1. INTRODUCTION

The Directorate General Audit, Local Councils, Sindh conducted Special Study on pension issues in KMC and KDA, during February-March 2019. The brief introduction of both entities is as follows.

The Karachi Conservancy Board was established to control Cholera epidemic in Karachi during British Rule in 1846. The board was upgraded into Municipal Commission in 1852. It was renamed in 1853 as Karachi Municipal Committee. Subsequently, it was upgraded in 1933. Finally, it has been reshaped as Karachi Metropolitan Corporation (KMC) since 1976.

As per Sindh Local Government Act of 2013 (SLGA, 2013), the KMC is subdivided into 6 District Municipal Corporations (DMCs). i.e., Central, West, East, South, Malir and Korangi.

As per data provided by the management of KMC, working strength of the organization (excluding DMCs) was 12,457 in BPS 1 to 20 as on 28.02.2019. Moreover, a total number of 20,906 pensioners were on record of the organization, which included retired employees of six DMCs and a District Council.

The Karachi Development Authority (KDA) was established in 1957 by merging Karachi Improvement Trust and Karachi Joint Water Board under the President Order No.5 of 1957.

All the policy matters and important cases are dealt and decided by the Governing Body of the Authority.

As per data provided by the management of KDA, working strength of the organization was 3,202 in BPS 1 to 20 as on 31st July 2018. As regards the number of pensioners, the management did not produce the specific data to audit despite requisition. 5. STUDY FINDINGS AND RECOMMENDATIONS

5.1 Unauthorized payment of pension – Rs4.722 million

According to SI No.85 (vii) of Pension Manual 2006 under the head, “Personal appearance of pensioners and payment through life certificate”, a pensioner must take payment in person after identification by comparison with the Pension Payment Order, at least once a year”.

During special study of pension issues in KMC and KDA, it was observed from KDA record that payment of pension/medical benefit amounting to Rs4.722 million during the year 2017-18 were made to 211 pensioners who had expired. No further record regarding date of expiry of same pensioners and period of payment after their expiry was made available to audit; hence the impact of over payment on this account could not be ascertained. Moreover, the record regarding conversion of such cases into family pension or stoppage was not available on the record. Details are given at **Annex-I**.

Audit was of the view that payment of pension/medical benefits to the deceased pensioners without due verification constituted weak financial management, besides possibility of misappropriation of funds could not be ruled out.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends due verification of the pensioners, besides fixing responsibility on person(s) at fault.

5.2 Non-adoption of Direct Credit System for Pension – Rs3,344.648 million

Para-02 of Standard Operating Procedure (SOP) (revised 06-05-2011) by KMC in compliance of honorable Supreme Court’s Orders dated 17.09.2007 in case of Sue-Moto Notice in respect of Pensioners in Human Rights case No.2492 of 2007 and Circular No.11 dated 06-06-2009 of State Bank of Pakistan issued to Banks provides as follows:

“It has been decided to credit pension direct in the pensioner’s bank account opened in any scheduled bank including National Savings Centers for this purpose. It will enable a pensioner to draw monthly pension without preferring a pension payment claim at that bank. It will be applicable to both retiring as well as existing

pensioners already drawing pension treasuries/branches of National Bank of Pakistan.”

During special study of pension issues in KMC and KDA, it was observed that authorities of KMC were disbursing pension manually through submission of PPOs by the pensioners at 540 branches of various banks all over the Pakistan. The data of pension payment for the month of December 2018 indicated manual pension payment of Rs. 246.111 million in the year 2018-19. Accordingly, the annual financial impact in this regard was around Rs2,953.332 million.

The management of KDA, despite requisition by audit, did not produce record to Audit for ascertaining the mode of pension payment adopted in the organization; however, from the cheque-wise list of pension payment for the month of December 2018 indicated that a single cheque of Rs32.610 million was issued to HBL for disbursement of pension to a total number of 2351 pensioners. The same data transpired that the management of KDA was also relying on the bank for manual disbursement of pension payment; whereas, the average financial impact of the same pension disbursement for the year 2018-19 was around Rs391.316 million.

Audit was of the view that manual payment of pension by both organizations (around Rs3,344.648 million per annum) was a violation of the Supreme Court of Pakistan order dated 17.09.2007 for switching over to direct credit system (DCS) by all pension paying entities. Moreover, by making manual pension payments, the possibility of misappropriation of funds could not be ruled out, besides delays in pension payment to the beneficiaries.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends switching over pension payment to DCS, besides fixing responsibility on person(s) at fault.

