EDUCATION DEPARTMENT
AUDIT YEAR 2021-22**

AUDITOR GENERAL OF PAKISTAN

PREFACE

The Auditor General of Pakistan conducts audit subject to Articles 169 and 170 of the Constitution of the Islamic Republic of Pakistan 1973, read with Sections 8 and 12 of the Auditor General's (Functions, Powers and Terms and Conditions of Service) Ordinance, 2001. The Special Audit of "Local Purchase of Medicines and Surgical Disposables by Ten Teaching Hospitals of Punjab" under administrative control of Punjab Specialized Healthcare and Medical Education Department was carried out accordingly.

The Directorate General of Audit Punjab conducted Special Audit of "Local Purchase of Medicines and Surgical Disposables by Ten Teaching Hospitals of Punjab" for the period 2019-21 from August 2021 to October 2021 with a view to reporting significant findings to stakeholders. Audit examined the economy, efficiency and effectiveness aspects of local purchase of medicines and surgical disposables by the said teaching hospitals.

Audit also assessed, on test check basis, whether the management of hospitals complied with applicable laws, rules and regulations in the local purchase of medicines and surgical disposables. The Audit Report indicates specific actions that, if taken, will help the management in prudent decision making for the purchase of medicine and disposables.

All observations included in this Report have been finalized in the light of the discussion held with the entities in Departmental Accounts Committee Meetings.

The Audit Report is submitted to the Governor of the Punjab in pursuance of Article 171 of the Constitution of the Islamic Republic of Pakistan 1973, for causing it to be laid before the Provincial Assembly.

EXECUTIVE SUMMARY

The Directorate General of Audit, Punjab conducted Special Audit of Local Purchase of medicine and surgical disposables of ten (10) Teaching Hospitals for the period from July-2019 to June-2021. Audit was carried out on test check basis and it was found that the purpose of Local Purchase (LP) of medicine and surgical disposables was not being fulfilled. Guidelines prepared by the department for LP were not being implemented in letter and spirit. Delay in the tender process of annual procurement award, delay in issuance of Drug Testing Laboratory (DTL) report, delay in signing of supply order, instances of issuance of supply order of less quantity and non-supply of medicine by the successful bidders were routine hindrances which exhibited tendencies of recurrence. The management was more inclined to prefer fulfillment of the medicine demand for treatment of patients, visiting tertiary healthcare facilities through LP.

This practice resulted in accumulation of a huge burden on the public exchequer to pay for the cost of locally purchased medicine and surgical disposable items. By avoiding such practices and purchasing medicine at reasonable competitive rates through well-orchestrated bulk purchases, tangible benefits can be driven from the economies of scales. The management could have avoided extra cost and could have alternatively served more patients.

The modifications of procurement guidelines involved unilateral abandoning of erstwhile rebate against Maximum Retail Price (MRP) which turned out to be burdensome on public spending. Minimum rate of discount mentioned in LP guidelines recently issued by Health Department was at much lower side i.e. 6% of MRP which has to be rational as compared to the rebate on MRP traditionally availed by the hospitals prior to introduction of new guidelines. Most of the suppliers

recently offered discount rates ranging from 6% to 10% whereas earlier, the suppliers offered rebate which ranged between 10% to 20%, prior to implementation of above guidelines. The suppliers were also exhibiting strong tendencies to manipulate the discount rates through cartelization.

Quality assurance of the supplied items was not being ensured and the suppliers were not bound to provide any laboratory test report. Hospitals' Pharmacy and Therapeutic Committee (HP&TC) was not performing its role in approving and updating brands of medicine/surgical disposables, abandoning its roles and responsibilities to an alarming proportion.

Teaching Hospitals across the Punjab Province are under administrative control of Department of Specialized Healthcare and Medical Education Department, Lahore. The delivery of services of the Department to provide curative medical facilities to patients and medical education to the medical students would benefit immensely from qualitative improvement in management of supply chain with optimal results. Half-baked interventions with minimalist monitoring were turning out to be counterproductive.

Key Audit Findings

Some of the audit findings incorporated in the Report are listed below:

- Online Portal of Local Purchase system was not free from glitches.
- Irregular payment of Rs. 64.087 million against surgical disposables without having MRP fixed by DRAP had gone unnoticed.
- Excess expenditure on local purchase of medicine and surgical disposables beyond the 15% prescribed limit of

medicine budget for local purchase was defeating all internal controls.

- Irregular local purchase of medicine and surgical disposables was still processed manually, circumventing automation utilities.
- Non-inclusion of medicine and disposables purchased repeatedly as LP into the list of bulk purchase was noticed as a chronic deviation.
- Loss due to purchase of medicine and disposables at higher rates warranted imposition of recovery.
- Recovery of price differences against non/late delivery of supplies leading to local purchases involved risk and cost clause invocation against suppliers of bulk quantities but to no avail.
- Irregular local purchase of medicine for outdoor patients was not curtailed.

Recommendations:

- Implementation of the existing guidelines regarding prescribing 15% of the budgetary ceiling for local purchases needed to be adhered to.
- Strict implementation of the PITB Portal for LP procurement across the board is warranted, ensuring full functionality of PITB portal.
- Ensuring purchase of medicine and disposables through annual bulk purchase instead of LP can yield maximum economy in the rates.
- Major variations in discounts offered by the suppliers may be investigated and policy may be reviewed accordingly by enhancing the ceiling of the discount rate.

- Risk and cost recovery clause need to embed in the contractual framework for enabling recovery of the extra cost on LP from the defaulting contractor of bulk purchase.
- Strict actions are to be taken against officers/officials responsible for the purchases through LP instead of regular award of bulk supply.
- Strengthening the process of DTL report generation is need of the hour as most of the sample take more than three months to get clearance.
- Automation of hospital pharmacy stores is to be expedited to check demand and supply system and to prevent theft /pilferage.
- LD charges should be reviewed as these are nominal and cause a little loss to suppliers in case of late supply.

1. INTRODUCTION

Local purchase of medicine is a critical process within the Specialized healthcare delivery system in Punjab which focuses on timely availability of medicine to cater for the need of indoor and emergency patients where bulk purchase is awaited/delayed. As per the policy and operational guidelines for local purchase of medicine, only indoor patients and patients in emergency can avail this facility and the outdoor patients suffering from chronic diseases are to be treated from the bulk purchased medicine. The local purchase of medicine is admissible to the hospital within prescribed limits of 15% of the total budget. Hospitals in Punjab spend a significant portion of their budget on local purchase of medicine for indoor and emergency patients.

The Director General of Audit, Punjab conducted Special Audit of Local Purchase of Medicine and Surgical Disposables of Ten Teaching Hospitals for the period from July 2019 to June 2021 on test check basis to assess whether local purchase of medicine and surgical disposables was being made in the accordance with the policy and operational guidelines of specialized Healthcare and Medical Education Department. Terms of Reference (TOR) for the special audit were as under:

- (i) Review of compliance of policies and guidelines for local purchase of medicine (day-to-day) issued by Department of Specialized Healthcare & Medical Education Punjab.
- (ii) Evaluation of strict conformity to provision of Punjab Procurement Rules, 2014 on the part of procuring agencies.
- (iii) Evaluation of delivery and consumption of medicine, surgical disposables, medical devices and implants.
- (iv) Review of transparency and adequacy of local purchase practices in teaching hospitals.

