by departments like C&W and PHE, particularly concerning the established recoveries in unaudited schemes, is deeply troubling. These directives are designed to extend the corrections identified in SDAC meetings to unaudited schemes promptly, aiming to preclude financial mismanagement and irregularities. Yet, the inability or unwillingness of these departments to adhere to such instructions compromises the integrity of financial discipline and transparency. Ensuring strict compliance with the SDAC directives is crucial for maintaining accountability, preventing financial mismanagement, and upholding the principles of transparency and responsible governance within these departments.

There is a significant backlog in the PAC of the Punjab, with annual audit reports dating back to 2014 still pending for review, with few exceptions. This delay has resulted in audit queries raised ten years ago still awaiting discussion, which often renders them obsolete due to the absence of timely decision-making. This prolonged deferral has led to a perception among departments that observations included in annual reports are unlikely to be addressed within a reasonable timeframe at the PAC forum. Such a situation undermines the integrity of the accountability framework. Therefore, it is imperative to establish a more efficient system that ensures audit observations are examined and resolved promptly, reinforcing the accountability process and maintaining relevance to the observations raised by Audit.

Addressing the aforementioned systemic impediments requires a concerted effort from all relevant organizations to bolster their internal control mechanisms. This entails adopting a rigorous approach to enforce rules, enhance training for personnel responsible for financial management, and implement more robust accountability measures. Merely recovering the amounts, without imposing disciplinary measures on those responsible for granting unwarranted financial advantages to contractors, is insufficient for bringing about substantial improvement to the current system. Therefore, it is crucial to implement disciplinary measures alongside recovery efforts to deter future irregularities and foster a culture of accountability and responsibility within these organizations.

10.1.5.2.3 Signification Audit observations

The observations on this theme are specific to the recent two-year period, FY 2020-2021 and FY 2021-2022. Despite audit highlighting these issues in previous years' reports and the corresponding SDACs issuing directives to address them, the audited entities failed to implement the SDAC directives in unaudited schemes. This failure resulted in overpayments for issues on which recoveries had already been agreed upon.

i. *Buildings Department*

10.1.5.2.3.1 Overpayment due to non-deduction of rate of dressing and refilling – Rs 4.151 million

As per MRS item No. 21 under Chapter-3 (Earthwork), “the composite rate of item i.e. *Excavation in foundations”* included the rates of various components i.e. dagbelling, dressing, refilling, watering and ramming, etc”. Further, in SDAC meeting held on 8th December 2022 in respect of Executive Engineer, Buildings Division No. 5, Lahore, the department admitted the recovery on the same issue and committee directed the department to effect recovery within 7 days in DP No. 583(2022-23).

Executive Engineers, Buildings Division No. 5, in five (05) works, paid for the item *“Excavation in foundation etc.”* at composite rates. Audit observed that the department disposed of the surplus excavated earth without executing the associated activities such as dagbelling, dressing, refilling, watering, and ramming at the site. These activities were originally included in the composite item of “excavation in foundation”. As a result, excess payments for these items were made to the contractors.

Violation of the MRS resulted in overpayment amounting to Rs 4,151,240.

Audit pointed the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The department admitted to effect the recovery in all cases. The Committee directed the department to effect the recovery. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 246 (2023-24)

10.1.5.2.3.2 Non-recovery of General Sales Tax – Rs 2.988 million

According to para 4(ii) of the FBR's letter No.1(42)STM /2009/99638-R dated 24th July 2013, in case of public works, it may be ensured that the contractors engaged make purchases only from sales tax registered persons. Since contractors carrying out government works against public tender must have a BOQ, the contracting department/organization must need such contractors to present sales tax invoices of all the material mentioned in the BOQ as evidence of its legal purchase, before payment is released. Further, in SDAC meeting held on 8th December 2022 in respect of Executive Engineer, Buildings Division No. 4, Lahore, the department effected the recovery on the same issue in DP No. 514 (2022-23).

Executive Engineer, Buildings Division No. 4, in twelve (12) works, made payments for the items "*Transformers", "electrical panels", "ACs"* and *"cables along with allied items etc"*. Audit observed that the department did not obtain GST invoices from the contractors before releasing payments. This oversight prevented confirmation of whether the materials were procured from sales tax registered firms. As a result, the amount of GST, initially included in the agreed-upon rates with the contractors, should have been recovered during the payment process.

Violation of the FBR's instruction resulted in non-recovery amounting to Rs 15,100,657.

Audit pointed the non-recovery in September 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The department explained that GST recovery had already been effected for works at Sr. No. 02, 06, 11 & 12, amounting to Rs 12.102 million. Audit informed the Committee that effected recovery has been verified and para be reduced to Rs 2.988 million for remaining cases. The Committee kept the para pending for balance recovery.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 207 (2023-24)

10.1.5.2.3.3 Loss due to non-utilization of excavated earth – Rs 2.454 million

As per section 411 of Standard Specifications for Roads & Bridges Construction 1971, "available useable material from the excavation was to be used in work before using material from an outside source. Further, as per specification No 17.1(A) (11) (i) of Specifications for Execution of Works 1967 Volume-I Part-II, if cutting and filling were to be done simultaneously, all suitable materials obtained from excavation would be used in filling". Further, in SDAC meeting held on 17th November 2021 in respect of Executive Engineer, Buildings Division No. I, Multan, the department admitted the recovery on the same issues in DPs No. 372 (2021-22), 404 (2022-23).

Executive Engineers, Buildings Divisions-I, Multan, in eight (8) works, paid for the item *"Excavation in foundation of buildings and other structures etc".* Audit observed that surplus earth was required to be re-used/adjusted but the department had made payment for new earth brought from outside instead of using the already available excavated earth.

Violation of specification resulted in loss amounting to Rs 2,453,695.

Audit pointed the overpayment in October 2023.

The para was discussed in the SDAC meeting held on 29th November 2023. The department admitted to effect the recovery. The Committee directed the department to effect the recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 319 (2023-24)

10.1.5.2.3.4 Loss due to less/non-recovery of dismantled material – Rs 2.349 million

According to para 9(i) of Chapter 18.1 of Specifications for Execution of Works 1967, "dismantled material is the property of the government, and the cost of it should either be recovered from the contractor as credit of dismantled material or it should be counted, measured and recorded for open auction". Further, in SDAC meeting held on 7th December 2022 in respect of Executive Engineer, Buildings Division No. I, Multan, the department admitted the recovery on the same issues in DPs No. 408, 434 (2022-23).

Executive Engineers, Buildings Divisions No. 1, Multan in two works, paid for the item "*Dismantling of pacca brick work, dismantling of road pavement, dismantling of brick or flagged flooring, etc*". Audit observed that the department did not recover the cost of dismantled material from the contractors which was the property of the government.

Violation of the Specifications resulted in loss amounting to Rs 2,349,046.

Audit pointed the loss in September 2023.

The para was discussed in the SDAC meeting held on 29th November 2023. The department admitted to effect actual recovery. The Committee directed the department to effect the recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 320 (2023-24)

10.1.5.2.3.5 Overpayment due to higher rates of non-standardized items – Rs 1.755 million

According to FD's instruction No. RO(Tech)FD-18-23/2004 dated 21st September 2004, the rate analysis for a non-standardized item shall be approved by SE, giving specifications of the material used as per FD's website. The standardized analysis shall be used to work out the rate of items as far as possible. Further, in SDAC meeting held on 12th January 2021 in respect of

Executive Engineer, Buildings Division D.G Khan, the department admitted the recovery on the same issue in DP No. 793 (2020-21).

Executive Engineers, Buildings Division, D.G Khan, in five cases, paid for the non-standardized item *"P/L structural pad 65% sand and 35% granular material"*. Audit observed that the department prepared rate analyses on the higher side by including an extra quantity of sand and gravel, failing to exclude the loose factor on sand in rate analyses.

(Amount in Rs)

S. No.	DP No.	Name of Division	Amount Overpaid
1	174 (2023-24)	D.G Khan	341,602
2	175 (2023-24)	D.G Khan	353,378
3	176 (2023-24)	D.G Khan	361,183
4	177 (2023-24)	D.G Khan	323,945
5	179 (2023-24)	D.G Khan	374,534
		Total	**1,754,642**

Violation of FD's instructions resulted in overpayments amounting to Rs 1,754,642.

Audit pointed the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 14th December 2023. The department explained that payment of non-standardized item was made on the basis of rate analysis duly approved by the competent authority. Audit informed that rate analyses were approved at higher side by allowing extra cushion of sand and carriage. The Committee directed the department to get detailed verification of record from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

10.1.5.2.3.6 Overpayment due to allowing excess lead – Rs 954,037

As per condition No. 5 of FD's letter No. RO(Tech)F.D 2-3/2004 dated 2nd August 2004, "the material of crushed stone aggregate and sand material shall be carried from the nearest quarry and the shortest route shall be used/adopted for carriage". Further, in SDAC meeting held on 8th December 2022 in respect of Executive Engineer, Buildings Division No. 4 & 5, Lahore, the committee directed the department to effect actual recovery in DPs No.501, 575, 576, 576, 585, 595
(2022-23).

Executive Engineers of Buildings Divisions No. 4 & 5 Lahore, in two (02) cases, paid for the item *"RCC"* and *"PCC"*. Audit observed that the department provided excess lead and derived excess rates of the items while preparing rate analyses. This resulted in overpayments amounting to Rs 954,037.