5.3 Outstanding liability of pensionary dues - Rs3,346.754 million

As per Para 289 of Treasury Rules, “all charges incurred must be paid and drawn at once and under no circumstances may be allowed to stand over to be paid from grant of another financial year”.

Further, as per Finance Department, Government of Sindh, O.M No.FD/B&E – I/51/2007 dated 02-07-2007, “liability of previous years shall not be allowed to be cleared unless concurrence is given by Finance Department”.

During special study of pension issues in KMC and KDA, it was observed that liabilities amounting to Rs3,346.754 million were created by Karachi Metropolitan Corporation (KMC) and Karachi Development Authorities (KDA) on various pensionary dues over the years, in violation of above rules. Summary position is as follows; whereas the details are given at **Annex-II**.

(Rs. in million)

Name of Office	Liabilities as on	Liabilities Amount
KMC	31-01-2019	1,966.736
KDA	28-02-2019	1,380.017
Total		3,346.753

Audit was of the view that non-clearance of dues and creation of liabilities constituted weak financial management, besides sufferings to the eligible pensioners.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends clearance of outstanding pensionary dues, besides fixing of responsibility on the person(s) at fault.

5.4 Non-reconciliation and non-refund of unpaid pension by the bank Rs4,573.368 million

As per Para-10 of Standard Operating Procedure (revised 06-05-2011) by KMC, “The banks (main branch or dealing wing) and Accounts offices shall carry out reconciliation on quarterly basis regarding new pension issued, pension transferred to heirs, pension transferred to other places, pension stopped/restored, pension discontinued, pension amended, on the basis of full details and particulars of pensioners. Reconciliation statement shall be retained as permanent record. Any discrepancy shall be resolved within six weeks. The responsibility for disciplinary action and reporting to crime investigation agencies needed, will rest with the end where fraud, etc. is detected.”

During special study of pension issues in KMC and KDA, it was observed that both entities had made arrangements for pension disbursements with HBL since inception of both organizations. The HBL was making disbursement of pension through 540 branches

all over the country. The remittance of funds by KMC and KDA to the HBL was subject to reconciliation & refund of unspent amount as not disbursed to relevant pensioners. The refund of undisbursed amount by the bank was required to be made by 25th of each month. However, neither any reconciliation was made by both formations with HBL nor was the undisbursed amount refunded back by the bank. The authorities of KMC through a letter No.PS/FA/KMC-78 dated: 13.04.2016 provided four months' time to the bank for pending reconciliation and refund of unspent balance but no further progress was made. Details are as follows:

(Rs.in million)

Sr. No.	Organization	No of Pensioners	Monthly Amount	Total Amount (FY 2018-19)
1	KMC	19,598	292.631	3,511.572
2	KDA	3,693	88.483	1,061.796
Total		23,291	381.114	4,573.368

Audit was of the view that non-reconciliation of pension payments with the bank was indicative of weak financial management, besides possibility of misappropriation of funds could not be ruled out.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends reconciliation of pension payment with bank along with refund of unspent balance, besides fixing of responsibility on the person(s) at fault.

5.5 Misuse of Provident Fund for pension payments - Rs1,669.241 million

Section 125(1)(a) of SLGA, 2013 provides that a Council may establish and maintain Provident Fund for the benefit of its employees, who shall contribute to such fund in such manner and proportion as may be prescribed.

During special study of pension issues in KMC and KDA, it was observed upon scrutiny of bank accounts of KMC that funds amounting to Rs1,669.241 million were drawn from the Provident Fund Account for pension payments; whereas the provident funds cannot be used for such transaction. The management of KMC did not safeguard the Provident Fund of the employees. Details are given at **Annex-III**.

Audit was of the view that utilization of funds of Provident Funds for other objectives was a misuse of the funds, which indicated weak internal controls prevailing in the organization

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends inquiry in the matter for fixing of responsibility on the person(s) at fault, besides taking remedial measures.

5.6 Misuse of Group Insurance funds for pension payment Rs4.500 million

Section 125(2) of SLGA, 2013 provides that a Council may operate a scheme of social insurance for its employees and require such employees to subscribe to such scheme in such manner and proportion, as may be prescribed.