- (v) Verify whether commonly locally purchased items are included in the next year's bulk purchase.
- (vi) Check whether hospitals have shifted from manual processing of LP to the digital portal designed by Punjab Information Technology Board (PITB) as required under the guidelines.

Detail of expenditure of Local Purchase medicine & surgical disposables

The year wise expenditure of the formations audited was as under:

2. AUDIT OBJECTIVES

The audit aimed at assessing whether prerequisites of compliance with authority to abide by rules, regulations and instructions were being duly observed in the case of expenditure made on local purchase of medicine & disposables in the Punjab Hospitals. The main objectives of the audit were:

- (i) To review the teaching hospitals' process of purchase and provision of medicine and surgical disposables to patients through local purchase system
- (ii) To assess whether the LP system was implemented with regard to economy, efficiency, and effectiveness
- (iii) To review compliance with applicable rules, regulations, and procedures issued from time to time by the government

3. AUDIT SCOPE AND METHODOLOGY

3.1 Audit Scope

The scope of this special audit was determined keeping in view Punjab Procurement Rules 2014, a Local Purchase Policy introduced by the Health Department in 2013, introduction of online portal for the LP system by the Department of Specialized Healthcare and Medical Education in 2018 and Finance Department's instructions of 2019 regarding budgetary ceiling for LP of medicine.

Audit examined the accuracy, efficiency and effectiveness of local purchase. Following ten teaching hospitals were covered under this audit exercise:

Sr. No.	Name of Hospital	Location	Region
1	Services Institute of Medical Sciences Hospital (Services Hospital)	Lahore	Central
2	Mayo Hospital	Lahore	Central
3	Lahore General Hospital (Post Graduate Medical Institute)	Lahore	Central
4	Sir Ganga Ram Hospital	Lahore	Central
5	Jinnah Hospital (Allama Iqbal Medical College)	Lahore	Central
6	Children Hospital	Lahore	Central
7	Nishtar Hospital	Multan	South Punjab
8	DHQ Teaching Hospital	DG Khan	South Punjab
9	DHQ Teaching Hospital	Sargodha	Central/Potohar
10	Holy Family Hospital	Rawalpindi	Central/Potohar

The field audit execution was performed from 16.08.2021 to 20.10.2021. The findings and recommendations outlined in this report are based on special audit of ten teaching hospitals conducted.

3.2 Audit Methodology

The audit was conducted in accordance with INTOSAI Auditing Standards and International Standards on Auditing.

Audit was performed on sample basis selected to express an opinion on transparency, competitiveness and propriety of purchases, consumption and utilization of LP funds for procuring medicine and surgical disposables in the hospitals. Tests were also performed to

scrutinize completeness, accuracy, relevance and authenticity of financial transactions for operating expenses. Audit test checked to evaluate whether the expenditures were completely recorded and procurements were made in accordance with the rules. Audit conducted a review of cashbooks and payment vouchers to ensure that payments were validated by proper supporting documents and approvals of management as per applicable rules and regulations, also performing walkthrough.

The audit team reviewed budgeting, contracting, procurement, distribution and other operations to analyze the extent to which the hospital managements complied with rules and regulations, and also evaluated whether the same were consistent with their objectives.

Audit applied analytical procedures, control assessment and substantive tests during the audit execution. The evidence was gathered from the application of audit procedures such as substantive test of details, review of payment vouchers and inquiries from management.

4. AUDIT FINDINGS & RECOMMENDATIONS

4.1 SYSTEMIC ISSUES WITH INFORMATION SYSTEM INADEQUACIES

4.1.1 Non-implementation of Operational Guidelines for online local purchase system of medicines-Rs. 761.447 million

Para 3, of the Policy and Operational Guidelines for Local Purchase of Medicine/Disposables in Teaching Hospitals of Punjab (Day to Day) issued vide letter No 95/ SM&IPU2018 dated 02.02.2018 states that the Punjab SHC&ME Department has further taken the initiative of Online Local purchase (LP) System deployed by Punjab Information Technology Board (PITB) for a prompt and transparent LP system across all teaching hospitals of Punjab.

A. The special audit of local purchase of the medicine for the years 2019-21 was conducted on the accounts of following 10 teaching hospitals:

Sr. No.	Name of Hospitals
1	Children Hospital, Lahore
2	Jinnah Hospital, Lahore
3	DHQ Hospital Sargodha
4	Holy Family Hospital, Rawalpindi
5	Nishtar Hospital Multan
6	DHQ Hospital D.G. Khan
7	Sir Ganga Ram Hospital, Lahore
8	Services Hospital, Lahore
9	Lahore General Hospital, Lahore
10	Mayo Hospital, Lahore

Audit observed that the data sufficiency in the online procurement management system stood compromised due to anomalies in input controls and missing data fields.

Audit observed that the above policies were not implemented in the following areas:

- (i) Central Pharmacy and Therapeutic Committee (P&TC) during 2019-20 and 2020-21 had not convened any meeting to monitor progress of Hospital Pharmacies.
- (ii) Online local purchase system had been under control of lower staff rather than being handled by trained employees or Pharmacists posted in the LP Wing of the hospital.
- (iii) LP in-charge in the hospitals had not uploaded photographs of the received products, brochure to ensure the items were as per demand or of the same brand which were ordered to be supplied.
- (iv) Competitive rates were not obtained by establishing Hospital Price Evaluation Committees to ensure maximum discounts.
- (v) LP record on PITB's portal was not maintained by hospitals.
- (vi) LP could only be made for one patient up to maximum seven days but the same check was not observed.

Audit was of the view that the hospitals had violated the local purchase policies.

Audit pointed out the matter during September and October 2021. The managements noted the observations for compliance.

The matter was further reported to the Administrative Department. DAC meetings were held on 13.04.2022, 20.04.2022, 22.04.2022, 10.05.2022, 17.05.2022 and 24.05.2022.

The decision of DAC against each Para is as under:

Sr. No.	Name of Hospital	Decision
1	Children Hospital, Lahore	The DAC kept the para pending for provision of the complete record relevant to the audit para
2	Jinnah Hospital, Lahore	The DAC kept the para pending for compliance.
3	DHQ Hospital Sargodha	The DAC kept the para pending for regularization of matter from Finance Department.
4	Holy Family Hospital, Rawalpindi	The DAC kept the para pending for initiation of fact finding inquiry.
5	Nishtar Hospital Multan	The DAC kept the para pending for a fact finding inquiry.
6	DHQ Hospital D.G. Khan	Para was not discussed
7	Sir Ganga Ram Hospital, Lahore	The DAC kept the para pending for taking up the matter with PITB for inclusion of option of updating photograph of medicine packing and brochure in the Portal. Point regarding continuation of L.P for patients beyond 07 days was kept pending for verification of list of patients.
8	Services Hospital, Lahore	Para was not discussed.
9	Lahore General Hospital, Lahore	The DAC kept the para pending for compliance.
10	Mayo Hospital, Lahore	The DAC kept the para pending for compliance.