(Amount in Rs)

S. No.	DP No.	Name of Division	Amount Overpaid
1	247 (2023-24)	Division No. 5, Lahore	156,088
2	206 (2023-24)	Division No. 4, Lahore	797,949
		Total	**954,037**

Violation of FD's instructions resulted in overpayments amounting to Rs 954,037.

Audit pointed the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 16th November 2023. The department admitted to effect the recovery. The Committee directed the department to effect the recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

10.1.5.2.3.7 Overpayment due to payment of excess labour and material – Rs 391,886

According to FD's instruction No. RO(Tech)FD-18-23/2004 dated 21st September 2004, the rate analysis for a non-standardized item shall be approved by SE, giving specifications of the material used as per FD's website. The standardized analysis shall be used to work out the rate of items as far as possible. Further, in SDAC meeting held on 16th December 2020 in respect of Executive Engineer, Buildings Division No. I, D.G Khan, department admitted to effect the recovery in DP No.611 (2020-21).

Executive Engineer, Buildings Division, D.G Khan, in two cases, paid for the non-standardized item *"P/L Fair face Gutka".* Audit observed that the department calculated the rates on the higher side by applying excess labour and material in the rate analyses which resulted in overpayments to the contractors.

(Amount in Rs)

S. No.	**DP No.**	**Name of Division**	**Amount Overpaid**
1	178 (2023-24)	D.G Khan	35,578
2	180 (2023-24)	D.G Khan	356,308
		Total	**391,886**

Violation of FD's instructions resulted in overpayments of Rs 391,886.

Audit pointed the overpayment in September 2023.

The para was discussed in the SDAC meeting held on 14th December 2023. The department admitted to effect the recovery. The Committee directed the department to effect the recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

ii. Highways Department

10.1.5.2.3.8 Undue financial benefit to contractor due to less recovery of retrieved material – Rs 116.330 million

As per C&W Department's letter No. SOH-I(C&W) 1-42/97(Misc.) dated 28th November 1997, material extracted from dismantling brick soling/brick edging and road pavement would be used for laying sub-base course in full and 90%, respectively. Further, according to para 9(i) of Chapter 18.1 of Specification for Execution of Works 1967, the dismantled material is the property of the government and cost of it should either be recovered from contractor as credit of dismantled material or it should be counted, measured and recorded for open auction. Further, in SDAC meetings held on November to December 2021 and December 2022 to January 2023 in respect of Executive Engineers of various Highways Divisions, the department admitted the recovery on the same issues in DPs No. 274, 383, 391, 424, 565, 758, 765, 767, 769 (2021-22) and 195, 216, 222, 307, 319, 331, 337, 344, 350, 393, 418, 421, 607, 927, 934, 936, 944, 959, (2022-23).

Executive Engineers of various Highways Divisions, in twelve (12) cases, paid for items *"Dismantling of existing road pavement, dismantling of brickwork and dismantling of RCC slab"*. Audit observed that in eight (08) cases, the department did not recover the cost of old materials, namely old bricks, brick bats, steel from RCC slab, and stone. In four (04) cases, the department neither utilized the retrieved material as sub-base course nor recovered its cost from the contractors.

Violation of the contract agreement resulted in less recovery amounting to Rs 116,329,620.

Audit pointed the less recovery in August and September 2023.

The paras were discussed in the SDAC meeting held from November to December 2023. The department admitted to effect the recovery in all cases except in sub-para 7 of DP No. 235, in which the department explained that it was impossible to reuse old sub-base at once due to extensive length of road. Audit contended that 90% of dismantled material required to be paid on labour rate as per TS estimate. In DP No. 235(7), the Committee directed the department to effect the recovery in all cases and in DP No 235(7) to adjust available material till final bill. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

(Annexure-XXXVIII)

10.1.5.2.3.9 Overpayment due to inadmissible price variation on M&R works – Rs 35.705 million

As per Delegation of Financial Powers Rules, 2016 read with FD's clarification No. FD(C&W)4-207/2021-22 dated 14th June 2022, no price variation is admissible on M&R works. Further, in SDAC meeting held on 14th December 2022, in DP No. 512 (2022-23), the committee directed the department to effect recovery.

Executive Engineers, Highways Divisions, Bahawalpur, in eighteen (18) works paid Rs 35,705,047 on account of price variation against M&R works. Audit observed that price variation on M&R works was inadmissible as per FD's clarification.

Violation of FD's instructions resulted in overpayments amounting to Rs 35,705,047.

Audit pointed out the overpayments in August 2023.

The para was discussed in the SDAC meeting held on 3rd November 2023. The department explained that price variation was paid to the contractors prior to issuance of clarification by FD. Audit informed the Committee that price variation was not admissible as per delegation of financial powers 2016 and same was clarified by FD in 2022. Therefore, recovery was required to be made in the works where price variation was paid on M&R works prior to clarification also. The Committee directed the department to effect the recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 159 (2023-24)

10.1.5.2.3.10 Overpayment due to allowing excess quantity of bitumen than actually used – Rs 45.636 million

As per FD's notification No. RO(Tech)FD 2-3/2004 dated 2nd August 2004, payment is to be made to the contractor as per JMF or actual bitumen used in the work. Further, in SDAC meetings held on 29th December 2021 and 29th November 2022 in respect of Executive Engineer, Highways Division, Gujrat the committee directed the department to effect actual recovery in DPs No. 724 (2021-22) and 209, 224 (2022-23).

Executive Engineers, Highways Divisions, Gujrat, in twenty-two (22) works, paid for the item *"P/L premixed asphalt carpet"* during the FY 2021-22. Audit observed that the issue of recovery against less utilization of bitumen had been raised in previous years and SDACs had been directing recoveries in it. However, the department failed to effect recovery, amounting to Rs 45,636,255, on account of the same issue in twenty-two (22) unaudited works during the FY 2021-22.

Violation of FD's instructions resulted in overpayments amounting to Rs 45,636,255.

Audit pointed out the overpayments in September 2023.

The para was discussed in the SDAC meeting held on 28th November 2023. The department explained that due recovery had already been made good on the basis of actual utilization of bitumen in asphalt. Audit reported that the full rate for item carpeting was paid as quoted by the contractors. Additionally, recovery from the last paid bills of the works was not proved by presenting relevant documentary evidence. The Committee directed the department to produce relevant record, i.e., JMF, extraction test reports and last paid vouchers in support of reply within 14 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 660 (2023-24)

10.1.5.2.3.11 Overpayment due to non-utilization/non-deduction of excavated earth – Rs 7.549 million

As per section 411 of Standard Specifications for Road & Bridge Construction 1971, "available useable material from the excavation was to be used in work before using material from an outside source. Further, as per specification No 17.1(A) (11) (i) of Specifications for Execution of Works 1967 Volume-I Part-II, if cutting and filling were to be done simultaneously, all suitable materials obtained from excavation would be used in filling". Further, in SDAC meetings held on 29th December 2021, 29th November 2022 and 12th January 2023 in respect of Executive Engineers of Highways Divisions Narowal and Gujrat, the department admitted the recovery/adjustment on the same issues in DPs No. 705, 716,719, 722 (2021-22) and 198, 221, 782 (2022-23).

Executive Engineers of various Highways Divisions, in three (03) cases, paid for the item *"Earthwork for making embankment"*. Audit observed that department did not deduct the quantity of excavated earth, road crust and regular excavation from the item of earthwork embankment.

(Amount in Rs)

S.No.	**DP No.**	**Name of Division**	**Amount Overpaid**
1	945 (2023-24)	Mandi Baha-ud-Din	212,749
2	340 (2023-24)	Narowal	4,035,382
3	656 (2023-24)	Gujrat	3,301,123
		Total	**7,549,254**

Violation of the Specifications resulted in overpayment amounting to Rs 7,549,254.

Audit pointed the overpayment in September 2023.

The para was discussed in the SDAC meeting held on November and December 2023. In DP 340, the department explained that the deduction of excavated earth had already been made in all works. In DP 656, the department explained that either the quantity of regular excavation or sub-base was deducted from embankment. In DP 945, the department admitted the recovery. Audit contended that the department did not deduct the area of culverts and drain from embankment in DP 340. In DP 656, the earth obtained from excavation was to be adjusted for making embankment. In DP 945, the department admitted to effect recovery. The Committee directed the department, in DP 340 to effect the recovery, in DP 656, to get verified record within 30 days otherwise effect recovery and in DP 945, the Committee directed the department to effect recovery. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

iii. Public Health Engineering Department (PHE)

10.1.5.2.3.12 Non-recovery of GST on Solar panels and inverters – Rs 7.817 million

According to para 4(ii) of the FBR's letter No.1(42)STM /2009/99638-R dated 24th July 2013, in case of public works, it may be ensured that the contractors engaged make purchases only from sales tax registered persons. Since contractors carrying out government works against public tender must have a BOQ, the contracting department/organization must need such contractors to present sales tax invoices of all the material mentioned in the BOQ as evidence of its legal purchase, before payment is released. Further, in SDAC meeting held on 8th October 2021 in respect of Executive Engineer, PHE Division-I, D.G Khan, the committee directed the department to get verified the GST invoices otherwise effect the recovery in DP No.28 (2021-22).

Executive Engineer, PHE Division-I, D.G Khan in six (06) works, paid for the item "*P/F & installation of Solar PV Panel (A Grade), led light etc*" amounting to Rs 45,981,943. Audit observed that department did not deduct GST at the rate of 17% while making payment to contractors in unaudited schemes.

Violation of SDAC directives resulted in non-deduction of GST amounting to Rs 7,816,913.