During special study of pension issues in KMC and KDA, scrutiny of bank statement of Welfare & Group Insurance Account of KMC, it was observed that funds amounting to Rs4.500 million were transferred from the bank account of Group Insurance to the bank account for pension payment account, which was a misuse of Group Insurance fund by the management of KMC. Details are as follows:

(Rs. in million)

Date of Transaction	Particulars	Amount Debited	A/c No	Branch	A/c Title
11.11.2015	Funds Transfer 00150060139801 DIR/R&R/F&A/526/2015	4.500	150060140701	HBL, KMC	Welfare Fund Group Insurance KMC

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends inquiry in the matter for fixing of responsibility on the person(s) at fault, besides taking remedial measures.

5.7 Short remittance of Pension Contribution & Provident Fund Rs1,006.095 million

Finance Department, Government of Sindh in pursuance of Court Order under C.P No.D-30/2013 & C.P No.D-42/2013 addressed to the Administrator, KMC Karachi vide letter No.FD.SO(LF-I)07/2015-16(P-I), dated 5th November 2015 informed that it has been decided subsequent a series of meetings with all stakeholders that Finance Department will deduct pension amount of each DMC & District Councils Karachi from OZT releases and credit this amount to the KMC. The same letter added that KMC shall not use this amount for any purpose other than the pension dues, failing which the Administrator, KMC will be personally responsible.

During special study of pension issues in KMC and KDA, it was observed that Finance Department Government of Sindh released funds to KMC through deduction at source from Octroi Zila Tax (OZT) Share of six DMCs and Karachi District Council (DCK) on account of pension contribution and provident fund of their employees. However, as per record of KMC, the same released funds was not in accordance with actual requirement (*as per revised pay scale of relevant employees of DMCs & DCK and revised rates of Provident Fund subscription*), which was short by Rs1,006.095. Details are as follows:

(Rs. in million)

Sr. No.	Period of release of funds	Due Amount	Received Amount	Short Amount per month	No. of months involved	Total shortage
1	01.07.2016 to 30.06.2017	183.629	147.532	36.097	12	433.164
2	01.07.2017 to 31.07.2017	215.490	147.532	67.958	01	67.958
3	01.08.2017 to 30.11.2017	222.169	147.532	74.637	04	298.548
4	01.12.2017 to 30.4.2018	222.169	215.490	6.679	05	33.395
5	01.05.2018 to 30.6.2019	222.145	215.490	6.655	26	173.030
Total		1,065.602	873.576	192.026	-	1,006.095

Audit was of the view that less remittance of the funds to KMC by Finance Department Government of Sindh was one of the major causes of accumulation of pensionary dues.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends taking up the matter at the appropriate level of Government of Sindh for sharing of funds of pension contribution and provident fund.

5.8 Short remittance of deducted amount of various contributions from salary of employees - Rs1,062.457 million

Para 41(a) of SFR states that the Departmental controlling officer should see that all sums due to government are regularly received and checked against demands and that they are paid into the treasury.

During special study of pension issues in KMC and KDA, it was observed that KMC authorities deducted Rs1,658.209 million as Pension Contribution, Provident Fund and Group Insurance from the salaries of employees for the period January 2016 to January 2018. However, as per record of Finance Department, KMC, the same deducted amount was not fully remitted in respective bank account maintained for the purpose, leaving a short remittance of Rs1,062.457 million in the respective bank account. 1	Jan-2016 to June-2017	1130.158	269.400	860.758
2	July-2017 to Jan-2018	528.051	326.352	201.699
Total		1,658.209	595.752	1,062.457

Audit was of the view that short remittance of deducted amount from salaries of employees constituted weak financial management; besides misuse of the so deducted amount on the purpose other than their objectives could not be ruled out.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

- a) As per data of pensioners in KMC, a total number of 223 pensioners were aged from 90 years to 113 years; whereas they were being paid pension without personal appearance & physical verification. Details are given at **Annex-IV**. It was beyond comprehension that the persons crossing the above age limits would have been alive; hence, the same beneficiaries were doubtful. Moreover, the amount of pension so far paid to the same doubtful pensioners was not made available to audit.
- b) As per data of pensioners in KDA, pension payment of Rs.3.543 million was made to 171 pensioners in March 2019 without physical verification, life certificate, no marriage certificate and personal appearance. [The complete record regarding total payment made to same beneficiaries was not made available to Audit. During special study of pension issues in KMC and KDA, it was observed that KMC and KDA management during 2018 paid pension at previous rates without revision of rates, which caused less payment of Rs146.894 million to retired employees/families of deceased employees. Further details regarding retired employees and family pensioners were also not provided to audit by KDA authorities to classify the pensioners accordingly, in violation of above Government orders. Details are as follows:

(Rs. in million)

Sr. No	Organization	Description	No of Pensioners	Amount
1	KMC	Alive Pensioners	3323	68.644
		Family Pensioners	3744	73.017
2	KDA	Alive & Family Pensioners	673	5.233
			Total	146.894

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends that Government orders of revision of pension be complied. Besides, the amount of arrears be calculated and paid to pensioners concerned, under intimation to this office.

During special study of pension issues in KMC and KDA, it was observed that the management of KMC was making pension payment to retired employees of Six District Municipal Corporations and District Council Karachi (DCK), who were not on the payroll of KMC. All DMCs and DCK were liable to pay monthly pension contribution of their employees to KMC. This system of centralized pension payment by KMC was resulting in delays in payment of retiring benefits including commutation & monthly pension to respective employees of DMCs and DCK. As per data produced to audit bills of pension payment amounting to Rs1,037.340 million in respect of 1,398 retired employees were passed by KMC upto January 2019 but remained pending as the same were not paid till close of audit March 2019. Details are as follows:

(Rs. in million)

S. No.	Organization	No. of pensioners	Pending amount of pension payment
1	DMC Central	314	229.069
2	DMC East	250	172.371
3	DMC West	156	118.843
4	DMC South	439	312.826
5	DMC Korangi	173	147.906
6	DMC Malir	60	54.584
7	District Council	06	1.739
Total		1398	1,037.340

Audit was of the view that payment of pension by KMC instead of, concerned respective councils was also one of the reasons behind the delay in finalization of pension cases, which constituted weak administrative as well as financial management.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends revisiting of the existing system of centralized pension payment of KMC for reforms to remove bottlenecks in the pension payment of retired employees of DMCs and DCK.

However, the authorities did not disburse and handover the cheques to pensioners concerned and same were lying in welfare department of KMC since February 2014 onwards consequently became time barred. Details are given at **Annex-VI**.

Audit was of the view that failure to timely hand over the prepared cheques to pensioners resulted in unnecessary suffering of pensioners.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends inquiry in the matter for fixing of responsibility on the person(s) at fault, besides taking remedial measures.

Orders of honorable Supreme Court of Pakistan and Government instructions were also not complied with in letter and spirit, which caused delay in disposal of pension cases. Details are given at **Annex-VII**.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends finalization of pension cases, besides fixing of responsibility on the person(s) at fault.

In compliance with Court orders on the petition (CP No. D-42/2013), Finance Department, Government of Sindh vide letter No. FD.SO(LF-I) CP/07/2015-16 (SOP) Karachi, dated 9th August, 2016 released funds to KMC through Local Government Department with the advice to clear the liability of Pension/Arrears of Retired/Expired employees of KMC, DMCs & District Council Karachi. It also directed KMC to maintain a separate account for this head and stated that the Administrator KMC will personally ensure the transparent utilization of the funds.

During special study of pension issues in KMC and KDA, it was observed that KMC authorities on the directives of Finance Department through Local Government Department, GoS vide Letter No. FD.SO(LF-I) CP/07/2015-16 (SOP) Karachi, dated the 9th August, 2016, opened separate bank account vide No. 0015-79014770-03 with HBL Branch KMC for the clearance of liability of pension/arrears of expired /retired employees of KMC/DMCs & District Councils of Karachi. However, during the scrutiny of record it was observed that KMC authorities opened aforesaid bank account but were operating it symbolically; whereas an amount credited therein was transferred to another account and rest of the transactions were being carried from other account, instead of using the account opened exclusively for payment of liabilities and arrears. Details are as follows:

(Rs.in million)

Sr. No	Description	Amount Released
1	Funds received from Finance Deptt. GoS Letter No. FD.SO(LF-I) CP/07/2015-16 (SOP) Karachi, Dt. 09.08.16	70.00

3	Funds received from Finance Deptt. GoS Letter No. FD.SO(LF-I) CP/07/2015-16 (SOP) Karachi, Dt. 01.12.16	70.00
Total		210.00

Audit was of the view that non-compliance of orders of Finance Department, Government of Sindh constituted weak financial management, besides possibility of misappropriation of funds could not be ruled out.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends proper utilization of the bank account, besides fixing of responsibility on the person(s) at fault.