B. Irregular local purchase of medicine and surgical disposables was still processed manually, circumventing automation utilities-Rs. 761.447 million in cases detailed at Annex-I.

Sr. No	Name of Hospitals	O.S No.	Amount (in millions)
1	Children Hospital Lahore	01	121.596
2	Holy Family Hospital, Rawalpindi	04	121.305
3	Mayo Hospital Lahore	01	468.497
4	Teaching Hospital DHQ, D.G Khan	05	50.049
Total			761.447

The matter was further reported to the Administrative Department. DAC meetings were held on 13.04.2022, 22.04.2022, 10.05.2022 and 24.05.2022.

The decision of DAC against each Para is as under:

Sr. No.	Name of Hospital	OS No.	Decision
1	Children Hospital Lahore	01	Para was kept pending for provision of PITB's letter for detail of disposable items uploaded and for provision of complete original relevant record for verification.
2	Holy Family Hospital, Rawalpindi	04	Para was kept pending for probe at the Administrative Department's level.
3	Mayo Hospital Lahore	01	Para was not discussed
4	Teaching Hospital DHQ, D.G Khan	05	Para was kept pending for probe at the Administrative Department's level within 90 days.

Audit recommends to conduct a detailed information system audit of transactions posted and punched in the portal commissioned to act as decision support system for online procurement management system. Audit further recommends initiation of a detailed inquiry on TORs based on findings spelled out in above narrated observations, besides urging the management for taking corrective measures.

4.2 FINANCIAL MANAGEMENT

4.2.1 Excess expenditure on local purchase of medicine and disposable beyond the 15% prescribed limit of medicine budget-Rs. 569.45 million

Finance Department (Monitoring Wing) Government of Punjab Lahore vide letter No.FD(FR)IV-5/2019/21015-2 dated 20.09.2019 circulated day to day purchase for normal medicine up to 15% of budget regarding the procurement of medicine by Teaching Hospitals and District Headquarter Hospitals.

Audit observed that the following hospitals incurred excessive expenditure of Rs. 569.45 million (Annexure-2) on local purchase of medicine and disposables beyond 15% of the budget allocated for all kinds of medicines and surgical disposables.

Sr. No.	Name of Hospital	OS No.	Year	Total Budget of Medicine	15% of total budget required to be incurred on L.P	Actual Expenditure of LP incurred (in millions)	Excess expenditure incurred	Percentage of excess expenditure
1	Services Institute of Medical Sciences Lahore	13	2019-20	925.65	138.85	187.32	48.47	5.24
			2020-21	1036.85	155.53	286.70	131.17	12.65
2	Nishtar Hospital Multan	5	2020-21	1,128.51	169.28	406.89	237.61	21.06
			2019-20	1,194.90	179.24	220.03	40.79	3.41

Sr. No.	Name of Hospital	OS No.	Year	Total Budget of Medicine	15% of total budget required to be incurred on LP	Actual Expenditure of LP incurred (in millions)	Excess expenditure incurred	Percentage of excess expenditure
3	DHQ Teaching Hospital Sargodha	8	2020-21	504.29	75.64	86.60	10.96	2.17
4	Holy Family Hospital, Rawalpindi	3	2020-21	574.90	86.23	94.32	8.09	1.41
5	Teaching Hospital DHQ, D.G Khan	3	2019-20	705.07	105.76	163.31	57.55	8.16
			2020-21	796.02	119.40	154.20	34.80	4.37
Total				6,866.19	1029.93	1599.37	569.44	

Audit was of the view that excess expenditure over the prescribed limit was irregular.

The matter was further reported to the Administrative Department. DAC meetings were held on 20.04.2022, 22.04.2022, 10.05.2022 and 24.05.2022. The decision of DAC against each Para is as under:

Sr. No.	Name of Hospital	OS No.	Decision
1	Services Institute of Medical Sciences Lahore	13	Para was kept pending for regularization from Finance Department.
2	Nishtar Hospital Multan	5	Para was kept pending for regularization from Finance Department.
3	DHQ Teaching Hospital Sargodha	8	Para was kept pending for regularization from Finance Department.
4	Holy Family Hospital, Rawalpindi	3	Para was kept pending to prepare detail as per Clause 2(iii) (a,b,c & d) of Policy and Operational Guidelines for LP of medicines issued on 02.02.2018.
5	Teaching Hospital DHQ, D.G Khan	3	Para was kept pending for fixing of responsibility besides regularization from Finance Department.

Audit recommends to seek regularization of the lapses from Finance Department also fixing responsibility upon those at fault, ensuring remedial measures to be taken to avoid recurrence of such instances of dereliction of duty.

4.2.2 Frequent increase in the maximum retail prices of medicine and disposables-Rs. 125.21 million

Section 12 (1) of the Drug Act 1976 states that the Federal Government may, by notification in the official Gazette fix the maximum price at which any drug specified in the notification is to be sold.

Audit observed that four hospitals incurred expenditure on account of local purchase of medicine and surgical disposables. The prices of the medicine and especially the surgical disposables were increased frequently throughout the year. Notification of price increase of the medicine and surgical disposables by the Federal Government was not available with management and payments were made without verifying these increases (Annexure-3). The details are as under.

Sr. No.	Name of Hospital	OS No.	Amount (Rs. in million)
1.	Children Hospital Lahore	09	49.60
2.	Jinnah Hospital Lahore	06	2.67
3.	Mayo Hospital Lahore	08	12.93
4.	Teaching Hospital DHQ, D.G Khan	10	60.01
Total			125.21

Audit was of the view that payment of increased maximum retail price without notification of revision by the Federal Government was unauthorized.

The matter was further reported to the Administrative Department. DAC meetings were held on 13.04.2022, 20.04.2022, 10.05.2022 and 24.05.2022. The decision of DAC against each Para is as under:

Sr. No.	Name of Hospital	OS No.	Decision
1	Children Hospital Lahore	09	Para was kept pending for provision of relevant notifications of Health Ministry / DRAP for rate enhancements of medicine & surgical disposables for verification.
2	Jinnah Hospital Lahore	06	Para was kept pending for verification of relevant record.
3	Mayo Hospital Lahore	08	Para was not discussed.
4	Teaching Hospital DHQ, D.G Khan	10	Para was kept pending for fixing responsibility.

Audit recommends to seek regularization of the lapses from Finance Department also fixing responsibility upon those at fault, ensuring remedial measures to be taken to avoid recurrence of such instances of dereliction of duty.

4.2.3 Doubtful expenditure of local purchases due to fictitious invoices-Rs. 5.03 million

Rule 2.31. (a) of PFR Vol-I requires that a drawer of bill for pay, allowances, contingent and other expenses will be held responsible for any overcharges, frauds and misappropriations. Moreover, as per rule 2.33 of PFR Vol-I, every government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by government through fraud or negligence on his part, and that he will also be held personally responsible for any loss, arising from fraud or negligence.

Audit observed that the management made payments worth Rs. 5,031,393 by obtaining fictitious invoices. It was noted that payment was not made to the bid winner / actual supplier of medicine, rather, payment was made to an irrelevant supplier due to which process of incurring this expenditure was held doubtful. (Annexure-4)

The matter was further reported to the Administrative Department. DAC meeting was held on 20.04.2022. The para was kept pending for probe at Administrative Department's level.