Audit pointed out the non-deduction of GST in August 2023

The para was discussed in the SDAC meeting held on 19th October 2023. The department did not produce record during verification. The Committee took it seriously and directed the department to get complete record verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 53 (2023-24)

10.1.5.2.3.13 Loss due to non-recovery of dismantled material – Rs 4.437 million

According to para 9(i) of Chapter 18.1 of Specification for Execution of Works 1967, the dismantled material is the property of the government and cost of it should either be recovered from contractor as credit of dismantled material or it should be counted, measured and recorded for open auction. Further, in SDAC meetings held on 13th December 2021 and 12th December 2022 in respect of Executive Engineer, PHE Division, Sheikhupura, the department admitted and effected the recovery on the same issue in DPs No. 303 (2021-22) and 117, 118 (2022-23).

Executive Engineers of various PHE Divisions in two (02) case, paid for the items *"Dismantling of brick or flagged flooring, dismantling of brickwork"*. Audit observed that the department did not recover dismantled material according to the provision in the respective TS estimates.

(Amount in Rs)

S. No.	DP No.	Name of Division	Amount
1	34 (2023-24)	Sheikhupura	4,310,397
2	54 (2023-24)	D.G Khan	126,711
	Total		**4,437,108**

Violation of the Specifications resulted in less/non-recoveries amounting to Rs 4,437,108.

Audit pointed the irregularity in August 2023.

The paras were discussed in the SDAC meetings held on 20th November 2023 and 11th December 2023. The department admitted the recovery in DP 34. In DP No.54, the department did not get the record verified. The Committee directed the department to effect recovery in DP No. 34 and took the matter seriously in the case of DP No. 54, directing the department to get the record verified from Audit.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

10.1.5.2.3.14 Undue financial benefit to contractor due to non-deduction of Income Tax – Rs 4.137 million

As per FBR's clarification vide No.5/WHT-U-03 dated 24th April 2018, the income tax was required to be deducted from the contractors on the gross value of work done including amount of PST u/s 153 of Income Tax Ordinance 2001. Further, in SDAC meeting held on 8th October 2021 in respect of Executive Engineer, PHE Division-I, D.G Khan, the department admitted to effect the recovery on the same issue in DP No. 20 (2021-22).

Executive Engineer, PHE Division-I, D.G Khan, in three (03) works, made payment of Rs 59,103,208 to contractors during the FYs 2021-22 & 2022-23. Audit observed that the department failed to implement the decision of SDAC regarding the deduction of income tax at the rate of 7% on the gross amount of the bills while making payments to contractors in unaudited schemes.

Violation of SDAC directives resulted in undue financial benefit due to non-deduction of income tax amounting to Rs 4,137,224.

Audit pointed out the non-deduction of Income tax in August 2023.

The para was discussed in the SDAC meeting held on 11th December 2023. The department did not produce record during verification. The Committee took it seriously and directed the department to get complete record verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No. 55 (2023-24)

10.1.6 Departmental Responses

The issues were discussed in SDAC meetings held during September to November 2023 and departmental responses and decisions are incorporated in each audit para of thematic report.

10.1.7 Recommendations

It is imperative for the departments to carefully consider the following recommendations to address the non-implementation of SDAC directives in unaudited schemes:

1. It is crucial for departments to set up a strong internal audit department to effectively audit all schemes and projects. This will help identify discrepancies, prevent undue benefits to contractors, and ensure compliance with rules.
2. Departments need impose strict disciplinary actions against officials violating rules, especially in cases of overpayment or providing undue benefits to contractors. This will serve as a deterrent and maintain accountability.
3. Supervisory officers be obligated to conduct regular inspections of project-related office documents to reduce discrepancies.
4. Departments need to strictly adhere to prescribed rules and regulations in all aspects of scheme implementation and contractor engagements to prevent non-compliance and ensure transparency.
5. Departments need clear mechanisms for recovering undue benefits provided to contractors. This ensures the appropriate utilization of department resources.

Implementing these recommendations will help departments mitigate the risk of providing undue benefits, ensure regulatory compliance, and maintain transparency and accountability in their operations.

10.1.8 Conclusion

In conclusion, the combination of weak internal controls, the failure to implement SDAC directives in unaudited schemes for recovery, and the absence of an internal audit function has resulted in providing undue benefits to contractors at the cost of the public exchequer. This situation is further exacerbated by the lack of action against officials violating rules and granting unwarranted benefits to contractors. The failure to implement disciplinary measures for overpayments and the overall lack of regard for established rules and regulations contribute to an environment of non-compliance and potential misuse of public funds.

Urgent attention is required to address these issues, and stringent measures must be implemented to ensure accountability, transparency, and adherence to established guidelines. Commitment and effective actions are necessary to prevent a compromise in the integrity of the system and to restore public trust in the proper handling of public funds. The relevant authorities must act swiftly and decisively to rectify these shortcomings and instill a culture of responsibility and compliance within the concerned departments. Proactive measures and diligent oversight are essential to effectively address the identified issues, thereby safeguarding the public interest and upholding the principles of good governance.

10.2 Contract Management (Sub-Theme: Management of Securities and Advances)

10.2.1 Introduction

Securities serve as financial assurances presented by successful bidders, ensuring the fulfillment of all contractual obligations. They offer clients financial security and protect against losses or additional costs arising from a contractor's default. Advances, on the other hand, are funds provided for a designated purpose, typically repayable within a short timeframe.

Managing securities and advances in the public sector entails supervising financial instruments like bank guarantees, performance guarantees, and indenture bonds. This process also involves implementing a transparent financial system and enhancing regulatory frameworks to ensure the efficient and accountable management of public funds.

a) Types of Securities

Securities are of following types:

i) **Security Deposit:** Security deposits represent specific percentages of amounts withheld from contractors' bills. As per Memorandum of Work (d) of Standard Contract agreement, percentage of Security Deposit to be retained at the rate of 10% up to work done of Rs 5 million from the bills and beyond the Rs 5 million, 5% against every payment will be retained as security deposit. The security is to be retained till the Defect Liability Period (DLP).

ii) **Performance security:** Performance securities refer to the bank guarantee or another form of security that contractors submit to fulfill obligations outlined in the contract, as specified in the bidding documents. According to Memorandum of Work (h) of the Standard Contract Agreement, when the contract price exceeds Rs 50 million, a performance guarantee of 5% of the contract price is required in the form of a performance guarantee from scheduled banks.

    The security deposited by a contractor, whether in cash or another form, is refunded to them after three months from the issuance of the certificate of completion of the work under Clause 40 by the Engineer-in-charge. Alternatively, it may be refunded along with the final bill if it is prepared after that period due to unavoidable circumstances.

Additional performance security: In accordance with the general directions for the guidance of tenderers and contract clause 26-A, if a bidder quotes 5% or more below the estimated cost, the bidder is required to deposit an amount equal to below percentage than the estimated cost.

b) Types of Advances

Advances are of two types:

i. **Secured Advance:** As outlined in contract clause 45, a secured advance is disbursed amounting to up to 75% of the value of materials brought to the site by the contractor. This advance is subject to adjustment based on utilization as specified in the contract terms.

ii. **Mobilization Advance:** According to FD's notification No. R.O(Tech)F.D. 18-44/2006 dated 7th December 2007, mobilization advance is granted to a contractor whose tendered amount in the acceptance letter exceeds Rs 10 million. The advance is provided at a rate of 10% of the contract amount upon acceptance of the contract, and an additional 5% is given after the contractor has mobilized resources on-site. The recovery of the mobilization advance takes place after the expiry of 20% of the completion period or 20% of the work done, whichever is earlier, at a rate of cost of 25% of the work done in each billing cycle.

In summary, securities are acquired from contractors as specified in the contract to minimize the risk exposure of public funds, while advances are extended to contractors to facilitate the timely accomplishment of designated tasks.

10.2.1.2 Background

Audit has consistently brought attention to issues surrounding the management of securities and advances. A recurring concern is the failure to acquire the necessary securities or obtaining them in inadequate amounts. Premature release of "security deposits" and "performance/additional performance guarantee(s)" is noted when departments/authorities release these securities, including interest-bearing security, before the expiry of the DLP or the period specified in the agreement. Furthermore, there are instances where performance/additional performance guarantee(s) are not revalidated during the currency of the agreement.

It's crucial to note that security deposits and performance/additional performance guarantee(s) are intended for risk coverage for the government. Therefore, any adjustments, whether through transfer entries or any other means, before the expiry of DLP are not permissible from securities. Such actions amount to providing undue financial benefits to the contractor.

Secured advance is intended to cover up to 75% of the value of materials brought to the site by the contractor. However, it is commonly observed that secured advances are paid at rates higher than what is admissible. Additionally, while secured advance granted on material is supposed to be recovered based on the value of material consumed in the work, the practice of recovering advances according to actual consumption is rarely followed. Moreover, the recovery of mobilization advances often deviates from applicable rules, either occurring late or not aligning with the established procedures for recovery from bills.

The issues mentioned concerning contractors' securities and advances have been persistently recurring and are consistently highlighted in every Audit Report over an extended period.

10.2.1.3 Establishing the Audit Theme

10.2.1.3.1 Reasons for Selection

In the public sector, overseeing the management of securities and advances is crucial for adhering to contractual and financial regulations, safeguarding public funds, and mitigating risks associated with potential contractors' default. This involves the implementation of a robust financial oversight mechanism to monitor expenditures, prevent fund misuse, and ensure that advances are utilized for their intended purposes. Specific conditions for any advance payment, such as the amount, purpose, and terms for repayment, are also essential in this context.