5.16 Non-availability of basic facilities for pensioners

In order to facilitate pensioners, all offices of Accountants General (Federal & Provincial) have established Pension Facilitation Center to provide one window facility.

During special study of pension issues in KMC and KDA, it was observed KMC and KDA authorities failed to establish pension facilitation center for pensioners. Audit team observed non-availability of following arrangements/facilities in concerned Departments:

1. Pension facilitation cell to facilitate pensioners.
2. Information desk for proper guidance to pensioners about their claims, outstanding dues, various issues in payments.
3. Availability of sitting arrangement for pensioners.
4. Proper system for inward/outward register for daily Dak.

Audit was of the view that non-availability of essential facilities for old age pensioners constituted weak administrative management.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends for taking steps to provide basic facilities to pensioners.

5.17 Variation in number of pensioners

According to Appendix 18-A (1) of Sindh Financial Rules, “every government officer should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part and that he will also be held personally responsible for any loss arising from fraud or negligence on the part of any other Government officer to the extent to which it may be shown that he contributed to the loss by his own action or negligence”.

During special study of pension issues in KMC and KDA, it was observed that number of KMC pensioners varied each month in huge numbers. For example, the number

of pensioners in November 2017 were 20,388 which increased to 20,449 in December 2017 whereas in January 2018 it decrease to 19,598. Month-wise detail of retired employees was demanded by the Audit to verify the actual variation over the period, but the same was not produced. Furthermore, KDA authorities did not produce month-wise detail of pensioners to Audit by stating that the software designed for pension purpose provides data only for latest month paid for pension purpose.

Audit was of the view that variation in number of pensioners was alarming and created doubt about existence of ghost pensioners which constituted weak internal controls.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends initiating inquiry into the matter to uncover the ghost pensioners besides fixing of responsibility on the person(s) at fault.

5.18 Unjustified process of pension cases without observing formalities

SGA&CD, Government of Sindh vide letter No.SOII(SGA&CD)4-10/122/2018 dated 30th July 2018 on the subject, “documents required for retirement and leave encashment in lieu of LPR” stated that competent authority has taken serious notice of late processing/submission of the cases on retirement of Government employees as well as submission of incomplete cases for approval.

Further, according to Para.3 of letter by SGA&CD, GoS vide No. SOII(SGA&CD)4-10/122/2018 dated 30th July 2018, “the administrative Departments are required to submit he cases of Government employees at least six months prior to their date of retirement on attaining the age of superannuation, i.e., 60 years and make sure to enclose following documents, duly authenticated/attested, to avoid unnecessary delay in finalization of cases.”

S. No	Documents required on Superannuation	Remarks
1	Matriculation Certificate issued by Concerned board Showing DOB.	Photocopy duly attested (not below the rank of Additional Secretary)
2	Initial appointment order	
3	Subsequent promotion order/Notification in all grades.	
4	Medical Certificate of fitness obtained at the time of appointment.	
5	Pay slip having Personal number	

S. No	Documents required on Superannuation	Remarks
6	CNIC	
7	Complete service profile/Consolidated certificate	(In original) duly attested/authenticated by Administrative Secretary
8	No dues/No enquiry certificate specifying the date of issuance	
9	Passport size photographs	

During special study of pension issues in KMC and KDA, it was observed that KMC and KDA authorities processed various pension cases without attachment of mandatory documents due to which genuineness of pension payment could not be verified. The concerned department was required to process the case by fulfilling the above requirements as stated above. However, the mandatory requirements were not fulfilled in most of cases.

Audit was of the view that process of pension claims without necessary documents constituted weak internal controls.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends proper processing of pension by fulfilling all codal formalities, besides fixing of responsibility on the person(s) at fault.

During special study of pension issues in KMC and KDA, it was observed that KMC and KDA authorities did not maintain a systematic record of pension liabilities to exercise internal check and discharge of same liabilities in time. Resultantly, the status of pending pension cases along with particulars of pensioners indicting the date from which the pension payment was due and respective amount of liability was not readily available.

Audit was of the view that non-maintenance of the record of liabilities constituted weak financial management.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends proper record maintenance for pension liability, besides fixing of responsibility on the person(s) at fault.