Audit recommends the management to ensure taking stock of lapses, fixing responsibility upon those at fault, ensuring remedial measures to be taken to avoid recurrence of such instances of dereliction of duty.

Audit further recommends to calculate the actual amount paid on fictitious invoices, besides recovering the cost for disbursed payment to suppliers.

(OS No.17 DHQ Teaching Hospital Sargodha)

4.3 RECOVERY AND OVERPAYMENT

4.3.1 Purchase of medicine and disposable items at higher rates- Rs. 57.23 million

According to Rule 4 of Punjab Procurement Rules 2014, procuring agencies, while engaging in procurements, shall ensure that the procurements are conducted in a fair and transparent manner, the object of procurement brings value for money to the agency and the procurement process is efficient and economical.

Audit observed while undertaking comparison of rates for medicine/surgical items that lesser rates were offered in different sister/allied entities of the Health Department by the firms for supply of same items. Consequently, purchases were made at higher rates amounting to Rs.57.23 million as under (Annexure-5):

Sr. No.	Name of formation	OS No.	Amount (Rs. in million)
1	Services Institute of Medical Sciences, Lahore	25	16.47
2	Lahore General Hospital, Lahore	15	2.98
3	Mayo Hospital, Lahore	05	13.87
4	Children Hospital, Lahore	06	0.785
5	Jinnah Hospital, Lahore	11	4.79
6	Mayo Hospital, Lahore	12	18.33
Total			57.225

Audit was of the view that weak supervisory and financial controls led to the irregularity.

The matter was further reported to the Administrative Department. DAC meetings were held on 13.04.2022, 20.04.2022 and 24.05.2022.

The decision of DAC against each Para is as under:

Sr. No.	Name of Hospital	OS No.	Decision
1	Services Institute of Medical Sciences, Lahore	25	Para was kept pending for compliance.
2	Lahore General Hospital, Lahore	15	Para was kept pending for regularization from Finance Department.
3	Mayo Hospital, Lahore	05	Para was not discussed.
4	Children Hospital, Lahore	06	Para was reduced to Rs. 785,038/- from Rs. 7.33 million for recovery from concerned.
5	Jinnah Hospital, Lahore	11	Para was kept pending for compliance.
6	Mayo Hospital, Lahore	12	Para was not discussed.

Audit recommends that loss should immediately be recovered from the concerned besides framing a mechanism to concurrently watch approved rates of sister hospitals also strengthening supervisory and financial controls.

4.3.2 Recovery of Rs. 105.95 million on account of price differences against risk and cost clause of contract for delayed supplies leading to local purchases

According to clause 20 of the standard General Condition of Contract (Annex-G of Standard Bidding Document), delivery of the goods shall be made by the Supplier in accordance with the time schedule prescribed by the Purchaser in the Schedule of Requirements. In case the contractor fails to adhere to the prescribed time schedule, the purchaser is at liberty to make risk purchases at the risk & cost of the contractor in the best public interest.

Audit observed that suppliers who were awarded annual contract for supply of bulk medicine did not supply medicine/surgical disposables due to which hospitals had to purchase those items locally, causing an extra payment of Rs. 105.95 million, (Annexure-6), which needed to be recovered from the suppliers under rules mentioned above.

18	Services Institute of Medical Sciences, Lahore	10	Para was reduced to Rs. 2.61 million from Rs. 9.82 million and kept pending for fixing responsibility besides recovery of remaining amount from the defaulters.

Audit recommends that the amount may be recovered from the concerned and be deposited into government treasury.

4.3.3 Overpayment to the suppliers on account of Local Purchase- Rs 3.306 million

Para 2.33 of PFR Volume-I states that every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss, arising from fraud or negligence on the part of any other Government servant to the extent to which it may be shown that he contributed to the loss by his own action or negligence.

Audit observed that the Jinnah Hospital Lahore paid an amount of Rs. 99,784,127 on account of local purchase of medicine and surgical disposables in 2019-20 as per financial statement whereas, the portal was showing the total expenditure of Rs. 95,839,111 Resultantly an overpayment of Rs 3.306 million was made (Annexure-7).

Audit was of the view that overpayment to the firms was due to negligence on the part of the management.

The matter was further reported to the Administrative Department. DAC meeting was held on 20.04.2022. The para was kept pending for compliance.

Audit recommends that the matter may be inquired into for fixing the responsibility besides recovering the overpaid amount.

(O.S No 03)

4.4 PROCUREMENT AND CONTRACT MANAGEMENT

4.4.1 Non-Obtaining of financial bids accompanied by snapshots to be uploaded on the portal-Rs. 605.42 million

Para 3 (VIII) (a) of the Policy and Operational Guidelines for Local Purchase of Medicine/Disposables in Teaching Hospitals of Punjab (Day to Day) issued vide letter No 95/SM&IPU2018 dated 02.02.2018 states that the list of disposable/surgical implants required by hospital shall be identified and approved by hospital Pharmacy and Therapeutic Committee (P&TC). Further the brand selection will be made in consultative meetings by the same.

Para 3(IX &X) of the Policy and Operational Guidelines for Local Purchase of Medicine/Disposables in Teaching Hospitals of Punjab (Day to Day) issued vide letter No 95/SM&IPU2018 dated 02.02.2018 states that the LP in-charge shall demand and accept only those brands of medicine disposables/surgical/implants in day-to-day LP that are approved by hospital P&TC and shall upload the photograph of received product. Any deviation from this process shall not be acceptable. The vendor shall be bound by the hospital to supply the approved brands of medicine / disposables / surgical / implants with exact specifications e.g. strengths and pack size on daily basis.

A. Audit observed that the following Hospitals made local purchase of medicine and disposable items amounting to Rs. 500,196,779 (Annexure-8-A) without seeking to obtain online bids for local purchase in following cases.

Non-obtaining of financial bids of local purchase of medicine and surgical disposables during 2019-20 and 2020-21			
Sr. No.	Name of Hospital	OS No.	Local purchase for 2019-20 & 2020-21
1	Services Institute of Medical Sciences Lahore	2 & 3	378,149,103
2	Lahore General Hospital Lahore	1	122,047,676
Total			500,196,779

A complete check could not be carried out because all LP transactions were carried out manually and were not recorded in any software. This was without any credible linkage of the uploaded data with snap shots of packing showing MRP rates and corresponding approved rates by the P&TC Committee.

The matter was further reported to the Administrative Department. DAC meeting was held on 24.05.2022. The decision of DAC against each Para is as under:

Sr. No.	Name of Hospital	OS No.	DAC Meeting Date	Decision
1	Services Institute of Medical Sciences, Lahore	2 & 3	24.05.2022	Para was kept pending with the following remarks: <ul style="list-style-type: none"> ➤ the matter of discount rate should be revisited for obtaining discount rate more than 15%. ➤ snap shot/photographs of medicine purchase as to MRP may be uploaded on PITB portal to verify the price. ➤ LP should be made after verification that the same medicine was not available in bulk. ➤ huge LP should be kept in the list of bulk medicine contract.
2	Lahore General Hospital, Lahore	1	24.05.2022	Para was reduced to Rs. 122,047,676 from Rs. 233,206,733 by settlement of Rs. 111,159058 of medicines and kept pending for providing list of disposables with MRP and those without MRP but rates approved by the P&TC Committee.

