According to Rule 19 of Punjab Local Government (Auction and Collection Rights) Rules 2003, the contractor is bound to maintain the accounts of income collected and render it on monthly basis to authority. Zila Nazim or any authorized personnel/officer of revenue department and its officials have right to inspect these accounts.

District Officer (Spatial Planning), Faisalabad auctioned collection rights of advertisement fee for the period 2007-08, 2010-11, 2011-12 and 2012-13 to different contractors for Rs271.375 million as detailed below:

(Rupees in Million)		
Year	Contractor	Auction Price
2007-08	M/s Abdul Waheed	71.075
2010-11	M/s Babar Ali	50.200
2011-12	M/s Babar Ali	80.000
2012-13	M/s Khyber Corporation	70.100
Total		271.375

Contractors did not render the monthly accounts of income to DO (Spatial Planning) for the respective years. Due to non-rendering of monthly vouched accounts, CDG Faisalabad could not collect the advertisement fee from the defaulters of respective years.

Non rendering of vouched account is due to weak internal and financial controls on the part of DO (Spatial Planning) Faisalabad.

As a result, in the year 2011-12 contractor, M/s Babar Ali collected arrears of advertisement fee pertaining to year 2010-11 and preceding years amounting to Rs10.083 million. The same was not deposited into CDF Faisalabad account.

The matter was reported to District Officer (Spatial Planning) as well as DCO in May, 2013 but no reply was furnished by the offices. The DCO was also intimated time and again for holding of DAC meeting but no meeting was convened.

Audit recommends that matter may be investigated at appropriate level for fixing responsibility of loss and recovery be made along with collection of vouched account for respective years under intimation to Audit.

1.2.3 Irregularities and Non-Compliance

1.2.3.1 Non-Recovery of Registration Fee on Account of Outdoor Advertisement – Rs4.050 Million

According to clause 3 of city District Government, Faisalabad Outdoor advertising Bye-Laws, 2011 “..... A practicing advertiser shall get himself registered on the panel of advertiser of CDG, by submitting an application to these regulations who shall deposit registration fee amounting to Rs15,000 annually and registration to be renewed yearly basis.

Under the supervision of District Officer (Spatial Planning) 135 advertisers/companies/individuals carried out the job of outdoor advertisement in the CDG Faisalabad since 2008-09 to date. These advertisers/companies/individuals carried out the job of outdoor advertisement without depositing the registration fee @ 15,000/ (per registered advertiser) amounting to Rs4.050 million. (Annexure-XIV)

Audit holds that due to negligence on the part of DO (Spatial Planning) the said amount was not recovered.

City District Government, Faisalabad sustained loss to the stated extent.

The matter was reported to District Officer (Spatial Planning) as well as DCO in May, 2013 but no reply was furnished by the offices. The DCO was also intimated time and again for holding of DAC meeting but no meeting was convened.

Audit recommends that matter of non-recovery may be justified along with recovery of the amount under report to Audit.

[AIR Para-14]

1.2.3.2 Loss due to Non-Renewal of NOCs Issued Against Advertisement Boards – Rs7.236 Million

According to Clause 12 (i) of Outdoor Advertisement Bye-Laws, 2011 of City District Government, Faisalabad, the NOC/permission granted under Clause 6 shall be valid for one fiscal year.

District Officer (Spatial Planning), Faisalabad issued 111 NOCs for installation of advertisement boards during the years 2010-11 and 2011-12 as detailed below:

(Amount in Rupees)

Year	NOCs Issued	NOC Fee	Advertisement Fee
2010-11	3	72,000	129,600
2011-12	108	2,332,440	4,702,625
Total	111	2,404,440	4,832,225

NOCs issued during the year 2010-11 and 2011-12 were not renewed by the DO (Spatial Planning) in subsequent years 2011-12 and 2012-13 and advertisement fee amounting to Rs4.832 million and NOC Fee Rs2.404 million could not be realized.

Audit holds that due to weak internal controls on the part of DO (Spatial Planning) and non-renewal of NOCs, unauthorized installation of advertisement boards took place by the advertisers.

Non-renewal of NOCs and non recovery of advertisement fee caused loss to Government exchequer to the stated extent.

The matter was reported to District Officer (Spatial Planning) as well as DCO in May, 2013 but no reply was furnished by the offices. The DCO was also intimated time and again for holding of DAC meeting but no meeting was convened.

Audit recommends that matter may be justified and responsibility be fixed on the concerned under report to Audit.