Indeed, proper management of securities and advances in a contract, aids in the efficient management of financial resources, fosters transparency in financial transactions, and upholds accountability by meticulously documenting all pertinent processes and decisions related to securities and advances.

A critical review of previous audit reports reveals significant issues within the C&W, LG&CD, Irrigation, and HUD&PHE Departments. A holistic analysis of these issue is need of the hour. Accordingly, the thematic audit was planned with the expectation to significantly contribute towards developing/strengthening controls over obtaining and release of securities and prompt adjustment of advances.

These concerns primarily revolve around the failure to obtain valid performance/additional performance securities, the absence of revalidation for existing securities, premature release of securities, and discrepancies in the payment and recovery of advances as per contractual agreements.

10.2.1.3.2 Purpose/Objectives

The thematic audit represents a comprehensive investigation into the government's management of securities and advances. The primary purpose of obtaining these securities and guarantees is to incentivize contractors, ensuring their adherence to project specifications and timelines, thereby avoiding forfeitures. The payment of advances serves as motivation for contractors to deliver high-quality work, complete projects on time, and prevent additional costs, ultimately mitigating potential impacts on the public.

This thematic audit aims to evaluate the extent and pervasiveness of issues related to securities and advances. Despite being consistently highlighted and discussed at forums such as PAC and SDAC, these issues have not subsided. Audit seeks to minimize these irregularities by shedding light on deficiencies in control mechanisms that contribute to their recurrence. Identifying and assessing lapses in the implementation of these control mechanisms will enable departments to revisit their strategies for overcoming such irregularities.

Moreover, providing a holistic view of the severity of the issue can prompt the necessary resolve to effectively address and curtail this problem.

This audit is expected to assist the PAC in informing the parliament about systemic issues within the public sector, specifically related to the potential provision of undue favors to contractors, posing a risk to the government exchequer. Additionally, the public administration at large, and executing agencies in particular, will be notified about the shortcomings in the existing system and provided support in implementing remedial measures.

10.2.1.3.3 Scope

The thematic audit aimed to determine whether the departments had established and effectively implemented internal control mechanisms concerning the acquisition of valid securities, their releases in accordance with contractual provisions, and the management of advances and recoveries. The audit was conducted from July 2023 to November 2023, covering the FY 2022-23.

The audit covered the following areas of concern:

i. Verification of the receipt of Bid Security (earnest money) in accordance with guidelines and its proper recording in respective registers/books.
ii. Assessment of whether works/schemes were awarded only after obtaining CDRs as bid securities, performance securities, and Quality Assurance Securities (additional performance securities) in the required form, and confirmation of proper recording in relevant accounting books.
iii. Examination of whether prescribed forms or respective statements were prepared, recorded, and submitted to the concerned offices.
iv. Evaluation of whether securities were released following the completion of schemes and after the expiry of the DLP.
v. Verification of reconciliation between securities registers and SAP data.
vi. Inspection of whether Performance and Quality Assurance Securities (additional performance securities) were verified by respective banks and remained valid throughout the currency of the agreement.
vii. Confirmation of whether securities were transferred to commercial banks as interest-bearing securities (IBS) with approval from the competent forum and proper representation in relevant accounting records.

viii. Examination of whether IBS were released directly to the contractor from the bank or these reclaimed in the head "Securities G-10113" before being released to the contractor.
ix. Inspection of whether available securities were adjusted against recoveries after the expiry of the DLP.
x. Assessment of whether penalties were imposed and recovered from security deposits after the maturation of the agreement.
xi. Evaluation of whether secured advance was disbursed at the input rate of material instead of composite rates.
xii. Examination of whether the recovery of secured advance was delayed despite the consumption of material.
xiii. Verification of whether mobilization advance was granted in lieu of a bank guarantee from a scheduled bank.
xiv. Confirmation of whether the mobilization advance was recovered at the rate of 25% within the due dates.
xv. Assessment of whether Standard Operating Procedures (SOPs) were designed to ensure effective monitoring and periodic inspection of books/records to prevent the premature release of securities.

10.2.2 Legal Framework Governing the Theme

- **Rules, Procedures and Instructions**

a. Standard Contract Agreement

i. General Directions for the Guidance of the Tenderer

- As per contract (Memorandum of work) (d) percentage of **security deposit** is to be retained from the bills as under:

- On the amount of work done up to Rs 5 million = 10%
- On the amount of work done beyond Rs 5 million = 5%

ii. Contact Clause 7

As per clause 7 of the contract agreement "the contractor is required to provide **performance security** in the shape of bank guarantee at the rate of 5% of the accepted tender price within 15 days of receipt of acceptance letter in the case of tenders with a cost exceeding Rs 50,000,000. The performance security deposit/additional performance security deposit lodged by a contractor (in cash or/other form) shall be refunded to him after the expiry of three months after the issue of the certificate of completion of the work under Clause 40 hereof by the Engineer-in-charge or along with the final bill if it is prepared after that period on account of some unavoidable circumstances".

iii. *General Directions for the Guidance of Tenderers*

As per direction No. 26-A of contract agreement, "if the contractor quotes his rates 5% or more below the estimated rates, **additional performance security** of scheduled bank be obtained within 15 days of the receipt of the acceptance equal to below percentage than the estimated cost".

iv. Contract clause 50

As per clause 50 (a) of the contract agreement, "the amount retained as **security deposit** shall not be refunded to the contractor before the expiry of 6 months in the case of original work valuing up to Rs 5,000,000 and 12 months or even more, as may be determined by the Engineer in-charge with the prior approval of the CE, in case of works valuing above Rs 5,000,000, after the issuance of certificate of completion of work under clause 40 of contract agreement".

b. FD's instructions regarding payment of mobilization advance

As per para (v) of FD's notification vide No. R.O(Tech) F.D.18-44/2006 dated 7th December 2007, mobilization advance is payable on submission of bank guarantee, and the recovery thereof shall commence after the lapse of 20% of the contract period or after the execution of 20% of the works (in financial terms), whichever is earlier. The rate of recovery shall be 25% of the value of work done in each interim payment certificate (running bills).

c. Account Code (Volume-III)

As per section 74 of Account Code Volume-III, the percentage deductions for Security Deposit made from contractors' bills should be credited to the head "Public Works Deposits - Cash Deposits of contractors".

d. Departmental Financial Rules (DFR)

According to Rule 7.36 of DFR, "mobilization advance may be sanctioned against irrevocable bank guarantee on form DFR (PW)28-A in favour of the Government from any scheduled bank".

e. B&R Department Code

As per para 2.98 (a) of the B&R Department Code, “Recovery of secured advance so made should not be postponed until the whole of the works entrusted to the contractor has completed. Under normal circumstances, the secured advance should be recovered within three months”.

10.2.3 Government Organizations and Stakeholders Involved

Following stakeholders and government organizations were associated with the theme:

i. Finance Department
ii. C&W Department
iii. HUD&PHE Department
iv. Irrigation Department
v. LG&CD Department
vi. P& D Department
vii. CDA
viii. Public at large
ix. Contractors

10.2.4 Role of Important Organizations

a. Finance Department

The Finance Department of the Government of Punjab plays a pivotal role in overseeing and managing the financial aspects of contracts. Through timely instructions and guidance regarding performance/additional performance securities and the handling of advances, the department ensures that financial processes align with established standards. These functions significantly contribute to the efficient and accountable financial management within the government's operations, fostering transparency and adherence to regulatory frameworks.

b. Executing Department

Executing departments bear the responsibility of ensuring the efficient execution of projects while adhering to contractual obligations. The absence of an effective and robust monitoring regime poses a potential risk to the successful implementation of development projects. A proactive and vigilant monitoring system is crucial to mitigate risks, address issues promptly, and ensure the overall success of projects.

c. Audit Department

The Directorate General of Audit Works (Provincial) at the provincial level plays a crucial role in identifying instances of non-compliance with contractual obligations within audited departments. By fulfilling this instrumental function, the directorate contributes significantly to upholding transparency, accountability, and integrity in the financial operations of the government. Through audit activities, it serves as a vital oversight mechanism, ensuring that public funds are utilized in accordance with established guidelines and contractual commitments are met.

10.2.5 Organizations' Financials

The departments of C&W, Irrigation, HUD&PHED, and LG&CD receive funding through the ADP. Some of these departments also generate their own revenue through activities such as right of ways, auction of toll plazas, and fees & penalties from stakeholders. In order to safeguard public funds, each department is equipped with an account branch, and all payments undergo pre-audit by the Divisional Account Officer appointed by the DG Account Works Lahore before being processed. This financial oversight mechanism ensures that expenditures are in compliance with established regulations and contribute to responsible financial management.

The budget and expenditures of these departments are detailed in the respective chapters of this report.

10.2.6 Field Audit Activity

10.2.6.1 Methodology

A. The following methodology was adopted for the thematic audit:

i. Understanding the auditee/activity.
ii. Reviewing audit objectives.
iii. Reviewing audit scope and specific TORs.
iv. Reviewing governing framework.
v. Scrutiny of the relevant record.
vi. Reporting.

B. Following documents were scrutinized;

i. CDRs of earnest money
ii. Acceptance letter
iii. Measurement books
iv. Security Deposit register
v. Contractor ledger
vi. Form-34
vii. Indenture bonds
viii. Interest-bearing securities and bank statements
ix. Accountal of interest-bearing securities
x. Performance/additional performance securities in original and its validation
xi. Final bills
xii. Completion certificate

10.2.6.2 Audit Analysis

10.2.6.2.1 Review of Internal Controls:

The report highlights a variety of recurring irregularities, suggesting that systemic issues have been steadily growing due to inappropriate internal controls or insufficient oversight mechanisms over the years. Contractual obligations, a crucial aspect of these controls, were not adhered to in both form and substance.