B. Irregular payment of Rs. 104.26 million against surgical disposables without having MRP fixed by DRAP.

Audit observed that in the portal data of the hospital these items were not included in any category of national or multinational products. (Annexure-8-B). The details are as under:

Sr. No.	Name of Hospital (de-controlled items)	O.S No	Amount (Rs. in million)
1	Children Hospital Lahore	13	30.07
2	Holy Family Hospital, Rawalpindi	09	8.64
3	Jinnah Hospital Lahore	12	27.80
4	Mayo Hospital Lahore	13	28.08
5	Teaching Hospital DHQ, D.G Khan	14	9.67
Total			104.26

The matter was further reported to the Administrative Department. DAC meetings were held on 13.04.2022, 20.04.2022, 22.04.2022, 10.05.2022 and 24.05.2022. The decision of DAC against each Para is as under:

Sr. No.	Name of Hospital	OS No.	Decision
1	Children Hospital Lahore	13	Para was kept pending for provision of notification of rates finalized after considering rates from different hospitals and market survey in respect of disposable items.
2	Holy Family Hospital, Rawalpindi	09	Para was kept pending for fact finding inquiry & fixation of responsibility by Administrative Department.
3	Jinnah Hospital Lahore	12	Para was kept pending to obtain relevant annexure/detail for verification/compliance.
4	Mayo Hospital Lahore	13	Para was not discussed
5	Teaching Hospital DHQ, D.G Khan	14	Para was kept pending to fix responsibility and recovery of loss from suppliers.

C. Non-supply of approved brand of medicine and disposables by the supplier-Rs. 0.956 million.

Audit observed that the Pharmacy and Therapeutic Committee (P&TC) of the Holy Family Hospital, Rawalpindi approved three brands list for purchase of medicine and surgical disposables in light of the above-mentioned guidelines issued by the Health Department. (Annexure-8-C)

Audit carried out a test check of few payment vouchers for the year 2019-20 and 2020-21 and it was observed that the supplier supplied medicine and surgical disposables other than those of the approved three brands.

The matter was further reported to the Administrative Department. DAC meetings were held on 22.04.2022. The para was kept pending for approval of unapproved items from Administrative Department and verification of listed items procured with amount alongwith vouchers of three months from each year.

Audit recommends to seek regularization of the lapses from Finance Department also fixing responsibility upon those at fault, ensuring remedial measures to be taken to avoid recurrence of such instances of dereliction of duty.

4.4.2 Favoritism in award of local purchase of medicine and surgical disposables items to M/s. Linex Pharmacy-Rs. 17.70 million

The policy issued by the Specialized Healthcare and Medical education department Govt. of the Punjab vide letter no. 95/SM&IPU, dated 08.02.2018 states that all hospitals shall comply with the multiple vendor system rewarding at least three active pre-qualified vendors to fulfill the objective of transparency and provisions of maximum discount on MRP of medicine. Moreover, rule 67(2&3) of Punjab Procurement Rules (PPR), 2014 states that any bidder feeling aggrieved by any act of the procuring agency after the submission of his bid may lodge a written complaint concerning his grievances not later than

ten days after the announcement of the bid evaluation report. The committee shall investigate and decide upon the complaint within fifteen days of the receipt of the complaint.

Audit observed that Technical Advisory Committee in its report dated 15.07.2020 recommended rejection of bid of M/s Linx Pharmacy, Lahore as they were involved in FIR. The Medical Superintendent vide letter No.297393/S.H dated 10.10.2020 on the basis of Grievance Committee pre-qualified M/s. Linex Lahore for 2020-21. However, the management again disqualified the vendor vide letter No. 1168/S.H dated 08.01.2021 on the plea of violating Rule 18 & 19 of PPR 2014 (providing false, fabricated or materially incorrect information) quoting an inquiry was conducted against the firm on orders of Provincial Ombudsman Punjab. As per Chief Executive officer District Health Authority Lahore vide No. Secy(PQCB)C/R-299-11/20, dated 05.12.2020 regarding provision of information of complaint against M/s LINEX Pharmacy to the MS Services Hospital Lahore informed that the Drug Inspector recovered and seized seven different type of drugs/articles/documents/cash memo on form No. 05 under the following offences:

1. Selling/stocking of expired drugs
2. Selling/stocking of drugs without qualified person
3. Selling/stocking of controlled drugs without maintaining sale/purchase record
4. Selling/stocking of misbranded drugs.

Still the contract of LP medicine was awarded to the firm and payment for Rs. 17.70 million was made to Ms. Linex Pharmacy on Local Purchase (Annexure-9).

The matter was further reported to the Administrative Department. DAC meeting was held on 24.05.2022. The Para was kept pending for fixing responsibility besides regularization from competent authority.

Audit recommends to seek regularization of the lapses from Finance Department also fixing responsibility upon those at fault, ensuring remedial measures to be taken to avoid recurrence of such instances of dereliction of duty.

(OS No.04, SIMS Lahore)

4.4.3 Non-inclusion of medicine and disposable into bulk purchase-Rs. 151.42 million

Clause 2 of the Local Purchase Policy of Medicine (Day to Day) issued vide No SO(P-1)H/3-64/2008 dated 12.09.2013 states that local purchase costs government higher price in comparison to bulk purchases. Therefore, the aim was to reduce the incidences of local purchase by identifying commonly purchased items and including them into the list of bulk purchase.

Audit observed that the following hospitals purchased medicine and surgical disposables of Rs 151.423 million in the year 2020-21 (Annexure-10). Medicines were procured on daily basis and a huge sum of money was spent on specific medicine in 2019-20 which should have been made part of the bulk purchases for 2020-21 but contrary to that those medicine were purchased locally again. The details are as under:

Sr. No	Name of Hospital	O.S. No	Amount(Rs. in millions)
1	Children Hospital Lahore	10	89.879
2	Jinnah Hospital Lahore	07	39.004
3	Mayo Hospital Lahore	09	6.089
4	Teaching Hospital DHQ, D.G Khan	11	16.451
Total			151.423

Audit was of the view that if purchase planning of Local Purchase of medicine and disposables was properly made, the same medicine and surgical disposables items could have been included in the bulk purchase and purchased through open competition with broad based rebate on offer. Resultantly, there should have been saving in government expenditure.

The matter was further reported to the Administrative Department. DAC meetings were held on 13.04.2022, 20.04.2022, 10.05.2022 and 24.05.2022. The decision of DAC against each Para is as under:

Sr. No.	Name of Hospital	OS No.	DAC Meeting Date	Decision
1	Children Hospital Lahore	10	13.04.2022	Para was kept pending for probe.
2	Jinnah Hospital Lahore	07	20.04.2022	Para was kept pending to obtain annexure / detail at the earliest for compliance accordingly.
3	Mayo Hospital Lahore	09	24.05.2022	Para was not discussed.
4	Teaching Hospital DHQ, D.G Khan	11	10.05.2022	Para was kept pending for fixing responsibility.