Para 2 of letter issued by Local Government Department, Government of Sindh, vide No.B&A(LG)4(21)/2014 dated 16.03.2015 on the subject, “compliance of orders of Honorable Supreme Court of Pakistan dated 05.01.2015 passed in civil appeal No.404/2011 and civil review petition No.193/2013” directed for relieving of officers/staff who were on OPS, posted against out of cadre posts and still holding the post on out of turn promotion. It directed to furnish implementation status/progress report immediately for onward transmission to the SGA&C Department. It is also added that in case of non-compliance, the heads of attached department/wing will be held responsible and exposed to contempt of court.

During special study of pension issues in KMC and KDA, it was observed that, KMC authorities awarded unauthorized/irregular promotions, which caused undue financial burden and created liabilities of pensionary dues. Details are given at **Annex-VIII**, which comprises of following irregularities:

- i. Ex-cadre promotions were made in violation of Honorable Supreme Court of Pakistan orders.
- ii. Promotions were made by violating seniority of other officers.
- iii. Promotions from clerical grades to administrative grades were given with change of cadres (e.g., a Clerk BPS-5 promoted to Additional Director BPS-18).
- iv. Violation of Supreme Court Orders by not demoting the irregularly promoted officers/staff.

Due to illegal promotions, the employees retired with higher grades causing undue extra financial burden due to increased pensionary benefits.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends inquiry in the matter for fixing of responsibility on the person(s) at fault, besides taking remedial measures.

5.21 Unrealistic variation in sanctioned and working strength

According to Appendix 18-A (1) of Sindh Financial Rules, “every government officer should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part and that he will also be held personally responsible for any loss arising from fraud or negligence on the part of any other Government officer to the extent to which it may be shown that he contributed to the loss by his own action or negligence”.

During special study of pension issues in KMC and KDA, it was observed that sanctioned and working strength varied unrealistically due to which deduction of pensionary dues could not be verified. Details are as follows:

Organization	Year	Sanctioned Strength	Working Strength
KMC	2015-16	27973	13044
	2016-17	16926	12827
	2017-18	16928	12673
	2018-19	16931	12457
KDA	2013-14	4713	3941
	2014-15	4360	3657
	2015-16	4360	3590
	2016-17	4677	3495
	2017-18	4711	3368
	2018-19	4711	3196

Following shortcomings were noticed:

- i. Variation in sanctioned posts in different scales for which no approval of competent authority was available on record.
- ii. Variation in working strength of different grades without providing details of appointments and promotions.

Audit was of the view that variation in sanctioned and working strength without proper justification and documentary evidence constituted weak administrative and financial management.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends fact-finding inquiry in the matter to ascertain causes of abnormal variations, besides fixing of responsibility on the person(s) at fault.

5.22 Un-authorized maintenance of Bank Accounts in Private Commercial Bank

Local Government & Housing Town Planning Department, Government of Sindh vide letter No.SOG(LG)/Misc/2013-2014 dated 3rd May,2016 stated that competent authority has taken a serious notice to operate bank accounts through private banks in contravention of the already issued instructions, it directed that all transactions should maintained with Sindh Bank/National Bank.

During special study of pension issues in KMC and KDA, it was observed that KMC authorities made financial transactions in Habib Bank Limited (HBL) instead of National Bank of Pakistan (NBP) and Sindh Bank without justification. Detail of bank accounts is as under.

S. No	Account No	Title of Account	Bank Details
1	0015-00282869-01	Pension IBDN (Monthly pension account)	HBL KMC Branch

7	0015-79014770-03	Pension Liabilities Clearance	
8	0014-79006079-03	KDA General Account	HBL Civic Center

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.

Audit recommends fixing of responsibility on the person(s) at fault, besides taking remedial measures.

Rule 23 of SFR provides that every payment, including repayment of money previously lodged with Government for whatever purpose, must be supported by a voucher setting forth full & clear particulars of the claim. As far as possible, the particular form of voucher applicable to the case should be used.

During special study of pension issues in KMC and KDA, it was observed that KMC and KDA authorities did not verify the HR data from independent source like NADRA to ascertain actual date of birth of employee, death of pensioner and change in marital status of a family member.

The matter was reported to the management during October 2019, but the management did not respond to audit observation. The DAC meeting was not held despite pursuance by the Audit.