Despite all payments undergoing pre-audit, financial irregularities noted during the thematic audit suggest that the pre-audit process was not being effectively conducted.

The Risk Matrix for the potential risks because of deficiencies in the internal controls is presented as under:

Sr. No.	Activity	Impact	Likelihood
1	Non-obtaining of performance/additional performance securities as per contract agreement.	High	Medium
2	Less deduction of security deposit	High	Medium
3	Improper/non-accountal of security deposit	High	Medium
4	Less obtaining the performance/additional performance Securities	High	High
5	Obtaining of conditional bank guarantees.	High	Low
6	Release of securities deposit and performance securities prior to completion of DLP or as prescribed in contract agreement.	High	Medium
7	Release of Interest-Bearing Securities without proper accountal.	High	Low
8	Payment of secured advances at higher rates.	High	Medium
9	Payment of mobilization advance on invalid Bank guarantees.	Medium	Low
10	Payment of mobilization advance at belated stage.	Medium	Medium
11	Recovery of mobilization and secured advances in violation of prescribed criteria.	Medium	Medium
12	Excess deduction of security deposit	Low	Medium

10.2.6.2.2 Critical Review

a. Deficiencies in legal framework:

An examination of the legal framework governing the management of securities and advances, revealed several contradictions in the existing rules were identified. A notable inconsistency arises between the percentages stipulated by PPRA Rules 2014 and the standard contract documents/bidding documents.

According to PPRA Rules 2014, additional performance security as defined in PPRA Rules 2014 means the bank guarantee or another form of security submitted by the contractor to secure obligations under the contract, in accordance with the requirements in the bidding documents/standard contract document. The percentage of this guarantee is capped at 10% under Rule 56.

However, a discrepancy arises with the standard contract documents under direction No. 26-A, which mandates the acquisition of additional performance security if the tendered amount is less than 5% of the approved estimate. The security obtained corresponds to the percentage below the estimated amount as quoted by the bidder.

This discrepancy has led to litigation, with multiple suits filed in the courts by contractors seeking to limit the additional performance security to 10%, as per PPRA Rules 2014. The courts have consistently ruled in favor of the contractors, rendering the agreement clause invalid. Despite FD's clarification that there is no upper limit for additional performance security, some cases were observed where contractors submitted these securities at 10%, even when their tendered amount was below 10% of the estimated amount. This situation exposes the projects to multiple risks.

Furthermore, clause 07 and 26-A of the standard contract document, in conjunction with FD’s instructions No. RO(Tech)FD-1-2/83(V)(P) dated 6th April 2005, specify that performance and additional performance securities shall be obtained in the form of a guarantee from scheduled banks. The State Bank of Pakistan has approved a list of scheduled banks based on their credit history and ability to fulfill financial obligations. Obtaining guarantees from banks not on this approved list exposes the government to undue financial risk in the event of contractor default.

Audit observed several instances where these guarantees were obtained from insurance companies, following orders from the Honorable High Court, Lahore. Given that decisions of the courts of law establish precedents, the agreement clause, which prohibits government functionaries from accepting guarantees from non-scheduled banks, may become ambiguous and non-functional. It is widely acknowledged that vagueness in rules and agreements can adversely impact their implementation.

Introducing amendments to the existing legal framework to address the identified discrepancies and contradictions, coupled with strict supervision to ensure compliance, can undoubtedly enhance contract management in the departments.

b. Deficiencies in role and performance of the organizations

The organizations tasked with overseeing public works, such as C&W, Irrigation, HUD&PHED and LG&CD, play a pivotal role in safeguarding public interests, particularly concerning development projects. In the FY 2022-23, a substantial amount of Rs 409.555 billion was allocated for the ADP, with external loans and grants totaling Rs 18.727 billion utilized for development initiatives. The effective and transparent utilization of these significant sums is imperative to mitigate risks associated with sub-standard works, contractor default, and cost/time overruns.

To address these risks, internal controls have been established, including the requirement for contractors to provide performance and additional performance securities. Successive audits have revealed shortcomings in the implementation of these crucial controls, with contractors failing to provide required securities, amounting to Rs 3.1 billion, in numerous works. This failure to adhere to established rules and instructions poses a significant risk to the government's financial interests.

Furthermore, the failure to revalidate expired performance and additional performance securities exposes the government to undue risks. It is concerning that many Engineer-in-Charge do not comply with the rule mandating the revalidation of these securities well in advance of their expiry. Consequently, instances were observed where securities amounting to Rs 1.7 billion expired without any efforts made by the organizations to secure their revalidation, leaving the government vulnerable to financial risks.

Lapses had been identified in adhering to defined timelines for the release of securities, resulting in premature releases totaling Rs 757.4 million. The premature release of securities not only provides undue financial benefits to contractors but also undermines contractual assurances and escalates project risks.

The retention of security amounts from bills is another area where departments exhibited not up to the mark performance. In several cases, securities amounting to Rs 11.9 million were deducted less than the required percentage, indicating a serious lapse in the billing process.

Furthermore, the management of Mobilization and secured advances is critical for financial discipline. However, observations revealed instances where the recovery of public funds from mobilization advances was either made at a lesser rate or delayed, contrary to contractual obligations. Similarly, the granting of secured advances at rates higher than permissible has become endemic due to negligence in bill preparation and a lack of necessary caution by supervisors and accountants.

The accurate and transparent recording of financial transactions is fundamental to effective contract management. The proper recording of securities in the Security Deposit Register is essential for ascertaining the actual amounts and ensuring judicious releases. Unfortunately, this area is often overlooked, particularly in the case of interest-bearing securities, leading to poor financial discipline.

Lastly, improper administrative oversight over the formations has directly contributed to the accumulation of issues related to securities and advances. The monitoring wings established in each Secretariat have lost their functionality over time. Additionally, the CEs of respective departments are required to submit inspection reports. Administrative prudence demands that these CEs conduct a comprehensive inspection. Unfortunately, these reports are limited to physical inspection only, and irregularities regarding payment/recovery of advances and obtaining required valid guarantees are not even mentioned. This lack of accountability on the part of supervisors is very concerning as it erodes the controls in place to ensure compliance with rules. Also, the absence of internal audit within departments has far-reaching repercussions in terms of managing contracts and safeguarding the government against unnecessary risks. The absence of a robust internal audit system contributes to the pervasiveness of irregularities.

In conclusion, addressing the identified deficiencies in the role and performance of organizations such as C&W, Irrigation, HUD&PHED, and LG&CD is imperative for ensuring the prudent and effective management of public finances. It is essential for these organizations to strengthen internal controls, adhere to established rules and timelines, and prioritize accurate financial recording and transparency. Additionally, the establishment of a functional internal audit system can play a pivotal role in identifying and mitigating financial risks. Only through concerted efforts to address these deficiencies can these organizations fulfill their decisive role in safeguarding public interests and ensuring the successful implementation of development works.

c. Deficiencies in Funding:

Efficient and timely execution of annual development works necessitates continuous funding. Common occurrences of budgetary deficits, delayed releases, and abrupt withdrawal of funds by FD introduce uncertainty, hampering the efficient utilization of funds. This uncertainty compels executing departments to resort to practices such as excess deduction of security to prevent fund lapses. Additionally, delayed recovery of mobilization and secured advances are other consequences of uncertainties regard fund flows. Establishing continuity and certainty in fund flows can mitigate such practices and ensure the early recovery of advances.

10.2.6.2.3 Significant Audit Observations

The following significant audit findings were observed during the course of audit:

10.2.6.2.3.1 Undue benefit to contractors: Non-obtaining performance/additional performance securities – Rs 3,096.005 million

As per clause 7 of the contract agreement read with item (h) Memorandum of Work, and FD's instructions No. RO(Tech)FD-1-2/83(V)(P) dated 6th April 2005, the contractor is required to provide performance security in the shape of bank guarantee at the rate of 5% of the accepted tender price within 15 days of receipt of acceptance letter in the case of tenders with a cost exceeding Rs 50,000,000. Further, as per general condition No.26(A) of the contract agreement read with FD's letter No.RD (Tech)FD-1-2/83/VI(P) dated 24th January 2006, if the contractor quotes his rates 5% or more below the estimated rates, additional performance security of scheduled bank shall be obtained within 15 days of the receipt of the acceptance equal to below percentage than the estimated cost.

Executive Engineers of Highways, Buildings, Irrigation, PHE, LG&CD departments and KSIP awarded various works to the contractors. In thirty-one (31) cases, audit observed that the department did not obtain performance securities amounting to Rs 2,029.526 million, calculated at 5% of the accepted tender price, for sixty-five (65) works. Additionally, the department did not obtain additional performance securities amounting to Rs 1,066.479 for thirty (30) works, wherein the awarded amount for each work was less than 5% of the estimated cost. These securities were intended for risk coverage on behalf of the Government.

Violation of the contract agreement resulted in non-obtaining of performance and additional performance securities amounting to Rs 3,096,005,000.

Audit pointed out the irregularities during 2023. The departments did not reply.