Audit recommends that the practice of preferring purchase of repeatedly consumed items through LP transaction should be discontinued, enlisting the medicines with the indent of bulk purchase, besides fixing responsibility on the P&TC for not including these items in the bulk purchase to get a competitive rate, benefiting from economies of scale attracting bulk purchase.

4.4.4 Non-evaluation of bidders in a transparent manner- Rs. 623.348 million

Rule 2(h) of the Punjab Procurement Rules, 2014 states that a bid most closely conforming to evaluation criteria and other conditions specified in the bidding document; and having lowest evaluated cost. Moreover, clause 3 of the Operational Guidelines for Local Purchase Medicine (Day to Day) issued vide No SO(P-1)H/3-64/2008 dated 12.09.2013 states that the bidding document shall provide “Reference Trend List” to bidders for their estimation on the frequency and quantum of purchase of the concerned hospital. The Reference Trend List shall have all the information regarding the name and quantity of the medicine purchased by the hospital during the previous financial year. This trend list

will be used by the bidders as a basis to estimate magnitude of local purchases for offering maximum discounts in the tenders.

Audit observed that the firms were rejected on minor technical grounds without specifying any reason for rejection while obtaining the maximum marks in knockout and mark based criteria (Annexure-11). The detail of irregularity is as under:

Sr. No	Name of Formations	OS No.	Nature of irregularity	Amount (Rs. in million)
1	Mayo Hospital Lahore	02	9 Firms participated in the bid. 3 firms were qualified for the bidding. For technical evaluation of the bidders M/s The Medicine Company obtained 95 marks but the committee declared the firm as non-responsive, while on the other hand, M/s Orange Pharmacy and M/s Alfah Medicos obtained 90 marks but they were declared as responsive.	292.640
2	Children Hospital Lahore	03	Two firms M/s LCH Pharmacy and M/s Feroz Sons Pharma Plus were declared as disqualified on the basis of submitting lose bids i.e. without tape binding which was not a precondition in the bidding document., while, on the other hand, a firm, M/s Model Pharmacy, without having NTN was declared responsive.	330.708
Total				623.348

Audit was of the view that disqualification of a responsive bidder was irregular.

The matter was further reported to the Administrative Department. DAC meetings were held on 24.05.2022 & 13.04.2022. The para of Mayo Hospital Lahore at Sr. No.1 was not discussed and the para of Children Hospital Lahore at Sr.No.2 was kept pending for regularization.

Audit recommends to inquire into the matter to fix the responsibility.

4.4.5 Direct local purchase of medicine and surgical disposables items due to non-responsiveness by pre-qualified bidders- Rs. 40.07 million

Para-3 (VI) of Department of Specialized Healthcare and Medical Education Lahore letter No.95/SM&IPU dated 02.02.2018 states that the initiative of online local purchase (LP) system deployed by Punjab information Technology Board (PITB) for prompt and transparent LP system across all teaching hospitals of Punjab. All hospitals shall comply with the multiple vendors system having at least three active pre-qualified vendors to fulfill the objective transparency and provision of maximum discount on MRP of medicine.

Audit observed that the DHQ Hospital Sargodha made local purchase of medicine and disposable items amounting to Rs.40,069,272 in 2020-21 ignoring PITB's portal after bids time expired due to non-responsiveness by pre-qualified bidders. An amount of Rs.40,069,272 was involved on such LP. The data provided by the management from PITB's portal containing medicine and disposables by the management did not disclose names of pharmacies/vendors from whom medicine and disposables were procured (Annexure-12).

Audit further observed that there was no provision in the Department of Specialized Healthcare and Medical Education Lahore letter No.95/SM&IPU dated 02.02.2018 to deal with non-responsiveness by bidders as the bidders in connivance with each other did not participate in bidding, which resulted into comparatively more exorbitant rate.

The matter was further reported to the Administrative Department. DAC meeting was held on 20.04.2022. The para was kept pending for probe at Administrative Department's level.

Audit recommends that the practice of preferring repeatedly consumed items through LP transaction should be discontinued enlisting the medicines with the indent of bulk purchase besides fixing responsibility on the P&TC for not including these items in the bulk purchase to get a competitive rate.

(OS No.9 DHQ Teaching Hospital Sargodha)

4.4.6 Irregular local purchase of medicine for outdoor patients- Rs. 142.32 million

Section 8 of the Punjab Provincial Assembly (Salaries, Allowances and Privileges of Members) Act, 1974, as amended up to 2018, states that a member shall be entitled, for himself and for his parents, spouse, real and stepsons and daughters, wholly dependent upon him, to free indoor and outdoor medical facilities of the standard admissible to a Class-I officer of the government. Moreover, Finance Department, Government of Punjab, Lahore vide Note below para-5 of the letter No.FD.PC.2-2/2010 dated 15.07.2010 states that existing facility of reimbursement of amount spent on account of purchase of medicine by government servants and local purchase of medicine by government hospitals for outdoor patients will be discontinued. Moreover, para-2(III) of the Department of Specialized Healthcare and Medical Education, Lahore letter No.95/SMS/PU dated 02.02.2018 states that the arrangement of medicine through LP shall be permissible for admitted patients of hospital in emergency and indoor only.

Audit observed that the below mentioned hospital purchased medicine to the above stated extent under LP for providing medicine to Punjab Assembly Members and Govt. Officers as outdoor patients (Annexure-13). Further, figures for May and June, 2021 were neither

made part of the expenditure statement nor provided to Audit. Audit observed the following irregularities:

- (i) Neither the Punjab Assembly Members and officers were entitled, nor was the hospital permitted to provide the medicine through local purchase to outdoors patients.
- (ii) Letter No.PA/DS(ME)Misc./2019 dated 05.04.2019 issued by the Department of Specialized Healthcare & Medical Education Lahore regarding local purchase of medicine for Punjab Assembly Members and officer had no legal backing.
- (iii) Details of break up showing names of the recipients in support of the expenditure were not provided rather a lump sums figure and list was provided.
- (iv) The matter regarding non-providing of details of expenditure was brought to the notice of Medical Superintendent vide Requisition Slips No.6 dated 25.08.2021, No.7 dated 25.08.2021. Finally, it was brought to notice of Secretary Special Health and Medical Education vide Requisition Slip No. 8 dated 27.08.2021 but no details were provided.
- (v) Paid vouchers did not contain the names of patients for whom medicine was purchased and the vouchers had no cross referencing with the outdoor patient files. The vouchers indicating indent and prescription impinging upon entitlement of beneficiaries were withheld, denying audit scrutiny at the outset. The detail is as under:

Sr. No.	Name of formation	OS No.	Amount (Rs. in million)
1	Services Hospitals, Lahore	19	103.12
2	Services Hospitals, Lahore	11	24.69
3	Services Hospitals, Lahore	12	14.55
Total			142.36

Audit was of the view that expenditure incurred was held irregular and unauthorized.

The matter was further reported to the Administrative Department. DAC meeting was held on 24.05.2022. All the paras were kept pending for clarification from Finance Department regarding admissibility of LP to outdoor patients besides fixing responsibility for non-production of record.

Audit recommends that disallowance for LP for consumption by outdoor patients needs to be conformed to strictly, with prompt discontinuation of local purchase of medicine for administration upon outdoor patients.