[AIR Para-24]

1.2.3.3 Non-Auction of Sites of Hoarding Boards and Loss of Income – Rs6.632 Million

According to mutually agreed approved Terms and Conditions for auction of collection of outdoor advertisement fee for the year 2010-11, 2011-12 and 2012-13 the collection rights of collection of outdoor advertisement fee were auctioned only for sky boards, pole signs, mopees, shop boards, company shop

signs, banners, steamers and float fee. Further, according to Condition 25 of the approved Terms & Conditions for auction of collection rights of outdoor advertisement fee for the year 2010-11, 2011-12 and 2012-13 and Condition 22, 23 and 21 of signed agreement between CDG Faisalabad and the contractor for the year 2010-11, 2011-12 and 2012-13 respectively “the contractor has no right of claim over the income received from hoarding board”. Same was the case in the year 2008-09 according to Condition 23 of signed agreement between CDG Faisalabad and contractor.

District Officer (Spatial Planning), Faisalabad did not auction five sites for hoarding boards in the City District Government, Faisalabad inspite of the fact that 14 hoarding boards were found installed on these sites. The advertisement fee from these sites was also not collected by the department itself. Therefore, the Government suffered loss of income amounting to Rs6.632 million Annexure-XIII durring the years 2007-08 and 2010-13. (departmental collection was made in the year 2009-10)

Audit is of the view that due to negligence on the part of concerned mangagement sites were not auctioned.

Government exchequer suffered loss due to non-realization of income from hoarding boards.

The matter was reported to District Officer (Spatial Planning) as well as DCO in May, 2013 but no reply was furnished by the offices. The DCO was also intimated time and again for holding of DAC meeting but no meeting was convened.

Audit recommends investigation for fixing of responsibility regarding loss sustained by the Government besides recovery thereof within one month.

[AIR Para-15]

1.2.3.4 Issuance of NOCs without complete Record and Valid Structural Stability Certificate – Rs6.955 Million

According to Clause 4 (iv) “every registered advertiser/company/ individuals who intends to install/erect/place an advertisement board/sign on public/private place/structure within City District Government Faisalabad shall apply for its permission on application form to District Officer (Spatial Planning). Accompanied by the following documents.

- Location plan of the proposed site for installation/erection of an advertisement board/sign
- Design of the advertisement board/sign indicating its type/size & direction.
- The structural design of the proposed hoarding board/sign
- Structural stability certificate of the building in case of roof top and structural design for advertisement board hoarding / sky sign from structural /civil engineer registered with Pakistan Engineering Council.

District Officer (Spatial Planning) Faisalabad issued 196 NOCs for installation of advertisement boards in favour of different advertisers/company/ individuals in the years 2010-11, 2011-12 and 2012-13. (Annexure-XII)

The detailed scrutiny of the available record of NOCs revealed that contrary to the requirements of bye-laws (intact at that time) following discrepancies were noticed in some cases of NOCs issued for installation of advertisement boards with regard to structure stability certificates and design certificates attached with NOCs

- For 118 cases of issuance of NOCs in the year 2010-11, 2011-12 and 2012-13 the structural stability certificates of building and design certificate of advertisement boards attached in the file were obtained from

consultant engineering firm “Professional Designer” of Lahore. The said consultant firm is not included in the valid list of consultant firms published on the website of Pakistan Engineering Council (list enclosed).

- There was difference of date in the validity certificates of engineering firm and date of NOC. In 38 cases expired valid certificates of firms were attached.
- In 7 cases of issuance of NOCs applications were without signatures and name of applicant. (this condition can cause loss of revenue if the applicant refuses that he ever applied for the issuance of any NOC)
- 116 cases of issuance of NOCs, applicant did not give full particulars of locations where the board is to be installed, property on which board is to be installed, placing of board whether installed on ground, roof top, side wall and facing of the advertisement board etc. (this condition can cause loss of revenue if the applicant refuses that he ever applied for the issuance of any NOC for a board to be installed at a given site)
- 30 cases of issuing of NOCs were processed without applications of the advertisers/company/individuals.
- 112 cases of issuance of NOCs, the structural stability certificate of building was given by the engineer without map and design of building on which advertisement boards was to be installed.
- In two cases the NOCs the location of advertisement boards with regard to installation was transferred contrary to the provision of bye-laws

Audit holds that issuance of NOCs for installation of advertisement boards with above mentioned discrepancies and violation of the bye-laws is due to weak internal controls on the part of then DO (Spatial Planning) and EDO (Municipal Services) Faisalabad.

Installation of advertisement boards without observing the Bye-Laws enhances the chances of accidents/mishaps besides violation of instructions.

The matter was reported to District Officer (Spatial Planning) as well as DCO in May, 2013 but no reply was furnished by the offices. The DCO was also intimated time and again for holding of DAC meeting but no meeting was convened.

Audit recommends that matter may be justified for issuance of NOCs (for installation of advertisement boards) in violation of said outdoor advertisement bye-laws and action must be taken against those who installed these advertisement boards, under report to Audit.