The paras were discussed in the SDAC meetings held from November to December 2023. The department explained that due securities had been obtained. Audit contended that the departments in twenty one (21) cases, did not produce the complete record in support of replies, and in ten (10) cases, produced expired performance/additional performance securities. Audit further informed that valid securities were required to be retained by the departments till the completion of the works and the DLP, however, the department did not produce the record regarding completion of the works. The Committee directed the departments in 21 cases, to get the complete record verified from Audit, in 09 cases, refer the matter to FD for regularization and for the remaining one case (DP No.346), to get the matter probed by the concerned SE and submit a report to Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC directives besides fixing responsibility and strengthening internal controls to avoid recurrence of such issues.

(Annexure-XXXIX)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para Nos. 2.4.2.54, 2.4.2.62, 2.4.1.14.3, 2.4.1.14.4, 3.4.9.21, 4.4.48 in AR 2018-19, Para Nos. 2.5.1.21.2, 2.5.1.22, 3.5.8.20, 3.5.8.21, 4.5.59, 4.5.27 in AR 2019-20, Para Nos. 2.4.2.22, 2.4.1.9, 3.4.6.18.1, 3.4.6.18.2, 4.4.16 in AR 2021-22 and Para Nos. 4.4.18, 5.4.1.14 in AR 2022-23 having financial impact of Rs 8,661.789 million. Recurrence of same irregularity is a matter of serious concern.

10.2.6.2.3.2 Undue financial benefit to contractors: Less obtaining performance/additional performance securities – Rs 236.282 million

As per clause 7 of the contract agreement read with item (h) Memorandum of Work, and FD's instructions No. RO(Tech)FD-1-2/83(V)(P) dated 6th April 2005, the contractor is required to provide performance security in the shape of bank guarantee at the rate of 5% of the accepted tender price within 15 days of receipt of acceptance letter in the case of tenders with a cost exceeding Rs 50,000,000". Further, as per general condition No.26(A) of the contract agreement read with FD's letter No.RD (Tech)FD-1-2/83/VI(P) dated 24th January 2006, if the contractor quotes his rates 5% or more below the estimated rates, additional performance security of scheduled bank be obtained within 15 days of the receipt of the acceptance equal to below percentage than the estimated cost.

Executive Engineers of Highways, Buildings, Irrigation and PHE departments awarded various works to the contractors. The departments were required to obtain performance securities at a rate of 5% of the agreed cost, along with additional performance securities corresponding to the percentages quoted below the estimated costs of the works. In eleven (11) cases, Audit observed that the departments obtained less performance securities, amounting to Rs 83.095 million for four (04) works, and less additional performance securities, amounting to Rs 153.187 million for seven (07) works.

Violation of the contract agreement resulted in less obtaining of performance/additional performance securities amounting to Rs 236,282,000.

Audit pointed out the less obtaining of performance/additional performance securities from August to October 2023.

The paras were discussed in SDAC meetings held from November to December 2023. In two (02) cases (DPs Nos. 380 & 712), the departments explained that performance securities had been obtained in full at the rate of 5%, fifty percent (50%), in shape of bank guarantees and fifty percent (50%) in shape of insurance guarantees in compliance of Lahore High Court orders. Audit contended that rule making authority i.e., FD was not involved in the proceedings of the Court. The Committee in both cases, directed the department to refer the matter to FD for advice. In other four cases (DPs Nos 177, 363, 217 & 375), the department explained that as per rule 56 of PPRA and Lahore High Court decision, the department was bound to deduct the additional performance securities up to 10% instead of corresponding below quoted percentages. Audit contended that department was required to follow FD's instructions. Further, the department did not produce the true copy of the Court orders in support of its stance. The Committee directed the department in DP No. 217, for verification of encashment of performance security and in three cases, to get the true copy of the Court orders verified from Audit. Furthermore, in five cases (DPs Nos.47, 215, 270, 277 & 435), the departments admitted to obtain the balance amount of performance/additional performance securities from the contractors. The Committee directed the departments to obtain the same at the earliest in all five cases and get it verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC directives besides fixing responsibility and strengthening internal controls to avoid recurrence of such issues.

(Annexure-XL)

<u>Note:</u> This issue was reported earlier also in the Audit Report for the year 2018-19 vide Para No.2.4.1.14.2 having financial impact of Rs 117.984 million. Recurrence of same irregularity is a matter of serious concern.

10.2.6.2.3.3 Non-revalidation of performance/additional performance securities – Rs 1,760.614 million

As per clauses 7 and 26-A of contract agreement, "the performance security deposit/additional performance security deposit lodged by a contractor (in cash or/other form) shall be refunded to him after the expiry of three months after the issue of the certificate of completion of the work under Clause 40 hereof by the Engineer-in-charge or along with the final bill if it is prepared after that period on account of some unavoidable circumstances".

Executive Engineers of Highways, Buildings, Irrigation, and PHE departments awarded various works to the contractors. In twenty-five (25) cases, Audit observed that the departments obtained performance/additional performance securities in the form of bank guarantees amounting to Rs 1,760,614,000, which had expired during the execution of works, but the same were not revalidated.

Violation of the contract agreement resulted in non-revalidation of performance securities amounting to Rs 1,760,614,000.

Audit pointed out the non-revalidation of performance securities during 2023. The departments did not reply.

The paras were discussed in the SDAC meetings held from November to December 2023. The departments explained that due securities had been obtained. Audit contended that in ten (10) cases, the department did not produce the complete record, in other fifteen (15) cases, produced expired guarantees which were required to be retained by the departments as per contractual provisions. The Committee directed the departments in ten (10) cases, to get the complete record verified from Audit, in four (04) cases, to probe the matter by the concerned SE and in remaining eleven (11) cases, referred the matter to FD for regularization. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC directives besides fixing responsibility and strengthening internal controls to avoid recurrence of such issues.

(Annexure-XLI)

Note: This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para Nos. 2.4.2.51.1, 2.4.1.14.1, 2.4.1.14.5, 2.4.1.14.6, 3.4.9.13, 4.4.21 in AR 2018-19, Para Nos. 2.5.2.21.1, 4.5.28, in AR 2019-20 and Para Nos. 2.4.2.24, 3.4.15.18 in AR 2022-23 having financial impact of Rs 1,382.070 million. Recurrence of same irregularity is a matter of serious concern.

10.2.6.2.3.4 Premature release of securities - Rs 753.373 million

As per clause 50 of the contract agreement, the amount retained as Security Deposit shall not be refunded to the contractor before the expiry of 6 months in the case of original work valuing up to Rs 5,000,000 and 12 months or even more as may be determined by the Engineer in-charge with the prior approval of the CE in case of works valuing above Rs 5,000,000, after the issuance of certificate of completion of work under clause 40 of contract agreement. Further, as per clauses 7 and 26-A of contract agreement, "the performance security deposit/additional performance security deposit lodged by a contractor (in cash or/other form) shall be refunded to him after the expiry of three months after the issue of the certificate of completion of the work under Clause 40 hereof by the Engineer-in-charge. Furthermore, as per clause 49 of contract agreement, in case of interest-bearing securities, upon maturity, the amount of security is retrieved back in the Public Account and refunded to the contractor in prescribed manner.

Executive Engineers of Highways, Buildings, Irrigations and PHE departments awarded various works to the contractors. Audit observed that in twenty six (26) cases, the departments released performance/additional performance securities and security deposits amounting to Rs 753.373 million prior to completion of works and expiry of DLP. It was further observed that in seven (07) cases, out of twenty six (26) cases, the interest-bearing securities amounting to Rs 129.701 million were prematurely released to the contractors directly from the banks without following the related procedure of proper accountal.

Violation of the contract agreement resulted in pre-mature release of securities worth Rs 753,373,000.

Audit pointed out irregularities from August to September 2023.

The paras were discussed in SDAC meetings held from November to December 2023. The departments explained that works had already been completed and securities were released on the request of the contractors after expiry of DLP. Audit contended that securities were released by the departments before the completion of works. Further, the departments did not prove the stance with documentary evidence. The Committee directed the departments in nine (09) cases, to probe the matter from the concerned SE/CE, in four (04) cases, to refer the case for condonation from FD and in remaining thirteen (13) cases, to get the complete record verified from Audit at the earliest. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC directives besides fixing responsibility and strengthening internal controls to avoid recurrence of such issues.

(Annexure-XLII)

<u>Note:</u> This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para Nos. 2.4.2.51.2, 2.4.1.4 in AR 2018-19, Para Nos. 2.5.2.37, 2.5.1.25, 4.5.29 in AR 2019-20, Para No. 2.5.2.31 in AR 2020-21, Para Nos 4.4.17 in AR 2021-22, Para Nos 2.4.1.19, 3.4.15.28, 4.4.19 in AR 2022-23 having financial impact of Rs 381.101 million. Recurrence of same irregularity is a matter of serious concern.

10.2.6.2.3.5 Undue financial benefit due to accepting additional performance securities from insurance company – Rs 70.887 million

As per FD's notification RO (Tech) FD-1-2/83 (V) (P) dated 6th April 2005, the contractor is required to provide performance security in the shape of bank guarantee issued by scheduled bank of Pakistan at the rate of 5% of the accepted tender price within 15 days of receipt of acceptance letter.

Executive Engineer, Buildings Division No.1, Multan and MD, CDA, Bahawalpur awarded various works to different contractors on percentages more than 5% below the cost of TS estimates. Audit observed that department obtained performance securities and additional performance securities from insurance companies instead of scheduled bank in violation of instructions *ibid*.