4.4.7 Loss in local purchase of Acuron 10mg/ml, 5ml injections caused due to rejecting annual bulk procurement rate-Rs. 6.29 million

As per rule 2.33 of PFR Vol-I, every Government servant should realize fully and clearly that he will be held personally responsible for any loss sustained by Government through fraud or negligence on his part, and that he will also be held personally responsible for any loss, arising from fraud or negligence.

Tender of bulk procurement of medicine were invited through press on 05.07.2019 for the years 2019-20 and on 07.06.2020 for 2020-21.

Audit observed that Nishtar Hospital management technically rejected the bidder who participated in the bid of Acuron 10mg/ml, 5ml in 2019-20. Similarly, in 2020-21 M/s Brooks Pharma Karachi who quoted rate of Rs.200 per injection (Annexure-14) as follows:

- (i) M/s Brooks Pharma Karachi quoted rate of Rs.200 per injection for Acuron 10mg/ml, 5ml. The injections were rejected in annual bulk purchase of medicine during

2020-21 considering that the rates offered by the firm was higher.

- (ii) After rejecting quoted rate, the management made local purchase of 58653 injections @ at higher rate Rs.307.31 per injection for amounting to Rs. 18,024,653 was made.
- (iii) Resultantly LP was made at higher rate therefore loss amounting to Rs.6,294,053 (LP=rate Rs. 307.31 – Rs.200 = difference of rate Rs.107.31 per injection * 58653) occurred to government. Audit was of the view that rate of Rs.200 per unit offered by M/s. Brooks was rejected under annual bulk procurement but subsequently the item was locally purchased @ Rs. 307.31 per unit which caused loss to the government.

The matter was further reported to the Administrative Department. DAC meeting was held on 22.04.2022. The para was kept pending for probe by Administrative Department.

Audit recommends to inquire into the matter for fixing responsibility besides recovering the losses from the entities / persons held responsible.

(OS No.33 Nishtar Hospital Multan)

4.4.8 Unauthorized local purchase of Bemisivir Injections- Rs. 0.915 million

Department of Specialized Healthcare and Medical Education (SHC&ME) Lahore vide letter No. S.)(PHP) 9-149/2007/2020 (TOCI) dated 09.01.2021 informed all Teaching Hospitals of Punjab that it was circulated in the reference letter (dated 08.05.2020 and 19.06.2020) that antiviral in Pakistan did not have any significant role in COVID-19. Further, it was stated that the Corona Experts Advisory Group (CEAG) in

its meeting held on 10.12.2020 decided that injection Remdesivir had no role in management of critical cases of COVID-19 and it was directed that the injection should not be purchased.

Audit observed that the Nishtar Teaching Hospital Multan had made local purchase of 183 Bemisivir Injections @ Rs.5000 amounting to Rs. 915,000 (Annexure-15) in 2020-21. Bemisivir injections were locally purchased although it was decided by the CEAG in its meeting held on 10.12.2020 that injection Remdesivir had no role in management and critical cases of COVID-19 and non-procurement instructions were issued by the Department of SHC&ME.

Audit was of the view that unauthorized/irregular payment was made to the vendor due to weak internal controls.

The matter was further reported to the Administrative Department. DAC meeting was held on 22.04.2022. The para was kept pending for fact finding inquiry regarding procurement of 183 injections beyond the ban and reduced the amount of Para to Rs. 915,000 for 183 injections from Rs. 5,550,000 against 1110 injections.

Audit recommends to inquire into the matter for fixing responsibility besides recovering the losses from the entities / persons held responsible.

(OS No.37 Nishtar Hospital Multan)

4.4.9 Local purchase of Foleys Catheter 16 due to rejection of bid without recorded reasons under annual bulk purchase-Rs. 2.51 million

Para 2 (III) (i) of Department of Specialized Healthcare and Medical Education Lahore letter No. 95/SM&IPU dated 02.02.2018 states that the arrangement of medicine through local purchase shall be permissible for admitted patients of hospital in emergency and indoor if

the required item is included in annual award list but is not supplied by the respective company within stipulated period of 30-45 days after issuance of purchase order.

Audit observed that under annual/bulk purchase system, technical bids of the item “Foleys Catheters two-way silicon coated 16” quoted by M/s. Al-Hamd Enterprises Karachi in 2019-20 and previously quoted by M/s. K.M Enterprises Lahore in 2018-19 were rejected by the end user (Annexure-16).

Audit observed that technical bids of the item Foleys Catheters two-way silicon coated 16 were rejected twice by the end user without recording any reason which caused local purchase of 13160 items at an average rate of Rs. 190.75 amounting to Rs. 2,510,270 during 2019-20.

Audit was of the view that responsibility needed to be fixed for rejection of bids without recording reasons which caused local purchase of the item.

The matter was further reported to the Administrative Department. DAC meeting was held on 20.04.2022. The para was kept pending for verification of relevant record.

Audit recommends that responsibility be fixed besides ensuring recovery of the loss.

4.4.10 Loss due to local purchase of medicine and disposables in presence of bulk supply contract-Rs. 0.77 million

Para 2.10 (a)(1) of PFR Volume-I states that same vigilance should be exercised in respect of expenditure incurred from Government revenues, as a person of ordinary prudence would exercise in respect of the expenditure of his own money.

Audit observed that management of the Mayo Hospital, Lahore purchased medicine and disposable items to the stated extent above despite awarding contract for bulk purchase of medicine and disposals items simultaneously (Annexure-17).

Audit was of the view that lapse was due to weak supervisory and inventory controls.

The matter was further reported to the Administrative Department. DAC meeting was held on 24.05.2022, but the para was not discussed.

Audit recommends to inquire into the matter for fixing responsibility besides recovering the losses from the entities / persons held responsible.

4.4.11 Supply of surgical disposables without having manufacturing company name-Rs. 2.063 million

Para 3(IX) of the Policy and Operational Guidelines for Local Purchase of Medicine/Disposables in Teaching Hospitals of Punjab (Day to Day) issued vide letter No 95/SM&IPU2018 dated 02.02.2018 states that LP In-charge shall demand and accept only those brands of medicine/disposables/surgical/implants in day-to-day LP that are approved by hospital P&TC and shall upload the photograph of received product. Any deviation from this process shall not be acceptable.

Para 3(X) of the Policy and Operational Guidelines for Local Purchase of Medicine/Disposables in Teaching Hospitals of Punjab (Day to Day) issued vide letter No 95/SM&IPU2018 dated 02.02.2018 states that the vendor shall be bound by the hospital to supply the approved brands of medicine/disposables/surgical implants with exact specifications e.g. strengths and pack size on daily basis.

Audit observed that District Headquarter (DHQ), Teaching Hospital, Dera Ghazi (D.G) Khan purchased surgical disposables from the

prequalified bidders in the year 2019-21. Prequalified bidders provided surgical items costing Rs. 1,392,014 and Rs. 671,312 in the year 2020-21 and 2019-20 respectively without mentioning the name of manufacturing company (Rs. 1,392,014+ Rs. 671,312=Rs. 2,063,326) (Annexure-18).

Audit was of the view that receipt of disposable items without having name of the manufacturing company was unauthorized and raised doubts in the quality of medicine being procured.

The matter was further reported to the Administrative Department. DAC meeting was held on 10.05.2022. The para kept pending for regularization from competent authority.

Audit recommends that matter be inquired besides regularized from relevant forum.

(O.S No 07)

4.4.12 Unjustified local purchase of an unapproved costly surgical disposable item Drape Set-Rs. 2.05 million

Para -2(V) of Department of Specialized Healthcare and Medical Education's letter No. 95/SM&IPU dated 02.02.2018 states that Hospital Pharmacy and Therapeutic Committee shall select and approve at least three 3 technically accepted brands of medicine surgical disposables/medical devices/implants for use in hospital along with their detailed specifications as appropriate in best interest of patients, only technically accepted brand of Hospital P&TC shall be selected for purchase in local purchase.

Audit observed that the Lahore General Hospital Lahore made local purchase of Drape Set (surgical disposable item) in 2020-21 amounting to Rs. 2,049,806 (Annexure-19). Neither item nor its brand was approved by the Hospital P&TC nor any meeting of the committee was held in 2020-21.

Audit held that local purchase of un-approved item/brand by Hospital P&TC was irregular.

The matter was further reported to the Administrative Department. DAC meeting was held on 24.05.2022. The para was kept pending for regularization from relevant forum.

Audit recommends that responsibility be fixed and internal controls be strengthened to avoid recurrence of such lapses besides seeking regularization from relevant forum.

4.4.13 Unauthorized local purchase of HCV KIT for Nishtar Lab-Rs. 0.298 million

Para 2(III) of Department of Specialized Healthcare and Medical Education Lahore letter No. 95/SM&IPU dated 02.02.2018 states that the arrangement of medicine through local purchase shall be permissible for admitted patients of hospital in emergency and indoor only.

Audit observed that the Nishtar Hospital Multan made local purchase of 2 HCV KIT @ Rs.148,883 and incurred expenditure Rs. 297,766. The details are as under.

ANTI HCV							
Sr. No.	Disposable	Name of Kit	Brand	Unit	Date	Issued to	Amount (Rs.)
1	Disposable	Anti HCV Kit	Classic/Green/Wellmed	1	9.10.19	Nishtar Lab	148,883
2	Disposable	Anti HCV Kit	IMUMED / LABUVAC	1	6.12.19	Nishtar Lab	148,883
Total							297,766

Audit observed that the local purchase of medicine and surgical disposables was admissible for admitted indoor patients only, whereas, the item procured was for the laboratory of the Hospital, which was inadmissible.

Audit was of the view that LP for Hospital laboratory was unauthorized.

The matter was further reported to the Administrative Department. DAC meeting was held on 22.04.2022. The para was kept pending for probe.

Audit recommends that responsibility be fixed for irregular purchase and internal controls be strengthened to avoid recurrence of such lapses.

(OSNo.11 Nishtar Hospital Multan)

4.4.14 Defective/unjustified assessment of demand of medicine awarded through bulk purchase contract resulting in purchase of LP medicine at higher rates-Rs. 157.835 million

According to clause 76 of the Standard Bidding Document, delivery of the goods shall be made by the Supplier in accordance with the time schedule prescribed by the Purchaser. In case the contractor fails to adhere to the prescribed time schedule, the purchaser is at liberty to make risk purchases from open market at the risk & cost of the contractor in the best public interest and difference in cost will be deducted from the firm alongwith 0.067% per day penalty for delay and firm habitual of delaying supply will be black listed and tender security will be forfeited.

As per clause 8 of supply order, the procuring agency reserves the right at the time of award of contract to increase or decrease the quantity of goods originally specified in schedule mentioned without any change in unit price and other terms & conditions.

Audit observed that in 19 cases, formations procured the medicine and surgical disposable items through local purchase at higher rates despite the award of contract of the same in bulk contracts to different suppliers.

The management had not prepared/assessed proper demand for bulk purchase for the period 2019-2021 resultantly failure of supply chain by the management resulted in purchase of medicine at higher rate through local purchase system.

The hospital management adopted the practice of procurement through LP instead of effecting the risk and cost purchase recovery from defaulters (suppliers) who failed to make supplies during stipulated period (Annexure-20).

Audit recommends to inquire into the matter for fixing responsibility besides recovering the losses from the entities / persons held responsible.

4.5 NON-PRODUCTION OF RECORD

4.5.1 Unsupported expenditure of local purchase of medicines and surgical disposables-Rs. 50.845 million

As provided in section 14 of the Auditor-General's (Functions, Powers and Terms & Conditions of Service) Ordinance, 2001, the officer in-charge of any office or department shall afford all facilities and provide record for audit inspection and comply with requests for information. Any person or authority hindering the auditorial functions of the Auditor General regarding inspection of accounts shall be subject to disciplinary action under relevant Efficiency and Discipline Rules. Further, Punjab Finance Department letter No. FD (M1) III-2/87(P-III), dated 22nd February, 1994 provides that DDO himself will be responsible for production of record to the audit party at the time of audit and that in case of any lapse on his part, severe disciplinary action will be taken against him by the Administrative Secretary personally apart from submitting a report to the Chief Minister/Chief Secretary.

Audit observed that record upto the extent of Rs. 50,847,605 (Annexure-21) was not produced pertaining to financial year 2019-21.

Sr. No.	Name of Hospital	OS No.	Amount (Rs. in million)
1	Services Hospital, Lahore	9	27.94
2	Jinnah Hospital, Lahore	2	21.118
3	Teaching Hospital, DHQ, D.G Khan	4	1.787
Total			50.845

Audit was of the view that non-production of paid vouchers resulted into non-verification of expenditure.

The matter was further reported to the Administrative Department. DAC meetings were held on 24.05.2022, 20.04.2022 and 10.05.2022. The decision of DAC against each Para is as under:

Sr. No.	Name of Hospital	OS No.	DAC Meeting Date	Decision
1	Services Institute of Medical Sciences, Lahore	9	24.05.2022	Para was kept pending for fixing responsibility and taking action against the person responsible for non-production of complete record.
2	Jinnah Hospital Lahore	2	20.04.2022	Para was kept pending for compliance.
3	Teaching Hospital DHQ, D.G Khan	4	10.05.2022	Para was kept pending for reconciliation of data with SAP data duly verified by District Accounts Officer, D.G. Khan.

Audit recommends that missing record be produced for detailed audit scrutiny, also taking stock of lapses, fixing responsibility upon those at fault, ensuring remedial measures to be taken to avoid recurrence of such instances of dereliction of duty in future.

5. CONCLUSION

The up-dation of Local Purchase Policies of 2013 and 2018 needed to be reviewed as it was clearly observed that after notification of LP policy 2018, there was a clear reduction in rates of discounts offered by the suppliers resulting in extra burden shifted on the government exchequer. Impact of pools and cartels on local purchases was obvious that deprived government of a healthy competition, resulting into high cost of the LP. The implementation of the current LP policies especially in connection with PITB Portal was another grey area which may be looked into to ensure transparency in local purchases. Medicine being purchased repeatedly through local purchases may be integrated with consolidated indents of the regular procurement plan

6. ACKNOWLEDGEMENT

We are thankful to the management of all hospitals for extending cooperation in provision of record which helped us in completion of the assignment timely.