(Rs in million)

Sr. No.	DP No.	Formations	Amount

1	318	BD No. 1 Multan	14.55
2	316	BD No. 1 Multan	3.525
3	6	CDA Bahawalpur	52.812
Total			**70.887**

Violation of FD instructions resulted in undue financial benefit due to accepting of additional performance securities/quality assurance securities of insurance company amounting to Rs 70,887,000.

Audit pointed out the irregularities in August and September 2023.

The paras were discussed in SDAC meetings held during November 2023. The department explained that performance securities and quality assurance securities were obtained from the contractors in light of Lahore High Court decision. Audit informed that department accepted securities issued by insurance companies instead of scheduled banks against the relevant rules. The Committee directed the department in two cases, to get advice from FD and in DP No, 06, to get the matter probed by administrative department. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends probe of matter, condonation of irregularity besides fixing responsibility and strengthening internal controls to avoid recurrence of such issues.

10.2.6.2.3.6 Excess deduction of security deposit - Rs 19.006 million

As per clause (d) of Memorandum of work of standard contract agreement of the Punjab Government, "percentage of security deposit to be retained from the bills on the amount of work done up to Rs 5 million at the rate of 10% and beyond Rs 5 million at the rate of 5%".

Executive Engineers, Highways Division, Pakpattan and Buildings Division, Chakwal made payments to different contractors. Audit observed that, in three (03) cases, the department deducted Security Deposit from the contractors' payments in excess of the admissible percentage as per contract agreement.

(Amount in Rs)

Sr. No.	DP Nos.	Formations	Security Deposit deducted	Security Deposit to be deducted	Excess Security Deposit deducted	Excess deduction percentages
1	195	Highways Division (HD), Pakpattan	2,178,940	578,940	1,600,000	13.818%
2	360	BD, Chakwal	14,505,496	2,294,113	12,211,383	26.627%
3	356	BD, Chakwal	6,418,710	1,224,098	5,194,612	26.601%
Total			**23,103,146**	**4,097,151**	**19,005,995**	

Violation of contractual obligations resulted in excess deduction of Security Deposit amounting to Rs 19,005,995.

Audit pointed out irregularities during August and September 2023.

The paras were discussed in SDAC meetings held from November to December 2023. The department explained in DP No.195 that due to the awaiting results of compaction of Berms, Base Course/overlay, a certain amount was kept in retention for safety/quality assurance purpose. Now, the same tests were provided by the contractor. Audit contended that security was deducted more than 5% in violation of agreement. The Committee directed the department to get the matter condoned by FD. In DP Nos. 356 & 360, the department explained that excess deduction of Security Deposit was as a result of rush of work/overload in the month of June which was totally in favour of government interest as there was no loss to the government. Audit contended that the department deducted excess security in order to avoid surrendering unspent funds. The Committee directed the department in both cases to get the matter probed by SE Buildings Circle No.2, Rawalpindi. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early regularization from FD and submit probe report in compliance with the SDAC directives.

10.2.6.2.3.7 Undue financial benefit to contractor by less deduction of Security Deposit - Rs 11.990 million

According to contract clause (d) (memorandum of works), if the cost of work done is less than Rs 5,000,000, 10% Security Deposit and if amount of work done exceeds Rs 5,000,000, 5% Security Deposit may be deducted from work done and retained till completion of DLP.

Executive Engineer, Buildings Division No.1, Multan deducted Security Deposit amounting to Rs 57,202,657 as per Security Deposit register for the month of June 2023. Audit observed that the due amount of Security Deposit against the work done was Rs 69,192,298. However, the department deducted a lesser amount of Rs 11,989,641 (69,192,298 - 57,202,657) from the running bills, resulting in an unjustified financial benefit extended to the contractor.

Violation of contract agreement resulted in less deduction of Security Deposit amounting to Rs 11,989,641.

Audit pointed out less deduction in September 2023.

The para was discussed in SDAC meeting held on 29th November 2023. The department explained that security had been deducted from the contractors' bills. The same was partially deposited as interest-bearing security in banks and balance security was available with the department. Audit contended that department deducted less Security Deposit from running bills of contractor. The Committee directed the department to get the complete record regarding deduction of securities verified from Audit within 15 days. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid recurrence of such issues.

DP No. 315(2023-24)

Note: This issue was reported earlier also in the Audit Report for the year 2018-19 vide Para No.7.3.3.5 having financial impact of Rs 1.657 million. Recurrence of same irregularity is a matter of serious concern.

10.2.6.2.3.8 Irregular grant of mobilization advance – Rs 341.829 million

As per FD's notification No.RO(Tech) FD 18-44/2006 dated 7th December 2007, initially, a sum equal to ten percent of the tendered amount and thereafter a further sum equal to five percent of the tendered amount may be sanctioned on the furnishing of a certificate by the engineer incharge of the work to the effect that mobilization by the contractor is complete in all respect necessary for the due commencement of work.

Executive Engineers, Highways Divisions Sialkot and Hafizabad, in two (02) cases, paid mobilization advances totaling Rs 341,828,691 in the 5th and 7th running bills of the respective contractors. Audit observed that mobilization advances are typically permitted at the initial stages of a contract to facilitate the contractor's mobilization at the site and enable the commencement of work. However, in these cases, the department disbursed the advances after the execution of more than 25% of the works. Consequently, these payments at a later stage were deemed irregular and amounted to providing undue benefits to the contractors.

(Rs in million)

Sr. No.	DP Nos.	Formations	Amount
1	849	HD Hafizabad 5th Running Bill	200.053
2	261	HD Sialkot 7th Running Bill	141.775
Total			**341.828**

Violation of FD's instructions resulted in irregular grant of mobilization advance of Rs 341,828,691.

Audit pointed out the irregularities from August to September 2023.

The paras were discussed in the SDAC meetings held during November 2023. In DP No. 261, the department explained that second mobilization advance was granted on commencement of carpet work and in DP No. 849, the mobilization advance was granted after the approval by the competent authority. Audit contended that mobilization advance was admissible only before the commencement of work. The Committee in both cases, directed the department to get the matter condoned from FD. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early condonation of the matter from FD besides fixing responsibility and strengthening internal controls to avoid recurrence of such issues.

Note: This issue was reported earlier also in the Audit Report for the year 2022-23 vide Para No.3.4.15.15.2 having financial impact of Rs 29.004 million. Recurrence of same irregularity is a matter of serious concern.

10.2.6.2.3.9 Payment of mobilization advance against invalid bank guarantees - Rs 355.444 million

According to Rule 7.36 of DFR and FD's notification No. RO (Tech)FD 18-44/2006, dated 7th December 2007, mobilization advance may be sanctioned against irrevocable bank guarantee on form DFR (PW)28-A in favour of the Government from any scheduled bank.

Executive Engineers, Highways Divisions Kasur and Okara, in three (03) cases, issued mobilization advance against conditional bank guarantees. Audit observed that these bank guarantees were not obtained on the approved Form DFR (PW) 28-A. Instead, the department accepted invalid conditional bank guarantees that included a condition stipulating their validity only after the payment of the advance amount and that in case of delayed payment, these guarantees would be canceled. The observed conditionality rendered the guarantees ineffective in the event of contractor's default, as the said invalid guarantees could not be cashed from the banks.

(Rs in million)

Sr. No.	DP No.	Formations	Amount
1	646	HD, Okara	143.010
2	531	HD, Kasur	123.445
3	648	HD, Okara	88.989
Total			**355.444**

Violation of FD's instructions resulted in payment of mobilization advance against invalid bank guarantees for Rs 355,444,000.

Audit pointed out the irregularities in September 2023.

The paras were discussed in SDAC meetings held during December 2023. The departments explained that mobilization advance had been recovered. Further, the guarantees were verified, in original from the banks and same was approved by the competent authority. Audit contended that the invalid bank guarantees were obtained containing the illegal and dubious condition which was against the interest of the government and in case of contractor's default, the amount could not be cashed by the department. The Committee in all cases directed the department to get the matter probed by SE, Highway Circle, Lahore besides fixing responsibility against the responsible(s). Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early disciplinary proceedings against the person(s) responsible for payment of mobilization advance on invalid bank guarantees besides strengthening controls to avoid recurrence of such issues.

10.2.6.2.3.10 Non/less-recovery of mobilization advance - Rs 1,339.872 million

As per Para-5 of notification issued by FD vide No.RO(Tech)F-D.18-44/2006 dated 7th December 2007, recovery of mobilization advance shall commence after the lapse of 20% of contract period or after the execution of the 20% of the works (in financial terms) whichever is earlier. The rate of recovery shall be 25% of the value of work in each running bill.

Executive Engineers of various Highways, Building's and Irrigation Divisions awarded works to different contractors and issued mobilization advances amounting to Rs 1,653.978 million to the contractors. Audit observed that in five (05) cases, department did not recover the balance amount of Rs 1,339.872 million from the contractors as per FD's instruction *ibid*.

(Rs in million)

Sr. No.	**DP No.**	**Formations**	**Mob. Advance paid**	**Mob. Advance recovered**	**Balance Mob. Advance to be recovered**
1	678	HD Gujrat	1,130.794	-	1,130.794
2	493	HD Muzaffargarh	374.891	242.977	131.914
3	05	BD No. 3 Lahore	16.634	7.716	8.918
4	147	Jampur Construction Division	38.414	5.000	33.414
5	370	Irrigation Canal Division Muzaffargarh	93.245	58.413	34.832
	Total		**1,653.978**	**314.105**	**1,339.872**

Violation of FD's instructions resulted in non/less-recovery of mobilization advance amounting to Rs 1,339,872,000.

Audit pointed out non/less-recovery of mobilization advance from August to September 2023.

The paras were discussed in SDAC meetings during November 2023. The department explained in DP No.370 that funds of the scheme were released in piece meal, so, the recovery was difficult. For remaining four (04) cases, the department explained that recovery of mobilization advances was being made regularly in each running bill of the contractors. Audit contended that departments did not make actual recovery as per value of work done. The Committee directed the department in DP No.147, to get the matter probed by concerned SE and for remaining four (4) cases, to effect the due recoveries of advances from next running bills and get the complete record verified from Audit. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early recovery besides fixing responsibilities against the person(s) at fault and strengthening internal controls to avoid recurrence of such issues.

<u>Note:</u> This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para Nos. 2.4.2.52.2, 2.4.1.26, 3.4.9.15, 4.4.9 in AR 2018-19, Para Nos. 3.5.8.13, 4.5.15 in AR 2019-20, Para No. 3.5.7.6 in AR 2020-21 and Para No. 2.4.2.25 in AR 2022-23 having financial impact of Rs 668.106 million. Recurrence of same irregularity is a matter of serious concern.

10.2.6.2.3.11 Irregular obtaining of bank guarantees from non-scheduled bank – Rs 27.921 million

As per FD's notification No. RO(Tech) FD 18-44/2006 dated 7th December 2007 the contractor shall furnish a guarantee (as per Form DFR (P.W) 28-A) in favour of the Government from any bank declared to be a scheduled bank by the State Bank of Pakistan.

Executive Engineer, PHE Division, Mandi Bahauddin awarded a work at an agreement cost of Rs 140.415 million and obtained three performance securities in shape of bank guarantees for Rs 27.921 million. Audit observed that department accepted bank guarantees issued by Trust Investment Bank, Limited, Gulberg-III, Lahore, which was a non-scheduled bank.

Violation of FD's instruction resulted irregular obtaining of bank guarantees from non-scheduled bank of Rs 27.921 million.

Audit pointed out the irregularity in August 2023.

The para was discussed in SDAC meeting in November 2023. The department explained that performance security was obtained from the Trust Investment Bank Ltd. Gulberg-III Lahore due to lack of knowledge and work had been completed on 15th June 2021. Audit contended that department extended undue financial benefit to contractor by obtaining bank guarantee from non-scheduled bank, therefore, irregularity was required to be condoned from FD. The Committee directed the department to get the matter regularized from FD. Compliance with the Committee's directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC directives besides strengthening internal controls to avoid recurrence of such issues.

DP No.336(2023-24)

<u>Note:</u> This issue was reported earlier also in the Audit Report for the year 2022-23 vide Para Nos. 2.4.1.17 having financial impact of Rs 20.719 million. Recurrence of same irregularity is a matter of serious concern.

10.2.6.2.3.12 Undue financial benefit due to grant of secured advance at higher rates – Rs 19.562 million

According to para 2.98 of B&R Department Code and clause 45 of the contract agreement, secured advance can be granted on the security of material brought at site at the rate of 75% of material cost.

Executive Engineer, Highways Division, Gujrat, issued secured advance amounting to Rs 79,136,329 for the items viz. *"Base course"* and *"Sub-base course"* on the basis of composite rates. Audit observed that admissible amount of secured advance based upon material input rates was Rs 59,574,079.

(Amount in Rs)

Sr. No.	**Groups**	**Items**	**Qty (cft)**	**Rate paid (% cft)**	**Rate to be paid (% cft)**	**Difference of Rate (% cft)**	**Excess payment**
1	Group-I	Sub-base course	153773	11,416	7,664	3,752	5,769,563
2		Base course	202333	6,245	6,237	8	16,187
3	Group-II	Sub-base course	329563	11,416	8,082	3,334	10,987,630

4		Base course	128352	8,821.83	6,649	2,172.83	2,788,870
Total							**19,562,250**

Violation of the B&R Department Code resulted in undue financial benefit due to grant of secured advance at higher rates amounting to Rs 19,562,250.

Audit pointed out the irregularities in September 2023.

The para was discussed in SDAC meeting during November 2023. The department explained that the secured advance would be recovered from the next running bills of the contractors. Audit contended that the department was required to grant secured advance on material rates only. The Committee directed the department to effect recovery and fix the responsibility regarding negligence in calculation and payment of rates resulting in undue financial benefit to the contractors.

Audit recommends early recovery besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

DP No 683(2023-24)

<u>Note:</u> This issue was reported earlier also in the Audit Reports for the years 2018-19 to 2022-23 vide Para Nos. 2.4.2.65, 2.4.1.23 in AR 2018-19, Para No. 3.4.6.12 in AR 2021-22, Para Nos 3.4.15.1 in AR 2022-23 having financial impact of Rs 138.787 million. Recurrence of same irregularity is a matter of serious concern.

10.2.6.2.3.13 Non/less recovery of secured advances – Rs 971.062 million

As per para 2.98 (a) of the B&R Department Code read with C&W Department letter No. S.O.III(C&W)2-14/97 dated 29th May 1997, recovery of secured advance so made should not be postponed until the whole of the works entrusted to the contractor has completed. Under normal circumstances, the secured advance shall be recovered within three months.

Executive Engineers, Highways, Buildings & PHE Divisions, in seven (07) cases, paid secured advances to the contractors. Audit observed that the departments did not adjust/recover the secured advance, totaling Rs 971.062 million, from the payments to contractors, despite a significant passage of time.

(Rs in million)

Sr. No.	**DP No.**	**Formations**	**Amount**
1	347	HD, Narowal	435.352
2	672	HD, Gujrat	373.763
3	248	PHED, Mianwali	78.535
4	257	HD, Sialkot	76.782
5	365	Buildings Division, Chakwal	4.978
6	128	Buildings Division, Attock	0.874
7	33	PHED Sheikhupura	0.778
Total			**971.062**

Violation of B&R Department Code resulted in non-recovery of secure advances for Rs 971,062,000.

Audit pointed out the non-recovery in August and September 2023.

The paras were discussed in SDAC meetings held during November 2023. The department admitted to effect recovery in all cases and explained that funds were not available due to which recovery/adjustment of secured advance could not be made within time. The same would be recovered from next running bills of the contractors after release of funds. Audit contended that secured advance should be granted for the items required for immediate purpose but the departments paid secured advance for those items which were not required to execute for immediate purpose. Further, the departments did not recover the secured advances within time. The Committee directed the department to effect recovery of secured advance in all cases and in one case DP No.672, to submit a report by CE Highways, (North) regarding availability of material at site. Compliance with the Committee’s directives was not reported till finalization of the report.

Audit recommends early compliance with the SDAC directives besides fixing responsibility and strengthening internal controls to avoid the recurrence of such issues.

Note: This issue was reported earlier also in the Audit Report for the year 2022-23 vide Para No. 2.4.2.26 having financial impact of Rs 9.369 million. Recurrence of same irregularity is a matter of serious concern.

10.2.7 Departmental Responses

The issues raised in the preceding audit paras were deliberated upon during the respective SDAC meetings. The responses provided by the department were integrated into each audit para of the thematic report.

10.2.8 Recommendations

Audit findings indicate that numerous irregularities, such as the failure to obtain performance securities and premature release of securities, were a result of the non-implementation of internal control mechanisms and a lack of monitoring and supervision. A consistent pattern of recurring audit observations has been identified over time.

In light of these observations, it is imperative for PAOs to take proactive measures. The following recommendations are proposed, which, when implemented, will prove beneficial to various stakeholders:

1. The rules and authorities governing the management of securities, advances, and performance guarantees need to undergo a comprehensive review. The objective of this review should be to identify and resolve any contradictions existing between the rules and authorities. This is necessary for establishing a robust and unambiguous set of rules and regulations that can be steadfastly implemented.

2. The internal control mechanism need to be implemented in both letter and spirit. Additionally, the supervisory role is required to be enhanced for greater effectiveness, ensuring the timely detection and prevention of irregularities.

3. It is essential to establish an internal audit system to enhance the overall control environment. This measure will not only fortify the control framework but also serve as a deterrent, effectively preventing rule violations and negligence on the part of executive engineers.

4. The effectiveness of the accountability mechanism needs to be strengthened, and appropriate action be taken against the responsible person(s) for negligence and violations of rules.

5. Maintaining a continuous financial stream is crucial to ensure an uninterrupted and timely flow of funds. This proactive approach helps prevent disruptions in the progress of ongoing works and facilitates the timely deduction of advances and securities from the contractor's bill.

10.2.9 Conclusion

Instances of not obtaining or obtaining insufficient performance and additional performance securities, non-revalidation of bank guarantees, and premature release of securities highlight deficiencies in the enforcement of the internal control system. These lapses expose stakeholders to elevated financial risks, as these securities play a crucial role in guaranteeing against contractors' defaults. The absence of such safeguards increases the likelihood of financial losses in the face of project delays, disruptions, or failure to meet contractual obligations.

Furthermore, instances where mobilization payments are made at a belated stage or based on invalid bank guarantees indicate financial indiscipline, emphasizing potential risks and vulnerabilities within the system. Similarly, the payment of secured advances at higher rates and delayed recovery deprives departments of much-needed funds. These lapses have the potential to compromise project integrity, financial stability, and overall accountability.

Addressing these issues is paramount for ensuring transparency, safeguarding investments, and fostering a culture of responsible financial and contract management. It is imperative to establish robust internal controls, consistently adhere to established procedures, and take corrective measures to mitigate risks and enhance the overall effectiveness of the financial and project management processes.
